## MEMBERS OF EXECUTIVE COMMITTEE

### CARL J. KLEMME

Carl J. Klemme was born in Alexander, Iowa on April 25, 1898. He received his grammar and high school education in Boulder, Colorado. The University of Colorado granted him the degree of Pharmaceutical Chemist in 1923; followed by a Bachelor of Science in Pharmacy in 1924 and a Master of Science degree in 1925. After studying at Harvard from 1930 to 1932 he was awarded a Doctor of Philosophy degree in 1932.

Dr. Klemme held a teaching position with Purdue University from 1924 to 1930 and from 1932 to 1941. He was Assistant Instructor in Pharmaceutical Chemistry from 1924 to 1925, Instructor from 1925 to 1928, Assistant Professor from 1928 to 1932, Associate Professor from 1932 to 1938, and Professor from 1938 to 1941. During 1941 Dr. Klemme was also Acting Dean.

As well as his experience in teaching, Dr. Klemme has held several important positions in industry. From 1935 to 1937 he was Consulting Chemist for the General Electric X-Ray Corporation at Chicago. At present he is Director of the Chemical and Pharmaceutical Development Laboratories of Burroughs-Wellcome & Co. (U.S.A.) Inc. located at Tuckahoe, New York.

Dr. Klemme is a member of the following organizations, Kappa Psi, Phi Lambda Upsilon, Alpha Chi Sigma, Sigma Xi, Catalyst Club (Purdue), Kappa Sigma, American Pharmaceutical Association and the American Chemical Society. He is also on the Board of Review for the *Journal* of the American Pharmaceutical Association, a delegate to the U.S.P.

CARL J. KLEMME

Convention (1940), a member of the subcommittee on Organic Chemicals, U.S.P. XII; the subcommittee on Inorganic Chemicals, N.F. VII; the committee on Long Range Program of Policy of the American Pharmaceutical Association, and he was formerly the chairman of the committee on Pharmacy Predictive and Achievement Tests of the American Association of Colleges of Pharmacy.

### WILLIAM W. QUISENBERRY

WILLIAM W. QUISENBERRY

William W. Quisenberry, the son of Orval Lee and Cora Lee Quisenberry, was born at Gary, West Virginia, on February 11, 1922. His elementary education was obtained in both West Virginia and Virginia. He graduated from Speedwell High School, Speedwell, Virginia, in the spring of 1939. Directly from high school he entered the Medical College of Virginia from which he expects to graduate in March, 1943.

During his freshman year at Medical College, Quisenberry was on the Dean's List and second in scholastic standing. In his sophomore year he was Secretary and Treasurer of his class as well as Associate Pharmacy Editor of the *Skull and Bones* a weekly paper of the Medical College of Virginia. At the end of his sophomore year he was elected Editor-in-Chief of the paper. He has maintained his high scholastic standing being in the first five of his class.

Besides all these scholastic interests Quisenberry found time to participate in intramural basketball during his freshman year.

**CURTIS COSTELLO**

Curtis Costello, the son of Mr. and Mrs. Patrick H. Costello, was born in Cooperstown, North Dakota on June 30, 1921. He received his elementary education in the public schools of Cooperstown, graduating from high school in the spring of 1939. In the fall of 1939 he entered the School of Pharmacy, North Dakota State College at Fargo, North Dakota where he is now a senior. During this time he received his practical experience in Pharmacy by working in his father's store.

At present Costello is Regent of Beta-Sigma chapter of Kappa Psi, he has, however, held the office of Secretary and Treasurer of this chapter. He is also President of Kappa chapter of Rho Chi Honorary Pharmaceutical Society.

**CURTIS COSTELLO**

## EXECUTIVE COMMITTEE MEETING

A Meeting of the Executive Committee, Kappa Psi Pharmaceutical Fraternity, was held at the Hotel Commodore, New York City, on Saturday, October 24. Brothers O'Connell, Klemme, Quisenberry, Costello and Kelley were present. Brother Eby was unable to attend because of illness.

The following business was transacted:

1. Discussion of the Reynolds-Durham Pharmacy Corps Bill. The Secretary was authorized to send a letter to all chapters urging active support of this legislation.

2. The draft of the revised Constitution, submitted by the Legislative Committee, was received and accepted. The Secretary was directed to proceed with the printing of this revision.

3. In response to inquiries made by certain chapters concerning the payment to Grand Council of chapter obligations, the Committee adapted the following: "The Executive Committee discourages payment of chapter debts by war or other bonds. Under no conditions shall other than U. S. Government Bonds be accepted and these shall be accepted only at their attained value."

After a discussion of the condition of various chapters, collegiate and graduate, and the general financial condition of the Fraternity, the meeting adjourned.

Signed,

CURTIS COSTELLO,

*Committee Secretary, pro tem.*

## CHAPTER LETTERS

Members of THE MASK staff wish to thank the secretaries or other officers of the various chapters for the letters that they have sent in for the November issue. Most of the comments on the July issue mentioned that they were interested in the doings of the chapters. The only way we can hear about these is through the letters.

The goal that we wish to attain is an issue with a letter from every chapter, both active and graduate.

To have a letter in the January issue it must be sent to Brother Kelley before December 15, 1942.

## GAMMA—COLUMBIA UNIVERSITY

DEAR BROTHERS:

Having had our first meeting of the season I am now able to write more intelligibly on the status and program of our Gamma chapter.

At this first meeting we found our chapter to be minus Brother Rose, who is now serving our Navy, at the Newport Base Hospital. We are now only eight strong.

Our discussions at this meeting were mainly centered about our financial standing, and plans for this coming year.

We all feel that we are indeed fortunate to be in a fraternity as homogeneous as ours and to have brothers who will burden themselves with our problems and help us to overcome those difficulties which we may not have the power to overcome by ourselves.

I close with the assurance that we will have a particularly active program this year.

Fraternally yours,

PURZANT TORIGIAN, *Historian*

## EPSILON—UNIVERSITY OF MINNESOTA

DEAR BROTHERS:

The Epsilon chapter of Kappa Psi had a successful year. At present we have six pledges which we plan to initiate within a few weeks. We have had numerous noon luncheons and we were fortunate to have had some very interesting speakers.

Epsilon chapter has been co-operating with the other two pharmaceutical fraternities in establishing a service flag for former students in the College of Pharmacy now in the armed forces.

We are also proud to report that Brother George E. Crossen has been appointed Dean of the College of Pharmacy, Drake University, Des Moines, Iowa.

Fraternally yours,

NEAL SCHWARTU, *Secretary*

## ETA—PHILADELPHIA COLLEGE OF PHARMACY

DEAR BROTHERS:

Due to the fact that the Philadelphia College of Pharmacy and Science has adopted the accelerated program Eta chapter has found it possible to take part in only a few extra curricular activities through the summer session.

On September 18, 1942 a party was held at the House on 4213 Chester Avenue. A very enjoyable time was had by all.

On October 14, 1942, a smoker was held at the House for the incoming freshmen. The affair went over with a bang and we feel quite certain that we have secured quite a number of pledges as a result of this affair.

The following is a list of the members of Eta chapter who are now serving with the armed forces of the United States. We the active members of Eta chapter are really proud of these fellows and know that they are doing their job to the best of their abilities.

Fraternally yours,

JOHN K. STOVER, JR., *Historian*

## MU OMICRON PI—DETROIT INSTITUTE OF TECHNOLOGY

DEAR BROTHERS:

Due to our school session beginning late this fall, I was unable to write earlier because of our fraternity not meeting and not knowing what our plans were.

During the summer, Brothers James Huntsman, Regent; Mike Resovsky, Archie Pate, Albert Kosky, Robert Kruger, Tom Satwicz, George Spriggs, William Dickson have reported for service in the armed forces. All except James Huntsman and William Dickson, who are in the Army, and Archie Pate, who is in the Naval Air Force, are in the Navy as Hospital Apprentices or Pharmacists's Mates.

Our activities to date regarding the war effort have been donations of blood to the Red Cross and plans for a dinner dance from which the proceeds will go toward purchasing a bond which will be placed in the treasury.

Fraternally yours,

WALTER HOTRA, *Historian*

## MU—MASSACHUSETTS COLLEGE OF PHARMACY

DEAR BROTHERS:

Since the last edition of THE MASK, Mu chapter of Kappa Psi has been carrying out its program as stated in that issue, to the utmost. The summer session, completing a term's work for the Junior and Senior classes, ended on August 14 and a three weeks' vacation was enjoyed by all. A week before the vacation a "Wiener Roast" was held at the House with the Lambda Kappa Sorority members as our guests for the evening. Thus with the last examination of August 14 we ended the first summer that Mu chapter had been completely active throughout. During the vacation the members of the Student Aid Division of Kappa Psi, Mu chapter, which was formed during the summer session, worked steadily and helped a number of freshmen obtain rooms, places to eat, and also part time jobs for some.

Upon our return to school in September we were guests of Dr. and Mrs. Quimby along with the Kappa Psi members of the faculty and their wives and the Lambda Kappa Sorority members, at a Steak Roast held at his home in Wellesley. Dr. Quimby acted as chief cook; Grand Secretary-Treasurer Kelley "supervised" the building and tending of the fire in the large outdoor fireplace.

A bowling party was held on the night of September 30 with nineteen freshmen as our guests. After the bowling all returned to the House where refreshments were served and prizes awarded.

A dance was held on the evening of October 16 at the College building. The freshman boys and the Mu Chi Phi Sorority were our guests with about sixty people attending.

Three marriages of Mu chapter members have been announced. These are Immediate Past Regent William H. Oliver, Ralph Pinette, and Charles McClallen. And as I am writing this I am told that James Edwards, an active member of Mu chapter, is now the proud Dad of a little girl born October 11.

I think this takes care of about all our activities to date but in closing might I add that we have had on the average of four members of the armed forces as our guests each week. These have been boys of our own and other chapters; so don't forget our Chapter House, 220 Aspinwall Avenue, Brookline, Massachusetts, is always open to the Brothers of Kappa Psi.

Fraternally,

CHARLES E. McCLALLEN, *Secretary*

## NU—UNIVERSITY OF CONNECTICUT

DEAR BROTHERS:

Kappa Psi-Nu, the active chapter at the University of Connecticut College of Pharmacy, held its annual smoker and banquet at the Hotel

Garde in New Haven on August 19. The group present included members of the graduate chapters, and several guests as well as the active members.

A full course dinner was enjoyed by all. After the dinner a brief statement of welcome was heard from Daniel A. Camillieri, regent of Nu chapter, and a brief history of Kappa Psi was given by Brother

NU CHAPTER

W. R. Williams, an instructor at the college and a member of the graduate chapter.

Highlights of the program included presentation of three \$100.00 bonds to Brother Nicholas Fenney, Grand Counselor, and permanent treasurer of Nu chapter, by Carmelo Vasquez, Active Treasurer. Entertainment followed with the performance of a hired magician and the showing of movies. The affair was climaxed with the singing of "Kappa Psi Sweetheart" by the group.

On September 4 six of our banquet guests were initiated into Kappa Psi, and include: Anthony Russo, '43, Paul Tareilla, '44, Louis Mattie, '44, Pascuale Lerardi, '44, Albert Costello, '45, and Americo Giuliano, '45.

Among the recent representatives of Nu chapter in the armed forces are: John Rosengren and Alfonse Criscuola both at Brooklyn Navy Yard; Arthur Smithwick, Coast Guard Academy; and Leslie Blakeslee, Marine Barracks, Paris Island, South Carolina.

Nu chapter is now making arrangements for its formal dinner dance to be held sometime in December.

Fraternally yours,

DOMENIC A. VERRASTRO, *Historian*

## UPSILON—LOUISVILLE COLLEGE OF PHARMACY

DEAR BROTHERS:

Upsilon chapter held its first regular meeting of the school year on October 6, 1942. Although we lost thirteen brothers by graduation, we still have a membership of fifteen. Many of the brothers who graduated are now in the Armed Forces.

At present we are making plans for a smoker to be given for the Freshman Class. After getting acquainted with these new students we hope to discover those worthy of admittance to Kappa Psi.

This year we re-opened the supply room for the students. So far it has been a big success.

We are happy to have back with us Professor F. D. Stoll, who was on leave from the faculty for a year while obtaining his doctorate degree from Purdue University. Professor Stoll has been a member of Kappa Psi since 1920. He is our faculty advisor.

Fraternally yours,

CHARLES E. ROTH, *Historian*

## PSI—UNIVERSITY OF TENNESSEE

DEAR BROTHERS:

Psi chapter, I am glad to report, is not as dead as its Regent seems to be. I do owe you more apologies than can be counted on both hands, and since you had rather not waste so much time reading them, suppose that we let this one do. I promise that I shall never be so neglectful again in writing you and the Grand Officers.

We had a very interesting letter not long ago, from our Grand Regent, Brother O'Connell. The brothers of Psi chapter really did appreciate the letter.

From what I understood about the financial report, it was good. However, I am not the one to judge. I do know that any improvement that has been made is due to the efficiency of Kappa Psi's Grand Officers.

Three of our undergraduate brothers have been called into the Armed Forces. To the best of our knowledge we now have eleven men in the Service, with another leaving this week. I will enclose a list of them in this letter. I would like to make it known that Brother Lee Minor, who was an active member the year I came in, was killed in action with the Fighting Tigers in China (A.V.G.), last spring. The word did not reach here until late summer. In 1940 Brother Minor, '39, left his professional life to join the Naval Air Corps. When and how this change came we do not know. Psi chapter is very proud of Brother Minor and boast the fact that we had such a brother in this organization.

We have little to report of any actual part in the war effort. Most of our men are in one of the reserve corps. We have bought quite a few war stamps in one way; when we send corsages for dates, dances, etc., they are made up of War Stamps. We started this last spring. Other than it being our duty, we find them unusual and rather attractive.

Psi chapter has been rather active in Campus Social and Political affairs, as well as taking a portion of the honors, during the past year; having several parties at the Fraternity House and our annual dances at the hotels and University Center. The chapter was honored by having four men out of seven chosen from the senior class, for membership in Skull and Mortar, an honorary group in Pharmacy School. They were Brothers James Anderson, president; Al Pinkerton, Sec.-Treas.; Cecil Roach, and Jimmy Weathers.

In the spring political campaign, Kappa Psi came through with a land slide, when Brother Ruben Searcy, who left Pharmacy School, '39, to enter Dental School, was elected President of the Student Body, and Al Pinkerton, Jr., '43, was elected Vice-President of the Student Body. We also carried all of the offices of the Junior and Senior Classes.

Brother Hedrick Tuttle was awarded the Botany Prize and Brother Lester Cramblett the Dispensing Prize.

At the beginning of the school year we pledged eleven of thirty-two eligible men, however, we have lost two; one returned to Mississippi State College and the other withdrew because of ill health. The pledging season is not yet over and we feel rather certain of being able to fill these two places.

I hope I have given you all of the information that you wanted, if not I will be glad to give any more information which you may request. I hope to hear from you soon.

Fraternally yours,

JIMMY WEATHERS, *Regent*

### BETA-DELTA—UNION UNIVERSITY

DEAR BROTHERS:

With the beginning of school again we at the Albany College of Pharmacy anticipate a very happy and eventful year as members of Kappa Psi. At the opening Convocation on September 23, we were glad to hear the announcement made, that Dr. Francis J. O'Brien, brother of Kappa Psi, was made Acting Dean of our school.

Our first undertaking, October 15, will be an Intra-Fraternity Smoker in which we will be joined by the Brothers of Rho Pi Phi and the entire student body. We will then examine the freshmen to discover those worthy of admittance to Kappa Psi. Following this will be the initiation of these new pledges. Our next social activity will be a banquet given for our new brothers. We have planned this activity to be held about the first week of the month of December.

The following list of names are Brothers of Beta Delta chapter that are in the United States Armed Services.

Fraternally yours,

THOMAS L. BRESTI, *Historian*

### BETA-EPSILON—RHODE ISLAND COLLEGE OF PHARMACY

DEAR BROTHERS:

Our chapter meetings were discontinued during the summer session; for the accelerated program did not include the sophomore class, making it rather difficult for them to be present when chapter meetings were held.

Since the fall session has begun we have had two meetings. We elected new officers for the coming session. They are as follows: Elvin Holstius, Regent; Albert F. Lilla, Vice-Regent; Harry Hunter, Secretary; Rodrigue R. Smith, Treasurer; Harold Coughlin, Chaplain; and Aniello Lombardi, Historian.

We have not had any social activities but we are planning to have them soon. The College is busy right now preparing for our annual freshman reception dinner dance which will be held at the Narragansett Hotel on October 20. Our brothers are doing their best in supporting this affair so that it will be a success.

Several of our members graduated and some went into the Armed Forces, but with a large pledge class we anticipate another good year considering present conditions.

Fraternally,

ANIELLO LOMBARDI, *Historian*

## BETA-ZETA—OREGON STATE COLLEGE

DEAR BROTHERS:

The Beta-Zeta chapter of Oregon State College at their last meeting proposed the following plans for the coming year.

To meet with Lambda Kappa Sigma and Rho Chi in a joint reception for the freshmen in Pharmacy with the object of having these new students feel they were welcome and wanted in the School of Pharmacy.

To secure a lounge room in the Pharmacy Building for the convenience of all Pharmacy students. It is planned to have Kappa Psi equip and furnish this room with Pharmacy Journals and books as well as other reading material. The main purpose of this room will be to give the student a place to relax between classes, keep posted on new phases and changes in pharmacy and to study during short available periods.

Fraternally yours,

MICHAEL L. MAY, *Secretary*

## BETA-KAPPA—UNIVERSITY OF PITTSBURGH

DEAR BROTHERS:

The Beta-Kappa chapter of the University of Pittsburgh announces the spring initiation of five members. Two dances were held, one at the William Penn Hotel, and the other at Bill Green's Casino. The brothers of the chapter are proud of the biographical write-up in the April MASK of Grand Regent C. Leonard O'Connell, the dean of our school. We are honored by our daily associations with him.

Following the patriotic spirit of the other chapters we have purchased victory bonds during the summer semester. This summer, Steve Hilovsky, a senior, withdrew from our College of Pharmacy to continue his education as a Cadet in the United States Military Academy, West Point, New York. Robert T. M. Mauch has joined the Flying Cadets of the Army Air Corps, but plans to complete his course here before being called into the service.

At our last meeting, October 6, 1942, Regent Edwin J. Wyble announced the plans of the chapter for the next two or three months. The chapter plans a rush week and pledging of the new students of the semester just started, a smoker, a theatre party, a banquet, a dance, election of officers, and a possible hay-ride or steak fry sometime this fall.

Several brothers of this chapter are planning to attend the Pitt-Ohio State football game in November and would like to contact the members of the Xi chapter of the Ohio State University.

We have held regular weekly meetings during this summer session

and will continue so during the fall term to make this one of the most successful years for the Beta-Kappa chapter.

Fraternally,

HARRY WATKINS, *Historian*

## BETA-XI—UNIVERSITY OF NORTH CAROLINA

DEAR BROTHERS:

Beta-Xi chapter has many boys in the service, as many other chapters have also. All but six out of sixteen that have graduated in the last two years are in the armed forces. Due to the lack of information from our Brothers, I do not know exactly where each one is located. Brother Williams, Regent of last year, is entering the Navy next week. Brother Lockhart, Sec.-Treas. of last year is in the Army Air Corps. To date, we are happy to say that no Beta-Xi member has lost his life in this World War No. II.

Our chapter has been co-operating with the war effort in every respect. At the present time, we have a scrap metal campaign on. So far it is very successful. We feel that this is the least we can do for our country while we are in school. We hope to run our war effort co-operation to a high level.

Beta-Xi chapter is planning the biggest year ever. We are all working hard to get the type of pledges whom we will be proud of some day. We also want boys who will work hard for Kappa Psi and keep our chapter going well.

Brother Beavens and I are planning to set up a chart to put in the chapter room, that will show what boys are in the armed forces and where they are located. We want to show the public just what Kappa Psi is doing for our wonderful country which we are all so proud of.

I hope this will give you some idea of how we are working at Beta-Xi chapter located at the University of North Carolina. All members wish to extend greetings to all Kappa Psi members all over the country.

Fraternally yours,

JOHN T. HENLEY, *Secretary and Treasurer*

## BETA-PI—WASHINGTON STATE COLLEGE

DEAR BROTHERS:

Beta-Pi pledged seven incoming freshmen and three upper class students of the School of Pharmacy of the State College of Washington this fall. Nine brothers in Beta-Pi graduated in June, leaving only eight in the House at the beginning of this semester.

Brother Gordon Dewey, a graduate, is stationed at the Farragut Naval Training Station at Bayview, Idaho, while Brother James Wurtz is in the Naval Hospital at Bremerton, Washington. It is believed that Brother

Robert Hendrickson is in the Army Air Corps, and Brothers Mason Hill and Robert Honodel are contemplating joining the Navy. Brother Neil Vincent took R.O.T.C. while in school and has been commissioned a Second Lieutenant in the United States Infantry.

Those Brothers who are still in civilian activities are Clarence Helgeson, who is working in a drug store at Lacrosse, Washington; James Wilson, in the Walla Walla Drug at Walla Walla, Washington; and Gerald Thompson who is about to be called by the Army.

The new Regent of the Beta-Pi chapter is Brother William Schultz and Brother Lawrence Crabtree is House Manager. Brothers Daniel Schiermann, Raymond Story and Warren Westerman are Vice-Regent, Historian, and Secretary, respectively, this semester at Beta-Pi.

Fraternally yours,

WARREN WESTERMAN, *Secretary*

## BETA-SIGMA—NORTH DAKOTA STATE COLLEGE

DEAR BROTHERS:

I'm a little late with this news letter so here goes—believe it or not.

As to the boys in the Service it seems that so far they have been showing the Navy a decided partiality. According to the latest dispatches, Harvey Brevik and LeRoy Carter are still holding the Fort at the Great Lakes Naval Training Station, while Harris Sessions has moved to the new Navy Base at Peru (in Indiana) and the rest of the boys including Tony Walter, Pat Sullivan, etc., are now down at Portsmouth, West Virginia, battling the mosquitoes which Tony claims are as big as Lockheed's new P-38. Tony likes to tell the story about being captured one night by two of these overgrown mosquitoes, and the conversation that ensued. The first mosquito said, "Well shall we eat him here or take him down to the swamp and eat him?" The second mosquito said, "No, we'll eat him right here. If we take him down to the swamp the big mosquitoes will take him away from us."

School has been closed for the past week and will continue to be closed this week also as the boys are all out harvesting due to the shortage of labor in this section of the country.

That's all for now.

Fraternally,

DUANE NAGLE

## BETA-CHI—DRAKE UNIVERSITY

DEAR BROTHERS:

Because of the speeded up program of learning during the war, Beta-Chi chapter continued activities through the summer session and at present has a new member, Brother Clyde Weeces, and two new freshman pledges. These two were present at a smoker given October 6.

Other freshmen have kept contact with Kappa Psi and will be given consideration for pledging.

Beta-Chi chapter has lost Dr. Lee Worrel to the University of Michigan where he will continue to teach, but has gained Dr. George Crossen as a new member. Dr. Crossen has just finished the new revision of "Scoville's Art of Compounding." We are indeed proud to have this new adviser.

On October 14 an official reception dinner will be held for two new faculty members, Dr. George Crossen and Professor Walter Fredell.

Two Alumni members of Beta-Chi chapter, Edmond Brothers and Clayton Brouhard have received second class pharmacist's mate ratings. Alumni Brother Sprengelmeyer and two other pledges have third class ratings. These five were all at the Great Lakes Naval Training Station but Brother Brouhard is now in charge of a dispensary at the training station.

Brothers Schow and Nickerson form our contribution to the Army. Brother Nickerson is at the Fitzsimmons General Hospital at Denver Colorado and Brother Schow is at Fort Dodge.

As Historian of Beta-Chi chapter of Kappa Psi, located at Drake University in Des Moines, Iowa, I will be glad to forward the addresses of our alumni members to any chapter desiring the information.

Faternally,

JOHN WAGNER, HISTORIAN

## BETA-OMEGA—TEMPLE UNIVERSITY

DEAR BROTHERS:

As the summer draws to a close we can look back on a new experience—the accelerated course. You brothers who live in some of the cool spots can believe me when I tell you it was mighty hot in Philadelphia this summer on quite a few days and some nights. We started the accelerated course minus the old guard seniors. Eight brothers received the B.S. degree in June and four of these are already serving in the armed forces of the United States.

We initiated the following new brothers: Henry Barvinsky, Nanticoke, Pennsylvania; William Bechtel, Lewisburg, Pennsylvania; James McCarthy, Philadelphia; John Perrong, Philadelphia; Theodore Shively, Stroudsburg, Pennsylvania; Joseph Drygas, Philadelphia; and Harry Ripoli, Medford, N.J. This is a fine bunch of new brothers for the chapter and we are glad to have this group to take the place of the Seniors who graduated.

Our basketball team played several games this summer with only fair success. Our most important game was lost to our good brothers across the river at the Philadelphia College of Pharmacy and Science. A second game of the series was rained out and we were very sorry as we expected to shellac the P.C.P. & S. team on our second meeting.

The big social affair of the season was a picnic held in a beautiful picnic grounds near Philadelphia. Professor and Mrs. Eby prepared the food and dished it out to more than thirty members of the chapter and the faculty members and their families. A good ball game preceded the meal but the boys could not do much more than pitch quoits following the big feed. The boys demonstrated that they know how to eat and Professor and Mrs. Eby knew they did a hard day's work.

At the present time we are arranging for the annual Dinner-Dance for the Senior brothers who will graduate in February. We are all looking forward to this event which may be our last one for the duration.

The chapter has voted to create a fund to buy a plaque to contain the Honor Roll to be placed in the Dean's Office and would like to suggest that other Kappa Psi chapters do this as a small way to show how we appreciate what our brothers in the armed forces are doing for our country.

We expect to send a good delegation to Province II meeting that is scheduled for New York in October. These Province meetings are grand affairs, almost as good as National Conventions and we like to send as many brothers as possible. We look forward to meeting a large number of brothers from the chapters in this area.

As a new term begins we send greetings to all of our good brothers and to the National Officers.

To the Brothers named below, alumni members of Beta-Omega now serving in the Army and Navy of the United States in various parts of the world, we send greetings through THE MASK which we hope they will receive.

Fraternally,

HAROLD SWOPE

## GAMMA-DELTA—OHIO NORTHERN UNIVERSITY

DEAR BROTHERS:

Our school year opened following Labor Day. We have sixteen brothers, many having been lost by graduation. We started our fraternity year with a bang holding one of our most successful smokers. Twelve men of good fraternity caliber were pledged. We consider ourselves

very fortunate in pledging three fourths of the men in the freshman class enrolled in the College of Pharmacy.

During the summer while many of us were attending school, we made several extensive improvements on our chapter house. We had it painted and had new shrubbery set in around the front of it. During this work we donated an old school bell which had roosted atop our house for many years to the national cause. We have made and are planning many new improvements for the interior of our house.

We held a very successful combination hay ride and dance. We are planning several other social events but the biggest date on our social calendar for the near future will be our homecoming celebration. We are anticipating a fair percentage of our alumni brothers to return even though current conditions impede them.

As far as we know, we have no brothers from Gamma-Delta chapter who have lost their lives in action. I am enclosing a list of the brothers of our chapter who have joined the armed forces.

Fraternally yours,

JAMES J. STRONG, *Historian*

GAMMA-ETA—UNIVERSITY OF MONTANA

DEAR BROTHERS:

We can report a very successful year last year. Our chapter was responsible for getting first aid classes started on the campus for those who wished to do something for our home defense, and all of us in the chapter have received our first aid certificates. We held many interesting meetings which included talks given by members and graduate members. Our annual spring outing was held in May and will be remembered by all who attended as a joyous event. Charles E. Mollett, second grand vice-regent, attended the Pharmacy Convention at Denver, Colorado this summer but as yet we have not had a report from him.

We have not made any definite plans for the coming year because things are so uncertain but we hope to make it a good year.

A list of Gamma-Eta men who we know are in some branch of the service is given below.

Fraternally yours,

NEIL O. JOHNSON, *Secretary*

## GAMMA-OMICRON—UNIVERSITY OF OKLAHOMA

DEAR BROTHERS:

Gamma-Omicron chapter at the University of Oklahoma started the school year of 1942-43 with only seven members. However, we have a number of pledges from the preceding year and already we have made plans to increase this pledge class and to hold initiation for them on October 30. By the end of this school year we plan to have every man in our School of Pharmacy, who is not already a member of some other organization, listed on our roll. Our group this year may seem small to start with but every person is interested mainly in building up the chapter and with such interest we cannot fail. We have set November 6 as the date for our annual banquet and we plan to make it one of the best ever held by Kappa Psi on this campus. Our program committee is working on the details and since our first initiation is to be held before the date of the banquet we plan to honor the new members on that occasion.

On October 13 we held a smoker for potential pledges with very good results. However, due to University regulations we cannot officially pledge these future members until the middle of October. A very good program was planned for this occasion by one of our members. Dr. Ralph Bienfang, our chapter sponsor, gave a very interesting talk concerning the opportunities to be gained from membership in Kappa Psi. Wallace Taylor, an alumnus of this chapter, was present at the meeting and he too talked on the advantages of being a member of Kappa Psi.

As may be expected a number of our former members are now in the Armed Forces. We have not been able to contact all members but by the time the next issue of THE MASK is published we hope we will have our records complete. We have started a plan to devote a certain amount of time at each meeting to writing to our former members as well as to former students who were not members of this organization. As far as we know none of our former members have been killed in action.

Our chapter plans to again take a very active part in O.U.Ph.A. and to aid the school in any way we can. We again plan to hold one meeting per week for pledges only and one for members only. Then once during the month we plan to have a joint meeting. We have plans for the election of a new Vice-President since Kenneth Lampkin who formerly held this office did not return to school this year. We must also elect a new Queen for our chapter as this post is vacant due to the absence of Miss Mayra Jo Smith this year.

Our officers for the coming year are as follows: regent, A. J. Bontrager; vice-regent, post not filled yet; secretary-treasurer, Porter H. Stovall; historian, Joseph B. Harris, Jr.

We would like very much to have letters from other chapters of Kappa Psi concerning their activities and plans for the coming year. Write to the Gamma-Omicron Chapter, University of Oklahoma, Norman, Oklahoma. We will answer all letters received from other chapters.

Fraternally,

JOSEPH B. HARRIS, JR., *Historian*

### ALUMNI CHAPTERS

#### NEW YORK ALUMNI CHAPTER

DEAR BROTHERS:

The New York chapter has a mailing list of about 130 but as far as active members are concerned, we can only boast of about 20 to 40. We held some very successful dinner meetings last year and on the membership card found herein you will find the schedule we adhered to for the period 1941-42. This year, however, things in general look very uncertain and it is the opinion of many of our brothers that we dispense with the meetings for this year in order to relieve them somewhat from the heavy programs they are already carrying out. Besides, many of our brothers have been called into service and it will be very difficult for us to predict how many will attend our regular formal meetings. Hence, the suggestion has been made to hold luncheons from time to time inviting the board of strategy (the more active brothers) to discuss steps to be taken for the coming year so that the New York chapter does not fall into oblivion. I believe this point is well taken and is going to be carried out.

Fraternally yours,

JOSEPH P. MIALE, *Regent*

#### BOSTON GRADUATE CHAPTER

DEAR BROTHERS:

The Boston Graduate chapter of Kappa Psi has been very active the past few years. Regular meetings have been held on the first Friday of each month at the Mu chapter house on Aspinwall Avenue in Brookline. There are eight regular meetings held in each twelve-month period, a

recess being called for the four summer months. Besides these regular meetings there is an annual fall smoker all proceeds from which go to swell the Graduate chapter Scholarship Fund for deserving students from Mu chapter. The fund has reached a respectable size. We also hold a large winter dinner dance for members, wives, and friends that has become extremely popular. There is also a spring party and other functions throughout the year.

The membership rolls are constantly being revised to keep them up to date and as of last year there were approximately 50 active members in the chapter of whom about 20 attended meetings regularly. The last elected slate of officers is as follows: regent, Philip J. McAuliffe; first vice-regent, Edward F. Sullivan; second vice-regent, Francis G. Messier; secretary, Frederick J. Komenda; treasurer, Frank Wheeler.

Of these officers we have already lost our Regent. He is with the Marines somewhere in the Pacific as a 2nd class pharmacist's mate.

Because of three factors we are planning no regular meetings this year.

1. The large number of our members that have entered the services of our country in particular the recent graduates of the college.

2. The shortage of pharmacists has caused members that work in drug stores to double up in their hours and a number have no time to attend the meetings.

3. The members that are salesmen for drug companies have not the gas or tires because of rationing restrictions to regularly attend the meetings.

To meet these handicaps plans are under way to hold a dinner in a month or two. At this time arrangements will be made to carry on for the duration.

Fraternally yours,

FRED J. KOMENDA, *Secretary*

## SAN FRANCISCO GRADUATE CHAPTER

DEAR BROTHERS:

It is with regret that I admit the inactivity of the San Francisco graduate chapter, as we have on our mailing list approximately 400 members, and up until this year, even though our meetings have been limited to about two per year, at the time of those two meetings, our turn outs were indeed gratifying. It has been our usual practice to have an annual banquet and homecoming each year, almost at the end of the school year, which is usually late April or early May, and at which time we usually had the members of the active collegiate chapter together with those members of the faculty of the College who were also considered as Brothers in Psi, as our guests. Then, usually in the fall, late October or early November, we would have a dinner-meeting of our own members.

As in everything else, the war has had a considerable bearing on our activities for this year as we have had so many fellows going into the Service, and those who have been left have been moving about so rapidly, especially in the cases of those fellows who are on the road for the pharmaceutical houses, that it has been found to be an almost impossible job to keep our mailing list in any kind of order.

However, it is our sincere intention to attempt a get-together of some sort before the end of this year and I wish to assure you that at that time we shall advise you of our estimations of the future.

The writer has had the privilege of being secretary-treasurer of this organization since 1934, with one year out as Regent, consequently it is considered a personal loss as well as otherwise, to see this inactivity appear. Please know that you shall be informed of future events.

Fraternally yours,

HUGH D. MONCUR, JR., *Secretary-Treasurer*

## BUFFALO GRADUATE CHAPTER

DEAR BROTHER KELLEY:

Received your letter of September 28 and I was certainly delighted to hear from my old Kappa Psi. Yes, I was very active several years ago and spent considerable time to keep our chapter of undergraduates alive. As for our alumni members, I am sorry to say that we did not organize to any extent and have a real chapter. I have been away from the city of Buffalo and the school since 1925 and, therefore, have not kept in touch nor have I heard any news concerning the alumni chapter or the chapter at the University of Buffalo.

We all are aware, of course, of this crisis the country is in and I don't think it would be possible to organize right now. I am sorry I cannot supply you with the information you asked for. THE MASK magazine, I am of the impression, has carried along my name for several years and I certainly appreciate this courtesy and honor. Possibly our chapter at the University of Buffalo may be able to give you some information.

Thanking you for the splendid report you enclosed in your letter and with best wishes and kindest fraternal regards, I remain,

Sincerely and fraternally yours,

GEORGE L. BARONE

## CINCINNATI GRADUATE CHAPTER

DEAR BROTHERS:

Firstly, my change of address from 4228 Tower Avenue, St. Bernard, Ohio, to Millersport, Ohio (Fairfield County). My evident lack of abiding by my obligation in informing you of my change of address

might be explained by the fact that the Cincinnati Graduate Chapter has been dormant for some time.

Its Regent Bernard J. Kotte, whose address, at the time I left Cincinnati, was 3436 Cornell Place, Cincinnati is inactive. The chaplain, Fred John Stoll, with the Dow Drug Company; the treasurer, Kirk K. Hamilton, with the Liggett Drug Store, Fourth Street, Cincinnati, if my memory serves me right were the other two officers.

The membership numbered somewhere around 50. I can recall most of the names but the addresses of only a few as most of the "old" members like myself have left Cincinnati. A few might be in the armed services as some were unmarried.

At this time I can only refer any correspondence to the College in care of its "registrar." A brother, Charles F. Henke, Jr., had that title and capacity the last I heard from that source.

Any records I can find in my possession can be forwarded to the Beta-Phi chapter. The "graduate" chapter also went by the name of the "Fennel Memorial Chapter" in honor of Professor C. T. P. Fennel, deceased. The latter's son is a practicing attorney in Cincinnati, also a brother, at the last address, to my knowledge, possible the college, and also likely its present registrar; to wit: Adolph D. Fennel, 423 West 8th Street, Cincinnati.

Any further help that I can give please advise.

Fraternally yours,  
ELWOOD H. FAHL

## PITTSBURGH GRADUATE CHAPTER

DEAR BROTHERS:

The following are the officers of this chapter, and they were elected at the July meeting at the Highland Country Club: regent, L. A. Heckler; vice-regent, Carl Case; historian, Ray H. Mack; chaplain, Wm. McConaghy; secretary, N. Dean Rowland; treasurer, Wm. Heidenreich.

The chapter now numbers fifty-five Brothers.

The Fraternity held a Golf Tournament at the Highland Country Club on July 16, followed by a dinner and election of officers.

On September 11, 12, and 13 our annual stag get-together was held at the Bloody Run Camp in the mountains. There were seventeen Brothers present and an enjoyable time was had by all.

We will have a meeting and dinner at the Fort Pitt Hotel on November 4, and I will immediately send you a copy of the minutes. I will read your letter of the 28th to the Brothers, and I know that they will give you all the co-operation possible to help "activate" both our chapter and the Fraternity.

Fraternally yours,  
RAY H. MACK, *Historian*

## RALEIGH GRADUATE CHAPTER

DEAR BROTHERS:

The Raleigh Graduate Chapter which was composed of nine has fared the same as others and our membership is scattered far and wide. The Navy has our Regent, Bill Hardee, in training at Norfolk. Brother Umstead from last reports was Army bound. Brothers Price, Edwards, and I are still here but for how long, your guess is as good as mine. Brother Price is the Pharmacist at Rex Hospital and doing a swell job while Brother Edwards operates his own store and sold "TINACIDE" when gas and tires were available. Brother Pinnix travels for Upjohn around Winston-Salem, North Carolina, and has just added another daughter to his family so guess her Dad will not make the Army or Navy this year. Brothers Oakley and Creech are lost with the exception of their home addresses, Roxboro, and Smithfield. The secretary-treasurer who also has had his first addition, John C. Brantley, III, still is connected with his Father in the drug business of Raleigh.

The above covers the list and explains the situation existing. We are not going to quit but as long as there are a few fellows around shall continue getting together and offering assistance to the Collegiate chapter at Chapel Hill.

If you are down this way drop in and we will give you a welcome or any assistance available. I am sorry I could not attend the Philadelphia meeting (I also am a member of Eta) but the results have been most agreeable and the future is bright for our Fraternity. Keep the good work going and I personally pledge you my support and assistance.

With best regards and Fraternal best wishes, I am,

JOHN BRANTLEY, JR.

# CHRISTMAS *Gift Suggestions*

☆ *For Sweetheart • Friends • Fraters in the Service* ☆

## 1943 BALFOUR BLUE BOOK

shows beautiful crested rings, red baby calf and Victory blue morocco in sweetheart bill folds, saddle leather for men and women.

*Mail Post Card for  
FREE COPY*

## CRESTED STATIONERY

A practical gift suggestion for both men and women. Weekly letters on fine crested paper keep up the morale of men in the Service.

New — Deckle Parchment, Light Blue Vellum, Scotch Weave in Ivory and Blue.

*Stationery samples  
FREE on request*

## *The Victory* • WAR OF SURVIVAL • *Ring*

Streamlined as a bomber and rugged as a tank, the VICTORY—War of Survival—RING should be a traditional gift from the chapter to each member in the Service.

Fraternity crest on oval signet or onyx stone. Each tapered side forms a "V" for Victory. Symbol for arm of the service forms the shank design. See page 1 of 1943 BLUE BOOK. A suitable gift from family or chapter.

## *Military Service Pass Case*

What to give the service man is a perplexing question. Our suggestion is a leather bill fold—pass case which has proved the most popular accessory used by the men in service. Four celluloid wings carry passes, pictures, identification cards, licenses, and other important notes. Cover features hand-tooled effect design for each branch of the Service. Suntan cowhide for long wear. Style 565-43—see Page 24, 1943 BLUE BOOK.

## *Roll of Honor Scroll*

TO HONOR MEMBERS IN THE SERVICE

Every chapter should honor the members serving in the Armed Forces of the United States. A beautiful white parchment scroll has recently been completed fully engraved in gold, red, and blue with appropriate heading. Fraternity and chapter beautifully hand engrossed as well as suitable inscription and names of all members in the Service. Reasonable cost. Scrolls are furnished plain or framed. See the Balfour representative.
