## **From the Desk of the Editor**

Grand Regent Glen J. Sperandio, kept busy with the mounting activities of the Fraternity, has asked to be relieved of his usual message this issue and that your Editor write a few words in his place. One of the reasons that his article is not appearing is because he was at the recent annual meeting of the American Pharmaceutical Association in Las Vegas, Nevada, at the time this issue went to press.

In this April-June issue of *THE MASK* there are several important items. One being the list of nominees for Grand Officers to be voted on at the coming Grand Council Convention, the other that of the tentative program of the Convention to be held in Kansas City, Missouri, August 28-31, 1967.

The scheduling of a summer Grand Council Convention has been due to numerous suggestions over the years particularly by those who already have graduated from college. Thus, this summer Convention will be a recent innovation, which if successful may be continued in the future in place of the usual one held between Christmas and New Year's day.

At this coming Grand Council Convention each of the delegates registered is scheduled to receive a copy of *The History of Kappa Psi Pharmaceutical Fraternity* by Dr. Frank H. Eby. Brother Eby has been compiling this history during the past several years. Some years ago, your Editor, who was at that time the Grand Historian, did considerable research into the beginnings of Kappa Psi which started at the Russell Military Academy in New Haven, Connecticut. From this original material Dr. Eby has done a tremendous amount of research and compilation to present us with Kappa Psi's first complete history. The George Banta Company of Menasha, Wisconsin, along with the excellent cooperation and skill of two of its employees, Ralph A. Carrigan of their Cambridge, Massachusetts office and Richard E. Machamer of the Menasha, Wisconsin plant are handling its publication. Your Editor, along with First Grand Vice Regent Walter R. Williams of the Special Committee on History, assures the members of Kappa Psi that a great treat is in store for them when the *History of Kappa Psi Pharmaceutical Fraternity* by Eby is off the press and ready for distribution in August.

## **Thanks To Those Preparing Newsletters**

Your editor wishes to make known his appreciation to the Historians of the collegiate chapters and to those of the graduate chapters who prepare copy for the Newsletters that appear in each issue of *THE MASK*. With but few exceptions, the copy is well prepared and typed double-spaced as is requested. Only an editor appreciates such fine cooperation of the copy senders. And in addition, I must make mention of the excellent cooperation of these copy writers who, in the great majority of instances, send material on or before the deadline dates.

## **Welcome To Delta Epsilon Chapter**

On February 24, 1967, the fifty-fifth chapter of Kappa Psi Pharmaceutical Fraternity was installed at Duquesne University. All members of Kappa Psi rejoice in this event and extend best wishes for a prosperous and successful chapter.

## Some Things Bear Repeating Over and Over Again

The College Fraternity Secretaries Association has stated its position, periodically, in support of constructive, educational and inspirational programs and has asserted unequivocally its opposition to hazing and pre-initiation activities which do not contribute to the positive development and welfare of pledges and members.

The Association urgently recommends to its members and their fraternities: that they continue to approach their undergraduate members with the assumption that they are mature, intelligent, and self-governing men and that they alone can eradicate hazing in all its varied forms; that they appeal to their alumni to bury and forget injurious hazing traditions; that they work together with college administrators to rid the campuses of any lingering evidences of hazing and other injurious practices; that they endeavor to broaden and strengthen their programs for the development in members of leadership responsibility and the appreciation of moral, spiritual, and intellectual values consistent with their ideals and teachings.

• • •

Unless the fraternity gives men higher ideals of life it is not fulfilling the purpose which its founders had in mind. Unless its influence is such as to make men more honest in their work and in their business relations; cleaner in their lives and cleaner in their talk, more temperate in eating and more temperate in drinking, better students and better men and better citizens, it is failing to do the work that it should do. If a man can be a drone or dissolute, or dishonest, or vulgar, and not lose standing in his fraternity there is something the matter with his fraternal ideals.

The fight against fraternities is based upon the fact that people on the outside say that fraternity life leads men to dissipation and extravagance, makes them loafers and flunkers and snobs, and unfits them for the serious worthy work of life. The intimate relations which I have had with fraternity men for almost half my life have not led me to such conclusions.

In every organization with which I am acquainted there are high-minded men who respect their obligations and not only live up to the ideals of the organization themselves but who do all in their power to help their brothers do so. The purpose of every fraternity man should be to magnify the ideals of his fraternity, to make them something more than mere sentiment, to exemplify them more fully in his own daily life, and to impress them more forcefully upon the undergraduate members with whom he comes in contact. It is only through the vitalizing of its ideals that the fraternity will come into the respect which it deserves.

# REPORT OF THE EXECUTIVE SECRETARY TO THE NOMINATIONS COMMITTEE

(March 7, 1967)

Pursuant to Article XII, 67. Sec. 2 of the 1966 Constitution of Kappa Psi Pharmaceutical Fraternity, on October 1, 1966 a letter requesting nominations for Grand Officers was sent to all Collegiate and Graduate Chapters. ## DELTA EPSILON BECOMES FIFTY-FIFTH KAPPA PSI CHAPTER

By Clark F. Steed, *Historian*

In the fall of 1966, four pharmacy students at Duquesne University in Pittsburgh, Pennsylvania—Stephen Groft, Dennis Hahn, Joseph Milazzo, and Victor Sabarese, petitioned the Dean of the pharmacy school and the faculty for permission to initiate a Kappa Psi Chapter at Duquesne University. Permission was soon forthcoming, and with the help of Dr. Bruce D. Martin, professor of pharmaceutical chemistry and a Kappa Psi brother, we wrote to Dr. Gerald C. Henney, Executive Secretary of Kappa Psi, asking his help in forming a Kappa Psi Chapter.

By November, Dr. Henney made a special trip to Pittsburgh to meet with the students who were interested in Kappa Psi, which now numbered about eight. After a fine dinner in downtown Pittsburgh, Dr. Henney and several members of the Beta Kappa Chapter at the University of Pittsburgh explained Kappa Psi, its aims, objectives, goals, structure, history, and membership. Dr. Henney then explained the process to be followed in obtaining a charter for a Duquesne University chapter.

Soon, after two more months' work, notification was received from the Central Office stating that a Kappa Psi Charter would be granted to Duquesne University. February 24, 1967, was chosen as the date for presenting the charter to Delta Epsilon Chapter of Kappa Psi at Duquesne University, and final plans were made.

Delta Epsilon Chapter of Kappa Psi Pharmaceutical Fraternity at Duquesne University was chartered at initiation ceremonies held at the Adams House in Adamsburg, Pennsylvania at 7:30 P.M. Beta Kappa Chapter, University of Pittsburgh, was the initiating chapter and did a commendable job. Following the initiation, a dinner was served in the main ballroom of the Adams House. After the fine meal and general fellowship, Brother John Atkinson, Jr., Grand Counselor, presented the charter of Delta Epsilon Chapter to Dean John S. Ruggiero of Duquesne University. Brother Atkinson also informed Delta Epsilon that the Philadelphia Graduate Chapter would soon be presenting Delta Epsilon with a plaque containing the Insignia of Kappa Psi. Dr. Gerald C. Henney, Executive Secretary, brought a welcome to Delta Epsilon from Alpha Chapter in addition to his own comments, both serious and humorous. Dean Ruggiero charged the chapter not to lose sight of the goals of the Fraternity and to always remember its aims and objectives. He commented that everyone would profit from the initiation of Kappa Psi, the second pharmacy fraternity to start on Duquesne's campus. Additional comments were made by Brother Dr. William J. Kinnard, Regent of the Pittsburgh Graduate Chapter; Dr. Bruce D. Martin, Grand Council Deputy of Delta Epsilon; Brother Jack W. Rohland, Regent of Beta Kappa Chapter at Pitt.; and Brother Joseph S. Milazzo, Regent of Delta Epsilon. Master of ceremonies was Anthony J. Amadio, graduate brother and associate advisor of Delta Epsilon.

The Pittsburgh Graduate Chapter was generous in their support, both financial and sustaining. Six brothers of Pittsburgh Graduate Chapter and ten brothers of Beta Kappa were in attendance.

The chartering members of Delta Epsilon Chapter are: Daniel H. Bender, Norman Fraley, Thomas Grande, Stephen C. Groft, Dennis Hahn, Thomas Karvey, Robert L. Kasperik, Paul L. LaBrie, Joseph S. Milazzo, Dr. Gene A. Riley, Victor L. Sabarese, Thomas Scheponik, Joseph Sciulli, Gary Sperl, Clark F. Steed, John Vacca, and Harry Weisberg.

# KANSAS CITY GRADUATE CHAPTER OFFERS ASSISTANCE TO THOSE ATTENDING GRAND COUNCIL CONVENTION

Raymond Kennett, co-convention secretary of the Kansas City Graduate Chapter, has offered to assist any brother who is planning on attending the coming Grand Council Convention next August. The following letter was sent out by the Chapter under date of April 6, 1967—

KAPPA PSI PHARMACEUTICAL FRATERNITY  
KANSAS CITY GRADUATE CHAPTER  
3923 Roanoke Road  
Kansas City, Missouri 64111

April 6th, 1967

DEAR KAPPA PSIER:

Greetings from Kansas City, host to our 34th Grand Council Convention, August 28-31, 1967.

If you have not previously visited Kansas City, you may well be in for some surprises. To give you an advance peek into our city, I've enclosed this brochure, "More to see, more to do, in Kansas City". Save the brochure, it contains a city map, and other vital information you will want while you are here in August.

The Executive Committee is going all out to make our meeting one of the best. On the program are a couple of planned surprises. One of these may be a visit from a brother in Washington, D.C. Also, you will be treated to an evening at Starlight Theatre, an outdoor theatre featuring Broadway musicals. The production that evening will be "The Sound of Music".

Do plan now to come to Kansas City for our convention. It's oh, so easy to reach Kansas City. We are the hub of the nation, with two national interstate highways bisecting our boulevards. Also some eight airline and train companies service the nation from our downtown. Do come along, there is "More to see, more to do, in Kansas City".

If I may assist you with road maps, airline or train information write me at the above address. It will be my pleasure to answer any questions.

Faternally,

RAYMOND KENNETT,  
*Co-Convention Secretary*

### **NAVY ACCEPTING APPLICATIONS FOR DIRECT MSC COMMISSIONS**

The Navy has advised the American Pharmaceutical Association that it is now accepting applications from pharmacists for direct appointments as commissioned officers in the Medical Service Corps.

This is the first notification from the Armed Services of implementation of the military pharmacy policy issued by Secretary of Defense Robert S. McNamara.

In September of last year, Secretary McNamara announced the policy for staffing military pharmacies with commissioned pharmacists and civilian graduate pharmacists, and, that in all large military pharmacies "drugs shall be dispensed by licensed pharmacists."

The number of commissioned officers required by the Navy will substantially increase the officers in the Pharmacy Section of its Medical Service Corps. There also will be a need for a number of civilian pharmacists, although these cannot be placed until after the budget is approved for the next fiscal year.

The new Navy pharmacy officers will not need to attend Officers Candidate School but will complete a four-week indoctrination course at the National Naval Medical Center, Bethesda, Maryland. If the pharmacist is appointed to a facility which does not have an experienced pharmacy officer, he will be given additional training in military pharmacy operations at Bethesda or another large Navy hospital. All indoctrination time will be counted toward satisfying the minimum active duty terms of three years for males and two years for females.

Pharmacists interested in applying for these commissions should contact their local U.S. Navy Recruiting Station or write direct to Chief, Bureau of Medicine and Surgery, Navy Department, Washington, D.C. 20390.

## Province II Assembly

By Robert C. LaPierre, *Historian*

The annual Assembly of Province II was held Saturday and Sunday, March 11th and 12th, 1967 at the Penn-Sheraton Hotel, William Penn Place, Pittsburgh, Pennsylvania. Beta Kappa Chapter of the University of Pittsburgh served as host.

Satrap Edwin T. Sugita called the first session to order in the Urban room of the Penn-Sheraton. Brother Earl Towers, Chaplain of Beta Kappa Chapter, pronounced the invocation. Brother Jack W. Rohland, outgoing Regent of Beta Kappa, extended welcoming remarks to all those in attendance on behalf of the host chapter. Brother Rohland gave a special welcome to the attending brothers of Delta Epsilon Chapter, newly founded addition to Kappa Psi Pharmaceutical Fraternity located at Duquesne University in Pittsburgh.

Following formal reports, the meeting was turned over to Brother Eric L. Nestler, outgoing Vice Regent of Beta Kappa, to serve as moderator for the formal discussions. The theme of the afternoon session was "Professionalism Through Fraternalism."

In his presentation of the topic "Definition of Professionalism," Brother Gary Hess, Regent-elect of Beta Kappa, presented views of pharmacy relating it to medicine, dentistry, and law. Two of the five main objectives which cover professionalism were cited. It was felt that the sale of extraneous items in the retail pharmacy did much to detract from the professional image and were used solely as money makers. Discount operations likewise detract from professionalism.

Presenting "Community Projects," Brother Philip Carangelo of Omega Chapter gave reasons why they rank in importance and benefit the community. Among the projects mentioned were: Supporting the Heart Fund, Volunteer hospital assignments for pledge classes, Diabetes Detection Program.

Leading the discussion of "Recruiting Programs for Future Pharmacists" was Brother Jerry Ruegnitz of Gamma Chapter. It was felt that an excellent means of recruitment is contacting high school science teachers to invite their students to the pharmacy school to observe and participate.

Presenting "The Chapter's Responsibility to the Province," Brother Richard Sloan, Regent-elect of Eta Chapter, felt that the primary responsibility and purpose of the Chapter is to nurture and produce ideal brothers for the betterment of the Fraternity. High ideals were stressed. An ideal Province is a closely knit organization whose constant objective is one of strengthening the Fraternity and its Chapters.

Other highlights of the Assembly meeting included a dinner for all in attendance at which time Brother George Haggerty, Secretary of the Pennsylvania State Board of Pharmacy, presented a talk "Future of the Community Pharmacist." An article presenting a dim future for Community Pharmacists was cited and refuted by Brother Haggerty. Services to the customer are the important consideration of the Community Pharmacists. Running the establishment in a professional manner and providing the needs of the people in your community were emphasized.

Nominations and election of officers for Province II resulted in the following:

Satrap .....	William J. Kinnard
Vice-Satrap .....	Bruce Martin
Secretary .....	John R. Sanseverino
Treasurer .....	John R. Sanseverino
Historian .....	Robert C. LaPierre
Delegate to the National Convention .....	Richard Sloan

Reminding the delegates that the next Province II Assembly will be held in the fall of 1967, hosted by Gamma Chapter, Satrap Sugita called for adjournment. A very successful Assembly meeting ended.

## Province V Assembly

By Richard Ersing, *Historian*

Delegates from all nine of the Province V chapters gathered in downtown Buffalo, New York at the Statler Hilton Hotel on March 31, for the annual Province V Assembly. Chapters represented included Xi (Ohio State University), Beta Lambda (University of Toledo), Beta Phi (University of Cincinnati), Gamma Delta (Ohio Northern University), Gamma Iota (State University of New York at Buffalo), Gamma Chi (Ferris State College), Mu Omicron Pi (Wayne State University), Buffalo Graduate and Detroit Graduate Chapters. Registration of delegates and alternates took place from 9:00 A.M. to 1:00 P.M. yielding a total of 92 attending from the Province.

The first business meeting was called to order by Satrap Chuck Seyfried (Beta Lambda). A ritualistic opening was conducted with slight modifications using the ritual for the opening of chapter meetings. The invocation was presented by Chaplain John Melonokos (Gamma Chi). Dr. Leo Fedor (Grand Council Deputy of Gamma Iota) then presented a brief welcome to those attending. Secretary-Treasurer Arthur Adams (Beta Phi) then took roll call of the delegates by chapter. The minutes of the last interim meeting held during the last week in October, 1966, in Ada, Ohio, were read by Brother Adams and approved. The revised Province V Constitution and By-laws were distributed to the delegates and officers. Chapter reports were then presented by representatives of each chapter with a question and answer period following the last report. Following this, the Co-ordinator of Graduate Activities, Frank Facione, representing Alpha Chapter, expressed the regrets of Grand Regent Glen J. Sperandio and Executive Secretary Gerald C. Henney for being unable to attend the Assembly. Brother Facione then related the past and future activities of Alpha Chapter and announced that the 35th Grand Council will be held in Buffalo in August, 1969; also informing us that Jerome Delaney had been appointed convention secretary. The meeting was recessed to the following morning at 9 A.M. A party organized by the brothers of Gamma Iota was held Friday night with a large attendance.

The second business session was opened at 9:30 A.M. April 1, by Satrap Chuck Seyfried. A ritualistic opening was conducted. The minutes from the previous session were read and approved. The Time and Place Committee recommended that the 1968 Assembly be held in Detroit on March 29 and 30 with Mu Omicron Pi and the Detroit Graduate Chapters as co-hosts. Introduction of candidates for province offices preceded elections. The newly elected officers were: Norbert Laskowski (Gamma Chi), Satrap, Kenneth Reztak (Mu Omicron Pi), Vice-Satrap, Jerome Delaney (Buffalo Graduate), Secretary-Treasurer, Richard Ersing (Gamma Iota), Historian, Richard Falck (Beta Lambda), Chaplain, and Mike Hookes (Gamma Delta), National Delegate. Several resolutions were read and passed. An interim meeting of the Province was decided to be held in Detroit during the last week of October, 1967. A recess was then called.

A banquet was held at noon, with an address following by Dr. David Burkholder. Brother Merle R. Sheets who has taken up a new position with Winthrop Laboratories, presented a farewell address to the brothers of Province

V. Brother Sheets words and spirit will be long remembered both from this and previous assemblies. After the banquet the delegates reconvened for the closing of the second session. The elected officers were installed by the Satrap Chuck Seyfried. New Satrap Laskowski appointed Beta Phi Chapter to the Legislative Committee, Gamma Chi to the Auditing Committee, and assigned Xi Chapter with the duty of producing the Province V Newsletter. The assembly was closed with proper ritual and adjourned until March 29, 1968, in Detroit.

Province V would like to give its appreciation for the hospitality extended by Gamma Iota and the Buffalo Graduate Chapter; especially to the assembly chairmen, Terry Knowlton and Jack Caraotta, for a job well done. Our thanks also goes to Brother Facione for his interest and support. We wish the best for Brother Merle Sheets in his new position and hope that he will not forget Province V.

The Assembly opened at 9:00 on Saturday morning, March 18, with a welcoming address from Satrap James Hipp. The chapters represented were Chi, Pi, Beta Psi, and the Wisconsin Graduate Chapter. After the regular business was concluded, election of officers for the next two years took place. Those elected were: Satrap—Andrew J. Robinson, Beta Psi; Vice-Satrap—Dennis Mock, Pi; Secretary-Treasurer—Patrick Adas, Beta Psi; and Historian—Charles Owens, Chi. The newly elected officers were installed by Grand Ritualist, Richard M. Doughty. ## FIRST GRAND VICE REGENT VISITS SOUTHERN CHAPTERS

During the week of March 20-24, 1967 the First Grand Vice Regent had the opportunity to travel to the southland. On Monday afternoon and evening a meeting and dinner with the officers, members, and G.C.D. Dr. Carl Johnson was shared with Gamma Sigma Chapter. Later in the evening a meeting of the faculty advisor and the officers was held in the motel. Tuesday morning and part of the afternoon was spent in a session with Dean Perry A. Foote and several facultate members of Gamma Sigma, a tour of the hospital pharmacy, the pharmacy section of the J. Hillis Miller Health Center and after luncheon, a tour of the campus. Several of the brothers drove us up from Gainesville, to the Jacksonville airport. Tuesday evening, after a flight up from Jacksonville, a good-sized delegation from Gamma Psi Chapter met the writer at the airport and we had dinner at the Air Host Inn nearby. Grand Council Deputy Charles Boyles and faculty member Dr. Lazaris were at the dinner and several others dropped by to welcome us.

On Wednesday a visit to the school (Mercer Univ., Southern College of Pharmacy) included an interview with Dean Oliver Littlejohn, several of the facultate members—including G.C.D. Boyles, and a meeting with the officers of Gamma Psi. After lunch the writer made a report to the members following which several of the brothers drove us out to see the proposed site of the new buidling which Mercer University is in hopes of obtaining in the near future for the School of Pharmacy. During this visit we were happy to learn that Dr. Bernard Keller, a newly arrived member of the faculty, is to serve as co-faculty advisor to Gamma Psi Chapter along with Brother Boyles. On Thursday, a short drive from Atlanta brought the First Grand Vice Regent to Athens, Ga. where the day was spent visiting Gamma Phi Chapter. During the morning we had an interview with Dean Kenneth Waters and chatted with G.C.D. Dr. Durward Entrekin and several others of the facultate members. A morning meeting was held at the chapter house with the officers of Gamma Phi.

After luncheon in the new cafeteria serving a unit of Towers Dorms, we returned to the chapter house for a meeting with the members. Following a tour of the University of Georgia Campus, we returned to Atlanta.

All three chapters were found to be in a good state of health. Each chapter does have its own special problems none of which, however, are insurmountable.

Visitations such as these never seem to fail to testify to the fine calibre of young men constituting our chapters and to the dedicated faculty members who give of their time to advise and council the chapters. Furthermore they serve to fortify one's confidence in and give assurance of the viability of Kappa Psi Pharmaceutical Fraternity.

### GAMMA—COLUMBIA UNIVERSITY

Greetings to all members of Kappa Psi from the brothers of Gamma Chapter.

We here at Columbia have had a busy year thus far and all indications are that this will continue till the end of the year. Right after we held induction for those who pledged in the fall term we began spring pledging. Their pledge period was recently completed and we had a final pledge night at Brother Nicholas Riccio's home in Rocky Point, Long Island on April 1. We had a total of five new brothers from both pledge classes. They are: James Di-Giacinto, Michael Flora, Stanley Goldblatt, Gerry Sliger, and Charles Spero.

Grand Historian Norman Campbell honored us with a visit in February. During the afternoon he met the brothers and some of the faculty members. We discussed some of the problems we had and Brother Campbell tried to advise us on action to take.

On April 14 we will hold the drawing of our biannual raffle. So far under the leadership of Brother William Ciamarra it has been a tremendous success, and we expect to be an even bigger success as time of the drawing comes near.

On Thursday, March 30 we held elections. The new officers will take charge beginning April 13. The officers elect are: Regent, Thomas

Pernetti; Vice Regent, Charles Cancro; Corresponding Secretary, Nicholas Riccio; Treasurer, Dominick Tuminaro; Recording Secretary, John Chiesa; Historian, Glen Hom; Chaplain, Dennis Blondo; an Sergeant-at-Arms, Joseph Franko. Appointed to the office of I. F. C. as a representative was Gerry Sliger.

At this time we would like to congratulate our graduating seniors Jerry Ruegnitz, Phil Monaco, and Ihor Taratucky.

Since the new officers take over April 13, this will be my last Newsletter. I would like to say it has been a pleasure to serve as Historian of Gamma Chapter this past year.

Fraternally yours,  
DOMINICK TUMINARO, *Historian*

### EPSILON—UNIVERSITY OF MINNESOTA

From Epsilon Chapter, best wishes to all Kappa Psi brothers everywhere.

Minnesota's chapter can now look back on winter quarter. Fortunately, we can say that the cold weather didn't cool off our activities. Winter quarter began with a rushing smoker which produced good representation of active members and prospective pledges. The pledge program progressed through the quarter with Pledge-master Joseph Kostick leading the way.

The main social event of the quarter was, of course, the Valentine Party which was held at a

noted Minneapolis hotel. Sweethearts galore attended, making it a very memorable evening.

Work on *Pharmacopa*, the College of Pharmacy Annual, has continued in full swing. Co-chairmen Brandt Merrild and Gary Raines have begun their final steps in preparation of this annual. It looks like it will be the best one yet.

Several brothers attended the University of Minnesota drug trip over vacation, on which Abbott Laboratories, the Upjohn Company, and Eli Lilly and Company were visited. The tours were found to be very interesting and informative.

Spring quarter began with thoughts towards the Spring Formal and, of course, election of officers.

In closing, we at Epsilon Chapter hope that all of our Kappa Psi brothers had a happy Easter season and wish you all the best until we meet again.

Fraternally yours,  
ROBERT LIVON, *Historian*

### ETA—PHILADELPHIA COLLEGE OF PHARMACY & SCIENCE

A fraternal hello is extended to our Kappa Psi brothers from Eta Chapter. Our membership survived an early infection of spring fever and successfully completed another school term.

MISS ALICE SECTISH  
*Eta Chapter's Sweetheart of 1967*

It was a busy and eventful winter and there are a number of items to report. Foremost among them is the election of new officers. Those chosen were: Richard W. Sloan, Regent; Williard A. Stephens, Vice Regent; Secretary, James P. Wilson; Treasurer, David W. Adams; Historian, Michael P. Salmon; Corresponding Secretary, S. Roger Wetherill; Chaplain, Bosco

C. K. Lee; Grand Council Deputy, Dr. Edwin T. Sugita. Speaking in behalf of our chapter I wish to thank the outgoing officers for a job well done.

Our sweetheart for 1967 is Miss Alice Sectish. Alice hails from Orwigsburg, Pa. but don't let that fool you. Besides such little things as Dorm Council President, Vice-President of Lambda Kappa Sigma, our sister sorority, and owner of a 94.0, that's right 94.0, scholastic average, she currently reigns as Queen of P.C.P. & S. as Eta Chapter's representative. Somehow Alice slipped away from our brothers and her activities long enough to be pinned by our Regent.

Eta Chapter joined our brothers from Temple University, Rutgers, and Columbia at the recent Province II Assembly, March 11-12. Also attending was the newly initiated chapter of Duquesne University, who we wish to congratulate and welcome to the fold. We are proud to announce that our Regent, Dick Sloan, was chosen as the Province representative to the Grand Council Convention and Bob La Pierre, our previous Regent, was appointed the Province Historian. Many thanks to the brothers of Beta Kappa Chapter, the University of Pittsburgh, who hosted the proceedings.

Our pledge program was completed successfully and our pledgemaster, Harold Franceschi, deserves a vote of thanks for his hard work. As I write this article nine men are currently being indoctrinated in the principles expected of a K Ψ member and we feel they are capable of surmounting the hardships of the instruction routine and will go on to develop their potential as solid additions to our chapter once initiated.

The traditional activities of the chapter which annually mark the spring calendar were the usual successes, with all attending well impressed. The Parent's Day Banquet was held in our College's Whitecar Hall. Speeches were given by Regents Sloan and La Pierre concerning Eta Chapter of the past and present. Following the meal the brothers hosted mom and dad at the Fraternity House, featuring a newly redecorated and furnished Chapter Room and the always welcome open bar. Brother Gary Burgard made the arrangements for this affair and he did a fine job.

The renown Alumni Banquet was held on Sunday, May 7, with Brother Bosco Lee handling the details. This year the site was the Sheraton Hotel in downtown Philadelphia, after which brothers young and old relaxed back at the House to tell lies and reminisce.

The Spring Weekend followed and the results were customary—WHAT A BLAST! The brothers needed a week of parties just preparing for it. The Friday Nite Party theme was "Sun and Surf"—would you believe "Moon and Moonshine"? Our House is traditionally converted into a revised edition of Waikiki Beach with the brothers and their dates doing the "swimming." Exotic drinks and wild music were the accompaniment. The Saturday Night Formal Dinner Dance was held at the Drexelbrook Country Club in Drexel Hill, Pa. The treat was Roast Sirloin of Beef—Mushroom Sauce Bordelaise, followed by music and merriment. Everyone recovered on Sunday at the picnic held on the grounds of Dr. and Mrs. John Coughlin.

The Weekend was not entirely fun and frolic. In a serious vein the brothers officially thanked Dr. James T. Doluisio and Dr. & Mrs. Coughlin

for their unselfish participation in our chapter and their help in making the festivities such a wonderful time. Dr. Doluisio was cited with the Official Certificate of Appreciation as were the Coughlins. The former was our previous Grand Council Deputy and soon will depart for Kentucky University. The Formal on Saturday was in his honor. The parents of a graduate brother of '66, Dr. and Mrs. C. offered to once again host the brothers on their beautiful grounds.

Congratulations to our graduating brothers: Richard P. DiLiberto, Dominick J. D'Orazio, Salvatore D. La Verde, John W. Ormsby, Frank R. Radzai, Harold E. Richey, I. Wilmer Steele, James J. Sturgeon, and John J. Zark.

Before signing off I would like to thank my predecessor, Will Stephens, for his fine work in representing the chapter, and state that I hope to do as well. I am currently corresponding with the President of the Apothecary Club of Maryland University, which desires to reactivate and represent the K Ψ Chapter there and I hope to soon contact many of my fellow Historians to discuss ways in which our chapters might develop closer relations.

Eta Chapter extends best wishes to all for an enjoyable summer and invites you to visit us. The doors on Spruce St. never lock out a fraternal brother.

Fraternally yours,  
MICHAEL P. SALMON, *Historian*

#### MU—MASSACHUSETTS COLLEGE OF PHARMACY

The brothers of MU would like to extend their most sincere greetings to all of the brothers of Kappa Psi.

On February 10 and 11 we were privileged and honored to be visited by Grand Regent Glen J. Sperandio. For many of us this was the first time we met a Grand Regent but I certainly hope not the last time. Probably the most beneficial aspect of Brother Sperandio's visit to us was his personal explanation of the activities of the Central Office as they are correlated with ours. Then on February 11, Brother Sperandio attended The Kappa Psi Night and had an excellent opportunity to meet many of the brothers of the Boston Graduate Chapter.

April 1, 1967 we held our Annual Smoker at Valle's Steak House in Braintree, Massachusetts. Most of the undergraduate brothers were present in addition to many graduates. Guests were present from other chapters including Gamma Lambda from Northeastern University, NU from University of Connecticut and Beta Epsilon from the University of Rhode Island. On this evening awards were given out and scholarships were presented. Anthony Colangelo was awarded Edmund J. Berube Memorial Scholarship; Thomas Sullivan the Ray S. Kelley Memorial Scholarship; Steven Gove the Douglas Wilson Memorial Scholarship; John McCook the Paul G. Fitzpatrick Memorial Scholarship; Robert DiRubio the Eldin V. Lynn Memorial Scholarship; and Paul Taylor was the recipient of the first Heber W. Youngken Sr. Memorial Scholarship.

Professor Norman A. Campbell presented Kappa Psi Scholarship awards to five Mu Chapter brothers in recognition of their scholastic achievement. They were Robert DiRubio, Ronald DeBellis, Edwin Greene, John McCook, and Peter Smith.

Special recognition awards were also made to two faculty brothers who have been in Kappa Psi for over forty years. They are Professors Maynard W. Quimby and Joseph H. Goodness.

The officers were also presented with plaques in appreciation for the fine work they have done this year.

Twenty-six newly initiated brothers were present to receive their membership certificates. They are Richard Poussard, David Derzius, Stephen Whiteacre, Bruce Lattinville, Louis Dell'Olio, John Kenney, Richard Murray, Robert DeChristoforo, Paul McGrath, James Ferris, Vitas Marzinkevicius, Raymond Witowski, Charles Sears, Carter O'Neil, Gerard McNaught, James Boemels, Robert Zaleski, Ernest Miller, Andrew Mastrobattista, Roger Parent, Michael Dudzik, Robert Balsis, Daniel Newberg, Peter Savello, Dennis Sullivan, and David Grenier.

On April 29, The Annual Spring Formal will be held at the Chestnut Hill Country Club. Plans for this affair are almost complete and it promises to be the highlight of Mu Chapter's social season.

Finally, I should like to take this opportunity to thank the brothers of Mu for allowing me to make this small contribution during my collegiate career to Kappa Psi. Best of Luck to all brothers in Kappa Psi.

Fraternally yours,  
GERARD BOUCHARD

#### NU—UNIVERSITY OF CONNECTICUT

The brothers of Nu Chapter extend fraternal greetings to Kappa Psi men everywhere, and hearty congratulations to those Kappa Psi men who will graduate this June.

Winter Weekend at the University of Connecticut, with Brother Ron Kuligowski as Display Chairman for the weekend, was held in late February. Things got rolling at Friday night's champagne party. The champagne flowed freely and was effective in warming everyone up for a cold Winter Weekend. Those especially in need of warmth were the stout brothers and pledges who withstood the intense cold through the long night putting the finishing touches on the snow sculpture. Their efforts were not in vain however, as Nu Chapter placed third in the men's division, and won another trophy for the house.

A few weeks later the University of Connecticut School of Pharmacy was host to the Student Chapter's A.Ph.A. convention. Nu Chapter was instrumental in making the convention successful. The brothers provided assistance to Walter R. Williams, First Grand Vice Regent, who was in charge of the convention. Congratulations are in order to Brother Bill Gousse who was recently elected president of the Student Chapter of the A.Ph.A. here at the Connecticut campus.

A few weeks ago, in March, approximately 25 brothers and their dates attended the Connecticut Graduate Chapter banquet. A choice was given between three excellent dinners. Everyone enjoyed an evening of dancing after dinner.

In the second week of February, just after our semester break, elections were held here at Nu. Those newly elected officers are: Bruce Daniels, Regent; Bill Gousse, Vice Regent; Bob DeStefano, Corresponding Secretary; John Verhulst, Recording Secretary; Jack Anderson, Treasurer; Andy Allegretti, Historian; John

Valukas, Chaplain; and Dr. Karl A. Neiforth, Grand Council Deputy.

Since the last edition of THE MASK we have initiated fourteen new brothers. They are: Bert Audia, Rich Bragdon, Rick Cieri, Rich Ramonas, Denny Soucy, Jim Sok, Pete Piwarzyk, Rick Todzia, Rick Olson, Andy Savino, Andy Iacurci, Denny DeMartino, Ed Cogan, and Bill McCormack.

Recently pinned at Nu was Brother Joe Cerreto of Williamantic, to Dianne Bucciarelli of New Canaan, Connecticut.

Again this year, Nu was very active in the intramural program here at the University of Connecticut. Intramural Chairman Lenny Zgorzki provided much of the push and enthusiasm needed to generate interest in the program. Point totals of two weeks ago had Nu Chapter ahead of all other fraternities on campus. An excellent showing was made recently in the indoor track meet by the "Kappa Psi Stridders." The "Stridders" include Brothers Ron Zydlo, Paul LaChance, Andy Allegretti, Jay Kosciusko, and Rich Bragdon.

This year, the annual Sweetheart Formal will be held in conjunction with Spring Weekend. All brothers at Nu are anxiously anticipating the event which will be held the weekend of May 5, in Peekskill, N.Y. Other things on our immediate agenda include the finishing plans for a new lounge. At this time we would like to gratefully thank all the members of the Connecticut Graduate Chapter for their assistance with us so far. We are looking forward to having the new lounge ready for the fall semester. Things we are planning for in the near future include: preparations for the University Greek Week; our float and fund raising activities for the Connecticut Community Chest, a charity drive; and our annual summer picnic.

We would like to congratulate the graduating seniors from our chapter. They are: Al Hale, Dave Moore, Fred Tieman, Ron Kuligowski, Vin Zito, Dave Page, Dave Bartku, Denny Schultz, Henry Cormier, George Pollio, Joe Cranston, and Phil Nangle. Their leadership in promoting brotherhood and service to the University will not soon be forgotten.

In closing the brothers of Nu Chapter extend our wishes to Kappa Psi men everywhere for an enjoyable and prosperous summer.

Fraternally yours,  
ANDY ALLEGRETTI, *Historian*

## XI—OHIO STATE UNIVERSITY

Greetings to all our brothers in Kappa Psi from XI Chapter at Ohio State University. Some of our new actives were given a chance to participate in the chapter's professional and educational programs as a movie was shown to the pre-pharmacy students at Ohio State. The movie depicted certain interpersonal relationships between the patient and pharmacist and should prove invaluable to those students who might be starting their internship this summer. Refreshments were served afterward and following this Brother Ron Coberly escorted some prospective pledges to the C&G for further refreshments.

We are looking forward to our annual spring dance which is to be held April 29th at the Ridgeview Country Club. Alumni and their

wives are invited and we hope that they will make it a red letter day on their calendars.

Brothers Ron Coberly, Tony Yohman, Dave Siddle and Jim Munson attended the Province V meeting in Buffalo and as a result our brothers have accepted the publishing of the Newsletter for Province V.

In order to make our meetings more professional the brothers have decided that we would each take turns preparing a short talk on some new drug or explain the use of one of the more uncommon articles sold by the retail pharmacist.

Our baseball team, piloted by brother Bob Flowers, is out to better its mark this year and from all appearances it looks as though our chances are excellent.

Brother Tony Yohman has been working with this quarter's pledge class which consists of Bob Flowers, Gary Chadwick, Earl Williams, and Richard Petrilla.

Well, graduation is approaching for a number of our brothers. Our graduating seniors this quarter are Larry Addington, Bill Cochran, Bob Fadden, Tom Gasser, Tom Klosterman, Bob Mathia, Jim Munson, Doug Rollins, Dan Snavely, Vince Stevens, Dave Stoltz, and Bob Stout. The space which we are allotted in THE MASK would not be enough to even begin describing the activities of our seniors. In the past three years they have added much to our chapter both professionally and socially and we hope that the entering sophomores and new actives will seek to maintain this precedent.

Fraternally yours,  
DICK PETRILLA, *Historian*

## PI—PURDUE UNIVERSITY

Greetings to all brothers of Kappa Psi. We have just returned from spring vacation and are now working on the better half of the second semester.

Dean Varro Tyler of Purdue's School of Pharmacy spoke to the brothers of Pi Chapter on February 14. The title of his interesting talk, accompanied by slides of Germany and Russia which he took during his study there, was "Science In Life Behind the Iron Curtain." Nominations for new officers of the chapter were also taken at this meeting. The election of officers for the 1967-68 school year was held on March 14. The results were the following: Larry Roberts, Regent; Edward Spartz, Vice Regent; George Wood, Secretary; Robert Blake, Treasurer; Robert Kudnowski, Corresponding Secretary; Michael Ayres, Social Chairman; Robert Wilson, Pledge Trainer; Robert Wittgen, Historian; Richard Christiansen and Richard Romine, Athletic Chairmen; Paul Kehr, Chaplain; and Steve Soseneimer, Sergeant-at-Arms. These officers were installed on April 4.

Plans are in full swing for Pi Chapter's annual Sweetheart Dance to be held on May 12 at the Holiday Inn. Dancing and Dinner will be accompanied by the presentation of several awards and the naming of Pi Chapter's Sweetheart.

The brothers and I here at Purdue wish to express our best wishes for a successful completion of the school year to all brothers of Kappa Psi.

Fraternally,  
ROBERT WITTGEN, *Historian*

UPSILON BROTHERS SPONSOR  
"CAREERS DAY"

#### UPSILON—UNIVERSITY OF KENTUCKY

Greetings to all brothers of Kappa Psi from the Upsilon Chapter.

As the new Historian, I hope to bring you all the news of Upsilon in the coming year.

We have had our elections for '67-'68, and our new officers are as follows: Regent—Lynn Likins; Vice Regent—Joe McMichael; Secretary—Jerry Sanders; Treasurer—Richard Shields; Historian—Robert Bishop; G.C.D.—Dr. N. Billups.

I know all of you join me in congratulations to our new officers and continued success.

On March 28, 1967, the annual initiation banquet of Rho Chi Honor Society was held at Spindletop. Most of the faculty was present to greet the new members, as well as George Grider, President of the APhA. We were also honored to have Dean Joseph Swintosky address the group. Robert Bishop represented our chapter by being initiated.

As most of your know, the interim meeting of Province VII was cancelled due to *very* poor response from the chapters. However, being the industrious chapter that we are, we turned the failure into a success by converting the Friday night affair planned for the delegates into a "blow out." The contracts for the band and hall were already signed, and we were unable to break them. We advertised on several radio stations and on campus, and threw it open to the public as a Kappa Psi "blow out." Each active was responsible for selling a certain number of tickets. As twilight came on April 7, 1967, the band stood poised, the "go-go girl" was ready, the mixers were chilled, and the actives kneeled praying. Then the people came—big ones, small ones, fat ones, tall ones, and the actives jumped for joy!!! It definitely was a "blow out," and a good time was had by all.

On April 1, 1967, Careers Day came again to the University of Kentucky, sponsored by Upsilon. Over 100 people attended. In the morning, addresses were given by the various professors to the group. After a lunch of chicken, tours were conducted throughout the building with actives as guides. Then the explanations of the curriculum by the departmental heads was given. Inspiring talks were given by Robert Barnett, Mr. William Johnson, Mr. R. Doughty, and Dr. C. Lesshaft.

After refreshments were served, everyone parted for home. Hearing comments from some of the pre-pharmacy students, we can be proud of

a very informative program and a definite help in in-coming students. Our thanks and appreciation go to the faculty, the Ring of Hygeia, the actives of Upsilon, and in particular, to Richard Shields.

Projecting our thoughts now, I look for a good showing from Upsilon in August at the National Convention, and hope to see all of you there.

Fraternally yours,  
ROBERT BISHOP, *Historian*

#### PSI—UNIVERSITY OF TENNESSEE

Greetings from Psi Chapter to its brothers of Kappa Psi. We hope all individual brothers, as well as chapters, are enjoying a good spring. Psi Chapter on April 6, 1967 had it's spring quarter initiation for 33 pledges. They are James D. Helton, David E. Newton, Wilbur H. Botts, Jr., Tommy Bryant, Robert L. Clark, Bill Craig, R. Mike Dougan, James Eoff III, Thomas Gildersleeve, Charles Kay, Ronald B. Lewis, Robert L. McLean, Steven G. Medley, Joe Wesley Morgan, Steve Nichols, Robert H. Moore III, Harold H. Nobles, O. J. Nunn, Jr., Joseph O'Neal, James L. Palmer, Robert T. Phelan, William J. Puryear, Eugene B. Smith, Jr., E. Clayborn Smith, David K. Solomon, Kenneth G. Souder, Benjamin M. Talley, Jr., James B. Taylor, Perry Turner, Jr., Albert Jerry Weaver, Larry Weinberg, Ken Williams, and C. A. Wood, Jr.

The final part of the sports program is here. Softball, badminton, and a track meet are the only events left. At the time of this writing, Kappa Psi is in 3rd place. We are only 80 points from the lead. We have a good softball team; and with the track meet, we have an excellent chance to win the sports crown.

Many brothers, that are alumni, may not understand why we are interested so much in sports. I would like to restate that the sports crown is for the entire medical units. We like to see Kappa Psi at the top in everything. This is a big feather in our hat as far as prestige is concerned. We are proud of Kappa Psi and try to advance it in every possible way.

Later this quarter, Kappa Psi is going to sponsor a new event for the U.T. calendar. We hope to make this an annual event. We call it "an all-pharmacy day." Kappa Psi has invited all people, who have a transcript on file applying for admission, to visit the U.T. campus on May 13, 1967. The purpose is to show these people the facilities at U.T. and explain several things that they may be unsure of. Official entrance requirement, draft classification, possible living quarters, and like details will be explained. A tour of the campus is planned. Several qualified men will speak to these people explaining specific topics that they are particularly involved with.

On May 5, 1967, the annual All-Pharmacy Party will be held. The awards will be presented to the outstanding seniors. A dance will be held later in the evening.

In conclusion, Psi Chapter continues to strive to advance Kappa Psi. I'm sure this is the mission of all chapters. Let's all work for the Fraternity.

Fraternally yours,  
ED BARRON, *Historian*

#### OMEGA'S SWEETHEART—1967

Miss Michele Zoccolillo with her escort  
Brother Anthony Graziano.

#### OMEGA—RUTGERS UNIVERSITY

Greetings are extended from the brothers at Omega Chapter to the men of Kappa Psi everywhere. The second semester, as the first, has been fruitful in many ways.

Politically, Omega Chapter is looking forward to a sweep of class officers in the upcoming student council elections. In addition Paul Michalski has been reelected treasurer of the student chapter of the APhA.

Socially, the Annual Sweetheart Swing proved to be the social event of the semester and the most successful. Over \$200 was raised for the Heart Fund and much credit should be given to Brothers Ron Iannacone and Tony Tortoriello. This year's pledge party was held at Joyce's Tavern where the pledges "entertained" the brothers with skits and fun and games.

Athletically, Omega Chapter came in second place in basketball competition and captain Howie Markowitz was voted to the All-Star team. Softball season has begun and we are off to a winning start and under captain Phil Marziale we are assured a first place finish.

During the second semester, we were honored with a visit from Grand Historian Norman Campbell. The meeting Brother Campbell had with us was both interesting and informative, and we have benefited greatly from his visit.

On March 11 and 12, Regent Stan Kalemba and Historian Phil Carangelo attended the Province 11 Assembly in Pittsburgh. There we learned many additional points of information which we could apply to help our chapter. The brothers of Omega Chapter wish to thank the brothers of Beta Kappa for their hospitality.

The brothers at Rutgers College of Pharmacy wish to extend sincerest best wishes to graduating Kappa Psi men everywhere.

Fraternally yours,  
PHIL CARANGELO, *Historian*

#### BETA DELTA—ALBANY COLLEGE OF PHARMACY

Spring greetings to all from Beta Delta. Activities here are resuming from the slight lag brought on by the holidays and exams.

On February 22, 1967 the brothers of Beta Delta congregated at the Sheraton Inn Towne to pay tribute to one of our most esteemed alumnæ. This man has had a long and rewarding career in several of the aspects of the profession of pharmacy. Probably paramount in most of our minds was his career in pharmacy education. This man was our retiring dean, Brother Dr. Francis J. O'Brien.

Regent North served in his inimitable fashion as toastmaster. With a liberal sprinkling of his dialect stories, Brother North kept the evening rolling in the usual tradition. The main speaker of the evening was Brother Rudolph DelGiaco, Medical Director of Saint Peter's Hospital. He enlightened us on several points of great interest to the brothers which Dean O'Brien's modesty would not have permitted him to point out. The dean was then presented with a token of our appreciation by Regent North consisting of a portable typewriter with the pharmacy symbols on the keyboard. Then Brother R. V. DeNuzzo made the presentation of the Albany Graduate Chapter. This was a scholarship in the name of Dr. Francis J. O'Brien and, at the time of presentation was in excess of \$1300. This is expected to become much larger with time.

Brother Lauren Hamner then presented a certificate of appreciation to Miss Katherine Glavin for her many years of service to the college as Registrar. A gift was also presented from the Graduate Chapter.

Although we are very much saddened at his decision to leave the college we trust that he will remain an active driving force in Pharmacy for the ideals which his actions have always exemplified to us. We certainly wish him the best in health and happiness in his retirement years.

As for other activities here, we are presently pledging two third year men, Ron Ciani and Dave Knights. The odds aren't too favorable in the eyes of the pledges, where numbers are concerned anyway, but the brothers seem to be taking this into account.

Our next event of the year is quickly approaching. This is probably our biggest social function, The Sweetheart Weekend. Under the able direction of Brother Reeder Gates the committee has set the date for April 21 and 22. The Friday night festivities to be held at Panetta's from 9 to 1 and the Saturday Nite formal dinner dance at The Jamaica Inn. The orchestra for Saturday will be Johnnie Costa, and the high point of the evening will be the crowning of the new sweetheart and the selection of her court.

As elections have not yet taken place there are no changes of officers but these will be included in the next issue. Wishing all the brothers the best regards.

Fraternally I remain,  
WILLIAM C. WILLSON, *Historian*

**BETA ZETA—OREGON STATE UNIVERSITY**

The arrival of spring and beginning of a new term finds the brothers of Beta Zeta very busy in planning and working on coming activities.

The first event on the calendar is the spring Blood Drive which the brothers sponsor and assist in running. It will be held April 17, 18, & 19. We hope it will be as successful as the fall drive which collected over 100 pints.

The Apothecary Ball, a Beta Zeta sponsored all-school semi-formal dance, will be held April 22 at the Swept Wing Motel & Lounge in Albany. Nearby alumni brothers have been invited and a fine selection of door prizes have been generously donated by manufacturers and local pharmacies. Help with refreshments has been donated by Tranquilizers, a pharmacy student wives' organization, and all indications are that the dance will be successful.

The Cancer Crusade contacted Beta Zeta and asked the brothers for aid in the coming Cancer Drive some evening in the first week of May. All brothers unanimously felt that this is a very good opportunity to show professional interest and promote the image of Kappa Psi and we will help all we can.

We have accepted an invitation from the Portland Graduate Chapter and will attend a joint meeting in Portland on April 26. This occasion will also be used for the installation of new officers recently elected for the '67-'68 year. New officers are: Regent, John TenPas; Vice Regent, Hans Wiik; Secretary, Bill Frenzel; Treasurer, Leonard Leis; Historian, Jim Bailey; Chaplain, John Garvey, and Dr. Richard Johnson was retained as Grand Council Deputy by a 100% vote of the brothers.

Several brothers achieved outstanding grades this winter term. Those with a 4.0 were Brothers Leis, TenPas, Wiik, Williams, and Mecklem. Those with a 3.5 or better were Brothers Frenzel, Campbell, Gayton, Hildebrand, and Horiuchi.

The Beta Zeta basketball team was undefeated in regular intramural play but lost in the playoffs for the championship.

Late this term the annual Pharmacy Picnic will be held which is the final social event for pharmacy students and brothers of Beta Zeta.

This year's chapter officers were unanimously commended at the last meeting for the fine job they did in working to keep Beta Zeta Chapter functioning smoothly and efficiently this past year.

In closing, the brothers of Beta Zeta wish to extend their good wishes for a fine spring and summer to all brothers of Kappa Psi and to the graduating brothers the best of luck in your careers.

Fraternally yours,  
JIM BAILEY, *Historian*

**BETA KAPPA—UNIVERSITY OF PITTSBURGH**

The brothers of Beta Kappa extend greetings to all brothers of Kappa Psi and wish you the very best of luck for your upcoming final exams.

We have busied ourselves with varied projects this year, such as presenting bi-weekly programs on drug safety to the pharmacy student body, helping Allegheny County in their "Stop Measles" clinic, sending five brothers to the A.Ph.A. convention in Washington, D.C., and

presently Brothers Louis Williams and John McMillen are planning on attending the Kappa Psi National Convention in Kansas City this August.

Our annual spaghetti dinner, which is a means for our graduate members to get together for the first meeting of their calendar year, was a big success due to the planning of Brother Tony Civello and the fine cooking of Brother Dave Butler.

Beta Kappa had the honor of hosting the Province II Assembly in March of this year. Our graduate chapter Regent, Dr. William Kinard, was elected Satrap for the coming year.

In closing, Beta Kappa would like to acknowledge its graduating brothers: Louis Williams, Tom Degentesh, Mike Wetzel, Nick Bassar, Eric Nestler (past Vice Regent), and Jack Rohland (past Regent). We, of Beta Kappa thank these men for a job well done and look forward to another fine year under our new Regent, Brother Gary Hess.

Fraternally yours,  
BOB ALLISON, *Historian*

**BETA LAMBDA—UNIVERSITY OF TOLEDO**

The brothers of Beta Lambda wish all a very pleasant spring. The year is quickly coming to an end and June will see the departure of five graduating brothers. They are Bill Bonser, Phil Kamlowsky, Jerry Kuron, Chuck Seyfried, and Bill Urfer. All have admirably served the chapter and we extend congratulations and the best of luck to these five Kappa Psi men.

The election of officers for Beta Lambda was held in February. The newly elected officers are: Regent, Russ Cronin; Vice Regent, Jim Mackiewicz; Secretary, Frank Letke; Treasurer, Joe Smolinski; Chaplain, Bill Sutts; and Historian, Jack Wilhelm. Hopes are high that the coming year under the new officers will be as outstanding as the previous one.

The brothers of Beta Lambda wish to thank the men of Gamma Iota for the fine program and activities presented at the Province V Assembly recently held in Buffalo, March 31-April 1. Eleven brothers were able to attend. The eleven members were: Joe Smolinski, Jim Mackiewicz, Bob Urfer, Tim Dowling, Russ Cronin, Jack Wilhelm, Bill Sutts, Chuck Seyfried, Phil Kamlowsky, Tom Iserman, and Rich Falck. Congratulations to Beta Lambda's own Chuck Seyfried who did a fine job presiding over the convention as Satrap and to Brother Rich Falck who was elected Chaplain of the province.

One of the highlights of the semester here at Toledo was the presentation by the Beta Lambda brothers of a bulletin board to the school of pharmacy. This is no ordinary bulletin board. It is four feet high at the ends and rises to nearly six feet in the center while the length is eight feet. The board is topped by a colonial arch. The bulletin board proper is green cork and is enclosed by sliding glass doors which can be locked. The key is kept by the dean's secretary but the board is available for use by anyone in the college. The board is built of heavy grain wood and has a medium stain. It is very prominent at the entrance to the College of Pharmacy wing for due to its large size and nine inch high white lettering it can be seen down the hall's entire length. We all want to thank Brother Russ Cronin who did a fine job

in negotiating its construction which took three weeks to build.

On the social side a party, under the direction of social chairman Bob Urfer, was held on February 25 at the Vern McCune Post. At the party there was dancing to a live band and everyone had a great time. The annual dinner-dance under the direction of Jim Mackiewicz will be held for the 1967 graduating seniors at Sunningdale Country Club, May 13. At the end of the semester the annual Alumni Stag under the guidance of Brother Tom Iserman will be held at the NYC Sportsman Club.

In closing, the brothers of Beta Lambda Chapter and I wish the brothers success on their finals, and would also like to extend our best wishes to all the men of Kappa Psi for an enjoyable and prosperous summer.

Fraternally yours,  
JACK WILHELM, *Historian*

### BETA XI—THE UNIVERSITY OF NORTH CAROLINA

Beta Xi would like to extend wishes for a successful spring semester to all Kappa Psi chapters.

On February 5, Beta Xi initiated in to the Fraternity, George Albright, Mike Clinard, Joey Edwards, Bill Harrison, Tom Leonard, and Clarence Murchison. These new brothers were the nucleus of last fall's pledge class, one of the finest the chapter has ever had.

Following the final initiation ceremonies, the annual elections were held. The new officers are as follows: Charles Rhoden, Regent; Fred Rachide, Vice Regent; Chris Lehman, Secretary; Al Simmons, Social Chairman; Mike Clinard, Intramural Manager; Bob Inman, Pledgemaster; and Clarence Murchison, House Manager. Hilton Barrett, Mike Harper, and Tim Kroboth were re-elected to their positions of Chaplain, Historian, and Treasurer, in that order. Mary Jane Egbert of Greensboro, N.C. was chosen as the new Beta Xi Sweetheart for 1967.

Following Spring Rush, on February 9, we pledged Greg Brooks from Siler City, Frank Burton from Reidsville, Sam Hauser from Fayetteville, Tom Owens from Whiteville, Bill Pittman from Lewiston, and Ron White from Cove City. Usually the spring semester pledge class does not possess the spirit of the pledge class of the fall, but this year's spring pledge class promises to be one of the best we have had. So in all, that makes two fine pledge classes in one year.

Beta Xi's annual Pledge Weekend was held March 17 and 18. A formal banquet, presentation of awards, and dance were held at the Holiday Inn in Durham, N.C. on Friday. The cocktail party held the following Saturday afternoon at the house was highlighted by the folk-singing of Brother Al Simmons, Brother Clarence Murchison, Tom Oakley, and Frank Burton. That evening, a combo party was held at the American Legion Hut in Chapel Hill, N.C. Of the awards presented on Friday night, Brother Jack Morgan received the Past Regent's Award. Brother James Hall received the chapter's Athletic Award for the senior contributing the most to intramural sports. He also accepted the Reginal Conway Ferrell Award, honoring the senior who has done the most for the chapter. In addition, he was recognized as the senior with the highest overall scholastic average.

Brother Mark Williams was presented the Achievement Award for the most outstanding senior. The Beta Xi Walter Jones Award was presented to Brother Charles Rhoden as being the non-senior who has contributed the most to the chapter. Brother George Albright received the Best Pledge Award and the award for the pledge with the highest scholastic average. The Osler Chi Scholarship for the chapter member involved with the actual mechanics and running of the house, etc., sponsored by the Beta Xi class of 1966, was presented by Brothers Neill Musselwhite and Jim Matthews to Clarence Lynn "Buck" Murchison.

Both of the chapter's intramural basketball teams with records of 5-0 and 3-2 made the U.N.C. intramural basketball tournament but were both eliminated in the first round in very close games.

Last year, Beta Xi hosted the Province III Assembly here in Chapel Hill. This year, we look forward to the convention to be held in Richmond, Virginia the weekend of April 15. Concurrent with the Province Assembly is the P.I.F.C. Weekend of April 14 and 15.

In the annual U.N.C. School of Pharmacy elections, Brothers Fred Rachide and Bob Inman were elected to the positions of President and Vice-president, respectively of the student body.

On April 12, our chapter will make its annual visit to the North Carolina Cerebral Palsy Hospital in Durham during which time we will have an ice-cream party with the children and present them with gifts. Last year this was a very rewarding experience and we look forward to the event this year.

Our Beach Weekend will be either the 5-6 or the 12-13 of April, but at the moment of this writing, the beach has not been determined. Another big weekend is Jubilee weekend sponsored by the University on April 28-30. Featured this year will be such groups as the Temptations and the Association and such stars as Petula Clark. On the weekend of the twenty-first of April, the annual U.N.C. School of Pharmacy Weekend will be held, featuring a formal banquet on Friday night and a dance on Saturday night. Another highlight of this weekend will be the annual Kappa Psi-P.D.C. softball game. If we win the game again this year as we have done for four straight years, we will have won the second leg on the second challenge trophy.

In a few months, it will be exam time and each of us at Beta Xi wishes you lots of luck and hope you have a good summer.

Fraternally yours,  
J. MICHAEL HARPER, *Historian*

### BETA PI—WASHINGTON STATE UNIVERSITY

Our spring semester has been a rousing success to date. Our Apothecary Ball, without a doubt the most handsome annual affair at W.S.U., had a record breaking attendance of 187 people. As our largest affair, it required both ballrooms for this smorgasbord dinner-dance. The Dave Clark Five Dance Band played as we tripped the light fantastic. The very popular up-and-rising Omega Eight wooed us with their delightful singing.

On a more academic level our two last chapter meetings proved to be professionally informative. At our last meeting an ambulance driv-

er instructed us on mouth-to-mouth resuscitation and closed heart massage using a simulated human model, "Annie." At the earlier meeting Brother Ed Mohs showed a film and gave a talk on over-the-counter cough preparations. The credited First Aid Course sponsored by Beta Pi and taught by local pharmacist Don Taylor is coming to a close with the entire group passing the 18 hour course.

In the most spirited intramural basketball game of the season the "pharmics" won back their coveted title over the Veterinary School with a score of 55-44. Last year was the first in eight years that the vets had won our traditional, annual, maple court combat. Much of the victorious effort must be credited to our enthusiastic coach, Dr. Arnie Martin, who for a day seemed more like someone from the physical education circuit than from the pharmacy department.

The remaining nine weeks of the semester hold great promise for Beta Pi. Our annual Spring Rush function will be held April 20 at the S.A.E. house. Brother Craig Ritchie will be the topic speaker for that evening, discussing Drug Abuse. Everyone is excited about this year's wonderful Spring Initiation Banquet on May 4 at Carter's Restaurant in Genese, Idaho. The sumptuous steak dinners will only be a fitting climax to the informal gathering that always precedes the meal. Our Awards Luncheon planned for May 24 will honor those brothers who have proved themselves on the academic battleground. Plaques, shingles, and *Modern Drug Encyclopedias* will go to juniors and seniors with a minimum of a 3.0 grade point average and the man showing the greatest increase in grade point average; an Inspirational Award will be given to our most deserving brother. And while on the topic of grade points, Beta Pi would like to extend recognition to sophomore John Marshall whose name was recently placed on our scholarship plaque for his fall semester's 4.0 g.p.a.

Until the next issue of THE MASK, I remain,

Fraternally yours,  
JEFF BLUMBERG

#### BETA RHO—UNIVERSITY OF MISSISSIPPI

Fraternal greetings to all from the brothers of Beta Rho Chapter. We hope that everyone is enjoying the sunshine like we are in Mississippi.

Since the last issue of THE MASK we have initiated 17 new brothers. The new brothers are: Charles O'Bannon, James Donovan, Gerald Viator, John Wong, Carwell W. Traylor, Jr., Chris Crawford, Paul Welch, Wayne McAlpin, John Swartz, Dale Gunkle, Glen Cartwright, Jerry Wilson, Ted Taylor, George Taylor, Joe Powell, Emmet Berry and Spencer Hudson. I'm sure that these brothers will be a tremendous asset to Beta Rho Chapter.

Beta Rho Chapter. Brother Hancock was our representative at the A.Ph.A. National Convention in Las Vegas.

This year Beta Rho has elected Miss Judy West as our sweetheart. She is a junior pharmacy student. This is the first year that we have elected a sweetheart and we plan for this to be an annual affair.

Since election of new officers is near-by, I regret to say that this may be my last Newsletter. I would like to thank all the brothers for their cooperation during the past year. It has been a privilege as well as a pleasure to serve as the Historian of Beta Rho.

Fraternally yours,

#### BETA SIGMA—NORTH DAKOTA STATE UNIVERSITY

Greetings to all brothers of Kappa Psi from Beta Sigma Chapter at North Dakota State University.

March 13 marked the initiation of nine new brothers into the chapter. The new brothers are Curt Anderson, Tom Bruner, Doug Gietzen, Pete Hendrickson, Dennis Kolari, Doug Olson, William Marvel, Richard Stamm, and Corkey Stoxen.

The beginning of spring quarter also brought with it a change in officers here at Beta Sigma. They are Tom Mikkelsen—Regent, Forrest Loeffler—Vice Regent, Lyle Lamoureux—Treasurer, Cale Shipman—Assistant Treasurer, Alvin Sellick and Alec Murray—Co-historians, Mike Hanson—Chaplain, David Bucholz—Secretary, Bernard McLain—House manager, Glenn Aho and Gary Olson—Co-athletic chairmen, James Haggerty—Rush chairman, David Gall—Assistant rush chairman, Mike Love—Pledge trainer, Arnold Harjamaki—Newsletter editor, Tom Kris—Corresponding secretary, and David Hagen—Kitchen manager.

Congratulations are also in order for Brother David Johnson who was recently elected president of the Student Branch of the APhA Chapter here in Fargo. We are all confident that the

local chapter will excell under Dave's leadership.

Beta Sigma has kept busy with many projects. Recently, under the chairmanship of Tom Gates and Mike Hanson we participated in the annual Fargo Heart Fund Drive. During Winter Weekend (March 3-5) Beta Sigma entered the snow relays with the Kappa Alpha Thetas. Although we did not win in this event we are looking forward to the Greek Week Relays in May which should prove to be more successful—as we have won for the past three years.

Kay Hannesson, our present pledge princess, represented Beta Sigma Chapter in the Betty Coed-Joe College contest held during Winter Weekend.

The Winter Term Party, put on by the pledges, February 11 went quite well and everyone had a good time. Plans are now in progress for the Sweetheart Ball to be held on April 22. Candidates for Sweetheart of 67-68 are: the present pledge princess Kay Hannesson, Jeanne McDonald, Beth McLaughlin, Rachel Prishmann, and Gail Saugstad.

We are presently engaged in selling tickets for the annual Blue Key Production which, this year, will be the ever-popular musical comedy *Oklahoma!* Beta Sigma won the ticket sales for the production last year, and we plan on having a repeat performance.

In the athletic department we have, so far, taken first place in ping pong, and are now leading the league in bowling. We have also placed third in pocket billiards. At present Beta Sigma is in first place for the over-all intramural trophy which is given out at the end of each year.

Beta Sigma, as usual, has been quite active socially. Recently, in order to broaden our social activities, we have added snowshoe hockey, roller skating, spaghetti suppers (candles, soft music *etc.*), and an occasional Hell's Angels party to the normal run-of-the-mill action one finds on the NDSU campus.

In closing Beta Sigma Chapter of Kappa Psi extends best wishes to all of the brothers of Kappa Psi in their activities this coming summer.

Fraternally,  
ALVIN SELLECK, ALEC MURRAY,

#### BETA PHI—UNIVERSITY OF CINCINNATI

With Spring Quarter just beginning the men of Beta Phi Chapter wish the brothers of Kappa Psi "good luck" in their fight against spring fever. The epidemic has already begun to spread here at the University of Cincinnati.

We've had an active Winter Quarter full of Kappa Psi spirit and we are looking forward to the rest of this Spring Quarter. In January there were sixteen Kappa Psi's from the junior and senior classes to help represent the University of Cincinnati on the trip to the Lilly Pharmaceutical Company in Indianapolis. The trip was a great success and loads of fun. Our six pledges came through initiation like real Kappa Psi men and were honored with a banquet at David's Buffet. The new initiates showed their enthusiasm for Kappa Psi by their attendance at the Province V Assembly at Buffalo, New York from March 30-April 1. Brother Art Adams served as Secretary-Treasurer of the Province this year and did a commendable job.

Plans for the near future include a Sweetheart Dance (the first for Beta Phi), our Founder's Day Banquet, and well known guest speaker Ed Wiemer who will speak to the entire University of Cincinnati campus sponsored by Kappa Psi. Our Spring Rush begins on April 13th with a Smoker in Room 627 of the Pharmacy building and a rush party to follow on April 15. We have the potential for one of the greatest and largest pledge classes ever and if the brothers of Beta Phi Chapter continue to work with such enthusiasm I'm sure it will prove to be even better than expected.

Our Regent, Paul Kamleiter, has aroused the University of Cincinnati College of Pharmacy as well as the men of Kappa Psi to an important issue concerning pharmacists. He has drafted a letter which has been sent to Congressmen of each district, on the bill concerning generic name drugs which is now before Congress. We have sent out over 400 letters to Representatives and Congressmen and received quite a response. We hope we have had an impact on the outcome of the bill as it will affect us as future pharmacists.

In summary, Beta Phi Chapter has shown its leadership not only locally but on a national basis. I'm sure Spring Quarter will be as successful and fulfilled as the rest of the year.

Fraternally yours,  
STEPHEN BJORNSON, *Historian*

#### BETA PSI—UNIVERSITY OF WISCONSIN

With summer as well as final exams just around the corner, the brothers at Beta Psi Chapter in Madison send a warm greeting to fellow brothers across the country. We hope you will join with us in welcoming our 20 new initiates of this semester. They are Brothers Patrick Adas, Steven Bedell, Harold Borkovec, Daniel Briggs, Thomas Chicilo, David Forbes, Peter Fourness, Jerry Gottbeheit, Douglas Goudy, Dennis Hunt, Don Johnson, Stephan Klatt, Robert Kohlman, Norman Malmon, Terry Maves, Ronald Remiker, Dennis Richards, John Van Heesch, Carl Van Vonderen, and William Whitford. Activation was conducted during the first week in February and topped off with a banquet at the Top Hat restaurant in Middleton. Many faculty members were in attendance and Dean Uhl of the Pharmacy School addressed the group concerning past years of Kappa Psi activities.

The rushing program of the second week in February brought ten new pledges to the Fraternity who are now enjoying the rigors of pledgship.

This semester's social program of parties and beer suppers has been complimented by an interesting and gratifying professional project recently instituted by Brother Mel Nowak. We've been given the chance to spend several hours every other week at a nearby children's hospital offering our services in therapy work—helpful to the hospital and very satisfying to the brothers involved. We hope to see more of this work in the future.

At our recent meeting of Province VI here at Beta Psi Chapter, we were fortunate in having present Brothers Richard M. Doughty and Frank Facione to speak to us on ritual and the importance of the province, respectively. Brother Andy Robinson was elected Satrap and Brother Patrick Adas, the Secretary-Treasurer.

To both Beta Psi brothers a hearty congratulations! The weekend of the province meeting presented a wonderful chance to meet and know our brothers from other chapters.

In the same vein, we have selected two delegates to the National Convention to be held in August. They are Brothers Jeffrey Oestreich and Robert Yokel, and their alternates, Brothers Andy Robinson and Kurt Holm. Many of the brothers will be making the trip to Kansas City with our chosen delegates in August.

And finally, congratulations are due Brothers Terrance Coyne and William Whitford, pinned, and Brother Richard Higgins, lavaliered.

From the brothers at Beta Psi, best wishes for a successful semester and a happy summer.

Fraternally,  
JAMES T. KEEFER, *Historian*

#### BETA OMEGA—TEMPLE UNIVERSITY SCHOOL OF PHARMACY

Now that the school year is more than half over, there have been a few changes made in the chapter. Not to be outdone in the spring cleaning department, the brothers armed themselves with paint and brushes, and marched through the house, giving it a new coat of paint.

Recently, the elections of new officers was held. When all the ballots were counted, the following had been elected to their respective positions: Regent—Gary Croft, Vice Regent—Charles Irrera, Secretary—Jose Gonzalo, Treasurer—John Cooper, Chaplain—Joseph Boyle, and Historian—Leonard O'Hara. This year, our annual Junior of the Year Award went to Charles Irrera.

Our social activities reached their peak this spring. Our Easter party was one of the biggest parties ever held here. Its success and that of the others are due to the fine work of our social committee. After that came our Spring Formal which was held on April 8, at the White Marsh Country Club. The night before the formal we held a champagne party to start the weekend off. At the affair, Mr. John A. Lynch, a long time fraternity advisor and member of the faculty, was honored for his services to Kappa Psi. It was one of the biggest turnouts in recent years and attracted alumni from all over the state. Following this, plans were made to honor the seniors at the annual Farewell Party in May.

After graduation, the seniors will be pursuing their plans for the future. First of all, Monroe Adams, Lawrence Lesko, John Iulliuci, and Gerald O'Hara will be attending graduate school on fellowships. On the other hand, a few have decided to tie the knot as June grooms. Included are Kenneth Miller, Lawrence Lesko, and Richard Binter. Gary Croft has also taken the first step and is now pinned to his girl.

Now completing his pledge period is Joseph Valente, a sophomore student from Downingtown, Penn. Recently inducted into the Fraternity were Dr. Martin Tansy, head of the Physiology Department at the Dental and Pharmacy Schools, and Dr. Robert Mackowiak, a professor at Jefferson Medical School.

Kappa Psi may have two prospective pledges in the future. Dr. Tansy recently became the father of a baby boy, and Mrs. Donald Schell, wife of our former Regent, is expecting a baby in May.

The basketball team is still undefeated in the Pharmacy Basketball League. Everyone has little doubt that this will continue to the very end.

As this is my last issue as Historian, I wish to thank all of the brothers for their help this past year and also wish the new officers success in the coming year.

Fraternally,  
JOHN CHRZANOWSKI

#### GAMMA GAMMA—UNIVERSITY OF TEXAS

The men of Gamma Gamma extend their greetings and hope that all of their brothers are enjoying a fine spring semester in both their class and out of class activities. I am proud to report that since the last issue of THE MASK that our intramural basketball team has captured third place in the championship playoffs. We have also initiated eleven new members into our midst, these are: Benny Howell, Gary Overbeck, Daryl Stefka, Al Cook, Alan Tanowitz, Steve Brown, Elis Carmichael, James Dunlap, Pat Hawkins, Ronnie Bane, and Bill Warren. Another activity which we have recently completed was our Spring Rush program which included both a smoker and a party. The smoker was a big success since most of those present enjoyed the abundant supply of champagne in addition to touring the house and meeting all of the men of Gamma Gamma Chapter. The party was held at a party barn where we had a very fine time and enjoyed both the music and the hay rides. The end result of all of these rush activities was the pledging of twelve very good men as future brothers.

The men of Gamma Gamma are enjoying their spring vacation which for the first time lasts for a whole week. During this time we are also planning and working on many activities. Some are replanting the lawn in the front and rear of the house. Others are making plans to attend the APhA convention in Las Vegas and this includes our Regent Warren Neely and also Terry Tottenham who is a delegate to the student section. Some are now enjoying the senior trip while others are at home enjoying the break in the class routine.

Some of the activities to which we are looking forward include Round-Up, bar-b-que & beer put on by a member of the Texas State Board, LPhA picnic, and a Graduate Chapter meeting. Round-Up is annual spring weekend at the University during which many activities such as Western day, Honors day, and many other events take place. At the moment a beer and bar-b-que get-together is planned for the members of Gamma Gamma and Delta Delta Chapter for a weekend later on this month and is put on by a member of the State Board of Pharmacy. Another in the past was a great success in that we were able to get to know both the members of Delta Delta and also the men who compose the State Board of Pharmacy. The LPhA picnic is the picnic sponsored by the Longhorn Pharmaceutical Association which is the student chapter of the Texas Pharmaceutical Association located at the University of Texas. Our Graduate Chapter meeting is to be held on April the 16th. This is the day following our annual Round-Up party. This is usually a great party and also a chance for past graduates to return to Austin for the party, official business as a chapter, and to renew past friendships. This year the undergraduate chap-

ter is looking forward to having a softball game with the graduate chapter as we have had in the past. These are some of the activities which have taken place and those to which we are looking forward and until the next issue of THE MASK, I remain.

Fraternally yours,  
BILL BODE, *Historian*

#### GAMMA EPSILON—UNIVERSITY OF NEBRASKA

The brothers of Gamma Epsilon extend a warmest greeting to all their Kappa Psi brothers. We hope that all may successfully complete the year in spite of the distracting season of spring which has finally taken charge.

Elections were held in February for new chapter officers. Installation was held March 6 for Leon Orender, Regent; Victor Padron, Vice Regent; Gary Petersen, Secretary; James Beins, Treasurer; Harry Hauschild, Sergeant-at-Arms; James Brooke, Historian; and John Vandewalle, Chaplain. The new officers are working hard to make this another successful year for Gamma Epsilon.

The spring pledge class is working toward activation under the leadership of our pledge trainers, Brothers Hauschild and Paul Madison. The new initiates will be Steven Boshart, William Garner, William Reifenrath, Floyd Ring, William Schindel, and Gary Snodgrass.

Gamma Epsilon is undertaking two projects this semester which may be of interest to our brothers. Unfortunately, we are just beginning to receive the results, so I can only tell you our plans at this time. One project is to investigate the opportunities for pharmacists in the armed forces. A committee for this purpose is involved now in contacting our Congressmen and in talking to local military offices. Our second ambition is a survey of Nebraska pharmacists concerning the new drug laws and restrictions. We feel that all of our members will gain valuable information and experience in carrying out these projects.

At our weekly meetings we have begun a series of programs in which we invite a member of our College of Pharmacy faculty to inform us of his research work. We have already found this quite rewarding from the standpoints of knowledge and getting better acquainted with our instructors.

Several brothers of Gamma Epsilon are making the long trip to Las Vegas soon for the APhA Convention. While there we will attend the Kappa Psi breakfast the morning of April 12.

Fraternally yours,  
JAMES BROOKE, *Historian*

#### GAMMA ZETA—SAMFORD UNIVERSITY

Greetings to all brothers of Kappa Psi from Gamma Zeta Chapter at Samford University in Birmingham, Alabama.

Gamma Zeta Chapter extends its apology to the brothers of Kappa Psi for not having a Newsletter in the last issue of THE MASK. However, we are proud to announce that with the start of the new semester, and some reorganization within the chapter, the brothers of Gamma Zeta are busy with many projects to help our school and to further advance the profession of pharmacy.

During the fall semester, Gamma Zeta sent letters to high schools throughout the city of Birmingham acknowledging our interest in helping any of their students interested in the profession of pharmacy by speaking with them individually. The response was gratifying and we certainly owe those brothers who voluntarily gave of their time and energy a sincere thanks for their part in creating new interest in our profession.

Throughout the fall semester, Gamma Zeta Chapter continually emphasized the professionalism of pharmacy on our campus. A mannequin, wearing the proper professional dress was placed in the main corridor of the pharmacy building to constantly remind all pharmacy students of the importance of looking professional. Also, during National Pharmacy Week, a number of displays were placed around the campus with an information center staffed by brothers of Gamma Zeta in the Student Union Building. Also, we were fortunate in being able to have our mayor proclaim National Pharmacy Week for the city of Birmingham and to have a number of our radio and television stations give us public service spots on the profession of pharmacy.

A very successful rush program was conducted during the fall semester which resulted in the addition of 20 new members to our chapter. As pledges, these 20 brothers undertook a very worthy project which is being continued by the chapter. As we are a church related institution, a call from missionaries abroad for drugs was brought to the attention of Dr. Stanley V. Susina, pharmacy professor and fellow brother of Kappa Psi. Dr. Susina then began looking for someone to do something to help these people. His call for help was immediately responded to by our pledges who began looking for sample drugs to package and mail overseas. Because of the time and work involved in this project, the chapter as a whole has decided to continue gathering these samples to help those in poverty stricken countries of the world, and to help those people gain additional faith in our missionaries.

After time out for the Christmas holidays and final exams, the brothers of Gamma Zeta are back in full swing with a very active and fruitful program of professional and academic activities. The first week of the new semester was highlighted by the formal initiation of the 20 new members to the chapter. Those surviving the pledge program were: Arthur Clayton, Tommy Underhill, Marc Davis, Richard Wood, Stan Webster, Jim Milliken, Steve Scobee, John Santoro, Jack Carver, Sam Costello, Donald York, Ronald Cope, Buddy Cutcliffe, Jim Jackson, Larry McJunkin, George Gammill, Walter Brunson, Frank Reynolds, Dwight Griffith, and Jim Keenum.

At the next meeting of the chapter following initiation, new officers were elected. They are: Regent Paul Albano, Vice Regent Frank Reynolds, Secretary Jack Carver, Treasurer Buddy Cutcliffe, Historian Steve Scobee, and Chaplain Walter Brunson. The work of these new officers is commendable in initiating renewed enthusiasm within the chapter.

Among the activities of the spring semester are a diabetes detection drive to be held on campus, with an invitation to interested citizens of the area to avail themselves of this opportunity to be sure of their continued good health.

Also, a big campaign during Poison Prevention Week is planned including public service radio and television spots and talks to elementary school groups.

On March 16 a seminar was held on our campus for manufacturer's and medical service representatives. Brothers of Gamma Zeta Chapter with the help of Brother C. Patrick Tharpe, professor and active member of our chapter, sent letters to all manufacturer's and medical service representatives in the area inviting them to this seminar.

Other events planned for the remainder of this semester include several informal socials, a rush program which is already underway, and the annual spring formal.

Gamma Zeta Chapter is proud to announce that we are putting forth every effort to be the professional and academic leaders on our campus and hope we can continue this effort long into the future.

Our thanks to Dr. Jean M. Dunbar, our faculty advisor and fellow brother, for his continued leadership and help.

The brothers of Gamma Zeta sincerely wish all brothers of Kappa Psi the best of everything in their activities for the months ahead.

Fraternally yours,  
STEVE SCOBEE, *Historian*

#### GAMMA ETA—UNIVERSITY OF MONTANA

Six new members were installed into our chapter. The new members are: Jerry Loomis, James O'Conner, Paul Odegaard, Lloyd Smith, Don Wood, and Don Yeats. Gamma Eta is looking to the future with great expectations. To carry us through another year we have elected the following officers: Regent Gary Olsen, Vice Regent Jim O'Conner, Secretary Nic Kenyon, Treasurer Walt Warner, Chaplain Jim Austin, Historian Lloyd Smith.

Our winter function was held at Missoula Snow Bowl, a ski resort, where the brothers enjoyed skiing, tobogganing, and an evening of dancing. Our spring function will be held at Lolo Hot Springs, home of the nations first Luge Run, where we have rented the hotel for the weekend. We are anticipating an enjoyable time swimming, hiking, and dancing.

As another year draws to a close Gamma Eta extends a hearty congratulation to all the graduating brothers of Kappa Psi.

Fraternally yours,  
LLOYD SMITH, *Historian*

Speaking of conventions, we hope to see many of you at the 34th National Grand Council Convention in Kansas City this summer. It was further announced by the Executive Committee that the 35th National Grand Council Convention will be held here in Buffalo in August of 1969.

Sports events included two basketball games—one with the pledges and the other with our graduate chapter.

Many of our brothers actively participated in the School of Pharmacy's annual Open House on April 12. We especially thank our pledges for their excellent job in the cloakroom. Not one coat was lost.

We have fifteen pledges this semester. Our final ball session is upcoming and a further report will follow.

To climax a very successful semester for Gamma Iota, our annual Dinner Dance was held on April 22 at the Downtowner here in Buffalo.

#### GAMMA MU—NORTHEAST LOUISIANA STATE COLLEGE

The brothers of Gamma Mu extend the heartiest of spring greetings to their brothers across the country. We would like to extend to those seniors looking forward to graduation special greetings and congratulations.

The recent activities of Gamma Mu Chapter have been centered around the election of new officers for next year, and the preparation of our new pledges for initiation ceremonies in mid-May.

The newly elected officers are Kenneth Mouchot, Regent; Ted Ware, Vice Regent; Jack Rhoades, Secretary; Dennis Guillory, Treasurer; Lawrence Robinson, Historian; and George Munn, Chaplain. The new officers were installed in formal ceremonies April 4, 1967; and since that time the newly elected officers have been working closely with the retiring officers learning the duties and headaches their new offices will carry.

New pledges for this semester include George L. Oswald, Bill Crossley, Kenny Bourque, Carmon J. Bellina, and Frank Arminger. They have already elected officers which will include Frank Arminger as President and Carmon Bellina as Secretary-Treasurer.

Both actives and pledges have been actively involved in the intramural sports program for organizations on our campus. We all feel that we gain a lot from the intramural sports program in the added fellowship beyond the activities of our normal meetings.

So, as this semester rapidly comes to a close, the brothers of Gamma Mu are looking forward to an even more prosperous summer and fall. But for now, we must be content to apply ourselves to the remaining activities that this semester brings, with one thought ever in mind: Finals are just around the Corner!

The best of luck to Kappa Psi brothers everywhere.

Fraternally yours,  
LAWRENCE ROBINSON, *Historian*

#### GAMMA NU—UNIVERSITY OF THE PACIFIC

Greetings and best wishes to all brothers of Kappa Psi from Gamma Nu, University of the Pacific.

Foremost on the present agenda is the APhA National Convention in Las Vegas. We are sending 16 brothers who will also attend the Province IX Assembly in conjunction with the convention. We hope to discuss the by-laws of Province IX and to elect officers. The convention should give those attending a good chance to observe the workings of our organization on a large scale and allow them to form acquaintances with pharmacists from all over the country.

We have just completed rush and are now in the throes of pledging. Our rush dinner was held at the Stockton Metropolitan Airport and was preceded by a week with a pizza feed. The pizza feed featured entertainment by a group of our high class performers who put on a hilarious skit and genuine "okie" music by Brother Jim Kultz. Brother Brian Heller served as MC for the night. On preference day we took 29 pledges to only 23 by our rivals, the fourth year in a row in which we have come out on top, not only in numbers but also in quality.

The members have been working at the St. Mary's drug room during their time off and presently a number of pledges are also working there. This affords members a good chance to participate in a professional event of great value and also is good experience in working with a number of drugs. We are all looking forward to the Pledge Dance which will be held on April 15th and the end of pledging and formal initiation.

Best wishes until the next issue of THE MASK.  
Fraternally yours,  
LARRY DOOLEY, *Historian*

### GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY

The brothers of Gamma Pi extend their greetings to all the brothers of Kappa Psi.

This spring we presented our second annual faculty-student basketball game. Again it was a success, and we now have contributed \$300 to a student loan fund at the college from its proceeds. This year the faculty managed to come out on top and even the score in games by winning 37-36. Drs. Haberle, Henney, and Schnaare led the way for the faculty. For the students, Brother Mitch Radinsky helped in the losing cause. Much of the success of the games was due to Brother Ron Brown, and we thank him for it.

Our newly elected officers for the coming year are Dave Tumulty, Regent; Ron Brown, Vice Regent; Ed Alstat, Secretary; Bill Scavone, Treasurer; Dave Brunworth, Historian; Bill Cradock, Chaplain; Dennis Tilly, Sergeant-at-arms; and Dr. Joe Haberle, Grand Council Deputy. Best of luck to these brothers in their new positions, and may they do as well as our retiring officers have done.

We are in the midst of our pledge period, and we have 11 eager pledges being trained in the ways of Kappa Psi and Gamma Pi by Pledgemaster Dennis Tilly.

Our pledges gave a party for the actives and plenty of everything needed was there. We thank them for this, as a good time was had by all.

Everyone is shifting into high gear for the final exams coming up quickly. We are also anxiously awaiting our Spring Formal which is held at the end of the school year.

The chapter is anticipating the Grand Council Convention in Kansas City in August. We hope to have all our brothers there and hope to see the brothers from across the country there also.

Fraternally yours,  
DAVE BRUNWORTH, *Historian*

### GAMMA SIGMA—UNIVERSITY OF FLORIDA

The brothers of Gamma Sigma send their greetings from the Sunshine State to all their fellow brothers and wish them all a very enjoyable summer.

Here at the University of Florida our past trimester has been productive and rewarding to us with both professional and social activities.

We initiated seven new brothers last trimester. They are Charles Oravetz, Carsten Evans, Paul Brown, Cephas Sloan, Robert Bell, Larry Diaz, and Tom Jackson. Seven new brothers were also initiated this trimester. They are Ron Perez, Charles Campbell, Arthur Veritzan, Joe Hughes, Roger Coswell, Andrew Eells, and Norman Barrett. We feel they will make outstanding brothers.

Of our many professional projects two have held special interest to us, our Recruitment Program and our Internship Program. The Recruitment Program's purpose is to interest bright and promising high school students in the potentials of Pharmacy. It has concerned us in that many people have misconceptions of a pharmacist's education and responsibilities and we hope that in this way we are helping the

profession be better understood. Our internship program has aided many graduates in selecting professional and well-paying pharmacies in which to intern.

Two other projects on which we've just started work are planning for a house and setting up a graduate chapter. Being a relatively new chapter, Gamma Sigma has not had much opportunity to work on these projects until now.

Our Spring Banquet this year was fun for all. Gail Crusee was chosen Gamma Sigma Sweetheart. Our Outstanding Service Award was received by John Wetmore. Our Athletic Award was given to Walter McCants and our Scholarship Award to Larry Diaz. Our eight graduating brothers, Robert Bonann, Stephen J. Glaros, Richard R. Grant, Wendell J. Kiser, Spero Krevatas, Walter McCants, Edoardo Tommasi, and Carl Woerner were honored at the Banquet.

We would like to take this opportunity to sincerely thank our retiring Dean Perry A. Foote for the dedicated work he has done for the College of Pharmacy. Only a man of such talent and dedication as our new Dean Brother George F. Archambault could replace him.

Good luck to you all from Gamma Sigma,  
Fraternally,  
STEVE IPPOLITO, *Historian*

### GAMMA UPSILON—UNIVERSITY OF ARIZONA

Kappa Psi—today, yesterday, and tomorrow. With the largest membership in the history of the Gamma Upsilon Chapter of Kappa Psi is strong and fraternally proud.

We are proud of our members and of their achievements at our College of Pharmacy. Scholastic excellence is important, but to go beyond that in a professional college necessitates that little something which is intangible but yet always present. That little intangible something has always been present in our members, Kappa Psi graduates, and those desirous of Kappa Psi membership.

There will be some nostalgia when the senior class graduates. It is predominately Kappa Psi. During collegiate study, students become close friends. I'm proud to have shared the ups and downs of a cherished college experience with those I call Kappa Psi friends. This is the time for warmest congratulations to our brothers who are graduating seniors. Congratulations to Brothers Bert Berman, Don Bickford, Joe Bonafede, Mike Cohen, Ken Coit, Wyman Dickerson, Larry Dunski, Jim Gilbert, Stan Jue, Bob Kass, Norm Levine, Tim Lind, Dan Matsumoto, Leo McStroul, Ron Morhar, Scott Nielson, Les Peterson, Jim Schee, Francis Waldorf, Andy Ware, and Yoichi Yamamoto.

As in the past, an important factor of a good solid Fraternity is its leadership. We believe that we have that leadership in our new officers: Regent, Brother Frank Mangham; Vice Regent, Victor Elsberry; Treasurer, Robert Gillies; Recording Secretary, Harld Bert; Corresponding Secretary, Pat O'Brien; Chaplain, Ron Partain; and Sgt.-at-Arms, Dick Hoehn.

Upon graduation of these seniors and election of new officers, new membership is needed to carry on a strong tradition built up by Kappa

Psi men. A pledge class of 19 will fill the ranks. They look capable of carrying on the strong tradition of Kappa Psi. The new pledges are Paul Baer, Steven Clement, David Erkes, Kenneth Ezrol, Peter Hill, Phillip Irvin, Karl Jacobs, Allen Scorsatto Bruce Hildebrand, Gray Jablonski, Richard Wolicki, Charles Shaw, Douglas Ownbey, and Ronald Flores.

On the social calendar, Kappa Psi held a Christmas formal with a band and two "regular" parties. Our annual "Spring Bash" was fabulous. Many of our members went out in style.

In sports, Kappa Psi's have 10% participation in the College of Pharmacy intramural program. Our team finished third in basketball, and 5th in football. Our fast pitch softball team is undefeated in their games and we are favored to win the competition. If all keeps going strong in sports the College of Pharmacy should be the Independent Banner Point Champions.

In addition to sports six Kappa Psi men have been elected to Rho Chi. Congratulations to Brothers Vic Elsberry, Stan Goldenburg, Dick Humphrey, Harvey Riceberg, Al Aichroth, and John Twitty.

Kappa Psi would like to take this time to wish everyone a happy and prosperous summer.

Fraternally,

KERRY G. FULLER, *Historian*

#### GAMMA PHI—UNIVERSITY OF GEORGIA

Due to a mix-up, there was no report from Gamma Phi Chapter in the last issue of THE MASK, so this report will be on fall and winter quarter activities.

The annual industrial trip for the seniors was taken fall quarter. We visited the research and manufacturing facilities of Eli Lilly in Indianapolis and Abbott Laboratories in Chicago. Needless to say, the trip was enlightening and educational.

Our fall and winter quarter rush activities were very successful. New initiates were: Ralph Balchin, Robert Bell, Ron Byrd, Sammy Caves, Gerald Chow, James Hale Corley, Cecil Fussell, Bill Horton, Frank Juhasz, David M. Rushing, Kenneth J. White, Henry K. Williams, Douglas A. Almon, Robert B. Pinckney, Timothy E. Davis, Mike Hoitt, and Charles Wynn. Spring quarter rush activities are under way now and is expected to add several new brothers to our chapter.

Gamma Phi is happy to report the acquisition of a much larger and more suitable house for its activities. It has accommodations for nine men and room for the social events of our chapter. Both represent a definite improvement over our former residence.

Our winter quarter party was what we call a "Red Neck" party. The brothers were allowed to grow beards for this event, and the main idea was to look as "grubby" as possible. Most succeeded. The band, including one of our brothers Ken White, was the best ever. This party was, without a doubt, the most enjoyable and successful we have ever had. Plans are now being made for our spring quarter party about which we will report in the next issue.

At the beginning of spring quarter, Gamma Phi Chapter was honored by a visit by First Grand Vice Regent Walter R. Williams. We

thank Mr. Williams for his visit and his helpful suggestions; and for his comments on our chapter and Kappa Psi on a national level.

Province IV will have an Assembly at Auburn, Alabama at the end of April. Many of our brothers are attending.

Five of our officers and brothers are to attend the Kappa Psi Breakfast to be held at the annual meeting of the American Pharmaceutical Association in Las Vegas to receive the National Scholarship Award initiated by the Philadelphia Graduate Chapter. They are: Danny Wiggins, Regent; Jerry Epstein, Treasurer; Carroll Sellers, Sammy Caves, and Tom Pollard. Jerry is the official delegate from the student chapter of the APHA at the University of Georgia. Sammy will serve as the Co-Chairman of the By-Laws Committee at the convention. We in Gamma Phi Chapter are pleased and honored to be the first to receive the National Scholarship Award and we congratulate the Philadelphia Graduate Chapter for its initiation of this recognition of scholastic achievement.

Fraternally yours,

WILLIAM M. CAUDELL, *Historian*

#### GAMMA CHI—FERRIS STATE COLLEGE

Greetings to all Kappa Psi brothers from Gamma Chi Chapter at Ferris State College.

Gamma Chi can look back on a successful winter as the spring approaches. We took second place in the fraternity division of the "Snow Statue" contest. This contest was in conjunction with the "Winter Carnival" festivities. The theme was "Famous Architecture," and our entry was the "Taj Mahal." This year's Sweetheart Ball was also a very big success for Gamma Chi. The attendance was equal to that of the Homecoming Dance held last fall. The weekend was a combination of dance and concert. Sweetheart Ball, held on Saturday night consisted of the Henry Brandon Orchestra and the Friars from Iowa State. Sunday afternoon the Back Porch Majority entertained. Both days were most enjoyable.

This spring the brothers of Gamma Chi look forward to an enjoyable Spring Formal, the name of which is "A Thousand and One Arabian Knights."

Gamma Chi has just completed elections of chapter officers for the new year. They are as follows: Brothers Carl Wilberg, Regent; Peter Berlin, Vice Regent; Robert Marr, Recording Secretary; Robert Arfstrom, Treasurer; Larry Poel, Corresponding Secretary; David Powers, Pledge Master; Thomas Needham, Asst. Pledge Master; Darrell Bauer, Historian; Roger Byron, Chaplain; Bryon Higgins, and David Moulton, Alumni Secretaries; and Mike Salogar, House Manager.

Last term we had twelve men pledging, seven of them will be taking formal initiation this spring. They are Earl Sawisch, Thomas Silhavy, Richard Pahl, Douglas Ludtke, Jeffery Lewis Michel Johnson, and David Newhouse.

This spring we have four teams entered in Intramural Volleyball. We are also anxiously awaiting Greek Week for the Greek Basketball and Volleyball tournaments.

During spring break, Brother David Powers took his vows and is now among the happily married. We all wish him and his wife much happiness in the years to come.

In closing, Gamma Chi would like to extend its wishes for a most enjoyable and rewarding spring to all Kappa Psi brothers everywhere.

Fraternally yours,  
DARRELL BAUER, *Historian*

#### GAMMA OMEGA—UNIVERSITY OF ARKANSAS

Spring greetings to our fraternal brothers.

Our chapter was honored to have as a luncheon guest our Second Grand Vice Regent Leo A. Sciuchetti. Chapter members, pledges, and faculty members attended the luncheon. Prior to the luncheon, Second Grand Vice Regent Sciuchetti met with the chapter officers to discuss our activities. We believe that he found our chapter as nice as we believe it to be.

We have been strengthened by 17 new members. They are as follows: Martin Robertson, Jr., Ralph Burns, Chester Kuykendall, James Foster, Paul Stanfield, Don Horne, George Clark, Ernest Rothrock, Robert Hart, Kenneth Kesterson, Robert Leech, Jr., Leonard Kremers, Jimmy Flannagan, Roy Graves, Jimmy Milholen, Mickey McDougal, and Thomas Hollis.

Our spring vacation, a week of work and play, was spent most wisely by everyone. As with the coming of spring weather we also look forward to our spring dance. Many of us too will suffer a downward slope of our academic year as we enjoy this nice weather.

Fraternally yours,  
ALVIN BARR, *Historian*

#### DELTA BETA—SOUTHWESTERN STATE COLLEGE

Greetings to all the brothers of Kappa Psi from the brothers of Delta Beta. We hope this semester has been as successful for all of you as it has been for us. We have enjoyed many activities the first part of this semester and are looking forward to more as this year rapidly draws to a close.

With the initiation of 13 pledges from last semester we now have a total of 97 members. Our new members are: Buford Abelt, Jim Brooner, Don Chandler, Dick Fortune, Jim Helley, Stephen Hellwege, Robert Helmke, H. D. Henry, Al McGinnis, Jimmy McHancy, Melvin Musgrove, Gary Russi, and Ernie Sykora. We are very proud of these new members who served as a very active pledge class. Among other things, they presented the school with a magazine rack which was purchased from profits received from a turkey shoot.

We now have 19 pledges who are doing an excellent job. So far this semester they have sponsored a turkey shoot and a car wash, both of which were very successful. The pledges are: Ronnie Anderson, Frank Brodt, Jerry Burnhardt, Bax Calloway, Buddy Dishman, James Dooley, John Ford, Truett Guthrie, Mike Johnson, Ewin McDaniel, J. E. Merritt, Conny Moore, Travis Pendley, Jimmy Porter, Richard Power, Jim Ramp, Roger Thompson, Richard Widney, and Leo Wink.

Installation of officers was held in the student center ballroom last month. They are: Regent, Moran Pounds; Vice Regent, Wayne Davis; Secretary, Woody Weaver; Treasurer, Gary Russi; Historian, James Nolen; Librarian, Melvin Mus-

grove; and Chaplain, Erwin Olds. Also, Dr. Floyd Ulrich was re-elected to serve as Grand Council Deputy of Delta Beta Chapter.

Our brothers swept the elections in the student chapter of the APhA this year. Elected were: President, Roy James; Vice-President, Larry Vaughn; Treasurer, Jim Wells; Historian, Kenneth Windham; and Loan Fund Chairman, Bill Potect. Also, the position of secretary was filled by Brother Charles Carter's wife, Judy. Brothers Roy James and James Nolen were delegates to the APhA Region VI Assembly held at the University of Oklahoma. Also attending were Brothers Paul Gorman and Bob Sweet.

To be congratulated are Brothers Mike Starkey, Dwight McCrary, Bob Sweet, Thomas Hull, Roy James, Leon Moore, James Nolen, and Dr. Homer Timmons. They were initiated into Rho Chi Honor Society this semester.

Special thanks go to Brother Bill Potect for his fine work as chairman of "Poison Prevention Week." Bill and other members set up various displays throughout Weatherford and surrounding communities. They also spoke to over 5000 children in nearby grade schools and to various civic organizations emphasizing the dangers of poisons. Thanks again to all brothers contributing time and effort to make this a most successful presentation. If only one child was saved from being poisoned then the time was well spent.

March 31 is a day that will be remembered by most Kappa Psi brothers and pledges at Southwestern. On this day we held our annual "Spring Formal" at the American Legion Hall in Clinton, Oklahoma. I am sure a good time was enjoyed by all those attending. Our next social event will be the dinner honoring our graduating seniors. Of course, everyone, especially seniors, is looking forward to this.

In closing, Delta Beta would like to wish all the brothers in Kappa Psi success on their final exams and a most pleasant and professional summer.

Fraternally yours,  
JAMES NOLEN, *Historian*

#### DELTA DELTA—UNIVERSITY OF HOUSTON

Fraternal greetings to all Kappi Psi brothers from the brothers of Delta Delta Chapter.

Our spring semester got off to a real good start with a smoker being held at the Falstaff Distilling Co. on February 6. We had an excellent turn out and from this smoker we obtained six pledges. The new pledges are Jim Atkinson, Fred Alaniz, Johnny Cavasos, Joe Morales, Benny Romo, and Gene Woo.

This spring semester the stork has been especially busy. Two of our brothers became proud fathers of baby boys within two weeks of each other. The proud new pops are Robert Sartin and Jim Atkinson. We extend our heartiest congratulations.

On March 5, the brothers of Delta Delta answered the challenge of brand X fraternity to meet them on the football field and proceed to do battle. Of course it goes without saying that we won this contest of brute strength by the score of 13-7. However, the price of victory always come high, Paul Clark had to have seven stitches put above his right eye.

On April 22 the brothers of Delta Delta will journey to Brenham, Texas to meet with their

fellow brothers of Gamma Gamma Chapter at a Bar-B-Que given by the state board.

On April 29 we will have our spring banquet at the new University Center. Our guest speaker will be Mr. Ed Minor, president of the State Board of Pharmacy.

At this time I would like to say, on behalf of the brothers of Delta Delta, we extend congratulations to all graduating brothers of Kappa Psi across the nation, and in particular to the fourteen we will be losing in May. They are: Jim Atkinson, Richard Barrera, John Brooks, Abraham Cano, Louis Cerny, Leon Halfon, Walter Holland, Joe Jimenez, Keith Kellum, Raul Martinez, James Metcalf, Jerry Theim, and Mike Wells.

In closing I would like to say that it would be impossible to thank and to mention everybody's name that have made these past three years be so great. So on behalf of the graduating seniors and myself we wish everybody a most successful summer, and thanks for the memories, help, and fraternal brotherhood you have given us.

Fraternally,  
LOUIS J. CERNY, *Historian*

Pledging started on March 30, and the pledges are: Bernard Buranosky, William Markey, David Pruchniewski, Stephen Russek, and Evan Stein.

In April, we have planned a date party, set tentatively for April 15, and will finish the pledge period near the end of the month. For May, plans are still being made for our first Senior Dinner Dance and Spring Formal. A money making project is to be started soon and a Hayride—Party is planned for late May. Our professional program is in preparation to promote speakers for the benefit of the whole pharmacy school. Numerous other issues are now being discussed as possible programs for professional presentation.

During the summer, Delta Epsilon hopes to improve upon our pledging program by planning early in the summer for the fall program. Also, other programs and functions for the fall semester will be in the planning stage during the summer.

#### MU OMICRON PI—WAYNE STATE UNIVERSITY

Congratulations to all of the June graduates from the brothers of Mu Omicron Pi Chapter.

We have just returned from our Province V Assembly in Buffalo, New York. Gamma Iota Chapter hosted the convention and we wish to

MISS CHRISTINE DENEWETH

"Sweetheart of Mu Omicron Pi—1967"

extend our sincerest appreciation to them for their hospitality. Brother Ken Resztak was elected to the office of Vice-Satrap of Province V, and we are very proud of Brother Resztak.

Miss Christine Deneweth has been crowned Sweetheart of Mu Omicron Pi Chapter for 1967. Chris, a lovely blond, is a secretary in the College of Pharmacy at Wayne State University. She is also currently dating Brother Mike Preuss.

Cupid has been busy in the Motor City and we wish to extend our congratulations to Brother Eric Hoagland for his recent engagement to Miss Sandra Richards, to Brother Allen Mousty for his engagement to Miss Madeline Plesco, and to Brother Tom Cummings for his coming nuptial. Brother Cummings will be married on July 15, 1967.

Our chapter has just finished assisting the R. A. Gosselin Company of Dedham, Massachusetts in conducting a national market survey. The purpose of the study was to measure the effectiveness of a special promotional program. The desired information was gathered by the brothers of Mu Omicron Pi chapter from thirty-five pharmacies located in and around the metropolitan Detroit area.

Our first chapter news letter appeared in April and met with much success. We call it the *Kappa Psi Red & Gray News Letter*. It contains a detailed account of our chapter's activities and it will be sent to every chapter if possible.

Singing and conversation was the theme of our Ninth Week party at the chapter house. It was an enjoyable combination of a hootenanny and a dance, and it promises to be an annual event.

Brother Mike Ryan is our new Pledge Master and our next Newsletter in THE MASK will detail the fruits of his labor.

The end of the term is drawing near and this means graduation. Mu Omicron Pi Chapter is giving the profession of Pharmacy five of its best men. Our June graduates are Brothers Paul Anderson, Gerry Decoster, Allen Potts, Larry Timek, and Allen Trager. Best of luck to them and all the June graduates.

Plans are now underway for the 1968 Province V Assembly in Detroit, Michigan.

Fraternally yours,  
JOHN GUST TRIANTAFLOS, *Historian*

#### ALBANY GRADUATE CHAPTER

Greetings to all the brothers of Kappa Psi from the Albany Graduate Chapter.

On February 22, a dinner was held in the Starlight Room of the Sheraton Inntown motel, at which time we paid tribute to Brother Francis J. O'Brien who is retiring as Dean of the Albany College of Pharmacy after years of meritorious service. This dinner, given in cooperation with the brothers of Beta Delta, was attended by 116 brothers and their wives. The principal speaker was Rudolph R. Del Giacco, professor of public health at ACP and Medical Director at St. Peter's Hospital. The graduate chapter presented Dean O'Brien with a scroll commemorating the occasion, as well as a \$1300 scholarship fund established in his name at the Albany College of Pharmacy.

At the same dinner Katherine E. Glavin, college registrar, who is retiring in June after over 40 years' service, was honored for her dedication to the school and her close association with the Fraternity and students throughout the years. She was presented a piece of Waterford Crystal as a token of our appreciation.

Regent Al Collins held a pre-dinner cocktail party attended by many graduate brothers and their wives.

Next on our calendar is a breakfast for the graduating brothers of Beta Delta. This will take place at the College on June 1, prior to graduation that afternoon.

Fraternally yours,  
PETER J. RYAN, *Historian*

#### BOSTON GRADUATE CHAPTER

Most sincere greetings to all of our brothers from those of us here in the land of the cod. A very busy season has seen this chapter take giant strides of fraternal endeavor much to the pleasure of its members and the collegiate brothers. There was a very healthy increase in the activities of the chapter and in the interest and participation of the members. Accordingly, the Executive Committee had to meet a total of eight times throughout the year.

On October 29th, 1966 some fifty couples attended the Fall Affair of the Boston Graduate Chapter, a dinner-dance held at the 1200 Beacon Street Hotel. Many of the chapter officers and members attended the Mu Chapter Dinner Dance of December 10th, 1966. On February 11th, 1967 an all Male Dinner Meeting was held and we were most pleased to have as our guest of honor, Grand Regent Glen Sperandio, who gave a very inspiring, enjoyable talk much appreciated by both the graduate and collegiate brothers present. The guest speaker of the evening was Jon Morris, center of the Boston Patriots. On Saturday evening of April 1st, 1967,

the graduate chapter attended the Mu Chapter Smoker at the Vallee Steak House in Braintree, where the Boston Graduate Chapter Scholarships for next year were awarded to Brothers Anthony Colangelo, Thomas E. Sullivan, and Steve H. Gove. Our chapter's annual business meeting followed the smoker.

The chapter was well represented at the Province I Assembly of October 15th, 1966 by Brothers Campbell, Benoit, and Davio.

The officers for the past year were Joseph E. Pierce, Regent; Kent Carluccio, Vice Regent; Philippe S. Benoit, Secretary; Joseph P. Labrecque, Treasurer; Terrence McNaib, Chaplain; and Pierre F. Smith, Historian. The same slate of officers has been elected for the next year and they gratefully send their sincerest good wishes to all brothers near and far.

In closing this letter, the writer has to make special note of the outstanding fraternal loyalty and devotion exhibited by Brother Philippe Benoit who had been seriously injured in an automobile accident in the latter part of 1966. Upon his miraculous recovery in a short three months he again resumed his secretarial duties. During his recovery his work was taken over by Brother Don Florida.

Fraternally,  
PIERRE F. SMITH, *Historian*

#### BUFFALO GRADUATE CHAPTER

Greetings to all the brothers of Kappa Psi from the Buffalo Graduate Chapter. Province V Assembly has just been adjourned in Buffalo, N.Y. with many progressive accomplishments. Gamma Iota, the host of the Province Assembly, and the Buffalo Graduate Chapter wish to thank all the chapters in Province V for their participation. It was apparent throughout the Assembly that Kappa Psi can be proud of Province V because of the maturity of its brothers, the spiritual leadership of its chapters and the services it has given to the community.

We wish to thank Brother Terry Knowlton of Gamma Iota who was chairman for the magnificent preparations and the entertainment program. In listening to the chapter reports, it was apparent that this Assembly improved the image of our profession. We wish to thank Brother Professor Lee Fedor, Grand Council Deputy of Gamma Iota, for his welcoming address. We are also very grateful to Dr. David Burkholder of the University of Buffalo for his luncheon address.

We wish to thank the delegates on the conduction of the elections of the Province V officers. Their selection of a fine slate of brothers will give representation from all areas and will enable every chapter to achieve its fixed responsibility of work for the benefit of Kappa Psi. The Constitution and By-laws that were revised, represent another example of the progress of Province V.

A memorable speech that will forever remain in the history of Province V was Brother Merle Sheet's farewell address.

The Buffalo Graduate Chapter is proud to have elected its Brother Jerome Delaney as Secretary-Treasurer of the Province. Brother Delaney, who has been outstanding as one of the leaders of our chapter, recently received notice that he has been accepted in the University of Buffalo's Law School.

The Buffalo Graduate Chapter wishes to thank Brothers Maurice Van Sice and Charles Banas who did such a fine job as hosts in the Hospitality Room that was sponsored by our chapter at the Province V Assembly.

The Buffalo Graduate Chapter was happy to observe the fine letter that was presented by Beta Phi to various congressmen concerning the hazards of the importation of sub-standard foreign generic drugs. This letter received national recognition and was an achievement to be proud of.

The future looks bright for Province V and it was apparent that soon several graduate chapters will be activated.

Fraternally,  
JACOB J. CARAOTTA, *Historian*

#### CONNECTICUT GRADUATE CHAPTER

The Connecticut Graduate Chapter held a special meeting on April 19 at the Yale Motor Inn, Wallingford, Connecticut. Approximately 40 members were in attendance with Regent Raymond Smith presiding.

Officers for the 1967-68 term were elected as follows: Reagent, Robert Auger; Vice Regent, James Tubiak; Secretary, Lee Sana; Treasurer, John DelloStritto; Historian, Allan Anderson; Grand Council Deputy, Raymond Smith; Chaplain, Merton Rowe.

Plans were made for the coming Grand Council Convention and it appears that four brothers will attend.

The May meeting will be the Annual Banquet honoring those members of Nu Chapter who will be graduating in June. Scholarship trophies will be awarded that evening to Brother Joseph Cranston, Jr. of the graduating class and to Brother Frank Capizzo of the fourth year class.

Fraternally yours,  
RAYMOND SMITH, *Grand Council Deputy*

#### DETROIT GRADUATE CHAPTER

The new year has started off with the brothers of the collegiate chapter joining our ranks and becoming active in leadership. We are also pleased to learn that we expect to be hosts to the Province Assembly this year.

At our February meeting at the Chapter House the following new members have pledged their support and effort to be elected officers for the new year: Regent, Jim Henderson; Vice Regent, Bill Kohler; Treasurer, Bill Smith; Secretary, Benjamin Price; Historian, Carl E. Kyburz.

Our first social outing of the year was a party at the Playboy Club on Jefferson Avenue in Detroit. Thirty-five or forty members attended and good fun, food, and fellowship were enjoyed by all. We are now looking forward to a night of racing at Hazel Park and our Annual Awards Dinner which will be in June. This is one of our finest affairs of the year and Regent Henderson and his committee is working with the help of the faculty at Wayne State College of Pharmacy to make this a memorial occasion. Why don't you plan to come out and join us for the greatest affair in Michigan, Our Annual Awards Dinner Dance?

Brother Paul Anderson is graduating and I think he would make a good replacement for

this writer. John Triantafior is now Historian for the Collegiate Chapter. I don't know who is responsible for our new Graduate Chapter letter but it reads like this:

"KAPPA PSI, The Space Age fraternity all written in a Space-capsule." It's signed Ben Price, Secretary and as he says:

#### THE NEW JERSEY GRADUATE CHAPTER

The New Jersey Graduate Chapter of Kappa Psi is proud to appear in THE MASK once again. For many years our chapter existed in name only; but now after many months of planning and reorganization we are united again, as brothers should be.

The reorganization of a graduate chapter is not easy and required the time and work of many brothers. Brothers Louis Tortora, Walter Browning, James Trubulsi, Marco Bruno, Charles Dakake and Thomas Baumgartner were the nucleus of this operation and should be given credit for a job well done.

Credit is also extended to Bergen Drug Company for making announcements of forthcoming meetings on all their invoices which reach many brothers not contacted by mail.

The first few meetings were to elect and install officers, and to get things moving.

Our latest meeting was a complete success. On February 21st, Manero's Steak House (in Rochelle Park) hosted 43 graduate brothers and four undergraduate brothers. Good food, drinks

and enjoyment were in order. Norman Campbell (Grand Historian of Kappa Psi) took time out from his busy schedule to give us a short talk on the reorganization of the graduate program of Kappa Psi. Constructive information was given and questions were answered. Brothers John Voigt and Michael Iannarone, from Rutgers College of Pharmacy, displayed and explained their recent project on the proposal of the community pharmacy being a main health education center to the public. Their project has spread to many states and looks as though it will go far. From the outcome of this meeting the odds are that this chapter will be permanently organized and will never fall into a "name only" existence again.

We urge any Kappa Psi graduate from New Jersey who is unaware that he now has an organized chapter to be welcomed back to contact the secretary for any information concerning future meetings. If you have not already been contacted it is most likely because we do not have your correct address.

Fraternally yours,  
MATT PISKADLO, *Historian*

#### PHILADELPHIA GRADUATE CHAPTER

Greetings:

We feel both proud and privileged to have initiated the first national chapter award in our Fraternity. Our hope's that this act will stimulate other groups to consider creation of other awards that are national in scope and recognition.

On May 4th we will have our annual Spring Dinner at the Engineers' Club. As is usual, at the bar, at the dinner table, and, again, at the bar plans will be made for future projects and our fall dinner meeting.

We congratulate two of our members on their relocation—Joseph Swintowsky and James Doluisio to the deanship and faculty, respectively, at the University of Kentucky. Also, the appointment of Harold Clymer as Vice President, Research and Development of Smith Kline and French Laboratories was announced in March.

All Kappa Psi men in our area who are not on the current graduate chapter mailing list should contact our secretary. Have a good summer! See you in Kansas City in August.

Fraternally yours,  
JOHN ATKINSON

#### PORTLAND GRADUATE CHAPTER

Our latest social-business meeting was held on the evening of February 21 at Lloyd's Ireland. Friendship hour started at 6:30 followed by an excellent dinner.

The featured guest speaker for the evening was Mr. George Pasero, sports editor of the *Oregon Journal*. He writes a daily column in that evening paper and keeps the readers abreast of both local and national sports events. His talk was most interesting because of his personal acquaintance with so many coaches over the nation.

Following the talk of our guest speaker a short business meeting was held where future activities of the chapter were discussed.

To those of you in the mid-west, the east and even part of the south I would like to write a few thousand words to tell you that we have

had no snow or freezing weather this winter. Plenty of golfing weather, Steelhead and Chinook salmon fishing excellent—and of this date February 27 our minimum temperature was 47 degrees and a high of 62. Shrubs are flowering, crabapple and plum are in full bloom, cro-

cus and primrose are in blossom, and roses have been on the bushes all winter. Why not come out and pay us a visit? See if you like it as much as we do. Maybe you will like us too.

Fraternally yours,

LYLE V. HENDRICKS, *Historian*
