

THE MASK

Of Kappa Psi
Pharmaceutical Fraternity

Volume 86, No. 4

December 1989

From the Editor

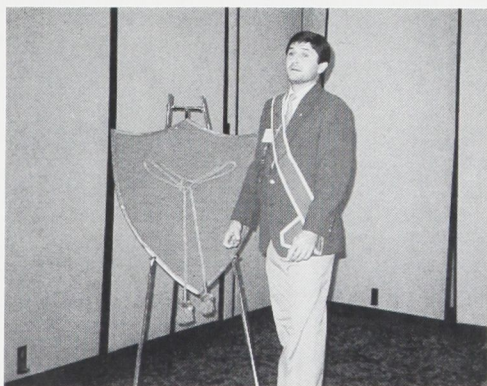

Tony Palmieri

This issue of *The MASK* marks a milestone for your Editor. With this issue I complete a decade as editor. Hopefully you have enjoyed reading *The MASK* as much as I have enjoyed editing it. This issue contains listings of Brothers who have donated to our Fraternity in 1989. If your name is there, we thank you. If it is not, please consider donating in 1990. We also have printed Brother Garner's keynote address to the 44th Grand Council Convention. What you will miss in reading it was the obvious commitment to, and love for, Kappa Psi that was present in Dewey's presentation. We also complete our coverage of the convention with many photos and a recap of what happened at convention. Plan now to attend the 45th convention in 1991. As always it is a privilege to be your editor and your comments and suggestions are welcome.

Dear Brother Palmieri,
I still get a thrill when I see my "Order of the Golden Mortar" certificate which was brought to me at my home at 217 Bonner Ave, Daytona Beach, Fla. by none other than Dr. Norman Campbell Grand Regent 1972-74 it has a very special place in my living room, and there is no day that goes by without me seeing it.

And thank you for the "honorary citation" and my "50 years Kappa Psi Pharmaceutical Fraternity."

Lionel A. Roberts, Ph.G.

From the Grand Regent

William R. Smith

Seasons Greetings:

This is my first opportunity to address you as Grand Regent. Thus, for me this message is quite special. When I pledged Mu Omicron Pi Chapter, in Detroit, Michigan almost twenty-eight years ago, little did I know that I would one year later be Treasurer and two years later be Regent of the Chapter. Little did I know, at that time, that I would later be privileged to serve in a number of leadership capacities in the Detroit Graduate Chapter, including three non-consecutive terms as Regent. The furthest thought from the mind of a twenty year old in 1962 was that I would eventually be allowed to serve the Brotherhood as a member of the Executive Committee of the Grand Council, and as a Grand Officer which I have had the pleasure of doing since July 8, 1976. But, how could I as a twenty year old ever image that one day the Brotherhood of Kappa Psi would have enough confidence to elect this shy kid, Grand Regent.

Since F. Harvey Smith, Kappa Psi has had twenty-nine Grand Regents; I now have the honor of being one and of knowing fifteen of them. We sometimes hear the quotation: "Know a man by the company he keeps." My goodness, what fine company you have allowed me to keep! Thank you, so very much.

A few short months ago we gathered in Grand Council in Williamsburg, Virginia in the presence of our past to reflect upon what our future might be. We were refreshed and renewed; we left with our batteries fully charged! Now, you might ask: what does the future hold; where will I lead Kappa Psi? First, I do not know what the future holds. But, based upon the caliber of the team of Executive Committee members you have given me, I suspect whatever the future holds for Kappa Psi, it will be good. Second, I can lead Kappa Psi only where you, the members, choose to follow.

1) Executive Director Magarian and I shall be looking for new and innovative methods of fund raising, especially among our alumni brothers. We shall emphasize that membership in our beloved order is a "Lifelong Commitment!"

2) Past Grand Regent Norman A. Campbell has agreed to chair the Foundation Committee, a new special committee. We will attempt to have our "Kappa Psi Foundation" up and running before

Newly elected Grand Regent Smith delivers his inaugural address.

the 45th Grand Council Convention in 1991.

3) Brother Kenneth W. Kirk has agreed to chair the Office Technology Committee, another new special committee. We will analyze our current central office equipment utilization, predict our future needs over the next ten years, and up-grade our electronic equipment accordingly.

4) Brother Edward Sypniewski, Jr.; has agreed to chair, still another new special committee, the Retirement Committee. The great influx of new Brothers following World War II is now reaching retirement age. How can we make their membership in Kappa Psi more meaningful? What unique contributions might retired Brothers be making to the Fraternity? We will attempt to address this situation before the 45th Grand Council Convention in 1991.

5) Past Grand Regent Kenneth B. Roberts has agreed to chair, yet another new special committee, the Leadership Training Committee. We shall attempt to offer leadership training at a level never seen before! We shall increase our efforts to develop an international leadership training program for the edification of chapter leaders. Additionally, we shall attempt to develop the talents of our chapter leaders so that they shall become regional and international leaders.

6) Time excellent presentation by Brother Nathan Rawls at the 44th Grand Council Convention, "Impairment: Time Health Professional's Role and Responsibility" was not an end product, rather, just a beginning! Brother Douglas Cozad has agreed to chair our final new special

committee, the Guardians of Life Committee. This committee will carefully study how we as individuals, chapters, provinces, and as an international organization can assist in the fight against substance/drug/alcohol abuse. We shall attempt to develop model programs and projects before the 45th Grand Council Convention in this vital area.

7) Grand Historian-Ritualist Dewey D. Garner (Past Grand Regent) has started work on a new "History of Kappa Psi." The rest of the Executive Committee will be figuring out how to fund it; but, fund it we will!

8) Grand Vice Regent Johnny W. Porter is working on the final compilation and completion of the first Kappa Psi Policy Manual, the basic outline of which I presented at the 44th Grand Council Convention. When published, it will be the best fraternal policy manual in the profession!

9) We are addressing the fact that not enough of our chapters were represented at the 44th Grand Council Convention. We are seeking solutions and will, hopefully, rectify the situation by the 45th Grand Council Convention in 1991.

10) We will, with the help of our Province Supervisors, be emphasizing a back to basics approach of A) Ritual, B) History, and C) Planning for the future at all Province Assemblies.

11) We will increase the number of chapter visitations and extend the helping hands of our Grand Officers and other noble brothers wherever needed.

12) During the next year and a half I shall attempt to personally visit each Province at least one time at a Province Assembly.

On a personal note I should like to thank all the Brothers for their many kind wishes following my heart attack on September 20, 1989. My progress is good; I'm mending well! We have many tall orders to fill. With the fine team of Grand Officers and Executive Committee members you have given me, fill them we will! Thanking you so very much for this great opportunity to serve you, and wishing you a Blessed Holiday Season, I am

Fraternally,

William R. Smith,
Grand Regent

Remembering a Visionary Leader: Mickey Leland

by Maryviolet C. Burns

Since my friend, Pat Wells, asked me to reflect on the life of Congressman Mickey Leland, a passage from the Old Testament prophet, Joel, has pervaded by thoughts: "... Your old men shall dream dreams, and your young men shall see visions." (Joel 2:28). If there were a visionary, it was George Thomas "Mickey" Leland.

On Sunday, August 13, the wreckage of the plane carrying Leland and 15 others on a fact finding mission to an Ethiopian refugee camp was found "disintegrated" following a head-on crash into a mountain. His untimely death at age 44 prompted South African Anglican Archbishop Desmond Tutu to exclaim, "Why do we always seem to lose our best and brightest?"

I saw Mickey only twice in the late '70's but my memory is of a mature national leader. On one occasion he was the consummate politician relishing the campaign ritual of handshaking and cheek-pecking. On the other occasion he was inveighing against some local incident of injustice to a gathering of single adults at Houston's Wheeler Avenue Baptist church. On his left wrist he wore a Mickey Mouse watch as if to convey that he did not take himself seriously but the issue.

Mickey Leland was a child of the '60's. Born on November 27, 1944, in Lubbock, Texas, he came of age during that turbulent decade which included the peak of the civil rights movement and the anti-war, farmworker, Native American redress, and women's movements. "Unlike so many men and women who came of age in the '60's, Mickey Leland never became infected by the cynicism and despair spawned by the Vietnam War, racism, pollution and overpopulation, HOUSTON POST columnist Paul Harasin wrote in the paper's August 14 memorial edition. Nothing in recent memory confirms Harasin's assertion more profoundly than the qualitative difference between Mickey's noble death and the ignominious death of Leland's hero, Huey Newton.

Leland's plane was found about 16 miles from Gambela, a village near the border of Ethiopia and Sudan. He and his entourage were traveling to Fugnido Refugee Camp. His plane attempted to scale a mountain in inclement weather and crashed, disintegrating upon impact. Personal belongings, mutilated bodies, and plane parts fell 5500 feet into a ravine. The wreckage was discovered by a

U.S. Air Force search helicopter; there was no doubt that all passengers had been killed instantly. Reacting to his death, President George Bush commented: "I have known, admired and worked with Mickey Leland for many years. His sense of compassion . . . has aided millions of people from Houston to Addis Adaba . . . Everyone from Texas knew of his lively nature and his commitment to helping others."

Mickey's commitment to solving world hunger was long standing. In 1984 he helped establish the House Select Committee on Hunger and became its chairman. That same year he toured Ethiopia and led an effort to gain a \$1.2 billion congressional appropriation for emergency aid to that drought-stricken and war-ravaged country. The Rev. Jesse Jackson recalls watching Leland literally burst into tears as he tried to convince colleagues to send more food to sub-Saharan Africa. An Ethiopian child in the camps had died at Leland's feet and he could not forget her face.

Longtime friends describe an altruistic bent which had begun to manifest itself as early as Leland's adolescence. His high school football coach describes Mickey as "the most determined youngster I've ever worked with . . . and he was always for what was right." Other school friends describe him as extremely popular because he treated people fairly and did not think ill of anyone. Colleagues describe him as an elected official who "opened many doors and united people and neighborhoods." Ethiopian radio and television broadcast the news of his death repeatedly. An Ethiopian cab driver expressed

his country's sadness: "We feel so bad because he was killed trying to help our people."

The altruism and political activism came into full flower during his student years at Texas Southern University (TSU) in Houston, Texas. He received the Bachelor of Science degree in pharmacy in 1970 and was an instructor of clinical pharmacy during 1970 to 1971. But politics and health advocacy were his great callings.

In 1969 he had taken a year off from TSU to run the successful campaign of a Black Houston minister seeking election to the School Board. Two years after his graduation, he won election to the Texas House of Representatives; he was re-elected to second and third terms. He distinguished himself as both a firebrand and shrewd student of the system. Colleagues were stunned by his negotiating skills.

In 1978 he was elected to the U.S. House of Representatives, succeeding the legendary Barbara Jordan. "He came to Congress in 1979 under what for many young politicians could have proved an overwhelming shadow," one journalist has written. But he sought out congressional stalwarts such as Speaker Tip O'Neill and fellow Texan, Jim Wright. He made them his mentors and they taught him to use the system. Once again, his habit of treating people fairly won him kudos from both the Republican and Democratic sides of the aisle. Following his election, he was re-elected almost routinely. He was in the midst of his sixth term when he died.

In addition to his activism around African famine relief, Leland's health priorities included infant mortality and care for the homeless. In 1979 he established the Texas Task Force on Infant Mortality. Two years ago, he spent a cold Washington, D.C. night sleeping outside to dramatize the plight of the nation's homeless.

He raised the skill of bridge building to the level of an art form. His admirers included Cuban revolutionary leader, Fidel Castro, and an ultra-conservative fellow Texas Representative with whom he played basketball. He was a lifelong Roman Catholic whose beloved son's baptismal sermon was delivered by an Anglican. Every year he accompanied a multi-cultural group of high school students from Houston to an Israeli kibbutz. (In fact, the program is named the Leland Kibbutz International Internship Program.)

He opposed Jesse Jackson's 1984 presidential candidacy, yet they remained so close that it was Jackson who kept vigil with Leland's Washington staff during the week of waiting, counseling and praying with them. He hobnobbed with the rich and famous but never forgot his roots in Houston's impoverished Fifth Ward.

A popular and attractive figure, his devotion to wife, Alison, and son, Jarrett, was palpable. Before he left for Ethiopia, he had learned that his wife was expecting the couple's second child.

Finally Leland was a proud brother of Kappa Psi. He was elected to Honorary Membership in 1987 and honored by the Delta Theta Chapter. *The MASK* of De-

cember, 1987, is graced by a cover photo of Mickey receiving his membership plaque from past Grand Regent Patrick R. Wells.

In an article commemorating the late President John F. Kennedy on the twentieth anniversary of his assassination, his widow, Jacqueline, wrote that more than anything else, she missed his influence on world affairs during the two decades which had passed. I understand her sentiment. I have cried many times during the weeks since Mickey's death as I've considered the loss of this visionary leader at a time when the world is convulsed with pain.

Perhaps Senator Edward M. Kennedy's statement is the appropriate epitaph:

"Mickey Leland died as he lived—on a mission of mercy and hope for victims of poverty, injustice, racism, and hunger. Wherever suffering people existed on our planet, Mickey Leland wanted to be there to help. He represented not only the people of Houston, but the best in America and all humanity."

Maryviolet C. Burns has been a freelance writer for 25 years. Her articles and book reviews have appeared in numerous national publications. She is the editor of a monograph, *THE SPEAKING PROFITS US*.

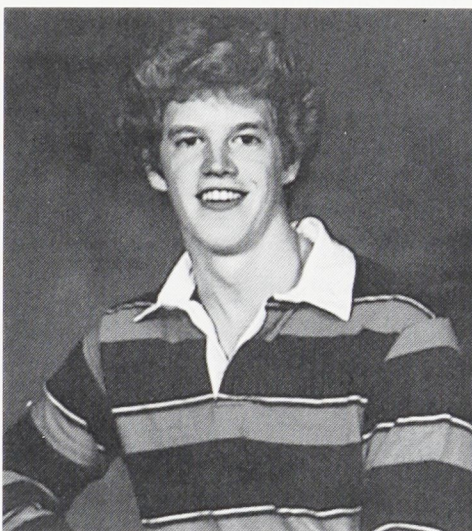

Meet the Collegiate-Member at Large Brian Furbush

Born on March 27, 1967 and raised in Matawan, N.J., a town of about 24,000 in North central coastal New Jersey. Brian attended both public and private schools in Matawan, graduating from Matawan Regional High School. While in high school Brian was active in both Winter and Spring Track and Field as well as the Boy Scouts of America. In addition, Brian competed on the state level as a powerlifter, an activity he still pursues on a non-competitive level.

The summer after graduation from high school was spent backpacking through Europe. Staying in campgrounds and student hostels throughout Europe gave Brian the chance to meet people of diverse backgrounds from other countries. This experience helped to broaden his knowledge of other cultures.

Upon returning from Europe, Brian attended the University of Delaware, majoring in chemistry, from September 1985 until June of 1986. Although his time spent at the University of Delaware was academically successful Brian decided his proclivity was in the health care professions. At a social gathering Brian met a family friend, affiliated with the University of Rhode Island, who spoke to him of the outstanding scientific curriculum and thus the decision to pursue pharmacy was made.

In the fall of 1986 Brian began his studies at the University of Rhode Island. The following spring he was initiated into Beta Epsilon Chapter of

Kappa Psi. That same spring Brian was elected chapter Secretary for the 1987-88 school year. In addition the need was seen for a new candidate membership program and Brian was elected Pledge Trainer/Rush Chairman for the Fall of 1987, a position he held until the Spring of 1989. Brian served as Vice-Regent of Beta Epsilon from the Fall of 1988 until the Spring of 1989 when he was elected Regent of Beta Epsilon. Brian served as the Province I Assembly Chairman held in Newport, Rhode Island, in February, 1989. Within Beta Epsilon he has served on several committees in varying capacities.

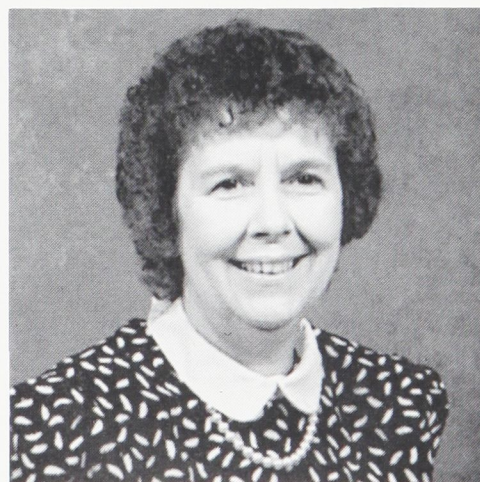

Brian enjoys reading, especially old issues of *The MASK*, hiking, and traveling. Upon graduation Brian hopes to spend some time driving across the United States before beginning a career in pharmacy.

Charmaine Magarian Kappa Psi Sweetheart

Charmaine V. Magarian, Administrative Assistant to the Executive Director, Kappa Psi Central Office, was presented the Kappa Psi Sweetheart Pin by the Brothers at the 44th Grand Council Convention 109th Anniversary Banquet in Williamsburg, Virginia.

Charmaine joined Kappa Psi in January 1980 when her husband, Bob, became the Executive Director. She has many fond memories of "learning the ropes" of the job from the Grand Regent at the time, Dr. Dewey D. Garner. Association with students and University life are not new to her. Before joining Kappa Psi, Charmaine worked for the University of Oklahoma; was Assistant to the Alumni Director at the University of Mississippi and was also Executive Secretary to the Associate Dean of Engineering at Ole Miss.

She enjoys her association with Kappa Psi and the many people she talks with each week and says she has made many lifelong friends.

Brotherhood—Coast to Coast

by Dewey D. Garner
Grand Historian-Ritualist

Editor's Note: This was Brother Garner's keynote address to the 44th GCC

The theme of this 44th Grand Council is: *Brotherhood—Our Spirit Unites Us*. So let us begin by examining this concept of Brotherhood. Did you know that there are many different types of brotherhood. For example, there is the type of brotherhood demonstrated by Damon and Pythias—the willingness of one brother to give his life for the other. Another type of brotherhood is illustrated in the Bible—the story of Cain and Able, in which one brother killed the other. What is your attitude toward your Kappa Psi Brother? What is your “Spirit of Brotherhood”? Is it the loving caring tradition of Damon and Pythias or is it the hate and mistrust attitude of Cain toward Able? As a pharmacy student is it supporting each other through good times and bad? When a brother needs a little moral support is someone always there? (Task Force on Drug Impairment) As a graduate brother does it still mean supporting each other; socially, morally, and professionally? Do you want to keep it that way?

Fraternities have lasted for a long time under intense pressure. Why do you think they have survived? The slogan of the French Revolution was: Liberty, Equality, and Fraternity. The slogan was later espoused by Jefferson and was associated with the American Revolution.

Liberty—Individual is not a servant of the state

Equality—in opportunity and self respect

Fraternity—commitment to stand together

It is fraternity that holds the country together—liberty and equality do not. So, as you can see, fraternity is one of the earliest elements of a patriotic society. And in a very real sense you are contributing to country when you are committed to fraternity and the spirit of brotherhood. The premise of fraternity being what is good for others is also good for you. (Hence, one for all and all for one). This is the spirit of fraternity. It creates a social unity. It is the cement of society.

Phi Beta Kappa was the first fraternity founded in the United States; right here in Williamsburg, Virginia, on December 5, 1776 at William and Mary, more specifically at the Raleigh Tavern. What made it a national fraternity was that the members of the group corresponded with brothers at other campuses—Harvard and Yale. Phi Beta Kappa was created to keep individuals from being lonely in col-

lege. It was against this historical backdrop that the college fraternity system was born. Long since recognized as a microcosm of the larger society, fraternities have a history that reflects the trends of the times. For example, early on, college fraternities were regarded as family subcultures on campus. So it was no coincidence that members addressed each other as brothers. We still do. A belief in the supreme being was fundamental to fraternity ideals; hence, it was no happenstance that the Bible was present at formal chapter meetings and used in initiation ceremonies. This too hasn't changed. And the pursuit of broader intellectual experiences beyond the classroom was the hallmark of the earliest fraternities; so it was only natural that they were founded at colleges and universities.

Rituals prior to 1900 drew from the religions of the day. To make men out of boys; To develop men of character. They evoked a brotherly commitment to good behavior. Honorable men. Fraternity houses did not come into being until 1890 and University facilities for fraternities in the early 1900's. Likewise, the social emphasis in fraternities is a by-product of the 20th century.

How does all of this apply to the practical problems of fraternity life? Let us examine some situations.

1. Think about your chapter and the people who comprise it. We oftentimes become so engrossed in the physical tangible things; the house, our activities, how our money is being utilized that we forget our fraternity is not the tangible things—it is the brotherhood. WE learned all of the cliches in pledging; One for all and all for one: Industry, sobriety, fellowship, and high ideals; but we aren't living what we learned and too an oath to follow. It is the Kappa Psi spirit of brotherhood for which our fraternity stands and it is the spirit of brotherhood which unites us, which gives us that sparkle of loyalty, devotion, and commitment to one another. Let us know your heart is in the fraternity.

2. Second practical problem associated with fraternity life. BROTHERHOOD is most intense in a small group. Small numbers connote brotherhood. What impact does size have on brotherhood? For example, Beta Eta and Delta Gamma experienced enormous growth during the past year. Delta Zeta and Gamma Zeta have seen significant growth over the past four years.

The emphasis of Province realignment

has been on consolidation rather than on dissolution into smaller units. Greater numbers lead to less closeness. Eventually we become a social club instead of a fraternity. This is true in life. Fortunately fraternities are in a better position to deal with this than society in general because:

1. Strong commitment to brotherhood tradition

2. Although our groups are larger they still are small compared to business, government, and urban life. We are still small enough to know what is happening and to adapt accordingly

3. 3rd advantage relates to the unique aspect of fraternities in that brothers of all ages and generations are commonplace in the Fraternity. The notion of brotherhood goes vertically as well as horizontally over time. Some of us “seasoned” veterans now have kids in college. We want someone in school to be committed to Brotherhood. Our graduate chapters and graduate members have a vested interest in the collegiate chapters.

So, for at least these three reasons it is easier for our chapters to keep a sense of love and brotherhood even as they grow larger.

4. A 4th practical problem associated with fraternity life. The development of factions and cliques in the fraternity—a province—a chapter. One side wins and the other side goes inactive. A strong commitment to brotherhood suggests we meet and solve problems without the loser quitting. Apply the principles of brotherhood (loving, caring) to conducting our programs and to solving our problems.

5. We should respond to the challenges of brotherhood by practicing the virtues of the square:

INDUSTRY; diligence and perseverance

SOBRIETY; Sober minded. Moderate in habits. Considerate of others.

FELLOWSHIP; The great bond of our fraternity for which we place a high value and consider a prime necessity. Respect for each other.

HIGH IDEALS; Loyalty to our members.

Remember it is a square of friendship and brotherly ideals. These values are like stars. Although we cannot reach them we chart our course by them. For example, is it within the spirit of brotherhood to help a brother cheat on an exam?

I think not. Most important is the spirit and the attitude with which we seek ways to promote and maintain scholarship. A lack of interest in the fraternity follows in the wake of poor scholarship. Nor should we use the square as a cloak to exploit others. Hazing is the greatest enemy of the college fraternity. Some of our chapters that brag about a close-knit brotherhood, that claim to have a deep love for one another make their pledges do ridiculous things in order to prove their worthiness. Initiates are not better people; superior to pledges. This seemingly harmless activity does not develop better chapter unity. Nor does it produce dedicated active members. It does in fact contradict our ideal of fellowship, of respect and consideration for one another. Others would argue that hazing is not the number one problem of the fraternity; Rather it is drinking since 80% of the serious hazing incidents are alcohol related. Sobriety means being sober minded and moderate in habits, being considerate of others.

The Fraternity Executives Association and the National Interfraternity Conference recently made announcements questioning the appropriateness of a traditional pledge program in the fraternity system. Delta Sigma Pi business fraternity is organizing a study of this issue and are asking all interested professional fraternities to participate. It is not just coincidence that your executive committee has recently revised the Fraternity's policy on hazing and developed a policy on alcohol and substance abuse. (The 1989 version of the *Handbook and Pledge Manual*)

6. Parties oftentimes become a problem of fraternity life. While I enjoy a good party as much as anyone a fraternity that is all party does not attract the serious minded student into membership. Remember, I told you earlier that the social emphasis within the fraternity system is a product of the 20th century. The social party side is the dessert to the main dinner. You get sick on dessert only. The main meal is the fraternity's primary concern. Dessert only rots the teeth and it rots the fraternity. You justify the parties with positive achievements to match. Character, brotherhood. You prove yourself before you concentrate on the parties. Otherwise we are only a social club. And we lose the support of the University, our parents, and from those serious minded people who run society. The faculty and society in general are not against

fraternities but only when they misbehave. We need to eliminate the gap between fraternal ideals and fraternity behavior. In Kappa Psi good relations with members comes first. You are familiar with the expression: Don't get the cart before the horse? Parties are the cart. Brotherhood is the horse. We are social incidentally but not primarily.

7. Finally, Brotherhood and its application to this 44th Grand Council. Do you know what the Grand Council is? It is the supreme legislative, judicial and executive body of our Fraternity. Despite the many changes that have occurred in the College and Fraternity World, the right of the chapters to determine the course of the Fraternity has never changed for almost 100 years. We function in national unity through a democratic form of fraternity government. Most of the significant changes in Kappa Psi have occurred at the Grand Council Conventions. For example, during the first decade of the Grand Council the delegates adopted a new constitution which with revisions has remained the basic law of the fraternity, the delegates authorized the publication of *The Agora*, our fraternity directory, and *The MASK*, our official publication. The delegates adopted scarlet and gray as the fraternity colors for all chapters, provided for establishing alumni chapters, an Executive and Legislative Committee. It was the delegates that developed a model set of chapter Bylaws, approved an official pledge button, that designated the scarlet carnation as the official flower, who established the province structure and created the office known today as the Executive Director of Kappa Psi. All of these achievements took place at the Grand Council Conventions between 1900 and 1910.

It will be a rare Grand Council if you do not go away with a broader perspective, a greater enthusiasm, and a deeper appreciation of what fraternalism is all about. I encourage you to speak out on the issues with fairness and intelligence in the spirit of brotherhood. Be concerned about how others feel and think about the legislative issues. Work together. This is fraternalism in its purest sense.

I close with a quote from the Declaration of Principles of Kappa Psi and a brief comment: We believe that the essential elements of true brotherhood are love, charity, and esteem; love, that binds our hearts in fraternal affection; charity, that is quick to see virtues in a Brother

and slow to reprove faults in each other; esteem, that is respectful to the honest convictions of others and that refrains from treading upon that which is sacred to spirit and conscience.

We as Kappa Psi Brothers believe in the development of the human spirit through the relationships we share. It is through the values expressed in our ritual that we share this belief. It is through our actions that we exemplify this belief. May God bless each of you and this 44th Grand Council Convention.

Corbett Louis Ourso Becomes Brother During 44th GCC

Currently Director of Pharmacy Affairs, Merck Sharp & Dohme, he received a bachelor of science in pharmacy and an honorary doctor of pharmacy degree from Loyola University in New Orleans. Studied law at Centenary College, Shreveport, Louisiana and speech at University of Southwestern Louisiana. He is Adjunct Professor of Pharmacy Administration at Duquesne University College of Pharmacy and has served on the Dean's Advisory Committees the University of Texas College of Pharmacy and Mercer University College of Pharmacy, Board of Visitors Mercer University Southern College of Pharmacy. He is also a member of the Industry Advisory Boards of the American Association Colleges of Pharmacy, American Society of Consultant Pharmacists, American Foundation for Pharmaceutical Education and is on the Board of Trustees for the New Orleans Pharmacy Museum. He serves on the Economic Affairs Council Merck Sharp & Dohme and on the Pharmacy Advisory Board of the Merck Company Foundation. Corbett Ourso practiced retail pharmacy, hospital pharmacy, worked for a wholesaler and a small manufacturing company before coming with MSD. Previous positions with MSD include Professional Representative, District Manager and Director of Pharmacy and Managed Health Care Affairs. He is very active in pharmacy associations as a member of the American Pharmaceutical Association, NARD, ASHP, National Pharmaceutical Association, American Society of Consultant Pharmacists, National Pharmaceutical Council, and Louisiana Pharmaceutical Association.

Amole is NABP President for 1989-90

Warren R. Amole Jr. (Gamma Eta), Executive Director and pharmacy inspector for the Montana Board of Pharmacy, was named President of the National Association of Boards of Pharmacy at the Association's 85th Annual Meeting, May 6-10, in Charleston, South Carolina. Amole served as NABP's 1988-89 President-Elect, and will become the Chairman of the NABP Executive Committee following his year as President.

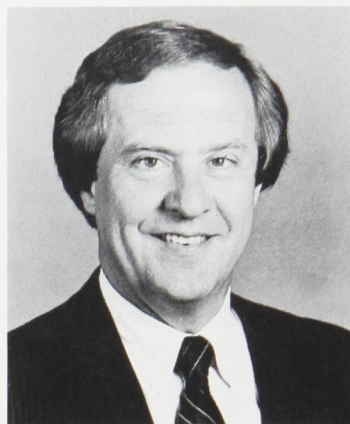

Mr. Amole is a former Vice President of NABP, and has served on the Executive Committee since 1982. He is the Executive Committee Liaison to the Bureau of Voluntary Compliance Advisory Committee, a member of the NABPLEX Review Committee and a former member of the Advisory Committee on Examinations.

Amole earned his pharmacy degree from the University of Montana and was a registered pharmacist and owner of College Park Pharmacy in Great Falls, Montana for many years. He was a recipient of the A.H. Robbins Bowl of Hygeia Award in 1976, and was named the Montana State Pharmaceutical Association's Pharmacist of the Year in 1986.

Brothers Ken Daniels (Past Regent, Delta Beta), Bill Fitzpatrick (Past Grand Regent) and Leonard Naeger (Past Grand Historian) recently participated in the St. Louis Cardinals minicamp.

MSI Names Hofmeister Senior V.P.

Medicine Shoppe International (MSI) has named Ronald Hofmeister (Gamma Kappa), Senior Vice President-Store Development. In that capacity, Hofmeister will be responsible for the nationwide activities of MSI's Operations, Franchise Development, Acquisition and Conversion, and Real Estate Departments. Most recently, he had been responsible for systemwide Operations and Franchise Training, and has held many key positions since joining the Company in 1971.

Hofmeister is a graduate of the University of Minnesota College of Pharmacy. He is a registered pharmacist in the states of Illinois, Iowa and Missouri. Nationally, he is an active member of the American Management Association, the National Association of Chain Drug Stores, the NARD, the International Franchise Association, and has served on several committees of the American Pharmaceutical Association.

Meet the Grand Historian-Ritualist Dewey D. Garner

Dewey was born in Raleigh, Mississippi on July 25, 1941. As a boy he worked in his father's general store and delivered newspapers for the Jackson Daily News. While in high school he served as President of the Student Body, was elected by his fellow students as Mr. Raleigh High School, Most Likely to Succeed, and Most Athletic, having played four years of football, basketball, and baseball. He graduated in 1959, Valedictorian of his class.

Brother Dewey received his B.S. Degree in Pharmacy from the University of Mississippi in 1964 and received his Ph.D. Degree in Pharmacy Administration from the same institution in 1970. As an undergraduate student he was elected to the Campus Senate, Omicron Delta Kappa, Phi Kappa Phi, Rho Chi,

and Sigma Nu Social Fraternity. Most importantly he pledged Beta Rho Chapter of Kappa Psi in the Fall of 1961 and was initiated on April 4, 1962. He served as Regent of Beta Rho and upon graduation was awarded the Grand Council Scholarship Key, having attained the highest G.P.A. in his pharmacy class.

Organization work has been one of the primary interests of Brother Garner. He has served as the Chairman of the Section of Teachers of Pharmacy Administration of the American Association of Colleges of Pharmacy, Chairman of the Economic, Social and Administrative Sciences Section of the APhA's Academy of Pharmaceutical Sciences, and President of the Professional Fraternity Association. He is currently serving on the Board of Directors of the National Interfraternity Foundation, the Board of Directors of the Center for the Study of the College Fraternity, and as Chairman of the Balfour Scholarship Committee. He has published over 75 articles in professional journals and has presented numerous papers at national and regional meetings.

Grand Historian-Ritualist Garner is best known for his lifelong commitment to Kappa Psi. He has served as the Grand Council Deputy of Beta Rho continuously since 1972. On the National scene he has been an Executive Committee Member for fifteen years as an appointed graduate member, Third Grand Vice Regent, First Grand Vice Regent, and two terms as Grand Regent from 1979 to 1983. It is his intense interest in the history of the Fraternity that persuaded this "seasoned veteran" to return as a National Officer. An updated Second Edition of Dr. Eby's book, *The History of Kappa Psi Pharmaceutical Fraternity*, is foremost in his plans.

Brother Dewey is now in his eighteenth year on the Ole Miss Pharmacy Faculty, holding the current title of Professor of Health Care Administration. He teaches Pharmacy Management and Law in the undergraduate program and Health Systems Management and Drug Development and Marketing to graduate students in addition to working part-time in a community pharmacy. His favorite hobbies are tennis and, as expected, exploring KΨ history. Recently he and his wife, Barbara, celebrated their 25th wedding anniversary. Their oldest son, Derry, is a Third Year Medical Student and their youngest son, Christopher, is in his first year of junior high school. They now reside at 1506 Smallwood Drive in Oxford, Mississippi.

Brother Garner's many years of fraternity involvement and his untiring commitment to our beloved Fraternity should prepare him well to fulfill the duties of the Office of Grand Historian-Ritualist.

Chapter News

Gamma Omicron Oklahoma

Gamma Omicron had a busy summer and fall. The 44th Grand Council Convention, our 3rd Annual Medical Professionals Golf Tournament, pledging and a new school year were some of the activities that took up thoughts, dedication and time of the brothers.

Theta did an outstanding job hosting the 44th Grand Council Convention in Williamsburg, VA. Brothers **Irish Lytle** and **Gary Parsons** attended from Gamma Omicron. Lifelong friendships were established and new friends and new experiences made the trip very memorable. To the brothers we met, we hope that you got as much from the meetings and socializing as we did. The bonding of brotherhood we shared can't be described. It was priceless and uniquely Kappa Psi.

The 3rd Annual Medical Professionals Golf Tournament to benefit the Muscular Dystrophy Association was even more successful this year. The donation to the MDA was \$1,517.51. and was presented by **Gary Parsons**, Regent; **Dr. Charles Seifert**, GCD; and 1987 poster child Shelly Rutherford on KWTU-9. A special thank you goes to the golf tournament committee and officers who helped with the tournament: **Keith Bailey**, **Erik Bowen**, **Linda Luzania**, **Irish Lytle**, **Faron Moore**, **Gary Parsons**, **Dr. Monty Hampton** and **Dr. Charles Seifert**, co-GCD's. Thanks to everyone dedicated to such a worthy cause, we can make a difference!

Pledging started with a Kappa Psi Hamburger Sale and was followed the next week with a Student-Faculty Luncheon for potential pledges, Kappa Psi faculty and members. Pledgemaster **Yolanda Crosby** will be assisted by **Faron Moore** and all other collegiate brothers as

we initiate yet another group of pledges into our great fraternity. Our formal initiation and Fall Banquet will take place on December 9.

—*Irish E. Lytle*

Buffalo Graduate

Eleven Buffalo brothers, six from our graduate chapter and five from Gamma Iota, headed south in August to attend the 44th Grand Council Convention in Williamsburg, Virginia. In addition to the meetings and planned activities, we call enjoyed two recreational days at Busch Gardens and Virginia Beach.

The city of buffalo took its share of verbal abuse throughout the week from, among others, guest speaker Robert Henry. That left us "Buffalos", as we were called, with the task of defending our beloved city. Our efforts appeared to be well supported when several brothers from Buffalo and elsewhere arrived at the Anniversary Banquet wearing ribbons with the message "I love Buffalo (and Kappa Psi too)".

Congratulations are extended to brother **Brian Sweet** and his new wife Michele. They were married on August 5, 1989.

—*Ann M. Fuoco*

Beta Upsilon Butler

The Beta Upsilon chapter is back into the swing of classes, labs, and meetings after a relaxing summer that sped by too fast. Our Regent and Vice Regent, **Jenny Donaldson** and **Nancy Spiher**, enjoyed their journey with Pi (Purdue) to the Grand Council Convention and rooming with Beta Psi (Wisconsin) during the week. As well as strengthening their feelings of national brotherhood and unity of the new Province V, they also explored the many facets of Williamsburg. Jenny and Nancy brought back many ideas for the chapter as well as memories of an inspiring week and many new friends.

Our fall rush program was a success this year due to our total chapter involvement and enthusiasm. The various picnics, dessert socials, and informational meetings culminated in the formal pledging of 34 men and women on September 30, 1989. We were pleased to have Brothers from Pi join us for this occasion.

The pledges, who range from first to fourth-year students, are deciding upon projects and fund-raisers. The chapter is planning a handicap awareness event for next spring, with extensive fund-raising

to help install a handicap ramp for the pharmacy building. Other events, such as participation in campus blood drives, are in the works. We co-sponsored a Halloween dance with $\Phi\Delta X$ and $\Lambda\Sigma\Pi$ that gave us a chance to know our fellow students better and we look forward to upcoming social events.

Also, we have had the following officer changes:

Chaplain **Greg Sacha**
Sergeant-at-Arms **Gordon Mann**
Social/Intramural Chairmen

Yvonne Wince, **Anita Riffey**

We are happy to announce the engagement of our Brothers, **Kathy Beeson** to **Mark Allanson**. We are also proud to announce that Kathy is a homecoming queen candidate and we wish her the best of luck.

—*Maria Boucuvalas*

Province I

The province is proud to announce the recipient of the first chapter of the year award is: Mu Chapter. The next province meeting will be hosted by Mu in February of 1990.

We would like to thank our supervisor **William R. Smith**, for the job he's done. also, congratulations to newly elected province officers: **Bhuren Patel**—Vice-Satrap, **Joe Corderro**—Secretary, and **Tony deMelo**—Treasurer. Previously elected were **Gene Mendel**—Satrap, **John Gionet**—Chaplin and **John Grossomanides**—Historian.

Congratulations to the newly elected Grand Officer. We look forward to working with our new Province Supervisor **Johnny Porter**. We invite all chapters to join us in Boston for our Assembly. Any questions contact Mu chapter.

—*John Grossomanides*
Province Historian

Beta Kappa Pittsburgh

The brothers of Beta Kappa are jumping into the fall term heads first this year. We have been very busy working on new projects, as well as planning many more—enough to keep us busy the rest of the term—and then some.

The first major project we have just put the finishing touches to is our new fraternity house. It was definitely a "Fixer-upper"! But all the brothers pitched in and helped repair, clean, paint, and get into tip-top shape, our new pride and joy—our "house". It took a lot of elbow grease, but the results were well worth the effort.

Gamma Omicron Chapter of the University of Oklahoma was well represented on Orientation Day for new students by (l-r) Richard Schaefer, Erik Bowen, Tim Ross, Dean Victor Yanchick, Gary Parsons, Tiffany Leavell, Mary Ellen Bryant and Irish Lytle.

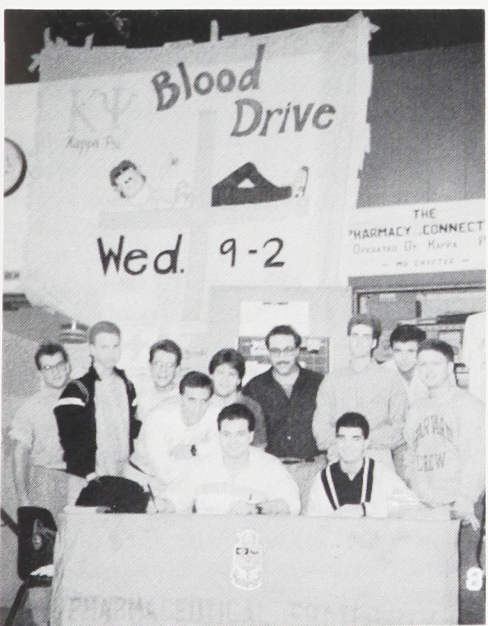

We have also been actively involved in activities around the University of Pittsburgh campus, including the Student Health Fair. Brother-participation was excellent this year, as it is every year.

Skipping back a bit—Beta Kappa had a very good representation of mothers at the 44th GCC. Brothers **John Coffman**, **Dan Wright**, **Butch Coffman**, **Amy Miller**, **Jean Beary**, **Mark Newnham**, and myself attended. Beta Kappa graduate brothers attending were **Roger Wheat**, **Tom Depue**, **Dan Wellhausen**, **Bernadette Sowko**, **Dave Maszkiewicz**, and **Cheryl Maszkiewicz**.

—Saundra Saul

Installing 1990 Province II officers: David Maszkiewicz—Retiring Satrap, Thomas Depue—Satrap (Pgh. Grad.), Larry Olszewski—V. Satrap (Pocono), Dan Wright—Secy-Treas (BK), Tim Speerhas—Historian (DE), Scott Kurzawa—Chaplain (DE)

Mu Chapter's Blood Drive

Province II

This year the Province II chapters held their assembly at Duquesne University in Pittsburgh, Pennsylvania and were happy to welcome some of our Grand Officers into the Assembly. These officers included: Grand Vice-Regent **Johnny Porter**, Grand Counselor **Paul Hiller**, Graduate Member-at-Large **John Grosomanides**, and Collegiate Member-at-Large **Brian Furbush**. We also welcomed our Province Supervisor and the Editor of *The MASK*, **Tony Palmieri**. It was a very enjoyable weekend and was well planned by the host chapter Delta Epsilon. Events included: a welcome party, a Pittsburgh Pirate baseball game (with post game party), a banquet, and Sunday brunch.

Province II is looking into the future and making plans to become more of a model Province in the fraternity. During the business part of the Assembly, some proposals were brought up to accomplish this. These proposals include; having more than one meeting every year with our next meeting being planned in the spring; starting a slide program to be shown by each chapter at each meeting; rejuvenating the Province newsletter; beginning a Best Chapter award within the Province; and increasing relations within the Province by starting joint-effort planning between our two Philadelphia schools and our two Pittsburgh schools in hosting our Province II assemblies.

Keeping this in mind, the Beta Kappa GCD brought up a very important point during the meeting. He expressed his joy that the two Pittsburgh chapters have become very close, attending each other's rush parties, planning joint pledge programs, and exchanging ideas and help in various fraternity programs. This is brotherhood; it is important to remember that Kappa Psi is an international fraternity not just a local fraternity at each school. Interchapter relations are very important and should be encouraged among other chapters in other provinces as well.

Lastly at the meeting, Province II elected new officers as follows:

Satrap **Thomas J. Depue** (Pittsburgh Grad Chapter)

Vice-Satrap . . **Lawrence P. Olszewski** (Pocono Grad Chapter)

Sec/Treas . . . **Daniel A. Wright** (Beta Kappa)

Historian **Timothy D. Speerhas** (Delta Epsilon)

Chaplain . . . **Scott E. Kurzawa** (Delta Epsilon)

Immediate Past Satrap **David E. Maszkiewicz**

Province Supervisor . . . **Dr. Anthony Palmieri III**

—Timothy D. Speerhas
Province II Historian

Eta

Philadelphia College of Pharmacy and Science

Fall 1989 at Eta Chapter was action packed with both little sister and brother pledging. Our newly initiated Spring Class brothers are actively participating in the fraternity. The new brothers are **John Barren**, **Sam Callabrese**, **Chritian Hample**, **Brian Steltz** (legacy), and **Eric White**.

Eta Chapter was involved in PCPS's Greek Week which was held September 11–16. This year's fundraiser was very successful in raising money for the HMS Crippled Childrens Association.

The Chapter is also trying to raise money for the Eta House Restoration Fund. Our house has been in Kappa Psi hands for over forty years and needs much repair from the abuse of fraternity life. The Chapter would especially like to thank brothers **Jeff Marcinkowski**, and **Todd Bixby** for their time and effort in helping to organize the Restoration Fund.

Our newly elected officers for the 1989 year are:

Regent **John Isaac**

Financial Vice Regent **Robert**

Bretzel

Social Vice Regent **Paul**

Marcinkowski

House Manager **Darren Zito**

Secretary **Vincent Grasso**

Treasurer **Arnold Gammaitoni**

Historian **Michael Frey**

Chaplain **Robert Esagro**

Sergeant-at-Arms **Paul Minella**

We wish the best for the following brothers graduating in December 1989. These include: **Robert Carilli**, **Ed Hudon**, **Joseph O'Connell**, and **John Isaac**.

St. Louis Graduate

The St. Louis Graduate Chapter had its annual pig roast on August 27th. Brothers **Joe Huber** and **Tom Holmgren** once again arrived at dawn to ensure that the 150 mass of delicious pork was ready for consumption by 3PM. Graduate and Collegiate brothers enjoyed the day with swimming, softball, etc. The following evening the Brothers attended the Cardinal Baseball game, utilizing a party room to ensure everyone could get to talk to each other while enjoying the game.

The St. Louis Graduate Chapter donated funds to purchase a table/bench

Chapter News

combination to the St. Louis College of Pharmacy during a recent fund-raising activity. The chapter attended a Cardinal Ballgame (reserved the Dugout Room), had a canoe trip, and a pig roast.

—Leonard Naegar

Beta Nu Creighton

We are planning to be very active in our province and nationally. First of all, congratulations are in order for Brother **Chris Ciminski** on her recent appointment to the Graduate Development Committee.

Our fall rush activities went very well and resulted in nine new pledges. We are very pleased with the unity and hard work that this pledge class has put forth. Among our planned pledge activities, we have established a new tradition that we hope to continue with the brothers of Beta Chi at Drake University. We met halfway between our respective schools in the small town of Atlantic, Iowa. The actives and pledges have formed an intramural coed-volleyball team, The Grateful Drams, which is entered in the professional division of Creighton's volleyball league.

In keeping with tradition, Beta Nu was in charge of the annual Pre-Mortar Bowl party. Everything went well and the party was a success. The annual Mortar Bowl is a football game open to all pharmacy and occupational therapy students and faculty. One of our faculty Brothers, **Mr. Ron Hospodka**, was credited with the "catch" of the day. It was the third year-pharm D team that was victorious.

Our Grand Council Deputy, **Dr. Mike Makoid**, has an active part in our school. He has recently started a Judo Club on campus open to both students and faculty.

The community service project we have planned for this semester is two days of diabetes screening at a large retail drug store in Omaha. For fundraising we have already had a bake sale and are in the process of selling Drug Cards to the students.

—Alan Y. Fung

Pocono Graduate

Greetings from the great "Pocono Northeast". The Pocono Graduate Chapter recently held its first meeting of the new year. Special to the meeting was the awarding of the "Order of The Golden Mortar" to Brother **Robert Wilson** of Kingston, Pa., having been a loyal member for more than 50 years. Bob was initiated in 1929 into Eta Chapter, PCP

& S, Philadelphia, Pa. Upon graduation, Bob owned and operated his own pharmacy in the Wyoming Valley until his retirement.

Congratulations also go to Brother **Paul Hiller** (charter member of Pocono Grad) who was elected to Grand Counselor at the recent Grand Council Convention. Paul gave an excellent presentation of the history of Kappa Psi including the use of the Regalia. As the home chapter of Paul, we are especially proud and wish him the best, as well as to all the newly elected officers of the National Chapter.

Installation of officers took place at our previous meeting as follows:

Regent **Barry Kwasny**
Vice-Regent **Paul Kanjorski**
Secretary **Rich Kerkowski**
Treasurer **Larry Olszewski**
Historian **Joe Tabit**

—Joe Tabit

Beta Psi Wisconsin

Beta Psi started off the '89 fall semester with its annual Registration Day Party. It was a great opportunity to catch up on the summer's events with pharmacy students schoolwide. Since then, Beta Psi has had a full agenda.

Our active interest in professional projects was publicly displayed at the Jerry Lewis Labor Day Telethon. Professional chairpersons, **Mark Paltzer** and **Stefanie Kardules**, along with many other brothers helped raise money for muscular dystrophy by answering phones and verifying pledges. We also sponsored a food-drive party for a local co-op house. All who attended were asked to donate one nonperishable item of food.

Anticipation for a successful Fall Rush prompted a lot of planning and organizing which resulted in a very productive program. Led by our Rush chairperson, **Ellen Mikolos**, our informal Rush party with a presentation and slide show gave prospective pledges a closer look at Kappa Psi and our activities. Invitations were personally delivered to prospective pledges for formal rush where lasagna dinner preceded the ceremony. Ten pledges received pledge pins from their pledge parents, who were assigned to advise them during their pledge period.

Beta Psi is also sponsoring a "drug of the month" bulletin board at the school of pharmacy. Every month information concerning a new drug on the market is displayed.

Beta Psi is also spending time on fund-raising activities. Fundraising chairperson, **Sarah Lemanski**, organized a

week-long sale of pharmacy T-shirts. Also, our participation in a drug audit project at local pharmacies continues to bring in a lot of money.

Thanks to our "Uncle Bill," we now have a new KΨ stained glass window in the foyer of our house.

This year's homecoming was well attended by our esteemed alumni. Our house mother, **Sandy Redding**, prepared a fabulous meal for all. A post-game party gave an opportunity for alumni and undergrads a chance to share their Kappa Psi experiences.

Congratulations to brothers, **Mark Paltzer**, **Patrice Wycklendt** and **Diane Bilgry**. They were the recipients of the 89 Wisconsin graduate chapter scholarship award.

—Patrice Wycklendt

Several Beta Psi brothers attended the Wisconsin graduate chapter's annual "Hackers" golf outing 1989. Top: R to L John Matas, Hugh Zvengler, Sarah Lemanski. Bottom: Ellen Mikolos, John Ruona.

Gamma Theta UMKC

This past spring the Gamma Theta chapter elected its new officers for the 1989-1990 school year. The election results are as follows:

Regent **Kendall McManamy**
Vice-Regent **Kurtis Wages**
Secretary **Brian Voss**
Treasurer **Bryan Harris**
Chaplain **John Bosworth**
Historian **Tom Redford**
Sergeants-at-Arms . . . **Bryan Kiefer & Matt Hartwig**

Little Sister Liaison **Mike Rupp**

The Brothers of Gamma Theta have already put together a very successful rush season. Both our 1950's party and our casino night were overwhelmingly successful. In evidence to this success is the fact that three-fourths of the incoming 1st year men pledged KΨ (for a total of 13 pledges). The new pledges are **Jamie Barnett**, **Paul Bricker**, **Scott Brown**, **Brian Burney**, **John Cooper**, **Danny Fannin**,

William Frieze, Scott Meek, Tim Muntz, Phillip Parrigon, Bo Thomas, Davin Vaughn, and Brian Workman. We have very high expectations for these new pledges and feel that they can live up to them.

We would like to wish all chapters the best of luck for this school year and continued success in all KΨ functions and projects!

—*Brian Voss*

Pittsburgh Graduate

The chapter brothers met for dinner once during the summer, on July 30 at Houlihan's Restaurant in Monroeville, Pennsylvania. At that meeting, delegates to the Grand Council Convention in Williamsburg, Virginia, were elected and the brothers provided direction to those delegates on issues coming before the G.C.C. that were known in advance. The brothers directed their chapter delegates to vote for all the Grand Council officers who were eventually elected so the chapter has a real feeling of brotherhood as well as one of excellent prognostication. Financial support for the collegiate chapters attendance at the G.C.C. was determined at this meeting. The chapter continued to plan for continuing education programs at this and at the September 17 meeting which was hosted by the Beta Kappa Brothers at their new chapter house, 361 Atwood Street, Pittsburgh.

The G.C.C. events were reviewed in September and plans made for attending the Province II convention at Duquesne University, September 29–October 1. The Province Convention, hosted by Delta Epsilon with support from Beta Kappa, was a definite success and was well attended by brothers from all the active chapters in the province. The convention received the news of the illness of Grand Regent Smith with sadness and took the opportunity to send him get well wishes that weekend. Congratulations are extended to new Province officers:

Satrap . . . **Thomas DePue (Pittsburgh Graduate)**

Vice-Satrap **Larry Olczewski (Pocono Graduate)**

Secretary/Treasurer . . . **David Wright (Beta Kappa)**

Historian . . . **Timothy Speerhas (Delta Epsilon)**

Chaplain **Scott Kurzawa (Delta Epsilon)**

Pittsburgh Graduate brothers in attendance also take the opportunity to thank the hosts for a fine day with a full agenda and a number of excellent social events.

We also sincerely thank our distinguished visitors:

Province Supervisor and Editor of *The MASK* **Anthony Palmieri**
Grand Counselor **Paul Heller**
Graduate Member-at-Large . . . **John Grossomanides**

Collegiate Member-at-Large . . . **Brian Furbush** and our outstanding

Grand Vice Regent **John Porter**

Meetings will continue on at least a bi-monthly schedule and the chapter is still welcoming additional brothers from Western Pennsylvania who wish to join in the brotherhood of the Pittsburgh Graduate Chapter. Contact may be made with Roger L. Wheat, Jr., Regent, 969 Centennial Drive, Indiana, PA 15701.

Bruce D. Martin
Historian

Mu Omicron Pi Wayne State

The Fall 1989 Semester is proving to be very busy for the Brother's of MOPI. In preparation for Province V we have utilized our Bingo war chest to pay for painting of house which has done wonders for it. Again, we the Brother's of MOPI wish to extend our cordial invitations to all the members of Province V to attend the meeting March 23, 24, & 25 in Windsor, Canada.

We started off with seven pledges but as the saying goes "separate the sheep from the goats." We are currently down to two. Brothers Gaspare Rubino and Paul Schornack are coordinating the MOPI Pharmacy T-shirt sale which does well with the third year class. On Novem-

ber 12, the Detroit Graduate will sponsor the wine and cheese party at the John F. Radtke house which always proves to be a fine night of merriment and Brotherhood.

—*Charles Preuss*

Beta Epsilon Rhode Island

The fall semester started with a get together meeting, which included 17 new interested members. On October 4, we initiated 15 new eager rushes. We are building our chapter to 49 strong, the most we have ever had.

We wish to congratulate brothers **Joel Fitzpatrick** on his marriage on July 14, **Marc Curtis** on his announcement of his marriage in the later spring. In addition, brothers **Brian Furbush, Roger Michaud, Marc Bernarducci, Jason Beaubien, and Mike Halliwell** have been invited to join the Pharmacy Leadership society. As five of our brothers are already members, and two hold offices.

At the Grand Council Convention this summer, our brother **Brian Furbush**, was elected for the office of Collegiate Member-at-Large.

—*Greg Tremo*

Beta Gamma UCSF

Fall Quarter has definitely kept BG busy!! We started off with Orientation '89 and the Tri-Frat Party. The BG Chapter hosted an elegant spaghetti dinner for approximately 90 first year students.

Many members attended the UCSF

KΨ Beta Gamma Chapter at UCSF Activities Fair.

Chapter News

Activities Faire on September 22nd, where we passed out Kappa Psi Quarterly Calendars with our upcoming events.

The rest of the quarter, **BI** was busy with rush events. We sponsored three rush events this year—"Chili Out" on Oct. 6th, "Jason Takes Kappa Psi" appropriately on Fri. October 13th, and "Get Fat at the Frat", a dessert social, on Nov. 16th. All three events turned out with great success and attendance. We look forward to a super pledge class this year!

Our community service projects are progressing rapidly. The Lung Cancer Awareness project, originally intended for middle/junior high school kids, has expanded this year to include talks for elementary school kids. Beta Gamma is excited for our new OTC Drug Information Project. It premiered at UCSF's 125th Anniversary Street Faire Party on October 14th.

Congratulations to all of our new officers for 1989-90!

Regent **Suzi Young**
Vice Regent Academic

Kristin Oberg, Jody Teruya
Vice Regent Social **Michelle**

Lauderman
Treasurer **Daniel Quan**

Recording Secretary . . . **Melissa Choy**
Corresponding Secretary . . . **Rita Jue**

Sergeant-at-Arms **Gustavo Silva**
Chaplain **Michael Makapugay**

Historian **David Quan**
Parliamentarian **Carolyn Wong**

Rush Co-Chair **Irene Limjoco**
Kang Tsau

House Manager . . **John-Erik Lyckfors**
OTC Chairman **Craig Eng**

—*Rita Jue*

Gamma Kappa South Dakota State

Gamma Kappa is off and running this fall with a very busy start. Our activities began by helping with freshman orientation on the 27th of August. Brothers assisted in many of the various tours that make freshmen familiar with campus.

The All-Pharmacy picnic was held on the 12th of September sponsored by KY, KE, and ASP. This was the largest turnout for an All-Pharmacy event in some time. All organizations gave short presentations and welcomed new and transfer students to pharmacy. On the 13th, the Little Sisters put on a pot-luck supper at the house. This was a great success. All the Little Sisters are great cooks.

Pledging activities this fall are off to a great start. This is the largest pledge class in some time. The pledges are: **Charlie Edinger, Kendall Goetz, Craig Hohn, Jeff**

Little Sisters and pledges look full and relaxed after the midnight breakfast at the house.

Kuper, Ken Lanier, Stu Matson, Jason Meklegard, Alan Reither, Randy Reuppel, Doyle Twait, Brett VanVooren, and Tim Wodele. This should be a fun pledge class and as always nicknames have already been given. Thanks are in order to **Mike Cardella** for his nickname imagination.

Pledges this fall are already undergoing new pledge projects. Pledges have already helped the brothers with a house clean-up and are presently holding a fundraiser for house improvements. The Little Sisters put on a midnight breakfast for pledges and brothers on October 3rd. Their cooking was fantastic and everyone had a good time. Gamma Kappa would also like to welcome our new faculty advisor, **Dave Helgeland**. Brother Helgeland graduated from SDSU and was KY Regent during the 1973-74 school year.

KY sponsored an All-Pharmacy Fall golf tournament on the 29th of September. Everyone enjoyed one of the last days of Indian Summer and shot some impressive scores. **Jay Wickre** won with a score of 41 strokes on 9 holes. Other awards are as follows: longest drive—**Chad Moser**, closest to the pin—**John Dohn**, longest putt—**Paul Hammond**, and high score—**John Dohn**. Thanks to everyone who golfed and made the event a success.

Gamma Kappa brothers have also been busy with intramural football. The "Strong Coobs" are on their way to the play-offs. Hopefully we can repeat our basketball success.

KY All-Pharmacy golf tournament golfers relax after 9 holes.

This fall we are continuing our traditional community projects. We recently finished two Market Measures Pharmacy Audits for the month of September. We will also be continuing our annual blood glucose and cholesterol screenings on the 17th of November at the Brookings Mall.

Finally, new furniture and carpeting are on the way for the livingroom of the house. We are also anxiously awaiting the Province VIII conclave in Des Moines, Iowa at the end of October.

—*John Dohn*

Delta Theta Texas Southern

Twenty-five "new" brothers have been initiated; during the Spring of 1988: **Amos Abuga, Thomas Adimula, Lemuel Aigbinbalu, Ignatius Bassey, Arthur Billings, Jasinth Cross, Melvin Griffin, Belinda Kent, Judy Knight, Sonja Lewis, Reginald McCoy, Christian Onwukne, Michael Pinon, Winifred Porter, Frederica Rhodes, George Wiggins, G. Livingston Witt and Anjanette Wyatt** and during the Spring of 1989: **Paul Henry, Tyrone Johnson, Mark Moore, Andre Brown, Chris Tita, Tracy Utterback and Jackie Carmen.**

The chapter administrative duties have been placed in the capable hands of the following brothers:

Regent **Arthur Billings**

Vice Regent **Ronald Patrick**

Secretary **Anjanette Wyatt**

Treasurer **Reginald McCoy**

Historian **David Douglass**

Sergeant-at-Arms **Ronald Ryans**

Chaplain **Howard Alridge**

Brothers of Delta Theta served as the leadership for the 1988-1989 graduating class with Pinon, Witt and Cross serving as President, Vice President and Secretary respectively. We dominated the awards at the Annual Awards Banquet in the Spring with Brothers **Troy Hunter, Dunbar Watson** (Delta Delta), **Michael Pinon** and **G. Livingston Witt** carrying away the top honors.

On a tragic note Delta Theta mourns the loss of TSU alum and honorary brother U.S. Congressman **George "Mickey" Leland**. We dedicate our annual Thanksgiving food drive in the spirit of his sacrifice to feed the hungry.

Our best wishes for a speedy recovery go to **Vinson Tatum** (Delta Iota) who was seriously injured in an automobile accident.

Congratulations to **Judy Knight** who will represent Delta Theta as our representative to the Homecoming Queen's Court.

—*G. Livingston Witt*

Beta Omega Temple

The brothers of the Beta Omega chapter wish to congratulate the new officers for the 1989–1990 school year. They are as follows:

Regent **John Kushner**
Vice Regent **John Brown**
Secretary **Ken Fabbrini**
Treasurer **Mark George**
Asst. Treasurer . . . **Clint Roderick, IV**
Chaplain **Mike Patton**
Historian **Mike Lehan**
House Master **Hammad Shah**
Athletic Director **Mike Mullen**
Social Director **Chris Busch**
Mascot **Jake**

Beta Omega welcomes our new initiates into the brotherhood. They are as follows: **John Brown, Mike Mullen, Gary DeSanto, Chris Busch, Clinton Roderick, Kenneth Fabbrini, William Kautz, Brian Jaffin, Timothy Nichols, Greg Ponento, Eric Phillips, Mark Prezkop, Brad Kessler, and John Kozlowski.**

This chapter over the past year has overcome a tremendous inherited debt of over \$8,000. This was accomplished by holding a few fundraisers including chance drives, 50/50s, and a Fraternity, Father, and Faculty dinner. This also couldn't have been possible without the numerous donations of our graduate brothers to whom we owe our most sincerest thanks. As of now, the chapter is, after three years, finally in good standing with the national office and operating the chapter and house self-sufficiently.

We are now in the process of developing a new schedule of events for the Fall Semester which will be sent to all graduate brothers for whom we have current addresses. If you do not receive a newsletter, please call the house at (215) 225-9417.

Gamma Psi Mercer

The Gamma Psi chapter started fall quarter by making preparations for our first party. The theme of this party was "RETURN TO WOODSTOCK" and was held on Friday, October 13. We felt this was a proper theme due to 1989 being Woodstock's twentieth anniversary. To help promote the party, several brothers and little sisters met one afternoon and tie-dyed some T-shirts. Due to the many brothers and little sisters who came and participated, the party was a great success.

On October 16, Gamma Psi sponsored a Red Cross blood drive as a community service project. We usually do this at least

once a year. Also, in keeping with tradition, we again had name tags made for the incoming class.

Our fundraising project fall quarter was the selling of "DRUGS ARE MY LIFE" T-shirts and sweat shirts. The first order of several hundred shirts was gone in less than two weeks. We have a second order that will soon be completely sold. This project was much more popular and profitable than we had first anticipated.

This winter, as a service to the student body and as a fundraising project, we will again be selling apothecary weights and drug cards. Also, we are planning our second ski trip. We have plans for 40 brothers and sisters to go this time. Hopefully, this trip will be as fun and enjoyable as last year's.

Pi Purdue

Pi chapter is starting off yet another semester with a flourish of brotherhood and professionalism. Upon returning from our summer breaks, we were greeted with a report of the events of this summer's Grand Council Convention by Pi chapter delegates **Daren Pribyl** and **Dan Degnan**. All brothers who attended related numerous stories of fun and fellowship. Thanks go to those attending for representing our chapter with pride and dignity.

Rush chairman **Dave Speer** and Pledge trainer **Alan Kaffenberger** have been doing an excellent job with this fall's pledge program. Pledgeship kicked off with our annual picnic at the home of **Dr. Stan Shaw**. We thank him for his generosity and being such a wonderful host. Currently, eleven pledges are working hard towards becoming brothers in Kappa Psi by learning about the history of both the fraternity and Pi chapter and getting to know each of the current brothers. Plans for the pledge class include the annual pledge-active football game, faculty service project, and various other activities.

Professionally, this fall has been an extremely busy time for Pi chapter. In September, several brothers manned the phones at the Jerry Lewis Labor Day Telethon to help raise money for this very worthy cause. We also had a booth at the annual Pharmacy First Nighter. Fundraising chairman, **Brian Cruser** has directed three successful service/fundraisers. Sales of lab jackets, top 200 drug cards, and shirts and sweatshirts all did extremely well.

Last, but not least, brother **Torrey Guyer** has been working extremely hard on our annual drug fair. As of now, it's

looking to be one of the biggest and most successful fairs in recent years.

Social activities slated for this semester include a Halloween party, Euchre tournament, Capture the flag, and intramural sports.

Finally, congratulations to **Dr. Dane Kildsig** and **Dr. Ashim Mitra** who have been officially confirmed as Co-Grand Council Deputies for Pi chapter. We look forward to their guidance, input, and new ideas as we move ahead into the Nineties.

—Tony Stuckwisch

Beta Xi North Carolina

We had a busy summer in Chapel Hill with all the renovations on our house. All the work is completed, and it was well worth the effort. The house looks great and to celebrate we held our second annual grand reunion in early October. We had a pig-picking and dance, and had around sixty-five alumni return for the occasion.

We have five brothers that are currently holding class offices: **Sallie Faulstich**—5/5 Vice President; **Eric Richards** and **Mike Chicella**—4/5 President and Vice President respectively; **Michael Crouch** and **Mike Bourquin**—3/5 President and Treasurer respectively.

We have in plans to hold screening clinics. We are also getting ready for our upcoming seventy-fifth anniversary in the spring of 1990.

—Melynn Benfield

Beta Delta Albany

Since the last issue of *The MASK*, the brothers of Beta Delta have been extremely busy. We have held about dozen bashes including a Tri-Level Toga party at brothers **John Cariola** and **Dave Lester's** house, a car wash, a blood-drive, a raffle, a Mets trip to Shea Stadium for prospective rushes, and a barbecue at the freshmen.

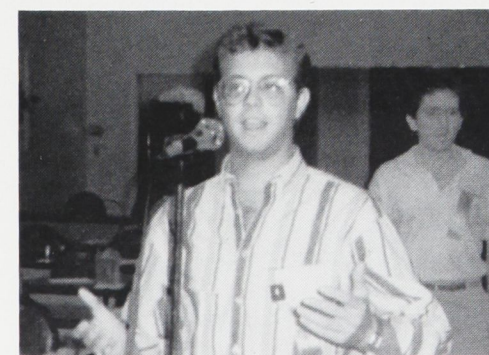

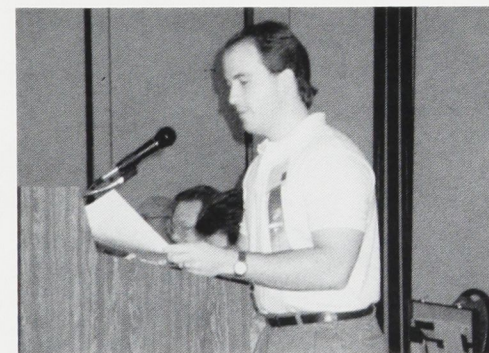

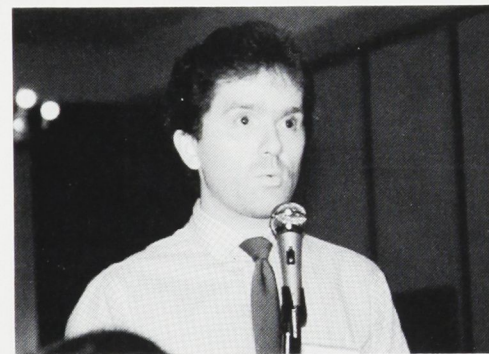

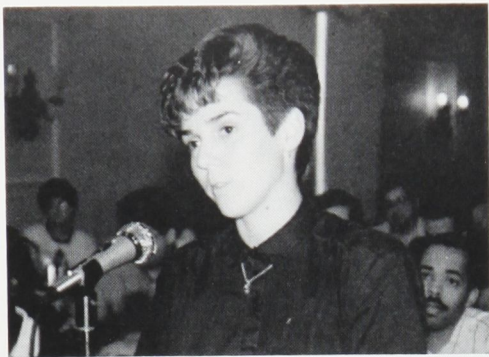

Upcoming events include our Rush Dinner which our Pledgemaster **Joe Waltz** has been working diligently to get together. We have approximately 40 prospective rushes signed up to attend. We also have planned a Kappa Psi—Lambda Kappa Sigma Rush Hayride Nov. 3rd as well as a Halloween Party Oct. 27th.

The brothers would also like to wish brother **Manny Ramirez**, who has recently undergone surgery, a quick recovery.

—Frank Vigilante

More Convention Photos

(continued from page 13)

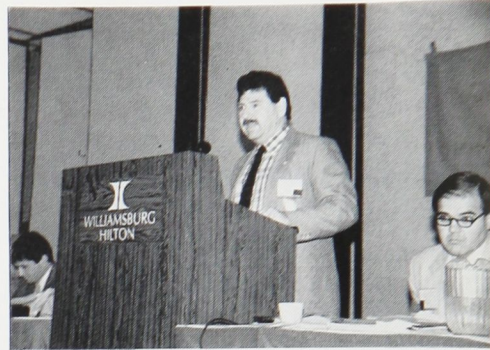

Brothers had many opportunities to speak from the convention floor.

Brothers gather for a trip to Busch Gardens.

A group of brothers visited Busch Gardens Amusement Park in Williamsburg, Va. and met a 'tourist' bear to pose with.

Grand Counselor Johnny Porter delivers his report.

Grand Vice Regent Porter and his sons Brent and Bradley.

Graduate Member Grossomanides discusses graduate chapter reactivation.

The Kappa Psi Castle was built by some industrious brothers at Virginia Beach, Va. on a free day, Tuesday, August 8, 1989.

Beta Omicron Washington

Greetings KΨ brothers! Beta Omicron would like to welcome the Class of '92 to the UW School of Pharmacy. We are busy planning a Mexican Fiesta to introduce everyone to the fun of KΨ. The Fiesta was held in Bagley Hall (yes, the dreaded chemistry building) at 6:30 on Thursday, October 19. Come ready to Rumba and enjoy the Mexican feast prepared by the KΨ officers. The next major party was the traditional KΨ Halloween Party. We look forward to mingling with the Beta Omicron graduate chapter over dinner on November 9th. What's new this year at Beta Omicron? We're currently working on organizing a fundraiser for a local charity, a Birthday Recognition Service for our KΨ brothers, and an Info/Paraphernalia Bulletin Board.

—Jana Johnson

Beta Sigma North Dakota State

Greetings from your brothers in the cold and frigid parts up north. The cold weather doesn't stop the Beta Sig's with all of their fun and activities.

We started off the quarter with an exciting rush that brought us five new pledges: Adam Brandvold, Pete Bolding, Tom Gerber, Brant Skanson, and Brad Weske. All are eager and are starting projects to help us out already. This year is our house's 25th Anniversary and all the planning is becoming reality now. Our big celebration will be over homecoming. Letters have been sent to all of our alumni, we have been notified that Robert Magarian from the National Office will be speaking at our celebration. Our annual pig roast will be one of the featured events that bring people from all around to sample our special recipe. All of the brothers have put a lot of time into making this a fun and exciting weekend.

We are trying something new this quarter, we are skipping one house meal and donating that money for the meal to MS. Three brothers are graduating this quarter, Robby Hahn, Kurt Neuenfeld, and Darren Seay. Good luck, good-bye, and keep in touch. We are all eagerly awaiting Conclave in Des Moines, so watch out and be prepared.

Congratulations to brothers Kyle Johnson, Mark Johnson, and Mark Palmer on their recent weddings this past summer. The men of Kappa Psi wish you the best of luck in the future and we wish all of you success and good times for the following year.

—Gordon Sein

Beta Rho Mississippi

Though the school year has just begun,

it has already been a busy and productive period for the brothers of Beta Rho. We held a formal rush party where the active and Little Sisters were able to meet all the incoming students. In addition, an informal rush cookout was sponsored by actives and Little Sisters. Both of these events were very productive because we now have 24 new pledges and many new Little Sisters. We are also proud to have initiated three new brothers into our chapter from the Spring Pledge Class of 1989.

Furthermore, we have also been busy with out of class activities. We were able to have two "Flag Football" teams, made up of Actives and Pledges. We also have a "Co-ed" volleyball team composed of actives, pledges, and little sisters. Basketball season is about to begin and we will have two teams involved in this event as well.

The brothers of Beta Rho are looking forward to the full, productive, and fun year ahead of us with old and new friends.

—David H. Dunson

Gamma Xi South Carolina

Gamma Xi would like to congratulate the following brothers on their graduation in May '89: Jeff Lynds, Larry Powers, Gerald Wilson, and Greg Yount.

Summer '89 was filled with festivities at the Kappa Psi house and on nearby waterfronts. Following a busy Spring semester, Kappa Psi brothers spent several days at Cherry Grove beach on the South Carolina coast. Daily outings to the beach included volleyball, kite flying, windsurfing, and sunbathing. Night life found the brothers & KΨs at local restaurants and clubs to cap off the spirited days. Special thanks go to Kristen Johnson, who made our lodging possible. Upon returning from the beach, brothers staked a volleyball net in the KΨ house backyard which has since enjoyed competition from brothers and pledges alike. The KΨ house also paid tribute to several brothers summer birthdays allowing us to keep in touch with others in Columbia. At the close of the summer, brothers Mark Gregory, Mark Hatchett, and Gerald Wilson attended the national convention in Williamsburg, VA. Upon returning, they shared their experiences including the formally noted Grand Council ceremonial initiations, poolside encounters, and meeting and exchanging backgrounds with some of the 169 nationwide participants.

Fall semester '89 began with our annual KΨ lake party. Graduate brothers and collegiates enjoyed waterskiing, hydrasliding, riding the inner tube and afterwards feasting on burgers, hotdogs, and chips provided by graduate brother Mike Deweese. Thanks go to Mike,

Tricky, and all those who made the party possible.

Following the first week of school, KΨ held its traditional back-to-school party setting a record for attendance as students, friends, and graduates provided for a highly successful event. As the semester continues, Gamma Xi plans to participate in numerous community service projects including blood pressure screenings for the elderly, providing assistance at Columbia's free medicine clinic, and helping the KΨs at Epworth's children's home. Money making projects will include sale of pharmacy school t-shirts, local area car washes, and cholesterol screenings.

Gamma Xi is proud to begin Fall semester with the induction of twelve prospective brothers. The pledges are planning an "Old Time Pharmacy" display for a professional project, which will include demonstrations on rolling pills, making tablet triturates, and instruments and labels once used before the availability of prefabricated dosage forms.

Finally, Gamma Xi would like to recognize brothers who have received scholarships for their academic achievements during the '88-'89 school year.

Bob Barrons: Rite Aid Scholarship

Bob Ferguson: Plough Scholarship

Marion Patton: Burroughs Wellcome

—Bob Barrons

Nu Connecticut

The officers of Nu chapter for 1989 are:

Regent C. J. Godfrey

Vice Regent Angelo Annunziato

Secretary Mike Magdycz

Treasurer Ernie Callegari

Pledge Master Randy Haigh

Asst. Pledge Master . . . Randy Longley

Historian Tim Nolan

Chaplain . . . Mohammed Mohammed

The spring semester of 1989 was a good semester for Nu chapter. The pledge period yielded seven new brothers and one faculty brother. The new brothers are: Ed Anulewicz, Jeff Brown, Dan Carpenter, Steve Custanzo, Ed Boulanger, Mark Peterson, Rick Kerr and Dr. Kevin Sweeney.

During the summer Regent C. J. Godfrey and V. Regent Angelo Annunziato attended the Grand Council Convention. The brothers of Nu chapter would like to congratulate C. J. Godfrey for his appointment to the Grand Council History and Ritual Committee.

Currently Nu chapter has five pledges. During this pledge period there will be more focus on the professional matters of the fraternity. Each pledge will be required to develop a short speech on a current pharmacy topic. The pledges are also required to sponsor an activity which will contribute to the financial status of Nu chapter. These activities as well as the

traditional activities, such as: film fest/scavenger hunt, Spirit night; should make this pledge period productive and fun. The financial committee sponsored a very successful poster and art print sale. The professional committee sponsored an Eli-Lilly Leadership Workshop. The social committee organized a trip to the Basketball Hall of Fame, which was great fun for the brothers who were able to attend.

—Tim Nolan

Delta Lambda Campbell

The fall semester has started off with a bang for the Delta Lambda chapter. We organized three rush parties for the possible new pledges. At the first, everyone is asked to dress in their favorite Hawaiian outfits. All of the candidates who attended the party received a KAPPA PSI SHIRT. Second, we hosted the "Freedom Rock Party." The candidates were required to dress in their best 'hippy' attire. The band "Fortress" played at this party. Finally, we hosted the KAPPA PSI CASINO PARTY. Everyone who attended received five thousand dollars of KAPPA PSI money! Throughout the night the pledge candidates partied and gambled their money. All three of these parties were a great hit. The candidates really enjoyed them.

Speaking about candidates, we received twenty-nine pledges this semester. We have really put them to work organizing activities. They worked really hard on the SECOND ANNUAL KAPPA PSI HOMECOMING CAR BASH. They also picked up litter on our adopted highway, which is located in front of Campbell University.

The brothers of Delta Lambda also gave our pledges a pig-picking on October 7, for their Homecoming activities. We are also selling Campbell University School of Pharmacy tee shirts. And we are in the process of planning our annual KAPPA PSI SPAGHETTI DINNER for our fall fund raiser.

We, the brothers of Kappa Psi Delta Lambda would like to send a special thank you out to the Theta Chapter for hosting the Grand Council Convention; Fortress, for playing at our rush party; and to Glaxo Pharmaceuticals, for donating the pig at the pig-picking.

—Anthony Davis

Gamma Chi Ferris State

Between last spring and this fall, the brothers of Gamma Chi have been busy. During the summer, brother Wendy Kesinger hosted a summer party in Allegan for those of us that were lucky enough not to have to work.

As fall quarter started, we began to or-

ganize all the homecoming activities. The float was first on the list, with homecoming games and a banquet to follow. After three long weeks of hard work and fun, our float placed first. Not only were we happy, but so were all the alumni that joined us.

Now that homecoming has come to an end, we have plans and time for our community project of leaf raking and a Halloween party for the Big Brothers and Big Sisters of Mecosta County. Our quarterly visit to Greenridge nursing home is coming up and we are also selling coupon books to help raise money for the United Way.

We currently have three outstanding pledges that are working hard and are very eager. Then to end up fall quarter, Gamma Chi will be having their elections of new officers. It looks as though we have some good leaders and a strong chapter.

—Stacey Judd

Upsilon Kentucky

Our two Rush parties were very successful. They provided us with an excellent opportunity to introduce our fraternity to the new third year class. Our goal was to represent professionalism in a spirit of brotherhood. In keeping with the history of our college, we chose a theme for each of our parties. For our first party we elected to revisit the ever popular Hawaiian Luau which has become somewhat of a tradition with our chapter. With the help and support of our alumni, this celebration was a tremendous success. Our second party was set "South of the Border." Everyone really enjoyed this fiesta, as well. Our Halloween party is just around the corner and it always promises a good time. This costumed event gives everyone the opportunity to be someone or something they always wanted to be. Although our annual Derby party is still several months away, the spirit of horse racing is always present here in Lexington. This annual event is anxiously awaited by all of our brothers, both students and alumni. We are very fortunate to have a very active alumni chapter. Last week-end they gave us a tailgate party for our home-coming football game. We all had a great time.

Although, fraternally speaking, parties are important to our chapter, they are only a small part of our responsibilities as brothers. We are involved in several community projects in Lexington and the surrounding areas. For example, one program scheduled later in October is the Chandler Medical Center "trick-or-treat" party for kids. Members of our fraternity organize a party for the children who are patients in the hospital. We dress up in costumes and join in their fun as they receive toys and treats from office to office. Another example of a community proj-

ect, which is slightly more broad spectrum in its coverage of the area, is the blood glucose testing. This project allows us to provide an important service to our residents via the community pharmacy. It is also an excellent opportunity for us to interact with pharmacists and other health care professionals.

Rush week turned out pretty well for the chapter with fifteen pledges and twenty one little sisters. Activities for the new pledges have already begun with a scavenger hunt planned for mid-October and pledge classes occurring bimonthly. The active members number thirty one this year so our pledges will undoubtedly be a brotherly fraternity. Listed below are the newly elected officers:

Regent	Joseph Mashni
Vice Regent	Charles Canada
Secretary	Tim Fuqua
Treasurer	Stuart Shannon
Historian	David Eckmann
Social Chairman	Pat Southall
Rush Chairman	Todd Turner
Pledge Master	Jerry Hyden
Alumni Liaison	Shane Fox
Chaplain	Mike Bragg
Faculty Advisor	Dr. Ed Soltis

—David Eckmann

Gamma Zeta Samford

The Brothers of Gamma Zeta started organizing activities for the present semester early during the summer. Our dedicated leader, president Steve Gifford, called the executive committee together in July to plan upcoming events for the fall semester. The committee planned numerous events and anticipated a great response and increased activity from the brothers and fall pledge class.

We are excited about 47 new pledges for the fall semester. Pledge trainers Kelli Harrington and Tracy Conway are working hard with these new pledges and we appreciate their good work.

One of the highlights of pledging and an annual tradition at Samford is the "Tackey Tourist Party." One hundred eight brothers and pledges dressed in their tackiest outfits enjoyed a night of dancing and great music brought to us by one of our fine brothers, Mark Dyer. It was a very exciting and a successful evening.

Congratulations to brothers Kenny Dunn and Michelle Charles upon getting married August 12, 1989.

Finally, a recent graduate, Mike Cravens, took time out of his busy schedule to talk to the brothers about the Williamsburg Convention he attended in August. He also inspired everyone to really get involved in KΨ and to get excited about the upcoming convention in Gainesville, FL. Thanks Mike for all of your hard work and dedication to KΨ.

—Chip Buckner

Psi Tennessee

Hello from the brothers of Psi Chapter in Memphis! We were able to send 9 brothers to the Grand Council Convention in Williamsburg. Those attending were: Eddie Underwood, Connie Johnson, Steve Groom, Kim Lusk, Tiffany Montgomery, Kelley Lee, Sue Ellen Wygul, Nathan Rawls, and Jeff Lee. Fall quarter started with the ever-traditional Welcome Back Party, which was held this year with Alpha Kappa Kappa Medical Fraternity. Next came three weeks of a very successful and fun-filled Rush. Rush activities included a Sunday afternoon picnic, a night of *blindfold* bowling, highlighted by Suzanne Kirk's 2 lane ball loft, a terrific canoe trip down the Buffalo River, and a "cross-the-border" taco party. We ended Rush with a beautiful Formal at the Racquet Club of Memphis. We are thrilled to have gained 37 pledges. They include: Amy Aldridge, Jason Batchelor, Julie Bennett, Lynn Blackwell, Brent Bridges, Missy Brunson, Marshall Cates, Jason Coleman, Marcy Cripps, Lisa Daley, Kim DeVore, Shannon Dzurisin, Rachel Erranton, Rob Ervin, Cathy Eschmeyer, Cindy Huckaby, Lea Anne Johnson, Steve Lane, Danny Lam, Marsha McBride, Cynthia McCain, Keith McGee, Patricia Miranda, Julie Palmer, Mike Osayamwen, Cathy Prather, Robbie Price, Tina Psihogios, Wendy Russell, Dipti Shah, Kelly Simpson, Jessica Smith, Deanna Staley, Kent Stoneking, Crista Tate, Kelly Taylor and Michael Wright.

Congratulations go to three of our Psi Chapter brothers. Dr. Jim Eoff received the A.H. Robbins Bowl of Hygeia Award at the 102nd Annual Tennessee Pharmacists Association Convention for outstanding community service. He was also installed as Chairman of the Society of Independent Pharmacists. Dr. David Albin was named Tennessee Young Pharmacist of the Year by the TPA. Brother Laura Lee Harper received the Kappa Psi Grand Council Scholarship Key. Keep up the good work Psi Chapter!

The 1989-1990 Psi Chapter Officers include:

Regent **Richard Randolph**
Vice-Regent **Mary M. Laughlin**
Vice-Regent **Steve Groom**
Historian **Ivy Lee**
Historian **Beth Zachary**
Corresponding
Secretary **Celena Wilson**
Recording Secretary **Carla Orr**
Alumni Liaison **Robin King**
Treasurer **Suzanne Kirk**
Rush Chairperson **Tara Moore**
Chaplain **Wayne Mitchell**
Social Chairperson **Julie Cooper**
Social Chairperson **Maureen White**
Sergeant-at-Arms **Kevin Hartman**
Athletic Director **Barry Tucker**

Much thanks and appreciation to those responsible for making our Rush such a success! It was *GREAT!!!!* The brothers of Psi Chapter wish everyone a safe and fun-filled vacation from studying! Merry Christmas and Happy New Year!

—*Celena Wilson*

Gamma Iota SUNY at Buffalo

The brothers of '462 Minnesota' welcomed the School of Pharmacy back with their traditional opening party. Fun and excitement continued with the annual School of Pharmacy picnic. This year along with sponsoring the egg toss, Kappa Psi also cooked corn on the cob for all those hearty eaters. Our thanks goes out to brothers Russ Ketchum, Kevin Sowinski, Lee Vermeulen, Dr. Fedor and the rest of the KΨ clan who lent a hand in the cooking. Brothers Beth Schechtman, Julie Cloos, Sue Eberle, Vicki McVay and Moe Evans also whipped up a wonderful tuna salad for the picnic—compliments of the fifth year class. Besides eating and cooking we did manage to engage in the activities. Again this year, brothers Jerry Irons and Lee Vermeulen won the three legged race.

The Brothers of Gamma Iota also spent an evening this semester out bowling *without* their pledges. Based on the scores I saw, many of us are not ready to enter the pros, but the enthusiasm and brotherhood seen that night made up for their scores.

Perhaps our biggest venture this fall is pledging. This year we are pleased to have Dr. Amy Brawdy as pledgemaster and Br. Paul Zagami as pledging chairman. The present pledges, which number 29, we introduced to Kappa Psi through many functions. We had an information table and a pizza party during the second week of school. Before bids were sent out a smoker was held for the chapter brothers to meet the pledges.

Since pledging has begun, the pledges have been very busy. In September the pledges participated in a scavenger hunt. Along with 'scavaging' the pledges also helped the chapter by distributing our Ostomy Guide, prepared by Brother Bryan Rupert, to over 100 area pharmacies. The pledges will soon be engaging in other traditional activities which we look forward to with great anticipation.

Professionally, Gamma Iota has also been very busy under the direction of Patty Hise, our Professional Chairman. Along with the Ostomy Guides, 10 brothers visited a local community center for a brown bag session. This was a very rewarding experience for all of those who attended. Also this semester we are holding a blood drive with the Biology Association of U.B. We were also pleased to have Brs. Stan Avery, Amy Brady, Lisa Rosser, and Dave Mesmer put their best foot forward in a 4 mile run to benefit

Children's Hospital of Buffalo.

Gamma Iota is also pleased to announce the publication of our directory of alumni and present brothers. This was a great undertaking begun several years ago by our corresponding secretaries. Alumni get your copy while they last.

We would also like to welcome into the brotherhood Mr. Richard Slaughter who was initiated at the end of last semester. It was a great honor to have him as a brother of Gamma Iota, however he now is presently at the Mu Omicron Pi chapter heading the Pharmacy department. Our well wishes go out to him.

In closing I would again like to remind the chapters of Province V (we all know who you are) to PLEASE return your song tapes to us. We can't make a province tape without your help, unless of course you would like to listen to the wonderful voices of Gamma Iota.

Delta Delta Houston, Texas

Our Delta Delta Chapter has had an eventful semester. We installed several new officers in the fall of '89.

Regent **Dawn Harris**
Vice Regent **Shane Watts**
Secretary **Deanna Caveness**
Treasurer **Anita Danels**
Historian **Susan Watts**
Historian **Patty Rutan**
Sergeant-at-Arms **Tom Mathews**
Chaplain **Paul Reyes**
Pharmacy Council

Representative **Andy Komuves**

Our fund-raising project for the semester has been the sale of drug cards. For our service project we co-hosted "Brown Bag Day" with ASP at some of our local Kroger stores. This was a patient counseling session. At present, we're looking forward to hosting our Province 6 Annual Meeting here in Houston this spring.

Congratulations goes to two of our brothers in the Delta Delta chapter. Shane Watts and Susan Gainey were married August 19, 1989.

Congratulations also goes to our regent, Dawn Harris. She has been appointed to the National Publications Committee for Kappa Psi.
