Grand Regent  
GLEN J. SPERANDIO

There are many men in Kappa Psi who are the silent workers; who continually support our Fraternity and give of their time and efforts without thought of recognition. They are living examples of the virtues of Kappa Psi and are one of our main strengths. As they become experienced in the professional world, they are able to learn from their experiences and pass this knowledge on to younger brothers. Occasionally, a contribution of this nature comes to my attention. Recently at the Province III meeting in Chapel Hill, Brother C. W. Eckstrom, now with Eli Lilly in Indianapolis, gave a most stimulating address to the delegates. I have asked him to permit us to publish it in this issue of *THE MASK* since it is most appropriate at this time of the year. Brother Eckstrom has written my message to our members for this issue.

Brother Eckstrom obtained his pharmacy degree from the University of Illinois, College of Pharmacy, and became registered in 1948. He joined the sales staff of Eli Lilly and Company in 1949 with headquarters in the Chicago area. Along with his regular assignment of calling on pharmacies, hospitals, and physicians, he was responsible for selected wholesale distributors in the area. In 1957, Mr. Eckstrom was selected for a special assignment and for two years made contacts with dentists exclusively for the purpose of determining the potential pharmaceutical market in that field. In the fall of 1959, he was transferred to Indianapolis in the home office as an associate in the Professional and Trade Relations Department. He is currently responsible for the development of community pharmacy service materials and wholesaler sales campaigns and is the editor of *Tile and Till*. He is an active member of the American Pharmaceutical Association and, at present, is the chairman of the Public Relations Committee as well as being chairman of the Public Relations Committee of the Indiana Pharmaceutical Association. He is also a past president of the Indianapolis chapter of the A.Ph.A.

Brother Eckstrom became a member of Kappa Psi in 1942 and, following graduation, continued to be active in the affairs of the Chicago Graduate Chapter until he transferred to Indianapolis.

## **KANSAS CITY SELECTED FOR 34th GRAND COUNCIL CONVENTION AUGUST 28-31, 1967**

Grand Regent Glen J. Sperandio has announced that the Executive Committee has selected Kansas City, Missouri as the site of the 34th Grand Council Convention. The meeting dates will be August 28-31, 1967 and the Hotel Muehlebach has been designated as the official hotel for the meeting.

Of special interest to members is the change from the usual time of year between Christmas and New Year to that of mid-summer. This should allow a greater number of graduate members, in addition to collegiate members, to attend. For some years there have been suggestions and comments that a change to a summer convention would afford many brothers the opportunity of attending which a winter meeting would prohibit. In addition, the hazards of traveling to a convention during the winter storms would be eliminated.

Although the 34th Convention dates are over a year away we should start planning for this important event and by publicizing to all brothers the change in time to that of a summer date.

## **THE 33rd GRAND COUNCIL CONVENTION AS SEEN THROUGH AGED ORBS.\***

Before I get carried away by the mental aberrations I intend to put in writing, I want to say it was perhaps the finest Convention I have ever attended. Since I made no contribution, good or bad, you may accept the above appraisal as being completely honest. Since I have always believed that these Conventions were extremely vital to our life and growth, this is high praise for those who did the planning and execution, and to all those who participated; that not only means the brothers who were present, but also those who stayed at home.

I think you may be pleased to learn that Dean Daniels expressed considerable amazement at the numbers present at the meetings and the seriousness and constructiveness of the sessions. Even though I could take no credit for it, I was very happy to assure him that this was entirely normal.

It is truly amazing that in our troubled world today, that a group so heterogeneous as our membership, and so widely scattered geographically as is our membership, can sit down and analyze problems and find proper answers and solutions as is realized at Kappa Psi meetings. It is not derogatory to say that beyond Kappa Psi our only common interest is Pharmacy. I believe that herein lies the key to our past, present and potential contribution to life.

## Something About Ambition

By C. W. Eckstrom\*

C. W. ECKSTROM (Kappa Psi)  
Editor of *Tile and Till*,  
Eli Lilly & Co.

The men in our collegiate chapters of Kappa Psi today are the future leaders of Pharmacy; and the future is close at hand. This leads to an observation made by Mr. Kettering when he was Chairman of The Board of General Motors. He said, "Don't tell me about yesterday or today—tell me about tomorrow because that is where I am going to spend the rest of my life."

You are going to spend the rest of your life in the future; intuitively everyone knows this and plans for it to some degree. Some people fear the future, some look forward to it with hope, and some work towards making it the very best that they can. This latter group of people are the ambitious ones . . . and certainly ambition is one of the dominating characteristics of the young men and women in college today.

Ambition is a positive, purposeful, creative aim; really, an energetic doing of something definite. All of you have shown ambition by enrolling in college. You have created a purposeful goal.

When you seek personal fulfillment, that is true ambition; but you must take into consideration your talents and abilities and your likes and your hopes; you must consider the demands of the business world and the disciplines that our profession imposes on you. Then you may direct your energetic ambition toward perfecting your ability to meet your goal.

Ambition to succeed must take into account two things as you enter the competitive professional market place. First, what do you have to offer; and secondly, what are you prepared to do to improve the quality and service of what you have to offer? During the next thirty years, you will have about seventy thousand hours of time and energy to sell to someone or utilize to your own benefit. What you receive in the form of money, position, power, and happiness will depend upon your ambition.

Those who have profited to the fullest extent from their educational opportunities will find important and rewarding employment or self employment. Professional businessmen are looking for young people with enough drive to relieve them of their business burdens. Industry is constantly looking for new talent with ambition and imagination. There really is no lack of opportunity for anyone who has prepared himself with education and possesses ambition. Some of you will be content to be workers instead of leaders; but even if you have made up your mind not to be the top dog, you still have to make decisions. If you are to be an employee rather than an employer, you should still have ambition—the ambition to serve the firm or individual to the best of your ability.

I have just mentioned that there is no lack of opportunity for the person who possesses an education and ambition, but there are always those persons who say that there is a lack of opportunity and become disheartened. Bear in mind that there is always a new frontier for the person with an open mind and a willing hand.

\* Editor *Tile & Till*, Eli Lilly & Company, Indianapolis.

Dean Johnson, author of the book *Business and the Man* formulated the law of opportunity. I think you will be impressed with his statement. Opportunity offers itself to men in proportion to their ability, their will for action, their power of vision, their experience, and their knowledge of business. Inversely, opportunity is concealed from men in proportion to their laziness, their reliance upon others, their passion for limitation, and their ignorance of business.

The moral is: Once you know what your ambition is, get busy. Some people say that they can get something for nothing; and if they are smart enough, they can get a great deal for nothing. Such a fallacy does not come true no matter how many people profess it. Always remember the words of Shakespeare in the play *King Lear*: "Nothing will come of nothing."

When you are striving for money, position, or power, you have many competitors! But, when you are developing your own personality in order to get the most out of life, you have no outside competition. The chief good you seek is something which is your own, and it cannot be easily taken away from you.

There is a certain amount of excitement and magic in having a goal, and it is quite possible that many of you have not isolated your objective. You all possess the general goal of pharmacy; however, which facet of pharmacy will be the fulfillment of your ambition and give you happiness? Therefore, it is important that you expose yourself to the courses in every phase of pharmacy—community practice, hospital practice, education, and industry. I might caution you that it takes a great deal of courage to resist the temptation of an inflated starting wage in a job which will not lead to your goal and ultimately satisfy your ambition. It has been my experience in visiting with practicing pharmacists that some whine and complain about our profession to find that they are unhappy because they never fulfilled their ambition and end up making a living in a phase of pharmacy for which they are unfit because they do not use their talents to the utmost.

If you ask a group of people what their ambition is, you will invariably have a large number reply—success and fame. I ask, success in what? Fame for what? When you stop and think about it, success and fame are merely the by-products of the real thing. You will not find the realization of your ambition in those status symbols of wall-to-wall carpeting or two-car garage with a boat in the driveway, but you find it inside of yourself.

To make ambition effective, there are some things you need to know and do. It takes a personal inventory and a capacity to be honest with one's self. Here is a check list that may be helpful.

1. Know what is required of you in pharmacy.
2. Know what success means.
3. Likewise, know what defeat means.
4. Tabulate your powers.
5. Likewise, tabulate your weaknesses.
6. Outline a course of starting toward your objective.
7. Make yourself acquainted with the benefits of the various choices you may have in achieving your goal.

After you have taken personal inventory and thought about your personal qualities, then go to a friend or a brother for help. Willingness to seek and accept advice is one of the characteristics of successful men. However, be sure that the person in whom you confide has the qualities to throw light on the questions.

Now that I have talked about some of the precepts of ambition, it is only fair to say that there are some hindrances because every man with ambition must expect to encounter reverses and realizing this, he can look forward with a sense

of expectancy. The first rule for coping with frustrations is to expect your full share of them. This goes hand in hand with daily living. Think of these frustrations much like the sand traps on the golf course which are merely placed there to improve your skill.

Fear of failure is the element which undermines many people's ambition and detours the drive toward their goal. A person possessing fear of failure always evades putting himself to the test and he continues to do everything in a way that he has done it before without getting into trouble. This is not to say that one should ignore danger, but recognize the danger, analyze it, calculate the chances for success and then deal with the situation. Chances are that you will succeed in handling the problem that you may be confronted with.

There are some obligations that go with success; and as brothers in Kappa Psi, you will not seek success at the expense of others but will on the contrary exercise your instinctive sense of obligation to your brothers. There is a debt you own for your nurture when you were young and for your education and for your fraternal life. Your repayment consists of making the most of the opportunities these give you. Being ambitious does not mean becoming a hermit from the normal things of life. Don't let your ambition to succeed in pharmacy become the single purpose, depriving you of the other beauties in life. Keep your ambitions fluid in order that you may freely move about. When the relationship between you and your ambition is a healthy and happy one, you will find these conditions. You will learn with enthusiasm what you need to perform your role in pharmacy. You will discipline your impulses to keep them from getting in the way of a wise decision. You will do your job better than it would be necessary to do in order to satisfy the boss.

Your attitude toward work will not be one of an imposition, but it will be something beneficial for which you have an affection. You will have peace of mind in the knowledge that you are paying your own way and perhaps more important, you will find that you will participate in the human scene of life with a great deal of happiness. If you face life like that, there are a thousand paths open to you, and you can go ahead in the sheer knowledge that you will become what you have in you to become. You will not be satisfied with mediocrity. But, even if you fail in the highest purpose, you will have the satisfaction of knowing that you did your best.

In mulling over these thoughts something else has smacked me with unusual force. The importance of our fine publication—THE MASK. One of the half dozen major problems in our world today is adequate communication. This problem is at the *you* and *I* level, at our *local*, *state* and *national* level, and at the *world* level. Our opportunities for communication between individuals, chapters, and officers is practically limited to what we read in THE MASK. Since this is true, may I urge that you cooperate in every way possible with our most worthy Editor.

In closing, I would like to urge similar cooperation with all of your officers.

## The Frank H. Eby Educational Loan Fund

The 33rd Grand Council Convention, at the suggestion of the Ad Hoc Educational Loan Fund Committee, has adopted plans for a small loan fund for members of Kappa Psi Pharmaceutical Fraternity currently enrolled in the fourth and fifth years of study in a college of pharmacy in which there is a chapter of Kappa Psi. The fund is to be known as "The Frank H. Eby Educational Loan Fund" honoring a man who served Kappa Psi for more than twenty-five years in various national offices, the last ten as Grand Secretary-Treasurer of the Fraternity. The Fund has currently over \$5000 which will be made available to members *after* September 1, 1966 under the following conditions:

1. The Frank H. Eby Educational Loan Fund is established to provide loans not to exceed \$250 on the basis of need to members of Kappa Psi Pharmaceutical Fraternity who are in their fourth or fifth year of undergraduate pharmacy education in an accredited school or college of pharmacy and who have been members of Kappa Psi Pharmaceutical Fraternity in good standing for at least one semester or one quarter, as the case may be, prior to the actual time of giving the loan.

2. The loan will be repayable without interest within one year after graduation from a college or school of pharmacy or within one year after leaving undergraduate pharmacy education. Being drafted into military service will not count as leaving undergraduate pharmacy education unless the individual does not return to undergraduate pharmacy education upon completion of his obligated military service. In the latter case, the interest-free year of repayment will start upon the individual's return to civilian life. Similarly, a loan recipient will not have his interest-free year of repayment start until the completion of his active military service.

3. The unpaid balance beyond the one interest-free year must be paid back with interest accumulating at the rate of 6% *per annum*. The applicant for a loan will procure the appropriate forms upon request from the Executive Secretary who will supply him with a) an application form to be returned to his office and b) a certification form to be filled out, signed, and returned *directly* to the Executive Secretary by the Grand Council Deputy of the applicant's chapter. This second form must certify the following points:

- (1) That the applicant is a brother in good standing in a particular chapter of Kappa Psi Pharmaceutical Fraternity for a specified period of time.
- (2) That the applicant is an undergraduate pharmacy student in good standing in the fourth or fifth year of either a five or six year curriculum or in the sixth year of a six year curriculum in an accredited college or school of pharmacy.
- (3) That the applicant's academic standing justifies the loan.
- (4) That there is actual need for the loan with justification given.
- (5) That the applicant normally meets his financial obligations and that he will repay the loan in the specified period of time.

4. The Executive Secretary will then send both completed forms for each applicant together with any supplementary information *as soon as possible* to the National Committee charged with the responsibility for the Loan Fund. This committee would in turn send its recommendation(s) immediately to the Grand Regent who would then issue instructions promptly to the Executive Secretary to procure a duly signed and dated promissory note from the applicant and to issue subsequently, but promptly, a check for the approved loan to the applicant.

5. No publicity or announcements, either formally or informally will be made of the names of the recipients, although all records pertaining to this loan fund are open on a confidential basis to the Executive Committee and Alpha Chapter.

Grand Regent Glen J. Sperandio has appointed First Grand Vice Regent Walter R. Williams to serve as Chairman of the Frank H. Eby Educational Loan Fund Committee. He has also appointed as Committee Members, Second Grand Vice Regent Leo A. Sciuchetti and Executive Secretary Gerald C. Henney. The Committee is currently preparing the necessary forms to implement the operations of the Educational Loan Fund. As soon as the Committee has completed its work, complete information regarding the Fund will be submitted to each chapter secretary and Grand Council Deputy. The establishment of this Fund is an important milestone in the history of Kappa Psi and represents one more service which Kappa Psi is extending to its members.

### Province III Assembly

By Rick Mitchum, *Historian*

The Province III Assembly was held on Saturday, March 26, 1966 on the University of North Carolina campus in Chapel Hill, North Carolina, with Beta Xi Chapter serving as host.

The morning session was called to order at 9:30 A.M. by Satrap Robert L. Beamer, and the invocation was given by the Chaplain of Province III. The delegates, guests, and officers were welcomed by Neil Pharr, Jack Morgan (Regent of Beta Xi), and Fred T. Semeniuk (Grand Council Deputy of Beta Xi).

Richard Abbott of the South Carolina Graduate Chapter gave his report as Secretary, followed by Charles Hite of Beta Xi who gave his report as Treasurer. Dr. Robert L. Beamer, Satrap, at this time made the committee appointments.

The delegates, guests, and officers received a rewarding address given by Robert R. Auger, Supervising Officer of Province III, concluding the morning session.

Upon adjournment of the morning session, all brothers and guests were served lunch at the Kappa Psi House at 117 West Rosemary Street in Chapel Hill.

The afternoon session was called to order by Dr. Robert L. Beamer, Satrap and a report on the National Convention was given. Immediately following, the chapter delegates gave their reports. All chapters seemed to have done well over the past year. Many of them had fund raising activities that were very successful, particularly Theta Chapter of the Medical College of Virginia.

Brother C. W. Eckstrom, associate professional services, Eli Lilly and Company gave a most interesting and enlightening address to the delegates, guests, and officers during the afternoon session.

A report of the Resolutions Committee was given at this time. A letter was sent to the National Chapter with the consent of all chapters, petitioning that the realignment concerning West Virginia's removal from the province be reconsidered.

The officers for the oncoming term were elected and are as follows: James D. Seymour of the South Carolina Graduate Chapter as Satrap, Mr. Akers of Theta Chapter as Vice Satrap, Jack Morgan of Beta Xi Chapter as Secretary, Randy Davis of Theta Chapter as Treasurer and Rick Mitchum of Gamma Xi Chapter as Historian. Fred Rachide of Beta Xi Chapter was chosen as the Province III delegate to the National Convention.

The Province III Assembly was concluded by a supper served at the Kappa Psi House and a party provided by our delightful host, the brothers of Beta Xi.

## Province V Assembly

By Jerome Delaney, *Historian*

On April 1, brothers from all nine of the Province V chapters gathered at the Sheraton-Gibson Hotel in downtown Cincinnati for the annual Province V Assembly. Chapters represented included Xi (Ohio State University), Beta Lambda (University of Toledo), Beta Phi (University of Cincinnati), Gamma Delta (Ohio Northern University), Gamma Iota (State University of New York at Buffalo), Gamma Chi (Ferris Institute), Mu Omicron Pi (Wayne State University), Buffalo Graduate Chapter, and Detroit Graduate Chapter. Registration of delegates and alternates took place from 9:00 A.M. to 1:00 P.M. and a total of 101 brothers from the nine chapters were present.

The first business meeting was called to order by Vice-Satrap Bob Byrnes (Gamma Chi) acting in the absence of Satrap Chuck Fowler (Gamma Delta). A ritualistic opening was conducted by the brothers of Beta Phi using the ritual for opening chapter meetings with slight modifications. The invocation was then delivered by Chaplain Don Stein (Beta Lambda). Dean Kowaleski of the University of Cincinnati then welcomed the delegates from the three states. Secretary-treasurer Frank Facione (Detroit Graduate) took roll call of the delegates. Vice-satrap Byrnes then introduced and welcomed Executive Secretary Gerald Henney and Grand Ritualist Richard Doughty to the Assembly. Minutes of the 1965 assembly held at Ohio Northern University were read by Secretary-Treasurer Facione and approved by the delegates. Standing committee reports and new committee appointments were then made. Following this, chapter reports were given by representatives from the individual chapters with a question and answer period following each report. Executive Secretary Henney then gave a report on the recent activities of Alpha Chapter informing us of the time and place of the 34th Grand Council. He also showed us the new permanent membership cards and later distributed the same to the individual chapters. Grand Ritualist Doughty expressed his personal welcome and gave a short speech on the performance of ritual. With this the first session was adjourned. A party sponsored by Beta Phi was held Friday evening with all attending.

The second business session was opened at 9:00 A.M. April 2, by Satrap Chuck Fowler. A ritualistic opening was again conducted by the brothers of Beta Phi. Brother Facione read the report of the first session and this was approved. The Time and Place Committee recommended that the 1967 assembly be held in Buffalo, N.Y. on March 31 and April 1 with Gamma Iota as the host chapter. This was approved by the delegates. Introduction of the candidates for the various offices followed and elections proceeded immediately. After secret ballot, the newly elected officers of Province V were: Charles Seyfried (Beta Lambda) Satrap, Kenneth Yasch (Gamma Delta) Vice-Satrap, Arthur Adams (Beta Phi) Secretary-Treasurer, Jerome Delaney (Gamma Iota) Historian, and John Melonakos (Gamma Chi) Chaplain. Several resolutions were read and passed. It was decided that an interim meeting of the officers and one delegate from each chapter not having an office would be held sometime in the early fall at Ohio Northern University with Gamma Delta as host. An open discussion on province assessments and delegate representation followed with further work based on this discussion to be done by the Executive Committee. A recess was then called.

The Wm. S. Merrell Co. presented a very interesting and enlightening movie about pharmacy during the recess. After the movie the delegates assembled for the banquet. Several interesting speeches were delivered including those by Executive Secretary Henney, Grand Ritualist Doughty, and Merle R. Sheets. Brother

Sheets was quite enlightening with his emphasis of the great debt that each of us owes to Kappa Psi. After the banquet the delegates reconvened for the closing of the second session. The newly elected officers were installed by Grand Ritualist Doughty. New Satrap Seyfried appointed Beta Phi chapter to the Legislative Committee, Mu Omicron Pi chapter to the Auditing Committee and also assigned the Province Newsletter to Mu Omicron Pi. The assembly was closed with proper ritual by the brothers of Beta Phi and adjourned until March 31, 1967 in Buffalo.

Province V would like to extend their kindest thanks to Beta Phi chapter and particularly to Brothers Harry Seurkamp and Arthur Adams for their warm Kappa Psi hospitality. Also thanks go out to Brothers Henney, Doughty, and Sheets for their interest and participation in our 1966 assembly.

## Province VIII Assembly

By Ken Opatz, *Historian*

The Province VIII Assembly was held on November 13, 1965 at Fargo, North Dakota. Beta Sigma Chapter of North Dakota State University served as host. Those chapters represented were: North Dakota Graduate Chapter, Minnesota Graduate Chapter, Beta Sigma (North Dakota State University), Gamma Kappa (South Dakota State College), Gamma Epsilon (University of Nebraska), Epsilon (University of Minnesota), and Beta Chi (Drake University). A Get-Acquainted Party was held on Friday night November 12 at the Bowler, a short distance from the Oak Manner Motel which served as lodging for the attending delegates.

THE PROVINCE VIII ASSEMBLY BANQUET  
(November 13, 1965)

Shown at head table (l. to r.): Dr. Gerald Henney, Dr. Lee Schramm (Satrap of Province), Robert Breyer (Regent, Beta Sigma), Dr. Spier (guest speaker), Dr. James Vacik (Third Grand Vice Regent), Mrs. Eva Skjelset (house-mother at Beta Sigma), and Tom Tharaldson (Secretary-treasurer of Province).

At 9:00 A.M. on November 13 the conclave was called to order by Bob Breyer, Regent of Beta Sigma Chapter. Satrap Schramm then directed the Secretary to call the roll of the delegates and appointed the following committees: Legislative Committee, Time and Place Committee, Nomination Committee, and Resolution Committee. Chapter Activity Reports delivered by Dr. James Vacik on chapter inspections, and a panel discussion (Collegiate Chapters and Their Relations with Graduate Chapters and Faculty) followed. Dr. Gerald Henney reported on the National Convention and Central Office. Adjournment for lunch followed.

At 1:30 P.M. the business session was called to order by Satrap Schramm. The committee reports were given first. The Time and Place Committee recommended that the 1966 Province VIII Assembly be held at the University of Nebraska. The Legislative Committee recommended several changes in the Province VIII Constitution and By-Laws which were accepted. A number of resolutions were read and approved before the conclave. Elections found: Dr. Lee C. Schramm (Minnesota Graduate Chapter), Satrap; Lyle Ireland (Gamma Kappa Chapter), Vice Satrap; Ken Opatz (Epsilon Chapter), Historian; Tom Tharaldson (Beta Sigma Chapter), Secretary-Treasurer.

Under new business the following motions were made and approved: the host chapter of the 1966 Assembly (Nebraska) elect their own secretary and chairman; that Province VIII fully support Dr. Vacik for the position of Second Grand Vice Regent at the National Convention in 1967.

The Assembly banquet was held at the Bowler Center following a hospitality hour during which the brothers' undivided attention was given to viewing "Scopa-Tone". Dr. Jack J. Spier, Director of the Department of Pathology at Dakota Clinic-Dakota Hospital, presented an interesting discussion of "Modern Concepts of Neoplasia." With this final touch the Province VIII Assembly was concluded.

### GAMMA—COLUMBIA UNIVERSITY

Greetings to all members of Kappa Psi from Gamma Chapter.

We, here at Columbia have been keeping ourselves busy. Immediately after we had induction for those who pledged during the fall term we began Spring pledging. Their pledge period has recently been completed and we had "hell night" March 26. From the two pledge classes we had a total of 16 new brothers. They are: Neil Billek, Brian Bushell, Dennis Blondo, Robert Caprioli, John Chiesa, Joseph DeMarinis, Joseph Franko, Glen Hom, Edward Papasian, Nino Paradiso, Robert Pelepako, Nicholas Riccio, Emil Samman, Alan Silverman, Vito Tiglio, and George Wafer.

Our spring vacation was during the week of March 27. Many of the brothers went on a trip to Florida. We went to Ft. Lauderdale and spent the entire week there. An enjoyable time was had by all. Our only complaint was that it ended too soon.

We at Gamma Chapter held our elections and the new officers are: Regent, Jerry Ruegnitz; Vice Regent, Joseph Tarantino; Treasurer, Neil Billek; Corresponding Secretary, Robert Caprioli; Recording Secretary, Vito Tiglio; Historian, Dominick Tuminaro; Chaplain, John Chiesa; Sergeant at Arms, Nicholas Riccio.

Athletically, Gamma Chapter kept the name

of Kappa Psi high. We captured the school bowling championship for the second year in a row. Although there is no formal intramural football at Columbia University, College of Pharmacy, we remained undefeated in all games played.

Before closing I would like to congratulate Brother Charles Cancro who will be engaged to Rose Anton in May. Congratulations are also extended to Brother William Ciamarra and his wife Susan on the birth of their little girl, Rosanne, on March 20.

Until the next issue I remain

Fraternally yours,

DOMINICK TUMINARO, *Historian*

### EPSILON—UNIVERSITY OF MINNESOTA

They are: Richard Anderson, Thief River Falls; John Hunter, Minneapolis; Brandt Merrild, Montgomery; Robert Murray, Milwaukee; and Gary Raines, Heron Lake.

A card party was held at the Chatterbox on March 17, to mark the end of Winter Quarter. The annual party with Phi Delta Chi will take place on April 16. May 29 is the date set for the Spring Formal to be held at the Steamboat

Inn at Prescott, Wisconsin. Busses have been chartered for transportation to the event.

Congratulations to Dr. Edward Rippe on his appointment as head of the Department of Pharmaceutical Technology at the University of Minnesota College of Pharmacy.

Best wishes to the graduating seniors of Epsilon chapter. We will be missing the services of: Burns Benson, Dave Holmstrom, Harvey Keller, Gerald Kessel, Pete Ruenitz, Eugene Snyder, Ron Sorenson, Jim Tauer, John Thatcher, and George Vedder.

#### ETA CHAPTER—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

We at Eta Chapter experienced a busy and prosperous winter, and hope our Kappa Psi brothers enjoyed their winter also.

The month of March brought forth the election of new officers. They are: Regent, Robert C. LaPierre; Vice Regent, John W. Ormsby;

MISS MARIE MOBILIO  
*Eta's Sweetheart of 1966*

Secretary, Richard W. Sloan; Treasurer, Frank R. Radzai; Historian, Willard A. Stephens, Corresponding Secretary, Robert E. Washkevich; Chaplain, Garry W. Burguard; Grand Council Deputy, Dr. James T. Doluisio; Asst. Grand Council Deputy, Dr. Edwin T. Sugita.

The brothers of the Chapter join me in expressing our sincere appreciation for an outstanding job performed by the outgoing officers. To them—CONGRATULATIONS!

Since the last edition of THE MASK, we have initiated four fine men into Eta Chapter. They are: Peter Thomas Shaulinski, James Paul Wilson Jr., David Lester Henderson, and Leroy Jared Hilbert Jr.

We are pleased to announce the selection of Miss Marie Mobilio as Kappa Psi Sweetheart for 1966-67. Marie is a third year student, and president of Lambda Kappa Sigma Sorority. She is active in student affairs and participates in most all social activities at Kappa Psi. Marie,

by the way, is pinned to Brother John A. Stapsinski.

April 24 was the date of our annual Parents Day Banquet. The affair was held at the College Student Union Building. It was highlighted by two outstanding speakers and tours of the College. Open House at the chapter house followed the banquet.

The annual Alumni Banquet of Eta Chapter was held May 1, 1966. This year the banquet was a real homecoming for the alumni, for it was held at the Fraternity House. They had a chance to view the accomplishments of the active brothers concerning the modernization of the House. They also had a chance to mingle and converse with their brothers for an up to date account of the activities at the college.

The social life of Eta chapter was climaxed with the Annual Spring Weekend, held May 13-15. Spring was with us, both in spirit and in truth. The weekend was initiated with the traditional "Friday Nite Party," in the playroom of the Fraternity House. There was no studying that night.

Black tuxs, polished shoes, bow ties, and pretty women were in order for the Saturday Night Formal. It was held at the Bungalow Inn, located on the outskirts of Philadelphia, Pennsylvania. Sunday brought with it a long journey to Brother John Coughlin's "estate," in Ringtown, Pennsylvania, where a picnic and outing was enjoyed.

With the school year coming to a close, we at Eta Chapter wish to congratulate our graduating brothers. Those graduating are: Paul A. Beasley, John J. Coughlin, Richard J. De Feo, Karl A. DeSante, Richard R. DeSipio, Joseph E. Di Bello, Anthony R. DiSanto, Carl J. Forster, Richard S. Hyatt, George D. Koons, Matthew J. Land, Brent W. Rhoades, Edward S. Sabatini, Fred J. Salter, Anthony J. Santoni, Robert Schmidt, Charles H. Muelhbour and Ronald C. Myers.

This is my first Newsletter as Historian of Eta Chapter and it is my pleasure to record their activities. I want to thank my predecessor, John Zaro for his splendid work this past year on behalf of the Chapter.

Eta Chapter extends its best wishes to all brothers for an enjoyable summer.

Fraternally yours,  
WILLARD A. STEPHENS, *Historian*

#### THETA—MEDICAL COLLEGE OF VIRGINIA

Fraternal greetings to our brothers from the men of Theta Chapter. Now that spring has reached the "Old Dominion," we can sit back and take it easy after a very busy winter.

Our rush season began in January with a party for the rushees, followed by a banquet and stag party. All these functions occurred within ten days, and during this time, the weather couldn't have been worse. Regardless of the snow when bids were issued, Theta Chapter was rewarded with twenty-four new brothers. We are proud to present these men who have shown themselves worthy to share the secrets and responsibilities of the Order. Twenty-three are students, and are as follows: Danny L. Counts, John W. Courtney, Dannie O. Dishner, Gordon B. Eubank, John E. Gill, III, Harold

### MU CHAPTER'S SMOKER—April 2, 1966

Left photo shows Brother William Hassan (toastmaster) addressing brothers and guests. Right photo shows Regent Donald Floriddia receiving a scholarship key from Dean Howard Reed.

H. Haraway, Wendell G. Haynie, Larry L. Heath, John P. Jones, Stewart R. Masters, Ronald H. Pack, Gerald G. Plotkin, Robert B. Pyles, Phillip D. Richards, Fabian O. Roberts, Roger C. Robinson, Roney S. Rogers, Steven L. Scarbrough, Edwin E. Smith, Jr., John M. Tabb, Michael K. Thompson, Robert J. Wesley, and James E. Wharton. Dr. James F. Stubbins, Department of Pharmaceutical Chemistry, Medical College of Virginia, was initiated as a Facultal Member.

The highlight of our year was the sixty-second formal initiation banquet and dance. Dr. Glen J. Sperandio, Grand Regent, was the guest speaker. His topic was "What Kappa Psi Expects of You." This was a most inspiring speech, and everyone at Theta Chapter believes that Grand Regent Sperandio's talk made this year's banquet greater than those in the past.

On March 26th, six of Theta's brothers journeyed south of the border to the University of North Carolina to attend the Province III convention. They were Brothers P. Randy Davis, G. Roger Akers, Edwin E. Smith, E. Kenneth Hawley, Harold H. Haraway and W. Russell Rodgers. The host chapter was Beta Xi, and they took care of us in the finest southern tradition. Brother Akers was elected Vice Satrap

and Brother Davis was elected Treasurer of Province III.

In a few weeks, we will bring to a close a very successful and enjoyable year of fellowship and combined efforts. From Theta Chapter goes a very sincere wish of good fortune to all brothers, especially our graduating brothers who will soon be representing our profession throughout the nation. May they ever be mindful of the heritage that has preceded them in their profession.

Fraternally,

W. RUSSELL RODGERS, *Historian*

### MU—MASSACHUSETTS COLLEGE OF PHARMACY

Creetings to brothers of Kappa Psi from Mu Chapter.

It seems hard to believe but here we are, again rapidly approaching the completion of another school year. Even though it is getting towards the end of the year the pace of activities here at MCP and for Mu has not diminished but rather accelerated. This most certainly is due to the enthusiasm shown by the brothers and the officers of Mu.

Since the last issue of THE MASK we have initiated 24 new brothers. They are: Bradley S. Barrett Jr., Wallace Branco, William Broggi, Laurence Brownsell Jr., Peter Bryant, Charles Buoneristiano Jr., Raymond Clark, Anthony Colangelo, Steven Colonies, Manzie D'Angelis, Donald D'Urso, James Evangelista Jr., Benedict Faletra, Anthony Fatalo, John Gattinella, Steven Gove, Douglas Johnson, John Locke, Richard Mole, Arthur Moulin Jr., Richard Sacco, Peter Sheppard, Robert Twomey, Joseph Yered. Welcome, new brothers! This is one of the largest and finest pledge classes we have ever had. Much of the credit for this belongs to Brothers John Dempsey and Everett Penney along with all the brothers who assisted on their various committees. We are sure that these new brothers will be a very important asset to Kappa Psi.

On April 2, 1966, we held our Annual Smoker at the Hotel 128 in Dedham, Massachusetts. This was well attended by undergraduate, graduate, and faculty members as well as many guests. Everyone present seemed to have a fine

time. Special recognition awards were presented to Professors John Schermerhorn and James Mickles. Five undergraduate scholarships were also awarded. The recipients were: Donald Floriddia, Eldin V. Lynn Memorial Scholarship; Ronald DeBellis, Paul G. Fitzpatrick Memorial Scholarship; Everett Penney, Edmund J. Berube Memorial Scholarship; Peter Smith, Ray S. Kelley Memorial Scholarship; Samuel Penta, Douglas Wilson Memorial Scholarship. Scholastic achievement awards were also presented to John Doran, Maurice Fortin, Donald Floriddia, Bruce Manning, William Woodside, and Robert Di-Rubio. This again exemplifies the strong caliber of men that make up MU chapter and Kappa Psi.

Within the next few weeks we will be busy with the elections of next year's officers. The various candidates have been campaigning very hard.

An informal party is being planned by Brother David Savello for April 16, 1966. On April 30, we will hold our Annual Spring Formal. This final event is probably our finest social function of the year.

Fraternally yours,  
GERARD BOUCHARD, *Historian*

#### NU—UNIVERSITY OF CONNECTICUT

The brothers of Nu Chapter extend warmest fraternal greetings to the men of Kappa Psi everywhere.

Winter Weekend at the University of Connecticut, with Brother Dave Page the chairman of the entire weekend, took place in late February. We started things "poppin'" Friday night with a champagne party. This was followed by a successful Saturday morning as we captured second place in the men's dormitory division in the snow sculpturing event. Much credit is due to the brothers and pledges who braved the biting cold to work on the display. Sunday was more-or-less a day of recovery for the brothers after an enjoyable weekend. Since this Weekend, Dave has been elected president of the Board of Governors, a most responsible position.

A few weeks later, in March, approximately 25 brothers and their dates attended the Connecticut Graduate Chapter Banquet. We had our choice between lobster and roast beef for dinner, a hard choice to make. After this, everyone danced. A good time was had by all.

Brother Pete MacGillivray also holds a very responsible job on campus. Pete is in charge of the campus Blood Drive. He did a very commendable job last semester and is off to a good start this semester. Nu won the award for giving the most blood of all men's dorms last semester so Pete will be pushing us to repeat this award and we'll be trying hard to get it again.

Elections were held at Nu just after our semester break the second week of February. Those newly elected officers are: Dave Moore, Regent; Pete Daddonna, Vice Regent; Al Hale, Corresponding Secretary; Bob Whyte, Recording Secretary; Fred Tieman, Treasurer; Bill Gousse, Historian; Bruce Daniels, Chaplain; Denny Schultz, Pledgemaster; and Dr. Karl A. Nieforth, Grand Council Deputy.

We initiated six new brothers since the last edition of THE MASK. They are: Fred Calabro,

Bob DeStephano, Dan Julian, Len Zgorski, Fred Zych, and Bob Radar, a graduate student here in the School of Pharmacy. Congratulations to these six who will be great assets to Kappa Psi, I'm sure.

We had a tremendous and very successful rush period, ending up with one of the largest pledge classes we've had in recent years. The sixteen tapped were: Andy Allegretti, pledge class president, Frank Cocchiario, John Gantamasso, Jay Kosciusko, Paul La Chance, Eric Mrazik, Lou Murano, Phil Nangle, Dick Paglia, Pete Sargalski, John Sexton, John Valuckas, John Verhulst, Paul Westfall, Paul Wilkinson, and Vin Zito. A lot is expected of these men since they are showing a lot of spirit as pledges. They are currently holding weekly meetings.

Recently pinned at Nu were: Brother Bob Whyte to Linda Poggenberg of Bridgeport, Connecticut, and Brother Jack Anderson to Nancy Lamost of Vergennes, Vermont.

The fifth year brothers just returned from a week's trip to Upjohn in Kalamazzo and Parke, Davis & Co. in Detroit. From what Brother Joe Pierce was telling me, the trip was interesting, educational, and fun.

We were quite busy at Nu since the last letter to THE MASK and from the looks of things, it will remain this way until the next letter. Right now we are busy planning for a new lounge which we would like to have for next semester and which we would like to thank the Connecticut Graduate Chapter for their assistance with us so far. Also our Spring Weekend, which includes the Sweetheart Formal, is on the immediate agenda. Things we are thinking about are: preparations for The University Greek Week; our float for the Connecticut Community Chest, a charity drive; and our annual summer picnic.

This was my first "Newsletter" to THE MASK. I would like to state that it was indeed a pleasure to write and I would like to thank the brothers of Nu for electing me to the office of Historian. I have really enjoyed the responsibilities so far. Also, I would like to congratulate Brother Walter R. Williams on his re-election to the office of First Grand Vice Regent and Brother Nicholas W. Fenney on being re-appointed as Editor of THE MASK. Hoping to keep you well informed of the happenings at Nu Chapter and wishing you the best, I remain

Fraternally yours,  
BILL GOUSSE, *Historian*

#### XI—OHIO STATE UNIVERSITY

Greetings from the brothers of Xi Chapter of Kappa Psi.

Winter quarter was quite busy for the brothers of Xi chapter. We had a very successful rush program and continued our service activities in the Ohio State University School of Pharmacy.

New pledges include Bob Stout, Bob Fadden, Ron Coberly, Bob Burdick, Dave Kotzin, and Tony Yohanan. They were a very active group of pledges and it is a real pleasure to have them as active brothers in our chapter. Their pledge project was to relabel all of the crude drugs in the Pharmacognosy lab. The work was praised by Dr. Beal, professor of pharmacognosy. Initiation was held at the Columbus VFW

Hall and a rowdy bit of socializing followed. All in all it was perhaps the most memorable initiation that Xi chapter has had in many years.

Also during winter quarter the junior class toured the Eli Lilly Co. and the combined junior and senior classes toured the Parke-Davis Company. While in Detroit Mr. Frank Facione of the Detroit Graduate Chapter showed many of the brothers a few high spots of the city. We sincerely hope that the brothers of Wayne State are successful in the restoration of their chapter house—the birthplace of Charles A. Lindbergh.

The beginning of Spring quarter found Brother Jim Munsoen no longer amongst the ranks of the single. Brothers Rollins, Snavelly, and graduating senior Dick Costic have summer weddings planned.

Spring quarter is usually very active at OSU and we hope that we soon get a break in the weather so that our Spring sports can get underway. Xi Chapter supports a softball team and a bowling team. Last quarter the bowling team was a finalist in the campus wide tournament, and the softball team will soon begin practice for the annual Pharmacy Day Picnic.

Socially Xi Chapter is planning a dance for all brothers and alumni at the Green Meadows Country Inn, Worthington, Ohio. We are also looking forward to the party held annually at the home of our advisor, Dr. E. P. Guth.

As a service to the college the Xi Chapter is sponsoring a presentation on the Pharmaceutical Center promoted jointly by McKesson and Robbins and the APhA.

New officers of Xi Chapter for next year include Regent, Jim Munson; Vice Regent, Bob Berdick; Secretary, Ron Coberly; Treasurer, Dan Snavelly; Social Chairman, Bob Fadden; Historian, Douglas Rollins; Professional Services, Bob Mathia; and Chaplain, Tony Yohman.

We would like to congratulate the graduating seniors from our chapter. They are: Roger Brown, Bill Brown, Jon Foley, Jerry Gier, Dick McKenzie, Erik Emmert, Bill Finrock, Bob Greene, and Dick Costic. Their leadership in promotion of service to the college and fraternalism among the brothers will not soon be forgotten.

In closing we would like to congratulate all graduating brothers of Kappa Psi. And we hope that all brothers have a very productive summer.

Fraternally yours,  
DOUG ROLLINS

### PI—PURDUE UNIVERSITY

The men of Pi Chapter returned from semester vacation to conduct a successful rush. Their efforts yielded 20 outstanding pledges taken from three classes. Pledged from the fourth year class were: Edward Strezlinski, Len Stratman, Arnold Pedersen, Robert Shaffer, David Beutel, John Woenker, Dale Rankin, Robert Schulenburg, Michael Oatess, and Richard Holt. Also pledged was Robert Wilson who is in his third year. Second year students pledged were: Howard Peoples, Randall Erb, Paul Kehr, Richard Christiansen, Robert Blake, Michel Culross, Dean Snyder, George Wood, and John Childs.

This year's pledge class initiated the tradition

of carrying a goof board to and from classes. The board, an enlarged replica of the mortar and pestle pledge board, was assigned to be carried by a different pledge each class day during the period of pledgship.

Election of new officers placed Keith Glotzbach as our new Regent for the 1966-67 school year. Keith was one of our delegates to the National Convention and served as secretary during the past year. Other officers elected were: Ed Langston, Vice Regent; Ron Johnson, Treasurer; Fred Foland, Secretary; Carol Heuer, Corresponding Secretary; Bob Litznerski, Historian; Don Weiler, Pledge Trainer; Mike Brown, Chaplain; Harold Webb, Sergeant-at-arms; Jim Mucha, Social Chairman; and Sam Vowells, Athletic Chairman.

This year, the annual Sweetheart Dance was held in conjunction with the recognition banquet at The Trails, a restaurant outside of Lafayette. The banquet recognized the achievements of the brotherhood over the past two semesters. The evening, the highpoint of the social calendar, brought a successful year to an end.

In closing, the brothers of Pi Chapter and I would like to extend our best wishes to all the men of Kappa Psi for an enjoyable and prosperous summer.

Fraternally,  
BOB LITZNSKI, *Historian*

### UPSILON—UNIVERSITY OF KENTUCKY

Upsilon Chapter, located in the heart of the Bluegrass extends best wishes to all its brothers in Kappa Psi. We are happy to report that the second semester at the College of Pharmacy has been a busy one, for both students and faculty.

This award is to signify an alumnus who has distinguished himself as an outstanding leader in the promotion of pharmacy on the local, state, or national level. This initial award was presented posthumously to Brother E. M. Josey who has shown through the years the qualities deserving of such an award. Co-recipient of this year's award was Brother Richard Ross of the Louisville Graduate Chapter. Mr. Ross also served as the guest speaker at the banquet.

1966, and returned home as president of Region IV. We are sure that Student Region IV will benefit from the leadership qualities of Mr. Coomes.

Brother Richard Doughty, Grand Ritualist, and professor of pharmacognosy at the College of Pharmacy, has just returned from Cincinnati, Ohio where he was a guest of the Province V meeting held at the Sheraton—Gibson Hotel on April 2, 1966.

The Annual Kappa Psi Careers Day was held Saturday, April 2, 1966 at the University of Kentucky College of Pharmacy. This program is designed to acquaint prospective pharmacy students with some of the academic and professional aspects of pharmacy. A very good turnout resulted as there were about 70 high-school and pre-pharmacy college students registered. The day started with registration at 9:00 A.M., this being followed by guest speakers who discussed the various aspects of a career in pharmacy.

Lunch was provided by the Lexington Economy Drug Company. The afternoon's activities included a tour of the College of Pharmacy where representative exhibits were set up in the different departments of the college. These proved to be highly interesting and generated quite a bit of enthusiasm among the visiting students. After completion of the tour, the students were assembled to hear Mr. Lee Golden and Mr. Bill Morgan, members of the Kentucky State Board of Pharmacy. The discussion was centered around educational and internship requirements in the state, and proved to be very interesting. The day ended with refreshments served in the Pharmacy Library.

Upsilon Chapter also sponsors the Annual Kappa Psi Honors Day Banquet which will be held this year on April 19, 1966 at the University's Student Center Ballroom. This program honors pharmacy students for outstanding

achievements in different categories. Included in these are two new awards; the Gordon L. Curry Award for the highest average in chemistry, and the Eli Lilly Achievement Award for scholarship, leadership, and professional attitude, both of which are to be awarded to graduating seniors. An innovation of this year's program will be the administration of the Pharmacy Oath to the graduating class. Guest speaker for this year's event will be Mr. C. W. Eckstrom, Department of Trade Relations, Eli Lilly Company. Toastmaster will be Brother Charles Lesshaft.

Three members of Kappa Psi will be representing Upsilon Chapter and the University of Kentucky College of Pharmacy at the National Apha Convention to be held in Dallas, Texas April 24-29. Drs. Lesshaft and Billups, faculty members at the College of Pharmacy and Mr. Jim Howze, a fourth year student will be presenting papers on research projects.

The students of Upsilon Chapter joined their brothers of the Louisville, Ky. Graduate Chapter for a spring picnic held at the Graduate Chapter House overlooking the Ohio River at Louisville, on Sunday afternoon, April 3. Despite a rain which forced the event to be held inside, all those attending had a good time and enjoyed a delicious meal.

This about concludes the activities of Upsilon Chapter for the present. We hope to have a report on the Apha Convention and the Honors Day Banquet in a later issue.

Fraternally yours,  
ROY GREENE, *Historian*

#### PSI—THE UNIVERSITY OF TENNESSEE

Greetings from the brothers of Psi Chapter. The Winter Quarter has been no exception for the work and interest shown by the brothers of

Psi. The fine pledge class added greatly to the works of our chapter.

The quarter began with our annual Rush Party at the Chisca Plaza and we would like to express our appreciation and thanks to Dr. Gerald Henney for his presence as guest speaker. We were very successful in rush and netted a total of 32 pledges.

The projects anchored by the pledge class gave Psi Chapter and the University of Tennessee College of Pharmacy a name to be proud of. Some of their activities included: donating blood to St. Jude Hospital, carrying orphans to the Zoo, and assistance in Juvenile Court.

Psi Chapter has gained third place in fraternity intramurals, thanks to our intramural manager Kent Reed and fine athletics. We went undefeated through basketball season only to lose two games in a row to Phi Chi Medical Fraternity in the playoff for the Championship. Edgar Sutton and Tom Barger took top honors in snooker and pool.

We would like to extend congratulations to our new members of Kappa Psi. They are: Tom Alexander, Ed Barron, Ronnie Batchelor, Jerry Brantly, Winston Brooks, Bob Burns, Gary Cripps, Richard Dixon, Doug Duncan, Jack Emmert, Leonard Engelberg, Eddie Harris, Jimmy Hart, Jim Isom, Bill Kirkendol, Ray Laughters, Lonnie Lepley, Brink Lilley, Everett Mounts, Nicky Owens, Jim Peishing, Marvin Proctor, Tibbie Rankin, Tommy Rogers, Bill Starnes, Tom Stephenson, Jack Stone, Dwight Weaver, Mike West, Jerry Wheeler, and David Williams.

Psi Chapter was still fortunate during spring rush obtaining eight pledges. They are: Milton Beckman, Troy Blevins, Van Cooper, Jim Horde, Dale Shasteen, Jack Taylor, Joe Vantresse, and Louis Weaks.

Thirty-eight brothers will graduate this June. We wish them the best of luck and success as they step into the profession of Pharmacy.

Fraternally yours,  
KEN ROBERTS

### OMEGA—RUTGERS COLLEGE OF PHARMACY

Greetings to all men of Kappa Psi from the brothers of Omega Chapter. The second semester at Rutgers finds Kappa Psi men gathering honors while also preparing for another successful year in the fall.

The sports beat saw Kappa Psi annex the 1966 basketball crown in a year when many observers predicted the end of their long reign. The cage squad of Brothers Ralph Zampetti, Jim Trabulsi, Rich Kalendowicz, Charles Dakake, and Fiori DePhillips proved just too determined as they finished their season undefeated. The Rutgers ping pong tournament found Brother Bob Carlucci winning his third straight championship. Bob had to oust Brother Ralph Zampetti for his victory while Brother Jim Trabulsi finished third in the Kappa Psi sweep.

Recent elections find men of Kappa Psi manning many positions of leadership again next year. Brother Gregory Formanek will serve as editor of The Apothecary. Brother Formanek will also serve as vice president, and Brother Paul Michalski as treasurer of the American Pharmaceutical Association.

The Omegamen held the social event of the

year with their annual Sweetheart Swing which was held at Manero's Steak House. All proceeds of the dance were given to the Heart Fund, while our lovely queen Miss Linda Valickas hosted both brothers and guests alike. The Omega pledge class hosted the brothers at the annual pledge party held at Joyce's Tavern. This swinging affair concluded the formal pledge program for the year.

Brothers Bernie Schmidt and Ken Dietel will represent the American Pharmaceutical Association and Omega Chapter at the A.Ph.A annual meeting in Dallas Texas.

The brothers of Omega Chapter have assured themselves of a pleasurable summer by renting a hotel in Belmar on the Jersey shore. So when the days of books and exams are all over, the men of Kappa Psi will just be getting started on another successful season.

Fraternally yours,  
BRUCE GRAHAM, *Historian*

### BETA GAMMA—UNIVERSITY OF CALIFORNIA

The brothers of Beta Gamma are proud to announce the marriage of Brother Jack W. Parker '66 to Miss Ludmilla Isaef on the 29th day of January. We wish them a full and wonderful life.

For the coming year our officers are: Denis Michaud '68, Regent, Gary McCart '67, first Vice Regent, Ron Cavallo '68, second Vice Regent, Ken Nitta '68, Secretary, Jim Bourinskie '69, Treasurer, Karl Schuttenhelm '68, Chaplain, Mick Riddiough '69, Pledge Trainer, Pete Penna '68, House Manager, Rich Bagdasarian '68, Sergeant-at-arms, and Jim Karlstrand '69, Historian.

During the recent A. Ph. A. election two of our members were elected officers. Pete Penna, vice president, and Jim Karlstrand, treasurer. Pete Penna was also chosen to attend the national convention.

Beta Gamma in co-operation with the School of Pharmacy and in conjunction with the other schools of the Medical Center recently held a Health Science Week in which we exhibited the activities of our campus to thousands of high school students.

Besides the Health Science Week we have held many professional meetings. Two of these were concerned with Medicare and the California version, Cal Med.

Plans for our annual Luau are being made in which our house will be transformed into an island paradise of water falls and sandy beaches. This Luau should be one of the best that Beta Gamma has held as the University has purchased the property where the house stands. In the future a lawn will replace the house. We will not be without a house for very long as we move into a new one soon after the Luau.

Our annual initiation dinner dance was a resounding success. At the house clean-up Brother Ron Cavallo served one of the warmest concoctions ever brewed and another Brother, Howard Darvey almost drank it.

We, the members of Beta Gamma, convey the best of luck on your finals. To those that are about to graduate, our hope is that the honor of Pharmacy as a profession will be upheld by you.

JIM KARLSTRAND, *Historian*

**BETA DELTA—ALBANY COLLEGE OF PHARMACY**

We at Beta Delta bring greetings to all the brothers of Kappa Psi and hopes for a successful scholastic year. As the year draws to a close things are rather hectic here.

This is the time of year of our annual Sweetheart Weekend. This year the weekend falls on April 22-23. On Friday nite there will be the traditional gathering of those whose pleasure turns to the imbibing of certain alcoholic and/or hydro-alcoholic solutions (Beer Party U.S.P.). On Saturday nite our annual formal dinner dance will be held at the Sheraton Inn Town in Albany. At 6:45 cocktails will be served and at 7:30 a Yankee Pot roast dinner will be served in the Crystal Room followed by dancing to Johnny Costa's Orchestra in the State Ball Room. This year we will have a panel of judges to select the sweetheart. They will operate somewhat in the way the Miss America Pageant does. The finalists will be subjected to questions drawn at random from categories of their own choice and the new Sweetheart will be thusly selected. The weekend will be finished by an informal picnic at Thatcher Park on Sunday afternoon for those brothers and dates who wish to attend.

As for other business of the chapter; elections were held on March 23, 1966 and the newly elected brothers are Regent, John North; Vice Regent, Dan Schur; Treasurer, Don Charles; Assistant Treasurer, Jim Finn; Recording Secretary, Reeder Gates; Corresponding Secretary, Russ Cranston; Chaplain, Tom Cutbush; and Historian, Bill Willson. After the election a beer party and buffet was held at the One Nineten Club.

At this time we would like to express our thanks to Bill Buck and Tom Breon who have served so well and ably as Regent and Vice Regent. These men donated much time and effort to seeing that Beta Delta had the successful year we have had to date.

To our outgoing seniors we wish the best of luck, health and happiness as they begin to use the knowledge they have built up in five years here.

Wishing you all a successful year's end we remain,

Fraternally yours,  
BILL WILLSON, *Historian*

**BETA EPSILON—UNIVERSITY OF RHODE ISLAND**

The brothers and pledges of Beta Epsilon Chapter extend greetings to all brothers of Kappa Psi. We have had one of our most active semesters here at the University of Rhode Island. The semester began with the election of a new slate of officers: Francis J. Cassidy, Regent; Robert L. Iacobucci, Vice Regent; Charles Mahoney, Secretary; A. Herbert Holmes, Treasurer; Arthur G. Lipman, Historian; Michael Egerman, Chaplain; Kenneth Suarez, Sergeant-at-Arms.

Our rush program is now in full swing. To date, we have had two smokers at which Dr. Robert Gerraughty, Grand Council Deputy, and Dr. Edward Magarian of the department of pharmaceutical chemistry, addressed the brothers and rushees. We have already pledged ten

upperclassmen, and expect to give bids to several underclassmen this semester.

At the recent annual convention of Region I Student Branch American Pharmaceutical Association Chapters which was held here at the University of Rhode Island, brothers of Beta Epsilon Chapter served in many capacities. Regent Cassidy headed up a telephone squad composed solely of Kappa Psi brothers, Herb Holmes was in charge of housing accommodations, Bob Iacobucci assisted with registration, and Art Lipman was chairman of the resolutions committee.

Members of our chapter presently represent quite a cross section of the campus community. In our Kappa Psi brotherhood, we have men who are members of ten national social fraternities, including officers of four, and also a national service fraternity.

Several of our brothers will graduate from URI in June. Kappa Psi recipients of a B. S. in pharmacy will include: Charles Olsen, Thomas Gibson, Henry Szydlo, James Straayer, Edward Popkin, Albert Taubman, Richard Glodzik and Michael Gaidys. Chuck Olsen has been accepted to the graduate school of the University of Rhode Island College of Pharmacy in the department of pharmaceutical chemistry and Hank Szydlo, Bill Davies and Tom Gibson will be continuing their studies at URI as graduate students in the department of pharmacy. A. Taubman has been accepted as a graduate student of the department of pharmacy administration. Three of our graduate brothers are presently graduate assistants in the department of pharmacy: Tom Needham, Ray Durand, and Lou Roy. We wish good luck to all Kappa Psi's who will be taking their state board exams in June and in all their future endeavors in the varied fields of pharmacy.

Once again this year B.E. Chapter will present the Kappa Psi scholarship award (\$25) to the graduating male senior with the highest cumulative average in the College of Pharmacy. This award is open to Kappa Psi men and non-Kappa Psi men alike; and this year, we are proud to say, two of the past officers of our chapter are battling it out for the award.

We are presently planning a spring social season which tentatively includes a beach party and picnic and a semi-formal dinner dance in addition to a combined Beta Epsilon and Providence Graduate Chapter banquet.

Fraternally yours,  
ARTHUR G. LIPMAN, *Historian*

**BETA ZETA—OREGON STATE UNIVERSITY**

Spring greetings from Beta Zeta to Kappa Psi brothers everywhere. With our Spring vacation behind us, many of us here at Oregon State University have settled down to make the most out of our *final* term at pharmacy school. In nine short weeks we will be taking the board examinations, and after passing them, we will go our separate ways into the various fields of pharmacy.

There are a few big events coming up for Beta Zeta Chapter which all of us are looking forward to. On April 9th Beta Zeta's annually sponsored Apothecary Ball will be held. We should give credit to some of the brothers who have been working very hard to make it a suc-

cess. Tickets: Kim Finch; Decorations: Dan Ferry; Door Prizes: Ron Noble; Publicity: Robert Nelson; Entertainment: Bob Johnson; Refreshments: Noel Lyons; Invitations: Joe McCann; Time and Place: Ron Day. We also want to thank all the pharmacists who have donated some very wonderful door prizes. Coming up on April 19th and 20th will be our Spring Blood Drive. This is one of our big events of the term, and it seems that each year it becomes a greater success. It is one of the biggest two-day blood drives of the coast. Also in the near future we are planning to have a joint dinner meeting with the Portland Graduate Chapter. We shall combine forces to initiate our new members into Beta Zeta.

Congratulations are in order for Dr. Leo Sciuchetti, our faculty advisor, who was recently elected to the position of Second Grand Vice Regent at the San Francisco Convention. He is a man who has done much for Kappa Psi, and we know that he will continue to do so.

In closing, I would like to say that it has been a pleasure to serve as Historian of Beta Zeta Chapter this past year. I know all the rest of our officers feel the same way. Also, before I sign off, I want to wish everyone the best of luck on their board examinations.

Fraternally yours,  
EDMOND SEARCY, *Historian*

#### BETA KAPPA—UNIVERSITY OF PITTSBURGH

At the end of the 65-66 school year, Beta Kappa congratulates the graduating brothers of Kappa Psi and wishes them a happy and prosperous life in the profession of pharmacy.

The annual dinner held with the graduate chapter was the most rewarding function that was held this term. It brought the graduate chapter and the undergraduate chapter closer together than we have ever been before. We feel that a working relationship with the graduates is essential in maintaining the fraternalism and high ideals of the Fraternity and also to enjoy many functions, both professional and non.

The pledge program was very successful this term by the initiation of five new brothers. The new brothers who were given the third degree on March 15 are Jay Smith, Jay Hopkins, Greg Hrescak, Gary Hess, and Mike Ciampaglione. As part of the pledge program, the pledges presented two films pertaining to manufacturing to the school of pharmacy here at Pitt.

Elections were held for the next school term and the new officers are: Regent, Jack Rohland; Vice Regent, Eric Nestler; Secretary, Tom Degentesh; Treasurer, Tony Civello; Historian, Jay Hopkins; and Chaplain, Mike Ciampaglione.

Beta Kappa has lost its house, not to financial difficulty but due to the owner selling it to a construction company. We have been paying a high rent and after computing the expenses incurred while living at the house have decided to look into the possibility of buying a house. We would appreciate any help that our brothers can give us in this adventure. We are raising the necessary funds to start at the present time.

Congratulations to our two Rho Chi members, Louis Williams and Nick Bassar.

Professionally and fraternally yours,  
NICK BASSAR, *Historian*

#### BETA LAMBDA—THE UNIVERSITY OF TOLEDO

The brothers of Beta Lambda extend their congratulations to all brothers of Kappa Psi who graduate this year and hope that they will have a very prosperous future.

At the start of the second semester of February 17, Beta Lambda sponsored a professional meeting on "The Pharmaceutical Center" with the program under the direction of Brother Russ Cronin. Local McKesson & Robbins representative Jim Magadini along with representatives from Detroit consisting of Dave Schlott, Mr. Healy, and Mr. Swift presented a program consisting of slides with a discussion period afterwards. All those who attended found themselves thinking of how it would be like if "I" was in a pharmaceutical center. Discussion on the topic was vigorous at the meeting and for days and weeks afterward.

Elections this year brought many of the younger brothers in positions of responsibility of seeing that the chapter functions smoothly. We feel that these officers will implement the objectives of our Fraternity as did their predecessors. These men are: Regent, Jerry Kuron; Vice Regent, Russ Cronin; Secretary, Les Fisher; Treasurer, Rich Falck; Chaplain, Bill Suttis; and Historian, Neil Horn. It is interesting to note that all except Brother Falck were pledge brothers together.

Many of the brothers of Beta Lambda have been elected to various positions in the college and have earned various honors. Brother Chuck Seyfried was elected the vice-president of the student branch of the American Pharmaceutical Association—Ohio State Pharmaceutical Association. Brother Dave Rusch has been inducted into Rho Chi. Brother Joe Smolinski has earned the Scholarship Award given by the chapter to the brother who improves himself the most scholastically. Brother Bob Krell made the Dean's List last semester. Brother John Bremer is the assistant editor of the Toledo Journal of Pharmacy and is credited for doing most of the work on it. At a recent Province V convention hosted by Beta Phi in Cincinnati April 1-2 this year, Brother Charles Seyfried was elected Satrap of the province.

Under the direction of our new social chairman Joe Smolinski many social events are in the planning stages. April 23 is the date of a B.Y.O.B. party at which there will be dancing by records. The annual dinner-dance under the direction of Brother Phil Kamlowsky will be held for the 1966 graduating seniors at Sunningdale Country Club, May 7. At the end of May is the annual Alumni Stag under the guidance of Brother Bob Krell which will represent the 41st year of our existence. At the stag the brothers hope to enlist the support of the alumni in helping to bring closer to reality the hopes of getting a house in the near future.

In closing, the men of the Beta Lambda Chapter wish the brothers success on their finals and a prosperous, enjoyable summer vacation.

Fraternally yours,  
NEIL HORN, *Historian*

#### BETA XI—UNIVERSITY OF NORTH CAROLINA

Beta Xi Chapter of the University of North Carolina extends greetings and good wishes to all brothers of Kappa Psi. We hope that your

present spring semester, and prospects for the coming summer are as promising as ours appear to be. Springtime is a great time at Carolina and we are looking forward to finishing a fine semester.

On February 9th the annual elections were held and the following officers were elected: Jack Morgan, Regent; James Hall, Vice Regent; John Rawlins, Secretary; Tim Kroboth, Treasurer; Hilton Barrett, Chaplain; Fred Rachide, Social Chairman; Richard Dameron, Intramural Manager; and Mike Harper, Historian. The past officers of our chapter were a very active and (hard working) group and they marked up a fine list of achievement and service. It is the hope of the new officers that they can fill the shoes of their predecessors and likewise perform a fine job for the chapter.

In February, shortly after the start of the spring semester, six new members were initiated. The new members are Richard Dameron, Bob Inman, Craig Meads, Hugh Moore, Fred Rachide, and Mike Harper.

At Spring Rush we pledged five boys—Walt Bass, Chris Lehman, Dean Powell, Jim Reed, and Al Simmons. We are very pleased that they are with us and anxiously look forward to their becoming brothers.

Our Pledge Weekend held March 11 and 12 was a big success as it always is. The formal banquet, presentation of awards, annual singing of the Kappa Psi Sweetheart song, and dance were held at the Holiday Inn in Durham, N. C. on Friday. Of the awards given, the Best Pledge Award was presented to Fred Rachide, James Hall received the Scholastic Pledge Award for the highest average as a pledge, and Neill Muselwhite was announced as the senior with the highest scholastic average. The Reginald Conway Ferrel Award for the Beta Xi senior who has contributed the most for the chapter was presented to Jim Matthews. Neil Pharr received the Past Regents Award, Jack Morgan accepted the Walter Jones Award for the non-senior brother contributing the most to the house, and Lynn Williams was given the chapter's Athletic Award. In addition very special and humorous awards of an individual nature were presented to the graduating brothers. On Saturday we had a cocktail party at the house, supper, and a combo party.

For the Fall Semester we placed relatively high on the intramural standings in that we compete with the social fraternities. One of our basketball teams posted a record of 3 and 2, and the other finished with a 4 and 3 record. Our main athletic efforts are now turning to softball and since we have so many prospects, we will be fielding two teams. The primary thought in everyone's mind is the annual game during Pharmacy Weekend where we play the other pharmacy fraternity. The winner of the game is awarded a challenge trophy.

We are all looking forward to U.N.C. School of Pharmacy Weekend which will be held the same weekend as Jubilee Weekend, a campus-wide festival. Pharmacy Weekend will consist of a banquet on Friday night, the softball game with the PDC's, and a combo party on the following night.

The weekend of March 26 was very profitable and rewarding for Beta Xi as it hosted the Province III Assembly. We were very honored

by the presence of Bob Auger, who is the supervising officer for the Province. Two Beta Xi's were elected to Province offices: Jack Morgan was elected Secretary and Fred Rachide became the Grand Council Deputy. We really enjoyed the fellowships of the Assembly and look forward to the next time we will be privileged to host the Province Assembly.

In closing, it is with our best wishes that you have an enjoyable spring and summer and that you can survive exams in good shape. As always we extend an open invitation to all members of Kappa Psi to drop in at our house whenever you are in or near Chapel Hill, the "Southern Part of Heaven."

Fraternally yours,  
MIKE HARPER, *Historian*

#### BETA PI—WASHINGTON STATE UNIVERSITY

Greetings to the brothers of Kappa Psi from Beta Pi Chapter at Washington State University.

Spring is upon the campus and the few warm days have speeded the transition from winter toward spring. The grass is getting green, the trees are getting green, the girls . . . well that's another story.

The chapter has enjoyed a very active intramural season. Our three basketball teams had a very active season and now have vacated the maple courts at Bohler Gym and entered two softball teams in the intramural leagues.

At our March 1st meeting, Brother Bachelder gave an informative clinical evaluation of the controversial drug D.M.S.O.

On March 5th, the chapter presented its annual Apothecary Ball, which is open to all pharmacy students and their guests. Over 150 attended, an increase of 25 over the previous year, as the function continues to enjoy increasing popularity. Brother Ken McDermid's quartet provided the music for the dance which was held after the smorgasboard dinner.

Our spring rush function was held on March 23rd which featured a film on venereal disease for the benefit of the members and rushers. An initiation banquet is to be held this month, but a specified date has not been set.

A luncheon meeting will be held on April 19th, at which the chapter will be honored to have as its guest speaker, Dr. John Adams and Mr. Raymond Dauphinais. Dr. Adams is director, Office of Scientific Activities, Pharmaceutical Manufacturer's Association. Mr. Dauphinais is professor of pharmacy administration at Wayne State University.

The chapter will also be sponsoring a coffee hour for the Post-Graduate Refresher Course to be held in Spokane on April 19th.

In conclusion, the chapter would like to wish all brothers of Kappa Psi a profitable and eventful spring.

Respectfully yours,  
WAYNE GUSTIN, *Historian*

#### BETA PHI—UNIVERSITY OF CINCINNATI

Greetings to all Kappa Psi brothers from Beta Phi Chapter, University of Cincinnati.

Beta Phi hosted the Province V Convention here at the Sheraton—Gibson Hotel in Cincinnati, April 1-2. Brother Harry Seurkamp, who was in charge of all arrangements for this conclave, did a terrific job. Chapters represented were: Gamma Chi, Ferris State; Mu Omicron Pi, Detroit; Gamma Iota, Buffalo; Gamma Delta, Ohio Northern; Beta Lambda, Toledo; X I, Ohio State; Beta Phi, Cincinnati; Buffalo Graduate Chapter, and Detroit Graduate Chapter. Guests and Speakers included: Dr. Joseph Kowalewski, Dean, University of Cincinnati College of Pharmacy; Mr. Melvin Hoewel, Beta Phi's Grand Deputy; Mr. Richard Doughty, Grand Ritualist; Mr. Gerald Henney, Executive Secretary; Mr. Merle Sheets, Gamma Delta.

Registration for this convention totaled over ninety, making it the best attended Region V conclave on record. Friday, April 1, an afternoon business meeting took place consisting mostly of reports of the officers and chapters for the past year. Beta Phi carried out the fitting Ritual at this meeting. Friday evening a stag party was held at Schulte's Gardens along the Ohio River and after this get-together, delegates broke up into smaller groups to test the night life of Cincinnati and nearby Northern Kentucky.

Saturday, more business meetings and election of new officers took place. The new Region V officers include: Satrap-Charles Seyfried, Beta Lambda; Vice Satrap-Kenneth Yasch, Gamma Delta; Secretary-Treasurer-Arthur Adams, Beta Phi; Historian-Jerome Delaney, Gamma Iota; and Chaplain-John Melonakos, Ferris State. The next convention for Region V will be held in Buffalo, New York in 1967.

Beta Phi was happy to host his conclave in 1966; we hope those delegates and guests en-

joyed their stay here in Cincinnati. We enjoyed entertaining you, brothers.

Newly initiated members of Beta Phi (February 1966) include: Steve Bjornson, Cameron Close, David Creahan, James Hagan, Michael Klus, Ronald Schneider, Thomas Vogt, Robert Westbrook. The formal initiation took place at our College of Pharmacy followed by dinner at David's Buffet. Our Spring Rush party occurred March 5th at the D.A.V. Hall in Cliftons, near Campus. The Beta Phi rush parties are still the "swingiest" rush parties on campus. We do have eleven new pledges this spring—Robert Cluxton, Robert Collins, Glenn Davis, Sidney Huling, David Kerr, Robert Kreutzberg, James Schubert, Steven Smith, Kenneth Stephens, Michael Sutton, and John Trimur. Our next initiation will occur May 14-15, and simultaneously our "Founder's Day" and reactivation of our Graduate Chapter will take place. That's right! On May 15, Beta Phi will have a Graduate Chapter after twenty years dormancy.

Careers Day is April 15 this year. This event takes place at various high schools in the Greater Cincinnati area, where Kappa Psi men are sent to interest students in careers in pharmacy.

The Kappa Psi "Capsule," our chapter newspaper, will have come out six times during the eight month school year in 1965-66, a new high. Our "Capsule" is a seven page paper containing news of our college, Kappa Psi activities, articles on professionalism, and even a funny page.

The first Kappa Psi picnic of the season will be the 17th of April at Winton Woods County Park. The actives are looking forward to a softball game with the new pledges.

Until the next issue of THE MASK, I remain

### BETA CHI—DRAKE UNIVERSITY

The brothers of Beta Chi send greetings to all our brothers of Kappa Psi. The year is rapidly drawing to a close and many of the brothers are looking ahead and making plans for this coming summer.

The election of officers for Beta Chi was held on February 9th. The newly elected officers are: Regent, Tom Jackson; Vice Regent, Tom Rickcy; Secretary, Larry Simonsmeier; Assistant Secretary, Jim Masengarb; Treasurer, Skip Montalbano; Grand Council Deputy, Dr. C. Boyd Granberg; Historian, George Sutfin; Chaplain, Paul Burke; Pledge Trainer, Bruce Lieb; Assistant Pledge Trainer, John Griffin. Hopes are high that the coming year under the new officers will be as outstanding as the previous year.

On February 15th, the following brothers of Beta Chi were initiated into Rho Chi Honorary Pharmacy Society: Bill Adams, James Cherveney, Larry Simonsmeier, James Snyder, Larry VanHeukelom, George Sutfin, Charles Doherty, and William Green. Thanks to Willie Green, Beta Chi's composite picture is now hanging in Fitch Hall of Pharmacy.

Beta Chi participated in Carnival Continental, an all-university carnival sponsored by Circle K, by building "Ye Old Apothecary Shop." A large container filled with capsules was placed on the counter and chances on the total amount of capsules contained were sold.

Tom Ackerman was chairman of the project and should be congratulated on the fine job done to further the profession of pharmacy.

Spring activation was held at the Holiday Inn on March 6th. The following men were activated: John Jones, Ron Hadsall, Hal Greaif, Jerry Kutza, Ron Nissen, Jim Bennett, Larry Stock, Larry Harmon, Barry Teats, Ed Oiler, Denny Ruebel, and Dan Brown. Dr. Granberg presented the John Deatheridge outstanding pledge award to Jim Bennett.

Spring rush followed on March 23rd at the Ranch in West Des Moines. The following men were pledged: Dave Allaman, Charles Bender, Tom Bromert, Ken Foard, John Fritzel, Jack Harris, Ron Hunt, Phil Klocke, Randy Markward, Bill Mather, Morrie Matzke, Jim McCrery, Dave Sadaro, Larry Sellers, and Dr. Brown. Dr. Brown's pledge father will be Dr. Granberg.

Beta Chi and Kappa Kappa Gamma sorority joined forces to build a relays float for the Drake Relays Parade to be held on April 30. The theme of the 60 ft. long float will revolve around the comics with Bugs Bunny and Yosemite Sam taking starring roles. Phil Van DenBerg and Carl Jacopec are co-chairmen of the affair.

A week after Drake Relays our annual spring formal is planned. To be held at the Wakonda Country Club, the spring formal will feature the crowing of a new sweetheart by Sharon Blomberg, this year's reigning sweetheart.

In closing, we want to extend heartiest congratulations and best wishes in the future to the brothers of Kappa Psi that are graduating this year. Those of Beta Chi graduating are: John Anderson, Reginald Bogusch, Evange Bozinis, Gregg Cudworth, Darryl Didier, John Duerkop, John Dvorak, Todd Garrison, William Green, Donn Holstad, Eugene Lutz, Bob Martin, Tony Mensik, Colin Neil, John Parrott, Chuck Reed, Bill Rippley, Rich Russell, and Bill Shaw.

Fraternally yours,

### BETA PSI—UNIVERSITY OF WISCONSIN

Beta Psi wants to congratulate the men who were initiated as active members into the Fraternity. The active members are Rickie Anderson, Roy Bussewitz, Ron Drobac, Tim Gaginella, Kurt Holm, Gerald Huhn, John La Fleur, Jim Lee, Mike Marcetich, Mel Nowak, Andy Robinson, Gerald Sawyer, George Schimming, and John Williams.

After formal rush this semester Beta Psi pledged three men, Richard Crook, Kent Kautzer and Steven Bedell.

Professionalism begins at home and in order to acquire a more professional attitude, we at Beta Psi have a monthly professional meeting which we feel will interest the members. This semester we have had speakers on "The Internship Philosophy" and "The Problems of Alcoholism."

Beta Psi isn't all brains and no brawn as was easily seen when we captured 3rd place in our basketball conference.

Beta Psi has been active socially. We have had several parties and beer suppers. Most notable of the gatherings would be our annual St.

Pat's Party, at which time we allow the pledges to present a skit on the active members, and our recent "Polak Party", a costume party where many of our brothers felt right at home. Many members, especially the graduating seniors are looking forward to our annual spring formal which will be held May 14.

At this writing we all are looking forward to Easter vacation, and Beta Psi wishes the best to all our brothers.

Fraternally,  
TOM DERLETH

#### BETA OMEGA—TEMPLE UNIVERSITY SCHOOL OF PHARMACY

The brothers of Beta Omega wish all a very pleasant spring. The year is quickly coming to an end and June will see the departure of two graduating brothers, Robert Garvey and Angelo Chiari. Both have admirably served the chapter and we extend congratulations and the best of luck to these two Kappa Psi men.

Probably the newest thing at Beta Omega is our new television set. Most of the money for it came from last year's senior's gift. Our thanks go out to them. In addition congratulations are extended to Mr. James Rocco, last year's Regent, on his recent engagement.

The end of March brought forth the election of the following officers: Donald Schell, Regent; John Iuliucci, Vice Regent; Monroe Adams, Secretary; John Cooper, Treasurer; Edward Kappen, Chaplain; and John Chrzanowski, Historian. The chapter wishes to extend its thanks to Dr. Kallelis and Professor Lynch for their service during the past year. Dr. Kallelis and Professor Lynch were elected to the respective positions of Grand Council Deputy and Assistant Grand Council Deputy again for the coming year.

The chapter extends its congratulations to Monroe Adams, John Iuliucci, Bob Levan, Larry Lesko, and Donald Schell for attaining admission to Rho Chi Honor Society. Also in the recent elections for A.Ph.A. officer Monroe Adams and Don Schell were elected to the position of Vice President and Second Delegate respectively.

The big event on the social calendar is the Spring Formal which will be held April 23 at the Marriott Motor Lodge. A party will be held the 22nd at the house for the brothers and their dates. I hope all received the newsletter and will respond positively to the formal.

The school show is presenting its rendition of "Bye Bye Birdie" on April 28, 29, and 30. The music will be enhanced by Rudy Palladino, drums; John Iuliucci, cordovax; and Jose Gonzalo, trombone.

This year at the Pharmacy School there is an intrafraternity basketball league. I am happy to announce that Kappa Psi leads again and are the champions.

In closing let me say that I have enjoyed being Historian and I extend the gratitude of the chapter to the officers of the past year for a job well done. Best wishes to the officers for the coming year.

Fraternally, your past Historian,  
TERRY F. WILLS

#### GAMMA GAMMA—THE UNIVERSITY OF TEXAS

Greetings from the brothers of Gamma Gamma Chapter.

This spring we extend the hand of brotherhood to 11 new actives: Steve Balas, Mike Bordovsky, Richard Roberts, Richard Beck, Bill Bode, Ronnie Lee, Jerry Morris, Warren Neely, Melvin Podsin, Harvey Rokohl, and Jackie Simmons.

The men of Gamma Gamma were busy during March helping to elect Brother Cliff Drummond, the immediate past Regent of Gamma Gamma, as president of the student assembly here at the University of Texas. We are certainly pleased to have a Kappa Psi in this high office.

The weekend of April 1-2 is one of the high points of our spring semester. This "Round-Up Weekend" is climaxed for the men of Gamma Gamma by a western party at Balcones Country Club.

A successful spring pledge program was terminated when 16 new pledges were given their pledge pins.

Gamma Gamma wishes all Kappa Psi men a fine spring and summer.

MIKE TISDALE, *Historian*

#### GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Warmest regards to our Kappa Psi brothers from Gamma Delta. As another term rolls by, here's hoping that things are fine with all of our brothers, both scholastically and fraternally.

Our two newest brothers, Greg Brokaw, of Cadiz, Ohio, and John Jonesco, Struthers, Ohio, were initiated into Kappa Psi at the start of the Winter Quarter here at Northern. Shortly thereafter, we pledged a class of 12 men, which will help offset the loss of eight seniors through graduation next quarter.

The senior class, including many of their wives, thoroughly enjoyed the annual tour of the Eli Lilly company at Indianapolis. Several KV's were lucky to have Brother James Baylan, Ph.D., as a guide. Jim, who is involved in the ampule production division of Lilly, was an entertaining and informative guide, who greatly added to the trip.

Two conventions commanded attention this past term. The first was the Region IV Convention in Detroit, March 3-5, and the second the OSPA meetings in Cleveland. We were represented at Detroit by Brothers Jeff Hammond and Ken Yash as delegates, and Brother Rick Miskell as alternate. Our voting delegate at Cleveland was Brother Ken Yash.

On the social side, two main events were our annual Pharmacy Faculty Christmas party, and the Sweetheart Dance. Brother Roger Thomas made his usual hit filling in for old Santa at the Christmas party. The evening closed with students joining faculty in a Christmas songfest, as everyone left embued with the Christmas spirit. At the Sweetheart Dance, where the theme was that of Valentine's Day, Mrs. Sandy MacCartney, wife of Brother Jack MacCartney, reigned as KV sweetheart.

We were also honored early in the quarter to have the president of Ohio Northern, Dr. Meyer, and his wife and son, as dinner guests.

It was our new president's first visit to our chapter house.

Another social event that caused some excitement was the Christmas engagement of Brother Ken Yasch to Miss Sandy Davis, of Miami University. They will be married early next March.

Sportswise, Gamma Delta hasn't fared too badly the past quarter. We managed a total of three wins in the interfraternity basketball league; these were our first victories in two years in that department. Things look optimistic, however, as Brothers Dave Barclay, Art Vernon, Chuck Hunter, Rollie Wellington, and Harvey Hanna will be back next year. Our volleyball record saw a 5-3 season, which although a far cry from last year's undefeated season, was good for third place.

That about covers the events here at Gamma Delta, so until the next issue of THE MASK, here's wishing a fulfilling year for Kappa Psi.

Fraternally yours,

JOHN JONESCO, *Librarian-Historian*

#### GAMMA EPSILON—UNIVERSITY OF NEBRASKA

The brothers in Kappa Psi at the University of Nebraska extend warmest greetings to the members of our brotherhood everywhere.

Gamma Epsilon Chapter held its fall initiation on Wednesday evening, December 8, 1965. The following students were initiated: Bruce Beck, Gary Street, Donald Taylor, Harry Hauschild, Paul Madison, Leon Orender, and Dennis Ostermiller. The ceremonies were followed by a banquet; guest speaker for the evening was Dr. Gerald C. Henney, Executive Secretary of Kappa Psi.

Next October Gamma Epsilon will be host for the Province VIII Assembly. The Gamma Epsilon delegates to the 1965 Assembly at Beta Sigma Chapter wish to express their gratitude and congratulations to Beta Sigma for a most successful and productive conclave.

Stimulated by ideas gained by our delegates at the Grand Council Convention, Gamma Epsilon has made changes in many areas and has undertaken several new projects foremost of which is a program to establish a Nebraska Graduate Chapter. Since Gamma Epsilon will sponsor refreshments at the Nebraska Pharmaceutical Association Convention (April 24-29), and with the gathering of graduates at this meeting, we are in hopes that the idea of a Nebraska Graduate Chapter will take root and flourish. Gamma Epsilon's delegates to the Grand Council Convention and the entire chapter congratulates Alpha Chapter and all concerned who made the San Francisco Convention such a successful and memorable event. Through our delegates the Convention has proved most effective in its purpose.

The men of Gamma Epsilon continue to be the leaders in Nebraska University Pharmacy College life. Brothers Boyd Berry and Victor Padron were elected President and Vice President respectively of our A.Ph.A. student chapter, replacing two outgoing Kappa Psi men as officers in this organization.

The new officers of Gamma Epsilon Chapter are: Regent, Bob Knight; Vice Regent, Steve Marshall; Secretary, Leon Orender; Treasurer, Roger Carpenter; Chaplin, Gene Gunderson;

Historian, Victor Padron; and Sergeant at Arms, Roger Miller.

We at Gamma Epsilon hope all the brothers had a pleasant spring into Spring. Until we communicate again, I remain

Fraternally yours,

VICTOR PADRON, *Historian*

#### GAMMA ZETA—SAMFORD UNIVERSITY

Greetings to Kappa Psi brothers everywhere from the warm sunny campus of Samford University.

The past months here at Gamma Zeta have been quite busy. Our activities have come in a variety of fields. We were recently honored with a visit from First Grand Vice Regent Walter R. Williams. Brother Williams spoke with the

members of Gamma Zeta during the afternoon and was dined at the Gold Nugget in the evening before traveling to Delta Gamma. It was a pleasure to meet Brother Williams and we hope he will be able to return soon.

We regret to inform our brothers at Theta and Xi that our dean, Dr. Woodrow R. Byrum, is incapacitated due to a fractured hip incurred during the "spring break." We all send Brother Byrum wishes for a speedy recovery.

During the past few months we here at Gamma Zeta have sponsored the Red Cross Bloodmobile on the Samford Campus and we are proud to report that 35 per cent of the students turned out and our chapter had 100% contributors. Also in this same period of time we had the T B X-ray trunk on campus. The turnout was only fair due to some heavy weather we had early in the winter.

The most recent pledge class has been initiated to Kappa Psi. Those brothers are: Jerry Albano, Paul Albano, King Baker, Bobby Bedford, Ellis Beville, Robert Bradley, Douglas Butler, Lynn Hubbert, William Lee, Joe Mosley, Vincent Musso, Carl Parker, Joe Pierce, Jerry

Reddock, Boyd Reynolds, Joe Santoro, William Sasser, Larry Tatum, Paul Thigpen, Philip Wilson, Chivers Woodruff, and Malcolm Youngblood. Pledgemasters Brooks Barfield and Tommy Axtell report that we have prospects of another large pledge class after our recent smoker. Some twenty prospective pledges attended.

A year-end party will be held at the Thomas Jefferson Hotel on April 15, 1966. The wives and girl friends of Gamma Zeta are surely looking forward to this after our last few smokers.

In closing let me wish all the brothers everywhere good luck on their final exams. Have a nice summer.

Fraternally yours,  
DICK TORRONTOR, *Historian*

### GAMMA ETA—UNIVERSITY OF MONTANA

Greetings to the brothers of Kappa Psi from Gamma Eta Chapter.

A ski party was held last quarter at one of the local resorts. The party turned out to be a very successful and enjoyable evening with skiing, tobogganing, and dancing. This Spring quarter we are having a weekend at one of the local "play areas." As plans indicate it should be fun for all.

New chapter officers were elected in March. They are as follows: Wayne Bollinger, Regent; Kent Postma, Vice Regent; John Dempsey, Treasurer; Terry Donahue, Secretary; John Schwenk, Chaplain; and Walter Warner, Historian.

It grieves us to inform our brothers of Kappa Psi that one of our beloved Fraternity Brothers, John Morgan, passed away this Winter due to a terminal disease. John knew he had an incurable disease, but yet continued to seek a degree in pharmacy. His will to finish pharmacy school took a great deal of courage and determination, even though he knew that he was not going to be with us long. The courage and determination exhibited by our brother should be an inspiration to each and every pharmacy student. Here at the University, John Morgan, will be long remembered by all pharmacy students.

Gamma Eta Chapter and other pharmacy student organizations are making donations to a John Morgan Memorial Loan Fund and a plaque in his name is to be placed in the school. This memorial and plaque will stand to be a guiding light of inspiration to the present and future pharmacy students here at the University.

Until the next issue, Gamma Eta remains  
Fraternally yours,  
WALTER WARNER, *Historian*

### GAMMA THETA—UNIVERSITY OF MISSOURI AT KANSAS CITY

gevin, James Lewis, Hubert McClary, and Kenneth Palmquist.

The officers elected were: Regent James Tilghman, Vice Regent Robert Suschnick, Secretary William Bebermeyer, Treasurer Bill Waltrip, Chaplain Carl Haines, Rush Chairman James Ennis, Historian Paul Schneider, Grand Council Deputy Lyle Willis. Installation was held on March 16, 1966.

Gamma Theta rushed four pledges this semester. Larry Asbury, Al Gillis, Dallas Linke, and Joe Redd are the four new pledges, and their initiation is planned for the last weekend in April.

Just after semester break we were invited to the Brown Bottle Room of the Schlitz Brewery here in Kansas City. A fine meal was served along with draught beer and stereo music was played for entertainment.

We are now planning a party for the graduating class. We have not as yet made any plans as to time and location, but I'm sure with spring here it will be the best party of the year.

Brother David Stribling took the marriage vows on January 9, 1966.

Until the next edition of THE MASK, I remain

### GAMMA IOTA—STATE UNIVERSITY OF NEW YORK AT BUFFALO

Greetings to our brothers of Kappa Psi from Gamma Iota Chapter, here at the State University of New York at Buffalo. The past few months were busy ones for us and much business still remains before the school year comes to a close.

Newly elected officers are: Louis Kudla, Regent; Gary Reynolds, Vice Regent; Richard Eising, Treasurer; Ronald Lamb, Recording Secretary; David Fleisher, Corresponding Secretary; George Weister, Assistant Treasurer; Gary Mosher, Chaplain; and James Kowalski, Historian.

We recently had our annual basketball game with our graduate chapter. Strengthened by the recent graduates, they were able to get even for last year's defeat. No need to say who was forced to supply the refreshments.

At this time we would like to congratulate Brother Gordon Amidon on his recent engagement. Also to Brother Al Gavazzi and his wife on their recent addition to the family, it's a girl.

I would like to thank the brothers of Beta Phi for the tremendous hospitality given to us at the Province V Assembly. It gives me great pleasure to say that Gamma Iota will be the host of the Province V Assembly in 1967. Also, congratulations to brother Jerry Delaney for being elected as Historian of the Province.

A Requiem Mass for Dr. Roger Mantavinos was celebrated Tuesday, March 8, 1966. Dr. Mantavinos passed away March 5th after a long illness. He was an associate professor of biochemical pharmacology in the School of Pharmacy.

Dr. Mantavinos joined the faculty six years ago and served as Grand Council Deputy of

Gamma Iota for this period. For the last three years he was working under an N.I.H. grant for Nucleic Acids. His work centered around genetics and their role in the origin of life.

The brothers of Gamma Iota deeply grieve the loss of Dr. Mantsavinos and will miss his dedicated guidance in our activities.

We are all looking forward to our annual formal dinner dance which will be held in conjunction with the graduate chapter. It will be held at the Treadway Inn, in Niagara Falls. This is our big social event of the year.

Gamma Iota chapter would like to wish all the brothers in Kappa Psi success on their final exams and a most pleasant summer.

Fraternally yours,  
JAMES KOWALSKI, *Historian*

#### GAMMA MU—NORTHEAST LOUISIANA STATE

The brothers of Gamma Mu hope brothers everywhere are having a successful semester, both fraternally and academically. This semester has gone by all too fast and will soon be over. Graduation will see the loss of brothers from all chapters. We owe these graduating seniors a debt of thanks for the work they have done while they were in school.

Here at Northeast the semester started off with a series of rush parties. This semester's pledge class is the largest we've had in several years. The 13 pledges are: Pat Stumph, Donald Judice, Ken Mouhot, Mason Farmer, Shelly K. Hiser, Rickey Ritchey, Lynn Verzuvelt, Joe Valencino, Jack Rhodes, Lyn McCready, Joe Neu, Gervis Roberie, and Ted Ware. For their main project they bought a silver tea service for placement in the office of the new dean. They also made a display for the showcase and in the pharmacy building.

Elections were held at the last meeting to elect officers for the coming year. Regent—elect is Harold Ribbeck; Vice Regent, John Nicholson; Secretary, Malcom Genius; Treasurer, Floyd Tye; Historian, Herman Hankins; Chaplain, Jim Landes. The officers for the past year did a fine job and leave much for the new officers to live up to. A chapter Sweetheart has also been elected, she is Miss Merle Albert of New Orleans who is a first-year pharmacy student.

The brothers are presently hard at work on a booth which they will sponsor in the coming all-school carnival. Plans are also in the making for the annual spring dance which is coming up in the first of May. The dance will follow the initiation ceremony for the spring pledge class.

From Northeast State and Gamma Mu chapter of Kappa Psi, we want to wish everyone the best of luck on finals and hope you have an enjoyable summer vacation. So until the next issue of THE MASK I remain,

Fraternally yours,  
HERMAN H. HANKINS, *Historian*

#### GAMMA NU—UNIVERSITY OF PACIFIC

The brothers of Gamma Nu extend greetings once again to all the brothers of Kappa Psi.

The spring semester brings us a hearty group of pledges to keep Gamma Nu chapter growing here at the University of the Pacific. They have

elected as their president Bob Ausfahl, Doug Christian as veep, and Richard Kirkorian as secretary-treasurer. Other members of the 1966 Pledge Class include Robert Jones, William Jones, Harry Kwock, Glenn Pang, Larry McKeen, Philip King, Tim Haidlen, Gerald Saito, Gonzalo Avila, Ed Buache, Paul Perry, Ron Yamamura, Bruce Phillips, David O'Guinn, Ken Rapp, Steve Laverone, Steve Escobar, Evo Coelho, Jim Naftel, Victor Nonaka, Robert Fisher, and Al Zimmer.

During the recent Poison Prevention Week, the pledges made and distributed over a hundred poison safety posters throughout the city of Stockton—a job well done with the professionalism of Kappa Psi.

The pledges are getting their usual "fraternal guidance" from all the brothers here, especially by the immediate guidance of Buck Heller, Clete Bonnett and Gene McBride, with Jack Reed as the Pledge Father. This help committee is getting the pledges organized for the coming events at the Spring Picnic and Pledge Dance.

With the semester coming to a rapid close, we wish all our brothers the best on their final exams. May the summer find us all contributing to our profession through our duties as intern pharmacists, and remember that Kappa's eyes are always on us.

Fraternally yours,  
CARL BRITTO, *Historian*

#### GAMMA XI—UNIVERSITY OF SOUTH CAROLINA

Greetings to all Kappa Psi brothers from Gamma Xi Chapter at the University of South Carolina.

The brothers of Gamma Xi started this semester off with a party on the night of January 31, 1966 and was a most enjoyable evening for all the attending.

Gamma Xi brothers have for the first time in the history of the chapter had a pledge class during second semester. Although we have a small pledge class, all of the boys are great. As a highlight of the pledging period they were treated with a pizza supper.

The Province III meeting was held on March 26, 1966 at the University of North Carolina with Beta Xi Chapter serving as host. Attending the meeting were Billy Brice, Don Hudson, Ken Hardwick and Dick Brown.

Two of our brothers were recently initiated into Rho Chi Pharmaceutical Honor Society. They are Jimmy Ewing and Rick Mitchum. Brother Ewing is going to be the delegate for the Apha Chapter at the University of South Carolina to the National Convention.

Until the next issue of THE MASK, I remain  
Fraternally yours,  
RICK MITCHUM

#### GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY

Greetings to all our brothers from the 'SHOW ME' state.

Activity has been booming in the chapter since our last letter. Recently the students downed the college faculty in a Flounder's Day basketball game by the romping score of 46 to 36. Participating in this annual Kappa Psi function included our own Executive Secretary,

Dr. Gerald (GUNNER) Henney; Dr. Joe (SPEEDY) Haberle; and a large portion of the remaining faculty. All-in-all the encounter proved to be a great success and morale booster. The evening was topped off with a dance at the college auditorium. Many thanks to the brothers who worked so diligently at this project to make it a great success. The proceeds (nearly \$225) went to the college scholarship fund.

Just recently our new officers were installed for the coming term. Elected were: Jay Gobble, Regent; Hugo Orlandini, Vice Regent; Dave Tumulty, Secretary; Dave Decker, Treasurer; Ron Brown, Chaplain; Ed Alstat, Historian; and Jim Drake, Sergeant-at-Arms.

Pledging, under the leadership of Bill Rall, showed the efforts of our brothers. Since the beginning of classes Gamma Pi has been instilling upon the minds of prospective pledges the advantages of belonging to a fraternity, especially an active organization such as Kappa Psi. We were well rewarded with a pledge class of twenty-one.

Our annual Man-of-the-Year award was bestowed upon Dr. Gerald C. Henney. The nominees for this particular award are voted on by the chapter. The award is given to the person whom the chapter feels has given whole-heartedly and honestly of his time for the forwarding of the integrity of Kappa Psi. Congratulations to Dr. Henney and a 'well done!' to the brothers of Gamma Pi.

We hope to continue our enthusiasm through the rapidly approaching summer, so until the next issue, I remain

Fraternally yours,  
ED ALSTAT, *Historian*

### GAMMA SIGMA—UNIVERSITY OF FLORIDA

Gamma Sigma's first function of this past Winter trimester was our smoker on January 13, 1966, featuring a movie replay of the Florida vs. Florida State football game. Refreshments were served to the guests, prospective pledges, and faculty members after the movie. From these efforts Gamma Sigma gained nine worthy pledges, who are now brothers: Roger Accardi, Ray Anel, Mike Christian, Walter Griffin, George Jones, Jim Spell, John Sprenkle, Rex Straughn, and Tom Yates.

Our major project for this trimester was held in February. We wrote and mailed over 2400 letters for the Heart Fund Drive, and our efforts were made worthwhile due to the very gratifying results.

The annual Mortar and Pestle Student Branch of the American Pharmaceutical Association banquet was held on March 26, 1966, at the University Inn. Presentation of awards was an extreme honor for Gamma Sigma as we garnered all awards for which males were eligible, except one. Brothers and the awards received are as follows: William Tyrell Reid, Jr., Gold Merit Award for High Achievement in Scholarship and Service; Frank Anthony Dodge, William Emrich Award for Superior Scholastic Average in Second Year Professional Courses; Joseph Robert Giganti, Bristol Award for Excellence in Pharmaceutical Specialties; Frank Anthony Dodge, Merck Award for Excellence in Pharmaceutical Chemistry; John Taggett Harlowe, Lilly Achievement Award; Frank Anthony

Dodge, Johnson & Johnson Award for Excellence in Pharmacy Administration; Kenneth Webster Fuqua, J. K. Attwood Leadership Award; Anthony Michael Messina, Merck Award for Excellence in Dispensing.

Kappa Epsilon, Rho Pi Phi, and Kappa Psi Pharmaceutical Fraternities presented skits for the audience's pleasure at the banquet. This year, Gamma Sigma had pre-taped the entire skit and it was then pantomimed. Needless to say, we came through with flying colors, winning the Best Skit Award.

Also, at the banquet we presented our annual Pharmacist of the Year Award to Mr. Walter D. Griffin, who has been very active in Pharmacy for the betterment of the profession.

At the banquet Gamma Sigma announced our new Sweetheart for 1966-1967. She is Miss Sarah Parker, Brother Gary L'eon's fiancée.

The Northeast Florida Pharmaceutical Association, which has been so beneficial in assisting us to get our Inter Program into effect, has requested that we present our Skit for them on April 20 at their regular meeting.

Speaking of our Intern Program, we are proud to announce that more than one-half of our graduating brothers last trimester obtained positions through Gamma Sigma's Intern Program. Thus our graduates are assured of receiving competent professional training in the many professional pharmacies throughout the state.

Gamma Sigma Chapter held its Winter Banquet on April 2, 1966, at the University Inn. A buffet-style supper was enjoyed by all attending brothers and their dates or wives. This year we initiated an award to the brother with the highest scholastic average for the previous three trimesters. Frank Dodge received this award, a lapel pin with his name and the Kappa Psi crest on it.

Our annual basketball game with Rho Pi Phi ended, with Kappa Psi emerging the victor by the score of 35-34.

Officers elected for the Spring Trimester are Butch Fawley, Regent; Bob Wilson, Vice Regent; Ron Swindling, Secretary; Bob Bonano, Treasurer; Roger Tateishi, Chaplain; Peter Sagonias, Historian.

In closing, Gamma Sigma extends to all our Kappa Psi brothers continued success throughout the coming semester, trimester, or quarter, whichever the case may be.

Fraternally yours,  
PETER SAGONIAS, *Historian*

### GAMMA UPSILON—UNIVERSITY OF ARIZONA

'Spring Fling' to all brothers of Kappa Psi from Gamma Upsilon Chapter. Once again the time of year has come when the scholastic social equilibrium of the men of Kappa Psi is being tested. Spring weather and short skirts bring out the zest for the out of doors. With a beautiful new College of Pharmacy building and enthusiastic instructors, the men of Kappa Psi try to rebuff the urge to Spring Fling.

This has been quite a year. After a successful steak fry at 7 Falls Canyon, we pledged 19 new members, bringing our combined membership of actives and pledges to 60. Kappa Psi professional fraternity at the University of Arizona is on the move. Under the guidance of our new

officers, qualities of professional excellence, scholastic ability and athletic endeavors are gaining respect for our Fraternity from both students and faculty.

We installed our new officers on February 3, 1966. They are as follows: Bob Kass, Regent; Ken Coit, Vice Regent; Frank Mangham, Recording Secretary; Joe Perazzo, Corresponding Secretary; Leo McStroul, Treasurer; Larry Dunsky, Chaplain; Kerry Fuller, Historian; and Don Bickford Scholastic chairman.

Second semester at the University of Arizona has been full of activities both socially and professionally oriented. As usual the men of Kappa Psi are active in all functions. Les Peterson, a Kappa Psi man, is president of our student APhA. He and several other active members of Kappa Psi are initiating a series of programs of which antibiotics was the first. Our Kappa Psi advisor, Dr. Simonion, and six detail men of pharmaceutical manufacturers delivered an excellent presentation.

Ron Selness is our representative to the National Inter-professional Fraternity Council.

Stan Goldenberg is the newly elected senator for the College of Pharmacy.

In closing I would like to extend best wishes to all brothers of Kappa Psi from the Gamma Upsilon Chapter.

Fraternally yours,  
KERRY G. FULLER, *Historian*

#### GAMMA CHI—FERRIS STATE COLLEGE

Spring greetings to the brothers of Kappa Psi from Gamma Chi Chapter at Ferris State College in Big Rapids Michigan.

With the winter term just behind us the brothers of Gamma Chi are now beginning what promises to be an active as well as enjoyable spring term. Our varied winter activities were highlighted by our presentation of the sixteenth annual Sweetheart Ball. This year we featured the Peter Palmer Orchestra plus Pete Mervenne and the Kingtones. During the dance the dean of pharmacy, Dean Claus, crowned Miss Sue Wheatly of Saginaw, Michigan as Sweetheart Queen.

The intramural basketball season ended at Ferris State College with Kappa Psi finishing first in their league. They are now hoping for this continual success in the forthcoming Greek basketball tournament. Intramural volleyball will find us in competition with three teams this spring.

The election of chapter officers were held recently with Brother Robert Byrnes taking over the responsibilities as Regent. Other officers are: Vice Regent—Ed Jacoby, Recording Secretary—Tom Finlan, Corresponding Secretary—Mike Cote, Treasurer—Ken Kirk, Historian—Bob Hodges, Chaplain—Dave Powers, Alumni Secretaries—Larry Poel and Dan Osika, House Manager—Dick Campbell, Assistant House Manager—Russ Wilkinson, Pledge Master—Gary Huiskens, and Assistant Pledge Master—Bob Skrocki. This new slate of officers will conduct the affairs of Gamma Chi and carry on the "high ideals" of Kappa Psi for the coming year.

For the fourth consecutive year the men of Gamma Chi have won the Interfraternity Blood Donors trophy. This award was the result of having the highest percentage of our member-

ship give blood for the Red Cross drive. Academically we are proud of Brother Bob Byrnes who obtained a 4.00 average in the fall term and Brother Don Sundstrom for his 4.00 average in the winter term.

Having just completed pledging, Gamma Chi has these men awaiting membership into Kappa Psi. These men are Jack Almassian, Bob Gorski, and John Ochs.

The brothers of Gamma Chi wish to thank the men of Beta Phi for the fine program and activities presented at the Province V convention recently held in Cincinnati, Ohio. Thirty-four brothers of Gamma Chi were in attendance. We are proud of the fact that Brother John Melonakos was elected to the office of Chaplain.

The activities now being planned for spring term will include Kappa Carnival, Greek Week, intramural volleyball, rushing and pledging and our Spring Formal Weekend.

In closing Gamma Chi extends its best wishes to all the brothers of Kappa Psi.

Fraternally yours,  
BOB HODGES, *Historian*

#### GAMMA OMEGA—UNIVERSITY OF ARKANSAS

Now that spring is here, things are moving rapidly for us in the Gamma Omega Chapter. Friday afternoon, March 11, we purchased 41.5 pounds of fresh frozen catfish, 40 pounds of potatoes, pork and beans, catsup, salt, cooking oil, and most of all, a keg of beer for the second annual fish fry in honor of the pledges. Everyone had plenty of beer and fish before it was over.

We have initiated 11 new members to Gamma Omega, ten collegiate members and one faculty member. The new members are: Bob Nunley, Toby Staggs, Bob Moore, Bob Rhoads, Paul Winborn, Jeff Pride, Bill White, Larry Skelton, Tommy Russell, and Tom Lowery, collegiate members and Dr. A. Nelson Voldeng, faculty member. This brings our number of members up to 34, an all time high for us.

We had our annual spring dance on March 23 at the Western Hills Country Club. Everyone really enjoyed the dance especially the marvelous band that was furnished for the occasion. We would like to thank the parents of Bill and Bob Moore for their influence in obtaining this club for our use. Without them we would not have been able to have had such fine facilities.

We would like to congratulate all the graduating seniors upon their accomplishments. We hope that everyone has a rich and rewarding career in the profession of pharmacy.

This just about completes the news from Arkansas; so until the next Newsletter, we will say so long for a while.

Fraternally yours,  
WALTER C. HUBBARD, *Historian*

#### DELTA DELTA—UNIVERSITY OF HOUSTON

Greetings to all our brothers in Kappa Psi from Delta Delta Chapter.

One of our largest and most successful pledge classes was initiated this semester. The new Kappa Psi men are: Richard Karm, Buddy Trivino, George Mimari, Gene Albrecht, Paul Contrucci, Dicky Smith, Joe Trial, Hank Craw-

ey, Brad Carson, Butch Green, Simon Pedrosa, Galo Chaves, Joe Briones, Raul Martinez, Paul Clark, Craig Barras, Mickey Meaux, Martin Raabe, Ronnie Petty, and Ken Martin.

Along with Phi Delta Chi and Kappa Epsilon, we set up a display at the Sharpstown Center for Poison Prevention Week.

Congratulations are in order for Brothers Butch Green and Larry Robertson. Brother Green was elected pharmacy senator and Brother Robertson was elected as president of the senior class.

Our chapter along with the University of Texas chapter has been invited to attend a Western Barbecue party at Brenham. This party is being given by Mr. Roy Wiese Jr., president of the Texas State Board of Pharmacy. We are all looking forward to this event.

The new pledge class challenged the actives to a football game. Luckily we got by them by a score of 7 to 6, because the reward was a keg of good cheer.

New officers have been elected for the coming year. The new officers are: Jim Atkinson, Regent; Reg Scarbrough, Vice Regent; Joe Jimenez, Secretary; Keith Kellum, Treasurer.

At this time we would like to congratulate all the graduating seniors and wish them much luck and success.

Fraternally yours,  
JOE OVERTON, *Historian*

#### MU OMICRON PI—WAYNE STATE UNIVERSITY

Greetings from your Kappa Psi brothers here in Detroit. We are just beginning our Spring Quarter at Wayne and will graduate a number of fine Kappa Psi men this Summer. They are Tony Boutt, Gene Coe, Jerry DuFresne, Pete Krajewski, Ben Price, Dick Sawicki, and William R. Smith.

Our Winter Quarter was rather quiet. In February our chapter was well represented at the annual Stephen Wilson Pharmacy Seminar. Many visitors attended from around the country and Kappa Psi was well represented in this group, also.

The Winter Quarter ended with a bang and, before you could say "Kappa Psi, first in Pharmacy" we were in Cincinnati, Ohio for the Province V convention. After the long drive of 250 miles from Detroit, we were glad to accept the friendship and hospitality of Cincinnati's Beta Phi chapter.

Cincinnati has some fine Kappa Psi men and their pledges were quality all the way. One of our brothers, Ed Posuniak, had a flat tire at 3 AM and within 10 minutes, Beta Phi's pledges were changing the tire.

Now, after recovering from 3 days of convention in Cincinnati, we are back in school and looking for a good Spring Quarter pledge class. Our first rush party will be on Monday, April 11, and our second will be on Thursday, April 21, 1966. Our pledgemaster is Gerry Decoster.

A new directory of members of Mu Omicron Pi and the Detroit Graduate Chapter is in the works. The last one was compiled in 1959 and many changes can occur in 7 years. Anyone who can furnish names, addresses, phone numbers, etc. should send the information to me at the Kappa Psi House, 1120 West Forest, Detroit,

Michigan. 48201. All information will be appreciated.

Best wishes for future success are extended to our graduating Kappa Psi seniors at Wayne and to all Kappa Psi graduating seniors across the nation. We know you will continue to do your best for your Fraternity and your profession.

Fraternally,  
PAUL ANDERSON, *Historian*

#### ALBANY GRADUATE CHAPTER

Plans for the Province I Assembly to be held in Albany on October 14 and 15 are being carried to fruition. Beta Delta, with the help of the graduate chapter will host visiting brothers from the other chapters which comprise the Province.

Friday evening has been reserved for registration and hospitality for our visitors. Saturday will see the business sessions conducted at the college. A dinner dance will be held Saturday evening.

I would like to extend a cordial invitation to all active members of the graduate chapter to participate in this important assembly. Let's show our visitors from New England what the word fraternalism really means.

With a change in the date of the Pharmacy Seminar from April 11 to April 18, it was deemed prudent to cancel the dinner meeting to be held on April 10. In its place a joint meeting with Beta Delta will be held at the Turnpike Restaurant on May 2.

Continued progress has been made in achieving greater numbers of the chapter to become active. I am happy to report that we are the strongest ever. In parting, I should like to thank the many brothers who have sent in donations to help defray the expenses of the Province Assembly.

Fraternally yours,  
PETER J. RYAN, *Historian*

#### BUFFALO GRADUATE CHAPTER

Greetings to all the brothers of Kappa Psi from the Buffalo Graduate Chapter.

It is with great sorrow that I report of the death of our beloved Brother Roger Mantsavinos. Dr. Roger Mantsavinos who was associate professor of biochemistry at the State University of New York at Buffalo Pharmacy School, died in Buffalo General Hospital after a long illness at the age of 37. A native of Nashua, New Hampshire, Dr. Mantsavinos was a 1953 graduate of the Massachusetts College of Pharmacy. He earned his masters degree and doctor of philosophy degree from Purdue University. He did post doctoral work at Yale University. Dr. Mantsavinos taught at Columbia University in New York City for one year before joining the U.B. faculty six years ago. Besides teaching, he was a researcher at both Columbia and University of Buffalo. He was Grand Council Deputy of Gamma Iota until September of 1965 when due to failing health he voluntarily resigned.

The brothers of Gamma Iota and the Buffalo Graduate Chapter have suffered a great loss. We will miss his loyal help, his counsel and his outstanding teaching of biochemistry and Pharmacology. Gone forever will be his wit, his kindness and understanding and his gift of at-

tracting loyalty from everyone. At his memorial services the brothers of Gamma Iota and the Buffalo Graduate Chapter with bowed heads felt that Brother Mantsavinovs will never die but has gone away for awhile and will always be at our side to spiritually guide us in our activities.

Since the last issue of THE MASK, many exciting events have occurred in Buffalo. On St. Patrick's Day, The Buffalo Graduate Chapter Basketball team captained by Bill Okieniewski defeated Gamma Iota 53 to 30.

Spring Clinic Day will soon be upon us and president of the Pharmacy alumni, Brother Bill Kent promises an exciting day at the Charter House Restaurant. Every year we renew our acquaintances with our former classmates.

On April 15th, the Pharmacy Open House will be held by the students at the University of Buffalo Pharmacy School under the chairmanship of Brother Al Gavazzi. Pharmaceutical displays and scientific exhibits augmented by research projects will highlight the night. The Buffalo Graduate Chapter constantly promotes the recruitment of Pharmacy Students and encourages the community to attend Open House. On Saturday, April 23rd, our annual semi-formal dinner-dance and awards banquet will be held in the beautiful Treadway in Niagara Falls.

Very shortly after the Easter Recess, graduation will be upon the seniors in all the Pharmacy Schools in America. It is the sincere wish of the Buffalo Graduate Chapter to wish all the brothers in Kappa Psi unlimited success in all their examinations and it is the hope of the chapter that upon graduation the brothers will continue to practice brotherhood and will regularly renew acquaintances with each other by their loyal support of their local graduate chapters. Many of you who will be relocating from one area to another should join the graduate chapter in your vicinity. If you live in an area where you have no graduate chapter present, now is the time to start one. I will be very happy to advise any brother on the formation of graduate chapters.

On April 1 and April 2 regent Joseph Mileta, Secretary Maurice Van Sice and yours truly, attended a most stimulating Province V Assembly in Cincinnati, Ohio. The Buffalo Graduate Chapter wishes to thank the host chapter Beta Phi for a well coordinated, entertaining and social program. Many stimulating debates and discussions prevailed and because of these, many important resolutions were created which we know will build our future to greater heights than ever before. It was very heartwarming to participate in the collective ritual of our province member chapters all in colorful regalia under the leadership of our Grand Ritualist, Brother Richard M. Doughty.

Executive Secretary Gerald C. Henney's remarks were appreciated both for their constructive contents and also for their wit. Brother Merle Sheet's speech was a classic. Dean Kowaleski's remarks were very rewarding.

May the growth of Kappa Psi continue, and may our continued progress and professional achievements be the best in the nation.

Fraternally,  
JACOB J. CARAOTTA, *Historian*

#### CONNECTICUT GRADUATE CHAPTER

Greetings to all our brothers in Kappa Psi from the Connecticut Graduate Chapter. Since the last article was written we have had two regular meetings and also an executive meeting.

The January meeting was held at the new and lovely Long Wharf Restaurant in New Haven, just off the Connecticut Turnpike. The chicken dinner was excellent. We all enjoyed hearing about the 33rd Grand Council Convention in San Francisco, California. Brother Roy Williams was elected First Grand Vice Regent and Brother Bob Auger, under a new provision of the revised Constitution of the Fraternity which was adopted at the Convention, was elected to a two-year term on the national Executive Committee.

The February get-together was an executive committee meeting held on the 24th of the month at Brother Joe Paconni's house. We all braved a very icy and slippery snow storm to "get up to the hill," to Joe's house. After the meeting we were treated to a superb Italian meal by Joe and his wife.

The March meeting was held on the 23rd of the month at the Santa Fe Restaurant on Route 69 in Wolcott, Connecticut. Former Regent, Harry (Bud) Vaughn planned the meeting and is to be commended for the fine food and drinks.

Our final meeting of the year will take place in May at the Annual Senior Banquet. At this time we will congratulate the seniors and at that time Awards will be given. We will also have installation of officers for the Graduate Chapter for the coming year of 1966-67. Again we have a very fine slate of officers who I am sure will carry on in the fine traditions of Kappa Psi and the Connecticut Graduate Chapter.

Fraternally yours,  
ROBERT F. CADWELL, *Historian*

### DETROIT GRADUATE CHAPTER MEETS

Newly elected officers and committee members discuss future activities.

### DETROIT GRADUATE CHAPTER

The brothers of Kappa Psi have been very busy here in the Motor City. During one of our first meetings of the year the following officers were installed at the Fraternity House; Regent, C. Douglas Acord; Vice Regent, James Devine; Secretary, Larry R. Kersten; Treasurer, Walter Hotra; Historian, Carl E. Kyburz; Chaplain, Tom McCluskey; Executive Committee, Alan R. Dopke and Edward Parrish.

As you can see there has been some new blood added and we have some fine events planned for the year. Regent Acord and his committee have decided to have a business meeting one month and a social event the following month on a trial basis for this year.

Our Vice Regent, James Devine is now manager of the largest retail store in the Cunningham Drug Chain and one of the larger drug stores in the United States. Congratulations Jim, and we know that they have a fine manager. Regent Doug Acord is also manager of one of Cunningham's large stores on Woodward Avenue, and Alan Dopke is a manager at Northland Center.

William B. Hennessy acted as general chairman of the 13th Annual Stephen Wilson Pharmacy Seminar at Wayne State university in February. Brother Ira H. Smith, president of the Pharmacy Alumni Association presided at the morning session. Brothers Robert Fleischer, Gordon Goyette, and Ed Randinitis were on the general committee. Linwood F. Tice, dean of Philadelphia College of Pharmacy spoke on "Orientation for Professional Service" at the evening banquet.

Douglas Acord, James Devine, Walt Hotra and Larry Kersten will act as our Executive Committee this year so if you want any help or want to help give them a call.

We want to congratulate our own Frank Facione who has been appointed co-ordinator of Province V affairs. Frank has done a fine job in his several province assignments and we wish him continued success. The Province meeting in Cincinnati was held with a total of 101 members with representatives from every chapter. We also wish to congratulate Satrap Charles Seyfried for the work he has done for the Province.

Plans are being made for our Annual Awards

dinner to be held June 22nd. We hope that both our Grand Regent and our Executive Secretary will be able to attend this important affair in Michigan Pharmacy. Regent Acord and his Committee are actively engaged to make this an impressive event.

Brother Ira Smith is president-elect of the Metropolitan Detroit Pharmaceutical Association. We wish him a fruitful and successful year in Pharmacy in his new endeavor. Brother Don Sheridan has purchased a drug store in Milford, Michigan and Romon Garcia is the new owner of Cass Lake Pharmacy in Kego Harbor.

Motor City News: Brother Jim Joseph is building a new house—Fred Arnold's son was on the Shrine championship basketball team—Carl Kyburz gave talks to the Royal Oak Exchange and Norfield Kiwanis Club in March—Clifford Clay has opened a new store (Perclayco Drug) in Utica, Michigan.

Fraternally,  
CARL E. KYBURZ

### KANSAS CITY GRADUATE CHAPTER

Best wishes to the brothers of Kappa Psi from the Kansas City Graduate chapter.

On March 24 our winter meeting was held at the apartment of Charles Hammontree and Loy Rowland in the 'Ol English Village.' The main topic of discussion was the collection of vitamin samples to be sent to the people of Viet Nam. These vitamins are now being collected and the first shipment will be made shortly.

Many activities are planned for the summer and fall including a stag night at a K.C. A's baseball game and a date night at Starlight Theater.

We are proud of our new permanent membership cards. They are printed in three colors and sealed in plastic.

Kansas City has been chosen as the site of the 1967 national convention of Kappa Psi. Raymond Kennett is chairman of our convention committee. We are all looking forward to hours of fellowship with our Kappa Psi brothers from other chapters.

Charles Wooten has been made manager of the Corinth branch of C.M. Watkins drugs . . . Bill Frazier has accepted a position with Super X drugs . . . David Ferrier is now working as Chief Pharmacist at Lawrence Memorial Hospital, Lawrence, Kansas . . . and Congratulations to Mr. and Mrs. Dick Gardner on the birth of their son Timothy.

Best wishes until our next Newsletter.

Fraternally yours,  
DAVID E. FERRIER, *Historian*

### PORTLAND GRADUATE CHAPTER

The chapter held a most enjoyable and successful business and social meeting on Tuesday, March 22 in the tap room of the Blitz-Weinhard Brewery. An excellent buffet adequately aided with the product of our host took most of the first hour. Professors Forslund and Sciuchetti of the faculty of Oregon State University were present too.

Election of officers for the coming year finds Phil Smithise as Regent, Ed Caldwell as Vice

Regent, M.L. Playfair as Secretary-Treasurer, Frank Bracelin as Bar-Keeper, and your truly as Historian.

A tour of the plant of our host, conducted by an official of the company, took us through the entire process of their manufactured product.

Under the leadership of the newly elected officers the Portland Graduate Chapter is assured of another successful year which will include a Kappa Psi Luncheon to be held at the Oregon State Pharmaceutical Convention in June, at Eugene, Oregon.

Fraternally,  
 LYLE V. HENDRICKS, *Historian*

#### ST. LOUIS GRADUATE CHAPTER

Greetings to all Kappa Psi brothers:

One of the problems that plague different organizations is that of attendance at the regular meetings. This problem has also been experienced to some extent by our chapter since it was reactivated last year. However, the situation is steadily improving as we had twenty-five members present for the February meeting. It is hoped that we can double that number in May.

During the meeting in February the brothers

voted to buy a juke box for the Gamma Pi Chapter Fraternity House. It is felt that the juke box will result in considerable savings to the collegiate chapter as it will eliminate the need for hiring a band for certain social functions. Needless to say that this piece of equipment has had considerable use during the past two months. After the meeting the brothers gathered at the fraternity house to enjoy sandwiches and liquid refreshments and to reminisce about the good old days when they were collegiate members of our Fraternity. Apparently the gathering was a success as the last elements were seen leaving the house around three o'clock (AM).

Several of the brothers who are on the faculty at the College participated in the first annual Flounder's Day. This is a basketball game between the faculty and the students, and it is sponsored by Gamma Pi chapter. The proceeds go to a college loan fund for students. Two hundred dollars above expenses were realized from this affair. There were two casualties resulting from the game—both of minor nature and both students.

Until the next issue of THE MASK, I remain,  
 Fraternally,  
 JOE E. HABERLE, *Secretary-Treasurer*

THOSE WHO PREPARE THEIR CHAPTER "NEWSLETTER" PLEASE READ!

The office of THE MASK insists that postmark deadline dates mentioned on page 63 be met in order that the "Newsletter" appear in the issue as scheduled.

All "Newsletters" received postmarked *after the deadline* date can not be used for that issue and, therefore, will be returned to the sender in the event he may wish to use some of the material for his next report. *Please cooperate!*

A "Newsletter" from your chapter should appear in each issue of THE MASK and should be mailed about a week before the deadline date. Do *not* anticipate a reminder from the office of THE MASK of your Chapter's "Newsletter."
