Of Kappa Psi  
Pharmaceutical Fraternity

Volume 88, No. 4

December 1991

# From the Editor

By now, I am sure that many of you have heard of all the wonderful happenings at the Grand Council Convention. Brothers Porter and Smith certainly have reason to be proud of the results of their efforts to bring Kappa Psi to Wyoming. I am always enlightened and enriched at the GCC, it is an experience all Kappa Psi Brothers should have, whether they are graduates or undergraduates. This issue of *The MASK* contains listings of the 1991 donors to our giving programs. I encourage you to contribute to any of these programs. Also in this issue is the wrap-up of the convention highlights and the Kappa Psi policies on hazing and substance abuse. I urge all of you to take these policies seriously since the very future of our fraternity may depend on their enforcement. If we are a fraternity of worth, we should indeed be our Brother's keeper. As always, your comments and suggestions regarding *The MASK* are welcomed and expected.

*Tony Palmieri*

*The Beta Epsilon contingent at the GCC.*

**DEADLINE FOR THE NEXT ISSUE IS  
JANUARY 15, 1992**

## SEASON GREETINGS

On behalf of Alpha chapter I would like to wish each and every one of you a Happy Holiday season. At this time of the year our thoughts drift back to the past year and to the many blessings each of us has received. We should give thanks to God and respond with true resolve to improve the quality of our lives and most importantly the quality of life for our fellowman.

We should extend the helping hand of Kappa Psi to those less fortunate. We should strive to help the sick, needy and to share our wealth with the many deserving people in our land. Kappa Psi's are some of the good people that give and share and expect nothing in return except that feeling that tells us what joy and love really means. The holiday season can mean so much more when we share and care for those less fortunate and deserving. PEACE, JOY, and LOVE will be the greatest gift you can receive for these unselfish acts of kindness.

My sincere Best Wishes for a happy and joyous holiday season. May God continue to bless you and give you the strength and wisdom for success in the future.

In this issue you will find a new column called "The Last Word." This column will be written by your Grand Officers and members of the Executive Committee on any subject they feel dear

to their hearts. Look for it! It will be exciting.

Now is the time to plan for 1992. Spring Province assemblies are just around the corner and NOW is the time to look at the possibility of attending. You will learn a great deal from your neighboring brothers in addition to making some new friends and also having a great time. As the Executive Committee begins to increase the official chapter visitations it will be our pleasure to meet you and offer assistance. Remember these visits are meant to be helpful and informative not dreaded or frightening. We are there to help not hinder. Looking forward to meeting you soon.

Fraternally,

A handwritten signature in cursive script that reads "Johnny Porter".

Johnny Porter  
Grand Regent

## Gamma Sigma Announces F. Peter Field Scholarship

This letter is being written to inform the Central Office about the passing away of our former Grand Council Deputy, **Dr. F. Peter Field**, last spring. Dr. Field had been working for Bausch & Lomb in Clearwater, FL since leaving the faculty at the University of Florida College of Pharmacy. At this time we would like to announce the development of the "F. Peter Field Scholarship." This scholarship has already been set up at the college with the help of Peter's wife, Patricia Field, and the UF Foundation. Patricia has endowed the scholarship with a generous donation of \$10,000. Bausch & Lomb has agreed to donate \$1,000 a year for 10 years. We have been actively soliciting alumni for further donations to the scholarship fund. Starting this spring, we will be awarding one \$500 scholarship to a Kappa Psi brother. In the future we will be awarding more scholarships. If you would like any further information regarding the scholarship, or Peter Field, please feel free to contact me at the above address or my phone number is (904) 331-9913.

—Scott Cooney

Richard P. Dillon (Gamma Chi '59) and his daughter Sharyn L. Dillon (Gamma Chi '87) in front of the Gamma Chi house. They are the first father/daughter Brothers of Gamma Chi Chapter.

GCC attendees ponder the natural wonders of Yellowstone's geysers.

Jackson, Wyoming provided a true western experience for the Brothers.

# SUBJECT: HAZING

1. Hazing is defined by the Kappa Psi Pharmaceutical Fraternity as any physical or mental harassment. Specifically, hazing includes but is not limited to the following:
  - A. Any form of forced physical exercise.
  - B. Any activity that might reasonably be expected to cause embarrassment or psychological harm to the individual.
  - C. Any activity that might reasonably be expected to bring physical harm to the individual.
  - D. Any activity that might reasonably be expected to degrade or otherwise compromise the dignity of the individual.
  - E. Any activity that might reasonably be expected to require an unreasonable or inordinate amount of the individual's time, or in any manner impair the individual's academic efforts.
  - F. Any activity that might reasonably be expected to make the individual an object of ridicule.
  - G. The required consumption of any liquid or solid matter, or
  - H. Any requirement which compels an individual to participate in any activity which is illegal or contrary to the individual's genuine moral and/or religious beliefs or contrary to the rules and regulations of the educational institution.
2. All acts of hazing by a chapter or any of its members or alumni are specifically forbidden. Any international officer, chapter officer, Grand Council Deputy, Chapter Member, or Alumni who has knowledge of any incident which violates the hazing policy should within forty-eight (48) hours, notify the Grand Regent of the incident with details of the incident stating which part of the hazing policy was violated.
3. The Grand Regent will, within five (5)

days of the reporting, appoint an investigating officer to make a full and complete report including a list of charges and or violations of this policy and the names of the chapter officers and or members alleged to be involved in the incident. The involved person, persons or chapter will be notified and be required to attend in person or respond in writing to a "show cause" hearing within ten (10) days of notification to explain the alleged violations of the policy and to give reasons why any or all of the following sanctions should not be recommended to the Dean of the College of Pharmacy of the University for implementation. The Executive Director shall then prepare a full and complete report to the Executive Committee. If after careful review of the violations and the responses of the accused, the Executive Committee finds the allegations to be true substantially and verified, the Executive Committee may recommend to the Dean of the College of Pharmacy of the University any or all of the following sanctions for his consideration.

- A. Resignation of the Regent and the Pledge educator from their respective offices in Kappa Psi. The Grand Regent, in consultation with the Grand Counsel Deputy, will appoint a member to assume the offices vacated.
- B. Placing of Regent and Pledge educator on social probation which would be governed by the policy of the university involved.
- C. Placing on social probation the individual members involved in the actual hazing which is governed by the policy of the university involved.
- D. Suspension of the involved persons from the College of Pharmacy or University.

- E. Expulsion of the involved persons from the Fraternity.
- F. A written education program for the membership on hazing shall be submitted to the Fraternity and the Dean of the College of Pharmacy within thirty (30) days of the investigation.
- G. Disqualification from any and all awards for the involved persons during the current school year.
- H. Suspension of the Chapter from the College of University activities.
- I. Suspension of rights to pledge and initiate new members.
- J. Requirement of chapter of involved persons to sponsor or perform community service.
- K. Requirement of chapter to conduct anti-hazing workshops on campus.
- L. Require all members to sign a copy of the national hazing policy.

Once sanctions have been imposed by the Dean, the Chapter shall be considered on probation for a period of not less than one (1) year. Any further violation of this policy or the imposed sanctions placed upon the responsible parties may result in the revocation of the chapter's charter by the Executive Committee.

4. Implementation. This Executive Committee Policy on Hazing shall be distributed to each and every active Chapter in Kappa Psi Pharmaceutical Fraternity. The policy shall be sent to the Regent and Grand Council Deputy with the expectation that at the next regular meeting the policy will be read out loud to the officers and brothers of the chapter. Each Chapter Regent will be required to submit a copy of the policy signed by the Grand Council Deputy and the Regent attesting to the fact that this policy has been read to the membership of their chapter.

Dean Ken Roberts presented one of the many seminars.

# KAPPA PSI POLICY ON SUBSTANCE ABUSE

## BACKGROUND

- An estimated 18,100,000 adults in the United States have alcohol problems.
- An estimated 26,800,000 children have alcoholic parents.
- An estimated 4,600,000 teenagers are alcoholics or alcohol abusers.
- 1 in 10 drinkers will develop an alcohol problem.
- 6–10% of high school age students drink on a daily basis.
- 45–50% of all fatal accidents involve alcohol.
- 65% of all murders involve alcohol.
- 35% of all suicides involve alcohol.
- 80–85% of all college students drink.
- The single leading cause of death among college-age students is alcohol related.

## ALCOHOL

is the most abused drug in our society and the major drug abused on most college campuses. We are dealing with a major problem in our society and it has a significant effect on our campuses, national and international organizations, and individual chapters. At some point each of us will have to deal or have already dealt with people that have an alcohol problem or with people who live in a family that has experienced an alcohol problem. Alcohol is an accepted social outlet on college campuses and as a result there may be heavy social drinking.

In the past decade, colleges and universities have begun to address the problem—ALCOHOL. Eighty percent of college campuses now have alcohol awareness and education programs available to students. This means that eighty percent of college campuses know that alcohol is a big enough problem to address it by promoting responsible drinking.

Kappa Psi Pharmaceutical Fraternity, a professional fraternity, is also aware of the seriousness of this problem and with the best interests of the Fraternity and its members in mind, the Executive Committee of the Grand Council proposes a new alcohol policy. Kappa Psi chapters are challenged to develop social outlets that do not include alcohol and to implement programs that will educate our members about responsible drinking and risk management.

## STATEMENT ON SUBSTANCE ABUSE

Kappa Psi Pharmaceutical Fraternity is chartered to conduct a fraternal organization for the mutual benefit of the members; to advance the profession of Pharmacy, educationally, fraternally, and socially, to instill industry, sobriety, fellowship, and high ideals in its members; and to foster scholarship and pharmaceutical research.

Substance abuse in any form be it through the abuse of alcohol, the use of illegal substances, or the abuse of controlled substances, is an issue which plagues society as a whole. As such, it has an impact on the Fraternity. Such substance abuse is unconditionally condemned by Kappa Psi Pharmaceutical Fraternity.

The Fraternity is committed to providing members the information needed on which to base attitudes toward the role of alcohol in personal contexts, in group settings and in the practice environment. The Fraternity seeks to be a positive influence in helping members avoid the problems which can be directly linked to the unenlightened use of alcohol and to substance abuse in general.

The Executive Committee of Kappa Psi Pharmaceutical Fraternity calls upon the Fraternity's members, collegiate and graduate chapters, to be sensitive and alert to the problems inherent in substance abuse. We request that all fraternity forums discuss the problem of substance abuse, its consequences, and methods to help others, both members and non-members of the Fraternity, recognize and deal effectively with the problem. All members are reminded of their responsibility for the welfare of themselves, their Brothers and others.

## SUBSTANCE ABUSE POLICY

**ALCOHOL**—the basic Standard of the Fraternity provides:

**Use of alcoholic beverages by individual members shall be governed by state and/or local laws and university rules and regulations.**

In most states, the legal drinking age is, or soon will be, 21. Chapters may not provide the opportunity for underage members to obtain liquor illegally.

An initiated or pledged member misusing alcoholic beverages shall be subject to disciplinary action by the chapter, chapter Executive Committee *and/or* Executive Committee of the Grand Council.

Chapter probation or charter revocation can result if there is flagrant abuse of local, state, or provincial law or university regulations.

The Executive Committee of the Grand Council recommends that chapter house rules prohibit personal unauthorized storage and/or consumption in the chapter house or suite, or any other recognized chapter facility.

The Executive Committee of the Grand Council further discourages the publication of articles, photographs and news items in *The MASK* which contain an encouraging reference to alcohol use.

## RESOLUTION ON ALCOHOL WHEREAS,

The abuse and misuse of alcoholic beverages has a negative impact on the individual, the group and our society; and

## WHEREAS,

Kappa Psi supports the principle of individual freedom and choice, and that the members are responsible for their actions and decisions; and

## WHEREAS,

The actions of individual members affect the chapter, the college/university, the Fraternity and the Greek system in general; and

## WHEREAS,

Liability insurance availability decreases and such insurance may become unobtainable as a result of damages, costs, or lawsuits resulting from the unlawful use of alcohol;

## THEREFORE, BE IT RESOLVED THAT:

1. The possession, sale, use and/or consumption of alcoholic beverages during a Fraternity event, or in any activity sponsored by Kappa Psi, be in compliance with any and all legal permits under the regulation of sale and use laws of the local jurisdiction, state and university.
2. Each member be instructed in the drinking age laws, regulations of sale and/or use laws and any other laws such as implied consent and host liquor liability, and Fraternity policies related to the use of alcohol.
3. Moderation be encouraged during lawful consumption of alcohol.
4. All members respect others' decisions not to use alcohol; an alternative, non-alcoholic beverages be made available to those who choose to use them.
5. Each member be encouraged to make responsible decisions considering the impact of their actions on the individual chapter, the Fraternity and the Greek-letter movement.
6. Alcohol awareness and responsibility be made a part of local, province, and national leadership training sessions and publications.
7. All alumni, especially those who work with collegiate chapters, be encouraged to take training in alcohol awareness and be a positive role model for the collegiate members by their responsible use of alcohol.

**THE WHOLE IS EQUAL TO THE SUM OF ITS PARTS**  
**The Keynote Address**  
**to**  
**45th Grand Council Convention**  
**Kappa Psi Pharmaceutical Fraternity**  
**Jackson Hole, WY**  
**August 3, 1991 by**  
**Norman A. Campbell, J.D., Ph.D.**  
**Professor of Pharmacy Administration**  
**College of Pharmacy**  
**University of Rhode Island**  
**and**  
**Past Grand Regent of Kappa Psi**

Grand Regent Smith, Grand Officers present and past, Members of the Executive Committee, Delegates, Guests, fellow members of the Agora of Kappa Psi Pharmaceutical Fraternity.

When Grand Regent Smith invited me to be the keynoter for this Convention, my initial response was at once prideful and concerned. Having been selected ten years ago to address the 40th GCC, I know personally what a great honor this is. Then the thought struck me that perhaps this invitation was to permit me to recover from the failed attempt to perform as expected in 1981. I'll leave that assessment to you. I continue to consider the opportunity to discuss some thoughts with you for these few minutes an honor and a privilege. For you are the future of Kappa Psi and the future of pharmacy!

After jotting a few thoughts and ideas on paper, I called our esteemed Editor, Dr. Palmieri, and asked him to send me a copy of the 1981 keynote address which was published in the *Mask*. To my dismay, most of the "gems" I had intended to discuss here were embodied in that presentation, reinforcing my initial fear that I had "shot my wad" a decade ago.

The title, however, gave me a procedural hint. It was "Kappa Psi: A Self Analysis For The Second Century." It made me reflect on several questions. Why have we succeeded in maintaining the dominant position in pharmacy fraternity circles for these 112 years? What transpired in 1879 and since which makes Kappa Psi "First in Pharmacy" even now? What do we have to look forward to as Kappa Psi enters the third century in which we will have existed in just nine years? I have narrowed the answer to individual efforts and the additive effect of all these efforts—hence tonight's title, "The Whole is Equal to the Sum of Its Parts." If one is moved by the synergistic effect of these activities, feel free to broaden the impact to—"more than the sum of its parts."

Our past successes and future expectations are linked inextricably to Kappa Psi members, in their fraternal roles and profes-

sional pharmacy positions, *linking tradition and technology* in such a way as to preserve the best of our past while proceeding to enhance today and all the tomorrows.

The structure our fraternal founding fathers envisioned and created on May 30, 1879 as the "Society Kappa Psi" has been deemed by individual delegates to the previous 44 Grand Council Conventions to need some modifications and changes to meet contemporary challenges. The subtlety and delicacy of these changes are the result of full appreciation of our hallowed past as well as a keen vision of the future of Kappa Psi, of pharmaceutical education and of pharmacy and health care delivery.

Let us recapitulate my first point then, that each of us here present over the next few days is obliged individually and collectively to deliberate carefully on every issue before us. No small part of these deliberations should focus upon the effect of our decisions on Kappa Psi as it has been and is and what it will be.

On January 20, 1961 in his Inaugural Address, President John Fitzgerald Kennedy admonished Americans to "Ask not what your country can do for you—ask what you can do for your country." A few months later, 30 years ago yesterday in fact, The Peace Corps was born and countless individual Americans—young and old; entrepreneurs and tradespeople; from every corner of this nation answered the clarion call to make a difference by being that building block or link in a chain.

My second point to you this evening is you can and must make a difference as an individual. It is your duty! Your responsibility!

The 19th Century poet Charles Baudelaire wrote in *Mon Coeur Mis à Nu*, "There can be no progress (real, that is, moral) except in the individual and by the individual himself."

To paraphrase this thought, there shall be no progress in Kappa Psi or in pharmacy unless each of us pulls his/her share of the weight in this tug of war we face in moving

our fraternity and our profession into the 21st Century.

Lest the impression be created that I am advocating anarchy or a non-system whereby everyone does his/her "own thing" in keeping with individual goals and objectives alone. Not so!

John Stuart Mill explained the constraining force far better than I could more than a century ago. He said, "The liberty of the individual must be thus far limited; he must not make himself a nuisance to other people."

As a member of Kappa Psi or any professional, civic, religious or political organization, responsibility extends beyond the dues paying function, however important a role that is.

Having originated and long advocated the posture of our Order as "The Training Ground" for professional leadership, I must address the responsibility each of us has to serve to the maximum of our respective abilities and talents. If that means chapter Regent or Grand Regent, one should make the effort and do the best job possible if elected.

The reality, however, is that not all of us can occupy the highest office at any level, and even those who do, serve only a finite term of office. Consequently, we spend many more years being led than we do leading. I urge you, therefore, to learn the role of follower. For it is this cadre of individuals upon whom the elected leadership must rely to get programs established and implemented and to "keep the officers honest." I especially urge those who have served in the leadership to rededicate themselves to the newfound role of member.

Amidst the awesome grandeur which surrounds us, one can easily feel insignificant indeed. Hopefully, these messages will sink in as we return to our homes, jobs and/or academic institutions.

How does one apply the principles embodied in the individual's role at the chapter level? I would venture to guess every Brother in this audience was told at

some point in time while pledging, "You'll get out of Kappa Psi what you put into it!"

In my 37+ years as a KΨ Brother, I must say the return has been far more than my investment. But just as with any other investment—savings account or securities or entrepreneurial, you must make a deposit or payment in cash or kind before reaping any return.

The first role of an individual member of Kappa Psi is representing the Fraternity in a manner commensurate with all the best of 112 years. Each of us *is* Kappa Psi to those with whom we interact. Be the kind of representative you expect every other Brother to be.

Seek outstanding prospects on your campus and in your community and help to rush and initiate them in such a way as to encourage them to cling to the rich traditions of Kappa Psi as you entrust them with its future. No step is more crucial to extend our Order's individual lifeline than the recruitment and initiation process!

Make pledges and new members feel wanted, but only if they are willing to adopt the principles our Order holds dear. Kappa Psi is not for everyone! Seek quality not quantity membership.

Since I couldn't remember what I said to the 40th GCC a decade ago, I have agonized over the task of leaving you with a message to take away from tonight's short presentation.

Assuming, however fallaciously, that you will remember Norm Campbell was your keynoter, let me close by recapping with a memory aide using my last name **CAMPBELL**—

**Commitment**—Be committed to the Fraternity and put that commitment into action by active and sustained service at any level you can.

**Allegiance**—As members of the Agora you already have pledged allegiance to KΨ. Reinforce that pledge from time to time and put that into action.

**Motivation**—Get off your backside! Bodies at rest tend to stay at rest. Get motivated and motivate others.

**Persistence**—Don't give up the first time you are unsuccessful. Someone said, "If at first you don't succeed, try, try, again."

**Believe**—in what you are doing and in yourself. Believing it can happen will make it happen!

**Energy**—Be energetic and exude that feeling. It will be contagious and spark those around you.

**Loyalty**—Be loyal to KΨ, but most of all be loyal to your principles.

**Love**—What you are doing. It will make your work and playtime so much more pleasant.

If each of us pledges tonight and this week to strengthen our individual skills and roles, the cumulative effect cannot help but be a Kappa Psi of tomorrow which will bring pride and credit to us all here present and those who came before as well as those Brothers who will follow us. Tradition linked to technology by our individual efforts—an unbeatable combination.

As we put this proposal into practice, let us not lose sight of our primary roles as human beings who exist in a complex society of family, community, profession, etc.

To put that role into perspective, let me close by sharing one of my favorite verses by Helen Steiner Rice, "Not By the Years We Live But How Much We Give." This is my final link to the 40th GCC where I used it previously:

From one day to another  
 God will gladly give  
 To everyone who seeks him  
 and tries each day to live  
 A little bit more closely  
 to God and to each other.  
 Seeing everyone who passes  
 as a neighbor, friend or brother  
 Not only joy and happiness  
 but the faith to meet each trial  
 Not with dear and trepidation  
 but with an "inner smile"  
 For we know life's never measured  
 by how many years we live  
 But by the kindly things we do  
 and the happiness we give.  
**HELEN STEINER RICE**

Thank you and God Bless you all! Have a great Convention!

The Yellowstone tour was all day.

## Kappa Psi Milestones

Fifty years ago Professor Ray S. Kelley was elected Grand Secretary Treasurer and Dr. Frank H. Eby was elected Third Grand Vice Regent, beginning collectively 37 consecutive years of service at the National level to Kappa Psi.

## Ralph C. Heuerman selected for Bowl of Hygeia

Ralph C. Heuerman (Mu Omicron Pi) was selected by the Michigan Pharmacists Association as its 1991 recipient of the Bowl of Hygeia Award for community service.

## Gary Thiemens wins Pharmacist Achievement Award

WEST POINT, PA.—Gary Thiemens, R.Ph. (Beta Pi), Manager, South Center Pharmacy, West 105 Eighth, Spokane, WA, has been named a recipient of the MSD Pharmacist Achievement Award. He is a resident of Spokane.

The award was established by Merck Sharp & Dohme (MSD), the U.S. prescription drug division of Merck & Co., to recognize professional and civic achievements of pharmacists. Thiemens was cited for his selection as President of the Spokane Pharmacists Association, 1991.

# A BRIEF REPORT OF THE 45th GRAND COUNCIL CONVENTION

**Dr. Dewey D. Garner**  
**Grand Historian**

The 45th Grand Council Convention of Kappa Psi Pharmaceutical Fraternity was held at the Snow King Resort in Jackson Hole, Wyoming on August 3-7, 1991. Eighty nine collegiate brothers, 69 graduate brothers, 25 spouses and friends and 13 children, a total of 196 people, were in attendance. Grand Regent, William R. Smith called the first general session to order on Saturday evening. Grand Historian-Ritualist, Dr. Dewey D. Garner delivered the invocation and tied the "Golden Bow." Welcoming speeches were given by Province X Satrap, Dr. Craig Johnson, Convention Chairman, Mr. Johnny Porter, and Grand Regent, William R. Smith. The Grand Agora Memorial Ceremony, conducted by Grand Historian-Ritualist, Dr. Dewey D. Garner, preceded the keynote address presented by Past Grand Regent, Dr. Norman Campbell. His presentation entitled, "The Whole is Equal to the Sum of its Parts," set the tone for the convention when he challenged each brother to strengthen his/her individual skills and roles. As an individual you can and must make a difference. It is your duty! Your responsibility!

Grand Regent Smith announced his committee appointments and introduced the candidates for office. Each candidate delivered a brief response. The welcoming party which followed the first general session consisted of chuck wagon Bar-B-Que and western entertainment.

Officer and committee reports dominated the second general session on Monday morning. Two workshops were included in the afternoon programming. The highlight of the Ritual workshop, moderated by Grand Historian-Ritualist Garner, was the unveiling of the video cassette demonstration of the ritual, developed in the spring at the University of Mississippi by the Executive Committee, and the new ritual robes purchased recently from Ihling Brothers. The tape included the chapter opening and closing ceremonies, a memorial exercise, the three degrees of initiation and a fireside chat by the members of

the Executive Committee discussing the meaning and symbolism of the ritual. Kappa Psi's aims were reassessed in the second workshop moderated by Grand Regent Smith (high ideals), Grand Counselor, Paul Hiller (fellowship), Graduate Member At-Large, John Grossomanides (industry), and Past Grand Regent, Campbell (sobriety). The evening activities included a Grand Council Deputy workshop attended by eight grand council deputies and two Dean's; a legislative hearing moderated by Grand Counselor Hiller; a workshop on *The Mask*, moderated by Editor, Dr. Anthony Palmieri III; and an ice cream social.

The Third General Session on Monday Morning began with a "State of the Fraternity" report by Executive Director, Dr. Robert A. Magarian. Two workshops, one on Rushing, moderated by Past Grand Regent, Dr. Kenneth B. Roberts, and the other on Pledging, moderated by Collegiate Member At-Large, Mr. Brian Furbush concluded the morning session. Following a free afternoon to explore the Snake River via a river float trip or whitewater rafting the evening concluded with a graduate brothers' reception and a benefactor and Past Grand Regents' reception.

Tuesday's agenda included an all day bus tour of Yellowstone National Park and dinner at Old Faithful, courtesy of the Detroit Graduate Chapter.

The fourth general session on Wednesday morning was for committee reports highlighted by a record breaking 35 resolutions for delegate consideration. No constitutional or by-law changes were presented to the 45th Grand Council Convention. At the fifth general session on Wednesday afternoon the following officers were elected: Grand Regent, Johnny Porter; Grand Vice-Regent, Paul Hiller; Grand Counselor, John Grossomanides; Grand Historian, Dewey Garner; Grand Ritualist, Christopher Woo; Graduate Member At-Large, Brian Furbush; Collegiate Member At-Large, Michael Steffens.

Ten hours of continuing education were provided during the 45th GCC:

Pathophysiology, Treatment and Prevention of NSAID induced Ulcers by Dr. Charles Seifert, Pharm. D., University of Oklahoma, College of Pharmacy.

The Schering Report XII—The Older Patient and Pharmacy: Special Needs and Special Opportunities by Mr. Bill Yeoman, Regional Pharmacy Affairs Coordinator, Schering Laboratories.

Pharmacists Considerations in Choosing Sustained Release Medications by Dr. John Horn, Pharm. D., University of Washington, College of Pharmacy.

Career Opportunities in Pharmacy by Dr. Elliott Sogol, Glaxo Pharmaceuticals.

Pediatric Pharmacology by Dr. Leonard Naeger, Ph. D., St. Louis College of Pharmacy.

The 45th Grand Council Convention concluded with the 112th Anniversary and Awards Banquet. Jeff Jones of Beta Rho Chapter was presented the Frank H. Eby Award. Beta Kappa Chapter was presented the 1990 National Scholarship Tray Award. Entertainment was provided by the Kappa Psi Quartet: Jeff Jones, Scott Long, and Trevor Williams, Beta Rho; and Doug Vaught, Iota. Grand Regent, William R. Smith accompanied the group in a trio of KY songs: The Sweetheart of Kappa Psi, The Shield of KY, and The Kappa Psi Drinking Song. The newly elected officers were duly installed by Past Grand Regent Smith; Grand Regent Porter delivered a short acceptance address and the golden bow was then untied sending the brothers back to their respective chapters with a renewed vision and spirit of enthusiasm for the Fraternity.

## 45th Grand Council Convention

### SPOUSES AND FRIENDS

- Carrie Benton
- Robin Deweese
- Rett Richard Butson
- Ty Eby

(continued on p. 10)

## Is this fraternity?

- ★ Woman student dies after falling from a third story ledge of the chapter house after being ordered to clean outside windows . . .
- ★ "Traditional" drinking exercise results in death of freshman pledge . . .
- ★ Four fraternity men arrested and charged with sale and possession of cocaine . . .
- ★ Freshman drops out of school because of humiliation he suffered from treatment during a fraternity party . . .

## Is this fraternity?

No, this is not fraternity. All too often, however, such activities are a result of fraternity hazing, in the mistaken idea that demeaning a pledge makes him or her a better active member of the group. Inappropriate action on the part of some individuals within the Greek system has produced negative publicity that is harmful to all.

Robert E. Manley, in *Fraternal Law*, says, "We are on the threshold of a period when the new minority group that is legitimate game for society to attack is the Greek world. We are on the verge of an era of Greek bashing on campuses across the country . . . Greek systems on every campus must straighten up their acts."

Those acts include alcohol and drug use, hazing, sexual abuse, declining scholarship and a lack of respect for themselves, their organizations and society.

National officers of individual sororities and fraternities have urged their memberships to follow the ideals espoused by their organizations. This has not always been as effective as should be expected. Perhaps this stems from a failure on the part of national fraternities to adequately provide their members with programs to combat problems facing today's college population.

It is for that reason, in an effort to lesson the disparity between fraternity ideals and individual behavior, and to personalize these ideals in the daily undergraduate behavior, that the National Interfraternity Conference (NIC) appointed the Commission on Values and Ethics. That Commission is charged with identifying and promoting fraternity principles relating to the undergraduate. These principles should prove exciting and beneficial to each individual member.

Since the behavior of individuals reflects, both positively and negatively, on the fraternity system as a whole, the Commission will work to increase awareness of fraternity values through educational materials, programs, etc.

The following Basic Expectations have been developed by the Commission stating the fundamental guidelines by which fraternity men and women should govern their individual fraternal experiences.

I will know and understand the ideals expressed in my fraternity Ritual and will strive to incorporate them in my daily life.

II I will strive for academic achievement and practice academic integrity.

III I will respect the dignity of all persons; therefore, I will not physically, mentally, psychologically or sexually abuse or haze any human being.

IV I will protect the health and safety of all human beings.

V I will respect my property and the property of others; therefore, I will neither abuse nor tolerate the abuse of property.

VI I will meet my financial obligations in a timely manner.

VII I will neither use nor support the use of illegal drugs; I will neither abuse nor support the abuse of alcohol.

VIII I acknowledge that a clean and attractive environment is essential to both physical and mental health; therefore, I will do all in my power to see that the chapter property is properly cleaned and maintained.

IX I will challenge all my fraternity members to abide by these fraternal expectations and will confront those who violate them.

## LET US NEVER FORGET . . .

To The Members of Kappa Psi Fraternity:

I had hoped up to the last moment that I could be with you this evening, but I am compelled to forego this pleasure. Permit me to write you a few words to express briefly some views upon fraternities. The very word implies one of the noblest aims of men. Brothers through blood are often not brothers, but brothers through choice and election deliberately assume ties that are binding, if not holy.

Men may accomplish, through individual effort, great deeds, but when a body of men, united, forceful, and energetic, bind themselves together to develop and further to the utmost of their ability certain objects, which are for the betterment of society as well as self-culture, there must be success.

The pharmacist, of all professional men, needs companionship, fellowship and fraternity. The necessities of his vocation narrow his vision, stunt his social activities, and prevent him in large measure from indulging in proper recreation, indeed he is often compelled to forego his religious duties.

Members of the Kappa Psi, I charge you, in these days when as college students you are laying the foundation for your future success, cherish the friendship of your fellows, and in the zeal to help each other, forget not the stranger outside your gates, and let your motto be, "The Fatherhood of God, and the Brotherhood of Man."

February 20, 1911      Joseph P. Remington

The Tetons were the backdrop for the G.C.C.

Past Grant Regents' Dewey Garner and Norm Campbell at Yellowstone.

## Avila and Bekker Attend Seminar

Juan Avila (Beta Mu) and Rhonda Eddy Bekker of Beta Omicron and four other hospital pharmacy residents were participants in the Bristol-Myers Squibb U.S. Pharmaceutical Division's 23rd Annual Pharmaceutical Industry Seminar for Hospital Pharmacy Residents. Each year, the company invites residents in ASHP-accredited programs to submit their research protocols for committee review. The committee reviews the protocols for originality, feasibility, clinical application and relevance. The finalists were selected to be guests of Bristol-Myers Squibb for a one-week orientation at corporate headquarters in Princeton, New Jersey.

The 1991 program introduced them to virtually every aspect of a pharmaceutical company. The tour and meetings with executive managers provided them with an understanding of the mission and importance of the pharmaceutical industry in providing health care. In addition, they visited ASHP headquarters in Bethesda, Maryland, and met with executive staff members and ASHP president James McAllister III (now immediate past president). This inside exposure to professional organizations provided them with an understanding of the future of the profession.

Top row: Lance Morgan, Chuck Ness, Jeffery Durhaler, Front row: Rhonda Eddy Bekker, Juan Avila, Maureen Hall.

## Gamma Gamma Texas

The brothers of Gamma Gamma are enjoying a very active Fall schedule. At the top of the list has been planning the Province VII

*Gamma Gamma Chapter Brothers. Front Row (L to R): Armando Garza, Lloyd Scalapino, & Mehdi Karami. Second Row: Bryan Hoffman, Gary Blair, Kaveh Khadivi, & Kevin Rosetta. Third Row: Clint Debord, Danny Hernandez, Woody Zachry, & David Guadarrama. Fourth Row: Peter Kwan, Jeff Schwertner, Leonard Torres, Dwayne Manning, & Phil Williams. Fifth Row: Bill Lobb, Derek Davis, John Powell, & Matt Geiser. Sixth Row: Dr. Ken Kirk, Curtis Moore, Doug Chitsey, & Brandon Ross.*

convention: "Round-up: Deep in the Heart of Texas!" The convention will be held the week-end of March 27-29. We welcome all brothers to Austin for what promises to be an awesome weekend!

We are proud to announce that our Fall rushing yielded a large class of 18 pledges. They have been involved with many of our activities including the writing of spirit messages in Memorial Stadium. Also, their involvement in Pharmacy Week projects has been vital.

The Fall Semi-formal went well as many brothers, old and new, came together for fun and fellowship. During the evening our "Outstanding Pledge" award was announced. Congratulations to **Grant Skrepnek** and **James Bush** for a job well done.

Casino Night this Fall will be held on Friday, Nov. 15th. All proceeds will benefit needy families during Thanksgiving and Christmas. Also, the Texas Graduate Chapter will have its annual meeting the next day before the UT-TCU football game and its annual recognition dinner that evening after the game. We are looking forward to a great weekend with the Grads!

—Derek S. Davis

## Delta Gamma Auburn

Greetings from the Delta Gamma Chapter at Auburn University. We have been out of touch with the *Mask* for awhile but have entered school this year with high hopes and big plans for our chapter.

This past year has been one of many changes for us. Last spring we elected our new officers for the 1991-1992 school year. They are as follows:

Regent.....**Melissa Gulu**  
Vice Regent.....**Wendy Sizemore**

Secretary.....**Ellen Zigmont**  
Chaplain.....**Clint Peevy**  
Historian.....**Carla Johnson**  
Sergeant At Arms.....**Cindy Woodard**

It took about a quarter to get settled into the many responsibilities that we share. We began by sponsoring the first annual "Pre-Pharmacy Bash" in the spring. We decided to introduce Kappa Psi to the many pre-pharmacy students at Auburn University. They seemed to really enjoy the party. We are hoping to see many of them again at our Rush parties this fall. The next event that we sponsored last spring was our second annual "Boxer Rebellion." The boxer competition was quite interesting and we all had a blast. Our fundraising activities in the spring included the sale of doughnuts, T-shirts, and Top 20 Drug Cards. One of our brothers, **Alan Browning**, was really a big help to us because he screened our T-shirts for us to greatly increase our profits.

The past summer was one of grief and sadness for Delta Gamma. An unfortunate loss was felt within the chapter when we learned of the death of two of our brothers, **Molly Atkinson** and **Tammy Roper**. Both were very special and will be remembered most for the enthusiasm and life that they chose to share with Kappa Psi.

As our classes began this fall, we have quickly filled up our hectic schedules. We are very excited about Rush. The Rush committee was proud to announce that **Mark Dyer**, a Kappa Psi Alumnus from Samford University, was going to be our DJ at Informal Rush. Mark is a pharmacist and a DJ in Birmingham, Alabama. Informal Rush was a big success as we danced the night away. We all had a great time. As we look forward to Formal Rush, we hope to have the opportunity to welcome many new brothers into Kappa Psi this year.

—Carla Johnson

## Gamma Nu Pacific

On July 14th, the brothers of **Kappa Psi, Gamma Nu Chapter** held our fourth annual Luau "Gateway to Fun" in Atwater at brother **Ki Vacca's** house. The event was filled with fun, entertainment and plenty of food. This year's winner of the reverse raffle hosted by the collegiate chapter was **Ross Chang**. He pocketed **\$1,000 Grand Prize**. Other prizes were also won by different members of our fraternity and friends of Kappa Psi. A roasted pig (head and everything) was donated by brother **Wig Sy** and was especially enjoyed by all. Among the other dishes, BBQ steak, Korean BBQ ribs, a variety of fruit croissants and a multitude of drinks were

*Delta Gamma's chapter goes back to school.*

# Chapter News

*Gamma Nu enjoys the pool.*

served. Activities included laying out in the sun, eating, drinking, kicking back, water volleyball and other water sports. This event gave us the opportunity of blowing off steam before finals started. It was a time for everybody to really know each other. The brothers of Kappa Psi, Gamma Nu Chapter and the Little Sister's extend a **special thanks** to brother **Ki Vacca** for his hospitality and brother **Wig Sy** for his fulfilling and delicious donation. On September 11th, a **Welcome Back BBQ** was hosted by us and opened to the whole UOP Pharmacy School. BBQ chicken, hot dogs, garlic bread, vegetable trays, chips and drinks were enjoyed by everyone. The event was packed with brothers, little sisters and first year pharmacy students. It was a time for us to catch up with everything we did during our *month* long summer vacation. It was also a time to meet new students . . . a very successful and enjoyable event. New students talked to brothers and little sisters about their concerns for the upcoming year; doubts were clarified and new friendships were made. A basketball game was played by some of us, while others enjoyed a game of soccer. Many of our third year brothers also joined us in this special event. We wish them the very best during their rotations. Our first **professional affair's project** was held at Brookside Manor Convalescent Home on September 14th. Brothers and little sisters got together and visited the residents and played a challenging game of BINGO. We left with many new friends, a sense of understanding and the desire to come back soon with new activities. On October 4th, a **wine and cheese reception** was held in the UOP gold room for prospective little sisters. Brothers and Little Sisters put on their best attires and got to know the new students on a one to one basis. The event was well organized and very successful.

—Jose Si

## Upsilon Kentucky

Greetings! The Upsilon brothers at

Kentucky have been extremely busy this semester planning and implementing a wide range of activities, both social and professional.

The semester began with our back to school Rush Party, which was held on September 19 at Jacobsen Park. The menu consisted of hot dogs and hamburgers au grille, prepared by a few of our master chef brothers. The recreation consisted of basketball, volleyball, and softball. A great time was had by all and a good Kappa Psi impression was made on many prospective pledges.

On October 3, fifteen new pledges took the pledge oath, received their pledge pins, and received a Kappa Psi big brother. Afterward, a party was held for Kappa Psi brothers, new pledges, and little sisters. It was a great opportunity to make new acquaintances and to enjoy the company of friends.

On Saturday evening, October 12, the UK College of Pharmacy in conjunction with WKYT TV sponsored a one-hour television broadcast entitled, "Ask A Pharmacist." The show was designed to enhance public awareness of the importance of the proper use of medications through the answering of phoned-in questions by a panel of pharmacists. The show was a great success, and Kappa Psi was delighted to have a few Upsilon brothers manning the phone lines.

Halloween!! A holiday that so conveniently fell on Thursday this year. Kappa Psi purchased candy and treats and our brothers dressed up in costume and distributed these goodies to children in the University of Kentucky and Central Baptist Hospitals in Lexington. The treats as well as the service was much appreciated. Following this, Kappa Psi and Lambda Kappa Sigma jointly held our annual Halloween Costume Ball entitled, "The Pumpkin Bash!" The price of admission to the party was a canned food product, which was donated to God's Pantry to help provide food for needy families during the holiday season. There were many great costumes and a *ghoulishly good time* was had by all!

With Christmas not too far away, Kappa Psi brothers will be assisting in a Christmas Party for cystic fibrosis children here in Lexington. The children will get to make ornaments and other holiday crafts and will also be surprised with a visit from ol' Santa himself! We hope this will be a tremendous success and provide a little Christmas spirit to some kids who really need it.

As the semester closes and the holiday season approaches, the brothers of the Upsilon chapter would like to take this opportunity to wish all of our Kappa Psi brothers the Very Merriest of Christmas and a Happy New Year!!

—Chris Taylor

*Province VIII Brothers at Satrap Darin Scheele's Wedding. (BACK) Bryan Satter, Steve Soukup, Darin Scheele, Jon Evenson, Kevin Sell. (FRONT) Shawn Guymon, Sandy Knoblauch and Wayne Walls. Congratulations, Darin!*

## Mu Massachusetts

At Mu Chapter, the brothers have been actively participating in our school's orientation week, meeting incoming students and familiarizing them with college life. Several successful parties were held to introduce the students to the brothers and each other.

We recently held our biannual blood drive and obtained 50 pints for the local Red Cross, although many donors were turned down for recent vaccinations or ailments. Currently, we have embarked on several fundraisers, including the sale of Sigler and Flander's Drug Cards and molecular kits.

Upcoming events at Mu Chapter include a brothers' trip to Riverside Amusement Park, Game Show Night, and our annual semi-formal.

—Daniel Maul

## Pi Purdue

There's been so much going on here at Pi Chapter it's hard to determine where to start. Back in September we were lucky enough to have a Chapter visitation from Grand Vice-Regent **Paul Hiller** who is also now the Province V Supervisor. The weekend with Paul went super except that the Fighting Irish of Notre Dame beat our beloved Boilers but Mr. Hiller didn't seem to upset at all. Also visiting Purdue that weekend were Province V Satrap **Paige Stevens** (Beta Phi) and Collegiate Member at Large **Mike Steffens** (Chi).

Pledging is going super. After one month of pledging, we have thirteen guys still with us. All of the guys seem really enthused and they've been working there tail off. We're very proud of them so far. And of course with

pledging comes the pledge/active football game and with that of course comes another active victory!

On Friday night October 18, Kappa Psi, Kappa Epsilon, and Phi Delta Chi held the second annual All Pharmacy Barn Dance and for the second year the Barn was rocking with about 120 people. A special thanks goes out to Brother **Guy Ruble** who has done an outstanding job with all social events this past year.

Other events that have occurred recently are: tailgaters with ASP and Kappa Epsilon; reverse trick-or-treating at local hospitals; a Halloween party; a Bachelor party for Brother **Todd Chermak**; Big Bro/Lil Bro pumpkin carve; and working with Health Careers Day.

And finally Pi Chapter is said to say goodbye to our seniors who will be leaving campus next month for externship. This is the biggest class to leave Pi in many years. The remaining Brothers wish everyone good luck and remind you not to forget us. We're going to miss all of you. **Jon Adair, Brian Aube, Saladin Carter, Marty Cook, Paul DeYoung, Joe Gempis, Andy Hayes, Brad Hester, Ed Hinds, Steve Horan, Mark Johannigman, Don Julian, Scott Knishka, Keny Lee, Lee Muraoka, Jonathon Parker, Chris Patterson, Bill Potter, Kirk Rozycki, Guy Ruble, Craig Simmons, Jim Verhoeven and Jon Wong.**

—Rod Voegerl

## Beta Rho Mississippi

The start of the fall semester has been a busy one for the brothers of Beta Rho. Our formal pledge banquet was a success. We were happy to welcome over 85% of the potential pledge class to the fellowship of Kappa Psi. In addition to the pledges there were approximately 25 little sisters that the brothers were happy to welcome to our fellowship as well. In addition to the formal pledge and little sis' rush there were several parties where the brothers were able to meet and talk with the new class of pledges. The brothers are pleased with the interest in Kappa Psi exhibited by the pledges and are looking forward to welcoming them into Beta Rho.

I would like to thank the Brothers of Beta Rho for awarding me the Pledge of the Year award last year. I will continue to strive to uphold the high ideals of Kappa Psi and work to make our chapter the best it can be.

The Brothers of Beta Rho also would like to recognize our leaders. **Jamie Anderson** and **Sammy Lee** were recently elected president and vice president of the pharmacy school student body. Also **Warren Lewis, Rob Roberts, and Chris McLaurin** were

Beta Rho Brothers and pledges.

recently elected president, vice president, and honor council representative of the third year class respectively. The Brothers of Beta Rho are proud of the leadership exhibited in our chapter and in our school.

Intermural football season has just ended and the fifth year team went undefeated and the fourth year team had a winning season. The brothers are getting ready for intermural volleyball and hope to continue our winning tradition.

The Brothers of Beta Rho are still continuing our Adopt-A-Highway program and thank the pledges for their help. The brothers are also going to start a new big brother program with a local mental retardation and handicap institution. Beta Rho feels that this would be an excellent way to serve our community.

Beta Rho would like to wish all other brothers a good year. We are also looking forward to the Province VII convention this year at the University of Texas in Austin. We are sure it will be a **Big** time.

—Darren D. Higgs

## Gamma Sigma

### Florida

Greetings from the Gamma Sigma chapter at UF. We trust everyone had a great summer. Our semester kicked off with a very successful rush. We invited the new students out to meet the brotherhood at our traditional "Back to the Rat Race" and "Margaritaville" parties. We are happy to say that 14 men accepted the challenge of a pledgeship in Kappa Psi.

We would like to congratulate and thank Brother **Dwayne Thornton** for representing our chapter at the Grand Council Convention this summer in Jackson Hole, Wyoming. Dwayne's report was very informative and has sparked the urge to send a larger delegation in the future.

Planning for the annual Alumni Golf Tournament to be held in the spring has already begun. Last years tournament was a great success and raised \$200 for the Children's Miracle Network. This year we hope to raise even more money with the continued alumni support.

Gamma Sigma Brothers.

# Chapter News

We have several service projects planned for this year; one of which is our participation in a college wide health fair to be held at the Oaks Mall here in Gainesville. We expect this first annual event to be very successful and hope to continue this project in the future. We also plan to have a blood drive. Last years drive collected 30 pints and we plan to top that this year.

One of our ongoing projects is the construction of a complete lineage from the founding of our chapter to the present. Much work has been completed but we still need alumni support to fill in the missing pieces. If you have any lineage information on yourselves please send it to us.

On a final we are very excited about the Province IV assembly scheduled this spring. We plan to have the largest delegation there so get ready FAMU here we come!

—*Evelio Prieto*

## Beta Epsilon Rhode Island

The first semester is quickly winding down here at the University of Rhode Island. We have enjoyed yet another successful semester and preparations are underway to keep the momentum going into the Spring. The Beta Epsilon chapter has a proud tradition of blending our Community projects, Fundraising drives, and Professional projects to arrive at an equal balance that brings our Brotherhood together while working to help others.

Examples of some community projects that we did this Fall include: the Clean-up of Sprague Park in Narragansett, RI. Preparing the town beach for Winter, and holding a can drive for the local food shelter. Finding projects to do in the surrounding community is as easy as contacting the local Park & Recreation department and lining up a date. You'll soon find out that your local city or town will always welcome **Volunteer** help.

Our only professional project of this semester was sponsoring of a Blood Drive at our school. We had a phenomenal turnout at this event and the local blood centers were extremely thankful for our efforts.

In the way of Fundraising this Fall, Beta Epsilon undertook a few profitable ventures. Firstly, we solicited potential card holders for the Discover Card. Our chapter earned \$1.25 per signee. With a population on campus of about 12,000 students, you can imagine the profit potential. In addition to this, we also sold Coffee & Donuts in the College of Pharmacy every Tuesday and Thursday mornings. By the middle of the semester, everyone in the college knew where to get the best coffee and the freshest donuts on campus. A simple thing like coffee & donuts involves the entire Brotherhood and can bring

in a hefty profit if held continuously throughout the semester.

As the saying goes, "All work and no play makes Igor a boring monster." At Beta Epsilon we take this to heart and we had many Social events this semester to help break up the "boredom." On October 19th, we sponsored an afternoon of Tailgating in honor of Homecoming at our school. Some brothers from the Providence Graduate Chapter came and shared in our "Sobriety." We continued the festivities afterwards at Brothers **Karl Kehrle, Eric Arlia,** and **Regent Brandon Garde's** house. The following weekend we joined the sisters from Lambda Kappa Sigma on a Hayride followed by a Barbecue. I'm happy to report that a new relationship was born that night. Brother **Jignesh Patel** fell in love with Bessy the horse and they are now living happily in New Jersey.

Our last act of the semester was our Fall Initiation. I am happy to report the addition of eight new brothers to our chapter. These fine men are: **Daniel Barbeau, Jeffrey Coughlin, Jon Cusostomo, Ryan Dyer, David Miller, Paul Preston, Thomas Putney,** and **Christopher White.**

Congratulations to all these men for a job well done during their Pledging period. We are all extremely proud to call you "Brothers." Following the Initiation ceremony, we celebrated with the LKS sisters at the Narragansett Community Center. As always, a great time was had by all.

Congratulations go out to Brother **Eric Arlia** for organizing and starting a NARD student chapter here at the University. Eric is the president of the chapter and Brother **James Charest** is the treasurer.

*Brothers Glenn Fortin and Anthony Trask donate their time to help clean up Sprague Park.*

A thank-you goes out to Brother **Anthony Palmieri III** for visiting our school in September. We were proud to have him here on campus and we hope that he felt at home at his alma mater.

Finally, Beta Epsilon is looking forward to the annual Province I convention which will be held at Beta Delta in Albany, New York in February. Better batten down those hatches ACP, Beta Epsilon is heading north!!

—*Scott A. Jacobson*

## Gamma Rho New Mexico

As usual, Gamma Rho had a fall rush, back-to-school party, and will be donating money and services to the community this semester.

To start the fall semester, Gamma Rho had a back-to-school party. This party allowed students from the College of Pharmacy to meet members of Kappa Psi and also to aid in their decision to join Kappa Psi. Consequently, our rush went very well.

Our rush went very well this fall, and we initiated eleven new members: **Erica Barner, Bonnie Cheung, Nina Desai, Diana Gray, Lugina Mendez, Stephanie Pierce, Bonnie Prichard, Valari Rager,** and **Debbie Zamora.** During the rush, we planned a Kappa Psi movie night which was a good way for new pledges to meet the members. Congratulations to all the new members!

As a way to acquaint with each other, we are planning to post pictures with names of each member of Gamma Rho on the Kappa Psi bulletin board. Since there are many faculty members of Kappa Psi and graduate members at UNM, we plan to include their pictures along with student member's pictures. We also plan social events to get together such as bowling, movies, and parties.

For services to the community this fall, we will go in costume on Halloween to the hospital and give the children candy. We will also conduct a canned food drive for Thanksgiving.

Again, all of us at Gamma Rho are happy to have added eleven new members to join in on our community projects and our social events.

—*Stacie Smith*

## Beta Gamma California-San Francisco

Fall quarter has been remarkably busy for Beta Gamma brothers, with fraternity events beginning even before classes began for the new quarter. To acquaint the incoming students to their new surroundings, Beta Gamma hosted the dinner portion of the Tri-frat party, an annual orientation event co-hosted also by Rho Pi Phi and Phi Delta Chi Fraternities. Just days after this event, plans were set for all Fall quarter Rush events. This year, Beta

Gamma Rush plans include a "Chili Out with Kappa Psi" chili dinner, a mega-monster Halloween party, an ice cream social with Kappa Psi alumni acting as food servers for the evening, and a good workout during a night of broomball (guaranteed to leave everyone with a sore body afterwards). We're looking forward to all these events and to showing the new students what Kappa Psi is all about.

Beta Gamma Chapter officers for 1991-1992 include:

- Regent.....**Gary Vita**
  - Vice Regent Academic.....**Gary Tom**
  - Vice Regent Social.....**Mae Kwong**
  - Treasurer.....**Noelle Hasson**
  - Recording Secretary.....**Stacy Okamoto**
  - Corresponding Secretary.....**Kim Wong**
  - Sergeant-at-Arms.....**Andrea Samuels**
  - Chaplain.....**Lily Cheng**
  - Historian.....**Delores Hanson**
  - Parliamentarian.....**Terrie Abel**
  - Rush Co-Chair.....**Julie Hew, Peyton Wong**
  - House Manager.....**Van Mar**
- Kim Wong*

## Delta Epsilon Duquesne

Delta Epsilon started off the new school year with our second annual Alumni Picnic held at North Park on August 25, 1991. Many Brothers gathered to welcome each other back for the start of another school year. All who attended enjoyed the day filled with good food, games and friendly conversation.

Duquesne University recognizes their social and professional organizations by their annual Fall Carnival. Our chapter participated by making our famous pepperoni rolls.

Our Province II Biennial Assembly was hosted by the Pocono Grad Chapter and held at Duquesne University. Province II was well represented by the following chapters: Delta Epsilon, Beta Kappa, Pocono Grad, Pittsburgh Grad and a new addition to Province II, Beta Eta. Among the chapters that were in attendance, we also had the pleasure of having two Grand National Officers with us, **Paul J. Hiller** and **Brian Furbush**. At this time, we would like to thank Pocono Grad for all their hard work and to everyone who attended, making this a successful Assembly.

A special thank you goes out to **Scott Edmundson** for representing our chapter at the 45th Grand Council Convention in Jackson Hole, Wyoming, August 3-7, 1991. Also Congratulations are in order to **David F. Maize** for being named our new G.C.D. The Delta Epsilon Brothers wish to commend Scott and David on their dedication to Kappa Psi.

As a final note, we would like to inform the Delta Epsilon Alumni that a 25th Anniversary Celebration is being held on the weekend of February 21-23, 1992. Any inter-

ested parties please feel free to contact Della Marie Sildra at Apt. 417, 700 Forbes Avenue, Pittsburgh, Pa. 15219, or call (412) 471-2169.

—*Della Marie Sildra*

## PROVINCE II

The Province II Assembly was held on October 4-6, 1991 at Duquesne University, co-hosted by the Pittsburgh and Pocono Graduate Chapters. Brothers from Pennsylvania, New Jersey, and West Virginia were treated to a welcoming party Friday night at the Beta Kappa House, and the Province Executive Committee took this time to hold their first meeting. Province Satrap **Tom DePue** opened the meeting Saturday morning, once we found somebody to open up the Duquesne Student Union Building! The first general session consisted of Officer Reports,

*Some of the Province II Brothers.*

*Grand Vice Regent Paul Hiller visits with the Province II Brothers.*

*The new Province II Executive Committee  
Scott Edmundson, Frank Furfaro, Dan Wellhausen, Mike Starvaggi, Jean Beary and Dan Wright.*

Committee Appointments, and a Workshop on Ordinances and By-Laws. After a break for lunch, the second general session consisted of a Ritual Workshop, Province Business, and the Election of Officers. The new Province II Executive Committee is:

- Province Satrap.....**Dan Wright**
- Province Vice-Satrap.....**Jean Beary**
- Province Secretary.....**Mike Starvaggi**
- Province Treasurer.....**Dan Wellhausen**
- Province Historian.....**Frank Furfaro**
- Province Chaplain.....**Scott Edmundson**
- Province Past Satrap.....**Tom DePue**
- Province II Supervisor.....**Brian Furbush**

After the installation of the officers, those daring souls who wanted to brave the rain and drizzle attended the Pittsburgh Pirates vs. the Montreal Expos baseball game.

The Brothers of Province II would like to thank everyone who attended and helped to make this convention a success, and would like to extend an invitation to all Brothers to attend the next Province II Assembly, which will be hosted by Delta Epsilon Chapter at Duquesne University, held the weekend of February 21-23, 1992 in conjunction with their 25th Anniversary! If you are a Brother of Delta Epsilon, they would like to hear from you! Contact Scott Edmundson at 1345 Vickroy Street, SMC 357, Pittsburgh, PA 15219. Hope to see you there!

—*Frank Furfaro*

## Beta Upsilon Butler

Well, it's the beginning of another busy year at Beta Upsilon. It seems like those stories about the G.C.C. are endless! Brothers **Jenny Donaldson**, **Jill Jacobek**, and **Anne Baldeshwiler** made the 28-hour journey out West and had an awesome time discovering how deep the bonds of KΨ run. We were accompanied by **Mike Steffens** from X (University of Illinois-Chicago) chapter on our way out, which made the driving blocks slightly shorter, and we all would like to thank **Jenny's Mom** for lending us her Blazer—the Scarlet and Cadet Gray KΨ mobile! Greetings to all the brothers we met in Jackson Hole—now we have even more special friends in KΨ! The convention was even better than advertised and it goes without saying that we can all recommend future G.C.C.'s highly.

Coming back to class was a bit of a let-down after a fun and busy summer, but it is the reason we are here, and KΨ has been involved in many activities that make it more tolerable. Rush activities this year included an ice cream social, a chips & soda study break, and an excellent barbecue—thanks to **Jason Bagley** for being our official chef and to **Criterion Pharmacy** for donating the food! We all had so much fun that we hardly real-

# Chapter News

Anne Baldeshwiler, Jill Jacobek, Bobbie Graybeal and Jenny Donaldson at the Butler student picnic.

ized we were rushing for new brothers, and as a result, everyone was very relaxed. We sent out about 25 bids and are looking at what promises to be a motivated and fun pledge class!

We have a lot of plans for this semester, including a pizza party, a hayride, and other possibilities. Don't forget: We are hosting the **Province V Midyear Meeting** on Nov. 15-17. It should be a really fun time and we hope to see you all! We have already assisted our college with mailings to Butler alumni, as tour guides and registration assistants for Continuing Education on Homecoming, and other projects are in the works.

Brothers **Anne Baldeshwiler, Jenny Donaldson, Robbie Graybeal, Jill Jacobek, Gordon Mann, and Dr. Bruce Clayton**, a faculty advisor and Assistant Dean of our college, trekked up to West Lafayette for the annual Butler-Purdue Pharmacy Student Picnic sponsored by the Indiana Pharmacists Association. A good time was had by all as we ran relay races, ate, and chatted among students from Purdue. A couple of II (Purdue) brothers showed up to join in the festivities as well.

We have been really excited to see our brothers when they visit Indianapolis on their **Lilly Tours**. So far, we have seen brothers from BE (North Carolina) and III (St. Louis) and would love to party with others when you are in town. Butler is fifteen minutes away from the Lilly complex here in Indy, so there's no excuse not to call or write when you will be here. We would love another excuse not to study! We hope that everyone has had good luck with Rush and that your classes are all less difficult and more interesting than you expected.

—Jill Jacobek

## Gamma Kappa South Dakota State

The school year is well under way, and so are the activities of the Gamma Kappa chapter. First, a quick flashback to this summer. In August brothers **Chad Scholten, Kevin Sell, Dave Mentele, and Grant Schuth** attended the 45th Grand Council Convention in Jackson, Wyoming. They brought back with them a great deal of information and new ideas, along with some good pictures of site seeing and socializing.

This semester Pledgemaster Alan Reither has his hands full once again with seven new pledges. The pledges are: **Scott Deckert, A.J. Engberg, Brian Kuss, Jeff Mowry, Byron Olson, Rob Quenzer, and Mark Schneider**. As a fundraiser for our chapter, the pledges raffled off tickets for 20 free movie rentals.

Gamma Kappa brothers enjoy a fall golf tournament.

This pledge class looks to be a good one.

Social events have been quite successful and entertaining this year. We started out the semester with an informational meeting and cookout for the pledges and first year pharmacy students. This was followed by an excellent toga party. We also had a movie night at the house, a big brother-little sister dinner, and an alumni reception. Future plans include roller skating and, of course, a big turnout at Conclave hosted by the Beta Nu chapter at Creighton.

Professional Meetings Chairman Tim Wodele has done a fine job coming up with new fundraisers. For the Juvenile Diabetes Foundation we sponsored a "Kill the Car" fundraiser, where we took a donated car onto campus and allowed three shots to it with a sledge hammer for a dollar. This turned out to be quite successful, not to mention fun and entertaining. We also adopted three and one half miles of highway to keep clean, and we set up aluminum can recycling bins in two of our classrooms.

House improvements this semester will include a remodeled upstairs kitchen and new gutters. Brothers and little sisters, and especially new pledges have been doing a fantastic job at keeping the house and yard looking clean and neat.

In the sporting news, intramural activities have been quite successful with a presently undefeated flag football team, two coed softball teams, and a coed volleyball team. We also had a Kappa Psi Fall Golf Classic where **Chris Krogman** posted the lowest score with a round of 45, **Kendall Goetz** won the longest drive competition, and **Mike Cogley**, well, he won something too. Presently, we are looking forward to an exciting racquetball tournament.

—Chris Krogman

## Pittsburgh Graduate

The Pittsburgh Graduate Chapter reconvened for the fall with a dinner meeting in Monroeville, Pennsylvania on September 15 which was attended by a record number of members both continuing and from the recent graduating classes of the University of Pittsburgh, Duquesne University, and Ohio Northern University.

The members reviewed the events of the past summer and began planning for the months ahead. At the outset, a moment of silence was called by Regent Wheat for departed brother **Harold L. Perry**, a 1926 graduate of the University of Pittsburgh who died June 21 at age 85. Mr. Perry was executive vice president of Sun Drug Co. in Pittsburgh from 1950 to his retirement in 1969. The chapter will hold a memorial ritual for brother Perry.

A review of the summer's events recalled a June 2 meeting at the Lamplighter Restaurant, Route 22, Murrysville (owned by the brother in our Kappa Psi **Bill Ferri**), the pool party in Cresson at the home of brothers **David** and **Cheryl Maszkiewicz**, on June 29; the continuing education program supported by Glaxo on June 30 at Duquesne University. Sandwiched in the lazy hot days of summer were also a couple of Pirates baseball games, a bowling party and several rounds of golf for the groups of brothers and their guests. The chapter thanks all who attended and contributed to the smooth operation of the events.

The chapter turned its attention to the 45th Grand Council Convention, August 3-8, attended by nine brothers from this chapter. Voting delegates were **Dr. Robert Ertel** and **David Maszkiewicz**. Alternates were **Cheryl Maszkiewicz** and **Daniel Wellhausen**. The delegates briefed the brothers on the business

of the GCC and provided us with names of the new officers. It was evident that all the delegates thoroughly enjoyed the week at Jackson Hole and the rave review became infectious with brothers urging more details from the speakers and exclamations of "I wish I had been there" from the audience. The chapter sends its very best wishes for continued success to our new Grand Regent **Johnny Porter** and his executive board. Brother Porter and several other officers have been with us for province meetings so the brothers were in accord as to their approval of the new slate of officers. The chapter voted to reimburse the GCC fund of each Pittsburgh Collegiate Chapter \$100 to help with the cost of sending delegates.

The brothers turned their attention next to planning for the Province II meeting October 4-6 at Duquesne University for which this chapter is host.

The province meeting included an organized welcome party, an extensive business meeting with a ritual instruction workshop by Grand Vice Regent Hiller, a baseball game, lunch and informal parties, and a Sunday brunch. Brother **Tom DePue** headed the planning committee for this event.

The first fall meeting concluded with nominations for chapter and province officers, plans for bowling nights in October and November, preliminary plans for a trip to Atlantic City, and the scheduling of the next meeting for October 13 at the Beta Kappa House. Brother **David Maszkiewicz** was congratulated for his publication of the chapter newsletter, "The Pittsburgher" which he distributed during the meeting.

Dues for the year are now being collected by Treasurer **Daniel Wellhausen**. Contacts for membership can be made to Regent

**Roger Wheat**, P.O. Box 767, Worthington, PA 16262.

—Bruce D. Martin

## Delta Lambda Campbell

As 1991 draws to a close, and a new year begins, the Brothers of Delta Lambda are anxiously gearing up for an active and exciting spring semester. This past fall was filled with numerous events and activities which included several fundraisers, service projects, and social outings. The chapter was able to send two delegates to the National Convention, **Tim Brown** and **Pete Koval**. While there, Delta Lambda was honored to receive **The National Scholarship Tray!** A big "thank you" goes out to all Delta Lambda Brothers and Alumni for making his award possible.

Before we knew it fall rush was upon us, and this year's activities included a cookout, the 4th Annual Kiss n'Lei Party, and the 3rd annual Casino Party. When the smoke had cleared, 29 eager rushees had agreed to take the Kappa Psi challenge! The pledges were very active throughout the fall semester. They participated in the annual Kappa Psi car bash, a roadside trash pick-up, and visited a local nursing home where residents were presented with a radio/tape player for use in their exercise class. Our pledgemasters, **Ronnie Tyson**, **Michelle DeHart**, and **David Shaw** did a

Delta Lambda pledges participate in the Fall '91 roadside cleanup.

Delta Lambda brothers at the 3rd Annual Casino Party.

# Chapter News

commendable job with the pledges. We now look forward to acknowledging them as worthy Brothers in Kappa Psi.

The fund raising committee was especially active this past fall; they held several bake sales around campus, and sold Kappa Psi key chains and T-shirts. They also organized the Kappa Psi volleyball tournament, which was a school-wide event held on homecoming weekend. The festivities included hot dogs, french fries, a DJ, and trophies for the winners.

During October, the chapter hosted a carnival and field day for a local orphanage. The service committee organized the event, which included softball, basketball, and volleyball, as well as various games and a dunking booth. The Brothers enjoyed getting to know the children, and everyone seemed to have a good time.

Congratulations goes out to **David Hartman**, who received the Brother of the Month Award for September. Delta Lambda would also like to take this opportunity to wish all of our Brothers a happy and prosperous 1992!

—Beth Thaggard

## Gamma Pi St. Louis

This semester has been an excellent one for our chapter. We have been very heavily involved in professional activities: We hosted our semesterly blood drive on September 26. This year thanks to the hard work done by Brothers **Karla Derrington** and **Karla Nunnally**, we had 70 donors—more than ever before!!! Also, we are working with a local nursing home. Brother **Julia Rayniak** is coordinating all of the activities.

All of us who attended the Grand Council Convention this past August came back to our chapter and relayed many of the wonderful things that we learned. As a result, we formed a new pledging committee to restructure our rush and pledge programs. The Brothers making up this committee include: **Pete Phillips**, **Julia Rayniak**, **Karla Derrington**, **Wendi McKinzie**, **Karla Nunnally**, **Chris Brown**, and **Tommy Smith**. We all have very high expectations for our pledge period next semester. Also, many of us are planning a road trip to Indy on November 15 for Province V's Mid-Year Convention. We are all scraping and digging for money for plane tickets so that we can attend our Province VII Convention in **Austin, Texas** on March 27.

On September 13, Karla Nunnally and Tommy Smith were elected to the College's Intrafraternity Council. Karla was elected Vice-President and Tommy was named Student Council Liaison. We are all very excited to have two *Kappa Psi* Brothers on the Council this year.

We would all like to thank the *Kappa Psi* Brothers from all over the country who have been keeping in touch with our chapter. It means so much to us, knowing that you are out there practicing Industry, Sobriety,

Brothers John O'Dwyer, Julia Rayniak and Dawn Franklin of Gamma Pi enjoy Yellowstone.

Fellowship, and High Ideals. Thanks for keeping the Brotherhood so strong! A special thanks you goes out to **Dave Dunson**. Dave drove all the way from Mississippi to party with us at our annual Pig Roast on August 25! Also thanks goes out to Jenny, Jill, and Ann from Beta Upsilon at Butler, who came to visit the Brothers while we were visiting Eli Lilly on September 30–October 2. Please keep us informed on up-coming Kappa Psi events.

—Tommy Smith

Brothers Bill Lobb, Dawn Franklin, Julia Rayniak, Derek Davis, Tommy Smith and Sharon Dillon on the bus trip to Yellowstone.

## Gamma Chi Ferris State

Fall term here at Ferris State has gotten off to a great start. We sponsored the annual Pharmacy Information Night for all the incoming Pharmacy and Pre-Pharmacy students. This is a chance for the new students to

become acquainted with the many organizations at the College of Pharmacy. Following the event we held a "Pill Bottle" party at our house.

We had a very successful Fall rush period and currently have seven pledges working very hard to learn all they can about our fraternity. Congratulations to all of the new Big Brothers and their little brothers. Recently four new brothers were initiated, **Sam Tocco**, **Chris West**, **Jim Davie** and **Susie Yarger**.

Homecoming is nearing and we are busy preparing another winning float for this year's parade. We are looking forward to seeing our returning alumni. After the parade there is going to be a semi-formal dinner dance that was put together by brothers **Kimberly Prebay** and **Sharyn Dillon**.

Plans are going well for the Province V Convention to be held here in Big Rapids next Spring. We have been busy with many fundraisers in the last months. These have included selling FSU College of Pharmacy window stickers and various Pharmacy school T-shirts. Gamma Chi is once again hosting our Halloween Party with Big Brothers/Big Sisters of Mecosta County. We are also doing diabetes screenings in some of the local pharmacies.

**Sharyn Dillon** was our representative at the 45th Grand Council Convention this summer. We have heard a lot of wild stories about the "luge" and white water rafting. She would like to extend a big thank you to everyone who helped celebrate her birthday while in Jackson Hole, especially everyone in "Province Twelve."

—Chris Favenyesi

## PROVINCE IX

So we all survived the fall semester, summer, and GCC, yea!! What's new in Province IX? Well, UOP has done the usual major bashes that elicit new meaning to word imagination. It is scary, but the boys from Stockton do manage to come up with some awesome numbers all around. The pipeline tells me they did amazingly well for new pledges and several thousand dollars raised for their chapter. Most of the Brothers we are familiar with like **Jamie Tobitt**, **Peter Koo**, **Andy Morales**, and **Jeff Freund** are either on residencies or rotations. As usual these California Brothers did the nursing home service projects, Halloween party, several other parties in between, and their formal. Other Gamma Nu Brothers hopefully alive and well that need recognition are **Colin Ma** (because he went to GCC), and others, but Peter Koo needs to give me names.

**Don Florridia** from UOP Graduate is doing a hell of a job with the Infonet system. This is a nationwide BBS or computer billboard system for ASP members and others

nationwide. Sincere recognition needs to be given to **John Eastham** who is a system operator with Don Florridia. I don't know how he does it, but Brother Eastham is a Sys-Op and jams in school at the same time! As far as I know **Hanlon Jen** is living well since GCC, along with the other UOP grads. Chris Woo is busy working in the San Diego area and doing as much as he can for our fraternity nationally.

In Arizona, Gamma Upsilon, we have had a very successful rush and fall semester. We got 31 pledges. Special thanks needs to go out to **Cherie McKay, Gretchen Tush, Mark Westberg, Steve Crabill, Brian Singer, Jeannie Kretz, Tim Hartman, Steve Bernie, Ken Berry, Tracy Adams**, and others who have made this semester special. Our brown bag days, for pharmacy appreciation week, did great. Our social parties and formal get together were true examples of KΨ fun.

In other province matters, Jamie Tobitt has informed me that progress is continuing on the reopening of the USC chapter and trying to bring the San Francisco chapter, Beta Gamma, back into enjoying the benefits of being active nationally. The brothers at Gamma Rho seem to have their hands full competing with other aggressive new fraternities in New Mexico, so wish them luck for the spring semester.

—Curtis Berry

## Epsilon Minnesota

Now that school has started we are beginning our rushing and pledging program. This year we are extending pledging over two quarters. We feel that this will give our pledges more time to learn about Kappa Psi and will take some pressure off our Pledge Educators.

We have started back up with the STD Talks at area high schools, with at least 3 to 4 high schools interested in our program for this Fall. The ad routes for the PharmaCopa will soon be out, so we can start collecting ads for the 1992 PharmaCopa. **Vicki Ellingrod** has been working on the College of Pharmacy Directory. We hope to have it ready before Christmas break. Our fundraising project is the sale of College of Pharmacy 100th Anniversary sweatshirts and pants.

We would like to acknowledge those Brothers who received awards at graduation or at the Melendy Lecture held October 16, 1991. These awards were given for the 1990-91 school year: College Board Pharm.D. III Award, **Michele Johnson**; Community Service Award, **Dawn Yenter**; Druggists Mutual Award, **Mary Schroeder**; Ole Gisvold Medicinal Chemistry Award, **John Udeani**; Kappa Psi PharmaCopa Award, **Kris Arndt, Beth Ostergaard**;

Kappa Psi Scholarship Award, **Mark Sorenson, Mark Halvorsen**; Deborah A. Kasper Memorial Award, **Stacey Hansen**; Lilly Achievement Award, **Mark Halvorsen**; Merck B.S. Senior Award, **Joel Moore**; Metropolitan Professional Pharmacists Society Award, **Kelly Becicka**; MSPHA Patient Education Award, **Dawn Yenter**; Pfizer Community Pharmacy Award, **Ingrid Stromme**; Pharmacy Alumni Society Award, **Bonnie Boller**; Pharmacy Alumni Society Undergraduate Award, **Kelly Becicka**; 1st Professional Year Melendy Scholarship, **Katie Copeland**; Rho Chi Award, **Katie Copeland**.

We would also like to congratulate **Russell Boogren** ('57) on his retirement this past October.

—Cassandra Knoblauch

## Beta Omega Temple

Seasons Greetings from the City of Philadelphia. As the semester starts to wind down we begin to think of our well deserved Christmas break. I look forward to this time of year to renew my friendship's with family and friends back home in Kentucky. It's a good idea to use this time not only to make money to support yourself next semester, but to enjoy those people who are important to you. Good luck and enjoy the holidays.

On October 5th, we held our annual **Penn State vs. Temple Tailgate**. The tailgate was a huge success. We estimated about 30 to 40 alumni brothers return for the game. In total we had about 100 to 120 people in attendance. Even though Temple lost the game in the final quarter, we all had a great time. It's been about 50 years since we've beaten Penn State, but that didn't dampen our spirits. Deep down we know "There's always next year." So make plans for next year.

For the past 5 years Dr. Robert Thompson has been our Grand Counsel Deputy. In this position Dr. Thompson acted as the liaison between The Administration (at Temple) and the fraternity. This semester Dr. Thompson has stepped down from these responsibilities. The brothers of Beta-Omega would like to thank Dr. Thompson for his continuing understanding and support of our social activities. Dr. Fred Kohlr has agreed to fill this vacant position. Dr. Kohler graduated in 1981 with his B.S. degree from Temple. Last year Dr. Kohler successfully defended his thesis in pharmacology. He also accepted a staff position in pharmacology. Good luck in your new duties as our Grand Counsel Deputy, Dr. Fred. We will be electing officers this month. Since the deadline for *The Mask* occurs during the Christmas break, Fred has agreed to write our next article.

After my pledging to Kappa Psi the brothers informed me of two events that should never be missed at Beta-Omega. Those events are the Spaghetti Dinner (fall semester) and Tri-F Dinner (spring semester). Last year we began another night NOT TO BE MISSED, Thanksgiving Dinner. The Spaghetti Dinner is a special dinner we have for prospective pledges to our chapter. The brother's put together a terrific dinner and serve these prospective pledges and KΨ alumni. Beginning last year it was decided that the pledges would return the favor to the brothers by serving them a Thanksgiving Dinner. This year we had our second Thanksgiving Dinner. I recommend that other chapters (if you're not already doing this) to start this type of dinner. Not only is it beneficial to the active brothers, but a great tool in keeping your KΨ alumni involved in the fraternity.

Graduation, Happiness or Sorrow? This is a tough question, we work for 5 years to get to the point of graduation, but as it approaches sorrow begins. I moved to Philadelphia from Kentucky to attend Pharmacy School. I left behind some very good friends. My goal was to complete my education and return to my family and friends in Kentucky, ASAP. The only person I knew in Philly was the Dean of Pharmacy (from a one time interview). I was fortunate that the Dean found a room for me at the KΨ house. Since that time I have developed several close friendships. As graduation nears the sorrow once again returns. These feelings have been experienced by a lot of people. So during the holiday break take this time to renew old acquaintances.

During my two years as historian, the officers have tried very hard to update our Chapter phone directory. This has been a big undertaking. The sedentary lifestyle of our fathers has virtually disappeared. So I challenge all Kappa Psi Alumni's to keep in touch with events in your chapter and remember to keep your address up-to-date.

This is my final letter to "The Mask." I want to thank everyone who has helped me in gathering information and tolerating my, sometimes boring, recollection of events. So, in the immortal words of Denise Miller, *That's the News Annnnd I ammm Out of Hereee.*

—Tim Nichols

## Gamma Omicron Oklahoma

In the last *Mask* article I sent a message to **Gamma Omicron** brothers to get excited about rush, and get excited they did. Under the leadership of Don Warner pledge trainer, **Gamma Omicron** put on an excellent forum of explaining what Kappa Psi stands for. A slide show put together and narrated by histo-

# Chapter News

rian **Kelly Hall**, showed prospective pledges the different functions Kappa Psi held over the past year. Inspiring speeches by Executive Director **Dr. Robert A. Magarian**, **Dr. Victor Yanchick**, Dean of the OU College of Pharmacy and **Dr. Charles Seifert GCD.**, were given to show the enthusiasm and support of our Kappa Psi faculty. All the hard work payed off, we signed thirty-five pledges, no, that's not a typo (35) new pledges. Expecting the large pledge class Brother Warner, in an effort to keep his sanity, recruited four assistant pledge trainers, who also played a major role in recruitment. Congratulations to:

**Bill Taylor**  
**Mark Stowers**  
**Leslie Hunnicutt**  
**Dinny Shmidt**  
Good luck.

The Fifth Annual Kappa Psi Golf Benefit for Muscular Dystrophy held over the summer was a success as well. Due in part to the leadership of tournament coordinator **Becky Rangel** and all who assisted her. Sixteen teams participated with four members on each team. Thirteen holes were sponsored at one hundred dollars each. Thanks to all who made this benefit the best ever. **Gamma Omicron** presented a check to Muscular Dystrophy in the amount of \$2,260. First place went to the team headed by **Virgil Todd**, a Kappa Psi alumni who also sponsored a hole, thanks Virgil.

In closing a reminder of what Kappa Psi stands for: **Leadership, Industry, Fellowship, and Sobriety.**

—*Kelly M. Hall*

## PROVINCE V

Wanting to be a little different, I decided to put off the Province V highlights of G.C.C. in Wyoming until this issue, so we could have yet another opportunity to remember the great time we all had.

I was happy to see all the Brothers of Province V that took the time off from work and flew, drove or took a bus out to Wyoming. The convention was a great experience and a wonderful opportunity to see the western portion of the U.S.A. Thanks to **Johnny Porter** and **Craig Johnson** for a great convention.

Province V also had the opportunity this fall to get together for our annual mid year which was hosted by the Upsilon Chapter in Indianapolis this November. Writing this prospectively, I know a good time will be had by all and much work will be done to make Province V even stronger and more efficient.

We would also like to send out our warmest greetings to the newest member of Province V—**Paul Hiller** who will be our Province Supervisor. While Paul I'm sure

will add greatly to our province, we will definitely miss **Ed Sypnewski**. It was thru his work and guidance in the past two years that we were able to make some great moves forward for what will be good for the chapters of Province V. We hope that Ed will continue to be a part of what we do as a special friend of ours and we hope that he will be able to join us at Gamma Chi in March. Thanks for all the help and good time Ed!!

—*Maureen Evans*

## Beta Psi Wisconsin

Dear Kappa Psi Brothers,

Although we have only been back to school for a short time, Beta Psi is right back into the swing of things. Our first week back began with actives **Mary Ellen Pumper**, **Steve Shuda**, **Debbie Schmidt**, **Heather Vogel**, and I volunteering to answer phones at the Jerry Lewis Telethon as one of our professional projects.

The next two weeks we busily prepared for our formal and informal rushes. We're pleased to say that both were very successful and we are looking forward to the addition of some wonderful new people into the Beta Psi family. Thanks to rush chairperson **Connie Chi** and all other actives for a great job.

Even with all our other activities, we still find time to kick back and relax. Sundays here at the Kappa Psi house are generally devoted to football—especially the Packer game. So one Sunday in October we had a "Packer Bash" complete with an incredible spread of food complements of our house mother, **Sandy Redding**, and her husband, "Uncle Bill." Thanks a million to you both.

We have plenty of other events on our semester calendar. This year again, some of our actives will be volunteering to work the UNICEF Halloween carnival that is held at a local mall here in Madison. Beta Psi will also

*Beta Psi Brothers at Yellowstone.*

be sponsoring a Halloween costume party from which all donations received will be given to UNICEF.

Finally, in December, after missing last semester, Beta Psi is reviving the ever popular beer bus followed the next day by our annual search for the perfect Christmas tree. After an exhausting expedition, it's back to the Kappa Psi house for an afternoon of decorating, more of Mom Redding's goodies, and Uncle Bill's "Special" hot chocolate.

In closing, on behalf of everyone here at Beta Psi, I would like to wish everyone the best of luck on finals and success in the New Year.

—*Deborah S. Cleary*

## Gamma Zeta Sanford

The Gamma Zeta Chapter welcomes all brothers of Kappa Psi back after a short, but welcomed summer. This year promises to be a very successful year as rush is going well. This past semester we elected new officers:

Regent.....**Greg Roberts**  
Vice Regent.....**Tanya Butler**  
Recording Secretary.....**Kristi Vaughn**  
Corresponding Secretary.....**Gwendy Wade**  
Treasurer.....**Leigh Morgan**  
Chaplain.....**Terry Copeland**  
Historian.....**Timothy Sowell**  
Pledge Trainers.....**Tiffany Jones Kelly Fayette**

Our first event was the annual "Meet the Brothers" barbeque. Next, we featured our 2nd annual Kappa Psi Golf Tournament. Participating in this event were brothers, area pharmacists, and area wholesalers. The past two Saturdays, we have hosted a carwash as a fundraiser. Both of these were a success. Our next service project will be at a local shopping mall where we will have a blood pressure screening and patient counseling. We will be assisted by our faculty in this service project. Next, we will have a Halloween party for a local nursing home. So far, this has been a successful semester and we wish other chapters good luck this year.

—*Timothy Sowell*

## Beta Chi Drake

We started out the fall semester very successfully with eleven great new pledges who are **Jennifer Kathman**, **Lorrie Daughtery**, **Annette Siwec**, **Shamir Patel**, **Mark McKea**, **Brandt Markl**, **Ajay Jadeja**, **Robert Hudson**, **Kelly Hoflin**, **Amy Ciaramita** and **September Brees**. Congratulations to all of you and we are very proud to have you. The chapter sponsored a bonfire and hayride in honor of our pledges.

The chapter has been very busy this semester. Many plans are being made for the

conclave we are holding in the spring. Also, the chapter has been busy planning poison preventions, hypertension screenings, pharmacy surveys and many other community activities. One thing new that the chapter is trying to start is "Adopt A Highway" as a new community activity.

The chapter would like to thank **Wesley Dunn** for representing us at Grand Council Convention and for bringing back the experience and ideas. Beta Chi would also like to congratulate all of the new national officers. We are excited for conclave in the fall at Weighon and in the spring at Drake!

—*Marcy Longseth*

## Delta Delta Houston

We would like to congratulate our brothers who got married over the summer: **Jim Rutan, Asha Thomas, Lisa Wamsley, and Suelynn Wong.**

New officers for the 1991-92 year are:

Regent ..... **Robert Nunan**  
 Vice Regent..... **Chris-John Crow**  
 Secretary ..... **Lynh Phan**  
 Treasurer..... **Tina Nguyen**  
 Historians..... **Bryan McCullough**  
                                   **Tormaine T. Thompson**  
 Chaplain..... **Ken Schwartz**  
 Sgt. at Arms..... **Homer Avila**  
 Pharmacy Council Rep..... **Terri Wilson**  
 Honor Board Rep..... **Alex Mahuwala**  
 Pledge Trainers..... **Craig Frost**  
                                   **Lisa Wamsley**

Delta Delta Fall Rush has begun. Our chapter has held an Interest Luncheon and a Rush Party to meet and converse with prospective pledges.

In other news, our chapter had the honor of welcoming a visiting brother, **Bassam Salameh**, from Gamma Nu, at a September meeting. In honor of Texas Pharmacy Week (October 21-25), Kappa Psi distributed information on STDs to students at the University of Houston.

Finally, we want to congratulate our actives who will graduate this December: **Daron Campbell, Whitney Curtis, April Johnston, and Lynh Phan.** We wish them well in their chosen profession.

—*Tormaine T. Thompson*

*Preparing for the white water rafting trip at the GCC.*

*Maureen Evans at the opening session of the GCC.*

*Beta Rho's Scott Long sings the sweet-heart song to Charmaine Magarian*

*Marc Bernarducci, Darren Ferer, Sharyn Dillon, David Dunson and Michael Graubart enjoy the calm before the rapids.*

## PROVINCE VII

Greetings from the brothers from Province VII. Province VII wishes to congratulate the past Executive Committee on the fine job on the planning and smooth running of the 45th

G.C.C. in Jackson Hole, WY. I am glad to say that Province VII was represented with about 35 people which includes brothers and their guests. Province VII was also represented by 4 of the 5 Provincial officers with Satrap Earl Brown acting as the Province VII Delegate.

Province VII Chaplain **Jeff Jones** received the Frank H. Eby Award, which is awarded to the undergraduate who has contributed the most to Kappa Psi and the profession of Pharmacy. Jeff is also serving as the Executive Resident of the American Pharmaceutical Association in Washington, D.C.

Province VII now has a new supervisor, Grand Ritualist **Christopher Woo.** We at Province VII look forward to working with him.

In closing, I wish to remind everyone that the 1992 Province VII convention will be hosted by Gamma Gamma chapter at the University of Texas at Austin on March 27-29, 1992. Hope to see everyone there.

—*David H. Dunson*

## Beta Delta Albany

Another school year has fallen upon us once again. We at Beta Delta are looking forward for another successful academic year. Starting with the beginning of the semester, we would like to thank the brothers at Club Warren for hosting the Welcome Back Party which turned out to be a great success.

Beta Delta has planned out many events for our new school year. Most recently we hosted the annual Toga Party followed by the  $\Lambda\Kappa\Sigma$ - $\Kappa\Psi$  Hayride. Also on our agenda was the annual Yankee Trip. The trip allowed for freshman and transfers to go out to the park and enjoy a great day with the brothers, it is a great time but only one of the many events that the chapter hosts in order for perspective rushes to meet the brothers. I would also like to congratulate brother and coach **Brian Scott** and MVP **Dan Mullin** who contributed to another chapter softball team victory. The team beat Phi Del in semesterly play (18-7) and still remains undefeated.

So far the chapter is doing great and we are looking forward to having a successful Rush Dinner on October 16. Hopefully we will recruit a few more fine men worthy of being brothers of Kappa Psi.

—*Andrew Olechowski*

## Gamma Psi Mercer

This past quarter we had our first annual hurricane party and really had a good turnout with lots of fun. We also helped the local Red Cross with a blood drive. I would like to thank all the brothers and other students for their support in donating to a very worthy cause.

# Chapter News

We are planning our annual ski trip to Beach Mountain, N.C. We also are participating in a local fair at Halloween. At the fair Kappa Psi will sponsor a kick-ball game for a group of under privileged kids.

We are proud to announce that we will be starting an Alumni Chapter. In doing this, we hope to get some of the alumni more activity involved in our functions. We also will be sending out quarterly news letters to keep the brothers up dated on our activities. If you would like more information on this, please contact: Chuck Tigner, 3662B Morningside Village, Doraville, GA 30340.

—Bill Elkins

## Beta Phi Cincinnati

Being on the quarter system seems to be a disadvantage, at least in the aspect of drawing the interest of prospective pledges. Because we started so late in the year, our Rush activities were just that, rushed.

At the Spaghetti pledge dinner we will know how well our efforts worked. The Wine and Cheese party was okay, but the Back to School party was sure to have stirred an interest.

This quarter, we have planned activities for the pledges and actives so that we can get to know each other pretty well. The pledges will be responsible for planning the halloween party to be held on Friday, November 1.

Also, in November is Veteran's Day weekend, which means the pledge active football game. Later in the month, after the big brother—little brother pairings have been made, we'll have our annual scavenger hunt.

Once fall quarter is over, the annual trip to Snowshoe, W. Virginia will take place. The trip is sponsored by KΨ for everyone in the College of Pharmacy and their guests.

And then January is soon to follow, when all of those pledges who passed their classes will be initiated into our great fraternity.

—Michael R. Hanichen

## Beta Kappa Pittsburgh

September was very eventful. First of all, Kappa Psi sponsored a booth at the Pharmacy School Activities Fair. The enthusiasm generated here flowed right into our rushing period. Everyone in attendance enjoyed Beta Kappa's three rush parties: Kappa Psi Carnival Night, Mexican Night, and Pool and Pizza Night. This semester's pledgemasters, **Robert Farrell** and **Joseph Larue**, have their work cut out for them; we have twenty one new pledges.

In September, we welcomed the Beta Omega Brothers to Pittsburgh for the Pitt versus Temple football game. Afterward, since Pitt won the game, plans for a victory party were fulfilled!

At the Province II meeting in October, four Brothers from the Beta Kappa Chapter became Province officers. Congratulations to all the new Province officers. We would also like to welcome our new Province II Advisor, **Brian Furbush**.

October 19th marked Pitt's Homecoming. To celebrate the occasion, a homecoming brunch and party were held in honor of our Kappa Psi Alumni. We also held our annual Halloween Party in October.

A recent thrill for the Beta Kappa Brothers was the discovery of our original founding composite. It will be a meaningful addition to the fraternity house's walls.

—Tricia L. Zanoni

## Gamma Delta Ohio Northern

The brothers of Gamma Delta have been quite busy this fall. We started out the school year by initiating five new brothers: **James Kevin Blackburn**, **Christopher Alan Gordon**, **Michael Robert Hojnowski**, **Thomas Eric Kroner**, and **Jerry Dale Young Jr.**

We are also getting ready for our 1991 Homecoming, the brotherhood is really working together to get ready for the 300 some alumni we are expecting.

Our other plans for this fall include our annual Halloween Party, as well as a Chemistry Review for the incoming freshman.

We have also run a blood mobile for the University blood drive, and we sent a multitude of our brothers on a United Way Fund drive in the local city area.

—Daniel L. Deem

## Beta Sigma North Dakota

The school year has started out very busy, but we'd like to take a moment to remember Brother **Dave Kubat**, who passed away this summer after a strong battle against leukemia. Dave held the ideals of Kappa Psi true to his heart and will be forever missed by all those who knew him. Members of Kappa Psi, we urge you to cherish your friendships and brotherhood for often times things on this earth are unpredictable.

The brothers of Beta Sigma would like to congratulate our five newly signed pledges: **Don Brophy**, **Mike Contos**, **Greg Cowan**, **Venkat Rerish S. Patel**, and **Jeff Ploeger**. They are making quite an impact on the chapter already. We would also like to wish Brother **Matt Paulson** the best of luck after graduating this fall.

We are still trying to recover from our Homecoming festivities where our 20 ft. Energizer Bunny took third place in the annual homecoming parade. The homecoming theme was "the Bison Best Lives On." Our annual pig roast was a great success. We

devoured two pigs with the help of about 150 alumni and College of Pharmacy faculty. We were glad that the classes of '64-'68 were able to come back to the house for their class reunion.

This winter we will be electing new officers to replace our current ones:

Regent.....**Keith Wagner**  
Vice-Regent.....**Peter Boldingh**  
Secretary.....**Chris Johnson**  
Treasurer.....**Dave Crolius**  
Membership Chair.....**Brad Morrison**  
Social Chair.....**Kirk Diepenbrock**  
House Manager.....**Mike Highman**

Thanks to the old officers for a job well done.

We have also been active in the intramural circuit. Our flag football team is in first place in our division. We are currently undefeated and hope to better our last year's performance of 7th place out of 35 teams. This winter we will be participating in intramural basketball and volleyball. We are striving for the volleyball title this year after losing in the championship match last year.

Beta Sigma is looking forward to this fall's Province VIII Conclave at Creighton University in Omaha, Nebraska. It'll be great to see both the old and new faces.

—Mike Highman  
Brad Irgens

Beta Sigma's Homecoming float.

## Beta Xi North Carolina

There have been quite a few changes in the Beta Xi Chapter since the last time we were in contact. We have since added thirteen new brothers and have participated in many professional and social functions. Our activities for last semester came to a close with two major events. The first of these was the annual Pledge Formal held on April 6, 1991, at the Durham Hilton. The hotel provided us

with a great meal, and Doug Clark and the Hot Nuts provided the entertainment. It was a time of great job to welcome our new brothers and to present our traditional Kappa psi awards. The second event was Parent's Day on April 14, 1991. The Little Sister chapter, Beta Delta Beta, helped us in the preparations and provided plenty of refreshments. The Brotherhood is very proud of the fraternity and found great pleasure in showing our parents around the house and letting them see just what Kappa Psi is really all about.

The current semester has also been a very busy one. We kicked off the new rush semester with our traditional Back to School Party on August 23, and the famous Kappa Psi Luau on September 13. We also decided to try a new event called Casino Night which was held on September 4. On Casino Night everyone in attendance gave a donation to the Ronald McDonald House in exchange for play money. This money could be used for blackjack, poker or roulette. At the end of the night, people exchanged their money for tickets which were placed in raffle. Prizes included t-shirts, boxers, gift certificates, mugs, etc. This was by far the most enjoyable event of the semester, and \$230 was raised. This money was presented to the Ronald McDonald House at the home of UNC Chancellor Paul Hardin by **Mike Bourquin, Keith Hunt**, and myself. We highly suggest that other chapters try this type of event since it is great fun as well as charitable. Formal Rush began on September 15 and ended on September 17. The attendance was overwhelming, and this semester's pledge class consists of an unbelievable 15 members!! Our Rush Chairman, Phil Rodgers, as well as the entire fraternity did an outstanding job. Way to go fellows!

Other functions consist of our Alumni Reunion on October 12, 1991, headed by our Second Vice Regent, **Keith Hunt**. There will be a cookout and a raffle after the football game, and a golf tournament on the following Sunday. We are also having a Kappa Psi Health Fair at Northgate Mall in Durham on October 26. We will provide everything from health literature to drug counseling to the local community.

The Beta Xi Chapter is very much involved in Pharmacy School as well. The majority of brothers are members of ASP and will be attending the Regional Convention in Auburn, Alabama in October. Elected for class offices were held recently, and congratulations should go out of the following brothers: **Tim Clark**, 4/5 Pres.; **Trey Paul**, 4/5 V-Pres.; **Phil Rodgers**, 5/5 Pres.; and **Keith Hunt**, 5/5 V-Pres.; (5/5s RULE).

Also congratulations to the following new brothers: Fall 1990, **LeAnn Bridges, Chuck Smith, Hardy Creech, Rob Williams**, and **Trey Paul**; Spring 1991, **Chad Wagoner**,

**Tony Clodfelter, Braddon Maddox, Brian Kosabucki, Steve Watkins, Brian Blalock, Eddie Salyards, and Mike Askew.**

—Kevin W. Sands

*Andy Morales, Mark Pinski, Jamie Tobitt, Don Floriddia, Victor Moye, Ki Vacca, Chris Woo, Ron DeBelis, and Richard Leong looking busy at homecoming.*

*Ron Bogart accepts the Larry Carnegie Award from outgoing Regent Chris Woo.*

## Pacific Graduate Chapter

August saw us at the Grand Council Convention at Jackson Hole, Wyoming. Graduate brothers there included **Jamie Tobitt, Don Floriddia, Hanlon Jen**, and **Chris Woo**. Much time was spent reviewing and preparing resolutions, caucusing, and of course exploring the area. It was enjoyable seeing brothers within and outside of province. From our chapter, **Chris Woo** was elected Grand Ritualist. Hope to see more brothers there in 1993.

The weekend of October 26 saw the Annual Homecoming Celebration at the University of The Pacific. Starting at the "Shamrock" for Pizza and drinks, through the jelly donut breakfast, the football game with New Mexico State, the formal dinner at the River Hill Restaurant, and the Alumni/Collegiate football game (Alums, better luck next year), a great time was had by all. Among the items discussed at the graduate meeting were the upcoming province meeting, wine tasting trip (May 2, 1992), house renovations, and criteria for the Larry Carnegie Award.

If all goes well, we may take in an Oakland A's baseball game.

The officers elected for 1991-1993 are:  
 Regent .....**Ron DeBellis**  
 Vice Regent .....**Richard Leong**

Treasurer .....**Don Floriddia**  
 Secretary .....**Victor Moye**

Other brothers in attendance included **Fred Cho, Mark Pinski, Mark Riggles, Jamie Tobitt, Franklin Yip, Darin Sise, Bill Brehm, Bob Di Ponti, Mike Mattes, Kent Veirs, Conrad Bio, Dave Jones, Hanlon Jen, Perry Lau, Tony Adam, Thomas Lau, Ki Vacca, Bennet Plancaflor, Chris Woo, Andy Alikpala Wigbert Sy, Jim Sylvia, Kam Wong, Lek Sananilone & Erwin Chow**. In honor of a departed brother, the Larry Carnegie Award for fraternal service was given for the first time this year; the recipient was Collegiate **Ron Bogart**. Congratulations!

News from around the horn includes recent marriages of **Keith Kiga** and **Ellen Fujitani**, **Denis Ishisaka** and **Lesly Murata**, & **Mark Pinski** and **Lisa Kwong**. Dr. **Francis Sayre** recently retired after many distinguished years of teaching at U.O.P. Finny, thanks go out to our out going Province Supervisor **Ben Hershenson**.

—Chris Woo

## Eta Philadelphia

School is back in session, and the brothers of Eta Chapter are ready to seize and conquer the campus again. That's right, we are going to dominate everything for the 89th year in a row. We control student Government, Intramurals, and the professional projects on campus.

SHAPE, Student Heightening Awareness, Prevention, and Education, is a professional project to prevent substance abuse. Our chapter took responsibility for running this program. Brother **Matthew Kuchinck**, took control of this and is off and running.

The house is *slowly* being restored. Our resident handy man **Rich "Bobvila" Paoletti**, has helped rewire, rebuild, and restore most of work done this year. He has had a lot of help from **Bruce Parola, Brad Swivkanovich, Tiar Dench**, and the rest of the *Posse*. **Todd Bixby**, our illustrious regent, sealed the roof with tar and insulated the windows. Thank you guys.

As you can see our house needs a lot of work. This is the case with almost any house. We deeply appreciate the support of our alumni. If you care to donate to our house feel free to send contributions to: Kappa Psi Eta Chapter c/o Matt Kuchmsky, 4224 Spruce Street, Philadelphia, PA 19104. You may also call us at (215) 222-6722.

We are also running a raffle to make money. Jeff Martin is running this and is doing a hell of a job.

To conclude I would like to thank all of the brothers of Eta chapter for their commitments to the house and attendance at the little sister pledging.

# The Last Word

by William R. Smith

Season's Greetings Brothers:

How very honored I am to be asked by **Grand Regent Porter** to write the first article for a new column, especially for the holiday season. I would like to reflect on my two years as your Grand Regent and on **Leadership** in general.

Have you ever listened to a *one-man-band*? Have you ever listened to a *one-man-band* that you liked? The sounds of a *one-man-band* may be unique, but, the pleasing harmonies of a group of first-class musicians will win out every time in my estimation. Leadership, like music, can be approached from two very different directions: either the *one-man-band* concept or the *stimulating conductor* concept.

One can hang a harmonica and a kazoo around the neck, strap cymbals to the knees and tambourines to the ankles, put castanets in one hand, tie bells to the elbows, hang a bass drum from the rump, and have a gong under foot, while playing "*Lady of Spain*" on an accordion and all of the above, and tell you that that is beautiful music! Now you can call that many things; you can call that noise; you can call that a racket; but, you probably won't call that beautiful or music!

One can, however, achieve excellent results when conducting a group or leading a team of first-class professionals. With all of the help and co-operation that I received during my term as Grand Regent, I feel almost as if I had spent two wonderful years conducting the great "*Kappa Psi Philharmonic Symphony Orchestra*," culminating with a phenomenal six day concert in beautiful Yellowstone National Park and Jackson Hole, Wyoming! For this I shall be thankful for as long as I live.

I shall always be grateful for having had the honor of being the Captain of a truly great team of Brothers, which I could have just as well (metaphorically) referred to as the "*Kappa Psi World Series Championship Team*"! Let me just tell you a little about that team. Our heavy hitting veteran sluggers were **Ken Roberts, Dewey Garner, and Bob Magarian**; our ace pitchers were **Johnny Porter and Paul Hiller**; our golden-glove utility infielder was **John Grossomanides**; rounding out the team was all star (Ted Williams calibre)

rookie **Brian Furbush**. What a team, your team, the 1989-91 Executive Committee; the finest I have ever known! Not once in my two years as Grand Regent did any member of the team ever turn down a request or disappoint me. All future Grand Regents should be so blessed!

I have received many kind words concerning my term as Grand Regent, and for these warm expressions I am most appreciative, as I did work hard. But, the simple reality of life is that many people work very hard and still end up as dismal failures. All the many things that were accomplished during my two short years as Grand Regent were truly a **TEAM EFFORT**, a team composed of your 1989-91 Executive Committee and supported by many other Brothers who were there to help when needed. Several supporting Brothers were like me, "*old firehouse dogs with ears pricked up*" ready for "*just one more ride*" at the first clang of the alarm bell! Others were like "*fresh cavalry horses*" chomping at the bit for that first charge up *San Juan Hill*, ready to give their very best efforts for Kappa Psi! They all deserve my public thanks.

To my "*old firehouse*" Brothers: **Norm Campbell, Pat Wells, Ben Hershenson, Lennie Naeger, Frank Facione, Tony Palmieri, Ken Kirk, and Joseph Zorojewski** my sincerest thanks, to my "*fresh cavalry*" Brothers: **Ed Sypnewski, Brian Reisetter, Craig Johnston, Glenn Boyles, Jeff Lee, Paul Cyprus, Kevin Foster, Doug Cozad, Bob Franczak, Scott Long, David Dunson, Jeff Jones, Trevor Williams, Chuck Preuss, and Jeff Sullivan**, also, my sincerest thanks.

Many Brothers gave of their time to serve on committees and/or of their pockets to support our giving programs. Again, my sincerest thanks for their fine efforts. During the past two years, I spent over ninety days traveling for Kappa Psi. This would not have been possible without the help of Brothers **Ralph Heurman, John DiLodovico, Jim Demchak, and Sherwood Clifford** who all pinch-hit for me when I was on the road. Thanks fellows!

Over the nearly thirty years that I have been a member of Kappa Psi, and out of over fifty-thousand Brothers, there are a special few who stand out as having had the most influence on how I have conducted my life both personally and professionally. Space does not allow me to tell you what made each

Brother so very special, I cannot just list their names and tell you nothing about them. So, for now, thanks unnamed, special, inspiring Brothers! Hopefully, in the future I will tell you much about these exemplary Brothers, as I have enough information for an article by itself.

The future of the Fraternity, the Profession of Pharmacy, and to a degree, of all mankind, depends on many Brothers of Kappa Psi being willing to offer themselves in various leadership rolls of positive influence and inspiration. As we lead and teach in whatever capacity, we never know how far our influence will extend. Those that we lead, now, become the messengers of our thoughts and goals in a time in which we will no longer be present. Three basic, but most important, acts of leadership of lasting value that any of us can ever hope to impart are to:

- 1) Offer Brotherly Love,
- 2) Provide Guidance, and
- 3) Set a Good Example!

Few Brothers get to be Regent of a Chapter; fewer, still, get to be satrap of a Province; only thirty Brothers have been honored with the Office of Grand Regent during our one-hundred-twelve year history; but, all Brothers can be leaders in Kappa Psi regardless of the office held or not held! Leadership is a quality that should be cultivated and nurtured in every Brother. In that nurturing process, however, one must never lose sight of our basic goals of *Fellowship, Industry, Sobriety, and High Ideals*; nor succumb to mere blind ambition. The offices that we seek or hold are not nearly so important as how we attempt to use them for the common good!

To any Brothers that may be thinking of offering themselves for positions of leadership, **Hallelujah! Wonderful! Marvelous! Bless You!** But, in your zeal, I would suggest observing the following guidelines, which have served me well for many years.

1) *Adopt principles of personal conduct and honor that you stick to under all circumstances.*

2) *Set high but realistic personal goals and group goals.*

3) *Convince as many Brothers possible to embrace and adopt for the group your stated goals.*

4) *Show clearly that there is something substantial that each Brother can do to make the adopted goals become reality.*

5) *Get and keep as many Brothers*

# Meet the new Grand Ritualist Chris Woo

I was born on November 21, 1963, the eldest child of John & May Woo of El Centro, California. My childhood progressed, starting from Margaret Hedrick Grade School, continuing at Woodrow Wilson Junior High School, and culminating in graduation from Central Union High School. Along the way, I read some comic books, learned to play the cello, toured with "Creation Unlimited" Christian singing group, rooted for the Minnesota Vikings and New York Yankees, and made some good friends.

After completing pre-pharmacy at the University of California, San Diego, I transferred to the University of the Pacific Pharmacy school in Stockton, California. Seeking to pursue and develop industry, sobriety, fellowship, and high ideals, I pledged as a member of the Gamma Nu chapter of Kappa Psi in 1985. Definitely the high point of school was being part of the brotherhood and serving as its regent. Rounding out the U.O.P. experience were stints of service to the Academy of Students of Pharmacy (formerly "S.A. Ph. A."), memberships in Phi Lambda Sigma Pharmacy Leadership Society

and the Order of Omega Greek Leadership Society, serving as teaching assistant in a number of classes, attending numerous and various conventions, and completing an association management rotation with the California Pharmacists Association.

After obtaining my California and Nevada Pharmacy licenses, I went to work for Payless Drugs in 1988, and am currently a manager at the Rancho Pensquitos store. Professionally, I am president-elect of the San Diego County Pharmacists Association, a board member of The Pacific Pharmacy Associates Alumni Association, a preceptor for clinical rotations for the University of the Pacific and the vice-speaker of the house of delegates for the California Pharmacists Association. Last and certainly not least, I am finishing off a term as regent for the Pacific Graduate Chapter.

I am proud to serve as the Grand Ritualist of Kappa Psi, thankful for your confidence in me as evidenced by your casted vote. As a member of the Executive Committee, you will get all that I can give—no less. I believe in being heard and hearing others, not simply foisting my opinions, desires, and convictions on you. Simply showing up, mere appearances will not suffice; judge me by the quality of my work and humble service. Please contact me with your ideas, complaints, recommendations, and views. I'm happy to receive them, and it will be a pleasure to be working together in the future.

involved as possible.

6) Be a good cheerleader, keeping all focused on the attainment of the adopted goals; be a source of both information and inspiration.

7) Remember to thank all who helped you in pursuit of your stated goals; be ready to help others when it is their time to lead.

8) Know when to take leave with grace and let someone else lead. Don't overstay your welcome.

And, for my last word . . . In the future you will certainly have Grand Regents who are smarter; you will probably have Grand Regents who lead you better; but, **you will never have a Grand Regent who has loved serving you more!** Thanking each of you for your trust and support over the years and extending my very best wishes for a Happy Hanukkah, a Merry Christmas, a Prosperous New Year, and all the Blessings of this Holiday Season, I am

Fraternally,  
William R. Smith,

Past Grand Regent Smith pins the Grand Regent's pin on newly-elected Grand Regent Johnny W. Porter.

Grand Ritualist Chris Woo
