KAPPA PSI is a member of the Professional Interfraternity Conference, organized in 1928 to encourage high scholarship, professional research, advancement of professional ethics, and the promotion of a spirit of comity among the professional fraternities in the advancement of fraternal ideals.

WHOLE NUMBER 201

A Quarterly Magazine maintained and published in the Interests of the Fraternity, College, and University. Published during the months of January, April, July, and November by George Banta, Official Printer and publisher, 450 to 454 Ahnaip Street, Menasha, Wisconsin. Single copies 75¢; yearly subscription \$3.00.

Entered as second-class matter February 1, 1912, at the post office at Menasha, Wis., under the Act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, paragraph 4, section 429, P. L. & R., authorized September 21, 1918. Printed in U.S.A.

From the Desk of the Grand Regent

Frank H. Eby

THE 200th ISSUE OF THE MASK

Another outstanding Kappa Psi achievement was recorded in November, 1952 when the 200th issue of *THE MASK* was published and distributed to almost eight thousand members of the Fraternity.

The continuous publication of *THE MASK* for almost fifty years has been an important factor in the growth of Kappa Psi. Without this fine publication it would not have been possible to develop the excellent spirit and strong fraternal bonds which now exist among the members.

Those who have served as editors of *THE MASK* through the 200 issues have made many excellent contributions through their unselfish services for which the fraternity will always be most grateful. As the years have passed, each editor has maintained the same sound principles established by the founders, yet each has improved the quality of the publication so that today *THE MASK* is one of the finest quarterly magazines of its kind.

With the publication of the November (1952) issue, Brother Maynard W. Quimby completed five years as the official Editor of *THE MASK* although he served unofficially as editor for several years while he was assistant to Grand Secretary-Treasurer Ray S. Kelley. During this period the entire format of *THE MASK* has been changed including a new and attractive cover and many new features. Because of the broad coverage of Chapter, Province, Executive Committee, and Grand Council Convention news, the inclusion of a complete list of new members in each July issue, recognition of special achievements by Collegiate and Graduate Members and the fine pictorial presentations, *THE MASK* has become a very valuable historical record of Kappa Psi Pharmaceutical Fraternity.

To Editor Quimby the officers and members of Kappa Psi express their thanks and gratitude for outstanding services in the interest of the Fraternity.

THE NEW HANDBOOK FOR PLEDGES

Early in December all Collegiate Chapters were informed by Grand Secretary-Treasurer Ray S. Kelley that the new *HANDBOOK FOR PLEDGES* was available for distribution and that orders for copies should be sent to the Central Office in Boston as promptly as possible.

The *HANDBOOK* includes a Declaration of Principles, a short History of Pharmacy in America, reviews of the histories of the American College Fraternity System, the Professional Fraternities, and the Pharmaceutical Fraternities. The chapter on Kappa Psi Fraternity includes a detailed Historical Sketch, Obligations of a Pledge, Responsibilities of Fraternity Membership, Information on the Government, Insignia, Emblems, and other items.

While the *HANDBOOK* is intended as an aid in the training of Kappa Psi Pledges, the historical and other information contained therein will be very valuable to the entire fraternity membership. Your chapter should order copies immediately if they have not already been received from the Central Office.

Take Heed Brothers!

From time to time this page plans to bring to our membership such information as might not otherwise come to its attention in the proper way. It is hoped that many of you read and heeded the items entitled "Questionnaires Pose Problem" and "Still Another Questionnaire!" which appeared in the last issue of THE MASK (November, 1952).

Silly, juvenile, and wholly unwarranted bunk which one finds included in such questionnaires constitutes only one of the ways in which attempts are made to ridicule the college fraternity system. There are others. Not the least important to the welfare of the legitimate fraternity is the realization that a fly-by-night "organization," which has reared its head on various occasions over the years, is a continuous threat.

The November 4 issue of IRAC discusses this matter under the title of "What About TNE?" It is our feeling that this matter should be called to the attention of Kappa Psi men everywhere and therefore the article is being included here in its entirety. Read it Brothers and then think the matter over.

"Theta Nu Epsilon" was much discussed at National Interfraternity Conferences in the years just before and after World War I. These discussions and the accounts of the cooperative actions of the reputable fraternities to stamp it out are indexed in Conference *Yearbooks* under the general heading, "Organizations Antagonistic to Fraternity Ideals."

Today, there is evidence that Theta Nu Epsilon is again becoming a problem to college administrators and to fraternity leaders alike. They have welcomed, therefore, the following statement, which recently appeared in the bulletin of the National Association of Student Personnel Administrators:

"During the first twenty years of this century, Theta Nu Epsilon, TNE, operated a sub rosa, secret, interfraternity group. It was supposed to be a super select group of fraternity men with only the most influential and outstanding fraternity men being invited to membership.

"In most places it was a drinking group. In others it combined drinking, gambling, and women. Its objective was to control student activities and class politics with a definite objective of graft wherever possible. It was in continuous conflict with the National Interfraternity Conference and with college and university officials.

"Dean Thomas A. Clark led in the fight against the organization which wrecked many a good fraternity man for his own fraternity.

"From 1920 to 1930 the pressure on the group became so great that the officers of TNE made an attempt to ban secret chapters and sought the help of the National Interfraternity Conference in bringing the organization out into the open and operating it as a general social fraternity. Its success was nominal.

"It was never able to secure the charters of all of its secret chapters, and its past reputation was so bad that it was doomed to failure as a general fraternity. By the end of the depression years in the early 30's, it was dead as a general fraternity and little was heard of it for the next fifteen years.

(Continued on page 6)

At Province III Assembly, University of
North Carolina, Chapel Hill
December 6, 1952

Province III Assembly

John W. Boenigk, *Secretary*

The assembly of Province III was held at the Institute of Pharmacy Building, Chapel Hill, North Carolina, on December 6, 1952. Chapters in attendance included Gamma Tau, Theta, Beta Xi and Gamma Sigma. Chapters at Georgia and South Carolina were not represented. There were 43 members present including our national officers, Grand Regent Frank H. Eby, Grand Secretary-Treasurer Ray S. Kelley and Grand Vice Regent Milton Neuroth. Satrap John W. Schermerhorn was unable to be present due to illness of his wife. However, the meeting was ably conducted by Dr. Fred Semeniuk of Beta Xi.

During the morning session each chapter in attendance reported on its activities since the Grand Council Convention held in Detroit in 1951. Matters of interest to the province were then discussed and the session was concluded by a talk by Grand Regent Frank H. Eby, who discussed the contents and use of the new pledge hand book.

A fine luncheon was arranged for all present at the Carolina Inn. Carl T. Durham, senior congressman from North Carolina, spoke eloquently of his political career and his experience as chairman of the Atomic Energy Commission.

The afternoon session re-convened at 2:30 P.M. Brother Semeniuk called for the financial report requested by Dr. Kelley at the morning session. This was followed by considerable discussion and several useful means for supplementing chapter funds were suggested. In general, the financial aspects of the chapters seemed favorable. Another item of business discussed was the matter of "rough" initiation procedure followed by the chapters. It was evident that all chapters, for the most part, were conforming to the suggestions of Alpha Chapter.

The report of the nominating committee was accepted and its slate of officers were duly elected.

The report of the time and place committee was accepted and the next assembly of Province III will be held in Washington, D.C., some time in April, 1954.

The afternoon session ended with a brief talk by Grand Vice Regent Neuroth, who spoke on the importance of organizations in pharmacy.

A coffee hour was held at the Beta Xi house following the meeting. This proved to be a delightful event as it provided an opportunity to talk to Dean Brecht and his faculty and their wives, as well as the secretaries of the North Carolina Board of Pharmacy and State Pharmaceutical Association and their wives.

The assembly of Province III was successful and Beta Xi is to be congratulated for the excellent arrangements made for the convenience and comfort of the Brothers.

1. Grand Secretary-Treasurer Kelley and Mrs. M. L. Jacobs, widow of the late dean, Dr. Marion L. Jacobs.
2. Grand Secretary-Treasurer Kelley, Congressman Durham, and Grand Regent Eby.
3. At the Friday Night get-together.
4. Grand Vice Regent Neuroth.
5. The Assembly Delegates and Guests.

Province V Assembly

Forest Park Hotel, St. Louis, Mo., December 27, 1952

The meeting was called to order by Brother Thayer. Delegates' answer to the roll-call were as follows: Kenneth Doders of Beta Chi Chapter; Howard Kaiser and Wayne Wagers of Rho Chapter; Thomas Riggins of Beta Rho Chapter; Rudy Guber of Gamma Gamma Chapter; Ernest Winkleman and Robert O'Donnell of Gamma Pi Chapter. Psi, Gamma Epsilon, Gamma Zeta, and Gamma Omicron Chapters were not represented by delegates at this meeting. Present as guests were C. Lee Huyck, Gerald Henney, Charles Rabe, and Mr. Tochstein.

The regular business of the meeting was carried out and the following officers of the Province were elected: Satrap, C. Lee Huyck; Vice Satrap, Wayne Wagers; Secretary, Karl K. Goldner; and Treasurer, Brother McNeal of Beta Chi Chapter.

A buffet luncheon was served at noon at the St. Louis College of Pharmacy and Allied Sciences.

Other matters considered at this meeting included possible times and places of the next biennial assembly, how a Province V delegate to the next National Grand Council Convention should be selected, and possible changes in the constitution of the national organization.

All delegates present seemed of the opinion that the meeting was a success.

Take Heed Brothers!

(Continued from page 3)

"It should be added that in the period of its greatest activity as a secret organization, the majority of national fraternities passed legislation barring membership in Theta Nu Epsilon, Kappa Beta Phi, Tri Psi, and similar organizations antagonistic to the objectives of fraternities. The National Interfraternity Conference backed this activity completely and assisted wherever possible in the elimination of the organization as a disreputable outfit.

"There seems to be little doubt that in the earlier days TNE was promoted by unscrupulous jewelry salesmen who secured badges from small unknown manufacturers. All of the leading manufacturers of fraternity jewelry refused to manufacture pins or badges. These jewelry salesmen, whether authorized by the national or not, formed chapters, sold badges, and made large profits on the "glamorous appeal" of the secret organization.

"Within the past few years, TNE has again been appearing in various parts of the country. Its appearances would lead to the conclusion that it is being promoted again by unscrupulous jewelry salesmen. Its objectives are again the same, namely, the control of student activities, elections, the promotion of drinking, gambling and wherever possible graft for the benefit of the members."

All fraternity men should be on the alert for TNE and its counterparts and should join forces in opposing such organizations. Once TNE gains a foothold, it may undermine student leadership, arouse antipathy for reputable Greek letter organizations, and cause strife and dissension in interfraternity councils.

A Report on the Civic Activities of the Collegiate Chapters, Kappa Psi Pharmaceutical Fraternity

Frank H. Eby, *Grand Regent*

During the last several years there has been a concerted effort on the part of many fraternities to develop in their members a sense of their civic responsibility toward the colleges and the college communities. As a result many constructive and outstanding services have been performed and much favorable publicity has been received.

Many chapters have been reluctant to report on their civic activities because they feel that their contributions are small and are of no great importance. This makes it difficult to obtain a complete picture of the constructive services and many important contributions which are being made by college fraternities today.

In the near future the Interfraternity Research and Advisory Council (IRAC) will publish a booklet covering the civic activities of college fraternities. It is intended to bring to the attention of the fraternity world and the public, the idea that most college fraternities are unselfish and that they participate in a wide variety of charitable and other civic activities.

Although it has been known for some time that a number of Kappa Psi Chapters have performed for some years, a variety of unselfish services in their respective colleges and for various organizations, institutions and unfortunate individuals in the college communities, no summary of these activities has ever been made and no report has ever been published. Last December the Grand Regent made a survey to determine just how much the chapters accomplished during 1952. The results as a whole are very gratifying and every Kappa Psi member can be proud of the record. A review of the activities of our fraternity will appear in the IRAC booklet mentioned previously. It will differ somewhat from this one appearing in *THE MASK* because of additional information which was not available when the earlier report was prepared.

The following brief summary is presented so that our entire membership may know how much has been accomplished by our Collegiate Chapters during just one year, 1952. We hope the report will serve as an incentive for all the Chapters to continue their fine work where charitable or other civic activities have been established and that in 1953 every Collegiate Chapter of Kappa Psi can report some contribution or unselfish service. In addition, we trust that the Chapters will continue to perform a variety of constructive services in the interest of their respective colleges.

Among the many activities reported, the following are of special interest:

EIGHTEEN chapters performed special services in their respective colleges.

SIX chapters participated in improvement programs in the colleges or on their local campuses.

ONE chapter contributed a special gift of equipment to the college.

TWELVE chapters contributed cash to welfare funds in their college communities.

SIX chapters took an active part in organized fund-raising campaigns for charitable purposes.

ONE chapter took part in a community "clean up" program.

SIX chapters assisted orphanages by making contributions of food, clothing, gifts, or financial aid or by labor services such as painting, carpentry and general renovating.

ONE chapter gave financial aid to a home for crippled children.

TWO chapters performed manual labor for charitable organizations.

ONE chapter collected a special fund of \$1200 for a member of the Fraternity who was injured in an intramural football game.

THREE chapters held parties at Christmas for underprivileged children.

SIX chapters gave clothing, food, or Christmas baskets to needy families.

THREE chapters assisted neighbors by shoveling snow, cleaning house, and by doing other necessary odd jobs.

FIVE chapters participated in blood donor programs.

To the following Collegiate Chapters the Grand Regent expresses his gratitude and thanks for their cooperation and return of reports which made the above review of chapter activities possible:

Gamma	Rho	Beta Kappa	Beta Phi	Gamma
Epsilon	Chi	Beta Lambda	Beta Chi	Omicron
Eta	Psi	Beta Xi	Beta Psi	Gamma Pi
Theta	Omega	Beta Omicron	Beta Omega	Gamma Rho
Mu	Beta Gamma	Beta Rho	Gamma Gamma	Gamma Tau
Nu	Beta Epsilon	Beta Sigma	Gamma Delta	Gamma Phi
Pi	Beta Zeta	Beta Upsilon	Gamma Epsilon	Gamma Chi

National Honor Roll Supplement

SECRETARIES AND WORLD WAR II VETERANS PLEASE READ

Another supplement to the National Honor Roll will be published in some future issue of THE MASK. Names which did not appear in the roll published in July, 1948, or in the supplements of July, 1949, 1950, and 1951, or of November, 1952, should be mailed to the Editor promptly.

If you are a veteran of World War II, and your name has neither been published nor sent in for publication, ask your chapter secretary to forward it, or send it in yourself if you are an unaffiliated member. When you became a member of Kappa Psi makes no difference insofar as the Honor Roll is concerned as long as you are a veteran of World War II. *A veteran who is pledged becomes eligible for the roll only upon being initiated.*

Chapter secretaries are requested to attend to the task of submitting names for the Honor Roll, if they have not already done so. It is important that collegiate chapter affiliation, past or present, be stated whenever names are sent in for inclusion in the supplement. If you know of any Brothers who lost their lives while in the service during World War II indicate this when sending in their names.

Won't you help in making the Honor Roll as nearly complete as possible? Send all names to the Editor of THE MASK.

CORRECTION

The name of John Donald James of 189B Calhoun Street, Charleston, South Carolina, appeared in the Mu Chapter new member list in the July, 1952 issue of THE MASK. This new member's name should have appeared under Iota Chapter.

From the Desk of the Grand Secretary-Treasurer

Ray S. Kelley

A Happy New Year to all Brothers of Kappa Psi. May the year 1953 bring very real success to each of you. It is our sincere wish and prayer that this coming year will see the end of strife, bloodshed, and the sadness resulting from these evils. Many say that this world turmoil is a part of the Divine plan. To me such a belief would bring a feeling of utter helplessness for it would mean living in a world devoid of any hope. My feeling is that the turmoil is the result of human frailty and can only be relieved through our will to seek Divine guidance and our earnest desire to re-learn and follow the teachings of Him who died for the sins of

the world. In this re-education we can find real hope for ourselves, our country and the world.

A recent Bulletin from Russell G. Glass, President of the Professional Interfraternity Conference (PIC), states that the members of the PIC are missing an excellent opportunity of doing some excellent promotional work for our individual fraternities by not supplying material to be included in the Interfraternity Research and Advisory Council (IRAC) Bulletin. Every chapter of Kappa Psi is doing many things of worth-while value. Send us a note concerning these activities. As an example, Beta Chi reported the winning of a trophy for Campus Carnival which is a campaign to raise money for the Red Cross, polio, etc. It is such items of assistance to civic or campus communities that will be of value to the Bulletin. Reports emphasizing Help Week instead of Hell Week are also of interest. If your college or local paper carries an item of this nature, send the paper to us.

Grand Regent Eby recently completed a survey to determine the charitable and community activities of the Collegiate Chapters. The results of that survey are printed elsewhere in *THE MASK*. We are proud of the work being done, but why wait for a survey to report upon these very fine activities? Send a report of these activities to the G.S.T. This is the type of news we want to include in *THE MASK* and in the IRAC Bulletin.

Page proof for the revised Constitution is in the hands of the printers. We hope to complete publication and commence distribution by the end of January. Your Chapter Secretary will be notified when they are mailed to the chapter.

A report of the Province III Assembly is given elsewhere. It was a well attended and excellent meeting. Despite his gray hairs and the infirmities of age your G.S.T. finds real enjoyment and gains inspiration from these meetings with you either in the Province Assemblies or in visiting the individual chapters. Such meetings strengthen our fraternity through an exchange of ideas and by presenting the opportunity of becoming better acquainted with each other.

Some notes on Province III Assembly: Beta Xi as always the perfect host. The thanks of G.R. Eby and your GST to Brothers Brown, Bland, Smith, Hackney, Perrow, Blanton, Mebrane, King, and L. Ferguson for transportation from Raleigh to Chapel Hill.

Our worries: Would we make the train Sunday morning? Three alarm clocks and a

telephone call brought forth Brothers Perrow and L. Ferguson and our worries were over.

Our congratulations to everyone present—for all contributed to the success of the meeting. A special word of praise to Brother Semeniuk for conducting the business sessions in a dignified and businesslike manner.

Success to the new officers of Province III and appreciation for the fine work of the retiring officers.

A note to Brother Ben Collins. You have some very lovely "in-laws." Your G.S.T. appreciates such fine company on the return to the Inn. Is G. K.'s face red? Brother Curtis also seemed to be in good company.

To Congressman Durham (Beta Xi): we did appreciate your after-luncheon message and were honored to have you with us.

The Coffee hour: dignified, pleasant; and an opportunity to meet the Dean and other members of the faculty with their wives.

The great mystery: Why was G.R. Eby, a veteran of the "big war" when we had wooden ships and iron men, given a key that fitted the locks of two rooms? Your G.S.T. kept everything under control.

The great question: When do we meet again?

We are grateful for the many Christmas cards with their messages of good-will.

Again, a Happy 1953.

"Mask" Copies Available

The Central Office has a limited number of copies of THE MASK available to chapters who may wish to distribute them to prospective pledges. Requests for them should be made directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15.

Members in the Service*

EDITOR'S COMMENT: *From information which has come to this desk it is understood that the members whose names are listed below are now in the Armed Forces of the United States. Undoubtedly there are others whose names should be included in such a list and it is sincerely hoped that Chapter Historians will furnish this office with such names.*

(Neither this list nor similar ones which may appear in future issues of THE MASK should be confused with the National Honor Roll for World War II which has appeared in the issues of July 1948, 1949, 1950, 1951 and November 1952.)

William Artz	Beta Omega	Ray Kramer	Chi

* EDITOR'S NOTE: *The name of Steven P. Themes of Mu Chapter should not have been included in the list published on page 44 of the January, 1952 issue of THE MASK.*

CHANGES OF ADDRESS

Members are requested to help in keeping THE MASK mailing list as accurate as possible.

Include your old as well as your new address. It is suggested that you also state your collegiate chapter affiliation.

Mail your notification directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15, Massachusetts.

Members Now in the Service

The Editor requests that Chapter Historians and others submit to him the names and chapter affiliations of Kappa Psi men now known to be serving in the armed forces of the United States. Be certain of the accuracy of your information.

Do You Realize That . . . ?

In 289 domestic disaster relief operations during the 1951-52 fiscal year, your Red Cross provided emergency or rehabilitation assistance to 32,000 families in 45 states and Alaska, in addition to the 27,000 families aided in the Kansas-Missouri-Oklahoma-Illinois flood during the summer of 1951. This was the costliest disaster year for the Red Cross since 1937.

Only Delaware, Idaho, New Hampshire, and the District of Columbia did not require Red Cross disaster relief assistance during the 1951-52 fiscal year. Even far-off Alaska needed Red Cross assistance for 44 families who were victims of the first serious fire in Wrangell since 1906.

Half the hospitals in the United States look to the Red Cross for all or part of the blood needed to treat their patients. During the fiscal year ended June 30, 1952, the Red Cross collected 1,681,500 pints of blood for civilian, military, and veteran hospitals in this country. The Red Cross and co-operating blood banks collected an additional 2,439,700 pints for shipment to Korea and for dried plasma defense reserves.

Since the beginning of the Korean conflict, 850 tons of supplies, at an estimated cost of more than \$485,000, have been shipped by your Red Cross to the troops in Korea. These supplies included 21,486,000 envelopes, 34,841,000 letterheads, 436,000 toothbrushes, as well as thousands of books, kit bags, combs, mirrors, razors, cards, pencils, and other needed items.

During the 1951-52 fiscal year a monthly average of more than 35,000 Red Cross volunteers served a total of nearly 3,780,000 hours for U. S. military hospitals and installations at home and abroad, providing innumerable welfare, recreation, and personal services for ill and able-bodied servicemen and women.

Servicemen, veterans, and their dependents received more than \$11,000,000 in financial assistance from the people of the United States through Red Cross chapters and field directors during the 1951-52 fiscal year.

Red Cross personnel serving 84 VA offices during the 1951-52 fiscal year helped veterans with their claims for veterans benefits at the rate of 30,500 cases a month. As of June 30, 1952, your Red Cross held more than 1,385,000 powers of attorney for veterans who had applied for government benefits.

Answer the Call

Every month in the year thousands of people in need or distress reach out to the Red Cross for the help they must have, help that comes from the generous efforts and support of housewives, businessmen, industrial workers, school children, professional workers—your next door neighbors—and countless others who serve their fellow man through the Red Cross.

In a time of tension and cynicism it is well to be reminded of the inherent goodness of people, to call attention to their constant voluntary efforts to make life a little better for the men and women in the armed forces, for hospitalized veterans, for disaster sufferers, and for those in need in other lands.

Although the heart and hands of the Red Cross are provided by hundreds of thousands of volunteers, money is also needed to collect blood; to provide financial assistance for servicemen, veterans, and their dependents; to furnish emergency aid and rehabilitation to disaster victims—services that can be provided only through the voluntary financial support of millions of Americans.

Every March Red Cross volunteers turn to their neighbors and ask help in answering the call of those in need. Let us respond generously to this appeal so that we can answer the call of humanity through our Red Cross.

Concerning the Korean GI Bill

Material Selected from VA Information Service

Release Dated December 3, 1952

Q—Just what is the education and training program of the Korean GI Bill?

A—It is a program of furnishing financial aid for schooling and training to eligible veterans who served after June 27, 1950, the date of the outbreak of the Korean conflict.

Q—Who is eligible for training?

A—A veteran is eligible if he meets all of these requirements: (1) a discharge or release from service under conditions other than dishonorable; (2) active military duty any time after June 27, 1950, and before the end of the present emergency, and (3) at least 90 days total service, unless discharged sooner for an actual service-incurred disability.

Q—Must a veteran have served in Korea to be eligible for the training benefits?

A—No. He may have served in the armed forces any place in the world—in the United States or abroad—and not necessarily in Korea.

Q—How much training entitlement does a veteran get?

A—An eligible veteran's maximum period of entitlement is computed on the basis of one and one-half days for each day spent in service on and after June 27, 1950, and prior to the end of the present emergency period.

Q—What is the top amount of training a veteran may receive?

A—The maximum is 36 months of training.

Q—How does a veteran go about applying for Korean GI Bill training?

A—He must obtain an application blank—VA Form 7-1990—at any VA office; fill it out completely; attach photostatic or certified copies of both sides of his discharge or separation paper (Form DD 214), and send it to his nearest VA regional office. The application should *not* be mailed to VA headquarters in Washington, D.C.

Q—What is the next step?

A—If the veteran's application is in order, VA will send him a Certificate for Education and Training—VA Form 7-1993. He presents this to his school or training establishment, and arranges with the school or establishment to start his training.

Q—Is a veteran supposed to put down his training program in his application?

A—Yes. If he's aiming for a college degree, he should state the degree. If he's going to college not for a degree, he should list the subjects making up his program. If he's going to school below the college level, he should list the courses leading to his objective. And if he's training on-the-job, he should put down the employment objective for which the course will qualify him.

Q—What is the deadline for starting training under the Korean GI Bill?

- A—A veteran discharged before August 20, 1952, must start before August 20, 1954.
A veteran discharged on or after August 20, 1952, has two years from his date of discharge or separation in which to begin.
- Q—Are there any requirements as to continuous training after the starting deadline?
- A—Yes. A veteran in training after his starting deadline must generally pursue his course continuously until it is completed. But he has the right to suspend training for periods of not more than 12 consecutive months—and may suspend even longer, if he can prove to VA that the suspension over 12 months was due to reasons beyond his control.
- Q—How are payments made under the Korean GI Bill?
- A—A veteran in training receives an education and training allowance each month from the Government. This is the only payment made; VA will not pay for tuition and fees separately to the school. With the help of the allowance, the veteran must meet all his own training expenses.
- Q—When are the allowances paid?
- A—A veteran will get his monthly allowance some time after the end of each month of training completed. But before VA can pay him, it must get a certification signed by the veteran and his school or establishment that he was actually taking his course during that period. Normally, a veteran's check should go out within 20 days after the time VA gets the certification.
- Q—What are full- and part-time training requirements in an undergraduate course offered by an accredited college or university?
- A—Full time: at least 14 semester-hours or the equivalent. Three-quarters time: between 10 and 14 semester-hours. Half-time: between 7 and 10 semester-hours. Less than half-time: under 7 semester-hours.
- Q—How about college training at the graduate or advanced professional level?
- A—VA will accept the word of a responsible official of the school as to whether a veteran is taking full-time or part-time training, so long as he is a resident student. Courses pursued in absentia, however, will be considered as less than half-time.
- Q—May a veteran enroll under the Korean GI Bill in any school or training establishment that he wants?
- A—He may choose his own school, so long as it will accept and retain him in whatever field it finds him qualified for, and so long as his course has been approved for Korean GI training by an appropriate State Approving Agency. Certain types of schools also must meet other requirements.
- Q—May a school, approved under the World War II GI Bill, train veterans under the Korean GI Bill without further approval?
- A—No. The courses offered by schools and training establishments must be specifically approved for training under the Korean GI Bill. World War II approval does not carry over.

Youth and Experience

Dr. Ralph W. Sockman, *Minister Christ Church, New York City**

(From the Report of the 44th Annual Session of the Professional Interfraternity Conference)

This conference represents the combination of youth and experience. The late John Buchan, governor general of Canada, was a young lawyer in London, and he wrote in his later years that one of the great inspirations of his professional career as a young man was to meet with the older members of the bar, discuss questions with them at dinners, and have the feeling of their fellowship. He said he deplored separating into age groups.

As I look back to my college days, I recall what it meant to me as an undergraduate to have the alumni come around for our gatherings. I can remember the lift we got from seeing men who had attained distinction, yet felt a certain continuing nearness to our chapter. We got a lift from the alumni. And I think we owe a debt to those men who like you do keep up this interest in undergraduate life. It is a service you render far beyond your power to measure. And I think you get something out of it too.

Now, those chapters of ours were sinking the interests of the students into something bigger than themselves. They took us from our precollege days when we were born egotists and gave us a larger loyalty.

We need it just as much in later life. So I think we get in this Conference and through the efforts of you men who do keep your contacts with the colleges that blending of youth and experience which helps to counteract the centrifugal scattering force of our competitive world.

The second combination that I think this Conference represents is the one between the college institution and the fraternity chapter. I know that some administrators are rather prone to look upon fraternities as problems. But I read with great interest that the first two Criteria of the National Interfraternity Conference are to place the fraternity quite in line with the higher loyalty to the college. You can't have good fellowship in any group without a higher loyalty. A group can't revolve around itself. You could not take these college fraternities off the campus, out of the college atmosphere, and make them really effective, could you? You could not get a group of fellows together in a good, wholesome way like that unless they were held to the higher interests, the bigger things, of the college. Just getting people together, you know, isn't really fraternal. You don't make people friendly by putting them together. They just see their differences, and that accentuates their contrasts.

We need as a fraternity that higher loyalty of the college to make our chapters function as fraternities. And I think you college administrators will have to admit that the fraternity does something you can't quite do without them. How could you take great student bodies such as we have now and hold them together if there weren't these natural groups which bring out the qualities in men that education should develop?

Someone a few years ago said that in secular education the accent is on the verbs "to know," "to get," "to do," but in education inspired and motivated by religion it is on the verbs "to be," "to obey," "to serve," and "to dedicate."

I am convinced that you have got to get that second group of verbs into education; just to get to know doesn't do the job.

Suppose I had remembered ninety-eight per cent of all my professors taught me thirty-five years ago? I could not keep mental company with a high school boy today on a college

* Portions of an address given at the National Interfraternity Conference luncheon, November 28, 1952, New York City, by the minister of the Christ Church (Methodist) in New York, a graduate of Ohio Wesleyan University, and a member of Phi Delta Theta Fraternity.

education gained thirty-five or forty years ago. Facts go out of date. But attitudes, directions, they last. You don't outgrow a direction. North is always north. East is always east. You get things in college through the fraternity that are an integral part of education, and I would like to ask the educators just what would be their substitute if you took fraternities off the campuses.

I have felt for quite a while that one of the basic needs of our day, rather, one of the basic ills of our day, is a kind of moral and social awkwardness. That is, we have ideals, we have good impulses, but we are so inept in practicing them. We cheer for world peace, we cheer for racial brotherhood and industrial harmony. But we are awkward in approaching those things.

Take a little two-year-old boy who has just learned to walk. Why is he awkward in walking? He has reached the stage where he has the impulse to walk, but he hasn't yet mastered it; he has to think about that next step. He is also awkward in talking. Why? For the same reason. He has reached the stage where he has the impulse to talk and not the ability for it. How will he do it? I might read to him a whole treatise on Greek dancing. It wouldn't help him one iota on walking. And I might read a whole book on college rhetoric. It wouldn't help him in talking.

What that little fellow needs and what he gets is a nursery floor on which to walk and a mother and a father to help him walk and talk. In other words, what we need to get through this awkward stage where we have the big ideals and the poor practice is more local drill grounds and personal guidance. I think the fraternity at that point renders an invaluable service to the nation.

The third and last combination that I feel is typified here is this, the large outlook and the local application. I believe every college and fraternity has to be liberated from its provincialism. Campuses can get provincial, and it is a fine thing for a chapter to realize it belongs to a great national fraternity.

One of the heartening things, as I have been around campuses this last year or two, is to see how much more interest the undergraduate chapters showed in national fraternity policies.

We have to have a long view of fraternities as well as a short view. I have been told—I have never got the facts on it—that Robert Browning had one eye that was “farsighted” and one eye that was “nearsighted,” and when he wanted to see the distant object he closed one eye and kept the other open and when he wanted to see the close-up object he did the reverse. And in that way he saw the long and the short of it. We need to see that about fraternities, to see the long range and the short view.

I have often thought that was part of the genius of Abraham Lincoln. When he was a lawyer in Springfield he would sit back of the stove in the village store and see how slavery affected the whole reaches of the republic; then when he got into the White House he had the imagination to feel and see how the war affected the boys back home.

In the chapter house we need to get that long view, to see how policies affect the whole fraternity, and then when we get into the alumni and leadership places of the fraternity we must see how life looks to the boys in those chapters. It seems to me that what we need is patience now in some of our problems. I think we will solve them not by forums and discussions that may sometimes get quite agitated.

What we must do is get back to those first principles of our fraternities, do the kind of thing that Washington gladly did when he was a boy out in Ohio. He was always holding up big problems. He wrote these lines:

“I know that right is right, and it is not good to lie;

“That love is better than spite and a neighbor than a spy.

“In the darkest night of the year, when the stars are all gone out,

“Courage is better than fear, and faith is truer than doubt.”

(Continued on page 36)

Chapter Letters

GAMMA—COLUMBIA UNIVERSITY

Gamma Chapter is now in the midst of its pledge period. After our most impressive and successful dinner-smoker, which was held November 20, a few men have qualified for Kappa Psi and have been pledged by Gamma. Attending the smoker were all collegiate members, their guests, Dean E. Leuallen, and members of the New York Graduate Chapter. Those representing the graduate chapter included five members of the Columbia College of Pharmacy Board of Trustees.

To all, we wish to extend our heartiest thanks in making this very important function a successful one.

Gamma will be on vacation from December 20, 1952 to January 5, 1953 to celebrate the Christmas holidays. During this time a New Year's party is scheduled. The next newsletter to reach THE MASK will have details as to the goings on.

NOTICE . . . Brother Bob Murdock a graduate member of Gamma has recently moved and his new address is as follows: 89-01 107th Street, Richmond Hill, L.I., N.Y.

The first thing on schedule for the New Year is to get our fifth annual fraternity raffle, the proceeds of which for the second year, will be placed into our fraternity house fund, started and rolling. The raffle will be held at our spring dance in April and we expect it will be just as successful as it has been in the past.

After this has been set on wheels the initiation of new members will take place. The date for this will be early February. All graduate members will be notified as to the exact date and we hope they will attend the little get-together following the installation.

The C.U.C.P. trip to Detroit and Kalamazoo is drawing nearer and so is the time when the Brothers of Gamma will have the pleasure of meeting the Brothers of Mu Omicron Pi.

Gamma wishes to extend a belated Merry Christmas and Happy New Year to all brothers of Kappa Psi.

Fraternally,
WILLIAM J. TILLMAN, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

The fall quarter is almost over here at Minnesota and everyone in our chapter is settling down to the all important business of final exams. The parties are over and study is king.

Plans for next quarter are already under way and a smoker is scheduled for the second week of the winter session.

The homecoming dinner-dance was held November 1 at the Normandy Hotel in downtown Minneapolis. There were approximately fifty couples in attendance. Dr. DiGangi and Dr. Miller, faculty members of the College of Pharmacy, along with Gordon McGuire, a graduate student from

Connecticut, were among the many who attended the event. A steak dinner was served at eight o'clock and a drawing followed. Prizes were donated by local drug companies. The class of 1929 contributed a singing aggregation to the evening's fun. The festivities ended with dancing from 10 to 12:30.

December 5, the Chapter held fall quarter initiation at Dovre Hall in northeast Minneapolis. Card playing preceded the initiation ceremonies and the evening was topped off with a lunch. Dr. DiGangi, Gordon McGuire, faculty members, and Bernard Koenig, Stanley Gallup, and Herm Bieze, alumni of Kappa Psi, were in attendance and all had a memorable time. Those initiated were: Winston Anderson (St. Peter), Robert Benedict (Minneapolis), Roland Leuzinger (St. Paul), Raymond Rantala (Virginia), and C. Eugene Thompson (Minneapolis).

The College of Pharmacy will hold a Christmas party on December 11. Free gifts will be distributed and a big time is in store for everyone. It will be enjoyed jointly by Kappa Psi, Phi Delta Chi, and Kappa Epsilon.

Our bowling team has been hitting the win column quite frequently lately and look like they may be going places. Members of the team are as follows: Don Brandt, Lindley Cates, John Dearman, Howard Ekberg, Mike Martell, Bill Kellerman, James Schroeder, and Arnie Vasenden.

Fraternally,
DAVEY L. MCINNIS, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Since the last reporting, Eta Chapter has held several social events. One was held in celebration of the initiation of Alfonso Gennaro as a facultate member. He is an instructor of chemistry at P.C.P.&S. We also held two successful rush parties through which we met the freshmen and introduced our fraternity. Quarterly examinations closely followed the last party. Then came a short respite in Thanksgiving vacation.

Upon returning from vacation we enjoyed the first of our yearly dances. It was held at the Riverton Country Club in New Jersey, and was an informal affair. This dance is followed in March by a formal dinner dance which is the major social event of Eta Chapter each year.

This year the Brothers decorated the chapter house for the Christmas season. This is the first time this was done in the history of the house and the effect produced was well worth the time it required. The decorations were completed in time for a party with our sister group, Lambda Kappa Sigma. This party was the last of the semester, a semester which has produced many pleasant memories for the Brothers, especially for Brother Fred Appleby who married one of the graduate members of Lambda.

At Mu Chapter Record Hop, Elks' Club, Brookline—November 18, 1952

That completes this reporting, so until the next I remain,

Fraternally,
JOHN BROWN, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

Since the last news letter, Theta Chapter has been busy with many important events such as the Province III convention and pledge week.

On December 6, Province III held its annual convention at the University of North Carolina. Theta Chapter sent five representatives to the convention and I am pleased to say that all were treated very royally. At this meeting, Theta was honored by having two of its faculty members elected as officers of the Province. Brother John Boenigk was elected secretary and Brother James Young was elected historian.

At the time of writing this letter, we are in the middle of pledging new members. We have arranged many things to keep the new pledges busy, such as several parties among which was a Christmas party that was well attended by everyone. "Hell Week" has been arranged for the week of January 19 through the 24. During this time, I expect the fraternity house will be cleaner than at any other time since the last pledges came in. Also plans have been formulated for our annual banquet and formal dance to be held January 31 at the Hotel John Marshall.

At this time, Theta Chapter would like to extend best wishes for a happy and prosperous New Year to all members of Kappa Psi.

Fraternally yours,
HUNTER M. GAUNT, JR., *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

With the closing of the first half of the school year, once again Mu Chapter reports an active and prosperous quarter.

On Friday evening, October 31 the Chapter attended the Boston College-Clemson football game. I don't know who was in better spirits that evening after the game, Clemson or Mu Chapter. I'm not sure about the Clemson squad, but the Chapter members were in wonderful spirits.

Tuesday evening, November 18 was the date of our first Record Hop this year at the Elks' Home in Brookline. Again this year as last, it was a terrific success. It seems that we have a few Thespians in our group, whose hammy attempts provided some variety during the evening. With Ray "Bob Clayton" Gosselin spinning the discs and Ted Sannella calling the square dances, all went well and a good time was had by all.

Our bowling banquet was held on Tuesday evening, December 2 at the Cafe Amalfi. After a wonderful meal, the Chapter members proceeded to the Huntington Alleys where a bowling match was held. The winner of our "3-string" bowling match this year was Charles Magnani, Mu's nomination for "bowler of the year." Charlie's pinfall was 323.

December 9 was the long awaited Tuesday for our sophomore members. That day climaxed a week's pre-initiation period. From what I understand the pledges were kept quite happy during this period. Seven upperclassmen were initiated at this time. They were: George LaFleur, Berlin, N.H.; Fred Murphy, Jr., Hyde Park; Carmin Spiro, Waltham; and Joe Wells, Waltham, all

of whom are sophomores: three juniors were Philip Babcock, Bolton; Leo Bachilas, Arlington; and Paul Sheehan, Brighton. Congrats to these new brothers. We're glad to have them with us.

That evening two fraternity jackets were raffled off and Paul LeSage and yours truly, George Susla, were the lucky winners. This year after much debate jackets were finally purchased. Many thanks are due Brother Art Nichols for his efforts in obtaining them, and for his hard work as chairman of the Co-op Committee.

Congratulations are in order for Tony Sinsigalli and Pat Crane of Warehouse Point, Connecticut, who were wed on November 15. Tony, who transferred to the University of Connecticut this past fall, had been a member of Mu Chapter for 3 years. Stan Blanchfield was best man at the wedding and presented the newlyweds with a table lighter as a gift from the Chapter. May we congratulate them and wish them the best of luck always.

MU MUTTERINGS . . . A familiar figure in the halls the past few days is Lt. Robert Gerroughty, U.S.A.F., a graduate member of Mu. Everyone was glad to see Bob, including the faculty, to whom he was a "menace." For anyone interested, his present address is: Lt. R. J. Gerroughty A.O. 2240263, 465th Medical Group T.A.C., Miami International Airport, Miami, Florida.

Congratulations to Brother Tom Perkins, Jack MacHardy, Paul LeSage, Ed Feroli, and Bill Birch who were elected to the Student Council. Tom Perkins is vice-president of this group.

"Congrats" also to Brother Russell G. Wagner, who was elected president of the Senior Class, and Stan Blanchfield, who was elected vice-president of the Junior Class. Russ is, at present, the Regent of Mu, and Stan, the editor of the chapter publication, "The Newsletter." Also to Jack Elder who was elected general chairman of all Senior activities.

Alumni notes: P. C. (Pat) O'Donnell of Searsport Drug has been appointed to the Maine Commission of Pharmacy. Paul Brault is now living at 214 Regina St., Apartment 102, Alexandria, Virginia. We believe that he is with Peoples' Drug Company. Ed Freeman is the proprietor of a retail drugstore in Wilton, Maine. Best wishes to all three of these alumni Brothers.

So with this news I close, wishing all Brothers of Kappa Psi a Merry Christmas and a Happy New Year.

Fraternally yours,
GEORGE SUSLA, *Historian*

MU OMICRON PI—DETROIT INSTITUTE OF TECHNOLOGY

Well here it is time to sit down at the typewriter again and write another story that might be of interest to you my Brothers.

Pledging here at Mu Omicron Pi for the fall semester started October 27 and five pledges started. The initiation period progressed smoothly this semester as did our other pledging periods. This pledging period was the most constructive period ever carried out by our chapter. Constructive work was done at school. The library was cleaned and books were bound. All the ring stands at the school were sanded and painted by the pledges. The pledges also packed envelopes for the Christmas Seal Drive of the Tuberculosis Society.

Activities at Mu Omicron Pi Chapter

The bottle hunt was held in Canada and the first degree was given to the pledges. After the ritual an evening of social activities followed. . . .

The formal initiation was held at Thomas' Edgewater Inn, Windsor, Canada. Dean Waldon was the main speaker of the evening. Mr. Melton, our faculty advisor and Brother Wells A. Shulls were present. Mr. Melton presented a short and very constructive speech.

The pledges who started pledging and who are now our fraternal brothers are: Donald Dirven, Edward Fox, Howard Mordue, and John Shearer. This pledge period gave us only four Brothers because of the ineligibility of students just entering school.

Congratulations are in order to James Ladd of the collegiate chapter and John McDonald (Jerry) of the graduate chapter and their new brides.

Bill Ardt and his blood donors went to the Red Cross in a body on December 2 and donated much needed blood to the Red Cross.

Class elections were held in the Pharmacy College and oddly enough the same two offices in the Senior and Junior Classes were captured by Brothers of Kappa Psi. Paul Stefan was elected president of the Senior Class and Leonard Kon-drath was elected Treasurer of that same class. In the Junior Class elections Clebert Parker was elected president and Robert Svec, your Historian, was elected Treasurer.

It was learned last week that George Saylor, who graduated last June was teaching pharmacy in the army. Norbert Heidenberger, who was Regent of Mu Omicron Pi Chapter last year and a member of last June's graduation class is with the Military Police, the United States Army. John Buck a member of the June Class is with the Medical Corp of the United States Army.

Well this just about brings us up to date with the news from Mu Omicron Pi Chapter so, till next time, good luck and best wishes from all of us.

Fraternally yours,

ROBERT J. SVEC, *Historian*

NU—UNIVERSITY OF CONNECTICUT

The end of 1952 saw Nu Chapter in the midst of several activities. The highlight of the fall season was the fifth annual dinner dance, held on November 21 at The Hedges in New Britain. At intermission Miss Virginia Caregnato, pinned to Brother Jack Hartman, was crowned Kappa Psi Sweetheart and presented with a silver chocker and bracelet. All other girls married, engaged, or pinned to Brothers were given red carnations. Although the attendance fell below that of last year, all the Brothers and their dates made this affair a memorable one, as it has always been. Patrons and patronesses were Dean and Mrs. H. G. Hewitt, Grand Historian and Mrs. Nicholas Fenney, and Mr. and Mrs. Donald Thorpe, our resident counselors.

We have met and entertained several of the freshmen under the round-robin rushing program of the Mediator. A party is being planned for these men in the near future.

Nu Chapter celebrated Christmas in impressive fashion. We had a lighted and decorated tree on each of our two balconies, a lighted nativity scene in front of our house, and a tree in our lounge, which was also decorated for the season. The Christmas party on December 17 found our lounge packed with Brothers and their guests; our

only regret was that the curfew for the girls came much too soon.

Our next big event will be a formal dance, to be held jointly with the girls of Lambda Kappa Sigma, at the end of February.

Our furniture committee, after two months of work, has completed plans for furnishing our lounge, and we are planning a housewarming party for the grand opening, sometime early in the second semester.

This year for the first time in history Nu has a basketball team, and so far we have an unblemished record, having won our first two games.

At the present time four future Brothers, Eric Burton, Tom Casso, Gene Tanski, and Carl Nickle, are undergoing their pledging duties, under the direction of Pledgemaster Don Lack. A new pledging program, consisting of three weeks, is being introduced with this group. The first week will be devoted to instruction in the history and traditions of Kappa Psi and the second to constructive activity; for the third week they will be placed at the mercy of the Brothers.

Work on our house is progressing and we hope to have all the Brothers living under one roof sometime early in the second semester.

Already the seniors are looking forward to our trip to Chicago and Detroit the last week in March. We are hoping to contact some of the midwestern chapters while we are out there, that is, if we are in any condition to do so.

Good luck to all brothers on their final exams.

Fraternally yours,

RAY BENNETT, *Historian*

PI—PURDUE UNIVERSITY

If you remember my last column, you'll recall a plea for letters from our alumni. Well, so far we're batting .000. Not a single line has been written to us. But I'm not giving up hope. Maybe after the Christmas Holidays your collective consciences will bother you enough to get some action with pen and paper.

We are assembling an alumni list and hope soon to be able to get some form of news letter out to our alumni Brothers. We are open for suggestions.

Pi has selected a pledge class, the first in the fall semester, to my knowledge. More about that in a later edition.

The program of educational movies sponsored by Pi Chapter is well underway now. With additional publicity scheduled we can expect better attendance.

Two of the Brothers have been honored by invitations to Activities Honoraries. Tom Peterson is anxiously awaiting Reamer initiation and Warren Davis has already become a member of the Gimlets. Brother Warren is also the sports editor for the campus daily.

December 11 is the date for the Annual Pharmacy Roundup. This is a Razz Session without parallel. The class of '53' is matching wits with the faculty. Quite an enjoyable evening is forecast. The affair is a joint operation with the student branch of The A.Ph.A., Kappa Epsilon, and Kappa Psi participating with the faculty in the organization of the evening's entertainment.

This will be a short column this issue. Next edition I'll have some more information about our pledges and some dope on next semester's program.

Fraternally,

JAMES VOLKEL

UPSILON—UNIVERSITY OF KENTUCKY

First I would like to take this time to apologize for not getting my report in last month, but also to alibi by telling you that we had just started on the new school year and activities hadn't gotten started by then.

We really started this school year rolling when we held our formal initiation and pledging ceremonies. The formal initiation was preceded by the informal initiation given two nights before. At this time we tested our prospective members to see if they were worthy of becoming our brothers in Kappa Psi. They all held up pretty good, of course some who insisted on trading licks may have found it rather painful sitting in school the next morning.

The formal initiation was held at the Oak Room in the Seelbach Hotel on October 13. At this time nine pledges became our Brothers in Kappa Psi and took their vows. These were:

Robert Raines a senior from Cumberland
Bill Earwood a senior from Greenup
William Schultz a junior from Louisville
Hurbert Betz a junior from Fort Thomas
James Fugate a junior from Cumberland
Edward Yeager a junior from Barbourville
Hayward Spinks a junior from Beaver Dam
Arza Ambergie a junior from Ashland
Edward Kreckler a junior from Louisville

Betz was chosen as the outstanding pledge for his all around school activities.

Also at this time we had the formal pledging ceremony. Two sophomores, Duncan Asher and J. Wheeler took their pledge vows at this time.

This was followed by a delicious chicken dinner. We were also proud to have some of our past graduate members with us at this function. They included J. Elms, B. Hamburger, C. Stamper, Dr. Morris, and T. Mayhugh.

We held our first dance of the season at the Grand Ball Room in the Seelbach Hotel on Halloween night. It was a costume ball and every one enjoyed himself to his fullest.

On December 4 we held our first Chapter stag at the 40 and 8 Club inviting all of the prospective pledges. We had lots of fun, food, and free beer. And some one as usual jumped up and yelled "Where's the cards"; the last man went broke about one o'clock in the morning and we called it a night.

The graduates of Kappa Psi held their first meeting on December 1. They are planning on re-activating the Graduate Chapter, which has been inactive for quite a few years. They report that 17 men were present and they expect more at their next meeting on January 5. At that time they plan to elect officers and really get the ball rolling. Our "hats off to you boys."

Fraternally Yours,
THOMAS A. KEMP, *Historian*

CHI—UNIVERSITY OF ILLINOIS

Exams are over; the boys at Beta Psi celebrate New Year with the boys of Beta Gamma, and we all vow to do more work in the coming school year. However, the Old Year shouldn't be dismissed too quickly because the fellows of Chi were engaged in a number of activities. The first

CHI CHAPTER OFFICERS, 1952-53

Standing: Otto Horacek, Sergeant at Arms; Norman Nelson, Chaplain; Don Gronewold, Treasurer; Jerry Dony, Historian. Seated: Edward Koziol, Secretary; Edmund Schmidt, Regent; Eugene Newberry, Vice Regent.

CHI CHAPTER—UNIVERSITY OF ILLINOIS

Top row: George Black, James Kelly, Norbert Bartnicki, Dale Pearson, Mathias Mertes, Max Ulrich, Don Lonhart, Roger Smitendorf, George Thies, John Eisenbart.

Second row: Robert Beagley, Don Thor, Alvin Anderson, James McKinney, Don Hoscheit, Bill Halik, Ben Mack, Ed Rafferty, Otto Horacek, Charles O'Brien, Third row: Larry Smith, Jerry Dony, Allen Gomoll, Ray Schlueter, Glenn Vann, Norman Nelson, John Kenshalo, Jerry Baldridge, Michael McNabb, Ray Broderick, Ed Dyja, Don Flynn.

Bottom row: Don Gronewold, Ed Koziol, Gene Newberry, Gregory Bukowski, Ed Schmidt, Dr. Crane, Professor Emig, Mr. Burucki, Mr. Susina, Dr. Webster.

of the fall season was the Halloween Hayride. Its success was mainly due to the correct recipe for things that go into a hayride: 60 volumes, equal parts, of well-spirited gals and guys; one big moon; blended voices to give smooth harmony. Mix together under the influence of a cool fall evening in a crowded hayrack until mirth bubbles over. Congratulations to Don Hoscheit and his able social committee for excellent planning. Another affair, the I. F. Dance, held jointly with Phi Delta Chi and Delta Kappa Sigma, didn't turn out too well. I'll not say anything other than, "Things will have to improve!" The Christmas party turned out to be a pleasant surprise because it had a little different flavor than the usual Yuletide get-togethers. Sentimentality and Christmas spirit were, if anything, intensified as well as the alcoholic content of the Tom & Jerry. The pledges had a nice time and voiced a collected opinion that they had never been to such an affair. On the subject of pledges they are shaping up well and will undoubtedly produce good "actives." Currently the actives are earnestly trying to impress the pledges with the basic ideas of fraternal life, the implications and responsibilities of our oath and the value of working to achieve good grades. We feel that good scholarship deserves to be stressed from the earliest moments of pledge-ship if Kappa Psi is to continue to turn out men of high caliber.

Chi Chatter: The Army is currently entertaining Big Jim Pisano, Ray Kramer, and Rube Reiser. If Rube should read this, I hope he knows he left a gallon jug of "Cherry Bounce" in the house. Other reports are not clear, but it seems that Hanus and Decker are in Japan practicing Army pharmacy. Jim McKinney and a pledge, Cliff Irwin, had a little auto accident and it will be some time before they will be back at school. Don Lussman, chem instructor has been dabbling in the department of Bio-chemistry to the effect of one bouncing baby girl born this past October. We recently heard that Tom Galick has opened a store in Danville, much luck to you, Tom. Walter Sauerberg has also opened a store, but at this writing I don't know where. No need to worry about Walter; it will be the income-tax-boys who will need the luck. Jack Cook, regent of the grad chapter, has been present at many of the pledge meetings and has shown slides of past parties. He has also been trying to strengthen the graduate chapter. His plan to do this is by contacting members directly via the newly purchased address-o-graph now at the house. Until the plan gets to working, watch for the graduate chapter letter in THE MASK.

A note of thanks to the Wisconsin chapter for the fine show of hospitality that was given to Ray Broderick, Ernie Suwalski, Ed Dyja, and Larry Smith. We also accept your apology.

At the present moment, the whole fraternity is engaged in working on the stage, props, and play for the coming Campus Carnival to be held as usual at the Union Building, March 7. Now the hammer and nails beckon—Auf Wiedersehen.

The Boys at Chi

JERRY DONY, *Historian*

BETA GAMMA—UNIVERSITY OF CALIFORNIA

The members and pledges of the Beta Gamma Chapter of Kappa Psi are being kept busy with

both fraternity functions and study for finals.

We are in the midst of pledging a pledge class of 19 men. Here are the names of the new pledges: Bob Abell, Bert Ballard, Gene Barton, Don Behler, Ron Depper, Bill Forrest, Dwight Fussell, E. E. Jacobson, Ron Kelly, Ed Kerns, Milt Kushnereit, Fred Mayer, Gene Petrovay, John Prioli, Rudy Renelles, Dave Schieser, John Serley, Dave Smith, and Norio Yamanaka. A dinner in honor of these pledges was held on November 18 at the Gold Spike Restaurant in the North Beach district of San Francisco. Thirty-one members and pledges wined and dined on some very excellent Italian cuisine.

During the past semester we have held two parties at the chapter house. One of these was to celebrate Cal's "Big Game" victory over Stanford. A Christmas party is being planned for December 18 and it is rumored that even Santa Claus may show up.

On Monday night December 8, a gathering of alumni, faculty, collegiate members, and pledges was held at the house. The feature of the evening was entertainment provided by Ed Kerns on the marimba. Also enjoyed by the 70 to 80 people who crowded the house was one of the most unusual instrumental duets in musical history. It was a marimba and a ukulele arrangement of "Bye, Bye Blues."

Tentative plans for the formation of a women's auxiliary to Beta Gamma Chapter are being made at present. Due to the large number of married members and pledges an attempt will be made to acquaint the wives with each other.

Fraternally yours,

HERBERT GREEN, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

At this writing, one quarter of the year's school work has passed, and the majority of us find that we have been able to survive in one way or another all that our instructors have cared to throw our way. I discover too, unbelievably, that the middle of the college year is just around the corner, and therefore take this opportunity to wish the Brothers of my chapter, and on their behalf our other Brothers as well, good luck and best wishes for the new year, which will be just getting under way at the printing of this issue of THE MASK.

Beta Delta Chapter held its big opening social event of the year just following the first quarter exams, in the form of a smoker and buffet luncheon for the men of the freshman class that they might better come to know us, and we with them. There were well over one hundred freshmen and fraternity Brothers at this Tuesday, November 11 meeting. The affair was a great success, the food being very excellent and bountiful, the liquid refreshments being equally abundant, and the spirit of joviality and good will and fellowship reigning over all. Since this meeting fell only a half week after the first quarter's examinations, it is needless for me to point out that all attending were in a mood for a fine time, and anxious to relieve the strain of the previous week's rigors.

On the week prior to Thanksgiving recess the fraternity received copies of the student directory from our printer, the fraternity publishing this directory for the students as a service to the

school. Each year we present this little book, containing the name, school and home addresses, and telephone number of every student and faculty member—to the students sometime before Christmas. This year the directory was presented somewhat earlier than heretofore, thanks to the efforts of the following Brothers: editor, John Monakey; assistants, Chester Kulp, Alfred Collins, Robert Brown, Gilbert Banker; and Mr. Hanmer our advisor.

The initiation of the upper class pledges was held December 10. Regent Nick Demchak worked very hard to make the pledging and initiation impressive and successful. The following pledges enjoyed various delicacies and were otherwise entertained on this evening: Edward Bernhauer of Johnson City; Edward Burns of Mohawk; George Ehrmann of Richfield Springs; Carmine Pezzulo of Chateaugay; Fred Welsh of Binghamton; and Lawrence Wetmore of Utica.

To these above men we say welcome. May you build, support, and strengthen Beta Delta, and may you in return increase in industry, courage of heart and mind, and in esteem by your fellow man.

Since it appears as though I have exhausted about all of the news for now I shall sign off for three more months.

Fraternally yours,
GILBERT S. BANKER, *Historian*

BETA EPSILON—RHODE ISLAND COLLEGE OF PHARMACY AND SCIENCE

Well, another year has rolled around and all of us at Beta Epsilon wish you a most happy and prosperous New Year.

At our November dinner-meeting we had the honor of having Dr. Herman Mupsik, professor of pharmacy at the College, as our guest. His talk to the Chapter was entitled "Pharmacy in Canada." Among the others present were Dean Rivard, Dr. Brillhart, Dr. Ellin, and members of the graduate chapter. Brother Ronald Gauteri presented a key to Howard K. Johnson for excellence in scholarship during his four years as an undergraduate student. Other honor awards were presented to Oscar DePoala, Norman Caron, Parames Avedisian, Rudolph Barbone, and Andrew Pytel. Dean Rivard awarded pledge pins to the following: David Johnson, Regent DeGagne, Roland Provencher, Richard DeNicola, Alfred Brodeur, and Alfred Bousquet.

Congratulations to Brothers Roland Allard and Lt. Edmund Rencan on their recent marriages.

Our Christmas party was held at the White Rail in Bristol on the night of December 20. All who attended had a very enjoyable evening. On New Year's Eve, Brother Dick Cosimini had open house for all those desiring a good time.

Best of luck to all Kappa Psi Brothers everywhere.

Fraternally yours,
ROBERT JOHNSON

BETA ZETA—OREGON STATE COLLEGE

The fall quarter is nearing its end, with only one week to go before that long awaited Christmas vacation.

Beta Zeta has been busy this term. Our regular dinner business meeting for November was held the eleventh at our own Memorial Union. After dinner we adjourned to the coffee room for cards.

One of our members, Bill Gascoigne, was seriously injured during an on campus intramural

football game. He was rushed to a Portland hospital where they removed one of his kidneys. We are happy to report he is recovering rapidly, and that he will be back as soon as he is able.

On November 22 many members of Beta Zeta attended the annual, rival football game between the Oregon State Beavers and the University of Oregon Ducks. That evening we were the guests of the Portland Graduate Chapter at the Benson Hotel in Portland, for cocktails and dinner. Everyone had an excellent time. Of course, winning the game added to our evening's enjoyment.

Our ranks have been increased by eleven. These new members were initiated December 5 in the Pharmacy Building. The initiation was followed by an evening dinner and social. Those initiated were as follows: Donovan Bollig, Elmer Cheever, George Cholakian, Jack Darnielle, Earle Hansen, William Kessinger, George Kimmell, Dean Odenthal, Harvey Peeke, Robert J. Robertson, and Lane Thornton.

In an attempt to place Kappa Psi before the eyes of the campus and the pharmacy department here at Oregon State, Beta Zeta has two service projects under way. The first is a new proprietary products show case in the hall of the pharmacy building. New products are added every two weeks. Our second project is the filing and cross-indexing of all references, texts, and periodicals appearing in the pharmacy student study room.

That is all the news at this writing. Best wishes to all our Kappa Psi Brothers from Beta Zeta Chapter for a Merry Christmas and a Happy New Year.

Fraternally yours,
DAVID TALLMON, JR., *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

Beta Xi is about to round up another quarter's work with exams nearing and the state board time drawing closer and closer. This quarter has probably been one of Beta Xi's biggest with the Province III Assembly convening here in Chapel Hill on December 6. It was truly a great weekend, and I'm sure everyone thoroughly enjoyed it.

Brother George Dunson of Gamma Sigma Chapter arrived Friday afternoon to start the ball rolling. Brothers Frank H. Eby and Ray S. Kelley from Alpha Chapter arrived by train Friday Night in Raleigh and were met by some of the Brothers. By the time they had returned to Chapel Hill, Brothers Edward Snell, Bill Divine, Jim Fink, and Tom Cox, all of Gamma Tau, had arrived. Pretty soon, Friday night's party was well underway.

Brothers Jack Stallard, W. B. Morley, W. M. Greer, Jr., Thomas Simms, Jimmy Morgan, and Fermin Tovar of Theta Chapter arrived early Saturday morning. Also representing Theta Chapter was Brother John W. Boenigk and representing both Theta and Alpha, Brother Milton Neuroth.

Brother Fred Semeniuk of Beta Xi presided in the absence of Brother John W. Schermerhorn, Province III Satrap.

The following Province III officers were elected: Satrap, Earl T. Brown of Beta Xi; Vice Satrap, Dr. Carl Johnson of Gamma Sigma; Secretary, Dr. John Boenigk of Theta; Treasurer, Dr. Fred Semeniuk of Beta Xi; Historian, Dr. Jim Young of Theta; National Convention Delegate and Alternate, Gene Hackney of Beta Xi, and Edward Snell of Gamma Tau. Beta Xi sends congratulations to you men.

Beta Xi Chapter House
University of North Carolina

BETA XI HOMECOMING GROUP

Following the business meeting, Kappa Psi held a coffee at the chapter house to which the entire School of Pharmacy faculty and associates were invited.

A very interesting and successful convention was climaxed with a party at the house. Several of the Brothers and visiting delegates with their dates went to the Saddle Club in Durham for dancing and a party there. They later returned to the house to officially wind up the weekend.

Other highlights of this quarter for Beta Xi included an Open House honoring the pharmacy girls and faculty.

Homecoming provided a big weekend for Kappa Psi. Open house was held Friday and Saturday nights with buffet suppers. Charlie Spivac and Band played for a concert and dance Friday night and the weekend was climaxed with the Carolina-Virginia football game.

Initiation was held November 5 for Walt Saunders of Thomasville and Willis Shaw of Roanoke Rapids.

Rho Chi accepted two Kappa Psi Brothers this quarter, Rowe Campbell, of Taylorsville, undergraduate, and F. C. Hammerness of Chapel Hill, graduate.

Beta Xi sends its season's greetings to all Kappa Psis.

Fraternally yours,
GRAHAM WHITE, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

Our most important undertaking during the fall quarter has been the selection of prospective members and their initiation. On the evening of November 20, we held our initiation banquet at Crawford's Restaurant. Digestion of the chicken dinner was facilitated by poetry and singing furnished by the initiates. An interesting and inspiring after-dinner speech was given by Earl J. Lavery, Squibb Medical Service Representative.

The initiation was held later that night on the

Beta Xi Chapter House

On the evening of November 20, we held our initiation banquet at Crawford's Restaurant. Digestion of the chicken dinner was facilitated by poetry and singing furnished by the initiates. An interesting and inspiring after-dinner speech was given by Earl J. Lavery, Squibb Medical Service Representative.

The initiation was held later that night on the

Beta Omicron Chapter, Kappa Psi

campus at the University Faculty Club. We welcome our new Brothers who include Lawrence Ralph Anderson, Frederick Marvin Rickenbach, Ray Dell Brown, Jack Otto Feil, Derrold Lee Gilman, David Jewell Grey, Albert Arthur James, Donald MacKenzie Kelly, Milton Leonard Larson, Richard Lloyd Marshall, Janis Olgerts Runikis, Robert Donald Saterthwaite, Jack William Shupe, Ross Clinton Stetson, Louis Wirth Stevens, and William Ira Wetherby.

The annual theater party is to be our next social event. It is to be held on January 13 at the Showboat Theater which will be reserved for the party. We hope to see many graduate Kappa Psi members there that evening.

Special mention is due Harold Everett, Janis Runikis, Jerry Trier, and Arthur Horiuchi. These members of Beta Omicron have recently been elected to Rho Chi, honorary pharmaceutical society, for their scholastic achievement.

Congratulations to the Jim McCoys on the recent birth of their son, Kim. Jim is one of our most recent graduates. Maurice Dahlquist, another of the recent graduates, is entering the Air Force.

Though belated by the time this is read; nevertheless, we extend the season's greetings and hope all will have a happy and successful New Year.

Faternally yours,

WILLIAM E. DODGE, *Historian*

BETA PI—STATE COLLEGE OF WASHINGTON

Once again the happy memories that the Christmas season brings are with us. This is always a pleasant time of year even though exams are waiting for us. One more week and then two weeks of yuletide vacation which means for most a visit with the folks back home. To our student Brothers who are reading this column, you have by now settled down with your books to commence the spring semester. To our graduate Brothers, we know you are busy "rolling" in the money while rolling pills. Of course, by this time, we have broken all New Year's resolutions and with that off our conscience we can really live again.

The members of Beta Pi extend to all Kappa Psi's a happy and prosperous forthcoming year. Let me look back into the previous semester and relate for you what has been happening here at Beta Pi. We now have 26 members which includes the five new initiates who are Edward Rockey, Don Miller, Dave Budsberg, Arthur Meyers, and Lyle Wolfe. We are proud of these men and happy to have them with us. Our officers at present are: Regent, Dallas Matkin; Vice Regent, Donald Dearth; Secretary, Gilbert Nikaido; Treasurer, Paul Underwood; Historian, Robert Young; Alumni Secretary, Verne Abrahamson; and Social Chairman, Harlan Bruner. Our activities have consisted of our regular meetings and luncheons which are held monthly at the Golf Club dining room. We have organized a bowling team and have challenged the members of the pharmacy faculty. We hope our bowling scores are higher than our exam grades.

During the annual all-pharmacy mix last November, several Kappa Psi members were presented scholarships by Dean Bang. We congratulate the recipients who were Gilbert Nikaido, George Stetson, Ed Freimuth, Donald French, and Bob Young.

Here is a bit of good news for you graduate Brothers in case you haven't previously heard.

For the second time in the last 35 years the mighty Pharmics of Washington State did it again. With the help of several Kappa Psi's, the Pharmic football team, coached by Dr. Al White, trounced the horse-butchers of Vet Medicine, 8 to 6. It was spectacular the way coach "Doc" White planned the long pass touchdown play with three minutes left in the game. Kappa Psi members who really gave their all in that contest were Lyle Wolfe, George Stimac, Jim King, and Don Thompson. We can't forget those three "fellas" who kept the chain loose when the pharmics had possession of the ball and stretched tight when the Vets had it. I'm referring to Kappa Psi's Don French, Ed Friemuth, and Verne Abrahamson. Nice work everyone.

Plans are being formed for the big event of the year and we hope all our Brothers will plan to attend the Apothecary Ball, March 14. We will be happy to renew acquaintances with you, so Brothers, if you are in or around this area at this time, be sure to attend this affair at Whelan Grange Hall. See you there.

This writer has heard good news that our Brother Denny Yasuhara, who is resting at Edgecliff Sanitarium in Spokane, is improving. I know he would like to hear from his friends, so why not drop him a line soon.

We are busy formulating new plans and contributing ideas which will help the Chapter to function for the new semester. This past semester has been successful. We are looking forward to an even better new semester. Our ideas and new plans sound good. We will get busy and carry them out. I'll tell you all about that next time, so from now until then, take good care of yourselves Brothers, and we of Beta Pi will do likewise. Best wishes to all throughout 1953.

Faternally yours,

ROBERT H. YOUNG, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

Well, another semester will have ended here at the University of Mississippi by the time this issue of THE MASK is published and another year will

Beta Rho Members, Officers of A.P.A., Student Branch, University of Mississippi.
Seated: Howard Grubbs, president, and Clarke Johnson, secretary. Standing: Frank Therrell, vice president, and Augustus Carraway, treasurer.

have begun. We are all looking forward to the Christmas holidays and all members of Beta Rho Chapter sincerely hope that all our Brothers throughout the nation have had a Merry Christmas and a Happy New Year.

We are happy to welcome fourteen new members into Kappa Psi as our Brothers. We feel that their leadership here as well as in later life will have an important bearing on the future of Kappa Psi. The new members are as follows: Duane K. Gunn, Thomas W. Jackson, G. Clarke Johnson, Richard F. McCarthy, William S. McIntire, Joseph G. Oliver, Joe Carroll Phillips, James D. Polk, Richard A. Palizzi, Tommy L. Riggins, Pat K. Sharp, Bennett D. Thompson, James H. Ward, and William F. O'Donnell.

The local branch of the student A.Ph.A. held elections recently and four members of Kappa Psi were elected to offices. Howard B. Grubbs was elected president; Frank C. Therrell, vice-president; Clarke Johnson, secretary; and Augustus F. Carraway III, treasurer.

The Chapter is proud to have one of our Brothers attend the Province V meeting in St. Louis on December 27. We are looking forward to a report from him upon his return to the University.

Fraternally yours,
HOWELL N. McNEIL, *Historian*

BETA CHI—DRAKE UNIVERSITY

Initiating the activities of the school year, Beta Chi Chapter had a smoker, at the Masonic Hall in Beavertdale, to allow the "actives" and alumni to meet the new students of the Drake College of Pharmacy. Entertainment included presentation of the 1952 Drake Relays film, in which we were able to see our winning float for that occasion, songs by the ATO quartet, and a comedy skit. Door prizes, courtesy of the Des Moines Drug Company, were won by George Olivo and E. Wilson Which. Alumni in attendance were Jerry Barnett, Bud Binder, Duane Richards, and Barney Wilder.

During the 1952 Homecoming celebration, fraternities and sororities in different categories were awarded prizes for house decorations. In the professional division, Kappa Psi had the pleasure of winning first honors again. Congratulations to the conceivers and performers of this award!

On the week of November 16, Juniors and Seniors of the pharmacy college are taking a trip to Abbott Laboratories and the Eli Lilly Company at North Chicago and Indianapolis respectively. Among those making the trip are several Brothers in Kappa Psi to whom we wish the best good time possible and hope they will enjoy the great experience of seeing American pharmacy in production.

An election night party with television was held at the Chapter house for the pledges and actives.

Things have been happening fast and furious here at Drake University, and Beta Chi Chapter has been in the thick of most of it. During Student-Faculty night announcements were made concerning the winners of Campus Carnival, an event to raise money for the Community Chest. We were presented a first place trophy in the independent division. Everyone concerned with the event was well pleased at the outcome.

Beta Chi has done an admirable job in signing

new pledges and it appears at this writing that we will have one of the largest pledge classes that we have had for some time. The following is a list of the pledge class: Ronald Bronsema, Clinton Jones, John Czewplewski, Darrell Huffaker, Harold Ranking, John Sontag, Gus Pappas, Dwight Irwin, E. Wilson Winch, Donny Hummel, Larry Booth, Irving Lizer, Donovan Bro, Anthony Castrogiovanni, and Alvin Chong.

While we are on the subject of pledges, the "actives" have decided to establish a plaque in honor of the late John Deathridge, a pledge of Kappa Psi. This plaque will be called the John Deathridge Memorial Plaque and upon it will be placed the member of the pledge class rated as the most outstanding. We feel this is a most worthy project and one that reflects the way we felt about this pledge member.

I would like to congratulate Jim Bryant, our chaplain, on his recent marriage during Thanksgiving vacation. Best of luck Jim and Mrs. Jim.

Our basketball team has not been too successful. It has done as well as our varsity team, however, each having lost the first two games.

Our faculty member and advisor, Dr. C. Boyd Granberg was presented with a key by the active members of Beta Chi Chapter. Dr. Granberg has been more than free with his time and has been active in all phases of professional fraternity activities.

The pledges gave the actives a Christmas party December 14, Saturday night. It was well attended and those present enjoyed themselves. There were two movies of a professional nature and the remainder of the evening consisted of cards, ping pong, and refreshments.

A group of actives are planning on attending the Province V convention in St. Louis on December 27. They are hoping to meet many other Kappa Psis there.

We were happy to have back with us for the holiday season Ivan Bohrer, past Regent of Beta Chi. Van has been recalled until January or April of 1954. Best of luck to you, Van.

I think that takes care of most everything up to date, but before I close I would like to wish the best of everything for the holiday season to all our readers.

Fraternally,
ENRIQUE FALS-BORDA, *Historian*

The Beta Chi Chapter of Kappa Psi had the privilege of sending our brother Kenneth Daughters as delegate to the Province V Convention, held at the Statler Hotel, St. Louis, Missouri, on December 26, 1952. Leland E. McNeill of Silvis, Illinois, and a Junior in the College of Pharmacy at Drake University, was elected as Treasurer of the Province.

This year again with the beginning of activities for the second semester, one of the most important projects will be the publication of the College of Pharmacy journal, *Post-Script*. Last year, on our first edition, we had wonderful cooperation from all Iowa Pharmacists, especially the Des Moines area to whom we thank and expect to have again their kind cooperation.

Editor: Don Wilmont

Assistant Editor: Bruce Riendeau

Business Manager: Duane Ness

Advisor: C. Boyd Granberg

Our basketball team has not failed us; they have played five games and lost only two.

We would like to remind our alumni brothers of the Banquet which Beta Chi will have during the I.P.A. convention, March 1 to 3 in Des Moines, Iowa. All alumni are welcome and urged to join us again.

ENRIQUE FALS-BORDA, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Greetings from Beta Psi to Kappa Psi members all across the country. Winter is settling over our part of the U.S.A. and more and more collars are being turned up as the cold wind from Lake Mendota whistles across the campus. The storm windows are up all over the house and we are set for a long, cold winter.

The planned improvements around our new house are pretty well completed. The party room has been redecorated and several new pieces of furniture have been added to the parlors.

This semester 22 new members were initiated into Beta Psi. The members and pledges participated actively in hell week which was from December 8 to December 13. The final initiation took place on December 14 at our house. Those initiated were: Robert Berry, Lyle Block, Robert Chelovich, Richard Collette, Robert Cotter, Dennis Diczhowski, Lawrence Hamilton, Richard Helstad, Richard Hoffman, Ronald Hoffman, Roy Kampa, Lowell Luedke, James Porratz Arlyn Pomush, John Rice, Robert Rust, John Scherer, Gerald Schneider, Jerome Stieber, Arden Thorsbakken, Richard Walley, and Jack White.

The initiation banquet was held on December 14 at the Manona Hotel.

Two of our new members are causing the brothers quite a bit of trouble. Richard and Ronald Hoffman are identical twins and no one can figure out which is which. Any suggestions from other chapters which have had this same problem will be gratefully accepted.

Our scholarship this year has been awarded to Stanley Staniszewski.

This morning several of us were talking about this-and-that as we walked to class and we suddenly realized that there are just three and one-half weeks of school left before final exams. Well, as the monkey said looking at his tail after he had backed it into a lawn mower, "It won't be long now!"

Until the next issue, I remain

Fraternally yours,

RAN GULDAN, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

The new house has been the site of many enjoyable evenings for its occupants. Our most enjoyable memories are of the informal parties held Saturday nights.

The first scheduled affair of the current year was "Open House" for the pharmacy girls. The chapter was pleased with the splendid attendance and comments that our house is comparable to, and surpasses, many frat houses on the main university campus.

After the victorious homecoming game with N.Y.U. on October 25, the house was again open to our alumni and friends for after-game activities. We were honored to have with us on this occasion G. C. D. Eby and the Dean of Temple Pharmacy, Joseph B. Sprowls.

Brothers Louis Ravin and Bernard Grabowski are among those studying for their master's degrees

at Temple University School of Pharmacy. Added to our faculty were Dr. A. John Vazakas of Mu Chapter, as professor of organic chemistry and Brother Theodore Kallelis also of Mu Chapter as graduate assistant in pharmacognosy.

We wish to extend welcome and congratulations to the following Brothers who were received into the Agora December 10, 1952: William Prosser, Bethlehem; Robert Krum, Slatington; Albert Shevock, Plymouth; Stuart Wesbury, Philadelphia; and James Matthews, Buffalo, N.Y.

Many of our alumni Brothers have been called into the service. Some of these and their stations are as follows: William Artz and Donald Diffenderfer at Fort Knox; Vincent Rogliano, Camp Breckenridge; Lt. Richard Gabel is flying casualties from Korea to Japan; Glenn Rogers, Philadelphia Naval Hospital; Richard Sedan, serving on board a hospital ship off Korea; and Jack Longenecker serving as a naval corpsman in Africa.

This year Beta Omega sent the largest delegation to the Province II convention at Columbia University. Brothers Coble, Hawk, Swope, Sundberg, Troglia, and Zdrojewski were delegates. Grand Regent Eby was also in attendance as Brother Marlino was elected Province Satrap. Beta Omega Chapter wishes to thank Gamma Chapter Brothers for being such fine hosts.

Congratulations are extended to alumni Brothers Robert Bennett, Edward Levandowski and Joseph Ferki who were recently married. Congratulations are also extended to graduate Brother Grancey who announced the birth of a baby boy.

Prospects for a successful basketball team at Temple Pharmacy are very good. Brother Joseph Marlino is athletic director in charge of Brothers Kenneth Potter, John Mlodzinski, Basil Pisch, Bill Anderson, and Elbert Schoonover. The student managers include Brothers Delbert Humenik and Vincent Morse.

Fraternally yours,

ARDEN T. SHAMBAUGH, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Fall quarter and finals, as well as 1952, are now past history, and as the new year starts, we here at Gamma Delta are striving to make the 1953 as big a success as was 1952.

A new coat of paint has been added to the halls and stairs to welcome the coming of 1953. Many other minor improvements have taken place, and the house is looking very nice indeed.

Two new Brothers were welcomed into the brotherhood of Kappa Psi upon the completion of Help Week. Brothers John Hansaker and Phil Pata were formally inducted November 16. Congratulations are in order for these new Brothers.

Nine men were pledged by Gamma Delta during the Fall Quarter. They are: Tom Young, Mike Thornton, William Stinnard, Kenneth Nihiser, Carl Longociu, Donald Doria, Eugene Vann, Newton Standen, and Carroll Smith. These men make a total of ten pledges, with those men whose pledgeship carried on into this year.

Our second house dance of the year, a Halowe'en affair sponsored by the Sophomore Brothers was a huge success. The house was freely decorated with black and orange crepe paper, and the entrance was covered by a mammoth jack-o-lantern. December 6 was the date of the highlight of the Fall social calendar. The

annual Christmas Dance, sponsored by the Junior Brothers, was, as always, the biggest and best dance of the Fall Quarter. The house was decorated in true Yuletide fashion, much resembling Santa Claus' toyshop, with a ceiling-scraping Christmas tree dominating the decorations. The singing of carols added further to the theme of the dance.

Brothers Wally Hall and Donald Rahrig made frequent visits back to Gamma Delta during the last quarter, and we are looking forward to seeing many more of our Alumni throughout the year.

After a vigorous campaign for votes in the University elections, two Brothers of Gamma Delta were elected to offices. Brother George Hill was chosen president of the Senior Class, and Brother Max Myers was elected treasurer of the Sophomore Class.

Due to an unforgiveable oversight, this writer neglected to mention in the previous issue that Brother Thomas Smailes passed his pin to Miss Lysbeth Woods of Ohio State University. Very sorry for this mistake, and we will try to be on our toes in the future.

Fraternally,
MAX A. MYERS, *Historian*

GAMMA EPSILON—UNIVERSITY OF NEBRASKA

October 31 (Halloween Night), was chosen as the date for the Gamma Epsilon Chapter's fall dinner. Everyone had a wonderful time dining and dancing at the Italian Village. We are all looking forward to the next one. The Nat Towle Combo provided the music for dancing.

Regent Bailey has announced that a series of very interesting subjects will be discussed at our coming meetings and will be presented by men who are well qualified to present such information. With such a program presented to the members we hope to promote more interest and attendance at our regular meetings.

We wish to extend our congratulations to all graduating Kappa Psi men and wish them success in their endeavors. Graduating at mid-term are Warren Ellison, Maurice Lee, Don Ostendorf, Charles Porter, Marian Reis, and James Riley.

Since this writer's name is among those graduating, this will be my last letter and I would like to say goodbye and good luck to all.

Fraternally yours,
CHARLES W. PORTER, *Historian*

GAMMA ZETA—HOWARD COLLEGE

We are very happy to report that Howard College will soon be rebuilt on a new campus some 400 acres in extent. The cost will be around eight million dollars. This will certainly increase teaching and laboratory space which at present is rather crowded. New dormitories for students are also included in the plans. The location of the new campus is just over the "mountain" on the outskirts of Birmingham.

Our students who took the Parke-Davis trip some two weeks ago report that they had a real good time. While there in Detroit, a number went over to Canada for a brief visit. Already many of the students are talking of the proposed trip to Lederle Laboratories and one other manufacturer this coming spring.

It is getting close to "initiation" time for this fall semester. About 10 new members will be admitted into our chapter. Their names will be given at a later date.

Our Social Committee is planning a Holiday Get-Together for around Christmas time. Since this letter is due for printing before we can tell you what they have in mind, we'll have to tell you what happened after it is over.

A graduate chapter of Kappa Psi is being organized here in Birmingham. Mr. William Rau tells us that thus far, the efforts made to build this chapter have been rewarding. We certainly wish them the best of luck and success.

Already the spirit of Christmas is evident here at school and Birmingham in general. Tomorrow, December 10, Howard College students will gather together in the gymnasium for a Christmas program. Downtown the streets are packed with shoppers. Many of the streets are decorated with Christmas lights in numerous gay colors. Naturally, we students are eager for and anticipating our 2-week vacation.

In closing, every member of Gamma Zeta wishes every member of our brother chapters everywhere—abundant happiness and abiding peace at Christmas and in the New Year.

Fraternally yours,
FREDERICK WOO, *Historian*

GAMMA IOTA—UNIVERSITY OF BUFFALO

Once more it is time for us at Gamma Iota to say "Hello" to all our Brothers in Kappa Psi. Already it is the second week of December and Buffalo is still waiting for winter's bitter and bleak blow.

Rushing on our campus halted with the end of October. This semester Gamma Iota has two pledges, Jim Colucci and Russ Stroeger.

On Thanksgiving Day, Brother Joe LoDico abandoned his bachelor ways and took to himself a wife. Our best wishes for a happy union go to Joe and his bride.

Our hats are off to Regent Don Clark, who as editor of *The Script*, "UB" Pharmacy School's student publication, gave us a new smart-looking issue. Don has shown himself as a truly industrious person.

There was quite a get-together on December 3 at Brothers Bill LoDico and John Oakes' apartment. After all was done it took John and Bill a week to get the place back to normal.

Gamma Iota has an entry in the Interfraternity Basketball League. We won the first game from Beta Sigma Psi on a forfeit. The team looks like a top contender. The first real test will be our next game on December 17.

Everybody is just waiting for that Christmas vacation to put an end to the humdrum of studies, at least temporarily. Let's all have a Merry Christmas and a Joyous New Year.

Fraternally
CHARLES E. HOFF, *Historian*

GAMMA OMICRON—UNIVERSITY OF OKLAHOMA

On the afternoon of December 18, 1952, Gamma Omicron Chapter held an initiation. That evening the members, old and new alike, enjoyed a dinner at The Copper Kettle, one of the popular places at

Hungry Gamma Omicrons.

JIM MARTIN

GAMMA SIGMA—UNIVERSITY OF FLORIDA

Greetings Brothers: Well the old semester is about over and I know some of you must be happy because graduation is coming up, but also I imagine you are a little sad because you must leave your school pals, some of which you will never see again. Gamma Sigma would like to wish all the Brothers, who are leaving us, the best of luck in everything they undertake.

We are losing the following Brothers by graduation in February: Bert Bailey, Olen Story, Rowland Townsend, Lou Michels, Gib Johnson, Frank Dyer, John Francisco, and Ted Grosiki, who is a graduate student, getting his doctor's degree. We are greatly saddened to see them go because they have been swell Brothers and hard workers, but we know they have worked hard for this day so we wish them good luck throughout their career in pharmacy.

We pledged the following boys this semester: Richard Cole, James Gaskin, Herman Gorab, Thomas Culmone, William Davenport, Joe Scarella, Byrant Arnold, Thomas Barry, George

Browning, Ralph Cognac, James Crowder, Decio Landy, Duretti Molpus, Max Morrison, Ed Phay, Rex Toole, John Vanhoozer. We held a banquet for the new members, Thursday, December 4, at the Kit Kat Club. Dean Foote gave a short talk on Kappa Psi here at the University of Florida and then each outgoing senior gave a short talk. We had a very nice time and the evening was climaxed by the singing of Christmas carols.

Well Brothers, in closing I would like to wish everyone a Merry, Merry Christmas and a happy New Year.

Fraternally yours,

HUBERT R. JOINER, *Historian*

GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Greetings to all the Brothers of Kappa Psi. As was stated in the last news letter, the Chapter is preparing for the selection, indoctrination, and subsequent initiation of this year's pledge class.

Prior to the selection of pledges, an open fraternity smoker was held on October 30, primarily for the purpose of fostering acquaintanceship between prospective pledges and fraternity members. The smoker was also honored by the presence of faculty members Professor Robert Leonard, Dr. John Schermerhorn, and Dr. Salvatore Greco.

On December 4, in a solemn though unstiff

ceremony, fourteen pharmacy students who formally took the pledge oath from Regent Roy Snell, were pinned by their respective sponsors and instructed as to the principles and conduct of a Kappa Psi pledge. It was a happily heart-warming occasion.

Two days later, on December 6, Roy Snell and Thomas Cox as delegates and James Fink and William Devine as alternates, attended the Province III Assembly held at the University of North Carolina. The Beta Xi Chapter received them as host and were immensely praised for their unerring southern hospitality by said delegates of Gamma Tau.

An encouraging general interest was exhibited by Gamma Tau graduates in forming a graduate chapter. Plans are afoot to apply for a charter and thus form a transitional link between the graduated professional pharmacist and the aspiring neophyte. Certainly in a practical business sense this will better aid the newly graduated Brother in his desire to become securely established among those whose thoughts, practice and ethics of the profession are similar. This contemplated project is deserving of much thought and more important still decisive action on the part of all Gamma Tau graduates in the area of Washington.

Fraternally yours,
JOSEPH PISTONE, *Historian*

GAMMA PHI—UNIVERSITY OF GEORGIA

The fall of 1952 finds Gamma Phi with thirty active members after having graduated thirty-six in June. There will be an initiation of our four pledges in January.

The officers for this year are George Liscomb, Regent; Juel Spears, Vice Regent; Tommy Bryan, Secretary; George Wheeler, Assistant Secretary; Hal McNair, Treasurer; Melvin Kitchens, Historian; and Bill White, Chaplain.

We are sorry indeed to lose our beloved Grand Council Deputy, Dr. Woodrow R. Byrum, who recently accepted the directorship of the Division of Pharmacy at Howard College, Birmingham, Alabama. Brother Willis Franklin Dobbs, Jr. was appointed to serve as our new Grand Council Deputy.

On Friday, December 5, we entertained twelve children at our Annual Christmas Party for underprivileged children. Each child received several gifts and was thrilled by an early visit from Santa Claus. The Christmas Story was read, carols were sung, and games were played. Following the party for the children, Kappa Psi entertained its members and the Pharmacy School with a dance in the honor of our newly elected sweetheart, Miss Gwendolyn Taylor, of Rochelle, Georgia and a Senior in the Pharmacy School, was announced to the assembled group as our sweetheart for 1953. Miss Taylor was presented a bouquet of our fraternity flower as well as the customary sweetheart pin. Kappa Psi dates were similarly bedecked with corsages. The Chapter presented a beautiful blanket as a wedding gift to Regent and Mrs. Lipscomb, who were married in August. Mrs. Lipscomb, formerly Frances Grice, was our 1952 sweetheart and both are now Seniors in the Pharmacy School. Another of the highlight of the evening was a faculty-participating relay with tricycles featuring our dean, Dr. Kenneth L. Waters and Dr. Joseph P. LaRocca.

The Pharmacy School was bereaved with the dean in the loss of his father, J. J. Waters, whose death occurred during the Thanksgiving holidays.

As the New Year approaches the Brothers of Gamma Phi extend the season's greetings and best wishes to all members of Kappa Psi.

Fraternally,
MELVIN KITCHENS, *Historian*

GAMMA CHI—FERRIS INSTITUTE

It seems as though 1952 passed so fast, and with the end rapidly approaching, we of Gamma Chi wish everyone a Merry Christmas and a Happy New Year. Trusting that everyone will survive the holidays, we will now settle down to breaking those originally solemn New Year's resolutions.

Gamma Chi has extended the welcome mat to nine new Brothers, six students who have successfully completed their pledge term and three facultate members. They are Brothers William Zimmerman, Michael Eustice, Neal Baker, Jerry Baker, Jack Frumvellar, and Roger Essenberg. The new faculty Brothers are, John Bester, George Wells, and Henry Lowsma. The present actives wish to congratulate the nine new members on becoming actives, and welcome them into the fraternity. A formal initiation was held for the new members November 17. A banquet was held in their honor at Machinaw Trails in Reed City, November 20. The fraternity plans to hold a smoker for prospective pledges for the Winter term on Thursday, December 11.

In the Homecoming festivities Kappa Psi fraternity took first prize among the floats in the parade. Also our candidate, Miss Geraldine Heiney, reigned as Ferris Institute's 24th Annual Homecoming Queen. The many high school bands contributed color and made the parade one of the largest yet seen for a Ferris Homecoming. There were many beautiful floats in addition to the Queen's and the prize winning entries.

On the sports side of the picture, Kappa Psi has an Intramural bowling team, and has entered two teams in the Intramural Basketball League. The bowlers now hold second place with a record of nine victories and three losses. The basketball teams, one in the National and the other in the American League, have each won a victory apiece.

Congratulations are in order for two Kappa Psi Brothers, William O. Bancroft and Lewis W. McNabb, for being selected to "Who's Who" among students in American Universities and Colleges. The honor is especially important since only five were chosen from the pharmacy department of Ferris Institute. It is not only an honor for a student to have his name appear in this annual publication, but it is advantageous in helping a student get a job as many firms check the "Who's Who in American Colleges," before hiring a college graduate for an important position. Congratulations are also in order for Brother Alan Maclehn who just recently married Katherine Gerrie and spent their honeymoon during Thanksgiving vacation.

Plans are being made for the annual Kappa Psi "Sweetheart Ball," which will be held February 14. If possible we would like to see all the graduate members there.

In closing I remain,
Fraternally yours,
THOMAS NOVAKOSKI, JR., *Historian*

MISS GERALDINE HEINEY

Gamma Chi Chapter's Winning Candidate as Ferris Institute's 24th Annual Homecoming Queen.

COLUMBUS GRADUATE CHAPTER

The Columbus Graduate Chapter sends greetings to its Kappa Psi Brothers everywhere. Although the holiday season will be over by the time of the reading of this letter, the Chapter hopes you will all have a joyous Christmas, and that the New Year will be an eventful year for all Kappa Psi.

The Columbus Graduate Chapter has had a variety in meetings this Fall. The first meeting was a much needed business meeting which took care of committee reports, committee appointments, and plans for the coming year.

Our second meeting was an initiation, dinner highlighted by a speech given by Dr. B. V. Christensen, dean of the College of Pharmacy, Ohio State University. Dean Christensen's topic, "One Hundred Years of A. Ph. A.," was informative as well as very interesting.

We feel quite happy about the addition of our new members and hope they will benefit from our fellowship as I know we will from theirs. The new members are all graduate students at Ohio State, and they are as follows: Colonel William O. Krause, Mr. Nouri Mary, Mr. Davis Reese, and Mr. Rupert Salisbury.

Our December meeting was a joint meeting with Xi Chapter at Ohio State University. An evening of good fellowship and discussion of mutual problems was the program for the evening topped off with refreshments.

This January the Chapter will meet at the home of Dr. Earl Guth for a social and professional meeting. In February a Valentine Party is being planned, and in March there will be the election of officers.

The Columbus Graduate Chapter cordially invites all Kappa Psi members in its vicinity to join with us in making this Chapter a pillar for Kappa Psi and Pharmacy. If you are interested, contact our Regent, Frank P. Cosgrove, at the College of Pharmacy.

Sincerely,
JACK L. BEAL, *Historian*

CONNECTICUT GRADUATE CHAPTER

The Connecticut Graduate Chapter was honored to have present at its November meeting, Honorary Member, Felix Blanc, Director of Pharmacy for the State of Connecticut and Kenneth Griswold, of the Albany Graduate Chapter, Manager of the Albany District for Eli Lilly and Company.

The meeting was held at the "Annex House" in East Haven, Connecticut on Wednesday November 19, 1952. Past Regent Alphonse Criscuolo arranged this meeting which included cocktails and the serving of an excellent Italian Dinner, and was attended by forty-two graduate members and twenty-one collegiate members.

Regent Edmund E. Goodmaster, as presiding officer, conducted the business of the meeting, during which plans for the Province One Con-

vention, to be held in Hartford, Connecticut, next May 9th, and plans for the celebration of the 25th Anniversary of the founding of "Nu" Chapter, also in May, were discussed.

The Chapter was saddened by the news that Brother Walter Williams of the College of Pharmacy recently lost his father and by the news that Brother Henry S. Johnson recently lost his brother. Heartfelt sympathy was extended to both of these brothers.

Felix Blanc, Director of Pharmacy, Kenneth Griswold of the Albany Graduate Chapter, Commissioner of Pharmacy John DeNicola, Grand Historian Professor Nicholas W. Fenney, Dr. Henry S. Johnson, and Daniel A. Camilliere, Councilman for the City of Hartford, Connecticut, each spoke a few words to the Brothers praising the Connecticut Graduate Chapter for the fine Kappa Psi Spirit it exemplifies.

The next meeting will be held in Bridgeport, Connecticut, on Wednesday January 23, 1953 under the direction of Brother Frank Cascella. An invitation is hereby extended to all our Brothers to attend.

Fraternally,
FREDERIC W. CASIOPPA, *Secretary*

PORTLAND GRADUATE CHAPTER

November was a busy month for the Portland Graduate Chapter. Our regular meeting was held on the 5th at Lido Restaurant. Cocktails, dinner, entertainment, and a business session attended by about thirty-five members constituted the meeting. On the evening of the 22nd, after the Oregon State-University of Oregon football game, about sixty-five members and guests assembled in the Benson Hotel for cocktails and a banquet. We welcomed a large group of faculty members and "actives" from Beta Zeta.

Fraternally yours,
L. V. HENDRICKS, *Historian*

SAN FRANCISCO GRADUATE CHAPTER

Our chapter of Kappa Psi wishes one and all a Merry Christmas and a Happy New Year! May this new year hold, for all, the fulfillment of their ambitions.

The past year has seen a firm entrenchment of

the Collegiate Chapter at the University of California. The house is firmly established and led by competent men. On December 8 the collegiate group held an open house for the alumni members. Attendance by both groups was excellent. Formal entertainment was furnished by Pledge Ed Kerns with his marimba and Merle Bartel. Informal entertainment was provided by other members present.

It has been reported that Brother Dave Kraus, '50, will be out of the service this January after two years in Germany. Other Brothers now in the service are Roy Bolla, Fred Walther, Don Huston, Don Masse, Lenard Jensen, Warren Sanner, Carl Ondry, Jim Normandi, Al Fernandez, and Matt Desmond. Robert T. Browne has been appointed a hospital pharmacy intern in the United States Public Health Service in Baltimore.

A graduate dinner is planned for February.
Fraternally yours,
LARRY COLCLOUGH, *Historian*

SEATTLE GRADUATE CHAPTER

Greetings from the Evergreen Empire!

Our Chapter, to date, has a total of 121 paid members, (dues are now being collected for a three year duration) with a potential of many more.

At our last meeting, November 21, Don Kniffen was elected Secretary for the year 1953. Our officers, advancing through the chairs each year, will now be John Strom, Jr., Regent, and Phil Chase, Vice Regent for the coming year. Rudie Rosenquist and Hugh Tennant being retained through permanent appointment, as Treasurer and Chaplain, respectively.

At this meeting an invitation was extended to six members of Beta Omicron (University of Washington) to be our guests for dinner each meeting during the year of 1953.

Our Entertainment Committee promises us most interesting programs, with a possible change in our meeting place, on the third Friday of each month.

At the meeting of October 17, Dr. Gail Wilson of County Autopsy staff was Speaker, and at the meeting of September 19, Dr. Ted Loomis of the University School of Medicine was the speaker.

Fraternally yours,
RUDIE ROSENQUIST

(Continued from page 17)

Those are axioms. Those are the first principles of our fraternity. And if the problems of today drive us back to first principles, they may make for good, despite all the tensions.

I am heartened today at this gathering at what I think you have in these various combinations. It makes me think of what happened in 1912, forty years ago when the *Titanic* was coming across on its maiden voyage, and struck the iceberg, was ripped open, and sunk. One of our American publications carried two illustrations of that tragedy. One was a drawing of the ship, striking the iceberg being ripped open like an egg shell, and sinking. Underneath it was this legend, "The weakness of man, the supremacy of nature." Another drawing alongside of it was that of one of the passengers on the ship, Mr. W. T. Stead, stepping back to give his place in the last lifeboat to a woman with a child. And underneath that drawing was this legend, "The weakness of nature, the supremacy of man."

In spite of all these problems of the atomic age and our complex society, when you come to gatherings like this you know that there are those elements of chivalry and honor and loyalty and the rest which make for man's supremacy even over the material forces of our dark day.

Kappa Psi Pharmaceutical Fraternity Directory

CENTRAL OFFICE: Address—Kappa Psi Pharmaceutical Fraternity
179 Longwood Ave., Boston 15, Mass.

EXECUTIVE CHAPTER

Founded December 15, 1879—Incorporated 1903

Alpha Grand Council, Wilmington, Del.

Grand Regent—Frank H. Eby 109 Fairview Rd., Springfield, Pa.

Forty Years of Balfour Craftsmanship

Dedicated to Fraternity Service

As we celebrate our 40th Anniversary year, the L. G. Balfour Company is proud to look back on its record of service to the fraternities and sororities. Founded on December 13, 1913, the L. G. Balfour Company was dedicated to serve the fraternities in the manufacture of their insignia, made for the first time in exact accordance with official contract specifications.

Such insignia is made from dies to give uniform gold content and exact design assuring the fact that each pin or key is identical.

Having surmounted the difficulties of two world wars providing vital defense work while serving the fraternities all the while, the L. G. Balfour Company on this 40th Anniversary pauses to re-dedicate itself to the service and satisfaction of the fraternity men and women.

You may be proud to wear your pin or key, fashioned by the skilled and experienced hands of Balfour craftsmen.

Write for complete price list of your insignia.
