THE TWENTY-NINTH GRAND COUNCIL CONVENTION

The Twenty-Ninth Grand Council Convention is scheduled to take place in St. Louis on December 28, 29 and 30. The biennial Convention program is designed to help charter the course of our Fraternity with a sound, purposeful program planned, this year, to revitalize the Convention programs of previous years. Your Grand Regent has been in attendance at the last four Grand Council Conventions and is firmly convinced that certain portions of the program needed changes since they had become completely static.

Therefore, a new orientation program format has been arranged in the form of prepared papers and panel discussions by chapter delegates, National Officers and Executive Committee Members.

Grand Secretary-Treasurer Eby has assisted in the assignment of topics and participating chapters represent all sections of the United States.

For the purpose of brevity the complete program is not being published here, but to indicate the scope of this revitalized program the following topics have been assigned:

1. "How to Sell Kappa Psi Fraternity to Prospective Members"
2. "How We Train Our Pledges"
3. "How to Organize a Successful Rushing Program"
4. "The Significance of the Ritual of Initiation"
5. "Responsibilities of the Kappa Psi Chapter in the College of Pharmacy"
6. "How to Promote and Conduct Successful Community Service Programs"
7. "How the Five Year Program of Pharmaceutical Education is Likely to Affect Kappa Psi and Other Pharmacy Fraternities"

In addition a special Sunday morning program entitled "Symposium on Fraternity Life" is to be conducted.

With the scope of assigned topics covering such a wide range of pertinent subjects, it is the hope of your Grand Regent that those in attendance at this Twenty-Ninth Grand Council Convention will take back to their respective chapters an enlightened viewpoint on fraternal matters in general, and specifically, a greater appreciation of the advantages of our outstanding professional Fraternity.

Farewell Message

The above heading is a clue to a decision I made before I ever acquired the title of Grand Regent. Having long since decided that a single term as Grand Regent was all that I would seek, I feel this is the proper time and place to state some of my reasons. They are based upon strong convictions that no man is indispensable to a fraternal organization and that new ideas are forthcoming with new leaders. I further believe that one cannot assume obligations of National importance in fraternal work for extended periods of time and still do justice to his teaching duties, along with other local and National commitments as well. Furthermore, pressures of extended services often tend to create dictatorial attitudes and tactlessness. These, above all, I wish to avoid.

My remarks are not directed toward any person or persons but to all men who seek office for extended periods. Even our beloved ministers leave the fold and go to new fields

THE GRAND SECRETARY-TREASURER HAS THIS TO SAY

ABOUT THE MOST RECENT KAPPA PSI PUBLICATION—

1003

orderly manner by a thoroughly informed officer. We hope that the present officers have received the booklets that have been forwarded to the Secretary of each Collegiate Chapter.

Late in September the Central Office distributed to all of the Collegiate Chapters, copies of our latest publication, INSTRUCTIONS FOR CHAPTER OFFICERS. Although it has been a routine procedure for some years to send each of the principal chapter officers brief instructions relating to their duties, no previous effort has been made to develop an instruction booklet such as the one recently published. In its present form, the booklet of instructions is brief yet complete. It should be a valuable aid to better understanding and management of chapter affairs. Serving as a chapter officer can be a stimulating experience—it can be a valuable experience when the duties of an officer are performed in an

ABOUT NU CHAPTER AND BETA PSI CHAPTER SCHOLARSHIP ACHIEVEMENTS—

Not too many scholarship records for chapters are received in the Central Office but we want to compliment Nu Chapter and Beta Psi Chapters for their fine records last year at the University of Connecticut and University of Wisconsin respectively. Nu Chapter with fifty members ranked fourth in the twenty-two fraternities on the campus. The grade point average for the members of the chapter was considerably higher than the average for all men and higher than the average for all fraternities. Beta Psi Chapter with fifty-one members ranked seventh in eleven professional fraternities and the grade point average was higher than that for all men and also higher than the average for all students in the University. We are very proud of these scholarship records and trust that all of our other chapters will make every effort to attain scholarship records that are a credit to Kappa Psi Fraternity.

ABOUT CHANGES IN THE LOCATION OF KAPPA PSI CHAPTERS—

During the past summer two of our old chapters moved to new campuses because the schools where they were chartered originally ceased to function. On July 1, 1957 the Rhode Island College of Pharmacy and Allied Sciences closed its doors and at the same time the *College of Pharmacy at the University of Rhode Island* was established. *Beta Epsilon Chapter* was approved immediately at the University of Rhode Island where the chapter is now taking an active part with the other Fraternities and enjoying Fraternity life. On July 1, 1957 the College of Pharmacy at the Detroit Institute of Technology affiliated with *Wayne State University*. *Mu Omicron Pi Chapter* was approved at the opening of the fall term and is now a recognized campus organization. The chapter was honored by being approved for membership in the Interfraternity Council of the Wayne State University which is fine recognition for Kappa Psi Fraternity. During the summer *Upsilon Chapter* of the *University of Kentucky* moved from its old location in Louisville to the University campus at Lexington. To each of these chapters we extend the compliments of ALPHA CHAPTER and wish for each in its new environment, the same fine success they have enjoyed for many years.

A Report from the Grand Secretary-Treasurer to the Nominations Committee, October 1, 1957

Pursuant to Article XVII, Section 2, of the Constitution of Kappa Psi Pharmaceutical Fraternity, a registered letter was sent to each Collegiate and Graduate Chapter on March 12, 1957, in which each chapter was requested to make nominations for any or all of the Grand Officers of Kappa Psi Pharmaceutical Fraternity. A ballot for this purpose was enclosed with the letter.

The nominations are now closed and the following is a complete list of the nominees for Grand Officers, each of whom has been nominated in the manner prescribed by the Constitution of the Fraternity.

The list has been forwarded to the Chairman of the Nominations Committee, Dr. Frank L. Mercer, St. Louis College of Pharmacy and Allied Sciences.

Grand Ritualist Sperandio Makes Visitation to Gamma Epsilon

On Friday, October 18, your Grand Ritualist boarded a plane for Lincoln, Nebraska for a visitation to the University of Nebraska. He was met at the airport by a cordial delegation led by Dr. Robert Gibson, Grand Council Deputy. Others in the welcoming party were Brothers John Haberle, Jerry Murphy, Bill Lippold, Jerry Graves, Roy Naito, and Wyn Saults. The afternoon passed quickly with discussions of Fraternity business and a tour through Lyman Hall, the new pharmacy building which promises to be the show place of the midwest when it is completed. It was with deep regret that we heard of the death of Dr. Lyman; the new building will indeed be a fitting monument to him.

An evening banquet attended by both actives and pledges, followed by an informal discussion of professionalism and pharmacy helped close a most pleasant day. All of the members of Gamma Epsilon are to be congratulated for the fine fraternal spirit they have and for the initiative they are showing in developing new group activities. We are expecting a large delegation from Gamma Epsilon at the Grand Council Convention.

Special Convention Bulletin

The Central Office forwarded to each Chapter Secretary early in November, full information relating to the Grand Council Convention. There were some items which required immediate attention and appreciation is expressed to the chapters which responded promptly as requested. A few chapters have failed to report to the Central Office on one or more of the following items:

- (1) The names of the delegates and alternates.
- (2) The name of the person to whom the check for transportation charges and the registration fee should be sent. A special form was supplied for this report.
- (3) The exact number of chapter members (including delegates) who have made plans to attend the convention.
- (4) The date and time of arrival in St. Louis. This information is very important in order that arrangements may be made with the hotel for the buffet supper and the banquet, and with the transportation company for sight-seeing buses.

It is important that each Secretary check the chapter records to see that each of the above items has been reported to the Central Office.

In order to secure a satisfactory reservation at the Congress Hotel, it is necessary to return at an early date the reservation cards supplied by the Central Office, indicating kind of reservation desired.

It is recommended that final arrangements for transportation be made at the earliest date that is possible. Plan to be in St. Louis not later than 10:00 A.M., Saturday morning, December 28.

The Installation of Gamma Theta Chapter at University of Kansas City

By Warren W. Tuttle, Historian

On May 17, 1957 the youngest chapter of our Fraternity, Gamma Theta of Kappa Psi, was formally installed in the Lantern Room of the Bellerive Hotel in Kansas City, Missouri. Our Second Grand Vice Regent, Dr. James R. Thayer, conducted the installation ceremony admitting our group to the Agora. Dr. Thayer was assisted by Dr. William Rost (Epsilon, University of Minnesota), Dr. Samuel Coker (Beta Sigma, University of Pittsburgh), and William H. Conrad (Theta, Medical College of Virginia).

This installation joins the School of Pharmacy of the University of Kansas City with the other schools of pharmacy which are linked together by our Fraternity.

The ceremony began in mid-afternoon and was broken by a formal dinner held in the meeting room annex. A few words were spoken by Dr. Rost, the person primarily responsible for the inception of this chapter. Following the banquet the installation was completed and the officers for the remainder of the year 1956-57 were installed. These officers included Dr. William Rost, Grand Council Deputy; Hugh H. Charles, Regent; Lee Roy Bruner, Vice Regent; Charles T. Dolan, Secretary; Anthony S. McGrath, Treasurer; Robert P. Renick, Historian, and Warren W. Tuttle, Chaplain.

The charter was then presented by Dr. Thayer to Dean Leslie L. Eisenbrandt, who accepted it in behalf of the chapter. The charter membership of Gamma Theta Chapter of Kappa Psi includes the following: Gerald T. Bruns, Howard H. Roberts, John R. Lyon, Anthony S. McGrath, Jay Peckham, Marion E. Tuteral, Merlin G. Bruner, Richard B. Smith, Lyle W. Willits, Leslie L. Eisenbrandt, Ernest L. Sjoblom, Warren W. Tuttle, Robert P. Renick, Hugh H. Charles, Lee Roy Bruner, and Charles T. Dolan.

Following the presentation of the charter to the chapter the officers for the school year of 1957-58 were elected and are as follows: Grand Council Deputy, Dr. William Rost; Regent, William H. Conrad; Vice Regent, Merlin G. Bruner; Treasurer, Charles T. Dolan; Secretary, John R. Lyon; Historian, Warren W. Tuttle, and Chaplain, Jay Peckham. These officers were installed by our Regent, Hugh H. Charles, at a later date at the School of Pharmacy at the University of Kansas City.

Last spring Gamma Theta Chapter cultivated and planted an herb garden behind the School of Pharmacy to be used instructionally by the Pharmacognosy classes and decoratively as a "star in the crown" of the Pharmacy school here.

We of Gamma Theta Chapter wish to express our heartfelt thanks for the various letters of congratulation from our various chapters throughout the country. We pledge our efforts to grow as a chapter of Kappa Psi and to justify your confidence in us. We are indeed happy to be admitted to the brotherhood of Kappa Psi and only hope that we may help advance this Fraternity as an outstanding pharmaceutical fraternity and to contribute to the advancement of pharmacy.

Newly Appointed Collegiate Members of Executive Committee

EDITOR'S COMMENT: Collegiate members of the Executive Committee are appointed by the Grand Regent in July of each year. Those below will serve until July, 1958.

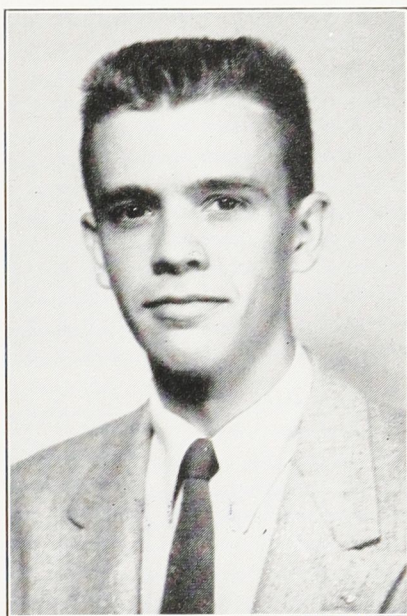

RONALD S. COFFLER

Gamma Pi—St. Louis College of Pharmacy & Allied Sciences

Ronald S. Coffler was born in Alton, Illinois, December 29, 1935. He attended the Alton Public Schools and was graduated from the Alton Senior High School in May 1954. It was during the Senior year that he developed an interest in Pharmacy and in September 1954 he entered the St. Louis College of Pharmacy & Allied Sciences.

In the Freshman year Ronald was a member of the Student Council. He was elected Vice Regent of Gamma Pi Chapter in his Junior year and he was also selected as the Co-Editor of the school yearbook "Scripto" which is published for the student body by Gamma Pi Chapter. He also served as the Chairman of the Committee on Nominations for Province VII last year.

Brother Coffler was elected Regent of Gamma Pi Chapter for the Senior year and because of his leadership ability was appointed the Convention Chairman for the 1957 Grand Council Convention. He brings to the Executive Committee a wide experience gained in his activities as an outstanding Collegiate Chapter member.

WILLIAM T. VOLGSTADT

Beta Omega—Temple University

WILLIAM T. VOLGSTADT
Executive Committee appointee

1009

William T. Volgstadt was born in Erie, Pennsylvania, August 10, 1931. He attended the schools of Erie and is a graduate of Academy High School class of 1949. Brother Volgstadt was president of the Senior class and also president of their National Honor Society at Academy High School. He was an active member of DeMolay and in 1948 served as the principal officer in the chapter of which he was a member.

Brother Volgstadt completed one year in the School of Pharmacy at Temple University and then entered the U. S. Army as an enlisted man. Fourteen months of his military service was spent in Tokyo, Japan, where he worked as a laboratory technician.

In Beta Omega Chapter he has had an important part in the pledge training program and served as Pledge Master for two years. He is married and has one son. After graduation he plans to enter the drug sales field. Brother Volgstadt brings to the Executive Committee a fine background of experience obtained in various organizations.

of endeavor. The ministry has long known that a new man brings refreshing changes and viewpoints.

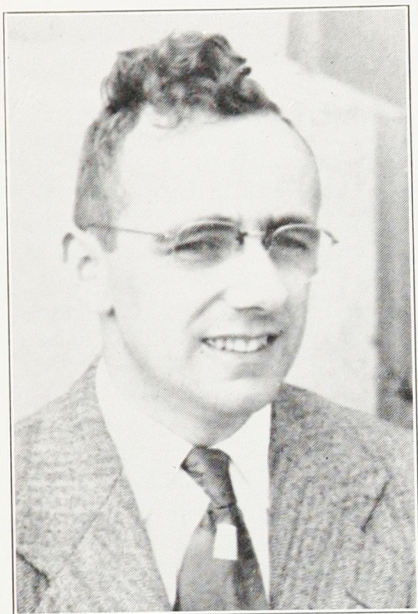

It is only fitting that I address a few words of farewell to all the brothers in Kappa Psi who have made my term in office memorable. I leave with mixed emotions, having witnessed in my long association with Kappa Psi the full potential our Fraternity contributes to its school, the profession of Pharmacy, and society in general.

I am deeply grateful to those of you who have been kind enough to urge me to run again. Your loyalties and understanding have enriched my life.

Thank you again for everything. I hope that the year ahead may be the best ever for you, our Fraternity, and the world. God bless you all.

DR. GLENN H. HAMOR

Member of the Extension Committee

1010

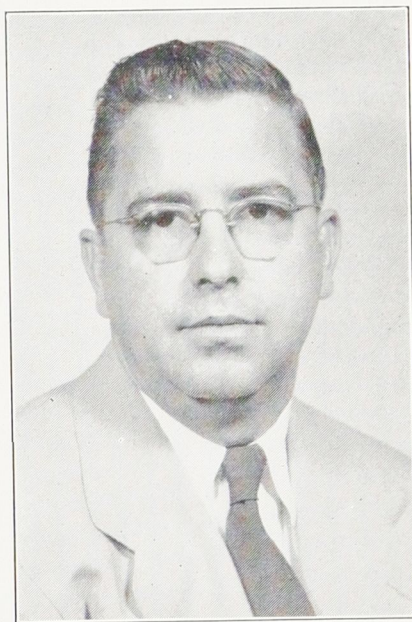

Charles William Hartman, a member of our Extension Committee, was born May 8, 1924 in Shawmutt, Alabama. After spending a short time in Possum Trot, Tennessee, he moved to Rockmart, Georgia. Charles is a veteran, having served two years with the Navy and about two years with the Marine Corps as a pharmacist mate. He is married to Ruby Haralson and has one child, Charles Hartman, Jr., age 9. They are members of the Baptist Church.

Brother Hartman received his B.S. Pharmacy degree from the University of Georgia School of Pharmacy in 1950 and the M.S. degree from the same institution in 1953. He received the Ph.D. degree (major in pharmacy) from the University of Florida in 1956, where he was a fellow of the American Foundation for Pharmaceutical Education. He is now associate professor of pharmacy at the University of Georgia School of Pharmacy. He has just been elected vice president of the Athens Jaycees.

Brother Hartman is a charter member of Gamma Phi Chapter of Kappa Psi and originated the Kappa Psi Museum of Pharmacy in Georgia which has become a continuous project with Gamma Chi Chapter.

His main hobby is golf which at times approaches professional interest but remains amateur in class. He is a member of Sigma Xi, Rho Chi, Phi Sigma, Gamma Sigma Epsilon, A.Ph.A., A.S.H.P., G.P.A., and Phi Kappa Phi.

Dr. Hartman is the Faculty Advisor for the Gamma Phi Chapter of Kappa Psi.

Province V Assembly

Lima, Ohio, April 5-6, 1957

Robert J. Schlembach, *Secretary-Treasurer*

A Province V Assembly was held on April 5-6, 1957 at Lima, Ohio. The meeting was called to order at the Argonne Hotel by Satrap John A. Pringleton. After the invocation by Chaplain Raymond Ratai (Gamma Delta), the delegates were welcomed by Dean A. C. Smith on behalf of the University and by Regent James L. Spahr (Gamma Delta) on behalf of the host chapter.

Chapters in attendance were Xi, Beta Lambda, Gamma Delta, Gamma Iota, Gamma Chi, and Mu Omicron Pi. Chapters not represented were Beta Phi and the graduate chapters from Akron, Buffalo, Columbus, and Detroit.

The first order of business was a report by the Secretary of the minutes of the last Province V Assembly. The Treasurer's report showed a fine balance in spite of certain delinquencies in dues payment by some graduate chapters. Chapter reports of activities and accomplishments were then read, and discussed. The meeting adjourned at 11:45 A.M. for an enjoyable luncheon. Guest speaker at the luncheon was Dean Emeritus R. H. Raabe of Ohio Northern University, College of Pharmacy.

At the afternoon session the following committee reports were given: Executive, Legislative, Extension, Auditing, Scholarship, and Entertainment and Publicity. The Nomination Committee report preceded the election of the following officers: Satrap, Roger Cain, Xi; Vice-Satrap, James Spahr, Gamma Delta; Secretary-Treasurer, Robert J. Schlembach, Beta Lambda; Historian, Don Arthur, Gamma Iota; and Chaplain, Daniel Murphy, Gamma Chi.

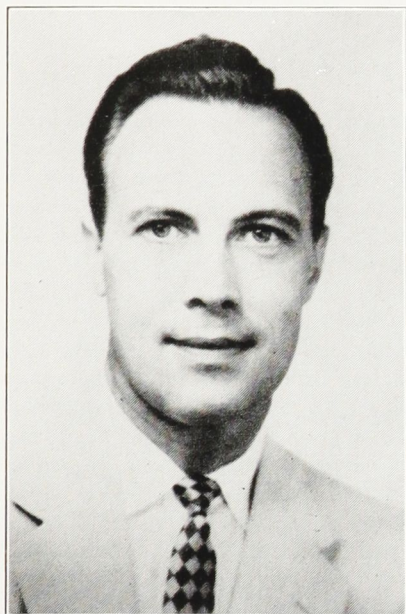

Following the installation of the new officers, a recommendation by the Time and Place Committee was received and passed that the next Province Assembly be held in Buffalo, New York, with Gamma Iota as host chapter. The exact time and date to be governed by the Province By-Laws and the known circumstances at the time.

Recommendations by the Resolutions Committee were received and passed: 1. That the Province meetings be rotated among the chapters of the Province; 2. That a committee be appointed to set up intramural athletic competition between the chapters of the Province; 3. That a committee be appointed to study and to determine the effects of the 5-year program upon rushing and pledging programs of the Fraternity; 4. That all the chapters of Province V be available to assist Mu Omicron Pi reestablish their chapter at Wayne State University; and 5. That the members of Gamma Delta Chapter of Ohio Northern University be commended for their excellent hospitality and for a successful Province Assembly.

The delegate elected for representation of the Province at the National Convention at St. Louis in December, 1957, was Lawrence Woodford (Beta Lambda).

The Province V Assembly adjourned at 3:50 P.M.

Dr. LeRoy C. Keagle Appointed President and Dean of the New England College of Pharmacy

DR. LeROY C. KEAGLE (Kappa Psi)
Appointed president and dean of the
New England College of Pharmacy.

1012

LeRoy C. Keagle, Ph.D. (*Kappa Psi*), educator and pharmaceutical scientist of Cranford, N.J., has assumed the duties of president and dean of the New England College of Pharmacy in Boston.

Under the amended by-laws of this 30 year old college, which was incorporated in 1940 and is one of two remaining privately endowed colleges of its kind in the country, the Board of Trustees voted Dr. Keagle broad powers. For the first time, a president of the New England College of Pharmacy will have complete charge of the college's curriculum, faculty and academic program.

Dr. Keagle returns to the teaching field after four years as Senior Scientist in the Pharmaceutical Research and Product Development of the Warner-Lambert Pharmaceutical Co., of Morris Plains, N.J. In this capacity he was directly responsible to the department head for new product formulations, special flavor problems, development and stability studies on improved old products, preparation of materials for clinical investigation, packaging studies, pilot plant and large scale production methods for marketing of products.

Before entering private industry, Dr. Keagle was assistant dean of the University of Buffalo, School of Pharmacy, July 1950-June 1953 and professor of pharmacy and chairman of the Department of Pharmacy at that University from February 1949 to June 1953. As assistant dean he was in charge of staff appointments and departmental operations. He taught dispensing and manufacturing courses; was chairman of the Committee on Graduate Studies and Degrees; chairman of Curriculum Committee; chairman of Public and Professional Relations Committee, co-chairman of Committee on Admissions and member of the Executive Committee of the Graduate School of Arts and Sciences.

From November 1945 to January 1949, Brother Keagle was assistant professor of chemistry at Rutgers University College of Pharmacy where he taught organic chemistry, assisted Dr. Ernest Little in qualitative and quantitative analysis and was chairman of the Committee on Athletics. In December 1944 and March 1945 to November 1945 he was a postdoctorate fellow in pharmaceutical chemistry at Purdue University. He received his Ph.D. degree in November 1944 from the University of Maryland where he majored in pharmaceutical chemistry and minored in physical chemistry and pharmacology. He was awarded the degree of B.Sc. in Pharmacy in June 1940 from Rutgers University.

The new president of the New England College of Pharmacy was born Feb. 18, 1919 in Bloomington, Pa. He was married in 1942 to Jane A. Beckman and has three children, Douglas Lee, 11; Pamela Jane, 9 and Cynthia Ann, 6.

Brother Keagle is a veteran of the U. S. Army and a licensed pharmacist in Maryland

and New Jersey. He is a member of the American Pharmaceutical Association, American Chemical Society, American Association for the Advancement of Science, Rho Chi Society, and the Linden, N.J., Masonic Lodge.

Theta Chapter Annual Luncheon

(Reported by First Grand Vice Regent M. L. Neuroth)

Each year as a part of the activities of the program for the Virginia Pharmaceutical Association Convention, Theta Chapter sponsors a luncheon for Kappa Psi members and Alumni. This has been one of the highlights of the chapter activities for a number of years and this year was no exception. Thirty-nine Kappa Psi brothers sat down to a fine meal and a brief session of enjoyable reminiscing on Monday noon, May 27, 1957, in the Pine Room of the Hotel Roanoke, Roanoke, Virginia. Included among those present were Mr. Ralph Ware, Secretary of the Virginia Board of Pharmacy, Mr. Braxton Coiner, President of the Virginia Pharmaceutical Association and Mr. James O. Hubbard, Secretary of the State Association. Also Mr. W. Roy Smith, and Mr. Charles E. Green, both members of the house of delegates of the Virginia Legislature. Included in the group was Mr. J. F. Hendley ("Jeff") who is a past president of the Virginia Pharmaceutical Association and the 1957 recipient of the pharmacist of the year award. In addition, there was Mr. Lindsay Butler, who has not missed a Kappa Psi luncheon at the state convention for many a year. Members of the Virginia Board of Pharmacy present were Brothers Guy Miller, Wallace Hook, Frank Hollenbeck and James Steger. Dr. Warren E. Weaver, dean of the School of Pharmacy, and Honorary Member, also attended. All of these dignitaries and others present are loyal Kappa Psi men, ever willing to support Theta Chapter.

The program was brief and included only introductions of outstanding members and alumni along with an excellent presentation of Theta Chapter activities by Brother John Butler. During the luncheon many brothers chatted out loud for the benefit of all present about interesting experiences of college days. Your Vice Regent, M. L. Neuroth extended greetings on behalf of Alpha Chapter and noted the appreciation of the Central Office for the support of its alumni.

The luncheon was definitely a success and we invite all who are in the vicinity of

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Hello again from Eta Chapter. We hope that all have enjoyed a wonderful summer and are content to "get back to the grind." Seriously though, Eta extends best wishes to you for a most successful year in all ways.

This year we welcome back Brothers Roger Parker, Bob Shive, and Chuck Cavalier who have been employed by Uncle Sam. Brother Bud Underwood is also back after a year's leave of absence. They have returned to finish their education and we wish them the best of luck in achieving that goal.

At this time, the most discussed topic at our house is the Kappa Psi National Convention in St. Louis. At this writing, December seems like a long way off and it can't come too soon. Quite a few of us are fervently planning to make the trip and we can bet that many of you are doing the same.

Already, two very successful open houses were held by Eta complete with combos. The first one was after the Freshman Mixer Dance and the latter followed the Inter-Fraternity Council Dance which officially opens the rushing season here at P.C.P. & S. Speaking of rushing, Eta Chapter is eagerly looking forward to another prolific season. It will have to be since we have twenty-one seniors and we would like to at least match that number. Pledge chairman for this year is Jack McDonnell and we are confident that his program will prove to be highly successful.

Plans are now being made for a Formal Winter Party at the house. This should prove to be one of our biggest social events of the first semester. The arrangements are being ably handled by Brother Tony Sorrentino.

Among the many house improvements planned for this year are the installation of a fire escape and the modernization of our kitchen and cellar.

That about covers the news from Eta Chapter so until the next issue of THE MASK, I remain,

Fraternally yours,
GERALD J. SONDEJ, *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

Greetings from Boston, the home of the Bean and the Cod and (at this writing) the Asiatic Flu.

I guess everyone is settled by now and working hard to get one more year out of the way. Good luck to all of us.

Regent Bob Rocheleau has given me the following names for the "Wedding Bells" list: Jim Gagnon, Clarence Libby, Pete O'Reilly, Bill Quint, and Austin Quirion. These are all undergraduate brothers.

Graduate Brothers now married include Dick Hughes (Regent 1956-1957), Dave Mortenson, Platt Quackenbush, and Merle Sheets (First Vice Regent 1956-1957).

Engaged is Karl Nieforth (Historian 1956-1957).

Thanks for the list, Brother Regent, and congratulations to these Brothers.

I was unable to attend the September affair and am grateful to Brother Dick Raymond, a member of our News Letter Committee, for the following account.

"The Chapter's social event for the month of September was a record-hop, held at the Fenway

Manor on Brigham Circle, Monday evening, September 30.

"Brother Jim and Mrs. Mickles, and Brother Jack Schermerhorn were the faculty members present. Mrs. Bill Quint and Miss Harriet Lindstrand represented the 'Front Office.'

"This was the second successive year that our social program opened with a dance at the Fenway Manor."

We are happy to welcome Brother Dick Berry back to M.C.P. and Mu Chapter after a stay in the service. Brother Berry is another of our members from the fine State of Maine.

On Tuesday night, October 15, the Brothers of Mu Chapter saw a musical comedy called "Rumple" starring Eddie Foy and Gretchen Wyler at the Colonial Theater in Boston. Our thanks to Social Affairs Chairman Dan Warren, who is right on his toes and doing an excellent job of arranging events for us.

I don't know if the announcement will come in before mailing time or not—I'll wait as long as I can. Regent and Mrs. Bob Rocheleau are "expecting" and the arrival is due any minute; I'm waiting to hear the news. This will be their fourth child.

Well, I guess we'll have to wait a little longer for the cigars, and, to meet the deadline, this letter will have to be brought to a close and mailed.

Best wishes from all of us for a successful year.

Fraternally yours,
LEONARD HASLAM, *Historian*

NU—UNIVERSITY OF CONNECTICUT

Hello again from Nu Chapter and welcome back to campus. We hope that everyone had a profitable and interesting summer.

This summer we held our annual picnic in August at Chatfield Hollow State Park. It was really great seeing our recently graduated brothers and hear them tell of their new jobs. Professor and Mrs. Williams were there as were many brothers and their dates. Needless to say a great time was had by all.

When we arrived back on campus in September we quickly buckled down to planning another active semester. An election was held to fill a vacancy created by Jim Doonan who transferred to another school. We all want to wish Jim the best of luck. Frank Krivanec our former Historian was elected Vice Regent and Walt Walsh was elected to fill the Historian's post. Bob Vantine was chosen as Social Chairman.

The brothers have been fortunate in being able to watch Brother Larry Day play right halfback on the varsity football team. Another brother, Dick LaVallee had the honor of being selected as the Chief Control Operator of the campus radio station, WHUS.

Some really encouraging news greeted us as we came back to school, for we found out that scholastically last semester, we ranked fourth out of twenty-three fraternities on campus.

Socially, Nu has also been very busy. We recently held a very successful rush party and faculty members and brothers alike enjoyed meeting the new students. A few days later, a dinner and party was held with a women's residence hall.

Plans are in the making for our Homecoming against the Rhode Island Rams. Details for our Sweetheart Dance in December are also being worked out, and preparations are being made to send several of our brothers to the Grand Council

Convention where we hope to see many of you there.

We extend our sincerest congratulations to Brother Arnold Cuzzo who recently married our 1957 Sweetheart, the former Miss Carol Braun. Now Nu news is old news.

Fraternally,

WALT WALSH, *Historian*

XI—OHIO STATE UNIVERSITY

Xi Chapter sends greetings to all of its Kappa Psi Brothers. With the opening of Autumn Quarter, academic work in Columbus seemed to be running a close fourth to World Series games, the possibility of another Big Ten Conference Football Championship, and just general discussions of all the hectic experiences of summer employment. The "old study habit" has already begun to overshadow this however.

This Chapter ended last year with a bang, both socially and academically. Our annual Spring Formal was held in May. The careful planning of the committee was well in evidence, and everyone had a really great time.

Scholastically, Brother Lee Schramm in national competition won the coveted Kilmer Prize for his outstanding work in pharmacognosy research. Xi Chapter was certainly proud of Lee. Incidentally, Lee's advisor for this accomplishment was Dr. Jack L. Beal of our own college of pharmacy and Historian of the Columbus Graduate Chapter of Kappa Psi. Brother Lee also received a B.S. degree with distinction at commencement last spring quarter, and he is now studying for his master's degree while attending the graduate school of pharmacy at the University of Connecticut. Another distinguished Kappa Psi senior of last year was Brother Roger Cain. Roger won the faculty award for the outstanding senior student, was graduated cum laude, then went on to get the highest grade in the Ohio State Board Examination. Brother Roger is now a practicing pharmacist in Trotwood, Ohio.

Xi Chapter is proud of all of its graduates of this year and other years and sends to them and all brothers the most heartiest wishes for success and happiness. Happy cramming to those brothers who are still battling the books, too.

Best wishes for a Merry Christmas and a Happy New Year.

Fraternally yours,

JACK BERGQUIST, *Historian*

RHO—UNIVERSITY OF KANSAS

We of Rho Chapter are looking forward to a very successful year. Dr. Hopponen, Our Grand Council Deputy, met with us at our first meeting and assisted with our plans for this year. There is a lot of enthusiasm among the officers for planning more projects and social events so this should prove to be a most exciting year for the Kappa Psi members of K.U.

The officers installed for this year are: William Icks, Regent; Duane Jackson, Vice Regent; Vernon Gleissner, Secretary; Jon Holman, Treasurer; William Neal, Historian, and Allen Hale, Chaplain.

We have scheduled a Smoker to be held in the Jayhawk Room of the Student Union on October 17. Our local Kappa Psi Alumni are planning to get together with us so we are looking forward to a real enjoyable occasion.

In closing, we would like to extend an invitation to all of our brothers everywhere to drop by to see us when you are in this vicinity.

Fraternally yours,

WILLIAM NEAL, *Historian*

UPSILON—UNIVERSITY OF KENTUCKY

Greetings to all from Upsilon Chapter. For years the University of Kentucky College of Pharmacy has been located in Louisville. This fall the new pharmacy college building has been completed and classes are in progress in Lexington. It provides quite a contrast with its new lecture rooms, laboratories and offices. The architecture of the building is magnificent as can be seen from the picture in the April-June, 1957 issue of THE MASK.

In order to establish Kappa Psi as a new fraternity on campus, we are having an all-campus masquerade ball on November 1. Proceeds from the dance will go into the fraternity house fund.

Upsilon Chapter sponsored a radio and television broadcast in connection with National Pharmacy Week. Brothers Richard M. Doughty, faculty advisor; Regent Paul Price and Vice Regent Charles Long told of pharmacy as a profession and reiterated methods of extracting crude drugs.

We are happy to add a Kappa Psi brother to our faculty staff. He is W. S. Johnson, who upon graduating from the University of Kentucky College of Pharmacy in 1949 was awarded the Kappa Psi scholarship key.

Fall initiation is set for October 21. Those to be taken into the fraternity are pledges John Amic, Oscar Adams, Edward Hughes, Norris Simmons, Fred Phillips, Paul Moore, Larry Spears, and Jay Johnson. Pledging is also underway for spring initiation. Thus far, twenty pledge cards have been signed showing evidence of another promising year.

ROBERT NOLD, *Historian*

CHI—UNIVERSITY OF ILLINOIS

Well, here we are back in school after a summer vacation that went by too fast. The brothers of Chi Chapter of Kappa Psi welcome their fellow brothers back to the grind. (It won't be long seniors.)

Things got off to a bang this year as Chi Chapter opened its doors for freshmen during orientation week. On October 9, 1957 a free luncheon was held at good old "614," our fraternity house. Thanks to the hard work of the pledge committee and help from the rest of the Fraternity, the luncheon was a huge success. Highlighting the luncheon were fine short talks given by Dr. G. Webster and Mr. Danier. After the talks everyone dug into the food which included sandwiches, salads, coffee, cokes, and Kappa Psi cake.

On October 18, 1957 Chi Chapter will hold its annual smoker to which prospective pledges have been invited. The new men and the brothers will have an opportunity to meet and discuss fraternity life. So far the prospective pledges I have talked to showed the outstanding quality that Kappa Psi wants.

The word is out that Brother Bob Sztuk has a terrific play lined up for the campus carnival which will be held in the winter quarter. It is supposed to be so good that C. B. DeMille is interested.

The volley ball season is here once again and

we are all hoping that our team can repeat as champions this year. This time however, we have two teams instead of one and will thus be a double threat.

On Friday, October 11, 1957 the senior class of the University of Illinois, College of Pharmacy, took a trip to North Chicago to observe the operations of Abbott Company. A good time was had by all as the boys flirted with the good looking (?) guides and assembly line girls. At night we were treated to a dinner at the Congress Hotel and the enjoyable Ice Follies at the Chicago Stadium.

On Saturday October 25, 1957 the social committee will sponsor a Hay Ride. A big crowd is expected and everyone should have a heck of a time.

NOTE TO BETA CHI (DRAKE U.)—The brothers at Chi chapter would like to express their greetings to the brothers at Beta Chi especially Bother D. Cox and Brother K. Raclawski.

So until next time when I can once again tell you of our glorious achievements I remain,

DAVID E. HARABURDA, *Historian*

OMEGA—RUTGERS UNIVERSITY

Omega Chapter began this school year with its annual smoker which was highlighted by the attendance of Satrap Joseph Micale of Province II who spoke on the meaning of fraternalism and how Kappa Psi lives up to its principles. Also in attendance was our newly appointed Grand Council Deputy Blake Putney, along with John Voigt, Louis King and Nicholas Lordi of the faculty. Kappa Psi's smoker officially opened the rushing season and despite the inclement weather and flu, many Graduate Brothers and Collegiate Brothers were on hand to welcome the sophomores to the college.

We of Omega would like to welcome Brothers Nicholas Lordi, a Rutgers graduate and former member of Omega Chapter, and Joseph Campo, an alumnus of the University of Florida and Gamma Sigma Chapter, to the faculty of the university. In behalf of the Chapter, I wish to extend our appreciation for the many fine services that Brother Walter Wuggatzter gave us while he was a faculty member and Grand Council Deputy for Omega Chapter, and to wish him the best of luck in his new endeavor. Brother Wuggatzter has left the faculty to take a position with Pharmcraft, Inc. in Illinois.

This summer proved to be an eventful one for Brothers Ralph Cifaldi, Marshall Pesciotta, and Paul Hanlon of the Class of 1957. Each of them took that walk down the aisle and the men of Omega would like to take this opportunity to convey their very best wishes. Good luck to Brothers Robert Calvo ('56) and Joseph Jasaitis ('57) who are now attending the medical schools at George Washington and Yale respectively. Brother Salvatore Vitale is now serving with the U. S. Army. Any information concerning Graduate Brothers would be greatly appreciated by this author.

The sincerest sympathy of Kappa Psi men everywhere goes out to Brother Joseph Kochbarski upon the death of his brother. We would like to see more of Joe at our Collegiate Chapter meetings.

Omega is happy to report that Kappa Psi's name has twice been added to the plaque which commemorates the intramural champions here at the school. The football team which is spearheaded by Brothers Len Duca and Nathaniel Carter, has

started this season with a loud bang and as a result we are confident that at least one additional championship will be taken this year. The prospects for the basketball season are also bright. The first casualty of the football season turned out to be Brother Louis DeFazio who collided with a member of the opposition while attempting to receive a pass. Although Lou was knocked unconscious and spent a few days in the hospital (which, I am told, he did not mind at all), he appears none the worse for the ordeal. Upon hearing of Lou's pleasant experiences at the hospital, the word has it that other members of the squad are plotting some means of gaining admission. All kidding aside, we are happy that Lou is back at school and in tip-top shape.

The Brothers of Omega are eagerly awaiting the forthcoming National Convention and hope to see many of you in St. Louis. Until then we would like to extend to all Kappa Psi men sincere wishes for a very Merry Christmas and a happy and prosperous New Year.

Fraternally yours,

ROBERT G. SCULLY, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

Fraternal greetings from Beta Delta Chapter to all Kappa Psi Brothers everywhere.

The initial meeting of the year was held on the night of October 2, with Regent Wes Barnard presiding. The first order of business was the submission and unanimous approval of the '57-'58 budget. Hats off to the Budget Committee for a job well done. Other points of business included plans for a Fall Pledge Week and Initiation to bolster our ranks. The usual pledging of freshmen will be held after the mid-year examination.

Vice Regent Herb Goggins and his committee are hard at work on the Student Directory. For a number of years, the publication of a student directory, on a non-profit basis, has been the policy of our chapter. The directory sale has always been met with wide acceptance by the entire student body. The aim of the booklet is to help all of us become better acquainted with the members of other classes.

The Province I Assembly gets under way October 19 at the University of Rhode Island in Providence. Delegates elected to represent Beta Delta Chapter at the Assembly include Brothers Jim Garrity, Herb Goggins, Pete Murray and Warren Ficke.

Election of Class officers was held at the college on October 9. Kappa Psi was well represented as they always have been in the past. Senior Class Officers for the coming year are: President, Dexter Spaulding; Vice President, Win Dobbins; and Secretary-Treasurer, Ted O'Toole. Those Brothers elected from the Junior Class were: President, Mike Loudis; and Vice President, Peter Murray. Congratulations and good luck to you in your coming administrations.

Personal items include the birth of a baby girl, Debra Lynn, to Joan and Wes Barnard, Brother Frank "Pete" Hempstead and Miss Vicky Waldron, a Kappa Psi Sweetheart for four years, have announced their engagement. We understand the wedding is to be a post-graduation event.

That is all the news for this issue from Beta Delta Chapter. Until the next edition, I remain.

Fraternally yours,

MONCRIEF FRANCIS, JR., *Historian*

BETA UPSILON—UNIVERSITY OF RHODE ISLAND

Greetings to all Kappa Psi brothers. Beta Epsilon starts the school year at a new address, now located on the beautiful campus of the University of Rhode Island. The brothers weren't accustomed to walking moderate distances from class to class, so at the end of the day some were quite tired. All brothers were in shape in about a week though.

Attention Beta Omega at Temple University! Take care of our boy Charlie Lowney. All the brothers of Beta Epsilon send you their regards, Charlie. Drop us a line and let us know how you are making out.

Plans for the Province I Assembly, which is being held on the University of Rhode Island Campus, are being made. All delegates will be taken on a tour of the campus and the College of Pharmacy will be one of the main points of interest. This is only one of the many activities scheduled. A large delegation is expected and the Assembly will surely be a success.

Bids were sent out October eleventh, and Kappa Psi is the only fraternity on campus that can rush freshmen pharmacy students. (Male that is!)

Once again may I remind Mu and Nu Chapters to send their pledges to the University of Rhode Island at Kingston.

In closing Beta Epsilon wishes a successful year to all.

Fraternally yours,
EDWARD B. DYER, *Historian*

BETA ETA—WEST VIRGINIA UNIVERSITY

Greetings to all Kappa Psi brothers from Beta Eta Chapter. Again we are back with the books and hope that all brothers everywhere have great success with their studies.

Many of last year's group are now gone via graduation. To them, we offer congratulations and best wishes for continued success. We also congratulate the brothers who became registered pharmacists this past summer.

We of Beta Eta again would like to thank Brother Frank Eby for attending our Initiation Banquet last spring. All of the brothers enjoyed a wonderful evening and hope that Brother Eby did likewise and will visit us again soon. Twenty-one new members were initiated the Sunday afternoon before the banquet, and then on Monday evening were formally inducted at the banquet.

Pledging is now underway for the fall term at Beta Eta. The new pledge class seems to be very promising and will offer added strength to the chapter. They will be initiated on November 10.

December 13 is the tentative date for the chapter's Winter Formal in the ballroom at Elizabeth Moore Hall. This has always turned out to be a highlight of the pharmacy social season and we again anticipate it to be up to the highest standards.

The new officers installed last April are now "in the swing" of things and again capably fulfilling their duties. These include: Brothers, A. Ray Shaw, Regent; C. D. Walters, Vice Regent; Charles P. Coe, Secretary; John C. Buck, Treasurer; Jim Cash, Historian; Jack Ramey, Chaplain; Prof. F. L. Geiler, Grand Council Deputy; and Prof. G. A. Bergy, Financial Advisor.

Plans were made at the recent State Pharmaceutical Association Meeting held at White Sulphur Springs, for organizing an Alumni Chapter in this state. Organization is to be made in the near future and a charter is anticipated sometime later. We urge all Kappa Psi men and alumni to affiliate with the chapter and aid them in strengthening the Brotherhood.

Congratulations are extended to Brother Andy Shelton, our immediate Past Regent, who was awarded the Kappa Psi Scholarship Key. This award is given annually to the Kappa Psi seniors with the most outstanding scholarship records. At a recent A.Ph. A. meeting, Brother Sam Griffith received the Rho Chi Award and a U. S. Dispensatory for outstanding scholarship as a sophomore. Brother Roger Hornbrook, the president of A.Ph.A., received the Kappa Psi Junior Scholarship Achievement Award. To them we offer congratulations for a job well done as well as to the many Kappa Psi brothers who made the most recent Dean's List. Keep up the good work!

As the next issue won't be out until after the holidays, we of Beta Eta offer holiday greetings, best wishes, and pray that everyone has a safe, sane and very happy Thanksgiving, Christmas, and New Year's vacation. Until the spring issue,

Fraternally yours,
JAMES W. CASH, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

At the close of the spring semester Beta Kappa elected officers for the coming year. The new officers are: Regent, Bill Schraf; Vice Regent, Paul Tornatore; Recording Secretary, Jack Welch; Corresponding Secretary, Tony Geraci; Treasurer, Tom Wajert; Historian, Frank Stroker; Chaplain, Walt Lightner and Sergeant at Arms, Sam Manuel.

Beta Kappa members are looking forward to the coming school year with much enthusiasm. Many events and projects have been scheduled for the semester. The first week of school the chapter held a party for members at Totem Pole Lodge in South Park. The party was well attended by both actives and faculty. At a short business meeting that followed, plans were made for the activities scheduled for the coming school year. Of prime importance were the Homecoming Day festivities. Homecoming this year is the weekend of the Pitt-Syracuse football game which is November 2. All alumni that the chapter has records of have been contacted. If any alumnus has not been contacted, the chapter wishes him to contact the chapter so that he will not miss out on other undergraduate-alumni activities. He may do this by writing to Kappa Psi Fraternity, Schools of the Health Professions, University of Pittsburgh. The letter should be sent in care of Dr. J. P. Buckley, our faculty advisor. Since this is the first time the chapter is holding such a function, the members are looking forward to it with much anticipation. This event is the first to be scheduled jointly with the alumni to foster closer relationship between the actives and the graduate members.

Kappa Psi members were once again in predominance as Rho Chi, National Honorary Pharmaceutical Society, initiated new members. They included: Tony Geraci, Joe Gourash, Bob Halliday, Dan Ringler, Dave Coates, Ralph Blomster,

Harry Kerr, Bill Schraf, Bill Tranick and Chester Zychowski.

The Chapter wishes to extend a warm welcome back to Dr. William Kinnard. Dr. Kinnard was formerly a student at Pitt where he did his undergraduate studies. After graduation Dr. Kinnard attended Purdue University where he received his doctorate. At the present time he is serving in the pharmacology department as physiology instructor and pharmacology lab instructor.

Dave Coates '57 is doing graduate work in pharmacology at the school. Bob Bickerton is beginning his second year of graduate work in pharmacology.

During National Pharmacy Week, Beta Kappa put up a display in the school lobby. The display depicted the role of pharmacy in atomic energy such as in radio-active isotopes and tracers. Pamphlets were provided with information on pharmacy in atomic energy.

Beta Kappa Chapter has been recognized for having one of the largest pledge classes last year. The chapter also exceeded its membership of the previous year and this semester is looking forward to initiating another pledge class with men of good quality who will prove an asset to the Fraternity.

Fraternally yours,

FRANK J. STROKER, *Historian*

BETA LAMBDA—UNIVERSITY OF TOLEDO

Greetings to all our Brothers everywhere from the Beta Lambda Chapter, "in the Glass Capital of the World."

With the start of a new scholastic year, we the Brothers of Beta Lambda are once again united in brotherly spirit. Through this spirit we are succeeding in planning a very successful and memorable academic year.

The spring semester came to a close with Beta Lambda sponsoring its sumptuous Fourth Annual Dinner Dance in honor of the graduating class of the College of Pharmacy. The dance was held at Sunningdale Country Club on May 11. Special credit goes to Ramon De Paul, chairman, and Darryl Zellers, co-chairman, for their wholehearted contribution in making this dance a big success and to the Chapter in general for showing a vast amount of enthusiasm. At the dance Brother Robert Taylor was awarded the Asklepios Key for outstanding scholarship and Brother James Asato received the Outstanding Senior Award.

Congratulations are extended to all the Brothers of Beta Lambda who have successfully passed the State Board Examination and to wish them outstanding achievement and success in the field of pharmacy.

The Chapter welcomed a new faculty member Dr. William D. Roll at an informal meeting at the Club Ding How on September 17. Dr. Roll, a Brother of Kappa Psi, received his doctorate degree in pharmaceutical chemistry at the University of Purdue.

During "National Pharmacy Week," Oct. 6-12, faculty member Professor Anton Hogstad, Jr. gave a skit on "How Not to Manage a Drug Store." This satirical skit has been performed at various conventions and meetings and has been humored and laudably acclaimed by pharmacy students and teachers from colleges throughout Northern United States.

Congratulations are also in order to Brothers James Thompson and Robert Perez, who have en-

tered the state of nuptial bliss; and to Brothers Larry Max and Richard Belcher, who have recently announced their engagement. Brother Joseph Vedda has recently been inducted into military service and Brother Darold Basista, an employee of Uncle Sam, is now stationed in Germany.

To all my Brothers of Kappa Psi throughout the nation I would like to extend best wishes for a year of fraternal as well as scholastic success. So until the next issue of THE MASK, I remain,

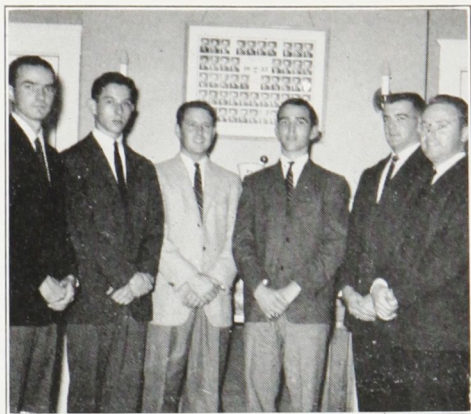

Fraternally yours,

THOMAS G. BODNOVICH

BETA XI—UNIVERSITY OF NORTH CAROLINA

We at Beta Xi have begun the year at the same address, 117 W. Rosemary St., Chapel Hill, North Carolina. Most of the brothers returned a few days before classes started in order to help with the various improvements on the house. Several miscellaneous pieces of furniture were purchased and the rooms were painted. All in all, the house now possesses a truly remarkable appearance. Many thanks to the brothers who accomplished these tasks. This type attitude and initiative seems to be indelibly present among the members of our chapter, which, needless to say, is a very desirable characteristic.

After many years of patient waiting, we can finally look forward to a new building for the school of pharmacy. This appropriation of funds was set aside by the State Legislative Assembly earlier in the year. It is a most noteworthy achievement in the eyes of the pharmacists of this state, who worked conscientiously and tirelessly in their efforts to help this School of Pharmacy cope with the ever-present problem of student enrollment increase. Ground breaking ceremonies are scheduled for March of 1958. The building will have the latest scientific equipment. Completion of the structure is expected before classes begin in the fall of 1959. Probably most important

of all is the fact that the enrollment capacity will be doubled. Praises indeed are in order for the members of the North Carolina Pharmaceutical Association, the North Carolina Board of Pharmacy, and our dean of the School of Pharmacy, Edward A. Brecht, who were outstandingly instrumental in effectuating this great move in the advancement of the prestige of pharmacy in our state.

Presently, we have 20 brothers and 2 pledges living in the house. We have a total of 46 active brothers this year. We are now making plans for our annual Fall Rushing Week, which is scheduled to get underway on October 21, 1957.

Brother Cosmo Di Fazio, formerly a member of the faculty in the school of pharmacy, recently received his Ph.D. Brother Di Fazio has far-reaching plans however, and doesn't intend to halt his formal education. He is now enrolled in the medical school of this university. Congratulations to this fine brother who has the remarkable reputation of making difficult goals seem so easily attainable.

Initiation of the following brothers was held on October 2, 1957: Larry Larson, High Point, N.C.; Ben Phillip Daughtry, Smithfield, N.C.; Donald Dowdy, Roseboro, N.C.; Johnny Warren Elkins, Fayetteville, N.C.; Edward Garfield Faulkner, Monroe, N.C.; Charles Edward Hardy, La Grange, N.C.; Charles Glenn Lasley, Jr., Draper, N.C.; Charles Costello Laughlin, III, Henderson, N.C.; Miles Herbert Purser, Grifton, N.C. We are very proud to have these young men as our brothers.

Kappa Psi is again well represented in student organizations here on campus. Our Regent, Hugh Hinton, is president of the pharmacy school student body, member of the University Party, member of the Professional Interfraternity Council, and reporter for the Pharmacy Senate. Wayne Buie is vice president of the pharmacy school student body. Ray Gordon Hagwood is executive

committee member of A.Ph.A. and NCPA student branches. Allan Boyd is member of the University Club. Bob Cromley and Mike Lazarus are members of the Dance Committee and court of U.N.C. Walt Griffin is a member of the University Party. Orientation Counselors are Billy Allen, Bob Cromley, Joe Ferrell, and Hugh Hinton. Bill Allen is treasurer of the Professional Interfraternity Council. Russ Mitchell is junior class president. Jim Haithcock is treasurer of junior class. Hugh Clark is sophomore class president. Whit Moose is vice president of Sophomore Class.

Brothers Van King, Paul Whitehurst, Johnny Williams, Charles Barger and Don Miller were recent visitors at our house. It is always a blessed event to see our brothers return and talk over old times. Such should be the situation on Homecoming Day, to be held at the university on November 2, 1957. We are then hoping to entertain many of our brothers, whom we haven't seen for quite a while.

Congratulations to Brothers Don Jackson, and Dave Montgomery. Don was married to the former Jean Sorrells of Dunn, N.C. Dave was married to the former Betty Thorp of Greensboro, N.C. Both ceremonies took place during the past summer.

Fraternally yours,
STEVE HARRISON, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

As all of our escapades of the summer come to a close we open our books and start the hard task of absorbing many facts and details. If we can think of these facts and details in the form of excitement that we have had throughout this summer and attack them with the enthusiasm that we did our escapades much can be accomplished this year.

We started off with a bang this year at Beta Omicron by having an executive meeting the

second day of school. Regent Paul Brittain having contacted most of his executives throughout the summer had a tentative program of activities for the coming quarter. First there will be a Salmon Bake this Sunday at Richmond Beach which should be very enjoyable and eatable.

Our brother and Treasurer William (Bill) Elliott has taken on a very hard job besides being Treasurer. He became President of A. Ph. A. and is working very hard at it. He took the job because he thought he could contribute to the School of Pharmacy, our profession and to the A. Ph. A. He has started a number of programs and before he is through will have set a standard for the rest. Besides all this he became engaged this summer to Carol Gillespie who is also in the School of Pharmacy. They have thought about getting married after he graduates in the spring.

Our Vice Regent Robert (Bob) Spence tied the knot this summer by marrying Jacqueline McKean. They will graduate this spring from the School of Pharmacy and carry on a great life together.

Richard Scheyer a senior last year has come back to do graduate work.

In closing, we of Beta Omicron wish to extend to all our Brothers of Kappa Psi the best of everything. So, until the next issue of THE MASK, I remain fraternally yours,

CHARLES E. NUNN, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

Greetings once again from Beta Rho. We hope each of you got off to a good start this year and wish you continued success in the future.

On Monday night, September 23, Beta Rho presented a film from Parke, Davis & Co. in the chemistry auditorium of the pharmacy building. Present were Kappa Psi members and new students enrolled in the school of pharmacy.

On Tuesday night, October 1, Beta Rho gave a smoker for this year's rushees, at which was enjoyed a buffet style supper. Representing the faculty were Dr. W. L. Nobles, Dr. A. A. Dodge and Mr. W. W. Johnson. Incidentally, all male members of the faculty of the pharmacy school are Kappa Psi members.

At this time Beta Rho would like to express its appreciation to Brother Melvin Donald for the fine job he did as Regent. Brother Donald resigned as he is now teaching bacteriology. We are now under the capable leadership of Brother John Reed, who is our new Regent.

Beta Rho had a pledging banquet on October 10, in the school cafeteria. Twenty-five boys in the school of pharmacy pledged. We are proud to have these boys and look forward to continue having a great chapter. The following boys are our new pledges: Gary Adkins, Union, Miss.; George W. Armstrong, III, Coffeeville, Miss.; Frank W. Barrett, Mendenhall, Miss.; Kyle Bethany, Jr., Macon, Miss.; Richard Boney, Biloxi, Miss.; Billie J. Bonner, Quitman, Miss.; Guy T. Conway, Itta Bena, Miss.; Anthony Cuicchi, Shaw, Miss.; William Field, Jackson, Miss.; Don E. Gorton Jr., Belzoni, Miss.; Laurens M. Holmes, Oxford, Miss.; Kenneth A. Howell, Tupelo, Miss.; Eugene McDill, Sebastopol, Miss.; Robert A. Magarian, Jackson, Miss.; Joe A. Moore, West Point, Miss.; Bill G. Nash, Jonesboro, Ark.; T. D. Persons, Jr., Gulfport, Miss.;

Tommie R. Pittman, Columbia, Miss.; Robert H. Read, III, Paulding, Miss.; Gerald Scoper, Pass Christian, Miss.; Ray Smith, Boonville, Miss.; Jimmie Turner, Ellisville, Miss.; A. L. Vaughn, Clarksdale, Miss.; and Malcolm L. Wilkinson, McComb, Miss.

Until next issue, I remain

Fraternally yours,

BETA SIGMA—NORTH DAKOTA STATE COLLEGE

Greetings from the men of Beta Sigma to the men of Kappa Psi. It is really swell to get back to the good old grind after a long summer of backbending work. The group of brothers that stayed at the house during summer school had almost more on their hands than they could handle. On June 20 a "strong wind" happened along and blew out a very good sized section of the town including half of our house. We are indebted to them for working as hard as they did. A short article with some pictures was in the last MASK showing and describing a portion of the destruction we endured. Very few brothers were able to help due to the distance that they lived. They had to rely upon this group of brothers to collect and store the few possessions that were found until they returned in the fall. A special meeting was called during the summer and we almost had to scrape together our very shoestrings in order to buy a house. After we managed to accomplish this many repairs had to be attended to. We plan to be eating meals by the 21st of October. We were able to move in and room seventeen brothers at the start of school but we weren't able to serve meals due to the refinishing in the basement. None of this would have been accomplished if it wasn't for the strong ties that are present in the men of the Beta Sigma Chapter. I would like to thank the other forty-eight chapters of Kappa Psi for trying to offer help in some manner but I guess that they all had hard times this summer also.

Upon the completion of rushing, Beta Sigma was very fortunate in pledging twenty-one new men. We owe a big hand to our rushing chairman Richard Olness who had a very difficult time trying to arrange a pledging program with our "new house" in the middle of repairs. We know that we have a terrific group of pledges with the desire and spirit that is of extreme value to the Fraternity. The new pledges are: Richard Lund, Fargo, N.D.; David Krantz, Virginia, Minn.; Richard Isacson, Superior, Wis.; Lowell Hagelen, Maddock, N.D.; Fack Gahley, Bismarck, N.D.; Robert Doheny, Eveleth, Minn.; James Clow, Jamestown, N.D.; Jerald Chase, Hazen, N.D.; David Moore, Bismarck, N.D.; William and Clifton E. Miller, Fargo, N.D.; Grant Mickelson, New Rockford, N.D.; John Melin, Virginia, Minn.; Ele Perunovich, Eveleth, Minn.; Herbert Pomisch, Iron River, Wis.; John Samuelson, Bismarck, N.D.; Vernon Schanlich, Forest River, Wis.; Kenneth M. Swanson, Rugby, N.D.; Gary Vardsveen, Minot, N.D.; Richard Contos, Duluth, Minn.; and Francis Satovich, Hibbing, Minn. Our active-pledge enrollment is now approximately eighty men.

Little cupid has been on the prowl again and quite a few brothers have been struck with some

suffering the fatal effects. They are: Chuck Phillips married to Diane Davis; Paul Irsfeld married to Gloria Lloyd; Jerry Herman married to Betty Huber; Gary Humes married to Shirley Botton; and Jack Southam married to Roberta Enger. Those that joined the ranks of the engaged are: Jim Carlson to Donna Seaburg; Tom Mensing to Karen Henderson; Chuck Wilharm to Terryl Ann Frank; Tom Pettinger to Joyce Tucker; Jim Churchill to our ex-sweetheart Patricia Moore; and Martin Bergeson to Edwina Pryan. That about does it for cupids corner.

Before I forget and draw this to an end the new brothers recently joining the active ranks of Beta Sigma are: Richard Sharpe, William Suckerman, Dirk Gasper, George Gardner, Alton Gien-gar and Lloyd Schnaidt.

Intramural sports have just started to roll. As we now stand in football we have two wins and one loss.

We are starting preparations for the National Convention this year. As yet we haven't elected any delegates but are planning to do so in the very near future. We have nominated Dean Miller as 2nd Grand Vice Regent and hope that we will receive the support of most of the other chapters.

Our fall term party has been scheduled for November 22. This outstanding affair is to be held at the Moorhead Country Club.

This winds it up for now and I hope that the news appeals to your interest. Beta Sigma chapter cordially extends its greetings to all the Brothers of Kappa Psi with the hope that true brotherhood shall always exist.

Fraternally yours,
PHILLIP S. LARKE

BETA UPSILON—BUTLER UNIVERSITY

The summer has passed and the brothers of Beta Upsilon have returned to begin what this chapter hopes to be the most productive and enjoyable year in our existence at Butler University.

We held our opening meeting of the semester on September 20th at which time we discussed our activities for the coming months. Among the subjects on the agenda were such items as the "Fall Smoker" for prospective pledges, the float for the annual Homecoming parade, and a "Dispensing Jacket Project" for our fund raising campaign. Committees were appointed to get the various projects going and thus the ball started to roll.

The next meeting, September 29th, revealed the previously mentioned activities well underway. The committees reported their progress on the projects assigned to them. Suggestions were submitted for refinements of the rough spots, and special attention was devoted to the pledging activities for the immediate future. Among the other items discussed and voted on were the standards for the awarding of an Asklepios Key each year, the date on which the chapter would meet each month, and our display for "National Pharmacy Week." Dr. John W. Martin and Dr. Arthur A. Harwood were appointed co-faculty advisors. Immediately preceding the matters of official business, the members enjoyed a "beans and franks" dinner which was followed by home made pies prepared by the wives of several of our brothers.

On October 3rd, the doors of Beta Upsilon were thrown open to the students of the Pharmacy

College in the form of our "Fall Smoker." Refreshments, food, cigars and cigarettes were enjoyed to the music of the Vic Knight Combo. The actives and faculty members attending were introduced to everyone present.

Shortly following the smoker, a special meeting was held for the organization of pledging activities. Prospective pledge names were submitted for determining scholastic eligibility and approval. Each brother was assigned one or more of those individuals meeting the requirements for the purpose of personal invitation to pledge membership. At the present time we are in the middle of pledge week with the goal of surpassing our rival fraternity (you should excuse the expression), Phi Delta Chi, in the pledge drive.

This just about summarizes our progress up to the present time. We sincerely hope that all of the brothers of Kappa Psi throughout the nation have had an enjoyable summer and wish all of you success in all of your activities for the coming year.

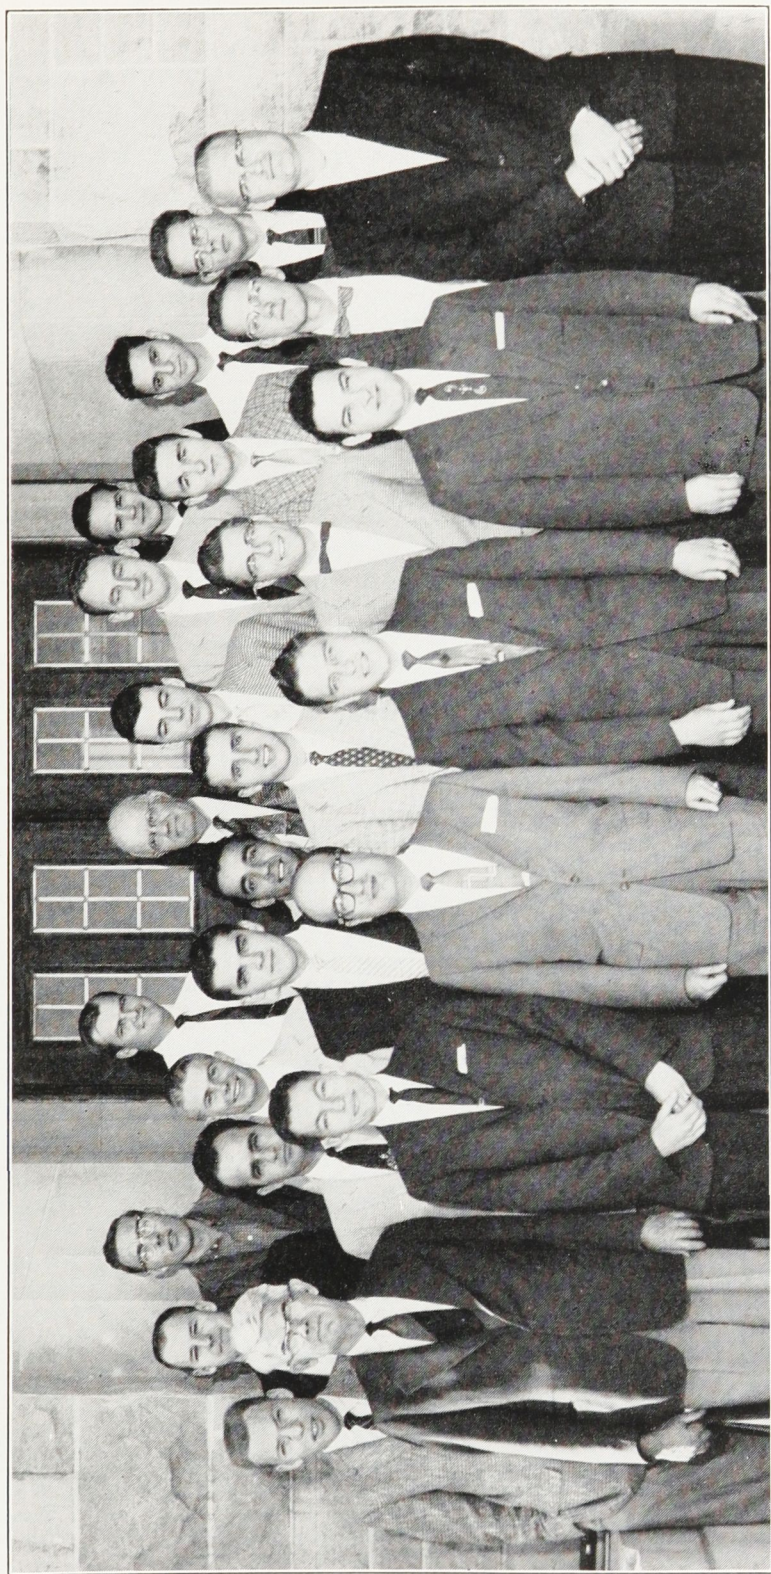

Fraternally yours,
WILLIAM S. KNOPP, *Historian*

BETA CHI—DRAKE UNIVERSITY COLLEGE OF PHARMACY

Well I don't know about the rest of the Brothers but I'm tired. It seems as though three months of vacation just isn't enough any more. But anyway the Brothers at Beta Chi wish to extend a great big and tremendous HELLO to their cohorts all around the country.

Things have really been "popping" out here since school has reopened. Initiations, banquets, beer blasts, meetings, and occasionally a "take five" for school have been keeping us going. Our first meeting of the year was held September 25th, and a week later we had our Fall Rush Smoker. You say you want to know where it was held? Well I'll tell you. It was at the Hotel Savory here in the Insurance Capital of the World. Boy, I tell you, did we have a time. It was more like a time and a half. A person had to be there to appreciate it. First of all the rushees beat the actives in getting out to the hotel. It seems as though there was a mix up some place. Eventually the actives got out there and proceeded to intermingle with the prospective pledges. After some time a skit was put on. One might call it a lampoon on surgical and operating techniques. Following the skit was a buffet supper and a few talks given by our guests of honor. Who were they? Why no one other but Dean Benton of this college, Dr. Granberg, and Dr. Andries. Actually I think that these little talks were the "clinchers" in helping the rushees to make up their minds about what fraternity was the right one for them. Afterwards the tables were cleared and the cards were brought out and good conversation was heard throughout the room.

The affair was a huge success. If you don't believe me look at the list of NEW PLEDGES I've compiled: John Cooper, Gerald Davis, James Ellefson, Raymond Fink, Don Gerdy, Leonard Gotz, Bob Griffensteine, Ralf Kallman, James Mihm, Marty Mihm, Robert Nelson, Tom Pierick, Jim Ramsey, James Rodberg, Tony Spotora, Ray Stone, John Szczynski, and Bill Windsor. If you take the time to count them they total up to 18. That's not all, six more names are scheduled to be added after they get rid of the flu.

BETA UPSILON—BUTLER UNIVERSITY

Third Row (l. to r.)—Ron McMullen, Frank Huff, Nathan Michener, Jim Moore, Herb Brandt, Dick Jackson, Charles Bagley, Howard Krakovitz, Dean Vest.
 Second Row—Joe Fedor, Roger Castelflor, John Martin, John Cloud, Bob Karpel, Rich Gliwa, Jim Viskocil, Ted Kawszewicz, Dave Dodge.
 First Row—Arthur Harwood, Billy Brannon, Bill Knopp, Leonard Skuta, Larry Herman, Don Nickel.

Say there, how's the flu situation out at your chapters? I made a rough estimate and came out with about one-fourth of the on-campus population being down with A.F. (Asiatic Flu to all you squares). Despite A.F., however, our plans for the Fall Dance are forging ahead. Brother (the Bone) Hammes tells me that everything is set for this coming Friday, October 18th. According to the Bone a real cool Bill Erickson Quintet will be playing for us at the Waveland Country Club. The outcome of this session will be published in the next issue of THE MASK.

Oh yes, last Friday we had our little informal pledging. The boys came through nicely; not one went to the hospital afterwards. This was done so as to keep in accordance with the Constitution of Kappa Psi. In fact afterwards the whole Chapter went out to one of the out-of-town parks for a little get-together. It seems as though this escapade was another success judging from the number of headaches the next morning.

Our Formal Initiation was held last Sunday, October 13th. The Banquet was at McNeals again and the food was really great. As is the case the number going active in fall was small; four to be exact. The new brothers are: Doryl Colton, Art Goodspeed, Bob Loveall, and Delmar Kramersmeir. Congratulations boys, for a job well done. As a matter of fact the Chapter would like to extend its congratulations to all the men who have gone active this fall.

By golly I plumb ran out of news. I guess I'll have to shut up for another couple of months. In closing I would like to extend both the Chapter's and my own wish for a successful year to the Chapters all over the country. So till you fratters hear from me again be good and study hard.

Good-bye from Beta Chi,
KENNETH E. RACLAWSKI, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Beta Psi has enjoyed an active life these first few weeks of school. On the evenings of our first two very successful home football games, September 28 and October 5, we had our opening scheduled parties. Following these successes, and with our somewhat enlarged heads "bloody, but unbowed" we moved into the third weekend with no party scheduled, an onerous situation, as you could well imagine. However, a solution was found, in that thirteen Kappa Psi men have meal jobs at Elizabeth Waters' Girls Dormitory and they offered our house and hospitality for the annual dining room-kitchen crew party of said institution. After gracious acceptances and other formalities were over, these guys, gals and innumerable friends from the dorm came over for one of the finest parties we've had in a long time. Dr. Smismman, a Kappa Psi man on our faculty, and his charming wife were chaperons at the first party, as Mr. Bob Hammel, a Kappa Psi graduate in administration, presently instructing a commerce course, and his wife, Bobbie, were at the Liz Waters party. At any rate, "we hold these truths to be self evident; that all men are created equal and they, along with their equally well created female counterparts, shall find no better vessel for an effervescent, spontaneous, colorful, over-flowing reaction than the positive (ly) catalytic party room of our Beta Psi house." So we're having a good time already.

At our first business meeting on September 23, Regent Jim Fuhs reactivated a few old committees and organized some new ones, so our chapter is lumbering along quite efficiently, building up momentum to go bursting through the exam periods with no losses. Of immediate interest was our rushing committee, chaired very smoothly by Vice Regent Tom Beardsley. Dr. Smismman and Dr. Wurster, Kappa Psi men on our faculty, spoke on October 7 and October 9, respectively, to the combined group of actives and rushees. Sunday, October 13, was our last day of rushing and brought the total to about twenty five interested fellows who attended these functions. The next issue of THE MASK should contain the list of new pledges, since our rushing was begun a little later this year. Wednesday, October 16, Beta Psi ushered for the pharmacy school open house, held annually for new students, transfers and generally anyone interested, since at least one or two good speakers are featured in the program. This year Dr. Uhl, dean of the pharmacy school, and Dr. Higuchi (both Kappa Psi) spoke to a large audience. After the program, our fellows ushered the group through the school.

And so back to school, until next time, I remain,
Fraternally yours,
PAUL E. MITCHELL, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

The autumn season is with us once more and that means getting our noses back to the grindstone. However most of the brothers seem glad to get back even though it means a lot of headaches with books, labs, and tests.

The chapter lay dormant during the summer like most of the vegetable matter here in the Philadelphia area because of the lack of rain. Our inactivity was not due to rain but to the individuals interest turning toward swimming, fishing, and three full months of relaxation. It didn't take us long to get back into the full swing of things, and we had a meeting on September 18th, and a party at the fraternity house that night, thus snapping us out of our vacation bliss.

A rapid roundup of upperclassmen, who for one reason or another did not pledge in their freshman year, was put into full swing by our very competent pledge master Bill Volgstadt. A large group of pledges is expected and we look forward to another fine group of brothers in the near future.

At the close of the last school year we had twenty-three brothers on our scholarship honor roll, for which they will receive awards to let them know that their high achievement is recognized by the chapter. Presentation of the awards will be made by Grand Secretary-Treasurer Dr. Frank H. Eby. Those receiving awards include the following brothers; Ralph J. Berotolino, Robert Capezzi, J. Wesley Dawson, George Grinnaway, Stanley Kulaga, Jr., Chester Latini, Alexander A. Monte, Larry L. Snook, Kenneth W. Stout, Joseph Cesare, Pasquale A. DiLorenzo, Jay M. Godshall, Richard S. Hinkle, Jon May, Anthony J. Rock, Francis B. Chapura, Joseph A. Casaccia, Anthony Cocco, Pat. DeLuca, James T. Doluisio, Elias P. Farri, James D. Spear, and Thomas F. Fisher. Dr. Arthur E. James will be the principal speaker at what we hope will be an annual scholarship award meeting.

Preparations for our Homecoming are in the making with Tom Schilling as chairman. Many things are in store for the brothers that day, one of which is a float which is in the process of being made for the Homecoming Parade. Football in the afternoon and a party at the fraternity house in the evening are also on the program.

Our football season is drawing near and some of the brothers are beginning to get in shape. Last year we were co-champions, but this year we don't plan to share the championship.

We are always glad to hear from our alumni and we would like those from whom we have not heard recently to drop us a line just to let us hear how they're doing. Lew Williams ('55) just finished a hitch in the U. S. Navy . . . Charlie Gysi ('57) and Pat DeLuca ('57) are presently working at Smith, Kline and French Laboratories . . . Nick Centafont ('57) and Elias Farri ('57) are now in the School of Osteopathy . . . Forest Fisher ('57) is in Georgetown University Medical School . . . James Doluisio ('57) and Joseph Casaccia ('57) are in Temple Graduate School . . . Bill Peifer is in retail pharmacy in Warren, Ohio . . . Tony Cocco ('57) is working retail pharmacy in Elizabeth, N.J. . . . Lou Bronico ('57) is working retail pharmacy in Tuckahoe, N.J. . . . Ken Scott ('57) and Don Hilbert ('57) are both working in Bause's Drug Store, Allentown, Pa. . . . Pete Groblewski ('57) is associated with Rea and Derrick, Kingston, Pa. . . . Dick Kunkle ('57) is working in a retail pharmacy in Wilmington, Del. . . . Gene Tokach ('57) is managing a retail pharmacy in Williamsport, Pa. . . . Joe Pacenza ('57) is working in retail pharmacy in Philadelphia, Pa. We all wish you luck here at Beta Omega Chapter and we know that you will all be successful in your chosen fields.

Fraternally yours,

LOUIS J. MONTANARO, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Well, it has been two quarters since Gamma Delta has had a MASK article; so much has happened here at Ohio Northern since last winter that it is hard to know where to begin. First of all, congratulations to all the new brothers who were just initiated October 5th. They are: Brothers Larry Heller, Chuck Loan, Jim Deem, Ken Woods, Henry Hiner, Jim Wills, Jim Rausch-kolb, Jim West, and Jim Tallman.

Last spring we held our first annual Parent's Day, a festive fete whereby we entertained and dined our parents and friends. The program for the day helped us get acquainted with each other's parents, and helped familiarize our parents with our fraternity house and brotherhood here at O.N.U. The occasion was a great success, and our parents are looking forward to next year's Parents Day.

Early this fall the brothers and pledges returned to help refurbish the house. For one week we painted, cleaned, washed our rooms and replaced many old furnishings and generally improved the appearance of our house. We screened in our back porch, eliminating the fly problem and made our kitchen cooler, much to the approval of our cook.

We are looking forward to see all our alumni at Homecoming Weekend on October 26th and thereabouts. We are planning decorations for our house to compete in a contest between fraternities for the best house decorations. We are also practicing hard for the annual Homecoming pushmobile race, which is also a contest between all fraternities (and sororities) for the fastest runners and the most streamlined "pushmobiles." Previous to last year we had won the pushmobile race eight years in a row. This year

GAMMA DELTA'S NEWLY DECORATED HOUSE

1018

we hope to win back our almost unchallenged title of pushmobile champs.

Our former Grand Council Deputy, Professor Mattys Jongeward, has retired from teaching to enter the retail drug business. We never realized how much we really needed Professor Jongeward until he was gone from Ohio Northern. His wisdom and guidance helped soften the rough spots for us, and we were proud to be a friend of Professor Jongeward. Our new advisor is Dr. David Yoder, professor of quantitative drug analysis here at O.N.U. and a recent graduate of Purdue graduate school of pharmacy. Dr. Yoder is beginning his first year of teaching here at Ohio Northern, and we are confident that he will help us in every way possible.

The newest fad running its course around the house seems to be card-playing, and the tension runs pretty high when a big pot is at stake. Love also seems to run its course around the Kappa Psi house. Engagements since last spring include: Brother Wilbur Lehman to Miss Sandy Trogden, and Brother Howard Garrett to Miss Helen Lynch.

Brothers Bob Chalmers and Jim Deem are on Ohio Northern's roaring football team this year. Around the house they are known as "Mr. Touch-down." Brother Ken Woods, although he cannot actively engage in football since an injury last spring, is still "in there" as the Northern Polar Bear, whose arduous duties consists of consorting the cheerleaders, etc.

Some of our social activities this fall include: a hayride and wiener roast, several dances, and a smoker for prospective pledges.

We are looking forward to a successful year at Ohio Northern University, and wish all Kappa Psis across the country the very best also.

Fraternally,
DALE HALL, *Librarian-Historian*

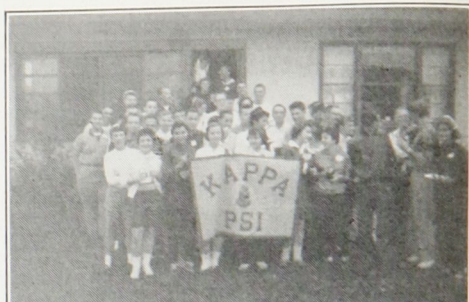

GAMMA IOTA—UNIVERSITY OF BUFFALO

Here we are back to the books again at Foster Hall on the University of Buffalo campus, with memories of an enjoyable summer to look back on and an optimistic look ahead for a better year, both scholastically and fraternally speaking.

Looking back on the summer, we once again found it to be to our advantage in having a summer cottage, at Crystal Beach in Canada. We were able to hold a few meetings and thereby get a number of things done and also begin to set up plans for the coming school year. Among other things, a calendar of social events for the whole year has been set up so that we will be able to make plans accordingly to ensure good turn-outs. Kappa Psi members once again headed the Orientation Week Activities, thus getting a big jump on the other fraternities in the race to meet the new freshmen.

Topping off the Orientation Week Activities, we once again staged our annual Pharmacy Freshman Picnic. All the freshmen were invited, with the picnic being staged at our cottage at Crystal Beach. It afforded us the opportunity to get acquainted with the freshmen (boys and girls both!) and to have one big blast before cracking the books again.

As for Fall Activities, we are now engaged in the Inter-Fraternity Football League, in which we vie with all the big social fraternities on campus.

At the present we are in the midst of setting up plans for the Fall Rush Party to be held Thursday, October 17th, 1957.

With all eyes sighted on the coming year and minds bent on making this a bigger and better year, I shall now say good-bye for the Gamma Iota Brothers at the University of Buffalo.

Fraternally,

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

We extend a cordial welcome to all Kappa Psi members for the coming National Convention here in St. Louis on December 28-30. We extend an invitation to everyone to visit us here at the house, at 4536 Forest Park, and hope your visit to St. Louis is a pleasant and enjoyable one.

Everything around the house is a beehive of activity as everyone is busy with paint brush and hammer. Things are rapidly shaping up, so the house should be ship-shape by convention time. The house will be freshly painted inside, and our bar will be completed in the basement, so come on over and enjoy yourselves.

There is to be a Halloween dance and open house for graduate members here at the house. This will be followed at a later date by our annual smoker for prospective members. This will act as the kick-off for our pledge season which is to start on or about the first of November.

This year as in years past we are sponsoring the college year book. A bigger and better book is planned, so Brothers Ludwig, Boland, and the

other members of the staff are hard at work.

We had our first meeting of this school year September 23 with our new chapter officers officiating. They are Brothers Ron Coffler, Regent; Phil Ludwig, Vice Regent; John Boland, Secretary; Don McWilliams, Treasurer; Ray Perica, Chaplain; Glenn Duneheew, Historian; and Jim Dille, Sergeant at Arms.

Will see you at the National Convention.

Fraternally Yours,

GLENN DUNEHEW, *Historian*

GAMMA TAU—GEORGE WASHINGTON UNIVERSITY

Once again Gamma Tau starts the new school year with a small but high-spirited Chapter. Its officers for the new school year are as follows: Regent Gerald Quaglia, Secretary Don Morse, Treasurer Don Anderson, Historian Sam Toggas, and Grand Council Deputy Mr. Gust Koustanis.

The brothers are well represented in the school of pharmacy. Jack Miller is the president of the senior class and vice president of the A.Ph.A., Frank Wozak is treasurer of the A.Ph.A., Sam Toggas is president of the A.Ph.A., president of the pharmacy council and represents the pharmacy school on the student council. There are also brothers on the staff of the pharmacy paper, the *Percolator*.

The Chapter's first rush party was held at Brother Morse's house and was a success. The prospects for new members in the Chapter are very promising.

The Chapter would like to express its best wishes and success for the coming school year to all of its Brother Chapters.

GAMMA UPSILON—UNIVERSITY OF ARIZONA

On September 22, the Brothers of Kappa Psi have assembled in the Student Union to initiate four new members to the ranks of our Fraternity. The four new Brothers are: Morris Gortler, James Knox, Edward Mogerman, Gary Telly.

After the initiation ceremonies the Brothers had an informal discussion. Refreshments were served.

It is always nice to hear from Graduate Brothers of Kappa Psi. This time we had the pleasure of hearing from Brother Donald C. Choisser.

1/Lt Donald C. Choisser is a graduate of the University of Arizona, Class '54. He is presently stationed at Davis Monthan Air Force Base in Tucson, Arizona as an Aviation Physiologist. Donald has recently started a graduate research project in Pharmacology. He is working under Dr. Picchioni.

Fraternally yours,

MORRIS GORTLER, *Historian*

GAMMA PHI—UNIVERSITY OF GEORGIA

Fall Quarter opened with a bang here at Gamma Phi. Several of the brothers met in Atlanta for the Georgia-Texas football game and a big weekend, and came on to Athens to ready the house for the year. The next week was a busy one, with everyone pitching in and really getting the house in shape.

On October 16 we had a smoker at the house for freshmen and transfer students. The turn-out

was good and we met many prospective pledges. Coffee and doughnuts were served, and everyone seemed to have a good time.

By the time this letter is printed, Gamma Phi will have its Pharmacy Museum set up in the pharmacy school. Part of this collection will also be set up in the Georgia Museum here at the university as part of the Homecoming celebration on November 2.

Practice is now underway for our intramural football team. We have several bright prospects and are looking forward to a successful season. Our softball team won the intramural championship last spring when they went through an undefeated season.

We are proud to welcome two of our alumni brothers to the faculty of the University of Georgia Pharmacy School this year. They are Dr. Durward Entrekin, class of 1950, and Joel Hardeman, class of 1954.

The juniors and seniors of Gamma Phi are looking forward to the annual trip to the manufactur-

1020

ing laboratories. This year's trip will be to Eli Lilly in Indianapolis and Abbott Laboratories in Chicago.

That's about it from Gamma Phi this time. Wishing all Kappa Psis everywhere a very Merry Christmas and a Happy New Year, I remain,

JACK N. MUSICK, *Historian*

GAMMA CHI—FERRIS INSTITUTE

Here we are back at the old grind again for another year! We here at Gamma Chi hope everyone had a swell summer, and wish everyone lots of luck and success for the coming year.

A few of the brothers took the big step into marriage this summer. We wish to congratulate Brother Odell Ellis and his wife Marcia Stoudt of Muskegon, Michigan; Brother Dave Glowney and his wife Marcella Whalen of Big Rapids, Michigan, and Brother Bruce Horton and his wife Wanda Holland, of Auburn Heights, Michigan.

Congratulations to Brother Gordy Warren and his wife who are the proud parents of a new baby boy.

During National Pharmacy Week, Gamma Chi Chapter of Kappa Psi and the other pharmacy organizations on campus worked together to promote a program on pharmacy for the school. Displays were constructed in the windows of the model pharmacy in the science building. On October 9 noted men in pharmacy from around the state of Michigan visited our campus for an afternoon of talks and panel discussions. Included in the guests was Mr. O. K. Gruttenberger—who is the director for the Michigan Board of Pharmacy. The day was climaxed with a banquet in the evening. All in all, we hope to make it an annual affair to promote the profession of pharmacy.

We were honored on September 30 to have Grand Counselor Dr. George Webster from the University of Illinois with us. A luncheon with officers, faculty advisors and their wives was held in the evening. Faculty advisors present were Dr. and Mrs. Dunham, Dr. and Mrs. Lowsma, Dr. and Mrs. Claus, Mr. and Mrs. Clark Andreson, and Mr. and Mrs. George Wells. Later Dr. Webster attended the meeting and gave a very fine talk.

This year at Ferris homecoming we plan to repeat our victories by having our entry candidate elected queen; and to win the interfraternity tug-of-war. Our queen candidate is Marlene Huschke, Ann Arbor, Michigan. We also plan to win the push-cart derby.

New members joining us this term are Don Pochron, Ken Taylor, Ken Vandebunte, and Al Riemersma.

Brother Bob Myscofski wants to know where he can get a car that isn't a lemon, and Brother Mike Magnano wants one that doesn't "wolf oil."

The brothers wish to extend our most sincere sympathy to Brother Mike Novilla whose father passed away during September.

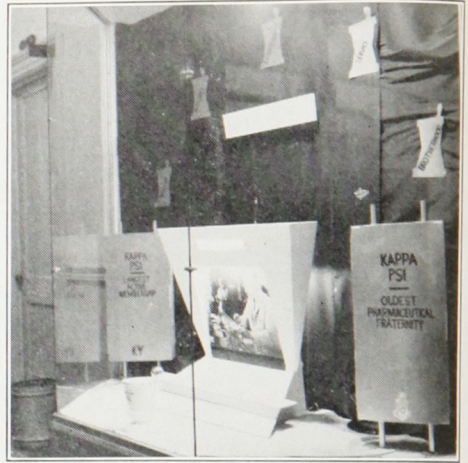

We hope to see a lot of brothers and have a great time at the National Convention in St. Louis.

Fraternally yours,

CHARLES C. WOOD, *Historian*

GAMMA PSI—SOUTHERN COLLEGE OF PHARMACY

The 1957-'58 year at Southern College of Pharmacy found Gamma Psi members in positions

of leadership. Among these positions are: James D. Garrick, president of A.Ph.A.; Marion King vice president of the Student Body; Robert E. Milner, secretary of the Student Body; Robert H. Poole, secretary of A.Ph.A.; Robert E. Kicklighter, treasurer of the Student Body; James O. Blackburn, treasurer of A.Ph.A., all Kappa Psi members.

Gamma Psi welcomes a new dean and four new faculty members to our campus. We wish for each of them a successful and pleasant stay with us. We are particularly happy to welcome Dr. Claude L. Thomasson as a Kappa Psi Brother. Dr. Thomasson, who is associate professor and head of the department of pharmacy, received his B.S. in pharmacy from the Cincinnati College of Pharmacy and his Ph.D. from the University of Florida.

The classrooms at Southern were renovated during the summer. Gamma Psi members were happy to lend a helping hand doing the painting in some parts of the building. One of our first service projects of the year was to give Asian flu shots to all faculty members and students who desired to take them. Plans are being made to give chest x-rays to the faculty and student body.

Our fraternity presented interesting displays in show windows during the month of October. A display at Southern showing the ideals of Kappa Psi drew praise from faculty and students. A second display in the window of Marshall & Bell, one of Atlanta's leading apothecaries, commemorated National Pharmacy Week.

Our social life has not been neglected. Gamma Psi was host for two rush parties, one a stag party which was held at SCP and the other a dance and breakfast which was held at Howard Johnson's.

During the summer, two of our brothers, Robert E. Kicklighter and Martin A. Libert, were indoctrinated in the art of matrimony. We extend to them our sincere congratulations.

Fraternally yours,

JAMES O. BLACKBURN, JR., *Historian*

GAMMA OMEGA—UNIVERSITY OF ARKANSAS

Greetings from Arkansas. Well here we are at the beginning of another new semester and Gamma Omega is off to a fine start with new officers, five new members, new committees functioning all over the place, and a wonderful new location.

The new officers for 1957-58 are: James Mitchell, Regent; Oscar Tonymon, Vice Regent; Billy Fort, Secretary; Tommy Batie, Treasurer; W. R. Giles, Historian; and Sam Watson, Chaplain. The new brothers who were initiated the latter part of spring are: Joe Bowen, Harrel Chancellor, Charles Gray, H. V. Maulding, and Sam Watson.

As to our new location, I am happy to report that the University of Arkansas School of Pharmacy has just moved into the recently completed Medical Center here in Little Rock. This is something we have all been looking forward to. It not only provides close association with the students of Medicine and Nursing but affords invaluable experience in dispensing and compounding prescriptions in the two pharmacies here in the center.

On October 11, a picnic was held at Boyle Park and all new students eligible for pledging were invited. The affair was well attended and needless to say a good time was had by all.

Congratulations are in order for Brother Sam Watson, recently elected president of our student branch of the A.Ph.A. and Brother Harrel Chancellor, new senior class president.

We are happy to report that our past Regent, Brother Allen Bradley, has been accepted as a graduate student at Purdue University. He has chosen pharmacology as his major field of study. We wish him all the luck in the world.

We would also like to announce that Brother Joe Bowen was the recipient of the Reeves Anderson award. This award is presented to the student having the highest scholastic record at the end of the first year of the professional pharmacy program in Little Rock.

Fraternally yours,
W. R. GILES, *Historian*

CONNECTICUT GRADUATE CHAPTER

On September 18, 1957 in Hartford at the Hotel Bond, the Connecticut Graduate Chapter of Kappa Psi held its first meeting of the fraternal year, 1957-58. The meeting was called "Felix Blanc Night" and paid tribute to a man who is synonymous with the word pharmacy in Connecticut. To list the many unselfish deeds and contributions of this man on behalf of pharmacy would take several pages. In our small fraternal way, we of Connecticut Kappa Psi have tried to show our appreciation and thankfulness of the job Brother Blanc is doing for pharmacy. At this dinner meeting Brother Blanc was presented with a Kappa Psi plaque bearing the Coat-of-Arms of the Fraternity, truly a meaningful gift. Just recently Brother Felix Blanc was elected as president of the National Boards of Pharmacy, a high honor in the field of pharmacy. Many KΨ Brothers were on hand to congratulate Brother Blanc and to extend their best wishes for his good health and continued success in his service to the profession. Some of the Brothers in attendance were the following: Immediate Past Grand Regent Nicholas

Fenney, who made the presentation; Francis Cole, who served as toastmaster; Edmund Goodmaster, Regent Bob Grieb, Kenneth Griswold, Former Commissioner Pelchar, Gus Maier, Grand Historian Walter Williams, Gus Della Pietra, Jim Miller, Joseph Moran, former Dean Henry S. Johnson, and Phil Varnum. Although there were several speeches made the KΨ Brothers in attendance always look forward with anticipation to Brother Goodmaster's words of wisdom. As always, Brother Ed gave a discourse which was most enlightening and thought provoking. In essence, Brother Goodmaster stated that the good things we enjoy today in Connecticut pharmacy are due largely to one man whose lifetime has been devoted to pharmacy and its future. The man, of course, is Director Felix Blanc. Brother Edmund always makes that Kappa Psi symbol mean just a little more after each meeting is over.

The rest of the dinner meeting was devoted to routine business as the committees for the year were announced as was the Executive Committee. Regent Bob Grieb has called for a special meeting to be held for the purpose of concentrating our efforts on the scholarship fund. A goal has been set by our Regent and with the help of ALL the brothers it can be done with ease. This is one of our most fruitful projects and demands the assistance of every KΨ brother in doing his share, thereby fulfilling a KΨ ideal. Ideas for the dinner-dance on Ladies Night were also forthcoming as well as another form of social activity if the dance continues to be poorly attended. Please cooperate now and give helpful criticism to Brother Norm Powers instead of Johnny-comelately suggestions after the dance is over. See Brother Powers, now, PLEASE! Several brothers have been added to the Connecticut Graduate Chapter roster. They are the following: Raymond Dauphinais and Maurice Beaulac. These brothers were voted upon and accepted at this dinner meeting.

NUTMEG NEWS: Nice to see Brother Prof. Gus Maier at the dinner. Surely miss that classroom humor that went with the lecture on aromatic waters back on York Street. Have two more Father-Son combinations in Pharmacy: Williams & Williams; and Varnum & Varnum (law firms?). Our new secretary is anxious to see his name in print in this issue. Have done one better, see his picture? Brother Jack Smith, residing in Baltimore, Md., is the proud father of a baby boy, Christopher. Good to see Brother Ray Dauphinais' picture in the last issue of DRUG TOPICS. Another KΨ claim to fame! Congratulations to Brother Herman Reinsch on his recent appointment in the State Health Department as Narcotic Agent. Rumor has it that he's called "Friday" while on the job. Glad to have former Pharmacy Commissioner Pelchar of Terryville at the dinner for Director Blanc. Chatted with Ted Peppin of Norwich. Brother Ted is in retail pharmacy in Taftsville. Shook hands with Brother Pat Bozenzo of Bridgeport. Brother Pat has been a stranger for some time in the past and it's nice to see him in our fraternal ranks once again. Plan on our National Convention, it's planning on you!

Fraternally,
RAY SMITH

twenty-four members were present. We were pleased to see that a number of brothers from outside of Minneapolis turned out. A social evening of cards, songs, and eating produced a very enjoyable time.

The annual noon luncheon was held in conjunction with the Minnesota State Pharmaceutical Convention at the Nicollet Hotel on May 7, 1957.

There were forty-eight members and guests present including our new dean of the college of pharmacy, Dr. George P. Hager. Dr. Hager gave a short talk on fraternal relations during his career. The regular business meeting was held with all reports given and the results of the election were given. The new officers were installed as follows: Roger Reid, Regent; Ashley Morse, Vice Regent;

and Thomas Giswold, Secretary-Treasurer. The meeting was adjourned and a social hour followed.

Plans are now underway for our annual homecoming dance November 2, 1957 at the Normandy Hotel.

Fraternally yours,

T. W. GISWOLD, *Secretary-Treasurer*

PORTLAND GRADUATE CHAPTER

The Portland Graduate Chapter held its last business meeting in May at the Campbell Court Hotel. It was a well-attended meeting and under the guidance of our fine slate of officers much was accomplished.

It was voted at the meeting that the initiation fee of one or two individuals who have been selected by the Beta Zeta Chapter for membership be borne by the Graduate Chapter as an aid to their membership program next fall.

During the Oregon State Pharmaceutical Association meeting on June 14 the Graduate Chapter held their Annual Breakfast at the Multnomah Hotel. Over 50 brothers, a few of whom were accompanied by their wives were in attendance. As usual a good number of Kappa Psi men were elected to office in both the state and the Portland associations.
