IF WE ONLY UNDERSTOOD

RUDYARD KIPLING

Could we but draw back the curtains
That surround each other's lives,
See the naked heart and spirit,
Know what spur the action gives;
Often we would find it better,
Purer than we judge we should;
We should love each other better,
If we only understood.

Could we judge all deeds by motives,
See the good and bad within,
Often we should love the sinner
All the while we loathe the sin;
Could we know the powers working
To overthrow integrity,
We should love each other's errors
With more patient charity.

If we knew the cares and trials,
Knew the efforts all in vain,
And the bitter disappointment
Understood the loss and gain—
Would the grim eternal roughness
Seem—I wonder—just the same?
Should we help where now we hinder,
Should we pity where now we blame?

Ah! we judge each other harshly
Knowing not life's hidden force;
Knowing not the fount of action
Is less turbid at its source—
Seeing not amid the evil
All the golden grain of good;
We would love each other better
If we only understood.

NOTE: Petition granted; chapter to be installed as Iota on November 29, 1927, by Dr. A. E. Butler.

CHARLESTON, SOUTH CAROLINA
September 14, 1927

To Dr. Robert Wilson, Dean of the Medical College of the State of South Carolina, and to Whom All These Presents Come:

For, and in consideration of the fact that the General Assembly of the State of South Carolina, in body assembled, has, by a vote of a majority of its members, lifted the ban from and against national fraternities in the several institutions owned and controlled by the State of South Carolina; and

Because we believe in the value of national fraternities, and in the future of the Medical College of South Carolina; and,

Because we desire to band ourselves together for the purpose of promoting social intercourse and professional advancement: therefore,

We, the undersigned, do hereby respectfully petition the Dean of the said Medical College of the State of South Carolina to organize to that end, and to set in motion such proceedings as are necessary to its accomplishment.

And we hereby name as our preference the Kappa Psi Pharmacy Fraternity, giving as our reasons the fact that it is, in our opinion, the most desirable organization to secure, should we be able to bring it to our campus; and that,

It had, in the past, a chapter at the Medical College of the State of South Carolina; which chapter operated successfully prior to the passage of the Anti-Fraternity Law by the Legislature of South Carolina; and that,

It numbers among its members, both on the faculty of the aforementioned institution, and in the profession at large, such men as appear to us to be indicative of the high quality of its organization.

Given under our hand and seal, in the City of Charleston, State of South Carolina, in the year of our Lord one thousand nine hundred and twenty-seven, and in the one hundred and fifty-first year of the Independence of the United States of America.
