## OUR 1957 GRAND COUNCIL CONVENTION

At this time it is well to remember the quotation from Albert Schweitzer—"You must give some time to your fellow man. Even if it's a little thing, do something for those who have need of help, something for which you get no pay but the privilege of doing it. For remember, you don't live in a world all your own. Your brothers are here, too."

This is the second time in our history that Convention plans have been completed so far in advance. This gives members an opportunity to make long range plans for attendance and "to give some time to your fellow man."

**960** Why not begin now to plan for the greatest fraternity experience in a life time by attending the National Convention of Kappa Psi in St. Louis at the Congress Hotel on December 28, 29, and 30, 1957.

## VISITATION GLIMPSES

On Wednesday, April 24, Grand Regent and Mrs. Fischer departed from Seattle via the airways for a three week visitation of several eastern and southern chapters, and to attend the annual Kappa Psi breakfast at the A. Ph. A. Convention in New York City.

The highlight of the annual breakfast was the presentation of an honorary membership to Dean Louis C. Zopf, College of Pharmacy, State University of Iowa. Our Fraternity has always taken pride in the selectiveness in granting this type of membership. In Dean Zopf we chose a man of high professional ideals, one who is untiring in his efforts toward the betterment of pharmaceutical education, and who has devoted many years in the service of our profession. We are proud to welcome him within our ranks.

Travel plans included the following cities: Buffalo, New York City, Washington, D.C., Richmond, Virginia, Chapel Hill and Charlotte, North Carolina, Charleston, South Carolina, and Gainesville, Florida. A week end in Tampa, Florida, conditioned your G. R. for the long hop to Seattle and a backlog of teaching duties.

We began by crossing the nation to Buffalo where Gamma Iota spread a royal red carpet of welcome in a torrential rain. Close to midnight a fine delegation of brothers and Dr. Kleber met our long overdue plane and after a short nightcap the party escorted us to the pleasant room they had personally selected for us. Five pairs of willing hands dispensed with hotel services to see that our luggage was safely in our room. Red carnations, Kappa Psi's official flower, matched the room's decor and a gift of a large stein bearing Kappa Psi insignia, Buffalo Chapter, and your Grand Regent's nickname "Louie" made us feel very welcome.

We had flown through a terrific electrical storm, buffeted by seventy mile winds but this heart warming welcome made us forget our travel weary selves.

Next day breakfast and a meeting with the officers was followed by a visit with Dean Murray and Dr. Garner. Luncheon at the Hotel Sheraton-Brock, Niagara Falls, Canada, and a tour of Niagara Falls gave us a "honeymoon" 28 years late. (Our colored slides are helping us to relive this beautiful day with our Kappa Psi friends.)

We learned that Seattle's proverbial rains are but misty showers as compared with an eastern cloudburst. Our arrival at the fine dinner-dance arranged for us at the Club Como was delayed when two automobiles were dispatched for us but were flooded out of commission. A taxicab finally took us through a partially blacked out city—the lights having

been "doused" by the rain. Special appreciation for the many kindnesses extended is hereby given to Cass Candell, Bill Kent, Don Arthur, Jan Madejski, John Bukowski, Frank Janik, Dr. Kleber and to these Kappa Psi sweethearts (who made Mrs. Fischer's day memorable), Jane McMahon, Diane Dilapo and Marlene Schoenthal.

At Gamma Tau, Washington, D.C. (after the Convention in New York City), we were met by Regent Quaglia and G. C. D. Koustenis. A brief tour of the capital en route to our hotel was followed by an officers' meeting at the school. A fine dinner meeting gave your G. R. an opportunity to meet more collegiate and some graduate brothers.

Theta Chapter, Richmond, Virginia, sent this delegation to the airport: Robert Sturgill, Jr., Robert Snoddy, Frank Harris, Joe Felts, and Ivan Gattis. Your G. R. enjoyed luncheon with Chapter members, Grand Vice Regent Milton Neuroth, G. C. D. Joe Krezanowski, and George Bender of Parke, Davis & Company. In the afternoon a three hour meeting was held at the Chapter house.

Real southern hospitality was displayed when Mrs. Fischer and your G. R. were driven to Williamsburg and the famous Jamestown Festival by Dr. Krezanowski. We were accompanied on this fine Sunday outing by brothers Frank Harris and Frank Pugh. Theta's G. C. D. Joe Krezanowski has a terrific capacity for friendliness.

Chapel Hill's officers Hugh Hinton and Bill Allen welcomed us at Raleigh airport and drove us to the Carolina Inn. We left a bit of our hearts in Chapel Hill and yearn for time to return again to sit in the rocking chairs on the broad veranda to listen to the enchanting song of the mocking bird. A pleasant dinner at the Kappa Psi house with all members in attendance was enjoyed by Grand Regent and Mrs. Fischer. A business meeting until nearly midnight ended the day.

Late in the planning of this itinerary an extra city was added when your G. R. was asked to speak at the State Convention in Charlotte, North Carolina. Brother Don Miller drove us there accompanied by Satrap Earl Brown. En route we toured Duke University and the famous southern golf club at Pinehurst.

Iota Chapter at Charleston sent a quartet of brothers to welcome us and within fifteen minutes after checking in at our hotel we were on a pre-arranged boat trip to historic Fort Sumter. We were accompanied by brothers Dodd, Denny, Molpus and Saunders.

Several brothers of Kappa Psi plus Dean and Mrs. Prout and Professor and Mrs. Culp were in attendance at a dinner which was followed by a business meeting with G. C. D. Culp and the officers in the G. R.'s hotel room. Later we adjourned to the dormitory where the entire Kappa Psi group held a meeting after 10:30 p.m.

Our departure from Charleston was hectic and it took the skillful driving of ex-ambulance driver Saunders to get us to the airport on time. Mrs. Prout and Mrs. Fischer had been on an early-morning sightseeing tour and delayed in returning to the hotel.

Gamma Sigma in Gainesville was our last official tour of duty on this visitation trip. We were met in Gainesville at the airport by Treasurer Claude Dyal and Historian Millard Ebert and driven to our hotel.

Dr. and Mrs. Carl H. Johnson (G. C. D.) were our hosts at dinner where we spent an enjoyable evening relaxing with these good friends. Next morning Mrs. Fischer and I enjoyed the two hour coffee period held in the Student Union Building. This gave ample time for the various collegiate brothers and faculty to come and go in an informal pleasant manner.

After luncheon a visit with Dean Foote and a tour of the campus and local interest places was arranged. Your Grand Regent made raw meat balls and tossed them to live alligators in a roadside pond—a story doubted by his western friends.

A banquet in the Hotel Thomas was arranged for the last evening. This was a big turnout of brothers. Mrs. Foote, Mrs. Johnson and Mrs. Fischer were invited and left before the business of the evening was begun.

For the purpose of keeping this report as brief as possible, the above account lists in

somewhat skeleton form the highlights of the visitations. If it sounds as though it was all social and sightseeing, please bear in mind that business was the order of the day and a schedule of closely timed appointments made best use of available time with collegiate and facultate members. (Incidentally, your G. R. especially appreciated the detailed schedule of events from two of the chapter Secretaries. These "planning sheets" sent before the trip showed great thought and attention to detail. Thanks, brothers!)

At each chapter, meetings with officers varied from 2 to 4 hours. Discussions were centered around chapter business, methods, duties, activities, et cetera. A three-page questionnaire, used during the past two years, was completed together with suggestions and recommendations of each chapter visited. The reports were sent to Grand Secretary Eby. Every effort was made to clarify chapter procedures and give helpful advice.

In general your Grand Regent was pleased with the operation of each chapter. The fraternal spirit and enthusiasm was outstanding. Each chapter is to be commended for its participation in social and educational activities. Occasional problems were presented and a sincere attempt at solution was made by all.

I close by extending to all my sincere appreciation for the cooperation and friendliness extended to Mrs. Fischer and me. Our hearts are filled with happy memories and we shall long remember the spirit of Kappa Psi's friendly hospitality. Alpha Chapter salutes you—one and all!

## Fraternities' Constitutional Rights\*

"Good taste is the flower of good sense."—POINCELOT

Among traditional rights assured American citizens is the right of freedom to assemble peaceably, the right of association, and the right of privacy. What right have UNESCO zealots and "tolerance organizations" to demand that these rights be chucked out the window where our children are concerned on the campus?

Well, when misguided politicians, professors, and even well-meaning segments of the public attempt to dictate forcibly to private student organizations as to the composition of their own membership—they are actually denying these important rights to young Americans. Which is un-American in the extreme and ought to go without saying.

If these young people—or anyone else for that matter—wish to limit membership in their own private societies to left-handed Hottentots, six-fingered nomads, or even riders of the purple sage, just whose business is it except their own? And their parents? Isn't any social group simply the worldly extension of one's own home? And who is the final arbiter to say of who shall come into one's home except the person involved and his or her family themselves? Certainly not the politician! Certainly not the professor or teacher! Certainly not the social do-gooders or vociferous pressure groups! Certainly not anyone at all except Mom and Dad, Buddy and Sis! How can anyone with the least degree of common sense or basic good manners presume to "legislate" social acceptance by the element of compulsion? Impossible!

The vicious attempt of the UNESCOites and their collaborators to deal a death-blow to the college campus fraternity system by "legislating" unwanted conditions of membership to its members has stirred up a storm of protest in Southern California already. Fraternity men and women are rallying on all sides to strike back at the cunning exponents of this un-American measure which would deny the free agency of students to decide their rights of association, assembly, and privacy for themselves without outside do-gooders' unwanted interference.

"I have received many letters on this AB 758 and naturally I will be opposing it and also use my influence to the maximum with others," a prominent legislator in Sacramento recently told me. "The authors of this bill are extreme left-wing thinkers, and to be frank with you, I think it is just their slanted philosophy. Personally, I know of no radical connections, but I do know that when their names appear on legislation you want to take two good looks before you act."

Recently I asked Edmund Nichols, president of the Interfraternity Alumni Association of Southern California, what he thought of the controversial bill. Ed is a fine attorney, a staunch patriot who believes in the American Republic to the hilt, and these are his words in reply:

"This law deprives you of the right to choose your own members on any basis you select. It violates the right of privacy and infringes upon the freedom of religion. The greatest bulwarks of our way of life and our democratic freedoms have always been our churches and our fraternities. The forces opposed to our democracy know that they must destroy our traditions and free institutions before we can be subjugated."

If the free fraternity house falls to the corrupt un-American ideology of the totalitarian planners today—whose house will be the next to fall? Will it be your neighbor's? Or perhaps even your own? Isn't now the time to appraise correctly this situation before it's too late?

# Second Grand Vice Regent James R. Thayer Appointed Acting Dean of St. Louis College of Pharmacy

Dr. James Russell Thayer, Professor of Chemistry at the St. Louis College of Pharmacy and Allied Sciences since 1930 and Associate Dean since 1950, and Second Grand Vice Regent of Kappa Psi Pharmaceutical Fraternity has been appointed Acting Dean of the St. Louis College, effective September 1, by action of the Board of Trustees of the College. He succeeds Dean Arthur Floyd Schlichting, who has been named Dean Emeritus. Brother Thayer came to the St. Louis College of Pharmacy from the College of Pharmacy of the University of California in 1930 to succeed Professor Charles E. Caspari as Professor of Chemistry. Dr. Caspari had been Professor of Chemistry since 1903 and Dean of the College since 1926. Upon the death of Dean Caspari in 1942 Professor Schlichting was appointed Dean and is now completing his fifteenth year in that capacity.

Dean Thayer holds the A.B. degree from Ohio University and the M.S. and Ph.D. degrees from the University

of Wisconsin. Before going to California in 1929 he had been engaged in research for Parke, Davis and Company. In addition to his duties as Associate Dean, Dr. Thayer has been teaching in the fields of organic chemistry, synthetic organic medicinals, and biochemistry. He has been honored by the St. Louis College with the Certificate of Service Award and by the St. Louis College of Pharmacy Alumni Association with the Distinguished Service Plaque.

When interviewed, Brother Thayer responded in characteristic fashion: "I was born in '97 on a farm near Medina, Ohio—eighty-five acres and a whopping mortgage. Plodded through a mile of mud to get to school in Medina and then did everything possible to alienate the teachers. Finally graduated from high school as Class Prophet in 1917. (The mud road was now gravel.) Started higher education at Ohio University with lots of hope but neither brains nor finances to back it up. Lived on soup 'n' crackers, worked in a brickyard, staggered home in January with acute bronchitis. Returned to college in the fall of '18, put on an S.A.T.C. uniform, carried bed pans for three months during the flu epidemic. Discharged after the Armistice, I was broke again. Worked for B. F. Goodrich building tires. During summers I farmed, painted, and worked in a saw mill. 1921-22 I had an assistantship in the Ohio University chemistry department. 1922-23 I was principal of Milford, Ohio, High School; that was all they could stand, so I taught at Gibsonburg, Ohio, during 1923-24. Reported at the University of Wisconsin for graduate work in the

fall of 1924. Was given an assistantship in 1925, and M.S. degree in 1926, and a Ph.D. degree in 1928. Reported for research job with Parke, Davis and Company in the summer of 1928, and in the summer of 1929 received a teaching appointment at the California College of Pharmacy. One year was all they could take, so the next year they unloaded me on St. Louis. While I was en route to St. Louis my car and everything else that I owned was stolen. Dean Caspari grinned, invited me into his home, and introduced me to St. Louis hospitality. St. Louis became my home, the happiest home I have ever known."

The new dean has held various national and regional offices in Kappa Psi and is currently our Second Grand Vice Regent. He is a member of the A.Ph.A., the A.C.S., the A.A.A.S., the Missouri Pharmaceutical Association, and Rho Chi. Brother Thayer has always been deeply interested in the advancement of pharmacy in general and of the St. Louis College of Pharmacy in particular, but his former and present students, particularly the members of Gamma Pi Chapter, know that he is even more concerned with the problems and welfare of each individual student and alumnus. A veteran fisherman and bowler, and an ardent conservationist, Brother Thayer's love of the outdoors is shared by his charming wife and his two lovely daughters, with whom he makes his happy home at 7816 Murdoch Avenue, Webster Groves 19, Mo. THE MASK wishes the new dean at St. Louis continued happiness and satisfaction in guiding and advising the young people who will be our pharmacists of tomorrow. Congratulations, Brother Thayer, and good luck in your new post.

## Poison Control Centers

At the New York Convention of The American Pharmaceutical Association held April 28-May 3, 1957, one of the several resolutions adopted was as follows:

*Resolved*, That the American Pharmaceutical Association reaffirm its endorsement of the development of a coordinating program for poison control centers as proposed by the Public Health Service of the Department of Health, Education and Welfare; and be it further

*Resolved*, That the American Pharmaceutical Association urge its members to participate to the fullest extent in the development of local poison control centers and offer their cooperation in serving their respective communities in gathering and dissemination of information with respect to antidotes and treatment facilities for accidental poisoning from various sources.

The House of Delegates approved the resolutions. The Council instructed the Secretary to notify the Public Health Service of the action taken and offer cooperation of the A.Ph.A. to all state pharmaceutical association secretaries in setting up and making effective local poison control centers.

# THE GRAND SECRETARY-TREASURER HAS THIS TO SAY

## ABOUT A YEAR OF OUTSTANDING ACCOMPLISHMENTS—

1964

With the passing of the years, Kappa Psi Fraternity continues to gain in stature because of the splendid accomplishments of many of its chapters. The fraternity year 1956-57 which has just ended was one of our finest and we compliment all the chapters for the many things they have accomplished. While we are sure that all of our chapters made many worthy contributions, the fact that some chapters did not inform us of their activities or accomplishments, makes it impossible to mention them for special praise. To all chapters regardless of whether we have failed to mention them, where the prestige of Kappa Psi has been enhanced as a result of fine scholarship, outstanding campus or community services or other

accomplishments, we express the grateful thanks of Alpha Chapter and the Fraternity as a whole. We express special congratulations and cite the following chapters for their fine achievements in the interest of their chapters and Kappa Psi Fraternity:

*GAMMA THETA Chapter with its Charter Members at the University of Kansas City as it enters the ranks of Kappa Psi as a new chapter.*

The THIRTEEN CHAPTERS, where in each instance, one of the members received the coveted Grand Council Scholarship Award for 1957, thus indicating that Kappa Psi men won top honors in their respective schools of pharmacy.

*MU Chapter at the Massachusetts College of Pharmacy for its fine achievement in completing fifty years of continuous membership in our Fraternity, also for having the largest total chapter membership for 1956-57 and for its splendid program of scholarship awards.*

BETA KAPPA Chapter at the University of Pittsburgh for the honor of having initiated the greatest number of new members by any chapter in our Fraternity for 1956-57.

*GAMMA GAMMA Chapter at the University of Texas for its outstanding record of community services during the past year, especially for its blood bank, polio and cancer drive assistance.*

NU Chapter at the University of Connecticut and GAMMA OMICRON Chapter at the University of Oklahoma for their fine records of service on their respective campuses.

*OMEGA Chapter at Rutgers University and BETA OMEGA Chapter at Temple University for their excellent pledge training programs.*

THETA Chapter at the Medical College of Virginia, BETA GAMMA Chapter at the University of California and GAMMA PI Chapter at the St. Louis College of Pharmacy for their acquisition of new chapter houses.

*BETA ZETA Chapter at Oregon State College, GAMMA PHI at the University of Georgia, OMEGA Chapter at Rutgers University and BETA ETA Chapter at the West Virginia University for their fine achievements in enrolling the largest number of new members in their respective histories.*

ETA, BETA KAPPA and BETA OMEGA, the three Pennsylvania Chapters, for each having initiated more than thirty new members during the past year.

*BETA XI Chapter at the University of North Carolina, GAMMA DELTA Chapter at Ohio Northern University and BETA SIGMA Chapter at North Dakota State College for their participation in campus activities.*

The NEW YORK GRADUATE and the NEW JERSEY GRADUATE Chapters for their assistance and interest in behalf of Gamma Chapter.

*THE BOSTON GRADUATE and the CONNECTICUT GRADUATE Chapters for their excellent fraternity loyalty and for contributions to their local schools of pharmacy and to the profession in general.*

All the chapters that were represented at the Annual Breakfast in New York on May 1, 1957, and for the loyalty of the many brothers who helped to demonstrate the remarkable fraternal solidarity that exists in Kappa Psi Fraternity today.

*The following chapters, each of which had a news letter published in the four issues of THE MASK for 1956-57: EPSILON, ETA, MU, NU, BETA DELTA, BETA ETA, BETA SIGMA, BETA PSI, BETA OMEGA, GAMMA PI, GAMMA CHI, CONNECTICUT GRADUATE and the NEW YORK GRADUATE chapters.*

#### A FINE MEMBERSHIP RECORD

The prestige of Kappa Psi as a national fraternity is reflected in the fine membership record for 1956-57, a detailed report of which will be forwarded to each chapter secretary in September. At this time we are pleased to report that the following twenty chapters have exceeded the total membership that was recorded for each of their chapters on the same date, June 30, a year ago:

Gamma	Upsilon	Beta Eta	Gamma Epsilon
Theta	Chi	Beta Kappa	Gamma Zeta
Iota	Psi	Beta Xi	Gamma Omicron
Mu	Omega	Beta Omega	Gamma Phi
Nu	Beta Zeta	Gamma Delta	Gamma Chi

This marks the tenth consecutive year that more than seven hundred new members have been added to the Agora.

# University of Iowa Dean Awarded Honorary Membership

EDITOR'S NOTE: The following presentation was made by Grand Regent Louis Fischer on the occasion of Dean Louis C. Zopf being made an honorary member of Kappa Psi at the Kappa Psi breakfast held during the A.Ph.A. Convention in New York City on May 1, 1957.

Kappa Psi Pharmaceutical Fraternity provides in its Constitution for four types of memberships: Collegiate, Graduate, Facultate, and Unaffiliated. In addition honorary memberships are given in recognition of distinguished service in the field of pharmacy.

As the highlight of this annual Kappa Psi breakfast we pay honor to a fellow pharmacist and educator who by his untiring efforts, high ideals and good judgment, has attained numerous worthy achievements. Dean Louis C. Zopf has been elected to Honorary Membership in Kappa Psi.

Dean Zopf was born in Marengo, Iowa, August 28, 1904. He attended the University of Iowa and received his Ph.G., B.S. and M.S. degrees. In 1954 from the University of Nebraska he received an Honorary Sc.D.

Our recipient's experience in pharmaceutical fields has run the gamut in the profession. He served for some time in the retail field as a registered pharmacist, followed by becoming Manager, Department of Drug Service, College of Pharmacy, State University of Iowa. He rose from Assistant Professor of Pharmacy in 1935 to Dean of the College in 1952.

Among the Greek letter societies, Dean Zopf is associated with Sigma Xi, Rho Chi, Beta Phi Sigma, and Theta Xi.

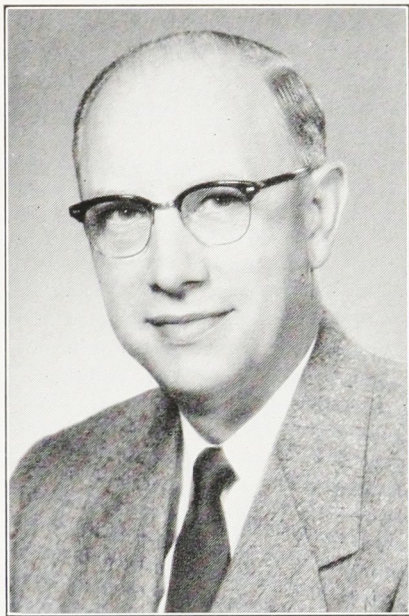

His many affiliations in the related fields of pharmacy attest to Dean Zopf's interests and talents. He has served on the U.S.P. Revision Committee since 1940. In this capacity he is a member of the Executive Committee, Committee on Scope and Chairman of a Subcommittee. Between 1940-50 he was a member of a subcommittee in the revision of the National Formulary.

His extensive activities and chairmanships in the American Pharmaceutical Association and the American Association of Colleges of Pharmacy are too many to enumerate at this time. He is also affiliated with the Association of Hospital Pharmacists, American Society of Hospital Pharmacists, and American Medical Association—Committee on Cosmetic Preparations.

He has served as a Director to the American Foundation for Pharmaceutical Education since 1951.

Iowa State organizations also have benefited by Dean Zopf's membership and interests, namely:

- Iowa Pharmaceutical Association
- Iowa Society of Hospital Pharmacists
- Iowa Hospital Pharmacists Association
- Triangle Club of State University of Iowa

LOUIS C. ZOPF, Dean, College of Pharmacy, State University of Iowa. Honorary Member, Kappa Psi.

965

Dean Zopf's field of specialization is Dermatological Pharmaceuticals and his contributions in publications in this and related fields of pharmacy numbers seventy-eight.

Honoray membership seems small recognition indeed to the leadership and dedication of purpose that stimulates a man such as Louis C. Zopf to serve his chosen field so admirably.

Kappa Psi is proud to welcome Dean Zopf to its ranks, realizing that such recognition will be inspiration to others in the years ahead.

## Annual National Kappa Psi Breakfast— New York—May 1, 1957

One hundred sixty-four members and several guests attended the Twelfth Annual Kappa Psi Breakfast of Kappa Psi Fraternity held at the Statler Hotel in New York on Wednesday, May 1, 1957. Grand Regent Louis Fischer presided at what was regarded by those in attendance as one of the finest of these affairs which have become a traditional part of the A. Ph. A. Convention week.

The presentation of an Honorary Membership to Dean Louis C. Zopf of the College of Pharmacy of the State University of Iowa was one of the outstanding events of the breakfast.

# Installation of Gamma Theta Chapter

*By James R. Thayer, Second Grand Vice Regent*

It is embarrassing but true that as we grow older—and most of us do—we are increasingly thrilled from being associated by youth and growth. For that reason and others I was particularly delighted to install our newest Chapter at the University of Kansas City, Kansas City, Missouri, on May 17, 1957.

I would like to memorialize the occasion by directing a few simple remarks to three interested groups—the New Chapter—all of the old Chapters and Alpha Chapter.

When I refer to the New Chapter my thinking includes Collegiate Members, Facultate Members (I hope Dean Eisenbrandt will not be offended at my ineptness in mixing Faculty and Administration) and our able and enthusiastic Brother, Dr. Rost. I wish to bestow a verbal laurel wreath on the brow of that gentleman. I am sure that his energy, enthusiasm, tact and hard work was the main factor in bringing about this latest expansion of Kappa Psi. I would like to commend the whole group for their cooperation and patience. From my observations of the group and my conversation with many individuals I can say that we are proud you have joined us. I am sure that you already subscribe to the most fundamental object of Kappa Psi—THE ADVANCEMENT of PHARMACY.

To the established chapters of Kappa Psi I direct the following remarks. The addition of a new Chapter to Kappa Psi should make you feel proud of your contributions to that organization. If you had not made Kappa Psi what it is—no group would have any incentive for joining you. We often feel that what we do as an individual or as a group is unimportant. Nothing could be more untrue. Admittedly no one of us even approaches perfection. It is equally true that unless an individual (you and I) or a group (Chapter) exhibits a constant reputation as continuous contributors to some constructive purpose—no one will buy the merchandise that we display on the counter. I am certain that no one gave the New Chapter a sales talk on this. I do not believe they were detailed on what Kappa Psi has done and is doing for Pharmacy or Civilization. I am equally sure that every one of the group before deciding to join us—sensed or felt that we were worthy of joining. You have established a fine tradition. Perpetuate it in every way you can.

To Alpha Chapter I direct the following remarks. When I speak of Alpha Chapter I mean the one that is, those that have been and those that will be. The addition of Gamma Theta Chapter is a tribute to your leadership and that leadership must continue. To some extent we are all parasitic—we have to lean on the larger group. It is the responsibility of Alpha Chapter to make the sustaining strength of the whole group available to all of its segments. No mean task. I am perfectly aware of the obstacles that make this a herculean task. I am also aware that we must in some way bridge these obstacles. We must find the means of living up to our motto—"one for all and all for one."

## A Brief History of the University of Kansas City, Kansas City, Missouri

The University of Kansas City was granted a charter in 1929. The first classes enrolled in 1933 and accreditation by the North Central Association of Schools and Colleges was received in June, 1938.

In 1938 the Kansas City School of Law became the School of Law of the University. In 1941 the Kansas City Western Dental College which was founded in 1881, became the School of Dentistry of the University. In 1943 the Kansas City College of Pharmacy which was founded in 1885, became the School of Pharmacy of the University. In 1935 graduate study was introduced for the Master's degree within specified fields on Liberal

Arts. A curriculum in nursing is offered in conjunction with the General Hospital and the Research Hospital as well as the Trinity Lutheran Hospital. In 1953 a School of Business Administration was established and in 1954 doctoral study was introduced in the School of Education which offers the B.A. degree, the M.A. degree and the Ph.D. degree. In 1954 the B.S. degree in Sciences, Medical Technology and Home Economics were added and the LL.M. degree in Law was established. The first class in Dental Hygiene was graduated in 1954.

## History of the School of Pharmacy, University of Kansas City

The origin of the school dates back to 1885 when a body of men prominent as pharmacists and physicians met and formulated plans for advancing the science of pharmacy and designated that such institution should be known as the Pharmaceutical Department of the University of Kansas City.

After a period of four years, in October of 1889, this organization was incorporated as the Kansas City College of Pharmacy, under the State Laws of Missouri and continued under this charter, meeting with success and occupying the University Medical College building.

In 1898 this school was reorganized and incorporated as the Kansas City College of Pharmacy and Natural Science Association.

In September, 1939, this school was reorganized and incorporated as the Kansas City College of Pharmacy and Science and was operated under the charter issued on September 19, 1939.

In 1920, two years of high school as prerequisite to the two year course became necessary. In 1923 a certified high school diploma from an accredited high school became a requirement. In 1926 the three year curriculum was instituted and in 1932 the four year program was adopted with the degree B.S. in Pharmacy.

In 1943 the University of Kansas City acquired the School of Pharmacy and moved it from the downtown location to the Volker Campus, housing it in the Chemistry-Biology building. In September, 1947, it moved into its own building. Dr. T. T. Dittrich was the first dean after the school's affiliation with the University. He continued in this capacity until 1953. Dr. L. L. Eisenbrandt became dean in August, 1953.

The School of Pharmacy is accredited by the American Council on Pharmaceutical Education as a Class "A" School, and is a member of the American Association of Colleges of Pharmacy.

The facilities of the school are good. All chemistry courses are taught in cooperation with the Liberal Arts in the chemistry department; the pharmaceutical chemist maintains an office and research laboratory in that department. The laboratories are excellent and fully equipped. The various biology courses are taught in the biology department of the Liberal Arts College which likewise is a well-equipped department in every respect. Pharmacognosy is taught in one of the pharmacy laboratories by pharmacy staff members. Physiology is taught in the dental building. This laboratory, too, is well equipped. Physics is taught in the Liberal Arts physics department in a well-equipped laboratory.

The professional pharmacy courses are taught in the pharmacy building. On the first floor are offices, a preparations laboratory and a dispensing laboratory. A dispensary is located on this floor as well as stock rooms. On the second floor is a large lecture hall, a manufacturing laboratory, reading room and the pharmacology department. The animal room is well cared for and in good condition. One room is limited to graduate study and research. In the general laboratory there are D.C. and A.C. power lines, oxygen and gas lines to the pharmacology tables. Compressed air is also available.

The school is unusually fortunate to have the Linda Hall Scientific Library available.

Through this library all books and journals in the pharmacy field (and other sciences) are available. This library is across the street from the university library mentioned previously. All scientific books and periodicals of the university are maintained at Linda Hall Library. Over 4500 periodicals in the sciences are subscribed to; 1500 are from outside the United States. There are well over 60,000 bound volumes (not including periodicals). Complete microfilm service is available. In short, the library facilities are of the best.

## Prominent Pharmacognosist Becomes Member of Kappa Psi

Edson F. Woodward, Jr., Chief Pharmacognosist of S. B. Penick and Company as well as assistant to the president, became a Graduate Member of Kappa Psi at ceremonies held at the Massachusetts College of Pharmacy on the afternoon of Tuesday, June 4, 1957. A number of present and past officers of Mu Chapter took part as did several faculty members from the College. Mu Chapter feels highly honored to have Brother Woodward as a member of its group and of our national organization.

This new member of Kappa Psi was born in New Hampshire on January 18, 1918. He received the degree of bachelor of science from the Massachusetts College of Pharmacy in 1939 and the degree of master of science from the same institution in 1941. During his undergraduate days he served as vice president of his senior class. Later he served as president of the Student Council at the College and president of the local Rho Chi chapter.

Mr. Woodward joined the Penick Company in September, 1941 and has remained with the company ever since except for time spent in the medical department of the United States Army during 1942 and 1943. He led the Upjohn-Penick Expedition to Africa in 1950-1951. Since then he has traveled extensively in various parts of the world, especially in Central America and India searching for new drugs and new drug sources. He is in charge of the various associate companies of S. B. Penick located in London and Paris.

On May 30, 1942, Mr. Woodward married Ruth Fleming. They have a daughter, Elizabeth. The Woodwards consider 105 Edison Street, Wyckoff, New Jersey, as home. However, they also lived in London, England.

# Kappa Psi Member Heads N.A.B.P. for 1957-58 Term

Dr. Felix Blanc (*Kappa Psi, Honorary*), Director of the Connecticut Pharmacy Commission, is the new president of the National Association of Boards of Pharmacy. This signal honor came to Dr. Blanc at the final session of the fifty-third annual convention of the Association, held at the Statler Hotel, New York City, April 29-30, 1957.

Three days later the Connecticut General Assembly adopted the following resolution:

"WHEREAS, The genial and popular Director of the Pharmacy Commission, Dr. Felix Blanc, has received well-deserved recognition by his colleagues of his ability in his chosen field by his election as President of the National Association of Boards of Pharmacy; and

"WHEREAS, The members of this assembly wish to make due acknowledgment of this honor to a man who has thus brought distinction to himself and to his state; now

"*Therefore Be It Resolved*, That heartiest congratulations and warmest good wishes for a successful term of office be extended to our good friend, and

"*Be It Further Resolved*, That the clerks of the House and Senate cause a copy of this resolution be sent to Dr. Blanc as a token of our esteem."

Connecticut pharmacists, who are jubilant over Dr. Blanc's elevation to high national office, regard this as a personal tribute to Dr. Blanc, under whose tireless and dedicated leadership the Connecticut Pharmacy Commission has become one of the most effective and well functioning agencies of its kind in the nation.

Born in Athol, Massachusetts, September 6, 1894, Felix Blanc has been a resident of Connecticut since the age of two, when his parents moved to Bethel, where he later attended grade and high schools. He first entered the pharmaceutical field as an employee of the Patrick Garvin Pharmacy in Bethel, subsequently moving to Hartford to work for the Goodwin Drug Company. He left Goodwin's to serve his country for three years during World War I, and upon his return he became associated with the Stoughton Drug Company of Hartford.

Dr. Blanc became licensed to practice pharmacy in Connecticut in 1922. Ten years later he was engaged by the Connecticut Pharmacy Commission to serve as a drug inspector. After functioning in that capacity for three years he became chief inspector and in 1944 he became Executive Secretary of the Commission. Since 1948 he has been Director of the Commission.

Under his leadership the Commission has made many much needed regulations and has sought vital legislation to tighten the control of drug distribution. But even today, he and the Commission realize that much remains to be done to revise and modernize many of the statutes in the interests of the public.

DR. FELIX BLANC (*Kappa Psi, Honorary*)  
Heads N.A.B.P. as president for 1957-58  
term.

980

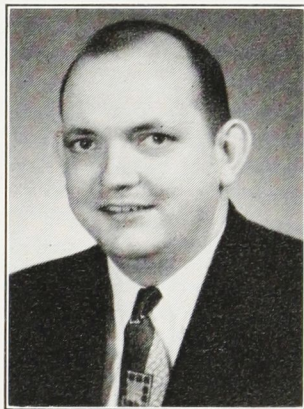

Dr. Blanc is one of the far sighted leaders whose determined activities have brought about the modernization of Connecticut's system of pharmaceutical education and it was largely through his efforts that Connecticut now has on the campus of the University of Connecticut one of the finest colleges of pharmacy in the United States.

Dr. Blanc is known in the Legislature as the "watch dog" of pharmacy. At each session proposals are advanced by lay persons, directed at laws governing the sale of drugs, and these are given careful scrutiny by Dr. Blanc and the Commission, who endeavor to see that unfavorable legislation is not foisted upon the people of Connecticut.

In the month of June, 1954 the Rhode Island College of Pharmacy and Allied Sciences conferred upon Felix Blanc of Hartford, the honorary degree of doctor of pharmacy. He was made an Honorary Member of Kappa Psi on January 16, 1952.

## You Should Know . . .

LEWIS NOBLES, Satrap of Province VII and Grand Council Deputy of Beta Rho Chapter, was born in Meridian, Mississippi, on September 11, 1925. Graduating from the Meridian High School he attended the Meridian Junior College for one year before enrolling in the school of pharmacy of the University of Mississippi in 1943. After completing one year in the school of pharmacy, he entered the U. S. Navy for approximately 27 months. During this time, he spent two semesters at Ursinus College, Collegeville, Pennsylvania before going to U.S.N.R. Midshipman's School at Columbia University from which he received his commission as ensign in the U.S.N.R. in 1945. After release from active duty, he returned to the school of pharmacy at the University of Mississippi in September, 1946. He was instrumental in reactivating Beta Rho Chapter, which had become dormant during the days of World War II, in May, 1947. He received his B.S. in Pharmacy degree in May, 1948. Shortly thereafter he entered the graduate school of the University of Mississippi from which he received the M.S. degree with a major in organic chemistry in August, 1949. In the next month, he entered the graduate school of the University of Kansas where he pursued a course of study leading to the Ph.D. degree, with a major in pharmaceutical chemistry. For the three years that he was at the University of Kansas, Dr. Nobles was the recipient of an American Foundation for Pharmaceutical Education Fellowship.

**DR. LEWIS NOBLES**  
Satrap of Province VII

981

After graduating in May, 1952, he went back to his alma mater where he had accepted the position of assistant professor of pharmacy and pharmaceutical chemistry. In September, 1954, he was promoted to the rank of associate professor and one year later was elevated to the rank of professor of pharmacy and pharmaceutical chemistry. During the 1955-1956 and 1956-1957 school years he was the recipient of a Gustavus A. Pfeiffer Memorial Research Fellowship, which allowed him to continue his active interest in the synthesis of potential medicinal agents derived from 3-substituted thiophenes. More recently, he has been awarded a Science Faculty Teaching Fellowship from the National Science Foundation to allow him to pursue post-doctoral studies at the University of Michigan and Purdue University.

On August 29, 1948, Brother Nobles and Miss Joy Ford were married. Mrs. Nobles, who was a student in the school of pharmacy at the time of the marriage, received her B.S. in Pharmacy degree in May, 1949. They have one daughter, Sandra Jeanne, who is six years of age.

Some of the other organizations to which Dr. Nobles belong are: Phi Lambda Upsilon, Rho Chi Society, Omicron Delta Kappa, Sigma Xi, Pi Kappa Alpha, American Pharmaceutical Association, American Chemical Society, and the American Association for the Advancement of Science. These are in addition to his state pharmaceutical association and other local and regional professional groups in pharmacy and chemistry.

The Province III Assembly was held at the Institute of Pharmacy in Chapel Hill, North Carolina, Saturday, April 13, 1957. Representatives of Collegiate Chapters Beta Xi, Theta, Iota, and Gamma Tau were in attendance. No representation was present from Beta Eta Chapter or from George Washington Graduate Chapter.

The meeting was called together by Satrap Earl T. Brown at 10:15 A.M. This was followed by an invocation delivered by Seth Miller (Beta Xi). Regent Hugh Hinton of the host-chapter Beta Xi welcomed the members assembled.

The Secretary's report which had been written by John W. Boenigk (past secretary) was read by Brother Semeniuk. This report was based on the proceedings of the Province III Assembly which had been held in Atlanta, Georgia, on April 23, 1955. Following this, the Treasurer's report was given which showed a balance of \$149.17 in spite of certain delinquencies in the payment of dues by some Chapters.

A discussion period followed relative to Province finances and the problems of the Treasurer relative to collection of dues. The following motion was made by Brother Semeniuk as an amendment to the By-Laws: "That Province dues by member-chapters be assessed and collectable as of April 1 of each year on the basis of active membership in each chapter as of that date." The motion was deliberated upon until the final session, seconded by Brother Alexander of Beta Xi, discussed and passed. Only Legislative approval remains for the activation of this amendment.

Further discussion hinged upon the expressed desirability that the officers of the Province be distributed more geographically in the future. It was anticipated that the Nominating Committee would attempt to effect this condition.

At this time the floor was given over to an address by Supervising Grand Officer and Grand Secretary-Treasurer Frank H. Eby whose talk revolved about the general affairs of the Fraternity in terms of growth in Chapter, Province and National scales.

The meeting adjourned at 12:20 P.M. for an enjoyable luncheon at the Beta Xi Chapter House. Guest speaker at the luncheon was Mr. Roy Armstrong, Director of Admissions at the University of North Carolina.

At the afternoon session which opened at 2:30 P.M. each of the represented member-chapters was called upon to report on the activities and accomplishments it experienced since its previous assembly report in Atlanta.

The following committee reports were then given:

Resolutions Committee—(recommended and passed): 1. That the Secretary be instructed to write the Secretary of the North Carolina Pharmaceutical Association (Mr. W. J. Smith) expressing gratitude and thanks for the use of the Institute of Pharmacy for this Assembly gathering; 2. That the Province delegate to the coming National Convention be instructed to present the following proposal: That the national body make a study to determine the possible effects of the 5-year program upon the membership of Kappa Psi in the future.

Time and Place Committee—(recommended and passed): That the next Province Assembly be held in Richmond, Virginia, with Theta as host-chapter. Suggested date was the second week of April, 1959, with the exact date and time to be set by the Executive Committee by known circumstances at the time.

Nominations Committee—(recommended and passed): Satrap, Earl T. Brown (faculty, University of North Carolina); Vice Satrap, G. L. Geiler (faculty, West Virginia); Secretary, John Andrako (faculty, Medical College of Virginia); Treasurer, Gus Koustenis

(faculty, George Washington); and Historian, J. Z. Krezanoski (faculty, Medical College of Virginia). The Delegate and Alternate Delegate elected for representation of the Province at the National Convention at St. Louis in December of 1957 were, respectively, Bill Allen (Beta Xi) and Mike Lazarus (Beta Xi).

The Province III Assembly adjourned at 4:30 p.m. This was followed by a Beta Xi dinner and reception.

## Report on Meetings and Visitations

Frank H. Eby, *Grand Secretary-Treasurer*

### PROVINCE III ASSEMBLY

The Province III Assembly held on April 13, 1957 at the beautiful home of the North Carolina Pharmaceutical Association in Chapel Hill, North Carolina, was outstanding as is usual for Province III. The gracious hospitality of Beta Xi Chapter which was host at a luncheon for the visiting delegates and then host at an evening party at the chapter house, was southern hospitality at its best. Satrap Earl T. Brown directed the activities of the sessions so well that he was reelected Satrap. Secretary-Treasurer Fred Semeniuk, who has been active in Kappa Psi for some years, contributed much to the success of the meeting. The Grand Secretary-Treasurer addressed the afternoon session and discussed some of the achievements of the Fraternity and also some of its important objectives. The Assembly was well attended and certainly achieved as much as possible in a one-day meeting.

### BETA ETA CHAPTER

Morgantown, the home of the West Virginia University, is a beautiful college town but one wonders how students reach classes on those days when the really sharp hills are covered with snow and ice. However, it was a beautiful day when we arrived on April 15 and soon found ourselves in the good hands of Professor and Mrs. Frederick Geiler. The Grand Secretary-Treasurer and Mrs. Eby enjoyed a fine tour of the campus and a visit to the wonderful new Medical Center where the new School of Pharmacy is located, and then a trip through the scenic country in the Morgantown area. In the early evening we met the members of Beta Eta Chapter and especially the fine class of new members with whom we later enjoyed a West Virginia steak dinner and the hospitality of one of our finest chapters. Beta Eta Chapter has just completed one of its best years in service on the campus and in membership where the chapter ranks ninth nationally in our forty-nine active collegiate chapters. We enjoyed meeting Past Regent Andrew F. Shelton, the top scholarship man in his class, and the other capable officers who assisted him during the year. Following the dinner we had a profitable meeting with the new officers, Regent Albert R. Shaw, III, Secretary Charles Coe, Treasurer John C. Buck and others. It was also a pleasure to meet again such old friends as Dean J. Lester Hayman and Professor Gordon A. Bergy, both of whom have been loyal supporters of the chapter. In Professor Frederick L. Geiler, the Grand Council Deputy, Beta Eta Chapter has a devoted advisor whose fine influence has been an important factor in the substantial growth of this chapter in recent years. Although our visit to Morgantown and Beta Eta Chapter was rather brief, it was most enjoyable and we shall look forward to seeing all of you soon again.

### NU CHAPTER

For the first time in several years, it was our pleasure to make an official visit to Nu Chapter at the University of Connecticut, Storrs, Connecticut, on April 24, 1957. After our arrival at the college in the early afternoon, we enjoyed a brief visit with Dean Harold G. Hewitt; discussed some business matters with Editor of THE MASK, Nicholas W. Fenney; saw several old friends including Raymond Dauphinais (Chi) and Robert Singiser (Beta Omega) and then had a profitable discussion on general fraternity matters with Nu Chapter officers including Regent Walter A. Galazka, Secretary John Yorkin and Treasurer Robert G. Williams, son of Grand Historian Walter R. Williams. We are sorry that we missed seeing the Grand Historian who is also Nu Chapter G.C.D., but he was on an official visit to Beta Delta Chapter. In the late afternoon we had the pleasure of visiting the Nu Chapter House and we inspected every portion of it. We can say that it is just about the finest Kappa Psi House in existence, well managed by the members with a fine social atmosphere maintained by the House Mother, Mrs. Edith S. Lyons.

We met a wonderful group of brothers and then enjoyed a fine dinner in the Chapter House dining room and the Grand Secretary-Treasurer still believes that someone used a little pressure to see that he had his favorite steak and cherry pie. Following the dinner there was a meeting in the Chapter Room where the Grand Secretary-Treasurer had the opportunity to thank the members for their splendid hospitality and compliment them for the fine way in which they maintain the Chapter House and also for the outstanding manner in which they represent Kappa Psi on the campus. We are very proud of this chapter for its many accomplishments at the University of Connecticut and for the quality of its off-campus community service activities.

## INTERFRATERNITY RESEARCH AND ADVISORY COUNCIL

The Annual Meeting of the Interfraternity Research and Advisory Council (IRAC) was held at Providence, Rhode Island, May 3, 4 and 5, 1957. Grand Secretary-Treasurer Frank H. Eby represented the Professional Interfraternity Conference and in the capacity of President-Elect, participated in the meeting of the Board of Directors.

IRAC had its origin in Chicago in 1940 and is composed of the four major national fraternity organizations, the National Interfraternity Conference, National Panhellenic Conference, Professional Panhellenic Association and the Professional Interfraternity Conference. The purpose of the Council is to act as an agency to initiate and coordinate research in matters of vital concern to Greek letter societies and provide reliable information and to function in an advisory capacity to the four member organizations which have common interests. Each participating organization speaks for itself on matters of policy. There is unity in the desire of all of the member organizations to improve the public relations of the fraternities, social and professional, with the universities and colleges, with the parents, and with the world at large so that the real aim and purpose of the American College Fraternity System may be better understood and appreciated as an adjunct to the American College Educational System.

It was the consensus of the Providence meeting that there must be a continuous education of fraternity leadership concerning IRAC, its purpose and function as a resource to all the fraternity world. Final responsibility for the effective education of fraternity men and women rests with the member organizations of IRAC but the impetus must come from the Conferences.

## Third Grand Vice Regent Forslund Visits Beta Omicron Chapter and Province X Assembly

Beta Omicron Chapter was visited on Friday, April 19, 1957. The trip from Portland was made by plane. Regent Paul Brittain, Vice Regent Bob Spence, and Chaplain James Sayers presented their greetings at The Olympic Hotel.

In the college of pharmacy building, on the campus of the University of Washington, a meeting was held with the officers of the Chapter. Bill Elliot, Treasurer, Bob Else, Secretary, and the officers named above were in attendance. Their Chapter was discussed somewhat in detail. It is obvious that Beta Omicron Chapter is exceptionally strong as a fraternity. Their officers are doing a fine job. Regent Brittain is a credit to the fraternity as well as to his college.

The group is now in the process of forming a chapter house. This will probably take place very gradually. Several of the members plan to live in the same private house on the campus, then gradually build up their group with more Kappa Psi Brothers in the years immediately ahead. After several years of such organization, their intent is to guide the rentals towards their own members. This appears to be a very sound idea and enables them at the same time to proceed on a very solid business basis.

Grand Council Deputy Hall was present also. Grand Regent Fischer is a very busy man. He has established his own Kappa Psi office at his home.

All the brothers of the chapter were visited with on Saturday during the Province X Convention. A meeting room was arranged for in the Huskey Union Building. Regent Brittain was extremely busy at the convention. He was engaged in several different roles. Attendance at the convention was good. The report of the Saturday meeting will be presented in THE MASK by R. Franklin Hart, Secretary of Province X.

## Grand Historian Williams Visits Beta Epsilon Chapter and Province II Assembly

Drove up to Providence on Tuesday afternoon Feb. 12, 1957 arriving at the Rhode Island College of Pharmacy and Allied Sciences on Benefit St. at about 4:00 P.M. Parked the car and then had an interesting chat with Dr. Russell Brillhart who is acting dean since the sudden loss of former Dean Henry J. Rivard. Regent Norman Campbell and several of the Brothers met me in the Dean's office shortly before 5:00 P.M. and we all went up to the Chapter House further up Benefit St.

At the house we held an informal meeting with nearly all the present officers and the new officers to be as well as some of the other Brothers. From the answers to questions asked on both sides it appears that Beta Epsilon has enjoyed a successful year under the present regime of officers and can certainly expect an equally successful one under the incoming officers. The writer was impressed with the chapter house, nothing pretentious but very serviceable, and with the well-stocked lockers for keeping the chapter records and a rather full compliment of paraphernalia for ritual work.

For the evening affair we all repaired to Johnson's Hummocks where a delicious dinner awaited us. Following the dinner, G.C.D. Brother Henry Mason presented pledge pins to a class of five

pledgees and Regent Campbell very impressively installed the new slate of officers. Before and after the affair I was pleased to meet and talk with the new dean of the University of Rhode Island School of Pharmacy, Heber W. Youngken, Jr. and the facultate members Brothers Brillhart, Mason, Lameshka and Johnson. Following talks by the new Dean Youngken, Jr., Dr. Brillhart and the Grand Historian, everyone returned to the chapter house for an informal social hour.

I departed for home a little before midnight with a warm feeling of gratitude for the hospitality and hand of fellowship extended me by the Brothers of Beta Epsilon Chapter. Although the chapter faces a year of transition from the familiar surroundings of Providence to the campus at Kingston, I am confident that the officers and Brothers will meet any eventualities that may arise in true Kappa Psi spirit. From this move to campus I expect an even stronger and more successful Beta Epsilon chapter to emerge.

### PROVINCE II ASSEMBLY

Being in Boston on April 6 to help Mu Chapter celebrate its 50th Anniversary, I decided to fly to Philadelphia for the Province II Assembly on April 7. Through the kind assistance of Brothers Tom Gier and Paul Willis, who met me at the Philadelphia Airport, we were sitting in the meeting at the Eta Chapter House by 11:15 A.M., less than three hours after leaving Boston. (Wonderful invention these airplanes!)

Satrap James Leedy had started the meeting promptly at 10:30 with about fifty delegates and members in attendance. The more interesting part of the morning session was still to come, however, for three panels of two members each from the various member chapters spoke on assigned topics. In the talks as well as the discussion that followed each one, many fine ideas and means of accomplishing the desired objectives were brought to the floor. To the writer this is one of the most important functions of the Province Assembly.

For the luncheon and afternoon session we moved to the Hotel Penn Sherwood. At the luncheon the Grand Historian spoke briefly on our indebtedness to the early organizers and founders of Kappa Psi Fraternity and Brother Louis King, Secretary-Treasurer of Province II and newly appointed by Grand Regent Louis Fisher to the Committee on Public Relations, spoke on the objectives and purposes of the Committee and how the Brothers can help the committee to realize these objectives.

During the afternoon session, a new slate of officers was elected and installed, a change in By-Laws was voted upon, and tentative plans made for the next Province Assembly two years hence.

For some reason unknown to the writer, the Collegiate Chapters of Province II seem to have much more spirit and interest in the meeting than do the Graduate Chapters. Representation was sadly lacking from three of the four Graduate Chapters in Province II. New Jersey Graduate had a number of delegates and members present, New York Graduate had but one, but Pittsburgh and Philadelphia had none. Evidently the Graduate members do not expect to take anything of value away from a Province Assembly but their presence and counsel can contribute a great deal to the Collegiate members in attendance. Perhaps another time more widespread publicity and even notices in the mail from the Graduate Chapter secretary to the membership of his chapter would make for greater attendance on the part of the Alumni Kappa Psi men.

At any rate it was a pleasure to renew old acquaintances and make many new ones among the Brothers of Province II. Our congratulations to Satrap Leedy and his committee who arranged the program for a job well done. Our congratulations too, to the new slate of officers.

I had to leave right after the meeting adjourned to catch a train for Hartford. Regret that I had to take a rain check on an invitation to visit Beta Omega's new chapter house. My sincere thanks to all the Brothers who made my visit such a pleasant one and extended me the hand of fellowship.

## Grand Historian Williams Visits Beta Delta Chapter

Upon invitation from the Brothers of Beta Delta Chapter the Grand Historian drove up to Albany on Wednesday April 24, 1957. Arriving early in the afternoon we drove out to New Scotland Avenue to visit the school. There Brother Al White, facultate member and former associate of ours here at Connecticut, gave us the \$50.00 tour. During the trip through the building we were pleased to say hello to Dean Francis J. O'Brien, Professors Claude Reed, Rinaldo DeNuzzo and several other members of the staff of the Albany College of Pharmacy. We were particularly impressed with the new addition to the school which will greatly augment the laboratory and classroom facilities.

Returned to the hotel to freshen up and then drove out to Herbert's Restaurant where the banquet meeting was held. There we met the outgoing Regent Brother David Serrone and several of the retiring officers such as Secretary Brother McCarthy and Treasurer Brother Joe Chiarella, Jr. At the banquet Dean O'Brien served as a very able toastmaster and the main speaker was Father Ben Kuhn, member of the staff at Sienna College. He held the fellows in stitches with his infectious humor but also spoke very impressively on the more serious side of our profession and of life. The Grand Historian spoke briefly on the historical background of Beta Delta Chapter and of the National Organization.

Following the banquet we had a very interesting meeting with the new officers and G.C.D. Lauren Hanmer. In fact during the dinner we sat next to the new Regent Brother Wesley Barnard and

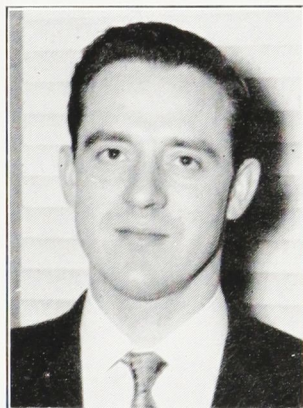

enjoyed conversing with him very much. The other officers are: Brothers Goggins, Sube, Cherry, Francis and Chiarella all seemed cognizant of the job ahead of them and ready and eager to give it their very best.

We would like to take this opportunity to thank all the Brothers of Beta Delta for their friendly reception and warm fellowship. This chapter seems destined to continue as one of the larger chapters of Kappa Psi and to continue to make contributions both to the school and to the profession commensurate with its size. It was a pleasure to make so many new acquaintances, we hope to renew some of these next December at the G.C.C. in St. Louis.

## You Should Know . . .

PIERRE F. SMITH, chairman of our Scholarship Committee, was born in North Tonawanda, New York on August 17, 1920. He attended the local schools and then the University of Buffalo from which he obtained the bachelor's degree in pharmacy in 1941. He then served as a lieutenant (j.g.) in the United States Naval Reserve as an aviation radar officer during World War II. In 1947, Brother Smith received his Ph.D. degree in pharmaceutical chemistry from the University of Maryland. From 1947 to 1949 he was assistant professor of pharmacy at Western Reserve University where he also served as the Grand Council Deputy to Beta Beta Chapter of Kappa Psi. From 1949 to 1952 he served as assistant professor of pharmacy at Rutgers University and as associate professor of pharmaceutical chemistry from 1952 to 1957. While at Rutgers, Brother Smith served as the Grand Council Deputy to the Omega Chapter and as a member of the National Executive Committee of Kappa Psi Fraternity. On July 1, 1957, Brother Smith assumed the chairmanship of the department of pharmaceutical chemistry at the University of Rhode Island where he holds the rank of full professor.

Dr. Smith holds membership in numerous professional organizations in pharmacy and chemistry. He is a bachelor.

AFTER TORNADO STRUCK THE BETA SIGMA CHAPTER HOUSE  
 Damage was so extensive that house will have to be demolished.

# Tornado Destroys Beta Sigma Chapter House

The recent tornado which cut a wide path of destruction through the city of Fargo, North Dakota, destroyed the chapter house of Beta Sigma. Five brothers who had sought shelter in the basement when the tornado approached the city, miraculously escaped injury for which the entire fraternity is most grateful.

Grand Secretary-Treasurer Eby has been in contact with Dean Clifton E. Miller, the Beta Sigma Chapter Grand Council Deputy. He reports that the house has been declared a total loss but some furniture has been salvaged. Full insurance on the house will be realized but the replacement costs will place a very heavy burden on the chapter. The present plans already approved by the college, call for the construction of a larger house on a new site close to the college campus. Only a part of this house will be possible in the near future, possibly a basement unit which should be available for the new fall term.

For many years Beta Sigma has been one of our finest chapters. It has been outstanding on the campus at the North Dakota Agricultural College where it has enhanced the prestige of Kappa Psi by its many fine contributions. We would like it to maintain the same important position.

THIS DISASTER IS THE FIRST OF ITS KIND EVER EXPERIENCED BY A KAPPA PSI CHAPTER. WE ARE HOPEFUL THAT THE LOYALTY AND THE STRONG FRATERNAL BONDS OF OUR BROTHERHOOD WILL BE DEMONSTRATED EFFECTIVELY THROUGH GENEROUS FINANCIAL ASSISTANCE. THIS APPEAL FOR ASSISTANCE IS DIRECTED TO EACH MEMBER, COLLEGIATE AND GRADUATE. Contributions in any amount will be appreciated.

FRANK H. EBY, *Grand Secretary-Treasurer*

## Past Grand Regent Honored

Dr. Heber W. Youngken, Research Professor of Pharmacognosy at the Massachusetts College of Pharmacy, was honored at a luncheon held at the Hotel Kenmore, Boston, on Tuesday, June 4. In attendance were more than forty of his past and present associates and students as well as other guests.

Mr. Edson F. Woodward, Jr., of S. B. Penick and Company served as master of ceremonies and presented Dr. Youngken with a Zeiss camera and accessories, gifts from those in attendance as well as from those unable to be present. Many who were unable to attend sent letters of greetings to their former associate and teacher. Mrs. Youngken, a favorite with all, was presented with a leather handbag.

### Brother Henry A. Langenhan Dies

Kappa Psi mourns the passing of one of its great contributors in the early years of the professional phases of the Fraternity. Not only was Brother Langenhan an active member for many years but also served on the Editorial Board and Extension Committee for a number of years. He was also secretary of the former Northwest Province of Kappa Psi. He was 74 years old when he died in Seattle, Washington.

Dr. Langenhan was at one time a member of the Department of Pharmacy at the University of Washington where he retired in 1953. He first joined the university in 1922 as an associate professor. He resigned in 1939 to go into private business.

In 1947 Dr. Langenhan returned to the faculty as a part-time lecturer in pharmacy. He was born in Ableman, Wisconsin. He was graduated from the University of Illinois College of Pharmacy. He received his master's degree from the University of Wisconsin in 1915 and in 1918 received the first doctorate given in pharmacy in this country.

For several years Dr. Langenhan was a practicing pharmacist and analytical chemist. He began his teaching career in 1908 at the University of Illinois and also taught at the University of Wisconsin before he came to the University of Washington.

From 1930 until 1950 Dr. Langenhan was a member of the United States Pharmacopoeia Revision Executive Board. He was vice president of the American Association of Colleges of Pharmacy in 1930 and 1931 and chairman of the scientific section of the American Pharmaceutical Association in 1929 and 1930.

In 1934 Dr. Langenhan received the Ebert Prize for his research in pharmaceutical problems.

### GAMMA—COLUMBIA COLLEGE OF PHARMACY

The brothers of Gamma Chapter have just completed another successful year. Our raffle was a success for the chapter and the college, since 40% of the proceeds went to the college building fund for the new college of pharmacy building which will be located on the university campus.

Brother Bob Martinek, class of '54, was the winner of the first prize which was a complete Hi-Fi Component. Dean Emeritus Schaeffer of Brooklyn College of Pharmacy won the third prize, a gift certificate. Special thanks to Beta Omega, Temple U., for their contribution to the raffle.

Brother James Echeandia, who was graduated this year, received a fellowship and has decided to stay on here at Columbia. James won the Lehn and Fink prize for his excellence in senior chemistry. We are very proud of Jim and we know that he will continue his fine work.

Brother Gerald Donaty, class of '58, has been elected president of the student branch of the A.Ph.A. (Gerald was formerly secretary.) Brother Sandro Walsh '58 was elected secretary. Once again Kappa Psi has retained its leadership in the A.Ph.A.

Brother Ralph Trentadue, class of '58, our new Regent, is the proud father of a little red-haired baby girl. Brother Sandro Walsh was the host of a post-exam card party and much liquid refreshment flowed. A good time was had by all.

The new officers, headed by our new Regent, have already made plans for the coming year. Forthcoming have been some interesting ideas on how a fraternity may stress the professional aspect of Pharmacy. Following up these ideas the fraternity has planned to sponsor a series of lectures given by prominent members of the profession.

P.S. Hope Brother Bruce Hook '54, second lieutenant Air Force, is enjoying that southern hospitality.

### ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Greetings once again from Eta Chapter. Having just taken our final exams most of us are still walking around with our eyes half-closed and talking to ourselves. Seriously though, we sincerely hope that everyone did well in them.

As was announced in the past issue, Eta Chapter was making plans for two of our biggest social events of the year, the Spring Formal and the Alumni Banquet. The Formal was held at the Riverton Country Club on April 14. Several of our alumni managed to make the affair and it was a tremendous success. The dance broke up at 1 A.M. after which everyone returned to the house for a "quiet little" party.

The Penn Sherwood Hotel was the scene of Eta's Annual Alumni Banquet on May 2. Old acquaintances were renewed and new ones made in such a spirit as only a Kappa Psi man could know. The occasion drew Brother John Ryan all the way from Wichita, Kansas, and we are all certain that he was well rewarded for the effort. All told, twenty-three alumni were present.

Church bells will ring for three of us this summer. Brother Bob Pease is taking the big step in June, Brother Ed Pawling in August, and Brother Charles Mousseau in September. Inciden-

tally, Charlie is engaged to Miss M. Mulligan, Eta's Sweetheart of 1956. Congratulations and the very best of luck to you.

A few of our Brothers made it to New York for the A.Ph.A. Convention where they met a number of Kappa Psi men from other colleges. We are anxious to see you again and this can become possible at the National Convention in St. Louis in December. We are eagerly anticipating those three days and we are sure that you are doing the same.

A dated party was held at the house on June 3 for our seniors. Brothers Bob Ackrom, Ed Brennan, Roy Lee, Al Smith, and Bob Wertz are now seeking their fortunes in pharmacy. Congratulations to them and to Kappa Psi graduates everywhere. Eta would like to wish all of you a happy summer and until the next issue I remain

Fraternally yours,

### MU—MASSACHUSETTS COLLEGE OF PHARMACY

Greetings from Boston to all of our Brothers in Kappa Psi. On Saturday evening, May 4th, the Annual Mu Chapter Formal, this year in honor of our Fiftieth Anniversary, was held at the Commonwealth Country Club in nearby Newton. The affair was well-attended and everyone present had a fine time. Faculty members present were Professors Quimby, Foye, Schermerhorn, Mickles, and Narinin. Former faculty members present were Dr. William Hassan, Jr., of the Peter Bent Brigham Hospital, and Brother Raymond Gosselin, President of R. A. Gosselin and Co., Inc.

After the fine roast beef dinner, Regent Richard Hughes presented a gift of appreciation to our Faculty Advisor, Brother James Mickles, for his service to the Chapter. We all wholeheartedly "second the motion."

Next came the installation of the new officers for 1957-58. They are: Regent, Robert J. Rocheleau; 1st Vice Regent, Richard A. Metcalfe; 2nd Vice Regent, Philip R. Tremblay; 3rd Vice Regent, James P. Wallent; Secretary, Brendan H. O'Toole; Treasurer, Peter J. O'Reilly; Chaplain, Richard M. Gallant; Social Affairs Chairman, Daniel E. Warren; Historian, Leonard B. Haslam.

After the ceremony the dancing began. A lot of our Mu Chapter Brothers are good dancers, among them Bob Wheeler who showed us how the Cha Cha Cha should be danced, and Pete O'Reilly who only touched the floor three times in a rousing Polka. All this plus a rendition of "The Sweetheart of Kappa Psi" followed a little later by "On Top of Old Longwood" which is a local classic sung to the melody of "On Top of Old Smoky." To use an old phrase, "A good time was had by all."

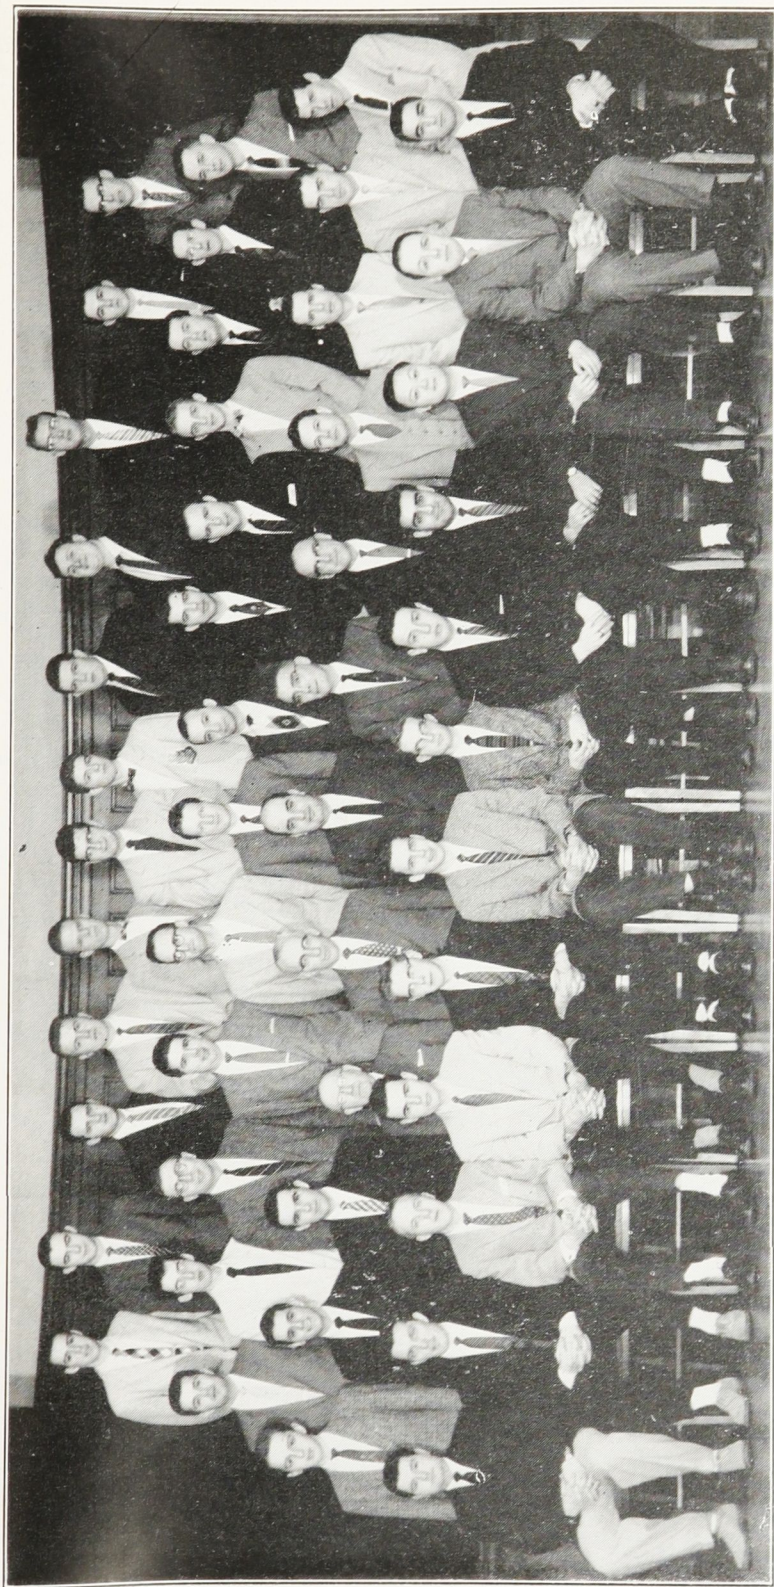

We were glad to see Brother Jack Elder when he visited the college recently. Jack said some nice things about the State of Washington where he is studying for his Ph.D.

Mention should be made of the retiring officers of Mu Chapter who devoted so much time and energy to making this past year a highly successful one. A vote of thanks from all of us.

Best wishes to all of our Kappa Psi Brothers for a fine summer. See you in the fall.

Fraternally yours,  
LEONARD HASLAM, *Historian*

## NU—UNIVERSITY OF CONNECTICUT

Greetings from Nu Chapter.

The twenty-fifth annual dinner for graduating seniors was given by the Connecticut Graduate Chapter at the Nutmegger in Newington on June 6th. Special guests included: Professor Fenney, Editor of *THE MASK*; Professor Williams, Grand Historian; and many prominent members of the school of pharmacy, the graduate chapter, and the state commission of pharmacy. Many undergraduates also attended. John Verde was presented with the Senior Scholastic Award and Ray Buccino received the Junior Award.

Highlights of our social calendar for the last weeks of school were our Spring Formal and Picnic. Our Formal held at the Chestnut Lodge in Colchester, was one of Nu Chapter's most successful formals. The brothers and their dates danced to the music of Al Jarvis's Combo. Patrons and Patronesses included: Professor and Mrs. Fenney, Professor and Mrs. Williams, and Professor Dauphinais.

Nu's picnic was held on the last day of classes. The steak dinner brought our social calendar to a successful end.

Recently elected Regent for the next semester to replace Maurice Beaulac who is graduating,

was Walter Galazka. Jim Doonan was elected to replace Walter in the Vice Regent position.

Nu Chapter recently had the pleasure of a visit from the Grand Secretary-Treasurer, Frank Eby. A dinner and a special meeting were held in Brother Eby's honor.

Once again Kappa Psi won a trophy in the Community Chest Carnival. This year the trophy was awarded for the most lucrative tent show. We presented a variety show which featured our own "Elvis," who was played by Bob Klecak. Background music was provided by Tom Tepfly and his combo.

Brother Bob Heller recently broke the University of Connecticut's outdoor hammer throw record at a track meet with the Coast Guard Academy.

Recently initiated brothers are: Larry Day, Dick Johnson, Jim Late, Dick La Vallee, and Harry Mueller.

Fraternally yours,  
FRANK KRIVANEC, *Historian*

## CHI—UNIVERSITY OF ILLINOIS

Here at Chicago, the weather is warm and everyone is bearing down on the books as final exams are breathing down our necks. Things have

really happened the past few months. Our chapter was strengthened by the initiation of six new brothers. The new brothers are: Russ Ball, Jack O'Donnell, Paul Pinta, Frank Bosco, Anthony Serio, and Ron Pochocki. The initiation was held at the Union Building. Following the initiation, everyone went to Winslow's Chicken in a Basket, where our annual Father and Son banquet was held. The guest speaker was a present member of the Chicago Bears, the hilarious Bill Bishop. A good time was had by all.

On May 18, 1957 Chi Chapter held its annual Spring Formal Dinner Dance. The excellent work of the social committee was evident as there was a large turnout at the Elmhurst Country Club where everyone had a gay time.

On May 28 a banquet was held at the YMCA where Rus Steger, who was a fullback on the 1947 Illinois Rose Bowl Team, was the guest speaker. At the banquet a trophy was presented to our volleyball team, who took first place in the YMCA tournament, thus adding another trophy to our first place trophy won at the medical center. Our volleyball team consists of Brothers Dick Schlueter, Keith Anderson, Jack O'Donnell, Russ Ball, Frank Grabowski, Paul Szpara, Ted Gladson, Don O'Mara, Don Buttitta, Stan Jurgens, Chris Stankus, and Dave Haraburda.

Speaking of sports, Kappa Psi fielded two fine teams this baseball season. The A team was composed of brothers, Russ Vann, Norb Dybas, R. Ball, F. Grabowski, J. O'Donnell, Paul (Kadorovich) Szpara, D. Haraburda, C. Stankus, Dick (athlete of the year) Schlueter, Joe (Cricket) Simons, and Ted Gladson. The B team included Brothers F. Ban, C. Garibaldi, T. Serio, P. Pinta, Dick Beck, Frank Bosco, R. King, Don Buttitta, Don O'Mara, Bob Sztuk and Willie (Moneyman) Schenk.

The A team wound up with a record of four wins and no losses. The B team had some tough breaks and was eliminated from the tournament.

The following officers were elected and installed for the coming year: Regent, Chris Stankus; Vice Regent, Ted Choate; Secretary, Ted Gladson; Treasurer, Willie Schenk; Assistant Treasurer, Norb Dybas; Assistant Secretary, Russ Ball; Chaplain, Gunnard Johnson; Sergeant-at-arms, Bob Sztuk; and Historian, Dave Haraburda.

For the second year in a row a Kappa Psi man was elected president of the senior class. Brother Steverino Benak succeeds Brother Tom Brown as chief executive.

Two more of the boys will bite the dust this summer. Brother Ron Moss and his girl Adel will exchange matrimonial vows June 29. Brother Wally Pupich and his flame, June, will say "I do," on July 13. Loads of luck and happiness to the lucky four.

Congratulations and good wishes are also in order for our graduating seniors, you lucky dogs.

Note: Watch this chapter next year when we will make history, as we hope to make it the best ever.

Fraternally yours,  
DAVE E. HARABURDA, *Historian*

## OMEGA—RUTGERS UNIVERSITY

The brothers of Omega were afforded the opportunity to meet with many of our Kappa Psi brothers at the recent convention of the American Pharmaceutical Association which was held just across the Hudson in New York City. The high-

light of the convention was the fine turnout of collegiate brothers at the Kappa Psi Breakfast. The men of Omega enjoyed quite a session with brothers from Beta Kappa and Eta Chapters (and some very attractive Lambda Kappa Sigma sisters from the University of Pittsburgh).

By the time this issue is read we will all be close on to a new semester and new fraternity business. We of Omega would like to extend rather belated congratulations to all the graduated brothers of Kappa Psi and best wishes to all collegiate brothers for the coming school year. Congratulations are also in order for Brother Allan Yard of the Medical College of Virginia faculty upon his recent marriage.

At the Awards Convocation held at the college in May, Brother Joseph Micale was presented with the Ernest Little Alumni Medal which is given annually to a graduating senior. The recipient is chosen by the entire faculty on the basis of scholarship, leadership qualities, and participation in extracurricular activities. Joe also won the New Jersey Pharmaceutical Association Award which consists of a plaque and a one-year association membership and is presented for outstanding leadership in college organizational activities. The Merck Award for excellence in Pharmaceutical Chemistry, a Student Council Key, and an Omega Chapter Scholarship Key also came Joe's way. Brother Joseph Jasaitis also received an Omega Chapter Scholarship Key. Student Council Keys were presented to Brothers Bernard Miller and Kenneth Treidel, while Brother Stephen Baron was awarded a key for his work on the staff of the Rutgers Apothecary.

We of Omega are sad to report that we have lost a fine friend and faculty member in Brother Pierre F. Smith, and would like to wish him the best of luck in his new position at Rhode Island. We would also like to thank Dr. Smith for the all too kind words of his farewell letter to the Chapter. We are confident that Omega's loss will prove to be Beta Epsilon's gain.

Best wishes to Brothers Paul Hanlon, Joseph Kochbarski, Leon Rabtzw, Stephen Baron, James Flynn, Alfred Aimone, Ralph Cifaldi, Donald Longenberger, Joseph Jasaitis, Marshall Pesciotta, and Joseph Micale who were graduated last June. We will be looking forward to seeing them at this year's Smoker and other fraternity affairs. Congratulations also to Brothers Vincent Centanni and John Cerutti who were elected to the offices of Student Council president and treasurer respectively.

Fraternally yours,  
ROBERT G. SCULLY, *Historian*

## BETA DELTA—ALBANY COLLEGE OF PHARMACY

The annual Kappa Psi Sweetheart Dance, under the able management of Chairman Bill Reilly, was held on the 5th of April at the Aurania Club. The highlight of the evening was the selection of this year's sweetheart, Miss Joanne Conway of Albany. Miss Conway was escorted by Brother Mike Loudis. The dance proved to be a great success and was enjoyed by all who attended.

Herbert's Restaurant was the scene of the Beta Delta Chapter annual banquet. We were very fortunate in having as our guest speakers, Rev. Benjamin Kuhn, O.F.M., a member of the faculty at Siena College and Brother Walter R. Williams, Grand Historian of Kappa Psi. The

speakers were introduced by Brother Dean Francis J. O'Brien. Our faculty advisor, Brother Lauren Hammer, was presented with a gift from the chapter members in appreciation for his fine guidance throughout the year.

The election and seating of officers took place recently. Those elected were: Regent, Wes Barnard; Vice Regent, Herbert Goggins; Recording Secretary, Joe Chiarella; Corresponding Secretary, John Cherry; Treasurer, Mike Sube; Chaplain, Ted O'Toole; and Historian, Moncrief Francis.

After a postponement of one week, the Spring Picnic with Brother Jim Garrity in charge, was conducted at the Six-Mile Water Works located just off Albany's Washington Avenue. In spite of the usual picnic rain, there was a good turnout of members for the occasion. Contrary to the previous picnics, individuals brought their own lunches and the liquid refreshments were supplied by the chapter.

We offer our congratulations to the senior brothers who are graduating and take this opportunity to wish them success in their future endeavors in the field of pharmacy. Congratulations to Joan and Bill Hoppey on the birth of their son, William Patrick and also to Jean and Jim Garrity on the birth of their son, Kevin James.

Until the fall issue, I remain fraternally yours,  
MONCRIEF FRANCIS, JR., *Historian*

#### BETA EPSILON—UNIVERSITY OF RHODE ISLAND

Beta Epsilon sincerely hopes that all our brothers succeeded in passing their final exams without much difficulty and wishes to extend congratulations to those brothers who graduate this year.

We extend also our heartiest congratulations and all possible success to our own brothers, who graduated on June 12. They include: Norman A. Campbell, Joseph J. Chiras, Thomas F. Charette, Edward Dayian, Carmino A. DeTomasias, Owen D. Earnshaw, Robert Harb, Normand D. Talbert, Bernard F. Keegan, James A. Mancini Jr., George B. O'Brien, Michael J. Scarpellino, David C. Simpson, Charles W. VanWart. Their example was inspiring and it is the foundation upon which the remaining brothers of Beta Epsilon will continue to build the aims and objectives of Kappa Psi.

Our final meeting, a luncheon, was held early in May at Johnsons Hummocks. The senior brothers were honored at the meeting.

Congratulations go to Bernard F. Keegan as the recipient of the Ray S. Kelley Award. Brother Keegan will surely be a success in his chosen field.

Attention Mu and Nu Chapters: Don't forget to send pledges to the University of Rhode Island at Kingston. We would appreciate a visit from any brothers who are interested in seeing our new school. Dean Youngken will personally guide your tour, but may I remind you to bring your walking shoes and a couple of vitamin capsules. It seems Brother Youngken is in better physical condition than the students.

In closing Beta Upsilon wishes an enjoyable summer to all. Until my next letter I remain

Fraternally yours,  
EDWARD DYER, *Historian*

#### BETA ZETA—OREGON STATE COLLEGE

Greetings to all Brothers in Kappa Psi from Beta Zeta Chapter at Oregon State College. Since

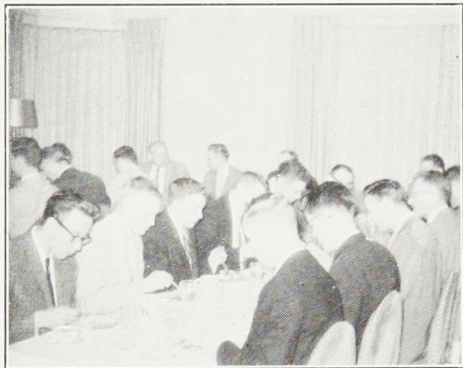

our last letter to THE MASK we have initiated a number of new members, held several dinner meetings, and elected new officers.

The new officers elected in April to serve the coming year are: Gordon M. Smith, Regent; Steven Burton, Vice Regent; Bryan Tanabe, Secretary; Robert Shelton, Treasurer; and Bill Lockyear, Historian. Elected as Faculty Advisor was Dr. Leo H. Sciuchetti.

Past Regent Robert McDermott suffered a broken leg in a hotly contested softball game during the A.Ph.A. picnic held in May. After a week in the hospital, Brother McDermott was able to hobble through graduation and state board exams on a sturdy pair of crutches. It will be several months before Brother McDermott's leg is completely recovered and we all wish him good luck.

It is a pleasure to see another year slip by and I am happy to sign off for a restful summer.

Fraternally yours,  
BILL LOCKYEAR, *Historian*

AT BETA OMICRON SPRING  
INITIATION BANQUET 996  
The Gold Room, Meany Hotel

#### BETA OMICRON—UNIVERSITY OF WASHINGTON

Over spring vacation Brothers Paul Brittain, Walt Davison, William Elliott, Robert Else, Ralph Herbison, Jim Tavis and James Soyars had the opportunity to participate in the college biennial field trip to Lilly and Upjohn. During their stay at Indianapolis they were fortunate to also share this occasion with a few of Rutgers' brothers who invited our boys to a party at their hotel for a little social get-together. As the party progressed our boys were impressed with the fine Kappa Psi spirit of our eastern brothers. Our boys began to ask a few questions and to much amazement they found that these brothers did not know who or from where our Grand Regent Dr. Louis Fischer was from.

During the intramural tournaments here at the university our bowling team won their league and went on to the semi-finals. The team consisted of Leelyn Renner, Walt Davison, Paul Brittain and William Clark. After the intramural tournament some of the boys got together with a few of the faculty members and had a round robin. There

were four teams with one of them mostly faculty members. The teams were broken down into Grand Regent Dr. Louis Fischer, Dean Jack Orr, Dr. Nathan Hall and Robert Patzer (non faculty); active members Robert Else, Walt Davison, Jim Tavis, and Leelyn Renner; active members Doug McCarter, Paul Brittain, Rosco Pirtle, Vic Grutchfield; and pledges William Clarke, Dan Nault, George Sinnott, and G. Amman. The losers took the winners to the Moon Temple for dinner. Who else could win except the faculty.

We held our spring initiation at the Student Union Building and immediately following we went over to the Gold Room in the Meany Hotel for our banquet with our guest speaker being Dean Jack E. Orr who delivered a very inspirational talk. The following were initiated: John K. Willson, James D. Nault, Alann L. Jacobs, Jerry C. Bradbury, William G. Clarke, Jr., Robert A. Rogers, Richard B. Burton, John F. Park, Jr., Emmitt R. Aston, Jr., Stanley R. Dieszling, and George W. Sinnott.

Every year during spring quarter the college of pharmacy has an All Pharmacy Week with a series of activities taking place. Our past president W. Payton Greenough was in charge of the All Pharmacy Dance. It was given at Lakeside Gardens with everybody having a wonderful time. Kappa Psi climaxed All Pharmacy Week with a cruise aboard the Nightwitch on Lake Washington. We are trying to make this an annual function.

Awards given to Kappa Psi members this year were: from American Foundation for Pharmaceutical Education, Robert G. Patzer and James E. Soyars; the \$90 Washington State Pharmaceutical Association awards, given to Vic Grutchfield, and William E. Kirsch; statewide auxiliaries gave to Robert Mitten and William Clarke; Robert Patzer also received the Linton Memorial Award for high character and Douglas E. McCarter received the Lehn and Fink Gold Medal for top-ranking senior. Douglas McCarter also won the Kappa Psi Grand Council Scholarship Key and Certificate for the highest grade average for a graduating senior.

We would like to extend our best wishes to the senior Brothers who will be graduating in June: Walt Davidson, W. Payton Greenough, Vic Grutchfield, R. Neil Herbison, Ralph Hollingsworth, William Kirsch, Richard Lehman, Douglas E. McCarter, Tamio Miyata, Robert Patzer, Rosco Pirtle, Joseph P. Rose, Eddie Scheinost, Rich Scheyer, Wayne Schmad, and Kurt Steinbreck.

Fraternally yours,  
CHARLES E. NUNN, *Historian*

### BETA SIGMA—NORTH DAKOTA STATE COLLEGE

Greetings, the quarter is drawing to a rapid close. We are about to start final week with a big bang and the graduating seniors are ready to crack the State Board tests.

Twenty seniors of Beta Sigma Chapter will receive their diplomas from North Dakota State College on June 10, 1957. These men have been an active part in Kappa Psi and their absence will be felt in the months to come. A hearty congratulations and best of luck are extended to the following seniors: Cliff Wallace, Jerry Herman, Solomon Goldfine, Darrell Goldfine, Keith Hayford, Jack Fraser, Thomas Stoll, Richard Altstatt, Kent

Sack, Carl Benson, Eugene Sele, Laurel Stoxen, Michael Myrdal, Arvid Vasenden, Arthur Lies, James McGuire, Ronald Saurdiff, Charles Phillips, James Parkins, Raymond Berger, and James Churchill.

Beta Sigma welcomed thirteen new members into the fold on April 9. The new group includes: Louis Muhich of Eveleth, Minn.; Leo Werlinger of Napoleon, N.Dak.; Mark Reeve of Rochester, Minn.; Pat Stien of Jamestown, N.Dak.; Ronald Schiff of Sherwood, N.Dak.; Thomas Keaveny of Minneapolis, Minn.; George Gardner of Grand Rapids, Minn.; Martin Bergeson of Virginia, Minn.; Tom Thompson of Bowbells, N.Dak.; Glenn Thiel of Judson, N.Dak.; John Fleck of Virginia, Minn.; Rodger Magnuson of Proctor, Minn.; and Gene Neal of Larimore, N.Dak.

The spring term party was the nicest party that I have attended. It was the third annual Kappa Psi Sweetheart Ball which was held at the Top O'the Mart in the Frederick Martin Hotel, May 18. Approximately two hundred people saw charming Miss Jo Ann Garaas crowned sweetheart by reigning sweetheart Patricia Moore and presented with the beautiful sweetheart traveling trophy by Regent Ervin Reuther. Attendants to the new sweetheart were Arlene Olson and Carol Kramer. Patricia Moore was presented with a pearl-studded pendant in the shape of the Kappa Psi crest as a memento of her reign as Kappa Psi Sweetheart. The attendants to the sweetheart each received a necklace.

The vocalists of Beta Sigma entered in the annual Spring Sing, which was held at Festival Hall on May 22. A medley of songs composed of, "We're the Boys From Kappa Psi," "There is Going to be a Picnic," "It's a Grand-Night for Singing," and "That Old Mountain Dew" was presented. Director Bill Baillie did a very fine job of directing but it seemed that the boys wanted to start one note low half way through and that wasn't quite enough to please the judges. However, this is one year we can be optimists in saying "Wait till next year." Beta Sigma possesses some of the greatest musical potential on this campus.

This year in Bison Brevities, a campus variety show, we made tryouts with both our fifteen and five minute acts. Our fifteen minute act "Melody Impromptu" missed placing while our five minute act "Dry Bones" ran away with top honors. We have a great deal of talent and should be able to do well next year.

Sportswise, in tennis we narrowly missed first place and placed second in the all college I.M. league. In softball we finished in third place in the all college I.M. league.

We had a couple pinnings occur during the spring quarter. The two fellows to join the rank of the pinned were Laurel Stoxin pinned to Evelyn Michels of Fargo, N.Dak., and Jim Brand pinned to Dona Von Hagen, a Mandan, N.Dak. girl.

There are now twelve pledges with ten expected to go active the first of next fall quarter and two new ones which are Neil Knatterud of Mad-dock, N.Dak.; and Vernon Keller of Harvey, N.Dak.

Many brothers of Beta Sigma Chapter have received awards throughout the year. They have put in a lot of hard work and time for the betterment of Beta Sigma Chapter and the school as a whole. They are indeed very deserving of the honors that have been bestowed upon them. Kent Sack received the Outstanding Senior Award. This award is picked by Beta Sigma Chapter. He

MISS JO ANN GARAAS, BETA SIGMA'S SWEETHEART

997

is also the recipient of the scholarship key for maintaining a three point over-all average for four years. Mr. Sack is one of the two seniors graduating with honors where a three point six average has to be maintained. He was selected as Senior Personality which is picked by the Annual Year Book. Selections are based on scholarship, personality, contributions to the campus and character. Mr. Sack is also listed in *Who's Who in American Colleges and Universities*.

Jerome Herman is the other senior graduating with honors, who maintained a three point six average over the period of four years. He also received the scholarship key and the Grand Council Scholarship Award.

Cliff Wallace and Ronald Saurdiff were recipients of the scholarship key award for maintaining a three point average for four years.

Thomas Keaveny received the Outstanding Pledge award for being the outstanding pledge of

his class in both leadership and quality. He was chosen by the active chapter of Beta Sigma.

Ervin Reuther, the Regent of Beta Sigma, was elected to Rho Chi a few weeks ago.

Beta Sigma Chapter of Kappa Psi concluded the picnic season with a wake for the death of a fictitious character named Lionel Galen. All of the sororities had been previously invited and it began by viewing the "remains" of Lionel at the house. The "remains" were then carried out in an old wicker casket and placed in a black panel truck. We had a police escort with about twenty cars following composed of Brothers and sorority girls. A tour of the campus was made and then we traveled through town to a local park. The casket was opened after a brief reading and the "remains" were taken out which consisted of a keg and the usual picnic attire.

This about winds up the news for this spring. Good luck to all you seniors on your State Board exams, and best of luck to you grads in the years to follow.

Fraternally yours,  
PHILLIP S. LARKE, *Historian*

### BETA UPSILON—BUTLER UNIVERSITY

The school year of 56-57 has witnessed the addition of twelve new brothers to the ranks of Beta Upsilon. Initiation festivities were held in the fall and spring at which times seven and five members' names respectively were added to our roster. Our active membership is now forty-two strong with the addition of the following men: Dave A. Dodge, Charles Bagley, Robert F. Karpel, William S. Knop, Leonard J. Skuta, Jack J. Vesely, Joseph J. Viskocil, Lawrence A. Herman, Thaddeus A. Kawszewicz, Howard H. Krakovitz, Donald A. Nickel, and Dean A. Vest.

After the initiation ceremonies, the chapter held a banquet in honor of its new members at "The Frogpond," a restaurant just north of Indianapolis. There we had steak dinners after which our new brothers formally introduced themselves.

Recently this month, our annual election of officers was held. Those voted into office were: Regent—Herbert P. Brandt, Vice Regent—Lawrence A. Herman, Secretary—Richard J. Jackson, Treasurer—Franklin O. Huff, Historian—William S. Knopp, Chaplain—Thaddeus A. Kawszewicz.

At approximately the same time, our student branch of the A.Ph.A. held its election of officers for the next school year. I am proud to report that the entire contingent of A.Ph.A. officers is now made up of Kappa Psi personnel. Those brothers now holding offices are: President—Herbert P. Brandt, Vice President—Joseph J. Fedor, Secretary—Franklin O. Huff, Treasurer—Richard J. Jackson. I am sure that these men will do an excellent job at the reigns of the A.Ph.A. and will be a real credit to Kappa Psi.

In just about two more weeks the graduating class of Butler University School of Pharmacy will be embarking on their careers in the various phases of our field. As an everlasting tribute to our graduates, Beta Upsilon has provided a giant-sized mortar and pestle to the college upon which the graduates of our pharmacy school will permanently inscribe their signatures. The fraternity letters are also upon this trophy and we hope that we are beginning a tradition which will be repeated year after year at each commencement.

Beta Upsilon wants to take this opportunity to wish each and every one of Kappa Psi's members

throughout the nation its best wishes for an enjoyable summer. In the meantime we shall embark upon the kind of activities that will make the faculty and students of our pharmacy school very much aware of Kappa Psi. Until our return in the fall I remain

Fraternally yours,  
WILLIAM S. KNOPP, *Historian*

### BETA PHI—UNIVERSITY OF CINCINNATI

Greetings, Brothers. We of Beta Phi are going to make an attempt to raise this chapter from the "dead." Nothing has been done for the chapter by the members in the last few years, but we have pledged ourselves to the rebuilding of a strong chapter of Kappa Psi here at the University of Cincinnati. We are doing this because we feel that a Professional Fraternity is an intimate part of college life in promoting brotherhood which is so necessary in a profession such as Pharmacy.

Our officers for the past year have been: Jim Rosselit, (Regent); Dick Wuest, (Vice Regent); Harold Waller, (Secretary); Gene Reaman, (Treasurer); and Donald Ruwe, (Historian).

By the way, we will most gladly take any suggestions on helping to build membership.

In closing, I wish to extend to all our underclassman Brothers a very happy vacation and to all our graduating Brothers success in all ventures.

Fraternally yours,  
DONALD J. RUWE, *Historian*

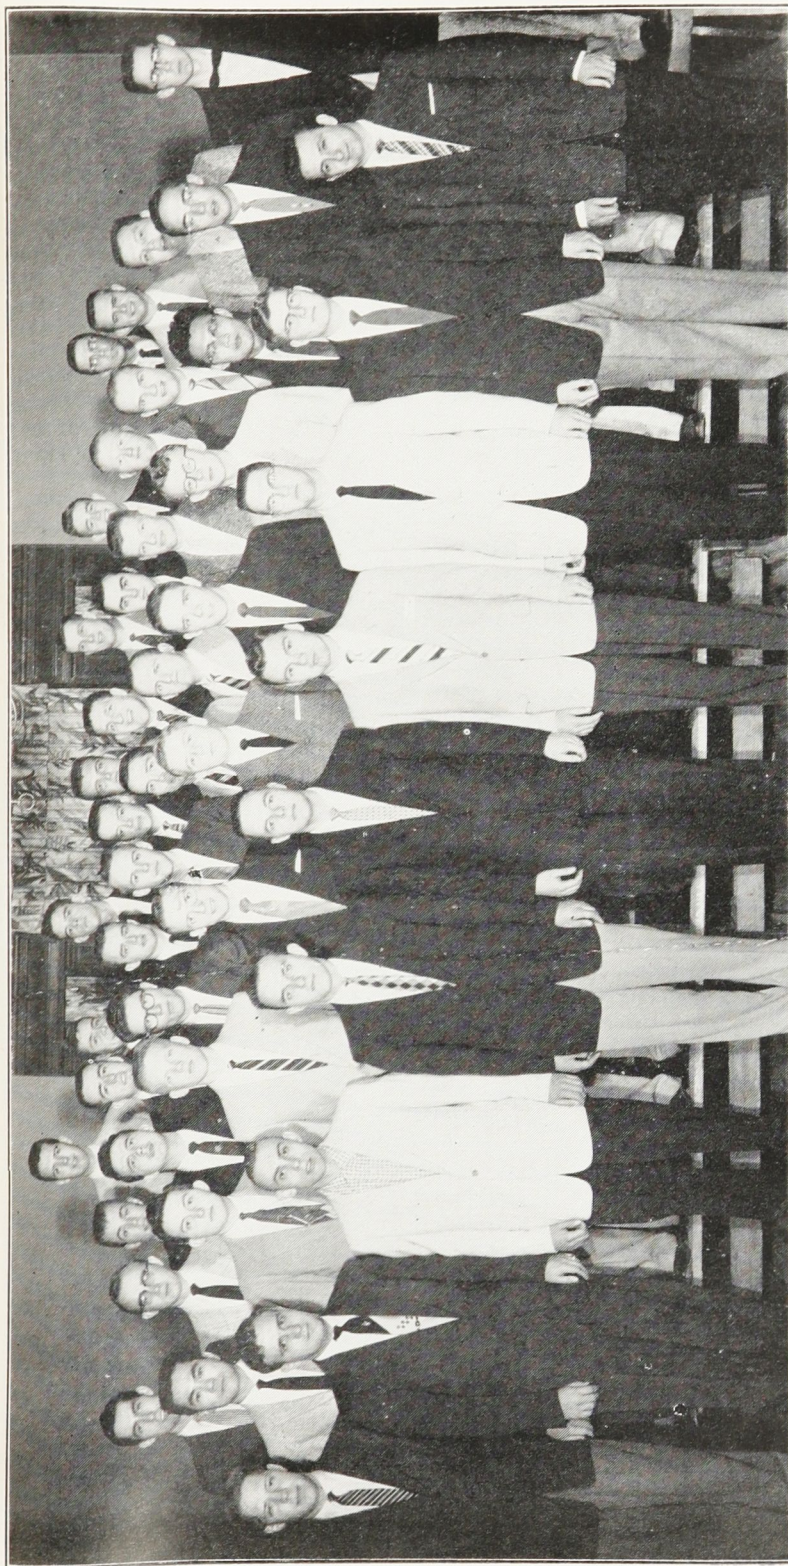

### BETA CHI—DRAKE UNIVERSITY COLLEGE OF PHARMACY

So once again another year has come to an end and another set of finals have been taken. We at Drake hope that all of our Brothers have come out on top and haven't lost too much sleep over semester or quarter finals. I guess all of us are looking forward to summer vacation, but to all of you who are planning on a summer of school and study I extend my deepest sympathy. ROAR!

Well the last couple of months have been hectic ones for the men of Beta Chi. First of all our float took second place in our class at the Drake Relays Parade. Perhaps some of you recall reading about our plans for it in the last issue of THE MASK. The title of the monstrosity was "Steady Pace Wins The Race." As per usual the three nights before the parade were a real blast for all those who helped build the float. They were well spent drinking beer, kibitzing around with the sorority gals who were trying to build their floats next to us, and occasionally finding time to work on the float. It was not finished until about one hour before the parade. After it was all over everybody came to the same conclusion, that is that everyone had a ball and the time was well spent. Thanks are in order for Brother Bob Schnarr, who was responsible for the project and also for bringing in a second place float despite everything.

In case you are wondering, Brother Sam Williams finally did it. The Intra- not Interfraternity Council was voted on and passed by the faculty and the groups concerned. The members of the council consist of: One faculty advisor, and one representative from A.Ph.A., Rho Chi, Lambda Kappa Sigma, Phi Delta Chi, and Kappa Psi. The council is scheduled to become active this coming September. The purpose of the whole affair

is to promote harmony in the college of pharmacy.

I think that all who attended the annual picnic given by the pledges for the active chapter will agree that they had a tremendous time. The actives beat the pledges at the baseball game but my memory fails me as to the score. About ten couples and 25 more stag actives and pledges were at the affair.

Well that's about all the history this chapter has managed to accumulate in the last two months. Oh yes! I forgot to mention one little tidbit of information. Brother Bob Tanner received the Outstanding Senior Award given by the Chapter. It was presented to him at the annual Honors Convocation of the College of Pharmacy by our Regent, Bill Schmitt.

I guess you are all wondering what our plans for the future are. We have no plans except to get out of this place for the summer. ROAR! I have just been asked to resign my position. No, seriously at our last meeting of the year Brother Hammes was asked to get things rolling on a dance to be held about a week after we get back from our summer siesta. Brother Hammes is one of those poor unfortunates who is furthering his education this summer at Drake. Hence he is in the position to set up the dance. Talk has it that we might make this an annual affair if it is a success.

The chapter wishes to extend congratulations to the graduating seniors and to all of our Brothers who made the grade. The best of luck to all of you . . . you dogs . . . a frustrated and greatly depressed junior.

Good-bye from Beta Chi,

### BETA OMEGA—TEMPLE UNIVERSITY

Here we are at the close of another school year. Our finals have been completed as of June 5th. What a relief! We have a full three months to relax and take it easy. The end of the school year has reduced our membership somewhat through graduation. The graduates are, Louis Bronico, Joseph Casaccia, Nicholas Centafont, Tony Cocco, James Coker, Pat DeLuca, James Doluisio, Elias Farri, Tony Drabnis, Forrest Fisher, Pete Groblewski, Charles Gysi, Donald Hilbert, Richard Kunkle, Neil McDermott, Albert Moretti, James Mummert, Joseph Pacenza, William Peifer, Robert Schroll, Kenneth Scott, Don Spears, D. Elwood Sprenkle, and Eugene Tokach. We want to congratulate James Doluisio, Bill Peifer, Don Spears, and Jim Coker for the awards they received for outstanding service to the Fraternity and also Elias Farri and Eugene Tokach for their awards for outstanding service to the school.

I am glad to report that Ken Zimmerman, who was not able to complete his second and third degree with the regular class due to illness, has since become a Brother of Kappa Psi.

Our Spring Formal came off as scheduled on May 11th, and a good time was had by all. We were glad to see the graduate members who were able to attend. The graduate members present were William Prosser ('56), Ronald Rushin ('56), Samuel Cole ('56), Jim Wenger ('56), Jack Dodge ('55), Don Sunberg ('55), John Troglio ('55), Don MacEslin ('54), John Mlodzinski ('54), Roy Gutshall ('54), Neil Coble ('53), Donald DeLong ('53), Dale Shelly ('53), James Culbert ('53), Vincent Rogliano ('52), John Pritcherella ('52), Joseph Sobkowiak ('52), William Artz ('52),

Duane Bath ('51), John Fullaway ('51), Andrew Kohut ('50), Jack Longenecker ('50), Lester Wilkinson ('50), Alfred Scarpello ('50), Vincent Novia ('50), Steve Fedec ('49), John Mahoney ('49), Alfred Mattera ('49), William Bechtel ('48), Harry Romano ('48), Earl Kimes ('41), Nicholas Angelastro ('39), and members of the faculty, Dr. Frank H. Eby ('19), Prof. John Lynch ('33), Assistant Grand Council Deputy, and Dr. David Mann, Grand Council Deputy. Graduate Members Paul Meer (Omega), Ronald Gautieri (Beta Epsilon), Arthur McCreesh (Beta Omega) and Vincent Motsavage (Eta).

You will all be glad to hear that Vincent C. Bianca ('49) is now operating his own store. He was married in 1950 and now is the father of two boys, one five years old and one three years old. Good luck Vinc. . . . Vincent Mecca ('49) is presently working in Sheely's Drug Store, Scranton, Pa. . . . We are sorry to hear that Hector Pelicata ('34) is in the hospital with a recent illness. . . . We are all praying for a speedy recovery.

Brother Louis Ravin, Beta Omega Chapter Regent in 1952 completed his Ph.D. work at the University of Wisconsin and is now a member of the research staff at the Smith, Kline & French Laboratories in Philadelphia. . . . Robert E. Singiser, '52, and Gerald J. Jackson, '52, are enrolled as graduate students at the University of Connecticut.

We would like to congratulate Prof. John Lynch ('33) on his recent election as president of the Philadelphia Branch A.Ph.A. Prof. Lynch has been very active in all the pharmaceutical organizations as well as Asst. G. C. D. of Beta Omega Chapter. He is a real credit to his fraternity and profession.

The baseball season has ended here at Temple and Beta Omega Chapter won the trophy for the second straight season. This will be a permanent fixture around our house for the future.

Brothers Bob Justofin and Francis Chapura have announced their wedding dates. Bob will marry Loretta Kulig on Aug. 31st. Choppy will exchange wedding vows with Shirley Rolland, a member of the recent June class in pharmacy, on Sept. 7th.

Beta Omega extends congratulations to its graduating members and to those in other chapters who are enjoying this same honor and wishes them the best of luck in the future.

Fraternally,  
LOUIS MONTANARO, *Historian*

### GAMMA ETA—MONTANA STATE UNIVERSITY

Gamma Eta Brothers extend greetings from the land of Glacier Waters to the Brothers of Kappa Psi.

With the spring quarter nearing an end, many of the Brothers are looking forward to a break from the school grind to the salt mines of labor. This intern will bring a longing for another interesting year by the Brothers of Gamma Eta at M. S. U.

The spring fishing trip (May 24, 25 and 26) was a great success. Everyone was well nourished with large 2 pound T-bone steaks each night, plus all the trimmings. Brother John McGregor was the salad chef and Brother John Stelling the steak perfectionist with aid from Mr. Heinz and Mr. Del-Monte in the vegetable and fruit departments.

### AFTER THE GAMMA ETA BOATMANSHIP EVENT

## 1000

Brother Jerry Raunig and Jerry Stoick, the break-fast chefs, stuffed each present with a Paul Bunyan special of eggs, bacon and flapjacks, plus coffee for the hairy hat holders. Brother Bill Moody was official sandwich smasher for the affair. Brother Tony Filicetti, being a plainsman from the eastern part of Montana, was fire tender. The liquid refreshments between meals held to no host except Mr. Spicket, an invited guest. Coffee at breakfast was of no value to him due to his foamy head. Alumnus Brother Ed Fine, Regent of 1955, arrived Saturday the 25th and spent it freeloading. A hearty welcome was given to him.

The pinochle championship was left vacated by the Brothers of Gamma Eta due to a disagreement between Mr. Blackjack and Mr. Stud, judges, as to who should wear the feather crown.

The boatmanship event provided an unplanned event with three teams entering. Team #1—A modern aluminum craft, "Push Over," was manned by Brothers Cal Ness and Dave Nelson. Team #2—A canvas duck tub of 1900 christening

of "No Name," was maneuvered by Brothers Jerry Raunig and Bob Enger. Team #3—An Indian canoe "Leakum too Muchie too Fastie," was operated by Brothers Arlo Skari and John Stelling. After approximately two hours of battle, the sturdy craft "Push Over" remained afloat while the "No Name" 1900 duck ship developed trouble with its elbow greased bilge pumps and turned submarine. The Indian craft, "Leakum too Muchie too Fastie," lived up to its name and followed "No Name" 1900. The words of surrender could not be heard by the defeated team due to the chattering of teeth induced from the cold of the icy water of Seeley Lake. The winning team was awarded a prize by Dr. John F. Suchy, Kappa Psi Grand Council Deputy. The prize was one large bucket of lake water to join the ranks of the soaked. Picture shown is after the battle, but before prize awarding. Picture from left to right, Jerry Raunig, Arlo Skari, Cal Ness, Bob Enger, John Stelling, Dave Nelson.

Plans are being made for Kappa Psi activities while the State Convention is being held in Missoula, Montana June 22, 23 and 24. Brother Richard Lorello is acting chairman.

Brothers Cal Ness, Dave Nelson, Jerry Raunig and Ed Harrington attended the Kappa Psi District Convention at the University of Washington in Seattle April 19, 20 and 21. A detailed report was given by the returning Brothers to the Chapter.

Dr. John F. Suchy was elected as Provincial Delegate to the National Grand Council Convention of Kappa Psi being held at the Congress Hotel in St. Louis December 28, 29 and 30, 1957.

Fraternally yours,  
JOHN STELLING, *Historian*

### GAMMA IOTA—UNIVERSITY OF BUFFALO

At the time of this writing we are all out of school now and either looking forward to those hot summer days on the beach or unwillingly looking forward to summer school.

On June 9th we had ten Gamma Iota Brothers among the graduating class of 1957. Congratulations and the best of luck go out to the following brothers on their graduation: Casper Candell, John

## 1001

GAMMA IOTA CHAPTER, UNIVERSITY OF BUFFALO 1957

Bukowski, Donald Arthur, Dominic Fonte, Fredrick Hillman, Ray Hippchen, Ira Krause, Joseph Mergler, Clifford Milks, and Eugene Schledorn.

On April 25th, we had a visit from our Grand Regent, Dr. Louis Fisher. During the day there was a meeting of the Executive Committee with the Grand Regent and later on Grand Regent and Mrs. Fisher were conducted on a tour of Niagara Falls. The course of events was highlighted that evening by the Installation of Officers Banquet. The new officers installed that evening, in the presence of Grand Regent Fisher, are the following: Regent, William Kent; Vice Regent, Alton Dolan; Secretary, Jan Madejski; Treasurer, Frank Knox; Chaplain, Randal Stando; Historian, William Fleming; Asst. Secretary, Robert Kendzia; Grand Council Deputy, Dr. John Kleber. On behalf of the Gamma Iota Brothers, I wish to congratulate past Regent Cas Candell on a job well done. Through his hard work and planning much has been accomplished during the past year. Just to mention a few, the very important committee designated to handle our Building and Scholarship Fund has been set up, our second annual fund raising campaign, this year in the form of the raffle of a color T.V., was once again a success, and the reality of having a Fraternity House is becoming closer and closer.

Once again this summer Gamma Iota will not go into moth balls while we are out of school. We have rented a cottage in Crystal Beach, Canada, and expect to have a lot accomplished by the time the new school year rolls around again. The idea of a summer cottage has proved to be a big success for the past two years and once again should be an asset to us.

To top off the conclusion of a successful year we held our annual Awards Banquet June 6th at the Transit Valley Country Club. Activity Keys were awarded to Joseph Mergler, Eugene Schledorn, Jan Madejski and Donald Arthur. Ray Hippchen was awarded the Scholarship Key and William Kent was awarded the Leadership Key.

I would like to close with two thoughts in mind. One, I wish all the Brothers a nice summer, and two, lets all start planning now for the National Grand Council Convention in St. Louis in December.

Fraternally yours,  
WILLIAM FLEMING, *Historian*

### GAMMA OMICRON—UNIVERSITY OF OKLAHOMA

The pressure of finals for some and the outlook of graduation for others, took their toll in our activities the latter portion of this semester. The *Antidote* printing date was moved up until June 4th to allow the staff to concentrate on finals. And Gamma Omicron Chapter's second pledge class of the year initiation was postponed until the second week of the 1958-59 fall semester to allow for better indoctrination and understanding of Kappa Psi's purposes.

At our last meeting, plans were made to cooperate with the local Red Cross Chapter to have all students on the University of Oklahoma campus blood-typed as a civil defense measure.

At the annual College of Pharmacy picnic sponsored by the recently founded Pharmacy Wives Club, Gamma Omicron Chapter Brothers dominated play as the juniors and seniors rallied to tie with the sophomores and freshmen at 3-all in a softball game before the game was called because

of wet grounds and the smell of roasting hot dogs.

Until next winter's issue of THE MASK, Gamma Omicron Chapter extends wishes of good hunting to all Kappa Psi Brothers—may their shortcomings be small and their achievements mountainous.

Fraternally yours,  
LEW W. WARDEN, *Historian*

### GAMMA PHI—UNIVERSITY OF GEORGIA

Hello again from Gamma Phi. We have reached the close of another successful year and are looking forward to the summer vacation.

The Spring Quarter activities were highlighted by our annual Anniversary Ball. Traditionally, this annual dance has been held at the Georgian Hotel, but this year we broke with tradition and had it in the main ballroom of Memorial Hall here at the university. It was undoubtedly the biggest success we have had. The dance featured a leadout of old and new officers and their dates and the crowning of lovely Miss Sara Kirkland as our new sweetheart.

Prior to the dance, a banquet was held at which the new officers were installed and various awards presented. John Foster of Roswell, Georgia, received the Kappa Psi award for the junior with the highest scholastic average and Lowell Harris of Orlando, Florida, was chosen as "the senior who has done the most for Kappa Psi."

The new officers installed at the banquet are: Regent, John Foster of Roswell, Ga.; Vice Regent, Mike Baucom of Sandy Springs, Ga.; Treasurer, George Brewton of Louisville, Ga.; Recording Secretary Harold Kemp of Lyons, Ga.; Corresponding Secretary, Jerry Walker of Milan, Ga.; Historian, Jack Musick of Athens, Ga.; and Chaplain, Elmer Brooks of Deepstep, Ga.

Work has been moving right along on our Pharmacy Museum project. Brothers have been busy gathering items and we expect to begin the actual setting up of the Museum in the pharmacy school late this summer.

At the annual Student-Faculty-Alumni Day Dinner this Spring, Brother Wade Hodges received the Kappa Psi Scholarship Award, consisting of a \$100 scholarship. Also at this dinner Brothers Lowell Harris and Ray Archambeault received Certificates of Merit for their outstanding work on the *Georgia Pharmacist Magazine*, the publication of the Student Branch of the A.Ph.A. Lowell was editor this past year and Ray was business manager.

That's about it for this issue. Wishing all Kappa Psi's everywhere a very pleasant and enjoyable summer, I remain

Fraternally yours,  
JACK N. MUSICK, *Historian*

### GAMMA CHI—FERRIS INSTITUTE

Everyone is marking off the days now until the middle of June, especially seniors Don McManaway, Jerry Funk, Mike Novilla, Jerry Benson, and Tony Wallace. An interesting sideline is the tradition that has been established in recent years; that just after the Spring Formal, the underclassmen, as a parting jest try to throw the seniors in the pool in our backyard.

New members joining us this term are Harold Taylor, Tony Govates, Pete Quinsberry, and Gary Meeker.

We would also like to welcome John Scolfield who transferred to Gamma Chi from Omega Chapter at Rutgers University.

Several of the brothers went to Detroit on the junior pharmacy class Parke-Davis trip. Everyone had a great time. Maybe a trip to Bristol-Myers would have been more practical.

Brothers who attended the Province Assembly are Bob Manutes, Lynn Carr, Jon Horton, Denny Murphy, Odell Ellis, Bob Bushouse, Paul Volk, Dave Camburn, Mike Novilla, and Jerry Funk. A BIG time was had by all. Now everyone is looking forward to the National Convention at St. Louis.

Plans are still in operation for a new fraternity house. The raffle we undertook to raise money for a downpayment fell far short of our goal because of lack of support. The winners were: Bob Hill of Detroit—the T.V. Set, Mr. Tortalello of Chicago—the Hi-Fi Set, Mike Magnano a collegiate member—the shotgun, and R. G. Cranston of Flint the rotisserie.

The annual Kappa Karnival was held at the Ferris Gym on April 25, 1957. The affair was one of the largest Karnivals that Ferris as well as the Kappas had ever seen. Brother Jerry Funk retained his masterful ability of seeing into people's future. Brother Mike Magnano is going to have to seek faster methods for preparing his pizza as it was in great demand. Brother Bob Bushouse did a swell job of organizing.

This year at Ferris the fraternities held their first Greek-sing. Kappa Psi's contribution featured a solo by Brother Clair Wetmore backed by a group chorus, singing "Little Jimmy Brown." The group chorus also sang "The Sweetheart of Kappa Psi." Bruce Horton did a great job of directing us. Brother Rob Clifton was emcee.

At the annual Interfraternity Council Banquet Clair Wetmore received the Council's award for having the highest scholastic average of the junior-senior members of the chapter, and Charles Wood received the award for the freshman-sophomore members.

The new officers for the coming year are Odell Ellis, Regent, Robert Bushouse, Vice Regent, Richard Rienhart, Secretary, Don Nordland, Treasurer, Charles Wood, Historian, Terry Reagan, Chaplain, and Dave Camburn, House Manager.

The last thing on our calendar this quarter is the Spring Formal Dance. A nice evening is planned as this will be the last formal party held in the fraternity house.

So, from all of us here to all of you there, have a great summer, and see you next fall.

Fraternally yours,  
CHARLES WOOD, *Historian*

## COLUMBUS GRADUATE CHAPTER

During the past year the Columbus Graduate Chapter has been under the leadership of the following officers: Regent, Earl P. Guth; Vice Regent, Miles McFarland; Secretary-Treasurer, Harry Wehrle; Chaplain, Don Repp; and Historian, Jack L. Beal.

In the past eight months the Chapter has held six meetings in addition to several executive meetings. The first meeting was a business session for the purpose of organizing the program for the year. The next two meetings were strictly social affairs at the Columbus Maennerchor. Dean and Mrs. Lloyd M. Parks were guests at the first social affair. The remaining three meetings featured speakers and proved to be very successful. The speakers were Dr. Christopher H. Costello of the Columbus Pharmacal Co.; Dr. Harvey Wright,

eye surgeon; and Dr. Arthur Tye of our own college of pharmacy faculty.

The last meeting of the year held at Dr. Guth's home which featured Dr. Tye's talk with kodachrome slides of Peiping was so well attended and so much enjoyed by all, that it may well set a pattern for similar meetings next year.

The new officers for the coming year are: Regent, Miles McFarland; Vice Regent, Jack L. Beal; Secretary-Treasurer, Harry Wehrle; and Historian, Arthur Lytle.

It is hoped that the Chapter will continue with the same excellence of programs as this past year under the guidance of Dr. Earl P. Guth.

JACK L. BEAL, *Historian*

## CONNECTICUT GRADUATE CHAPTER

On May 22 the Connecticut Graduate Chapter held a meeting at Diorio's Restaurant in Waterbury. Co-directors Gus Della Pietra and Cosmo DePalma arranged for a buffet supper and Brother Ray Smith was on hand to show movies of the August 1955 flood. The films were loaned by the Connecticut Light and Power Company. The main business of the evening was the election and installation of officers. The following brothers were duly elected to office for the fraternal year 1957-58. Regent, Robert C. Grieb; Vice Regent, Roman F. Panek; Secretary, Joseph F. Paceoni; Treasurer, Constantine Della Pietra; Historian, Raymond R. Smith; Chaplain, Daniel C. Leone, Jr.; and Grand Council Deputy, John J. Basile. The Brothers were installed by Grand Historian Williams, congratulated by the out-going Regent Basile, and the attending Brothers well-wished the new officers on their election.

On June 6 an important milestone in the history of Connecticut KΨ Graduate Chapter was celebrated. This auspicious date marked the 25th anniversary of the Annual Banquet honoring the Nu Chapter senior Brothers graduating from the UConn College of Pharmacy. The class of '57 marked the silver anniversary by attending the dinner in full number plus a good representation of junior Brothers from Nu. The occasion was celebrated at the NUTMEGGER HOUSE in Newington. Brother Bob Grieb was in charge of the doings and there was a long list of "doings." Members of all 25 graduating classes were present to make testimony to the present class of '57 KΨ graduates. Among the dignitaries in attendance were: Dean H. Hewitt, Prof. N. W. Fenney, Editor of THE MASK, Grand Historian W. Williams, former Dean H. S. Johnson, Francis Cole, Second Vice President of the CPA, Chief Pharmacy Inspector Edmund Goodmaster, Narcotic Inspector Bob Grieb, and Pharmacy Inspector Joseph Moran. Each of these KΨ Brothers had a few words to say concerning the scope and shape of KΨ in Connecticut and in the nation. The future of KΨ was presented to the younger Brothers of Nu and to those graduating seniors who one day will be at the helm of KΨ in Connecticut.

A highlight of the banquet was the presentation of scholastic KΨ awards to the highest KΨ senior and junior Brother. A beautiful Grecian Lamp, properly inscribed, was proudly presented to Brother John Verde of Norwich for his attainment as the highest ranking KΨ senior Brother. Brother Ray Buccino was top man in the junior class of KΨ Brothers and so received a properly inscribed KΨ plaque. Brother Verde was also the

top man in the entire senior class of 1957, College of Pharmacy, and therefore in line for the coveted award of a KΨ Key. The Nu chapter house will now display a large KΨ plaque which will be engraved each year with the name of the highest ranking senior Brother.

Other highlights were the review of the past fraternal year and remarks for the future by former Regent John Basile; a brief but important resume of KΨ history from its beginning in New Haven and Cheshire, by Editor of THE MASK, Brother Fenney; and lastly, but never leastly, some choice words of wisdom from Brother Edmund Goodmaster directed to the graduating senior Brothers. KΨ being such a unique fraternity and the satisfaction and feeling that it gives each Brother is hard to describe. Brother Goodmaster is, by now, a past master in expressing such feelings and symbols and did so at the banquet to the novices entering our ranks.

NUTMEG NEWS: Nice to see Dr. Harold Beal back with the family at UConn. Nodded to Brother Mickey Cannata, a stranger in these parts. Noticed Brother Bob Rappa at the meeting. Brother Bob is one of two pharmacists in the family. Brother Dan Leone Sr. and Dan Jr. got to receiving bow at the meeting as our first Father-Son combine. Brothers Powers, Reinsch, and Kaminski, polka enthusiasts, were on hand for the banquet. Missed shaking hands with Brother Joe Trahan, now very busy with new duties for Schering Corporation. Heard Brother Panek boasting about Mu chapter and the recent celebration up Boston way. Quite a shindig! Hope many of the brothers will attend our State CPA Convention in Moodus and also our Province I Assembly on October 19. Wishing all KΨ Brothers an easy going summer, I remain,

RAY SMITH, *Historian*

### NEW YORK GRADUATE CHAPTER

The New York Graduate Chapter ended another successful year with a meeting at the New York Athletic Club on May 16, 1957. Brother Mike Clay, pharmacology professor at Columbia, spoke to us on the interesting and timely subject of tranquilizers.

New officers elected for the coming year are: Regent—Walter Scharbach; 1st Vice Regent—Puzant Torigian; 2nd Vice Regent—Mike Clay; Secretary—Bob Martinek; Treasurer—Art Parrin. Good luck, Brothers, in your duties as Kappa Psi leaders.

We extend heartiest congratulations to Brother Jim Echeandia, Gamma's lone graduate this year.

Best wishes to Brother Jim Simpkins, Gamma '56, and his bride. They were married in Montana where Brother Jim is detailing for B.W.

The honor roll of The N.Y. Graduate Chapter is growing, presently serving our country are: Bruce Hook, Gamma '54; Bob Marrero, Gamma '55; Lou Guarnaschelli, Gamma '55; Gerry O'Connor, Gamma '56. We would very much like to

hear from these men. Let us know where you are and what you are doing. Our address is N.Y. Graduate Chapter, c/o Columbia College of Pharmacy, 115 W. 68 Street, N.Y.C.

This will be my last newsletter for some time, since I will enter the Armed Forces in July. I have enjoyed my association with the N.Y. Graduate Chapter and look forward to continuing this association upon my return.

ROBERT F. LUCKEY, *Historian*

### NORTH DAKOTA GRADUATE CHAPTER

On May 18, 1956, the spring meeting of the North Dakota Graduate Chapter was held in the Memorial Student Union at North Dakota State College in Fargo. The following brothers were initiated into the chapter at this meeting: James Churchill, Herman, Minn.; Keith Hayford, Lamont, Iowa; Jerome Herman, Beulah, N.D.; Kent Sack, Reeder, N.D.; and Eugene Sele, Hallock, Minn.

The following officers were elected for the coming year: Duane Vad, Wahpeton, N.D., Regent; Joe Halbeison, Fargo, Vice Regent; Thomas Pettinger, Fargo, Secretary; Ansul Suckerman, Dickinson, N.D., Treasurer; Jerome Herman, Chaplain; and Eugene Sele, Historian.

At this point I would like to express both the graduate and collegiate chapter's gratitude to the initial slate of officers and charter members who were the driving force behind the formation of the Graduate Chapter last spring.

After the meeting we were guests for dinner at the Beta Sigma Chapter house. That evening we attended the third annual "Sweetheart Ball" at the F.M. Hotel in Moorhead, Minnesota. As usual the event was a huge success and a new sweetheart was crowned in very impressive ceremonies.

The next meeting is scheduled for next October during the homecoming festivities at North Dakota State, but as yet the exact date is not set.

Congratulations to all the new graduates of Kappa Psi and until the next issue I remain,

Fraternally yours,

EUGENE SELE, *Historian*

### SEATTLE GRADUATE CHAPTER

The Wharf Restaurant in Seattle was the scene of a lovely party on March 5th when about 60 Kappa Psi Brothers and their wives attended a ladies' night meeting.

Our regular election meeting was held on April 2nd and the following officers were elected: Don Kniffen, Regent; Dick Marshall, Vice Regent; Milt Larson, Secretary; Wayne G. Mosby, Treasurer; Hugh R. Tennant, Chaplain.

These officers met again on April 18th to lay plans for what is expected to be the most successful year in the history of the graduate chapter.

Sincerely,

MILTON L. LARSON, *Secretary*
