KAPPA PSI is a member of the Professional Interfraternity Conference, organized in 1928 to encourage high scholarship, professional research, advancement of professional ethics, and the promotion of a spirit of comity among the professional fraternities in the advancement of fraternal ideals.

WHOLE NUMBER 200

A Quarterly Magazine maintained and published in the Interests of the Fraternity, College, and University. Published during the months of January, April, July, and November by George Banta, Official Printer and publisher, 450 to 454 Ahnaip Street, Menasha, Wisconsin. Single copies 75¢; yearly subscription \$3.00.

Entered as second-class matter February 1, 1912, at the post office at Menasha, Wis., under the Act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, paragraph 4, section 429, P. L. & R., authorized September 21, 1918. Printed in U.S.A.

From the Desk of the Grand Regent

Frank H. Eby

THE PROFESSIONAL INTERFRATERNITY CONFERENCE

One of the most important of the national fraternity conferences is the Professional Interfraternity Conference commonly known as PIC. Kappa Psi Fraternity is a member of this conference and the following brief sketch is presented in order that our new members, as well as many of our older ones, may be familiar with the relation of our fraternity to other national professional fraternities and the scope of the activities of Kappa Psi on a national level.

Although many professional fraternities were organized well before the turn of the century, there was no organization or conference of these fraternities previous to March 2, 1928, when the PIC was founded in Washington, D.C. While it was one of the last of the large national conferences to be established, PIC has developed rapidly into a strong, aggressive organization. In order to maintain close and active cooperation between the many fraternities which now compose the conference, regular meetings are held biennially.

Kappa Psi Fraternity represented Pharmacy at the organization of the PIC and for many years was the only representative of the profession in the conference. In recent years Kappa Psi members have had an active part in the affairs of the conference and have participated in all of its meetings. At present our Grand Secretary-Treasurer Ray S. Kelley is a member of the Executive Committee and Treasurer of the Conference. A number of other members of Kappa Psi are serving on important committees of the conference just as they have been doing for many years. The active participation of our members with the members of other professions has been an important influence in the development of good public relations.

The primary purpose of the PIC is to aid, improve and strengthen the professional fraternities. The conference provides a cooperative organization where their mutual problems may be discussed and means provided for their solution. The conference also promotes the observance of high ideals and ethics on the part of the professional fraternities and it assists in the establishment and observance of high standards on the part of the individual members.

The following statement which appears in the information booklet published by the PIC is significant of the importance of the professional fraternity in the lives of its members:

"If a man lives unto himself, his actions reflect only upon himself. If he is a member of a professional fraternity, his actions are usually considered as being representative of the fraternity and its members. It becomes, therefore, the primary duty of every member to maintain the highest possible code of ethics in order to maintain and advance the standing and respect of his profession and fraternity."

By virtue of its membership in the PIC, Kappa Psi Fraternity is also affiliated with the Interfraternity Research and Advisory Council (IRAC) and the National Conference of College Fraternities and Societies (NCCFS). Brother Ray S. Kelley is an official representative in both of these organizations.

IRAC is one of the main lines of defense of the fraternity system in America. It has been responsible for combating unfavorable publicity in the public press, and discrimination against the fraternity system. It has also been active in promoting favorable publicity and better public relations in behalf of all fraternities. IRAC has been vigorous in its efforts to expose the evils of communism where it attempts to invade the campuses of our American colleges and universities.

Kappa Psi Fraternity is proud to be a part of the PIC and the other national organizations devoted to the development of a better and stronger fraternity system.

Questionnaires Pose Problem*

Questionnaires, addressed to undergraduate chapters of men's and women's fraternities, have become more than a nuisance, according to NPC and NIC officials. Among those appearing in the mail last spring were some seeking opinions on which Greek-letter organizations "rate," and others asking for an expression of preference between "spiked punch" or "pancakes" at fraternity breakfasts. Investigation of the sources of these survey forms has, in some instances, disclosed an intention to use the responses in publicity ridiculing and discrediting college students and their organizations.

National Panhellenic Conference member organizations have entered into an agreement seeking to curb frivolous and malicious inquiries, but without impeding bona fide research efforts. Their compact says in part, that "no constitutions will be filed with colleges and universities, or other outside groups, without approval of the NPC Chairman of Research and Public Relations, and no questionnaires, oral or written, answered . . . until such time as such questionnaires have been reviewed by the NPC Committee on Research and Public Relations and information released as to their validity."

National Interfraternity Conference's Executive Committee has also reviewed this problem and adopted a resolution, asking officers of all national organizations to warn their chapters on this matter.

Enrollments to Decline, Then Rise**

Reports of both the American Council on Education and the U. S. Office of Education predict slightly lower college and university enrollments this year. The latter states that a decline of 75,000, to about 2,150,000 students, may be expected. Schools specializing in engineering and the physical sciences, however, may show gains up to about 20%.

After 1952-53, the Council anticipates that enrollments will increase for a period of ten years or more, assuming that present selective service policies on student deferment are continued. Their study reveals that about 57% of entering freshmen are 18½ years old or less, and are so assured of at least one year of collegiate study.

Elementary and secondary school enrollments will reach all-time highs this year, with the former expected to gain 1,596,000 pupils, to about 26,064,000, and the latter 95,000 to 6,263,000. The effects of increased birth rates in the late 1930s will begin to be reflected at the college level next year.

It is estimated that about 265,000 men have now been discharged by the armed services, and there will be an additional 460,000 by 1953. A substantial number may be expected to take advantage of the educational benefits of the 1952 Veterans Readjustment Assistance Act, but the full effects will not be evidenced until 1953-54, according to Dr. Earl J. McGrath, U. S. Commissioner of Education.

The new G. I. bill provides that payments be made directly to veterans—\$110 a month to those without dependents, \$135 to those with one dependent, \$150 to those with more than one. The 1945 version provided \$90 to \$120 for maintenance, plus payments direct to colleges for tuition, up to \$500 a year.

MACEUTICAL EDUCATION

Kappa Psi Salutes the New Deans

During the past year or two a number of Kappa Psi members have been appointed to positions as heads of schools or colleges of pharmacy.

The Fraternity salutes these distinguished Brothers and THE MASK takes pleasure in publishing short biographical sketches of some of these men as well as their photographs.

Haakon Bang, dean of the School of Pharmacy, State College of Washington. Born at Devil's Lake, North Dakota, and received early education in public schools of Spokane, Washington. College education received at State College of Washington, the University of Michigan, and Purdue University. Teacher at the first-named college for considerable time; dean of College of Pharmacy, University of Arizona, 1950-52; appointed to present position this year. Joined Kappa Psi as a member of Beta Pi Chapter.

Roy A. Bowers, dean of the College of Pharmacy, Rutgers University, was born at Racine, Wisconsin. His early education was received in his home city. College training was obtained at the University of Wisconsin; served as teacher there and at the Universities of Toledo and Kansas. He became dean and professor of pharmacy at the University of New Mexico in 1945 and remained there until 1951 when he entered his present position. He joined Kappa Psi as a member of Rho Chapter.

Willis R. Brewer, dean of the College of Pharmacy at the University of Arizona was born at Zell, South Dakota. He attended the public schools at Aberdeen in his home state and later graduated from South Dakota State College. His graduate work was done at Ohio State University and he joined Kappa Psi there as a member of the Columbus Graduate Chapter. He has taught at the Universities of Utah and Arizona, assuming his present position on July 1 of this year.

Woodrow R. Byrum, director of the Division of Pharmacy, Howard College since July, 1952, was born at Phoebus, Virginia. Graduated from Newport News High School and did undergraduate work in pharmacy at the Medical College of Virginia. Graduate work was done at Ohio State University and he joined Kappa Psi as a member of the Columbus Graduate Chapter. He has taught at Ohio State as well as at the Universities of Arizona and Georgia.

Elmon L. Cataline, dean of the College of Pharmacy at the University of New Mexico since 1951, was born in Flint, Michigan. He attended Ferris Institute for one year, and the remainder of his undergraduate and graduate work was done at the University of Michigan. Has taught at the University of Toledo and joined Kappa Psi as a member of Beta Lambda Chapter; later returned to teach at the University of Michigan.

Karl L. Kaufman, dean of Butler University College of Pharmacy, was born at Attica, Ohio and attended public schools there. Undergraduate work in pharmacy was done at Ohio State University and graduate work at Purdue University. He has taught at the State College of Washington, Medical College of Virginia, and Butler University and joined Kappa Psi as a member of Theta Chapter.

Elliott E. Leuallen, dean of Columbia University College of Pharmacy, and a native of Cape May Court House, New Jersey, joined Kappa Psi as a member of Eta Chapter. Undergraduate work was done at the Philadelphia College of Pharmacy and Science. Graduate work was completed at the same institution in 1947. He has taught at the American University of Beirut, Philadelphia College of Pharmacy and Science, and Columbia University.

Stanley G. Mittelstaedt, assistant dean of the School of Pharmacy at the University of Arkansas, is a native of Connell, Washington. Undergraduate education in pharmacy was obtained at the State College of Washington where he also joined Beta Pi Chapter of Kappa Psi. Graduate work was done at Purdue University and he has taught pharmaceutical subjects at the University of Texas.

Jack E. Orr, dean of Montana State University School of Pharmacy is a native of Delphi, Indiana. He attended public schools there and later graduated from Purdue University; joined Pi Chapter of Kappa Psi. Advanced work was done at the University of Wisconsin. Teaching positions have been held at Ohio State University and the University of Utah. He was a member of the original pharmacy faculty at the latter institution.

Tom D. Rowe, dean of the College of Pharmacy at the University of Michigan, and formerly Second Second Grand Vice Regent of Kappa Psi, is a native of Missoula, Montana. Attended the Universities of Michigan and Wisconsin as well as Montana State University. He has taught pharmaceutical subjects at the University of Nebraska, Medical College of Virginia, and Rutgers University; was dean at the last-named institution from 1946-51. Appointed to present position in 1951.

Curtis H. Waldon, dean of the Detroit Institute of Technology School of Pharmacy, is a native of Rochester, Minnesota and attended public schools there. His pharmaceutical education was obtained at the University of Minnesota. He has served on the faculties of Purdue University and Montana State University; dean of the latter institution from 1946 to 1951. He was appointed to his present position in 1951.

Still Another Questionnaire!*

Fraternity men are now being polled by a New York agency which calls itself the American Institute for Recognition of "Fire and Ice."

Along with a zany list of questions, the pollsters want the names of "a few of the fair sex who epitomize Fire and Ice."

"You may squirm; you may rebel," declares the accompanying letter.

Interfraternity leaders, increasingly nauseated by the flood of cheap and malicious questionnaires directed to undergraduates, hope the recipients will do just that: reply with "icy" silence; confine this and similar "surveys" to the "fire."

* From *IRAC*, Nov. 4, 1952.

You Should Know . . .

CARL T. DURHAM who has been a member of the United States Congress from North Carolina for seven terms, was born in Chapel Hill on August 28, 1892. He entered the University of North Carolina in 1917 and there joined Beta Xi Chapter of Kappa Psi. Congressman Durham has practiced retail pharmacy in his home city for twenty-nine years. He has served as city councilman, school board member, county commissioner, and university trustee, and is well known as co-sponsor of the Durham-Humphrey bill.

In the National House of Representatives he has also been vice chairman of the Atomic Energy Committee and third-ranking member of the Armed Services Committee. Mr. Durham is a member of the A.F. and A.M., the American Pharmaceutical Association, the National Association of Retail Druggists, and the North Carolina Pharmaceutical Association.

You Should Know . . .

CHARLES F. GILSON, owner of a retail pharmacy at Centredale, Rhode Island for thirty-six years before retiring in September of 1951, was born in Providence on May 2, 1892. For many years he has taken a very active part in affairs pertaining to pharmacy in his own state, in New England, and nationally. Mr. Gilson graduated from the Rhode Island College of Pharmacy and Allied Sciences in 1910 and was awarded the honorary degree of doctor of pharmacy by the same institution in 1927. He became a member of Kappa Psi when he joined Beta Epsilon Chapter.

Among many offices held has been the presidency of the National Association of Retail Druggists. At present he is associated with Dr. P. J. Pesare, director of Medical Services in the Department of Public Welfare of the State of Rhode Island.

You Should Know . . .

ELBERT W. GIBBS, member of Kappa Chapter and now the president of the National Association of Retail Druggists, was born in Hanceville, Alabama on July 2, 1893. He studied pharmacy in Birmingham and at the Southern College of Pharmacy in Atlanta, Georgia. For many years Mr. Gibbs has been actively engaged in the practice of pharmacy in Birmingham and is past president of the Birmingham Retail Druggists' Association. He is also past president of the Alabama Pharmaceutical Association and the Alabama Board of Pharmacy. At present he is secretary of this same board.

Other organizations of which Mr. Gibbs is a member are the American Pharmaceutical Association and the National Association of Boards of Pharmacy.

From the Desk of the Grand Secretary-Treasurer

Ray S. Kelley

A hearty welcome to our Collegiate Chapters as they resume activities for the college year 1952-1953. Many of you have already planned your programs for the entire year. Your activities are numerous and diversified, but underlying all of these activities we find the true spirit of Kappa Psi brotherhood which extends a "hundred hands" to assist in every endeavor that is for the good of your college and local communities. It is upon this foundation of strong and worthwhile programs that we build an ever better Kappa Psi.

Millicent Taylor, Education Editor of the international newspaper, *Christian Science Monitor*, stated in a recent editorial, "Signs of civic responsibility in college students, where in the past the tradition was rather an over-emphasis on puppyish tomfoolery, are always encouraging. The university campus is not the irresponsible place it once was. . . . One of the best moves in the direction of student growing up is the substitution of 'Help Week' for 'Hell Week' by the fraternities." The editorial then lists examples of such "Help Week" activities. These include aid to individuals; to the College and to various welfare agencies, hospitals and clinics where man hours were given to painting, repair work, washing walls and windows. In conclusion, Mrs. Taylor writes, "Remember how a squad of meek fraternity pledges used to turn up at the women's dormitories at your university each fall to scrub the steps with toothbrushes? It was on the puppyish side, to say the least, was it not? What a different attitude toward college men and their organizations this carrying forward of 'Help Week' inspires! And what encouragement to self-respect and civic responsibility it must give the students themselves!"

Report on Membership. As of November 1, 1952 we have 1242 Collegiate Members reported by the Collegiate Chapters. This makes a total of 18,721 Kappa Psi Brothers.

Province Assemblies should be scheduled before May 15, 1953. Province II has recently held an Assembly in New York City. Province III has one scheduled for the very near future while Province I Assembly is already scheduled for Hartford, Connecticut on May 9, 1953. What about the Assemblies for Provinces IV, V, VI and VII? Write to the Satrap of your Province asking him to plan for an Assembly and give him your loyal support in carrying forward his plans.

The National Convention is scheduled for December 1953. Where should it be held? This question must be answered within the next four months. Is your Chapter—Graduate and/or Collegiate—willing to assume the responsibility as the "Host Chapter"? Please let us know very soon.

We know that you join us in our congratulations and appreciation to Grand Regent Eby and Grand Ritualist Wurster for their excellent work in making the Pledge Handbook a reality. This Handbook is published in a temporary bound form and copies are being submitted to the Collegiate Chapters for their use and constructive criticism. We feel that it satisfies a long-felt want and will prove of great value in our Pledge Programs.

The Holiday Season is almost upon us. We, at the Central Office, extend a sincere wish that each of you may enjoy a very Merry Christmas and a New Year of genuine happiness.

Dr. Claus, President of Pennsylvania Academy of Science

Dr. Edward P. Claus, Grand Council Deputy of Beta Kappa Chapter at the University of Pittsburgh, has recently been elected president of the Pennsylvania Academy of Science. A native of Pittsburgh, Dr. Claus received a Ph.G. degree in 1929 and a B.S. in Pharmacy in 1930 from the University of Pittsburgh School of Pharmacy. He began teaching at his Alma Mater after graduation and continued graduate studies in the field of Biological Science earning a M.S. degree in 1935 and a Ph.D. in 1940. He left Pittsburgh in 1944 to accept the position of associate professor at the University of Puerto

Rico College of Pharmacy where he taught pharmacognosy and pharmacology. During his year's stay on the Caribbean island, he studied the allergenic and medicinal plants of that sub-tropical region. The next year he became a faculty member of the University of Illinois in Chicago serving the College of Pharmacy as assistant professor of botany and pharmacognosy and acting as botanist for the Allergy Unit of the College of Medicine. In 1946 he returned to the University of Pittsburgh School of Pharmacy as professor of pharmacognosy which position he holds at present having charge of the undergraduate and graduate courses in Pharmacognosy and Bacteriology.

A member of Beta Kappa chapter since 1927, Brother Claus also belongs to the Pittsburgh Graduate Chapter. He has served Beta Kappa chapter as Grand Council Deputy for many years and currently is a member of the Scholarship Committee of Alpha Chapter. His activity in pharmaceutical circles is evidenced by the fact that he has been chairman of the Committee on Kilmer Prize of the American Pharmaceutical Association for the

past two years, and was co-chairman of the Committee on Local and Student Branches recently. In addition, he was secretary of the Plant Science Seminar from 1947 to 1952 and at present is secretary-treasurer of the Conference of Teachers of the American Association of Colleges of Pharmacy.

In other fields Brother Claus is also an ardent worker being a member of the Herbarium Committee of the American Academy of Allergy and chairman of the Pollen Committee of the Pittsburgh Allergy Society. He is a fellow of the American Association for the Advancement of Science and is a member of other scientific and professional societies.

His publications include a number of papers both scientific and educational as well as a Laboratory Manual for Pharmacognosy. Other fraternities besides Kappa Psi to which he belongs are Rho Chi Society, Phi Sigma Society, and Sigma Xi.

Province I Assembly Being Planned

A Province I Assembly is being planned for Saturday, May 9, 1953. This meeting will be held at the Hotel Bond in Hartford, Connecticut.

Details concerning final plans will be announced in future issues of THE MASK.

PERSONALS*

Second Lt. **Franklin W. Heisler** (Pi Chapter), son of Mr. and Mrs. G. W. Heisler, 821 E. Ninth St., Rochester, Ind., is serving at the Army's Nahbollenbach, Quartermaster Depot in Germany.

The depot is one of the large Quartermaster supply points for U.S. forces in the European Command. It is located in the French Occupation Zone of Germany.

Lieutenant Heisler, an admission and disposition officer in the 7th Evacuation Hospital, entered the Army in June 1951 and arrived in Europe in August 1951. He is a graduate of Purdue University.

The Remington Honor Medal, pharmacy's highest award, will be given to **Patrick Henry Costello**, of Chicago, Illinois, Secretary of the National Association of Boards of Pharmacy and Secretary of the American Council on Pharmaceutical Education, according to an announcement issued today by the American Pharmaceutical Association. According to custom, the medal will be presented at a dinner meeting of the New York Branch of the A.Ph.A., probably in December of this year.

* *Editor's Note:* This office will welcome personal items sent in by or concerning members.

National Kappa Psi Breakfast Philadelphia

On the morning of Wednesday, August 27, 1952, the Seventh Annual National Kappa Psi Breakfast was held in the Clover Room of the Bellevue-Stratford Hotel, the headquarters hotel for the convention of the American Pharmaceutical Association in Philadelphia. By an odd coincidence the number in attendance at this function was the same as for the breakfast held in Buffalo one year before. Those present for the Philadelphia breakfast were:

Darwin F. Aldrich	James E. Dusen-	Ray S. Kelley	Maynard W. Quim-
J. Russell Anderson	berry	Joseph H. Kern	by
J. Russell Anderson,	Frank H. Eby	Earl A. Kimes	Charles Rabe
Jr., guest	LeRoy D. Edwards	Ralph B. Kinross	Louis J. Ravin

KAPPA PSI MEMBERS HONORED AT PHILADELPHIA MEETINGS OF A. Ph. A.
AUGUST, 1952

Newly Appointed Student Members of Executive Committee

John J. Dayton, Jr.
Beta Zeta Chapter

Peter C. Regrut
Xi Chapter

John J. Dayton, Jr., a member of Beta Zeta Chapter of Kappa Psi at Oregon State College, was born in Lead, South Dakota on May 13, 1918. He graduated from Santa Clara, Oregon high school in 1936.

Brother Dayton served in the United States Army during World War II and saw foreign service in Okinawa. In 1949 he enrolled at the University of Oregon as a pre-pharmacy student and one year later entered the School of Pharmacy at Oregon State College.

In addition to belonging to Kappa Psi he is a member of A.F. and A.M., Rho Chi Society, the student branch of the American Pharmaceutical Association, Veterans of Foreign Wars, and American Legion.

Brother Dayton, his wife, and two children, reside at 2403 Mission Drive, Eugene, Oregon.

Peter C. Regrut, a member of Xi Chapter of Kappa Psi at Ohio State University, was born and reared in Cleveland and nearby Parma. In 1948 he entered Western Reserve University and one year later enrolled at Ohio State. While at the former school he joined Sigma Chi Fraternity and did not join Kappa Psi until he entered the latter institution.

Brother Regrut has been very active in student affairs and belongs to Rho Chi Society, the Newman Club, and the student branch of the American Pharmaceutical Association. He has served as Xi Chapter representative to the professional interfraternity council at OSU.

He is greatly interested in chemistry and hopes to pursue graduate work in some branch of this subject. His home is at 4001 Pershing Avenue, Parma, Ohio.

National Honor Roll Supplement World War II Kappa Psi Pharmaceutical Fraternity

The following list of one hundred and ninety-six new names constitutes a fourth supplement to the National Honor Roll of Kappa Psi Pharmaceutical Fraternity made up of the names of members who are veterans of World War II. The original roll was published in *THE MASK* of July, 1948, a first supplement in July, 1949, a second supplement in July, 1950, and a third supplement in July, 1951. With the publication of the following names the total reaches well over three thousand.

Undoubtedly there are others whose names have not, for one reason or another, reached this office. It is hoped that each member will consider himself as a "committee of one" and send in names of those not listed so far. Collegiate chapter affiliations are important and should be indicated whenever names are submitted.

The names of twenty-two Brothers who died in the service have now been published. If you know of any other member or members who lost their lives kindly send that information also.

When additional names accumulate they will be published as another supplement. Please send all communications pertaining to the National Honor Roll to the Editor of *THE MASK*.

Dr. Huyck Joins Staff at St. Louis

Dean Arthur F. Schlichting, of the St. Louis College of Pharmacy and Allied Sciences, has announced that Dr. C. Lee Huyck, former Director of the Division of Pharmacy at Howard College, Birmingham, Alabama, has been engaged to direct the Industrial Pharmacy phase of the graduate program which will be instituted this October.

Dr. Huyck is a widely known pharmaceutical educator, having had some forty-five papers published in the various drug and other science publications. He has a broad educational background both as to his own education and in teaching as well. He received the degree of pharmaceutical chemist from the Albany College of Pharmacy, the degree of bachelor of science in Pharmacy from the University of Buffalo, and the degrees of master of

science and doctor of philosophy from the University of Florida. His teaching experience includes former assignments at Washington State College and Columbia University; since 1947 until recently he had been Director of the Division of Pharmacy of Howard College.

Dr. Huyck has had eight years of experience in the field of industrial pharmacy, having been research chemist in charge of new product development for the William S. Merrell Company and senior pharmacist for Sterling-Winthrop Research Institute.

His memberships in scientific societies and pharmaceutical organizations include the following: American Pharmaceutical Association, American Association for the Advancement of Science, American Chemical Society, Sigma Xi, Kappa Psi, Rho Chi, Phi Kappa Phi, Southeastern Hospital Pharmacists Association, Alabama Pharmaceutical Association, Gulf Coast Pharmaceutical Association, and honorary memberships in the Birmingham Retail Druggists Association and the New York Metropolitan Branch of the American Society of Hospital Pharmacists. He served as the 1952 Chairman of the Section on Education and Legislation of the American Pharmaceutical Association.

Province II Assembly

October 12, 1952

The Province II Assembly was held at John Jay Hall, Columbia University, Sunday, October 12, 1952. Delegates were present from Gamma, Eta, Beta Kappa, Beta Omega Chapters and from the Philadelphia, New Jersey, and New York graduate Chapters. The meeting was called to order by Satrap James Ryan. Regent Frank Wright of Gamma Chapter welcomed the members.

Following the report of the treasurer, Joseph Marlino of the Philadelphia Graduate Chapter, the delegates were seated and committees were appointed by Satrap Ryan.

Grand Regent Frank H. Eby spoke on the "Selection of a Pledge." He stressed the importance of scholarship, character, and professional attitude of those selected for membership in Kappa Psi. A general discussion followed the presentation by Grand Regent Eby.

Willis Gilpin, Regent of Eta Chapter, led the discussion on "Fraternalism and College Work." Many ideas were expressed relative to the importance of maintaining a high standard of scholarship and active participation in class work. It was agreed that in order to stimulate better scholarship, prizes should be awarded by the chapters to their members.

The delegates representing the various chapters reported on the activities of their groups for the last two years.

Short addresses were made by Grand Regent Frank H. Eby and Grand Historian Nicholas W. Feeney who reported on the activities of the fraternity.

After the report of the nominating committee the following officers were elected: Satrap, Joseph Marlino, Philadelphia Graduate Chapter; Vice Satrap, Robert D. Smith, New Jersey Graduate Chapter; Treasurer, Michael Iannarone, New Jersey Graduate Chapter; and Secretary, James Leedy, Eta Chapter.

The meeting adjourned and the members gathered at Rosoff's in downtown New York for dinner.

Credit for a very successful Province meeting goes to Regent Wright and officers of the Gamma Chapter as well as to Satrap Ryan who arranged the program.

Respectfully submitted,

JOSEPH A. MARLINO, *Satrap*

CHANGES OF ADDRESS

Members are requested to help in keeping THE MASK mailing list as accurate as possible.

Include your old as well as your new address. It is suggested that you also state your collegiate chapter affiliation.

Mail your notification directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15, Massachusetts.

Midshipman first class Benjamin L. Frank and Midshipman first class Carl Natter, members of Kappa Psi at the University of Wisconsin, meet on the bridge aboard the light cruiser USS Roanoke during the annual Reserve midshipmen cruise. During the seven-week cruise to Antwerp, Belgium; Lisbon, Portugal and Guantanamo Bay, Cuba they served as part of the crew.

Left to right: Ensign Richard M. Cox, Hospitalman Robert S. Carter, and Ensign Russell D. Leonard. Cox and Carter are alumni of Eta chapter and Leonard is an alumnus of Beta Pi Chapter.

Kappa Psi Scholarship Key and Certificate Winners

Donald S. Flowers—Gamma Sigma Chapter
Home address: 2311 9th Avenue, West Bradenton, Florida

*Donald L. Burkett—Gamma Gamma Chapter
Home address: 505 East 8th, Austin, Texas

* Announced in THE MASK, July, 1952.

Members in the Service

The Editor requests that Chapter Secretaries and others submit to him the names and chapter affiliations of Kappa Psi men now known to be serving in the armed forces of the United States. *Be certain of the accuracy of your information.*

THE AMERICAN NATIONAL RED CROSS

NATIONAL HEADQUARTERS
WASHINGTON 13, D.C.

May 23, 1952

Mr. Maynard W. Quimby, Editor THE MASK
179 Longwood Avenue, Boston 15, Massachusetts

Dear Mr. Quimby:

In appreciation of the fine support you have given the Red Cross, not only at fund campaign time but throughout the year, we are enclosing an award for you and the members of your staff. The material you have published has been of great value in telling the story of neighbor helping neighbor through the Red Cross.

Again, please accept our thanks for your outstanding cooperation.

Sincerely

LOUIS C. BOOCHEVER, *Director*
Office of Public Relations

Chapter Letters

GAMMA—COLUMBIA UNIVERSITY

Gamma Chapter has again opened another school year and is looking forward to a most successful one at Columbia. We wish to extend our best wishes to all the other chapters and that the year just begun will be successful, both fraternally and scholastically, for them also.

The first event on schedule at Gamma is the Province II convention which will be held at Columbia on October 12, 1952 with Gamma Chapter acting as host. Due to the limited membership of Gamma we were unable to arrange a Saturday night social before the Sunday business meetings, but still plan to have a nice time.

After the convention all our thoughts will turn to our smoker which will be held in the latter part of November in conjunction with a New York Graduate Chapter meeting. We are hoping to have the most successful smoker ever, so as to bolster Kappa Psi with the finest men at the college.

Following the pledge and initiation of members the spring term will be here, and the only definite thing on schedule will be Gamma's annual Spring Dance.

We at Gamma do have one unhappy note, though. Because of circumstances beyond our control we lost our chapter treasurer, Sandro Walsh, to the U. S. Army one week after school had opened. All of us at Gamma wish Sandy the best of everything especially luck.

Flash . . . Professor E. E. Leuallen, brother of Eta Chapter, now Dean of C.U.C.P. Lots of luck, Lue.

Warning. . . . Members of Mu Omicron Pi Chapter, Detroit. The C.U.C.P. junior trip, it is rumored will, take us to the far-off lands of Detroit and Kalamazoo, Michigan (Parke-Davis and Co. and the Upjohn Co.) on approximately the 19th of January. Participating in this trip will be a few members of Kappa Psi—please, no bands.

This just about brings things to a close, so till next time,

Fraternally,
WILLIAM J. TILLMAN, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

The first meeting of the school year on October 1 was spent in outlining the chapter's activities for the coming year. One of the events that was planned is the Homecoming Day celebration. The festivities begin after the football game between Minnesota and Iowa on November 1. The Normandy Hotel in downtown Minneapolis is the site reserved for our dinner-dance. The fun will be enjoyed jointly by our present members and the alumni. The celebration was a big success last year and we are all looking forward to a much larger one this year.

Our fall smoker was held on October 7 in

Coffman Union with all pharmacy students invited. The group was entertained by the Upjohn firm which furnished two worthwhile films. One dealt with gel foam and the other film was an interesting account on the heart. Refreshments were served following the movies and a good time was had by all.

Kappa Psi had entered a bowling team in the intramural bowling league this quarter. Rolling time is every Tuesday night.

Luncheons are now being held every two weeks in Coffman Union and help to facilitate our lack of a house.

Fraternally,
DAVEY L. McINNIS, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

With the beginning of a new college year, the halls of the Eta Chapter House have once again been filled. Fresh from the pleasures of the summer vacation, the brothers are looking forward to a full and prosperous year, both socially and scholastically.

Improvements to the house have been carried on throughout the summer. The recreation room which was so recently finished has been enlarged. Also, we have initiated a plan of serving meals this year and have just completed equipping the house for this.

The summer has not brought all happiness to Eta Chapter, however. Two of our most active members, Eugene Gaverish and Earl Prosser, have been inducted into the army. We of the chapter want to wish them luck, and will be waiting for their return. The reduction of our ranks has been filled by the return of James Leedy from the Marine Corps and Edward Arnista from the U. S. Navy. We welcome their return as an aid to strengthening the chapter.

Another addition to our activities is a newsletter which will be sent to the Alumni bi-annually. The editor is Robert Bowen who is doing a splendid job of bringing about a closer relationship between the alumni and the active members of the chapter. At the present we are looking forward to "rushing," and from preliminary reports are contemplating a successful season.

There is no more news at the present, so until the next reporting, I remain,

Fraternally,
JOHN BROWN, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

We at Theta extend our regards to our brothers of Kappa Psi and feel sure that all had an enjoyable and, we hope, prosperous summer and are now prepared to buckle down to the work of the ensuing school year.

Among our summer's activities was the annual

Kappa Psi luncheon sponsored by Theta Chapter at the Virginia Pharmaceutical Association Convention held in Roanoke, Virginia on Monday, June 16th. The luncheon was well attended by graduate members, all of whom voiced the opinion that they would appreciate a closer contact with Kappa Psi than has been the case since their graduation.

The initial meeting of this chapter, for the 1952-53 session of the Medical College of Virginia was held in our lounge on September 15th and plans were formulated for our coming activities. A "get acquainted" open house for the school of pharmacy is to be held Friday night, October 10, at the Kappa Psi lounge. This is the first in a series of parties to enable the members to acquaint themselves with "prospective pledges," and thanks to the faithful work of Brothers Tovar and Morgan the details are being well carried out. (They seem to be well versed in delegating powers, by seeing to it that their wives take care of making some four hundred sandwiches etc.—our "hats off" to Polly and Violet.

Theta is looking forward to a prosperous and eventful year and wishes the same for all its brothers.

Fraternally yours,
HUNTER M. GAUNT, JR., *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

The fall season is with us again and that means back to the books, labs, and headaches. However, most of the boys are glad to be back after a good summer.

Our new year officially opened with a meeting at the Elks' Home in Brookline on Tuesday night, September 30. Under the capable hand of Regent Russell G. Wagner, the meeting progressed smoothly and many things were accomplished.

One of the first items on the agenda was to elect a new First Vice Regent to replace Tony Sinsigall, who transferred this summer to the State University at Storrs in the glorious state of Connecticut. Jack Elder was elected to replace Tony. Congrats, Jack; and the best of luck to Tony while at U. Conn.

After a long debate, it was decided to raise the yearly dues of each member of the chapter. Elaborate plans are being made for our final affair of the year and it was decided that to be able to carry out this affair as planned and to have all of the other monthly affairs, it was deemed necessary to do so. However, everyone seemed to be in favor of this move.

Letters from Grand Regent Eby, Grand Secretary-Treasurer Kelley, and Lt. Bob Gerraughty, U.S.A.A.F. were read. Bob is now stationed at the Miami International Airport in Miami, Florida. Some people get all the breaks, what with the winter season now approaching up north here.

MU MUTTERINGS . . . Brothers Dave Henry and Jim Donahue, members of last year's graduating class, and Brother Paul Levesque have been "appropriated" by Uncle Sam. They are stationed at Camp Pickett. Brother Brenden O'Toole also entered the service during the summer months.

We would like to welcome back Brothers Art Aho, Dick Campbell, and Edwin Harrington who were released from the service and are now back to the grind.

Congrats to Jeremiah Barthelameu Sullivan and Joe Bush, who were elected President and Chairman of Social Affairs, respectively, in the A.Ph.A. Student Branch here at the College. Congrats also to Regent Wagner, who is now Vice President of the Student Council. D. D. Vacca, a Brother who is doing graduate work is president. All in all, our Brothers fared pretty well in the school limelight.

And with this . . . hoping that all the chapters shall have a prosperous school year, I remain

Fraternally,
GEORGE SUSLA, *Historian*

MU OMICRON PI—DETROIT INSTITUTE OF TECHNOLOGY

With the ending of another wonderful summer the school term has again begun. Activities during the past summer were limited for all but a few Brothers who were here at the school. The only social event was a moonlight boat ride to Bob-lo Island in July. All that can be said is that the trip was much too short.

Graduation last May saw a number of our members leave our chapter. Those who graduated were: John Buck, Army; Bill Cooper; Richard Hadad; Norbert Heidenberger, Army; Neil Haggerty, Army; Edward Keat; Jack McKenzie; Joe MacDonald, Army; Tom Neville; Tony Pallermino; Ted Renaud; Jack Runciman; Paul Saylor, Army.

Our first business meeting of this school year was held on September 26, and committees were set up for the coming year. Plans are underway for a school dance and a hayride.

We of Mu Omicron Pi plan to pledge twice this year since the graduation of a great number of our Brothers last May left us with a rather small membership.

Two of our members who left school in 1950 have returned to us for the purpose of completing their studies. They are Brothers James Peters and Russell Spencer which have been serving a hitch in the Navy. Welcome back, Brothers Peters and Spencer.

Three of the Brothers are attending school by way of the Cunningham Scholarship Program. They are Donald Sheridan, Paul Stefan, and Thomas Nicholson. Brother Daniel Harber is working in the organic chemistry laboratory, Brother Robert Hill in the pharmacognosy laboratory, and the writer, Robert Svec, is the bacteriology and pharmacology laboratory.

A very successful wiener roast was held at Belle Isle on October 5. An enjoyable and pleasant time was had by all.

Daniel Harber, Bill Morrisroe, Bob LeFevre, Bob Svec, Rod Regan, and Robert Snoddy have been practicing for intramural basketball and will be ready to take to the floor when the season opens.

I have reached the end of my report and will close, leaving you with this thought:

Do your best! Do your best and you've done everything. Do less than your best and you've done nothing. Think it over. When you do your best nobody can really ask any more than that of you. And you know deep down inside of you that you have not failed.

On the other hand, if you have a job to do and you do less than your best, then you really haven't done right by your job or by yourself.

MU OMICRON PI CHAPTER, DETROIT INSTITUTE OF TECHNOLOGY

Front row: William Morrisroe, Daniel Grzywa, Michael Rand, Robert Gillespie, Robert LeFevre.
Second row: Wells A. Shulls, Dean Curtis Walden, Verne Crandall, H. C. Emmert, Francois Demers, James Ladd.
Third row: Phil Pettinato, Richard Dittus, Clebert Parker, Robert Penhale, Donald Sheridan, William Ardt, Paul Stefan, Joseph Pepters, Russell Spencer, William Peterson, Richard Mears.
Fourth row: Robert Host, Robert Hill, William Greco, Henry Groll, Lyel Ferguson, Daniel Harber, Bronislaus Wrobel, Roderick Regan, Thomas Nicholson, Robert Snoddy, Leon Lukaszewski.
Henry Melton, our faculty advisor, was absent at the picture taking.

Furthermore, when you show that you're trying to do your best at all times you're bound to win the kind of approval from the folks for whom you work that will give you greater job security—and perhaps the chance to advance in the future.

Remember, when you do less than your best you've done nothing.

Fraternally yours,
ROBERT SYEC, *Historian*

NU—UNIVERSITY OF CONNECTICUT

We Brothers of Nu Chapter returned from our vacations expecting to be together in our own house at last this year, but at the present writing we still are homeless, that is, three-fourths homeless. The repair work which was supposed to be finished over the summer is still going on, so only twelve brothers are living in our house at present, with the rest being housed in two adjacent dormitories. In spite of these handicaps, however, our spirit of fellowship remains as high as ever.

Our summer activities were highlighted by the annual picnic at Lake Quassapaug in Waterbury; the attendance was somewhat disappointing, but those present managed to make the day a success; in fact, we even spread our good cheer around by running a free "beer kitchen" for the benefit of neighboring picnickers.

The executive committee held several summer meetings, at which we laid the groundwork for the year's activities. The following committee heads were appointed: Social Committee, Ed Heacox and Jack Smith, co-chairmen; House Committee, Anthony Cacchillo; Publicity Committee, Tom Parasiliti; Elections Committee, Norman Powers; Sports Committee, Don Arzolitius; Judiciary Committee, Bob Keaton; Auditing Committee, Monty Stratton; and Scholarship Committee, Myron Moskey. We also made plans for our dinner dance, and a new event, a spring formal dance.

Getting away from business, we turn to romance and find that Brothers Ray Solomini and Gordon McGuire of the class of '52, and Ed Liska of the class of '54, have taken the marriage vows; we also celebrated two pinnings: Patricia Callahan to John Moran '52 and Virginia Caregnato to Jack Hartman '53.

Although our brothers from the class of '52 are well scattered throughout the state, we have managed to keep track of most of them. Those who are in the retail field and their stores are: Lou Annino, Annino's Pharmacy, Portland; Bob Flynn, Plantsville Pharmacy; John Moran, Ridgefield Pharmacy, New Haven; Dick Roy, Colonial Pharmacy, Farmington; Bill Schofield, James Drug Company, New London; Ed Kazarian, Kazarian's Pharmacy, West Hartford; Mickey Cannata, Liggett's, New Haven; Rocco D'Allesio, Park Lane Pharmacy, Hartford; Bob Castello, Hamilton Pharmacy, Stratford; Gene Lescoe, Lescoe's Pharmacy, Jewett City; Tom Collins, Bridge Plaza Drug, Groton; Jim D'Amato, Pine Pharmacy, Manchester; and at Bovienzo, Walgreen's, Bridgeport.

Bill Wieler has realized his ambition of becoming a salesman, and is now on the road for Burroughs-Wellcome.

Bob Rappa has exchanged his mortar and pestle temporarily for a saw and hammer; he is helping his father build a new house.

Ex-Regent Don Cardelle and Fred Vegliante

are the first of the class of '52 to answer Uncle Sam's call.

Four brothers are continuing their pharmaceutical education. Gordon McGuire is at the University of Minnesota, Bob Meschke and George Cocolas are investigating the charms of the South at the University of North Carolina, and Jim O'Brien is studying Pharmacology here at U. Conn.

Our social plans have been temporarily suspended pending the completion of our lounge, but I hope that in the next issue I can report that we have finally seen our dream of our own house come true.

Fraternally yours,
RAY BENNETT, *Historian*

PI—PURDUE UNIVERSITY

Classes resumed here at Purdue September 22 and so far we have had two meetings. We set up our operating committees for the coming year.

The school hasn't changed much over the summer. One of our brothers has accepted a position on the staff of the University of Illinois school. He is Dale Blackburn. Pi chapter wishes him well in his new capacity.

The senior cord parade has been postponed until the day of the Notre Dame game, October 18. The additional time was put to good use in the construction of the Pharmacy School's float. We are trying for 100% participation in the parade.

Homecoming this year is the Iowa game, October 10. We hope to welcome back many of our alumni brothers.

This year Pi chapter will continue its program of weekly showings of movies designed to foster pharmaceutical education. Two manufacturers have already offered us the use of their film libraries. If last year's reception is any indication of what to expect this year, we will be very pleased.

By the time the next issue reaches you I hope to have a more complete account of the proposed activities for the year.

Pi chapter is eager to receive letters from our alumni. Anyone knowing addresses of our brothers in the service, please notify us. Also any other alumni who would like to renew acquaintance with Pi Chapter write too. Our address is: Kappa Psi, Pi Chapter, The School of Pharmacy, Purdue University, Lafayette, Indiana.

Respectfully submitted,
JAMES VOLKEL, *Historian*

CHI—UNIVERSITY OF ILLINOIS

Hi from Chi with the news hereabouts. Not much has happened during the summer vacation but the opening weeks of school have been murder. You all know the routine, registration, \$3.00 FOR THE EVERLASTING A. Ph. A., books, and moaning fellows.

A couple more fellows got marriage happy this summer and those now possessing new tax deductions are Ben Mack, Gale Haggart, Gil Haggens, and George Black.

A few days ago, October 8th to be exact, we held our first smoker at the house during the two hour lunch time. I'm happy to report the affair was an outstanding success, and the turnout was double that expected. It was a buffet dinner type of an affair with a friendly atmosphere. The food was simple but wholesome. It is now a definite fact that more Kappa Psi men prefer chocolate

cake over any other kind. By having the smoker at lunch time we were assured a maximum number of prospective pledges to be present. Another nice thing, something we should have looked into before, was the presentation of a talk by a well-known Kappa Psi, Dean Serles. Dean Serles stressed the interdependence of the fraternities and universities. It was a thoughtful talk enjoyed by all. I might mention that nearly 100% of the actives turned out; a goodly number of the faculty were present as well as a few graduate members.

I and many others considered the Dean's brotherly, man-to-man talk enlightening and beneficial to the recruiting of new pledges. More important, I believe, many actives gained quite a bit. The talk was calculated to make one think about and realize the wealth of fraternal life. The Dean also stressed the importance of the member's obligation toward the organization, which is something that needs a little stressing now and then. Our many thanks to Brother Serles and the attending faculty.

A few odds and ends to wind up: (1) Dr. Clarke has a new set of glasses! (2) Wisconsin boys of Beta Psi better not crow too loudly about their football team yet! (3) More improvements have been made at the house and everyone is invited to come over and see the results this Christmas; (4) We are still seeking applications for a suitable house-mother—she must meet our qualifications. That's all for now; drop in anytime.

The boys at Chi,
JERRY DONY, *Historian*

OMEGA—RUTGERS COLLEGE OF PHARMACY

It appears that this year Omega chapter is getting off to an even better start than it had planned last Spring, since definite plans were made at the first meeting this semester for at least three major social functions.

Reckoning chronologically, the first of these (and you might have guessed this) is a money-making scheme labeled a hay-dance. Labeling this scheme a hay-dance necessitates explanation of the term hay-dance: and thereby hangs the ticket-selling pitch.

A hay-dance, dear friends, is a package unit of entertainment consisting of an hour hay-ride to a square dance, or, more accurately, several square dances, and another hour's hay-ride back to the starting point. Both benadryl and pyribenzamine will be available free of charge to all hay-fever sufferers as will printed cards informing said hay-fever sufferers that it really isn't the hay, but rather ragweed pollen.

Publicity arrangements will of course include posters, squibs in the student newspaper, straw hats, and a wagon load of money bearing the sign "THAT AIN'T HAY."

The second undertaking of Omega this semester is a joint dinner meeting with the New Jersey graduate chapter at the For Hills Restaurant on October 27. Little business is expected to be transacted, since everyone will be too full with turkey or too busy filling themselves with turkey to worry about agendas.

The third undertaking of Omega chapter is the reinstatement of the Kappa Psi Formal at R. C. P. This dance, prior to the war years was, we

understand, the primary social function of the year at the college, but when the membership of Omega dropped to one during the war years, the dance was quite understandably dropped from the social calendar.

Our hope is to once again initiate this dance and to make it the same sort of social (and financial) success that it once was. Primary planning schedules this dance in the Thanksgiving holiday at a Cocktail Lounge known, for the sake of convenience, as Cal's.

Brother Paul Meer, it should be noted before closing, who has just returned from a too close association with the Navy has taken over the business of captaining Omega's football team and in the first contest of the interfraternal competitions this year, the Omega team succeeded in scoring four more points than the eight scored by Eta chapter of Rho Pi Phi. Further statistics will, if they're the sort we like to talk about, appear in the next letter.

And since there is little else to be said about Omega, I extend Omega's wishes for a Happy Thanksgiving.

Fraternally,
TULLY SPEAKER, *Historian*

BETA GAMMA—UNIVERSITY OF CALIFORNIA

Well September is here again and another school year has started. Beta Gamma Chapter starts this semester with over half of its membership gone, by graduation. Beta Gamma Chapter is now entering its fifth year since its reorganization in 1948; we are hoping for another successful year.

During the summer ten of the brothers got married, they are Ray Neff, Art Imamoto, Jere Goyan, Ray Quon, Julian Williams, Henry Lipson, Albert Gondry, D. David Trager, Charles Ringle, and Dave Wilson. We would like to offer congratulations to these men, and their wives. Brother Art Imamoto seems to have pulled one of the smoothest moves of the summer when he got an attack of appendicitis on the third day of his honeymoon on Catalina Island.

Some of the brothers went "Army" on us this summer and took their six-week training period for R.O.T.C. at Fort Sam Houston in Texas. Despite the heat, bugs, snakes, and superior officers the men seemed to have come out in fine shape. Talking about the Army, all of the brothers who graduated last June and were enrolled in R.O.T.C. are now on active duty, most of the men are back in Fort Sam Houston. We would like to wish these men the best of luck during their term in the Army.

On the evening of October 3, we held our first degree, going through the rituals were, Ken Ballard, Merle Bartel, James Hereyford, Donald Johnson, B. B. Speck, Max Stein, and James Stover. The second and third degree's will be held on the evening of October 18. A dinner and dance will follow the rituals.

Fraternally yours,
HERBERT GREEN, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

Another school year is here, regretfully in some respects, for those of us who are ending our

scholastic endeavors as of June 1953, but joyfully too, as we return to meet again our brothers—most of whom we have not seen over the summer. I would observe at this point that most of my brothers of Beta Delta Chapter have survived the summer well, and are returning to their studies, wearing their fading suntans.

Beta Delta Chapter held its first meeting of the year on Tuesday evening, September 23. At this meeting we discussed some tentative plans for the coming year's program, following a lengthy discussion of the budget, which might well have continued all night, save for the appointment of a budget committee.

We had with us at this meeting as a guest, a new addition to the faculty this year, and graduate of the University of Connecticut, where he was a member of Nu Chapter, Brother Albert White.

For myself and the rest of the fraternity, get-well wishes are extended to Brother George McCarty, who is convalescing at his home in Sidney, N.Y. from the results of a severe automobile accident. We all hope that you will be up and around, George, in the very near future.

Though he was not a member of Kappa Psi himself, I am including in this quarterly letter to THE MASK, the news of the very untimely death of a fellow student, Gerry Carter, for the information of the graduate members, who have graduated in the last few years, and who will remember Gerry for his smile and wonderfully friendly nature. His death was due to complications of an appendectomy.

Two brothers who have been on the staff of the Albany College of Pharmacy for several years, are no longer with us this year. Brother Joseph Pazienza, who was our instructor in dispensing, left us after taking further study at the Albany State Teachers College. Brother Richard Isele—instructor of pharmaceutical economics, has resumed his studies, at Georgetown Dental School, Washington, D.C.

Congratulations and best wishes are extended to Capt. Charles C. Howland stationed at U. S. Army Hospital, Camp Kilmar, New Jersey, who was married to Mildred Evelyn Piggins of Lakewood, Ohio, on September 13, 1952.

And now my Brothers, I close this meager news letter, wishing you all success in your coming labors with the books this year.

Fraternally yours,
GILBERT S. BANKER, *Historian*

BETA ZETA—OREGON STATE COLLEGE

With school so recently started after that somewhat short summer vacation, this letter finds itself short on "NEWS."

The first regular business dinner meeting of the fall semester will be held at the Benton Hotel Tuesday, October 8. This meeting should start the ball of activity rolling at Beta Zeta Chapter.

In writing my last letter I failed to announce the names of the Kappa Psi brothers that were elected to Rho Chi Pharmaceutical Honor Society. They are as follows: Robert Anderson, John Dayton, Philip Hall, Elmer Porter, and James Rodriguez.

John Dayton of Beta Zeta has been appointed to the Executive Committee of Kappa Psi Pharmaceutical Fraternity. We are very happy to an-

nounce that he has accepted this post. We know he will do a fine job.

Harlen Wold, class of '51, has been recently discharged from the Navy, after being recalled upon graduation. He plans to work in retail pharmacy in Bremerton, Washington. He was stationed at the Navy Hospital in Bremerton before his release.

Although our ranks have been diminished by the loss of thirty-one graduation seniors, our Chapter looks forward to having another eventful year. We of Beta Zeta wish that all the chapters have an equally successful school year.

Fraternally yours,
DAVID TALLMON, JR., *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

The fall quarter finds Beta Xi beginning its second year at 117 West Rosemary Street. Brothers Steve Perrow and Rowe Campbell participated as leaders in the orientation of the first year pharmacy students. Several other brothers returned to school early with them to open the house and get it ready for another year. After several days of cleaning the house and yard, we finally got Beta Xi ready for the rest of the brothers to move in.

We have 24 brothers and one pledge, Jerry Rhodes of Robbins, North Carolina, living in the house this quarter.

On Monday night September 29, Beta Xi had its annual rushing smoker for the first year pharmacy students. Fifty-one freshmen attended the smoker.

David Hix, a senior from Harmony, North Carolina, pledged Kappa Psi on October 6th and will be initiated in January with several other pledges.

Brother Earl T. Brown of Beta Xi, has returned to U. N. C. to do graduate work in pharmacy. Two brothers from Nu Chapter in Connecticut, George Cocolas and Bob Meschke, are also doing graduate work in pharmacy here at U. N. C. We welcome these brothers to U. N. C. and especially to Beta Xi.

Wedding bells rang for six of our brothers this summer. Congratulations to Harold Vann Day of Spruce Pine, Jack Friday of Dallas, Tommie Collier of Chapel Hill, Harry Wilson of Winston-Salem, Loy Ray Burriss of Valdese, and Wayne Mitchell of Kinston.

We've been happy to welcome back several grads on football weekends this fall. These include Olin Welsh, Bob Collins, Claude Wheeler, Hubert Rogers, Harold Vann Day, Sam Price and past Regent Ernie Rabil. Ernie is engaged to Bebe Daniels of Winston-Salem. Congratulations Ernie!

Beta Xi is proud to announce that Brother Bill Taylor has been appointed Chief Pharmacist and Instructor in Hospital Pharmacy at the new North Carolina Memorial Hospital here in Chapel Hill. Assisting him is Brother Tommy Collier. Congratulations, brothers!

Brothers Lewis Ferguson, Tommy Burgiss, and Rowe Campbell spent a week's vacation at Daytona Beach, Florida this summer. On their way back to North Carolina, they stopped by Gamma Sigma Chapter in Gainesville, Florida for a visit.

Beta Xi has just completed one of its most successful Rush Weeks. Our pledging smoker was held last night, October 9, with the following men pledging Kappa Psi: James Anderson of Durham, North Carolina; Charles Aycock of Black Creek, North Carolina; Joe Barbour, Jr. and Bob Coleman, both of Burlington, North Carolina, Hugh Farnsworth of Asheville, North Carolina, Wiley Harrell of Virginia Beach, Virginia; James Knight of Columbia, North Carolina; Ed Martin of Reidsville, North Carolina; Bob Matthews of Morehead City, North Carolina; Scott McKeithan of Shallotte, North Carolina; Russell Mitchell of Roseboro, North Carolina; Hoy Moose of Mount Pleasant, North Carolina; Herbie Pate of Clinton, North Carolina; Lionel Perkins of South Boston, Virginia; Wayne Polk of Marshville, North Carolina; Tommy Temple of Zebulon, North Carolina; Phil Thomas of Roxboro, North Carolina; Tommy Richardson of Sparta, North Carolina; and Steve Roberts of Marshall, North Carolina.

Upon the completion of school elections, Kappa Psi is proud to announce that we filled the offices of President and Vice-President in the three upper-classes. Those winning an office are as follows: Bill Murray, president of the Senior Class; Lewis Ferguson, Vice-President of Senior Class; Jimmy Robinson, President of the Junior Class; Clegg Herrin, Vice-President of Junior Class; Ralph Ashworth, President of Sophomore Class; and Ed Jenkins, Vice-President of Sophomore Class.

All of the Beta Xi brothers are looking forward to our Province III Convention to be held here in Chapel Hill in December. Hope to see some of you then.

Fraternally yours,
GRAHAM WHITE, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

Here we are a week into the fall quarter and reminiscing about summer activities. The meeting of friends around the college has begun to subside as we are now getting into the swing of school activities and looking forward to the new year here at Beta Omicron.

We had our first business meeting last Tuesday, October 6, and some of the plans were laid for the coming year. Our first social meeting is to be held Thursday, October 16, at the University Faculty Club. There was considerable discussion concerning prospective pledges from the underclassmen. The date for initiations was proposed for November 20. Plans were also made for a theater party at the Showboat Theater. The entire theater is to be reserved for the party and we hope as many graduate members as possible will be there. Date—Tuesday, January 13.

The faculty of the University of Washington College of Pharmacy was well represented at the A. Ph. A. convention in Philadelphia this summer. Those attending included Dean Forest J. Goodrich, First Grand Vice-Regent Louis Fischer, Dr. Louis W. Rising, Dr. Heber W. Youngken, Jr., Dr. Elmer M. Plein, and Dr. H. A. Langenhan.

Without a doubt, the most important event of the summer for two of our brothers, Frank Finney and Ray Hurley, was their respective marriages. Dr. Elmer M. Plein, our pharmacy professor, also joined the ranks of newly-weds when he married Joy Bickmore, our pharmacy labora-

tory instructor. Joy is now working on her Ph.D. in pharmacy. Some super-pharmacists should result from this union. Our College of Pharmacy was well represented at these weddings and our best wishes are extended for the greatest happiness and success.

Blessed events have recently come to two of our recent graduates, Rod Monsen and Don Kniffen. Congratulations and keep up the good work men.

Dick Kerr, one of our former graduate students, has accepted a teaching position at the University of Colorado. It is reported that he is doing very well and likes Colorado very much. We wish Dick the best of luck and hope to hear from him soon. Dick was a sparkplug in our fraternity and we are going to miss him.

Don L. Kelley who was a sophomore entered the armed service this summer.

In bringing this first letter to a close, the prognosis is for a good year of activities here at Beta Omicron.

Fraternally yours,

WILLIAM E. DODGE, *Historian*

BETA PI—WASHINGTON STATE COLLEGE

Three weeks of this semester are gone, and Beta Pi Chapter has started with a "bang," as already we have met twice. Our first meeting was held October 2nd, at 7:00 P.M. in the Orton Room of the new Holland Library. Our guest for the evening was Dr. Haakon Bang, new dean of pharmacy here at W.S.C., and formerly our chapter group adviser. Dr. Pang spoke briefly to the group.

Our second meeting this fall was held at College Hall, room 212. The fall pledge program was started and fourteen prospective pledges will soon receive their formal invitation letters to become members of Kappa Psi. We of Beta Pi Chapter are sure that the selection of new pledges will be an asset to our group and to Kappa Psi.

At our meeting on October 2, the chapter was informed that our good friend and brother, Denny Yasuhara, would not return to school this fall as he is resting at Edgecliff Sanitarium. Brother Denny is recuperating from an attack of tuberculosis. He is a member of the senior class. We wish you a speedy recovery and return to W.S.C. If any of our Brothers wish to drop a line of cheer to Brother Denny, send letters to Edgecliff Sanitarium, Spokane, Washington.

Brother Don Dearth and two other Kappa Psi members worked together during the past summer selling both pharmaceutical products and good will. Brothers Dearth, Don Hubbard, and Eugene Harris were employed by a former W.S.C. pharmacy graduate, Clifford Nickle, Class of 1942, who owns and operates a pharmacy at Anaheim and Temple Streets in Long Beach, California.

Brother Vern Abrahamson was appointed Alumni Secretary to replace Brother Yasuhara.

Brother Harlan Bruner acquired a bride during the summer months. She is the former Miss Darlene Deibert. The bride and groom are both pharmacy seniors and don't mind sitting together in the class room at all.

Our next meeting will be on October 30 at 12:00 noon in the luncheon room of the new College Union Building.

Fraternally yours,

ROBERT H. YOUNG, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

On September 18, 1952 the Ole Miss campus was suddenly engulfed with swelling tide of humanity, dazed freshmen, eager sophomores, skeptical juniors and hopeful seniors; yes, another school year is upon us. All of the brothers here at Beta Rho have returned with the exception of the graduates and Brother John Ott who is reported entering the U. S. Army Air Force Cadets.

We of Beta Rho are proud to welcome back to Ole Miss Dr. Lewis Nobles. Brother Nobles is an alumnus of the University of Mississippi and he received his Doctorate degree from the University of Kansas in June. Dr. Nobles is now serving on the Faculty of the University of Mississippi School of Pharmacy and also directing research in Pharmaceutical chemistry. Brother Nobles was very active in the reactivation of Beta Rho chapter at Ole Miss in May 1947. Welcome back brother Nobles.

During the summer school session all was not dull at Beta Rho. On July 19, 1952 the brothers of Beta Rho joined together for a real old fashioned "Smoker." A buffet supper and refreshments were served to all. Everyone reported a wonderful time.

Fraternally yours,
M. Q. NICHOLS, *Secretary*

BETA UPSILON—BUTLER UNIVERSITY

At the present time, the members here at Beta Upsilon are busily engaged in last minute cramming for mid-term exams. As everyone knows, those exams have a nasty habit of popping up all too often.

Our activities this fall were high-lighted by the initiation of our pledge class which took place October 21 in our new Pharmacy building. Students now proudly wearing the badge of Kappa Psi are the following: James Bogart, Robert Croddy, Dwight Leonard, Leonard Oshier, Richard Struzynski, Larry Thornburg, Don Franz, Hugh Speck, Stanley Urbine, and William Van Slyke.

We also want to welcome back into our chapter Don Smith, an initiate of 1950, who was out of school two years serving with the United States Marine Corps in Korea.

That's the news for now from Beta Upsilon, and we send our best wishes to all.

Fraternally yours,
DICK VAN BUSKIRK, *Historian*

BETA PHI—CINCINNATI COLLEGE OF PHARMACY

The Brothers of Beta Phi Chapter wish to extend best wishes for the coming year to all Kappa Psi brothers everywhere.

It is pleasing to know that all of the graduated Chapter members who took the State Boards (members from Ohio, Kentucky, and West Virginia) passed with flying colors.

This year, with new Regent Harold Thaxton, Vice Regent Emerson Ullrich, Secretary Lee Hale, and Treasurer Bob Vollman, and with a group of real live wire members who are willing to put a lot of time and work into the fraternity, we foresee a more active chapter than has been seen in these parts for a long time.

Our first meeting was held on October 1 at the

Hotel Sinton. At that one meeting, almost as much business was accomplished as during the whole of last year. Contacts with the new classmates will be made during the first three weeks of October and a smoker held for the pledge class on October 29. The pledges will include members from all classes. The upperclassmen will be initiated before Christmas vacation, and the Freshmen after the first semester exams.

The Committees selected for this year are—Ritual Committee—Tom Green, Martin Gibbons, Marty Nie, Jim Lewis, Sam Cover, Art Lechner, John Vickers, and Paul Schuster. New Membership—Waverly Miller, Earl Gill, Don Siegler, Bob Vollman, Bill Draugelis, Jim Lewis, Art Lechner. Scholarship—Don Schwieterman, Irv Singer, Gerald Garrett. Refreshment—Sam Cover, Lee Hale, John Kotze. Fund Raising—John Kotze, T. Morgan, Joe Dugan. Reporter (to local and hometown newspapers)—Lee Weber.

Well, that about brings this session to a close, so, until the next issue of THE MASK, I remain,
Fraternally,

MARTY GIBBONS, *Historian*

BETA CHI—DRAKE UNIVERSITY

Another year has just started and already activities are running full speed ahead. We hope that after a summer of successful activities and enjoyments you are returning full of energy and new ideas valuable for the development and growth of our Chapter.

One of the things that will increase the bonds of fraternity among our brothers this year is the centralization of activities around our new house located at 1407 27th St. Wednesday, September the 24th, we had the first meeting of the year with almost 100% attendance. One of the important points brought into consideration was the smoker for the new freshmen and transfer students. It was decided to have it Wednesday, October 15 at the Masonic Lodge in Beaverdale, where we will meet and interest some of the new students.

This year we have great hopes in our basketball team, which will compete in the interfraternity tournament. Also preparations have been started to build our decorations for Homecoming.

Among our brothers we have the honor of naming some of them who by outstanding achievements received scholarships: Francis Miller and Leland McNeil in the freshman and sophomore classes respectively, received the Drake University Scholarship. Merlyn Honsbruch received the Veenker award for the Student in the College of Pharmacy who maintains the highest grade average during his Junior year. Jame McLuen was given the Des Moines Pharmacists Association Scholarship, based on need and scholarship.

We congratulate them and feel proud of calling them our brothers in Kappa Psi.

ENRIQUE FALS-BORDA, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Somebody once said that the only thing wrong with vacations is that they always have to come to an end. But along with other students from "America's Dairyland," the members of Beta Psi ended their summer vacations and started another school year on September 22.

This year we had something particular to look forward to, for we have moved into our new

NEW OFFICERS OF BETA PHI CHAPTER
CINCINNATI COLLEGE OF PHARMACY

Front row: Emerson Ullrich, Vice Regent; Harold Thaxton, Regent; Bob Vollman, Treasurer.
Back row: Lee Hale, Secretary; and Marty Gibbons, Historian.

house. The two parlors were redecorated during the week of registration. With aid from the Wisconsin Graduate Chapter, we were also able to purchase new furniture for the parlors. Our party room is now in the process of being redecorated, a new ceiling having already been installed. Within the next few weeks we also plan to repaint the party room.

Eighteen actives and four pledges are living in our new house, and all of us feel that we have already profited from the closer contact with other members of the chapter.

Three fall rushings were held during the first week of October and as usual they were well attended. The net result of the rushings was that twenty-six pledges were received on October 8. Again this year we hope to hold our position as the largest professional fraternity at the University of Wisconsin.

The first meeting of the new school year, which was held on September 29, gave a good indication of the spirit to be found at Beta Psi. Our secretary, Jim Ebert, reported 100% attendance at the meeting, and Regent Fred Hecker urged all the members to keep up the good work.

The first party of the semester was held on October 4. To say that the Beta Psi House was filled to capacity would be the understatement of the year, because the house was jammed. Music was supplied by records and both parlors were open for dancing.

The University recently gave out a report of

the scholastic standings of the medical and professional fraternities on campus. Beta Psi rated second among the professional fraternities, having lost first place by only 0.03 of a grade-point. We also rated ahead of three out of the four medical fraternities, being only 0.07 of a grade-point behind the leader. Our grade-point average was 2.06, which is just slightly above a B average.

After each home football game we are having open house for members, their friends, and alumni. At the open house after the Wisconsin-Illinois game, your correspondent was instructed to send Beta Psi's apologies to Chi Chapter at the University of Illinois for the rough treatment their football team received here on October 4. If the Wisconsin football team continues to play ball the way they have been, Beta Gamma Chapter at the University of California can expect to have several of our members walk in on them around New Year's Day. 'Nuff said!

Two of our members, Regent Fred Hecker, and Art McCourt, attended the A.Ph.A. convention in Philadelphia. At this convention, Prof. Lloyd Parks, who is a member of the faculty of our School of Pharmacy, was presented with the Ebert Award for outstanding work in the field of pharmacy. Prof. Parks served as Chairman of the Scientific Section of the A.Ph.A. during the past year.

We at Beta Psi wish to thank Eta Chapter at the Philadelphia College of Pharmacy and Science for the accommodations they provided for our

two members, and for Prof. J. V. Swintosky, who is a member of the Wisconsin Graduate Chapter, while they were in Philadelphia. Any time any of the members of Eta are in or near Madison, we hope they will stop in to see us and let us return their hospitality. That invitation also applies to all the members of Kappa Psi across the country.

Until the next issue, I remain,

Fraternally yours,
RAN GULDAN, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

The activities of Beta Omega Chapter have been limited during the summer. However, since our last letter, but before the close of school, the chapter rented, with option to buy, a house located at 4500 North Broad Street, Philadelphia, Pa. Club room quarters will be located on the first floor. The other two floors will accommodate eighteen men. There is ample basement space which, when remodeled, will serve the needs of the chapter.

Some members who are living at the house have been busy fixing and painting their rooms. The class of '52 plans to furnish the living room in memory of our departed brother, Jack Jones. The flag used in conjunction with his funeral will be conspicuously displayed.

Congratulations are in order for graduate brothers Paul Morelock, '49, and Robert Bennett, '52, whose recent engagements have been announced.

Beta Omega Chapter was well represented at the Annual Kappa Psi Breakfast held during the week of the A.Ph.A. Convention in Philadelphia. Dr. Eby, the Grand Regent, presided and the following were also in attendance: Michael Falcon, Elmer Fischer, Dr. Arthur James, Earl Kimes, Prof. John Lynch, Joseph Marlineo, Anthony Monaco, Dr. James Munch, Gabriel Popp, Joseph Presto, Louis Ravin, Louis Stezzi, Dudley Thomas, George Tofani and Joseph Zdrojewski. (Hope we did not miss any one.)

The Northumberland County (Pa.) Pharmaceutical Association Clam Bake held August 6 near Mount Carmel had a large number of Kappa Psi Brothers from Eta, Beta Kappa and Beta Omega Chapters in attendance. Some of the Beta Omega members recognized were Grand Regent Eby, Jim Walker, Gerry Mayan, John Marcin, John Painter, Jack Hinkle, Dr. Kermit Leibensperger, David Donmoyer, Williard Moyer, Homer Burnheimer and Andy Pachuta.

We were informed today that graduate brother William Strucker has enlisted in the Army.

Fraternally yours,
ARDEN T. SHAMBAUGH *Historian*

GAMMA GAMMA—THE UNIVERSITY OF TEXAS

First of all, this writer wishes to apologize for his failure to mail the last report to THE MASK. It was all ready for mailing and it was supposedly mailed, only to be discovered later in the glove compartment of his car. Keeping that firmly in mind, I shall try to bring everyone up to date on the happenings at Gamma Gamma during the intervening months since the last publication came out.

We are sending along a few pictures which were

made during Dr. Eby's and Mrs. Eby's visit last spring. We thought that you fellows might enjoy seeing the good doctor enjoying a bit of our special Texas style barbecued chicken. Truly, all of the brothers of Gamma Gamma enjoyed their visit immensely. We're looking forward to another visit with them next Spring.

While on the subject of visits to our domain here in the heart of Texas, we again wish to extend a welcome to all brothers who might find time to visit our section of the country. We are located near San Antonio's Randolph Field, near Bergstrom Field, Fort Sam Houston, and several others, so if any of the readers just happen to be enjoying Uncle Sam's hospitality, don't fail to visit us. We have been able to find a place to sleep, bathe, and shave for several brothers from other chapters who are in the service from California to Massachusetts. We might add that we really enjoyed chatting with them and we feel that this helps to draw the men of Kappa Psi into a yet-tighter knit circle.

We have recently heard from a few of our boys who are in the service now. Brother Bill Carter, A 1/C of the 48th Med. Op., 48th Ftr.-Bmr. Wing, is located in France. The lucky stiff's base is only 121 miles from Gay Paree. Brothers Jim Leach and Don Burkett are not so lucky. They are just finishing their basic training at Fort Riley, Kansas.

And now to the news of Gamma Gamma's activities. Last May, with the graduation of our Regent, Brother Jesse Beall, elections were held, and our vice-regent, Brother James Sargent was elected Regent. Brother Jack Plover was named Vice-Regent to replace him. At the same meeting, formal initiation was carried out for the following men: Bill Attra, Kenneth Blashke, Henry Byars, Dr. John Emerson Davis, John Duke, Bill Foster, James Germany, Pete Gonzales, John Greenwood, Alan Hamm, Bobby Jones, James Kidwell, Floyd Lamp, Kenneth Miller, William Murphy, Arnold Nitshin, Robert Page, Herman Sabrusula, Herbert Schwartz, Waldie Sonnenburg, Dr. Daniel Tsao, Ben Turner, and Leon Wilkins.

Another event which occurred last spring which is always of great interest around these parts of the country was the entering of another float in the annual Round-Up Parade here at the University of Texas. Our float was very prominent since it occupied the lead-spot in the parade. The motif this year was a gigantic mortar and pestle of white which sat on a red platform. Balloons filled with helium were released periodically throughout the parade, and sitting on a platform at the surface of the mortar was the beautiful Donna Spangler, wife of Brother Chuck Spangler. Much of the credit for the construction of the float goes to the wives and sweethearts of the brothers of this chapter. For several nights preceding the parade, they met here at the chapter house and worked on paper flowers. The girls in Kappa Epsilon here are also to be thanked, for they too pitched in to help.

During the summer, all of the members who dared to face another summer term in Austin, got together for a real old fashioned stag party. Refreshments were of the usual variety at such affairs but the real outstanding factor contributing to the success of the party centered around the singing which was furnished by varied and sundry members of the group.

The Fall Semester began with an early meeting

designed to begin our new pledge class and issue tickets to be sold for the annual pharmacy dance. The dance was held in the Crystal Ball Room of the Hotel Driskill in downtown Austin. As usual, the dance was well attended. Incidentally this is one of the regularly scheduled functions sponsored by Gamma Gamma.

The pledge program this fall is going to be organized in a manner similar to the one suggested by Dr. Eby during his visit here last spring. Brother Charles Taylor was unanimously elected Pledge Captain and four assistants to him volunteered.

It might also be mentioned here that a couple of marriages took place this summer. Brothers Herman Sabrusula and Henry Wertheimer both gave up the ghost. Naturally these two gentlemen had to make a trip into Littlefield Fountain upon their return to the campus.

At the moment, Gamma Gamma members, along with the rest of the students and faculty (including Brother Henry M. Burlage, Dean of the College of Pharmacy), are going around with their chests just a little higher because we are now in our brand, spanking, new, modern, marvelous, beautiful pharmacy building. We're also very happy to report that we are now a Class A school of pharmacy. Gamma Gamma members have been named as official guides for the dedication ceremony to be held the latter part of October.

At the annual Dad's Day celebration here at the University, the best all-round boy and girl are to be introduced and presented at a Southwest Conference Football game during half time ceremonies. Gamma Gamma's candidate for this honor is Brother Bob Allison who has a 2.7 grade point average (3.0 is an A). Besides belonging to Kappa Psi, Brother Allison is a member of Silver Spurs, an honorary Service Group, is president of Rho Chi, and is connected with other groups.

This just about brings things back up to date again, so to all Brothers of Kappa Psi, Gamma Gamma extends their best wishes for a successful school year. Remember that the welcome mat is always out at Gamma Gamma.

Fraternally yours,

JERRY E. NOBLES, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

The fall quarter is well under way now, and a very successful year is being anticipated by every member of Gamma Delta.

Due to a late start of the fall quarter, things are really happening in a hurry. In the space of three weeks, the Chapter sponsored a Smoker, October 2, a House Dance, October 11, and a Homecoming Celebration, October 18.

The annual Smoker, held here at the house October 2, was quite an affair with many pharmacy students, Brothers Jongward and Smith from the Pharmacy College, and the Brothers of Gamma Delta attending.

October 11 was the occasion of our first house dance of this school year, and preceding the dance, a pig roast was enjoyed by everyone. The house was decorated in a manner excellently befitting an Apache Dance, and everyone was costumed for the occasion. If this dance was indicative of things to come, it appears that our social year will prove a huge success.

Homecoming—the time of year when football is in everyone's blood and when all good Alumni return to their Alma Mater. Yes, that's the biggest occasion of the fall quarter, Homecoming, was held October 18. Gamma Delta participated in all the various contests which mark Homecoming, and we walked off with our share of the honors. We of Gamma Delta were very happy to see all of our returning Alumni, and we hope to see an even *bigger* Homecoming next year.

Considerable remodeling has been done since the opening of the school year here at the house. All of the study rooms have been repainted, and various other improvements have become a reality.

During the summer, Brothers Richard Mains and Verne Haugen's families were visited by the Stork and both are now the proud fathers of baby girls. Brother Tom Wiley was married during the summer to Miss Wanda Montgomery, and Brother William McCarthy is to be married November 15, to Miss Ruth Nicol. Our heartiest congratulations and best wishes to these fine Brothers of Gamma Delta.

Fraternally

MAX A. MYERS, *Historian*

GAMMA ZETA—HOWARD COLLEGE

We have begun another school year here at Howard. To our members everywhere returning to school and also to our new members, we wish that this year will be a successful one for you. At the end of the past Summer Session, three of our brothers graduated. They are: Lawrence Kendrick, Jack Hagan and Amos Whiteman. Lawrence has entered the University of Florida for graduate study in Pharmaceutical Chemistry; Jack is working in the Retail Field in Fort Payne, Alabama and Amos is in Florida working in the Retail Field.

During the Summer Session, Dr. Lee Huyck resigned as Director of Pharmacy and is now Professor of Industrial Pharmacy at the St. Louis College of Pharmacy. Dr. Huyck was indeed our friend as well as teacher and it isn't the same without him here. Replacing Dr. Huyck as Director is Dr. Woodrow Byrum, recently of the University of Georgia. Dr. Byrum is a very versatile Pharmacist, he has been experienced in nearly every phase of Pharmacy. He is also a member of Kappa Psi. During the short time that he has been with us he has made every Pharmacy student and faculty member his friend and we can vouch for that fact. We would like for Dr. Byrum to know that Gamma Zeta Chapter is 100% cooperative with him.

Dr. John Wintter has replaced Miss Josephine Siragusa as professor of Pharmaceutical Chemistry. Miss Siragusa has entered the University of Florida to study for her Doctor's degree. Dr. Lamar Dale is Professor of Pharmacology, replacing Miss Sarah Norred who is studying for her Doctor's degree in the University of Florida also.

We had our first official meeting two weeks ago and various committees were formed for the new year. Plans for installing a coke machine and also a candy vendor as means by which we could boost our savings account were discussed. Primarily the savings account is for the purpose of a chapter house to be built on the new campus. We have decided also to place our Chapter on a budget basis. Our Project Committee is working on an appropriate gift to be given to the Pharmacy

Division. A gift is given every year to the Division.

A beautiful Bulletin Board, painted in the Kappa Psi colors, was given to the Chapter by one of our own brothers, Thomas Novak. It will be placed near the entrance to our building.

This year, as in past years, a group of our Pharmacy students will go to Parke-Davis & Company and visit with them for three days. Last year, a group went to Eli Lilly & Company.

Last night, Howard College Pharmacy Alumni and students gathered at the college cafeteria to celebrate Founders' Day. After dinner, the group listened to a special program telephoned from Washington, D.C. At the Chapel periods this week, the program was presented by the Pharmacy Division. "Drugs of the Scriptures" was the title of the program given by the group led by Miss Minnie Jane Thomas of Lambda Kappa Sigma.

Until our next letter we remain,

Fraternally yours,

FREDERICK WOO, *Historian*

GAMMA IOTA—UNIVERSITY OF BUFFALO

Greetings to one and all from all at Gamma Iota. Also here's hoping every brother in KAPPA PSI fares well in scholastic endeavor this coming school year.

To start the fall activities, we had a meeting on September 30. That night the foundation was set for our year's events.

On October 7, all the members of Gamma Iota enjoyed a delicious dinner at the Riviera Restaurant in downtown Buffalo. We gathered at the Riviera, had dinner, and left as a group for Hotel Lafayette.

At the hotel, we heard the Founders' Day speeches of the American Pharmaceutical Association Centennial.

On October 14, we are going to hold our fall Rush Party. The party, to be held at the Isle View Inn between Buffalo and Niagara Falls, will be highlighted by food, beer, and informal entertainment.

We also hope that all KAPPA PSI men who graduated last June have found their desired place in the profession of Pharmacy.

So till it is time for another MASK I'll say so long until then.

Fraternally,

CHARLES E. HOFF, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCE

Gamma Pi has had the honor of having a new faculty member added to its list of faculty members. The new member is Doctor Huyck, who was recently at Alabama. Doctor Huyck's new post here in St. Louis is as head of the Master of Science Degree in Industrial Pharmacy, which was just introduced to the college in October. He is not an honorary member, but as he put it at a recent dinner, "I came in under the paddle."

Due to the present war course senior members of Gamma Pi graduated in October. Those brothers who graduated were: Jack Atwood, Ed Bonacorsi, Tom Clayton, Ken Filla, Joe Greco, Francis Fillingim, Ben Hesselberg, Bernie Hohman, Jack Klocke, Dan McCarthy, Bill Otto, Frank Skaggs, Dick Twibell, and Bob Bequette. A dinner was

held in their honor in September as a going away party. The fraternity was hit hard by losing fourteen of its best and most active members, so a new pledging period is being talked about.

During the summer semester we sponsored our usual boat ride on the Steamer Admiral which runs on the Mississippi. The trip was attended not by only members of Kappa Psi but also by a great deal of many other students.

Since the officers of the chapter were seniors, elections for the new officers had to also be held during the summer. The new and capable officers are: Ernie Winkelmann, Regent; Tom Mohan, Vice Regent; Bob O'Donnell, Secretary; Ray Klotz, treasurer; Richard Bena, Historian; Ed Jackson, Sergeant at Arms; and Paul Light, Chaplain. The new officers were installed by Dick Twibell, who is retiring regent, at a meeting.

In the recent A.Ph.A. and Student Council elections the chapter was very fortunate in having elected four members. Paul Light and Ken Michels were elected President and Treasurer respectively of the A.Ph.A. Tom Mohan and Richard Bena were elected President and Treasurer respectively of the Student Council. Congratulations and good luck on your new offices.

A dinner was held at Schober's Wine Restaurant in St. Louis County on September 17. The purpose of this dinner was to introduce the new members to the social functions of the chapter. The new members were: Ken Michels, Jerry Igel, Don Becker and Andy Hunt.

That's all that is new at Gamma Pi, maybe I'll have more and better news in the next issue.

Fraternally yours,

RICHARD BENA, *Historian*

GAMMA SIGMA—UNIVERSITY OF FLORIDA

Greetings Brothers, now that summer vacations are over and everyone is well rested up for the coming year, I trust, we can start off this new semester with our minds set on high goals for the coming year.

Our school is celebrating its centennial this year so they are expecting a big year all over the campus and also likewise in the school of pharmacy.

The A.Ph.A. is also celebrating their centennial this year and this concerns all of us connected with the pharmacy profession. Tuesday night October 7, 1952 the A.Ph.A. had a national meeting for this celebration. Here at the University of Florida we also had a meeting of our student branch, Mortar and Pestle, the same night. Special wires were run from the national meeting to all branches throughout the nation so that we might get the benefit of the speeches made at the meeting. I hope you were all listening. There were some very interesting speeches given at the meeting.

We had a talk on current problems of pharmacy by Dr. Gramlin of our pharmacy department. We also had a general panel discussion.

This year in Kappa Psi we expect to have a big year and pledging starts in two weeks. The chapter has grown by leaps and bounds since we established a house.

In closing I would like to extend an invitation to all of you to visit with us when you are down this way

Fraternally yours,

HUBERT JOINER, *Historian*

ACTIVITIES AT GAMMA GAMMA
CHAPTER
University of Texas

GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Gamma Tau members attended two important pharmacy functions concerned with the commemoration of the A.Ph.A.'s Founders' Day celebration.

On October 7, 1952, at 2:00 p.m., in the Lecture Room of the Academy of Sciences, important issues on pharmacy were discussed. That same evening the brothers of Gamma Tau were privileged to attend a dinner in the Federal Room of the Hotel Statler celebrating the A.Ph.A.'s historic 100th Birthday.

We have heard, with regret, of the illness and subsequent confinement of this chapter's present historian, Harold Phelps, at Baker Veteran's Center, Martinsburg, West Virginia. His written request that we should not trouble ourselves in sending him some token of our loss at his absence typifies his unselfish spirit. However, I may say we will happily ignore his request.

We were also deeply saddened to learn of the sudden death of Brother William Keahey, on September 18, 1952, in Alexandria, Virginia. Brother Keahey was a charter member of Gamma Tau and was active in its affairs during his collegiate life. Prior to his death, he was employed as pharmacist at Emergency Hospital in Washington, D.C.

The Election of fraternity officers on February 26, 1952, for the present school year was followed by the installation on May 13, 1952, of the following Brothers: Roy Snell, Regent; James B. Fahrney, Vice Regent; Robert F. Tomsko, Secretary; James H. Fink, Treasurer; Harold L. Phelps, Historian; Thomas E. Cox, Parliamentarian; Andrew Blake, Chaplain and Dr. John W. Schermerhorn, Faculty Advisor.

Further Honors were garnered for Gamma Tau when on April 23, 1952, Harrison Cooper, Howard Small, Richard Foate and John Iglehart were elected as President, Vice President, Treasurer and Secretary, respectively, of the Student Branch of the A.Ph.A. of the George Washington School of Pharmacy.

And so now, we of the fraternity observe in retrospect the great accomplishments performed in the several short years of the chapter's existence, and look in prospect to the great tasks ahead. At the moment, our numbers have been depleted due to the June graduations. However, plans are afoot to perform one of our most enjoyable tasks and thus remedy this situation; that of selecting, indoctrinating, and initiating this year's pledge class. Consequently, Gamma Tau anticipates a year rich and full in the fine qualities of fraternity honor, ethics and comradeship.

Fraternally yours,

JOSEPH PISTONE, *Historian*

GAMMA UPSILON—UNIVERSITY OF ARIZONA

With only a handful of members left due to graduation of most of our members, Gamma Upsilon is anticipating a busy school year. Thus far this semester, the chapter has had several meetings and has taken part in the annual Pharmacy mix which is held the second or third week of school. The Pharmacy mix is a party sponsored by the combined efforts of the different organizations in the Pharmacy College for the purpose of

bringing the faculty members and students of the College of Pharmacy together in order that they may become acquainted with each other.

Our chapter was glad to welcome Claude Jones a Kappa Psi member back to school on his return from active service in the navy reserve. Claude was our Grand Regent at the time that he was called to duty.

We were also very proud to know that Lionel Ward Guilbert our former chapter historian was recently honored by the APHA by being named as the 1952 recipient of the Kilmer Prize committee award. Guilbert competed for the national award by conducting an original research investigation on two common western "Jimson Weeds" used as sources of medicinal agents. Mr. Guilbert travelled to Philadelphia Pennsylvania for the centennial APHA convention. There he read his paper on his research investigation and was presented the gold Kilmer Key. His paper was "The Effect of Hydroponic Culture on Plant Growth and Alkaloidal Content of *Datura Tutula* and *Datura Meterloides*.

Other former Gamma Upsilon members that deserve mentioning are as follows:

Charles Pulido '52 was awarded the Tucson Daily Citizen naval reserve trophy for outstanding participation in his unit. Charles was picked by 150 of his mates and officers.

George Steel '51 was recently appointed as state board inspector for southern Arizona.

James Dubois '52 is employed as a graduate assistant in the Pharmacy college and at the same time is engaged in graduate work.

Recent changes in Arizona's college of Pharmacy faculty included several Kappa Psi members. Dr. Willis R. Brewer a Kappa Psi and at present Gamma Upsilon's Grand Council Deputy has taken over the deanship of the college of Pharmacy. This post was vacated by Haakon Bang, also a Kappa Psi, who left to become dean at Washington State College of Pharmacy. Dr. Albert Picchioni was appointed as head of the pharmacology department last semester and Mr. James Brannon was recently added to the faculty as associate professor in the pharmacy department. Both are Kappa Psi members.

Fraternally yours,

ALFRED CELAYA, *Historian*

GAMMA CHI—FERRIS INSTITUTE

With the new school year well under way, we here at Gamma Chi find ourselves quite busily engaged with our studies and various outside activities. We were all surprised upon our return from summer vacation to see the new look our school has. Since the fire the school had in 1950, which destroyed most of the buildings, the school has been under constant construction. With two new buildings we have new pharmacy and chemistry labs in which to work.

The first meeting of Gamma Chi Chapter for fall term was called to order by Regent, Lew McNabb September 8, 1952, and it was a pleasure to see that all our brothers survived the summer and the draft. Our first social event was a "Get Acquainted" smoker, to which all non-fraternity men of the school of pharmacy, were invited and proved to be a great success. We had an exceptionally good turnout, and everyone had a wonderful time. Refreshments were served to our guests while, Dean Ralph M. Wilson gave a short talk

about the benefits derived from fraternities and Kappa Psi.

Six new pledges are gracing the halls of Gamma Chi with their presence and I am confident that they are anticipating a successful completion of their pledge period. Those who have been submitted for final acceptance are: W. Zimmerman, M. Eustice, N. Baker, G. Baker, J. Frumvellar, R. Essenburg. As a note to other pledges joining Kappa Psi, one of the pledges at Gamma Chi was asked, "Whats the best fraternity on campus to pledge?" His natural and prompt reply was "Kappa Psi Sir." The pledge master than asked what are all the other fraternities on campus? His reply was, "they're all just Boys' Clubs Sir." Good luck pledges.

Kappa Psi is joining in the Homecoming festivities, by entering a float in the parade which will be held Saturday October 18, 1952. We are inviting all alumni and members to our open-house held the same day.

The members of Gamma Chi are very active in offices and positions which they hold in the Student Branch of the American Pharmaceutical Association. I would like to remind all brothers of Kappa Psi, that next year in Mid-April the A.P.H.A., Student Branch convention will be held at "FERRIS" and plans are being made to entertain the Kappa Psi delegates. It will be a privilege and pleasure to meet our brothers, from across the country. So until we meet again I remain,

Fraternally yours,
THOMAS NOVAKOSKI, JR., *Historian*

BOSTON GRADUATE CHAPTER

The Boston Graduate Chapter held its first Fall dinner meeting at the Simpson House in Newton, on November 7. The highlight of this meeting was a talk by Brother Phil McAuliffe on the subject, "Pharmacy—A New Approach." Brother McAuliffe, who is one of our own Boston Graduate Chapter members, installed a clinical laboratory adjacent to his drug store. This laboratory has met with great success. His experiences in this new pharmacy service proved to be of great interest to all the Brothers present. An intensive discussion period followed his talk.

The following Brothers were in attendance at this meeting: Chester Ashley, Patrick Beatty, Harold Burrill, William Clark, Ed Dahlstedt, John Duggan, Fay Elliott, Art Foden, Howard Gilbride, Ray Gosselin, Harry Harian, Ray Kelley, Phil McAuliffe, Jim Mickles, Louie Principe, Maynard Quimby, and Mel Topjian.

If your name is not included in this list, you missed a fine dinner meeting. Do NOT miss the next meeting in January.

Fraternally,
JAMES MICKLES, *Secretary*

CHICAGO GRADUATE CHAPTER

Chicago Graduate Chapter brothers met at the fraternity house on June 11 in their final spring meeting before a summer adjournment. During a business meeting new officers were elected and installed. With the resumption of Chapter activities this fall the following new officers will be at the helm: Jack Cook, Regent; Jack Mitchell, Recording Secretary and Calvin Eckstrom, Treasurer. Two new directors were elected, Brothers George Roberts and Leroy Nix, who shall serve

along with Brothers Thiel, Jablonski, and Varzabedian. The new regent appointed Charles Thiel to head a news gathering committee and George Roberts to act as Corresponding Secretary.

On a sunny Sunday, August 24, the brothers of Kappa Psi from the Chicago area gathered at Thatcher's Wood for the annual picnic. Each year this pleasant reunion brings together Kappa Psi men and their families for a day of reminiscence fellowship.

Fraternally
JACK MITCHELL, *Secretary*

CONNECTICUT GRADUATE CHAPTER

The close of the school year at University of Connecticut College of Pharmacy also marked the end of a very successful and active year for the Connecticut Graduate Chapter, which held its annual dinner for the members of the graduating class who will be transferring from Nu Chapter to Connecticut Graduate Chapter. Held at the Wonderbar Restaurant, in Berlin, Connecticut, under the able direction of Brother John Frank, of Manchester, 31 graduates and 12 undergraduates felicitated graduating brothers Louis Annino, Patrick Bovienzo, Sebastian Cannata, Donald Cardelle, Robert Castello, George Cocolas, Rocco D'Allesio, James D'Amato, Robert Flynn, Edward Kazarian, Charles Lavin, Eugene Lescoe, Gordon McGuire, James Mermigos, Robert Meschke, James O'Brien, Robert Rappa, William Schofield, Raphael Solimini, Fred Vegliante and William Wieler; also Edward Bessette, of Stonington, Connecticut, member of the class of '52 at R.I. College of Pharmacy (Beta Epsilon). Unable to be present were Thomas Collins, John Moran, Robert Rossi and Albert Roy, all of Nu. Honored was Brother Robert Benham, of Washington, Connecticut, Columbia '06 (Gamma Chapter), making his first appearance at a Connecticut Kappa Psi function. His reminiscences were extremely interesting. We also heard an entertaining talk by a special agent of the FBI.

It was a pleasure to hear announced at that gathering that Brother Mermigos had won the Kappa Psi Key.

Of course, the high-light of the year was the honoring of Felix Blanc, Director of Pharmacy of the State of Connecticut and a national figure in pharmacy. As reporter in earlier editions of THE MASK, we gathered at the Hotel Bond, in Hartford, on January 16, to present an honorary membership in Kappa Psi to Director Blanc and the turn-out was most gratifying, the guest list including Brothers Rivard (Dean of R.I. College of Pharmacy) and Gilson (NARD past-president) from Rhode Island; Quimby and Kelley from Boston and a number of members of other chapters who happened to be in Connecticut at the time. We are honored to now be able to call Felix Blanc "Brother."

During the 1951-52 season, we continued our plan of bi-monthly meetings at various points throuot the state and the turn-out under this new plan has been most gratifying. Two meetings were held on the campus at Storrs, with Nu Chapter brothers as hosts, which enabled us to watch the progress of the new pharmacy building and to become better acquainted with the undergraduates and give them some assistance in getting settled in their new environment. We look forward to further co-operation with our undergraduate associates during the coming season under the

leadership of Brothers Edmund E. Goodmaster, Regent; Daniel A. Camilliere, Vice Regent; Frederic W. Cassiopo, Secretary; Edward C. Burt, Treasurer; Frank J. Bonelli, Chaplain; F. B. Holt, Jr., Historian and Dr. Henry S. Johnson, Grand Council Deputy, together with a strong executive committee appointed by Regent Goodmaster.

F. B. HOLT, JR., *Historian*

CONNECTICUT GRADUATE CHAPTER

Seventy five members of the Connecticut Graduate Chapter helped install Edmund E. Goodmaster as their new Regent on Wednesday evening September 17, 1952. The traditional ceremony took place in the classical "Old English Room" of the Hotel Bond in Hartford and was preceded by a delicious broiled chicken dinner. A vote of thanks was tendered brother Frank Bonelli for arranging this most successful meeting.

During the course of the evening Grand Historian Professor Nicholas Fenny bestowed a high honor on brother James Mermigos on behalf of Alpha Chapter. Brother Mermigos maintained the highest scholastic standing in his class for four years and graduated in June of 1952 with the highest honors. For this achievement Professor Fenny presented to him the Kappa Psi Scholarship Key and Scroll. Brother Mermigos is the third person to receive this honor since the College of Pharmacy became affiliated with the University of Connecticut, although there are many Connecticut men who have received this honor prior to this.

Some of the prominent Kappa Psi men who spoke briefly at the installation dinner were: Director of Pharmacy in Connecticut, brother Felix Blanc; Dean of the College of Pharmacy, brother Hal Hewitt; Dr. Henry S. Johnson who is also our Chapter Historian; Grand Historian, Professor Nick Fenny; Satrap of Province One, Professor Walter (Roy) Williams; Pharmacy Inspectors, brothers Joseph Moran and James Miller; State of Connecticut Narcotic Inspector, brother Bob Grieb and our Vice Regent who is also a Councilman in the City of Hartford, brother Dan Camilliere.

Regent Goodmaster in previewing the Graduate Chapter's activities for the coming year appointed past Regent Al Criscuolo as director of our next

meeting to be held in New Haven November 19, 1952.

Fraternally,
F. W. CASSIOPPO, *Secretary*

PORTLAND GRADUATE CHAPTER

For the second consecutive year the Oregon State Pharmaceutical Association held its annual convention at Gearhart-by-the-Sea in early July. The traditional Kappa Psi Breakfast was again changed to a luncheon on the Sunday preceding the meetings. As an innovation this year the ladies of Kappa Psi (wives, sweethearts, mothers, sisters, etc.) were invited guests and the affair proved to be so successful (about 70 in all were present) that it likely will be continued in the future. A cocktail hour preceded the luncheon and sea bathing and golf followed.

We were pleased at the number of Brothers in attendance from all over the State. Many attended who commonly do not have an opportunity to come to our quarterly meetings. It was pleasant to renew old friendships and enjoy the fellowship of this meeting.

The first fall meeting of our chapter was held at Lido's Restaurant on Wednesday evening, September 17, 1952. A cocktail preceded the dinner and about thirty Brothers attended this dinner-meeting. We were especially pleased to have with us on the evening a number of members who have recently been transferred into the Portland area and a number of older members who have not had an opportunity to meet with us very often. This looks like a successful year for our group.

Officers for the year were elected and are as follows: John Cook, Regent; Ned Fischer, Vice Regent; Virgil Haller, Treasurer; Bill Bush, Secretary; and Lyle Hendricks, Historian.

Committees were appointed to make arrangements for the November meeting and also for the Annual Home Coming football game on the campus of OSC. At that time the members of Beta Zeta promise to exceed the festivities of previous years.

We extend our congratulations to Brother Ralph Robertson who has recently been appointed to the State Board of Pharmacy.

Fraternally yours,
LYLE HENDRICKS, *Historian*

Red Cross First Aid and Water Safety

Because of increased interest in self-preservation and water sports, Red Cross first aid certificates awarded in 1951-52 topped the million mark for the second consecutive year, with 1,090,000; and swimming and lifesaving certificates attained an all-time peak of 813,000. In addition, first aid and water safety demonstrations and talks reached more than 5,700,000 persons.
