## THE TWENTY-SIXTH GRAND COUNCIL CONVENTION

The TWENTY-SIXTH GRAND COUNCIL CONVENTION of Kappa Psi Pharmaceutical Fraternity is now history and those who participated in the activities of the three days, December 27, 28, and 29, 1951, enjoyed a great fraternity event.

In many ways this was the most successful convention ever held by the Fraternity. The total registration was 232, with 178 delegates and other members present. Fifty-one collegiate and graduate chapters had delegates in attendance, and five province delegates reported. In view of the severe winter conditions which prevailed over much of the country and made travel difficult for many, the attendance of members from thirty states and the District of Columbia was remarkable. The fine attendance is probably an indication of the wonderful spirit and the close integration of the chapters which exists in the fraternity today.

The convention was a busy one for the officers and the delegates. There were three long, general business sessions and Alpha Chapter and the Executive Committee held two very important joint meetings on the morning of the first day, before the convention opened officially, and one after the last business session of the Grand Council Convention was adjourned. A professional meeting was held the first evening, Thursday, December 27, with about 200 members and guests in attendance. This followed a dinner given by Parke, Davis & Company for all who attended the convention. On Friday, December 28 the Upjohn Company and McKesson and Robbins, Inc., were hosts at a luncheon, and on Saturday evening, December 29, Mu Omicron Pi Chapter and the Detroit Graduate Chapter were hosts to those in attendance at the SEVENTY-SECOND ANNIVERSARY DINNER.

So many important events occurred during the three days that the convention was in session that it is difficult to mention all of them. Grand Ritualist Dale E. Wurster presented an excellent report which included an outline and a description of major parts of the new *Handbook for Pledges*. Constructive reports were presented by Brother Pierre F. Smith for the Scholarship Committee and Grand Counsellor James R. Thayer for the Legislative Committee. Brother Thayer also presented the changes which were recommended for the Constitution and Model By-Laws. The reports of the fifty-one chapters and five provinces, which were presented during the afternoon of the second day, were very interesting, and were considered, by many, to be one of the most valuable parts of the convention. Many of the reports were inspiring because they revealed that Kappa Psi Chapters are making real contributions on the campuses where they exist. A large number of chapters carry on excellent scholarship programs; many perform fine community or charitable services; and most of the chapters support, actively, numerous campus activities. The exemplification of the ritual or initiation by the degree team of Mu Omicron Pi Chapter, with full regalia, was an impressive feature and many expressions of appreciation for the fine work of Mu Omicron Pi Chapter were heard.

Any successful convention requires the interest and cooperation of a large number of persons and, in Detroit, many persons contributed toward the success of the Kappa Psi Convention. Thanks go to Brothers George R. Smith, James T. Joseph, Norbert J. Heidenberger, Lawrence Maletta, and a host of others who arranged for and coordinated the convention activities.

The reelection of all Grand Officers for another term is certainly a demonstration of fraternity confidence. While I am sure that each officer appreciates the honor which goes with the office, and his obligations to the fraternity, and will make every effort to promote the welfare of Kappa Psi at all times.

To each brother who was interested sufficiently to come to Detroit and participate in the Grand Council Convention of his fraternity, I express the gratitude of Alpha Chapter.

## Brothers Gather

On the evening of last December 26, and the morning of the 27, Kappa Psi members and guests from all parts of the United States began to converge by train, airplane, bus, and automobile, on the city of Detroit, Michigan. The occasion was the Twenty-Sixth National Grand Council Convention of Kappa Psi Pharmaceutical Fraternity which was to be held at the Sheraton-Cadillac (Book-Cadillac) Hotel from December 27 through the 29. By the afternoon of the first day, the largest numbers of members of our organization ever to attend such a meeting had registered and were getting acquainted with one another. This did not take very long.

As hosts, the members of the Detroit Graduate and Mu Omicron Pi Chapters were busy making the new arrivals feel at home. To each new arrival it was obvious that plans for this national get-together were well laid and that much hard work had gone into their formulation.

One can be very certain that all members and guests who attended these meetings greatly appreciate all that was done for them. Let's give a big "Thank You!" to the Detroit Brothers and their lady helpers. Those of us who were fortunate enough to be at the convention have many happy recollections of our three-day visit in Detroit.

Only at such a meeting as a National Grand Council Convention can one get a true concept of what a really great organization we have. Meeting so many others with common interests is surely a stimulating experience, and is not soon forgotten. Certainly such gatherings have contributed a great deal to the success of our fraternity. Those who attended should make a special effort to make full reports to their Brothers back home.

Even now many members are undoubtedly looking forward to the national meetings scheduled for two years hence. See you there!

---

### LOCAL PROFESSIONAL COUNCILS URGED\*

Sixty-six universities have six or more chapters of professional fraternities which are members of Professional Interfraternity Conference. These are listed in a supplement to PIC's bulletin for November and comprise part of the report of a special committee seeking the establishment of local councils of professional groups. J. D. Thomson, Delta Sigma Pi, chaired this committee.

The report shows there is a great opportunity for the formation of local professional interfraternity councils. Such councils could do much to promote the welfare of professional fraternities in their schools by providing means for joint effort in projects in which all have a common interest, such as an annual professional interfraternity dance, professional talks and programs, service to the university, exchange of data on chapter operation and problems, etc.

\* *Note:* Taken from *IRAC*, December 14, 1951.

## CONVENTION MISCELLANY

Thursday morning, December 27, 1951, was cold and sunny. Trains into Detroit, from all directions, were late.

Lots of snow in the Motor City.

The "Welcome, Kappa Psi" sign over the entrance of the Sheraton-Cadillac gave each of us a warm and homey feeling as we arrived for the convention.

Mu Omicron Pi Chapter and the Detroit Graduate Chapter certainly deserve a vote of thanks for being such fine hosts.

Brother George Smith, General Convention Chairman and his committees did an excellent job. Many thanks also to his "righthand man," Brother Larry Maletta.

The presentation of compacts to the lady guests at the time of registration certainly was a pleasing gesture.

Jim Joseph was a busy man who did much to make the convention "click."

The Parke, Davis and Company dinner on Thursday evening will long be remembered by the convention members and guests. Many thanks to Brother John MacCartney (Beta Kappa).

On Friday noon, McKesson and Robbins, Inc. and The Upjohn Company combined as perfect hosts at a luncheon for the delegates in the Italian Garden of the Sheraton-Cadillac.

One couldn't ask for a better convention hotel than the Sheraton-Cadillac. Don't you agree?

Our hats off to Brothers Gordon Fitzgerald and John Weekes of Beta Pi, who spent four days driving from Pullman, Washington. They battled "Old Man Winter" every mile of the way, and thus proved that the West still produces good men and loyal Kappa Psians.

Thanks to Mrs. Smith, Mrs. Parrish, Mrs. Joseph, Mrs. Maletta, Mrs. Waldon, Miss Russell, and all of the other Detroit ladies for their hospitality. They did much to make our visit enjoyable.

The sleigh ride at Greenfield Village, as well as the various other entertainment, will long be remembered by the lady guests.

It wasn't difficult to see that Norbert Heidenberger, Regent of Mu Omicron Pi and Collegiate Member of the Executive Committee, had plenty to keep him busy during our three days in Detroit. Thanks, Norbert.

Joe Prisk and Wayland Graziadei didn't seem to have much time for sleep either. They were really "on the go."

Two of the best sports at the convention were the newly-weds, Brother and Mrs. William Campbell. All the way from Austin, Texas.

Grand Historian Fenney led a short memorial service at the opening of the first business session on Friday, December 28. This practice should be continued in the future.

Since the 1949 National Grand Council Convention, six of our seven Provinces have held assemblies.

It was a pleasure to meet Dean and Mrs. Curtis H. Waldon. Brother Waldon has, rather recently, accepted the deanship of the school of Pharmacy at the Detroit Institute of Technology.

Reports of the various convention delegates were certainly well worth hearing. Lots of good ideas were put forth.

Everyone expected the ceiling to fall in when Brother Williams of Beta Upsilon made the "crack": "If you think I'm short, wait until you hear this report."

As usual the members of Gamma Delta and Mu Chapters turned out in force. These groups had the largest collegiate-delegate representations present.

All records for attendance at a Kappa Psi convention were broken by a total registration of 178 members.

Delegates and alternate delegates numbered 123, of which 98 were collegiate representatives.

Ninety-two of these collegiate representatives represented visiting chapters, while the remaining six were Mu Omicron delegates and alternates.

Fifty-four registered guests brought the grand total of registrants to two hundred and thirty-two.

You may be interested to know that THE MASK circulation has grown from three thousand in 1941, to more than 7,300 at the present time.

The establishing of a \$250 Research Scholarship by Alpha Chapter of Kappa Psi is certainly a step in the right direction.

Kappa Psi's total membership as of December 15, 1951, was 17,966.

Collegiate membership, as of the same date, was 1422. Watch this number grow during the next four months.

How do you like the new "lapel button"? Tell the Brothers back home about it.

May we suggest that chapter secretaries take particular care in preserving copies of THE MASK which are sent to them for use by their respective groups?

Collegiate chapters will soon have available a *Pledge Handbook* for distribution to their "neophytes."

How would you like to have a ten dollar bill for every flash bulb that was used during the convention? Wishful thinking, eh?

(Continued on page 38)

## NATIONAL HONOR ROLL SUPPLEMENT

### Secretaries and Veterans Please Read

Another supplement to the National Honor Roll will be published in *THE MASK* when sufficient names have accumulated. Names which did not appear in the roll published in July, 1948, or in the supplements of July, 1949, 1950, and 1951, should be mailed to the Editor promptly.

If you are a veteran of World War II, and your name has neither been published nor sent in for publication, ask your chapter secretary to forward it, or send it in yourself if you are an unaffiliated member. When you became a member of Kappa Psi makes no difference insofar as the Honor Roll is concerned as long as you are a veteran of World War II. *A veteran who is pledged becomes eligible for the roll only upon being initiated.*

Chapter secretaries are requested to attend to the task of submitting names for the Honor Roll, if they have not already done so. It is important that collegiate chapter affiliation, past or present, be stated whenever names are sent in for inclusion in the supplement. If you know of any brothers who lost their lives while in the service during World War II indicate this when sending in their names.

A number of names are already available. Won't you help in making the Honor Roll as nearly complete as possible? Send all names to the Editor of *THE MASK*.

# The 26th National Grand Council Convention —A Brief Report\*

The Twenty-Sixth National Grand Council Convention of Kappa Psi Pharmaceutical Fraternity took place at the Sheraton-Cadillac Hotel in Detroit, Michigan, on December 27-29, 1951. Members of Mu Omicron Pi Chapter at the Detroit Institute of Technology and the Detroit Graduate Chapter served as hosts at these meetings which marked the seventy-second anniversary of the founding of Kappa Psi. George R. Smith and Lawrence Maletta, members of the alumni group, served as general convention chairman and general co-chairman, respectively. Norbert J. Heidenberger, regent of Mu Omicron Pi, was chairman of the program committee. To these, and all others, who did so much to make the meetings a success, the entire organization owes a debt of gratitude.

Registration for this convention was the largest in the history of Kappa Psi. A total of 232 members and guests registered. Of the 178 members numbered among the registrants, 123 were official delegates and alternate delegates. Ninety-eight of the 123 were Collegiate Chapter representatives.

Grand Regent Frank H. Eby presided over the business sessions which were held on Friday and Saturday, December 28 and 29. At these times reports of the national officers, various committees, delegates of Collegiate Chapters, and Provinces were heard and other official business was carried on. In addition, Grand Officers were elected at the session held on Saturday morning, December 29. Those who are to serve for the next two years are as follows: Frank H. Eby of Temple University, Grand Regent; Louis Fischer of the University of Washington, First Grand Vice Regent; Karl J. Goldner of the University of Tennessee, Second Grand Vice Regent; Milton L. Neuroth of the Medical College of Virginia, Third Grand Vice Regent; Ray S. Kelley of the Massachusetts College of Pharmacy, Grand Secretary-Treasurer; Nicholas W. Fenney of the University of Connecticut, Grand Historian; James R. Thayer of the St. Louis College of Pharmacy and Allied Sciences, Grand Counselor; and Dale E. Wurster, University of Wisconsin, Grand Ritualist.

On the evening of Thursday, December 27, all convention registrants were the guests of Parke, Davis and Company at a dinner in the Italian Garden of the convention hotel. John A. MacCartney, Manager of the Trade Relations Department of the host company, and Dr. Graydon Walter of the scientific staff of Parke, Davis and Company, were speakers of the evening. McKesson and Robbins, Incorporated and the Upjohn Company combined as hosts at a luncheon for the members of the convention at the Sheraton-Cadillac on Friday. On Friday evening the members of Mu Omicron Pi Chapter carried out an exemplification of the ritual which was enjoyed by all. The local committees deserve special thanks for arranging a very entertaining program for the lady guests registered at this convention.

Well over two hundred members and guests enjoyed the 72nd Anniversary Banquet and Dance held in the Crystal Ballroom of the Sheraton-Cadillac Hotel on Saturday evening, December 29. During the program which followed the banquet, Maynard W. Quimby, Editor of *THE MASK* of Kappa Psi Pharmaceutical Fraternity, was presented with an engraved silver tray, a gift made possible through the efforts of Collegiate Brothers throughout the entire country. Collegiate Delegate William J. Campbell from the University of Texas made the presentation.

\* A copy of this report was also submitted for publication in *Banta's Greek Exchange*.

## REPORTS OF GRAND OFFICERS AND COMMITTEES

### Report of the Grand Regent

Frank H. Eby

It is a privilege and an honor for me to greet you on this occasion, the Twenty-Sixth Grand Council Convention of Kappa Psi Pharmaceutical Fraternity.

As most of you know, this is the first time that Kappa Psi has held a Grand Council Convention in Detroit. This is one of America's fine cities which most people associate with the manufacture of automobiles. Probably most of us associate it with one of the world's great manufacturers of fine medicinals, the Parke, Davis and Company, and I know we also think of the Detroit Institute of Technology and Wayne University with their two fine schools of pharmacy.

Although our visit will be brief, I am sure that it will be both profitable and enjoyable. You will find that the brothers of Mu Omicron Pi Chapter and the Detroit Graduate Chapter are grand hosts who have planned well for this convention. I know they have tried to make this an important fraternity event which you will long remember.

For most of you, this is your first Grand Council Convention. We want you to take an active part in the consideration of Fraternity matters so far as our limited time will permit. It is your privilege to approve or disapprove the policies of the present administration and you have the right to express your views regarding the desirable policies of the future. This is your National Convention and many of you will never attend another, therefore, make this a good one.

Two years have passed since our last Grand Council Convention. They have been critical years for our country as a result of the developments in Korea and the unstable peace which exists in the world today. Our preparedness program has made it necessary to call into the armed forces a large segment of the youth of America. Like many fraternities, we have lost some of our brothers to the armed forces but it has been fortunate that our losses have been small because of the policy of deferring qualified pharmacy students until they have completed their studies. Our losses should not be serious in the immediate future unless the world situation suddenly becomes more critical.

At the convention in Richmond in 1949 I stated that the past two years, meaning 1948 and 1949 were probably the best two years our Fraternity has ever known. Now I believe that it is correct to repeat the statement, this time for 1950 and 1951 because they too have been wonderful years for our Fraternity with many accomplishments to our credit.

We like to recall that Kappa Psi Fraternity had many trying years before it reached a position of prominence in our profession. Since our last convention our growth has been substantial and the valuable influence of our Fraternity has been extended into a number of new areas where old chapters were activated and new chapters were established.

Previous to 1941 Kappa Psi was not the well integrated national organization we know today. Following the Philadelphia National Convention in 1941, there was a period of revitalization, but this was cut short by the events of World War II when the student bodies of our schools of pharmacy were reduced to very small numbers and many of our collegiate chapters ceased to exist. The war years were critical for all fraternities but we emerged from the war with our national organization intact and our central office in good hands and in excellent order. Our development from this point has been so well chronicled in *THE MASK* that I need not review it further at this time. I do want all of you to know that our amazing growth could not have been possible without the loyal co-operation of hundreds of brothers in every section of the country. The national officers appreciate the loyalty of our members and regard it as one of our finest assets. We know that we can not continue to grow and prosper without it.

Although most of our activities have been reported in *THE MASK* from time to time, some of them merit our attention on this occasion. I trust that all of you will understand that the omission of some activities and the names of some of the brothers who participated in these activities, is not an oversight or a lack of appreciation of their importance—we simply want to keep this report as brief as possible.

#### CHAPTER VISITATIONS

We have continued the policy of visiting chapters as far as this has been possible and reports of all visits have appeared in *THE MASK*. With the exception of several chapters in the mid-west, all were visited during the last two year period. The Grand Regent has had to call on some of the other grand officers for assistance in making visits since we are now established in thirty-four states and the District of Columbia. Their help has been very valuable and I believe it has been a good influence in the Fraternity.

#### PROVINCE ASSEMBLIES

Since our last National Convention, six of the seven provinces have held assemblies which is our finest record for this activity. While province assemblies are short and may involve considerable travel time and appreciable expense for some chapters, there is general agreement that these assemblies are worth while and the participating chapters derive considerable benefit from them. Those who have been responsible for making the arrangements and directing the programs for the province assemblies have performed a valuable Fraternity service. To each of the following Satraps I wish to express my appreciation and thanks for their many important contributions: Lauren R. Hanmer, Province I, Michael Bihon, Province II, John W. Schermerhorn, Province III, Earl P. Guth, Province IV, James R. Thayer, Province V and Herman C. Forslund, Province VII. While most of the provinces are well organized, there still remains the problem of better co-operation between the province officers and the chapters. I would suggest that the chapter delegates here assembled inform their chapter officers that

co-operation with the province officers and prompt attention to correspondence is necessary to insure good province assemblies.

#### NEW CHAPTERS

During the 1950-51 period three applications for chapters for new Collegiate Chapters were approved and one was not approved. As in former years we are indebted to a number of Graduate Brothers for their sincere interest and co-operation which were so valuable in organizing new chapters at George Washington University, the University of Arizona and the University of Georgia. To Brothers John W. Schermerhorn, G. Benner Kelly and Woodrow R. Byrum go our thanks for their part in directing the organization of Gamma Tau, Gamma Upsilon and Gamma Phi respectively. During the same period Gamma Gamma Chapter was reactivated at the University of Texas with the helpful assistance of Brother Henry M. Burlage and Gamma Iota Chapter was reactivated at the University of Buffalo under the guidance of Brother LeRoy Keagle. In 1951 the Graduate Chapters at San Francisco and Albany were reactivated and a charter was granted to a new and active group of brothers now known as the Akron Graduate Chapter.

#### THE MASK

One of our finest achievements during the post-war period has been the development of THE MASK into a very fine Fraternity publication under the excellent editorship of Brother Maynard W. Quimby. Most of you accept THE MASK without giving much thought to the many hours of work which Brother Quimby devotes to the preparation and organization of the material which goes into each issue. While he has had the splendid co-operation of the chapters and those who contribute special articles, it has been the scrupulous care and deep personal interest of THE MASK which has made it the valuable publication we know today. I believe THE MASK has been a major factor in the development of a good Fraternity spirit and strong national unity such as exists now in Kappa Psi. To you Brother Quimby I express the thanks of the entire Fraternity membership for your outstanding services as our editor.

#### THE PROFESSIONAL INTERFRATERNITY CONFERENCE

During the past year the Grand Regent and some of the other grand officers have participated in two very important national Fraternity events. The first of these was held in Washington, D.C., at the invitation of the Secretary of the Department of Defense on April 26. The other was held at Old Point Comfort and Williamsburg, Virginia, on November 30 and December 1. Kappa Psi was the only Fraternity represented on both occasions and it was honored at Old Point Comfort by having Brother Ray S. Kelley elected Treasurer of the Executive Committee of the Professional Interfraternity Conference, the national organization of Medical, Dental, Pharmacy, Law, Engineering, Chemistry and other recognized professional Fraternities. Through the participation of Kappa Psi Fraternity in the affairs of the Professional Interfraternity Conference our position as the leading pharmacy Fraternity has been established and the prestige of other pharmacy Fraternities and the profession in general has been enhanced. We shall continue to co-operate with other Fraternities on a national basis because we believe the entire Fraternity system will benefit as a result of this co-operation.

#### THE CENTRAL OFFICE

Kappa Psi like many national fraternities owes much of its effectiveness to a well organized central office. Ten years ago when Brother Kelley accepted the duties of the office of the Grand Secretary-Treasurer, the duties of this office were simple and the activities limited. Today the responsibilities are great and there has been a tremendous increase in the volume of work. Many important services now offered by the central office were unknown a few years ago. Only because of the splendid executive ability and the willingness of our Grand Secretary-Treasurer to carry the heavy burdens of this office have we been able to continue it without a full time executive. To you Brother Kelley, I express the gratitude of the officers and every one in the Fraternity for the splendid manner in which you have administered the affairs of Kappa Psi. We are deeply indebted to you for your loyalty and devotion during the last ten years.

#### THE FUTURE OF THE FRATERNITY

Most of us who have been associated actively with Kappa Psi Fraternity during the last decade can view our achievements with considerable pride. If we view our progress critically we see many areas where substantial improvements could have been made. As we look toward the future we see a number of problems which we must face and some of these I shall consider at this time knowing also that others will be mentioned by other officers and committee members.

Any one who has observed Fraternity trends during the post-war period has certainly noted a marked change in the attitude which some fraternities now exhibit toward their responsibilities as campus organizations. As a result of the fine work of many fraternities, they have earned the respect of a number of educators who regard fraternity life, when promoted on a high level, as one of the important parts of the program of college education. Fraternity training should have much to do with a man's ideals, his loyalties, his friendships and his assumption of responsibilities. It should aid in the development of poise, good manners, courtesy and other worthy social attributes. . . . Most important of all, it should aid in his learning to live and work harmoniously with others which is really true Fraternity.

I believe that all of our chapters have made important contributions in the way of service and loyalty to the schools and colleges where they are established. I also believe that Kappa Psi has been an important influence in the lives of most of our members. Yet I feel that we could have accomplished much more for our members, our Fraternity and our profession if we could have had a more constructive program of training for our pledges over the years. This, I believe, is one of our most challenging problems and one which we will have to meet squarely in the years which lie ahead.

For some time we have recognized the fact that the lack of a good pledge program is an important weakness within our Fraternity. With this in mind the Executive Committee approved the preparation of a Handbook for pledges at its 1950 meeting. This is the first step in what we hope will eventually result in a sound program of training for our pledges. The first draft of the Handbook will be presented by Grand Ritualist Wurster at this convention. I trust that you will give it your approval and that it can be published in the very near future.

Another activity which I regard as being very important to our Fraternity is a sound, active scholarship program which will have the full support of each chapter. A new scholarship program was activated last year by Chairman Pierre F. Smith of the National Scholarship Committee. In his report Chairman Smith will show that many chapters give major attention to this activity. I feel that every chapter should establish a scholarship program within the means of the chapter but that graduate members should be requested to participate and where possible, make contributions toward the success of this important activity.

In my newsletter last September I urged all chapters to place high on the list of activities for the year, some community service or charitable activity. I made this suggestion knowing that Fraternity members working as a unit can frequently perform a fine service that is really important to those who have suffered some misfortune or who are generally less fortunate than we are. I know that each participating member can derive great personal satisfaction from a service of this kind. If your chapter has not given serious consideration to this matter will you suggest to the members of your chapter when you return home that this is one important way to show what fine people Fraternity members really are and what Fraternity actually means. Activities of this type have tremendous value in building Fraternity good will in the college community.

My report of 1949 stressed the importance of secrecy so far as it relates to Fraternity and more especially, chapter matters. Let me again remind each of you of your personal responsibility in not discussing Fraternity matters of any kind with any one outside of the Fraternity. Disregard of this responsibility may cause irreparable damage to your chapter and to Fraternities in general.

In closing this report, I want all of you to know that I appreciate the splendid co-operation of every one who, in any way, contributed toward the success of the Fraternity during the time I have served as your Grand Regent.

To the Grand Officers and the Chapter Officers, on whom so much of the success of the Fraternity depends, I express my appreciation.

To the Grand Council Deputies and the Faculty Advisors, whose guidance and encouragement have maintained stability and good chapter spirit and whose wise counsel and advice have helped to mold and develop the character of the individual members, I am thankful.

To the Province Satraps, other Province officers and Chairmen of important committees, I appreciate the part you have played in the development and expansion of many important phases of our national organization.

To our gracious hosts Mu Omicron Pi Chapter, the Detroit Graduate Chapter, the Parke Davis and Company and all those who contributed in any way toward making this convention successful, we express our thanks.

And to all of the brothers who made it possible for me to serve as your Grand Regent, I appreciate the honor and I am deeply indebted to you because it has been a wonderful experience working with so many fine people in such a wonderful organization as the Kappa Psi Pharmaceutical Fraternity.

## Report of the First Grand Vice Regent

Louis Fischer

### *Brothers of Kappa Psi Pharmaceutical Fraternity:*

I consider it an honor to have served Kappa Psi as First Grand Vice Regent during the past two years and to attend this, my second National Grand Council Convention. I am sure that you will find, in our short sojourn here, the true Kappa Psi Fraternal spirit which has molded and built this great Fraternity of ours. These gatherings, as those in the past, will inspire each of us to higher achievements in our profession and in our Fraternity.

As Supervising Grand Officer of Province VII, which comprises the states Arizona, California, Montana, New Mexico, Oregon, and Washington, I am pleased to report that enthusiasm and fine fraternal spirit excels in both Collegiate and Graduate Chapters. Province VII held its biennial meeting on May 5, 1951 at Pocatello, Idaho. Our Satrap, Brother Herman C. Forslund arranged an excellent program, a part of which was the movies of the last National Convention held at Richmond. Tentative cities selected for the next meeting were Portland, Salt Lake, or San Francisco.

During the past year, it was my privilege to visit all the undergraduate and graduate Kappa Psi chapters in this province. In brief, I would like to report that the Collegiate Chapters, namely: Gamma Upsilon (Arizona), Beta Gamma (California), Gamma Eta (Montana), Gamma Rho (New Mexico), Beta Zeta (Oregon State College), Beta Pi (Washington State College), and Beta Omicron (Washington) are fully imbued with fraternal spirit and actively engaged in promoting school activities. Three detailed reports of chapter visitations were previously submitted to our National headquarters, one of which appeared in the July issue of THE MASK. I wish to congratulate again each Chapter for its unselfish devotion to its school and profession.

The three graduate chapters in Province VII, Portland, San Francisco, and Seattle, are to be commended for their support and cooperation with the collegiate chapters in their immediate vicinity. Brothers of the San Francisco Graduate Chapter performed a noble deed in raising a trust fund enabling Beta Gamma to have a house for its members. It gave me great satisfaction to be present for the formal

opening on May 15, 1951. The graduate brothers of the Seattle chapter have been most helpful in assisting Beta Omicron in staging a raffle and theatre party. Excellent cooperation in such instances are most appreciated by the Collegiate members.

In conclusion, I wish to express my appreciation to Brother Forslund, Satrap of Province VII for arranging the provincial meeting; to Brothers Eby and Kelley for their fine inspirational spirit and helpful suggestions, and to all others, too numerous to mention for their contributions in making these past two years most pleasant and productive.

Finally, to the brothers east of the Rockies, I can assure you, the true, loyal fraternal spirit of Kappa Psi flourishes in the West from the Canadian to the Mexican border.

---

## Report of the Third Grand Vice Regent\*

Milton L. Neuroth

The constitution provides in Article XVII, section 4, that it shall be the duty of the Grand Vice Regents to discharge all duties as their superior officer may delegate to them.

When this office was assumed after the Convention held in Richmond, Virginia, two years ago, there was some concern as to how many duties were associated with the position. Since that time it has been made amply clear that the efficiency of the Grand Regent, Dr. Frank Eby, and the Grand Secretary-Treasurer, Dr. Ray Kelley, leaves few responsibilities for other officers of Alpha Chapter. However, every effort was made to contribute and to cooperate in the work of the Grand Council.

On December 4, 1950, the Third Grand Vice-Regent traveled to Charleston, South Carolina, to attend the Province III Assembly. We participated in the discussion and adoption of a Constitution and a set of by-laws for the Province. An address was delivered to the Convention by the Vice Regent on the topic of "The Professional Fraternity." Also, your Grand Officer reported to the Assembly briefly on the status of the fraternity from information furnished by the Grand Secretary-Treasurer and Grand Regent.

On April 9-10, 1951, the Third Grand Vice Regent was the guest of Mu Chapter and its graduate chapter at the Massachusetts College of Pharmacy, Boston, Massachusetts. The event was the annual banquet and smoker of the two groups. Your Vice Regent was a speaker for that occasion. It was a delightful experience and your officer was privileged to enjoy a nice visit with Dean Newton, who although a member of another pharmaceutical fraternity, attended the Kappa Psi banquet and took part in the program for the evening. Dr. Younken, Dr. Quimby, Dr. Kelley, and other members of Grand Council were present.

A Special privilege was accorded your Third Vice Regent when he was selected to serve as one of three delegates from Kappa Psi to the Professional Interfraternity Conference Biennial Convention at Hotel Chamberlain, Old Point Comfort, Virginia, on November 30, and December 1, 1951. Your representative served on Committee No. 6, Local Professional Interfraternity Councils.

Further highlights of the Convention were the joint meetings of the National Interfraternity Conference with the National Panhellenic Conference, the Interfraternity Panhellenic Council and the Interfraternity Research and Advisory Council. The theme running through the program of all groups was better public relations and Thanksgiving or sacrifices for freedom. The potential power of the fraternity to support the American way of life with its freedoms was emphasized by several speakers for the groups represented.

It was the pleasure of this office to correspond with the several new chapters as they were installed. Congratulations and good wishes were forwarded in each case. Correspondence other than this was negligible, but some exchange of letters was necessary with the Secretary-Treasurer and Grand Regent from time to time.

This constitutes the extent of official duties performed by the office of Third Grand Vice Regent. Without reservation I wish to express my sincere appreciation for the privilege to serve you.

---

## Report of the Grand Secretary-Treasurer

Ray S. Kelley

*Brothers of Kappa Psi:*

The report of the secretary or the treasurer of an organization is both dry and lengthy. When a single report covers the activities of a secretary and treasurer you should prepare yourself for the worst. This report will be as dry as the Sahara and ten years long, which makes it even worse than the anticipated worst. When you return to your chapter and are asked, "What did the Grand Secretary-Treasurer talk about," you can truthfully reply, "He didn't say."

In my office there is a picture of a Kappa Psi group. This picture was taken in April of 1920. Everyone in the picture is in formal dress and gathered around the banquet tables. One observes three people seated near the center of that room, each relaxed and with his head resting against a large square post. This was during the prohibition era and thus you may be certain that such relaxation could have been enjoyed only during the presentation of a report by a secretary-treasurer. Let me tell you what those three brothers of Kappa Psi are doing thirty-one years later. One is a member of the Board of Pharmacy of the State of Maine, the second is the secretary of the Pharmacy Commission of the Commonwealth of Massachusetts, and the third member of that trio stands here before you. Therefore, we suggest that you relax during the presentation of this report and see what it gets you thirty-one years later.

\* Report read by Norbert J. Heidenberger, Collegiate Member of Executive Committee.

Many of the items that we will discuss with you have already been reported in THE MASK, but we feel that they are worthy of more detailed discussion. Other material embodied in this report is of a nature that requires action by you, the members of the Grand Council.

The main topics to be considered are, Membership; Finances; The Professional Interfraternity Conference; Chapter and Province By-Laws; Reports from Chapters and Provinces; The Ritual; THE MASK; and The Constitution.

*Membership.* We of Kappa Psi may well be proud of the size and quality of our membership. By referring to the mimeographed page concerning membership you will note certain facts. (See table entitled "Membership") 1. The first number given, 12,395, is the membership reported in THE MASK of July, 1940. By checking the lists of members reported by the individual chapters we feel that this total is reasonably correct. 2. The number of initiates from 1941 to June 30, 1946 was relatively small. The reason is obvious if you will recall that it was during those years we had college enrollments near

## MEMBERSHIP TABLE

## Maximum Collegiate Membership

1946-1947	1050
1947-1948	1569
1948-1949	1852
1949-1950	2136
1950-1951	2032
Present, Dec. 15, 1951	1422

the vanishing point due to World War II. At one time during those years our total collegiate membership was 73. It was only through the interest and devotion of the few who would not permit their chapters to become totally inactive, that Kappa Psi was able to continue its work. 3. The increase in membership, 4,381 since July, 1946, has been phenomenal. 24.4 per cent of our entire membership was initiated during the five year period from 1946 to December, 1951. 4. The maximum collegiate membership is given for each year since 1946. Prior to that date, collegiate membership changed so rapidly that any kind of an accurate record was impossible to obtain.

All of us should be and are proud of our increased numbers. We are equally proud of the high calibre of our members. Upon you, the representatives of our forty-four Collegiate Chapter, falls the responsibility of our continued healthy growth. We ask that you carefully examine the qualifications of every potential member and insist upon scholastic ability and high moral standards. Choose each member as you would choose a life-long companion of whom you may always be proud. All proposals for membership must be made without the candidate having been approached on the subject of joining Kappa Psi. Only by proceeding in this manner will you have complete freedom of choice and make certain that the members of your chapter will work together as a homogenous group. On your Campus Kappa Psi is judged by the activities of your chapter and your chapter is judged by the example and actions of your weakest member. Kappa Psi is a voluntary association and thus, membership in our organization, is a privilege extended to an individual and not a right which any individual may demand for himself. The choice of members is your responsibility and that responsibility cannot be taken lightly.

*Finances.* Your Grand Secretary-Treasurer mailed to the secretary of each chapter an audited report showing receipts and expenditures from July first to June thirtieth. This procedure has been followed annually since 1942. The report of finances which you have received shows our financial standing as of December 15, 1951. We have indicated the sum to be refunded to the chapters from the Convention Fund and the total assets remaining after the payment of this refund. You may question the small sum of deposit in the Life MASK Fund. Until 1938 the payment of ten dollars as a part of the Initiation Fee of twelve dollars, entitled the member to a Life MASK Subscription. After September 1938 the Initiation Fee of twelve dollars, provided for a ten year subscription to THE MASK. After this ten year period, the member was notified of the expiration of his subscription and he was advised of the cost of subscription renewal. (\$3.00 for 1 year or \$15.00 for a Life Subscription). When the Life Subscription was paid the money was deposited in this special fund. The small number of new members

during the period from 1938 to 1941 is responsible, to a great extent, for the small sum on deposit in this fund. It seems certain that the fund will rapidly increase after 1956 for it is from that date that many of the 10-year MASK subscriptions will expire. The Reserve Fund was established in 1946-1947. It speaks for itself. At a later date some definite plan should be formulated for the annual use of a portion of this fund.

We have given a financial summary of the past ten years. Our receipts are derived from initiation fees, per capita payments, Graduate Chapter fees, royalty from sales of jewelry, chapter supplies and MASK subscriptions. All royalty receipts are added to the Reserve Fund. One-third of all per capita payments are deposited in the Convention Fund. Our expenditures are for chapter visitations and committee meetings, stenographic assistance, the publication of THE MASK, postage, telephone, membership certificates, chapter and office supplies, and scholarship keys. The major expense is for three of the above items, namely, chapter visitations, THE MASK, and stenographic assistance. We feel that these three items of expense are very necessary. We hope that you agree with us.

#### THE PROFESSIONAL INTERFRATERNITY CONFERENCE

was organized in Washington, D.C. on March 2, 1928. The purpose of the Conference is to discuss questions of common interest. Its function is advisory and its aims are to encourage high scholarship, professional research, advancement of professional ethics, and the promotion of a spirit of amity among the professional fraternities in the advancement of fraternity ideals. The annual membership fee is thirty dollars. Meetings of the conferences are held biennially. The most recent meeting of PIC was held at Old Point Comfort, Virginia from November 30 to December 1, 1951. A report of this meeting will be published in THE MASK.

Four conferences, the National Interfraternity Conference, the Professional Interfraternity Conference, the National Panhellenic Conference, and the Professional Panhellenic Association have united to form the Interfraternity Research and Advisory Council (IRAC). The purpose of this organization is to promote and coordinate interfraternity public relations in those situations in which the four member organizations have a common interest. Member fraternities of the PIC are asked to contribute seventy-five cents per collegiate chapter toward the support of IRAC. The members of the Executive Committee have authorized our support of IRAC.

Within the next year you will hear of the Institute Committee of IRAC. This committee plans to institute a public relations program through a tax exempt foundation to be known as the National Interfraternity Foundation. It was felt that all fraternities should be interested enough in a public relations program to donate space in three issues of their individual publications each year. If this space was made available, a week during the latter part of April or the early part of May each year could be designated as "National Interfraternity Week." The Foundation will furnish the material for publication. Your Secretary-Treasurer recommends our participation in this project and asks that this recommendation be considered as a part of the report of the Legislative Committee.

*Chapter and Province By-Laws.* If your chapter has not submitted by-laws for approval by the Legislative Committee, it should submit such by-laws at once. Three typed copies, double spaced, should be sent to the Central Office for distribution to the Legislative Committee.

*Reports from Chapters and Provinces.* Each collegiate chapter secretary is asked to send four reports (list of officers and list of members) to the Central Office during each academic year. Each collegiate chapter treasurer is requested to send a report to the Central Office on or before the 15th of each month. The excellent response to these requests is really appreciated. We are not happy at the non-receipt of reports from the secretaries of our Graduate Chapters. The names of your officers cannot be known to us except through a report or a letter from the secretary of the Graduate Chapter. Reports of Province Conventions are slow in reaching us. We are confident that we will have full cooperation from these two groups.

*The Ritual.* The revised Ritual has been published and copies sent to the Regent of each collegiate Chapter. The next time a Grand Officer visits your chapter he will ask to see your "degree team" in action and he will be interested in your plans for the purchase of Regalia. Brothers Ralph Clark and Dale Wurster deserve our sincere thanks for their excellent work in preparing this revision of the Ritual.

THE MASK. Brother Quimby has performed miracles with THE MASK. You have only to compare THE

TABLE SHOWING COST OF THE MASK

Year	Total Copies	Average No. Pages	Average Cost per Issue	Average Cost per Copy	Average Cost 10 Pages
1942	12150	24	\$ 177.84	\$0.0587	\$0.025
1943	12368	29	208.54	0.0674	0.024
1944	13450	24	211.77	0.0629	0.026
1945	13591	21	187.46	0.055	0.026
1946	14710	29	307.28	0.84	0.029
1947	16675	42	498.88	0.119	0.029
1948	19725	59	879.75	0.179	0.031
1949	22775	58	1,201.93	0.21	0.037
1950	25650	57	1,332.09	0.21	0.037
1951	28675	50	1,325.43	0.184	0.038

Note: Costs given are for printing and mailing only. Cost of preparing copy, editing, and correction of subscription mailing list is not included.

MASK of 1946 with recent copies of our magazine to understand the full meaning of this statement. We appreciate his excellent work.

The mimeographed page concerning THE MASK is in your hands. (See table concerning cost of THE MASK.) Please examine the figures given. Total copies, 136 per cent increase over 1942; number of pages, 108 per cent increase; cost per issue, 645 per cent increase; cost per copy, 213 per cent increase; cost of 10 pages, 52 per cent increase. These figures represent printing and mailing costs, and do not include the cost of copy, editing or mailing list changes. When all costs are considered, it is perfectly obvious that the present Initiation Fee is not sufficient to cover the cost of the membership certificate and the ten-year MASK Subscription. We do not want to decrease the size or impair the fine quality of our publication. Your GST feels it would be unwise to discontinue the ten-year paid subscription for each new member. There seems to be one solution and that is to increase the Initiation Fee by approximately 50 per cent. It is, therefore, suggested that our present Initiation Fee of twelve dollars be increased to seventeen dollars. This increase to become effective July 1, 1952.

Two copies of THE MASK are sent to the secretary of each collegiate chapter. The Constitution, Art. XXI, Sec. 4, par. 172 states, "Collegiate Chapters shall keep, on file, a copy of each number of the magazine furnished, and it shall have each complete volume suitably bound and preserved as the permanent property of the chapter." The cost of such procedure is very little and, by having bound copies available, each chapter will have a complete history of its activities.

Approximately three per cent of each issue of THE MASK is returned to us because of "Moved, left no address." Except in the case of death, you must know your own mailing address. Our thanks to the many who do take the moment necessary to send us a "change of address" card. These address changes should be sent to the Central Office, and please print or type the name and address.

*The Constitution.* The last revision of our constitution was authorized by the Grand Council in 1947, and published in 1948. The present edition is nearly exhausted. This convention should authorize a new edition of the Constitution and should embody, in this edition, usual changes which seem necessary and proper. Among these changes the following are suggested by your Secretary-Treasurer:

Art. I, Sect. 2.—Change entire Section to read: "The objects of this body are to conduct a fraternal organization for the mutual benefit of the members; to advance the profession of Pharmacy, educationally, fraternally, and socially; to inculcate industry, sobriety, fellowship and high ideals; and to foster high scholarship and pharmaceutical research."

Art. III, Sect. 1, par. 7.—Change last sentence to read: "In the case of Honorary members no portion of the Ritual shall be used, but in all other cases the provisions of the Ritual of Initiation must be met."

Art. VII, Sect. 1.—Change first sentence to read: "Each Collegiate Member shall pay a Grand Council Initiation Fee of seventeen dollars (\$17.00)," etc. Sec. 2.—Change the Grand Council Initiation Fee from twelve to seventeen dollars.

Art. XII, Sec. 1.—Change to read: "Each chapter and each province shall adopt By-Laws," etc. as now stated.

Art. XV, Sec. 1, par. 105.—Change to read: "Province delegates may be elected at any regular Province Convention as provided by the approved By-Laws of the individual Province." Delete other provisions of par. 105.

Art. XV, Sec. 2.—Change to read: "The Grand Council Convention Fund shall be used to pay transportation (first-class and Pullman) expenses and the Convention Registration Fee of one admitted delegate (not a proxy)." Add as Sec. 3.—"The Grand Secretary-Treasurer shall prepare and send to the secretary of each Collegiate Chapter in good standing, a statement showing the amount of refund due that chapter. The Secretary of the Chapter shall return the completed statement to the Grand Secretary-Treasurer. Refund payments are to be mailed from the Central Office on or before the 15th of the month following the Grand Council Convention provided the completed statement has been received from the individual chapter."

Art. XIX, Sec. 2.—Change (a) to read, ". . . proportion of one delegate for every ten, or fraction thereof, undergraduate members." Change (b) ". . . proportion of one delegate for each fifteen, or fraction thereof, actual dues-paying members."

Art. XX.—Add Sec. 3a. to authorize a special Kappa Psi button bearing the Greek letters Kappa and Psi, the name, size, and shape of this button to be determined by the Executive Committee.

Art. XX, Sec. 4.—Insert the words: "after certification by the Dean or Director of the College of Pharmacy, the Grand Council shall award" etc.

Art. XXI, Sec. 4.—Delete beginning with "The Grand Secretary-Treasurer shall render etc."

The Legislative Committee should be authorized to revise model by-laws for the Chapters and the Provinces. The Legislative Committee should be authorized to make such changes in the Constitution as may be necessary to bring all portions of the Constitution in agreement with the changes voted by this Convention.

To each of the Grand Officers, the members of the Executive Committee, the Legislative Committee, the Convention Committee, all other committees, and to each of you, and the Chapter or Province which you represent, my sincere thanks for your cooperation and kindness. Chapter visitations and committee meetings have been made most enjoyable due to your hospitality and spirit of brotherhood. May we go forward together with this thought in mind, "Kappa Psi Fraternity is what I make it; may I make it better."

## Report of the Grand Historian Nicholas W. Fenney

As the Grand Historian of the oldest pharmaceutical fraternity in the United States, it is with a sense of pride and honor to be able to present this report to you Kappa Psi brothers assembled here in the

city of Detroit at our 26th Grand Council Convention and 72nd anniversary of the founding of our fraternity.

Two years ago, almost to the day, my first report as a Grand Historian was delivered in the city of Richmond, Virginia, where those of us, who were in attendance, will never forget the exacting plans, arrangements, and hospitality that was presented by the brothers of Theta Chapter. At that meeting, your Grand Historian gave a preliminary report stating that considerable research had been and was continuing to be made relative to the establishment of facts concerning the beginning and earliest history of Kappa Psi. For at least a decade I know that your Grand Officers were very much concerned over the inaccuracies of reports and the lack of material that was in our possession regarding the beginning of our fraternity. It was because of a desire to present our brothers with something concrete that at the 24th Grand Council Convention in Chicago, four years ago, you elected me for my first term as Grand Historian. This was partly influenced by the fact that since I resided in the area where Kappa Psi had been reported to have originated, it would be more expedient for me to investigate whatever records and uncover those facts that could be found.

Today, after an extensive investigation covering almost four years, your Grand Historian is able to report that as a result of this effort the most accurate history to date has been prepared and was released and printed in the April, 1951, issue of our excellent publication, *THE MASK*. In some of the future issues of *THE MASK*, it is hoped that we can publish additional miscellaneous facts as well as photographs of historical significance. Also contemplated, is the publishing of our individual chapter histories, most of which are already on hand.

I think you should know that in the compilation of the history which appeared in *THE MASK*, every available avenue of possible information or fact was investigated. In passing, the following should be mentioned as being most helpful in this endeavor:—the New Haven Historical Society, with their treasure of records and cooperative personnel; the New York Public Library, 5th avenue and 42nd street, where bound volumes of every issue of *THE MASK* since its publication in 1904, yielded most valuable information and recorded facts; the carefully inscribed records of Brother Henry J. Goekel (past-Grand Historian, past-Editor of *THE MASK*, and past-Grand Registrar); the office of the historian of the medical fraternity, Theta Kappa Psi (an outgrowth of Kappa Psi in 1924) who supplied me with information from their records; the Cheshire Academy, Cheshire, Connecticut) where the second chapter of Kappa Psi was established on Thanksgiving Day, November 30, 1879, whose present officers of administration allowed me to search through whatever records they had preserved that would be of value in establishing facts for our history; the three members of the original Hillhouse Academy chapter, which chapter was established in 1894 as the third one of Kappa Psi. These three members, Robert Smith, Joseph A. Weibel, and Oscar Erickson were most helpful in offering whatever information they could remember concerning Kappa Psi during the year of 1894 and thereabout. This report would not be complete if I failed to mention the valuable aid given me by Brother F. Burton Holt of the Connecticut Graduate Chapter and a former member of the editorial staff of *THE MASK* in 1935. Copies of correspondence to him from former Grand Secretary-Treasurer A. R. Bliss, Jr., were extremely valuable to me in this search of our history. It was Brother Holt who unearthed much in the way of Kappa Psi history at the Cheshire Academy during his years on the editorial staff of *THE MASK*.

Turning from the report of our history I should like to state a few words concerning the tape recording of the proceedings at our last Grand Council Convention in Richmond, two year ago, plus the film containing the correct ritual performance enacted by the members of Theta Chapter. These films were requested by a number of our chapters, all of whom promptly returned them to this office after their showing. Some of you will remember that these films were taken by our own Brother Stephen Zutty, who also recorded on film the proceedings of our Grand Council Convention in Chicago four years ago.

I must not fail to mention the gathering of Kappa Psi men which took place at the American Pharmaceutical Association Convention held in Buffalo last August (1951). Here, at the annual Kappa Psi Breakfast, carefully arranged by our efficient Grand Secretary-Treasurer Ray S. Kelley, was assembled the largest number of graduate members ever at one time—most of whom, as might be expected, the leaders in the A.Ph.A. To all of them, this annual A.Ph.A. Kappa Psi breakfast is one of the enjoyable meetings looked forward to each year. It is a friendly hour spent in exchanging greetings and mutual fellowship. It well signifies our unchained strength and the result of a true and worthwhile fraternity.

---

## Report of the Grand Counselor

### James R. Thayer

Before making any statements on the above topic I consulted the Constitution in the hope I could glean some ideas as to what I had contributed in that office. I found nothing to bolster my claims to activity or efficiency. The gesture was made in response to a demand for this report and the embarrassing discovery that there was little or nothing to report. As a result the report will be mercifully brief. I would classify this effort as a classic example of the practice of gaining today by having lost yesterday.

About all your Grand Counselor can claim is availability and willingness to perform the duties of the office when called upon. Perhaps the minimal nature of my services is based upon lack of need on your part—perhaps in a feeling of futility in calling on me.

In due humility may I report that your Grand Counselor has attended the meetings of Alpha Chapter. Applications for charter by two collegiate and one graduate chapter have been considered and voted upon favorably. Reactivation of three collegiate chapters has been given similar consideration. Two honorary memberships have been considered and acted upon favorably.

Possibly, but not necessarily, incident to the office, I have served as a delegate to the Professional-Interfraternity Conference, held in Chicago in March, 1950. I am currently and inefficiently serving on

a committee in that organization. As Supervising Grand Officer of Province IV, it was my pleasure to attend the convention of that province in the spring of this year. In the same category, I would list a most pleasant opportunity to talk to the members of Pi Chapter at their 1951 initiation banquet. Any one present at the post-formal activities will please speak only when spoken to.

Incidental also, might be listed my meagre efforts as chairman of the Legislative Committee. This will be padded up and serve as a basis for another report.

In conclusion may I say that I have received much, much more than I have given and that I have counseled—anyone on anything—who was foolhardy enough to stand still and listen.

## Report of the Grand Ritualist

Dale E. Wurster

Your current Grand Ritualist received official notice of his appointment to office by the Executive Committee in a letter dated August 2, 1950 from Grand Secretary-Treasurer, Ray S. Kelley. Shortly thereafter the revision of the Kappa Psi Ritual which was initiated by the previous Grand Ritualist, Ralph W. Clark was continued. A meeting was held in Cambridge, Massachusetts on August 28-29, 1950, with Grand Regent, Frank H. Eby, and Grand Secretary-Treasurer, Ray S. Kelley for the purpose of reviewing the proposed changes in the Ritual. The Ritual was rewritten and submitted for publication to the George Banta Publishing Company, Menasha, Wisconsin in September, 1950. The revised edition has now been distributed to the individual chapters of Kappa Psi Pharmaceutical Fraternity.

The next project to be undertaken was the writing of a Kappa Psi *Pledge Handbook*. Grand Regent Frank H. Eby had previously expressed a desire for such a publication and several chapters had requested a pledge handbook. A meeting of the Grand Regent, Grand Secretary-Treasurer, and Grand Ritualist was held in Chicago on June 26-27, 1951. At this meeting an outline was prepared of the subject material to be included in the handbook. This outline was submitted to the Executive Committee for approval at the November, 1951 meeting. It was also decided at this meeting that Section 1, the Declaration of Principles, would be written by the Grand Regent and, Section 2, A Brief History of Pharmacy, would be written by Dr. George Urdang, an honorary member of Kappa Psi Pharmaceutical Fraternity. The remainder of the handbook became the responsibility of the Grand Ritualist. Sections 3 through 14 were completed and submitted to the Grand Regent and the Grand Secretary-Treasurer on December 15, 1951.

The Province V Convention, which was held on October 27, 1951, in St. Louis, Missouri was attended by the Grand Ritualist who is also the supervising officer of the Province. An address entitled, "The True Meaning of the Ritual" was given at the request of Gamma Pi chapter which sponsored the convention.

## Report of the Executive Committee

The Executive Committee of Kappa Psi Pharmaceutical Fraternity convened November 3 and 4, 1950 at the Hotel Statler in Boston, Massachusetts and November 3, 1951 at the Hotel Book-Cadillac in Detroit, Michigan. Those attending the Boston meeting were Grand Regent Frank H. Eby, Grand Secretary-Treasurer Ray S. Kelley and Brothers Paul J. Cosgrave, Robert Benton and Pierre F. Smith. Those attending the Detroit meeting were Brothers Frank H. Eby, Ray S. Kelley, Norbert Heidenburg, Eugene C. Henke and Pierre F. Smith.

Reports of the Grand Regent and the Grand Secretary-Treasurer were presented and accepted at both meetings. Reports of the Scholarship Committee, Nomination Committee and reports on the Professional Interfraternity Conference, Province Meetings, Constitution, Handbook and Grand Council Convention were presented and accepted at the second meeting. All of the above-mentioned reports have been scheduled to be given in detail at this convention.

The following are the items discussed and the action taken at the first meeting in Boston.

1. Brother Kelley reported that the Professional Interfraternity Conference (PIC) had recently published a booklet, "Professional Fraternities," copies of which were distributed to the members present at this meeting. Copies are available for chapter distribution at ten cents per copy. Brother Kelley, who is a member of the Executive Committee of the PIC, urged that all chapters buy copies for distribution to their members. The Grand Secretary-Treasurer was authorized to purchase and send a copy to each chapter.

2. A pamphlet showing the work of the Interfraternity Research and Advisory Council (IRAC) was distributed to the members of the committee by Brother Kelley. IRAC is sponsored by the National Interfraternity Conference (NIC), the Professional Interfraternity Conference (PIC), the National Panhellenic Conference (NPC), and the Professional Panhellenic Association (PPA). The Professional Interfraternity Conference has asked the member fraternities of PIC to donate seventy-five cents (\$0.75) per collegiate chapter for the work of IRAC. It was duly moved, seconded and carried that, "An expense item of seventy-five cents (\$0.75) per chapter toward the support of the Interfraternity Research and Advisory Council be approved." It was also moved, seconded and carried that, "The Grand Secretary-Treasurer be authorized to make such a payment out of fraternity funds."

3. The Executive Committee approved a certificate of appreciation intended for presentation to former members of the Grand Council.

4. The resignation of Brother Ralph W. Clark as Grand Ritualist and the succession of Brother Dale E. Wurster as the same Grand Officer was announced.

5. It was moved, seconded and carried that, "Grand Ritualist Dale E. Wurster be instructed to attend to the compiling of a pledge book."

6. A bulletin outlining the position taken by Sigma Chi Fraternity on the subject of discrimination in choosing members was presented. No specific action was taken.

7. It was moved, seconded and carried that, "A committee be appointed by the Grand Regent to discuss with the Balfour Company a special certificate for graduate members of this fraternity."

8. In response to an invitation to attend a banquet honoring Brother Rudolph Raabe, Dean Emeritus, College of Pharmacy, Ohio Northern University, it was moved, seconded and carried that, "The Executive Committee now in session send a telegram to Brother Raabe in recognition of his leadership." The telegram was composed, read and forwarded by Brother Eby.

9. It was moved by Brother Kelley, seconded and carried that, "Students registered in schools or colleges of pharmacy, irrespective of course work, may be pledged and initiated into Kappa Psi. Unless such students are actually registered in the school or college of pharmacy, they are not eligible for pledging and initiation into Kappa Psi."

10. It was moved by Brother Kelley, seconded and carried that, "Each chapter be urged to include in the initiation fee a sum sufficient to cover the cost of an unjeweled badge, and further, that the Badge be purchased prior to the initiation of the candidate."

11. It was moved, seconded and carried that, "The Executive Committee express its compliments to the editor of THE MASK, Brother Maynard W. Quimby, for his outstanding services to the fraternity."

12. The functions of the Interfraternity Committee of Kappa Psi were discussed with Brother Quimby, its chairman.

13. The functions of the Scholarship Committee were discussed with Brother Smith, its chairman.

14. The committee undertook a detailed study, discussion and revision of the Ritual of Kappa Psi Fraternity. The revised edition was made ready to be sent to the printer, the final revision still being subject to the approval of the Executive Committee. Full details of this meeting were published in the November (1950) issue of THE MASK.

The main items discussed at the second meeting in Detroit were the preliminary reports of the various Grand Officers and the various standing committees which are to be presented at this Grand Council Convention. A joint meeting was held with the representatives of the Detroit Graduate Chapter to complete plans for the present convention. Full details of this meeting were published in the November (1951) issue of THE MASK.

This report is based on the reports of Brother Robert H. Benton, Secretary Pro-tem at the Boston meeting and Brother Eugene C. Henke, Secretary Pro-tem at the Detroit meeting.

Respectfully submitted,

FRANK H. EBY

RAY S. KELLEY

GEORGE H. FRATES

## Report of the Legislative Committee

James R. Thayer

I hope you will be patient with me as I become progressively confused by my meagre activities as Grand Counselor, as a member of Alpha Chapter, and as chairman of the above committee. In the past I have been frequently confused and concerned not only about what I was saying but about who I was saying it for.

To begin with, I think I should express my gratitude to, and my recognition of the intelligence and farsightedness of Grand Regent Eby in supplying me with the wit, knowledge and intelligence—none of which I possessed to the slightest degree—in the persons of Brothers Williams and Hanmer as comembers of the committee. It follows naturally, that I owe an even greater debt to these brothers who have contributed to the deliberations of the committee, far beyond my meagre efforts. I would like to have it clearly understood that whatever contributions have been made by the group, have been made by the membership of the committee and not by its chairman.

The chief activities of the Legislative Committee lie in the field of considering applications for charters, applications for reactivation of dormant chapters, consideration of proposed by-laws for chapters or provinces, amendments to existing by-laws, and a few other limited responsibilities.

It may be in order to discuss, briefly, the thinking which has regulated and guided the committee in the conduct of its duties. In the first place we have tried to eliminate any factors which were in conflict with the national Constitution; in the second place we have tried to eliminate any situations, clauses or phraseology or intent, which might subsequently prove troublesome, or give rise to difficulties of execution. Lastly we have striven to make all by-laws, etc., technically and grammatically correct. I suspect that the latter endeavor has aroused some comment, and probably a little irritation, and I would like to say a word in its justification. We realize fully that a misspelled word or a misplaced comma may seem trivial and with that we agree—it is. On the other hand, the acceptance of carelessness leads to a widening circle of vicious weaknesses. Perfection of form certainly does not guarantee worth—on the other hand disregard of it leads to increasing perversion of objectives.

I would like to outline briefly the mode of operation of your current Legislative Committee, not because we believe it is ideal but because we would like you to know that it has been democratic and unprejudiced. On receipt of matter for consideration (by-laws, charters, etc.), as chairman—which merely means I get the stuff first—I have examined the material, recorded suggestions and corrections, and sent these data, alternately, to the other members of the committee, together with copies of the matter under consideration. I have instructed the member to whom I mailed my suggestions to add his, accept or disapprove of mine, and mail this revised suggestion sheet to the third member who follows the same pro-

cedure, and then returns the twice revised sheet to me. In any area in which disagreement arose we have been guided by the majority opinion. This procedure is admittedly time-consuming, but I am not intelligent enough to formulate a better one.

Following the above procedure, we have considered and approved, since the 1949 Grand Council Convention, by-laws for Mu, Eta, Gamma Sigma, Theta, Beta Phi, and Beta Xi, and are considering those of Gamma Iota and Beta Upsilon. By-laws for Provinces I, II, III, and IV have been approved. I might insert parenthetically, that Province V is cursed by a lazy satrap or its by-laws would be under consideration. Institution of chapters at the University of Arizona, University of Georgia, George Washington University, and an Akron graduate chapter have been approved and installed. Reactivation of the following chapters has been effected: Gamma Gamma (University of Texas), and Gamma Iota (University of Buffalo). Beyond this, certain amendments of by-laws and acceptance of honorary membership have been effectuated.

In all honesty, before I started formulating this report on the activities of the Legislative Committee, I felt greatly aggrieved at the overload—now I feel like apologizing for our low productivity.

In conclusion I should like to assure my successor that, in return for a relatively small investment of time and energy, he will receive as I have, greatly disproportionate dividends of satisfaction.

---

## Report of the Scholarship Committee

### Pierre F. Smith

A Fraternity has an obligation to promote scholarship among its members to the same degree that those members are honor-bound to bring distinction to their Fraternity and, incidentally, to themselves in both professional and scholastic endeavors. In accordance with paragraph 143, Sec. 8 of the Constitution, which states that the committee's duties shall be to promote excellent scholarship and research by the members of Kappa Psi, and, if feasible, provide funds and rewards for same, the committee has undertaken the activities herein reported.

On March 21, 1951 the committee sent a form letter and a two-page enclosure to each collegiate chapter secretary and Grand Council deputy. The letter pointed to the need of a definite organized scholarship program on a chapter level in order to lend greater emphasis to the importance of high scholastic standards and to encourage the recognition of scholastic excellence among the members by presenting scholarships or other suitable awards. The two page enclosure restated the qualifications for the awarding of the Grand Council Scholarship Key and Certificate and the proper procedure for the obtaining of the Key and Certificate. It also emphasizes the obligation of each chapter's having a scholarship committee and presented possible methods for such a committee to carry out its duties.

A letter dated May 25, 1951 together with a questionnaire was sent to 43 collegiate chapter secretaries. Late mailing coupled with the earlier closing of many schools undoubtedly accounted for the return of only 16 questionnaires. It was therefore necessary to send out again 28 more questionnaires with appropriate letters dated October 18, 1951 (one set for a newly-formed chapter). Out of a total of 44 chapters contacted, 31 responded and 13 did not. It may be tacitly assumed that the 13 not responding were either in the process of organizing some scholarship programs to be reported when completed or that they were not reached by the two mailings of the questionnaire.

The following summation of data relative to the scholarship activity of the Fraternity is of necessity based upon a total of 31 replies.

1. Only five of the 31 had no local scholarship committees as required by the Constitution of the Fraternity. Of the 26 with such committees, five apparently had faculty members.

2. Thirteen chapters reported 14 members receiving Grand Council Scholarship Keys and Certificates in 1950. Only nine chapters reported 10 members receiving the same awards in 1951.

3. A total of 43 brothers were reported joining the Rho Chi Society in 1950; a total of 82 in 1951. Apparently there were 21 chapters of Kappa Psi in schools with the society and, of these, three were in schools with the society established in 1951. In the 18 schools evidently having Rho Chi in both 1950 and 1951, 11 of our chapters showed an increase in brother members; four, a decrease; and three, no change.

4. Yearly awards given by local chapters fell into four general categories; namely, keys, cash, books, and plaques, certificates or honor rolls. Twelve chapters granted a yearly total of 32 keys (jewelled badges in one case), evidently for members only. Six chapters gave a total of 10 book awards available in three cases to non-members. Three chapters sponsored a total of three book awards to both members and non-members. In the last general category, including plaques, certificates or honor rolls, two chapters sponsored a total of three awards, available in one case to non-members. A total of 13 chapters had no local scholarship program at the time of filling out the report.

5. Thirteen chapters reported definite plans for the immediate future either in initiating or augmenting scholarship programs. Of these 13, six had no current programs. References to item 4 above makes it evident that seven chapters had no definite programs either for the present or immediate future.

6. Three of the awards mentioned in item 4 were sponsored by two graduate chapters. Seven collegiate chapters reported no definite participation with nearby graduate chapters in matters scholastic. Nine collegiate chapters reported no nearby graduate chapters. Four others reported inactive or dormant graduate chapters.

A percentage presentation of some of the more pertinent data from the above is herewith included.

1. Eighty-four per cent of the reporting chapters had local scholarship committees. Of those with committees, 19 per cent had faculty members.

2. There was a decrease of 29 per cent in the total number of recipients of the Grand Council Scholarship Key and Certificate. However, 29 per cent of the chapters reporting for 1951 had members who were top men in their graduating class.

3. There was an increase of 91 per cent in the number of brothers joining the Rho Chi Society in 1951 as compared to 1950. Sixty-one per cent of the chapters in schools having Rho Chi for both 1950 and 1951 showed an increase in brother members; 22 per cent, a decrease; and 17 per cent, no change.

4. Only 58 per cent of the chapters had definite scholarship programs.

5. Forty-two per cent of the chapters had definite plans for initiating or augmenting scholarship programs. Only 46 per cent of the chapters with no programs at present were actively planning future programs.

6. Approximately 22 per cent of those collegiate chapters with nearby active graduate chapters received financial co-operation from alumni brothers in establishing scholastic awards.

The following conclusions can be drawn with the realization that they are based upon reports from 70 per cent of all collegiate chapters.

1. Outstanding scholastic ability is present in a gratifying number of individual brothers as evidenced by the increasing membership in Rho Chi and by the substantial number of brothers who were top men in their graduating classes.

2. There is a serious lack of organized effort for stimulating better scholarship in a large minority of chapters. (Such stimulation should not stem from the maintaining of a compendious file of defunct dog-eared examinations.)

3. There are too many chapters with inadequate scholarship programs at present which are not forming definite plans for improvement in the immediate future.

4. There is a very serious lack of co-operation in promotion of better scholarship between collegiate and graduate chapters geographically close.

The following recommendations are made in the belief that the encouraging of better scholarship will benefit the entire Fraternity and each individual brother.

1. It is recommended that all collegiate regents appoint active scholarship committees in conformance with the Constitution and that these committees initiate or augment local scholarship programs, preferably in co-operation with graduate chapters, if geographically possible. Faculty membership on such committees is not absolutely necessary in that the Grand Council deputies or faculty advisers are normally expected to advise their collegiate brothers on such matters.

2. It is recommended that a strong de-emphasis be placed on the accumulation of examination files as a means of bettering scholarship. Such academic crutches present at the very best a minor method of review, far inferior to the help which very competent student members should be willing to offer to those of their brothers in need of aid in studying.

3. It is recommended that local committees consider the Asklepeis key as an award for scholastic proficiency.

4. It is recommended that the local chapters make such awards at honor assemblies or at Fraternity banquets. It is desirable that sufficient publicity attend such occasions.

5. It is recommended that those chapters, financially able, sponsor one or two prizes available to both members and non-members. Such prizes, which should not be official Kappa Psi jewelry, can consist of books, cash, scrolls or plaques.

6. It is recommended that graduate chapters underwrite at least one yearly award.

7. It is recommended that chapter historians include in their reports a yearly summary of all Kappa Psi awards, scholarships, and honors; winners and sponsors.

8. It is recommended that the Alpha Chapter establish a biennial prize of \$250 to be awarded to a graduate member (not facultate or honorary) who publishes an outstanding piece of research pursuant to a master's or doctor's degree in the field of Pharmacy, Pharmaceutical Chemistry, Pharmaceutical Administration, Pharmacology, Pharmacognosy, or Bacteriology.

The Fraternity is in the very fortunate position of having many members who are doing an excellent job of promoting and achieving good scholarship. They serve to set the example for all members, be they collegiate, graduate or facultate. It is felt that the future security of the Fraternity can be assured in large measure by an increasing encouragement of the innate scholarship of its members.

Respectfully submitted,

ROY A. BOWERS  
EDWARD P. CLAU  
AUSTIN A. DODGE  
EARL P. GUTH  
PIERRE F. SMITH, *Chairman*

## Report of the Extension Committee

George H. Frates

Gamma Tau Chapter of Kappa Psi installed on February 10, 1950 at the George Washington University, School of Pharmacy, in Washington, D.C., is rapidly rounding into a most energetic and useful Chapter. The collegians are making themselves felt in the overall campus activities.

Installation of Gamma Epsilon Chapter at the University of Arizona, March, 1950, represents another star in the firmament of Kappa Psi. The heritage that belongs to the University of Arizona reflects its pedigree in the School of Pharmacy. This link in the Kappa Psi chain should portend virile stock, pioneer courage and basic Americanism.

In May, 1951, at the University of Georgia, fifty-nine members were inducted into a new Chapter, Gamma Phi. We sent the following message to Gamma Phi.

"Although an infant, your heredity is steeped in the traditional and ancient art of the apothecary.

Your conduct, scholastic standing and leadership, individually and collectively, will affect the blueprint of ethics, guarded and held in high esteem by your Brothers throughout the Nation.

Time marches on—so does Kappa Psi."

We turn now to my own Chapter, Beta Gamma, at the University of California, College of Pharmacy. After being dormant for a number of years the Alumni Chapter decided to do something about it—result, we now have an up and coming group of youngsters who have captured the top-flight offices in the student body and at the same time they are leading the pack scholastically.

The Kappa Psi Alumni Association of Beta Gamma, not content to let the situation stagnate, collected over \$3,500 in cash from the Alumni and leased a beautiful home for the collegians. The new Fraternity House was dedicated May 15, 1951. Over 40 Alumni were present to join with the 50 active members in an evening of good fellowship and fraternal spirit.

First Grand Vice Regent Brother Louis Fischer, University of Washington, delivered a most interesting talk to the group on Kappa Psi. He stated that there is seldom found a Graduate Chapter giving the type of counsel, support and good will which was extended to Beta Gamma. He was amazed to learn that out of about 313 Alumni, 101 contributed to the Trust Fund. The Alumni have also started a scholarship gift fund to be awarded to the top scholastic man. Reports have it that the House is beautifully furnished. With this we are enclosing pamphlets for your review.

This brief summary does not by any means cover the vast activities of Kappa Psi. No doubt Brothers Eby and Kelley will bring you up to date from a national viewpoint. It is with a degree of regret that the writer cannot be with you in person for the Grand Council Meeting in Detroit.

Pressing duties here in the District of Columbia preclude my attendance. However, this opportunity is taken to wish you and yours an abundance of health, contentment and happiness during the Christmas Season and the years to follow.

---

### Report of the Editor of "The Mask"

Maynard W. Quimby

Twenty-one issues of THE MASK of Kappa Psi Pharmaceutical Fraternity have been published since this writer assumed the editorship in November of 1946. These consist of a total of one thousand and ninety-two pages. The eight issues, constituting volumes XLVII and XLVIII, which have appeared since the last Grand Council Convention contain a total of four hundred and twenty-eight (428) pages, two hundred and twenty-eight (228) for 1950 and two hundred (200) for the current year (1951).

At the present time more than seventy-three hundred (7300) copies of each issue of THE MASK are being mailed to Kappa Psi members in many parts of the world. It is interesting to compare this figure with that of 1941 when the circulation for each issue was approximately three thousand (3000).

It is sincerely hoped that the future will prove that the material appearing in THE MASK at present constitutes an accurate historical record of Kappa Psi. In my opinion this should be one of the primary functions of a Fraternity publication. If one assumes that this is true the importance of accuracy and completeness in the information published can hardly be over-emphasized. Those members who have occasion to furnish copy for publication in THE MASK are requested to use the utmost care in preparing such material. You well realize that the Editor often has no means of checking the correctness of information supplied for publication.

It is fully expected that the fine co-operation which has been given this writer during the past five years will continue in the future. Grateful thanks are due the many members who have contributed such well prepared material.

Second and third supplements of the National Honor Roll appeared in the July issues of THE MASK in 1950 and 1951. The number of names thereby reached a total of well over twenty-eight hundred. All Kappa Psi men who are veterans of World War II are eligible for inclusion. Whether a member joined the Fraternity before entering the service or after being discharged makes no difference. When a sufficient number of names accumulate another supplement will be published. All members of Kappa Psi are requested to aid us in making this roll more nearly complete.

---

### Report of the Interfraternity Committee

Maynard W. Quimby

The Constitution of Kappa Psi Pharmaceutical Fraternity indicates that the duties of the Interfraternity Committee "shall be to promote a friendly and co-operative spirit between Kappa Psi Pharmaceutical Fraternity and other fraternities, to act with other similar committees or bodies from other fraternities in movements to advance the interests of Greek Letter Societies, to act as agent, intermediary, or ambassador between the Kappa Psi Pharmaceutical Fraternity and other fraternities, and to perform any other similar functions that may be requested of them by the Grand Regent and the Grand Council."

This committee takes pride in stating that past events definitely indicate that Kappa Psi stands ready to co-operate to the fullest extent with other organizations in matters of mutual concern. Such has been the case in the past, and there seems to be no reason why this policy will not continue in the future. The fullest co-operation between organizations in related professional fields can be of the utmost importance not only to the groups concerned, but also to the entire profession which the groups represent. We respectfully request that all Kappa Psi men, as well as the chapters of which they are a part, continue their policy of promoting interorganizational harmony. Nothing can possibly be gained by acting otherwise.

Kappa Psi is proud to be one of the two pharmaceutical fraternities holding membership in the Professional Interfraternity Conference. Representatives of our organization take an active part in the affairs of this large interprofessional group. Grand Regent Frank H. Eby, Grand Counselor James R. Thayer, and Brother Jack C. Mitchell, then a student member of the Executive Committee, represented Kappa Psi at the 14th Biennial Meeting of the Professional Interfraternity Conference held at the Hotel Sherman in Chicago on March 29, 1950. At that meeting Grand Secretary-Treasurer Ray S. Kelley was elected to the Executive Committee of the P.I.C. At the 15th Biennial Meeting of the Conference, held about one month ago (November 30 and December 1, 1951), Grand Regent Eby, Grand Secretary-Treasurer Kelley, and Third Grand Vice Regent Milton L. Neuroth represented Kappa Psi. This meeting was held in conjunction with the Interfraternity Research and Advisory Council (IRAC) at Old Point Comfort and Williamsburg, Virginia. The various interorganizational groups which constitute IRAC are the Professional Interfraternity Conference, the National Interfraternity Conference, the National Panhellenic Conference, and the Professional Panhellenic Association. At this recent meeting of the P.I.C. Brother Kelley was elected its treasurer.

In closing this biennial report the members of the Interfraternity Committee wish to state that they feel that the members of our organization should be very proud of the high position that Kappa Psi has obtained among the Greek letter societies of the country.

## Report of the Nominations Committee

William E. Hassan, Jr.

As directed by the Constitution of Kappa Psi Pharmaceutical Fraternity the Grand Secretary-Treasurer informed all active Collegiate and Graduate Chapters that the Nominations Committee was prepared to receive nominations for Grand Officers to be voted upon at the National Grand Council Convention of December, 1951.

Forty-two members were duly nominated by twenty-nine chapters which returned lists of nominees to the Grand Secretary-Treasurer. A complete list of these nominees was published in the November, 1951 issue of THE MASK. A mimeographed list is being made available to all of the delegates at this, the 26th National Grand Council Convention of our organization.

After all nominations had been tabulated the Nominations Committee requested that the Grand Secretary-Treasurer inform all of the nominees of the offices for which they had been named. It was also requested that each nominee answer the following three questions and return a signed questionnaire to the committee chairman. The questions asked of each nominee were:

1. Do you accept the nomination for the office or offices stated in the enclosed letter?
2. If nominated for more than one office, do you have a preference?

3. If elected a Grand Officer by the Grand Council, will your regular work permit you to give some time to the Fraternity for chapter visitations, meetings of Alpha Chapter, and other duties of your office as indicated in Article XVII of our Constitution?

This was done to make it easier for the Committee to select the proposed candidates which are being submitted to the delegates of this convention on the official ballot.

Forty of the forty-two members who had been nominated by the various chapters returned their completed questionnaires to the Nominations Committee Chairman. The results obtained from these questionnaires were tabulated and sent to the other two members of the committee, namely Charles C. Rabe of the St. Louis College of Pharmacy and Allied Sciences and Herman C. Forslund of the Oregon State College School of Pharmacy. Brothers Rabe and Forslund were asked to select two candidates for each of the eight Grand Offices wherever possible, and to send their selections to the Chairman who had also made a similar selection.

The official ballot which is being presented to the delegates of this convention today bears the names selected from the lists proposed by the committee members. Wherever possible at least two candidates for each office have been included on the ballot. However it was determined by means of the above mentioned questionnaire that all except one nominee for Grand Secretary-Treasurer wished to withdraw their names as possible candidates for this office. It will be noted that a blank space has been provided on the ballot following the name of each office. This will enable a delegate to vote, if he so desires, for any other properly selected nominee.

The members of the Nominations Committee have given long and careful study to the selection of the candidates, and we present this ballot to you for your consideration.

Respectfully submitted,

WILLIAM E. HASSAN, JR., *Chairman*  
HERMAN C. FORSLUND  
CHARLES C. RABE

Additional pictures of the Twenty-Sixth Grand Council Convention will appear in future numbers of "The MASK."

# The Professional Interfraternity Conference

A meeting of the Professional Interfraternity Conference (PIC) was held at Old Point Comfort, Virginia, November 30, and December 1, 1951. Members of the conference held three business sessions and considered many matters of special importance to professional fraternities. The Conference agreed to join with the other national fraternities and sororities and pledged support in promoting better public relations between the college Greek-letter societies and the public through a national foundation which is being established.

Kappa Psi Fraternity was honored at the PIC meeting by having Grand Secretary-Treasurer Ray S. Kelley elected treasurer of this conference. This is the first time any pharmacy fraternity member has been honored in this manner.

On the afternoon of December 1, representatives of the Professional Interfraternity Conference, Professional Panhellenic Association, National Interfraternity Conference, National Panhellenic Conference and the Association of College Honor Societies met in the Phi Beta Kappa Hall, College of William and Mary, Williamsburg, Virginia, to commemorate the 175th anniversary of the founding of Phi Beta Kappa, the first Greek-letter fraternity. More than five hundred national officers and leaders in the college fraternity system participated in the exercises when college fraternity men and women paused to salute Phi Beta Kappa and give thanks for the freedoms we in the United States enjoy today. In the evening, at Old Point Comfort, members of the five great national fraternity conferences joined in a "Thanksgiving for Freedom" dinner.

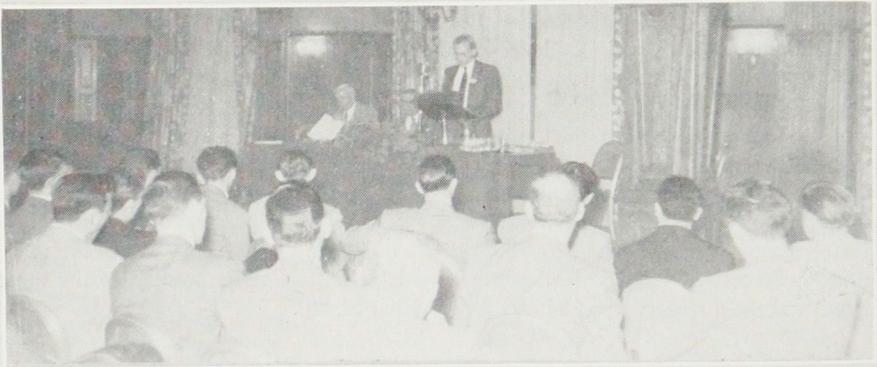

Grand Regent Frank H. Eby, Grand Vice Regent Milton L. Neuroth, and Grand Secretary-Treasurer Ray S. Kelley represented Kappa Psi Fraternity at the meeting of the PIC and the anniversary celebration at Williamsburg.

F. H. E.

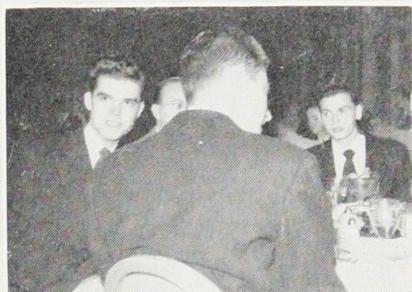

PROFESSIONAL INTERFRATERNITY CONFERENCE DELEGATES at Old Point Comfort, Virginia, November 30 and December 1, 1951—Grand Secretary-Treasurer Kelley (front row, fourth from right), Grand Regent Eby (second row, second from right), and Third Grand Vice Regent Neuroth (second row, right) represented Kappa Psi. Brother Kelley was elected treasurer of the conference.

# From the Desk of the Grand Secretary-Treasurer

Ray S. Kelley

The twenty-sixth Grand Council Convention convened and adjourned after three days of educational trips, business meetings and social gatherings. Which was the most important? We cannot answer this question because each had a definite and important place during those three days of late December. We learned of pharmaceutical manufacturing and of the history and beauty of Detroit and Greenfield Village, but we also learned of the generous hospitality of manufacturing, wholesale and retail pharmacists whose kindness made possible these educational trips. Our business sessions, which totaled 12½ hours, accomplished many fine things and these accomplishments emphasized the intense interest of the every delegate present from 39 Collegiate Chapters, 12 Graduate Chapters, 4 Provinces, 4 Committees and Alpha Chapter. The social gatherings served to bring together those from the East, West, North and South in an atmosphere of good fellowship and friendly discussion. It is possible, and very probable, that these social gatherings (hours unlimited) accomplished more than any other single portion of our program in bringing to those present a realization that ours is a truly national fraternity. Many new friendships developed and numerous problems were discussed and solved. Thus, educational trips plus business sessions plus social gatherings sum up to a most successful Convention made possible through the efforts, generosity and hospitality of our host Chapters, Mu Omicron Pi and Detroit Graduate Chapters.

\* \* \*

Several of our Brothers who are serving in the armed forces have requested that THE MASK be mailed to their *present* service address. We feel and suggest that a far better arrangement would be for your family to forward THE MASK from your permanent home address to you. Your family has your latest address, something that we cannot hope to have at the Central Office.

\* \* \*

The remainder of this message from "The Desk of the Grand Secretary-Treasurer" will report the Resolutions, changes in Constitution, and other important actions approved by the Grand Council.

## RESOLUTIONS

BE IT RESOLVED that it is the desire of this Convention to express its profound gratitude to our hosts, Mu Omicron Pi Chapter, the Detroit Graduate Chapter, Parke Davis and Company, McKesson and Robbins and the Upjohn Company for their exceedingly gracious hospitality; and be it further

RESOLVED that the Convention voice its recognition of the extremely able manner in which Mu Omicron Chapter, the Detroit Graduate Chapter and the Convention Committee handled the mechanical details of the Convention; and be it further

RESOLVED that the Convention recognize the contribution made by all the members of Active and Graduate Chapters whose support has made our presence possible; and be it further

RESOLVED that the Convention recognize the services of all members and officers who have, in any way, contributed to the success of Kappa Psi since the last Grand Council Convention; and be it further

RESOLVED that the Convention recognize the contributions made by wives of Officers and members in sacrificing their time, not only to be present at this Convention, but in almost the same measure throughout the entire year.

\* \* \*

BE IT RESOLVED that on the recommendation of the Executive Committee and in the interests of Kappa Psi Pharmaceutical Fraternity, the Central Office be authorized to support the Interfraternity Research and Advisory Council in the following manner:

(1) to contribute seventy-five cents per Collegiate Chapter per annum;

- (2) to donate space annually in three issues of THE MASK to suitably publicize the public relations program of IRAC and the National Interfraternity Foundation.

## AMENDMENTS TO THE CONSTITUTION

Art. I, Sec. 2, par. 4. Change entire section to read, "The objects of this body are to conduct a fraternal organization for the mutual benefit of the members; to advance the profession of Pharmacy, educationally, fraternally and socially; in inculcate industry, sobriety, fellowship and high ideals; and to foster high scholarship and pharmaceutical research."

Art. III, Sec. 1, par. 7. Change last sentence to read, "In the case of Honorary Membership no portion of the Ritual shall be used, but in all other cases the provisions of the Ritual of Initiation must be met."

Art. VII, Sec. 1, par. 34. Change first portion to read, "Each Collegiate Member shall pay a Grand Council Initiation Fee of seventeen dollars (\$17.00) and . . ." remainder of section unchanged. (Change effective as of July 1, 1952)

Art. VII, Sec. 2, par. 35. Change second sentence to read, "A person elected . . . is required to pay the Grand Council Initiation Fee of seventeen dollars (\$17.00)." All other portions of Section 2 to remain unchanged. (Change effective July 1, 1952)

Art. XII, Sec. 1, par. 96. Change to read, "Each Chapter and each Province shall adopt, etc." remainder of Section 1 remains unchanged.

Art. XV, Sec. 1, par. 105. Change entire paragraph to read, "Province delegates shall be elected at any regular Province Convention as provided by the approved By-Laws of the individual Province."

Art. XV, Sec. 2, par. 107. Change to read, "The Grand Council Convention Fund shall be used to pay transportation (first-class and Pullman) expenses and the Convention Registration Fee of one admitted delegate (not a proxy) from each, etc." remainder of Section 2 remains unchanged.

Art. XV, A new section (Sec. 3) to be added as follows, "The Grand Secretary-Treasurer shall prepare and send to the secretary of each Collegiate Chapter in good standing, a statement showing the amount of refund due that Chapter. The secretary of the Chapter shall return the completed statement to the Grand Secretary-Treasurer. Refund payments are to be mailed from the Central Office on or before the 15th of the month following the Grand Council Convention provided the completed statement has been received from the individual Chapter."

Art. XVIII, Sec. 1, par. 128. Add, ". . . and Scholarship Committee."

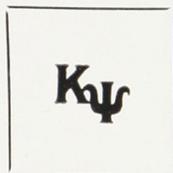

Art. XIX, Sec. 2, par. 146. Change (a) and (b) to read, "(a) delegates elected from the undergraduate members of each Collegiate Chapter in the proportion of one delegate for every ten, or fraction thereof, undergraduate members; (b) delegates elected by each Graduate Chapter in the proportion of one delegate for every fifteen, or fraction thereof, actual dues-paying members; and (c) officers of the Assembly."

Art. XX. A new section to be added to authorize a Kappa Psi "button" bearing the Greek letters, "Kappa" and "Psi" in the form of a monogram. The name, size, and shape of this button to be determined by the Executive Committee."

(Note. Executive Committee voted to designate this button as, "Kappa Psi Lapel Letters" button.)

Art. XX, Sec. 4, par. 161. Insert the following at beginning of the third sentence, "After Certification by the Dean or Director of the College of Pharmacy, the Grand Council shall award annually . . . etc." Remainder unchanged.

Art. XXI, Sec. 4, par. 170. "THE MASK shall be published at the expense of the Grand Council, and any expense over and above the receipts from its advertising pages, and subscriptions, shall be derived from the funds in the treasury of the Grand Council." Remainder of paragraph 170 deleted.

Kappa Psi  
Lapel Letters

# Answer the Call

The 1952 Red Cross fund appeal comes at a time of continuing world-wide crisis that demands a great voluntary effort on the part of everyone since military strength alone cannot solve the problems created by this crisis.

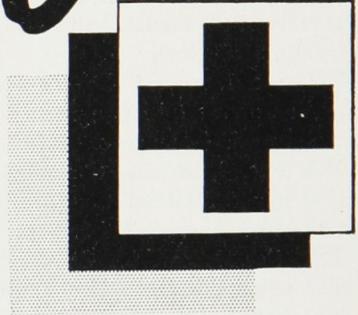

Many of us take the millions of Red Cross workers and their humanitarian activities for granted—and few of us realize the many things they do in our name each day—tasks of mercy we would perform gladly if we were at hand or if we knew the need.

Each day volunteers in towns and cities throughout the country carry on a staggering program. Blood is collected and made available to the armed forces and to civilian hospitals; able-bodied and hospitalized servicemen and women are assisted in a thousand ways; disaster sufferers receive emergency care and shelter as well as long-term rehabilitation aid.

Through less dramatic programs of service the Red Cross trains nurse's aides, home nurses, and first aiders, all of whom provide a foundation for civil defense—self-help. The Red Cross gives our children an opportunity to serve their community, nation, and world—thus preparing them for the responsibilities of citizenship. In the fields of health and safety the Red Cross stands ready to give us instruction, training, and information. Internationally, it helps to make the facilities and advantages of our country available to other countries and peoples in need.

The Red Cross has a far-reaching effect upon the life of every American, especially during these uncertain times. Let's do our part to keep the services of the Red Cross geared to meet the needs of the nation and all its citizens. Answer the call of the Red Cross today so that Red Cross can answer the call of Americans tomorrow.

SILVER TRAY PRESENTED TO MAYNARD W. QUIMBY,  
EDITOR OF THE MASK, BY THE COLLEGIATE BROTHERS  
OF KAPPA PSI PHARMACEUTICAL FRATERNITY

PRESENTATION OF THE GIFT TO BROTHER QUIMBY BY BROTHER WILLIAM  
CAMPBELL (left), AT THE ANNIVERSARY BANQUET, SHERATON-CADILLAC  
HOTEL, SATURDAY EVENING, DECEMBER 29, 1951

# Kappa Psi Fraternity Honors Maynard W. Quimby

One of the very outstanding events of the entire Twenty-Sixth Grand Council Convention of Kappa Psi Fraternity occurred at the Anniversary Banquet when a beautiful silver tray was presented to Dr. Maynard W. Quimby, Editor of *THE MASK*. The presentation was made by Brother William Campbell of Gamma Gamma Chapter, the University of Texas.

In making the presentation, Brother Campbell stated that the gift came directly from the Collegiate Brothers of the Fraternity as a token of their high regard for Brother Quimby and the splendid services he has rendered as Editor of *THE MASK*. The ovation which followed the presentation was a fine tribute to our good New England Brother and evidence of the admiration and respect for him in Kappa Psi Fraternity.

FRANK H. EBY

## Grateful Thanks!

What was probably the most complete surprise of my life occurred on the evening of December 29, 1951. When Grand Regent Eby asked me to stand before the head table, and then requested that Brother Campbell come forward, I began to wonder what was going on. Well, I soon found out when the Brother from Texas presented me with a package so heavy that I nearly let it drop. Seldom have I been at such a loss for words as I was at that moment.

Perhaps now, however, I can more fully express my thanks for the kindness which you Collegiate Brothers everywhere have shown. The engraved silver tray is really beautiful, and it will serve as a continual reminder of many pleasant associations with you Members through the medium of *THE MASK*. May these associations continue in the future as in the past. Mrs. Quimby joins me in expressing thanks for your thoughtfulness.

Faternally yours,

MAYNARD W. QUIMBY, *Editor*

---

### Convention Miscellany

*(Continued from page 5)*

One of Kappa Psi's most respected Past-Grand Officers, Brother Tom D. Rowe, Dean of the School of Pharmacy, University of Michigan, installed the Grand Officers just before the convention closed.

Thanks again to all of our Detroit Brothers and their lady assistants for their part in making our biennial meeting so successful. Wish it were possible to thank each one of you personally.

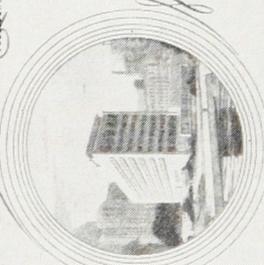

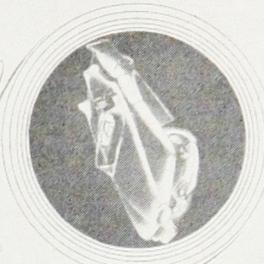

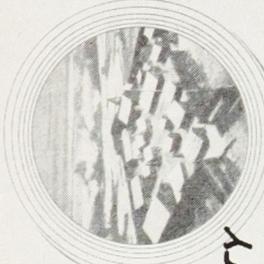

Surely hope that everyone arrived home safely. We know that you must have many pleasant recollections of the meetings. Are you making plans for the next one?

Wonder where the Twenty-Seventh Grand Council Convention of Kappa Psi Pharmaceutical Fraternity will be held?

To  
KAPPA PSI PHARMACEUTICAL FRATERNITY

**A** special memento of your convention held in Detroit in 1951, the 250<sup>th</sup> anniversary commemorating the founding of this city by the French Chevalier Antoine de La Mothe Cadillac in 1701

*Robert G. Coltrane*  
MAYOR CITY OF DETROIT

CERTIFICATE PRESENTED TO KAPPA PSI BY THE CITY OF DETROIT

## STATEMENT OF APPRECIATION

Through the medium of THE MASK, Kappa Psi wishes to express its appreciation to the numerous convention patrons who did so much to make the recent National Grand Council Convention in Detroit a success. These patrons were as follows:

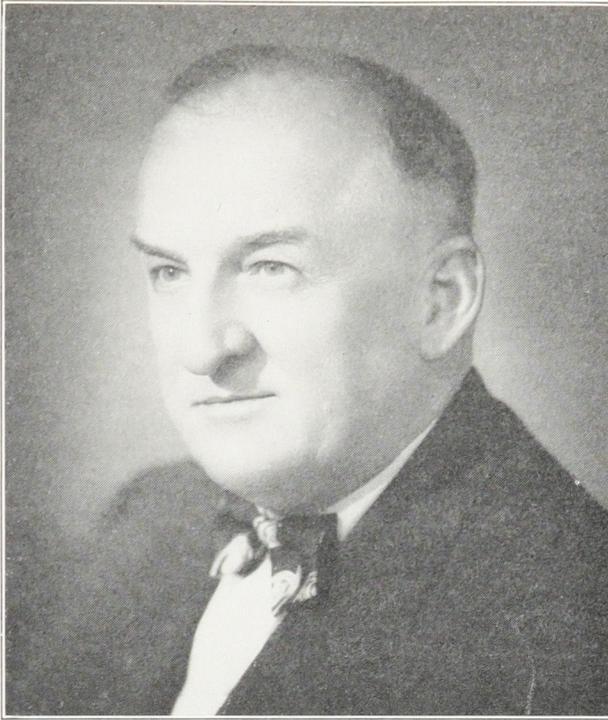

Parke, Davis and Company Detroit, Mich.	Mead Johnson and Company Evansville, Ind.	Cooper Drug Company Detroit, Mich.
McKesson and Robbins, Inc. Detroit, Mich.	Johnson and Johnson New Brunswick, N.J.	Carl E. Kyburz Detroit, Mich.
The Upjohn Company Kalamazoo, Mich.	Cunningham Drug Stores, Inc. Detroit, Mich.	Howes, Shoemaker Company Detroit, Mich.
A. H. Robbins Company, Inc. Richmond, Va.	Detroit Medical Arts, Inc. Detroit, Mich.	Detroit Creamery Company Detroit, Mich.
Hoffman-LaRoche, Inc. Nutley, N.J.	National Wholesale Drug Co. Detroit, Mich.	Cecil Chocolate Company Detroit, Mich.
White Laboratories, Inc. Kenilworth, N.J.	Lambert and Lowman, Division of Ketchum and Company, Inc. Detroit, Mich.	Stroh Creamery Company Detroit, Mich.
Abbott Laboratories North Chicago, Ill.	Paul Reamer Pharmacy Detroit, Mich.	S. J. Tutag and Company Detroit, Mich.
E. R. Squibb and Sons New York, N.Y.	W. B. Hennessey Pharmacy Detroit, Mich.	Len-Tag Company Detroit, Mich.
Merck and Company, Inc. Rahway, N.J.		

---

## TO THE LOCAL COMMITTEES, HATS OFF!

Much of the success of the 26th National Grand Council Convention was due to the efforts of General Convention Chairman George R. Smith and his local committees who worked so long and hard for us. Kappa Psi Pharmaceutical Fraternity will be forever grateful to Brother Smith and the committee members who did such a fine job. The various committees and their members were as follows:

George R. Smith .....	General Convention Chairman	
Lawrence Maletta .....	General Co-Chairman	
<i>Program Committee</i>	Opal Maletta	Norbert J. Heidenberger
Norbert J. Heidenberger, Chair- man	Dorothy Parrish	Lawrence Maletta
Frank H. Eby	<i>Reception Committee</i>	Thomas Nicholson
Ray S. Kelley	John Joniec, Chairman	Edward Parrish
	Daniel S. Grzywa	Joseph J. Prisk
<i>Entertainment Committee</i>	Robert Hill	George R. Smith
Edward Parrish, Chairman	William E. Morrisroe	<i>Publicity Committee</i>
William Haber	Robert J. LaFevre	Robert Hill, Chairman
Richard C. Hadad	Michael Rand, Jr.	Robert Gillespie
Carl E. Kyburz	<i>Finance Committee</i>	Leon S. Lukazewski
Charles P. Morrison	James T. Joseph, Chairman	<i>Registration Committee</i>
<i>Dance Committee</i>	Nicholas J. Cirino	James T. Joseph, Chairman
June Smith	William R. Cooper	Wayland J. Graziadei
Jean Joseph	Jake W. Foss	Phil E. Pettinato
	Robert Gillespie	Joseph J. Prisk

## Felix Blanc Awarded Honorary Membership

At ceremonies held in the Old English Room of the Hotel Bond, Hartford, Connecticut, on the evening of Wednesday, January 16, 1952, Mr. Felix Blanc, Director of Pharmacy of the State of Connecticut was made an Honorary Member of Kappa Psi Pharmaceutical Fraternity. The ceremonies followed a banquet attended by members of the Connecticut Graduate Chapter, Nu Chapter, the University faculty, a number of Grand Officers of Kappa Psi, and numerous member-guests.

Approximately 135 were present for this highly successful affair. Following an excellent dinner, Regent Alfonse Criscuolo of the graduate group introduced Brother Francis Cole who served as toastmaster. Among those who were introduced and called upon for remarks were the following: Dean Henry W. Rivard of the Rhode Island College of Pharmacy and Science; Charles F. Gilson, past president of the National Association of Retail Druggists; Dean Harold G. Hewitt of the University of Connecticut College of Pharmacy; Edmund E. Goodmaster, Chief Pharmacy Inspector of the State of Connecticut; John DeNicola and John Pelchar of the Connecticut Pharmacy Commission; Henry S. Johnson, formerly dean of the College of Pharmacy and now professor of chemistry; Steven Zuty, past regent of the Connecticut Graduate Chapter; Kenneth Griswold (Beta Delta), district manager for the Eli Lilly Company in the Albany, New York area; Walter R. Williams and Hans A. Maier, members of college faculty; Daniel A. Camilliere, secretary of the Connecticut Graduate Chapter; Adam Celestino and Raymond Picard, Beta Epsilon graduates; and Maynard W. Quimby, Editor of *THE MASK*.

A number of Mu Chapter graduates, now members of the Connecticut Graduate Chapter, attended. They were Thomas Sullivan, Peter Shostak, John Frank, Gene Bruyette, John Webb, Robert Waite, Roman Panek, and Burritt Pierce.

Grand Historian Nicholas W. Fenney, with appropriate remarks, presented the certificate of honorary membership to Director Blanc. Regent Criscuolo and Regent Cardelle (Nu Chapter) presented the new honorary member with an official lapel emblem and an official badge from the graduate and collegiate chapters respectively. Mr. Blanc expressed his appreciation for the honor bestowed upon him and also told something of the work being directed from his office in the State House.

The toastmaster read congratulatory telegrams received from Grand Regent Frank H. Eby, Alice-Esther Garvin, secretary of the Connecticut Pharmaceutical Association; Domic S. Zito, president of the Connecticut Pharmaceutical Association; and Phillip C. Varnum, past president of the same association.

Grand Secretary-Treasurer Ray S. Kelley extended his greetings to Honorary Member Blanc and to the other Brothers present. He complimented the Connecticut groups for the fine work they are doing for the Fraternity.

The arrangements committee, consisting of Brothers Goodmaster, Camilliere, Moran, and Miller, is to be congratulated for planning so fine an affair.

Honorary Member Blanc was born in Athol, Massachusetts, on September 6, 1894. He was educated in the grade and high school of Bethel, Connecticut, having moved to that town at the age of two. His first contact with pharmacy was with the P. J. Garvin Pharmacy in Bethel, where he remained for eight years. Upon moving to Hartford, he became associated with the Goodwin Drug Company. During World War I, he spent three years in overseas service. Upon his return from service he became a pharmacist at the Stoughton Drug Company in Hartford. He now resides in Unionville.

Following are a few of his pharmaceutical and other accomplishments:

Registered pharmacist in Connecticut since 1922.

Appointed Inspector for the Connecticut Pharmacy Commission in 1932.

Appointed Chief Inspector for Connecticut Pharmacy Commission in 1935.

Appointed Executive Secretary of the Connecticut Board of Pharmacy in 1944.

In 1948 was made Director of Pharmacy of the State of Connecticut.

Member of the National Association of Retail Druggists.

Member of the American Pharmaceutical Association.

Life member of the Connecticut Pharmaceutical Association.

Honorary member of the Pharmaceutical Society of Hartford County.

Honorary member of the New Haven Pharmaceutical Association.

Honorary member of the Southwestern Connecticut Pharmaceutical Association.

Honorary member of the Bridgeport Druggists' Association.

Member of the Euclid Lodge of Masons.

Director of the Board of Control of *The Connecticut Pharmacist*.

(The monthly journal of the Connecticut Pharmaceutical Association.)

Felix Blanc is the bulwark in the legislative program of Connecticut pharmacy. *Drug Topics* of February 27, 1950, in an article written by Dr. Swain, said: "The Connecticut Pharmacy Commission and particularly its resourceful director (Felix Blanc) are to be commended for their stand against clinic pharmacies."

Mr. Blanc's contribution to pharmaceutical education rests in the fact that it was largely through his efforts that the new College of Pharmacy building, which is now under construction on the University of Connecticut campus at Storrs, is being realized. He has worked very closely with the President of the University and the Dean, in the attempt to raise pharmacy to its proper place in Connecticut.

In the past 20 years, Mr. Blanc can be held largely responsible for the constructive

(Continued on page 44)

## Rudolph H. Blythe Appointed to Executive Committee

The appointment of Rudolph H. Blythe to the Executive Committee of Kappa Psi Pharmaceutical Fraternity has recently been announced. He succeeds George H. Frates, who has served faithfully in this position for the past six years.

Brother Blythe, now Director of Pharmaceutical Research for Smith, Kline, and French Laboratories, joined Kappa Psi (Beta Delta Chapter) in 1928. While an undergraduate student he served as vice regent of his home chapter and was also the recipient of the Kappa Psi Scholarship Key and Certificate. He has long been active in the affairs

of the Philadelphia Graduate Chapter. Pharmaceutical degrees have been earned at the Albany College of Pharmacy and Columbia University. He has taken special courses at the Philadelphia College of Pharmacy, the University of Pennsylvania, and Temple University, and is a registered pharmacist in the states of New York and Pennsylvania.

He was awarded the Ebert Prize at the convention of the American Pharmaceutical Association, Atlantic City, New Jersey, on May 4, 1950.\* Besides being a member of many scientific and fraternal organizations, he has been a frequent contributor to scientific journals.

Dr. Blythe and Miss Dorothy Skivens were married on July 25, 1935, and with their two sons, George and Rudolph, Jr., live in St. Davids, Pennsylvania.

\* See THE MASK, July, 1950.

# Members in the Service

EDITOR'S COMMENT: *From information which has come to this desk it is understood that the members whose names are listed below are now in the Armed Forces of the United States. Undoubtedly there are others whose names should be included in such a list and it is sincerely hoped that chapter historians will furnish this office with such names.*

*(Neither this list nor similar ones which may appear in future issues of THE MASK should be confused with the National Honor Roll for World War II which has appeared in the issues of July 1948, 1949, 1950, and 1951.)*

## Felix Blanc Awarded Honorary Membership

*(Continued from page 42)*

legislation concerning pharmacy which the pharmacists of Connecticut now enjoy. His efforts have also been directed towards eliminating unfavorable proposals in the legislature which would have been detrimental to the profession of pharmacy.

The Kappa Psi brothers in Connecticut feel that the granting of an Honorary Membership to Director Blanc will add prestige, honor, and glory to Kappa Psi Pharmaceutical Fraternity, not only in his own state, but also throughout the United States.

---

## CHANGES OF ADDRESS

Members are requested to help in keeping THE MASK mailing list as accurate as possible.

Include your old as well as your new address. It is suggested that you also state your collegiate chapter affiliation.

Mail your notification directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15, Massachusetts.

# Chapter Letters

## EPSILON—UNIVERSITY OF MINNESOTA

The latter part of the fall quarter restricted social functions to a minimum due to the severe academic responsibilities under which each individual student labored. The "pearl" of social activities, carried on by the Chapter, was the quarterly initiation held the evening of December 7 at Dovre Hall, in nearby Northeast Minneapolis.

Five new members were initiated into our group in perhaps one of the best initiations held at this university in some time. These new members are: Mike Callas (Minneapolis), Steve Kachina (Minneapolis), Bill Kellermann (St. Paul), Davey McInnis (Eveleth), and John McNeely (Montrose). The faculty members and the "actives," both old and new, enjoyed themselves the remainder of the evening playing the young man's Canasta, with bidding stimulated by the poor man's whisky. As usual one of the older members went home loaded, with our money, that is, and had to seek out the companionship of another old member to protect him on his journey home. The evening held a pleasant surprise for the members with the discovery that Brother Thomas Giswold has a piano jazz style all his own. The evening ended with everyone gathering around and giving out with the old college songs familiar to all.

The last day of the quarter was marked by the annual Christmas party sponsored by Kappa Epsilon Sorority with a slight amount of help given by Phi Delta Chi and Kappa Psi Fraternities. The young ladies are to be commended for their work and the excellent manner in which the party carried thru the Christmas spirit.

John Dearman and Arnie Vasenden were our representatives at the National Convention in Detroit, December 27-29. They will give their report at the next meeting which will be held January 17.

Activities planned for the winter quarter, as they exist now, include a luncheon with the members of Kappa Epsilon Sorority as guests, a luncheon with the entire faculty of the College as guests, a smoker with Phi Delta Chi, and a revival of a bowling team to enter university competition. We have the talent among our members for a top flight team. By way of interest, bowling is a favorite winter sport here in the Northwest. Minneapolis claims to be the King-Pin of the nation in this sport. Other activities will be added to these as the quarter progresses.

Fraternally yours,  
BERNARD T. KOENIG, *Historian*

## ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Eta Chapter held two rush parties at the chapter house with the principal speaker being Professor Harvey Frank and Regent Charles Biedler.

Both were gala affairs and the prospects for new members looks very good.

We held a dance at the Riverton Country Club and it was as usual a tremendous success. Graduate members Bob Zonies, Ernie Brouse, John Zeock, and Bill Conner were there in addition to most of the undergrads. This gathering is always one of the many festivities Kappa Psi holds to make the school year more enjoyable.

The chapter house is now complete with the addition of the recreation room that has been built in the cellar. We have acquired a new television set which will be installed in the recreation room.

Three members of Eta Chapter have been elected to join the Rho Chi Honorary Fraternity this year. They are John Brown, Joe Desiderio, and Martin Olson. Brother William Smith has been a member since last year when this society was inaugurated at PCP&S.

Brother Lou Schussler set a new individual scoring record for a single game at the college a few weeks ago. Lou amassed a total of thirty-seven points to lead the team to a 105-63 win over Glassboro State Teachers College. Other members of Kappa Psi on the team are John Poole and Dick Rhoads who together with Lou scored seventy-eight points in this game.

Until I am able to report further of Eta Chapter activities, I remain,

Fraternally yours,  
EMIL A LEFKOF, JR., *Historian*

## THETA—MEDICAL COLLEGE OF VIRGINIA

Since Theta's last report we have had two successful rush parties and now have seventeen brand new pledges. They are Joe Arcaro, Donald Babb, Fay Carr, Beverly Carson, Bill Combs, Edgar Crockett, James Flowers, Marshall Gayheart, Ronald Garrett, Walter Greer, Robert Jones, William Morley, Fred Rahal, Thomas Simms, Wendell Smith, Jack Stallard, and Albert Thompson.

Complete with scarlet and gray Kappa Psi "beanies," our pledges are quite a colorful spectacle and everyone (members especially) is enjoying the "goat" period. To them, and all pledges and new members in Kappa Psi, we extend a sincere welcome and a hearty congratulation.

Now in the midst of the Yuletide Season, Theta is planning for its big week of the year. Climaxing the pre-initiation period will be Annual Initiation Day on January 12. Invitations have gone out to our alumni, and the ritual and social committees are very busy. The formal initiation will be held at 4 P.M. after which there will be a cocktail party at the chapter lounge. From the lounge, members and guests will move to the Monticello Room of Ewart's Cafeteria to attend a banquet, and climaxing the day will be the Annual Initiation Dance in the Virginia Room of the Hotel John Marshall. All of us are eagerly looking forward to this big day.

It is with pride that we announce the election of three of our brothers to Alpha Sigma Chi,

NU CHAPTER, UNIVERSITY OF CONNECTICUT.  
SCENES AT HALLOWEEN PARTY FOR PHARMACY GIRLS

honorary leadership society at M.C.V. They are John S. Ballentine, George E. Foresman, and George E. Surber.

Of passing interest is the new enterprise of Brother Ralph C. Tolar. After serving seven years as a facultate member of the hospital pharmacy here, Brother Tolar has opened a professional pharmacy, The Medical Center Apothecary, and the prescription department is like something out of a pharmacist's dream. Best wishes, Brother Tolar, for much success.

. . . and best wishes to all in Kappa Psi for a happy and successful new year.

Fraternally,  
JAMES V. MORGAN, *Historian*

## MU—MASSACHUSETTS COLLEGE OF PHARMACY

At the time of this writing I am sitting calmly at home in a "few thousand feet" of snow and enjoying the Christmas vacation. A Merry Christmas and Happy New Year to all of you.

On November 20 we held an initiation for upperclassmen at the Elk's Home in Brookline. The men initiated were: Roger Chapdelaine, Walter Ciampa, Ernest Clark, William Clark, Gordon Dean, Ed Duggan, John MacHardy, Brendan O'Toole, and Melvin Topjian. Congratulations to you new members of Mu Chapter. We welcome you. You are especially fortunate in surviving the obstacles of Bob King's committee.

A week after the initiation, a dinner was held for all collegiate and facultate members at the *Amalphi*. Later that evening we held our Annual Bowling Party. Everyone enjoyed the dinner, but the bowling was something to see. Joe Bush was making spares and strikes left and right, but it is rumored that he was relying entirely on instinct. He had some real good scores, however. If any of "Boston's Finest" had been on hand in front of Symphony Hall before the bowling party started, I am quite sure that a certain person by the name of "—" would have been taken in for a very good reason. You fellows that were walking along Massachusetts Avenue must remember that money doesn't grow on trees.

Mu Chapter delegates to the National Grand Council Convention in Detroit are Max Anzberger, Joe Bush, Dave Carew, Jim Donahue, Art Fodem, Bob King, Bill Lowell, and Charlie Pederzoli. Joe Palumbo and Bob Gerraughty, both Graduate Fellows at the College, are representatives of Boston Graduate Chapter. Brothers Kelley, Quimby, and Hassan are faculty members slated to go to Detroit. Quite a representation from the College, eh?

The Chapter Scholarship Committee held a meeting recently and the following members of Mu have been announced as this year's winners; *The Mu Chapter Senior Scholarship*, Henry W. Gagnon; *The Edmund J. Berubé Memorial Scholarship*, Thomas R. Perkins; *Boston Graduate Chapter Scholarship*, Anthony W. Sinsigalli; and *The Douglas Wilson Memorial Scholarship*, Paul J. LeSage. Congratulations to these brothers.

Best wishes to Brother Bob King upon his engagement to Miss Florence Carroll. Also to Ted Kallelis who has been elected president of the Senior Class and to the numerous brothers who have been to offices in others classes at the College, as well as to the Student Council, and offices in the A. Ph. A. Student Branch.

That's all for this time. Best wishes for pleasant holidays.

Fraternally yours,  
WILLIAM A. COLMAN, *Historian*

## NU—UNIVERSITY OF CONNECTICUT

The end of 1951 has seen Nu Chapter strengthen its position as the leading pharmacy fraternity on campus. During the first half of the school year we: (1) elected Brother Jim O'Brien to the Student Senate; (2) initiated 11 new brothers into the chapter; (3) started discussions with University officials for assignment to a house of our own; (4) held a smoker and "get-acquainted" party for the pharmacy freshmen and sophomores and, (5) held Hallowe'en and Christmas parties. Considering that this has been our first year on campus, we feel that we have oriented ourselves quite well.

Perhaps more important than anything else, has been the upsurge in fraternal spirit. The brothers are more willing to make personal sacrifices in time, money, and labor in an effort to maintain Nu at its peak.

It took a lot of campaigning and hard work on the part of the brothers, especially the Political Committee, to succeed in electing Brother O'Brien to the Student Senate. However, it was well worth the long hours and "politicking" when it was announced that Jimmy had won.

December 8 saw the initiation of eleven new brothers into Nu Chapter. They are: Thomas Parasiliti, Edward Heacox, Jerry Rutkoski, Robert Keaton, Wallace Lette, Norman Powers, John Smith, Sebastian Misenti, Louis Annino, Richard Fournier, and Wilbur Stratton.

Prospects for new members from among the pharmacy freshmen and sophomores appear to be very good. The Public Relations and Nominating Committees are actively meeting with the freshmen and sophomores and acquainting them with the principles and objectives of Kappa Psi. These lower classmen were invited to a smoker on October 22 and to a "get-acquainted" party on December 6. The turnout to both events was excellent and we were well pleased with many of the men we met.

Another event of importance was the joint meeting of Nu and the Connecticut Graduate Chapters at our lounge in Hall III. It was a grand feeling to meet with our Graduate Brothers and see how active they are in Connecticut pharmacy. At this time Grand Historian Nicholas Fenney presented to Brother Bill Kelleher the Kappa Phi Scholarship Key and Certificate which Bill was awarded upon graduation last spring.

On January 16 there is to be a joint-dinner-meeting of the Graduate Chapter and Nu at the Hotel Bond in Hartford to honor Director of Pharmacy Felix Blanc who was recently accepted as an honorary member of Kappa Psi. We hope that as many brothers as possible will attend.

Hallowe'en night saw the lounge of Hall III filled to capacity with pharmacy girls and brothers. The occasion was a party given in honor of the girls in pharmacy. Dancing, group singing, and refreshments were included on the program. Entertainment was provided by the guitar-playing trio of Brothers Bovienzo, Castello, and Heacox. Everyone had a grand time and they wish to express their thanks to the Social Committee for a job well done.

Congratulations are also in order to Brother Bob Meschke for being selected to "Who's Who Among Students in American Universities and Colleges." The honor is especially important since only 34

out of a total enrollment of some 9,000 students at the University of Connecticut were selected.

In closing, I would like to extend the Best Wishes of the brothers in Nu Chapter to every Kappa Psi brother for a successful and prosperous New Year.

Fraternally yours,  
JAMES MERMIGOS, *Historian*

## PI—PURDUE UNIVERSITY

Shortly before Christmas vacation Pi Chapter, along with the A. Ph. A., Kappa Epsilon, and Rho Chi Chapters here, sponsored the annual "Pharmacy Round-Up," an all-pharmacy banquet intended to give students and staff members a chance to get together for an evening of fun. Highlight of the evening was the senior-faculty "razz session" in the form of skits written by the seniors and acted out by the seniors and the faculty. Some one hundred and seventy students, representing over half of the total School of Pharmacy enrollment were present to enjoy the evening's mirth-making.

The end of this semester will see the departure of four more Brothers: Charles Hollon, our present regent, Herb Cook, former pledge trainer; Mike Kor, and Christ Anastoff. We congratulate these men and thank them for their work toward strengthening Pi Chapter. Lots of luck on the "outside," fellows.

As a means of strengthening alumni relations with the active chapter, and to provide for more chapter news, Pi Chapter recently obtained a full page in each issue of *The Purdue Pharmacist*, our school's monthly publication. Our Alumni are encouraged to send items concerning their whereabouts and doings to the Kappa Psi News, c/o The School of Pharmacy.

Currently, chapter interest is centered on preparations for the Spring pledge class, which we hope will be the biggest in recent years. Plans are underway for a constructive project this year to replace the traditional hazing.

Fraternally yours,  
JAMES HAMILTON, *Historian*

## RHO—UNIVERSITY OF KANSAS

This fall semester has passed rather rapidly and uneventfully for the members of Rho Chapter. A smoker was held on October 18 for prospective pledges and a good time was had by all. Twenty-three of these men have been pledged and will be initiated next month.

Herbert Skillman and Charles Tice represented Rho Chapter at the Province V meeting in St. Louis, October 27. They gave a full and complete report on the meeting and pointed out, to the chapter, the many undertakings of other chapters.

Darrel Rhudy and Jay Oliver have been appointed as representatives to the National Convention in Detroit, December 27-29, inclusive.

The annual Christmas dinner-dance was held on December 8 in the Kansas Room at the Student Union. A good time was had by all who attended.

Best wishes to all Kappa Psi members from Rho Chapter for a Merry Christmas and a Happy New Year.

Fraternally yours,  
HAVEN L. KELLEY, *Historian*

## UPSILON—UNIVERSITY OF KENTUCKY

We have taken in eight new members here at Upsilon. They are Ralph Boyd, Fred Heeb, Al

Wrightson, Jack Brazzell, Bob Davis, Jim Holland, and faculty members Doughty and Tucker.

We are certainly glad to get these fine men in the fraternity. On December 7, we had our Christmas Dance. It was a huge success, acclaimed by many as the best dance of our career in school here at Kentucky. Many persons outside the school were there representing the profession and they all enjoyed themselves immensely.

Brothers Duncan and Mayhugh (our tennis pros) reported that they had a good time. We plan to have another dance during the coming year.

Upsilon wishes all the brothers of Kappa Psi happiness and prosperity in the New Year.

Fraternally yours,  
HAROLD L. SCHMALHAUSEN, *Historian*

## CHI—UNIVERSITY OF ILLINOIS

The jovial mood and holiday spirit, brought on by the completion of another quarter, set the stage for our Christmas Party on December 21. All that need be said is that Ed Dyja, social chairman had everything well in hand for this affair.

On November 30, the Pharmacy Inter-Fraternity Dance was held at the Illini Union, and judging from previous affairs this one was by far the best. It was complete with sandwiches, an orchestra, notions, etc. The dance certainly served its purpose in making a closer union between students and future pharmacists.

Jim Pisano, pledge chairman, reports that all the pledges are behaving themselves properly and are eagerly awaiting the night of formal initiation in February. The ways and means committee, headed by Gene Newberry, is busy preparing for a dance and raffle to be held in the near future at the Illini Union. As in the past it will take the full cooperation of all brothers to make this dance a success. Regent Ray Varzhabedian, at our last meeting, sparked the drive for "ads" and ticket sales by stressing the importance of fraternal cooperation.

The delegates to the national convention, from our chapter, were Rube Reiser and Dave Hacker. Kappa Psi wishes success to Ed Borucki who is now a member of the faculty at the College of Pharmacy.

At a meeting in December, we had the pleasure of viewing projected pictures of a few of our recent affairs. The pictures were of value as they depicted the enjoyment and friendship that can only be found in a fraternity. The viewing of these pictures was made possible through the efforts of Jack Cook, a member of the graduate chapter.

In closing I would like to wish all a very happy and prosperous New Year.

Fraternally yours,  
EDWARD KOZIOL, *Historian*

## PSI—UNIVERSITY OF TENNESSEE

Recently Psi Chapter held its annual dance honoring the freshman class and other students at the Medical Division of the University of Tennessee. The dance was held at the Catholic Club which is a leading club in downtown Memphis. The complete arrangement of the club made the dance a great success. Up until this year all dances had been held in various leading hotels of the city. The main reason for the change this year was due to the enlarged ballroom and other facilities offered by the club.

Under Robert Taylor and his hard working committee the dance was a great success. Robert pro-

cured one of the leading bands in Memphis for the event.

Mrs. Clyde Eaves was presented to the guests as "Sweetheart of Psi Chapter" during the night. She is the wife of a Kappa Psi brother and was chosen by popular vote earlier during the year.

Plans are now being worked out for the rush party to be given to the Freshman class sometime during the winter quarter. George Jones heads the committee which plans to hold one of the greatest parties for prospective members ever held.

This year a new plan has been worked out with all fraternities concerning pledging of freshmen. Heretofore pressure has been applied to some individuals to force them to join other groups. This year no pressure will be placed on the pledge. This, however, will not affect our fraternity as much as might be thought. As has always been the policy of Psi Chapter (and it will continue to be in the future) we want quality and not quantity.

Fraternally,

TOM WALDEN, *Historian*

### OMEGA—RUTGERS COLLEGE OF PHARMACY

Of course, we all wanted to go to the Detroit Convention, and even omitting those brothers who would find it impossible to attend, there were still too many of us to make it practical. After a few other brothers stepped out for one reason or another there was less than a bus load, and we couldn't afford a plane. So, it finally came down to going in private cars, and only one was judged to be capable of the round trip in winter weather. The final result was a lottery, letting chance be the determinant of who would go and who would stay home.

So Omega will have two delegates and three advisors representing it in Detroit. The five, who incidently, will be instructed to meet someone from each attending chapter, are: Harold Reamer, Nick Lordi, Al Yard, and Regent Bart Sciarrone. Another brother, Tom Medwick, has a friend who has a friend who may be going to Detroit at about that time and possibly if . . . well you know.

Omega, in its December meeting adopted new constitution and by-laws.

Although Omega did not win the Inter-Fraternity Football League's championship, Omega Chapter's football captain, Charles Chagaris, is willing to swear on a stack of football bladders that Omega's cheering section, led by Syd Impal, was the loudest and most co-ordinated of any in the college. Unofficial observers reported that each time Omega intercepted a pass or made a touchdown, windows a full two blocks away were visibly shaken. Three letters of appreciation were received: one from a glazier and two from hardware stores reporting an increase in putty sales of 379%. Enough trivia.

Fraternally yours,

TULLY J. SPEAKER, *Historian*

### BETA GAMMA—UNIVERSITY OF CALIFORNIA

The Beta Gamma Chapter of Kappa Psi has, during the past months, been very active in recruiting new collegiate and facultate members. Our total active collegiate membership now totals twenty-six, and we have twenty prospective members (pledges). Recently added to our active membership were Henry Lipson and Milton Rosen, both of whom are members of the Junior Class of the

University of California College of Pharmacy.

The names of the facultate members taken into the Chapter recently are as follows: Dr. Sidney Riegelman, Dr. L. Dallas Tuck, Dr. Reinhard S. Speck, and Dr. Ivan J. Szekeley. Our Chapter is quite honored and pleased to have such distinguished members of the faculty as members of Kappa Psi.

I would like, at this point, to present a list of the names of our new pledges: Charles Bradley, Wilson Dep, Bud Feinstein, Larry Frisone, Robert Galli, John Gardner, Herbert Green, Adolph Kamil, James Lee, Marty Levine, Donald Masse, Victor Maurantonio, Donald Pavon, Raymond Quon, Charles Ringle, William Tom, Robert Webber, Dave Wilson, Gordon Witz, and Kermit Wright.

A large number of our pledges are seniors. This attests to the high professional and scholastic standards maintained by our chapter. After two years of pharmaceutical study and mixing in fraternity functions, these individuals realize the merits of our group, and we are happy to welcome them into Kappa Psi.

Our social program during the past few months has been considerably accelerated, including both open house functions and membership parties. At many of these functions we have had in attendance many members of our faculty, among them being Dr. Frank Goyan, Dr. Donald C. Brodie, and our other afore-mentioned facultate members.

Mr. Ward Falor, the recipient of the Grand Council Scholarship Award last year, will be presented with the Key at a Kappa Psi function in the immediate future. We know that you join with us in congratulating Mr. Falor on his outstanding performance at the College of Pharmacy.

As regards scholastic standings, we take great pride in knowing that among our active collegiate membership we have many individuals who belong to Rho Chi Honor Society. These individuals include Mr. Robert Browne (president of Rho Chi), Mr. Raymond Quon (vice-president of Rho Chi), Mr. William Tom, Mr. Jere Goyan, Mr. Donald Masse (historian of Rho Chi), Mr. Victor Boiseree, and Mr. Albert Fernandez.

I should like, at this point to present a listing of our collegiate chapter officers: Regent, Mr. Matthew Desmond; Vice Regent, Mr. Albert Gondry; Secretary, Mr. James Normandi; Treasurer, Mr. Jere Goyan; and Historian, Mr. Albert Fernandez.

Along with the above executive officers of the collegiate chapter I would like to mention Mr. Raymond Neff who will be our representative at the Detroit Convention to be held the latter part of December.

In conclusion, as a representative of the Beta Gamma Chapter, I would like to wish all the member chapters of Kappa Psi the best of success in the new year and to assure everyone that we will strive to our utmost to further the standards of Kappa Psi.

Fraternally yours,

ALBERT FERNANDEZ, *Historian*

### BETA DELTA—ALBANY COLLEGE OF PHARMACY

Trusting that everyone has survived the holidays, we now settle down to breaking those originally solemn New Year's resolutions, and for many of us it means completing our last semester at A.C.P.

Beta Delta Chapter held a business meeting October 9, 1951, a smoker October 23, 1951, a business meeting November 6, 1951, and, on De-

ember 11, 1951, a special meeting was held for the initiation of new members.

At the October 9 business meeting, a discussion was held concerning the annual budget proposed by the budget committee. The budget was accepted as submitted. At this time preparations were made for the annual publication of the A.C.P. Student Directory. Beta Delta Chapter annually publishes a student directory that is sold on a non-profit basis to render a service to the students at A.C.P. The directory contains names, addresses, and telephone numbers of all students and faculty members. John Monakey is this year's editor.

At the October 9 meeting, arrangements were also made for the initial social event of the year. This party was a smoker held October 23, 1951. The facilities of the Fort Orange Legion Post were obtained for this purpose. The event was well attended by both members and guests, who consisted of those upper classmen interested in joining Kappa Psi Fraternity. The dinner was served buffet style and was of both quality and quantity. Needless to say no one left hungry—and may I add thirsty either. The spirit of the occasion was captured by the very harmonious "Beta Delta Glee Club," fifty odd strong, initiated and conducted by Jack Cornell. We hope our future parties and social gatherings will meet the success of this one.

During the November 6 meeting, Chapter representatives were elected by Beta Delta to accompany Brothers L. Hamner and Doug Stone to the National Grand Council Convention in Detroit, December 27-29, 1951. Those elected were Walter Huchro, (Senior); Walter Shangraw, (Junior); and Robert Johnson, (Sophomore).

At this same meeting several upper classmen were accepted as Kappa Phi candidates and seven received their first degree initiation December 11, 1951. They are: Gilbert S. Banke, (Junior); Robert W. Elliott, (Sophomore); Charles W. Owens, (Sophomore); Walter Cherniak, (Senior); Don Huntley, (Junior); Paul Pastore, (Junior); John M. Gochenaur, (Junior). These men will receive their formal initiation at a future date. May I wish each of you the best of luck and hope your membership in Kappa Psi will be an enjoyable one.

Last June's grads are now spread far and wide from A.C.P.'s corridors. Don Kinney was married in November and is serving in the Navy; David Lee was married in September and is working in a pharmacy in Binghamton; Gerard Nelligan was married this fall; Bob Bauman is Parke, Davis and Company representative around the Middletown area; Wallace Deller is working in a pharmacy in Ithaca; Ed Henry was married in November and is serving in the Air Force; Dick Peplinski is working in a pharmacy in Naples, New York; John Ritchie is working in a pharmacy in Oswego; Joe Ryan is working in a pharmacy in Elmira; Bill Shumway is serving in the Army; Bob Wagoner is working in a Lyons, New York pharmacy; Walt Williams was married in June and is serving in the Air Force.

Harry Spaulding, (Junior), received the Kappa Psi scholarship award for his past year's efforts. Congratulations, Harry.

The new year is upon us and June is not too far off, and with our continuing effort the new year will bring to most of us the success we seek.

In closing I extend to everyone best wishes throughout the New Year.

Fraternally yours,

JOSEPH G. MOUNT, *Historian*

## BETA ZETA—OREGON STATE COLLEGE

On October 20, which was Homecoming on the Oregon State College campus, a dinner dance was held at the Veterans of Foreign Wars Hall for members, alumni, and their guests. Invitations had been mailed to all of the alumni of the chapter. There were about 60 persons present, including a number of alumni, especially from the Portland Graduate Chapter. It was a congenial gathering at which old acquaintances were renewed and a fine time was had by all. Brothers Adamski, Butsch, Ambrose, McCollister, Urbanc, and Regent Shefchek expended a great deal of effort in making the affair a success.

Brothers Urbanc and Butsch have been selected to represent Beta Chapter at the National Convention to be held in Detroit.

A number of members journeyed to Portland on the evening of November 17 to enact the ritual in the initiation of new members of the Portland Graduate Chapter. Those making the trip were Regent Shefchek, and Brother Adamski, Ambrose, Butsch, Emerson, Forslund, Grill, Hall, Hatch, Kennedy, McCollister, Porter, and Urbanc. The ceremony was held at the Upjohn Company and all those present had a very enjoyable evening.

There are now 22 more members of Beta Zeta Chapter. These men were initiated December 1 in ceremonies at the Benton Hotel. Following the initiation a banquet was held, and dancing and card games climaxed the evening. Eighty-four persons attended. Those initiated were: Charles James, Erwin Ide, James Jolley, Richard Kaegi, Jack Means, O. W. "Corky" Corbett, Larry Shuttpeitz, Florian Glica, Mikel Mikkelson, Clifford Colton, Ronald Carroll, Harold Auble, Ted Poulous, William Rose, Paciano Sanchez, David Scofield, Curt's Bolstad, Don Harris, Horace Hertel, John Dayton, David Tallman, Irving Singman, Robert Simmons, Antranik Barsamian, Wilfred Hansen, and Ralph Hunt.

Andy Urbanc was program chairman for the event and he was aided by Brothers Butsch, Hall, Hatch, McCollister, Rodriguez, and Porter. A great deal of appreciation is due these men for the success of the evening's entertainment.

Fraternally,

WILLIAM L. CLAXTON, *Historian*

## BETA KAPPA—UNIVERSITY OF PITTSBURGH

Beta Kappa Chapter has been busying itself with the first semester initiation of new members. The rushing period began with a smoker held November 20, at the Penn Shady Hotel. There was an excellent turkey dinner followed by a talk on the various aspects of belonging to Kappa Psi, given by Dr. Edward Claus. Later, the prospective pledges were introduced and the rest of the evening was spent in becoming acquainted with them. "Hell Week," preceding the first degree initiation, will be held the week following Christmas vacation.

Our chapter will be represented at the national convention in Detroit by Brothers Kinnard, Gerson, Karlheim, Druzisky, Moore, Jackson, and Critchfield. They are looking forward to meeting a lot of fellow brothers from other chapters as well as the Grand Officers. We know that our chapter will profit from all that they learn while attending the convention.

The publications committee of Beta Kappa,

headed by Joe Shankel and Don Shoenthal, are to be lauded for the work they have done in preparing a new handbook for the fraternity. It lists the names of the officers and those who have been appointed to committees to serve during the 1951-1952 session. The booklet also clearly defines the duties of each committee, lists a brief history of the fraternity, and discusses ethics and the responsibilities that must be assumed by fraternity men.

The chapter has made another step towards better organization with the purchase of a large locker for the storage of all fraternity belongings. It occupies a permanent location in the Pharmacy school.

We have a newlywed in our midst, as Dick Farrow and Nancy O'Conner exchanged vows December 17. Brother Shoenthal was Richard's best man. Congratulations, Dick, and may your marriage be a long and happy one.

We of Beta Kappa would like to take this opportunity to express our appreciation for all the cards and remembrances we received this Christmas from the other chapters. We wish them all a most successful New Year.

Fraternally yours,  
FRANK MCKNIGHT, *Historian*

### BETA XI—UNIVERSITY OF NORTH CAROLINA

This historian has just returned from the National Grand Council Convention in Detroit and any local news is completely overshadowed by the events of the past week. The five of us who attended from Beta Xi—Rowe Campbell, Sam Price, Joe Bland, Gene Hackney, and myself—agree that never have we had a more enjoyable and profitable trip. We learned much about Kappa Psi, about our officers and about our collegiate brothers from all over the country. We realize that it was a privilege to be able to attend the Convention and participate in the activities of the Grand Council. We came home with a greater appreciation of our fraternity and a greater sense of our responsibilities to it. We again extend our congratulations and thanks to the Detroit Graduate Chapter and Mu Omicron Pi for the wonderful job they did as Convention hosts. We'll never forget it!

Five pledges are to be initiated soon in January bringing our active membership to forty-four. They are Al Mebane, John McGinnis, Ed Jenkins, Bill Stanton, and Tommy Curtis. A formal dance will be held at Carolina Inn early in February honoring these and other brothers initiated this year.

A smoker is planned for the first week of the winter quarter for the first and second year classes. We anticipate increasing our strength in these two classes at this time.

New officers are to be elected at the first meeting in February and installation will take place at the following meeting. Our Regent, Alex Clelland, and his fellow officers are to be congratulated on the job they have done this past year. With their leadership many improvements have been made—most notable of which was the obtaining of our new chapter house. Their jobs have not been easy but they have done them well.

In closing, the five Beta Xi brothers who made many new friends at Detroit extend hearty greetings to them. Let us hear from you!

Fraternally yours,  
EARL T. BROWN, *Historian*

### BETA OMICRON—UNIVERSITY OF WASHINGTON

With the closing of finals week, comes the time to review the quarter's activities. On Thursday night, November 1, 1951, twenty-three pledges went through the official initiation rites. The following men are now brothers in Kappa Psi: George Bartell, Jr., Charles Barton, William Dodge, Harold Everett, Frank Finney, Kei Fujikado, Lloyd Gaines, Alfred Gfeller, Byron Johnson, Donald Lambert, Jerry Likness, Warren Lindblad, Calvin Machida, James McCoy, Alan Olson, Harry Ostrom, Gordon Schmidt, Virgil Sheppard, Bert Swedin, Jerry Trier, Charles Tweitmeyer, Walter McCarthy, and Howard Milner. After the initiation ceremony our traditional party was held. Refreshments were served and many interesting stories were told.

For the last four years students have been privileged to make field trips to various manufacturing houses during spring vacation. These tours were considered well worth while by every student that made the trip; the only trouble being that only a few could go due to the cost of transportation. This year several students conceived the idea of raising money to lessen this expense, thereby making it possible for a greater number of students to take the trip. To make a long story short; through the sale of television raffle tickets, the pharmacy student body, with the wonderful support of Seattle and Tacoma druggists, was able to raise nearly \$1,500.00. We are proud of this showing, and we of Beta Omicron were glad to help push this project over the top.

On Thursday, December 6, we had our second social meeting at the Faculty Club. The guest speaker was Mel Millar, graduate of the University of Washington Pharmacy School in 1928, and now northwest district manager for Eli Lilly Company. We were shown the movie, "In These Hands," Lilly's film showing the processes of manufacturing, control, and standardization of their many pharmaceutical products. After the meeting many members followed our Pied Piper, Dick Kerr, to the front row seats of a downtown theater. It was all very proper though, since the group was chaperoned by our Chaplain, Verle Blease.

#### *Lost and Found Department:*

For the benefit of the recently graduated members who might want to contact another brother we would like to publish this list of names and last known addresses. Clyde Allen, Keuss Drug; Harry Mesmer, Bartell's #20; John Ott, Johnson Pharmacy; Hally Miles, Bartell's at Weslake and Pine; Bill Briggs, Hart's Pharmacy; Ken Wilcox, Marten's Pharmacy; all in Seattle. Ted Van De Vord is at Dennis Valley Drug, Puyallup; Dick James, Larson's Drug, Leavenworth; Dick Cornell and Bob Furney, Olberg's, Bremerton; Bob Wiggins, Stowell's Pharmacy, Tacoma; Don Lindley, Everett; George Kelly, Wrangell, Alaska; Nick Spinelli, Callison's Peppermint Plant, Chehalis; and Lyle Clerget, Garrison's Pharmacy, Chehalis. Don Hill, John Frlan, and George Richter, we believe to be in the Army. And John Krippachne is in the Navy. Dan Jones and Don Kusler are doing graduate work at the University. Beta Omicron would like to know the whereabouts of the following: Art Ferris, Bernard Hoover, Bob Look, Howard MacMurray, Stanley McInnes, Richard Moravec, Robert O'Grady, Joseph Pavia, William

Sable, John Schofield, Pete Simmons, and George Talbot.

Brothers Jim Wilkins and Dick Kerr were elected to attend the National Grand Council Convention as student delegates. They will accompany Dr. Louis Fischer, First Grand Vice Regent and Beta Omicron's Faculty Advisor.

Even though the holiday season will be over when this reaches you I hope that you have all had a Merry Christmas and will have a successful, happy New Year.

Fraternally,  
MARVIN THOMAS, *Historian*

### BETA PI—STATE COLLEGE OF WASHINGTON

Two weeks of Christmas vacation, then three more weeks of school, and then finals. After that, it will be the start of the last semester for many of us. Most of the members will be spending the vacation at home. The chief exceptions are Brothers John Weeks and Gordy Fitzgerald who will attend the National Convention at Detroit. The rest of the chapter will expect a complete report on all of their activities at our next monthly banquet.

The first major event since the last letter was the Annual Pharmacy Mix on October 20. The first portion of the evening was a presentation of skits by the various classes and organizations. Denny Montagne and Don French did very well in representing Kappa Psi. The best skit was, as usual, put on by teaching staff as they sang "Come On To My Lab, To My Lab A'come On." The remainder of the evening was spent playing cards in College Hall and then eating a lunch provided by Kappa Psi.

Beta Pi chapter was well represented on the Pharmacy football team in its annual tilt with the Vet's Department. Since there was no snow on the field the battle was quite rugged. After numerous goal line stands, the "Pharmics" finally lost 7-0 in the last minute of play. Out of approximately 45 games, the Pharmics have salvaged one—three years ago. The contest this year couldn't be saved even with yours truly cheer leading.

On December 6, a mixer was held at the Phi Tau house to meet the large group of prospective pledges, most of whom are sophomores. Since a large number of our present members will graduate in June, they will be given an opportunity to pitch right in.

With the hope that everyone had a pleasant vacation, we will see you in the next issue of THE MASK.

Fraternally,  
WILLIS BRUNELLE, *Historian*

### BETA UPSILON—BUTLER UNIVERSITY

"See you next year" is heard echoing through the halls here at Butler as our brothers make last minute preparations for the Christmas holidays. Everyone is madly dashing from office to office handing in last minute reports and checking up on assignments for the final weeks of the semester. There is that air of light-heartedness and freedom that makes its appearance only once a year. Some men are going home for the first time since last Christmas, others may be going to a distant country.

There is no better time to stop and take a look at the memory book for the past year so here are some of the accomplishments of Beta Upsilon dur-

ing Nineteen Hundred Fifty-one. In March a dinner was held in honor of Brother Ray Kelley who inspired us all with his many and varied ideas. In April the new officers were elected and immediately assumed their respective offices. In the midst of all this it became apparent that the Pharmacy School would be moved to its new location which would open new avenues of opportunity to the chapter. New ideas were formulated and the foundation laid for the execution of these ideas. The seniors were given paddles as graduation gifts and a picnic was held before the beginning of final examinations. The chapter lost twenty-nine members through graduation. When classes resumed after summer vacation twenty-eight men were left in the chapter and immediately a membership campaign was set up. A smoker was held for the Sophomores and Pre-Pharmacy men with the idea of acquainting them with the school and giving the chapter the opportunity of meeting them. This smoker was very well attended and proved a successful evening. The annual Christmas dinner meeting will be held December Twentieth and this will wind up the social calendar for the year.

With this summary we here at Beta Upsilon wish every brother a Merry Christmas and a Happy New Year. Looking forward to seeing you in Detroit.

Fraternally,  
IRVINE WILLIAMS, *Historian*

Beta Chi's Prize Winner at Drake University Homecoming

### BETA CHI—DRAKE UNIVERSITY

At this writing, the Beta Chi Chapter and the rest of the Drake campus are preparing to adjourn for the holidays and from the way things are shaping up, we will have a very pleasant white Christmas here in the heart of the corn belt. We sincerely hope that all of you throughout the country have a very enjoyable holiday.

The Beta Chi Chapter has come a long way since the last issue of THE MASK and, with the continued cooperation and team work that we have had in the chapter during the last semester, we are bound to go still further.

In initiation ceremonies November 20, we took

in 18 new members, leaving 6 pledges to be initiated at a later date. This resulted in a more than doubled membership.

In the Homecoming festivities this fall, Kappa Psi again copped top honors in the professional division of the house decoration contest. This decoration depicted a huge white-jacketed Bulldog (Drake U.) giving a bottle of medicine to a cow in a wheel chair, the cow referring to Iowa State College, Drake Homecoming rival. This was backed by a large prescription which read:

**R** Bright and Co., Drugs  
Cow College Takes Its Medicine  
Dr. Gaer

This refers to Johnny Bright, Drakes All-American halfback and Coach Warren Gaer.

We have entered a basketball team in the intramural round robin tournament, and so far we have a 1 and 1 record, with plenty of room to improve. But all in all we're not doing too badly. We have new basketball shirts (real eye-catchers) and a lot of hard working boys that will go a long way to make this venture a success.

As we close this news letter, Beta Chi Chapter wishes to extend to all the Brothers everywhere a Very Merry Christmas and a Happy New Year.

Fraternally yours,  
HUGH E. WOODY, *Historian*

## BETA PSI—UNIVERSITY OF WISCONSIN

Shaking the cobwebs induced by the summer heat from our brains, Beta Psi returns in full strength to the University of Wisconsin campus. We started the semester with the attendance of the Milwaukee meeting of the Wisconsin Pharmaceutical Association. Regent Sanders was one of the principal speakers on the Pharmacy Problem Clinic that preceded the convention.

With early semester rushing on October 5, 10, and 14, we have started this semester in order to carry out the work program to its fullest extent. This work program consists of clearing out exam files, cleaning pharmacy laboratories, and in general providing useful service both to the fraternity chapter and to the School of Pharmacy.

Beta Psi welcomes back the "Bandara Wranglers" Al Grube, Regent Dave Sanders, Treasurer Julian Instefjord, and Historian Leonard J. Doyle who spent their United States Army paid vacations at Brook's Army Medical Center, Fort Sam Houston, Texas. Beta Psi also welcomes back Naval R.O.T.C. members Carl Natter and Social Chairman Ben Frank who spent cruises this summer on United States Ships.

Beta Psi expects to have a busy semester with parties on November 3 and 17, and December 8; a professional meeting on November 5; and initiation December 10-16. Current officers are Regent, Dave Sanders, Vice Regent, Martin Zempel, Treasurer, Julian Instefjord, Secretary, Bob Bemrick, Chaplain, Wayne Hoffman, and Historian, Leonard J. Doyle. Beta Psi may be contacted by writing Beta Psi, 429 North Park Street, Madison 6, Wisconsin.

Grinding through the midsemester's exams amidst the fall of heavy, white snow Beta Psi again greets our fellow brothers. We have had a very active semester socially, professionally, and educationally.

Socially we have held three parties—November 3; Homecoming party at the East Side Businessmen's Association Hall; November 17; a square

dance-hay ride party at the Nob Hill Ranch; and a "date party" December 8 at the Capitol Hotel. Secretary Bob Bemrick, Superior, Wisconsin, our candidate for Haresfoot Beauty of 1951 and sponsored by Beta Psi and Chadbourne Hall, a residence hall for girls, placed second.

Mr. John Stoner, Parke, Davis and Company's Chicago Branch Office, addressed us upon the importance and method of detailing the doctor, November 5, 1951. His talk, one of the best heard by this chapter, was one of great importance to us future pharmacists, particularly to the seniors. Most interesting was the demonstration presented on the correct methods of detailing a product to the doctor.

The Beta Psi award for scholarship was given for the first semester of 1951-1952 to Robert Cotter, Waukesha, Wisconsin, and was presented by Brother Foye at the Annual Pharmacy School Christmas party December 14, 1951. This award is Beta Psi's gesture towards promoting better scholarship in the School of Pharmacy, University of Wisconsin.

Men who were pledged October 22 and initiated December 16 were: Milton Phillips, Green Bay; Robert Kasten, Milwaukee; Donald Wroblewski, Milwaukee; Albert Chandek, Milwaukee; James Haas, Racine; Gene Jacobson, Hexton; Richard Duxbury, Black River Falls; Edward Rippie, South Beloit, Illinois; Thaddeus Kryshak, Wausau; James Ebert, Milwaukee; Raymond Jahn, Milwaukee; Edward Heinz, Milwaukee; Edward Kohlshmidt, West Bend; Thomas Dorn, Milwaukee; Kenneth Ender, Eau Claire; Edward Knoechel, Milwaukee; Walter Lang, Wauwatosa; Arthur McCourt, Burlington; Roger Rudeen, Rockford, Illinois; Robert Schwartz, Madison; Donald Wendorff, Milwaukee; Harold Williamson, Milwaukee; Daniel McNamara, Prairie Du Chien; Aloysius Blackbird, Waupun; and Patrick O'Connor, Mosinee.

Until next semester and a new Historian greets you,

Fraternally,  
LEONARD J. DOYLE, *Historian*

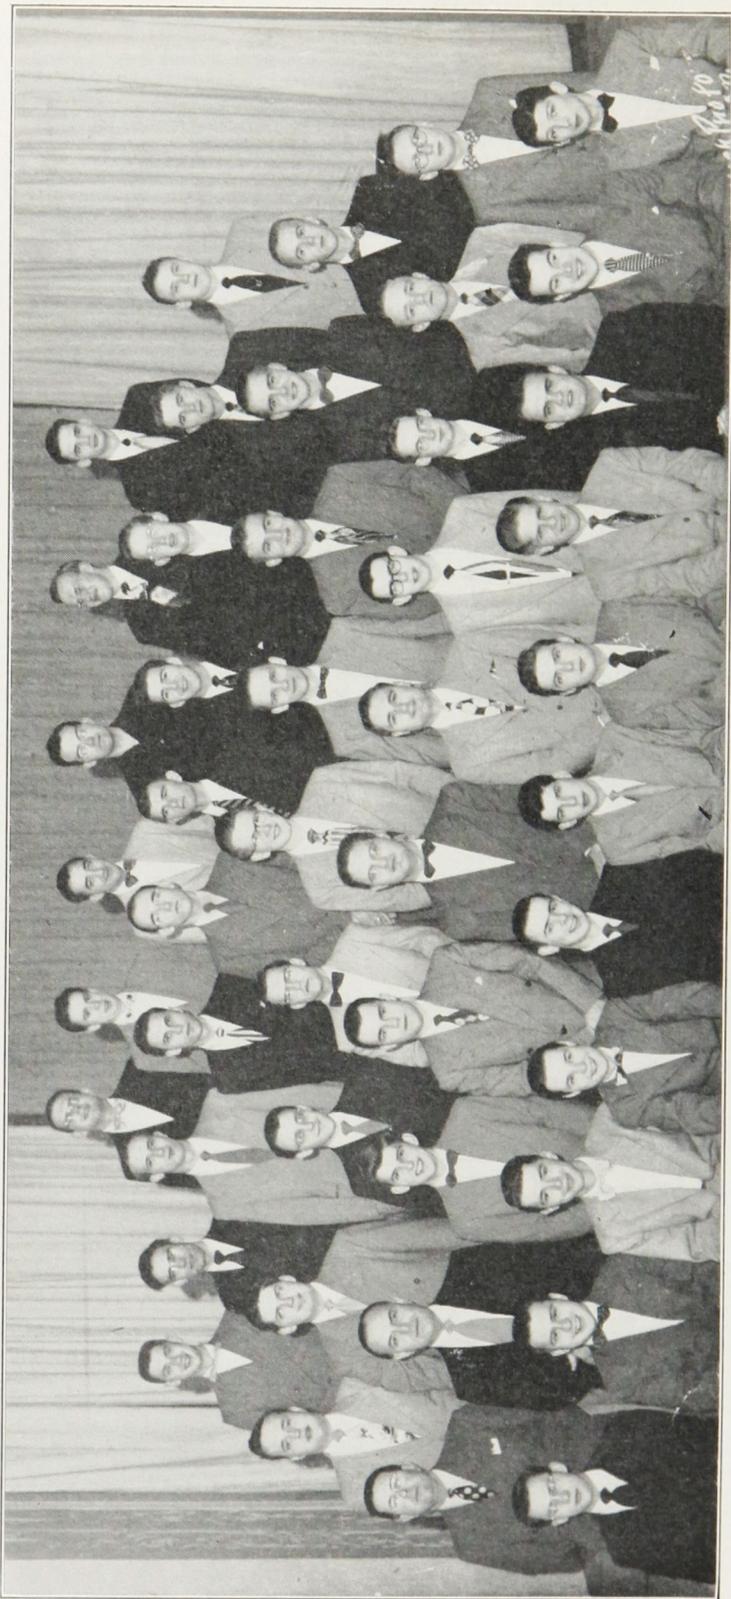

## BETA OMEGA—TEMPLE UNIVERSITY

It seems as though we were just back in the old routine at college when Christmas is upon us again. After the rough three months with heavy class work, a vacation certainly does look good to us.

A variety of campus activities have kept us busy. On December first we held our Annual Kappa Kandy Kane Party and dance with the girls of the Lambda Kappa Sigma Sorority and the Freshman girls as our guests. On the evening of December twelfth we held our usual pre-Christmas party and about thirty members of the Freshman class were present as guests. We hope to select our pledge class from this group of very fine fellows. Andrew Kohut '50, a graduate student at Temple and Grand Regent Frank H. Eby spoke briefly on the history and the general policies of Kappa Psi. It was a fine party and from the social standpoint, one of the best ever.

On January fifteenth we expect to hold our Annual Faculty-Fraternity Dinner. Ira Thomas, one of the scouts for the Philadelphia Athletics ball club, will be the guest speaker. The Chapter quartet will sing.

Our delegates are looking forward to the Grand Council Convention which will be held in Detroit

BETA PSI CHAPTER—UNIVERSITY OF WISCONSIN ANNUAL PICTURE

First row: D. Jelinik, A. Grube, Ben Frank (Social Chairman), Robert Bemrick (Secretary), Wayne Hoffman (Chaplain), Dave Sanders (Regent), Leonard J. Doyle (Historian), Julian Instefjord (Treasurer), Martin Zemple (Vice Regent), Roger Fitzgerald, Clifford Keller.

Second row: James Haas, Elmer Bach, Don Wendorff, Milton Phillips, Dr. Joseph Swintosky, Al Chandek, Ed Knoechel, Harry Williamson, Dan McNamara, Earl Sallander.

Third row: Arthur McCourt, Tom Dorn, Ray Smith, Ron Gabel, Gene Jacobson, Ben Peterson, Carl Natter, Robert Kasten, Pat O'Connor.

Fourth row: Fred Hecker, Ken Gieger, Merv Hansing, Don Wroblewski, John Jacobson, Robert Green, Roger Gottschalk, Paul Tousignant, Jerry Bittl, Ray Jahn.

Fifth row: James Ebert, Norm Carden, Bill Heinz, Wayne Gilles, Ed Kohlschmidt, Ralph Slaw.

after Christmas. Our Regent, Louis Ravin and the Chapter Secretary, Gordon Nell are the official Beta Omega Delegates. Gerald Jackson and Gus Popp, President and Secretary respectively, of the Student Branch at Temple also expect to attend the convention. Andrew Kohut will be the Province II delegate.

The Christmas project this year was a splendid success. Dick Lane was the top man and we owe him our congratulations for being such a hard worker.

Our community service activity consisted of buying the turkeys for the Christmas Dinner for the children at the Philadelphia Baptist Orphanage.

Bruce Hoffman '51, a pharmacist, on his way to Germany; Ensign Richard Sedan in Korea; Pvt. George S. Cover at Madigan Army Hospital in Tacoma, Washington; 1st Lt. Donald Monn '50 in Korea; Robert Henry at Indiantown Gap in Pennsylvania; William J. Brady '51 is reported to be in the Marines and we hope he can take it; Paul MacDonald '51 is in the Air Corps somewhere in New York State, and that is that. To all of our brothers in the service, may 1952 be a happy year for each of you and may it find you home or on your way there before it ends.

Fraternally yours,

VINCENT ROGLIANO, *Historian*

MISS BARBARA GASTON

Gamma Gamma's Winning Candidate as  
"Most Red-Blooded Co-ed," University of Texas

Later in the year members of the chapter will paint the gymnasium at the Orphanage. This will require about 150 clock hours and we feel that it will be a very fine service for our chapter to perform.

As usual we have a good number of brothers on the Pharmacy School Basketball team and the team looks very good this year with some excellent Freshman material. We hope to do quite well in the Eastern Intercollegiate Pharmacy Basketball League. Columbia, Rutgers, and the Philadelphia College of Pharmacy and Science have teams in this league and all have Kappa Psi Chapters. We also have our own good chapter team in the Temple University Inter-Professional League which has won two out of the first three games.

Brothers who are in the service that we know about and have not reported on lately are Pvt.

### GAMMA GAMMA—UNIVERSITY OF TEXAS

Along with the holiday season come festivities and the traditional exchanging of gifts. We of Gamma Gamma joined the campaign of giving to those who must fight to preserve the gifts we hold so dear. Our appeal to the students of the College of Pharmacy to make blood their Christmas gift to Korea was answered with surprising results. The College of Pharmacy led as the group pledging the most blood. Gamma Gamma won the trophy for securing the most pledges, and Barbara Gaston, whom we chose to represent the College of Pharmacy as the most red-blooded co-ed—"Bloody Mary"—received the most votes. We are proud of our jobs in this worthy campaign and proud of our college of Pharmacy for their support.

Another project for the Christmas season was to collect toys, food, and donations from the members and pledges to make a merrier Christmas for some underprivileged child.

The jingle of Christmas bells around the chapter house are forced into the background by equally famous wedding bells. When the first gong sounds Jerry Nobles will step out of his corner to take on Miss Mary Ann Elliott in a lifetime bout. In November Chuck Spangler and Miss Donnie Freund entered the same bout.

Plans are in order to initiate the new pledge class immediately after the Christmas holidays. The new pledges are Edward Jabalie, John Williams, Kenneth Tieman, James Fields, Rudy Garber, Lloyd McGrew, Martin Bothwell, Marvin Moon, Winifred Hatton, James Sargent, John Plover, and faculty pledges Ike Meyer, Vernon Green, and Henry Wertheimer.

A rush party was held to get acquainted with the new pledge class. The wiener-roast was held at Zilker Park on the night preceding the Baylor football game. Refreshments consisted of hot dogs with all the trimmings, and keg punch. The party was well attended by both pledges and members. The refreshment committee led by Jesse Beall did a fine job.

Gamma Gamma was represented at the meeting of Province V for the first time. Our Regent Eugene Vykukal thoroughly enjoyed the meeting and extended a bid to have the next Province V convention here in Austin.

With another school year nearing its end, Gamma Gamma Chapter has much to look back upon and be proud of. The new year offers a challenge to those who will still be around to continue the successful work of our graduating seniors. The approaching new year marks this as the final report of the year and the final report of this writer. He would like to extend heartiest appreciation to the editor of THE MASK, Kappa Psi in general, and the Gamma Gammas in particular; it was a privilege to serve as their Historian.

To all our Brothers in Kappa Psi, we at Gamma Gamma extend our heartiest wishes for a very Merry Christmas and a happy and successful New Year!

Fraternally yours,  
JOHNNIE SACARIS, *Historian*

### GAMMA DELTA—OHIO NORTHERN UNIVERSITY

After the Homecoming festivities were over the Brothers of Gamma Delta settled down to some hard study in preparation for mid-term examinations. Of course our social life was not entirely forgotten and, on Saturday, October 13, we joined with the Brothers of Sigma Pi Fraternity in sponsoring an Apache Dance and pig roast. The pig, a 139-pounder, was served in our back yard, which was decorated for the occasion, while the dance was held at the Sigma Pi Fraternity House. Guests at the dinner were Dr. and Mrs. McIntosh, President of Ohio Northern; Dean and Mrs. Smith; Dean and Mrs. Pettit; Dean and Mrs. Clark; Mr. and Mrs. Link; Professor and Mrs. Jongward; Mr. and Mrs. Hillman, and Mr. and Mrs. Ranny.

The following Monday afternoon the Brothers of Gamma Delta and Sigma Pi took advantage of their intramural football game by inaugurating an annual contest to be played for the possession of

the "Little Brown Jug." The outcome of the game was a hard fought 6-2 win for the Brothers of Gamma Delta.

Formal initiation for three new Brothers was held on Sunday, October 21, 1951. The initiates were Jack Abbot, Dave Peper, and Bob Mains. We are proud to welcome them into our ranks and feel assured that they will be a great asset to the Fraternity.

A Halloween Dance was held on Saturday evening, October 20. Dress was "farmer style" and the house was decorated with corn shocks and the customary ghost. The chaperones were Dean and Mrs. Smith and Professor and Mrs. Hillman. The Dance was sponsored by the Sophomore Brothers.

Along the sports line, we have won first place in tennis singles, second place in football, and second place in tennis doubles. We closed the football season with the annual pledge-active game. The actives won 22-0, due to the active's "platoon system" and the superior "kick-offs" by Brother Jim Ballenger. Brother Ron Webber took movies of the game. Brother Dave Keener, sports manager, started basketball practice in preparation for the coming season.

Sixteen Brothers of Gamma Delta ventured from Ada on Friday, November 30, to McKesson's Laboratories at Cleveland, Ohio. They were taken on a tour through the shipping department and presented with very nice gifts. They stayed at the homes of the Brothers who live in Cleveland.

On December 8, the Junior Brothers sponsored the annual Christmas Dance. It was called the "Snow Ball Whirl." The house was decorated with a snowman whose eyes blinked, and with crepe paper to resemble a winter scene. All the guests were presented with Christmas presents by Santa Claus.

Many of the Brothers have taken advantage of the hunting season and have brought in a lot of game. On Sunday, November 18, we had pheasant and rabbit for dinner. The sophomore Brothers prepared the meal.

Brother Ray Hewitt, who graduated last June, was married to Miss Ann Luctian on November 3, 1951, in Cleveland, Ohio. Brother Fred Pedrosa was best man. Brothers George Hill, Stan Brysacz, Don Brysacz, De Mar Neal, and Rudy Kozan were also present. Brother De Mar Neal and Miss Marilyn Potts will be married on December 31, 1951. Congratulations.

Fraternally,  
WILLIAM R. MCCARTHY, *Historian*

### GAMMA EPSILON—UNIVERSITY OF NEBRASKA

The Gamma Epsilon Chapter got under way with a rousing initiation of new actives. A total of fourteen pledges went through the informal initiation held at Pharmacy Hall. The list of new actives is as follows: Charles Faubian, Bill Frasier, Virgil Hatch, Theodore Klintworth, Maurice Lee, Donald Mahannah, Don Noble, Don Ostendorf, Charles Porter, Joseph Schulte, Bill Shainholtz, George B. Thompson, Clyde Campbell, and James Stephenson. The initiation banquet was held in the Garden Room of the Lincoln Hotel, at which time the formal initiation ceremonies were conducted by Regent John Russell.

An informal dinner was held in the dining room of the Continental Cafe. The dinner was followed

by a full evening of dancing. We are happy to report that a fine time was had by all. The chapter proposed to the student branch of the American Pharmaceutical Association that the present plan of nominating class officers be changed by relieving the executive council of the A.P.A. of the duties of nominating the officers and that the classes have this privilege to be done at class meetings with nominations from the floor.

It was voted that we pay the expenses for Brother Gale Teller to attend the Province V convention. Elections of new officers was held December 12. The list is as follows: Regent, Wayne Bailey; Vice Regent, Warren Ellison; Secretary, Don Mahannah; Treasurer, Theodore Klintworth; Historian, Charles Porter; Chaplain, Donald Ostendorf; and Grand Council Deputy, James Dusenberry. We wish to extend sincere congratulations to the new officers with the assurance that they will do a fine job.

Fraternally yours,

GALE DEMAREE, *Historian*

### GAMMA ZETA—HOWARD COLLEGE

As the end of 1951 approaches, members of Gamma Zeta are thankful for a very happy and enjoyable year. As we have worked and studied together with many goals in mind, such as scholarship, integrity, sobriety of thought, etc., we feel sure that the profession of pharmacy is advancing.

Gamma Zeta had much to be proud of this past year. We want to congratulate Mr. Elbert Gibbs on his recent achievement in being elected president of the National Association of Retail Druggists. Having such a distinguished man from our own region to reach such heights is inspiring to our present and past members of Gamma Zeta here at Howard College.

Our chapter has gone all out this semester in building up our membership. New members include Amos Whitman, Larry Kendrick, Clyde Gorman, Jack Hagan, Luther Latham, Jack Richardson, Harold Goldstein, Joe Waites, and Buford Thorton. Approximately fifteen pledges will be initiated at the beginning of the Spring semester. We will lose two active members at the close of this semester. Completing requirements for graduation will be Oscar Smith and Martin M. Barnes. Gamma Zeta congratulates these brothers and wishes them good luck in their future endeavors.

Reservations have been made for the approaching National Convention at Detroit, December 27-29 for two delegates of Gamma Zeta. They are Jack Richardson and Joe Waites. We feel sure that much will be accomplished at this yuletide convention. We hope that someday a district convention can be held here in our great city of Birmingham and that we can extend some of our traditional Southern Hospitality.

Dr. C. Lee Huyck, Dean of Pharmacy of Howard College, along with members of Gamma Zeta, is proud to announce the undertaking of construction of a new \$80,000 pharmacy building here at Howard College. The building will be completed around the middle of February. A meeting and display room is proposed for Kappa Psi. We are looking forward to the new facilities.

This being all of the news from Gamma Zeta at this time, we the members of Gamma Zeta, wish all our brothers of Kappa Psi a Merry Christmas and a Happy New Year.

Fraternally yours,

M. M. BARNES, *Historian*

### GAMMA IOTA—UNIVERSITY OF BUFFALO

This is the December Chapter letter from: Gamma Iota, University of Buffalo. Gamma Iota hasn't much to report for this issue. At the present time, final examinations have limited the activity of all the brothers.

Regent Perricelli and Brother Don Clark wish to congratulate the entire fraternity on a very well planned convention. They have promised us an interesting report.

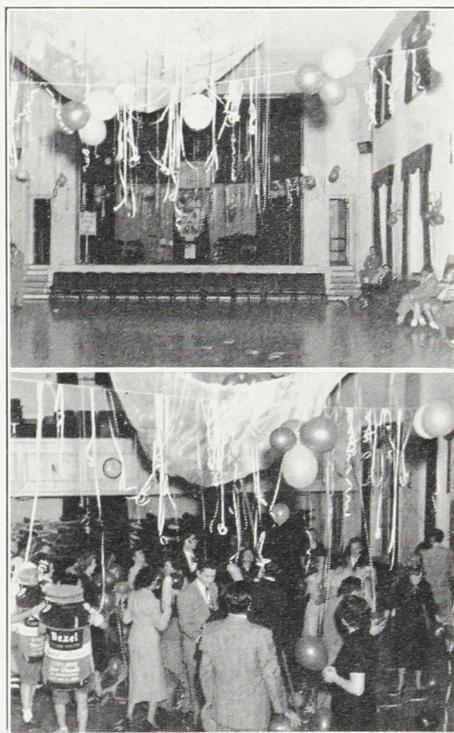

Congratulations are in order for Brother Rieman who is engaged to Miss Patricia Martin, a senior at U.B. Pharmacy School.

Brother Perricelli claims that Niagara Falls is no mecca for lovers as claimed—at least not Niagara Falls, Ontario.

Good luck to everyone on the examinations. Let's come through with flying colors.

Fraternally yours,

VITO J. LATIN, *Historian*

Mardi Gras at Gamma Iota Chapter,  
November 7, 1952

### GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

Just recently our chapter pledged seven new men. These pledges have as yet to complete their third degree work. So far these boys have shown the "True Kappa Psi Spirit."

Sometime in February graduation exercises will begin again at the St. Louis College of Pharmacy. At that time Brothers Gerald A. DeLisle, Gerald Henney, Westley Evers, James A. Jordan, Ronald

INITIATION BANQUET AT FACULTY CLUB  
NOVEMBER 20, 1951

NEW MEMBERS

Front row: Harrison Cooper, James A. Fink, Lawson S. Stroupe.  
Back row: Thomas E. Cox, Robert E. Tandy, Andrew Blake, Dick B. [unclear]

E. Karber, Elmer G. Koch, Wilbur A. Lovekamp, James M. Missler, Gene Maton, William Smith, David Shibe, and Richard L. Zoellner are expected to graduate. I should like to wish these brothers success and happiness in the field of pharmacy. We all hate to see them go because really they are a fine group of fellows. It seems that, with every graduating class, not only do the fellows in the senior class say goodbye but with them they carry our blessings and a part of every student's heart with them.

The year of '51 was filled with many wishful dreams such as building a fraternity house, building a more effective fraternity, and sponsoring school functions. Now being in the year of '52 we realize that a fraternity house is still out of reach, but fraternity spirit has been stepped up, and the idea of a school dance sponsored by the fraternity is growing. The success of such ideas, as we have found here, revolve around the individual member. You all have heard that old adage "one bad apple in a barrel is enough to spoil the whole barrel." That adage is only too true. With this thought in the mind of every Kappa Psi member—"My fraternity is only what I make it, and fellows make it something of which to be proud"—the year of 1952 should be a joyous one indeed.

Fraternally yours,  
FRANK P. SKAGGS, III, *Historian*

### GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Gamma Tau held an initiation banquet on November 20, 1951, at the Faculty Club of the University. Seven new members were welcomed heartily by our Regent, Dick Chocola, after an initiation ceremony which won the Chapter high praise by faculty and graduate members who attended. An increasing effort will be made by all Brothers to conduct future initiations on a level which will make them an outstanding memento of fraternal work.

On November 30, 1951, the Chapter began a fall pledge program with a rush gathering at the Alpha Phi Sigma Fraternity House. Eleven prospective pledges were introduced by the Election Committee Chairman, Brother Fred Richards. Judging from the impression left by this event, Gamma Tau again will have a pledge class which promises to bring honors and continued success to the Chapter.

The Chapter heard with deep sorrow of the death, after a long illness, of Brother Frank W. Marciniak on December 6, 1951, at Perth Amboy, New Jersey. How deeply was felt the loss of Brother Marciniak was indicated by the large attendance at the Mass, requested by the Chapter, offered for the repose of his soul. The Mass was held December 12 at St. Stevens Catholic Church. Brother Marciniak, a member of our senior class, was well liked by both the student body and the faculty. His conduct both in and out of school combined true Christian spirit with the high ideals of Kappa Psi by words and deeds. Brother Marciniak has left our ranks physically but in our memory he will live on as a true Kappa Psi man.

Plans for our annual dinner-dance are almost completed. The date has been set for March 21, 1952, and the place of the gathering will be the Burlington Hotel. We intend to combine this event with our usual spring initiation banquet, and our

expectations and hopes for a large turn-out of our graduate brothers are high.

The Chapter elected as its delegates to the National Grand Council Convention in Detroit, Michigan, Brothers Emmor F. Snyder and F. Richard Malzone. Gamma Tau was proud to send these two Brothers as its highly qualified representatives to its first Grand Council Convention.

We also feel proud to report the founding of a Brotherhood Fund, which will be maintained to provide the financial means of assisting Brothers in need. In addition, plans are being made to initiate a Scholarship Fund to provide funds for the promotion of scholarship. We will invite the participation of graduate members and friends of our Chapter to help us in our endeavor. The need for provisions to assist capable and deserving students is greater now than in the immediate past, when the G. I. benefits provided the machinery to obtain a large number of qualified men for the profession of Pharmacy which otherwise would have been lost to the profession.

Last but not least, Gamma Tau extends its best wishes to all Brothers of Kappa Psi for the New Year.

Fraternally yours,  
GUNTHER K. KESSLER, *Historian*

### COLUMBUS GRADUATE CHAPTER

By the time this letter is published Christmas will be over and a new year begun. The Columbus Graduate Chapter sincerely hopes that all Kappa Psi brothers everywhere enjoyed a very merry Christmas and it extends wishes to all Kappa Psi Chapters for a highly successful new year.

The Chapter held a combined meeting in November with Xi Chapter. A review of the activities for the past year and the proposed program for 1952 was presented by Xi Chapter. Xi Chapter also presented details of a proposed Chapter House Fund and reported that progress has already been made. The remainder of the evening was spent in a discussion of means of raising money for the House Fund and general Chapter expenses. Members of the Graduate Chapter offered suggestions and promised support for any worthwhile project that Xi Chapter might undertake.

The meeting in December was again a combined meeting with Xi Chapter but in a gayer vein. A good time was enjoyed by all who attended the dinner-dance sponsored by Xi Chapter.

The January meeting is to be a business meeting followed in February with a Valentine Party. An initiation is to be planned in the near future too, for the Columbus Graduate Chapter is growing and in time we hope to be really booming! Best wishes to all.

Fraternally yours,  
JACK L. BEAL, *Historian*

### CONNECTICUT GRADUATE CHAPTER

An interesting meeting was held Wednesday evening, November 14, 1951, at the campus of the University of Connecticut in Storrs, Connecticut. This was the first time that the graduate members had visited the campus grounds, the new pharmacy buildings, and the Kappa Psi fraternity house.

The undergraduates are very happy with their quarters and are anxiously looking forward for more space to billet other Kappa Psi brothers living on the campus.

A splendid turn-out of members was present at

this meeting and Regent Alfonse Criscuolo presided. Many topics of interest were discussed and after the meeting refreshments were served.

Very fraternally yours,  
DANIEL A. CAMILLIERE, *Secretary*

### DETROIT GRADUATE CHAPTER

Well, Brothers the convention is over with and we are back at our respective chapters, telling our Brothers who could not attend the convention what happened during the time you were in Detroit. We here in Detroit hope that your stay here was a pleasant one and that you feel that you would like to come back and see us sometime again.

We wish to congratulate all of our Grand Officers on their re-election. We hope that the next two years under them will be just as profitable as the last two have been. We know that they have the Fraternity at heart and will do all that they can for it.

To Brothers Eby and Kelley we wish to express our thanks for all of the help that they gave us in making the convention a huge success. We know that without their help and without the grand turnout of brothers that it would not have been so successful. Dr. Eby informed me in a letter a few days ago that it was the largest registration in the history of the fraternity, with fifty-one Collegiate and Graduate Chapters represented. So you can see that you made the convention a success.

We of the Detroit Graduate Chapter hope that you had a nice time here as far as other entertainment goes. We hope that you enjoyed the dance after the convention was over. To the ladies who so faithfully came to the convention with their husbands, we hope that their stay was a pleasant one, and that they will remember Detroit. We wish to thank our ladies' committee again for the wonderful help that they gave us in handling this for us.

Well, Brothers I guess this is about all for now. Until we meet again at our next convention may I wish you the best of luck for the coming two years and hope that they will be as successful as the past two have been.

Fraternally,  
JOSEPH J. PRISK, *Secretary*

### PORTLAND GRADUATE CHAPTER

The Portland Graduate Chapter held its first Fall dinner-business meeting at the L'Abbe Restaurant, October 10. A cocktail hour preceded the dinner. At the meeting, plans were completed for the annual homecoming joint session of the Graduate Chapter and Beta Zeta at Corvallis on October 20. Officers elected for the ensuing year are as follows—Donald Kennedy (Fairlays Pharmacy), Regent; Ned Fisher (Fred Meyer, Inc.), Vice Regent; William Bush (Bush Pharmacy), Secretary; Virgil Haller (Fred Meyer, Inc.), Treasurer; and Lyle Hendricks (Powers & Estes), Historian. About 30 members were in attendance. Included were five from the collegiate chapter at Corvallis.

From the reports of several attending the homecoming joint session of the Portland Graduate

Chapter and Beta Zeta at Corvallis on October 20 it was a complete success in every way. The activities were many and varied, starting with a football game between Oregon State and Washington State in the afternoon, a cocktail party sponsored by the Graduate Chapter, followed with a splendid dinner and dancing. All these latter events were held at the hall of VFW in suburban Corvallis which had been lavishly decorated by the actives who stayed up practically all the night before to get the job done. About 65 took part in the evening festivities. Included was a sizable delegation from Portland, other Brothers from many places over the State, and members of the Collegiate Chapter. Plans are already under way for an even bigger and better event (if such is possible) for next year.

The November meeting of Portland Graduate Chapter was held at 7:30 p.m. in the auditorium of the Upjohn Company on the 16th. An initiation

### PORTLAND GRADUATE CHAPTER INITIATES November 16, 1951

Left to right: Fred Meek (Belmont Pharmacy), Lieb Riggs (Riggs' Pharmacy), James Wilson (Abbott Laboratories), and Louis Schindele (Parke, Davis & Company) all of Portland.

was the first order of business and we are very proud to present and welcome as Brothers of Kappa Psi: Fred Meek (Belmont Pharmacy), Lieb Riggs (Riggs Pharmacy), Louis G. Schindele (Parke, Davis & Co.), and James Wilson (Abbott Labs.). We are grateful to the initiation team from Beta Zeta which conducted the ceremonies so very well. A business meeting followed and pictures of OSC-USC football game were shown. After adjournment the efficient refreshment committee took over and we spent a very satisfactory hour or so renewing acquaintances and settling all the big problems of the world. About 65 were in attendance.

Fraternally,  
LYLE V. HENDRICKS, *Historian*

## Expulsions

Theta Chapter reports the expulsion of George E. Rick and Jackson L. Ellis on constitutional grounds.
