Kappa Psi Convention  
August 5-10, 1989  
Williamsburg, VA

# From the Editor

*Tony Palmieri*

With this issue of The MASK we begin extensive coverage of the Grand Council Convention coming August 5-10 in Williamsburg, Virginia. This event occurs only every two years and is undoubtedly the most important event in our life as Fraternity Brothers. I encourage you all to attend. It is especially a great place to take families and a great summer vacation spot. For me personally it is an opportunity to experience the greater meaning of Kappa Psi Brotherhood. All too often we tend to think on a Chapter or Province level when in reality, Kappa Psi is much larger and broader than that. You will have an unforgettable experience. Plan to attend. In this issue you will find a preliminary program, site information and registration information. While I suffer through the Michigan winter, August seems far off but hopefully it will be here before long. As always your comments and suggestions concerning The MASK are expected and appreciated.

—Kenneth B. Roberts

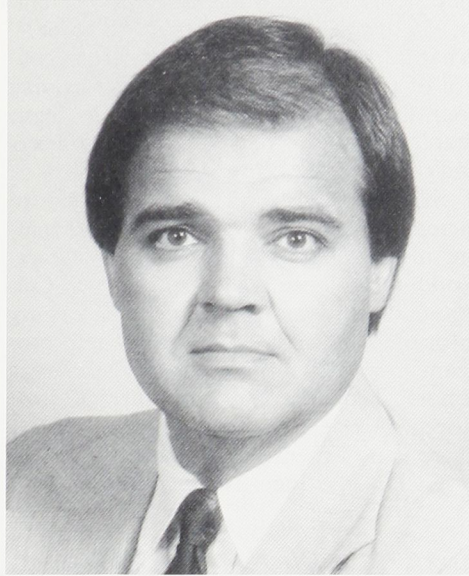

## Just What Should We Do?

Recently I was reading a fraternity publication and found an article entitled "The Crisis Facing Fraternities." Prior to reading the article, I conducted some self-evaluation of **Kappa Psi**. What are the crises in this fraternity? And what are we doing about those crisis? Initially I couldn't identify what might be considered *major* problems/crisis. But, there were three items which I believe we need to do better, especially **Grand Officers** and the **Central Office**. These activities include (1) communication, (2) planning and (3) leadership education and training. The major emphasis in the article, however was the rash of hazing events which today plague the social fraternity system to the point where several entire fraternity systems are under study by faculty/administrative committees.

Pressure is mounting to do away with fraternities on many campuses. Such pressures are not reserved for the social fraternities. When discussing chapter reactivation with some Deans, I am frequently confronted with concerns about activities often identified with fraternities no matter how far fetched, obsolete or mythical. When fraternity difficulties arise and become public, the entire fraternity system, both professional and social, are held accountable. Unfortunately, public trust in fraternities is fragile. Likewise insurance companies take very conservative positions when discussing fraternity risks and underwriting those risks. In fact, some groups have found that liability insurance for fraternities is either not available at all, or very expensive, and/or carries exclusions against hazing and other behavioral problems that may render the policy virtually worthless. Therefore it behooves all of us; **collegiates, graduates, Grand Council Deputies, other faculty advisors, and Deans**; to be mindful of these emerging circumstances and be prepared as best we can to avoid problems.

Should a tragedy occur, what steps should be taken? This topic was addressed in a bulletin from the national office of one social fraternity. The bulletin was distributed to the collegiate chapter presidents and copied to the faculty advisors. I've included part of the article for your attention. "The recommended procedure is as follows:

1. Be certain that every chapter member knows that you (the president) are in charge of the situation involving a serious accident. In your absence, have a ranking order of officers established and be sure they know where to find these instructions.

2. If the tragedy is a serious injury or death, your first call is the emergency number for an ambulance. If a fire, the fire department must be called. Don't take chances thinking that the members have the situation under control by agreeing to transport an injured party to the emergency room or by having a fire under control. Make the calls to professionals. Both ambulance services and fire department numbers should be posted by all telephones.

3. Immediately call your chapter advisor. Also call your house corporation president especially if the injury or fire occurs on the chapter's property.

4. Assemble your members in a group. Explain to them that there is an emergency situation and that the house is closed to outsiders. Instruct them not to make outgoing calls. Depending upon the situation, it might be necessary to call in out-of-house members and pledges. Seek advice from your chapter advisor. Instruct your members to make NO statements to anyone.

5. If the injury is serious, call an attorney within 24 hours and make a full report to him. Follow his advice. You will probably need to obtain written statements from everyone who witnessed the accident.

6. Only you or your chapter advisor, if he agrees, should make statements to the media. If a fire, all questions should be referred to the house corporation president. Again, seek advice from your attorney regarding information or any prepared statements which should be released to the media.

7. Notify university officials as soon as possible. They will be contacted by the media and perhaps government officials.

Many universities will also provide further guidance and support. Cooperate fully with the university and government authorities on reasonable requests, and be truthful on the facts.

8. Do not notify parents. If a serious accident or illness, the medical personnel will notify parents and advise them of the student's physical situation. If a death, ask university officials to provide notification.

9. Do not admit or in any way imply responsibility for the injury as a chapter. It is especially important that the chapter not pay or offer to pay medical or other expenses. This implies an admission of responsibility.

10. In the event of a fire, the house corporation president should contact the fire insurance agent as soon as possible.

11. Notify the national office within 24 hours providing the following:

- full name, address and telephone number of the injured party,
- description of the incident,
- description of the property damage, if applicable,
- date and time of the incident,
- name, address and telephone number of any witnesses,
- chapter name, address and telephone number, and
- name, address and telephone number of person who will act as the official contact for the chapter.

Once the above information is received, the national office will make an official report to the liability insurance company. Further advice will also be given by national office personnel. Of course, it is proper to make hospital visits and to send sympathy cards and notes, flowers, etc. If a funeral, it will mean a great deal to parents or relatives if members attend."

Some of these procedures might sound harsh. I hope we will never need to follow them, but tragedies do occur. Your comments on this topic would be appreciated. Should the **Executive Committee** adopt such guidelines as recommended procedures for **Kappa Psi** Chapters and Brothers. Please share your thoughts with me.

Finally some announcements are in order.

1. Last summer, chapters from **Provinces V and VI** petitioned the **Executive Committee** to merge. The Committee approved the merger pending no dissent from chapters upon further notification. The deadline for such notice passed on November 1, 1988 with no dissent. Therefore the Provinces are officially merged and shall henceforth be called **PROVINCE V**. We look

forward to more dynamic activities from these chapters and their contributions to the brotherhood and to the Fraternity.

2. The strategic planning continues. Unfortunately, most collegiate and graduate chapters have not returned their information after not one but two mailings and requests. To date, almost 70 percent of the **Deans** and 50 percent of the **Grand Council Deputies** have responded. Why will only 28 percent of the collegiate chapters reply to this request for information vital to planning the future of **Kappa Psi**? Ask your **Regent** or **Secretary** if they have completed and returned the survey. If not, do so immediately!

3. The **44th Grand Council Convention** will be held on August 5-10, 1989 in Williamsburg, Virginia. It is not too early to begin your plans for attendance and participation. By far, this is the most important event conducted by the Fraternity. Be there and learn more about **Kappa Psi** in five short days than you will know in the total of your previous fraternity experiences. I guarantee you will have the time of your life.

4. Keep your **Dean** and **Grand Council Deputy** informed about what goes on in the chapter. Often Deans remark to me that they are unaware of your activities. Keep in mind that they have a variety of diverse responsibilities. It is your responsibility, not theirs to keep them abreast of what **Kappa Psi** is doing. Believe me, they want to know what's happening. Frequently they are asked the same questions by alumni, "How's the **Kappa Psi Chapter**?" What do you want them to say? Take control of the message by routinely providing your Dean and GCD with details about chapter accomplishments, events, officers and programs.

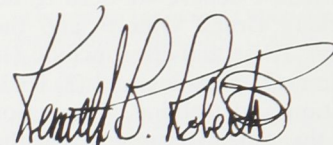

5. **SCHOLARSHIP**: This year we want to increase the number of chapters participating in the **Scholarship Honors Program**. Notices have been distributed to each **Collegiate Chapter** and **Grand Council Deputy** informing them of the recognition program for brothers deserving scholastic honors. The rules and procedure are provided in the program announcement. There is no expense to the chapter, school or GCD. Just identify the brothers who

have earned a cumulative B average or better over the past academic year and submit their names to the **Central Office**. Please review the rules carefully. But, don't deny this worthy recognition for deserving brothers.

6. **Congratulations: Chi Chapter**, the University of Illinois, Chicago, has been reactivated. See details in this issue of **THE MASK**.

7. Finally, I hope to see all of you at the **Annual Kappa Psi Reception** at the Annual Meeting of the American Pharmaceutical Association in Anaheim, California. All of you are welcome to this event on Sunday evening, April 9, 1989. Please come and bring your Brothers.

Faternally,

Kenneth B. Roberts

## ***While at the A.Ph.A. Meeting . . .***

Be sure to attend the Kappa Psi reception Sunday, April 9,  
1989 at the Marriott Hotel, Salon I  
5-6:30 p.m.

*Also stop by the Kappa Psi Booth in the Exhibit area.*

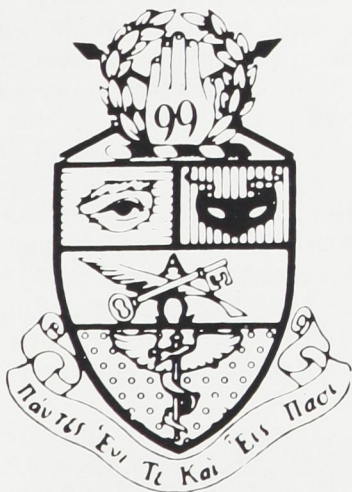

## Roberts selected

UNIVERSITY, Miss.—Dr. **Kenneth B. Roberts** of Memphis has been selected as the new dean of The University of Mississippi School of Pharmacy after a national search for a successor to retiring Dean Wallace L. Guess.

The announcement was made when Dr. Roberts was introduced at a Friday pharmacy faculty meeting. Chancellor R. Gerald Turner will submit Dr. Roberts' name for approval by the Board of State Institutions of Higher Learning, and he is expected to assume his new post on July 1.

A noted lecturer and author, the 44-year-old Roberts is presently associate dean for academic affairs at the College of Pharmacy at the University of Tennessee in Memphis as well as professor of pharmacy administration and director of the Center for Pharmacy Management and Research. He also serves as an adjunct associate professor of health care administration at the Ole Miss School of Pharmacy, a position he has held since 1984.

"This was a search that resulted from input from a number of people," said Chancellor Turner. "Dr. Roberts is a professional who is widely respected by pharmacists in all aspects of the profession in Mississippi. We are particularly pleased that someone with his professional standing and skills will be assuming this post."

**Robert N. Arrol** has been featured on the CBS program "On the Road" with Charles Kuralt. The feature was on personalized coffee cups at Arrol Drugstore. Brother Arrol is a graduate of Butler University and Past Regent of Beta Upsilon Chapter.

**Charles P. Vernier** a Gamma Iota (SUNY-B) initiate and past Regent of that chapter recently moved to Palm Coast Florida. He is a past Upjohn sales manager, hospital pharmacist and community pharmacist.

## Past Grand Regent Danti recognized for civic contributions

Dr. August G. Danti, professor of pharmaceuticals, was awarded the David C. Silverstein Memorial Civil Award by the Monroe, Louisiana Chamber of Commerce for 1988 for his voluntary efforts on behalf of civic and charity organizations. This is the most prestigious award offered by the Chamber of Commerce. Dr. Danti is an active member of 33 civic and charitable organizations, serving on the Board of Directors for 24 of those organizations, holding the presidency of five, the vice-presidency of two, and the treasurer of one. In 1988 he received the Volunteer of the Year Award from the American Red Cross for his promotion of AIDS Education and the Citizen of the Year Award from the National Association of Social Workers.

## Play it Again, Sam!!

Music has long been a part of any organization and fraternities in particular. Kappa Psi is no exception to this generalization. We all are familiar with the Pledge Song, but are you aware of the other musical selections particular to our Fraternity? At the recent visit of Grand Regent Roberts to Gamma Delta Chapter, this topic arose in our conversations. Many of you read the article in the September issue of *The MASK* about the passing of the author of our Sweetheart song. There are also at least two other traditional songs associated with Kappa Psi: The Shield of Kappa Psi and the drinking song. Neither Grand Regent Roberts nor myself knew of where the tunes and COMPLETE text to these songs might be found. As a result, he has charged me to make inquiries with the Brotherhood to locate this bit of Kappa Psi history and now I am turning to you. If you have any information concerning the songs mentioned in this article or any other songs traditional to Kappa Psi, I ask you to forward the information to me so that I may compile a text of the lyrics and melodies. My address and telephone are listed below. If you have a copy of the complete lyrics and melody, I would greatly appreciate it if you could send me a copy. A complete report on my search will be printed in an upcoming edition of *The MASK*. In order to insure publication of this information in the June issue, I need your reply before May 1, 1989. I thank you for your aid and I look forward to hearing from you soon!

Fraternally,

# “The Spirit of Kappa Psi”

It is hard for me to believe that almost ten years have passed since brother Greg Susla and I boarded a plane in Connecticut to attend the 39th Grand Council Convention (GCC) in 1979. Both of us were selected to represent Nu Chapter at the GCC in Scottsdale, Arizona. Greg and I were very excited about our trip. It was the first time that either one of us had been out west. Yet, we experienced some degree of apprehension. What would the convention be like? We had read the convention program in *The MASK*, but were not really certain as to what was going on in each of the general sessions. Who would we meet? We only knew each other and hoped that we would run into some “fun” brothers. I felt a little nervous about meeting some of the Executive Committee. Sure, I had read about them in *The MASK*, but did not know what I would say to them.

Our flight took us to Chicago to change planes, and it was on the flight from Chicago to Phoenix that we met the Mu Omicron Pi delegation. What a great bunch of Brothers! Meeting up with them and exchanging stories made the trip to Phoenix pass by quickly. Once we landed, the Mu Omicron Pi's offered us a ride to the convention center. Things were really starting to pick up! After all of us checked in, we proceeded to the pool for a little sun, rest and relaxation. Boy, this was the life! Greg and I soon started to meet Brothers from all over the country. Things were going great! Both of us felt that this was going to be one memorable week.

The First General Session began that evening with the Ritual. There they were: Dewey Garner, Ben Hershenson, Don Floriddia and Bob Magarian, to name a few. Greg and I were impressed with all the topics, reports, decisions and scheduled discussions that were to take place at the Convention. We were representing our entire chapter. We would take part in those discussions. We were there to help make those decisions. There was a lot more to this Fraternity than we had ever thought. This was **Kappa Psi!**

All of the Brothers, delegates, and Executive Committee members were easily approachable. After all, weren't

we all in the same Fraternity? It was at this GCC that I had the distinct honor of meeting Brother Leonard Jones, Brother Tommy Thompson from Theta Chapter. (Today all three of us serve on the 44th Grand Council Convention Committee.) The rest of the week went great! We participated in some important Fraternity decisions that would not only impact on us but also on the future members of Kappa Psi. Greg and I also sampled barbecue, checked out the local university night spots and got the best tans we had ever had (in 112 degree heat!). We were having such a good time that we missed our return flight home. We didn't mind staying another day because this was truly an experience that we felt would be remembered for a long time.

Many years have passed since my trip to Scottsdale. People have changed, pharmacy education and practice has changed, life in general has changed but the spirit of Kappa Psi remains as that force which continues to bind many pharmacists together.

I am making a call to all Brothers, undergraduate and graduate, to seriously consider attending the 44th GCC in Williamsburg, Virginia. To the undergraduates, this Convention exemplifies what Kappa Psi is all about. We, the Brothers, are Kappa Psi. Kappa Psi is not a building or office. It is a Fraternity, made of many different types of people who have a common belief. It is a Brotherhood, a friendship of sharing, caring, and helping. This is the “Spirit of Kappa Psi.” We are responsible for the constitution and bylaws and the rules that govern this great Fraternity. We pledge fellow students who are worthy to share in the Brotherhood of Kappa Psi.

To the Graduate Brothers, the GCC provides an opportunity to rekindle the spirit of Kappa Psi. You made the decision to pledge this great Fraternity. You are a brother who shares in all the good things that this Fraternity has to offer. Graduates often say, “I use to be a Kappa Psi.” This is not at all true. You are and always will be a Kappa Psi!

The Executive and Convention Committees, Theta Chapter, Dr. Ma-

garian our Executive Director, and I have put in a lot of time to prepare for this Convention. We have been at work since early April 1988. The Williamsburg Hilton and National Conference Center was submitted and accepted by the Executive Committee because of the exceptional facilities and wide variety of activities that this location, nestled in the Virginia forests, has to offer. Its location is equidistant from Richmond and Virginia Beach. Therefore, air travel arrangements can be made to the destination airports of either Richmond, Virginia Beach/Newport News or Patrick Henry, based on best airfare.

The meeting facilities at the Hilton are very spacious and accommodating. The hotel offers an indoor/outdoor swimming pool, two outdoor tennis courts, two indoor racquetball courts, a whirlpool spa and sauna, an exercise room for men and women along with a recreational room equipped with 3 pool tables and a ping-pong table. Numerous restaurants are within short driving distances, featuring entrees ranging from seafood delicacies to steak. An outstanding brunch is available at the Hilton on Sunday. Colonial Williamsburg, one of the first settlements in the New World, and Busch Gardens, an extraordinary amusement park that features thrilling rides, evening concerts, various representative “countries” and restaurants from England, Germany, France and Italy, are both readily accessible by tram from the Convention Center Hotel. The Anheuser-Busch brewery, which offers daily tours, is within walking distance. The first settlement in the New World, Jamestown, as well as Yorktown, the location of the final surrender ending the Revolutionary War are both a short drive away. Several plantations are open for visitation and tours, daily. There are a number of meticulously groomed golf courses in the area including the Kingsmill Golf Club (River Course) which is the home of the annual Anheuser-Busch Golf Classic.

For those brothers interested in more water than that offered by the hotel pool, Watercountry USA, with its numerous high chutes and water “rides” is a 5 minute drive from the

# Chi Chapter Reactivation

convention center. For others who want to enjoy the "sea breeze," Virginia Beach is just one hour's drive east of Williamsburg. This area not only offers great beaches on the Atlantic Ocean but also appetizing seafood dining. Anyone desiring to visit Washington, D.C. can do so during the free day offered in the convention schedule. A two-hour drive from Williamsburg will place you on the steps of the Capital.

As you can tell, Williamsburg has it all! To all Kappa Psis, let's keep that spirit alive! See y'all at the convention!

Fraternally

Brother Ed Sypniewski  
Chairman,  
44th Grand Council Convention

**More Convention Information  
pages 8 & 9**

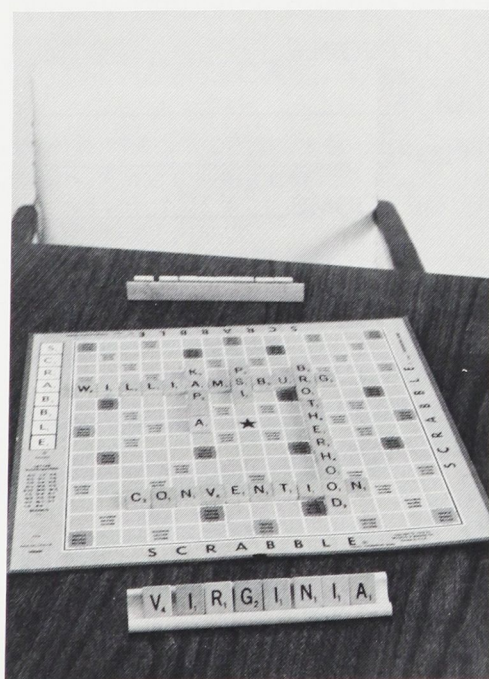

For two years, Brother John Russell, Associate Dean for Student Affairs at the University of Illinois College of Pharmacy has been searching for a promising occasion to launch the reactivation of **Chi Chapter**. This fall, Brother Mike Steffens, initiate of **Beta Psi Chapter** (University of Wisconsin), transferred to the University of Illinois to pursue the Doctor of Pharmacy degree. Brother Steffens motivation and desire for fraternal activity alerted Dr. Russell that the time had come to launch this important reactivation assignment. On October 18, 1988, Brothers from **Beta Psi**, **Beta Upsilon** (Butler University), **Gamma Pi** (St. Louis College of Pharmacy), **St. Louis Graduate**, **Illinois Graduate Chapters** and **Grand Regent** Kenneth B. Roberts gathered in Chicago to support the efforts of Brothers Steffens and Russell. On campus activities included a lecture entitled "Professional Organizations: Their Role and Your Responsibility" presented to over 150 students, a **Kappa Psi** exhibit in the main lobby of the College, a luncheon and other meetings with prospective brothers, faculty brothers and college administrators. Of special significance was the support provided by the Brothers of Beta Psi who prepared advance communications, announcements and provided on-site **Kappa Psi**

materials for the exhibit. Moreover, Chi Chapter enjoyed the wholehearted assistance of all the other brothers who had traveled great distances, from Indianapolis, Memphis and St. Louis, for this occasion. The enthusiasm spawned by this occasion was demonstrated by Brother John O'Dwyer (Gamma Pi, '82 and St. Louis Graduate) when he pledged his desire to stimulate the Illinois Graduate Chapter to renew its record of strong support for Chi Chapter.

These efforts were not in vain, for two weeks later, Brother Dawn Amereson (**Delta Zeta**, '87), also a transfer student at the College accepted the responsibility as Pledge Trainer. A few days later Chi Chapter pledged 17 first and second year students at the College Pharmacy. Congratulations are extended to Brothers Steffens, Amereson and Russell for bringing life back to Chi Chapter, one of the fraternity's oldest and most productive. Finally, the Fraternity is also very appreciative to all the brothers (pictured above) who contributed their time, energy and support to produce another wonderful **Kappa Psi** success story.

Ken Roberts (Psi, '65)  
Grand Regent

*Editors Note: Chi Chapter was officially reactivated on 2/10/89 by Grand Vice Regent W.R. Smith.*

*Kappa Psi Brothers gathered to reactivate Chi Chapter include: Front Row: John O'Dwyer, Jr. Gamma Pi '82, Eric Bacher, Beta Psi, Kent Udulutch, Beta Psi, Craig R. Osness, Beta Psi, Dave Machuga, Gamma Pi, Greg Selvia, Beta Upsilon. Back row: Grand Regent Kenneth B. Roberts, Psi '65, Mike Steffens, Beta Psi, Mike Rajski, Chi '76, Thomas Houston, Beta Psi, Dana Lewinsky, Beta Psi, Tom O'Shea, Gamma Pi, Ryan Tarr, Beta Upsilon, and Clarisa Harper, Beta Upsilon.*

# Pilger to Bike Across America

Kappa Psi has meant a lot to me over the eight years since I pledged Delta Zeta at the University of Iowa. Indeed, several people who know me well will testify that Kappa Psi was one of the things which kept me going through a tough period in my life when I was struggling academically. One semester, our meager little chapter elected me (I may as well be frank and say appointed me) Vice Regent for the following year. If I remember correctly, we had 11 members and nine of those would be seniors. (I'm very happy to report that Delta Zeta has had a tremendous resurgence since those days and now is among the largest and most active chapters.) About this same time, it was becoming a very real possibility that I may not even be a pharmacy student the following semester due to poor academic performance.

Well, I accepted the job of Vice Regent, and squeaked by the GPA requirement that semester. Though I never did set the world afire with my grades, they kept improving and I'm now doing quite well as a clinical "satellite" pharmacist at the Medical College of Georgia. I will always look back on that time as my "turning point" in school. Knowing that the chapter had invested their faith in me to hold office made me feel a responsibility to other people which was exactly the little boost I needed to increase my motivation and my studies. Kappa Psi has helped me in other ways as well. Our public service projects let me get my feet wet in serving the public. I have always felt that helping others was among the noblest things a person could do.

On very rare occasions in life we are offered a chance to live our dreams. One of my longest held dreams is to ride a bicycle across the United States. I feel that just to talk with the local people and smell the air as I ride from state to state would be extremely fulfilling. I have pictured myself as a kind of self-propelled Charles Kuralt. Several accounts of adventures of self-awareness such as "Zen And The Art of Motorcycle Maintenance" and "A Walk Across America" have fueled my longing for such an experience. I had just begun to feel that there would never be a better time in my life than the present, and had sketched several northern routes on an old road atlas when a letter arrived with my future

in it.

The letter was from the American Lung Association and described a fundraising transcontinental bicycle ride that they were having this summer. The route that they would take paralleled my sketches almost mile for mile! I felt a calling like never before in my life. I could share my dream ride with others of like mind, and raise money for a most worthy cause at the same time.

The 3rd annual ALA TransAmerica Bicycle Trek will be from June 5th to July 21st and stretches 3,357 miles from Seattle to Atlantic City over mountains and rivers and cities and little hamlets. Around 400 riders from high school age to retirement age will pedal the northern U.S. sleeping in tents and spreading the word for the American Lung Association. Each of us MUST raise \$5,000 to go on the ride, but I have taken this task to heart and set my goal at \$10,000.

The ALA is the oldest voluntary health care organization in the U.S. They receive no money from government or from the United Way. Most of you know them as "the Christmas Seal People." But the annual Christmas seal campaign cannot keep pace with the many and varied programs from which *we all benefit*. Programs to fight smoking in our workplaces and pollution of our air. Educational shows to help keep kids from smoking (tobacco AND marijuana) and research dollars for lung cancer, emphy-

sema, and other pulmonary illnesses. It is hard to imagine a more worthy cause for anyone, and especially for health professionals.

I am trying to raise half of my goal through the health professions, and I know that I can count on Kappa Psi. If half of you who have taken the time to read this could send \$25, my goal would soon be reached. But please don't depend on the "other guy." Send whatever you can and make the fraternity proud. If you prefer, a pledge (to be collected later) can count toward my goal as long as I have your mailing address. Then the ALA will send reminders next summer. I would like to challenge each chapter to hold a special fundraiser or set aside a percentage of funds raised and donate at least \$100 to this cause. I can accept donations and pledges even while on the ride, but would prefer to have them by mid-May.

All donations and pledges should be mailed to me, but checks should be made out to the American Lung Association. NONE of the money that I raise will go toward my expenses or help me in any way except by helping me reach my sponsorship goal. Please write to me if you have any questions or comments, and thank you all in advance for your help in this crucial fundraising effort.

# Increasing Job Satisfaction

—by Glenn T. Boyles

The following letter was sent in by a Kappa Psi Brother.

**I am a satellite pharmacist at a major medical center in New York. In the eight years that I have been registered, I have practiced a year as an independent retail pharmacist and almost two years as a chain store pharmacist.**

**Occasionally I have a day or two when I feel really good about being a hospital pharmacist and I experience a high level of personal satisfaction. Most days however, I find my work to be frustrating, repetitious and unrewarding.**

**Since I have experienced these feelings in every pharmacist position I have ever held, should I change careers?**

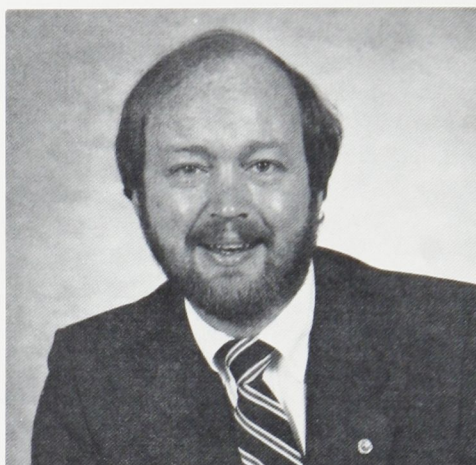

**A hospital pharmacist, New York**

I read two articles about nine years ago that really made a lasting impression on me. Since you indicate in your letter that you are unhappy with your work and that you are considering a career change, I would like to tell you about them.

The first article appeared in a monthly national business publication. It reported that the average worker makes three *significant* job changes during their lifetime—one of which, may be a change from a previous vocation. The other article came from a regional business journal a few months later. It stated that as high as ninety percent (90%) of the American work force is unhappy with whatever it is that they do for a living. The point I want to make is that being dissatisfied with your work is as much a part of having a job as is receiving a paycheck—even if you make three significant career changes!

I am sure that you can recall many instances which illustrate the frustrating, repetitious and unrewarding nature of your work. You may even consider these situations to be responsible for your present discontent. However, it is more likely that your job dissatisfaction is due to changes which are occurring in workplaces all across the nation and which are beyond your control. For example:

- Employers routinely reduce their labor force and demand greater

productivity from their employees when their profits decline;

- Employees want more authority in determining how they actually do their work; and
- Technological advances, which demand that people become proficient at new work procedures.

In addition to these trends, other factors may contribute to your job dissatisfaction: your salary may be too low considering your lifestyle and your expectations; your co-workers may possess mannerisms that make your work more difficult; or you may have a demanding schedule that restricts your social activities and takes time away from your personal responsibilities. Any of these situations would be enough to make you dissatisfied with the best job you can imagine, when they occur in combinations they will make even your ideal position undesirable. Unfortunately, unless you were to actually make a change it is unlikely that you would ever be able to determine whether or not the same, or possibly a worse situation exists in a different field or position.

Whether you continue to practice as a hospital pharmacist or you switch careers it is important that you learn how to minimize whatever job dissatisfaction you do encounter. So here's an exercise that can help you:

- Make a list of every work related activity you have ever enjoyed.
- Identify the basic skills and abilities that make up each activity you listed. Write them in the column next to each activity.
- Think of ways that you can inte-

grate these skills into those work related responsibilities you do not enjoy. Enter your possibilities in the column next to each skill.

- The next time you have to perform a work related activity which you do not enjoy, refer to this list to learn how you can make it more enjoyable!

As you become more experienced at using this skill integration exercise, you will find that your personal effectiveness also increases.

Despite your unhappiness with your work as a pharmacist there must be something about your job that you find appealing; otherwise, you would not have worked as a hospital pharmacist for as long as you have. In view of this, you would be wise to determine what that something is and to remain alert for opportunities that allow you to use it more frequently in your present duties—before you saddle yourself with the responsibility of having to get established in a new career.

Although reducing your job dissatisfaction may be the solution to your problem, you should be aware that you may be in a situation where it is in your best interest to change careers. How strongly you identify with the following warning signals will indicate whether or not you should change vocations, as well as employers.

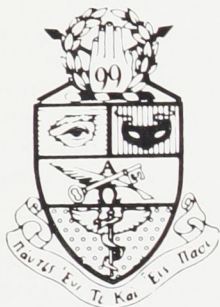

- You recognize that your work performance is not as good as it could be, or should be. You have no desire to improve it.
- You have no interest in improving yourself, personally or professionally.
- Your work related responsibilities and activities create pressures which threaten your marriage, your emotional stability or your physical health.
- You have trouble getting along with your family and close personal friends, as well as your co-workers.

If you decide to make a career change, seriously consider a career which requires you to use the specific skills and abilities you identified earlier—those which you enjoy using, as well as those which you know you do well.

Establishing yourself in a personally

satisfying career demands that you know yourself, that you discipline yourself and that you persist. Whether or not you are eventually successful and how long it takes you will be determined by how well you understand the ever changing nature of your workplace.

## Scholarship is an Attitude

Scholarship is not just a grade point average. Scholarship is not just scheduled study tables or any other ritualistic method devised to improve performance.

*Scholarship is an attitude.*

It is not enough to develop a scholarship program for your chapter and then "brow-beat" your system into the heads of your members. They have to *want* to perform well. They have to *want* to learn.

As a chapter, you must create an atmosphere that puts scholarship in a positive light. Your chapter needs to take pride in its scholastic attitude and performance.

As a beginning to this most important project of developing a positive attitude towards scholarship within your chapter, we offer four ideas:

★ *Provide motivation:*

- Follow Fraternity and university grade requirements.
- Advertise and promote chapter, campus, and National Fraternity scholarships, awards and honoraries.
- Do not be afraid to restrict social and intramural privileges of those members who do not meet minimum performance levels.
- Provide other individual incentives within your chapter for excellent scholastic performance.

Readers who wish to submit questions should address them to: **The Kappa Psi Career Advice Column**, The Carnegie-Peale Foundation, 335 So. County Rd., Post Office Box 2941, Palm Beach, Florida 33480. When submitting a question, be sure to indicate whether you are a student or a practicing pharmacist and identify your field of practice (i.e.; education, industry, retail, hospital, nursing home, etc.). Should your question not be selected for use in one of **The Kappa Psi Career Advice columns**, every effort will be made to provide you with a personal reply.

★ *Set examples as Leaders:*

- Establish grade requirements for officers and committee chairmen.
- Never downplay the importance of scholarship.

★ *Teach your members to change bad habits:*

- Require members to attend campus workshops on improving study habits, test-taking and time management.
- Have alumni, faculty or chapter advisors speak to your brothers and pledges about how they developed a positive academic attitude.

★ *Provide continued support:*

- Use university programs, manuals, etc., and make this information available to your members.
- Design tutorial programs for members having trouble or for those members who want to improve their performance.
- Provide other written information that will promote a positive attitude within your chapter.

Remember, as brothers we are students first, and Greeks second. Social enjoyment should be a reward for a job well done.

—adapted from an article in  
**THE SENTRY**

## Ways to Cope with Criticism

Unless you're perfect, you'll probably be criticized at some time. How well you handle that criticism could determine how far you go in your career. Here are some tips to help you effectively handle criticism:

**Be honest** with yourself. Realize that you have faults. If you remain humble, criticism won't jar you too much.

**Put yourself** in the place of the person criticizing you. If you had that person's job, would you have the same reaction to whatever prompted the criticism?

**If you're** convinced the criticism is unfounded, discuss it with the person offering it. Get it out in the open or you'll harbor resentment that's bound to come out elsewhere.

**Don't apologize** unnecessarily. If the circumstances warrant, of course apologize.

**Don't whine** during or after the criticism. No one likes to work with a whiner.

**When being criticized**, stop talking as soon as you feel your stress level rising. Do anything to give yourself time to think. Think of what you want to say before you say it.

**Disarm your critic** and encourage helpful advice by asking how you might have done better.

**Focus your efforts** on following justified critical suggestions to upgrade your job performance.

—*Communications Briefings*

# Chapter News

## Pi Purdue

This past fall was another busy one for the brothers of Pi chapter. Brothers **Chuck Higgins** and **Torrey Guyer** were the driving force behind an extremely successful pledge program which led to the induction of one of our largest pledge classes in a number of years. On November 12, 1988, Pi chapter welcomed 21 new brothers into Kappa Psi at the annual Pledge-Senior banquet. They are **Jon Adair, Brian Aube, Rick Ayala, Jim Bonifer, Mark Condon, Marty Cook, Paul DeYoung, Stan Fowler, Joe Gempis, Brad Hester, Steve Horan, Mark Johannigman, Don Julian, Scott Knishka, Mike Koelzer, Chris Patterson, Bill Potter, Craig Simmons, Ed Strubel, Jim Verhoeven, and Jon Wong**. Their pledge father was **Pat George**.

The banquet was filled with numerous highlights and stirring moments. A big "Thank you" goes to **Dr. Leonard Naeger** of St. Louis School of Pharmacy who was our keynote speaker and kept us well entertained with his talk. Hearty congratulations go to brother **Quent Besing** who was awarded the Asklepios key for his outstanding contributions and service to Pi chapter. Finally, **Dr. Glen Sperandio**, a past Grand Regent and retired faculty member of Purdue's School of Pharmacy, honored Pi chapter by presenting us a beautiful framed Kappa Psi crest to be placed in the house. It had been given to him as a gift during his service as Grand Regent by a good friend. A surprise then happened as **Dr. Frank Murphy** presented Dr. Sperandio with an identical plaque sent by the same friend when he learned of the plans to give Pi chapter the first crest. Congratulations go to brothers **Daren Pribyl** and **Roger Hoover** for the excellent job they did with the banquet.

Elections were held in December. The new officers for 1989 are:

Regent.....**Daren Pribyl**  
Vice Regent.....**Rob Pulver**  
Secretary.....**Jim Bonifer**  
Treasurer.....**Todd Roahrig**  
Pledge Trainer.....**Alan Kaffenberger**  
Professional Projects.....**Torrey Guyer**  
Rush Chairman.....**Dave Speer**  
Corresponding

Secretary.....**Tony Stuckwisch**  
Social Director.....**Scott VanHeesbeke**  
Fund Raising.....**Brian Crusier**  
Province Correspondent.....**Dan Degnan**  
Historian.....**Jon Wong**  
Athletic Director.....**Tony Westmoreland**  
Chaplain.....**Mike Koelzer**  
Sergeants-at-Arms.....**Marty Cook**  
**Paul DeYoung**

Pi chapter held and participated in many other successful projects and programs during the fall semester. Brother **Quent Besing** led another successful shirt sales campaign. He also directed the lab jacket sales and drug card sales which were big successes. The annual Drug Fair was also a hit once again with numerous companies sending representatives. Thanks to brothers **Pete Shelby, Jeff Ewen, Dave Speer**, and all the actives who worked and made this a hit. Many of the brothers also participated on the intramural softball and basketball teams which had a lot of fun.

Finally, Regent **Daren Pribyl** has many new and exciting ideas on how Pi chapter can continue its recent pattern of growing and advancing. We await eagerly the results of his dedication and leadership and pledge our assistance and compliance with these plans. Our biggest goal is to further stress our role as a professional fraternity through our numerous projects and promote the profession of pharmacy.

—*Tony Stuckwisch*

## Nu Connecticut

Nu Chapter at the University of Connecticut had a successful fall semester. As in the past, Homecoming weekend brought with it many activities. The brothers set up a tent outside the pharmacy building, from which the alumni could watch the parade and enjoy a piece of a ten foot long grinder. After having their fill of the grinder, the brothers and alumni headed to the football game or the tailgate party at the grad field. As the sun went down the group got into their costumes and went to the apartment of **Rich Spierito, Doug Wilson, Nick Piciw** and **Kevin Nicholson**, for a Halloween party. It was a fine ending to a fun Homecoming weekend.

Nu Chapter initiated four new Brothers this semester: **Tim Nolan, Rob Fisher, Jim Pannucci** and **Tim Bragdon**. Nu Chapter would like to thank the brothers of Beta Epsilon for joining us in this special event. We are looking forward to meeting them again at the province one convention.

In December elections were held for the 1989 officers. Following the induction a dinner was held at the 1784 Inn of Franklin for the brothers and faculty of Kappa Psi. The newly inducted officers are as follows:

Regent.....**C.J. Godfrey**  
Vice Regent.....**Angelo Annunziato**  
Treasurer.....**Ernesto Callegari**  
Secretary.....**Michael Magdychz**  
Pledgemaster.....**Randy Haigh**  
Asst. Pledgemaster.....**Randy Longley**

Chaplain.....**Mohamed Mohamed**  
Historian.....**Tim Nolan**  
—*Ernesto Callegari*

## Delta Gamma Auburn

Fall Quarter was a very exciting one for Delta Gamma. After several rush parties we were pleased to welcome 32 new brothers: **Cindy Angell, Anita Baker, Christin Brodie, Kent Carter, Lori Clark, David Godbee, Donald Godwin, Ellen Hill, Neal Irwin, Becky Jones, Tara Jones, Greg Kelley, Stacie Lochamy, Mallory Mallon, Jay Mann, Leanne McRae, Chad Messick, Dennis Minor, Gary Mount, Laurie Nelville, Stacey O'Dell, Melody Peek, Naresh Punwani, Mauricio Rodriguez, Steven Russell, Aimee Shumate, Claude Shumate, Lynn Sizemore, Inger Waerstad, Vivian Waller, Debbie Watt, and Aimee Williams**.

We also held our annual elections of officers. The officers for 1989 are:

Regent.....**Mark Jackson**  
Vice Regent.....**Scott Chambliss**  
Secretary.....**Karla Spurlin**  
Treasurer.....**Shannon Williams**  
Historian.....**Aimee Shumate**  
Sergeant-at-Arms.....**Dennis Minor**  
Parliamentarian.....**Cindy Angell**  
Chaplain.....**Laurie Nelville**

Over the Christmas holidays our service project involved sponsoring a needy family. At present we are very busy planning for our upcoming Province IV Convention on January 13 and 14 here at Auburn. We are looking forward to getting to know our brothers from all over the Southeast and we plan on making their stay in Auburn an enjoyable one. At present we are also planning our Winter Rush as well as a t-shirt fundraiser.

—*Aimee Shumate*

## Beta Kappa Pittsburgh

Beta Kappa has started off yet another term in the fine tradition of Kappa Psi! Not only do we have quite a few activities planned for the new few weeks, we also have the opportunity to announce that we have 13 new brothers. We congratulate the following new brothers: **Jean Beary, Steve Bober, Jeff Booth, John Coffman, Lorissa Glushko, Jeff Goff, Kris Hanby, Lisa Hanlon, Robin Harris, Chris Prendergast, Jack Rohland, Michele Schrecengost** and **Tricia Zanoni**. Plans for this term include a poison prevention booth at our annual Pharmacy Week celebration and a diabetes

information table at the annual health fair. Our rush party season began Sat. Jan. 14, with a generic party and will include a lab coat party and our Mexican Fiesta. Somehow in this busy schedule of events we will elect new officers for the upcoming year and start our planning for our annual formal and dance.

—Dan Wright

## Gamma Omicron Oklahoma

Gamma Omicron Chapter in Oklahoma City was busy this spring with pledging, "You and Your Medications" presentations, and various other projects. Gamma Omicron has been updating and revising the "You and Your Medications" program with new slides and dialogue. The chapter had 3 presentations in January and several others in February and March. Some of our committees were planning for activities for the upcoming year. The 3rd Annual Muscular Dystrophy Golf Tournament is being coordinated. This has been a very effective community project and we hope to raise even more money in 1989.

Our chapter is also preparing a slide presentation to be shown at the Province VII meeting in St. Louis, Missouri on March 4-6.

Pledging for spring got underway with a pledge luncheon in January. We should have several new brothers to welcome at the end of the semester. A banquet at the end of the pledge period will initiate both new officers and new brothers. Brother **Faron Moore** is our pledge trainer. Congratulations to Brothers **Huong Nguyen**, a 1988 graduate and **Reza Amoli**, a 1989 graduate for their acceptance to the University of Oklahoma College of Medicine.

—Irish Lytle

## Gamma Chi Ferris State

As the new year rolls in, the brothers of Gamma Chi are keeping busy. Our newly inducted officers include:

Regent ..... **Larry Kobiska**  
Administrative Vice

Regent ..... **Edmunds Visockis**  
Executive Vice Regent ..... **Jamey Sheets**  
Recording Secretary ..... **Sharyn Dillon**  
Corresponding Secretary ..... **Kelly Cutter**  
Treasurer ..... **Kevin Krawczak**  
Historian ..... **Stacey Judd**  
Sergeant-at-Arms ..... **Casey Murphy**  
Pledge Master ..... **Richard Kelly**

Chaplain ..... **Pam Sturm**  
House Managers ..... **Marcy Breslin**  
..... **Dan Smith**

As winter quarter gets into full swing, the brothers are working hard on Winter Carnival. Events will include a Dive-In Movie, ice sculpting, and various sports. We will also be having our Over The Counter Clinic in Grand Rapids on the 28th of January. During OTC clinic, we will be taking blood pressures, doing diabetes screening, and answering OTC questions.

The brothers would like to welcome our newest brothers: **Eric Stiver**, **Jeff Defranco**, and **Matt Falk**. Congratulations to them and also to the senior brothers who are currently on clinical: **Linda Farrow**, **Scott Jeffries**, **Darren Miller**, **Gina Miller**, **Shan McMurphy**, **Ron Smolen**, **Scot Thomasson**, and **Karla Wickert**.

—Stacey Judd

## Delta Delta Houston

To celebrate the end of the fall semester and welcome the newly initiated brothers, Delta Delta held a formal dance in which we recognized **Dawn Harris** as outstanding active and **Paul Reyes** as outstanding pledge. The Delta Delta chapter has had a successful fall rush, and we are proud to introduce its largest pledge to date. They are: **Mike Adams**, **Orlando Basaldua**, **Deanna Caveness**, **Anita Dannels**, **Berna Dieringer**, **Rinat Ghelbendorf**, **Ronald Jackson**, **Joe Martinez**, **Tom Matthews**, **Lisa Muir**, **George Munos**, **Sammy Quintanilla**, **Paul Reyes**, **Amy Robison**, **Beverly Rucka**, **Patti Rutan**, **Amy Saunders**, **Darlene Stadecek**, **Mike Stanz**, and **Shane Watts**.

After initiation, elections were held, and the 1989 officers are as follows:

Regent ..... **Dawn Harris**  
Vice Regent ..... **Mike Fults**  
Secretary ..... **Patti Rutan**  
Treasurer ..... **J.R. Ramirez**  
Historian ..... **Beverly Rucka**  
..... **Berna Dieringer**

Deadline  
for the next issue is  
**April 15, 1989**

Chaplain ..... **Perry Flowers**  
Sergeant-at-Arms ..... **Tom Matthews**  
Pharmacy Council Rep ..... **Shane Watts**

In addition to our initiation and elections, Delta Delta has had a very successful organ donation membership drive. Furthermore, we look forward to serving our community under faculty supervision in the upcoming "Brown Bag" patient counseling session.

In closing, the brothers of Delta Delta chapter congratulate recent graduate **Mark Peippo** and wish him all the best.

—Berna Dieringer

## Beta Epsilon Rhode Island

As we look forward to hosting the Province I meeting in February, Beta Epsilon is pleased to have seven dedicated new brothers to help with the preparations. **Jim Miller**, **Mike Wilinsky**, **Robert Perez**, **Marc Dupuis**, **Mike Halliwell**, **Carl Boucher**, and **Marc Bernarducci** were inducted into the ranks Dec. 5. They will help fill the void left by graduating brothers **John Robicheau** and **Charley Onellette**. Brothers **Mark Morrison** and **Brian Furbush** have already recruited a number of rushees for next semester. Our steadily growing numbers have made us better able to serve the school and community.

December also marked the College's nominations for inductees into the Rho Chi Society. Kappa Psi will continue to be well-represented in this Society when brothers **Kevin St. Jean**, **Mark Curtis**, and **John MacDonald** are officially inducted in February. Brother John just completed his tenure as captain of the URI swim team. **Keith Dion** and **Dave Worthen** recently traveled to West Virginia University to present work at the Tenth Annual Undergraduate Research Seminar in Morgantown. We were pleased to meet brothers from WVU and PCP while we were there.

The brothers are very proud of Beta Epsilon alumnus Mr. **Anthony Solomon**, R.Ph., who was elected General Treasurer of the State of Rhode Island in November. Brother Solomon won his third term as a state general officer by a landslide after a brief respite from public office. He has always been a strong supporter of the chapter and the fraternity. We hope to continue the tradition, as his nephew **Mike Daniel** will be sworn in as a pledge this spring.

The chapter ended a successful semester with an all-College Christmas party co-sponsored by all of the pharmacy student organizations.

As stated in our last letter, the Province

# Chapter News

I Conclave/Providence Grad 75th Anniversary celebration is slated for the middle of February. Though specific information has already been dispatched, again we urge other interested brothers to contact us for information if they wish to attend. In March, we'll open the college to the public at the 18th Annual Drug Fair. Then it's a campus-wide health fair in April. A busy spring should end nicely with the initiation of new brothers in May.

—Dave Worthen

## Gamma Kappa South Dakota State

As we start spring semester, we look back on a busy and successful fall semester. Many other events are being planned for spring semester.

Deciding on an "Outstanding Pledge" proved to be a difficult task. **Victor Dueter** won the honor from among nine pledges. The other pledges were: **Steve Aamot, Brett Bastain, Loren Bell, John Dohn, Max Koepsell, Dave Mentele, Chad Moser, and Brett Stark.**

The SDSU Centennial Celebration of the College of Pharmacy brought many events to campus on the week of October 17-23. Distinguished alumni, including the founder of Medispan, and other speakers were on hand for numerous lectures. These lectures helped bring insight to the future of pharmacy and the roles that we will all soon fill. The Centennial Celebration ended with a banquet and an auction of SDSU College of Pharmacy memorabilia.

Gamma Kappa brothers participated in the Province VII Conclave at Creighton University. **Chad Scholten** was elected Vice-Satrap and we won back the traveling trophy.

Once again, our Blood-Glucose screening was successful. This past fall we also screened Cholesterol levels. 150 people were screened for Cholesterol levels and 200 people were screened for Blood-Glucose. Those people with high levels of cholesterol or blood-glucose were referred to their personal physician.

Thanks to all those who attended the annual Christmas party. The evening began by teaming the Little Sisters and caroling to the homes of the faculty. After caroling, everyone eagerly returned to the house for a gift exchange. The gift from the Little Sisters to us was a VCR.

Before returning home for the holidays, new officers were elected for 1989. The new officers are as follows:

Grand Council Deputy . . . . **James Powers**

Regent . . . . . **Darin Scheele**  
Vice Regent . . . . . **Richard Strom**  
Treasurer . . . . . **Brent Plender**  
Professional Meetings

Chairman . . . . . **Michael Cardella**  
Social Chairman . . . . . **Glenn Miller**  
Historian . . . . . **John Dohn**  
Chaplain . . . . . **Chad Scholten**  
Sergeant-at-Arms . . . . . **Paul Hammond**  
Secretary . . . . . **Dave Mentele**  
Corresponding Secretary . . . . . **Corey Sampson**  
Pledgemaster . . . . . **Gene Bircherm**

Congratulations and best of luck to all new officers. A very special thanks goes to **Gary VanRiper**. His many years of service as Grand Council Deputy are greatly appreciated.

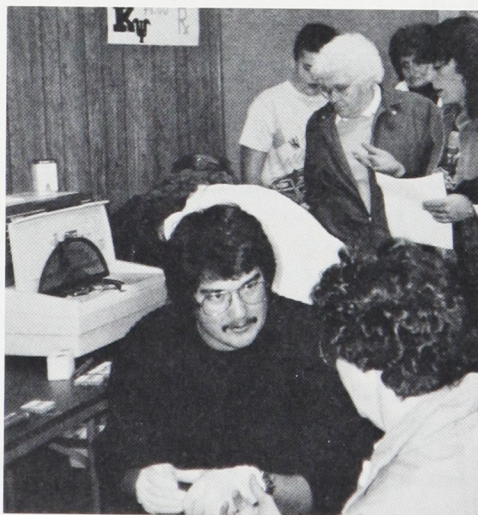

The drive for new pledges will start soon by Pledgemaster **Gene Bircherm**. We are expecting another large pledge class. Little Sister recruitment will also start and be handled by Chaplain **Chad Scholten**.

Many events are scheduled for spring semester. The Blood-Glucose screening will be repeated. We have been working to bring in outside guest lecturers to campus. We are sponsoring an upcoming lecture on sports medicine. Steroid and other drug abuse problems among athletes will be discussed. Local coaches and athletes from both high school and college are invited.

As spring approaches, the annual spring golf tournament will be held. The annual All-Pharmacy Dinner Dance will be held on April 15th. We are also participating in a spring picnic with KE and A&P and in the College Of Pharmacy Phonathon.

Our Spring events will be wrapped up by participating in the SDSU Wellness Fair and by Spring Conclave at the University of Iowa in Iowa City.

—John Dohn

Tom Beranek (left) and Victor Deuter of Gamma Kappa counsel and explain the meaning of the cholesterol reading.

## Gamma Xi South Carolina

We're looking forward to beginning Spring semester '89 with our traditional Back-to-School party when we invite all the students of the College of Pharmacy to our off-campus house to get reacquainted for the upcoming semester. Gamma Xi is eager to start the new year with the help of its newly elected officers:

Regent . . . . . **Mark Hatchett**  
First Vice Regent . . . . . **Marion Patton**  
Second Vice Regent . . . . . **Mark Gregory**  
Third Vice Regent . . . . . **David M. Banks**  
Fourth Vice Regent . . . . . **Walter Lupo**  
Secretary . . . . . **Mark Smith**  
Treasurer . . . . . **Edward Welch**  
Sergeant-at-Arms . . . . . **Kelvin Hancock**  
Sergeant-at-Arms . . . . . **Timothy Fenegan**  
Historian . . . . . **Bob Barrons**  
Chaplain . . . . . **Timothy Fincher**  
Athletic Director . . . . . **Carl Bertram**

Activities for this semester include participation in the ASP sponsored "Mr. Pharmacy" contest, which Gamma Xi brothers have won the last two years; the annual St. Patrick's Day Party; the Province III convention at Howard University; and a roadtrip to Chapel Hill for Beta Xi's infamous "tunnel party." We also continue to provide services to Columbia's free medicine clinic and local area mall blood pressure screenings, and hope to profit on such fund raisers as T-shirt sales and carwashes with the help of our little sister affiliate chapter.

Finishing off Fall '88, Gamma Xi inducted eight outstanding new members whose spirit and enthusiasm during pledge season was second to none. Congratulations to the following new members: Carl Bertram, Timothy Fenegan, Timothy Fincher, Kevin Hancock, Walter Lupo, Kevin Potts, Mark Smith, and Edward Welch IV. Also in Fall '88, when Gamma Xi was asked to host the ASP regional convention in October, the result was a Halloween bash. Students from colleges of pharmacy ranging from Auburn to Puerto Rico stayed at Columbia's Marriott and safely made their way to and from the party's club house by buses provided by Gamma Xi brothers. In addition, Gamma Xi brothers found numerous community sponsors including **Roy Black, Recie Bomar, and Al Sebok** representing Revco, **Mike Ross** with Blythwood Pharmacy, and **Melvin Martin** representing Roerig. Their donations made the Halloween party financially possible and allowed us to profit on the sale of Halloween T-shirts.

Our December formal with the KΨ little sisters and the KE's also was also success-

ful as graduate brothers, professors, and students took a break before upcoming exams. At the formal, awards of recognition for contributions to KΨ were given. Congratulations go to brothers **Mark Smith** and **Larry Powers** for their awards of Best Pledge and Best Brother respectively. Gamma Xi would also like to congratulate brothers **Mike Mincey** and **Jack Romer** on their December graduation and wish them all the best in their future endeavors, and congratulate brother **Mike Bonham** on his marriage on December twenty-third to Stacey Diemer.

—Robert Barrons

## Beta Delta Albany

In October, we were honored by a visit from Grand Regent Dr. Ken Roberts. Dr. Roberts spent two days with us, giving us some fine suggestions as well as giving us a little background on the history of the brotherhood of Kappa Psi.

Greek Weekend was held the weekend of November 18–20 and was kicked off with a KΨ toga party. It was held at brothers' **Jim Porter**, **David Thide**, **Frank Vigilante**, and **Joe Waltz** house. The party showcased a great variety of sheeted Greeks as well as our brothers from Massachusetts. The weekend came to a close with the Annual Man of the Year Award was presented.

As the semester came to a close so did our rushing period. We have eighteen perspective pledges, who during their rush period collected over \$100 in returned bottles and cans for the homeless of Albany.

Pledging begins the first Monday of second semester and we are looking forward to another great pledge class.

—Marc L. Watrous

## Psi Tennessee

Psi Chapter was very busy last quarter with our service projects. In November we were involved in the annual St. Joseph Health Fair. Free blood pressure, glucose, and cholesterol screenings were given. We would like to thank Brothers **Kim Lusk**, **Carla Orr**, and **Jimmy McBride** for their participation. We would like also to thank **Steve Carter** for coordinating this event. In December Psi Chapter hosted a Christmas party for the children at St. Jude Children's Research Hospital where we had as much fun as the kids. **Tim Pauley** made a terrific Santa Claus. The Brothers of Psi collected and donated many toys for the

*Santa Claus (Psi Chapter Pledge Tim Pauley) brings a smile to the face of a patient at St. Jude Children's Research Hospital.*

Porter-Leath Children's Home this Christmas. We also participated in a Christmas party held for the poor and disadvantaged children in our community. During the holiday season we collected food and clothing for the needy of Memphis. 120 cans of food were donated.

On December 4, after many weeks of anxious waiting, our pledges finally met their Big Brothers at the annual Big Brother/Little Brother Banquet.

Our pledges have been busy with all their projects. Their first project was to find and trim a Christmas tree for the Kappa Psi House. They did a great job, the tree was beautiful. It was also huge. We were afraid to ask where they found it. The pledges are also preparing for a raffle by accepting donations from business around town. The proceeds will go to a UT medical student who has recently had a bone marrow transplant. Our pledges are a great bunch and we really appreciate them.

The tree was put up just in time for our Christmas party. The food was terrific with **Steve Carter's** smoked turkey and **Nancy Beck's** dressing. The night was very festive with a fire in the fireplace and sounds of Elvis' Blue Christmas filling the air.

We would like to congratulate Vice-Satrap **Pat Peery** who was married Dec. 3, and Collegiate Member-at-Large **Jeff Lee** who was married Dec. 10. We wish both couples all the best.

Brothers of Psi Chapter are anxiously awaiting March 3 for our trip to St. Louis, MO. We are looking forward to once again meet our brothers in Province VII.

—Kelley Lee

## Beta Psi Wisconsin

The fall 1988 semester was a busy and rewarding one for Beta Psi chapter, as fourteen pledges were prepared for initiation into Kappa Psi. We welcome and congratulate new members **Greg Barnes**, **Lillie Bobo**, **Kathy Curtis**, **Courtney Hale**, **Amie Harrington**, **Jim Kroner**, **Sarah Lemanski**, **Colleen Murphy**, (class president), **Kim Narlock**, **Mark Paltzer**, **Katie Riley**, **Laurie Voissem**, **Matt Weege**, and **Mike Wells**. Some of the pledges' projects included creating a Drug of the Month bulletin board at the Pharmacy School, cleaning the basement of the Kappa Psi house and painting the basement floor. They also contributed a wet-dry shop vacuum for the house. Their initiation banquet and dance were held at the Madison Civic Center.

Beta Psi's professional projects were numerous this semester. We held our Annual Halloween Party for UNICEF. Halloween also found a number of brothers dressed in costume at University Hospital, entertaining and trick-or-treating with the children. KΨ also helped with AEP's cholesterol screenings at the student union. The Diabetes Phone-a-thon was a big success, and a lot of fun for all who spent one or two nights answering phones at a local television station.

*Grand Regent Ken Roberts greeted by Beta Delta Regent John Shellock*

# Chapter News

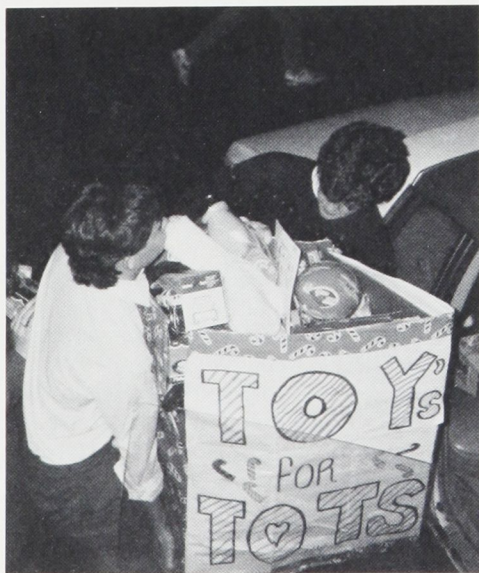

Looking ahead, many KΨ brothers plan to visit Eli Lilly during semester break with our school-wide drug trip. We hope to see many of our alumni and faculty at our annual Valentine's Day dinner. Beta Psi chapter is also anticipating the first Conclave with our new province, to be held at Buffalo. Plans are already in the works for the annual Not Going To Florida Party, to be held this spring.

—Marilyn Tyler

## Gamma Iota SUNY @ Buffalo

The fall of 1988 has brought Gamma Iota chapter 23 new members who will be initiated in January. The pledge class consists of: **Stan Avery, Joseph Balthasar, Amy Brawdy, Tricia Castiglia, Yolanda Ching, Shawn Cobb, Patricia Hise, Russ Ketcham, Catherine Klapakis, John Macey, Vicki McVay, Dave Mesmer, Molly Mix, Mindy Pace, Dawn Paterniti, Lisa Rosser, David Serra, Renee Seydlowski, Colleen Stoker, Michele Taylor, Alex Thompson, Shari Utter, and Matthew Walsh.** Congratulations to all of our new brothers.

Before leaving Buffalo to celebrate the holidays with our families, our chapter had a Christmas Toy Party. Each guest brought at least one new toy and/or unperishable food product to be donated to needy families in the area under the sponsorship of a local newspaper. Gamma Iota also made a cash donation to accompany the literal car full of toys and food

Brother Stan Avery and Pledgemaster Maureen Evans loading the donated toys collected for Christmas.

which was collected. We were amazed and delighted by the generosity of all who attended and it made each of our own holiday celebrations a little more special knowing we were able to help some of the less fortunate families in Buffalo.

After ending 1988 on this positive note, we thought it would be appropriate to start 1989 in a similar way. Six of our brothers pumped up their bodies with caffeine on January 15, and headed downtown to man the telephones for a telethon sponsored by a local business. All proceeds were to benefit the United Cerebral Palsy Foundation.

Plans continue to be made for the Province V convention to be held here in Buffalo in April 1989. Our chapter is getting very excited about this chance to meet and work with some of our brothers from other chapters, especially those from Province VI who merged with Province V on November 1, 1988. We are also wrapping up our candy sale for this year's fund raiser.

One final note of congratulations goes out to Brother Margaret King who became Mrs. Randy Gerwitz on January 7, 1989. Both are members of the graduating Pharmacy Class of 1989.

—Julie A. Cloos

## Gamma Pi St. Louis

Gamma Pi Chapter is pleased to announce the new officers for 1989:

Regent.....**Debbie Stout**  
Vice Regent.....**Bob Nave**  
Secretary.....**Mary Beth Buck**  
Treasurer.....**Stacy Sroka**  
Historian.....**Kathi Lindhorst**  
Sergeant-at-Arms.....**Dave Machuga**  
Pledgemasters....**Chris Demetracopoulos**  
**Jeff Elbl**

The induction ceremony was held at past regent **Bill Katsiyannis, George Katsiyannis, and Tony McEvoy's** apartment. This year we hope to equal out the pledging responsibilities by instituting two pledge masters.

For our service project we held a blood drive that collected an astonishing 60 pints! Our fund raisers have been limited to lunch sales of spaghetti, lasagna and Christmas candy. **Michelle Benoit** is actively readying plans for our spring formal.

Our rush functions got underway with a free taco lunch the first day of school for all unaffiliated students. We then held our first annual "Orange Crush" party. The party was complete with Orange Crush T-shirts especially printed for STLCOP KΨ members by **Paul Coletti**. At our open Christmas party we were pleased by the ex-

cellent turnout and sincere interest in KΨ that was shown by prospective members.

Province VII Convention will be held in St. Louis on March 3-5. **Racheal Dettmer** is finding out how hectic it can be to plan such a large event. The highlight of the weekend should be the three hour night riverboat cruise on the mighty Mississippi. Gamma Pi is really looking forward to hosting this "Meet Me in St. Louis" convention.

—Kathi Lindhorst

## Province I

The Province is busy preparing for its assembly. Host chapter, the University of Rhode Island has done a super job! The assembly site, Newport, R.I. is one of the most historic and breathtaking in all New England. The convention committee of **Brian Furbush, Mark Morrison, and John Grossomanides** have selected the Newport Harbor Treadway Inn as the convention hotel. Satrap **Gene Mendel** has instituted a province chapter of the year award, which will begin this year and chosen at the assembly.

This years outgoing province officers are: **Jim O'Mara**—Vice-Satrap—(Boston grad), **Dave Houck**—secretary (BA), and **Tony Demelo**—Treasurer (Mu). Thank you for your efforts in the province. As an added attraction, this years' province meeting will hold a 75th anniversary celebration of the Providence Graduate Chapter. Also, a very special workshop on the history of Kappa Psi will be given by past grand historian—**Johnny Porter**.

—John Grossomanides  
Province Historian

## Province VIII

The Brothers of Province VIII met for another successful biannual meeting on Nov. 11-12 in Omaha, NE. After registration, the ice-breaker party was "Party without your pants." There were many different costumes worn to avoid being thrown out for having pants on.

Saturday morning was time to get serious for the meeting. After Province Reports were interesting Chapter reports and the business for the day. Elections were also held for two offices. Congratulations to new Vice-Satrap **Chad Scolton** and new Secretary-Treasurer **Doug Porter**. The workshop of the meeting was presented by Brother **Brian Reissetter** on "Communication Skills."

At the banquet, the speaker was **Ken Baker**. He gave a humorous but informative talk on "Communications." The party of the night was "Flashback to the '60s." That was the reason for finding costumes. It was quite an experience going back to the past.

Fun was had by all who attended. A special thanks goes to outgoing officers **Harvey Hanel** and **Kee Rogne** for a job well done. We are all looking forward to going to Iowa City in the spring to help Delta Zeta Chapter celebrate their 25th anniversary. See you in Iowa City!

—Wayne Walls

## Gamma Nu Pacific

Having just completed our fall 88 semester, it would be an understatement to say the brothers of Gamma Nu were excited to have all of December off. For those who do not know, UOP runs year round and December is the biggest break of the year.

Last semester we had a slurry of successful pre-rush parties including a Halloween bash that transformed our house into a flashing, howling and psychedelically crowded forum.

We are making plans for some new community projects other than the standard blood pressure screening. If any chapters have any ideas, send them our way.

There are a few new bragging points around the house. First, Kappa Psi at UOP earned the NUMBER ONE GPA for

Spring Semester over all fraternities, both social and professional at UOP. Our average was 2.57. Next, our faculty advisor and GCD, **Dr. Floriddia** was recently elected President of the California Pharmacist's Association. The good word came as we were taking his Pharmacokinetics final. Also, Brother Ron Haslam announced his engagement to long time girlfriend Jennifer.

With recent ASP elections at the pharmacy school it looks like another term of office dominance by KΨ brothers.

January will bring rush. February will bring pledging. March will bring initiation, and April will bring finals. KΨ is going to be busy if we are going to do all that and stay #1 with GPA, but it's worth it.

—Jamie Tobitt

## Gamma Zeta Samford

Chapter elections were held in November. Congratulations to the new officers for 1989.

Regent ..... **Steve Gifford**  
Vice Regent ..... **Dana Bendall**  
Secretary ..... **Davilyn Mecredy**  
Treasurer ..... **Karen Bell**  
Historian ..... **Chip Buckner**  
Sergeant-at-Arms ..... **Woody Campbell**  
Corresponding Secretary .. **Paula Hawkins**  
Chaplain ..... **Julie Garner**  
Pledge Master ..... **Kelly Harrington**

Gamma Zeta started the 1988 fall semester with rush activities which included a

Gamma Zeta Regent Joey Shunnarah and Amy Farrior.

Taco/Nacho Party and the annual Tacky Tourist Party. We also provided a Kappa Psi question and answer booth to help prospective pledges learn more about Kappa Psi.

Rush was a big success with 43 students becoming Kappa Psi brothers. We want to congratulate all the new brothers and commend them on the activities they accomplished as pledges. They held an auction and raised over \$450. The money was used to benefit the Hannah Home for abused children and to buy each big brother a gift. After initiation members provided a dinner in honor of new brothers and faculty advisors.

The chapter sponsored complimentary hot chocolate for the entire school of pharmacy three times during the semester. Other projects included providing supplies for the Bethany Home for homeless women and a Halloween party for the Association for Retarded Citizens of Jefferson County.

We are excited about the Province IV meeting January 13 and 14. We are also very proud to have **Mike Cravens**, Province IV Satrap, and **Margaret Johnson**, Province IV Parliamentarian, as Gamma Zeta brothers.

Our delegates to the Province Assembly are brothers **Richard Hadden**, **Carol Gillespie**, and **Davilyn Mecredy**.

—Steve Gifford  
Dana Bendall

Brothers and Little Sisters at Gamma Nu

# Chapter News

## Beta Gamma San Francisco

Recapping the Fall quarter's activities, BΓ had their Just Desserts social and "My Tie" party on Oct. 14 and 21, respectively. Our annual Fiesta Bowl was on Nov. 11, 1988. We would like to thank our GCD, **Mike Winter** and **Dr. & Mrs. Roger Ketcham** for attending the semi-formal dinner.

During the first month of 1989, we held Initiations on Jan. 20-21. We have 27 new brothers. Congratulations and welcome to the brotherhood of Kappa Psi!! A new responsibility as actives will entail hosting a party for the chapter.

We took a fraternal composite picture in February which included some 80 brothers. BΓ also had 12 presentations about lung cancer awareness at local middle schools. This project will continue into Spring quarter with more slide-discussions. To cap off the school year, we will party at our annual luau. Aloha!

—*Kirby Lim*

## Beta Chi Drake

We at Beta Chi are happy to get another semester started. We have just elected the following people for our officers:

Regent ..... **David Steim**  
Vice Regent ..... **Paul Sherrick**  
Secretary ..... **Amy Daggett**  
Treasurer ..... **Randy Rouse**  
Historian ..... **Jeff Lawton**  
Chaplain ..... **Michelle Walters**  
Sergeant-at-Arms ..... **Marcy Longseth**  
Pledge Trainer ..... **Doug Porter**

The rest of the actives and local alumni are very proud of these people and wish them best of luck while leading our chapter through another year.

We want to congratulate **Doug Porter** on his election to the Province VIII position of Secretary-Treasurer. We are sure he will represent our chapter and province very well.

The chapter is focusing our attention into three main challenges. The first being increased enthusiasm in the professional projects. We focused primarily on our membership problems last semester and because of that, the projects suffered.

The second challenge is the preparation for province in Des Moines in the fall of 1989. Our committee has been brainstorming all Christmas vacation and are about to spill out their cerebral contents at the next meeting. With our location at the center of Province VIII a large group is being ex-

pected, we hope the other chapters don't let us down.

The third challenge is the continued search and recruitment of the best people that Drake's School of Pharmacy has to offer. The new members we received last semester are of this quality. They are: **Amy Daggett, Jeff Lawton, Joan Schuster, Deb Evans, Michelle Walters, Randy Rouse** and **Marcy Longseth**. Their initiation was the start of a new era for Beta Chi. We for the first time have women as our brothers. It was a cheerful and tearful celebration that lasted long into the morning hours.

People interested in attending our Drake Relay Reunion please send your name and address to:

Kappa Psi  
College Of Pharmacy  
Drake University  
28th and Forest  
Des Moines, IA 50311

We want to thank Beta Nu for last fall's province. It was a great time that brought our chapter and the whole province a little closer together.

The next big province occurs in Iowa City. Since we at Beta Chi have the smallest membership in the province we will be offering a challenge. All the chapters who do not meet or beat our attendance a special prize will be personally awarded to you. See you in "Hawkeye Land".

—*Spencer Klaassen*

## Delta Zeta Iowa

Delta Zeta remains busy with blood pressure screenings in local drug stores and the organization of a drug education program called "Katy's Kids" to be used in elementary schools in the area. The chapter sponsored a food drive December 2 to aid the Iowa City Crisis Center in helping needy families in the area. Members went door to door collecting canned foods and prizes were awarded to the group that collected the most food. The project was fun for all who participated and benefitted a worthy cause. Delta Zeta used a day before final exams to sell boxer shorts with two different pharmacy logos to students in the college. This proved to be a valuable fundraiser for the chapter. We also participated in a health fair held in November at a local mall.

November 16 Delta Zeta elected its new officers, the list includes:

Regent ..... **Mike Sims**  
Vice Regent ..... **Jodi Mistek**  
Secretary ..... **Theresa Runyan**  
Corresponding Secretary ..... **Jodi Sickels**

Treasurer ..... **Joan Kayser**  
Sergeant-at-Arms ..... **Troy Waddell**  
Chaplain ..... **Shelly Dexter**  
Historian ..... **Paige Tucker**  
Student Senate

Representative ..... **Jay Goeser**

Delta Zeta is gearing up for spring semester rush and is very busy organizing the Province VIII Conclave which will be held April 21st through the 23rd in Iowa City. The chapter is planning a fun and exciting weekend for all in attendance and encourages all Kappa Psi brothers to make the trip.

—*Paige Tucker*

## Gamma Gamma Texas

Our new officers for Spring 1989 are:

Regent ..... **Brad Pharr**  
Vice Regent ..... **Sherman D. Yeang**  
Secretary ..... **David Palmer**  
Treasurer ..... **Stephen Morris**  
Historian ..... **Alvaro Ramirez**  
Chaplain ..... **Javier Guerra**  
Pledge Trainer ..... **David Holman**  
Asst. Pledge Trainer ..... **David Rothbardt**  
Parliamentarian ..... **David Zschiesche**  
Pharm. Council Rep. .... **Glaforo Gomez**  
Prof. Projects ..... **Kenny Frazier**  
Social Director ..... **Song Yoon/**

**David Baker**  
Sergeant-at-Arms ..... **Stephen Melde**  
San Antonio Rep. .... **Scott Zetka**  
Galveston Rep. .... **Roger Ramirez**  
Austin Rep. .... **Robert Huff**

We'd like to congratulate our Fall '88 graduates: **Joseph Dye, Richard Fincher, Tommy Taylor, and Robert Dowden.**

Fall semester's Casino Night was a great success, and the proceeds went to sponsor a needy family this Christmas. Special thanks goes to Brother **Song Yoon** for coordinating all events.

Initiation ceremonies for our new incoming Brothers from the Fall semester

*This was the family Gamma Gamma sponsored this Christmas. Kids were all smiles, and the parents were very grateful.*

will be held on January 29th. Thereafter, our next main event will be the Spring Rush Semi-formal; a mixer to meet prospective pledges is already scheduled for this Thursday, January 19th.

Like all other Spring semesters, this will be highlighted with the Spring Formal to be held on Saturday, April 29th. But probably our most important event will be this semester's campus-wide Pharmacy Week during February 27th through March 2nd. We will be sponsoring a prominent speaker: Mickey Leland, of the U.S. Senate, as well as, conducting AIDs Awareness and blood typing and blood pressure screening. Our top priority is still directed towards strengthening our professional projects. The new Century Club members includes: **Donald G. Fischer** and **Alvaro Ramirez**, with prospective members including **Beto Garza**, **Sherman D. Yeang** and **Ramiro Pequeno**.

—Alvaro Ramirez

## Detroit Graduate

Greetings to everyone from the Detroit Graduate Chapter. Our newly elected officers for the year 1989 are:

Regent.....**Paul A. Cyprus**  
Vice Regent.....**Steve Ruwoldt**  
Secretary/Treasurer.....**Carlo Calemm**  
Asst. Secretary/Treasurer...**Mike Lebioda**  
Historian.....**Chris Roos**  
Chaplain.....**Allen Chezick**

Under the leadership of Regent Paul Cyprus, the chapter is busy building funds for the treasury, which will be used in part for house restoration projects. One of our annual fundraising events is working a concession stand at the Detroit Grand Prix. This year the Pistons also happened to be playing nearby as an added bonus.

In September of this past year we began

Left to Right: Brothers Bill Capo, Bill Samu, Paul Cyprus, Paul Chimienti, Rev. Frank P. Facione Ph.D., and Kevin Foster.

our Bingo operations. This is a good source of income and will remain as our main fundraiser for the upcoming year.

—Carlo Calemm

"Captain Detroit" flying down Jefferson Ave. with the Ren Cen seen in the background.

## Mu Omicron Pi Wayne State

Fall semester 1988 turned out to be very productive for the Brothers of Mu Omicron Pi. Once again, we sold "Wayne State Pharmacy" t-shirts, sweatshirts, and jerseys with a mortar and pestle emblem. This has been an excellent fund-raiser for us which we do each semester. On November 20th, Brothers **Larry Czubak** and **Richard Roos** participated in an Open House for the College of Pharmacy and Allied Health Professions where they served as tour guides throughout the College, this gave them a great opportunity to do some rushing!! On December 17th, Brothers **Eric Craig**, **Larry Czubak**, **Richard Roos**

and **Steve Srebernak** participated in a Hypertension Screening Program sponsored by Arbor Drugs, along with **Carol Bugdalski**, R.Ph. (Director of Pharmacy Development), **Carol Von Zittwitz**, R.Ph. (Arbor-WSU Community Pharmacy Resident) and **Khawla Kizy** (WSU Extern). Together we took numerous blood pressures and counseled many individuals on their anti-hypertensive medications. Recently we began having KΨ Bake Sales, these are held once a month in the cafeteria and have been very successful. As for Holiday activities, we had a KΨ House decorating party with the Lambs, collected over 60 toys with the Lambs for the "Toys-for-Tots" program sponsored by the U.S. Marines, and put together a food basket which Dr. Facione delivered to a needy family.

Now for the most exciting news, the collegiates and a few alumni Brothers of Mu Omicron Pi were able to participate in the Michigan Thanksgiving Day Parade on November 24th. Did you see us on TV? We carried the "Captain Detroit Balloon" sponsored by Michigan Consolidated Gas Company. A Great time was had by all!!

A special welcome to our newest Brothers of the Fall 1988 pledge class: **Hany Areny**, **Giovanni Ciraulo**, **Charles Preuss**, **Scott Popyk**, **Ramzi Twal** and **Norman Warra**.

At this time we would like to congratulate our 1989 KΨ Pharmacy Graduates: **Amin Abed**, **Dennis Brodeur**, **Eric Craig**, **Larry Czubak**, **Peter DiMaggio**, **Richard Roos**, **Jamie Schaeffer**, **Paul Schroff** and **Steve Srebernak**.

—Richard G. Roos

Back Row L to R: Larry Czubak, Scott Popyk, Charles Preuss, Paul Schornack, and Gaspare Rubino. Middle Row L to R: Carlo Calemm, Chris Mashne, George Nicolopoulos and Dale Chinneck. Front Row L to R: John DiLodovico, Paul Cyprus, Richard Roos and Giovanni Ciraulo.

# Chapter News

## Beta Phi Cincinnati

Following a great rush season, we are ready for the initiation of our new brothers. We are very proud of our pledges this year. They're a great bunch, full of enthusiasm. Following initiation, this quarter we will be holding elections for the next year.

Over Christmas break we sponsored a ski trip to Snow Shoe W. Virginia. Over 40 people went and everyone had a great time.

This quarter we will be very busy. We are currently planning a cholesterol screening at a local mall, as well as planning our annual Sweet Heart dance in February. The dance is a good time to get together with the graduate chapter. The graduate chapter is very supportive of us and we would like to show our thanks.

I would like to congratulate all of the KΨ members who were elected into tribunal (the student government) and to offices in all of the other student organizations. We are proud to be represented in this way.

—Valerie Porter

## Beta Omicron Washington

Inducted officers for the 1988-1989 year include:

Regent.....**M. Scot Maxon**  
Vice Regent.....**Sandra Hanamoto**  
Secretary.....**Rhonda K. Eddy**  
Treasurer.....**Rochelle Date**  
Chaplain.....**Matthew Marcus**  
Sergeant-at-Arms.....**Kimberlee Wallace**  
Historian.....**Catherine Worhatch**  
Grand Council Deputy....**William Fassett**

Beta Omicron started out the new school year with our annual Kappa Psi Halloween Rush party. The attendance was large and the costumes were fantastic. It was hard to decide who to bestow the grand prize upon, but member **Kim Wallace** won the costume contest as a bunch of grapes. We thank member **Angela VanDenburgh** for the use of her house and to help Beta Omicron start the year on an active note.

Next, Kappa Psi's first international province, province X, held an assembly November 11-12, 1988 in Vancouver, B.C., Canada. It was hosted by the new Delta Mu chapter of the University of British Columbia. Beta Omicron members present included: **Erica Worhatch, Kim Wallace, Scot Maxon, Shanna Keenan, Jamie Gollersrud, William Fassett, and Rhonda Eddy**. The Beta Pi chapter of Washington State was also well represented. The assembly included an insightful and enthusiastic discussion about student evaluation of faculty led by **Scot Maxon**.

*Pre Assembly "The Pit" pub, UBC Campus L to R: Maxon, Beta Omicron Regent Shanna Keenan, Scott Watts, Beta Pi Regent, Jamie Gollersrud (turned), Rob Horning, Delta Mu Regent.*

There was also a workshop on chapter activities and development led by Jay Ross, treasurer, Delta Mu. **William Fassett**, presiding satrap at the assembly, gave a unique presentation on the traditions of Kappa Psi, and at the province business session, it was decided to have the next province X assembly during the fall of 1990 to be hosted by the Beta Pi chapter. Afterward, a combined initiation of new members was performed. The assembly was successful due largely to the diligence and organization of **Scot Maxon** and **William Fassett**. Beta Omicron extends a big thank you to Delta Mu for their gracious hospitality and cooperation.

The Beta Omicron members are anxious to meet members of others chapters at the APhA Convention in Anaheim, CA and this summer at the 44th Annual Grand Council Convention.

—Rhonda K. Eddy

## Gamma Delta Ohio Northern

Ada, Ohio . . . Gamma Delta chapter is pleased to announce its officers for 1988-1989:

Regent.....**Craig Boyce**  
Vice Regent.....**Robert Wing**  
Treasurer.....**Jason Weingart**  
Secretary.....**Robert Hope**

We would like to extend our apologies for not being heard from in such a long time, but we're back. Our chapter was honored by a visit from Grand Regent **Dr. Kenneth Roberts**. Brother Roberts met with the officers and the other brothers during his two day stay here in beautiful Ada, Ohio along with a banquet with the brothers and faculty. We were pleased with Brother Roberts view with our chapter as outstanding.

Gamma Delta is also pleased to announce our pledge class of the winter of 88/89: Kevin Dunlap, Dennis Quinlin, Eric Spangler and Neil Stoneman.

We've been busy with many professional activities, such as working with the Ada Red Cross's Bloodmobile, giving lectures in the Ada schools on different health topics, and organizing a drug trip to pharmaceutical companies for the 3rd thru 5th year students. Our social activities have been going well also. We are having our annual 1/2 way party for all the 3rd year students at O.N.U.

## South Carolina Graduate

Well, once again the 'old men' of the South Carolina Graduate Chapter defeated the young, energetic, inexperienced collegians of Gamma Xi in the 13th Annual Mortar Bowl by a score of 13-7.

The weekend activities started Saturday afternoon with the Annual KΨ Barbecue at the Fraternity House. Many brothers, wives, dates & kids enjoyed the barbecue and libations that were available.

The next day started out cloudy, but before game time the day was perfect, the crowd was eagerly awaiting an exciting game. The players were warming up and the 'old men' were putting on their liniment. As the film crew was performing the last of their camera checks, the ref walked out onto the field and called both teams to the center of the field for the player introductions and the coin toss. After the introductions, the coin was tossed with the 'old men' winning the toss and electing to defend the South goal.

Most of the first half was spent in the collegians end of the field. Just before the half the graduates were threatening when the collegians intercepted a pass. They were on a march when the first half came to an end.

After an all too brief half time of only 30 minutes, both teams returned to the field for the conclusion of the game. The second half saw the 'old men' drive down the field and score on a **Gene Rhoad** to **Da-**

**vid King** pass. The extra point was good and the 'old men' led 7-0.

Midway into the fourth quarter, **Tommy Johnson** intercepted a collegians' pass and returned it for a touchdown. As usually happens, the extra point was missed and the 'old men' now led 13-0.

Late in the game, the collegians scored when **Edward Welch** took a pitch around his own left end, successfully evaded both **Mike Deweese** and **Ben Welch** and scored. The extra point was good and the score stood at 13-7. The game ended seconds later and both teams headed for the sidelines to rub on more liniment, have a coke, rest or head home for a hot bath.

The video has been previewed by NFL Films and may be added to their Highlight Tapes under the heading of "You've Got to be Kidding!"

Needless to say, most everyone had a good time and by the time of the 14th Mortar Bowl Game, most of the 'old men' should be recovered and ready to do battle on the gridiron . . . once again.

## Pittsburgh Graduate

The Pittsburgh Graduate Chapter is growing and is completing its reorganization. In October, the Brothers met at the Beta Kappa apartment near the University of Pittsburgh for a business session and dinner. Our thanks for the continuing hospitality are extended to these fine Brothers. At that meeting, officers for the 1988-89 year were elected. Congratulations are extended to the new officers:

Regent . . . . . **Roger L. Wheat, Jr.**  
Vice Regent . . . . . **Thomas J. DePue**  
Secretary . . . . . **David E. Maszkiewicz**  
Treasurer . . . . . **Dominic Judy**  
Historian . . . . . **Bruce D. Martin**  
Chaplain . . . . . **Cheryl Finkell-Maszkiewicz**  
Sergeant-at-Arms . . . . . **Bernadette Sowko**  
Province II delegates are **Roger Wheat** and **Thomas Bianculli**. The new officers were installed by **Daniel Wellhausen**.

Notices of the January meeting and dues notice were sent to over 100 brothers known to be in the area. While responses are still arriving, the chapter is still seeking brothers in the Pittsburgh area for whom we do not have addresses. They may contact the chapter by writing to: Dr. Terence Schwinghammer, 239-B Victoria Building, 3500 Victoria Street, Pittsburgh, PA 15261 or the Secretary, David Maszkiewicz, 905-E East Logan Ave., Altoona, PA 16602.

The chapter held a well attended meeting, again at the Beta Kappa apartment,

January 22 which was labeled "The Second Half of the Super Bowl Meeting," since it started at 7:30 p.m. EST during half time. The Brothers enjoyed the game while conducting business. Plans were made to attend the Province meeting to be held at Duquesne University in March, to continue solicitation of members, to promote the profession and to strengthen the fraternal bonds with brothers in Pittsburgh and Western Pennsylvania. Future programs of a continuing education nature will be explored as a means for improving relationships with brothers. The chapter has been invited to participate in the Beta Kappa Spring Formal in April and is planning to send delegates to the Grand Council Convention in Williamsburg this summer. The chapter also will provide some financial assistance to delegates from the two local collegiate chapters who will attend, even though the current treasury is meager. With more graduate brothers from Duquesne and Pitt, the chapter will become financially sound and will be able to do more for Kappa Psi brothers in the region. All readers are encouraged to make contact with the chapter and to attend meetings which always are brief and enjoyable. The spring meeting is scheduled for April 2 at which time final plans for concluding the academic year and for attending the convention will be made.

—*Bruce D. Martin*

## Beta Rho Mississippi

The Beta Rho Chapter is proud to announce the selection of Grand Regent, **Dr. Ken Roberts**, as our new dean. This selection of a Kappa Psi Brother to the dealership is a continuation of Kappa Psi deans since the founding of the University of Mississippi's School of Pharmacy in 1908.

During the fall, a welcome table with refreshments for alumni was set up in front of the pharmacy building at all home football games. The welcome table had pictures and information concerning activities during the fall. Also this fall, pledges participated in a health fair at a local mall, donated food to a local food pantry at Thanksgiving, and cleaned the yard of a retired Kappa Psi faculty member, **Dr. Austin E. Dodge**. With these few projects and several pledge tests, the pledges were preparing themselves for initiation this spring.

At the beginning of the spring semester a pizza party was held for our Little Sisters. There was a great turnout and everybody had a good time.

This spring, many fourth year Brothers went on an industrial trip to Parke-Davis and Eli Lilly. We also had some of our Brothers and Little Sisters journey to Anaheim, California for the national APHA convention. Some Brothers also attended the Province VII convention in St. Louis, Missouri.

Also this spring, we competed in a phone-a-thon against two other pharmacy fraternities, in which alumni were called and asked to make donations to the pharmacy school.
