Farewell

Paul J. Hiller
Grand Regent

By the time this issue reaches you, the 47th Grand Council Convention will be history - recent history to be sure, but history nonetheless. Hopefully, the fraternity has taken the necessary steps to assure its stability into the next century.

Knowing how swiftly the grapevine operates, you are already aware that there has been a change in your leadership. After 12 years, 6 digit mileage, 52 Province Assemblies, 12 chapter visitations, 2 chapter installation, 36 Executive Committee meetings, 6 anniversary celebrations, 20 exhibits, etc., I have decided to make the transition to Immediate Past Grand Regent. While the leadership has changed, what has not changed is the dedication and commitment of your International Executive Committee.

I ask that each of you, at your 1st Chapter meeting, rededicate yourselves to our four ideals of Industry, Sobriety, Fellowship and High Ideals; and, as you seek to add new members to our Order, that you seek individuals who subscribe to these time honored principles! Good luck to all of you!

On a personal note, a couple of years ago I penned an article for the final work column of THE MASK citing the importance of the Grand Council Deputy to the Chapter and to the Fraternity. In that article I used as a model one of the finest individuals I have known - the former Grand Council Deputy at Beta Omega, Ronald F. Gautieri, PhD. This past May 31st, "Dr. G." was called home to God. News of his passing stunned not only the university community but also his residential community, not to mention his students past and present. You see, Dr. "G" was more than a Grand Council Deputy. He was a mentor, an educator, a friend. While the Kappa Psi guys were special to him, all students were beneficiaries of his guidance, his wisdom, his concern.

In death people tend to say nice things. What made "Dr. G." so special was that people said nice things about him while he was alive! A special man, a special friend! A man who taught us right from wrong, weak from strong! A man who commanded much respect because he gave so much of himself - to his family, his community, his university, his fraternity, his students. And he did it all with a smile! For many of us, after our fathers, Dr. "G" was our role model!

While we are saddened by his passing, all of us who had the pleasure of knowing him have many memorable "Dr. G. stories" to comfort us.

On behalf of all whose lives he touched, I extend heartfelt sympathy to his wife, daughter, mother and brother.

"Dr. G", Requiescat in pace

Fraternally,

Paul

Reflections on BTS

With the long

hot days of summer coming to an end, one begins to think about the approaching autumn days. For me, as a student, I always looked forward to my return to campus life. The friendships I had, the events and functions that I knew were right around the corner and the anticipation of new friends all made my return to campus pleasant.

Johnny Porter

Still, after 20 years (plus or minus one or two) of autumn days after graduation, I still fondly remember those few falls when I returned to campus. I hope each of you is looking forward to your return. The possibility of new friends, forming new bonds, renewing old friendships and even LEARNING something new and exciting can be very alluring. It is my hope that each of you will be blessed with pleasant memories of back to school (BTS).

Kappa Psi still provides me with many great memories of Fall, Friends, Fun and the Future. As you return to school think about what YOU are going to do that will provide you with many golden memories of fall.

Fraternally

Johnny

MASK DEADLINES

Issue	Info to Editor
Fall	7/1/95
Winter	10/1/95
Spring	12/1/95
Summer	3/1/96

To the Editor:

Dear Brothers,

Every so often events happen that profoundly affect each of us. This was the case with the bombing of the Federal Building in Oklahoma City. The following letters demonstrate the depth to which this event touched some of our lives. —JP

Dear Bob:

Kappa Psi is very important to me. As I first heard about what happened in your city, it concerned me a great deal. It is my hope that our brotherhood can come together and help. We have all gone to great lengths to try to help people (school, seminars, volunteering, etc.) Now if our Fraternity can do a little more, maybe we can make a difference!

Please use this small check on behalf of Kappa Psi and donate it to whomever you think can use it the most to help your city try to recover from this disaster.

Thank You Very Much

Your Brother,

David W. Sampedro "Speedy", Gamma Eta

P.S. If there is anything I can do to help, PLEASE do not hesitate to call me!! My hopes and prayers are with your city.

Dear Brother "Speedy" Sampedro:

Your letter of April 20th and check for \$100.00 to be donated to the disaster relief in Oklahoma City were received with immense gratitude.

On behalf of the families of the adult and children victims resulting from the bomb disaster in Oklahoma City, and those who are in pain and suffering, I thank you for your act of kindness and compassion.

We have decided to forward your check to the Salvation Army who has done wonders for the people affected the most. Not only are food and clothing being distributed, but they have established counseling centers to aid the families during their time of grief. Your concern, prayers and wish to do more for the needs of others will bless you throughout your life.

Fraternally,

Bob Magarian, Ph.D., Executive Director

Mr. John Richmond

Regional Executive Vice President

MBNA Marketing Systems, Inc.

16001 N. Dallas Parkway

Dallas, TX 75248-3399

Dear Mr. Richmond:

During last week's bombing disaster here in Oklahoma City, we received a call from Ms. Jennifer Phillips informing us that MBNA Marketing Systems was donating \$10,000 to "Feed the Children," an Oklahoma-based charity, in the name of Kappa Psi.

At the time of the phone call we were in a daze, which we are just now coming out of. I hope we gave Ms. Phillips the impression that we were, at least somewhat coherent.

Your generous offer to "Feed the Children" in the name of Kappa Psi has humbled us. We realize that you could have made the donation without any reference to our organization, and for that, we are thankful and feel your compassion more strongly.

On behalf of the Kappa Psi Executive Committee, the families of the children who died in the blast, for those who carry much pain and the people of Oklahoma, I thank you and your company for this act of kindness and compassion.

I am taking the liberty of informing our membership of this very kind gesture. Thank you and God Bless you and your company.

Sincerely,

Robert A. Magarian, Ph.D.

Executive Director

St. Louis College of Pharmacy

Grand Council Deputy Review

The Fraternity has often referred to the valuable role of the Grand Council Deputy. An appeal has been made to each chapter to supply information about their GCD. Gamma Rho Chapter was the first to submit the form. Please fill out the form sent to your chapter and return it as soon as possible.

Beta Rho Chapter - GCD Dewey D. Garner

The contributions of Dr. Garner are known to most members of our fraternity. He has served as GCD since the spring of 1972 and has held various offices, including Grand Regent, (1979-1983). His latest accomplishment was the authorship of "The History of

Kappa Psi Pharmaceutical Fraternity" published in 1993.

The brothers of Gamma Rho, and all brothers of Kappa Psi, owe a debt of gratitude to Dr. Garner.

Dr. Garner is Chairman of the

Department of Pharmaceutical Administration at the University of Mississippi College of Pharmacy and enjoys playing tennis in his spare time.

Beta Delta Chapter - GCD Rinaldo V. DeNuzzo

Professor Rinaldo V. DeNuzzo has been the GCD at Beta Delta Chapter since 1968. He has attended province and Grand Council Conventions and has been most valuable helping the chapter in financial and legal matters. He serves the Albany College of Pharmacy as Professor of Pharmacy.

Gamma Delta Chapter - GCD James E. Turner

Gamma Delta Chapter at Ohio Northern University in Ada, Ohio has recently elected James E. Turner as their GCD. Serving the university as Student Services Director for the College of Pharmacy, Brother Turner has been very active in helping the brothers with a variety of projects including Rush functions, house improvements, and scholarship. We wish Brother Turner a long tenure as GCD of Gamma Delta Chapter.

Beta Epsilon Chapter - GCD Norman A. Campbell

Norman A. Campbell, Ph.D., has been elected as GCD to Beta Epsilon Chapter at the University of Rhode Island College of Pharmacy. Dr. Campbell, who has also served as grand regent (1972-1974) is an attorney and has been central to

Then and Now

St. Louis College of Pharmacy

In 1860, the St. Louis Pharmaceutical Association appointed a committee to consider the question of establishing a college of pharmacy in the city of St. Louis. Five years later, on January 31, 1865, a teaching faculty was elected, lecture rooms having already been engaged in the Academy of Science building on Clark Avenue. Since then, the College has been located in five different buildings as the need for larger facilities made such moves necessary. Since 1927, the College has occupied the building at Parkview Place and Euclid Avenue.

The College building, classrooms, and laboratories have undergone periodic modernization over the years. From a single building in 1927, the College has continued to expand to meet the needs of its students and graduates. The present College campus consists of four buildings and two

The St. Louis College of Pharmacy building since 1927.

parking lots for its students. The extensive building and remodeling program initiated by the College in 1986 has created a new library, a Student Center, covered walkways, and completely remodeled classrooms and conference rooms.

The new Academic Building at the St. Louis College of Pharmacy

the development of plans which ultimately allowed the fraternity to form the Kappa Psi Pharmaceutical Fraternity Foundation, Inc., a tax-exempt, not-for-profit corporation. Dr. Campbell has been active in all levels of the fraternity and is one of several past grand regents who continue to serve the brotherhood as GCD.

Northeastern University majoring in Health Care Policy.

Beta Psi Chapter -
GCD Alan L. Hanson

Kappa Psi Brothers in Wisconsin have had Dr. Alan L. Hanson as their Grand Council Deputy since September of 1974. Dr. Hanson has assisted the brothers in professional, academic and personal matters. He serves as Professor of Pharmacy, and is active in the Continuing Education Department. He enjoys golf, traveling, gardening and reading.

Delta Zeta Chapter -
GCD Lloyd Matheson

Dr. Lloyd Matheson, Associate Dean at the University of Iowa, College of Pharmacy has served the local chapter since 1978. He is able to help advise the brothers while maintaining a rigorous professional career. When he has time to relax, he enjoys fly fishing, camping and photography.

Gamma Iota Chapter -
GCD Darren Ferer

The State University of New York at Buffalo, Gamma Iota Chapter has recently elected Darren Ferer as GCD. He has already busied himself organizing the 75th Anniversary of the chapter which was founded on January 16, 1921. Brother Ferer is a member of the Buffalo Graduate Chapter and has assisted the brothers at the local and province level.

Mu Chapter -
GCD Douglas J. Pisano

Professor Douglas J. Pisano has been a full-time faculty member at his Alma Mater, Massachusetts College of Pharmacy, since 1984. In addition to his assistance to Mu Chapter, he also has authored numerous professional publications and speaks on a variety of topics to audiences of pharmacy and non-pharmacy professionals. Currently, he is a Doctor of Philosophy Degree Candidate in Law, Policy and Society at

Kappa Psi Notables

Alan Martin (Beta Gamma) was installed recently as the President of the California Pharmacists Association.

Chris Woo (Gamma Nu), former Grand Ritualist, was married in February to Denise Kasey. Groomsmen were Pacific Graduate members Donald Floriddia, Jerome Greene and Ronald DeBellis.

Craig Johnston (Gamma Eta) was elected "President-Elect" of the Montana Academy of Science. Brother Johnston also received the Mershon Award from the Academy for "Montana Researcher of the Year." Also this spring, he was elected AACP Teacher of the Year for the University of Montana.

Rosario J. Mannino (Omega) received the 1994 Rocco Misurell Memorial Award for his distinguished and faithful service to the profession and his outstanding leadership in the profession over the past 57 years.

William Fitzpatrick (Gamma Pi), past Grand Regent was recently elected to his fourth consecutive term as President of the Missouri Board of Pharmacy.

August Danti (Beta Kappa), past Grand Regent was recently named Outstanding Faculty Member for 1994 at Northeast Louisiana University.

David Newell (Beta Chi) was elected to a two year term as Secretary of the Illinois Pharmacists Association.

Michael Glenn (Gamma Pi) was appointed to a term on the Illinois State Board of Pharmacy.

John G. McLaughlin (Gamma Iota) is now President and CEO of Diagnostic Products Corporation, Los Angeles, Calif.

Ralph Heuerman (Beta Lambda) was inducted into the Pharmacy Hall of Honor by the Michigan Pharmacists Association at the Interim Meeting this past February.

Brothers **J. Bruce Laughrey** (Gamma Kappa) and **Salvatore J. Giorgianni** (Gamma) were recently elected to the Board of Directors of The Kappa Psi Pharmaceutical Foundation.

Roswell L. Evans (Gamma Phi) was recently appointed Dean of Auburn's School of Pharmacy.

Richard E. Beck (Gamma Gamma) is the new Executive Vice President of the Arkansas Pharmacists Association.

Roger L. White (Xi) was recently elected a Fellow in the American College of Clinical Pharmacists.

James Doluisio (Beta Omega) was elected the International Pharmacy Federation's Bureau Vice President representing the board of pharmaceutical sciences during the FIP meeting in Lisbon, Portugal.

Brandon L. Maddox (Beta Xi) was recently elected to the national APhA-ASP office of Member-at-Large during the APhA annual meeting in Orlando, Florida. As Member-at-Large, Brandon will serve on the APhA-ASP Executive Committee and as chair of the Publications Committee. Prior to election, Brandon served as Region III Delegate for APhA-ASP.

Kappa Psi International Outstanding Chapter Award

Each year Kappa Psi presents an award to the outstanding chapter of Kappa Psi. This is determined by a lengthy chapter evaluation form and detailed account of the chapter's social, professional and philanthropic activities during the year. The Executive Committee has been notified by the Scholarship and Awards Committee that the following chapters are worthy of such distinction.

Outstanding Collegiate Chapter in Kappa Psi 1994-1995

Gamma Zeta Samford University

Outstanding Collegiate Chapter in Provinces

Province I	Beta Delta, Albany College of Pharmacy
Province II	Beta Kappa, University of Pittsburgh
Province III	Delta Lambda, Campbell University
Province IV	Gamma Zeta, Samford University
Province V	Gamma Delta, Ohio Northern University
Province VII	Gamma Omicron, University of Oklahoma
Province VIII	Epsilon, University of Minnesota
Province IX	Gamma Nu, University of the Pacific
Province X	Gamma Eta, University of Montana

Official Standings for Top 10 Chapters of Kappa Psi

- 1 Gamma Zeta, Samford University
- 2 Delta Lambda, Campbell University
- 3 Gamma Eta, University of Montana
- 4 Gamma Nu, University of the Pacific
- 5 Beta Kappa, University of Pittsburgh
- 6 Epsilon, University of Minnesota
- 7 Gamma Omicron, University of Oklahoma
- 8 Beta Delta, Albany College of Pharmacy
- 9 Beta Rho, University of Mississippi
- 10 Gamma Delta, Ohio Northern University

Ray S. Kelley Scholarship Tray Award

The Ray S. Kelley Scholarship Tray Award is given to the chapter that has the highest grade point average based upon their membership and their school's grading system. The winning chapter receives a replica of the silver scholarship tray and their chapter's name is engraved on the solid silver tray kept in the Central Office. This tray was donated by the Philadelphia Graduate Chapter and has been awarded annually since its inception in 1965.

This year's award winner was **Beta Nu** chapter at Creighton University.

Nicholas Fenney Industry Scholarship Award

This is a new award authorized by the Executive Committee at the request of the Scholarship Committee. This award is to recognize the most improved chapter from the past year according to the ratings achieved on the evaluation for the Outstanding Chapter Awards received this year.

We are proud to announce the first winner of this award will go to two chapters who tied for the most improved rating. The winners are **Beta Kappa** at the University of Pittsburgh and **Beta Psi** at the University of Wisconsin.

Henry Joseph Goeckel Grand Council Scholarship Key Award

The Henry Joseph Goeckel Grand Council Scholarship Key is awarded annually by the Grand Council to a Kappa Psi Brother who graduates with First Honors or who stands highest in the entire class of graduates. This Key is made of 14 kt. gold and is properly engraved and, in addition, a Scholarship Key Certificate accompanies the award. This Key is our oldest award. It was first approved by the Grand Council in 1916. This year we are pleased to award the Key to three Brothers.

Lorraine D. Koontz

LORRAINE D. KOONTZ is a graduate of the University of West Virginia (Beta Eta). She graduated in 1992 from Marshall University Cum Laude with a B.S. in Biology. She was a member of Rho Chi and plans to return to graduate school in the future.

REBECCA KLING KNIGHT is a graduate of the University of Oklahoma (Gamma Omicron). She was a member of Rho Chi, ASP, Phi Kappa Phi, Chi Omega and Alpha Lambda Delta. She was on the President's Honor Roll, Outstanding Senior at OU, the

OU Mosier Scholar and volunteered for the Oklahoma Foundation for the Disabled. She plans to return to graduate school in the future. *(no picture available)*

CHERYL MAE RUST is a graduate of the University of Illinois (Chi). She is a member of Rho Chi and The American Society of Health-Systems Pharmacists. She has received a Walgreens Scholarship, The McNeil Award in Pharmacy Administration, The Rho Chi Prize and The Merck Award. She plans a career in hospital pharmacy with significant clinical activities. *(no picture available)*

Kappa Psi Annual APhA Reception

Grand Regent Hiller

Bill Bunzli

Kappa Psi's Annual APhA Reception was held at the Peabody Hotel in Orlando, Florida on March 19. The Fraternity awarded its highest honor, The Andrew R. Bliss Grand Council Certificate of Appreciation, to Dr. Lawrence Weaver of the University of Minnesota. In addition, the fraternity announced the winners of The Outstanding Chapter Awards. The reception was hosted by Grand Regent Hiller and Executive Director Robert Magarian. In a surprise tribute to Dr. Weaver, four of the past recipients, Dr. James Doluisio, Ray Gosselin, Herbert Carlin and George Griffenhagen, arrived to help honor Dr. Weaver.

meeting on August 9, 1987.*

KAPPA PSI POLICY ON SUBSTANCE ABUSE

BACKGROUND

- ❖ An estimated 18,100,000 adults in the United States have alcohol problems.
- ❖ An estimated 26,800,000 children have alcoholic parents.
- ❖ An estimated 4,600,000 teenagers are alcoholics or alcohol abusers.
- ❖ 1 in 10 drinkers will develop an alcohol problem.
- ❖ 6-10% of high school age students drink on a daily basis.
- ❖ 45-50% of all fatal accidents involve alcohol.
- ❖ 65% of all murders involve alcohol.
- ❖ 35% of all suicides involve alcohol.
- ❖ 80-85% of all college students drink.
- ❖ The single leading cause of death among college-age students is alcohol related.

ALCOHOL

ALCOHOL is the most abused drug in our society and the major drug abused on most college campuses. We are dealing with a major problem in our society and it

has a significant effect on our campuses, national and international organization, and individual chapters. At some point each of us will have to deal or have already dealt with people that have an alcohol problem or with people who live in a family that has experienced an alcohol problem. Alcohol is an accepted social outlet on college campuses and as a result there may be heavy social drinking.

In the past decade, colleges and universities have begun to address the problem-ALCOHOL. Eighty percent of college campuses now have alcohol awareness and education programs available to students. This means that eighty percent of college campuses know that alcohol is a big enough problem to address it by promoting responsible drinking.

Kappa Psi Pharmaceutical Fraternity, a professional fraternity, is also aware of the seriousness of this problem and with the best interests of the Fraternity and its members in mind, the Executive committee of the Grand Council has adopted the following alcohol policy. Kappa Psi chapters are challenged to develop social outlets that do not include alcohol and to implement programs that will educate our members about responsible drinking and risk management.

STATEMENT ON SUBSTANCE ABUSE

Kappa Psi Pharmaceutical Fraternity is chartered to conduct a fraternal organization for the mutual benefit of the members; to advance the profession of Pharmacy, educationally, fraternally, and socially; to instill industry, sobriety, fellowship, and high ideals in its members; and to foster scholarship and pharmaceutical research.

Substance abuse in any form, be it through the abuse of alcohol, the use of illegal substances, or the abuse of controlled substances, is an issue which plagues society as a whole. As such, it has an impact on the Fraternity. Such substance abuse is unconditionally condemned by Kappa Psi Pharmaceutical Fraternity.

The Fraternity is committed to providing members the information needed on which to base attitudes toward the role of alcohol in personal contexts, in group settings and in the practice environment. The Fraternity seeks to be a positive influence in helping members avoid the problems which can be directly linked to the unenlightened use of alcohol and to substance abuse in general.

The Executive committee of Kappa Psi Pharmaceutical Fraternity calls upon the Fraternity's members, collegiate and graduate chapters, to be sensitive and alert to the problems inherent in substance abuse. We request that all fraternity forums discuss the problem of substance abuse, its consequences, and methods to help others, both members and non-members of the Fraternity, recognize and deal effectively with the problem. All members are reminded of their responsibility for the welfare of themselves, their Brothers and others.

SUBSTANCE ABUSE POLICY

ALCOHOL-the basic Standard of the Fraternity provides:

Use of alcoholic beverages by individual members shall be governed by state and/or local laws and university rules and regulations.

In most states, the legal drinking age is, or soon will be, 21. Chapters may not provide the opportunity for underage members to obtain liquor illegally.

An initiated or pledged member misusing alcoholic beverages shall be subject to disciplinary action by the chapter, chapter Executive committee and/or Executive Committee of the Grand Council.

Chapter probation or charter revocation can result if there is flagrant abuse of local, state, or provincial law or university regulations.

The Executive Committee of the Grand Council recommends that the chapter house rules prohibit personal unauthorized storage and /or consumption in the chapter house or suite, or any other recognized chapter facility.

The Executive committee of the Grand Council further discourages the publication of articles, photographs and news items in THE MASK which contain an encouraging reference to alcohol use.

RESOLUTION 8

RESOLUTION 8; Approved by the 43rd G.C.C. on Thursday, August 13, 1987.

RESOLUTION ON ALCOHOL

WHEREAS,

The abuse and misuse of alcoholic beverages has a negative impact on the individual, the group and our society; and

WHEREAS,

Kappa Psi supports the principle of individual freedom and choice, and that the members are responsible for their actions and decisions; and

WHEREAS,

The actions of individual members affect the chapter, the college/university, the Fraternity and the Greek system in general; and

WHEREAS,

Liability insurance availability decreases and such insurance may become unobtainable as a result of damages, costs, or lawsuits resulting from the unlawful use of alcohol.

THEREFORE, BE IT RESOLVED THAT:

1. The possession, sale, use and/or consumption of alcoholic beverages during a Fraternity event, or in any activity sponsored by Kappa Psi, be in compliance with any and all legal permits under the regulation of sale and use laws of the local jurisdiction, state or province and university.

THINGS THAT WILL GET YOU IN TROUBLE

SUPPLYING THE ALCOHOL

OPEN PARTIES WHERE ANYONE CAN ENTER. THIS INCLUDES CO-SPONSORSHIP OF EVENTS AT BARS WHERE ANYONE CAN COME IN.

INFORMAL PARTIES WITH ALCOHOL WHERE MOST GUESTS ARE MEMBERS OR COULD BE PERCEIVED AS A FRATERNITY EVENT.

UNCONTROLLABLE MEMBERS OR GUESTS WHO CAUSE DAMAGE TO THEMSELVES OR OTHERS.

SERVING ANYONE UNDERAGE, OR CREATING AN ENVIRONMENT WHERE UNDERAGE PEOPLE HAVE EASY ACCESS TO ALCOHOL.

BREAKING ANY UNIVERSITY POLICIES.

FAILING TO DETER IMPAIRED DRIVING.

ALLOWING INTOXICATED PEOPLE TO KEEP DRINKING.

FAILING TO TAKE CARE OF PEOPLE WHO HAVE OVER-CONSUMED.

NOT CONFRONTING PRESENCE OF ILLEGAL DRUGS.

FORMING TRADITIONS THAT INVOLVE ALCOHOL.

INCLUDING ALCOHOL IN THE NEW MEMBER RECRUITMENT OR EDUCATION PROCESS.

TOLERATING HAZING OF ANY DEGREE.

A SHODDY, UNKEMPT HOUSE, FORMAL OR INFORMAL.

THINKING YOU ARE IMMUNE FROM A LAWSUIT AND FAILING TO MANAGE YOUR FRATERNITY'S RISK!

T.J. Sullivan, BACCUS and GAMMA, 303-871-3068.

2. Each member be instructed in the drinking age laws, regulations of sale and/or use laws and any other laws such as implied consent and host liquor liability, and Fraternity policies related to the use of alcohol.

3. Moderation be encouraged during lawful consumption of alcohol.

4. All members respect others' decisions not to use alcohol; alternative, nonalcoholic beverages be made available to those who choose to use them.

5. Each member be encouraged to make responsible decisions considering the impact of their actions on the individual chapter, the Fraternity and the Greek-letter movement.

6. Alcohol awareness and responsibility be made a part of local, province, and international leadership training sessions and publications.

7. All alumni, especially those who work with collegiate chapters, be encouraged to take training in alcohol awareness and be a positive role model for the collegiate members by their responsible use of alcohol.

CHAPTER ALCOHOL POLICY

The following is an example of a chapter's alcohol policy. The policy may be approved by the chapter and administered by the Social Committee. Any infractions would be directed to the Regent and the Judiciary Committee. The policy, again, is an example. Kappa Psi chapters may establish a policy to meet the needs of their own situation.

1. The chapter will not buy or serve alcohol for any of its functions.
2. The chapter will provide non-alcohol beverages and snacks at all social functions.
3. Care for your Brothers. Either directly or through peer pressure, discourage Brothers that have a problem with alcohol from overindulging.
4. Don't let others drive if they have had too much to drink.
5. Arrange transportation for those who shouldn't be driving.
6. If any damage is done as a result of an individual's intoxication or any other reason, it is the individual's responsibility to make any necessary repairs, restoration, and/or restitution.
7. Open alcohol will not be allowed on any organized traveling function unless chartered traveling services are acquired.
8. Social events should revolve around something besides alcohol. Alcohol is not the important aspect of a party.

Executive Committee General Policy Number 88-1

SUBJECT: HAZING

1. Hazing is defined by the Kappa Psi Pharmaceutical Fraternity as any physical or mental harassment. Specifically, hazing includes but is not limited to the following:

- A. Any form of forced physical exercise.
- B. Any activity that might reasonably be expected to cause embarrassment or psychological harm to the individual.
- C. Any activity that might reasonably be expected to bring physical harm to the individual.
- D. Any activity that might reasonably be expected to degrade or otherwise compromise the dignity of the individual.
- E. Any activity that might reasonably be expected to require an unreasonable or inordinate amount of the individual's time, or in any manner impair the individual's academic efforts.
- F. Any activity that might reasonably be expected to make the individual an object of ridicule.

G. The required consumption of any liquid or solid matter, or

H. Any requirement which compels an individual to participate in any activity which is illegal or contrary to the individual's genuine moral and/or religious beliefs or contrary to the rules and regulations of the educational institution.

2. All acts of hazing by a chapter or any of its members or alumni are specifically forbidden. Any international officer, chapter officer, Grand Council Deputy, Chapter Member, or Alumnus who has knowledge of any incident which violates the hazing policy should within forty-eight (48) hours, notify the Grand Regent of the incident with details of the incident stating which part of the hazing policy was violated.

3. The Grand Regent will, within five (5) days of the reporting, appoint an investigating officer to make a full and complete report including a list of charges and or violations of this policy and the names of the chapter officers and or members alleged to be involved in the incident. The involved person, persons or chapter will be notified and be required to attend in person or respond in writing to a "show cause" hearing within ten (10) days of notification to explain the alleged violations of the policy and to give reasons why any or all of the following sanctions should not be recommended to the Dean of the College of Pharmacy of the University for implementation. The Executive Director shall then prepare a full and complete report to the Executive Committee. If after careful review of the violations and the responses of the accused, the Executive Committee finds the allegations to be true and substantially verified, the Executive Committee may recommend to the Dean of the College of Pharmacy of the University any or all of the following sanctions for his consideration.

A. Resignation of the Regent and the Pledge educator from their respective offices in Kappa Psi. The Grand Regent, in consultation with the Grand Counsel Deputy, will appoint a member to assume the offices vacated.

B. Placing of Regent and Pledge educator on social probation which would be governed by the policy of the university involved.

C. Placing on social probation the individual members involved in the actual hazing which is governed by the policy of the university involved.

D. Suspension of the involved persons from

the College of Pharmacy or University.

E. Expulsion of the involved persons from the Fraternity.

F. A written education program for the membership on hazing shall be submitted to the Fraternity and the Dean of the College of Pharmacy within thirty (30) days of the investigation.

G. Disqualification from any and all awards for the involved persons during the current school year.

H. Suspension of the Chapter from the College of University activities.

I. Suspension of rights to pledge and initiate new members.

J. Requirement of chapter of involved persons to sponsor or perform community service.

K. Requirement of chapter to conduct anti-hazing workshops on campus.

L. Require all members to sign a copy of the national hazing policy.

Once sanctions have been imposed by the Dean, the Chapter shall be considered on probation for a period of not less than one (1) year. Any further violation of this policy or the imposed sanctions placed upon the responsible parties may result in the revocation of the chapter's charter by the Executive Committee.

4. Implementation. This Executive Committee Policy on Hazing shall be distributed to each and every active Chapter in Kappa Psi Pharmaceutical Fraternity. The policy shall be sent to the Regent and Grand Council Deputy with the expectation that at the next regular meeting the policy will be read out loud to the officers and brothers of the chapter. Each Chapter Regent will be required to submit a copy of the policy signed by the Grand Council Deputy and the Regent attesting to the fact that this policy has been read to the membership of their chapter.

BETA XI

University of North Carolina

The 1995 Spring semester was very productive as well as rewarding for the Brothers of Beta Xi. We inducted seven new Brothers who worked very hard during their pledge semester thus earning the status of our Brotherhood. Initiates include: **Pete Henkel, Kevin Mewborn, Adam Ripley, Jason Sharpe, Chris Sugg, Jeff Teal, and Aaron Wright.** Congratulations to our new Kappa Psi Brothers!

This summer we held our Annual Summer Party. It was a time when all the current Brothers, as well as alumni, came together to spend an exciting day. We had a cook-out and participated in many sporting events including basketball, volleyball, horseshoes, and other recreational activities. Also, we had four Brothers attend the Grand Council Convention in August, two of whom hold offices in our Province.

Presently we have several Brothers holding positions in our Pharmacy School, including President, Brandon Maddox, Vice-President, Jason Lynn, and Treasurer, Heath P. Dobson. Brandon Maddox also was elected member-at-large for ASP during the National Convention.

Currently, we are in the process of planning the Fall rush events, as well as our Alumni Weekend scheduled for October 21st. Fortunately, this event happens to coincide with our house's 25th Anniversary. We are all looking forward to this exciting weekend which will be filled with lots of memories, past and present. With everyone's support, this upcoming Fall semester will once again be productive and exciting.

-Effie Retsios

PSI

University of Tennessee

We certainly had a very eventful close to spring. We sponsored an Easter Egg Hunt for the daycare children at Porter Leath Children's Home.

- Anita Airee

We had fun watching children of all ages madly scramble about seeing who could get the most eggs. Psi Chapter loved the fellowship and this opportunity to serve our community. Thanks to all who attended.

Towards the end of the year we had two more Burgers in the Park fundraisers which were nice ways to wind down the year and get outside and enjoy the long awaited warm weather. It was quite a success and we've been looking for more good ideas for fundraisers to raise money for the house.

Spring Social this year was held at the Palm Court in Overton Square. Highlights included the P-3 roast, slideshow, and announcement of new officers. We discovered many secrets about our fellow Brothers at this roast and even crowned our own "Miss America." The new officers announced are as follows: Regent: Ricky Holford; Vice Regents: Jamie Loeffel, David Ketchum; Recording Secretary: Rebecca Day; Corresponding Secretary: Shelly Reed; Treasurer: Cindy Orr; Historians: Anna Patrick, Anita Airee; Chaplain: Clara Nicholson; Social Chairs: Kelley Marshall, Jenny Kail; Rush Chairman: Donna Smith; Athletic Director: Richie Osborne; Sgt.-at-Arms: Bill Summirell; Alumni Liaison: Heather Smith.

Induction and the passing of the baton took place at the house several days later.

New Regent Ricky Holford and Rush Chair Donna Smith began almost immediately planning events for this fall's rush and Province which will be held in Memphis this year. With 105 incoming students this year, it truly will be the biggest rush in our history.

We closed the year with a Toga Party in May. Members donned their 180 thread count and downed their 180 proof (just exaggerating . . . a little) Psi Punch. And here's a clue for those of you coming to Province in Memphis this fall . . . bring sheets! Yes, you may need them! After all, it's much too warm in Memphis in August to wear clothes.

Beta Xi getting ready for "The Tunnel Party."

*Psi Chapter would like to extend our heartfelt sympathy to our Brothers in Oklahoma City. Our hearts go out to you. We hope that none of you had loved ones involved in the bombing. If you did, you have our deepest sympathy. We hope that healing comes quickly to your community.

PROVINCE VIII

The Province VIII spring conclave meeting was held March 31-April 1 in Omaha, Neb. A big thank you to Beta Nu for all of their hard work in making the weekend a lot of fun. Special thanks to Brian Reisetter (Grand Ritualist), Tim Ely (Collegiate Member-at-Large), Mike Graubart (Province Grad), Jenny Donaldson (Cincinnati Grad), Jamie McIntyre (Beta Psi), Jen Krznorick (Beta Psi), Steph Baird (Beta Psi), David Donley (Indiana Grad) and Ryan Kroner (Pi) for attending and helping Province VIII reactivate Gamma Epsilon and welcome our new brothers.

The weekend began Friday night with the Summer of '69 party and tie dye as far as the eye could see. Saturday morning then came with a full agenda at the meeting. A committee was established to work on helping new graduates keep active in Kappa Psi. Sean Higgins is chair of the committee that will be working to develop a plan whereby new grads would be put in

Beta Xi Brothers hard at work at Healthcare.

touch with graduate chapters or Province Satraps in the area where they will be living. The Graduate Development Committee (a.k.a. The Peanut Gallery) has been busy working on a number of items including the Golden Peanut Award to be given to the chapter presenting the best chapter report. Beta Chi is the first winner of this great honor. Changes were made in the Province By-laws to reimburse the GCC delegate the actual cost of their airfare and registration fee. Each chapter also announced the amount of money they made for our annual fundraiser for the Juvenile Diabetes Foundation. Further discussion was held regarding the Province-wide fundraiser, and The Make a Wish Foundation was chosen as our new charity for next year. Elections were held for delegate to GCC. Congratu-

Psi Chapter's Tom Buss at the annual Easter Egg Hunt for Porter Leath Children's Home.

New initiates from recently reactivated Gamma Epsilon.

lations to Ann Nelso (Epsilon) - Province delegate and Renee Rennebaum - Alternate delegate. Elections for Satrap, Historian and Chaplin will be held at the fall meeting.

The afternoon then continued with a special added event. Thanks to the hard work of Beta Nu and Wayne Walls, Province VIII now has some new members in Omaha. Gamma Epsilon was reactivated at the spring meeting and several new pledges were initiated and welcomed to the Province. Welcome back aboard to Gamma Epsilon and special thanks to Beta Nu for all of their support and hard work.

The weekend came to an end with our banquet followed by a '70s party where the brothers grooved the night away in their favorite polyester outfits.

On a final note, congratulations go to the brothers of Beta Chi who took the traveling trophy for having the most brothers in attendance at the meeting. We are eagerly awaiting our next province meeting

hosted by Beta Chi on November 3-5 in Des Moines, Iowa. Hope to see you there!

- Christy Askew

GAMMA SIGMA *University of Florida*

As the dawn of a new school year rises in these last days of summer, we take time to briefly reflect on the past. Over the last year, Gamma Sigma has made many new friends, as well as organized and participated in many interesting activities. Members of our chapter were involved in all aspects of campus life, from ASP/APhA to revamping the curriculum. Most importantly, we gave back to the community - we built houses, gave food to the hungry, raised money for sick children and gave a myriad of lectures ranging from AIDS to Skin Cancer. We are a dedicated assortment of individuals working together toward maintaining our High Ideals. Our chapter's commitment to excellence was even apparent at the Annual Spring Awards Banquet as one third of the awards went to members of Kappa Psi. We at Gamma Sigma take great pleasure in knowing that Kappa Psi has made a positive impact on the students and faculty at the University of Florida.

Our congratulations go out to the following Brothers as they step into their roles of chapter officers.

'95-'96 Officers: Regent: Bill Ratner, Vice Regent: John Seibold; Treasurer: Joe Sears; Recording Secretary: Adam Clark; Corresponding Secretary: John O'Brien; Historian: Michelle Traficante;

Sgt.-at-Arms: Nhien Tran; Chaplain: Jim Huff; Student Council Representative: Bill Wasserman; Pledge Master: Brady Williams; Assistant Pledge Master: Sean Klicker; Little Sister Coordinator: Anthony Pepe.

Gamma Sigma would also like to introduce our newest Little Sisters: Jean Finnman, Wendy Herman, Monica Jones, Donna Kurdupski, Kristina Lampe, Dina Longabardi, Gina Lombard, Cindy Martin, Patricia McAllister, Heather Pegram, Meryl Robinson, Petra Schultz, Sandy Scott, Michelle Schwebel, Kim Sprenkle, and Alev Tugcu.

Congratulations go out to the Little Sister officers: President: Shanon Lees; Rush Chair: Amy Hackett; and Assistant Rush Chair: Gina Lombard.

Our biggest support comes from the involvement of our little sisters; without them, our chapter would not be as strong as it is today. These women have already demonstrated their strong commitment to Kappa Psi by their spirited involvement in many of our community projects and fundraisers. We look forward to working with them as we continue to promote Kappa Psi as leaders in the community.

We will start off the Fall semester running. Brother Anthony Pepe worked diligently over the summer to set up the first Kappa Psi 10K Fun Run. It should be a great event to kick off a very busy semester. Some of the other activities we have planned are: the Annual Socials, the Margaritaville and Halloween parties, a Thanksgiving Food Drive, Rush, and Habitat for Humanities.

There is one particular event we are really looking forward to - Province. As this year's host, we would like to extend a warm welcome to our brothers in Province IV. We hope to see all of you in January. We will keep you posted as to the events/activities.

We hope everyone had a great summer and look forward to seeing you in Gainesville.

- Michelle Traficante

BETA PSI

University of Wisconsin

It has been an exciting close to a great year for the Beta Psi chapter. We had the opportunity to welcome two new Brothers to our chapter: Sara Buckman and Michelle Genet. We are sure they will be excellent additions to Kappa Psi. At the spring banquet, we were able to celebrate having Sara and Michelle in our fraternity, as well as recognize the achievements of our Brothers. Congratulations to Jason Collard for receiving the Beta Psi Senior Award, and to Lori Hammes for the Outstanding Service award.

Soon after the banquet, it was time for our semi-annual "fun bus." Thank you to the Brothers from other chapters for making the trip to join us. We hope to see all of you for fun bus in fall. The next day, we took part in a fundraiser for the Big Brothers/Big Sisters program with the Phi Delta Chi chapter. "Bowling for Kids' Sake" was a great time, and we look forward to doing it again next year.

In May we held our final meeting of the year, where new officers were sworn in. They are: Regent: Cheryl Wozniak; Vice Regent: Jon Smith; Secretary: Jennifer Berrens; Treasurer: Dana Malueg; Chaplain: Brian Mihelich; Social Chair: Jon Strom; Historian: Jenni Krznarich; Fundraising Chair: Diane Laatsch; Sgt.-at-Arms: Michelle Genet; Co-Professional Chairs: Sara Buckman and Jill Hoffmann; Rush Chair: Kim Albert; Parliamentarian: Tony Matznick; Student Senate Representative: Todd Matti; Publications and Alumni Relations: Julie Graper.

We would like to congratulate the recent graduates of pharmacy school, and wish them the best of luck in their careers. They will be missed, but we hope to see them often!

We welcome everyone to visit us here in Wisconsin. Give us a call - (608) 257-4292 or (608) 257-4293. We'd love to hear from you!

- Julie Graper

GAMMA EPSILON

University of Nebraska

Gamma Epsilon is back! We are all very excited and proud of the recent reactivation of our chapter at University of Nebraska Medical Center. Upon successful completion of the pledge period, on April 1st, we became initiated at the regional Conclave by the national and the Beta Nu officers.

A special thanks goes to Mark Harris, Renee Runnebaum, Phil Kuper, Michael Scotto Di Lumbo, and all the other Beta Nu Brothers of Creighton University who dedicated their time and effort in organizing and coordinating the interrogations. The brotherhood spirit and ideal was well displayed by the Beta Nu Brothers and it will serve as a framework for our chapter. We also would like to take this opportunity to thank Dr. Ueda, Dr. Roche, Dr. Pederson, Mr. Hospodka, Wayne Walls, and all the other faculty, Brothers of UNMC and Creighton University for their guidance and support. Thanks for having faith in us; we couldn't have done it without you guys!

Elections were held shortly after the initiation and here are the 1995-'96 officers: Regent: Chad Wiegand; First Vice-Regent: Kevin Boyles; Second Vice-Regent: Kim Kraenow; Secretary: David Dyer; Treasurer: Christine Abraham; Historian: Mina Shakhkarami; Chaplain: Joseph SchAAF; Sgt-at-Arms: Clint Williams.

Congratulations to all the new officers of Gamma Epsilon! Our officers will be eagerly planning and organiz-

ing numerous events, as well as initiating great Brothers. We are eight members strong with a tremendous amount of energy ready to face and move through the challenges of this upcoming school year. Our goal is to extend the quality of our chapter and to strive for higher ideals. Meanwhile, we would like to become involved with other chapters. Hope everyone enjoyed the summer and is pumped up for another year of hard work.

- Mina Shakhkarami

NU

University of Connecticut

First we would like to send out several congratulations. Congratulations to all of our 1995 graduates: Brothers Dan Aja, Quoc Bui, Dan Gleason, Rob Fischer, Dave Keighley, Rick Kerr, Mike Rasinski, and Mark Synol. Nu chapter acknowledges their hard work and their contributions to the chapter. We wish them good luck in the future. Good luck, guys! Also, every year several scholarships in the name of graduate Brother John Basile are given to the most outstanding contributors to Kappa Psi and to the chapter. This year we would like to congratulate Mark Cox and Todd DeGroff, the recipients of the 1995 John Basile Scholarships. Lastly, we would like to congratulate our newest Brothers, Ray Thompson and Abdollah Yaylagul, and thank them for a great pledge period and their hard work. Welcome to Kappa Psi.

In this past year Nu Chapter has been very successful with several community projects. We have had a successful

canned food drive for the homeless of the nearby community. In coordination with Province I, we were able to raise funds for the MDA through Shamrock sales. Most recently, Nu Chapter is working on a golf tournament to be held in the fall, with the proceeds going to The Children's Miracle Network.

I would like to thank all of the Brothers of Nu Chapter for their loyalty to each other and to Kappa Psi. This has been a great year so far. All of the parties and activities were excellent. Keep up the good work!

To all of the chapters of Province I, thanks for all of the parties and invitations. We always appreciate a good party.

- Mark Cox

MU

Massachusetts College of Pharmacy

During the fall of 1994, we held our first professional project, our Kappa Psi Blood Drive. This past fall, we received and donated 50 pints of blood. In the spring, we held the blood drive once again on May 10.

At the beginning of the year, we sold Massachusetts College of Pharmacy t-shirts. We sold three different kinds and made \$230!

For Christmas, we held a raffle which consisted of a basket with a bunch of school supplies, t-shirts and stocking stuffers. We gained about \$100 from this raffle.

We currently have two Brothers in Student Government at M.C.P.

During rush, we held a "Buy a Shamrock for Muscular Dystrophy Sale," and sold

\$100 worth of shamrocks.

After spring break, we held pledging and initiated four new Brothers. During pledging we held our 10th annual Kappa Psi Gong Show in which the whole school participated.

We ended our year with a final function, the Smoker, held at the Airport Hilton in Boston. New officers were inducted and graduate and active Brothers got together and had a good time.

- Todd P. Mathews

BETA NU

Creighton University

Spring semester flew by for the Beta Nu brothers. Province VIII's Spring Conclave, which we hosted here in Omaha, turned out to be a big success. Everyone had a great time. The Gamma Epsilon chapter at the University of Nebraska Medical Center was reactivated with the initiation of the pledges at Conclave. Mark Harris was recognized for all the time, effort, and leadership he put into the Gamma Epsilon pledg-

ing period. Ranee Runnenbaum was also recognized for all of her work in the organization of Conclave. Guest speakers were Dr. Craig Pederson, who spoke on pharmacoeconomics and Dr. Michael Makoid who spoke on brotherhood. The Beta Nu Chapter would like to thank all Kappa Psi Brothers that helped out with Conclave and the initiation.

Elections were held late April. The new officers hope to contribute much to Beta Nu and are looking forward to fall pledging. Congratulations to new officers: Regent: Phil Kuper; 1st Vice Regent: Maya Leicht; 2nd Vice Regent: Jennifer Spellman; Secretary: Stell Salac; Treasurer: Darla Schoo; Parliamentarian: Missy Burns; Sgt.-at-Arms: Mark Harris; Historian: Jill Hoppe; Chaplain: Ben Perez. Missy Burns and Jennifer Spellman will be the new coordinators of Poison Prevention, a committee in which the Beta Nu Brothers have the opportunity to educate grade school age children about drugs and medication. Several other members will help in organizing the annual golf tournament planned for the fall semester.

Our spring banquet was held at Mr. C's in Omaha. We were excited and pleased to have Tony Palmieri as a guest Brother at the banquet. The Asklepios Key for excellence in academics and outstanding contribution to the fraternity was presented to Mark Harris. Mark also received the Kappa

Psi scholarship. Congratulations to all other Beta Nu scholarship recipients and graduates. Good work on your phenomenal achievements in academics! Outstanding pledge of the year went to Kelly Hostetter. Dr. Michael Makoid appointed Dr. Craig Pedersen as our new Grand Council Deputy. The Beta Nu Brothers all wish to extend sincere gratitude to Dr. Makoid for his dedication, patience, and loyalty to the Beta Nu Chapter. We are looking forward to working with Dr. Pedersen and hope for another prosperous year.

- Jill Hoppe

MINNESOTA GRADUATE CHAPTER

Spring has been a busy season for the Grad Chapter. It began with the Province VIII assembly in Omaha. We were proud to be part of the reactivation of Gamma Epsilon. Congratulations and welcome to the Province! Our next event was the annual trip with Epsilon to Breezy Point Resort in Brainerd, Minn. It was a fun weekend of golf and brotherhood.

At our spring meeting in May, we elected new officers. They are as follows: Regent: Chrisann Rauzi; Vice Regent: Dawn Harris Erdman; Secretary/Treasurer: Christy Askew; Historian: Alan Reither; Social Chair: Helen Baker; Chaplain: Brenda Rippentrop; Scholarship Chairperson: Mary Schroeder.

Our summer events included a "night at the races," and our annual Grad Chapter picnic. We also distributed an issue of our semi-annual newsletter to our Minnesota graduates. This fall we hope to hold a homecoming event with Epsilon Chapter.

Congratulations to all who graduated this spring and good luck in your new careers. We encourage you to become a member of a graduate chapter, even if there isn't one in your area. Kappa Psi continues to be a rewarding experience, even after graduation.

- Chrisann Rauzi

PROVINCE VII

The Brothers of Province VII met this April in the home of our country's President. The Brothers of Gamma Omega Chapter at the University of Arkansas hosted this year's Annual Assembly at the Holiday Inn in West Little Rock. A total of 182 Kappa Psi members were present to decide matters at hand and to celebrate our fraternity.

Grand Officers able to be in attendance were Grand Regent Paul Hiller, Vice Regent John Grossomanides, Past Grand Regent/MASK Editor Johnny Porter, Grand Historian Emeritus Dr. Dewey Garner, Grand Historian Dr. Leonard Nager and Executive Director Dr. Bob Magarian. Our thanks to them for taking time out of their schedules to share the assembly with us.

Two new officers were elected this year. Our newly installed Vice Satrap of Province VII is Eric Muser of Gamma Pi Chapter to replace Kam McMillon. Alison Palmer, also of Gamma Pi Chapter, was sworn in to the office of Province VII Historian. Province VII also elected two alternate delegates, Dwight Paulson and Chris Brown. Congratulations to all of these fine Brothers; we wish them wisdom in their leadership.

At the closing banquet, Satrap Dunson presented a check for \$1800 made out to the Make a Wish Foundation to the lovely "Noelle" (we thought seriously about making this a yearly donation). This year, Province VII chapters are raising money for the American Diabetic Association and striving to include the ADA ("diabetic," not "dental") in community service projects.

Gamma Pi swept the awards for both Chapter of the Year and Man-Miles this year and is setting a standard in brotherhood (they also donated their travel allowance to Gamma Omega in order for those brothers to visit St. Louis for Spring Formal since Gamma Omega spent all of their cash hosting province).

Two chapters that also deserve recognition are Delta Eta at Xavier University which

returned to the province level with enthusiasm (Welcome Back!) after a two year absence, and Gamma Omega at the University of Arkansas, which was all but non-existent on the province level two years ago and came back to host a very successful assembly this year.

The Time and Place Committee settled on St. Louis as the site of our 1996 Annual Meeting; the host chapter will be Gamma Pi for their 50th Anniversary. We look forward to this meeting as these Brothers continue to be one of our strongest chapters.

Province VII will have a mid-year meeting August 25th and 26th, which will be hosted by Psi Chapter at the University of Tennessee in Memphis. Please contact Ricky Holford, Regent of Psi Chapter at (901) 527-0008 for details.

- Wesley Cowell

GAMMA PI

St. Louis College of Pharmacy

Gamma Pi had experienced a fairly uneventful ending to the school year after the Province VII assembly in Little Rock, with the Spring Formal as its main highlight. The formal was held on April 21 at the Lemp Mansion in St. Louis. The evening began with a social hour followed with dinner and then with an evening of dancing and socializing. We appreciated and enjoyed the company of the several chapters that came up to enjoy the evening with us. On the following day, April 22, a dozen brothers arose especially early to help participate with the teenage athletes in Special Olympics. The Special Olympics was the organization that Province VII chose to support this past year and we were just doing an activity with them to show our support. The brothers acted as "buddies" to the athletes by helping them get to their respective events at the appropriate times throughout the day. It was a lot of fun and we recommend it to everyone.

At first glance the summer looked quiet, but Gamma Pi

planned a fun-filled weekend on July 14-16. On July 14, Gamma Pi Brothers met for their annual summer meeting. It was held at the house and many hours of fun, sun, swimming, and meeting were had. This night was a special one for some lucky person because a big screen television was raffled off. Gamma Pi had a raffle ticket sale with the first prize being a big screen (52") television, second prize of \$300, and third prize of \$200 - a portion of the proceeds will go to the American Diabetes Association. You would think that the possibility of winning a television was the climax of the weekend, but on July 15 and 16, many brothers went on a KΨ Graduate float trip.

Unfortunately, after GCC the summer began winding down and it was time to go back to classes. However, before that happened we helped the first year students move into the dorm (always a good rushing tactic) and had our graduate Pig Roast on August 27. Another important date is the Beginning of the Year Party that is to be held on Sept. 5; by that time we'll all be ready for a time to kick back and enjoy a good time with the start of the new school year.

As hectic or as quiet as the summer will be, we would like to congratulate Brothers Pete Phillips and Mr. and Mrs. Paul Hueseman on their marriages. With that final note, it's time for us to call it a "good-bye" from St. Louis.

- David Hawkins

ST LOUIS GRADUATE CHAPTER

The St. Louis Graduate Chapter has been very busy over the past few months. Starting with our graduate meeting in April at our house overlooking the mighty Mississippi River, we outlined plans for this coming year. The main topic of conversation was the Province VII convention that St. Louis will be hosting in 1996. This convention promises to be very exciting since it will be held in conjunction with the Gamma Pi 50th

Anniversary. These two events will surely bring out the best of both collegiate and graduate brotherhood, as we will be able to learn from the graduates of the past 50 years. The collegiates planning Province have presented us with the itinerary already. They are really on the ball and I would like to congratulate them thus far!

Other events planned include our annual Float Trip on July 15th. This will once again be a terrific time as we float down the Meramec River, cook out, camp, and have an awesome time. A Cardinal's baseball game was again suggested but nothing was set in stone. I guess the strike did have a negative impact on the fans. We did plan our annual Pig Roast for Sunday, August 27th at the Gamma Pi house. This weekend will surely be a busy one for those of us traveling to Memphis for Province VII Mid-Year, which is the 25th-26th of August.

As you can see, we here in St. Louis have a busy year planned as we prepare for Province and our 50th Anniversary here in March. There are many fundraisers and planning meetings that must occur between now and then, but I've got faith in the collegiates to pull together and go the extra mile!

Well, that's it for now but if you have any questions about any of our activities, please call me at 314-773-7647.

- Brian Allison

POCONO GRADUATE

The annual spring meeting of the Pocono Graduate Chapter was held April 30th and I'm happy to report we are alive and still kicking and as strong as ever. Topics discussed were the 47th GCC and we were proud to have a knowledgeable group of graduate Brothers and families in attendance. Also, Pocono Grad is currently in dialogue with the local university in Wilkes Barr, Penn., about establishing a new collegiate chapter. Many members ordered golf shirts with a sewn-on KΨ logo designed by our own graduate Brother Paul "Calvin Klein" Hiller. We now know that after his tenure, your Grand Regent will be in his profession as a traveling salesman selling these shirts and other KΨ items out of the back of his jeep. His prices aren't bad either.

On a sad note, we at Pocono Grad lost a very influential person who was instrumental in shaping our future as pharmacists and adults. Dr. Ronald Gautieri, Beta Epsilon at Rhode Island, head of the Pharmacology Department at Temple, passed away this spring. He was an adviser to Beta Omega at Temple and was not only a Brother and friend, but someone we all looked to for advice, not only for fraternity matters, but life in general. He was also involved at the international level with the GCC Dr. Gautieri

was one of those extraordinary people who enters your life that you never forget. He is survived by his wife, daughter, mother and brother.

Pocono Graduate Chapter was also honored at the 47th GCC Convention by having former Beta Omega Regent and currently Dean of University of Texas, School of Pharmacy, James Doluisio, give the keynote speech.

Before I close, I have a personal thought I must share with you. I don't know how many people read these chapter reports but this is about your Past Grand Regent Paul J. Hiller. Paul and I have known each other "holy cow" about 25 years and little did anyone think when this "young pup" first laid his feet at Beta Omega, 1247 W. Allegheny Ave., Phil., about the path he would take to serve Kappa Psi and be your Grand Regent. I see him away from the main business of KΨ, like in our pharmacy bowling league (but don't ask him this year who had the higher average) or our local jaunts to the donut shop and he still has the spirit and enthusiasm of Kappa Psi and life as he did when he was first introduced to the Brothers of Beta Omega. Little did we know then where he would fit in the KΨ tradition; he puts his heart and soul into KΨ as he does into life and that's why we were blessed to have him as our Grand Regent. But to someone like myself who has known him as long as I have, he is a friend and a regular

ABOVE LEFT: Charles Carden, Editor Porter and Grand Historian Naeger at Province VII Banquet.

ABOVE RIGHT: Mrs. Leonard Naeger, Mrs. Dewey Garner and Grand Historian Emeritus Garner at Province VII.

The Kappa Psi E-Mail Directory is now available on the WWW. The URL is "www.vive.com/connect/psi/kyaddress.htm".

If any brother wants to add their e-mail address, they can do so from that page. I plan to update the page at least weekly, depending on how much response we get.

E. Ben Welch, KΨ Webmaster

Beta Gamma and Gamma Upsilon Brothers enjoying dinner on Pier 39 at the Province IX Assembly.

guy and that's what makes him special. Amen.

- Paul J. Kanjorski

GAMMA IOTA

State University of New York at Buffalo

The Brothers of Gamma Iota finished off the 1994-95 school year with a banquet to honor both the graduating Brothers as well as those who will be returning to U.B. in the fall. A good time was had by all in attendance. Awards were given out for academic achievement, brotherhood, and service, as well as for humorous occurrences during the school year. Best wishes follow the Brothers who will be moving on to graduate school and employment, and special congratulations go out to our main award winners: Jennifer Arnorne, J. J. Sidoti, and Michael Kotlyar.

Elections were held, and the following are our new officers: Regent: Anne-Marie Sermak; First Vice-Regent: Michael Cooper; Second Vice-Regent: Christina Schulz; Treasurer: Christine McDermott; Recording Secretary: Tracy Olson; Corresponding Secretary: John DeAngelis; Historian: Michelle Bower; Sgts.-at-Arms: Sheila Dadlani, Nan Zhao; Chaplain: Gretchen

Heister; Pledgemaster: Bridget Walsh. Congratulations and good luck in the following year!

During the spring semester, Brothers took part in U.B.'s 11th annual mud volleyball tournament, Oozfest. Also in attendance was Jason Rawlins, a Brother from Gamma Delta chapter in Ada, Ohio. Glad he could join us! It was cold (only about 45 degrees) and drizzly, but we managed to pull out a win in the first round. Of course, we lost in the second round, but that win in the first round was really more than we had expected!

In the late summer, we are planning a weekend trip to Darien Lake Amusement Park. It should be fun! Also, we are trying to take part in the "Adopt a Highway" Program in the Buffalo area, but due to demand, it may be a while before we can actually take part. We are also planning a few blood drives during the fall semester to make our chapter more visible on campus. Throughout the summer, we are meeting to work out a new pledging program so that the fall semester will be more manageable.

- Michelle Bower

PROVINCE IX

Greetings from Province IX! The 1995 Province IX Assembly was held April 7-9 in San Francisco, Calif. Special thanks to the Brothers of Beta Gamma for the excellent job hosting the assembly. All of the 1994-1995 Province IX officers were present and we had the honor of having Grand Regent Paul J. Hiller and Province Supervisor William R. Smith with us.

The weekend began with Beta Gamma welcoming the Province IX Brothers to their beautiful Kappa Psi fraternity house. We mingled and enjoyed munchies while there. Later, the host brothers provided transportation to some of San Francisco's night attractions.

The Province IX meeting started Saturday morning with committee meetings, reading of communications and reports. Each chapter of

Province IX (Beta Gamma, Gamma Nu, Gamma Rho, Gamma Upsilon, and Pacific Graduate) presented a slide show of their chapters' activities of the past year to share ideas. Our Province Supervisor William R. Smith showed the Ritual Tape. We elected Jeanne Lucich to be Province delegate to the GCC at Cape Cod. New 1995-1996 Province officers were elected and installed as follows: Satrap: Jim El-Bissat (Gamma Nu); Vice Satrap: Glen Gong (Gamma Nu); Secretary/-Treasurer: Dan Chin (Beta Gamma); Historian: Diana Gee (Gamma Upsilon); Chaplain: Chris Considine (Gamma Nu).

The Kappa Psi Brothers enjoyed their dinner reception at a fine restaurant on Pier 39. The next Province IX assembly will be hosted by Gamma Nu chapter. Hope to see everyone there!

- Diana Gee

GAMMA NU

University of the Pacific

All is great over here in Stockton, Calif., and many exciting events have passed by since the last issue of THE MASK. We are very proud to introduce to you our newest Brothers that have become part of the Brotherhood. They are: **John Chiu, Dat Diep, Stephen Espiritu, Patrick Gramata, Prad Jaduram, Charles Kim, George Kridner, Johnny Lang, Jignesh Patel, Kim L. Phung, Napoleon Selim, Mike Sprague, Bruno T. Tching, and Sean Tran.**

The men's intramural softball team mowed down their opponents all the way to the finals. With Kappa Psi down 6-0 after the first inning, the Brothers slowly chipped away at the lead, and came from behind to become intramural champions!

This past May was a very happy month for all. Graduation Day! We celebrated this joyous occasion by recognizing our graduating Brothers and Sisters at the Graduation Reception. Gabriel Leung was voted by the chapter as Brother of the Year and

Darwin Orpilla was presented the highly honored Asklepios Key. Francisco Chong was presented the Regent's Plaque for his appreciation, service, and dedication to the fraternity. Good luck to you all!

The Annual "Gateway to Fun" Fundraiser Luau at Ki Vacca's Resort was a tremendous success. We reached our goal in ticket sales of \$10,000 dollars. Everyone had a great time eating lots of good food and getting thrown into the pool (Great job, George). Big thanks goes out to Finance Committee: Gabriel Leung, Francisco Chong, Charles Kim, Nhia Yang, Stephen Espiritu, Patrick Gramata and Zaman Khan for their tremendous work. Special thanks to Dr. Don Floriddia for keeping the committee in check and to Chris Woo and Richard Leong for their awesome ticket salesmanship.

This last semester we elected a new group of officers for the 1995-'96 school year. They are: Regent: Kim L. Phung; 1st Vice Regent: George Kridner; 2nd Vice Regent: Patrick Gramata; Treasurer: Prad Jaduram; Recording Secretary: Harvey Lee; Corresponding Secretary: Stephen Espiritu; Historian: H. R. O'Brien; Sgt.-at-Arms: Mike Sprague; Chaplain: Dennis Okwadigbo.

- Francisco Chong

DELTA BETA

Southwestern Oklahoma State University

The spring has been an exciting time for Delta Beta. The first event of the semester was to initiate six new members. The remaining three pledges from the fall are pre-pharmacy and will be initiated upon their entry into pharmacy school. We also gained three new pledges for the spring semester.

As always, Delta Beta has been active in intramural sports. Even though basketball is not our best sport, the team had fun and made a good showing every game. Prospects look better in softball, which has just started. Sports provide an excellent

way to relieve stress and are an important part of the fraternity.

We have just completed the second edition of the Delta Beta alumni letter and should be mailing it soon. Also, we once again sold t-shirts as a fundraiser, and we assisted the Weatherford Chamber of Commerce in the Health Fair. Upcoming events include a trip to Remington Park and our annual spring picnic.

Delta Beta sent nine representatives to the Province VII assembly in Little Rock. The trip was informative, fun, and got everyone excited about the past, present, and future of Kappa Psi. We would like to thank Gamma Omega Chapter and the University of Arkansas for hosting a great province.

Officer elections for Delta Beta were held March 23. The new officers are: Regent: Russell Akin; Vice Regent: Kale Baden; Secretary: Chris White; Treasurer: Randy Ratterman; Sgt.-at-Arms: Mike Anderson; Grand Council Deputy: Dr. David Coats; Historian: Brad Vaughan. We already have big plans for the future.

- Bradley M. Vaughan

GAMMA THETA

University of Missouri-Kansas City

The Gamma Theta Chapter of the University of Missouri-Kansas City had a very successful 1994-1995 school year. In December 1994, we initiated our largest pledge class in the Chapter's history. The 17 new Brothers are as follows: **Jon Burch, Brad Cook, Shane Cross, Lee Ferrell, Marc Finke, Jason Grace, Tony Huke, Travis Kenney, Darren Lea, Dustin Leach, Eric Mangum, Priyesh Patel, Jason Purcell, Spencer Schaefer, Justin Slominsky, Vince Tourville, and Luke Welch.** We also lost 10 Brothers to graduation and we wish them the best of luck.

We had a busy semester that included a couple of service projects. One was "Project Outreach." This was a joint effort with the Academy of Students of Pharmacy. The

goal of this project was to send a team of two to three pharmacy students to various local fourth grade classrooms to teach the youngsters about drug and alcohol awareness. The second project we took part in was "Vial of Life." For this project, a team of three to four pharmacy students spent part of the day at a local nursing home and talked with the patients about all of their medications, including otc's. All this information was written on a sheet of paper and placed in a prescription vial for emergency use.

Also in late April, new officers were elected. They are: Regent: Robin Burris; Vice Regent Pledgeship: Darren Lea; Vice Regent Rush: Vince Tourville; Secretary: Brad Cook; Treasurer: Justin Slominsky; Sgts.-at-Arms: Jack Diggs, Shane Cross; Historian: Spencer Schaefer; Chaplain: Priyesh Patel.

We would also like to thank last year's officers: Regent: Joe Koechner; Vice Regent Pledgeship: Tony Szymankowski; Vice Regent Rush: Brian Barthol; Secretary: Byron McMurphy; Treasurer: Robin Burris; Sgts.-at-Arms: Terry Maddux and Ed Grant; Historian: Scott Mahan; and Chaplain: Dave Harrison.

On June 16-18, 15 Brothers attended the Missouri Pharmacy Convention at Tan-Tar-A, on the Lake of the Ozarks. This was a great time of education and fellowship where we also linked up with our fellow Brothers from Gamma Pi.

- Robin Burris

BETA KAPPA

University of Pittsburgh

The last few months of the Spring semester at Beta Kappa were busy as usual. As the month of March began, several Brothers took off for spring break. For a few of the fourth year Brothers, that meant a trip to Indianapolis to tour Eli Lilly and Co. with the rest of the fourth year class. For others, trips went from Florida to Arizona to Cancun and also to the Bahamas. The break was well deserved and everyone

TOP: Gamma Nu's Men's Intramural Softball Champions. ABOVE: Gamma Nu's graduating Brothers at the Graduation Reception.

came back refreshed and ready to return to reality.

As we came to St. Patrick's Day, another Beta Kappa get-together was necessary as usual. Brothers from Delta Epsilon joined in the fun and everybody pitched in a can of food for a food drive for needy families. Also in March, Kappa Psi Brothers participated in an auction with the School of Pharmacy. We auctioned off a nice steak-out at the Beta Kappa house. Checkbooks lost a lot of value that evening. Another tradition at Beta Kappa is the Hand in Hand Festival to benefit handicapped children. It was a great experience for the children, but also for the Brothers who participated. Finally the end of March arrived. The Phi Delta Chi Brothers of Pitt. threw a combo party with us

NOTICE TO DELTA BETA ALUMNI:

Dr. Ben Welch is interested in reviving the graduate chapter here at Southwestern. We are willing to help him in any way we can. For more information, contact Dr. Welch, or contact us through the address below.

Also, we are planning various Homecoming activities next fall, including a tailgate party and other events before and after the game. Watch for more details. We are trying to put together an accurate mailing list for our alumni to send our newsletter, aid in starting the graduate chapter, and to help maintain the past that is such an important part of the fraternity. We would appreciate it if all Delta Beta alumni would send a current address and phone number and any comments, suggestions or questions to:

Care of Kappa Psi Regent
Southwestern Oklahoma State University

Gamma Upsilon Brothers at Province IX meeting at the UCSF KΨ Frat. house.

It's Beta Kappa's graduating 5th years on Senior Gift Night. They seem pretty happy, don't you think so?

and the Delta Epsilon Brothers of Duquesne. Again, we participated in yet another food drive for the needy.

To start off April with a bang, the Beta Kappa Brothers had a lot planned. The pledges began the day by spring cleaning around Family House as their pledge project. That evening began All-Night Bowling at Olympic Lanes in Harmorville with the grad Brothers and also with Delta Epsilon. It was a long night, but everyone seemed to enjoy themselves. Bowling came to an end around 5 a.m. and the Brothers all headed to Eat-N-Park for a brother breakfast. We woke them up pretty quickly when about 35 hungry brothers charged for the doors.

Beta Kappa Brothers are

proud to say that we are now six Brothers stronger, to total 67 Brothers. We initiated new Brothers: **Deepali Bhatt, Krista Coval, Timothy Jancel, John Kim, Robert Linn and Michelle LoPresti** on April 3, 1995. Congratulations! The Brothers went to Hemmingways afterwards to celebrate initiation.

Not only are the Brothers dedicated to Kappa Psi, there are a few that have become involved a lot in the School of Pharmacy. As a result of class elections, congratulations to Brothers Jeff Czarkowski and Deepali Bhatt as new members of the Dean's Advisory Board and congrats to Brother Melissa Somma who is class president of her fourth year class!

Our annual Spring Formal was held at the LaMont in Pittsburgh this year. Everyone looked fantastic for the occasion. A special thanks to Brothers Shawn Toy and Karen Byers for coordinating the evening. Everything went well and a good time was had by all. If you ever get the chance you should have dinner there. It was delicious, and the view of the city was awesome! The brothers also received scholarship awards that evening, and we are proud to say that 22 out of 25 eligible Brothers received the awards. Congratulations!

Another tradition at Beta

Congratulations to our six new Brothers at Beta Kappa. Pledgemasters Joe Millward and Jennifer Marchegiani are on both ends.

Kappa is Senior Gift night as a way to say farewell to the seniors and to wish them good luck. The seniors deserve the best and we are sure they will receive it.

To finish off the semester, everyone was more than ready for the "End of the Year Cookout" at the Beta Kappa house. All the Brothers could now relax and wind down from a busy semester. It was time to say "See ya next year!"

- Melissa A. Piposar

DELTA LAMBDA *Campbell University*

Summer has finally arrived and the Brothers of Delta Lambda are taking a much needed break. A big thanks goes out to the Brothers of Theta, the hosts of our Province meeting this year. The Brothers hosted a social event for all chapters on Friday night at the student center. On Saturday we attended a meeting which saw the election of Delta Lambda's Laura Ivey as Province Historian. That weekend, April 7-9, also coincided with Theta's Formal which was held on Saturday night. The Brothers of Delta Lambda had a great time and many special friendships were formed.

April 23rd was Delta Lambda's seventh birthday. We celebrated on April 22nd with a cookout and social event. The cookout included hamburgers and hot dogs and a very big cake, along with a volleyball tournament. That night everyone came out in their best polyester for our combined 60's-70's/Around the World Party. We were very excited that some of the

Brothers from Theta drove down from Richmond to celebrate with us. The Brothers seemed to have a good time. Even Nicole, who came down with some sort of "virus", commented that it would be a weekend that she would not soon forget.

The Brothers also took time to sell Shamrocks for Muscular Dystrophy in March. We set up a table in the lobby of the Pharmacy School and raised around 100 dollars. We also donated some money to send some underprivileged children on a trip. The P-2 Brothers had trash pick-up for our highway program. For Poison Control Week, our public relations committee put together an article that was published in a local newspaper. And finally, for Easter we decided to put together Easter Baskets for a local nursing home. These were no ordinary Easter baskets though. Instead of being filled with candy, we filled them with items they could really use such as brushes, combs and other items.

One final note that must be mentioned. Congratulations are in order for Craig Barlowe who was honored at our formal as Brother of the Year. Also, congratulations to James Adams and Scott Brewer who were awarded Asklepios Keys for all the work they have done for Kappa Psi.

- Michael Smith

GAMMA UPSILON

University of Arizona

The spring semester was exciting for the Kappa Psi Brothers from the University

Beta Epsilon Brothers preparing for the Oozeball tournament.

The Brothers of Delta Lambda worked hard to raise money for Muscular Dystrophy.

of Arizona. We enjoyed many activities together, including two hiking trips as well as getting to know our new pledges. The biggest item on our agenda last semester was the Province IX meeting in San Francisco on the weekend of April 7. The meeting went well; our brothers at UCSF were gracious hosts and showed us the hot spots in the area. Gamma Upsilon Brothers toured the city, shopped, visited Alcatraz and greeted fellow Brothers at UCSF's beautiful Kappa Psi Fraternity house. Arizona had a fantastic turnout as over 20 Brothers flew to San Francisco to attend.

We all look forward to an exciting upcoming fall semester as we welcome our newest incoming first year class. Congratulations to all of the new pledges as well as our 1995-1996 officers!

- Michelle Mucha

DELTA GAMMA

Auburn University

The 1994-95 year has finally come to an end. It was a very active year for the Brothers of Delta Gamma. I and my fellow Brothers have made a lot of friends this year. The pledge parties were a big success as were the Halloween party, Christmas party, and all of those picnics on the campus grounds. I would like to congratulate the new officers for the 1995-96 year: Regent: Marquette Hardin; Vice Regent: Joe Adkins; Secretary:

Kelli Osborne; Treasurer: Wendy Childress; Historian: Jennifer Cowan; Sgt.-at-Arms: Jay McGullion; Chaplain: Adrion Smith; Pledge Trainers: Virginia Elliot, Jim Green, Patrick Richardson, Dana Southard, Brett Speegle and Lauren Sutyla.

The Brothers of Delta Gamma were really excited about our spring formal that was held during March 31-April 2 at Ft. Walton Beach, Fla. It was a time of friendship and fellowship, but it was also a time to say goodbye to all of our fellow Brothers who were getting ready for rotations. Good luck on rotations, guys, and thanks for helping make our first year of pharmacy school a success. My Brothers and I are looking forward to the upcoming year and our yearly trip to Gatlinburg to do a little white water rafting.

In closing, I would like to say good luck and farewell to the class of '95; we'll miss you guys.

- Jennifer Cowan

BETA EPSILON

University of Rhode Island

On April 21, 1995, Beta Epsilon Chapter was proud to initiate two new Brothers: **Josh Spooner** and **Joe Allen**. As a pledge class they worked very well together in forming the friendship and teamwork that are necessary for strong brotherhood. We wish them well and hope they can maintain the qualities and ideals of

Kappa Psi for years to come.

Also in late April, ballots were cast for new officers and after the votes were tallied, the following persons were elected: Regent: Anthony D'Ambrosio; Vice Regent: Doug Reuter; Recording Secretary: Brett Feret; Treasurer: Derek Dorr; Historian: John Correia; Chaplain: Aaron Howard; Corresponding Secretary: Stephen Edwards; Social Chairman: John Ferris; Fundraising Chairman: Chris Chin; Athletic Chairman: Brian Musiak; Rush Chairman: Jim Higgenbottem; Pledge Chairman: Mike Sherry; Asst. Pledge Chairmen: George Bethel, Alan Obringer; Graduation Liaison: Jonah Tyler.

Beta Epsilon Brothers would also like to pat ourselves on the back for defeating the Graduate Bros. in our annual softball game. Behind the vicious pitching arm of Tony D'Ambrosio and the tenacious offensive hitting attack, Beta Epsilon Brothers couldn't be stopped. When the dust finally cleared, Beta Epsilon Brothers took home the victory with an 8-3 win. Graduate Brothers better beware now that the crown is ours. We intend to hold onto it!

Beta Epsilon Brothers fielded two teams in the fifth annual Oozeball Tournament on April 29, 1995 at the U.R.I. campus. For those who aren't familiar, Oozeball is essentially volleyball in the mud. One of our teams was quite suc-

cessful and finished in the final 10 out of 78 teams. Oozeball championship next spring.

- John Correia

PITTSBURGH GRADUATE CHAPTER

The Pittsburgh Graduate Chapter and its officers led by Regent Roger Wheat extends a warm welcome back to campus to all collegiate Brothers, especially those in the Pittsburgh and West Virginia area. All collegiates are welcome to attend chapter meetings. The schedule may be obtained by calling the Liaison Officer David Maszkiewicz at 412-823-1390.

The chapter maintains an active and varied list of accomplishments through a schedule designed to balance social with professional and fraternal interests. The list of activities continues monthly throughout the year with such items as all-night bowling on Saturday evening - Sunday morning as part of the competitive athletic competition between the local collegiate chapters, Delta Epsilon and Beta Kappa. Also enjoyed are dinner meetings either alone as a chapter, or in cooperation with the collegiate chapters at their respective lodgings.

Through *The Pittsburgher*, the chapter newsletter edited and produced by Brother Tom DePue, members are kept aware of the meetings, outings

Craig Barlow receives his plaque for Brother of the Year from Tara Maples during the Delta Lambda formal.

and dine-outs. Tom, as the chapter Vice Regent, not only excels in leadership but also was the focus of attention on May 6 when he was married in central Pennsylvania. Congratulations to Tom and Andrea. In honor of the wedding, the summer meeting of the chapter was held on May 7th in York, Pennsylvania, the site of the nuptials, which offered a new meeting place for those east of Pittsburgh, while also delaying the honeymoon by several hours.

A large contingent of chapter brothers attended the 47th Grand Council Convention on Cape Cod and reported a memorable experience for all in renewing fraternal bonds while strengthening the entire organization through business and social events.

The chapter is looking forward to an exciting fall session with regular meetings, a golf outing in September and a Province II meeting in Pittsburgh. The brothers have had a hand in reactivating the New Jersey Graduate Chapter, and are close to seeing the reopening of the Philadelphia Graduate Chapter, both dormant for many years. Congratulations to both for the renewed interests in fraternal affairs.

Pittsburgh Graduate also is continuing its efforts to refurbish the Beta Kappa house through fundraising and furniture donations. We thank all those who have contributed and welcome further gifts.

Contact with the chapter may be made through Regent Roger Wheat at 412-543-1425. The chapter welcomes all who are residing or visiting in western Pennsylvania.

- Bruce D. Martin, Ph.D.

GAMMA ZETA *Samford University*

To begin the semester, our first meeting was held on January 30th to discuss many of our upcoming events. Our second meeting was held on February 17th, which was also designated as Kappa Psi Day. In addition to this meeting, the very first Kim Parchment Award was given out in remembrance of her passing in December of 1994. The

award was received by Stephanie Hames, a second year Brother, who best exemplified Kim's strong Christian faith, her commitment to Kappa Psi, and her fun loving personality.

Other events in February included a chili-cookoff, and a Valentine's dance for the Brothers. The money obtained from the chili-cookoff ticket sales will go to help our chapter sponsor the School of Pharmacy Spring Formal. Our other fundraising events have included selling "Top 10 Reasons to Go to Samford" t-shirts, and Samford Pharmacy sweatshirts.

On March 1st, our chapter sponsored a bake sale with proceeds going to the American Cancer Society. Other events planned for this month include visits to a local nursing home, car washes, and a disco dance for all the Brothers. The disco dance was on March 10. We had a great D.J.; some of the Brothers even dressed up in 70's style clothing. For our next big event, Gamma Zeta sponsored the annual School of Pharmacy Spring Formal. We had a fantastic band and a great time was had by everyone who attended. A very special thanks goes out to Stephanie Hames, Cindy Hargrove and Ashley Sauders for doing such a wonderful job in setting things up and decorating.

Our last formal meeting of the semester was held April 26. In addition, our last social event for the semester includes a camping trip at Oak Mountain State Park planned for May 5.

So, as you can tell, this has been a very busy semester for all of us. And even though we hate to see all of the fun come to an end, we are looking forward to a great summer break. Furthermore, we are excited about planning a fantastic fall rush.

- April D. Qualls

SOUTHWESTERN GRADUATE CHAPTER

Howdy from the breezy southwest. Three of us

(Johnny Porter, Charles Carden and Ben Welch) attended the Province VII Assembly in Little Rock hosted by Gamma Omega Chapter. It was a very well organized meeting and everyone had an enjoyable time. There were 182 brothers registered at the Assembly, with 64 of those coming from St. Louis College of Pharmacy (Gamma Pi). Needless to say, Gamma Pi won the Man-Miles Award with over 50,000 miles total.

I want to thank the Brothers from Gamma Omega for an outstanding Assembly. I also want to let everyone know that Gamma Pi took their travel reimbursement money and gave it to Gamma Omega in order for them to go to St. Louis for Gamma Pi's Formal. Gamma Omega had used the money for their formal to host the Assembly. This is truly One for All and All for One.

Now for some really exciting news (hopefully). After a number of years of floundering and sputtering, the Southwestern Graduate Chapter is on the upswing. All Southwestern alumni (and anyone else, too), we need your support and \$20 (for yearly membership dues).

What are we going to do with the money? First, is pay our financial obligations; \$100 to National and \$50 to Province VII. Then, pay for the mailings, and the rest will go into a savings account for future use, whatever that may be. You can send your dues to: Ben Welch, 9807 Hillcrest Drive, Edmond, Okla. 73003. Also, please send the names and addresses of other alumni who might not see THE MASK.

- E. Ben Welch

GAMMA DELTA *Ohio Northern*

We would like to thank all the chapters that attended the Province Convention March 11-13. We felt it was a huge success and look forward to seeing everyone again in the near future.

We also appreciate everyone that attended our 75th anniversary of Gamma Delta in Columbus on March 17-20. It was good to see all the

Gamma Delta alumni and other chapters supporting our special event.

A special thanks goes out to our very own Cameron VanDyke. He did most of the organization and is largely responsible for the success of our anniversary.

- Ryan Burkbar

BETA GAMMA *University of California-San Francisco*

Greetings from Beta Gamma. I would like to welcome 32 new Brothers to our chapter. Congratulations to **Helen An, Scott Chamberland, Nicole Champ, Cindy Cheng, Rebecca Chow, Virginia Chu, Alvin Ferrer, Carrie Fu, Laurie Higashi, Jane Kang, Jenny Kim, Andrew Lai, Cindy Lau, Cheryl Lee, Linda Lee, Robin Lee, Doris Lew, Hilarie Lew, Maggie Liao, Mamta Mehta, Lisa Mitsunaga, Anh Nguyen, Grace Park, Leonie Tan, Micki Tjoe, Brandon Ton, Cheryl Tran, Vicky Tran, Brenda Wong, Kathy Yang, Elizabeth Yi and Christitina Yoon.**

Beta Gamma hosted the Province IX meeting in San Francisco from April 7-9. We were delighted to meet the Brothers of Gamma Nu, Pacific Graduate, Gamma Rho, and Gamma Upsilon. Numerous ideas were exchanged and brotherhood was strengthened. Special congratulations to Dan Chin of Beta Gamma for being elected Secretary-Treasurer. I would like to thank those brothers who came and made this event such a success.

- Lance Sakamaki

BETA CHI *Drake University*

Beta Chi has had a busy and rewarding past few months. First, we would like to congratulate our new Brothers: **Sarah Barber, Anne Barisch, Tori Bartholomew, Johanna Black, Jerome Buckstein, Katie Cubria, Jana Fletcher, Erin Francis, Jennifer**

Family History

The fraternity is interested in acknowledging Kappa Psi Brothers who have fathers/sons/daughters in the fraternity. We are particularly interested in finding out if we have any members for three generations - grandfather, father, son or daughter. If you know of any families meeting such criteria, please notify the Grand Historian.

Kaczmarski, Jennifer McEleney, Beth McLaughlin, Kristin Meyer, Angie Neumayer, Megan Pillar, Hania Riad, Katie Sage, Kristen Summers and Julie Wagenknecht. We would also like to congratulate our new officers for 1995. Regent: Amy Ciaramita; Vice Regent: Theodore Darkow; Secretary: Stephanie McKibban; Treasurer: Dan Gransinger; Historian: Andrea Yenney; Chaplain: Mary Sturgesleski; Pledge Trainers: Shauna Ryan, Adam Gregg. Congratulations everybody, and good luck!

Some projects that Beta Chi has undertaken in the last semester include Condom Day, where we provided free condoms and information about AIDS and STDs to the citizens of Des Moines, and planning the Second Annual Kappa Psi - Beta Chi Alumni Banquet that was held during Drake Relays. We are now working hard on details for Province XIII Fall Conclave 1995, which we will be hosting. It's shaping up to be an exciting time for all who plan to attend, and we hope to see many of you there!

- Andrea Yenney

BETA UPSILON

Butler University

Beta Upsilon finished up the spring semester with our annual Disability Awareness Week. The goal of this week is to make the campus aware of the challenges that disabled people face. The week included two speakers and a disability awareness day in which all members took on a different handicap. The week was a success due to the hard work of the philanthropy committee. The chapter also helped St. Vincent's Hospital with their drug inventory.

On April 8, the College of Pharmacy held its annual Honor Day and many Brothers were honored. Receiving special awards were: Jennifer Pfaffenberger, Laura Dowell, Chris Herman and Kris Holland. Rachel Wollin, Stacy Meisberger, Dawn Kraus, Kathryn Ramseyer, Heather Tindel, Heather Bandera and Katie Jacob all received schol-

arships. Brothers Jen Tiemans and Rachana Patel were inducted into Rho Chi. Along with this, Scott Barker, Heather Bandera, Dawn Kraus, Stacy Meieberger, Michelle Putera, Kathryn Ramseyer, Lynn Szabo, Jenny White and Rachel Wollin received Rho Chi Achievement Awards. A number of Brothers were named to the Dean's List as well. Congratulations to all and keep up the great work!

Best of luck to everyone for the '95-'96 school year!

BETA DELTA

Albany College of Pharmacy

First of all, I would like to welcome everyone in Beta Delta back to A.C.P. I hope that everyone has had a great summer and is ready to produce another successful semester.

Since the last issue of THE MASK some very important changes have taken place. For instance, the "changing of the guard" was made at the end of last semester. The new officers are: Regent: Mario Zeolla; 1st Vice Regent: Koth Cassavaugh; 2nd Vice Regent: Arthur Dustman, IV; Rec. Secretary: Eric Haas; Corr. Secretary: Jason Southworth; Treasurer: Joe Padalino; Asst. Treasurer: Bob Bozek; Pledge Master: James Carbone; Asst. Pledge Master: Stephen Barrata; Historian/Ritualist: Erik Mendillo; Chaplain: Steve Murray; Sgt.-at-Arms: Paul Houston.

Another change that was made last semester after a unanimous vote was the enactment of two new officer positions, known as OTC Chairmen. These two officers will have the responsibility of educating children about the benefits and dangers of OTC products. OTC Chairmen: Brendon O'Hara, Mark Murray.

As for other events that occurred at the end of the semester, several Brothers made it out to the Red Cross Phonathon. This effort helped make a substantial amount of money for Red Cross. Also, Beta Delta was involved in the end of the school year get-

together, "Sausage and Cheer." T-shirts for sausage and cheer were designed by Kappa Psi's talented new Brother, Eric Haas. The T-shirts were a huge success for the chapter.

On that note, I would like to end it right here because the really good news is going to have to wait for the next issue of THE MASK.

- Erik Mendillo

GAMMA ETA

University of Montana

As you peruse this latest issue of THE MASK, it is probably Wednesday at noon. You find yourself at one of the first chapter meetings of the year in your favorite room. Everyone is huddled in little groups retelling tales of their travels. The summer was not so long ago; each of us still has untold adventures to share or not to share depending on their nature. For some of us, this semester is the last before we go on our rotations, and for others the adventure has just begun.

As this Historian looks back on the last spring it is the night of the Fourth of July. In every town and city each of us finds ourselves in, I know that there is a fireworks show right there for each to watch. We are not on the same stage but the drama we partake in is the same. It will be the same years from this day as each finds themselves working in whatever part of the country they headed to after graduation. Each person will have to face what they assume to be their own set of hurdles in their path but if you look around, it is sort of like the Fourth of July, they are the same wherever you are. Take heart, the audience is huge and you are never alone.

I think back on the events since our last news update and what strikes me most is that our time together in school flies by so quick. It seems like I just moved to town and now it is my last year. Our semesters, once underway, fly by like a streak, making every second count double because it comes and is gone in the blink of any eye.

Gamma Delta Brothers enjoy reading THE MASK.

The best times, too, are the same way. We have to fight for every second but in the end they are the most valuable and we are left with no regrets.

Our Province X meeting was the last big news topic. Since then our spring semester blazed by like thunder rolling across the sky. Our chapter planned more road clean-ups that ended up getting snowed out than Santa Claus has reindeer. At last tally, a small band of dedicated souls got our section cleaned up right around finals. Aren't we dedicated!

In other news, our annual Big Thaw party was a smash. Craig Johnston was our D.J. and the donations of prizes and decorations from many of Missoula's businesses added a measure of class to the whole affair. One of our ambitious members got a special cake made and accomplished getting the whole event catered. Due to time conflicts, the showing from the rush class was small but we expect a lot of interest in the fall regardless.

The last big news item was Gamma Eta's camping trip up Rock Creek Canyon. We had about 15 people turn out and we had so much fun that this will become an annual if not biannual event. We fished and cooked burgers and sat up late telling ghost stories and all that goes along with roughing it in the woods for a night. Except for the fact that we all got caught in the same speed trap going home the following morning, it was the best of times.

Now as fall semester 1995 opens up, we need to remember that today is all we have. Ruts are easy to get caught in and pharmacy books make a

Gamma Delta bonding Brothers.

TOP: Winners of the 1995 Pi Chapter golf tournament: ABOVE: Pi Brothers Blake, Tony, and Matt. Pi Chapter Brothers Andy, Jason, John and Scott at the Adopt-A-Highway project.

pile on your desk that is hard to see over sometimes. Just remember to take a deep breath and think to yourself that you will only be here a little while. So make the most of it. Ski season and Christmas vacation are just around the corner. So until next time Gamma Eta says goodbye for now.

- John Lane

PI CHAPTER Purdue University

Hello from the guys at Pi Chapter. We hope that summer finds you taking some needed time off from the rigors of the classroom.

Not much has really been going on since final exams were over last semester. However, we did manage to stay busy for the remainder of

the spring semester. We hit the road with the adopt-a-highway program. We also had an information booth about skin cancer at a health fair on campus.

We also managed to have some fun during this time. We had a Graffiti Party sometime in March. We also had a Grand Prix party during the race at Purdue. The annual Pi Chapter golf tournament took place during this time as well.

As we are midway through the summer there are a few events planned. The first would be the summer meeting on the weekend of July 14-16 at Purdue. The other event planned would be Pi Alumni Day. This will be held September 30 during the weekend of the Purdue-Ball State football game. This gives our alumni the chance to go and see first hand what is going on at Pi Chapter.

That will just about do it for this time. We hope to see some of you around throughout the rest of the summer and beginning of the fall semester.

- John Nauman

PROVINCE III

We at Province III are happy to report that our annual meeting, which was held in Richmond, Va., went extremely well. The Brothers of Gamma Xi treated us with a social on Friday night followed by meetings on Saturday and finally a formal with the induction of new officers on Saturday night. The new officers for Province III include: Secretary-Treasurer: Julianna Fine; Historian: Laura Ivey; Newsletter Editor: Bryan Monroe; Province Delegate: Kyle McHugh; Alternate Delegate: Mary Herring.

It was definitely a fun filled weekend and most of the chapters sent representation. There were two chapters who could not attend for various reasons and they were sorely missed. However, we look forward to seeing them next year when the annual meeting will be held in South Carolina on April 8-10. We were excited that there were three Grand Officers and various visitors from other Provinces to share

fun and ideas. We did a lot of networking over the weekend and expect that you will be hearing more from us in the coming year.

We are also very pleased to report that Delta Lambda chapter was #1 in Province III and #2 in the nation. The Delta Lambda chapter will also be performing the ritual at GCC without books! Imagine that!

If anyone in Province III or other provinces wishes to contact me, I can be written to at P.O. Box 2663, Buies Creek, North Carolina 27506 or leave a message at Campbell University (1-800-334-4111), Pharm. Dean's Office). See you at GCC!

- Laura L. Ivey

DELTA DELTA University of Houston

Championship greetings from Twoston, home of the two-time NBA World Champion Houston Rockets and the Brothers of Delta Delta chapter. As the city of Houston is cheering on our leaders of the basketball world, the Brothers of Delta Delta chapter are continuing to strive for excellence in leadership at the University of Houston's College of Pharmacy.

An example of that leadership is Brother Aemad Aslam. Aemad, who will be graduating in December 1995 and is looking forward to attending medical school, is the Region 6 Alternate Delegate for ASP. Aemad was responsible for putting together a newsletter that went to each of the colleges of pharmacy in our region. Aemad is also President of the Pharmacy Council at U of H.

More examples of Kappa Psi leadership are Stephanie Doerr, Julie Focum, Molly Hayward, Steve Knott, Patricia Peymann, Daniel Shin, and Lynn Simpson. These seven Brothers are among 12 other students who have tracked into the new Pharm.D. curriculum at the University of Houston. We wish them the best as they help establish a new direction for our College of Pharmacy.

At U of H, Kappa Psi Brothers make up the overwhelming majority of the memberships of both Rho Chi and Phi Lambda Sigma Honor Fraternities. Delta Delta Brothers also dominate the officer positions of most of the organizations such as the Academy of Students of Pharmacy, where only the historian is a member of that other fraternity.

Looking to continue our tradition of excellence in the area of leadership are our seven new members, who were inducted at the end of the spring semester. They are: **Christopher Alexander, Anna Castellano, Sherry Day, Allison Eisenmann, David Icard, Derek Larbie, and George Wang.** Chris, David, and George were also elected to be the pledge trainers for the fall semester. We know they will do a great job!

No one in the basketball world gave the Rockets a chance to win their second consecutive championship, but with teamwork and an unending desire to win, they proved everyone wrong. I believe that is what being a Brother in Kappa Psi is all about; "All for One and One for All" - working together as a team to achieve common goals. Always strive to do your best and also look to help your Brothers succeed and you too will be a champion!

- James Crawford

GAMMA OMICRON University of Oklahoma

We're back from break and looking forward to another great semester! Spring semester finished with our annual Spring Banquet April 29, 1995, at the County Line Barbecue in Oklahoma City. Congratulations went to members who received scholarship honors and especially to Rebecca Knight and Robie Harrington.

Rebecca Knight obtained a GAP of 4.0 her entire pre-pharmacy and pharmacy school career. "I never dreamed this would happen. I don't even think it was a goal

of mine, really. I always wanted to do well. And I always did the very best that I could, and studied really hard. When I got to pharmacy school it was because I really liked the material. It wasn't because I thought I had to have an 'A'. It just kind of happened that way, and it was nice. I did other things in school besides that, so that's why it amazed me that it worked out that way. I really feel like one of the reasons I did do so well in school was because of all of my friends here that I studied with and spent time with. We studied together, and had cram sessions, and little support group things, and that really helped to keep my grades up. I don't think you can go all through school, and do well academically just yourself. You have to help from friends and family and God."

Rebecca was corresponding secretary for Kappa Psi 1993, Rho Chi president 1994-1995, Executive Council, ASP member, and ASCP (American Society of Consultant Pharmacists). She is active in her church, and you may spot her out mountain biking with her husband.

Robie Harrington obtained a GPA of 3.8 in his pharmacy school career and was awarded the Asklepios Key. "The biggest encouragement I had was with my friends. It's fun going to school every day, but without your friends things can get a little unbearable at times. The friends you make in pharmacy school will be your friends the rest of your life."

Robie's fond memories of Kappa Psi: "There are so many great memories. Receiving the Asklepios Key means a lot because it comes from the people who know you best. Going to the Province meeting, going to Arkansas, Pledge Night Out, ice cream socials were all fun. I can't just pick one."

Robie and his wife Teresa volunteered at the bomb site in Oklahoma City the day after, and other nights as well, working midnight to twelve noon. "It was very cold those nights, and we delivered coffee and hot chocolate and provided food to the rescue

workers. It was an incredible experience, and something you never forget. The people were just amazing there."

Robie was treasurer of Kappa Psi 1993, member of Rho Chi, ASP, Phi Kappa Phi (National Honor Society). He was a Mosier Scholar, received National Assoc. Chain Drug Store Scholarship, Merck Award, National Institute of History Award.

What would you tell the incoming students?

"Join an organization. Make good friends, friends are the part that lasts from school. It all comes down to friends."

At the time of writing this, our annual golf tournament for MDA will not have occurred yet, but will have by the time this issue arrives. We would like to especially thank Brothers Robert Harkey and Brian Jones for all of their work in organizing such a great event, and all of our Gamma Omicron Brothers who were there helping out on the course. Thank you also to all of the people involved in sponsoring the event. Last year we raised over \$2000 for MDA and expect to top that this year. We'll have a recap in another issue.

Hello again to our Kappa Psi Brothers who attended the University of Utah School on Alcoholism and Other Drug Dependencies in June 1995. If you notice your friend may have a problem, take a chance and talk to them about it. They might not be ready to talk about it, but at least they'll know they can talk to you when the time comes, or maybe you can put them in contact with someone who is more experienced with the situation. The school offered valuable information and Salt Lake City was a beautiful, peaceful setting.

Right now we should be in the middle of Rush, meeting new friends and making more memories. The Brothers of Gamma Omicron wish all a great fall semester!

Congratulations to Kappa Psi 1995 graduates of the University of Oklahoma School of Pharmacy. You'll be greatly missed!

- Karen Anderson

PROVINCE V

The Province V Convention was held March 10th-11th at Gamma Delta in Lima, Ohio. There were approximately 180 people in attendance along with five national officers (See Gamma Delta for who). Gamma Delta had CE for the graduates, an innovative Regent's Roundtable where chapters could discuss their strengths and weaknesses, and finally the first ever professional project for Province V.

The pre-convention began Thursday night with a trip into Ada and a visit to the famous Regal Beagle. Then on Friday, it was business as usual until that evening when there was one huge party to let off some steam and have a chance to meet new acquaintances. Saturday saw the election of the new officers, and the professional project. At the professional project, about 40 Brothers took some time out of the day to help paint and move furniture in preparation for the grand opening of the Bradford Center. As convention chairman, I would like to thank everyone for their help and cooperation in making this a success.

The newly elected officers for Province V are as follows: Satrap: Scott Mark; Vice Satrap: Shelly Moureau; Secretary/Treasurer: Amy

Neumann; Chaplain: Rod Voegerl; Historian: Cameron Van Dyke; Parliamentarian: Maureen Evans; and GCC Delegate: Adam Gross.

Other bits of business that were conducted included naming Gamma Chi as host of the Mid-Year Convention and Chi chapter as the host for the 1996 Province V Convention.

Once again, a job well done to Gamma Delta as everyone had a fantastic time at the convention.

The following weekend was also another big event for Province V as Gamma Delta celebrated their 75th Anniversary in Columbus, Ohio. Approximately 150 people attended the celebration and all appeared to have had a wonderful time.

Finally, I would like to congratulate Gamma Delta for ranking 10th in the nation for grades and number one in Province V. (I promise no more about Gamma Delta). Also, congratulations to all the new International Officers and best of luck in your new positions.

- Cameron Van Dyke

PACIFIC GRADUATE CHAPTER

Welcome back after an exciting summer! That's especially if you had attended the Grand Council Convention in Cape Cod this past August. It's

Left to right: Derek Larbie, George Wang, Anna Castellano, David Icard, and Cbris Alexander at 2nd Pledge Function.

Rebecca Knight receives her award from Dr. Allison Welder.

Robie Harrington & Tammy Kinucan.

1995 Napa Valley Wine Tour:

Brother Donald Florridia, 1994 Homecoming recipient of the Grand Regents Letter of Recognition

always great to exchange memories and fraternal spirit with other chapters. Well, at Pacific Grad this past summer, the place to be WAS the "Southern California Event" that took place at Brother Jamie Tobits' place. It was a success, considering this is the first time we have planned an event in Southern California. We would like to thank all the Brothers that contributed to make this such a successful event.

During the month of June was our annual Summer Luau at Brother Ky Vaca's home. We thank Brother Ky for his perpetual support of Gamma Nu and Pacific Grad. Despite record breaking heat in the central valley the bar be que was a success. All brothers in attendance left burnt to a crisp. This is our major fund raiser for the year that allows our collegiate chapter to achieve their academic and social goals for the upcoming school year. We thank all our graduates for supporting our collegiates once again.

Besides the Luau and GCC, in the spring was the annual wine tour. We toured four wineries this year. The wineries visited were: Groth, Vichon, S. Anderson, and William Hill. After a sparkling wine cellar it's pretty hard to go back to vino, so we did the only logical thing to do. On to Happy Hour! We sent the collegiates home and went out on the town. Dinner was at Tonelli's in Napa, courtesy of Brother Richard Leong. After six hours of dining and feasting we ended up at a Karoke bar. Needless to say the crowd was

put to the test and tortured by our unexpected duets. The only thing going for us is that we were out of town, and infringed our raw talent on strangers. The crowd suffered through the duet by Brothers Jeff Freund and Don Floriddia singing, "To All The Girls We Loved Before," followed by the Three Stooges' tantalizing finale, "You've Lost That Loving Feeling."

On a more somber note, we regret the loss of Brother Les Bennet, a 1984 graduate and who worked in San Diego at the time of his death. Les served as ASP President and was speaker of the House of Delegates-ASP on a national level.

Homecoming is planned for the weekend of October 13-15 this fall. The alumni banquet is to take place on October 14th of that weekend. Last year, we started a new tradition here at Pacific Graduate with the Distinguished Alumni Award. Last year our first recipient was Brother Donald Floriddia. He was awarded the Grand Regents Letter of Recognition as well as a hand forged silver medallion. Congratulations! Any nominations for this year's homecoming please contact Brother Peter Koo or Don Floriddia. Welcome back!

GAMMA DELTA *Ohio Northern*

Spring quarter at Gamma Delta was quite a hectic quarter for all the actives and alumni.

The quarter began with the Province V Convention, of

Brothers are working hard to make the Professional Project a success.

which we were the proud hosts. The convention was held March 10-11 in Lima, Ohio, at the Holidome. There were approximately 180 brothers present at the convention, which included five national officers. We would like to thank Grand Regent Paul Hiller, Grand Vice-Regent John Grossomanides, Grand Ritualist Brian Reisetter, Grand Counselor Brian Furbush, and Collegiate Member-at-Large Tim Ely for attending the convention. At the convention, there was CE for the graduates, which was given by Brother Jeff Allison, Pharm D., a Regent's roundtable whereby the chapters could discuss their strengths and weaknesses, and finally Gamma Delta held the first ever professional project for Province V. The professional project consisted of painting and moving furniture around in preparation for the grand opening of the Bradford Center in Lima. Finally, Gamma Delta would like to congratulate two of our Brothers that were re-elected to hold Province V offices: Brother Cameron Van Dyke, Historian, and Brother Adam Gross, GCC Delegate.

The following weekend was also a momentous occasion for our chapter as we celebrated our 75th Anniversary. The 75th Anniversary celebration was held at the Hyatt on Capital Square in Columbus, Ohio, on the weekend of March 17-19. Brothers Paul

Hiller and Brian Furbush made the trek back to Ohio for the second straight weekend to help our chapter celebrate this special occasion. The 75th Anniversary also served as our chapter's formal, where we passed out some awards to honor our Brothers. The Brother of the Year Award and the Raabe Award went to Brother P.J. Sheridan, Ryan Burkhart won the Athlete of the Year Award, Scholar of the Year went to Brother Nimesh Desai, and the Regent's Award went to Brother Dan Streetman. The Brothers would like to thank all the alumni that attended the anniversary and a special thank you goes out to Brothers "Scooch" and "McFly" for all their hard work in making the 75th Anniversary very memorable.

After the first two weekends had flown by, it was now time to elect new officers for the 1995-96 school year. The new officers are as follows: Regent: Chad Luebke; Vice Regent: Robb Raush; Secretary: Randy Charles; Treasurer: Nimesh Desai, Steward Jason Hiett; House Manager: Bob Heath; Professional Chair: Chad Meyers; Rush Chairmen: James Parsley, Corey Less; Social Chair: Scott Morrison; Pledge Educator: Darren Wooley; Sgt.-at-Arms: Jeff Pattison; IFC Reps: Mike Sabatini, John Vernon; Historian: Chris Wyse; Scholarship Chairman: Troy Rebert; Sports Chair: Ryan

The Professional Project work crew at Province V.

The new Brothers of Gamma Epsilon.

Burkhart; KPI Chair: Ramesh Subramaniam.

Now that all that excitement had passed we could concentrate on studying, which seemed to have paid off, because at the GCC Convention in August, Gamma Delta was presented with an award for finishing 10th among all chapters in grades and finishing number one in Province V.

We are now making plans for our 76th Homecoming which takes place on October 6-9. If anyone is interested in attending just notify the chapter house.

-Cameron Van Dyke

GAMMA PSI CHAPTER

Mercer University

Gamma Psi hopes that everyone had a great summer. Being a new Brother, I would like to express how honored I am to be one. Gamma Psi initiated eight new Brothers spring semester. They were **Pallav Raval, Sam Lokey, Todd Davidson, Todd Parker, Brett Ramey, Jeremy Swallows, Tanner Odom,** and **Scotty Jarvis**. We were told we were a good group. Following initiation, new officers were elected: Regent: Tommy Meadows; Vice Regent: Jamie Nash; Secretary: Bill Carson; Treasurer: Andy Stoker; Sgt.-at-Arms: Jeff Whimmer; Pledge Master: Pallav Raval; Chaplain: Mike

Robitaille; I.E.C. Reps.: Tanner Odom, Todd Davidson; Historian: Scotty Jarvis.

Last semester, we had a very successful blood drive for the Red Cross and are planning many activities for this next year. Our main goal this year is to become more involved with all the chapters, especially in our Province. Have a great year!

- Scotty Jarvis

GAMMA PHI

University of Georgia

Spring quarter started with the election of new officers. Gamma Phi Brothers have trusted the following to carry on the baton of responsibilities: Regent: Kyle Banks; Vice Regent: Justin Miller; Treasurer: Tracy Odom; Recording Secretary: Mark Novack; Corresponding Secretary: Randy Smith; Historian: Raj Janampally; Sgt.-at-Arms: Heath Gurr; Parliamentarian: Stetson Bennett; Chaplain: Chris Bryons; Pledge Masters: Wesley Colston, Tripp Morgan. Also, we had an opportunity to select a fine group of young ladies as our little sisters. We'd like to thank them for accepting our invitation to be our little sisters, and we welcome them to KY. As a symbol of appreciation, we treated them to a Drive-in Movie night, which turned out to be a memorable event.

New officers got their chance to show their leader-

ship and organizational skills at Blood Drive and Adopt-A-Highway programs. No surprises, both programs were a great success. KΨ Brothers contribution to the success of the College of Pharmacy Open House was very instrumental, both in organizing and participation in the event. This year's Open House was attended by approximately 200 prospective students and their parents. They were given a college wide tour by current pharmacy students and faculty who introduced them to the features of various departments of the Pharmacy school.

On the socializing side, "TOGA" and "Graffiti" parties were great hits, but the Brother retreat at Lake Sinclair tops the charts as the best event of the quarter. This was organized by our regent

Kyle Banks and I might add, he did an excellent job. John Smith's Canoe rides, Kyle Banks' Supper and Tracy Odom's breakfast were highlights of a great weekend.

We would like to congratulate Danny Williamson, Dave Prinzbach, Kevin Woody, Mark Barbee, Jeff Pierce, Neil Wohlford, Rusty Prescott, John Drew, Casey Howell, Al Jones and Alan Parker who graduated this quarter, and also thank them for their contributions to KY at UGA. Also, congratulations to Brother Whip Whipple who has taken the office of Chairperson of DSAC (Dean-Student Advisory Council) at UGA College of Pharmacy.

That's it for now. Have a great summer. See y'all at GCC.

CHANGE, Is It Necessary?

Have you ever felt like a stranger on planet earth? Many of you are probably too young to have experienced such a feeling-like living in a dream world. But some of us have; especially those of us whose children have asked at one time or other, "How did they do it in the olden days when you were young, dad?" Now don't get smug on me, it'll happen to you, too, just wait. I've often thought: why is it that some things taught to us by our grandparents, parents, and teachers are not accepted today? I know, you'll say that those things were old fashioned and people change, and hence it's only natural that they would change. But don't forget that certain things, such as values, never change; they have withstood the test of time. Despite what is shown on TV, there are still many, many good people in this nation who live by certain standards. Then why do things change? I realize that technology has taken us from the typewriter to the computer, and beyond. Now that's good. So there is one answer you could give me. But I'm more interested in the changes in human relations and not in how we do things technologically; at least, not for this exposition.

Now there are some changes that I can't live with! I'll never like Hard Rock, not as long as I have Mozart, the music of the Big Bands and the easy listening stuff. I'd rather not be bombarded by the TV commercials which: enlighten me about the thickest pad-the Maxi-Pad, the one that absorbs the most liquid; the hemorrhoidal suppository that was developed just for women because their tissue is different from men; the actress who tells us that her female gynecologist recommends Monistat 7 for her yeast infections over another brand, or the commercial where a foil-wrapped condom jumps from its box and waltzes across the bedroom floor over to the bed and makes its way under the covers where two people are. . . well, you use your imagination; the hard rock performers (?) whose dress gives the homeless a bad name; and don't forget about the worse part of TV-the sex and violence (blood and guts). God I must be getting old. My grandmother would feel like she was on another planet if she were alive today. Both violence and sex make it to the movies first, and now TV. Even my favorite soap is getting a little too risqué, but there's no violence just yet. Does a steady diet of sex and violence have an ill effect on our society? You bet it does! I must be one of those people who feel, like the song says, "It's Hard to Say Goodbye to Yesterday."

You are asking (if you've read this far) what changes does he like, and what has all this to do with the Kappa Psi Pharmaceutical Fraternity? Well, there are changes taking place in this Fraternity, too. Now, don't fall over. I'm in favor of some of these changes because they have to do with human relations-how we treat each other. Some of the old ways of our fraternal order have gone by the wayside. The majority of our chapters are now coed and this has been good for Kappa Psi. Good, not just because women were allowed into the Fraternity, but good because no one should be denied membership into this great organization. Think for a moment about what we would be doing in preventing someone from growing into the type of professional that you have become due to the influence of Kappa Psi. Perhaps you are thinking about your experiences

in Kappa Psi as you read this. I hope so. Did you learn anything? Were you a leader in your Chapter? I get many letters from Brothers who tell me about what Kappa Psi has done for them. These letters make my job worthwhile; especially since they are from Brothers who are in their 70s and 80s. Those of you who feel differently probably didn't put much into Kappa Psi, and consequently got very little out of it. I feel this Fraternity is very rich in tradition and qualities that others envy. You've made it that way. Then why prevent others from giving of their talents and receiving the benefits from this society? Since I have three daughters, I'm quick to think about them being denied admission into

our Fraternity, if they had gone in pharmacy, because of their gender. This would have hurt me as a father and made me mad as a member. Excuse the cliché: "times have changed." This means, time has changed us, and it also means time has made us wiser. So you can see: time and people are responsible for change. Of course, you knew this all along. One interesting side note: I just read in the 'Interfraternity Bulletin' an article about single-gender organizations written by a female editor for one of the fraternities. She supports such an organization for females so they can attain leadership positions. Such organizations, she claims, prove the value of having women as role models, emphasizing self-esteem, competency and self-worth. Now, some of you probably think this is all well and good. But I think it is an amusing twist and a little chauvinistic. More like a rationalization to keep men out of their organization.

Other changes that have taken place which are good, and I'm much in favor of: Hazing has been outlawed for some time and we are preaching Prudent Partying. In this regard, I'm sure you are aware of Kappa Psi's policies on Hazing and Alcohol and Substance Abuse. They're published quite often and are found in this issue. Please familiarize yourself with these policies-they're extremely important. Kappa Psi is proactive in minimizing the risk of harm to members and nonmembers at the local level. Risk management is big today in the Greek Societies-social and professional. Many campuses are working to create a lasting impact on hazing, alcohol education and abuse prevention. Your Fraternity is no exception. Perhaps you were one of the fortunate Brothers who attended our 47th Grand Council Convention held this past August in Cape Cod, MA. There was a workshop on Risk Management. If you didn't attend, you will get the same information and more from the The Central Office throughout the year and at the Province meeting. Risk Management will be scheduled workshops at all Province meetings and will be incorporated into the local chapter agendas. This Fall's Packet, which you will receive in October, will contain additional things as: "Do You Know The Things That Will Get You In Trouble?," and "What About Prudent Partying?"

Let's get on with treating each other with respect, and work together to increase our "self-esteem, competency and self-worth."

Robert A. Magarian
Executive Director

The History of Kappa Psi Pharmaceutical Fraternity

by Dewey D. Garner

The scope of Kappa Psi in its first century and beyond is captured in approximately 500 pages including over 100 photos. This heritage of considerable complexity traces the Fraternity's evolution from its humble beginning as a New England prep school fraternity across 26 years as a joint medical-pharmacy fraternity and then through more than 65 years as a pharmaceutical fraternity. Major sections include a chronological history of the organization, the Legends of Kappa Psi, a record of the Chapters, both Collegiate and Graduate, Provinces, and Grand Council Conventions, the Official publications and songs, symbols, awards, jewelry, and Fraternity activities.

The book – a tribute to its more than 50,000 members – is available in hardback copy.
