Vol. 64, No. 4 Whole No. 260

The 34th Grand Council Convention of Kappa Psi Pharmaceutical Fraternity*

The 34th Grand Council Convention of Kappa Psi Pharmaceutical Fraternity was held at the Hotel Muehlebach, Kansas City, Missouri on August 28-31, 1967. This marked the 88th Anniversary of the Fraternity, having been founded at the Russell Military Academy in New Haven, Connecticut in 1879. In addition to guests there were 188 members who registered for the four-day convention. Forty-eight of the 56 collegiate chapters were represented as were 19 graduate chapters and all 10 provinces. Previous to the convention's opening, joint meetings of Alpha Chapter and the Executive Committee were held on August 27 at which Grand Regent J. Sperandio presided. Additional sessions of these two groups were held on August 31 after the close of the convention.

Assisting the general convention chairman Glen J. Sperandio were local chairmen Bernard F. Grabowski of the University of Missouri at Kansas City, Gary L. Gruenwald of the University of Kansas and Joe E. Haberle of the St. Louis College of Pharmacy. Raymond E. Kennett was the convention secretary. Other committees of the convention were: Credentials—Richard M. Doughty of the University of Kentucky, Chairman; Registration—Nicholas W. Fenney (Editor, *THE MASK*) of the University of Connecticut, Chairman; Nominations—Louis Fischer, University of Washington (Seattle), Chairman; Program—Gerald C. Henney, Executive-Secretary of Kappa Psi, Chairman; and Transportation—Tom Garrison, Chairman.

Illus W. Davis, mayor of Kansas City, welcomed the delegates and members at the opening session. Included among others who addressed the assembly were Dean William Strickland of the University of Missouri at Kansas City, whose subject was "The Need for Professional Leadership," Dean Howard Mossberg of the University of Kansas, whose topic was "How a Pharmaceutical Fraternity Can Best Serve Its College," and Dr. Mickey C. Smith of the University of Mississippi, whose subject was "Communications: The Basis of Leadership." In all, seven regular business sessions were held where delegates were present to hear reports of national officers and the various committee reports. In addition to panel discussions dealing with making better professional practitioners, managing chapter's financial and house operations, the storing of chapter records, improving communications with chapter alumni, conducting successful campus and community service programs, a workshop on "Responsibilities of Chapter Officers" was held. A special Memorial Service for deceased members was conducted by Grand Ritualist Richard M. Doughty.

One of the highlights of the convention was a report by Nicholas W. Fenney, Chairman of the Special Committee on History, on the completion of *The History of Kappa Psi Pharmaceutical Fraternity* edited by Dr. Frank H. Eby, a former Grand Regent and Secretary-Treasurer. First copies of the history were presented to Dr. Maynard W. Quimby of the Massachusetts College of Pharmacy, a 40-year

* A copy of this report has been submitted for publication in *Banta's Greek Exchange*.

member of the fraternity and to William S. Bucke, president of the Lafayette Pharmacal Company, a 53-year member. James D. Sheahan of Wisconsin accepted the third copy on behalf of the American Institute of the History of Pharmacy.

The social program included two luncheons, at one of which Richard Strommen, Executive Director of the Illinois Pharmaceutical Association, presented an address "Fraternalities: Savior or Duds." Also, the members attended the production "The Sound of Music" at the outdoor Starlight Theatre in addition to a sight-seeing tour of Kansas City including a visitation through the Harry S. Truman Library. During the 88th Anniversary Dinner in the Grand Ballroom of the hotel two Honorary Memberships were presented, one to Max W. Eggleston who is president-elect of the American Pharmaceutical Association (1968-69) and the other to Robert G. Gibbs, Executive Secretary of the Iowa Pharmaceutical Association. Outgoing Grand Regent Sperandio was presented an engraved desk set and Sweetheart Pins were presented Mrs. Sperandio and Mrs. Walter R. Williams.

The 34th Grand Council Convention closed with the installation of the following officers: Grand Regent Walter R. Williams (University of Connecticut), First Grand Vice Regent James C. King (University of the Pacific), Second Grand Vice Regent Norman A. Campbell (Massachusetts College of Pharmacy), Third Grand Vice Regent August C. Danti (Northeast Louisiana State College), Grand Historian C. Boyd Granberg (Drake University), Grand Counselor John Atkinson, Jr. (Smith Kline & French Laboratories), and Grand Ritualist Richard M. Doughty (University of Kentucky). Robert R. Auger, Chief Pharmacist of the Greenwich Hospital (Connecticut), was elected to the Executive Committee as a member-at-large. Dr. Gerald C. Henney continues as the Executive Secretary and Nicholas W. Fenny as Editor of the Fraternity's publication, THE MASK.

The 34th Grand Council Convention adjourned Thursday noon, August 31, 1967. The next national convention is scheduled for the summer of 1969 in Buffalo.

Grand Regent
WALTER R.
WILLIAMS

As this is being written the smell of fall is in the air, one can hear football signals echoing across the campus, and the long lines are starting to form at the bookstore.

The 34th Grand Council Convention of Kappa Psi Pharmaceutical Fraternity has come and gone but will not be soon forgotten. The attendance at all of the sessions was outstanding and the zeal and enthusiasm shown by the delegates is to be highly commended. The Program Committee, and especially Executive Secretary Henney, deserve the utmost praise both for their choice of topics as well as the choice of speakers. The panels on which the delegates participated were highlights of the various sessions as also were the guest speakers and their timely topics. Executive Secretary Henney had requested the panelists to limit their presentations and this they did to perfection. None of the guest speakers exceeded thirty to forty minutes but each delivered a real message to the assemblage. I hope that some of these talks can be presented in future issues of *THE MASK*.

If my memory serves me correctly there were a number of new ideas and innovations introduced at this Convention. The host chapters are to be commended for the efficiency with which they met incoming flights and transported the delegates from airport to hotel. The Executive Secretary for the first time had bound copies of the Grand Officers reports in mimeograph form for each of the delegates. Thus all the Grand Officers had to do was to deliver a five or six minute résumé of their respective activities. This coupled with the bound volume of "Chapter Activities" collected and edited by Third Grand Vice Regent King in conjunction with the Central Office, plus the voluminous report of the Executive Secretary and numerous mimeographed copies of other special reports gave the delegates more reading matter to take back to their chapters than at any previous Convention. The capstone of their entire collection of literature was, however, the bound copy of the "History of Kappa Psi Pharmaceutical Fraternity" a copy of which each delegate received as a souvenir of the Convention. I hope that those brothers who were unable to attend this Convention will make good use of the wealth of material which your delegate brought back to the chapter. Much of it is of direct interest to the improved operation of your chapter, the rest should be of interest to every Kappa Psi brother for it gives a measure of the progress being made on the national level. By all means get to look at and read the "History" which was authored by Past Grand Regent and Past Grand Secretary-Treasurer Frank H. Eby. Personal copies of this History are obtainable from the Central Office at a modest price. Watch elsewhere in *THE MASK* for an announcement of this. Another very important first was the opening and closing of the 34th Grand Council Convention with a simple but impressive ritualistic ceremony. Grand Ritualist Doughty deserves a thank you for developing and implementing this part of the program.

Finally—nearly all who were in attendance at the 34th Grand Council Convention will agree that from every standpoint this was one of the best yet held by Kappa Psi. There were a few who had attended a previous Convention and thus were better able to make a comparison. Certain it is that the success of this first summertime convention augurs well for the 35th Grand Council Convention in

Buffalo, N.Y. in late summer of 1969. It may well develop that the advantages of a summer convention greatly outweigh those of the traditional Christmas holiday period and that this may be one tradition that Kappa Psi should alter.

Grand Officers of Kappa Psi Elected Kansas City, Missouri, August 30, 1967

Delegates at the 34th Grand Council Convention of Kappa Psi Pharmaceutical Fraternity elected the following Grand Officers at the sixth general session held at the Hotel Muehlebach, Kansas City, Missouri, August 30, 1967. In addition, Robert R. Auger, chief pharmacist of the Greenwich Hospital (Connecticut) was elected to the Executive Committee as a member-at-large. All will hold their respective positions for a two-year term.

- Grand Regent*Walter R. Williams (University of Connecticut)
- First Grand Vice Regent*James C. King (University of the Pacific)
- Second Grand Vice Regent*
.....Norman A. Campbell (Massachusetts College of Pharmacy)
- Third Grand Vice Regent*August G. Danti (Northeast Louisiana State College)
- Grand Historian*C. Boyd Granberg (Drake University)
- Grand Counselor*John Atkinson, Jr. (Smith Kline & French Laboratories)
- Grand Ritualist*Richard M. Doughty (University of Kentucky)

Dr. Gerald C. Henney continues as the Executive Secretary and Nicholas W. Fenny (University of Connecticut) as Editor of THE MASK.

THE GRAND OFFICERS—KAPPA PSI PHARMACEUTICAL FRATERNITY, 1967-1969

Seated (l. to r.): Second Grand Vice Regent Norman A. Campbell, Grand Regent Walter R. Williams, First Grand Vice Regent James C. King. Standing (l. to r.): Grand Ritualist Richard M. Doughty, Third Grand Vice Regent August G. Danti, Grand Historian C. Boyd Granberg, Grand Counselor John Atkinson, Jr.

Grand Regent Williams' Address*

Brothers in Kappa Psi:

Due to the lateness of the hour and the large amount of business you have already transacted, I shall make my message a brief one. This is a moment toward which I have been looking with pleasant anticipation for a long time. As of May, 1968, I shall have enjoyed forty years of association with our beloved Fraternity. However—do not let these grey hairs and that forty years mislead you—for I assure you that my aspirations and thinking about what is best for Kappa Psi are on the same level as that of you delegates who are here assembled.

Now that the moment has arrived, I face it with mixed emotions—firstly with humility for I realize full well the duties and responsibilities which you have placed on me by electing me as your Grand Regent, and secondly this is rapidly eased by a feeling of confidence and relief when I realize what a fine slate of officers you have elected to work with me and that there are many strong Kappa Psi hands ready to answer our plea for help and cooperation.

Since 1964 our Fraternity has been passing through a transition period of considerable magnitude. Under the able leadership of Grand Regent Sperandio we have emerged successfully as a stronger and more virile organization. However we must not be misled into thinking that now all our problems and adjustments have been resolved. In my estimation two of the problems which require our immediate attention are the following: 1) Communications and 2) Finances. The first of these, communications, you have heard discussed and referred to from several different viewpoints on this convention's program. I am certain that most of us would agree that this is one area in Kappa Psi activities where considerable improvement can be effected. By making the brothers, the chapters, the provinces, the grand officers and all committee members (including the Executive Committee) better and more frequently informed on what the other segments are doing, we cannot help but enhance the effectiveness of our Fraternity—financially, professionally, fraternally and in services to our fellow man. My reference to the problem of finances is occasioned by the fact that we now have a full time Executive Secretary and that our costs of operation such as mailing and printing are rising steadily. In view of the fact that this 34th Grand Council has recognized the need of increased revenue and has acted to meet this necessary increase, I feel it the duty of my fellow officers and myself to pledge increased vigilance over all expenditures, to reduce those which are excessive or those which may be reduced without sacrificing the quality of our services.

I want to thank the delegates of this 34th Grand Council Convention both for their expression of confidence in me and for the fine slate of officers and executive committee members-at-large you have elected to serve with me. I am sure that I may speak for all of us when I say that we pledge ourselves to do all in our power to see that Kappa Psi continues to flourish and to maintain the prominence it now enjoys among Greek letter and professional organizations.

* Delivered at the 34th Grand Council Convention, August 31, 1967, Kansas City, Mo.

Report of the Retiring Grand Regent*

Brothers in Kappa Psi:

This Grand Council marks the end of my tenure as Grand Regent but I am hopeful that it will also mark the beginning of a new era for the growth and prosperity of Kappa Psi. Traditionally, the Grand Regent reports to the Grand Council on the activities and accomplishments of his term of office. I will summarize for you our activities and many of them will be elaborated on by the other officers of your Fraternity. Because ours has been a team effort, we are proud of the innovations and progress we have made these past four years and look forward to a continuation of the ideals which we have embraced.

We have been going through a period of reorganization and stabilization of our Fraternity. The basic structure of our operation has been strengthened. We have printed and are now operating under the new Constitution and By-Laws which was approved by the last Grand Council Convention. We have established a standard set on Constitution and model By-Laws for both provinces and collegiate chapters and in the future, all across the United States, all chapters of Kappa Psi will be operating on a coordinated organizational basis. Through the efforts of Executive Secretary Henney, we have purchased a permanent exhibit advertising the principles of Kappa Psi which is to be put on display at the national and some state pharmaceutical conventions.

The business operations of the Central Office have been reviewed and modernized. We now have a full-time Executive Secretary whose sole loyalty and responsibilities will be to our Fraternity. He will maintain a Central Office in St. Louis and we have achieved a status of a full-time national fraternity operation. The business office and business procedures have been up-dated so that new forms for fraternity records are now in use. Our past records have been micro-filmed and vital and important papers are now properly stored. We have adopted a new, permanent plastic membership card and the servicing of most chapter needs, including jewelry and special paraphernalia, will now be handled through the Central Office. We hope in this way to give quicker and better service to all of the individual chapters.

Our efforts for improved service to individual chapters have been continuous. During the past two years, again as a team effort, one or more of the national officers or members of the Executive Committee has visited collegiate chapters and graduate chapters. We have improved communications between chapters and the Central Office and we have established the offices of Coordinator of Province Affairs and Coordinator of Graduate Affairs in an effort to improve communications with brothers who have graduated and who still long for fellowship of Kappa Psi. We have implemented the Frank H. Eby Educational Loan Fund and I am pleased to report that a number of our brothers are now benefiting from it. The Executive Committee, at the request of several collegiate chapters, has approved a Sweetheart Pin and this will be part of the official fraternity jewelry and will be made available to all members desiring it.

To me, one of the most significant accomplishments of my term of office has been the completion of The History of Kappa Psi Pharmaceutical Fraternity. Many of you know Dr. Frank H. Eby who has devoted the greater portion of his life to serving Kappa Psi. We have been most fortunate in having this man collect and verify data and compile it in the form of a permanent record which will become part of the archives of our Fraternity. A copy of this interesting and exciting book is to be presented to these delegates at this Grand Council Convention. Additional copies will be made available to those wishing to purchase them.

Our Fraternity has not only grown in strength but also in size. We have installed one new collegiate chapter, Delta Epsilon. We have reactivated Rho Chapter and have installed the Louisiana Graduate Chapter. At present, we are working with several other collegiate groups and within the next year I expect that we will add additional collegiate chapters to our organization.

As we have grown our expenses have grown and it will be necessary that we will increase our income in some manner. This will make almost mandatory an increase in dues. I am recommending to the Executive Committee that this Grand Council approve a modest increase in the per capita fee. As we grow, and as more improvements are made in transportation and communication, the geographical boundaries under which we operate must expand and I am recommending that we consider an expansion of Kappa Psi to qualified colleges of pharmacy in Canada and Puerto Rico. We have had an expression of interest from these countries and the time has come for us to look forward to an international affiliation.

I have already mentioned the establishment of the offices of Coordinator of Province Affairs and Coordinator of Graduate Affairs. The assignments of these two offices are similar and we have found that in many cases they overlap. Consequently, I am suggesting that these two offices be combined into one for more efficient and economic future operation.

For most of you, this is your first experience at a Grand Council Convention. You will have noticed our opening ritual. This is the first time that this has been implemented but it is intended to impress upon you the importance of the proper Fraternity procedure and the importance of a respect for Fraternity ritual and Fraternity obligation. When you return to your chapters, you will be expected to make a report of this Grand Council to your brothers and I would charge you with the responsibility of explaining to them how important it is that every member of Kappa Psi understand what the ritual means and attempt to pattern his actions according to it.

August G. Danti—Newly Elected Third Grand Vice Regent

DR. AUGUST C. DANTI
Third Grand Vice Regent
Kappa Psi Fraternity
1967-1968

Third Grand Vice Regent August G. Danti was born in New Eagle, Pennsylvania, January 26, 1923. He is professor of pharmacy at Northeast Louisiana State College in Monroe, Louisiana. He attended the public and high schools in Monongahela, Pennsylvania, and also the Pittsburgh Academy. He received his B.S. degree in pharmacy, with honors, and his M.S. degree in pharmacy from the University of Pittsburgh. In 1955 he was awarded the Ph.D. degree from the Ohio State University. Dr. Danti also pursued studies at Oak Ridge Institute of Nuclear Studies in Tennessee. He is a registered pharmacist in Pennsylvania, Michigan, and Louisiana. While working toward his doctorate, Brother Danti taught at the University of Pittsburgh and the Ohio State University. He was assistant professor of pharmacy at Wayne State University before joining Northeast Louisiana State College in 1959. His military service was with the U.S. Army Anti-aircraft Artillery during 1943-45 as a sergeant. He holds the

Good Conduct Medal, the Victory World War II Medal and the Bronze Star of the Asiatic and Pacific Theatre.

Dr. Danti is a member of the APhA, Academy of Pharmaceutical Sciences, Chairman of the Conference of Teachers of the AACP, a member of the Executive Committee of the AACP, Vice-President of the Louisiana State Pharmaceutical Association, past-president of the 5th District Louisiana Pharmaceutical Association (1963-64), member of AAAS, Rho Chi Honorary Society, Phi Lambda Upsilon Honorary Chemical Society, Sigma Xi (past-president of NLSC Club 1965-67), member of Board of Directors of the Louisiana Heart Association, past-president of Ouachita parish Heart Council (1963-65), past-president of Kiwanis International local club, past-president of the Holy Name Society of Jesus the Good Shepherd Church of Monroe, Louisiana (1962-63).

Dr. Danti has served in numerous capacities in Kappa Psi, such as Grand Council Deputy at Wayne State University and Northeast Louisiana State College, member of the Scholarship Committee of the Grand Council secretary-treasurer of Province IX, Satrap of Province VII, member of the Executive Committee, Supervisor for Province VI, and chairman of the Finance Committee of the Grand Council. He was a member of the Detroit Graduate Chapter and is a charter member of the Louisiana Graduate Chapter.

Brother Danti is married and he and his wife Tina have one child, Guy, 6 years of age.

C. Boyd Granberg—Newly Elected Grand Historian

DR. C. BOYD GRANBERG
Grand Historian
Kappa Psi Fraternity
1967-1968

Grand Historian C. Boyd Granberg was born in Wessington, South Dakota, May 6, 1921. He received his elementary and secondary education in the public schools of Wessington and received his B.S. in pharmacy from South Dakota State College in 1938. His postgraduate education at the University of Illinois was interrupted by service as a pharmacist with the 32nd Field Hospital during World War II. His overseas service was in North Africa, Italy, the Philippine Islands, and Japan. Returning to the University of Illinois College of Pharmacy in 1946, he received his M.S. and Ph.D. degrees from that institution.

Brother Granberg joined the Drake University College of Pharmacy faculty as associate professor of pharmacy in September, 1950. He has been with Drake University since that time. He was promoted to professor of pharmacy in 1954. He was elected Grand Council Deputy of Beta Chi Chapter in 1950 and has served in that capacity since then.

He has served as secretary-treasurer of the old Province V, has been a member of several committees of the Grand Council, including a term on the Executive Committee.

Dr. Granberg is editor of the *American Journal of Pharmaceutical Education* and in 1967-1968 is president of the Iowa Pharmaceutical Association, the first Iowa educator to be so honored. He is a member of Rho Chi, Blue Key, Omicron Delta Kappa, the Iowa and South Dakota pharmaceutical associations, and the A.Ph.A. He is also active in church and community affairs and recently was appointed to a two-year term on the Polk County (Iowa) Board of Health.

Brother Granberg is married to the former Margaret Daly Holcom, and they live with their three children, Brian, Betsy, and Siri, in West Des Moines, Iowa.

(Continued from page 131)

Recently the President of Iowa University retired and in speaking of fraternities he said, "The only thing you can do, as far as I can see, is to be so good that men will want to join you for reasons other than room and board, for if that is all that a fraternity has to offer it is not likely to survive very long. By and large, the University can do as well or better in this area. However, if fraternities can offer the kind of brotherhood—a kind of relationship which is unique in American college life—and if they provide this they will survive."

Kappa Psi—your chapter of Kappa Psi—must provide this kind of brotherhood. Your rituals must be interpreted so that all members understand and respect the ideals set forth in them and the ideals of Kappa Psi are truly the virtues by which one achieves success both professionally and socially. If I could leave one thought with you, it would be this—that the man of Kappa Psi is one who believes in industry, sobriety, fellowship and high ideals and who is not afraid to demonstrate these qualities in his every day living.

Brothers in Kappa Psi, the privilege of serving your Grand Regent for these past four years has been one of the most treasured experiences of my career. I wish to thank you for your support and encouragement and assure you that my thoughts and good wishes will follow your new Grand Regent. I ask you to support him and through his efforts and those of his officers will find Kappa Psi ever advancing and becoming more prominent in American Pharmacy.

The Need for Professional Leadership*

The Executive Committee of Kappa Psi Pharmaceutical Fraternity invited me to speak on the topic "The Need for Professional Leadership." I appreciate the opportunity to be with you and wish to thank them for this privilege. Some concepts are so important that they can withstand anything which may be said about them and retain their undiminished values. Leadership is such a topic. Obviously, the Executive Committee has exhibited wisdom in this choice.

This discussion will not dwell upon whether or not we *need* leadership. It is probable that some may say we don't need leaders, and this point of view has merit if one considers the large numbers of pharmacists who don't support leaders. Certain publicized leaders have led their followers into debacles and despair; consider the Arab, the Chinese and the Congolese. With such leaders, there is little need for enemies: however, in our more serious moments we are compelled to recognize and appreciate the values of good leaders, because they are the cutting edge of progressive attainment.

The primary thought to be expressed here is centered around professional leadership in pharmacy. The concepts included are motional in aspect and not static. They are for the future, but projected from the past through the present toward a goal that is not clearly discernible. Like an arrow in flight, cast from a mighty bow, our profession has attained an altitude and velocity and shall find a striking point. But, the simile is not complete, for unlike the arrow, it is within our power to find new direction and velocity and to seek important targets. This is the function of leadership.

Some years ago an Englishman named T. E. Lawrence wrote a book entitled, "Seven Pillars of Wisdom." With apologies to that author, I wish to plagiarize the title and discuss "Seven Pillars of Professional Leadership." These seven concepts will be briefly described for any one of them could be expanded to considerable length.

First Pillar—FOLLOWSHIP. Leadership rests firmly upon the shoulders of followship. Perhaps you have heard the trite comment that all a leader needs is a bunch of dumb guys to follow. This does not apply in our case. We must have intelligent, concerned followship in which each individual actively participates in the affairs which constitute the professional organizations and influence pharmaceutical services in this nation. The greatest potential leader is ineffective without excellent followship. At present less than 40% of community pharmacists belong to any national organization and in Missouri only about 50% of pharmacists belong to the state pharmacy association. Where is the followship? Where will you stand and where will you be 10 years from now?

Second Pillar—PROBLEMS: THEIR RECOGNITION AND EVALUATION. Our profession has problems. This is because it is important. The more important we become the greater are the problems we can expect. The important point is found in our objective evaluation of problems and the manner in which we deal with them. Recently, much distorted and distressing publicity pertaining to drug prices has been expounded through virtually every news media. If the subject had not been so important, it would never have gained so much attention.

When one looks realistically at this matter, it is obvious that no true solution exists. The cost of drugs must reflect costs of development, manufacture, distribution and dispensing. Otherwise, no drugs would exist. The problem of drug

* Presented at the 34th Grand Council Convention, Kansas City, Mo., August 29, 1967, by Dean W. A. Strickland, Jr. of the University of Missouri, School of Pharmacy, Kansas City, Mo.

prices began with the haggling of bearded caravan masters over a few pounds of frankincense, myrrh and cinnamon on the sands of Arabia thousands of years before Christ and it will continue until the human race is either perfect or extinct.

Among some of the other problems we must accommodate during the progress of this profession are the imperfections and undesirable actions and uses of modern pharmaceuticals, "generic equivalent" controversies, dictated fees, price discrimination against community pharmacists by manufacturers and the shortage of pharmacists.

Third Pillar—ACCOMPLISHMENTS. The availability of the world's finest pharmaceuticals at every pharmacy in this nation is a grand, though mute, testimony to the accomplishments of the over-all body of pharmacy. It is not necessary to go to large cities or renowned centers of healing to obtain the finest in drugs. They are available in Hometown, U.S.A. at the local pharmacy. One is compelled to respect these accomplishments, even more, when considering the small size of the industry in terms of capital investment and numbers of people involved. For example, in 1966 all prescriptions dispensed by pharmacists in the nation amounted to some \$3.3 billion or less than $\frac{1}{3}$ the sales volume of General Motors Corporation.

Fourth Pillar—FAITH. Faith built on firm beliefs is essential to effective leadership. Beliefs are very personal attributes. They are slowly gathered and laboriously woven into the convictions of wise men. As individuals, we may be hesitant to express basic beliefs because their imperfections may expose us to criticism.

Permit me to share with you four beliefs. You may accept, reject or modify these as you elect.

A. *I believe that the function of the pharmacist in our civilization is vital.* This function in its many aspects from the collection of crude base materials, the transformation of these into preparations having medicinal value and their distribution to the individual human has been taking place in every organized society that has marched across the surface of this planet, and it will continue as long as the human race survives.

B. *I believe that every pharmacist in this noble profession has dual responsibility.* The first responsibility must be directed toward the fellow man, whom he serves in health and illness. The second, of equal importance, is toward the profession in which he spends his life of service. These two obligations transcend all other organizational or administrative authority, regardless of the circumstance. This applies to all pharmacists; retail, hospital, manufacturers, etc. This does not imply that the pharmacist possesses license to disobey laws or engage in disruptive activities in his professional functions.

To delve more deeply into this belief, these responsibilities toward the people we serve, include fair economic treatment and protection from harmful use of modern drugs. The responsibilities toward the profession includes; membership and activity in professional organizations; treating fellow pharmacists according to the golden rule; and continued concern for encouraging the finest young people to enter this profession to assure future generations better pharmaceutical services.

C. *I believe that pharmacists must possess the very best pertinent knowledge attainable.* We must continue to grow and improve in educational paths for as long as we live. In my opinion there is nothing so pathetic as a pharmacist who is academically stagnant. He may not even read his own professional literature with understanding! This means that his professional growth is stymied and progressive endeavors must be directed in other paths. Pharmacists in academic insti-

tutions have not met their obligations in this area. In a very impressive address by Dr. John C. Weaver, President of the University of Missouri before the A.Ph.A. Convention in Las Vegas last April, he made this remark,

“The nation has need of—and this group has an inescapable obligation to produce—a profession with an entirely new level of competence. You need men trained to be professionals in the very finest sense of the word—men exposed to research, yet practitioners educated to think, to communicate, to be both competent scientists and effective citizens. I would charge you as a profession which aspires to be a better profession—

to accept your challenge to seek the hard work of innovation, not the lazy protection of the status quo

to be aggressively demanding of higher standards, not discouraged, inactive and timid

to be positive and ready, not negative and unprepared in the face of a world of acceleration and relentless change.”

Most schools of pharmacy recognize their shortcomings in this regard and are making strides to enhance the academic attainments and professional competence of pharmacists.

D. I believe that functional effectiveness should be honored beyond all other considerations. Regardless of the governmental systems or economic orders to which we may be subjected, this profession must serve wherever and whenever our services and products are needed. A part of leadership is to discern our present and future roles in the health care of the people and to stay in the mainstream of health care services. We must never lose sight of the reason we exist as a profession certified by law to perform a vital function.

Fifth Pillar—GOALS. This is the most important element of leadership! What are our goals? What are we seeking to achieve? Have we identified our goals? Is it enough to make such comments as “We fill prescriptions cheaper” or “We deliver faster” or “Our drugs are fresher” or other trite slogans. Have you observed distinct goals evidenced by pharmacists of your acquaintance? Have any realistic goals been established that are a credit to a pharmacist or to this profession? In my opinion, this is the weakest of the pillars of professional leadership. Our goals are poorly defined and apparently unshared by the majority of pharmacists. Some goals have been identified such as the need for firm programs of continuing education of pharmacists as noted in recent Board of Pharmacy actions in Kansas. Another state is attempting to enhance distribution of pharmacists according to the public health needs rather than the convenience of commercial concerns. Our national organizations have expressed certain goals. But let it be frankly stated that, *if this profession does not clearly define its goals and seek to achieve them, then our goals will be determined by someone else.*

Sixth Pillar—COMMUNICATION. Effective leadership must establish and maintain effective communication. This is a difficult task. Lack of communication is obvious between pharmacists, between professions, between pharmacists and manufacturers and between pharmacy groups and government agencies. This subject has been well discussed elsewhere on the program and will not be pursued further here, but let it be remembered that only *communicated concepts create change.*

Seventh Pillar—This pillar of professional leadership cannot be expressed in a single word. Rather it is a concept encompassing the ideas of objective outlook of pharmacists, singly and collectively, in the evolutionary human progress of today in small towns, cities and nations. As human beings and as pharmacists,

we are an integral part of the society about us. Consequently, we must not become so engrossed in our narrow four walls of service that we become insensitive to the surging waves of opinions that express such ideas as "it is wrong for one man to profit at the expense of another's misfortune" or "health care is a right and not a privilege for those who can afford it" or "the right of those who have not to receive from those who have."

We are in the midst of great change in the concepts that people hold toward medical care. The prevailing winds of opinion in most other nations, and in ours of recent date, indicate that socialized medical care is the answer to the health needs of nations. This was underscored in a recent address by Dr. Milford O. Rouse, President of the American Medical Association, in which he stated, "We are faced with the concept of health care as a right rather than a privilege," and he stated the physicians were faced with increasing government programs which "provide health and medical care for large segments of the population, including many who have no need for government help," the job of physician is "to oppose—and judging by events of the last two years, we must increase the effectiveness of our opposition."

I admire a man who speaks exactly what he thinks. At the same time, I am reminded of a lesson my father taught me as a boy, when he said, "Son, if you spit in the wind, expect to get your shirt wet."

Neither this profession, nor any profession, can isolate itself and function according to its particular whims and rules. The leadership of pharmacy must keep at least one foot on the path of functional effectiveness, regardless of the vagaries of the political scene or economic orders. If one would lead, he must frequently gain a vantage point above the level of everyday problems in order to see out and determine a direction.

In conclusion, (1) you can take pride in the attainments of this noble profession and its value in our civilization. (2) Each pharmacist has a functional place in the leadership—followership structure of the profession. (3) But, remember always, he, who would be greatest among you, must be servant of all.

Robert L. Jackson Honored

Robert L. Jackson, who has often been referred to as the "father" of Gamma Nu Chapter at University of the Pacific is the newly appointed member of the State of California Health Review and Program Council. By virtue of this appointment he becomes "Pharmacy's Man" on the Medi-Cal Program. On his shoulders, and on his ability, rests the responsibility of expressing and stating the position of the profession before this important quasi-administrative body.

The Health Review and Program Council is responsible for advising the Administrator of the Health and Welfare Agency on matters concerned with quality medical care under the State Program.

Brother Jackson is professionally associated with his father in the Jackson's Apothecary, Fresno, California. He is a graduate of the University of the Pacific School of Pharmacy with a bachelor's degree.

He served as president of the Fresno-Madera County Pharmaceutical Association in 1965 and presently is a board member of the Northern California Pharmaceutical Association.

He was a 1966 semi-finalist of President Johnson's White House Fellows Program.

**The HISTORY OF
KAPPA PSI PHARMACEUTICAL FRATERNITY
1879-1966**

By Frank H. Eby, Ph.D.

This 305 page volume (hard cover) with 21 pages of rare photographs and an authentic frontispiece of the Fraternity's Coat-of-Arms in true full color is now off the press and available from the Central Office.

Dr. Frank H. Eby, a former Grand Regent and Secretary-Treasurer for many years, and the most knowledgeable member of Kappa Psi Pharmaceutical Fraternity, has spent over two years in researching and writing this first authentic history.

Dean Harold G. Hewitt Honored

Harold G. Hewitt (Connecticut Graduate Chapter) of the University of Connecticut School of Pharmacy was honored with a testimonial dinner by friends, alumni and students on October 15, 1967 at the Hotel America, Hartford. Over 300 guests attended.

The occasion was his completion of 20 years as dean of the school, which under his administration has grown to be considered among the outstanding institutions of its kind in the country. His foresightedness was responsible for the founding in 1958 of the First Pharmacy Research Institute in the United States, on the university campus at Storrs.

Dr. Homer D. Babbidge, Jr., president of the university was the honorary chairman. Morris A. Shenker, a pharmacy commissioner, and Editor of THE MASK Nicholas W. Fenney were co-chairmen. Daniel A. Camilliere of the Connecticut Graduate Chapter, a former state senator, was treasurer.

Speakers included Dr. Babbidge, Lieutenant Governor of Connecticut Attilio R. Frassinelli, former president of the university Albert N. Jorgensen, chairman of the State Pharmacy Commission Fiore Petricone, commissioner of State Consumer Protection James J. Casey, president of the Connecticut Pharmaceutical Association Jack Cannarella and former dean of pharmacy Henry S. Johnson.

Toastmaster for the event was Editor of THE MASK, Nicholas W. Fenney.

DEAN HAROLD G. HEWITT
(Kappa Psi)

Honored with a testimonial on completion of 20 years as dean of the University of Connecticut School of Pharmacy.

Collegiate and Graduate Members of Executive Committee Appointed

(EDITOR'S COMMENT: Collegiate and Graduate members of the Executive Committee are appointed by the Grand Regent in July of each year. Those below will serve until July 1, 1968.)

Announcement has been made of the appointment of Dr. Edward Krupski of University of Washington and Dr. Patrick R. Wells of University of Nebraska to a yearly term as graduate members of the Executive Committee of Kappa Psi Pharmaceutical Fraternity. Collegiate member appointees are William F. Horton of Gamma Phi Chapter (University of Georgia) and Melvin B. Musgrove of Delta Beta Chapter (Southwestern State College).

Dr. Edward Krupski was born in Hoquiam, Washington in 1916. He received his B.S. in Pharmacy in 1939 and his Ph.D. degree in 1949 from the University of Washington. From 1942-44 he was associated with the U. S. Army Chemical Warfare Service Laboratory in Seattle. He was appointed Assistant State Chemist at the Washington State Food and Drug Laboratory and served in this capacity from 1944 to 1947. In 1947 he was appointed Instructor in Pharmaceutical Chemistry at the College of Pharmacy, University of Washington and is now Professor of Pharmaceutical Chemistry at the same institution.

He was initiated into Beta Omicron Chapter of Kappa Psi in 1948 and is currently Grand Council Deputy of that chapter. He is a member of the Seattle Graduate Chapter of Kappa Psi and has served as Secretary-Treasurer of Province X.

He is married and has two sons.

DR. EDWARD KRUPSKI
Executive Committee Member

• • •

DR. PATRICK R. WELLS
Executive Committee Member

Dr. Patrick R. Wells was born in Liberty, Texas in 1931. He received his B.S. in Pharmacy in 1957 from Texas Southern University, his M.S. in Pharmacology in 1959 and his doctorate degree in 1961 in Pharmaceutical Sciences from the University of Nebraska. From 1961-63 he was on the faculty of Fordham University, College of Pharmacy in New York. Presently he is an Associate Professor and Acting Chairman of the Department of Pharmacology at the University of Nebraska, College of Pharmacy.

Brother Wells is the Grand Council Deputy of Gamma Epsilon Chapter and Satrap of Province VIII. He is also the faculty advisor of the APhA Student Chapter at the University of Nebraska and of Region V.

Among his memberships in civic organizations are the American Interprofessional Society and the National Association for the Advancement of Colored People. Presently he is serving as president of the Lincoln, Nebraska, branch of the latter organization.

• • •

WILLIAM F. HORTON

(Gamma Phi—U. of Georgia)
Executive Committee Member

William F. Horton, a native of Asheville, North Carolina, is presently residing in Athens, Georgia, where he is a third year student in the School of Pharmacy of the University of Georgia. His wife is a registered nurse employed by the Athens General Hospital. Before entering pharmacy school he attended Wake Forest College in Winston-Salem, N.C., where he received a B.S. degree majoring in biology.

Brother Horton first became interested in pharmacy while he was a student at Wake Forest College. During summer vacations he was employed as a freight clerk and order filler for the Dr. T. C. Smith Company, drug wholesalers in Asheville. Upon graduation from Wake Forest College he decided to obtain a degree in pharmacy and was admitted to the University of Georgia in January of 1966.

Brother Horton is a member of Rho Chi Honor Society, president of the Student Branch of APhA at the School of Pharmacy, and was recently awarded the I. Z. Harris Award as the outstanding member of his class. He was initiated into Gamma Phi Chapter the fall of 1966.

• • •

Melvin B. Musgrove of 424 N. State, Weatherford, Oklahoma, is presently a junior at Southwestern State College in Weatherford, Oklahoma. He was born August 17, 1946, in Floyada, Texas.

Brother Musgrove was initiated into the Delta Beta Chapter of Kappa Psi on February 17, 1967. During his pledge period he was elected as the "best pledge" by the members of his pledge class and also by the brothers of the chapter. He has attended the Province VII Assembly at Memphis, Tennessee.

Brother Musgrove has served as librarian of the chapter, and on the files committee. Presently he is a member of the chapter house, budget, and entertainment committees. In addition to his chapter activities he is a member of the Student Branch of APhA, Young Republicans, Baptist Student Union, and the Student Senate of Southwestern State College.

MELVIN B. MUSGROVE

(Delta Beta—Southwestern
State College)
Executive Committee Member

Max W. Eggleston and Robert G. Gibbs Elected to Honorary Membership

One of the highlights of the 34th Grand Council Convention in Kansas City, Missouri, August 27-31, 1967, was the awarding of Honorary Memberships to two nationally known persons in pharmacy.

One of the recipients was Max W. Eggleston, president-elect of the American Pharmaceutical Association for 1968-69. President-elect Eggleston received his Bachelor of Science degree in Pharmacy from the University of Iowa in 1947. He is a past president of the Iowa Pharmaceutical Association and chaired its House of Delegates in 1965-66. He currently serves as president of the Iowa Interprofessional Society and is a member of the Board of Directors of the Iowa Pharmacy Foundation. He has chaired the Professional Committee of the Iowa Pharmaceutical Association for the past three years. He is a member of the National Association of Retail Druggists and an Affiliate Member of the American Medical Association. He joined the APhA in 1958 and served two three-year terms on the Resolutions Committee, including service as its chairman. He is now a member of the APhA Board of Trustees as its vice chairman. He will be installed as president of the APhA of 1968 in Miami, Florida.

MAX W. EGGLESTON
Honorary Member
Kappa Psi

ROBERT G. GIBBS
Honorary Member
Kappa Psi

The other recipient of an Honorary Membership was Robert G. Gibbs, executive secretary of the Iowa Pharmaceutical Association. Brother Gibbs received his Bachelor of Science degree in Pharmacy from the University of Iowa in 1940. After being employed in community pharmacy he entered the United States Navy in 1942. After his release from service as a Warrant Officer in the Hospital Corps in 1946 he became a partner with his father and brother-in-law in the Gibbs Drug Company. While in Iowa City he was secretary of the Iowa City Junior Chamber of Commerce and a member of the Chamber of Commerce Retail Committee. He served three years as a member of the Coralville City Council. He was elected president of the Iowa Pharmaceutical Association in 1957 and served one year. Among the other memberships and offices held are Iowa Pharmacy Foundation (secretary, 1960-1967), APhA (1st vice-president, 1966-67), APhA Public

Relations Committee (1965), APhA Foundation (board of directors, 1965 and vice-president, 1966-68), National Council State Pharmaceutical Association Executives (president, 1963-64), National Association of Retail Druggists, Iowa State Advisory Council Medical Assistance for the Aged (chairman, 1962-64), Iowa Welfare Association Health Division, Iowa Public Health Association, and a member of the Charles Pfizer Laboratories Board of Consulting Pharmacists (1966-68).

Brother Kenneth Redman Recipient of "Bowl of Hygeia" Award

Dr. KENNETH REDMAN
"Bowl of Hygeia" Recipient

Dr. Kenneth Redman, chairman of the department of pharmacognosy at South Dakota State University, Brookings, and the Grand Council Deputy of Gamma Kappa Chapter, was presented the A. H. Robins "Bowl of Hygeia" award during the South Dakota Pharmaceutical Association convention on May 7, 1967.

The intent and purpose of the award is to recognize and acknowledge the time and effort devoted by pharmacists in civic and pharmaceutical affairs.

The "Bowl of Hygeia" is a widely recognized international symbol of pharmacy derived from Greek mythology. Hygeia was the daughter and assistant of Aesculapius (often spelled Asklepios), the God of Medicine and Healing. Her classical symbol was a bowl containing a medicinal potion, with the serpent of Wisdom (or guardianship), partaking of it. This is the same serpent that appears on the caduceus, the staff of Aesculapius which is the symbol of medicine.

Brother Redman was selected as this year's recipient in South Dakota for his many activities not only in the field of pharmacy but also for his many community efforts. In addition, he has established three perpetual annual scholarships which are awarded to outstanding pharmacy students.

THE MASK congratulates and salutes Brother Kenneth Redman.

Louisiana Graduate Chapter Installed

The Louisiana Graduate Chapter was installed on May 7, 1967 by Grand Ritualist Richard M. Doughty. This made the 24th Graduate Chapter of the Fraternity. The first slate of officers are: Richard Autin—Regent, Paul Breaux—Vice Regent, Charles Bell—Secretary, Louis Vallee—Treasurer, Nolan Courville—Chaplain, and Ronald Broussard—Historian.

Charter members are: Richard Autin, Marshall Barbe, Charles Bell, Paul Breaux, Walton Robinson, Earl Alleman, Nolan Courville, Ronald Broussard, Robert Givens, Frank Smith, Kenneth Brocato, Phil Carruth, August Danti, Paul Lasseigne, Theodore Eickholt, James Vanderhoeven, and Louis Vallee. Additional members include William Stroud, Frank Bankston, John Belaire, and Charles Evans.

Sigma Chapter Reactivated

As this issue of THE MASK goes to press word has been received that Sigma Chapter has been reactivated at the University of Maryland on October 28, 1967. This makes the 57th Collegiate Chapter of Kappa Psi Fraternity.

Rho Chapter Reactivated

Rho Chapter of Kappa Psi Pharmaceutical Fraternity was reactivated on April 29, 1967, with initiation ceremonies conducted by Gamma Theta Chapter of the University of Missouri (Kansas City). This made the 56th Collegiate Chapter of the Fraternity.

Following the initiation with wives and dates as guests a banquet was held with Executive Secretary Gerald C. Henney as the speaker.

Officers installed were: Regent—Sam Garbo, Vice Regent—Jim Whitaker, Secretary—Bob Miller, Treasurer—Dean Ratliff, Chaplain—Harry Zielke, Historian—Eric Hoffman. Dr. Gary Grunewald was installed as the Grand Council Deputy and Francis Wainwright as Pledge Trainer. Other brothers initiated were: William Armbruster, Don Bennett, Stan Byrne, Carlton Erickson, Winston Hodges, Emery Jesserand, Steve Smith, Richard Snyder, Jr., and Don Sonderegger.

INITIATES OF RHO CHAPTER REACTIVATION

Left to right: Eric Hoffman (Historian), Emery Jesserand, William Armbruster, James Whitaker (Vice Regent), Donald Bennett, Stanley Byrne, Sam Garbo (Regent), Steve Smith, Dean Ratliff (Treasurer), Harry Zielke (Chaplain), Francis Wainwright, Winston Hodges, Donald Sonderegger, Richard Snyder, Jr., and Carlton Erickson. Not pictured is Robert Miller (Secretary).

Frank H. Eby Loans Available

The Frank H. Eby Educational Loan Fund was established to provide loans not to exceed \$250 on the basis of need to members of Kappa Psi Pharmaceutical Fraternity who are in their fourth or fifth year of undergraduate pharmacy education in an accredited school or college of pharmacy and who have been members of Kappa Psi Pharmaceutical Fraternity in good standing for at least one semester or one quarter, as the case may be, prior to the actual time of giving the loan.

The loan will be repayable without interest within one year after graduation from a college or school of pharmacy or within one year after leaving undergraduate pharmacy education. Being drafted into the military service will not count as leaving undergraduate pharmacy education unless the individual does not return to undergraduate pharmacy education upon completion of his obligated military service. In the latter case, the interest-free year of repayment will start upon the individual's return to civilian life. Similarly, a loan recipient will not have his interest-free year of repayment start until the completion of his active military service.

The unpaid balance beyond the one interest-free year must be paid back with interest accumulating at the rate of 6% *per annum*. The applicant for a loan will procure the appropriate forms upon request from the Executive Secretary who will supply him with a) an application form to be returned to his office and b) a certification form to be filled out, signed, and returned *directly* to the Executive Secretary by the Grand Council Deputy of the applicant's chapter. This second form must certify the following points:

- (1) That the applicant is a brother in good standing in a particular chapter of Kappa Psi Pharmaceutical Fraternity for a specified period of time.
- (2) That the applicant is an undergraduate pharmacy student in good standing in the fourth or fifth year of either a five or six year curriculum or in the sixth year of a six year curriculum in an accredited college or school of pharmacy.
- (3) That the applicant's academic standing justifies the loan.
- (4) That there is actual need for the loan with justification given.
- (5) That the applicant normally meets his financial obligations and that he will repay the loan in the specified period of time.

The Executive Secretary will then send both completed forms for each applicant together with any supplementary information *as soon as possible* to the National Committee charged with the responsibility for the Loan Fund. This committee would in turn send its recommendation(s) immediately to the Grand Regent who would then issue instructions promptly to the Executive Secretary to procure a duly signed and dated promissory note from the applicant and to issue subsequently, but promptly, a check for the approved loan to the applicant.

No publicity or announcements, either formally or informally will be made of the names of the recipients, although all records pertaining to this loan fund are open on a confidential basis to the Executive Committee and Alpha Chapter.

Personals and News Items

Eli Lilly & Company of Indianapolis, Indiana announces the following:

P. EDWARD MORRIS (Psi) has joined the company as a sales representative in Asheville, North Carolina. Brother Morris was granted a Bachelor of Science degree in pharmacy by the University of Tennessee in 1962. Before joining the company he was co-owner of Martin's Drug Store in Maryville, Tennessee.

GREGORY K. SINCLAIR (Gamma Upsilon) has joined the company as a sales representative in Arcadia, California. Brother Sinclair is a native of West Point, New York, and received his bachelor's degree in pharmacy from the University of Arizona in 1962. He is a member of the Junior Chamber of Commerce of Altadena.

JAMES TALLMAN (Gamma Delta graduate member) of 125 Gertrude N.W., Warren, Ohio, is with the Perkinswood Pharmacy at 213 Perkinswood N.E., Warren, Ohio. He and wife, Dawn, have one child.

DENNIS L. CHILD (Portland Graduate Chapter) of 2815 S.E. 59th Ave., Portland, Oregon, is with the Seaton Pharmacy of 5939 S.E. Belmont, Portland. He and wife, Helen, have two children.

PHILIP R. HUGILL (Beta Pi graduate member) of 8701 Rayburn Road, Bethesda, Maryland 20034, is with the United States Public Health Service in Washington, D.C. He and wife, Dorothy Ann, have one child.

JAMES F. BURT (Gamma graduate member) of 143 Garth Road, Scarsdale, New York 10583, who recently attained the age of 80 years has been actively engaged as a relief pharmacist in several county hospitals. Until 1962 when he retired he was chief pharmacist at the Lawrence Hospital in Bronxville, N.Y. Brother Burt informs us that he became a member of Gamma Chapter in 1902.

C. R. (Rae) WILLIS, JR. (Pi graduate member) of 2461 Bristol Road, Columbus, Ohio 43221, is senior pharmaceutical chemist with the Warren-Teed Pharmaceuticals, Inc. of Columbus, Ohio. The company is a subsidiary of Rohm & Haas Company of Philadelphia, Pa. Brother Willis received his Ph.D. degree in Industrial Pharmacy in 1966 from Purdue University.

LIEUTENANT STANLEY J. KORNACKI, JR. (Connecticut Graduate Chapter) and his wife announce the birth of their first daughter, Christa Ellen on September 30 at the Walston Army Hospital. Brother Kornacki is stationed at Fort Dix, New Jersey. Stanley J. Kornacki, Sr. is also a member of the Connecticut Graduate Chapter and is owner of Curran's Pharmacy in Willimantic, Connecticut.

DENHAM H. DAVIS (Gamma Theta graduate member) reports his new Air Force address: 1912 No. Main, Del Rio, Texas 78840.

KENNETH PALMQUIST (Kansas City Grad-

uate Chapter) reports a new daughter, and a new position in Kansas. His address is: 811 West 10th, Concordia, Kansas 66901.

DR. L. E. BINGENHEIMER

Neisler Laboratories' quality control manager.

L. E. BINGENHEIMER (Pi graduate member) who received his Ph.D. degree from Purdue University has been appointed to the post of Manager of Quality Control for Neisler Laboratories, Inc., a subsidiary of Union Carbide Corporation. Brother Bingenheimer previously held a similar position with Dorsey Laboratories. Dr. Bingenheimer served on the faculty of both the St. Louis College of Pharmacy and the University of Tennessee College of Pharmacy some years ago. He resides with his wife and four children at 1681 North Oakcrest Avenue, Decatur, Illinois.

ARMY PRIVATE ROGER A ZOBEL (Gamma Kappa graduate member) recently completed eight weeks of advanced infantry training at Fort Dix, N.J. He received specialized instruction in small unit tactics and in firing such weapons as the M-14 rifle, the M-60 machine gun and the 3.5-inch rocket launcher. Brother Zobel received his B.S. degree in 1965 at South Dakota State University in Brookings.

SECOND LIEUTENANT PAUL E. ARNOLD (Nu graduate member) recently completed a medical service officer basic course at Brooke Army Medical Center, Ft. Sam Houston, Texas. During the eight-week course, he was trained in field medical procedures, supply, administration and organization, and the performance of medical services in combat. Brother Arnold received his B.S. degree in 1966 from the University of

Connecticut, School of Pharmacy. His wife, Alma, lives at 26 Pratt Ave., Taftville, Conn.

ARMY DOCTOR HOWARD H. ROBERTS (right)
Receives congratulations and the
Bronze Star Medal.

ARMY DOCTOR (Captain) HOWARD H. ROBERTS (Gamma Theta graduate member) recently received the Bronze Star Medal during ceremonies near Dong Ha, Vietnam. Dr. Roberts received the award for outstanding meritorious service in combat operations against hostile forces in Vietnam from October 1966 to June 1967. Brother Roberts is surgeon of the 44th Artillery's 1st Battalion near Dong Ha. He entered on active duty in July 1954 and was stationed at Ft. Bliss, Tex., before arriving in Vietnam. He attended the University of Missouri at Columbia and Kansas City, receiving the medical degree in 1964.

RICHARD P. BOBBIN (Gamma Lambda graduate member) of 3910 Cambronc Street, New Orleans 70118, is presently at the Tulane Medical School, Department of Pharmacology, New Orleans, Louisiana.

ARMY FIRST LIEUTENANT JOHN FERINDE (Omega graduate member) was assigned to the 97th General Hospital near Frankfurt, Germany, September 18. Brother Ferinde, assistant chief of the Pharmacy Division, entered the Army in January 1966 and was last assigned at Walter Reed General Hospital, Washington, D.C. He received his B.S. degree in 1963 from Rutgers University, Newark, New Jersey.

CARL E. KYBURZ (Detroit Graduate Chapter) of 132 Edmund Place, Royal Oak, Michigan, recently received an award of a Taylor barometer for his efforts in furthering the cause of pharmacy through his numerous talks to lay and professional groups.

FORMER SECOND GRAND VICE REGENT LEO A. SCIUCHETTI is convalescing from a gallbladder operation which was removed on September 11. His health had been affected for several months prior to this and was responsible for his absence from the 34th Grand Council Convention.

COLONEL HAROLD P. LARSON (Beta Psi graduate member) was selected to "Nominee status" of The American College of Hospital Administrators on August 20 during the 33rd annual Convocation Ceremony in Chicago. Colonel Larson has been in the Army Medical Service Corps since 1947, and is currently stationed at Fort Meade, Md., where he serves as executive officer in the Office of the Surgeon, First U.S. Army. He received a B.S. in Pharmacy from the University of Wisconsin in 1941 and a master's degree in hospital administration from Baylor University, Waco, Texas, in 1961.

**IN BETWEEN SESSIONS AT 34TH
GRAND COUNCIL CONVENTION**

Left to right: Mike Harper (Beta Xi), Bob Auger (Conn. Grad.), James Seymour (Prov. III), Tony Bartley (Gamma Xi), Bill Brice (Gamma Xi), Charles Rhoden (Beta Xi), Mert Rowe (Conn. Grad.), Dean Warden (Theta), Fred Rachide (Beta Xi), and ?.

DON G. SCHAPKER (Delta Gamma graduate member) of 101 So. Michigan Ave., Ocala, Florida, is presently associated with the Upjohn Company as a sales representative. He and wife, Millie, have two children.

ROGER D. BRAUN (Xi graduate member) of 350 West 5th Ave., Columbus, Ohio, is presently a manufacturing pharmacist with the Ohio State University Hospital.

WILLIAM J. OKONIEWSKI (Gamma Iota graduate member) of 106 Hamilton St., Wayland, N.Y. is manager of Bukowski's Pharmacy and as part owner in Wayland. He and wife, Kathleen, have one child, Bradley Allen.

EDWARD H. CLARK (Beta Pi graduate member) of 2117 Otis Drive, Alameda, California 94501, is associated with the Alameda Drug Company.

RUDOLPH H. BLYTHE (Philadelphia Graduate Chapter) has retired from the Smith, Kline & French Laboratories on December 31, 1966 and is now an associate professor at the University of Florida College of Pharmacy. His home address is 1045 N.E. 4th St., Gainesville, Florida.

Chapter "Newsletters"

"Newsletter" for Publication in THE MASK

Collegiate Chapter Historians and Graduate Chapter Secretaries should send their "Newsletter" for publication in THE MASK by the following dates.

Issue
October-December
January-March
April-June
July-September

Postmark Not Later Than
October 10
January 10
April 10
June 10

It is requested that you mail about a week before the deadline date and observe the following:

- 1—Reports should be typewritten (8½ × 11 paper), double-spaced, and not over two pages in length.
- 2—Include the original and one carbon copy.
- 3—Include chapter and school name in capitals across the top of the first page of each letter.
- 4—Graduate Chapters need include only the chapter name.
- 5—Be certain that members' names are spelled correctly.
- 6—Whenever photographs (not over two) are submitted be sure to include names of those appearing in the pictures and to attach other information which you wish published beneath the picture. Send only *clear* glossy photographs (5 × 7 or larger size) and protect them in such a way that they will not become damaged in the mails. (Submission of photographs is no guarantee that they will be used.)

Send your "Newsletter" to Nicholas W. Fenney, Editor of THE MASK, 62 Broadfield Road, Hamden, Connecticut 06517.

IMPORTANT

THOSE WHO PREPARE THEIR CHAPTER "NEWSLETTER" PLEASE READ!

The office of THE MASK insists that postmark deadline dates mentioned on page 93 be met in order that the "Newsletter" appear in the issue as scheduled.

All "Newsletters" received postmarked *after the deadline* date can not be used for that issue and, therefore, will be returned to the sender in the event he may wish to use some of the material for his next report. *Please cooperate!*

A "Newsletter" from your chapter should appear in each issue of THE MASK and should be mailed about a week before the deadline date. Do *not* anticipate a reminder from the office of THE MASK of your Chapter's "Newsletter."

GAMMA—COLUMBIA UNIVERSITY

As the school year begins, we of Gamma send fraternal greetings to all Kappa Psi men everywhere.

The brothers of Gamma have all come back

refreshed from a long and happy summer. Since our school year started so late this term, most of us are just about settling down and preparing for the year ahead.

Many exciting events occurred during this summer. A barbecue was given by Brother Stan-

ley Goldblatt which was enjoyed by all attending. Among other things, it appears that Cupid has struck again. Brother Joseph Tarantino has recently become engaged to Miss Theresa Clark and they plan an August 10 wedding. Also engaged is Brother Dominick Tuminaro to Miss Virginia Smith who plan a September 8, 1968 marriage. Brother Nicholas Riccio has announced his engagement to Miss Laura Martyniak.

Also welcomed back are newlywed Brothers Charles Cancro and Thomas Perneti. Brother Perneti and bride honeymooned in Puerto Rico.

To be congratulated is Brother William Ciarrarra who became a father for the second time. His wife gave birth to their son William on August 8, 1967.

Many activities are planned for this year by our brothers both academically and socially. Among other things, Brothers Dennis Blondo and Robert Caprioli have been working in a research project with Professors Weiner and Feldmeister. Their results are soon to be recognized.

We at Gamma wish both an exciting and prosperous year ahead to all fellow brothers. Until the next issue I remain.

Fraternally yours,
GLENN HOM, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

From Epsilon Chapter, best wishes to all Kappa Psi brothers everywhere.

We start this school year with a new slate of officers in Regent Brandt Merrild, Vice Regent Gary Raines, Secretary Joseph Kostick, Treasurer Robert Murray, Chaplain Ronald Hartman, and Historian Louis Kappes.

Nothing exciting happened during the summer except Brothers Charles Nelson, Gary Raines, Ken Opatz, Tom Pazdernick, and Cal Mathieson got married.

I personally would like to take this opportunity to thank the brothers of Beta Sigma Chapter for allowing me to stay in their house for two days while I was visiting my hospitalized father.

We are planning a big rushing smoker for October 3rd and hope to come up with a big batch of pledges. Pledgemaster Robert Livon has worked very hard at this and I am hopeful he will give us the best pledge class we have ever had.

The annual homecoming party has been planned for October 21. We are all looking forward to this event.

In closing, we at Epsilon Chapter hope that all of our Kappa Psi brothers had a very good summer, and extend our best wishes for the school year to come.

Fraternally yours,
LOUIS KAPPES, *Historian*

ETT—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

Greetings to our brothers from Eta Chapter. Since the fall term a number of changes have been made in the frat house both outside and in. A new coat of paint now covers the exterior and the brothers have been busy painting and improving their rooms—some using paneling for an even classier touch.

Brothers Dick Sloan, Jim Wilson and Roger Wetherill represented our chapter at the National Convention in Kansas City. Brother Sloan served a dual role as the convention delegate from Province II, Roger moderated a panel discussion concerning the role of the Fraternity House, its upkeep and responsibilities, while Jim studied the attractions at the Playboy Club.

Our new pledgemaster is Brother Peter T. Shaulinski. His program is currently entertaining eight prospective pledges who we are confident will become fine Eta Chapter members. Pete is also responsible for continuing the tradition of successful rush parties established by Eta and resulting in the continued display of Kappa Psi spirit.

Social Chairman Will Stephens got the year off to a "fluid" start. He organized a wildly successful Open House celebration where the entire student body could enjoy Kappa Psi hospitality—Eta style. Our brothers from Beta Omega Chapter at Temple University have become welcome additives to the party scene here at the house. We wish more of you would drop by. The gala Christmas festivities are starting to take shape and Will is confident that this year's Christmas Party will be better than ever.

Since the next edition of THE MASK will be next year, the men of Eta Chapter take this opportunity to extend warm Christmas wishes to our brothers everywhere and hope you enjoy the new year as we will.

Fraternally,
MICHAEL SALMON, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

Greetings again from the men of Theta Chapter, here at Medical College of Virginia. With September comes the beginning of studying. Here it is only September and the seniors have already begun to count the days left until graduation.

On September 23, 1967, Theta held its first dance of the school year, which was open to the entire Pharmacy School. This was a good chance for the brothers and the new students here at M.C.V. to become better acquainted with each other. Many of the brothers who graduated last year came back for the dance. It was good to see them again. Needless to say the dance was a big success and a good time was had by all.

During "National Pharmacy Week" the brothers of Theta were actively participating. Brother Danny Brown visited a number of the Richmond, Virginia area radio stations and got them to do some spot announcements concerning "National Pharmacy Week." All during the week you turn on almost any radio station in Richmond and hear, "This is National Pharmacy Week, ———."

The brothers of Theta wish all of our brothers around the country good luck this coming school year. May we all make "Dean's List."

Until next issue, I remain.

Fraternally yours,
STEPHEN W. COHEN, *Historian*

IOTA—MEDICAL COLLEGE OF SOUTH CAROLINA

The brothers of Iota Chapter send their greetings to all the brothers of Kappa Psi. We

hope that their summers have been full and enjoyable ones.

After a quiet summer we of Iota Chapter began a busy program. At the first of the term we held several planning meetings in which all members were encouraged to bring forth any useful ideas they might have on projects for the chapter to perform. As a result of these meetings there has developed a new, more intensive rush program, a chapter fund raising project, and a community project for the spring.

As a result of the new rush program all members are getting a chance to meet and help the new freshmen with any problems that they may encounter. On October 7, we held the first of our rush functions. This was a beach party and barbecue with music furnished by a live band. A large attendance made us all proud of our efforts and encouraged us to work even harder on our next party. On November 4, we had our second party. This was a dance with music furnished with a flair by an excellent band. Everyone really enjoyed themselves and are anticipating the enjoyment to be had at our last party. This will be held on November 18. A dinner party and dance is planned. Music will be furnished by one of the best bands in the area.

Our fund raising project will be completed on December 16. We are raffling a color television on that date. This project was tried last year with good results. With as good results this year we will probably make it an annual project.

There have been several excellent ideas put forth for a significant community project. These are now under careful investigation, and the most feasible one will be put into effect this spring.

We extend our best wishes to all the brothers of Kappa Psi. Good luck in all your studies and have a good holiday season.

Fraternally yours,
PAUL H. CORN, *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

The brothers of Mu Chapter extend their greetings to the men of Kappa Psi everywhere. We hope that everyone had an enjoyable summer and will have a successful academic year.

Mu was very active during the summer months and at the 34th Grand Council Convention. The officers were busy during the summer working to improve their duties for the coming year. Many of the brothers were able to accompany the chapter delegates to the convention in Kansas City. All the brothers who did attend were quite impressed with the operation of Kappa Psi and, through the exchange of opinions, came back with many new ideas that might be beneficial to Mu and Kappa Psi. At this time the brothers of Mu would like to congratulate Co-Faculty Advisor Professor Norman A. Campbell on his election as Second Grand Vice Regent.

During the freshman registration period at M.C.P. Brother Donald Nadreau and his committee were busy welcoming and assisting the freshmen, and through his efforts we expect a fine pledge class in the future.

Our first function was a Welcome-Back party held on October 7. Many of the brothers attended and all had an enjoyable evening. Other social affairs being planned are the Christmas

Dinner Dance on December 2, the Annual Smoker in April, and the Spring Weekend in May. These main functions are being supplemented with several other professional functions and informal parties. We are proud of the hard work being done in this area by our Social Affairs Chairman, Brother Richard Mole.

Plans are underway for Mu Chapter to again take part in the fine Blood Bank Program which was initiated last year. This program has been very beneficial to the brothers, supplying coverage for them as well as their families in times of need. Under the direction of Brother Thomas Cerullo we know this will be another success for Mu Chapter.

During the summer wedding bells were ringing for Brothers John Tisdell and John Campbell. The brothers of Mu Chapter would like to wish both the brothers and their wives the best of luck and happiness in the future.

Mu takes this opportunity to extend Season's Greetings to all brothers of Kappa Psi.

Fraternally yours,
HOWARD J. PERRY, *Historian*

NU—UNIVERSITY OF CONNECTICUT

The brothers of Nu Chapter extend their greetings to the men of Kappa Psi everywhere.

We have started off the semester in fine style, socially. The third weekend of the semester was Yale weekend. On Saturday the brothers, pledges, and their dates went to the U.Conn.-Yale football game at the Yale Bowl in New Haven. Despite the heartbreaking defeat of a promising team, we found ways of keeping our spirits high. Later on that evening we had a band party back here on the U.Conn campus. This sums up a very fun-filled and tiring day. New we're getting ready for Homecoming on October 28, 29, 30. Nu, as always, will put forth an honest effort to take first place in the displays that are to be made for the weekend.

In the past months we have been taking steps to beautify our chapter house here at Nu. Final plans have been made for a new lounge which we hope to have installed before the end of the semester. This week the order will be given for the wood panelling to be put up in our dining room. The installation will be done by the brothers and completed in time for Homecoming.

Lately, Brother Ed Cogan has been keeping us in shape. Ed has been doing a fine job as our interfraternity sports chairman. This year, as in the past, we hope to rank high in interfraternity sports competition.

Brothers recently married here at Nu include: Paul Wilkinson to the former Miss Audrey Ferrara; Fred Zych to Miss Nancy Cameron; Roger Stoll to Miss Kathy Anderson; and Tony Amman to Miss Nancy Burke. Congratulations and much happiness to all of you from the brothers of Nu. Congratulations are also in order to Brother John Valuckas recently pinned to Miss Dianne Hemphill of Farmington.

We were very happy with the results of the past rush period getting six fine pledges. They are: Jim Link, Tom Malia, John Parisi, Paul Newan, Stan Trypuc, and Pete Feeny.

Wishing you a good year and hoping to keep you better informed of the happenings of Nu Chapter, I remain.

Fraternally yours,
ANDY ALLEGRETTI, *Historian*

PI—PURDUE UNIVERSITY

Greetings to all brothers of Kappa Psi. The brothers returning to Purdue for the fall semester were greeted by the construction of our new pharmacy building, now in progress. The building will be completed by September of 1969 at a cost of \$6.5 million.

The first meeting of the new semester was one of mostly organization. Vice Regent Ed Spartz, along with Regent Larry Roberts, and Brothers Randy Erb, Bruce Mock, Ed Siurek, and John Sharp, gave a most interesting report on the 34th Grand Council Convention which they attended.

The brothers helped to provide transportation to the All-Pharmacy picnic which was held on September 24. The picnic was sponsored by Purdue's APhA-IPhA chapter and will be an annual event. Pi Chapter of Kappa Psi also sponsored a lab coat sale for the pharmacy school classes as a joint fund raising and service project. Another service project is being planned, namely, the dissemination of literature and test kits for diabetes during National Diabetic Week to the community of Lafayette. This program is a continuation and expansion of a similar project started last year for the pharmacy school.

Pi Chapter held a pledge smoker on October 5. At this writing prospective pledge candidates are being notified, and our new pledge class will be formed shortly.

Plans for the Province VI Assembly to be held at Purdue have been finalized for November 3rd & 4th and participating chapters have been notified. The Assembly committee have a full schedule of meetings and tours planned for the visiting brothers. More details will follow in the next Newsletter. Until then, best wishes to all brothers of Kappa Psi for a most successful and interesting new school year.

Fraternally,
ROBERT WITTGEN, *Historian*

RHO—UNIVERSITY OF KANSAS

Rho Chapter extends their warmest greetings to all the members of Kappa Psi who are returning for another exciting year in pharmacy school. They are intended especially to those who next year will not be with us, but scattered over the globe practicing what they have learned.

The brothers of Rho had an interesting summer with six brothers taking the fatal step of matrimony. They are Donald Bennett, Ivan Conover, Emery Josseland, Dennis Hendershot, Robert Miller, and Dean Ratliff. We would like to extend our best wishes to each of them in their new role as husband.

Work was begun this summer on the files for use by Kappa Psi members. Much work was done, and we hope that within two or three years they will be comprehensive and complete.

Brothers Bill Armbruster, Sam Carbo, and Larry Martin attended the National Convention in Kansas City in August, and they have many new ideas for our recently reactivated chapter.

On the list of scheduled events for the coming year are a Rush Smoker, a Halloween Party, School Service Projects, Initiation, the Annual Banquet, and a Kappa Psi Golf Tournament, not to mention the monthly meetings with many interesting speakers. At the moment an intramural football team is being organized

with practices being held two to three times a week. The manager this season is Donald Bennett. Good luck is in order for those participating and we hope they have a successful season.

To all our brothers in Kappa Psi, Rho Chapter wishes you an enjoyable and profitable school year.

Fraternally yours,
ERIC HOFFMAN, *Historian*

UPSILON—UNIVERSITY OF KENTUCKY

Greeting to all brothers of Kappa Psi from the Upsilon Chapter located in the heart of the bluegrass.

Kappa Psi started on August 29th with a smoker at "Hall's" on the Kentucky River. Rushes were invited, and a dinner of fish was served. A program of slides of Kappa Psi were shown by Dr. Norman Billups. Members of the Kentucky Graduate Chapter were present. August 30 a pizza party was held at Dooles. This was "ladies night" and we had several of the young ladies from the college present. No formal program was planned. On Friday, September 1, a barbecue was held at Keeneland Race Track. Prizes were given away by the Kentucky Graduate Chapter to the lucky rushes, slides were shown, and a dinner of chicken boxes was catered. Many thanks to Brothers Richard Ross, state inspector for the Kentucky Board of Pharmacy, to Arz Amburgy, manager of the Taylor Drug store at Brownsboro Road, to Robert Barnett, Abbott hospital representative and currently the President of the Kentucky Council of Pharmaceutical Education, and to Tom Bernard and Tom Detraz. Also helping with rush were Brothers Gary Edwards, Ron Turnbull, John Butler, Jerry Johnson, Fred Shanfield, and a visitor, Bob Rapp. Tony Silvigne was also present from the Philadelphia College of Pharmacy. Thanks to our never tiring faculty, Brothers Dr. Norman Billups, Dr. Charles Lesshaft, Mr. Richard Doughty, Dr. Dolusio, Dr. Dittert, Dr. Magarian, Dr. Danian, and Dean Swintosky.

Brothers Joe McMichael and Bob Bishop were chosen by the chapter to attend the 34th Grand Council Convention of Kappa Psi in Kansas City, Missouri August 27th through August 31th. We drove with Mr. and Mrs. Richard Doughty and stopped over in St. Louis for two days, arriving in Kansas City on Sunday afternoon.

I would like to add that Upsilon is greatly honored to have as one of its members Professor Richard Doughty, serving his second term as Grand Ritualist. Our congratulations go to him and to the other grand officers.

ROBERT BISHOP, *Historian*

CHI—UNIVERSITY OF ILLINOIS

The brothers of Chi Chapter extend a formal and warm greeting to all Kappa Psi men and wish them a prosperous school year.

As a result of our summer meetings and extensive summer committee work a complete calendar of events has been scheduled for the entire year. Under the direction of Vice Regent Chuck Visockis, the details have been concluded for our rush week from October 15 to 21. Besides having actives meet individually with as many freshmen as possible before rush week, we have initiated our biggest rush week yet. On

Wednesday, we are having an open house in the evening for all non-fraternity men that want to come. The smoker will be held on Friday, October 20th at Sharkos West. After the formalities at Sharkos, everyone is invited back to the house for an informal gathering. On Saturday night a card party is scheduled so the prospective pledges may become better acquainted with our brothers.

Thirty-two actives and graduates went to Champaign, Illinois on October sixth to watch a football game between Illinois and Indiana. After the game we went to the Italian Village in Champaign for dinner before our return to Chicago. A good time was had by all despite the fact that Illinois lost.

Still speaking of football, we have two intra-fraternity games scheduled this fall. The first game is against Nu Sigma Nu, a dental fraternity, and the other is against Phi Delta Chi.

Other social activities this fall include a hay ride in November and a Christmas dance in December. A turkey raffle is being held this month to help finance the function.

To increase professionalism and promote goodwill, the Chi Chapter brothers are sponsoring two events around Christmas. First is the annual food drive, the other is a new activity this year. A number of small and useful items, such as playing cards, cigarettes, etc., are being collected to be distributed by the brothers in the wards in one of Chicago's nursing homes for the underprivileged and neglected people in the area.

Our newly formed graduate chapter has an active membership of fifty brothers under the leadership of Dan Barone a graduate student at the College of Pharmacy. The graduates back Chi Chapter all the way and have turned out in good numbers at all events since their formation.

Finally we should like to welcome back Doctor Frank Craine, professor in pharmacognosy, who has spent the last year doing research in England and Europe.

Fraternally yours,
JAMES MARTINEK, *Historian*

PSI—UNIVERSITY OF TENNESSEE

Greetings to all the men of Kappa Psi from the brothers of Psi Chapter. We hope that a prosperous summer vacation was had by all. Your brothers at the University of Tennessee would also like to wish all Psis the best of luck both scholastically and in their efforts to serve Kappa Psi this year.

This summer we again extended a welcome to prospective incoming sophomores by supplying information about U.T. and Kappa Psi.

Actually, Psi Chapter began its rush last May by extending an invitation to all prospective pharmacy students to attend "Pharmacy Day." This is a new service of the brothers at U.T. to give interested undergraduates a look at the College of Pharmacy.

Psi Chapter began its fall rush program on September 30th by greeting incoming male sophomores at its annual "smoker" at the Sheraton Motor Inn.

Psi got its social wheels rolling on October 7th at The American Legion with "The Charms" entertaining both the brothers and prospective brothers. The enthusiasm shown by the brothers

at the party forecasts a great year for Psi Chapter in its efforts to extend its brotherhood.

Sportswise, the chapter ranks third in the intramural standings. Special thanks are due to Brothers Leonard Engelberg and Jack Stone for placing in tennis singles and doubles; and to Brothers Doug Duncan and Eddie Harris for winning points in horseshoes. With the basketball competition nearing, our former championship team is looking forward to another winning season. Everyone is apprehensive of winning the intramural trophy this year.

On November 18th the chapter will have a cocktail party preceding the U.T. "Ole Miss" football game. Chartered buses will transport brothers and prospective pledges to the game. The day will be highlighted by a party following the game.

Psi Chapter has plans for other social affairs later this year in addition to its annual service functions.

In closing, we again wish all brothers and their chapters a successful year.

Fraternally,
VAN COOPER, *Historian*

OMEGA—RUTGERS COLLEGE OF PHARMACY

On September 11, a new semester began at Rutgers College of Pharmacy. The brothers of Omega approach it with plans and great expectations for a successful year.

With rushing in mind, a party was given on September 23. All freshmen, transfer students, and independents of Rutgers College of Pharmacy were invited. Those in attendance made ample use of the free food and beer, and what's most important, we had the opportunity to meet, talk, and present ourselves and Kappa Psi to these prospective pledges. We believe that this is an important prelude to our Smoker which will be held on November 4, at Dan Dowd's Steak House, West Orange, New Jersey. Dr. Bartley Sciarone, the Grand Council Deputy of Omega Chapter and professor of physical chemistry at Rutgers College of Pharmacy is scheduled as the after dinner speaker. His dissertation will involve Kappa Psi and its relation to pharmacy. Some sort of exotic entertainment is also tentatively scheduled.

October 6 through October 8 was homecoming weekend at Rutgers. On October 7 many of the brothers went to New Brunswick and attended an Alumni Association Breakfast, and saw a Rutgers football game with their dates. With this successful event behind, we are looking forward to a costumed Halloween Party planned for October 28.

In this issue of THE MASK, we would also like to welcome a new brother to Kappa Psi. Tony Taibi was initiated at the second monthly meeting of our chapter. We congratulate him for this accomplishment.

Previously in this Newsletter, I've said that Omega has great expectations for the coming year. We are particularly optimistic about the prowess of our athletic teams. Last year in Pharmacy School's IFC League, we came in first in football and softball, and second in basketball. This year should prove to be more of the same. With only one starter having graduated from last year's championship football team, there are high hopes for another championship. This year's offensive captain will be all star

quarterback Howie Veritas. The defensive co-captains will be all-star end Ray Morrison and that tenacious tackle "Two Ton Tony the Terror" Tortoriello. At the time of the writing of this Newsletter, Omega occupied first place in Pharmacy's IFC league with a 2 and 0 record, having defeated two pharmaceutical fraternities, Rho Pi Phi and Delta Sigma Theta by scores of 21 to 6, and 27 to 7, respectively. Needless to say we eagerly anticipate meeting the other professional fraternities. Because of the depth of nine IFC all-stars and the backbone formed by our football tri-captain, it is a generally accepted fact that Kappa Psi will be able to extend its Pharmacy IFC football championship for a record eleventh consecutive year.

Yours fraternally,
RON WOZNIAK, *Historian*

BETA GAMMA—UNIVERSITY OF CALIFORNIA

The brothers of Beta Gamma Chapter extend greetings to all the members of Kappa Psi and best wishes for the coming school year.

After a rather quiet summer, the new school year has brought life back to the Beta Gamma Chapter. Opening the fall quarter, the brothers organized a luncheon to help introduce the freshman students to their faculty and fellow students.

**BETA GAMMA HOSTS A FRESHMAN
ORIENTATION LUNCHEON**

Among Beta Gamma Chapter's returning actives, the following brothers are currently holding offices in student government: ASUC President, Dennis Michaud; School of Pharmacy Vice-President, Joe Tonelly; School of Pharmacy Secretary, Larry Kline; School of Pharmacy Treasurer, Tom Simpson; Millberry Union Board of Governors, Jim Karlstrand and Tom Simpson; 4th year class Vice-President, Curt Tibbs; 4th year Secretary Treasurer, Ken Nitta; 2nd year class President, Ron Conte; 2nd year class Vice-President, Frank Chenella; Editor of the School of Pharmacy Student Bulletin, Howard Darvey; Photograph Editor for Millberry Union's Synapse and Medical publications, Ken Kellick; Executive Secretary to the ASUC President, Don Giusti; APhA President, Pete Penna; APhA representatives, Steve Kayser and Frank Chenella.

With a large entering freshman class this year the Beta Gamma Chapter expects to in-

crease its active membership to approximately 75.

This marks the end of the first year in our new house. Even though there are still a few squeaky boards, through the diligent efforts of our membership the Kappa Psi house has been turned into a true home away from home.

From all the brothers of the Beta Gamma Chapter I would like to extend an open invitation to any brother who may be visiting San Francisco to drop in.

Fraternally yours,
KEN KELICK, *Historian*

BETA DELTA—ALBANY COLLEGE OF PHARMACY

Activities here at Beta Delta are resuming with the usual vigor brought on by the promise of a new year, new pledges, new officers etc. Our activities started with the 34th Grand Council Convention in Kansas City in August. Brothers Schur, Cranston and Willson represented the chapter and reported the trip very worthwhile, not only socially but educationally in what was learned about the manner in which our great Fraternity is run. Our heartiest congratulations to the new Grand Officers. We hope that they will continue the fine and upstanding traditions of Kappa Psi as has been done in the past. It was also our pleasure as delegates to meet an alumnus of Albany, Dr. Bruce Martin (Beta Delta '58) now of Duquesne University. Brothers Schur, Cranston and myself take this opportunity to express our thanks to Brother Martin for a very enjoyable evening.

Our scheduled activities for the year began September 11 with "Freshman Welcoming" headed by Brother Tom Horan. This is a service provided to the college by the brothers of the chapter. On registration day the brothers assist the incoming freshmen in finding lockers and acquainting them with the buildings in general.

On Tuesday October 3rd a party was held to provide the brothers with an opportunity to become acquainted with all the men who possessed the scholastic prerequisites for a bid. The party began with cocktails at the House on South Lake Ave. The party then adjourned to the Ambassador Club where an excellent buffet was served. Our speaker at the dinner was Brother Francis J. O'Brien, former dean of A.C.P. Brother O'Brien spoke on the need for the fraternal system on the campuses of today's universities.

Our next function will be the annual Kappa Psi "Open House" at the college on October 22 under the direction of Chairman Brother Tom Cutbush. The open house is a service of the chapter to the school in which the brothers take charge of certain of the labs and explain their function and correlation to the curriculum in pharmacy and medical technology. This is open to interested high school seniors and their parents.

This concludes our activities here at Beta Delta for this period. We hope all brothers enjoyed the summer's respite from matters educational and are not finding it too difficult to "get back into the ol' groove."

Fraternally yours I remain,
WILLIAM C. WILLSON, *Historian*

BETA EPSILON—UNIVERSITY OF RHODE ISLAND

Beta Epsilon Chapter at the University of Rhode Island wishes to extend greetings to all Kappa Psi fraternity chapters in this, the first Newsletter of the academic year 1967-1968.

Only one meeting has been held by Beta Epsilon this semester but it was indeed a fruitful one. The brothers displayed tremendous initiative in formulating some new programs to aid the university, the community, and to further enhance the image of Kappa Psi. For example, a drive to educate the community about drug abuse and its effects has been suggested and may soon become a reality. Also under consideration is a plan to eliminate safety hazards in the college's classrooms and laboratories. In addition a motion was made to aid Dean Youngken with his glaucoma clinic which received much support from the community last spring. Although all these programs are in the planning stage, it is evident that this year promises to be one of accomplishment and achievement.

To further display the versatility of our chapter a challenge has been issued to the College of Pharmacy to compete in the first annual all-college basketball tourney in which faculty and students are all eligible. This is a further attempt to solidify the brotherhood and also stir interest within the college itself.

Responsible for much of this ideal incentive are its new officers: Regent, Lyn Davies; Vice Regent, Pete Duquette; Secretary, Pete Palagi; Treasurer, Ted Singleton; Chaplain, Brian Martin; Historian, Ken Skelly; Sergeant-at-Arms, Jules Tremblay. These men have obviously injected spirit and true brotherhood into the word "Fraternity."

So as you may readily visualize, we are off to a flying start on what will be an undoubtedly banner year at Beta Epsilon Chapter at U.R.I.

Fraternally yours,
KEN SKELLY, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

Beta Kappa Chapter wishes all its brothers in Kappa Psi the very best for the coming year.

It is surprising how pharmacy life at Pitt centers around Kappa Psi. At the orientation program for the third year students, four of the seven speakers were Beta Kappa men, as well as the rest of the chapter brothers showing up to help as guides. On the 14th of September the student chapter of the APhA held its informal welcome party for the new sophomores at Beta Kappa's Fraternity house. This has created much goodwill towards Kappa Psi as evidenced by the sophomore class's friendliness.

Presently we are in our second week of rush which is seemingly working out very fine. Brother George Showler, a transfer student from Gamma Delta Chapter (which we thank very much) has many good ideas as our Rush Chairman this year. Brother "Showl" suggested we take our "informal rush" invitations around to the rushees in person. This way we got to know many more of the sophomores, and they in turn got to know Kappa Psi more intimately. Of the three professional fraternities on campus, Kappa Psi has the last rush party—a Champagne Buffet. We tried this last year and due to the favorable results we are using it effectively this

year for the end of rush. We are expecting our biggest pledge class ever, and I will report more on this in my next Newsletter. Wish us luck!

The APhA president at Pitt this year is an active one who rightly plans to pledge Beta Kappa this trimester. Two pharmacy displays were set up October 1 by nine APhA members for Pharmacy Week. Six of these nine were Kappa Psi's.

A special thanks goes out to Eta Chapter who housed twelve Pitt APhA and Beta Kappa members on Sept. 30, and Oct. 1 for the APhA convention in Philly. Their house and their warm hospitality will be long remembered.

Immediate future plans include a pledge program, a hay-ride, homecoming, and Halloween and Christmas parties sponsored by Beta Kappa for the entire pharmacy school. Our Regent Gary Hess and his officers have been quite busy this year. We are very optimistic of Kappa Psi's future as the number one fraternity in pharmacy school.

Over the summer Brothers John McMillan and Lou Williams went to the National Kappa Psi Convention and brought back much helpful information. Congratulations to Brothers Dave Sweeney and Bob Kiel who gave their pins to their respective sweethearts; to Earl Towers who announced his engagement; and to Brother Ed Zablotney and his lovely wife, Regina, who were wed in May.

Our very best to you in schooling, health, and pledging.

Fraternally yours,
BOB ALLISON, *Historian*

BETA LAMBDA—UNIVERSITY OF TOLEDO

We at Beta Lambda extend greetings to all our brothers everywhere, and hope they had a most successful and enjoyable summer.

Congratulations are in order to Brothers Chuck Seyfried and Les Fisher for surrendering their bachelorhood and joining the ranks of the happily married. We wish them many years of happiness, and the best of luck with their new "bosses." Brother Seyfried graduated this past June.

Our first meeting showed a great deal of interest and enthusiasm among the membership. Many new and interesting ideas concerning our activities for this year were presented for discussion. Therefore, this should be one of our most progressive years.

Our pledging program will start off with a smoker which will be held in our pharmacy library and on the sports scene we will soon play our rival in the college of pharmacy, AZO. Our fourth and fifth year brothers are eagerly waiting to go on our college of pharmacy's annual "drug trip." It is planned for early October and this year we will tour Parke Davis in Detroit and Upjohn in Kalamazoo, Michigan. Our advisor, Doctor Schlembach, will accompany us and the rest of the fourth and fifth year students.

In closing, we the brothers of Beta Lambda would like to wish all our brothers good luck in the coming year.

Fraternally yours,
JACK WILHELM, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

Most of the members of Beta Xi Chapter spent the summer interning in pharmacies throughout the state as part of the practical experience necessary to pass the North Carolina Board of Pharmacy. In conjunction with this experience, notebooks were prepared which included daily duties, reports on drugs, etc.

As part of the new annual project initiated by our chapter last spring, we sold ads to alumni, pharmacies and drug wholesalers for our *Beta Xi Newzette* which contains lists of active members and alumni, football and basketball schedules, Beta Xi activities for 1966-1967 and several pictures. The money made on the *Beta Xi Newzette* will go into our building fund.

Three Beta Xi brothers attended the 34th Grand Council Convention. Brother Charles Rhoden and Brother Mike Harper represented Beta Xi Chapter and Brother Fred Rachide was the delegate of Province III. During a panel on how the individual chapters handle their financial affairs, Brother Rhoden delivered a talk on Beta Xi's fiscal system. The three delegates had a tremendous time at the Convention and above all, gained a great deal of enthusiasm and knowledge of the Fraternity.

Last fall a lot of work was put into the preparation of the house for the coming year. In addition to completing the painting of the house, the roof was repaired, the kitchen was renovated and a new sink installed, a new ceiling was put up in the second floor hall in addition to repainting of walls and woodwork.

Ten new brothers were initiated during the third week of September. The new brothers are: David Gregory Brooks, Siler City, North Carolina; James Bedford Bryant, Kinston, North Carolina; Joseph Franklin Burton, Jr., Reidsville, North Carolina; Samuel Franklin Hauser, Fayetteville, North Carolina; Thomas Cox Owens, Whiteville, North Carolina; Joseph William Pike III, Concord, North Carolina; William Gibbs Pittman, Jr., Lewiston, North Carolina; Thomas George Taylor, Boone, North Carolina; Ronald Earl White, Cove City, North Carolina; and George Marshall Willets III, Pine Level, North Carolina. This was the largest spring pledge class initiated in quite a few years.

Out of forty-two men going through Fall Rush, we pledged sixteen. We think that this is quite good considering that last year's fall pledge class contained ten members. More importantly, Beta Xi was very selective in choosing its new pledges. Pledged on September 28 were: Ronald Anderson, Elizabeth City, North Carolina; Richard Bower, Jefferson, North Carolina; Douglas Boyette, Kenly, North Carolina; William Browning, Shelby, North Carolina; Kay Carroll, Smithfield, North Carolina; Larry Cline, Boone, North Carolina; Charles deBruyne, Durham, North Carolina; James Hayes, Fairmont, North Carolina; Larry Hill, High Point, North Carolina; Robert Loeb, Albemarle, North Carolina; Steven Moore, Jamestown, North Carolina; John Nance, Durham, North Carolina; Richard Rains, Kenly, North Carolina; Donald Royster, High Point, North Carolina; Randall Teague, Taylorsville, North Carolina; James Williams, Benson, North Carolina.

Our fall social schedule is always a full one and this year is no exception. Our first combo party was on October 7, the evening after Caro-

lina's game against Vanderbilt. We will also have combo parties after the October 21 Homecoming game against Maryland and the November 4 game versus Clemson. The annual University of North Carolina School of Pharmacy Day will be October 28 when U.N.C. plays Wake Forest. Pharmacy Day will feature a barbecue before the game and a combo party that night. We also plan to have a couple of pre-rush parties for pre-pharmacy and first year pharmacy students.

Our intramural program has started very successfully this year. Although our White tag football team lost to Pi Kappa Alpha 7-6, the Blue team won 13-11 over Delta Sigma Pi. Brother Frank Burton, Brother Fred Rachide, Brother Benny Lamm, Harold Smith and Brother Bill Harrison, members of the Blue horseshoe team defeated Delta Sigma Pi by a score of 3-0. The White horseshoe team beat Pi Kappa Alpha by the same score. Members of this team include Brother Tom Leonard, Brother Mike Clinard, Brother Jim Henson, Dick Rains and Brother George Willets.

In recent elections in the second-year pharmacy class, Brother Joey Edwards was elected to the office of class president for 1967-1968.

Although Beta Xi has a big social schedule and participates 100% in intramurals, we continue to place high emphasis on scholarship. During a weekly chapter meeting held on October 5, our Grand Council Deputy, Brother Fred T. Semeniuk, informed us that gradewise, the active brothers of Beta Xi had the second highest Quality Point Average of the twenty-eight fraternities on the Carolina Campus.

Once again it looks like Beta Xi is off to a great start for the year 1967-1968. We hope that all Kappa Psi chapters have a successful and rewarding year. Until the next issue of THE MASK, I remain

Fraternally yours,

J. MICHAEL HARPER, *Historian*

BETA OMICRON—UNIVERSITY OF WASHINGTON

Best wishes from Beta Omicron are extended to our brothers everywhere. Our chapter is getting geared up for an active year ahead, after returning from a beautiful summer recess. All of the brothers are well-tanned from the nicest summer in years here in the great Pacific Northwest.

The highlight of the summer was the 34th Grand Council Convention in Kansas City. Beta Omicron was well-represented, with five brothers attending. At Kansas City were Sidney Nelson, Robert Siegfried, Robert Parks, Paul Kuehn, and William Fassett. Also with the brothers were Dr. Louis Fischer, past Grand Regent, and Dr. Edward Krupski, Executive Committee Member and Grand Council Deputy from Beta Omicron. It is difficult to describe the great rewards which were encountered at the convention. The members there learned a great deal about the running of the national organization, were privileged to meet most of the national officers, and had a good trip to and from the meeting. But the greatest benefit came from meeting brothers from the entire nation, and experiencing the brotherhood that exists in the

Fraternity. To all the brothers we met at Kansas City, Beta Omicron says "Thank You."

It is with deep regrets that we record the passing of one of Beta Omicron's oldest members. Brother Leslie Craigen, who was sixty-nine, was killed by armed bandits who robbed his store on October 5. Brother Craigen joined Kappa Psi over fifty years ago, and has been an active supporter of local activities ever since. At the time of his death, Brother Craigen was also President of the Washington State Pharmaceutical Association. All of the brothers of Beta Omicron share deepest sorrow for the family of Brother Craigen and for the profession that has lost a fine member.

In closing may Beta Omicron wish all the brothers a fruitful year ahead, and a joyous Holiday Season.

Fraternally yours,
WILLIAM E. FASSETT, *Historian*

BETA PI—WASHINGTON STATE UNIVERSITY

Beta Pi Chapter extends its greetings to all the brothers of Kappa Psi. We hope that you had a profitable summer and are returning to school with the stimulation to make this year most successful.

Upon returning to school the brothers of Beta Pi Chapter found College Hall in which the College of Pharmacy is located under extensive construction. A new Pharmacology Center is being built on the lower floor. The Student Union Building is undergoing a $3\frac{1}{2}$ million dollar construction job which may affect the activities of the chapter this year.

Last year's Regent, Jim Wernz, received a commission in the United States Public Health Service and is now stationed in the hospital at Staten Island, New York. We wish Jim the best of luck in his new position.

Brothers Charles Eyer and Gary Fletcher have returned to do graduate work.

Brother Bill Peters, one of three students in the CO-STEP Pharmacy Program this summer, had many stimulating experiences on the Indian Reservation in Crow, Montana.

It is with deep regret that we announce that David Tingley has a generalized cancer and is not in school this year.

Beta Pi wishes you a most rewarding year.

Fraternally yours,
ART GURTLE, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

Fraternal greetings to all of our brothers in Kappa Psi from Beta Rho Chapter at Ole Miss. We are presently coordinating our plans for recruiting a new group of pledges, as our former pledge class was formally initiated on Tuesday evening, September 26. Beta Rho now has thirty-eight active members and we are planning to have a strong pledge class for this first semester. The first phase of our rush program, presently under consideration, is an informal smoker at which the brothers will meet prospective pledges. Almost one hundred potential new members have been invited to this occasion, along with several faculty members and graduate students who are members of our Fraternity.

The fourteen new members who were recently initiated are the following: Wendell Boggs, Joe

Bourn, Pat Bryson, Keith Byrd, Randall Gibson, Shands Henson, Thomas Horn, Stan Illich, Bill King, Bill Lamberth, Johnny Martin, Allen Murphy, Willie Thigpen, and Bob White. The addition of these men to our chapter will serve to further promote the aims of Kappa Psi and of pharmacy.

Our chapter is again well represented in student politics. The men and their offices are: Hamilton Haley—President of Student Body of Pharmacy (as well as Regent of our Beta Rho Chapter). The following are officers of the Ole Miss Branch of the American Pharmaceutical Association: Gerald Vance—President, Charles O'Bannon—Vice-President, and Gary Sisson—Treasurer.

Until the next issue of THE MASK, our best wishes to all Kappa Psi Chapters for a successful year.

Fraternally yours,
PAUL B. WELCH, *Historian*

BETA SIGMA—NORTH DAKOTA STATE UNIVERSITY

Fraternal greeting to the brothers of Kappa Psi from the brothers of Beta Sigma Chapter here on the NDSU campus in Fargo, North Dakota.

This fall it was again our pleasure to initiate six new members and welcome them to the brotherhood of Kappa Psi. These new members of Beta Sigma are John Bodensteiner, Richard Braun, Charles Gress, John Haveman, Steve Semling, and Allen Udem.

The beginning of Fall Quarter also marked the annual Rush Week here at NDSU. Beta Sigma's rush was led by rush chairman James Haggerty and Dave Gall. With the assistance of our new Sweetheart Jeanne McDonald and alumnus Sherry Bassin we again fared well by gaining twenty-nine new pledges. This brings the current total of pledges to thirty-four. The prospective new brothers are: Gary Benson, James Capistran, Jerry Clark, Jim Crane, Gary Eisenach, Greg Ekblad, Joe Farrell, Ken Fieck, Bruce Furness, Dick Gaffron, Mark Johnson, Jerry Heit, Vic Jammnik, LeRoy Kinzel, Paul Kronson, Bob Kuntz, Mylon Lodoen, Pete McMahon, Tom Maslowski, Dwight Mundy, Richard Miller, Richard Moberaten, Randy Nagosek, Wayne Nelson, Tim Opheim, Bob Paciotti, Scott Pederson, Jon Raymond, Gary Salaba, Ray Seidlinger, Don Smallback, Bob Truhn, Mike Warner, and Jerry Wheeler.

As the leaves turn to amber and fall to the ground the alumni will again be making plans to return to the NDSU campus for this year's Homecoming activities set for October 21. The NDSU Bison will be looking forward to extending their undefeated record, and Beta Sigma will again defend their Most Beautiful Float trophy which we have won for the past seven years. This year Beta Sigma will be working with the Kappa Alpha Thetas under the leadership of Brothers Rom Reiter and Rodney Rosenau, float chairmen.

Beta Sigma is now launching a community project in co-operation with the local YMCA-YWCA and with Kappa Delta sorority in which each week several of the brothers meet at the YMCA pool to assist and supervise crippled children.

Presently in the planning is a program headed by Beta Sigma's Vice Regent Forest Loeffler to be held in conjunction with the National Poison Prevention Week.

Recently a student activities fair was held in the Student Union in which the professional organizations on campus were invited to set up displays and to illustrate the purposes and activities of their organizations. Beta Sigma took part and organized a display along with two other pharmaceutical organizations here on campus.

Under the direction of Glen J. Aho and Gary Olsen intramural sports have gotten off to a good start. Captain-quarterback Don (ACE) Sinner has led the football team of Beta Sigma through a so-far undefeated season.

Yes, the brothers of Beta Sigma are looking forward to the new school year after only three short weeks. However, we shall often pause to remember long days as interns, long nights in summer schools, the annual Fourth of July party, pretty girls, shimmering water, and all of the necessary ingredients for a summer "well-spent." We here of Beta Sigma sincerely hope that the past summer has been as rewarding and that the future school year looks as promising for all of the brothers of Kappa Psi as it does here at North Dakota State University.

Fraternally,
ALEC MURRAY and
ALVIN SELLECK, *Co-historians*

BETA PHI—UNIVERSITY OF CINCINNATI

Fraternal greetings to the brothers of Kappa Psi from Beta Phi Chapter.

Another year of hectic study and a wide program of activities are upon all pharmacy students at U.C. The brothers of Beta Phi will be seen at all these activities, and certainly can be found studying, also.

The summer was a busy season for many brothers of Beta Phi. Brother Paul Kamleiter and Miss Susan Ross were married in July, and receive the best of luck from all brothers. August brought The 34th Grand Council Convention in Kansas City, and Beta Phi Chapter was well represented by Brothers Bob Westbrook and Paul Kamleiter. Brother Kamleiter's "Write Your Congressman" project received national acclaim, and is to be undertaken by several other chapters.

The Fall Quarter has arrived quickly bringing several fraternal activities. First of all, the annual Pledge-Active Football Game will be played on the U.C. practice fields on October 22, and, barring injuries, promises to be an exciting game. The Actives are seeking revenge from last year's 2 to 0 loss. Also planned during October is an informal party and a brewery tour for both Actives and Pledges. In early November the initiation of the Summer-Fall Pledge class will take place, followed by the customary initiation banquet. December will bring another Christmas project, assisting a needy family or a group of orphans, in the true spirit of the Season. The last event of the year will be the ever popular campus-wide Kappa Psi New Year's Eve Party, including noisemakers, dancing, liquid refreshment, and dinner. All in all, the brothers of Beta Phi have a busy quarter ahead of them.

The brothers offer congratulations to Brother

Fred Rizzo and Miss Terry Thom who will be married on October 7th, and also to Brother Gary Greiner, who has recently become engaged to Miss Susan Sample.

Last but not least is the biggest project of the year for Beta Phi Chapter, The First Annual Sweetheart Ball, to be held at the Greenhills Country Club in February. Each sorority on the U.C. campus will present a candidate for election as the Kappa Psi Sweetheart for 1968, who will reign over all social functions.

In closing, the brothers of Beta Phi Chapter wish all collegiate and graduate chapters a prosperous and fraternal year.

Fraternally yours,
JIM SCHUBERT, *Historian*

BETA CHI—DRAKE UNIVERSITY

The school year is off to a busy start with 53 brothers and 14 pledges returning. After losing 26 brothers by graduation last year, we were doubtful that the pledges could fill this gap.

It was the feeling of the 17 brothers that attended the National Convention that the feeling of brotherhood generated there will be with us for as long as we live. Some of the things learned will also be applied to the Province VIII Assembly that will be held at Drake, October 27 & 28. A different and stimulating program is planned.

Ray Jurgens, our social chairman, has a full schedule of events planned starting with a Christmas party with the Thetas for orphans of Des Moines. A Homecoming Display is also being built.

Congratulations go to senior class officers: Brothers Bruce Lieb, president; Jim Bennett, vice-president; and Mike Montalbano, treasurer. Brothers Jim Kolodziej and Paul James, APHA president and vice-president respectively, have given that organization the largest membership and best program it has had in 10 years.

Last year a Poison Control Week program was started as a pilot program. Displays were erected, window posters were put in pharmacy windows, and school children were given a special presentation on poison prevention. This year the program will be enlarged.

Fraternally yours,
LARRY STOCK, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Beta Psi welcomes all the brothers back to school after a summer of recreation, fun, rest, and possibly some work. Classes at Wisconsin have resumed with a bang, and all of the brothers at Beta Psi are already deeply engrossed in their studies. The beginning of the semester saw the activation of five new brothers. They are Brothers Jim Berg, Jeff Beilfuss, Richard Houge, Paul Harkins, and Rueben Adams.

The summer also provided us with a few happy events. Brothers Robert Gasset and Tim Gaginella were both married. Brother Peter Fourness and his wife, Renee, announced the birth of a daughter, Noele Renee, who looks like she's definitely Kappa Psi sweetheart material.

Brother Gasset has announced an outstanding professional program for the coming semester. The topics will include: The Drug Industry, Villain or Saint; The Pharmacist's Role in the

Military; Business Ethics for Pharmacists; and Pharmacy Extension Services. Beta Psi will also be working actively on preparing a forum which will consist of panels composed of student representatives from each phase of the medical health team.

Brothers Craig Peot, Dave Forbes, Tom Chilo, and Doug Goudy have commenced work on writing a history of Beta Psi Chapter. However since the records have proven very sparse, any assistance from alumni or anyone else will be deeply appreciated.

Considering that Beta Psi has a fine professional program, and that the School of Pharmacy doesn't appear to desire to permit us to become bored, it may appear as though there would be no time left for any social programs. Alas! This is not the case. Wisconsin kicked off its football season at home with a decisive loss, and Beta Psi kicked off its social season with a band party on September 30. October 14 will bring many parents back to their college surroundings for a "brat-fest," and later at night they will be restored to their youth by drinking and dancing along with the brothers. October 26 will be Homecoming weekend, which is the biggest weekend of the semester. The Christmas party, complete with Santa Claus and his red-nosed friends, will be the scene of many surprises when the brothers exchange "nice" gifts with their dates. The weekends which have not been accounted for will be filled with beer suppers, theme parties, and various band parties.

Beta Psi is anticipating its best year, and hopes that all the other chapters will find the 1967-1968 school year a prosperous one.

Fraternally,
CRAIG PEOT, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

The men of Kappa Psi hope all of our brothers had an enjoyable summer and will have a successful school year.

We at Temple have been very busy rushing the first professional year students. Our rush period runs for seven weeks and we are attempting to have one function per week. We have entertained the freshman students at a luncheon, barbecue with dance, and a smoker. In the future weeks we are planning more smokers and a dinner. Because of the changeover at Temple from a 1-4 program to a 2-3 program we are going all out to influence these new students.

Intrafraternity football has begun and Kappa Psi is still undefeated half way through the season. We are looking forward to a mate for last year's basketball trophy.

We have also begun to repair the exterior of our house. Most of the trim and stone front have been refurbished by the brothers. We are now making plans to repaint the brick sides of the house.

Plans have begun for our annual Spring Formal. The dinner-dance this year will be held at the Rickshaw Inn, Cherry Hill, New Jersey. We have scheduled the big affair for April 27. We will soon issue our Newsletter with complete details for all graduate students.

Our Regent, Gary Croft, was married last August. His wife, Joann, is now promoted to the rank of Official Fraternity Chaperone.

Plans have been completed for establishing a laboratory at the fraternity house for chemistry courses. We hope to equip the lab with all nec-

essary apparatus for complete qualitative determinations. Our library will also soon be fully stocked to give the brothers ready access to all reference books.

One big plan we have is still on the drawing board is the renting of a ski chalet for the brothers on Christmas vacation and semester break. We plan on a small cottage in the Poconos for the two weeks.

Finally, we at Beta Omega wish all of our brothers the best of the holiday season.

Fraternally yours,
LEONARD O'HARA, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

The brothers of Gamma Delta Chapter extend their warmest greetings to the men of Kappa Psi everywhere. That old cold wind is beginning to blow and the leaves are turning as the brotherhood is finally settling down to the old routine that is ever so familiar.

Over the summer a few brothers exchanged their ratings from that of a bachelor to that of a married man. Brother Charles Farmer married Miss Carley Sue Lehman, and Brother Ken Yasch married the former Miss Sandy Davis. Three other brothers also came a bit closer to the wedding bells by becoming engaged. Brother Richard Barker became engaged to Miss Cheryl Barber early in the summer and this seemed to start a trend as Brother Chuck Hunter our Regent became engaged to Miss Cheryl McMains. Both girls belonging to the Alpha Xi Delta sorority. Last but probably not least Brother Rolie Wellington became engaged to Miss Kay Stroh of Miami. Just a few days ago, Brother Bruce Kolbe pinned Miss Karen Keefe who attends Kent State University.

Another pledge class just successfully completed initiation and we would like to welcome into the brotherhood six new brothers: Jeff Carty, Bruce Felts, Tim Hacker, Jeff Haller, Dave Hanford, and Robert Mabe. Congratulations fellow brothers!

We are looking forward to a large pledge class this year after having an open house that was attended by most of the new Pre-Pharmacy students. We also helped to run a mixer for the local APhA at which all pharmacy and pre-pharmacy students were invited.

During the summer Brother Mike Hoopes, our Province V representative, along with Brother Terry Ervin attended the National Convention in Kansas City.

Best of luck to everyone during the fall quarter.

Fraternally yours,
DWIGHT TURNER, *Librarian-Historian*

GAMMA EPSILON—UNIVERSITY OF NEBRASKA

Gamma Epsilon men send a cheery fall greeting to all their Kappa Psi brothers. Our chapter activities have begun in earnest with this new year of school, and we wish our brothers a successful year in each of their respective chapters.

Nebraska was well represented at the Kappa Psi National Convention in Kansas City. Those making the late August trip were Regent Leon Orender, Loyd Fjerstad, Bill Garner, Gary Gil-mour, Charles Krobot, Gary Peterson, and Fac-

ultly Brother Patrick Wells, member of the National Executive Committee. All our attending brothers reported gainful experience, good fellowship, and fun from their week's activities.

October 1 is the date for a mixer hosted by Kappa Epsilon sorority for its members and Kappa Psi. Pizza, pop, and dancing are the order of the evening. The relaxation will be a refreshing prelude for the first round of hour exams, which happen to bunched up for the second week in October.

The University of Nebraska College of Pharmacy holds its Open House October 7 and 8 in conjunction with National Pharmacy Week. Brother Dan Hughes, as Vice-president of Nebraska APhA, is in charge of the event and has been making excellent preparations since last spring. In addition to helping with displays and demonstrations in all parts and departments of the college, Gamma Epsilon is presenting its own display on student organizations in the college. Information will be provided about APhA, Kappa Psi, Kappa Epsilon, and Rho Chi. Brothers will inform the public about objectives of the organizations, and will display publications and snapshots of each group's activities.

The Fall Smoker for Kappa Psi at Nebraska will be held on October 12 to begin forming the fall pledge class. We are stressing individual contact between brothers and prospective members. Pledge trainers this year are Harry Hauschild and Jim Brooke.

Gamma Epsilon is planning a large delegation for the Province VIII Assembly to be hosted by Beta Chi of Drake University in Des Moines, Iowa. Dates for the gathering are October 28 and 29.

Fraternally yours,
JAMES D. BROOKE, *Historian*

GAMMA ZETA—SAMFORD UNIVERSITY

Greetings again to all brothers of Kappa Psi from Gamma Zeta Chapter at Samford University in Birmingham, Alabama. The writer extends his apologies to the chapter and all brothers for the absence of a Newsletter in the previous issue of THE MASK.

We, the brothers of Gamma Zeta, hope that all of our brothers over the country had a very pleasant summer and are now preparing themselves for the academic year ahead. Summer passed very quickly for us and now, with the initial shock of classes and books wearing off, we are busily setting up activities for the coming year.

Among activities already planned for this fall are several informal socials to kick off our fall rush program, which we hope will result in a worthy addition to our chapter.

Our spring rush program was very successful resulting in a pledge class of 20 boys. They are: Tommy Grayson, Ted Aycock, Eldridge Hathorn, Bob Lanning, Charles Ball, Steve Crawford, Leigh Gray, Bobby Blakney, Ray Clayton, Charles McArthur, Charles Fletcher, James Hamilton, Charles Mitchell, Dan Ishee, Danny Hankins, Jim Rogers, Barry Wood, Jimmy Watts, Allen Odom, and Wayne Tarrants. These 20 pledges are now in the final stages of work toward activation under the leadership of our pledge trainers, Brothers Youngblood and Gammill. The final project undertaken by these pledges is a fund raising raffle of an electric carving knife donated to the group by Walker

Drug Co. of Birmingham. Upon completion of this project the new members will be formally initiated into the chapter, hopefully sometime early in October.

Our thanks to Brothers Cope, Davis, Jackson, Pierce, Underhill, and Professor Tharpe for their fine representation of our chapter at the Province IV Assembly last spring. Gamma Zeta Chapter is looking forward with great enthusiasm to being host for this year's Province IV Assembly. We are happy to announce that plans are already well underway to provide the brothers of Province IV with a most enjoyable and fruitful '67-68 Assembly.

Gamma Zeta is proud to announce that we are continuing to strive to be the professional and academic leaders on our campus, working in every way we can to help our school and to promote the profession of Pharmacy at school and in the community. We are extremely proud that four of the six officers of our A.Ph.A. student chapter are members of Kappa Psi and very active in maintaining joint fraternity and A.Ph.A. activities.

Our thanks to Dr. Dunbar and to Professor Tharpe for their continued leadership and advice. They are a vital part of our organization.

The brothers of Gamma Zeta sincerely wish all brothers of Kappa Psi the best of everything in their activities for the year ahead.

Fraternally yours,
STEVE SCOBEE, *Historian*

GAMMA IOTA—STATE UNIVERSITY OF NEW YORK AT BUFFALO

The brothers of Gamma Iota Chapter extend their greetings to the men of Kappa Psi everywhere.

School has begun once again. Granted, no big news, but for a chosen few, including myself, it is the *fifth* year. The countdown has begun as well.

Kansas City was the scene of Kappa Psi's 1967 National Convention. After crying on their employer's shoulder, the following brothers from Gamma Iota were able to attend: Richard Ersting, Regent; Jack Shrader, Vice Regent; Charles Roza, Assistant Treasurer; Paul Drylewski, Corresponding Secretary; and James Kowalski.

The reports received from all Gamma Iota's delegates were that the 1967 Convention was an excellent one. The brothers of Gamma Iota extend our appreciation to our brothers at the University of Missouri (Gamma Theta), the University of Kansas (Rho), and to the Kansas City Graduate Chapter for the hospitality given to us.

Gamma Iota, needless to say, took many notes at the Convention; the National Convention will be held here in Buffalo in 1969.

The Interim Meeting of Province V was held on October 6-8 at Wayne State University in Detroit. Gamma Iota was represented by its Regent, Richard Ersting. The main item of business was planning for the Province V Assembly to be held in Detroit (hosted by Mu Omicron Pi at Wayne State) on October 28-30.

This past summer Brother Michael Manka and Jackie Manus were engaged. Jackie has planned an August 17 wedding, but we haven't been able to find Michael to verify this.

Our annual visit to the Iroquois Brewery was held on October 13.

The School of Pharmacy held its annual picnic on September 24. The customary interfraternity football games were played before a capacity crowd—our dates. Gamma Iota crushed Beta Phi Sigma, 42—7, and then proceeded to roll over Rho Pi Phi, 14—0, for the undisputed championship.

I shall close on this winning note.

Fraternally yours,
JEFFREY ROSNER, *Historian*

GAMMA KAPPA—SOUTH DAKOTA STATE UNIVERSITY

Greetings to all brothers in Kappa Psi from Gamma Kappa. With a new school year well on its way all brothers are working hard to make it the best year yet.

Regent Cliff Garrett and Brother Ron Huether were busy during the past summer bringing our graduate files up to date and developing a brochure of standing committee duties.

Brother Dave McCullough has charge of the "Hobo Day" button sales for our homecoming this year, and is doing an excellent job. This is the chapter's major money making project for our house fund and has added to the fund considerably. Brothers Harlan Stai, James Speirs, and Allen Stanley are float chairmen for the College of Pharmacy's float in the Hobo Day parade. Under their capable guidance, our float will surely roll away with top honors as it has often in the past. Also being planned as part of the Hobo Day festivities is a Kappa Psi Alumni gathering. We hope to see many of our graduate brothers here to celebrate homecoming with us.

Pledgemaster Dale Roth and his committee are now organizing the fall pledge class. Our first meeting with the prospective pledges will be at a smoker on October 9.

Brother Dennis Ludwig represented Gamma Kappa at the 34th Grand Council Convention in Kansas City by serving as a member of a panel discussion.

Gamma Kappa is now in the process of incorporating in an effort to hasten the coming of a Kappa Psi house for South Dakota State University.

Our closing wish is that all brothers have a very successful school year.

Fraternally yours,
LEE OTTERNESS, *Historian*

GAMMA MU—NORTHEAST LOUISIANA STATE COLLEGE

Greetings to all our brothers in Kappa Psi from Gamma Mu Chapter. We hope that you have had a productive summer, and are ready to get back to the old grind. We are all looking forward to what this year will bring.

Our chapter activities are already in full swing. We have had two parties for prospective pledges. The aim of these parties was to acquaint pledges with the activities of our chapter, and to show them that a fraternity can be professional as well as social. New pledges include Thomas Alderman, Ellis Bordelon, Phil Boydston, Gerald Broussard, Anthony Chang, Darryl Dronet, Leo Fleniken, Ronnie Guerin, Russell Montgomery, Delton Moore, Anthony Nicosia, Tony Randazzo, Fred Reid, Alvin Ruiz,

Bruce Salsiccia, Walter Trisler, and John Walker.

We have already elected our sweetheart for 1967-68. She is Miss Jeannette Hotard, a sophomore majoring in math. We are very proud to have her represent us!

Our chapter boasts nine January graduates. They are James Baudin, Jerry Ferguson, Kent Hiser, Karl Kettler, Elwood Lacour, Bernard LeBas, Lynn Verzwelt, Gerald Waguespack, and Carmon Ballina. We want to wish them the best of luck in the future. We are proud to have had them as a part of our fraternity, and hope that they will stay close to Kappa Psi activities by joining our newly formed graduate chapter.

In closing, Gamma Mu wishes all their brothers success for the coming year.

Fraternally yours,
LAWRENCE A. ROBINSON, *Historian*

GAMMA NU—UNIVERSITY OF THE PACIFIC

Greetings brothers from Gamma Nu. Now that school has started it looks like we will have to quit relaxing and get back to work again.

The Kansas City Convention was a great success for Gamma Nu as our faculty advisor Dr. James C. King was elected to the office of First Grand Vice Regent and we would like to take this opportunity to congratulate him and all the other new officers. We wish them every success in their term of office. Attending from Gamma Nu were Brothers Ray Smart, Pat Catania, Steve Turner, Lindsay Hamada, and Paul Perry. All attending seemed to have a great time and of course Brother Catania won another jackpot in Nevada on the way back.

The St. Mary's Drug Room here in Stockton is being relocated and we have been asked to arrange the supplies when the move has been completed. We have taken care of this project for several years as part of our professional events program. Also under professional events we have decided to contribute to and support the PI (Pharmacy Institute) which is a lobbying force for pharmacy. Next week we are holding a "welcome and get acquainted" for all new and transfer pharmacy students.

Football is here and we are planning to enter a float in the Homecoming Parade and hold a dance and get together for alumni that evening. It appears that a large number plan to attend and it should be a great evening. We are also holding a dance next month as a fund raising event. Admission is \$1.00 and door prizes are a color TV and a radio.

Since election of officers is only a month away I would like to take this opportunity to thank all those who have helped me with this Newsletter and its formulation. Goodby and good luck to all our brothers in the coming school year.

Fraternally,
LARRY J. DOOLEY, *Historian*

GAMMA XI—UNIVERSITY OF SOUTH CAROLINA

Greetings to all Kappa Psi members from Gamma Xi. We here at U.S.C. hope that the summer months were enjoyed by all.

This year Gamma Xi has many plans for the coming year, starting off with a revised pledge program initiated and headed by our Third

Vice Regent, Doug Sutton. This new pledge program, now underway, provides a more interesting outlay of activities in which pledges will participate.

The pledges are required to know certain songs pertaining to Kappa Psi and pharmacy, and be able to sing them where and when asked by the Brothers. All pledges will be required to know certain aspects of *Remington* and of course the history of Kappa Psi among other things.

Gamma Xi has begun a "new era" here at Carolina with a vigorous spirit. As mentioned before we plan to have a greater number of service projects sponsored by the chapter and plan to join hands with the A.Ph.A. in upcoming projects. Kappa Psi membership in the A.Ph.A. this year is 100 per cent.

Brothers William L. Brice and Tony C. Bartley attended the 34th Grand Council Convention in Kansas City and reported to Gamma Xi at our first meeting this year. Brothers Brice and Bartley also report that all sessions were highly informative. Brother Bartley is president of the senior class.

Gamma Xi extends its thanks to Gamma Theta Chapter and Gamma Pi in hosting the Grand Council Convention.

We congratulate Brothers Randy Eddins and Tony C. Bartley who recently became engaged to Miss Sherry Johnson and Miss Lyn Murph, respectively. Also we extend congratulations to Brother Bill Pitts on his marriage to the former Miss Sharon Strandemo.

As a last note: This week Gamma Xi acquired twelve new pledges for the fall semester.

Fraternally,
KEN HARDWICK, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY

The brothers of Kappa Psi at the St. Louis College of Pharmacy send greetings to the brothers in all chapters of Kappa Psi.

The beginning of a new school year brings with it new hopes, aspirations, and excitement. However, it also calls for reflection on the happenings of the past. Included in these are the Grand Council Convention of last August. We would like to thank the brothers of Gamma Theta Chapter in Kansas City for giving us such a well planned, well executed, and enjoyable convention. Twenty-one brothers of Gamma Pi were present at the convention and were proud to be a part of it.

Congratulations are due the new Grand Officers, especially Grand Regent Williams. They all have our best wishes for a successful and meaningful term in office.

Also accomplished this summer was a successful fund raising campaign. Its purpose was to meet our pledge, as cohosts, of financing the Grand Council Convention. Our goal was reached by contributions of graduate members, and we thank them. The task of this mailing campaign was placed in the capable hands of Brothers Ron Brown and David Tumulty.

The past year is over and we began the new year with a complete house cleaning job by all the brothers. This was followed by a party on the first day of registration. Since then we have been averaging a party closed to all but members and dates, nearly every three weeks.

Annually we play a football game with the freshmen, and although they "chickened out" the first date, we plan to give them another chance.

Also on our agenda is a hayride for brothers and dates, with a picnic beforehand and dancing after.

We are preparing for one of the charitable interests which we support—Old Newsboy's Day. On this day a special edition of a local paper is sold by "old newsboys" on street corners throughout the city with proceeds going to a local charity.

Another Kappa Psi sponsored service on our campus is the editorship of the school yearbook. Although it is not publicized, our committee of Ron Brown, Frank Nuber, and Ed Klostermann, to name a few, work extremely hard at meeting the deadlines of this annual. We are proud of the job they do and the good name it creates for Kappa Psi.

Hoping to see members of our Province here for the interim meeting this spring, I remain

Fraternally yours,
DAVID BRUNWORTH, *Historian*

GAMMA RHO—UNIVERSITY OF NEW MEXICO

The brothers of Gamma Rho send greetings from the "Land of Enchantment." Once again school has started and we as seniors are very busy. The senior class is now making final preparations for its inspection trip to Eli Lilly and Upjohn. We leave Albuquerque on the 14th of October and return on the 22nd.

Gamma Rho held a poker night rush party recently which was well attended by both brothers and rushees. We are anticipating a large pledge class this fall.

The officers for this year include: J. D. English, Regent, Bob Bronaugh, Vice Regent, Mike Lund, Secretary, Ed Reyes, Treasurer, Jim Melton, Historian, and Chuck Walker, Chaplain.

We would like to extend an invitation to any of the brothers who are planning on traveling through Albuquerque to stop and see us.

Fraternally,
JIM MELTON, *Historian*

GAMMA SIGMA—UNIVERSITY OF FLORIDA

Greetings from Gamma Sigma Chapter to all our Kappa Psi brothers. The summer term at U. of F. was the last one for many pharmacy students hoping to graduate before the initiation of the quarter system here this fall. Our heartiest congratulations and best wishes go out to graduated Brothers Pete Blake, Jim Breeding, Dave Newton, Paul Schorr, John Sprenkle, John Wetmore, and Bob Wilson. Pledges from the winter term who are now brothers are Norm Barrett, Ron Perez, Art Veritzan, Roger Crosswell, Charlie Campbell, and Joe Huges. Still more congratulations are in order for Brothers Roger Accardi, Charlie Campbell, J. L. Benton, Art Veritzan and graduated Brothers Dave Newton and Joe Giganti who were married over the summer.

With the start of the new quarter system, Gamma Sigma plans an ambitious service-oriented program under the direction of newly elected officers Walt Griffin—Regent, Larry Diaz—Vice Regent, Bob Renna—Secretary, Ray Anel—Treasurer, Jerry Caruso—Historian, and Char-

lie Campbell—Chaplain. Projects on the agenda are: a drug collection program, in progress since last year, for a mission in Haiti; an intern program for placement of newly graduated seniors; and a new project started this summer under the direction of Regent-Elect Roger Accardi consisting of a pharmacy recruitment film to be shown first on the junior college level and then on the high school level.

Now, from Gamma Sigma Chapter goes a sincere wish for a productive and fun-filled fall term to all our brothers.

Fraternally yours,
JERRY CARUSO, *Historian*

GAMMA PHI—UNIVERSITY OF GEORGIA

The brothers of Gamma Phi Chapter extend their warmest fraternal greetings to the men of Kappa Psi everywhere. We hope you had a prosperous and enjoyable vacation.

Several of our brothers combined business with pleasure at Kansas City, Missouri, where the 34th Grand Council Convention was held. Brothers Tom Pollard, Bill Horton, Wayne Bloodworth, Wendell Lifsey, Charles Wynn, and Carroll Sellers attended. Bill Horton was appointed to serve on the National Executive Committee from July, 1967 to July, 1968. From all reports, the convention was very successful.

Our fall quarter rush program is in full swing with all indications of another fine group of pledges.

The intramural football team, under the direction of Chaplain Donald Melroy, may not be as ferocious as Georgia's Bulldogs, but will hold its own as always.

The brothers of Gamma Phi regretfully accepted the resignation of our advisor, Dr. Durward Entekin, who has served and worked with us many years. We wish to express our gratitude and thanks for a job well done. Dr. Lee Schramm, a newcomer to our school, will serve as our interim advisor.

Congratulations to Brothers Gary Cowan, John Gaines, Johnny Taylor, and Terry Shaw who have taken the big step.

We will report on our trip to Lilly and Upjohn in the next Newsletter. Until then, I remain.

Fraternally yours,
LARRY WHITMAN, *Historian*

GAMMA CHI—FERRIS STATE COLLEGE

As the new year opens, the brothers of Gamma Chi Chapter would like to extend their greetings to all Kappa Psi brothers every where, and wish them a happy and most prosperous academic year.

Much has been happening in the halls of Gamma Chi recently. Of course, our most immediate concern is that of the Homecoming Float and the related events. Our theme this year is the world famous Kon Tiki. We hope to continue in our progression from second place last year to first place this year, but we wish good luck to all entries.

This year Gamma Chi is expecting a very good year in the field of sports. This fall we have three football teams. Our first game is to be played on October 5 at Ferris against their Veterans Club II team.

The men of Gamma Chi Chapter initiated

seven brothers into its membership. They are Brothers Richard Files, David Johnson, Howard Kremer, Terry Litke, Richard Peterson, Michael Tillotson, and John M. Wishart. We all wish these men the utmost in good fortune and success in the service of the Pharmaceutical Profession. Congratulations brothers!

Cupid has been at work this past summer since several brothers have taken their marriage vows. Congratulations are in order for Mr. and Mrs. Fredrich Wiseman, married August 19; Mr. and Mrs. John Ochs, married August 26; Mr. and Mrs. Dennis Weaver, married September 2; and myself and Miss Jeannette Yunker, engaged to be married next August.

In closing, the brothers of Gamma Chi Chapter here at Ferris State College again extend to all brothers of Kappa Psi their most sincere wish for a most enjoyable fall term.

Fraternally yours,
DARRELL BAUER, *Historian*

GAMMA PSI—MERCER UNIVERSITY

The Gamma Psi Chapter at Mercer University Southern College of Pharmacy is proud of its accomplishments even so early in the academic year. Our officers and brothers alike are doing a fine job of keeping Kappa Psi on top.

For this year our officers are: Lenny Longo, Regent; Nick Billirakis, Vice Regent; Dan Boian, Secretary; Nick Aloï, Treasurer; Jim Toncray, Parliamentarian; Richard Jackson, Chaplain; Chic Smitha, Historian; Mr. Charles Boyles, Grand Council Deputy. Our co-advisors are Dr. B. G. Keller and Dr. Vincent Lopaz. Faculty brothers are Dr. Spyros Lazaris and Dr. Lopaz.

Regent Longo and Vice Regent Nick Billirakis represented Gamma Psi at the 34th Grand Council Convention in Kansas City, Missouri. We are also proud of the fact that Regent Longo was elected Vice-Satrap at the Province IV Assembly last April.

Here at Southern School of Pharmacy, Gamma Psi has presented a number of films to the student body. Each film was concerned with a different aspect of pharmacy. We also have brothers working each Saturday obtaining funds for the new building program. On October 22, we are providing a mobile x-ray unit for the students and faculty.

Our rush will not officially begin until winter quarter; however, we are making plans now for a good rush and for good pledges. This is so Gamma Psi may continue to be the active chapter of Kappa Psi that it is this year.

Fraternally,
CHIC SMITHA, *Historian*

GAMMA OMEGA—UNIVERSITY OF ARKANSAS

Greetings to all Kappa Psi men from the brothers of Gamma Omega Chapter.

We have just undertaken a new endeavor at the University of Arkansas. We are trying to enlighten the public on drug abuse in our state. We are setting up a program by which we hope to reach many local clubs and high school organizations. This is being done under the sponsorship of the Student Chapter of the APHA, with Paul Winborn (our past Regent) doing much of the organizational work.

Governor Rockefeller has proclaimed that the week of October 1-7 be Pharmacy Week in Arkansas. During this week we tried to tell the public about the pharmacist's role in the community health program. Radio, television, and newspapers were used throughout the state to tell our story.

In August, our Grand Council Convention was held in Kansas City, Missouri. Several of our members attended this meeting which included many useful work shops. We hope that this experience will be of benefit to the chapter in the coming school year.

This will be an exciting and challenging year for us, especially since we now have another national pharmacy fraternity on campus. On April 22, 1967, Beta Eta Chapter of Phi Delta Chi fraternity received its charter to operate on the University of Arkansas campus. We are looking forward to working with them in furthering the profession of pharmacy in our state.

Fraternally yours,
KEN KESTERSON, *Historian*

DELTA BETA—SOUTHWESTERN STATE COLLEGE

Greetings and best wishes to all Kappa Psi brothers from Delta Beta Chapter. We hope everyone had a successful summer.

Initiation of new members was held in the student center ballroom on September 26. Our new brothers are: Ronnie Anderson, Jerry Burnhardt, Jerry Dishman, James Dooley, John Ford, Truett Guthrie, Mike Johnson, Ewin McDaniel, Charlie Moore, Connie Moore, Travis Pendley, Jimmy Porter, Richard Power, Jim Ramp, Roger Thompson, Richard Widney, and Leo Wink.

A smoker was held September 28 to enable potential pledges to have an opportunity to meet the members and become familiar with the activities of Delta Beta Chapter. We had a very good attendance and expect to see many of them in our pledge class this semester.

The seniors at SWSC traveled to Detroit and Kalamazoo this past week to tour the pharmaceutical laboratories of Parke, Davis and Upjohn. Wives and husbands were also invited to go on the tour. There were a total of 121 in the group.

Those brothers getting married during the summer vacation were: Jim Wells, Bufford Abeldt, and Gary Russi.

Everyone is busy this week working on the float for our homecoming parade. We are hoping to be able to win first place.

In closing, we at Delta Beta wish all our brothers an enjoyable school year.

Fraternally yours,
JAMES NOLEN, *Historian*

DELTA DELTA—UNIVERSITY OF HOUSTON

To all our brothers in Kappa Psi, Delta Delta sends its greetings. Welcome is also extended to the newly reinstated Sigma Chapter at the University of Maryland.

Delta Delta started the year well with a smoker for prospective pledges. Of the some one-hundred brothers and prospects attending, the best participation was shown by the graduates. We feel this to be the best smoker in the history of our chapter and graduate participa-

tion showed interest in the establishment of a graduate chapter here. One week following the smoker the membership, graduates, and pledges with dates and wives gathered in Hermann Park for a picnic with a little football game on the side. This is one of the few chances we students get to knock the professors around, and as usual, few chances were missed.

All signs point to a great year for Delta Delta. In addition to our holding three offices in APhA, we are also participating in campuswide activities. Brother Vance Alexander, Vice-President of APhA, was appointed to the University of Houston Organizations Board and pledge Duane Williamson was appointed to the U of H Lecture Artist Series Board. With help from Brothers Craig Barras, senator to the Student Association for the College of Pharmacy, and Joseph Trial, facilitator for the UH Drug Conference, Delta Delta will co-sponsor a drug seminar to be financed by the student association.

Brothers deserving recognition for this quarter are: Jerry Thiem, recipient of Lilly Award 1966-67; Keith Kellum, APhA outstanding student award; Vance Alexander, president of this year's senior class; and Joe Trial, president of Rho Chi.

This semester's pledge class numbers twenty-two. Pledge class officers are: Duane Williamson, president; Heath O'Brian, vice-president; and David Reeves, secretary-treasurer. Other pledges include: Larry Garza, David Munsell, John Seaman, Eddie Forbes, Fred Beth, Mike Sims, Butch Funchess, Alex Wong, Wilfred Gojdosik, Tommy Gaskamp, Pat Pryor, Johnny Warford, Dick Burgess, David Stephens, Ray Niknam, Robert Tamez, Carl Weber, Ronnie Bonner, and Robert Douglas.

Kappa Psi will host a banquet during the NARD national convention in Houston late this October. Tickets will be sold during registration. Memories of the 34th Grand Council are constantly being recalled by the three attending; Brad Carson, Roy Sandoval, and myself. Truman Library, the Cat Ballaw, and the Jewel Box shall always stand out.

Here's hoping for a great year for all of us.

Fraternally yours,
PAUL CLARK

DELTA EPSILON—DUQUESNE UNIVERSITY

The brothers of Delta Epsilon extend their greetings and best wishes to all brothers in Kappa Psi. We hope that everyone had a successful and profitable summer and that the school year ahead will be the most successful yet for all individuals and chapters.

As we start into our second semester of organization, all brothers of Delta Epsilon are looking forward to an exciting and successful year. The chapter learned quite a lot last semester about the successful management of a chapter and now has a long list of mistakes to avoid in the future.

Over the summer several brothers of Delta Epsilon took various steps toward the altar. Brother Victor Sabarese took the big plunge and was wed in July. Those announcing engagements over the summer included both Brother Joseph Milazzo and Brother Dennis Hahn. Brother Paul LaBrie has taken on a pinmate.

Grand Council Deputy, Dr. Bruce Martin, rep-

resented our chapter at the Grand Council Convention in Kansas City last August. Brother Martin also carried the votes of the Pittsburgh Graduate Chapter, thereby representing a block of votes all by himself. Our special greetings go to the Beta Delta and Beta Kappa delegates for keeping Brother Martin company during the week. We are all looking forward to Buffalo in '69.

Regent Joseph Milazzo and Brother Martin attended the opening meeting of the Pittsburgh Graduate Chapter on September 13, at which details of forthcoming scholarship aid by the Graduate Chapter to both collegiate chapters in the city was discussed. We would like to take this opportunity to thank the Graduate Chapter for their continuing interest in our chapter.

Our officers have been very busy planning a full schedule of events for the fall semester. The projects and events were discussed at our first meeting of the semester and many ideas were brought up. At this meeting Dr. Martin reported to the chapter the details of the Grand Council Convention along with highlights of the social events at the convention. Brother William Markey was also presented with his membership certificate at this meeting. Brother Markey was pledged last semester.

Our first event of the semester was an All-School Welcome to the freshmen in the form of an informal dance in our new Student Union on September 30. The event was a great success and appears to have gained considerable prestige for the chapter. During National Pharmacy Week the chapter distributed National Pharmacy Week bumper stickers and Brother La Brie arranged a Mortar and Pestle display in the school's model pharmacy, Kelly Pharmacy. The money-making project for the semester is a turkey sale for Thanksgiving and arrangements are being made at this time. Plans for our special Christmas events have not been fully determined as of this letter and will be reported upon in the next issue of THE MASK.

Our first smoker of the semester is planned for October 18 at the Beta Kappa house at the Univ. of Pittsburgh. We are anticipating a fine pledge class and are anxious to present an improved pledge program.

Wishing all a fine year and extending an invitation to all Kappa Psi brothers to stop and visit with Delta Epsilon at any time, we at Delta Epsilon remain

Fraternally yours,
CLARK F. STEED, *Historian*

MU OMICRON PI—WAYNE STATE UNIVERSITY

Merry Christmas to all Kappa Psi Men from the brothers of Mu Omicron Pi. The snow and cold weather is a welcome sight in Michigan. Skiing and other winter sports are an important part of our Kappa Psi winter.

We are just starting our pledge program for the fall quarter and we are looking forward to a large pledge class. Since the last issue of THE MASK we have increased our membership by three brothers. They are Brothers John Loughner, Larry Ritter, and Paul Zollars. Brother Zollars is joining another fraternal organization in November, the United States Navy.

Many thanks to the brothers of Province V, who attended the interim meeting held here in the fraternity house.

We are looking forward to the 1968 Province V Assembly which will be held in Detroit. Your co-hosts Mu Omicron Pi and the Detroit Graduate Chapter are busily working together on what we hope will be the best convention in the history of Province V.

Our chapter house, as many of you know, is the birthplace of Colonel Charles A. Lindbergh. Wayne State University is expanding its campus to include the site of our chapter house. This means that by the time you receive this Newsletter we should be in a new chapter house.

Fraternally yours,
JOHN GUST TRIANTAFLOS, *Historian*

BUFFALO GRADUATE CHAPTER

Greetings to all of Kappa Psi from the Buffalo Graduate Chapter. The brothers from our chapter, have been very active in pharmacy activities and professional paramedical achievements.

On August 15, 1967, The Buffalo Graduate Chapter held an executive meeting at the Niagara Manor to outline plans and progress for the coming year.

The Grand Council Convention in Kansas City was attended by Brothers Jerome Delaney, Treasurer of our chapter and our Regent, Joseph Miletta.

On Tuesday, September 19, 1967, The Buffalo Graduate Chapter held its first regular meeting of the fall season. The meeting was very well attended not only by brothers of the Buffalo Graduate Chapter but also the collegiate brothers from Gamma Iota. Three sound color movies were shown, one which featured the football highlights of the Buffalo Bills AFL eastern division champions 1966 season; a movie on the pharmacology of Fluothane, and a movie on anesthesiology. The joint meeting was very productive in the establishment of plans for the coming year.

Brother Van Sice, our chapter secretary, announced that regular meetings will be held the third Tuesday of each month, and in addition to a very intensive challenging schedule we will incorporate social events and refreshments at every meeting. It is interesting to observe that our faculty membership of Kappa Psi is growing as the school continues to expand and another new pharmacy school is in the planning stage. Among faculty members of Kappa Psi are Dr. William H. Barr, Dr. David Burkholder, Dr. Leo Fedor, Mr. Melvin Monteith, Arthur H. Martin, and Dr. Peter Hebborn. Dean Daniel Murray is an Honorary Brother.

Brother Ersing from Gamma Iota announced plans for the rush program of the year. On September 30, a mixed party was held for prospective pledges and their dates. Many brothers from the Buffalo Graduate Chapter attended this event.

Congratulations to Brother Donald Arthur, president of the Erie County Pharmaceutical association for his progressive leadership on the Niagara Frontier. Brother Arthur's newspaper article defended the pharmacists in using name brand pharmaceuticals in the dispensing of prescriptions and explained to the lay public the value of known brands in opposition to the cheaper generic brands of smaller drug companies. In addition to this, Brother Arthur recently announced in the local newspapers the

formation of an all-night emergency drug service by designating various drug stores in strategic locations throughout the Niagara Frontier who will be rotated for night calls for emergency prescription service after all other drug stores are closed. In addition this the Erie County Pharmaceutical association is going to study the proposed legislation that plans a bill to license Pharmacy Technicians in New York State.

Brother Jack Whitehead announced plans for a meeting at the Hallmark Manor which would feature Welfare Officials who would discuss the Medicaid and welfare status of patients in our area.

On October 5, 1967, Gamma Iota held its formal Rush Dinner at Island Park and it was attended by various brothers of our chapter including our coordinator of collegiate affairs, Brother Terry Knowlton.

Plans are being formulated by Gamma Iota and the Buffalo Graduate Chapter to jointly attend a tour sponsored by a local brewery. Brother Basil Continelli, chief pharmacist at Children's Hospital, emphasized the importance in observing the Millipore filtering system at the brewery.

The Buffalo Graduate Chapter will support and be a co-sponsor of the short Course on "Corticosteroids and Oral Contraceptives," that will be presented by the School of Pharmacy. This refresher course will be presented on a post-graduate level and will be part of the continuing education program which we are proud of.

The Buffalo Graduate Chapter wishes to congratulate Brother Louis Kudla on his recent marriage to Mary Galbys. The Kudla's Honeymooned in Nassau. Also, we wish to recognize Dr. Frank H. Eby on the magnificent job done on his book which depicts the History of Kappa Psi.

I wish to thank Grand Regent Walter Williams for appointing me to serve as Co-Chairman of the program committee for the 35th Grand Council Convention which will be held in Buffalo, New York. I will strive to make this convention an enjoyable and memorable one.

Fraternally,
JACOB JOSEPH CARAOTTA, *Historian*

CONNECTICUT GRADUATE CHAPTER

Greetings to all brothers of Kappa Psi from the Connecticut Graduate Chapter.

Our annual Spring Banquet, honoring the graduating seniors from the University of Connecticut School of Pharmacy, was held on May 17th at The Wonder Bar in Berlin, Connecticut. Highlighting the evening was the presentation of awards by Brother Walter Williams to those undergraduate brothers whose academic achievement was outstanding.

This year, two senior awards were presented because two brothers achieved almost identical cumulative point averages. They were Brother Joseph Cranston and Brother Henry Cormiere. Brother Frank Capizza was awarded the Junior Scholarship Award of \$100 to continue his studies. Named "Man of the Year" was Brother David Moore.

Our summer activities included our annual Executive Meeting, and was held at the home of Brother Robert Grieb. Once again, we must ex-

tend our thanks for a most cordial and event-filled afternoon to the entire Grieb family. Regent Bob Auger announced committee appointments and briefly discussed the plans for the upcoming National Grand Council Convention.

September meant a new undergraduate year as well as our first fall meeting. The meeting was held at the Jolly Fisherman in Norwalk, Connecticut. With a fine turnout on hand, Regent Auger announced our chapter plans for the coming year. Uppermost in our minds is a revision of the By-Laws. Committee assignments were discussed and then Brother Mert Rowe, our delegate to the Grand Council Convention, gave his report. We were most pleased to hear that Brother Walter Williams had been elected Grand Regent of Kappa Psi. It is truly fitting that Brother Williams, after many dedicated years of service, is honored with this office. We are confident that with his inspirational leadership our great Fraternity will continue to move forward. Brother Rowe also announced that Regent Bob Auger was elected to serve on the Executive Committee for an additional term.

With the addition of some of our recent graduates of pharmacy school, the Connecticut Graduate Chapter looks forward to a very productive year and until the next issue of THE MASK, I remain

Fraternally yours,
ALLAN ANDERSON, *Historian*

DETROIT GRADUATE CHAPTER

The climax of the summer was our Annual Awards Dinner held at Calvert Catering in Highland Park. Special guest for the evening was Gerald C. Henney, Executive Secretary of Kappa Psi.

DETROIT GRADUATE CHAPTER DOOR PRIZE DRAWING

Regent Jim Henderson, John Loughner, Paul Zollars, and Bob Ritter help out with the drawing.

The following awards were presented: the Grand Council Scholarship Key, the Kappa Psi Award, the Detroit Graduate Chapter Award (won by Larry Timek); the Henry Melton Award (won by Ken Resztak); the Citation of Appreciation (presented to Paul Anderson); the Detroit Graduate Chapter "Man of the Year" Award (presented to Walter Hotra); and the Asklepios Key Awards (presented to Don Gittersonke and Al Mousty).

Brothers Raymond J. Dauphinais, James L. Hall, and William B. Hennessy have served on the Professional Management and the Medicaid committees During the past year for the Michigan State Pharmaceutical Association.

Brother William B. Hennessy was presented with a plaque and named "Pharmacist of the Year" at the MSPA Annual Meeting in July.

Brother Jim Joseph is now a disc-jockey for a Birmingham F.M. radio station. He and his "Tail-gate Ramblers" have made a number of records.

Frank Facione, Bill Smith, and Ben & Kay Price attended the Grand Council Convention in August.

We are grieved by the death of Brother Walter Tilson and express our sympathy to Mrs.

Tilson and their fine family. More than 50 people gathered at Tony Andrews' watering hole in September to give Walt's family some moral support. Thanks to you, Walt—you'll always be a part of the Detroit Graduate Chapter.

Motor City News:

Ray McCaughan of Eli Lilly in Miami was in Detroit this summer renewing old acquaintances—Tony Andrews has a fine tavern in Detroit and runs it like a good pharmacist—We are quite fortunate in having a representative or two at all recent Grand Council Conventions—I still think a new directory would be good for our chapter.

Fraternally
CARL E. KYBURZ

PROVINCES OF KAPPA PSI PHARMACEUTICAL FRATERNITY

PROVINCE I

(Chapters in Albany, Connecticut, Massachusetts, and Rhode Island)

Supervisor: Second Grand Vice Regent Norman A. Campbell
 Satrap: Ronald E. Kaminski, Oakwood Ave., Norwalk, Conn.
 Secretary: Karl A. Nieforth, U. of Connecticut, Storrs, Conn. 06268

PROVINCE II

(Chapters in New York City, New Jersey, and Pennsylvania)

Supervisor: Grand Counselor John Atkinson, Jr.
 Satrap: William J. Kinnard, School of Pharmacy, U. of Pittsburgh, Pittsburgh, Pa. 15213
 Secretary-Treasurer:
 Newsletter Editor: Edwin T. Sugita, Phila. Coll. of Pharmacy, 43rd & Kingsessing, Phila., Pa. 19104

PROVINCE III

(Chapters in Maryland, Virginia, W. Virginia, North Carolina, and South Carolina)

Supervisor: Elected Executive Committee Member Robert R. Auger
 Satrap: James D. Seymour, P.O. Box 125, Easley, S.C. 29640
 Secretary: Jack Morgan, 2015 St. Marys St., Raleigh, N.C. 27608

PROVINCE IV

(Chapters in Alabama, Georgia, and Florida)

Supervisor: Grand Regent Walter R. Williams
 Satrap: Albert W. Jowdy, University of Georgia, Athens, Ga. 30601
 Secretary: Leon O. Wilkin, Jr., Auburn University, Auburn, Ala. 36830

PROVINCE V

(Chapters in Buffalo, Michigan, and Ohio)

Supervisor: Executive Committee Member Patrick R. Wells
 Satrap: Norbert Laskowski, 119 S. Warren Ave., Big Rapids, Mich.
 Secretary-Treasurer: Jerome P. Delaney, 35 Robert Court, Cheektowaga, N.Y. 14225
 Newsletter Editor: David Siddle, Ohio State Univ., College of Pharmacy, Columbus, Ohio

PROVINCE VI

(Chapters in Illinois, Indiana, and Wisconsin)

Supervisor: Executive Committee Member August G. Danti
 Satrap: Andrew Robinson, 615 N. Lake, Madison, Wis. 53706
 Secretary-Treasurer: Patrick Adas, 313 Elm Dr.-C, Madison, Wis. 53706

PROVINCE VII

(Chapters in Arkansas, Kansas, Kentucky, Louisiana, Mississippi, Missouri, Oklahoma, Tennessee, and Texas)

Supervisor: Grand Ritualist Richard M. Doughty
 Satrap: William Fitzpatrick, c/o St. Louis College of Pharmacy, 4588 Park View Pl., St. Louis, Mo. 63110
 Secretary-Treasurer: Richard M. Doughty, University of Kentucky, Lexington, Ky. 40506
 Newsletter Editor: Henry Horn, Delta Beta Chapter, Southwestern State College, Weatherford, Okla.

PROVINCE VIII

(Chapters in Iowa, Minnesota, Nebraska, North Dakota, and South Dakota)

Supervisor: Grand Historian C. Boyd Granberg
 Satrap: Patrick R. Wells, U. of Nebraska, Lincoln, Neb.
 Secretary-Treasurer: Stephen Marshall, U. of Nebraska, Lincoln, Neb.

PROVINCE IX

(Chapters in Arizona, California, and New Mexico)

Supervisor: First Grand Vice Regent James C. King
 Satrap: Billy E. Farley, 414 Arvin St., Bakersfield, Calif. 93308
 Secretary: Richard Cornelius, 2638 Bonniebrook Dr., Stockton, Calif. 95207

PROVINCE X

(Chapters in Montana, Oregon, and Washington)

Supervisor: Executive Committee Member Edward Krupski
 Satrap: Frank Pettinato, University of Montana, Missoula, Mont.
 Secretary-Treasurer: Don Bollig, 6700 N.E. Broadway, Portland, Ore.
