THE TWENTY-EIGHTH GRAND COUNCIL CONVENTION

Jay Storm Photo

The twenty-eighth Grand Council Convention of Kappa Psi Pharmaceutical Fraternity has previously been announced in the January-March issue of *THE MASK* and is to be held at the Edgewater Beach Hotel in Chicago on December 27, 28, and 29, 1955. Alpha Chapter predicts that this convention might well top the attendance figures which broke previous records at the last convention held in 1953 at Washington, D.C. Chi Chapter and the Chicago Graduate Chapter have been working for some time with representatives of Alpha Chapter to insure that this convention will fulfill the expectations of anyone who attends.

At the last national convention a number of members attended with their wives. Why not plan to include your wife in the three-day Chicago convention this year?

WELCOME—TEXAS GRADUATE CHAPTER

By the time this issue of *THE MASK* goes to press the Texas Graduate Chapter will have been chartered and installed. This makes the number of active Graduate Chapters total twenty-two.

On an occasion such as this Alpha Chapter and all Kappa Psi members throughout the world join in an expression of congratulations and good wishes to this Texas Graduate Chapter.

We are most grateful for the fine fraternity spirit of the many Graduate Brothers who made possible the organization of this Graduate Chapter. To all of them we express our appreciation for their efforts.

PROVINCE ASSEMBLIES

Most of the Province Assemblies have already been held as this issue of *THE MASK* goes to press. The activities of these meetings have already been reported or will be reported in the pages of our quarterly. Much important business is accomplished in a Province Assembly and the delegates, elected by the groups, are members of the Grand Council when it meets in national convention.

If your Province Assembly has not been held as yet make certain to contact your Province Satrap at once for information.

BROTHER MEMBERS:

Greetings from Chi Chapter and the windy city of Chicago! As you have probably heard by now, Chicago has been selected as the site of the 1955 Kappa Psi National Grand Council Convention. We like to think of a national convention as not just a means of having fraternity officers and delegates get together, but rather as an opportunity for every member to learn more about his fraternity, and as a means of becoming acquainted with his Kappa Psi Brothers throughout the country.

With this thought in mind, we at Chi are proud to have been chosen as the host chapter, and wish to extend to each of our Brothers a personal invitation to attend this year's convention if possible.

Because of Chicago's central location we are anticipating a large turnout of Kappa Psi men from coast to coast. Chicago is noted as being the nation's number one convention city. It lacks nothing in the way of top entertainment.

We are pleased that Chicago's most beautiful and well-known hotel, the Edgewater Beach, has been selected as our convention headquarters. The hotel offers many fine facilities to convention groups such as ours and we are sure that you will be well pleased with the accommodations.

Although the convention isn't to be held until December 26, we want to remind you that now is a good time to start making your plans to attend. See you at the Edgewater in December.

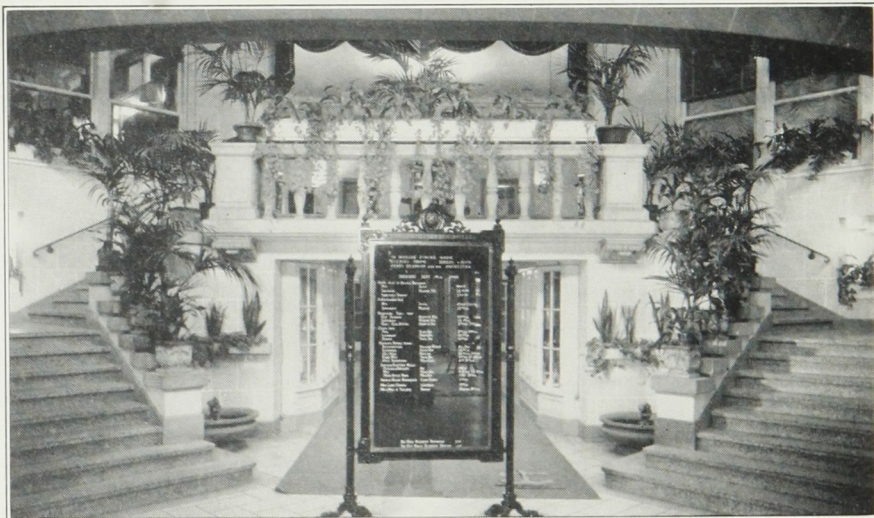

Sincerely,

CONVENTION COMMITTEE

ABOUT THE NEW HANDBOOKS—

Many fine compliments have been received on the quality and the contents of the new HANDBOOK and we appreciate these expressions. We are especially grateful for the compliments of a number of old members who received copies.

Although twenty Collegiate Chapters have ordered almost 700 copies, the Chapters which have not ordered an ample supply are missing an important aid in the pledge program and in obtaining a better understanding of our Fraternity and its objectives. We urge these Chapters to order copies of The HANDBOOK at once.

You Should Know . . .

HAROLD G. HEWITT, dean of The University of Connecticut School of Pharmacy for the past eight years, was born in Milwaukee, Wisconsin on October 14, 1901. He received his early education in Milwaukee schools and entered the University of Wisconsin School of Pharmacy in 1919. In 1920 he was initiated into Beta Psi Chapter of Kappa Psi and has been an ardent supporter of the Fraternity ever since. Brother Hewitt graduated with the degree of bachelor of science in 1923 and enrolled immediately in the Graduate School of the same university where he received the degree of master of science in 1925 and the Ph.D. degree in 1926. While at the University, Dr. Hewitt served as a research assistant in the University's Pharmaceutical Experiment Station for several years and also as an assistant instructor in pharmaceutical chemistry, plant chemistry, and alkaloidal assay. On August 18, 1926, Brother Hewitt and Miss Martha Cummings Alexander were married.

From Wisconsin, Brother Hewitt moved east to the University of Buffalo School of Pharmacy where he served as professor of chemistry and head of the division of pharmaceutical chemistry until he came to Connecticut.

In 1947, Dr. Hewitt came to New Haven, Connecticut, to serve as dean of the School of Pharmacy. In four short years he realized part of his dream for a new pharmacy building when the school moved from its quarters once used by the Yale Medical School to the campus in Storrs. In 1952 the school moved from temporary campus quarters to the beautiful new pharmacy building located on the same quadrangle as the Engineering School and the new Student Union building.

Some other organizations which can claim Brother Hewitt as a member include: the Milwaukee Graduate Chapter of Kappa Psi (now a graduate Chapter of Theta Kappa Psi), Gamma Alpha, a graduate scientific fraternity, Phi Sigma, Rho Chi Society and the Society of Sigma Xi and Phi Lambda Upsilon. He is a member of the A.Ph.A., A.C.S., Connecticut Academy of Arts and Sciences, A.A.A.S., New England Association of Chemistry Teachers, C.P.A., and a registered pharmacist in Wisconsin since 1924 and in Connecticut since 1948.

Dean Hewitt served as vice president of the American Association of Colleges of Pharmacy in 1950-51, and ably guided, as chairman, the 6th Annual Teachers Seminar of the A.A.C.P. held last summer on the University of Connecticut campus. He was largely responsible for the granting to Kappa Psi and each of the other three pharmaceutical fraternities housing in the newest and most modern dormitory facilities just being completed on the campus. The fraternities move into their new quarters in the fall semester.

Chapters at St. Louis, Albuquerque, and Tucson Visited by Grand Secretary-Treasurer Frank H. Eby

Arriving at St. Louis early in the afternoon of January 19, 1955, Grand Secretary-Treasurer Frank H. Eby found awaiting him, Regent Walter Ito, Secretary Jerry Smith, and several other members of Gamma Pi Chapter who escorted him to the St. Louis College of Pharmacy and Allied Sciences. At the College the Grand S-T had a very pleasant visit with Dean A. F. Schlichting, Grand Council Deputy C. Lee Huyck, and several other members of the faculty. Members of the Chapter acted as guides on a tour of the very spacious and well equipped college building. This was followed by a two hour session with the Chapter officers, in which many problems and plans for the future were discussed. In the early evening, Regent Ito presided at an excellent dinner at one of the local hotels with a full attendance of Chapter members and Facultate Members including Grand Counselor James R. Thayer. The dinner was followed by an address by the Grand S-T and a constructive discussion on Chapter problems. Gamma Pi is potentially strong and we look for it to be one of our best Chapters in the years ahead. While it was cold with some snow, when we were in St. Louis, the Kappa Psi spirit was high and we say thanks to all of you in Gamma Pi for your splendid reception and cooperation.

The campus at the University of New Mexico in Albuquerque was delightful although somewhat cool when the Grand S-T arrived early on the morning of January 21. He was escorted through the fine building which houses the School of Pharmacy, by Dean E. L. Cataline and members of Gamma Rho Chapter. At noon the Chapter held a luncheon for the visiting Grand Officer at one of Albuquerque's fine restaurants. Although this visit came at a time when examinations were in progress, there was a full attendance of members and the luncheon was most enjoyable. In the afternoon a three hour session with Chapter officers, resulted in the clarification of many chapter problems which should help the Chapter in its future activities. Special thanks go to Dean Cataline for his kindness in helping to make the visit of the Grand S-T so very pleasant and to Regent Ronald W. Roberson, Treasurer Alan R. Aldous, and Secretary James B. Nickell, and the other Gamma Rho officers for their helpful cooperation during the long conference. Our appreciation is expressed to all of the members of the Chapter for their hospitality and good Kappa Psi spirit.

On January 22, the Grand S-T arrived in Tucson at 6 A.M. and was given a hearty welcome by three loyal Kappa Psi's, Dean Willis R. Brewer, Dr. Albert Picchioni (G.C.D.), and Regent William A. Burnson of Gamma Upsilon Chapter. Within several hours after arrival Dr. Picchioni had us in tow (not hard to take in an Olds 88) for a view of the beautiful University of Arizona campus. Later, a tour of the School of Pharmacy and then a visit to the Saguaro National Monument, the nearby mountains and orange groves completed a wonderful day. On Sunday, as guest of Dean and Mrs. Brewer, the Grand S-T visited Nogales, Mexico, and some outstanding historical places including the San Xavier Mission near Tucson. On Monday, an old Sigma Chapter alumnus, and one of Tucson's outstanding citizens, G. Benner Kelly, was our host and once again we were off to see more of the wonders of the Tucson area. In the evening (January 24) members of Gamma Upsilon Chapter and the Arizona Graduate Chapter held a dinner and meeting at the La Cucina, with the Grand S-T reporting on the activities of the Fraternity. It was an enjoyable evening and special thanks go to those who had a part in planning the dinner and to the loyal brothers who traveled about 125 miles from Phoenix to take part in the evening's meeting and festivities. All the Brothers in Tucson were fine hosts but the

Grand S-T is especially grateful to Brothers Brewer, Picchioni, and Kelly who demonstrated Arizona hospitality at its best. Of course the freedom from the ice and snow of Philadelphia was also a wonderful treat.

Grand Officers Confer in St. Louis

Following the visit to Gamma Pi Chapter in St. Louis on January 19, Grand Secretary-Treasurer Frank H. Eby and Grand Counselor James R. Thayer met to discuss problems relating to Chapter By-Laws.

At the present time the Central Office does not have any record of approved By-Laws for a number of Chapters. There is also no record of revisions and amendments of the By-Laws made by some of the Chapters in recent years. It was agreed at the St. Louis meeting that a survey would be made in the near future to determine the extent to which new By-Laws and revised By-Laws would be necessary by some of the Chapters. At this time it is urged that all Chapters which have not had their By-Laws approved by the Legislative Committee of the Fraternity, to do so at once. (See page 33, Constitution and By-Laws, for Model By-Laws for Chapters.)

IMPORTANT NOTICE

The new HANDBOOK OF KAPPA PSI FRATERNITY is now available for distribution to the members of the Fraternity.

Important Information from the Legislative Committee

James R. Thayer, *Chairman*

In Kappa Psi as in everything else—growth introduces complications. As we have grown in numbers we have quite naturally expanded geographically and this expansion together with the changing society in which we live has introduced some heterogeneity into Kappa Psi. This is—in general good—but it is only good so long as we have a solid core of homogeneity. We want and need all types of thinking, all shades of personality, but it is certainly equally true that we must speak a common language.

There are two lexicons from which the Language of Kappa Psi may be learned (1) the Spirit of Kappa Psi which you can read from the lives of your Brothers and (2) the formal Language of Kappa Psi as expressed in the Constitution and the various By-Laws of its Segments.

While these are like all codes—of human origin—and therefore not perfect, we must also remember that they are evolutionary and represent the best thinking of many men over many years. I feel sure that honest compliance with this Constitution and these By-Laws is tantamount to living in the true Spirit of Kappa Psi.

Because of the greater urgency of other matters facing other Officers of Alpha Chapter and because of arrant shiftlessness on the part of the writer—the adoption of By-Laws by Chapters and Provinces—has been on an essentially voluntary basis. Now we feel it is time to solicit your cooperation to the end that every unit of Kappa Psi is operating under approved By-Laws. For the mutual benefit of yourselves and the organization as a whole, will you please determine in the next few months whether your unit has approved By-Laws? If not—using the Model By-Laws in the Constitution as a guide and adapting them to your local conditions—draw up By-Laws and submit them for approval. Send three *copies* of these proposed By-Laws to the Grand Secretary-Treasurer who in turn will funnel them to the Legislative Committee, which in turn, will give them consideration.

It is my earnest wish that at the next Grand Council Convention I can bust the buttons off my vest by announcing that everyone has approved By-Laws.

Report of Official Visitation to Portland Graduate Chapter

Louis Fischer, *First Grand Vice Regent*

On January 28 your Grand Vice Regent had the pleasure of attending and speaking for a few minutes at a formal Kappa Psi initiation held by the Beta Zeta Brothers at the Campbell Court Hotel in Portland, Oregon. A cocktail hour, sponsored by the Portland Graduate Chapter, was held prior to an excellent dinner which began promptly at 7:30 P.M. The Portland Graduate Chapter officers who attended were Regent T. F. Mankertz; Vice Regent James Wilson; Secretary Frank Bracelin; Treasurer Harold McCollister; and Historian L. V. Hendricks. Brothers Mankertz performed nobly in his duties as master of ceremonies. Other official dignitaries present were Third Grand Vice Regent Herman C. Forslund (Beta Zeta) and R. Franklin Hart (Beta Pi), Province VII Secretary, who was in charge of the program. The Beta Zeta Collegiate Chapter members are to be congratulated in having twenty-one of their twenty-four "actives" present. In addition to Brother Forslund, other faculty men attending from the College of Pharmacy, Oregon State College, the home of Beta Zeta Chapter, were Brothers Rob S. McCutcheon, Leo A. Siuchetti, and Daniel P. N. Tsao.

The following Brothers from Beta Zeta composed the degree team: John Rice, Regent; Gene Collins, Vice Regent; Henry Gagnon, Secretary; Ken Frack, Treasurer; and Larry Kohler, Historian. The following were initiated: Frank Kenwood, L. L. Seaton, Jerome G. Smith, and Rolland C. Smith.

Other members present were Marion S. Brooks, John D. Wiles, Ray Gilman, Ned E. Fischer, Vern Kitchel, Mitchell Dalet, R. H. Gustafson, V. H. Haller, M. L. Playfair, Fred Grill, John A. Strand, Clarke Affleck, J. E. Wilson, John V. Krippochne, Fred Mutch, Allan L. Beattie, Lou Schindele, T. E. George, Hal Goodale, Stanley Hartman, Kenneth G. Sims, T. A. Romer, Louis Johnson, Meredith L. Fisher, Dr. A. H. Illge, James Graves, Richard Dowsett, Erwin H. Ide, Frank T. Chan, Dan Haddad, D. R. Kennedy, N. F. Kennedy, Robert E. Ambrose, John Cook, Howard MacMurray, William Sanders, Allan M. Hanson, Lyman Oelrichs, James Swyter, Robert Billson, Larry Huppin, Ray E. Leo, Paul H. Billick, and Hugh Kerwin.

The Beta Zeta and Portland Graduate Chapter are both to be commended for their fine fraternal spirit and good will. These joint meetings held by the two groups in Portland and Corvallis are a great stimulus to both organizations. They do, I am sure, imprint upon the memory of the undergraduates that the keen fellowship of Kappa Psi flourishes even after their college days.

Your Vice Regent is especially grateful to the members of Beta Zeta and the Portland Graduate Chapters in extending their invitation and for their kind hospitality.

Won't You Let Us Know?

The Editor requests that Chapter Secretaries and others submit to him the names and chapter affiliations of Kappa Psi men now known to be serving in the armed forces of the United States. *Be certain of the accuracy of your information.*

Province I Assembly

Henry S. Johnson, *Retiring-Secretary*

Boston, April 9, 1955

A Province I Convention was held on Saturday, April 9, 1955 at the Massachusetts College of Pharmacy, Boston. Representatives of all Collegiate Chapters (Mu, Nu, Beta Delta, and Beta Epsilon) and of the Boston and the Connecticut Graduate Chapters were in attendance. Mu Chapter and the Boston Graduate Chapter were the hosts.

Satrap William E. Hassan, Jr., called the meeting to order at 10:20 A.M., followed by the invocation delivered by the Chaplain of Mu Chapter, Colburn Demro. A welcome to the Massachusetts College of Pharmacy was given by Dean Howard Newton of that school and for Mu Chapter by their Regent, Samuel Koorajian.

Minutes of the last meeting were read by the Secretary, Henry S. Johnson and the Treasurer's Report was given by John W. Schermerhorn. The latter report showed a healthy condition of the Province I treasury. Grand Historian Walter R. Williams brought greetings from the Alpha Chapter and the Editor of *THE MASK*, Maynard W. Quimby, spoke briefly. Vice Satrap Theodore Lemeshka was introduced, as were the following visiting Brothers—Robert Grieb, Connecticut Narcotic Agent; Joseph Moran, Regent of Connecticut Graduate Chapter; Roman Panek, Secretary of Connecticut Graduate Chapter, and Edmund Goodmaster, Chief Inspector for the Connecticut Pharmacy Commission. This was followed by a report of a representative of each Chapter on the activities of the Chapter during the past year. These were given by Samuel Koorajian for Mu; Joseph Samorski for Nu; Lawrence Gibbs for Beta Delta; and Richard Lafond for Beta Epsilon. John Schermerhorn reported for the Boston Graduate Chapter and Raymond Smith for the Connecticut Graduate Chapter.

A delicious luncheon was provided by the host Chapters at the 1200 Beacon Street Hotel, a newly constructed motel and restaurant of modern design. About 50 were in attendance at the meetings and at the luncheon.

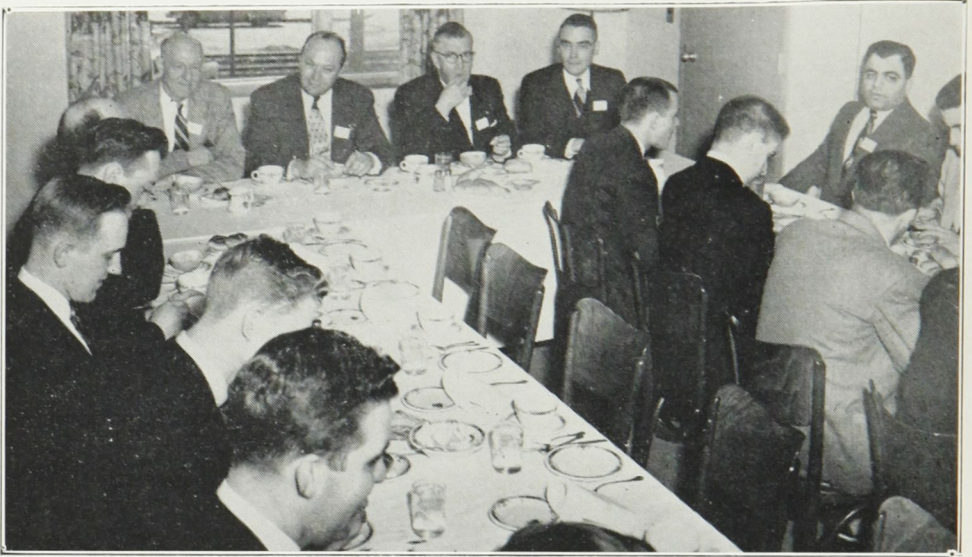

After the luncheon the second session was opened back at the Massachusetts College of Pharmacy with an open discussion pertaining to Province I and the Fraternity. Among the suggestions were (1) that some provision be made for visitation of Province Chapters by the Province officers in the future; (2) that meetings of the Province be held annually; (3) that the next meeting be held in the fall of 1956, rather than in the spring of 1957; and (4) that the Province make a contribution to the Ray S. Kelley Memorial Fund. In accordance with the last suggestion a motion was made and passed that the Province contribute \$100 to this fund.

Reports of the Province officers were made and then elections of new officers were held. The following were elected: Satrap, Theodore Lemeshka of Beta Epsilon Chapter; Vice Satrap, Vincent Coniglio of the Albany Graduate Chapter; Secretary, Kenneth Griswold of the Albany and Connecticut Graduate Chapters; Treasurer, John Schermerhorn of the Boston Graduate Chapter; and Chaplain, John Barberian of the Boston Graduate Chapter. Election of delegates from Province I to the next National Convention in December was then held, with the result that William Lowell of the Boston Graduate Chapter was named the delegate and Henry S. Johnson of the Connecticut Graduate Chapter the alternate.

A report of the Time and Place Committee for the next Province Convention named Providence as the recommended site, with the time to be determined by the local committee and the Executive Committee of the Province. The afternoon meeting was adjourned at 4:25 P.M.

The third and final session was a banquet meeting, held at the Statler Hotel through the

kindness of the local committee and the contributors to their fund. About 75 were at the dinner. Howard W. Hackett of the Boston Graduate Chapter served as toastmaster and introduced Regent Stanley Blanchfield of the Boston Graduate Chapter and Regent Samuel Koorajian of Mu Chapter who gave greetings for their respective groups. Grand Regent Nicholas W. Fenney then gave a talk outlining some of the highlights of his recent trip to visit Chapters in the middle west and telling of the fine spirit he found everywhere and the high regard with which our Fraternity is held at all schools he visited. Grand Historian Walter R. Williams then spoke briefly and was followed by Editor of *THE MASK*, Maynard W. Quimby. Others at the head-table in addition to those named above and the incoming and outgoing officers of the Province were Raymond A. Gosselin, Chairman of the *Ray S. Kelley Memorial Fund*; Wilfred Chagnon of the Boston Graduate Chapter and "Professor" Rocco D'Angelo whose habitat seemed somewhat hazy. He was later introduced and gave a very amusing talk which provided much entertainment, especially when it developed that he had succeeded in fooling everyone present with his impersonation of an Italian professor. He proved to be a wonderful entertainer and ended his appearance with leading the gathering in some Irish songs.

Expressions of appreciation to Satrap Hassan and his committee were given and the meeting adjourned with the sentiment that it was one of the best Province I Assemblies ever held.

Province IV Assembly

Louisville, March 26, 1955

Historian Richard M. Doughty of Province IV reports by letter that an Assembly was held in Louisville, Kentucky, on March 26, 1955. Brother Charles E. Tucker was elected Satrap and Brother Richard D. Monkman was re-elected Secretary-Treasurer. A complete report of this meeting will be included in the next issue of *THE MASK*.

Province Number V Assembly

Karl J. Goldner, *Retiring-Secretary*

Memphis, Tennessee, December 27, 1954

The meeting was called to order at 9:15 A.M. at the Psi Chapter House, 242 South Pauline, by Satrap C. Lee Huyck.

The invocation was given by Brother Goldner.

The roll of the delegates was called and the number of votes determined for each chapter. Those answering roll call were as follows: Rho, Wayne Wagers; Psi, David Cunningham, Jack Bilyeu, Cary Lanier; Beta Rho, Joe Oliver, James Ward; Gamma Gamma, Robert Parker; Gamma Pi, Jerry Smith, Douglas Chachere; Gamma Omicron, Ellis Jeter.

No delegates were present from Beta Chi, Gamma Epsilon, and Gamma Zeta Chapters.

Others present were the Supervising Grand Officer, Glen Sperandio; the Satrap, C. Lee Huyck; the Secretary, Karl Goldner; the Treasurer, pro tem, James Thayer; and guests, Douglas Crotts, W. Howard Hassler, Kenneth Rowe, and William Swafford.

The minutes of the previous meeting were read and approved.

Grand Ritualist Sperandio spoke on plans for making Kappa Psi a stronger organization and promised each chapter an annual visit from one or more grand officers. He urged the delegates to consider having the Grand Council Convention in Province V.

Grand Counselor Thayer spoke on the importance of careful selection of members and of officers.

The following committees were appointed: Nominating: Oliver, chairman; Cunningham, Parker. Time and Place: Goldner, Chairman; Jeter, Smith. Auditing: Cunningham, chairman; Cachere, Parker.

Brother Thayer announced the resignation of Leland McNeill as treasurer. He reported a balance in a Des Moines bank of \$685.87 and a check on hand of \$12.00, making total assets of \$697.87. A motion was made, seconded, and passed that the treasurer's report be accepted.

As a guide for the nominating committee, the delegates discussed the qualifications of eligible men for Province officers.

A report was called for from the delegates as to the activities of their various Chapters. These fell under the headings of social, professional, and scholastic. No details were recorded.

Suggestions for province activities were called for. One was that a time be set aside at the Grand Council Convention for a Province meeting. The consensus was that this, while it had some merits, would not add to the national meeting and that an unofficial, informal, evening meeting would accomplish the same purpose.

It was suggested that the Secretary obtain news items from the Chapters and edit a newsletter at intervals. The consensus was that this would duplicate the efforts of *THE MASK*. The difficulty of obtaining news items from the Chapter Secretaries was pointed out.

It was moved, seconded, and carried that the Province minutes be sent to the Secretaries and Grand Council Deputies of the Chapters in the Province, and to the Secretaries of the other Provinces.

It was moved, seconded, and carried that the Secretary send out forms to the Chapters requesting nominations for Province officers and giving their qualifications. These nominations are to be in the hands of the Secretary one month before the Province Assembly. It was pointed out that this procedure would result in more nominations and would also afford the prospective office-holder an opportunity to decline the nomination, should he not be in a position to accept it.

A recess was called and Psi Chapter entertained at a luncheon in the fraternity house.

Following lunch, the group made a visit to the Pharmacy School and inspected its facilities.

At 1:30 p.m. the group reconvened. It was moved, seconded, and passed that \$100 of the province funds be given to the *Ray S. Kelley Memorial Fund*. There was unanimous agreement as to the invaluable services which Brother Kelley had made to Kappa Psi.

The nominations committee reported and the following officers were elected: Satrap, Louis Nobles of Mississippi; Vice Satrap, R. D. Bienfang of Oklahoma; Secretary, William Swafford of Tennessee; Treasurer, Wayne Wagers of Kansas; Historian, Vernon A. Green of Texas.

The time and place committee suggested that the next Assembly be held during Christmas vacation and set a tentative date on December 28, 1956 and the exact date be set by the executive committee. It was recommended that the Chapters be written requesting invitations for the Assembly not less than 8 months prior to the Assembly. It was moved, seconded, and carried that the committee's report be accepted. The consensus was that a Christmas vacation meeting resulted in poor attendance and that annual meetings would preserve the continuity of the province deliberations. It was moved, seconded, and passed that the meetings should be held annually, so far as finances permitted, on a Saturday during the second or third week in October.

The auditing committee reported that the balance on hand was \$12.00 more than the books showed, and that this was presumably due to interest not having been entered on the books. The report was accepted.

It was announced that the next Grand Council Delegate was to be from Kansas and the alternate from Mississippi. The delegates are to be elected by the members of their own Chapters.

Problems of the various Chapters were brought out, discussed, and suggestions made for their solution.

The problem of the payment of national dues for members who had been suspended for non-payment of dues was discussed. The opinion of the undergraduate delegates was that the present regulation was unjust and placed a financial burden on the chapter. It was moved, seconded, and passed that the Legislative Committee be informed of the sentiment of the members and petitioning for relief.

A panel discussion led by Brothers Lanier and Parker was held on "How the Fraternity can help to improve the scholastic average of its members."

Another discussion was led by Brothers Rowe and Oliver on "The choice of a pledge."

The new Secretary and Treasurer were installed in their offices.

There being no further business the meeting was adjourned with a rising vote of thanks to the past officers and the local committee.

Visitations by the Grand Ritualist

Glen J. Sperandio, *Grand Ritualist*

On February 28, your Grand Ritualist headed north in his car and after a pleasant drive, arrived at Ohio Northern University in Ada, Ohio, where Gamma Delta Chapter is located. He was met by Regent Max Myers and Secretary Tom Young and taken on a tour of the school. A brief visit was had with Dean Smith and Grand Council Deputy Jongeward in the afternoon.

We then went to the Chapter house where a most enjoyable meal was waiting. A new addition to the house was of particular interest and is something that all Kappa Psi men can be proud of. Along the entire side of one wall in the lounge is a large new trophy case, and it is already filled with many different trophies showing achievement in intramural activities. It was gratifying to learn that Gamma Delta Chapter is one of the recognized leaders on campus.

The Chapter meeting later in the evening gave me the opportunity to speak to all of the members and after adjournment, informal visits were held.

Although my visit at Gamma Delta Chapter was a short one, it was most enjoyable and this Chapter should be congratulated upon their fine achievements.

.....

Early Sunday morning, March 27, your Grand Ritualist left his base of operations, drove to Midway Airport in Chicago with some trepidation since we had been having a blizzard for the previous few days. I found that I was scheduled to leave for Minneapolis on a Northwest Airlines huge Stratocruiser and enjoyed one of the smoothest flights I have ever had, arriving there Sunday evening.

The next morning after a visit with Dean Rogers, I was met by Grand Council Deputy DiGangi and shown around the School of Pharmacy and introduced to the members of the staff. In the afternoon we had a meeting with the Brothers of Epsilon Chapter and followed that up with an extensive tour of the campus of the University of Minnesota and the cities of Minneapolis and St. Paul.

A very enjoyable visit at Brother DiGangi's home with his wife and daughters Ellen and Janet completed the evening. I would particularly like to compliment Mrs. DiGangi on her fine cooking.

The following morning I left by plane for Fargo and arrived without incident. In the lounge of the airport I saw three fine looking young men wearing jackets with the familiar scarlet and grey colors and the Kappa Psi insignia. Brothers Jim Rumpca, Jack Southam, and Bob Gion were my welcoming committee and acted as my guides for the duration of the day.

After a tour of the campus and the School of Pharmacy, I was taken to the Chapter house and introduced to a bunch of very fine fellows. Here again, I was most gratified to see that Beta Sigma ranks first of all Greek organizations on the campus both in scholastic and intramural activities. The spirit of Kappa Psi was certainly well evidenced at Beta Sigma Chapter, where incidentally, the Kappa Psi sweetheart song originated.

A regular business meeting with myself, Dean Sudro, Grand Council Deputy C. E. Miller, and Dr. Ralph Banziger, was held, after which an informal visit with various members was made. After a night's sleep, I left the next morning for Lafayette and work.

In all of my visitations, I have been impressed with two things. First, the fine character and personality of all of the members of Kappa Psi and secondly, the spirit of unity and accomplishment which is very prevalent.

Table of Antidotes for Poisons

Responding to an insistent demand on the part of pharmacists for a Table of Antidotes for Poisons to be used as a basis for information in emergencies and to make such a table constantly and readily available in the pharmacies of the United States, the Council of the American Pharmaceutical Association at a meeting held in Washington on February 4, voted to issue a Table of Antidotes for Poisons to be prepared by a special committee (not the Committee on National Formulary) for distribution to all purchasers of the National Formulary X. This table is not to be bound with the pages of the National Formulary, but will be distributed as a separate pamphlet with each copy of the National Formulary X.

Texas Graduate Chapter Installed April 3, 1955

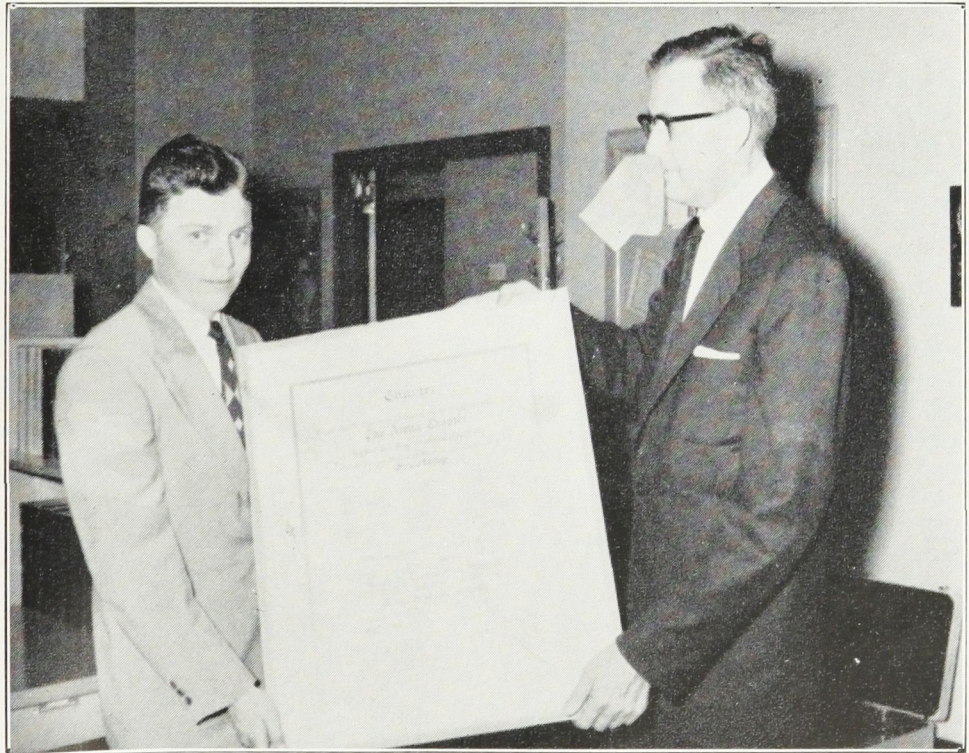

Johnnie Sacaris, *Historian*

Greetings from Austin, Texas. This letter is to report that Dr. Ralph Bienfang, Vice Satrap of Province V, formally installed the Texas Graduate Chapter of Kappa Psi Pharmaceutical Fraternity. This fledgling Chapter, consisting of 35 charter members and 10 members joining since the charter was granted, became an official Chapter of Kappa Psi on April 3, 1955.

Dr. and Mrs. Bienfang arrived in Austin, Texas, the afternoon of April 2 and were honored that evening by the Graduate and Collegiate Brothers with a reception at the Gamma Gamma Chapter house followed by a dance at a local club.

Next morning after a "Texas Style" breakfast for Kappa Psi Brothers and their guests, the members of Kappa Psi assembled in the University of Texas College of Pharmacy Library for the installation ceremonies. Dr. C. C. Albers introduced Vice Satrap Bienfang, who by order of Alpha Chapter presented Regent Gus Steenken with the charter of the Texas Graduate Chapter of Kappa Psi, and installed the duly elected officers. Thus a new Graduate Chapter was born.

In the meeting that followed the installation ceremony, Vice Regent Vykukal presented plans of projects to aid and benefit pharmacy, and a brief look into the future aims of our

Edmund Norris Gathercoal

1874-1954

In a life time of eighty years, Edmund Norris Gathercoal, professor emeritus of pharmacognosy at the University of Illinois College of Pharmacy, demonstrated many capacities. Pharmacist, teacher, researcher, author, administrator, and family man, he gave to each the best of himself. With his death at his home in Pentwater, Michigan, on December 27, 1954, just four days after reaching his eightieth birthday, his life came to an end, but the influences of his teaching and counseling will continue to influence those with whom he came in contact.

Born of English parentage at Sycamore, Illinois, on December 23, 1874, he graduated with special honors in botany and pharmacognosy from the Chicago College of Pharmacy, in 1895. Practicing retail pharmacy as a clerk and later as the owner of a store, his love for teaching caused him to return to his alma mater in the fall of 1907, which by this time had become the School of Pharmacy of the University of Illinois. During the succeeding thirty-four years, he was successively instructor, assistant professor, and professor of pharmacognosy.

He was author or coauthor of fourteen books and fifty-six published articles as well as numerous reports, reviews, and abstracts. A recital of the honors which came to him as the result of his demonstrated abilities, would include: the Ebert Prize, in 1915; the Joseph P. Remington Honor Medal, in 1936; honorary degree of master in pharmacy awarded by the Philadelphia College of Pharmacy and Science, in 1934; election as first vice president of the American Pharmaceutical Association, in 1922; and as president, in 1937.

His family life was deeply satisfying to him except for the loss of his only son in early manhood. His wife, his two daughters and a number of grandchildren survive him. The family maintained a summer home at Pentwater, on the shores of Lake Michigan, which upon his retirement, became the permanent home although, for a number of years, he and Mrs. Gathercoal traveled rather extensively.

Chapter Letters

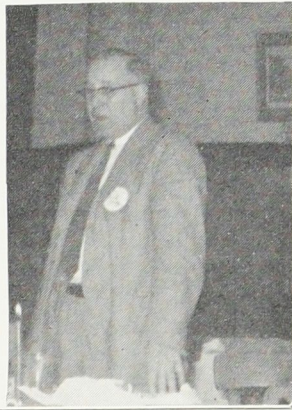

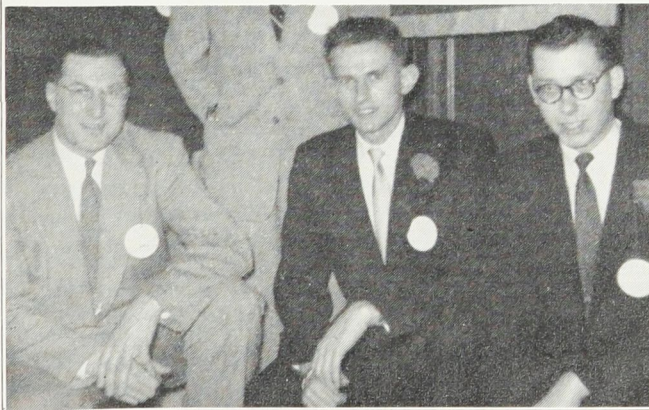

GAMMA—COLUMBIA UNIVERSITY

Greetings once again from Gamma. Since the last newsletter, most of our time has been consumed by our Smoker and subsequent pledge period, with the initiation ceremony as the climax of the busy period.

As was expected, the Smoker was thoroughly enjoyed by members and pledges alike. We were all treated to a very interesting and enlightening talk on cancer, by Dr. Dedisch, the head of the Cancer Research Department of Memorial Hospital, New York. Following the talk, Dr. Dedisch answered many questions which helped to clear up some of

our haziness regarding this disease, especially on the subject of the smoking-cancer relationship. Gracing the entire affair were our dean, Brother Leuallen, and our surprise guest, Brother Leslie C. Jayne, secretary of the New York State Board of Pharmacy. Their talks, both brief and humorous, served to put us in a more relaxed state. All in all, the Jager House meal and the enjoyable talks all made for one great evening. Our thanks to the members of the Graduate Chapter, whose very gracious assistance once more manifested their interest in seeing Kappa Psi move ahead.

On Saturday, February 19, our pledge period came to an end and initiation ceremonies were

SCENES AT GAMMA CHAPTER SMOKER

conducted. This year, Brother Lou Guarneschelli graciously donated the use of his home (and surrounding areas) as the base of operations for the evening. We are very happy to announce that Jerry Donaty and Hank Rybicki survived the evening in fine shape, and we are proud to have them as our Brothers in Kappa Psi. Following the ceremony, we sat down to a real enjoyable, home cooked spaghetti dinner, and (despite the efforts of Brother Marraro to ruin it) filled our by now crying stomachs. I would like to thank Brother Hooke, of the Graduate Chapter, on behalf of all the Collegiate Members, for coming down to the ceremonies, and giving us a hand in making the evening the success that it was.

One of the more recent highlights, however, was the Annual Guest Night, held in conjunction with the Graduate Chapter. After our usual dinner at the New York Athletic Club, who should appear in our midst but Tony Marvin of Arthur Godfrey fame. Mr. Marvin, who came to us through the grace of Frank Musiello, son of the Graduate Chapter Regent, set the boys back on their chairs with some real good ones. Besides the humor, Mr. Marvin gave us some glimpses into his life, and how it is to work with Mr. G. himself. Dean Leuallen of our College, and Professor "Mike" Clay also helped to make the evening more complete.

Our next order of business will be the election of officers for the succeeding year, and the formation of plans for our Spring Social. There will be more, on the outcome of these matters in the next newsletter, so until then I remain,

Fraternally yours,
GERARD O'CONNOR, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

Balmy weather and faint signs of spring have come to the land of sky blue water. The fair weather brings to a close a busy quarter for Kappa Psi.

On February 14, Valentines Day, Kappa Psi entertained the feminine side of the College at a business luncheon. This has been an annual affair at which time the brethren get a chance to know the feminine staff and student members better.

A smoker was held February 21 at the home of Gerry Kock. The beverages were dispensed by Brother McKay who showed promising talents as a future pharmacist. Everyone thoroughly enjoyed a very pleasant evening.

Kappa Phi brethren have just returned from the annual pharmaceutical trip, March 20 to 26. This year visits were made to Abbott Laboratories and Eli Lilly and Company. Everyone agreed this is a wonderful and successful way to spend a spring vacation.

Congratulations go to Karl Hansen, our Secretary, for the new addition to his family. We expect this addition should be a good prospect for Kappa Psi in 1975.

The social calendar for the next few months will include business luncheons every other week, one or more smokers, and our usual initiation near the end of the school term. We will also have some competitive athletic events.

With the coming of spring we close our busy winter quarter with many pleasant memories of both our academic and social relationships with our Brothers of Kappa Psi.

Fraternally yours,
LYLE W. ANDERSON, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

The old adage about "spring fever" slowing a fellow down sure doesn't apply here at Eta Chapter. We have many activities to report so here they are in a sort of chronological order.

Since last summer there have been many improvements on the Fraternity House. A new gas heater and new air duct system give plenty of heat and make the whole house comfortable. The front steps have been rebuilt and are now longer and wider. A completely modern high-fidelity music system supplies the whole house with beautiful music. Since the installation of the new gas heater, the rumpus room has been completely remodeled, increased in size and in beauty by the addition of a new asphalt tile floor. These are the major improvements and along with them, there has been general painting and repair on all the rooms.

At the Province II Assembly, Eta Chapter was well represented by Brothers Dick Hoover, Joe Loehle, Lou Schuessler, Nick Varga, Joe Hricinak, Pete Kalibat, and John Bergen. During the morning session, the representatives of Eta and Beta Omega Chapters had a fine discussion of the topic "The Pledge Program, Its Importance In The Development of a Strong Chapter." Of special interest to the Brothers of Eta Chapter was the election of former Regent James B. Leedy as Satrap of Province II and the election of Nicholas Varga as Alternate Delegate to the National Grand Council Convention.

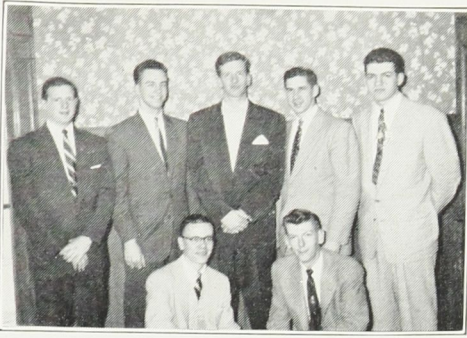

The big social event of the fall semester was the "Hernando's Hideaway," theme of a party at the Fraternity House after an enjoyable evening of hopping, skipping, and jumping to the tune of a barn dance at the College.

On January 8, 1955, the Winter Formal was held at the beautiful Riverton Country Club in New Jersey. Dancing in the best of fashion and the new innovation of a "cocktail hour" were enjoyed by all the Brothers and their sweethearts. The Eta Chapter alumni who attended were: James Leedy, Girard Paolini, Edward Arnista, Charles Beidler, Robert Moyer, Vincent DePaul, and Darwin Franceschi.

During the week of January 29 to February 4, all thoughts of studies were banished from the minds of the Brothers who made the annual Senior Class Trip to the Nation's Capitol, Eli Lilly and Co., and the Upjohn Co. The trip was concerned with visits to these various plants and an observance of the meticulous care that goes into the manufacture of the drugs. The Brothers who made the trip were: Bill Weidenhammer, Bill LaMon, Len Schlegel, Vince Motsavage, Joe Loehle, Homer Hupf, Al St. George, Chuck Cavalier, Lou Sannino, Bernie Malinowski, and Skip Rhodes. They agreed unanimously that every lower-classman should take this trip in their senior year.

A meeting was held on February 7, for the purpose of electing new officers for the year 1955-1956. We are very much pleased with the results and offer our best wishes to the new officers. They are: W. Louis Schuessler, Regent; Eugene Gavrish, Vice Regent; John Bergen, Recording Secretary; Rea Outman, Corresponding Secretary; Thomas Frontz, Treasurer; Gerald Polli, Chaplain; and Joseph Avellino, Historian.

The highlight of the Spring Semester is always the Rushing and Pledging. The pledge committee headed by Brother Jerry Polli did an excellent job

in securing the best material available for membership in Kappa Psi.

The rush season consisted of two slam-bang smokers, the second of which featured the popular comedian, Ken Barry; and also a Christmas dinner which was attended by the Brothers and the recipients of bids. The pledges did a wonderful job this year and we are proud of them. The pledge trips were to exotic places such as the woods near DuBois, Pa., the scenic grandeur of New York

State, and also Niagara Falls (from the Canadian side). Formal initiation was held on February 28 and those inducted were Edward Brennan, John Brick, John Hinkle, John Hughes, Ronald Kovac, Joseph Maher, Charles Mousseau, Charles Obeid, Gerald Oswald, Edward Pawling, Robert Pease, and Stanley Prosser. Congratulations, men, on your entrance into Kappa Psi. Other business at this meeting consisted of installation of officers and the induction into Kappa Psi as a faculty member, of Dr. Arthur Osol, professor of chemistry at the College.

Alpha Tau Chapter of Rho Chi National Honorary Pharmaceutical Society held its annual initiation banquet on March 2 at P.C.P.&S. Those of Eta Chapter who received invitations to join were Brothers John Bergen, Gerald Polli, and Joseph Avellino. Also attending were Brothers Motsavage, Prof. Welch, Prof. Parsons, Dr. Griffith, Dr. Osol, and alumnus Brother Joseph Desiderio. In an effort to help the Brothers scholastically, we plan to convert the Chapter Room into a library complete with all the official books and plenty of space conducive to good studying. Also, a fraternity tutoring group will help those students who are not doing very well. As you can easily see, the trend of Eta Chapter is to place more emphasis on study.

This year's Alumni Banquet is planned for April 20 at the Penn-Sherwood Hotel, and Rea Outman, our hard working chairman, has planned an enjoyable evening. The dinner will be climaxed with a very interesting tale by the greatest of story-tellers, our own Dr. Ivor Griffith, president and dean of P.C.P.&S. and alumnus of Kappa Psi. Following the dinner, the meeting will adjourn en masse to the Fraternity House for an interesting evening of sharing old memories. The woman's touch will be added in the form of Shirley Stonesifer, this year's Sweetheart of Kappa Psi, who will make the drawing for our annual raffle.

The last and most spectacular social event of the year, the Spring Formal Dinner-Dance, will be held April 23 at the exquisite White Manor Country Club.

Well, we have just about run out of ink, so in closing, we of Eta Chapter would like to wish all the Brothers of Kappa Psi the best of luck in the coming third-quarter exams. So, until the next issue of THE MASK, I remain fraternally yours,

JOSEPH AVELLINO, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

On January 22, Theta held its annual formal dance in honor of its thirty-three new members. A banquet which preceded the dance was presided over by Regent McManus as toastmaster. The new members were welcomed at this time by Dr. Milton Neuroth, and an "award" was made to the grossest "goat" by the pledgemasters, Brothers Brown and Poole.

The following is a list of our new Brothers in Kappa Psi: Charles Dwight Baily, Stephen Charles Barnard, George Horace Barr, Jr., James Ronald Beaver, Frank Warren Bennett, John Lee Butler, Hugh Leon Clark, John David Cowley, Samuel Wilson Crickenberger, George Edward Diggs, Linwood Irby Fraher, Jr., Claude Maurice Fulton, Jr., Richard Meade Geohegan, Jerry Allen Goldman, Robert Owen Hillman, Walter Reese Jones, Earl Alton Kite, Jr., Charles Alexander Low-

From February 28 to March 5, the members of the Senior Class of the Medical College of Virginia, were invited to be the guests of Eli Lilly and Company and of Abbott Laboratories. While on this trip they were able to meet and talk with Brothers from Beta Pi Chapter of Washington State College, who were with a similar group. It was indeed an enjoyable experience for all concerned.

In the personal column we note the engagement of Brother Charles A. Brown to Miss Teenie Moore. Congratulations to these fine folks.

We all are looking forward to the visit of Brother Eby to our Chapter in the very near future. It will be a great experience to meet and welcome him to our Chapter House in Richmond.

Since, by the time our next newsletter is published Theta will have elected a new set of officers, we would like to express our sincerest appreciation to the outgoing leaders of the Chapter: to Brother Basil McManus who led Theta through what we believe to its best year; to Brother Larry Goldman who served as Vice Regent; to Brother David Hopewell, our Secretary; to Brother Luke Stevens who served as Chaplain; and to Brother Bob Robinson, our able Treasurer. We give our thanks for a job well done.

Since this possibly will be my last newsletter as Historian of Theta Chapter, I should like to say how grateful I am to have been given the opportunity to do my part in strengthening the fraternal bonds within Kappa Psi through the medium of THE MASK.

MU—MASSACHUSETTS COLLEGE OF PHARMACY

Greetings to all Brothers of Kappa Psi. Since the turn of the new year, Mu Chapter members have been quite busy with the numerous activities which have been taking place.

Ackil, Brockton; Richard Bazarian, Jr., Watertown; Charles A. Branagan, Jr., Plymouth; Leeds M. Carluccio, Leominster; William J. Clary, Pittsfield; Joseph H. Derderian, Fitchburg; William A. Roia, Jr., New Bedford; Armen H. Sarkisian, Peabody;

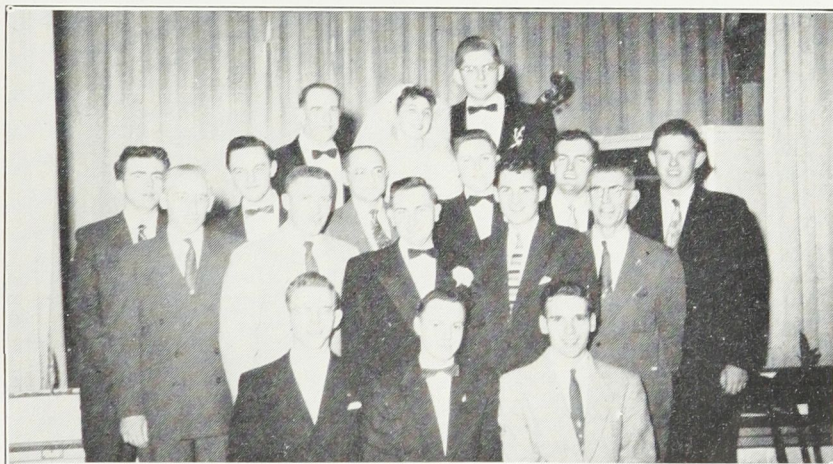

Lee P. Tibbitts, Leicester; James P. Wallent, Brockton; and Donald H. Williams, Holbrook. Congratulations, Brothers, and may you always be proud of being a member of Kappa Psi Pharmaceutical Fraternity.

Initiation Sidelights: The pre-initiation period consisted of 2 weeks again this year: the first week being an instruction period while the final week was the traditional hazing period. The Chapter has been commended on numerous occasions for the orderly conduct of its members during the initiation period. The pledges were very instrumental in our aim to change "Hell Week" into "Help Week." Their pictures appeared in local newspapers for work they did in local hospitals during their initiation period. They were also of help around the College.

Following the initiation ceremony, Brothers Gordie Burr and Gary Murray, co-chairmen of the House Fund, distributed chance booklets for the raffle of a Polaroid Land Camera to be held on the 5th of April. Thus far, chances have been selling very well and it appears that this should prove a very profitable venture for the House Fund.

On the 8th of March, the Chapter met at the school and discussed the coming Province I Assembly to be held in Boston on April 9. The election of delegates and their alternates took place at the meeting. Those elected were:

Seniors: Sam Koorejian, John Richards, Bruce Barnum, and Colburn Demro, as Delegates; and George Connolly, as Alternate. Juniors: Carl Zeytoonian, Stephen Karoghlianian, and Al Laccabucci as Delegates; and Robert Chandler as Alternate. Sophomores: George Marc-Aurele and Richard Hughes as Delegates; Merle Sheets as Alternate.

Front row: Colburn C. Demro, George H. Connolly, and Richard Marcolini.

Second row: Maynard W. Quimby, Harvey S. Donnelly, Richard P. Berry, Robert A. Joyal, and Lucien Brunelle, uncle of the bride.

Third row: William F. Bousquet, Gordon W. Burr, Emilien R. Robillard, Robert K. Berry, Bruce Barnum, and Andrew E. Granston.

Fourth row: Paul H. Brunelle, father of the bride, the bride, the groom, William C. Birch.

Freshmen: Kenneth Perkins and Richard Metcalfe as Delegates; James Gagnon as Alternate.

I sincerely hope to meet many of you Brothers in Province I as well as our alumni at the convention. It should be a wonderful gathering for all.

The second edition of *The Newsletter* has just been distributed. Brother Burr and his staff are to be commended for their fine work in putting out this paper.

Mu Chapter held its annual Smoker-Banquet on Saturday evening, March 12 at the Hotel Kenmore with a large representation from both the Collegiate Chapter and the Boston Graduate Chapter present. Chaplain Colburn Demro opened the meeting by asking that the Brothers pause for a moment of silence in memory of the late Grand Secretary-Treasurer Ray S. Kelley who passed away just a year ago after having attended the last Smoker-Banquet.

Brother Allan Barnum, district sales manager for Sharp and Dohme and father of Bruce, served as toastmaster for the evening and did a splendid job. He first introduced Dean Newton who praised the work being done by Kappa Psi at M. C. P. The Dean proceeded to award the following scholarships: *The Mu Chapter Senior Award* to Edward J. Feroli; the *Boston Graduate Chapter Award* to Richard Hughes; and the *Douglas Wilson Memorial Scholarship* to John Richards. *The Edmund J. Berube Memorial Scholarship* was presented to Gary Murray by Brother Ray Gosselin.

Brother William Hassan, Satrap of Province I, presented plaques to Regent Samuel Koorejian and Secretary John Richards on behalf of the Chapter in recognition of their work during the past year.

We were very proud to have as our special guest, Grand Regent Nicholas W. Fenney who delivered a very interesting and inspirational speech. Following the program, the Grand Regent held a meeting with the Chapter officers. He appeared very pleased with the spirit which exists in the Chapter, and he praised the work being done in the Chapter as well as the guidance by our Grand Council Deputy, Dr. Maynard W. Quimby. We appreciate very much your presence at this meeting, Grand Regent Fenney, and we hope you will be able to attend future Mu Chapter gatherings.

The evening was climaxed by entertainment consisting of a professional pickpocket and an impersonator. The evening was an enjoyable one for all.

It was wonderful to see such a large delegation of alumni present at the gathering. We hope to see you at future Kappa Psi functions. Other head table guests besides those making speeches or presentations were: Dr. Quimby, Dr. John Schermerhorn, Secretary of the Boston Graduate Chapter; Regent Koorejian, Secretary Richards, Chaplain Demro, Walter MacEachern, and Saul Davidson, President and Chancellor respectively of the other fraternities in the school.

Sincere congratulations to Brother Bill Birch on his recent wedding to Marie Lou Brunelle in Lowell on March 20. Brothers Dick and Bob Berry served as ushers. A large delegation of Kappa Psi Brothers attended.

This seems to take care of all the news at M.C.P. for the time-being. Since this is my last letter to *THE MASK*, I want to say that it has been a wonderful experience and a great pleasure for me to write this column which is read by all our Kappa Psi Brothers. I hope that my successor enjoys this task as much as I have during the past

year. I also wish to thank the Brothers who have furnished me with information for these letters.

God bless you all, and may you all have a successful career in the profession of pharmacy.

Faternally,

NU—UNIVERSITY OF CONNECTICUT

Nu Chapter has spectacular news to announce. Next semester, Nu will take up new lodgings in a fine newly-built fraternity house. Thanks to the fine aid from Brothers Dean Hewitt, Grand Regent Fenney, and members of the Graduate Chapter, the University has announced that Nu Chapter will move into the house in September. (And, although this is of little consequence, it is close to the Women's Dormitories.) In September, we extend an invitation to all Chapters and Brothers to come and visit with us. Anytime will be the time to see us, anytime the time to join with us in a cordial "get-together."

Nu Chapter also announces that the printings of the "Drinking Song" and "Shield Song" of Kappa Psi have been received. For several years these songs have been an integral part of our functions and singing. They were written by Brother Harry Vaughan of the Class of '54. We feel that they are worthy of note as official songs of the Fraternity. In fact, at the Chicago Convention in 1955 we will offer them to the whole fraternity.

The "Drinking Song" is a fast moving fraternity song which carries with it all the spirit that enters into the life of a fraternity.

The "Shield Song" is a beautiful, well-written piece of music which can be effectively sung at all serenades. It has a slower pace than the "Drinking Song" and can easily be improvised in parts for contrast. The ending carries a regal tone, a fine ending to a good song.

Copies have been or will be sent to all active Collegiate Chapters. If orders are wished without sending an order blank, send a note to—Secretary of Kappa Psi, University of Connecticut, Storrs, Connecticut. A deal is offered also: over six copies—\$.50 per copy; fifteen and over—\$.45 per copy; and if less than six are wanted they will be \$.60 a copy. We shall be pleased to hear from all the Chapters concerning the songs. Perhaps, if pledges were encouraged to purchase copies, much more interest would be initiated. We shall appreciate any and all comments on this matter.

There are fourteen men who make up the new-member roster. They are Sophomores: Walter Galazka, Robert Froleiks, Zigmund Karkowski, Peter Skonieczny, Burr Hamilton, and Donald Ceccorulli. The Freshmen include: Herbert Diener, James Spencer, Roger Wilson, Robert Williams, Warren McKnight, Robert Heller, Richard Luchor, and Ronald Ruoss.

New officers have been elected and the following made up the new slate: Joseph Samborski—Regent; William Burns—Vice Regent; Arnold Ziem—Secretary; A. Richard Zito—Treasurer; Thomas Tephly—Historian; and Joseph Cannarella—Chaplain.

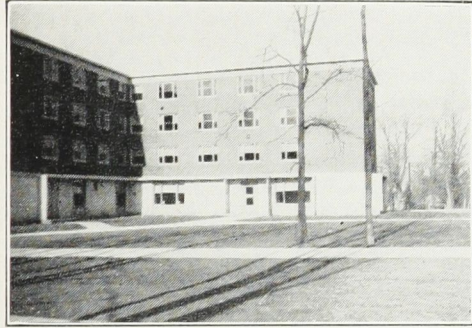

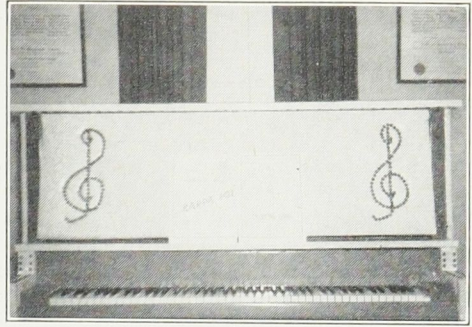

Plans are underway for our annual Spring Formal. A Paris theme will envelope the dancers, and dancing will be to the *Al Gentile Quintet*. It is being held on April 29 at the Stanley Golf Club. Invitations are extended to all Chapters.

Right: New Officers—Left to Right. Thomas Tephly, Historian; Arnold Ziem, Secretary; Joseph Samborski, Regent; William Burns, Vice Regent; A. Richard Zito, Treasurer, and Joseph Cannarella, Chaplain.

Galasyn to Miss Jean Jurewicz. Wedding Bells: For Richard Shellman and Miss Dolores Ducotey, and Richard Goodusky and Miss Nina J. Bagley. Married: George Karanian to Miss Lorraine Kelley, Donald Lack to Miss Nancy Bowers.

To all of them we wish happiness and congratulations for a pleasant and successful future.

And to Brother Wallace Leete who is slightly baffled we offer our best wishes. He doesn't know whether to expect a girl or boy. The stakes are running high at Nu and it could go either way. Frankly, I think the new baby will wind up with all the stakes anyway.

Thus, the news of Nu Chapter is now old news. And until the next issue, I remain,

Fraternally yours,
THOMAS TEPHLY, *Historian*

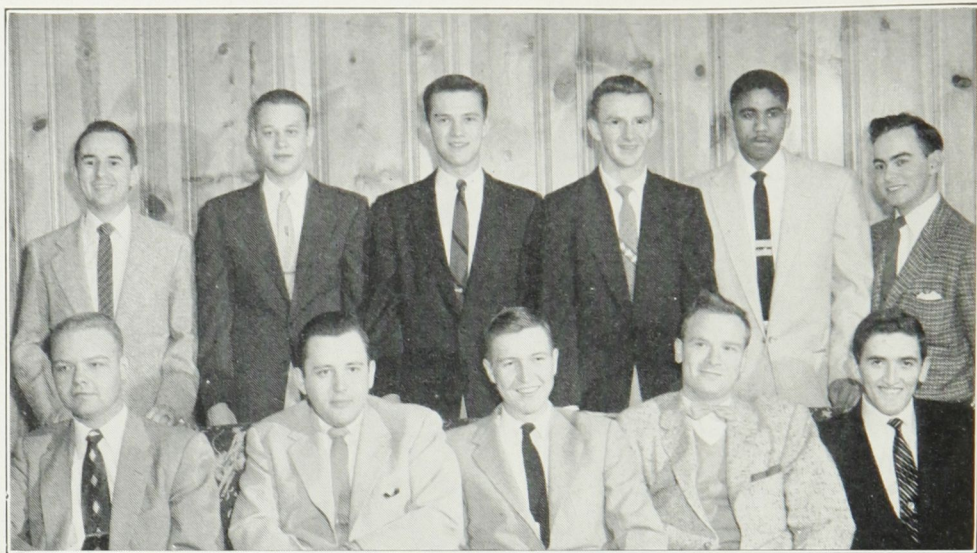

PI—PURDUE UNIVERSITY

Pi Chapter has embarked on an interesting and active year under the direction of its new officers. The installation of officers was held on February 8 and the following men were installed: Regent, Mark Varnau; Vice Regent, Darvin Strader; Secretary, Kirk Higman; Treasurer, Charles James; Chaplain, Jim Potts; and Historian, John Martin.

Dr. Glen Sperandio was unanimously re-elected as faculty advisor. In addition to this local position he is Grand Ritualist in the national organization.

The Chapter is planning an All-Kappa Psi Dance as a highlight to the spring social season. March 18 was selected as the date and all Kappa Psi affiliates were extended a cordial invitation.

The Pledge Committee, under the direction of Dick Kouns, organized the usual series of smokers and informal card parties to acquaint the new men with the chapter. The resulting selection of pledges

Fry, Chicago, Ill.; Arvin Finkleman, Chicago, Ill.; Bill J. Munden, Seymour, Ind.; John W. Gomes, Springfield, Ill.; James W. Caldwell, New Castle, Ind.; Lewis Segall, Indianapolis, Ind.; Robert L. Anderson, Indianapolis, Ind.; James H. Southall, Bowling Green, Ky.; Dewey Lynn Souers, Columbia City, Ind.; Pedro Penzini, Caracas, Venezuela; Kesler Teter, Auburn, Ind.; and Estell F. The new pledge class has accepted as a project assisting in the relocation of the pharmacognosy department to the newly remodeled Pierce Conservatory. Dr. Egil Ramstad, a Kappa Psi Brother, is in charge of the Pharmacognosy Department, and is presently conducting research on the cardiac glycosides.

Pledge initiation is scheduled for the middle of April and we will be happy to accept these men as Brothers in Kappa Psi.

RHO—UNIVERSITY OF KANSAS

We are now well along in the second semester and are in the midst of mid-semester. The semester has progressed rapidly as has Rho Chapter in planning the activities for the coming spring. We have just finished pledging a fine pledge class and feel that these boys will become fine additions to Kappa Psi.

We have elected new officers for the coming year. They are: Henry Wittenberg, Regent; Pat Alkire, Vice Regent; Allan Asher, Secretary; Bob

Tebow, Treasurer; Art McDanel, Historian; and Samuel R. Wagner, Chaplain.

We have several activities coming up for the following spring. Our Spring Formal is coming up in May and also our annual dance after the Pharmacy School banquet. We will be having the spring initiation for the new pledges sometime in the near future.

Also coming up the week after spring vacation is a party for our faculty advisor, Dr. Ray Hopponen. This is in honor of his recently announced engagement and future wedding.

Spring vacation will soon be here even though it doesn't seem like spring with the snow on the ground.

Fraternally yours,

UPSILON—UNIVERSITY OF KENTUCKY

The principal topic of interest around these parts lately has been the recent initiation which was completed last Wednesday March 2. Fourteen boys were formally initiated at the Seelbach Hotel last Wednesday night. This has been one of the most successful and well carried out pledging and initiation operations that we have ever had. Pledge Master Gene Gordon and his associates did a commendable job in handling all phases of the pledging and the initiation. The informal initiation, held on February 25, really went off with a bang. That was the first time that my car had been washed since cold weather started last fall. The pledges got some valuable experience in car washing, which is always useful in the pharmaceutical business. The pledges also got some much desired experience in handling ice, eggs, and other perishable materials. Experience like this is always hard to find in a drug store. Another thing I want to mention is that the "actives" who went out with

the pledges that night were very considerate in deciding which side of the road to let the pledges out on. Had they chosen the other side, some of the pledges might have gotten wet feet trodding along on the banks of the beautiful flooding Ohio. Pledges initiated were: Bob Barnett, Bob Brown, Jim Buchanan, Don Boone, Gary Elam, Pat Ely, Wm. Gregory, Adrien Ligon, Bob McCormick, John McMeans, Jerry Morris, John Nieman, George Patterson, and Clay Sledge. We are glad to have these fellows and want to congratulate them on their acceptance into our Fraternity.

Plans are now being made for the Province 4 Assembly which is to be held here in Louisville on March 26. We at U of K are proud to be able to have the convention here this year and we are looking forward to a successful one. This will give us an opportunity to meet some of our Brothers from other Chapters and to discuss Fraternity activities with them. The convention will run all day the 26th and will end with a banquet that evening at the Seelbach Hotel.

Also plans are now being made for the annual Kappa Psi Spring Formal. This year the big event will be held in the Oak Room of the Seelbach. It falls on May 20 which is well before the start of exams for the Sophomores and Juniors and after the senior finals are over, so there should not be anything to stand in the way of a very successful dance. Going back to the pledges; they held a party at the Log Cabin on February 16 and besides having a good turnout, everyone had a good time.

Late Note: This morning we were privileged to have the 2nd Grand Vice Regent, Dr. M. L. Neuroth with us at our regular meeting. Dr. Neuroth is touring several of the Chapters in this area this week. After the meeting, he and our Regent, Gilbert Hopkins, and Mr. Doughty our faculty advisor talked over some matters pertaining to the operation of the Fraternity.

Well, this is my last crack at writing this little letter and I wish my successor much more success as a scribe than I think I have had. So, from now until we meet again, this is the end.

Fraternally yours,
BILL SUTHERLAND, *Historian*

CHI—UNIVERSITY OF ILLINOIS

Spring is drawing near and signs of life are appearing at our Chapter House. Within the last month the members of Chi Chapter have become very active. Ron Miller and his committee have been working hard in preparation for the next National Grand Council Convention of Kappa Psi, which is to be held here in Chicago at the Edgewater Beach Hotel, from December 27 thru December 29 of this year. Having started our convention planning well over one year in advance we expect to have the biggest and best convention ever held by our Fraternity. We at Chi hope that we will have a large turnout for the convention so that we can show our Brothers from all over the country our Illinois hospitality.

The Edgewater Beach Hotel was chosen as the site of our convention for many reasons. We investigated more than twenty-five of Chicago's better hotels and then made our choice. The Edgewater is one of the city's largest hotels, it has more than one thousand guest rooms. It is located in the best section of Chicago, on the north lake shore. Its accommodations are excellent and it is readily accessible to all parts of the city. The hotel is located away from the city traffic and congestion, but

is only fifteen minutes away from the Loop. Our convention will be the only one that is being held in the hotel at that date and we will have free run of the entire place. There will be five ballrooms available to us and there are six cocktail lounges where you will be able to sit down and meet each other. Chicago has long been known as the convention capital of the country and this hotel handles more conventions than any other hotel in the city. We feel that we are in good hands and that our convention will be a success.

With all of the work of the convention going on here, Chi chapter has been very active here on our campus. We took second prize in the activities group at the Campus Carnival which was held two weeks ago. Our prize-winning entry was a movie, titled "For Whom the Pills Roll." The star of the movie was Brother Dony, he portrayed the part of an apprentice pharmacist. He did a very fine job. We also wish to thank Brother Dick Elsner and the other members of the social committee which made our activity the success that it was.

Under the directorship of Brother Ed Raftery the Interfraternity Council held a dance on the 4th of March. The interfraternity Council is the group made up of representatives of all the pharmacy fraternities and of the one sorority here on the campus. After the dance the members of Phi Delta Chi, Delta Kappa Sigma, and Lambda Kappa Sigma were invited to the Chapter House for a party. This was a big success and a good time was had by one and all.

We at Chi Chapter want to thank our Brothers from California for stopping in on us while they were in Chicago. As for our Brothers from Chapel Hill, I hope that they were as tired as I was the morning after. Our Chapter always has the welcome mat out for any of our Brothers, and we hope that they will stop in and see us if they are passing through. We all hope to have a large turnout for the '55 convention, so until we see you in the Windy City, good bye.

Fraternally yours,
OTTO C. HORACEK, *Historian*

PSI—UNIVERSITY OF TENNESSEE

Taking time out from final exams, I have the utmost pleasure in informing our Brothers of some of the activities around 242 S. Pauline.

First let me brief you on the newly elected officers for this year. They are as follows: Regent—David L. Cunningham; Vice Regent—James L. Maxwell; Secretary—Richard C. Dougherty; Historian—Charles W. Moore III; Treasurer—John G. Karnes; and Chaplain—James E. Gillenwaters.

Rushing season is just over and I'll have to admit that it turned out very well. We now have twenty-one members and nineteen pledges.

During the Christmas holidays, Psi Chapter was very glad to play host to all of the Chapter representatives from the various Chapters of Province V. The meeting was held December 27, 1954 at the fraternity house. We enjoyed the fellowship of our Brothers and hope that we may see you again soon.

This is the first year for a competition scholarship trophy to be presented to the Fraternity with the scholastic average highest among the pharmacy fraternities. Psi Chapter is very proud to be the holder of the trophy at the present time.

This is the first year that a scholarship award of tuition for the Junior year has been presented. It is being presented each year in memory of the late Dean R. L. Crowe. This year it was received by a member of the Psi Chapter.

The doors of our house are always open to members of all Chapters, and in closing, I would like to wish every Brother good luck in the coming school months.

Fraternally yours,
CHARLES W. MOORE, III, *Historian*

OMEGA—RUTGERS UNIVERSITY

As this is being written the second semester is fairly well entrenched here at Rutgers Pharmacy, and the seniors among us are slithering along towards that scintillating horizon—now so near—when their four year task will have been completed.

It is necessary to go back to December 19 to pick up the events that have occurred since the last news-letter. This date served as the occasion of Omega's annual dinner dance. The affair was held at the Hotel Douglas in Newark in beautiful and unique surroundings.

A luscious turkey dinner was consumed, and the mellow and equable strains of George Comerci's "all grand" orchestra provided the background for exhibitions of the dancing art. Herb Windheuser tripped to the tango. Marty Daffner was especially baroque in his movements in response to Caravan. We were glad to see Graduate Brothers Lenny Riedinger and Cosmo DiFazio in attendance.

The evening closed out with group singing of Christmas carols. A notable highlight of the affair was Angie Bellino's soul-searching rendition of "Rudolph the Red Nose Reindeer" (the phrasing was exquisite).

Our pledging period extended over a two month period this year, covering December and January

with the Christmas holidays in between. This was as usual a very exciting time for the Brothers and the pledges. Vast savings in monetary pieces were accomplished by the Brothers, as our indomitable pledges were equipped with delightfully decorated cigar boxes, brimming over with multifarious goodies and brands of cigarettes. Kappa Psi pledges could easily be denoted due to their red ties and incidently their polished shoes and neat grooming.

Amid the general hazing and testing of the staunchness of prospective Brothers there were also more serious aspects. Assignments were geared to enable the pledges to become better acquainted with Kappa Psi, its principles and purposes. A new innovation this year was the establishment of a "help week" with the pledges devoting parts of their vacation period to assisting in hospitals in our area.

A hectic—never to be forgotten—initiation of pledges along with the giving of the first degree took place on January 26 after the stress of exams had passed.

The second and third degrees were administered on February 16. Those who succeeded in overcoming all the obstacles of the pledging period and who now proudly take their places as full-fledged Brothers are: Alfred Aimone, Marshall Pesciotta, Joseph Micale, Donald Longenberger, Joseph Jasaitis, James Flynn, Steve Baron, and Joseph Kochbarski.

With the start of the second semester Omega's interest in the field of sport was centered on basketball as interfraternity league play began. Acting as co-captains of the basketball enterprise are Angie Bellino and Ken Van Dwyne. Despite the most

heinous breaks as regards scheduling of contests, our squad swept to the championship of our league. The team, which is developing into a more synchronously functioning unit with each game, will now play the winners of the competitions held in other schools of the university.

Among our multitudinity of able performers are such galliard stalwarts as Joe Bena, John Lombardo, Marshall Pesciotta, Ken Van Duyne, and Fred Schiattarella.

A word about future events. A trip of the Brothers and dates to New York is being planned for May 6 with "Teahouse of The August Moon" as our destination. Our Annual Initiation Dinner along with the installation of new officers is to take place on May 1. Summer activities are already being formulated with Sal Vitale and Warren Madison starting on the job of getting everything organized for Surf Club endeavors.

As this is our last effort as Historian, we wish to thank all those who have made preparation of these letters easier (especially Herb Windheuser and Marty Daffner who served as chief fact sources and checkers). Also, we wish to thank Bob Calvo for his excellent photography work. We were especially privileged in being able to chronicle what has been Omega's most successful and active year. This has been due to the earnest labors of our officers and committee heads, backed by the enthusiastic support of all the Brothers.

Good luck to the next Historian and best wishes to Kappa Psi men everywhere!

GEORGE LORDI, *Historian*

BETA GAMMA—UNIVERSITY OF CALIFORNIA

Greetings to all Brothers of Kappa Psi. As is probably the case with most Chapters, Beta Gamma has really been busy since the start of the year, so there is a lot of news to report.

Our chief activity thus far has been an effort on the part of all members to redecorate the house. This recently completed work includes painting of the main floor rooms, construction of storage space, and conversion of an unused room into a really great party room. The effort of the Brothers has been tremendous, and is a reflection of the upswing of spirit currently running rampant in the Chapter. Not the least of the contributing factors to our enthusiasm was the work done by the outgoing officers under ex-Regent Don Behler, and that now being carried out by our new officers, Gordy Arnold, Jim Belka, Elliott Longacre, Bob Masse, Bill Burk, John Prioli, Jim Gates, and Dick Stanhope.

With the usual confusion of registration well in the past, we have settled down to plans for a very active year, including some fine social activities. Getting off to a flying start was the formal initiation held at "The Chukker," at which time the presentation of pins welcomed in a fine new class of "actives," Rob Lee, Sherman Don, Al Addison, Harry Kawagoe, Bill Burk, Jim Gates, Ron Kelley, Tony Vierra, Travis Goldsworth, Frank Doi, Phil Newman, and Dick Fox. Our second event was an exchange with the Dental Hygienists. A good time was again had by all, and, maybe more important, a lot of potential date material was lined up. Kappa Psi parties have justifiably earned the reputation of being among the best social functions on campus, and it looks like this year's parties will not be an exception.

NEWLY ELECTED OFFICERS OF BETA GAMMA CHAPTER

Front: John Prioli, Elliot Longacre, Dick Stanhope, and Jim Gates.

Back: Bob Masse, Jim Belka, Gordy Arnold, and Bill Burk.

However, all is not play at Beta Gamma. Just recently our Brothers have been playing an important part in one of the big events of the year in San Francisco—the dedication of the twenty-one million dollar University of California Hospital and Medical Sciences Buildings. Ushering the governor and other bigwigs through the structures were "Cal Club" members Bob Owen and John Sarboraria. A fine turnout of other Brothers helped with the Open House concurrently held by the College of Pharmacy in its new quarters. We are proud to be connected with what is considered to be one of the finest medical institutions in the nation. We cordially invite all Kappa Psi Brothers to visit us at 198 Judah Street, San Francisco, if you happen to be in town. We would be more than happy to show you around.

As so often happens to young men, even pharmacists, the call to duty has beckoned, and we find many former Beta Gamma men coining the shekles of Uncle Sam. Ed Kerns, Larry Frisone, Don Johnson, Bob Galli, Merle Bartel, and Bob Young are just a few of these. Carry on the good work, men!

With elections approaching soon at the College, Beta Gamma is out to reap its usual harvest of important offices. Don Girard is a powerful candidate for Student Body president, as is Bob Owen for Senior Class president. Dick Stanhope stands unopposed for A.Ph.A. president, and has been chosen by the student body as one of two fellows from school to represent us at the A.Ph.A. convention in Miami this May. It is also gratifying to see the interest shown by Beta Gamma men at the regular A.Ph.A. meetings and it looks like we may play a prominent part in future activities therein.

The love bug has bitten again! Merle Bartel was married in February and Ken Lester and Jim Dutra have both announced their engagements with their weddings to occur sometime later this year.

No more to report from the western front at this time, but we'll be writing again soon. On behalf of the Chapter members, I wish all Brothers of Kappa

Psi continued prosperity throughout the remainder of the year.

Fraternally yours,
Dick Stanhope, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

As Spring draws near, we are looking forward to the annual formal dance, the picnic, and the banquet. The Kappa Psi Formal Dance is to be held on March 11, at the Aurania Club. This year they are furnishing us with our own bar. Of course, there will be parties before and after the dance so that the actual time spent dancing should be held to a minimum. The committees chosen for this dance are Brothers Burns and Martin on the favors, Schoonmaker on the band and Frank Aprilano is the chairman.

Currently we are pledging twenty-two new members to Beta Delta Chapter. They are: Allen Brown, Wayne Eaton, Ed. Lenz, Ken Klippel, George Barnard, Daniel Barnes, James Bollinger, Dominic Cesta, Joseph Chiarella, Ronald Farney, Louis Fortin, Rocco Giruzzi, Frank Hempstead, John McCarthy, Ed Moulton, Fred O'Toole, Dexter Spaulding, Lynn Stote, Michael Sube, Harold Veeder, and Richard Wilson. These pledges are in the process of cleaning and polishing the school to keep them busy during the two week pledge period. On Tuesday, March 8, they will be subjected to trial and sentence at the informal initiation. This will then make them eligible to attend the formal dance as guests of Kappa Psi.

At our last meeting we nominated brothers to attend the Kappa Psi Province One Assembly. They are Brothers Gibbs, Aprilano, Polvino, and Matott.

Fraternally,
ED SCHOEFER, *Historian*

BETA EPSILON—RHODE ISLAND COLLEGE OF PHARMACY AND ALLIED SCIENCES

Greetings to our Brothers everywhere from Beta Epsilon Chapter. Well, we certainly have been keeping busy here since our last visit in THE MASK.

We started the year off right by greeting it in its infancy with a party at the Chapter House. This New Year's Eve party was proclaimed the best of any in recent years. The dancing, singing, television, etc. carefully mixed with a really delectable buffet lunch, yielded a happy time for all and compliments galore for Brother Reggie DeGagne's fine planning.

With the holiday festivities now a memory, we settled down to the task of choosing a new slate of officers for the forthcoming year. When the ballots were tabulated we found the following had emerged victorious: Regent—David C. Simpson '57; Vice Regent—Richard J. Lafond '56; Secretary—John S. Dattoli '56; Treasurer—Donald A. Vellozo '56; Chaplain—Bernard F. Keegan '57; and Historian—Norman A. Campbell '57.

Social activity halted for a short time now to allow the "great minds" to be prepared for first semester finals. At almost any hour of any day, you could find groups of Brothers huddled in corners, on floors, or in any available space, discussing their common problems.

With the long, hard grind of exams behind us, we turned to selecting and indoctrinating a new class of pledges. The new "crop" includes: Francis

AT BETA EPSILON CHAPTER HOUSE AFTER CUPID'S COTILLION

Cirillo, Gilbert Dubuc, Normand Jalbert, James Mancini, Clinton Park, Raymond King, Carmino DeTomasia, Robert Noret, and Joseph Chiras. According to Pledgemaster Joseph Nichols, the boys are coming along fine. (As a matter of fact, the Degree Team has been alerted to begin "warming up.")

On Friday evening, February 11, all activity was centered around the R.I. Country Club in Barrington, where the annual Cupid's Cotillion was held. As in past years, "Cupid's," which is run by the Pan Hellenic Council, proved to be a likely candidate for the honor of being the nicest affair of the year.

After the dance, attention was shifted to the Chapter House where the Sophomore Brothers had prepared a party which left nothing to be desired. Hats off to Brothers Joe Nichols, Mike Scarpellino, George O'Brien, and Dave Simpson who were responsible for the bulk of the work.

Biggest news of the month of February was not a dance, not a basketball score, not an exam "hit" by everyone, but the return of Brother Dave Johnson to classes after 12 weeks convalescence. Dave,

who sustained two broken legs in an accident early in December, although still confined to a wheel chair, shows every sign of complete recovery soon. Keep it up, Dave.

Well, our March dinner meeting at Rex's Tavern proved to be a tremendous success. Prof. Edward Altman of the Department of Pharmacy, was the principal speaker. Other guests included: Brothers W. Henry Rivard, dean; Russell E. Brillhart, assistant dean; Theodore Lemeschka, registrar; Clinton S. Johnson, professor of chemistry; and Henry M. Mason, instructor in chemistry.

As this edition goes to press, Beta Epsilon is engrossed in plans for its forthcoming St. Patrick's Day Formal and attending the Province Assembly in April. More will be said on these in our next visit.

So long for now from the boys at 78 Benefit St., Providence, R.I.

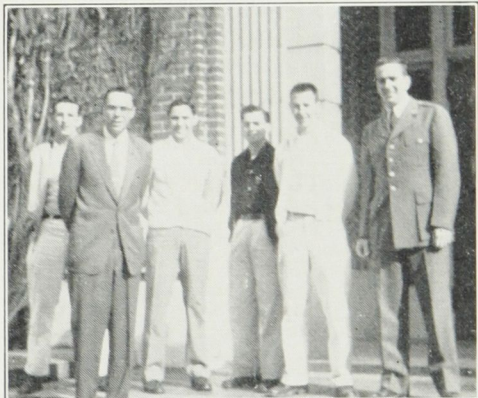

Fraternally yours,
NORMAN A. CAMPRELL, *Historian*

BETA ZETA—OREGON STATE COLLEGE

Eighteen new members were initiated into Beta Zeta the first of the year. Pledges were treated to a T-bone steak dinner, which was followed by their formal initiation. New members are: Paul Billick, Bob Billson, Marion Brooks, Robert Brummett, Frank Chan, Mitchell Daletas, Richard Dowsett, James Graves, Richard Gustafson, Allan Hanson, Lawrence Huppin, John Kaegi, Hugh Kerwin, Ray Leo, Lyman Oelrichs, Douglas Wray, and James Swyter.

Beta Zeta co-sponsored a gift of a Bulova wrist watch for Professor Fred Grill, who retired after teaching pharmacy in Oregon for a quarter of a century. Professor Grill was Grand Council Deputy to Beta Zeta Chapter in 1953-54.

January 28, Beta Zeta members journeyed to Portland to hold a joint meeting with the Graduate Chapter. Beta Zeta officers performed the initiation

rites, initiating four new members for the Graduate Chapter and one new member, Frank Kenwood, into Beta Zeta.

Guest speaker for the evening was Dr. Louis Fischer, First Grand Vice Regent, University of Washington, Seattle. Dr. Fischer discussed the problem of improving relations between the Graduate and Collegiate Chapters of Kappa Psi. He also mentioned the difficulty Graduate Chapters have in getting attendance at their meetings.

Herman C. Forslund, Third Grand Vice Regent from Oregon State College, also attended this meeting. Dr. Fisher stated that this was the first time there had been a meeting of Kappa Psi in the West where two national officers were in attendance.

Mitchell Daletas was elected new Chaplain at a dinner meeting on February 2.

BETA ETA—WEST VIRGINIA UNIVERSITY

Each year the Ohio Valley Drug Company extends an invitation to the senior class of the College of Pharmacy to visit its wholesale plant at Wheeling. This year our senior Brothers enjoyed a very informative tour of the plant. That evening a delicious dinner was served. Brothers making the trip were: Tom Rogers, Jim Hughes, Jack Richardson, Leo Mazzocchi, Henry Viglianco, Leonidas Holmes, Jack Anderson, Leo Monaco, George Bennett, and Howard Creed.

Brother Kayo Thomas, cheerleader of the Mountaineers, led the Mountaineer cheering section as the basketball team battled the LaSalle Explorers in Madison Square Garden. Regardless of the fighting spirit of the Mountaineers they were unable to cope with LaSalle's great team.

During the regularly scheduled meeting of Beta Eta Chapter on March 9, 1955, new officers were elected for the year 1955-56. Regent, Willis Wright; Vice Regent, Frank Oliverio; Secretary, Vernon Midcap; Treasurer, Harold Harper; Historian, Jack Tippens; Chaplain, Joe Grose. After the meeting refreshments were served.

All members are looking forward to initiation

which will occur this spring. After the initiation the banquet will be held at the Morgantown Country Club. The guest speaker will be Brother William Stuck of Charles Town, West Virginia. Mr. Stuck is the present president of the West Virginia State Pharmaceutical Association.

By attaining not less than a "B" average in their chemistry courses Joe Grose, Jack Smith, Henry Viglianco, and Tom Rogers were accepted as new members of Phi Lambda Upsilon, honorary chemical society.

Brother Harold Harper was elected chairman of the Greater West Virginia Weekend Committee for the College of Pharmacy. This Committee facilitates the preparation of the College to conduct visitors through Science Hall during the Greater West Virginia Weekend. These tours are conducted in such a manner as to acquaint the visitors with certain aspects of the students classes, labs and activities during his four years attendance at the College.

BETA KAPPA—UNIVERSITY OF PITTSBURGH

With spring at hand and seniors beginning to think about graduations, we here at Beta Kappa Chapter are planning our annual spring formal dinner dance. The dance last year was a great success and this year it should be better than ever. During a business meeting with the Graduate Chapter a motion was passed to have a combined dinner dance. Also at this meeting Mr. Ift of the State Board of Pharmacy, answered questions concerning the new apprentice law.

For the first time in the pharmacy school's history there will be an interfraternity dance. Beta Kappa's representative, Brother Don Overstreet, reported that the date of the dance will be April 14. Beta Kappa has pledged 100% attendance. At the business meeting on Mar. 3, nominations for officers for next year were taken but no returns are available at the present time. Congratulations to Brother Bob Seasted, the father of a baby girl. It is the first child for Bob and his wife.

Plans are being made by the Pledge and Initiations Committee for our first smoker to be held March 28 at the Webster Hall Hotel. Prospects for new members look very good this semester. Last semester Alton Warren and Joseph Kelly braved the initiations and were taken into the Fraternity.

Brother John Davis, senior class president, is busy signing students for the coming trip to Lederle Labs. Many of the Brothers in the senior class are looking forward to going on the trip.

BETA XI—UNIVERSITY OF NORTH CAROLINA

Immediately after the Christmas holidays, the Chapter held its annual pledge weekend. The weekend began with a cabin party on Friday night, January 6. A formal dance ended the weekend festivities on Saturday night. Preceding the dance on Saturday night, a banquet was given in honor of the pledges at the Carolina Inn. At the banquet, Julian Upchurch, pledgemaster, was given a present by the pledges. The music for the dance was fur-

nished by Dick Levin and his orchestra.

The week following the pledge dance, the following boys were initiated and received as Brothers into our Chapter: John W. Leonard, Lincolnton; Pat Winstead, Elm City; William Mast, Cove Creek; Seth George Miller, Charlotte; Wayne Buie, Winston Salem; Fred Phifer, Marshville; Benjamin Alexander, Charlotte; Fred Barwick, Charlotte; Charles Barger, Hickory; James C. Bolton, Rick Square; William Baily, High Point; James Street, Roxboro; Guy Coleman Williams, Spring Hope.

Election time rolled around once again this month, and on March 2, the following Brothers were installed to their new offices: Regent—Van King, Wilmington; Vice Regent—Don Miller, Charlotte; Secretary—Lionel Perkins, South Boston; Treasurer—Frank Lowder, Albemarle; Chaplain—John Andrews, Winston Salem; Historian—Pete Freeman, Asheboro; Pledge-master—James Street, Roxboro; Athletic Director—James C. BETA OMICRON—UNIVERSITY OF WASHINGTON

As the Spring quarter begins, Beta Omicron will be looking forward to another successful year with greater accomplishments. To lead Beta Omicron, new officers have been elected.

We are happy to announce that our new Regent will be Melvin E. Dobkin. Mel will take the gavel from outgoing Regent Ross Stetson. Our thanks and praise to Ross for leading this Chapter through a successful year. The following Brothers were also elected to their respective offices: Jerry Noble, Vice Regent; Harold D. McBride, Secretary; Howard Nelson, Treasurer; Don Donaldson, Chaplain; and Julian Mark, Historian.

This year Beta Omicron went all-out and initiated fifteen men. The new Brothers of Beta Omicron are: Milton H. Lew, Donald Donaldson, Howard A. Nelson, H. Duwain McBride, Julian Mark, Harold W. Cochrane, Bernard O'Connor, Jerry M. Brown, William B. Bloom. Others are Gary R. Cornell, Victor Grutchfield, Joseph P. Rose, Russell Sleight, Gary E. Stricker, and Donald Thiessen. Pledge week began on February 24. The prospective pledges attended a social meeting at the University's Faculty Club. Following a short business meeting, the pledges were introduced to the traditions and ideas of Kappa Psi. As usual, the facilities of the Faculty Club were at our disposal, this included billiards, ping pong and the various card games.

On March 1, pledge week came to an end with a banquet held at Crawford's. Our roast beef dinner was accompanied by a speech by Art Sorenson, Secretary of our Graduate Chapter. The banquet adjourned as we returned to the Faculty Club for our formal initiation. Our thanks go to Bob Hamblin for directing the successful rushing.

Although Washington's top basketball players were not playing in this game, our thrill-packed basketball game against a tough A. Ph. A. squad ended in a victory for Beta Omicron. With a game

filled with more thrills than baskets, our Brothers overcame an early deficit to win 32 to 24. Members of the team this year were Don Kelly, Al James, Duane Mandery, Dick Feelt, Bob Covert, Ross Stetson, Ralph Anderson, and Walt Poilman. It may sound like a stacked deck but our advisor, Dr. Louis Fischer and one of our new initiates, Bernard O'Connor refereed the game.

As the new quarter starts, Regent Dobkin announced that all freshmen should beware, for Beta Omicron will begin its screening and start the ball rolling for the coming rushing period. Another warning, this time to our brothers in Spokane. Beware of our coming invasion into the Inland Empire for the coming Province meetings. This chapter is planning to bring a caravan of cars from this side of the mountains.

After many years of service to this Chapter, our Advisor, Dr. Louis Fischer submitted his resignation. Regretfully we accepted his resignation, but any words of praise cannot go to repay Dr. Fischer for all his services rendered to this chapter. It may be said that the success of this Chapter was his work. On the brighter side, Dr. Nathan Hall was unanimously approved as our new advisor. Dr. Hall is one of our most popular members of our faculty and we can look forward to a happy union.

That's about all now from the great Northwest. Here's wishing to all Brothers continued success and to those graduating seniors, best of luck on those state board exams.

Fraternally yours,
JULIAN MARK, *Historian*

BETA PI—STATE COLLEGE OF WASHINGTON

Four weeks of this semester have passed and we are all trying to hit those books real hard in order to get ready for mid-semester exams which are just one week away.

We are finding it rather difficult though, as on March 19, our annual Apothecary Ball is being held and we are all busy preparing for this "big" event of the year. This year Beta Pi is co-sponsoring the dance with our A.Ph.A. student branch and we are hoping to have a bigger and better event than in previous years. The dance will again be held at Whelan Grange.

To add to the hustle and bustle of things there are many of us who just returned a week ago from the "Pharmacy Tour" of the Midwestern Pharmaceutical Houses, namely Eli Lilly, Upjohn, and Abbott Laboratories. Fifty-one of us, juniors and seniors, went on the trip this year. We were accompanied by Dr. Allen White and Dr. V. N. Bhatia. Needless to say we had a wonderful time. We were treated like kings and queens the whole time we were back there and it was quite a let down to come back to the drudgery of every day school life.

For the seniors there isn't much time left here at old "Alma Mater." We have twelve weeks left before graduation and State Boards. We are hard at it too trying to prepare ourselves for those "Boards."

Beta Pi's activities since the last letter have consisted of the regular business meetings and luncheons, and several special meetings, getting everything lined up for the Apothecary Ball.

We are hoping to be host this year to the Province Assembly to be held in April. If all goes well be held in Spokane the week-end of April 30th.

We are all looking forward to meeting our Brothers of Kappa Psi from all over the Province.

This will be this writer's last letter to THE MASK as we will be having Chapter elections in several months and "yours truly" hopes to be graduating. It would be appreciated if our Beta Pi Alumni would drop the next Historian a post card so that we may know where and what you are doing. I've been asking the "Alums" to do this for two years now and so far I don't know of any replies, except possibly at Christmas time from a few. Lets have a little response—eh?

There seems to be now no more news from Beta Pi, so we would like to extend a hearty "hello" to all our Brothers and also a "goodbye" for this school year.

Brothers at Beta Pi

BETA RHO—UNIVERSITY OF MISSISSIPPI

Greetings to all Kappa Psi members everywhere from Beta Rho at the University of Mississippi. Spring is almost here with all pharmacy students hoping for a successful semester.

We have not had an initiation this year. However, one is planned in the near future. Seven pledged Kappa Psi November 29, 1954. They are James S. Robinson, William Fortenberry, Vanjon Ward, Anthony Vazzana, Benny Bush, Ted Webb, and James R. Flowers. These, along with James C. Woods and Gordon Wakefield, who pledged Kappa Psi later, and the pledges from last year will be initiated March 18.

Among our members who graduated last semester was our former Regent, Joe Oliver. He received the annual Kappa Psi award for having the highest grade average at the completion of his junior year. We at "Ole Miss" wish him the best of luck.

We think we have a well qualified new group of Kappa Psi officers. They are as follows: Regent, Jasper Rampolla; John Haynes, Vice Regent; Bill Farlow, Secretary; and Historian, Milton Floyd. We are proud to announce that all A.Ph.A. officers at the student branch here at the University, that were elected for '55, are Kappa Psi members.

Our fraternity had a banquet the 7th of March. All pledges were invited so that we might become better acquainted with each of them. We were honored to have with us the speaker Dr. Milton L. Neuroth, our Grand Vice Regent. He also met with us at our regular meeting.

We are sad to announce the loss of two of our Kappa Psi Brothers; Curtis Riley and Cecil Graham. Curtis transferred to Howard College in Birmingham, and Cecil joined the armed services.

Many of us are looking forward to the annual trip to a pharmaceutical house. We are going to visit Parke, Davis, & Co. in Detroit, and the Upjohn Co. in Kalamazoo, Mich. That's about all now. We are looking forward to hearing from all of you in each MASK issue.

Fraternally yours,
MILTON FLOYD, *Historian*

BETA SIGMA—NORTH DAKOTA STATE COLLEGE

A big hello to our Brothers in Kappa Psi, from Beta Sigma Chapter here in Fargo.

It won't be unusual to see the lights burning

BETA SIGMA COMBO PLAYING DANCE DATE

Left to right are: Bill Ballie, Bob Gion, Jim Reipel, Paul Irsfeld, Jim Kilzer, and Lloyd Pekas.

BETA SIGMA'S WINTER TERM PARTY AT MOREHEAD COUNTRY CLUB

most of the night here at Beta Sigma in about a week and a half—most of us will be burning the mid-night oil, cramming for final exams. After that "gory" week, most of us will settle down for a week's vacation. Some of us will spend most of our time working, trying to make some money so we come back next quarter, some will do nothing but sleep and some of us will attend the annual Eastern Pharmaceutical tour of the drug houses at Chicago and nearby cities. All in all, I'm sure we are all looking forward to that week vacation, regardless what we do.

Installation of new officers took place, Monday, February 28, at Beta Sigma. New Regent is Brother James Rumpca. Jim is a junior in pharmacy, and very well liked throughout the campus, as well as in the Fraternity. Our best of luck to Jim in the following year as president, and we know that he will do a top notch job. Other Brothers were installed as follows: Vice Regent, Jerome Herman; Secretary, Kent Sack; Chaplain, Duane Vad; Corresponding Secretaries, Dan Hanson and Tom Stoll; Social Chairman, Alan Schuhmacher; Pledge Trainer, Jack Southam; Athletic Director, Art Kautzman; House Manager, Ken Wedul; and Historian, Chuck Phillips.

The Term Party was on the top of the list for entertainment winter quarter. All of the actives of the Chapter look forward to this one, especially because it is put on by our pledges. "The Term Party was one of the best we have had," was the saying of all "actives" for several days after. We had a fine turnout; almost one hundred and forty. This gives our pledge class a lot of credit, along with the Fraternity as a whole.

Our basketball team was one of the tops again this year, but the fellows had a little rough luck in the semi-finals and were beaten out by two points. We were rather disappointed, but we are looking forward to next year, with almost all players returning. Our hat goes off to the coach, Dave Kretzman and the players for doing a terrific job. It takes a lot of practice and spare time to produce a good team, and the fellows really cooperated.

The "Kappa Psi Greats," that is, the Jazz combo, have really made a name for themselves and the Fraternity on the campus. The small group consists of Bill Ballie, clarinet; Bob Gion, saxophone and vocalist; Jim Reipel, drums; Paul Irsfeld, trombone; Jim Kilzer, trumpet; and Lloyd Pekas, piano. These fellows have played a number of dance dates on campus, besides working in some time for jam sessions at the fraternity house after supper and on-Saturday afternoons. The outstanding factor about the group is that they use no music and play entirely "by ear."

Every year about this time, each fraternity and sorority is asked to enter in the Annual Snow Sculptor Contest. This year the theme used was "Medieval Characters or Art." Co-chairmen Jim Stunebeck and Tom Stoll were chosen to get things underway, and came up with a very good idea of sculpturing the "Alchemist." Along with very good co-operation from the rest of the Brothers, we came out with second place, which places a nice trophy on top of the TV set.

Well, this about wraps things up for this quarter, except for one thing. About every year at this time, most of us are hit by spring fever. Some times it clears up and then again it doesn't. Well, it didn't clear up for one of our Brothers. Lloyd Pekas, junior in pharmacy, is engaged to be married. The lucky girl is Renee Baker, and the two will be married right after finals, on March

19. Can't say that Lloyd will study much for his tests!! Well, best of luck to the both of them, and we wish them all the luck in the world.

Don't study too hard this spring, and we'll see you about this summer. Until then, I remain.

Fraternally yours,

CHUCK PHILLIPS JR., *Historian*

BETA UPSILON—BUTLER UNIVERSITY

Hello again from Butler University. With the spring rains the Fairview Campus is beginning to take on its beautiful green look. But while the grass is coming back to life, the warm sunshine and the balmy air appears to have quite a different effect on most students. Many symptoms of early cases of spring fever have been "diagnosed," if you'll pardon the expression.

Now for a flash back into the old year when the weather wasn't quite so pleasant. On December 12, 1954, seven new members were initiated into the Beta Upsilon Chapter. They are: Tom Murry, Dan Hamilton, William Schobel, Tio Tjiong, Dave Sheetz, Paul Rosner, and David Dixon. They were welcomed into the Chapter with a banquet given in their honor.

We here at Butler are looking forward to an official visit from Grand Regent Nicholas W. Fenney. This visit is slated for April 2, which unfortunately comes during our spring vacation and many of the Brothers who live out of town will have gone home and thus will not be on campus. Those who will be on hand plan to do everything possible to make our honored guest take home with him a pleasant memory, and perhaps just-a-bit-of our famous Hoosier Hospitality.

A music festival honoring Butler University's centennial year will be presented by the Indianapolis Symphonic Choir under the direction of Fabien Sevitzky in the Butler Fieldhouse on the evening of April 16. Butler was asked to furnish a Centennial Queen for the big event. Our officers got together with those of other pharmacy groups and the faculty, and a plan was formulated. At an all faculty-student meeting Miss Anna Muktepavels, a lovely senior in the Pharmacy College, was selected to be our candidate. At this meeting officers of all pharmacy organizations and Dean Kaufman, who spoke in behalf of the faculty, asked for the full support of the student body and faculty members in procuring votes through the sale of tickets. . . . Long live Queen Anna.

Fraternally yours,

LARRY L. THORNBURG, *Historian*

BETA PHI—UNIVERSITY OF CINCINNATI COLLEGE OF PHARMACY

We, at Cincinnati, are preparing for the arrival of the Junior American Pharmaceutical Association national convention of District IV, which will be held here in early April. Indeed, this will be a big event, and much time and work is involved in preparing for its success. Our Chapter is planning to hold a Kappa Psi breakfast for Kappa Psi members, from the various colleges and universities, who attend this convention.

Besides the convention breakfast plans, our Chapter has been donating some time towards the preparation of a demonstration on vitamin deficiency, which we hope to have completed at this time. We are trying to prepare the rats beforehand so that the public and the University can see the

vital importance of vitamins in our everyday living. We are hoping that the demonstration will open the eyes of the public to the necessity of vitamins, and too, perhaps increase the sale of vitamins in Cincinnati.

One of our biggest concerns, at the present moment, is that this June, sixteen of our Brothers are leaving the Chapter, because of graduation. This number is greater than the number of pledges inducted this year, so that next year our Chapter will be smaller until we get more pledges. We hope that some of these Brothers will remain as alumni members, because we shall certainly need their support.

In early March, we had the privilege of meeting our Second Grand Vice Regent, Brother Neuroth, who visited our Chapter at this time. We held two special meetings in the same number of days, so that we could meet Brother Neuroth and discuss with him our future plans. He brought with him special greetings from Alpha Chapter and best wishes from Grand Regent Fenney. We enjoyed Brother Neuroth's stay, and hope that he can come again in the near future to visit us.

Fraternally yours,
DAVID HILL, *Historian*

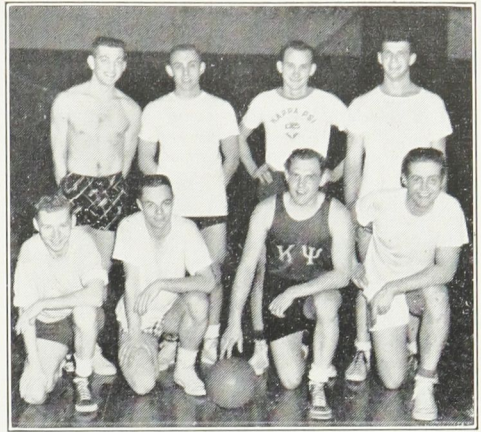

BETA CHI—DRAKE UNIVERSITY

Beta Chi Chapter started off the second semester by electing new officers. The officers are Sam Williams, Regent; John Ingmund, Vice Regent; Russell Lawrence, Secretary; Jack Ellis, Treasurer; Emil Roman, Chaplain; and Ed McLuen, Historian.

The pledges, Bob Tanner, John Killam, Duane Shrout, Marion Williams, Henry Leigh, Faust Doninni, Cass Wojtczak, Bill Morris, Bruce Wurf, George Rezny, and John Roseland had a successful Skip Day which was climaxed at night by them giving a party for the actives. This year's outstanding pledge award went to Bob Tanner.

Between parties, classes, and homework, Kappa Psi still found time to participate in intramural basketball. The team was composed of both actives and pledges, and to the surprise of the entire campus, Kappa Psi won the University Championship. This was the first time in the history of Drake Intramural Basketball that a professional fraternity has won the championship. Twenty teams were divided into three leagues, Independent, Social Fraternity, and Professional Fraternity. The top two teams of each league were eligible for the playoffs. In the first game of the playoffs, Kappa Psi, champs of the Professional League, won over D.S.F. of the Independent League 45-36. In the championship game our opponent was the ROTC team, champions of the Independent League. We were the underdogs because the preceding night ROTC beat the champs of the Social Fraternity League by twenty points, and thus became the favorites for the All-University Championship. But to the surprise of everybody except the players of our team, when the final whistle sounded, Kappa Psi was the victor by twelve points, and the All-University Championship was ours.

The team was composed of all former high-school players. At one forward was our high scorer Darrel Huffaker, who is also an end on Drake's football team. The other forward was Bob Tanner, a member of the Intramural All-Star Basketball Team. At Center was big Gene Carlson, a pledge who transferred to Drake from Iowa State. The guards were Lanny Booth, a fine all around player, and

DRAKE UNIVERSITY INTRAMURAL BASKETBALL CHAMPS

Standing left to right: John Killam, George Rezny, Ed McLuen, and Darrell Kuffaker.

Kneeling left to right: Lanny Booth, Bob Tanner, Chuck Tuma (coach), and Gene Carlson.

Chuck Tuma who was called the player, manager, trainer, and coach. Oh, yes, Chuck would like to thank the Brothers at Chi Chapter in Chicago for the jersey which he said will be returned when he graduates. The team was rounded out with substitutes, John Killam, George Rezny, and yours-truly, Ed McLuen.

The fellows here at Beta Chi are optimistic about our chances for repeating as champs next year because the entire team will be back and ready to defend their title.

The Chapter, as it has done in the past years, plans to enter a float in the annual Drake Relays Parade on April 27. We have high hopes of capturing our third consecutive first place trophy in the Professional Division.

Last years Regent Bruce Riendeau, was recently promoted to the rank of Cadet Major in Drake's Air Force ROTC.

That is about all for now, till the next issue of THE MASK, I remain.

Fraternally yours,
EDWIN MCLEUEN, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Beta Psi Chapter opened the second semester with an election of officers. The officers for the coming year are Regent Richard Prus; Vice Regent, William Fervoy; Secretary, Gerald Wiedman; Treasurer, Thomas Phillips; Chaplain, Robert Ziesmer; Social Co-Chairmen, James Jendusa and Robert Holler; and Historian, Paul Shapiro.

We were very fortunate this semester in having a large pledge class. Fifteen students attended the three informal rushings and expressed an interest in the fraternity. The new pledge class consists of Sanford Fedderly, James Gardener, Darrell Giese, Kenneth Going, Arthur Hackendahl, John Hanson,

Gerald Holmen, David Hughes, John Knuth, James Kobach, Sylvester Murray, Ralph Pennings, Sheldon Rosen, James Sundby, and Pledge President Bruce Lantow. It looks as though we are going to have a fine group to replace the graduating seniors.

On March 5, we had a party with Kappa Epsilon Sorority. The general consensus of opinion was that this was one of the best parties that we have ever had. The big social event in the near future will be the spring semi-formal on March 26. It will be held at the Nob Hill Country Club, and will be preceded by a dinner. We are hoping it will be a tremendous success as it has been in the past.

Beta Psi Chapter is going to be honored by a visit of Grand Regent Nicholas W. Fenney near the end of March. A banquet will be held in his honor at the Edgewater Hotel on the evening of March 30. We are all looking forward to this opportunity to meet Grand Regent Fenney.

Fraternally yours,
PAUL SHAPIRO, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

Semester exams are now a thing of the past and before long mid-semester exams will be upon us. But let's forget such things for the time being and think of the gay times that have passed and of those to come.

It was Saturday, February 24, and the Brothers of Beta Omega turned out en masse at the Annual Inter-Fraternity Dance. As we entered the Great Court in Mitten Hall on the main campus, we were greeted by a reception committee. It was then that our dates received the miniature steins bearing the seal of the University. After greeting our friends from the other fraternities and sororities, we danced to the mellow music of the Savoy's. All too soon the night came to a close, but the tune of "I'll See You in My Dreams" will ring in our ears, reminding us of that wonderful evening.

And now for a look into the future. March 19 is the date for our third annual costume party. This year the Chapter House will take on the appearance of a Gypsy camp. There will be plenty of refreshments and an unlimited amount of fun. Music will be supplied by the Joey Page orchestra with Brother Joe Pacenza and his trumpet.

Looking a bit further into the future, we see the setting for the Spring Formal beginning to take form. This year our social chairman, Brother Jim Biemesderfer, has secured the Germantown Cricket Club for the affair which will be held May 7. From all indications, this is bound to be better than any previous one. Music will be provided by the Stylers. We are looking forward to seeing many of the grads who will be returning to help us celebrate our twenty-fifth anniversary.

Another event which everyone is looking forward to is the annual basketball game and party with our cross-town neighbor, Eta Chapter at P.C.P.&S. The pledges of the respective Chapters will meet in a preliminary game. The losers of the main event will absorb a large portion of the expenses for the party.

In January, a smoker was held for the prospective pledges. Refreshments were served and music was provided by Brother Joe Pacenza. Since then, bids have been sent out and pledging is now in full swing. Fourteen new men are now being put through their paces under the leadership of Pledge-master John Troglio and his assistant Don Cahill.

For some time we have been seeking a new

house which is located closer to the school. This, we believe, will make the chapter a more closely knit organization and will be more convenient in general. There is a location available at present which is under consideration. Before any final decision can be made, our House Fund should be increased a bit. To obtain this end, the Chapter is busy selling plates with a drawing of the school on the face. On the reverse side is a brief history. These plates may be purchased from any collegiate member or by sending your request to Don Sundberg; 4500 N. Broad St., Philadelphia 40, Pa. The price per plate is \$2.00. Also, if there are any who wish to make a contribution to the House Fund, it should be mailed to Dr. David Mann; 3223 N. Broad St.; Philadelphia 40, Pa.

Every year a number of scientific meetings are held. At the latest meeting a sound motion picture was shown. The color picture was produced by Searle and was entitled "Therapy Influencing the Autonomic Nervous System." It was very well presented and did a great deal to increase our knowledge of the subject.

Please circle May 7 on your calendar. The Spring Formal is a grand time to enjoy yourself and meet your old classmates.

Fraternally,
GLENN W. BOERSTLER, *Historian*

This committee consisted of Dr. Melvin Green, Director of the Council; and Dr. Thomas D. Rowe, dean of pharmacy at the University of Michigan.

DR. M. L. NEUROTH, Second Grand Vice Regent of Kappa Psi Pharmaceutical Fraternity, visited the Gamma Zeta Chapter at Howard College, Birmingham, Alabama March 8 and 9 and consulted with the officers and members of the chapter. The above picture shows Dr. Neuroth, far right, with Dr. W. R. Byrum, head of the Division of Pharmacy at Howard College, and Gamma Zeta members Perry W. Girod and Thomas R. Ledbetter. Dr. Neuroth is professor of Pharmacy at the Medical College of Virginia.

This is about all of the news that I could drum up at this time, so until the next issue of *THE MASK* I remain

GAMMA ETA—MONTANA STATE UNIVERSITY

We are now nearing or rather I will say, almost in the midst of Winter quarter finals here at M.S.U. So good luck in the exams from Gamma Eta to our Brothers in Kappa Psi. With this quarter well behind us, and registration completed for Spring quarter, we are also nearing our "after finals" vacation which, newly instigated this year will consist of one week, extending from March 16 to the 23rd. In order to be calm, cool, and collected for an equally hard Spring quarter, I am sure it is appreciated by all members here.

As for the Seniors it is the last lap—only three months left and then graduation, stateboards, and then to practice what they have learned. The members of Gamma Eta extend best wishes and congratulations to Brothers Herbert Stelling, Vernon Cannon, William Dankers, Donald Elliston, Donald Enebo, Dean Hart, Joseph Lesar, Max Makish, Leo Neiffer, Rudy Stoll, and Desmond Twoly who will receive their degrees next quarter.

At the second meeting of Winter quarter, initiation was held for the following pledges: Vernon Cannon, Robert Cavanaugh, William Dankers, Wells Lamey, John McGregor, Jim Moody, William Ryan, Leo Neiffer, and Karl Tamborini. We pledged took the initiation in bravery and good humor, and although the aftereffects of a certain Pill were surely visible, lasting at least four days, it was an experience we all enjoyed and most surely will never forget. After the initiation, all members, new and old, proceeded to the Northern Bar and later to Harolds where they indulged in an evening of relaxation.

At our third meeting of Winter quarter, election of officers was the duty of the evening. The following men were elected: Ed (Fuzzy) Fine, Regent; Jon Severson, Vice Regent; Joe Bear, Treasurer; Cy Austin, Secretary; Robert Cavanaugh, Historian; and John McGregor, Chaplain. After the election, the newly appointed Regent, Brother Fine, expressed his gratitude to the Kappa Psi members for his nomination, and outgoing-Regent, Brother Elliston in his final few words of wisdom, thanked his officers for the cooperation given him during the past year, and hoped the new officers would have as successful a year as he and his officers had enjoyed.

On Saturday evening of February 26, a dinner dance, termed the "Winter Injection" was held at the Jungle in downtown Missoula, Montana, and an enjoyable evening was had by all. The members of the faculty and Dean J. Orr were guests of honor. About twenty-six couples were in attendance, and after dinner, punch was served, and dancing was begun.

Plans will soon be formulated for the annual spring outing which is held at Seely Lake. I am sure all new actives and pledges are looking forward to it, because as rumor goes, "it is really quite a blast."

New men nominated for pledges last quarter are as follows: Joe Aboaf, Sami Ashan, Dale Staffenson, and Jerry Stoick. These men will probably become active within the first two or three weeks of Spring quarter.

In closing, I wish to take the liberty to wish all our Brothers a very Happy Easter.

Fraternally yours,
ROBERT CAVANAUGH, *Historian*

GAMMA IOTA—UNIVERSITY OF BUFFALO

Gamma Iota Chapter started the New Year off with an informal get-together at the Club Herman. The affair was attended by about 12 Brothers and their dates. This party was presided over by our Regent Ron Culp who wended his weary way home in the wee hours, after toasting each Chapter at midnight from time zone to time zone.

A pre-examination dance was held by the Chapter on January 8. It was given at the Buffalo Launch Club on Grand Island. All who attended had a wonderful time. The big event of the evening was the grand drawing for an RCA Victor Radio-Phonograph combination. This was the grand prize for the 1954 pledge class raffle. The lucky winner was Mike "Choo-Choo" Train's girl, Rosalie.

Congratulations to two good and true Brothers, who have entered into pay-as-you-go plans with local jewelers. Brother Joe Giglia (pronounced Gee-ah) became engaged to Miss Marie Guida, and Brother Al Dolan became engaged to Miss Susan Oakes. Congratulations to Brother Joe Paterniti and Sheila on the January 11 birth of daughter, Kathleen Ann. The baby weighed in at 5 lbs. 11 oz. Incidentally, Gamma Iota picks a "Brother of the Month," based on scholarship, leadership, and activities for each month. The winner's picture is displayed prominently on our bulletin board in the Pharmacy Building. This month, the honor went to Brother Al Dolan.

Gamma Iota's basketball team ably run by Brother Ray Bittner, is currently in third place in the Pharmacy League with a record of 2 wins and 2 losses. The 2 losses were close, hard fought, games that could have gone either way. On February 17, we held our Formal Rush party at the Isle View Restaurant in Tonawanda. Congratulations are in order for the fine work done on this affair by co-chairmen Brothers Train and Arthur, and all of the brothers on their committees. A wonderful turn-out resulted with about 35 men expressing interest in Kappa Psi.

At a recent meeting, our Treasurer, Brother Gary Keefer, tendered his resignation due to an overload of work outside of his official duties. Brother Tom Sweeney, our Historian, was unanimously elected to finish out Brother Keefer's term and yours truly was elected to finish out the term of Historian. The Brothers of Gamma Iota would like to extend their thanks to Brother Keefer for the grand job he did while in office—"Thanks Gary."

Due to the efforts of Dr. John Kleber, our faculty advisor, and under the direction of Brother Bill Proctor, Gamma Iota is sponsoring a visit to the Buffalo General Hospital to view their recently remodeled Hospital Pharmacy in action. The trip will be on March 18 and will include luncheon at the Buffalo General Cafeteria.

Plans are now being made for an official visit to Gamma Iota by Grand Regent Nicholas W. Fenney on March 25. Also on the agenda is the election of delegates to the Province IV Assembly which will be held in Louisville, Kentucky, starting on March 26.

In my next letter, I should have a lot to report about the hospital visit, Brother Fenney's visit, and the Province Assembly.

Fraternally yours,

JOHN A. PINGLETON, *Historian*

GAMMA RHO—UNIVERSITY OF NEW MEXICO

Greetings again from the sunny "Land of Enchantment." Spring must be just around the corner for topcoats have been discarded and sport shirts are now the vogue.

Gamma Rho has been quite busy since the last issue of THE MASK. Considerable time and effort was spent in building a float for the homecoming parade. We were not fortunate enough to win, but we drew the plaudits of every pharmacist in Albuquerque. The early part of December was spent in painting toys for tots on free evenings in preparation for Christmas. Although quite a cold task, it was done with warm enthusiasm.

Christmas vacation was highlighted by marriage of Brother Lonnie Meadows. Lon and bride spent their honeymoon fishing along the coast of Mexico.

January 22 we were honored by a visit from Grand Secretary-Treasurer, Mr. Frank Eby. This visit coming during closed week, brought welcome

relief from our studies. The day's activity was highlighted by a luncheon after which Brother Eby discussed Chapter problems with the officers and Chapter Advisor before departing for Arizona.

We have at the present time a prospective pledge class of seven members. Main interest is being directed to our annual Kappa Psi senior banquet which is to be held on the night of April 23 in the Franciscan Hotel in downtown Albuquerque.

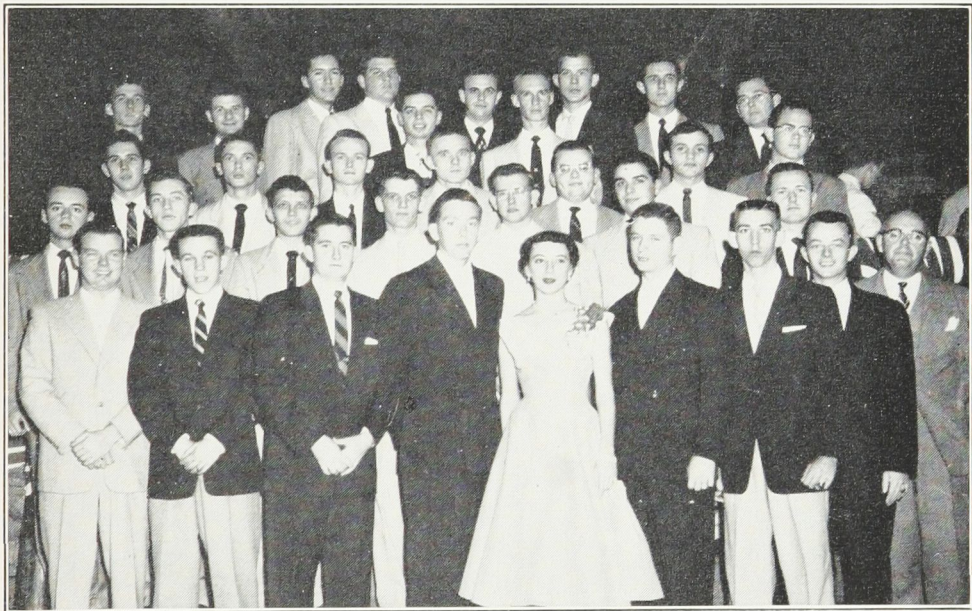

Fraternally yours,

DAVE LINDER, *Historian*

GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Greetings to all Brothers of Kappa Psi. We of Gamma Tau are now conducting our pledge classes and hope to be finished with initiation by early April. Our new pledges are Leonard Dimino, Gust Koustenies, and Patrick McQuire. We are looking forward to their admission to Kappa Psi and know that they will be helpful in carrying on the objectives of Kappa Psi.

We are happy to announce that Dr. Salvatore Greco has become our faculty advisor at George Washington University. We know that association with Dr. Greco as faculty advisor will be very fruitful to us of Gamma Tau.

GAMMA UPSILON—UNIVERSITY OF ARIZONA

Over the last few months many honors have been given to Kappa Psi and its members. On January 24 we of Gamma Upsilon chapter were greatly honored by having as our guest for three days Dr. Frank Eby, Kappa Psi Grand Secretary-Treasurer. During his visit here, Dr. Eby was shown the many sights which surround Tucson, and to climax his stay a banquet was held at La Cucina Restaurant. Members and officers of Arizona's Graduate Chapter of Kappa Psi were also present. At the banquet Dr. Eby gave a reminder of the purposes of Kappa Psi. He explained the contents of the newly published *Kappa Psi Handbook*. He also emphasized the importance of the Kappa Psi publications especially that of *THE MASK*. He made a suggestion that *THE MASK* be bound and put in the university library. He also explained how the money which is collected from members as dues was used in the functioning of Kappa Psi. After the banquet, a meeting of all officers, graduate and undergraduate, was held with Dr. Eby. He explained the duties of the officers. We were all very happy to hear that he was well pleased with the manner in which Gamma Upsilon-Kappa Psi was operating. Preparations for the banquet were made by Walter Arenz, Bill Burnson, and Richard Albrecht. They are to be congratulated for doing such a fine job.

Richard Albrecht, Secretary of Kappa Psi, brought honor and prestige to himself as well as to Kappa Psi when he was awarded The Brunswick Drug Company Award at the Honors Assembly recently held here at the university. This award is given annually to a pharmacy student on the basis of character, personality, scholarship, and professional promise. Besides winning the \$500 Brunswick Scholarship Award he was also recently awarded a scholarship by the American Foundation for Pharmaceutical Education. Richard Albrecht is a native Arizonian from Casa Grande. He was awarded a Baird Scholarship upon entering the University of Arizona. This scholarship is awarded to graduating high school students with outstanding records. Richard Albrecht is very active in the many functions of the Pharmacy College. He is an active member of the A.Ph.A. and was treasurer of this organization, and is also on the staff of the pharmacy publication, *The University of Arizona Pharmacist*. He is also active in other numerous university functions as he belongs to Delta Chi social fraternity. Richard Albrecht's interest seems to lie in the field of research and at present is doing research work in the pharmacognosy department. This past summer Richard married the former Miss Betty Holden. We of Kappa Psi are greatly honored by

Richard Albrecht
Honor Student at University of Arizona

having Richard as our Brother and wish him more success in the future.

With the start of a new semester, activities are getting under way and the pledging of new members for Kappa Psi will start within the next two weeks.

It was recently announced that we of Kappa Psi-Gamma Upsilon were awarded second place prize for our window display at the J. C. Penney and Co. store here at Tucson during National Pharmacy Week. Under the slogan of "Your Pharmacist Works for Better Community Health," Kappa Psi displayed the ingredients that must go into a small pill and the knowledge that is required of a pharmacist in the compounding of these ingredients into the pill. We of Kappa Psi are extremely proud of brothers Walter Arenz and Richard Hamilton who sacrificed their time and worked so very hard in putting up the display.

Fraternally yours,
JOHN GABALDON, *Historian*

GAMMA PHI—UNIVERSITY OF GEORGIA

As I sit down to write this newsletter for *THE MASK* it reminds me that another quarter is drawing to a close and that exams are only a week off. However, it also reminds me that this is my last newsletter as elections take place at the beginning of next quarter and that graduation is at the end of the quarter.

It certainly has been an honor for this slate of

officers to have served and we will always be proud to have been officers of Gamma Phi of Kappa Psi.

Last quarter many of the Brothers attended the American Pharmaceutical Association's Christmas Party which was the best the Pharmacy School has ever had. Congratulations go to Brother Lorie McElheney, president, for its great success.

This quarter we initiated into our Chapter the following men: Lowell Harris, Orlando, Florida; Gene Brewton, Louisville; Jerry Milan, Milan; Jack Musick, Athens; George Westbrook, Trion; Pete Griner, Nashville; Ray Archambeault, Savannah; Yohann Manning, Tennessee; and Clyde Withworth, Athens, Faculty Member. Congratulations! We know that you will continue to carry on the fine traditions of our chapter.

On April 30, we will again be celebrating another anniversary on the University of Georgia campus and wish to extend an invitation to Brothers everywhere to attend our Formal Dance. Preparations are being made and we feel sure it will be a terrific affair.

Fraternally,
STANLEY I. WEISS, *Historian*

GAMMA PSI—SOUTHERN COLLEGE OF PHARMACY

Gamma Psi Chapter has elected new officers for the next year. They are: Regent, Don Tumblin; Vice Regent, Gerald Strickland; Secretary, Charles Webb; Treasurer, William Sheffield; Historian, Charles McClain; Chaplain, Don Smith; Grand Counselor Deputy, Professor C. R. Boyles.

Congratulations to these new officers and may the coming year be an eventful and prosperous one.

The Annual Sweetheart Dance of S.C.P. was held on February 4, and many Kappa Psi Brothers were present at this gala affair. Miss Beverly Webb, sister of one of our Brothers, was selected "Sweetheart of S.C.P." for 1955.

The Atlanta Graduate Chapter of Kappa Psi has elected new officers. They are: Regent, M. M. Millican; Vice Regent, Jack Fincher; Secretary and Treasurer, J. V. Riley; Chaplain, Roland Reagan; Historian, Woodson Burchfield.

We of Gamma Psi are looking forward to the school's annual Picnic this year. Our hopes are high and practice for the softball game between Kappa Psi and Phi Delta Chi has begun.

The Province III Assembly is to be held in Atlanta on April 23. Regent Knighton and his committee are deep in the planning of this convention to make it the best ever.

Eleven Brothers of this Chapter were among those making the trip to Parke, Davis and Co. in Detroit, and Eli Lilly Co. in Indianapolis, on February 6, for one week of educational tours and entertainment.

At this time, I want to thank each and every one of you for bearing with me through this past year. I have enjoyed my term as Historian of Gamma Psi Chapter and I wish my successor the best of luck for his coming term of office.

Fraternally yours,
JOHN W. RICKMAN, *Historian*

ALBANY GRADUATE CHAPTER

Some time during the month of April, the Albany Graduate chapter will hold a dinner meeting in the Binghamton Area. You will be advised of same by letter from the Secretary's office. This was announced last week by Fred Buck, who is the Regent of the Albany Graduate Chapter. The arrangements for the dinner meeting are being handled by Brother Frank Di Lascia who is the Vice Regent.

We hope that all Graduate Members of Kappa Psi who live in the Binghamton area will plan to attend this meeting. If there is sufficient interest in this regional type of meeting, the Graduate Chapter officers will attempt to hold other meetings in the future similar to this one. Your Secretary would appreciate a note from you if you feel that this plan is a feasible one.

Fraternally,
CLAUDE M. REED, *Secretary*

ARIZONA GRADUATE CHAPTER

Kappa Psi, both the Collegiate and the Graduate Chapters, had the honor of a visit from Brother Frank Eby, Grand Secretary-Treasurer, January 22 to 26. Brother Eby met with both Chapters officially and we were all benefited by his guidance. A dinner was given in his honor at the La Cucina where the actives and the graduates from different parts of the state met Brother Eby. We feel that if he had stayed with us a few more days we could have made a native out of him as he seemed to enjoy the points of interest and took many pictures. Come again Brother Eby.

The annual Valentine party was held at the Monte Vista Inn on Saturday February 12 with a good turnout of men with their lady friends. A dinner preceded the dance. A spring meeting is being planned for Phoenix in the near future. The above events took place in Tucson, the home of our College of Pharmacy.

Respectfully,
G. BENNER KELLY, *Historian*

BOSTON GRADUATE CHAPTER

Members of the Boston Graduate Chapter met with Mu Chapter at their Annual Smoker held March 12 at the Hotel Kenmore. As usual, the Undergrads outdid themselves in the arrangements with the result that the large turnout of Graduates left with the feeling that the Smoker is indeed the high point of the Fraternity year.

Present were Brothers Colman, Donahue, Sullivan, Harian, Henry, King, Branagan, Elder, Gosselin, Skenderian, Jr., and Blanchfield. Also, Brothers Hassan, Schermerhorn, Lynn, Weed, Quimby, Daley, Palumbo, Mickles, Hackett, Gagnon, Lowell, Bachilas, Ashley, Whitney, Narinian, Berube, McKenna, Anetzberger, Pederzoli, Hobart, and Martin.

Following the Smoker, a Graduate Chapter meeting was convened. Amid clouds of smoke and oratory, officers for the coming year were elected. They are: Regent, Stan Blanchfield; Vice Regent, Bob King; Secretary, Jack Schermerhorn; Treasurer, Mike Fallon; Program Chairman, Dave Henry. In addition, Bill Lowell, Stan Blanchfield, Bob King, and Henry Gagnon were named Delegates to the Province I Assembly and Earle Ashley and Bill Colman alternates.

After a brief discussion of plans for the coming year the meeting adjourned.

Faternally,

JOHN SCHERMERHORN, *Secretary*

CONNECTICUT GRADUATE CHAPTER

Our January meeting was held in Hartford at the Southern Plantation Restaurant. Those of you who didn't attend really missed a wonderful dinner—Italian style. Our speaker that evening was Brother Bob Greib, State of Connecticut Narcotics Inspector. He showed us a film and delivered a fine talk about the narcotic addiction problem. This meeting was held on January 19.

Our March meeting will be held on the 23rd in Waterbury. This meeting is being planned by Brother Gus Della Pietro. Watch your mail for more details.

Delegates to the Province I Assembly to be held on April 9 at the Hotel Statler in Boston are Brothers Ray Smith and Gordon MacGuire. The alternates selected are Brothers Ed Goodmaster and Bob Greib.

Our custom is to hold meetings on the third Wednesday of every other month beginning with September. Therefore, meetings are held in September, November, January, March and May. Make plans to attend the Connecticut Graduate Chapter meetings. Come and meet your friends. Nominations are made in March, and elections for the coming year are held at the May meeting. Come and make your choices for office known and take part in the activities of our chapter. Plans are now in progress to print a Connecticut Graduate Chapter Bulletin to be published on alternate months from the meeting.

Plans are complete to hold a dinner dance at Donat's Town Ho in Milford on Wednesday evening, the 11th of May. A triple treat for your

wives or girls friends—dinner—dancing—a floor show. Watch your mail for complete information. This is being arranged under the capable direction of Co-Chairmen—Brothers Dan Camillieri and Al Criscoulo, and their committee.

Faternally,

JOSEPH A. TRAHAN, *Historian*

PORTLAND GRADUATE CHAPTER

About 65 to 70 members attended the dinner-business meeting of the Portland Graduate Chapter of Kappa Psi on the evening of January 28 at the Campbell Court Hotel. Included in the attendance were two Grand Officers, First Grand Vice Regent Louis Fisher, University of Washington, Seattle, and Third Grand Vice Regent Herman Forslund, Oregon State College, Corvallis. Also present was Franklin Hart, Secretary of Province VII and practically the entire active Chapter from Corvallis. Initiation of Allan Beattie (Parke, Davis and Co.), Rolland Nelson (E. R. Squibb and Son), Layke Seaton (Layton's Pharmacy) and Jerome Smith (Hoffman-LaRoche) was the principal business of the meeting, and so ably done by the initiation team of Beta Zeta and to whom we are deeply grateful. We are proud to introduce these new members to the Brothers of Kappa Psi. A cocktail hour preceded a very fine steak dinner.

About the only knowledge we of the Graduate Chapter have of the well being and doings of the Fraternity is through THE MASK, and with so many of the Active Chapters and practically all of the Graduate Chapters not having letters in we have no knowledge of what they are doing. Commendation should go to those that regularly have letters for publication for I know it is a task that requires some time but there should also be satisfaction of a job well done. Let's have more letters!

Faternally,

L. V. HENDRICKS
