KAPPA PSI is a member of the Professional Interfraternity Conference, organized in 1928 to encourage high scholarship, professional research, advancement of professional ethics, and the promotion of a spirit of comity among the professional fraternities in the advancement of fraternal ideals.

WHOLE NUMBER 193

A Quarterly Magazine maintained and published in the Interests of the Fraternity, College, and University. Published during the months of January, April, July, and November by George Banta, Official Printer and Publisher, 450 to 454 Ahnape Street, Menasha, Wisconsin. Single copies 75¢; yearly subscription \$3.00.

Entered as second-class matter February 1, 1912, at the post office at Menasha, Wis., under the Act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, paragraph 4, section 429, P. L. & R., authorized September 21, 1918.

From the Desk of the Grand Regent

Frank H. Eby

WHAT ABOUT THE FUTURE?

The present policy of our Federal Government with regard to Pharmacy students and the military service places this group of professional persons in a very uncertain and unfavorable position.

According to regulations at this writing, students whose scholastic averages place them in the upper half of their class are eligible for draft deferment for one semester; however, any unfavorable turn of events can easily bring about a change in this regulation. Total mobilization could rapidly reduce the student bodies in our Pharmacy Schools and we could easily see a condition similar to that which existed for some time during World

War II. At present it appears that there is going to be some serious decrease in the enrollment following the close of most of our colleges next June. If this occurs there will be some loss of Kappa Psi members in the various chapters and with this in mind we urge that chapters give some thought to increasing their total membership, especially in those chapters which at present have fixed membership limits. This is suggested only as a temporary measure or so long as the present condition may continue, in order that chapters which may suffer heavy loss of members may still retain a membership which will permit them to function actively. Under no conditions, however, should the eligibility requirements for membership be modified in any chapter in order to bring in a larger group of new members.

WELCOME GAMMA IOTA CHAPTER

It is always a very happy occasion when we can welcome an old dormant chapter into the group of active Collegiate Chapters and I am delighted to extend, in behalf of Alpha Chapter, sincere congratulations and good wishes to Gamma Iota Chapter and its fine members who now constitute the FORTY-THIRD active Collegiate Chapter.

The reactivation of Gamma Iota Chapter occurred on November 17 with thirty-two new members being initiated. Under the able leadership of one of our most loyal Brothers, Professor LeRoy Keagle, a member of the Faculty of the School of Pharmacy at the University of Buffalo, the old chapter which was first established in 1920, became active once again.

It was a pleasure to have had a part in the reactivation ceremonies and I know that it will be but a short time before Gamma Iota Chapter takes a leading part in the professional and social activities at the College of Pharmacy. It is our hope that the new brothers will be inspired to carry on the fine traditions of our fraternity by diligent work and the application of the principles of our brotherhood.

College Students and War Service*

The new Congress which meets this month is expected to make several decisions which will affect college enrollments next fall. Its acts will be concerned with tightening up the deferment policy, a possible extension of the term of military service from 21 to 24 or more months, and a possible change that will permit drafting of 18-year-olds. Most college presidents think that the simple arithmetic of the manpower needs of the nation's military preparedness program will reduce college enrollments of men students next fall by from 25% to 40%, regardless of what decisions Congress may make.

On December 17 the Selective Service Director, Maj. Gen. Lewis B. Hershey, received a final set of recommendations from the six advisory committees which he appointed two years ago to advise him on the use of college students in a defense program. Their combined report generally followed the recommendations reported in the November issue of this Bulletin. The heart of the plan recommended by these committees is the creation by Selective Service of a new classification to be known as II-A(S) to cover all students who have demonstrated educational aptitude of potential value to the national health, safety and interest.

In thanking the group for its recommendations General Hershey said that the present deferment system leads to a "hide and seek" with the Selective Service and was far from satisfactory. He said that it was not up to him to change the policy and said he did not know if Congress would legislate a better program.

Early in December the Association of American Universities urged the enactment of a law to draft all youth for two years of military service upon their reaching the age of 18. This would not be training of the kind proposed in UMT bills, but actual military service.

This was essentially the Conant plan proposed earlier by President Conant of Harvard. Several college presidents at once challenged the wisdom of the automatic induction of 18-year-olds, and suggested that youth should be given some choice as to the time between the ages of 18 and 26 when they would serve their required two-year term of military service.

On December 14 a group of college presidents representing the New York State Association of Colleges and Universities said that while basic military training for all 18-year-olds was needed, their call to military service should await the end of high school or college education.

In its December 22 issue, U. S. News and World Report stated that at the present time 570,000 college men of draft age have been deferred, and that under the present policy 200,000 of these will be in uniform before next fall.

College officials are saying that if full mobilization takes place, some form of accelerated program in the colleges will be necessary, similar to the stepped-up program of the recent war period. Representatives of the American Council on Education will meet in Washington on January 19 and 20 to discuss the question of speed-up in higher education.

**Editor's note:* From the January 8, 1951 issue of *IRAC*, publication of the Interfraternity Research and Advisory Council, Dean A. R. Warnock, *Editor*.

Province II Assembly

Oscar Olsson, *Acting Secretary*

The 1950 Province II Assembly, Kappa Psi Pharmaceutical Fraternity was held in Philadelphia on October 21 and 22. Satrap Michael Bihon presided and delegates were in attendance from all Collegiate Chapters except Gamma Chapter.

The first session was held at the Eta Chapter House and was called to order at 9:00 P.M. Regent Edward Gentz of Eta Chapter extended greetings to the delegates and other brothers and this was followed by the report of the Secretary which was read by Regent Oscar Olsson of Omega Chapter. The report of the Treasurer followed.

The first session was devoted largely to the consideration of two topics which have a very important bearing on Collegiate Chapter success. Brother Joseph Marlinio of the Faculty of the Temple University School of Pharmacy was discussion leader for the topic "Chapter-Faculty Relations" and Brother Edward Gentz was discussion leader for the topic "Collegiate-Graduate Chapter Relations." Both discussion leaders expressed some excellent ideas and the general discussion in which many brothers participated resulted in one of the most constructive programs ever held in this province. We might suggest that other provinces give consideration to a discussion of these topics at their meetings.

At the close of the first session, Regent Dudley Thomas of the Philadelphia Graduate Chapter, the host chapter for the evening, expressed greetings and a hearty welcome in behalf of the Philadelphia members of Kappa Psi. Following this the members adjourned to the dining room where the Eta Chapter members had prepared the food supplied by the Graduate Chapter and everyone enjoyed a fine "social hour" which has become one of the high spots of all Province II Assemblies. When every one had his fill of fine Philadelphia food and beverages, Grand Regent Eby showed his large collection of Kodachrome pictures covering the last Province II Assembly held in Pittsburgh in 1948, and also many pictures of the National (1949) Convention held in Richmond. This was followed by a showing of the fine motion picture covering the most important events of the Richmond Convention. This closed the evening of one of our finest Province II meetings.

The second session was called to order at 9:30 A.M. in the Sylvania Hotel with Vice Satrap Albert L. Fauss of Beta Kappa Chapter presiding.

A welcome to the city of Philadelphia and a brief review of some of the early days of Kappa Psi in Philadelphia was presented by Professor Geo. Patterson of the Philadelphia College of Pharmacy & Science who has been a loyal brother for more than forty years.

Grand Regent Frank H. Eby gave a brief talk on the activities of our fraternity throughout the nation and stated that we had reached our greatest strength and prestige and were now one of the important professional fraternities in the United States.

The feature of the morning session was an address by our Supervising Grand Officer and the Grand Historian of Kappa Psi Fraternity, Professor Nicholas W. Fenney of the Connecticut University, School of Pharmacy. Brother Fenny gave us much authentic information on the early history of Kappa Psi and showed some old pictures to complete his fine presentation. He also showed some additional motion pictures of the Richmond (1949) Convention with sound and this feature was enjoyed by all the members. It gave us a good idea of just what a National convention is like and many of us hope that we can be present at the next one in 1951.

The meeting adjourned at 11:00 A.M. to permit the members to attend religious services after which they returned and at 1:30 P.M. joined with some late arrivals to enjoy a fine dinner in the Junior Room of the Sylvania Hotel.

Satrap Bihon presided at the third and final session. Committee reports, unfinished and new business consumed a part of the afternoon and this was followed by the

nomination and election of new officers. The following were elected to serve for two years and were officially installed by Grand Regent Eby: Satrap, Oscar D. Olson (Omega); vice-Satrap, James Ryan (Eta); Treasurer, Joseph Marlinio (Philadelphia Graduate); Secretary, Albert L. Fauss (Beta Kappa); Historian, Edward Ifft (Pittsburgh Graduate); Chaplain, George Patterson (Philadelphia Graduate), Delegate to National Convention; Andrew Kohut (Philadelphia Graduate); Alternate Delegate, Pierre Smith (New Jersey Graduate).

The Committee on Place selected New York as the place of meeting for the 1951 Adjourned Meeting and the time will be set by Gamma Chapter and the Executive Committee of the Province.

The Committee on Resolutions presented a number of resolutions which were approved. These resolutions expressed thanks and appreciation to Eta Chapter, Beta Omega Chapter and the Philadelphia Graduate Chapter for being such splendid hosts; to Brother Nicholas Fenny for his fine work as Grand Historian; to Brother H. C. Wood, Jr., for his devotion to the Fraternity for so many years; to Brother Frank H. Eby for his fine leadership as Grand Regent; to the Province II Officers for being such good officers and having such a fine meeting; and finally, a resolution expressing the good wishes of the fraternity to the many brothers who have entered the service and the hope that they may return speedily to their homes.

The meeting adjourned at 4 P.M. to meet in an adjourned session in 1951.

Province V Assembly*

The Province V Assembly was held on Thursday and Friday, December 28 and 29, 1950 at the University of Kansas in Lawrence. Rho Chapter acted as the host group. Business sessions were held in the Student Union Building.

Satrap James R. Thayer called the first session to order at 9:30 A.M. on the 28th. A roll call of delegates showed the following voting members to be present: Brothers Reid and Hagopian of Psi; Brothers Locke and Lucksinger of Gamma Upsilon; Brothers Burke and Feyh of Beta Chi; Brothers Henney, Sherrer, Sisk, and McDill of Gamma Pi; Brother Stowers of Beta Rho; Brothers Gates and McDaniel of Rho. Gamma Omicron, Gamma Zeta, and Gamma Gamma were not represented by delegates.

In the absence of Secretary W. Lewis Nobles, Brother E. L. Willoughby was appointed secretary *pro-tempore*. Brother Gettys, regent of Rho chapter, welcomed the visiting brothers. Brother Thayer presented a message from Grand Regent Eby who was unable to attend. In this message the Grand Regent wrote of the progress made by Kappa Psi during the last decade, and outlined some of the plans which have been made for future development.

At the beginning of the afternoon session on the 28th, Dean J. Allen Reese of the School of Pharmacy of the University of Kansas gave a fine message of welcome to the convention.

The matters considered during this assembly included new business, finances of Province V, the possibility of holding the next National Grand Council Convention of Kappa Psi (1951) in St. Louis, various matters of province interest, the needs for a pledge manual for the national organization, time and place of the next Province V Assembly, and election of province officers.

Brother Henney, regent of Gamma Pi chapter, presented the report which recommended that St. Louis be chosen as the next "National Convention City." St. Louis was also selected as the place for the next Province Assembly.

Province officers elected were James R. Thayer, satrap; Raymond Hoppenon, vice satrap; Brother James E. Dusenberry, secretary; Charles Granberg, treasurer.

*Note: Abstracted from minutes submitted to the Editor.

Province III Assembly

Medical College of South Carolina
December 2, 1950

Province III Assembly*

This well-attended meeting was called to order by Acting Vice Satrap William Carpenter in the Baruch Memorial Auditorium of the Medical College of the State of South Carolina, Charleston, at 10:00 A.M., December 2, 1950. As it happened, Satrap Schermerhorn had been delayed en route, but arrived soon after the meeting opened.

Members in attendance were : *Beta Xi Chapter*—Brothers Fred Semeniuk, Earl Brown, Hubert Rogers, Sam Price, James Greene, Harold Day, Charles Blanton, A. M. Clelland, William Robertson, Joe Reese; *Theta*—Brothers M. L. Neuroth, George Rick, James Lamar, Charles Ashby; *Gamma Tau*—Brothers J. W. Schermerhorn, James Lipkey, Peter VanAllen, Frank Marciniac, Willard Moore, James Fahrney; *Iota*—Brothers William A. Prout, Harold King, William Martens, Milton Langston, William Rowe, Edward Mitchum, W. Crosby, D. Jacobs, Glen Roney, John Ford, Anthony Ellis, William Carpenter. *Gamma Sigma* Chapter was not represented by a delegate.

Brother Carpenter, speaking as Regent of Iota Chapter, welcomed the delegates on behalf of the host group, and Brother Neuroth extended a welcome on behalf of the Grand Chapter. Dr. Semeniuk, who has been instrumental in reorganizing graduate members in North Carolina, was introduced and offered brief remarks. Dean William A. Prout welcomed the convention on behalf of the School of Pharmacy.

The usual matters of business were taken up during the course of the all-day meeting. These included reports of various officers, appointment of committees, consideration of old and new business, committee reports, and election of officers. Third Grand Vice Regent Neuroth addressed the assembly. His subject was, "The Professional Fraternity—Its Present Status."

The committees named early in the session were as follows: *Nominating*—Brothers Rogers, Rich, and Lamar; *Time and Place*—Brothers Lipkey, King, and Brown; *Finance*—Brothers Ashby, Roney, and Greene; *Scholarship*—Brothers Day, Moore, and Rick.

Officers elected were: John W. Schermerhorn, satrap; John E. Timberlake, vice satrap; William Carpenter, secretary; Fred Semeniuk, treasurer; Charles Ashby, historian; James Lipkey, chaplain; Earl Brown, delegate-at-large; A. D. Putnam, alternate delegate.

Brother Lipkey of the Time and Place Committee reported that the next assembly of Province III would be held either at Chapel Hill with Beta Xi as the host chapter, or in Washington, D.C., with Gamma Tau Chapter as the host. The final decision as to place was left to the discretion of the executive committee of the province.

*Note: Abstracted from minutes submitted to the *Editor*.

CHANGES OF ADDRESS

Members are requested to help in keeping THE MASK mailing list as accurate as possible.

Include your old as well as your new address. It is suggested that you also state your collegiate chapter affiliation.

Mail your notification directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15, Massachusetts.

GAMMA IOTA REACTIVATED

Top: Front row seated (left to right): Samuel Ferrara, Dr. Leroy Keagle, Frank Eby, Dean A. Bertram Lemon, Ray Kelley, Henry Sherwood.

Top row: Dr. Harry Iwamoto, Melvin Monteith, Dr. John Kleber, Arthur Martin, Paul Mitri, Allan Smith, John Davis, Zaker Shakarjian.

Bottom: Front row seated (left to right): Samuel Ferrara, Regent; Dr. Leroy Keagle, Faculty Advisor; Henry Sherwood, Vice Regent.

Top row: Zaker Shakarjian, Chaplain; Allan Smith, Treasurer; Paul Mitri, Historian; John Davis, Secretary.

Gamma Iota of the University of Buffalo Reactivated

Paul P. Mitri, *Historian*

One of the greatest "gifts" to the University of Buffalo, School of Pharmacy, was the re-activation of Gamma Iota Chapter of the Kappa Psi Fraternity, absent from the campus since 1943. The ceremony took place November 17, 1950 at Hartman's Restaurant with the initiation of twenty-eight collegiate members: Samuel Ferrara, Regent; Henry Sherwood, Vice-Regent; John Davis, Secretary; Allan Smith, Treasurer; Paul Mitri, Historian; Zaker Shakarjian, Chaplain, Philip E. Ruslink, Frank J. Barlow, John B. Evans, Oscar Kapczynski, Joseph F. D'Amico, Francis J. Enzinna, Thomas C. Gerstner, Jack S. Detrick, John H. Hackney, Paul A. Marone, Lucius W. Stokes, Jack P. Weber, Jacob J. Carotta, Theodore L. Alfieri, Pascal C. Gulino, Vito J. Perricelli, Herbert R. Riemen, Eugene F. Zielinski, Robert W. Miller, John Lemondes, Henry A. Panasci, Clayton J. Marlinski, Robert B. Lenhart. The Faculty members are: John W. Kleber, Leroy C. Keagle, Arthur H. Martin, Harry K. Iwamoto, and Dean A. Bertram Lemon.

The celebration began with the presentation of a bright-red carnation, to each member, which made them truly the "ambassadors of professional pharmacy." The formal initiation was directed by Grand Secretary-Treasurer Ray S. Kelley and Grand Regent Frank H. Eby. They spoke, alternately, on the duties of the officers, the purpose of the Kappa Psi Fraternity and the standards by which the men of Kappa Psi must live in the advancement of the profession of pharmacy.

The highlight of the evening was the presentation of the beautiful crystal clear crown of sparkling rubies of our new insignia which seem to reflect our already high place in pharmacy.

We were honored by the presence of several alumni: Nicholas Fiorella, Donald Hill, and Royal L. McLouth. Mr. Melvin E. Monteith, chief pharmacist at the Veterans Hospital in Buffalo, and a graduate of the University of Oregon, also became a member of Gamma Iota Chapter.

The following brothers are veterans of World War II: Frank J. Barlow, John Lemondes, Eugene Zielinski, Robert B. Lenhart, Oscar Kapczynski, Jack P. Weber, Clayton J. Marlinski, Francis J. Enzinna, Samuel Ferrara, Paul A. Marone, Jack S. Detrick, Henry L. Sherwood, John R. Davis and Paul P. Mitri.

An Invitation from Upsilon Chapter

At a recent meeting of Upsilon Chapter, the Junior and Sophomore members voted unanimously to invite the brothers of Kappa Psi Pharmaceutical Fraternity to hold the next National Grand Council Convention in Louisville, Kentucky in December, 1951. These brothers have stated that they would consider it a very great honor and privilege to serve as hosts for this convention.

Fraternally yours,

ROBERT BENTON, *Secretary*

A.Ph.A. ACTION ON PROPOSED PRESCRIPTION REFILL RULING

The Attorneys for the American Pharmaceutical Association gave careful study to the proposed ruling offered by the Federal Security Administrator for the clarification of the references to filling and refilling of prescriptions in the Federal Food, Drug and Cosmetic Act and regulations thereunder. The thirty-day period allowed for filing written comment on the proposed ruling expired on January 5, 1951.

Messrs. Thurman Arnold and Walton Hamilton of Arnold, Fortas & Porter, Attorneys for the A.Ph.A., have sent a communication to the Secretary of the American Pharmaceutical Association setting forth their interpretation of the proposed ruling filed by the Federal Security Administrator in The Federal Register for December 6, 1950. They have sent a copy of this letter to the Administrator, Oscar Ewing, informing him of the advice which they are giving the members of the American Pharmaceutical Association with respect to the filling and refilling of prescriptions under the proposed order.

In their communication to the Administrator they also suggested that an amendment to his definition of the term "prescription," while perhaps not necessary, would serve to set at rest any doubt as to the conditions under which the telephone may be used as a method of communicating prescriptions.

In the proposed ruling the term "written prescription" is defined as follows: "The term 'written prescription' as used in paragraph (b) of this section, means a written order signed by a physician, dentist, or veterinarian, directing the dispensing of a specific quantity of a drug or device for the person named in the order; and the phrase 'dispensed upon written prescription' does not include refilling the prescription or otherwise dispensing any quantity of the drug or device in addition to that specified in the order, unless the refilling, or other dispensing of the additional quantity, is authorized in writing by the prescriber."

The amendment suggested by the Attorneys for the American Pharmaceutical Association would add the following: "The requirement of a written prescription signed by a physician shall be deemed to be fulfilled if

"(1) the physician dictates the prescription—or authorizes the refill—to the dispensing pharmacist over the telephone, with full directions for use and precise instructions in respect to later refills;

"(2) the pharmacist makes and preserves in writing an accurate record of the prescription—or of the authorized refill—as dictated; and

"(3) the physician notifies the pharmacist, at the time of the phone call, that a proper entry is being made on the record of the patient in the physician's office to the effect that the prescription was given or the refill authorized."

The Secretary of the American Pharmaceutical Association is not expected to issue the interpretation of the proposed order as supplied by counsel for the Association until the Administrator issues the ruling in final form.

In the meantime, pharmacists are advised that although the proposed ruling falls short of giving everything that the Association asked for, it marks a substantial advance, which on the basis of the interpretation by counsel for the American Pharmaceutical Association will provide adequate official guidance in the filling and refilling of prescriptions.

As soon as the final ruling is promulgated, the American Pharmaceutical Association will issue its interpretation for the guidance of the profession. Any further action to be taken will depend upon the form of the final ruling.

ROBERT P. FISCHER, *Secretary*

From the Desk of the Grand Secretary-Treasurer

Ray S. Kelley

The arrival of 1951 was celebrated several weeks ago. Gloomy forecasts have been made concerning this New Year and the troubles it will bring to each of us. The threats of the atomic bomb, of complete mobilization, of universal military training, of increased taxation, of strikes, of high prices, of the ever-present profiteer, of demagogues and of individual selfishness combine to form the dark cumulus clouds which cast black shadows over our lives. These shadows cannot be dispelled through the variable winds of a body politic with plans contrived for self-interest and expediency, but the calm quiet of faith in and tolerance toward our fellowmen will scatter and dissipate the clouds and permit the bright sunlight of peace and fellowship to again enter our hearts and lives. Our fellow student from the "other side of the track" is invited to join our fraternity group. We work together and learn to understand each other. We enjoy and respect one another. Why should we feel that it is impossible to extend this spirit of brotherhood throughout the world? Faith and belief in the "Fatherhood of God and the Brotherhood of Man" make all things possible.

The collegiate membership in our 43 collegiate chapters is 1574. This figure does not give our total collegiate membership as at least 50 Membership Cards have not been received at the Central Office. This is wholly the fault of the Chapter Secretary and we feel certain the Membership Cards will soon reach us.

We were happy to have the privilege of assisting in the ceremonies at the reactivation of Gamma Iota Chapter. The excellent spirit of this fine group of brothers may be shown by a quotation from a recent letter received from their Secretary. He states, "The selective service is becoming a threat to some of the brothers at the present time, but I am sure that Gamma Iota never again will need reactivating. Our future is secure." Well spoken, Brother Secretary.

Remember the "New England Wanderer"? After returning from the reactivation at Gamma Iota there was a brief respite during which we received your many holiday greeting cards. Your kind wishes are always appreciated. January arrived and southward the "Wanderer" wandered. On the morning of *January 12th* he stepped from the train in Washington, D.C. After checking-in at his hotel, a call to Brother Schermerhorn, Grand Council Deputy at Gamma Tau, informed us that an opportunity to meet with these brothers at George Washington University had been arranged for that afternoon. A ride to the headquarters of the American Pharmaceutical Association gave us the opportunity of a visit with Dr. Fischelis (Eta), Dr. Powers (Theta, Honorary), Dr. Mattocks (Beta Beta), and Frank Delgado. The quartet of Powers, Mattocks, Delgado and Schermerhorn forced (?) the "Wanderer" to be their guest at a luncheon. Their company and the luncheon were equally delightful. The meeting with the brothers of Gamma Tau was held as scheduled. These brothers of our less-than-a-year-old chapter are deeply interested in the affairs of our fraternity and are working together in a manner that insures the future growth of a strong Gamma Tau. Their support of the Student Branch of the A.Ph.A. lends real strength to that organization. A pleasant visit with Dean Bliven (Gamma Epsilon) was followed by attendance at the First Annual Meeting of the Baltimore and Washington Branches of the American Pharmaceutical Association. The opportunity of a very brief chat with Brother George Frates (Beta Gamma) at this meeting. The dinner meeting of the Association, Commander Archambault (Mu) Toastmaster, was enjoyed. After dinner Mr. and Mrs. Delgado and Brother and Mrs. Archambault invited the "Wanderer" to enjoy the hospitality of their homes. We are grateful for their gracious kindness to us.

January 13th. Richmond bound with arrival at 1:30 P.M. Grand Vice Regent Neuroth and several brothers of Theta extended a cordial welcome. After luncheon a visit to the Theta Chapter House. Our congratulations to them upon the excellent arrangements and their good fortune in obtaining so fine a house. At 5:30 Theta held an Initiation. 21 collegiate members and two facultate members were added to the ranks of Kappa Psi. The Initiation was given in full Ceremonial Form. The beauty of our Regalia plus their complete memorization of the Ritual made this a most impressive ceremony. If you have ever enjoyed the privilege of being present at a Theta "formal" you will know what is meant by the words, "a grand time was had by all." To these Brothers of Theta and to Grand Vice Regent and Mrs. Neuroth the "Wanderer" can only express his appreciation by saying that every minute with you was truly enjoyed.

Sunday, January 14th. Away to Chapel Hill via Raleigh. At Raleigh a delegation from Beta Xi (Charles Blanton, "Monk" Rogers, Regent Earl Brown, with Brother Harold Day and his convertible) assured rapid transportation to Chapel Hill. We have often noticed the presence of a compass on certain automobiles, but could not understand why one was necessary until we learned "To fly by Day." After *landing* at Chapel Hill we spent the next few hours visiting at the Beta Xi House. One learns much from such informal visits. We learned, for example, that the brothers at Beta Xi have apparently insisted that the chapter Treasurer should be a married man. After meeting Mrs. Allen and Mrs. Russell we can subscribe to the idea. Just two more examples of the beauty that is Kappa Psi.

Monday, January 15th. Pleasant hours with Dean Brecht, Dr. Semeniuk (Pi), Professor Rose, Grand Council Deputy of Beta Xi, and John Brantley. An excellent dinner at the House was followed by a business meeting of the entire membership. At this meeting we were privileged to meet and talk with this fine group of brothers and observe the careful preparations they make for their social affairs. We were particularly impressed by the remarks of the Chairman of the Dance Committee who stated, "please give the committee the name and address of your date for the dance so we can get the figures straightened out." This could be another reason for the compass on this particular car.

Tuesday, January 16th. 6:00 A.M. Greeted by the same quartet mentioned under date of January 14th. It was learned that a great experiment had been tried. Brothers Rogers and Blanton tried to prove that not retiring at all is the proper manner to greet 6:00 A.M. while Brothers Brown and Day attempted to prove that two hours of rest insure the highest degree of efficiency at 6:00 A.M. It was a beautiful morning for the "flight" and we landed in Raleigh with ample time to partake of a hearty sterile breakfast. Thanks fellows for the rides, the glorious sun-rise, the cigars and your company.

Wednesday, January 17th. The "Wanderer" returns to his snowbound New England, rested in body, reassured as to the future of Kappa Psi and extremely grateful to all at Gamma Tau, Theta and Beta Xi for the hearty welcome received and for the many kindnesses to the "New England Wanderer." Such kindness and such welcome are characteristic of Kappa Psi.

SCHOLARSHIP KEY AND CERTIFICATE WINNERS*

* *Editor's Note:* Previously announced in THE MASK.

A goal of \$85,000,000 has been set for the March fund campaign of the American National Red Cross to meet the enormous tasks assumed by the organization in the national emergency.

Increased demands have been brought about by mounting numbers in the armed forces and by the civil defense program. Commitments require the organization to train 20,000,000 persons in first aid; instruct hundreds of thousands in home nursing and as nurse's aides; recruit millions of blood donors; and prepare for mass feeding, clothing, and shelter in case of major disaster or national emergency.

Brigadier General David Sarnoff, Chairman of the R.C.A. Board, is national fund chairman.

(Considered among the finest pieces of poster art ever used by the Red Cross, Norman Rockwell's painting is based on the 1951 Red Cross campaign slogan, "Mobilize for Defense." It depicts workers from three major Red Cross services moving into an emergency: A doctor carrying a bottle of blood for instant transfusion; a trained First Aider with full kit; and a woman volunteer who represents the millions of workers who contribute to the success of the Red Cross effort.

According to Mr. Rockwell, the persons who posed for the original painting are all from Bennington, Vermont. From left to right they are: Coe Norton, as the first aid worker; Mrs. Harold Kaplan, as the volunteer; and Dr. James P. Hammond, as the doctor.)

"Mask" Copies Available

The Central Office has a limited number of copies of THE MASK available to chapters who may wish to distribute them to prospective pledges. Requests for them should be made directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15.

National Honor Roll Supplement

SECRETARIES AND VETERANS PLEASE READ

Another supplement to the National Honor Roll will be published in *THE MASK* when sufficient names have accumulated. Names which did not appear in the roll published in July, 1948, or in the supplements of July, 1949 and 1950, should be mailed to the Editor promptly.

If you are a veteran of World War II, and your name has neither been published nor sent in for publication, ask your chapter secretary to forward it, or send it in yourself if you are an unaffiliated member. When you became a member of Kappa Psi makes no difference in-so-far as the Honor Roll is concerned as long as you are a veteran of World War II. *A veteran who is pledged becomes eligible for the roll only upon being initiated.*

Chapter secretaries are requested to attend to the task of submitting names for the Honor Roll if they have not already done so. It is important that collegiate chapter affiliation, past or present, be stated whenever names are sent in for inclusion in the supplement. If you know of any brothers who lost their lives while in the service during World War II indicate this when sending in their names.

A number of names are already available. Won't you help in making the Honor Roll as nearly complete as possible? Send all names to the Editor of *THE MASK*.

Akron Graduate Group Organizes

W. D. Warner, *Historian*

To all Brothers in Kappa Psi from the "embryo Akron Graduate Chapter":

It will be a happy day for us when this name becomes official for our group here in Ohio. On the evening of November 16, 1950, Philip A. Bryant, Weylan A. Brown, and W. D. Warner met and drafted a letter of invitation to all Kappa Psi men in this area known to them. On the eleventh of December a meeting was held at the Elks' Club with twenty-seven brothers in attendance. At this meeting the groundwork for a local graduate chapter was laid. Another meeting was set for January 15, and again a goodly number of members were present. An application for a charter was prepared, by-laws were drawn up, and officers were elected. Our officers are W. A. Brown, regent; W. E. Bailey, vice regent; Jack M. Young, secretary; Francis Beck, treasurer; W. D. Warner, historian; Robert Omdorff, chaplain; W. O. Rowland, grand council deputy.

Our next meeting is scheduled for February 15, and everyone is looking forward to the date of our installation as a full-fledged Graduate Chapter.

Members in the Service

The Editor requests that Chapter Secretaries and others submit to him the names and chapter affiliations of Kappa Psi men now known to be serving in the armed forces of the United States. Be certain of the accuracy of your information.

PRESENTATION AT HOWARD COLLEGE

Birmingham, Alabama

Ralph Stone (left), regent of Gamma Zeta Chapter of Kappa Psi at Howard College, presents a portrait of Dr. A. H. Olive to the College. The presentation was made at a testimonial dinner commemorating Dr. Olive's forty years of teaching.

University of Illinois Release: Ten fellowships supported by the Graduate College of the University of Illinois will be awarded to qualified scholars who contemplate academic careers in the medical and allied sciences.

Stipends of \$1,800 to \$2,400 are available for medical and dental graduates with a maximum of \$3,000 for unusually well qualified applicants. Pharmacy graduates receive a \$1,200 stipend for the calendar year. Exemption from tuition fees is provided for all appointees. Registration for work toward M.S. or Ph.D. degrees is required.

Applicants need not have completed clinical internships. Minimum requirements are: Bachelor's and M.D. degree; Bachelor's and D.D.S. degree; Bachelor's in Pharmacy and M.S. degree.

Evidence of scholarship and promise of research ability are primary considerations. The fellowships provide an opportunity for research experience in the basic sciences and the application of these sciences to clinical investigation.

Applications must be received by *February 15*, with selections to be announced by *April 1, 1951*. Forms may be obtained from the Associate Dean of the Graduate College, University of Illinois, 808 S. Wood Street, Chicago 12, Illinois.

Veterans Administration Release

Veterans Administration recently issued regulations outlining conditions under which veterans, disabled after fighting started in Korea, may be entitled to Public Law 16 rehabilitation training.

The training, previously limited to World War II veterans, was extended to many veterans disabled on or after June 27, 1950, by Public Law 894, signed by the President late last year.

Most of the policies and procedures set up under Public Law 16 itself have been carried over to the new training program, V-A said. In fact, the newcomers apply for training on the same forms used by disabled World War II veterans.

Under Public Law 894, a veteran must have been disabled after the Korean conflict began and prior to a date yet to be fixed.

The new law requires that the disability be such that V-A may pay compensation at full wartime rates. Such rates are paid for disabilities or injuries resulting from armed conflict, or during extra-hazardous service, or while the United States is engaged in war.

Under the new law, the July 25, 1956 deadline for Public Law 16 training will not apply to the newly-disabled veterans. Instead, they will have nine years from the end of the current emergency in which to train.

Public Law 894 states that veterans who already had GI Bill or Public Law 16 training, as a result of their World War II service, may be entitled to additional training, if found necessary because of new disabilities.

In determining whether such a World War II veteran needs training, and what type he should get, V-A will consider his previous records of advisement and training as well as his current medical record. The reason, V-A said, is that previous training may be capitalized to the fullest extent practicable.

In the case of a veteran who interrupted Public Law 16 training to re-enter the armed forces, V-A also will evaluate his past training record and present medical file, to determine whether he still is able to go ahead in the same employment objective.

The nation's retail pharmacists filled 736,000 prescriptions for veterans under the Veterans Administration "home town" pharmacy program during calendar year 1950, E. Burns Geiger, chief of V-A's pharmacy division, announced today.

The 736,000 prescriptions represented an increase of 135,000 over the total filled in 1949.

Under agreements between V-A and State Pharmaceutical Associations in 45 states, the District of Columbia and Hawaii, private pharmacists have been authorized to fill prescriptions, at Government expense, for veterans undergoing out-patient treatment for service-connected ailments in V-A clinics or with private physicians.

In addition to prescriptions compounded by private druggists, a total of 3,397,000 were filled during 1950 in V-A hospitals and centers, and another 1,204,000 were filled in V-A regional offices. These two totals, aggregating 4,601,000, represent a 125,000 increase over the prescriptions filled by V-A pharmacists during 1949.

Also in 1950, V-A pharmacies supplied large quantities of routine medications to wards and clinics of surgical and medical services in the hospitals.

Mr. Geiger cited two other developments in V-A pharmacy operations during the past year.

Eighteen new hospitals with a total bed capacity of 7,954 beds were opened during 1950, he said. Each contains a modern hospital pharmacy employing from one to four registered

pharmacists. The new pharmacies vary in size, depending on the number and type of beds in the hospital, but all are equipped with the latest in pharmaceutical fixtures and equipment.

Also, during 1950, a V-A Formulary was completed and will be distributed throughout V-A in the near future. Mr. Geiger explained that the V-A Formulary contains official United States Pharmacopoeia and National Formulary preparations, and will be completed by each V-A pharmacy to meet its own needs.

Supervisory visits by members of the V-A pharmacy division in Central Office were made to 171 pharmacies throughout the nation during the year. Supervisors coordinate V-A procedures and also serve as consultants to field station pharmacists, Mr. Geiger explained. In addition, observations made during their visits frequently are adopted as V-A-wide policies and procedures.

University of Illinois Release

Charles R. Walgreen, Jr., of Chicago, has been honored by the Advisory Committee of the University of Illinois College of Pharmacy in appreciation to his services during the past five years.

A scroll recently was presented to Walgreen at a luncheon ceremony by Dr. A. C. Ivy, vice-president of the University of Illinois in charge of the Chicago Professional Colleges. Walgreen recently completed a five-year term on the Advisory Committee, and served as chairman of that body during the past year.

The inscription pointed out that the Advisory Committee had made contributions to the progress of pharmacy in the state of Illinois under Walgreen's leadership, counsel, and guidance. It acknowledged that these valuable contributions were accomplished only through personal sacrifice and generous donation of time from his manifold duties as president of the Walgreen Company.

Among its actions, the Advisory Committee has recommended that the University of Illinois Board of Trustees seek an appropriation from the Illinois State Legislature for the construction of a second building for use by the Colleges of Pharmacy, Medicine, and Dentistry. This proposal, which would enable those colleges to increase their enrollment, was approved by the Board of Trustees.

The scroll was signed by the present members of the Advisory Committee—Ralph Carpenter, Thomas Crawford, Otto J. Pelikan, David Stiles, and Harold Wild. It also was signed by the president and secretary of the Illinois Pharmaceutical Association, Harry Levin and Thomas J. Vratny, and by Dean Earl R. Serles.

Chapter Letters

GAMMA—COLUMBIA UNIVERSITY

On November 22 Gamma Chapter held its annual smoker at John Jay Hall, here at Columbia University. The affair was most successful, both from the standpoint of attendance and enjoyment. Present were such notable alumni as Brothers Egry, Mazelauskas, Holmes, and Commons, as well as our faculty brother, Professor E. E. Leuallen. Many of the recent graduates also attended and each presented a short informal talk directed to the guests, as well as to the collegiate members.

The College basketball team this season will be built around two veteran members, Brothers Bob Normandia and John Mosher. Brother Normandia was also named as captain of the squad.

Plans are now being made for the impending initiation, as well as for the numerous other functions to be held by Gamma Chapter during the remainder of the year.

Fraternally,

RUDOLPH KONERTH, JR., *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

The brothers here at the University of Minnesota are finally breathing a little easier, and can start to catch up on their Christmas shopping and holiday merry-making because finals are over at last. Due to the fact that the University of Minnesota started its school year one week late this year, final week was not over until December 21 (just four days before Christmas). The gloom of final week sort of put a damper on the holiday spirit of the brothers here at the U. of M. It also interfered with the rush season in the drugstores in which many of the brothers work part time.

One bright spot in the darkness of final week was the annual college Christmas party. At this party all the students and faculty of the College got together and chased the final week blues away with singing and fun-making.

During the past quarter, Epsilon chapter initiated ten new members: they were Howard Ekberg, Warren Gordon, Raymond Johnson, Richard Juul, Morris Leemay, Harry Martin, Richard Noreen, James Schroeder, Frank Stroneck, and Mark Young. The initiation ceremony was accompanied by a formal fraternity dinner at the Union and followed by informal meetings downtown later in the evening.

Probably the outstanding fraternity activity of the quarter was the annual Homecoming party. Although the Gophers lost in their homecoming game with the University of Iowa, the gloom that was present at the stadium was soon over-ruled by the singing and dancing of seventy Kappa Psi actives, pledges, alums, and guests who gathered at the Normandy Hotel in Minneapolis to celebrate the homecoming. The party included a dinner followed by dancing and drawing of door prizes. Although the party was not as well attended as was

last year's, everyone present will agree that this was one homecoming party that they will never forget.

So the quarter came to an end with the score of 10 new pledges, 11 weekly meetings, 1 party, and 1 dance.

Fraternally,

NORMAN CARLSON, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

This writing finds the men of Eta Chapter in throes of joy anticipating the Christmas holiday. The parties are appropriately plentiful and despite the gaps in our ranks left by the Korean fracas, spirits are high. Lately to join our brothers in the armed forces are: Brother O'Brien who joined the air force and is awaiting his call to the Flying Cadet program and Brother Hill who joined pledge Leo Krammer and Brother Leedy in the Parris Island Chapter. A letter informs Eta that meetings are being held regularly and Alpha Chapter may expect momentarily a petition for Charter. Brothers Plank and Dougherty have passed the qualifying and physical examinations for Flying Cadets and are at this time awaiting activation.

Brother Elof Johnson has recently added a theological degree to his impressive collection and is now preparing to follow a calling in the mission field. Dr. Johnson's personality which made him such an excellent friend, brother, and Grand Council Deputy could be perfectly complemented only in such a calling. Etas deep thanks and heartiest best wishes follow Brother Johnson and his wonderful wife into their new life.

Dr. Nathan Hall, former Grand Council Deputy, who held the trying job during our house growing pains informs us that all is serene in the Detroit laboratories. Fearing that Eta's high mortality rate with Grand Council Deputies might evoke a Grand Chapter investigation, Eta for the X'th time nominated, and for the first time in many years succeeded in talking Dr. "Pat" Patterson into accepting the bid as Grand Council Deputy. Brother Patterson has been Eta's "Rock of Gibraltar" since his undergraduate days and has built an admirable record as a scholar and a brother. To wear Pat out will be a difficult if not impossible proposition.

Eta was fortunate in the pre-Christmas season in being able to welcome three new brothers into the Agora. The new brothers, all upper-classmen, are: Lou Schussler, Tino Barletta, and Tom Sanderson. It is hoped that the new bond will be mutually beneficial.

Beta Omega and Eta were jointly honored in being host to the Province Convention held recently in the City of Brotherly Love. The proceedings were both fruitful and pleasant and Eta, in conjunction with Beta Omega and the Philadelphia

Graduate Chapter, only wish that the guests enjoyed themselves as much as the hosts did in having them.

If anything can be more official than pinning Brother Bob Zonies has done it. Carol is now equipped with the traditional diamond and Eta looks forward to nuptials.

A highly successful rushing season was gotten under way by Brother Connor and his hard working rush committee when on November 13 he presented the Frosh with an evening to be remembered. The last men to leave had to be forced out bodily at 8:00 A.M. despite their pleas that "it ain't hardly dark yet." The final party was equally successful and little doubt remains that it is again Kappa Psi's year on the campus.

A pleasant interlude was enjoyed on the seventh of December on the occasion of the Temple-P.C.P. basketball game. Phila. Pharmacy won the game and then in the face of stiff determination the men of Eta proceeded to "party" the men of Beta Omega to a draw. An admirable and pleasant accomplishment for all.

In keeping with the season a Christmas motif was followed on December 19 when Eta "hosted" to its sister of Lambda Kappa Sigma at a rush party. On this occasion the "fur lined pantaloons" for quick thinking went to Brother Ryan who in true Marine Corps fashion fought his way to the punch bowl and by muttering the mystic incantations and performing the prescribed manipulations turned the party into a PARTY.

Since this is the last newsletter this writer shall dispatch before his entrance into the Air Force he would like to indulge in a word of appreciation to Kappa Psi in general and Eta Chapter in particular. Thanks.

Fraternally,
ANDREW J. DOUGHERTY, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

Since our last report to THE MASK, there has been a great deal of activity here. Theta has certainly shown progression these past few months.

Our major accomplishment has perhaps been the acquisition of a new home for the Chapter. We were extremely fortunate in that the Alumni Association made available to us two floors of the War Memorial Alumni Building. This is a building with a history—where Matthew Fontaine Maury conducted a series of experiments which led to the development of the modern electric submarine torpedo—and has recently been remodeled into what is perhaps the most beautiful building in this section of Richmond. We extend a most cordial invitation to any brothers who happen to be in the vicinity to come and see us. The home is located at 1105 East Clay, and we can be reached by phone at 7-5801.

Theta was represented at the Province III Convention by Brothers George Rick, James Lamar, and Jack Ashby. The Chapter was well pleased with the report they brought back, especially since Brother Ashby and Brother Timberlake from this chapter were elected to Province offices.

Dr. M. L. Neuroth, facultate member of this chapter and third Grand Vice Regent of Kappa Psi, was also present representing the national office.

Last week bids were issued to eligible candidates for membership, and 24 bids were accepted. The pledge group comes from the sophomore, junior, and senior classes and consists of the fol-

lowing people: John Ballentine, Barnett Brown, Ray Byrd, George Cooley, Kenneth Conner, Irving Darby, Hunter Gaunt, Walter Green, William Hale, Norman Hilliard, Owen Irwin, Brantley Jefferson, James Morgan, Averette Myers, Alan Pearson, Eames Powers, Harry Thompson, James Thrower, Fermin Tovar, James Williams, Gerald Duffer, Robert Poland, Jack Peters, and Beverley Carson.

Dr. Boenigk, who came to us this year from the University of Texas, also accepted an invitation to become a facultate member of the Fraternity. Dr. Boenigk received his B.S. from Duquesne University, his M.S. from Western Reserve University and his Ph.D. from Purdue University. We are very happy to welcome Dr. Boenigk into the chapter.

We wish to extend our heartiest wishes for the merriest possible Christmas and a very happy and successful new year.

EARL B. WATKINS, *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

On November 14, our annual Bowling Banquet was held at the Amalfi Cafe in Boston. Following the delicious Italian-style dinner, the enjoyable evening was topped off with bowling. A dark horse, namely Harry Newell, will have his name inscribed on the bowling trophy for his high score. We're still trying to figure out what happened to the favorites, Gene Bruyette and Bob Sullivan; it must have been the wine.

Following a hectic hazing week, Frank Adamski, Bob Pearson, Mike Ryan, Jerry Sullivan, and Harold Owen were initiated into Kappa Psi on November 21. All fared quite well through the ordeal, except for Harold Owen. I think Harold will advise all members-to-be to have a hearty meal before initiation. Refreshments were served, and the usual bull-session followed the meeting. Milt Stamatos, as "emcee," put on his own little radio program, but I doubt if it could ever get by the FCC.

On Tuesday, December 5, Mu Chapter and the Lambda Kappa Sigma Sorority sponsored a joint Christmas Fair and Dance, our share of the proceeds going to the House Fund. Dave Henry and Bob King, and Lew Kotredes and Didi Vacca provided for entertainment by singing duets, and Lew Kotredes, Didi Vacca, Lou Principe, and Al Stearns sang the traditional "Pharmapoo Song." Our Thanks to Hal Roberts, Art Nichols, Art Foden, Earl Ashley, Dave Henry, and Al Stearns, and of course, the girls, for putting over such a successful affair.

As in former years, Kappa Psi was well represented in the election of class officers. Bob Sullivan was elected president of the Senior class; among the Juniors, Harold Rice was elected president, Bob King, vice-president, and Jim Donahue, treasurer; the Sophomores chose Jerry Sullivan as vice-president, and Tony Sinsigalli as treasurer.

Plans are now being made for the pledging of Freshmen sometime in February, and by all indications, I feel sure that we will again select men who will continue to carry on the true Kappa Psi spirit.

Personals: Congratulations to our facultate brother, William E. Hassan, Jr., upon his recently announced engagement to Miss Rosetta Amodeo. Ed Freeman and Paul Brault (Class of 1950) are

now registered pharmacists at the Belvedere Pharmacy, Wellesley Hills, Bill Barrett (Class of 1949) has recently been made assistant manager of one of Peoples' Drug's new stores in Silver Spring, Maryland. He and Mrs. Barrett are living at 3256 Queenstown Drive, Mt. Rainier, Maryland. Those of us here at Mu hear indirectly from Mr. Charles Rabe every now and then. Brother Rabe is on the staff at the St. Louis College of Pharmacy. He and his family are living at 5961 Nagel St., St. Louis. Congratulations to Mr. and Mrs. Erle Webber upon the arrival of a son on January 4. Charlie Hughes (Class of 1949) is pharmacist at Leahy's Pharmacy, Lawrence. Charlie and wife are the proud parents of a daughter born on October 21. John Jurga (Class of 1950) is living at 44 Highland Avenue, Ludlow, Massachusetts. Joseph P. Vona (Class of 1949) is president of the Student Council at the College. Julie Barber is now living in Northfield, Massachusetts and Ken Abernathy is pharmacist at the McClallen Pharmacy, Rutland, Vermont. Phil Cieri has just written that his retail store has recently celebrated its second anniversary. Congratulations to Phil and wife for the fine job they are doing down Connecticut way. Don Taylor (Class of 1929), after spending many years with The Upjohn Company, has recently established a retail store at 114 Oxford St., Auburn, Massachusetts. Charlie and Winnie McClallen of Rutland, Vermont, are the parents of a son born on October 24. Maurice Murrell, owner of Small's Pharmacy in Northeast Harbor, is president of the Five County Pharmaceutical Association 'way up in Maine. Angelo Vacca, veteran of World War II, has re-entered the service. The last we heard of Fred Michael of Rochester, New Hampshire, and way-stations, he was down in Mexico. Let's have more information about the "Old Grads."

Fraternally yours,
CHARLES E. PELOQUIN, *Historian*

NU—UNIVERSITY OF CONNECTICUT

Thoughts have changed to actions as Nu Chapter surges forward in execution of its plans. On Tuesday, October 24, the members of Nu traveled from New Haven to visit the freshman pharmacy majors at Storrs, Connecticut. The freshmen have been placed on the University campus at Storrs with the hope that the new College of Pharmacy building will be ready for occupancy by September, 1951. With this plan, they would be able to spend their entire four years at Storrs. Regent Lou Fiocchi, after introducing the officers and faculty members of Nu, presented some statistics together with a short history of Kappa Psi. He then stressed the importance of a Pharmaceutical Fraternity to the pharmacist and to the pharmacy student. Following this, refreshments were served.

Our first evening meeting was held on Tuesday, December 5, at the Hotel Duncan in New Haven. First in importance on the agenda was the considering of prospective new members. A report by brother Gene Lescoe, chairman of the entertainment committee, indicated that progress was being made in planning for Nu's Annual Dinner Dance. Work is also being done on re-installing our monthly luncheon meetings. A smoker is planned for the near future. Refreshments were also served at this meeting.

The publicity committee was selected, after an appropriation of funds, to choose a new banner for the Chapter.

The election committee, headed by Bob Rappa, was to a large part responsible for the smoothness with which the election of candidates took place. We are looking forward to the pledging and initiation of these students.

Fraternally,
WILLIAM KELLEHER, *Historian*

XI—OHIO STATE UNIVERSITY

After a vacation, which seemed too short, Xi Chapter is back, looking forward to the activities of the coming year. Activities of current school year started off with a smoker at the Ohio Union on October 5. Dr. Colby gave a very effective talk on "What Kappa Psi means to me." The movies and refreshments were the added pleasures that evening.

Our group of Xi Chapter has increased by the following nine members who were pledged this quarter: Donald Gaydoes, Houston Morgan, Peter Regrut, Thomas Zimmerman, James Kvasnicka, Wei Woo Lun, William Bainbridge, Hawk Sworth, and Adams.

Our "newsy" paper (*Show Globe*) is getting more popular in the school. We extend our thanks to the editor, Brother Sponseller. Brother John Nees is also doing a good job with the window display in the school drug store. We thank him for his fine work. Brother Fruth is organizing the radio program sponsored by the A.Ph.A. This program will come into effect for the winter quarter.

Other discussions going around in the organization are about raising a house fund. A committee is set up to plan towards this goal.

Fraternally yours,
KANTI PATEL, *Historian*

PI—PURDUE UNIVERSITY

The paddles of all of the actives are on the radiator now, getting warmed up. Tomorrow night (December 12) is informal initiation. After the informal initiation, the formal rituals will be held and on December 19 a banquet in honor of the new members will take place. By the time THE MASK is published the paddles will be cooling in their places on the wall, waiting and looking forward to next spring.

These new members are:

E. K. Anderson	Michael Kor
South Bend, Ind.	Terre Haute, Ind.
Wm. Eldridge	Arnold Nicholson
Lafayette, Ind.	Jasper, Ind.
B. A. Fiscus	B. O'Shaughnessey
Mooresville, Ind.	Monroeville, Ind.
Thomas Gering	C. R. Posey
Ottawa, Ill.	Atlanta, Ind.
Walter Gordon, Jr.	J. S. Richey
Churubusco, Ind.	Metamora, Ind.
D. V. Vaught	H. E. Schroeder
Judson, Ind.	Muncie, Ind.

These men were really in there pitching while they were pledges, and too often they were pitching snowballs at the "actives." After several days of being picked off, one by one, all of the actives showed up at a lineup and gave the pledges a rousing battle. The pledges were forced to flee for their lives.

Not only were these pledges outstanding in their mischievousness, but they also contributed much that was worthwhile to Kappa Psi and to the

University. One of these contributions was a new Pharmacy yell:

"Mortar, pestle, pill tile, too;
We're the best in old PURDUE;
Filter, titrate, heat and dry;
Hadacol, aspirin, Spanish fly.
Textbooks, N. F., U.S.P.,
We're the men of PHARMACY."

On November 28, the pledges put on a skit depicting a staff meeting of the faculty. One of the actives had to be given an anesthetic to keep him from splitting his sides, and I am sure all of us enjoyed it very much.

On November 4, Kappa Psi had a grand old-fashioned "nut gathering party." A wonderful time was had by all even though we almost froze. A couple of football games helped to keep away the frost bite. Of course, as at every picnic, someone had to get themselves in trouble. And this time it was Andy Butler, who made a perfect three point landing in a pile of manure. How was it, Andy, good and soft?

Fraternally yours,
ROBERT S. JOSLIN, *Historian*

RHO—UNIVERSITY OF KANSAS

So far this semester there have been very few activities in Rho Chapter. However, many plans have been made, and dates set aside, for events in the near future. The most important attainment was the pledging of twenty new prospective Kappa Psi members in October. These men will be initiated early next semester.

Plans have been made for the Province Assembly to be held here during Christmas vacation. It was decided that Charles Gates and Raymond McDaniel would represent Rho Chapter at the assembly. Many of the chapter members plan to return early from vacation to be on hand for a dinner to be held for guests attending the meetings.

Kappa Psi will enter a basketball team in the school Class A intramural competition. According to Thomas Hitchcock, manager, practice has started and the team is working hard to get ready for the tough schedule ahead.

Members of the chapter and pledges enjoyed a talk given by Dr. Wenzel, professor of pharmacology, on the subject "Graduate Work in Pharmacy." From his talk everyone gained a better understanding of the possibilities for anyone entering the post-graduate field of pharmacy.

Plans have been completed for the annual Christmas dinner-dance to be held December 14 at the Skyline Club. Brother Don Hatfield has handled the arrangements very well.

Best wishes of the season to all Kappa Psi members.

Fraternally yours,
ROBERT H. COTT, *Historian*

PSI—UNIVERSITY OF TENNESSEE

Graduation time is here again! On behalf of the underclassmen of Psi, I wish to extend the best of luck to the following graduating brothers of Kappa Psi: Joe Pat Anderson, Charles H. Arp, Jr., Joe Warner Bennett, Henry T. Birdsong, Frank P. Burress, John H. Byassee, Jr., Lon Earl Campbell, John B. Fletcher, Jr., Frank Leath Johnson, Jr., Cabel L. Jones, Jr., Paul Jones, Jr., Conway H. Mallory, Robert Glenn

Raines, Hugh C. Sliger, E. B. Walker, Norval Finley Webb, Jr., and Royce O'Neal Young.

This year Kappa Psi had a good showing in election of new members to Rho Chi Honor Society. They include Brothers Anderson, Campbell, Paul Jones, Mallory, and Walker.

On November 24, we held our Annual Fall Dance at Hotel Peabody. This affair is one which is looked forward to by all brothers. To say that the party was merely a success would definitely be regarded as an understatement.

With another school year having been completed, Psi Chapter has much to look back upon and be proud of. Those of us who will still be around next year have quite a challenge in continuing the work that has been done by our graduating seniors.

To all our brothers in Kappa Psi, we at Psi send our very best wishes for Christmas and the New Year.

Fraternally yours,
ROBERT G. HAGOPIAN, *Historian*

OMEGA—RUTGERS UNIVERSITY

At the December 6 meeting of Omega Chapter which was held at the students' lounge in downtown Newark, Regent Olsson gave a report of the Province II meeting he attended at the Eta Chapter house and the Hotel Sylvania in Philadelphia on October 21 and 22, 1950. Brother Olsson reported that he had been elected Satrap of Province II and that Dr. Pierre Smith, a brother of the New Jersey Graduate Chapter of Omega and our faculty adviser, was elected alternate delegate of Province II.

Brother Speaker was presented with the Rho Chi Society Award for attaining the highest average in the Freshman Class. The symbolic award of a bronze mortar and pestle was given to him at the Rho Chi Assembly held in the school.

Brother Olsson reported on the articles and by-laws for the Kappa Psi Joint Fund, Inc. Each member was given a copy of the memorandum and Brother Olsson explained the articles and by-laws as set up by members of the graduate and collegiate chapters. If there are no further additions or deletions, ratification of the Constitution by the members will take place at our next monthly meeting.

It has been agreed upon by the members of the fraternity that all new incoming pledges be required to buy a fraternity pin at the time of their formal initiation. The price of the pin will be added on to the initiation fee of each pledgee.

A few (?) of the beer-drinking brothers headed by Brother Hillman have brought up the idea of having beer mugs personalized with their own names for any future social gatherings that take place. These beer mugs will be kept on hand at all times at Maurice's Palm Garden. All those interested should contact Brother Hillman.

The rushing season is now upon us and all the brothers are on the lookout for new pledges. Each member will be assigned a prospective candidate and will act as "big brother" by answering any general questions which the candidate may have in mind as to what is expected of him when he enters the fraternity. This practice has been successful in previous years and this year we are looking forward to getting in a fine group of pledges. A dance to be held during the rushing period has been planned tentatively in order to

further acquaint the pledges with the members of the fraternity.

Brother Voorhees is temporarily on leave of absence from school due to illness and in his absence Brother Fedak was elected to his post of Chaplain. We all wish Brother Fedak success in his new appointment and hope Brother Voorhees will be with us again during this coming semester.

The brothers of Omega wish everyone a healthy, happy and successful New Year.

Faternally yours,
WALTER J. BRODZINSKI, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

With the first quarter successfully completed, the members of Beta Delta have settled down to the old grind again. We are looking forward with high anticipation to an equally successful second quarter.

Congratulations to our two new members, Raymond Blake and Edward Belemjian. They received their formal initiation into Kappa Psi on December 6, 1950. I hope that their membership in Kappa Psi will be filled with numerous and happy events.

Plans are now underway for the Province One meeting which is to be held in Albany on May 5, 1951. There will be more news about this important event in a later letter.

On December 12, 1950 we are planning to hold a buffet supper at the Fountain Restaurant on New Scotland Avenue, Albany. We are all looking forward to an enjoyable evening which I am sure will be had by all.

Congratulations are in order for Francis Steed who received the Kappa Psi Scholarship award for the past year. It is our hope that he shall have continued success for the coming year.

In closing I would like to wish each and every member of Kappa Psi a Merry Christmas and a very successful New Year.

Faternally yours,
DAVID C. LEE, *Historian*

BETA ZETA—OREGON STATE COLLEGE

A dinner meeting was held at the Benton Hotel on November 7, 1950, with Regent Marcy presiding. There were twenty-one members present for this meeting. Brother Don Butsch was appointed initiation committee chairman by Regent Marcy for the pledge period during fall term.

The pledge period was scheduled from November 29 to December 5. The pledges were given various questions to find the answers for and each received a mortar to clean with various degrees of success being achieved. Those pledged were Laudie Adamski, '52, Robert E. Ambrose, '52, John C. Burgess, '51, William D. Gish, '51, Harold R. McCollister, '52, Fred K. Mutch, '51, Leo C. Smith, '52, Donald M. Wells, '51, and Harlan N. Wold, '51. The formal initiation was held December 5 at the Pharmacy Building with Regent Marcy presiding.

A dinner meeting was held on December 6 at the Benton Hotel with Regent Marcy presiding. The meeting was attended by the new members and a guest, Dr. Boyer, from Eugene. The meeting was adjourned in time for everyone to attend the A.Ph.A. meeting, Dr. Boyer being the guest

speaker. The A.Ph.A. meetings are held the same night as the monthly dinner meetings, that is, the first Wednesday of each month which is a change from the old date of the first Tuesday of each month.

Final exams for the fall term begin next Wednesday at OSC. The week of finals will end December 19 and then the Christmas vacation will begin. I wish everyone a Merry Christmas and I wish also that the new year will end better than the old one is.

Faternally,
CLARENCE W. PALMATEER, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

Well here we are back in school after a prolonged Thanksgiving vacation thanks to the 32 inch blanket of snow which made it impossible for even such conscientious scholars as Ed Collins and Jim Allen to make it to school. Brother Kemper must have had an inside tip on the severity of the approaching storm for a report came in that he tried to widen route #8 by pushing a certain bank farther from the road with his Studebaker coupe. No one was hurt in the operation except the Studebaker which is now back in good running order. There were many tall stories of snow shoveling floating about the school after that vacation but I am sure that none of the brothers care to get a chance to repeat their feats.

Our first social function was a big success thanks to brothers Fauss, Griffin and other members of the entertainment committee. This was an evening of square dancing on November 24 at the North Park Lodge. Everyone let their hair down and enjoyed themselves as we have not done in a long time. Regent Perciballi assured us there would be more such stimulating entertainment in the near future.

Brother Heath who is now with the National Guard training at Camp Atterbury, Indiana sent his regards to the fraternity and wished us a very successful year. He is working in the Pharmacy there and is getting plenty of experience. At least I assume he is being well fed for he has gained nearly thirty pounds since he left last Fall.

Two of our members made the trip to the altar during the Thanksgiving vacation. We wish to congratulate the lucky husbands, William Engle and Robert Brennan.

Our pledge committee is making arrangements to bring another fine group of students into the fraternity. The schedule as set up by the committee has been changed due to the extended vacation, and pledging activities will begin after our return from Christmas vacation.

Faternally yours,
J. BRICE MCCOLLOUGH, *Historian*

BETA LAMBDA—UNIVERSITY OF CITY OF TOLEDO

By the time this is in print, we here at Toledo University will be in the second half of our school year and looking forward to summer vacation. Right now we're all looking forward to the Christmas holidays.

Our final smoker-party combination for the pledges was given on November 28. The pledges will receive their first degree on December 12. From there on anything can, and probably will, happen. The names of these future members of

Kappa Psi will be included in the next newsletter.

Beta Lambda Chapter takes pride in announcing the coming marriage of one of our active brothers, Mr. Donald Calabrese will be married to Miss Alice Bodette on January 27, 1951. From what we hear it will be quite an affair. Congratulations, Don, and the best of luck of all kinds to you.

An All-Pharmacy dance was held on December 8 at the New York Central Gun Club. All four of our pharmacy organizations participated in planning and carrying out this dance. There was a very fine turnout and all those attending thoroughly enjoyed themselves.

Beta Lambda Chapter wants everyone to have a very Merry Christmas and a very happy and successful New Year.

Fraternally yours,

KEITH LARZELÈRE, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

As this fall quarter comes to a close, it becomes increasingly apparent that this is going to be a good year for Beta Xi Chapter of Kappa Psi. As evidence, we can point with pride to the new pledges that we have been so fortunate to get this year. They are Dale Adams, Joseph Bland, Ed Bradshaw, Jr., Alvin Bryant, Tommy Burgiss, Leo Carter, William Cash, Charles Deaton, Millard Denson, Frank Ferguson, Jr., Lewis Ferguson, Hugh Fletcher, Gene Hackney, Robert L. Lewis, Ben Mobley, Jimmy Moore, Jimmy Robinson, Jr., Ralph Smith, Harry Timberlake, Milner Watson, Graham White, and Howard Yandle.

Out of all the new pledges, ten men were eligible for initiation in November and they were duly initiated into membership on November 13, 1950. The new Brothers are: Joseph Bland, Thomasville, N.C.; Alvin Bryant, Durham, N.C.; Leo Carter, Thomasville, N.C.; William Cash, Spindale, N.C.; Charles Deaton, Liberty, N.C.; Lewis Ferguson, Gastonia, N.C.; Hugh Fletcher, Drexel, N.C.; Milner Watson, Sanford, N.C.; Graham White, Burlington, N.C.; Howard Yandle, Charlotte, N.C. We are very proud of our new Brothers, and feel that they will be of great assistance in helping to preserve the tradition of Kappa Psi.

Another interesting event has come up. Province III of Kappa Psi had a convention held in Charleston, South Carolina, on December 2, 1950, with Iota Chapter acting as host. Attending from Beta Xi were nine collegiate and one faculty members. Of these, four were voting delegates and they were: Earl Brown, Harold Day, Hubert Rogers, and James P. Greene. The other brothers attending the convention were: Joe Reese, Bill Robertson, A. W. Clelland, Sam Price, Charles Blanton, and Dr. Fred Semenik. From all reports, a great time was had by all. We were very proud to learn that our regent, Earl Brown, has been appointed temporary Historian of Province III.

At 3:00 o'clock on Sunday afternoon, November 12, a portrait of our late Dean and Grand Counselor, Marion Lee Jacobs, was presented to the University and to the School of Pharmacy by former students at exercises held in the auditorium of Howell Hall. Ernest J. Rabil, a Kappa Psi graduate of the class of 1950, presided. Regent Earl Brown, representing the student body, paid high tribute to the late Dean as teacher, student adviser, and administrator. Professor I. W. Rose,

our present Grand Counselor, spoke for the Pharmacy faculty. John Woodard, the immediate past-president of the Student Branch of the North Carolina Pharmaceutical Association and a Kappa Psi graduate of the class of 1950, formally presented the portrait to Chancellor Robert B. House of the University of North Carolina, who in turn presented it to Dean Brecht of the School of Pharmacy. It will be displayed in the Pharmacy library.

All of us here at Beta Xi were very sorry indeed to hear of the death of the young daughter of our brother, John Hood. Lynn died of aplastic anemia in Tampa, Florida on November 25, and was interred there on the 28th. Lynn was truly the sweetheart of Kappa Psi until John graduated in June of 1949, and they moved to Tampa. We extend our deepest sympathy to John and Evelyn.

In closing for this quarter, let us here at Beta Xi wish all our Kappa Psi Brothers everywhere a very Merry Christmas and a Happy New Year.

Fraternally yours,

BEN R. HARWARD, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

As I begin this communication from the Puget Sound area we of Beta Omicron have our noses buried in books learning the quarter's work for finals. Then the holidays come, a very wonderful time of the year for all of us. And with the final exams this week four of our members sign *finis* to their days in college. Yes, Aldo Simi, Rodger Rigby, Frank Jovanovich, and Bob Schmad leave us to go out to learn about pharmacy from a different standpoint. Al and Rodger are going back to California and try their luck with the state board there.

We have had two social meetings this year and got to use our newly purchased sound projector. The chapter bought this projector with money that we earned in the raffle held last spring. John Krippachne is chairman of the projector committee. He and his committee take charge of renting out and operating the equipment for other organizations on the campus. By doing this we are able to add to our treasury. Too, we save ourselves these fees when we have movies for our meetings. We all feel that the investment is mighty sound.

Our secretary, Ted Van deVord, has gone and got himself engaged. That fellow works fast! Congratulations, Ted!

The initiation banquet will be held early next quarter and we should have a fine bunch of pledges. We also have plans for an informal mid-winter dance to be held at the Faculty Men's Club.

Beta Omicron sends Holiday Greetings to all of its brothers.

Fraternally yours,

G. RICHARD KERR, *Historian*

BETA PI—STATE COLLEGE OF WASHINGTON

Hello to everybody from Beta Pi. The current semester started with much activity and seems to be just as active as Christmas vacation is about to begin.

The second meeting of the semester resulted in the nomination and election of new chapter officers. Those elected to office were: Robert Fisher,

regent; Hubert Christianson, vice-regent; John Delay, secretary; Len Howell, treasurer; Joseph Thompson, social chairman; Dallas Matkin, historian; and Paul Underwood, alumni secretary.

Plans for initiation of pledges are being made. Selection of new men has been made, and initiation will take place in the near future.

Our new Alumni Secretary is working on a bulletin to be sent to the alumni informing them of the activities of the chapter. It will include functions and business of the chapter which will be of interest to them.

Among other activities, the members are interested in the study of the various cameras and their parts. We feel that it will be of assistance to us after we graduate, as photography is becoming a more important part in the retail drug-store.

Recently, our chapter sponsored a luncheon for the accreditation committee which visited our school. Guests were Dr. E. C. Elliott, chairman of the accreditation committee and President Emeritus of Purdue University, also former chancellor of the University of Montana, Professor Richard Deno of Rutgers University, Mr. Bert Densow, secretary of the Washington State Board of Pharmacy, and President Wilson M. Compton of Washington State College. Other nonmembers present were Dr. Charles Martin, Dr. Melvin Gibson, both professors in pharmacy at our school, and Richard Hampton an instructor at our school.

Faternally yours,
DALLAS H. MATKIN, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

Here at Beta Rho we are finally back on our feet and have gotten underway to what we think will be a big year with Kappa Psi. Graduation last June cut our membership more than in half and we have had a hard time regaining our footing.

At the present we are welcoming eight new initiates. We are very proud of our brothers and are expecting a lot of helpful and useful work from them. They are as follows: Phil B. Alexander, Amory, Mississippi; Fred E. Bennett, Jr., West Monroe, Louisiana; James M. Day, Inverness, Mississippi; Gerald J. Glass, Marvell, Arkansas; Julian A. Nagle, Jackson, Mississippi; Ray J. Reed, Jr., Manchester, Tennessee; Joseph K. Smith, Ripley, Mississippi; Marshall C. Smith, Jr., Hattiesburg, Mississippi. Brothers, we older members take this opportunity to welcome you. We have three new pledges who will be initiated sometime after Christmas. They are: Wm. H. Booth, Jr., Wade Hillard, and Glen Warren.

Our social activities have been somewhat limited this semester due to various reasons. We had a stag party at Spring Lake earlier in the semester to welcome the new pledges. A big time was had by all. We will have a formal dance sometime in January or February.

Doug Bethay has had quite a busy December. He is the proud father of a big boy. Congratulations to Mr. and Mrs. Bethay. He was also initiated by ODK recently.

We are going to lose one of our active members January 16 and one of our pledges. They are Julian A. Nagle and Glen Warren. They are members of the 31st National Guard Division. Boys, we hate to see you leave us but we are

wishing you the best of everything while you are gone.

At the last regular meeting of the Student Branch of the American Pharmaceutical Association Fred Bennett and Gerald Glass were elected president and vice-president respectively. Congratulations to both of you.

In our last letter we were predicting a successful football season here at "Ole Miss." We missed our predictions but we won the one that counted most by beating Mississippi State.

Faternally yours,
HENRY L. STOWERS, *Historian*

BETA SIGMA—NORTH DAKOTA AGRICULTURAL COLLEGE

It is almost with a feeling of sad regret that I depart from the reverie inspired by the enticing spectral beau ideal of Al Moore's insidious imagery—"The Esquire Girl." Now, I shall swear a bitter oath of determination, clasp my pen firmly; and endeavor to transcribe "news" while masquerading under the cloak of *Il Penseroso*.

But if one may care to escape the world of the melancholy all that is necessary is to sit down before a table laden with a Holiday Dinner prepared by our wonderful house-mother, Mrs. Knutson. There's tom turkey roasted to a tender golden brown with cranberry sauce, potatoes and gravy, peas and carrots, sweet potatoes, cold salads, delicious fruits and pies, and delicacies of every description—a gourmet's paradise.

Mrs. K's ambrosia is not the only thing we're proud of, however. I'd like to introduce a former historian of Beta Sigma, Harold Zweber. Harold, also known as Lil' Noodnic, has been selected to be included in *Who's Who*. Harold is also on the ballot for Veep of the Senior Class, and he is the president of the local chapter of Rho Chi.

We celebrated our Fall Term Party at the Moorhead Country Club. As tradition demands this party was in honor of the pledges. Brother Gagnon, our regent, was the Master of Ceremonies. Entertainment was furnished by Brother Zweber and Tom Monteeth. Honored guests were Dean Sudro, Doctor Miller, our faculty advisor, and the members of the faculty of the school of pharmacy.

Among the alumni who have stopped at the chapter house during their travels are: Ken Piper, Rex Askerooth, Leonard Astrup, Don Domek, Louis Opheim, and Jack Leathart. We'll be glad to have you back—anytime! There's a standing invitation for all alumni to be our guests anytime you're in Fargo.

Herman Olig, Class '50, has just become the happy father of a bouncing baby boy. The proud parents have named their young hopeful Stafford Ron.

Kappa Psi has jumped into Intramural Activities feet first. According to Bennett Neumann, our athletic director, we are engaging in basket ball, volleyball, and bowling. A couple of fellows are playing hockey. That's quite a schedule along with Pharmacy. Isn't it? But you know the old saying, "Never let study interfere with your social life."

Last spring, as most of you know, we paid the last installment of the mortgage on our chapter house, and burned it. (The mortgage, I mean.) Now the effects of being released from this burden are becoming apparent. The lawn is being

fixed, furniture is being repaired and replaced, but we are still trying to put up a fire escape. The feather in our bonnet is our new radio-phonograph. We have just purchased a new Zenith combination. It's got everything—two tone arms, 33 1/3 r.p.m.—everything. And now we are all broke—just had to buy records, you know.

And then we shout more beer as we drain our glasses dry—Brother Elwood Solvie has become engaged to Helen Englebreton. Congratulations, Brother Solvie.

But the hour grows late—my pen and my eyes grow weary together—so I shall return to my sweet utopian reverie.

Fraternally yours,
LEO HALL, *Historian*

BETA UPSILON CHAPTER—BUTLER UNIVERSITY

Now that the semester is well under way, we here at Butler in Beta Upsilon Chapter are working hard at both the books and our fraternity activities. Of course, the former are our prime concern but the latter have not been neglected by any means.

On the evening of November 29 at 6:15 a dinner meeting was held on the university campus in the Atherton Center dining room. After a delicious meal, a business meeting was held. The evening of good fellowship was enjoyed by all.

Plans are being formulated for a Christmas party to be held just before classes are dismissed for the vacation. Brothers Latham, Duckworth, Hinton, and Loepker are in charge of making all the necessary arrangements. In addition to having all members and their respective wives or dates present, all faculty members at the pharmacy college have been invited.

Some thirty-three names have been submitted by our pledge committee as a list of prospective pledges. It is hoped that most of these men will be pledged, initiated, and welcomed into the brotherhood of Kappa Psi.

To all our brothers in Kappa Psi, we here at Beta Upsilon send our most sincere greetings and best wishes.

Fraternally yours,
PHILIP O'DONNELL, *Historian*

BETA PHI—CINCINNATI COLLEGE OF PHARMACY

With many scholastic and social activities taking place, the weeks are really flying by, and Christmas will soon be here. We of the Beta Phi Chapter had a very enjoyable Thanksgiving vacation, and are eagerly anticipating the fun of the December holidays. (Our Thanksgiving vacation was extended an extra day, as the bad weather conditions and terrific snowfall necessitated the postponement of the reopening of school until Tuesday, November 28).

The Kappa Psi "smoker" on November 29, was enthusiastically attended, both by members and pledges. It was held at the Sheraton-Gibson Hotel, and was highlighted by an interesting talk on "Enzymes in relation to cancer," and a movie about "parenteral injections." We have quite a large group of pledges this year, and hope to initiate them at our January meeting.

We are extending our very best wishes and congratulations to Brother James Keyser, who

was married on Thanksgiving Day to Miss Mildred Obermeyer. The wedding took place at St. James of the Valley Church, and was followed by a reception at the Hotel Alms. Following their honeymoon trip to Canada, they are residing in Glendale, Ohio.

Another personal note is the announcement of the engagement of Miss Estelle Nie to Brother Robert A. Morgan. Miss Nie is a sophomore student in the Pharmacy College, while Bob, a former regent of our chapter, is now serving in the Army Medical Service Corps at Fort Knox, Kentucky. Lots of luck, you two!

Our world, at this moment, seems very dark, but notices like those above make us realize that we can still hope and wish for a very happy new year.

Fraternally yours,
LEE C. WEBER, *Historian*

BETA CHI—DRAKE UNIVERSITY

On December 1, ten pledges were initiated into active membership, and we are proud to announce them. They are: John R. Bryant, Gibson City, Illinois; Robert F. Comito, Des Moines, Iowa; William J. Comoto, Des Moines, Iowa; Warren A. Davis, DeKalb, Illinois; Conrad C. Faber, Rock Valley, Iowa; Merlyn Hornsbruch, Aurelia, Iowa; Ted Schmid, Chicago, Illinois; James Sharon, Sioux City, Nebraska; Louis M. Sullivan, Rockford, Illinois; Charles M. Teeman, Sioux City, Iowa.

We are very proud of the honors that were recently bestowed upon Bernard Wilder by the University. Brother Wilder, a senior in pharmacy, was chosen to appear in the 1950-51 *Who's Who Among Students in American Universities and Colleges*.

Ralph Feye and Bill Burke have been selected to represent the fraternity at the Province V Assembly held at Lawrence, Kansas, in December.

On December 8, members of the fraternity and their wives and dates enjoyed an evening of dancing and movies at the Fort Des Moines Recreation Club.

Beta Chi is making plans for its part in the Iowa Pharmaceutical Association convention held at Des Moines, Iowa on March 5 and 6.

Beta Chi conveys best wishes to all Kappa Psi brothers, and wishes all chapters a successful and prosperous year to come.

Fraternally yours,
ROBERT P. WEESNER, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Here at Wisconsin it is quite icy and cold and although this doesn't affect the hearty Badgers, the draft is causing us some trouble.

Beta Psi pledges were initiated into the Chapter during the period of November 20 to December 3. They were a very obedient class of pledges, working hard to acquire the proper knowledge. We are proud to add their names to our roster. They are as follows: John Hornberger; Lloyd Kennon; Kendall Hass; Paul Toussignant; Clifford Keller; Carl Natter; Raymond Smith; Julian Instefjord; Donald Van Scotter; Carl Versteegen; Merwyn Hansing; Robert Bemrick; Roger Fitzgerald; Wayne Hoffman; Richard Olson; Benjamin Frank; Norman Carden; and Dr. Foye of the Pharmacy School staff was given a faculty membership. These former pledges received the first and sec-

ond degrees on November 20 and 21 respectively. This was followed by "Hell Week" and concluded with the third degree on December 3. Our banquet honoring these new members was held at the Lorraine Hotel directly after the final ceremony. The guest speaker was Mr. Robert Hammel, former regent of Beta Psi and present regent of the Wisconsin Graduate Chapter. He spoke on the functions of the Wisconsin Pharmaceutical Association and Graduate Chapter.

Our bi-annual scholarship for this semester was awarded to Martain Yunker, a senior in Pharmacy School. It was presented to him at our annual Christmas Party.

Professionally Beta Psi was fortunate in hearing a lecture by Dr. Higuchi of the Pharmacy School staff, on October 23. His topic pertained to "Pharmaceutical Research" here at Wisconsin. On November 13, Mr. William Apple gave a talk and two movies concerning "Window and Interior Display" and "Promotion to the Profession." Both of these meetings were very interesting and everyone present agreed they were glad they had the opportunity to hear them.

The Annual Pharmacy School Christmas Party was sponsored by Beta Psi, Kappa Epsilon, and Wisconsin Pharmaceutical Society. It was held at the Eagles Ballroom December 8, with music by Norm Kinsley. During intermission a skit was presented by members of the Pharmacy School. Everyone had a good time and really enjoyed themselves.

Season's Greetings to all Brothers of Kappa Psi from Beta Psi.

Fraternally yours,
DAVE SANDERS, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

During the past half semester our activities at Beta Omega have been rather limited.

In the time that has elapsed since our last letter, we were co-hosts with Eta Chapter for the recent province II meeting.

There were two sessions for the meeting: the first session taking place Saturday, October 21 at the Eta Chapter house and the second session taking place at the Sylvania Hotel, Sunday, October 22, in Philadelphia.

We were fortunate in having with us at the meeting our Grand Regent, Dr. Frank H. Eby and also the Grand Historian, Professor Nicholas Fenny who gave a revised, authentic history of the fraternity.

On November 15, our chapter held its first social. Invited for the affair were twenty-two men who are being processed for possible membership into the fraternity. These men were given their first degree on December 4, 1950. The second and third degree for these men is being held sometime before the holidays.

Following is a list of potential Kappa Psi members at Beta Omega: Howard S. Richards, Philadelphia; Walker C. Vickers, Philadelphia; Joseph Stough, Philadelphia; William A. Strucker, Erie, Pennsylvania; Francis D. Moyer, Mansfield, Pennsylvania; Raymond C. Balwierzak, Dallas, Pennsylvania; Richard J. Reardon, Philadelphia, Pennsylvania; John R. Sabel, Port Carbon, Pennsylvania; Louis J. Totani, Lansford, Pennsylvania; George A. Behm, Philadelphia, Pennsylvania; William T. McKenna, Philadelphia, Pennsylvania; Neil E. Coble, Harrisburg, Pennsylvania; Don A. DeLong, Quarreyville, Pennsylvania; John Misti-

cian, Buck Run, Pennsylvania; Angelo V. Albertini, Philadelphia, Pennsylvania; James C. Culbert, Drexel Hill, Pennsylvania; John S. Swift, Jessup, Pennsylvania; Frank Casey, Philadelphia, Pennsylvania; Jack R. Miller, Berwick, Pennsylvania; Harold P. Fox, Philadelphia, Pennsylvania; Don R. Garver, Roaring Springs, Pennsylvania; Dale E. Shelley, Lititz, Pennsylvania.

Speaking of holidays, this year Beta Omega will attempt to make Christmas a little more merry for 65 homeless boys of the St. Joseph industrial home in Philadelphia. At a Christmas party, we will present each boy with a gift bag of toys and a book along with some Christmas candy and fruit. This is our way of showing the Christmas spirit and also the part that a fraternity can play in bringing joy to more unfortunate persons.

In closing I wish to mention that our annual candle light dinner was held December 12 at our dining hall in Temple University, Mitten Hall.

Fraternally yours,
FRANK T. SCERBO, *Historian*

GAMMA GAMMA—UNIVERSITY OF TEXAS

The Gamma Gamma Chapter recently held a stag picnic for the members and their friends attending Pharmacy school as a means of promoting fellowship in the organization and on the campus. Although the weather was not ideal for picnicing, the gathering was considered highly successful by those attending. Refreshments consisted of buns, wieners, and cold drinks.

The functions and rules of the newly reorganized Pharmacy Student Council were presented at a meeting of the chapter, and it was agreed in the form of a motion that the Gamma Gamma chapter be represented in the Council. Lynn Vineyard is the Council Representative from our chapter.

The chapter has accepted the suggestion to form a Tutoring and Advising Service in pharmacy courses to help beginning students in pharmacy. A committee was appointed to submit detailed plans for this service. The chapter voted to offer their services to the State Board in carrying on the State Board Exams, and agreed to assemble complete Alumni Directories for the College of Pharmacy Office.

An initiation of pledges was performed in the early part of October. The newly initiated members are: Ray Yarritu, Jack Pippin, Don Brown, Bob Gude, and Dan Hubenak. Another pledge class is now being organized and the first of the group to be pledged are: Ben Harper, Dick Greenberg, Val Ellis, Dr. Wm. R. Lloyd, Bill Bertrand, Jesse Beal, George Hauser, Randolph Whitworth, and Bill Campbell.

Fraternally,
JOHNNIE SACARIS, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Our first invitation smoker was held on September 18, and the following Wednesday, which was the first day official pledging to any fraternity was lawful, we signed up 13 new pledges. With the 9 other pledges remaining from last year, we now have 22.

Eight brothers of Gamma Delta came through the June State Board Examination with flying

colors. They are Brothers: Anderson, Early, Runyon, Seaton, Stahler, Smucker, Winkler, and Moore.

With the first quarter of this year already gone and the second quarter well under way, we find ourselves here at Gamma Delta Chapter in full swing.

Our pledge class is holding out very well this year. At the beginning of the year after the first smoker, we had 23 pledges. After "graduating" 6 of our pledges into brotherhood the 7th week of school, we still have 19 pledges to date. The six new brothers are Brothers Richard Edgerton, LaVerne Haugen, William McCarthy, Dave Nutter, Walter Ritzman, and Jack Smittle.

We have been quite successful in interfraternity athletics so far this year. We won the football championship, the annual homecoming push-mobile race, and placed second in tennis. We also won first place in house decorations for homecoming.

A new idea that has been adapted by the Interfraternity Council this year is that each fraternity on the campus is responsible for one assembly program during the winter quarter. The best program will warrant a trophy for the respective fraternity, so here's hoping good old Kappa Psi can come through again.

Brother Ralph Cole was married during the Thanksgiving vacation. He has returned to school and plans to graduate at the end of this year.

We held our annual Christmas Party on December 11, 1950 with the pledge class furnishing the program. After the program, the brothers and pledges went Christmas caroling.

Fraternally yours,
ROBERT E. STEVELEY, *Historian*

GAMMA EPSILON—UNIVERSITY OF NEBRASKA

The following report is submitted by Gamma Epsilon Chapter of the University of Nebraska for the next issue of THE MASK.

First I wish to apologize to you, Mr. Quimby for my letter being late. It was delayed in order to include the newly elected officers.

Gamma Epsilon has been busy the past few months helping the University of Nebraska achieve 100 per cent membership in A.Ph.A. We are fortunate to have in our midst, two of A.Ph.A.'s strongest leaders: Bob Luchsinger and Leland Lucke. To us, a non-member is like a man without a country.

At the last meeting, a number of committees were chosen to enable our chapter to function smoother. They are as follows: Financial, Social, Scholarship, and Entertainment. A scholarship will be granted again this year; to the worthy pharmacy student at our annual banquet. Our yearly skit is being planned to be given at the same time.

The new officers to be installed in January are: regent, Jack Russel; vice-regent, Bill Mickle; treasurer, Marion Reis; secretary, Dick Murray; historian, Gale Demaree; and chaplain, Harold Wagey.

After elections, the evening was spent congratulating and welcoming the new officers.

For the first time, Gamma Epsilon will have a basketball team this year. We have many experienced players in our chapter, therefore, we should attain high goals and many points.

Several brothers will be graduating and taking boards in January. Those fortunate ones include:

Emory Holloway, Morris Bittner, Jim McIntosh, Russell Lund, and George Pinney.

Speaking for my brothers, may I say that we are deeply grateful to Kappa Psi for all it has extended to us, and provided for us. We wish to extend our best wishes to those we are leaving, and sincerely hope Kappa Psi will include as much for them. However, they can only, "get out of it, what they put into it."

As retiring Historian I wish to say I have enjoyed my term and hope my successor will do the same.

Yours truly,
GEORGE L. PINNEY, JR., *Historian*

GAMMA ZETA—HOWARD COLLEGE

Another school year is well under way here at Howard and everyone is becoming adjusted to the change from the quarter system to the semester system. On October 3, the Pharmacy Department held open house which was sponsored by Lambda Kappa Sigma, A.Ph.A., and Gamma Zeta. Brother Ralph Stone, regent of Gamma Zeta, presided at this meeting and everyone enjoyed the program very much. Cookies and punch were served by the girls in Pharmacy. The Pharmacy Department had just completed some extensive remodeling, which included a new proprietary room, a new storeroom, a research laboratory, and more office space for the instructors.

On October 17, three men received their formal initiation and membership to Kappa Psi. Everett Mullican, Logan Key, and Albert Day are the new brothers. We are confident that you will all be valuable additions to our chapter. The new pledges for the semester include Kenneth Archer and Oscar Smith.

The annual Pharmacy seminar was held at Howard on November 16. The seminar is sponsored by the APA in cooperation with the schools of pharmacy at Auburn and Howard. APA president, Monroe Newberry, Andalusia, was presiding officer. The morning session was started by a welcome and greetings from the various organizations represented. This was followed by a very interesting lecture on "New USP and NF Drugs," with panels on "What the pharmacy graduate needs to learn during the year of practical experience," "Prescription promotion and pricing," "Professional relations between physician and pharmacist," and "Fair trade." Recess for luncheon came at this point with Major Harwell Davis, president of Howard College, as the speaker. The meeting reconvened with a film on "Medical effects of atomic weapons," followed by panels on "Drug store management" and "State and Federal laws as they affect the pharmacist," after which Mrs. Thelma Morris Coburn, APA executive secretary concluded the session with the announcements. Dr. C. Lee Huyck, dean of Pharmacy at Howard, was host on an inspection of the pharmacy department of the college.

Our chapter recently held election of officers with Norman Mills being elected regent for the forthcoming year. Other officers elected include: Robert McGuire, vice-regent; Joseph Stammer, secretary; George Strother, treasurer; Pat Kelley, chaplain; and Albert Day, historian. We would like to congratulate these men and we feel sure they will render many services to Gamma Zeta in their new offices.

Fraternally yours,
HENRY HOLLEY, *Historian*

GAMMA ETA—MONTANA STATE UNIVERSITY

This last quarter has been an active one for Gamma Eta Chapter. Due to the large graduating class last June membership was rather low at the beginning of the quarter, but due to increased activities the membership is again building up rapidly. Twelve new members, Eli Acid, Dick Barsness, Oscar Biegle, Bryce Breitenstein, Bob Carkeek, Bud Cunningham, Monte Gudke, Dale Levigne, Dale O'Brien, Ken Rickert, Bill Sullivan, and Bernie Suttleff were received into our ranks this past quarter.

A smoker was held during the latter part of November to acquaint prospective members with the aims and members of the fraternity. Movies were shown and the evening was considered a social success. The following week eighteen men were pledged and will be eligible to become active next quarter.

During the quarter, the fraternity took over the task of editing the *Montana Pharmacist*; the school magazine published quarterly and distributed to all alumni, pharmacies, colleges, and students.

We recently checked on our library fund and found that we had enough to buy several books for the Pharmacy School, so the money was turned over to Dean Waldon and it was left to the discretion of the Dean as to what books would be purchased.

New uniforms for the basketball team were purchased last quarter and the team is anxious to take part in the intramural program at the University.

The Kappa Psi members took an active part in the preparations for the Pharmacy Ball, held December 1. It was well attended and enjoyed by all.

With the thought of the holidays ahead, this chapter extends a Merry Christmas and a Happy New Year to all of the members of Kappa Psi.

Fraternally yours,

ELMER J. HOTVEDT, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY

Now that the pledging and initiation are over we wish to congratulate our new members. We wish them the best of luck and hope they enjoy being a member of the fraternity as much as we do in having them become one of us. The following were initiated into the fraternity this past month: William Otto, Gene L. Maton, Arthur Doehler, Richard Twibbell, Jr., William Haul, James Missler, Gerald Henney, Robert McDonald, Edward Rowe, John Stotts, Taylor Lindhorst, Ronald Casperson, James Kayser, Frank Skaggs, III, John Reese, James Brundage, Richard Zoellner. Good luck fellows, and congratulations.

Well, who says it isn't June in December. George Cherokees or Everett Moody swears it is at least. These two stalwarts of Gamma Pi have set the date to join the ranks of the married. Both are getting tied during the Christmas holidays. Who said holidays, boys your holidays are over forever.

The Christmas dance is being held at the Forest Park hotel on Friday, December 15 and if it is just half as successful as the last one every one will certainly enjoy themselves.

As this is the last letter I will have the opportunity to send to THE MASK I want to take a few lines to thank you for your splendid cooperation. It has certainly been a pleasure for me to do my little chore, when there are men like you helping and guiding them. Perhaps some day I may have the opportunity to meet you in person. Thank you again.

Gamma Pi Chapter wishes everyone the best for the coming year and hope every one gets what he justly deserves.

Fraternally yours,

HARVEY J. MILLBURG, *Historian*

GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Our chapter's activities, since its installation, have been mainly those of organization. Our installation was performed February 10 of this year, by Theta Chapter of the Medical College of Virginia. The Brothers of Theta Chapter kindly came to the University and performed this ceremony in full official regalia, so our members wish to thank you, Theta Chapter, for a most impressive and beautiful ceremony. We wish also to say thank you for the many letters of congratulations we received from chapters throughout the country, and to Dr. Eby, who personally attended our installation, to send us off on the right foot.

Early in May, Gamma Tau held an open house smoker, to further friendship among the entire student body of the School of Pharmacy. About two weeks later, a banquet was held in honor of our senior classmen. Both activities were a great success and we hope to continue them as annual affairs.

This term, Gamma Tau sent delegates to Charleston, South Carolina, home of Iota Chapter, to activate Province III. Our Brothers are proud to tell you that Dr. John Schermerhorn, our faculty advisor, was elected Satrap of the Province.

At present, our chapter is in the middle of its pledging activities. A smoker was given a few weeks ago to acquaint the brothers with pledge prospects. Now in the next week or so we are expecting to pledge about fifteen men.

That's about all the news at present, but in closing, the Brothers of Gamma Tau sincerely wish every Brother of Kappa Psi a MERRY CHRISTMAS and a HAPPY NEW YEAR.

Fraternally yours,

JAMES LIPKEY, *Historian*

GAMMA UPSILON—UNIVERSITY OF ARIZONA

Our chapter held a formal initiation on Sunday, November 5, 1950, at the Jefferson Park Auditorium. The following men were made full members at that time: A. B. Clark, R. K. Robson, A. Celaya, J. A. Ruiz, D. E. Truscott, R. L. Quinn, R. E. DiDominico, J. P. Donaldson, M. L. Greer, G. W. Burden, and K. L. Morgan.

After the initiation Regent James Martin introduced Dean Bang, a Kappa Psi member, who spoke to the group, Grand Council Deputy G. Benner Kelly introduced L. J. McKenna who, in turn presented jeweled badges as scholarship awards to Brothers Tanita and Carneal. Similar pins will be presented annually to outstanding students at the College. These awards have been made possible through the generosity of Mr. McKenna and C. M.

THE CHAPTER

HAPPY INITIATES

DEAN BANG SPEAKS

SCHOLARSHIPS PRESENTED

Nielsen. Refreshments were served following the ceremonies.

CONNECTICUT GRADUATE CHAPTER

A meeting of the Connecticut Graduate Chapter was held on December 1 at the College building. Regent Stephen Zutzy presented a list of the names of fifteen recent graduates to the group. All included on the list were admitted to our group as new graduate members. Many items of business were discussed, among them the Province I Assembly which is to be held in Albany next May 5. Delegates from our chapter will be present for that meeting. Brother Ed Goodmaster, chief pharmacy inspector for the State of Connecticut, and his assistant, Brother Joseph Moran were present for this winter meeting of our chapter. During his remarks to the brothers, Mr. Goodmaster said that "always should our ritual be our guide and the laws of our constitution should be our aim."

Plans for a spring dance were mentioned and preparations for our January meeting were made. Brother Goodmaster was appointed to be in charge of securing a speaker for that meeting and is expected to have a film for showing at that time.

Best holiday wishes to brothers of Kappa Psi everywhere.

Fraternally yours,

DANIEL A. CAMILLIERE, *Secretary*

NEW JERSEY GRADUATE CHAPTER

During the past year, the efforts of the Collegiate and Graduate Chapters of Kappa Psi Omega have been concentrated on starting a "reserve" fund. This fund has among its purposes aid to chapter members, and in a long range view, the possibility of financing a private meeting place.

Much hard work and legal advice has gone into the project so far, and even though the beginning is small, it is expected to grow and grow and grow. It has the complete support of all Omega brothers.

We are very sorry to hear of the illness of Brother Joseph A. De Rosa, Brother Voorhees, and Brother Anthony De Rosa. We all are hoping for quick recovery by these members.

At our meeting of December 4, we were privileged with a talk given by Brother Arthur E. Einbeck who is attached to the Army pharmacists section. The opportunities of professional service in the Armed Services were stressed. The most important point mentioned was that the pharmacists station in the military scheme is growing due to the efforts of the A.Ph.A. and others like Brother Einbeck. Credit should be given these persons for their untiring efforts.

A conscientious drive is planned as prompted by Brother Hiler, to stimulate interest and attendance of recent graduates to frequent Graduate Chapter meetings. We hope this will encourage even better support of our projects.

We are looking forward to a new year of continued activity and renewed successes.

Fraternally submitted,

PHILIP SCARDELLI, *Secretary, Omega Chapter*

PROVIDENCE GRADUATE CHAPTER

Here in "Little Rhody" the brothers of our chapter are regrouping because of a changing scene. Regretfully, I must report that we have lost several active brothers to other states. Paul Gardner has moved to Greensboro, N.C., and is working in a local pharmacy there. Joseph Campbell is snowbound in the hills of northern Vermont as he makes the rounds for Parke, Davis and Company. We have learned that Joe has recently married, so our heartiest congratulations to him. Zane Roberts is with Liggett's in Worcester, Mass. Tony Marcellino and Earle Jones were working for Parke, Davis and Company in New York, but with "Oncle Joe Stalin" making things difficult, Tony and Earle have donned uniforms of the Air Corps and Ground Forces respectively. Bob Saute and Norman Poirier are doing graduate work at Purdue University. Bob's brother, Norman Saute has left the pharmacy of the Newport, R.I. Hospital to accept a position with Burroughs-Wellcome in Worcester, Mass. This is the same area in which Cosmo Serio is building up his retail store and Mario Pistachio is studying his androgens and estrogens during his detail work for Schering Corporation. We miss these brothers greatly, but Professor Vincent Fitz-Simon and Richard Noel are our severest losses. I sincerely wish that it was not my duty to report the deaths of these two brothers. Brother Noel was accidentally drowned on July 4, 1950. Brother Fitz-Simon, dearly loved by all who knew him, died on April 11, 1950. "Fitzi," as he was affectionately called by his students, will always be remembered by this writer for his sincere advice, lasting teachings, and his devoted friendship. When I returned to classes late in 1945, he often called me "soldier." Only from him could I consider this term a compliment because three years of war in Europe will never make me love the word. Rest in peace, Professor Fitz-Simon and Brother Richard Noel!

Meetings of our chapter are held monthly. On February 9 a meeting will be held at the Driftwood Restaurant in Pawtucket. Installation of officers will take place. The officers are, Richard Spinney, regent; Louis Pieraccini, vice regent; Bill Cornell, secretary; Cosmo Franchetti, treasurer; John Campoli, chaplain; Joseph Cardin, historian. We are drawing up plans for cooperating with the collegiate chapter, and expect to combine forces for a dinner-dance to be held at the Verdandi Club in Warwick. The exact date is to be selected by our collegiate brothers at the college.

Fraternally yours,

JOSEPH CARDIN, *Historian*

Kappa Psi Pharmaceutical Fraternity Directory

CENTRAL OFFICE: Address—Kappa Psi Pharmaceutical Fraternity
179 Longwood Ave., Boston 15, Mass.

EXECUTIVE CHAPTER

Founded December 15, 1879—Incorporated 1903

Alpha Grand Council, Wilmington, Del.

Grand Regent—Frank H. Eby 109 Fairview Rd., Springfield, Pa.

First Grand Vice Regent—Louis Fischer, College of Pharmacy, University of Washington, Seattle, Wash.

Second Grand Vice Regent—Karl J. Goldner 874 Union Ave., Memphis 3, Tenn.

Third Grand Vice Regent—Milton L. Neuroth School of Pharmacy, Medical College of Virginia, Richmond, Va.

Grand Secretary-Treasurer—Ray S. Kelley 179 Longwood Ave., Boston 15, Mass.

Grand Historian—Nicholas W. Fenney 150 York St., New Haven, Conn.

Grand Counselor—James R. Thayer 4588 Parkview Pl., St. Louis, Mo.

Grand Ritualist—Dale E. Wurster University of Wisconsin, Madison, Wis.

Appointed by the Executive Committee:
Editor of THE MASK—Maynard W. Quimby 179 Longwood Ave., Boston 15, Mass.

Official Representative in Delaware—Glenn N. Emanuel Veterans Administration Hospital, Box 308, Wilmington, Del.

EXECUTIVE COMMITTEE

Frank H. Eby 109 Fairview Rd., Springfield, Pa.

Ray S. Kelley 179 Longwood Ave., Boston 15, Mass.
