From the Desk of the Grand Regent

GLEN J. SPERANDIO

Grand Regent

GLEN J. SPERANDIO

I would like to make this first communication of 1966 a personal note to each of the delegates who attended the Grand Council Convention in San Francisco. I want to tell you how proud I am of you and of the Brothers of Kappa Psi in every one of our collegiate and graduate chapters. You made our convention a resounding success and in so doing you proved our contention that Kappa Psi can expand its activities and its influence over the entire country. In a sense you were the pioneers in bringing a national convention west of the Rocky Mountains. You have expanded our horizons.

However, I am most proud of you for yourselves. One of the most rewarding experiences of my career was to preside over the sessions and look out into an audience of almost two hundred young men who represent the elite of pharmacy. It was a genuine thrill to see the clean cut looks, the neat tailoring, and the well groomed appearance of the entire group. The interested, sincere, and sometimes heated but always courteous discussions from the floor were all that could be asked of gentlemen and scholars. Industry, sobriety, fellowship, and high ideals were more than mere words at San Francisco—they were exemplified by your actions. You all were a credit to Kappa Psi, to your own schools, and to the profession of Pharmacy. I congratulate you!

To me, the 1965 Grand Council Convention's most significant feature was that it set the pattern for a strong and aggressive program of growth in the immediate future. By "growth" I mean not only the acquisition of more members and more chapters but also the development of more services to the Brothers: making Kappa Psi mean more to those who are privileged to hold membership in it.

It is our intent during the next two years to strengthen our program with graduate chapters. We must remember that a brother remains a member of Kappa Psi for life, and fraternal ties after graduation can continue to be as beneficial as they are during one's collegiate years. In order to implement this program I am establishing an appointive office under the immediate supervision of the Executive Secretary, with the specific task of coordinating and improving graduate relations.

The proper alignment of Provinces continues to be of great concern. We must continually review Province activities and encourage Province activities. To serve this need I am establishing a second appointive office, likewise under the immediate supervision of the Executive Secretary. Announcements of these appointments will be found elsewhere in this issue.

At the beginning of a new term the Grand Regent traditionally proposes a theme or a guide for chapter activities. I would ask each chapter to try to *grow*—not necessarily larger, but stronger. Seek nourishment for growth from within your chapter: encourage active participation of every brother and *grow strong* through brotherhood. Remember that the Brothers of Kappa Psi represent the best in Pharmacy. You are expected to be the leaders in your school. Work together and you will make progress; make progress and you will succeed. Success is the birthright of every Kappa Psi man.

The Mask . . .

Vol. 63, No. 1 Whole No. 253

The 33rd Grand Council Convention of Kappa Psi Pharmaceutical Fraternity*

The 33rd Grand Council Convention of Kappa Psi Pharmaceutical Fraternity was held at the Sheraton-Palace Hotel, San Francisco, California on December 27-30, 1965. This marked the 86th Anniversary of the Fraternity, having been founded at the Russell Military Academy in New Haven, Connecticut in 1879. In addition to guests there were 173 members who registered for the four-day convention. Fifty-one of the 54 Collegiate Chapters were represented as were 12 Graduate Chapters and 10 Provinces. Previous to the convention's opening joint meetings of Alpha Chapter and the Executive Committee were held on December 27 at which Grand Regent Glen J. Sperandio presided. Additional sessions of the group were held on December 30 after the close of the convention.

General Convention Chairman was former Secretary-Treasurer Frank H. Eby and local chairmen were Eugene Jorgensen of University of California and James C. King of University of the Pacific. Other committees of the convention were: Credentials, Herman C. Forslund of Oregon State University, Chairman; Registration, Nicholas W. Fenney (editor of *THE MASK*) of University of Connecticut, Chairman; Nominations, Milton L. Neuroth of Medical College of Virginia, Chairman; and Transportation-Information Committee, Armen Melikian, Chairman.

Thomas M. O'Connor, attorney for the City and County of San Francisco welcomed the delegates and members and Dean Troy C. Daniels of the University of California addressed the group at the opening session. In all, seven regular business sessions were held where delegates were present to hear reports of national officers and the various committee reports. A special report announced the establishment of a national Educational Loan Fund to be administered from within the Fraternity. It will make available to deserving members cash loans to continue and/or complete their undergraduate schooling. Another special report told of the preparation of the history of Kappa Psi Fraternity by its former secretary-treasurer. In addition to panel discussions dealing with communications between the chapters and university administration, strengths and weaknesses of the Fraternity, and essentials for financial stability in a chapter, a number of papers were presented concerning objectives of the Fraternity, the services and contributions of a chapter to its college and community, and values which a member should expect from membership. A special Memorial Tribute to deceased members was conducted by Executive Committee member C. Boyd Granberg. Also, special addresses were presented by Dr. Philip Wogaman of University of the Pacific, Glen R. Knotts who is director of advertising evaluation of the American Medical Association, Grand Ritualist Richard M. Doughty, and Louis Fischl who is a past president of the American Pharmaceutical Association.

The social program included a luncheon which was followed by a sight-seeing

*A copy of this report has been submitted for publication in *Banta's Greek Exchange*.

tour of San Francisco, and the 86th Anniversary Dinner on Wednesday evening in the Ralston Room of the Sheraton-Palace Hotel. During the Anniversary Dinner two presentations were made on behalf of the Fraternity, one to past Secretary-Treasurer and Mrs. Frank H. Eby by Editor of THE MASK Nicholas W. Fenney, and the other to Mrs. Glen J. Sperandio by First Grand Vice Regent Walter R. Williams.

The Grand Council Convention closed with the installation of the following officers: Grand Regent Glen J. Sperandio, Purdue University; First Grand Vice Regent Walter R. Williams, University of Connecticut, Second Grand Vice Regent Leo A. Sciuchetti, Oregon State University, Third Grand Vice Regent James C. King, University of the Pacific, Grand Historian Norman A. Campbell, Massachusetts College of Pharmacy, Grand Counselor John Atkinson, Jr., Smith, Kline & French Laboratories, and Grand Ritualist Richard M. Doughty, University of Kentucky. Gerald C. Henney, St. Louis College of Pharmacy was re-appointed Executive Secretary and Nicholas W. Fenny, University of Connecticut was re-appointed Editor of the fraternity's publication, THE MASK.

The 33rd Grand Council Convention adjourned Thursday noon, December 30, 1965. The next national convention will be held in the summer of 1967.

THE GRAND OFFICERS—KAPPA PSI PHARMACEUTICAL FRATERNITY, 1965-1967

Left to right: Grand Ritualist Richard M. Doughty, Grand Counselor John Atkinson, Jr., Grand Historian Norman A. Campbell, Third Grand Vice Regent James C. King, Second Grand Vice Regent Leo A. Sciuchetti, First Grand Vice Regent Walter R. Williams, Grand Regent Glen J. Sperandio.

Grand Officers of Kappa Psi Elected San Francisco, California, December 28, 1965

Delegates at the 33rd Grand Council Convention of Kappa Psi Pharmaceutical Fraternity elected the following Grand Officers at the fifth general session held in the Sheraton-Palace Hotel, San Francisco, California, December 28, 1965. These officers will hold their respective positions for a two-year term.

Grand Regent Glen J. Sperandio (Purdue University)
First Grand Vice Regent Walter R. Williams (University of Connecticut)
Second Grand Vice Regent Leo A. Sciuchetti (Oregon State University)
Third Grand Vice Regent James C. King (University of the Pacific)
Grand Historian Norman A. Campbell (Massachusetts College of Pharmacy)
Grand Counselor John Atkinson, Jr. (Smith, Kline & French Laboratories)
Grand Ritualist Richard M. Doughty (University of Kentucky)

EXECUTIVE COMMITTEE—KAPPA PSI PHARMACEUTICAL FRATERNITY

Seated (l. to r.): Walter R. Williams, Gerald C. Henney, Glen J. Sperandio (chairman). Standing (l. to r.): Nicholas W. Fenney, John Atkinson, Jr., August G. Danti, Robert R. Auger, C. Boyd Granberg, Charles Dakake, Jr., Ronald I. Sherman.

**HEAD TABLE—86TH ANNIVERSARY DINNER, KAPPA PSI PHARMACEUTICAL FRATERNITY,

New Positions Established At Central Office

At its final meeting in San Francisco, the Executive Committee authorized Grand Regent Sperandio to create two new appointive positions to be supervised by the Central Office. As is the case with all other appointments by the Grand Regent, the appointees serve without pay.

These positions have been established to help the Executive Secretary develop closer relations with our Graduate Members and to promote better relations between the Collegiate Chapters and the Provinces, and to give special attention to the problems attendant on each area.

The first position—*Coordinator of Graduate Activities*—will be filled by Dr. Joe E. Haberle, Grand Council Deputy of Gamma Pi Chapter and also Secretary-Treasurer of the St. Louis Graduate Chapter.

The second position—*Coordinator of Province Affairs*—will be assumed by Mr. Frank Facione of the Detroit Graduate Chapter.

Both men are well known in Kappa Psi and have long records of service to our Fraternity. Correspondence pertaining to each particular area may be directed to them in care of the Central Office.

In true education, anything that comes to our hand is as good as a book: the prank of a page-boy, the blunder of a servant, a bit of table-talk—they are all part of the curriculum.

Grand Regent Sperandio's Address*

Brothers in Kappa Psi:

We are met here in a common interest—and this present assembly is a testimonial to the unity and strength made possible by that interest in our Fraternity. I wish that it were possible for every brother to be here, and I hope that those of you who are fortunate enough to have come to San Francisco will take back with you to your chapters the spirit and enthusiasm you will find at this Grand Council Convention.

Collectively you represent a large proportion of the best pharmacy students in the country; individually you represent future leaders in our profession, and your deliberation and action here will have a strong influence on professional fraternal activities in the coming years.

Kappa Psi is changing. We might say that it has come of age, and I would like to base my talk to you on this fact. We are growing both in size and in professional stature. We must continue to grow if we are to remain the leading pharmaceutical fraternity in the United States; and in order to do this we must improve our effectiveness of operation and have a closer and stronger relationship between the Central Office, the Provinces, and the Chapters. Your officers have been working steadily to achieve this.

Kappa Psi is changing because the entire educational world is changing. Most of our colleges are becoming larger and, with the full implementation of the five-year program, we are finding that our collegiate members can enjoy an extra year of participation in Kappa Psi activities on campus.

Simultaneously we find that there is an improved quality of the academic level of students now entering college—and an increased sophistication of the high school graduate. A good many of these come to college with ideas of fraternity life which they have developed in high school and which are often completely out of line with the true situation. We must recognize the changing undergraduate and adjust our thinking accordingly, and we must be prepared to introduce and explain Kappa Psi to this "new breed." In addition, we must create in our collegiate chapters an enthusiasm for our Fraternity which will continue and strengthen as time goes on.

In college, more students are going on to graduate work, and as a man enters his senior year he finds many conflicts of interest and frequently tends to neglect his Fraternity in which he has previously been active. We must strive to prevent this.

A good many chapters have lost good upper classmen because they have not had a specific program to appeal to their special interests. Every chapter of Kappa Psi should try especially hard to encourage the senior members to remain active throughout their graduating year; and we must establish some means of holding the graduate student and developing a strong Fraternity environment which will attract him. *It is an accepted fact that the larger universities will soon have more upper classmen and graduate students than under classmen.* Kappa Psi must prepare for this change.

We have a tremendous potential, and we must take advantage of every opportunity to achieve it, and if we are to realize our potential we must do far more than rest on our laurels or rely on the achievements we have made in the past—we have made history and now we must make progress.

I am pleased to report to you that we have made considerable progress during the past two years and I fully expect that we will make even more advances by the time of the next Grand Council Convention.

As you all know, Grand Secretary-Treasurer Eby retired last year and upon his retirement a constitutional amendment changed his office from an elective one to an appointive one designated as that of Executive Secretary. In so doing, we have stabilized the key position in the operation of our Fraternity. We were most fortunate in obtaining the services of Dr. Gerald C. Henney, who has been most efficient in reorganizing the Central Office.

Concurrently—and for the first time in our history—we have established a Central Office in an independent location and set it up on a full-time operations basis. We now have a national headquarters in St. Louis and all Kappa Psi men traveling through are invited to stop in for a visit. In the Central Office, records are being modernized and procedures are being inaugurated which will simplify book-work and reporting methods of the chapters.

We have reorganized our financial situation. Through the dedicated efforts of Dr. Eby we have, over the past fifteen years, built up a solid financial background. These funds have been reviewed and a sound investment program has been set up. For the first time—at least in our generation—we have set up an operating budget and are adjusting our expenditures to our income. We now have a detailed accounting of where your fraternity dollar goes and we are making this available to anyone who may ask. We are also making your dollar go farther and provide more for you.

In connection with this, we have established a national Educational Loan Fund to be

*Delivered at the 33rd Grand Council Convention, December 27, 1965, San Francisco, Calif.

administered from within the Fraternity. It will make available to deserving members of Kappa Psi cash loans to continue and/or complete their undergraduate schooling. A detailed report of this significant advancement will be made later on this program.

We are improving our communications systems between the national and local levels. Earlier this month every chapter received a news bulletin from the Central Office. This inaugurates a new service by which we hope to maintain close contact with every member of Kappa Psi. It is hoped that this bulletin will be a monthly issue, and will keep all chapters informed of the latest developments relating to Kappa Psi, as well as convey news relating to some of our prominent brothers. However, this will depend on the reception you and your chapters give it. We want to hear from you and to know your ideas. We want two-way communications.

We have worked for the past two years on revising the Constitution and By-laws to have a modern, workable blue-print for progress and to properly designate authority within our organization, yet at the same time give the individual chapters greater freedom in their own management.

We feel that we have strengthened Kappa Psi's position in the fraternity world in so doing, and we now have a strong and clearly defined set of rules by which we can operate. This, too, will be discussed in detail later.

A very important—and long neglected—need of our Fraternity has been remedied. Last year we commissioned Dr. Frank Eby, who knows more about Kappa Psi than any living person, to prepare a history of Kappa Psi which would permanently record our story for future generations. For the first time in over 50 years we have a completely documented record of the membership of our Fraternity by chapters, and you may be interested to know that this list contains 27,064 names. Dr. Eby is in the process of completing this history now. I have read the first draft and am so impressed with it that I am asking the Executive Committee to authorize its publication in a hard back edition; and when it is available, I am sure that a majority of our members will want a personal copy.

These are some of the major accomplishments your officers and Executive Committee have effected during their tenure. In addition to their work on such assignments, one or more of your national officers has personally visited every collegiate chapter and discussed your problems. While I have not been able to visit every chapter myself, I have had reports from the visiting officers and can tell you that, on a national level, the state of our union is good. We have initiated action towards establishing several new undergraduate chapters and we expect the formation of additional graduate chapters in the near future. I am pleased to welcome the newly chartered California Graduate Chapter as the most recent addition to our family.

Looking to the future, I see much work for our officers, much personal involvement for our collegiate members, and much stronger ties developing with our graduate members. In today's world, one cannot stand still; one must either go forward or slip backward. *Kappa Psi is going forward*—and at a rapid pace. If our membership increases proportionately with college enrollments—and I fully expect that it will—we will soon reach a point where it will be necessary to employ a full time Executive Secretary with a supplemental staff.

One major goal which I would like to see attained in the immediate future is a closer and more continuous relationship with our graduate members. A man can be a collegiate member of Kappa Psi for four years at the most; yet he remains a member for life and it is the period after graduation when fraternal ties need most strengthening. I expect to see the formation of many more *active* graduate chapters with definite programs, and the reactivation of some chapters now dormant. Action directed towards this end will originate from the Central Office. We shall seek ways of finding and using the many avenues of communication locally and nationally to instill interest in Kappa Psi by our alumni; and working through them we shall bring greater recognition and acceptance of our Fraternity at all levels.

In considering the goals which each chapter should set for the coming year, I recently found them ideally stated by Mr. John Boray, Regent of Beta Psi, in a newsletter of his chapter. Expressing the thoughts of a collegiate member—one of your brothers here in attendance—they are stated much better than I could express, and I would urge that every chapter of our great Fraternity consider these objectives as set forth by Brother Boray:

- 1) spreading the ideals of Kappa Psi to our fellow pharmacy students with the hopes that they may wish to join the brotherhood of Kappa Psi.
- 2) promoting the profession of pharmacy to incoming students and to extend ourselves to neighboring chapters on both social and professional levels.
- 3) maintaining close contact with our alumni and with the families of our undergraduate members.
- 4) maintaining an attitude of educational conscientiousness among our members so that Kappa Psi may proudly reflect the brotherhood to the school, faculty, and parents.

Oliver Wendell Holmes once said, "Any idea or ideal can be great if greatly pursued." And those who pursue their ideals become leaders. Let us continue to make Kappa Psi the *leader* in pharmaceutical fraternities.

From the Desk of the Executive Secretary

Gerald C. Henney

• • •

Executive Secretary
GERALD C. HENNEY

Although the 33rd Grand Council Convention has ended, the impact of our activity in San Francisco will be felt for quite some time. This convention was historic in many respects, but the most impressive aspect of the Grand Council was the seriousness of the deliberations of the delegates attending the meetings. The almost 200 registered delegates and guests made history at the "fabled Sheraton-Palace."

The Executive Committee likewise made numerous decisions affecting the future of Kappa Psi:

(1) The 1967 Grand Council will meet during the last week in August. It is hoped that this will be more convenient for collegiate and graduate brothers who may not be able to attend a winter meeting. The weather also will be more favorable for travel and a fall meeting should help to increase attendance. Inasmuch as the 34th Grand Council is only eighteen months away, planning has already been initiated for the next meeting of the Grand Council.

(2) The Executive Committee authorized the issuance of a plastic encased permanent membership card. This card will remain in force during the lifetime of the brother. The cards will be ready early in 1966, and will be available to graduate brothers at a nominal cost. More information will be printed in the April-June issue of *THE MASK* and information will be sent to Secretaries of the Collegiate and Graduate Chapters.

(3) The Executive Committee authorized the appointment of a co-ordinator of Province Affairs and a co-ordinator of Graduate and Alumni Affairs. These appointees will work in cooperation with the Grand Regent, the Executive Secretary and the Graduate Relations Committee in expanding and strengthening these two very important phases of our Fraternity.

(4) The Executive Committee authorized the Executive Secretary to investigate the purchasing of engraving equipment to engrave the various Fraternity certificates at the Central Office. This system would effect a saving of money and time in the preparation of these certificates.

These are but a few of the major decisions made in San Francisco. Other activities will be reported from time to time in *THE MASK* and by reports to Graduate and Collegiate secretaries.

I want to personally thank the delegates for their adoption of the revised Constitution and By-Laws. Although this document is not perfect, it will provide us all an up-to-date framework for our activities. This is the most comprehensive revision of our "Laws" in several decades, and deliberateness of the delegates' decision is evidence of the fact that we hold these "Laws" in the highest regard.

I would like to congratulate the new Grand Officers and the new Executive Committee Member and thank the retiring Grand Officers for their service to the Fraternity.

• • •

Everyone hears only what he understands.

**FORMER GRAND SECRETARY-TREASURER AND MRS. FRANK H. EBY
PRESENTED PLAQUE AT 86TH ANNIVERSARY DINNER**

Editor of *The Mask* Nicholas W. Fenney (right) making a presentation on behalf of The Fraternity of a plaque of the United States indicating the location of every chapter. Each of the chapters chartered since Dr. Eby was Grand Regent up to his retirement a year ago as Grand Secretary-Treasurer is represented by a miniature Coat-of-Arms of The Fraternity. The unique plaque was designed by Grand Regent Sperandio and Executive Secretary Henney.

MRS. GLEN J. SPERANDIO PRESENTED GIFT AT 86TH ANNIVERSARY DINNER

First Grand Vice Regent Walter R. Williams making a surprise presentation of a gift on behalf of The Fraternity to Mrs. Glen J. Sperandio.

Report of the Ad Hoc Educational Loan Fund Committee

Presented to the 33rd Grand Council Convention of Kappa Psi Pharmaceutical Fraternity, December 27-30, 1965, San Francisco, Calif.

The past fifteen years of the history of Kappa Psi Pharmaceutical Fraternity bear ample proof of the dedication of our noble brotherhood to the selfless promotion of the best interests of our profession both collectively and individually. One well-known method is the encouragement of better scholarship by our national awards (the Grand Council Scholarship Key and Certificate and the Scholarship Honors Certificate) and by our innumerable excellent local chapter awards. In the past the Fraternity has also spearheaded an annual research award of cash for a meritorious original research paper prior to the advent of the many almost overwhelming excellent and munificent undergraduate awards from pharmaceutical industry. There is however one area in which we could serve our profession most effectively in a tangible, practical way of extending our helping hand to deserving brothers.

It is with justifiable pride that Grand Regent Glen J. Sperandio informs us that a scholarship loan fund established by the Executive Committee is expected to be over \$5,000 by the end of this year and that it will be named "The Frank H. Eby Educational Loan Fund" in recognition of Brother Eby's many contributions, his loyalty, and his leadership as past Grand Regent and past Grand Secretary-Treasurer. Brother Eby has worked unceasingly to promote better Scholarship in our Fraternity and it is most appropriate that the loan fund be named after him. In fairness to Brother Eby, it must be mentioned that he had no part in the preparation of this introductory material and that it comes only from the other two committee members, Brother Hartman and Smith.

Given herewith are the specific suggestions:

1. The Frank H. Eby Educational Loan Fund of Kappa Psi Pharmaceutical Fraternity should be established to provide loans of \$100 to \$250 on the basis of need to members of Kappa Psi Pharmaceutical Fraternity who are in their fourth or fifth year of undergraduate pharmacy education in an accredited college or school of pharmacy and who have been members of Kappa Psi Pharmaceutical Fraternity in good standing for at least one semester or one quarter, as the case may be, prior to the actual time of giving the loan.
2. The loan should be payable without interest within one year after graduation or within one year after leaving undergraduate pharmacy education. Being drafted into military service should not count at leaving undergraduate pharmacy education unless the individual does not return to undergraduate pharmacy education upon completion of his obligated military service. In the latter case, the interest-free year of payability would start upon the individual's return to civilian life. Similarly a loan recipient who has to enter military service within six months after graduation would not have his interest-free year of payability start until the completion of his military service.

The unpaid balance beyond the one interest-free year would have to be paid back with interest accumulating at the rate of 6% *per annum*.

3. The applicant for a loan would procure the appropriate forms upon request from the Executive Secretary who would supply him with a.) an application form to be returned to his office and b.) a certification form to be filled out, signed, and returned *directly* to the Executive Secretary by the Grand Council Deputy of the applicant's chapter. This second form should certify the following points:
 - (1) That the applicant is a brother in good standing in a particular chapter of Kappa Psi Pharmaceutical Fraternity for a specified period of time.
 - (2) That the applicant is an undergraduate pharmacy student in good standing in the fourth or fifth year of either a five or six-year curriculum or also in the sixth year of a six-year curriculum in an accredited college or school of pharmacy.
 - (3) That the applicant's academic standing justifies the loan.
 - (4) That there is actual need for the loan with justification given.
 - (5) That the applicant normally meets his financial obligations and that he will repay the loan in the specified period of time.
4. The Executive Secretary should then send both completed forms for each applicant together with any supplementary information *as soon as possible* to the national committee charged with the responsibility for this loan fund. This committee would in turn send its recommendation(s) immediately to the Grand Regent who would then issue instructions promptly to the Executive Secretary to procure first a duly signed and dated promissory note from the applicant and to issue subsequently, but promptly, a check for the approved loan to the applicant.

5. It is absolutely mandatory that no publicity or announcements, either formally or informally, be made of the names of the recipients although it is quite proper that all records pertaining to this loan fund are open on a confidential basis to the Executive Committee and Alpha Chapter.
6. It is strongly recommended that a permanent fund committee of three members be established to draw up the proper application form, certification form, and promissory note, to plan the general administration and publicity of the loan fund, and later to administer the fund. Naturally the Executive Secretary would handle all cash transactions, both the forwarding of the actual loan to the recipient and the receiving of subsequent cash repayments.
7. It goes without saying that appropriate publicity should be limited to THE MASK and to announcements from the Executive Secretary to all collegiate chapter Secretaries and to all Grand Council Deputies.

This committee wishes to thank Brother Nicholas W. Fenney for helping us and for supplying so much helpful information about the outstandingly successful Connecticut Graduate Chapter Kappa Psi Student Loan Fund.

It is earnestly hoped that Kappa Psi Pharmaceutical Fraternity will continue its dedication to the best interests of our profession by establishing and utilizing the Frank H. Eby Educational Loan Fund. Our Fraternity will thereby render honor unto itself by honoring a brother who has served the Fraternity well for many years.

Respectfully submitted,
 FRANK H. EBY
 CHARLES W. HARTMAN
 PIERRE F. SMITH, *Chairman*

EXECUTIVE SECRETARY GERALD C. HENNEY ADDRESSES
 THE 33RD GRAND COUNCIL CONVENTION

• • •

RESOLUTION

One of the resolutions passed at the 33rd Grand Council Convention was an endorsement by Kappa Psi Pharmaceutical Fraternity to support affiliation of local and state pharmaceutical organizations with the American Pharmaceutical Association.

James C. King—Kappa Psi's Third Grand Vice Regent

Dr. JAMES C. KING
Third Grand Vice Regent
Kappa Psi Fraternity
1965-1967

Third Grand Vice Regent James C. King was born in Petaluma, California, January 18, 1932. He attended Petaluma High School and received his B.S. degree in pharmacy from the University of New Mexico in 1953. After two years active commissioned service with the United States Air Force in Europe and a year in community pharmacy, he entered the University of Texas Graduate School. In June 1958 he received his M.S. in Pharmacy and in 1962 his Ph.D., both from the University of Texas. During his graduate career, he served as teaching assistant, lecturer, and special instructor in the University of Texas College of Pharmacy. From 1957 to 1959, he was an Armour Research Fellow and from 1959 a Fellow of the American Foundation for Pharmaceutical Education.

In the fall of 1962, Brother King joined the faculty of the University of the Pacific School of Pharmacy as an assistant professor of pharmacy.

Dr. King was initiated into Gamma Rho Chapter of Kappa Psi in 1951, was a member of the Texas Graduate Chapter, and has served as Grand Council Deputy of Gamma Nu Chapter since 1962. He was also instrumental in the establishment of the Pacific Graduate Chapter.

Brother King is a member of the American Pharmaceutical Association, the American Society of Hospital Pharmacists, the Northern California Society of Hospital Pharmacists, Sigma Xi, Rho Chi, and Delta Sigma Phi. He resides with his wife, Patricia, and daughter, Dianne, at 1253 Oxford Way in Stockton, California.

The Newly Elected Grand Historian Norman A. Campbell

PROF. NORMAN A. CAMPBELL
Grand Historian
Kappa Psi Fraternity
1965-1967

Grand Historian Norman A. Campbell was born in Pawtucket, Rhode Island on January 21, 1936. He attended public schools there, graduating from the East Senior High School in 1953. In June, 1957 he received the degree of Bachelor of Science in Pharmacy from the Rhode Island College of Pharmacy and Allied Sciences. He earned the M.B.A. degree in Marketing from the University of Wisconsin in 1961. At the present time, he is a candidate for the LL.B. degree at Portia Law School in Boston.

Brother Campbell joined the faculty of the Massachusetts College of Pharmacy in 1961 as instructor in pharmaceutical administration. He was promoted in 1963. His present position is assistant professor of pharmaceutical administration, secretary of the faculty and assistant director of public relations. Among the professional organizations of which he is a member are the following: American Pharmaceutical Association, Rhode Island Pharmaceutical Association, American Institute of the History of

Pharmacy, American Marketing Association, American Accounting Association, AACP Section of Teachers of Pharmacy Administration, the National Association of Retail Druggists and Rho Chi.

He has been active in fraternity affairs since his initiation into Beta Epsilon chapter in May, 1954. He served as Beta Epsilon Historian during 1955-1956; Regent of Beta Epsilon 1956-1957; Regent of Providence Graduate Chapter 1957-1959; Historian Boston Graduate Chapter 1962-1965; Vice-Satrap Province I 1964-present; and Co-Advisor Mu Chapter 1961-present.

Among Brother Campbell's outside activities are the Holy Name Society of Saint Bartholomew's Church in Needham, Mass., Knights of Columbus, American Legion Post #209, bowling, golf and photography.

He has several publications in this country and England on matters of pharmaceutical education, pharmacy administration and marketing.

Brother Campbell is married to the former Mary Hodde and they have two daughters, Debra and Linda, and a son Michael.

Robert R. Auger Elected to Executive Committee

ROBERT R. AUGER
Elected member of
Executive Committee

Under a new provision of the revised Constitution of Kappa Psi Pharmaceutical Fraternity adopted at the 33rd Grand Council Convention, December 27-30, 1965, the delegates at the Convention elected Robert R. Auger, chief pharmacist of the Greenwich Hospital, Greenwich, Connecticut, to a two-year term on the national Executive Committee.

Brother Auger was born in Augusta, Maine, on May 12, 1932. He graduated from the University of Connecticut in 1959 with the degree of Bachelor of Science in pharmacy. Following graduation he was employed in community pharmacy for three years and then accepted the present position which he has held for over three years.

While at the University of Connecticut, Brother Auger was Regent of Nu Chapter, served as their House Steward, and was elected to the Mortar and Pestle Honor Society.

Among the organizations that Executive Committee member Auger belongs are the Connecticut Pharmaceutical Association, in which he is a member of their Long Range Planning, Hospital, and Grievance committees; the Southwestern Pharmaceutical Association of Connecticut in which he serves on the Executive Committee in addition to being the treasurer; the American Pharmaceutical Association, The American Society of Hospital Pharmacists, and the American College of Apothecaries. As a member of the Connecticut Graduate Chapter of Kappa Psi he serves on their Executive Committee and also is the treasurer.

Before attending pharmacy school he served four years in the U. S. Navy where he was stationed at the National Naval Medical Center in Bethesda, Maryland.

Province VI Assembly

By Robert Yokel, *Historian*

December 11, 1965 marked the beginning of a new era of achievement and inter-chapter associations as Province VI held its first Assembly in several years. Beta Psi, at the University of Wisconsin, hosted the conclave which included three delegates from Pi Chapter at Purdue University, five delegates from Chi Chapter at The University of Illinois in Chicago, four delegates from Beta Psi Chapter, a delegate representing the Wisconsin Graduate Chapter, and many interested brothers from the above chapters. Unfortunately, Beta Upsilon of Butler University was not represented.

James Wendelburg, Chaplain of Beta Psi, gave the invocation, followed by Dean Arthur Uhl of the University of Wisconsin, who spoke on a few of the problems being encountered in pharmacy education today. Dr. Gerald C. Henney, representing the Executive Committee, gave his report as Executive Secretary and enlightened us on the upcoming National Convention and clarified several points of Kappa Psi policy. A report of chapter activities followed with a delegate from each chapter summarizing his chapter's programs and highlights, and answering any questions presented by the other chapters and Dr. Henney. An open discussion followed including housing, pledging, and many problems each chapter encounters. This exchange of ideas was invaluable for all involved.

A Province Constitution Committee proposed a Constitution which was ratified. The election of officers for the next year resulted in the filling of four offices: James Hipp of Beta Psi as Satrap, Keith Glotzbach of Pi as Vice Satrap, Jerry Gebhart of Chi as Secretary-Treasurer, and Robert Yokel of Beta Psi as Historian. A special meeting was set for April, 1966 for further discussion of problems and transfer of ideas with Chi Chapter as the host. Glen Knotts was chosen as the Province VI delegate to the Grand Council Convention in San Francisco. A financial report indicated a profit and a good start toward a sound Province treasury.

A banquet followed by a traditional Christmas party at the Beta Psi house concluded a most enlightening Province Convention.

Province VII Assembly

By Richard H. Harris, *Historian*

The Province VII (Interim) Assembly was held on November 12-13, 1965 on the Northeast Louisiana State College Campus in Monroe, Louisiana, with Gamma Mu chapter serving as host.

Registration was held at the Holiday Inn where all the delegates were staying. A get-acquainted party was held on the night of the 12th with everyone enjoying the music and refreshments.

The business meeting was called to order at 9:05 A.M. in the College Union Building Lounge by Vice Satrap William A. Fitzpatrick and the Invocation given by Province VII Chaplain William Stroud. The delegates, guests, and officers were welcomed to the Northeast Louisiana State campus by Dr. Dale Cronk, acting dean of the School of Pharmacy. Welcomes were also extended by William Stroud, Regent of Gamma Mu, and Harold Ribbeck, Local Chairman.

The Roll Call of chapters by Secretary-Treasurer Richard M. Doughty found all but two chapters represented and a total attendance of forty-one members.

Vice Satrap Fitzpatrick recognized the presence of Dr. August Danti, a member of the Grand Council Executive Committee, and Richard M. Doughty, Grand Ritualist.

Dr. August Danti addressed the assembly on the subject, "Kappa Psi—The Strength of Pharmacy." Brother Danti reviewed the principles of Kappa Psi and related how the proper practice of these within the Fraternity and the profession will lead to greater respect of the profession from the public. He pointed out several ways to destroy a chapter as well as how to build it up and strengthen it to serve its members and the profession better.

The meeting was adjourned for a short coffee break prepared by the wives of members of Gamma Mu chapter.

After a recall to order Brother Doughty gave a preview of what to expect at the Grand Council Convention in San Francisco. After a brief description of the beauties of San Francisco he discussed some of the important issues to be brought up at the convention along with a tentative schedule of the convention as a whole.

The meeting was then adjourned for lunch in Gunby Dining Hall after which some of the delegates took tours of the campus and School of Pharmacy.

The meeting reconvened at 1:40 P.M. and the individual chapter reports were presented. The activities of the chapters covered a wide spectrum but they always came back to the idea that the furthering of the profession of Pharmacy is the main goal of Kappa Psi as a whole.

Two panel discussions were presented during this session to try to bring up the views of each chapter on how they thought a pledge period should be run and what it should attempt to accomplish. Both were very enlightening.

An Officer's Forum was held in which the delegates were asked to divide into groups based on the offices held in their chapters or offices in which they were interested. These were conducted by Province officers and faculty members.

During the final session the Province delegate to the National Convention was elected. Vice Satrap William Fitzpatrick was chosen for this position.

The meeting was concluded that night with a Hospitality Hour and Banquet emceed by Brother Richard Doughty and at which Mr. Frank McDermott gave a very interesting talk on "The Future of Pharmacy."

DAVID H. FOGLE (Beta Lambda) has been awarded his silver wings recently upon graduation from U. S. Air Force navigator training at James Connally AFB, Texas. He has been assigned to Forbes AFB, Kansas, for flying duty. His unit is part of the Tactical Air Command which provides battlefield power, precision jet photo reconnaissance and air mobility for the nation's ground forces. Brother Fogle received his B.S. degree in pharmacy from the University of Toledo, Ohio. He was commissioned in 1964 upon completion of Officer Training School at Lackland AFB, Texas.

FIRST LIEUTENANT RICHARD F. DYER (Mu) has been promoted to captain in the U.S. Air Force. He is medical supply officer at Kincheloe AFB, Michigan. He supports the Air Defense Command which is the Air Force component of the U. S.-Canadian North American Defense Command protecting the continent. Brother Dyer received his B.S. degree in pharmacy from the Massachusetts College of Pharmacy. He was commissioned by direct appointment in 1961.

CAPTAIN RODNEY J. ZIMMERMAN (Beta Sigma) was specially honored during the recent American Hospital Association meeting in San Francisco. Captain Zimmerman, now assigned at Ent AFB, Colorado, was presented the Sabra M. Hamilton Award for his outstanding thesis accomplished while he was enrolled in the University of Michigan graduate hospital administration program. He recently completed a one-year administrative residency at the U.S. Air Force hospital at Carswell AFB, Texas, and was awarded his master's degree by the University of Minnesota. In 1965 Brother Zimmerman was awarded the American Surgical Trade Association Award for the highest scholastic average in public health courses during the 1963-64 academic year. He studied under the Air Force Institute of Technology program which provides selected Air Force members resident training in scientific, engineering and other fields at civilian institutions and industrial organizations. Captain Zimmerman received his bachelor of science degree from North Dakota State University (pharmacy) and he was commissioned

through the Air Force Reserve Training Corps program.

Eli Lilly & Company of Indianapolis, Indiana announces the following:

WILLIAM L. GRACE III (Gamma Nu) has joined the company as a sales representative in Houma, Louisiana. Brother Grace received his Bachelor of Science degree in agriculture from Louisiana State University in 1956 and his Bachelor of Science degree in pharmacy by Northeast Louisiana State College in 1963.

NEAL RANDALL (Pi) has accepted a position as an associate pharmaceutical chemist in the product technical service department of Eli Lilly and Company's Indianapolis-based pharmaceutical plant. Brother Randall served two years with the U.S. Public Health Service and before joining the company was employed as a pharmacist by the Morgan Pharmacy in Carmel, Indiana. He received a Bachelor of Science degree in pharmacy from Purdue University in 1962.

JAMES A. WATSON (Gamma Sigma) has joined the Miami, Florida, sales force. Brother Watson served two years in the U. S. Army and before joining the company owned and managed the Medical Arts Pharmacy in Homestead, Florida. He received a Bachelor of Science degree in pharmacy from the University of Florida in 1955.

COLONEL WILLIAM P. WILLIAMSON (Pi) recently was named associate professor of co-ordination in the University of Cincinnati's division of placement, co-ordination, and student employment. Formerly he was professor of air science at the same institution. Brother Williamson is a veteran with 25 years of USAF service. During World War II he served in the Southwest Pacific area and the Far East. In the Korean conflict he served in Korea and Japan. He holds numerous medals including the Air Medal and Bronze Star, both with an oak leaf cluster. Colonel Williamson received a Bachelor of Science degree in pharmacy in 1934 from Purdue University.

The following resolution was passed at the 33rd Grand Council Convention:

BE IT RESOLVED, THAT

Kappa Psi Pharmaceutical Fraternity expresses condolences to Phi Delta Chi Fraternity on the untimely death of their executive officer, Rand Hollenback.

Chapter "Newsletters"

"Newsletter" for Publication in THE MASK

Collegiate Chapter Historians and Graduate Chapter Secretaries should send their "Newsletter" for publication in THE MASK by the following dates.

<i>Issue</i>	<i>Postmark Not Later Than</i>
October-December	October 10
January-March	January 10
April-June	April 10
July-September	June 10

It is requested that you mail about a week before the deadline date and observe the following:

- 1—Reports should be typewritten and double-spaced.
- 2—Include the original and one carbon copy.
- 3—Include chapter and school name in capitals across the top of the first page of each letter.
- 4—Graduate Chapters need include only the chapter name.
- 5—Be certain that members' names are spelled correctly.
- 6—Whenever photographs (not over two) are submitted be sure to include names of those appearing in the pictures and to attach other information which you wish published beneath the picture. Send only *clear* glossy photographs (5 × 7 or larger size) and protect them in such a way that they will not become damaged in the mails. (Submission of photographs is no guarantee that they will be used.)

Send your "Newsletter" to Nicholas W. Fenney, Editor of THE MASK, 62 Broadfield Road, Hamden, Connecticut 06517.

GAMMA—COLUMBIA UNIVERSITY

Once again we approach that period of time in our history called final exam week. With our text books, notes from class, and a few prayers, we of Columbia University, College of Pharmacy hope to pass the finals and start the second semester.

During the month of November, Gamma held its annual smoker. There were 10 perspectives who were fortunate enough to be invited to our smoker and who are now in the midst of our pledge period. Our pledge period will soon be relaxed, so that it won't interfere with the final exams of both the brothers and the pledges.

After exams, during inter-sessions we will look forward to a very interesting inquisition night. Soon after inquisition night we will hold "hell night" and the pledges who survive both will then be initiated.

The class of 1968 is anxious and getting ready for their trip to S.K.F. and Lederle laboratories. Plans have been made and several brothers of Gamma are going to attend. The classes of 1967 and 1966 will also go on trips to Lilly and Winthrop laboratories.

We would like to congratulate Brother Dominick Tuminaro who was engaged to Virginia Smith at Christmas.

From here it looks like a successful and interesting year ahead for Gamma chapter at Co-

lumbia University, College of Pharmacy in New York City.

I guess all of you out there have heard about the subway and bus strike here in New York City by now. Thanks to Mr. Quill who is responsible for this strike, we, the students of Columbia had an extra week of vacation.

Until my next letter in THE MASK, I remain.

Fraternally yours,
THOMAS PERNETTI, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

Greetings to all of our brothers from the snow-covered Land of Sky-Blue Waters.

Fall quarter was a very busy and rewarding one for Epsilon Chapter. We started off the quarter with several rushing functions which afforded us 12 prospective pledges. Brother Ron Sorenson acted as pledgemaster and worked to bring us an additional nine new brothers at our formal initiation January 5. The new brothers are: Loren Carver, Minneapolis; and James Shaner, Fergus Falls; both juniors. Sophomores are: Richard Burnson, Pine River; Louis Kappes, Ada; Robert Livon, Minneapolis; Mike Morrison, Minneapolis; Milton Passon, Minneapolis; Albert Platt, Ada; and William Schutte, Eveleth. Several dinner meetings were also held

featuring guest speakers from various phases of the pharmacy profession.

A Homecoming party was held on October 23 at the Twins Motor Lodge. Active members and pledges, as well as several members of the Graduate Chapter, enjoyed an evening of dining and dancing. A Halloween costume party on October 30, proved to be an enjoyable evening for all who attended. A sing-along for the patients of Fairview Hospital was arranged by pledge Loren Carver as a pledge service project. After the singing, the hospital offered to us the use of it's beautiful new swimming pool for the remainder of the evening.

Epsilon's football team, organized by Brother Don Thelen, won the intramural football championship in the professional fraternity competition. This is the first year in which we have been active in intramural sports.

Epsilon Chapter succeeded in winning two Province offices at the Province Assembly held in Fargo, North Dakota, on November 13. Dr. Lee Schramm was re-elected as Satrap, and Brother Kenneth Opatz was elected Province Historian. Brothers Gerald Dean and Richard Streit represented Epsilon chapter at the National Convention in San Francisco.

The College of Pharmacy Student Directory was compiled this year by Brothers Jarry Hirsch and Dave Holmstrom. Work has begun on the College of Pharmacy Annual, the 1966 *Pharmacopa*, under the leadership of Brothers Joseph Kostick, editor; Kenneth Stenglein, business editor; and Peter Ruenitz, copy editor. Brothers will be busy this quarter getting ads to finance the annual which promises to be even bigger and better this year.

On behalf of all the brothers of Epsilon Chapter, I would like to wish all of our brothers in Kappa Psi a safe and prosperous new year.

Fraternally yours,
DAVE RUSHENBERG, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY & SCIENCE

Eta Chapter, once again, sends its warmest greetings to Kappa Psi men everywhere, with the hope that the New Year will indeed be a prosperous and an enjoyable one.

Since the last edition of *THE MASK*, the men of Eta have been hard at work and there have been many significant events, not the least of which was the formal initiation of our new brothers on October 18, 1965. Those who joined the ranks of Kappa Psi include: Robert Berg, Garry Burgard, Ed Popielarski, Carl Rosensteel, Michael Salmon, George Schorn, and Richard Sloan. We are quite proud of these men and are extremely confident that they will accept the responsibilities of a fraternal organization and remember that the emblem they wear represents all the high ideals of professionalism in Pharmacy and as such, they should wear it proudly. Eta is also pleased and fortunate to have Mr. Allen M. Kratz accept membership as a Faculty Member. We are sure that Mr. Kratz will be a definite asset to all that the fraternity represents.

The holiday season was officially opened by the brothers with one of our social highlights of the year, the annual Christmas Party held on

December 11, 1965. With the house assuming a festive holiday decor, thanks to our successful and enjoyable evening greenery excursion, the brothers and their dates danced to the music of Jack & The Beanstalks and it wasn't long until the true holiday spirit prevailed at 4224 Spruce Street.

The second rush party for the members of the freshman class was held on December 15th at the fraternity house. The freshmen were treated to a "Playboy Party" with a slight refrain to a Middle Eastern theme. In keeping with the holiday spirit the freshmen were presented with an unexpected Christmas surprise from the brothers in the form of a genuine Middle East "belly dancer."

The brothers of Eta Chapter are honored to announce the selection of Miss Marie Mobilio as their "Sweetheart" for 1966. A charming brunette who is a member of the 3rd year class, Lambda Kappa Sigma Sorority, Newman Club, the student branch of the A.Ph.A. and is also pinned to Brother John Stapinski. Miss Mobilio will be presented to the school at the annual "Sweetheart Dance" to vie in the competition for College Queen where we are sure that her grace and charm will prevail.

Brothers Bob LaPierre and Richard Sloan are to be congratulated for their fine work for which they were awarded scholarships during a recent assembly at the college.

Since election of new officers is nearby, I regret to say that this will be my final Newsletter. I would like to thank all the brothers for their cooperation during the past year and wish my successor the best. It has indeed been a privilege as well as a pleasure to serve as the Historian of Eta Chapter.

Yours in brotherhood
JOHN JO ZARO

THETA—MEDICAL COLLEGE OF VIRGINIA

Greetings from the brothers of Theta Chapter for the new year. We hope that each of you enjoyed the Christmas holidays and will have a most prosperous year in 1966.

Since October, we have been very busy planning for the remainder of the school year. In November we held a party for the brothers, alumni, and their dates. This was the first party of this type which we have held and everyone enjoyed the close brotherhood which was exhibited at this event.

For Christmas, Theta Chapter donated a sum of money to the Richmond Christmas Mother to help those who were not as fortunate as ourselves enjoy the holidays.

January is our rush month and we are looking forward to a good rush season with the largest sophomore class ever in the School of Pharmacy. We have a rush party planned for the 15th of January followed by a banquet a week later. Our formal initiation banquet will be held the 5th of February.

We at Theta Chapter are proud of Brother H. Lee Parrish who attended the National Convention and took part in the program. Brother Parrish wishes to thank all the fellow brothers around the nation for making his trip to California a pleasant one.

Until the next issue—

Fraternally,
RUSSELL RODGERS, *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

The last few months have been quite exciting here at MCP for Mu Chapter. December 11, 1965, we held our annual Christmas Dinner Dance. This affair was well attended by both undergraduates and graduate brothers as well as faculty members. Other functions set up by David Savello and his committee include the Tri-Fraternity Dance on January 29. The Kappa Psi Smoker on April 2, and the Annual Spring Formal on April 30. Brother Savello deserves a lot of credit for the fine job that he is doing as Chairman of Social Affairs.

Mu was also very active at the 33rd Grand Council Convention. First of all I would like to congratulate, on behalf of all brothers from Mu, Co-Faculty Advisor Prof. Norman A. Campbell on his election as Grand Historian of Kappa Psi. We are proud of Brother Campbell's accomplishments here at MCP and we know that you too will be proud of the honor that he will bring to his office. Donald Floriddia should also be congratulated on his fine speech on what the chapter expects of the Grand Council Deputy. The brothers from Mu who attended the Convention were delegates Donald Floriddia and Everett Penney with Ronald Matricaria and William McArthur acting as alternates. Also from Mu and representing Province I was John Dempsey. These brothers would like to take this opportunity to express their appreciation for the warm hospitality extended by the brothers of Gamma Nu and Beta Gamma. The brothers from Mu also were glad that they had the opportunity to exchange ideas and opinions that might be beneficial to both Mu and other chapters in order to maintain the high standard and ideals of Kappa Psi.

Fraternally yours,
GERARD BOUCHARD, *Historian*

MU—UNIVERSITY OF CONNECTICUT

Fraternal greetings to all, from the brothers of Nu Chapter. At this time we extend our very best wishes for a prosperous and rewarding new year.

We have initiated five new brothers since the last edition of THE MASK. The new brothers are: Jack Anderson, Bill Gousse, Bob Whyte, Bruce Daniels, and Tom Karvosky. I'm sure that these new brothers will be a tremendous asset to Nu chapter.

A successful rush period was terminated with the tapping of eight new pledges. Our new prospective members are Fred Zych, Bob DeStefano, Lloyd Bunten, Dan Julian, Len Zgorski, Paul Wilkinson, Tony Barsevich, and Fred Calabro, who has been elected pledge class president. These pledges will be instructed in the ways of our Fraternity by yours truly.

Brother Frank Capizzo, leading scorer on the University hockey team, was recently pinned to Miss Beth Peters from Wellesley, Mass. Brother Paul Arnold became engaged over the Christmas holidays to Miss Alma Benoit.

Congratulations are extended to Brother Walter R. Williams on his re-election to the office of First Grand Vice Regent. Also to Brother Nicholas W. Fenney who was re-appointed Editor of THE MASK. Attending the National Con-

vention were Brothers Paul Arnold and Bill Ward who were quite impressed with the operation of Kappa Psi on a national level.

Our professional topics committee, headed by Brother Ron Kuligowski, has been making very good headway. We have had speakers and a film from Upjohn which were very educational.

Brother David Page, Chairman-at-Large on the Board of Governors, is in charge of Winter Weekend for the entire campus. Everything is going smoothly and there are a large number of Nu chapter brothers assisting Dave with the work.

Final exams are coming up for the brothers at Nu. The entire house has settled down for the final grind of the next two weeks. Also coming up are nominations and elections for house officers.

Since this is my last Newsletter, I would like to take this opportunity to thank the brothers of Nu chapter for electing me to the office of Historian. I would also like to wish the best of luck to the incoming slate of officers who will be elected at the beginning of next semester.

Submitted for the last time I remain

Fraternally yours,
ED MCGEE, *Historian*

XI—OHIO STATE UNIVERSITY

The brothers of Xi Chapter would like to extend their most sincere greetings to all of the brothers of Kappa Psi.

At Ohio State there is much anticipation about our new pharmacy building which is presently under construction. The new building is to be located in the health center complex directly behind the University Hospital. Included will be classrooms and laboratories for 400 undergraduates and 150 graduate students. The building should be completed in the spring of 1967.

Brother Jim Munson has returned to chilly Columbus from rainy San Francisco with much to report about the National Convention. Xi chapter was very pleased with the outcome of the realignment, and we are sure that those chapters involved will work together to strengthen their Provinces. Besides the normal business matters, Brother Munson had quite a lot to say concerning the social night life. He said, "It was one of the nicest trips I have ever taken, and it really displayed to me the true meaning of the brotherhood of Kappa Psi. The scholarship loan fund to be established by Kappa Psi sounds interesting and we at Xi chapter will do our best to contribute.

The rush program for this year is coming to a close and the pledges will soon enter their period of training. Last year we initiated a new concept into our pledge program, whereby, each individual is allowed to express himself concerning the profession of Pharmacy at a weekly discussion period. The climax of the program is of course initiation followed by a party in honor of the new brothers.

An interesting fact recently tabulated was that the present junior class members of Kappa Psi attained a group point hour ratio of 3.01 (A-4.00) for the Spring Quarter of last year. We feel that this is keeping within the high scholastic standards of Kappa Psi.

The brothers at Ohio State and anticipating

a very successful Province V Assembly to be held in Cincinnati this spring.

In closing Xi Chapter would like to wish the best of health and good fortune to all of the brothers of Kappa Psi.

Fraternally yours,
DOUG ROLLINS, *Historian*

PI—PURDUE UNIVERSITY

Greetings and best wishes for the new year from the brothers of Pi Chapter.

Pi Chapter extends its apology to the brothers of Kappa Psi for not having a Newsletter in the last issue of THE MASK. With the start of the new year a date mix-up will not hamper our faithful Newsletter.

With the first semester coming to a close the brothers of Pi Chapter find themselves quite busy. In addition to our final exams, committees are busy working on spring pledging and plans for the spring dance.

This year's attendance at meetings has improved. This success is due largely to the movies and guest speaker program which follows our regular business meeting. Dr. James Swarbrick, professor of industrial pharmacy, was our first speaker. He gave a very interesting talk on the Pharmaceutical Education System in England.

The highlight of our December meeting was the caroling party with the Kappa Epsilon girls. We visited a number of the faculty homes including Dean Glen L. Jenkins and Grand Regent Glen J. Sperandio. Later we went to the Hill's Country Club for a party.

Regent Ron Tobias, Keith Glotzbach, and Larry Powers attended the Province VI Assembly at the Beta Psi Chapter at Madison, Wisconsin on December 11, 1965. They had a nice weekend and wish to thank the host chapter for a very good Province meeting.

Pi Chapter's first meeting of 1966 will be centered around Brothers Ron Tobias and Keith Glotzbach who were our representatives to the National Convention in San Francisco. They are going to report the convention news and relate their experiences in San Francisco to us. It should prove to be an interesting meeting.

Until the next issue of THE MASK, I remain

Yours Sincerely,
JOHN KERRIGAN, *Historian*

UPSILON—UNIVERSITY OF KENTUCKY

From the land of beautiful women and fast horses, the "Heart of the Bluegrass," Upsilon Chapter sends greetings to all brothers of Kappa Psi everywhere and wish everyone a happy and prosperous new year!

Here it is a new year and a new semester at the University of Kentucky. Starting off our year will be the initiation of the pledges of last semester. Everyone is looking forward to the event, with the possible exception of the pledges. However, they need not worry, as we here at Upsilon chapter feel that the rigors of initiation are small compared to the opportunity of becoming a member of such an outstanding organization as Kappa Psi.

Brothers Richard Doughty, Bernard Coomes, Thomas Bernard, Joseph Greenwell, and pledge Robert Hager were representatives to the Province VII Interim meeting at Northeast Louisi-

ana State College, in Monroe, Louisiana. At the meeting Brother Coomes was moderator of a panel discussion with Brother Bernard serving as a panel member.

Attending the recently concluded National Meeting at San Francisco in December was Brothers: Bernard Coomes, Thomas Bernard, and Professor and Mrs. Richard Doughty. Professor Doughty is National Grand Ritualist and Secretary-Treasurer of Province VII.

We are proud to announce that Brother Chester Parker is the recipient of the Kappa Psi Scholarship Key for the 1965-66 year. Others receiving awards this year were Brother Bill Daugherty, winner of the Walgreen Company's scholarship and pledge Richard Shields who was the recipient of the Pepsodent Scholarship Award. Congratulations men!

Brother Bernard Coomes has been elected as president of the junior class here at the College of Pharmacy. Brother Coomes serves as the Secretary of Upsilon chapter and has been a voting delegate to two major Kappa Psi meetings.

Drs. Lesshaft and Billups will be attending the national A.Ph.A. Convention in Dallas where they will both present papers based on their research.

In closing, I really hate to brag about Upsilon Chapter, but I am proud to announce that approximately 50% of our membership made the Dean's List as opposed to our competitors who were only able to score 30%.

Fraternally yours,
LEE SPARKS, *Historian*

PSI—UNIVERSITY OF TENNESSEE

The men of Kappa Psi at the University of Tennessee extends best wishes for the new year to all brothers. Psi Chapter is looking forward to a big year in membership. The outlook is very bright for an overwhelming number of pledges this quarter.

Final exams were given the week before Christmas at the school but the chapter helped remember those who might not have a happy Christmas and rallied to their side. The week during finals the chapter held a Christmas party for 50 orphans. The party was a big success and each brother was rewarded by seeing a big smile coming from the orphans. We have undertaken several projects which are to help improve two orphan homes here in the city. The chapter also donated blood to the Shelby County Phar. Association.

The annual rush party will be held January 29 at the Chisca Plaza Hotel. A cocktail party will be from 6-9 o'clock and a dance from 9-1 o'clock. Many gifts will be given to the pledges.

The chapter at present is in third place in the intramural program. The basketball season has just started and our sports chairman assures us we are going to have a very good team.

The Regent and Vice Regent attended the convention in San Francisco. They reported the meeting to be very rewarding and obtained many new ideas.

We again extend an invitation to any alumni or brothers visiting the city to pay us a visit.

Sincerely,
ROD WHITTINGTON

OMEGA—RUTGERS UNIVERSITY

Greetings to all men of Kappa Psi from your brothers of Omega Chapter. The completion of the first semester finds Omega well on its way to another successful year at Rutgers.

Halloween found the brothers celebrating at a festive social event at Joyce's Tavern. Wild costumes and charming dates were in order for the evening. New Year's Eve found another large gathering of brothers in celebration. The Kappa Psi presentation at the recent Pharmacy Christmas Show was one of the highlights of that event.

The conclusion of a highly competitive rush program found Kappa Psi emerging with seventeen excellent pledges. They are Joe Andolino, Henry Buncek, Rod Cassiere, John Favetta, Greg Formanek, Tony Graziano, Dave Helmut, Joe Keyser, Frank Marino, Phil Marziale, Paul Michalski, Lou Molinero, Bob Pelligrini, Richard Risko, Tony Stolarz, Howard Veritas, and Ronald Wozniak.

Rutgers continues to draw many of its leaders from Kappa Psi. Pledge Greg Formanek was recently elected editor of *The Apothecary* for the coming year. Brothers Matthew Piskadlo, Charles Dakake, Ken Dietel, Bruce Graham, Bern Schmidt, and Ralph Zampetti were recently elected to "Who's Who in American Universities and Colleges."

Brothers Charles Dakake and James Trabulsi flew to San Francisco to represent Omega at the 33rd National Kappa Psi Convention. An informative and entertaining time was reported by our delegates.

Plans are now being made to make our second semester as rewarding and enjoyable as the first for the brothers of Kappa Psi Omega.

Fraternally yours,

BRUCE GRAHAM, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

Beta Delta Chapter extends greetings to all of its brothers everywhere and hopes that they had a successful fall semester.

As we hear of the commentary on the 33rd Grand Council Convention, we realize the purpose and the tremendous impact of such a meeting. The three representatives (Regent Bill Buck, Vice Regent Tom Breon, and Brother Dan Schur) and our entire chapter expressly thank Grand Regent Glen Sperandio Executive Secretary Gerald Henney and all others involved for their indefatigable efforts in preparation of this remarkable convention.

Our chapter is presently in the midst of a very active Social Calendar. In December we held our Christmas party. It was an open party and was well-attended by the College. The only disturbing event of the night was our basketball team's loss to our arch rivals. In February, Beta for their indefatigable efforts in preparation of Delta will sponsor its annual beer and toboggan party. It is restricted to brothers and dates only. If there is snow, the party usually results in mass hysteria. If there is no snow, hysteria will still result!

In January, Brother Dick Eagleton was married to Patricia Scott. Also, Brother Dave Corter was married to Geraldine Koba. One engage-

ment was noted, that of Brother Schur to Judy Flaigg.

The first semester proved to be a successful one for pledging. The following is a list of pledges who have been initiated to the brotherhood of Kappa Psi: Terry Allen, Frederic Andrews, Kalsey Arquette, Doug Bryan, Paul Carlson, Vincent Di Trapano, Philip Cornell, Dave Corter, Russell Cranston, George Crittenden, David Flashover, Gene Gray, Robert Hunter, Thomas Kollar, James Larnard, Anthony Manean, Dave Pelton, Robert Single, John Stanton, Dennis Tournor.

At last, but not least, in the line of scholastic achievement, Beta Delta has been very active. In the College's annual award Seminar, Kappa Psi Scholarship keys were presented to the following brothers: Senior Class—John Fib, Fourth Year—John Napoli, Third Year—William Willson, Second Year—George Crittenden.

Also, Brother Bob Hartz was awarded the Kappa Psi Graduate Prize. In addition, Beta Delta awarded two \$25 prizes to non-fraternity members.

Fraternally yours,

JAMES PIANO, *Historian*

**BETA GAMMA'S PLEDGE CLASS**

First row (l. to r.) Al Dinitis, Jim Karlstrand, Stan Rosen, Second row (l. to r.) Mick Rid-diough, Jim Bourinski, Bill Jeffrys, Third row (l. to r.) Ron Robertson, Jim Nihira, Joe Tonelli, Tony Nagatani, Top row (l. to r.) Rich Bagdasarian, Larry Lau, Karl Schutterhelm.

BETA GAMMA—UNIVERSITY OF CALIFORNIA

Greetings to all from San Francisco—home of the 1965 Kappa Psi National Convention. As all the delegates will attest, the convention proved the hospitality of Beta Gamma cannot be surpassed. The convention again provided an opportunity for all to continue the national fraternal exchange of ideas.

Beta Gamma has had one of its more successful semesters. The pledge program, under the enthusiastic direction of Brother Dennis Michaud, will not be forgotten. It consisted of a Rush Lunch, Professional Meeting concerning OTC Products, Rush Dinner and Friday Party, and an Acceptance Meeting and Exchange. The new pledges include: Richard Bagdasarian, Jim Bourinski, Ed (Charles) Caplan, Howard Darvey, Al Dinitis, Don Guisti, Bill Jeffrys, Jim Karlstrand, Larry Lau, Andy Mizzaro, Tony Nagatani, Jim Nihira, Mick Riddiough, Ron Robertson, Stanley Rosen, Karl Schutterhelm, Al Stefani, Norm Taria, and Joe Tonelli. Also included as pledges are two faculty members: Thomas Tozer, Ph.D. and Manfred Wolf, Ph.D. We believe these men will continue to keep Beta Gamma and Kappa Psi the leader it now is.

The professional aspects of the chapter have continued to be excellent. Attempts have been made to obtain drug information from pharmaceutical manufacturers to add to our library. Informal group discussions regarding different drug classes have been presented and has been informative to all.

Our newly elected officers include Brother Dennis Michaud, Regent; Brother Gary McCart, First Vice Regent; Brother Ron Cavallo, Second Vice Regent, and Jim Bourinski, Treasurer.

In closing we would like to wish success to all in the present semester.

Fraternally yours,
RAY WILSON, *Historian*

BETA ZETA—OREGON STATE UNIVERSITY

Greetings to Kappa Psi brothers everywhere from the rain-ridden campus here at Oregon State University. Now that Christmas vacation is over, we hope that everyone will have a prosperous new year.

In looking back on last term we find that it was a very eventful one for the Beta Zeta chapter. The most outstanding event was our November blood drive. There were 973 pints of blood donated in the two days that the drive was conducted. The brothers of Beta Zeta felt very honored to have served in this very worthwhile and professional event. We expect that the next blood drive to be held in April will be just as successful.

At our November meeting 31 new members were initiated into Kappa Psi. They were: Paul Battistoni, Richard Chang, Joseph Chartier, Dale Christensen, Gary Devoe, Ronald Day, Kenneth Epley, Daniel Ferry, Dennis Kim Finch, Dwight Fullerton, George Graves, Robert Johnson, Lary Kampfer, Harold Kawaguchi, Marvin Lee, George Lum, Noel Lyons, Gary McLain, Dwight Matson, Roger Nelson, Ken Paxton, Michael Ralls, Winston Quok, John Sauer, Bruce Sharrah, Allen Staley, Dennis Steindorf, Clark Texley, Lynn Willis, Donald Williams, and James Wood.

We were pleased to see so many of you at the National Convention in San Francisco last December. It was truly worth the trip to beautiful San Francisco. Mike Vitek and Doug Provan were Beta Zeta's official delegates, with Mike also presenting a paper concerning the activities of the chapter in the last two years. A few of

us who live in California were also able to attend.

When we returned from vacation, the Senior II class was pleased to find that the prescriptions lab has been completed in our new pharmacy building, and that we would be the first to use this most modern and well-equipped facility. It is a building which we are all very proud of.

This term will find the Senior II class here at Oregon State University making an industrial field trip to Chicago. We are all looking forward to it with hopes of meeting some of the brothers in the mid-west.

Until the next issue of THE MASK

Fraternally yours,
ED SEARCY, *Historian*

BETA ETA—WEST VIRGINIA UNIVERSITY

Greetings once again from Beta Eta to a brothers of Kappa Psi. We here at West Virginia sincerely hope that all our brothers had a very nice Christmas holiday, and we want to wish everyone success and happiness for the New Year. With final exams over for most of us, we are anxiously awaiting the start of a new semester.

Over the Christmas holidays, Brother Richard Matheny attended the 33rd Grand Council Convention at the Sheraton-Palace Hotel in San Francisco. Brother Matheny said that the three days spent there were quite informative and that a good time was had by all who attended.

The fall pledging activities got underway last week and will be climaxed within three weeks by the induction of three new members into our chapter. The three new pledges are: John G. Sliagar, C. Douglas McClung, and Ronald W. Meredith. All three pledges are in their second year in pharmacy school.

In the social scene, the brothers of Beta Eta enjoyed a Christmas party with Lambda Kappa Sigma and the A.Ph.A. at the Holiday Inn in Morgantown just before Christmas break. Special invited guests were the faculty of the School of Pharmacy and their wives. In the spirit of the season, everyone in attendance enjoyed themselves.

That's all the news for now. In closing, Beta Eta Chapter wishes all brothers continued success throughout the new semester.

Fraternally yours,
ARTHUR L. HILAIRE, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

The brothers of Beta Kappa Chapter here at Pitt wish to extend to all a happy, prosperous, and successful new year.

As a result of our rush program, we were happy to initiate the following as new brothers: Carl Gainor, Tom Degentesb, John McMillen, Don Reed, and Joe Mance. The third degree was held on November 8 at our formal meeting held at our house.

We will continue our professional program by showing more films this term and some displays of pharmacy equipment. Last term we had a display in commemoration of National Pharmacy Week.

We held a Christmas party, to which the entire pharmacy school was invited and the pro-

ceeds went to the Western Pennsylvania School for the Blind.

We are happy to say that our chapter was well represented in San Francisco by Brothers Tom Saxton and Louis Williams. They reported that the most important ideas gained from attending the convention were the ethics governing our profession and the importance of ritualism as a constant reminder of our objectives as professional men of the future.

A party will be held on January 6 for those graduates returning to take their state board exams. We wish them luck. We are also in the process of remodeling a portion of the house converting it into a recreational room. We plan to complete it within the next month.

Congratulations and good luck to Brother Richard Bertin, our Scholarship Key Award Recipient, who will be leaving after the state boards for graduate study at the University of Minnesota.

BETA LAMBDA—UNIVERSITY OF TOLEDO

From Beta Lambda Chapter, best wishes to all Kappa Psi brothers everywhere.

The termination of this, the fall semester of 1965-1966, marks also the retirement of a Kappa Psi brother and now an active alumnus of our Fraternity and our college of pharmacy, Dean Charles H. Larwood. Your help and encouragement, Dean Larwood, will always be remembered, not only by us here now but by all those who have come into contact with you. Thank you very much.

The termination of this semester also marks the culmination of our terms as officers in the chapter. It was an enjoyable year encompassed with responsibility and leadership. We only hope that we have contributed in some small amount to the good of the Fraternity as well as to the university.

The brothers were very well satisfied with their choice to represent them at our National Convention in San Francisco, Brother Chuck Seyfried. He went there with the good of the Fraternity in mind and returned with a detailed and interesting report of the proceedings.

As of the present date, we are in the midst of planning a professional meeting in February. Brother Russ Cronin together with his committee are in charge. Also Brother Phil Kamlowsky is working diligently on our annual Dinner Dance which is to take place on May 7.

Before closing we would like to congratulate Brothers Bill Urfer and Dave Rusch and their wives on their recent marriages and wish them all the luck in the future.

Fraternally yours,
DENNIS SOUCEK, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

Fraternal greetings and best wishes for a happy and successful new year to all Kappa Psi brothers from Beta Omicron in the Heart of the Pacific Northwest.

We would like to extend our thanks and appreciation to all brothers responsible for a most memorable and inspiring 33rd Grand Council Convention in San Francisco. A special thanks to Brothers Frank Eby, Eugene Jorgensen,

James King, and to the brothers of Gamma Nu chapter, Beta Gamma chapter, and Pacific and San Francisco graduate chapters for the excellent jobs they did in organizing and hosting this great convention.

A hearty congratulations to the newly elected Grand Officers. The brothers of Beta Omicron are confident that under their leadership the Fraternity will continue to play a vital role in the progress and success of Pharmacy.

Again at Washington this year we have taken pride in contributing to a program called affectionately, Medicine for missions. Brothers at our chapter spend two or three nights a quarter sorting pharmaceuticals recruited from doctors and retail outlets for shipment to missions throughout the world. This is a very rewarding project because it not only provides an important service, but serves to further our education.

The Washington student chapter of the American Pharmaceutical Association is led this year by three Kappa Psi brothers. Brother Ron Kuest is our president, Brother Russ Wells vice-president, and Brother Hayton controls the purse strings. Under their inspiration several new projects have been initiated including the formation of a pharmaceutical museum, a committee to analyze and investigate internship requirements and determine how they may be improved, and a vocational recruitment committee.

We not only work hard, but play hard too. A very active social calendar has been planned. Some of our social events include: skiing, ice skating, bowling, and repertory theater parties all to be topped in the spring by our annual formal dinner-dance.

Final plans are completed for our pledging program according to Brother Vic Warner, rush chairman. A general information letter informing potential pledges about Kappa Psi and the role of a professional fraternity in pharmacy has already been sent out. This will be followed by a general information meeting and a program meeting in January. Rush will be consummated with an initiation dinner on February 15th. We are all looking forward to greeting enthusiastic members into the brotherhood of Kappa Psi.

In closing, I would like to say that 1966 is a special year for Beta Omicron. April 15th marks the 50th anniversary of our Kappa Psi Chapter, and a commemorative program is being planned. We would like to invite all Kappa Psi brothers to help us celebrate this milestone, especially graduates of Beta Omicron.

Fraternally yours,
LARRY STENBERG, *Historian*

BETA PI—WASHINGTON STATE UNIVERSITY

Greetings to all brothers of Kappa Psi from the Beta Pi Chapter here at Washington State University.

This fall and winter have been full of activity for the chapter. Intramurals and other social events have provided a lot of fun and interest for many of the brothers. We are now looking forward to finishing our final exams which are coming within the next few weeks.

The chapter has had an active intramural season. The football team had a winning season and our volley ball teams did quite well; one

team had a winning season (four wins, two losses) and the other team went into the final playoffs before being defeated. Our three basketball teams are now well into the season and seem to be having a successful year.

The chapter was fortunate enough to have as a guest Dr. Varro E. Tyler from the University of Washington at a noon luncheon on December 7, 1965. Dr. Tyler has accepted the position as Dean of Pharmacy at Purdue University and will assume the office next fall.

Brothers Sam Deliganis, Jim Wernz, Bob Scheidtmann, Randy Collins, Charlie Eyer, Jeff Blumberg, and Jim Whealdon attended the Grand Council Convention in San Francisco during the vacation. The Convention proved to be very educational and many useful ideas were brought back that may be of help to the chapter.

On Friday, December 10, the chapter held a "fireside" for all the members and pledges. It proved to be a very successful function and the new members were able to meet the older members and vice versa.

Forthcoming is our annual Apothecary Ball, which will feature a smorgasboard dinner and a live band for the dance following dinner. It is scheduled for March 5th. Over 130 people attended this function last year and more are expected to attend this year.

Until the next issue of THE MASK, the brothers of Beta Pi remain,

Fraternally yours,
WAYNE GUSTIN, *Historian*

BETA PHI—UNIVERSITY OF CINCINNATI

We at Beta Phi extend greetings to all brothers of Kappa Psi.

Tony Bennett sings, "I left my heart in San Francisco"—this speaks so well for everyone who attended the Grand Council Convention last December, I'm sure! We'll always remember our trip to San Francisco, the city of warm people, cable cars, and a lot of rain!

Beta Phi's New Year's Eve party, now an annual tradition, was an overwhelming success this year, packing the D.A.V. Hall to the brim with auld lang syners. This year-end get-together, open to the entire university, drew over 150 couples. Next year we expect it to be the largest New Year's party on campus.

We are preparing for the Region V Kappa Psi Convention to be held in Cincinnati, April 1-2. Beta Phi brothers will be at hand to help make the convention rewarding and enjoyable to those attending. The site of this regional conclave is the Sheraton-Gibson Hotel. A tour and luncheon at the Merrell Pharmaceutical Company is in the planning for the afternoon of April 1. At this convention, Beta Phi's graduate chapter will be officially reactivated. Thanks to much work of Brother Arthur Adams. Our hopes of someday having our own Kappa Psi house will be brighter through a graduate chapter.

Mr. Edward H. Plogman, Ph. M., instructor and lecturer at the University of Cincinnati College of Pharmacy, has been Beta Phi's Chaplain for many years. Mr. Plogman, with the University since 1921, has played a vital role in preparing U.C. graduates for the State Board examinations each year. Besides Mr. Plogman's

teaching, he begins pharmacy college convocations with a spiritual message or prayer. The men of Beta Phi feel it an honor to thank Mr. Plogman for his fine contributions to Pharmacy, to humanity, and to Kappa Psi. The following message is presented to each graduating class and a copy given to each graduate, many of whom have wallet size photostatic copies to carry with them and refer to when inspirational help is sought:

WHEN I REACH MY GOAL

I shall create a CREED for my profession. A CREED that would not only proclaim my function with others but our functions for all MANKIND

When I am a PHARMACIST,

My hands will do the work of the world
My ears will hear the cry of children, the prayers and the appeal of man for guidance, the call of the race for progress.

My mind will teach me respect for the LAW both Federal and State.

My heart will beat for every friend, will bleed for every injury to humanity, and throb with joy at every triumph of truth.

My hope is for a better world and a better profession through better men and medicine. My Motto, a specialist in medication and medical information, a companion of the physician and guardian of public health.

My CREED was proclaimed by the man of GALILEE.

When He declared "Whatsoever ye-would that men should do to you, do ye-even so to them"

I pledge to practice the Golden Rule both material and spiritual, to bridge with it the chasm between pharmacists, to build upon a better and nobler profession.

Until the next issue of THE MASK, I remain

Fraternally yours,
PAUL S. KAMLEITER, *Historian*

BETA CHI—DRAKE UNIVERSITY

Greetings, to all the brothers of Kappa Psi from Beta Chi Chapter. Well, Christmas vacation is over and we are reluctantly preparing for our finals. Best wishes to all our brothers on theirs.

Since the last issue of THE MASK, a number of new members have been initiated into the Fraternity. The activation ceremony and banquet were held October 31 at the Commodore Hotel. The new actives are: Tom Clapsaddle, John Griffin, Jack Harn, Roger Maple, Bob Mechling, and Dennis Miller. We are sure that they will be fine brothers, and sincerely welcome them into the Fraternity.

This has been a very successful semester for Beta Chi. We had an excellent turnout for our fall rush smoker, which was held October 22. Sixteen men were accepted as Kappa Psi pledges. They are: Carl Baumen, Tom Bromert, Jim Bennet, Ricky Botts, Gary Cottingham, Hal Graef, Larry Harmon, John Jones, Gerry Kutza, Ron Nissen, Ed Oiler, Dennis Ruebel, Larry Stock, Clyde Taylor, and Berry Teates.

A dinner meeting was held in honor of Dr. John K. Brown on December 1. Dr. Brown,

who has added to the college's staff this year, teaches pharmacognosy and organic medicinal and pharmaceutical chemistry. Dr. Brown gave an interesting and educational talk about "Pharmacognosy Throughout the World." Another speaker that proved to be very interesting was Mr. Atkinson, from the Food and Drug Administration. About 25 pharmacists from the area attended his talk and provided many stimulating questions for him concerning some of the new laws. Congratulations, to Brother Mark Bailey and his professional committee for their fine work.

Moving to sports, Beta Chi again fielded three basketball teams for intramural competition. Our "A" team is undefeated. In December, Beta Chi played the faculty in basketball in an interesting but not very challenging game.

During October and December, Beta Chi combined forces with Chi Omega Sorority to present a skit for "Bulldog Tales." "Bulldog Tales" is annual all-university variety show sponsored by the Journalism Fraternity at Drake. Unfortunately, we failed to make the finals, but the social life and the brotherhood that was gained made it a profitable experience.

Best of luck in this new year to all the brothers.

Fraternally yours,
TOM RICKEY, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Greetings to all our brothers of Kappa Psi. Beta Psi at the University of Wisconsin hopes that all our brothers had a delightful Christmas vacation and are finally ready to settle down for final exams.

Since our last Newsletter another semester has wilted and Beta Psi is proud of its achievements during the semester. Beta Psi is happy to announce the pledging of 22 men—Rickie Anderson, Steven Bedel, Roy Bussewitz, James Dreger, Ronald Drobac, Tim Gaginella, David Gerhardt, Ronald Gussick, Kurt Halm, Gerald Huhn, Dennis Knasel, John Lafleur, James Lee, Larry LeStarge, Michael Marcetich, Mel Nowak, Patrick Osinski, Andrew Robinson, Gerald Sawyer, George Schimming, Kenneth Tyrivier, John Williams.

Of the more important events that Beta Psi participated in this semester two stand foremost in our minds. First, Beta Psi held its first Province Assembly on December 14. Since this was entirely new to us much planning went into it. Province VI meeting was attended by Chi Chapter—Ill., Pi Chapter—Purdue, and Beta Psi. We at Beta Psi feel that the Province Assembly was a success, and we urge our brothers to utilize these meetings as a means of exchanging ideas and meeting our brothers from other chapters.

Second of the events was the National Convention held in San Francisco. Joe Mastalski and Jim Sheahan, the official delegates from Beta Psi, and Craig Peot, Jim Wendelburg, and Michael Mietzel spent the holidays at the convention. The chapter was informed of the events at the next meeting.

Socially, Beta Psi has been active too. Several parties have past during the last semester, but our traditional Christmas party is the one clos-

est to our hearts. The party consists of decorating our Christmas tree and the exchanging of gifts between dates. This is truly one of our warmest gatherings.

Another party that will not be forgotten was one given for underprivileged children by our pledges. The joys and laughter exhibited by these children will never be forgotten.

Beta Psi has elected the following officers for next year. Regent, Joe Mastalski; Vice Regent, Jim Wendelburg; Secretary, Tom Converse; Historian, Jim Keefer; Treasurer, Jim Sheahan; Co-Treasurer, Greg Nelson; Chaplin, Craig Peot; House Manager, Ken Karlen; Professional Chairman, Bill Emmons; Steward, Jeff Oestrich; Social Chairman, Mike Collins, and Athletic Chairman, John Leary.

Beta Psi wishes all our brothers the best of luck the coming semester.

Fraternally,
THOMAS DERLETH

BETA OMEGA—TEMPLE UNIVERSITY

May the brothers of Beta Omega extend fraternal greetings to a delightful new year. I sincerely believe the Christmas vacation was a well-earned and needed break for all the brothers.

The first semester has been quite a busy one and now we are engrossed in our finals. We hope all will attain success in their courses.

There are many new faces around Beta Omega as ten pledges are working to gain membership. They have now been pledging for some six weeks and soon will be finished. I hope all will succeed.

The Kappa Psi Annual Tri F dinner was held at the City Line Motor Lodge in Philadelphia on November 10th. Dr. Paul H. Ripple gave an interesting talk on his experiences in hunting in Africa. This was certainly a most enjoyable evening. Plans are now being made for our big occasion, the Spring Formal. The social committee is thinking of holding the formal possibly the weekend of the Temple Pharmacy School Play. The graduates will soon receive a letter explaining more fully about this.

Over the Christmas vacation two of our members attended the Grand Council Convention in San Francisco. Regent Kenneth Miller and Gerald O'Hara represented the chapter and Province II, respectively. The following is a report of the proceedings of the meeting:

"One of the most important things was the election of new Alpha Chapter Officers. Both Beta Omega and Eta Chapters were given a proxy vote for the Philadelphia Graduate Chapter whose delegate was unable to attend. The Province realignment was voted down. A new realignment was proposed and the Executive Committee is going to bring it up again at the next Convention in 1967. We extend congratulations to the new officers and many thanks to the past officers for their devoted work. We are proud to say our chapter was singled out with nine others as having posted eight consecutive Newsletters in THE MASK. Regent Miller would like to thank both Gerald O'Hara and myself for the letters in THE MASK. It was stated by both Gerald and Ken that everyone at the Convention enjoyed the fine reception given to them by the brothers of Beta Gamma and

Gamma Nu. Many thanks to them and we hope that they will visit us."

Well such are the events at Beta Omega for now and may I wish you a fine new year.

Fraternally,

TERRY F. WILLS, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Well, once again we begin a new quarter here at Northern with the new year. We hope that everyone had a good Christmas and are enjoying the new year.

Since last time, we had our Harvest Dance late in October following a hay-ride on which we all kept warm even with the winter winds beginning to blow. A little later in the quarter, Dr. LeRoy Beltz and his wife joined us and some of the faculty for dinner here at the house so that we all could become better acquainted. Finally during the last week of school, we entertained the entire pharmacy faculty for our annual Christmas dinner, and concluded it with a visit from Brother Santa Roger Thomas who brought funny novel gifts for each of the faculty.

During the past few months many of the brothers have lost their freedom. Art Vernon was pinned to Miss Sue Elberty and Donald Berlin was pinned to Miss Bobbie Luth. Then over Christmas vacation Brother Ken Yasch became engaged to Miss Sandy Davis, Clarence Miskell became pinned to Miss Carol Johnson, and James Davis became pinned to Miss Linda Burden. One of the highlights of the Fall quarter was when we formed the Badge in front of the girls dorm and serenaded the new pinmates of the brothers.

Professionally, the upper two classes took trips to Upjohn and Abbott which turned out to be very successful both educationally and socially. Also, Brothers Roger Blake and Roger Thomas attended the National Convention this last December and reported that they had a good time and learned a lot about the national organization.

The first week of this quarter we initiated two new brothers who are: John Michael Jones-co from Struthers, Ohio and Gregory Lane Brokaw from Cadiz, Ohio. At the beginning of last quarter, we took in two new pledges who are: Charles Farmer from Barnesville, Ohio and James Krejci from West Richfield, Ohio. Then during the quarter we held our smoker with entertainment from "Gypsy Rose" Don Hare and Jack MacCartney and Roger Thomas.

Sportwise last quarter, we stayed fairly even with the board by tying for second place in softball and coming in third in volleyball. In horseshoes, well, let's not talk about that. We just started the basketball season by dropping the first game by one point, but with our outstanding team we hope to near the top when the end of the season rolls along.

Fraternally,

THOMAS FLOWER, *Librarian-Historian*

GAMMA ETA—UNIVERSITY OF MONTANA

The Gamma Eta Chapter once again extends greetings to our Kappa Psi brothers across the

nation, as we get set for the next quarter of hard work. The past three months have been busy ones, full of serious and diligent work.

At the 33rd Grand Council Convention in San Francisco, Brother William Chandler spoke on sobriety. Brother Chandler was accompanied by four other brothers of the Gamma Eta chapter.

Last quarter's functions consisted of a banquet at a local night club in honor of Grand Historian Leo A. Sciuchetti and his wife. We hope Dr. Sciuchetti's visit of our chapter and the School of Pharmacy at Montana's University was as pleasant as his visit was to us. Other guests of honor were faculty advisor, Brother Dr. Pettinato and Mrs. Pettinato.

A smoker was held on the 23rd day of November at the Jolly Rogers night club in downtown Missoula. The purpose of the smoker was to acquaint prospective new members to the role of the Gamma Eta chapter and were then asked to join the Fraternity. On December 1, Gary Olson, David Bofto, Robert St. Peter, Kenneth Kolstad, Kent Postma, John Schwank, and John Thoren had convinced the chapter that they were worthy of membership in Kappa Psi and were sworn in. May these new members reflect upon Kappa Psi the honor that Kappa Psi is worthy of.

Much to the chapter's treasurer's delight, the treasury grew larger due to a campaign to sell raffle tickets across the campus. On raffle was a Kodak instamatic camera and a transistor radio, which were given away at the annual A.Ph.A. Christmas party.

The plans for this quarter's functions are already materializing, although no definite plans have been made as yet. Plans for a ski party at a local ski resort with skiing, dancing, games, and song on the list of activities to take place. Plans for pledging new members will soon get under way and nomination and election of new officers are soon to be held.

Until the next issue of THE MASK we bid you farewell and good luck.

Fraternally yours,

RAY G. BILILE, *Historian*

GAMMA THETA—UNIVERSITY OF MISSOURI AT KANSAS CITY

Greetings to the brothers of Kappa Psi from the University of Missouri at Kansas City. Finals are over and we are in our second semester of this school year. We hope that everyone has had a successful second semester.

Our pledge class gave the active members and their wives or dates a unique party on November 12, 1965. The party consisted mainly of an informal dance. The party was held at a "haunted" house which was quite a novel idea.

Gamma Theta has just initiated one of its largest pledge classes. The formal initiation was held on December 3, 1965 at Meierhoff's Restaurant. The twenty-four new members of our chapter are: Roger Bales, William Bebermeyer, Roger Bredehoff, David Carr, Gaylord Daniel, William Dillinger, James Ennis, James Gibson, John Goble, Dan Hawman, William Kernohan, Gerald Lampher, Alan Levine, William Mal-eski, Gary Ravis, John Savage, Paul Schneider, Larry Slatter, David Stevenson, Jerry Stevenson,

David Stribling, Robert Suschnick, Bill Waltrip, and Robert Whalen. We wish to congratulate these new brothers as they will be the backbone of our chapter next year.

Under the leadership of Brother Randolph Cox, Gamma Theta donated food, toys, and other gifts to a needy family during Christmas Vacation. The family was very appreciative of these gifts and the whole experience was quite gratifying. We hope that this idea will be continued and expanded during the coming years.

A professional film on schizophrenia was presented by the Sandoz Pharmaceutical Company at our meeting on November 17, 1965. The film was of a different nature than usual, but most of the members will agree that it was interesting. We plan to have more programs such as this during our second semester.

Our delegates to the Grand Council Convention in San Francisco were Brothers Gene Langevin, Randolph Cox, and Courtland Hall. These brothers were very enthusiastic about the Convention and had much news to relate to the chapter.

Brother Bill Buntin, our sports chairman, is looking forward to a good season in basketball. We will be having two teams representing our chapter in this intramural event on our campus.

Gamma Theta wishes every Kappa Psi brother a successful second semester. Until the next edition of THE MASK, I remain

Fraternally yours,
RONALD HALL, *Historian*

GAMMA IOTA—STATE UNIVERSITY OF NEW YORK AT BUFFALO

New Year's greetings to all the brothers of Kappa Psi from Gamma Iota Chapter. As this is the first issue of THE MASK since the Christmas season, we wish to extend our thanks and best wishes to the numerous chapters that sent us cards expressing Season's Greetings.

As we had our new officers installed shortly after the beginning of the new semester, I feel that it is fitting to thank the outgoing administration for outstanding job they did. Under the guidance of former Regent Jerry Delaney and his officers, Gamma Iota continued to reign high in professional achievement and academic endeavor. As of this writing, our new officers have not been elected yet, but their names will be mentioned in the next edition of THE MASK.

We wish to extend congratulations to Brother Dave Fleisher and his wife, Debby, who were married over the Christmas Holidays. I think Dave will remember the "pre-game warmup" we gave him for a long time.

Last semester, we admitted three excellent pledges to our ranks; Reginald Amelee, Philbert Monacelli, and Jeffrey Rosner. These men did such a fine job in their pledge program that two of them were nominated for officer positions; a great honor indeed.

Presently, we are involved in a new semester. The work is beginning to pile on, but the rewards to be gained from this seemingly large burden greatly outweigh the temporary inconveniences. Not one of us would trade our position for another, as we all look forward to the day when we will be licensed pharmacists and mem-

bers of the graduate chapter of Kappa Psi.

In closing, allow me to wish best of luck in all endeavors to all Kappa men.

Fraternally,
DAVID GOLDSTEIN, *Historian*

GAMMA KAPPA—SOUTH DAKOTA STATE UNIVERSITY

Kappa Gamma extends greetings to Kappa Psi brothers everywhere.

The sale of the Hobo Day buttons here at S.D.S.U. netted us a nice profit which was put into our house fund. Brother Doug Carnahan was co-chairman of the Pharmacy float which was awarded the "Most Beautiful" and "Most Outstanding" float in the Hobo Day Parade.

January 11th is the date for the final induction of eight pledges. They are: Donald Asher, Darrell Bjornson, Dwayne Dvoracek, Ronald Huether, David Kuper, Barry Markl, LeRoy Otterness, and William Peterson. Pledge Master Ron Etzel reports that all pledges survived "hell night" on January 6.

Thirteen brothers attended the Province VIII Assembly at Fargo, North Dakota. Lyle Ireland was elected Vice Satrap and all brothers who attended reported having an enjoyable time fraternizing with other brothers in the Province.

Four brothers also attended the National Convention in San Francisco. Chaplain Lyle Ireland and Brothers Dick Haveman, Bob Brockway and Dennis Wollman made the trip to the coast this Christmas vacation.

The brothers of Kappa Psi sincerely wish all brothers the best of luck in their studies for this coming year.

Fraternally yours,
WES PUTNAM, *Historian*

GAMMA MU—NORTHEAST LOUISIANA STATE COLLEGE

Greetings and best wishes for a Happy New Year go out to all brothers of Kappa Psi from Gamma Mu. After an all too brief break for Christmas we are all bracing ourselves for an onslaught of final exams. It's always interesting to see what the professors have in store for you. Best of luck to everyone.

Things have really been humming at Northeast. We were the host chapter for Province Interim Convention held November twelfth and thirteenth. The attendance and participation were excellent. A kickoff party was held on Friday night. It was reported that it was enjoyed by all. Meetings, talks, and forums were held all day Saturday on the campus of Northeast. The Assembly was addressed by Dr. Richard Doughty, Grand Ritualist and Secretary-Treasurer of Province VII. "The Future of Pharmacy: Tomorrow's Challenges," a very informative talk was given by Mr. Frank McDermott of the Louisiana Agricultural Department, at a banquet Saturday night.

Gamma Mu was well represented at the National Convention by Dr. August Danti and Dr. Theodore Eickholt and Brother Sonny Bondurant. They gave a report on their activities and events of the convention at a banquet held for

the new pledges January seventh. Five new members were initiated before the banquet. They were: Elwood LeCoeur, Ronny Vidreen, Frank Smith, Henry LeBlanc, and Tom Kettler. Although this was a small pledge class they were very active and carried out several projects.

Plans are in the making for a rush party after finals. We are expecting a much larger group of pledges for the spring semester. Until the next issue of *THE MASK* I remain

Fraternally yours,

HERMAN H. HANKINS, *Historian*

AT PROVINCE VII ASSEMBLY AT GAMMA MU

From left—Vice Satrap William Fitzpatrick (Gamma Theta), Secretary-Treasurer Richard M. Doughty (Upsilon), Chaplain Buddy Stroud (Gamma Mu), and Mr. Frank McDermott (Guest speaker), Louisiana Agricultural State Service.

GAMMA NU—UNIVERSITY OF PACIFIC

The brothers of Gamma Nu wish you all a happy and professional New Year. The new year will see new officers here at the University of Pacific. They are: Regent, Richard McNeese; Vice Regent, Brian Heller; Secretary, Raymond Smart; Treasurer, James Carder; Corresponding Secretary, Edward Lee; Chaplain, Robert Ensminger; Historian, Carl Britto; and Sergeant at Arms, Joel Slutske.

We are pleased and proud to have our Grand Council Deputy, Dr. James C. King elected to the office of Third Grand Vice Regent. We know that he will do a great job in this position.

The spring semester will bring many new pledges to Gamma Nu. Heading the rush committee will be Pat Catania, Lindsay Hamada, Jim Kultz, Gene McBride and Steve Turner. Heading the pledging committee are "Jake" Jacobsen, Cletis Bonnett, Mike Zumstein, Brian Heller and Vito Fabrizio.

The newly formed graduate chapter is growing rapidly here at Pacific. The charter for the newly formed chapter was presented by Grand Regent Glen J. Sperandio to the first president Bill Farley at the recent convention.

Among the newlyweds here at Pacific we find Jim and Jackie Brodsky, and Joel and Adrienne Slutske. Those who are about to take the same

long step, we find engaged—Brother Jerry Beck to Miss Linda Copland; Brother Robert Ensminger to Miss Pam Lumm; Brother Vito Fabrizio to Miss Sheryl Goodman; Brother Carl Britto to Miss Margie Gagnon; Brother Phil Foropoulos to Miss Becky Kalesis; Brother John Harrison to Miss Chris Beskow. Congratulations and best wishes to you all.

After a successful convention at San Francisco, the brothers of Gamma Nu are looking forward to a Province meeting of the newly formed Province IX. What about a meeting in Las Vegas?

All the brothers attending the Grand Council Convention came back with words of high praise for all the fine men they had met from all the chapters across the country. It is a great feeling to know that Kappa Psi is truly a fraternity that is bound by brotherhood. The brothers of Gamma Nu hope that all those attending the 33rd Grand Council Convention had an enjoyable time in the great city of San Francisco. For all those who will be returning someday, remember that the doors of Gamma Nu are always open. It was a pleasure and a privilege to be co-host to such a grand event.

In closing, let us remember the words of Henry Wadsworth Longfellow, when he said, "We judge ourselves by what we feel capable of doing, while others judge us by what we have already done." Let us all continue to keep up the fine work of Kappa Psi.

Fraternally yours,

CARL G. BRITTO, *Historian*

GAMMA NU INSTALLS OFFICERS

From left are past Regent Jack Reed, Jim Carder, Ray Smart, Joel Slutske, Brian Heller, Bob Ensminger (partly hidden), Carl Britto, Richard McNeese, and Akira Aoyama.

GAMMA XI—UNIVERSITY OF SOUTH CAROLINA

The brothers of Gamma Xi extend their greetings to all the brothers of Kappa Psi. We also extend wishes for a happy and prosperous 1966.

This past semester at South Carolina has been a most successful one for Kappa Psi. We had a total of six pledges this semester, all of which are great fellows. They were initiated on the night of January 10, 1966. The six new members are as follows: Samuel Stephen Glenn, Sla-

ter, S.C.; James Herbert Ewing, Columbia, S.C.; John Charles Smith, Travelers Rest, S.C.; C. Morris Kelley, Greenville, S.C.; Everett Keith Sullivan, Lancaster, S.C.; and O'Neil Marvin Jayroe, Georgetown, S.C.

On December 16, 1965, Gamma Xi gave a Christmas party for a group of children aged three to six at Carolina Children's Home. This proved to be a most happy experience for both the children and Gamma Xi members who were assisted by some members from Gamma Epsilon, the girl's pharmaceutical fraternity now being established on campus.

A few brothers have made that step of giving their pins to their sweethearts. All of them were traditionally thrown into the fish pond at the Russell House. They were as follows: Billy Brice, Stuart Cook, and Edward Reynolds. One of our pledges who did not go active this semester, Paul Hyer, is getting married January 26, 1966, to Miss Carol Haltiwanger. Congratulations to them all!

Until the next issue of THE MASK, I remain

Fraternally yours,

RICK MITCHUM, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY

Warmest fraternal greetings to all brothers in Kappa Psi from the brothers of Gamma Pi Chapter. We hope that the past year has been as rewarding for you as it has been for each of us.

At this time, I would like to extend the sincere congratulations of the brothers of Gamma Pi Chapter to the newly elected Grand Officers of our Fraternity, as well as our appreciation of the many efforts of those who served so well during the past term. A special note of thanks to the co-hosts of the Grand Council Convention, Gamma Nu and Beta Gamma Chapters, for the hospitality which was afforded the delegates. I would also like to thank the brothers of the Saint Louis Graduate Chapter, without whose generous contributions Gamma Pi Chapter could not have sent such a good representation to San Francisco.

Gamma Pi Chapter would also like to congratulate the chapters of the newly formed Province IX, and wish them every success in the future.

Recently we initiated five new brothers in Kappa Psi during the Fall Semester. They are: Brothers Richard Brunworth, Dennis Greene, Dale Kinworthy, Paul Walker, and Richard Zimmerman.

During the period since the last Newsletter was written, Gamma Pi Chapter has been engaged in several projects directed toward community betterment. Among them was, "Old Newsboy's Day," a Saint Louis tradition in which one-day's newspapers are donated to be sold by interested St. Louisans for any price. The day's proceeds are then used to brighten the Christmas of underprivileged children.

The brothers also represented Kappa Psi in an annual Orphans Christmas Party, given by the Interfraternity Conference of the college.

On behalf of Gamma Pi Chapter, I would like to wish each of you a very prosperous 1966—scholastically, fraternally and socially.

Since this is to be my final Newsletter, I

would like to thank all of the brothers of Gamma Pi Chapter for their support, without which this letter could not have been written. I remain

Fraternally yours,

BILL RALL, *Historian*

GAMMA SIGMA—UNIVERSITY OF FLORIDA

Greetings to all Kappa Psi brothers from Gamma Sigma Chapter at the University of Florida.

We heartily congratulate our latest initiates: J.L. Benton, Jerry Caruso, John Crusoe, Gary Griffin, Bill Hancock, Claude Moore, Bob Renna, and Jack Testasecca.

Officers for the upcoming trimester are: Ray Lowe, Regent; Howard Fawley, Vice Regent; Bob Wilson, Secretary; Walt McCants, Treasurer; Jim Breeding, Chaplain; Peter Sagonias, Historian.

Again this past year during National Pharmacy Week, the brothers of Gamma Sigma sponsored a full-page advertisement in the local newspaper. The page had photographs of each participating pharmacy's pharmacists with their names below each photo. Projects such as this bring an awareness to the public as to the important role the community pharmacist has in everyone's well-being.

Under the leadership of chairman Mike Dugger, a list of names and addresses of graduated brothers was compiled for the purpose of mailing them a chapter newsletter to keep in contact with them, to increase their interest in our College of Pharmacy, and to help us and the profession of Pharmacy by virtue of their experience and wisdom.

The Province IV meeting of Kappa Psi Pharmaceutical Fraternity was held on October 23, 1965, at our College of Pharmacy. Attending the meeting were Gamma Zeta (Howard), Gamma Phi (Georgia), Delta Gamma (Auburn), and Gamma Sigma (Florida). Officers in attendance were Dr. Leon O. Wilken, Satrap; Dr. Gerald C. Henney, Executive Secretary; Dr. Durward N. Entekin, Province Secretary; Dr. Charles H. Johnson, Grand Council Deputy, Gamma Sigma.

The University of Florida's Homecoming Parade on October 16, 1965, found a most noble entry from Kappa Psi in the form of a very large mortar with the pestle grinding up one of the North Carolina State's Wolfpack. (The Florida "Gators" ground them up too.) Kappa Psi also triumphed in our annual football game against Rho Pi Phi.

Gamma Sigma was proud to have two of our brothers, Frank Dodge and Howard Fawley, attend the 33rd National Grand Council Convention in San Francisco. We were also proud to be one of the chapters presenting a paper on "Our Chapter's Most Important services and Contributions to the College and Community During the Last Two Years."

We, as students, are well aware of the hard work that professional pharmacists are doing to encourage the continuous growth of the profession of pharmacy. Gamma Sigma Chapter of Kappa Psi Pharmaceutical Fraternity also has this same objective. Thus our graduates desire the type internship that will give them the tools to accomplish this purpose.

This common goal has prompted Gamma Sigma to initiate a program whereby our graduates will have the opportunity to intern in a professionally oriented pharmacy. We feel that a graduate's first contact with the actual practice of pharmacy has a considerable influence on the type pharmacist he will become. Therefore, by receiving the correct training and orientation in this first contact, we are hopeful that our graduates will be pointed in the right direction.

We are not asking any given pharmacist to make a place for our graduates in his pharmacy, but only that when they do have a position available, to give our graduates an opportunity to interview with them.

We are pleased to report that since Jacksonville is within easy driving distance of Gainesville, we have contacted and received a gratifying reception from the Duval County Pharmaceutical Association, who has set up a committee to help us promote and better establish our program in that area. This interest is greatly appreciated by Gamma Sigma Chapter, and has made us even more enthusiastic about our intern program. Thanks especially to the members of our internship committee composed of Ray Lowe, Archie Caraway, and Hal Wilson.

Gamma Sigma's first function of this Winter Trimester will be a smoker on January 13, 1966. It will feature a movie replay of the Florida vs. Florida State football game. Refreshments will be served following the movie.

In closing, Gamma Sigma extends best wishes and the best of luck to all our Kappa Psi brothers during the New Year.

Fraternally yours,
PETER SAGONIAS, *Historian*

GAMMA PHI—UNIVERSITY OF GEORGIA

We the brothers of Gamma Phi Chapter extend our most hearty greetings to all of you.

This fall our chapter began its activities on firm footing with 48 of the 71 brothers of last year returning. We had an overall increase in beginning membership this year by about 80% above that reported for fall 1964.

This year, our chapter is headed by Regent Daniel Windham, with Vice Regent Dwight Morrison, Secretary Thomas Cawthon, Treasurer Lawrence Rodgers, Historian Harry Hicks, and Chaplain Roy Chapman.

Our chapter headquarters is a comfortable house only two blocks from the School of Pharmacy.

Many of our brothers are active in other student organizations at the university. Seventy-five per cent of the membership and all of the officers of Rho Chi Honor Society are brothers of Gamma Phi Chapter. All the officers of the U. Ga. Student Chapter of the A.Ph.A. and all the officers of the senior class are Kappa Psi brothers. Only one out of eight of our representatives to the State and National A.Ph.A. conventions was not in Kappa Psi.

Our Chapter Sweetheart, Miss Barbara Kimbrell (see photo) was voted by the student body as the Most Outstanding Woman Pharmacy Student.

Six of our brothers attended the Province Meeting held in Gainesville, Fla. where we were very hospitably treated by our hosts of Gamma

Sigma chapter. We all enjoyed meeting and hearing Dr. Gerald Henney of Alpha chapter. Gamma Phi will be honored to host the next Province IV meeting.

Brothers Paul Moore and D. N. Entrekin represented Gamma Phi at the Grand Council Convention in San Francisco.

As a service to our school and fellow students, our chapter provides (at a slight profit) white laboratory jackets and the School of Pharmacy emblem for the jackets.

At present, we are in the midst of our winter quarter pledge program, with hopes of initiating the best qualified of 150 first year students. The success of our efforts will be reported in the next Newsletter.

We wish all of you continued prosperity in 1966.

Fraternally,
HARRY E. HICKS, *Historian*

MISS BARBARA KIMBRELL
Gamma Phi's Sweetheart of 1965.

GAMMA CHI—FERRIS STATE COLLEGE

Greetings to all our brothers in Kappa Psi from Gamma Chi Chapter, located in Big Rapids, Michigan.

For those of us at Ferris State College, this is the start of a new term as well as a new year. This past year was a good year for the name of Kappa Psi here in Big Rapids. The traditional standards of Kappa Psi were upheld in the areas of scholarship, leadership, and the advancement of the profession of pharmacy. Brothers Jerry Bouwens, Ron Jacoby, Dale Paulson, Ron Sherman, and Donald Sundstrom were honored as recipients of Scholarship Honors Certificates, and were instrumental in providing the leadership that led to our winning top academic honors for fraternities here at Ferris for the ninth consecutive term. Plans for the present year include many opportunities for the continuation of the success we enjoyed this last year.

No term would be complete without the usual announcement of engagements, and the past term was no exception. Engaged are Brothers Ron Jacoby, Dave Montieth, Fred Wiseman,

Art Milliman, and William Davidson. Our bachelor ranks were reduced again, this time by the loss of only two brothers. Brother John Tiltonson and Brother Robert Byrnes both made the trip to the altar during fall term.

This year we have again added to our chapter membership. With us now are Brothers John Melonakos and Norbert Laskowski. Brother Melonakos is a transfer from Beta Lambda chapter, and Brother Laskowski is a transfer from Mu Omicron Pi chapter. Finished with pledging and recent entries into the Agora are Dave Wisner, John Stolarski, and Pete Berlin. We are pleased to have these men with us at Gamma Chi Chapter.

The activities for the coming year are now being planned. Our Sweetheart Ball is to be held on February 19, with Peter Palmer providing the entertainment. The Annual Red Cross Blood Drive is one of the events we hope to win again this year. Intramural basketball finds us with three teams entered. Our Kappa Psi first team is considered a title contender again this year. We have finished as one of the top four teams for the last two years with the same basic line up we have this year. Our Spring Formal Weekend is still a few months distant, but plans for it indicate a great time for all.

In closing, Gamma Chi chapter extends its wishes for a prosperous and memorable year in 1966 to all brothers in Kappa Psi.

Yours in Kappa Psi,
WILLIAM GAUS, *Historian*

GAMMA OMEGA—UNIVERSITY OF ARKANSAS

Hello again to the brothers of Kappa Psi from the brothers of Gamma Omega. We hope that the year 1966 has brought much success and happiness to all.

Gamma Omega has initiated four new members to our chapter during the fall semester. They are Charles F. Stahr, Jimmie Darling, Donald Crawford, and Richard A. Mosier. We welcome these four brothers to our chapter. We know they are industrious and hard working by the job they did in keeping up the display case in the School of Pharmacy.

In recent weeks there has been some talk by alumni who are interested in forming a Graduate Chapter of Kappa Psi at the University of Arkansas. Certainly these brothers who have graduated are to be encouraged to reach their goal of a strong and active Graduate Chapter and continue in the work of Kappa Psi.

With the second semester here the brothers of Gamma Omega are making plans for accepting more pledges since the class that enrolled last fall are now eligible for membership of Kappa Psi. We are hoping for a big pledge class of fine caliber so as to strengthen Gamma Omega with both quality and quantity. So far there has been much interest shown by the fellows of the first year class.

Since this publication of THE MASK will be the last one of the current year, the brothers of Gamma Omega would like to send their congratulations to the graduating seniors for a job of hard work well done. We hope the best for you and may your success continue and by doing so strengthen the Pharmacy profession and Kappa Psi.

From the University of Arkansas and Gamma Omega Chapter of Kappa Psi, we would like to say so long until the next issue of THE MASK.

Fraternally yours,
WALTER C. HUBBARD, *Historian*

DELTA DELTA—UNIVERSITY OF HOUSTON

Fraternal greetings to all Kappa Psi brothers from the brothers of Delta Delta Chapter.

On December 10, at the Hotel America our annual Christmas party and dance was held. With the help of Kappa Epsilon and our other pharmacy fraternity on campus the party turned out to be quite a success.

During the month of November, Brothers Gary Winans, and Walter Holland attended the Province VII Assembly in Monroe, Louisiana. They reported they thoroughly enjoyed the meetings and brought back to use many helpful ideas toward improving our chapter.

During the Christmas holidays, Brother Richard McClain was our delegate to the 33rd Grand Council Convention at San Francisco, California. It must have really been a holiday for him, as he managed to stay an extra two or three days.

Our initiation for the fall semester was held January 8, 1966. The new Kappa Psi men are: Vance Alexander, Arly Nelson, Reg Scarbrough, Ramino Periz, C. G. Mata, Jerry Thein, and Joe Jimenez. The new initiates are all outstanding students whose grade point average was far above average.

In closing, I would like to remind everyone that this semester is closing and finals are here again. Brothers of Delta Delta Chapter wish Kappa Psi brothers the best of luck on finals and continued success during the coming year.

Fraternally,
JOE OVERTON

MU OMICRON PI—WAYNE STATE UNIVERSITY

Greetings to all Kappa Psi men from the brothers of Mu Omicron Pi Chapter. If the reports we've had from our representation at the San Francisco convention is any indication of the general feelings, you all must have had a really good time there.

On Tuesday, December 14, 1965, we added a new member to our chapter, Jerry Savel. Our annual elections were also held that same evening and the results are as follows: Regent, Phil Cole; Vice Regent, Al Mousty; Secretary, Tom Cummings; Treasurer, Ken Saves; Historian, Paul Anderson; Chaplain, All Trager; Sgt. At Arms, Ed Posuniak. These new officers will be installed shortly after school begins next Monday, January 10, 1966.

Our chapter held a combination pledge party and Christmas party on December 11, 1965 which was well attended by the brothers and their wives or dates. A New Year's Eve party was held December 31, 1965 and this was also successful. Both of these parties were held at the Chapter House.

Last night, January 6, 1966, the chapter held its annual awards banquet at the Metropole Supper Club in Windsor, Ontario, Canada, which is across the river from Detroit. A plaque was presented to the best pledge for the Fall Quarter, Jerry Savel. Our retiring Regent, Ben

Price, was presented with a few gifts from the members for his efforts during 1965. I'm sure I speak for all the members of Mu Omicron Pi Chapter in congratulating Ben for his fine work to improve our chapter and Kappa Psi during his administration.

In closing, I want to thank my brothers in Mu Omicron Pi Chapter for re-electing me as Historian for 1966. I will do my best in writing these newsletters and working for Kappa Psi and Pharmacy.

Until the next issue of THE MASK, I remain

Fraternally yours,
PAUL ANDERSON, *Historian*

ALBANY GRADUATE CHAPTER

The Albany Graduate Chapter held its second meeting of the year on Sunday, November 14th at Howard Johnson's in East Greenbush. Brother Francis J. O'Brien spoke about the New York State and Federal Stimulant-Depressant Laws. We were all extremely interested as this is something that affects everyone connected with Pharmacy. As this meeting followed so close upon the heels of our first, not too much business was transacted. Plans were made to hold the next meeting on Monday evening, April 11 at 7:00 P.M. at the East Greenbush Howard Johnson's. This is the night before the annual seminar held at the college and we are hoping for a large turn out. Wives and girl friends are to be invited to this affair which will probably deal mainly with the Province I Assembly coming up on the 14th of October.

The brothers of Beta Delta have extended an invitation to all graduate brothers to attend the annual Sweetheart Formal on April 29 and 30. Anyone interested may contact Brother Tim Garrity at the school.

Many brothers, as well as other alumni and undergraduates, were present at the annual Homecoming Dance, December 4th at the Petite Paris in Albany. Alumni support is on the rise and the brothers of Kappa Psi are going to be a large part of it.

Until the next issue I remain,

Fraternally yours,
PETE RYAN, *Historian*

BUFFALO GRADUATE CHAPTER

Greetings to all the Kappa Psi brothers from the Buffalo Graduate Chapter. The brothers from the Buffalo Graduate Chapter enjoyed the Christmas holidays and are looking forward to a progressive and rewarding year both in their professional achievements and also in their contributions to the medical profession and the community. On behalf of the chapter, I would like to thank all those who sent holiday greetings.

Brother Professor Melvin Monteith, Grand Council Deputy of Gamma Iota, informs me that the collegiate chapter Gamma Iota is in the midst of their mid-term examinations at this time. His Hospital Pharmacy Course which sponsored a Hospital Research Seminar in December, was very successful in that the students were able to contribute research papers and that the Hospital Pharmacists in the area were participants. Highlight of the seminar was Brother Basil Continelli, chief Pharmacist at Children's Hospital presentation of a paper on

Pediatric Medicine and the problems encountered in children's doses. Brother Monteith also informs me that the brothers of Gamma Iota are soon to elect new officers for the coming year. The Buffalo Graduate Chapter is confident that the newly elected officers of Gamma Iota will continue to do a magnificent job both for their pharmacy school and as coordinating officers with the Buffalo Graduate Chapter officers; a system which has potentiated our achievements throughout the past years.

Brother Vincent Christ informs me that Brother Joseph D'Amico of Niagara Falls has recently purchased a new store. Congratulations to Brother Kenny Gerber on his engagement to Carol Stuber. Brother Tom Blanchard has bought a new home in Avon, New York. Brother Bill Kent has recently purchased a new store. Congratulations to Brother Al Smith on his nomination as vice president of the National Rexall Clubs.

Congratulations to Brother Leonard Orteni of Niagara Falls on his appointment as state Narcotic Inspector. He will be located in the Rochester, N.Y. area. Brother Cliff Schmitt informs me that Brother Everett Reed hosted several Kappa Psi brothers at his magnificent mansion in Niagara Falls, at a holiday open house. Brother Reed who has been faithful to the Buffalo Graduate Chapter is proprietor of Coulson's Pharmacy in Niagara Falls, one of the most successful stores on the Niagara Frontier which fills hundreds of prescriptions daily.

Regent Joseph Miletta of the Buffalo Graduate Chapter congratulates the newly elected Grand Officers of Kappa Psi. We in Buffalo are sure that their guidance will lead us to greater heights than ever before. Regent Miletta congratulates our chapter on our fine support of Gamma Iota at their Christmas Dance. Congratulations to the Pharmacy faculty who put on one of the most humorous skits on marking student's examination papers that cannot be equaled anywhere for hilarity. The cocktail party at the Christmas dance that was sponsored by our chapter was also a success. Regent Miletta is working on a fund raising campaign to increase our treasury and a community project in coordination with our county health department. We are all looking forward to several "husbands and wives dances" that will be sponsored by our chapter in February to enable our faithful spouses to enjoy an evening out.

Brother Van Sice is presently working on a revision of our 1966 mailing list. Yours truly is laying the groundwork to try to compile an accurate history of our chapter since the chartering of Gamma Iota in 1921. However this promises to be a long and difficult undertaking.

Fraternally,
JACOB J. CARAOTTA

CONNECTICUT GRADUATE CHAPTER

Greetings to all brothers of Kappa Psi both in the Collegiate Chapters and those in the Graduate Chapters.

This Newsletter is dedicated to the person every brother in Connecticut refers to as Connecticut's "Mr. Kappa Psi"— Brother Nicholas W. Fenney."

Brother "Nick" was honored at a Testimonial Dinner and Celebration sponsored by friends, colleagues, and former students on the evening

of October 21, 1965, at the fabulous Waverly Inn, Cheshire, Connecticut. This famous inn is only several hundred feet away from the Cheshire Academy where the second chapter of Kappa Psi was founded on Thanksgiving Day, November 30, 1879. Over 500 persons jammed the inn that evening which included every notable person in pharmacy in Connecticut in addition to the faculty, dean of the School of Pharmacy, and the president of the University of Connecticut.

My original Newsletter to Brother "Nick," who is the editor of this publication, was returned because he was too modest to print all I had written about him—which, incidentally was taken from the biographical write-up of him on the program given out that evening.

Suffice to say that in addition to attendance at four universities from which he obtained degrees (the last from Yale) he has been a special guest lecturer both in the departments of public health and pharmacology of the Yale Medical School. Also, he has been a guest lecturer in the Cancer Control Section of the Yale Medical School.

Brother Fenney has been chairman of the past 20 Annual Pharmacy Postgraduate Seminars in Connecticut of which he was the original organizer. He has served as a lecturer in addition to being the planning co-ordinator of Connecticut's First Symposium on New Drugs in General Dental Practice (1962). In 1963-64 and in 1964-65 he served as chairman of the Professional Relations Committee of the American Pharmaceutical Association. Presently he serves as chairman of the Connecticut Advisory Committee on Foods & Drugs, and also as secretary of the Joint Conference Committee of the Connecticut State Medical Society with the Connecticut Pharmaceutical Association.

In addition to being both a life member and an honorary member of the Connecticut Pharmaceutical Association he is an honorary member of three other local pharmaceutical associations. In 1964 he was recipient of the Sidney R. Rome Award of the Alpha Zeta Omega Fraternity (Connecticut Alumni Chapter) for his contributions to pharmacy. In 1965 he was the recipient of a special honor by the Connecticut Pharmaceutical Association in which a sum of money was given the University of Connecticut, the interest of which will insure a perpetual annual tuition and book scholarship to a student in pharmacy to be known as the "Nicholas W. Fenney Scholarship Award."

In Kappa Psi, Brother Fenney has served continuously since 1941 on the national level—first as Grand Counselor, then as Grand Historian, then as Grand Regent, and since 1955 as editor of THE MASK.

I have only related some of the many outstanding contributions of this brother in this Newsletter. It must be evident to the reader why all of the brothers in the Connecticut Graduate Chapter are proud, and justifiably so, of "a man among men"—Brother Nicholas W. Fenney.

Fraternally,
ROBERT F. CADWELL, *Historian*

DETROIT GRADUATE CHAPTER

Our Christmas party at the fraternity house was a huge success. Gifts were exchanged and

then there was food, fun, and fellowship. Why don't you plan to come next year?

New officers have been nominated for the coming year. Come on down and help us decide who is going to run the Detroit Graduate Chapter during 1966. The officers are only the guiding hand of any organization—its the members who are willing to give a little of themselves that make up a fine group.

Richard S. Duuchock was recently elected board member of the Greater Northwest Pharmaceutical Association.

One of our special nights this past fall was a "Night at Hazel Park." It turned out to be a good night for the trotters. Sportsman Ed Parish aided us in plans, reservations, and facilities to bring home the winnings.

Fraternally,
CARL E. KYBURZ, *Historian*

KANSAS CITY GRADUATE CHAPTER

Greetings to our Kappa Psi brothers for the Kansas City Graduate Chapter.

On Sunday, November 14, our chapter watched the Kansas City Chiefs defeat the Oakland Raiders of the American Football League. Following the game we held our installation banquet and fall meeting at the Gold Buffet. The following officers were installed: Tom Garrison, Regent; Anthony Spalitto, Vice Regent; Raymond Kennett, Secretary; Charles Hammon-tree, Treasurer; David Ferrier, Historian; and Sal Palma, Chaplain.

Many of our members attended a riverboat party given by the collegiate chapter in early November. Those who could not swim stayed away from the rail.

Bill Richmond and Ray Pagacz have moved into new homes in the Red Bridge area and Jim Ray has accepted a position with Skaggs Drug Company in Las Vegas, Nevada.

Recently the graduate chapter was privileged to aid the collegiate chapter in "adopting" a needy family for Christmas. The family which included four children were assisted with groceries, toys, and other Christmas gifts.

Our chapter is planning many varied activities for the coming year. Letters to our brothers in Viet-Nam and a garage sale will be discussed at our winter meeting. Charles Hammon-tree and Roy Rowland will be our hosts at that meeting on March 24.

Fraternally yours,
DAVID E. FERRIER, *Historian*

PORTLAND GRADUATE CHAPTER

About 35 of the brothers assembled at Lloyd's Irland Restaurant on November 10, 1965 for cocktails at 6:30 P.M. followed by dinner. We were honored to have at the meeting which followed Professors Forslund and Siuchetti of Oregon State University who represented the collegiate chapter Beta Zeta.

The business session of the meeting included a discussion of the coming Grand Council Convention to be held in San Francisco. Guest speaker at the meeting was an executive vice president of the Oregon United States Bank. He extended an invitation for us to visit the main branch of the institution to view the actual workings of a Data Processing Center.

We feel that under the guidance of our newly elected officers the Portland Graduate Chapter will continue as a leader among Graduate Chapters.

Fraternally,
LYLE V. HENDRICKS, *Historian*

THE ST. LOUIS GRADUATE CHAPTER

The St. Louis Graduate Chapter met in October at the St. Louis College of Pharmacy for its regular meeting. The most important order of business was the election of officers. Brother William Fitzpatrick was elected to the office of Regent with Brothers Philip Ludwig and Joe Haberle being called upon to serve as vice Regent and Secretary-Treasurer, respectively. A special thanks goes to retiring Regent Jack Jalowiec for guiding the chapter through its first year since reactivation.

Our new Regent has been extremely active in Kappa Psi. As a collegiate member he has

served both as Treasurer and Regent of Gamma Pi Chapter. In addition, Bill is presently serving as Vice Satrap of Province VII.

During the fall, our chapter initiated a drive to raise funds to help send collegiate brothers from Gamma Pi Chapter to the National Convention in San Francisco. This project proved to be quite successful as \$500.00 was raised allowing ten members from St. Louis to attend the convention. This was one of the largest delegations to attend the national meeting. Other projects are being planned for the future, including methods to increase membership and participation in the chapter.

Until the next issue of THE MASK, the brothers of the St. Louis Graduate Chapter extend best wishes to our brothers in Kappa Psi with a sincere hope that 1966 will bring even greater honors to our Fraternity.

Fraternally,
JOE E. HABERLE, *Secy.-Treas.*

CHANGE OF ADDRESS

A change of address without notifying the Central Office causes an automatic removal of your name from the mailing list for future copies.

Fill out the following and mail to Central Office, Kappa Psi Pharmaceutical Fraternity, 310 South Euclid, St. Louis, Mo. 63110.

3923 Roanoke Road
Kansas City, Missouri 64111

An education isn't how much you have committed to memory, or even how much you know. It's being able to differentiate between what you do know and what you don't. It's knowing where to go to find out what you need to know; and it's knowing how to use the information once you get it.

PROVINCES OF KAPPA PSI PHARMACEUTICAL FRATERNITY

PROVINCE I

(Chapters in Albany, Connecticut, Massachusetts, and Rhode Island)

Supervisor: Grand Historian Norman A. Campbell

Satrap: Robert Gerraughty, University of Rhode Island, College of Pharmacy, Kingston, R.I.

Secretary: James A. Donahue, Jr., 422 Beacon St., Boston, Mass.

PROVINCE II

(Chapters in New York City, New Jersey, and Pennsylvania)

Supervisor: Grand Counselor James Atkinson, Jr.

Satrap: Ronald F. Gautieri, 3223 N. Broad St., Philadelphia 40, Pa.

Secretary: Louis King, Rutgers College of Pharmacy, 1 Lincoln Ave., Newark, N.J.

Newsletter Editor: Louis J. Ravin, Smith, Kline & French Labs., Philadelphia 1, Pa

PROVINCE III

(Chapters in Virginia, W. Virginia, North Carolina, and South Carolina)

Supervisor: Elected Executive Committee Member Robert R. Auger

Satrap: Robert L. Beamer, University of South Carolina, Columbia, S.C.

Secretary: Richard Abbott, 1630 Fairhaven Dr., Columbia, S.C.

PROVINCE IV

(Chapters in Alabama, Georgia, and Florida)

Supervisor: First Grand Vice Regent Walter R. Williams

Satrap: Leon O. Wilken, Auburn University, Auburn, Ala.

Secretary: Durward N. Entrekun, University of Georgia, Athens, Ga.

PROVINCE V

(Chapters in Buffalo, Michigan, and Ohio)

Supervisor: Executive Committee Member C. Boyd Granberg

Satrap: Charles Fowler, 600 S. Simon St., Ada, Ohio 45810

Secretary-Treasurer: Frank Facione, 20291 Plainview Rd., Detroit, Mich. 48219

Newsletter Editor: Kenneth Yasch, 600 S. Simon St., Ada, Ohio 45810

PROVINCE VI

(Chapters in Illinois, Indiana, and Wisconsin)

Supervisor: Executive Committee Member August G. Dante

Satrap: James Hipp, School of Pharmacy, U. of Wisconsin, Madison, Wis.

Secretary: Jerry Gebhart, School of Pharmacy, U. of Illinois, Chicago, Ill.

PROVINCE VII

(Chapters in Arkansas, Kentucky, Louisiana, Mississippi, Missouri, Tennessee, and Texas)

Supervisor: Grand Ritualist Richard M. Doughty

Satrap: Glen Appelt, U. of Texas, College of Pharmacy, Austin, Texas 78712

Secretary-Treasurer: Richard M. Doughty, University of Kentucky, Lexington, Ky. 40506

Newsletter Editor: Joe Kiowski, U. of Texas, College of Pharmacy, Austin, Texas 78712

PROVINCE VIII

(Chapters in Iowa, Minnesota, Nebraska, North Dakota, and South Dakota)

Supervisor: Executive Committee Member Herman C. Forslund

Satrap: Lee C. Schramm, U. of Minnesota, Minneapolis, Minn.

Secretary: Thomas Tharaldson, 1343 N. University Dr., Fargo, N.D.

PROVINCE IX

(Chapters in Arizona, California, and New Mexico)

Supervisor: Third Grand Vice Regent James C. King

Satrap: Elmon L. Catline, College of Pharmacy, U. of New Mexico, Albuquerque, N.M.

Secretary: V. H. Simonian, College of Pharmacy, U. of Arizona, Tucson, Arizona.

PROVINCE X

(Chapters in Montana, Oregon, and Washington)

Supervisor: Second Grand Vice Regent Leo A. Sciuchetti

Satrap: Lynn Brady, U. of Washington, College of Pharmacy, Seattle, Wash.

Secretary: Melvin R. Gibson, Washington State U., College of Pharmacy, Pullman, Wash.

IMPORTANT

THOSE WHO PREPARE THEIR CHAPTER "NEWSLETTER" PLEASE READ!

The office of THE MASK insists that postmark deadline dates mentioned on page 31 be met in order that the "Newsletter" appear in the issue as scheduled.

All "Newsletters" received postmarked *after the deadline* date can not be used for that issue and, therefore, will be returned to the sender in the event he may wish to use some of the material for his next report. *Please cooperate!*

A "Newsletter" from your chapter should appear in each issue of THE MASK and should be mailed about a week before the deadline date. Do *not* anticipate a reminder from the office of THE MASK of your Chapter's "Newsletter."
