## THE TWENTY-SIXTH GRAND COUNCIL CONVENTION

One of the most important events in the history of Kappa Psi Pharmaceutical Fraternity will take place in Detroit on December 27, 28 and 29 when the delegates from sixty-one Collegiate and Graduate Chapters will convene in Detroit, Michigan for the TWENTY-SIXTH GRAND COUNCIL CONVENTION. Since the last convention which was held in Richmond, Virginia, in 1949, the Fraternity has had two of its greatest membership years with an all time high of forty-four active Collegiate Chapters. The spirit and co-operation of the members and the chapters has been excellent and the prestige of the Fraternity throughout the

country has never been better.

A national convention is not just another fraternity meeting on a large scale intended only for the purpose of having a good time. It is an occasion when the achievements of the fraternity can be reviewed and appraised and when plans can be formulated and a sound course chartered for the future. For those who attend, it offers the opportunity to make new friends and enjoy the splendid fellowship which is so characteristic of these meetings. It is a time when the representatives of all the chapters can pledge anew their devotion to the ideals and objectives of Kappa Psi Pharmaceutical Fraternity.

Those of you who find it possible to come to Detroit for the Grand Council Convention should do so. I am sure that your participation in the convention activities will be a stimulating experience you will long remember.

## AN IMPORTANT FRATERNITY EVENT

On November 30-December 1, a joint meeting of the officers and representatives of the Professional Interfraternity Conference and the National Interfraternity Conference with the National Panhellenic Conference and the Professional Panhellenic Association representing 6,500 chapters will meet at Williamsburg, Virginia, to celebrate the 175th anniversary of Phi Beta Kappa and the birth of the American college fraternity. This will mark the first time that the four great national fraternity-sorority organizations have met in a joint meeting. Closer co-operation and planning for the future with better understanding among the Greek letter societies will come as a result of this great gathering of fraternity leaders. We are proud that Kappa Psi Fraternity, a member of the PIC along with Rho Pi Phi, also a member, and Lambda Kappa Sigma Sorority, a member of PPA, can represent Pharmacy on this occasion.

The fraternity system has long been opposed by many individuals and organizations. It has been the target of the press in many instances and has received much unfavorable publicity. In recent years the Communists have tried to smear the system but have not succeeded because the average college student is smart enough to know what he or she wants and it is no part of Communism regardless of the label under which it masquerades on a college campus.

The fact that the fraternity system has survived for 175 years and that it now has the respect of educators, the professions, and a large segment of the American public is ample proof that it is fundamentally sound. No organization or system could continue to grow and be an important part of the American way if it were not loyal and devoted to the principles on which our nation was founded. The celebration at Williamsburg will be an event of considerable significance and we consider it a great honor that Kappa Psi Fraternity can have a part in it.

Twenty-sixth  
NATIONAL GRAND COUNCIL CONVENTION  
of  
Kappa Psi Pharmaceutical Fraternity  
Hotel Book-Cadillac  
DETROIT, MICHIGAN  
Dates:  
December 27, 28, & 29  
1951

Don't forget to make your train and hotel reservations early.

*We'll see you there!*

Read the program in this issue!

---

## Bring Your Cameras!

It will be appreciated if the brothers who plan to attend the National Grand Council Convention will bring their cameras. Glossy prints of good "shots" should be sent to the *Editor* by January 10, 1952 for use in post-convention issues of THE MASK. Please identify persons appearing in pictures wherever possible. Due credit will be given donors. Thanks!

# *The Bulletin Board*

*CHAPTER SECRETARIES* are urged to read the Honor Roll announcement which appears elsewhere in this issue and to promptly comply with the request made there.

It is hoped that all members who read this issue of *THE MASK* will take particular notice of the list of nominees for Grand Officers and of the Convention program. Why not take a few minutes and look them over?

Thirteen of the present collegiate members of Eta Chapter have either fathers or brothers who are alumni of the chapter. Can any chapter beat this apparent record?

Beta Rho Chapter at "Ole Miss" has designed and is promoting a very interesting decal depicting no less than Colonel Rebel, suh. Included also are a caduceus, a graduate and stirring rod, and a mortar and pestle. Very neat! Inquiries concerning this decal should be directed to the chapter secretary.

Word has recently reached the Editor's desk that Brother Charles P. Sparks (officer in the USAAF) died in action on October 15, 1944. Proper notice will be made of Brother Sparks' death whenever another supplement of the National Honor Roll is published in *THE MASK*. At the time of his death, Mr. Sparks held the Distinguished Flying Cross, Silver Star, and Purple Heart. He was a member of Pi Chapter and graduated from Purdue University in 1942.

William G. Marshall (Upsilon Chapter), winner of the Kappa Psi Scholarship Key and Certificate last spring (reported in July, 1951 issue of *THE MASK*), also was the recipient of other honors. He received the *Oscar C. Dilly Award* for having the highest average in his class and also an award for the highest grades in pharmacy courses for three years. Well done, Brother Marshall.

## You Should Know . . .

JOHN A. MACCARTNEY, a native of Claysville, Pennsylvania, is Manager of the Trade Relations Department for Parke, Davis & Company, Detroit, Michigan. In this capacity he has had a broad experience with retail pharmacy, its problems and its development. Mr. MacCartney is a registered pharmacist, a graduate of the University of Pittsburgh, College of Pharmacy, and has had wide experience as a retail pharmacist, as a drug salesman, Medical Service man, and an executive of one of the largest pharmaceutical manufacturers. With the exception of the years of World War II, during which he served overseas with the U. S. Army, he has been associated with Parke, Davis & Company for twenty years.

He joined Beta Kappa Chapter of Kappa Psi in 1925 and served as the regent of that chapter in 1927.

Mr. MacCartney is also a member of the American Association for the Advancement of Science, the Pennsylvania Pharmaceutical Association, the Michigan Pharmaceutical Association, the Michigan Academy of Pharmacy, the American Pharmaceutical Association, and numerous other groups in the drug field.

He is widely known as a speaker before pharmaceutical organizations, and has appeared on many state and national programs. He is a recognized authority on public relations and trade relations in pharmacy and is the author of numerous articles which have appeared in various drug journals.

Mr. MacCartney is second vice-president of the A.Ph.A. and during the past year, served as chairman of the Section on Pharmaceutical Economics.

# From the Desk of the Grand Secretary-Treasurer

Ray S. Kelley

Greetings to 1300 Collegiate Members who have returned to their studies. May the 1951-52 academic year bring genuine pride to each of you as a result of successful accomplishments scholastically and fraternally. Remember that you represent your Profession, your College, and your Fraternity at all times. Always conduct your lives in a manner that will make you an outstanding representative of whom we may all be proud.

The Secretary of each Collegiate Chapter, Graduate Chapter and Province should have received and imparted to his chapter or province important information concerning the Grand Council Convention. Have *you* received this information? If not, ask your Chapter or Province secretary. Has your chapter or province elected delegates to represent you at the Convention and have the names of these delegates been forwarded to the Central Office? If this information is not already "in the mail" insist that your secretary send it at once. (In a few cases your G.S.T. suggests that you accompany your Chapter Secretary and witness the mailing of this information. This statement is made due to lack of reports from the Secretaries of five chapters. These reports were due to reach us on October 10, 1951 and to date—November 17—have not been received at the Central Office.)

Have you made your hotel reservations at the Book-Cadillac? Reservation cards, furnished each chapter by this office, should be mailed to the hotel at once. Travel reservations will become more difficult to obtain with each passing day. Make your plans now and obtain both travel and hotel reservations promptly. Plan to reach Detroit before noon of December 27, 1951 and remain in Detroit through December 29, 1951. Early morning trains in and out of Detroit will permit you to be present for the entire three days (and nights) of the Convention. The Convention Committee has arranged a busy and pleasant program from 9:00 A.M. on Thursday, December 27, 1951, through midnight of Saturday, December 29, 1951. Be there and enjoy all of these hours. You can rest on your trip home.

Remember! Detroit, December 27-29. We are planning on your being there.

# National Grand Council Convention Program

## BROTHERS OF KAPPA PSI:

The Grand Council, Kappa Psi Pharmaceutical Fraternity, will meet in National Convention on December 27-29, 1951 at the Hotel Book-Cadillac, Detroit, Michigan. All brothers of Kappa Psi are welcome to attend this meeting of their Grand Council and all in attendance have the privilege of participating in the discussion of the various matters being considered by the Convention. However, only the members of Grand Council are permitted a vote. Our Constitution (Art. XV, Sec. 1, par 101) states,

"The Grand Council shall consist of the following: (1) The Members of Alpha Chapter; (2) two delegates from each Collegiate Chapter; (3) two delegates from each Graduate Chapter; (4) one member from any committee charged with any extraordinary or important work; (5) one delegate-at-large from each organized Province; and (6) members of the Executive Committee who are not members of Alpha Chapter."

The tentative program is as follows:

### *Thursday, December 27, 1951*

9:00 A.M. to 12:00 NOON. Registration: Delegates, Representatives and Guests (\$5.00 each) Hotel Book-Cadillac, Mezzanine Floor.

10:00 A.M. Combined Meeting Alpha Chapter and the Executive Committee.

1:00 P.M. to 4:00 P.M. Visit to Parke, Davis and Company. (Busses will leave Book-Cadillac Hotel promptly at 1:00 P.M. and return to Hotel at 4:00 P.M.)

4:30 P.M. Meeting of Credentials Committee to examine credentials and certify Delegates to Grand Council.

4:30 P.M. Meeting of Legislative Committee. All recommendations for changes in the Constitution of Kappa Psi Pharmaceutical Fraternity should be in writing to the Grand Secretary-Treasurer before 4:30 P.M., December 27, 1951.

6:30 P.M. Dinner, Hotel Book-Cadillac, Italian Garden (Members only)

    Toastmaster: Grand Regent Frank H. Eby

    Speakers: John A. MacCartney

              Graydon L. Walker

### *Friday, December 28, 1951*

First Business Session: English Room

9:30 A.M.

1. Call to order .....Grand Regent Frank H. Eby
2. Invocation .....George V. Saylor
3. Welcome to Detroit

    For the Detroit Institute of Technology .....Dean Curtis H. Waldon

    For Mu Omicron Pi Chapter .....Norbert J. Heidenberger

    For the Detroit Graduate Chapter .....James Joseph

    For the Convention Committee .....George R. Smith

4. Reports of the Credentials Committee .....Gordon F. Goyette, Jr.

5. Roll Call of the Delegates

6. Reading of Communications

7. Appointment of Committees

8. Report of Grand Regent .....Frank H. Eby

9. Report of Grand Secretary-Treasurer .....Ray S. Kelley

10. Report of First Grand Vice Regent .....Louis Fischer

11. Report of Second Grand Vice Regent .....Karl J. Goldner

12. Report of Third Grand Vice Regent ..... Milton L. Neuroth
  13. Report of Grand Historian ..... Nicholas W. Fenney
  14. Report of Grand Ritualist ..... Dale E. Wurster
  15. Report of Grand Counselor ..... James R. Thayer
  16. Report of Editor of THE MASK ..... Maynard W. Quimby
  17. Announcements
  18. Adjournment of the First Business Session
- 1:00 P.M. Luncheon, Hotel Book-Cadillac, Italian Garden (Members only)

*Friday, December 28, 1951*

Second Business Session: English Room

2:30 P.M.

1. Call to order ..... Frank H. Eby
2. Roll Call of Delegates
3. Secretary's Report of the First Business Session
4. Reading of Communications
5. Unfinished Business from First Session
6. Report from Chapters and Provinces
  - A. Collegiate Chapters
  - B. Graduate Chapters
  - C. Provinces
7. Report of the Executive Committee ..... Pierre F. Smith
8. Report of the Extension Committee ..... George H. Frates
9. Report of the Interfraternity Committee ..... Maynard W. Quimby
10. Report of the Scholarship Committee ..... Pierre F. Smith
11. Report of the Legislative Committee ..... James R. Thayer
12. Announcements
13. Adjournment of Second Business Session

*Friday, December 28, 1951*

8:00 P.M.

Exemplification of the Ritual by members of Mu Omicron Pi Chapter Hotel Book-Cadillac: English Room

*Saturday, December 29, 1951*

Third Business Session: English Room

9:30 A.M.

1. Call to order ..... Frank H. Eby
2. Roll Call of Delegates
3. Secretary's Report of the Second Business Session
4. Reading of Communications
5. Unfinished Business from the Previous Sessions
6. Report of Special Committees
7. Report of Nominations Committee ..... William E. Hassan, Jr.
8. Election of Grand Officers
9. Installation of Grand Officers
10. Unfinished Business
11. New Business
12. Final Adjournment of the Business Sessions of the 1951 National Convention of the Grand Council.

*Saturday, December 29, 1951*

3:00 P.M.

Combined Meeting of Alpha Chapter and the Executive Committee

7:00 P.M.

Seventy-Second Anniversary Banquet, Hotel Book-Cadillac  
Crystal Ballroom (dress optional), Grand Regent Frank H. Eby, presiding

9:00 P.M.

Dancing

*Ladies Program*

Thursday, December 27, 1951

Free for Shopping

Friday, December 28, 1951

10:30 A.M.

Television Program

11:00 A.M.

Visiting *Detroit News*

2:00 to 4:00 P.M.

Fashion Show and Tea

Evening program

Visiting Detroit Historical Building

Saturday, December 29, 1951

11:00 A.M.

Visit Greenfield Village

1:00 P.M.

Luncheon at Dearborn Inn

7:00 P.M.

Banquet and Dance Hotel Book-Cadillac  
Crystal Ballroom

Please note that there is a Registration Fee of \$5.00 for each delegate, member, and guest. Hotel and travel reservations should be made *NOW*.

Further inquiries concerning the Convention should be addressed to:

Mr. George R. Smith  
16655 Fairmount Avenue  
Detroit 5, Michigan

We are looking forward to seeing you in Detroit on December 27.

Fraternally,

RAY S. KELLY  
*Grand Secretary-Treasurer*

# A Letter From the Central Office to the Nominations Committee

## KAPPA PSI PHARMACEUTICAL FRATERNITY

CENTRAL OFFICE

179 LONGWOOD AVENUE, BOSTON, MASSACHUSETTS

October 5, 1951

DR. WILLIAM E. HASSAN, JR.  
179 LONGWOOD AVENUE  
BOSTON 15, MASSACHUSETTS

DEAR BROTHER HASSAN:

Pursuant to Article XVII, Sec. 2, par. 114 of the Constitution of The Kappa Psi Pharmaceutical Fraternity, a registered letter was sent to each Collegiate and Graduate Chapter which was "active" and "in good standing." This letter dated February 27, 1951, requested each Chapter to make nominations for any or all of the Grand Officers and a ballot for this purpose was enclosed with the letter.

The nominations are now closed and the following is a complete list of the nominees for Grand Officers, each of whom has been nominated in the manner prescribed by our Constitution. This complete list is being submitted to you, the Chairman of the Committee on Nominations.

### NOMINEES FOR GRAND OFFICERS KAPPA PSI PHARMACEUTICAL FRATERNITY

#### *Grand Regent*

Henry M. Burlage, 702 East 43rd, Austin, Tex.  
George E. Crossen, 727 North 16th St., Corvallis, Ore.  
Frank H. Eby, 109 Fairview Rd., Springfield, Pa.  
Nicholas W. Fenney, 62 Broadfield, Hamden, Conn.  
Louis Fischer, 5627 Park Rd., Seattle 5, Wash.  
Arthur E. Schwarting, 54 Thornton St., Hamden, Conn.  
James R. Thayer, 4588 Parkview Pl., St. Louis, Mo.

#### *First Grand Vice Regent*

Nicholas W. Fenney, 62 Broadfield, Hamden, Conn.  
Louis Fischer, 5627 Park Rd., Seattle 5, Wash.  
Karl J. Goldner, 874 Union Ave., Memphis, Tenn.  
Elliott E. Leuallen, 31 Mulfield Rd., Rockville Center, L.I., N.Y.  
Joseph D. Matthes, 56 Zeller St., Roslindale 31, Mass.  
Milton L. Neuroth, Medical College of Virginia, School of Pharmacy, Richmond, Va.  
Charles C. Rabe, St. Louis College of Pharmacy and Allied Sciences, St. Louis, Mo.  
James R. Thayer, 4588 Parkview Pl., St. Louis, Mo.  
Arthur H. Uhl, University of Wisconsin, School of Pharmacy, Madison, Wis.  
Martin S. Ulan, 66 Hackensack Pl., Hackensack, N.J.

#### *Second Grand Vice Regent*

Nicholas W. Fenney, 62 Broadfield, Hamden, Conn.  
Louis Fischer, 5627 Park Rd., Seattle 5, Wash.  
Karl J. Goldner, 874 Union Ave., Memphis, Tenn.  
Milton L. Neuroth, Medical College of Virginia, School of Pharmacy, Richmond, Va.  
Rudolph H. Raabe, Ohio Northern University, College of Pharmacy, Ada, Ohio  
Martin S. Ulan, 66 Hackensack Pl., Hackensack, N.J.

John L. Voigt, University of Mississippi, School of Pharmacy, University, Miss.  
Walter R. Williams, 388 East Center St., Manchester, Conn.

### *Third Grand Vice Regent*

Haakon Bang, University of Arizona, College of Pharmacy, Tucson, Ariz.  
Ralph W. Clark, 920 West Wilson, Norman, Okla.  
Nicholas W. Fenney, 62 Broadfield, Hamden, Conn.  
Herman C. Forslund, 1737 Beca St., Corvallis, Ore.  
Karl J. Goldner, 874 Union Ave., Memphis, Tenn.  
Earl P. Guth, 533 Acton Rd., Columbus 2, Ohio  
Joseph A. Marlino, 202 Edgeton Rd., Secane, Pa.  
Milton L. Neuroth, Medical College of Virginia, School of Pharmacy, Richmond, Va.  
Charles C. Rabe, St. Louis College of Pharmacy and Allied Sciences, St. Louis, Mo.  
John W. Schermerhorn, 12819 Holdridge Rd., Silver Spring, Md.  
Pierre F. Smith, 120 Franklin Ave., West Orange, N.J.  
Glen J. Sperandio, 5-4 Ross-Ade Dr., West Lafayette, Ind.  
John F. Suchy, University of Montana, College of Pharmacy, Missoula, Mont.  
Joseph V. Swintosky, Chemistry Building, University of Wisconsin, Madison, Wis.  
Charles O. Wilson, University of Texas, College of Pharmacy, Austin, Tex.

### *Grand Secretary-Treasurer*

Ray S. Kelley, 179 Longwood Ave., Boston 15, Mass.

### *Grand Historian*

Nicholas W. Fenney, 62 Broadfield, Hamden, Conn.  
Stanley G. Mittelstaedt, University of Texas, College of Pharmacy, Austin, Tex.  
Robert H. Schleif, 4145-A Potomac, St. Louis 16, Mo.  
Pierre F. Smith, 120 Franklin Ave., West Orange, N.J.  
James R. Thayer, 4588 Parkview Pl., St. Louis, Mo.  
John E. Timberlake, Jr., 308 George St., Fredericksburg, Va.

### *Grand Counselor*

Amos B. Colby, Ohio State University, College of Pharmacy, Columbus, Ohio  
Frank A. Duckworth, Rt. 5, Box 57-A, Hibiscus Park, Gainesville, Fla.  
Charles Egry, 110-12 69th Ave., Forest Hills 75, N.Y.  
Nicholas W. Fenney, 62 Broadfield, Hamden, Conn.  
Louis Fischer, 5627 Park Rd., Seattle 5, Wash.  
Frank T. Maher, 1120 Harrison St., Oak Park, Ill.  
Charles C. Rabe, St. Louis College of Pharmacy and Allied Sciences, St. Louis, Mo.  
James R. Thayer, 4588 Parkview Pl., St. Louis, Mo.  
Horatio C. Wood, Jr., 319 South 41st St., Philadelphia, Pa.

### *Grand Ritualist*

Carl G. Albers, University of Texas, College of Pharmacy, Austin, Tex.  
William S. Benica, 448 North Clinton Ave., East Orange, N.J.  
John E. Christian, 918 North Grant St., West Lafayette, Ind.  
Ralph W. Clark, 920 West Wilson, Norman, Okla.  
Amos B. Colby, Ohio State University, College of Pharmacy, Columbus, Ohio  
Frank H. Eby, 109 Fairview Rd., Springfield, Pa.  
Nicholas W. Fenney, 62 Broadfield, Hamden, Conn.  
Raymond C. Stricker, 1678 Cardiff Rd., Columbus 2, Ohio  
Dale E. Wurster, University of Wisconsin, School of Pharmacy, Madison, Wis.

Fraternally yours,

RAY S. KELLEY  
Grand Secretary-Treasurer

# A Christmas Message

James R. Thayer, *Grand Counselor*

We are particularly grateful this Christmas Season for the habit of The Christmas Season. Our appreciation may be based on a need which is analogous to that of a hypodermic which eases our discomforts—temporarily but necessarily. And let no man set himself up as a judge of the depth of anguish which another man feels or can endure.

Ours may be the twilight of a way of life. The night which will follow may be long, dark, and cold, and the coming of the dawn so distant that it exceeds our faith. But—there will always be a dawn and even though gray it always carries a promise, a resurgence of strength, a period during which we can strive and hope.

There is a toughness in the fibre of man which will always, ultimately, deny defeat. It is like the string of a gigantic bow, which hangs for years unused, because no man is strong enough to pull it. We who have faith believe that when the force of circumstances reaches a necessary climax, this fundamental goodness and toughness in man will be stripped of its trappings and the bow be bent and the arrow which we variously call Christianity, decency, Judaism, or other, be sent winging on its way. Failing in this belief there is no excuse for tomorrow.

Ours is a heavy burden because of its lack of definition. We do not know what form it will take—how heavy it will be or how long we will have to bear it. These things we must accept. Bemoaning the fate laid upon us is sterile.

But—there is never a night so black or a dawn so chill as to justify the abandonment of hope or faith. There is never a pain so deep that it can not be lessened.

We stand at the foot of the Cross or whatever symbolizes that in religions other than Christianity. If we will look up, there is some warmth and some light.

There is and will always be beauty and inspiration in brave laughter—in a willingness to recognize our own weaknesses and understand the weaknesses of others—in the humility of an individual to accept help when help is needed and the generosity of another individual to supply that help—in an ultimate unselfishness which says “be-damned to me, here’s to you”—in a progressively open mind and open heart which sheds the brown and fallow leafage of the past season and starts new and virile buds as the seasons of Civilization change—in those rare moments when we are moved to the core by a phrase, a bar of song, a line of poetry, a blending of color, a great deed or even a small good deed, a moment of humility in a king or pride in a peasant—in a thousand things that happen to us all, each day. As long as these things quicken our pulse and deaden our selfishness—there is good reason for us to bear our burdens.

---

\* *Editor's Note:* Previously announced in THE MASK.

JUSTIN L. POWERS (right), member of Phi Delta Chi and honorary member of Kappa Psi, greets William J. Kelleher of Nu Chapter, winner of The Frederick B. Kilmer Prize.

R. H. Blythe, Beta Delta (right), presents the Ebert Prize to L. W. Busse (Beta Psi).

AT THE AMERICAN PHARMACEUTICAL ASSOCIATION CONVENTION  
HOTEL STATLER

BUFFALO, N.Y.

AUGUST, 1951

## Nu Chapter Member Receives The Frederick B. Kilmer Prize in Pharmacognosy

Brother William Joseph Kelleher, a member of Nu Chapter of Kappa Psi Pharmaceutical Fraternity, University of Connecticut, and a 1951 graduate from the College of Pharmacy of that institution, is the proud recipient of the Frederick B. Kilmer Prize for the current year. The subject of his undergraduate research for which this award was made was "The Completeness of the Extraction of the Alkaloids of Ergot." Brother Kelleher presented this paper at one of the sessions during the recent August meetings of the American Pharmaceutical Association held in Buffalo, New York. The award was presented to Mr. Kelleher by Dr. Edward P. Claus (Beta Kappa), chairman of this year's Kilmer Prize Committee.

Such honors are nothing new to Brother Kelleher. He was the recipient of the Kappa Psi Scholarship Key and Certificate last spring. (Announced in *THE MASK*, July, 1951.) In addition he won the Lehn and Fink medal at his school for attaining the highest standing of the class for four years of study. He was also the recipient of *Senior Honors* at the University of Connecticut. This is a book prize established by the university faculty in recognition of those students who have the highest standing in scholarship in the university for four years of work. Only two other students in the entire university were so honored during the year which ended in June, 1951.

Brother Kelleher was born on July 18, 1929, and his home is at 12 Manchester Street, Hartford, Connecticut. He is now doing graduate work at his *Alma Mater*. (See Nu Chapter letter.)

E. P. Claus, Beta Kappa (right), chairman of Kilmer Prize Committee presents award to William J. Kelleher during A.Ph.A. meetings, Buffalo, N.Y., August, 1951.

# Dean Kenneth L. Waters

## University of Georgia School of Pharmacy

Kenneth L. Waters, a native of Monroe, Virginia, has been Dean of the University of Georgia, School of Pharmacy since 1948.

In 1935 he received the A.B. degree at Lynchburg (Va.) College; in 1937 the M.S. degree at the University of Georgia and in 1945 he received the Ph.D. degree at the University of Maryland. He also did graduate work at the University of Kentucky and the University of North Carolina.

Dean Waters has had a wide experience in teaching, government service, research and industry. Teaching experience was obtained at Transylvania College, University of Georgia and the University of Pittsburgh. From 1939 to 1943 he was Assistant Chemist, U. S. Food and Drug Administration having served at both Atlanta and Baltimore. In 1943 he became a Pharmacopoeial Research Fellow at the Mellon Institute of Industrial Research where he remained until 1947. He was Technical Director for the Zemmer Pharmaceutical Company 1947-48.

Under the direction of Dean Waters, the School of Pharmacy at the University of Georgia has shown the rapid advancement one would expect. The substantial growth has been due to an enlarged faculty and expanded teaching and research facilities. In May 1951 a new dispensing pharmacy laboratory, a new pharmacology laboratory and new research laboratories were dedicated as part of the sesquicentennial exercises at the University of Georgia.

In addition to his duties as dean, he takes an active part in Georgia Pharmacy and

in the many organizations of which he is a member. He holds membership in the American Chemical Society, American Pharmaceutical Association, American Association for Advancement of Science, Society of Sigma Xi, Pi Mu Epsilon, Rho Chi, and others.

Because of his interest in Kappa Psi Fraternity, Dean Waters encouraged members of the student body to organize a chapter which received its Charter in May 1951. He is one of the charter members of Gamma Phi Chapter.

In 1939 the Dean married Miss Grace Wilson of Athens, Georgia.

---

## William Rust Neville, Jr.

### A Biographical Sketch

William Rust Neville, Jr., professor of pharmacy, College of Pharmacy, University of Texas, has been placed on modified service beginning Fall, 1951. This is automatic at the age of 70 years.

Professor Neville, one of the most widely known members of Texas Pharmacy, was born August 24, 1881, in Baltimore, Maryland, son of Mr. and Mrs. William Rust Neville, Sr. At an early age, his family moved to Austin, Texas, where his father became associated with the Chilles Drug Company as a pharmacist.

Mr. Neville attended Dowell Private School in Houston, and afterwards graduated from Austin High School in 1900. In the Fall of 1900, he registered at the College of Pharmacy, University of Texas, Galveston, Texas, and graduated in 1902 with a Ph.G. degree in Pharmacy. While attending the University he was awarded the Texas Pharmaceutical Association Gift Scholarship for high scholastic honors.

Upon graduation Mr. Neville became associated with his father at the Chilles Drug Store in Austin, and he continued with the firm after it changed to the Griffith Drug Company.

In 1919 Mr. Neville married Miss Elsie Jarmon, member of a prominent Travis County family and a lifetime resident of Texas. They have one daughter, Margaret Ann, now Mrs. Homer B. Norris, Jr.

President Splawn of the University of Texas in the Summer of 1924, in an effort to expand teaching in the College of Pharmacy from a practical point of view, prevailed upon Mr. Neville to take up the profession of teaching, specializing in dispensing, management, and jurisprudence. In the Fall of 1924 he went back to Galveston as an Associate Professor of Pharmacy, later advanced to the rank of Professor of Pharmacy, which he now holds.

Mr. Neville has always been popular with the students although he is strict in his teaching. That he is personable and well-liked is evidenced by the many gifts that he has received over the years from graduating seniors who desire to show, in some small way, their appreciation for his kindness, thoughtfulness, and guidance as a teacher.

It would be difficult to enumerate all of his activities during his teaching career. He participated in the National Drug Survey held in St. Louis, Missouri, as an authority in his field; he has written many articles; and is a member of the following organizations: American Chemical Society, American Association for the Advancement of Science, Texas Academy of Science, American Association of University Professors, Texas State Teachers Association, American Pharmaceutical Association, National Association of Retail Druggists, Kappa Psi, Texas Pharmaceutical Association, and the Austin Pharmaceutical Association.

NATIONAL KAPPA PSI BREAKFAST  
Hotel Statler, Buffalo, August 29, 1951

# National Kappa Psi Breakfast

## Buffalo, New York

The Sixth Annual National Kappa Psi Breakfast was held in the Chinese Room of the Hotel Statler, Buffalo, New York, on Wednesday morning, August 29, 1951, during the week of the convention of the American Pharmaceutical Association. One hundred and thirty-eight members and guests attended and enjoyed a very fine social hour.

Those who attended are as follows:

Darwin Aldrich	Nicholas W. Fenney	Ralph B. Kinross	L. Wait Rising
Charles E. Alford	Robert P. Fischelis	Edward Krupski	Robert K. Ritter
Robert C. Anderson	Perry A. Foote	Lt. Col. Harold P.	Edward J. Rowe
Robert Anderson,	John Fowler	Larson	Hugo H. Schaefer
guest	Hunter O. Gammon	Charles H. Larwood	George L. Scharring-
George F. Archam-	Paul W. Gerding	Lucien H. LeMaitre	hausen, Jr.
bault	Elbert W. Gibbs	E. E. Leuallen	John Schermerhorn
Charles W. Ballard	Joseph H. Goodness	Carl J. Lintner	Robert Schleif
Haakon Bang	Forest J. Goodrich	William R. Lloyd	Arthur F. Schlicht-
William S. Benica	John M. Goodyear	Thomas C. LoPresti	ing
Gordon A. Bergy	Col. O. F. Goriup	Eldin V. Lynn	Arthur E. Schwart-
Charles W. Blivin	C. Boyd Granberg	Donald R. MacDon-	ing
Rudolph H. Blythe	John R. Grosicki	nell	Vartkes H. Simoni-
Roy A. Bowers	Thaddeus S. Grosicki	Philip J. McAuliffe	an
Willis R. Brewer	Earl P. Guth	Albert M. Mattocks	Albert C. Smith
Donald C. Brodie	Clarence B. Halver-	Donald T. Meredith	Allan Smith
Henry M. Burlage	son	Clifton E. Miller	Pierre F. Smith

# Kappa Psi Member Rotary International Governor

Bernard J. Bush of Garberville, California, member of the Kappa Psi (Beta Gamma Chapter, University of California) is a District Governor of Rotary International, worldwide service organization, for 1951-52. As Governor, he co-ordinates activities of 45 Rotary Clubs in one of the seven Districts in California. During the year, he will visit each of the Clubs to offer advice and assistance in Rotary service work and administration.

Mr. Bush owned and operated a retail drug store in Garberville until his retirement

in 1948. He has been a member of the Rotary Club of Garberville since 1937, and is a Past President of that Club.

The continually growing Rotary organization now encompasses 83 countries of the world. The 350,000 business and professional executives who are members of more than 7,300 Rotary Clubs work together to advance the Rotary program of community-betterment activities, higher standards in business and professional life, and the furtherance of international understanding, good will and peace.

To promote international understanding, Rotary International is currently spending \$1,500,000 over a six-year period. One of the principal activities of this special program is the awarding of Rotary Foundation Fellowships to outstanding college graduates for one year of study, as ambassadors of good will, in countries other than their own. Grants totaling nearly \$750,000 have been awarded to 284 Rotary Foundation Fellows from 42 countries since this program was inaugurated in 1947.

# Newly Appointed Student Members of the Executive Committee

The announcement has recently been made that two new collegiate members of the Executive Committee have been appointed to take the places of Brothers Robert H. Benton (Upsilon) and Paul J. Cosgrave (Gamma) whose terms have expired. The newly appointed brothers are as follows:

Norbert J. Heidenberger, Mu Omicron Pi Chapter

Home address: 9617 Mansfield Avenue

Detroit 27, Michigan

Eugene C. Henke, Epsilon Chapter

Home address: 128 Jefferson Street, South

Hutchinson, Minnesota

Biographical sketches and photographs of these men will be included in a future issue of *THE MASK*.

THE EDITOR

---

## "Mask" Copies Available

The Central Office has a limited number of copies of *THE MASK* available to chapters who may wish to distribute them to prospective pledges. Requests for them should be made directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15.

---

## Members in the Service

*The Editor* requests that Chapter Secretaries and others submit to him the names and chapter affiliations of Kappa Psi men now known to be serving in the armed forces of the United States. *Be certain of the accuracy of your information.*

---

## CHANGES OF ADDRESS

Members are requested to help in keeping *THE MASK* mailing list as accurate as possible.

Include your old as well as your new address. It is suggested that you also state your collegiate chapter affiliation.

Mail your notification directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15, Massachusetts.

# Executive Committee Meeting

The Executive Committee of Kappa Psi Pharmaceutical Fraternity met on Saturday, November 3, 1951, at the Hotel Book-Cadillac in Detroit, Michigan. Those attending were Brothers Frank H. Eby, Ray S. Kelley, Pierre F. Smith, Norbert Heidenburg, and Eugene C. Henke. Committee member George Frates was unable to attend. The Committee was called to order at 11:00 A.M. by Grand Regent Eby and Brother Henke was appointed Secretary Pro-tem.

*Report of the Grand Regent.* Brother Eby gave a brief but thorough account of activities since the last Executive Committee meeting. Included in the account was a resume of the installation of Gamma Phi chapter at the University of Georgia. Brother Eby also attended several Province meetings and made a visit to many of the southern chapters.

*Report of the Grand Secretary-Treasurer.* Brother Kelley reported that regents of all the collegiate chapters had been sent the Professional Interfraternity Handbook and 10 copies of the new Rituals. He gave a report on finances and stated that all Chapters received financial reports. Membership and Chapter visitations made during the past year were included in Brother Kelley's report. In regard to the coming National Convention, it was indicated by Brother Kelley that the convention fund was ample to allow prescribed refunds to the various chapters as allowed by the Constitution. Grand Secretary-Treasurer Kelley reported that there has been an increase in the cost of publication of THE MASK. He stated that a large number of collegiate members are failing to notify the Central Office concerning changes in their permanent mailing addresses. Any such changes should be reported to the Central Office by the individual members in order that they may be assured of receiving their copies of THE MASK.

*Report of the Scholarship Committee.* Chairman Pierre F. Smith reported that a large number of the collegiate members had received Grand Council Keys and Certificates; he also stated that a large number of the members belonged to Rho Chi. The Executive Committee recommended that the Scholarship Committee continue its efforts to develop a strong scholarship program on both a Chapter and National level.

*Report of the Nomination Committee.* Grand Secretary-Treasurer Kelley reporting for the Nomination Committee stated that he had sent a letter to Brother Hassan giving a list of the nominees in accordance with the Constitution. A complete list will be published in the November MASK.

*Report on the Professional Interfraternity Conference.* Brother Kelley reported that the Professional Interfraternity Conference and the Interfraternity Conference will meet at Old Point Comfort on November 30, 1951, to celebrate the 175th Anniversary of the founding of Phi Beta Kappa, the first American College fraternity. Brothers Eby, Kelley, and Neuroth, will be the Kappa Psi delegates at this joint fraternity celebration.

*Report on Provinces.* Grand Regent Eby reported that with the exception of Province VI, all Provinces had held successful, well attended meetings during the past year. It is reported that Province VI is intending to have a meeting in the near future.

*Report on the Constitution.* The Executive Committee reviewed carefully the Constitution and suggested certain changes and revisions. These will be prepared and submitted

in proper form for consideration at the Grand Council Convention. Changes in the Model By-Laws for chapters and provinces were also recommended and these will be presented in proper form at the Grand Council Convention.

*Report on Handbook.* Grand Regent Eby reported that work on the preparation of a handbook for pledges has progressed satisfactorily. A meeting in July with Grand Secretary-Treasurer Kelley and Grand Ritualist Wurster resulted in agreement on the contents and other features of this handbook. A letter from Brother Wurster stated that the initial draft indicated that the first draft of the handbook would be available at the Grand Council Convention.

*Report on the Grand Council Convention.* In the evening, the Executive Committee held a joint meeting with the representatives of the Detroit Graduate Chapter and complete plans for the National Convention in December were reviewed.

This meeting of the Executive Committee adjourned at 10:00 P.M.

Respectfully submitted,

EUGENE C. HENKE, *Secretary Pro-tem*

# Commemorating the Origin of the American Pharmaceutical Association

A bronze plaque commemorating the 100th Anniversary of the meeting of "pharmaceutists" held in the lecture room of the New York College of Pharmacy at 411 Broadway, New York City on October 15, 1851, was presented by President Don E. Francke, of the American Pharmaceutical Association, to the New York College of Pharmacy, Columbia University, on Monday evening, October 15, 1951.

The New York Branch of the American Pharmaceutical Association timed its opening meeting of the 1951-52 series to occur exactly 100 years after the historic session of 1851, because it was at the latter meeting that steps were taken to unite the pharmacists of America into a national organization. Although the American Pharmaceutical Association was not officially organized until October, 1852, in Philadelphia, the following resolutions adopted at the meeting in New York on October 15, 1851, clearly indicated the intent of this progressive group.

"WHEREAS, The advancement of the true interests of the great body of pharmaceutical practitioners in all sections of our country is a subject worthy earnest consideration; and

"WHEREAS, Pharmaceutists in their intercourse among themselves, with physicians, and the public, should be governed by a code of ethics calculated to elevate the standard and improve the practice of their art; and

"WHEREAS, The means of a regular pharmaceutical education should be afforded to the rising pharmaceutists, by the establishment of Schools of Pharmacy in suitable locations; and

"WHEREAS, It is greatly to be desired that the united action of the profession should be directed to the accomplishment of these objects; therefore,

"Resolved, That in the opinion of this Convention, much good will result from a more extended intercourse between pharmaceutists of the several sections of the Union, by which their customs and practice may be assimilated;

That pharmaceutists would promote their individual interests, and advance their professional standing, by forming associations for mutual protection, and the education of their assistants, when such associations have become sufficiently matured; and that in view of these important ends it is further

"Resolved, That a Convention be called, consisting of three delegates each from incorporated and unincorporated Pharmaceutical Societies, to meet at Philadelphia on the first Wednesday of October, 1852, when all the important questions bearing on the profession may be considered, and measures adopted for the organization of a National Association, to meet every year.

"In accordance with these resolutions, the President of this Convention is requested to transmit an invitation to the authorized bodies, at least three months previous to the time of meeting, requesting such bodies to acquaint him with the names of the delegates they may appoint."

The meeting of the New York Branch of the American Pharmaceutical Association held October 15, 1951, also served to usher in the 25th observance of National Pharmacy Week, October 21-27.

Speakers at the meeting included Dean Charles W. Ballard of the College of Pharmacy of Columbia University, who gave an interesting address entitled "The Inception of an American Pharmaceutical Association." Dr. Ballard pointed out in his address that three topics for discussion at the initial meeting stood out among others. First, the need for a national organization in pharmacy as a means of furthering intercourse between pharmacists in the several sections of the Union; second, the desirability of self-imposed regulations governing the relationships of pharmacists with each other, with medical practitioners, and with the public; and third, the necessity of supporting educational facilities for apprentices and others desiring to become pharmacists to the end that they would be competent to serve as purveyors of drugs and compounders of prescriptions. These discussions in turn led in the first instance to the establishment of the American Pharmaceutical Association; in the second instance to the adoption of a Code of Ethics for the profession of pharmacy; and in the third instance to the stimulation of pharmaceutical education on a formal basis.

"We may briefly summarize the result of this 1851 meeting from two standpoints," said Dr. Ballard. "For the profession of pharmacy it led to the establishment of a national organization representing all aspects of the calling. For the public at large it led to adequate laws and procedures for their protection in the matter of medicines. In establishing the American Pharmaceutical Association, pharmacy has not only promoted its professional interests but has also materially contributed to the larger interests of the people of these United States."

Dr. Don E. Francke, in presenting the bronze plaque to commemorate the occasion of the 1851 meeting in the lecture rooms of the New York College of Pharmacy, reviewed the activities of the American Pharmaceutical Association as they have grown in the past century. He pointed to the growth in membership from less than 25 who attended the first meeting to nearly 25,000 active and associate members now on the rolls.

On behalf of the New York College of Pharmacy of Columbia University, Mr. Myron L. Walker, Chairman of the Board of Trustees of the college, accepted the plaque and stated that it would serve at all times as a reminder of the close relationships between the early educational institutions in the field of pharmacy with organizations of practitioners of the profession.

# National Honor Roll Supplement

## SECRETARIES AND VETERANS PLEASE READ

Another supplement to the National Honor Roll will be published in *THE MASK* when sufficient names have accumulated. Names which did not appear in the roll published in July, 1948, or in the supplements of July, 1949, 1950, and 1951, should be mailed to the Editor promptly.

If you are a veteran of World War II, and your name has neither been published nor sent in for publication, ask your chapter secretary to forward it, or send it in yourself if you are an unaffiliated member. When you became a member of Kappa Psi makes no difference insofar as the Honor Roll is concerned as long as you are a veteran of World War II. *A veteran who is pledged becomes eligible for the roll only upon being initiated.*

Chapter secretaries are requested to attend to the task of submitting names for the Honor Roll, if they have not already done so. It is important that collegiate chapter affiliation, past or present, be stated whenever names are sent in for inclusion in the supplement. If you know of any brothers who lost their lives while in the service during World War II indicate this when sending in their names.

A number of names are already available. Won't you help in making the Honor Roll as nearly complete as possible? Send all names to the Editor of *THE MASK*.

---

### NECROLOGY

EDWARD P. DAMBECHER, Beta Kappa Chapter

HUGH L. DAVIS, Chi Chapter

ANDREW ELLESTAD, Beta Pi Chapter

PAUL SIEFNER, Beta Pi Chapter

ANDREW H. SPENCE, JR., Beta Phi Chapter

C. B. WARNER, Omicron Chapter

---

### Personal

John M. Allen of 50 Ketch Rd., Beacon Bay, Newport Beach, California, has enrolled as a member of the June, 1952 class of the American Institute for Foreign Trade at Thunderbird Field, Phoenix, Arizona.

Specializing in South America, Allen is taking the school's intensive training course in preparation for a career in American business or government abroad.

He attended the University of California at Los Angeles. Allen is a member of Beta Gamma chapter of Kappa Psi.

The course of study at the Institute concentrates techniques of international business administration, foreign languages, and characteristics of foreign countries.

# Chapter Letters

## EPSILON—UNIVERSITY OF MINNESOTA

The activities of Epsilon Chapter were non-existent here on campus throughout the summer because a very small number of our members attended summer school. Our brothers were also so widely spread within the state that no informal summer get-together was planned.

With the advent of the present fall quarter, activities of the chapter were once more resumed and the first of our weekly luncheon meetings was held October 3 in Coffman Memorial Union. Present at that meeting along with the undergraduate members and guests was the faculty among whom we have a new member, Dr. Miller. Dr. Miller has assumed the position recently vacated by Mr. Almin, who served as Grand Council Deputy of this chapter for a number of years and has done much for the organization here at Minnesota.

A get-acquainted smoker for the men of the Sophomore Class of the College was held the evening of October 11 in the men's lounge of the Student Union. Card playing and conversation provided the recreation for the evening which ended with a small lunch. The success of this smoker foretells a bright future for the chapter with more elaborate activities of this nature in the planning stages.

Epsilon Chapter is proud to announce that its present Regent, Eugene Henke, has been elected to the National Executive Committee. This should indeed shed some light on the capabilities of our senior fraternity officer.

Fraternally yours,

BERNARD T. KOENIG, *Historian*

## ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

With the ending of another wonderful summer the school term has again begun. After those welcome back handshakes the brothers of Eta Chapter descended on the chapter house and proceeded with the task of setting the house into the condition that is manifest of Kappa Psi.

All the brothers are talking about the terrific recreation and club room that Brother Ed Gentz built during the summer and which is now in the "mopping up" stage. The brothers of Eta Chapter owe a real debt of gratitude to Brother Gentz who, in addition to many other responsibilities, gave his time and effort in constructing the recreation room. With the aid of Brothers Gilpin, Bowen, Ryan, Koronkiewicz, and others the "rec room" will be finished by the first part of November.

Eta Chapter men are once again prominent in school activities. Brother Willis Gilpin was recently elected president of the Interfraternity Council and Brother Gentz president of the Student Branch of the A.Ph.A. In addition, other brothers are members of the Student Council and also class officers. Kappa Psi can indeed be proud

of the fine achievements of Eta Chapter members.

We are always pleased to have visitors at the house and were elated when Brothers Cox and Brouse, who are now members of the Navy, dropped in to see us. Eta Chapter cordially extends an invitation to all brothers of Kappa Psi to stop in and visit us when in the Philadelphia area.

Since the school term has just begun our social activities have not as yet blossomed into the wonderful times that are characteristic of Eta Chapter. As soon as the creation room is finished we will get the season into full swing. Rushing season will soon be underway and many other gala events that make for pleasant memories of college days. Until the time I will be able to report on these events, I remain,

EMIL A. LEFKOF, JR., *Historian*

## THETA—MEDICAL COLLEGE OF VIRGINIA

On September 10, Regent Bud Shelton, facing an array of suntanned cheeks, officially opened the school year for Theta. With thirty-eight actives returning, all indications are that we're in for a big year.

Brother Jim Lamar, treasurer of last year, has been recalled into the U. S. Naval Reserve. The Chapter will miss Jim, but it is partially compensated and very fortunate in having Brother Jack Ashby, class of '51, back as the first student in our new graduate school. Also nearby is Brother John Timberlake, Vice-Satrap of Province III, who is employed at the Medical College Hospital Pharmacy.

Theta will also miss the leadership and guidance of Brother R. David Anderson, Grand Council Deputy. Brother Anderson, who was also chiefly responsible for the re-organization of a graduate chapter here, is now Chief Pharmacist at the King's Daughters Hospital in Staunton, Virginia. The new Grand Council Deputy is Dr. John Boenigk, Associate Professor of Pharmacy. Dr. Boenigk was initiated into Theta last year and is welcomed in his new capacity with us.

Our newest facultate member is Dr. James George Young, Assistant Professor of Pharmaceutical Chemistry. Brother Young received his M.S. Degree at the University of Wisconsin and comes to us from Beta Xi Chapter of the University of North Carolina, where he received his Ph.D.

We are very proud of the honor which Brother George Surber has brought Theta Chapter and the School of Pharmacy. George is president of the entire student body of the Medical College of Virginia and has broken a traditional barrier in becoming the first pharmacy student ever to hold that office.

Our first rush party was given Saturday night, October 6, which seemed to be very successful. Plans are in the making for two more similar parties before pledging time.

**GEORGE SURBER, Theta Chapter**  
**President of Student Body**  
**Medical College of Virginia**

A new television set has been acquired, draperies are being made, lounge rooms are being repainted, and a series of prints entitled, "The History of Pharmacy," given by Parke-Davis and Company, are being framed, all of this to give our house the new look.

Brothers Brown, Bray, and Bennett are largely responsible for securing the funds for the TV set, and Brother Jack Ballentine for the drapes and pictures.

We expect the redecoration process to be complete soon and should like to extend a cordial and sincere welcome to all Brothers in Kappa Psi.

Fraternally,  
 JAMES V. MORGAN, *Historian*

### **MU—MASSACHUSETTS COLLEGE OF PHARMACY**

On Tuesday night, September 5, Mu held its first outside meeting at the Elk's Home in Brookline, with a fine attendance for an opener. Plans were made during the business meeting to get as many men as possible out to the National Convention in Detroit during the Christmas holidays. Everyone present was enthusiastic about going and we hope to have the chapter well represented at that time. Charlie Pederzoli, our very capable social affairs chairman, outlined the entertainment that was available to the chapter for the near future. After the business meeting was adjourned the executive committee appointed the following men as chairmen of the committees for the ensuing year: Charlie Pederzoli, Social Affairs; Jim Donahue, Budget; Fran Bush, Publications; Clay

Randall, Sports; Bob King, Initiation; Hank Gagnon, Membership; Dave Henry, Co-op; and Ted Kallelis, Scholarship. After the formal meeting was over there was a raffle and Dave Henry won a sweatshirt, which he lost in a side wager shortly after. After the raffle there were refreshments and then "choir rehearsal" at the Landmark.

Tuesday, October 2, was the evening of our first outside affair. About 120 members and guests attended "Kiss Me Kate," playing at the Boston Opera House, and we had a grand time even though the air seemed a little thin at that altitude.

News of some of last year's graduates is that Al Stearns is in the Army at Fort Dix. Bob Sullivan and Gene Bruyette are both working as detail men for Parke, Davis and Company. Frank Clark is at the Willis Pharmacy in Reading Square and Leo McKenna is at Cardello's in Revere. Didi Vacca, Lou Principe, and Frank O'Connell are all back at school doing graduate work. Didi and Lou are Fellows in Bacteriology and Pharmacy, respectively. Fran Bush was discharged from the Army Reserve and is back at school, as is Stan Blanchfield who has just served a "hitch." Steve Themes and Platt Quackenbush entered the service during the summer.

Congratulations to Mr. and Mrs. Earl Ashley, who are the proud parents of a baby boy. Also to Dave Carew and Mal Haskins who were married this summer.

Mu brothers have done rather well along scholastic lines this fall also. Seven "actives" and two pledges have been the recipients of scholarships this term. They are as follows:

Paul J. LeSage, *the Elie H. LaPierre Memorial Scholarship*

E. Stuart Brown, *the McKesson and Robbins Scholarship*

Henry W. Gagnon, *the Gilman Brothers Scholarship*

Malcolm H. Haskins, *the Boston Druggists Association Scholarship*

Donald K. Eastman, *the American Foundation for Pharmaceutical Education Award*

Francis V. Tura, *the Daniel O. Wolff Scholarship*

Alfred G. Brown, Jr., *the James O. Jordan Memorial Award of the College Alumni Association*

Gordon Dean (pledge), *the Scholarship of the Norfolk County Pharmaceutical Association*

Robert Dolloff (pledge), *the Students' War Memorial Scholarship*

Mu members are very active in offices and positions which they hold in the Student Branch of the American Pharmaceutical Association, the Student Council, etc. We plan to hold an initiation in early November, at which time we expect to add ten or twelve new men to our present collegiate membership of seventy-seven. Pledging and initiating of first year men will not take place until the beginning of the second semester, probably in February. All in all we feel that we are doing rather well.

Try and make the national convention in December.

Fraternally,  
 WILLIAM A. COLMAN, *Historian*

### **MU OMICRON PI—DETROIT INSTITUTE OF TECHNOLOGY**

We are pleased to announce as our new Dean of Pharmacy College a fellow Kappa Psi member,

Dr. C. H. Waldon, formerly Dean of the College of Pharmacy at Montana State University. Dr. Waldon succeeds Dr. Eston P. Stout who has retired after forty years at Detroit Institute of Technology, thirty-one as Dean of the Pharmacy College. Dr. Stout is one of the men responsible for Kappa Psi's inauguration here at Detroit Tech.

Many members were busy over the Summer vacation "getting married." Congratulations and best wishes to John Artakis, Norbert Heidenberger and George McCullum. Your Historian and brother John Buck had the great pleasure of being ushers at Regent Heidenberger's wedding.

On September 17 in the Dupont Room of the American Legion Hall in Detroit the Collegiate Chapter and some graduate members bid goodbye to Armin Hovnanian as he was leaving for the Army on September 19. We all wish Armin the best of luck in his new career and hope that he will be able to use his knowledge as a pharmacist in a hospital.

Brothers Edward Keat and Donald Sheridan represented Detroit Tech as they received scholarships from Cunningham Drug Corporation. This makes a total of five Kappa Psi men who are now receiving the Cunningham scholarship.

The Collegiate and Graduate Chapters are eagerly awaiting December when we will be hosts to the National Convention. It is our hope that all brothers who can possibly attend will be here.

Fraternally yours,  
THEODORE J. RENAUD, *Historian*

## NU—UNIVERSITY OF CONNECTICUT

September 18, saw the arrival of Nu Chapter to the University of Connecticut campus for the first time. Illusions of an easy life were quickly dissipated, however, when we realized how much work it is going to take to keep the fraternity at its peak. We already have a good dormitory but because we have to share it with another fraternity we are slightly restricted. Chances are good, however, that we might have our own house by next year.

A committee, headed by Brother Fred Vegiliante, has been set up to provide furniture and accessories for the lounge. Proof of the swell job they are doing can be attested to by the fact that there can be found more students in the lounge than on campus.

Now that we are set up on campus Nu Chapter would like to extend an invitation to all brothers to visit with us whenever you have the opportunity. Once you get on campus just ask for Hall Dorm III or call 477 and we'll send a pledge to guide you to the Kappa Psi House.

During the summer, two events took place which are worthy of notice. The first was the Nu Chapter picnic which was held at Sleeping Giant State Park in Hamden. Quite a few of the brothers attended and really enjoyed themselves. The only disappointment was that it ended too soon. The committee composed of Brothers McGuire, Moran, Rappa, Solimini and Vegiliante deserve thanks for a job well done.

The second event was that of Brother William Kelleher receiving the Frederick B. Kilmer Prize. This prize was awarded to Bill at the American Pharmaceutical Association Convention for his undergraduate study of "The Completeness of the Extraction of the Alkaloids of Ergot." We at Nu are very proud of Brother Kelleher. As if the Kilmer Prize wasn't enough, Bill also graduated

with highest honors and also received the Kappa Psi Scholarship Key award. Brother Kelleher is now attending the Graduate School here under a fellowship grant from the Eli Lilly Company. We certainly do wish Bill as much success in the future as he has had in the past.

Pledging is due to start within the next week. So far we have six pledges from last year who were not initiated at that time because they were on campus while Nu Chapter was still in New Haven. In all probability, they will be brothers in Kappa Psi by the time this issue is off the press.

Fraternally yours,  
JAMES MERMIGOS, *Historian*

## PI—PURDUE UNIVERSITY

As Pi Chapter starts the new year the center of interest is the forthcoming National Convention. The official delegates have been chosen and, judging from the interest shown, they will be accompanied by a host of unofficial delegates. In general the members here are looking forward both to the fellowship of the convention and to the exchange of ideas that should undoubtedly aid in the solution of some of our problems.

One of these problems which we dwelt on considerably in our last meeting was the need for better alumni relations. Not having a house to serve as a rendezvous for returning alumni, contact with the graduated brothers is easily lost without a positive program of some sort. A committee has been set up to investigate and recommend possible action. Meanwhile, plans are underway to obtain a full page to be devoted mainly to alumni news in each issue of the *Purdue Pharmacist*, the school magazine which is already sent free of charge to all Purdue pharmacy graduates in Indiana.

In step with the current and commendable trend toward more useful pledge training, particularly in respect to rough initiations, the chapter is planning a service program for its next pledge class instead of the traditional activities.

The first social function of the year was our annual "walnut-gathering," a stag picnic affair. Not many walnuts were molested, but everybody had a big time anyway.

Fraternally yours,  
JAMES HAMILTON, *Historian*

## RHO—UNIVERSITY OF KANSAS

Another summer has passed and many of us are entering what we hope is our last year while others are entering their first year in Pharmacy. After the initial noise of enrollment and the starting of classes has cleared away the members of the Senior Class can look around and see a few empty chairs left by fellow members who have answered the call to the Services. One of Rho Chapter's members, John Forney, answered this call—good luck to you John! May you make as good a soldier as you were a Kappa Psi brother.

Our first meeting was September 25, 1951, and committees were appointed to arrange for programs and to draw up a tentative budget for the coming year. A smoker for prospective pledges was also discussed. No other business was taken up.

Fraternally yours,  
HAVEN L. KELLEY, *Historian*

## UPSILON—UNIVERSITY OF KENTUCKY

Well, here we are starting a new year of school. We have been very busy since school started September 17 in cleaning up old business and discussing activities for the year.

We have started a very intensive pledge drive this year. We will lose quite a few members in the Senior class at the end of this year, and we are looking to the future. We hope to take in at least fifteen new members.

Our first smoker of the year is scheduled for Monday, October 8. We plan on having the usual entertainment and refreshments, in addition we have a film of the Kentucky vs. Mississippi State football game to show to our prospective members. From all indications, it proves to be a very interesting smoker and we feel sure that our guests will be very impressed.

We are planning on a Christmas Dance for December 7 at the Seelbach Hotel. A committee has been set up to get a band and complete arrangements with the hotel and as soon as everything is set, we are going to open up with an extensive advertising campaign.

Thanks to high grades and the draft tests we did not lose a single man to the Armed Forces. Although one of our 1951 graduate members, Bob Benton, joined the Air Corps after he successfully completed the State Board. I'll try to get his address to pass along in the next issue of THE MASK.

I guess that takes care of just about everything for this time. See you in the next issue of MASK.

Fraternally,

HAROLD L. SCHMALHAUSEN, *Historian*

## CHI—UNIVERSITY OF ILLINOIS

The school year began with a sad note because of the loss of Dr. Hugh Davis, who passed away August 17. The fraternity will always remember him as an outstanding man and a fine person.

The event we have been waiting for is now past. Paul Thompson and Mildred Lozar walked down the aisle of St. James Church in September. We wish them all the happiness in the world. Congratulations are due Jack Mitchell and his wife Betty on their recent addition of a baby girl to their family. James Pisano, pledge chairman, is busy these days arranging smokers for prospective pledges. Fremont Schneider and Harry Jablonski, graduates in '50, are now affiliated with E. R. Squibb & Sons and Sharp & Dohme, respectively. Good luck to both of you.

The list of officers in the A.Ph.A. Student Branch is again dominated by Kappa Psi men. It includes Paul Tufo, president; Robert Reiser, vice president; and Edmund Schmidt, treasurer. The university can rest assure that the activities of the student branch will be successfully performed.

Something new has been added to further strengthen the bond between our collegiate and graduate chapter. This addition is a news bulletin, published quarterly, to supplement the information contained in THE MASK. Its first edition was enthusiastically received by Charles J. Thiel, Satrap of Province IV, our close and dear friend.

We at Chi Chapter are making the Kappa Psi Convention in December a must on our calendar. It will be a privilege and a pleasure to meet our brothers from across the country.

Fraternally yours,

EDWARD KOZIOL, *Historian*

## PSI—UNIVERSITY OF TENNESSEE

The Psi Chapter is under the leadership of its new duly elected and installed officers. They include: Harry K. Burnham, regent; Marion M. Bain, vice regent; Charles M. Warren, secretary; Billy J. McNutt, treasurer; Robert F. Wilhite, chaplain and Thomas L. Walden, historian. W. H. Hassler will serve as faculty advisor for the new year.

In July the members and their quests were entertained at a buffet supper and dance. The entire program was planned by George Jones. Each member agreed that the food was excellent and the program was outstanding.

The brothers of Psi Chapter are looking forward to the annual dance held during the fall quarter each year. The dance is given in honor of the new pharmacy students at the University of Tennessee.

We are indeed happy for the Psi Chapter members who will receive their degree in December. Our only wishes are that they have a great success in life and that they continue their interest and support for Kappa Psi.

The officers of the All Students Club at the University are chosen from each of the schools at the Memphis division. This year the School of Pharmacy furnished the Vice president to this group. To represent the pharmacy school a brother of Kappa Psi, Charles M. Cowden was chosen. This is an example of popularity of our brothers in the Memphis division.

Let's all make plans to attend the Kappa Psi Convention this year. The success of the convention will depend on the attendance and support of its members. Let's make it the best yet.

This concludes a brief summarization of Psi's recent activities.

Fraternally yours,

THOMAS L. WALDEN, *Historian*

## OMEGA—RUTGERS UNIVERSITY

Omega Chapter extends to the brothers of Kappa Psi wishes of health and good fortune and looks forward individually and at least partially collectively to seeing and meeting its unknown brothers in Detroit at the Convention.

And since there will be much to talk of then about the mutually known convention and little to talk of between us as individuals and individual chapters, we shall before then read of you and tell you now of us.

During the summer, through a sequence of mail-crossed letters, misplaced phone numbers, and a finally arranged meeting, the Kappa Psi Joint Fund of whose purpose of providing a loan fund and collecting house monies we wrote in the June MASK, was officially created. At that finally arranged meeting the Fund's other two Board Members, Graduate Brother Hyler and Collegiate Brother Sciarrone elected Graduate Brothers Bill Pfeiffer and Al Wick president and vice president respectively, and Tully Speaker of the Collegiate Chapter, secretary-treasurer.

On the evening of October 1 and in the morning of October 2, the Graduate and Collegiate Chapters welcomed the Pharmacy College's new Dean, Roy Bowers from New Mexico to New Jersey by stuffing him and themselves with stuffed turkey and by wreathing him and incidentally themselves in cigar smoke at the Four Hills Restaurant. It is true, that Dean Bowers took over the duties

of his new position in mid-July, but because of the Summer vacation and the late opening date of Rutgers University this year, the dinner in his honor was delayed until the first evening of the third week of school.

Dean Bowers in an after dinner speech by means of a technique of using unelaborate words and simple constructions said a good deal about colleges and Kappa Psi in a very short time.

Grand Council Deputy Smith was Master of Ceremonies. Regent Sciarone of Omega Chapter briefly reviewed Omega's plans for the year. Regent Delius of the Graduate Chapter conducted a meeting remarkable for its brevity after the meeting.

After the speech making the fifty-eight brothers present broke into smaller groups and carried on the celebration until various remembered and some rather uncertainly remembered times.

Other than that, there is little else of news in Omega. So until the Convention and the next MASK issue Omega repeats its greeting via,

TULLY J. SPEAKER, *Historian*

### BETA DELTA—ALBANY COLLEGE OF PHARMACY

Another college year is well on its way to completion. To most lower classmen it probably seems as though a long and tough campaign were ahead. However upon looking back over their completed studies, they will find that their collegiate days are but a small episode in their careers in respect to passing time. I therefore believe that during this short but immeasurably valuable period in one's effort to better himself that every Chapter Brother should strive to reach his peak in scholarship as well as to increase his friendships and demonstrate his brotherhood.

The first Chapter meeting of the college year was held by Beta Delta on September 25, 1951 at 7:30 P.M.; Doug Stone, Regent, presided and James Ludlum, Treasurer, issued his report. It was voted that membership dues remain *status quo* for this college year.

The Chapter was found to be on a sound financial basis; a party for those upper classmen presently interested in becoming members was proposed by Marc Guy. This proposal was agreed upon by the other members. Following preliminary arrangements to be executed by Bob Myers, Harry Spaulding, and Bob Johnson, it was decided that a definite date be set for the party at the next Chapter meeting, October 9.

The Budget Committee was appointed consisting of: Doug Stone, Chairman; Gerald Carter, James Ludlum, Bill Peterson, Harry Spaulding, Bill Garlock, Francis DiLascia, Nicholas Demchak, and John Breault. A general discussion followed concerning those items pertinent to the budget. This discussion gave the Budget Committee members an insight as to the over-all wishes of the Chapter members. The Budget Committee's report is expected to be submitted for a vote at our next meeting.

A general discussion showed great interest in endeavoring to realize one of the Chapter's major goals—to some day have a "house." There was therefore keen realization that each year substantial funds must be set aside for this purpose.

I wish at this time to acknowledge all the nice letters that Beta Delta received from the various Chapters that were in attendance at the Province I Convention held last May in Albany, New York.

It was certainly this Chapter's very great privilege and pleasure to be host to our many neighboring Fraternity Brothers.

This writing will find the college year on the threshold of the holiday season, with the long first quarter behind. I hope everyone has an enjoyable time during the holidays.

Fraternally yours,

JOSEPH G. MOUNT, *Historian*

### BETA ZETA—OREGON STATE COLLEGE

Another school year is in progress and things are in full swing here at Beta Zeta. All of the members have returned from points north, south, east, and west for another year of work. After a summer of working in a store it is a bit difficult to settle down to school work.

Regent Carl Shefcheck recently passed cigars to his classmates, in honor of the arrival of a new daughter. Mother, baby, and even Carl are doing nicely.

At the end of last year we were endeavoring to find some means to encourage scholarship in the school. Several awards have been definitely decided upon, and a committee is investigating the situation further. By sponsoring various awards we hope to raise the standard of scholarship at the School of Pharmacy here, in keeping with the aims of our organization.

The first meeting of the current year was held in the Pharmacy Building on September 30. Plans for Homecoming, which is October 19 and 20, were discussed. It has been the custom to have a banquet on Homecoming weekend, and usually there are a number of alumni present. Brother Adamski and his committee have done an excellent job on Homecoming arrangements. Letters have been sent to alumni members inviting them to share in the festivities. The Portland Graduate Chapter has been invited also. A banquet, with a dance following, is planned.

Fraternally,

W. L. CLAXTON, *Historian*

### BETA KAPPA—UNIVERSITY OF PITTSBURGH

Beta Kappa Chapter held its first meeting of the fall term on September 27, and a general discussion of the plans for this year's program followed. The first fraternity function was the operation of a display booth at the freshman smoker, held at Stephen Foster Memorial on the University campus. Most school fraternities were represented. Beta Kappa's theme was the professional aspects of pharmacy, and it drew much attention.

Our chapter is fortunate to again have the services of Dr. Edward Claus as faculty advisor and we are appreciative of the work he has done in the past. It is his, and our opinion that this will be one of the best years Beta Kappa has enjoyed.

Several of our group made the trip to the alter this past summer. Among them were Dave Cowdrey, Bob Fry, and our Regent, Chuck Mosca. Other members who have done well for themselves are Ray Jackson, elected president of the Junior class, Bill Fisher, elected treasurer of the Junior class, and Bill Karlheim, elected secretary-treasurer of Druids men's Honorary fraternity.

Bernie Ivanschultz, our own authority on legis-

lative procedure, has been made editor of the *Pitt Capsule*, pharmacy school newspaper, and it is hoped that he will have great success.

We would like to take this opportunity to congratulate our last spring graduates, all of whom successfully hurdled the State Board exam and are now making their way in the pharmacy field and the armed services.

Fraternally yours,  
FRANK MCKNIGHT, *Historian*

## BETA LAMBDA—UNIVERSITY OF TOLEDO

Beta Lambda Chapter held their first meeting of the new school year at the Ft. Meigs Hotel, September 27. Plans were made for the coming semester, and committees were appointed.

Among the events planned for the year are: a party for the alumni members to be held soon after Christmas, a dinner dance, a series of smokers, and pledge parties.

The first smoker, held in the honor of the prospective pledges, was held October 4. The turnout was quite large with a large number of sophomores attending.

The pharmaceutical sorority, Kappa Gamma, is planning a party for the members of Beta Lambda to be given November 8. The boys are looking forward to the outing with great anticipation.

Since the last news-letter was written, two of our members have entered the Armed Forces. They are: R. J. Moulder in the Army, and Kenneth Reis in the Navy.

Toledo's Kappa Psi members are looking forward to a successful and enjoyable year.

Fraternally yours,  
JOSEPH T. CAPPELLO, *Historian*

## BETA XI—UNIVERSITY OF NORTH CAROLINA

The beginning of the fall quarter finds Beta Xi located in a new chapter house at 117 West Rosemary Street. Several of the thirty-four brothers returned a week early to get the house in shape. After several days of painting and general house-cleaning we've about got the job completed. Our new home is a three story brick house with seventeen rooms. Twenty-seven brothers are living here.

Initiation of six pledges will take place October 17, bringing our membership to forty. The brothers-to-be are Jack Friday, Graham King, Bob Smith, Clarence Fisher, William Frostick, and Billy Murray. We are proud to have these men with us.

Rush week for new men in Pharmacy School is to be from October 15 to 22. During this time we hope to get several good prospective brothers pledged.

Brother Tom Kostic recently passed out cigars announcing the birth of a baby daughter. Also Brother Olin Welsh who finished last June now has a new son. Congratulations to you both!

At the first chapter meeting this fall Brother James S. Greene was awarded the Reggie Ferrell Athletic Award for his outstanding work in representing the chapter in intramural sports last year. This fall we have football, track and golf teams entered in competition.

Brother Gene Hackney has been selected to represent the School of Pharmacy on the University Dance Committee. Our secretary, Brother Steve Perrow, already serves as chairman of this organization.

We've been happy to welcome back several old grads on football weekends this fall. These include past Regents Ben Collins and Ernie Rabil, Tommie Collier, Dave Claytor, Bill Jordan, Dave Overton, Harry Wilson, Bob Collins, Larry McAllister, Olin Welsh, Dale Shepherd and John Gresham.

Several of us are looking forward to the National Convention in Detroit. We'll see you then.

Fraternally yours,  
EARL T. BROWN, *Historian*

## BETA OMICRON—UNIVERSITY OF WASHINGTON

With the fall quarter under way we of Beta Omicron have our sights set on a full year for Kappa Psi. At the business meeting recently the following objectives were placed before the members:

1. increased membership (June graduation took 28 of our 49 members),
2. more active social life,
3. closer contact with the alumni chapter (which is very active in Seattle),
4. working in conjunction with the A.Ph.A., and
5. increased information on our profession through movies and talks by graduated members.

Also on the fire is an apprentice training program whereby, with the aid of the alumni, students may obtain part-time experience in stores. More about this plan later.

Dr. Louis Fischer is, for the second year, in charge of the Community Chest Drive for the University of Washington campus. This is in addition to his duties as First Grand Vice Regent of Kappa Psi, Beta Omicron's advisor, in charge of all entrance to the College of Pharmacy, and Professor of Pharmaceutical Chemistry. And we seniors think we're busy!

Fraternally yours,  
MARVIN THOMAS, *Historian*

## BETA PI—STATE COLLEGE OF WASHINGTON

As we haven't had time to get rolling this semester, there isn't much news and, consequently, this will be short.

The summer wasn't too eventful for Len Howell. Len was working on the remodeling job in progress on the First National Bank when he fell from the roof. He suffered a broken back and a shattered heel. After spending all summer in Sacred Heart hospital in Spokane, he has recovered enough to attend classes with the aid of crutches.

Bill Molsenbocker and John Weekes attended ROTC summer camp at Ft. Lewis, Washington.

Hubert Christiansen and Donna Knapp were married shortly after the close of school last spring.

Gene Harris and wife are the parents of a boy born September 22. Gene is vice president of A.Ph.A. this year.

Alumni news: John Rohal is working in Ontario, California. Ike Minata and Joe Thompson are working in Spokane. Jim Lovitt and Jerry Lust are lieutenants in the Air Force and are stationed at Larson Airbase near Moses Lake, Washington. Ed Harrington, who is employed in Ellensburg, was in Pullman for the WSC-California game.

On October 9, seven men became Kappa Psi members. Our new brothers are Jim King, Harlan Bruner, Vern Abrahamson, Earl Workman, Bob Young, Don French, and Victor Moriyasu. Initiation was held in the Orton room of Holland Library.

The results of the election held October 11 are as follows: Regent, Len Howel, Vice-regent, Charles Sears, Secretary, Denny Yashuhara, Treasurer, Dallas Matkin, Historian, Willis Brunelle, Social Chairman, Gordy Fitzgerald, and Alumni secretary, Gil Nikaido.

Fraternally,

DENNIS MONTAGNE, *Retiring Historian*

### BETA SIGMA—NORTH DAKOTA STATE COLLEGE

Greetings from Beta Sigma Chapter in Fargo, North Dakota. Well, graduation and the draft have really thinned our ranks. About 40 percent of our active group graduated last spring. However, with the start of a new term came the beginning of a campaign to promote more interest in our meetings and activities, and to replenish our membership.

On September 23 a banquet was held at the Graver Hotel in Fargo for the purpose of acquainting our prospective pledges with the brothers of our chapter. The evening was highlighted by Dean W. F. Sudro's speech, which gave a bird's-eye view of fraternities in general, but specifically Kappa Psi. Later in the evening the crowd adjourned to the chapter house. Thus, after a week of formal rushing Beta Sigma Chapter has emerged with a fairly large class of new pledges.

Three new members have joined our ranks already this year. On September 30 Marvin Wall and Skippy Lloyd of Bismarck, North Dakota, and Glenn Berg of Felton, Minnesota, were initiated and welcomed into the brotherhood of Kappa Psi.

At our first meeting this term we elected Don Krueger as House Manager, replacing Bob Gagnon. Bob was called to active duty by the local Naval Reserve Unit during the summer months. Having been Regent and House Manager during his three years with our chapter, Gagnon's absence is really noticed by all.

#### PERSONALS:

Congratulations and best wishes to Brother James Hegvik and Miss Colleen Skaar, who were married on June 23 in Kenyon, Minnesota.

Congrats also to Brother Clarence George and Miss Peggy Beuchler, newlyweds since June 24.

Brother Wayne Wolf was recently engaged to Miss Rosamond Rausch of Fargo. Also engaged are Brother Dave Olson and Miss Winona Anderson of Fargo.

That's the news for now from Beta Sigma. Our best regards to all.

Fraternally,

ROBERT MCCONNELL, *Historian*

### BETA UPSILON—BUTLER UNIVERSITY

Once again we here at Butler begin our studies for another year. The past summer has brought many changes to the College of Pharmacy. The main one being the move from downtown Indianapolis to the Butler campus. The building still has some work to be done on it but classes are being held in what may well be the most modern Pharmacy school in the country.

There is much feverish activity by the chapter to keep in stride with this advance and we are making many plans for the coming year. However, for the most part these plans are in the formative stage. The chapter lost many members through graduation and our first consideration is that of building our membership. Everyone hopes that this will be a banner year for Beta Upsilon.

Well, until there is more news here's wishing everyone a very successful year.

Fraternally yours,

IRVINE WILLIAMS, *Historian*

### BETA PHI—CINCINNATI COLLEGE OF PHARMACY

We of Beta Phi Chapter wish to extend our very best wishes for the new year we have just begun, to all our Kappa Psi brothers everywhere.

Several good ideas and lots of hard work have been combined to try and make this one of the best years Beta Phi has ever known. On October 3, our first formal business meeting of the year was held at the Hotel Gibson, in downtown Cincinnati. The meeting was opened according to the new ritual, and the results were most pleasing. In an effort to accomplish even greater efficiency than has been had in the past, the following committees were formed: Scholarship Committee—Irvin Singer, Bill Gerding; Election Committee—Edwin Kinker, Joseph Santon; Auditing Committee—Lee C. Weber, Don Schwieterman, Gerald Garrett; Functional Committee—Leo Hall, Bill Gerding; Installation and Ritual Team—Rodger Backhus; Interfraternity Relations—A. D. Echert; Fund Raising Committee—Robert Werner, Carroll Marinelli, John Williams, Harold Thaxton; Graduate Chapter Organization—George Lampke, James Spoon.

Preparations for rushing are already underway. Our first rush smoker is to be held on November 8. Pledges for the first semester will be taken from the sophomore, junior, and senior classes, while the freshmen will not be pledged until the second semester.

Plans are also being made for a costume dance, to be held about the middle of November and everyone is anxiously looking forward to it.

Well there is plenty to keep us all busy until the next time we meet, so here is hoping that all will go well with you until then.

Fraternally yours,

GERALD GARRETT, *Historian*

### BETA CHI—DRAKE UNIVERSITY

Classes convened September 17, here on the Drake Campus, and with that the Beta Chi Chapter immediately set about the process of acquiring new pledges and members. This was of utmost importance, because the June 1951, graduating class had seriously depleted our ranks. Twelve brothers acquired their sheepskins in June and about 12 remained to carry on.

The first two meetings of this semester were spent in planning a smoker for prospective members. The smoker itself was a huge success. Forty prospective members, faculty members and Brothers of the Beta Chi Chapter were on hand at the Hotel Kirkwood, September 26, for an evening of fellowship movies and refreshments. Dr. Schumaker of the Still College of Osteopathy and Drake University gave a short talk in which he complimented the Pharmacy Fraternities on their co-

operation and good fraternalism at Drake. Faculty members present were: Dean Benton, Prof. J. Earl Galloway, Dr. Granberg and Arnold Marcus, all of Drake University. Vice Regent Ivan Bohrer officiated very capably in the absence of our ailing Regent, Louis Sullivan.

The efforts we put into the smoker indeed bore fruit and at our regular meeting, held on 7 future members, a bunch of fellows of them. In the Drake pledge will be a decoration of appreciation and giving first place for three years.

Brother Ralph is gradually Lackland Air Force is a commission soon.

es so far this of Beta Chi to wish all the best of luck

, Historian

UNIVERSITY

Dear Brothers:

Well, three weeks of school have gone by, and after the turmoil of registration and new schedules, we have settled down to the general routine of school work.

Congratulations are in order for some of our graduate members. Mr. L. Stezzi, '48, Mr. C. Kumkumian, '44, Mr. J. Marlino, '43, and Mr. F. Hughes, '49, received their Master of Science Degrees at the June commencement. Brother Hughes is currently studying for the doctorate at the University of Wisconsin, and Brother Stezzi is doing the same at Georgetown University. A few of our undergraduate brothers also are worthy of a pat on the back for their excellent scholarship. Brothers Vincent Pollack, a sophomore, and Robert Singiser, a senior, both had a straight "A" average for their freshman and junior year respectively. They will each receive Asklepeios keys at our October meeting.

Brother Sabol has left to study pre-medicine at Dickinson College. Best of luck in his new endeavor. Received word from Brother Spears the past week. He is now serving in the Air Force and is stationed in California. Brother Stan Cover is also serving in the United States Army, and we hear rumors of others who are in the armed forces.

Brothers Caputi and Sherman were married recently and Brother Gene Gwynn reports that he is now the proud father of a baby girl.

Here at Beta Omega, we started the year with a bang. We held a joint meeting and social on the evening of September 27, and it proved to be very successful. Everyone present had a good time talking over their ventures during the summer. Several graduate members were also present including Brothers Davelli, '51, Fullaway, '51, Hinkle, '50, and Steve Fedec, '50. Brother Fedec tells us he has already opened his own store right

here in Philadelphia. Lots of luck from Kappa Psi, Steve!

Hoping that with God's will this will be our most successful year ever, I remain.

Fraternally yours,

VINCENT ROGILIANO, Historian

## GAMMA GAMMA—UNIVERSITY OF TEXAS

The Gamma Gamma Chapter opened the fall semester this year with even greater enthusiasm than that closing the spring semester. At last, after much planning and hope, we now have a chapter house!

While a few of us were vacationing during the hot summer months, the majority of the members managed to sweat through summer school and find a suitable house too. Their choice was one to make all of us very proud.

The house is a large two-story structure finished in Cadet Gray and trimmed with natural limestone. Limestone pillars flank the stairway leading to the terrace and entrance. The lower floor includes the chapter office and council room in addition to the livingroom, diningroom, kitchen, bedroom, and bath. A circular staircase leads from the parlor up to the upper floor consisting of five bedrooms, two sleeping porches and the bath. The

operation and good fraternalism at Drake. Faculty members present were: Dean Benton, Prof. J. Earl Galloway, Dr. Granberg and Arnold Marcus, all of Drake University. Vice Regent Ivan Bohrer officiated very capably in the absence of our ailing Regent, Louis Sullivan.

The efforts we put into the smoker indeed bore fruit and at our regular meeting, held on October 3, 1951, a pledge class of 17 future members was formed. They are a grand bunch of fellows and we expect great things of them.

All attention now is focused on the Drake Homecoming, and every member and pledge will be up to their eyebrows in preparation of appropriate Pharmacy-Homecoming decorations and schemes. We have high hopes of taking first place again this year, which will mean three years straight.

We received correspondence from Brother Ralph Feyh (June '51), and found that he is gradually getting accustomed to army life at Lackland Air Force Base in Texas. Brother Feyh is a corporal now and is expecting a commission soon after basic training is completed.

This about concludes the activities so far this fall from Beta Chi Chapter, but we of Beta Chi would like to take this opportunity to wish all the chapters throughout the nation the best of luck through the coming year.

Fraternally yours,

HUGH E. WOODY, *Historian*

### BETA OMEGA—TEMPLE UNIVERSITY

Dear Brothers:

Well, three weeks of school have gone by, and after the turmoil of registration and new schedules, we have settled down to the general routine of school work.

Congratulations are in order for some of our graduate members. Mr. L. Stezzi, '48, Mr. C. Kumkumian, '44, Mr. J. Marlino, '43, and Mr. F. Hughes, '49, received their Master of Science Degrees at the June commencement. Brother Hughes is currently studying for the doctorate at the University of Wisconsin, and Brother Stezzi is doing the same at Georgetown University. house has accommodations for twelve members and is completely furnished. A lot of hard work and cooperation has made another dream come true for the Gamma Gammas! Kappa Psi has gained new distinction on the campus here since it is the only professional fraternity with a chapter house.

The house was not the only new addition to our chapter, since we acquired sixteen new additions at our last initiation. Those who survived the informal initiation were Reed Collins, Jerry Nobles, Gene Trott, Wayne Trott, Ferdinand Willmann, Dewey Godwin, Seborn Woods, Turner Gassaway, Edward Hiller, Donald Ferguson, Charles Spangler, James Herring, Allan Hanretta, Bill Carter, Charles Taylor, and Robert Allison. The formal initiation was held at the chapter house, and after the initiation the new members were honored with a buffet supper.

Now we are all looking forward to a year even greater than last year. The last few weeks of the spring semester seemed to be the busiest of the year. We were honored with a visit from the Grand Secretary-Treasurer Ray S. Kelley and his wife. The welcoming party presented Brother Kelley with Texas Stetson and proceeded with the entertainment. A steamboat ride up the lake and a picnic, followed by a formal banquet the next day, filled the agenda for the weekend. Everyone thoroughly enjoyed Brother Kelley's visit, and we are all looking forward to another visit from the national office this year.

Another event to remember was the Kappa Psi float in the annual Round-Up Parade. This float was the first one ever entered representing the Pharmacy School. Work went on through the night and until parade time, but the float was finished and widely praised. All of these things leave quite a challenge for this new year.

The first answer to this challenge was met by the All Pharmacy Formal sponsored by the Gamma Gammas, to promote fellowship in the College of Pharmacy and to welcome the new pharmacy students. The formal dance was held at the Crystal Ballroom of the Commodore Perry Hotel. We had a big turn-out and everyone had a big time!

As we look to a successful year here at the Gamma Gamma Chapter, we are wishing you all a most successful year in school and in Kappa Psi. Our welcome mat is always out, and we are looking forward to seeing our brothers from other chapters at our newly acquired house at 2610 Wichita.

Fraternally yours,  
JOHNNIE SACARIS, *Historian*

### GAMMA DELTA—OHIO NORTHERN UNIVERSITY

The Brothers of Gamma Delta began the new school year with a roster of 33 men. On September 13, a smoker was held to welcome freshman pharmacy students to the campus. Brothers Raabe, Smith, and Jongward spoke to the group on the importance of Pharmacy and the relation of Fraternity life to a college student.

Three brothers of Gamma Delta enlisted in the service during the summer. Donald Rahrig enlisted into the Air Corps, Donald Brysacz into the Army, and Ralph Cole into the Marine Corps. Brothers Cole and Brysacz along with Brothers Milo Wellington, Charles Schaeffer, Al Curry, Fred Pedrosa, Kenneth Hilty, Rudy Kozan, Mel

Scheck, Dick K'Meyer, and Joe Pata successfully passed the State Board Examination held last June.

Brother Verne Haugen and Miss Barbara Brewer were married during August in De Graff, Ohio and Brother Bob Lehman and Miss Sally Lay were married last June in Wooster, Ohio. Our congratulations and best wishes to them.

A great deal of work has been done on the house this fall. One of the biggest improvements was the remodeling of the kitchen and pantry. The walls and ceiling were painted, new shelves were built, and a new milk cooler installed.

Gamma Delta House During Homecoming at Ohio Northern.

On Wednesday evening September 26, a formal pledging ceremony was held for twenty-two men. The new pledges are: Ronald Taylor, Donald Smith, Tom Wiely, Harold Hayden, William Cooper, Frank Aruta, Layton Brinkmeier, John Houglan, Dennis Irons, James Karch, Otto Michaelis, Angelo Minardi, Porter Crumb, Marlin Rosencrans, Phil Pata, Anthony Columbus, Perry Patsiavos, and Dick Maines.

Homecoming, October 6, at Gamma Delta was, as usual, a great occasion. We were glad to see so many Alumni return and share in the festivities with us.

Our fleet runners again won first place in the annual interfraternity pushmobile race. This is our fourth straight victory and adds another big trophy to our ever growing display. The Fraternity House was decorated like an ancient castle. A huge Northern Polar Bear was standing on the drawbridge defending the gates from the assault of the "Olivet Comets," of Michigan, who were Ohio Northern's opponents in the Homecoming football game. All of the Brothers and pledges pitched in to build the decorations. After the game an Alumni banquet and meeting were held. Election of officers for the coming year was held and the results were as follows: John Kobus, president; William Warner, vice president; Robert Hardy, secretary; John Skelly, treasurer; new trustees are: Lou Asman and Harold Winkler.

In the evening many of our guests danced to the music of Clyde McCoy and his orchestra at the annual Homecoming Dance in Taft Gym. Everyone had a fine day, meeting old friends and renewing old acquaintances, and we are sincerely looking forward to seeing them all again.

Fraternally,  
WILLIAM R. MCCARTHY, *Historian*

### GAMMA EPSILON—UNIVERSITY OF NEBRASKA

Gamma Epsilon Chapter as yet is resting on its laurels acquired at the annual pharmacy banquet last spring. These were acquired from the presentation of a variety show including a burlesque of a dark ages alchemist and his assistant preparing their potions to be taken for a multitude of diseases including Hadacolosis and athlete's foot. Besides this the "chorus girls" gave a fine song and dance. Senator LeBlanc, alias Brother William Ross advertised his wares using testimonials from Ben McYork from Ashland, Nebraska, and Dr. H. G. A. B. C. D. O. Holck.

We are happy to announce that the following members received their licenses in June: Kenneth Davis, Lawrence Helser, Emory Holloway, Robert Luchsinger, Rollin Mead, George Pinney, Donald Rutt, Robert Waters, and Fredrick Wefso; all of whom have assumed work more or less permanently with the exception of Brother Robert Waters who plans to enter the University of Nebraska College of Medicine in January. Brother Tom Harley was accepted into the University of Nebraska College of Dentistry and began work there this fall. He plans to finish his pharmacy education soon. Brothers Leland Lucke and Lyle Hall will complete their State Board Examinations following the completion of their experience.

At the spring Pharmacy banquet, Brother Leland Lucke was honored with Superior Scholarship from the University of Nebraska. Others honored with high scholarship from the University were Brothers Lawrence Helser, Marvin Kohll, Richard Murray, Gale Demaree, and Warren Ellison. Robert W. Waters and Leland Lucke were nominated to Sigma Xi. Lawrence Helser, Leland Lucke and Richard Murray were elected to Rho Chi. American Foundation for Pharmaceutical Education Scholarships were granted to Brothers Lawrence Helser and Richard Murray. Lincoln Drug Scholarships were awarded to Brothers James Cox, Leland Lucke, Rollin Mead, George Pinney and Fay Whitla. Regents Upperclass Scholarship was granted by the University of Nebraska to Brother Gale Demaree. Brother Marion Reis was granted the Frankforter Award by the ROTC Department.

Last May a special initiation was held to activate two fine pledges, Kenneth Davis who graduated in June, and Kieth Deuel who was pledged earlier.

We plan to initiate our new pledges soon. As usual a dinner will be held for the graduating seniors next January.

Fraternally yours,

GALE DEMAREE, *Historian*

### GAMMA IOTA—UNIVERSITY OF BUFFALO

Gamma Iota Chapter is opening the school year enthusiastically, expecting a bigger and better fraternity year.

We are all happy to be back and already have planned several events, including dances and parties with the other Pharmacy fraternities.

The biggest event of the year, socially, will be our first annual "Kappa Psi Mardi Gras," a costume ball to be held November 2, 1951 in the Student Union Building. The event will be open to all students and faculty of the University.

A partial résumé of the program planned in-

cludes dancing, the crowning of a king and queen followed by a cascade of serpentine and balloons to add to the carnival setting, refreshments, entertainment and an unmasking ceremony.

We believe that an innovation of this type, at the University, by members of the School of Pharmacy will awaken the entire University to the fact that many of the Pharmacy students are

New Officers of Gamma Iota Chapter for 1951-52. Back Row L. to R. Peter Shakarjian, Chaplain; Fred Wickes, Secretary; Charles Hoff, Treasurer; Vito J. Latin, Historian. Front Row L. to R. Dr. John Kleber (faculty); Vito Perrielli, Regent; Dr. Leroy Keagle, Grand Council Deputy. Not present: Herbert Reiman, Vice-Regent.

active despite the academic load that they carry. We also want to show that, although Gamma Iota has been reactivated for only one year, the chapter is an active part of the University and is here to stay.

First semester rushing is now underway and plans for our rush party have been completed. This shall be one party that the School of Pharmacy will remember. Several excellent entertainers have been contracted for the evening and the "new prospects" are in for a good time. Preferential elections should see Kappa Psi the first choice of many future pill-rollers who are interested in being fraternity men.

As usual we are devoting a substantial part of our time in the interest of Professional Pharmacy. Our members are outstanding in scholastic achievement and in extracurricular activities at the University of Buffalo.

We extend our best wishes to all the chapters of Kappa Psi.

Fraternally,

VITO J. LATIN, *Historian*

### GAMMA OMICRON—UNIVERSITY OF OKLAHOMA

Greetings from the College of Pharmacy, located on the campus of the University of Oklahoma.

After electing new officers at the close of last semester, we are looking forward to a very successful year. We have adopted new bylaws which we hope will raise the standards of our chapter.

After the last graduation our chapter was reduced to about twenty active members. Our greatest problem at the present time is to reorganize and increase our membership. We are holding a "Smoke" at which time we will attempt to impress upon the potential members the many advantages of belonging to Kappa Psi.

A new policy has been adopted by our chapter which will stress ritual meetings in the future. By careful budgeting the chapter will own a complete set of regalia within five years. This will be accomplished by setting aside one hundred dollars per year.

We have set aside a scholarship to be awarded yearly to a non-member on the basis of need and scholastic ability. We are also holding a drive throughout the entire school for 100 percent membership in the A.Ph.A.

With these few thoughts in mind and regards from our chapter I remain.

Fraternally yours,

BILL KOTKES, *Historian*

### GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

We are proud to report that just a few weeks ago ten new members were taken into our chapter. These new Gamma Pi members are:

Seniors:

Wesley E. Evertz, 929 N. 25th, St. Louis, Ill.  
Joseph A. Greco, 2517a Mullanphy, St. Louis, Mo.

Juniors:

Jack C. Atwood, 4936 Laclede Ave., St. Louis, Mo.

John T. Clayton, 1923 E. Grand Ave., St. Louis, Mo.

Ken W. Filla, 4530 Parkview, St. Louis, Mo.

Ben Hesselberg, 7537 Parkdale, St. Louis, Mo.

Bernard Hohman, 4239 West Pine, St. Louis, Mo.

David F. McCarthy, 338 East Adams, Kirkwood, Mo.

Sophmores:

George R. Chura, 3149a Osago, St. Louis, Mo.

Norman B. McKenna, 3815 Westminster Pl., St. Louis, Mo.

Preparations are now being made by our chapter for the forthcoming Province Convention which is to be held October 27. We plan to have a luncheon at the College and a banquet at the Forest Park Hotel that evening. I am sure the Convention will be both enjoyable and enlightening.

The green twining vines covering the College have begun to wilt which means our fall semester is in session. Many of our brothers have expectations of graduating this coming February. With a renewed amount of energy, which was obtained during our weekend off between semesters, I'm sure all will come through with flying colors.

Well, I guess that is all the news for the present. In closing I would like to say, KEEP IN THERE PITCHING FELLOWS.

Fraternally yours,

FRANK P. SKAGGS, III, *Historian*

### GAMMA RHO—UNIVERSITY OF NEW MEXICO

Gamma Rho Chapter at the University of New Mexico is continuing to grow in stature and qual-

ity along with our splendid new College of Pharmacy out here in the Southwest. We wish to extend congratulations to our new members: Jack D. Enns, LeRoy Carlisle, Paul G. Cannon, Frank B. Garcia, Keith A. Hinrichs, Carter A. Hinrichs, Charles (Chappo) Pray, Joseph T. McMahon, John L. Swentsel, Duane L. Aldous, Edward Alloway, Spencer C. Platt, James C. King, John Weaver, and Therald Tennyson, Jr. Congratulations fellows, we wish you the best of luck and we hope you enjoy being a member of our fraternity.

The beginning of this school year has seen both sorrow and joy for Gamma Rho. We were sorry indeed to lose the guidance of our brother in Kappa Psi, Dean Roy A. Bowers, who recently accepted the deanship at the College of Pharmacy in Rutgers University. We were fortunate in gaining a new friend and brother in Kappa Psi, Dr. Elman L. Cataline, who accepted the position as Dean of the U.N.M. College of Pharmacy. Our chapter has indeed been fortunate in gaining Dr. Cataline as our faculty sponsor, as well as being able to welcome a "regular guy," into our group.

At the first meeting of Gamma Rho, plans were made for the Fall Smoker for the Men of the College of Pharmacy. Regent Miller gave formal recognition for a "job well done," to all those concerned with the planning and the execution of the Spring Banquet. We had a very successful banquet, and the dance afterwards contributed greatly towards that success. Gamma Rho hopes to do just as well, if not better, this coming spring.

In closing, we of Gamma Rho wish to send our heartiest congratulations to our Kappa Psi brothers who were recently graduated this past June, and who are now practicing their profession. We also wish, as always, to extend a warm hand of friendship to all of our undergraduate brothers in Kappa Psi.

Fraternally yours,

JAMES L. FRASER, *Historian*

### GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Gamma Tau Chapter begins the new academic year with a membership of twenty-four after losing from the active ranks by graduation the following Brothers: Albert S. Bilski, Thomas C. Brown, Jack R. Chocola, Lyndon J. Gump, William R. Hodge, James R. Lipkey, Walter W. Miller, Francis J. Mulhall, Louis N. Nobel, and Dominic J. Vicino. In addition, Brother Henry W. Lawlor was called into the armed services when his National Guard unit was activated.

The Korean conflict has not left Brothers of Gamma Tau, our student body, and the faculty without sorrow. Vice Regent Ed Faith's brother, Lt. Col. Don C. Faith, Jr., was killed in action and awarded the congressional medal of honor posthumously for his "brilliant, tenacious and heroic leadership" on the battlefield. Pfc. Charles Gass, a student of our University and brother of Jane Gass Speaker, our former assistant professor of Pharmacology, was also killed in action on the Korean front. Gamma Tau offered a special mass at the Shrine of the Most Blessed Sacrament Catholic Church. The chapter attended this service in force. Occasions such as these and others have given our chapter an opportunity to prove its solidarity and brotherhood spirit and have given the chapter an incentive to strive for perfection

in the pursuit of Kappa Psi objectives.

On the lighter side of our summer activities, the chapter had a buffet supper at the home of Brother Dominic J. Vicino in honor of Brother Jack R. Chocola, who was presented on this occasion with the Kappa Psi Scholarship Key for his outstanding scholastic record. The attendance record of this affair gave additional evidence of the high esteem in which Brother Chocola is held by his chapter. Recognition must also be tendered to three graduate Brothers who on every invitation respond enthusiastically. Graduate Brothers Warren L. Johnson, Clyde G. Johnson, and Wilson K. Bressler have seldom missed our events and have contributed to their success. We wish for the coming year that more graduate brothers would take an interest in our fraternal activities and possibly find in them an incentive to organize and install a graduate chapter of their own.

Our present plans are to hold a banquet just after initiation of new members sometime prior to the Thanksgiving holidays.

Our preparations for the Detroit convention are going ahead, and we hope to see many Kappa Psi brothers there to exchange new ideas and gain strength for our common goal.

Fraternally yours,  
GUNTHER K. KESSLER, *Historian*

### GAMMA UPSILON—UNIVERSITY OF ARIZONA

Graduation last May saw a number of our members leave the collegiate chapter. Those graduating were: J. A. Robbins, J. Suite, R. Ragle, F. Feldhusen, N. Geiger, B. Walker, J. Martin, R. DiDominico, J. Donaldson, A. B. Clark, D. Campbell, R. Laos, M. Reich, R. Robson, G. Steele, W. Stier, and T. Sierra. J. Robbins one of the graduates is now in the graduate school.

Our first pledge class of this year will be initiated October 21. The new members will be: Gaston Connell, Alan Guttman, Merle Harper, Frank Lyall, Jack Cole, and Dr. Sherwood. The initiation will take place in the new million dollar Student Union building that has just been completed.

The Union provides an excellent place for meetings and has kitchen and entertainment facilities available to groups using the building.

Robert Stanek and Morton Reich are the winners of Jeweled Kappa Psi pins presented each year by L. J. McKenna and C. M. Nielson to the two men in the chapter having the highest scholastic standing. Morton Reich was graduated last May, while Robert Stanek will be graduated in May 1952.

A new secretary and a historian have been elected to fill the vacancies left by secretary Vin DeBenedetto and historian Gordon Poer. Vin was one of the unfortunates to be drafted and Gordon was unable to continue on as historian. Byron Ward was elected to fill the secretary's office and Ward Guilbert was elected as historian.

Dr. W. R. Brewer, pharmacognosist, is our new Grand Council Deputy. He was elected to fill the vacancy left by the resignation of our past GCD G. Benner Kelly. Gamma Upsilon is grateful to Brother Kelly for his work in organizing the chapter here at Arizona, and for his guidance and help as GCD since our installation a year and a half ago.

Fraternally yours,  
WARD GUILBERT, *Historian*

### GAMMA PHI—UNIVERSITY OF GEORGIA

This fall quarter of 1951, finds Gamma Phi entering into its first full year of college life. Since our birth among a flurry of telegrams, air-mail letters, and telephone calls during the latter part of last May, we are at last beginning to make progress that is gratifying to each of us. With the end of what has been a long hot summer for most of us, we are able to begin work with a new interest in our chapter of Kappa Psi.

Even though we lost a large percentage of our Charter Members, by graduation this past June, we anticipate an ever growing chapter. Plans are already under discussion which will allow us to receive some new members by winter quarter.

During our first regular meeting on September 27, 1951, we discussed some of the future plans for our chapter. These plans included some of the work to be done by several of our committees, who are always a vital part of every organization. The dates for our regular meetings were also selected. Since our membership cards had not been received before the end of the spring quarter, they were distributed by our secretary, Brother George H. Lipscomb.

In as much as we are still in our infancy, we have much to learn. We feel, however, that we can not help but succeed with the advice of our very capable facultate members.

Gamma Phi would again like to thank each and every chapter for the warm reception with which we were received into Kappa Psi.

Fraternally,  
JOHN C. MATTHEWS, *Historian*

### CHICAGO GRADUATE CHAPTER

After several difficult years, Chi-Graduate is starting to roll. On June 6, of this year the annual election of officers was held with the following results: Regent, Edward A. Ksiazek; Treasurer, Calvin E. Eckstrom; Secretary, Walter J. Sauerberg. We also elected Brother Edmund E. Kietzer as corresponding secretary and Brother Harry Jablonski to fill a vacancy on the board of trustees.

At our next regular meeting, September 19, two movies were shown. One by Eli Lilly and Company and the other by Sharp and Dohme. At this meeting voting took place to decide on delegates for the National Convention. Brother Charles Thiel (Satrap of Province IV) was unanimously elected as the delegate from Province IV and Brothers Roberts and Hedde as delegates from our chapter.

The annual chapter picnic was held in Thatcher's Woods on September 9 and despite rather cool weather a goodly number of brothers and their families were present. The married men slaughtered the single men in a thrilling exhibition of how not to play softball. There were games, prizes, refreshments and a good time was had by all.

We have an exceptionally fine collegiate chapter here in Chicago and their latest contribution to our growing chapter is a quarterly news letter which is being sent to both graduate and collegiate members. The first edition was very successful and quite capably edited by Brother James Gibson and Brother Ray Varzhabedian. One half of the expense is being footed by the graduates and all brothers are urged to send any news item to the Frat house at 614 S. Ashland Ave.

Our next meeting will be a Sunday Supper to be held on November 11 at the Illini Union Building. We can be sure of excellent cuisine and a very interesting speaker so I would like to urge all brothers who can possibly do so to attend.

On August 18, Kappa Psi lost a great man and a well loved brother—Dr. Hugh Davis passed away—I know we will all miss him.

We are still fortunate to have use of the fraternity house which is being maintained by the collegiate chapter. The house will have to give way to the great new university building project in the near future so a building fund has been established. The latest contribution to this fund was a check for \$1,000—proceeds of a dance held last March by the combined chapters.

So long and thirty.

Fraternally yours,

W. J. SAUERBERG, *Secretary*

### COLUMBUS GRADUATE CHAPTER

The Columbus Graduate Chapter sends "Greetings" to all Kappa Psi and hopes that Kappa Psi everywhere will have a highly successful year.

The Chapter has just had its first meeting of this school year at which much enthusiasm and sincerity was shown all of which helps to make a good Chapter. Brother Raymond Stricker, the retiring Regent, gave the reins to the new Regent, Brother Lloyd Chapman. The Chapter appreciates the fine work done by Brother Stricker last year and is looking forward to the very promising and stimulating year under Brother Chapman.

A great deal of business was discussed, several committees appointed and the program for the next three months outlined. Two social affairs are planned with Xi Chapter: a picnic this November, and a dinner-dance this December.

As a project for this year the Chapter is undertaking to publish a news letter to be sent out to Kappa Psi graduates of Xi Chapter and other Kappa Psi members in this area. It is hoped that we can build our membership of the Chapter up by this means.

Fraternally yours,

JACK L. BEAL, *Historian*

### CONNECTICUT GRADUATE CHAPTER

The members of the Connecticut Graduate Chapter hope that this letter finds all of the brothers enjoying health and happiness during this Fall season.

A very interesting business meeting of our group was held on Wednesday evening, September 19, at Lenny's Restaurant in Bridgeport. A good turnout was on hand and we definitely find our rotation system of holding meetings in different cities to be a successful plan. Much credit must be given to Brothers Martin Plukas, Frank Sciuto, and Tullio Lancia who did a magnificent job of arranging this meeting and providing a buffet lunch at the close of the meeting.

Regent Al Criscuolo presided and many important topics were discussed. Plans are in process to hold our next meeting on November 14, on the University of Connecticut campus. This should be a gala meeting, because it will be the first time that we will have met at Storrs, the new home of the College of Pharmacy.

There is nothing more to report except that I wish to state that Brother James Miller has re-

placed Brother Bob Doane as Pharmacy Inspector in our state. Bob has opened a beautiful new store in Centerbrook, Connecticut.

Fraternally yours,

DANIEL A. CAMILLIERE, *Secretary*

### CONNECTICUT GRADUATE CHAPTER

A year of stepped up activity of the Connecticut Graduate Chapter ended on June 13, with one of the highlights of the year—the annual banquet for the graduating members of Nu Chapter, of the University of Connecticut College of Pharmacy. Held this year at the Colonial House, Hamden, about thirty graduate members sat down with our new

Graduates of Nu Chapter, entering Connecticut Graduate Chapter, are in the front row. Left to right, Brothers Lancia, Walker, Kelleher, Kevorkian, Reilly, O'Toole. Graduate Chapter members are in the background.

associates. All could not be present, for a number of reasons, but we welcomed into membership Brothers Louis Fiochi, Michael Bergantine, William Faraclas, Gene Gresh, William Kelleher, Archibald Kevorkian, Tullio Lancia, Donald McGlooin, Carl Massaro, George O'Toole, John Reilly, Marko Spatzuzzi, John Sullivan, Clifford Walker, and Hipolet Winalski.

Also at this dinner, ably arranged by Brother Frank Sullivan, a check was presented jointly by Brothers John Basile and Kelleher to Dean Hewitt of the College, culminating a joint drive by the two chapters for a gift for the new college building. This will be a display case in the lobby.

It was announced also that Brother Kelleher was one of the three top men in the 1951 Class of the entire University and will be the recipient of the Scholarship Key.

Brother Hewitt reported on the progress of building at the campus in Storrs, Conn., and announced that the college will move, during the summer, from New Haven to the University site. Thus, as has been hoped for many years, Kappa Psi activities in Connecticut can be built around a campus unit.

Connecticut Graduate Chapter has been active during the past year, as has been reported by Secretary Camilliere, with his notes on the individual meetings, in past copies of *THE MASK*. Under the leadership of Regent Alfonso Criscuolo, Vice Re-

Brother Basile (Graduate Chapter) and Brother Kelleher (Nu '51), presenting check for display case in lobby of new Pharmacy Building to Brothers Hewitt, Dean and Johnson of the University of Connecticut College of Pharmacy.

gent Edmund Goodmaster, Secretary Daniel Camilliere, Treasurer Edward Burt, Grand Council Deputy A. A. Maier, Chaplain Frank Bonelli and Historian Frederick B. Holt, Jr., the chapter will continue to hold meetings every other month throughout the coming school year. Planned for November is a meeting with the collegiate chapter at Storrs to enable us to inspect Kappa Psi facilities and the new Pharmacy College building. Meetings are now being scheduled on an alternate basis for the three major cities of the state—New Haven, Hartford and Bridgeport. We will also continue our aim to support the collegiate activities.

It has been reported that the following brothers are in their country's service: Al DeLouise, New Haven; John Wynne, Bridgeport; Al DeCarli, Bridgeport; Walter Lindborg, Regent, Nu Chapter, '49-'50; Abel Tangerone, Hartford.

Brother Neil Russo, '39, recently graduated from Georgetown Medical School. We wish him every success.

Fraternally,  
F. B. HOLT, JR., *Historian*

## PORTLAND GRADUATE CHAPTER

The activities of the Portland Graduate Chapter have not been great since the last report, the only event being the Kappa Psi luncheon held at the Gearhart Hotel on Sunday, June 17 in connection with the Oregon State Pharmaceutical Association annual meeting. For the first time this luncheon supplanted the breakfast which we have held for many years. We were fortunate in having a very good attendance including a number of the Brothers from over the State that do not get in for our regular quarterly meetings also men from the active chapter at Oregon State and as special guests faculty members of Beta Zeta including Dean George Crossen, Fred Grill, R. S. McCutcheon and Herman Forslund who is also Province Satrap. Quite a few stayed over for the entire convention taking in the various meetings and social activities such as surf bathing, golf, cocktail parties, dinners and dancing. Plans

are well under way for a resumption of the Fall and Winter meetings with a special plan for an increased membership.

Fraternally,  
L. V. HENDRICKS, *Historian*

## SEATTLE GRADUATE CHAPTER

The Seattle Graduate Chapter is just completing a very successful year. We opened our first meeting of 1951 in January with the following new officers: Ed. Sawyer, regent; Paul Browne, vice regent; Rudy Rosenquist, treasurer; and Jack Strom, secretary. The highlight of this meeting was a talk by Doctor Sims, M.D. of the King County Health Department on the aftermath of an explosion of an atomic bomb.

For our February meeting, we had a talk on Pharmacy by Mr. Thompson of the Inspection Division of the Washington State Board of Pharmacy. In March, the Seattle Group had a social program which included singing, dancing, and a buffet lunch at the Sick's Brewery. Over one hundred members and their wives and friends were present.

The April business meeting was followed by an excellent talk by the King County coroner, John Brill. Our yearly dinner-dance party was held in May at the Inglewood Country Club near Seattle on beautiful Lake Washington. We had many door prizes donated by the leading Drug Wholesalers in the Northwest. Mrs. Strom won the main prize—a Sunbeam toaster donated by Swift and Company. Art Barduhn and his Trio supplied the dinner music.

We opened our fall meetings on September 21, with a talk by Carl Stomberg, M.D., on the practice of medicine. At this same meeting we welcomed nineteen new members into the Graduate Group from the University of Washington's Beta Omicron Chapter.

Our October meeting was next to the last for this year of 1951. At this meeting we welcomed four new pledges: Richard Hougen, Warren Bailor, Emery Gustofson, and John Martin. Also at this meeting we had as our guests: First Grand Vice Regent, Brother Louis Fischer, and Regent Rodney Monsen of Beta Omicron Chapter. Motion pictures followed our business meeting. According to Brother Rosenquist, the Seattle group now has 134 paid-up members.

With the news from the Queen City of the Northwest brought up to date, we close by sending sincere greetings and best wishes to all the College and Graduate Chapters of Kappa Psi and to all our brothers in the armed services.

Fraternally yours,  
JACK STROM, *Retiring Secretary*

## WISCONSIN GRADUATE CHAPTER

This copy of the Newsletter has been delayed pending action on the active chapter's (Beta Chapter, University of Wisconsin) attempts to secure a Fraternity house for use this Fall. After much negotiating and several futile attempts due to lack of funds, the actives have taken over a house on N. Park Street which will accommodate about 26 men and provide a lounge room for their leisure hours. Due to conditions to be explained at our meeting next month, the actives are unable to incorporate this house and run it as a social fraternity.

Acquiring a large house in which the actives

may increase their common interests will go a long way toward creating stronger unity within our Fraternity. As many of you may recall, the Kappa Psi actives of several decades ago moved three times before settling in their house on Langdon St. We have to start somewhere, and it is gratifying to see the interest and work being done by the active chapter to secure a Kappa Psi house on campus.

The students' rooms are completely furnished with beds, dressers, desks, lamps, etc. However, the lounge room which overlooks Park Street and contains a nice fireplace, will have to be furnished for this purpose. The graduate chapter's executive committee (your three elected officers) here advised the actives of our willingness to help furnish their lounge and reading room and have already taken steps in that direction.

Your officers will be happy to hear all recommendations and suggestions relative to this plan at our Kappa Psi Breakfast on September 25.

Pharmacy, as well as any other venture, will prosper in proportion to the amount of effort extended. Why not make Pharmacy your hobby as well as your business? You must love Pharmacy or you would not be making it your life's work! This hobby will really prosper. In grouping your work and hobby into one, Pharmacy will gain, and you along with Pharmacy.

Doctor John Voigt of the University of Mississippi School of Pharmacy strikes at the practical when he says, "Why spend your time, effort, and money at a stamp collection, wood-working bench, or other hobbies at the expense of your real hobby, Pharmacy? You can buy yourself an ointment machine, emulsifier, or tablet machine, and add to your business prestige and prosperity by making your hobby PHARMACY!" A thought well worth evaluating!!!

Faternally,

RICHARD S. STROMMEN, *Secretary-Treasurer*

---

### EXPULSIONS

The following have been expeled on constitutional grounds: Millard Denson, Beta Xi; Max L. Kochkeiser, Xi.
