GREETINGS TO GAMMA RHO

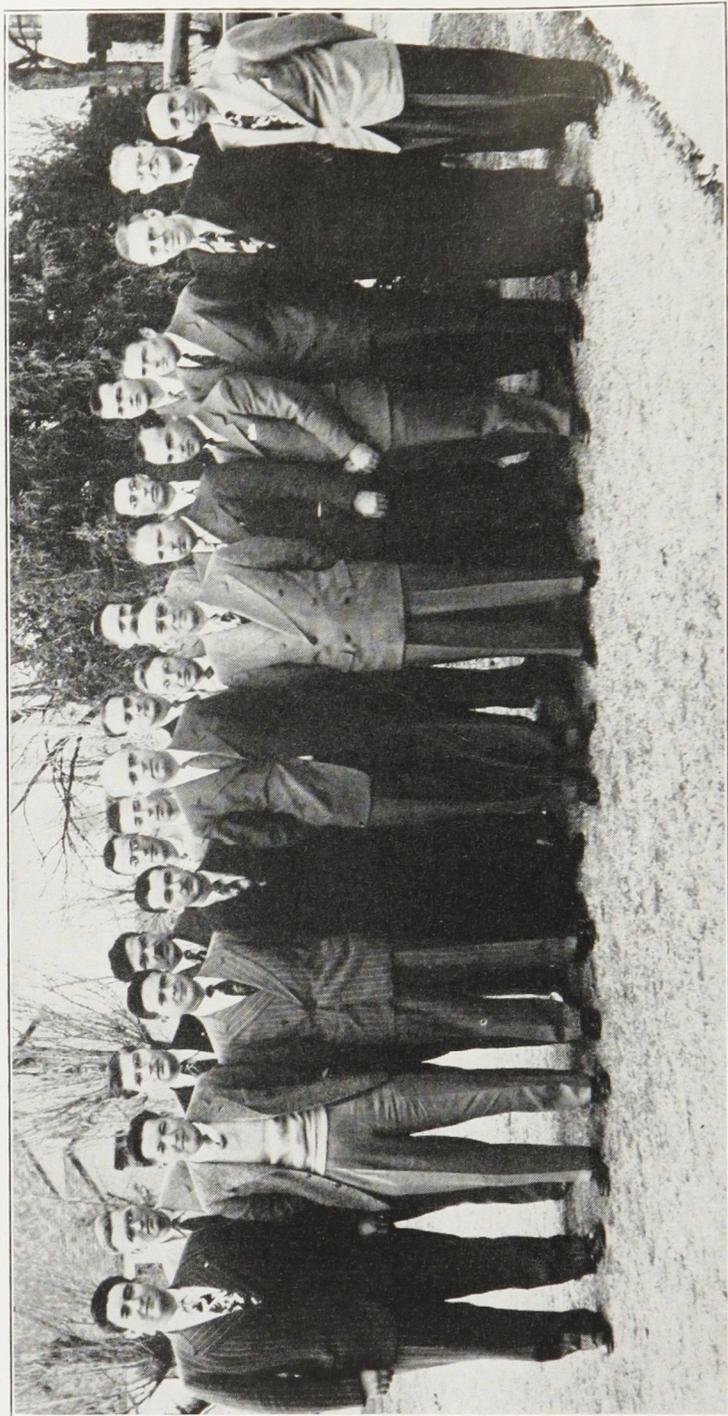

In behalf of all brothers in Kappa Psi Pharmaceutical Fraternity, ALPHA CHAPTER expresses warm greetings and sincere congratulations to the nineteen Charter Members who have become our new brothers by virtue of their having been initiated into Gamma Rho Chapter at the University of New Mexico.

May the high ideals of Kappa Psi serve to inspire each new member to attain his full share of joy and success in life. May the chapter always maintain the traditions of the fraternity by diligent work and the application of the principles of brotherhood.

Our sincere appreciation and thanks go to Brother Roy A. Bowers for his deep interest and inspiring leadership, which resulted in the organization of the group we are now proud to greet and honor as GAMMA RHO CHAPTER, Kappa Psi Pharmaceutical Fraternity.

FRANK H. EBY

Grand Regent

GAMMA RHO CHAPTER

Front row, left to right: Rex E. Powell, William J. Vaughan, Frank N. Stevenson, Donald L. Spencer, Dean Roy A. Bowers, Dr. Frank H. Eby, Jimmy C. Wallace, Victor V. Keyes, William C. Babcock, Charles R. Corwine, Dewey H. Roberts.
Back row, left to right: Ruric D. Mason, Charles E. Vertrees, Wilbur W. Tucker, M. Byrne Cates, Theodore P. Ahr, Eugene Williams, Jr., Robert C. Wentworth, William A. McKinley, Donald R. Gladman, Kenneth C. Vanselous, Stanley E. Romine.

HISTORY AND INSTALLATION OF GAMMA RHO CHAPTER

By **FRANK H. EBY**, Grand Regent

The application for a charter was made in the form of a petition to Grand Secretary-Treasurer Kelley under date of November 17, 1947.

In presenting his plea for favorable consideration of the application, Dean Roy A. Bowers, Rho, made the following statements:

"Today, modern higher educational institutions are fully cognizant and confident that their students and campus program must be a coordination and integration of sound classroom disciplines and profound extra-curricular opportunities for the students to mold for themselves careers as exemplary citizens and professional leaders. For this reason, I, a Kappa Psi member, strongly urge my fraternity brothers to pass favorably upon the petition of my students for the creation of a chapter of Kappa Psi on the University of New Mexico campus."

In late December, the Legislative Committee, after the necessary investigation, recommended that a charter be granted to the applicants.

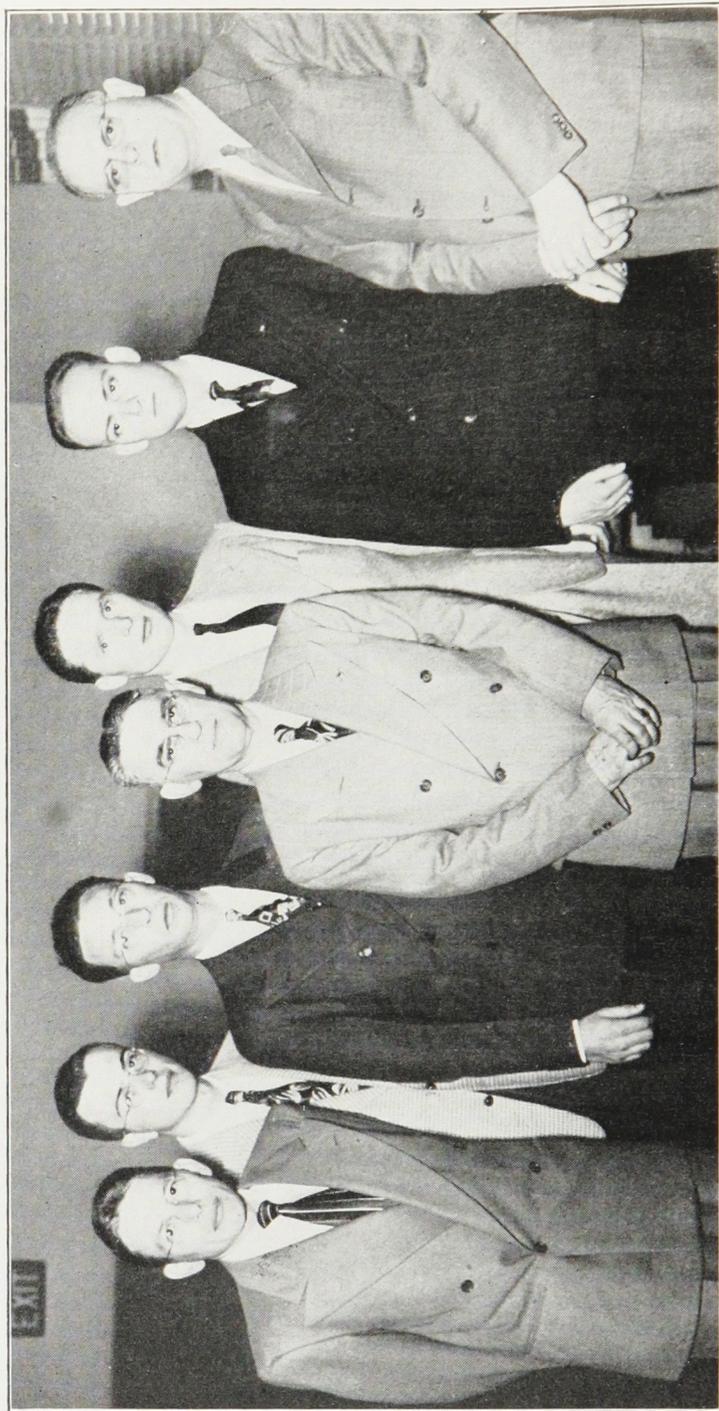

It is interesting to note that the students who made the formal application for a Kappa Psi charter had organized the Psi Kappa Pharmaceutical Fraternity on the campus of the University of New Mexico in May, 1946. Under the careful guidance of Dean Bowers, the fraternity developed into a strong organization which was recognized by the authorities at the University and was given a place on the University calendar.

The names of the undergraduates of the College of Pharmacy of the University of New Mexico whose names appeared on the petition for a charter for a Kappa Psi Chapter follow: Dewey H. Roberts, Eugene Williams, Jr., William A. McKinley, Charles E. Vertrees, Victor V. Keyes, William C. Babcock, Stanley C. Romine, Kenneth C. Vansalous, Rex E. Powell, M. Byrne Cates, Donald R. Gladman, Robert C. Wentworth, Ruric D. Mason, Wilbur W. Tucker, Frank N. Stevenson, Jimmy C. Wallace, William J. Vaughan, Theodore P. Ahr, Donald L. Spencer, Charles R. Corwine.

The formal installation of Gamma Rho chapter was conducted by Grand Regent Frank H. Eby, in the Student Union located on the University campus, during the afternoon of February 16, 1948.

Dean Roy A. Bowers introduced the Grand Regent to each candidate, following which the Grand Regent gave a short history of the Fraternity. The ritual of initiation was then explained in detail and all secret work was carefully reviewed. At the completion of this phase of the work, each member received his certificate and a recognition button. During a brief intermission, a group picture, pictures of the officers, and other pictures were taken on the University campus for the chapter records and THE MASK.

This was followed by the installation of the officers and the formal presentation of the Charter. Dean Bowers accepted the Charter for the

INSTALLATION OF GAMMA RHO CHAPTER

Left to right: Robert C. Wentworth, Secretary; M. Byrne Cates, Historian; Donald R. Gladman, Regent; Dr. Frank H. Eby, Grand Regent; William A. McKinley, Treasurer; Eugene Williams, Jr., Vice-Regent; Dr. Roy A. Bowers, Dean of the College of Pharmacy.

chapter and pledged the full support of the members to the high ideals of Kappa Psi.

With the completion of the major work of the installation, the meeting was adjourned so the members could meet in the Alvarado, famous Albuquerque hotel at 6:30 P.M., where they enjoyed a delightful dinner. Regent Donald R. Gladman presided.

Following the dinner, the Grand Regent reviewed important parts of the Constitution of Kappa Psi Pharmaceutical Fraternity. He carefully reviewed the government of Kappa Psi and explained the composition and function of the Grand Council Convention, Alpha chapter, the Executive Committee, and the Provinces. A general discussion on fraternity matters completed this part of the program.

One of the features of the evening was the reading of the many letters and telegrams received by Gamma Rho chapter on the occasion of its installation as the fifty-third chapter to receive a Kappa Psi Charter. These letters and telegrams received from the various chapters and brothers conveyed warm congratulations and good wishes for success to Gamma Rho chapter and its members. Coming from all parts of the United States, these messages demonstrated the fine spirit which exists among Kappa Psi members.

And so the activity just described closed one of the notable days in the history of student activities at the University of New Mexico, College of Pharmacy. Gamma Rho chapter should become an important force in this new college, and its members should play a significant part in the progress of pharmacy in New Mexico as they take their places in the professional life of the state.

This brief sketch covering the birth of a new chapter in Kappa Psi would not be complete without a word of tribute to Dean Bowers, whose understanding and faith in fraternities has made it possible, from this day on, for many worthy students to enjoy the privilege of membership in America's oldest and most distinguished pharmaceutical fraternity.

GAMMA RHO—UNIVERSITY OF NEW MEXICO

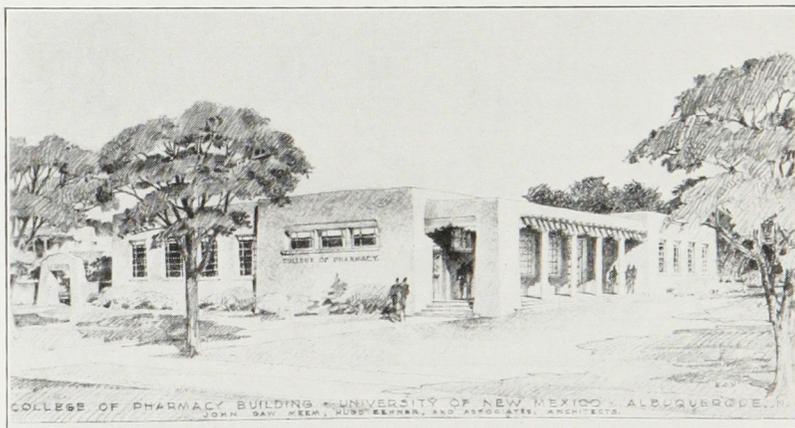

Gamma Rho chapter, the newest group of pharmacists-to-be to enter into the comradeship of Kappa Psi, sends its heartiest greetings to all of you whom we may now proudly call "Brother." Our thanks go especially to all of you who made our initiation such an enjoyable occasion with your numerous enthusiastic letters and telegrams. Having thus been launched with so many helping hands at our backs, we feel that our success here at New Mexico is assured from the start.

We were greatly honored to have Grand Regent Dr. Frank H. Eby come all the way from Temple to preside at our initiation and see us off to a good start. I am sure that it will be an occasion which will be warmly remembered by the twenty of us who were initiated that day, as well as

SCHOOL OF PHARMACY, UNIVERSITY OF NEW MEXICO

Building now being constructed.

by our Dean, Dr. Roy A. Bowers, Rho chapter (University of Kansas), who also participated in the ceremony.

Dr. Eby arrived on the afternoon of February 16, and began immediately to instruct the group in the ritual, government, and proceedings of the Fraternity. This first meeting was held in the Student Union Building on the campus, and before adjourning at 6:00 P.M., Dr. Eby, among many other things, installed the following officers for the chapter: Regent, Donald R. Gladman, Albuquerque; Vice-Regent, Eugene Williams, Hobbs; Secretary, Robert Wentworth, Arizona; Treasurer, William McKinley, Colorado; Chaplain, James Wallace, Albuquerque; and Historian, Byrne Cates, Albuquerque.

The group then adjourned to the Alvarado Hotel in downtown Albuquerque for a banquet featuring a fried chicken dinner. Dr. Raymond Castle of the College of Pharmacy staff was an additional guest at this banquet. Later in the evening, Dr. Eby completed his explanation of the government of the Fraternity and presented each of the new members with the recognition button of Kappa Psi. From this all too brief association with him, all of us developed a great liking for this grand man who heads our Fraternity, and we are looking forward eagerly to the time when we can be together again.

Hoping to build up our membership considerably before the end of the school year, the group voted at our first meeting as Kappa Psi to invite seventeen of the most prominent men in the College to become pledges of this chapter on March 11. Our ritual team is being worked into shape by Vice-Regent Williams, and several committees are hard at work preparing for these new men. We hope to make our first initiation fully worthy of the Fraternity's high reputation.

Gamma Rho chapter is also hard at work on the annual banquet and dance which we present for the entire College of Pharmacy and guests from among the prominent pharmacists of New Mexico. Several officers of the State Board of Pharmacy, New Mexico Branch of the American Pharmaceutical Association, and others have been guests at these festivities in previous years. We hope to make the 1948 Dinner-Dance even more of a success. We take a great deal of pride in the fact that we are the only campus organization at New Mexico University to attempt to entertain the entire enrollment of the College which we represent, and we feel that our efforts are thoroughly appreciated by our fellow students and guests alike.

Since we are quite a distance from any other chapter of Kappa Psi, it will likely be some time before we meet any of our Brothers personally. In the meantime, however, we are eagerly waiting to be introduced to all of you in the pages of our first copy of THE MASK, so until we are more fully acquainted, we remain

Fraternally yours,

BYRNE CATES, *Historian*

HISTORY OF THE UNIVERSITY OF NEW MEXICO AND THE COLLEGE OF PHARMACY

The University of New Mexico was created by an act of the Territorial Legislature in 1889, opened as a summer normal school on June 15, 1892, and began full-term instruction on September 21 of the same year. The twenty acres allotted by the Territorial Legislature for a campus have become more than 400; buildings have increased from a single structure to thirty. Enrollment has grown from one college enrollee in 1895-96 to 4,475 in the fall of 1947.

The development of new colleges and divisions has kept pace with the physical growth of the institution. The College Department became the College of Literature and Arts in 1898, later changing to its present title of College of Arts and Sciences. The College of Engineering opened in 1906, and the Graduate School and Extension Division in 1919. In 1928, the College of Education was created; in 1935, the General College; and in 1936, the College of Fine Arts. A unit of the United States Naval Reserve Officers Training Corps was established May 20, 1941. The School of Inter-American Affairs was instituted during the same year. In 1945, the following new divisions became an active part of the University program: The College of Pharmacy, the Division of Governmental Research, and the Bureau of Business Research. In 1946, the Division of Research and Development and the Institute of Meteoritics were added to the University's research program. The College of Business Administration and Law began operation this term (1947-48).

The College of Pharmacy, established by the Board of Regents in 1945, has been a marked success in every way, and its development has more than met the expectations of the organizers.

Under the able leadership of Dean Roy A. Bowers, the first College of Pharmacy to be founded in the Southwest has established a sound foundation and, in the few years of its existence, has become recognized as one of the important units of the University.

The purpose of the College of Pharmacy is to provide a thorough scientific foundation for the pursuit of the profession of pharmacy in all its branches. The elements of the fundamental natural sciences are required in the basic education of the pharmacy students, and since these courses are pursued in other departments of the University, students have the advantage of close association with a large part of the University student body.

The requirements for admission are the same as those for the College of Arts and Sciences, except that one and one-half units of algebra and one unit of geometry are required.

The beginning of the year 1948 saw the breaking of ground for the new pharmacy building. Located on one of the most beautiful spots on the campus and situated close to the chemistry and the science buildings, it will house one of the most complete and thoroughly modern institutions for the training of students in every phase of pharmacy.

THE TWENTY-FOURTH GRAND COUNCIL CONVENTION

The twenty-fourth national meeting of the Grand Council of Kappa Psi Pharmaceutical Fraternity was called to order at the Hotel St. Clair in Chicago, Illinois, at 9:00 A.M., December 29, 1947, by Grand Regent Frank H. Eby. Registration of delegates, representatives, and guests, as well as meetings of various committees were held on the previous afternoon and evening. Also on the previous evening "Open House" for all was held at the Chi Chapter house on South Ashland Boulevard. The members of this Chapter under the guiding hand of Brother Lewis E. Martin of the University of Illinois faculty proved to be ideal hosts during the entire convention, and for their many courtesies and thoughtful kindnesses all in attendance are duly grateful. The various committees, with Lewis E. Martin as General Chairman and Calvin Eckstrom as Secretary-Treasurer, did a fine job of taking care of all arrangements, and the work of these committees resulted in a very well organized meeting. The Program Committee consisted of George Katsaros as chairman, with Ray S. Kelley, Frank H. Eby, and Lewis E. Martin serving as members. The other committees were: Registration—John Wunch, Chairman, Edward Ksiazek, and John Schurman; Credentials—Paul S. MacDougal, Chairman, Michael Lombardi, William E. Hassan, Jr., and Charles F. Gerberich; Entertainment—George Harris, Chairman, Peter Stoltman, James Yardley, and William Prelletz; Reception; Ray Dauphinais, Chairman, Henry Bengert, Ralph Conley, Ray Sciacca, Clarence Moreland, Frank Modrowski, and William Buck; Finance—Earl R. Serles, Chairman, Thomas Vratny, Thomas Crawford, George Harris, and Lawrence Templeton.

Chaplain John J. O'Leary of Chi chapter pronounced the invocation and Grand Regent Eby welcomed those present. He then introduced Dean E. R. Serles of the College of Pharmacy of the University of Illinois, Regent George Katsaros of Chi chapter, and Grand Council Deputy Lewis E. Martin who welcomed the delegates to Chicago. Paul S. MacDougal of the Credentials Committee then reported on the number of delegates present and the roll call of delegates was taken.*

The reports of the various Grand Officers were presented and received with interest by the delegates present. Following these reports representatives of the various chapters and provinces reported for their respective groups. This session adjourned at twelve-fifty P.M. and a luncheon was held at the Hotel St. Clair.

The second business session began at two-fifty o'clock. Horatio C. Wood, Jr., presented a report of the Executive Committee. Grand Ritualist Ralph W. Clark gave his report concerning the revision of the Ritual. This report was received with much interest, and the Delegates seemed to be of the opinion that the revised Ritual would be a great improvement over the one used for so many years. Charles E. Mollet presented the

* *Editor's note:* A complete list of delegates was published in the January, 1948 issue of THE MASK.

report of the Legislative Committee. Following considerable discussion quite a number of changes were made in the Constitution of Kappa Psi Pharmaceutical Fraternity. Following a number of announcements this session adjourned at five twenty-five P.M.

A banquet was attended by the various delegates and guests at the Hotel St. Clair. Following the dinner those in attendance enjoyed a very enlightening talk on world affairs by Mr. Robert F. Hurlleigh, Director of radio station WGN News Service and midwest news chief of the Mutual Broadcasting Company. Mr. Hurlleigh's talk stimulated a considerable amount of lively discussion which lasted well into the evening.

The third and last session of the Grand Council convened at nine-fifteen on the morning of Tuesday, December 30. Brother Logan Ives of Theta chapter presented an invitation to the Grand Council to hold its 1949 meeting in Richmond, Virginia.

Delegate Norbert H. Zweber of Beta Sigma chapter explained a song entitled "The Sweetheart of Kappa Psi" which was written some years ago by a sister of one of the members of the above-named chapter and dedicated to Beta Sigma. It was proposed that Kappa Psi take over this selection as a Fraternity song. Following much discussion and consideration it was voted by the delegates to adopt "The Kappa Psi Sweetheart" as a Kappa Psi song.

Maynard W. Quimby, Chairman of the National Honor Roll Committee presented a report and indicated that he hoped to publish the honor rolls of all Collegiate Chapters in the July, 1948, issue of *THE MASK*. The subject of fraternity sweaters was carried on by the various Brothers and sample garments were exhibited. Charles Rabe presented the report of the Resolutions Committee, and the various resolutions were accepted following discussion.

Following the report of the Nomination Committee by Chairman Harold Clymer and considerable discussion which resulted, the following Grand Officers were elected: Grand Regent, Frank H. Eby; First Grand Vice-Regent, George E. Crossen; Second Grand Vice-Regent, Tom D. Rowe; Third Grand Vice-Regent, Charles Rabe; Grand Secretary-Treasurer, Ray S. Kelley; Grand Historian, Nicholas W. Fenney; Grand Ritualist, Ralph W. Clark; Grand Counselor, Lewis E. Martin. Brother Wood then proceeded to install the newly-elected officers in their respective positions.

Perhaps the most impressive part of the entire convention was the presentation of a Past Acting-Grand Regent's key to Brother Horatio C. Wood, Jr., followed by Brother Wood's response. The presentation was made by Grand Ritualist Clark.

Following a few remarks by Grand Regent Eby the twenty-fourth meeting of the Grand Council adjourned at twelve o'clock noon, with the numerous delegates going their various ways back to all corners of the country.

CHANGES IN THE CONSTITUTION OF THE KAPPA PSI PHARMACEUTICAL FRATERNITY

The Grand Council Convention of the Kappa Psi Pharmaceutical Fraternity held in Chicago, Illinois, December 28-30, 1947, adopted the following amendments to the Constitution (1943 Edition) of the Kappa Psi Pharmaceutical Fraternity:

1. Article III, Sec. 1, par. 7. Delete: "American Association of Colleges of Pharmacy," and insert: "American Council on Pharmaceutical Education."

2. Article III, Sec. 2, par. 14. The first sentence changed to read: "Any undergraduate member of the Fraternity leaving the Pharmacy School at which he became a member of the Fraternity, becomes an Unaffiliated Member." The remainder of the paragraph remains unchanged.

3. Article III, Sec. 2, par. 15. The first sentence changed to read: "Graduate Chapters may include in their membership unaffiliated members and graduate members from any of the Collegiate Chapters." The remainder of the paragraph remained unchanged.

4. Article VII, Sec. 1, par. 34. The entire paragraph changed to read as follows: "Each Collegiate Member shall pay a Grand Council Initiation Fee of twelve dollars (\$12.00) and Grand Council dues of seventy-five cents (\$0.75) per month, but not to exceed six dollars (\$6.00) per collegiate year; twenty-five cents (\$0.25) per month, but not to exceed two dollars (\$2.00) per collegiate year, of these dues shall be deposited by the Grand Secretary-Treasurer in a separate account to be known as the Kappa Psi Pharmaceutical Fraternity Grand Council Convention Fund; the balance of fifty cents (\$0.50) per month, but not to exceed four dollars (\$4.00) per collegiate year, of these dues shall be used for the support of the Grand Council. The Initiation Fee shall be paid to the Grand Secretary-Treasurer immediately upon the initiation of the new member."

(NOTE: It was agreed that this change in paragraph 34 should become effective on October 1, 1948.)

5. Article VII, Sec. 2, par. 35. The entire paragraph changed to read as follows: "Each Graduate Chapter shall pay during each calendar year an annual Graduate Chapter Fee of twenty dollars (\$20.00) to Grand Council. A person elected to membership and initiated in Kappa Psi Pharmaceutical Fraternity by a Graduate Chapter is required to pay the Grand Council Initiation Fee of twelve dollars (\$12.00). This Initiation Fee shall be paid to the Grand Secretary-Treasurer immediately upon the initiation of the new member."

6. Article XI, Sec. 10, par. 95. Delete "Grand Council Scholarship Key" and insert "Grand Council Scholarship Award."

7. Article XV, Sec. 1, par. 101. Delete the word "and" before "(5)" and after the last word "Province" insert the words, "and (6) members of the Executive Committee who are not members of Alpha Chapter."

8. Article XVI, Sec. 1, par. 109. Delete the last sentence and insert,

"Each Province shall hold at least one Province Convention between the meetings of the Grand Council."

9. Article XVI, Sec. 1, par. 110. Amended by striking out part 1 and substituting, "In the case of National Grand Council Conventions, the total mileage of Collegiate Delegates, as provided for above, shall be paid from the Kappa Psi Pharmaceutical Fraternity Grand Council Convention Fund." The remainder of the paragraph to remain unchanged.

10. Article XVII, Sec. 5, par. 122. Delete the last two words, "Grand Officers," and insert the words "Executive Committee."

11. Article XVIII, Sec. 4, par. 139. Add the following: "The duties of the Nominations Committee shall be, (1) to examine the qualifications of the various nominees for Alpha Chapter; (2) to present to the Grand Council a printed ballot containing the name of at least one nominee for each office of Alpha Chapter. This shall in no way limit the privilege of members of the Grand Council to vote for any other nominee."

12. Article XX, Sec. 4, par. 162. In line 9, after the words, "class at graduation" add the following: "A Grand Council Scholarship Certificate, of such design as shall be approved by the Executive Committee, shall accompany each Scholarship Key. The expense of furnishing such Scholarship Awards shall be borne by the Grand Treasury."

13. Article XXI, Sec. 2, par. 169. The last sentence of the paragraph to be deleted.

14. Article XXI, Sec. 5, par. 175. Change the first sentence to read: "The AGORA shall be issued at the discretion of the Executive Committee or by a two-thirds (2/3) vote of the Grand Council." The remainder of the paragraph to remain unchanged.

15. Article XXI, Sec. 5, par. 176. The entire paragraph to be deleted.

16. Article XXI, Sec. 6, par. 177. The entire paragraph to be deleted.

17. Article XXI, Sec. 8, par. 179. This paragraph to read: "The Grand Secretary-Treasurer shall edit the publication of the AGORA at the expense of the Grand Council." The remainder of the paragraph to be deleted.

18. "All articles that conflict with the changes made by Grand Council are declared null and void and shall be rewritten to conform to the changes, but no change shall be made in the essential meaning of the other articles."

Respectfully submitted,

RAY S. KELLEY

Grand Secretary-Treasurer

"THE NEW ENGLAND WANDERER"

- March 5—The day dawned bright and clear (Beta Omicron please note) and the "Wanderer" boarded the train at Boston with his first stop scheduled for Chicago.
- March 6—Early arrival in Chicago. Our Grand Counselor, Brother Martin, was again a very real host, as together we represented Kappa Psi at the Professional Interfraternity Conference. This Conference was most inspiring, and much benefit was derived through a frank discussion of the various problems which are common to the Professional Fraternities. Every member of Kappa Psi should feel real pride in the high standards which we maintain and by reason of which our Fraternity, as the only representative of Pharmacy, holds membership in this Conference. The evening was enjoyably spent with Brother Martin, and plans were formulated for the revision of our Constitution. It is planned to have this revision ready for distribution in the early Fall.
- March 7—An early departure from Chicago, bound for Madison. Our good Grand Council Deputy, Brother Wurster and several brothers of Beta Psi were at the Station. When the undernourished condition of the "Traveler" was noted, he was rushed away to a nearby restaurant for refreshment. After lunch, a brief rest at the Hotel Loraine, followed by a dinner meeting at the "Union." Words of welcome by Regent Lewandowski, Brother Lange, and Dr. Uhl, Director of the School of Pharmacy and for many years a loyal Brother of Kappa Psi. An adequate response to such a welcome was impossible. An informal visit continued for well over two hours. Two important observations: (1) photographic ability of Brother Hammel and (2) the cigar-absorption power of Brothers Volkman and Hammel.
- March 8—An interesting tour of the School of Pharmacy in the company of our Facultate Brothers, Uhl, Busse, Colby, Parks, Wurster, and others. Luncheon meeting at the "Union." It was a real pleasure to meet the sixteen pledgees at this meeting. The entire afternoon was spent with Brother Wurster "doing the campus." An informal dinner meeting was next on the program. An appreciated opportunity to become better acquainted with these grand brothers of Beta Psi. "Politics" was the subject of a spirited discussion involving Brothers Bias and Olk. The winner? Final results will be known early in November, 1948.
- March 9—Luncheon with Dr. Uhl and dinner with Dr. Wurster and the charming Mrs. Wurster. Despite an 8:00 A.M. "call to work," the Wursters insisted that the "Traveler" remain with them until train time (12:30 A.M.).
- March 10—Arrived in Minneapolis two hours late. Dr. Wilson, G.C.D. of Epsilon, and Regent Hunziker had patiently awaited the arrival of the train. After a brief stop at the Hotel Curtis, the "Traveler" found himself at the University of Minnesota, where a luncheon had been arranged with Dean Rogers, Dr. Netz, Dr. Hadley, Dr. Gisvold, and Dr. Soine, faculty members of Phi Delta Chi, present as guests of Epsilon

Chapter. The following Facultate Members of Kappa Psi were present: Dr. C. O. Wilson, Dr. Earl Fischer, Mr. Almin, Mr. Brokaw, and Mr. Sperling. Speeches were taboo, but this did not prevent Brother Hunziker and Dean Rogers from expressing a few words of welcome. It was soon discovered that a very definite schedule of activities had been arranged for the afternoon and evening. These included a brief talk to the Student Branch of the A.Ph.A. (Brothers Hunziker and Wilson are still unforgiven for this item on the schedule); later an opportunity was given for a visit through the College of Pharmacy with time for enjoyable chats with Dean Rogers, Dr. Gisvold, and Dr. Netz. The remainder of the afternoon was spent with Brother Wilson.

An informal dinner meeting was held at 6:00 P.M. This meeting was attended by the Collegiate Brothers of Epsilon, several of the pledges, and Graduate brothers from many of our other Chapters. It was a real pleasure and inspiration to meet all of these Brothers and to have the opportunity of an informal with them. Brother Smythe, for many years active in Kappa Psi, reported real progress in the formation of a Graduate Chapter.

March 11—Afternoon arrival at Fargo. Regent Zweber volunteered the information that the thermometer had hit a low of -34° . It may have been cold outside, but this was soon forgotten in the warmth of the welcome at 1249 $11\frac{1}{2}$ Street, North, known as the Beta Sigma House. After a delightful dinner (and they do have a wonderful cook) it was pleasantly restful to sit in the spacious living room and become acquainted with our brothers at Beta Sigma. It was an unexpected joy to greet Captain Heikkinen, a brother from Mu Chapter, and have the opportunity of explaining to him, not analytical chemistry, but the mysteries of "Bridge." Brother Beardsley has since reported that his bridge game would never be the same. Brother Zweber should help and encourage the two brothers mentioned. They might learn in time.

March 12—A grand visit with our brothers Dean Sudro and Dr. Miller, G.C.D. of Beta Sigma. Luncheon at the "House," and then away to the train bound for Missoula.

March 13—Afternoon arrival in Missoula, with Past Grand Vice-Regent Mollett at the station to welcome the "Traveler" and escort him to the Hotel Florence. Here Regent Larson and several of our Brothers at Gamma Eta greeted us. Later a dinner meeting and the opportunity of meeting the Facultate Brothers, the Collegiate Brothers, and several pledges. This meeting was concluded rather early in the evening to give the Collegiate Brothers an opportunity to study for final examinations. With this opportunity for study, it is assumed that no one received a grade below A plus.

March 14—A wonderful ride to Polson and Flathead Lake with Brother Mollett. Grand scenery made more perfect through the presence of a grand companion.

March 15—A pleasant morning at the College of Pharmacy. An enjoyable talk with Dean Walden, who could not have been discouraged by the

visit of the "Traveler," as he has since become a Facultate Brother. After luncheon with Brother Mollett, it was train time, and Brothers Larson and Amole, who had survived the early exams, were at the station. They are two of the real hard-working leaders of the fine group representing Kappa Psi at Montana.

March 16—A 12:31 A.M. arrival did not prevent Regent Yoder and the G.C.D. of Beta Pi, Dr. Bang, from greeting us at Pullman. After a few hours sleep and a light breakfast, Brother Bang came to the hotel with our day planned. Our good Brother, Dean Dirstine, arrived, and a Chamber of Commerce Luncheon became the first order of business. There followed a trip with Brothers Dirstine and Yoder to the top of Lewiston Mountain, thence to Moscow, Idaho, and upon returning to Pullman, a ride around the campus of Washington State, with a visit to the School of Pharmacy. A stop at the home of Brother Bang, plus the added pleasure of meeting Mrs. Bang. The dinner meeting with the brothers of Beta Pi was most enjoyable. The leadership of Brother Yoder and the helpful advice of Brother Bang will insure a strong and increasingly active Beta Pi.

March 17—Luncheon with our Facultate Brothers, Dr. Bang and Dr. White. An overnight trip to Corvallis commenced at 5:40.

March 18—The "Traveler" stepped from the train at Albany, Oregon, to be greeted by our Grand Vice-Regent, Dean Crossen, and in his company, the ride to Corvallis took on added pleasure. After luncheon, there was a visit to the School of Pharmacy, where we were welcomed by G.C.D. Forslund, who warned us that we must arrive at the dinner meeting "on time." When one makes a long anticipated visit to the home of Brother Crossen and enjoys the pleasure of meeting Mrs. Crossen and their fine son, time passes very rapidly. Thus, the time to be "on time" was nearly upon us when we left 727 North 16th. Unfortunately, Brother Crossen did not have his map of Corvallis in the car, and therefore our arrival for the dinner meeting with the brothers of Beta Zeta was somewhat delayed. This delay took nothing from the enjoyment of meeting our brothers at Corvallis. Incidentally, it was a grand dinner, and Brother Norten insisted upon the prompt payment of all penalties.

March 19—Despite rain and snow, the trip to Newport was made in the company of Brothers Crossen and Forslund. The "Traveler" had the opportunity of sampling an Oregon crabmeat cocktail. The dainty appetite of Brother Forslund prevented him from enjoying this delicacy. Returned to Corvallis, after this delightful day (the sun came out to welcome us at Newport), and thence to Albany with Brother Crossen for the continuation of our journey.

March 20—Seattle at 6:45 A.M. It was nice to have Dr. Louis Fischer, G.C.D. at Beta Omicron, Brother Van Krevlin, and several of the other Brothers escort the "Traveler" to breakfast at the Meany Hotel. The morning was spent visiting with our brothers at the University of Washington, and time passed so rapidly in such pleasant company. A combined luncheon with Beta Omicron and the Seattle Graduate Chapter.

When it is realized that this luncheon was on a Saturday, plus the fact that the College closed that morning for the Easter holidays, you will join the "Traveler" in congratulating the two chapters upon the enthusiasm and loyalty which brought so many of our brethren to this luncheon. Discussion was informal, and a busy two hours was thoroughly enjoyed. In company with Brother Goodrich, Dean at Washington, we visited the University campus and spent some time at the College of Pharmacy. A very pleasant evening with Dr. and Mrs. H. W. Youngken, Jr.

March 21—Sunday dawned, and despite snow, sleet, and rain (reported as unusual) it was breakfast at the home of Dr. and Mrs. Fischer. A grand home, a gracious hostess, and a sumptuous breakfast. Dean Goodrich, Rudy Rosenquist, Regent of the Graduate Chapter, plus Brothers "Van" and "Tommy" of the Collegiate Chapter, helped to make this occasion even more enjoyable. An afternoon of sight-seeing, and despite the storm, it was good to visit the many points of interest found in Seattle. Evening at the Rainier Club, the guest of Dean and the charming Mrs. Goodrich.

March 22—Morning of shopping, luncheon guest of Dr. Goodrich, and then to the train.

March 23-25—En route, arriving in the Hub at 2:30 P.M.

As the Writer stepped from the role of "Traveler" to again become G.S.T., he had many pleasant memories. The space of twenty days and a distance of six thousand miles had given him the opportunity of visiting eight of our chapters. Each of these chapters is individual in character and in their program of activities, but all are maintaining the high standard of scholarship, the fine qualities of leadership, and the high caliber of membership which combine to give Kappa Psi the position of a leader among the fraternities upon the campus.

The "high spot" of the journey? When you are with Brothers of Kappa Psi, there is nothing but "high spots." To the Deans of the various colleges and to the other Facultate Brothers, my appreciation for the time given to me. I know each of you has a full schedule, but you interrupted that schedule to give this representative of Kappa Psi a cordial welcome and a pleasant visit at your College. To the officers and other brothers, you gave me a "home-coming" welcome. Every moment had some little personal service bestowed. The names of the individuals have not always been mentioned, but to each of you my sincere gratitude. It is a wonderful thing to realize that I know you personally and that I was given the opportunity of being with you as a representative of Alpha Chapter. If you have been made to feel a bit more deeply the national character of Kappa Psi, "The New England Wanderer" did not make the trip in vain.

Respectfully submitted,
RAY S. KELLEY, *Grand Secretary-Treasurer*

HONOR ROLL ANNOUNCEMENT ATTENTION, CHAPTER SECRETARIES

Honor Roll material is now being prepared for publication in the July, 1948 issue of THE MASK. Up to the present time five chapters have failed to submit lists of veterans of World War II as requested. The secretaries of these Chapters have recently been notified again concerning this matter and it is hoped that lists from all thirty-five active Collegiate Chapters will be in the hands of the Editor for publication in July.

If any of the chapters that have already sent in their lists wish to add the names of veterans who have joined Kappa Psi since the submitting of their respective rolls it is hoped that such additions will be made in the near future.

Fraternally yours,
MAYNARD W. QUIMBY, Chairman,
National Honor Roll Committee,
Kappa Psi Pharmaceutical Fraternity.

EDITOR'S NOTE: Refer to the announcement on page 39 of the April, 1947 issue of THE MASK for further information.

SPECIAL ANNOUNCEMENT

Kindly plan to attend the Kappa Psi Breakfast during the convention of the American Pharmaceutical Association in San Francisco next August. Time and place will be announced later.

HERTY MEDAL WINNER

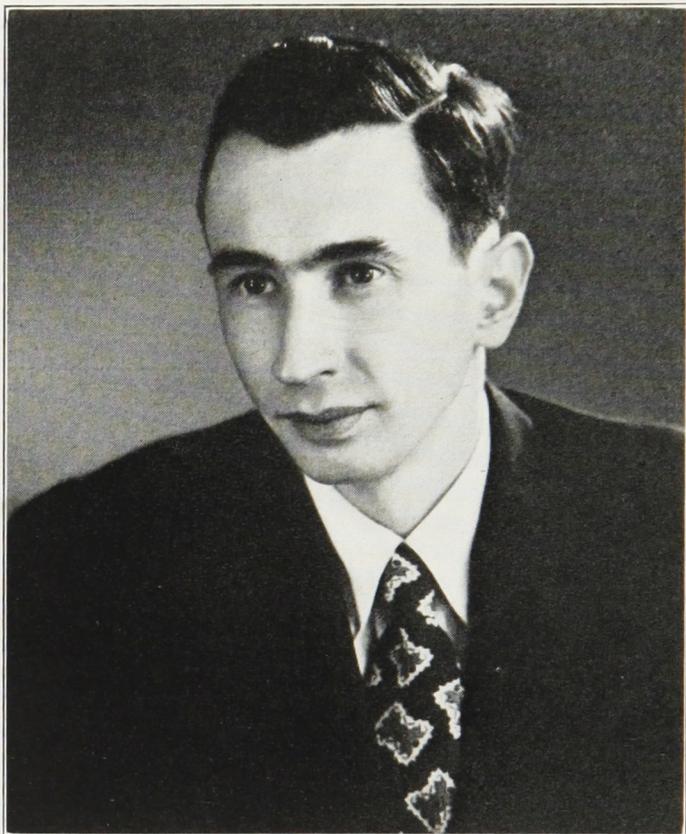

According to an item appearing recently in the *New York Times* Dr. Wortley F. Rudd, dean emeritus of the School of Pharmacy at the Medical College of Virginia, has been awarded the Herty Medal for outstanding contributions to chemistry in the Southeast. Dr. Rudd is past president of the Virginia Academy of Science and of the American Chemical Society.

The award is made annually by the Chemistry Club of Georgia State College for Women to a scientist chosen by the Georgia section of the American Chemical Society.

HAROLD A. CLYMER PROMOTED BY SMITH, KLINE & FRENCH

Philadelphia, Pennsylvania, March 19, 1948—Harold A. Clymer has been appointed Administrator of the Research Laboratories of Smith, Kline & French Laboratories, according to a recent announcement by Dr. Maurice L. Moore, Director.

Mr. Clymer, associated with Smith, Kline & French Laboratories as a pharmaceutical chemist since 1939, has been in charge of Technical Ad-

HAROLD A. CLYMER

ministration up until now. He has been associated with the development of numerous SK&F specialties.

Mr. Clymer received his degree from the Philadelphia College of Pharmacy and Science in 1939, before coming with Smith, Kline & French Laboratories. He has been active in the American Pharmaceutical Association, Kappa Psi, the American Chemical Society, and the American Association for the Advancement of Science.

In his new appointment, Mr. Clymer will have charge of all the administrative functions of the Research Laboratories.

ADVERTISING BY PHARMACISTS

Pertinent suggestions on pharmacists' advertising in relation to ethics and law are made by J. H. Goodness, pharmacist and lawyer of the Massachusetts College of Pharmacy, in the Practical Pharmacy Edition of the *Journal* of the A.Ph.A. (February). He particularly analyzes unwise promotion practices that tend to discredit the profession.

Mr. Goodness believes that among the minority of pharmacists involved are a number that will discontinue unsound advertising once its deficiencies are recognized. State pharmacy boards and state associations are urged, however, to obtain adequate regulation that will curb any misleading advertising which militates against the public interest and professional standards.

TETRAETHYL AMMONIUM CHLORIDE

"Automatic blockade" by use of tetraethyl ammonium chloride represents a significant new development in the treatment of peripheral vascular diseases and other functional disorders of the blood vessels marked by vasospasm. Comprehensive background information for pharmacists on the drug, its mode of action, and the clinical results to date is presented by Gloria F. Niemeyer and Melvin W. Green in the *Journal* of the A.Ph.A. (Practical Pharmacy Edition, February).

BROADER EDUCATION

"Every encouragement should be given to those institutions which have embarked or are planning to embark upon more extensive education for pharmacists in order to make them better able to assume community leadership, as well as give more effective professional service." In making this observation, Dr. Robert P. Fischelis, secretary of the American Pharmaceutical Association, points to the view of leaders in American education that we should look forward to great advances in the social sciences—in the study of man and his works.

"What these men are saying," Dr. Fischelis comments in the *Journal* of A.Ph.A. (Practical Pharmacy Edition, February), "is that man's ability to harness the results of scientific discoveries must catch up and endeavor to keep pace with the rate at which such discoveries are being made, if mankind is to survive."

Relating this goal to the field of pharmacy Dr. Fischelis said: "We have been stressing in our program of education for pharmacists, the importance of the humanities, in order to produce men and women who are educated to meet the complex problems of life as well as the problems of pharmacy. Pharmacists occupy a strategic position in their respective communities and can greatly influence community thought and action, in addition to giving a high grade of service in one of the specialties concerned with medical care."

REMINGTON MEDALIST'S VIEWS ON EDUCATION

Pharmacists interested in how well students are to be prepared for the practice of pharmacy will want to read the forthright views of the 1947 Remington Medalist, Dr. Rufus A. Lyman, published in the February Practical Pharmacy Edition of the *Journal* of the A.Ph.A.

Dr. Lyman differentiates sharply between *training* and *educating*, offering practical suggestions on how the latter process can be strengthened to strengthen pharmacy itself.

ARE WE JEALOUS ENOUGH?

"What's the 'percentage' for owners who make drugstore fronts and windows appear just like any ordinary store in town?" No convincing answer to this pharmacist's question has been forthcoming, the *Journal* of the A.Ph.A. (Practical Pharmacy Edition) maintains in backing up a resolution on store fronts by the joint conference of the A.Ph.A.-N.A.R.D. executive groups.

The *Journal* concedes that "drugstore fronts identified mainly by 'pop stand' signs and displays unrelated to health affairs are not necessarily a criterion of the pharmaceutical service available inside." But respected pharmacists whose establishments may fit into this category do deflect a conclusion reached by Dr. E. C. Elliott of the Pharmaceutical Survey. To the Survey director, "one thing has constantly impressed itself: Too many members of the profession are not jealous enough of its reputation."

Stronger efforts now being made by a number of state and local associations, supported by state boards, toward stimulating universal jealousy of the profession's reputation, are commended by the *Journal* of the A.Ph.A. Such action is particularly timely with regard to store fronts, the *Journal* points out, since many pharmacists have either remodeled their establishments or are laying plans to do so.

Pharmacists are urged "to establish a policy that will preserve the individual character of our establishments in the community. Both economic and professional interests are served by anything that further strengthens the public's concept of the average pharmacist."

NECROLOGY

January 25, 1948

PROFESSIONAL INTERFRATERNITY CONFERENCE
A NOTATION

The Thirteenth Biennial meeting of the Professional Interfraternity Conference was held at the Morrison Hotel in Chicago on March 6, 1948. Among the subjects discussed in considerable detail during this one-day meeting were: National Conventions, Financing a Fraternity on the National Level, Membership Qualifications, Professional Fraternity Publications, Central Office Administration, and Increasing the Effectiveness of a Professional Fraternity.

Grand Secretary-Treasurer Ray S. Kelley and Grand Counselor Lewis E. Martin represented Kappa Psi at this conference.

Veterans Administration distributed a revised list of approved "decentralized-contract" drug items to pharmacists in its hospitals, centers and regional offices, E. Burns Geiger, chief of VA's pharmacy division, announced.

At the request of physicians, VA pharmacists in the field can obtain items on the decentralized contract list directly from manufacturers. Contracts for the drugs—establishing price schedules but not quantities—are arranged in advance by the VA Central Office in Washington, D.C.

Revised lists are distributed throughout VA on April 1 of each year.

Manufacturers desiring to obtain VA approval for their products and thereby become eligible for decentralized contract distribution, should follow these steps:

1. Inform pharmacists and physicians in VA field stations of their drugs and preparations and, at the same time, ask VA physicians to send statements to Central Office mentioning their interest in the new items. Manufacturers should not submit samples at this stage.

2. After a number of statements from VA physicians reach Central Office, VA will ask manufacturers for technical data about their products, including quantitative formulas, clinical evidence of usefulness, and manufacturing facilities.

After drugs presented in this manner have been approved by VA, announcement will be made to the field that the items can be purchased on a decentralized contract basis.

A number of drug manufacturers are keeping VA medical personnel informed of new developments in the pharmaceutical field by mailing technical literature and house organs, and by placing technical and professional displays in VA hospitals, centers and regional offices.

Although representatives of exhibiting firms may remain on duty during exhibitions to discuss the products, no selling is permitted.

Manufacturers desiring to set up displays must first obtain approval from the VA Central Office, branch office, and the activity itself. Drugs on display must be restricted to those accepted by the Council on Pharmacy and Chemistry of the American Medical Association, even though the VA list of accepted drugs is not limited to these products.

CHAPTER LETTERS

GAMMA—COLUMBIA UNIVERSITY

At long last Gamma chapter is submitting a report delayed, for various reasons, too long.

The chapter's unreported activities go back as far as Friday, November 21, 1947, at the Hotel Governor Clinton in New York. The occasion, a smoker to serve as an informal get-together and an introductory for our newest crop of pledges. A fine turnout was experienced, particularly with respect to the Graduate Chapter members.

Introduced by Regent Charlie Rose, Mackay D. Holmes, Regent of Gamma Graduate Chapter, started the ball rolling with a few well-chosen words. Brother Protopappas briefed the pledges on the principles and aims of Kappa Psi, and Dean Charles W. Ballard of C.U.C.P. came out from behind his pipe long enough to reminisce mellowly about the College and about the Fraternity. His reminiscences were taken up by Dr. Henry Goeckel, who gave the group an extemporaneous thumb-nail history of the Organization. He could have continued much longer than he did—his subject was interesting and has been overneglected. Apropos of this neglect, we are happy to learn of Grand Regent Frank H. Eby's recommendation for a history of Kappa Psi in the January issue of *THE MASK*.

Also conspicuous by their presence were Graduate Brothers Philip Beisele—Gamma, Louis C. Tortora—Omega, Prof. Horace Carter—Beta Delta (and Columbia U.), V. J. Commons—Beta Delta, and Edward T. Mazilawskas—Gamma.

The collegiate Gamma chapter takes this opportunity to express its appreciation for the interest and support provided by the above mentioned.

The fall graduate meeting of the New York chapter was the next occurring item of general interest. The dinner and meeting were held in the President Tavern in New York. Several of our recent grads joined, including our 1947 Regent, Johnnie Zaremba. My information is somewhat sketchy, and I am unable to supply further names. Charlie Rose, Vice-Regent Torigian, Mike Terlizzeze, Clarence Frey, and John Connell, of the collegiate chapter accepted the grads' invitation and attended the affair, reporting an enjoyable time.

Chicago followed in its turn to command general attention. John Connell, along with Bob Blake, took off for that city to represent their chapter at the Convention. The two stalwarts ran into difficulties on their reservations, but their troubles were quickly smoothed by the efficient management of the St. Clair Hotel. Both had high praise for the hospitality of the U. of Illinois Chi chapter house. Made the rounds with Province II boys, looking for atmosphere . . . they said! Their meeting Steve Rimar (Omega) et al. resulted in the suggestion of a get-together of the neighboring chapters. Of that there'll be further reports at a later date. Stephen Oreovics (Regent, Beta Omega) supplied some good organizational and fund raising ideas. Despite all this activity, Connell found time to look up some of his relatives in the Windy City.

Blake thought the most impressive moment at the Convention occurred at the award to Horatio C. Wood, Jr., for his lifetime devotion to Kappa Psi. Both felt the meeting had been highly successful and were impressed by the evidence of such fine national Kappa Psi spirit.

Back in New York we repeated last year's system of fund raising—a drawing on February 5; first prize, two tickets to a Broadway Hit Show and \$15.00 for expenses. Second prize was two tickets to the Metropolitan Opera. The chapter was gratified when John Carlson, Secretary of the New York Alumni chapter (which, incidentally, gave our campaign beautiful support) took first prize and second prize went to a C.U.C.P. student. Usually some bloke in Kokomo wins 'em.

Initiation, 1948, took place at the Empire Hotel in Manhattan, March 6. The eleven new members are: Robert H. Allen, William P. Bain, Paul J. Cosgrave, Edwin P. Engelke, Carrol C. Graham, Donald E. Knapp, Rudolph A. Konnerth, Jr., Robert A. Normandia, Robert M. Smith, Jr., Fritz C. Unger, and Victor J. T. Zagame. They were brought into the Fraternity with a complete turnout of the membership, aided by graduate Brothers Louis Tortora, Bob Metel, Professor Carter, and Henry Walters. Gamma chapter is spreading out somewhat, with a new high of twenty-four members. Growing pains are already manifesting themselves in suggestions for expanded activities, which will soon result in more material for a later report.

Fraternally yours,

JOHN F. BOLE, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

During final week of fall quarter, Brother Whaley underwent an appendectomy and as a result was forced to take most of his exams the beginning week of the winter quarter. Not to be dismayed at this turn of misfortune, Brother Whaley also decided to get married during the vacation week between fall and winter quarters. As we have now observed, Brother Whaley has developed that "married look," and we wish to extend our congratulations and good wishes for a happy married life.

The following meetings took place during the past four months:

Friday, December 5, 1947—A smoker was held at 24th and Central Avenue North, Minneapolis, at which movies were shown by Brother Kenjoski. This also was the night of the Louis-Walcott fight, and Brother Almen had a sure bet on Louis in the third. Rather early, don't you think Brother Almen? Everybody enjoyed listening to the fight, but I couldn't say the same for the decision.

Brothers Cummelin, McKusick, and Hafner were on the Food Committee, and they really did a fine job; especially Brother Hafner's *secundum artum* method of preparing the coffee.

Wednesday, January 31, 1948—We held an evening dinner at the Coffman Memorial Union, at which time Brothers Rost and Cummelin told of their trip to Chicago to attend the National Convention. Both Brother Rost and Brother Cummelin were highly impressed at the activity and

purposefulness of this Convention, and both agreed it was a milestone in their lives as brothers in Kappa Psi.

Naturally they sought out the sights of Chicago, and each tried vainly to keep the other out of burlesque shows; however, they did bring back an important souvenir from these shows: a package of cigarettes obtained from the burlesque queen's bra—don't be alarmed, she threw the package at them.

Brother Wilson made a motion, which was seconded, that members sign a paper stating the intention of that member to attend the next meeting, and if the member could not attend after having signed the paper, he would have to show just cause for this failure, and the other members could weigh the reason for absence and fine the member the cost of the meal if it was reasoned that the failure to attend was not justifiable. This greatly fortified the attendance of members and thus insured the success of following meetings.

Wednesday, January 28, and Wednesday, February 11, 1948—Luncheon meetings were held at Coffman Memorial Union, which were get-togethers of members and their guests. These guests were made thoroughly familiar with Kappa Psi and for what it stands. They were also familiarized with the activities of Kappa Psi as pertaining to the College of Pharmacy of Minnesota.

Monday, February 2, 1948—We held a dinner meeting at Coffman Memorial Union, after which all attending, which totaled twenty-three, had their picture taken for the *Minnesota Gopher*, at Northrup Auditorium. Keep 'em smiling!

Friday, February 6, 1948—Held a dinner-smoker at Jax's Bar, 20th and University Avenue, N.E. A total of thirty attended, composed of pledges, guests, actives, graduates, and alumni. The dinner choices were: fish, steak, or chicken. Card playing followed, and with the able assistance of two bartenders, Brothers Hunziker and Hafner, all progressed smoothly.

Wednesday, February 18, 1948—A dinner meeting preceded the initiation of the following: Raymond E. Hopponen, New York Mills, Minnesota; John Stanley Hageman, Sanborn, Minnesota; Stanley Adolph Gallop, Maple Plain, Minnesota; Alvin Franz Retzlaff, 5549 41st Avenue, Minneapolis, Minnesota; Ellsworth Ray Glander, 5751 39th Avenue, South, Minneapolis, Minnesota; and Harold Jesse Rhodes, 628 Fourth Street, S.E., Minneapolis, Minnesota. We are proud to call them our Brothers in Kappa Psi, and we congratulate them upon their active membership.

Fraternally yours,

MILAN E. SCHULZ, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

The second semester of studies here at Philadelphia College of Pharmacy and Science finds the brothers of Eta chapter busy making plans for and conducting their business and social activities. Soon after the

semester opened in February, a new set of officers was elected. Those chosen are: Regent, Walter Crawford; Vice-Regent, Robert Railing; Secretary, Robert Carter; Treasurer, Daniel Figlio; Chaplain, William Wilson; and Historian, John Shaw. Brother Crawford is very capable and an ambitious leader, and we all wish him success in his plans for the chapter's coming activities.

On March 9, Eta's membership list passed the half-hundred mark. Ten men selected as a result of two rushing parties held at the school during November and December, were initiated into the fellowship of Kappa Psi. They are: Douglas Aberle, Jr., Andrew Dougherty, Theodore Fiorella, Richard Foulk, Edward Gorman, Max Isenberg, Richard Matskewich, Clarence Nissley, William Slobodian, and Robert Zonies.

The highlight of our first 1948 meeting was a report on the Kappa Psi convention by Eta's delegates, Charles Gerberich and Danny Figlio. We are sure the Convention must have been a huge success, and we are especially proud of our own Dr. Wood and the recognition which he received from all the brothers.

At a school assembly held March 4, Brother Cliff Tucker, who graduated from P.C.P.&S. in 1946, was presented with the Kappa Psi award for having achieved the highest average in his class. Dr. H. C. Wood, Jr., made the presentation, and his accompanying remarks brought the scholastic interests of Kappa Psi to the attention of the entire student body.

As this letter is being written, the Kappa Psi basketball team is leading the intramural league here at P.C.P.&S. with an enviable record of six victories and no losses.

Eta's leaders are now busy planning for a semi-formal dinner-dance to be held for the members in the latter part of April. Also, a part of our plans for the future is the establishment of closer contact with our Alumni members by means of a quarterly news letter. The question of a fraternity house is by no means remote from the minds of Eta's members, but the many problems presented here have as yet found little resolution.

Until the next time, then, here are the hundred hands (fifty members) of Eta chapter extended to greet you!

Fraternally,

JOHN SHAW, *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

There's a slogan to the effect that "as Maine goes, so goes the nation." Well, as Maine went, so went the pick of this year's freshman class, to Mu chapter. The following is a complete list of our Frosh initiates: Earl C. Ashley, Attleboro, Massachusetts; Henry R. Brown, Bar Harbor, Maine; Gene F. Bruyette, Simsbury, Connecticut; Frank L. Clark, Lubec, Maine; George L. Ferland, Millinocket, Maine; Oscar F. French, Houlton, Maine; Charles E. King, Old Town, Maine; Lewis T. Kotredes, Portland, Maine; Leo A. McKenna, Lynn, Massachusetts; Frank D. O'Connell, Lynn, Massachusetts; Charles E. Peljoquin, Southbridge, Massachusetts;

Robert E. Pinette, Millinocket, Maine; Louis G. Principe, Pittsfield, Massachusetts; Harold A. Roberts, Antrim, New Hampshire; Richard T. Shea, Worcester, Massachusetts; Alvin G. Stearns, Tilton, New Hampshire; George C. Stover, York Village, Maine; Robert B. Sullivan, Westbrook, Maine; Diamenta D. Vacca, Portland, Maine.

Our new Brothers are already well-represented in student affairs: Gene Bruyette was elected to the Student Council, and D. D. Vacca wooed his way into the Vice-Presidential slot of his class. Pledge Harrington is also a member of the Student Council.

In passing, we should like to mention with pride that Brother Randy Tinker, sophomore, was awarded a four-year scholarship.

Wednesday, February 25, Mu chapter brothers and guests attended the "Ice Follies of 1948" at the Boston Garden. Everyone present was greatly impressed by this spectacular skating performance.

Mu chapter held its Annual Smoker on March 2, at the Hotel Puritan, Boston. Principal speakers were: Grand Regent Frank H. Eby, Grand Secretary-Treasurer Ray S. Kelley, Grand Historian Tom D. Rowe, and Past Grand Regent Heber W. Youngken. Brother Bob Mahan presented a brief report of the highlights of the Kappa Psi National Convention. His talk was later supplemented by films of the Convention. These films were shown by Brother Stephen Zuty of the Connecticut Graduate chapter who had to fight a snowstorm to be with us on time. We wish to extend our deep appreciation to Brother Zuty for his spirit. Brother Dave Talbot, on behalf of our members, awarded Past-Regent Bill Hassan a jeweled fraternity pin in recognition of his unselfish devotion to Mu chapter during its lean years. Dean Howard C. Newton presented the "Edmund J. Bérubé Memorial Scholarship" to Brother Robert J. Gerraugty, the Mu chapter Junior Scholarship to Brother Fred Valcourt, and the Mu chapter Senior Scholarship to Brother Mike Conena. After the Smoker broke up some of our Brothers held an "informal meeting" at Pat Lynch's.

At our last special meeting the following new chapter officers were elected: David D. Talbot, Regent; Joseph P. Vona, First Vice-Regent; John W. Webb, Second Vice-Regent; William C. Kapses, Third Vice-Regent; Robert J. Mahan, Secretary; Maynard W. Quimby, Treasurer; William H. Barrett, Student Treasurer; Alfred J. Valcourt, Historian; William A. Junker, Jr., Chaplain; Charles A. Donaldson, Chairman of Social Affairs Committee.

Mu chapter found itself well represented on the first semester Dean's List with Brothers Gene Bruyette, Mike Conena, Ed Gallerani, Fred Valcourt, and John Welch doing the honors.

The following graduate members are candidates for M.S. degrees at the College: Ray Gosselin, Harold Bailey, Ernest Grant, Larry Wasson, and A. J. Vazakas.

Here and There: Mu chapter will hold its annual Formal on May 7 at The Meadows in Framingham, Massachusetts.—Pete Shostak will join the ranks of the Benedicts on June 26, as will Tom Flynn sometime this fall.—Our best wishes go along with you fellows.—Bill Junker is really cutting up capers these days: he's taking part in the "Ice Chips of

1948," which feature, among others, Dick Button and Gretchen Merrill.—We're happy to see Gerry Longhi back from his siege with scarlet fever. However, our joy is dampened by Bill Kapses' illness which still has him under the weather. Here's hoping he has a speedy and complete recovery. While on the subject of illness, we'd like to mention Joe Palumbo's injury: he recently broke his leg while ice skating, he says. However, he's all set now.—Mu chapter now has a baseball team in the making. With Coach Jurga driving the boys hard, the team is shaping up quite well. Of course, Bud Hearn is rubbing his hands in anticipation: those aches and pains should provide quite a healthy business for his "Sali-Sorb."—Graduate Brothers Pete Chani and Al Vittone are now managing stores in their respective home towns: Pete, in East Milton, and Al, The Damon Pharmacy in Pittsfield, Massachusetts.—Brother Edmund J. Bérubé's body arrived in his home town of Edgarton, Massachusetts, this month for burial. Two of his former classmates, Brothers Ray Gosselin and Pete Chani, attended the funeral and extended this chapter's deepest sympathy.

That about does it for now, except to mention that Mu chapter is doing rather well with its House Fund, and welcomes any helpful suggestions which can help expedite materialization of a chapter house.

Fraternally yours,

MICHAEL V. CONENA, *Retiring Historian*

ALFRED J. VALCOURT, *Historian-elect*

MU OMICRON PI—DETROIT INSTITUTE OF TECHNOLOGY

The start of the spring semester finds the Mu Omicron Pi chapter in the midst of preparation for pledging new members.

There are a number of new faces here at school, and members of Kappa Psi are assured of having a sizable group of new pledges. Personal invitations have been printed and mailed to nominees, and a "Pledge Consultation Board" of five members has been set up. This board functions as that of the common pleas court; namely, to hear the various sides of differences which may arise between the pledges and the members. The board will then impose sentences or even expulsion, if deemed necessary. In this way, no single individual may have the sole power of acceptance, or rejection, of the pledges, regardless of reason.

An April dance is being planned by members of Kappa Psi, and we intend to have an elaborate set-up, with all the trimmings. The "Mimicats," consisting of Brothers Haber, Finnegan, Kingscott, and Harrick, will probably be on hand with their latest song hit interpretations. Brother Haber has been mimicking "I Want Some Bubble Gum" so continuously that members have decided to buy him a whole box.

The thankless job of Pledgemaster rests on the broad shoulders of Brother Dave Kaiser this semester. With Brother Kaiser at the helm, the members feel certain that things will be run very smoothly.

Fraternally yours,

ROMAN A. GRAY, *Historian*

NU—UNIVERSITY OF CONNECTICUT

Following the smoker of November 12, 1947, a new class has been initiated into our Fraternity on the night of January 20, 1948. It was the largest class accepted by Nu chapter, totaling fourteen men. This brings our total membership of active members to thirty-three.

Installation of officers of Nu chapter was held at the College building February 25, 1948. Brother Joe Trahan was installed as Regent with Steve Prigodich as Vice-Regent; Jack Foley, Treasurer; Joe December, Secretary; Joe Pagano, Chaplain; and Ed Nalewaik, Historian.

Also elected at this time was Fred Scimone as Publicity Director of Nu chapter.

Nu's first luncheon meeting held March 17 at New Haven was a great success. All thirty-three active members attended. Also present were Brother Nicholas W. Fenney, Grand Historian of Alpha chapter, who acted as Toastmaster; Harold G. Hewitt, Dean of the College of Pharmacy; and members of the Faculty Brothers Henry S. Johnson, Walter R. Williams, and Augustus A. Maier.

Guests present were Brothers John DeNicola, Pharmacy Commissioner, who addressed the group by comparing education in the field of pharmacy in the past with that of the present; Edmund Goodmaster, Chief Pharmacy Inspector, who stressed the need of co-operation between the pharmacist and the Commission for the benefit of pharmacy as a whole and the public which pharmacy serves. Brother Joseph Moran, Assistant Pharmacy Inspector, could not be present, due to illness.

Nu chapter intends to hold this type of meeting regularly. Keep up the good work, Brothers, it is a pleasure to see the spirit of Kappa Psi so encouragingly expressed.

May we, of Nu chapter, even though you read this after the holidays, express our wishes for a very happy Easter Season to all brothers of Kappa Psi.

We also wish Brother Ziggy Grzybowski success in his new venture as a member of the Air Corps at Randolph Field, Texas. He is at present an unaffiliated member of Nu chapter.

Fraternally yours,

EDMUND J. NALEWAIK, *Historian*

RHO—UNIVERSITY OF KANSAS

After a very delightful two weeks' vacation for the Christmas holiday, students returned to the campus and started to prepare for final examinations. At our first meeting, the chapter heard a very good report on the National Convention in Chicago by our delegate, Brother Alan Probst. Our sponsor and the Grand Ritualist, Dr. R. W. Clark, also gave a report on the Convention. The members were very interested in hearing about the other chapters represented at the Convention.

The evening of January 20 proved to be a very busy evening for the chapter. The members and pledges were photographed as a group in the

Military Science building. This picture is to be in the *Jayhawker Magazine*, a publication that highlights the campus activities and the different organizations. After the picture was taken, the chapter saw a film on Contraceptives made and distributed by Ortho Products. The film was very interesting and educational, especially for our married members and pledges.

The School of Pharmacy has added another member to its teaching staff. Dr. Duane Wenzel completed his Ph.D. at the University of Wisconsin in January and immediately joined our staff for the second semester. The chapter welcomed him with a dinner on February 23. Dr. Wenzel is teaching Pharmacology and Pharmaceutical Chemistry. We are very fortunate to have him added to our staff.

The appointed initiation committee worked on the new revised ritual, and twenty-five pledges were initiated on March 5. We are very pleased with the new ritual and the time it saved. Those initiated were: Anson R. Anderson, McRae D. Barker, Edward R. Barlow, Billy B. Bryant, Roy T. Burger, Robert T. Drumm, Donald E. Greenhaw, Jimmie N. Grimes, Clarence J. Hamm, Donald D. Hunter, James R. Kiene, John J. Killinger, Paul D. Linn, Max G. Mabie, Robert Mahanna, Corwin L. McIntyre, Albert L. Pipkin, John K. Pistorius, C. Warren Plummer, Ralph J. Pool, Frank E. Shrimplin, Ralph L. Siemen, Wallace H. Taylor, Homer L. Turner, and Harold G. Winters. One of our graduate students, Lyle B. Lathrop, was also initiated. Our total membership is now fifty-eight actives and eight pledges.

The social committee has been planning a dance to be held some time in May. The dance is to be in the Crystal Room of the Hotel Eldridge here in Lawrence. Music is to be furnished by one of the local campus orchestras, and the members are looking forward to the dance, which is to be our last social function of the year.

Fraternally yours,

JOHN J. MCKIMENS, *Historian*

UPSILON—UNIVERSITY OF KENTUCKY

Things have been pretty lively around Upsilon chapter the last two weeks. On February 23 we started Initiation Week for twelve new pledges. This was climaxed by the formal initiation ceremony on March 2 at the Seelbach Hotel. Following the ceremony we held a stag dinner in the Leather Room of the Seelbach Hotel in honor of the new members. We had as our guests of honor Mrs. Mary E. Dilly, our former Registrar; Professor Ewin Gillis, Head of the Chemistry Department; John Fleming, our Registrar; Earl P. Slone, Dean of the College of Pharmacy; and Professor M. Jongeward, Professor of Pharmacy. Professor Jongeward is our faculty advisor and is a member of Beta Sigma chapter at North Dakota State College. Dean Slone gave a short talk on part of the history of the Fraternity. Professor Jongeward gave a short talk on the principles and objects of our Fraternity. A good time, and dinner, were had by all.

The new members are: Robert L. Brown, Jr., Fred L. Coffey, William A. Conyers, Jr., Andy V. Daugherty, Elvin E. Dunnaway, Jr., James L. Eversole, William S. Johnson, Louis E. Perkins, William M. Riley, William M. Roach. This brings our total membership up to forty-two members. William S. Johnson was voted by the active members as the outstanding pledge. His name will be put on the plaque in the school office along with the names of the outstanding pledges of past years.

Announcement has been made of the approaching marriage of our Regent, Byron J. Begley, to Miss Lois Tanner, of Henderson, Kentucky, who is also a student at the College of Pharmacy. The wedding will take place some time around the first of June, but more about that in our next letter.

We lost one of our members last semester. He is Brother Earl Hacker, who was also our Chaplain. He quit school at mid-term. We will miss Brother Hacker.

This is about all that has happened at Upsilon since I last wrote.

Fraternally yours,

GUY MARTIN, JR., *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

We in Beta Delta chapter have undertaken quite a task recently, or perhaps I should say that several members have done so. Brother Robert Carney thought of a fine idea which consisted of giving an electric scoreboard to the College. Consequently, a scoreboard committee, of which Brother Carney is Chairman, was appointed to contact all graduate members of Beta Delta chapter and ask for a donation towards the purchase of this scoreboard. This drive has been very successful, thus far, and the necessary funds have nearly been raised. The scoreboard has been received and was presented by Brother Robert Carney to the manager of the basketball team. We plan to affix our sign to the scoreboard bearing the inscription "Scoreboard presented by Kappa Psi Fraternity, 1948." This, we hope, will serve as a lasting symbol of our efforts in the interests of the College.

Recently a number of new members were welcomed to our Fraternity through the medium of a dinner held at Lombardo's Restaurant in Albany. A fine time was had by everyone present, and acquaintance of the new members was of primary interest to all.

Following is a list of these new members: Freshman Class—Robert H. Bauman, Port Jervis, New York; Richard A. Eddy, Albany, New York; Louis J. Fiore, Canastota, New York; Donald R. Kinney, Albany, New York; Kenneth J. Lynn, Owego, New York; Donald W. McLean, Ilion, New York; Gordon H. Meagley, Jefferson, New York; Sidney M. Partington, Ilion, New York; Joseph W. Ryan, Elmira, New York; William L. Shumway, Mexico, New York; and Walter H. Williams, Ilion, New York.

Sophomore Class—Abraham Abbott, South Glens Falls, New York;

Francis W. Burnham, North Lawrence, New York; Frederick J. DeWitt, Jr., Kingston, New York; Vincent R. Drake, Norwich, New York; Marco Gasbarrone, Pittsfield, Massachusetts; Frederick S. Haggerty, Albany, New York; Elmer S. Jenks, Schroon Lake, New York; and Elmer N. Wright, Albany, New York.

Junior Class—Joseph S. Crawley, Saratoga Springs, New York, and Joseph A. Ferro, Schenectady, New York.

Fraternally yours,

ERICH KRUGMAN, *Historian*

BETA ZETA—OREGON STATE COLLEGE

Winter term started with much activity and it seems to be closing just as active. At the first meeting of the term, Gilbert Gettman, chapter secretary, gave his report on the National Convention held in Chicago, December 28-30. Gil was the Beta Zeta delegate to the Convention. His report straightened out several things that have been bothering some of the members.

It was pleasing to learn that Dean George Crossen has been elected to the office of First Grand Vice-Regent. It is an honor to have Dean Crossen as active in the organization as he is.

Dan W. Poling, Dean of Men, was guest speaker at the February 4 meeting. His address was "The Place of a Professional Society on the College Campus." Dean Poling's way of putting this topic over awakened the chapter to quite an extent.

A bowling party was arranged at the Corvallis Bowling Gardens, and those members attending reported an enjoyable afternoon.

Plans for initiation of pledges are being made. Selection of new men has been made, and initiation will take place during spring term.

New chapter officers for the coming year were elected in our meeting of March 10. Those elected to office were: Pierre Mead, Regent; Melvin Peterson, Vice-Regent; James Norton, Secretary; Donald Kennedy, Treasurer; Charles Ashley, Chaplain; Darwin Davis, Historian; and Paul Orr, Alumni Secretary.

Fraternally yours,

MELVIN O. PETERSON, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

Quite a bit has happened this year. We have the ball rolling on a graduate chapter. Last October there were about fifteen graduate members present at a meeting here in Chapel Hill with the purpose of starting a graduate chapter in mind. Temporary officers were elected. The members present were to talk it up with other graduate members throughout the state. Another meeting will be held in June at the North Carolina Pharmaceutical Association Convention at Carolina Beach, North Carolina.

We are very happy to have with us this year Dr. Fred Semeniuk who

is replacing Dr. H. M. Burlage on the teaching staff. Dr. Semeniuk received his undergraduate degree at the University of Alberta in Canada and his M.A. and Ph.D. at the University of Purdue. He is a member of Pi chapter at Purdue. Before coming to Carolina, Dr. Semeniuk taught at the University of Wisconsin. We hope that he will be around for quite a while.

So far this year, eight of our brothers have been tapped into Rho Chi, and they are as follows: William Brantly, Thomas Collier, Hal Hawkins. John Hood, Albert Jowdy, William Jordan, Wayne Mitchell, and Russell Young.

Brother Collins, who did a wonderful job last year as Regent, has been re-elected for another term. Our new officers have been elected and installed as follows: Ben Collins, Regent; John Hood, Vice-Regent; Hal Hawkins, Secretary; Robert Wilson, Treasurer; Ernest Rabil, Historian; John Wilkie, Chaplain; David Overton, Steward; Russell Young, Sergeant at Arms; William Jordan, Pledge Master; and William Horton, Athletic Manager.

At this time I would like to ask you to join me in wishing these new officers good luck.

Formal initiation was held January 19, 1948, at which time we had six new members to be initiated. They are as follows: Lloyd C. Brisson, Fayetteville, North Carolina; William P. Horton, Sanford, North Carolina; Holland B. Leonard, High Point, North Carolina; Robert M. Martin, Red Oak, North Carolina; T. Wayne Mitchell, Roseboro, North Carolina; and John C. Wilkie, Asheboro, North Carolina.

We hope to run another pledge class through before the end of this year.

On March 1 we had a dinner meeting. It is something new for us. It worked out fine. We had Brother H. C. McAllister to give an after-dinner talk. Brother McAllister is the Secretary of the North Carolina Board of Pharmacy. He spoke on North Carolina Pharmacy Laws. Everyone seemed to have enjoyed this type of meeting very much. We are planning to have a dinner meeting once a month from now on.

This is all the news from Beta Xi at this time, and remember, if any of you are around here at any time, stop in to see us.

Fraternally yours,

ERNEST J. RABIL, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

In impressive ceremonies witnessed by the Alumni chapter, Beta Omicron welcomed eighteen new members into the active group. Every new member left the ritual recognizing that the wholesome ideals of Kappa Psi constitute an excellent code of living.

When the ceremony ended, we journeyed to an Italian-style restaurant for a banquet honoring the new initiates. The gathering gave us an

opportunity to introduce the alumni to the new men and to reaffirm our friendly relations with the Brothers of the Alumni chapter.

The active list of Beta Omicron chapter has now increased to thirty-six. The new initiates are these: Victor Korsak, Philip Tougaw, Gordon Tjerne, Robert Lohr, Leslie Keller, Theodore Christensen, Theodore Romer, Alvin Hagg, Marvin Norman, Raymond Erickson, Harry George, Earl Acker, Norman Alger, Earl Hoveland, Ralph Deacon, John Lonac, Raymond Bolton, and Ralph White.

Fraternally yours,

DAVID K. ROBINSON, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

Beta Rho chapter sends its greetings from Ole Miss. The activities of the chapter have been proceeding at a rapid rate the last few months. Ten new members have been welcomed into the Fraternity, four have graduated, and quite a few of the remainder have made plans toward graduation in May. New faces will be the order of the day from now on.

The announcement of the engagement of Miss Joy Ford and Brother Lewis Nobles was made after the Christmas holidays. Miss Ford is a junior in the Ole Miss School of Pharmacy. The wedding date has not been set, but it will probably be the appropriate month, since Lewis is expecting to graduate in May. At the present time, Lewis is suffering from an attack of the mumps. We send our sympathy to him, but few, if any, of us will dare to present them personally.

A midseason banquet was jointly sponsored by the Beta Rho chapter and the local branch of the A.Ph.A. Our guest speaker was Mr. Jesse Stigler, known in the Delta as "Mr. Lilly." Mr. Stigler presented his best polly parrot and chicken stories; needless to say, they were well received. Some very excellent advice was given by Mr. Stigler concerning the Pharmacy profession, and it was also well received. Our thanks go to Brother Jack Pepples for his work in arranging the banquet.

We were represented at the National Convention in Chicago by Brothers Lewis Nobles and Perry Egger. The chapter feels that an excellent representation was made by this pair. At a meeting held after the Christmas holidays, Brother Egger summarized the activities of the Convention. We were very pleased to hear the trip was not confined to business alone; all work and no play would have undoubtedly left them dull boys.

Ten new brothers were initiated on February 19. These men were: George Edmonston, John T. Case, Horace Capps, Quitman McDaniel, Thomas Loftin, Thomas Buckley, Paul Frasier, Clyde Pearson, Malcolm Miller, and John McHugh. The chapter is proud to welcome these new members.

Our February graduates have all located in Mississippi. We have heard from Brother Pendarvis, and he seems to be very pleased with his work.

Brother Pendarvis extended an invitation to members of Beta Rho to visit him when they are in the vicinity of Gulfport.

Ole Miss streets took a beating from the severe winter weather during the months of January and February. Beta Rho car owners are cussing the holes in the pavement, and the pedestrians are jumping them. We will all survive these minor troubles, but our tempers will be stretched to a new point.

The Eli Lilly Company, of Indianapolis, Indiana, has invited the Ole Miss Pharmacy School juniors and seniors to be their guests for a tour of their plant. The trip will be made during the second week in April. Plans have been made to inspect the McKesson and Robbins warehouse and showrooms in Memphis while on this trip. Beta Rho juniors and seniors are expected to attend in force. Mr. Maurer, the Lilly representative for this territory, and Dean E. L. Hammond made arrangements for us to make the trip.

Election of officers in the Beta Rho chapter was held March 5. Officers elected were: Regent—Paul Shellabarger, Vice-Regent—Joseph Nuckolls, Secretary—Clyde Pearson, Treasurer—Quitman McDaniel, Historian—John Case, and Chaplain—Thomas Buckley. Installation of these officers will be held at the next official meeting.

Fraternally yours,

JACK R. DUNN, *Historian*

BETA SIGMA—NORTH DAKOTA STATE COLLEGE

A pleasant hello once again from Beta Sigma. Christmas vacation brought our boys back spry and prepared to settle down for another eleven weeks of college and study. Eight weeks have passed since that beginning, and finals are again staring us in the face. Let us pray.

Brother Zweber and Brother Trett related to us their experiences at the Convention. They spoke of the wonderful time they had and the many new brothers that they had met. We were told of the fine hospitality of the Chi chapter. On behalf of the chapter and myself, thank you. It goes to show us that we have a fine and wholesome thing in Kappa Psi and that we should strive to keep it that way.

We were told that the song "Kappa Psi Sweetheart" was brought before the Convention in hope that it would be inaugurated as our national song. The voting was delayed until the next convention, giving each chapter a chance to sing and play the song and see if they like it well enough to adopt it. We are having copies printed and sent out to the different chapters. I believe it would be a fine thing to have a song that we could call our own.

If you will allow me, I should like to take a few lines at this time to do a little bragging. Beta Sigma chapter of Kappa Psi last term received the highest scholastic average among the Greek organizations. Amazing, isn't it? For this, we are getting a large trophy which we

will keep for the following term. The organization which wins it six times is entitled to keep it.

Nine new pledges have joined our ranks, and this brings our pledge class to twenty-six members, largest group of pledges we have ever had. They are as follows: Gary Syvrup, David Olsen, M. E. Mogen, Kenneth Roche, Don Legred, Glenn Dehlin, William Gremsgard, Ronald Chaput, Robert Klinbeil. Their number will be sharply reduced come the second week of next term when that little monument to memory, "Scum Week" takes place.

Dr. Stoneburg, instructor in Pharmacognosy and Pharmacology, has become an honorary member in our organization. He is a new instructor in the School of Pharmacy, coming to us well recommended from the American University in Washington, D.C. His talents for the piano, teaching and his intelligence are boundless. Dr. Stoneburg's most striking feature, however, is his dress, especially for an older instructor. He dresses the part of a well-dressed college student, and sometimes talks the part—Boing! Brother Earl Bolinski has also joined our active group. He is a junior in pharmacy and boasts quite a scholastic record. Good to have you aboard, fellows.

Our social activities this term have been rather limited as they always are in the winter time. We did, however, hold one get-together with Kappa Alpha Theta sorority, and a good time was had by all. A return performance is in order. Our term party is scheduled for March 12 and is to be held in the Town Hall at the Gardener Hotel. The party is to be a semi-formal dinner dance. A good time is promised by the pledges, who are in charge of the festivities for this quarter. Also along the social line is our entry in the Bison Brevities. The Bison Brevities are an all-college program in which each organization on the campus contributes an act. If the act is up to the standards prescribed by Blue Key, which is in charge of the program, it is entered in the program. Our act was chosen and consists of Brother Herman Olig and Dr. Stoneburg in a piano duet. Herm thinks it is "terriff" and the Doctor just says—"Boing!"

Hitting the "big wheel" status were Brother James Anderson who was picked for membership in Blue Key and Brother Roy Anderson who will enter Rho Chi. They are not brothers—parentally.

Personals: It was as I predicted in my last letter, that Brother Cliff Thomas would be married by Christmastime, and he was. Brother Earl Chase became the father of a baby girl—I did not predict that. Roman Tembruell is engaged. He kept it a secret a long time, now comes the beer.

Brother Ray S. Kelley will honor us with a visit on March 11. This is the second Grand Council member to step through our portals. We shall try to make his stay as pleasant as possible.

This concludes the news from Beta Sigma.

Fraternally,

JAMES CRAVEN, *Historian*

BETA PHI—CINCINNATI COLLEGE OF PHARMACY

The first meeting of Beta Phi chapter this semester drew a perfect attendance, despite a swirling snow storm that brought traffic to a crawling pace. The meeting was held at the home of Vice-Regent William R. Wolter, and, needless to say, got under way an hour later than planned. As each member straggled in Brother Wolter was handed a snow-covered topcoat and an apology for tardiness, centered around the fact that his tardiness was due to the slippery hills, and with all seven of Cincinnati's hills covered with ice, and members having to come from all directions—bravo! brothers, for such attendance. The business section of this meeting was filled with many reports and discussions, as plans were made for a smoker for our nominated pledges, and Regent Arvil Brown, Vice-Regent William B. Wolter, and Treasurer Louis Schwallie, who were our delegates to the Grand Council Convention in Chicago, gave their reports of the Convention. After the meeting, every member discovered a great hunger for potato salad and "Coney Island" sandwiches, which was amply satisfied by the culinary art of Brother Wolter and his wife.

Our smoker for the nominate pledges was held at the home of Brother Forest Pack on March 1. Professor Joseph B. Vaughan, a member of Kappa Psi, opened the get-together with a brief discussion on the Fraternity, and then presented the nominees. Regent Arvil Brown and Secretary William S. Bell introduced the actives. When all introductions were completed, the nominees were given food and refreshments, prepared by Brother Pack and his wife, and then shown a good time—yes, the last good time for several weeks, for they were warned that within a few days they would become "Worms," and as such, life could be rather miserable.

At a special meeting of actives, two days following our smoker, the following nominees were elected pledges: Charles Baltz, William Breetz, Robert J. Brink, Buel Duncan, James Eich, Don Greber, Edward Huy, Jim Keyser, Charles Krusling, George Lanike, Harry Oberhelman, Paul Schneeberger, Russell Thornsburg, and Jack Wolfe. The next morning these pledges were issued a "beany" and their orders for the initiation period. Along about this time the actives started naming their favorite brand of cigars, cigarettes, chewing gum, and candy, and also decided it was time for them to have their shoes shined. The following morning the "Worms" got busy, but quick! Brother Walter P. Cook, a connoisseur of cigars, beamed a smile of satisfaction through smoke rings all during initiation period, for he was well supplied with his favorite stogy.

Beta Phi chapter extends congratulations to Brother Jack Simon and his wife, who were married last Christmas, and also thanks Brother Bill Wolter, our Pin Chairman, for his good job in handling the order for our pins. We have our pins now, and it certainly looks good to see the Fraternity pin on all of the actives.

Fraternally yours,

RICHARD D. EARLY, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Dr. Van R. Potter, who was last year named one of the ten outstanding young men in the country by the U. S. Junior Chamber of Commerce for his research on cell metabolism in the study of cancer at Wisconsin General Hospital, gave an extremely interesting and informative address Saturday, December 13, before active members and guests of Beta Psi. The occasion was a banquet at the American Legion Club in honor of fifteen new members who completed their initiation that afternoon. Those initiated were: Maynard J. Canright, Waukesha; Michael Gallo, Badger; John F. Henney, Kohler; Ivan C. Iverson, Colfax; Harvey D. Jewell, Sparta; Bruce J. Johnson, Highland Park, Illinois; Charles O. Johnson, Hixton; Donald M. Lange, Madison; Chester P. Malkowski, Badger; Howard F. Martin, Burlington; LeRoy S. McClland, Kenosha; John A. Meier, Madison; Tom H. Thomas, Sheboygan; Sanford T. Wood, Madison; and James A. Wrzosek, Stanley. Following the banquet, a party was held at Turner Hall. Several tables of bridge and dancing constituted the entertainment. Dick Strommen acted as Santa Claus, and there were fine gifts for all.

The most original party of the year, though not too well attended, was the "Real Hard Time" party at Turner Hall on January 17. Half of the floor was covered with a layer of wood shavings about six inches deep (which, incidentally, was quite a problem the next morning), and the beer was served in 400 cc. beakers, except for Regent Lewandowski, who brought a liter size for himself and a 50 cc. size for Bob Wills. Pledge Fred Busshard did a swell job on decorations. The prize, a traveling trophy, which we believe to be the only red and green fur-lined loving cup in existence, was won this year by Bob Volkman—I guess his date really did give him a hard time that evening, but his tramp outfit won him the trophy. Phill Frazer & Co. completed the entertainment with a short skit.

A Stag Party was held on February 16, and rushing on the 17th and 22nd. A fine group of twenty-eight men were pledged at a meeting on March 1. The evening was highlighted by a talk by Dr. L. W. Busse. A party was given on March 6 at the Capitol Hotel in honor of the recent pledges. Fern LaMonte's orchestra furnished the music, Dick Strommen and Howie Martin handled the punch, and Tom Thomas did an excellent job on decorations.

The chapter was extremely happy to welcome Brother Kelley to Madison for his visit, though short. This was the first visit by a Grand Officer since the reorganization of Beta Psi, and the chapter feels that a great deal was gained in meeting Brother Kelley and discussing with him the many questions and problems of the chapter and the Fraternity as a whole. We regret that he had to leave on the short end of the deal in his exchange of cigars with Bob Volkman, and we hope he'll come back to collect soon.

Fraternally,

BOB LORD, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

With the school year well under way, Beta Omega chapter has many important activities, past and future, to tell about. We want to take this opportunity of saying hello to all our distant brothers and to wish them the best of everything always.

At a regular meeting of this chapter on January 5, 1948, election of officers was held. The following brothers were elected to offices: Regent, Gerald V. Mayan; Vice-Regent, Anthony Monaco; Secretary, Jack Longenecker; Treasurer, Alfred Mattera; Historian, Arthur J. Pellegrino; Chaplain, Edmund Jackson.

The retiring officers were cheered by more than fifty members as they stepped down from their posts as officers of Beta Omega chapter. These brothers did a fine job and we new officers will try to uphold the high standard of leadership which they have established.

Our membership was increased by the addition of Jack Hinkle of Mt. Carmel, Pennsylvania. Brother Hinkle was initiated in January.

On Monday evening, April 5, 1948, at the P.A.R.D. Building our chapter will have a "smoker" for our future pledges. We have planned a well-rounded evening of entertainment and refreshments for our future brothers, and we are sure that it will be a night that will not soon be forgotten. The program will be highlighted by a few words of welcome from our Grand Regent, Dr. Frank H. Eby. He will tell the new pledges a few interesting facts about our Fraternity and he will point out the advantages which can come from Fraternity membership.

All the fellows here at Beta Omega chapter are looking forward to our annual dinner-dance which will be held, as usual, at the Bellevue-Stratford Hotel on May 21, 1948. This is our one real occasion when student and alumni members can renew old acquaintances or make new ones. I will not attempt to chronicle a description of last year's affair but I will say that this year's affair will be the biggest and best affair we have ever had. All the brothers who attended last year acclaimed it a huge success and vowed to make it a must on their social calendars each year.

Brother Louis Stezzi, who received his diploma at the commencement exercises held March 6, 1948, is the fourth Temple man to join the select group of Pharmacy graduates who have earned the coveted Kappa Psi Gold Key, awarded by the national organization for outstanding scholarship. Brother Stezzi really deserved this honor and we congratulate him on his fine work.

Our delegate to the National Convention, Brother Steve Oreovecz, returned with tales of such enthusiasm and excitement that every brother in our chapter is going to try to participate in our next convention. Steve gave us a very detailed report on the convention and he stated that the future of Kappa Psi is very bright. We are all behind him in this belief and we know that with good fellowship and fraternal spirit our ranks will be intact until eternity.

Fraternally yours,

• ARTHUR PELLEGRINO, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Another quarter of school has drawn to a close. We are now beginning our spring quarter here at Ohio Northern University. Our participation in intramural sports so far this year has been very successful. We succeeded in winning first place in football. We feel that this was quite an accomplishment, considering the fact that we, as a professional fraternity, were competing with other fraternities of social status whose memberships consist of many physical education majors. The sport for now is basketball, and we hope to have equal success in this event.

We here at Gamma Delta feel a great loss with the passing of our Brother Robert J. O'Brien. We owe much to Brother O'Brien in many respects, and he was, without a doubt, one of our outstanding Kappa Psi Brothers. Brother O'Brien discontinued his education one year ago with intentions of re-entering at a later date. His fatal illness was of short duration and quite shocking here to us at Gamma Delta chapter. He is survived by his wife, Mrs. Phyllis O'Brien.

We now have a membership of thirty active brothers and nineteen pledges. Brother Ralph G. Rees graduated this past December and took the Ohio State Board Examination in January and received highest honors.

At a recent meeting, the following officers were elected: Regent, Brother George Raeburn; Vice-Regent, Brother Weyland L. Brown; Secretary, Brother Donald H. Stoldt; Treasurer, Brother Robert L. Stahler; Chaplain, Brother Charles A. Schieber; Historian, Brother Charles A. Schieber.

Other officers installed are as follows: Pledge Master, Brother Samuel L. Moore; Social Chairman, Brother Joe Smucker; Librarian, Brother Robert C. Smith.

The following new Brothers were recently initiated into the Fraternity: Brothers Walter D. Early, James W. Seaton, James A. Loofbourrow, and Arthur D. Simmermacher.

We are now making plans for our annual spring formal, which is to be held May 8, and we hope to make this a great dance.

We, as usual, welcome all Kappa Psi Brothers to stop in and see us.

Fraternally,

CHARLES A. SCHIEBER, *Historian*

GAMMA ETA—MONTANA STATE UNIVERSITY

At the last meeting of the fall quarter, Brother Don Larson resigned as historian and was elected to the office of treasurer. Brother Dave Chapple was elected to fill the office of Historian.

The following thirteen men were pledged at our first meeting of the winter quarter: Walter Bergman, Joe Bosone, Ray Brown, Ross Cook, Bill Edmiston, Walter Fellows, Robert Fuller, William Kroll, Palmer Kronen, Bill Paulsen, Jack Petelin, James Smith, and Don Whitman. The responsibility of getting the lowly pledges ready for initiation was given

to Brother Warren Amole. After the men were pledged, Regent Charles McNichol presented a short talk to the new pledges, giving them the aims of the Fraternity and of the methods and reasons for pledging that our chapter uses.

Brother Warren Amole and Professor Mollett gave a somewhat detailed report of the National Convention that they attended during the Christmas holidays. Brother Amole stressed the fine qualities of the National Officers and of the hospitality that was accorded the visiting delegates by the Chi Chapter during the Convention. Gamma Eta would like to thank the Chi Chapter for this fine display of hospitality.

On the night of January 24, thirty members and pledges with their guests spent a very enjoyable evening at the Happy Bungalow, where they attended a dinner-dance sponsored by the Gamma Eta chapter. Lloyd Feldman and Jim Hotvedt, members of the committee which made all of the necessary arrangements for the affair, did an excellent job and have, in all probability, established a new tradition for Gamma Eta.

At our first meeting in February we were told of the arrival of an announcement notifying us that our past Regent, Ken Ernisse, had been married, on January 28, in South Dakota. We will be expecting another type of announcement from him one of these years. Next came the election of officers, after which no further business took place. The new officers of the chapter are: regent, Donald Larson; vice-regent, Frank Pettinato; secretary, Donald Larson; treasurer, John Vickers; historian, Warren Amole; chaplain, William Stevens; and Grand Council Deputy, Prof. C. E. Mollett.

Fraternally yours,

DAVE CHAPPLE, *Historian*

GAMMA OMICRON—UNIVERSITY OF OKLAHOMA

I am very sorry that this is late. We just overlooked the date of the month. We have had a pretty busy quarter, as you will notice.

January 8, 1948—Regular monthly meeting, Woodruff Room, Student Union Building. "The Report from Our Official Delegate to the National Convention at Chicago, Illinois," was made by Brother Lawrence Johnson.

Initiation was held for fifty-four pledges.

January 29—Special Meeting for Brother Ralph W. Clark, Grand Ritualist, Woodruff Room, Student Union Building. This meeting was preceded by an informal dinner in honor of Brother Clark attended by faculty members and officers of Gamma Omicron.

February 12—Regular monthly meeting, featuring the drafting of *The Big Green* Kappa Psi slate of candidates for O.U.Ph.A. Convention, 1948.

March 5—Special luncheon held in Union Ballroom for Alumni, faculty members, members and guests of Gamma Omicron during O.U.Ph.A. Convention.

Highlights of O.U.Ph.A. Convention

The Big Green Kappa Psi Slate of Officers won six out of nine officers of the governing body of O.U.Ph.A. They are: Vice-President, B. Wayne Carmichael; Secretary, Lillian Burum; Treasurer, Hal Hefner; Sergeant-at-Arms, Don Morrison; Honorary President, H. B. Largeant; and "Miss Pharmacy," Lillian Burum.

Brother Robert H. Beck won the Rho Chi award, 1948, for the highest scholastic average through the sophomore year.

Brother Bill Berry was elected Secretary of "The Society of Retail Pharmacists," O.U.Ph.A., 1948.

Pledge Willis Horton was elected President of "The Society of Military Pharmacists."

Brother Marion Smith won the "Best Paper Award" in the Society of Retail Pharmacists and tied for the "Best Paper Award" in the Society of Research Pharmacists.

Gifts were presented to the following Kappa Psis: Brother Don Balden, as outgoing President, and Pledge Ken Lisle, as outgoing Vice-President of O.U.Ph.A.

Brother Tom Lout won the "Lehn & Fink Award" for the highest senior scholastic average.

Brother Marion Smith won the "Buckley Award" for the "Best All-around Senior Man."

Miss Lillian Burum, *Big Green* Kappa Psi Candidate for Miss Pharmacy of 1948, stole the show when she was crowned Miss Pharmacy during intermission of the big ball.

Brother Lex Shelby, retiring Student Senate member from the School of Pharmacy, has been elected President of the "O" Club (Letterman's club of O. U.).

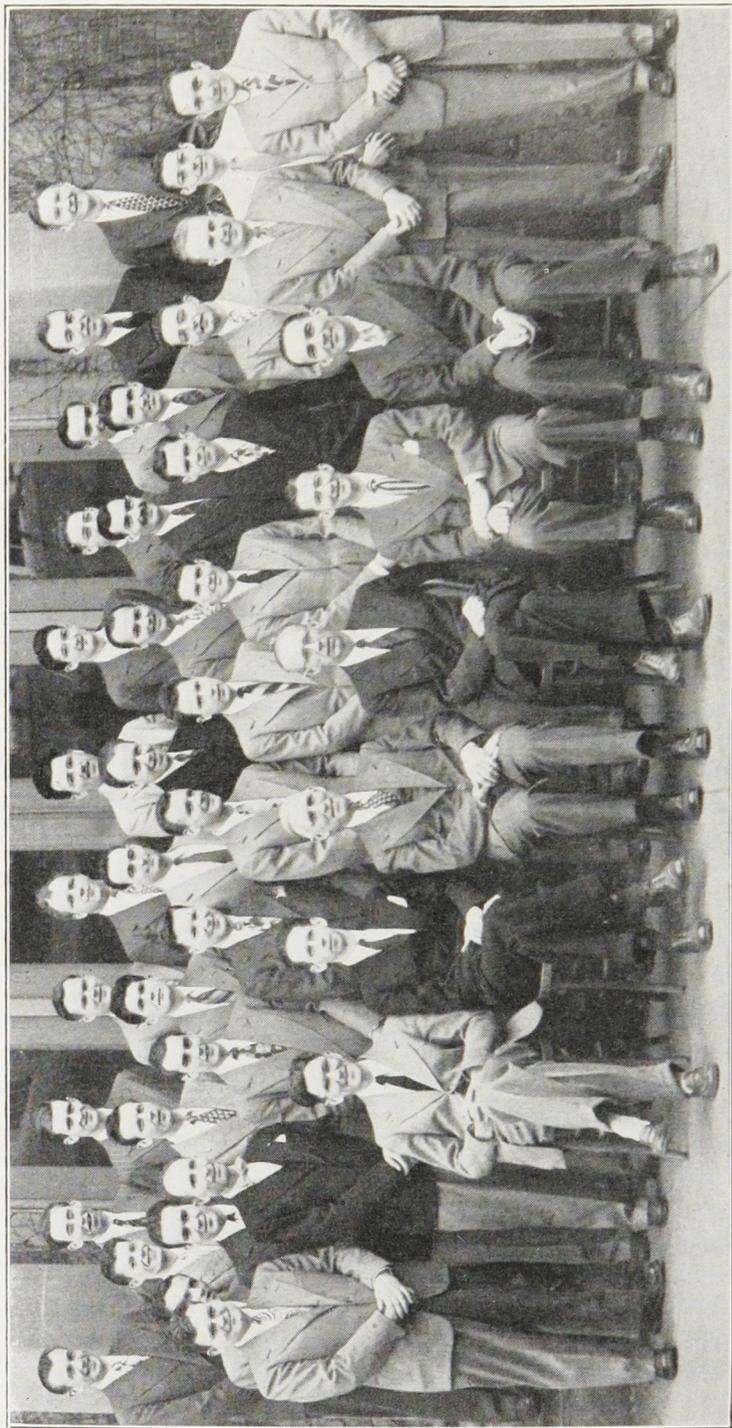

Fraternally yours,

LEX SHELBY, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

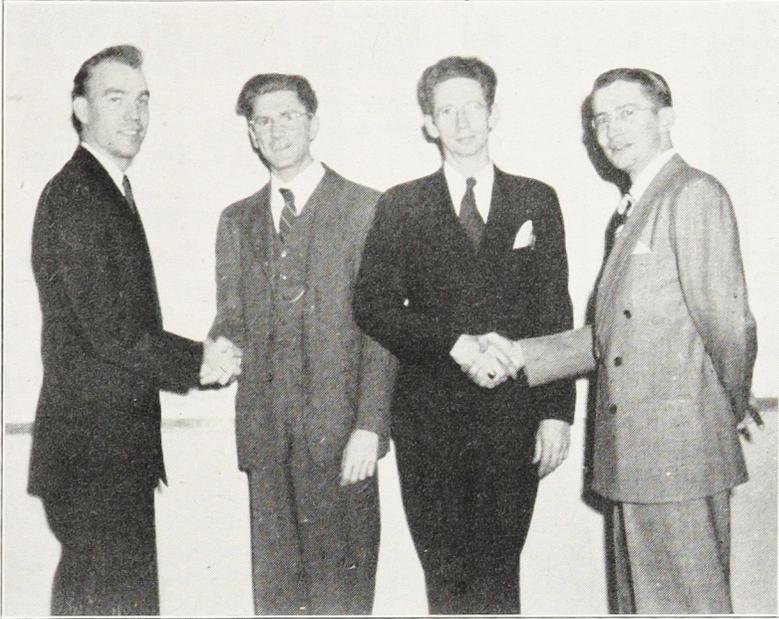

In our last letter we closed with a notation of our plans to hold our first dinner meeting of the new year at the Chase Hotel. The aforementioned occasion developed into quite a memorable one, and we had the pleasure of administering the degrees of membership upon two members of the faculty of the St. Louis College of Pharmacy and Allied Sciences. Dr. Arthur James Zimmer of the Chemistry Department and Professor Frank Mercer of the Biology and Pharmacognosy Department, both graduates of the College, 1940 and 1934, respectively, were initiated into the Brotherhood to share the fine fellowship we all enjoy.

Not long after this meeting, we were all pleased to hear that the faculty had been augmented with a Kappa Psi member from Purdue, Dr. Carl

GAMMA PI CHAPTER

Seated, left to right: Dr. Zimmer, Prof. Mercer, Dean Schlichting, Dr. Thayer, Prof. Rabe, Mr. Schneider. First row, standing: Kleisly, Owsley, Rynie and Bloom. Second row, standing: Murphy, Butler, Jordan, Fitzgerald, Zandracka, Hedrick, Gammon, Lewis, Speckert, Burke. Third row: Bogner, Kallish, Murhie, Keener, McKay, Mueller, Wilson, Morris. Fourth row: Perkes, Michael, McQuary, Crall, Berriman, Culpepper, Cross, Dove, Ellis, Fries, Bryant. Those absent from photo: King, Devine, Mathews and Rudolph.

Left to right: Past Regent Fries; new members Dr. Zimmer and Professor Mercer; Professor Rabe.

Klemme, who is to head the graduate course in Manufacturing Pharmacy to be offered next year here in St. Louis. He is a member of Pi chapter.

Since our last correspondence, election time has come and gone and Gamma Pi has selected new leaders. Replacing the 1947 officers, who were nearly all departing seniors, are: Charles Perkes, Regent; Jack Cross, Vice-Regent; Harold Crall, Secretary; Oliver Michael, Treasurer; Tom E. King, Historian; and John Murphy, Chaplain. A vote of thanks goes out to our departing officers and a hopeful wish that the new can duplicate and carry on the commendable work of the old.

On the social side, the friends and wives of the chapter got somewhat of a "look on the inside" on the evening of March 1, when the brothers held a successful dinner dance at the Melbourne Hotel. Many quizzical mates were pleasingly satisfied with first-hand information on how the boys spent their evening out with the hundred-handed Greek God, and some of the brothers felt they needed a hundred hands to pay the bills for the evening.

The College is boasting its first Year Book since before the war, and the Fraternity appears to be well represented in its pages. Our support of this recently absent publication has been indicated by the purchase of advertising by the chapter.

Donald Ellis, Chairman of the Pledging and Initiating Committee, has checked and submitted for approval a list of prospective pledges. By publi-

cation time we hope to add approximately thirty to the fold. In attempting to conform with recommended standards, this seems a good number, since it will mean a roll call of fifty at the beginning of the Fall Semester.

Until July, I remain your St. Louis correspondent.

Yours fraternally,

TOM E. KING, *Historian*

BOSTON GRADUATE CHAPTER

The Boston Graduate chapter has had three fine meetings since our last letter to THE MASK. The annual meeting was held in February in conjunction with Mu chapter's Annual Smoker as has been the custom for the past couple of years. As usual the affair reflected the fine spirit of both chapters as shown by a good attendance. We were very pleased at having the honor of the presence of the Grand Regent and the Grand Secretary-Treasurer at our head table. It was with equal pleasure that we had the honor of hearing Brother Tom D. Rowe, Dean of Rutgers College of Pharmacy deliver an excellent talk. One of the highlights of the evening was the showing of motion pictures taken at and during the National Convention by Brother Zuty of the Connecticut Graduate chapter, who managed to get to the Smoker despite one of the winter's worst storms.

The Edmund J. Bérubé Memorial Scholarship was awarded for the first time that evening. Dean Newton of the Massachusetts College of Pharmacy made the presentation on behalf of the chapter to Robert Gerraughty of Newton, Massachusetts, a member of the sophomore class at the College. Alfred Valcourt, a member of the junior class was the recipient of the Boston Graduate chapter Scholarship.

It was voted at business meeting following the Smoker, that the chapter offer another scholarship in addition to those mentioned above. This scholarship will be known as The Douglas Wilson Memorial in memory of Douglas Wilson who lost his life during World War II. It will be awarded for the first time during the next school year.

The body of Ed Bérubé, who was killed in action during the battle of Iwo Jima while serving with the Third Marine Division, has been returned to this country. Funeral Services were held in his home town of Edgartown, Massachusetts, which is on the island of Martha's Vineyard, on April 10, 1948. Ed was buried with full military honors in a ceremony in which practically all the islanders took part. Kappa Psi paid tribute to one of its finest members by sending an appropriate funeral bouquet as well as being represented in person by several members of the Fraternity at the funeral services.

Fraternally yours,

RAY A. GOSSELIN, *Secretary*
