Frank H. Eby

A GRAND CONVENTION

The TWENTY-FIFTH GRAND COUNCIL CONVENTION of Kappa Psi Pharmaceutical Fraternity held recently in Richmond was one of the most outstanding events in the long and active history of the fraternity and very few of us who were in attendance will soon forget it. We saw Southern hospitality, good fellowship, and Kappa Psi spirit at their very best.

To THETA CHAPTER, which made it possible to have such a splendid convention we express our sincere thanks. All of the members of the chapter who planned and worked for some weeks so that the convention would be perfect in every detail can well be proud of their achievements. So many Theta Chapter members participated in and contributed to the various activities, both before and during the convention, that it seems unfair not to mention all by name but space will permit me to compliment just a few. To Brothers Milton L. Neuroth and Regent Ernest C. Spitler, Jr., who organized and directed much of the important convention work, to the chairmen of important committees, Brothers Walter H. Jordan, Jr., Walter P. Bailey, S. W. Wilkinson, Lee Baker, J. Edward Timberlake, Jr., W. B. Thacker, and Lester F. Linthicum, and especially to the degree team for their superb work in the exemplification of the Ritual, I express, in behalf of the entire fraternity, appreciation and gratitude. You were certainly grand and we are extremely proud of you and the splendid way in which you demonstrated the meaning of Kappa Psi fraternalism.

In addition to three important business sessions on Friday and Saturday, the other high lights of the convention included the dinner and professional meeting on Thursday evening, the Exemplification of the Ritual followed by an illustrated lecture given by Brother Martin Ulan on Friday evening, and the SEVENTIETH ANNIVERSARY Dinner and dance on New Year's eve.

The professional meeting held on Thursday evening at which Dr. Justin L. Powers, Mr. Harold V. Darnell, and Mr. George H. Frates of Washington gave important addresses was a new convention feature and certainly an outstanding one. Honorary Membership was conferred on Dr. Powers at the conclusion of the professional meeting.

GRAND OFFICERS

My reelection to the office of Grand Regent is a great honor which I sincerely appreciate and for which I am most grateful. I shall continue to administer the duties of the office in the responsible manner I know you have a right to expect and with the help of a fine Executive Committee, a very able and efficient Grand Secretary-Treasurer, the wise counsel of the other Grand Officers, and the faithful assistance of the Editor of THE MASK, I am sure we can look forward to even greater accomplishments than those of the past years.

All of the newly elected Grand Officers have been actively identified with Kappa Psi for some years. Each brings to his office important administrative experience and a deep interest in young people; each brings a new spirit and a fresh enthusiasm which is so important to the vitality of ALPHA CHAPTER. We welcome each of the new officers and express the opinion that the convention delegates made a wise choice in electing them to important Grand Offices.

(Continued on page 6)

MANY THANKS, BROTHERS OF THETA

Brothers of Theta Chapter, members of Kappa Psi from far and near will always be grateful to you. Your collegiate, facultate, and alumni members must have worked many hard and long hours in making preparations for the recent national meetings at which you so ably served as hosts. Those of us who have never had to aid in arranging for such meetings cannot possibly realize how much effort was necessary in order to make our convention a success. And you may rest assured that it was a success in every way.

The Twenty-fifth National Grand Council Convention of Kappa Psi Pharmaceutical Fraternity will certainly go down in the historical records of our organization as a landmark of great import. Again, many thanks.

.

KEEP UP THE GOOD WORK

"Members of Kappa Psi who have never had an opportunity to attend a National Grand Council Convention just can't imagine how much they have missed." We feel that all who were fortunate enough to be present at the recent meetings in Richmond will agree with the above statement which one of the delegates was overheard making during conversation with another member.

Certainly no member of our order can receive a greater inspiration than to meet in national convention with fellows from all corners of our country. At such a time one begins to realize that Kappa Psi is not just a single chapter at some particular school. It is not a small group of chapters isolated in a particular section of this country of ours. Kappa Psi is something much greater than most of us stop to realize. It is nationwide as far as the distribution of its chapters is concerned, but of greater significance is the fact that Kappa Psi is an important part of American pharmacy. Our members are exerting an influence for good, and this is as it should be. Keep up the excellent work, Brothers.

.

LATE, AND WHY

You've all probably been wondering why this issue of THE MASK hasn't reached you long before this time. That you have wondered is certainly quite understandable.

We feel sure that you will realize the difficulties connected with the assembling and editing the copy for a post-convention number of our quarterly. The material is necessarily more voluminous than is ordinarily the case. It takes a longer time to accumulate and organize the typed material and pictures than is usually true. In other words a combination of factors has held up this number.

Everyone concerned has been very cooperative in supplying the material for this issue, and we appreciate the help.

It is our hope that you Brothers will overlook the tardiness in its arrival and that you will find this number of THE MASK of interest.

.

MISCELLANY

You should have seen the large "Welcome Kappa Psi" sign over the main entrance of the Hotel John Marshall. No one in passing could possibly have missed seeing it.

The convention received some excellent publicity in the Richmond papers. The local publicity committee must have been on the job.

What a stimulating experience it was to watch the exemplification of our ritual by the well drilled degree team from Theta Chapter. The fact that the participants had memorized their parts and the wearing of the new official regalia made the ceremonies very impressive. Well done, Brothers.

Steve Zuty of the Connecticut Graduate Chapter, with his movie equipment and recorder, was much in evidence at the various sessions and other functions. We're all anxious to see and hear the results of Brother Zuty's efforts.

Brothers Bishop, Layman, and Brown of Theta, and Brother Winkler of Gamma Delta were right on the job taking pictures of the various "doings" all through the convention.

Too bad that space doesn't permit mentioning the names and duties of all of the Brothers who contributed to the success of our Twenty-fifth National Grand Council Convention. Everyone contributed and you'll have to look at the list of registrants to find all of the names.

The Editor wishes to take this opportunity to compliment Grand Regent Eby for the fine way in which the business sessions of the convention were conducted and for the inspiring talks which he presented.

What an inspiration it is to have the privilege of associating with such men as Brother H. C. Wood, Jr., and the other great men of American pharmacy whom one meets at a Kappa Psi convention.

How many of you who were in Richmond for the meetings have tried to decide what impressed you most? Pretty difficult, eh? Everything must have left a lasting impression in the minds of the visiting Brothers.

What a fine job our Theta Brothers and their wives and sweethearts did in entertaining the visiting ladies. Radio broadcast, fashion show, luncheons, a trip to historic Williamsburg, among other things. On behalf of the ladies, many thanks.

Can you think of a more appropriate way of concluding a successful convention than with a New Year's eve banquet and dance such as were held in the Virginia Room of the John Marshall? We can't. Paper hats, noise makers, favors, etc. Southern hospitality at its best, we say.

How about that John Marshall cream pie served in the Coffee Shop? Another one of those food items for which the South is so famous.

Will you ever forget the expression of Brother Eby's face when he was presented with the jeweled Grand Regent's badge by the GST?

Brother Ulan is to be congratulated for the fine illustrated talk on his recent travels through Europe.

Well, we can all now say that we've seen Brother Kelley rendered *almost* speechless, at least on one occasion.

Everyone was extremely pleased to meet Dean Emeritus Wortley F. Rudd of the Medical College of Virginia at one of the business sessions. American pharmacy owes much to such a man.

It's a pleasure for Kappa Psi to be able to number Dr. Powers among its honorary members.

The educational addresses by Dr. Powers, and Messrs. Frates and Darnell, presented at the "get acquainted" dinner, constituted an innovation at a Kappa Psi convention. The talks were well received and this practice should be continued at future meetings.

Brother Joseph J. Prisk, one of the delegates from Mu Omicron Pi, extended an invitation to us to meet in Detroit for the 1951 convention. We heard many comments favoring this idea.

The Kappa Psi Sweetheart has been accepted as an official song of our fraternity. Information concerning the obtaining of copies can be supplied by Beta Sigma Chapter.

Brother Carl Kyburz of the Detroit Graduate Chapter has composed the lyrics which have been set to music and entitled the *Kappa Psi March*. Brother Kyburz's address is 3206 Blaine, Detroit, Michigan, in case any members wish to write for information concerning this matter.

Gamma Rho is now numbered among the chapters of Province VII.

According to the Credentials Committee report presented by Chairman Hassan there were, among the registered delegates, representatives of thirty-five of our thirty-nine collegiate chapters, eight of the fifteen graduate chapters, and five of the seven provinces. Surely a commendable showing.

Dr. Neuroth and Regent Spitler certainly had their hands full as general convention chairman and general co-chairman respectively. These men and all of their Theta Brothers deserve a lot of credit.

The CARE Book Program seems worthy of our organization's support. It is hoped that all chapters will get behind this idea.

First Grand Vice Regent Fischer will serve as Supervising Grand Officer of Province VII; Second Grand Vice Regent Goldner of Province VI; Third Grand Vice Regent Neuroth of Province I; Grand Counselor Thayer of Province IV. Brother Thayer is also chairman of the Legislative Committee.

The Smiths certainly showed up strong at roll call. Five members with this name were registered.

Many thanks to you fellows for the numerous kind words concerning THE MASK.

Don't you believe that the many chapter visitations by our Grand Officers have had a lot to do with the healthy condition of Kappa Psi today?

Our chapters are to be complimented on the high scholastic standing of their members. Yes, it certainly pays to select members carefully.

Nearly 6,000 copies of *each* issue of our quarterly are placed in the mail. Not a bad circulation, eh?

According to the GST's report there are now 1,596 collegiate members as compared with 1,008 at the time of the 1947 convention.

The great variety of chapter activities reported by the collegiate delegates were surely worth learning about. Among them were chapter basketball teams, scholarships, handbooks, inviting of alumni to formal dances and other functions, wheelchair basketball with amputee veterans teams, radio talks on pharmacy, ladies' auxiliary, selling of sports wear to members, tug-of-war, donations for additions to school libraries, smokers, talks on current affairs at chapter meetings, breakfasts at state pharmaceutical meetings, and many, many others. Too bad that details of all of them could not be put into print.

We understand that several dormant graduate chapters are planning reactivation.

Grand Historian Fenney's report gave us all a better understanding of the early days of Kappa Psi. The reconstructed model of our original badge attracted lots of attention.

The newly revised ritual is soon to be prepared for publication.

Our thanks to the many chapters which sent us greeting cards at Christmas time. Very thoughtful of them.

Probably many other notes should be included here, but space is running short.

From the Desk of the Grand Regent

(Continued from page 2)

We are very glad that the delegates reelected the Grand Secretary-Treasurer, the Grand Ritualist, and the Grand Historian so that they may continue their important and valued services.

Three retiring Grand Officers, Grand Vice Regents George E. Crossen, Tom D. Rowe, and Charles C. Rabe contributed much to the success of our fraternity during the last two years and we are most grateful for their fine services and faithful cooperation. We shall miss each of them and trust that they will always continue their fraternity interest.

A Brief Report of the Twenty-Fifth National Grand Council Convention*

The Twenty-Fifth National Grand Council Convention of Kappa Psi Pharmaceutical Fraternity was held at the Hotel John Marshall in Richmond, Virginia on December 29-31, 1949. The members of Theta Chapter of the Medical College of Virginia served as hosts at these meetings which marked the seventieth anniversary of the organization's founding. Dr. Milton L. Neuroth of the Medical College of Virginia was general convention chairman and Ernest C. Spittler, regent of Theta Chapter, filled the position of general co-chairman.

Delegates from all sections of the country registered on the afternoon of December 29. A "get-acquainted" dinner was held that evening in the roof garden of the John Marshall. Following the dinner those present had the pleasure of listening to educational addresses by Dr. Justin L. Powers, editor of the scientific edition of the *Journal of the American Pharmaceutical Association* and chairman of the Committee on the National Formulary, Mr. George H. Frates, chairman of the Extension Committee of Kappa Psi and Washington representative of the National Association of Retail Druggists, and Mr. Harold V. Darnell, pharmacy editor of the practical edition of the *Journal of the American Pharmaceutical Association*. As a part of the program following this dinner Dr. Powers was presented with an honorary membership in Kappa Psi.

Regular business sessions, presided over by Grand Regent Frank H. Eby, were held on Friday and Saturday. Reports of the various national officers, committees, and delegates from the chapters and provinces were heard. A degree team from Theta Chapter did a fine job of presenting an exemplification of the ritual in ceremonies held at the College Social Center of the Medical College of Virginia on Friday evening, December 30. These ceremonies were made even more impressive by the official regalia worn by the participants.

Grand officers were elected at the business session held on Saturday morning, the 31st. Those chosen were: Dr. Frank H. Eby of Temple University, Grand Regent; Dr. Louis Fischer of the University of Washington, First Grand Vice Regent; Dr. Karl J. Goldner of the University of Tennessee, Second Grand Vice Regent; Dr. Milton L. Neuroth of the Medical College of Virginia, Third Grand Vice Regent; Professor Ray S. Kelley of the Massachusetts College of Pharmacy, Grand Secretary-Treasurer; Professor Nicholas W. Fenney of the University of Connecticut, Grand Historian; Dean Ralph W. Clark of the University of Oklahoma, Grand Ritualist; Dr. James R. Thayer of the St. Louis College of Pharmacy and Allied Sciences, Grand Counselor.

The meetings were closed with the holding of the Seventieth Anniversary Banquet and New Year's eve dance in the Virginia Room of the headquarters hotel on the evening of Saturday, December 31. One of the highlights of this evening, and of the entire convention, was the presentation of a wrist watch and scroll of appreciation to Grand Secretary-Treasurer Kelley for the fine work which he has done in this office for Kappa Psi over a period of nearly ten years. Chapters of Kappa Psi throughout the country made these gifts possible, and Grand Counselor Thayer made the presentation.

The members in attendance at this convention will forever be grateful to the brothers of Theta Chapter who did so much in making these meetings a success, and for the well organized entertainment provided for the lady guests.

* *Editor's note:* A copy of this report was also submitted for publication in the January, 1950 number of *Banta's Greek Exchange*.

Biographical Sketches of New Grand Officers*

FIRST GRAND VICE REGENT LOUIS FISCHER

Louis Fischer was born in Seattle, Washington, on August 18, 1905. His early education was received in Seattle, and he entered the College of Pharmacy, University of Washington in the fall of 1922. He received the Ph.C. and B.S. degrees and became a registered pharmacist in 1926. The next two years were devoted toward the M.S. degree which was received in 1928; during this same time he was employed as pharmacy stockman. With a major in pharmaceutical chemistry and a minor in botany and chemistry he received the Ph.D. degree in 1933. From 1929 to 1935 he served as assistant State Chemist. At the present time he is Professor of Pharmaceutical Chemistry at the College of Pharmacy, University of Washington, Seattle, Washington. Besides his teaching duties and directing graduate research which began in 1935, he has been an official grader of dairy products with the United States Department of Agriculture since 1942.

He has also been employed as a research chemist for the National Canner's Association, the Washington State Liquor Board, and has served as a Marketing Specialist with the United States Department of Agriculture for a limited period during the war.

He is an auxiliary member of two U.S.P. Revision Sub-Committees as well as a proof reader for the U.S.P. In addition, he has been a member of the National Prescription Information Service Board. He is a member of Sigma Xi, Rho Chi, Phi Sigma, Research Society, A.A.U.P., American Pharmaceutical Association, the Institute of Food Technologists, Faculty Club, and the Masons. He became a member of Kappa Psi in 1925 and was instrumental in the reactivation of Beta Omicron chapter in 1947 serving them as Faculty Advisor, and in 1948, as Satrap of Province VII. First Grand Vice Regent Fischer will now serve as supervising grand officer of Province VII.

Dr. Fischer was married to Marion Margaret Christenson in 1929 and has two children, Marion Elaine, age 19 and Brian Louis, age 14. He lives at 5627 Park Road in Seattle, Washington.

SECOND GRAND VICE REGENT KARL J. GOLDNER

Karl J. Goldner, our newly-elected Second Grand Vice Regent, was born in Minneapolis, Minnesota, on November 20, 1909. He graduated from high school in January, 1927, and immediately entered the College of Pharmacy of the University of Minnesota. He comes from a family of pharmacists, his father being a registered pharmacist and his two brothers graduates of the University of Minnesota. His nephew carries on the family tradition and is a member of Epsilon Chapter of Kappa Psi, the same chapter that Dr. Goldner was initiated into in 1929. Brother Goldner received the bachelor of science degree in 1930 and the master of science in 1932. While working for the doctorate, he was teaching assistant in the department of pharmacy of the University of Minnesota. The degree was awarded in 1938. From 1937 to 1940 he served as instructor in pharmacy at the University of Wisconsin. From 1940 he has served as assistant professor, associate professor, and professor at the School of Pharmacy of the University of Tennessee at Memphis.

Brother Goldner has been Grand Council Deputy of Psi Chapter for the past five years, and it is largely through his efforts that Psi Chapter has made great strides forward

* See pictures of Grand Officers in another part of this issue.

in the post-war years. He is co-author of two pharmaceutical textbooks and author of many papers in the pharmaceutical field. He is the proud possessor of a Kappa Psi Scholarship Key and is a member of Rho Chi, Phi Lambda Upsilon, Sigma Xi, A.A.A.S., and A.Ph.A. He has taken an active interest in the affairs of the A.Ph.A. and the A.A.C.P. and was chairman of the Conference of Teachers of Pharmacy in the year 1946-47. Brother Goldner will serve as Supervising Grand Officer of Province VI.

Dr. Goldner was married to Nora Herland in October, 1937, and they have three children: Karen Joan, 11; Harvey Edwin, 7; and Bonnie Kay, 15 months old.

THIRD GRAND VICE REGENT MILTON L. NEUROTH

Milton L. Neuroth, newly-elected Third Grand Vice Regent of Kappa Psi Pharmaceutical Fraternity, was born in Fort Wayne, Indiana on November 12, 1908. He has been the recipient of the following earned degrees from Purdue University: bachelor of science, 1935; master of science, 1940; doctor of philosophy, 1945. Brother Neuroth is a registered pharmacist by examination in the states of Ohio, Indiana, and Virginia.

His professional experience includes positions as control chemist for the General Cable Corporation, Fort Wayne, registered pharmacist for the Meyer Brothers Drug Company, Fort Wayne, member of the faculty at the School of Pharmacy of Ohio Northern University, and member of the faculty at Purdue University's College of Pharmacy. In 1946, Dr. Neuroth joined the faculty of the School of Pharmacy at the Medical College of Virginia as assistant professor in pharmaceutical chemistry. From 1947 to 1949 he served as associate professor of pharmacy. In 1949, Brother Neuroth became professor of pharmacy and chairman of the Department of Pharmacy at M.C.V.

Dr. Neuroth is the author of a number of scientific papers which have appeared in such publications as *Science*, *The Virginia Pharmacist*, and *Journal of the American Pharmaceutical Association*. In addition to being a member of Kappa Psi he also belongs to Rho Chi Society, Sigma Xi, Phi Lambda Upsilon, Beta Sigma Psi, the Masons, the International Association of Torch Clubs, American Pharmaceutical Association, and Virginia Pharmaceutical Association.

He has served on the Executive Committee of Rho Chi, and at present is a member of the Legislative Committee of this honor society. In addition he is a member of the Professional Relations Committee of the Virginia Pharmaceutical Association and chairman of National Pharmacy Week Committee. At the recent national convention of Kappa Psi in Richmond he served as general chairman.

Brother Neuroth is Satrap of Province III, and he has recently been appointed Supervising Grand Officer of Province I.

Dr. and Mrs. Neuroth, and three children live at 903 Woodberry Road in Richmond.

GRAND COUNSELOR JAMES R. THAYER

James R. Thayer was born, on a farm, near the small northeastern Ohio town of Medina on September 7, 1897. He lost his father when a year old and being an orphan helped compensate for being an only child. Early in life he became acquainted with the chronic vacuum in the family wood box and soon after the configuration of the handles of various farm implements. Coercion was necessary but the callouses were genuine.

He attended the public schools in Medina, graduating from high school in 1917. The only outstanding characteristic of his early school days was a capacity for getting into trouble. The only redeeming feature was a fondness for reading, fostered no doubt by the fact his aunt was local librarian. During these early days time filched from work was

invested in the usual boyhood enterprises, especially fishing and hunting. That investment of time has always remained characteristic.

He matriculated at Ohio University in the fall of 1917, balanced precariously between journalism and chemistry. Finally he fell off on the less exacting side of the fence. During his last year at O.U. he served as an assistant in the Chemistry Department, a source of great personal pride and an occasional square meal. The most important acquisition of this period, interrupted several times by World War I and personal insolvency, was the desire to learn more.

After receiving the A.B. degree in 1922, the easiest method of accumulating funds seemed to be in teaching. Accordingly the following autumn found him the perplexed principal of the Milford, Ohio High School, and the following year teaching science in the Gibsonburg, Ohio High School (better salary).

In the fall of 1924 he entered the University of Wisconsin as a graduate student, electing organic chemistry as a major. A shortage of teachers dictated his appointment as an assistant the following January. Once in hand the assistantship was retained by fair means and foul during the rest of his stay in Madison. During this period election to the usual graduate organizations was donated and a lot of hard work invested. An M.S. was granted in 1926, and a Ph.D. in 1928.

Thereafter he accepted employment with Parke Davis & Company for one year in organic research and then, longing for the lush, educational pastures taught chemistry and somewhat related subjects at the California College of Pharmacy. In the fall of 1930 he became associated with the St. Louis College of Pharmacy, in which sanctuary he is still hibernating.

Grand Counselor Thayer will serve as Supervising Grand Officer of Province IV and chairman of the Legislative Committee.

Dr. and Mrs. Thayer, and two children live in suburban Webster Groves, Missouri.

MORE CONVENTION PICTURES WANTED!

Members who took pictures during the recent National Grand Council Convention in Richmond are requested to send glossy prints to the Editor for inclusion in the April issue of *The MASK*.

We are particularly interested in obtaining pictures which show Collegiate, Graduate, and Province delegates. Won't you help us out by sending prints along promptly?

Doctor Powers Presented with Honorary Membership

Kappa Psi is indeed fortunate to be able to number among its honorary members Dr. Justin L. Powers, editor of the scientific edition of the *Journal of the American Pharmaceutical Association* and chairman of the Committee on the National Formulary.

Presentation of the honorary membership was made by Grand Secretary-Treasurer Kelley at the opening dinner of the recent National Grand Council Convention on Thursday evening, December 29, 1949.

Dr. Powers' academic training in pharmacy was obtained at the University of Michigan

DR. JUSTIN L. POWERS

from which he received the bachelor of science degree in pharmacy in 1924, and graduate study at the University of Wisconsin where he earned the degree of doctor of philosophy.

His professional career includes teaching positions in the pharmacy divisions of Washington State College, Oregon State College, and the University of Michigan.

During World War I, he served successively in the Medical Corps and in the Infantry of the United States Army.

He is a registered pharmacist in the state of Michigan where he practiced pharmacy for a time and served for one year as a pharmacist to the University of Michigan Health Service.

In 1940 Dr. Powers joined the headquarters staff of the American Pharmaceutical Association Laboratory. In 1942 he was elected Editor of the Scientific Edition of the *Journal of the American Pharmaceutical Association*. In 1947 he relinquished the posi-

tion of Director of the American Pharmaceutical Association, and since that time has devoted the major portion of his efforts to the National Formulary and the Scientific Edition of the Journal. With the publication of the Ninth Edition of the National Formulary in 1950, he will have directed the revision of three editions.

Dr. Powers is the author or co-author of a number of contributions to scientific journals and of a textbook on prescription compounding.

Dr. Powers holds membership in the American Pharmaceutical Association, the American Chemical Society, the American Association for the Advancement of Science, and during the past several years has been named an honorary member of nine or ten foreign academies of pharmacy and colleges of pharmacists.

In addition to holding honorary membership in Kappa Psi, he is also a member of the Delta Tau Delta and Phi Delta Chi Fraternities. He also is a member of Rho Chi, Phi Lambda Upsilon, Sigma Xi, and Phi Sigma.

In accepting honorary membership in the Kappa Psi Fraternity, Dr. Powers stated that he considered election to this honorary membership one of the most significant and outstanding recognitions and honors of his entire career.

Award of Appreciation Made to Grand Secretary-Treasurer Kelley

Through the combined efforts of chapters of Kappa Psi throughout the country it was possible, during the recent convention, for our fraternity to show its appreciation, in some small way, for the long and untiring service rendered it by Grand Secretary-Treasurer Ray S. Kelley. Certainly no one is more deserving of recognition for his devotion to Kappa Psi. With the faithful cooperation of the other Grand Officers, Kappa Psi has prospered and grown into a great and influential fraternity during Brother Kelley's terms of office.

Following the Seventieth Anniversary Banquet held in the Virginia Room of the Hotel John Marshall on New Year's eve, Brother Kelley was presented with a *Lord Elgin* wrist watch and a beautifully lettered and framed scroll of appreciation. Grand Counselor James R. Thayer, member of the faculty of the St. Louis College of Pharmacy and Allied Sciences, made the presentation.

Scroll of **A**ppreciation

The members of
Kappa Psi Pharmaceutical Fraternity
present this Scroll and Award
to

Ray **S.** **K**elley

Grand Secretary - Treasurer

with their deep affection and sincere gratitude for his inspiring leadership, wise counsel and the outstanding contributions he has made in the attainment of the objectives of the Fraternity.

Given at the twenty-fifth
Grand Council Convention
December 31, 1949
Richmond, Virginia

From the Desk of the Grand Secretary-Treasurer

BROTHERS OF KAPPA PSI:

The written word cannot adequately express the gratitude felt by Mrs. Kelley and myself for your kindness to us. Those of you who were present at the dinner on December 31 know that we were deeply touched by the gift of the Scroll of Appreciation, the beautiful watch, and the lovely necklace, bracelet and earrings. We find pride and joy in the possession of these tokens of your esteem. Our service to Kappa Psi has always been a pleasure to us. You have been kind and friendly to us on every occasion that we have been privileged to meet with you. We always feel "at home" in your company. To each of you, who had any part in making these gifts possible, we can simply say, "Thank you."

Fraternally,

RAY S. KELLEY

Since our last message, we have had the pleasure of meeting together at our National Convention. We are certain that this meeting of the Grand Council will live long in the memory of each one present at the many business and "social" sessions. 35 Collegiate Chapters, 8 Graduate Chapters and 5 Provinces were represented by one or more delegates. A spirit of harmony, co-operation and friendliness was present everywhere. The reports given by the delegates for their respective chapter or province, were well presented and indicated many and varied worth-while activities within the individual chapters. Theta Chapter was the perfect host to Delegates and Guests. Their hospitality was enjoyed and deeply appreciated.

The reports of your Grand Officers, of your Committees and of the many other Convention highlights are published elsewhere in this issue of *THE MASK*, but two items of particular interest may well be reported here. They are: (1) The Ritual and (2) the Resolutions adopted by the Grand Council.

The Ritual. During the past two years the revised Ritual has been used by all chapters. The 1947 Grand Council Convention authorized the use of this revised Ritual for a two year trial period. On Friday evening, December 30, 1949, the degree team of Theta chapter exemplified the Ritual in full ceremonial form. The beauty of the regalia and the perfection with which the lessons of the Ritual were presented, made a deep and lasting impression upon all the brothers. The time required to perfectly learn and present the Ritual and the money expended for the regalia to add color, beauty, and dignity to the ceremony are worth-while. This is a very important matter which should be considered by every individual chapter.

At the business session on Saturday, December 31, 1949 the revised Ritual was presented to the Grand Council for adoption. One important change was voted, namely "The Test Grip" to precede the "Grip of the Order." Several minor changes in the wording of the Ritual were approved and the Grand Ritualist was authorized to prepare the Ritual with the additions and changes as directed. The Grand Ritualist was then to submit the completed Ritual to the Executive Committee for approval. If, and when, approved by the Executive Committee, the Ritual was to be published and become the official Ritual.

The Resolutions Committee consisting of Pierre Smith, Carl Winkler and James Thayer, Chairman, reported to the Convention on Saturday December 31, 1949. Chairman Thayer read the report for his committee. The following resolutions were presented and action was taken as indicated:

RESOLVED that the factual report presented by Grand Regent Eby be accepted in toto. And further, that the many services of the Grand Regent to the fraternity, not mentioned in his annual report, be accepted with sincere thanks.

Resolution adopted.

RESOLVED that each member who is a registrant at the Grand Council Convention pay a registration fee of five dollars (\$5.00) and in addition a fee of not more than five dollars (\$5.00) for each guest. The proceeds so collected shall be used to help defray the expenses of the host chapter.

Resolution adopted.

RESOLVED that Article 15, Section 105 of the Constitution be amended to allow the delegates sent to a Province meeting to elect at this meeting the Province delegate to the National Convention, and that the elected member be notified by his Province secretary at least one month prior to the Grand Council Convention.

Referred to the Legislative Committee.

RESOLVED that the Grand Historian compile whatever information is now available concerning the history of our Fraternity, and either have published a separate historical volume, or utilize one complete issue of THE MASK as a historical number. Also, that the histories of individual active and graduate chapters be published from time to time in succeeding issues of THE MASK.

Referred to the Executive Committee.

RESOLVED that the Scholarship Committee make a careful study of the scholarship standing of the membership during the next two years and where possible give such aid as may be necessary for the improvement of the scholarship program.

Resolution adopted.

RESOLVED that the Grand Council Convention acknowledges its indebtedness to the Theta chapter and all others connected with it for the able manner in which they have made possible the conduct of this Grand Council Convention, and our sincere thanks for the gracious hospitality they have extended to each of the guests at the Convention.

Resolution adopted.

RESOLVED that this Grand Council Convention acknowledge by a rising vote of thanks the splendid services rendered by Alpha chapter and all its appointees during the current year.

Resolution adopted.

RAY S. KELLEY,
Grand Secretary-Treasurer

Reports of Grand Officers and Committees

REPORT OF THE GRAND REGENT

Frank H. Eby

Brothers in Kappa Pharmaceutical Fraternity:

I consider it a very great honor to greet officially, the delegates and members of Kappa Psi Pharmaceutical Fraternity, who have come from all parts of the United States to take part in our 25th Grand Council Convention. I am delighted to welcome you and express the wish that each of you may have a pleasant and profitable visit with your many brothers from almost fifty chapters.

Two years have passed since our last meeting was held in Chicago. They have been years of prosperity and achievement and in many ways, possibly the two best years our fraternity has ever experienced.

The year 1949 is a memorable one in our history since it marks the 70th anniversary of the founding of our beloved brotherhood.

The original Kappa Psi Fraternity was a preparatory school organization and according to records, was founded in 1879. It was carried into college by some of its early preparatory school members and the first college chapter was organized at the University College of Medicine in Richmond, Virginia. This chapter later affiliated with Theta chapter our host on this occasion.

It is quite fitting that we should return to Richmond to celebrate the anniversary of our founding and also to meet in this, our largest and most important Grand Council Convention.

Richmond is one of America's great cities with a rich heritage. It has long been known for its hospitality to visitors and its kindness to them has long been one of its marks of distinction. To say that we are delighted to be here is certainly an understatement. All of us, from every corner of the United States, are most grateful to our brothers of Theta chapter, both Collegiate and Graduate, and to the Virginia Medical College and those citizens of Richmond who have made every effort to make this occasion an outstanding one.

It is a great privilege for me to address you as Grand Regent. It gives me the opportunity to report on the state of the fraternity, to make such recommendations as may appear to be constructive, and it also gives me the opportunity to thank and express appreciation to all of those who contributed so much in so many ways to bring our fraternity to its present position of honor and prestige in the profession.

I think that all of us should be extremely proud and grateful that we can meet in a National Grand Council Convention such as we are enjoying here today in Richmond. Many fine things will come as a result of this constructive meeting with its splendid spirit, warm enthusiasm and new friendships. Only through meetings such as this can the full significance of our fraternity and the scope of its influence be appreciated and understood by the members.

As we review the records of our fraternity during the last twenty-five years, that is, since it became a pharmaceutical fraternity, only two Grand Council Conventions have ever been held, the first in 1941 and the second just two years ago. During the early, difficult years, when Kappa Psi Pharmaceutical Fraternity was struggling to maintain its existence, there were no national conventions but only short meetings, most of which were held at convenient times during the conventions of the American Pharmaceutical Associations. Few, if any, collegiate members attended these meetings and thus they did not have an active part in the affairs of the fraternity such as you have here today. However, through all the years since 1925 when our pharmaceutical fraternity was chartered,

our strength has been increasing slowly but surely so that we have now reached a point where we are so well organized and our affairs conducted so efficiently that this large national convention comes as a matter of form.

We owe our present strong position largely to the loyalty and devotion of many brothers in many parts of our country. Over the years we have enjoyed the whole-hearted support of many Deans and faculty members in our schools of pharmacy. Some of these have contributed immeasurably to the success of the Collegiate Chapters and thus to the strength of our national organization. Many Graduate Members, not associated actively with the colleges and universities have aided materially in the reactivation of dormant chapters. Their interest and fine cooperation have been extremely valuable. During the last several years, the full cooperation of the Grand Officers, the Executive Committee and the Province Officers have made my job a very pleasant one. Certainly we could not have experienced our present solidarity without the fine support and complete loyalty of these officers and committee members.

One of the most outstanding contributions to our success has been the exceptionally strong leadership of the collegiate chapter officers. Many of these officers, with brilliant war records, brought to their respective chapters the broad experience of their years of service in the military forces which enabled them to conduct the affairs of the chapters in a most efficient manner. It is a fact, with possibly few exceptions, that our chapters now enjoy the greatest prestige they have ever experienced since Kappa Psi Fraternity was first organized.

In reporting some of the activities of our fraternity, I shall be brief since many of them have already been covered by articles which have appeared in *THE MASK*. A number of activities will be reported by the various Grand Officers and Special Committees.

VISITATIONS

For the first time in the history of Kappa Psi Pharmaceutical fraternity I am glad to report that all chapters have been visited by a Grand Officer during the last two year period. If the many favorable comments which have been expressed by the chapters are criteria, then these visits are expected and they are sincerely appreciated. We believe they have contributed much toward a better understanding and a closer co-operation between the National organization and the Collegiate and Graduate Chapters and so far as our income will permit, these visits should be continued in the future.

PROVINCE ASSEMBLIES

Since the last meeting of the Grand Council, Province Assemblies were held in Provinces I, II, IV and V. A total of twenty-one chapters and approximately two hundred and fifty members participated in these splendid meetings.

If we review the records covering the last twenty-four years, we find that most of the Provinces east of the Mississippi have been meeting with considerable regularity, especially Provinces I and II. West of the Mississippi, where chapters are fewer and widely separated, travel expenses and other problems have resulted in few Province meetings during the same period.

Those of you who have had the privilege of attending one of the assemblies during the last two years will agree, I am sure, that these meetings have been well worth while. Meeting new brothers, making new friends, exchanging ideas and discussing mutual chapter problems have resulted in a better understanding of our Fraternity objectives and a finer appreciation of fraternity values.

The worth of Province Assemblies depends on well planned programs. Two items of special interest which concern all Provinces are By-Laws and Finances. Each Province should prepare By-Laws and send these to the Grand Secretary-Treasurer who will present them to the National Legislative Committee for approval. Likewise, each Province should formulate a sound financial program for meeting the normal expenses of the

Province Assemblies. Several years ago, both Province I and Province II approved financial programs in which small annual per capita assessments are made on the Collegiate members with special assessments being levied on the Graduate Chapters. Both of these Provinces have been functioning smoothly as a result of these sound financial programs.

In order to promote a good exchange of worthwhile ideas, each Province Assembly should include on the program at least one round-table discussion. The following topics are suggested for discussion: The Pledge Program, Chapter Finances, Promoting Good Scholarship, Good Public Relations, Graduate Chapter Relations and Planning for a Chapter House.

I am hopeful that the active Provinces will continue to hold their assemblies on the same high level and that all Provinces are able to have assemblies during the next two years.

THE MASK

Brother Maynard W. Quimby, Editor of THE MASK, will present a full report on our splendid quarterly publication. I know that he will be very modest in reporting on his accomplishments and it is for this reason that I want my report to include an expression of gratitude for his outstanding work as Editor during the last two years. Although he assumed the duties of the office with considerable reluctance because of other important responsibilities, he has succeeded in remaking THE MASK so completely that I feel safe in saying it is one of the finest publications of its kind.

THE HONOR ROLL

The completion of the Honor Roll was another outstanding accomplishment of Brother Quimby which should not go unnoticed. The recognition of service and sacrifice in the Second World War, by our hundreds of patriotic brothers is one of the important achievements to our credit during the last two years. The compilation of almost 2,500 names was a big task which could not have been completed without the untiring efforts of Brother Quimby. For his fine work as Editor and the preparation of the Honor Roll, I wish to express my personal thanks and I know all the Grand Officers join me in expressing their gratitude.

CENTRAL OFFICE

Possibly there are many of you who do not realize that Kappa Psi has been growing steadily during the last several years and that we have become a large professional fraternity. A fine national spirit, outstanding good will among members of all chapters and splendid relations between chapters and the colleges could not have been accomplished without a strong, well organized Central Office. All of us are cognizant of the fact that our Grand Secretary-Treasurer Kelley, a member of the Faculty of the Massachusetts College of Pharmacy, has done an exceptionally fine job since taking over the duties of the office in 1941. However, many of you may not realize that he utilizes only his spare time to direct the numerous activities of the Central Office which is certainly a tribute to his splendid executive ability. Those of us who have worked with him know of the fine service he has rendered in handling the tremendous responsibilities of his office and I am sure Kappa Psi has never had a more devoted Grand Officer. In expressing my personal thanks for his unselfish services, I also want to express the wish that he may continue his fine work in our behalf for many years to come.

MISCELLANEOUS

While I know the various Grand Officers and Committee Chairmen will report on a number of activities, I want to compliment the Collegiate Chapters on their membership activities which have not only produced our greatest membership but outstanding quality

with it. I also want to compliment the chapters for their fine scholarship achievements; for their fine support of the Student Branches of the American Pharmaceutical Association and for maintaining high standards of conduct in chapter and campus activities.

OUR FUTURE

During the last several years, considerable criticism, much of it unwarranted, has been leveled at Greek Letter Societies in our colleges. Many of you have read some of the articles, most of them uncomplimentary, which have appeared in the public press and I am sure some of you must have felt that the criticism was aimed directly at you.

The problem of unfair criticism of Greek Letter Societies on a national scale is quite serious although there are some organizations that have, by their poor conduct, justified severe criticism. Our Fraternity has had a splendid record over the years which has come as a result of high standards of social and academic conduct. Our record has earned for us the respect and confidence of the administration in many universities and colleges and we want to keep it that way. Since we are a part of the fraternity system we have to take the knocks when criticism is leveled at any one fraternity or the system as a whole but we should resist every unfair attack with effective chapter protest when we know we are right. Our protest, every time there is an unfair attack will help in the general fraternity picture. While we may be a small group in the over all picture, we are important and we have many influential members. Let us not fail to defend our good name and that of fraternities when we are unfairly criticized.

It is my feeling that many fraternities would not experience some of their present difficulties if each member would keep inviolate his vows to maintain secrecy.

The art of silence is an important one which each of us should strive to develop. We should discipline ourselves so that we know when to speak, how to speak when we do, and when to remain silent. The selection of members, their initiation and the conduct of the various chapter affairs are matters which concern us and are strictly our own business. Too few members, I believe, regard fraternity matters with proper seriousness and often speak of confidential matters in the presence of non-fraternity persons. Idle gossip and thoughtless chatter by fraternity members has often resulted in serious chapter problems and poor public relations, resulting in irreparable damage. Every fraternity member has the important personal responsibility of not divulging any fraternity matters and he should remember that the success and possibly the continuation of his chapter, may depend on his ability to keep confidential those matters which are of interest only to himself and his brothers.

As one reviews the developments in our troubled world with its changing social and economic structure, one is impressed with the more or less general disregard for human values.

If we are to preserve the American way of life, each individual must bear important responsibilities, social, economic and in our case, professional. The fact that some may fail to carry their full share does not relieve us of our obligations . . . this, I am sure, all of you know.

I have always been proud of the achievements of Kappa Psi men in college as well as in professional life. I like to feel that for many, Kappa Psi membership has had a significant influence in their lives and that it has aided in the development of a sense of responsibility toward their duties as American citizens and their profession.

Although I believe every chapter makes a sincere effort to maintain the finest traditions of our Fraternity, I do not believe we have achieved all of which we are capable. I believe we must take a more active part in the college communities and their constructive programs and at the same time we must strive to build a strong foundation for the future professional life of our members. For these reasons I am making certain recommendations. Primarily some of these are not new but rather they are reiterations of the ideals and objectives which have guided our fraternity so successfully for many years.

I recommend:

- (1) that all chapters continue to make a careful selection of candidates for membership and pledge only those persons who have fine character traits, show evidence of satisfactory scholarship achievements and have a high regard for our profession.
- (2) that all chapters continue pledge and initiation programs on a high level devoid of any demonstration or horseplay in public and devoid of any other conduct which is unbecoming to professional students.
- (3) that all chapters strive to maintain high scholarship standards and that suitable awards be presented to those members whose scholarly attainments are outstanding.
- (4) that each chapter formulate and adopt a complete financial program at the opening of each college year, under the direction of the Grand Council Deputy so that the financial affairs of the chapters may be conducted according to good business principles.
- (5) that each chapter take an active part in all university and college activities in which students normally participate such as Founders' Day, Freshman Day, Homecoming Day and other important events.
- (6) that the chapters assist in the development of strong Student Branches of the American Pharmaceutical Association and encourage the continuation of membership in this association following graduation.
- (7) that each chapter perform annually, some worthy act of charity, if possible, in the college community.
- (8) that each chapter hold one annual reunion or meeting to which all the graduate members of the chapter are invited.
- (9) that each chapter publish a newsletter for distribution to the graduate members primarily for the purpose of maintaining close relations between these members, their Alma Mater and the Collegiate Chapter.

I know there are other activities in which chapters can participate and I am cognizant of the fact that some chapters now include most of these recommended activities in their annual programs. How much we do is not too important so long as we contribute something substantial which will demonstrate to everyone that our objectives are not narrow and that our programs are devoid of selfishness.

A famous judge, Frank H. Myers recently said "every fraternity teaches and should inculcate in its membership five senses—the sense of LOYALTY, the sense of DUTY, the sense of RESPONSIBILITY, the sense of OBLIGATION and the sense of BROTHERLY LOVE." As we begin a new year, let all of us in Kappa Psi dedicate ourselves to the task of inculcating in our membership these five senses so that we may enjoy all the rich experiences which fraternity life can contribute.

In closing this report I must say that I am proud of the many accomplishments of Kappa Psi Pharmaceutical Fraternity during the past two years and I know there are still greater accomplishments to be realized in the years to come now that we are so firmly established.

To the many brothers, Collegiate, Graduate and Facultate, who have contributed in some way to make the past two years so fruitful, I shall always be grateful.

To our kind and gracious hosts, the members of Theta chapter and to our other good friends here in Virginia, who helped to make this fine convention possible, I wish to say that you have been most considerate and generous, and through me, Alpha chapter expresses its sincere thanks.

I deeply appreciate the privilege of having served as your Grand Regent. I know it is a great honor and I trust that I have been worthy of the confidence of those who made this honor possible.

REPORT OF THE FIRST GRAND VICE REGENT

George E. Crossen

To the Brothers attending the Grand Council Meeting, Greetings:

During the period since our last national meeting in Chicago, all of the members of the Grand Council have been busy and very zealous in the matters of the Fraternity, your First Grand Vice Regent being the only possible exception to this statement.

However, it is my pleasure to report that fraternal matters on the Pacific coast are in excellent condition. I have been privileged to visit all of the chapters in this Province, and can assure you that the affairs of each are in good hands. With only one exception, the chapters in this area have been reactivated and revitalized during the past two years, a tribute to the active and alert alumni who so loyally assumed the responsibility in most cases. To me, this devotion to the Fraternity by those who have been out of school for many years and away from active contact with their own chapters is the true measure of the ideas and ideals for which it stands and with which these good Brothers were imbued during their own days as actives. And so, again, a tribute and a sincere "thank you" to the alumni for their splendid co-operation and support.

In brief summary, permit me to report that Gamma Eta (Montana), Beta Pi (State College of Washington), Beta Omicron (University of Washington), Beta Gamma (University of California), and Beta Zeta (Oregon State College), are again very much alive and active, and are exerting a most desirable influence in each of their respective schools. Only Tau chapter (University of Southern California) remains to be reactivated in this territory, and preliminary action has been taken in that direction. In their attention to the active chapters, the alumni have not neglected their own affairs, as attested by the fact that two of the Graduate Chapters of the Province, those at Seattle and Portland, have formally reorganized and are now holding regular meetings and sponsoring activities in their respective cities. Two others, those of San Francisco and Spokane are also very active, and will probably organize formally in the immediate future. In all, somewhere in the vicinity of 1,000 graduate and undergraduate members are exhibiting keen interest in the affairs of Kappa Psi, indicating both a sound present and a substantial future for the Fraternity in Province VII.

In closing, I wish to express my personal thanks to Brothers Eby and Kelley of the Grand Council, to Dr. Louis Fischer, Satrap of Province VII, and to all of the others who have contributed so much to making the past two years both pleasurable and fruitful. My one regret is that I find it impossible to attend the meeting in Richmond to express my thanks and to greet the assembled delegates personally.

REPORT OF THE SECOND GRAND VICE REGENT

Tom D. Rowe

During the past two years, your Second Grand Vice Regent has participated to a limited extent in various functions and operations of the Fraternity. He made a visit to Boston for a meeting, attended the Province II meeting, and attended an initiation and banquet of the New Jersey Graduate Chapter.

Although admittedly this activity has not been extensive, this officer has been impressed by the spirit and work of the chapters that he has had the pleasure of visiting. It seems that now, more than ever before, the members of Kappa Psi are working with a definite objective in mind. This objective is the ever-betterment of the profession of pharmacy. The pleasures of brotherhood and fraternal spirit are almost secondary to this important goal of our chapters. The members are to be congratulated for this type of

spirit. Unquestionably, pharmacy in the future is going to be better and on a higher plane because of the accomplishment of the active members in the chapters of our fraternity.

Much of the credit for this renewed vigor in our organization must go to Grand Regent Eby and Grand Secretary-Treasurer Kelley. Their leadership has been an inspiration to all branches of the Fraternity from the individual members on through to the national officers. I regret that I have not been able to be of more assistance to them in their many undertakings on our behalf.

I have enjoyed very much my term of office as Second Grand Vice Regent and wish that I had the time to serve the Fraternity in a more active capacity. However, my present duties preclude this and it will be necessary for me to discontinue my official capacity with the Fraternity. I shall, however, continue to have a deep interest in the entire organization and hope that sometime in the future I may find it possible to be of more service to it.

I want to thank the membership for having given me the privilege of serving during the past two years as one of the Grand Officers. I look forward to the continued growth and development of the Fraternity and know that it will become stronger each year.

REPORT OF THE THIRD GRAND VICE REGENT

Charles C. Rabe

I sincerely regret that I cannot be with you on this occasion, the National Convention of Kappa Psi Pharmaceutical Fraternity. You have my every best wish for a most successful meeting.

Let me be honest, and to the point; as one of your officers, my contributions in man-hours of work effort have been practically nil. Not long after election to office, I moved from St. Louis to Boston. This change of location from an area where I had hoped to devote my efforts to the good of our fraternity took me to the city of our Central Office. It was immediately obvious that there was little that I might do in the expertly supervised New England area.

Since I cannot honestly report anything of significance as to my own activities, other than having attended the very successful meetings of Provinces I and IV, let me confirm your views that Brother Kelley is doing a splendid job as our Grand Secretary-Treasurer. I know that his modesty will cause him to be most conservative about reporting on the amount of work which must be expended to keep the Central Office in good order. I, for one, have witnessed samples of the large volume of mail which he regularly handles in behalf of his duties as Secretary-Treasurer. It is perfectly obvious that he must spend an endless number of hours each week in doing fraternity work.

Let me further add that it has also been my pleasure to observe the capable manner in which Brother Quimby is fulfilling his duties as editor of *THE MASK*. We are all deeply indebted to Brother Quimby for the fine job which he is doing for us. Here, too, it is often a common failure for those unfamiliar with such a task to fail to realize just how many long hours of work must go into each issue of such a publication.

I know that you understand and appreciate the work which these men, along with Grand Regent Eby and other officers and committee members, are doing for Kappa Psi. If reporting the truth about the good works of one's affiliates is considered poor-taste, I welcome this opportunity to stand judged as guilty on all counts. My own record of achievement for the Fraternity can in no way match the contributions of these men.

REPORT OF THE GRAND SECRETARY-TREASURER

Ray S. Kelley

Brothers of Kappa Psi:

Our Grand Regent has spoken concerning the honor bestowed on us by our host chapter through their invitation to return here, our birthplace in the profession of pharmacy, on this our seventieth birthday. Neither his words of gratitude, nor any that could possibly be incorporated in this report, can adequately express our appreciation for the splendid spirit of co-operation and service rendered to our Fraternity by these Brothers of Theta. Their hospitality has been such that we are looking forward to that 1979 invitation which shall read, "Come to Richmond and celebrate your hundredth anniversary with Theta."

The excitement and joy attendant upon the celebration of this anniversary of our birth have caused us to overlook the fact that this year marks another important milestone in the annals of Kappa Psi, the twenty-fifth anniversary of that Grand Council Convention which voted that henceforth we should be "The Kappa Psi *Pharmaceutical* Fraternity" and our membership should consist only of those "who are teachers in, students in, or graduates of, Schools or Colleges of Pharmacy." Our everlasting gratitude to those who in 1924 made it possible for us to celebrate this Silver Anniversary of "The Kappa Psi *Pharmaceutical* Fraternity."

Our various activities during the past two years, have been reported in THE MASK. There seems little reason for a repetition of those reports. There are, however, a few matters which should be called to your attention at this time.

1. *Membership.* At our previous Grand Council Convention in 1947, we reported a Collegiate Membership of 1,008 divided among 34 active chapters. Early in 1948 Gamma Rho chapter was installed at the University of New Mexico and in May 1948 our Collegiate Membership reached 1,568. The loss of Collegiate Members through graduation reduced that number to 1,210 in October 1948. The year 1948-1949 marked the reactivation of Xi, Beta Beta, Beta Gamma, Beta Chi and Beta Upsilon chapters plus the installation of Gamma Sigma chapter at the University of Florida. In May 1949 our Collegiate Membership was 1,852 and our active Collegiate Chapters numbered 40. Graduation again reduced our October membership to 1,297. The closing of the College of Pharmacy at Western Reserve University necessitated the discontinuance of Beta Beta chapter. We regret that we can no longer list Beta Beta on our active chapter roll, but we are proud of these brothers who are continuing their fine work at Beta Lambda, Beta Kappa, Xi, Gamma Delta, Beta Chi, and elsewhere. A few brothers are continuing their studies at a college of pharmacy where we are not represented. These brothers still retain their interest for Kappa Psi and are endeavoring to overcome certain obstacles which have postponed the formation of a Collegiate Chapter of our Fraternity on that campus. Despite the loss of Beta Beta and through the installation and reactivation of the chapters mentioned, we are happy to report that our Collegiate Membership, as of December 20, 1949 is 1,596 distributed among 39 chapters. Since the 1947 Grand Council 1,755 new brothers have been added to our membership list.

2. *Graduate Chapters.* In 1947 the total active Graduate Chapters were 10. Since that time the Chicago, Portland, Oregon, and Providence Chapters have been reactivated and new chapters have been chartered at St. Louis and Wisconsin. This gives us a total of 15 active Graduate Chapters.

3. *THE MASK.* The credit for the revitalized MASK belongs to our able Editor, Brother Maynard Quimby. The time and effort given by him have but one objective, namely, to give us a truly worthwhile publication. To achieve this objective, he must have your ever continued and increasing co-operation. In October 1949 a new agreement was

signed with the George Banta Publishing Company. This agreement was based upon the present form of the MASK and materially decreases the cost of publication. The cost is still high, ranging between one thousand and fifteen hundred dollars per number. The last issue ran 5,950, copies. Thus the printing cost alone averages twenty cents per copy. The added cost of obtaining and preparing copy plus the postage on returned copies and the work of keeping our mailing list reasonably accurate greatly increases the cost of the individual copy. Part of this added cost could be overcome if you, the individual subscriber, would keep us informed of any change in your permanent mailing address. The July 1949 issue cost you slightly more than thirty cents per copy for printing alone and 362 copies could not be delivered because the Post Office reported these brothers had "moved and left no address." Many of these 362 brothers had graduated and neglected to give us their new address while a considerable number had temporary employment for the summer and had failed to make necessary arrangements for the forwarding of the MASK. We again ask your co-operation in this matter and earnestly request you to *notify the Central Office* of any change in your permanent mailing address.

4. *Finances.* The annual audited financial report for the fiscal year July 1, 1948 to June 30, 1949 was sent to each chapter in September. Our present financial condition is stronger now than it was at that time. Our reserve fund steadily increases. The Grand Council Convention Fund is adequate for present needs and when all Collegiate Chapters have received the expense refund, as provided by the Constitution, we will have a sizeable balance remaining in the Convention Fund. Thus, during these years of greatly increased membership we are endeavoring to steadily increase both the Reserve and Convention Funds in order to maintain our present standards, if and when, decreased college enrollments cause a like decrease in our membership and income.

We have given you a brief report on four very important items, but the final topic is more important than any previously mentioned. I refer to *you*, the individual member of our great Fraternity. It is your loyalty, your co-operation, your determination to safeguard our good name, your work to build and insure high scholarship, your honest desires translated into deeds that help your college and bring honor to your profession, all of these qualities of character combined make you a man among men. Thus and only through you can the continued success of the Kappa Psi Pharmaceutical Fraternity be assured. My thanks to each of you.

REPORT OF THE GRAND HISTORIAN

Nicholas W. Fenney

At the last National Convention of our fraternity which was held in Chicago (1947), your present Grand Historian was elected to office by vote of the delegates with the express purpose in mind that he search the early records concerning the beginning of our fraternity in order to clarify the vagueness of certain reports now in our possession. If evidence relative to the founding and early growth of our fraternity was uncovered, then your Grand Historian was expected to proceed with a compilation in the form of a history.

Although I was somewhat reluctant to accept the Grand Historian's office at the last National Convention, I eventually came to the realization that perhaps few others could carry out this investigative work as easily as one who lived in the vicinity of the original Kappa Psi groups.

Since records show that the original Kappa Psi groups existed in New Haven and Cheshire, Connecticut, and since I was born, spent many years of my life, and now live in New Haven, I proceeded to uncover whatever facts that were available and to

recheck some of the information that our fraternity has in its possession. In carrying out this work, several members of the Connecticut Graduate Chapter were of considerable help, namely, Burton Holt, Henry Johnson, and Stephen Zuty. I am now of the opinion that with the material that Brother Goeckel has compiled over the many years along with the data that I have uncovered, a true history of the Kappa Psi Pharmaceutical Fraternity should soon be in print. To supplement this history we have on hand some photographs and a motion picture of several places of historical interest.

In addition to this work of an investigative nature, a letter was sent on September 25, 1948, to the historian of each active chapter (35) and the secretary of each graduate chapter (10) requesting a history of their local organization from the time of its inception up to January 1, 1949. As of this report the histories of 29 active and 2 graduate chapters have been received. I wish to thank each historian for their co-operation in this endeavor. I know it was quite a task to do. Those chapters who have sent in their histories are Eta, Theta, Iota, Mu, Mu Omicron Pi, Nu, Pi, Upsilon, Chi, Omega, Beta Delta, Beta Epsilon, Beta Zeta, Beta Kappa, Beta Xi, Beta Omicron, Beta Pi, Beta Rho, Beta Sigma, Beta Phi, Beta Chi, Beta Omega, Gamma Delta, Gamma Epsilon, Gamma Zeta, Gamma Eta, Gamma Omicron, Gamma Pi, Gamma Rho, New Jersey Graduate and Connecticut Graduate. The following chapters have not sent in their histories as yet, namely, Gamma, Epsilon, Rho, Psi, Beta Lambda, Beta Psi, and the graduate chapters at Columbus, Detroit, Harrisburg, New York, Philadelphia, Pittsburgh, and Seattle. No history was requested from the following chapters either because they were inactive or non-existent at the time, namely, Xi, Beta Beta, Beta Upsilon, Beta Gamma, Gamma Sigma, and the graduate chapters at Chicago, Portland, St. Louis, and Wisconsin.

It is my recommendation that the next Grand Historian compile whatever information is now available concerning the history of our fraternity and either have published a separate historical volume or utilize one complete issue of THE MASK as a historical number. Also, the histories of the individual active and graduate chapters be published from time to time in succeeding issues of THE MASK.

REPORT OF THE EXECUTIVE COMMITTEE

H. C. Wood, Jr.

The Executive Committee is the "chief legislative body of the Fraternity while the Grand Council is in adjournment." It possesses all the prerogatives of the Grand Council between the meetings of the Grand Council. It is composed of the Grand Regent, the Grand Secretary, two Collegiate members and two members of Graduate chapters; the Collegiate and Graduate members are appointed by the Grand Regent. During the past two years the appointive members have been: Collegiate, G. E. Brouse (Pennsylvania); D. D. Clayton (North Carolina); S. J. Kruzshak (Connecticut); J. C. Mitchell (Illinois); R. E. Tappan (Indiana); and W. B. Wolter (Ohio); Graduate, G. H. Frates (Washington, D.C.), and H. C. Wood (Pennsylvania).

During the past two years the Committee has held four meetings. At these meetings several others members of the Fraternity have been invited to attend the meetings in an advisory capacity.

As the minutes of the meetings have been published in the MASK it does not seem necessary to report on the routine business transacted; I shall, therefore, call your attention only to certain points which seem to me of especial interest.

1. I should like to call your attention to the unusual activity of Brother Eby and Brother Kelley in chapter visitation. I do not know precisely how many chapters have been visited nor how many thousands of miles these Brothers have traveled in this

service, but I do not know that since I have belonged to Alpha Chapter the duty of visitation has never been more faithfully performed. I feel that the Fraternity owes a deep gratitude for their loyalty to the interests of Kappa Psi, which should inspire all the Brothers to maintain the spirit of mutual assistance.

2. Resolutions of sorrow at the passing of Lewis E. Martin into the Grand Agora. Brother Martin has long served as a faithful member of Kappa Psi, since 1947 as Grand Councillor, and as Chairman of the Legislative Committee.

3. Grand Historian Femey at the request of the Committee has prepared a history of the early years of the Fraternity. He has already made a preliminary report of his investigations to the Committee which was of great interest. I presume that his final report will be presented to this meeting.

4. During the past two years four new chapters have been chartered and eight dormant chapters reactivated. The new chapters are: Gamma Sigma (University of Florida); Beta Rho (New Mexico), St. Louis Graduate, and Wisconsin Graduate. The reactivated chapters are Beta Beta, Xi, Beta Chi, Beta Gamma, Portland Graduate, Providence Graduate, San Francisco Graduate and Chicago Graduate.

5. Grand Ritualist R. W. Clark has made an excellent revision of the ritual. Copies of this revision have already been circulated among the chapters.

6. A number of suggestions to Brother Quimby, Editor of THE MASK, concerning changes in the format of our official organ. These have already borne fruit which I believe have won general approval.

7. The Committee was gratified to learn that ten scholarship keys were awarded last June. This is an indication that the Collegiate members have not forgotten that one of the fundamental purposes of this organization is to foster high scholarship.

8. The matter of proper preservation of the individual chapter records was discussed. It is important to the maintenance of Kappa Psi spirit among future brothers that the record of their predecessors be available. It is also necessary to protect these records from the eyes of non-members. Although the Committee issued no formal orders the general opinion was that in most instances the best way to accomplish this is for each Collegiate chapter to have a lockable steel box and that this box should be kept, not in the chapter house, but by the Grand Counselor Deputy or some faculty member who was a brother in Kappa Psi.

9. At a meeting held yesterday a resolution was adopted to have our emblem registered as a trademark under the United States law recently adopted. This means that it will be illegal for any person to make public use of this emblem without official authorization.

REPORT OF THE LEGISLATIVE COMMITTEE

Ray S. Kelley

Brothers of Kappa Psi:

This is really a report for the Legislative Committee. Our Grand Council Convention in 1947 elected Brother Lewis E. Martin as Grand Counselor and, following this election, our Grand Regent appointed the Grand Counselor as chairman of the Legislative Committee. Brothers Lauren R. Hamner and Walter R. Williams were co-workers on this committee.

After the death of Brother Martin, our Grand Vice Regent, Brother Crossen was asked to serve as chairman of the Committee and it is Brother Crossen who requested that the Central Office prepare and present this report for his committee because, as he stated, "there has been no action taken by the Legislative Committee since I became Chairman."

The first problem for the Legislative Committee was the Revision of the Constitution

of the Kappa Psi Pharmaceutical Fraternity. Much time, effort and correspondence was involved. The many amendments voted by Grand Council were incorporated and the revision was ready for distribution in January 1949.

The Committee approved the granting of a Charter to each of the following chapters: Gamma Sigma Chapter at the University of Florida, St. Louis Graduate Chapter, and the Wisconsin Graduate Chapter.

Proposed Chapter By-Laws were received from the following chapters: Pi, Beta Psi, Beta Omega, Gamma Pi, Gamma Zeta, and Gamma Rho. These By-Laws were approved by the Committee and a copy of the approved By-Laws was returned to the chapter submitting same. In all cases a copy of the By-Laws was sent to the Central Office and the third copy kept in the Committee files.

It would seem fitting to ask each of you to note the necessity of submitting Chapter By-Laws. These should be prepared in triplicate. All three copies should be sent to the Central Office and they will then be sent to the Legislative Committee. Following approval, the chapter submitting the By-Laws will receive one of the approved copies. The second copy remains at the Central Office and the third copy becomes a part of the Committee's records.

REPORT OF SCHOLARSHIP COMMITTEE

Frank H. Eby

For some years scholarship has been a requisite for membership in a number of college fraternities. In many fraternities the scholarship records of the members of each chapter are closely observed and every effort is made to encourage work of a commendable character.

"To foster high scholarship" is one of the important objects of our fraternity and it is so stated in the Constitution.

I do not believe we are in a position today to report just how well our chapters foster high scholarship but it is known that many chapters have for some years, selected members who have demonstrated scholarship ability of good quality. What programs for aiding in good scholarship after members are initiated, has never been determined. In some universities the scholarship records of all fraternity members are published. This should encourage better work among the members and should develop chapter pride in good achievement.

Scholarship is so important to our membership and to good public relations that we should make a careful survey to learn just where we stand. If necessary, we should take definite steps toward improving and strengthening the standing of our members.

A considerable number of our members have brought honor to Kappa Psi by their excellent scholarship records. Many of our graduate brothers have been awarded important fellowships and during the last several years, a number have received the Doctor of Philosophy degree. Many of our collegiate brothers have been awarded important scholarships and during the 1948-49 period, twenty-four members have been awarded the Kappa Psi Scholarship Key and Certificate. We are especially proud of the achievements of these collegiate brothers and wish to compliment the following chapters each of which has produced two winners of Scholarship Keys and Certificates during the past two years:

Pi, Beta Kappa, Beta Omega and Gamma Epsilon.

Each of the following chapters produced one winner of the Scholarship keys and Certificates and my compliments go to each:

Eta, Mu, Mu Omicron Pi, Upsilon, Beta Beta, Beta Epsilon, Beta Lambda, Beta

Omicron, Beta Rho, Beta Psi, Gamma Delta, Gamma Zeta, Gamma Eta, Gamma Omicron, Gamma Pi and Gamma Rho.

Many chapters make awards of various kinds to their own members for excellence in scholarship. This is a fine practice and I recommend that all chapters who do not now recognize outstanding scholarship in their chapter membership, plan to do so in the future.

Awards which are made at present with which I am familiar, include scholarships, cash prizes and Asklepios Scholarship Keys.

To those of you who have brought honor to Kappa Psi through your fine scholarship achievements, I express sincere appreciation and extend congratulations for the entire fraternity.

I wish to present the following resolution:

RESOLVED that the Scholarship Committee make a careful study of the scholarship standing of the membership during the next two years and where possible give such aid as may be necessary for the improvement and strengthening of the scholarship program.

Additional news and pictures of the Twenty-Fifth Grand Council Convention will appear in the April number of "The MASK."

Frank J. Steele, Chief Pharmacist, Greenwich Hospital, Greenwich, Connecticut, has been appointed a member of the faculty of the night school, Stamford University, Stamford.

Mr. Steele will lecture and instruct in general college chemistry and laboratory procedure at the University. Classes began January 3, at 6:45 P.M.

REPORT OF THE CREDENTIALS COMMITTEE

William E. Hassan, Jr.

As chairman of the Credentials Committee, it is a pleasure to welcome so many delegates and Brothers to the Grand Council Convention of our Fraternity. I should like at this time to express my thanks to the members of my committee who served with the true spirit of Kappa Psi.

The following is a tabulation of this committee's report:

Number of Collegiate Chapters represented	35
Number of Collegiate Chapters not represented	4
Number of Graduate Chapters represented	8
Number of Graduate Chapters not represented	7
Number of Provinces represented	5
Number of Provinces not represented	2
Number of members of Alpha Chapter present	3
Number of members of Alpha Chapter absent	4
Number of Executive Committee members present	6
Number of Extension Committee members present	3
Number of Interfraternity Committee members present	2
Number of Nominations Committee members present	2

Respectfully submitted,

WILLIAM E. HASSAN, JR., *Chairman*

LOUIS C. SMITH, JR.

LOGAN M. IVES, JR.

REPORT OF THE INTERFRATERNITY COMMITTEE

Maynard W. Quimby

According to paragraph 142 of the Constitution of our organization the duties of the Interfraternity Committee "shall be to promote a friendly and cooperative spirit between Kappa Psi Pharmaceutical Fraternity and other fraternities, to act with other similar committees or bodies from other fraternities in movements to advance the interests of Greek Letter Societies, to act as agent, intermediary, or ambassador between the Kappa Psi Pharmaceutical Fraternity and other fraternities, and to perform any other similar functions that may be requested of them by the Grand Regent and the Grand Council."

It seems that the individual chapters of Kappa Psi can do and are doing much to carry out these duties. An editorial concerned with interfraternity cooperation between chapters of different organizations within a particular institution was published in the November, 1948 issue of THE MASK. The plan discussed there had mainly to do with arrangements concerning the pledging of new men, and some chapters are having a great deal of success with this or similar undertakings.

The Professional Interfraternity Conference was organized in 1928 for the purpose of encouraging "high scholarship, professional research, advancement of professional ethics, and the promotion of a spirit of comity among the professional fraternities in the advancement of fraternal ideals." Organizations representing ten distinct professions hold membership in the Conference, and for a considerable number of years Kappa Psi has been the only representative of pharmacy within the group. However, we are pleased to learn that Rho Pi Phi has recently been admitted to membership and that Phi Delta Chi is taking steps preparatory to applying for admission. The presence of

representatives of three pharmaceutical organizations should certainly strengthen the position of pharmacy at the Conference meetings which are held biennially. Grand Secretary-Treasurer Kelley and late-Grand Counselor Martin represented Kappa Psi at the last meeting which was held in Chicago on March 6, 1948.

At present there is no uniformity concerning the granting of honorary memberships by the various pharmaceutical fraternities. It is hoped that the Interfraternity Committee can report of a favorable agreement on this matter having been reached by the time that our next Grand Council Convention takes place, or possibly before that time.

Respectfully submitted:

MAYNARD W. QUIMBY, *Chairman*

M. L. JACOBS

DALE E. WURSTER

A REPORT CONCERNING "THE MASK" AND THE NATIONAL HONOR ROLL

Maynard W. Quimby

Since the writer assumed the editorship of THE MASK in November of 1946, thirteen numbers of our quarterly, totaling six hundred and thirty pages, have been published. To this figure there should also be added the thirty-two page insert constituting the National Honor Roll which was included in the issue of July, 1948.

For the three volumes which have appeared in print since the beginning of 1947, the paging may be divided as follows: for 1947, one hundred and sixty-eight pages; for 1948, two hundred pages; and for 1949, two hundred and thirty-two pages.

During the past three years the number of active Collegiate Chapters has increased from twenty-eight to the present thirty-nine, while the active Graduate Chapters have increased from ten, in January of 1947, to fifteen at this writing. Of course these increases in number of active chapters have had much to do with the gradual growth in the size of THE MASK.

Chapter historians and secretaries have been very co-operative in submitting letters for publication, and most of these letters have been carefully prepared. It is hoped that those responsible for writing such letters will continue to prepare them conscientiously and also to bring about improvements wherever possible. Properly prepared chapter letters make the task of editing a much more pleasant one than it would otherwise be.

Pictures are always an asset to a periodical such as ours and we urge you to see that your chapter submits one or more during each school year. Only clear and sharp pictures give satisfactory results in the preparing of cuts, and glossy prints should be furnished whenever possible.

We began using a new cover design with the first issue published in 1949. In addition certain changes have been made in the internal organization of the various numbers of volume forty-six. Pages have been set aside for use by the Grand Regent and Grand Secretary-Treasurer. Thumbnail sketches and small photographs of some prominent members of Kappa Psi have been included in two of the issues, and others will be used in the future.

Material for THE MASK has become so voluminous by the middle of this year that it was necessary to revise the format so that we could be sure of staying within a limit of sixty-four pages per issue. This new format was first used in the July number. The readers of our magazine have undoubtedly observed that different styles of type are also being used in the titles of various articles and departments, and that two-column pages

are being used for chapter letters. It is our hope that these changes meet with the approval of the membership.

The material published can only be as accurate as that furnished by the Chapters and by others who submit it. Therefore we request that great care be used in assembling information and writing it up whenever it is intended for publication.

The Editor's office wishes to thank the brothers for their kind words concerning the "new look" acquired by our magazine, and for the valuable assistance rendered by so many in helping to bring about what we hope is considered, by its readers, to be an improvement. Suggestions and ideas are always welcome, and it is hoped that no member will hesitate to make constructive criticisms whenever he wishes to do so.

As stated earlier in this report the National Honor Roll of Kappa Psi Pharmaceutical Fraternity, including the names of veterans of World War II, was published as an insert in the July, 1948 number of THE MASK. The roll as published there included nearly two thousand names. The July issue for the present year included a supplement containing sufficient veterans' names to bring the total to nearly twenty-five hundred.

Certainly there are still others whose names should be published as additions to our Honor Roll. The members at this meeting are requested to see that their respective chapter secretaries attend to the submitting of the names of veterans not already published. *Only those members who are veterans of World War II should be included.* Whether a man joined Kappa Psi before or after serving in the armed forces makes no difference. However, accuracy in compiling of the individual chapter rolls and in spelling of the members' names is very important, as is the inclusion of the names of those who died while in the service. Chapter affiliation should be included in all cases.

In closing, may I request that all members attending this convention, as well as those brothers not fortunate enough to be here, aid us in making the National Honor Roll of Kappa Psi Pharmaceutical Fraternity more nearly complete.

REPORT OF THE NOMINATIONS COMMITTEE

Maynard W. Quimby

As directed by the Constitution of Kappa Psi Pharmaceutical Fraternity the Grand Secretary-Treasurer informed all active Collegiate and Graduate Chapters that the Nominations Committee was prepared to receive nominations for Grand Officers to be voted upon at the National Grand Council Convention of December, 1949. These notifications, accompanied by proper mimeographed forms, were dated April 5, 1949.

Forty-one members were duly nominated by the thirty chapters which returned their lists of nominees to the Grand Secretary-Treasurer. A complete list of these nominees was published in the November, 1949 issue of THE MASK. A mimeographed list is being made available to all of the delegates at this, the 25th National Grand Council Convention of our organization.

After all nominations had been tabulated the Nominations Committee requested that the Grand Secretary-Treasurer inform all of the nominees of the offices for which they had been named. It was also requested that each nominee answer the following three questions and return a signed questionnaire to the committee chairman. The questions asked of each nominee were:

1. Do you accept the nomination for the office or offices stated in the enclosed letter?
2. If nominated for more than one office, do you have a preference?
3. If elected a Grand Officer by the Grand Council, will your regular work permit you to give some time to the Fraternity for chapter visitations, meetings of Alpha Chapter, and other duties of your office as indicated in Article XVII of our Constitution?

This was done to make it easier for the Committee to select the proposed candidates which are being submitted to the delegates of this convention on the official ballot.

Forty of the forty-one members who had been nominated by the various chapters returned their completed questionnaires to the Nominations Committee Chairman. The results obtained from these questionnaires were tabulated and sent to the other two members of the Committee, namely Karl L. Kaufman of Butler University and Pierre F. Smith of Rutgers University. Brothers Kaufman and Smith were asked to select two candidates for each of the eight Grand Offices wherever possible, and to send their selections to the Chairman who had also made a similar selection.

The official ballot which is being presented to the delegates of this convention today bears the names selected from the lists proposed by the Committee members. Wherever possible at least two candidates for each office have been included on the ballot. However, it was determined by means of the above-mentioned questionnaire that all except one nominee for Grand Regent and one nominee for Grand Secretary-Treasurer wished to withdraw their names as possible candidates for those offices. It will be noted that a blank space has been provided on the ballot following the name of each office. This will enable a delegate to vote, if he so desires, for any other properly selected nominee.

The members of the Nominations Committee have given long and careful study to the selection of the candidates, and we present this ballot to you for your consideration.

Respectfully submitted:

MAYNARD W. QUIMBY, *Chairman*
 KARL L. KAUFMAN
 PIERRE F. SMITH

THANK YOU, COMMITTEE MEMBERS!

Several committees not mentioned elsewhere in this issue of THE MASK had much to do with the success of the recent National Grand Council Convention. The members of these important groups were as follows:

Program Committee

Walter H. Jordon, Chairman
 Frank H. Eby
 Ray S. Kelley

Reception Committee

S. W. Wilkinson, Chairman
 George E. Rick

Dance Committee

W. B. Thacker, Chairman
 R. G. Layman
 Hugh A. Morse, Jr.

Registration Committee

Lester F. Linthicum, Chairman
 Paul K. Pickering
 W. Grayson Jones

Entertainment Committee

Walter P. Bailey, Chairman
 Earl B. Watkins
 John Atkinson, Jr.

Finance Committee

Lee Baker, Chairman
 H. H. Whitehead, Jr.
 T. L. Warden
 M. H. Shelton

Publicity Committee

J. Edward Timberlake, Jr., Chairman
 James G. Crosby
 Charles T. Rector

A Report of the Meetings of the Executive Committee and Alpha Chapter

A combined meeting of the Executive Committee and Alpha Chapter was held at the Hotel John Marshall in Richmond, Virginia on December 29, 1949. Grand Regent Eby called the meeting to order at 3:15 P.M. and appointed G. Ernest Brouse as Secretary pro-tem. The following brothers were present: Frank H. Eby, Horatio C. Wood, Jr., Ray S. Kelley, Nicholas W. Fenney, George H. Frates, Jack C. Mitchell and G. Ernest Brouse. Brother Maynard W. Quimby, Editor of THE MASK, was present and participated in the discussions.

The following items were considered and action taken as indicated:

1. The expense to the host chapter when Grand Council meets in National Convention was discussed at some length. It was decided to recommend a registration fee for all delegates and visitors attending the National Convention. This registration fee to be used as an aid to the host chapter in defraying the cost of special dinners and the entertainment program. Brothers Fenney and Quimby were delegated to prepare such a resolution for presentation to the convention.

2. Re-registration of the copyright on our insignia. The Grand Secretary-Treasurer was authorized to take the steps necessary for the re-registration.

3. After discussion, it was moved and seconded that, "The incoming Grand Regent appoint a committee, with the Grand Ritualist as chairman, to prepare a Pledge Guide and Handbook." The motion was unanimously adopted.

4. Miscellaneous items, including (a) new chapters, (b) the Provinces, (c) official song or songs, and (d) history of Kappa Psi, were considered at length, but no definite action was taken on any of these matters.

5. The meeting adjourned at 5:45 P.M.

Signed: G. ERNEST BROUSE, *Secretary pro-tem*

The second combined meeting of the Executive Committee and Alpha Chapter was held at the Hotel John Marshall in Richmond, Virginia on Saturday, December 31, 1949. The meeting was called to order by Grand Regent Eby at 3:30 P.M. with brothers H. C. Wood, Jr., Ray S. Kelley, Nicholas W. Fenney, Milton L. Neuroth, James R. Thayer, Louis Fischer, George H. Frates, Jack C. Mitchell, G. Ernest Brouse, and Maynard W. Quimby in attendance.

Plans for the coming year were discussed. These included the reactivation of dormant chapters (Collegiate and Graduate), chapter visitations, the pledge handbook, and scholastic standards for membership.

Grand Regent Eby called attention to the splendid service rendered by Brother Stephen Zuty of the Connecticut Graduate Chapter, in the taking of motion pictures at the 1947 and 1949 conventions. In recognition of this outstanding service it was voted to pay the convention expenses incurred by Brother Zuty. It was further moved and carried that "Brother Zuty be reimbursed for the cost of the films used and for the developing of these films, plus the cost of one duplicate of these films. The latter is to be deposited with the Grand Historian. The total cost is not to exceed one hundred and fifty dollars." This sum was voted after consultation with Brother Zuty, and included payment for one completed black and white film, one completed Kodachrome film of the exemplification of the Ritual in full ceremonial form by the members of Theta Chapter, and one tape recording with a duplicate of each item for the records of the Grand Historian.

It was moved and carried that Gamma Rho Chapter, at their request, be transferred from Province V to Province VII.

The meeting adjourned at 5:30 P.M.

Signed: G. ERNEST BROUSE, *Secretary pro-tem*

Walter E. Brown, Phm.D. 1882-1949

Walter E. Brown, Kappa Psi Pharmaceutical Fraternity's official representative in Delaware, passed away on September 23, 1949 at his home at 407 Philadelphia Pike, Wilmington, after having been taken ill while attending the N.A.R.D. convention in New York City.

Dr. Brown was born in Wilmington in 1882. After attending the local schools he attended and was graduated from the Philadelphia College of Pharmacy and Science in 1904 with the degree of doctor of pharmacy. Following graduation employment was sought in New York City. He served as manager of several stores of the Liggett chain before opening his own store in the Flatbush section of Brooklyn in 1915. Business was carried on at this store until 1934 when he moved to Wilmington and opened his store there on July 26 of that year.

His retail store experience began when he worked during after-school hours as early as 1898, and his death last September ended fifty-one years of service to his profession. Dr. Brown was a man of deep and sincere convictions. His motto was, "We are here to serve." He was active for many years as a member of the Drug Club of Delaware and the Delaware Pharmaceutical Society, and served as secretary-treasurer of the former organization for a period of eight years.

The great personal and floral tribute paid to Dr. Brown at the time of his death was a token of the great respect and affection which his friends and acquaintances had for him.

The business will be carried on at the same location by his son, Walter L. Brown, who has been associated with his father in the store for the past fifteen years.

The Bulletin Board

All members are hereby notified that our ritual has been changed so that the *test grip* precedes rather than follows the *grip of the order*.

The 16 mm. silent motion picture film of the 1947 convention can be obtained for showing by individual chapters by contacting the Grand Historian. Chapters borrowing the film are asked to pay mailing charges and to return the film promptly.

An announcement will be made in *THE MASK* when the films of the 1949 convention become available.

Chapters issuing news letters are asked to kindly supply the Editor with single copies of each number.

Too many copies of *THE MASK* are being returned undelivered. You can prevent this by sending your changes of address *directly to the Grand Secretary-Treasurer*.

Chapters and individual members who have news items and other material for inclusion in *THE MASK* are asked to send it directly to the Editor. We cannot publish what we do not know about.

Collegiate chapter secretaries are requested to send in the names of all veterans of World War II who have not already been published in the National Honor Roll or its supplement.

The Fourteenth Biennial Meeting of the Professional Interfraternity Conference will be held at the Hotel Sherman in Chicago on Wednesday, March 29, 1950. Kappa Psi will be represented at this meeting by one or more delegates.

For information concerning the obtaining of pictures taken at the 25th National Grand Council Convention of Kappa Psi contact Tom Bishop of Theta Chapter and Harold C. Winkler of Gamma Delta Chapter.

The Editor has received copies of the excellent convention reports which Province Delegates Fischer and Hassan prepared and sent to the chapters in their respective districts.

GLENN N. EMANUEL

Our New Official Representative in Delaware

Glenn N. Emanuel has recently been appointed as Kappa Psi's Official Representative in Delaware. Brother Emanuel was born in Export, Pennsylvania on February 9, 1919, and attended the public and high schools in Saltsburg, Indiana County, Pennsylvania.

He graduated from the School of Pharmacy at Temple University in 1941 with the degree of bachelor of science. Following that time he served for four years (1942-46) in the USNR. His duty included assignments to patrol craft and anti-submarine warfare, and he commanded a sub-chaser in the Pacific Theater. Mr. Emanuel transferred to the newly formed Medical Service Corps and holds a permanent commission as lieutenant (MSC) USNR.

In 1943 he married Henrietta Ostroski, also a member of the class of 1941 of the School of Pharmacy at Temple. They have one child, a daughter.

Brother Emanuel holds pharmacy registrations in the states of Pennsylvania and Delaware. He became a member of Beta Omega Chapter of Kappa Psi in 1939. Other organizations of which he is a member are the American Pharmaceutical Association, American Society of Hospital Pharmacists (is a member of its Sub-Committee for Membership), and the Delaware Pharmaceutical Society.

He has spent between six and seven years in retail pharmacy, and since July, 1946, has served as Chief Pharmacist in the U. S. Veterans Hospital at Wilmington.

Honorary Member Passes Away*

Charles A. Loring, Sr., of Boston, an honorary member of Kappa Psi since 1943, passed away in early December. Honorary Member Loring was seventy-six years of age. For many years he was actively identified with the pharmaceutical profession in New England as well as nationally.

He took an active part in the affairs of numerous pharmaceutical organizations and fraternal orders. For a long period of years he held the positions of vice president and treasurer of Gilman Brothers, Incorporated, wholesale druggists of Boston.

** Editor's Note:* a biographical sketch and photograph of Mr. Loring appeared in the July, 1943 issue of THE MASK.

News Releases

The University of Illinois College of Pharmacy has been awarded a \$1,500 grant by Sharp and Dohme, Philadelphia, Pa., for the purpose of establishing a research investigation of the method of controlling drugs in hospitals.

At the present time, there is no common procedure practiced by the pharmacies in hospitals in this country. It is hoped this study may result in a more economical delivery of drugs to the patient.

Ten research fellowships will be awarded for one calendar year in the fields of medicine, dentistry, and pharmacy by the University of Illinois Graduate College in Chicago.

The fellowships carry stipends of \$1,800 per year for medical and dental graduates and \$1,200 for pharmacy graduates, with exemption from tuition fees for all appointees. In unusual cases, a \$2,400 stipend may be awarded to those holding a doctor's degree. Registration in the Graduate College for full time credit toward M.S. or Ph.D. degrees is required.

Fellowships provide opportunity for research training either in the basic medical sciences or in the application of these sciences to clinical investigation. They are primarily for graduates who are in the early stages of their preparation for a teaching and research career in medical and dental problems, although time credit toward specialty board requirements in basic sciences is recognized.

Fellows may be reappointed in competition with new applicants.

Candidates for fellowships must have completed a minimum training in any one of the following ways or the equivalent thereof:

1. Bachelor's and M.D. degrees.
2. Bachelor's and D.D.S. degrees.
3. Bachelor's degree in Pharmacy and M.S. degree.

Appointments will be announced March 1 for fellowships beginning July 1 or September 1, 1950.

Formal application blanks may be secured from the Assistant Dean, The Graduate College, University of Illinois, 808 South Wood Street, Chicago 12, Illinois.

Chapter Letters

EPSILON—UNIVERSITY OF MINNESOTA

Everyone at the University of Minnesota is in the midst of heaving one big, concerted sigh. The reason?—Fall quarter is over. The members of Kappa Psi, particularly, can look back over this quarter with a feeling of accomplishment. It has been one of the most active quarters we can remember.

Robert R. Anderson, John Berry, Charles Carlson, Thomas Coughren, Earl Gilles, Wallace Peterson and Paul Wedin were initiated on October 26th. A short time later eleven men were pledged to Kappa Psi and with some trepidation they await the winter quarter initiation.

Homecoming was actually the biggest event of this year. We sponsored a float in the parade and had an entrant in the Homecoming Queen contest. Over one hundred alumni, actives and guests attended the Homecoming dinner dance down at the Normandy Hotel. The thirty four alumni present agreed with everyone else that this was a party they would never forget. The members of Kappa Psi from the class of "29" held an informal reunion at the party.

Our Regent, M. C. Putnam almost went bankrupt passing out cigars this quarter. They were in honor of the birth of a daughter on November 14th.

Fraternally yours,
WILLIAM J. HODAPP, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Why is every one in Eta Chapter so busy these days? Yes! you guessed it, Eta now has their new chapter house. Every one is actively engaged in painting walls, washing windows and wood work, and cleaning the back yard. The purchase of the house, with the generous aid from the alumni, was made on the 23rd of November.

By the end of the first week in December, the house had been completely furnished. About twenty brothers are expecting to move into their new place of residence on or about December the twelfth. This house is located at 4224 Spruce street, which is only four blocks from school. Fireplaces are found in the front rooms on the first and second floors. There is a grand total of four floors to be used as living quarters and for recreation facilities.

Ten brothers were admitted to Eta Chapter of Kappa Psi on Wednesday, November the ninth.

We had our first smoker November the 14th. About 40 prospects were present. The second party was held in conjunction with Lambda Kappa

Sigma sorority. This rush party was the first social event to be presented in the new house.

December the second, Eta held an informal dance at the Riverton Country Club, Riverton, New Jersey. Every one had a very enjoyable evening. Music for dancing was supplied by a dance band consisting of students from P.C.P. & S.

Fraternally,
C. EUGENE NISSLEY, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

When this news-letter was written, Theta Chapter was making final arrangements to be host for the national Grand Council Convention. Convention plans have been high on our agenda throughout the Fall and have provided activities in which all the brothers could participate. A greater number of contacts with Kappa Psi Alumni has been one result of the pre-convention work. Extensive preparations have been made and there is every hope for a successful conclave.

This Chapter held its annual formal dance for newly initiated members Saturday night, October 22, at the Winter Garden of the Hotel Richmond. Fifteen new members (whose names were listed here last issue) were formally initiated into Kappa Psi at the hotel that afternoon. The dance, with music by the Townsmen—a local orchestra, climaxed the evening. Our entertainment was the first in this winter's series of fraternity dances at MCV. We think we opened the season with a bang.

Members of Theta Chapter have recently been active in reactivating an interfraternity council for the school of pharmacy here. Our Regent, Vice-Regent and a member met with corresponding representatives of the local chapter, Phi Delta Chi and made plans designed to further the best interests of both groups and promote a feeling of brotherhood in the college. A set of "pledge rules" was formulated and adopted after approval by the two Fraternities.

Following procedure embodied in these "pledge rules," we have accepted ten sophomore students as pledges. They are: Percy H. Willson Jr., Vernon J. Honeycutt Jr., George E. Surber, Robert H. Piccolo, George E. Foresman, Bernard T. Harlow Jr., Charles Mangamo, James L. McNeely, Greer P. Jackson, Joseph A. Binford.

Fraternally,
J. EDW. TIMBERLAKE, JR., *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

We are now going in full swing here at Boston. We have a business meeting and a social affair each month whenever it is possible.

The chapter attended the Boston College-Villanova game on Friday evening October 28, 1949. Although we saw the Eagles go down to defeat everyone agreed it was a thrilling game. Some of the fellows had a little trouble with their voices after the game.

On Tuesday evening December 13, 1949, we held an initiation at the Elks Home in Brookline. Nine members of the sophomore class were made members of Kappa Psi. They were E. Stuart Brown of Brockton, David T. Henry of Springfield, Vermont, James M. Hobert of Holyoke, Robert S. King of Lexington, Alvin O. Laaperi of Whitman, Gerald E. Muller of Gloucester, Charles A. Pederazoli of Springfield, Richard F. Roscoe of Brockton, and Frances V. Tura of Kingston. What will the chapter do when Bill Kapses, chairman of the Initiation Committee, graduates? Seriously, Bill and his committee did a fine job again.

Delegates to the National Convention in Richmond have been appointed. They are Brothers Longhi and Gerraughty of the senior class and Brothers Kotredes and Stearns of the junior class. Brother Joe Vona will represent the Boston Graduate Chapter while Brother Bill Hassan is the delegate from Province I. Grand Secretary-Treasurer Kelley and Editor Quimby will attend. Mike Galas plans to meet us in Richmond.

Mu Mutterings—Gene Bruyette, our bowling champ now has his name engraved on our bowling trophy. Congratulations to Brother Randy Tinker on his recent election as class Valedictorian. We all know what a capable man Tink is for the office and we are all rooting for him. Our basketball team, after a decisive victory over Phi Delta Chi has not fared to well.

I want to wish everyone a Happy New Year. Our chapter is already making plans for an active year and I hope all chapters are doing the same. The annual Mu Chapter-Boston graduates banquet and smoker are scheduled for the Hotel Puritan on the evening of Tuesday, April 4. Mu alumni should find items of interest in the Boston graduate chapter letter in this MASK.

Fraternally yours,

ROBERT J. GERRAUGHTY, *Historian*

XI—OHIO STATE UNIVERSITY

That final year for most of us has arrived. Believe me, all that talk we heard of the seniors not doing much, always being dressed up, and in general having a picnic, is most definitely not true.

The beginning of the fall term reminded us constantly of the need of our own house, but the realization of such now seems to be in the far future. In the meantime we have managed to obtain a very good meeting room in Pomerene Hall.

Early, we decided to increase our membership, and two "smokers" were held towards that goal. The results were gratifying as we pledged twenty new members.

Our "Big" smoker was held at Seneca Hotel, Nov. 9, 1949. The evening was well planned and everything went smoothly. Brother Hoffman of the graduate chapter gave a brief history of the original Xi Chapter and Brother Huber gave a short summary of the history of the present chapter. Dr. Guth, also of the graduate chapter and Satrap of Province IV, stated that he was well

pleased with the progress of the chapter and the attitude of its members. A song fest followed and considering that the singing was done before the eating every one sang loud and to the best of his ability. A representative of the Ohio State Athletic Dept. showed movies of the OSU-Northwestern game. Most of us had seen the game but enjoyed seeing the movies of the Rose-Bowl bound Buckeyes. Incidentally, any wager on the outcome of the Rose Bowl game? We'll take State!!

The food that followed was delicious and put everyone in the mood for small talk and card games.

We were sorry to hear that the school of Pharmacy at Western Reserve University had been discontinued, but it resulted in our acquiring two good members, William Roh and Brian Clay from the now inactive Beta Beta Chapter.

Fraternally,

PETER LUNTER, *Historian*

PI—PURDUE UNIVERSITY

As the semester nears an end here at Purdue, the activities of Pi Chapter reach a new high. At a recent meeting, two delegates were nominated to represent our chapter at the national convention. These men are Frank Huston and Donald Watson. Carl Rehm was nominated to act as alternate.

The fall pledge class appeared in front of the pharmacy building to serenade the active members on December 13. Brothers Andrew Butler and Paul Gerding have assumed the responsibility of seeing that all goes well with this new class. The members of the class are Christ Anastaff, Robert D. Arvidson, Max Barnhart, Edgar A. Bloomer, Michael Calusis, Joe Callahan, Robert C. Colby, Roy A. Garrett, Robert S. Joslin, Glenn Kelly, Robert Kidwell, Robert J. Lichtman, Ed Lorenz, Roy O. Miles, Lynard G. Murray, Lloyd Neel, Harrison L. Rainey, Donald W. Sandleben, Allen M. Sundwall.

The picture of the Purdue Senior Cord Parade which appeared in the November MASK was photographed by brother Bernard Hoddeson.

An official meeting of the Board of Directors of Kappa Psi Incorporated was held on Tuesday, December 13. All of the legal technicalities have been cleared, and "progress" is the by-word for our project of the year. A lot of effort is being extended toward the establishment of a house fund.

Pi Chapter extend a most hearty wish for a very Happy New Year to all brothers of Kappa Psi.

Fraternally yours,

JAMES P. MURRAY, *Historian*

RHO—UNIVERSITY OF KANSAS

I would like to start this letter by wishing all Kappa Psi brothers a prosperous and happy New Year, in behalf of Rho Chapter here on Mount Oread.

All members are bound to disagree about some things at one time or another, but on October 18, all were in agreement on the selection of "Des" Gibson, graduate student, as our faculty advisor for the current year. We are glad to have you with us in your official capacity "Des."

On November 15 Rho Chapter jumped into the

swing of convention time by selecting Donald Gettys and Dwight Hunter as delegates to the National Convention in Richmond, Virginia.

Rho Chapter had the privilege of pledging twenty-two future pharmacists this last month. They are as follows: Donald Blim, Bill Brinigar, Eugene Brockmeyer, Lloyd Clark, Bill Groves, Myron Kelso, Raymond McDaniel, Winfred McElheny, Don Peppard, John Price, Darrell Rhudy, James Rudell, Jack Schaeffer, Herbert Skillman, James Smith, Charles Tice, Leland White, Bob Cott, Charles Gates, Thomas Hitchcock, and Marino Keplinger.

The past month we had the pleasure of enjoying two educational programs. One of these was a film on "Symptoms of Cancer" and the other a talk by O. E. McCullom, Lilly detail man for this area, on the relationship of the detail man to the physician and the pharmacist.

On Friday night December 16, brothers of Rho Chapter and their dates enjoyed a Christmas dinner-dance. The dinner was delicious and the entire affair was one that will be remembered for a long time to come.

Until a later date I remain—

Fraternally yours,
GERALD E. STUTZ, *Historian*

OMEGA—RUTGERS UNIVERSITY

On election Day, November 8, a committee attended the graduate chapter of New Jersey meeting to present the plan outlined in our last letter. This plan was, in effect, to create a fund for the obtaining of a chapter house. Omega already has started such a fund and the committee invited the graduate chapter to join in with us. The graduate members decided to appoint a group to investigate and present their findings at a later meeting. The collegiate committee members, Vincent Vaiana, Mike Bukarica, Bob Sherr, and Dave Pinkerton, enjoyed the meeting very much and especially enjoyed Professor Martin S. Ulan's talk on his trip to Europe last summer. The talk was accompanied by beautiful color slides of Germany which Professor Ulan took while he was there.

At a lunch hour meeting Brothers Vaiana and Ferdinand who attended the Province II meeting in Pittsburgh as our representatives asked Bob Sherr, secretary of the Province, to give us the report. This will be found elsewhere in the November MASK. The Brothers appreciate the fine treatment they received from our Brothers in Pittsburgh. At this same meeting Tom Giardina was chosen our representative to the National Convention in Virginia in December. His alternates are Mike Mercurio and Bob Sherr.

On December 1, Dr. Henry Goeckel spoke to us on visualized chemistry. An interesting aspect of this speech was a universal indicator, actually a mixture of several indicators with which one could determine any pH from two to ten. He also gave the group pointers on how to make buffered solutions using some of the new pH papers on the market. He indicated that the ability to put up such solutions extemporaneously would be a good talking point when detailing a doctor to build prescription business.

Fraternally yours,
DAVID PINKERTON, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

On behalf of the Beta Beta Brothers, I wish to extend congratulations to Herbert Wall, a fellow student A.C.P., who received the Kappa Psi Award for maintaining the highest scholastic standing during his junior year. Good luck, Herb, and keep up the good work!

The students and faculty have obtained their student directories, although several weeks beyond the approximated date. I hope everyone enjoys using their directories, as much as we enjoyed preparing and editing them. The project is annually carried out on a strictly non-profit basis, as a service to the school.

The Kappa Psi brothers of Beta Delta mixed business with pleasure by holding a meeting and supper at Keane's Tavern, Delaware Ave., Albany, on Dec. 6. Television, food and drink, were followed by numerous groups participating in darts and various card games.

It was during this meeting that we elected our delegates to represent Beta Delta at the National Grand Council Convention. They are Edward Henry and John Richie. Through the efforts and hospitality of the Theta Chapter and many others, I am sure they cannot help but have a pleasant stay at Richmond.

In closing, on behalf of Beta Delta Chapter, I will wish every brother of Kappa Psi Season's Greetings, and sincerely hope that you had a Merry Christmas and the Happiest of All New Years.

Fraternally yours,
RAYMOND J. MACCRACKEN, *Historian*

BETA ZETA—OREGON STATE COLLEGE

I have two deadlines to meet for this issue—the Editor, and the weather. Am going to try to finish this before the water rises another six inches and goes over my shoe tops. Ah! Winter in Corvallis; doesn't appear so far that this Christmas will be very white.

Beta Zeta is proud to send along the names of our newest members. Initiated in November were: Wilfred Noffsinger, Monty P. McLaine, Ned Fischer, Charles Hull, Don Engeldinger, Elwin G. Adams, and G. B. Sterland. All are Seniors save for Mr. Sterland who is O.S.C.'s latest faculty member in the school of pharmacy.

An added Beta Zeta function was started this year when we awarded Mr. Theron D. Northrop a certificate entitling him to a copy of the new U.S.P. XIV as soon as the books are off the press and ready for distribution. Theron was chosen as the most deserving of the current Junior Class in pharmacy, and it is our intention to make this selection each year for which a Junior will receive a suitable award. Congratulations, Mr. Northrop!

I am quite sure that all Kappa Psi members are well aware of the National Convention soon to take place. Possibly it is customary that the Regents of the various chapters attend these, but Regent Brother Johnson is unable to attend this year. Consequently, at our last regular meeting, members unanimously selected Vice-Regent Brother John Cook to represent Beta Zeta at Richmond, Virginia. Never spent Christmas and New Years on the road but Brother Cook will be able to give a first hand accounting after his

trip. And in a serious vein, John will undoubtedly give us a fine report on the convention's activities and decisions.

Despite the rain, we here all are determined to enjoy this vacation to the fullest. Beta Zeta hopes that all chapter members have had a fine holiday season to remember. Good luck to everyone in the New Year.

Fraternally,
CONRAD BACKSTROM, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

The brothers of Beta Kappa Chapter of Kappa Psi wish to thank the members from Columbia University, Rutgers University, Philadelphia College of Pharmacy, and Temple University for the grand representation at the Province II Convention held at the William Penn Hotel in Pittsburgh on October 16-17. We also wish to thank the Graduate Chapters from Harrisburg, New Jersey, New York, Philadelphia and Pennsylvania who convened here for a hilarious weekend, which began with the viewing of the Panther-Miami of Ohio football game (Pitt won), and ended with a luncheon and final reports Sunday afternoon. An address was delivered at the morning session by Dean Reif, followed by an excerpt on "Fraternalism" by Dr. E. C. Claus. The weekend proved to be a huge success, both socially and educationally.

November 30 was a memorable occasion for the following pledges who received their final instructions on the initial phase of becoming brothers of Beta Kappa Chapter of Kappa Psi. We wish the following the best of luck in the remaining stages: James R. Mayer, Richard Lashaw, Rufus Hofelt, Albert Cerritelli, J. F. Palchak, Howard Galloway, Bill Engle, Dale Ealy, Paul Hollstein, John Griffin, Stuart Albrecht, Joseph Zaryck, Chuck Mosca, Arthur Masnick, James Kemper, Chuck Heath and Bill Faulk. Brothers Harrington and Zarecky have special interests in Mr. Faulk, which, I am sure will intrigue him at the proper time.

Two of our brothers expressed some gems of wisdom that I could not resist passing on to you.

Brother Taylor: "The scientific spirit requires a man to be at all times ready to dump his whole carload of beliefs the moment experience is against them. The desire to learn forbids him to be perfectly cocksure that he knows already."

Brother Mertz: "It is better to ask than to be misled without asking."

We would like to wish you all the best of luck on the coming final examinations, and may you come through with the very best of success, not only in grades, but also in knowledge and experience.

Fraternally yours,
ROBERT B. BRENNAN, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

Our annual smoker was held for the new students of Pharmacy School on October 24. Thirty-seven of the forty-eight new students attended. For entertainment we were able to procure films of the North Carolina-South Carolina Football Game. Our sextet had prepared a large selection of songs, which was followed by refreshments. Of the new students, twelve have pledged the fra-

ternity and will be initiated following the Christmas Holiday. They are: Charles Blanton, Kings Mountain, N.C.; Robert Britt, Raleigh, N.C.; Rowe Campbell, Jr., Taylorsville, N.C.; James H. Davis, Jr., Durham, N.C.; J. T. Gaylord, Winterville, N.C.; Steve Perrow, Bedford, Va.; Samuel H. Price, Mooresville, N.C.; Hubert N. Rogers, Fair Bluff, N.C.; J. Marshall Sasser, Smithfield, N.C.; Roger H. Sloop, N. Wilkesboro, N.C.; Sam T. Thorne, Charlotte, N.C.; Milner Watson, Sanford, N.C.

On November 21 our chapter entertained all of the girls' organizations in Pharmacy School. Miss McKendry, secretary of Pharmacy School and Miss Noble, Librarian of Pharmacy School acted as chaperones. Our new pledge class entertained with an hour of pantomime and slap-stick comedy, assisted by the sextet, after which refreshments were served.

We are hoping that at least six of our members will be able to attend the convention in Richmond on December 29, 30 and 31.

Fraternally,
RICHARD A. KNIGHT, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

We had a pledge meeting early in the fall quarter, and we held our banquet and initiation at the Faculty Club on November 10, 1949. The following new members were initiated: Clyde Allen, Frank Alvau, John Baker, Lawrence Bar, Lyle Clerget, Hohn Curry, Arthur Ferris, John Frlan, Vlademar Hansen, Bernard Hoover, Aclé Johnson, George Keller, Robert Kelly, Dick Kerr, John Kripaehne, Robert Look, Paul Martin, Stanley McInnis, Don Mahaffey, Hally Miles, William Sable, John Schofield, Gerald Thomson and James Wood. Beta Omicron welcomes these new members and congratulates them upon becoming members of Kappa Psi.

There were 18 graduate members present at the initiation. We of the Collegiate Chapter would like to thank the Seattle Graduate Chapter for the fine support it has given us in all of our activities. H. T. Trospen, Regent of the Seattle Graduate Chapter spoke to us on the opportunities and activities the Graduate Chapter offers the graduating students, and he urged all of these students to become active members. Dr. Louis Fischer, advisor to Beta Omicron and Satrap of the Seventh Province, spoke on the aims and ideals that Kappa Psi brothers should strive for.

Preparations are being made to send two delegates to the National Convention. Elected to attend were Fred Martin, Regent, and William Briggs. Also, Dr. Louis Fischer has been elected Provincial delegate. His attendance is possible only through the contributions from the members of the Collegiate and Graduate Chapters in this province.

Bob Bauguess, Garland Cavanaugh, Drummond Foster and Ken Ward, members of the bowling team, came in second in intramural competition. They will be shooting for the number one spot next quarter.

Fraternally yours,
WILLIAM A. BRIGGS, *Historian*

BETA SIGMA—NORTH DAKOTA STATE COLLEGE

Dismissing the thought of final exams for as long as possible, I once again concentrate on sending a friendly greeting from Beta Sigma. So from the cool, invigorating climate of North Dakota, here is a crisp "Hello."

And now the news.

Beta Sigma held its annual fall party at the Moorhead Country Club on Friday, November 18. As usual, our fall party was an informal dinner dance, and was a huge success. The only people who did not have a most enjoyable evening were those who didn't come.

Formal Pledge Presentation was held on Sunday, December 4, at the College Y.M.C.A. We were proud to introduce the pledge class of 23 to society. Special thanks must go to our house-mother, Mrs. Knutson, for her indispensable aid with the refreshments.

The entire chapter was recently entertained by the local Phi Mu sorority at their chapter house. The girls kept us happy during the much too short evening, and a similar event is greatly favored.

The intramural basketball team is pushing a record of 2 wins and 3 losses right now, but the best part of the season is yet to come. Good luck, fellows.

Alumni members who stopped by to see us recently were Harvey Brevik, Jack Leathart, Leonard Astrup and Dick Johnson. We wish that more of the grads would pay us an occasional visit.

Canasta, the game that is sweeping the country, is by no means unknown at Beta Sigma. In fact, bridge seems to have taken a back seat, and Canasta professionals are in the making.

This concludes the gossip column for now. Until the next quarterly publication, goodbye, and good luck from Beta Sigma.

Fraternally yours,

DICK LANTZ, *Historian*

BETA UPSILON—BUTLER UNIVERSITY

Beta Upsilon is growing stronger and more active in school affairs here at Butler University. All of our brothers are working hard in fraternal work and excellent results are being obtained. Students in the pharmacy college are awaiting the completion of a new pharmacy building now being erected on the university campus. Beta Upsilon is especially anxious for the completion because the new facilities will afford us a better opportunity to more fully participate in university activities.

Kappa Psi is well represented in the faculty of our college. In addition to E. H. Niles, Dean of the college, Dr. Rowe, professor of pharmacy, Dr. Harwood, professor of pharmaceutical chemistry, and Instructor Arnold, instructor of dispensing and lecturer in pharmacognosy, we have with us our newly appointed assistant dean, Dr. K. L. Kaufman, formerly of the Medical College of Virginia and Theta Chapter.

On October 19, 19 pledges were initiated into active membership, and we are proud to announce them. They are: R. W. Barnett, R. E. Brooks, R. C. Douthit, J. W. Hinton, C. D. Hodson, R. S. Koski, J. W. Lenington, L. R. Leuthold, G. J. Loepker, J. B. McGriffin, R. A. Pfau, J.

J. Risch, A. Rodriguez, W. N. Schenk, L. V. Stratman, J. F. Stucky, J. R. Turecek, R. C. Williams, and W. N. Wilson.

A social event took place on November 20 which was a success and was enjoyed by all brothers who attended. An informal party was held that afternoon and evening at Brother Pfau's cabin. Roasted wieners was the main bill of fare.

Beta Upsilon conveys best wishes to all Kappa Psi brothers, and wishes all chapters a successful and prosperous year to come.

Fraternally yours,

DOMINIC FRATTURA, *Historian*

BETA CHI—DRAKE UNIVERSITY

Christmas vacation will soon be here for two weeks. During this vacation Edwin J. Hardman will journey to Richmond, Virginia, for the National Grand Council Convention. Brother Hardman is a senior in pharmacy and will well represent Beta Chi Chapter.

December 9, 1949, new members were brought into the fold of Kappa Psi. Those initiated were: Peter Kalianov and Robert P. Weesner. Alumni members present were: Gale W. Stapp, Franklin T. Binder, Floyd Earl Mowers, E. Duane Richards, and R. Wayne Allen.

Kappa Psi is making preparations for its part in the Iowa Pharmaceutical Association Convention to be held at Des Moines, Iowa, February 27 and 28, 1950.

Three brothers of Beta Chi were among the seniors who took the Eli Lilly trip to Indianapolis, Indiana. Those making the trip were: Secretary Henry A. Meyers, Edwin J. Hardman, and Glenn R. Raudabaugh. Dean Benton accompanied the group.

Merry Christmas and Happy New Year to all members, past and present.

Fraternally yours,

GLEN H. BEAMAN, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Beta Psi pledges were completely dementholized and duly initiated into the chapter between the first and fourth of December. A pledge class of 16 worked hard to acquire the proper knowledge and we are proud and happy to add the following names to the chapter roster: Maynard G. Berglund, Ronald L. Gable, John A. Gatz, Robert A. Green, Alfred W. Grube, Harold A. Haag, John C. Jacobson, Frederick T. Jensen, Albert T. Mahinski, Leland R. Moebius, Frank R. Nelson, John M. Roudebush, Earl S. Reppert, William R. Scott, Jerome E. Thomley, and Hellmuth K. Ziegenbein.

On the educational side of the ledger, we have been quite fortunate. On October 17 Dr. Melvin Green, formerly of the A. Ph. A. and at present a member of the faculty of the University of Wisconsin School of Pharmacy, spoke to us on "General Laboratory Work in the A. Ph. A. Laboratory and the Derivation of Suitable Assays for National Formulary Preparations." Dr. Green's talk placed us all in a more friendly mood toward the official compendia.

We were extremely fortunate on November 21 when Mr. Carl Rothmeyer of Parke Davis and Company met with us and we were able to see a color film published by Parke Davis concerning "The Use of Thrombin Topical in the Technique

of Skin Grafting.' Apparently Brother Bill Seeman's stomach was a little on the seamy side as he left quite hurriedly after the first few feet of film were shown; he was up and about but still a little pale the next day.

Beta Psi enjoyed a successful Homecoming on November 12; we found in our midst grads from the '20s, '30s, and '40s and were mighty happy to have them with us. Looking forward to next year it appears as if we would need a larger hall and a bigger punch bowl.

Social activity came to a close for the quarter on December 10 when Beta Psi joined with Kappa Epsilon, Rho Chi and the Wisconsin Pharmaceutical Society for the annual Christmas party.

Our sincere wish all, a very pleasant Holiday Season.

Fraternally,

GEORGE E. TIEGS, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

Beta Omega has just opened its ranks to 39 new Brothers. They are: William J. Artz, Atlantic City, N.J.; Duane E. Bath, Washington, N.J.; Robert D. Bennett, Harrisburg, Pa.; Leonard Caputi, Trenton, N.J.; Joseph C. Cavella, Philadelphia, Pa.; Donald G. Clark, Philadelphia, Pa.; William J. Coyle, Philadelphia, Pa.; Robert D. Deem, Jr., Reading, Pa.; Donald L. Dffen-derfer, Chambersburg, Pa.; David W. Donmoyer, Shamokin, Pa.; William E. Englar, Milton, Pa.; Herbert C. Gilbert, Steelton, Pa.; James L. Goes, Long Valley, N.J.; Bernard F. Grabowski, Nanticoke, Pa.; Thomas A. Grancey, Olyphant, Pa.; Gene E. Gwyn, Plymouth, Pa.; James R. Heistand, Hersey, Pa.; Dean B. Henry, Seven Valleys, Pa.; Joseph R. Hermitt, Exeter, Pa.; Gerald J. Jackson, East Mauch Chunk, Pa.; Jack J. Jones, Dunmore, Pa.; Richard L. Lane, Aaronsberg, Pa.; Edward J. Levandowski, Reading, Pa.; Gordon D. Nell, Carlisle, Pa.; Paul A. Parente, Chester, Pa.; John J. Pitcherella, Coatesville, Pa.; Gabriel T. Popp, Erie, Pa.; Louis J. Ravin, Glen Lyon, Pa.; William B. Reed, Mahanoy City, Pa.; Vincent R. Rogliano, Philadelphia, Pa.; William T. Sherman, Richland, Pa.; Robert E. Singiser, Mechanicsburg, Pa.; Joseph J. Sobkowiak, Dickson City, Pa.; James D. Spears, New Castle, Pa.; David H. Stephens, Wilkes-Barre, Pa.; Melvin Thompson, Camden, N.J.; Andrew Wasilisin, Tunkannock, Pa.; Jacob S. Winters, Butler, Pa.; Edward Dietrich, facultate member.

Fraternally yours,

FRANK M. CLARK, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

For two consecutive years, Kappa Psi has walked away with the Homecoming honors. The honors consist of the pushmobile race championship and the Homecoming decorations trophy.

Not knowing whether the pushmobile race is unique here at Northern an attempt will be made to explain it. The various fraternities on the campus enter a pushmobile in a race held at ten in the morning on Homecoming day. The pushmobile is a cart on which one of the members of the fraternity's team rides and steers while the remaining members of the team, usually ten, push him around a nine block course. With quite

some pride and with thanks to our speedy regent "Mutt" Schaeffer we have been able to win the race two years in succession.

The Homecoming theme this year was a steamboat complete with side wheel, smokestack and bell. The captain of the boat was a polar bear; representative of Northern's football team. The boat was made to appear as a showboat with calliope music (recorded) included. The steam effect of the calliope was made by using dry ice and water, releasing it at intervals. Brother Winkler was the idea man behind the decorations, and had very able assistance along engineering lines from Brother Stoldt.

The actives held a drawing on a television set which netted a profit turned over to the building fund for the new house we hope to see erected in the not too distant future.

The alumni held their annual meeting at homecoming. Elections were held and the results were as follows: Kenneth Barnes was elected president, William D. Warner as vice-president, Robert Hardy as secretary, and Dean Rudolph Raabe as treasurer. Lon Tannehill, the retiring president, declined the nomination for another term as president due to ill health. Brother Tannehill has done a great job as president, and we feel certain that the alumni will join the active chapter in congratulating him on a job well done. Most of the board of trustees of the alumni association were present at this meeting. The members of this board are George Raeburn, John Kobis, Merrill Insley, Paul Ashton, William Tannehill, and Richard Day.

Brother Winkler and Brother Seaton have been named as Gamma Delta representatives to the national convention in Richmond. Many of the brothers have expressed a desire to attend, but will be unable since the convention comes at a date so close to the holidays.

On December 12 our annual pledge party was held. All actives received some non-sensical gift from the pledges. Between the gifts and the small satire put on by the pledges many an active's face was red.

The chapter was sad to hear of the death of Elmer Hoffman, who passed away last spring. Brother Hoffman was a charter member of Gamma Delta chapter.

Fraternally,

RAYMOND HEWITT, *Historian*

GAMMA ZETA—HOWARD COLLEGE

This brings about the close of another quarter's school work, along with the close of the year. Much was accomplished in furthering the work of Gamma Zeta and with the coming of the New Year we sincerely hope to take great strides along the road of progress. Now is the time for making our new resolutions and may each of us resolve to do his best, in the interest of the chapter and also remain keen and alert in our studies.

On November 8, 1949, Gamma Zeta held formal initiation of the pledges. The following men were initiated: Foy Feagin, Ralph Slade, Roy Stipe, Roy Anderson, John Roberts, Alpha and Robert Stone, and Henry Holley. We wish to extend to them a friendly welcome and feel sure they will render much valuable time and service to the Gamma Zeta chapter.

A steak supper was given the night of Novem-

Gamma Delta Chapter, Ohio Northern University

Gamma Delta Homecoming Decorations

ber 15, 1949. The new members as well as the older ones were present. After the evening meal everyone enjoyed a short time spent in becoming better acquainted. The older members really went *all out* to make the new ones feel a part of the chapter and encouraged them to take part in the work that is to be done.

With the close of another quarter we are losing some more of our members by graduation. They are as follows: John Brodie, Melvin Brown, Jack Cawood, Jack Cole, John Hardiman, James Johnson, William (Bill) Lee, Jo Malone, and Ed Niles. We sincerely wish these brothers much success in their respective positions and jobs.

In early November some of the boys took time out from their school work to go over to Tennessee to take their state board examination. As yet we have not heard the results but hope they passed with flying colors.

Approximately 75 members of the School of Pharmacy visited Eli Lilly & Co. in Indianapolis, Indiana, November 20-23, 1949. Everyone enjoyed the trip very much.

This winds up the news from Gamma Zeta chapter for the present and in closing we want to wish everybody in Kappa Psi a very successful year.

Fraternally yours,
HENRY HOLLEY, *Historian*

GAMMA ETA—MONTANA STATE UNIVERSITY

The chapter, after being dormant during the summer months, again became active with the advent of fall quarter. Four new members, Tony Francisco, Ted Walters, Gregory Fink, and Alden Joscelyn were received into our ranks this past quarter. Ten pledges from last spring quarter will be initiated into the chapter next quarter. Three men were pledged at the last meeting.

Those of us who attended summer school gave a dinner dance on August 1. During the evening, Regent Naglich presented Dean Waldon with a briefcase to express our gratitude for his decision to remain at the university. The Dean declined the position as Director of Educational Relations with the American Council on Pharmaceutical Education in Chicago.

Dr. Waldon said, "After further comparison of the opportunities offered by the new position with those here in Montana, I have decided to remain with Montana State University."

The scholarship plan that we had been planning to offer to future pharmacists was rejected in favor of the decision to increase the number of books in the pharmacy library. The chapter voted to donate \$150 to initiate this plan. In addition to this, each member will be assessed an extra \$0.25 per month to be added to this fund. Many new books have already arrived.

Gregory Fink was nominated by the actives to represent this chapter at the National Convention of Kappa Psi at Richmond, Virginia.

Our quarterly dinner dance is scheduled for January 7. The election and installation of new officers will take place about the middle of January.

The Kappa Psi members took an active part in the preparations for the Pharmacy Ball. It was well attended and many recent graduates were there.

With the thought of the holidays ahead, this chapter extends a Merry Christmas and Happy New Year to all of the members of Kappa Psi.

Fraternally yours,
ROBERT FULLER, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

We have just found out that Eugene Kaelin is to be married next month. A surprise it was. The sports activity has been confined to playing chess and cribbage. A little basketball by a few of the members now and then. It must be the season because we know now that John McDiermon will be married in January. With pledging over, the third degree was held December 8 at the Melbourne Hotel here in St. Louis. There were 23 actives, 17 pledges and four faculty members present. Fred Valcourt, who is assisting in Bacteriology, attended the Massachusetts College of Pharmacy. Fred is with us from Mu Chapter. Lou Beck says he is glad pledging is over. He seems to be slowing down from his high spirited activities. The pledges are happy that Lou Beck is slowing down, or shall we say resting from his labors. The chapter is happy to welcome the incoming group for we know them as brothers by association in school. Dan Blankenship has the best reading voice in the fraternity, we found out at the first and second degrees. A program of student-graduate relationship, a new idea to make the A. Ph. A. the one organization in pharmacy, is under way at the school. We wish them much success.

Fraternally yours,
FRED B. COOK, JR., *Historian*

GAMMA RHO—UNIVERSITY OF NEW MEXICO

Things started moving this semester on October 6, when we initiated five new men with full ritual and regalia and a little horseplay and friendly get-together afterwards. The new men welcomed into our order that evening were: Joe Stuart, Michael Stryzelecki, Edward Mitchell Wells, John B. Wise, and Joseph D. Duddleston.

The next meeting, bids were extended to eight new men, all of whom accepted, of course, and were pledged. Pledgemaster Wayne Sowell met with the pledges weekly and instructed them in various matters of Kappa Psi history, organization, and activity. The pledges also took care of the "coke" session which Gamma Rho maintains at the College of Pharmacy (a good source of revenue, by the way) and decorated the building with luminaries for Homecoming. The men who passed the examination and were initiated December 8 were: George A. Hoeft, Bevins Cark, James J. Delaney, Joseph P. Miller, Earl E. Weaver, Jack S. Oda, Noel C. White, and Ed Sobol.

On December 9, we met for a preliminary at John Wise' house and then proceeded in force to the Student A. Ph. A. dance at the Student Union Building. The evening was a rousing success.

The chapter elected Wayne Sowell and Byrne Cates to represent us at the national convention.

NEW MEMBERS OF GAMMA PI CHAPTER

Seated; David Shy, James Sisk, Edward Bonacarci, Harvey Millburg, Nile Smith. 1st row standing: Ronald Karver, James Stoker, Kaye McDill, Ernest Winkelmann, Jess Hobbs. 2nd row standing: Albert Madden, Carl Lawrence, Bill Smith, John Schremeier, Paul Billman, Homer Sheets, Everett Moody.

We would all like to be there, but Albuquerque is quite a jaunt from the rest of the country.

We extend to all of you our best wishes for a prosperous, healthy, happy 1950.

Fraternally yours,

TOM SHILTON, *Historian*

GAMMA SIGMA—UNIVERSITY OF FLORIDA

We have been enjoying a great hubbub of activity since the last news letter.

On November 16, 1949, fifteen pledges were initiated including the Dean of the College of Pharmacy. The initiates are as follows: Dr. Perry A. Foote, facultate member; Charles E. Anderson, Bert D. Bekemeyer, Glenn Bryann, L. Brooke Dunwoody, William Finigan, W. Marvin Gresham, Charles J. Hobby, Carey E. Jones, Dozier Moore, Barney McRae, Jack Pace, Charles H. Pempy, Richard L. Robertson, and Charles F. Williamson.

The final degree was conferred on the pledges in the Pink Room at the Hotel Thomas in downtown Gainesville. Immediately after the ceremonies, we adjourned to the banquet hall and partook of a most delicious repast of ham and all the trimmings.

Many thanks to Brother Herb Gross (Beta Psi) for his time and effort in helping us put over our first formal initiation.

Brother Seabrook of Iota Chapter, Medical College of South Carolina, has transferred here. We are glad to have him with us.

Regent Harry Powell and Robert Hodges attended the national convention in Richmond.

That's about all the news for this time from Gamma Sigma. We hope you all had a very Merry Christmas and may the New Year be an exceedingly prosperous and active one.

Fraternally yours,

ROBERT C. McDOWELL, *Historian*

BOSTON GRADUATE CHAPTER

The Boston Graduate Chapter held its first meeting of 1950 at the Hunnewell Club in Newton, where we were the guests of Brother Wilfred Chagnon who provided one of the grandest lobster dinners imaginable. After a most delicious and complete meal the gathering, which was the largest in quite some time, settled down to a meeting.

After hearing the formal convention report we received some of the highlights of the extra-curricular activities in the vicinity of Richmond from Brother Ray Kelley and Co. It seems a new establishment named "Joe's Bar and Grill"

suddenly came into existence and that Southern hospitality is really tops.

Representative Fred Hailer, Jr., son of Brother Fred Hailer, spoke to us on fraternities and the meaning of fraternal alumni meetings.

Brother Mike Fallon, on behalf of the Boston Graduate Chapter, then presented the *Boston Graduate Scholarship* to Brother Frank O'Connell, Jr., of the junior class and of Lynn, Massachusetts. The *Douglas Wilson Memorial Scholarship* was awarded to David Carew, a worthy sophomore brother from Monson, Massachusetts.

A donation of \$125 was made by the chapter to the Massachusetts College of Pharmacy 125th Anniversary Laboratory and Equipment Fund.

A committee was elected to lay the foundation for an invitation of the 1953 National Convention to Boston.

Our next meeting will be held in conjunction with the undergraduate chapter at the annual smoker to take place on April 4, 1950, at the Puritan Hotel in Boston. Let's all turn out then for a really grand time.

Personals: George Ferland is expecting the stork to land at his home any day now.

John Vazakas has been home for a visit, but is now back at Purdue University.

Robert Rockwell is now traveling down around Florida way.

J. Walter Toner just opened a new store in Portsmouth, New Hampshire.

S. A. Anderson is now the proprietor of Rangeley Drug in Rangeley, Maine.

Norman Bell has brought a new home in Natick, Massachusetts.

Charles Rabe became the proud daddy of a pretty young lass on January 8.

Charles Donaldson recently became engaged to Miss Laura Apelian of Belmont.

George Archambault paid a visit to M.C.P. on January 9.

Roman Panek is now residing at 156 Brace St., West Hartford, Connecticut.

John Ledgard was seriously injured in an automobile accident in Laconia, New Hampshire, in January. More definite news on John's misfortune next time.

Peter Shostak is now proprietor of Peter's Pharmacy at 1527 North Avenue, Bridgeport, Connecticut.

William H. (Bill) Barrett is employed as a registered pharmacist for People's Drug. Bill and Mrs. Barrett are living at 3256 Mt. Rainier, Maryland.

Fraternally yours,
GEORGE NARINIAN, *Secretary*

DETROIT GRADUATE CHAPTER

The Detroit Graduate Chapter has been quite active since our last communique. At our November smoker, regardless of a rather small turnout, spirits ran high and an enormous quantity of food and some beverage were consumed. During the business meeting which followed, presided over by Regent James Hall, final plans were made with Mu Omicron Pi for our December dance.

We are quite proud here in Detroit to have four brothers nominated as officers to the Grand Council. They are: James Joseph for Grand Vice Regent; Gordon Goyette for Second Vice Regent; James Hall for Grand Regent; Carl E. Kyburz for Grand Ritualist.

Mr. and Mrs. James Joseph have been quite enthused about their forthcoming trip to Richmond. It sounds rather like a second honeymoon. Wayland Grazania is our other delegate to the convention.

Mr. Hall, one of a group from J. L. Hudson, was a recent visitor to Eli Lilly & Co. in Indianapolis. Now he knows where all the 'Lextron' comes from. Brother Jake Foss has a little trouble with men going through his safe. It seems that Jake asked the boys to please leave his backroom alone, but they were very unaccommodating.

Brother Lloyd and Professor Lawson are now in the drug business at Allegan, Michigan.

Our biggest social event of the year proved to be our "Mortar and Pestle Mixer" held at the Tuller Hotel, December 3. This was a joint dance with collegiate chapter. We were pleased to see so many of the brothers and their friends present. This is all for this time so I'll "Clip Clop" along to see if Mrs. Kyburz has that pair of short pants ready for me to wear at the Christmas party.

Fraternally yours,
CARL E. KYBURZ, *Secretary*

NEW JERSEY GRADUATE CHAPTER

The New Jersey Graduate Chapter held its second meeting of the year in Newark, New Jersey, on November 8, 1949.

There was a brief business meeting during which we discussed the advisability of establishing a special reserve fund jointly with the Omega Chapter of Rutgers. In order to insure adequate consideration of this problem, Brothers Einbeck, Hiler, and Delius were delegated to study the problem and report to the chapter at the next meeting.

Brother Ulan then presented an illustrated talk of his trip to Germany last summer when he was chairman of a teaching mission sent to Munich to lecture to D.P. pharmacists. Brothers LeRoy Keagle, of Buffalo, and Albert Mattocks, now of the A.Ph.A. staff, accompanied Brother Ulan on the trip.

Fraternally yours,
MARTIN S. ULAN, *Secretary*

PROVIDENCE GRADUATE CHAPTER

The Providence Graduate Chapter, long a dead issue in these parts for some time, has risen to life anew. Upon graduating last June, a group of us, along with a few graduates of the past year, took the bull by the horns and in true Kappa Psi fashion, reorganized and reactivated the chapter.

First of all we elected officers, namely: Henry Mason, Regent, Joseph Cardin, Vice Regent, Raymond Picard, Secretary, Richard Spinney, Treasurer, and Leo McCloskey, Intra-Fraternity Representative. This done, we set our sights upon increasing our membership to bring in all Kappa Psi men in our area who wish to join us.

The nucleus of our newly organized chapter, besides those previously listed, includes: Paul Gardner, Cosmo Franchetti, Bill Horgan, Vic Vekeman, Leonard Contillo, George Bray, Dick Noel, Howard Smith, Bill Cornell, Bill Lang, Bob Vosburg, Norm Saute, Virgilio Mignacca, Harold Coughlin, and Tony Marcellino.

Our meetings to date have been full of action

and boiling over with enthusiasm in order to get the ball rolling, to make ours the most active graduate chapter in Kappa Psi.

The true spirit of Kappa Psi was expressed recently when one of our members, who had just gone into business for himself, was taken ill. Every last one of the boys volunteered to give him a hand in his store, filling in for him until his health permitted his return to business. Although not all were needed to serve, they were there, and those who did, performed a good job. This I consider true Kappa Psi spirit and it is this spirit upon which our chapter's reorganization is founded.

Our many thanks to Beta Epsilon Chapter for helping us to get started. It is our intention to work hand in hand with our collegiate brothers, to make a bigger and better Beta Epsilon in a great fraternity.

Fraternally yours,
BILL LANG, *Historian*

SEATTLE GRADUATE CHAPTER

Greetings from the Evergreen State to our Kappa Psi brothers everywhere. Our chapter, which meets on the third Friday of each month

at the Gowman Hotel, terminated its 1949 activities with a meeting at 6:30 P.M. on November 18. We elected the following officers: Royal H. Beaudry, regent; Ed Sawyer, vice regent; Paul Brown, secretary; Rudie Rosenquist, treasurer and historian. These new officers will be installed at a meeting on January 20.

At the November meeting five new brothers who became members of Beta Omicron at the University were present. They were Jack Strom, Jr., Ira Brown, Phillip P. Chase, J. Robert Richey, and John A. Johnson.

At our meeting on October 21, Brother C. Halverson, president of the Washington State Pharmaceutical Association, and member of the State Board of Pharmacy, talked on the possible expansion of the Seattle Graduate Chapter's social and political standing.

We are now sponsoring a Kappa Psi Scholarship at the University of Washington. This scholarship of \$50 is to be presented to a deserving student possessing the following qualifications: "A Junior or Senior Kappa Psi student of good scholastic standing and possessing inspirational and leadership qualities in his fraternity and profession."

Fraternally yours,
RUDIE ROSENQUIST, *Treasurer and Historian*

EXPULSIONS

James M. Harvey and Rex R. Post have been expelled by Gamma Sigma Chapter on constitutional grounds.

Robert H. Hamberg and Robert J. Brinck have been expelled by Beta Phi Chapter on constitutional grounds.
