Come to
Williamsburg . . .

From the Editor

Tony Palmieri

This issue contains more details of the Grand Council Convention to be held in Williamsburg. Please be certain to read the nominations for National Office found in this issue. Probably the most important item of business will be the election of National Officers. Having been Editor for almost 10 years, I can assure you that who you elect will place their mark on the history of our beloved fraternity. The style of Kappa Psi will be changed by them and how the Fraternity is viewed by others in these next two years will change also. Each National Officer has a style and personality all their own just as their dreams and plans for our fraternity are their mark. Each is different and each is good. We, the Brothers will decide who will shape our Fraternity on the National level for the next two years when we meet in Williamsburg. Let us choose wisely.

The Uncertain Future: Alternatives for Kappa Psi

For centuries man has attempted to predict the future. Because of the future's inherent uncertainty, there is no single set of forecasts that one can be totally sure will occur. There are trends and events which shape the future which are often inconsistent or contradictory. Therefore it is useful to evaluate those more predictable circumstances and ask "what if." Such exercises are important in establishing the most likely scenarios which describe what the future will be for an institution. The future for **Kappa Psi Pharmaceutical Fraternity** will be shaped by changes within our fraternity, but even more by the larger environment; thus **Kappa Psi** will be shaped by pharmacy education and pharmacy education will be shaped by the profession, higher education, health care and society.

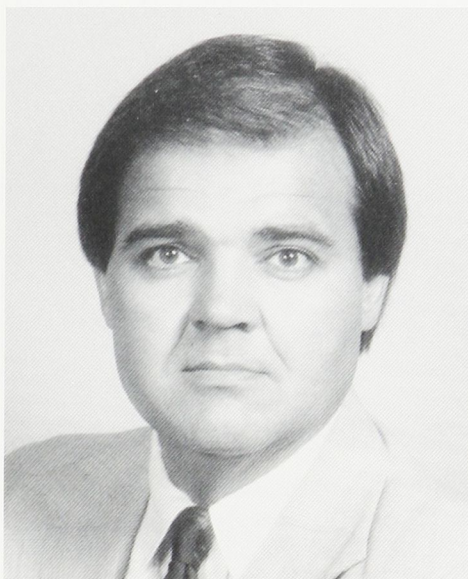

What are the alternative futures for **Kappa Psi**? Will there be a future of continued growth characterized by competent management, innovation and ingenuity? The rising affluence of American society encourages us that growth may be achievable. On the other hand, our future could be one of decline and stagnation marked by a worldwide deepening recession, internal unrest and difficult resource shortages. Perhaps the Fraternity will become more disciplined by abandoning some of our traditional freedoms for the sake of a tightly controlled organization. Or finally, there may be an overall transformation in which the organization becomes a dramatically different entity which may be unrecognizable to the brotherhood of today but consistent with the needs and desires of the membership and society of tomorrow.

What will be your role in determining the future for **Kappa Psi**? How have you contributed in the past to the Fraternity's present position on your campus, in pharmacy education, in the profession, in health care and in society? What are your present contributions to such positions and perspectives? Are you satisfied with yourself that you have done what you could do and should do for our fraternity? Are you pleased with the Fraternity? Satisfied that **Kappa Psi** is what it ought to be?

Does **Kappa Psi** have the broad mind, the clear vision, the pathway to an exciting future? Are we assured of continuous success? What must we do together and what must you do individually to make **Kappa Psi** even better than it is today or better than we ever imagined it has been in the past?

Each of these questions are very difficult for us to answer, yet it is our responsibility to the organization to conduct such an evaluation. And as we look to the future how will the Fraternity respond to the more predictable trends impacting our fraternity environment today? Think along with me as we review some of these changes.

Today well over 50 percent of all new students enrolling in pharmacy schools are women. In

fact some entering classes have reached a female-male ratio of 2 to 1. Such numbers speak for themselves. Women have selected pharmacy for professional careers. Gentlemen, this means long-term. They are bright, aggressive, committed and hard working. In fact, a number of women have joined the ranks of **Kappa Psi** and achieved the highest elected offices in collegiate chapters, graduate chapters and provinces. Others have chosen a path as **Kappa Psi Little Sisters** by which they make meaningful contributions to the fraternity. But, where will the opportunity and energy for future growth be derived for chapters which have not included women? In the past two years we have observed chapters which have failed, become inactive, ignoring the obvious opportunity presented by this dynamic social change in our profession and henceforth in the Fraternity. What alternative do you have for women in pharmacy and **Kappa Psi** as we proceed into this uncertain future?

Pharmacy education, like pharmacy demography, continues to evolve. Presently about 20 percent of all colleges of pharmacy have implemented the Doctor of Pharmacy as the entry level degree into the profession. The change is much more than a mere name. The professional curriculum is clearly divided into didactic and experiential components. The ratio of didactic credits to experiential credits is approximately 2 to 1. Thus, one-third of the professional curriculum in a Doctor of Pharmacy program (2 years prepharmacy + 4 years professional) is spent off-campus, on assignment in a practice setting with a preceptor. Opportunity for student on-campus activity is extremely limited. Collegiate chapters are faced with policy and procedure questions regarding attendance, participation,

dues and a variety of other concerns. These are not minor issues on these campuses. About 30 other colleges have add-on Doctor of Pharmacy programs. Most deans and administrators are addressing the question of All-Pharm.D. Thus, how will **Kappa Psi** respond to such change? Is the Doctor of Pharmacy *the* degree in pharmacy's future? Must we begin our preparation for this transition?

The decades of the '60s and '70s were marked by some of the most important social changes in American society. That era left many Americans more tolerant and more receptive to change. In addition, modern media techniques affect the velocity by which potential change is evaluated, monitored and accepted. Now, we are all affected to a greater extent by events and circumstances which in the past may not have achieved such notoriety. Our ability to manage and control ourselves is much more challenging than ever before. Some change is good. Other may be bad, depending upon one's perspective. But one thing is certain, change will take place. Therefore, it behooves all **Kappa Psi** brothers to fulfill our duty and responsibility of directing the Fraternity along the appropriate path to achieve our goals and assure the greatest success.

There also comes a time when change affects our personal lives more directly. During the past two years I have had the pleasure of serving as your **Grand Regent**. It has been wonderful to meet so many of you, to visit your chapters and to discuss fraternity affairs. The honor and privilege of this office are astounding. The responsibility of the **Grand Regent** can be awesome. We have had a number of occasions to address change, to plan our future, to assure a more certain destiny. I thank each of you for your support of **Kappa Psi** and for your commitment to industry, sobriety, fellowship and high ideals. I ask that you carefully weigh the influence that you have on our order. Address your responsibility to **Kappa Psi** objectively, with vision, and be prepared to adapt to change. Finally, may we always be mindful of our motto; "**One for all and all for one.**"

BROTHER ANTHONY J. SOLOMON (BE) - GENERAL TREASURER OF THE STATE OF RHODE ISLAND

by Norman A. Campbell (BE), Past Grand Regent

During my term as Grand Regent (1972-1974), I entitled one of my *Mask* articles something such as "Kappa Psi, Training Ground for Leadership." One needs only to review the leadership rosters, past and present, of every major pharmaceutical organization in this country to be convinced of the truth of the assertion contained in that title. It would be dangerous to begin listing Brothers whose leadership has contributed so much to professional societies due to the imminent danger of overlooking some person(s). The cooperative and leadership skills learned by Kappa Psi Brothers during their pharmacy school days are manifest outside of pharmacy as well.

One such Kappa Psi Brother is Anthony J. Solomon, a fellow initiate of Beta Epsilon Chapter and contemporary during my collegiate days. In January of this year, Brother Solomon returned to the office in the Rhode Island State House which he occupied previously from January 1977 until January 1985. Anthony was first elected to the post of General Treasurer (State Treasurer in many jurisdictions) in the November 1976 statewide election after having served with distinction in the Rhode Island House of Representatives for 10 years. He was re-elected to the Treasurer post in 1978, 1980, and 1982. In 1984, following a strong and successful bid for the gubernatorial nomination of the Democrat Party. Anthony lost the general election for Governor. He failed in a bid to obtain the nomination for Secretary of State in 1986. The 1988 comeback is history.

Kappa Psi honored Brother Solomon with a Certificate of Commendation from Alpha Chapter during the 75th Anniversary celebration of the Providence Graduate Chapter in February of this year.

During a recent State House interview, Anthony reviewed some of the factors which motivated this community pharmacy owner to seek public office in the first place. The story serves to emphasize the essence of what is embodied in the role of a community pharmacist, particularly if

that person also is a Brother of Kappa Psi.

Prior to entering public office in an official way, Anthony worked with the people in the neighborhood of his Providence pharmacy to develop a drug abuse education and treatment center. He was instrumental in developing a pioneer store front health center and contributed time and resources to many local organizations to assist the needy in his community.

His visibility in these activities, as well as his recognition as the pharmacist who provided services to locals, resulted in two lines forming in his pharmacy—one for prescriptions, the other for bringing him problems to be solved.

Anthony's rapport with the community came to the attention of a campaign organizer for a former Providence Mayor. He invited Anthony to join the campaign team. The rest is history!

After his election to the General Assembly, his lines in the pharmacy became fixed for the next ten years. Fortunately, Solomon family members, including daughter Donna Harrison, a pharmacist, were there to take up the slack of the professional and business side so Anthony could devote the time and energy needed to serve his constituents.

It is the business acumen that pharmacy owner Solomon developed over the years which he credits with his success in the office of General Treasurer. Who is better equipped to handle fiscal problems of increasing costs and shrinking resources than a pharmacy owner?

Since leaving the Treasurer's office in 1985, Anthony has been specializing in the area of public sector financing to bolster further the expertise which won him recognition of his peers and election as President of the National Association of State Treasurers in 1981.

How does his modest, effective politician and Kappa Psi Brother put his public service in perspective? When asked why he entered politics initially, he responded, "I enjoy it!"

Past Grand Regent Norman A. Campbell presents Anthony Solomon with a recognition certificate while National Officers Smith, Grossomanides, Porter and Hiller watch.

Deadline for the next issue is July 15, 1989

Spotlight on Kappa Psi

Saski Authors text

Dr. **Witold Saski** (Gamma Epsilon) has recently authored a text *Crossing Many Bridges*, memoirs of a pharmacist in Poland, the Soviet Union, the Middle East, Italy, the United Kingdom and Nebraska.

In 1951, Dr. Saski emigrated to the U.S. and for the next 24 years served as Professor of Pharmacy, first at the University of Montana for a year and then at the University of Nebraska.

A Fulbright Scholar and U.S. National Academy of Sciences Exchange Scientist, Dr. Saski's nearly 350 publications include four co-authored editions of a laboratory textbook and foreign scientific abstracts. He is a Fellow in the A.Ph.A. Academy of Pharmaceutical Sciences.

Straughn promoted

William R. Straughn (Gamma Sigma) was recently promoted to captain in the Medical Services Corps of the U.S. Navy. He has been selected to assume the position of Executive Officer of the Naval Hospital Great Lakes, Illinois this summer.

Magarian best teacher

Dr. Robert A. Magarian, Executive Director and Professor of Medicinal Chemistry, was selected by the Pharmacy Students at the University of Oklahoma for the 1989 College of Pharmacy, Alumni Association Teaching Excellence Award.

This award was presented to Brother Magarian during the Pharmacy Day Awards Banquet on March 31, 1989.

Gene Riley named distinguished alumnus at Duquesne

A native of Washington, Pa., Dr. Riley received his B.S. degree in Pharmacy in 1952. He received his Ph.D. in Pharmacology in 1961 and stayed on first as an instructor and later assistant professor in the Department of Pharmacology at the Case Western Reserve University School of Medicine.

Dr. Riley returned to Duquesne's School of Pharmacy in 1966 as associate professor of Pharmacology. He became a full professor in 1972 and was appointed Chairman of the Department of Pharmacology-Toxicology in 1970, a position he held until 1987.

During his 22 years at Duquesne he has taught all or portions of the undergraduate courses in Anatomy and Physiology, Pathophysiology, Pharmacology and selected topics in Prescription Drug Counseling. He also taught the Pathology course for the School of Nursing for eight years. In the areas of graduate education he taught complete or partial courses in pathology, clinical pharmacology, advanced pharmacology and drug mechanisms.

Kappa Psi Brotherhood — one example

To the Editor:

I would like to take a moment to share an experience with the Brothers of Kappa Psi. On April 7, 1989 a historic event took place for our Fraternity. The Brothers of twelve collegiate chapters, and several graduate chapters met in Buffalo, New York the complete the merger of the Provinces previously known as V and VI. This is not to say we are no longer Province V, but to clarify that we are not the same Province we were a year ago. We have taken a step forward, combining the best we have to offer, our human resources!

Many definitions, and ideas exist about what "brotherhood" is. We continuously make attempts to verbalize the spirit of brotherhood that is Kappa Psi. During the Province V Assembly in Buffalo, the "One for all, and all for one" spirit was everywhere. It was shared by everyone in attendance, and further strengthened by the presence of Paul Hiller, Grand Historian-Ritualist, and Grand Vice Regent William

R. Smith. Their insight and guidance certainly contributed to our successful Assembly. The willingness to work together for a common cause, and the free exchange of ideas that took place on April 7-9 is as close a definition of brotherhood as you will find anywhere!

Together, we learned a great deal about ourselves and each other. We learned that together, as Brothers, we can achieve any goal set before us. This is not to say that all our accomplishments came easy. Our success was made possible through the dedication of the Province V and VI Officers and leadership. They acted as true leaders, laying the framework for what was to follow. I thank them all for forming a Province strong in Brotherhood and dedicated to industry, sobriety, fellowship, and high ideals.

The weekend was very busy, with many details to be considered. The culmination of our efforts was an approved set of Local Ordinances to be submitted to the Cen-

tral Office. An exhausting chore, but the Brotherhood prevailed again.

The lesson to be learned from Province V is old, but worth repeating. Ask not what Kappa Psi can do for you, but what you can do for Kappa Psi. You will find more is to be gained from this Fraternity if you live by our motto — "One for all and all for one." Province V is embodied in this spirit, and may the brotherhood shared that April weekend serve as a constant reminder of our pledge to Kappa Psi.

To the Brothers of Province V, I thank you for your support and confidence in my abilities. I thank you for your input, and for making those two days my best days as a Brother. I have but one goal for the coming year, to strengthen the bonds we have formed. Your help and advice is encouraged.

I LOVE PHARMACY — LET ME TELL YOU ABOUT IT

This is a two-hour program constructed to reinforce the positive attributes of pharmacists. The uniqueness and special responsibilities of pharmacists are emphasized. The speaker uses practical examples that pharmacists long ago came to consider routine to point out that pharmacy is a vital, learned profession whose responsibilities often include life saving responsibilities.

Great emphasis is placed on the specialized knowledge to which pharmacists are privy and the effects of communicating or withholding this knowledge.

This program is presented in a humorous manner. However, the humor

is intended as a vehicle to carry the worthwhile and substantial message.

The principle areas to be addressed include:

- 1) **Ambition** and its effect as a driving force in the success of a pharmacist.
- 2) **Attitude**, as a conscious factor in determining success.
- 3) **Commitment** and its effect on ultimate success.
- 4) **Enthusiasm** as a factor in generating patient loyalty.

Pharmacists will leave this program feeling positive about their profession. Importantly, pharmacists positive self-esteem will be substantially reinforced.

Ray Gosselin honored at Kappa Psi Reception in Anaheim

Grand Regent Roberts presents Certificate of Appreciation to Brother Gosselin.

Over two hundred Kappa Psi Brothers attended the Annual Kappa Psi Reception at the American Pharmaceutical Association Meeting held in April in Anaheim. The highlight of the reception for many of us was the presentation of a Certificate of Appreciation to Brother Raymond A. Gosselin for his continued, long contributions to the profession of Pharmacy. The Kappa Psi Booth in the Convention Center display area was the site of many renewals of old friendships as well as the making of new friends.

Past Editor of the MASK, Norman Kobayashi and Dean Ben Hershenson smile.

Dean David Forbes of Montana visits with Brother Gordon Seime of NDSU.

Brothers Magarian, Roberts and Garner spent many hours at the display booth.

Brother Mike Loomis discusses fraternity matters with Brother Dominic Salimando, Jr.

The reception was crowded.

Gamma Gamma Texas

Congratulations to the new actives; initiation ceremonies took place on Saturday, January 28. They include Gary Blair, Derek Davis, Lance Gatewood, Lance King, Travis Leeah, Roger Lopez, Randell Orcutt, Steve Smith, and Paul Frohna. Welcome to the fraternity guys.

The new Little Sisters to our fraternity include JoAnn Gee, Cherie Hodges, Kim Sybert, and Hollie Wood. Membership of all new Little Sisters to our fraternity is decided by the new actives of each semester and is based on participation during many of the Pledge Projects. Congratulations and thank you girls.

And last but not least, congratulations to this spring semester's Kappa Psi Graduate Chapter Scholarship Recipients: Brothers Beto Garza and Scott Zetka. These Scholarships are based on scholastic achievement and active participation within the fraternity.

This semester is almost over, but we still have a lot of work to do before summer starts. Amongst the more important professional projects are both cholesterol and blood pressure screenings provided free to all interested university students. Ongoing events include fund raisers such as Top 200 Drugs cards, and community services such as Bingo with the elderly. Our social events this semester will be highlighted by our Spring Formal to be held on Saturday, April 29.

Epsilon Minnesota

Spring quarter started with the election of new officers for the next year. These new officers are:

Regent..... **Chrisann Cornell**
Vice Regent..... **Sam Foster**
Secretary..... **Margo Hagemann**
Treasurer..... **Gina Mikoli**
Historian..... **Mark Halvorsen**
Social Chair/
Chaplain..... **Brenda Rippentrop**

This quarter we are pleased to have 8 new pledges which brings our total for the year to 20. All our new members are quickly becoming active in the chapter and in the college and we are proud to have them with us.

Epsilon chapter has many activities planned for spring quarter which are sure to keep us all busy. Included are upcoming Sexually Transmitted Disease talks to metro high schools, volunteering our time two nights a week at TAMS (a Teen Age Medical Service), and our Epilepsy Support Program will also be continuing.

Pharmacy Day is May 18th this year, and Epsilon chapter will again be holding their annual raffle. Pharmacy Day is a good way to mix and mingle with other students and faculty—not to mention a day off from class.

The *PharmaCOPA* is ready to be sent to the publisher and will be ready for distribution by graduation in June. A big thank you goes out to all members for all their hard work and dedication. This year's editor was Brenda Rippentrop, junior editor was Kay Melvin, and business editor was Mark Halvorsen.

Finishing up the quarter will be our annual trip to northern Minnesota for weekend getaway to Breezy Point Resort in Brainerd. The square dance, golf tournament, and banquet always prove to be fun. We're looking forward to many actives and alumni going along to make the trip memorable.

Pittsburgh Graduate

The Brothers met on Sunday, April 2 for a dinner meeting at Houlihan's Restaurant in Monroeville, Pennsylvania. The results of the interim meeting of Province II, which was attended and chaired by members of this chapter on March 18, were discussed. Regent Roger L. Wheat, Jr., and Treasurer Dominic Judy reported on the balance in the chapter financial accounts and the members decided to allocate the available funds to repay Beta Kappa chapter \$100 toward the amount owed for assisting with the reorganization of the Pittsburgh Graduate chapter, \$100 to the Central office for current dues, and \$100 each to Beta Kappa and Delta Epsilon to assist with travel costs of delegates to the August Grand Council Convention.

At this time, three graduate Brothers are planning to travel to Williamsburg for the Convention, two of whom are delegates: Regent Roger Wheat and Vice Regent Thomas DePue.

Future activities of Pittsburgh Graduate include attendance at the Province Meeting scheduled for October at Duquesne University, attendance at the Beta Kappa Spring Formal on April 7, and sponsoring the next meeting of chapter Brothers on June 4.

The chapter continues to search for Brothers in the area interested in joining the activity of the chapter. Contact may be made with Regent Roger Wheat, 969 Centennial Drive, Indiana, Pennsylvania 15701, (412) 357-9415.

Chi Chapter Reactivated

On January 13, 1989, the Chi chapter of Kappa Psi Pharmaceutical Fraternity was reactivated at the University of Illinois College of Pharmacy in Chicago. Following the ceremony of reactivation, Grand Vice Regent **William Smith**, who had flown in from Detroit for the occasion, initiated thirteen first year students at the Como Inn Restaurant, Chicago.

Other Brothers in attendance included Graduate Member, **John Grossomanides**; Dean of Students at the College, **Dr. John Russell**; and faculty sponsors, **Dr. Donald Waller** and **Dr. Ken Witte**. Active Kappa Psi members from the Madison, Wisconsin chapter and graduate members from the St. Louis chapter were also in attendance, as well as graduate members from the former Chi chapter.

Rechartering of the Chi chapter was instrumented by the hard work of two transfer students, Brother **Mike Steffens**, formerly of the Beta Psi chapter, and Brother **Dawn Amerson**, formerly of the Delta Zeta chapter. In appreciation, Steffens was elected Chi Chapter Regent, and Amerson was voted Vice Regent. Thanks to the time and effort expanded by these Brothers, Chi chapter is once again alive and growing strong at the University of Illinois College of Pharmacy.

The following Brothers are officers in the Chi chapter:

Regent **Mike Steffens**
Vice Regent **Dawn Amerson**
Secretary **Mary Pubentz**
Treasurer **Bonnie Finn**
Historian **Kyle Stoltzner**
Professional Chairman **Peter Mui**

The following Brothers are new members of the Chi chapter: **Dawn Block**, **Christine Bukowski**, **Mary Kay Feltman**, **Debbie Guisto**, **Eric Hampton**, **Molly Mockaitis**, **Peter Mui**, **Anne Pickell**, **Mary Pubentz**, **Jeannine Simpson**, **Jill Smolen**, **Kyle Stoltzner**, **Mary Walsh**.

Mu Massachusetts

We would first like to begin by expressing our deepest condolences to the families and friends of our four friends who died in the airplane accident. Our registrar, faculty member, and two students died on March 24 in Pittsfield, Massachusetts.

Our chapter has held very strong in the past few months. We have managed to capture every aspect here at MCP.

Mike Mormile our regent was recently inducted as an honorary member of KE. KE has recently been established here at MCP. Mike as well as all KT was instrumental in the induction process.

Brother **Tony deMelo** won the patient counseling award here and was invited to compete in the national awards in Anaheim. The Mu chapter has also managed to raise over \$200 for the Muscular Dystrophy Society here in Boston. We sold four leaf clovers with messages on them for one dollar each. Our 6th annual spring blood drive in coordination with the Red Cross has been set up and things are looking good. Our Professional Affairs Chairmen also set up a Vitamin display booth at the upcoming open house here.

Our chapter recently traveled to Newport, Rhode Island to attend the Province One convention. I congratulate **Tony deMelo** on his reelection of treasurer as well as **Bhuren Patel** on his appointment to Vice Satrap. **Fadi Atiya** and **Burt Schwart** have been appointed co-chairmen at next year's convention in Boston. Finally, I would like to congratulate the entire Mu chapter on winning the chapter of the year award.

For fund raisers here at MCP we recently held our 4th annual Gong Show. It was a smashing success. The show was the talk of the school.

Beta Rho Mississippi

Beta Rho chapter is pleased to announce its officers for the year 1989:

Regent **Robert Wilson**
Vice-Regent **Juan Trippe**
Secretary **Jeff Jones**
Treasurer **Jeff Boggen**
Historian **David H. Dunson**
Chaplain **Jay Reed**
Sergeant-at-Arms **Alan Diehl**
Lil' Sister Liaison **Keith Steiner**
Intramural Director **Chris Couey**
Go-Grand Council
Deputy **Dr. Dewey Garner**
..... **Dr. Marvin Wilson**

The Spring Semester has already been a very busy one for the Brothers from Ole Miss. We competed in a Phon-a-thon against the two other Pharmacy fraternities. We raised \$3100 which was twice that of the other fraternities. A raffle for a Spring Break package which was donated by Body Plex was held for the American Heart Association that raised \$415. We also conducted a softball tournament April 28-29 that also benefitted the American Heart Association.

During Poison Prevention Month we placed posters around the community at Pharmacy, Grocery, and most Retail Stores. Another community project that we are participating in is an "Adopt-A-Hiway" program which we volunteer to clean a two mile stretch of highway for at least one year.

On April 27, a dinner was held for the Lil' Sisters at **Dr. Marvin Wilson's** home. At this dinner, outgoing Dean of Pharmacy, **Dr. Wallace L. Guess**, a longtime Brother of Kappa Psi, was presented a plaque for his work for the Beta Rho chapter and devotion to the Old Miss Pharmacy School. The Brothers of Beta Rho wish **Dean Guess** and his wife all the happiness in their life after his retirement.

In closing, we would like to congratulate two of our Brothers. **Jeff Jones** was elected by committee to be Chairman-elect of ASP Standing Committee on Publication and **Bill Calhoun** was elected as a Delegate to the 44th Grand Council Convention to represent Province VII.

—*David H. Dunson*

Psi Tennessee

The Brothers of Psi chapter have been very busy this quarter looking for a new house. We have some good prospects and are anxiously awaiting to buy. Thanks to

Regent Bill Calhoun and Regent Elect Robert Wilson placing Poison Prevention poster on a Community Pharmacy

Bill Calhoun presents check to American Heart Association

Brothers Eddie Underwood and Connie Johnson for giving up so much of their Spring Break to find a house; and thanks to our faculty advisor, **Dr. Jim Eoff**, for making a new house possible.

Last quarter ended with the trip to St. Louis to the Province VII Convention. The trip was a much needed break before finals started. Twenty Psi chapter Brothers attended and everyone had a great time. It is always fun to see our Brothers from other chapters. One of the most exciting parts of the trip was waking up to an ice storm the morning we were to leave. We all made it home safe, though a few were delayed by a ditch.

Upcoming events include our annual United Way Party. Spring Formal will be held April 29th at the Lowenstein-Long House. This is always an exciting event with the announcement of new officers. We are looking forward to Beta Rho spending a weekend with us during April. We are planning an evening out with dinner then to Southland Greyhound Park. It should be a fun weekend of getting to know the Brothers from our neighbor chapter. In May a Crawfish Party is planned with Psi Omega Dental Fraternity.

As usual the highlight of the quarter will be Pharmacy Weekend, where we get to meet incoming students and show them the brotherhood of Kappa Psi, and hopefully convince a few that Kappa Psi is the way to go. In the Kappa Psi tradition a pig roast and party is planned.

We would also like to thank **Andrea Franks**, who was left out of the last letter, for helping in the St. Joseph Health Fair. We really appreciate the long hours she spent working with these people.

We are looking forward to the 44th Grand Council Convention this August. Our Regent, **Eddie Underwood**, is running for Collegiate Member-at-Large; we're behind him all the way, and know he will do a great job. We'll see everyone in Williamsburg!

—Kelley Lee

Delta Lambda Campbell

Delta Lambda has been very busy since its founding in April 1988. In the fall, we had 26 pledges that we would like to congratulate and welcome to Kappa Psi. They are **Jimmie Brandon, Robert Broyles, Carter Cobb, Anthony Davis, Lance Davis, Michelle Davis, Pam Dowless, Chris Eastin, Tuffy Fleshman, Bill Gentry, Scott Hall, Claudia Hardy, Brian Jenkins, Lisa Lloyd, Rusty Mantooth, Betty McDonald, Lisa Perry, Freda Seals, Tonya Shively, Andrea Smith, Wayne Smith, John Stephenson, Ronnie Strickland, Paul Stroud, Bob Whaley**, Faculty Pledges—**Steve Fuller** and **Wendell Combist**. For a service project, they visited an area nursing home, and for a fund raiser, they had a car bash on Homecoming.

For the spring rush we had one pledge. He was initiated on April 17, 1989. His name is **Benny Moore**. This makes our total number of pledges who have become Kappa Psi members for the school year 1988-1989 to be 27.

Delta Lambda's professional service projects for this year are numerous. We assisted in the Halloween carnival at Buies Creek Elementary School, on October 29, 1988. We have made our mark on the highway in front of our school with the Adopt a Highway Program. We sponsored a continual education program for the Harnett County Pharmaceutical Association on April 26, 1989, a Brother, Dr. Daniel Teat was the speaker. Finally, we helped in the Buies Creek Spring Carnival on April 22, 1989.

So far this year we have held two fund raising activities. First, we had a Kappa Psi Spaghetti Dinner on November 15, 1988.

Secondly, we had our 2nd Annual Kappa Psi Raffle, in which \$500.00 savings bond was given away. We did this for a spring fund raiser.

On January 23, 1989, Delta Lambda's new officers were elected. They were installed into office on February 6, 1989. They are:

Regent.....**Tasha Suggs**
First Vice Regent.....**Robert Broyles**
Second Vice Regent.....**Scott Hall**
Secretary.....**Bill Gentry**
Correspondence Secretary...**Carter Cobb**
Treasurer.....**John Stephenson**
Historian.....**Anthony Davis**
Chaplain.....**Brian Jenkins**
Sergeant-at-Arms.....**Johnny Boyd**
Pledge Master.....**Michael Williams**
Assistant Pledge Master...**Tuffy Fleshman**
Assistant Pledge Master...**Joseph Moose**
Congratulations to each and every one.

Delta Lambda has several outstanding members that deserve recognition at this time for their awards received. Joseph Moose, assistant pledge master, won the ASP's patient counseling competition at Campbell University. Bill Strozyk after writing an eight page essay titled Ways to Strengthen Patient Counseling, won the Searle Fellowship in Pharmacy Award. First prize was \$7500.00. Dr. Fred Cox, Grand Council Deputy, by being Bill's faculty mentor also won part in the Searle Fellowship Award, in which he received \$2000.00.

They were presented the awards at the American Pharmaceutical Association Convention in Anaheim California by Andy Anderson, the Vice President of Sales for G D SEARLE. Twelve of our Brothers attended this national convention which was held April 6-12, 1989.

Province V

After the recent merger of old Provinces V and VI, Brothers travelled to Buffalo, New York from seven states to meet for the first time as the new Province V on April 7 and 8. The Brothers of Gamma Iota hosted the Province V Assembly which was held at the Hyatt Regency in Buffalo.

There was an excellent turnout at the convention, with 119 Brothers attending. Our special guests included Grand Vice Regent **William R. Smith**, Grand Historian-Ritualist **Paul Hiller**, and our Province Supervisor, **Ken Kirk**. There was a great deal of business discussed, our biggest project being the writing of new By-Laws for the Province.

After the meetings on Saturday, everyone travelled to Canada to visit beautiful Niagara Falls for the afternoon. A banquet was held Saturday night, and new Province V officers were installed. New officers are:

Satrap **Mike Palone**, Gamma Iota
Vice Satrap . . . **Missy Weidmann**, Beta Phi
Secretary/Treasurer **Scott Jeffries**,
Gamma Chi
Historian **Stefanie Kardules**, Beta Psi
Chaplain **Dan Degnan**, Pi
Parliamentarian **Larry Czubak**,
Mu Omicron Pi

Two awards were given at the banquet. Congratulations went out to Gamma Chi for winning the Best Chapter Award, and to Upsilon for being awarded the Most Improved Chapter Award.

Congratulations were also extended to **Kim Love** of Beta Phi for being chosen as the representative to the Grand Council Convention and to **Jackie Bukowski** of Beta Upsilon for being chosen as the alternate.

After just one short weekend, the Brothers of Province V proved the merger to be a success. We are looking forward to an exciting year as a new and enthusiastic province.

St. Louis Graduate

The St. Louis Graduate chapter is alive and healthy with well wishes to all fellow Brothers. Our new officers for the year 1989 are:

Regent **Doug Lang**
Vice-Regent **George Magnan**
Secretary/Treasurer **Leonard Naeger**
Historian **Randy Hu**
Chaplain **Tom Holmgren**
Sergeant-at-Arms **Laura Oster**

The chapter recently donated a Kappa Psi bench to the St. Louis College of Phar-

macy and will be on display in front of the college. This bench will not only serve as a landmark for collegiate pride, but also a meeting place for all Kappa Psi members.

Graduate members who have moved or are not receiving graduate newsletters may contact the chapter by writing to: Dr. Leonard Naeger, St. Louis College of Pharmacy, 4588 Parkview, St. Louis, MO 63110.

We are currently planning many activities and fund raisers including the annual Kappa Psi booth at The Veiled Prophet Fair on the 4th of July weekend here in St. Louis. This Fair is billed as the nation's biggest party with 3.5 million people expected over the four day weekend under the Arch. If you are in town, please stop by and say hello to the many collegiates and graduates working the booth, which has a breathtaking view of the Mississippi River and fireworks display.

Mu Omicron Pi Wayne State

Over this winter semester, Mu Omicron Pi has accomplished many social and professional projects which have made this semester enjoyable and rewarding to the Brothers. One project consisted of participation in the Great American Lock-up sponsored by the American Cancer Society. This event entailed building jail cells where "prisoners" were held for a set bail which was actually a donation to the Cancer Society. Another professional project was blood pressure screening at various Arbor Drug Stores. Other activities include promoting National Condom Week, selling drug cards, selling pharmacy stamp pins, and participating at our Graduate chapter bingos, and we held two successful parties as well.

In the beginning of the semester new officers were elected and began their new leadership roles. The Mu Omicron Pi officers are:

Regent **Gaspere Rubino**
Administrative
Vice Regent **Paul Schornack**
Executive Vice Regent **Hany Areny**
Recording Secretary **Scott Popyk**
Corresponding
Secretary **Giovanni Ciraulo**
Treasurer **Norman Warra**
Historian **Chuck Preuss**
Sergeant-at-Arms **Bassam Hammoud**
Chaplain **Chris Mashni**

Pi Purdue

As summer quickly approaches, the Brothers of Pi chapter are looking back on a very active and profitable spring semester.

Our annual spring pledge program was, in its second year, once again a pleasing success and saw the number of Pi chapter Brothers increase by five. The new inductees are **Saladin Carter**, **Mike Eltzroth**, **Jon Eshelman**, **Andrew Hayes**, and **Lee Muraoka**. Their pledge father was **Dr. Dane Kildsig**. Congratulations go out to Brothers **Alan Kaffenberger** and **Dave Speer** for their excellent work on the pledge program and to Brother **Scott Van-Heesbeke** for his work on the banquet.

On April 7-9, Pi chapter sent 15 Brothers to Province V Assembly in Buffalo, NY, which was sponsored by Gamma Iota. Our delegates, who represented us well at the meetings were Brothers **Dan Degnan** and **Jim Bonifer**. Congratulations are also extended to Brothers Degnan who was elected Province Chaplain.

At the request of current Grand Council Deputy **Dr. Jerome Blank**, the Brothers of Pi chapter began a search for candidates to assist Dr. Blank in his duties and eventually assume full duties as Grand Council Deputy. After a lengthy search, we are happy to announce the selection of two faculty members to be trained and become co-holders of the position. They are **Dr. Ashim Mitra** and **Dr. Dane Kildsig**. We thank them for their desire and interest, and wish them the best of luck in this new endeavor. At this time we would like to express our undying thanks to Dr. Blank for all of his work, advice, and guidance which often goes unnoticed and unthanked.

Some of Pi chapter's other activities of the semester have included donating money for toys to Health and Human Services, having several Brothers serve as tour guides for high school students considering attending Purdue, conducting another shirt sales campaign, working several hours for a phone-a-thon, and fielding several teams in intramural basketball, softball, and co-ed volleyball. Thanks go to Brothers **Torrey Guyer** and **Brian Crusier** for their work with professional projects and fund raising. Also a big thank-you to all of the Brothers, too numerous to mention, who helped make these activities a success and represented Kappa Psi through their hard work, determination, and dedication.

A final note: Pi chapter would like to extend its best wishes to the Brothers of Chi chapter and wish them the best of luck in their re-establishment and renewed growth.

Also, plans are already underway for our delegations which will be attending Grand Council Convention in Williamsburg this summer. We hope to see you all there.

Delta Delta Houston

Delta Delta got off to a great start this semester. It began with K Υ , along with $\Phi\Delta X$ and KE, participating in orientation and hosting a continental breakfast for the incoming students followed by the K Υ pledge luncheon a few days later. Mike Stanz and his wife, Jennifer opened their home for the first get together—a great Super Bowl party—with food, drink, fun and a half time game of Pictionary in which the guys made a major comeback for the win. The actives then had the opportunity to meet and mingle with the potential pledges at the 3-D (Drinking, Dancing, and a Darn good time) party and the South of the Border Margarita party. At Informal, we all enjoy an afternoon of softball, volleyball, horseshoes, and basketball at **Craig Martens'** farm. Thanks Craig for the use of the farm. We would like to welcome our new Brothers: **Homer Avila Jr., Mike Bass, George BovChebl, Jeff Dambitis, Karim Jabbour, Reza Kamali, Andrew Komuves, Kim Le, Lynn Morgan, David Romero, Omar Sharif, Charlan Smith, and Stacey Wuthrich.**

At Province VII, Delta Delta was represented by **Cammie Dupuis, Susan Gainey, Dawn Harris, Patti Rutan, Amy Saunders, Shane Watts, and Kish Wasan.** We are pleased that Houston has been selected as the next site for Province VII, and that our regent, **Dawn Harris** was chosen as alternate delegate to the National Convention from Province VII. We're looking forward to seeing y'all there. Congratulations to the Brothers of Delta Eta for the Best Chapter of the Year at Province VII.

Our service project is just around the corner. The "Brown Bag" counseling session will be held in conjunction with ASP, and sponsored by Kroger with media attention from both major newspapers. We would like to thank chairperson, Beth Carrillo, for her contribution in organizing the session. In addition, Delta Delta has collected contributions for K Υ alumnus, Mr. McClaugherty—Department of Pharmaceutics U. of H. College of Pharmacy—who lost his house in a fire. K Υ would also like to thank the College of Pharmacy and its organizations for coming to **Mr. McClaugherty's** aid, with a special thanks to KE, who will be donating the proceeds from their annual Mr. Pharmacy "Sexy"

Legs contest to him and his family.

Many of our Brothers had fun in the sun over Spring Break. Some went to Padre Island while **Joe Brasfield, Deanna Cavemess, Larry Culver, Stephanie Harrod, and Harold Vassar** attended the APhA convention and the K Υ reception, as well as visiting Eli Lilly. We would like to announce our new Vice Regent, **Joe Brasfield**, and our new Chaplain, **Paul Reyes.**

K Υ would also like to congratulate our following Brothers: **Joe Brasfield, Larry Culver, Dana Eaton, Karen Hall, Kenny Jackson, J.R. Ramirez, and Harold Vassar**—May Graduates—we'll miss y'all; **Dana Eaton** and **Kirk Reese** on their engagement—all the best; **Stacey Wuthrich** on her election to the U. of H. Student Senate; and **Perry Flowers, Susan Gainey, and Stacey Wuthrich** on their induction into Phi Lambda Sigma—we're proud of y'all.

Delta Delta will end the semester with a bang! Our annual Crawfish Party will be held on Galveston Island for the College of Pharmacy. We look forward to next fall when the College of Pharmacy goes to once a year admissions, and to all the future activities held by K Υ .

Delta Eta Xavier

Province VII Chapter of the Year Award was awarded to the Delta Eta chapter, Xavier University College of Pharmacy, New Orleans, Louisiana on March 4, 1989 in St. Louis, Mo. The six Brothers from the chapter who attended the Province VII meeting said they had a good time. The boat ride down the Mississippi River was one of the great highlights of the activities sponsored by the Gamma Pi chapter. The Brothers of Delta Eta would like to congratulate Brother **Earl Brown** on his election to the office of Province VII Historian. After returning from the provincial meeting, five new Brothers were ini-

tiated into the fraternity; **Sybil Richard, Roderick Whitfield, Trenell Montgomery, Prescott Fisher and Trina Fabré.** Congratulations to our new Brothers.

Congratulations also goes out to our Brothers **Denise Marrero, Alfred Jordan, Melanie Comer, Lisa Margerum, Trina Fabré** and **Earl Brown** on their completion of the pharmacy curriculum, May, 1989.

The Brothers of the Delta Eta chapter sponsored a World Health Day, April 7, 1989. It was a great success. There were blood pressure screenings, pamphlets on Cancer were made available, a continuous slide show displaying different world health problems, and a group of international students from the Tulane School of Public Health discussed various health issues in their countries.

The chapter also plans to sponsor a Greek Olympic and sell drug cards in order to raise money to attend the International meeting to be held in Williamsburg, Virginia this summer. See you there!!!

—Earl Brown

Gamma Omicron Oklahoma

Gamma Omicron chapter has had a busy and rewarding spring semester. Two of our Brothers became naturalized citizens and we welcome them as fellow citizens. We are very proud of Sam Osei, naturalized on Jan. 27, and Hoang Nguyen, 1988 grad and 1st year med student, naturalized on March 17. Congratulations!

The 1989–1990 Officers are:

Regent	Gary Parsons
Vice-Regent	Keith Bailey
Treasurer	Linda Luzania
Secretaries	Eric Bowen
	Hung Tran
Historian	Irish Lytle
Chaplain	Sam Osei
Sgt-at-Arms	Mary Ellen Bryant
	Faron Moore

Province VII, held in St. Louis, Missouri in March, was a tremendous success. Brothers who attended were **Roger Blackwood, Mitesh Bhakta, Jimmy Kwan, Keith Bailey** and his wife, Julie, **Gary Parsons**, and **Irish Lytle.** Oklahoma Graduate chapter was awarded Grad Chapter of the year. Oklahoma grads in attendance included **George Morton, Brenda Mah** and **John Ford.**

Gamma Pi is to be commended for its organization of the Province VII meeting. The riverboat cruise and party on 'The Becky Thatcher' riverboat was a special highlight. Although the weather didn't really cooperate, the Brothers who attended the party at the St. Louis College of Phar-

We were then seated for the Second General Assembly with the naming of the delegates. The assembly then divided into groups for discussion which included such topics as alcohol awareness, pledging, hazing, among others. After the discussions the assembly broke for lunch.

After lunch as we returned, we were taken on a tour Auburn's school which was truly beautiful and impressive. The Third General Assembly was then called to order. **Paul Hiller**, Grand-Historian Ritualist gave an interesting presentation on Kappa Psi's rituals. This was followed by presentations of each group leader from the morning's discussion groups. Next were presentations from each chapter for the chapter of the year award which went by unanimous decision to Samford's chapter.

New officers were then elected and they are as follows:

- Satrap.....**Sam McClendon**
- Vice-Satrap.....**Doug Baldwin**
- Secretary/Treasurer.....**Randy Ealy**
- Historian.....**Gary Levin**
- Chaplain.....**Eric Adams**
- Parliamentarian.....**James McBride**

This year's Province IV meeting was a great success and a good time was had by all. Next year's meeting will be held in Gainesville, Florida at the University of Florida. Being a Brother of Florida's chapter, I would like to invite all of you to next year's meeting. We are looking forward to hosting it and are already in the planning stages.

—Gary Levin

Beta Chi Drake

Spring semester has been a busy and successful one for us here at Beta Chi. As a chapter, we have strived to become an active and enthusiastic group, and with missionary zeal, it seems we have come full circle on those initiatives. Our membership has near doubled in the past year with two hard working and enthusiastic pledge classes, and we are proud of the newfound recognition we are receiving in the school of pharmacy.

Our professional projects have been very successful also this semester. We continue to lecture as a group on poison prevention to area preschools, and day care centers, and hypertension screenings are now in the works. Perhaps the activity that gives us the most pride however is one that we did this semester for the first time. On February 22 we sponsored a booth in the school of pharmacy in recognition of National Condom Week. We dispensed over 400 samples, along with pamphlets, and also

showed videotapes in hopes of increasing the awareness but also understanding of STD's. Campus participation in our program was widespread, and our administration patted us on the back, so we are pretty psyched!

—Jeff Lawton.

Gamma Phi Georgia

The Gamma Phi chapter at the University of Georgia had an eventful winter and we are getting ready for a busy spring quarter. In January, the Brothers attended the Province IV convention at Auburn University. Congratulations to Brothers **James McBrayer** and **Eric Adams** on being elected Parliamentarian and Chaplain respectively. Our vice-regent, **Walt Harbin**, deserves recognition on winning the 7th Annual UGA College of Pharmacy Womanless Beauty Pageant. He (or she) was slated against 10 other contestants consisting of students and faculty members. Judging was based on appearance, poise, measurements, and the response to one questions. "What 3 drugs would you want to have if you were stranded on a desert island?" Walt was also selected from UGA to participate in the NPC summer internship program with Eli Lilly & Co.

Spring rush is underway with our annual Graffiti Party. By the end of rush we are expecting to induct several new members. Activities we have planned for this quarter include our annual blood drive with the Red Cross, campus wide hypertension screenings, and various fund raisers with proceeds going to our spring formal at the State Botanical Gardens. One of the projects we have been working on is coordinating a wrestling match in the Coliseum. This will feature some of the big names in wrestling and is scheduled for the end of May.

—Stan Finnerty

Gamma Kappa South Dakota State

Now that the spring thaw is over, Gamma Kappa chapter looks back at an eventful spring with much more soon to come.

Pledgemaster Gene Birchem was kept busy training new pledges. New Brothers initiated into the Agora are: **Grant Chuth**, **Chris Krogman** and **Dennis Schaeffbauer**. **Dennis Schaeffbauer** earned the "Outstanding Pledge Award." Their initiation dinner was held March 21, after being postponed a week due to a blizzard.

Chaplain **Chad Scholten** has also been busy with the interviews and election of the

Little Sisters. The new Little Sisters are: **Rhonda Brink**, **Deb Halverson**, **Julie Hanlon**, **Nan Hofer**, **Shona Jambor**, **Julie Kjenstad**, **Jill Padernos**, **Beth Temple**, **Michelle Ulmen**, **Paula VanMeetren**, **Darla Vreugdenhil**, and **Shari Wattier**. Congratulations to the new Brothers and Little Sisters.

Brothers and Little Sisters have been busy with fund raising activities. Heart Fund Sunday was February 26. We collected approximately \$1000 for the American Heart Association. Cold weather didn't dampen contributors spirits nor the volunteers who helped collect pledges. **Dave Mentle** was the top pledge money collector of the Brothers and **Shari Wattier** was the top Little Sister collector. Dave and Shari will each receive a gift certificate to The Ram Pub for dinner for two.

The College of Pharmacy has also been doing fund raising. The Annual Pharmacy Phonathon collected \$26,000 in donations. Gamma Kappa chapter has also begun our own fund raising project for furniture and improvements needed for our house. **Darin Scheele** and **Corey Sampson** wrote a letter which has been sent to Kappa Psi alumni from our chapter.

Market Measures audits of local pharmacies have included many local pharmacies this semester, with more to come. The annual SDSU Wellness Fair was held on the 1st and 2nd of March. Our booth included diabetes and cholesterol information. The American Diabetes Society provided us with pamphlets and other information. The Wellness Fair had a large turnout and we hope that our display will attract more people to our future diabetes and cholesterol screenings.

We wish all our graduates well and will miss their presence. The Little Sisters will host a graduation dinner on the same day at the house.

Finally, we are anxiously awaiting the Province VII Conclave at the University of Iowa in Iowa City. We plan on a large presence and hope to hold onto the traveling trophy we won at the Fall Conclave.

Beta Epsilon Rhode Island

The Brothers were reunited after Winter Break at a URI Rams basketball game in January. We continued the evening's festivities at an all-college bash sponsored by Social Chairman **Mike Halliwell**. Then we got back to work.

Each Brother and pledge received a book of raffle tickets—and orders to sell them all! We are proud to report that we have since sold well over one thousand raffle tickets to benefit the George E. Osborn Scholarship Fund.

The Providence I Convention, hosted by Beta Epsilon in Newport, RI, this past February, was a great success. Brother **Brian Furbush** was instrumental in organizing this event, and was so recognized at the Convention. Brian still managed to find time to visit now inactive Omega chapter at Rutgers University, and hopes he and Beta Epsilon can help reactivate that chapter in the near future.

Graduate Member-at-Large and Beta Epsilon alumnus **John Grossomanides** also deserves much credit and praise for organizing the Convention. So the Brothers used this occasion to present John with a well-deserved and long overdue Asklepios Key, as well as the Beta Epsilon chapter Brotherhood Award, at a formal meeting March 23. It was also our pleasure to present Brother **Carleton Vernier** (Gamma Iota '32) with the Order of the Golden Mortar for 50 years of faithful membership in Kappa Psi. A retail pharmacist and Upjohn salesman for many years, Brother Vernier and his wife joined us at the meeting and proved that brotherhood crosses geography and the generations as they entertained us with stories of his experiences as a brother and pharmacist. Always the gracious host, John Grossomanides presented the Verniers with gifts and treated them to dinner on behalf of the chapter.

March 29 and 30 marked the annual Kappa Psi Blood Drive to benefit the Rhode Island Blood Center. The Brothers of Beta Epsilon numbered prominently among the donors, but recovered sufficiently to win another Intramural League soccer game on the evening of the 30th, further improving Team Kappa Psi's winning record.

On April 5, the College of Pharmacy was opened to the public for Kappa Psi's Eighteenth Annual Drug Fair. Students, faculty, drug reps., and the chapter coffers all benefited from this successful event. That Saturday, the Brothers and pledges donated several hundred man hours of scraping, cleaning, and refurbishing the

Narragansett, RI Town Beach Pavilion. The pavilion is heavily used by the townspeople, and was in need of serious repair. What better way to foster student-community relations and teach the meaning of service and Kappa Psi than to hold a volunteer community service project every semester. It also made a fine pledge project.

Speaking of pledges, the chapter looks forward to inducting eleven new Brothers into the Order on April 21. We hope our Brothers from Nu chapter will return our visit to their initiation and join us on the 21st, with hopes it becomes an annual event amongst the chapters of Province I. See you in Virginia!

Beta Omicron Washington

Spring has finally arrived in the Pacific Northwest, and the University of Washington is a panorama of splendor to see. The recent days of sunshine have set the cherry blossoms into full bloom and the daffodils ablaze with color.

As a senior in pharmacy school here at the "U," I will miss these days of spring more than anything. Once you are touched by the beauty of life unfolding itself each day bit by bit, blossom by blossom, the magic will mesmerize you until you realize that spring will never be more spectacular than what's here before your eyes.

Spring here at the "U" also brings the anticipation of the annual Kappa Psi picnic. By tradition, the school of pharmacy, friends and affiliates will once again meet on the shores of Lake Samamish just east of campus, approximately ½ hour drive by car. Yet, unlike years in the past we have a new feature to the agenda that we call "Pharmacy Olympics." Our feature presentation will emphasize various events and games with the hope of involving all our guests and to enhance the flavor of the picnic overall.

The tentative day for the picnic is Friday, May 19th. Tickets will be sold to Kappa Psi members and nonmembers with 50¢ of each ticket being donated to Northwest Harvest to help buy food for people in need.

We are looking forward to this year's picnic. Although this will be my last Kappa Psi picnic, I have a feeling it will be remembered as one of the best . . .

Gamma Chi Ferris State

The Brothers of Gamma Chi would like

to welcome our new initiates: **Kelly Blaney, Jory Colby, Dawn Dietz, Tom Oliver, and Peggy Thompson**. We also wish good luck to seniors **Joe Domenico** and **Lynn Pierzchalski**.

Spring quarter is a busy one for the Brothers of Gamma Chi. We recently had an Easter Party with the women of Lambda Kappa Sigma, for the underprivileged children of Mecosta County. The children enjoyed an Easter egg hunt, cartoon videos and received candy.

The Brothers decided to start a philanthropy project consisting of collecting pop cans in a barrel on campus. The money raised will be donated to the American Diabetes Association. Another professional project we're going to continue to do is visit the Greenridge Nursing Home.

Despite the cold, the Brothers are looking forward to a spring weekend canoeing trip in May 5th and 6th. We will be floating on the Pine River for two days. Not only are we looking forward to that, but Province is a main subject around the house. The Brothers of Gamma Chi are excited and anxious to see our fellow chapters on April 7th, 8th and 9th at the Gamma Iota chapter in Buffalo, New York.

Sgt.-at-Arms **John Pattison**

We would also like to congratulate our new Grand Council Deputy, **Mr. James Reisman**.

During this quarter, we have plenty of events going on at Ohio Northern. Brothers Cardano, Hope, and Wing all attended the Province V Assembly, where lasting bonds were formed between Gamma Delta and our new Brothers in the province and we strengthened those already existing.

—Robert W. Hope

Gamma Iota
SUNY Buffalo

Greetings from the Miami of the North! This semester, Gamma Iota has directed most of its energy into plans for this year's Province V Assembly, held here in Buffalo April 7-9. Under the direction and dedication of committee chairman, **Michael Palone**, Buffalo proved to be the convention spot of the year.

With the merger of Province VI with Province V, there was much excitement and business to attend to at this year's conclave. The agenda included a Welcome Party at 462 Minnesota, hours of meetings and very impressive chapter reports, a reception on the 38th Floor of the Marine Midland Building, an outing to nearby Niagara Falls, and a Closing Banquet at a local restaurant. This year's "Chapter of the Year" award went to Gamma Chi and "Most Improved Chapter" went to Upsilon. We were also very honored to have Grand Vice Regent, **William R. Smith** and Grand Historian, **Paul Hiller** with us. Both contributed greatly to the Assembly and their presence and words of advice were inspiring. Province Supervisor, Ken Kirk was also in attendance and had much to contribute. Thank you to all chapters and Brothers in attendance and to Gamma Iota Brothers **Michael Palone, Trisha Castiglia, Patty Hise, Maureen Evans, Colleen Stoker, Andrea Emsweller, Lee Vermeulen, Alex Thompson, Maureen White, Bernadette Scarpace, Amy Brawdy, and Paul Zagami** for their hand in pulling together a terrific, productive and exciting Assembly.

Moving on to other business of our chapter, under the guidance of treasurer, **Lee Vermeulen**, we provided an opportunity for all third year students to purchase the Sigler and Flandler Drug Cards as well as self-photos required in New York for Interning Licenses. Both sales, along with the last of the dreaded candy bar sales, has boosted our treasury to a comfortable level.

The Brothers were back on the phones doing two more telethons, the Variety Club Telethon for Children's Hospital and the Easter Seals Telethon in Rochester. **Jane Schulz** also directed another Red Cross Blood Drive sponsored by Gamma Iota.

Congratulations to Brothers **William Freeman, Kevin Sowinski, and Lisa Rosser** for receiving certificates acknowledging their high GPA's in their respective classes. Keep up the good work!

Lastly, but certainly not least, congratulations to Gamma Iota First Vice Regent **Michael Palone** on his election to Province V Satrap. His dedication to our chapter,

planning Assembly, and to furthering the pursuits of Kappa Psi are an inspiration to those of us who have had the pleasure to work with him.

Province I

On February 17-19, 1989 Province I hosted its annual assembly in Newport, R.I. The host chapter, Beta Epsilon, selected the Treadway Hotel as the convention site. Convention co-chairmen Brian Furbush (BE) and John Grossomanides (Prov. Grad.) were pleased to have chapter representation from: Mu, Nu, Beta Delta, Beta Epsilon, Boston Graduate and Providence Graduate chapters. The province was proud to have four grand officers in attendance: William R. Smith, Johnny Porter, Paul Hiller, and John Grossomanides. Brother Porter provided an outstanding workshop on the history of Kappa Psi, with films of the 1947 and 1949 grand council conventions. Brother Hiller gave a workshop on the ritual of Kappa Psi with the historical significance and evolution of our ritual. The banquet provided a climax to the province meeting and a celebration to honor the 75th anniversary diamond jubilee celebration of the Provi-

The New Province V Satrap Michael Palone.

Grand Historian Paul Hiller with Gamma Iota Delegate Maureen White.

dence Graduate chapter (the 5th oldest in the country). Along with the province officers and grand officers in attendance, the banquet had a surprise guest Brother. Anthony Solomon, state of Rhode Island general treasurer and Beta Epsilon initiate, who was honored with the Kappa Psi certificate of appreciation.

Province supervisor William R. Smith installed the following elected province officers:

Vice-Satrap **Bhuren Patel**
Secretary **Joe Cordaro**
Treasurer **Tony deMelo**

Gene Mendel-Satrap, John Grossomanides-Historian, and John Gionet-Chaplain have one more year on their terms of office.

In closing, we would like to thank all those Brothers who attended the Province I meeting, especially Beta Epsilon Brothers Greg Tremo, Paul Klawansky, and Brian Furbush. We look forward to next year assembly, which will be held in Boston and hosted by Mu chapter.

Province Historian

Gamma Pi
St. Louis

The Brothers of Gamma Pi wish to thank everyone who attended the Province Convention in St. Louis and made it such a success! We were very lucky to have so many Grand Officers in attending. The Grand Officers in attendance include Brothers **Dewey Garner, John Grossomanides, Paul Hiller, Robert Magarian, Johnny Porter, and William R. Smith**. Our new Brother **Roxanne Pappas** was fortunate to be inducted into Kappa Psi by the Grand Officers at the Convention. We are proud of Brother **Steve Naeger** who received the Vice-Satrap office for the next term of Providence Officers. Brother **Racheal Dettmer** did an excellent job on all the arrangements for the Convention. The weather even agreed with us. The heavy snow didn't come until after everyone was safely home. With all of this Kappa Psi fervor, everyone is already making plans for the National Convention in Williamsburg.

We are happy to announce that our rush period was successful bringing in thirteen new Brothers into Kappa Psi. Our new Brothers include **Brad Auten, Stacy Bell, Angela Ellerbusch, Julie Gritters, Natalie Herrmann, Craig Kimball, Roxanne Pappas, Glen Pigulski, Debbie Reeves, Karen Sahrhage, Tommy Smith, Steve Wilson, and Kellye Worster**.

Chapter News

Gamma Omega Arkansas

The Gamma Omega chapter sponsored our usual plethora of parties for members and College of Pharmacy students this fall, and at semester we focused our efforts on the spring rush. This year's rush party was the biggest and best ever—good food, drinks, and music made for an unbeatable combination that helped us gain 19 new Brothers: **Dr. Bruce Ackerman, Jimmy Buck, John Cash, Michael Covey, Ken Culpepper, Bobby Dunham, Howell Foster, Gary Gibson, Denny Goodson, Richard Harmon, Phillip Kenner, Todd Lock, Shawn Leukenga, Mickey Oates, Brad Owens, Jonathan Ragan, David Skelton, Tommy Woodard, and Jon Ziegenbalg.** Our fundraisers this years have included drug marketing audits, sales of class notes and reference books, and a used textbook sale. We're always on the lookout for new ways to help our community, and this year the Gamma Omega chapter adopted Arkansas Youth Homes as a service project. Past Grant Regent **Patrick Wells** delivered the keynote address at our Spring Banquet, which was followed by a moonlit riverboat cruise on the Arkansas River. Officers for the 1988-89 school year are:

Regent **Paul K. Moore**
Vice-Regent **Eric Shoffner**
Secretary **Curtis Sawrie**
Treasurer **Jimmy Mason**
Sergeant-at-Arms **Scotty Parker**
Chaplain **Dale Ryan**
Historian **David Lechak**
Social Director **Brent Bradley**

Our chapter is losing a great asset this year as charter member **Dr. Marcus Jordin** retires from his position as Anatomy and Physiology professor. His moral and financial support of our chapter will be sorely missed, and we wish him a happy future. Thanks to Gamma Pi chapter and Province VII officers for a great province meeting in St. Louis. Kappa Psi is the

dominating force on the U.A.M.S. College of Pharmacy campus, with Brothers in positions of Dean, faculty chairmen and members, and presidents of ASP, Rho Chi, and the Freshman, Junior, and Senior classes.

Delta Epsilon Duquesne

A big change is happening in Province II. Delta Epsilon has gone through a lot of changes to become a model chapter. Following some lean years, the Brothers made a decision to revitalize the Delta Epsilon chapter at Duquesne University. Some of the productive changes in the restructuring included the rewriting of the bylaws, reorganization of the officer's duties, and increasing the involvement with nationals, Province and fellow chapters. The chapter is quite proud of Mike Starvaggi being elected as the Province II GCCD to the 44th Grand Council Convention in Williamsburg this summer. Also, we are going to send some Brothers as delegates to the convention. In March our Brothers hosted the Interim meeting of the province and were honored with the chance to hold the Province II Assembly in the coming Fall. Details of this exciting weekend will be forthcoming. For the first time in five years the Brothers of Delta Epsilon and the Brothers of Beta Kappa of the University of Pittsburgh met for a St. Patrick's Day party. This is the first step to a greater cooperation between the two chapters.

Delta Epsilon has elected new officers which has been very successful in this reconstruction with the help and cooperation of the entire fraternity. The new officers are: **Jeff Stahl**, Regent; **Tim Speerhas**, Vice-Regent; **Debrah Polito**, Recording Secretary; **Donna Cassidy**, Corresponding Secretary; **Kim Osipchak**, Treasurer; **Mike Starvaggi**, Parliamentarian; **Diana Piper**, Historian; **David Grant**, Chaplain; **Emma**

Espinosa, Social Chairman. After a successful pledge period the fraternity welcomed **David Maize, Kelly Leccese, Angie Suppa, Scott Kurzawa, Teddi Gianangeli, and Lora Reichenbach** as Brothers. This brings our brotherhood up to 22 active members to participate in the many professional, service, and social projects we have yearly.

Professionally, Delta Epsilon has two exciting projects planned. The first one we like to call "Brown Bag Day." On this day the Brothers ask the Senior Citizens at a local day care center to bring their medications so we can present an informational program on proper administration, side effects, and uses of their medication. Our other program is advising and counseling seventh graders to help them develop science projects for an upcoming science fair at their school.

On the service front, the fraternity has decided this year to put our efforts behind the American Cancer Society. The pledge class collected money and the Brothers stuffed 1500 donor packages. We plan to participate in more activities next semester with them. Also, this year the Brothers of Delta Epsilon started what we would like to become a tradition; a Halloween party for the children at Mercy Hospital. We got the kids involved in games and pumpkin carving and in turn raising their spirits.

But our Brothers are not all work and no play. We have our spring formal planned to be held at the South Park Inn and various parties in conjunction with the formal. Delta Epsilon also put a team together to participate in the Greek Olympics at the annual Spring Fling Carnival. Along with this, we sponsor a food booth at the Spring and Fall Carnivals in which we sell our famous pepperoni rolls. The Brothers think the coming years will be very exciting for Delta Epsilon, and you will be hearing a lot about us in the future.

Sergeant-at-Arms**Paul Minells**
Head Pledge Master**Dominic Cerra**

We would also like to congratulate our Fall 1988 Little Sister Pledge Class with the following 12 little sisters included: Jacki Klahzak, Robyn Robinson, Marie Kigrenkopolis, Angela Loose, Joanne Palmieri, Joanne Curley, Kim Fulan, Chris Cannon, Lori Adams, Marie Bachynky, Stephanie Burgess, and **Mara Pusater**. Congratulations and welcome to Eta chapter.

Our Spring pledging went well with five quality pledges making it through to become Brothers. These include: Brian Italz (legacy), John Barron, San Callahan, Eric White, and Christian Hampel.

Beta Psi Wisconsin

Beta Psi chapter is pleased to announce the initiation of Karen Hansen and Patrick Smith into Kappa Psi.

Officers elected for the 1989-90 school year include:

Regent **John Ruona**
Vice Regent **Jay Litzenberg**
Secretary **Ann Trumm**
Treasurer **Kathy Curtis**
Chaplain **Hugh Zuengler**
Parliamentarian **Laurie Voissem**
Sergeant-at-Arms **Jim Kroner**
Professional Chair **Stephanie Kardules**
Social Chair **Matt Weege**
Rush Chair **Ellen Micklos**
Fundraising Chair **Sarah Lemanski**
Historian **Kim Narloch**
Publications/Alumni

Relations Chair **Patty Wycklendt**
House Manager **Jim Kroner**

We also congratulate **Stephanie Kardules** on her appointment as Province V Historian at the recent province assembly. The large delegation from Beta Psi was very pleased with accomplishments made in Buffalo.

A number of activities have kept Beta Psi busy this semester. Professionally, KT participated in a silent auction for Diabetes, and plan to lace up their sneakers for WalkAmerica to benefit the March of Dimes. At school, KT informs fellow students of newer drugs like Rogaine and Cytotec on our Drug of the Month bulletin board. Participation in a national drug audit continues to bring in a sizeable income, with extra funds coming from our pharmacy t-shirt sales. Beta Psi enjoyed sharing our hell night traditions with Brothers from Pi chapter, who joined us for the weekend. A number of us are looking forward to joining in Iowa's hell night activities.

Lastly, we would like to commend the following recipients of the National Honors Certificate: **Lisa Arends, Diane Bilgri, Eric Bachar, Karen Burkoth, Jackie Couterier, Jon Eichman, Eric Foss, Nancy Jo Hess, Kris Hoepfl, Monica Sulditt, Krista Wegner, Linda Winzer, Greg Zabrowski.**

Beta Sigma North Dakota State

As the Beta Sigma's look back on the last two quarters, it was good in both

brotherhood and scholastics, and most of all it was fun. We have a new spirit in the house that is sparking new ideas and a lot of good times!

Most of this is due to our new actives: **Dave Crolus, Mark Ellingson, Rick Halloran, Chris Johnson, Kyle Johnson, Todd Schwindt, Kevin Sell, and Jim Witt.** The men are not the only new members. Our little sister program is growing fast with new members: Jacquelyn Buck, Su Haugen, Jannelle Huff, Michelle Radcliffe, and Jodi Waldera. Congratulations to all of new members, we're glad to have you aboard.

Beta Sigma is eager to start the quarter with our newly elected officers:

Regent **Jeff Arnold**
Vice-Regent **Matt Paulsen**
Treasurer **Don Pirkel**
Secretary **Darren Seay**
Membership chair **Gordon Seim**
Social chair **Kurt Neuenfeld**
House Manager **Keith Wagner**

Activities for this quarter include credit card application fund-raiser for the Rape Prevention Crisis Center on the NDSU campus. A donation was given to the Special Olympic Fund. Blood pressure screening is also being done for one of the faculty members. The little sisters had a very successful fund raiser. They sold jelly-bean prescriptions for instant sex appeal, stress, and the one we all need, homework blues. Their fund raiser went toward a light to shine on the Kappa Psi sign in front of the house. Good job girls. Our term party this quarter had a new twist. We celebrated the "Roaring 20's." Costumes ranged from gangsters to flappers, from a crooked politician to a southern hillbilly. All the Beta Sig's are looking forward to this spring's warm weather for the long awaited Road Rally. Ask a Beta Sig at conclave for all the details.

We also elected a new faculty advisor, Dr. Edward Magarian. He looks to be very interested in his new position and is raring to get started. We also have to say good luck and goodbye to five Brothers. Graduating are **Keith Day, Terry Johnson, Brian, Truax, and Scott Ward.** Kevin Sell has decided to attend SDSU, congratulations Gamma Kappa, you are getting a new and energetic member. We'll miss you all.

Delta Gamma Auburn

This has been a very busy and exciting year for Delta Gamma. We began the new year by hosting the Province IV meeting

Beta Psi members at the Diabetes Phone-A-Thon . . . with just one telephone? Front: Jim Kroner, Monica Sulditt, Eric Bachar. Back: Ann Trumm, Lia Lenroot, Colleen Murphy, Theresa Daughtry, Linda Winzer, Lisa Arends, John Ruona, and Ellen Micklos.

here at Auburn. We are very proud to have **Sam McClendon**, Province IV Satrap, and **Doug Baldwin**, Province IV Vice-Satrap, as Delta Gamma Brothers. We celebrated our Founder's Day with a banquet at Auburn's new Conference and Convention Center. **Dean William Campbell** was the guest speaker and **Dr. Leon Wilken** was acknowledged for his many years of service to the chapter by the presentation of an engraved mortar and pestle. Our congratulations go to **Jennifer Thompson** who was honored with the Asklepios key as Delta Gamma's most outstanding member for her hard work and dedication to the chapter.

Winter Rush was very successful as we welcomed nine new Brothers into our chapter. The new initiates are: **Vicki Anderson**, **Becky Bozeman**, **Christine Cicci**, **Michele Clardy**, **Michelle Hoffman**, **Dana McClendon**, **Roger Stokes**, **Charlotte Tillman**, and **Dr. Forrest Smith**. We also had two successful fundraising activities which included t-shirt sales and the sale of drug cards and updates.

Spring quarter we are planning a party with the entire pharmacy school, nursing school, and Alpha Psi veterinary fraternity which should be a lot of fun. We are also in the midst of preparation for our first annual "I Want a New Drug" party to be held at Chewacla State Park. This party will also be a part of our Alumni Gathering in which there will be reunions of the classes of 1963-64, 1973-74, and 1983-84, as well as tours of the Auburn School of Pharmacy building and Miller Hall. All Auburn Kappa Psi alumni are welcome to attend.

Our most important project this quarter is to establish a graduate chapter of Kappa Psi here at Auburn. Newsletters are going to be sent out to all prospective alumni with details and we look forward to getting many positive responses.

Gamma Xi South Carolina

Gamma Xi's spring '89 semester was highlighted through a successful St. Patrick's Day party as green decorations and refreshments promoted the atmosphere. The party gave Gamma Xi Brothers a unique opportunity to host Brothers from Campbell University. Efforts at fostering good relations between the chapters proved very successful, and Gamma Xi would like to thank **Tasha Suggs** regent for Delta Lambda, and all the Brothers who participated for their attendance. Also new to the party was the reinstitution of the Barber chair contributed by Graduate Brother **Tommy Johnson**. "I took the Spin" t-shirts provided profits for the pledges as they helped make the party possible through their work.

Gamma Xi continues to provide community services through their involvement in Columbia's free medicine clinic. We have also shared in several successful gatherings with our little sister affiliate chapters. The first of these included a roadtrip to Chapel Hill for Beta Xi's annual tunnel party. The party proved very memorable as we met Brothers from six other chapters and made our way through a maze of cardboard tunnels leading to cardboard rooms, sudden dead ends, or sliding exit pathways, all providing for a great time and unique experience. We would like to thank Beta Xi Brothers for their courtesy and hospitality. Other gatherings with the little sisters included a dinner at a local steak house and in volunteering time at Epworth's Children's Home in Columbia.

Gamma Xi is proud to have inducted two new Brothers for Spring '89: **Kevin Henson** and **Brian Duffie**. Both new Brothers were highly motivated throughout their pledge season, which helped to bring the fraternity closer as we better acquainted ourselves with the pledges and each other in participation.

Gamma Xi would like to congratulate Brother **David Banks** on his engagement to Yvonne Stone. We would also like to congratulate Brothers **Mark Smith** and **Kevin Hancock** for their achievements in the Mr. USC bodybuilding contest.

Gamma Nu Pacific

As classes roll on, Gamma Nu is continuing to keep busy. Last March we initiated 18 new Brothers into the collegiate chapter. Please welcome the following into KT: **Ron Bogart**, **Thang Bui**, **Thanh Bui**, **Ross**

Chang, **Khanh Dang**, **Gary Fong**, **Peter Kim**, **Perry Lau**, **Thomas Lau**, **Oscar Martin**, **Wes Nakashima**, **Mark Pinski**, **Lek Sananikone**, **Wigbert Sy**, **Waiman Won**, **Kam Wong**, **Franklin Yip**, and **Courtney Yuen**.

Also in March, Brother **Ron DeBellis** married little sister Kristin Schneider in Pleasant Hill, California. Ron and Kristin are both very active supporters of KT and we wish them all the best.

April brought the end of our winter semester and the beginning of our spring one. The Pacific Graduate chapter again sponsored our annual wine tasting trip to the nearby Napa Valley which was a great day as well as an educational one.

A new community service project was begun by our professional committee. KT has begun an information service that is inputted into "Info-Net," a computer information network available via modem from anywhere in the country. It is based and run by UOP/ASP and the School of Pharmacy. There will be a KT corner in Info-Net that gives disease updates, drug information, and other special announcements. All you need to get Info-Net is: 1. a personal computer, 2. a modem with communications software, and the telephone numbers: Nationally (except Calif.) 1-800-367-8583; From California only 1-800-648-4333.

On a serious point, we regret to announce the sudden death of one of our most supportive alumni, **Larry Carnegie**. Larry pledged Gamma Nu in 1976. His winning attitude and positive lifestyle are his gifts to us and he will be remembered each homecoming with the Larry Carnegie Asklepios Key Award.

We are looking forward to our big summer party, softball games, a summer pledge class, and sending our 3rd year students off for their externship.

—Jamie Tobitt

Pledge Master **Missy Wiedmann**
Sergeant-at-Arms **George Jones**
Treasurer **Mary Baddour**
Rush Chairman **Lindsay Wartenberg**
Tribunal Rep **Debbie Neurohr**

Congratulations to all and let's hope for a great year!

We would also like to thank the Gamma Iota chapter in Buffalo for the best Convention. Everyone from Beta Phi had an excellent time and we are already looking forward to seeing everyone in Detroit next year.

In February we held our second cholesterol screening at a local mall in Cincinnati. We tested over two hundred people and counseled quite a few more. We also had our annual Sweetheart Dance with our graduate chapter in February. It was a great chance for us to get to know the graduates on a more informal level.

Currently we are winding down from our Buffalo trip and waiting for blankets that we ordered so we can donate them to the Ronald McDonald House. We are also diligently practicing for our Annual Kappa Psi vs. The Faculty softball game and picnic. Last year was the first year that we beat the faculty and, hopefully we can

carry on the tradition again this year. Thanks again to the great people at Gamma Iota for their hospitality.

Delta Zeta Iowa

Delta Zeta hosted the Province VIII Conclave April 21st and 22nd at Howard Johnson's in Iowa City. University of Iowa KT alumni were all invited to attend in celebration of our 20th anniversary. Students from six Province VIII KT chapters gathered for two days of fun that included parties both Friday and Saturday night. Friday's theme was "100 Ways to Wear Your Lab Coat" and proved to be very interesting as well as entertaining. A pool-side Luau was the setting for Saturday night's event. Alumni events included a discussion of the possible development of a graduate chapter, a brunch, and a College of Pharmacy tour. The conclave proved to be both enjoyable and educational. We thank all who attended and helped to make it a great success.

Delta Zeta remains busy with many other activities which include blood pressure screenings in local pharmacies, an annual College of Pharmacy softball tournament held April 15, and a door to door food drive held April 8th to assist the Iowa City Crisis Center in aiding local residents in need.

Twelve pledges completed the requirements for active KT membership this semester and were initiated Friday, April 12. We welcome and congratulate the following: **Eric Strathman, Michelle Alig, Sarah Alwan, Laura Schacherer, Laura Colyer, Monte Thorpe, Craig Wills, Linda John-**

son, Diana Cox, Angie Spurrier.

Detroit Graduate

The Detroit Graduate chapter has had a very busy year in terms of Continuing Education. With this year being a relicensure year, we have held four CE programs with the opportunity for the Brothers of our chapter to earn 15 CE credits. During the past year, the program topics were An Update of the Controlled Substances Laws and Regulations, Hyperlipidemia and its Management, Asthma, and most recently Handling Price Complaints in Pharmacy. Brother **Dale Witt**, a sales representative from Dista Products Company, presented the price complaints program and he also presented numerous programmed learning booklets for Brothers to obtain additional CE credits at home in their spare time. Thank you to Dale for a job well done.

As for our upcoming projects, we have been busy preparing for our 38th Annual Awards Dinner on May 5th. Our dinner is always the biggest event of our entire year and a great opportunity for the Brothers to enjoy a fine night of brotherhood. Last year, over 70 people were in attendance and we are looking forward to another large gathering at the Stephenson Haus in Hazel Park.

Fundraising is always an ongoing project in Detroit. As many in our fraternity know, our bingo is our biggest fundraising event. Another fundraising project for this year will be the Detroit Grand Prix on June 16, 17 and 18, 1989. Once again, we will be running one of the concession stands selling beer and wine coolers for the many thousands of race fans in attendance. It is usually a busy weekend but always a lot of fun.

Finally the Brothers of the Detroit Graduate chapter would like to commend the Buffalo chapters for a job well done during the Province V Assembly on April 7, 8 and 9, 1989. Our delegates, **John Di-Lodovico** and **Alan Metz**, were happy to report of the successful merger of Province V and Province VI. We would like to welcome the chapters of Pi, Chi, Beta Upsilon, Beta Psi, Illinois Graduate, Indiana Graduate and Wisconsin Graduate to the new Province V.

In Detroit, we are beginning to put together a good program for the 1990 Province V Assembly. We hope to see many Brothers here next year. Also, many of us are looking forward to the 44th Grand Council Convention in Williamsburg, Virginia. If you are thinking of going, the convention is always well worth it.
