Grand Regent

JAMES R. THAYER

1327

It is fun to talk, write and philosophize when you have nothing else to do. When you have to do it competitively with a hundred other things—the pall falls. This dolorous introduction will give you a clear-cut idea of what this contribution will be. Be my guest so we will suffer together.

In many respects this has been a critical year for Pharmacy and for Kappa Psi. None of the problems have been solved completely but at least we are no longer flying at ceiling zero. Our pharmacists are still filling prescriptions and rendering all of the other services and the five year curriculum has had little effect on the number of students enrolled in our colleges. I think we have fared better than many of us expected. I am sure that we in Kappa

Psi need not fear the lean years that might have been.

Before your back gets bruised from too much patting let's take a longer look. Instead of a world made up of isolated communities we now have one world community. We are all familiar with the causes of this. Whether it is good or bad, whether we like it or not is quite beside the point because the condition exists. As a result we are badly infected with the pressure virus. Population pressure, economic pressure and social pressure. As we look at these problems which infect our world they seem entirely insoluble but we must find solutions. Probably population pressure is the principal villain. We like this when it brings more students to our colleges, more members to Kappa Psi, more customers to our pharmacy but it becomes a bit troublesome when the increase in population creates more competition for all of us and it becomes a "headache" when emerging people in the Congo, Laos, etc., cause problems which increase our taxes and threaten our security. These are not problems which can be solved by one man or one group. If there is a solution I believe it lies in a lot of people each doing a little. I think we need to apply this principle to the solution of our Kappa Psi problems.

By the time you read this we will be roughly six months away from another Grand Council Convention. If we are to achieve intelligent solutions to our Kappa Psi problems we must begin thinking about them and discussing them now. To repeat myself, which is the prerogative of old age—none of us as individuals can do more than a little but collectively we can do a lot. Admittedly we will not be able to solve all of our problems. We will not even have time to consider all of these problems. We will have to select the most urgent of these problems and make a sincere effort to solve them or at least make some progress toward their solution. I am sure any comments you may make will be appreciated by those who will plan the Convention program. Because of space limitations all I am going to do is to list some of them. I am separating them into major and minor problems and of course this separation will be imperfect.

Under major problems I would list (not in order of their importance) (1) finances (2) pledging and membership (3) expansion of postgraduate contacts (4) better and more frequent communication between the various segments of Kappa Psi (5) full time secretary (6) making Kappa Psi experience more significant at the local level (7) in-

(Continued on page 4)

College Fraternities Can Help Defeat Communism

(EDITOR'S COMMENT: The following is a statement by F.B.I. Director John Edgar Hoover)

"Communism is today a serious danger to our American Way of life. The Communists desire to destroy our form of government and establish an atheistic dictatorship. They would abrogate our cherished liberties and make this Nation part of a communist world empire.

"Most important in communist eyes is an attack against our young people. Ever since the days of V. I. Lenin the communists have been interested in capturing the minds of young men and women. The communists know that gaining the adherence of young men will insure their supremacy in the days to come. For that reason they work diligently, in every possible devious way, to subvert the thinking of American youth.

"College fraternities can do much to defeat this communist conspiracy. Their members should know more about the machinations of communism: what communism is, how it operates, what are its aims. They should take the time to study communism carefully and understand its nefarious ingredients. They should acquaint themselves with the tactics of this international conspiracy, both as it operates here in our country and abroad.

"The Fraternity member must be ready to make known his opposition to communism. In this way he can become an example to others on the college campus. A Fraternity man, conversant with the evils of communism, can do much to defeat this enemy. His opposition must be based on facts. Witch hunts, the use of innuendo and misinformation are not in the American tradition. Communism can be defeated by the truth—the truth which is embodied in our heritage of freedom.

JOHN EDGAR HOOVER, *Director*"

. . .

More on Rushing*

In a recent edition of the national magazine of Delta Sigma Phi Fraternity, its national president, Chandler Harris, a public relations officer of the University of California at Los Angeles, addresses the members of his fraternity, thusly:

"One of these days, I'm going to write an article entitled "How To Kill The Fraternity System." This will have to wait, though, until I can get a few more pressing matters cleared off my desk.

"Just so you'll know where I stand, I'll say right at the start that one of the best ways to kill Fraternities is to continue the move toward more and more formal rush systems.

* From Interfraternity Research and Advisory Council Bulletin, November 1, 1960.

"On the face of it, it would seem that bringing order out of the chaos of catch-as-catch-can rushing would be all to the good. Thus we have deferred rushing requirements that each rushee visit every chapter on campus (or at least a large number of them), and even preferential bidding.

"Under such systems, the strong chapters grow stronger, and the weak grow weaker. Across the country we find the strong chapters growing to sizes of well over 100 men, while the small chapters are shrinking to 25, 20 or even 15 men and eventually close their doors. Why?

"The answer is simple. In catch-as-catch-can rushing, the rushees who have leadership ability are likely to be better distributed among all chapters, partly because they haven't come in contact with most groups on campus. In formal rushing, on the other hand, all rushees are exposed to the largest and strongest chapters and to the finest Fraternity houses. Thus, leadership tends to get stacked up in the largest chapters, which need it least, and to avoid the smaller groups which need it most.

"A second effect is that every additional formality tends to discourage more rushees, and thus the ratio of rushees to the number of entering men becomes more and more unfavorable. Does the rushee have to register and pay a fee before he can be rushed? This tends to shrink the prospects to those candidates who are already sold and whose preferences are already narrowed. Does the rushee have to go to a referee, state his preference, and pick up his bid? Each such step reduces the number of men available to the whole Fraternity system on campus, and thus to your chapter.

"But, you may say, if formal rushing doesn't help the system, at least it gives the rushee a break. Does it? Deferred rushing and required visiting to all houses tend to make all rushees dissatisfied if they can't have pledgeship in the two or three more prominent chapters on campus. Is this a healthy situation? Think of how many disappointed rushees must take other choices or, perhaps in their disappointment, choose to take no alternatives and thereafter nurse their egos as opponents of the Fraternity system.

"Word has just reached me that the UCLA fraternities have just voted to drop all restrictions on rushing, permitting rushing and pledging of entering men at any time during the summer if the candidates want to commit themselves that early. I predict that this arrangement will strengthen the Fraternity system there, and I commend it to any campus whose Fraternities are slowly losing ground under the various, up-piling restrictions of formal rushing."

creasing contacts between Kappa Psi and the Profession at large, education, the other health professions and society at large.

Under minor problems I would suggest consideration of (1) the adoption or disapproval of the new Ritual (2) stimulation of improved scholarship (3) better liaison with other professional organizations in our field (4) continued vigilance over initiation procedures to avoid bad publicity (5) better attendance at A.Ph.A. meetings by active members (6) better Province Meetings (7) increased recognition of those who are or have made unusual contributions to Kappa Psi (8) development of a chapter house program.

I realize that this is a tremendous load but I am sincere in urging all of you to give some thought and developing some discussion on as many of these problems as you possibly can.

THE GRAND SECRETARY-TREASURER HAS THIS TO SAY

ABOUT SOME IMPORTANT OBLIGATIONS . . .

**Grand
Secretary-Treasurer
FRANK H. EBY**

There are five areas in which the professional Fraternity man must meet important obligations. These are listed below but with no intent to organize the five in the order of their importance.

1. OBLIGATIONS TO HIMSELF demand that he maintain a high degree of moral stability in order to earn the respect of his fellowman.
2. OBLIGATIONS TO HIS FRATERNITY demand that he learn the true meaning of working and getting along with others; of understanding the significance of his Fraternity's ideals and objectives, and of assisting in the growth of his Fraternity by encouraging others of fine character to join its ranks.
3. OBLIGATIONS TO HIS PROFESSION demand that he observe at all times a strict code of ethics and that he work for the elevation of his profession through his association with professional organizations.
4. OBLIGATIONS TO HIS COLLEGE demand that he maintain a high standard of intellectual achievement; that he constantly strive to uphold the cultural goals of his Alma Mater and that he develop a strong sense of loyalty to it.
5. OBLIGATIONS TO HIS COMMUNITY demand that he participate actively in those affairs for which his training and experience have prepared him for responsible citizenship.

Beta Lambda Chapter Sponsors "Dean Larwood Week"

**Dean Larwood Receives Honor Plaque
from Beta Lambda Chapter**

"Dean Larwood Week" was celebrated at the College of Pharmacy of the University of Toledo, November 6 through 12. The Week was a tribute to Dean Charles H. Larwood for his outstanding contributions to the school and the profession. It is believed that the Dean is one of few such men, if not the first, to be so honored while still active in his work.

The opening event of "Dean Larwood Week" was a dinner for pharmacists and pharmacy students on Monday, November 7. The dinner also served the purpose of being a "Hospital Pharmacy Career Night" and represented the response of gratitude from the dean's students, past and present. Sister Mary John, chief pharmacist of Mercy Hospital, was master of ceremonies and showed slides of many of the dean's former students working in

the Hospital Pharmacy's manufacturing and dispensing laboratories. Speakers included Pharmacist C. R. Bundt, representing the American College of Apothecaries, Sister Mary Eustelle, Administrator of Mercy Hospital; Mr. Donald F. Vliet, president of the Walding Kinnan and Marvin Company, wholesale druggists; Miss Violet Koroloff, president of the Toledo chapter of the American Society of Hospital Pharmacists; Mr. George Zimmerman, president of the Toledo Academy of Pharmacy; Mr. John Zugich, Assistant Administrator of the University of Michigan Medical Center; Dr. Donald E. Francke, director of pharmacy services of the University of Michigan Medical Center and representing the International Pharmaceutical Federation; and Dr. William S. Carlson, president of the University of Toledo. The Walding, Kinnan and Marvin Company covered the expense of the dinner. Numerous gifts were presented to the dean on behalf of the Toledo Academy of Pharmacy.

On Tuesday evening, November 8th, the dean's birthday, a professional meeting and birthday party were held in the Student Union of the University of Toledo. The program included a presentation by Dr. Joseph Judis, associate professor of pharmacy, as a representative of the faculty to express the gratitude of the school. His topic was "The Biological Effects of Ionizing Radiation." Following the talk, Dr. Robert Schlembach, adviser of Kappa Psi Fraternity, presented Scholarship Certificates to Kappa Psi members, Gerald Ingle and Russell Miller. Miss Jean Lang, as president of Lambda Kappa Sigma Sorority, presented a gift to the dean. The dean then proceeded to cut a 280-piece birthday cake and a social hour concluded the evening's program.

On Thursday evening, November 10th, a testimonial dinner was held in the Student Union as the final event of the Week. It was planned as the response of the profession in gratitude to the dean. Mr. Gilbert Siegel, pharmacist and president of the Toledo Board of Health, served as master of ceremonies; Dr. Spencer Northrup, past president of the American Cancer Society, presented the main address. This was followed by tributes to the dean by Donald S. Parks, dean of men; Kathryn Schwab, dean of women; Chester Kailiski, member of the State Board of Pharmacy, Dr. H. M. Bowman, director of medical education at Toledo Hospital and Sister Mary John, chief pharmacist of Mercy Hospital.

At the conclusion of the tributes, Dorsey Sergeant, Regent of Kappa Psi Fraternity, presented the Dean with a plaque in commemoration of the Week's activity and James McCabe, chairman of the Dean Larwood Week Committee, announced that an internal phone system is being purchased for the dispensing laboratory to be given in honor of the dean.

Beta Lambda Chapter of Kappa Psi Pharmaceutical Fraternity was the sponsoring organization of "Dean Larwood Week" and solicited the necessary funds for the phone system and gifts from the members of the Toledo Academy of Pharmacy. Sister Mary John and many others contributed greatly with their time and efforts in cooperation with the Fraternity to make the week a splendid success and a deserving tribute to Dean Larwood.

Milestones from "The Mask" Files

Twenty Years Ago

January, 1940

An editorial in this issue welcomed Beta Psi back again into the active chapters and recognized the indebtedness of the Fraternity to Brother Uhl, Dean of the School of Pharmacy of the University of Wisconsin at Madison and his coworkers for the restoration of this fine old chapter of Kappa Psi to the active roll.

Announcement also was made in this issue of *The Agora* having gone to press and mentioned the tremendous job it was in attempting to correct names, chapter affiliations, correct and complete addresses, etc. of over twelve thousand members.

Kappa Psi Pharmaceutical Fraternity

Charter

To all the fraternity to whom these presents shall come,
The Alpha Chapter
of the
Kappa Psi Pharmaceutical Fraternity
Incorporated
of the **United States of America, and Canada, send**
Greetings:

Whereas, the men whose names are listed below have petitioned the Alpha Chapter of the Kappa Psi Pharmaceutical Fraternity that they with such others as shall hereafter join them may be a regularly constituted Collegiate Chapter of Kappa Psi, which petition appearing to us as tending to the advancement and perpetuation of the Brotherhood of Kappa Psi,

Know Ye, therefore, that we, the Alpha Chapter, aforesaid, reposing confidence in these Brethren, have constituted and appointed them a regular Collegiate Chapter under the title and designation of
Gamma Nu Chapter of
The School of Pharmacy of the College of the Pacific
at the

City of Stockton, State of California

Also, they are charged to advance the objectives of our Fraternity; to receive and initiate members; make choice of officers; to receive funds; make By-Laws, and alter, amend or repeal same; to pay the Constitutional fees and to meet all other Constitutional obligations to the Alpha Chapter.

In Testimony Whereof, We, the undersigned, by virtue of the power and authority committed to us have hereunto set our hands and seal this seventeenth day of September 1960

James R. Thayer

CHARTER OF GAMMA NU CHAPTER

Chapter installed September 17, 1960 at The School of Pharmacy,
College of the Pacific, Stockton, California.

1330

Province VII Assembly

Lexington, Kentucky, November 19, 1960

Raymond Kennett, *Historian*

At Lexington, Kentucky November 19, 1960, men of Kappa Psi from five states gathered for the regular meeting of Province VII.

The meeting was called to order by Satrap G. C. Hanney with the following chapters present: Psi, Upsilon, Gamma Omega, Gamma Pi, Gamma Theta, Kentucky Graduate Chapter, St. Louis Graduate Chapter. Beta Rho was the only chapter of the Province absent.

Following report of the officers, greetings were extended by Dr. Paul Scott (University of Kansas City), Executive Committee Member, representing the Grand Council. Vice Satrap Barnett read a very interesting paper "Fraternity Financing." This paper gave ideas and ways of obtaining funds on which to operate. After committees were appointed the meeting adjourned for lunch.

Following a tour of the new and beautiful pharmacy building on the campus of Lexington the meeting reassembled for the afternoon session. Reports were heard from each of the chapters present, and a group discussion was held on problems of the 1-4 and 2-3 programs in pharmacy education.

The Time and Place Committee selected October 1961, and the city of Little Rock, Arkansas for the next interim meeting. The Committee also selected beautiful Kansas

1331

NEW OFFICERS OF PROVINCE VII

From left, R. M. Doughty (*Secretary-Treasurer*), William B. Swafford (*Satrap*), Raymond Kennett (*Historian*), Bob Barnett (*Vice Satrap*) and Larry Park (*Chaplain*).

City for the regular meeting in 1962. We here at Gamma Theta look forward to welcoming our out of state brothers and are now making plans for a bigger and extended Assembly in 1962.

A bulk of legislation was passed. The important passage was for the expenses of delegates to the Assembly. A motion was passed, that in so far as possible, to pay the travel expense of one delegate from each chapter of the Province. This shall be considered to consist of rail fare to and from the Assembly. With the passage of this amendment to the Province Constitution it is now hoped that we will have 100% chapter representation at our future meetings.

Next order of business was the election of officers. The new officers and their office are: William B. Swafford, University of Tennessee, Satrap; Bob Barnett, Kentucky Graduate Chapter, Vice Satrap; R. M. Doughty, University of Kentucky, Secretary-Treasurer; Raymond Kennett, University of Kansas City, Historian; Jerry Park, University of Arkansas, Chaplain.

The Assembly officially ended that evening with a banquet at the swank Campbell House in Lexington.

Those attending the convention were: Psi (University of Tennessee)—Larry DePrist, Phonzie Brown, William Cole, Karl Goldner, W. L. Djerf, J. E. Hobul, and Dr. Swafford. Upsilon (University of Kentucky)—Gerald Sturgeon, Bob Wallace, R. Thomas, R. M. Soughty, Charlie Beckman, Carroll Cinnomonel. Gamma Omega (University of Arkansas)—Robert Foiles, Jerry Park, Eli Wolfe, and Don Hall. Gamma Pi (St. Louis College of Pharmacy & Allied Sciences)—Dr. Henney, Glenn Lonhart, Richart Bazzoni, Roy Klostermare, Don Mulcahy and Philip Bangert. Gamma Theta (University of Kansas City)—Richard Gardner, Raymond Kennett, Ira Slough, John Joseph, Charles Hammontree, Fred Fellers, and Ed Ingram. Kentucky Graduate Chapter—Bob Barnett.

• • •

Although we recognize a large membership as a Fraternity asset, quality is the one thing that has contributed most to the outstanding reputation of Kappa Psi Fraternity.

Province X Assembly

Pullman, Washington, October 15, 1960

Frank A. Pettinato, *Historian*

Representatives of Beta Omicron, Beta Pi, Beta Zeta, Gamma Eta and the Portland and Seattle Graduate Chapters were present at the Province X Assembly held in the Student Union Building, Washington State University, Pullman, Washington on October 15, 1960.

After the meeting was called to order by Satrap Leo Sciuchetti, Brother David Gusseck of Beta Pi delivered the invocation. Brother Allen I. White, Dean of the School of Pharmacy, Washington State University, welcomed the delegates on behalf of the University and the host chapter, Beta Pi. Brother John Cook of the Portland Graduate Chapter gave a report on the 1959 National Convention. Brother Charles O. Wilson, Dean of the School of Pharmacy at Oregon State College, discussed the responsibilities of Kappa Psi members. He charged the chapters with the obligation to give something tangible to their respective colleges and to make a definite contribution to the profession of pharmacy. Brother Wilson emphasized the fact that Kappa Psi is a professional Fraternity, and as such, should promote activities which are within the objectives of the Fraternity as stated in the constitution rather than to promote only activities of a strictly social nature. Dean Wilson's talk was followed by each Regent's report of the activities of his chapter. In many instances an emphasis on the social aspects of chapter programs and activities was apparent.

A discussion of topics which had been assigned to each chapter then followed. The topics presented were: Stimulation of Scholarship—Gamma Eta; Methods of Financing Activities—Beta Pi; Contributions to the School and the University by Kappa Psi—Beta Omicron; Value of the Chapter House—Beta Gamma; Our Experience with the Five-Year Curriculum—Beta Zeta.

The new by-laws for Province X were read, discussed and adopted by the assembled delegates.

Following a report by the nominating committee, the following officers were elected: Satrap—Dr. Leo Sciuchetti, Beta Zeta; Vice Satrap—Mr. John Cook, Portland Graduate Chapter; Secretary-Treasurer—Dr. Lynn Brady, Beta Omicron; Historian—Dr. Frank Pettinato, Gamma Eta. Mr. John Cook was elected delegate to the National Convention.

Resolutions were approved to (1) encourage member chapters to make plans for activities that will result in an enduring benefit to their members and to pharmacy, (2) express appreciation to the Spokane Division of McKesson and Robbins for the luncheon which they provided for the delegates, (3) express appreciation to Beta Pi Chapter for its hospitality.

CHANGES OF ADDRESS

A change of address without notifying the Central Office causes an automatic removal of your name from the mailing list.

Include your old as well as your new address plus your collegiate chapter affiliation when notifying the Central Office.

Central Office: Office of the Grand Secretary-Treasurer, 109 Fairview Road, Springfield, Pa.

WAYNE STATE UNIVERSITY, "OLD MAIN" BUILDING—DETROIT, MICH.

The institutional location of Mu Omicron Pi Chapter. Chapter chartered in 1927.

1332

ALBANY COLLEGE OF PHARMACY—ALBANY, N.Y.

The institutional location of Beta Delta Chapter. Chapter chartered in 1910.

1333

Beta Omega Chapter Continues Service Program

Beta Omega Chapter of Kappa Psi, Temple University, Philadelphia, Pennsylvania, has recently completed the fourth year in a series of polio inoculations made available to all students and staff of the Schools of Pharmacy and Dentistry of Temple University.

In the interest of public health, and with the greater availability of the Salk Vaccine, Beta Omega Chapter decided that this would be a very worthwhile and timely endeavor. This program was begun in 1957 and it proved so successful that it has been continued each year. Technical advice was given by Dr. Roxby of the Temple Health Service under whose authority the program was established and supervised.

The program has been well received within the university and Kappa Psi was given special commendation by Dr. William Tomlinson, Vice President of the University in 1957, who stated that the project was a fine example of public service.

After the fourth year, a total of 1200 free injections have been given, all at the expense of the chapter.

The above program has succeeded in advancing the position of the profession of pharmacy in the field of public health and the status of Kappa Psi in the university community.

1334

TEMPLE'S DEAN JOSEPH B. SPROWLS RECEIVES POLIO IMMUNIZATION
DURING BETA OMEGA'S IMMUNIZATION PROGRAM

From left is Stanley Smith (chairman of Polio Immunization Program), G. Beitzel, Grand Secretary-Treasurer Frank H. Eby, Mrs. John Deppen, R. N., L. Gatto, Dean Sprowls, R. Peyakovich and Regent John Deppen.

NEWS OF SPECIAL INTEREST

Dr. C. LEE HUYCK (Beta Delta), professor of industrial pharmacy at the St. Louis College of Pharmacy since 1952, is now the Senior Information Scientist at the Norwich-Eaton Laboratories.

* * *

MERRIL J. INSLEY (Gamma Delta) is the newly elected president of the Ohio State Board of Pharmacy.

* * *

KAPPA PSI FRATERNITY MEMBERS who were elevated to the presidency of national pharmaceutical organizations during the past few months include: Ronald V. Robertson (Beta Pi), American Pharmaceutical Association; Henry M. Burlage (Beta Omicron), American Association of Colleges of Pharmacy; Ralph M. Ware, Jr. (Theta), National Association of Boards of Pharmacy.

* * *

THE THIRTY-FIRST GRAND COUNCIL CONVENTION of Kappa Psi Fraternity will be held in Philadelphia, Pennsylvania—December 28-30, 1961.

* * *

THE AMERICAN PHARMACEUTICAL ASSOCIATION CONVENTION will be held in Chicago the week of April 23, 1961. Your chapter should make every effort to see that its APhA Student Branch is represented by a Kappa Psi member at this meeting. The Kappa Psi Annual Breakfast on Wednesday morning of the convention week is an event you should not miss.

* * *

ORCHIDS TO THESE CHAPTERS for having paid all per-capita fees for the full 1960-61 year and all initiation fees for new members reported: Gamma, Columbia University; Beta Gamma, University of California; Beta Epsilon, University of Rhode Island; Beta Zeta, Oregon State College; Beta Omicron, University of Washington; Gamma Theta, University of Kansas City; Gamma Lambda, New England College of Pharmacy; Gamma Chi, Ferris Institute.

* * *

THE RAISING OF ADDITIONAL CHAPTER FUNDS is a question that is often asked. Since there are various campus and community regulations regarding fund raising, it is difficult to give much in the way of useful information to chapters. One idea came to our attention which may interest your chapter if the members are willing to do a bit of work. Drop a card for information to THE WRITEWELL CO., 108 Massachusetts Avenue, Boston 15, Massachusetts.

* * *

FIRST GRAND VICE REGENT HERMAN C. FORSLUND and family are in Alexandria, Egypt under a Fulbright grant for one year. Brother Forslund is teaching at the University of Alexandria (Egypt), Faculty of Pharmacy. He will return in the fall to his position on the faculty at Oregon State College in Corvallis.

* * *

THE HANDBOOK OF KAPPA PSI PHARMACEUTICAL FRATERNITY—Third Edition—has just come off the press after a revision by the Publications Committee and Grand Secretary-Treasurer Frank H. Eby. One of the new features is a map (showing names of states and Greek letters of chapters) which depicts the distribution of the 51 collegiate chapters of Kappa Psi as of January, 1961.

Financing a Fraternity

William B. Swafford, *Satrap, Province VII*

MONEY IS IMPORTANT. This is true of a small child wishing for an ice cream cone, or an executive of a large business establishment, attempting to finance some business venture.

Money is of particular importance to fraternity organizations where the financing of such organizations depends generally, on contributions from members of that organization.

There are several methods by which a fraternity may support its activities. The more commonly used method is the assessing of dues and special assessments for any given project which may be undertaken.

This method has its advantages and disadvantages; however, in this procedure, the disadvantages seem to far outweigh the advantages that might accrue from such a procedure. In this type of financing the individual member has no way of knowing how much of an assessment each member may have and as such the member is never exactly sure of himself and his fraternity financing. Secondly, there is never a reserve on hand to meet an emergency or other needs which may arise. And of course, a third disadvantage is the fact that an assessment may find some of the members unable or more or less unwilling to meet the assessment at the time the money is needed.

A second method of financing a Fraternity is a bit more complicated than the dues and special assessment method, but more satisfactory to all members in the long run. This method involves the establishment of an annual program for the Fraternity prior to the beginning of the year's activities. In this program would be included all Fraternity projects in which the members are to participate during that year. Once the program has been established, a finance committee would determine the approximate cost of the program. This cost plus any dues or other financial obligations for that year would be combined and this total would constitute the amount of funds that the Fraternity would need for that year. From this amount the finance committee could establish a budget, allotting a specific amount of the available funds to each project, and it would be the duty of the officers and the finance committee to see that only the designated amount of the funds was spent on any specific project.

HOW WILL MONEY FOR THIS FUND BE RAISED? One method is to have one general assessment, equally divided among all members. This would be placed in the budget fund and would only be available to each project as it had been allotted. Any additional funds which might accrue such as initiation funds of new members, would be treated as a surplus and held over to the next year when plans for another year's activities commences. These excess or surplus funds would then be considered as part payment on that year's budget and would serve to reduce the assessment or to increase the Fraternity activities for that year.

This method calls for more work and more careful attention to the costs of activities of a Fraternity; however, it can be done and done more satisfactorily than a day by day assessment for each activity of the Fraternity.

A program committee should be one of the standing committees of any Fraternity. This committee can be appointed far enough in advance so that it can have a program well-formulated before time for determining the budget for that particular year.

A finance committee could also be appointed to work with this program committee. Between the two, the program and cost of the program could be determined, the assessment of individual members established, and a budget for these activities completed by the time the year's activities are to begin. This type of financing appears overall, to be a much better method of securing money for financing the activities of the fraternity than the special assessment method.

Stuart A. Wesbury, Jr., Official Representative in Delaware

Stuart A. Wesbury, Jr., the recently appointed Official Representative of Kappa Psi Fraternity in the State of Delaware, was born in Philadelphia, Pennsylvania, where he attended school. He is a graduate of Central High School, class of 1951.

Brother Wesbury attended Temple University, School of Pharmacy where he served as Regent of Beta Omega Chapter and President of the Student Council. He was active in the Student Branch A.Ph.A. and was a University Cheer Leader. He received his degree in pharmacy in June 1955.

In 1955 he entered the United States Public Health Service as a Commissioned Officer and served at Hospitals in Baltimore and Savannah. He was Administrative Officer and Chief Pharmacist at the Outpatient Clinic in Cincinnati when he resigned from the service in 1958.

Brother Wesbury received the master's degree in Hospital Administration at the University of Michigan in June 1960 and has been serving since that time as Administrative Assistant at the Delaware Hospital in Wilmington, Delaware.

He is married and is the father of two sons. In Wilmington he is active in church work, principally Youth Fellowship Counseling in the Methodist Church.

STUART A. WESBURY, JR. (*Kappa Psi*)
Official Representative in Delaware.

Money is important and also difficult to secure at times. If a Fraternity member knows at the beginning of any given year what his Fraternity costs are to be for that year, he can then establish his own budget and more readily take care of his part of the Fraternity program.

New Annual Employment Guide Tells Where and How to Obtain Summer Jobs

The new enlarged 1961 annual SUMMER PLACEMENT DIRECTORY, the largest and most comprehensive listing of actual summer jobs, projects, awards, and fellowships is now available. This is the same DIRECTORY used each year by over 1500 college placement offices and copies can be examined at most University Placement or Deans' offices, college and public libraries, and school superintendents' offices.

This unique DIRECTORY, completely revised and brought up to date each year, is particularly prepared for college students, teachers, professors, and librarians. Jobs for which high school seniors may also apply are clearly indicated.

Some of the over 14,000 unusual summer earning opportunities listed throughout the United States and many foreign countries include citizenship projects to study the U.S. government, scholarships for studying archaeology in Greece, baking bread and pastries in Alaska, theatrical apprenticeships in summer play houses, conducting tours to Europe, summer newspaper fellowships for journalism teachers, internships in social agencies and hospitals, on-the-spot studies of business firms by college professors, secretarial work at the United Nations, church caravans, trainees on a cruise ship, and a concert tour to Europe for singers with the All-American Chorus.

This year's DIRECTORY offers many special student training programs or openings of a permanent nature in hundreds of firms such as ELI LILLY CO., VICK CHEMICAL CO., LITTON SYSTEMS, KROGER CO., ADDRESSOGRAPH-MULTIGRAPH CORP., INGERSOLL-RAND, HUGHES AIRCRAFT, CINCINNATI GAS and ELECTRIC CO., AEROJET-GENERAL CORP., SINGER SEWING MACHINE CO., etc.

Study projects, camp positions, jobs and apprenticeships with summer play houses and music theatres, and work at inns, resorts, restaurants, hotels, motels, lodges, and dude ranches are some of the other varied offers made to students and educators. Many branches of the U.S. Government in Washington and throughout the country have also requested their openings to be included.

All openings have been submitted directly to the INSTITUTE and include job descriptions, dates of employment, necessary qualifications, number of openings, salaries, and the names and the addresses of the employers. Helpful information is given on how to apply for positions and each DIRECTORY contains a sample resume to assist applicants.

The SUMMER PLACEMENT DIRECTORY can be obtained for \$3.00 directly from THE ADVANCEMENT and PLACEMENT INSTITUTE, Box 99P, Station G, Brooklyn 22, N.Y. A new companion booklet called 99 WAYS FOR TEEN AGERS TO EARN MONEY DURING THE SUMMER, is now also available for 50 cents. Since 1952, the INSTITUTE has been a clearing house of occupational information and positions for the field of education.

"Since we owe our existence to the institutions where our Chapters are located, our members must always conduct themselves so that they never bring dishonor in any way to the institutions they represent."—FRANK H. EBY

Personals

Two members of the Eli Lilly and Company sales staff retired as of December 30, 1960. They are Frederick E. Lehman (Eta) and Edward W. Miller (Beta Delta). Brother Lehman's career was spent in Philadelphia where he joined Lilly as a salesman in 1932. He graduated from the Philadelphia College of Pharmacy & Science in 1924. Brother Miller spent most of his career associated with operations in the Far East. He joined Lilly in 1924 as a salesman in Shanghai. Since 1947 Brother Miller has been in California as a salesman for the parent company. He graduated from the Albany College of Pharmacy in 1919.

RICHARD L. JACKSON (Beta Upsilon)

Recently joined Eli Lilly & Company as an associate biochemist. 1338

Richard L. Jackson (Beta Upsilon) has joined Eli Lilly and Company as an associate biochemist in the glandular products development department. He will assist in studying technical problems related to Insulin production. Brother Jackson received a bachelor of science degree in pharmacy from Butler University in 1958.

Private Alan P. Debbs (Gamma Epsilon) has completed the eight-week basic Army administration course under the Reserve Forces Act Program at Fort Dix, New Jersey, November 10, 1960. Brother Debbs received training in typing, record keeping and general personnel administrative procedures. He is a 1959 graduate of the University of Nebraska.

Maurice F. McCameron (Beta Upsilon), manager of Eli Lilly and Company's Calumet District, has been named a special staff associate in the Lilly public relations division. Brother McCameron has been a member of the sales organization since 1951 in the Chicago area. He joined

MAURICE F. McCAMERON (Beta Upsilon)

Recently named a special staff associate in the Lilly public relations division. 1337

Lilly in 1941 and spent most of the ten years before his transfer to sales as a member of the biological processing department. During World War II he was an officer in the United States Army Air Force. Brother McCameron studied pharmacy while employed by Lilly at Butler University and received the bachelor of science degree in 1950.

John D. Dame (Beta Rho), district manager of Eli Lilly and Company's Knoxville District, has been transferred to Richmond, Virginia. Brother Dame has been with Lilly since 1951 where he was a sales representative in Shreveport, Louisiana, and Jackson, Mississippi. He received a bachelor of science degree in pharmacy from the University of Mississippi in 1949.

Joseph A. Trahan (Nu) has been appointed eastern regional sales manager for Schering Corporation. Brother Trahan joined the Schering Corporation in 1950 as a professional sales representative in the Hartford, Connecticut area. He became Albany division sales manager in 1956 and was transferred to Schering's Bloomfield, New Jersey, home office in 1958 as sales training manager. In his new position, he will be located in the company's Union, New Jersey, administration building. Brother Trahan received a B.S. degree in 1949 from the University of Connecticut School of Pharmacy, where he was Regent of Nu Chapter in 1948, and in 1954 was elected Historian of the Connecticut Graduate Chapter. He completed one year of the National Sales Executives Graduate School of Sales Management and Marketing Program at Syracuse, New York, in 1960. A World War II army veteran, Brother Trahan and his wife, the former Gloria Pantalena of New Haven,

Connecticut, reside at 9 Penwood Road, Livingston, New Jersey, with their two daughters, Debra Jean and Holly Ann.

Donald J. Miller (Beta Xi) has joined Eli Lilly and Company as a sales representative in Orlando, Florida. Brother Miller attended the University of North Carolina and received a bachelor of science degree in pharmacy in 1957.

John K. Cerutti (Omega) has joined Eli Lilly and Company as a sales representative in Newark, New Jersey. Brother Cerutti served in the United States Army for two years and in 1954 enrolled at Rutgers University. He received a bachelor of science degree in pharmacy from Rutgers in 1959.

Donald H. Williams (Mu) recently was elected secretary of the Northern California Society of Hospital Pharmacists. Brother Williams is serving as a Lt. (jg) in the United States Public Health Service and is the staff pharmacist at their hospital in San Francisco, California. He received his bachelor of science degree in pharmacy from The Massachusetts College of Pharmacy in 1958. He lives with his wife, Arda, at 1253-21st Avenue, San Francisco.

1339 JOSEPH A. TRAHAN (Nu)
Appointed eastern regional sales manager for Schering Corporation.

Chapter "Newsletters"

"Newsletter" for Publication in THE MASK

Collegiate Chapter Historians and Graduate Chapter Secretaries should send their "Newsletter" for publication in THE MASK by the following dates:

<i>Issue</i>	<i>Postmark Not Later Than</i>
October-December	October 10
January-March	January 10
April-June	April 10
July-September	June 10

It is requested that you mail about a week before the deadline date and observe the following:

- 1—Reports should be typewritten and double-spaced.
- 2—Include the original and one carbon copy.
- 3—Include chapter and school name in capitals across the top of the first page of each letter.
- 4—Graduate Chapters need include only the chapter name.
- 5—Be certain that members' names are spelled correctly.
- 6—Whenever photographs (not over two) are submitted be sure to include names of those appearing in the pictures and to attach other information which you wish published beneath the picture. Send only *clear* glossy photographs (7 x 10, 8 x 11 or larger size) and protect them in such a way that they will not become damaged in the mails. (Submission of photographs is no guarantee that they will be used.)

Send your "Newsletter" to Nicholas W. Fenney, Editor of THE MASK, 62 Broadfield Road, Hamden 17, Connecticut.

GAMMA—COLUMBIA UNIVERSITY COLLEGE OF PHARMACY

The important activity occurring this period at Gamma Chapter centers around the evaluation of pledges and the assignment of projects. Completion of pledge duties has been satisfactory up to the present time.

The pledges are to join the Fraternity in March. If all goes well, the new members will approximately double the number of brothers in the chapter. This will be one of the most substantial increases in membership in quite a few years.

A Christmas party was held December 22 at the Hotel Empire in New York City. All those present had a good time.

Raffle Committee Chairman Dick Papazian reports that plans for the annual raffle are well under way. Since the stereo set raffle went off so well last year, Dick is planning to raffle off another stereo set, unless something better can be found.

All brothers and pledges are studying hard at this time for final exams which will be between January 16 and January 20.

At this time may I wish on behalf of Gamma Chapter, a very Happy New Year to members of the other Chapters of Kappa Psi.

Fraternally yours,

BERTALAN BARTHA, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

The holiday season was begun with the Christmas dance which commenced on December 17. With the house decorated in the traditional Christmas theme, the brothers and their dates danced to the music of the Nomads. Filled with the holiday spirit, the brothers left for home on the following Tuesday.

Returning from the intersession, the brothers' first business at hand was to open the returned bids. Eta Chapter is proud to have accepted twenty-one young men to carry the traditions and future of Kappa Psi at this chapter. Included in the group of pledges are: Paul Beasley, William Crouthamel, Thomas Duke, Louis Eells, Carl Forester, John Fans, Van Foodell, James Howard, George Koons, Matthew Land, William Lewis, Nicholas Marion, Julius Mingroni, Charles Micklosky, David Moffett, Kenneth Rosini, Theodore Saylor, Al Tompa, Robert Voytovich, Daniel Cedrone.

On January 9 the election of officers for the coming year was held. Those elected and their respective offices are: Regent, Terry Wentzel; Vice Regent, Robert Penna; Recording Secretary, Emmet Kurtz; Corresponding Secretary, Joseph Dimino; Treasurer, John Buchanan; Assistant Treasurer, Thomas Roenitz; Historian, James

Roenitz; Chaplain, Jack Zweier. Under their leadership Eta Chapter is assured another prosperous year.

On February 11 Eta Chapter will have its first Father-Son Banquet. About fifty people are expected. One of our fellow brothers and a faculty member will speak at the dinner.

The men of Eta Chapter are proud to announce the selection of Mary Sue Larner as their "Sweetheart" for this year. She is a member of the sophomore class, Lambda Kappa Sigma Sorority, Newman Club, and the newspaper staff. Her attractiveness and charm is known by all on campus. We are certainly honored to have her the "Sweetheart of Kappa Psi."

ab imo pectore,

JAMES M. ROENITZ

THETA—MEDICAL COLLEGE OF VIRGINIA

Greetings to all Kappa Psi brothers from Theta. After our Christmas vacation filled with work and fun, we of Theta returned to M.C.V. to harass our new pledges and prepare them for taking the initiation into our midst. We are very proud of the twenty-five pledges and feel sure that with their help Theta will progress.

At this time, members as well as pledges are working hard on obtaining advertisements for our banquet program book. The formal banquet and dance in honor of the new members will be held on January 21 at the Hotel Richmond. We will be honored to have as our guest speaker Grand Historian Earl T. Brown from the University of North Carolina.

We are also proud of Brother Gerald Weinstein who received the Scholarship Honors Certificate, and we hope more of our brothers will try to obtain this honor.

In closing, I would like to wish all brothers of Kappa Psi a Happy New Year, and hope that they will strive to maintain the principles of our Fraternity.

Fraternally yours,

CECIL K. CADWALLADER, *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

Greetings to all Kappa Psi brothers from the Mu Chapter. As this is our first Newsletter message of 1961 we want to wish everyone an enjoyable year and hoping that this year will see Kappa Psi again growing in prestige.

On November 29 our Fall Initiation for upperclassmen was held at Brookline Hall. Ten new members were initiated. This is one of the largest groups ever to enter Mu Chapter in the fall. At the moment our collegiate membership totals 93. In this group we have graduate student Jack Beal who is of the class of '60 and is currently at M.C.P. majoring in microbiology. The others are sophomores: Terrence Brooks, Bruce Dearborn, Louis Fedele, Edward Freeman, James Hjelm, William Keefe, Paul Pichierra; junior: Maurice Lacerte; and senior: Charles Batchelder. At the present Mu Chapter brothers are busily preparing for what they expect to be an equally successful freshman initiation in February.

The Annual Tri-Fraternity Party was held Saturday December 3 at the 1200 Beacon Street Hotel in Brookline. An excellent turnout was there to enjoy the music of the Johnny Kaye Orchestra.

At the Massachusetts College of Pharmacy, Mu

Chapter is proud of the leadership which its members are showing. For example, Peter Clark is president of the sophomore class; Kent Carluccio is president and Terry McNabb is vice-president of the junior class; John McNabb is president of the senior class. Others who hold important positions are David Wastchak as Student Council president; Ronald Gomes is president, Robert Daly is vice-president and Chris Kelly is treasurer of the American Pharmaceutical Association Student Branch; and Robert Raymond is president of the Rho Chi Honor Society. In addition, all are very strong along scholastic lines.

At this time of the year, around the holidays, fraternal affairs are almost at a standstill. Now with the first semester exams completed the activities of the chapter are back in full swing. During this second half of the year we can look forward to the Freshman Initiation, a Theme Party, the Annual Smoker and the Annual Formal Dinner-Dance.

Signing off with a remainder that "Secrecy in Kappa Psi Will Spell Success."

Fraternally yours,

ROBERT L. RAYMOND, *Historian*

NU—UNIVERSITY OF CONNECTICUT

Greetings from the brothers of Nu Chapter Kappa Psi. At this time we extend our very best wishes for a successful and rewarding new year.

We are proud to say that since November 30 we have had fourteen new pledges, this being our first class of the semester due to regulatory difficulties at the beginning of the school year. Our pledge class is organized and directed by pledge-master Brother Mike Licamele, who is doing a fine job. Our new prospective members are Doug Chandler, Gerry Dionne, Bob Dalpozzol, Dennis Eliason, Mike Fallon, John Howland, Dick Hulboj, Marv Johnson, Mike Lane, Ed Nalewaik, Jeff Roberts, Mert Rowe, Frank Scalise, and Dan Sullivan, who was elected pledge class president by his pledge brothers.

This school year, Nu Chapter took an active part in the Diabetes Detection Week Program which falls on the third week in November, just before Thanksgiving. Kappa Psi sponsored an all-out drive that week at U-Conn., in cooperation with the American Diabetes Association, seeking to discover and aid people with diabetes.

Sports-wise, Nu Chapter has become affiliated with a bowling league which was formed just before the holidays. We compete with the other university fraternities throughout the school year. The league has not progressed far enough as yet to give any results.

Brother Richard Gailunas, who is a seventh semester student, was recently listed in the 1960 edition of "Who's Who in American Colleges and Universities." He was among two-dozen campus leaders chosen on the basis of excellence and sincerity in scholarship and leadership at the university. Other considerations bearing on selection are participation in extracurricular activities, citizenship, service to the university and promise of future leadership in society and the business world. Dick certainly deserves this honor.

Two Nu Chapter Kappa Psi Brothers have become engaged since the last issue of THE MASK. Brother David Gruening was engaged in early December to Rolene Auclair, who is a first semester student at the university. They plan to marry on September 2. Also, Brother Butch Rioux was

NU CHAPTER SWEETHEART—1341

Social Committee Chairman Brother Bill Dugan (right) is presenting Nancy Griswald with the Sweetheart Trophy. Nancy holds a bouquet of red roses while escort Brother Bob Roth proudly looks on.

engaged just before Christmas to Sue Zotti, who is now living in Miami, Florida. They have their wedding date set for August 19 of this year. Two of our married brothers now have recent additions to their families. Brother Amir Roghany, a student from Iran, and his wife Eve, were blessed with a baby boy early this fall, while Brother Lee Sanna and his wife are the proud parents of a third child born in November.

In addition to our many parties and informal gatherings since the last issue of THE MASK, we held our annual Sweetheart Formal on Saturday night, January 7, which was held in Willimantic, Connecticut. It turned out to be a very gala affair with a short cocktail hour, and a buffet dinner, followed by dancing for the remainder of the evening. Our selected sweetheart was pert and pretty Miss Nancy Griswold of Madison, New Jersey. Our sweetheart is pinned to Brother Bob Roth. She was presented with a beautiful bouquet of roses and a very smart jewelry box with a few pieces of gold jewelry enclosed. The Nu Brothers then joyfully serenaded Nancy with our Sweetheart Song. The dance was very successful with full credit due to the Social Committee headed by Brother Bill Dugan. Various other activities are now being planned in anticipation of another full, successful semester.

Since election of new officers is nearby, I regret to say that this will be my last Newsletter. However, it has been indeed a pleasure to bring Nu's news to the brothers of Kappa Psi throughout the last year by way of our national publication, THE MASK.

P. CLARK VARNUM, *Historian*

XI—OHIO STATE UNIVERSITY

Greetings from Xi Chapter. This last spring quarter fourteen new members were initiated into Xi Chapter. The new actives are: Robert DuPont, Edwin Earhart, Robert Elliott, Jan Garner, Harry

Guy, William Hanscel, James Hawkins, Joel Ito, Joseph McCallister, George Rings, Philip Rodgers, Richard Sullivan, Rodger White and Jack Witchey.

Elections were held for the new officers of the academic year 1960-61. The new officers are: Regent, David Gaydos; Vice Regent, John Piccoro; Secretary, Edson Benadum; Treasurer, Lawrence Chick; Chaplain, James Hawkins; Historian, Jack Witchey and Sergeant at Arms, Edwin Earhart. Appointed as the parliamentary and the social chairman was Wayne Todd.

Brothers John Piccoro and Philip Rodgers were initiated into Rho Chi Honor Society. Brother Rodgers was elected the president of Rho Chi.

The main social event of the year was our Spring Dance. The dance was held on May 7 at the White House in Columbus, Ohio. An award was given to the past Regent Emil Kunzi for his able leadership during the academic year 1959-60. Music was supplied by Carmen Delli Quadri.

Brothers Gaydos and Smith were the representatives of Xi Chapter to the Province V Assembly in Toledo, Ohio on April 2. Brother Gaydos was elected Chaplain of the Province.

The brothers of Xi Chapter join me in expressing our sincere appreciation for an outstanding job performed by our graduated seniors: William Donovan, Russell Harcha, Arthur Hess, Emil Kunzi and Clarence Smith.

This fall quarter eight men were initiated into the Xi Chapter on October 19. Those joining the "square" were: Jan Garner, James Hodge, James King, Tak Masuoka, William Oliver, Yung Park, John Schwilk and Gene Stauffer.

In closing, we of Xi Chapter wish all our brothers a prosperous 1961.

Fraternally yours,
EDSON BENADUM, *Secretary*

PI—PURDUE UNIVERSITY

Greetings to all of the brothers from Pi Chapter. We are coming to the close of the first semester here at Purdue. This has been a very active period for the brothers, and several have been working very hard on various jobs for the chapter and the School of Pharmacy.

An initiation dinner was held on December 17 honoring the sixteen new members of our chapter. The new brothers are: Thomas E. Arnett, Michael D. Ashley, Thomas L. Baker, Merle W. Boyer, William L. Carney, Robert Cook Jr., Michael P. Farrell, and Alan P. Gates. Also included were Richard R. Horton, Donald H. Jablonski, John E. McCoy, James W. Parker, Philip J. Paugh, Wayne L. Richey, Ronald L. Scott, and James C. Tudor. Brother Maurice Goodnight gave a talk on the future of pharmacy from a retailer's viewpoint. Brother Goodnight has just resigned from the State Board of Pharmacy to accept a seat in the State Legislature.

The Pharmacy Round-up was held again this year, and a good time was had by all. The Pharmacy Round-up is an annual get-together of the faculty and students for an evening of fun and entertainment. This year once again Kappa Psi provided a large part of the entertainment. Brother Bothwell was Master of Ceremonies for the evening and a skit was presented entitled "This is your life Melvin Goodbie" in which Brothers Edwards, McPhail, Kraisel, Mathes, and Frederixon portrayed various professors that have helped to make Melvin's four years in Pharmacy School a real joy. Music for the evening was provided by

a group calling themselves "The Tetracyclenes" which was composed of Brothers Schaaf, Edwards, and Varner. The Gordon Award is also presented by Kappa Psi at the Round-up each year to the sophomore having the highest index.

Special congratulations are in order for Brother Dominic Fatta, one of two undefeated and untied wrestlers on the Purdue wrestling team. We wish Brother Fatta good-luck throughout the remainder of the season.

Kappa Psi also sponsored a speaker for the benefit of the whole Pharmacy School on October 25. We had Dr. Raymond DuBois, a very prominent local physician speak on what he expected a pharmacist to do for him as a doctor. The speaker was very well received, and a few more such programs are planned later on in the year.

A car wash was held shortly after Thanksgiving vacation, but it seems the date we chose coincided perfectly with the one chosen for one of the military honoraries car wash. Needless to say we did not make a tremendous amount of revenue from our venture.

Until the next issue of THE MASK, Pi Chapter extends best wishes to all brothers.

Fraternally yours,
V. THOMAS DEVILLE, *Historian*

CHI—UNIVERSITY OF ILLINOIS

Greetings from Chi Chapter. As we begin the second quarter of the present school term, Chi Chapter is fervently looking forward to another successful quarter.

First quarter witnessed the pledging of twenty fellow classmates.

The month of October was culminated with our first social event of the 1960-61 school year. A Halloween Party was held October 29. With every attending brother in costume, the array of grotesque and hilarious characters present quickly cast their spell of gaiety and humor. A praise of "well done" is extended to Brother Joseph Bukovsky and his social committee for their work in making the party one which will remain long in the memory of their fellow brothers at Illinois.

Chi Chapter held their Second Annual Turkey Raffle in November. We wish to thank the faculty, fellow classmates and friends for their fine support of our drive and for making it the most successful fund drive ever.

On December 17, the brothers and pledges of Chi Chapter rendezvoused for the last social event of 1960. On this date, the Annual Christmas Party was held at Triner's Lounge. Midway through the evening, the pledges of Chi Chapter displayed the numerous talents by staging a show for all present.

Chi Chapter wishes to invite all Kappa Psi Brothers who are coming to the American Pharmaceutical Association Convention in Chicago to come down to the Chicago Professional Campus of the University of Illinois and meet their fellow brothers of Kappa Psi.

Fraternally yours,
FRANK NALE, *Historian*

PSI—UNIVERSITY OF TENNESSEE

We here of Psi Chapter want to wish all the brothers a very happy new year. We hope that the new year will bring as many new and exciting

things to Kappa Psi as the past one has and that it will offer many new challenges.

On November 17 the Seventh Province held its annual meeting at Lexington, Kentucky. Psi Chapter was well represented by having seven members in attendance. Those attending from our faculty were Grand Council Deputy Dr. Joe Haberle, Dr. Karl J. Goldner, Mr. W. L. Djerf and Mr. William B. Swafford. Also attending were Regent Larry Depriest, and Brothers William Cole and Phonzie Brown. A very pleasant honor was the result of the Lexington gathering for Psi Chapter as Mr. William B. Swafford of our faculty was elected Satrap of the Province for the new year.

Psi Chapter will officially open its pledge season January 20 with its annual rush banquet and dance. This will be followed by a pledge program conducted by Brother Bob Clark.

At the moment, Psi Chapter is in the midst of making plans for a rush party to be held at Clearpool Nite-club here in Memphis. One of the changes being made for the first time will be the site of the cocktail hour. In the past, it has always been held in conjunction with the dance, but this year we are having it right here in the fraternity house. This will not only give the new men a chance to become better acquainted with the members of the Fraternity but also a chance to have a better look at the fraternity house of which we are so proud.

Psi Chapter is also very pleased to announce that they have a newly organized dance band of their own to furnish music for many of the fraternity dances. This not only gives the chapter the advantage of saving money on bands but also the prestige of having not only a band which is composed of *only* Kappa Psi men on the campus but also the only fraternity to have their own band. We are very proud of the members of this group and feel that they have influenced other people in becoming members of Kappa Psi.

Psi Chapter is also very happy and proud to announce that two new members of the faculty have recently become members of Kappa Psi. They are Dr. Taylor and Dr. Quintano. Dr. Taylor is the new professor of pharmacology and Dr. Quintano is the new professor of pharmaceutical chemistry. With the addition of these two men, Psi Chapter now has a definite majority of faculty members.

Fraternally yours,
LEIGHTON H. TOOMS, *Historian*

OMEGA—RUTGERS UNIVERSITY

A sincere wish for a successful new year to all brothers in Kappa Psi.

Here in the East we are finally seeing the end of an untimely and highly troublesome snowfall. The pledge period that had been well under way was sharply curtailed. The worst part of this was that many pledges were left with too few assignments for "Hell Night." It will require extra thoughtfulness and special consideration for these pledges on that memorable night. We have twenty pledges trying to become brothers in Kappa Psi. They have been selected in an effort to stress good men rather than a large membership.

This past fall Omega Chapter has thrown all inhibitions to the wind and has maintained a full schedule of social events. There have been two big parties which ended up as a big "ball" for all who attended. We hired a hall for each affair and this was very successful. One party was in No-

member and the other in December during the Christmas recess. This social atmosphere is very welcome on an urban campus, and besides I know of no brother in Kappa Psi who does not like a party. Our social season will continue throughout the year. Our next big affair will be a "Sweetheart Dance" which will be for the entire College of Pharmacy. A "Sweetheart" of the dance will be chosen by vote and will reign over the affair.

We are fortunate at Omega to have an active graduate chapter as well as our undergraduate. This year we welcomed a new faculty member to our staff and a Kappa Psi brother. He is Dr. Thomas Medwick who was an Omega Brother, class of 1952. Brother Medwick was Vice Regent at that time. He has since served for a time as Secretary of the graduate chapter. It is gratifying to have an active brother with us again. It is this kind of fraternal spirit that makes Kappa Psi as strong at it is today.

Our sports program is rolling along in good fashion. Omega Chapter once again won the football championship of the College of Pharmacy. In a playoff series against a social fraternity, which had won the Arts and Sciences championship, we played to a 6-6 tie in a hard fought game. In a sudden death game several weeks later we lost to the same team due mainly to a weak bench. Our bowling team has started off their season in fine fashion. At this writing the team is leading the league being undefeated in the first four games. The team of Ernie Mario, John Dufleid, Nick Grillo, Ernie Crane and Charles Thiel form the same crew that brought the championship to Omega last season.

This is my last newsletter to THE MASK. It has been a great pleasure for me to serve as Historian for Omega Chapter. I have enjoyed being associated with my colleagues in other chapters. It has been my ambition to continue in the fine tradition of my predecessors and I hope I have achieved some measure of success.

Best wishes for continued success in all endeavors to all brothers in Kappa Psi from Omega Chapter.

Fraternally yours,
CHARLES T. THIEL, JR., *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

The brothers of Beta Delta Chapter sincerely hope that everyone had a very pleasant and enjoyable holiday season. Now that the new year is well upon us and semester exams are just around the corner, Beta Delta has been quite busy lately.

The event that is foremost on the calendar at the present time is the Kappa Psi Sweetheart Formal. The date for the dance has been definitely set for March 11, 1961. This year the dance will be held at the Troy Country Club and the music will be provided by Phillip Foote and his orchestra. As in years past, there will be a cocktail hour from 7 to 8 P.M., dinner from 8 to 9 P.M., and dancing from 9 to 1 o'clock. The highlight of the evening will be the crowning of the Kappa Psi Sweetheart Queen. An informal fraternity party will be held the evening of March 10, at which time the Sweetheart candidates will be presented.

At the annual awards assembly, some of the brothers achieved scholastic recognition. They are:

Brother Charles Harsanyi, who received a \$150.00 scholarship from the Borden Company for having the highest cumulative average for three years and also received a Kappa Psi scholarship key for the junior year. Brother Les Felpel was awarded a \$100.00 scholarship for general scholastic excellence from the Board of Trustees. A \$150.00 scholarship from the Daw Drug Company was awarded to Brother John Dougherty for general scholastic excellence. Brother Bob Kennedy received a \$100.00 scholarship from the Women's Auxiliary to the Pharmaceutical Society of New York State which is presented to the student who passes all his first year subjects and who, at the end of the third year, shows the greatest improvement in his average. A Kappa Psi scholarship key for the sophomore year was awarded to Brother Ford Balch. Vice Regent Alisanski received a \$100.00 scholarship from Kappa Psi, as the student deemed worthy of the honor. Brother Charles Ward was the recipient of a Kappa Psi scholarship key for the freshman year. A \$100.00 scholarship from the American Foundation for Pharmaceutical Education to the student in the first quartile of his class was awarded to Brother Brian Bartle. Other brothers who distinguished themselves by attaining the Dean's List are as follows: Brothers Joe Decker, Charles Ward, Frank Alisanski, Brian Bartle, Ford Balch, John Dougherty, Les Felpel, Bob Kennedy, and Charles Harsanyi. Congratulations on your fine scholastic honors.

Congratulations are also in order to Vice Regent Frank Alisanski and his committee for the wonderful job they did on the student directory this year.

In the department of personal notes, congratulations from the brothers of Beta Delta to Brother Joe Decker and his wife, who recently became the parents of a fine healthy baby boy.

That's about it for now. Until the next issue of THE MASK, I remain,

Fraternally yours,
LOUIS J. FAZIO, *Historian*

BETA EPSILON—UNIVERSITY OF RHODE ISLAND

A hearty hello to all Kappa Psis from the brothers at Beta Epsilon. At the time this article is being written we're in the midst of the holiday season; so we want to take this opportunity to wish that you've all had an enjoyable Christmas and are on the way to a successful New Year.

The brothers of Beta Epsilon are proud to announce the initiation of the following men this past semester: John Steinke, Ron Morgan, Gene McCaffery, Bob Roy, Pete James, and John Pagliarini.

To start off the second semester social calendar we will have a Valentine's Dance on Saturday, February 11. The biggest social event will be the celebration of our Golden Anniversary in May. Beta Epsilon has been in "Little Rhody" since May 11, 1911. Formerly it was at the Rhode Island College of Pharmacy and Allied Sciences at Providence and since 1957 at the University of Rhode Island at Kingston. Currently we are in the planning stages for this event; we are working in conjunction with the Providence Graduate Chapter which is composed of many Beta Epsilon alumni.

Second semester also signifies another thing to fraternity men at URI—Rushing.

We at Beta Epsilon would appreciate any in-

formation from alumni and other brothers on freshmen who you feel would make good Kappa Psis.

Also coming in a few weeks will be elections of new officers; so this will be my last article to THE MASK. It has been an interesting and rewarding position and I have enjoyed letting you know about the activities at Beta Epsilon.

For the last time.

Fraternally yours,

JOSEPH A. MOLLIKA, JR., *Historian*

BETA ZETA—OREGON STATE COLLEGE

Greetings to all Kappa Psi brothers from the members of Beta Zeta. We sincerely hope that a pleasant holiday season was enjoyed by our brothers everywhere.

At our December meeting held on the eighth, the pledges of fall term were initiated into Kappa Psi. Those initiated included the following: Jack L. Streeter, Tillamook, Oregon; Bruce D. Carlson, Coos Bay, Oregon; William M. Fetter, Vallejo, California; Ralph Morgan, Salem, Oregon; Brian S. Yano, Honolulu, Hawaii; Eldon Jager, Junction City, Oregon; Charles T. Walters, Woodland Hills, California; Robert M. Sasamoto, Sacramento, California; James T. Yamaguchi, Honolulu, Hawaii; Henry S. Kishaba, Sacramento, California; and David B. Foster of Piedmont, California. After the initiation and dinner, a business meeting was held. The main point of discussion was the Apothecary Ball, which will be held the first part of spring term. Several appointments were made for committees to start the preparations required for the Ball.

On January 13, members of Kappa Psi will travel to Portland to have a dinner meeting with the graduate chapter. This should prove to be a very enjoyable evening.

In closing, Beta Zeta wishes to extend the best of luck to the other chapters during the new year.

Fraternally yours,

JOHN L. MCGONEGAL, *Historian*

BETA ETA—UNIVERSITY OF WEST VIRGINIA

Greetings from Beta Eta Chapter and best wishes to all the brothers of Kappa Psi for the New Year. The basketball season seems brighter for the new year with a recent victory at the Sugar Bowl Tournament.

The officers of Beta Eta are trying to make this year one of the best for Kappa Psi. They are: Regent—James Lewis, Vice Regent—Richard Sago, Secretary—Robert Reep, Treasurer—Rudy Sites, Chaplain—Merrill Wymer, and Historian—Richard Hopkins, Jr.

Beta Eta has five new members, Karl Hickman, Joe Potoczny, Vernon Meadows, William Krantz, and Lester Patterson for the new year. During their pledgship they were required to wear paddles in the form of a pestle and to obtain the names of all the active members on it. There was a "get-acquainted spaghetti dinner" at Tony's Red Cellar for all actives and the pledges who were to be initiated.

Our Regent, James Lewis, received a scholarship award for obtaining the highest average in the junior class. This award was presented to him at the monthly APHA meeting where Merrill Wymer, Chaplain of Beta Eta, is president. Also, both Merrill Wymer and James Lewis are new members of Rho Chi.

A dance is being planned with the girl's pharmaceutical sorority Lambda Kappa Sigma. This dance was usually held near the beginning of the Christmas vacation, but due to popular demand of the weary tested brothers it has been delayed this year.

At the close of the school year last semester a banquet was held in honor of retiring Professor Gordon Bergy. Beta Eta presented him a wrist-watch with his name engraved on it. His services and consultations will be missed by many who respected him.

Good luck to all of the brothers of Kappa Psi on their finals. Until the next issue of THE MASK, I am

Fraternally,

RICHARD HOPKINS, JR., *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

Happy New Year! The brothers at Beta Kappa extend to all their brothers in Kappa Psi best wishes for a happy and fruitful 1961. We hope that the good fortune of the past years will continue in the future for all members of our great Fraternity.

The new year has scarcely begun and already our chapter is putting the finishing touches to plans for this trimester. These plans will definitely include another pledging session and the annual dinner-dance held each spring. It has also been suggested that a group journey to Chicago in April to take part in the American Pharmaceutical Association's annual convention. We also plan to act as hosts to those students from the eastern part of the U.S. attending the regional meeting of the A.Ph.A. to be held here in Pittsburgh on February 18-19.

Speaking of pledging, Beta Kappa is proud to announce to all its brothers that our ranks have been swelled by the addition of six new members: juniors, Charles Mazzei and Stanley Belinda and sophomores, William Shaughnessy, Leonard Tucci, and Rowland Tibbott. Thanks are in order for pledgemaster Joseph DeLeo who worked so hard and did a fine job for the chapter.

A note of welcoming is in order to Brother Robert Blair who transferred to Pitt from Gamma Delta Chapter at Ohio Northern University. Welcome to Pitt, Bob!

Beta Kappa brothers turned out in mass for University of Pittsburgh School of Pharmacy's annual A.Ph.A. dance held this year on December 15 at South Hills Country Club. Leo Almen's orchestra played to a capacity crowd and entertainment was provided at intermission by a quartet called "Three Thorns Among a Rose." This group was composed of faculty members Mr. Mike Muslin and Dr. Paul J. Wurdak, both members of Kappa Psi and Mr. Robert Heiser. The fourth member of the group was a student from the school. We are looking forward to their performance next year.

Extending my personal best wishes for the new year, I remain

Fraternally yours,

PAUL J. GEINZER, *Historian*

BETA LAMBDA—UNIVERSITY OF TOLEDO

Brothers, greetings. Beta Lambda wishes everyone the best for the new year. Many things have

been going on since the last letter. Now it is time for finals and things have slowed down.

The juniors and seniors returned from their trip to visit the Lilly and Abbott pharmaceutical companies. I'm sure everyone that went had a very enjoyable time and gained a great deal of knowledge.

During the second week in November our chapter sponsored "Dean Larwood Week" in honor of our dean. This is covered completely in a separate article in this issue of THE MASK.

The second degree was held November 18. There were eight pledges that went through a few activities we had planned for them. The third degree was held January 14 and we had more for them to do. Those who finished the degrees are: Dick Swartz, Al Fischer, Harold Campbell, Norman Lewis, Ron Sondergeld, Ron Petters, Chuck Webb and Chuck Elmore. The formal third degree will be held February 5 at the Hotel Secor.

We held our second rush party of the year on December 8. There were about 20 guests that attended. This party was held at the Stork's Nest. Brother Jim Plagakis, rush chairman, planned the evening. We had a Monte Carlo night with prizes to the "big" money winner. Brother Harold Emerson, president elect of the Ohio State Pharmaceutical Association, gave a short talk about the Fraternity.

Brother Carl Sigler, social chairman, had a real "whingding" of a Christmas party. The party was held at the Inferno Room on December 17. Twenty-six couples enjoyed dancing and a fine time.

January 10 we held our regular meeting. Since this was the first one since Christmas vacation we had many things to work on. We also had a movie, Pharmacological Approach to Human Mind. During the semester we have had movies once a month.

As the semester draws to an end we look back over the many things we have accomplished. With a new one just around the corner we are already starting to plan many things.

So until next time, I remain

Fraternally,

DAVID RODGERS, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

Happy New Year to all Kappa Psi brothers from Beta Xi Chapter. We hope you all had an excellent holiday. We came back facing final exams and there is nothing to do but dig in and study because there is no senior that wants to come back for that fifth year.

Beta Xi is proud to announce that it has one of the largest pledge classes in history. The pledging ceremony was held on November 9 and the following men took the pledge oath: Thomas Horace Lever, III, Charles Edward Deyton, John Exum Yarborough, Warren G. Bailey, Julian Willis Bradley, III, Clyde Bennie Alexander, Hallie Craven Reeves, Jr., Duncan Albert Bracey, III, Kader Ray Ramsey, Jr., Robert Wilkins Anderson, Larry Buford Good, James Oliver Baity, John Colvin Barefoot, James Edward Brinson, Robert Wesley Edwards, Jr., Carlow Edwin Lewis, Jesse Luckey Welsh, Jr., Benjamin William Brown, Danny Lee Randall, William Houston Jernigan, and Harry Davis Milam.

On February 8 the chapter will give a party for the children of the Cerebral Palsy Hospital in

Durham. This has become an annual affair at Beta Xi and we all are touched by the handicapped children and the way they react to our presence. We usually take a gift to each child and afterwards we serve refreshments.

The Wednesday night before Christmas vacation we invited all the faculty from the School of Pharmacy to an egg nog party. It was a big success mainly due to the excellent refreshment prepared by our fine cooks.

We plan to have an informal smoker for the pre-pharmacy students on February 8. This being the first year of the five-year program they are not eligible for pledging. We have decided it would be an excellent opportunity to meet these young men.

February 13 will find all the seniors on their way to Michigan and the midwest. This has become an annual trip for all seniors and they throw the books aside and pick up suitcases for a week of excitement.

Sportswise, Beta Xi is currently active in bowling and basketball. Kappa Psi entered four teams in the bowling league and took first and second places. The first team was composed of Brothers Jim Sheets, John Kennedy, and George McLarty. Second team was Phillip Crouch, Buddy Bradsher, and Jessie Putnam. The basketball team under the coaching of John (Bones) Kennedy finished in the last twelve of 99 teams to enter the Grail-Mural Tournament. Due to such great enthusiasm for intramural basketball, Kappa Psi has two teams playing in the University League. The "Blue" team is undefeated and the "White" team has yet to play.

In closing, I extend to all Kappa Psi, in behalf of the brothers of Beta Xi, our wishes for a happy and prosperous new year.

Fraternally yours,

JESSIE PUTNAM, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

Greetings to Kappa Psi brothers everywhere from the members of Beta Omicron Chapter. Fall quarter was quite active here at the University of Washington.

At the start of the school year our first few meetings were devoted to many programs which were to be carried out during the quarter. The Province X Assembly at Pullman, Washington was the first activity on the agenda. The convention was hosted by the Beta Pi Chapter in the Student Union Building on the WSU campus. After the welcoming speech and reports of the chapter activities there were discussions on assigned topics by the different chapters. Don Volkman gave a talk on the contributions of Beta Omicron to the School of Pharmacy and the University of Washington. Voting of the proposed new by-laws for the Province followed under the direction of Dr. Varro Tyler, Jr. of Beta Omicron Chapter. A luncheon sponsored by McKesson and Robbins completed the convention.

In the early part of the quarter the College of Pharmacy held its open house through the joint efforts of the American Pharmaceutical Association and Kappa Psi. The open house was in honor of the new students and their families with the purpose of introducing them to the College of Pharmacy. Kappa Psi helped out by providing guides for the tours which included demonstrations of student and research work.

One of the highlights of the quarter was the rush function held at the Smith Tower in Seattle. Besides having a fine dinner the men students had an opportunity to learn about Kappa Psi as a professional fraternity and to meet the members of Beta Omicron. The Pledge Period followed and the pledges learned the history and significance of Kappa Psi. Beta Omicron held its Initiation on November 15 which was followed by the banquet at King Oscar's Smorgasbord. After the dinner the new members showed their spirit and enthusiasm by singing a few school songs and taking part in a very colorful skit. The pledge period was very successful as twenty-one men were initiated into Kappa Psi. The new members are as follows: Richard A. Bartell, Neil R. Blake, Jon A. Bleha, John G. Deming, Robert W. Denslow, Eugene B. Horst, Jerry D. Huggins, Armin K. Lafferty, Kishin C. Lala, Leonard B. Lamerton, Monte D. Levaque, Robert J. Mathers, James W. McFadden, Douglas A. Mong, Kenneth F. Paskett, Eugene B. Richardson, James D. Roby, Ronald E. Spring, Paul D. Taylor, David T. Zumek and Charles R. Zwiers.

With the help of the old and new members alike, Beta Omicron plans to promote both Pharmacy and Kappa Psi in the coming year. All of us here at the University of Washington hope that each and everyone of the brothers had a great time during the holiday season.

Fraternally yours,

F. MICHAEL FRANK, *Historian*

BETA UPSILON—BUTLER UNIVERSITY

Greetings from Beta Upsilon. A good many things have occurred since our last Newsletter. First of all we obtained one of the best pledge classes in a long time. Those included are Charles W. Hines (president of the pledge class), Stephen Dysert, John G. Wilson, Jarold Hunt, Raymond Crump, Richard A. Fisher, Robert Federspill and Lawrence Ulrick. These men should do many great things for the chapter in the future.

Just before Christmas the new pledge class challenged the actives to a basketball game and then threw a fine party for everyone afterwards. The score of the game will always remain in doubt but all those who attended had a fine time. Charles Hines as the president of the pledges has done a fine job of leading them under the excellent instruction of pledge trainer, Jim Heinz.

As usual things have piled up and between studies and outside activities, there just isn't enough time in a day to get everything done. The first of the semi-annual chapter newsletter for alumni is slated to be mailed out in the late spring. We have heard from some of our brothers but would still like to hear from many others along with their addresses and what they are doing at present. So drop us a line and we will send you your copy of the Newsletter. Also news of the spring alumni-active party will be sent out soon and make plans to be there.

The first semester initiation has been scheduled for January 8, 1961 with a banquet at the Marott Hotel to follow. The following men are to be initiated: Stephen Dysert, Charles W. Hines, Joseph Janostek, Raymond Crump, Lawrence Ulrick and Robert Federspill. These good men will be a welcome addition to the active chapter.

The Christmas holidays are over and they were wonderful. But now it is back to the books with

final exams coming up and everyone will have to "eram". So until the next Newsletter, I remain

Fraternally Yours,

CHARLES M. RHODES, *Historian*

BETA CHI—DRAKE UNIVERSITY

Greetings to all of the brothers from Beta Chi. Once again a semester draws to a close. We hope it has been a successful one for all the chapters.

We won first place in the independent division of the homecoming decorations for the second year in a row. This year our theme was "Let's Down the Braves." It consisted of a huge tepee and a massive bulldog. Indians constantly moved from the tepee toward the bulldog. As the Indians neared the bulldog, its mouth opened and they were thoroughly chewed and swallowed. It was a difficult project and could not have been possible without the co-operation of the entire chapter.

We pledged eleven new men in October. The men were transfer students and upper classman in as much as the prepharmacy students could not be pledged. The new pledges are: Donald Avise, Lary Freeman, Gary Gerding, Jack Gile, Daniel Jorndt, William Kalman, Edward Miller, Sheldon Ray, Robert Stensby, William Van Meter and Robert Zeman Jr.

We are entering a team in the Drake University intramural basketball tournament. We have several members returning from last year's team and expect to have a winning season. The team will be under the managerial leadership of Martin Mihm.

As last year, we entered the World University Service Auction. A social sorority purchased our entry of a "30 man toboggan party." The brothers are looking forward to the event, which we expect to be one of the high lights of our social calendar.

We have entered a contest sponsored by the Drake Student Branch of the American Pharmaceutical Association. It consists of the organizations in the College of Pharmacy putting up a display in Harvey Ingham Hall of Science. The winning organization for each year will have its name inscribed on a plaque to be hung in Fitch Hall. Al Fann was in charge of setting up our display. It was a good display and we hope it will be the winning entry.

Donald Augspurger is the editor and originator of *The Capsule*. It will be published monthly by the Student Branch of the American Pharmaceutical Association and contain news of interest to the students in the College of Pharmacy.

William Kalman has received a Schlegel's scholarship for the coming semester.

James Ellefson will be this year's editor of the DRAKE POST-SCRIP. It is an annual publication by Beta Chi Chapter and is financed by selling ads to Des Moines drug stores and companies. It contains information about the activities of the organizations in the College of Pharmacy as well as articles by the staff and students of the college.

In as much as this is my last contribution to THE MASK, I would like to take the opportunity to wish all of the brothers the best of luck on their future endeavors.

Fraternally,

JAMES M. ELLEFSON, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Greetings to all brothers from the Beta Psi chapter here in Madison. "Activity, activity" has been the word for the past three months. Our pro-

fessional chairman, Lee Dannenberg, lined up several interesting lectures featuring members of the School of Pharmacy faculty. Highlights included a talk by Lt. Col. Howard F. Bire, Associate Professor of Military Science, on the opportunities of a pharmacist in the armed services, and a talk by Dr. Dale E. Wurster, Professor of Pharmacy, "Physical Pharmacy As Applied To Rocket Fuels." Socially, our football weekend theme parties were very successful. We'll all remember the Michigan game and the Halloween Costume party that ensued, the costumes ranging from Moses to a beatnik (quite a range!). The Homecoming Weekend is always a special treat to the brothers, because it marks the beginning of the public life of our pledges. Unchained especially for the occasion, the pledges were led up from the basement, pale and blinking (and slightly moldy) to put on a skit for our party. A highlight of the evening was the belated, but sincere presentation of a wedding gift, a sterling silver tea service, to Dr. and Mrs. Joseph G. Cannon, who were married late this summer. A very pleasant carolly, egg-noggy Christmas party concluded a very pleasant social calendar.

On December 11, we welcomed eleven new members into Beta Psi: William Amell, Robert Bauch, Richard Oberhofer, Mark Halmar, John Langford, Stanley Lesniak, Lincoln Merrill, Robert Palzer, John Parker, Gerald Peterson, Paul Schanen, and John Reznicek. Following the Third Degree initiation, a banquet was held at a local supper club, with Vice Regent Gerald Hapka as master of ceremonies. Several School of Pharmacy faculty members and their guests also attended. However, the highlight of the weekend was a visitation by our Grand Regent, Dr. James R. Thayer. His plane having been grounded due to the heavy weather, Dr. Thayer arrived just in time for our pledge banquet, and delighted the group with an impromptu speech, prepared between the airport and the banquet! During the next few days of his visit, Dr. Thayer and the officers held several "bull sessions" discussing the problems of our chapter and pharmacy in general. The chapter would like to take this opportunity to publicly thank Dr. Thayer for honoring us with a visit.

Elections were recently held for the 1961 school year. The new officers are: John Parker, Regent; Galen Swenson, Vice Regent; Robert Buerki, Secretary; Richard Weber and John Langford, Co-Treasurers; Robert Palzer, Historian; James George and Paul Schanen, Social Chairmen; William Amell and Lincoln Merrill, Professional Chairmen; Stanley Lesniak and Gerald Peterson, Athletic Chairmen; John Reznicek, Chaplain; and Mark Halmar, House Manager.

Since this is my last letter to THE MASK, I would like to thank the outgoing, lame-duck, officers, Regent Robert Vlach, Vice Regent Gerald Hapka, Secretary Warren Stern and Treasurer Harland Lee for their cooperation with me (at least most of the time) and their service to the fraternity. I have tried to keep the Newsletters on a light note, since chapter news tends to be a little dry, but I would seriously like to thank Beta Psi for the opportunity of being Historian for the past year.

Fraternally,
ROBERT BUERKI, *Historian*

• • •

BETA OMEGA—TEMPLE UNIVERSITY SCHOOL OF PHARMACY

Greetings and best wishes to all the brothers in Kappa Psi from Beta Omega Chapter at Temple University. We hope, most sincerely, that you have all fared well with the dreaded mid-year exams and that the second semester is not furnishing you with too many hardships. The second semester promises many interesting activities for the brothers of Beta Omega. Foremost among these is of course our annual spring formal to be held in May. Other important chapter events in the not too distant future are the winter dance, the senior farewell party, the baseball season, and many more which we shall tell you of in future issues of THE MASK.

As we promised in our last Newsletter, we are now very happy to announce the names of the Beta Omega brothers who were honored at our annual Tri-F dinner for distinguished scholarship. The outstanding presentation was the Grand Council Scholarship Award, which was made to Alexander Monte. Alex was the top student in his graduating class of June 1960. Congratulations Alex!

National Scholarship Honor certificates were presented to the following members of the class of 1960: Ralph Bertolino, Dory Besteder, Robert Capezzi, George Grimaway, Stanley Kulaga, Chester Latini, Robert Maul, and Larry Snook. Members of the class of 1961 who received the National Scholarship Honor certificates are Richard Ashbaugh, Giles Belski, Lon Castle, Lance Collins, George Heil and Richard Wagner.

Chapter Scholastic Honor Certificates were presented to Jerry Gentilotti, a member of the class of 1961 and to Howard Harpel and Harry Lautenbacher of the class of 1962. Sharswood Cole, Donald Ebaugh, Ted Knauss, John Lorenzo, Thomas McHale and Alfred Powell of the class of 1963 all received awards from the chapter for their fine scholastic work.

Additional awards were made to Chester Latini, for special service to the school and Fraternity; to Larry Dilks, for special service to the Fraternity; and to Kenneth Stout for special service to the school. These men were all members of the class of 1960. We offer congratulations to all the award winners.

In sports, the Beta Omega football team won the interfraternity championship by rolling to a 32 to 0 victory in a playoff game. The basketball team, playing in a strong independent league composed of teams from all of Temple University, lost its first two games. The team bounced back in its next game and won by 16 points. Members of the basketball team are Ralph Bryan, Doug Brunner, John Gherardini, John Campbell, Walter Maupay, Don Ebaugh, Lance Collins, Bob Piccolo, Peter Stahl, and Richard Wagner.

Fraternally yours,
RICHARD M. WAGNER, *Historian*

GAMMA GAMMA—UNIVERSITY OF TEXAS

Our newly installed officers: Regent, Bill Jobe; Vice Regent, Art Acuna; Secretary, Mark Harrison; Treasurer, Allen Anderson; Historian, Robert Varley; Chaplain, Mark Garner; Grand Council Deputy, Luther Parker. We feel that these men are all quite capable and forceful leaders.

Gamma Gamma has been forced to recognize and respect the decrees of that esteemed body of rhin-blues which each year sets forth new restrictions upon the general university. The dirty words for this year are "alcohol" and "party." But in order to maintain pseudo-liberal traditions the ban on burning campus witches has been lifted. Music with dancing is illegal on week-nights, and music without dancing is illegal on week-ends. Most of our fall social affairs have therefore been limited to "thumb parties."

Three of our brothers are paying their college expenses by utilizing their musical talents each week-end at the Cabaret in Bandara, Texas. Fred Brinkley is featured as the boy with the "talking fiddle." Also featured are John Elam on the electric banjo and Bill Simm as the bass vocalist. Brother Simm's style is similar to that popularized by Johnny Cash, and he and campus beauty Ellen Anderson work together on duets. Ellen Anderson is also L.Ph.A. President in addition to vocalist duties with Charlie Krum's "Chain Gang." We take great pride in our talented Gamma Gamma Brothers.

Our graduate chapter met in Austin on the week-end of the Texas Tech football game. Highlight of the meeting was the Sunday luncheon held in the Driskill Hotel. Since this year marked the tenth anniversary of the reactivation of Kappa Psi at the University of Texas, the ceremony was quite interesting and enjoyable.

Fraternally yours,

ROBERT VARLEY, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Homecoming 1960 proved to be very successful for Gamma Delta Chapter of Kappa Psi. In the house decorations contest Kappa Psi came in a very close second place. The Ohio Northern Polar Bears played the Findlay Oilers and the theme for our decorations was "Bears Emulsify the Oilers," complete with a bottle of Lestoil. In the push-mobile race it was a very close race with Kappa Psi coming in third place.

After forty years of hard work a dream is finally going to come true. The first of March will see the beginning of construction of a new fraternity house for Gamma Delta Chapter. The new house, which will house thirty-five people, will be ready to move into by the first of September. The house will be built on the vacant lot across the street from our present location.

In horseshoes we went through our schedule without a defeat and thus have won the fraternity trophy and the all-campus trophy.

Kappa Psi once again won the Bloodmobile Trophy this fall. This makes the fourth straight time that this trophy has been won by the Kappa Psis.

To help Dean A. C. Smith celebrate his 54th birthday on November 10, the Kappa Psis entertained him and his wife for dinner.

On November 16 Kappa Psi entertained the Alpha Xi Delta Sorority to the chicken barbecue which the sorority purchased at Campus Chest last spring. Campus Chest is a charity drive sponsored by Ohio Northern University.

Kappa Psi held its annual Thanksgiving dinner on November 22. The entire faculty of the college of pharmacy were guests for the dinner. Those present were Dean Emeritus R. H. Raabe, Dr. and Mrs. A. C. Smith, Dr. and Mrs. David Yoder, Dr. and Mrs. Hugh Ferguson, Dr. and Mrs. Oscar Araujo, Mr. and Mrs. Milan Gorby, Dr. Anna H. Koffler, Dr. C. O. Lee, Dr. B. Lepovetsky, Mr. Lewis Benton and Mr. Benjamin Weinstein.

Kappa Psi held its formal pledging on November 23 at 12:01 A.M. At that time twenty men took the oath of initiation. They are: Gary Lee Altstaetter, Cairo, Ohio; William Jeffrey Burkhart, Shadyside, Ohio; James George Circosta, Shadyside, Ohio; Gerald Melvin Clouse, Wooster, Ohio; Allan Edward Cole, Parma, Ohio; Charles Edward Dasher, Carey, Ohio; Richard Dee Dever, Steubenville, Ohio; Gary Lee Eckert, Monroe, Ohio; Timothy Lynn Fair, Millersburg, Ohio; Robert Paul Hackley, Canton, Ohio; John George Kaiser, Jr., Norwalk, Ohio; Raymond David Kimberly, Akron, Ohio; Paul Martin Lazar, Zanesville, Ohio; John Robert Lemon, Hebron, Ohio; James Von Lewis, Troy, Ohio; Cecil Raymond Raby, Springfield, Ohio; Edwin Reed Ritchey, Steubenville, Ohio; Forrest Robert Ritzman, Norton, Ohio; James Anthony Schaffer, Norton, Ohio; and Gary Eugene Swank, Zanesville, Ohio.

Cupid was running wild over the Christmas holidays. Brother Bill Richert became engaged to Miss Nancy Greenwood. Nancy is from Aurora, Ohio and a member of the Delta Zeta Sorority here at ONU. Brother Jim McClintick became pinned to Miss Sondra Tagg. Sondra is from Croton, Ohio and is now attending Ohio State University. Brother Hunter Russell became pinned to Miss Karen Zimmerman. Karen is from Troy,

BETA GAMMA GRAND COUNCIL DEPUTY PRESENTS AWARD

Dr. Eugene C. Jorgensen (left) presents the Grand Council Scholarship Key and Certificate to Brother William H. Barr during the awards assembly of the U. of California School of Pharmacy.

1342

Ohio and is now attending nurses training at Christ Hospital in Cincinnati, Ohio.

Until the next issue,

Fraternally yours,

HENRY N. HINER, *Librarian-Historian*

GAMMA EPSILON—UNIVERSITY OF NEBRASKA

Greetings and Best Wishes to all brothers in Kappa Psi. With the close of the old year members of Gamma Epsilon Chapter can look back on a very successful beginning of the 1960-61 school year.

National Pharmacy week found us involved in a unique display designed by Pledge Ralph Tharp and carried to completion with the help of the student branch of the A.Ph.A. In essence the display consisted of three sections: From Art . . . through Education . . . to Science. The first section contained ancient relic of pharmacy and crude drugs. "Through Education" was demonstrated with books and three live mice, signifying research in quest of knowledge. "To Science" gave the modern aspect of pharmacy employing intricate apparatus and finished products. The display was in the Student Union and received favorable comments from all viewers.

Homecoming presented another challenge to the artistic abilities of the brothers. This was the first year Gamma Epsilon attempted to build a display. Our efforts were not in vain for the beautiful "Bowl of Hygeia" and "Welcome Alum" sign attracted quite a bit of attention.

The latter part of November found us again painting signs. Brother Jon Kautzman designed a Welcome Home sign for the return of our dean, Joseph B. Burt. Dean Burt returned from Santiago, Chile, where he presided as president of the Fifth Pan American Congress of Pharmacy and Biochemistry.

Building displays and painting signs are not our only accomplishments. The past year has also shown Gamma Epsilon's interest in charitable organizations. Donations have been made to the All University Fund for distribution to various charities, to the Nebraska Foundation for Continuing Education, and to Hope Inc.

Gamma Epsilon wishes to present to the brothers of Kappa Psi our ten initiates. They are Brothers: Louis D. Allison, Richard L. Asher, Robert V. Atkins, Thomas W. Cunningham, David E. Fenner, Philip W. Griess, Robert E. Harvey, Jerome P. Janousek, Charles L. Samuelson, and James H. Slepicka.

The past year has been a very fruitful and rewarding year for Gamma Epsilon on the University of Nebraska campus. It is our desire to continue to make Kappa Psi a living organization and a guiding light for the College of Pharmacy.

Fraternally yours,

JON KAUTZMAN, *Historian*

GAMMA THETA—UNIVERSITY OF KANSAS CITY

Early in December, Gamma Theta Chapter initiated seventeen pledges into its ranks. During the initiation dinner, Jim Murr, president of the pledge class, presented to Regent Dick Gardner a letter indicating that the pledge class had ordered Kappa Psi sweatshirts for each member of the Fraternity. Tom Frazier, Bob Cushman, C. F.

Pescetto, Dave Ferrier, Jon Swisher, Joe Guffey, Henry Chan, Loy Rowland, Sal Palma, Jim Murr, Dave Hartwig, Henry Bramman, Gary Rucker, Sam Strada, Jim Bendure, Tim Wilson, and Don Poe are the new members of Kappa Psi.

Congratulations go to Ed Ingram who was appointed to the All Student Court as a justice from the School of Pharmacy.

The School of Pharmacy celebrated its Diamond Anniversary on Thursday, October 27, at the Hotel Muehlebach. The all day affair included a luncheon in which many of our alumni participated. Dr. George Webster and Dr. William Apple were two of the guest speakers at the event and among the invited guests at the luncheon.

At the banquet held in the evening, Ron Hower received the 1959 Alumni Award. Ron is now living in Jefferson City.

Dr. Paul Scott and seven brothers of Gamma Theta attended the Province VII Assembly held in Lexington, Kentucky at the University of Kentucky. Fred Fellers, Ed Ingram, Charles Ham-montree, John Joseph, Raymond Kennett, Dick Gardner, and Ira Slough were able to meet many of their fraternity brothers from the five states attending the conference. Dr. Scott, who is on the Executive Committee of the Grand Council, welcomed everyone attending the one day event. Raymond Kennett was elected Province Historian by those attending from the five states. While there, it was decided that the 1962 Province Assembly will be held on our campus. At this time it is hoped that our new pharmacy building will have been completed and with the new multi-million dollar University Center we will be able to have an exciting and educational Province Assembly to look forward to.

During the time the seven delegates were in Lexington, Kentucky, Tom Garrison won the Ugly Man contest sponsored by Alpha Phi Omega. Tom was sponsored by Kappa Epsilon and is the first pharmacy student to win this award.

At this time plans are being made for the Mardi Gras at which time we will sponsor a booth. Last year we came in second place at the carnival.

Raymond Kennett is making plans to represent our chapter at the Sixth District American Pharmaceutical Association Meeting in Austin, Texas, February 17 and 18.

We would like to wish each of you a happy and a good year and wish to extend our thanks for all of the Christmas cards.

Fraternally yours,

TOM GARRISON, *Historian*

GAMMA IOTA—UNIVERSITY OF BUFFALO

Sincere wishes for a Happy New Year from the brothers of Gamma Iota. Gamma Iota has been busier than usual since the last issue.

Kappa Psi brothers again held major committee chairmanships at the pharmacy school Christmas Dance. Dick Langlotz acted as Committee Co-ordinator, Joe Miletta as Ad Book Chairman and Brian Schorb as Publicity Chairman. "Brothers" Jan Castilone and Eileen Krenzer very capably handled the decorations while Tom Blanchard arranged entertainment.

Deserving upperclassmen who have excelled in school activities are honored annually at this dance. This year activity keys were presented to brothers

GAMMA IOTA ACTIVITIES

At left Brother Collins points to an enlarged photograph of Brother Ken Ferber (right) who won the University of Buffalo "Mr. Formal" Contest. At right are Brothers Brian Schorb, Maurice Van Sice and Lou Dorio enjoying the mid-term vacation in Miami, Florida.

Bub Buchanan, Maurice Van Sice, "Auggie" D'Alessandro, and Joe Mileta. Awards also were presented to Lou Dorio, Dick Langlotz, Ray Szczesiniak and Art Oleszkowski.

Last November, Gamma Iota decided to enter the Campus-wide Mr. Formal contest. Mr. Formal is the most suave, debonaire, handsome, male student at the University of Buffalo. The contest was run in conjunction with the University "Silver Ball." We probably wouldn't have entered the competition with the larger social fraternities if we didn't have an exceptional candidate. Our candidate for Mr. Formal was Ken Gerber. As an officer in the Pharmacy Student Council last year and currently holding office in the American Pharmaceutical Association, Ken's popularity in pharmacy school was established. It was our problem to make him known throughout the university. This job was accomplished by Ken's campaign manager and committee members. The planning and organizational job of campaign manager was handled by Maurice Van Sice and Brian Schorb. Maurice and Brian did an outstanding job and deserve a great deal of credit for the success of the campaign. The committee consisted of Bob Branshaw, Bob Buchanan, Sal Balone, Dick Blackley, Tom Blanchard, Roy Maines, Clay Merlihan, Jack Whitehead, Auggie D'Alessandro, Frank Dickey, Lou Dorio, Bill Erdman, Dave Jacklewski, Dick Langlotz, Bill Linder, Al Mau, Joe Mileta, Art Oleszkowski, Ray Szczesiniak, Don White, Tim Collins, Ed Emprie, Chuck Schwender, Don Steinwacks, John Zintle and Ron Stando. Our campaign featured something every day of the two week period before elections. Highlights of the campaign included Ken's Birthday Party, the opening of Club Fortuna Casino, and a spaghetti dinner—all at the Student Union. Ken's campaign name and theme song was Mr. Lucky.

Due to the combined effort of the entire brotherhood, Kappa Psi not only won the Mr. Formal contest, but also honorable mention for the best campaign. Once again the spirit and brotherhood of Kappa Psi proved that quality is our most

important product. This brotherhood extended even into the homes of two of our brothers. Our appreciation to Mr. and Mrs. Fred Van Sice and Mr. and Mrs. James Whitehead who contributed to our effort in this campaign.

During the mid-term break several brothers obeyed the call to the Southland as ten journeyed to Miami Beach, Florida.

Sportwise, Kappa Psi is currently active in basketball, where under "coach of the year" Sal Balone's prospects for a victorious season loom bright.

Fraternally,

FRANK STUBER

GAMMA LAMBDA—NEW ENGLAND
COLLEGE OF PHARMACY

Greetings in this new year to all the brothers of Kappa Psi from Gamma Lambda chapter. We at N.E.C.P. have begun the new year with a new term or trimester, having finished trimester number one, just prior to Christmas vacation. The advantage of such a system is the fact that after an absence of approximately two weeks, one re-enters the second trimester invigorated. The disadvantage lies in the loss of another week's vacation after finals.

Last time, having been pressed for time, I neglected to mention Gamma Lambda's standing at the college. Having been established only a few years back, the magnetic force of our Fraternity has certainly drawn much attention. With an approximate college enrollment of two hundred students, we have found little competition among the other three active fraternities. Kappa Psi men hold the majority of the class offices and also in the two major organizations, namely the APhA, and Student Council. With this type of record one can easily observe that we not only excel in participation in extracurricular activities, but also scholastically. The most ardent example of such calibre is John Merianos, born in Athens, Greece. He is

president of the Senior Class, Vice Regent, scholastically he ranks highest in his class, and socially he is "tops."

Our "Rush" program is just getting underway, and the first Smoker of the year will be held at the South Boston Yacht Club. Heading this year's pledge program is Roy Kupkowski from Buffalo, N.Y.

The November dance, sponsored by us was a huge success. All those who attended enjoyed their evening immensely. Dr. Crisafi, our founder, was guest of honor and at that time, Regent Bill Benion presented "Doc" an autoclave which he can use in his new adventure—manufacturing.

Our congratulations this time are extended to Joe Cavallaro from Bristol, R.I. and Norma Miville of Fall River, Mass., who took the inevitable step to matrimony, becoming engaged during the holidays.

Best wishes from Gamma Lambda to all Kappa Psi Brothers.

Fraternally yours,
GERHARD FLIEGE, *Historian*

GAMMA MU—NORTHEAST LOUISIANA

Hello, Fellow Brothers in Kappa Psi.

Although only half a semester has passed, our Fraternity has been engaged in a great number of activities in that short period of time.

Our first project consisted of displays for Diabetes and Heart Months. The College Student Centers provided the setting for the displays, which were available for the whole student body to view. Pamphlets concerning Diabetes and Heart Disease were likewise made available at the different displays.

A presentation of black plaques, inlaid with white lettering naming the specific rooms of the building, was made by the Fraternity to the College of Pharmacy. These included plaques labeling the Pharmacognosy, the Pharmacology, the Processes and Preparation, and the Pharmaceutical Chemistry Laboratories, as well as Dean Wilson's Office. This project of the Fraternity received the approval and compliments of many of the professors at the college.

On October 20, 1960 our chapter was visited by

A GROUP AT GAMMA MU 1345

Seated (l. to r.) is Dr. Danti and Dr. Scott. Standing (l. to r.) are Brothers Thomas Bryan, Frank Salario, Mike Napoli and Carl Napoli.

GAMMA MU'S PROJECT-DISPLAY IN THE STUDENT CENTER

1344

Dr. Scott, a member of the Executive Committee of Kappa Psi, who was very much pleased with the chapter activities.

At this time, many new projects are being considered, and we are all looking forward to busy and productive days ahead.

Respectfully submitted,
FRANK S. SALARIO, *Historian*

P.S. I wish you all a very happy and prosperous pharmaceutical year.

GAMMA NU—UNIVERSITY OF PACIFIC

Greetings from Gamma Nu chapter to all our Kappa Psi brothers. We hope that your holidays were happy ones.

This semester, our first as members of Kappa Psi Fraternity, has been a very successful one. After our initiation last September, we started things off with the building of a float for homecoming. Brothers Tony Jurach and Billy Farley were chairmen of this activity and they did a real good job of getting things rolling for our first float. With the leadership of Brother Bob Bolling, an old float builder, and Brother Tony Angello, our own carpenter, we came up with a very creditable entry.

When the graduating senior pharmacy class elected their officers, Brother Robert Bolling was elected president of the class and Brother Primo Castagno, vice president.

Next we formed our first intra-mural basketball team. The starting lineup includes Brothers: Ralph Mounts, Vern Vierra, Richard Marshall, Charley Clark and Mike Hogan.

Just before Christmas vacation we held our first annual Winter Formal. This event took place in the Embassy Room of the Ambassador Motor Hotel. Music was provided by Phil Orlando and the Jesters. Guests included faculty members: Ivan Rowland (dean of the school of pharmacy and national president of Phi Delta Chi) and his wife; Professor Roscoe and his wife, Mr. and Mrs. Pearson, and Mr. and Mrs. Bullard. Necklaces with a single-pearl and the Kappa Psi crest attached were presented to the dates of the broth-

ers to commemorate the occasion. In its entirety, the formal was a great success.

Closing out the semester, elections were held for our 1961 officers. They were elected as follows: Charles Clark, Regent; Charles Duncan, Vice Regent; Robert Curtis, Secretary; Irv Danis, Treasurer; Brad Fregger, Historian and Chaplain; and Ron Clement, Sergeant-at-arms. They will be installed, by means of a formal initiation, in February.

Pledging plans for next semester are well on their way, with Charles Duncan as the Pledge-Chairman. Also, plans are being made to establish a deposit of blood in the name of the Fraternity, to be supplied by the brothers and given to individuals in need. Included in our program is a Roaring 20's or a Gaslight type dance, to be held this spring.

The brothers of Gamma Nu chapter would like to commend Regent Robert Jackson for the fine leadership he has shown us in our first year as members of Kappa Psi Fraternity. Our sincere thanks Bob.

Fraternally yours,
IRV DANIS, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

Greetings to all brothers from Gamma Pi. A happy and prosperous New Year to all chapters.

It has been an extremely eventful semester for all of us here in St. Louis. The social events included a "South Sea Island Party" in November, a Christmas Party in December, a college sponsored Christmas Dance at the Sheraton-Jefferson Hotel, and a dinner in East St. Louis, Illinois.

This dinner of which I write was given for the formal initiation of the new members. We are very proud of our seven new brothers. These new brothers are Ronald Karl Baur, William G. Belli, Richard R. Lewandowski, Leonard L. Naeger, Salim Salah Tadrus, James M. Shirey, and Joe K. Neal. Hearty congratulations to each of these men!

Congratulations are also in order for two brothers, Wes Bibro and Ron Scarborough, and their new wives. We wish for them every happiness for now and in the future.

During November, Gamma Pi sent six brothers to the Province VII Assembly at the University of Kentucky at Lexington. These men being Rich Bazzoni, Glen Lonhart, Roy Klosterman, Dan Mulcahy, Phil Bangert, and Gerry Henney. Upsilon Chapter proved to be an excellent host and are to be congratulated on the fine convention.

During the Christmas holidays we here in St. Louis were visited by graduate Phil Ludwig. Phil just finished his tour of duty with the Army and decided not to reenlist. Good luck in the world of civilians, Phil!

One more piece of news before I sign off. Brother Krzystofczyk has called off his private war with cows. The reason for this being, time doesn't permit fighting both cows and telephone poles. I hate to tell you, Bob, but you seem to be out-numbered.

Fraternally yours,
PHILIP A. BANGERT, *Historian*

GAMMA SIGMA—UNIVERSITY OF FLORIDA

Gamma Sigma Chapter opened the fall semester by welcoming six select pledges into the Fraternity.

They are: Ted Bond—Cross City, Fla.; Mike Dugger—Daytona Beach, Fla.; Mike Eliou—Tarp Springs, Fla.; Bill Shea—Tampa, Fla.; Phil Sherrod—Immokalee, Fla.; Dan Volpe—North Miami Beach, Fla. These men were given informal initiation followed by formal initiation on October 17th, 1960.

A banquet was held in honor of these new initiates on October 22nd at the Holiday Inn here in Gainesville. Dr. C. H. Becker of the College of Pharmacy was guest speaker. A dance followed the banquet.

Kappa Psi entered intramurals this year and is competing in such sports as football, basketball and volleyball with various other groups in the league here on campus.

We are proud to announce that we are still presenting a plaque each semester to whom we feel has been the most outstanding pharmacist in the state of Florida. Last semester the plaque was received by Mr. Don S. Evans of Orlando, who recently donated us a check for \$35.00 to be used to buy the plaque. This donation will be sent to us as a yearly gift. A letter of deep appreciation was sent to Mr. Evans.

The College of Pharmacy blood drive is again underway this semester and is open to anyone in the college who may have need of the blood. Although sponsored by Kappa Psi, anyone in the college who would like to donate may do so.

We are continuing with the Abbott Survey this year which we began sponsoring last semester.

Homecoming this year was certainly a big success. Our chapter entered a convertible automobile (fully decorated) in the Homecoming parade, and also sponsored Mrs. Lynn Weeks in the Mrs. University of Florida contest held during Homecoming. Mrs. Weeks unfortunately did not win.

On November 14th, we are to hold a meeting along with the Rho Pi Phi Fraternity which will feature a speaker who is a member of the Florida State Board of Pharmacy. Everyone is certainly looking forward to this.

A committee has recently drawn up a new set of Constitution By-Laws. The new Constitution contains several additions and changes which have not yet been voted on by the chapter. We plan to take action on this matter in the near future.

We will be helping the Pharmacy Dames again this year with their rummage sale. Most of all, we are looking forward to winning the Christmas skit which is presented during the annual Christmas Party for the College of Pharmacy. Kappa Psi won last year's skit award after close competition with the Ropes, and the Kappa Epsilon Sorority.

We are looking forward to a very successful year which is already off to a fine start. Gamma Sigma wishes all the brothers of Kappa Psi a very fruitful year in Pharmacy.

Fraternally,
ED BECK, *Secretary*

GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Gamma Tau brothers attended Regent Haynes McDaniels' wedding December 23 in Chevy Chase, Maryland. Brother Haynes held up remarkably well. All our best wishes to him and Ann for their future happiness.

On November 23 Gamma Tau initiated five new members; Jim Scherff, Ed Avella, John Freeman, Jerry Wear, and Ronny Browning. We are proud

to welcome these new brothers and charge them with the responsibilities of good citizenship and leadership which exemplifies Kappa Psi.

George Washington School of Pharmacy is holding its annual dance on March 24. It will be held in the Arlington Towers Hotel in Virginia. Gamma Tau again has the pleasure of being a sponsor.

Early in April Gamma Tau will have the honor of being host to the Province III Meeting. Brother Ed Collins is working on arrangements for the meeting, and the brothers are looking forward to entertaining our neighboring chapters.

This year the pharmacy school trip will take the junior and senior classes to the Upjohn and Parke, Davis pharmaceutical companies.

Gamma Tau Chapter would like to extend best wishes for the New Year to all Kappa Psi's.

Fraternally,
RYLAND PACKETT, *Historian*

GAMMA UPSILON—UNIVERSITY OF ARIZONA

Sunny greetings to Kappa Psis from Gamma Upsilon.

In the last few months several formal and informal additions have been made to our chapter. Initiated into the fold during the semester were Ed Curtis, Dennis Gallagher, Nort Goldberg, Dick Guzman, Mark Horne, Jerry Obermayr and Frank White. New pledges since the last letter are Arlo Davidson, Norma Kramer, Alan Satterlee, Gene Scarborough and Orin Smith.

Two of our new pledges, Alan and Gene, made the Dean's List for grade averages of 1.5000 or better last semester. Also, they and old timers Dick King and Hank Winship received University Honors at the Honors Convocation in December for grade averages of 2.0000 or better last school year. Dick Kinney was cited at the convocation for his Ryan-Evans Award.

The top two offices in the Student Branch of APhA will be held this year by Kappa Psi. They are Greg Sinclair (President) and Frank White (1st Vice-President). In November Greg and Hank were two of our school's three student representatives at the District Eight American College of Pharmacy meeting in Las Vegas. They returned richer in mind if not in pocket. We should hear much of this meeting in the near future.

A highlight of our speaker series was a female addict who added effect to the speech of Sgt. William Dunn of the Tucson Police Department who talked on *Narcotic Controls*. She freely answered questions by the audience and gave many of us innocents an insight into the way in which such unfortunates put up with this problem. The last speaker of the year was Dr. Ernest Eberling. He gave an interesting talk on *Doctor-Pharmacy Relations* and followed it up with many informative answers to our questions.

Chapter actives have come to a virtual halt while we cram for final exams. Hope that all of you in the same boat and all of us come thru with flying colors.

GAMMA PHI BROTHERS—1961

Front row (left to right): Sidney Haskins, Richard Smith, Ernest McClelland, Jimmy Chestnut, Second row: Grannon Thompson, Marshall Minchey, George Carter, Ferrell Lee, Judd Goodman, Monte Kellam, Jr., Third row: Charles Culpepper, Ray Bell, Jr., Bob Carter, Herbert Tison, Kenneth Herndon, Bobby Gay.

A 61-derful Happy New Year from Gamma Upsilon to all.

Fraternally yours,

NORT GOLDBERG

GAMMA PHI—UNIVERSITY OF GEORGIA

We at Gamma Phi extend our best wishes for success and happiness in the new year to all the brothers of Kappa Psi. Our Christmas vacation was long anticipated and well-earned by all as finals for the fall quarter were over and everyone was ready for a rest.

December 9, 1960, marked the end of one of Gamma Phi's most successful quarters. We would like to express our congratulations to Pledge Chairman Brother Armon Neel for the best pledge program we have ever had. In fact, the pledge program was so successful that we pledged twenty boys and initiated seven of these pledges into membership. We plan to initiate the other thirteen pledges during the winter quarter. The new members are Bob Ballard, George Carter, Kenneth Herndon, Judd Goodman, Monte Kellam, Jr., Marshall Minchey, and Lamar Russell, Jr. The pledges to be initiated during winter quarter are Ray Bell, Jr., Bob Carter, James Chestnut, Charles Culpepper, Sidney Haskins, Ferrell Lee, Ernest McClelland, Bobby Parham, William Scott, Grannon Thompson, Richard Smith, Robert Gay, and Herbert Tison. All of the members of the pledge class have shown an enthusiastic and active interest in Kappa Psi which will be a great asset to our Fraternity and to the profession.

Our social events for the quarter were highlighted by the "Mortar and Pestle Ball" held at

the Moina Michael Memorial Auditorium in Athens on December 2, 1960. The dance was one of the biggest we have ever had and I think it was enjoyed by all as we danced, ate, talked, and made merry! The brothers of Gamma Phi elected, by secret ballot, Miss Phyllis Sappington as "Miss Pharmacy School." Miss Sappington was crowned at the dance and was awarded a gold cup. The dance came to a close at a breakfast held at our house on Waddell Street.

As the new year was ushered in, one of our brothers and one of our pledges celebrated by tying "ye 'ole knot." Brother Bob Millikan took the vows of matrimony with Miss Ellen Kuder and Pledge Grannon Thompson walked to the altar with Miss Judy Albert. Congratulations!

As of yet, plans for this quarter are not completed. However, we are working on our formal spring quarter dance to be held sometime in May.

Membership in any fraternal organization can be and is a great experience for a young man. Kappa Psi has always maintained only the highest principles and ideals of the union of brotherhood. It is my hope and belief that Kappa Psi will always prosper and will forever be recognized as a professional fraternity with only the highest ideals.

Fraternally yours,

DONALD C. DAVIS, *Historian*

GAMMA CHI—FERRIS INSTITUTE

Now that Christmas is over and we are all back to school for another three long months till our Easter vacation, we can return to our most be'oved textbooks and study.

Our biggest undertaking for this term is our eleventh annual Sweetheart Ball, which will be held on February 18. As of yet we are not sure of a band, but I can assure you it will be another big named one similar to those we have had in the past years, such as Les Elgart and Tommy Dorsey. Under the directions of our dance chairman, Tom Clutts and the band Chairman, Greg Smith, we are almost assured of a big success. Winter Carnival is another activity in which we take an active part during the winter term. This consists of building a statue out of snow, which always proves to be quite a challenge. There are also a klondike race, a snow shoe race and a few other winter sports.

Our pledges last term were: Dick Welch, Bruce Jackson, Jim Woern, Charles Backoff, Keith Chamberlin, Al Morton, Ted Kilmer and Darrell Kinney. I am happy to report that they all made it through pledging in fine shape.

Intramural basketball started last week in which we won our first game 48-8. Dave Helpap our 5 ft. 4 in. guard was high point man with 15 points. The other four starters are: Ron Porter, Ed Wismer, Jack Lajiness and Darrell Kinney with a strong bench consisting of Dick (two fold) Welch, Frank Cereska, Lou Johnson and Jim Volk.

Pledges from Beta Lambda paid us a visit over the week-end. Too bad they had to leave so early, but maybe next time they can stay a little longer and get better acquainted with us. I am sure our pledges next term will be more than happy to repay our brothers from the south a visit.

Jim Volk became pinned over Christmas vacation to Miss Helen Muterspaugh, an R.N. from Saginaw.

Our annual Province V Assembly will be held on April 1 and 2. We always look forward to these affairs and we are certainly looking forward to this one with great enthusiasm.

Fraternally yours,

JAMES J. VOLK, *Historian*

GAMMA OMEGA—UNIVERSITY OF ARKANSAS

Fellow Brothers of Kappa Psi,

It is with great pleasure that we, your friends of Gamma Omega chapter, greet you again at the beginning of this new year. We wish to take this opportunity to extend to each and every one of you a very prosperous and happy New Year.

We have been working with zeal these past few months on several projects which we are very proud to give you a report on.

First, we initiated six new members shortly before Thanksgiving. They are: Richard Lieberman, John Massey, Larry Bell, William Housely, Walter Ellis, and Chet Stinnett. These are certainly a fine group of students are we are proud to have them in our organization.

Four of our members attended the Province Assembly held in Lexington, Kentucky on November 18 and 19. These were: Robert Foiles, Jerry Parks, Jim Rankin, and Don Hall. We are proud to report that we have obtained the office of Chaplain as a result of their fine efforts in representing us.

We worked in cooperation with the other schools at our Medical Center by participating in a "Career's Day" program designed to publicize the various professional schools to interested high school and college students in our immediate area. We arranged a nice display and several members

were present to advise and talk with students interested in Pharmacy.

We are now having two night meetings each month, which gives us much more time to thoroughly discuss pertinent matters and plan future activities. These are being well attended, and we are accomplishing much.

This Christmas season we planned a project to help spread cheer to those less fortunate than we. Two of our members stood in the children's ward of the clinic each day for one week before Christmas handing out toys and gifts to the children.

That about winds it up "news-wise" for now, so until next time we remain,

Fraternally yours,

BILL DORSEY, *Historian*

MU OMICRON PI—WAYNE STATE UNIVERSITY

The members of Mu Omicron Pi Chapter offer their greetings and the announcement of a most successful pledge class. Our pledge drive turned out better than planned with ten pledges going through the traditional pledge program. If all of them make it they will truly make Kappa Psi a stronger fraternity on the campus of Wayne State University. This would almost double the present collegiate chapter of Mu Omicron Pi. Now waiting for their final acceptance are: William Davidson, James Devine, Allan Dopke (pledge president), William Kohler, Thomas McCluskey, William Rachwal, Fred Saleh, Charles Sanders, Marvin Sales, and Sam Vicari.

The pledge period showed the active members how each man would apply himself to the duties as a Kappa Psi man. Each pledge showed initiative throughout the period. This was shown in numerous occurrences: #1-getting all objects assigned them on the scavenger hunt plus a few unassigned objects needed in the House. #2-kidnapping the pledge master, Len Sulizs, the day before Hell Night. Luckily for both Len and the pledges he was returned safely. #3-the crowning touch, successfully removing the distributor wires from two actives' cars thus stranding them without a car. Also on Hell Night with the pledges outnumbering the actives, the pledges captured Brother Khamis Ziadeh and forced him to go through the Bottle Hunt with them.

A most unusual situation found the pledges and actives shot at by an escaped convict and running a police barricade while returning to the House after the Bottle Hunt. Luckily only the convict suffered as he was safely apprehended and returned to prison without anyone getting hurt.

In all this activity the pledges helped to unite the actives as well as the pledges themselves, and has made KΨ at WSU a stronger organization socially as well as professionally.

Speaking of new members, two more have been added without having to go through a pledge period. They are Stephen Carlson, newly born son of Brother Don Carlson, and James Jr., son of pledge Jim Devine. Congratulations are offered to both couples and the hope that both will become future KΨ members.

Mu Omicron Pi Chapter has selected Mary Ann Pelloni as Sweetheart to succeed Ernita Schachinger. Ernita has served this past year and now turns over her honor to Mary Ann. Both girls work in the pharmacy office as secretaries to Dean Wilson and Assistant Dean Blockstein. It would seem that Kappa Psi has an inside hand in the

running of the College of Pharmacy, but this is far from the truth. Their presence at the Pledge Formal Dinner will certainly brighten up the evening.

This semester's pledge formal will occur between semesters and we hope that all the pledges can make the final step into becoming members.

New Year's Eve saw twenty-five couples attend the "blow out" held at the House. The House was well-cleaned and decorated under the direction of Alex MacKenzie. Douglas Acord, Social Chairman, did a truly good job in the final arrangements. The spirit of the holidays was present, but there was even more as a few members brought their own bottled "spirit." All present had a wonderful time and the House will probably not recover for some time.

We at Mu Omicron Pi are looking forward to another successful semester, and until the next issue of THE MASK I remain.

Fraternally yours,
EDWARD RANDINITIS, *Historian*

CONNECTICUT GRADUATE CHAPTER

Our November meeting was held at the Fairview restaurant in Bridgeport on the 16th with 61 brothers in attendance. This large turnout is completely consistent with other Kappa Psi graduate meetings and reflects greatly upon the Fraternity and excellent leaders of Connecticut who nearly all are members of Kappa Psi.

The Province I Convention was the main topic of interest throughout the evening and plans for its success are in full swing. It is to be held April 14-15 at the Hotel Bond in Hartford and at the University of Connecticut in Storrs. Brother Dan Leone Jr. informed us of the fine program and urges all brothers to turn out especially for the banquet to be at the Bond on the 15th.

Brother Robert Auger suggested that we appoint a member to publicize Kappa Psi events in state and national pharmaceutical publications. This was further elaborated on by Brother Joseph Pacioni and the Historian was so delegated.

Brother Walter Williams, one of our most revered and respected long time associates presented new Brother George Browne with the Kappa Psi scholarship award for his high undergraduate efforts. Brother George, a pharmacist at one of the state's leading establishments is an outstanding example of what Kappa Psi teaches.

Several members of the undergraduate chapter were present at the meeting as guests, further exemplifying the close relationship with our college brothers.

Regent Edward Dadona presided at the meeting.
Respectfully yours for a good 61;

CLIFFORD GINGRAS, *Historian*

DETROIT GRADUATE CHAPTER

The Detroit Graduate Chapter of Kappa Psi has sparked new interest in their group since obtain-

CARL KYBURZ AT DETROIT-REDFORD KIWANIS CLUB MEETING

Mr. Edward Collins of S.K.F. (second from left) and Brother Carl Kyburz of the Detroit Graduate Chapter (extreme right) are shown with officers of the Detroit-Redford Kiwanis Club following Mr. Collins' address on "Drug Prices and Research." Brother Kyburz has presented a number of talks entitled "Health Progress and Drug Prices" to groups in the Royal Oak, Michigan area.

ing a Fraternity House on the Wayne State Campus at 1120 West Forest Avenue. Regent Andrews has proposed two meetings a month which have been well-attended. Secretary Don Greenwood has kept the group well-informed and many guests attended our last meeting in October to hear Mr. Payne, Drug Inspector for the Michigan Board of Pharmacy. Mr. Payne discussed the pharmacy laws as they apply now and the necessary procedure to operate a first class pharmacy. A group discussion followed.

Motor city news: We see a number of Gamma Chi brothers from Ferris Institute are back home or are working in the Detroit area again. These include Eugene Zaffina, Richard Fitzpatrick, and Chuck Woods in the Pontiac area. We also welcome Pete Quisenberry and Bruce Horton in the Detroit area. Come on down to see us fellas! The turn-outs have been fair at the last four meetings and there were a lot of long faces at the last meeting (besides mine at the poker table). Brother Lloyd Hunter and James Joseph are candidates for First Vice-President of the Detroit Retail Drug-gists Association—William Hennessey, Robert Hush and David Moss are also running for the executive committee. . . .

"Chapters should weigh carefully each planned social, professional or service program to determine if it meets the accepted standards of conduct of the college or university, the profession, and the Fraternity."—FRANK H. EBY
