

THE MASK

Of Kappa Psi
Pharmaceutical Fraternity

Volume 87, No. 4

December 1990

Kappa Psi goes west !

From the Editor

Tony Palmieri

This is the last issue for 1990 and includes a listing of Brothers who have contributed their graduate voluntary dues for 1990. To all of these Brothers we owe a big thank you for their financial support. Many of the programs of Kappa Psi, including *The MASK*, would need to be down sized or eliminated if these Brothers were not contributing. Undoubtedly their memories of Kappa Psi as undergraduates and a realization that Kappa Psi has assisted them in becoming productive members of society has led them to contribute. Also as you will note elsewhere in this issue we are intensively promoting the 1991 Grand Council Convention in Jackson, Wyoming. For those Brothers who have attended a Convention they know what a joyous experience of Brotherhood that the convention is. For those of you who have never attended I assure you that it will be an unforgettable experience well worth the time, effort and money you will expend to attend. Plan to attend it will be wonderful in Wyoming.

MARCH 22-24, 1991
Y'ALL COME NOW, YOU HEAR!

From the Grand Regent

William R. Smith

Season's Greetings from Snow Country!

It may be difficult at this time of year to contemplate the 45th Grand Council Convention next August 3rd through August 7th, 1991 in Jackson Hole, Wyoming. Jackson Hole, Grand Teton National Park, and Yellowstone National Park comprise an ideal area for the young single Brother or the married Brother with a family to combine fraternity business and personal learning with a wonderful vacation set in some of the most beautiful surroundings in the world!

The fifty mile long valley of Jackson Hole holds some of the most majestic mountain scenery in the world and is the gateway to America's first national park, Yellowstone. In Grand Teton National Park, the spectacular Tetons tower over Jackson Hole, wildflower meadows, and sparkling clear mountain lakes. If you are in shape, you can even climb the 13,770-foot Grand Teton (guide services and climbing training are highly recommended)!

Yellowstone National Park, a scenic one hour drive from Jackson, comprising 2,200,000 acres of unspoiled land, includes pine forests, rolling meadows, high mountains, and deep canyons. Old Faithful Geyser is the most well-known example of Yellowstone's amazing natural geothermal phenomena. Bubbling mud pots, boiling hot pools, sulfur-belching geyser basins, and hot springs can be explored on miles of boardwalks. You will also see thousand-foot canyons, thundering waterfalls, and massive walls of yellow stone, but more about that later!

Local educational activities available include guided tours, wildlife research expeditions, courses at Teton Science School, evening programs in a park amphitheatre, Plains Indian artifact exhibits at Colter Bay Indian Arts Museum, and Jackson Hole history exhibits at Menor's Ferry. Activities in Yellowstone abound, with hiking, camping, horseback riding, ranger-led activities, boat trips on Yellowstone Lake, trout fishing, and stagecoach rides on old-west trails.

In this extraordinary surrounding, for five days the destiny of the fraternity will be solely in the hands of the elected delegates from each chapter and province in North America! During the Grand Council Convention the elected delegates will set the policies and determine the goals of Kappa Psi for the next two years. Before the close of the Convention, the elected delegates will pick a team of Grand Officers and two other Executive Committee members to lead the Fraternity, administer policy, and implement goals for the next two years.

There will be workshops on various collegiate and graduate chapter activities, all designed to provide valuable information to strengthen our local chapters and provinces. Hearings and discussions will be conducted on various proposals affecting the future of Kappa Psi. Twelve hours of interesting and timely certified continuing education will be presented. Leadership and motivational lectures will also be included. A special discussion/workshop for Grand Council Deputies is planned.

With so many functions taking place in just five days, the final program will, by its very nature, have several scheduling conflicts; they are unavoidable given our constraints! Thus, we strongly recommend that each chapter have at least two to three Brothers (the bigger the delegation the better) in attendance and (for collegiate chapters) their Grand Council Deputy if at all possible! It should be noted that the Central Office will reimburse to each collegiate chapter registered one roundtrip airfare. This reimbursement may be paid to one Brother or may be divided among several Brothers in attendance at the discretion of each chapter.

Now for some **VERY GOOD NEWS!** All work and no play make Jack and Jill dull and unhappy Brothers; we cannot have that! For all registered Brothers and registered guests we will open the 45th Grand Council Convention with a Grand Welcome Party and Chuckwagon Dinner Dance. Also, included in the registration will be an all day guided adventure tour of Grand Teton National Park and Yellowstone National Park. This tour will include an afternoon picnic in Yellowstone and be topped off with an elegant evening dinner in the Old Faithful Lodge at Yellowstone!

Additionally, there will be a "Grand Regent's Reception for Grand Council Deputies" and, also, a reception for graduate Brothers. In keeping with a western theme, we will have an old-fashioned Ice Cream Social for all registered Brothers and registered guests. Convention General Chairman Porter and I have a few other activities up our sleeves, but will delay announcing them till the next issue of *The MASK!* Culminating the 45th Grand Council Convention for all registered Brothers and registered guests will be an elegant Alpha Chapter Reception and the 112th Anniversary Banquet and Gala Celebration in the Grand Ballroom of the Snow King Resort; at that time formal presentation of the "Official Convention Favour" will be made to all present.

Grand Regent William R. Smith receiving Detroit Graduate chapter Man of the Year from Fr. Frank Facione Ph.D.

Thus far, you will note that we have an excellent comprehensive Grand Council Convention planned: lots of business to attend to; many important decisions to be made; much valuable information to be shared; and some fine opportunities to fraternize. But, more must be said of the magnificent surroundings! Throughout the Jackson Hole Valley you will see moose, mule deer, antelope, and elk. The area is, also, a sanctuary for bald eagles, trumpeter swans, black bears, grizzlies, and the great North American buffalo. Chances are you will see some of this wildlife on your Yellowstone tour. Temperatures will average around 80 for a high during the day and will drop into the upper 40's at night.

Today, Jackson Hole still retains the flavor of its wild-west past. At the heart of Jackson is the Town Square, with elk antler arches at each of its four corners. Old West boardwalks line the streets of this well-known western art center with thirty-five world-class galleries and seventy restaurants. Much nightlife is available within walking distance of the Snow King Resort. Also, within easy walking distance are many fine Indian craft shops, western wear shops, boutiques, specialty shops, etc.

Other free time activities available include:

Alpine slide, hiking, mountain climbing, horseback riding, float trips, white water rafting, chair lift rides, aerial tram at Teton Village, museums, theatres, stagecoach and carriage rides, golf, tennis, swimming, rodeo, fly fishing, hang gliding, helicopter rides, hot air balloon flights, music festival, covered wagon rides, bicycling, llama treks, wildlife expeditions, Targhee National Forest, Teton Pass, National Elk Refuge.

With so many personal recreational activities available, you may wish to arrive a little early and/or stay a little late. The Snow King Resort will reserve rooms for Brothers for up to three days before and three days after the Grand Council Convention at our special convention rates.

Fraternally,

William R. Smith, Grand Regent

Preparing For Your Office Party

by Glenn Boyles

Whenever you are in the company of the people you work with or work for, always consider yourself to be working. This caveat makes a lot of sense because it doesn't matter whether you are waiting for the elevator on the seventh floor on Monday afternoon, or standing in the checkout line at the grocery store on Saturday morning—anytime and anywhere you meet someone with whom you have a business relationship, they expect to encounter the same personal qualities and pattern of behavior that you ordinarily display in your business relationship with them. If you don't meet these expectations, your reputation, if not your business relationship with that person is sure to suffer.

There is no business event which offers more opportunities for you to disregard this principle of human relations than your office party, because at no other time do so many unique variables come together. Here's what I mean:

- Your employer intentionally promotes your office party to be an opportunity for you to have a good time with your spouse or a guest you choose to invite at your employers expense;
- Your office party is held somewhere other than your work location. Your employer does this intentionally, because they want to do something nice for their employees and because they want their employees to get to know each other socially. But being in an unfamiliar environment may cause you and your fellow employees to forget that their office party is in reality an employer sponsored social event;
- Your company's normal barriers to communication (receptionists, secretaries, private dining rooms, etc.) no longer limit your access to your company's top people. You have access to every manager, department head and executive who works for your company. More importantly, they can also see and hear you;
- Usually there are free, or discounted alcoholic beverages available in abundance—something not ordinarily offered during most other company sponsored activities;
- If your office party is held between Thanksgiving and Christmas; families, friends, neighbors, clubs and associations often schedule parties to be held during the same period. As a result you may get caught up in a partying mood

and loose sight of the distinction that has to be made between partying with your family, friends and neighbors and partying with your colleagues at work.

There are additional considerations that can lure you into making a less than favorable impression on the people you work with; but what we really should concentrate on are the opportunities you have to make your presence at your office party work for you. For example, consider the following:

Appearance

How you appear when you go to work each day is an important part of not only who you are, but also how other people perceive you. So when you have an urge to deviate from your customary appearance, remember that not maintaining a coherent image at all business and professional functions may label you as being unpredictable.

Something else you should remain aware of is that your office party is in reality an informal business function and therefore anyone from the parking garage attendant to a prospective client may have their name on the guest list.

If you invite your spouse or a guest to accompany you, it is your responsibility to inform them how they should dress. Should they be dressed inappropriately, you could be considered a poor judge of people or one of your colleagues may assume that you neglected to accurately communicate the true nature of the function to your spouse or guest. Either way, it is your fault and regardless of how well you are dressed, it is you who looks bad!

Remember that while you may like to take advantage of an opportunity to get some extra attention by being funny or unpredictable at your office party, at some point in the future your manager's memories of your past unpredictability may cause him/her to question your suitability for an important position.

Behavior

Your office party is a wonderful opportunity to meet and mingle with the people you do not come in contact with on a regular basis. Since the atmosphere is more relaxed than your business setting and there is no need for (and often no signs of) a formal "pecking order," you should find it easy to approach people, smile, say hello and make an observation that starts a conversation.

When people interact, they subconsciously evaluate the verbal and nonver-

bal communication which either does or does not occur. So whether new impressions are made or impressions that are already present are reinforced, the impressions which count the most are those which prevail at the conclusion of your conversation.

Your office party is a social occasion with business overtones so you should go out of your way to be friendly, polite and remain in control of your tongue and your temper at all times, regardless of what anyone says to you. If someone does take a verbal swipe at you, you must acknowledge their comment, particularly if other people are present. You can accomplish this most easily by politely, but tactfully reminding the offending party that they are at a social function, that not only was their remark uncalled-for and out of place, but also that their comment contributed nothing of meaningful value to the conversation. You should also inform them that you intend to discuss their reasons for making the remark, as well as the accuracy of the subject matter with them in the future, at a more appropriate time and place. (You should use the time until you do speak to them to determine why this person made the remark they did and plan your response.)

Your career can be made or broken whenever and wherever your colleagues gather; and this is particularly true at office parties. You must remain mentally alert and prepared to respond to the unexpected.

Conversation

A few days before your office party, "bone up" on some local news events that you feel comfortable discussing in public. Human interest stories stimulate a lot of conversation because everyone can relate to them and feels comfortable commenting on them. Avoid discussing controversial news or business issues that may polarize people.

Whenever you are engaged in conversation, monitor the information being exchanged. If you sense that the conversation is winding down, remain alert for opportunities to either excuse yourself or "bridge" to a new topic. Keep all of your conversations positive in nature and make an effort to include everyone, whether they be a fellow employee you can't stand or a guest. That way you don't have to worry about who overhears you, even

GRADUATE DEVELOPMENT COMMITTEE

—John Grossomanides

The most important factor in the success of any organization is communication. If you know about a function and you have the free time, you will be more likely to participate. The largest outlay of expenses will be on postage. Although, the response may be sporadic at first, persistence is important. Don't eliminate those who may not participate. Some Brothers may give their time, others may give no time but financial support. The time will come when someone will participate in their own way. Once the word of your success spreads to your members, people will begin to attend.

A quarterly newsletter which includes a calendar of events is a goal to begin with. Follow-up reminders, just prior to an event can help attendance. A 3x5 index card can be used to accomplish this task. Finally, to aid in your communication, is a phone tree. The tree can be used to call up those late respondents and those who are unsure. But be persistent, don't take no for an answer. Swallow your pride by begging if you need to in order to get someone to attend.

If an individual has a nice time he will return the next time. Should that Brother tell another who was not present, you may get two Brothers the next time.

A way to reduce the cost of postage is to file for a non-profit organization bulk mailing permit. You need to have a mailing of a minimum of 200 pieces. There is an initial fee and the mailings will have to be sorted by zip code and mailed from the same post office from where you filed for your permit. The savings you receive is worth the investment.

Obtaining a mailing list can be done many ways. First, The Central Office has many of our Brothers on file. One can request a listing by zip codes of any geographic area. Also, it is possible to request a list of all Pharmacists from your state board of pharmacy, local state pharmaceutical association, or the college alumni association.

A chapter cannot overburden Brothers with activities and meetings. One event per season is sufficient due to the many obligations Brothers have to spouses, children, jobs, other organizations and other things. The one quality project per quarter is a goal since most chapters do not have a quality project all year.

There are some activities which can be very successful. For example, continuing education, since this is required by most states, many of which mandate live contact hours. It is possible with corporate sponsorship of the education program to provide graduates with this necessary resource. An annual or bi-annual program would give Kappa Psi Alumni the opportunity to get together. Additionally, a meal could be included at cost to keep Brothers fed at a minimum of cost. It is also, possible for a fee to be a provider of ACPE-continuing education credits. Your chapter could sponsor the credits for other Associa-

tions and use this as a fund raiser. (This is done by the Detroit Graduate Chapter.)

A social activity for a group, could be a Kappa Psi (and family) outing to a basketball, baseball or hockey game. The chapter could purchase a group/block of seats and invite the sports enthusiasts in the chapter at their own expenses. This is a fun project with very little work and moderate expense. Another social project could be an undergraduate-graduate athletic contest. For example, a softball game, golf match, tennis tournament, bowling or flag football (which is done by Gamma Xi and S.C.G.C. . .)

An activity which can be done in conjunction with the undergraduates could be a homecoming tailgate party. With the growing trends and success of tailgates, this joint venture would allow both chapters to interact. A small cookout could be provided prior to and following the game.

As mentioned in the graduate start-up kit, a Kappa Psi breakfast, lunch or reception may be a good way to bring Brothers together at state association annual meetings. Kappa Psi nationally has enjoyed success by sponsoring a reception at the A.P.H.A. meeting. Kappa Psi also has an exhibit booth to show alumni what is going on as well as an occasion to contact those Brothers who have been missing off our mailing list.

A down scale approach might be to send a notice to your state association of a Kappa Psi alumni breakfast. To be put on the program initially, the cost would probably be at the individual's expense, as a graduate chapter flourishes, it may sponsor a reception or meal to the Brothers.

Another activity might be an awards dinner to honor a Kappa Psi Brother of the year and a Kappa Psi Community Service Award. The community service award could be to a Kappa Psi Brother who does a lot for a national or state association or college of pharmacy.

A project to consider is to set up a scholarship program for Kappa Psi undergraduates. A chapter could choose the recipients or have the college choose the deserving brother. Donations could be made to a scholarship fund or a fund raiser could be used to start an endowment fund.

Another very important project is to have graduate chapters help to raise funds to aid all chapters in their area attendance at Grand Council Conventions. Chapters would understand attendance at Grand Council Conventions is its responsibility, an obligation for membership.

A national project for graduate chapters could be to aid fund raising of the regalia fund, which would purchase new ritual robes for the use of The Central Office at the Grand Council Convention ritual demonstrations.

A national chapter of the year should be chosen, with a synopsis of their activities and projects published in *The MASK*.

A publication award may also be considered to the graduate chapter with the best newsletters.

A Central Office business card should be given to all graduating Brothers so they might contact the office upon settling in a permanent location. An annual membership card to all those who paid graduate dues with The Central Office address and phone number could aid members who move to update addresses.

Thank you to committee members: **Ann Fuoco, Art Diaz, Jr., Chris Ciminski and Greg Tenczar** for their input.

Respectfully submitted,

John Grossomanides
Graduate Development
Committee Chairman

BALFOUR FELLOWSHIPS

The National Interfraternity Foundation is pleased to announce the competition for Balfour Scholarships will be available for 1991. Funded by income from a significant grant to the Foundation from the estate of Lloyd G. Balfour, awards last year to eight fraternity members totaled \$20,000. It is expected a similar amount will be available this year. Any social or professional fraternity member is eligible.

There are four categories of information which will be judged for each applicant:

- A. Fraternal Service
- B. Community Service
- C. Enhancement of Fraternal Ideals and Career Plans
- D. Scholarship Record

A minimum GPA of 3.2 is required to apply.

A graduate or professional school acceptance letter must accompany the application.

These scholarships are for graduate or professional school study. Selection is based upon the candidates' record of undergraduate performance.

Applications for the 1991 Balfour Fellowship Program will be available after December 1, 1990 with a submission date of April 1, 1991. For more information including the application form, contact the NIF Office at 3901 W. 86th Street, Indianapolis, Indiana 46268.

If you are considering a post baccalaureate degree in a Pharm D Program or graduate school I would encourage you to apply.

Dewey D. Garner
Grand Historian-Ritualist
Chairman, Balfour Fellowship Committee

ANY CHAPTER CAN HAVE A HOUSE!

Sounds easy? Sounds interesting? Sounds like a joke? Well, it's true, with a bit of help from some interested brothers, any collegiate chapter can have a fraternity house.

BE SURE YOU HAVE BROTHERS WHO WANT TO LIVE IN THE HOUSE...OR READ NO FURTHER.

Just follow these easy steps:

1. Contact brothers interested in investing in property to rent. At tax time, this is a **TAX DEDUCTION**.
2. Set up a limited partnership or a Sub-Chapter S Corporation with these interested brothers. Ten to 12 brothers is a pretty good number.
3. Establish a house committee to search out and find a suitable house. One that will sleep at least 6 is a big plus. Also, the neighborhood should be pretty good without any zoning restrictions that would prevent the partnership from buying a house and then renting it out. The closer to the school the better.
4. Present the house to the partnership. Figure the down payment, closing, monthly payments (PITI), etc. Raise the money from the partners or however you want for the down payment, closing, etc. It may be a good idea to use 3 to 4 of the brothers with the most assets and least liabilities to secure the mortgage.
5. Purchase the house, making sure you have tenants. Plan to close at a time convenient for the tenants if they have to change their campus room arrangements or get out of other apartment leases.

The tenants are responsible for the utilities and about 90-95% of the monthly payments, 100% if the down payment is enough to reduce mortgage payment down so they could afford the monthly payments. This would be ideal, as most if not all of the capital account

could go toward improvements. The fraternity as a whole is responsible for a portion, e.g. if you have 6 tenants, the monthly costs would be 6/7 for the tenants and 1/7 for the fraternity.

Each month, the partners contribute some money to their capital account. This money is used for house maintenance, etc. In South Carolina, they use \$30.00 monthly.

The South Carolina Graduate Investors was established in Columbia in 1985 with a limited partnership of 9 brothers. They purchased a house reasonably close to campus for about \$50,000. We used money from the sale of a previous house, so the partners did not have to raise the down payment. The first year was spent doing some remodeling and repairing. After the first year, the house was refinanced at the current market value of \$70,000. The money earned was used to add aluminum siding, upgrade the heating system and add central air conditioning.

Since then, both baths have been remodeled, a washer and dryer have been added, some of the driveway has been black topped and a deck added off the kitchen.

What are the advantages of having a house? Ask the brothers at Beta Xi, Gamma Xi, Mu Omicron Pi, etc. One that becomes apparent as time passes, is the increase in the closeness of the brothers. Having a place to study, relax and party does wonders for the brotherhood. A big plus is that any graduate brothers stopping in will have a place to rest and chat with the brothers, party too.

For the partners, they get a tax write-off for the rental property and a satisfaction knowing they have helped their fraternity in a special way.

If you are interested in further information on how a house was bought in South Carolina for Gamma Xi, please contact Mr. Mike Robertson, 506 Willow Bend Court, Columbia, SC. 29212. He is the CEO for the S.C. Graduate Investors.

involves an office party where alcoholic beverages are being served (and therefore people are freed of many of their normal inhibitions) think of your caution flag as a stop signal!

Your office party is a once a year opportunity for you to develop and nurture your relationships with key people that you don't ordinarily have a chance to socialize with at work. Drink in moderation; relax, smile and be yourself. Don't be overly friendly with your superiors and don't gossip or complain to anyone about work related matters. After all, your company has scheduled your office party so that you can enjoy the companionship of the people you have to work with all year long!

From the Collegiate Member-at-Large

Brian Furbush

Have you ever stopped and thought about all the factors that go into making a decision. We make decisions everyday, from the moment we wake up until the moment we go to bed that evening. Some of those decisions we make in the course of a day may be very simple, while others may be very complex and involve more than just one's self. "Should I have Fruit Loops® or Cheerios®", "Does that script say Lasix® or Losec®?", "Should I speed up and run that amber light or should I slow down?", "Is this person going to live by the principals of Kappa Psi or not?", etc. . . . In the span of a day we make a myriad of decisions that can affect the next ten seconds or the next ten years of our lives. Therefore, we must make our decisions carefully and in such a way that the benefits are maximized and the risks are minimized. One decision that most of you made is one that is virtually without risk, full of benefits, and one that has reached far beyond your own being.

Each one of you decided to become a member of Kappa Psi Pharmaceutical Fraternity. And even when you were deciding whether or not Kappa Psi was for you there was someone deciding whether or not you were for Kappa Psi. You were looking for a place to belong, to become a member in something bigger than your own immediate world of classes and work. Kappa Psi was looking for an individual who would represent our principals and be willing to accept responsibility for withholding and maintaining those principals. It is at this point where the heavy burden of your decision was going to be felt.

When both sides agreed that membership in Kappa Psi would benefit all those involved the greatness of these decisions was realized. You have committed yourself to Kappa Psi for LIFE. This means more than your name being forever written into the pages of our membership rosters. This commitment means that you will, for as long as you shall live, abide by our four principals that were passed along to you when you assumed membership in our fraternity. By allowing you to become a member in Kappa Psi your Brothers felt that you possessed the conviction to hold fast to these principals and to bear the responsibility that membership in Kappa Psi requires.

Your membership in Kappa Psi is truly meaningful. Your decision to become a member in our organization tells us that you are a person of strong character. We, the members of Kappa Psi, have rendered unto you all of our trust—we trust that you will live your life according to our principals and that in your life our principals will benefit you as your membership shall benefit us. As you can see the decisions you make today or made yesterday can have an impact on tens of thousands of individuals right now.

1990 ALUMNI NATIONAL DUES

John Q. Adams	Benjamin A. Blackford	Craig J. Carney	Richard R. DeLuca	Richard A. Fisher	Gary W. Hamblen	James R. Jackson, III

Chapter News

Delta Lambda Campbell

Where should I begin to tell of the many activities and adventures the Brothers have been involved in. We were the proudest of a fantastic Fall Rush. The first of three rush parties was our third annual KISS AND LEI party, centered around a Hawaiian theme, followed by our first CREEK PARTY, featuring hamburgers and a lake size swimming hole, our last rush party, the second annual CASINO PARTY was the largest featuring gambling with Kappa Psi funny money. When the dust had settled and clouds cleared, there stood 35 pharmacy students eagerly accepting the challenge of becoming a Kappa Psi Brother.

The Brothers have been very busy preparing and doing service projects. The fall semester began by some brothers aiding the Dean of the Pharmacy School in hosting his annual Dean's Reception for the incoming pharmacy students. Another service project which is very meaningful to our chapter was the distribution of red, white, and blue lapel ribbons to be worn in support of the servicemen and women in Saudi Arabia of which one of our own Brothers **TOOD SHEARON** is a part of Operation Desert Shield. As Winter approached, our Chapter began a clothes drive for an area orphanage. A benefit putt-putt tournament for the orphanage was also a huge success and presented a great time to get acquainted with our pledges. Homecoming was also an especially busy time as we co-hosted a picnic for the whole pharmacy school and their families as well as Alumni Brothers and friends.

The pledges have been very active in creating new service projects as well as completing established pledge projects. The Pledges did an outstanding job of picking up trash along our adopted highway. Our Pledges are also very energetic in that they created a list of elderly in the community who needed yard work and small house repairs, then began the task of fulfilling the needs of the area elderly.

Fall semester was a very special time for Kappa Psi to interact with the general university campus as Homecoming is always a big event here at Campbell. This year was no exception as the Pledges carried on a tradition of doing a Car Bash fundraiser and entering the crushed car in the homecoming parade. The tradition of receiving worst float was not broken; however, if an award for having the most school spirit were to be given, our pledges would surely deserve it. A new Kappa Psi homecoming tradition of entering a GOAT in the parade was started and greatly enjoyed by the three "lucky" Pledges, whose job was to control the GOAT. Homecoming also brought recognition to two Brothers: **CHRIS EASTIN** and **PAM DOWLESS** and two Pledges: **DOROTHY SMITH** and **PAIGE THOMAS** who were all nominated to represent the phar-

macy school on the Campbell University's Harvest Court. Pledge **PAIGE THOMAS** was voted to represent the pharmacy school and was proudly sponsored by Kappa Psi.

With all of our activities and adventures, fundraisers have been a big part of the semester's activities. Kappa Psi hosted its First Annual Golf Tournament and it was a huge success! A special thank you to our Pledges who served as caddies, Brother **ANTHONY DAVIS**, and all the corporate sponsors. The sales of Kappa Psi caps have been a great success as well as our boxer shorts. The Pledge's Car Bash netted some money and at the same time relieved some stress.

Special congratulations go out to Grand Council Deputy Dr. **FRED COX** on becoming a father of a beautiful baby girl. Also adding to the world's population was Brother **KIM POINSETT-HOLMES**. Another special congratulations go to Brothers **PERRY**

Delta Lambda's road cleaning crew of Paige, Laura, Travis, Dee Dee, Eddie and Joe.

Regent Robert Broyles of Delta Lambda with four pledges.

Andrea Campbell and Dee Dee Gwinn, new initiates of Delta Lambda.

RIPPLE and **TONYA FERGUSON** on their recent marriages. A round of applause goes out to all the Kappa Psi Brothers who graduated in the Spring and passed their board exams with a 100% passing rate.

—Rusty Mantooth

Gamma Upsilon Arizona

It was a busy spring semester here at the University of Arizona. To begin with, we had a slave auction of all the brothers, to raise canned food for the local food bank. Some of the brothers went for as high as 30 cans. All in all we raised around 300 cans. Then we helped Medi-Save, a pharmacy here in town, move into its new location. The manager, a Kappa Psi brother awarded us with pizza and some cash, which we used for our spring rush party. No, we didn't save the pizza for the rush party. We also offered CPR classes with certification at the student health center, to the entire College of Pharmacy staff and students. It was a big success and was enjoyed by all who attended. Congratulations go out to fellow brother Teresa Nord who got first place here in the patient counseling competition and went on to compete at the national level in Washington. Way to go bro! And also congratulations to Regent **Steve Burney** on being elected outstanding Kappa Psi undergraduate. Way to go bro!

Our fall rush this semester, which we called Night of Magic, was a huge success. Out of 15 people that pledged the 3 fraternities here, 14 pledged ours. We hope to do as well in the spring of 1991. We would like to welcome our new initiates: **Renee Beck, Libby Black, Dianna Borowski, Wendy Cantrell, Jody Lynn Carl, Rael Kinkade, Katherine Kramer, Kathryn Langrehr, Cherie McKay, Kimberly Rohrbacher, Gretchen Tush, and Michele Wasko**. Congratulations, you've made the right choice, and we hope you enjoy it as much as we do.

The new officers for 1990-91, were elected at the end of fall semester 1989. They are:

Regent.....**Steve Burney**
Vice Regent.....**Amy Edwards**
Secretary.....**Anne Gurley**
Treasurer.....**Darryl Walker**
Historian.....**Steve Crabill**

To any Gamma Upsilon alumni out there who may read this, we are interested in starting an alumni chapter. If you could print your name, address, phone number, year graduated and a little bit about what you are doing it would be greatly appreciated. Send info to:

Steve Crabill
1695 W. Midvale Village Dr.
Tucson, AZ 85746

In the future the brothers are planning on going to local schools to talk about poison prevention and especially to high schools to let the students know what pharmacy is all

Gamma Upsilon Brothers.

Steve Crabill, Gamma Upsilon historian.

about. We are also going to have a "brown bag" booth at a local health fair. For those of you who don't know, this is where people bring in all their medications that are lying around their homes. We tell them what they are, what they are for and whether they are still any good to take.

—Steve Crabill

Gamma Iota State University of New York Buffalo

Gamma Iota is alive and thriving under this year's new officers:

Regent.....**Alexander Thompson**
 First Vice Regent.....**Steven Abel**
 Second Vice Regent.....**Joe Balthasar**
 Treasurer.....**Shaun Cobb**
 Corresponding Secretary.....**Molly Mix**
 Recording Secretary.....**Christen Clinch**
 Sergeants-at-Arms
David Mesmer
Rich Szelewski

Chaplain.....**Paul Badore**
 Grand Council Deputy.....**Brian Sweet**

This semester we have 21 pledges interested in becoming Gamma Iota Brothers. Guiding them on their way is Pledgemaster Brother **Darren Ferer** and Pledge Committee Chairwoman Brother **Amy Brawdy**. Once again we are planning to perform our Third Degree Ritual out of doors in a more traditional manner, and we invite any interested chapters to contact us for more information.

Socially, Gamma Iota has already been very active this semester. In early September, we kicked off the year with our annual "Welcome Back to School" Party and our Toga Party was also a big success.

Upcoming events include a "Brother Love" Party, a "Write-On" Party, and our annual Toys For Tots Christmas Bash. We look forward to seeing our Province V Brothers in Wisconsin next semester, and wish you all a Happy Holiday.

Beta Nu Creighton

The 1990-1991 school year promises to bring even more success to the Beta-Nu Chapter! Our chapter has been very busy with sweatshirt and Kinetics notes sales. All sales were a big success. **Dona Reno** our First Vice Regent and **Jeff Merideth** our Regent organized this chapter's fundraisers. These fundraisers ran smoothly due to all the hard work they put into them.

The Brothers of Beta Nu would like to give **Jennifer Roeder** a rose for all the hard work

Jeff Merideth selling Creighton Pharmacy sweat-shirts.

Sand volleyball at Creighton University.

and dedication of the time she put into this semester's community service project, the Juvenile Diabetes Foundation—"Walk for the Cure," that was on October 7th. She made it a big success and we raised around \$300.00!!!

Our Creighton University Kappa Psi Pre-Mortar Bowl Party was held on September 15th for the whole school of pharmacy at the Creighton Blue Jay. **Bob Glowacki** and **Jeff Merideth** made it a fun time for all! **Chris Ciminski** our Sergeant-at-Arms has been very busy and has done a wonderful job in preparing our pledge class to become actives. The whole chapter has gotten together to make all the activities eventful. Our first activity was at our Chaplain's house, **Scott Tran**—and what

a religious event that was! We had a sand volleyball night at the Blue Jay where the actives taught the pledges a thing or two about the sport! It looks like we may have a promising intramurals team this year.

One of our last events was our traditional meeting with Beta Chi in Atlantic Iowa. Beta Nu outnumbered the town of Atlantic and Beta Chi together! Yes, we made our presence known because we have that Omaha hospitality!

Through the years Beta Nu has really grown to be more unified. A rose goes to all the officers for making this school year get off to a fresh start. During pledging it was nice to have the support of Dr. Makoid and Dr. Gloor. At this time we would like to congratulate our new active brothers of Beta Nu: **Teresa Coffey**—pledge captain, **Darren Augenstein**, **Jule Benson**, **Brian Elmore**, **Angie Erpelding**, **Suzanne Harms**, **Tim Larson**, **Terri Leong**, **Jim Metsovas**, **Huong Nguyen**, **Julie Peternel**, **Michele Poepping**, **Brian Przyzcki**, **Kimberly Scully**, and **Susan Vorderstrasse**! All these new actives have the ambition and unity to contribute to the brotherhood of Beta Nu. Welcome to Kappa Psi!!!

—Laurie Bartels
Historian

Sigma Maryland

The goal we set this past summer to increase the size of our chapter was realized, thanks in part to a successful fall rush. Sigma chapter was busy at the start of the semester with helping to orient the new incoming students to the school. Our chapter sponsored a "Meet Your Professors" reception. This event was the first of its kind at our school and was well received by both faculty and students.

The fall 1990 Sigma chapter KΨ pledge class participated in the "Paddle for People" race held at the Baltimore Inner Harbor on October 6. This event involved collecting beach balls that were dropped in the harbor using paddleboats. Each team had sponsors who pledged an amount for each ball collected. The money earned went to help people in the central Maryland area who were unable to pay for their winter fuel. The brothers were very impressed with our pledges who participated and raised money for this cause. This event was sponsored by the Fuel Fund of Central Maryland, Inc., WMAR-TV-2, and Baltimore Gas and Electric Co.

On October 19, fifteen new brothers were initiated. We are proud to announce that they are: **Emanuel Bertrand**, **Maria Calabrese**, **Cathi Campbell**, **Yunga Chang**, **Catherine Fields**, **Eugene Hampton Jr.**, **Bonnie Kuhar**, **Abigail Lagman**, **Marni Levenson**, **Doty Mallette**, **Lisa Martinelli**, **Shelby Ogilvie**, **Charlene Roseman**, **Mark Walls**, and **Suk Yi**.

This winter we will see a changing of the officers as the new initiates begin to take con-

trol. To my brothers, who, back in March decided to get the ball rolling again, thanks for sticking together and having faith in the future success of this chapter. It is a success. Best of luck to all the Kappa Psi brothers.

—Lisa Miranda and Abigail Lagman

Beta Psi Wisconsin

Only a few weeks of school have passed and the brothers of Beta Psi are putting things into high gear.

Over Labor Day Weekend we held an open house for our parents. It was a chance for them to learn more about Kappa Psi and meet

Beta Psi's informal rush.

the people we spend the majority of our time with. There was a grill-out with enough brats and burgers for everyone.

Also as one of our professional projects we answered phones for the Jerry Lewis Telethon.

The first day of classes brings the bi-annual Back to School Bash. This is sponsored by Kappa Psi for the entire School of Pharmacy and held at the Kappa Psi house. One last effort to enjoy the summer and start the school year off with a bang!

Our informal and formal rushes were a huge success this year. A record number of people were in attendance. WAY TO GO KIM!

Beta Psi is very proud of the academic achievements of its members. Congratulations to all the following. Recipients of scholarships from the School of Pharmacy and various private donors: **Steve Shuda, Rob Kahl, Jennifer Finstuen, Karen Hanson, and Sarah Lemanski**; Also, **Sarah Lemanski and Katie Riely** are members of Wisconsin's first class

in the Doctorate of Pharmacy program.

One last congratulations to **Deanna Kettner** who was elected the new fundraising chairperson.

We have many activities planned for the rest of the semester. We are also working hard planning the Province V convention we are hosting in the spring.

Before I close I would like to say HELLO to brother **Pat Smith** who is now attending Ferris State. We all miss you and hope to see you soon!

—Jennifer Finstuen

Beta Delta Albany

Once again this year, Beta Delta's "Summer Smash" was held at Brother **Jeff Kirkby's** Camp at Wanakena, NY, in the heart of the Adirondack Mountains. The festivities lasted 3 days, from July 20 thru July 22. Attendance was very enthusiastic as 33 of our 62 brothers showed up, with some of them traveling up to 6 hours. Activities included: swimming, water skiing, kneeboarding, inner tubing, volleyball and fishing, as well as eating and drinking. The food was fantastic and included the world's finest barbequed chicken and homemade desserts. We at Beta Delta wish to extend special thanks to Mr. & Mrs. **Jim Kirkby**, Mr. & Mrs. **Jim Tucker**, and Mr. & Mrs. **Phil Timmerman**.

The Beta Delta chapter has had a good start this year. Our welcome back party was probably one of the best ever, the house (Club Warren) was packed and everyone had a great time. Under the direction of **Joe Longo**, the Blood Drive was a big success with 65 pints collected.

We're looking to get a big rush class this year, there seems to be a lot of freshmen interested. With **Glen Palmer** and **Jim Fluty** directing them and our assistance, we should end up with another group of fine brothers.

A raffle is being planned and should be held right before break. We are getting the prizes donated by area stores and various companies, so it should be successful.

Good luck on finals and Happy Holidays from everyone at Beta Delta Chapter.

—Gregory Notaro

Beta Delta.

Delta Kappa Howard

The brothers of Delta Kappa Chapter are having a productive and wonderful semester. We are delighted to announce that at the end of last semester, we initiated 12 new members. They include the following: **Miriam Gibson, Carol Young, Fred Brown, Anita Bonds, Janice Kim, Diana Mulzac, Lade Salami, Brenda Ward, Innocent Egbunine, Heather Nelson,**

Delta Kappa Brothers.

Juliana Anamelechi, and Daniel Nutoni. Among these members are Rho Chi members, Student Council officers, and the President-elect of ASP. While on line, the pledgees sponsored a community project on the sexually transmitted disease Chlamydia. In addition, the line did volunteer work in a community clinic.

In September, we elected new officers for the 1990-1991 Academic Year. The officers are as follows:

Regent	Brenda Ward
Vice Regent	Miriam Gibson
Secretary	Carol Young
Treasurer	Janice Kim
Historian	Lade Salami
Pledge Master	Diana Mulzac

We began the fall semester with a Big Bash, offering food, music, and fun for the entire school. Other upcoming events for this semester include fundraisers such as bake sales and pizza sales, as well as a community service project in which we will all serve food to the poor. The Delta Kappa Chapter of Howard University would like to wish all the brothers a prosperous and successful year.

—Temilade T. Salami

Beverly, Darlene, Connie and Andrea were waitresses at Delta Lambda's Casino Night.

Everyday Partners.

There's nothing unusual about the minor miracles performed by a well choreographed team of skilled individuals. Seasoned craftsman and apprentice, these two are learning from each other, building trust, understanding and a work rhythm that wastes no movement. However, for one of these men, simple everyday activities take on a special meaning.

When battling disease, it helps to maintain a normal lifestyle. Having the opportunity to stay involved with friends, family and productive work activities can make a world of difference. Enabling people to live at home and stay active in their workplace is what Caremark is all about.

Home health care is not just about antibiotics, chemotherapy, nutritional support or pain management. It's also about self-reliance, dignity and normal living.

It combines the marvelous technologies of health care with the strength of emotional well being.

No one knows more about this than Caremark. For more than a decade we have been bringing high tech health care to the home. Touching the lives of more than 40,000 patients nationwide every year. The special feeling that we bring to each and every patient has helped us become the leader in our industry.

Pharmacist Careers That Make a Difference

Caremark Pharmacists are more than specialists in drug therapy, patient monitoring, compounding, antibiotics, chemotherapy, pain management and nutritional support.

Caremark Pharmacists are professionals who are enthusiasts for the simple pleasures of life. Individuals who believe

in the therapeutic power of normalcy. Extraordinary people by any measure. People who firmly believe that life should be worth living.

If you find yourself responding to the satisfaction implicit in this line of work, we hope you'll take the time to learn more about Caremark.

Drop us a line this week. Or call us TOLL FREE at 1-800-821-7073, extension 444, and we'll get back in touch. Caremark Inc., Human Resources Dept. HN, 455 Knightsbridge, Lincolnshire, IL 60069. Equal Opportunity Employer.

Caremark. Because Life Should Be Worth Living.SM

Chapter News

Beta Omega Temple

STRIKE • STRIKE • STRIKE • NO STRIKE...

For the first 29 days of the fall semester several thousand classes at Temple University failed to meet. Thousands of students were caught in the middle and used as pawns. The two major reasons for the strike, money and \$260/union member/year towards their health insurance. Seems the students payed a large price for such trivial matters. Why do union strikes effect, in a big way, individuals that are not associated with the union? Seems to me that we should re-evaluate the power of unions, not only in Philadelphia, but throughout the country. The good news is, the School of Pharmacy was unaffected by the strike. I believe, one class was cancelled one day in support, other than that life as usual.

Our first Annual Alumni Golf Tournament was held September 29. We had 24 golfers (if you use the term golfer loosely). Yes, you could hear echo's from scenes of Catty Shack throughout the day. The weather was perfect and a good time was had by everyone (even me who only rode around in the golf cart). The winner was **Doug Miller** followed closely by **Eric Borell** and **Paul Reuter**. Last place belongs to **Paul Scota** (who was beaten by his sister). Next to last place honors go to **Ed Casey**. Hopefully, we'll have another tournament next year and those who couldn't attend can make arrangements to be there.

In May, 1990 Brother **Fred Kohler** successfully defended his thesis in Pharmacology. He received his doctorate during August. Fred also accepted a faculty position at Temple School Of Pharmacy. Congrats Dr. Fred.

Temple School of Pharmacy set a record this year for the number of incoming students. We have 230 students in the first year class. This class is so large that, they meet in the Pharmacy building for one class and their labs. All other classes are held in auditoriums in Kresge Hall and at Temple Hospital. This has interfered with interactions between second and third year with the freshmen. Parties are the only opportunity we have to meet the freshmen. Despite the lack of interaction there is still a good interest in Kappa Psi.

Due to the increase class sizes over the past few years we started fall rotations this semester. About half of our brothers are away. Since most brothers don't want to sign a one year lease, in area apartments, we have a large number of brothers living in the house. Both semesters the house will be completely filled.

—Tim Nichols

Gamma Nu Pacific

As Gamma Nu began the fall semester the little sister program was our first order of

Paul Reuter and friends after the golf tournament.

Mike Patton, Ken Zeladonis and Ed Casey.

Ed Casey finds a tree between his ball and the hole.

events. Without the summer program it was important that we made up for the summer with a successful fall initiation. Right off the bat on the beginning of the fall semester we had our KΨ Hawaiian Night with a very successful turnout. The Hawaiian Night allowed the brothers to meet many of the new first year class from out of town. Two weeks later we held our Little Sister Reception. At this event we stress the professional side of KΨ, so it was off with the Hawaiian shirts and grass skirts and on with the coat and ties. The next afternoon we had our Pregame BBQ where we

Helene Grossflem helping a Brookside Manor resident.

got our last chance to meet the potential little sisters before deciding on our orientation class. Presently we are in the middle of little sister orientation and plan on a successful initiation.

During the fall semester we also started our elderly home visits to Brookside Manor. Our monthly visits will hopefully spread a little happiness. With all the fun we have, we cannot forget about helping others in our community.

Looking ahead we will begin our Pre-rush functions for potential brothers in November. During Winter break we have our Lake Tahoe retreat planned. Until next time, the Brothers of Gamma Nu would like to remind all the Brothers of KΨ to support each other as we all go through another year of Pharmacy School.

—Herman Chan

Gamma Chi Ferris State

As the school year begins, the brothers of Gamma Chi start planning their yearly events as well as trying to drum up new ones.

We kicked off the quarter with pharmacy information night and the initiation of MARK POLIZZI, our newest member of Gamma Chi. As the weeks progress, so does our homecoming float and plans for the banquet. We are

Quang Tran enjoying a bingo game at Brookside Manor.

hoping to have an exciting, fun-filled week, with homecoming games, the parade and a banquet. Some of the members of the class of '65 will be returning to celebrate, and hopefully the brothers of the Butler chapter will also join us, seeing we will be playing them in football.

Once homecoming is over, we will be having a Halloween party for the underprivileged children of Mescosta County. Here we arrange games for the children to play and encourage each one to dress up in their favorite costume. Following the kids party, we will be having one of our own, also encouraging each member to dress up.

Intramural football is also in full swing and the

guy's of Gamma Chi are putting their best foot forward and are having fun at the same time.

Not only will the brothers be having fun, but will also be taking care of business, and having nominations followed by elections of new officers. We are hoping some new blood will bring new ideas and keep the chapter growing.

Before we leave for Thanksgiving break, the brothers will get together for our annual turkey dinner. This will be shared with our advisors and close professors. This gives us a chance to say good-bye to those seniors leaving and have one more fun night before exams.

We would like to wish those seniors going on clinical good luck: **KELLY BLANEY, KELLY CUTTER, STACEY JUDD, WENDY KESSINGER, CHRIS LEFAVE, PAM STRUM, PEGGY THOMPSON.**

—Stacey Judd

Province V

Greetings to all from the brothers of Province V. We hope that the year is going well for all our brothers and that pledging is successful and enjoyable.

The brothers of Province V had the chance to get together for our Province V midyear meeting which was held in Chicago October 5-6. We would like to thank Vice Satrap **Mike Steffens** and the Chi Chapter for their hospitality over the weekend.

As the historian I would like to remind the chapters of Province V that I still need your chapter memberships, officers, and pictures for this year and last year. Thanks to those who have already responded. Each chapter should also have had sent Br. Jenny Donaldson your report on professional activities—if not get to it, we can only help each other with your help.

Now for some good news—let's not forget the Province V convention for 1991 which will be held on April 12-14, 1991 in Madison, Wisconsin. Information will be sent to each

chapter in early spring. We hope that everyone will join the Province for one of the highlighted events of the year.

Lastly we have the present score of the **Dan Degnan** versus **Paige Steven's** competition—Dan 1 vs. Paige 2; good going Paige, keep up the good work.

—Maureen Evans

Province III

Province III is gearing up for the annual province convention. This year, the Gamma Xi Chapter will host the convention in Myrtle Beach, SC.

A good time is always had by all as we kindle (or rekindle) the flames of what Kappa Psi means to everyone.

—Gene Glaze
Province III Historian

Beta Sigma North Dakota

Hello from the new and improved all Pharm-D school in North Dakota!! This fall NDSU went to the Pharm D only option so everyone at the house was quite anxious about our usual fall rush. But, we signed 6 pledges

Beta Sigma's fall homecoming float.

who will add and already have added much to Beta Sigma. They are: **Chris Behm, Brad Irgens, Jesse Robertson, Mike Highman, Troy Collins, and Nat Willgohs.** Congratulations on pledging Kappa Psi!

Everyone here is trying to recover from our homecoming festivities where we won the Homecoming show skit (congratulations Brad and pledges!) and we also won the Homecoming Float Contest in the annual parade! The fifth-years chaired the float project and we built a 12 foot Bison (it's kind of like a buffalo but since NDSU is home of the Bison we didn't think the school wanted to change their mascot just for us). We covered the Bison in gold foil and our motto was 'Beware of Greeks Bearing Gifts,' playing on the Trojan-Horse image. Everyone was dressed either in a soldier's outfit or in a toga for the parade. But, how did we know it would be 30 Degrees outside for the event? That night we had the annual pig roast which was well attended by alumni and members alike.

Our next major project occurs in two weeks when we host the Province VIII Conclave. This year we are having guests from the province and national offices. They are: **William R. Smith**—Grand Regent; **Paul J. Hiller**—Grand Counselor; **Robert A. Magarian**—Executive Director; **Leonard L. Naeger**—Province Supervisor. Everyone is looking forward to meeting them in person as we always read about them but haven't gotten the chance to talk to them in person. Friday night we are having the Greek Olympics (Togas required!) and Saturday's night theme is come as your favorite medical device, disease, side-effect...Saturday is the meeting where we are looking forward to hearing some of our national officers speak and the other usual Province business. That night before the dance we are also having a banquet with a guest speaker to be announced. Hope everyone can attend!!

As with any chapter, we are graduating and have graduated a few members. They are: **Jeff Arnold, Don Pirkel, Ronna Krueger, Jodi Waldera.** Congratulations on finishing school and good luck in your careers!

—Randy Gerth

Beta Gamma San Francisco

A belated congratulations goes out to our June graduates: **Mike Burchmore, Bonnie Chiang, Thu Dao, Rick Gordon, Lyle Jew, Meganne Kanatani, James Krick, Jay Kuo, Grant Lackey, Danielle Le, Monica Soo Lee, Maria Ledezma, Julia Lim, Alice Lo, Sharon Lowe, John Erik Lyckfors, May Mak, Sean McElligott, Pam Miyada, Essy Mozaffari, Christopher Oliva, Diana Ong, Cathy Oyama, Nelson Ramoran, Donna Schroeder, Thomas So, Alex Ta, Jeff Teshima, Sue Wang, Rob Witmer, Fee Mi**

Beta Sigma's fall rush volleyball game.

Wong, Rita Wong, Billy Yee, and Lisa Yee.

The 1990-1991 Beta Gamma Chapter officers include:

Regent	Michelle M. Shoji
Vice Regent Academic	Craig Eng Ian McNicholl
Vice Regent Social	Stephanie Throne
Treasurer	Todd Gadberry
Recording Secretary	Michelle Heathcote
Corresponding Secretary	Kimberley Camp
Sergeant-at-Arms	Andrew Chan
Chaplain	Bettina Nguyen
Historian	Lori Joe
Parliamentarian	Dan Quan
Rush Co-Chair	Rita Jue Teresa Petrilla
House Manager	Van Mar — <i>Kimberley Camp</i>

Pittsburgh Graduate Chapter

The chapter was very active in the late summer and fall with meetings, a bowling party and unusually good attendance at the Province II meeting.

Early in September the chapter met to nominate and elect officers. Officers for 1990-91 are:

Regent	Roger L. Wheat, Jr.
Vice Regent	David Maszkiewicz
Secretary	Bernadette Sowko
Treasurer	David Wellhausen
Historian	Bruce Martin
Chaplain	Domenic Judy
Sergeant-at-Arms	Thomas DePue

The chapter continued to expand its membership and requests all brothers in the Pittsburgh area who wish to continue to enjoy the fellowship of Kappa Psi to contact the officers to have their names added to the rolls. The next meeting was scheduled for November 18 jointly with Delta Epsilon chapter at Duquesne University.

During the summer, the chapter Historian, **Dr. Bruce Martin** attended the Lambda Kappa Sigma convention in Lexington, Kentucky where brothers **Dr. Richard Doughty** (U. of Ky.) and **Dr. Joseph Haberle** (St. Louis) also joined the festivities with their spouses. Also, Dr. Martin attended the International Federation of Pharmacy (FIP) meeting in Istanbul, Turkey in September and presented a symposium address on the current U.S. curriculum for medicinal chemistry.

A record number of Pittsburgh Graduate Chapter brothers, six, attended the Province II Assembly held September 21-23 in Pittsburgh with Beta Kappa chapter as host. The Province was pleased to receive visits at the meeting from three national officers: **William Smith**, Grand Regent; **Paul Hiller**, Grand Counselor; and **John Grossomanides**, Graduate Member-at-Large. New officers elected at the Province meeting were:

Satrap	Thomas DePue (Pittsburgh Graduate)
Vice Satrap	Larry Olszewski (Pocono Graduate)
Secretary	Dan Wright (Beta Kappa)
Treasurer	John Coffman (Beta Kappa)
Historian	Tim Speerhas (Delta Epsilon)
Chaplain	Scott Kursawa (Delta Epsilon)

The next province meeting is scheduled for the spring in Philadelphia with Eta chapter hosting.

—*Bruce D. Martin,*
Historian

Gamma Theta Missouri

The Brothers of the Gamma Theta chapter finished this last school year by electing its new officers for the 1990-91 year. They are as follows:

Regent	Chris Dale
Vice Regent	Matt Hartwig
Secretary	Brian Voss
Treasurer	Brian Burney
Historian	Danny Fannin
Chaplain	John Bosworth
Sgts. at Arms	Bryan Kiefer and Scott Meek
Lil Sister Liaison	Mike Rupp

Back in April, Gamma Theta had its First Annual Spring Formal which was an overwhelming success!

Over the summer, many of the brothers managed to get together a float trip on Missouri's beautiful Current River. The only problem was that the trip was made after two weeks of hard rain and extensive flooding in the area. However, all of the men managed to survive, bringing back with them only minor "injuries" and some stories that are pretty incredible and very amusing.

School started up again here at UMKC back in late August, and the Gamma Theta chapter was ready! On September 15, we had our first rush party, the Kappa Psi Pig Roast. Besides getting full bellies from the delicious food, those who attended participated for prizes in games such as "blind-folded M&M catching," "limbo" and the ever-popular "water condom toss." Canoeing, volleyball, and wiffle ball rounded out the day's events.

On September 21, the second rush party was held. It was Kappa Psi's Toga Party. Now I don't want to brag, but after seeing some of our Little Sisters in togas, I believe we have some of the best looking future pharmacists in America right here in our chapter! The party was another success, and prospective members enjoyed themselves as much as the actives.

September 24 marked the Kappa Psi Smoker, where those new students who are

serious about joining the Gamma Theta chapter attend to see the more serious side of the active members. They also learned about the brotherhood and unity that exists in the chapter. Well over one half of the first year men attended, and we are looking forward to a fun pledge season.

Upcoming as of the writing of this are Pledge-in (Oct. 2), the Kappa Psi Car Wash (Sept. 30), the annual Halloween Party and Christmas in October, a United Way sponsored project. We hope all of the other chapters have managed to stay as busy as we have, and wish everyone the best of luck this school year!

—*Brian Voss*

Beta Upsilon Butler

The Beta Upsilon chapter of Kappa Psi has made great strides in the past few years in revamping and creating a new and improved fraternity of brothers at Butler University.

The officers in charge of this rapidly evolving group of the 1990-91 year are **Gordon Mann**, regent; **Debbie Silverstein**, vice regent; **Amy Guy**, treasurer; **Ted Underwood**, secretary; **Kelleen Kennedy**, Sergeant at Arms; **Ken Berger**, Chaplain; **Kelly Frye** and **Norma Kim**, co-social chairmen; **Mary Oliva** and **Cristie Weis**, co-activities chairmen; **Yvonne Wince**, historian; **Jenny Donaldson**, fifth-year correspondent; and the trio in charge of forming our 34 pledges are **Anita Riffey**, **Greg Sacha**, and **Rhonda Hopper**.

Along with adding to our numbers in terms of students, we've also been honored to have Dr. Bruce Clayton join as one of the three faculty advisers along with Dr. Jim Berger and Dr. T.L. Hageboeck.

The rush activities started off with an information booth concerning Kappa Psi at Butler's activities fair at the beginning of the school year. Many interested students approached the table and were able to view Kappa Psi souvenirs, copies of *The MASK*, and other fraternity paraphernalia as well as ask questions about the group. An agenda for rushing was made available for those interested. The annual Kappa Psi information dinner and annual dessert social were again done to lure in new members and indeed it did. Forty to fifty interested pharmacy students attended each activity to get a clearer idea of what we are all about.

Our pledgship on September 28 included 37 new pledges. Many of the Pi and Chi members came up to attend the formal proceedings and to participate in the pledge party afterwards. Both **Dan Deghan**, satrap and **Michael Stettens**, vice satrap were in attendance.

"The pledges are very active. The group as a whole is very outgoing, involved, positive, and pro-Kappa Psi!" commented pledge trainer **Anita Riffey**.

One of the upcoming service projects that

the Beta Upsilon chapter has planned is to help make visual aids for Volunteers in Prevention (through Fairbanks Hospital). **Patrick Cassidy** heads up this task force which is involved in promoting education about substance and alcohol abuse to the deaf and hearing impaired. The visual aids will help Patrick get his point across as he speaks to those with hearing impairments.

—Yvonne Wince

Pacific Graduate Chapter

Thanks go out to all brothers for their generous donations, including purchasing football tickets and "Gateway to Fun" reverse raffle tickets, Century Club pledges, keg contributions, and dues. Without such support, neither the collegiates or ourselves would be able to continue operation in this fashion. It reinforces that belonging to Kappa Psi is truly a lifelong endeavor, not solely a college experience. While our chapter is very active and it is great seeing all who usually come to Homecoming, Luau, Wine Tasting, and other functions, I hope that brothers we haven't seen or heard from in awhile won't stay strangers.

The weekend of September 7-9 was the California Pharmacists Association's annual Education Faire, a weekend chock-full of continuing education classes, renewed acquaintances, rest and relaxation, and a day at Disneyland. Brothers spotted included **Hanlon Jen, Pat Catania, Greig Ogi, Dan Carridi, Don Sorby, Keith Higa, Jamie Tobitt, Jerome Greene, Ron DeBellis, Lit Ng, Mike Moore, Don Floriddia, John Apostolo, Bill Acuno, Mike Pastrick, Carl Britto, Kent Veirs, Jack Dempey, Bob Marshall**, numerous collegiates, and many others. Good times were had by all!

With 1991 on the verge, here are some dates to keep in mind. The California Pharmacists Annual Convention will be the weekend of February 1-3 in Burlingame. The next weekend, February 8, is Gamma Nu's second rush function banquet and a show of alumni support always makes a good impression on potential rushees.

Finally, the American Pharmaceutical Association Annual Convention begins the second weekend of March, in grand New Orleans. I hope to see you all at the Kappa Psi reception there. Let us make our presence, as the first and foremost national pharmacy fraternity, known there as a demonstration of our fraternal pride.

—Christopher Allen Woo

Beta Rho Mississippi

The Brothers of Beta Rho are off and running with a very productive school year. We had a very good rush and we are proud to announce that we had 30 new Lil' Sisters and 35 new pledges. The new pledges are **Jamie Anderson, Charlie Bell, Marty Bigner,**

Danny Breland, Reagan Brown, Nelson Burford, Billy Camp, Steven Cooperwood, Eric Davidson, David Davis II, Arthur DeLashmet, Marty Dilworth, Tracey Douglas, Jason Foxworth, Mark Hemphill, Darren Higgs, Glenn Joe, Elvin Knight, Sammy Lee, Todd Lee, Danny McCaughan, Chris Myers, Jeff Quin, Chris Rowley, Scott Suhor, Gary Teasley, James Tinsley, John Tyner, Tol VanDevender, Trippe Webb, Lance Williamson, Todd Wilson, Raymond Woo, Hal Wood, and Frank Yielding.

The new pledge officers are:
Co-President.....**Mark Hemphil**
Danny McCaughan
Secretary.....**David David II**
Treasurer.....**John Tyner.**

The Brothers of Beta Rho are also involved in other organizations which we have many brothers that hold offices in these groups. They are:

Blake CookPresident ASP
Honor Council 4th Year
Ed BrondykeTreasurer ASP
Jeff JonesPresident Student Body
National Vice Speaker of
Phi Lambda Sigma
Shea HaleyVice-President
Student Body
David HudsonPresident NARD
Joel PowellHonor Council 4th Year
Paul Graham4th Year Class President
Jamie AndersonTreasurer-elect ASP
Vice-President NARD
Billy CampHonor Council 3rd Year
Mark HemphillPublicity Director ASP
Sammy LeePresident-elect ASP
Eric Davidson4th Year Vice-President.

Beta Rho chapter has selected as its service project for the upcoming year to solicit funds for the American Cancer Society in the name of Debbie Mellinger, a Lil' Sister that found out that she had cancer in August. We will also be finger printing children as a safety measure for parents due to the high number of missing children. We will continue our Adopt-a-Highway Program for another year, because this program has been a great way to get all of our brothers to work as one.

Our intramural program under the direction of **David Neal** is having an unbelievable year. So far at this writing, both our Flag-Football team and our Volleyball team have made it into the Overall School playoffs. Keep up the good work, David.

Beta Rho is looking forward to hosting the Province VII convention the weekend of March 22-24, 1991 in Oxford, MS. This will be the first time that we hosted this event since 1979 so we are planning to make it an outstanding experience for all involved. We are happy to say that for the first time to **Dr. Dewey Garner's** knowledge that all of the Executive Committee will attend a single province convention.

While the national officers are at Ole Miss we will produce a video tape of our initiation rituals.

This tape will be distributed to the provinces and the chapters for ritual demonstration.

As I close this newsletter, I hope that all of our brothers are having as good of a year as the Brothers of Beta Rho are having right now. One last thing that I have to say is "Debbie, I hope that you get better and come back to school very soon, because the Brothers of Beta Rho love you very much."

—David H. Dunson
Historian

Beta Xi North Carolina

The brothers of Beta Xi are back in school and ready for another busy but rewarding year. To get the semester rolling, Rite Aid sponsored our annual Back to School Party which featured a local R & B Band called the Blue Note Special. The turnout was overwhelming and the band was a real crowd pleaser.

We have also completed Rush for this semester which has resulted in a promising fall pledge class. Rush activities for this semester included a steak dinner and as the final bash—a Hawaiian Luau sponsored by Mast Drug complete with sand, grass skirts, and a lei for everyone.

Beta Xi will also be involved at the School of Pharmacy this month. Activities include participation in Health Screening Clinics as well as the local blood drive on October 29.

The Brothers have also become environmentally conscious this semester. Along with our highway cleanup of our adopted section of I-40, we have also formed the Ecology Committee headed by **Dave Smithwick**. Thanks to Dave and his committee we are now recycling glass and aluminum. We highly encourage other chapters to become environmentally conscious as well. Clean Mother Earth!

The biggest upcoming event for the Beta Xi Chapter will be the Alumni Reunion on October 20. Festivities will include a pig pickin' and a disc jockey. In conjunction with the reunion, the brothers have been selling raffle tickets to support the Scholarship at the School Of Phar-

Student NARD Chapter installed at Mississippi. **Dr. Dewey Garner**, Grand Historian-Ritualist; **Sharon Therrell**, Treasurer; **Shawn McIntosh**, Secretary; **Joseph Mosso** from Latrobe, PA, President of the National Association of Retail Druggists; **David Hudson**, President; **Jamie Anderson**, President-Elect; and **Dr. Kenneth Roberts**, Past Grand Regent and Dean of the School of Pharmacy.

Chapter News

macy for which all pharmacy students at UNC are eligible. The raffle drawing will be held at the reunion and prizes include a Caribbean cruise, a trip to Hilton Head Island, cash, a CD player, and a dinner at the Fearrington House (a local Chapel Hill restaurant).

Special congratulations are in order for the following Brothers at Beta Xi: **Jay Campbell** who was elected president of the 3/5 class, **Debra Walker** who was elected vice-president of the 4/5 class, and **Mike Crouch** who was the recipient of the KΨ Scholarship Award. Good job guys!

—Kevin Sands

Gamma Kappa South Dakota State

The Brothers of Gamma Kappa are going to be very busy this semester with our largest pledge class ever. The pledges are: **Steve Beals, Joel Boerger, Matt Crowley, Chris Esser, Mike Freking, Chad Herlyn, Sean Higgins, Adam Johnson, Roger Lastine, Brian Lounsbey, Greg Saylor, Greg Serocki, Chad Sherard, David Smahel, Brad Topel, Kris Vogel** and **Howard White**. This should be a fun time for the actives and pledges. Congratulations to Pledgemaster **Barry Bruss** for recruiting such a large class. Also thanks to **Ken Lanier** and **Alan Reither** for handing out the nicknames.

Gamma Kappa is also setting up a new blood glucose screening program. Every other weekend we set up a station at a local pharmacy where people can come in and have their glucose level checked and also learn more about diabetes. We seem to have good support from the local people and hope that it is a continued success. The All-Pharmacy picnic was also held this fall, and was sponsored by KΨ, KE, and ASP. We had a very good turnout and a good time was had by all. Congratulations go out to our Co-Ed softball team who ended up the season at 6-2, and also to the football team who also made it to the playoffs.

The Chapter house has taken on many improvements over the last few months, including a new paint job, remodeled kitchen and bath-

The Brothers of Gamma Kappa give the house a fresh coat of paint.

Members of Kappa Psi attending this year's NPC seminar are as follows: First row (left to right), Jeannine Freeberry, little sister, Philadelphia College of Pharmacy and Science; Deborah Harrist, little sister, University of Texas at Austin; Serena Donnelly, University of Iowa; Second row (left to right), Travis Leah, University of Texas at Austin; Steve Cornwell, West Virginia University; L. Brian Cross, West Virginia University; Third row (left to right), David A. Mentele, South Dakota State University; Eric Stratford, West Virginia University.

room, and a new sidewalk. It really looks sharp.

As we look ahead we anxiously await the Province VIII Conclave being held in Fargo, North Dakota this semester. We are also looking ahead to the annual Diabetes and Cholesterol screenings at the local shopping mall.

On a more tragic note the brothers of Gamma Kappa mourn the loss of fellow Brother **Glenn Miller** who was killed in a traffic accident this Summer. He will be dearly missed by all.

—Alan Reither

Delta Zeta Iowa

With fall semester in full swing, Delta Zeta has geared up for an active 1990-91 school year. Our major project this semester has been reformatting the pledging process. Our chapter has changed from a semester-long to a year-long pledging period. We believe this will give the pledges more opportunity to get to know KΨ each other and the actives, become more involved in activities, and really get to know what is all about. There has been a positive response to the change with approximately forty students pledging this semester.

Other major activities for this fall include blood pressure screenings at local pharmacies, our philanthropy for the Iowa City Crisis cen-

Regent Jeff Booth and Brothers Amy Miller and Jeff Goff at formal.

ter, planning the province philanthropy—a walk-a-thon for the Juvenile Diabetes Foundation, intramural events, and Kappa Psi cup night—as a fundraising and social event! We're also looking forward to journeying to North Dakota for Province VIII Conclave.

Election of new officers will be held in November. I'd like to take this opportunity to say thanks to the 1989-90 officers for all their hard work and time and especially **Troy Waddell** and **Shelly Dexter**, our regent and vice-regent, for their dedication to the group.

—Angie Hoth

Beta Kappa Pittsburgh

Hello Brothers! Much has been going on here at Beta Kappa. We ended the school year with our senior dinner/formal. It is always a wonderful evening. We also had our senior gifts night where we present both serious and humorous gifts to our graduating brothers.

In July we held our annual "summer get-together" at Laurel Hill State Park. A great time was had by all. Even in the rain, we managed to have a good time.

Over the summer we had some brothers "tie the knot." Congratulations to **Rick Jackson, Sunday Bookas-Jackson**, and **Robin Harris-Bailey** (married in December).

We began this year with our usual welcome back party. Then it was busy, busy, busy getting ready to host the Province II assembly at the end of September. It was an honor and a

Brother Butch Coffman at the formal.

pleasure for all of the brothers of Beta Kappa to host and welcome all of the brothers including province and national officers that attended. We are continuing in our tradition of community service by volunteering at Family House (a place where cancer patients and their families may stay before returning home permanently all at a very affordable price).

In October we have our annual homecoming weekend which includes a brunch before the football game and the selling of raffle tickets. And of course we cannot forget the fun of having new pledges. We wish all a good semester.

—Lisa Hanlon
Historian

Psi Tennessee

Greetings from the brothers of Psi chapter in Memphis, Tennessee. This year's Rush arrived quickly and was over in a blink of the eye. Everyone had a great time and it turned out to be a GREAT success! All of the brothers worked extremely hard to make our rush one of the best. The activities this year included: Blindfold Bowling, Welcome Back Party, The Great Taco Party, The Kamanauwaualeiu Party, The Buffalo River Canoe Trip, Round Up with Kappa Psi, Kool Down with Kappa Psi, and last but not least the Kappa Psi Formal. There was great attendance at each event, especially at The Great Taco Party (free food)! Each event allowed the brothers to get to know the rushees in a very special way. We have fun filled memories that will never let us forget how we got to know our soon to be pledges. We will never forget **Mark Greene** who was turned the opposite way to bowl at Blindfold bowling, **Wesley Cowell** at the Kamanauwaualeiu Party with hoola hoop in hand, all of those on the Canoe Trip who got turned over (which included almost everyone), the brave ones at the Kappa Psi Round Up who learned how to two-step and sweetheart shotish (way to go **Jeff Binkley!**), those rushees who took the time out of hard studying to enjoy ice cream at Kool Down with Kappa Psi, and last but not least, The Kappa Psi Formal where **Mark Corum** almost fell out of his seat from laughing so hard. We had fun and enjoyed everything we did with the rushees and was thrilled to learn on BID day that we gained **46 NEW PLEDGES!** These include: **Mary Atkins, Beau Battles, Kathy Bird, Sara Brazil, JoAnn Campbell, Mark Campbell, Larry Carbonneau, Kelly Casey, Kevin Coffer, Cheryl Corley, Mark Corum, Wesley Cowell, Sabrina Davis, Donna Dunlap, Laura Eldreth, Angie Gateley, Kim Gleaves, Mark Greene, Michelle Gregg, Monica Heinzman, Kevin Holder, Mike Jenkins, Brian Jones, Jana Kinsolving, Mark Lee, Jeannie Lipscomb, Rick Malone, Mark Metheny, Chris Norris, Kevin Norris, Brian Odle, Angie Pentecost, Tamara Purkey, Shane Reeves, Ginny Rhodes, Dave Rogers, Sara Sheppard, Christy Shore, Paige Sims, Kyle Swift, Kim Vanzant, and Cande Wright.** We shared our excitement with a Champagne toast to our new pledges.

We would also like to congratulate a few recent Kappa Psi 1990 pharmacy graduates: **Bob Moye, Fran Greene, Jeff Jenkins,** and **Tracy Ruesler.** **Bob Moye** was selected by his classmates as the outstanding future pharmacy practitioner. He also received two other awards recognizing his services and participation. **Fran Greene, Jeff Jenkins,** and **Tracy Ruesler** were all selected for inclusion in *Who's Who Among Students in American Universities and Colleges.* Congratulations and Good Luck!

Upcoming events this year include the annual Kappa Psi Riverboat Cruise after the Ole Miss/Tennessee football game here in Memphis. This trip down the Mississippi River will be one to remember for students and alumni alike. We also plan to have purchased a house by this date. As of now we are looking at a real good prospective house. Our future looks good!!!

—Deanna Staley

Gamma Rho New Mexico

This has been a very exciting fall semester at the University of New Mexico for Gamma Rho. We had a large pledge class, initiating 11 members in October. With the initiation of our new brothers, we almost doubled our membership! The large interest in our fraternity is really encouraging for us. For the first time in four years we actually had some competition from another pharmaceutical fraternity. Alpha Zeta Omega started a chapter at UNM in the spring 1990 semester, signing up around 30 members. They didn't pledge this fall, but I'm sure we will be battling it out in the spring for new members.

Each member of this semester's pledge class was assigned a drug, on which they became an expert. As a pledge class, they constructed a piñata shaped as a tablet. It was painted in Kappa Psi colors, of course. They filled it with various OTC items about which pharmacists often get the pleasure to counsel their patients.

Our newest brothers are: **Alex Arias, John Arnett, Helen Cleaver, Rich Fernandez, Lonnie Hawkins, Kerry Keim, Christopher Prandoni, Gretchen Prew, Marty Salas, Stacie Smith, Robert Witkowski.**

For Halloween, Gamma Rho got to go trick-or-treating at local hospitals to help cheer up those children who had to spend this holiday in the hospital. We dressed up in costume and painted their faces. We gave them candy or toys. This is always a rewarding experience for our chapter.

—Gail Mattick

Delta Delta Houston

Welcome back Brothers. Delta Delta hopes that every one had a safe and enjoyable summer. We did!! It was so good we did not want it to end, so we decided to have one last summer fling—a Tri-Fraternity Party with Kappa Epsilon and Phi Delta Chi. The party was such a success we have our largest pledge class ever, 21 pledges!!! Way to go Delta Delta!!

In conjunction with October as Talk About Prescriptions Month we will have an information booth at the University Center and the University Center Satellite. On October 21 1990, in conjunction with National Pharmacy week and Texas Pharmacy Week, Delta Delta and ASP will host our Annual Brown Bag Service Project. We will have three sites in the

Houston community hoping to service as many people as possible. This service project is so popular within the College of Pharmacy because it gives us a chance to leave the classroom setting and put some of our knowledge into action. As many of you already know "it's a different world."

To relax from the rigorous schedule we have planned for October, we will go on our first Annual Kappa Psi Retreat the first weekend of November. We will also be having a fund-raising activity with prizes such as Neiman Marcus gift certificates, a microwave or television, and many other door prizes.

We always like to recognize outstanding Brothers in the chapter, though we are all outstanding in our own individual way, there are some that stand out a little more from time to time. One such Brother is **Beth Carillo.** This summer Beth's internship was with NCPiE (National Council for Patient Information and Education). Beth was responsible for helping to organize October as Prescription Month. This promotion of patient information and counseling will be sure to help break barriers between the pharmacist and the patient.

There are several other activities still in the making and we are looking forward to completing them and finalizing this semester with our Christmas Formal.

—Debra Ingram

Epsilon Minnesota

Epsilon started off the busy Fall quarter with the traditional orientation day party on September 19. It was a great success thanks to the hard work of brother **Jeff Loch.** The incoming students showed a strong interest in Kappa Psi by attending our three open meetings in large numbers. The result was 22 new pledges, the largest number of pledges in the last seven years. Epsilon chapter continues to grow stronger each year.

The brothers of Epsilon chapter would like to congratulate the new officers for the 1990-91 school year. They are as follows:

Regent.....	Joel Moore
Vice-Regent.....	Dennis Heinen
Treasurer.....	Mike Pasquarella
Secretary.....	Amy Jacobson
Chaplain/Social Chair.....	Krista Kangas

We have been selling University of Minnesota, College of Pharmacy sweatshirts and pants during the entire Fall quarter. This is our largest fundraiser of the year. Brother **Vicki Ellingrod** has provided the organization and dedication to guarantee success. The brothers who attended the Fall Province VIII conclave at Beta Sigma would like to say thanks for a great weekend!

The planning for Province VIII Spring conclave hosted by Epsilon chapter has been ongoing for several months now. We would like to invite all brothers to attend this special occa-

Chapter News

sion. Spring conclave will coincide with the reactivation of the Minnesota Graduate chapter. All alumni of Epsilon chapter or alumni of other chapters living in Minnesota are welcome. If you have not been contacted and are interested, please contact Kirsten (Kee) Rogne:

4597 Slater Rd. #307, Eagan, MN 55122.

—Mark B. Halvorsen

Province II

The Fall Province II Assembly was held September 21–23. It was hosted by Beta Kappa

(University of Pittsburgh). The Assembly was kicked off with a party at the Beta Kappa house on Friday night. The Business Portion of the meeting was held on Saturday. The meeting began with a Ritual Workshop by **Scott Kurzawa**; **Paul Hiller** gave a description and

Bernadette Sowko, Bob Ertel, W. R. Smith and Norbert Pilewski at the Province II Assembly.

Grand Counsellor Paul Hiller explains the importance of ritual. Dan Wright and Scott Kurzawa are seated facing the camera.

Province II officers include Dan Wright, Scott Kurzawa, Tom DePue, Larry Olszewski and Dave Maskiewicz.

Beta Kappa at the Province II Assembly.

Grand Regent W. R. Smith presents the Scholarship Tray to Beta Kappa.

Delta Epsilon at the Province II Assembly.

historical background of the ceremony.

Next, elections of new officers were held. Grand Regent Smith installed the following brothers into their new offices:

- Satrap **Tom Depue** (Pitt Grad)
- Vice Satrap **Larry Olceski** (Pocono Grad)
- Secretary **Dan Wright** (Beta Kappa)
- Treasurer **John Coffman** (Beta Kappa)
- Historian **Tim Speerhas** (Delta Epsilon)
- Chaplain **Scott Kurzawa** (Delta Epsilon)

After lunch the Province Newsletter "the imPROV" was distributed by **Tim Speerhas** (Province Historian). Next, **Grand Regent William Smith** presented the Scholarship Tray to Beta Kappa (University of Pittsburgh). The award was accepted by **Jeff Booth** and **Amy Miller** both of Beta Kappa.

After the meeting, there was a picnic at the Beta Kappa house. On Sunday there was a brunch and optional Pirate Game.

There were 34 brothers in attendance including the following Grand Officers: **Grand Regent William Smith**, **Grand Counselor Paul Hiller**, and **Graduate Member at Large John Grossomanides**.

Grand Vice Regent Johnny Porter was unable to attend due to the death of his father. Province II offers their sincere condolences and prayers to Johnny Porter and his family.

—*Timothy D. Speerhas*
Province II Historian

Beta Chi Drake

Well, fall semester is back in full swing here at Drake. As always, it has proven to be quite a busy one so far. With all of our various activities and school work we have all managed to keep ourselves spread pretty thin.

We started off the semester by activating our lone pledge from spring semester. Congratulations to our newest brother—**TRACEY DURBIN!** Since that left us without pledges, we set out to recruit some new ones. We held our annual "Kappa Psi Open" miniature golf tournament. Our fall 1990 rush produced a small pledge class of 3, but we are pleased with all of them. Congratulations to our new pledges—**JEFF COLEMAN**, **ERIKA SMITH**, and **ROBERT KATHMAN**—they are already showing wisdom beyond their years for pledging the best...**KAPPA PSI!!** In celebration of their pledgship, some of the brothers of BX took them on a hay ride and really showed them a good time **KΨ** style. Good luck to our pledges in the following semester.

It isn't all work and no play here at Drake, however. Friday, October 5, brought our semesterly half-way party with the brothers of Beta Nu. We met at Mitch's Lounge in Atlantic, Iowa and had a lot of fun. It is also a good way to renew old friendships and start

Beta Chi's golf tournament participant Paul Kellogg.

new ones—we're looking forward to next semester Beta Nu! In addition to this small road trip, we are currently planning a large one to North Dakota State University in Fargo for the fall gathering of Province 8.

We have also been playing coed intramural volleyball. There isn't a whole lot that can be said about our team except that we try really hard and have a lot of fun playing. So far we have won 1 game—by forfeit!

On a more serious note, we have been very busy with service projects and fund raising activities. For the purpose of increasing our bank balance, we have been working at a haunted house—the bad part is some of us don't even have to wear masks to be scary looking!

Our service projects have taken us all over the city of Des Moines to various preschools and daycare centers. We have been teaching the children about poisons and increasing their awareness of poisons. Hopefully, the little bit that we do will help prevent accidental ingestion of a poison by one of these kids due to their lack of knowledge about them.

—*Larry Jones*

Mu Massachusetts

The brothers at Mu Chapter had a successful start for this academic year. We have conducted a series of social activities such as parties and a game show which have made a great impression on new and old students. Other activities, including a ski trip to Montreal are being planned. We are also doing other activities exclusive for brothers which let us share good times and allow us to plan more activities. On October 17, we will be conducting a blood drive where the whole student body and staff will participate in donating blood for those in need.

We wish all **KΨ** Chapters across the country a successful academic year, and to keep **KΨ #1**.

—*John A. Hamel V*

Gamma Gamma Arizona

The Fall Semester has proven to be successful and productive for the Gamma Gamma brothers. Early in the semester, we

initiated four Little Sis's. Congratulations go to **Beth Boepple**, **Melanie Crump**, **Tesha de la Rosa**, and **Rebecca Schlech**. We also were proud to initiate four new brothers from last Spring's pledge class: **Neville Govender**, **DeWayne Manning**, **Phil Williams**, and **Richard Ray Espinosa**.

One of our first functions was the annual Semi-Formal Rush where we successfully recruited 11 pledges. Next, it was off to "blindfold bowling" where members of Kappa

Some of the Gamma Gamma brothers after their formal initiation last spring are (left to right): Sergio Alvarado, Lloyd Scalapino, Brandon Ross, Clint Debord, Daniel Hernandez, and Vu Phan.

Epsilon became Big and Little Sisters to our active members and pledges.

Kappa Psi has always played an integral part of the UT College of Pharmacy's annual Pharmacy Week activities, and this year will be no exception. Our contribution will be emphasizing the importance of Alcohol Awareness among students across the UT-Austin campus.

Not only have Gamma Gamma brothers gained recognition on campus, we also have extended our activities to include the Austin community. Working with underprivileged children through the city's Big Brother Program and helping to landscape a local Wildlife Preserve Basin are just two examples of the various professional projects undertaken this semester. Thanksgiving and Christmas will find the brothers purchasing food and toys for an "adopted family" that otherwise would be going without the things we tend to take for granted during the holidays.

Next to the professional side of Kappa Psi lies the social side as well. Camping trips, pledge retreats, and Bar-B-Q's are popular this semester. Casino Night, an annual fundraiser for the chapter, hopefully will prove once again to be a great success. We also are participating in intramural football this semester along with volleyball and basketball. We are planning to close the semester with a Christmas semi-formal dance.

—*Jeff Kinser*

Chapter News

Beta Epsilon

Rhode Island

The Brothers of Beta Epsilon are continuing to accomplish the objectives we have set for ourselves. Our first priority is building a strong chapter by seeking out and initiating those members of our peer group who we feel will contribute to the quality of our fraternity. This tradition continued with the addition of five new pledges on September 25. The names of those fine men are **Eric Arlia, Steve Gattuso, Brian Kozielski, Lee Rush, and John Thomas**. Providing all went well these men will be Brothers by this reading. Over the past couple of years we have worked towards strengthening our bonds with our local LKS chapter, Xi. Our Second Annual Cookout/ Hayride occurred on November 5. In addition the two organizations also planned initiation of new members on the same evening, November 16, so that the normal "after initiation" festivities can be held concurrently.

We continue to make community, professional, and fundraising activities a priority. On November 5 and 19 we sponsored a CPR course for individuals who sought certification. We also continue to work with the town of Narragansett, Rhode Island, in cleaning up the beautiful shoreline of Rhode Island before and after the beach season. We have found this to be a great way to unite the brotherhood in a worthwhile endeavor while at the same time enjoying the shore and building a positive image in the community. In addition we also continue to contribute to a local food center, The Johnny Cake Center, in town. Fundraising projects for the semester included holding "socials" at one of the many venues located along the shoreline. This merely involves our chapter promoting that particular club on a particular night and collecting a cover charge. We also continue to raise funds during the fall semester by holding car washes and offering fall clean up to our faculty for a small fee. We feel that all activities are more than simple means to an end—they also help bring the Brotherhood together.

The chapter is looking forward to our Province I Convention to be held in Hartford, CT, by our Brothers at Nu Chapter. Beta Epsilon Brother **Mike Wilinsky** will be among one of the 20 Brothers attending. Unfortunately, some of our older brothers won't be having as much fun as usual since they returned from summer break to announce that they were leaving the ranks of bachelorhood. They are: **Roger Michaud** to Ms. Donna Dupois and **Michael Lessard** to Wendy Purcell.

—Brian Furbush

Pi

Purdue

Already half way through the semester Pi

chapter keeps moving along. One event after another hurdles itself toward us week after week. Professionalism, athleticism, schoolism, pledgism, and socialism all fill our time to capacity. We drink in our fun and bear our responsibilities without falter.

Professionally the brothers of Pi manned phones, locally, at the Jerry Lewis Telethon back on September 2. We are now sponsoring a professional projects board in the pharmacy building. It will display a drug of the month, and feature a new professor each month. Our annual drug fair, which allows students to ask different company drug reps about their careers, was held October 18. Also in October several brothers went around to the children's wards at two of the local hospitals and treated the children to reverse trick-or-treat for Halloween. Lastly, sometime in November our chapter will be in charge of setting up the annual campus wide Health Careers Day.

In athletics the Pi Brothers dominated several different sports. In basketball the KΨ Raiders participated in the campus intramurals and placed in the finals. One of the volleyball teams placed 3rd in campus wide intramurals. And on a lighter side, **Brad Hester** and **Guy Ruble**, both Pi brothers, placed 1st and 2nd in an open pharmacy putt-putt tournament.

The pledge class this year is only 9, but they look very high quality. Here are their names, and we hope to see them all become part of the brotherhood: **Elbert Boquiren, Scott Bowsher, Todd Chermak, Dale Isaacs, Todd Sigg, Brent Sinclair, Rod Voegerl, and Jason Young**.

To finish up Pi chapter has been busy being social. We have had two nontheme parties at the house this semester. Theme-wise we had our annual Halloween party with plenty of outrageous costumes, and a mound of social interactions that everyone enjoyed. The biggest party, however, took place 2 weeks before Halloween. It is what should turn out to be an annual event since it was so well attended. The theme was Barn Dance 90 with DJ and brother **Joe Gempis** cranking out the dance tunes. It included everything from the obvious to a hayride and bonfire. Most brothers have been well entertained this semester. If not they haven't taken advantage of the opportunities.

We keep the stress of life in check, we have fun, and we keep mov'in along.

Pi chapter at Barn Dance '90.

Gamma Sigma

Florida

The Gamma Sigma chapter has begun the semester in high gear as we start our projects and fundraisers for the fall and spring. Our current officers are:

Regent.....**Tim Lowrey**
 Vice Regent.....**Troy Smith**
 Cor. Secretary.....**Maurice Richardson**
 Rec. Secretary.....**Ted Morton**
 Treasurer.....**Mark Quinones**
 Historian.....**Matthew Foster**
 Chaplain.....**Chuck Ohaegbulam**
 Sgt. at Arms.....**Scott Cooney**
 Pledge Masters.....**Gary Smelcer and Jim Morgan**

These officers and our committee chairmen are leading us into an exceptionally busy semester. We are planning numerous fundrais-

Brother José Rey of Gamma Sigma and Province IV Secretary at a fraternity banquet.

ers and service projects this year, including hosting a Drug Fair for the students and faculty, and our annual golf tournament in the spring. The Gamma Sigma Annual Golf Tournament will be bigger than ever this year, and we encourage any interested KΨ member to participate in it. The tournament will once again benefit the Shands Hospital Pediatric Unit. Last year, prizes included a 1990 Mustang GT convertible as the prize for a hole-in-one at hole #14. Unfortunately, no one was lucky enough to win it.

In the sports arena, we are maintaining our winning legacy. Our two football teams are out to capture their division championships that evaded them by one game last year. Our volleyball team that won its division championship last year is currently defending their title.

Another project of ours is to construct a complete lineage of our brotherhood that would date back to the chapter's founding 52 years ago. But due to the lack of records, we need lots of alumni support on this project. Please send us any information on yourselves as soon as possible.

We are planning a large turnout for the Province IV assembly in spring, so get ready for us Samford, here we come!

—Matt Foster, Historian

The Grand Council Convention

Experience the Brotherhood

Grand Council Conventions come, and Grand Council Conventions go, and we have had forty-four of them. All the months of hard work and vigorous planning concentrated into 6 days of Brotherhood.

As a pharmacist and Graduate Brother of Kappa Psi, attending various national meetings, A.S.H.P., A.Ph.A., N.A.R.D., and Kappa Psi, I have come to a realization. All these meetings offer continuing education, meetings, parties, tax-deductible hotel bills and airfares. Only Kappa Psi offers the personal touch, the feeling of belonging, the feeling the entire Grand Council Convention is planned for me a Brother in Kappa Psi.

At the Grand Council Convention we have the opportunity to meet Brothers from all over the country. A chance to rekindle old friendships with Brothers who have moved to a dif-

ferent state. Also meeting and talking with our National Officers during informal parties gives you the opportunity to express your opinion of issues relating to Pharmacy and the Fraternity.

During formal meetings (which don't last too long), you hear reports of National Officers, consisting of where our fraternity has come from and where it is going. During the continuing education sessions pertinent, relevant information involving various topics are discussed. And by obtaining the C.E. credits during the G.C.C. allows you to take that much needed tax deduction.

The informal workshops teach you effective methods of how to be a more effective Brother in Kappa Psi. Your leadership, communication, and organizational skills are put to the test during the many sessions available.

The fees charged for the G.C.C. is well spent considering all you get for the nominal charge. The sponsored lunches, C.E., dinners,

banquet, and the Brotherhood experience will be remembered for years to come.

I encourage all Undergrad. Brothers to attend the 45th G.C.C., to talk to Graduate Brothers you work with about attending. Let's have all Undergrad. Brothers talk to the Graduate Brothers you work with, and ask them if they have heard of Jackson Hole, Wyoming.

The beautiful pictures in the last edition of *The MASK* were truly impressive, and as you know nature is very difficult to catch in a photo. The panoramic views and blue skies make this backpacker eager to experience this dream vacation. So start making plans NOW to attend the 45th G.C.C. and make a little history. See you there.
