## THE 1953 GRAND COUNCIL CONVENTION

Another important chapter in the annals of Kappa Psi Pharmaceutical Fraternity will be written on December 28, 29 and 30, 1953, when the **TWENTY-SEVENTH GRAND COUNCIL CONVENTION** will be held at the Sheraton-Park Hotel, Washington, D.C.

We believe that the 1953 convention will be the largest and the most interesting of all Kappa Psi conventions. A visit to Washington at any time is a grand experience but to attend a national convention of one's own fraternity in the Nation's Capitol is a rare event which should serve to attract, in this instance, a record number of Kappa Psis.

A national convention is not just another large fraternity meeting with emphasis on a good time. It is actually an important occasion when the work of past years is reviewed and evaluated, and when sound plans for the fraternity are formulated for future years. It is also the time when the warm fellowship of fraternity life appears at its best; when old friendships are renewed and many new and lasting friendships are made. Our good Brothers in Gamma Tau Chapter and the District of Columbia Graduate Chapter have been working for months on plans for the convention and they promise that it will be Kappa Psi's finest. They expect delegates from all Collegiate and Graduate Chapters and are looking for large delegations of members from any of the Chapters. See that your chapter does not disappoint them.

## HANDBOOK FOR PLEDGES

Last December (1952) the new **HANDBOOK FOR PLEDGES** in temporary form was distributed to all Collegiate Chapters. It was suggested that each chapter use the Handbook as a guide in the pledge training program and also study it carefully with the idea of suggesting improvements for the revised edition which probably will be published next year. The Handbook has satisfied a definite need within the Fraternity as has been shown by its enthusiastic acceptance. It will certainly be a very important aid in future pledge training and for this reason chapters should study the Handbook and be prepared to present, at the national convention, recommendations for additions, deletions, and revisions which they regard as essential for the improvement of the revised edition.

## MANUAL FOR PLEDGES

For some time the Grand Regent has entertained the opinion that a Kappa Psi **MANUAL FOR PLEDGES** was essential to insure a program of training which will be uniform in teaching to all pledges, the basic principles of our fraternity.

Recently a committee composed of representatives of Eta, Omega, and Beta Omega Chapter have been working with the Grand Regent and as a result have prepared a Manual for Kappa Psi Pledges. This will be reviewed at the next meeting of the National Executive Committee and if approved, will be presented for consideration at the Grand Council Convention.

## KAPPA PSIS IN THE ARMED FORCES

Many of our Brothers on completing the course in Pharmacy have been called into the Armed Forces. To all of you who have the privilege of serving your country we say "Godspeed" and a prayer that you may soon return to your families and a successful career in Pharmacy.

Twenty-seventh  
NATIONAL GRAND COUNCIL CONVENTION  
of  
Kappa Psi Pharmaceutical Fraternity  
The Sheraton-Park (Wardman-Park) Hotel  
WASHINGTON, D.C.

Dates:

December 28, 29, & 30

1953

Don't forget to make your train and hotel reservations early.

*We'll see you there!*

Read the program in this issue!

Please  
Bring Your Cameras!

It will be appreciated if the Brothers who plan to attend the National Grand Council Convention will bring their cameras. Glossy prints of good "shots" should be sent to the Editor by January 10, 1954 for use in post-convention issues of THE MASK. Please identify persons appearing in pictures wherever possible. Due credit will be given donors. Thanks!

# The Mask

JANUARY 1904

One Dollar a year

THE  
COVER OF THE FIRST ISSUE  
OF THE MASK

Reproduction of a Photostatic Copy

# From the Desk of the Editor

Maynard W. Quimby

This issue of THE MASK represents the final number of the fiftieth volume. For a half century members of Kappa Psi have been kept informed of the various activities of our organization through the pages of this, our official publication.

Unfortunately few members have an opportunity to examine the early issues, and it appears that few complete sets of the fifty volumes of THE MASK exist. While we have not seen the set, it is our understanding that there is a complete one in the New York Public Library. THE MASK office will be very pleased to learn of the existence of any other complete files of our publication. Even the Central Office set is not quite complete, although it is being supplemented by the addition of photostatic copies of missing numbers.

If you do have a chance to look through any of the early issues, by all means do so. There's much of interest to be found there.

In this and in some future issues of THE MASK it is our plan to include certain material of interest from and about the publication over the years.

THE MASK hasn't always been a quarterly. At least Volumes One and Two each consisted of six issues. The first number of the initial volume was dated January, 1904, and Press Eldridge, Jr. was the editor. His address was given as 19 West Eighteenth Street, New York City. (*A picture of a photostatic copy of the cover of the first number appears on the opposite page. Editor.*) Listed below the name of the editor in the first issue are the names of six assistant editors, one from each Collegiate Chapter then in existence. These assistants, their chapters, and their schools were:

F. H. Smith, Beta Chapter, University College of Medicine, Richmond, Va.

Frederic(k) W. Rugg, Gamma Chapter, New York College of Pharmacy, New York, N.Y.

H. Phillip Hill, Delta Chapter, University of Maryland, Baltimore, Md.

Frank I. Born, Epsilon Chapter, Maryland Medical College, Baltimore, Md.

Leo F. Byrnes, Zeta Chapter, Georgetown University, Washington, D.C.

Eugene M. Hollyrod, Eta Chapter, Philadelphia College of Pharmacy, Philadelphia, Pa.

Later in the same year some of these members were replaced by other members of the respective chapters.

On the editorial page of the initial issue the following brief statement was made concerning this new journalistic venture.

## Happy New Year

Born with the year 1904 the Kappa Psi MASK makes its appearance and asks you for your approval.

Not unlike the new-born babe, it must be nursed carefully and clothed properly, and everything possible must be done for it, in order that its growth may be healthy and rapid.

We trust THE MASK will fill a long felt want. We hope it will make itself indispensable to the Fraternity, and we earnestly pray that every Active, Passive, and Honorary Member will subscribe to it.

Another report of interest in Volume One tells of "the annual convention of the Fraternity . . . held in Washington, D.C. on November 26 and 27 last, under the auspices of Zeta Chapter. . . ." Of course the year was 1903, fifty years ago this month.

In addition to the January number of Volume One, other issues appeared in February, March, April, November, and December, 1904. The entire volume consists of 88 pages,

less pages 74 and 75 which were omitted due to an oversight on the part of the printer. Brother Eldridge served as editor of the first five issues, and Frederic W. Rugg, then and now residing in Portland, Maine, edited the sixth as well as several subsequent issues. His address was given as 145 Spring Street, Portland.

Throughout this volume it is evident that considerable attention was given by chapters to means of keeping graduates ("Passive Members") interested in the Collegiate Chapters.

An interesting account of the installation of Theta Chapter on March 19, 1904, is included in the April number.

The first evidence of any statistical data concerning the geographical distribution of Kappa Psi members appeared in November, 1904. The report stated that "already we have given the liberty of the Agora to men hailing from twenty-eight different States and Territories in this country, as well as Canada, Bermuda, and Puerto Rico." Distribution as of that time is shown by the following tabulation:

New York	89	New Hampshire	5
Pennsylvania	50	Florida	4
Virginia	50	California	3
West Virginia	44	Canada	3
Maryland	42	Bermuda	3
New Jersey	34	Delaware	2
North Carolina	20	Vermont	2
Connecticut	19	Texas	2
Maine	12	Mississippi	2
District of Columbia	11	Illinois	2
Massachusetts	10	Arizona	1
Alabama	10	Iowa	1
Georgia	7	Utah	1
South Carolina	7	Idaho	1
Ohio	7	Puerto Rico	1
Rhode Island	6		

The 1904 annual convention was reported in the December issue. This conclave was held in Philadelphia on November 24 and 25, with Eta Chapter as host.

In examining this initial volume of *THE MASK* one also observes a number of other interesting features. Among them are chapter newsletters, a variety of advertisements, personal items about graduates, medical state board questions (from states of Pennsylvania and Minnesota), and an article concerning bovine tuberculosis. Only one picture appears in this volume, and that is of George L. Holstein elected Grand Secretary and Treasurer at the Philadelphia convention mentioned above. He was a member of Eta Chapter.

It is hoped that this information will prove of interest to our readers. If present plans materialize we shall include other write-ups of this type in some future issues of *THE MASK*. Comments from the members will be welcomed.

# National Grand Council Convention Program

## BROTHERS OF KAPPA PSI:

The Grand Council, Kappa Psi Pharmaceutical Fraternity, will meet in National Convention December 28, 29 and 30, 1953, at the Sheraton-Park Hotel, Washington, D.C. All Brothers of Kappa Psi are welcome to attend this meeting of their Grand Council and those who do attend have the privilege of participating in the discussion of the various matters being considered by the Convention. The privilege of voting however, is limited to members of the Grand Council. The Kappa Psi Constitution, Article XV, Section 1, par. 102 states "The Grand Council shall consist of the following: (1) the Members of Alpha Chapter; (2) two delegates from each Collegiate Chapter; (3) two delegates from each Graduate Chapter; (4) one member from any committee charged with any extraordinary or important work; (5) one delegate-at-large from each organized Province; and (6) members of the Executive Committee who are not members of Alpha Chapter."

The tentative program has been arranged as follows:

### *Monday, December 28, 1953*

- 9:00 A.M. to 12:00 NOON. Registration of Delegates, Members and Guests (\$5.00 each) Sheraton-Park Hotel.
- 10:00 A.M. Combined Meeting, Alpha Chapter and the Executive Committee.
- 1:00 P.M. Visit to the American Institute of Pharmacy and other places of interest in Washington. Busses will leave the Sheraton-Park Hotel promptly at 1 P.M.
- 4:30 P.M. Meeting of the Credentials Committee to examine credentials and certify Delegates to the Grand Council.
- 4:30 P.M. Meeting of the Legislative Committee. All recommendations for changes in the Constitution of Kappa Psi Pharmaceutical Fraternity should be presented in writing to the Grand Secretary-Treasurer before 4:30 P.M., December 28, 1953.
- 6:30 P.M. Dinner, Sheraton-Park Hotel for Members only.
  - Toastmaster: Grand Regent Frank H. Eby
  - Speakers: F. Royce Franzoni, President, American Pharmaceutical Association
  - W. Paul Briggs, Executive Director, American Foundation for Pharmaceutical Education

### *Tuesday, December 29, 1953*

#### First Business Session: Continental Room

- 9:30 A.M.
  - 1. Call to Order .....Grand Regent Frank H. Eby
  - 2. Invocation .....James H. Wood, Jr.
  - 3. Welcome to Washington
    - For George Washington University .....Dean Charles W. Bliven
    - For Gamma Tau Chapter .....James A. Fink, Jr., Regent
    - For the District of Columbia Graduate Chapter ..Dominic Felicetti, Regent
    - For the Convention Committee .....Gunther K. Kessler, Chairman
  - 4. Report of the Credentials Committee .....Maynard W. Quimby
  - 5. Roll Call of the Delegates
  - 6. Reading of Communications
  - 7. Appointment of Committees
  - 8. Report of Grand Regent .....Frank H. Eby
  - 9. Report of Grand Secretary-Treasurer .....Ray S. Kelley
  - 10. Report of First Grand Vice Regent .....Louis Fischer
  - 11. Report of Second Grand Vice Regent .....Karl J. Goldner

- 12. Report of Third Grand Vice Regent .....Milton L. Neuroth
- 13. Report of Grand Historian .....Nicholas W. Fenney
- 14. Report of Grand Ritualist .....Dale E. Wurster
- 15. Report of Grand Counselor .....James R. Thayer
- 16. Report of Editor of THE MASK .....Maynard W. Quimby
- 17. Announcements
- 18. Adjournment of the First Business Session
- 1:00 P.M. Luncheon, Sheraton-Park Hotel, The Caribar Room (Members only)

*Tuesday, December 29, 1953*

Second Business Session: Continental Room

- 2:30 P.M.
- 1. Call to Order .....Frnak H. Eby
- 2. Roll Call of Delegates
- 3. Secretary's Report of the First Business Session
- 4. Reading of Communications
- 5. Unfinished Business from First Session
- 6. Report from Chapters and Provinces
  - a. Collegiate Chapters
  - b. Graduate Chapters
  - c. Provinces
- 7. Report of the Executive Committee .....Rudolph H. Blythe
- 8. Report of the Scholarship Committee .....Pierre F. Smith
- 9. Report of the Legislative Committee .....James R. Thayer
- 10. Report of Special Committee on Program for Pledges .....John Troglio
- 11. Special Memorial Services .....Milton L. Neuroth
- 12. Announcements
- 13. Adjournment of Second Business Session

*Tuesday, December 29, 1953*

- 7:30 P.M.
- Exemplification of the Ritual of Initiation by members of Gamma Tau Chapter, Hotel Sheraton-Park, Burgundy Room
- 9:00 P.M.
- Informal Meeting to discuss Chapter and other problems (for members only) Burgundy Room

*Wednesday, December 30, 1953*

Third Business Session: Continental Room

- 9:30 A.M.
- 1. Call to Order .....Frank H. Eby
- 2. Roll Call of Delegates
- 3. Secretary's Report of the Second Business Session
- 4. Reading of Communications
- 5. Unfinished Business from the Previous Sessions
- 6. Report of Special Committees
- 7. Report of Nominations Committee .....John W. Schermerhorn
- 8. Election of Grand Officers
- 9. Installation of Grand Officers
- 10. Unfinished Business
- 11. New Business
- 12. Final Adjournment of the Business Sessions of the 1953 National Convention of the Grand Council

Wednesday, December 30, 1953

3:00 P.M.

Combined Meeting of Alpha Chapter and the Executive Committee

6:30 P.M.

Seventy-Fourth Anniversary Banquet, Sheraton-Park Hotel, Continental Room  
(dress optional) Frank H. Eby, presiding

9:00 P.M.

Dancing

### LADIES PROGRAM

A special program for ladies has been arranged

\* \* \* \*

Note that the Registration Fee is \$5.00 for each delegate, member and guest. Information concerning Certification of Delegates, hotel reservations and other information was mailed to the Secretary of each Chapter and Province on November 1.

HOTEL and TRAVEL RESERVATIONS should be made NOW!

Inquiries concerning the Convention should be addressed to:

Mr. Gunther K. Kessler  
3130 Wisconsin Avenue, N.W.  
Washington, D.C.

We are looking forward to seeing you in Washington on December 28.

Faternally,

\*FRANK H. EBY, *Grand Regent*

*\*Editor's note:* The Grand Secretary-Treasurer has requested that Brother Eby's name be attached to this program in view of the fact that the Grand Regent did so much in formulating final plans.

### NECROLOGY

Fred M. Drake, Mu Chapter  
Died August 30, 1953

Harry L. Hamsher, Charter Member of  
Gamma Delta Chapter  
Died August 3, 1953

Harold F. Luddy, Mu Chapter  
Died August 3, 1953

Charles E. Wilson, Sigma Chapter  
Died October, 1953

# A Letter from the Central Office to the Nominations Committee

## KAPPA PSI PHARMACEUTICAL FRATERNITY

CENTRAL OFFICE

179 LONGWOOD AVENUE, BOSTON, MASSACHUSETTS

October 22, 1953

*John W. Schermerhorn, Chairman of Committee on Nominations  
Kappa Psi Pharmaceutical Fraternity  
179 Longwood Avenue  
Boston 15, Massachusetts*

DEAR BROTHER SCHERMERHORN:

Pursuant to Article XVII, Sec. 2, par. 114 of the Constitution of The Kappa Psi Pharmaceutical Fraternity, a registered letter was sent to each Collegiate and Graduate Chapter which was "active" and "in good standing." This letter, dated March 7, 1953, requested each Chapter to make nominations for any or all of the Grand Officers and a ballot for this purpose was enclosed with the letter.

The nominations are now closed and the following is a complete list of the nominees for Grand Officers, each of whom has been nominated in the manner prescribed by our Constitution. This complete list is being submitted to you, the Chairman of the Committee on Nominations.

### NOMINEES FOR GRAND OFFICERS KAPPA PSI PHARMACEUTICAL FRATERNITY

#### *Grand Regent*

Edward P. Claus, 1431 Boulevard of the Allies, Pittsburgh, Pa.  
Frank H. Eby, 109 Fairview Road, Springfield, Pa.  
Nicholas W. Fenney, 62 Broadfield Road, Hamden, Conn.  
Louis Fischer, University of Washington, Seattle, Wash.  
Karl J. Goldner, 874 Union Avenue, Memphis, Tenn.

#### *First Grand Vice Regent*

Amos B. Colby, 2462 Hubbard Avenue, Middleton, Wis.  
Nicholas W. Fenney, 62 Broadfield Road, Hamden, Conn.  
Louis Fischer, University of Washington, Seattle, Wash.  
Karl J. Goldner, 874 Union Avenue, Memphis, Tenn.  
Earl P. Guth, 533 Acton Road Columbus, Ohio  
Milton L. Neuroth, Medical College of Virginia, Richmond, Va.  
Lloyd M. Parks, University of Wisconsin, Madison, Wis.

#### *Second Grand Vice Regent*

Clark A. Andreson, Ferris Institute, Big Rapids, Mich.  
Ralph W. Clark, University of Oklahoma, Norman, Okla.  
Edward P. Claus, 1431 Boulevard of the Allies, Pittsburgh, Pa.  
Frank Cosgrove, Ohio State University, Columbus, Ohio  
Nicholas W. Fenney, 62 Broadfield Road, Hamden, Conn.  
Herman C. Forslund, Oregon State College, Corvallis, Ore.

Karl J. Goldner, 874 Union Avenue, Memphis, Tenn.  
 Lauren Hanmer, Albany College of Pharmacy, Albany, N.Y.  
 Milton L. Neuroth, Medical College of Virginia, Richmond, Va.  
 Pierre F. Smith, 1 Lincoln Avenue, Newark 4, N.J.  
 Glen J. Sperandio, Purdue University, West Lafayette, Ind.

*Third Grand Vice President*

Nicholas W. Fenney, 62 Broadfield Road, Hamden, Conn.  
 Herman C. Forslund, Oregon State College, Corvallis, Ore.  
 Lee C. Huyck, 4588 Parkview Place, St. Louis 10, Mo.  
 Milton L. Neuroth, Medical College of Virginia, Richmond, Va.  
 J. R. Rosenquist, 3015 West Blaine, Seattle 99, Wash.  
 Tom D. Rowe, University of Michigan, Ann Arbor, Mich.  
 Fred Semeniuk, University of North Carolina, Chapel Hill, N.C.  
 Pierre F. Smith, 1 Lincoln Avenue, Newark 4, N.J.  
 Lester H. Spencer, Ferris Institute, Big Rapids, Mich.  
 Ray Stricker, 1678 Cardiff Road, Columbus, Ohio

*Grand Secretary-Treasurer*

Ray S. Kelley, 179 Longwood Avenue, Boston 15, Mass.

*Grand Historian*

Jack Beal, Ohio State University, Columbus, Ohio  
 E. L. Cataline, University of New Mexico, Albuquerque, N.M.  
 Nicholas W. Fenney, 62 Broadfield Road, Hamden, Conn.  
 Herman C. Forslund, Oregon State College, Corvallis, Ore.  
 Milton L. Neuroth, Medical College of Virginia, Richmond, Va.  
 George W. Patterson, Jr., Philadelphia College of Pharmacy and Science, Philadelphia, Pa.  
 Maynard W. Quimby, 179 Longwood Avenue, Boston 15, Mass.  
 Walter R. Williams, 338 East Center Street, Manchester, Conn.

*Grand Counselor*

Donald C. Brodie, University of California, College of Pharmacy, San Francisco, Calif.  
 Earl T. Brown, University of North Carolina, Chapel Hill, N.C.  
 Louis W. Busse, University of Wisconsin, Madison, Wis.  
 Amos B. Colby, 2462 Hubbard Avenue, Middleton, Wis.  
 Frank Duckworth, University of Florida, Gainesville, Fla.  
 Nicholas W. Fenney, 62 Broadfield Road, Hamden, Conn.  
 James R. Thayer, 4588 Parkview Place, St. Louis 10, Mo.

*Grand Ritualist*

Rudolph H. Blythe, 538 Hiliare Road, St. Davids, Pa.  
 Edward P. Claus, 1431 Boulevard of the Allies, Pittsburgh, Pa.  
 Nicholas W. Fenney, 62 Broadfield Road, Hamden, Conn.  
 Harold E. Huber, Stryker, Ohio  
 Glen L. Sperandio, Purdue University, West Lafayette, Ind.  
 Dale E. Wurster, University of Wisconsin, Madison, Wis.

Fraternally yours,

RAY S. KELLEY  
*Grand Secretary-Treasurer*

# National Honor Roll Supplement

## World War II

### Kappa Psi Pharmaceutical Fraternity

The following list of thirty-two new names constitutes a fifth supplement to the National Honor Roll of Kappa Psi Pharmaceutical Fraternity made up of the names of members who are veterans of World War II. The original roll was published in *THE MASK* of July, 1948, a first supplement in July, 1949, a second supplement in July, 1950, a third supplement in July, 1951, and a fourth supplement in November, 1952. With the publication of the following names the total climbs still farther above three thousand.

Undoubtedly there are others whose names have not, for one reason or another, reached this office. It is hoped that each member will consider himself as a "committee of one" and send in names of those not listed so far. Collegiate chapter affiliations are important and should be indicated whenever names are submitted.

The names of twenty-two Brothers who died in the service have now been published. If you know of any other member or members who lost their lives kindly send that information also.

When additional names accumulate they will be published as another supplement. Please send all communications pertaining to the National Honor Roll to the Editor of *THE MASK*.

### Won't You Let Us Know?

*The Editor* requests that Chapter Secretaries and others submit to him the names and chapter affiliations of Kappa Psi men now known to be serving in the armed forces of the United States. *Be certain of the accuracy of your information.*

# National Kappa Psi Breakfast, Salt Lake City

On the morning of Wednesday, August 19, 1953, the Eighth Annual National Kappa Psi Breakfast was held in the Roof Garden of the Hotel Utah, the headquarters hotel for the convention of the American Pharmaceutical Association in Salt Lake City. The hundred and five members who attended were:

R. C. Anderson	Louis Fischer	Charles B. McDermott	Hugo H. Schaefer
Marvin J. Andrews	Perry A. Foote	George R. J. McGregor	Robert Schleif
George F. Archambault	F. Royce Franzoni	Frank L. Mercer	Arthur F. Schlichting
S. E. Armsworth	M. R. Gibson	Donald T. Meredith	Arthur E. Schwartzing
Joseph G. Ball	Forrest J. Goodrich	Clifton E. Miller	Paul M. Scott
Haakon Bang	John M. Goodyear	James C. Munch	V. H. Simonian
R. O. Bachmann	Frank M. Goyan	Milton L. Neuroth	Albert C. Smith
Allen V. R. Beck	T. S. Grosicki	Charles M. Nielsen	Howard J. Snow
Gordon A. Bergy	Wallace L. Guess	Fred C. Ninger	Sterling Stearns
Bernard A. Bialk	Earl P. Guth	W. Lewis Nobles	John F. Suchy
Felix Blanc	Glenn H. Hamor	Francis J. O'Brien	Ivan J. Szekely
Charles W. Bliven	Harold G. Hewitt	Jack E. Orr	Daniel P. N. Tsao
Rudolph H. Blythe	Raymond E. Hopponen	George E. Crossen	A. H. Uhl
Roy A. Bowers	V. A. Hurley	Lloyd M. Parks	John L. Voigt
Willis R. Brewer	C. Lee Huyck	Charles F. Peterson	Curtis H. Waldon
W. Paul Briggs	Paul J. Jannke	Albert L. Picchioni	George L. Webster
Donald C. Brodie	Carl H. Johnson	William A. Prout	Frank C. Wheeler
M. R. Buchdahl	Ray S. Kelley	Maynard W. Quimby	Allen I. White
Henry M. Burlage	Joseph H. Kern	Kenneth Redman	Charles O. Wilson
John E. Christian	Earl A. Kimes	Edward C. Reif	Lee Worrell
Albert W. Claflin	John W. Kleber	R. Raymond Ricciardi	Walter L. Wuggatzer
Edward P. Claus	Donald C. Kroeger	L. L. Riggs	Dale E. Wurster
Harold A. Clymer	Charles H. Larwood	L. Wait Rising	Heber W. Youngken
Frank P. Cosgrove	E. E. Leuallen	Ralph Robertson	Heber W. Lounghen, Jr.
George E. Crossen	Ernest Little	Edward J. Rowe	
Harold V. Darnell	William R. Lloyd		
Frank H. Eby	E. V. Lynn		
L. D. Edwards	John A. MacCartney

## PERSONALS\*

Brother **John T. Pitts** (Beta Delta Chapter) has recently been placed in charge of the pharmacy service in the new 488 bed VA-GMS Hospital, Syracuse, N.Y.

Congratulations to this New York Brother.

*\*Editor's Note:* This office will welcome personal items sent in by or concerning members.

## From the Desk of the Grand Secretary-Treasurer

Ray S. Kelley

We have never realized the power of a greeting card until our recent illness. When a person is really "down" in both health and spirits, it is then that the friendly greeting brings that encouragement which performs an almost miraculous improvement in health. The many cards, letters, smokes, books, puzzles, flowers and gift baskets received from the Chapters of Kappa Psi, from the many individual Brothers, from those of the Faculty, from the Deans of our Colleges, and our neighbors were the all important "vehicle" that made the bitter medicine of illness so much easier to endure. It is impossible for us to thank you individually so we can simply endeavor to express, through this brief message, our gratitude to all of you. Your kindness removed the "dis" from discouragement and gave us the courage so very necessary during the days of illness and convalescence.

Mrs. Kelley joins with me in expressing appreciation for your thoughtful kindness and our every wish that your Holiday Season may be filled with joy and happiness.

---

## AMERICAN PHARMACEUTICAL ASSOCIATION INVITES NOMINATIONS FOR IODINE RESEARCH AWARD

ROBERT P. FISCHELIS, *Secretary*

The 1954 Chilean Iodine Educational Bureau Award is scheduled for the convention of the American Pharmaceutical Association which will be held at Boston, Massachusetts the week of August 22, 1954.

The Award consists of \$1,000 and a diploma setting forth the reasons for the selection of the recipient.

Any member of the American Pharmaceutical Association may propose a nominee by submitting eight copies of each of the publications to be considered in the competition and a biographical sketch of the nominee, including date of birth and a list of his publications.

Nominees must be residents of the United States or Canada and must have done outstanding research work in the chemistry or pharmacology of iodine and its compounds as applied in pharmacy or medicine.

Additional information regarding the Award is given in the enclosure and it will be appreciated if those to whom this Bulletin is addressed will make the enclosure available to individuals who might be interested in submitting a nomination for the Award.

All nominations should be addressed to the Secretary of the American Pharmaceutical Association, 2215 Constitution Avenue, N.W., Washington 7, D.C., and must be received on or before January 1, 1954.

## Second Grand Vice Regent Appointed Dean at University of Tennessee

Word has recently been received at THE MASK office that Grand Vice Regent Karl J. Goldner has been appointed dean of the College of Pharmacy of the University of Tennessee in Memphis. Kappa Psi is very proud that another of its members has reached such a high position.

Dean Goldner was born in Minneapolis on November 20, 1909, and received his higher education at the University of Minnesota, receiving the degree of doctor of philosophy in 1938. Before coming to the University of Tennessee in 1940 as a teacher of chemistry he served on the faculty at the University of Wisconsin.

DEAN KARL J. GOLDNER

Brother and Mrs. Goldner are the proud parents of three children. Among the organizations of which he is a member are the following: Rho Chi Society, Sigma Xi Society, Phi Lambda Upsilon, the American Association for the Advancement of Science, the American Pharmaceutical Association, Tennessee Society of Hospital Pharmacists, and the Memphis Retail Drug Association.

*Editor's note:* For additional information see THE MASK, January, 1950, page 10.

# Gamma Gamma Chapter Tops in Scholarship at University of Texas\*

Scholastic averages for the various campus organizations maintaining houses have been released by the office of the Dean of Men.

Kappa Psi fraternity is the leader with a scholastic average of 1.962, or nearly a "B," for the total membership. Halstead House is second with a 1.923 average.

The various group averages are interesting to note. The All-Girls' Co-op average is 1.695; the all-sorority mark is 1.601; and the all-women's median is 1.592.

For the men, these averages were recorded: Men's Co-Op: 1.442; fraternity: 1.335; and the all-men's mark was 1.331.

For the entire University the average is 1.409.

The compilation of scholastic averages is achieved by dividing the total number of hours completed by the members of the group into the total number of grade points earned on these hours. Dropped courses and courses receiving other symbols, such as P, Q, R, W, and X, are not included. Grades are evaluated with A equalling 3 points; B is 2; C is 1; and D and F with no point value.

After the two leaders, these groups rounded out the top 15: Powell—1.912, Shangri La—1.875, Whitehall—1.824, Kappa Alpha Theta—1.820, Kappa Kappa Gamma—1.755, Pi Beta Phi—1.752, Alpha Epsilon Phi—1.708, Zeta Tau Alpha—1.667, Chi Omega—1.651, Alpha Phi—1.627, Alpha Omicron Pi—1.603, Delta Delta Delta—1.599. These were all women's organizations. A men's organization, the Tejas Club, with a 1.590 mark, finishes up the top fifteen.

\* *Editor's note:* From the University of Texas newspaper.

## CHANGES OF ADDRESS

Members are requested to help in keeping THE MASK mailing list as accurate as possible.

Include your old as well as your new address. It is suggested that you also state your collegiate chapter affiliation.

Mail your notification directly to Grand Secretary-Treasurer Ray S. Kelley, 179 Longwood Avenue, Boston 15, Massachusetts.

# Newly Appointed Student Members of Executive Committee

Dennis F. Dziczkowski  
Beta Psi Chapter

Edward H. Stonis  
Beta Lambda Chapter

**Dennis F. Dziczkowski** was born on May 11, 1932 in Milwaukee, Wisconsin. He spent his first 12 years in Milwaukee after which the family moved to his present home in West Allis, Wis. Dennis attended West Allis Central High School where he was vice president of his senior class, vice president of the debate team, and on the varsity swimming and track teams. He graduated in 1950.

Dennis then entered the University of Wisconsin where he was president of the Student Branch of the American Pharmaceutical Association.

In 1952 he pledged Kappa Psi and was elected Regent of Beta Psi in 1953. He is also a member of Rho Chi.

He took the "fatal" step on June 20, 1953, and married Ruth Freund his home town girl.

**Edward H. Stonis** was born in Cleveland, Ohio on July 30, 1927. He attended elementary school and later the East Technical High School in Cleveland. Following graduation, Edward enlisted in the Navy where he served for two years. After being discharged he entered Ohio State University where two years of college work was completed. He later entered the University of Toledo where he is now a senior in the College of Pharmacy.

Brother Stonis has been an active member of Kappa Psi since his initiation and has taken an active part in various school activities. At present he is an officer of the Student Branch of the American Pharmaceutical Association at the University of Toledo and he is also Regent of Beta Lambda Chapter.

# Chapter Letters

## GAMMA—COLUMBIA UNIVERSITY

Another year beginning with the same old Historian. Gamma extends a hello to all its Brothers at the beginning of the 1953-54 year. We here at Gamma are looking forward to this year with an optimistic eye both towards a successful year of fraternalism and a successful scholastic one with graduation in view for a few of the Brothers.

Our schedule for this year begins with a smoker in late November to be held in conjunction with the New York Graduate Chapter meeting at the New York Athletic Club. Following this will be the usual pledge period extending until initiation in February. A Christmas party and some other sort of get-together is receiving lots of thought, and we hope to hold even more. As far as the spring goes we will hold our annual dinner-dance, this year hoping it to be our most successful.

We at Gamma wish to announce with pleasure that another Kappa Psi man has joined the teaching staff at Columbia. He is Professor Clay and is now putting the seniors through their paces in pharmacology. He is a member of the Columbus Graduate Chapter and we are sure he will become a great asset to both Columbia and to our own chapter. We are also sure of his attendance at our N.Y. Graduate Chapter meetings.

We are also pleased to announce the return of Brother Richard McGrath from his two year hitch with the U.S. Army and is now registered as a Junior.

Forgot to announce, as part of our schedule, the national convention in Washington and all of us at Gamma are planning to attend, and we are looking forward to meeting a great bunch of guys.

The Columbia junior-senior trip in January is scheduled for visits to Lilly and Abbott in Indianapolis and North Chicago respectively.

Till next letter and Washington, D.C.

Fraternally,

WILLIAM J. TILLMAN, *Historian*

## EPSILON—UNIVERSITY OF MINNESOTA

Autumn has come to the land of sky blue waters, bringing with it another school term and a promise of a full year of fraternal activities.

During a recent luncheon our first meeting of the quarter was held. At this time plans were made for the annual Homecoming Celebration to be held following the Indiana game on November 7. The dinner-dance which is sponsored by the Graduate Chapter will take place at a downtown Minneapolis hotel. Brethren from all over the state will be represented and a record attendance is anticipated.

On October 9 a smoker was held at Coffman Union on campus and several undergraduates were introduced to Epsilon Chapter. A professional film was shown and light refreshments served. A large

initiation is hoped for this year since many members expect to graduate come June. Several other such events are on the agenda for fall quarter with initiation to be held in December.

Epsilon Chapter welcomes Jack R. Cole who recently graduated from the University of Arizona and is now enrolled in graduate work at Minnesota. Brother Cole is a Scholarship Winner and is soon to be presented with his Key and Certificate. Best of luck to him in his future endeavors.

Two of our Brothers have begun the school term by plunging into student government. Francis Crawford was elected to the Pharmacy College Board and Mike Martell has become a member of the Senate Committee on Student Affairs.

The only summer get-together for some Epsilon members was in July during R.O.T.C. training at Fort Sam Houston, Texas where a "hot" time was had by all. Most of the cadets were happy to return to more accustomed climes after their six weeks in the South.

The Chapter congratulates its vice regent, Howie Ekberg on his marriage this summer.

Yours Fraternally,

LINDLEY A. CATES, *Historian*

## ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

School days, school days, and here we go back to the old ivy-covered halls to soak up some more of that ever-loving knowledge. That's the cry heard 'round West Philadelphia for the past few weeks and it certainly is a welcomed cry after the long Summer recess.

With the first few weeks of the term came the frosh hops and their accompanying parties. These magnificent affairs have come and gone and from all indications the old guard as well as the youngsters really whooped it up and got acquainted in a big way.

Besides the new faces on campus are noted some of old friends returned from the armed services. Last year saw the return of Jim Leedy and Ed Arnista. This year we welcome back Bill O'Brien from a tour of duty with the U.S. Air Force.

Following a very successful and supremely efficient year as housemaster of the Eta House, Nick Varga has turned over those duties to Tom Frontz, who has thus far carried the ball with the same sort of enthusiasm and zeal for which his predecessor was so noted. This year has seen many improvements on the house and grounds at 4224 Spruce. Under the watchful and ever quick eye of the one and only "Chief Merkins" the following repairs and improvements have been completed: new cathode tube lighting has been installed in the Chapter Room, washroom facilities have been completed in the basement, permanent sink and coils have been installed in the basement bar, and the wooden front porch and steps have been replaced by concrete ones.

"Christmas cards anyone?" is probably what you'll be hearing Jim Freels saying for some time to come. In accordance with our fund-raising campaign Jim has arranged with one of the major companies for the sale of these cards by the member. Jim is also the chapter's hard-working treasurer and even though he's kept constantly busy with other matters this extra chore will be added cheerfully.

College styles have taken a decided turn for the better this year with the proposed addition of blazers to the collegiate wardrobe. Congrats to Bob Bowen for an inspired and very farsighted idea.

Meeting styles have also undergone a complete reversal at the hands of Regent Jim Leedy, so as to stress more emphatically the ritual rather than the business portion of these meetings, as had become the custom previously. With the aid of the ritual team our meetings have begun again to drive home in vivid reality the true purpose in the principles of Kappa Psi.

Now, on behalf of Eta Chapter I should like to say an exuberant "HI there" to all the Chapters of this great family of Kappa Psi.

Fraternally

WINFIELD SMITH, *Historian*

## MU—MASSACHUSETTS COLLEGE OF PHARMACY

Autumn at last! This is the time of year that we enjoy the most here in New England. Take a ride through the Berkshires in western Massachusetts, the White Mountains of New Hampshire, or the Green Mountains of Vermont, and you'll see nature at it's best. The countryside is splashed with beautiful color running the gamut from a golden yellow to cardinal red. Roadside stands abound with generous supplies of tremendous pumpkins, squash, and newly-picked McIntosh apples. Harvest time and good fellowship go hand in hand so it isn't too far a cry from autumn to news of the Kappa Psi brotherhood at M.C.P.

Another school year is well under way and the good old Kappa Psi spirit is really running high hereabouts. Mu activities got off to a great start with a highly successful record hop on October 5 at the Elks Hall in Brookline. This was a repeat performance of one of last year's highlights. Once again Ray Gosselin, our disc jockey *par excellence*, demonstrated his ability as a most popular m.c. When you take Ray's collection of soft and sweet recorded melodies, mix well with a liberal quantity of jump tunes from Izzy Trovato's record library, and sprinkle in a generous amount of square dancing called by Ted Sannella, you have the formula for a top-notch party. The enthusiasm of the large crowd on hand forecasts a successful year ahead for Mu Chapter. Ed Byrde and his social affairs committee are already making plans for a grand parade of events.

We of Mu Chapter were greatly saddened to learn of the illness of Ray S. Kelley, our Grand Secretary-Treasurer. His ready smile is sorely missed at M.C.P. The passageway outside his office just isn't the same without his presence and fabulous sense of humor to inspire us before classes. Hurry and get well Professor Kelley! All members of Mu send you best wishes for a speedy recovery.

News of last year's graduates reveals that Uncle Sam and Cupid both worked overtime during the

summer months. Dave Bartlett, Chester Davis, Kim Thomas, D. D. Vacca, George Susla, and Moe Goulet are now in the service and by the time you read this Ralph Blomster, Art Nichols, Louis Principe, and Ernie Clark will have joined them. Quite a few of the boys took a trip to the altar after graduation. Those who took part in this experiment to learn if two can live as cheaply as one include: Russ Wagner, Tom Perkins, Art Nichols, Kim Thomas, and Joe Palumbo. Tom Higgins is due to exchange matrimonial vows on October 17, and just to make sure he doesn't change his mind Jerry Sullivan and Jack Elder will be on hand as Best Man and Usher respectively. Incidentally, both Jerry and Jack are now back at school doing graduate work—the former in Chemistry and the latter in Biological Science.

More news discloses that Don Eastman is working for the Chester Baker Co. in Boston and George Skenderian is with his father at the Starr Pharmacy in Cambridge. Joe Bush is working at the Dover Clinic in Boston while Tom Higgins has been saving for that honeymoon from his earning at the Duffy Drug in Fall River.

Mu Chapter is very happy to welcome a new facultate member, Brother John W. Schermerhorn who comes to us from George Washington University.

Clayton Wagner is now at the Dexter Pharmacy in Dexter, Maine and is working for Joseph Porter, class of '28 and an alumnus of Mu Chapter. Roger Mantsavinos is at Purdue University on a Fellowship from the American Foundation for Pharmaceutical Education. Tom Perkins is with Eli Lilly and Company and Randall Tinker is continuing his graduate work while teaching at the University of Florida. Best of luck to all of you!

Congratulations are in order for Regent Stan Blanchfield, Robert Berry, and Sam Koorejian, all of whom recently departed from the status of bachelorhood and now have someone to type their notes for them. Congratulations also to Mr. & Mrs. Ray Gosselin who are the proud parents of a baby boy.

Mu Brothers have captured one-third of the available Scholarship Awards this term. Recipients and their awards are as follows:

Richard O. Campbell—*Scholarship of the Massachusetts College of Pharmacy.*

Lester R. Gagnon—*Edward B. Nassif Scholarship of the Druggists and Traveling Men's Assoc. of Western Mass.*

Philip E. Griffin—*The Gilman Brothers Scholarship.*

Paul J. LeSage—*The Boston Druggists' Association Scholarship.*

Joseph R. Principe—*The John L. Thompson, Sons and Company Scholarship.*

Gerald J. Russo—*Scholarship of the Massachusetts College of Pharmacy.*

William F. Bousquet—*Mass. State Pharmaceutical Association Elie H. La Pierre Memorial Scholarship.*

David L. Phelps—*Scholarship of the American Foundation for Pharmaceutical Education.*

Al Brown reports that the House Fund Campaign is steadily making progress but that our \$20,000 goal is still a long way off. However, continued donations from Mu undergraduates and alumni will add up and we hope that the Frat House of our dreams will eventually become a reality. We wish to take this opportunity to thank

those who have already done their part on behalf of this Fund.

Best wishes to all Kappa Psi Brothers for a year of good fortune and prosperity.

Faternally yours,

TED SANNELLA, *Historian*

## NU—UNIVERSITY OF CONNECTICUT

Well, here we are—back at school again for another year of studies, fun, and frolic. If the first social event of the year is a good prediction of what is to come, it looks as though the men of Nu will be well provided for in the social world here at UConn.

Our newly elected social committee has great plans for the coming year. On October 7, we were honored by the presence of about thirty girls from Pi Beta Phi Sorority. Due to the limited size of our lounge and the number of people attending, close friends were soon made.

We sang songs, were entertained by the "uke" and an accordion, had cider and doughnuts for refreshments, and fun was had by all. I hear a rumor from our social committee that an affair like this will be held every month with a different sorority attending each time. It sounds like fun.

We here at Nu were quite proud when the University published the scholarship ratings for all the fraternities and sororities on the campus. We were rated third among all the fraternities. We hope to be able to maintain this high standing from now on. We are still relatively new on the University of Connecticut campus and we are constantly striving to bring the name of Kappa Psi to the fore in every field of endeavor.

It looks as though the men from Nu are well represented in our R.O.T.C. program here at school. We have two majors, one captain, and one second lieutenant leading the underclassmen out on the drill field.

I hear through the grape-vine that two more Brothers entered the field of matrimony during the summer. Best of luck to Brothers Bob Rappa and Jack Hartman and their new wives.

With our return to campus this year, we found that the Snack Bar in the new Student Union Building had finally been opened. Since it is located about half way between the College of Pharmacy and our chapter house, you can often run into several of the Brothers taking time out for a cup of coffee or a soda.

Well, with the advent of the cold, biting wind which we have experienced this past week, we see the changing colors of the country side, the fading tans of summer months, and the promise of a cold winter ahead. With these few remarks, may I wish each and every Brother a happy and successful year, and I will see you again in the next issue.

Faternally yours,

WALLACE LEETE, *Historian*

## XI—OHIO STATE UNIVERSITY

Things are really humming for us at Xi Chapter. It means that a very eventful quarter is in the making, with rushing parties, social affairs, and an Upjohn Company trip making up part of the events. It seems as if there were no break between this quarter and last quarter, a quarter in which so much happened.

First of all, there was the Professional Scholar-

ship Report for 1951-1952 which ranked us Number One in point average among 15 other professional fraternities.

And, of course, we are happy to announce the initiation of five swell fellows to our chapter: Peter Harry Phiroopoulos, senior; Tom Saki, junior; and sophomores George Lake, Walter Dean Kirkland, and Dennis L. Ramey.

And while we are in an announcing mood, we would like to announce that Mr. Rupert Salisbury has become our fraternity advisor. He had replaced Mr. Frank Cosgrove, who left Ohio State and is now teaching at the University of Nebraska.

We also held the American Pharmaceutical Association's dinner-dance, at which we honored the graduating seniors (to whom we wish the best of luck always).

In closing, we think it appropriate to extend congratulations to Bill Saneholtz and Bill Weimer, editor and circulation manager, respectively, of THE SPUR, the Pharmacy's quarterly publication. THE SPUR was an immense success last year and we believe that this success was due to the effort put forth by our brothers.

Faternally yours,

PAUL SIKORA, *Historian*

## PI—PURDUE UNIVERSITY

Vacation was over September 21, and we at Pi are back at the old grind. Everyone was glad to see their old friends and classmates again. We hope Kappa Psi men everywhere had a pleasant and prosperous summer.

Although school has been in session only a little over three weeks, we are already off to a good start. Pi Chapter held its first meeting of the year on September 29. Various committees were set up and we have several irons in the fire which promise to make this a busy semester.

On October 10 we held an informal dance with Kappa Epsilon. This was our first social event of the year and proved very successful. There was a good turnout and everyone enjoyed themselves tremendously. The following day many of us had an early reveille for an inspection trip of Abbott Laboratories and consequently were in varying degrees of agony.

Faternally yours,

JAMES BILL, *Historian*

## RHO—UNIVERSITY OF KANSAS

Rho Chapter of Kappa Psi officially began the '53-'54 school year Wednesday, September 23, with a formal meeting at the new student union. The many plans made during the summer were enthusiastically accepted, particularly the new lower dues assessed for the year.

A special election was held to select a replacement for Bill Pittman, one of our June graduates, as Historian.

The pledge class started late last spring was initiated Thursday, October 8, at Lone Star Lake. The weather being a little too cool for dunking trainers Heavin, Woods, and Spainhour, the evening's activities not only were more or less enjoyed by everyone, but also resulted in strengthening the chapter by 12 men: Sam Wagner, Bob Tebow, Jere Matchett, Perry Rashleigh, Pat Alkire, Jack Kellison, J. C. Gleason, Dick Marquardt, Jerry Murphy, Crandall Melia, Martin Swisher, and Henry Whittenberg.

The pledges shouldn't despair as a new pledge class is being started in the near future to take care of recent additions to the school, so cheer up fellows your chance is coming.

This covers the news till next time and the professors let up a little on the "Welcome back to school exams."

Fraternally yours,  
RALPH I. BRETCHES, *Historian*

## UPSILON—UNIVERSITY OF KENTUCKY

Last year's reception on registration night sponsored by Kappa Psi was so well received that it was repeated this year under the sponsorship of all the student organizations of the college. Punch was served in the library; quite a different setting from what it will be the next 16 weeks, and the sophomores were given an opportunity to get acquainted with the faculty and the school in general.

This was the beginning of what is proving to be a big year for Kappa Psi here at U. K. We owe our recently activated graduate chapter a large vote of thanks for the tremendous boost they have given us. Especially Don Smith, Carl Stamper and Bob Corum, the committee for the smoker held on September 24 at the 40 & 8 Club. It was one of the biggest and the best we have ever attended. So thanks again grads. As usual there was always a large crowd around the piano. Arz Amburgy, Gil Hopkins, R. L. Ross and George Elliot may have been harmonizing but the twenty or so other voices had it on them for volume. We all agreed that Bob Corum's stories while not the funniest were by all means the oldest. That the sophomores were favorably impressed shows in the number of pledge cards that have been signed.

Right now plans are being completed for the Halloween Ball to be held in the Seelback Hotel Grand Ballroom on Friday evening, October 23, music by Johnny Burkhart's Orchestra. Arza Amburgy and his committee, Gene Duba, Gil Hopkins, Bob Self, Ben Schadwick, John Fitch, Dick Schnatter and Jack Beierle, have plans for the event under control and we're all looking forward to the big event.

A group of 18 sophomores were formally pledged at our regular meeting on October 15 by Bob Waddell, our Vice Regent. We are all looking forward to initiation time. They with apprehension and we with a smile however. More about this at a later date, though. In the past we have held a fall formal initiation and another in the spring. This year plans are to combine the two pledge groups and have one large initiation ceremony sometime in March or April. So as yet no date has been set for the event.

That's about it for now, so 'till I see you again in January; Lots of luck to our Kappa Psi brothers everywhere.

Fraternally yours,  
HERBERT BETZ, *Historian*

## CHI—UNIVERSITY OF ILLINOIS

The fall quarter is well along towards middle age having bore the brunt of conflicting World's Series and chemistry schedules, the A. Ph. A. collection, and harrowing freshmen. True, we're glad to see so many eager, smiling faces but the glare of white buck was almost too much to bear. During the wonderful summer months no official social functions were held and even now football horns in on Halloween. Instead of the usual

October 31 party, Illinois played footsie with Purdue, and quite a few of the fellows attended the game.

Now, all joshing aside, I must commend the official machinery of the Fraternity on getting off to an early start. Max Ullrich, Regent was active all summer coordinating plans for the complete year to come. Max, no matter how he tries will be left holding the bag unless every one comes through in the pinch.

The Ways & Means Committee, headed by Ray Brodrick has lined up the Goodman Theater for Mother's Day, 1954. Now don't say that it is a long way off—keep the date in mind and fill the show, fill the coffers of Kappa Psi. The play is going to be a first-run hit, which I'm sure all will enjoy.

The Pledge Committee, led by vice-regent Greg Bukowski, has met the challenge of the two other on campus fraternities with a Noon Luncheon. Prospective pledges were invited as were the graduate and faculty members. I don't know how many attended but a good sized dent was made in the chow department. Especially gratifying was the presence of a goodly number of the faculty. Dean Serles, who was our guest speaker, far surpassed the speech he gave last year. Truly, not knowing if the Dean reads this or not, I'll say that the talk was inspiring even to this grizzled veteran of two years. Also without his being forewarned, we called upon Dr. Webster, to present to him a Faculty Advisor Key. We sort of put the Doctor on the spot because he almost was at a loss for words, but he came through like an "ad libbing" student called upon without his assignment.

Social Plans are going great guns. A South Seas Party is planned for November 21. To insure a fast moving party the girls will only receive half the material they were allotted for the French Quarter Party. The Christmas Party will come off as it has traditionally for so many years and I suppose so will the New Years Party. Hope to see all my brother Historians there. Good Wishes to all in their coming exams and Good Cheer in the approaching holidays. See you at the convention to extend personal greetings—auf Wiedersehn.

The Boys at Chi  
JERRY DONY, *Historian*

## OMEGA—RUTGERS UNIVERSITY

We're still in a daze! We haven't recovered from the remodeling of the building—and the curriculum. But we can boast about our recently completed library and study. The floor is tiled with yellow squares. The two longer walls are painted yellow, the end walls gray, and the ceiling white. There are hundreds of feet of fluorescent lighting, new book stacks, and new tables. Despite all this, the library is doing less business than usual. It seems that somebody forgot to order chairs. Also under "What's New" is our ultramodern dispensing laboratory. You may have seen pictures of it in *Drug Topics Magazine*. The cabinets and sliding drawers which make up the counters are painted gray and topped with black formica. (The custodian will really have to go some to keep the shine on all that chromium trim.) The equipment is in an "atmosphere" of sterile white paint. And it all looks just too good to use.

Here's the big news! Twenty-five members of the Surf Club rented a shore house at Bradley Beach, N.J., from June 6 to September 30. It

had a modern kitchen and large closets, into which we managed to squeeze beds. We spent the days burning to a crisp at Belmar. Many of you take campus life for granted. But we commuters, who think that "the college green" means "tuition money," really appreciated having a house. Can you imagine it? Herb Windheuser hitched a ride to the house in a taxi. (While we think of it we should thank Herb and Leonard Riedinger for their work in managing the whole affair.) Nick Coviello had us all believing that he was a counselor for those two weeks at Camp Drum. Joe Alba is still raving over the lobster dinner that Nick served the brothers the weekend he returned. Through the various brothers we met several wonderful fellows outside Kappa Psi. Among those most frequently at the house were Bob Chiturkin from Upsala College and Bob Citrini from Boston Medical School. Our honored guests were Sidney Impal, Tom Medwick, and Bart Sciarone, past officers and graduated members of our chapter. Several fellows arranged the event of the season—a beach party—for August 14. Instead of that we had a hurricane. After conducting extensive weather surveys we decided to give the party the Saturday of Labor Day weekend in Deal. This time everything was perfect! There were a million stars in the sky. Music was by RCA, Columbia, and Decca. The fire that the fellows and their girls built on the sand created a cosy atmosphere. Actually, we (editorial "we") thought that it rained that night. But all these brothers, who were there, can't be wrong about it: Bellino, Calvo, Coviello, Lindstrom, Meer, Riedinger, and Windheuser. A few of the brothers went wading in the ocean and got caught, fully clothed, by the in-coming tide. After they made it back to shore and dried out, everyone joined in a wienerwurst roast. Sehr gut, mein herren! Then Bob Calvo took pictures. All of this lasted until way past everybody's bedtime. Slides and movies of the goings-on will be shown at a "blow out" still to be planned. The members of the Surf Club voted to give the \$43 profit from this year's operations to next year's club fund.

The Armed Services are extending their hospitality to Pvt. Ralph Cifaldi in Camp Polk, Louisiana; A/3C Bob Erb in Keesler Air Base, Mississippi; and Lt. Adrian Paerels in Sheppard Air Base, Texas. Bob Erb enlisted in March, took his basic training at Sampson Air Base, and went to Keesler Air Base for radio training. At this writing Bob is halfway through his 28 week course. He goes to school six days a week from six in the morning until 12 noon. And we think that we have it hard! The objectives of his course are to learn International Morse Code and to be able to receive it at a speed of 20 words per minute. Bob promises that if he gets Christmas leave he will stop by to see us. Then he will return to finish school and graduate in March. His next assignment will probably be overseas. Bob passed all the requirements for Officer Candidate School, but, because of a cut in the Air Force budget, he must wait for appointment. We hope that he receives it soon and wish him luck. For the past ten months Adrian Paerels has been in Texas in cadet training. On September 22 he was commissioned a lieutenant and was given his observer wings. Adrian is a rated radar observer and right now (October) is going to bombardier school. When he finishes he expects to fly on B-29 or B-36 type aircraft. Adrian says that his only contact with the fraternity has been through THE MASK. We are sure that he, as well as the other boys in service, will appreciate

your letters. As soon as we receive news from Pvt. Cifaldi we will pass it along.

In his letter Bob Erb wondered whether our football team was "knocking them dead." They are, Robert! So far our team is undefeated. We won the tussles against D.S.T. fraternity and the Independents 12-2 and 6-0, respectively. Don Mueller and Ken Van Duynne scored the touchdowns. Supporting them were most of the other Omega All-Stars: DiFazio and Mitroz (co-captains) and Alba, Bellino, Calvo, Cutinello, Janesky, Jasaitis, Meer, Merkle, Saraffian, Schiattarella, Vitale, and Windheuser. Since we intend to win the Interfraternity Championship this year, the team will conform to a rigorous schedule. Even our cheerleaders will have to cut out smoking to keep their lungs in shape for the games.

Omega Chapter wishes sincere welcome to Drs. King and Voight, members new to the faculty but not to Kappa Psi. Also, Congratulations to Walt Lindstrom and Miss Barbara Brown on announcement of their engagement.

This year Omega Chapter has a group of aggressive officers and committeemen ably led by Regent Paul Meer. We now have a membership that is willing to put into the fraternity a lot of time and work. Therefore we predict that Omega Chapter will make this year its most active and most successful one in recent history.

*Attention Gamma Tau.* Our two officers, Paul Meer and Nick Coviello, have been elected delegate and alternate, respectively, to represent us at the National Convention. We plan to use the delegate's allowance for the trip toward gas and oil for several cars. So, you can expect us en masse. You will be able to recognize us by the Eisenhower buttons in our lapels. Please, no bands or special parades. See you in Washington!

Sincerely,

RICHARD FINN, *Historian*

## BETA DELTA—ALBANY COLLEGE OF PHARMACY

Greetings from Beta Delta, to Kappa Psi Brothers throughout this great country of ours. Being able to get together, even as indirectly as this, makes you appreciate what a wonderful land this really is.

Well, another year officially started on September 15, and already signs of battle fatigue are showing up. Now that the settling down process has been completed in most respects, we of Beta Delta are high on making this one of our most successful years. The night of September 22, played host to our first meeting of the year. There was an excellent turnout and many matters of special interest were discussed. Following the business meeting, a very enjoyable "party" was held at Larry's, featured by several discords from that noted singer, George, Jimmy Durante, Erhmmman.

We Brothers are looking forward to the evening of October 16, when a party will be held in our honor by a very charming group of girls from our neighbors, Albany State Teachers College. (Do you think they will be able to teach us anything?)

The initiation of upperclassmen will be held on October 27, at the College and near vicinity. A committee has been appointed to take care of the arrangements and make sure our new Brothers are properly welcomed.

The Albany Graduate Chapter has invited the Collegiate Chapter to a Smoker to be held in the

near future. It sure will be good to get together with our Big Brothers and talk over old times.

We are planning on purchasing some new regalia to have by freshman initiation time. No date has been set for this big event, of course, but news of it will be reported in the next writing.

It has been decided to send four Brothers to the National Convention in Washington, D.C., to be held during Christmas recess. These will be appointed shortly.

FLASH!—we have just received an invitation to a dance-party from another State College Sorority to be held in November. Boy, oh boy!!

Congratulations are in order for several of our Brothers. First to Ed Bernhauer, who was elected president of the student branch of the A. Ph. A. The Sophomore class saw fit to elect two Brothers to office this year—Al Salvette as president, and Andy Perkins as vice president. The Junior Class followed the same pattern, elected Mike Parella as president, and Bill Lencourt as vice president. Carmin Pezzulo came through by being unanimously elected historian of the Senior Class.

In closing, we of Beta Delta would like to extend our sincere Fraternal good wishes to Brother Ray S. Kelley and hopes for long continued service.

Fraternally,  
MILTON O. KLING, *Historian*

### BETA EPSILON—RHODE ISLAND COLLEGE OF PHARMACY AND ALLIED SCIENCES

Once again Summer vacation is over and it's time to settle down to business. During the Summer, each of us goes his separate way, either getting practical drug store experience or some other form of diversion. It's a great relief to get

away from the routine of classes, but a greater joy to return in the Fall and greet our Kappa Psi Brothers with a warm handshake and a cheery hello.

We sort of loose contact with each other in the Summer, but we have made it a practice to get together at least once. Again this year Brother Murphy opened his summer home to us for a beach party. It was really a "Ball."

Five of our Brothers from the class of 1953 are now serving in the U.S. Army. They are Brothers William Clarkin, Richard Cosimini, Andrew Murphy, Robert Pinault, and Guy Santopadre. We wish you lots of luck!

Three of our Brothers from the same class are doing graduate work at the University of Maryland. Mario Aceto is majoring in pharmacology, Oscar DePaola in pharmaceutical chemistry, and Jan Pikor in hospital pharmacy.

We've got a whole year of hard work and good times ahead of us. There will be monthly dinner meetings, dances, raffles, a new slate of officers, and many other things which all go into the making of what we hope will be another successful year for Beta Epsilon.

Fraternally yours,  
ERNEST A. CHRISTENSEN, *Historian*

### BETA ZETA—OREGON STATE COLLEGE

The first meeting of Beta Zeta Chapter of Kappa Psi for this new school year was held on October 6 at the Corvallis Hotel following a very fine dinner. Regent Mel Larson was unanimously elected to be our delegate to the national convention.

We are going to take part in the Pharmacy Student Carnival on October 17 by putting up a game

INITIATION BANQUET AT BETA LAMBDA CHAPTER

BETA LAMBDA CHAPTER, UNIVERSITY OF TOLEDO, 1953

Front row (kneeling): Robert Chandler, Professor Mack, Donald Maniak, John Grieselding, and Robert Marciniak.

Second row: Norman DeGroff, Ronald Stahl, Professor Aponte, Frank Ratta, Ronald Romano, Dean Larwood, and Gerald Ryan.

Third row: Charles Stealing, Charles King, Robert Forche, Donald Caldwell, Goro Shizuru, Victor Buzzelli, Ronald Wyman, and Roger Meissner.

Fourth row: Delton Doederlein, Edward Rohrer, Daniel Mauntler, Herman Kahler, Roy Dague, Harold Krauss, Lawrence Huffman, William Quinn, and Thomas Kriner.

Fifth row: Robert Zanella, Edmund Smich, Alfred Gaffney, Edward Stonis, Donald Suntala, Gerold Oppenlander, and Charles Cline.

Sixth row: Dwain Hoffer, Keith Larzalere, Richard Smietanski, Gilbert Molnar, Herbert Rice, Russell Greismer, Theodore Ball, Douglas Sloan, George Stoyanovich, Edward Prestnar, and Eugene Long.

booth and presenting a short skit. The purpose of this non-profit carnival is to present an opportunity for the various classes of pharmacy students to become acquainted with each other, the faculty and the various organizations at the school.

Plans are being made to have some sort of entertainment for the old grads of Kappa Psi that come to the homecoming game with W.S.C. on November 14. The pharmacy building will be open for inspection tours during the morning before the game and there will be a party in the evening. On October 7 a group of members attended a meeting of the Portland Graduate Chapter where they discussed the plans and invited all present to come down for the homecoming activities. All alumni of Beta Zeta and their wives are extended an invitation so we are looking forward to seeing you on November 14.

Fraternally yours,  
BILL GASCOIGNE, *Historian*

#### BETA LAMBDA—UNIVERSITY OF TOLEDO

With the pressure of finals bearing down on us, we missed out on our last news letter to *THE MASK*, but we hope to fill in the missing informa-

tion at this time. Beta Lambda, under the guidance of Regent Ed Stonis, has planned an extensive professional and social program for the coming social year. At an informal meeting the first week of school, plans for a smoker were discussed as Ed Stonis continues the work of last year of building up Beta Lambda to a highly successful fraternity. The informal get-together was held at the Trilby Gun Club whose services were made available by a Toledo University alumnus and Kappa Psi Brother, "Dutch" Hofstetter. Right now we have 40 actives and eight pledges to be activated shortly.

Formal initiation of nine pledges who just entered the College of Pharmacy this term will take place September 27, 1953 at the Stork's Nest. The new "actives" will be: Norman Baciak, Robert Francis, Dwain Huffer, Charles King, Richard Lardinais, Gerald Oppenlander, Harry Thom, Robert Wallick, and Robert Marciniak.

Jose I. Aponte, popular associate professor of pharmacy has agreed to act in the capacity of advisor to the fraternity this year. He will fill the gap left by Walter Mack who left the teaching profession to enter retail pharmacy.

Scholarships were awarded by the College of

Pharmacy to two Kappa Psi men, Ted Ball, and Ed Smith. Mr. Ball also was elected to Phi Kappa Phi, the university honor society.

Some of the boys decided to order mugs for themselves this year for various purposes. So far, about 30 boys have signed up for them so this looks like the year.

A new dispensing lab currently sparkles the College of Pharmacy section of the University. Kappa Psi donations have helped this project along so consequently we are all very proud of it.

Fraternally yours,

TED BALL, *Historian*

## BETA XI—UNIVERSITY OF NORTH CAROLINA

Beta Xi begins the year at the same address, 117 West Rosemary Street, Chapel Hill. This year we have 24 Brothers and 1 Pledge living in the house. We hope to fill the 3 vacancies with new pledges. Most of us arrived back at school a little early in order to straighten up the house, and finally did so, but not without a lot of work.

Our Fall Pledging Smoker was held October 7, and was, we think, very successful. Beta Xi pledged 25 freshmen and 1 junior. They are: Bill Foster, Jim Mears, John Collins, Keith Denny, Burwell Temple, James R. Oakley, Richard "Gus" Johnson, Elmo McCorkle, Dallas Evans, Leo C. Kelly, Jr., Mike Parker, John "Mickey" Smith, Jr., Glenn Lassiter, Gerald Harrington, Guy Coleman Williams, Joe E. Smith, Ernest S. Carraway, George Tee, Jr., Harold H. Thomas, Van King, Jerry Leatherwood, James T. Street, Floyd Parker, Jim Arena, Donald J. Miller, and Douglas Callicut.

Several of the Brothers heard bells this summer, wedding bells, that is. Brother John Mills, our Chaplain, and Barbara Sparks, both of Cliffside, were married September 6. June graduate, Brother Rowe Cambell and Anne Sherrill were married June 24, and Brother Joe Bland and Emily Russell were wed September 13.

In the Pharmacy School elections last May and also this Fall, Beta Xi men were selected to some of the top offices. David Dowdy was elected president of the Student Body, with Jim Robinson as vice president. Bud Bradshaw is treasurer of the NCPA and A. Ph. A. Student Branches, and Don Raper is vice president. In the Sophomore class, Johnny Andrews is president, and Wayne Polk is vice president. Al Mebane is president

of the Junior Class and Jerry Rhoades is vice president. Gene Hackney is the Pharmacy School representative to the Men's Honor Council. Brothers Hal Paderick and Tom Curtis are employed as laboratory assistants.

At the beginning of school, 4 of the Brothers, Doc Perkins, David Dowdy, Al Mebane, and Gene Hackney, were selected to act as Orientation Counselors, to aid in the Orientation of new students. Brothers Doc Perkins and Jim Anderson were chosen to serve on the University Dance Committee, which governs all school dances.

Beta Xi wishes that each of the chapters all over the country could visit us here in Chapel Hill, and hopes that everyone will be at the Convention in Washington, in December, 'cause we'll be there, looking for "you all."

Fraternally,

A. H. MEBANE, *Historian*

## BETA OMICRON—UNIVERSITY OF WASHINGTON

With the turning of the leaves to gold and the first touch of fall in the air, the Brothers at Beta Omicron laid down their summer outfits, picked up their books once again, and returned to Bagley Hall and the University of Washington. With a pleasant summer behind us, all hands are looking forward with anticipation to a prosperous and eventful school year.

Our first business meeting of the year was held October 6, on the top floor of Bagley Hall. Foremost amongst the discussion was the sale of tickets to the Showboat Theatre for the October 20 presentation of "Happy Time." This event has become somewhat of a tradition at Beta Omicron, and has always provided the members, faculty, alums and guests with an evening full of surprises and good entertainment. Invitations and tickets were sent out to our graduate brothers, so high hopes of an informal reunion are in the offering.

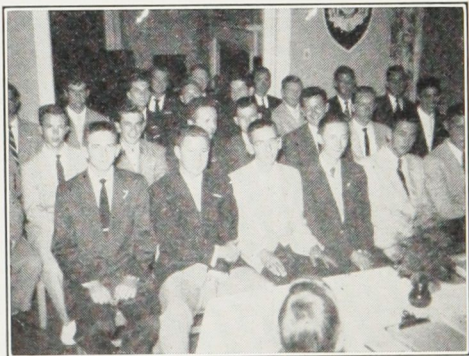

Also discussed at the meeting was a plan for a Pharmacy Ball to be held during the school year. Much has been said about such a plan in the past, but the idea seems always to vanish, but this year the members seem determined to push it to reality, at any rate we are all hoping so.

Of greatest importance during the summer vacation was the Kappa Psi picnic held at Beaver Lake, August 21. Although the weatherman left much to be desired, nevertheless a goodly number turned out to enjoy a pleasant afternoon of picnicking and renewing old acquaintances.

The College was well represented at the recent American Pharmaceutical Convention at Salt Lake City by the presence of Dean Forest Goodrich, Dr. Walt Rising, Dr. Elmer Plein, Dr. Heber Youngken, Jr., and Dr. Louis Fischer, Kappa Psi's First Grand Vice Regent. A good time was reported by all in becoming better acquainted with members from all over the nation.

Word has been received that Donald Kelly, drafted from the ranks of Kappa Psi last year has arrived in Korea for a tour of duty. Our best wishes for a successful and safe venture go out to Don, and we hope to be seeing him back in school before too long.

Brother Janis Runikus, who graduated in June, but is staying on to do graduate work, had quite an eventful summer. Besides becoming an associate member of Sigma Xi, national science honorary, Janis also deserted the happy, carefree life of a bachelor and tied the fatal knot. The lucky

Fall Pledge Class at Beta Xi

girl was the former Biruta Benson, and the big step was taken August 23.

Several of the married Brothers reported new additions to their families during the summer. Dr. Walter McCarthy of the college staff was blessed with a baby boy September 25, and in our college chapter, Regent Wayne Mosby also became the father of a strapping male heir, August 8. Also claiming another dependent was William Wetherby.

Well, that's about all the news, gossip and tidbits from the University of a Thousand Years for this time, so we at Beta Omicron wish all our brothers across the land best hopes for a successful year.

Fraternally yours,

ALAN OLSON, *Historian*

### BETA PI—STATE COLLEGE OF WASHINGTON

Three weeks of this semester have passed and everybody here in "Cougarville" is getting settled down for another year of hard, hard work.

We of Beta Pi held our first meeting for the new school year, on October 1 in the Orton Room of Holland Library. We discussed and disposed of many business matters for the coming year, and then adjourned to the adjoining room and had coffee and doughnuts and a regular "gab-fest."

We were all very happy to welcome back our good Brother, Denny Yasuhara, at our first meeting. Brother Denny has spent the past year in Edgecliff Sanitarium in Spokane, where he has been recuperating from an attack of tuberculosis. It is good to see Denny in the halls of our "beloved" College Hall again and hope that he has conquered this dreaded disease once and for all.

This past summer, two of our Brothers received the answer "yes" and acquired brides. They are Lyle Wolfe and Don Dearth. We congratulate you both and wish you and your wives all the happiness in the world.

For two more of our Brothers, we can hear those wedding bells ringing off in the distance. They are Don French and Milton Wallace, both of whom became engaged this summer. Congratulations, fellows.

Plans are underway for the School of Pharmacy's annual "Pharmacy Mix," which will be held in two weeks, the evening of October 24 in the "CUB" ballroom. We are all looking forward to this evening of fun, where there will be games, prizes, music and food. This is one of our major events of the year and we are expecting to have a swell time.

There is much enthusiasm among the "Pharmics" these days, as the time draws near for our annual "dog-eat-dog" clash with the "meat cutters of the Vet School." This annual football game will be held sometime in November and we are looking forward to trouncing the Vets for the third time in the past 35 to 40 years. We did it last year, we hope we can do it again this year.

Beta Pi is considering sponsoring this game and are going to try to get a 100% turnout for the "Pharmics." If the Vets can always get a large turnout, we see no reason why we can't also.

Our next meeting for the year will be a luncheon held at 12:00 noon October 22.

The members of Beta Pi wish to extend a hearty greeting to all members of Kappa Psi and thus sign off for now.

Fraternally yours,

HARRY RENDLE, *Historian*

### BETA RHO—UNIVERSITY OF MISSISSIPPI

First of all, we of Beta Rho would like to wish all of our Brothers, who graduated this past year, success and good fortune in all of their undertakings.

Well, Beta Rho began the new school years with a "smoker." It was a huge success due, in no small measure, to the efforts and careful planning of the social committee, composed of Brothers Pat Sharp and James Polk. Cold cuts of all varieties, cakes, hot chocolate, etc., were served in buffet style. Approximately 25 potential pledges attended the occasion. Pledging ceremonies will be held October 20.

In honor of National Pharmacy Week, Beta Rho of Kappa Psi sponsored an exhibit on the ground floor of the Pharmacy Building. Some of the articles included in the display were: a series of Parke-Davis pictures depicting the history of pharmacy; a solid brass mortar and pestle dating back to the fourteenth century; a book on Veterinary Practice published in 1806 and an English Pharmacopeia published in the early eighteenth century. Many thanks to Dr. Dodge for his help and cooperation in assisting us with this display.

This is all the news at this writing. May all our Kappa Psi Brothers attain high scholastic achievement in the current semester.

Fraternally yours,

RICHARD POLIZZI, *Historian*

### BETA SIGMA—NORTH DAKOTA STATE

The fall season has again caught up with us and along with the World Series, football season, we find ourselves back in school and again awaiting another issue of THE MASK.

We here at Beta Sigma are looking forward to a very successful year both socially and scholastically. Back with us is our new prexy, Bob Gagnon, after serving a hitch in the Navy. Bob has a very good reputation around old state campus as being not only active in student affairs, high scholastic averages, but also a good party boy.

New Brothers on the Beta Sigma role call are Donald Kilzer of Richardton, North Dakota; James Stuntebeck of Wadena, Minnesota; Duane Vad of Thief River Falls, Minnesota; and Bob Geon of Richardton, North Dakota.

Word has been received by our chapter concerning the condition of Brother Ray S. Kelley. It is our sincere wish that Brother Kelley recovers and will soon be able to again take up his duties.

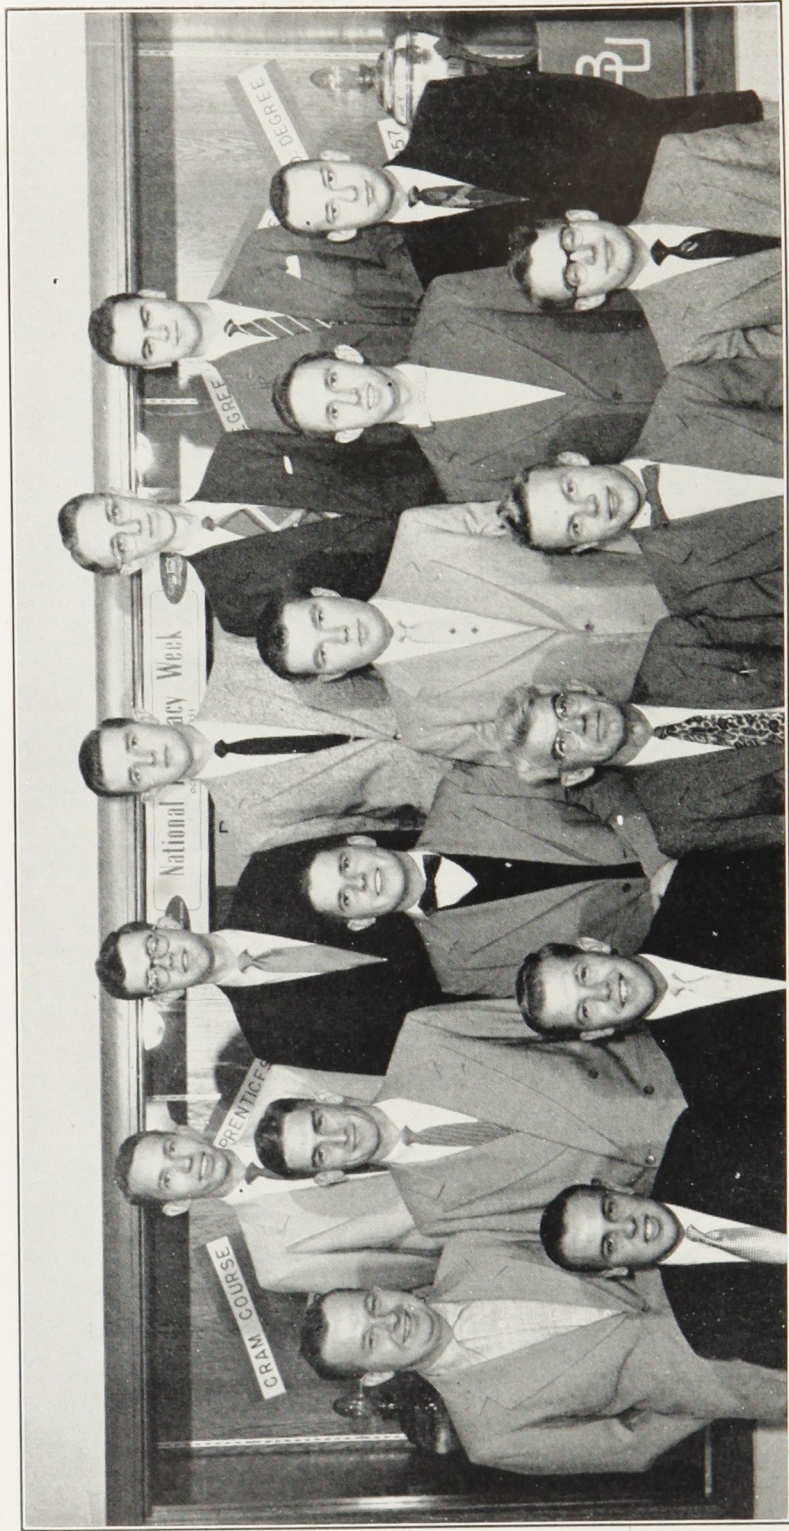

Our annual fall banquet was held this year at the Graver Hotel. The purpose of the banquet is to introduce freshman and transfer Pharmacy students to Kappa Psi. There was a very good turnout this year with thirty-some prospective pledges present. Honored guests present were Dean Sudro, Dr. Banziger, Mr. Street, Mr. Lucas, Del Knevel and Stan Hofsommer, past regent of Beta Sigma.

During the past few months we find that several of our members have entered the state of holy matrimony. Those who fell victim to the fair sex were Clyde "Hi Guys" Chappel, Manyard Berger, and Bill Hole.

Jim Krajcek and Art Kautzman wish to challenge all "smear" players for a championship of Kappa Psi.

Some news now of last year's grads. Skippy Lloyd showed the boys how to jitter bug, crutch and all, at a little house warming the other night.

BETA UPSILON CHAPTER—BUTLER UNIVERSITY 1953

First Row: Glenn Carlson, James Bogart, Dr. Arthur Harwood, Donald Franz, Larry Thornburg.

Second Row: Leonard Oshier, Robert Crodgy, Robert Witherspoon, O. Maurice Cuppy, Donald Smith, William Fleming.

Third Row: Josiah Whitehead, Richard Holland, Wesley Heironimus, Eugene Miller, and Donald Gutzweiler.

The background is a display showing the advancement in pharmaceutical education from the "cram course" to the high lettered degrees.

Skip is recovering well from a car accident he was in, in the latter part of the summer. Clyde "Obie" Oberlander stopped in one Sunday. The first thing he asked was "When is the fall term Party?" Tom Monteith, now at Saunders drug in Minot, has pinned Neysa Henderson.

All the members of Beta Sigma extend their best wishes to their Brothers of Kappa Psi.

Fraternally yours,

ODELL KROHN, *Historian*

### BETA UPSILON—BUTLER UNIVERSITY

In order to develop and undertake each plan proposed last June, the officers conferred prior to our first meeting this fall. The officers this year are: Donald N. Franz of Indianapolis, Regent; Larry L. Thornburg of Farmland, Indiana, Vice Regent; James E. Bogart of Sturgis, Michigan, Secretary; Glenn W. Carlson of Homewood, Illinois, Treasurer; Robert W. Croddy of Kokomo, Indiana, Historian; O. Maurice Cuppy of Arcola, Illinois, Chaplain. Dr. Arthur A. Harwood is our faculty advisor.

We are starting off this autumn with a full schedule of adopted motions. We have been striving for full attendance, and success was exemplified in our first session by having all members present or accounted for. Our men are particularly endeavoring towards obtaining more members since many of last year's were seniors, and a slight decrease in enrollment confronts us too.

A smoker is planned for October 19, and all of the male pharmacy students are invited as well as the faculty. A gentleman from Eli Lilly and Company will do us a fine favor by speaking to the group. Appropriate fall refreshments are to be offered following the program.

Wallace E. Rutherford and Glenn F. Kiplinger are doing assistant teaching this year and are earning the students respect rapidly. They were senior Kappa Psi members last year.

William J. Fleming, a senior member was just recently elected by the pharmacy students to be the president of the Butler Student Branch of the American Pharmaceutical Association. Our Regent, Donald N. Franz was also elected to a high office by being chosen as head of the Student Council here on the Butler Campus.

Our campus is undergoing additional construction in a big way. A new men's residence hall is rapidly assuming a massive design which will house many students, and on the northern part of the campus an observatory is beginning to arise. The one-half million dollar donated structure will hold a thirty-eight inch telescope which will be the largest in the State and one of the ninth largest in the United States. It will surely widen the already broad science curricula of the University.

Fraternally yours,

ROBERT W. CRODDY, *Historian*

### BETA PHI—CINCINNATI COLLEGE OF PHARMACY

The beginning of another school year finds the members of Kappa Psi planning for a successful year, both socially and scholastically.

A smoker was held in the ratskeller of the City Hall restaurant. After enjoying two films refreshments were served. The primary purpose of the smoker was to meet the new students and prospective pledges. Tentative plans were made

for a dance to be held in the ballroom of the Hotel Metropole, November 20.

Mr. Ken Memke, now registered and also our past Regent, has been called to the colors. He will serve Uncle Sam for a period of two years. I have had the pleasure of working with Ken for the past year and one half. I am submitting his address for his fellow fraternity brothers who wish to help cheer his absence from home!

Private W. K. Memke

Co. B 367th. Armored Infantry Bn.

R. E. S.

Comd. 3rd. Armored Division

Fort Knox, Kentucky

In closing, I wish to extend to my Brothers a happy and successful school year.

Fraternally,

PAUL E. SHUSTER, *Historian*

### BETA CHI—DRAKE UNIVERSITY

With the Fall semester getting well under way, we, your Brothers of Beta Chi, wish to greet one and all back to school.

To start things rolling this year we had open house for all members and new prospective members during registration week. This gave us a chance to show the new students our house and members and also a chance to get them interested in Kappa Psi. We also served refreshments which consisted of sandwiches and cokes.

At our first formal meeting of the year we planned to take part in many school events. We are again entering a booth in the Campus Carnival and would like to duplicate last year's fete. Last year we won a trophy for selling the most tickets in the professional division. All the proceeds go into the Community Chest.

We also planned to enter another float at Homecoming, and have already started the construction of it. Once again we would like to follow in last year's steps of winning a trophy.

Plans for our Fall Smoker have been completed and our secretary is busy writing up the invitations. From the looks of things we will have many new pledges and all very promising.

Fraternally,

BRUCE RIENDEAU, *Historian*

### BETA PSI—UNIVERSITY OF WISCONSIN

"Why, it's still summer, therefore we should be on vacation." So it seemed to everybody during the first few weeks of school making it just that much harder to hit the books.

This gave us an ideal time to have a work week at the house before the start of classes on September 21. Everybody set to work, cleaning, painting and doing other odd jobs. Now don't get me wrong that we worked all the time, for being good Wisconsin students we enjoyed some of that Wisconsin spirit, along with other activities. By the end of the week the house was in tip-top shape. A survey of the freshman women showed them in a similar condition.

This last week has been taken up with rushing. A large pledge class, with plenty of enthusiasm, is expected again this year. Our thanks go to Lyle Block for his constant drive.

We had a good representation at the Kappa Psi breakfast held in Milwaukee on September 30. Here we met many of our alumni Brothers. The breakfast, held during the Wisconsin Pharmaceuti-

cal Association Convention every year, adds to the interest and good times of all.

Plans are being made for our attendance at the Kappa Psi Convention in Washington, D.C. We hope to have a large delegation and expect to meet many of our Brothers.

The first party of the year was a big success. After watching the Badgers win over Marquette in a soaking wet game, we attended the party in full force. Seeing many of the recent graduates back for the game added much to the success of the evening.

We expect to see even more of the past graduates for the homecoming party after the Iowa game October 31. An evening of entertainment featuring a pledge skit is planned. Also of interest then will be our homecoming display which we hope will be among the best.

We regret seeing Brother Joe Swintosky leave the teaching staff here. We'd sincerely like to wish him all the success in his role in industry and in his married life.

The Brothers of Beta Psi Chapter were sorry to hear of Brother Ray S. Kelley's illness. Let's hope for a speedy recovery.

Although we haven't been doing much intense studying so far, the cold wind coming off Lake Mendota seems to be saying, "Things aren't going to be so hot from here on in." With this I remain

Fraternally yours,

EARL SALLANDER, *Historian*

### BETA OMEGA—TEMPLE UNIVERSITY

The first meeting of the school year was held on September 30 at house at 4500 North Broad St. It was well attended, business was taken care of, and refreshments were served. The budget, parties, fraternity-faculty dinner, spring formal, and the sale of Christmas cards were among the items discussed.

It is intended that with a certain amount of the total card sale we appropriate partial funds to defray expenses of delegates who are attending the National Convention of Kappa Psi in Washington, D.C. The convention is to be held between Christmas and New Years.

This September began our second year in the present chapter house. It was quite a scene for on-lookers to see sixteen fellows running around the house with mops, buckets, scrub brushes, and all the other necessary tools for cleaning. A final tally of the boys in the house shows that there are six seniors, six juniors, and four sophomores.

Boys in the service: Bill Hawk of Sunbury, '53; Dale Shelley of Lititz, '53; and Elmer Prosser of Bethlehem, '53. Marriages: Dale Shelley; Arden Shambaugh, '53; Jerry Jackson, '52; Elmer Prosser; Bill Prosser. Engagements: Vince Morse, '55; Roy Gutschall, '54.

'Tis all from Beta Omega Chapter.

Fraternally,

DONALD W. SUNDBERG, *Historian*

### GAMMA GAMMA—UNIVERSITY OF TEXAS

Gamma Gamma has had a very busy month of September. We have just initiated our spring pledge class and wish to announce that the following new members were initiated: Vincent Bianchi of Victoria, Texas; Jeff Coats of Dallas, Texas; Rudy Davila of San Antonio, Texas; Armando

Guerrero of San Antonio, Texas; Mark Huff of Wichita Falls, Texas; Bruce Krummenacher of Dallas, Texas; Lewis Rieger of Baton Rouge, Louisiana; Harvey Summerlin of Del Rio, Texas; Willard Swaney of Ranger, Texas; Bill Woller of San Antonio, Texas. We are now getting our Fall pledge class under way.

On Sunday October 4, after the initiation ceremony we had barbecue supper. We were honored to have as our guests Dean H. M. Burlage, Dr. C. C. Albers, Dr. F. V. Lofgren, Dr. Gjerstadt, Mr. Vernon Green, and Mr. Wallace Guess. Everyone enjoyed the barbecue, potato salad, and baked beans.

We have had many things to be thankful for lately. Our Regent Howell McCreary was the winner of the Gail Borden Scholarship in Pharmacy for 1953. Howell was presented the scholarship on the evening of October 8, 1953, in the patio of the Home Economics Building. Howell had an overall average of 2.8 for three years of professional work in pharmacy.

We are very proud to announce that the Gamma Gamma Chapter had the highest scholastic average of any organization, fraternity, or sorority, that maintains a house on the campus of the University of Texas. We had a 1.93 overall average. Last year we were second in the scholastic ratings.

We have been devoting a lot of our first month of school to the task of painting and making minor repairs around the house.

We were honored to have a visit from our past Regent John Plover. He now lives in San Antonio. He attended the University of Texas-Villanova football game with the other members of Kappa Psi. We were also honored with a visit from Brother Jim Herring, who is now working in Dallas. He attended the University of Texas-University of Houston football game.

That looks like the limit of the news for now, so until next time.

Fraternally yours,

MURLYN BELLAMY, *Historian*

### GAMMA DELTA—OHIO NORTHERN UNIVERSITY

The jovial shouts of returned Brothers again resound through the halls of Gamma Delta as the Brothers and pledges fall into the harmony which is so symbolic of our great fraternity. Although the reality of a new house seems distant a special "house-check" program was introduced for the alumni. Because the response to this program was rather poor, the Brothers have been hard at work shaping up the present house.

Sixteen more "hands" were brought into service for Gamma Delta as eight men completed their initiation to become Brothers of Kappa Psi. The new Brothers are Tom Young, Kent, Ohio; Carl Longociu, Canton, Ohio; William Stinard, Stow, Ohio; Carroll Smith, Kenton, Ohio; Ken Fogleson, Cuyahoga Falls, Ohio; Ken Nelisher, Lancaster, Ohio; Gene Vann, Bath, Ohio; and Otto Lynch, Old Fort, Ohio. We are happy to be able to call these men "Brother."

Dan Cupid sort of "shafted" the men of Gamma Delta this summer as two actives and three newly graduated alumni were married. Frank Coschignano, a senior from Cleveland, Ohio, married Miss Mary Jane Pence, Urbana, Ohio. William Hall, another senior from Omstead Falls, Ohio, was married to Miss Mickey Mare, Van Wert,

Ohio. The three alumni who couldn't stand to be free, and took the fatal step were: George Hill, East Palestine, Ohio; Donald Joe Carter, Kenton, Ohio; and James Hoffman, Byer, Ohio. Lots of luck men!

Kappa Psi will really star on the social front this year with a promising social calendar set up by Ted Zikovsky. Things really got off with a bang as the Kappa Psi, enjoying a Barbeque stuffed themselves as they made the stuffed pig feel right at home.

Next followed the Halloween Dance put on by the Sophomore Brothers. The Jack-o-Lanterns went out, the witches were grounded and everyone was caught in the "dragon-net." St. George booked all those who attended the dance on a 618.

A few lucky alumni have been taking extensive tours over the United States, sponsored by their rich Uncle-Sam. They are: David Nutter, Fort Knox, Kentucky; Thomas Smailes, Camp Pickett, Virginia; and James Ballinger, Camp Roberts, California. We of Gamma Delta wish these Brothers luck and hope they can find time to write us.

Not only was Gamma Delta strong on the sports front, but also we showed up well on the scholastic ratings. We were second on Fraternity point averages, but we are hoping to move into the first position.

Pledging will not take place until the last week of November this year. The way the prospective pledges have taken an interest, Gamma Delta should come up with a large and good pledge class this year.

Ohio Northern observed Pharmacy Week from the fourth to the eleventh of October. Gamma Delta sponsored a series of spot announcements, about the pharmacy profession, over the radio station in Lima, Ohio. These broadcasts were edited by a Northern Graduate, Bert Mull. Mr. Mull is editor of the *National Pharmacy Week Kit* which is put out by the American Pharmaceutical Association.

This rather sums up the events to date of Gamma Delta Chapter of Kappa Psi. We look forward to seeing our brothers in Kappa Psi at the National Convention in Washington, D.C. Until then, we wish you good luck in our chosen profession, pharmacy.

Fraternally yours,

DENNIS IRONS, *Historian*

### GAMMA ZETA—HOWARD COLLEGE

We have begun another school year here at Howard College. We want to welcome our new members into Gamma Zeta and extend greetings to the old members. We also want to congratulate all members who completed their courses in pharmacy and have now entered into their different fields of endeavor. We extend to them best wishes for a most profitable year. Those men from Gamma Zeta are Brothers Lonzo Steele, in the retail field in Nashville, Christo Stevens, in the retail field in Florida, Wayne Killian, in the retail field in Chattanooga, and Milton Weed.

During the summer session, Dr. Lamar Dale left us to take a position in Ohio. Dr. Dale was replaced by Dr. Jack T. Bryan who is teaching Dispensing and Operative Pharmacy. Dr. Bryan was formerly employed by Merck and Company. Howard College, Division of Pharmacy suffered a severe blow this summer when they lost the services of Dr. A. H. Olive. Dr. Olive had been

connected with Howard College for over 20 years and had been a professor of pharmacy since 1932. Dr. Olive was loved by students and friends and won the esteem of everyone he associated with. Again, the members of Gamma Zeta want to extend their sympathy to Mrs. A. H. Olive of the loss of the most loved man in the history of pharmacy at Howard College.

This year, the same as years before, the Division of Pharmacy, Howard College, is planning a trip to Eli Lilly and Company in Indianapolis. In the preceding years, the group has either gone to Parke Davis or Eli Lilly. This is all the news from Gamma Zeta at this time.

Fraternally yours,

JERRE DOSS, *Historian*

### GAMMA IOTA—UNIVERSITY OF BUFFALO

The Brothers of Gamma Iota closed the last school year with a bang. The 7th of May the Chapter helped the graduate chapter celebrate its reactivation with a dinner dance at the Auto Club in Clarence. The high point of the evening was the crowning of Miss Diane Merry sweetheart of the pledge class.

A week later, the 14th of May, the following were initiated into the Fraternity: Joseph Giglia, Ray Vereecken, Stan Biedny, Gary Keefer, Gerald Brach, Ron Culp, Basil Continelli, Bob Gidlow, Ray Bittner and Ray Heinze. Professors Keagle, Kleber, and Iwamoto assisted with the initiation and spoke briefly at the traditional banquet which followed.

Two members of the graduating class, Brad Cherenzia and Bron Berghorn, brought academic honors to us. Not only did each graduate *cum laude*, but Brad was also accepted at Syracuse Medical School and Bron at the U. of B. Medical School. Vince Christ, '52 is at present doing graduate work in pharmacy at the University of Texas and last year's capable Regent, Don Clark, is graduate assistant here at U. of B. while working towards an advanced degree in pharmacy administration.

A picnic was held in July and a swimming party in August. Pledging of upperclassmen starts in 3 weeks and we are now looking forward to our annual rush party and a worthy pledge class.

Fraternally yours,

RAYMOND C. HEINZE, *Historian*

### GAMMA OMICRON—OKLAHOMA UNIVERSITY

Plans are already being made for our first smoker to be held on November 4, 1953. An initiation will follow during the latter part of the same month.

We would like to know exactly where more of our Kappa Psi graduates are and what they are doing. All you loyal Sooners, how about writing in to us after you have read this issue of THE MASK? Some of our last year's graduates are working in the following places: Tom Abbott in Wichita Falls, Texas; Mel Brill in Oklahoma City, Oklahoma; Charles Pate in Nashville, Arkansas; 2nd Lts. Jim Martin and Dick Silberg are serving in the Medical Service Corps, Brooks Medical Center, San Antonio, Texas.

We are proud to have a feature article in a very recent issue of *Tile and Till*, written by Mr.

Lamar Kerley, concerning the O. U. College of Pharmacy. Pictures of our Kappa Psi faculty members, Dean Clark, Dr. Bienfang, and our faculty sponsor, Dr. Headlee appear in this article. Several of our past members also have pictures in this article. Dean Clark contributed a fine article, "Opportunities in Pharmacy," to the May issue of *Modern Pharmacy*.

Our Kappa Psi Brothers are looking forward to our annual pharmacy school banquet to be held October 19, 1953. Several of our past members are planning to attend the O. U. vs. Colorado football game here in Norman on homecoming day, October 24. A Kappa Psi dinner party is planned for our alumni after the game.

Fraternally yours,

JODIE STARK, *Historian*

### GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

The first news item of importance is that Uncle Sam now has our newly elected Regent, Jim McCaig. I know that a large majority of our recently graduated members are now in the service and I would appreciate it if you boys would drop me a line telling me where you are at, and what you are in.

Our fall semester does not start until October 12, due to a complete extended summer semester. For the past two years we have been on an accelerated program. It consisted of three complete semesters a year, arranged in such a way that you could go straight through and graduate in 32 months, or follow a normal four year program.

Needless to say, this cut down not only on our leisure time but also on membership since we had a graduating class every four months. This fall we will return to a normal program. We are planning both an extended activities program and a more intense pledging program.

In closing, we at Gamma Pi wish to express our wishes for a speedy recovery of our GST Ray S. Kelley. Good luck boys, in the coming school year.

Sincerely

DON BECKER, *Historian*

### GAMMA RHO—UNIVERSITY OF NEW MEXICO

Howdy from the Land of Enchantment! I'm afraid Gamma Rho has very little to report this early in the semester. School has been going on here for only two weeks and we have had a rather slow start.

Our members put in a window display downtown for National Pharmacy Week. Set it up to show the contrast between the old and new in pharmacy manufacturing. Half the window was filled with antique equipment—drug mill, percolator, iron mortar and pestle, hand balance, and the like. The other half had an elaborate all-glass apparatus showing the modern synthesis of a drug. The History of Pharmacy series of pictures covered the back.

We have a big party coming up next weekend for all students in the College of Pharmacy; sort of a get-acquainted, welcome-home affair. It will give us some idea of whom we want to invite to the smoker scheduled about two weeks later.

Gamma Rho is in sad shape at present due to a small pledge class last year and a big bite taken out by graduation. Fifteen graduates out of 22

members! Leaves us seven actives and three of them were initiated in the late spring. Don't even have an historian yet, which is why I am writing this letter. I hope that, by the time the next letter rolls around, we can brag of a pledge class twenty strong and as active as sodium and water!

Adios 'til then.

Fraternally,

LON MEADOWS, *Regent*

### GAMMA SIGMA—UNIVERSITY OF FLORIDA

Well, here we are back at it again with a brand new year of school ahead of us. We hope that each of you had as grand a summer as we here at Florida had.

Most of us are glad to be back; however we miss a lot of old faces. Graduation really took a heavy toll on Gamma Sigma active membership last June. About half of our active members left us. While we hated to see them leave, we still felt very proud to see them reach their goal. We feel sure they will be a credit to both Kappa Psi and the profession.

We begin our rush activities on October 15 with a party at the chapter house for potential members. We expect a group of very fine fellows who can meet our qualifications of professional interest, scholarship, and desire of brotherhood with us.

On October 8, we held a "get acquainted" open house with the entire student body and faculty of the College of Pharmacy invited. In spite of inclement weather (unusual as it is for Florida) we had a fine turn out. Everyone had an enjoyable evening.

In closing, we of Gamma Sigma extend to each of you our best wishes for a happy and successful year, and our very special wishes to Brother Ray Kelley for a rapid recovery.

Fraternally yours,

BILL ARNOLD, *Historian*

### GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Once more it is time for us at Gamma Tau to say "Hello" to all our Brothers in Kappa Psi. It is time again for us to return to our books and pursue our studies along the avenue of Pharmacy.

The first meeting for the Fall Semester was held on Thursday, October 1, 1953 with Regent James Fink presiding. It certainly felt good to see and greet all our Brothers whom we had not seen over the Summer months.

We here at Gamma Tau are looking forward to a most successful Fall, and hope to acquire several pledges from the present crop of new men here at the School of Pharmacy.

The big news this fall is of course the National Grand Council Convention which is to be held here in Washington on December 28, 29, and 30. This is the first Convention to be held here since 1902 and Gamma Tau is more than honored that it should be selected to play host to such a momentous occasion. The preparations for such an event of course are many and we are indeed fortunate to have such an industrious Graduate Chapter.

Our newly formed Graduate Chapter has undertaken the task of raising funds for this event,

this, as you all know I'm sure, is no mean task and the problems are many. Dean Bliven along with Brothers Kessler and Malzone have done an excellent job of blueprinting the entire operation and we are all optimistic of their success in this matter.

To the Collegiate Chapter has fallen the task of doing the leg work and the many other details that are involved in the preparation. Committees have been set up, and every Brother promises to do his utmost to make this convention one of the best in the History of Kappa Psi.

Tentative plans call for a Banquet Dance at the exclusive Sheraton-Park Hotel, with a large educational and recreational program for the delegates, members and their guests. A program will also be planned for the Ladies to occupy their time and to insure their enjoyment while the Brothers partake of the more serious aspects of Fraternity membership.

More definite information including a complete program of speakers and activities will be forthcoming. Notices will appear in newspapers and the various drug journals, of progress in the development of the many plans that will be made. Meanwhile Gamma Tau hopes to meet as many of the Brothers from the different Chapters all over the Country as possible at the Convention. The actual success of the Convention depends not on the Brothers who are planning the program, but on each individual member of Kappa Psi. We hope that as many Brothers as possible will make every effort to attend and participate in the many activities that will be available.

See you all at the National Grand Council Convention on December 28, 29, and 30 at the Sheraton-Park Hotel, Washington, D.C. Plan now to be there.

Fraternally yours,  
CARL A. QUAGLIA, *Historian*

### GAMMA UPSILON—UNIVERSITY OF ARIZONA

Although our chapter lost all but eight men by graduation, we are planning an active year.

Our first meeting was held on September 22, 1953, at which time we discussed plans to secure new pledges. Consideration was also given to the general chapter program for the coming year. At this first meeting, Vincent DeBenedetto was elected Vice Regent to fill the vacancy created by Ambrose J. Lipinsky, who is continuing his studies at the University of Michigan, Ann Arbor.

On October 9, 1953, our chapter held a party in honor of the chapter's new pledges. The four new pledges are Walter L. Arenz, Donald Choisser, John N. Gabaldon, and Casimir H. Srutwa. The party consisted of an outing held at the "49'ers Ranch" outside of Tucson. A good time was enjoyed by all; however, arising for those 7:40 classes the next morning was pretty difficult.

For the first time our newly formed graduate chapter will attend our initiation of new pledges, and plans are being made to make this a great success.

Fraternally yours,  
RICHARD W. HAMILTON, *Historian*

### GAMMA PHI—UNIVERSITY OF GEORGIA

The members of Gamma Phi Chapter extend our best wishes to our Kappa Psi Brothers everywhere. We held our first meeting of the new school

year last Thursday, October 8. Plans were begun for the annual pharmacy school Christmas party which is sponsored by the local chapter. Plans were also made for the renting of a house for the chapter. The members are eagerly looking forward to the renting of this house.

Gamma Phi lost quite a few of its members at graduation last year. We are hoping to increase our membership from the Sophomore, Junior, and Senior classes this quarter. The Freshmen will not be pledged until the Fall quarter.

Hoping to have more to report next time, I remain,

Fraternally yours,  
TOMMY DEKLE, *Historian*

### GAMMA CHI—FERRIS INSTITUTE

Due to a very grave error the name of Erwin Rykman, the new treasurer of our chapter, was omitted from the list of new officers. He sure was peeved, and I would like to right myself with him. Anyhow, I have a valid excuse. I was recalling the names of the new officers from the installation ceremony and Ryk was absent because his wife, Peg, chose the same night to give birth to a bouncing baby boy. The family is coming along fine now but Ryk won't allow the little one to have any playthings except a pool cue. The next things on the list of playthings are a shot-gun, a football, a baseball, and the keys to his ole man's convertible. (Now have I redeemed myself or shall I run again?)

The new Kappa Psi fraternity house at Ferris was a big surprise to the returning students and almost to our own chapter members. Our first three weeks of existence were pleasant ones with "Mom" Turner doing the cooking. Everybody works and everybody plays and between turns at scrubbing, vacuuming, repairing, studying, and "carding," we have had little time left for other things. The house is getting ship-shape now except for some rather major repairs of which we hope a few will be completed before homecoming. Our housemanager, Larry Ladd is having a very busy time taking charge of so large an undertaking, but he is performing his duties in a remarkable fashion.

Well, our fall term is well underway now and pledges are scurrying about the campus. We have a little membership problem this year because several brothers of Kappa Alpha Phi who have been in the service are returning to school and want to go Kappa Psi, but when we became Kappa Psi two years ago no provision was made for taking in other than graduate members. Our chapter also welcomed four transfers: two instructors, Dr. Buchdahl and Mr. Dunham, and two student Brothers from D.I.T., John (On The Wagon) Rann and Fred (The Studier) Maier.

After a little checking of former issues of THE MASK, I found that this will be the last issue before Christmas, and so to Brothers in Kappa Psi everywhere A VERY MERRY CHRISTMAS AND A HAPPY AND PROSPEROUS NEW YEAR.

Fraternally yours,  
JERRY R. BAKER, *Historian*

### GAMMA PSI—SOUTHERN COLLEGE OF PHARMACY

The Gamma Psi Chapter is happy to report to its Brothers of Kappa Psi that we are working

hard and building a greater chapter each day.

As part of our plan to be of service to our school, the men of Gamma Psi have elected to give a few hours each week to help in the library, laboratories, and also to help keep the school clean. Under the direction of Doctor Wei Shin Liu, Grand Council Deputy of Gamma Psi, the Brothers of Gamma Psi are conducting a circulation service to the school whereby school literature is distributed to Alumni and various people in the field of pharmacy. Dean Melvin A. Chambers has praised the fraternity for its service to the school.

Brother Perry Hawkins, president of Southern's Student Branch of the A.Ph.A., is striving for 100% membership in the fraternity for the A.Ph.A. We hope to reach this goal in the next few weeks.

Congratulations are extended to Brother Charles Haddon on his recent marriage to the former Miss Sara Bob Smith of Decatur, Ga.

The Chapter has elected to send as its representative to the National Convention in Washington, Vice Regent Darrell McKenzie. It is hoped that several other Brothers from Gamma Psi will be able to attend.

Gamma Psi takes great pleasure in announcing the following new pledges: Guy Shealy, Atlanta, Ga.; Don Tumlin, Rome, Ga.; Wilburn Brown, Atlanta, Ga.; Robert King, Decatur, Ga.; Cyril Williams, Atlanta, Ga.; Bob Jones, Lithonia, Ga.; Glenn Rewis, Tifton, Ga.; Williams Kitchens, Experiment, Ga.; Don Smith, Chattanooga, Tenn.; Bob Kendrick, Atlanta, Ga.; Billy Guthrie, Willacoochee, Ga.

We are proud to be able to say that over 90% of the bids sent were accepted. We know that the Gamma Psi Chapter is held in high respect by the students and faculty at the Southern College of Pharmacy, and it is each member's desire to hold this honor.

To our Brothers of Kappa Psi, Gamma Psi sends its best wishes for this new school year.

Fraternally yours,  
CHARLES W. BLISSITT, *Historian*

## ARIZONA GRADUATE CHAPTER

Summer has passed, college has begun, and the grand old men of KAPPA PSI are looking forward to an active winter even if our school days are over. July the Graduate Chapter members and our wives gave Brother "Bob" Buchdahl and his wife a fond farewell with a steak fry at Brother Ben Bialk's Ranch Home. Dr. Buchdahl will be seen and heard on the campus at Ferris Institute, Big Rapids, Michigan, this fall.

August rolled around with the A.Ph.A. on the program and am happy to report that Brothers Brewer, Nielson, Bialk, Buchdahl, and Picchioni arose early enough to attend the KAPPA PSI breakfast in Salt Lake City. On September 29 the quarterly meeting of the Graduate Chapter was held in Tucson with a dinner at the Jerry Ming House with Regent Ben at the head of the table. Plans were made for the annual dinner-dance in Phoenix December 12. Vice Regent Don Wyss will be chairman of this winter event.

We were all saddened with the news of Brother Ray Kelley's illness, and all Brothers of KAPPA PSI in Arizona extend our heartfelt sympathy to him.

Fraternally,  
G. BENNER KELLY, *Historian*

## DETROIT GRADUATE CHAPTER

The ball will start rolling soon in Detroit. Our first meeting will be held in October, and quite a few social activities are planned for the coming fraternal year. On the social agenda is a square dance, formal dance, and a party, plus the impromptu affairs.

Heliotropism is sweeping the chapter. Quite a few of our Brothers have taken a strong fancy to the sunshine state. In fact, Brother Jack Trezona has decided to move to Florida, bag and baggage. However, this leaves the Chapter with quite a problem: a new sec-treasurer must be found, and to find someone to replace Brother Trezona is a tough job. He has put more than time and energy into the office. Our meetings were made a success through his resourcefulness and desire to make Kappa Psi a great fraternity. Detroit is losing a great Brother!

This year will see the return of many brothers, who were in the armed forces. Detroit extends to all returning its best wishes.

Fraternally,  
RAY HAJJAR, *Historian*

## DISTRICT OF COLUMBIA GRADUATE CHAPTER

The hot summer is over and the tempo of activity our Graduate Chapter is again quickening. Most of our Brothers have had their vacations and are now fresh and ready to tackle all work lying in the pathway of our next objective—the National Grand Council Convention to be held here during the last week of December.

Brother Gunther Kessler, elected General Chairman of the Convention in our early summer meeting, has been acting like a catalyst in increasing the rate of actions and reactions even through the warm summer. A great deal has been accomplished, particularly in the Finance Committee.

In our September 10 meeting, Brother Kessler reported that the financial outlook is good. At this meeting, most of which was devoted to amending by-laws, various methods of raising money to meet the obligations of the Convention were discussed. One of the plans adopted at this meeting is now being carried out. Not only are all the members of the Graduate Chapter participating in this project, but also all the Brothers of the Gamma Tau Chapter of the George Washington University, to whom we are very grateful. All members of both Chapters are eagerly doing their part toward making this convention a successful one and are looking forward to December.

Fraternally yours,  
PHILIP J. SIMON, *Historian*

## PORTLAND GRADUATE CHAPTER

About sixty-five of the Brothers with their women guests sat down to the Kappa Psi luncheon held in connection with the annual convention of the Oregon State Pharmaceutical Ass'n in Bend, Oregon on June 14. Several from Portland made the 360 mile round trip just for the day and event, others stayed over for the convention proper and a goodly number came from various parts of the State. Needless to say it was an enjoyable affair and a chance to renew friendships with many with whom, we in Portland, seldom get to see. The convention, we understand from those

who did stay, was an outstanding one—well attended, an excellent program with outstanding social features. Bro. Lloyd Magill of Bend, chairman of the convention committee and of the Host Central Oregon Druggists was largely the reason of the successful meeting. Kappa Psi men had a very active part in the convention, as they have in many of the pharmaceutical affairs of the State. Bros. Pete Mead, Klamath Falls is the retiring O.S.P.A. president and Nick Sckavone, Portland, is the newly elected one. Orville Corbett of Burns is the new vice president. Lieb Riggs is president of the Oregon Board of Pharmacy. V. A. Hurley and Ralph Robertson are fellow members. Dean Crossen, Prof. Forslund, Prof. Grill, and Prof. McCutcheon represented the Oregon State School of Pharmacy at the convention. Bros. Folkestad, Haleston, Densem, Gilman, Strand, Kennedy, Kaegi, McBain, Ashley, Meek, and others were on various committees.

Portland Graduate Chapter held its first Fall meeting at Burns Restaurant on the evening of October 7. A goodly number attended and we were happy to have a number of the recently graduated men as well as several of the older fellows with us that have not been attending regularly. Re-elected officers for the ensuing year were John Cook (Mote Phy.—Tigard), Regent; Virgil Haller (Fred Meyer, Inc.), Treasurer; and Lyle Hendricks (Thrifty Drugs—Oregon City), Historian; Leonard Barnes (Paulsens Phy.), Vice Regent; and James Wilson (Abbott labs.), Secretary. Plans

are being made and committees appointed to make this a very successful year. Our next meeting is to be on the evening of November 4.

Fraternally,  
L. V. HENDRICKS, *Historian*

### SEATTLE GRADUATE CHAPTER

The Seattle Graduate Chapter got off to another fine start this year. We were honored to have with us Dr. James W. Fairbairn, a visiting professor at the University of Washington from the University of London. He was the guest of Dr. Youngken of the School of Pharmacy at the University of Washington. Dr. Fairbairn gave us some of his impressions of the United States. One of his most striking comparisons was the relative lack of interest in the pharmacy field by the American women. In England one-third of the students in pharmacy are women and the proportion would be much higher if not controlled.

In addition to Dr. Fairbairn, we had an excellent program provided by Mr. Dick Parker of Western Airlines. Mr. Parker gave a brief talk on the development and history of Western Airlines and also showed two films: Target Nevada, an atomic bomb operation, and Vacation by Plane, a colorful travelogue of Mexico and the Caribbean Sea. We hope that more of our one hundred and forty-four members will be able to attend this month.

DONALD W. KNIFFEN, *Secretary*

---

## THE PUBLIC PRESS AND FRATERNITY STORIES\*

We have been convinced for a long time that fraternities are subjected to a good deal of reaction of the writer in stories which appear about them in the public press. Two recent stories confirm this opinion.

The Dean of Men and Dean of Women at the University of Illinois have recently completed an intensive study of costs of attending the University. The study goes into real detail as to types of housing and points out a range of budgets of minimum, average, and above average amounts. One of the conclusions of the study is that at present cost levels living in a fraternity or sorority costs just about the same as living in a University-owned dormitory.

One of the Chicago newspapers picked up the story and stressed only the fact that living in a fraternity or sorority costs considerably more than living in a rooming house or cooperative house. It is unfortunate that newspapers print partial stories in this manner.

One of the local papers published a brief article during the month of June to the effect that an individual was suing a chapter of the Elks Lodge for \$12,500 charging that he was seriously injured during an informal initiation ritual. The suit charged further that the initiation took place in the Champaign City Building. This story was published locally and had no further repercussion. If it had been a case of a similar story coming out of a fraternity initiation stunt, it would probably have been front page news from coast to coast.

\* IRAC, September 3, 1953.
