## FELLOWSHIP

1172

Continuing along the four points of the square we come now to the third Kappa Psi objective. Fellowship follows Industry and Sobriety, and is not that the proper sequence? Everywhere one goes among brothers of this order, there is a kindred of hearts that pervades the core of fraternal bonds. It is through fellowship that the understanding of our fellow man is best learned and understood. The inner thoughts and feelings are revealed in mutual interests where faith, loyalty, and trusts come forth freely expressed. No one can deny the great satisfaction of fellowship that opens the great pathway for valuable service to the needs of others. Truly through fellowship we enjoy those round about us and we take pleasure in the joys and aspirations of those who mean most to us. Count your blessings and among the most important to a good life is the association with other folks in an atmosphere of mutual interests.

Without fellowship, service to others is a more cumbersome and laborious task. Fellowship wins friends, and friends stand ready to perform good deeds. No man can live on an island alone and be happy. Lack of fellowship breeds loneliness. The serene feeling which attends association among friends is good for a positive approach toward the handling of life's complexities.

Need we go further to elaborate? Fellowship is an admirable goal to achieve in any society. Kappa Psi Pharmaceutical Fraternity has always been founded upon a rock of sincere fellowship.

## FELLOWSHIP AMONG OTHERS

Recently your Grand Regent was favored by being a part of a testimonial program on behalf of Grand Secretary-Treasurer Dr. Frank H. Eby. For long and faithful service to the school of pharmacy at Temple University, some 300 persons turned out for the Pharmacy Alumni Association banquet honoring our Secretary-Treasurer. Your Grand Regent was pleased to have the opportunity to speak of the extensive fraternal interests of Dr. Eby. We take this opportunity to add a word of appreciation to Dr. Eby for the fine work he does for our Fraternity and for the prestige he brings to us.

Editor of *THE MASK*, Dr. Nicholas Fenney and Third Grand Vice Regent, Dr. Pierre Smith were present also.

## HONORARY MEMBERSHIP

Another pleasant task came our way on Saturday evening, April 4, 1959. Mu chapter invited the Grand Regent to present Dean Howard C. Newton an honorary membership in Kappa Psi Pharmaceutical Fraternity. It was my privilege to journey to Boston, Massachusetts for a delightful banquet and smoker of the Mu graduate and collegiate chapters. Kappa Psi is honored to add to the membership role a person of the stature and achievement represented in the person of Dean Howard C. Newton of the Massachusetts College of Pharmacy. Attending also was former Editor of *THE MASK*, Dr. Maynard W. Quimby, Dr. John Schermerhorn, Mr. James Mickles and Mr. Ray Gosselin.

## BISHOP WRIGHT ON FRATERNITIES\*

Bishop John Wright, formerly of the Worcester Diocese of the Catholic Church and now in the Pittsburgh Diocese, and a member of Theta Kappa Phi, speaking to the Theta Kappa Phi chapter at Worcester Tech, made the following comments in part:

"The collegiate fraternity idea . . . recognizes that there are in society certain legitimate privileges and an inevitable hierarchy of worth, values and achievements. Far from offending the principles of sound political democracy, such a pursuit of spiritual and intellectual aristocracy is actually a major contribution on the moral level to the preservation of democracy in the political community.

"A fraternity which bases its qualifications for membership on religious, spiritual and intellectual differences is frankly aristocratic in its spirit and appeal. It is not on that account undemocratic.

"A democracy is in danger when essential qualities are neglected or denied. But a democracy is no less endangered when important differences of a natural or supernatural kind are forgotten or despised. We must never forget the important ways in which all persons are equal with each of us. But we must be no less mindful of the many and important ways in which we must resist more equality with the mob. We must be conscious and proud of our legitimate differences. We must recognize and implement our obligation to be better than some of those about us. It is no sin against political democracy to aspire after intellectual and spiritual aristocracy. . . .

"Democracy will decay, it will ignominiously die, if you men accept the lie that all privilege is illicit and that absolute equality is ideal or even possible. You cannot rest content with equality with the crowd in attainment of truth, in mastery of virtue, in personal perfection, in professional competence, in moral worth. There must always be people better than the rest in these essential respects: people who are more informed, more learned, more holy; more pure; more competent; more helpful; more kind; more disposed to service; more espoused to duty than the general run of mankind; more disposed to keep their word; more conscientious in giving their word. Unless such an aristocracy of the soul exists in every nation and at all times, then those basic equalities, in the recognition of which political democracy exists, will be speedily forgotten undermined, destroyed. . . ."

### What Is a Good Fraternity House?

Warren R. Bechtel, Lafayette '58, in a guest editorial in the Sigma Chi Magazine for February 1959 says: "My idea of a good fraternity house finds its basis in the literal derivation of the word fraternity; that is, the Latin *frater*, which means brother. If the spirit of a group of men who gather themselves under a Greek banner is such that each treats and respects the others as brothers, that to me constitutes a good fraternity chapter—or a 'good house.' The spirit to which I refer embodies the idea of a warm group companionship and mutual concern and cooperation. There is little value in belonging to

# Announcing a New Scholarship Award the Scholarship Honors Certificate

A new certificate which is designated the SCHOLARSHIP HONORS CERTIFICATE has been authorized by the Executive Committee of Kappa Psi Fraternity and it will be available for distribution before the end of the 1958-59 college year.

This certificate is not intended to replace the GRAND COUNCIL SCHOLARSHIP KEY and CERTIFICATE AWARD which is given for first honors and it will not replace the many awards given by the various chapters for excellence in scholarship. It is intended to augment the present national scholarship program by promoting greater interest in and recognition for outstanding academic achievement by the members of Kappa Psi Fraternity.

The certificate will be awarded by authority of Alpha Chapter but the direct presentations will be under the supervision of the Collegiate Chapters. It is the intent of the national organization to supply to all of our chapters without cost, a fine engraved certificate which will be engrossed with the name of each recipient, his school, name of chapter and the year for which the award is being presented.

A list of the names of the recipients of each chapter will be published in the October-December issue of THE MASK which will be designated the SCHOLARSHIP ISSUE in coming years.

## RULES

The SCHOLARSHIP HONORS CERTIFICATE will be awarded to members of Kappa Psi Fraternity who complete the full Junior and/or Senior year (last two years of the professional curriculum) with a minimum grade point average of 3 or the equivalent B grade for each year. A member may qualify for a certificate for each of the two years.

No one who has not been a member of Kappa Psi Fraternity for the full year in which the award is made, is eligible to receive the certificate.

The Grand Council Deputy of each Collegiate Chapter will recommend and will certify to the Central Office that each eligible member has qualified properly for the SCHOLARSHIP HONORS CERTIFICATE in the respective chapter. This certification must be forwarded just as soon as the scholarship records are available at the respective colleges.

# Upsilon Chapter at University of Kentucky Celebrates Golden Anniversary

On the evening of March 7th Upsilon Chapter of Kappa Psi celebrated its Golden Anniversary with a dinner dance at the Mason Dixon dining room of the Kentucky State Fairgrounds at Louisville. The dinner was preceeded by an hour and a half cocktail hour sponsored by the U. of K. Graduate Chapter of Kappa Psi. The entertainment was furnished by Art Glasser's band.

Honored guests present were: Mr. Samuel C. Barron of Okemmah, Oklahoma and his daughter Mrs. Maynard Jameson, both of whom flew in for the celebration; Mr. and Mrs. W. O. Votteler; Dr. Glenn Sperandio, Grand Ritualist from Purdue; and Richard Doughty, Past Grand Council Deputy of Upsilon Chapter. Mr. Barron and Mr. Votteler are charter members of Upsilon Chapter and Mr. Votteler was Upsilon's first Regent.

The invocation was given by acting Chaplain Jim Arnold. After the dinner Regent Bob Barnett gave the welcoming address and introduced the head table and present chapter officers. At the conclusion of this a roll call of years was taken and past Regents of Upsilon Chapter were introduced with five being in attendance.

Dr. Sperandio then made a short address stressing the value of fifty years of fraternity life. This was followed by a short talk by Brother Doughty and one by James Bell, newly elected Regent of the Kentucky Graduate Chapter. Brother Sperandio then installed the new officers of the Graduate Chapter in the name of Alpha Chapter. Brother Barron then gave a short address on what Kappa Psi has meant to him over fifty years of professional life. Brother Barnett concluded the program by presenting engraved Asklepios Keys to Brothers Barron and Votteler.

In addition to Brother William S. Johnson, Grand Council Deputy, the faculty was

represented by Jessy Y. Hubbard, Class of '22. One pleasant touch to the celebration was the wearing of ritualistic sashes by the officers of the chapter.

At the conclusion of the program the dance got under way and a good time was had by all.

The celebration ended with a nostalgic note and several of us vowing that we would be on hand to help Upsilon celebrate its hundredth anniversary in 2009.

### GAMMA MU INSTALLED

On the afternoon and evening of February 27, 1959 the Grand Regent brought into the official family, a new chapter. Gamma Mu is located on the campus of Southeast Louisiana State College at Monroe, Louisiana. There, an enthusiastic group of pharmacy students aided by Dean Ralph Wilson, Dr. Joseph A. Kern, Dr. John Headlee and Dr. Frank W. Martin, became the fifty-first collegiate chapter of Kappa Psi. Our most hearty welcome is extended these new brothers. Their success in service to Kappa Psi is insured by the leadership of officers such as Regent Arthur Boggett, Vice Regent Landry Rabalais, and Secretary John R. Cage. Treasurer Alfred J. Cocco, Jr., Historian Gerald Hemstreet, and Chaplain James Colligan are to be commended also. Grand Council Deputy is Dr. Frank W. Martin, to whom we extend our thanks for the initial inspiration and guidance.

Our sincere gratitude is extended to Dr. and Mrs. Joseph A. Kern who opened their lovely home to the Grand Regent and his wife where the hospitality of these fine people was a pleasure.

Fellowship abounds in Kappa Psi Pharmaceutical Fraternity, and the rewards are as great as the genuine spirit in which this objective is fostered.

## What Is a Good Fraternity House?

*(Continued from page 43)*

a social group such as a fraternity if one thinks and acts entirely for himself. A good fraternity house is a place to mold new friendships and enrich old ones. It is an institution which does not function quite so much for the members as the members function for it. In short, a good fraternity house to me means a bunch of fellows who realize that the walk through life (college and otherwise) is a lot easier and more rewarding when they walk as a group. It is a group of individuals seeking the ideal of true friendship and thus deepening their individuality."

**FRATERNITY RIGHTS**—Since each college fraternity is primarily a social organization whose membership is voluntary, it is entitled to exercise the fundamental right of choosing its members in accordance with its own standards. This is a social right which cannot be confused with civil rights.

### CHARTER OF GAMMA MU CHAPTER

Chapter installed February 27, 1959 by Grand Regent Milton L. Neuroth at The School of Pharmacy of Northeast Louisiana State College in the City of Monroe, La.

# Gamma Mu Chapter Installed at Northeast Louisiana State College

On Friday, February 27, 1959, the 51st Collegiate Chapter of Kappa Psi, Gamma Mu of Northeast Louisiana State College, was installed at the Pent House of the Penn Hotel in Monroe, Louisiana. Grand Regent Milton L. Neuroth conducted the ceremonies and was assisted by Dr. Cecil P. Headlee (Pi), Dr. Joseph H. Kern (Xi), Mr. Cecil Graham (Beta Rho), and Mr. Perry W. Girod (Gamma Zeta).

An informal pre-installation meeting for officers was held in the morning at the school of Pharmacy for a briefing on the ceremonies. The formal installation took place at 2:30 in the afternoon. Preceding the first degree ritual Dr. Neuroth reviewed the various aspects of fraternity life emphasizing the many pleasures and benefits enjoyed by all Brothers of Kappa Psi. The first, second and third degrees of the ritual followed immediately thereafter, in which the NLSC School of Pharmacy was officially designated as Gamma Mu Chapter of Kappa Psi. The following individuals were initiated:

Arthur H. Baggett (Regent), Charles Bennett, John R. Cage (Secretary), Alfred J. Coco (Treasurer), James A. Colligan (Chaplain), Gary W. Eads, Gerald R. Hemstreet (Historian), Lane Lemoine, Roland J. Lormand, Jack R. McCormack, Frank W. Martin, Ronald M. Meisler, Anthony J. Pendola, Floyd J. Prejean, Landry V. Rabalais (Vice Regent), Donald J. Simon.

The installation banquet was held in the Riviera Room of the Penn Hotel. Dr. Neuroth

presented the Charter to Dean Ralph M. Wilson (Gamma Omicron), who on behalf of the Chapter expressed his sincere thanks and appreciation for the privilege of now being received as an integral part of Kappa Psi. The following were guests at the banquet: Dr. Ernest Holloway, Dean of Men, NLSC; Dr. A. G. Danti, Wayne State University; Dr. John T. Goorley, School of Pharmacy, NLSC; Dr. Dale H. Cronk, School of Pharmacy, NLSC; Mesdames Milton L. Neuroth, Cecil P. Headlee and Joseph H. Kern.

The history of Kappa Psi at Northeast coincides very much with the history of the School of Pharmacy itself. The Pharmacy School was in its second year when Kappa Psi was conceived. In February, 1958, a group under the guidance of Dr. Martin was formed with the intention of petitioning Kappa Psi for recognition as a chapter. This group, Kappa Psi of NLSC, adopted the model constitution of Kappa Psi. It was composed of juniors—the most advanced class in the Pharmacy School. The day has now arrived when we have become united with our other Kappa Psi Brothers throughout the United States.

We wish to extend our gratitude to Dr. Neuroth who so generously gave his time in launching us on a career as Kappa Psi members, to Dr. Martin who gave us our start, to Dr. Kern who encouraged our undertakings and guided us, to Dean Wilson and Dr. Headlee who gave their assistance whenever needed. Also, special thanks to our Brothers throughout the country for the many telegrams and letters of congratulations demonstrating the close ties that bind together the Brothers of Kappa Psi.

## Historical Sketch of Northeast Louisiana State College, Monroe, Louisiana

Northeast Louisiana State College is the outgrowth of Ouachita Parish Junior College, which was founded in 1928 under an act of the Louisiana State Legislature. The Ouachita Parish School Board and the Police Jury of the Parish, in joint session, purchased 38.1 acres of land, a part of the present site of the College. The first school year opened September 28, 1931, with 416 students.

In July, 1934, the College became a part of the Louisiana State University by agreement between the Ouachita Parish School Board and L. S. U., whereby the University would operate the facilities at the institution as Northeast Center of Louisiana State University. The name of the College was changed in 1939 to Northeast Junior College of Louisiana State University.

In 1944, the State Legislature authorized the transfer to Louisiana State University the title to all of the Northeast Junior College lands and buildings. This transfer, together with additional lands already purchased by L. S. U., increased the total area of the campus to 51 acres.

In 1939, a steel stadium and a student center building were added. The following year saw the erection of a library building and a fine arts building. In 1949, a new science hall was constructed and currently houses the School of Pharmacy and the Biology Section of the Department of Pure and Applied Sciences.

The College reached another chapter in its history on July 5, 1950, when Governor Earl K. Long signed into law legislative acts making the College a four-year institution and transferring it from the control of Louisiana State University to the State Board of Education. The name was changed to Northeast Louisiana State College.

Subsequent expansion and functioning of the College has necessitated additional buildings. In 1954 a building program was inaugurated which has added one new girls' dormi-

# Dr. Eby Honored at Testimonial Dinner

Three hundred alumni and friends of Temple University School of Pharmacy were present at a Testimonial Dinner tendered to Dr. Frank H. Eby by the Pharmacy Alumni Association of Temple University on Wednesday evening April 1, 1959 at The Warwick. Dr. Eby will complete forty years of service to the School of Pharmacy in June, 1959. The dinner proved to be one of the most outstanding alumni affairs ever sponsored by the Association.

Toastmaster for the evening was Robert Rowen, Professor of Biochemistry and Dental Materials at Temple University School of Dentistry. The invocation was delivered by the Reverend Eloy F. Johnson, Rector of Christ Church in Ithen, Pennsylvania. Reverend Johnson is an old friend of the guest of honor and before entering the ministry had graduated from the Philadelphia College of Pharmacy and Science.

Alumni were greeted by Dean Joseph B. Sprowls and then heard a message from the University by President Robert L. Johnson.

Speaking on behalf of Dr. Eby were Louis Wagner, President of the Township of Springfield, Delaware County, Pennsylvania, who discussed community activities of the guest of honor; M. L. Neuroth, Grand Regent of Kappa Psi Fraternity and Professor of Pharmacy at the Medical College of Virginia, who discussed fraternal activities of Dr. Eby; and Millard E. Gladfelter, Provost of Temple University, who talked about academic activities of Dr. Eby. Nicholas W. Fenney, Editor of *THE MASK* of Kappa Psi Fraternity made a presentation to Dr. Eby in behalf of Dr. Felix Blanc, Director of Pharmacy of the State of Connecticut.

Before responding to alumni, Dr. Eby was presented with a gift from the Pharmacy Alumni Association. The response of the guest of honor magnified the many reasons that compelled the Pharmacy Alumni Association to honor him on this occasion.

## Additional Information Relating to the Scholarship Honors Certificate

*(Continued from page 44)*

1. The SCHOLARSHIP HONORS CERTIFICATE will be awarded for the first time for work completed during the academic year 1958-1959 and not for scholarship for any previous year. Only Senior students and Junior students who are members of their respective classes now in session, are eligible for the award.
2. In all instances, the average required to qualify for a Scholarship Honors Certificate is based only on one full year of academic work. It is not cumulative for the entire college experience.
3. Where a Senior student(s) has maintained a grade point average of 3 or the equivalent B grade for one semester or similar period and it appears that the grade(s) will be maintained until the end of the year, the Grand Council Deputy may, if he desires, order a certificate(s) for a member(s). This will permit the formal awarding of the certificate(s) by the chapter before the college commencement. Where the scholarship grade is in doubt for any Senior member, the certificate should not be ordered until the grade is determined at the end of the year.
4. In the case of Junior students, the grade point or other average should be determined at the completion of the full academic year. The presentation of certificates for Junior year scholarship excellence should be made soon after the opening of the next college year.
5. All orders should indicate for each recipient if the award is being made for academic achievement for the Senior year or the Junior year.

## ETA—PHILADELPHIA COLLEGE OF PHARMACY & SCIENCE

We greet all the new Brothers of Kappa Psi. Now that you have successfully passed your probationary period we know that membership in Kappa Psi will be one of the richest experiences in your life. It is an honor to be looked upon with pride all through the coming years of your professional and social life.

Eta Chapter's new members, initiated March 2, are as follows: Tom Shaulinski, Paul Shevlin, Jerry Warner, Tony Silvagni, Terry Wentzell, Lance Minnick, Greg Adams, Bob Penna, Tony Patane, Jim Roenitz, Dave Fink, Len Warholie, Marlin C. Diamond, Larry Baldassane, Joe DiMino, John Zwier, Pete Guinta, Len Guinta, Pete Lamey, Ike Isaac, Bob Stefanowicz, and Bob Umhoffer. The pledging program was one of successful accomplishments along with the usual horseplay that goes with any normal pledge season. In the way of accomplishments, the pledges along with the able assistance of many brothers did many things to help Eta's house take on a newer appearance. Under the guidance of Brother Loehle a new ceiling was added to our basement. To continue the modernization, a longer and more "adequate" bar was installed. The kitchen received a fresh coat of paint and also a new tile floor. Since we are serving meals every week day, this came

as a much needed and appreciated improvement. In general the house received many small adjustments which makes it one to be proud of by all the Brothers.

Miss Suzzane Morgan was chosen this year as Kappa Psi's Sweetheart. She is a sophomore student at the Philadelphia College of Pharmacy and Science and is majoring in Bacteriology. Suzzane to our delight is now the reigning Queen of P.C.P.&S., having been elected and crowned at the annual Sweetheart Dance sponsored at the college. We are not only honored to have her as our Sweetheart but also gratified in knowing that the entire college has accepted her as their queen.

The graduates' big day was again a success as Kappa Psi held its Annual Alumni Banquet. Many friendships were renewed and that old spirit was again lit in the heart of many who had been away for so long. It was heartwarming to see many old familiar faces return to 4224 Spruce Street and again participate in a function of the Fraternity of which they all remembered and held close to their hearts. Everyone enjoyed themselves tremendously and for those who were attending their first Alumni Banquet, you can be sure they will attend all that are held in the future. A cocktail party at Eta's house initiated the festivities of this year's Banquet. After the brief "hellos" at the house, a dinner was held at the Penn-Sherwood Hotel. After the program, which was composed of

a fine meal and excellent speakers, everyone again returned to the house where fraternity "spirit" and gaiety reigned.

Greenbrier Country Club was the site of our annual Spring Formal on April 25. The dance was characterized by beautiful women, good food, and a night of wonderful dancing. It is a function of Eta Chapter that all the Brothers and many graduate members look forward to.

The night before the formal, most of the girls were given a chance to get acquainted with each other at a "Playboy Party" given at the house. It turned out to be a good idea and I am sure it will be continued in the future.

Summer is approaching and with it goes final exams. On behalf of all the Brothers at Eta Chapter I wish you the best of luck. Especially to the seniors may their years in college have been a success and may all their future endeavors reach fulfillment. In the interest of pharmacy, let us all support our organizations such as the A.Ph.A. Only in this way can we maintain our professional status in the community and keep pharmacy a profession to be admired and looked upon with high esteem.

I am fraternally yours,  
CHARLES J. HUBERTY, *Historian*

## THETA—MEDICAL COLLEGE OF VIRGINIA

Greetings and welcome to all new members of Kappa Psi. We trust that everyone enjoyed the spring vacation, short as it was, and is ready to cope with the elements of spring for the few remaining weeks of the school year.

Theta Chapter increased its strength to sixty-one men last January 24 as eighteen new brethren joined the ranks. The annual banquet-dance was held on this date and all enjoyed a good time.

Fraternity elections were held here on March 16, and those elected were duly installed the following week (see photograph). Also, school elec-

tions were held on April 3, and as usual, Kappa Psi men filled the offices of the Virginia Pharmaceutical Association, Student Branch. Our Bob Mason was elected Secretary-Treasurer of the Student Body. We of Theta are proud of our brothers and wish to congratulate them on their success.

On January 5, many students found a new home in the recently completed dormitories of the Medical College of Virginia. There is a separate building for students of Medicine, Dentistry, and Pharmacy as well as one for female students. Needless to say, at this time of the year one finds sun worshippers on the roofs of these structures.

Recently, an alumnus of M.C.V. and Kappa Psi was in need of blood, and we are proud of our brothers' response to this call.

Theta will be host to Province III on April 11. At the printing of this letter a wonderful program has been planned and a great time is expected to be had by all who attend.

We wish the seniors best of luck on the State Board and for the future and may the rest of you have a nice, rested (?) summer.

Yours,  
JOHN R. METZ, *Historian*

Saturday evening April 4 Mu held its annual Smoker at the Hotel-Motel 128. Toastmaster for the evening was Brother Raymond A. Gosselin, former Regent of Mu Chapter. Distinguished guests present were: Grand Regent, Milton L. Neuroth; Grand Counselor, John W. Schermerhorn; Howard C. Newton, dean of the Massachusetts College of Pharmacy; Dr. Heber W. Youngken; Dr. Maynard W. Quimby, former Editor of THE MASK; James Mickles, Mu Chapter Grand Council Deputy; Robert Crisafi, Gamma Lambda Chapter Grand Council Deputy; James Donahue, Regent of the Boston Graduate Chapter of Kappa Psi; Leonard F. Tibbets, President of the Massachusetts Board of Pharmacy; and Johnny Most, "The Voice of the Boston Celtics."

Mu Chapter was honored by the presence of Brother Neuroth and we hope that he will visit with us again. I am sure that Brother Neuroth was especially happy to be able to present to Dean Newton an honorary membership in Kappa Psi. It is hard to explain the feeling and sentiment at the moment of the presentation, but I am sure that the moment will long be remembered by all those present. Dean Newton is President elect of the American Pharmaceutical Association.

Grand Counselor Schermerhorn presented plaques to the following officers of Mu Chapter for their outstanding work in the Chapter: Regent Nick Julian, Secretary Jim DiSabito, Treasurer Jim Witt, and Social Affairs Chairman Bill Millar. Grand Council Deputy Mickles presented certificates of membership and pins to the new members. He also presented the bowling trophy to Peter Caradonna.

Dean Newton presented the four Mu Chapter scholarships. The recipients were: the Eldin V. Lynn Memorial Scholarship, Richard P. Raymond of Caribou, Maine; the Edmund J. Berube Memorial Scholarship, David Wastchak of Billerica; the Ray S. Kelley Memorial Scholarship of the Boston Graduate Chapter, Walter L. McKenzie of Somerville; and the Douglas Wilson Memorial Scholarship, Edwin F. Koscielniak of Methuen.

The entertainment for the Smoker was provided by Johnny Most, "The Voice of the Celtics." Mr. Most gave a talk on the Celtic basketball team and on sports in general. He concluded by showing colored movies of the Celtics in action. All and all the Smoker was a great success.

On April 17-18 Mu Brothers will travel to Albany for the Province I Assembly. We are all eagerly looking forward to this weekend.

The new officers of the chapter will be elected at our last meeting in April. In as much as this is the last newsletter that I shall write as Historian of Mu Chapter I would like to express my thanks and the thanks of my fellow-officers for the wonderful cooperation we received this past year.

Fraternally yours,

ROBERT PIERCE WHEELER, JR., *Historian*

## NU—UNIVERSITY OF CONNECTICUT

Under the capable guidance of Brother Dick Lavallee, Nu Chapter has recently instituted a new pledge program. A policy of non-personal pledg-

ing is in effect which includes supervised study hours, papers on pharmacy subjects, and visits to other collegiate chapters and prominent individual graduates. The pledges, of course, in addition to their regular tasks eagerly volunteer to be waiters at banquets, to polish house silverware and other necessary tasks.

Our Scholarship Committee is now working on setting up a tutoring service for all freshman pharmacy students. The service emphasizes help in key freshman courses and we feel justified in believing that the grades will rise as a consequence. Furthermore, the Brothers of Nu believe that not only will this be a public service but will also enhance our pledging stature.

Last semester was an excellent one for us scholastically and although the chapter averages have not been released yet, we feel confident that we will again be near the top.

The whole senior class recently returned from their annual inspection trip. This year the seniors were accompanied by Brothers and Professors Nicholas Fenney and Walter Williams and wives. They inspected the plants of Lilly at Indianapolis and Abbott at Chicago. The Brothers have had fine comments on the hospitality extended to them by the two companies respectively.

Two of our Brothers have received scholarships. Karl Tibbitts has been awarded the Maine Presidential Award of the Pepsodent Scholarship, and David Gruenig received the Borden Company Scholarship. Both are awarded for scholarship and citizenship.

Three of our Brothers are busily campaigning for offices in the Student Branch of the A.Ph.A. Mike Licamele is running for President, Charles Miller for the Vice President, and Andre St.

Germain is running for re-election as Treasurer. We hope to report of their success in the next issue.

Our intramural basketball team led by former Maine All-Stater, Cliff Gingras scrapped its way into the quarter final round of the Intramural Tournament. Our team though not a tall one was full of fight as exemplified by Brothers Don Iodice and Tony "Swisher" Fragola.

Our annual Sweetheart Dance was held at Rockledge Country Club in West Hartford, Connecticut. Miss Mary Lou Whritenour, Fiancee of Brother Don Carrine was chosen Sweetheart. Mary Lou was serenaded by the Brothers and a bouquet of roses was presented to her. Our head-table was composed of our resident counselor Mrs. Edith S. Lyons, Professor and Mrs. Nicholas W. Fenney, Professor and Mrs. Walter R. Williams, Doctor and Mrs. Harold Beal, Doctor and Mrs. Cleverdon, and Professor Raymond Dauphinais and his guest.

Nu Chapter is planning on sending a delegation to the Province I Assembly in April. The Brothers are eagerly awaiting their chance to observe and participate in the regional functions of the Fraternity.

Nu Chapter was very pleased with a recent visit of pledges from Gamma Chapter. The pledges all carried eggs which were to be signed by the officers of Nu Chapter. By some unexplained reason the eggs all ended up broken on Regent Harry Mueller's floor. Next time we hope that visiting pledges bring ostrich eggs as it was the first time the floor was cleaned all year.

Our new active pledges include: John Parent, Alexander Hamilton, Jr., George Browne, John Wozniak, Ed Reardon, Lee Santa, Eugene Palazini, and Ralph Trotter Jr.

Nu Chapter recently held elections. New officers and their respective positions include: Harry Mueller Jr., Regent; Richard Reynolds, Vice Regent; Richard Gailaunas, Treasurer; Stanley Stewart, Secretary; Waldo Walsh, Historian; Robert Woodworth, Chaplain; and Professor Walter R. Williams, Grand Council Deputy.

Our social calendar includes theme parties, coffees, picnics, and our Annual Spring Formal to be held in May.

We feel it only proper that the graduating senior class leave a token of their undergraduate days. So here are their individual gifts respectfully submitted:

Cliff Gingras leaves his new T-Bird to Woody Woodworth so he can get a date on campus.

Bob Auger leaves his navy log to anyone who wants it.

Tony Fragola leaves his basketball stories to anyone who hasn't heard them.

Art Hansen leaves to get married. (?)

Larry Day leaves his string of broken-hearts and his fine football career.

Tony DelGreco leaves his term paper entitled, "Do Green Stamps Really Increase Prescription Volume?"

Arnold Cuozzo leaves his worn out back-scratcher to the House.

Don Carrine leaves his punching-bag to Mike Licamele.

Jim Late leaves in a new bank-owned Buick.

Jim Ossenfort regretfully leaves Alpha Delta Pi Sorority.

Richard W. Johnson leaves his ability to pick up checks to any other big spender.

Dick LaVallee leaves his love of electronics to "Rocket" Gruenig.

Frank Krivanec leaves his room-mate.

Fraternally yours,

WALTER WALSH, *Historian*

## PI—PURDUE UNIVERSITY

This has been a more successful year than usual for Kappa Psi here at Pi Chapter. We are gaining more recognition on campus and planning a very good year next year. Our chapter participation and meeting attendance has improved greatly.

New officers elected since the last issue are Joseph Muraida, Regent; Gerald Taylor, Vice Regent; Lawrence Tierney, Secretary; Gordon Aird, Treasurer; Wilbur Adams, Historian; Robert Mayes, Chaplain; George Baumer, Sergeant at Arms; Dr. G. S. Banker, Grand Council Deputy; and Dr. Glen J. Sperandio, Honorary Grand Council Deputy. We have reason to believe that these new officers will continue the good work that the former officers, Regent James Freudenberg, Vice Regent William Braden, Secretary Steve Sprott, Treasurer Edwin Sugita, Historian Tom Starke, and Chaplain Dillon Huder, have been doing.

Our spring pledge class has been initiated. We have seventeen new members who pledged with eagerness to be activated. Pledge trainer was Louis Zatorski. The new brothers are Jerry Banks, Randall Block, Douglas Booth, Alvin Bothwell, James Crawford, K. Robert Dooley, Fred Edwards, Michael Grove, Dennis Hogan, Harold Koekenberg, Louis Kolupa, Leon Langner, Gerald Man-

kowski, Roger McPhail, Robert Schaaf, Jim Varner, and Carl Rae Willis.

Initiation ceremonies were in the afternoon of April 4, 1959. A banquet and the annual Sweetheart Dance were held in honor of the occasion that evening.

The banquet, held in the ballroom of the Fowler Hotel, was well attended. Delicious sirloin steaks were greatly enjoyed by all. Dr. Glen J. Sperandio, a professor in the School of Pharmacy and Grand Ritualist, gave the invocation. Regent Joseph Muraida acted as master of ceremonies and welcomed wives and dates of the initiates and actives as well as members of the pharmacy school staff. Vice Regent Gerald Taylor presented the initiates with their membership cards and Pledge Captain Harold Koekenberg, speaking in behalf of the initiates, expressed their pride in becoming men of Kappa Psi. Dean Glenn L. Jenkins presented a brief address on the subject of professionalism and the role of a professional fraternity in pharmacy today. Appreciation was expressed by Regent Muraida to Dr. G. S. Banker, our Grand Council Deputy; to Dr. Sperandio, Honorary Grand Council Deputy; and to former Regent Jim Freudenberg for their guidance and assistance. Regent Muraida also introduced the three final contestants for Sweetheart: Marty Conner, Gloria Bayer, and Joy Melton.

Later that night, we held our second annual Sweetheart Dance in the Purdue Memorial Union. Marty Conner was crowned Sweetheart and presented roses by Dean Jenkins during the dance. She received a necklace locket inscribed with "Sweetheart" and the Greek letters for Kappa Psi. The two members of her court, Gloria Bayer and Joy Melton, received similar lockets inscribed with the Kappa Psi Greek letters.

The initiates welcomed the end to their pledgehip period. For several weeks before the initiation they carried their pledgeboards and goodie boxes filled with candy, chewing gum, cigarettes, and cigars for the enjoyment of the actives; and a raw egg, the purpose of which was to stimulate interest and care in handling of the boxes. A fund-raising car-wash was held one Saturday afternoon by the pledges.

Dean Thayer of the St. Louis College of Pharmacy was here April 16. We are always pleased to have representatives from other pharmacy schools visit us and welcome their suggestions by which we may make Pi Chapter a stronger organization.

Our graduating seniors are Kenneth Edward Bayer, William E. Braden, James P. Casey, Phillip E. Davis, James J. Freudenberg, Dillon R. Huder, Roger J. Lindskoog, Russell E. Phares, Jr., James R. Reed, Lawrence A. Reitz, Steven D. Sprott, Thomas Starke, Bruce R. Storm, Edwin T. Sugita, Clarence E. Webber, Glen L. Whitecotten, and Bradford Phillip Wirth. We wish these brothers success and hope they will keep us informed from time to time of their locations and activities. Some will be spending time in the armed service, while others will directly enter retail practice. At least three of our brothers are planning to further their educations in graduate schools. Brothers planning graduate study are Ed Sugita, Bill Braden, and Dill Huder. Brother Sugita recently received a National Science Foundation Cooperative Fellowship on the basis of his performance and record in a recent nation-wide program conducted by the N. S. F. to promote

graduate training in the United States. We of Pi Chapter are very proud of Brother Sugita and extend to him our heartiest congratulation for this high achievement and honor.

Many of our brothers are currently married and others are planning to take the vows in the near future. Among those on the brink of matrimony are Wilbur Adams, William Braden, Dillon Huder, and Edwin Sugita.

Fraternally yours,  
WILBUR ADAMS, *Historian*

## UPSILON—UNIVERSITY OF KENTUCKY

Upsilon Chapter has had three big months since our last report to THE MASK.

We came back to school to face the spring semester on February 2 and three weeks later, five new brothers were initiated. They are: Gerald Sturgeon, Carroll Cinnamon, Ray Thomas, Arnold Kemper, and Dan Ryan. Then March 7, Upsilon Chapter celebrated its fiftieth anniversary with a dinner-dance in Louisville. Approximately thirty members of the collegiate chapter, an equal number of graduates, two charter members, the Grand Ritualist, Dr. Sperandio, and their lady friends were entertained.

At the last meeting before Easter, the officers for the next year were elected. Included are: Bill Stover, Regent; Bob Reister, Vice Regent; Gerald Sturgeon, Secretary; Walter Holland, Treasurer; Dan Ryan, Historian; Craig Foster, Chaplain; George Bernard, 1st Phulax; Ron Moreland, 2nd Phulax; Ray Thomas, Pallas Athene; Don Maas, Odysseus; Arnold Kemper, Diomedes.

Professionally, on May 8, Upsilon will once again be in charge of the first-aid station at the Little Kentucky Derby on the Lexington campus.

Looking ahead to June and the end of school, I remain,

Fraternally yours,

## CHI—UNIVERSITY OF ILLINOIS

This year marks a major event in the history of the College of Pharmacy. Its doors have been opened for the pharmacists of past and present for 100 years. In conjunction with the Centennial Celebration, the School has offered a series of lectures with a number of guest speakers to appear at the school for the purpose of discussing subjects of interest and importance to the students.

The student body, not wishing to be out done, has initiated a little project of their own. The Student Council has offered cash prizes for a beard-growing contest; one for the longest, another for the most unique, and a third for the most results and the least efforts. The female members of the student body are to participate in a beauty contest to be held by the Student Branch of the A.Ph.A., the only catch being that they must be wearing old-fashioned type suits.

The Winter Carnival held by the campus of the Chicago Medical Center turned out very well for Chi Chapter in that we were fortunate enough to win first prize for the best booth. We would now like to express our appreciation to the Brothers

who donated their time and services to the event, especially those who so willingly volunteered as targets for the pies to be thrown at. Brother Dick Bonoldi, who was in charge, did a magnificent job in planning and making the whole project a big success.

This year's Father and Son Banquet is to be held at Winslow Restaurant on April 30. We hope to see all of the members there along with their fathers who are to be honored at this time.

The month of May holds in store for us, the major events of this year's activities. On May 10, Chi Chapter of Kappa Psi is to be the sponsor of a play at the Goodman Theater in Chicago. The play is to be put on by an amateur drama group of the Art Institute. Tickets for the comedy titled "The Imaginary Invalid" are available from any member of the Chapter.

Glendale Country Club has been chosen as the site of the Annual Formal Dinner and Dance. The dinner is to be preceded by a cocktail hour at the Club and afterwards the Brothers and their wives and sweethearts will dance to the music of Vic Parachi. In the past this has always been an outstanding event and we feel sure that this year will prove to be no exception.

In the last few months five new Brothers have joined the square. Welcome, Brothers James Grabowski, Frank Nale, Jerry Pospisil, Ronald Schleuter and Gerald Schraeder. We know you will be a credit to our Brotherhood and hope your relations with us will be lasting and happy ones.

Congratulations are also in order for Brother Ronald Swain who was recently married.

The end of the year is drawing close to hand and unfortunately we are losing some of our Brothers. To the graduating seniors Brothers Dennis Ambrose, Keith Anderson, Edwin Choate, Ted Gladson, Albert Sirota, Ken Rus, and Barry Enquist, we would like to express our appreciation for all you have done for our order in the past and hope you will be successful in all that you undertake after your college career is finished.

In that we are drawing to a close and elections are near, this will be the last time that I shall have had the privilege to serve in my capacity as Historian. I would at this time like to express my thanks for being given the chance to serve in this post.

Fraternally yours,

### OMEGA—RUTGERS UNIVERSITY

Greetings from Omega Chapter! We here at Newark officially said hello to spring and good-bye to winter at our annual dinner-dance held March 7, at The Sorrento in Newark. The quaint Italian atmosphere blended nicely with a succulent turkey dinner, and fine music provided just the right touch for a perfect evening. The affair was a tremendous success and we wish to thank all of our graduate Brothers for coming back to the "old roost" for the night. Besides the tremendous social success our treasurer, Hank Rybicki, informs me that the financial end held its head above water by claiming 100 happy couples.

As far as the Omega Chapter is concerned, spring arrived officially when the first chloroplast bared its hidden chromophore on the bush by our entrance. This humble bud was a signal for all Kappa Psi men to limber up and begin practice for another championship softball campaign. Our

sports chairmen Lou Di Fazio and Nat Carter seem confident that we will triumph this season.

The majority of the junior and senior Brothers of Omega Chapter were overjoyed by Eli Lilly's kind invitation to spend three days in Indianapolis. The Company treated us like pampered princes and really introduced pharmaceutical manufacturing to us. Our only regret for the whole trip is that we could not find the time to visit Beta Upsilon at Butler University as we had originally planned. Perhaps someday we can meet our Indiana Brothers—we sincerely hope so.

Dr. Pierre F. Smith, presently with Rhode Island and previously with Rutgers College of Pharmacy, will honor his Brothers of Omega Chapter on Thursday, April 2, by paying them a visit. Dr. Smith is coming to meet our new officers, and later in the evening attend the annual Rho Chi Honorary Society installation dinner at the New Brunswick campus. Kappa Psi Omega is fortunate this year in having had three of its members elected to Rho Chi. They are Daniel Frascella, Robert Pekaar, and Joseph Gallina. John Lott is another Omega member elected last year.

The New Officers of Omega Chapter are: Bob Cimis, Regent; Gordon Flynn, Vice Regent; Allan Herd, Secretary; Ernest Crane, Assistant Secretary; Mike Valvano, Treasurer; Vince Biancamano, Chaplain; Joseph Gallina, Historian; Peter Duca, Sgt. at Arms; and Dr. Blake F. Putney, Grand Council Deputy. Delegates to the I.F.C. are Allan Herd and Paul Gevaris.

This is the first time I am writing for the Newsletter, and my wish is that I can keep the standards set by my predecessor, John Lott. From all of us here at Omega to all of our Brothers we extend best wishes for success in school, work and in life.

Fraternally yours,

### BETA DELTA—ALBANY COLLEGE OF PHARMACY

Beta Delta Chapter extends a fraternal greeting to one and all the Brothers. This quarter has been the most active the chapter has had in many years.

The most important event was the pledge activities. Pledge week was held and all the pledges could be seen with their red berets walking the corridors of A.C.P. Informal initiation was held and I'm sure to be remembered by all for a long time to come. Formal initiation was held immediately following Easter vacation. The new Brothers and members enjoyed a buffet style dinner following the ritual.

We, the Brothers of Beta Delta Chapter extend our congratulations to the following new members: John Vidoni, James Sheeley, William Shanley, James Cullum, Stephen Maloney, Keith Harris, Craig Johnson, Peter Childs, George Lanciault, Dominick Matarrese, Francis Lee, Francis Alisanski, Floyd Firman, Reed Young, Dean Chaufy, Jon Gallagher, Vincent Grimaldi, Robert Toomajian, Herbert Randall, John Guokas, John Hofmaster, Warren Rolen and David Kosegarten. Our membership has really become greatly enriched with these new members.

The main social event of the year was the Kappa Psi formal dinner dance held at Wolfert's Roost at the end of February. Under the fine chairmanship of Brother "Mike" Loudis, the dance was

a huge success. The Sweetheart and her court were chosen and the 1959 selection for Beta Delta Sweetheart was Miss Mary Beth Minahan who was escorted by Brother Richard Doyle.

In the field of scholarship and scholastic excellence, Brother Dean O'Brien awarded the following their awards: Brother Charles Harsanyi, Brother Philip O'Neil, Brother William Amsden, Brother Frank Damis. Congratulations to a fine group of scholars.

In the department of personal notes we have two surprising and outstanding contributions. Brother Edward Fausel is pinned to the very tiny Miss Dorothy McGregor. Brother Charles Leighton is pinned to the very lovely Miss Eileen Whittington.

Since this is my last article for THE MASK, I wish to thank all the Brothers for their aid in making my articles as good as they have been in the previous years. It has been my utmost joy to do this little task for the Chapter and the Fraternity. May God bless and keep you all and may the Brothers have success in all their future endeavors.

Fraternally and gratefully yours,  
ALBERT V. NICOLELLA, *Historian*

### BETA EPSILON—UNIVERSITY OF RHODE ISLAND

Hello again, to all Brothers of Kappa Psi from Beta Epsilon Chapter at the University of Rhode Island. We all hope you had a wonderful Easter and a very pleasant spring.

During the week of 22-27 January, the junior and senior classes visited the pharmaceutical houses of E. R. Squibb and Ciba in New Jersey.

The student branch of the American Pharmaceutical Association held elections in February and Brothers elected to office were: President, Robert Kaufman; Vice President, Eugene Parker; Treasurer, Robert Ponte; Senior Class Representative, Warren Goolgasian and Membership committee Chairman, Ben Tacelli.

Our own elections were also held in February and those elected to serve for 1958-1959 are: Regent, Thomas Brady; Vice Regent, Dennis Flowers; Secretary, Gene Parker; Treasurer, Robert Kaufman (re-elected); Assistant Treasurer, Ben Tacelli; Chaplain, Alan Earnshaw; Historian, Richard Smith. Appointed to the all-important job of pledge master was Fred Chalifaux.

At a recent dinner meeting, Pledge Robert Ponte and Frank Fallon successfully passed first, second and third degrees and were initiated into the brotherhood of Kappa Psi. We presently have two new pledges, Donald Kaufman and John Pirani.

Beta Epsilon Chapter was pleased to have had the pledge class for Nu Chapter visit us last month. From all indications Nu Chapter can be very proud of their pledges. We hope they and other pledge classes will visit us again soon.

We are unhappy to announce the departure of Brother George J. Cosmides our Grand Counselor, as he will be accepting a position with the National Institute of Mental Health in Bethesda, Maryland. Dr. Cosmides' position will be that of Research Pharmacologist in the Psychopharmacology Service Center. He will play a major role in determining the recipients of research grants and do research work of his own in psychopharmacology. He did a

splendid job while at the University and will be missed by all.

Brother Paul Plateau and Tom Brady will represent our chapter at the Province I Assembly in Albany. Accompanying them will be our facultate brother, Third Grand Vice Regent—Pierre F. Smith.

On our spring social calendar is our Spring Formal. The plans are almost completed and we are looking forward to the best formal yet.

As a final note, we wish the best of luck to the graduating class and to all the Kappa Psi chapters, a pleasant and enjoyable summer.

Fraternally yours,  
RICHARD SMITH, *Historian*

### BETA ZETA—OREGON STATE COLLEGE

Beta Zeta Chapter extends greetings to Kappa Psi Brothers everywhere.

Our last quarter's newsletter was inadvertently lost somewhere so we would like to give all a brief review of our activities to date. October was a busy month for both the local chapter and the Portland graduate chapter. Beta Zeta and the Portland graduate chapter co-sponsored a dance for everyone attending the school seminar and later co-sponsored the Province X Assembly of Kappa Psi which was held in Portland on October 25. Regent Stephen Burton of Beta Zeta presented a report concerning the activities of the collegiate chapter and Walter Stoeffler presented a paper entitled "Methods of Stimulating Scholarship." Dr. Leo A. Sciuchetti, faculty advisor for Beta Zeta, was elected Vice Satrap for the coming two-year period.

A display case, within the school, displaying professional type materials is being regularly redesigned as a service project by Beta Zeta.

On January 7, all prospective members were invited to a get-acquainted chili feed. This was a "first," at least in recent years and provided an excellent opportunity for members to become acquainted with the prospective members and also give the prospective members some idea of the organization and a chance to ask questions. Pledges and members served as help and guides during Dad's Weekend early in February.

Formal initiation followed by a dinner meeting was held February 10, with 15 new members being initiated. They are Keith Mootry, Dean Shrunk, Dan Miura, Ed Caldwell, Don Costa, Roger Tathwell, Roger Parker, Richard Christensen, Bernard Carpenter, Carl Muench, Morris Richardson, Robert Bridgen, Donald Hornstein, Ray Wong, and Darryl Ambrose.

Congratulations to the outgoing officers for a job well done. New officers for 1959-60 were elected at the monthly dinner meeting March 10. The following brothers were voted into office: Walter Stoeffler, Regent; Roger Parker, Vice Regent; Larry Chew, Secretary; Dan Miura, Treasurer; Ed Caldwell, Chaplain; Bernard Carper, Historian; and Dr. Leo A. Sciuchetti, faculty advisor.

Presently ways and means are being studied for establishing a scholarship fund to be awarded annually to a deserving brother within the local chapter. All brothers are looking forward to the annual spring stag picnic.

Fraternally yours,  
BERNARD W. CARPER, *Historian*

## BETA ETA—WEST VIRGINIA UNIVERSITY

Greetings from Beta Eta Chapter. We at Beta Eta have been busy since the last article. At the March meeting we elected new officers, new members, and set a banquet date.

The new officers will be installed the last meeting of this school year. They are: Brothers Dave Miller, Regent; Dave Riley, Vice Regent; Jack Hampton, Secretary; Marvin Simons, Treasurer; Angelo Bonventuo, Historian; Jim Scarborough, Chaplain. We would like to congratulate and to wish them every success in the coming year.

The new members elected were Richard Sago, Jim Lewis, and Paul Malone. We also hope their membership in Kappa Psi will be a successful one. Initiation is to be held April 12.

The annual spring banquet, in honor of the new members, will be held at the Kingwood Inn on April 13. We are all looking forward to this. In the past it has been a very successful and memorable occasion.

Our thanks to Miss Ann Denardi for her contribution to our House Fund. She is a local pharmacist interested in the work of Beta Eta Chapter. She sold antique apothecary jars and donated the proceeds to our House Fund. All of us at Beta Eta certainly appreciate the donation.

This is my last article in THE MASK; the next article will be written by Brother Bonventuo.

Fraternally yours,

HARRY A. COMM, *Historian*

## BETA KAPPA—UNIVERSITY OF PITTSBURGH

Greetings once again from the brothers of Beta Kappa Chapter here in Pittsburgh. The first thing on our agenda this semester was our pledge and rushing program. Thanks go to Harold Singleton, who did an excellent job as head Pledgemaster. The first rushing event was held at Frank Gustine's restaurant in Oakland. The evening was highlighted by the presence of Joseph Palchak, President-elect of the Pennsylvania Pharmaceutical Association. Our second rushing event was a spaghetti dinner at Angelo's in downtown Pittsburgh. This affair was well attended, and the

main feature of the evening was the entertainment provided by four of Beta Kappa's brothers. It seems that John Rosencrance, Ron Leaf, Lee Pfrogner, and James Weis can really do a good job singing as a quartet. This dinner concluded our rushing program, and shortly after, pledge week began. On February 26, the informal initiation was given at Totem Pole Lodge in South Park. Later, on the same evening, the second degree was also administered. After a final vote was taken to admit the pledges, the third degree formal initiation ceremonies were performed at Pat McBride's nightclub. We hope that all Kappa Psi brothers across the country will join with us in welcoming the following men into the Fraternity: Thomas J. Conjelko, Edwin Neal Core, Melvin H. Criswell, William J. Evans, Paul Q. Herwick, William C. Kennedy, Joseph D. Prevote, John W. Roose, Darwin Smith, and Frank Standish.

Congratulations to James Weis, whose wife gave birth to a baby boy recently. Congratulations also go to Brother Charles Evans and his fiancée, for whom the wedding bells will ring this summer. Thanks go to Bob McKenzie, who organized our basketball team, which is doing fairly well this season. Brother Lee Pfrogner was honored recently, as he was elected President of the University of Pittsburgh Pharmacy School Student Branch of the APhA.

At our monthly night meeting on March 19, James Hart, a representative of the Ortho Company, addressed the chapter for approximately one and a half hours. The material which Mr. Hart presented is not regularly covered in Pitt's Pharmacy curriculum, but it was of value to the Brothers in that it is essential that Pharmacists have a working knowledge of Ortho's various products. After the lecture, Mr. Hart permitted the brothers to examine his company's products and answered all of our questions. The friendliness of Mr. Hart, coupled with the fact that he gave up several hours of his own time to benefit us has undoubtedly made the Ortho Company several new friends.

During the month of March, two distinguished men addressed the entire Pharmacy School. They were the Deputy Commissioner of Narcotics of

the United States, and Dr. Apple, assistant Secretary of the APhA. Dr. Apple's talk on the APhA's functions showed many students why they should become active members upon graduation.

Elections were held on April 1st for the new officers of Kappa Psi. The brothers elected to office were: Regent, Charles Evans; Vice Regent, Harold Singleton; Secretary, Robert Garner; Treasurer, Frank Stanish; Historian, Walter Severs; Chaplain, Ben Butler; and John Rosenbrance, Sgt. at Arms.

Looking ahead, the annual Spring Formal will be held at the Ankara on May 16. On the following day, we plan to participate in the annual IF Picnic. Sorry that there is no further report to give on the ophthalmic solution study here. Until the next issue, as usual, all of the Pittsburgh members of Kappa Psi remain

Fraternally yours,  
WALTER B. SEVERS, *Historian*

## BETA LAMBDA—UNIVERSITY OF TOLEDO

Hi Brothers,

The Brothers here at Beta Lambda Chapter hope that everyone has recovered from the spring vacation and that they are ready for that last long haul until June.

We are really busy with activity in anticipation of our Sixth Annual Dinner Dance in honor of the graduating seniors. The dance on May 2 will be a formal affair with white dinner jackets and plaid cummerbunds. The affair should really be terrific because everyone is really digging in and doing his share. All the Brothers wish to thank Jerry Ingle and Don Duran for their diligent work in promoting the affair.

Just before spring vacation we took in twelve pledges who may some day replace the fine crop of seniors who are leaving soon. They are John Miller, Russell Miller, Lee Mayer, Bob Petrick, Gene Beir, Dave Rodgers, William Swartz, Ronald Peters, John Ritner, Joe DiPasquale, Roy Bleisath, and Carl Sigler.

Congratulations are in order for both new and old officers of Beta Lambda—the old officers for a job well done and the new officers in being elected to lead Beta Lambda on to higher plateaus. The new officers for the incoming year of 1959-60 are: Dick Bajus, Regent; Glen Reeder, Vice Regent; Ronald Johnston, Secretary; Jerry Ingle, Treasurer; Judson Clements, Chaplain; Andy Kindle, Historian.

We Brothers hope that we see all of you at the Province V Assembly at Ferris Institute, Big Rapids, Michigan. We know the Brothers of Gamma Chi Chapter will show us a good time.

So, till then I would like to wish all Kappa Psi Brothers a pleasant summer with a lot of good luck on the finals.

Fraternally yours,  
ANDREW F. KINDLE, *Historian*

## BETA XI—UNIVERSITY OF NORTH CAROLINA

The new year started with a flourish for Beta Xi with a very successful Pledge Weekend on the 6th and 7th of February. The weekend began with a Cabin Party on Friday night, complete with Nick Kearn's Combo and a blazing log. Follow-

ing an enjoyable banquet at the Carolina Inn with some of the faculty attending, Brothers, Pledges, and dates danced to the music of the Duke Ambassadors. Pledges and dates were presented in the figure, which was in the shape of a Kappa Psi Badge. Favors were paddles for the pledges and small mugs for their dates.

Soon after equilibrium was again reached (labs, labs, labs), Beta Xi elected and installed its officers for 1959-60. Our Regent is William Whitaker Moose, better known as "Whit." Under his guidance, the following are working for the good of the chapter and Kappa Psi: James Ralph Hickmon, Vice Regent; Charles Farris Himes, Secretary; Norman George Bowen, Treasurer; Kent Loewe Huffman, Historian; Ben Phillip Daughtry, Chaplain; Charles Laurence Lazarus, Pledge-master; Edward Franklin Jenkins, Social Chairman; James Paul Sheets, Intramural Manager.

February 25 was a big day for these pledges: Robert Layton Barbour, Samuel Stephen Goodwin, James Alden Hathcock, Jr., Gerald Franklin May, Jerry Rogers Price, Jessie Van Putnam, Van Darwin Weaver, Frank Flowers Yarborough, and James Neville Zachary—they received their first degree and began to work diligently on Fraternity and school improvement, preparing for their second and third degrees, which were conferred on March 4.

Realizing the depletion of the pledges' ranks, earlier in the evening on March 4 the following were pledged: Rufus Linwood Daughtry, Everette Matthews Dunn, Adrian Clay Cupon, George Collins McLarty, Richard Buxton Overton, and Ronald Tucker Tripp.

With spring's glow warming our chilly bodies here at Beta Xi, the salt water urge hit us, so operations for the weekend of the Azalea Festival at Wilmington were moved to a cottage at Wrightsville Beach. Although many of the 20 couples that attended basked in the sun all weekend, some brave souls faced the traffic into Wilmington to see the parade (particularly Deborah Paget, the queen) and other events of the Festival. A quick vote shows many sunburned "thumbs up" for this weekend as one of Beta Xi's best ever.

Never tiring, the Happy Kappys are now looking forward with great anticipation to our Pharmacy Weekend, which is sponsored by the school. Included in the festivities are a picnic, cabin party, Kappa Psi open house, Kappa Psi banquet and champagne party, and a formal dance. It will be held May 1, 2, and 3.

A large delegation of Carolina Kappa Psis will be attending the Province III Assembly in Richmond, Virginia on the 10th and 11th of April, and several brothers are already making plans to attend the National Convention in Cincinnati. We hope to send a large delegation to Cincinnati for the dates of December 28, 29 and 30.

All the brothers in the house are presently in the process of shoving piles of junk under beds and hiding various signs and wall decorations, because on April 26, parents, wives, and dates will invade the house on Parents' Day, an annual affair at Beta Xi.

Several brothers have become engaged recently: Bill Allen, our immediate Past Regent, Gary Faulkner, Tom Fraley, Charles Loughlin, and Larry Thomas. Until next issue, best wishes from us all here at Beta Xi.

Fraternally yours,  
KENT HUFFMAN, *Historian*

## BETA UPSILON—BUTLER UNIVERSITY

Greetings from Beta Upsilon Chapter. As the newly elected Historian, I hope that I can discharge the duties of this office with the ability of our past Historian, Brother Dean Vest.

The chapter held an election on March 25 for the purpose of electing new officers for this year. They are as follows: Regent, J. J. ("Jim") Viskocil; Vice Regent, Richard Thomas; Secretary, Carl L. Meyer; Treasurer, Gordon R. Harde, Historian, Charles O. Skaggs; Chaplain, Leonard J. Skuda. The brothers of the chapter all join me in expressing our sincere appreciation for the outstanding job performed by the outgoing officers. Congratulations on a job well done!

Informal and Formal Initiation was held on February 15 for the following new brothers: William Reed, Sellersburg, Indiana; Carl L. Meyer, Indianapolis, Indiana; Gary Lightfoot, Eureka, Illinois. Following the ceremonies, a banquet was held at a local restaurant.

Eleven junior students from Ferris Institute Pharmacy School who are brothers in Kappa Psi—Gamma Chi Chapter were greeted and escorted around Indianapolis by Brothers Walt Happ, Dean Vest, Dave Dodge, Chick Bagley, and Jim Viskocil. The brothers from Gamma Chi (we neglected to obtain their names) were in the city to visit Eli Lilly & Co. They enjoyed the "grand tour" we provided as well as the interesting side-lights. We want to extend the Fraternal welcome to Kappa Psi Brothers who may be visiting the city for any reason.

The window display titled "Symbols of Pharmacy" which this chapter sponsored downstairs in the pharmacy building evoked quite favorable responses from the faculty and students. The colors were brilliant green and white. The various symbols were displayed wonderfully and were in good professional taste. Our appreciation goes to Brothers Vest, Skuda, Viskocil and Riffer for their hard work and artfulness.

The chapter in cooperation with Ayerst Laboratories provided a film titled "Modern Concepts of Epilepsy" for public viewing in the pharmacy building on March 13th. A representative of Ayerst and Brother Watt officiated the questions and the distribution of the literature afterward. It was very informative and enjoyed by all who attended.

Mid-term has slipped past us and the final long stretch of the semester is upon us. The summer months (and finals!) are ahead at last, after a long and hard winter. The juniors and seniors have the trip to New York and Washington, D. C. on April 13 to 17 to look forward to now. They will visit E.R. Squibb & Co. in New York and the National A.Ph.A. Headquarters in Washington, D. C. Many other sights will also be included during their stay.

With these remarks I shall close. Until next issue, I remain

Fraternally yours,

CHARLES O. SKAGGS, *Historian*

## BETA CHI—DRAKE UNIVERSITY

At the first meeting of the new semester, the Brothers of Kappa Psi, Beta Chi Chapter, chose their officers for the new year. They are: Jim Rodberg, Regent; John Szarsyski, Vice Regent; Jim Ellefson, Secretary; Bill Bell, Treasurer; Ron

Pochocki, Historian; Dr. Maurice C. Andries, Chaplain; Dr. Boyd C. Granberg, Grand Council Deputy; and Ron Kuhn, Pledge Trainer.

The new officers, full of ambition and new ideas, were installed on February 18 following the return of the juniors and the seniors from the annual tour of some of the pharmaceutical companies. While on the trip, some of the brothers had the chance to renew old acquaintances with J. R. Ellis '57, who is now employed in pharmaceutical research for Abbott Laboratories.

With the semester a little over half-way through, the men of Kappa Psi have shown their leadership in both scholarship and sportsmanship.

We had eight out of the fourteen persons on the Dean's Honor List, and three more Brothers were initiated into Rho Chi. The Brothers who had over a 3.50 average are John Bryant, Doral Colton, John Martin, Marty Mihm, Gordon Miyaki, Robert Stevens, John Szarsyski and Jim Wonder. The new members of Rho Chi are Bill Alexander, Art Heng, and John Szarsyski.

Although spring weather has now hit the Drake Campus, the snow was deep when the basketball team, the Kappa Psi Grays, took fourth place in the all-university intramural playoffs. The Grays wound up with a 6-2 season. The deliberate-playing, balanced team included: Jim Rodberg, Marty Mihm, Denny Radtke, Ross Johnson, Dale Sargent, and Mike Sack. The team was coached by Bob Butzow.

The Spring Activation Banquet was held at "Johnny and Kay's" on March first. After a steak dinner with all trimmings, Sherman Blankenship, Wayne Crozier, Ron Kostron, Bob Krunnfusz, Gordon Miyaki, Warren Peterson, and Dave Samp were initiated into the ranks of Kappa Psi. Wayne was also named outstanding pledge.

Under the able editorship of Bob Schwindman and with plenty of salesmanship on the part of the active chapter and the pledges, "The Post-Script" is progressing nicely toward an early completion and a sizeable increase to the house fund.

After the Spring Smoker at the Hotel Fort Des Moines, all but one of the men that attended pledged. Included in the group of two juniors, nine sophomores, and three freshmen are: Ed Anstine, Don Brander, Morrie Carlson, Bob Eiten, Allen Fann, Bob Greifenstein, Dave Lifka, Charles Kavlock, Bob Knight, Jim Lee, Larry McGonigal, Mike Sack, Dale Sargent, and Terry Welcome.

Most of us are now deep in plans of decorations and floats for the celebration of the 50th anniversary of the Drake Relays. The College of Pharmacy will only submit one float as a result of the combined efforts of all of the students.

Fraternally yours,

RON POCHOCKI, *Historian*

## BETA PSI—UNIVERSITY OF WISCONSIN

Greetings again from Beta Psi Chapter. We hope everyone enjoyed their Easter Vacation as much as we all did here.

Since the last issue of THE MASK, the following men were pledged into Kappa Psi and are now nearing the end of a successful pledge period. Michael G. Guy, Gerald D. Hapka, James A. Rogowski and Conrad L. Subczak. These men are all from Milwaukee, Wisconsin. Also Harland E. Lee, Cashton, Wis.; Peter G. Morton, Neenah, Wis.; and Allen A. Suehs, Wauwatosa, Wis.

On March 10, Dr. R. W. Hammel of Uni-

versity of Wisconsin School of Pharmacy, was the speaker at our first Professional Meeting of this semester. His topic was Retail Advertising Policies of Pharmacy, which was very timely and interesting.

Saturday, March 14, the annual St. Pat's party was held and turned out to be one of the best parties of the year.

Our second Professional Meeting was on March 24 with representatives of the Charles Pfizer and Co. They spoke to us about Industrial Pharmacy and of the many opportunities of employment.

Many Beta Psi Brothers enjoyed the marvelous hospitality of Eli Lilly & Co. on April 5, 6, & 7, while on a university sponsored field trip to Lilly plants in Indianapolis. This trip was exceptionally interesting and educational.

The third Professional Meeting of this semester was held April 9; with the speaker being Mr. Paul Pumpian, Secretary of The Wisconsin State Board of Pharmacy. He is in the process of revising the interne program of Wisconsin, and this meeting helped to clear up some points about the program. It has been said that with this new program Wisconsin will have one of the finest programs for internes in the U.S.A.

Sincere congratulations are in order for the Brothers of all chapters who will graduate this June and the group from Beta Psi deserves a second congratulations for the valuable contribution they have made towards improving our chapter. We wish them all the success and happiness possible.

Fraternally yours,

BOB NELSON, *Historian*

### BETA OMEGA—TEMPLE UNIVERSITY SCHOOL OF PHARMACY

Greetings and best wishes to the men of Kappa Psi from Beta Omega Chapter as we enter into the home stretch of another school year. We've been quite active here, since you last heard from us, so we'll get right into the news. A good pledge class of 19 freshmen was inducted into the chapter on April 8. Later that same evening, the new Brothers joined in the throwing of a farewell party for the seniors. Our new Brothers are Aviars (Ivy) Berkis, Doug Brunner, John Claar, Vance Epley, Howard Harpel, Harry Lautenbacher, Bill Louney, Mike Maliniak, Tom Renner, Tom Rinsland, Howard Toto, Ralph (Chico) Bryon, Louis Gould, Steve Pettner, Anthony Del Piano, Bill Hammerschmidt, Ted Van Dever, Roland Davis, and Frank Buono.

The election of officers was held recently, and we are proud to report the names of two Brothers who were successful in winning a second term in office. Stan Kulaga our Regent from West Reading was re-elected to that important position. George Grinaway from Shamokin, who you will remember as our former Historian has moved on to the office of Treasurer. George was replaced as Historian by Richard Wagner of Palmerton. The other new officers of Beta Omega are Jack Silberstein from Renovo, Vice Regent; Jack Reinhart from Highspire, Secretary; and Dave Wilkinson of Williamsport, Chaplain. Dr. Charles F. Peterson and Prof. John A. Lynch were unanimously re-elected to the positions of Grand Council Deputy and Assistant Grand Council Deputy respectively.

Honors were brought to Beta Omega Chapter, when four of our men were elected to membership in the Rho Chi Honorary Society. I hope you will

join with me in extending most hearty Kappa Psi congratulations to Brothers Larry Snook, Alexander Monte, George Grinaway, and Stan Kulaga on their success, and also for upholding the fine scholastic traditions of our Fraternity.

An event which I am sure will be of interest to all the men of Kappa Psi took place on April 1. The alumni association of the school of pharmacy honored our Grand Secretary-Treasurer, Dr. Frank H. Eby with a testimonial dinner held in Philadelphia's Warwick Hotel. Regent Stan Kulaga, Vice Regent Jack Silberstein, and Grand Council Deputy Dr. Charles F. Peterson represented this chapter at the dinner. I'm certain I speak for the entire Fraternity in saying, "Congratulations Dr. Eby!"

For the second consecutive year Beta Omega fully sponsored a program of free polio inoculations in the school. This year the program was carried over a period of two days. Last year's program was very successful and the chapter was highly commended for its work. This may be a good idea for some more of our chapters.

Socially, the most important event was the recent "playboy party." We had between 70 and 80 couples at the affair, and all had a very good time. We are now looking forward to the big event of the Beta Omega social year, the spring formal. The formal is to be held May 2 at Melrose Country Club. The dinner dance at the country club will be preceded by a cocktail party at the house and followed by another party at the house. This promises to be quite an evening for the Brothers and guests of Beta Omega.

Wishing you the best of luck and a very enjoyable summer, I am

Fraternally yours,  
RICHARD M. WAGNER, *Historian*

## GAMMA GAMMA—THE UNIVERSITY OF TEXAS

Gamma Gamma Chapter was privileged with an enjoyable and informative visit from Brother Milton L. Neuroth, Grand Regent of Kappa Psi, on February 24. A Chapter Dinner in his honor was held that evening at the Deck Club of the Commodore Perry Hotel, here in Austin. As a token of our appreciation for his presence and as a memento of his visit to our state of Texas, Grand Regent Neuroth received a genuine Texas Stetson. Gamma Gamma was pleased with the fine turnout to welcome our Grand Regent, both by our members and by the faculty of the University of Texas College of Pharmacy. A chapter meeting was held immediately following the dinner at which Grand Regent Neuroth stressed the importance of objective service responsibility, recruitment in Pharmacy, and service to the community by way of local cooperation. His visit and suggestions have stirred new blood into Gamma Gamma which wishes to express our thanks to him.

Speaking of new blood hits home to the all-important project being carried on by Gamma Gamma Chapter, the University of Texas Blood Drive. The annual campus drive, in cooperation with Alpha Phi Omega Service Fraternity, got under way February 22 with a seven-day solicitation of donors. Approximately 250 persons have pledged which is quite lower than our goal of 1,000 but represents a much greater number than pledges in past drives. The actual blood donations will be made from April 20 to 23. The goal of the drive is to establish a University "Bank" for blood so that students can draw off their own blood supply. Help is given to the local bank which has come to the rescue of many students and faculty members in the past.

On February 7, Kappa Psi initiated fourteen new brothers in Gamma Gamma Chapter on Mr. Green's property on Lake Travis. We are proud to have them as members and are certain they will be a great asset to the Fraternity. The new brothers are: Johnny Anderson, Warren Awalt, Jim Coleman, Conrad Garcia, John Elam, Jim Hubble, Rudy Klecka, Paul Perry, Eligio Saenz, Roberto Saenz, Joe Steinbach, Robert Varley, Rudy Voigtel, and James Walker, Jr.

John Elam was elected vice president of the Freshman Class for the spring of 1959. We are also proud to present the members of the spring pledge class. They are: Allen Anderson, Mark Garner, Fred Hodges, Walter Larson, and Barnett Lew.

Dr. Frank Cosgrove and Dr. Wallace L. Guess, College of Pharmacy faculty members and members of Kappa Psi were chosen as Co-Advisors for Gamma Gamma, by the chapter for 1959. In March of this year, Gamma Gamma installed Dr. E. H. Djao as a faculty member of Kappa Psi. Dr. Djao is an assistant professor of pharmacognosy here at the University of Texas College of Pharmacy.

Gamma Gamma held its Chapter Dinner Meeting for March on the 29th. Guest speakers for the meeting were Dr. P. L. White, director of the Student Health Center, and Randal Posey, Student Assemblyman for the College of Pharmacy.

Fourteen members of Gamma Gamma Chapter were on the Honor Roll of the College of Pharmacy for the spring semester, a fact all members of Gamma Gamma are certainly proud of, since we do strive for scholarship. In closing let me remind

## GAMMA ETA—MONTANA STATE UNIVERSITY

Greetings from the Brothers of Gamma Eta Chapter. Toward the close of this winter quarter we had an election of new officers for the remainder of this year and the ensuing year. Those duly elected were Howard Kenna, Regent; Ben Tempel, Vice Regent; John Nelson, Secretary; George Anderson, Treasurer; Jim Schaal, Assistant Secretary-Treasurer; Charles Wicks, Chaplain; and Robert Werle, Historian. The new officers and members would like to extend their congratulations for a job well done by the retiring officers and graduating seniors of Gamma Eta.

Gamma Eta takes pleasure in introducing its pledge class. We are proud to have them and are sure they will be an asset to the Fraternity. The pledges are: William A. Anderson, James T. Clay, Michael J. Cousins, Garry M. French, Tom Nash, Leon C. Odegaard, Robert L. Tirrel, Gary T. Woodson, Dick E. Adams, Herbert Adams, Gary Glizer, Mike Hodge, Harold Olson, and Jack Therrien. A formal initiation will be held April 8, 1959.

With the advent of spring, along with the disappearance of the snow, we are looking forward with great anticipation toward our annual spring outing in the Seeley Lake country and our Pharmacy School picnic. Plans are now being formu-

lated for the appropriate time which would be best suited for all.

Under the guidance of our new officers and new members to be, we are continuing our luncheon meetings along with new programs for obtaining funds necessary to continue our participating in worthwhile projects, one of which is the purchasing of books for the library from a list submitted by a committee composed of our advisor and two other members. We are anticipating many professional meetings this quarter along with guest speakers from varied fields and their relationship to Pharmacy. All and all this will be a most interesting quarter.

On the personal side, Brother Jim Schaal is the father of a baby daughter.

Until the next issue of THE MASK, I remain

### GAMMA THETA—UNIVERSITY OF KANSAS CITY

Since the last time that I talked with all of you, Gamma Theta Chapter of Kappa Psi has been very busy.

On January 6 we held our informal and formal initiation for new members. The dinner was held at the Black Angus. From here we proceeded to the school where the informal and formal initiation was held. New members initiated were William Davis, Glenn Degraffenrud, Anthony Distefano, Fred Fellers, Richard Gardner, Jim Ray, Ray Pagacz, John Schultz, and Charles Thomas.

Kappa Psi held its first joint project with the sister organization, Kappa Epsilon.

Kappa Epsilon and Kappa Psi helped with the 6th District annual pharmacy convention held this year at the hotel President. Kappa Psi provided transportation from the airport to the hotel while Kappa Epsilon helped with the registration.

Dr. Rost and his wife are determining grade point averages of Kappa Psi and Kappa Epsilon of the last semester to establish which organization will be the victor.

We are aiding the Student Branch of the American Pharmaceutical Association of the University of Kansas City in making plans for their annual dinner-dance. This dinner-dance will be held at the junior ballroom of the Town House Hotel in late April.

We have been discussing plans for a fraternity house for our chapter. We feel that this house will be an asset to the school and will be more convenient for holding local and chapter meetings.

All the boys' shining faces were present for the yearbook pictures taken in front of the pharmacy building.

Many of our fellow members enjoyed a pleasant trip to Indianapolis, Indiana, where they were guests, along with the other members of the junior and senior class, of Eli Lilly and Company.

Gamma Theta Chapter is actively engaged in sponsoring Ron Hower as our candidate for the "Ugly Man" contest being held on campus. Each vote cast for a candidate cost one penny, the proceeds going to the Jackson County Society for Crippled Children. All of the other students have joined us in supporting our candidate. Eighty dollars has been collected to date.

Fraternally yours,  
WILLIAM RICHMOND, *Historian*

### GAMMA IOTA—UNIVERSITY OF BUFFALO

Gamma Iota has just finished a rigorous rush program under the direction of rush chairman Bob Buchanan. This rush period included two rush parties featuring informative speeches by the faculty and fraternity officials. The results of this rush period are sixteen pledges. Congratulations to these prospective brothers. I am sure they will all be an asset to Kappa Psi. These sixteen pledges will almost offset our loss of seventeen seniors in June. The pledges are now learning the ways of a Brother in Kappa Psi under the direction of Pledge Master, Paul Scavone.

Gamma Iota again held our Valentine's Day dance the "Cupid's Capers." The dance featured an excellent band and was another success due to the efforts of the "Falls Folders."

Approximately ten brothers are planning to attend the Province V Assembly on April 11 in Grand Rapids, Mich.

Plans are being made to purchase a cottage at nearby Crystal Beach, Ontario. Kappa Psi has rented in the past but we hope to buy a cottage either on our own or in conjunction with the graduate chapter.

Bob Buchanan was recently elected Secretary of Gamma Iota. Several seniors have announced plans for summer weddings. These include: Regent Jan Madejski to Rose Crimaldi; Roxy Ferrara to Jo Costa, and Paul Scavone to Jackie Stadel.

Dick Lamparelli and his committee are busy making plans for this year's Dinner Dance in June. This is our biggest event of the year and graduates are urged to attend.

Fraternally,  
ART CRAMER, *Historian*

### GAMMA KAPPA—SOUTH DAKOTA STATE COLLEGE

Greetings from the Brothers of Gamma Kappa Chapter:

On Heart Sunday—February 14, the members of Gamma Kappa Chapter headed the annual Heart Fund drive in Brookings. The town was divided into districts with one of the active members serving as captain of each district. Other members of the chapter and students in the pharmacy division were placed under each captain to help canvas the town. A total of \$1299.72 was collected.

The chapter would like to congratulate Brother Dick Manthei on being elected to the position of Vice President of the Student's Association of South Dakota State College. Kappa Psi along with the Student Branch of the American Pharmaceutical Association helped sponsor Brother Manthei in the election.

After the business meeting on March 11, 1959, the members watched Dr. John Tanaka, assistant professor of chemistry give a glass blowing demonstration. Dr. Tanaka explained the history and told how glass was blown years ago. Then he showed how it is done today. He had several pieces of equipment for us to see and several of the pieces of special chemical apparatus he had made to use in research laboratories in the chemistry department.

Gamma Kappa Chapter elected to enter a candidate in the Miss South Dakota State College Contest. Our candidate is Miss Jackie Mann.

A preliminary contest closed to the public will soon be held and the final contest will be held in May. The winner of the Miss South Dakota State contest will be entered in the Miss South Dakota contest from which the winner of that will enter the Miss America Contest.

We are planning on issuing invitations to twenty-five new members for the chapter. A smoker will be held April 8 to become acquainted with them and for them to become familiar with the workings of the Fraternity.

At the meeting of April 1, the officers for the coming year were elected. They are as follows: Regent—Tom Brown; Vice Regent—Terry Casey; Secretary—Jim Lowe; Treasurer—Larry Torguson; Historian—Tyrone Steen; Chaplain—Don Lord and Grand Council Deputy—Dr. Norval Webb. The Brothers of the chapter would like to congratulate these men for being elected to their positions. They will be installed at the April 15 meeting.

That's about all the news for this time and since this is my last time to write for THE MASK, I would like to wish the best of luck to all my Brothers in Gamma Kappa and the chapters of Kappa Psi throughout the country.

Fraternally yours,

LARRY LEIGHTON, *Historian*

### GAMMA LAMBDA—NEW ENGLAND COLLEGE OF PHARMACY

Upon return from Christmas recess, plans got under way to begin our first pledge program. On February 4, an informal mixer was held at "Club 13" to acquaint the prospective pledges with the Brothers of Gamma Lambda Chapter. On February 11, nine candidates were selected to make up the first pledge group in the Chapter's history.

At a subsequent meeting the pledge program was set up with Brother Don F. Schmidt elected as the Pledgemaster. The pledge committee consists of the following Brothers: Dave Henry, John De-Nicola (Regent), Norm Miville, Joe Racicot, and Don Schmidt serving as chairmen. At the first meeting of the pledge committee the pledge program was outlined and reviewed. The program consisted of weekly examinations on pertinent information which was extracted from the Handbook. To assist the college, a total number of 30 man-hours was devoted by the pledge class. The college projects consisted of assisting the librarian; helping office staff; and aiding the alumni association with clerical duties. Other projects assigned to the pledge group were the construction of a 3½ by 2½ foot bulletin board and a scrap book for the chapter.

Following the third meeting with the pledge group, a ravioli supper was held at the "Hill House" for all Brothers and pledges. A good time was had by all!!!

The pledge program began with nine candidates, but during the third week of the program one pledge was dropped. With all projects completed, the Brothers held a meeting on April 2 and set April 10 as the date for initiation to be held at Adamo Hall in the college building.

The Brothers of Gamma Lambda Chapter feel that the success of the pledge program was due to the excellent leadership of their Pledge Captain, William Bennion and Pledgemaster, Don Schmidt.

### AT GAMMA LAMBDA'S SUPPER PARTY 1196

Pledges and members gather after a ravioli supper at the "Hill House."

The pledges include the following: William McGowan, Norwood, Mass.; Robert Cadwell, West Haven, Conn.; John Merianos, Keokeai-Sparta, Greece; David MacFarlane, North Caldwell, N.J.; Harold Harris, Greenville, Me.; Paul Farrel, Waltham, Mass.; William Bennion, Kenmore, N.Y.; and David Perusse, Lawrence, Mass.

The Brothers of Gamma Lambda Chapter wish to extend their thanks to the Brothers of Mu Chapter at Massachusetts College of Pharmacy for guidance received during this program.

We understand that Brother Al Travers and Norm Miville had a most enjoyable time at the Mu Chapter's Smoker.

Fraternally yours,

GAMMA LAMBDA CHAPTER

### GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

Gamma Pi held a mixer at the house on March 13 for the school and six nurses residences. St. Pat's Day was celebrated and refreshments were served.

Our annual spring dance was held April 3 in the Empire Room of the Ambassador Hotel. Our graduate chapter which was recently formed held their second meeting before the dance.

One of the big projects of the year is the school yearbook. It was completed mid-March and delivery is expected sometime in May at which time it goes on sale. It should prove to be our best effort to date.

We wish to welcome nine new members who were initiated on March 9. They are as follows: Richard Bazzoni, Timothy C. Dolan, William J. Galluzzo, Larry F. Kimbel, Philip J. Nuendorff, Kenneth L. Ozment, Robert W. Schwartz, Charles Winders, and Peter A. Zimmerman.

A formal dance is scheduled May 3 for graduate, facultate, and collegiate brothers. This is a new idea for our chapter and we hope it is a success.

Congratulations are in order for our new officers who were elected the first Monday in April. These include: Brother Mulcahy, Regent; Brother Schnaare, Vice Regent; Brother Tharp, Secretary; Brother Ozment, Treasurer; Brother Waltz, Historian; Brother Buttitta, Chaplain; and Dr. Henney, Grand Council Deputy.

On January 12 the original meeting of the St. Louis Graduate Chapter was held and first Grand Vice Regent James R. Thayer presided. The following officers were elected: Vernon Wilson, Regent; Jim Ross, Vice Regent; Ben Hesselberg, Treasurer; and Gerald Henney, Secretary.

Fraternally yours,  
GEORGE M. NAUERT, *Historian*

### GAMMA SIGMA—THE UNIVERSITY OF FLORIDA

Greetings from Gamma Sigma Chapter to all our fellow Brothers.

With the coming of the spring semester we all jumped into the middle of things. We began on March 6, 7, and 8 by participating in the annual Engineer's Fair. Kappa Psi, along with our Brother Pharmacy Fraternity, Rho Pi Phi and Sister Pharmacy Sorority, Kappa Epsilon, held Pharmacy Open House. We hope we succeeded in cementing better relationships between our profession and the public. We feel we were successful in this since we had such a tremendous turn out for our exhibits the entire three days that the Fair ran. Brothers and pledges had their hands full all week-end.

On March 17, the Brothers, pledges, wives, and faculty guests enjoyed a delicious meal and a very entertaining talk on Perfumery by our own Dr. Lauter. The formal initiation of nine pledges was the occasion for the festive banquet. We are happy to welcome into our chapter these new Brothers: Wayne Bowen, Reginald Kurfiss, Dick Magee, Nick Miaoulis, Jerry Sapp, Ronald Smith, Robert Taylor, Jim Volkman, and Joe Wise.

On March 22 the three fraternal organizations of our college of pharmacy, Rho Pi Phi, Kappa Epsilon, and Kappa Psi had a joint picnic at Lake Wauburg. A great time was enjoyed by all.

Bob Ross won the Borden Scholarship Award for the school year 1958-59. It is a \$300 cash

award, presented to the junior who has the highest scholastic average for that year.

Gamma Sigma extends our congratulations to all graduating seniors, and to all our Brothers everywhere.

Fraternally yours,  
VAL CATHEY, *Historian*

### GAMMA UPSILON—UNIVERSITY OF ARIZONA

The Spring semester is rapidly drawing to a close and the Brothers here at Gamma Upsilon are working hard.

Four of our Brothers will soon achieve their goal, and we wish them every possible success in the years to come. Congratulations to Walter Lindner, Otho Hulsey, William Huster and Henry Mollner.

Coming up soon will be the initiation of new members, and a dinner to be held at the Golden Drumstick in their honor.

We have high hopes of vanquishing Phi Delta Chi at the annual Lyman's day picnic held in honor of Dr. Rufus A. Lyman, the founder and first dean of our College of Pharmacy.

With elections of new officers also in the offing and the close of rush season, our activities will taper off in preparation for the not too distant finals.

The passing of Jose S. Colunga, an Honorary Member of Gamma Upsilon, has saddened us all. Mr. Colunga was the Mayor of Nogales, Arizona and the owner and operator of the Modern Pharmacy in that city. He was also a full fellow in the American College of Apothecaries and a member of the legislative committee of the National Association of Retail Druggists.

We are very happy for and proud of Dr. Albert Picchioni (Kappa Psi), Professor of Pharmacology, who was named Pharmacist of the Year by the State Convention of Arizona Pharmacists held at Phoenix this past week. Dr. Picchioni estab-

My allotted time as Historian has all but run its course, so I will say goodbye with this, my last newsletter.

I have enjoyed the privilege immensely and I would like to wish the best of all good fortune to all the Brothers in Kappa Psi.

### GAMMA PHI—UNIVERSITY OF GEORGIA

Greetings to all Kappa Psi Brothers from Gamma Phi Chapter here at the University of Georgia. We sincerely hope everyone made it through the winter safe and sound and that spring will show promise of great things.

On the weekend of March 5-7 the Pharmacy School held Open House on the campus. Previously, letters were sent from Dean Waters' office to various high school pupils throughout the state, inviting them to visit the campus and the Pharmacy School. Student guides conducted informative tours through the building. Also, there were displays and demonstrations manned by the students. Kappa Psi members were instrumental in making this one of the most successful projects ever held by the Pharmacy School.

Gamma Phi Chapter is very proud of its spring quarter pledge class. We know they will be a credit to the Fraternity and to Pharmacy. Those to be initiated on April 3 are as follows: Benton Bowen, Don Vinson, Barney Crouch, Mack Swafford, James Slater, Don Davis, Edward Brewton, Jimmy Simmons, Charles Hemphill, Charles Hill, Earnest Wooten, James Stokely, Tommy Lee, Louie Warthen. This is one of the largest pledge classes in recent years and we know they will take it upon themselves to live up to expectations.

Sportswise, Kappa Psi's basketball team is to be congratulated on placing second in Professional League play. Brother Jeryl Pinnell is a member of the Georgia varsity baseball team, which has just begun its season. The Bulldogs will open with a tour of games in Florida. Brother Tommy Blakely, a member of the Georgia swimming team, garnered two silver medals at the SEC Championships held in Gainesville, Fla., March 5-7.

With the coming of warm weather all Kappa Psi members fondly look forward to the annual Anniversary Ball. This dance is the highlight of the spring social calendar and is enjoyed by everyone. Other events are also on tap for this the final quarter of the year.

Kappa Psi Brothers will soon meet to elect next year's officers. The chapter is growing steadily and leadership will not be hard to find among returning members. A great deal of credit is due this year's officers for the progress the chapter has made. 1958-59 officers are Lotie Allen, Regent; Roy Tyson, Vice Regent; Ronald Jowers, Corresponding Secretary; Beno Harkleroad, Treasurer; Paul Sikes, Recording Secretary; Luther Denton, Historian; Wade Hodges, Chaplain.

Congratulations are in order for the Brothers and pledges of Kappa Psi who are members of Alpha Kappa Chapter of Rho Chi. Neal Sessions,

Marvin Peck, George Maloney, and Reuben Smith were initiated into the honor society on March 30. Those with more than one year in Rho Chi are Wade Hodges, Frank Randolph, Al Harper, Ronald Jowers, Luther Denton and Tommy Blakely.

Brother "LL" Denton, who sports the highest average in the June graduating class, distinguished himself further by making Phi Kappa Phi recently. Brother Reuben Smith will rank number one scholastically among August graduates and very possibly could be a candidate for valedictorian of the University.

That's all the news for this issue of THE MASK. Goodbye for now and best wishes from Gamma Phi.

Fraternally,

TOMMY BLAKELY

### GAMMA CHI—FERRIS INSTITUTE

Greetings to all the Brothers of Kappa Psi from the Ferris Institute School of Pharmacy, Big Rapids, Mich.

Spring finds the members of Gamma Chi Chapter in the midst of many activities. We are hosts to the Province V Convention this year. We have a fine program planned and are looking forward to renewing friendships with the Brothers of our Province. We have been busy practicing our skit for the Kampus Kapers. This year we are under the direction of Brothers Koenig Spencer and Chivers. Our act is a take-off on the "This Is Your Life" program and is good enough to place in the competition this year. Spring Formal

this year is to be May 23 and we are expecting many alumni back.

June Graduation will bid many of our Gamma Chi men farewell. Among the twenty-one leaving are: Ron Belill, David Camburn, Lynn Carr, Robert Dykema, Ward Duyser, Bruce Horton, Jon Horton, Douglas MacLean, Robert Manutes, Donald Nordlund, James Ott, Donald Pochron, Richard Reinhart, Roy Salerno, Jack Scofield, Norman Snyder, Harold Taylor, Dennis Walker, Charles Wood, Charles Woronecki, and Eugene Zaffina. We of Gamma Chi feel that we are losing some of the best men our Chapter will ever see and bid them farewell. We know, however, that with them goes the nucleus for a Graduate Chapter which we hope to establish in the near future.

The week of March 2-7 was the date for the Junior Trip this year. Our boys went to Upjohn Company for 2 days and spent the remainder of the week at Eli Lilly Company. While in Indianapolis, we had a chance to realize the scope of the fraternity spirit which exists among Brothers of Kappa Psi. We contacted the Brothers of Beta Upsilon Chapter at Butler University and they promptly volunteered to show us the town. To say that we had a good time would be an understatement. Thanks, Brothers. This year the seniors will visit Parke-Davis Co. in Detroit.

Our ninth Annual Sweetheart Ball was held on February 14, 1959. We added to the prestige by engaging the Tommy Dorsey Orchestra under the direction of Warren Covington. This is a precedent on the Ferris Institute Campus in that it marked the first time a name band has played for a dance. Needless to say, it was a lot of work and required much effort on our part. We had an attendance of 500 couples which is the biggest Sweetheart Ball yet. The first Kappa Psi Sweetheart, Miss Judy Dence of Jackson, was crowned by Dr. Claus, dean of pharmacy. We are looking forward to bigger and better Sweetheart Balls in the future.

Newly initiated members of Gamma Chi Chapter are: Bill Andrus, David Chivers, Ward Duyser, Roger Lickteig, Thomas Lindley, Gary Marklund, Norman Snyder, James Thomas, and Harold Wells. Congratulations and welcome to Kappa Psi, men.

Officers for the 1959-60 year are: Bill McCarthy, Regent; Ronald Schmidt, Vice Regent; Pete Quisenberry, Secretary; Bill Spencer, Treasurer; Dean Recknagel, Historian; Phil Eldredge, Chaplain; Jack McGinnis, House-Manager; and Jim Volk, Alumni Secretary.

We congratulate Brothers Dave Camburn, Ronald Conn, Jon Horton upon their engagements and Chuck Wood who was married over the Easter vacation. An interesting note is that Brothers Dick Dage, Paul Volk, Jack Lajiness, George Valley, Robert Manutes, Chuck Woronecki, Roger Stroh, and Norm Snyder managed to make it to Florida over the spring vacation. This is quite a feat considering that the mode of transportation was Brother Dage's 1949 Ford.

This completes the news from Gamma Chi Chapter. We wish all Brothers a very enjoyable summer and anxiously await the next issue of THE MASK when we will hear from all of you.

Fraternally,  
DEAN RECKNAGEL, *Historian*

## GAMMA PSI—SOUTHERN COLLEGE OF PHARMACY

The Brothers of Gamma Psi Chapter elected new officers for the coming year, and they took their positions with the united feeling of bettering the chapter and raising its standards even higher than they are at present.

Ken Williams is the new Regent, Charles LeFevor—Vice Regent, Paul Pierce—Secretary, J. T. Briscoe—Treasurer, Carlton Evans—Chaplain, Bill Kelly—Historian, and Ed Jenkins—Student Council Representative.

Seven pledges were initiated last quarter, and several more will become brothers early in this quarter.

The chapter raffled a portable T-V set and made over \$375 on it, which will be used for the fabulous banquet in May.

Kappa Psi, living up to its reputation of being "the best," took the 1959 basketball championship again this year by trouncing Phi Delta Chi three times during the season.

Fraternally yours,  
BILL KELLY, *Historian*

## CONNECTICUT GRADUATE CHAPTER

The Oasis Restaurant in Orange was the site of our January meeting. Director Gordon Maguire invited as guest speaker Carmen Donarumma, professor of history at Fairfield University. Professor Donarumma's unique speaking style was very enjoyable and his talk on the evils of Communism gave each of us something to think about. It was reported during the business meeting that the Student Loan Fund is functioning well and that its treasury is in a healthy state. Nelson Powell was elected to membership in the chapter. Elected delegates to the Province I Assembly were Brothers Robert Grieb and Roman Panek. Alternates elected were Brothers Gordon Maquire, Nicholas Fenney, Daniel C. Leone, Jr., Joseph Paceoni, James Miller and Henry S. Johnson. Following the business meeting, Pledge John Shostak was initiated into the Brotherhood of Kappa Psi by the chapter officers.

The March meeting was held at Diorio's Restaurant in Waterbury. Officers for next year were nominated. Vice Regent James Miller reported that the annual Senior Banquet will be held at the Wonder Bar in Berlin on June 8. Nat Frasillo, handwriting expert, will be on hand to provide the entertainment. It was also reported that everything was prepared for the May meeting in Norwich.

"Dan's Data"—The Brothers were all very proud of the recognition that Grand Secretary-Treasurer Eby gave us in the January-March issue. As always, our aim will be to keep improving ourselves and to further the ideals of Kappa Psi. It was good to see Brothers Ed Heacox and Joe Samborski getting back into the Kappa Psi swing. Brothers Chuck Miller and Ron Kaminski, both newly initiated into Nu Chapter, attended the Waterbury meeting. The attendance of undergraduate brothers at graduate affairs, and of graduate brothers at undergraduate affairs is something which tends to make both chapters stronger. The graduate brothers certainly enjoy attending the dances and rush parties of Nu Chapter. Perhaps it makes us all feel like undergraduates again. Congratulations are in order for the

newly elected officers of Nu Chapter. We hope that their year in office will be beneficial both to themselves and to Nu Chapter.

Fraternally,  
DAN LEONE, JR., *Historian*

**DETROIT GRADUATE CHAPTER**

Out-going Regent Edward Parrish has been rather disappointed at the small turn out of brothers at our meetings this winter. A big snow and cold weather cut down our March meeting and a terrific rain all evening cut down our attendance in April.

It has been suggested that we have only four meetings each year. They could be well planned and perhaps one meeting a strictly social affair. Many of the members feel we should have at least one or two professional meetings each year. Plans are being formulated by Chairman Gordon Goyette for our annual awards dinner.

*Motor City News*

**PROVIDENCE GRADUATE CHAPTER**

Providence Graduate Chapter was reactivated last year after many years of dormancy. Activities of its first year were reviewed at a dinner meeting held at Lindy's Restaurant, Cranston, R.I., on February 17, 1959. Presiding was Regent Norman A. Campbell who thanked the twenty-one members attending the meeting for their cooperation during the past year.

Among the outstanding activities for the past year was the joint dinner meeting of Beta Epsilon and the Providence Graduate Chapter which officially transferred Beta Epsilon to the University of Rhode Island Campus. This meeting was held November 25, 1958, at Johnson's Hummocks Restaurant, 245 Allens Ave., Providence, R.I. Forty-nine attended this meeting. As a gift from the Providence Graduate Chapter the new charter was laminated and the old charter preserved in a new matching frame. Three original charter members of Beta Epsilon were invited guests. They were Wilbur E. Johnson, Charles F. Gilson and Earl Swindells. Grand Officers attending were Grand Historian Walter R. Williams, Grand

Upon further reviewing the entire last year's program . . . most noteworthy was the Chapter's serious devotion to the improvement of Pharmacy in Rhode Island.

The election and installation of officers followed. Officers elected for the year 1959 were: Regent, Norman A. Campbell; Vice Regent, Joseph Navach; Secretary, Daniel P. N. Tsao; Treasurer, Joseph W. Krockmal; Historian, Leo R. Leduc; and Chaplain, Pierre F. Smith.

Re-elected Regent Norman A. Campbell in his inaugural address emphasized that the Chapter must continue its gigantic strides of 1958 and asked the officers and members to continue their cooperation.

**PORTLAND GRADUATE CHAPTER**

Not being able to attend, it was reported that the February 10 meeting which was held at the Campbell Court Hotel was most successful. A cocktail hour starting at 6:30 was followed by a very fine dinner. Following the usual business meeting, ably conducted by Regent Stan Hartman, the meeting was addressed by Dr. Battalia who is physician for the Portland Boxing Commission. He explained his duties and those of Brother Nick Scavone who is secretary to the Commission. Our next meeting will be held on Friday, April 10, and plans were made and committees appointed for the meeting in May at which time the wives and dates will be our guests.

The Oregon State Pharmaceutical Association convention will be held in June at Gearhart-By-The-Sea, at which time we will have our annual luncheon on Sunday, the first day of the meeting.
