Grand Regent
JAMES C. KING

When one assumes an office of responsibility to which he has been directly elected, he has a certain degree of preparedness for the tasks of that particular office. However, when such responsibilities come as the result of an unexpected and sorrowful loss, they assume more awesome proportions. Thus it was in February, when I suddenly found that I had a pair of very large shoes to fill—those left by our very good friend and brother, Grand Regent Williams. It has been only since then that I have been able to appreciate fully the tremendous amount of work done by the past officers of Kappa Psi and their foresightedness in providing for the continuity of our Fraternity and the protection of its assets.

Following memorial services held for Brother Williams in Manchester, Connecticut, those national officers in attendance gathered briefly as guests of Nu Chapter and met to consider what immediate actions should be taken to insure the continuous operation of our Fraternity. Several weeks earlier, the Executive Committee had assigned me the responsibility for policy decisions on matters which might have arisen during Grand Regent Williams' hospitalization. After Walter's passing, we found that, because of a lack of clarity in the wording of the pertinent section of the Constitution, there was no provision that the First Grand Vice Regent would automatically assume the office of Grand Regent. By the vote of the Executive Committee, I was then elected to fill the office of Grand Regent. We considered then whether to elevate the Second and Third Grand Vice Regents to the next higher offices but, because each of these is involved in a very important project, it was felt that such a sudden transfer of duties might create undue confusion. On this basis no further changes have been made at this time. The Executive Committee is scheduled to meet in September and, at that time, I feel that we shall be in a better position to explore the possibility of filling the vacancy which now exists in Alpha Chapter. At that same meeting I shall also ask the Executive Committee to consider a Constitutional amendment for making all officers, elected by the Grand Council, a part of the Executive Committee.

The many letters of encouragement, good wishes, and offers of assistance, which I have received in the past several weeks, have been a great support to me as your newly elected Grand Regent. These are greatly appreciated. It is my hope that I may be deserving of the confidence which the Grand Council expressed in electing me to the office of First Grand Vice Regent at the 34th Grand Council Convention. My door is always open to you and I welcome any suggestions you may wish to make. I hope I can serve you well.

HOMES AND HOTELS*

Most social fraternities and sororities provide housing for their membership on the college campus. So do more than one-half of the THETA TAU chapters. From time to time we should examine why the Greek letter world does this and what purpose it serves.

Today on the college campus the student can live in a nice dormitory or in private housing and have very adequate facilities for housing, food, study, and other activity. All this is provided institutionally so that few students need to care why or who provides the housing and management. The old chapter house is often in need of repair, sometimes on the verge of insolvency, and is managed by a group of undergraduates and busy alumni with the student membership actually living in the house. There are usually problems aplenty keeping the place going and in good repair. Major renovation and chapter housing or building a new house call for infusions of capital and manpower from a diverse group.

On the surface there seems to be little reason for fraternities to continue to fight the battle in the face of well financed and professionally organized housing now available on most campuses. But they do and the reasons have little to do with providing housing as a service to the university or the chapter membership. Brick and mortar are no more "the fraternity" than they are the church, the school, or the home; but they are a place where the members can come together to carry out the purposes of the Fraternity—"to develop and maintain a high standard of professional interest among its members, and to unite them in a strong bond of fraternal fellowship."

It's like contrasting the family home with a large hotel!—they serve different purposes. Few of us would choose to live in a hotel when we can have a home.

It is in small group living and working together that members pursue best the purposes of the Fraternity. The individual is given status by those with whom he lives. At the same time the development of the individual person is a measure of the effectiveness of a living group which seeks to carry out the purpose of the Fraternity. Those who live together take something away from college and the Fraternity not available in "Institutional" group living.

The sociologist or psychologist might speak in terms of "interaction" or "group dynamics." However it is expressed, the result for an individual man comes out this way: lifetime friendships, fraternal fellowship, leadership training, character development, professional development. All of this can occur when men of purpose choose to live as a group. It's hard to develop these "dividends" in a college education when the purpose of housing is only to provide room, board, and study facilities. To the Fraternity the house is a vehicle to more lofty purposes and as long as these dividends come out of the fraternity house, it will continue to exist and serve the membership.

Executive Committee Elects Dr. James C. King as Grand Regent

(EDITOR'S COMMENT: Pursuant to The Constitution, Article XIV, 86, the Executive Committee has declared the office of Grand Regent to be vacant and has elected First Grand Vice Regent James C. King to fill the unexpired term of the late Grand Regent Walter R. Williams.)

DR. JAMES C. KING

*Grand Regent, Kappa Psi
Fraternity*

Grand Regent James C. King was born in Petaluma, California, January 18, 1932. He attended Petaluma High School and received his B.S. degree in pharmacy from the University of New Mexico in 1953. After two years of active commissioned service with the United States Air Force in Europe and a year in community pharmacy, he entered the University of Texas Graduate School. In June 1958 he received his M.S. in pharmacy and in 1962 his Ph.D., both from the University of Texas. During his graduate career, he served as teaching assistant, lecturer, and special instructor in the University of Texas College of Pharmacy. From 1957 to 1959, he was an Armour Research Fellow and from 1959 to 1962 a Fellow of the American Foundation for Pharmaceutical Education.

In the fall of 1962, Brother King joined the faculty of the University of the Pacific School of Pharmacy, where he now serves as an associate professor of pharmacy.

Dr. King was initiated into Gamma Rho Chapter of Kappa Psi in 1951, was a member of the Texas Graduate Chapter, and served as Grand Council Deputy of Gamma Nu Chapter from 1962 to 1967. He was also instrumental in the establishment of the Pacific Graduate Chapter. From 1965 to 1967, Brother King was Third Grand Vice Regent of Kappa Psi, and in 1967 was elected to the post of First Grand Vice Regent. In February 1968, he was elected to the office of Grand Regent.

Brother King is a member of the American Pharmaceutical Association, the American Society of Hospital Pharmacists, the Northern California Society of Hospital Pharmacists, American Association for the Advancement of Science, the American Association of University Professors, Sigma Xi, Rho Chi, and Delta Sigma Phi. He resides with his wife, Patricia, and daughters, Dianne and Elizabeth, at 1253 Oxford Way in Stockton, California.

Professional Interfraternity Conference Meets*

The twenty-third official meeting of the Professional Interfraternity Conference was held at the Illini Union Building on the Medical Campus of the University of Illinois in Chicago on March 15, 16 and 17, 1968. This was the Fortieth Anniversary of the founding of the Conference, which was formed in Washington, D.C., March 2, 1928.

Dr. C. H. Wm. Ruhe, Phi Rho Sigma, President, presided at the business ses-

sions of the conference. Dr. Robert J. Beals, Sigma Phi Delta, President-elect, planned and coordinated the discussion sessions devoted to problems facing the member fraternities. Dr. Conrad A. Blomquist, Phi Delta Chi, was responsible for the physical arrangements of the meeting.

Representatives from nineteen of the twenty-six member fraternities and nine of the eleven professional classes attended the three-day session. Four former national presidents: H. G. Wright, Delta Sigma Pi; R. W. Lemley, Delta Theta Phi; Russell G. Glass, Theta Tau; and Meredith M. Daubin, Delta Theta Phi, attended the meeting.

Discussion groups on Undergraduate Membership, Expansion, Fraternity Publications, Alumni Participation and Fraternity Finances were held. In reporting to the entire meeting on Undergraduate Membership, Moderator E. Marshall Carson, Xi Psi Phi, stated that faculty support was essential to the well-being of any fraternity and that the loss of undergraduate chapters was often due to faculty disinterest. The professional and social program of the chapter must contain a personal appeal and approach to the faculty member. A personally delivered, verbal invitation for specific action will gain far greater support than any other method. Those chapters exposed to an enthusiastic alumni group will be successful. A chapter house helps but is not a necessity so long as the chapter has some focal point serving as a place for them to get together. The responsibility for the growth of college chapters rests with the national and regional officers. The enthusiasm of these officers in contact with the chapters is important in generating and continuing interest in the fraternity.

William E. Koch, Jr., Xi Psi Phi, moderator of the discussion group on Expansion reported that a proper image is important. There should be good public relations from within. There are many misunderstandings regarding the professional fraternity wherein they are confused with honorary fraternities and recognition societies. It was the consensus that local PIC groups on campus should be encouraged and that there should be information in the various school catalogues regarding the professional fraternities on that campus. There is need for better indoctrination of the pledges to lifelong dedicated membership. Every fraternity needs dedicated membership. Every fraternity needs dedicated national officers with backup people preparing to take the present leaders positions.

Moderator Meredith M. Daubin, Delta Theta Phi, speaking on Fraternity Publications, noted that most of the fraternity publications avoided strictly technical articles, for which many other journals were available, and concentrated on news, letters, pictures and articles of members and chapters. Most fraternity magazines are mailed individually to alumni and to students by bundles at the local chapter. Many fraternities use their publication as a directory. Others issue a separately bound directory on a periodic basis. Advertising was considered by several organizations but appeared to be inappropriate in view of the limited readership of the professional fraternity magazine.

Alumni participation is a labor of love, stated Joseph G. Maddox, Sigma Delta Kappa, moderator. One of the most important phases of alumni association with the campus chapter is the counseling they provide. The alumnus cannot expect to get a return payment for services rendered as he gives his time, substance and self to further his fraternity.

The delegates passed a resolution in memory of Price Doyle, Phi Mu Alpha Sinfonia, who was serving on the Board of Directors of PIC at the time of his death. The Conference went on record as approving the policy that each fraternity has the inherent right in choosing its own pledges and members according to the regulations listed in each fraternity's constitution and by-laws.

Delegates and guests heard Bernard B. Brody, Past Supreme Councillor of Rho Pi Phi Fraternity, speak on "The Future of Professional Fraternities" at the banquet held at the Imperial Inn on Saturday evening.

Elected to serve as officers for the biennium 1968-1970 were Dr. Robert J. Beals, Sigma Phi Delta (engineering), president; Judge Joseph G. Maddox, Sigma Delta Kappa (law), president-elect; Dr. William E. Koch, Jr., Xi Psi Phi (dentistry) vice-president; Robert E. Pope, Theta Tau (engineering), secretary; Frank J. Brye, Alpha Kappa Psi (commerce), treasurer; and directors C. H. Wm. Ruhe, Phi Rho Sigma (medicine); Meredith M. Daubin, Delta Theta Phi (law); Conrad A. Blomquist, Phi Delta Chi (pharmacy); E. Marshall Carson, Xi Psi Phi (dentistry); and Erwin Small, Omega Tau Sigma (veterinary medicine).

The Responsibilities of the Collegiate Chapters to Their Members*

The collegiate chapter bears the responsibility of molding future pharmacists into the type of men of whom the profession can be proud—socially, scholastically and morally.

When a parent sends his child to college, it is expected that the finished product will not only be enlightened scholastically but also socially. Today on the modern university campus the student is one of many in a blur of mass education. Consequently, the student does not receive any special attention in the aspect of social education unless, of course, he is a member of a social fraternity. It might be well to add at this point, however, that there are some fraternities which do not have house mothers living in the houses to encourage this social education.

As a member of Kappa Psi, a young man should have the opportunity to acquire the social graces which would be befitting a practicing professional man. It is our duty as future pharmacists to see that our brothers will be prepared to show themselves worthy of being professional men as well as brothers in Kappa Psi.

There is much that the chapter can do in shaping the character of a member, and in many cases this definitely needs to be done. If a brother has some personal characteristics which tend to be offending—whether they be matters of hygiene or personality—the chapter should see that they are corrected.

The members might pass off as funny or "cute" some personality trait which a certain brother may possess. However, one must visualize the type of reception this particular brother will receive when he enters the profession—from his employer and the public with whom he comes in contact. This can also be said of the personal hygiene problem.

When such a problem arises as has just been mentioned, it should be brought to the attention of the Regent of the chapter so that a brother can be appointed to seriously discuss the problem with the member in question. However, it would be better yet if, when one of the brothers recognizes that a member of his chapter does have a problem, the brother would directly contact his fellow member in Kappa Psi. The problem could be discussed and suggestions could be made which would better enable the brother to meet his obligation to Kappa Psi, to his profession, and to himself.

There are, I am sure, class barriers in any chapter that does not have a house of its own. In order to have a true feeling of fraternity among the brothers

* Presented at the Province X Assembly, Corvallis, Oregon, October 22, 1966 by James C. Wernz, Beta Pi Chapter, Washington State University, Pullman, Washington.

these barriers must be broken down, and it is the responsibility of the chapter to see that this is done. An informal coffee hour after each meeting is an important step in the right direction. This gives the brothers an opportunity to mingle with those from other classes. However, the problem of cliques is not completely alleviated in this manner—a group can take their coffee to a corner and keep to itself.

We of Beta Pi have added something to our noon luncheons which we feel will help solve this dilemma. We try to have these luncheons every other month, and we now use place-cards in order to break up the cliques and give the brothers an opportunity to get to know others in the chapter better. I might add at this point, that since all of the professors in the College of Pharmacy at WSU are Kappa Psi men, the faculty attends, and the main purpose of these luncheons is to improve the faculty-student relations between the members and the faculty. The brothers are given a chance to meet and talk with each other and talk with their professors in an informal atmosphere.

I should mention a Beta Pi function which breaks down all barriers among the brothers and makes them "one big happy family." Every year the chapter has a "beer bust" at which everyone partakes of refreshment and enjoys movie entertainment which is obtained from various sources. We strongly recommend this type of affair to improve the mix of the chapter.

Esprit de corps in a college of pharmacy is really a great thing and we at Washington State are very fortunate in that we feel that we have attained this. *Esprit* cannot be obtained by purely scholastic and professional efforts; there must be a social life in the college of pharmacy. Who is best able to provide this asset? We think the collegiate Kappa Psi chapter. The chapter owes to its members the opportunity to gain an education in an atmosphere of spirit and togetherness.

Each spring Beta Pi has its Apothecary Ball. This dinner-dance is given for the entire College of Pharmacy and guests. The attendance in the past has been tremendous and all agree that the Kappa Psi Apothecary Ball is the highlight of the social calendar of the College of Pharmacy and possibly of the entire campus. Dr. Mathew Carey, Director of the Compton Union Building at WSU, has said that the Apothecary Ball and the Sigma Iota Bell Hop are the two most outstanding social functions on the campus. It is functions such as this that will mold the "pharmics" into a closer group and improve the *esprit* of the students.

At times, there arise situations which tend to strain faculty-student relationships. An example of such a case would be that of an administrative edict from the dean's office which the students did not like. The chapter should, to quote an old adage, "take the bull by the horns" and present itself as a forum where the faculty and students could meet and discuss their differences. It is the responsibility of the chapter to see that its members can enjoy pleasant relations with the faculty.

There is much professional information that can be handled better at a chapter meeting than in the classroom. It is the responsibility of the chapter to give its members the opportunity to enlarge their knowledge of the field into which they are about to enter. A subject such as venereal disease can be covered very interestingly by movies or by professional representatives from pharmaceutical companies.

The professional pharmacist will be expected to appear before numerous groups in the community as well as participate in various clubs and service organizations. The current pharmacy curriculum does not prepare the prospective pharmacist for this type of situation. At least, this is the case at Washington State unless the student elects to take courses in speech. The responsibility for this part of a brother's education rests upon the shoulders of the chapter. Members can participate in meetings by giving reports that are of professional interest or by presenting topics on pharmaceutical material that is not covered in class. At these student-

led meetings active discussion by the members should be encouraged so that everyone gets the opportunity to express himself. These practices will better prepare the men of Kappa Psi to put forth an image of confidence and self-assurance when addressing a group in the community.

The scholastic progress of a brother can be helped to a great extent if the chapter exerts a small amount of effort. At the top of the list, the chapter should have available the Kappa Psi honor certificates for those members who have attained a 3.00 GPA in their fourth and fifth professional years. At Beta Pi, the chapter member with the highest GPA for a semester has his name mounted on a plaque in the hall of the College. Also a scholarship of \$50 is given each year to a needy member of the chapter. A help program should be set up whereby a member could feel free to call upon another member when he was having problems. A file of old tests would also be a great help to a brother who is preparing for an exam.

The collegiate chapter as a segment of a great professional fraternity must shoulder the responsibility of preparing its members for a life in the pharmaceutical profession. Kappa Psi exerts its principal influence on students as students. In my opinion, this should be its principal area of concentration. It is the duty of the chapter to organize effective programs and carry them through to the desired goal.

The Frank H. Eby Educational Loan Fund

Since its establishment by the Executive Committee and The 33rd Grand Council, The Frank H. Eby Educational Loan Fund has granted fifty-seven loans in the amount of \$13,765.00 to the members of the Fraternity.

The Loan Fund, created to provide short term loans for Collegiate members of Kappa Psi Pharmaceutical Fraternity, is sustained by the appropriation of \$5.00 from the Initiation Fee of each initiate to the Fund, and it is perpetuated through the repayment of loan recipients.

The Loan Fund Committee, Second Grand Vice Regent Norman A. Campbell, chairman; Past Grand Regent Glen J. Sperandio and Executive Secretary Gerald C. Henney, has had to deny only three applications, all failing the academic qualifications.

Of the fifty-seven loans granted to the members of twenty-five chapters, three were repaid before their due dates, making these funds available to other Brothers.

The Committee is pleased to report that almost \$14,000 has been made available to members of Kappa Psi, through The Eby Loan Fund, to assist our Brothers in completing their educational endeavors.

Third Grand Vice Regent Danti Makes Visitations

Delta Beta, Gamma Gamma, and Delta Delta were visited by Third Grand Vice Regent, Dr. August G. Danti on April 1, 3, and 4, respectively.

The membership status was comparable to that of 1967. (The total membership for the chapters is 207.) The chapters are in fair to good financial condition and have a good financial status with the Central Office. There were a total of

thirty-nine Scholarship Certificates and one Scholarship Key (Delta Delta) issued to the chapters last year.

Gamma Gamma has a house on the campus which sleeps twenty-two brothers. The other chapters are in the process of planning to own or rent a house with some reserve funds on hand.

The activities either sponsored by the chapters or in which the chapters participated are many and varied within the realm of campus, school of pharmacy, and community projects. In all chapters, it was noted that the brothers held offices in the APhA student chapter, Rho Chi and student government. The deans of the Pharmacy Schools and students indicated that the chapters fully cooperate with the administration.

Attention to scholarship and affiliation in graduate chapters will be given a high priority by the chapters. The By-laws are being reviewed and revised for more efficient and satisfactory operation of the chapters. Well organized pledge training programs were evident. Work toward improved machinery for rushing in the schools was also evident.

May I state that the visiting officer was received with the graciousness and fraternalism for which Kappa Psi is noted.

Province III Assembly

By Ben Few, *Historian*

Beta Eta Chapter of West Virginia University was host to the Province III Assembly on March 22-23 at the West Virginia University Medical Center. The Chapters of Province III include Iota (Medical College of South Carolina), Beta Xi (University of North Carolina), Theta (Medical College of Virginia), Gamma Xi (University of South Carolina), Beta Eta (West Virginia University), Sigma University of Maryland). A very enjoyable party was given for the Assembly on Friday night at a local beer garden.

On Saturday morning the first session of business was called to order by Satrap James Seymour. Following the invocation by Ronald C. Michels, Chaplain of Beta Eta, a warm welcome was extended to the Assembly by Bruce W. Sterling, Regent of Beta Eta, Dr. A. C. Core, Grand Council Deputy, Beta Eta, and Dr. R. O. Bachman, Dean, West Virginia University School of Pharmacy. After the welcome Jack Morgan of Beta Xi gave the secretary's report. Satrap Seymour made the appointment of committees after which the By-Law Amendments were discussed and approved. Mr. Robert Auger, Supervisor for Province III gave a short talk on "The Value of Communication." The morning session was then adjourned for lunch, which was the compliments of Beta Eta Chapter.

Prior to the afternoon session, a tour of the West Virginia University School of Pharmacy and Medical Center was given by the brothers of the Beta Eta Chapter.

The afternoon session began promptly at 2:00 P.M. with reports of the Chapter Delegates. The next order of business to consider was the unfinished business. The undergraduate Province III fees were changed from \$1.25 to \$2.00 per member. It was suggested that an executive committee should investigate the absence of the Maryland Chapter delegates to the Assembly. The report of the Resolution Committee commended Bruce Sterling for a well organized meeting.

The Time and Place Committee reported that the Province III Assembly of 1969 be held jointly by Iota Chapter, Gamma Xi Chapter, and the South Carolina Graduate Chapter at Charleston, South Carolina. The following Assembly meetings will be held at North Carolina 1970, Virginia 1971, Maryland 1972, West Virginia 1973. Next to report was the Audit Committee which reported on the financial situation of Province III. After committee reports the following slate of officers were elected for the new term: Satrap—James D. Seymour, South Carolina Graduate Chapter; Vice-Satrap—Dean Warden, Beta Eta; Secretary—Joey Edwards, Beta Xi; Treasurer—John Friedl, Beta Eta; Historian—Ben Few, Iota; and Editor of News-Ette—Robert Hubbard, Iota. After the installation of officers the afternoon session was adjourned.

Saturday night a banquet was given to the Assembly by Beta Eta Chapter. At the banquet the Outsanding Chapter Award was given to Iota Chapter, Medical College of South Carolina. A special award by Satrap Seymour was also presented to Bruce Sterling for his outstanding leadership.

Province IV Assembly

By Allen Ezelle, *Historian*

Gamma Zeta Chapter at Samford University hosted the Province IV Assembly in Birmingham, Alabama, on February 17. Brothers from Gamma Phi (University of Georgia), Gamma Sigma (University of Florida), Gamma Psi (Mercer University), and Delta Gamma (Auburn University) began arriving on Friday night in Birmingham at the Sheraton Motor Inn for a smoker where all Kappa Psi brothers had the opportunity to meet new brothers and reacquaint themselves with brothers met at past Province Assemblies.

After a night of entertainment, the brothers convened Saturday morning on Samford's campus to get down to the business at hand. After Dean Woodrow Byrum welcomed all Province IV chapters, Dr. Stanley V. Susina presented a most worth-while speech touching many areas of pharmacy, especially the continuance of pharmaceutical education after graduation in order to keep abreast in the rapidly expanding pharmaceutical field.

The speaker for the afternoon session was Brother James Seymour, Coordinator of Graduate and Province Affairs, who delivered a very informative speech which dealt with graduate and undergraduate chapters, the National office, and several other facets of Kappa Psi's organization. He also informed the Assembly of Grand Regent Walter R. Williams' death.

Following Brother Seymour's address, each chapter presented a summary of its activities for the past year.

Nominations were then received for the offices of Vice Satrap, Treasurer, Historian, Chaplain, and the newly created office of Parliamentarian. Buddy Cutcliffe (Samford) was elected Vice Satrap; John Munson (Florida) was elected Treasurer; Allen Ezelle (Auburn) was re-elected Historian; Bill Smitha (Mercer) was elected Chaplain; and Dewey Hammond (Georgia) was elected Parliamentarian. Dr. A. W. Jowdy (Georgia) began the second year of his two year term as Satrap and Dr. Leon C. Wilken (Auburn) began his second year as Secretary. All newly elected officers were then installed by Brother James Seymour.

All members are now looking forward to the 1969 Province Assembly to be held at the University of Florida in Gainesville, Florida, scheduled for next January or February.

Province V Assembly

By Dana A. Weaver, *Historian*

The Province V Assembly of Kappa Psi Pharmaceutical Fraternity was held in Detroit, Michigan on March 28-30, 1968. The Assembly was hosted by Mu Omicron Pi Chapter and was attended by all seven collegiate chapters in the Province along with the three graduate chapters. There were 70 brothers registered for the Assembly.

Pre-meeting activities commenced with registration followed by tours of the College of Pharmacy and campus of Wayne State University on March 28. Also, that evening an executive meeting was held.

The next morning the Assembly was called to order by Satrap Norbert Laskowski. After the Ritual and Invocation, a welcome was extended to all present by Dr. M. Dunker, Grand Council Deputy. This was followed by a general business meeting including a roll call and a report of officers and committees. In the afternoon an extremely interesting talk and film report on "The Pharmaceutical Center—Its Economical Analysis" was presented by the McKesson and Robbins Company. A question and answer period was then held by William B. Hennessy and Sherwood Clifford, two pharmacists very active in the development of pharmaceutical centers and professional pharmacies in the Detroit area.

On Saturday, March 30, the second business session was called to order. Gamma Delta Chapter, Ohio Northern University, gave a report on "Chapter Fund Raising." They put forth several workable ideas by which collegiate chapters could raise money. It was well noted that graduate chapters could be of great assistance in the gaining of funds. Following the report was the election of Province officers and the introduction of old and new business.

On the more social side of the Assembly, a party with a neighboring college was held Thursday evening and a luncheon on Friday was sponsored by McKesson and Robbins. One of the highlights of the meeting came with a luncheon on Saturday. As guest speaker, Dr. Martin Barr, Dean of the College of Pharmacy, Wayne State University and Honorary Brother of Kappa Psi, spoke to the Assembly on clinical pharmacy and the growing importance of the pharmacist on the modern health team.

The Province V Assembly was closed with the installation of officers. Installed were: Satrap Dave Siddle (Xi), Vice Satrap John Schrader, Secretary-Treasurer Frank Facione (Detroit Graduate), Chaplain Robert Hodges, and Historian Dana Weaver (Beta Phi).

The 1968 Province V Assembly adjourned on Saturday, March 30, 1968. The next Province V Assembly is scheduled for spring of 1969 in Columbus, Ohio.

Province VIII Assembly

By Ronald Nissen, *Historian*

The annual Province VIII Assembly was held Friday and Saturday, October 27 and 28, 1967, at the Holiday Inn South in Des Moines, Iowa. Beta Chi Chapter of Drake University hosted the event.

Registration of delegates and an informal smoker were held on Friday evening. The chapters represented were Epsilon (University of Minnesota), Beta Sigma (North Dakota State University), Gamma Epsilon (University of Nebraska), Gamma Kappa (South Dakota State University), and Beta Chi (Drake University).

The first business meeting was called to order at 9:00 A.M. Saturday by Satrap Patrick R. Wells. The invocation was given by Larry Harmon, Chaplain of the host chapter. The group was welcomed to Des Moines by Dean Byrl E. Benton of the Drake University College of Pharmacy and by James Naber, Regent of Beta Chi Chapter.

After introducing the Province Officers and Dr. C. Boyd Granberg, Grand Historian and Supervisor of Province VIII, Satrap Wells appointed the following committee: Resolutions Committee, Nominations Committee, Legislative Committee, and Scholarship Committee. These committees were given one hour to deliberate in private sessions.

The remainder of the morning session was devoted to a panel discussion on the topic, "Exchange of Ideas between Chapters and Discussion of Problems." Included in the lively discussion were pledge training programs, publications, and the relationship of the Fraternity with other pharmacy organizations. Satrap Wells adjourned the first general session at noon for a buffet luncheon.

The second general session of the Assembly was called to order by Satrap Wells at 1:30 P.M. Committee reports were the first order of business. As a result of committee reports and recommendations several items of business were acted upon. It was decided to send a contribution to the Hartford, Connecticut Heart Association in the name of Grand Regent Williams. A Province VIII Scholarship Award was established. Several provisions were made concerning the Province Newsletter. The possibility of compiling a Kappa Psi Songbook was discussed and is to receive further study. The following new officers were elected and installed: Satrap, Mike Love, Beta Sigma; Vice Satrap, Larry Stock, Beta Chi; Secretary-Treasurer, James Brooke, Gamma Epsilon; Historian, Ronald Nissen, Beta Chi.

A banquet on Saturday evening marked the completion of a very enjoyable and successful Province Assembly. Gamma Kappa Chapter will host the next Assembly at South Dakota State University in the fall of 1968.

DR. PATRICK R. WELLS (Grand Council Executive Committee) is the faculty advisor and DANIEL W. HUGHES is vice-president of the Nebraska College of Pharmacy Student Chapter of the American Pharmaceutical Association. Their chapter was selected to receive the first Outstanding Student Chapter Award by the APhA Committee on Student Chapters. At the annual meeting of the Student Section in Miami held in May the Nebraska Student Chapter was presented an engraved plaque and a \$200 cash award.

"SHALL I STUDY PHARMACY?", a completely revised edition of the well-known career guidance booklet is once again available from the American Pharmaceutical Association, 2215 Constitution Ave., N.W., Washington, D.C. 20037, at 35 cents per copy; \$20 per 100 and \$180 per 1,000. This 32-page booklet, originally published by the American Association of Colleges of Pharmacy, and subsequently published by the National Advisory Commission on Careers in Pharmacy, has been completely updated and is now published by APhA in cooperation with AACP. Featuring 14 full-page photographs, a complete listing of the accredited colleges of pharmacy and information on sources of financial aid for pharmacy students, the career booklet describes opportunities in community practice of pharmacy, hospital pharmacy, the pharmaceutical industry and many other additional fields of practice.

DR. AUGUST G. DANTI (Third Grand Vice Regent) has been elected president of the Louisiana State Pharmaceutical Association in a state wide election. He will be installed at the Annual State Convention in Baton Rouge, La., June 9-12. Brother Danti presently is serving the LSPA as its vice-president, chairman of its Drug Abuse Committee, vice-chairman of the Membership Committee and a member of the Committee on Continuing Education.

DR. FRANK J. STEELE, chief pharmacist at the Ephrate Community Hospital, entertained a family from India recently. Brother Steele has been chief pharmacist for the past 12 years and is a graduate member of Beta Kappa.

ELI LILLY & COMPANY of Indianapolis, Indiana, announces the following:

DAVID HOEFER (Xi graduate member) has joined the company as a sales representative in Cleveland. He served as a medical technologist in the United States Air Force from 1956 to 1960. He received a Bachelor of Science degree from the Albany College of Pharmacy in 1965. Before joining Eli Lilly & Company, Brother Hoefer was employed by the Roth-Warren Ethical Pharmacists in Cleveland.

TOM B. BARGER (Psi graduate member) has joined the company as a sales representative in Dodge City, Kansas. He attended Carson-Newman College and received a Bachelor of Science degree from the University of Tennessee College of Pharmacy in 1966. Before joining Eli Lilly & Company, Brother Barger was employed as a hospital pharmacist by La Bonheur Hospital in Memphis.

THOMAS E. BLANCHARD (Gamma Iota graduate member) has joined Eli Lilly & Company as a sales representative in Buffalo. Brother Blanchard received his pharmacy degree from the University of Buffalo in 1961. Before joining Lilly, he was employed by Ken-Son Pharmacy, Inc., in Caledonia, New York.

EATON LABORATORIES, Division of The Norwich Pharmacal Company, will soon start using a stylized monogram containing the letters "EL" in place of the hexagon enclosing the word "Eaton." The old trademark was adopted in 1946, shortly after Eaton Laboratories was formed to market prescriptions and ethically-promoted drug products.

EPSILON—UNIVERSITY OF MINNESOTA

From Epsilon chapter, best wishes to all Kappa Psi brothers everywhere.

Kappa Psi started off the spring quarter with the initiation of six new members. They are: James R. Henningsgard, North St. Paul; Jerry Alsleben, Brownton; Tom Plihal, Hutchinson; Joel Schulze, Caledonia; Richard Peterson, In-

ternational Falls; and Howard Malinsky, St. Louis Park.

The election of officers will be held May 1, with installation planned for May 8.

Our annual Spring formal will be held in Somerset, Wisconsin at the Riverside Nightclub on the St. Croix River on May 24, 1968.

The Pharmacopa, the College of Pharmacy annual, will be completed in mid-May and will

be sent to all the pharmacies and high-schools in the state of Minnesota. Chairmen Jim Heron and Stan Jacobson say this year's will be even better than last year's.

Our social service project for winter quarter consisted of taking 12 boys from the Hennepin County Boys Home to a Minnesota Northstars' hockey game. We saw a very good game and everybody had a good time.

In closing, we at Epsilon Chapter hope that all of our Kappa Psi brothers have a good summer vacation, and extend our best wishes for the year to come.

Fraternally yours,
LOUIS KAPPES, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Another year of scholastic work has come to an end and the men of Eta join our Kappa Psi brothers in sighs of relief.

The winter and spring months were full of fraternity activity. Foremost was the election of officers for the new year. They include James P. Wilson, Regent; Dennis P. Toomey, Vice Regent; James S. Zawacki, Secretary; Robert A. Raywood, Treasurer; Michael P. Salmon, Historian; Garry W. Burgard, Corresponding Secretary; Jude S. Vavala, Chaplain; James W. Bergey and Anthony A. DiDonato were appointed Housemasters. We take this opportunity to thank the former officers for their hard work and dedication.

Eta Chapter is proud to present our Sweetheart of 1968, Miss Lucille Koehler. Lucy is a prominent figure (no pun intended!) in the fifth year class. Her home is Vineland, New Jersey. She is editor of the college newspaper, a vital staff member of the yearbook, and intends

to pursue hospital or retail pharmacy upon June Graduation. Her warmth, charm, and personality speak for themselves but it is the support and enthusiasm she poured into all Eta's activities which merits recognition as ideal in our Sweetheart. Thanks Lucy, we'll miss you!

The Spring pledge program resulted in eight new brothers. Those initiated include: Samuel J. Chiodo Jr., Paul J. Cianfichi, Leo R. Davis, Guy T. Decker, Richard R. Hascup, Charles K. Koble, George L. Schreiber, and Richard W. Williard. We congratulate them and welcome their entry into our brotherhood. Pledgemaster Peter T. Shaulinski is to be thanked for his work the past year.

The traditional Spring social activities were successfully undertaken and enjoyed by all. The Parent's Day Banquet was held in the College's Whitecar Hall, April 21, with Brothers Garry Burgard handling the details. Next, our alumni returned for their banquet held at the College on May 5. Both functions were followed by tours of the new P.C.P.&S. expansion projects and climaxed with cocktails, and good times at the Fraternity House.

The Fraternity Weekend is the customary highlight of our school year and this year was no exception. The Founder's Day party on Thursday, May 9, got things rolling in preparation for the gala Friday night spectacular. This year's theme was a "Freak In" with psychedelic vibrations provided by the "Centuries" and the brothers adding their own interpretations. The Saturday night Formal Dinner Dance climaxed the festivities. The George Washington-East Motor Lodge was the scene with music provided by the "Sandpipers." The brothers and their dates relaxed on Sunday with a picnic at the Jersey shore.

Most brothers took time off for final exams and they honored our graduating members at the June Senior Party. Those graduating include Joel O. Covinsky, Harold J. Franceschi, Leonard W. Green, Robert C. LaPierre, Bosco C. K. Lee, R. Gerald Longenecker, Robert J.

MISS LUCILLE KOEHLER

Eta Chapter's Sweetheart—1968.

McAuley, John A. Stapski, Robert E. Washkevich, and S. Roger Wetherill. These men donated a pair of air conditioners to the house as their Senior gift and we wish to thank them and congratulate them too for their inspiration and contributions to Eta Chapter. Good Luck!

The brothers of Eta Chapter were shocked and saddened by the death of our Grand Regent, Walter R. Williams, on February 9, 1968. Inasmuch as the last Newsletter from our chapter was written before the sudden loss of Grand Regent Williams, we would like to offer our condolences now and join the rest of our brothers in wishing his successor, James C. King, our best wishes and continued support.

Fraternally yours,
MICHAEL P. SALMON, *Historian*

BETA GAMMA—UNIVERSITY OF CALIFORNIA

The brothers of Beta Gamma Chapter extend greetings to all the members of Kappa Psi and the very best of luck to our brothers who graduate this June.

Opening up our spring quarter Beta Gamma was proud to have Gary McCart, hospital pharmacist as host at a professional meeting. Mr. McCart is involved in the University's 9th floor project—a clinical pharmacy set up at the Herbert C. Moffet hospital. He was able to answer the questions put forth by the members of the chapter with an air of professional confidence. Mr. McCart is also a member of the Beta Gamma Chapter.

We recently held elections the results of which are Steve Kayser, Regent; Andre Meschi, Vice Regent; Larry Borgsdorf, Secretary; Mike Winter, Treasurer; Darryl Inaba, Chaplain; Rich Thacker, Pledgemaster; John Buffum, Professional Chairman; Ron Conte, House Manager; Ken Kellick, Historian; and John Skahl, Sergeant-at-Arms.

This quarter we plan a boat dance with Gamma Nu Chapter of the University of the Pacific. Originally scheduled for the last quarter, but unfortunately cancelled at the last minute, the evening consists of a three hour boat cruise on San Francisco Bay. We are all looking forward to seeing our brothers from Stockton again.

Best wishes for the remaining school year and for the summer to come from all the brothers of the Beta Gamma Chapter.

Fraternally yours,
KEN KELLICK, *Historian*

IOTA—MEDICAL COLLEGE OF SOUTH CAROLINA

Greetings once again from the brothers of Iota Chapter. As another year nears its end Iota's success continues to grow. Recently we presented our Grand Council Deputy, Mr. F. Bartow Culp, with an engraved gold watch as a token of the chapter's appreciation for this loyalty and devotion to Kappa Psi. Mr. Culp, professor of chemistry, has also been elected to the Board of Directors of the National Wildlife Federation which represents two million members.

On February thirteenth Iota entertained the children of the Charleston County Crippled Children's Society's Orthopedic School with a

Valentine's Day party. The brothers enjoyed entertaining the children and then served them ice cream and cake. Among guests present were Dr. W. H. Golod, dean of the school of pharmacy, and Charleston's Mayor J. Palmer Gaillard.

Later in February Iota members attended a dinner in Columbia given by the South Carolina Graduate Chapter. Twenty brothers of Iota were present to meet with fellow brothers of Kappa Psi and to become more familiar with the Graduate Chapter and its activities.

The brothers of Iota recently completed a blood donor program with the local Red Cross. All eligible brothers gave a pint of blood along with several who registered for open heart surgery donations. Iota's contract with the Red Cross insures all brothers and their families should the need arise.

With summer getting closer we are planning two beach parties after Easter in order to round off a good year for Iota.

Good luck and until next issue, the brothers of Iota chapter remain,

Fraternally yours,
HAROLD POPE, *Historian*

MU—THE MASSACHUSETTS COLLEGE OF PHARMACY

The brothers of Mu Chapter extend their warmest fraternal greetings to the men of Kappa Psi everywhere.

A great amount of sadness was felt at Mu at the passing away of our Grand Regent Walter R. Williams. His memory and spirit will continue to be a part of us and we know that the officers will continue the work which he had started.

This past quarter has been a busy one for the brothers of Mu. It seems hard to believe that we are rapidly approaching the completion of another school year. Although the scheduling has been hectic we do not expect the pace to diminish but rather accelerate. With the election of officers just around the corner and the anticipation of a fine spring weekend just

MU CHAPTER—MASSACHUSETTS COLLEGE OF PHARMACY, BOSTON—1968

ahead, the enthusiasm of the brothers is reaching a peak.

On February 16-18, the Massachusetts College of Pharmacy and Northeastern University were co-hosts of the A.Ph.A. Region 1 Convention. A fine program was scheduled and we hope that our brothers from the visiting chapters had an enjoyable and rewarding time. Also on February 16, a Valentine's Dance was held by the Student Council at the Chestnut Hill C.C. A Great number of brothers attended and it seemed as though this dance was an exclusive Kappa Psi function.

Since the last issue of THE MASK we have conducted one of our most successful pledge periods. A high light during this period was a pledge supper which was held on February 15. On that night the pledges served as waitresses and provided entertainment for the brothers. This event could not have taken place without the hard work of Brothers David Savello and Richard Mole. On February 27, we initiated 16 new brothers. They are: Michael C. Ballas, Richard H. Bullard, Robert Buyniski, Michael E. Chilson, John C. Davenport, Roger E. Douillet, Horace P. Fichera, Richard E. Griffin, David J. Halla, Miller P. Krauss, William D. Meaney, Thomas P. O'Donnell, Thomas P. Purcell, Peter G. Sears, John F. Sullivan Jr., and Ralph E. Young. They were a very active group of pledges with a great amount of spirit and drive and it is a real pleasure to have them as active brothers in our chapter.

On April 6 we held our Annual Smoker at the 1200 Beacon Street Motel in Boston. This was well attended by undergraduate, graduate, and faculty members as well as many guests. Everyone present seemed to have a good time. A Citation of Appreciation was presented to Norman Campbell, Second Grand Vice Regent. The first Mu Chapter Achievement Award was presented to Donald Floriddia. Also a presentation was made to Winthrop Lang, professor of pharmacy, who is leaving in June. Three undergraduate scholarships were awarded. The recipients were: Eugene Rivard, Paul G. Fitzpatrick Memorial Scholarship; Wallace Branco, Ray S. Kelley Memorial Scholarship; and Robert Balsis, Heber W. Younghen Sr. Memorial Scholarship. Scholastic Achievement Awards were presented to Duane B. Gray, Francis M. Lukosius, Samuel A. Penta, George E. Stephanou, William E. Brochu, John P. McCook, David R. Savello, Peter R. Smith and John P. Tisdell. The Scholarship Key Award presented to a member of the senior class having the highest scholastic average for the full five year curriculum was awarded to Peter R. Smith. This again exemplifies the strong caliber of men that make up Mu Chapter and Kappa Psi.

Mu Chapter extends its congratulations to Samuel Penta, Frank Lukosius, William Slavin, Duane Gray, George Stephanou, William McArthur, and Walter Swimm for attaining the high scholastic caliber needed for admission to Rho Chi Honor Society.

Recently engaged at Mu was Brother Donald D'Urso to Miss Gail Joubert. Also, Brother Frank Lukosius became the proud father of a baby girl, Andrea Marie, on April 1.

In closing, the brothers of Mu Chapter extend their wishes to the men of Kappa Psi everywhere for an enjoyable and prosperous summer.

Fraternally,

HOWARD J. PERRY, *Historian*

NU—UNIVERSITY OF CONNECTICUT

The brothers of Nu Chapter extend warmest greetings to the men of Kappa Psi everywhere.

On February 9, 1968 the brothers learned of the death of our Grand Regent, the late Professor Williams. We were all very saddened by his loss, especially since most of us at Nu had him as a teacher. The brothers attended the funeral and were the pall bearers representing Kappa Psi.

Our new lounge finally arrived in time for Winter Weekend. The brothers decided to dedi-

cate it to Professor Williams. After the funeral those Grand Officers attending were invited back to Nu for lunch where they had a short meeting. Many brothers sat in on that meeting. It was an unusual occasion indeed, since all the brothers got a chance to meet the Grand Officers personally.

Winter Weekend was a tremendous success thanks to Brother Richard Romanas, our social chairman. Friday night it all began with a champagne party to which many graduate and faculty brothers attended. The next day, Saturday, we had a roller-skating party. That night we had a party and Sunday morning we had a brunch.

Recently we initiated four new brothers. Congratulations to Peter Feeney, Tom Malia, Paul Neun, and John Parisi. We obtained many new ideas from talking to the Grand Officers about rush and have begun committee work on a new program to be initiated next fall.

Congratulations are in order for Brother John Valuckas who recently married the former Miss Dianne Hemphill. Also congratulations to the brothers who recently became pinned: Douglas

Libby, Dean Frisco, Philip Hoepfner, and John Lauriat.

New officers were elected recently and they are: Regent William Gousse, Vice Regent Andrew Allegretti, Treasurer John Valuckas, Corresponding Secretary Gregory Gousse, Recording Secretary John Gantomasso, Historian John Lauriat, and Chaplain Dean Frisco.

The Connecticut Graduate Chapter of Kappa Psi held its annual Dinner-Dance Banquet two weeks ago. A number of brothers attended, but not as many as wanted to go because it was right in the middle of our Rush Period for the spring. Those who did go had a great time and met many of the graduate brothers.

Spring rush gave us 19 new pledges at tapping ceremonies. There were also five others who we wanted but they did not meet the scholastic requirements set by the I.F.C.

Fraternally yours,
JOHN LAURIAT, *Historian*

XI—OHIO STATE UNIVERSITY

The brothers of Xi Chapter extend their greetings to the men of Kappa Psi everywhere and wish all the best of luck for the remainder of the academic year.

During the past quarter Xi Chapter has been busy with plans to form a Columbus Graduate Chapter and will hold an organizational meeting Monday, April 8. All Kappa Psi alumni are urged to attend. In the planning stages were several professional programs dealing with public health. Earlier in the quarter, Kappa Psi sponsored a program in diabetic needs, fever thermometers, and surgical appliances. On Sunday, March 3, we held an informal closed dinner and heard a talk on all facets of insurance.

Xi Chapter would like to thank the brothers of Mu Omicron Pi at Wayne State University for acting as hosts for the Province V Assembly held in Detroit, March 28-31. We ourselves are preparing for next year's Province Assembly to be held in Columbus and hope all will be able to attend. We also extend congratulations to Brother Dave Siddle who was honored by being elected Satrap while at the convention in the Motor City.

To start the present quarter, election of officers for the upcoming year were held. Elected were: Mick Hunt, Regent; Tom Baker, Vice Regent; Phil Lutz, Secretary; Jeff Herbst, Treasurer; Dave Siddle, Chaplain; and Tom Hall, Historian. A "job well done" is in order for the outgoing officers. We would also like to welcome our newest pledge, Richard Bernie.

In addition to our work on next year's Assembly, we now find ourselves in the final planning stages for this spring's social function, a semi-formal dinner dance.

The baseball team has just wrapped up spring practice and is anxious to take the diamond. Although coach "Boot" Baker has yet to comment on the team's chances in the upcoming intramural tournament, it is generally conceded that this is the year that Kappa Psi will take all.

Until next time, we here at Xi Chapter wish you the best for the remainder of the year and continued success in promoting pharmacy and Kappa Psi.

Fraternally yours,
TOM HALL, *Historian*

MISS MARY ANN KOCI
Pi Chapter's Sweetheart of 1968.

PI—PURDUE UNIVERSITY

The brothers of Pi Chapter extend their warmest greetings to all the members of Kappa Psi.

Our height of social activity for the year was on March 16, 1968. Early in the evening Pi Chapter had its annual recognition banquet at "The Trails." Our guest speaker was William Bucke, who has been a member of Kappa Psi for fifty years. Our Grand Council Deputy, Dr. Stanley Shaw, also had a few words to say about Kappa Psi activity. At this banquet the new actives were recognized and given their pins. Paul Jones is our only new fifth year active. New fourth year actives are Ray Rokosz and Ron Testa. New actives from the third year are Dan Cunningham and Joseph Tuzikowski. The other new actives are Larry Grimwood, Bob Lemmon, and Fred Schwartz, all from the second year.

The next activity at the banquet was the swearing in of the 1968-1969 officers. Officers chosen to carry on Pi Chapter's good work include Regent Ed Spartz, Vice Regent Randy Erb, Secretary George Wood, Treasurer John Ruppert, Chaplain Bob Lemmon, Historian Ray Rokosz, Social Chairman Paul Kehr, Sgt.-at-Arms Larry Grimwood, Grand Council Deputy Dr. Stanley Shaw, Pledge Trainer Mike Culross, and Corresponding Secretary Dean Snyder.

Later in the evening, following the banquet, Pi Chapter held its annual Sweetheart Dance. This year the dance was open to all the pharmacy students at Purdue University. Several lovely young ladies were nominated for the title of "Pi Chapter's Sweetheart." All of the nominees received a dozen roses at the dance. Miss Mary Ann Koci, who is engaged to Brother Ed Siurek, was elected Sweetheart for the 1968-1969 year. Besides the dozen roses Mary also received a beautiful silver platter. The banquet and dance combination was very successful and en-

joyed by all. Special thanks from the chapter goes to Brother Mike Ayres who made the event so successful.

The month of March played host to another activity for Pi Chapter of Kappa Psi. On the 23rd of March, Pi Chapter held a seminar out at Knopp Lake from two until eleven. Many of the brothers got together and had one great time.

In closing, I wish all the brothers the best of luck for the remainder of the school year.

Your fraternally,
RAY ROKOSZ, *Historian*

RHO—UNIVERSITY OF KANSAS

Rho Chapter of the University of Kansas wishes to extend best wishes to all the men of Kappa Psi, and congratulations to those brothers who are graduating this year.

We started this semester off with the initiation of our first pledge class since our reactivation last spring. The sixteen members of the pledge class, who are now active are William D. Avery, Leland F. Bennett, Marvin E. Bredehoft, Patrick Carpenter, Gary C. Davis, Richard V. Green, Donald L. Harris, Warren L. Larson, Stephen M. Ashcraft, Ronald R. Bradford, Gerald A. Burtnett, Harry S. Dalke, Floyd M. Dame, William Droegemueller, James A. Krehbiel, and James O. McCreight.

Our basketball team made the campus intramural tournament this spring and even though we were eliminated we had a good time competing. A hand ball tournament and a three flight, eighteen hole golf tournament with trophies given on the three flights is planned for the middle of April.

Gamma Theta chapter at UMKC School of Pharmacy invited us to a party they had on the eighth of February. We had a very good time and wish to express our thanks to them.

New officers for the forthcoming year were elected March 22 and are: Regent Larry D. Martin; Vice Regent James F. Brungardt; Secretary Ivan D. Conover; Treasurer was tied between Marvin E. Bredehoft and Floyd M. Dame; Chaplain William Droegemueller; Historian Patrick Carpenter; Pledge Advisor Gerald A. Burtnett; Public Relations Harry S. Dalke; Athletic Director Quin C. Hostetler; Social Chairman Ronald A. Bradford; Scholarship Chairman Larry K. Wilkinson; Fourth Year Librarian David Kuhl; Fifth Year Librarian Robert G. Sumner.

Sunday, March 24, Rho sponsored a breakfast at the KPhA convention, which was held in Topeka, for Kappa Psi alumni of KU who were attending the convention.

Our spring banquet this year will be May 11. The featured speaker is Grand Ritualist Doughty of the University of Kentucky College of Pharmacy. Awards and scholarships will also be announced and given out during the banquet.

With summer approaching we hope all brothers have an enjoyable summer and profitable fall term.

Fraternally yours,
PATRICK CARPENTER, *Historian*

PSI—UNIVERSITY OF TENNESSEE

Greetings again to all the chapters of Kappa Psi from our chapter at the University of

Tennessee. We hope that all brothers thus far are enjoying a successful year in pharmacy. On March 27, Psi Chapter had it's spring quarter initiation for 25 pledges. They are Bill Barker, Jim Beck, Jim Bramble, Bobby Bryant, John Buckner, Jim Bundy, David Cloyd, Ronald Cooper, Richard Downey, Chris Gilbert, Byron Henley, James John, Don Kilday, Oscar Manuel, Whit Middlecoff, Eddie Montgomery, Sherman Napier, Bill Potter, Fred Powell, Carl Schuler, Harold Smith, Larry Smith, Mike Walker, Richard Williford, and Ronald Zumstein.

Again this year Psi Chapter is struggling to win the intramural crown at the Medical Units of Tennessee. At this time we are in second place with only a few points separating us from the leader. With only the events of softball, track, and badminton left we have a good chance of capturing the crown.

The U-T campus and the Student APhA this year is sponsoring a Drug Abuse Information program with the purpose of visiting and informing high schools and civic or religious groups of the tremendously increasing drug abuse problem. Several of the brothers of Psi Chapter have served on these programs. They are Lonnie Lepley, Eddie Harris, Bill Kirken-doll, and Ray Laughters.

On May 11, Psi Chapter will again sponsor it's second annual "All Pharmacy Day." We have invited all prospective candidates for admission to the U-T College of Pharmacy to visit the campus, living facilities, and other details. This introduces these students with the layout of the campus, living facilities, and other details. This also gives them a chance to meet the brothers of Kappa Psi and some of their future classmates. This year with the aid of the alumni of Psi Chapter we hope to also have a luncheon for these prospective students.

Also in early May the All-Pharmacy Party at U-T will be held. Awards and congratulations will be presented to outstanding seniors. This is the biggest social event of the year for the College of Pharmacy and everyone is looking forward to it.

We of Psi Chapter wish all other brothers the best of luck the rest of the school year and this summer.

Fraternally,
VAN COOPER, *Historian*

OMEGA—RUTGERS UNIVERSITY

With the arrival of June, comes the close of another school year. At this time it seems appropriate that we remember our senior class students. We at Omega wish to congratulate the 14 members of our chapter and all fellow brothers of Kappa Psi who will graduate this June. We wish you the best of luck in the professional careers that lie ahead of you!

At Omega, congratulations are also in order for Tony & Michelle Grazianno who were married on March 18, and John Favetta and Kaye Marziale who became engaged on St. Valentine's Day.

Michelle was last year's Sweetheart Swing Queen. The Sweetheart Swing is an annual event which Omega Chapter sponsors for the benefit of the Essex County Heart Fund. This year it was held on February 24 at Joe's Restaurant in Bloomfield, New Jersey. Because of this

event \$120 was raised and donated to the Heart Fund.

Howie Markowitz was honored this past semester by being named the first team guard on the IFC all-star basketball team. Howie's all around team play led Kappa Psi to a second place finish in the league. Howie was also last year's first team all-star softball pitcher. He and Phil Marziale, last year's first team all-star center fielder, have formed a Kappa Psi team which is expected to win its 10th IFC softball championship in the last 11 years. At the time of the writing of this article only one game has been played, which was an easy 5-1 victory over DST.

On April 7, Hell Night was held. On April 11, eight men were initiated as brothers of Kappa Psi. During this same week, after the day of April 7 and Hell Night, when all pledging had ceased and these men had been accepted as brothers of Kappa Psi, they placed a sign in the main lounge of the College of Pharmacy Building. It was a declaration, a fraternal goal and challenge they had taken upon themselves. It read:

KAPPA PSI IS NUMBER ONE
(the ex-pledges)

Don Vicaro	Ralph Caprio
Joe Varcadipane	Walt Tripp
Bill Goedecker	Glenn Hofstrom
Carl Arlotta	George Ruggeri

Yours fraternally,
RON WOZNIAK, *Historian*

**BETA DELTA—ALBANY COLLEGE
OF PHARMACY**

We bring greetings to our brothers in Kappa Psi across the nation. With the beginning of spring thoughts turn to out-door parties, week ends and all else such—not however to studying.

We brought to the attention of the brotherhood, in the last issue, the news of the retirement of Brother Lauren Hanmer from our faculty. It now becomes our duty to report the retirement of another brother from the faculty of A.C.P. Rudolph R. DelGiaco, M.D. (Beta Delta 1946) and professor of public health at the college has announced his resignation.

Dr. DelGiaco attended Siena College but later transferred to the college where he received the degree of B.S. in Pharmacy in 1946. He then entered Albany Medical College from which he graduated in 1950 with the degree of Doctor of Medicine. Dr. DelGiaco then served a rotating internship at St. Peter's Hospital in Albany throughout 1951, after which he accepted a fellowship in pharmacology at the University of Rochester School of Medicine. He received the honorary degree of Doctor of Humane Letters from Siena College in May of 1965. His wealth of education has been enhanced also by a course in Radiation Physics at the VA Hospital in Albany, and service as a research associate in Biochemistry at the Albany Medical College. Dr. DelGiaco practiced internal medicine for a decade in the Albany area prior to his present position as Medical Director of St. Peter's Hospital. He married the former Miss Claudia Stafford (A.C.P. 1944) who was also at one time a member of the faculty and is now a staff pharmacist at St. Peter's Hospital. They have six children.

On April 4, 1968 it was our privilege to honor both Professor Hanmer and Dr. DelGiaco for their long and faithful service. A tribute dinner was held at the Sheraton Inn Towne in Albany and many brothers were in attendance, both collegiate and graduate. The speaker for the occasion was none other than Brother Francis J. O'Brien whose retirement as dean we were commemorating at this time last year. Dean O'Brien brought out certain facets of both Professor Hanmer's and Dr. DelGiaco's lives which the majority of the brothers had not seen or heard before. Dr. DelGiaco was presented with a Sterling Silver Serving Tray suitably engraved with the brothers' sentiments. Professor Hanmer was presented with a gift of cash collected from the brothers as he will be moving back to Dundee in June and as Regent Schur put it so eloquently . . . "He has enough antiques and junk so that it's all but impossible to find a seat now, so we thought he could use this to subscribe to some of the journals which he enjoys."

Other activities include two beer parties, one a closed party for the brothers at Crooked Lake with swimming throughout the afternoon then a buffet in the evening. The other beer party was open to the school and was scheduled in conjunction with the Junior Prom which was held on the following Saturday night.

The following men will be installed as officers at our installation dinner in late April, namely, Russ Cranston, Regent; Steve Morgan, Vice Regent; George Crittenden, Corresponding Secretary; Jim Robinson, Recording Secretary; Tom Clement, Historian; Bob Single, Treasurer; Bill Fischer, Assistant Treasurer; John Tagliaferri, Pledgmaster; Jim McGuinness, Chaplain; and R. V. DeNuzzo, Grand Council Deputy.

Coming up on May 3 and 4 is our biggest social function of the year, the Annual Sweetheart Weekend. The weekend will be held this year at the Crooked Lake Motel.

This concludes my term of office as Historian of Beta Delta. I think I speak for the rest of the outgoing officers of the chapter in saying "Thanks" for the support and help when we needed it.

Fraternally I remain,
WILLIAM C. WILLSON, *Historian*

**BETA EPSILON—UNIVERSITY OF
RHODE ISLAND**

The brothers of Beta Epsilon have just completed a whirlwind rushing program as finalization of bids was made April 5. Early indications are that most of the bids will be accepted.

Highlights of the program, engineered by Pete Duquette, were "down the line" smokers at Brother Dr. Howard Bond's house. Regent Lynn Davis outlined the ideals of Kappa Psi and elaborated upon the accomplishments of our chapter.

Our annual banquet is planned for the middle of May when new officers will be installed. Also the end-of-the-year beach party is being planned for.

Our next Newsletter will inform all Kappa Psi's of our new pledges and new officers.

Fraternally,
KENNETH SKELLY, *Historian*

BETA ZETA—OREGON STATE UNIVERSITY

Greetings from Beta Zeta chapter.

The men of Beta Zeta have been very busy this past winter term and we have a number of projects to work on in the time remaining this school year.

The Apothecary Ball, a Kappa Psi sponsored dance held annually, was presented on April 6, and was a very successful function. This will mark the first time in a number of years that we have been successful financially. The brothers who worked on the various committees did a great job and all the members did well selling tickets. We owe many thanks to independent businesses and manufacturers who generously donated merchandise for door prizes this year.

The next event which the brothers will work on and put in many hours is the spring Blood Drive. This is to take place April 15, 16, and 17. We erect the equipment used and assist in the drawing at various jobs and then dismantle and pack away all the equipment once more. This is done in conjunction with the Red Cross. A new record was set in the fall for pints collected and we hope to surpass that in this drive.

Beta Zeta will assist the Cancer Drive in May by canvassing neighborhoods and collecting donations. We were asked last year to aid in this drive and feel it is a good way to continue to serve the community and to further the image of pharmacy and Kappa Psi.

Nine members made the winter term Honor Roll by achieving a 3.5 G.P.A. or better. Those listed were Brothers Larry Heinonen, Dell Alexander, Larry Gayton, Jess Stewart, Kalman Kallay, Bill Frenzel, Roger Lohman, John TenPas, and Hans Wiik. They are to be congratulated for their fine effort.

The brothers will journey to Portland to visit the Graduate Chapter there on April 24. Installation of new officers and initiation of new members will take place at this time. Following this a tour of Portland night spots will undoubtedly take place.

As retiring Historian I would like to extend my wishes for a very successful year, and on behalf of the other outgoing officers and members, say that we are confident the new officers will work hard for the Fraternity and carry on the traditions of Kappa Psi.

Respectfully submitted,
JIM BAILEY, *Historian*

BETA ETA—WEST VIRGINIA UNIVERSITY

Greetings once again from Beta Eta to all brothers of Kappa Psi. The brothers of Beta Eta were host for the 1968 Province III Assembly here in Morgantown, on March 22-24. Twenty-nine delegates from Iota, Medical College of S.C.; S.C. Graduate; Gamma Xi, U. of S.C.; Beta Xi, U. of N.C.; Theta, Medical College of Va.; WVU Graduate; along with the 57 brothers of Beta Eta of WVU took part in the convention. Mr. Robert Auger of the National Executive Committee represented the National Fraternity.

On Friday evening, the delegates were provided with dates and treated to a party with music being provided by "The Avengers". The business session officially opened on Saturday morning at 9 A.M. A word of welcome to the delegates was extended by Dr. R. O. Bachmann, Dean; Dr. A. C. Core, Advisor; and Bruce W.

Sterling, Regent of Beta Eta. The morning session ran smoothly, with a coffee break with more business transacted before lunch. After lunch, a complete tour of the School of Pharmacy and the WVU Medical Center was provided.

The busy afternoon session saw reports of the year's activities of each chapter read. From the report, the Executive Committee chose the "Most Active Chapter Award". This year, Iota Chapter won the award. Next was the election of officers for Province III. The new officers are: James D. Seymour, Satrap, S.C. Graduate; Dean Warden, Vice Satrap. Theta; Joseph Edwards, Secretary, Beta Xi; John Friedl, Treasurer, Beta Eta; Ben Few, Historian, Iota; and Robbie Hubbard, Editor of the Newsletter, Iota. The 1969 Assembly will be hosted by Iota Chapter, and 1970 by Beta Xi.

Saturday evening at 6:30 P.M., Beta Eta treated all the delegates to an "Attitude Adjustment Hour" at the Holiday Inn. A charcoal broiled T-Bone steak supper was served to all delegates and all Beta Eta Brothers. Dr. Michael Musulin was the toastmaster, and as usual he had the crowd in "stitches". James D. Seymour, Satrap, then introduced the new Province III officers. Mr. Seymour also made the statement that this year's Assembly was "the best planned and executed convention the Province has ever had".

Bruce Sterling, Regent, then introduced and thanked his officers for this past year for their fine work and cooperation. Next he introduced and thanked the convention committee—Terry Kurtz, Frank Lambert, Ron Michels, John Miller, David Coverlee, Scot Anderson, Charlie Turk, Chuck Lynch, Cliff Hardesty, and Steve Crawford. Next James Seymour, Satrap, presented Bruce Sterling of Beta Eta with a certificate for "Outstanding Service to Kappa Psi Province III". This was the first time an award of this type was ever presented. The program was completed with Dr. Musulin pointing out "that if we carry our fellowship and friendship as displayed here this weekend, out into the practice of pharmacy, then the future of pharmacy has nothing to fear".

Also of interest was the initiation of 13 new brothers on March 21, 1968. The pledges initiated were: Bernard Browning, Charles Frazier, James Arnold, Thomas Batik, Jerry Bowers, Dominick DePolo, John Friedl, Richard Glasgow, David Haines, Alan Hawkins, Carl Hedrick, Jerry McMunn, and Donald Pullin.

We also want to wish all 25 of our brothers that will graduate in May the best of luck.

Fraternally yours,
THOMAS HARE, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

The brothers of Beta Kappa Chapter send their greetings to all brothers in Kappa Psi, but we also join all in Kappa Psi in expressing our sorrow on the death of Grand Regent Walter R. Williams.

The last three months have been busy for Beta Kappa Chapter. The trimester began with the spring rush program. The brothers held a formal shishkebob dinner as part of the rushing. Nine new men have been inducted from the pledge class: Dom Brasile, Len Fogelsonger, Rick Miller, Vince Oriolo, Matt Purpura, Mike Ross, Denny Sebastian, Kirby Stiening, and

George Thompson. Beta Kappa Chapter joined with the brothers of Delta Epsilon Chapter at Duquesne in participating in Pittsburgh's Career Fair. This event, held at Pittsburgh's Civic Arena, introduces high school students to a variety of career opportunities. Our Annual Spaghetti Dinner, held by the collegiate chapter for our graduate members, was an overwhelming success. Being able to talk to our elders in the profession is certainly a privileged experience. Later in the week the brothers relaxed at a wine and cheese old-time movies party. In mid-March the older brothers held a steak and lobster dinner for the 20 men who became members this year.

With the election of officers our eyes turned from this year to next year. Newly-elected officers are: Dave Sweeney, Regent; Dave Butler, Vice Regent; Tom Ague, Secretary; Jay Smith, Treasurer; Kirby Stiening, Historian; Dr. Ralph Blomster, Grand Council Deputy; and Bob Kiel, House Manager. As we say farewell to our nine graduating brothers, we look forward to a large pledge class and hope for 50 active brothers by this time next year. A newly-formed Professionalism Committee will set the pace for next year's programs. Also, the brothers are trying to find a new house to replace our aging, coal-burner.

As our school year ends, the brothers of Beta Kappa Chapter wish all brothers who are graduating future success and wish all a happy and prosperous summer.

Till next fall I remain,

Fraternally yours,
KIRBY STIENING, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

The brothers of Beta Xi extend fraternal greetings to the men of Kappa Psi everywhere.

Beta Xi is proud to announce the initiation of new brothers from our fine fall pledge class. These are: Douglas Ray Boyette, Kenley; Larry Alan Cline, Boone; John Eldridge Nance, Durham; Donald Ervin Royster, Trinity; Randall Scott Teague, Taylorsville; James Keith Williams, Benson; James Craig Hayes, Marietta; Larry Grayson Hill, High Point; Clyde Thomas Oakley, Jr., Roxboro; and Steven Richard Moore, Jamestown. Congratulations to the new brothers of Kappa Psi.

We are all aware that a fraternity will rise or fall by the actions of its officers, and we are justly proud of the conduct and leadership the chapter has enjoyed under the Regency of Charles Rhoden this past year. Brother Rhoden has now been succeeded by Brother Frederick Joseph Rachide, who is also president of the Pharmacy School Student Body. Other new chapter officers are: First Vice Regent, George Bishop Albright; Second Vice Regent, J. Michael Harper; Secretary, Joseph Frank Burton; William Gibbs Pittman, Treasurer; Chaplain, Ralph Thomas Leonard, Jr.; Pledge Master, William H. Harrison, Jr.; House Master, Samuel Franklin Hauser; Intramural Manager, James Bedford Bryant; Social Chairman, Joseph H. Edwards; and Historian, Benajah Scott Lamm. Beta Xi is again fortunate to have Dr. Fred T. Semeniuk as our Grand Council Deputy.

Beta Xi is pleased to announce the pledging of the following men: Kenneth Joel Parks, Lex-

ington; Larry Eugene Elliott, Kernesville; William Edward Brady, Laurinburg; and Jesse Miller Pike, Jr., Concord.

This year's Providence III Assembly was held in West Virginia, March 16-17. The University of North Carolina was well represented by Buck Murchison, Joey Edwards, Jim Hayes, Randy Teague, Larry Hill, and last year's Secretary Jack Morgan. We were fortunate to have Joey Edwards elected as this year's Secretary. Next year's Assembly will be held at the Beach in South Carolina.

On our social calendar, Beta Xi had a beach week-end and a Pajama Party recently, but naturally, the biggest weekend of the year came March 29-30 when Beta Xi held its annual Pledge Weekend. Friday night heralded a banquet and dance at the Holiday Inn in Chapel Hill. Music was furnished by Prince Paul and the Imperials. Friday night was also awards night with Randy Teague getting the Best Pledge Scholarship award by virtue of his last semester's 3.7 quality point average. Sam Hauser received the Best Pledge Award. Jim Hinson received the Best Athlete Award. Charlie Rhoden received the award for the senior who had contributed the most to the house, and the Past Regent's Award. The Conway Ferrell Award was presented to Tim Kroboth. Numerous other awards of a humorous nature were given.

Our deepest thanks go to Alumnus Bill Mast who donated a new ice machine for the house.

Beta Xi's entry for Ugly Man on Campus, Steve Moore, is currently eighth in the competition. The Ugly Man on Campus Contest is held annually to raise money for the Campus Chest. The winner of the contest gets a date with one of the campus beauty girls.

Kappa Psi at North Carolina embarked on a new era of public service this year by helping distribute literature for Poison Prevention Week, March 17-23. The house set up a booth in the Pharmacy School, the YMCA, and the Eastgate Shopping Center.

On Wednesday, April 10, Beta Xi made its annual trip to the Durham Cerebral Palsy Hospital, where we had an ice cream party with the children.

In continuing our high level of participation in campus affairs, Beta Xi recognizes Brother Doug Boyette who was recently elected to the office of President of the Professional Interfraternity Council.

Best wishes to all Kappa Psi brothers over the Easter vacation and in the coming exams.

Fraternally yours,
BENAJAH LAMM, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

Spring quarter is upon us once again, and naturally the thoughts of all the brothers turn away from school and to the immediate present and, for some, the thought of graduation and what follows. Seventeen of our number will receive diplomas in June. They are Brothers Bassett, Carboneau, Colton, Eidson, Hill, Jolly, Jones, Keith, Mendenhall, Nelson, Newell, Nye, Peters, Reitch, Siegfried, Simons, and Soderblom. We will miss all of them, but especially Sid Nelson, who served so ably as our Regent this past year.

March 27th was the election of our new slate of officers for the year. They are: Regent, Andy

Hendrickson; Vice Regent, Don Palmer; Secretary, Paul Hiranaka; Treasurer, Pete Blake; Historian, Jim Kousbaugh; Chaplain, Stan Trudeau. Special congratulations go to Andy Hendrickson for being the only officer in our history to be elected by acclamation and to the outgoing officers who led the chapter to its most successful and expansive year yet.

Spring quarter will see an active schedule for the chapter. Our initiation will be held on April 25th, followed by the banquet honoring all the new members of the chapter. This year the banquet will be held at the new University Towers Restaurant. On the 3rd of May will be our Spring function which will be a dinner followed by a Ferrante & Teicher concert at the beautiful Seattle Opera House. Winding up the quarter and the year is our annual College of Pharmacy picnic, sponsored by Beta Omicron Chapter. This event owes its popularity to the chance it gives the students to meet their TA's on the opposite sides of a volleyball net or the batting end of a well-pitched baseball. Speaking of baseball, our undefeated softball team will play its first game next week in search of something we did not find last year—a victory.

In closing, the brothers of Beta Omicron hope that all of our other brothers across the country reach all their set goals—in the case of our Brothers Wilson, Fuller, and Jolly, fiancées and a bride, respectively.

Fraternally yours,
JAMES D. KOUSBAUGH, *Historian*

BETA PI—WASHINGTON STATE UNIVERSITY

Greetings to fellow brothers of Kappa Psi.

The spring semester has been very active for the members of Beta Pi Chapter. Several prospective members attended a pledge meeting on February 14. On March 6, an initiation banquet was held at the Oriental Restaurant in Pullman. Those initiated are as follows: Mike Ball, Stephen Bobbink, Gary Boozer, Wayne Clemens, David Cox, Norman DeGraaf, Richard Doane, Roger Glaser, Bill Knirk, Richard Koller, Randy Lonborg, Lonnie Olson, Ray Schoessler, Lloyd Smith, Randy Strait, and Dennis Zimmerman.

The Apothecary Ball was held on March 23 at the Royal Restaurant. It was a successful function even though the services usually offered the chapter at the student union building were missed. The student union building is presently under construction.

Many of the brothers of Beta Pi participated in the annual basketball game between the pharmacy students and the veterinary medicine students. The pharmacy students won this year's battle.

Beta Pi extends its hopes that you will have a successful spring.

Fraternally yours,
ARTHUR L. GURTLE, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

Beta Rho extends fraternal greetings to the brothers of Kappa Psi.

Our chapter has really been busy so far this spring semester. On March 16, 1968, Beta Rho along with Phi Delta Chi held our spring formal, which was most successful. Again on April 6 our chapter had a party which primarily was for the actives who are seniors and will be grad-

uating this May. Then on March 30, Pharmacy Day was held. Beta Rho was in charge of the Radioactivity exhibit.

Beta Rho recently initiated into the Fraternity, Dr. I. W. Waters, a faculty member. We are very proud to have him. Our chapter now has forty-two active members, with four of this number being initiated earlier this semester. The new actives are: Cecil Walley, Danny Dedamen, Benny Dedamen, Richard Waller. We also have twelve pledges this semester.

Last November, the chapter was shocked by the loss of Sidney Davis, a pledge, who died after playing sandlot football with a group of friends. Beta Rho has sent three hundred dollars to his wife who is expecting their baby the first part of this summer. We hope that an additional seven hundred dollars can be sent to his wife to help with all her problems.

The actives, who are seniors, are looking forward to their trip to New York in April. This trip will acquaint them with pharmaceutical manufacturing processes and procedures.

The men of Beta Rho extend best wishes and continued success to all the brothers of Kappa Psi.

Fraternally yours,
THOMAS O. HORN, *Historian*

BETA SIGMA—NORTH DAKOTA STATE UNIVERSITY

Fraternal greetings to the brothers of Kappa Psi from the brothers of Beta Sigma.

It was recently our pleasure to welcome 14 new members into the brotherhood of Kappa Psi. They are Lance Bangen, Gary Benson, Jim Capistran, Jerry Clark, John Dahlgren, Gary Eisenach, Richard Engen, Joe Farrell, Vic Jannik, Mark Johnson, Louis Leta, Richard Mobroten, and Mike Warner. We have three new pledges: Glen Jorde, Joe Slama, and Larry Snyder. This gives our pledge class a total of 12 members, and the active chapter is now about 60 strong.

We recently undertook a professional project in conjunction with National Poison Prevention Week. Displays were set up in local drug stores along with free literature. The project was quarterbacked by outgoing Vice Regent Forrest Loeffler.

At this writing Beta Sigma is in fifth place in the NDSU intramural standings. A new sport this spring is wrestling. Other sports we will be participating in are softball, tennis, track, and golf. Once again Beta Sigma captured the traveling trophy awarded annually to the winner of the Kappa Psi—Pharmacy Faculty Bowling Tournament.

Our main social event this spring is the formal Sweetheart Ball to be held on April 27th at the Holiday Inn. By the time this writing is published, one of the following candidates will replace Jeannie McDonald as our sweetheart: Carol Coon, Kay Dorrance, Linda Dahl, Judy Lind, Karen Tritchler, or Mary Wallace.

We will be actively participating in Sharivar (all university open house) this year. Dwight Mundy is Sharivar chairman for the college of pharmacy and most of the brothers are helping with various displays and demonstrations in the different departments.

We are anxiously awaiting and preparing for Greek Week which will be held early in May. Highlights of the week are Spring Sing, Sigma

Nu Relays, dinner exchanges, an all Greek dance, house parties and other miscellaneous parties.

New officers have recently been elected and installed. Paul T. Carlson succeeded Tom Mikkelson as Regent. Others elected were Dave Gall, Vice Regent; Cale Shipman, Treasurer; Chuck Gress, Secretary; Rodney Roseneau, House Manager; Alvin Selleck, Kitchen Manager; Jerry LaRock, Social Chairman; Tom Reiter, Pledge Trainer; Peter Henrickson Assistant Treasurer; Jim Haggerty and Dwight Mundy, Co-Rush Chairmen; Mike Hanson, Chaplain; Wayne Nelson and Steve Kessel, Co-Athletic chairmen; Bob Porter, Corresponding Secretary; Bob Kuntz, Newsletter Editor; Larry Nelson and Allen Udem Co-Historians.

Our past regent, Tom Mikkelson was recently awarded membership in Blue Key Honorary Fraternity. Many of the brothers are working on the Blue Key production of Rodgers and Hammerstein's "Carousel."

The brothers of Beta Sigma would like to wish all our Kappa Psi brothers a fruitful spring and the best summer ever!

Fraternally
LARRY NELSON AND
ALLEN UDEM, *Co-Historians*

BETA PHI—UNIVERSITY OF CINCINNATI

Once again Beta Phi Chapter extends fraternal greetings to all brothers in Kappa Psi.

The men of Beta Phi Chapter have been working fervently since the beginning of the year. Our newest and biggest undertaking, the First Annual Sweetheart Ball, resulted in Miss Alice Rose of Kappa Delta Sorority being chosen to represent Kappa Psi on the University of Cincinnati campus. The dance, a formal held in February, was a huge success, and the brothers were delighted with the presence of Grand Ritualist Richard M. Doughty of the University of Kentucky.

We now find ourselves in the midst of Spring Rush, with its parties, smokers, and the general meeting of prospective pledges. Formal pledging will take place on Tuesday, April 9th. During the pledge period several activities are planned. Late in April several brothers and the pledges are planning a trip to Gamma Delta Chapter at Ohio Northern University for a general get-together. Later on in the spring, the annual pledge-active softball game will take place.

In the latter part of May, Beta Phi will hold its Annual Founder's Day Banquet. Beta Phi Chapter appreciates the interest that Brother Doughty has shown not only to our chapter, but to the entire Fraternity.

Also on tap this spring is an exchange dinner with Kappa Delta Sorority, several fund-raising drives, such as the sale of Pharmacy Intern Badges, College of Pharmacy Sweatshirts, and a booth in the Annual Sigma-Sigma Carnival, held on the U.C. campus.

Several brothers of Beta Phi Chapter attended the Province V Convention in Detroit, Michigan, and related that, as usual, a great time was enjoyed by all. Those attending included Brothers Bob Dreager, Dana Weaver, Mark Karl, Steve Bjornson, Jeff Horschler and Tom Humphries. Congratulations are extended to Brother Weaver for being elected Historian of Province V.

In closing, all the members of Beta Phi Chap-

ter extend greetings and good luck to all brothers in Kappa Psi. Until the next issue of THE MASK, I remain,

JAMES P. SCHUBERT, *Historian*

BETA CHI—DRAKE UNIVERSITY

Much has happened here at Beta Chi Chapter during the past few months. On February 14 the following officers were elected: Regent—Carl Jakopec, Vice Regent—Randy Markward, Secretary—Ron Nissen, Assistant Secretary—Steve Herwig, Treasurer—Jack Harris, Pledge Trainer—Stan Weimer, Assistant Pledge Trainer—Gary Malick, Historian—Robert Rotoloni, and Chaplain—Bruce Ewald.

Nine men were initiated into Kappa Psi on March 13 at the Hotel Commodore here in Des

Moines. They are Carl Bauman, Chuck Bender, Steve Cover, Greg Gulyer, Bill Johnson, Jerry Lindsay, Joe Mensik, Don Reed, and Mark Swenson. Jerry Lindsay received the award as the Outstanding Pledge of his class.

The Poison Prevention Week program was a huge success. Hal Greaif, who was in charge of the week's activities, reported that over 500 kindergarten pupils were contacted by the several teams sent out to the various schools. We have received letters from parents and teachers commending us for the project. The program received publicity both on the local television stations and in newspapers. The Des Moines School Board backed up the program completely and have expressed their feelings that the program was a success and that next year they will participate to even a greater extent.

Work has begun on a Relay Float being built with the Gamma Phi Beta Sorority. The design calls for a huge slipper to represent the "Cinderella" theme of the float. The Parade is scheduled for April 27. Brother Greaif, who is in charge, has expressed the feelings of the chapter by stating he believes we will have another winner.

Fraternally,
ROBERT ROTOLONI, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Beta Psi Chapter wishes to extend to all brothers our hopes that final exams will treat you well and that the following summer will be

enjoyable. In February, Beta Psi welcomed 13 new members into the collegiate chapter and four new members into the graduate chapter. The new collegiate brothers are William Bass, Robert Braun, Thomas Ehrhardt, Dennis Galarowicz, Arthur Kimbel, Bruce Laird, Robert Repka, James Sanders, Brent Schroeder, David Schroeder, Robert Schultz, and Terry Wyderka. The new graduate brothers are Ken Look, Thomas Mikkelson, Charles Pearson, and James Proeber.

At the activation banquet, the pledges presented the chapter with two new lamps for the house and also a rather unusual gift in the form of a small black puppy named Toby, the new Beta Psi mascot.

Beta Psi also extends congratulations to Professor D. Perlman who was recently appointed as the new dean of the School of Pharmacy here at the University of Wisconsin. We are all very confident that Professor Perlman will carry on in the fine tradition of the School of Pharmacy.

Socially, Beta Psi has been very active this semester. Some of the semester's highlights included several beer suppers, one of which was with the Kappa Epsilon girls, at which live music was provided by none other than the talented Kappa Psi Quintet. There were also many band parties, two of which featured the Grapes of Wrath, Wisconsin's number two band. The main event on this semester's social calendar is the Spring Formal which will be held on April 26, at the Double H Steak Ranch. At the Formal, the Sweetheart for the following school year will be announced and a good time will be had by all.

At this time the brothers would also like to extend formal congratulations to Brothers James Berg and Jerry Huhn who recently stepped into that beautiful state of bliss and happiness, matrimony. In all seriousness, however, we are all very happy for them, and their wives are a fine addition to the list of Kappa Psi Sweethearts.

Once again, the brothers of Beta Psi hope that all of the brothers will enjoy a happy and prosperous summer.

Fraternally,
CRAIG B. PEOT, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

Greetings from the brothers of Beta Omega. We have been busy since the last issue of THE MASK planning our annual Spring Formal. This year the affair will be held at the Richsaw Inn, Cherry Hill, N.J. on Saturday, April 20th. Although it will be history when this issue is published, we are in the midst of the planning now. We are looking forward to seeing many of our alumni this year. This year we will be honoring four of our Charter Members. As a precursor to the dinner-dance we are having a champagne party at the house.

Our rushing this year brought to Beta Omega 13 brothers for the first semester and three pledges for the second semester. This is almost half of the eligible members of the first year students—the better half. Our new brothers include: Rich Bryan, Chester, N.J.; Joe Burge, Shenandoah, Pa.; Ed Budzynski, Philadelphia, Pa.; John DeMaio, Chester, Pa.; Jim Deppen, Harrisburg, Pa.; Joe Dugan, Philadelphia, Pa.; Al Helmecki, McKeesport, Pa.; Pete Lemke, Tremont, Pa.; Ron Lewullis, Shenandoah, Pa.; Howard Nesbitt, Wilkes-Barre, Pa.; Dave Novit-

sky, Olyphant, Pa.; Joe Polinsky, Philadelphia, Pa.; Wayne Kiser, York, Pa.

Kappa Psi made a fine showing in the Temple Professional Schools Basketball League with Brother John Trzesniowski of Nanticoke as second high scorer. We are now playing in the Intrafraternity Pharmacy League and have begun by defeating Rho Pi Phi, Alpha Zeta Omega and Phi Delta Chi.

Four of our brothers have become engaged. Brothers Charles Irrera ('68) plans to marry Marianne Rinaldi in the fall. Brother Edward Kappen ('69) and Linda Lockwood have become engaged. Brother James Deppen ('70) and Judy MacGregor are also getting ready for the big step. Brother Peter Arcuri ('65) and Barbara Menovich are getting married in July. Brother Arcuri is a graduate student in pharmacology at Temple.

In elections held on April 2nd we elected officers for the upcoming year. Don Frost ('69) is our new Regent, Gary Croft ('69) has been elected Vice Regent, Jose Gonzalo ('69) has succeeded himself as Secretary, Dave Novitsky ('70) is our Treasurer, John Demaio ('70) was elected Chaplain and I was elected Historian again. We have also elected Dr. Tully Speaker as Grand Council Deputy and Dr. Ronald Gauteri as Assistant Grand Council Deputy. Dr. Speaker is professor of physical pharmacy and Dr. Gauteri is the assistant professor of pharmacology. We would like to extend our thanks to Dr. Theodore Kalleis and Mr. John Lynch for their years of service to Beta Omega as Grand Council Deputy and Assistant Grand Council Deputy, respectively. Both have been a great help to us and we appreciate their contributions.

We would like to congratulate our graduating brothers and wish them luck in their future plans. They are Joe Boyle, Mahanoy City, who will enter Temple Dental School in September; Dave Burke, Philadelphia; John Cooper, Mahanoy City; Tony Giardina, Pittston, who is entering Philadelphia College of Osteopathy; Charles Irrera, Philadelphia and John Yuscavage, Mountain Top.

We hope all brothers will enjoy summer vacation and have a successful school year.

Fraternally yours,
LEN O'HARA, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

All the brothers here at Gamma Delta extend warm greetings to all of our Kappa Psi brothers. Spring is upon us again and activities seem to be mounting.

Chosen to be our Sweetheart for this year was Carlye Farmer, wife of Brother Chuck Farmer. In February, at our Sweetheart Dance we presented to Carlye the Kappa Psi Sweetheart Pin, a first for our chapter. This pin will be passed on to successive Sweethearts in the future.

Recently elected officers for the coming year are: Jerry Ritzman, Regent; Jeff Haller, Vice Regent; Tim Hacker, Treasurer; Terry Reed, Secretary; Jeff Carty, Social-Chairman; John Jonsco, Sports Manager; and Robert Mabe, Librarian-Historian.

The weekend after spring vacation, we attended our Province V Assembly. This year Mu Omicron Pi of Wayne State University hosted the convention. Elsewhere in this issue is a re-

port on the proceedings of this convention.

Congratulations are in order to seven recently initiated brothers: John White, Oberlin, Ohio; Andy Mathis, Wooster, Ohio; Robert Wivagg, Elizabeth, Pennsylvania; Dave Hill, Twinsburg, Ohio; Dave Baumlein, Findlay, Ohio; Ron Smetana, Portland, Indiana; and Dave Dennis, Columbus, Ohio.

Currently several committees of the brotherhood are working on two projects. One is the establishment of a "Hall of Deans" in the lobby of the pharmacy college and the other is an attempt to work out methods by which we, as a fraternity and as representatives of the college, can cooperate with the university to help recruit pharmacy students to Northern.

Brother Mike Hoopes was chairman of this year's Campus Chest. This is a campus effort to raise money through staging a carnival and auction for World University Service and other charities. Brother Hoopes also has been elected vice-president of the Interfraternity Council on Campus.

Socially speaking, six brothers gave up their independence to become pinned. Also, Brother Bruce Kolbe announced his engagement to Miss Karen Keefe of Wooster, Ohio, and Brother Reed Volk and Nancy Glidden Volk were joined in marriage December 23, 1967. As can be seen it has been a very active quarter, socially.

Sports-wise, we haven't been up to snuff. In basketball we came up in fourth place, while in wrestling we ended up in eighth place. Coming up soon will be softball, track and tennis along with ping-pong, badminton, and golf. We might still have a chance to win!

Yours in Kappa Psi,

ROBERT MABE, *Librarian-Historian*

GAMMA EPSILON—UNIVERSITY OF NEBRASKA

Gamma Epsilon Chapter extends greetings to Kappa Psi members everywhere. It's a warm and windy spring in Nebraska, as usual, and most Kappa Psi brothers are anxiously awaiting a week of spring vacation.

New chapter officers were elected February 26 and formally installed on March 4. The following brothers were elected: Regent—Charles Krobot; Vice Regent—Jim Beins; Secretary—Gary Schroeder; Treasurer—Dennis Wells; Historian—Mel Menke; Chaplain—Jerry Nygren; and Sergeant at Arms—Gary Gilmour. Pledge trainers are James Brooke and Mark Cave.

The Spring Smoker for prospective Kappa Psi members was held March 21 and merited five new pledges. A get-acquainted party was held April 5, hosted by Brother Dennis Wells. The formal initiation and banquet is slated for the evening of April 24. New brothers will be Duane Crithfield, Gaylen Fredrickson, David Hasebrook, John Mueller, and Michael O'Brien.

Several brothers plan to attend the Annual Kappa Psi Breakfast the morning of May 8 while at the National APhA Convention being held in Miami, May 5-10. Brothers planning to attend are: Dr. Patrick Wells, James Brooke, Don Powell, Gary Snodgrass, Gary Gilmour, and Dennis Wells.

We hope all Kappa Psi brothers enjoy a successful spring semester.

Fraternally,

MEL MENKE, *Historian*

GAMMA ZETA—SAMFORD UNIVERSITY

The brothers of Gamma Zeta extend their best wishes to all Kappa Psi men. This has been a very active semester for our brothers involving a Province meeting, service projects, initiation of new members, election of officers, and planning for the future.

The highlight of the year would certainly have to be that of hosting the Province IV Assembly. Delegates were present from all the chapters in the Province. We were fortunate to have Brother James Seymour, Co-ordinator of Graduate and Province Affairs, as our guest speaker.

The service project for the past semester centered around Poison Control Week. The brothers not only distributed antidote charts but also sponsored a radio program and a high school day as well.

The year of 1967 saw a total of 58 new brothers initiated, 21 in the spring and 37 in the fall. The year 1968 has started well too with the pledging of 16 candidates and the initiation of two more brothers.

Newly elected officers are: Regent—George Gammill, Vice Regent—Al Hawthorne, Secretary—Barry Wood, Treasurer—Charles Mitchell, Historian—Frank Reynolds, and Chaplain—Charles Shell.

The brothers of Gamma Zeta are determined not to rest on past laurels and therefore have already planned a diabetes detection drive, sponsorship of a graduate chapter, plus other activities.

We extend our wishes for a prosperous future to all brothers in Kappa Psi.

Fraternally,

FRANK REYNOLDS, *Historian*

GAMMA THETA—UNIVERSITY OF MISSOURI AT KANSAS CITY

Hello from your brothers of Gamma Theta. We wish the best of luck to all Kappa Psi brothers through the remainder of the semester and final exams.

As far as school is concerned, the month of April started off slow here in Kansas City as the first week we had our spring break. Also the juniors and seniors were guests of Upjohn at Kal-amazoo, and Abbott in Chicago, the last week of March.

Socially, we have had very enjoyable events. The Kansas City Graduate Chapter sponsored a party at the Playboy Club in February. Members of both the graduate and undergraduate chapters enjoyed the evening very much. At our St. Patrick's Day party, everyone had a good time and we were pleased that some of our brothers from Rho could attend. In May, we are planning to have a Spring Formal. We want to make this an annual event with our alumni brothers as guests.

In February, new officers of Gamma Theta were elected as follows: Regent, Larry Asbury; Vice Regent, Bill Prather; Secretary, Dennis Hendrickson; Treasurer, Lou Proctor; Historian, Larry King; Chaplain, Terry Conners. We congratulate our Chaplain, Terry Conners and wish him luck as the new president of our APhA Student Branch. All the men of Gamma Theta wish to thank our preceding officers for doing such a wonderful job.

Our pledge class for this semester consists of

nine members. Bill Prather, Vice Regent, is in charge of the pledges and Gary Fox is the pledge class president. Plans have not been completed for initiation as of now.

In closing, again we of Gamma Theta wish the best of luck to all our brothers during final exams and to the seniors good luck in the future.

Fraternally yours,
LARRY KING, *Historian*

GAMMA KAPPA—SOUTH DAKOTA STATE UNIVERSITY

Greetings from Gamma Kappa Chapter to its brothers of Kappa Psi.

We have had a fairly busy spring at South Dakota State University. Our new pledge class includes 11 eager members. They are: Tom Gebhart, Faulkton, S.D.; Doug Gores, Sioux Falls, S.D.; Arlin Houtkooper, Mitchell, S.D.; Terry Jacobsen, Lake Park, Iowa; Steve Roberts, Swea City, Iowa; Jim Stehley, Hayfield, Minn.; Bob Sylvester, Hutchinson, Minn.; Steve Thayer, Madison, S.D.; Rex Tuttle, Winner, S.D.; Dennis Womeldorf, Wessington Springs, S.D.; and Dennis White, Estherville, Iowa.

Gamma Kappa Chapter, under the guidance of Dr. Kenneth Redman, Grand Council Deputy, again sponsored the Heart Fund Drive in the City of Brookings. We are very happy to announce that the final receipts set an all-time collection record. Thanks also go to Kappa Epsilon and the A.Ph.A. for their help.

The Judiciary Committee, headed by Brother Gerald Dunn, selected five lovely girls as candidates for Kappa Psi Sweetheart. The charming winner was crowned at the Annual Pharmacy Dinner Dance on May 11.

New officers were recently elected for the 1968-69 school year. The brothers chosen to lead the chapter in the coming year are: Regent, Dennis Jones; Vice Regent, Tom Nielson; Secretary, Perry Brown; Treasurer, Frank Drey; Historian, Ed Swanson; Chaplain, Gerald Dunn;

Pledgemaster, Dennis Ludwig; Corresponding Secretary, Kelly Bartelson; Social Chairman, Doug Miller; Professional Meetings Chairman, Jim Armbruster; Publications Chairman, Doug Macy; Pharmacy Detailing Committee, Doug Johnson; Hobo Day Button Chairman, Tom Neumayer. Dr. Redman was again elected as Grand Council Deputy for the coming year. The chapter would like to thank him for the tremendous job he has done for the members.

We would like to congratulate the graduating seniors from our chapter. Their leadership in the promotion of pharmacy and fraternalism among the brothers will be missed.

In closing, we hope all graduating brothers have a successful start to a fulfilling career in pharmacy, and that all brothers have a productive summer.

Fraternally,
ED SWANSON, *Historian*

GAMMA MU—NORTHEAST LOUISIANA STATE COLLEGE

Greetings and best wishes to all Kappa Psi brothers from Gamma Mu Chapter.

At the April 2nd meeting the installation of new officers was carried out. Our officers for the next year are: Bill Crossley, Regent; Joe Dunn, Vice Regent; Bruce Salsiccia, Secretary; Travis Hopkins, Treasurer; Nolton Causey, Historian; Delton Moore, Chaplain. Dr. Theodore H. Eichholt will serve as our faculty advisor.

Kappa Psi members participated in Monroe's Heart Fund Drive this February and sold many balloons in doing their part to make the drive a success. Our members were also active during Poison Prevention Week.

Our sweetheart, Miss Jeannette Hotard, has been chosen as one of ten finalists in the Miss Northeast contest. The finals are being held the weekend of April 20th.

During the weekend of April 5-6, Gamma Mu had seven of our members attending the Province VII Assembly. Those brothers attending were: George Munn, former Chaplain of Gamma Mu; Jack Rhodes, former Secretary of Gamma Mu; Bill Crossley, present Regent; Ronnie Guerin; Frank Alderman; George Oswald; and Johnny Walker. Gamma Mu's Regent, Bill Crossley was elected Vice-Satrap at the meeting and will serve in this office for the next two years.

This spring, graduates from Kappa Psi include the following brothers: Waymon Tigrett, Larry Robinson, George Munn, Ronnie Guerin, Johnny Walker, Lynn McCready, Russell Montgomery, Thomas Alderman, Al Ruiz, Ted Ware, Leo Fleniken, Tony Randazzo, Pat Stumpf, George Oswald, Frank Armingher, Kerney Borque, Dennis Guillory, Ken Mouhot, Phil Boydston, and Roland Thibodeaux.

Fraternally,
NOLTON CAUSEY, *Historian*

GAMMA SIGMA—UNIVERSITY OF FLORIDA

Greetings from the brothers of Gamma Sigma to the men of Kappa Psi everywhere.

Officers elected for the winter quarter were: J. Roger Accardi, Regent; Jerry Caruso, Vice Regent; Bob Bell, Secretary; Rex Straughn, Treasurer; Bob Greenberg, Historian; Cephas Sloan, Chaplain; George Jones, Parliamentarian.

This winter it was our pleasure to initiate a

total of 18 new brothers. They are: Robert E. Mount, David G. Harrell, Roy C. Vinson, John K. Munson, John H. Furlong, William L. Alford, Jerry W. McDonald, Thomas M. Musson, H. Kyle Ward, Kenneth G. Turner, Richard C. Stotler, Robert M. Parrado, Robert A. Edwards, Ivan Dobbins, Ernest Doring, Bruce Derby, Terry Canfield, and Joseph Mistretta.

We are proud to announce that one of our newly initiated brothers, John Munson, has been elected Treasurer of Province IV, and that the University of Florida will have the honor of hosting the Province IV Assembly next year.

The filming of our Pharmacy recruitment film has been completed and has already been shown to science classes of Santa Fe Junior College with great success. Plans are being made to show the film to area high schools also.

Our drug collection turned out very well this year. We wound up collecting over 30 cases of drug samples from area physicians and hospitals. Under the supervision of graduate Brother Pete Sagonias, R. Ph., and Kamel Batteh the pledges sorted and itemized the drugs for distribution to aid migrant workers in the South Florida area.

Our sweetheart for 1968 is Miss Rosie Tilghman. Rosie was awarded this honor at our Winter Banquet and was presented with one dozen long stem red roses. Rosie is the sweetheart of Brother Dave Harrell.

This year Gamma Sigma initiated a new award: The Award of the Year. The first recipient of this award was Brother Bob Renna. Brother Renna was presented a plaque at the Winter Banquet. This award is given in recognition of the brother who has contributed outstanding service to the chapter for the preceding year.

Congratulations are extended to graduate Brother Peter Sagonias for being chosen by the chapter as Kappa Psi Pharmacist of the Year. Brother Sagonias is director of pharmaceutical services at the University of Florida Infirmary, and is still very active in the Fraternity. Pete is largely responsible for starting the Kappa Psi graduate chapter in the state of Florida.

With the close of another school year, Gamma Sigma congratulates and wishes a successful future to those brothers graduating.

Fraternally yours,

ROBERT J. GREENBERG, *Historian*

GAMMA PHI—UNIVERSITY OF GEORGIA

Fraternal greetings to all of our brothers in Kappa Psi. Since the January-March issue of THE MASK, we have all been active in some new projects here in Athens.

The annual Red-Neck party was held in February. Brother Charles Wynn won the Best Beard contest and Brother Warren Williams won the Best Costume award. We had a great band as usual and everyone had a good time. Gamma Phi Chapter supported The Student Pharmaceutical Association in the "Ups and Downs of Weekend Habits"—a symposium on drug abuse held at the pharmacy school on April 9. Dr. Harry Williams from Emory University in Atlanta was the main speaker. Dr. Williams recently debated Timothy Leary of LSD fame at the Emory Campus.

We have also been busy helping Dr. Doug Johnson at the school with a trailer-exhibit on Pharmacy. The trailer will be presented to the Georgia Pharmaceutical Association at the con-

vention in Augusta, April 22.

Several brothers are making plans to attend the Annual Kappa Psi Breakfast in Miami this May. We look forward to seeing you all there.

Brother Ronnie Whiten was elected Vice President of the student branch of the APPhA at a meeting in Atlanta. Brother Dewey Hammond was elected Parliamentarian of our Province in Kappa Psi for next year.

This quarter's pledge program is underway and looks very promising. Chapter elections have been set for the next meeting. We are all planning for our annual spring banquet and dance coming up in this quarter.

Fraternally yours,

LARRY WHITMAN, *Historian*

GAMMA OMEGA—UNIVERSITY OF ARKANSAS

We are pleased that 16 new members were initiated into Kappa Psi during this year. They are: Pat Thomas, Rick Hendrix, Leon Sparks, Pud Leming, Harrell Ferguson, Bobby Lewis, Larry Price, Roger Jones, David Sharp, Gary Denton, Richard Coles, Dan Drewery, Bill Newton, Ron Vondran, Gail West, and Don Carrouth.

Our pledges raffled off an AM-FM-Shortwave radio as their pledge project. It was won by Clyde Frazier. The money raised from this project will be used to help send Paul Stanfield and Ernie Rothrock to Miami for the National APPhA Convention.

We are also sending two delegates to the Kappa Psi Province VII Assembly in St. Louis later this year. Those attending the Assembly will be Dan Drewery and Bill Newton.

In keeping with Kappa Psi's aim to help support worthwhile projects which will help the profession of Pharmacy and the public, we have recently purchased a color film, "LSD-25", for use in the Drug Abuse Program, which is sponsored by the students of the University of Arkansas School of Pharmacy. We donated this film to the school and it is available through the Drug Abuse Program for use throughout the state. We have several of our members who are active in this program. Some of them are Paul Winborn, Tommy Russell, Eugene Graves, Rick Hendrix, Tommy Hollis, C. A. Kuykendall, and Ernie Rothrock.

We recently made another contribution to the school in the form of a wall clock for use by the seminar groups in the outpatient pharmacy.

Our new officers for 1968-1969 are: Regent—Eugene Graves; Vice Regent—Bill Newton; Secretary—Leonard Kremers; Treasurer—Cliff Robertson; Historian—Paul Standfield; Chaplain—C. A. Kuykendall.

Fraternally yours,
The Historian

DELTA BETA—SOUTHWESTERN STATE COLLEGE

Greetings to all brothers of Kappa Psi from Delta Beta Chapter.

The brothers of the Delta Beta Chapter welcomed 14 new brothers this spring. Included in the class were: Bill Bryson, Randy Clawson, Toby Crooks, Virgil Krockner, Mark Markee, Homer Merriman, Don Moore, Alan Mustion, David Pickett, Ronnie Wann, Bill Wiest, Bruce Woods and Danny Young. This brings our total membership to 77 active members.

Our chapter's first order of business was to elect new officers for the coming year. Included in the new officers are: Regent—Connie Moore, Vice Regent—Richard Powers, Secretary—Ernest Sykora, Treasurer—Steve Hellwege, Historian Reporter—Homer Merriman, Librarian—Toby Crooks, Chaplain—Virgil Krockner, Sgt. at arms—Melvin Muskgrove, and Dr. David Coates, associate professor of pharmacology, Grand Council Deputy.

Don Henry organized our Poison Prevention week program in which Governor Bartlett of Oklahoma initiated the program and the boys went to work wholeheartily in trying to win national recognition in the contest. Some of the efforts put out involved speeches in various schools, civic organizations, spots on radio and television programs, and printed sheets to all interested persons concerning poison antidotes.

Plans for a new chapter house have finally come into realization for we anticipate having a new house sometime next fall.

Dr. Gerald Henney, Executive Secretary, has been asked and accepted an invitation to be the guest speaker at our annual Senior Supper in April. Last week we were honored by the presence of Dr. August Danti as our annual visiting national officer.

The brothers of Delta Beta extend best wishes to the graduating members everywhere.

Fraternally yours,
Delta Beta's Historian

DELTA GAMMA—AUBURN UNIVERSITY

Delta Gamma extends greetings to all brothers in Kappa Psi.

We have been most active since the calendar year began. Two initiations have added 11 brothers to our chapter. They include Mitch Phillips, Bill Mischel, Wesley Kirkland, Hubbard Owens, Ted Williams, Tom Adams, Ron Johnson, Bob Waldrop, Steve Garner, Dale Johnson, and Jimmy Tuck. After each of the initiations we held a steak supper banquet at a local restaurant. These banquets serve the purpose of honoring not only our new members, but also our graduating senior brothers.

A recently held rush function was a tremendous success, and promises to net several excellent pledges.

Our yearly election of officers was held in February. These new officers are as follows: Mitch Phillips, Regent; James Adkinson, Vice Regent; Dennis Wiggins, Secretary; Allen Ezelle, Treasurer; Tom Adams, Historian; Hubbard Owens, Chaplain; Ted Williams, Pledge Trainer.

Our brothers of Gamma Zeta provided an excellent Province Assembly to which our chapter was well represented. Congratulations are due Brother Allen Ezelle upon his election to Province Historian. Also, Dr. Leon Wilken, our faculty advisor, has entered the second year of his two year term as Secretary of the Province.

Much of our recent activity has been devoted to the possible securing of a fraternity house. The need for a house has been clearly pointed out during the past two quarters. Consistently recurring problems in relation to meetings, initiations, rush functions, and the storage of records have exemplified the need for a house. An energetic house committee is currently making much progress in the matter.

The selection of a chapter sweetheart has proven to be one of the most enjoyable projects of the year. Only young ladies in the School of Pharmacy were eligible for competition. After much debate the field was narrowed to three candidates. A tea for these three candidates was held in the Student Union. The tea gave the brothers a chance to become acquainted with each of the young ladies. Having carefully considered several attributes of each candidate, we finally elected our sweetheart for the year, Miss Jill Holt. We feel fortunate to have her represent our chapter.

Plans are underway to place a much needed faculty and graduate student directory in the School of Pharmacy. Other projects for the school are under investigation.

Finally, a chapter newsletter will be published for the first time this quarter. Hopefully, the newsletter will provide a vital link between our chapter and alumni brothers.

We wish you a pleasant and productive spring.

Fraternally yours,
TOM ADAMS, *Historian*

DELTA DELTA—UNIVERSITY OF HOUSTON

To all our brothers in Kappa Psi, Delta Delta sends greetings and a hearty handshake. Also a special "thank you" to Pi Chapter, Purdue University for sending us Dr. Carl Driever, professor of physiology and pharmacology and a brother in Kappa Psi. You will be happy to know that he has continued his genuine interest and participation in Kappa Psi.

For all too short a period of time Third Grand Vice Regent August G. Danti (Northeast Louisiana State College) was among us last week. None of us was fortunate enough to have been able to spend as much time with him as would have been possible were it not for comprehensives and such. Following our regular weekly meeting Brother Danti enriched us with among other bits of wisdom the ten best things to do to ruin a good fraternity. We look forward to a time when maybe he can again pass this way.

This week the new officers were installed for the coming year. After a challenging and thought provoking farewell speech by our past Regent, Joe Trial, the new Regent Dick Burgess assumed the reigns. Other officers installed were the current junior class president as our Vice Regent, Clifton Trlica; Secretary, David Reeves; Treasurer, Bill Butler; Chaplain, Duane Williamson; and yours truly as Historian.

The student chapter of A.Ph.A. is currently in the midst of electing officers. Brother Larry Garza is Treasurer-elect. Brothers Bill Butler and Ronnie Bonner are involved in run-off elections for President and Vice-President respectively.

Three of our graduating seniors have done their best to assure Delta Delta Chapter of continuing to have good pledge material available. Those hopefully contributing pledges to the fall term 1988 are Nicky Meaux, Craig Barras, and Dicky Smith. The better halves who still carry the burden of our future hopes are Dianne, Donna, and Karen.

An exceptionally fine pledge class is awaiting the close of pledge period, which will be signaled by informals April 20th and formals April

21. Among those who will be initiated are: Calvin Bryan, Eddie Cox, Larry Muske, Leo Artalejo, Edwin Schaefer, Lewis Villaneueva, Hector Rodriguez, Gene Prouse, Don Parker, Howard Biel, George Gee, Gary Hendrick, Mike Keisling, Joe Knoblock, Robert Nuniz, and Bobby Pratt.

Having concluded what was a completely enjoyable evening of dancing and fellowship at the Las Vegas Motor Hotel last month, Nicky Meaux and his entertainment committee have secured reservations for a day of ocean fishing on one of the Galveston pleasure boats. This event will take place on April 28th, in sufficient time to enable all the fish stories to have subsided prior to the next issue of THE MASK.

In the way of sports Brother Pat Pryor was awarded a varsity letter in football and was one of the athletes honored during a Houston wide appreciation banquet, "A Night with the Cougars," held at the fashionable Warwick Hotel. All hands except the opposition express joy that Pat still has another year of eligibility as starting center.

Plans are being finalized to assist the local pharmacists in presenting programs to area high schools and colleges concerning Drug Abuse. Also the brothers are in motion in an attempt to repeat last year's award for Poison Prevention Week.

We extend our most sincere good wishes to all our brothers in Kappa Psi.

Fraternally yours,
FRED R. BETH, *Historian*

MU OMICRON PI—WAYNE STATE UNIVERSITY

The men of Mu Omicron Pi Chapter wish to thank all the brothers of Province V who attended the Assembly March 28-30. We hope we left you with a fine impression of our chapter and of Detroit.

This past quarter has been an exciting one for us in more ways than one. On March 5 the annual Wilson Seminar was held. The program was paced by Kappa Psi's Newsletter Supplement on Drug Abuse. The supplement was received well, and was distributed to everyone that attended the seminar. This was followed up by visits to neighboring high schools informing the students on drug abuse. Special thanks go to Brothers Jerry Savel and Al Mousty.

The quarter was highlighted by our Sweetheart Dance which was a unique success and Camile Kernicki was elected sweetheart.

Although we are not in our new house, as was reported in our last Newsletter, nevertheless we are still reaching for our goal.

The following officers elected for this year are: Ken Resztak—Regent; Eric Hoagland—Vice Regent; Gerald Cacciaglia—Treasurer; Bob Ritter—Secretary; John Loughner—Historian; and Joe Nemcok—Chaplain.

Fraternally yours,
JOHN LOUGHNER, *Historian*

ALBANY GRADUATE CHAPTER

The Albany Graduate Chapter, in conjunction with the brothers of Beta Delta held a testimonial dinner April 4, 1968 to honor Brothers Lauren Hanmer and Dr. Rudolph Del Giacco. Both brothers are retiring after years of service to Albany College of Pharmacy.

Brother Hanmer is a 1930 graduate of Albany College of Pharmacy and has taught at the College for a total of 34 years. He has been Grand Council Deputy of Kappa Psi since 1943, was for many years a member of the National Legislative Committee of the Fraternity and later a member of the National Interfraternity Committee. He was active in the reorganization of the ALBANY GRADUATE CHAPTER and was Satrap of Province I in 1951. He intends to return to the family home in Dundee, N.Y. in June.

Brother Rudolph Del Giacco, M.D., a 1946 graduate of Albany College of Pharmacy and a 1950 graduate of Albany Medical College has diligently served as Professor of Public Health and Preventive Medicine for over a decade. His increased work load as Medical Director at St. Peter's Hospital has brought about his premature departure from the College.

About 80 members of Beta Delta, the Albany Graduate Chapter and their wives attended the dinner held at the Sheraton Inn Towne Motel. Brother Francis J. O'Brien, Dean Emeritus, and close friend of both men was the speaker for the evening. Brother Rinaldo DeNuzzo, who will be succeeding Brother Hanmer as advisor to the Beta Delta Chapter, presented an engraved silver platter to Dr. Del Giacco and a plaque to Professor Hanmer in remembrance of their years of service to the College and the Fraternity. Professor Hanmer was also given a cash purse in lieu of something that would have to be moved with him to Dundee.

I'm sure that I speak for all that have known them when I thank them for the knowledge they have passed on to their students and the fraternalism they have offered to all brothers of Kappa Psi.

Fraternally yours,
PETER J. RYAN, *Historian*

BUFFALO GRADUATE CHAPTER

Greetings to all brothers of Kappa Psi from the Buffalo Graduate Chapter. With the advent of spring, the brothers have participated in many events in our area.

We wish, first, to congratulate Brother Donald Arthur who is president of the Erie County Pharmaceutical Association for his contributions and leadership in Pharmacy on the Niagara Frontier. Brother Arthur has edited newspaper stories about Medicaid problems and its financial effect on Pharmacy.

The Western New York Chapter of the American Society of Hospital Pharmacists recently held its monthly meeting at the Buffalo General Hospital. Among the graduate brothers present were Charles Hejna, Melvin Monteith, Arthur Martin, Herbert Riemen, and yours truly. At this meeting the recently invented Pulse Duplicator was demonstrated in the testing of heart valves.

The Buffalo Graduate Chapter has supported the Continuing Education Lectures sponsored by the School of Pharmacy. Subjects covered included steroids, O.T.C. products, analgesics, and the oral contraceptives.

Regent Joseph Miletta of the Buffalo Graduate Chapter along with Brothers Jerome Delaney and Charles Banas attended the Province V Assembly recently held in Detroit. Brother Schrader of the Gamma Iota collegiate chapter

was elected Vice Satrap at the Assembly. Much of the success of the Assembly's hospitality goes to Brother Frank Facione.

Congratulations are in order to Professor Lawrence Lockie of the University of Buffalo, School of Pharmacy, on his new book "Pharmacy On The Niagara Frontier". We thank him for the recognition given some of us in the book.

Fraternally,
JACOB J. CARAOTTA, *Historian*

CONNECTICUT GRADUATE CHAPTER

Greetings from the brothers of the Connecticut Graduate Chapter. Since our last Newsletter the following officers have been elected and installed by Editor of THE MASK, Nicholas W. Fenney. They are: Regent—James Tubiak; Vice Regent—John DelloStritto; Treasurer—Ronald Kaminski; Secretary—Lee Sanna; Historian—Merton K. Rowe; Chaplain—Dennis Eliason; Grand Council Deputy—Robert Auger.

Already we have started the planning of the Province I Assembly to be held in Connecticut next October. All brothers are cordially invited to attend this convention which should be an excellent one.

Again this year, as in the past, the Connecticut Graduate Chapter will honor those graduate collegiate members of Nu Chapter at the University of Connecticut at a banquet in May. At this affair the "Man of the Year Award", along with a number of scholastic awards will be given.

On March 30th, we had our Fourth Annual Graduate-Undergraduate Dinner Dance. This is one of the major social events of the year and it affords members of the graduate and collegiate chapters in the area to meet each other.

We would like to express our thanks to all those who extended sympathy to our chapter and to Alpha Chapter on the passing of Grand Regent Walter R. Williams. He was a charter member of both the Nu and the Connecticut Graduate Chapter.

A summer picnic is in the planning stage and we hope to see many of our brothers at that time.

Fraternally,
MERTON K. ROWE, *Historian*

DETROIT GRADUATE CHAPTER

Greetings to you all from your Kappa Psi brothers in Detroit. Our monthly meetings are being planned with variety in an attempt to attract more attendance. We always get the same group of fellows and the officers to come to meetings and we would like to see more of the members get out once a month with us.

In January, we had a meeting at the House with free refreshments and entertainment, as well as the usual card games. Our February meeting was in the hospitality room of Mohawk Distilleries here in Detroit with free drinks and food. Investment was the topic for our March meeting as Joe Longo, from Investors Diversified Service, explained why we should invest in stocks or mutual funds. Refreshments were provided in the form of "Sloppy Joe" hamburgers

whipped up by our treasurer, W. R. Smith.

Province V held their convention at the Howard Johnson Motor Lodge north of the Wayne State campus here in Detroit. Congratulations and best wishes to the new Province officers including our own Frank Facione who was elected Secretary-Treasurer.

Detroit Graduate recently inaugurated a newsletter written by the Historian which is sent out with the meeting notices every month. Any brother in the area who is not getting these notices and newsletters can contact our secretary, Gerry Decoster—2161 Manistique, Detroit 48215. Also let him know of changes of addresses.

Fraternally,
PAUL ANDERSON, *Historian*

KANSAS CITY GRADUATE CHAPTER

A large crowd gathered here on February 8th to celebrate the Tenth Anniversary of Kappa Psi in Kansas City. The party was held at the Playboy Club. Of the several couples from out of city who joined us for the evening's entertainment, Mr. and Mrs. Bill Waltrip (in picture) traveled the greatest distance. The Waltrips' home is Pittsburg, Kansas. Also present was a large delegation from Rho Chapter at Lawrence.

Do mark your calendar for Sunday, August 18th. The K.C. Gift & Toy Show opens that day. Then at 8 P.M. that evening we have Kappa Psi tickets for Starlight Theatre. The production that evening will be "Showboat" with Arthur Godfrey. We have obtained special group ticket rates and you'll be receiving more info in June.

October will host two planned Kappa Psi activities. On October 6th special tickets to see the K.C. Chiefs football game, then later in the month a special investment program is being produced for men of Kappa Psi by the H.O. Peete & Company. Both events should prove rewarding.

I'll look forward to seeing many of you at Starlight Theatre Sunday, August 18th.
