Grand Regent

GLEN J. SPERANDIO

1596

For the first time in the history of Kappa Psi Pharmaceutical Fraternity the Grand Council Convention is going to be held on the West Coast. San Francisco has been chosen as the site of the 1965 meeting and the announcement is to be found elsewhere in this issue of *THE MASK*. It is hoped that by making this early announcement, enough time will be given to all chapters to make organized plans for sending delegates to the meeting and for raising the necessary funds to do so.

However, whether a chapter is raising funds for a special project such as the Grand Council Convention or whether it is seeking a source of income to permit adequate campus operations, the basic problem is the same: How can the desired activities be financed? This problem is usually further complicated because of school or campus restrictions relative to money raising activities and many chapters find themselves at a loss as to how they might proceed.

Every chapter of Kappa Psi should have an operating budget . . . and this budget should be soundly planned so that it will permit a reasonable amount of activities for the members as a group. It should be based on the expected income from initiation fees and membership dues, balanced by the obligatory expenses of the chapter. With these figures established, the estimated expenses for the programmed activities should be considered on the basis of the school year; then a critical look should be taken at the dues structure to determine if membership fees are proportionately adequate for chapter operation.

Many of our chapters, in an attempt to keep members' assessments at a minimum, are failing to recognize that their economic condition has not kept up with their physical and professional growth. In short, chapter fees have not kept up with the advanced cost of living; and only by setting up an operating budget can a true picture of a fraternity's activities be obtained.

This is the key to strength: activity. Every chapter of Kappa Psi must be continually active in promoting both the cause of Pharmacy and that of the Fraternity. If we are to grow, we must be strong. If we are to be strong we must work together; and if we are to work together we must have organized programs. A scheduled activity program and an organized financial program are actually interdependent. Both can be planned and executed, and I would ask every chapter to review their situation and establish such programs.

SITE OF NEXT GRAND COUNCIL CONVENTION CHOSEN

The next Grand Council Convention will be held in San Francisco from December 27 through December 30, 1965. Plans are already underway to make it one of the most memorable meetings in the history of our Fraternity.

The famed Sheraton Palace Hotel has been selected as the Headquarters Hotel. This is located in the heart of the downtown district and is readily accessible to most of the city's many attractions. Beta Gamma, Gamma Nu, and the San Francisco Graduate Chapter will act as host chapters.

Announcement of this meeting is being made early so that all chapters can begin making plans now for sending delegates to California in 1965.

Professional Fraternities*

"A PROFESSIONAL FRATERNITY is not an honorary society as some people think. It is a specialized fraternity which limits its leadership to a specific field of professional education. It maintains mutually exclusive membership in that field and it organizes its group life both socially and professionally, to promote professional competency and achievement within its field. . . .

"First, let us look at the advantages of professional fraternity membership during college years. The association with other men in a specific field, such as business or commerce, offers opportunities to develop sound professional philosophies. Chapter projects and programs of a professional nature broaden the educational advantages of our members. It offers the opportunity for our members to observe the everyday working routines of business while studying the basic principles involved in their college courses. . . .

"There is another important area in which our fraternity contributes to the college or university. Scholastic requirements for individual members are always above their department average—therefore our chapters help and encourage higher academic standards.

"Still another advantage of our fraternity is the opportunity for active chapter members to maintain a close relationship with alumni already established in their chosen field. This becomes an invaluable asset after graduation. We do not profess to be 'employment agencies'—but many a graduating senior has had

* From *Interfraternity Research and Advisory Council Bulletin*, March 1, 1964. Excerpts from an article by J. M. Hefner, Grand President of Delta Sigma Pi, and published in the January issue of "The Deltasig."

many a door to opportunity opened to him by his alumni brothers. . . .

"Because God has seen fit to give us peace and prosperity in this great land, we must shoulder the difficult burden of leadership, not only in the business world, but in the free world. Through our profession and the media of oral communication, we can contribute significantly to a more articulate nation. But whether your professional field be accounting, management, marketing, foreign trade or teaching—your fraternity deserves your best. Give to it your time, talent and energy . . . now and after graduation. For it is from our membership that America will find her business leaders of tomorrow."

Directory of Pharmacists Now Available from APhA

The APhA DIRECTORY OF PHARMACISTS is now available from the American Pharmaceutical Association at \$20.00 each.

The Directory is comparable to the directories of the other health professions. The Directory of the American Medical Association, the American Dental Directory and the American Veterinary Medical Association Directory are published by the respective associations representing those professions.

While the Directory is the first such publication listing the pharmacists of the United States by name, it is similar to the directories of the other health professions. The 1,740 page Directory lists the 124,000 pharmacists of the United States in two ways. Section One contains a geographical-alphabetical listing, while Section Two is a strict alphabetical listing of the 124,000 pharmacists, with the city and state following each name.

Grand Regent Presented Key to City

The key to the city of Buffalo, N.Y. was presented to Grand Regent Glen J. Sperandio by Gamma Iota chapter and the Buffalo Graduate chapter in the name of Mayor Chester Kowal of Buffalo, on April 11, 1964.

A banquet was given in honor of Grand Regent Sperandio by the combined chapters at which time the Grand Regent addressed the brothers on the future of the Fraternity, both on the campus and national scene. Other speakers included Brothers Jusko and Banas, in addition to Grand Council Deputy Roger Mantsavinos.

Grand Regent Sperandio was in Buffalo attending a Hospital Seminar sponsored by the American Society of Hospital Pharmacists and organized locally by Brother Jacob Caraotta.

It is not too often that the key to the city of Buffalo is presented and the Kappa Psi brothers in the area are very proud and happy that our Grand Regent was so honored.

The Graduate Chapter—Its Functions and Responsibilities*

By Brother Leo A. Sciuchetti, Oregon State University

LEO A. SCIUCHETTI

Grand Historian—Kappa Psi

The graduate chapter is an integral part of the structure of Kappa Psi. Its functions and responsibilities can best be ascertained by a careful scrutiny of the objectives of our Fraternity. Numerous duties could be outlined from such a study. The author has taken the liberty to discuss four specific functions which every graduate chapter should adopt if it is to faithfully discharge its responsibilities to the fraternity. These are: to make it possible for our collegiate brothers to continue their active participation in Kappa Psi, to assist the collegiate chapters by fostering specific projects for them, to advance the profession of pharmacy, and to effectively and efficiently serve its own membership.

A most important function of a graduate chapter is to provide a mechanism whereby our collegiate members can actively continue their efforts on behalf of our Fraternity after graduation. One of my sad observations is that so many of our active enthusiastic collegiate members do not participate in Kappa Psi after receiving their "sheep skin." Good strong seed is nurtured under a healthy collegiate environment. Then this vigorous seedling is often cast upon barren and sterile ground and soon withers away. Collegiate members, you need the graduate chapter. Likewise, the graduate chapter cannot survive without your active participation.

Membership in our graduate chapters could easily be increased two to three-fold. We should also have twice the number of graduate chapters if we are to function effectively geographically. How can we induce our collegiate brothers to join the graduate chapters sooner and in greater numbers? For our collegiate members to keep up-to-date by reading *THE MASK* only, is passive. The officers of the graduate chapters should work more closely with the pharmacy schools and/or boards of pharmacy so that they will have a listing of the recently graduated brothers within their geographical area. Then, special invitations, both written and telephoned, could be extended to them to attend graduate chapter meetings. A further stimulus could be provided by presenting each collegiate member with a one-year paid-up active membership in the graduate chapter. Liaison committees between the collegiate and graduate chapters would provide a means whereby this transition could be done smoothly and expediently. It will, however, require constant vigil and effort upon the part of the regent and secretary of the graduate chapter. Continued transfusion of new blood into our graduate chapters is essential if we are to fulfill the objectives of Kappa Psi.

A second function of the graduate chapter is to foster specific projects for the collegiate chapters. However, the assistance from the former should not be so great that the collegiate group is entirely dependent upon the graduate members. Among the possible projects which might be considered are:

1. Sponsorship of an annual visitation by collegiate members to the graduate chapter.

* Delivered at the Grand Council Convention of Kappa Psi Pharmaceutical Fraternity, Atlanta, Georgia, December 28, 1963.

2. The provision of a repayable loan fund for collegiate members who are unable to join the Fraternity due to financial reasons.

3. The establishment of an employment service to indicate possible job opportunities for collegiate members—both internships and full-time positions.

4. The sponsorships of scholarships based on need and/or scholarship or the presentation of an award to the graduating senior who has made the greatest progress scholastically during the last two years of his collegiate studies.

5. The establishment of joint projects which will provide a means of advancing the profession of pharmacy and/or elevating the public image of pharmacy.

The graduate chapters have the responsibility of taking an active interest in their collegiate chapters. They should not shirk this duty. Otherwise there is very little reason for their existence.

The advancement of the pharmacy profession should be another function of the graduate chapter. This can be accomplished in several ways. One is to stimulate membership and active participation by each brother in his local, state and national pharmaceutical association. In my opinion, pharmacy would not have many of the thorny problems of today if all pharmacists belonged to and actively supported their pharmaceutical associations. In addition to sponsoring a breakfast or luncheon at the annual meetings of their state pharmacy association, the graduate chapter could sponsor a portion of the program. This program should be of a professional nature only. The graduate chapter could also have an educational committee which would work closely with the pharmacy schools. Problems, as well as the aspirations, of pharmaceutical education would be discussed by this committee. The committee in turn would give an annual progress report at one of the chapter meetings. Pharmaceutical education has the responsibility of training the individual for the profession twenty years hence. Why should not Kappa Psi play a more active role in determining what type of training that this professional person should receive? Another possibility is joint sponsorship by the graduate chapter and a local pharmaceutical association of joint meetings with members of the medical, dental, nursing and other health professions. Any of these or similar programs require considerable planning and downright hard work by the graduate chapter. However, the satisfaction of knowing that you are paying more than lip service towards the advancement of your profession will make your efforts worthwhile.

The final function and responsibility that shall be discussed is the obligation that the graduate chapter has to its own members. Attendance and active participation of *all the members* should be the goal of each chapter. In order to assure good attendance the meetings must be announced well ahead of time and an excellent program must be planned. Often only a week's notice is given regarding the time and place of meetings. A planned schedule for the year, such as the second Wednesday of four specific months, should be followed. In this way, each member can reserve ahead of time that particular day of that week of the month for Kappa Psi. Then mailed announcements a week or two prior to the meetings can be made. A telephone follow-up by the program committee two days prior to the meeting will serve as a reminder. The program chairman must give considerable thought and effort towards arranging the program. The topics must be interesting and timely. The yearly program should be diversified. Good and effective speakers should be selected. All of this requires close cooperation and considerable effort from all of the officers of the chapter. If this extra "elbow grease" is expended by all of you, the meeting room should be overflowing with enthusiastic members rather than having a gathering of a few of the faithful for the purpose of conducting a mutual admiration society.

Other functions and responsibilities could be listed, but, considerable food for thought has been presented for your consumption and digestion. It is hoped that some of the ideas will be transformed into action by our graduate members, or by the collegiate brothers when they become members of the graduate chapters. Fellow brothers, the graduate chapters are an integral part of the solid foundation upon which Kappa Psi is constructed. Let us all do our part to prevent any erosion from occurring. Let us apply cement carefully and judiciously to that foundation so that we may function effectively as a *professional pharmacy fraternity*.

Province V Assembly

By Art Crawford, *Historian*

Satrap Bruce Jackson (Gamma Chi) called the Province V Assembly to order at 11:00 A.M. on March 14, 1964, at the University of Toledo Student Union. Present at the meeting were 86 brothers and pledges representing 8 chapters: Beta Lambda (University of Toledo), Gamma Chi (Ferris Institute), Mu Omicron Pi (Wayne State University), Gamma Delta (Ohio Northern University), Beta Phi (University of Cincinnati), Gamma Iota (University of Buffalo), Detroit Graduate and Buffalo Graduate. Following the invocation given by the Province V Chaplain, William Smith, Dr. William Roll, Toledo University College of Pharmacy, welcomed representatives from the three states. Secretary-Treasurer Jim Plagakis (Beta Lambda) read the roll call of the delegates, then continued with his report. The minutes of the 1963 Province V Assembly were read and approved, the financial report showing a balance of \$763.69 as of March 14, 1964. Dues have been received from all chapters in the Province, excepting Xi Chapter. Satrap Jackson made committee appointments for the 1965 Assembly with Gamma Delta in charge of Time and Place, and Mu Omicron Pi the Resolutions Committee. Reports were given from all chapters present by Brothers Richard Fenster (Beta Phi), Art Crawford (Gamma Delta), Donald Steir (Beta Lambda), Ron Sherman (Gamma Chi), William Smith (Mu Omicron Pi), William Jusko (Gamma Iota), Frank Facione (Detroit Graduate), and Jacob Carotta (Buffalo Graduate). The First Session was recessed for lunch.

The Second Business Meeting was called to order at 1:00 P.M. by Satrap Jackson followed by the Roll Call of Delegates and the report of the First Business session which were read and approved; the Legislative Committee, (Gamma Delta), reported no necessary legislation; the Scholarship Committee (Gamma Chi), read reports made by the responding chapters; the Auditing Committee (Mu Omicron Pi), moved that the books be accepted up to the convention expenses pending final auditing. The Time and Place Committee recommended that the 1965 Province V Assembly be held in Ada, Ohio with Gamma Delta as the host Chapter. The Resolutions Committee reported that the Grand Council was directed to study the possibility of a loan fund to aid in building chapter houses. Province V Delegate, Charles Brown (Gamma Delta), reported on the thirty-second Grand Convention held in Atlanta, Georgia. The following were elected to offices in Province V for 1964-65: Satrap—Joe Cavuoto (Beta Lambda), Vice Satrap—Roger Stoll (Gamma Chi), Secretary-Treasurer—Charles Fowler (Gamma Delta), Historian—Art Crawford (Gamma Delta), and Chaplain—Ron Sherman (Gamma Chi). The new officers were installed according to the Ritual by retiring Satrap Bruce Jackson.

Several items of new business came before the Assembly. Nick Nelson (Gamma Chi) moved that a Province V Newsletter be published by Gamma Delta for the next year. Newly appointed Province V Advisor Raymond J. Dauphinais reminded the Assembly that a Province Assembly is not just a session to have a good time and elect new officers to organize another party for the following year. He felt that we should strive to make the meeting constructive towards Fraternity aims, and conveyed Brother Eby's suggestion that a faculty member, as an officer of the province, could assist Province V in realizing its great potential. Brother Frank Facione (Detroit Graduate) briefly explained the Province realignment and solicited suggestions of the delegates. Brother Jim Plagakis (Beta Lambda) moved that the individual chapters discuss this issue and submit their suggestions to Brother Facione. It was announced that Gamma Delta had won the attendance trophy for the second successive year. There being no further business, the Province Assembly was closed.

Professional Interfraternity Conference Meets in Atlanta

The Biennial Meeting of the Professional Interfraternity Conference was held in Atlanta, Georgia, on March 6, 7 & 8, 1964, with 21 professional fraternities represented. Kappa Psi Pharmaceutical Fraternity was among those present.

The Sky Room of the Dinkler Plaza Hotel was the scene of the President's reception which marked the beginning of the three day meeting. Featured at this Reception were exhibits of the publications of the member fraternities. This was the third meeting at which the "Idea Exchange Exhibition" was held and again it was most successful.

On Saturday morning, the first business session was held and 43 delegates responded to the gavel of President Rand Hollenbach which called the meeting to order. Reports of the Conference officers were followed by the appointment of various committees to serve during the Meeting. Then with the general business completed, the delegates turned to the core of the Meeting which was the Panel Discussions. Meredith M. Daubin, Phi Delta Phi, served as moderator and conducted the question and answer period that followed each panel.

The first topic, "Sources of Fraternity Finance," was ably covered by a representative of Delta Sigma Delta, Rho Pi Phi, and Alpha Chi Sigma fraternities. Next, "The Cost of Operations" received the attention of the delegates and papers on this subject were presented by a representative of Xi Psi Phi, Phi Mu Alpha Sinfonia, and Theta Tau fraternities.

A break for luncheon in the Mirror Room, at which there were several guests from area universities, was followed by the final Panel, "Contributions of Professional Fraternities to Students, School, and the Profession." This Panel which was completed on Sunday morning, featured papers by representatives from Alpha Kappa Psi, Alpha Omega, Phi Rho Sigma, Delta Theta Phi, Sigma Phi Delta, and Xi Psi Phi fraternities.

The customary banquet was replaced by a tour of Atlanta, including a trip around Stone Mountain, which terminated at a famous ante-bellum home on the outskirts of the city. There a buffet dinner was served and professional fraternity knowledge freely traded.

The final business session was concluded with election of officers for the coming biennium. New officers include Meredith M. Daubin, Delta Theta Phi, president; C. H. William Ruhe, Phi Rho Sigma, president elect; James D. Thomson, Delta Sigma Pi, vice president; William E. Koch, Jr., Xi Psi Phi, secretary; and S. G. Applegate, Delta Sigma Delta, treasurer.

OFFICIAL LUNCHEON—PROFESSIONAL INTERFRATERNITY CONFERENCE

Dinkler-Plaza Hotel, Atlanta, Georgia

(March 7, 1964)

1598

THANKS TO DELTA BETA CHAPTER

Southwestern State College—Weatherford, Oklahoma

Early in March, 1964, the Central Office mailed to each Kappa Psi Chapter copies of four important papers that were presented at the Atlanta Grand Council Convention, December 1963. The cost of the paper and all work involved in the reproduction of the papers was a contribution by the members of Delta Beta Chapter to the other brothers of the Fraternity.

Members of Kappa Psi Fraternity are grateful to Delta Beta Chapter for the splendid fraternity spirit which they exhibited in performing this valuable service.

George Covell Davy
Eta Chapter
February 9, 1964

George G. Fletcher
Beta Omicron
February 1, 1964

George C. Davy, First Regent of Philadelphia Graduate Chapter, Dies

On February 9, 1964, Brother George Covell Davy, the first Regent of the Philadelphia Graduate Chapter, entered the Grand Agora, thus terminating sixty-one years of membership in Kappa Psi Fraternity.

He was a native of Coatesville, Pennsylvania, and a graduate of the Philadelphia College of Pharmacy where he was an initiate of Eta Chapter in 1903.

Brother Davy had a responsible part in organizing the Philadelphia Alumni Chapter of Kappa Psi and served as the first Regent following the installation of the chapter on October 23, 1907. His initial efforts in organizing the first alumni chapter had an import bearing on the rapid development of a number of other alumni chapters now known as graduate chapters. Although in recent years he resided at Daytona Beach, Florida, he never lost his interest in Kappa Psi Fraternity to which he contributed so much in the early years of the Fraternity. F.H.E.

Personals and News Items

The following have recently been assigned to Tinker Air Force Base, Oklahoma following completion of the United States Air Force orientation course for Medical Supply Corps officers at Gunter AFB, Alabama:

SECOND LIEUTENANT DONALD E. GRIMES (Beta Zeta)—B.S. degree from Oregon State University.

SECOND LIEUTENANT RALPH J. BRYAN (Beta Omega)—B.S. degree from Temple University School of Pharmacy.

SECOND LIEUTENANT RICHARD W. MADDEN (Gamma)—B.S. degree from Columbia University College of Pharmacy.

SECOND LIEUTENANT CHARLES M. BERRY (Gamma Omega)—B.S. degree from University of Arkansas.

SECOND LIEUTENANT ELPEDIO BASA (Beta Zeta)—B.S. degree from Oregon State University.

SECOND LIEUTENANT KENNETH J. VAN DRIESCHE (Beta Zeta)—B.S. degree from Oregon State University.

SECOND LIEUTENANT RICHARD W. FIEBER (Beta Zeta)—B.S. degree from Oregon State University.

SECOND LIEUTENANT CHARLES R. SWIERS (Beta Omicron)—B.S. degree from University of Washington.

SECOND LIEUTENANT ANTHONY G. MOSHONAS (Gamma Sigma)—B.S. degree from University of Florida.

All of the above were given familiarization instruction covering administrative procedures, military medicine and medical service support of USAF objectives. Brothers Bryan, Fieber, and Moshonas were commissioned by direct appointment. Brother Berry was commissioned upon completion of Officer Training School at Lackland AFB, Texas.

THOMAS H. LAKE (Beta Omega) was honored as a distinguished alumnus of Temple University at special exercises marking the eightieth anniversary of the founding of the university held March 3, 1964. Brother Lake is group Vice President of Eli Lilly International Corporation with headquarters in Basinstoke, England.

SECOND LIEUTENANTS GEORGE M. EDWARDS (Iota) and JAMES R. TAYLOR (Beta Xi) completed an eight-week basic medical service corps officer course at the Medical Field Service School, Brooke Army Medical Center, Fort Sam Houston, Texas, late in November. During the course the lieutenants received instruction on the duties and responsibilities of a newly commissioned medical service corps officer. Brother Edwards is a 1963 graduate of the Med-

ical College of South Carolina, and Brother Taylor is a 1963 graduate of the University of North Carolina.

SECOND LIEUTENANT JAMES E. McCABE (Beta Lambda) has been assigned to Turkey for duty following completion of the United States Air Force orientation course for Medical Service Corps Officers. Brother McCabe received a B.S. degree in pharmacy from the University of Toledo and was commissioned by direct appointment.

SECOND LIEUTENANT BENNIE M. RICHARDSON (Iota) is now stationed at Tinker Air Force Base, Oklahoma, on duty with a unit of the Air Force Logistics Command. Previously he had been a medical supply officer at Topsham Air Force Station, Maine. Brother Richardson was commissioned in 1963 upon his graduation from Officer Training School at Lackland AFB, Texas. He holds a B.S. degree in pharmacy from the Medical College of South Carolina.

Eli Lilly and Company of Indianapolis announces the following:

JAMES J. FUSCAIDO (Beta Chi) has joined the sales force in Creston, Iowa. He is a 1963 graduate in pharmacy from Drake University.

GERALD J. GENTILOTTI (Beta Omega) has joined the company as a salesman in Wilkes-Barre, Pennsylvania. Brother Gentilotti received a B.S. degree in pharmacy from Temple University in 1961.

JAMES M. GORDON (Psi) has joined the Atlanta sales force. He attended Memphis State University for one year and received a B.S. degree in pharmacy in 1960 from the University of Tennessee.

DONIVAN IVY (Gamma Zeta) has joined the sales force in Tuscaloosa, Alabama. Brother Ivy received a B.S. degree in 1957 in chemistry and biology from Mississippi College and a B.S. degree in pharmacy from Howard College in 1960.

GERALD W. NOTTINGHAM (Upsilon) has joined the Charleston sales force. He attended Western Kentucky State College and the University of Kentucky and received a Bachelor of Science degree in pharmacy from the latter in 1963.

RICHARD D. PETERSEN (Gamma Kappa) has joined the sales force in Austin, Minnesota. He attended the University of Minnesota and the State University of South Dakota. He received a B.S. degree in pharmacy from the latter in 1957.

RICHARD E. WARD (Gamma Gamma) has joined the company as a sales representative in Lufkin, Texas. Brother Ward received a Bachelor of Science degree in pharmacy in 1958 from the University of Texas.

Chapter "Newsletters"

"Newsletter" for Publication in THE MASK

Collegiate Chapter Historians and Graduate Chapter Secretaries should send their "Newsletter" for publication in THE MASK by the following dates:

<i>Issue</i>	<i>Postmark Not Later Than</i>
October-December	October 10
January-March	January 10
April-June	April 10
July-September	June 10

It is requested that you mail about a week before the deadline date and observe the following:

- 1—Reports should be typewritten and double-spaced.
- 2—Include the original and one carbon copy.
- 3—Include chapter and school name in capitals across the top of the first page of each letter.
- 4—Graduate Chapters need include only the chapter name.
- 5—Be certain that members' name are spelled correctly.
- 6—Whenever photographs (not over two) are submitted be sure to include names of those appearing in the pictures and to attach other information which you wish published beneath the picture. Send only *clear* glossy photographs (5×7 or larger size) and protect them in such a way that they will not become damaged in the mails. (Submission of photographs is no guarantee that they will be used.)

Send your "Newsletter" to Nicholas W. Fenney, Editor of THE MASK, 62 Broadfield Road, Hamden, Connecticut 06517.

GAMMA—COLUMBIA UNIVERSITY

A spring greeting to all brothers of Kappa Psi from the brothers at Gamma Chapter.

In keeping with the new life which flows through the veins of all living things this season, Gamma Chapter held elections in March. The following were elected officers for the year 1964-65; Regent, Clinton Miller; vice Regent, Arthur Kibbe; Corresponding Secretary, James Turner; Recording Secretary, Manny Bellamo; Treasurer, Peter Blake; Historian, Thomas Schwend; Sergeant at Arms, John Schipano; Chaplain, Al Ghignone.

High "spirits" were in evidence at the dinner meeting held jointly with the New York Graduate Chapter at the Stratford Pub. Suiting the spirited occasion, a film on the liquor industry was shown.

It is with a great deal of pride that once again Gamma Chapter's "Kappa Psi Keglers" have taken first place in the interfraternity bowling tournament. Speaking of sports, the brothers at Gamma are eagerly awaiting that "Olympic" event which we will hold for our pledge class this April.

Brothers participating in a program designed to introduce new students to the pharmaceutical profession were the following: Richard Caprioli, James Turner, Richard Gorecki, and Sandy Rogers of our Graduate Chapter.

This spring saw our professional committee engaged in two projects. The first was in the form of a display having as its theme "the role of pharmacy in preventing and curing ophthalmic disorders." Our second program was a seminar on lung cancer, at which time a physician from the American Cancer Society described the various diagnostic techniques, methods of treatment, and areas under research.

In closing, on behalf of Gamma Chapter, I should like to extend best wishes for a pleasant and fruitful summer.

Fraternally yours,
TOM SCHWEND, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

Spring greetings to all brothers of Kappa Psi from the men of Epsilon Chapter at the University of Minnesota.

On Thursday, April 2, ten new pledges were initiated into our chapter. All were ably prepared by pledgemaster Ronald Sorenson and his advisor Darrel Schaumburg. The new brothers are: Loren Sundboom, North St. Paul; Gerald Kessel, St. Paul; Burns Benson, Houston; Peter C. Reuenitz, Dindom; Eugene Snyder, St. Louis Park; Kenneth Stenglein, Waconia; James C. Tauer, New Ulm; John Thatcher, Duluth; George Vedder, Forest Lake; and David Holmstrom, Duluth.

Our Winter Quarter smokers and dinner meetings provided a variety of speakers and discussions. Dr. Hugh Kabat presented a very interesting program on the career opportunities in the United States Public Health Service. With particular emphasis on Mt. Edgecumbe, Alaska, he showed a series of slides depicting his own experiences in the Pharmacy Service. A panel discussion of "Internship and the Pharmacy Curriculum" turned into quite a lively debate at our January dinner meeting. Panel members included Dr. Lee C. Schramm, Conrad Thompson, Gregory Sinner, and Arvin Cohen. The February meeting saw Arthur Eide, secretary of the Minnesota State Board of Pharmacy, discuss the same issues from a somewhat different viewpoint.

Many of the brothers participated in the Pharmaceutical Education Trip of March 21-28. After a somewhat trying 28 hour train ride we arrived in New York City. There we were the guests of Lederle and Squibb and were royally entertained for the duration of our stay. We all returned wiser to the methods of pharmaceutical research and production as well as to the bright spots of the Big Town.

Upcoming events include our Spring Formal which is planned for May 17. Our annual publication, *Pharmacopa*, will be distributed in conjunction with this event. An intrafraternity party with Phi Delta Chi and the annual Pharmacy Day events are also scheduled.

Epsilon is now making plans for the Province VIII Assembly to be held at Minneapolis next fall. The four visiting chapters, North Dakota State, South Dakota State, Drake, and Nebraska, will send delegates for a weekend of discussions and meetings. A committee of Donald J. Hagberg and Thomas A. Gaylord is in charge of arrangements.

In closing, Epsilon extends its best wishes for continued success to all Kappa Psi chapters.

Fraternally yours,
THOMAS A. GAYLORD, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Greetings to all brothers of Kappa Psi from the men of Eta chapter.

The 1963-1964 academic year is rapidly drawing to an end and the brothers are all looking forward to the summer vacation. This has been a successful year for Eta chapter in many respects. Much was accomplished during the two pledge periods in the way of house improvements. Our sweetheart, who's picture is included in this article, was chosen sweetheart of the school at the annual Sweetheart Dance. Bill Crouthamel, our present Regent, has been chosen by the school to represent P.C.P.&S. and the United States at the I.P.S.F. convention in Turkey this summer.

On April 5, 1964 we held our annual Father and Son Banquet at which Dr. Arthur Osol, president of the college, delivered a most interesting and inspiring speech. All brothers enjoyed themselves and thank Brothers Dave Moffet and Matt Land for their fine work in making it such a success. We now await with anxious anticipation the Alumni Banquet and the Spring Formal.

The following men have been chosen to serve

MISS NANCY LANE
Eta Chapter's Sweetheart—1964

as officers for the remainder of this year and most of 1965: Regent, Bill Crouthamel; Vice Regent, Dick De Feo; Secretary, Jim Sturgeon; Treasurer, George Koons; Corresponding Secretary, Anthony Santoni; Historian, Don Jones; Chaplain, Tomi DiSanto, and Grand Council Deputy, Dr. James T. Doluisio.

Upon completion of the spring pledge session the following men joined the ranks of Kappa Psi through Eta chapter: Tom Poore, Bob Washkevich, Harold Franceschi, Bob La Pierre, Paul Gallagher, Bob McAuley, John Eppheimer, Bill Fair, and Gerald Longenecker.

There has been much talk lately concerning some loss of enthusiasm on the part of chapter members and the lack of desire on the part of the member to appreciate the Fraternity. Recently I heard one brother's expression of his feeling toward Kappa Psi and in closing I share it with you.

THE POT OF GOLD

I heard a man of great wisdom say,
The rich find a friend along the way.
Then a pot of gold I've truly found,
And a mighty bugle I must sound.
For in the ranks of Kappa Psi,
Near sixty friends I truly spy.
When I need them most they're surely there,
And selfish reward is not their care.
In a world of people misunderstanding,
At last I've found true brotherhood.
The one prayer I carry within my breast,
Is that I may be worthy of them till rest.

THETA—MEDICAL COLLEGE OF VIRGINIA

School is almost over, and everyone is looking for a nice restful summer.

We're proud of our very successful pledge season. We added twenty-one new brothers to the chapter on February 15. The new brothers are

THETA CHAPTER—1964

First row (l. to r.)—Brothers Allen Ploon, George Sneed, Richard Albert, Hayden Austin, Dick Barnes, Allen Dahl, Doug Smith, Harrison Fridley, Lee Parrish, Ralph O'Harrow, Ken Hawley, Charles Rainey, Sam Molinary, and Young Woo.
 Second row (l. to r.)—Tom Futrell, Richard Chaney, Wayne Gray, Dick Martin, Mike Kent, Jim Wynn, and Richard Hoffarth.
 Third Row (l. to r.)—Dave Cox, Dave Jones, Bob Webber, Joe Sekerke, Alan Goldstein, Bill Jennings, Harry Deen, Richard Hancock, and Richard Workman.
 Fourth row (l. to r.)—Clayton Partin, Bernard Schutt, Carroll Hamlett, Jim Powers, John Wright, and Ted Green.

Richard E. Albert, Hayden L. Austin, Richard H. Barnes, Allen L. Dahl, Thomas Futrell, Alan N. Goldstein, Charles Edward Green, Kenneth E. Hawley, Richard W. Hoffarth, David E. Jones, Richard Workman, Ralph O'Harrow, Howard Lee Parrish, Jr., C. Clayton Partin, Jr., Allen J. Polon, Charles Rainey, Bernard W. Schutt, Douglas Smith, George M. Snead, Wayne Stafford, and Young Hun Woo. We held our annual Kappa Psi Formal Dinner-Dance at the Executive Motor Hotel in Richmond.

Theta Chapter is proud to say that we swept the school elections this year. The complete slate of officers we nominated were elected. Hats off to everyone who helped in the campaign.

Brothers Ted Green and Dave Jones were our delegates to the Province III Assembly at the University of South Carolina on April 18.

It was our pleasure to have Dr. Frank Eby stop by to see us and attend one of our meetings on March 14.

We were glad to have Brother Charles Green from Bedford at our last meeting. He came with "little" Ted who is a rising junior.

We at Theta Chapter sincerely wish each and every brother an enjoyable summer.

Fraternally yours,
DAVE COX, *Historian*

MU—THE MASSACHUSETTS COLLEGE OF PHARMACY

Greetings to all brothers of Kappa Psi.

Another school year is all but over, and Mu Chapter is busier than ever before. Our new officers will soon be elected, and our Annual Spring Formal will take place shortly at the Dolphin Motor-Inn in Boston.

Mu Chapter is proud to welcome sixteen new brothers initiated into Kappa Psi this past spring. The undergraduates were: William E. Brochu, John L. Campbell, Thomas C. Cerullo, James A. Clemens, Francis P. Curran, George G. Laffin, John P. McCook, David P. Morisseau, David R. Savello, Steven D. Slesinger, Peter R. Smith, Paul D. Taylor, Albert J. Tvcky Jr., and Kenneth E. Wilson. One graduate, Frederick J. Prunyn, was also initiated.

On April 4, Mu Chapter's Annual Smoker was held at the Motel 128 in Needham. This affair was attended by almost all of the undergraduate brothers, as well as many of our graduates. Also present as guests of Mu Chapter were: First Grand Vice Regent Walter R. Williams, Province I Vice Satrap Karl A. Nieforth, and Richard Ohvall representing Nu Chapter; Pierre Smith and Dan Tsao from the University of Rhode Island; and James Martin, Treasurer of Province I. Our guest speaker of the evening was Mr. David W. Hayes, assistant attorney general for the Commonwealth of Massachusetts.

Prof. Merle Sheets formally resigned as Regent of the Boston Graduate Chapter. We at Mu wish him the best of luck in his new position at the University of Rhode Island. Professor Sheets was one of Mu Chapter's most ardent and loyal backers. He never failed to attend any of our functions, whether it be a Smoker or initiation; and his presence always served as a constant reminder that the Boston Graduate Chapter would stand ready to provide us with assistance of any kind.

Scholarships were awarded this night to five undergraduate brothers. Two of these were supplied by the undergraduate chapter. The Eldin V. Lynn Memorial Scholarship was presented to Robert Leonard, and Thomas Borycek received the Paul G. Fitzpatrick Memorial Scholarship. The other three were awarded by the Boston Graduate Chapter. The Edmund J. Berube Memorial Scholarship was presented to Maurice Fortin, the Ray S. Kelley Memorial Scholarship to Donald Floriddia, and William Stigelman received the Douglas Wilson Memorial Scholarship.

Kappa Psi Scholarship Certificates were presented to John Rossetti, Joseph Charron, Joseph Motard, Philip Sandstrum, and Joseph Zabik. Our new brothers received their membership certificates, and the chapter officers were presented their service plaques.

We are now happy to extend our best wishes in the future to the following brothers who will graduate in June from M.C.P. They are: Robert A. Alberici, Terrence M. Brooks, Bruce A. L. Dearborn, Edward K. Freeman, Richard F. Fuller, William J. Keefe, Leo W. Laroque, Eugene R. Parks Jr., and Paul J. Pichierrri Jr.

Mu Chapter now extends their congratulations and best wishes to all of the graduating brothers in Kappa Psi.

Have a happy summer vacation.

Fraternally,
EDWARD P. LAFLEUR, *Historian*

NU—UNIVERSITY OF CONNECTICUT

Spring greetings to all of our Kappa Psi Brothers from your brothers of Nu Chapter at Uconn.

At the beginning of the semester new brothers took over as house officers. They are Paul Arnold, Regent; Bill Ward, Vice Regent; Ron Kuligowski, Treasurer; Wes Shorts, Recording Secretary; Dick Poulin, Corresponding Secretary, Pete Parisi, Historian; and Hank Cormier, Chaplain.

Spring is officially here, but few of the brothers will forget the Winter Weekend that was so successful for the chapter. Starting it off was a cocktail party on Friday night followed by a semi-formal dance featuring Count Basie. After the dance the brothers were supposed to put the finishing touches on our show display, but a blizzard came preventing any work. At five-thirty Saturday morning about fifteen brothers got up and worked furiously, just finishing as the judges approached. All this work was not wasted as our display, of Yogi Bear and BooBoo, won first place over the other twenty two fraternities and men's dormitories. Saturday afternoon saw combined competition of a men's and women's unit in snow games. Sunday brought the end of the weekend and a fine performance by the New Cristy Minstrels.

Once again we are fighting it out in intramural sports for top spot. We now hold third place, but are not very far behind the leaders. Spring events include badminton, outdoor track, swimming, bowling, horseshoes, tennis and soccer. Many of these events were won by us last year and we are looking forward to a fine spring record. Almost every brother has participated in the sports pro-

gram, but we at Nu congratulate Brother Steve Lako for the excellent job he has done in coordinating the forty-two sports.

March 15 was initiation for fifteen new brothers. They are: Joe Cranston, Bob Pergola, Pete MacGillivray, John Pavia, Ed O'Brien, George Pollio, Jerry Scokop, Dave Moore, Bob Martin, Jack Kornacki, Bob Quercia, Jack Girmingham, Pete Daddona, Frank Capizzo, and Joe Cerreto. The new brothers were formally welcomed into the chapter at a banquet held in their honor.

Brother Marv Johnson recently wed Miss Mary Eaton. Engaged are Miss Mary Eager to Brother Dick Poulin, Miss Mary Whalen to Brother Fred Dobson, and Miss Phyllis Deckman to Brother Jeff Roberts. Brother Lee Gorden was pinned to Miss Susan Howard and Brother Al Stetynski was pinned to Miss Barbara Gross.

During the Easter Vacation many brothers made the long journey into the warm Florida sunshine. Brother Ron "Koolie" Kuligowski extended his trip to Nassau, as he had been to Florida last year.

The weeks between now and the close of school will be busy for us. We have the Community Chest Carnival quickly approaching, then Greek Week, and finally our Spring Weekend. Also an Open House at the Pharmacy Building, in which many of the brothers will participate.

In closing let me wish you all a good Spring and we'll meet again when school is out.

Fraternally yours,
PETER PARISI, *Historian*

XI—OHIO STATE UNIVERSITY

Fraternal greetings to all Kappa Psi brothers from the brothers of Xi chapter. We have just started the last quarter of this school year, which will also be the very last quarter of all for the following graduating seniors: Gary McFarland, John Pontones, Ron Taylor, Bruce Torok, and Jay Schneider. We wish these brothers the best of luck, as well as the graduating seniors from the other chapters of Kappa Psi.

Our dance of February 29 was a great success, and a good time was had by all. We are planning a Hawaiian luau to be held April 18, which will be the major social event of the year, in lieu of a Spring Formal. Alumni from the Columbus Graduate Chapter, and other Kappa Pisis in the area have been invited, and we are anticipating a good turnout from these brothers as well as those of Xi chapter. As a highlight of the evening, we will have installation of our newly elected officers, for the coming school year.

On April 6, we were honored by a visit from First Grand Vice Regent Walter R. Williams. He met with the officers in the afternoon, and with the entire chapter in the evening.

We elected officers for next year on April 7. The are Ray Anderson, Regent; Don Harris, Vice Regent; Jim Worthington, Secretary; Larry Lewis, Treasurer; Bill Latta, Chaplain; and Larry Salyer, Historian. Also this quarter we have three new initiates to announce. The brothers of Xi chapter extend a hearty welcome to Bill Latta, Dick MacKenzie, and Tom Sherin.

Our softball team is just about ready to start

in the intramural tournament. We are enthusiastic and optimistic that we can clobber the Rho Pi Phi's and the Phi Delta Chi's and again with the College of Pharmacy championship.

Until next issue, we wish the best of luck for a most enjoyable summer to all our Kappa Psi brothers.

Fraternally,
DON HARRIS, *Historian*

PI—PURDUE UNIVERSITY

Pi chapter extends its spring greetings to all Kappa Psi brothers. With the school year coming to a close we find ourselves quite busy.

In March the brothers elected new officers before going home for Spring Vacation. Our election results were as follows: Kenneth Kasprzak, Regent; James Stiver, Vice Regent; Larry Cooper, Secretary; Bill Lindley, Treasurer; John Kapocius, Corresponding Secretary; Ron Tobias, Social Chairman; Donn Weiler, Sergeant-at-Arms; Neil Yant, Chaplain; and Tom Pugh, Pledge Trainer. The new officers are looking forward to making the Kappa Psi name well known on campus this year.

The brothers of Pi chapter are proud and honored with the election of Dr. Glen J. Sperandio, of Purdue, as the Grand Regent. We are all sure he will do a fine job for Kappa Psi.

The annual Kappa Psi Sweetheart dance has been scheduled for April 18. The brothers and their guests will have dinner early in the evening with the dance to follow. All of us are looking forward to the gala event.

Pi chapter now has 56 active members with the addition of the new pledge class. The new members are: Keith S. Apple, Kenneth R. Baker, Morgan L. Beatty, Mike Brown, Larry Cooper, John N. Davison, James D. Fites, Frederick G. Foland, Keith E. Goltzbach, John Griffith, Fred H. Jaffee, John H. Kerrigan, William W. Lindley, Darrel D. McKenzie, Paul Pankros, Larry Powers, Raymond Schmelter, James Schneider, Charles Shively, Joe Spaulding, Donald R. Voegel, Robert D. Weiler, and David M. Williamson.

Spring fever is upon us brothers but we still must get those good grades! Best wishes from the brothers of Pi chapter.

Fraternally yours,
JAMES D. FITES, *Historian*

CHI—UNIVERSITY OF ILLINOIS

We at Chi chapter began our second quarter of activity, following the Christmas "convalescent" period, with administration of the final phases of our Pledge Program . . . namely "Hell Week" which was climaxed on Friday evening with "Hell Night." Indeed, a joyous time was had by all . . . the actives, that is! On the ensuing Wednesday formal initiation ceremonies brought 21 new and proud brothers into the chapter. Our heartiest congratulations to these brothers, each of whom put forth much effort throughout the entire pledge period in helping to account for its success. To Sid Barch, Dante Barone, Rich Carroll, Don Bauechler, Gerald Doyle, Jerry Gebhart, Ollie Glenn, Ken Marsk, Ray Nootens, Andy Polizzi, Art Schindel, Mike Schrank, Dan Seckler, Bob Smolek, Jack Strandhoy, Tim Svoboda, Chuck Turner, Frank

Tycek, Ron Vrba, Ed Wantuhowicz, and Tom Wirtanen, congratulations, again.

At our February social function the brothers and their dates donned their swimming paraphernalia, wetted their soles, and experienced a splashing-good-time at the Castle Acres' pool, with chicken-in-the-basket being served as food. Ah, sweet nostalgia of summer! The middle weeks of March brought a dimming of lights for final exams again, with our post-finals celebration being held at Brother Leo Ambrose's "pad" in Cicero, of all places! Excellent amnesia for those finals blues! Our Father and Son Banquet is scheduled April 30 at the Black Steer, and the May dinner dance will be held May 29, again at the Glen Eagles Country Club with an all day picnic on the following day, Memorial Day.

Extensive projects which we have undertaken this third quarter include a complete revision of our by-laws, under the able guidance of Carl Skrabacz; a second major endeavor involves the publication of a professional K Ψ news booklet, details of which are being handled by Chuck Zajicek. Look for your copy in early summer.

In sports . . . FLASH . . . our basketball team, which had had a "just so-so" record in league competition, has just assured itself of either first or second place in the six team pharmacy tournament. Playing in a double elimination set-up, K Ψ has rallied from their poor early season showing to remain undefeated, thus far. We now conclude against Phi Delta Chi's fine outfit, a team we have already defeated previously in this same tourney. Newcomers Tim Svoboda, Ray Nootens, Andy Polizzi, and Fred Bruha have aided the starting four of Lou Martini, George Patterson, Dennis Mitchell, and Ray "Rocky" Bakaitis. Also, with baseball starting shortly, prospects look good for another successful campaign.

Other shorts before signing off; 12 of our 43 members attained honor on the Dean's List this past quarter; the collegiate chapter has been working closely with the "revived" Chi Graduate Chapter which will hold their election of officers on April 19 at the Como Inn (See next issue for their progress.); Brothers Ray Bakaitis, Jim Berg, and John Semetulskis took in the entertainment offered by the brothers of Gamma Pi in St. Louis, New Orleans, and Miami . . . all on a 4,000 mile jaunt during spring vacation.

In closing, it's been both a pleasure to write of our chapter's activities, and likewise, read about yours. Myself, along with six other Chi brothers, make our exit by way of graduation. We wish you the best in maintaining the ideals of KAPPA PSI. Then too, have an enjoyable summer. *We plan to!*

Fraternally,
TOM VRHOVNIK, *Regent*

PSI—UNIVERSITY OF TENNESSEE

Greetings once again from Psi chapter.

Many exciting events have occurred here since the last issue of THE MASK. Needless to say, the brothers of Psi chapter have played important parts in these campus activities.

The All-Pharmacy Banquet and Dance was held April third at the Hotel Chisca Plaza. This event is held annually primarily to honor the graduating class of the college. Mr. Willard

Simmons, Executive Secretary of the N.A.R.D. was guest speaker. Several Kappa Psi brothers received awards at this event. Melvin Wilson, Regent of Psi Chapter, received the coveted Karl J. Goldner award for outstanding leadership and contributions in the field of pharmacy. This award, a bronze plaque, is given each year to a superlative senior student. Brothers Don Thompson and Harvey Gardner received Rho Chi awards for having the best scholastic average among members of the First Professional Year class.

Each year for the past three years the graduating class has presented to the pharmacists of Tennessee and surrounding areas a magazine providing them with news of events here at the college and introducing to them the members of the graduating class. This publication, aptly named *The Graduate*, is the official journal of the APHA Student Branch here at the University of Tennessee College of Pharmacy. This year's publication was an even greater success than its predecessors, due to the diligent efforts of several Psi chapter brothers, who comprised the majority of the staff. These brothers were: Ray Johnson, Editor; Dave Berry, Associate Editor; Fred Parsons, Business Manager; Ed Hooper, Jim Davis, Robert Payne, Charles Arrowsmith, and Wayne Brabston, Staff. This reporter was honored in being asked to submit to *The Graduate* an article entitled "News from Kappa Psi." In this article was given a short account of the history of Kappa Psi and Psi chapter; a brief run-down on all the campus offices held by members of Kappa Psi; a review of Kappa Psi activities of the past year; and recognition of several brothers who attained superlative scholastic standings.

Psi chapter recently initiated 37 good men to active membership in Kappa Psi. This swells our ranks to an impressive 107.

Psi chapter recently staged a raffle of a TV set. This venture proved to be a successful and very lucrative one. The drawing was held April 6 in the Pharmacy Auditorium. Brother Ray Johnson provided his honest son, Ward, to draw the winning ticket, which went to Mr. Bong Suh Hao, graduate student in the College of Pharmacy.

May the next issue of THE MASK find each of us advanced to greater heights.

Fraternally yours,
BILL MILLER, *Historian*

BETA GAMMA—UNIVERSITY OF CALIFORNIA

The brothers of Beta Gamma Chapter extend fraternal greetings to the brothers of Kappa Psi everywhere.

In February we held our annual initiation in which 18 new brothers were added to our ranks. They are Edwin Adlam, Brian Arthur, Robert Castle, Leroy Ezaki, Phil Hansten, Reggie Ikebe, Douglas Iwata, Gerald Kinoshita, Pete Loew, E. Dennis Mock, Ronald Nagata, Al Slagle, Gene Smith, Ken KG Taira, Al Takata, Clarence Ueda, Ray Wilson, and William Wislosky. Beta Gamma chapter now has a membership of 68 brothers.

At the beginning of the second semester we managed to complete our election of new officers, and they are: Regent, G. Harwood Smith; First Vice Regent, J. W. Parker; Second Vice Regent, K. Horowitz; Secretary, Reggie Ikebe;

Treasurer, Dale Weston; Chaplain, Armen Melikian; Historian, Paul F. Calgher; House Manager, Robert Castle; Sgt.-at-Arms, Joseph L. Hirschman.

In the activities area Beta Gamma chapter has been rumbling along in true blue Kappa Psi tradition. With respect to professional activities we have had a meeting at which a professional representative of the Young's Rubber Co. spoke to us. Other professional meetings are being planned.

Our social activities, under the direction of First Vice Regent Parker, have been exceedingly enjoyable and gay. Our Friday night parties are memorable events for all those who attend, and there are many. We are now in the throes of planning for our annual Luau which is to be held on May 2.

We would like to extend our congratulations to three of our brothers who just recently entered the sacred confines of holy matrimony; they are Ralph Reamy, Joe Hirschman, and Terry Williams.

On April 6 our chapter was honored with a visit from newly elected Grand Regent Glen J. Sperandio. An informal evening meeting was held, and we all had an opportunity to meet Grand Regent Sperandio.

Until the next issue of THE MASK, the brothers of Beta Gamma Chapter extend their very best wishes for the successful completion of the school year and a very relaxing and enjoyable summer. Until next time, I remain,

Fraternally yours,
PAUL F. CALGHER, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

The brothers of Beta Delta extend their greetings. All of us at ACP have been kept busy since the last issue.

On April 8 we received into our ranks the following new members: Alan Carpenter and Vincent Rehbitt from the second year class; Andrew Allen, Thomas Cutbush, Douglas DeLucco, Real Duteau, James Finn, Ronald Fortin, Reeder Gates, William Hunter, Dennis Lapham, Joseph Lesstino, Douglas Little, James McGuinness, James Praino, Walter Schulze, James Stanton, Charles Stewart, John Tagliaferri, Terrence Towers, and William Wilson from the first year class.

The pledge period was launched this year with a beer party for the freshmen at the Fort Orange Post on February 13. This was followed by a smorgasbord for the prospective pledges at Herbert's on February 25. The speaker was Dean O'Brien. A good time was had by all who attended.

We are all proud of our new brothers and are confident that they will carry on in the spirit of professionalism, brotherhood, and mutual harmony which are essential ingredients in our fraternal life.

Recent projects of Beta Delta have kept the brothers busy outside the school. Each week a group of three brothers has been going to the Albany Boy's Home, an institution for underprivileged children. Demonstrations on various fields of science are given. The experience has been rewarding for all who have participated.

Many of the brothers helped in the recent leukemia drive in the Albany area, the pledges

having an especially big role. This project was headed by Brother Dean Thurheimer.

During Poison Prevention Week literature on poison prevention was distributed to local radio stations and newspapers. The pledge class also set up a window display in the school. Brothers Tim Garrity and Jim Preston were instrumental in carrying out this project.

Congratulations to brothers recently named to the Dean's List for the first semester. Those from the fourth year class were: Tom Long, John Mauger, Dick Miller, Bob Phelps, Jim Preston and Dick Sobiski; Bill Buck, Jim Byrnes, Dick Eagleton, John Erb, John Henty, Dave Jackson, and Lou O'Connor were named from the third year class; Paul Bilder and Tom Zalondek from the second year; and Chuck Stewart from the first year class.

Elections of officers for the coming year were held on April 8. Taking the helm as our new Regent is Jim Preston. Second in command is Bill Buck as the new Vice Regent. The office of Treasurer is held by Bob Phelps with Dan Schur as the Assistant Treasurer. Recording Secretary is Dick Eagleton and Corresponding Secretary is Evan MacEwan. Chuck Stewart is Historian for next year and Bill Hunter is the Chaplain. Congratulations and good luck for the year ahead go to these brothers.

Words of appreciation are extended to retired Regent Tom Long for the time and energy he has devoted to the chapter and also to Brother Lauren Hammer, our faculty advisor, whose hard work and guidance is never fully realized.

In closing, we wish all our brothers luck on their finals and hope everyone has an enjoyable summer.

Fraternally yours,
DICK MILLER, *Historian*

BETA EPSILON—UNIVERSITY OF RHODE ISLAND

Greetings to all Kappa Psi brothers from Beta Epsilon Chapter at the University of Rhode Island.

This year thus far has been a busy one for the brothers of Beta Epsilon. On January 9, following an extensive pledge training period, nine new brothers were initiated into Kappa Psi. They represent the three upper classes of the college with Bob Manney, Noel Pellan, Ray Roy, and Harold Crosley coming from the senior class; Ray Durand, Lou Roy, and Tom Needham from the 4th year class; and Chuck Olsen and Dick Glodzik representing the 3rd year class. With completion of this initiation plans were formulated to induct and train our next pledge class.

Socially, plans are being made for our annual chapter dinner-dance to be held on May second. This annual chapter function holds extra promise this year since it will be a coordinate affair with members of both the graduate and the undergraduate chapters.

On February 21 our yearly elections for chapter officers took place. Elected were: Regent, Tom Gibson; Vice Regent, Bill Davies; Secretary, Ray Durand; Treasurer, Dan Petella; Historian, Tom Needham; Chaplain, Ed Popkin. Congratulations and best wishes for a successful year is extended to these new officers.

Of great importance at this time is the forth-

coming Province I Assembly to be held here at the University of Rhode Island. All graduate and undergraduate chapter members are working together to insure a successful convention.

In closing we of Beta Epsilon wish to extend to all brothers of Kappa Psi best wishes for a successful semester and good luck on those approaching finals.

Fraternally yours,

THOMAS E. NEEDHAM, JR., *Historian*

BETA ZETA—OREGON STATE UNIVERSITY

Beta Zeta Chapter extends greetings to Kappa Psi brothers everywhere. As the newly elected Historian I hope that I can discharge the duties of this office with the ability of our past Historian Brother Lawrence Vierra.

Beta Zeta was represented at the National Convention by Grand Regent Herman Forslund, Dr. Leo Sciuchetti, and Brothers Don Loomis and Clifford Dang. As we salute Brother Forslund for a job well done as Grand Regent, we also congratulate Dr. Sciuchetti on his election to the office of Grand Historian.

Election of officers was held at the first meeting of spring term. New officers and their respective positions include: Emil Evensen, Regent; Dave Bystrom, Vice Regent; Michael Vitek, Secretary; Nolan Hasegawa, Treasurer; Dick Day, Chaplain; Dave Heitz, Historian. New members were also initiated at this meeting. They include Benjamin F. Dodge, Raymond S. Gee, David C. Heitz, James W. Junker, Asaad N. Masoud, Ronald K. Sedgwick, Richard L. Tucker, Michael R. Vitek, and Peter J. Zodtner.

On April 11, Beta Zeta and the student chapter of the APhA will sponsor the annual Apothecary Ball. Door prizes, dancing, and refreshments will highlight the evening.

The all school blood drive will be sponsored by the Brothers of Beta Zeta on April 21 and 22. A goal of 1000 pints has been set in an attempt to break the record of 919 pints collected over the two day period a year ago. The blood drive has become a tradition on the Oregon State campus and the brothers of Beta Zeta feel honored to serve the school and the Red Cross in a professional capacity which benefits the community.

Until next time, best wishes from Beta Zeta.

Fraternally,

DAVID C. HEITZ, *Historian*

BETA ETA—WEST VIRGINIA UNIVERSITY

Spring greetings to all brothers of Kappa Psi.

The annual spring pledging activities got underway February 26 with a dinner at Tony's Restaurant. A delicious meal and social hour were enjoyed by the chapter members and prospective pledges. Afterwards Dean Bachmann spoke on the important relationship between Kappa Psi and the school in molding future professional pharmacists. Other guests attending were: Professor F. L. Geiler, Dr. A. C. Core, Dr. C. W. Blissitt, and Mr. Kent Williamson.

To further orient the pledges of the fellowship enjoyed by Kappa Psi brothers, an informal stag party was held at the end of mid-term week. Needless to say, a few brothers in rejoicing the temporary let up of scholastic pressure, found themselves suffering from the side effects of overindulgence the next day. Taking all into

consideration, though, the evening of fellowship and relaxation was greatly appreciated by all who attended.

The Spring Initiation will take place this year on March 11 at the Medical Center with four pledges to be inducted. They are Fred J. Reese, Charles Stump, Marvin Wilson, and William Wilson. On the following Sunday evening a cocktail hour and banquet are planned at The Inn, Kingwood, to climax this year's pledging activities.

Up and coming events include attending the Province III Assembly on April 18 at Columbia, South Carolina with Gamma Xi chapter hosting the affair. An outing is also being planned to nearby Cooper's Rock State Park as soon as weather permits.

Since this will be my last official correspondence, I would like to commend Brother Fenney for the fine job he has done editing THE MASK this year. And to the brothers of Kappa Psi I wish success in your adopted profession.

Fraternally,

TED LEWIS, *Historian*

BETA LAMBDA—UNIVERSITY OF TOLEDO

Greetings to all Kappa Psi men from Beta Lambda chapter. The second semester brought with it many new activities for the brothers at Beta Lambda.

Our first undertaking was the election of new officers. After the shroud of conversation had lifted our new officers were found to be: Regent, Joe Cavouto; Vice Regent, Don Stein; Secretary, Pete Reeme; Treasurer, Don Luidhardt; Historian, Bob Krell; and Chaplain, John Harrington. All the brothers at Beta Lambda wish to commend and thank the retired officers for a job well done.

The brothers are proud to announce the admission of a new brother, Phil Kamlowsky, to the Agora.

The Rush Committee did a fine job this semester in selecting nine new prospective brothers for Beta Lambda. They are: Dick Falck, Tom Gudenus, Chuck Heinele, Jeff Mack, Fred Matticola, Ed Sanders, Dennis Soucek, Ed Witten, and Rex Vesey.

Three Kappa Psi members now hold offices in the student branch of APhA as a result of the elections. Brother Tom Karpinski is president, Chuck Heinele is vice president, and Rex Vesey is treasurer.

The brothers of Beta Lambda are proud to say they had a part in the collection of fun's for the National Hemophilia Foundation. The drive was undertaken by the college as a whole and was a huge success.

Many of the brothers were involved in the construction of a booth that represented Pharmacy at the Toledo Health Fair. The fair was held in April at the Sports Arena.

Beta Lambda also participated in "All Pharmacy Day," a day set aside in April for acquainting interested high school students in the surrounding area with the profession of Pharmacy.

Province V Assembly was held at Beta Lambda this year under the capable direction of Brother Jim Plagakis, who is immediate past Secretary-Treasurer. At the business meeting Brother Joe Cavouto was elected Satrap.

Brother Walter R. Williams, first Grand Vice

Regent, visited our chapter on April 8 and gave an interesting talk at the dinner held in his honor.

Again the Beta Lambdas dealt Alpha Zeta Omega Fraternity a staggering blow in the field of sports, by defeating them in a basketball game 38-32.

Beta Lambda wishes all Kappa Psis good luck on final exams and congratulations to the graduating seniors.

Fraternally,
BOB KRELL, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

Greetings to all brothers of Kappa Psi from the men of Beta Xi. So far the Beta Xi's have had a very busy and fruitful spring semester. All of the brothers returned from a well earned semester break in time to pledge Jerry Hill of Kingston, N.C., and John McLochland of Red Oaks, N.C.

On St. Valentine's Day we journeyed to Durham, N.C. to the Cerebral Palsy Hospital to give our annual party for the children of the hospital. The boys and girls enjoyed our small gifts and ice cream very much. All of us found it a very gratifying and heartwarming experience.

Elections were also held in February and I am proud to announce our new officers for next year. They are: Bob Lafferty, Regent; J. Neil Pharr, Vice Regent; Ed Hichmon, Secretary; Larry Blanton, Treasurer; John Bailey, Historian; Jimmy Matthews, Pledge Master; Neil Musselwhite, Chaplain; Chip Smith, Intramural Manager; Billy Camerson, Social Chairman; and Frank Freeman, House Manager. Our new sweetheart is Tina Bryant of Sanford, N.C. The lucky brother she is pinned to is Bob Boyd.

March 6 and 7 was Pledge Weekend for Beta Xi and will certainly be remembered as one of the best ever for us. Friday night the festivities began with a formal banquet at the Holiday Inn in Durham. We were privileged to have Dr. Bernard Boyd, a member of the Religion Department here at U.N.C., as our after dinner speaker. Following the banquet, a dance was held with the Monzas providing the entertainment. Even when the Monzas took a break there was still plenty of music provided by our own version of the Beatles along with their drummer, "Ringo" Moore. On Saturday afternoon we had a cocktail party at the house. The weather was beautiful so we moved the party to the front porch and the lawn. While the trumpet of Al Hirt provided the music on the stereo, Kappa Psi's and their dates enjoyed their cocktails. Saturday night the tuxedos were abandoned, the Beatle wigs were donned, and we went to the American Legion Hut for a combo party.

On March 18 we were proud to welcome the following men into the Agora. They are: Richard Adrow Gray, Michael Allan Moore, William Devaughn Orander, Jack Wesley Morgan, Benny Scott Lamm, Emanuel May III, and Dr. James C. Kellett, Jr., Dr. Kellett is an associate professor of organic chemistry at U.N.C. and we are especially proud to have him in Kappa Psi.

Another big weekend followed on March 20 and 21. Professional Interfraternity Weekend was well attended by Kappa Psi and the three other professional fraternities on campus.

On March 22, Pharmacy School held its annual open house for parents of Pharmacy students and all other interested people who wished to attend. It was quite successful and the brothers and pledges of Beta Xi participated in every phase of the operation.

All of us are looking forward to the last big weekend before cramming for finals start. Pharmacy weekend will begin with a Champagne party followed by a dance on Friday, April 24. Saturday night the festivities end with a combo party for the entire student body of the Pharmacy School.

On the sports scene, Kappa Psi is ranked among the top ten fraternities on campus in overall intramural action to date. Our fine showing this year has been due largely to the efforts of our Intramural Manager, Winston Hollingsworth, alias "Y. A. Tittle." We finished second in the fraternity division in football, handball, and badminton. We are now in the midst of softball and tennis and are hopeful of a championship in both sports.

Upon graduation, Beta Xi will lose six seniors who will find their way into the business world. We wish Danny Randall, Bob Edwards, Winston Hollingsworth, Bill Orander, and Wilkins Anderson the best of luck in their careers and offer our thanks to them for all they have contributed to Kappa Psi in their years at Beta Xi.

In closing, I wish all of you good luck on your exams. Have a good summer. Until the next issue I remain

Fraternally yours,
JOHN BAILEY, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

Greetings to the brothers of Kappa Psi from Beta Omicron chapter. The last quarter and the present one, which just began March 30, have found the brothers of this chapter quite busy.

On February 6, 1964 we held our annual initiation of new members. Fourteen sophomore and junior men took the oath of Kappa Psi. After the formal initiation was over, a dinner banquet was held at the Sand Point Naval Officer's Club. To be sure, everyone in attendance had a good time.

Kappa Psi brothers were the guests of E. R. Squibb and Sons on the night of February 26. The gentlemen from Squibb held open house at their warehouse and supply depot in Bellevue, Washington and guided tours were conducted. Wives and dates who were invited also found it an interesting tour.

Kappa Psi brothers have also acquired a very worth while project. On the third Wednesday of every month, members help Mr. Jim McCoy sort and distribute drugs for "Medicines For Missions." These drugs are physician and pharmacist samples which have been donated to Mr. McCoy's project. The drugs are then sorted, counted, and packed in huge wooden barrels for shipment to missions through out the world to help the less fortunate.

Coming events will be a film and lecture by Mr. Roy M. Sigvartson on April 7 from Youngs Rubber Corporation.

Election of Kappa Psi officers for the coming year will be held in the HUB (U of W Student Union Building) on the evening of April 7

**BETA OMICRON CHAPTER SORTS DRUGS FOR
"MEDICINES FOR MISSIONS"**

Bottom (l. to r.)—Jerry VanPevenage, Harry Miller, Mrs. John Deming, Dick Bull, Jim Roby, and Thad Pound.

with installation on Tuesday, April 14.

Also on the list of coming events are two more speakers. Mr. Elmer Prather from Parke-Davis will speak to the men on career opportunities in Pharmacy. Also speaking to us on May 5 will be Mr. Harris Lamphear from Smith, Kline, and French.

The annual Kappa Psi cruise which is held every Spring Quarter is an event which everyone (even the professors) is looking forward to. No date has been set for the cruise as yet.

Until the next issue of THE MASK, Beta Omicron chapter hopes all brothers will have an enjoyable spring term and sends its congratulations to the June graduates.

Fraternally yours,
THAD POUND, *Historian*

**BETA SIGMA—NORTH DAKOTA
STATE UNIVERSITY**

Greetings to all brothers of Kappa Psi from Beta Sigma Chapter.

The brothers of Beta Sigma looked forward to Spring Quarter this year. At the beginning of Spring Quarter the brothers of Beta Sigma began the occupancy of their new house. Several of the brothers returned early from quarter break to help move into the new house. The new house is contemporary in style and will house thirty four brothers. The brothers sleep four to a room and each room is divided by closet partitions.

Beta Sigma will also start Spring Quarter with a new slate of officers. The following is a list of brothers and their respective offices: Regent, Phil Wattles; Vice Regent, Gerald Gamrath; Treasurer, Dave Bernauer; Secretary, Gerry Raymond; Chaplain, Dale Kuzel; Historian, Harlen Hendrickson; Social Chairman, Ron Gillund; Corresponding Secretary, Dick Lindseth; House Manager, Dennis Kaldor; Pledge Trainer, Bob Breyer; Rush Chairman, Tim Cook; Co-Athletic Chairman, Rod Ferrite and Lynn Ferrin, and Newsletter Editor, Ron Lee.

Initiation was held on March 23 with eleven new members entering the Agora. The new actives are: Lyle Lamoureux, Orland Amundson, Mike Sather, Leroy Brend, Chuck Primozych,

BETA SIGMA'S NEW FRATERNITY HOUSE

Paul Carlson, Tery Meyers, Roger Young, Corky Tygeson, Tom Mikkelson, and Phil Smolz.

Kappa Psi also gained seven new pledges. They are: Don Sinner, George Ford, Darryl Koestinen, Mike Jacoby, Jim Movick, Walt Spieae, and Forrest Loffler.

The winter term party which was held on February 15 was a huge success and everybody had a great time. At the present we are preparing for our annual sweetheart ball, which will be held at Frazer Armory, April 25. It is at this term party that we elect a sweetheart who will reign all year.

Fraternally,
HARLEN HENDRICKSON, *Historian*

BETA PHI—UNIVERSITY OF CINCINNATI

Greetings to all brothers in Kappa Psi from the Beta Phi Chapter in Cincinnati. With this article, long overdue, Cincinnati again joins the ranks of those who make regular appearances in THE MASK.

Since it has been some time since Beta Phi has reported and I am the newly appointed, stand in, Historian, I feel a brief run down of the year's events would be appropriate.

The present officers are: Regent, Norman Weisbrodt; Vice Regent, John Liebreth; Secretary, Tom Fay; Treasurer, John Simpkins; Assistant Treasurer, Barry Troutman; Historian, Mikal Forbes; Sergeant-at-Arms, Jerry Stall; Chaplain, Dr. E. H. Plogman; and Grand Council Deputy, Mrs. Raymond Eling.

Last fall a good rush program netted us nine good pledges. To maintain interest from the pledges, a Big Brother Program was instituted. The brothers all agree the program was a success, and plans for improvements are in the making. At the end of pledging each big brother presented his little brother a traditional beer mug, and the pledge gave his big brother a paddle.

Officers in the pledge class were: Terry Metzler, President and Fred Rizzo, Secretary.

The pledges challenged the active chapter to a football game and I am sorry to say the final score was Pledges 6—Actives 0. A brown jug trophy was thereby won by the pledges thus instigating a traditional struggle, and prize.

For a pledge project, the pledges removed old cases from the Dispensing Lab in the college and installed new shelves, stocking them with a wide variety of proprietary drugs. They also maintained two hallway display cases throughout pledging. For their service activities to the

college they received the personal thanks of our dean, Dr. Joseph F. Kowalewski.

The active chapter erected a backdrop in what is known as the Schneider Memorial Room, to serve as a king size bulletin board for the plate glass window of the room. The backdrop measures 12' long and 10' high, and is to be used by all organizations in the college.

Initiation of the fall pledges was held the first week in February. Those initiated were: Art Adams, '67; Dave Barkalow, '67; Bill Bardua, '67; Paul Kamleiter, '67; Joe Kolezynski, '67; Fred Messina, '64; Terry Metzler, '67; Fred Rizzo, '67; Harry Seurkamp, '66. After initiation a banquet was held in honor of the new initiates in Downtown Cincinnati, at the Colony Restaurant.

When it came time for the Province V Assembly this spring Beta Phi was ably represented by newly initiated Brothers Harry Seurkamp and Dick Fenster. These brothers returned home with many new and helpful ideas for the chapter and with an interest in Province politics.

Plans and preparations are now under way for the coming chapter elections. They are to be held at the next meeting. Results will be published in the next issue of THE MASK. Chairmen of the committee are Fred Messina, John Simpkins, and George Shrive.

A new committee in the chapter is at the present looking into the possibility of reestablishing the graduate chapter here in Cincinnati. Facts are hard to get ahold of about past history but the committee in its "feeling out" program is doing better than expected. The committee is ably headed by Brother Art Adams.

On the the social front for the year, the brothers in Cincy thoroughly enjoyed themselves. After several rush parties, both stag and date, the brothers planned a large New Year's Eve Party, and invited the members of the college. Had it not been for this fact we would not have broke even. But still with a group of alumni and those present a fine time was had by all. Several other informal parties were also held throughout the year, and plans are now underway for more before school is out.

Well that's about all of general interest from Beta Phi Chapter. I am looking forward to telling you more about us in the next issue.

Fraternally yours,
MIKAL FORBES, *Historian*

BETA CHI—DRAKE UNIVERSITY

Beta Chi extends a fraternal greeting to all Kappa Psi brothers.

The following are the new officers of Beta Chi: Reginald Bogusch, Regent; Dan Ashton, Vice Regent; Earl Dunham, Secretary; Bill Rippley, Assistant-Secretary; Roger Dykstra, Treasurer; John Duerkop, Historian; Donn Holstad, Chaplain; Colin Neil, Assistant Pledge-Trainer; Ken Hampson, Pledge-Trainer.

On March 15, thirty men were activated into Beta Chi. Following the formal ceremony, a buffet-style dinner was held at the Commodore Hotel. The new actives are Francis Allen, Bill Adams, Ron Anderson, Tom Bader, Doug Blake, David Budds, Derryl Dedier, Bill Dines, Chuck Doherty, Bill Green, Dale Grunewald, Henry Gust, Tom Hacholski, Ron Hebdon, John Hutchison, Dennis Jordan, Jerry Kroll, Bob Martin, Tony Mensik, Richard Moses, George Owens, Gerry Ritt, Richard Russell, Bill Shaw,

Larry Simonsmeir, Jim Snider, Don Stewart, Veigh Summers, George Sutfin, and Henry Van Elsen.

A successful spring rush was held on February 27, with our Kappa Psi sweetheart, Joan Renstrom, assisting us by serving coffee and donuts. On March 14, the following men were pledged; Dennis Holcomb, Douglas Malizia, Mike Montalbano, Dick Power, Chuck Reed, Tom Rickey, and Kelly Yamooka.

The John Dearthridge Outstanding Pledge Award for the fall semester was awarded jointly to Tony Mensik and Chris Montalbano.

A testimonial dinner in honor of Dean Bryl E. Benton, dean of the Drake University College of Pharmacy, has been one of the highlights of the year for Beta Chi. The dinner, held on February 15, was sponsored by the fall semester pledge class. The featured speakers for the dinner held in the Solar Room of the Hubbell Dining Hall were Dr. George Huff, Vice President in charge of Academic Administration here at Drake, and Mr. Merlin "Dutch" Hannsbrock, class of '53, a community pharmacist in Algona, Iowa. Bill Shaw acted as Master of Ceremonies for the evening and Tom Hacholski presented Mrs. Benton with a bouquet of red roses and the dean with a pair of jade cufflinks engraved with the date. The dinner was well attended by members of the faculty, local pharmacists, and members of the college at large. Congratulations to Chris Montalbano, Henry Van Elsen, Veigh Summers, Tom Hacholski, Bill Shaw, and other members of the pledge class for a most successful testimonial to our deserving dean.

Plans are now being made for our annual spring formal. The dance will be held on May 8 at the Hyperion Club here in Des Moines. The brothers are now submitting entries for the Kappa Psi Sweetheart who will be chosen the evening of the dance.

A softball game is being planned between the new actives and the old actives to take place sometime this spring. Other up-coming events before the end of the school year are two exchanges planned with the Delta Gamma and Kappa Alpha Theta sororities.

Until the next issue of THE MASK, best wishes to all brothers from Beta Chi chapter.

Fraternally yours,
JOHN DUERKOP, JR., *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Greetings to all our brothers from Beta Psi chapter, nestled along the rapidly thawing shores of Lake Mendota here at the University of Wisconsin.

It gives us great pleasure to announce the formal initiation of ten new brothers into Beta Psi chapter at a banquet which took place recently at Amatos Supper Club. The following initiates are now brothers of the square: John W. Boray, Milwaukee; Robert W. Blint, Janesville; James T. Keefer, Mount Prospect, Illinois; Michael C. Makoid, Sea Isle City, New Jersey; William J. Marx, Manitowoc; Norbert P. Nagott, Milwaukee; Jack K. Radloff, Wausau; Roy Stenzel, Menomonee Falls; Al K. Wong, Hong Kong; and Robert A. Yokel, Racine. We would also like to thank these brothers for the Kappa Psi banner which they presented to Beta Psi chapter at the banquet.

Second semester rushing activities resulted in a pledge class consisting of the following young men who were thoughtful enough to rearrange our fraternity house while the actives were at the initiation banquet: William M. Baebler, Monticello; John T. Leary, De Forest; Ted J. Luther, Manitowoc; Gerald J. Sawyer, Pembin, Illinois; John T. Yagow, Reedsburg; Craig M. Yelton, Minocqua; and John Quirk, Antigo.

Beta Psi's new officers elected for the 1964-65 school year are: Regent, Richard Erickson; Vice Regent, Phil Mersberger; Secretary, Ron Keen; Treasurer, Brian Hansen; Professional Chairman, Al Liegel; Social Chairman, John Rasmussen; Chaplain, Paul Friederichs; Historian, Ron Lutterman; Steward, Ward Pollick; House Manager, Jim Sheahan; and Co-treasurer, Jim Hahn.

In the fall of 1965, Beta Psi chapter will move into its new home, a fraternity plaza, the first of its kind to be built at the University of Wisconsin. Fraternity Plazas are a new type of fraternity housing rapidly spreading throughout the country. It will be a ten story building, providing space for two fraternities (one social and one professional) on the first two floors, accommodating 50 members per fraternity. The remaining eight stories will be occupied by apartments. Each fraternity will be entirely separate, having separate entrances and dining facilities, and sharing only the kitchen and the sun deck. Each fraternity will have lounges, a dining room, a house mother suite, meeting rooms, a recreation room and 25 study-sleeping rooms.

Beta Psi Chapter strives to maintain an active professional program each semester. Professional activities since the last issue of THE MASK include the following: On February 13, Doctor Davenport, a plastic surgeon from Madison spoke to us about plastic surgery. His talk was accompanied by slides. Doctor Davenport's presentation was followed by coffee and doughnuts and a chance to speak to him informally. Mr. Hollis Toynton, a Lily sales representative, accompanied by slides, spoke to the chapter on the preparation of insulin, including information on oral insulin. Mr. Toynton's talk was also followed by coffee and doughnuts.

Members of Beta Psi chapter have volunteered to be tour guides for the 1964 Management Institute at the University of Wisconsin. This will be a program for practicing pharmacists sponsored by the Extension Services in Pharmacy, and chaperones for high school students staying in Madison for the student counseling program in pharmacy which takes place the same weekend.

Socially, a Valentine's party on February 15, gave the actives a better chance to meet the second semester rushees, and perhaps relax from the academic phase of university life. On March 21, the chapter house was decked out in green in readiness for another wild, annual Saint Pat's Day party. The pledges gave their pledge skit that night, and I must say, did a bang up job on most of the actives. Beta Psi Chapter will loan the facilities of their house on May 1, for a party sponsored by the University of Wisconsin Pharmaceutical Society.

Until the next issue of THE MASK, Beta Psi Chapter joins me in remaining

Fraternally yours,

WILLIAM J. JULIUS, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY SCHOOL OF PHARMACY

Greetings to all Kappa Psi men from the brothers of Beta Omega.

February 4 saw the addition of seven new brothers to Beta Omega chapter. The new members are Larry Lesko, McAdoo, Pa.; Don Schell, Eters, Pa.; Rudy Pallidino, Pensauken, N.J.; Ken Miller, Mt. Carmel, Pa.; Angelo Chiari, Bridgeton, N.J.; Jerry O'Hara, Philadelphia, Pa.; and graduate student Bob Thompson, Philadelphia, Pa., class of '62, who is now working toward his degree in pharmacology.

On March 16 new officers were elected as follows: Jim Rocco, Regent; Mike Amoruso, Vice Regent; Frank Sherako, Secretary; Ken Miller, Treasurer; Jerry O'Hara, Historian; Nick DiLissio, Chaplain. Special officers elected included Don Schell, Second Vice Regent; Clint Roderick, House Treasurer. The chapter wishes to extend its thanks to Dr. Kallelis and Professor Lynch for their service in the past year. Dr. Kallelis and Professor Lynch were elected to the respective positions of Grand Council Deputy and Assistant Grand Council Deputy again for the coming year.

The chapter extends its congratulations to Brother Frank Tiano on his recent election as A.Ph.A. delegate to the convention.

A special note of congratulations is to be extended to Clint Roderick on his election by the chapter as the outstanding junior. As recipient of the award, Clint will receive a \$100 bond and his name will be put on the plaque in the chapter room. Clint was selected on the basis of his academic achievements and his service to the chapter. He is also retiring president of the student branch of the A.Ph.A. at Temple University.

The social calendar has included several mixers and closed parties but the social highlight of the year is yet to come. The Spring Formal will be held on April 25 at the Latin Casino in New Jersey. Entertainment will be supplied by Johnny Mathis and Jerry VanDyke, after which there will be private dancing and refreshments. To date, reservations have been received for 100 people. A party will be held at the house the Friday night preceding the formal for the brothers and their dates.

The school show is presenting its rendition of "Wildcat" on April 23 and 24, the music of which will be enhanced by the drumming of Brother Rudy Pallidino. April 23 is also Alumni Day and a special convocation has been planned for that afternoon. Following the convocation the chapter will hold a pre-banquet reception at the house.

It is to the credit of the brothers living at the house that it is being kept in such good condition. New Housemaster, Steve Frey, has promised to maintain this condition. New additions to the house have included four sliding doors in the basement and a sign for the front of the house designating it as Kappa Psi, Beta Omega Chapter House.

Our fund-raising project this year is a 50-50 chance, the proceeds of which will go towards added improvements on the house and financing some of the chapter's activities.

June will see the departure of two graduating brothers, Rick Andriole and Jack Meehan. Rick has served admirably as the head of our social

committee and Jack's service has been invaluable as the chief electrician in house repairs. Congratulations and best of luck to these two Kappa Psi men.

In closing let me extend the gratitude of the chapter to the officers of last year for a job well done and congratulations and best wishes to the officers for the coming year.

I am your new Historian,

GERALD P. O'HARA

GAMMA GAMMA—UNIVERSITY OF TEXAS

Fraternal greetings to all brothers of Kappa Psi from Gamma Gamma chapter. We hope that everyone made it through the fall semester and is really enjoying the spring semester thus far.

We have really been busy as a fraternity for the past quarter. With fifteen new actives and ten new pledges, spirits are really high. Here at Texas University, we have a big fountain where the actives throw the pledges in and the pledges make feeble attempts to baptize the actives. Only tonight (April 9) five pledges kidnapped Brother Jimmy Riggins for a midnight bath. However, due to an alarm from Jimmy's wife, the bushes around the fountain were full of actives, and three pledges went in rather than Jimmy. The other two are still running.

The above mentioned 15 new actives were initiated into the brotherhood the week-end before Easter. They are: John Gibbs, Alfred Klaus, Gary Pauer, Walter White, Joe Kiowski, Lewis Smith, Bob Appling, Ronny Williamson, David Daniels, Jerry Vavra, Ray Westerlage, Sumpter Frazier, Walker Ogden, Cliff Drummond, and David Lackey. They are really "enthusiastic" concerning the ten new pledges: Bill Daniels, George Stone, Dwight Bartlett, Walter Hoke, Victory Mokry, Robert Lira, Dale West, Bud Corsey, Allan Daehne, and Tim von Dohlen.

Last week-end was Round-Up on campus, with parties everywhere. Kappa Psi congregated at the Terrace Motel Summer House, where the band was fast and the refreshments stimulating. Some enjoyed our party so much that they couldn't STAND it. One of the brothers passed out cigars because his wife had a baby—18 months ago. All in all, it was a party that will long be remembered. Several of the faculty members and their wives attended. Also present were some graduate members who were in Austin for the Kappa Psi Graduate Chapter Meeting on Sunday morning.

From all this, you may get the impression that all we do is play. Well, we're going to be playing tomorrow afternoon also—baseball at the Texas State School. We are joining with Kappa Epsilon Sorority to go out and entertain boys who weren't as fortunate as we are to have sound minds. Most of them have the mental capacities of a four or five-year-old, and just a little attention means a lot to them.

Also right around the corner is our annual blood drive to supply blood to any student of the University in a time of emergency. Each April we take pledges from people who would be willing to donate a pint when needed.

We also have a committee working on the plans for the Province VII Assembly to be held here in Austin in November. This committee is making many arrangements to really have a worthwhile and memorable occasion.

With only a few weeks left until summer, there is a lot to be done before Gamma Gamma scatters across the great Lone Star State. Many brothers plan to remain in Austin and go to summer school. Others will be going home to work and save money for next fall.

Until the summer issue, when I will again report the news from wherever I might be, I remain . . .

Fraternally yours,
STERLIN E. BARTON, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

All of the brothers here at Gamma Delta extend warm greetings to all of our Kappa Psi brothers. Spring is upon us again and activities seem to be mounting.

Among the many activities that have occurred this past winter, last January we held our first house dance of the year, the theme being "Mardi Gras." Everyone in attendance wore costumes and prizes were awarded for different categories.

Chosen to be our Sweetheart for this year was Susan Fair, wife of brother Tim Fair. Sue represented the chapter in being our candidate for Queen of the Inter-Fraternity Council Ball. In February, we honored Sue at our annual Sweetheart Dance along with serenading seven other brothers and their pinmates.

Recently elected officers for the coming year are: Charles Brown, Regent; Art Crawford, Vice Regent; Charles Fowler, Secretary; Jack Tannehill, Treasurer; Phillip Oleson, Social-Chairman; Tim Fair, Sports Manager; and James Hardin, Librarian-Historian.

Right after Spring Vacation, we attended our Province V Assembly. This year Beta Lambda of the University of Toledo hosted the convention. Elsewhere in this issue is a report on the proceedings of the convention.

Congratulations are in order for recently initiated Brother Robert Schaffer. Bob comes to us from Norton, Ohio. We know he will be a fine asset to the Fraternity.

Brother Jack Tannehill was co-chairman of this year's Campus Chest. This is a campus effort to raise money through staging a carnival and auction for World University Service and other charities. Our Regent, Brother Charles Brown has been elected president of the Inter-Fraternity Council on campus. Might I add that this is Chuck's second year as Regent of Gamma Delta.

On Tuesday, April 7, we had the privilege of entertaining First Grand Vice Regent Walter R. Williams at the house. His appearance proved to be very rewarding to the brothers. By both his praises and criticisms, we feel that the chapter has benefitted. There will always be a need for the national officers to visit each and every chapter throughout the country, to keep the bonds of the Fraternity ever strong. We thank Brother Williams for his visit and are looking forward to the next time we may host one of the national officers.

Socially speaking, two brothers gave up their independence to become pinned. They are: Brothers Jack MacCartney, pinned to Miss Sandra Gresi and Art Vernon, pinned to Miss Sandra Woodward.

Sports-wise, we haven't been up to snuff. In

basketball we came in seventh place while in wrestling we ended up in sixth place. Coming up soon will be track and tennis along with ping-pong and badminton. We might still have a chance to win yet!

JAMES HARDIN, *Librarian-Historian*

GAMMA ETA—MONTANA STATE UNIVERSITY

As another school year rapidly draws to a close we of Gamma Eta chapter extend greetings to all Kappa Psi brothers.

On January 22, our chapter was further fortified through initiation of the following pledges into active Kappa Psi membership: Norman Anderson, Terry Barber, Jack Berreth, William Chandler, Maynard Duncan, William Engler, Steven Hinkle, Eugene Keller, Elwyn Dean Knudson, Charles McGee, John Morgan, Lowell Neudeck, Keith Sturdevant, Stan Thompson, and James Werner.

New officers elected for the coming year were: Dave Gebro, Regent; Dean Knudson, Vice Regent; Bud McGee, Secretary; Don Berglund, Treasurer; Norman Anderson, Historian; and John Morgan, Chaplain. Also, Brother Jerry Short was elected president of the campus A.Ph.A. chapter.

Our annual winter function was held at the Marshall Ski Area. The brothers and their dates enjoyed an evening of skiing, climaxed by a lunch of hot chili and then some dancing. Everyone returned with no broken bones or sprains, I might add.

After a hectic bout with the books during winter quarter, the spring break was thoroughly enjoyed by taking an industrial trip to Parke-Davis in Detroit, and Upjohn in Kalamazoo. Everyone returned to Missoula a few pounds heavier and grossly enlightened on new drug research and drug manufacturing.

Now that spring quarter is under way the Kappa Psi brothers are busy preparing a tour through the pharmacy school for the high school science fair students. Various displays will be set up and research projects will be explained by Doctors John Wailles, Frank Pettinato, Don Canham, and Dean Van Horne.

The following brothers will be graduated June 8: Jack Berreth, Roy Bilile, Maynard Duncan, Matt Ferkovich, Steven Hinkle, Ernest Ratzburg, Marvin Schlabs, Keith Sturdevant, William Thoren, George Torp, James Troglia, and James Werner. Congratulations, and we hope that we may someday be graduating also.

Without further ado, I hope everyone has a good summer vacation. Until next fall I remain,

Fraternally yours,
NORMAN ANDERSON, *Historian*

GAMMA THETA—UNIVERSITY OF MISSOURI AT KANSAS CITY

Spring greetings to our Kappa Psi brothers from Gamma Theta at the University of Missouri at Kansas City. The school year is rapidly coming to a close and a number of us will be lucky enough to be included in the graduating class. Senior members of Gamma Theta include Noel Arnold, Gary Coleman, Larry Day, Tom Frazier, Jerry Garner, Jack Gessler, Joe Guffey, Ken Hirst, Roy Krehbiel, Jim Osborn, Don

Poe, Pat Porter, Mel Rogers, Sam Strada, and Bud Wendling.

The election for Gamma Theta officers for 1964-65 was held on March 18, 1964. The officers elected were: Regent, Jon Genisio; Vice Regent, Lowell Irminger; Secretary, Al Durand; Treasurer, Tom Todd; Historian, Ron Hall; Chaplain, Ken Palmquist; and Grand Counsel Deputy, Dr. Vernon Green. Officer installation was held on April 8, 1964. Congratulations to the officers and we wish them the best of success in the coming year.

Gamma Theta is looking forward to several spring activities including a party. The Kansas City Graduate Chapter will also be invited. On April 28, Gamma Theta is helping sponsor a breakfast for Kappa Psi members at the Missouri Pharmaceutical Association convention. We are hoping to see many of our old friends at the breakfast. On April 17, UMKC will dismiss classes for its annual "Bum Friday" holiday. Gamma Theta plans to present a skit and also set up a booth in the carnival to help raise money for a library.

The Kappa Psi intramural basketball team won its division with a six won and one lost record, and the softball team will try and match this fine showing of the basketball team.

Two members have recently taken marriage vows, namely Larry Hodson, and Jim Poirier. Congratulations to both of you. With this I will sign off and relinquish my duties as the Historian of Gamma Theta.

Fraternally yours,
ROY KREHBIEL, *Historian*

GAMMA IOTA—UNIVERSITY OF BUFFALO

Gamma Iota chapter sends its cordial greetings to all brothers of Kappa Psi, and sincerely wishes all a most enjoyable summer.

A great deal has been happening here at Buffalo, so I shall waste no time and get on with it. Gamma Iota has just recently instituted a new officer election system, whereby we hold elections early in the spring, or as soon as possible after New Years. This way we have the benefit of experienced officers all during the summer, and we have all the old officers in an advisory capacity for at least one semester.

The new Gamma Iota officers are: Chuck Banas, Regent; Jerry Delaney, Vice Regent; Lee Vermeulen, Corresponding-Secretary; Norm Richter, Treasurer; Ray Napierella, Recording Secretary; Ron Lamb, Historian; Bob Barto, Chaplain; Terry L. Knowlton, Parliamentarian; James Graham, Assistant Treasurer.

Gamma Iota chapter is organizing and supporting the annual Open House of the School of Pharmacy. This event is always well received by the public, and greatly enhances the image of the College of Pharmacy. The party held afterwards for all participants was also well attended, and was undoubtedly the highlight of the evening.

We are now in the process of making plans for our annual Collegiate-Graduate Dinner Dance. This formal affair is held at the terminal point in every scholastic year, and is the highlight of the social season. Our Sweetheart is chosen at the dance every year, and it is always a close race.

We are expecting a visit from Grand Regent Glen Sperandio very soon, and are all very

excited about it. His visit promises to be a very enjoyable and enlightening event.

Wishing all once again a very happy summer, I remain

Fraternally yours,
RON LAMB, *Historian*

GAMMA KAPPA—SOUTH DAKOTA STATE UNIVERSITY

The brothers of Gamma Kappa chapter send greetings to all their fellow brothers and congratulations to those on the new roles of chapter officers.

It would seem that spring was an appropriate season for our elections, as the new officers can perhaps feel akin to the greenness that is, at last, creeping upon our campus again. Our new role includes: James Nelson, Regent; Melvin Henrichsen, Vice Regent; Derald Shaw, Secretary; Dwayne Plender, Treasurer; Don Spawn, Historian; Murray Doeden, Chaplain; and Dr. Kenneth Redman, Grand Council Deputy. We say "thanks" to the officers of the past year for a job well done, and "good luck" to those to whom we now entrust the care of our chapter.

An active pledge program is now underway as we test the qualities of six prospective members. The course is being conducted with the usual heartwarming spirit and imagination on the part of the full brothers.

Our drive for the Heart Fund was a satisfying success this year, as it has been for several years past. The day of the drive was cold and windy and the collecting crews were grateful for coffee and doughnuts, served by the Kappa Epsilon girls, when the canvassing was finished.

Dr. Redman, Grand Council Deputy, was our delegate to the National Convention at Atlanta. He brought back a full and interesting report on the event.

Now, until the next issue of THE MASK; may your finals be easy, your pledges be hardy, and your summer the most prosperous ever.

Fraternally yours,
DON SPAWN, *Historian*

GAMMA LAMBDA—NORTHEASTERN UNIVERSITY

Charles Sweet is the new regent of Gamma Lambda Chapter. Since my last Newsletter a great number of our members have completed their college education, will soon graduate and become part of the working world. Among them was our former Regent, Robert Davio and former Vice Regent, Vincent Bellotti. We felt that the office of Vice Regent could be left vacant until the next regularly scheduled election time in September. The election of a new Regent was hindered somewhat by the delinquency of some members in paying their dues, and a lack of an adequate quality point average of others to allow them to be candidates. But fortunately there were a couple of able brothers to fill the bill for a fair and close race. Brother Charles Sweet was initiated into our chapter three pledge classes ago and soon gained the office of Historian. He fulfilled the duties of that office efficiently and in general has always been one of the more aggressive brothers. Already Brother Sweet has incorpo-

rated new ideas and closer organization within Gamma Lambda.

The graduating class of 1964 will take a large chunk of our membership, about 50%. However there will be no class of 1965, no more graduates until 1966. We feel that this will give us plenty of time to regain our strength of number. For many of those graduating it has been a very long haul. The battles at the old New England College of Pharmacy I'm sure will be remembered well. For others it was a little less sweat and pain; but an increase in nervous conditions. Most of those leaving Gamma Lambda have in the last few years been the core of our chapter. It goes without saying that they will all be greatly missed. Eligible for membership in graduate chapters of Kappa Psi are Brothers Richard Bobbin, Vincent Bellotti, Fred Conologue, Robert Davio, Ted Flynn, Roy Kupkowski, Fred Matuala, Paul Myron, Bob Pasquariello, Charles Petalis, Bill Principe, Tom Rice, Tony Spagone, and Joseph Spezzafero. Also graduating is our fully recognized honorary brother, Pat Capola.

At Northeastern, as in most colleges of pharmacy, one of the major senior events is their class trip. The visit to the Lilly and Upjohn Pharmaceutical Houses was not exclusively a Kappa Psi event, but it must be mentioned in this Newsletter. From all reports it was Kappa Psi men who added much to the success of the trip, along with the companies' hospitality of course.

For some time now professionalism has been questioned with regard to the professional fraternities at Northeastern. It seems that little or nothing at all has been done concerning Pharmacy by some of these organizations. We have decided to denounce any claims against our chapter of Kappa Psi by starting a drive against diabetes. By distributing individual diabetes test kits we hope to reach the entire campus. We feel that this will benefit the unaware diabetic, as well as boost our name as a professional fraternity.

In February we held our annual smoker which included, as usual, a fine Italian dinner concocted by Bob Pasquariello and his crew. Despite a heavy snow storm the evening was still a tremendous success with visiting alumni from around the immediate area and from Connecticut. A guest from the faculty, Brother Joseph Labreque, gave an informative speech to the freshmen concerning fraternalism. As usual these little pep talks always seem to do some of the brothers good also. Typical of most smokers there was somewhat of a shyness which gradually was lost through the evening. The freshmen got a good idea of what Kappa Psi men are like in informal surroundings.

As a result of the smoker, three hand picked men were considered eligible to pledge our chapter. They are Cliff Dobsen, Larry Stevenson, and Dick Nigerian. At this time they are undergoing an extensive pledge period headed by Brother James Garvey and aided by Brothers Tim Sullivan, Dan Sullivan and Ken Paiva. The pledges seem to be learning quickly and I am quite confident that they will make good brothers. They will soon be taken to Connecticut's Nu Chapter for their pledge trip so that they may gain a wider perspective of Kappa Psi. It seems that a pledge never realizes the magnitude of the Fraternity until he has visited

another chapter, and then not fully until he has attended his first National Convention as a brother.

About half way through the pledge program a dinner was held at one of the chapter apartments, 212 Hemenway St. in Boston. The intention of this event was to meet more of the new pharmacy students who were unable to attend the smoker due to the inclement weather. It also turned out to be a very enjoyable evening for both brothers and pledges. Tab Spagone brought back many old memories of good times, with his slides of two and three years ago. Once again the chapter thanks Brother Bob Pasquariello and his master chefs for their hard work in the kitchen.

An apology is extended to Al Tietzi from Brothers James Garvey, myself, and UConn's Joe Piece for the error written in the last Newsletter.

Have a good summer brothers.

Fraternally yours,
BILL WEINER, *Historian*

GAMMA NU—UNIVERSITY OF THE PACIFIC

Greetings from Gamma Nu chapter to all brothers everywhere. We trust all survived finals and had an enjoyable Easter vacation.

Gamma Nu chapter has been in the midst of one of its most active semesters since its inauguration over four years ago. This year for the first time the brothers placed an entry in the annual Band Frolic event here at U.O.P. It was highlighted by the K Ψ Jelly Boys (Ron Koren, Royce Friesen, and John Reis) who were in very good voice for the occasion.

Early in January pharmacy rush began and Gamma Nu sponsored a pizza feed with entertainment by Doc Wild Bill Cody and local free lance grease monkey Dean Gaines who demonstrated an "ethical" new method of compounding a classic preparation—Jalap Juice. More on the serious side was our last rush function, a dinner in the Hawaiian setting of the Islander. A record 60 rushees attended along with the dean and various other faculty members. Gordon Peterson and our Grand Council Deputy, Dr. James King, gave informative and inducive talks to aid in our cause. Gary Smith, Regent of the Beta Gamma chapter at the University of California, added the final touch to the evening with a few well spoken words.

Our brothers chose 27 pledges to be granted the rights and responsibilities of membership in Kappa Psi. They were: Mike Celayeta, Gary Christl, Akira Aoyama, Jerry Beck, James Brodsky, Vito Fabrizio, Richard Filice, Michael Flanagan, Ed Fruzza, Philip Gaines, Kenneth Gosney, Thomas Gong, John Harrison, Brian Heller, James Jacobsen, Gordon King, Ronald Kumasaki, Ben Kwong, Eugene Lobo, Richard McNeese, Thomas Nitta, Robert Ostrom, Robert Pori, Jack Reed, Joel Slutske, William St. Louis, and David Van Steyn. The initiation was preceded by an afternoon barbeque at Micke Grove. Dr. Sperandio was our installing officer when the chapter became affiliated with Kappa Psi in 1960 and we were most pleased to have him back again. He also announced that the next Grand Council Convention would occur in San Francisco. We trust that all chapters will send delegates as the California chapters plan

to make it the most enjoyable convention ever.

Along the matrimony trail streaked Bill Cody, our Chaplain, who recently tied the knot with lovely Claudia Cummins. Mike Byrne and Barry Mayfield also join our crew at lovers leap. The Baby Brigade began with Stan Poncetta who was blessed with a baby girl and Frank Kamian had a near miss with a beautiful young daughter also.

In closing I would like to mention the fact that Gamma Nu has been very active in professional activities which are the lifeblood of our profession. With the able guidance of Dr. King we look forward to many more constructive activities of this nature.

Best wishes to all the brothers, especially those whom I had the pleasure of meeting in Atlanta.

Fraternally yours,
MIKE R. ALEXANDER, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY

Fraternal greetings from the men of Gamma Pi to all our brothers in Kappa Psi. We find ourselves rushing through the spring semester in anticipation of the oncoming summer.

On April 1, a new set of officers took over the reins of the chapter. They include: Bill Fitzpatrick, Regent; Jim Craddock, Vice Regent; Leon Linder, Secretary; Ron Baumgarth, Treasurer; Ed Huseman, Chaplain; Jon Rakers, Sergeant-at-arms; and Dr. Gerald C. Henney as our Grand Council Deputy. Every effort will be given in order to emulate the outstanding record of those who have served before us.

Our rushing smoker was held on February 17, consisting of a catered dinner at the college, followed by an informal "bull" session at the house. The net effect was an excellent pledge class of 18 pledges, of which 16 are freshmen. It might be added that the house is getting a thorough face lifting thanks to the willingness of energetic pledges.

On March 20, a gala house party was thrown with a dual purpose; first to commemorate the 19th anniversary of Gamma Pi, and also to "acquaint" the pledges.

A get-together "Beer and Poker Party" with graduate members has been planned for the near future in order to lay the groundwork for an active graduate chapter.

We welcome to Kappa Psi our new faculty member, Mr. Mohammed Ghafoor, knowing he will serve our chapter well.

On the athletic scene, our basketball team had a good year, finishing third in the intra-collegiate league, while our bowling team is currently in first place. The softball league will have a strong Kappi Psi representative as usual. Ron Klobe led a team of brothers to victory over a quintet from St. John's nursing school, in a game plagued with fouls and frolic.

A film entitled "The 91st Day" was shown at the college for the benefit of all students, as well as the various nursing schools in the area. Thanks and congratulations are given to Brothers Tony Bartal and Leon Linder for this job well done.

The *Prescripto*, yearbook of the school, is once again being put out by Kappa Psi, with Brother Harry Richter editor. It is to be distributed at the end of the year.

Our spring formal, held annually at La Chateau, traditionally represents a reward for a year's drudgery. Gamma Pi has many objectives to attain, as a fraternity and as individual members before the current school year comes to a close. The best results always for all Kappa Psi men, with hopes for a wonderful summer.

Fraternally yours,
JAY C. GOBBLE, *Historian*

GAMMA UPSILON—UNIVERSITY OF ARIZONA

Greetings to all brothers of Kappa Psi from the brothers of Gamma Upsilon in Tucson, Arizona.

Spring is in the air here at Gamma Upsilon and so is the hint of activity! The spring semester began with the election and installation of officers. They are: Regent, Charles Mee; Vice Regent, Stan Gilliland; Secretary, Ed Gatti; Treasurer, Wayne Stolfus; Historian, George Flushman; Sergeant-at-arms, Rick Matey; and Chaplain, Fred Moore. Dick Wiedhopf, our former Regent, is active with new duties as Scholarship Chairman.

Rush came up in the middle of March, and our special events came off very well. We opened with a Saturday morning lunch and tour of the Brunswick Wholesale House here in Tucson. That night we had a party at the home of Brother Barrie Mayes. Other events included an open meeting—including a pizza menu and featuring a talk by Brother Tom Wachter on his trip to the Kappa Psi Grand Counsel Convention in December. Brothers Dick Wiedhopf and Dick Bruchner also attended the Convention. Two speakers were heard by rushees, pledges, and actives during rush week. They were Dr. Jack Cole, professor of pharmaceutical chemistry (and a Kappa Psi brother) here at the University of Arizona, who spoke about and showed slides of his recent trip to Europe; Dr. Kenneth Wertman, head of the microbiology department on campus, who spoke on the laboratory treatment of Valley Fever.

Our final event of Rush Week was the semi-annual Kappa Psi Steak Fry at Seven Falls near Tucson. An enjoyable day in the mountains was had by all. Thanks a lot to co-chairmen Brothers Barrie Mayes and Charles Mee for a fine rush week agenda.

The following pledges signed bid cards this past week: Bert Berman, Joseph Bonafede, Philip Cherlin, Mike Cohen, Ken Coit, Bob Dennis, Jim Gilbert, Bob Kass, Tim Lind, Leo McStroul, Ron Morhar, Les Peterson, David Rish, Jim Schee, Ron Selness, Dick Smith, Walt Tannert, John Viviano, and Andy Ware. We hope that this outstanding pledge class will bring many new ideas into our growing chapter.

Several other events on our calendar are rapidly approaching: The Easter trip to Chicago and Indianapolis will be March 7 through April 5. Then comes Lyman's Day—Pharmacy Ditch Day at Sahuaro guest ranch. Brother Bob Wilson is activities chairman for this event.

Finally, the Senior Banquet will end the year, and we will say goodbye and good luck to departing seniors Jim Doolen, Dick Guzman, Jim Haveman, John Limm, Reggie Sellas, Jim Sexton, Gary Spelbring, Ron Waldorf, Cliff

Farber, Alan Lerner, John Vincent, and Curtis Davidson.

Professional honors were achieved by many of the brothers this year. Two brothers were elected to A.Ph.A. offices: Dick Wiedhopf, vice president and Byron Melendy, secretary. Pledge Les Peterson was also elected treasurer.

Class representatives for A.Ph.A. were Pledge Jim Gilbert, Pledge Walt Tannert, and Brother Wayne Stolfus.

Congratulations are in order for Brother Gary Spelbring, who was elected a senator to our student government at the U of A, to represent the College of Pharmacy. He was also selected to appear in *Who's Who in American Colleges*, a book composed of important students on different campuses.

Three brothers—Jim Haveman, Reggie Sellas, and Charles Mee have been initiated into Rho Chi. Congratulations on your fine work.

In sports, congratulations to pledge John Vincent who plays first base on the University of Arizona baseball team (second place in NCAA playoffs), and to pledge Cliff Farber who was voted the intramural athlete of the year.

Finally, cupid has been as active as ever—three engagements and two marriages during the past semester. Brother Tom Wachter became engaged to Miss Avis Jennings, Brother Gary Spelbring became engaged to Miss Pam Reyburn and Brother Barrie Mayes to Miss Karen Corse. Also, Brother Wayne Stolfus married Miss Temple and Brother Jim Haveman married Miss Norine.

That about takes care of the news from Gamma Upsilon for now except for sincere thanks to our past officers and hearty congratulations to the new officers. Until the next issue, I remain

Fraternally yours,
GEORGE FLUSHMAN, *Historian*

GAMMA CHI—FERRIS STATE COLLEGE

Spring greetings to all brothers of Kappa Psi from Gamma Chi in Big Rapids, Michigan.

Gamma Chi brought to a close its winter term activities with the presentation of the fourteenth annual Sweetheart Ball on February 15. The event was highlighted this year by the dance music of the Jimmy Dorsey Orchestra under the direction of Lee Castle. During the dance the dean of pharmacy, Dean Claus, crowned the sweetheart, Miss Jane Schroeder, of Birmingham, Michigan.

The intramural basketball season ended at Ferris State with our team making the semifinals. A record breaking eighty-four teams competed this year, and Gamma Chi took fourth place in the final standings. Brothers Bob Lytle and Denny Wilbee were selected as members of an all-Greek basketball team representing Ferris State College. The team played the Greeks at General Motors Institute in Flint on March 21. Brother John Stockdale, a member of the winter term pledge class, captured FSC's Free Throw Championship this year. He made 43 out of 50 twice to win the title.

The brothers of Gamma Chi wish to thank Beta Lambda Chapter for the excellent program and activities presented at the Province Assembly in Toledo. A good time was had by all. We are quite pleased by the fact that Brother

1604 GAMMA CHI GOES TO SEMI-FINALS

The chapter's team placed fourth in intramural competition. Back row (l. to r.)—Brothers Denny Wilbee, Ron Sherman, John Stockdale, and Dr. George Holcomb (advisor). Front row (l. to r.)—Brothers Bob Lytle, Dick Sturm, and Bob Byrnes.

Roger Stoll was elected as Vice Satrap, and Brother Ron Sherman was elected to the post of Chaplain.

We just increased our membership by initiating eleven pledges. We are proud to welcome into our midst Robert Lytle, Roger Byron, Carl Wilberg, Ken Gragg, John Stockdale, Tom Heim, Dale Boukma, William Gaus, Dennis Weaver, Dan Stacy, and Norbert Laskowski. These men received the highest grade-point average of any pledge class on campus last term.

The elections for the coming year have taken place at Gamma Chi. The results are: Regent, Ron Jacoby; Vice Regent, Dennis Wilbee; Recording Secretary, Roger Van Wyke; Corresponding Secretary, Robert Byrnes; Treasurer, Sid Tuesley; Historian, Larry Hoopingarnier; Alumni Secretaries, Jim Wiita and Jerry Blank; House Manager, Russ Wilkinson; Assistant House Manager, Bill Murphy; Pledge Master, David Prelesnik; Assistant Pledge Master, Nick Nelson, and Chaplain, Louis Szczap. With this new slate of officers, Gamma Chi has rededicated itself to forwarding the profession of pharmacy and the "high ideals" of Kappa Psi.

Last term we gave blood to the American Red Cross and were pleased to learn that our chapter membership had the highest percentage of donors among all the participating fraternity groups on campus. The result is a beautiful, big trophy now gracing our mantle.

We initiated our spring term activities by sponsoring Brother Louis Szczap for the "Ugliest Man On Campus" contest. Our efforts are now turned towards intramural volleyball (for which we have three complete teams), rushing and pledging, and Greek Week. In preparation for Greek Week we are practicing faithfully every week for Greek Sing.

Fraternally yours,
LARRY HOOPINGARNER, *Historian*

GAMMA OMEGA—UNIVERSITY OF ARKANSAS

To our fellows throughout the nation, Gamma Omega brothers extend their greetings and best wishes for the summer months ahead. May we all prosper in the various plans and schemes for capitalizing on the sunny weather, and I hope on sunny opportunities as well.

We here at Arkansas are in the midst of a run of spring activities which will continue with a gala Spring Dance and with elections shortly thereafter.

At the beginning of the year a rush party was held at the home of Charles Halliburton, Regent, at which all men eligible for and interested in membership in Kappa Psi were supplied with ample information and refreshments to suit the occasion. Much good-will was spread that night and the result was the pledging of an excellent group of men.

Our new members were received this spring with a vigorously active pledge program conducted by Bruce Junkin, the Pledgemaster for this period. Initiation was held here March 23, in which 13 Razorbacks were inducted into membership. They are a fine lot of men and we are eager to witness the contributions with which they will leave their mark on our chapter. They are: Bill Burrows, Randal Caldwell, Bill Courtney, Charles Cunning, Sid Dickson, Jeff Dunn, John Fincher, D. C. Huffman, James Johnson, Noel Pearson, Bill Prier, Lewis Sparks, and Richard Thompson.

Spring has seen the occasion of several educational meetings here at the University of Arkansas Medical Center, to wit, the Career's Day Activities, and the Professional Orientation for Pre-Pharmacy Students. Kappa Psi supplied guides and advisors to inform those attending of the complete educational set-up at the Center.

As we go rambling down the bumpy road to finals, this hardly seems like a stopping point. However, it is, and as elections roll around, it is doubly so for me. In closing, I have enjoyed relating the events of our chapter to you for the last year, and now I bid you a final farewell.

Fraternally yours,
RALPH P. BROWN, JR., *Historian*

DELTA BETA—SOUTHWESTERN STATE COLLEGE

Greetings to all brothers in Kappa Psi and congratulations to the seniors of 1964, from the brothers at Delta Beta Chapter in Weatherford, Oklahoma.

Delta Beta celebrated its one year anniversary Friday, March 13. Much has happened in the past year and we have suffered a few growing pains but things are going smoothly now and we are proud to boast 64 active members and a new pledge class of 21 which will be initiated on April 13. New pledges are: Tejan Cunningham, David Sparks, Don Byrd, Larry Stiger, Don Rice, John Beck, Jim Kunz, Larry Staggs, John Petzold, Larry Kay, Bob Pierce, John Dixon, Larry Pribble, John DeLange, Joel Perry, Larry Dismore, Pat James, John Carey, Bob Turney, John Robinson, and Fred Cole.

New officers were recently elected for the following year. They are: Leland Wehde, Regent; Mike Shannon, Vice Regent; Claude Rose, Sec-

NEW GAMMA OMEGA MEMBERS FOR 1964

Shown l. to r. on the first row: Richard Thompson, Noel Pearson, Randal Caldwell, Bill Prier; second row, Bill Burrow, James Johnson, D. C. Huffman, Sid Dickson, Jeff Dunn, Bill Courtney, John Fincher, Lewis Sparks, Charles Cunning.

1605

retary; Roger Thompson, Treasurer; Gary Reece, Historian; Stroud Brown, Chaplain; Randall Kourt, Librarian; Kenneth Grummer, Sergeant-at-Arms; and Richard Harris, Parliamentarian.

A few of our activities this year have included participation in a March of Dimes drive by selling raffle tickets on a stereo. Over \$300 was raised. Our chapter also contributed 30 pints of blood to the local blood bank. We participated in National Poison Week by distributing literature and sending speakers to the grade school. We sponsored a very successful Valentine's dance, and all proceeds went into our mimeograph machine fund. Delta Beta is also acting as secretary for the newly organized Southwestern Foundation here at Southwestern.

In closing, a special thanks goes to all those who helped in the organization of Delta Beta Chapter and for the letters of encouragement.

Yours in Kappa Psi,
GARY REECE, *Historian*

DELTA DELTA—THE UNIVERSITY OF HOUSTON

Fraternal greetings to all brothers in Kappa Psi. During the past week, the election of officers was held here at Delta Delta. Those elected were: Mike Porter, Regent; Jerry Gault, Vice Regent; James Winkle, Secretary; John Hel-lums, Historian-chaplain; and Larry Watson, Treasurer. Due to the superior manner in which he performed the duties of his office, Larry Watson was reelected to his previous position.

April 25 has been set as the tentative date for our annual spring function. With Winston Swanzi as head of the social committee and in charge of all arrangements, there is no doubt that this will be a memorable affair.

During the past "National Poison Prevention Week," Kappa Psi pledges were found busy preparing posters to be placed at numerous places on the U. of H. campus. Accompanying these posters were "Antidotes for the Home" that could be picked up by students and faculty. We hope to enlarge on this project in the years to come.

Fraternally yours,
MARVIN R. SPICAK, *Historian*

MU OMICRON PI—WAYNE STATE UNIVERSITY

Greetings to the brothers of Kappa Psi from the men of Mu Omicron Pi. This past quarter was a busy and successful one for our chapter. We held our first rush party on April 1 and the attendance was excellent. We are expecting one of our largest pledge classes.

We would like to take this opportunity to extend congratulations to Brother Gene Coe on his marriage this past quarter and best wishes to Brother Gerald Du Fresne who is getting married in June. Congratulations also to Brother Ed Werenski who graduated this past quarter.

Our chapter acted as host for "Vagas Venture," a millionaire's party sponsored by the Student Advisory Board of the College of Pharmacy, in order to raise money for a fitting memorial to the late Dean Stephen Wilson. Kappa Psi also plans to give a testimonial dinner honoring J. Verne Crandall, a 40 year member in Kappa Psi, now retiring from the faculty at Wayne State's College of Pharmacy.

Our chapter is in the process of submitting amendments to the by-laws of our constitution which will allow us to raise the dues of the collegiate members and the initiation fee of the new candidates.

We have had the pleasure of entertaining

the First Grand Vice Regent Walter R. Williams. He presented to us much in the way of constructive criticism and praise and was felt to be of great help to our chapter. I'm sure that every one in the chapter had a very enjoyable time during his brief, one-day visit.

As a note to posterity, we thank Brothers Price, Smith, Giteronke, and Facione for their attendance at the Province V Assembly held in Toledo, Ohio.

We hope everyone has a pleasant summer.

Fraternally,

JIM HENDERSON, *Historian*

BOSTON GRADUATE CHAPTER

Spring has come at last to New England and in just a few days the Red Sox will be showing off some new names and faces at Fenway Park. We trust they shall be more successful than some of their predecessors.

1606 BOSTON GRADUATE CHAPTER

Dean Howard L. Reed of MCP presents the Douglas Wilson Memorial Scholarship to Brother William H. Stigelman of Mu Chapter.

Some names and faces have been in the Fraternity news in Boston recently. On Saturday evening, April 4th, the Boston Graduate Chapter Scholarship Awards were made to collegiate members of Mu Chapter. The three awards, each in the amount of one hundred dollars, were presented to the following: *Edmund J. Berube Memorial Scholarship*—Maurice G. Fortin; *Ray S. Kelley Memorial Scholarship*—Donald G. Floriddia; *Douglas Wilson Memorial Scholarship*—William H. Stigelman. These awards were made by Dean Howard L. Reed of the Massachusetts College of Pharmacy during the Mu Annual Smoker. Approximately 40 graduate members were in attendance at this affair.

Following the Smoker, the annual meeting of the Boston Graduate Chapter was called to order by outgoing Regent Merle R. Sheets. Brother Sheets opened the meeting with a re-

capitulation of the two-year term of the outgoing officers. He outlined a number of achievements of his administration and charged his successor to continue actively promoting the Chapter and its programs.

In his treasurer's report, Brother James A. Donahue, Jr. stated that 184 members had paid dues for the current calendar year. Fifty-three of these brothers made contributions to the chapter scholarship fund.

Historian Norman A. Campbell reported on the 32nd National Grand Council Convention in Atlanta, Georgia. It was noted that the two largest collegiate chapter delegations at the meeting were those of Mu and Gamma Lambda in Boston. With this type of local enthusiasm for Kappa Psi, the fate of the Boston Graduate Chapter should be continued progress.

The Chapter voted to establish a Boston Graduate Chapter Scholarship to be awarded to a member of Gamma Lambda Chapter at Northeastern University.

Highlight of the evening was the election of the slate of officers to serve for the next two years. Brother Raymond A. Gosselin, past Vice Regent, was elected Regent. Brother Joseph E. Pierce is the new Vice Regent. Brothers Schermerhorn, Donahue, and Campbell were re-elected to the offices of Secretary, Treasurer, and Historian respectively. The newly established office of Chaplain is held by Brother Leonard A. Dumas. The new officers were installed by former Grand Vice Regent Pierre F. Smith.

Looking ahead to the fall and the Province I Assembly at the University of Rhode Island, the chapter elected Peter O'Reilly and Daniel Warren to serve as official delegates.

Graduation will be a reality or "just around the corner" as you read this. We look forward to welcoming all Kappa Psi men in the Boston area to the Boston Graduate Chapter. Only through continued cooperation can we work toward and achieve the goals of our Fraternity.

To all graduating brothers, everywhere, we wish you well as you find your place in this broad world of pharmacy. Keep up the good work and show all that Kappa Psi men are men of vision, leaders in our profession.

Our next big get-together should be at the APHA meetings in New York in August. See you there!

Fraternally,

NORMAN A. CAMPBELL, *Historian*

DETROIT GRADUATE CHAPTER

Greetings to the brothers of K Ψ from the brothers of The Detroit Graduate Chapter.

Since our last newsletter we have installed our officers for 1964. They are: Frank Facione, Regent; Robert Condon, Vice Regent; C. Douglas Acord, Secretary; Walter Tilson, Treasurer; Larry R. Kersten, Asst. Treasurer; Ralph Freeman, Chaplain; and Carl Kyburz, Historian.

Detroit Kappa Psi was well represented at the February 25th Seminar, "Pharmacy's Expanding Horizons" at Wayne State. Brothers Robert Fleischer and Ira Smith of the Pharmacy Alumni Association served on committees for the seminar. Speaking of the Alumni Association, Ira Smith is serving presently as secretary and doing a fine job.

We are anticipating a large turnout for our

Awards Banquet to be held on June 3. This is an annual affair at which we recognize those students excelling in scholarship and service to the Fraternity. This year we are combining this event with a Testimonial Dinner in the honor of Brother J. Verne Crandall. Professor Crandall, a charter member of both Mu Omicron Pi and Detroit Graduate Chapters, has announced his retirement from the faculty of Wayne State's College of Pharmacy this June, after approximately 40 years in pharmacy education and industry. He joined Wayne State's faculty after the merger of The Pharmacy School at Detroit Institute of Technology with the former in 1956. We all join in wishing Brother Crandall a very happy retirement.

When this letter is published we will already have been visited by First Grand Vice Regent Williams. We hope his April 9th stop in Detroit was as interesting as his 1958 tour. Many changes have taken place in Detroit since then, including the acquisition of a Chapter House.

Regent Facione informs us that the recent Province V Assembly in Toledo was a most informative meeting. The question of possible province realignment was discussed. The brothers, collegiate and graduate seem eager to provide for future growth of K Ψ through judicious redistricting. Congratulations to Satrap Cavuto and his Executive Committee and best wishes for a successful year for the Province. Also we join with the other Chapters in welcoming Executive Committee Member Ray Dauphinais as Supervising Officer of the Province.

In closing the officers wish to thank the brothers for their support in the past and urge their continued support. In return, they pledge diligent attention to their duties to the chapter.

Till the next issue of THE MASK, we remain

Fraternally,
CARL KYBURZ, *Historian*

CONNECTICUT GRADUATE CHAPTER

Greetings to all our brothers in Kappa Psi from Connecticut Graduate Chapter. The regular meeting of the Graduate Chapter for January, 1964, was held on Wednesday, January 22 at the Fairway Restaurant in Bridgeport, Connecticut.

As is usual with this particular meeting, a marvelous Smorgasbord meal was served. Everyone, including yours truly, enjoyed the fine variety of food set before us. The meal included turkey, chicken, ham, roast beef, salads, fruits and vegetables and all the mouth-watering extras which go into a meal of this type.

Brother Dan Leone reported on the National Convention held in Atlanta, Georgia, and commented on the splendid turnout of brothers, especially those of the undergraduate chapters.

We of Connecticut are very proud and honored to have our own Brother Roy Williams of the University of Connecticut on the list of Grand Council Officers as First Grand Vice Regent for a two year term. Also, our own Brother Nick Fenney was re-appointed as Editor of THE MASK in addition to a member

of the National Executive Committee. Congratulations to both.

Our next meeting, the second of 1964 was held on March 18 at Diorio's Restaurant in Waterbury, Connecticut.

The guest speaker of the night was Major Leslie Williams of the Connecticut State Police who spoke on the different and varied tasks and duties which befall the Connecticut State Police. After hearing and learning of all these duties, one wonders how the Connecticut State Police can carry out all these functions, patrol our state highways and still maintain the enviable position of being one of the finest state law enforcement agencies in the United States.

Also at this meeting, Delegates were nominated for the Province I Assembly to be held in Kingston, Rhode Island in late April. A list of next year's officers was also proposed. They will be voted upon and assume office at the next meeting. They are as follows: Regent, Harry (Bud) Vaughan; Vice Regent, John Giannitto; Secretary, Raymond Smith; Treasurer, Robert Auger; Historian, Robert Cadwell; Chaplain, Phillip DiLeo; and Grand Council Deputy, Gus DellaPietra.

Our next meeting, which will be the May meeting, will find us the guests of Nu Chapter, University of Connecticut. This will be the last meeting before our "summer vacations."

Wishing all brothers success, health and happiness during the summer months,

I remain fraternally yours,
ROBERT F. CADWELL

KANSAS CITY GRADUATE CHAPTER

Fraternal greetings to the brothers of Kappa Psi from the Kansas City Graduate Chapter.

On February 6, our winter meeting was held at Brother Bill Richmond's home. Over 50% of the members were present with Regent Ralph Ritter presiding. The meeting was very comprehensive and covered many subjects. Following the officers reports, the nominating committee composed of Bill Davis, Ed Ingram and Dick Gardner presented their report. Nominations were then opened from the floor. A mail ballot will soon follow for the election of officers.

Of major importance was Treasurer Bill Richmond's report on the incorporation of the chapter under Missouri State Laws. We are now incorporated and feel this will work to our advantage in the future. Bill deserves congratulations on the efficiency and speed with which he carried out this difficult and time consuming task.

Refreshments and cards followed the meeting. Our thanks to Bill Richmond and his wife Rosalee for hosting our winter meeting.

It is our pleasure to welcome Gary Rucker into the Graduate Chapter as a new member.

Until the next "Newsletter," best wishes to our brothers of Kappa Psi.

Fraternally yours,
JIM RAY, *Historian*

KENTUCKY GRADUATE CHAPTER

Greetings from the Kentucky Graduate Chapter and a plea to allow a Prodigal Son to

KENTUCKY GRADUATE CHAPTER
OFFICERS—1964

1607

Front row (l. to r.): Bob Corum, Don Smith, Herb Brandt, and Vince Barry. Back row (l. to r.): Bernie Fussenegger, Joe Elmes, Dudley Taylor, and Bob Barnett.

return. It has been a very long time since we have communicated with our brothers through this excellent media.

Although our activities have not been reported to you through *THE MASK* we have been very busy none the less. After ten years of saving we have purchased a club house on the banks of the beautiful Ohio River. Since it was so long in coming and so costly to attain, we unofficially refer to our little cabin as the "Castle." Our castle has no king, but it does have many subjects that are dedicated to the advancement of Pharmacy and Kappa Psi.

Elections were recently held and Brother Don Smith was chosen Regent. Other new officers are Bob Corum, Vice Regent; Herb Brandt, Secretary; Vince Barry, Treasurer; Bernie Fussenegger, Corresponding Secretary; Joe Elmes, Sergeant-at-Arms; Dudley Taylor, Chaplain and Bob Barnett, Historian.

When you are in Louisville, come by and say, "Hi, y'all."

Fraternally yours,
BOB BARNETT, *Historian*

PORTLAND GRADUATE CHAPTER

First may we take this opportunity to express our thanks and appreciation to *THE MASK* and editor Fenney for the excellent issues that come to us through the year. To those of us removed from close association with the collegiate chapters it is the sole means of bringing us news of the Fraternity, the new chapters, activities of our older chapters, and the accomplishments and promotions of our members. Thanks again and may *THE MASK* continue to be the fine publication that it is.

The first meeting of 1964 was held at Burn's Restaurant on the evening of February 5. Present were about 35 brothers including our immediate Past Grand Regent Herman Forslund, the newly elected Grand Historian Leo Scicchetti, and several collegiate members from the Beta Zeta chapter in Corvallis.

The usual social hour preceded the dinner and business meeting which allowed us opportunity to renew old friendships and to become acquainted with the boys from the collegiate Beta Zeta chapter. Both Brothers Forslund and Scicchetti gave us an excellent report of the fine and successful Grand Council Convention held last December in Atlanta, Georgia.

Guest speaker for the meeting was Mr. Don Clark, sheriff of Multnomah County. He presented a talk on the problems of law enforcement in his area office that includes approximately one million people. A question and answer period followed his talk which was an interesting feature of the evening. We are most grateful that Sheriff Clark would take of his time to spend an evening with us.

The paper prepared and presented by Professor Scicchetti at the Grand Council Convention on the "Functions and Responsibilities of the Graduate Chapter" is truly a splendid article. It is presented in the pages of this issue of *THE MASK*. The Portland Graduate Chapter already is following some of the suggestions contained in the article and we will try to incorporate all the others that we are not using at the present.

Fraternally,
LYLE V. HENDRICKS, *Historian*

IMPORTANT

THOSE WHO PREPARE THEIR CHAPTER "NEWSLETTER"
PLEASE READ!

The office of THE MASK insists that postmark deadline dates mentioned on page 61 be met in order that the "Newsletter" appear in the issue as scheduled.

All "Newsletters" received postmarked *after the deadline* date can not be used for that issue and, therefore, will be returned to the sender in the event he may wish to use some of the material for his next report. *Please cooperate!*

A "Newsletter" from your chapter should appear in each issue of THE MASK and should be mailed about a week before the deadline date. Do *not* anticipate a reminder from the office of THE MASK of your Chapter's "Newsletter."

Triumph of the Jewelers Art
