aging athlete or a writer who has written his best novels. It's time to move; to let someone else have their shot at being a better editor than I am. I am sure that person will come along. I have announced my 'retirement' early so that the Executive Committee can identify a qualified person. I promise to help that person to insure a smooth transition to continue to keep The MASK a top quality publication. Brothers have asked what the qualifications are to be Editor. They are few; a love for our fraternity, a time commitment and an adherence to deadlines, sometimes even telling the Executive Committee that if they do not get their article in, the space will be blank. Everyone in the fraternity has been extremely helpful in making my task as editor an enjoyable one and I am certain that they will do so for the next editor as well. If you think you may be interested in being the new Editor, give me a call or call the Central Office. The quicker we determine who the new editor will be, the better and smoother the transition will be. As always your support is appreciated and your comments and suggestions welcome.

This issue is the first of 1994, the last year that I will be your editor. I have been the editor since 1980, 14 years ago. It has truly been a labor of love and one that I will miss. However, there is a time when one should step aside and let someone else have the joy and pleasure of editing The MASK of Kappa Psi. I have wanted to leave when I was still producing a magazine that we could all be proud of, in fact, that is what I believe I will be doing. I do not want to hang on like an

From the Grand Regent

Greetings and a belated Happy New Year! I have two pieces of good news to report: 1) The New Year's Day Bowl games are history and 2) the Super Bowl is right around the corner.

Being somewhat of a

sports fan, I cannot help but notice some of the similarities between professional sports and professional fraternities: professional leagues are comprised of several franchises aligned in certain divisions or conferences. Each franchise has its own head coach, assistant coaches and general manager. Each franchise and each conference is an integral part of the league.

Kappa Psi is a professional fraternity comprised of several chapters aligned in certain provinces. Each chapter has its Regent, Executive Committee and Grand Council Deputy while each Province has its Satrap, Executive Committee and Province Supervisor. Each chapter and each province is an integral part of the fraternity.

Another similarity between the two is the concept of teamwork. Without it, franchises fail, conferences are weak and the league is so-so. With teamwork, franchises thrive, conferences are strong and the league is "A 1."

And you want more information, call the author. Better yet, why not make a point of attending their next province assembly or of inviting them to yours. Not only is interplay supported, it is encouraged!

Above all, please remember one thing—never get complacent—never rest on your laurels lest some other "league," like a thief in the night, whisk you from the penthouse to the outhouse in one fell swoop! (Look at the '93 Mets!)

Looking forward to meeting with many of you throughout the year, I remain.

Fraternally,
Paul J. Hiller
Grand Regent

WANTED

Editor

Tony Palmieri has decided that 1994 will be his last year as editor. A search for a new editor has begun.

Qualifications are few: a commitment to producing a top quality publication on time and a time commitment.

Hopefully a new editor will be identified early to insure a smooth transition. Please send a letter

indicating interest to the
Central Office, College of Pharmacy,
1110 North Stonewall,
Oklahoma City, OK 73190.

If you have questions concerning the position please feel free to contact

Tony Palmieri at

Tips For Chapter Historians

A refresher course for experienced historians and helpful hints for newly elected historians:

This need not be drudgery! In order to write a report for the Chapter news, you need not be a journalism major, nor a literary whiz. You only need to be a member of a chapter—involved in the goings on.

Try to write your report with the knowledge that it won't appear in print for about 8 weeks; that is, plan your report to coincide with topical events. (Let's not read about Halloween at Christmas.)

Make an effort to include some worthwhile community or other service projects in your report, as well as traditional parties and rush events. Your alumni want to know that the Friday Night Happy Hours they attended during their student careers are still happening! They also want to be assured that their support of the local chapter is generating worthwhile projects.

Write your report in a style that is comfortable for you. Each chapter's report should reflect the writer and the chapter, not the National Editor. Editing is done on a space provided as well as tasteful content basis. Chapter house jokes belong in the house not in your national publication.

Please, locate a typewriter, word processor or computer to write your report. Although many of you have attractive handwriting, varying styles make legibility difficult. This becomes a critical factor when specific names are used in the article. Words that cannot be read by the editor, do not get printed in The MASK.

Regarding photos, color or black and white are acceptable, although b&w produce a higher quality b&w printed image. Please send clear, well balanced photos; if they are blurred when you look at them, don't send them, as they will end up in the circular file. Photos are not returnable; so, have copies made before you mail them. When posing your pictures, avoid including beverage cans and glasses in the shot. Although consuming beverages at parties seems to be the norm, save those photos for your chapter scrapbook.

Finally, be aware of the deadline dates. They are not negotiable! The next deadline for the next issue of The MASK is March 12, 1994.

Brother White presents keynote address in Thailand

Dr. Albert M. White, Professor of Pharmacy Practice and Associate Dean for Student Affairs at the Albany College of Pharmacy presented the First Chamlong Suvagondha Lecture at the National Pharmacy Conference in Bangkok, Thailand.

This national Conference is in celebration of two events during December 7- 10, 1993. It is a year of celebration for pharmacy education in Thailand. The Faculty of Pharmaceutical Sciences of Chulalongkoon University, the first school of pharmacy in Thailand, celebrated its 80th anniversary in December. The second event is in honor of Professor Dr. Chamlong Suvagondha, a pioneer in pharmacy profession and education, is celebrating his 84th anniversary.

The topic of Professor Dr. Albert M. White's lecture is the "Changing Role of Pharmacy Education and Practice Leading to the Pharm.D. Program as the Entry Level Degree."

Historian's Corner Leonard Naeger Grand Historian

James Russell Thayer

Since the separation from the physician segment of the fraternity in 1925, Kappa Psi Pharmaceutical Fraternity has been comprised primarily of pharmacy students and graduate pharmacists. However, one Grand Regent of our fraternity was neither, yet served for over a decade on the executive committee. From 1949 thru 1955 he acted as Grand Counselor, and was elected Second Grand Vice-regent in 1955 and first grand vice-regent in 1957. At the Grand Council Convention of 1959 in Cincinnati, he was elected Grand Regent and presided at the 1961 meeting in Philadelphia. Although a non-pharmacist, he established a Kappa Psi Graduate Chapter and served as a dean of the college of pharmacy for 8 years.

He was born on September 7th, 1897 in Medina, Ohio. He was graduated from the University of Wisconsin with an A.B. degree in 1923 and with a Ph.D. degree in 1928. He worked as a research chemist for Parke-Davis & Company in Detroit and as a consultant for the Coca Cola Company. He was initiated into Beta Gamma Chapter of Kappa Psi Pharmaceutical Fraternity while a faculty member at the California College of Pharmacy. Who was the only non-pharmacist to hold the highest office in our fraternity? Answer- Brother James Russell Thayer, a faculty member and dean at the St. Louis College of Pharmacy from 1930 until retirement in 1964 served in the above-mentioned capacities.

To read about the men who have kept our fraternity alive for over 100 years, be sure to keep a copy of The History of Kappa Psi Pharmaceutical Fraternity by Dewey D. Garner in your office, store or at home. An order blank for the publication is elsewhere in this issue.

Ralph Robertson awarded Golden Mortar

*Ralph Robertson
Beta Iota*

Brother Ralph Robertson (Beta Iota) was recently recognized as a 50 year Kappa Psi Brother. Brother Robertson distinguished himself since college where he won the Kappa Psi Key as class valedictorian and was a Rho Chi member. He has been Director of clinical services, a pharmacy manager and from 1946 to 1972 he owned his own pharmacy. He has served on the Oregon Board of Health and the State Board of Pharmacy. He also has honorary licenses in Florida and Hawaii because of his help in updating their pharmacy laws.

The History of Kappa Psi Pharmaceutical Fraternity

by Dewey D. Garner

The scope of Kappa Psi in its first century and beyond is captured in approximately 500 pages including over 100 photos. This heritage of considerable complexity traces the Fraternity's evolution from its humble beginning as a New England prep school fraternity across twenty-six years as a joint medical-pharmacy fraternity and then through more than 65 years as a pharmaceutical fraternity. Major sections include a chronological history of the organization, the Legend's of Kappa Psi, a record of the Chapters, both Collegiate and Graduate, Provinces, and Grand Council Conventions, the Official publications and songs, symbols, awards, jewelry, and Fraternity activities.

The book—a tribute to its more than
50,000 members—
is available in hardback copy.

Chapter News

Gamma Upsilon Arizona

Gamma Upsilon chapter proudly welcomes its newest Brothers from the Fall 1993 pledge class: **Kevin Boesen, Emily Engelbrecht, Irene Lee, Michelle Mucha, Jennifer O'Neill, Jennifer Sickels, Derek Teschler, Christina Van Elk, Gale Younger, and Micheal Zoucha.** These fine people give our chapter continued strength, and we look forward to initiating even more new members in the Spring.

As the Fall semester draws to a close, we are working to raise money for the Salvation Army's Christmas Angels program. We will be buying presents for as many children as possible with the money raised. We are also working on preparations for the Province IX meeting in April.

—Jonathan Ford

Pi Purdue

Last semester's pledge program was a success with the addition of 10 new brothers. The new initiates are **Tiny Acito, Snehal Bhausar, Jeff Jackson, Bill Kroeger, Scott Leslie, Richard Chow, Joel Readinger, Mike Schroader, John Spear, Mike Vanderbilt.**

We would like to thank BΘ for inviting us to the Indianapolis Ice hockey game, where

around 15 Pi Brothers attended. We also enjoyed our late night dinner at Hooters. I am sure it was a night that no one will forget! Several other Brothers also had the opportunity of visiting Beta Psi on their oh' so special night. We would also like to thank Gamma Chi, Gamma Delta, Beta Psi, and Beta Upsilon for attending our "Help Night."

Things at Pi Chapter are moving right along and in the next issue of The MASK, there will be a listing of all of the new officers. By that time we should have all recovered from the 6-hour election ordeal.

Jared Nestleroad held a successful Drug Fair and help set up the Health Careers Day at Purdue. This semester we also honored **Brother Bill Hellyer** with the Asklepios Key. He was honored for all the work he did during our Province V convention.

—Darren Hartman

Gamma Iota Buffalo

The annual Mid-Year convention was held on the weekend of Oct. 1st, here, in Buffalo. It was nice seeing brothers from all of the different chapters. We would like to thank **Brian Furbush** and **Brian Reisetter** and the province V officers for attending. It was nice finally meeting you. We had a great turnout for province and hope that everyone had a great time.

We are still in the midst of our pledge program, the pledges are having an excellent time, as well as the brothers. Some of our pledge events included a scavenger hunt, a road rally, and a toga party. We would also like to let everyone know that we are the only chapter still holding our third degree initiation outside.

Hello to Gamma Delta and thank-you for inviting us to your homecoming weekend, we had a great time.

—Jennifer Arnone

Delta Epsilon Duquesne

As this year comes to a close, it's time to reflect back on all that we have accomplished over the past semester. We kicked off the fall semester with our annual picnic. It was a great time for all who attended.

As usual, Delta Epsilon had several social functions. This year's province meeting was at the University of Pittsburgh. Several of our brothers attended. Our pledges prepared the traditional spaghetti dinner. Big get-togethers included our Halloween and Christmas parties, and of course our semester formal.

We had a very successful pledging period. Congratulations to our newest brothers: **Chris Derienzo, Dave Muir, and Joe Endler.** All three are very enthusiastic and we look forward to their service in future years.

Gamma Upsilon's newest Brothers at their halloween party.

We were kept busy with numerous fundraisers. These included a T-shirt sale, carnival pepperoni rolls, and our care packages at the end of the semester. For next semester, we are planning another pepperoni roll sale with the proceeds benefiting the Rainbow Kitchen.

Lastly, I would like to say congratulations to our newest officers:

Regent	Dave Shubert
Vice Regent	Aaron Buterbaugh
Recording Secretary	Susan Lenhart
Corresponding Secretary	Lori Nestor
Treasurer	Kristin Peters
Historian	Julie Suman
Chaplain	Brady Lecker
Sergeant at Arms	Tawnya Mitch
Pledgemasters	Chrissy Doerbecker and Lisa Emmonds

We look forward to excellent leadership under their term. I'm sure they will accomplish many new goals. Good luck to those fifth year students starting their rotations in the spring.

Best Wishes!

—Ed Feldkamp, Historian

Beta Delta

Albany

The KΨ rush dinner was organized by pledgemaster **Matt Clary**. It was held on October 18th at the Holiday Inn Turf—poolside. There were about 38 freshmen and transfers in attendance and they all ate like kings. The "reception" afterwards was at 208 Delaware and the wheelchair was in full effect. Pledge bids went out on the 25th and by the 29th there were 23 new pledges on the hayride which was put together by 2nd vice-regent Dennis Rule. The hayride continued in the traditional Kappa Psi manner with the newest members of the Johnny Walker club being inducted and only a few other minor

disturbances. Unfortunately I couldn't attend the Halloween party, but I heard it was very exciting and that there were a lot of interesting costumes. Our annual dinner was organized by 1st vice-regent **John Farragon** and was at the Shaker Ridge Country Club on November 5th. All the pledges were there along with most of the brothers and we all

Beta Delta's Senior Brothers.

had the chance to join in to honoring this year's Man of the Year. John, you picked a great new place. On November 11th volunteers from the red cross came to school to collect blood for the annual KC blood drive, organized by **Brenden O'Hara**. Thank you to all the students who so graciously donated a whole pint of that ever so precious fluid of life. And to all those that didn't, I hope you had a really good excuse. Maybe we'll get you next year. I think the pledges also deserve our thanks for putting together a great gathering for everyone at the tie-dye fest. This year's "festival of the greeks" turned out to be a much bigger success than last year's. Thanks to the guys at the Club for the use of their humble abode.

Beta Sigma North Dakota State

To strike up the holiday spirit within the house we are doing our annual Secret Santas (Kris Kringles) with the little sisters for the week. At the end of the week we exchange gifts at Julebachen. This is our annual party where we decorate the house with X-mas decorations, decorate the tree, and sing songs. Everybody looks forward to it each year!

From all of the brothers of Beta Sigma, we would like to thank all of the brothers of Gamma Kappa for an outstanding Fall Conclave and also would like to congratulate all of the new Province officers. We look forward to passing on the traveling trophy (received for best attendance at conclave) to one of the Province VIII chapters when we will be hosting conclave in April!

Congratulations to the new Beta Sigmas that got initiated recently: **Ben Geyer, Barry Kawamoto, Paul Tessman, and Jason Truax!** We would also like to congratulate our three new little sisters: **Andrea Boehm, Karyn Miller, and Deanna Larson.** We would like to wish them luck in the rest of the school year and years to come.

Some other things that we have recently done were we had a Halloween party, a movie night with the little sisters, and sold T-shirts as a fund raiser. We have also been planning for a halfway snow football party with Gamma Kappa to be held in January.

Our community recycling program has gotten into full swing since the last letter of The MASK. This project consists of collecting recyclable plastics, glass, and aluminum products every two weeks from the approximately 35 local pharmacies in the Fargo-Moorhead area. We will then be able to use any of the proceeds for our philanthropy organization, Juvenile Diabetes Foundation. It's proven to be a good step to increasing our presence in the community.

—Shawn Holm

Gamma Xi South Carolina

Another event-filled fall semester is now over and the brothers of Gamma Xi can look back at it with pride. As always, Kappa Psi provided endless amounts of entertainment for the College of Pharmacy. We had several parties which included an excellent Halloween party. The Kappa Psi sports bar was in full swing this semester with many football parties and boxing events televised throughout the house. Tailgating went well even though the Gamecocks had another disappointing season. Pre-game festivities often included 100 pounds of barbecued wings cooked by our personal chef Bob. Our social events climaxed with our annual Christmas formal that was enjoyed by all (thanks Dr. Sadik).

In the annual Mortar Bowl football game played between the Collegiates and the KΨ Graduates, the Collegiates three-peated with a 44-0 destruction of the Grads. The Collegiates scored on the first play of the game and never looked back. This was the most lopsided victory in the 20 year history of the Mortar Bowl. We would like to thank **Mike Robertson, John Holladay, Rob Cagle, Walt Lupo,** and the rest of the Grads for their generous support and donations.

Thanks to the grads we were able to renovate the den and refinish the floors of the house. Keep it up Grads.

The brothers also worked hard this semester at the Columbia Free Med Clinic. We also gave several poison information talks at the local elementary schools. These poison talks were setup mainly by our pledges who did an outstanding job with this project.

Congratulations to December '93 graduates **Joey Kohn, Daniel Shuler, and Mark Twohey.** Pledge season went well as the pledges went through 3 months of vigorous training, including an unforgettable scavenger hunt that pleased all the brothers. We would like to welcome these new brothers:

Seth Cioffi, Rick Daniele (Best Pledge Award), Matt Gainey, Addison Livingston, Ben Noe, Steve Ranck, Buck Ray, Mickey Ritchie, Han Su, and Brian Teal.

—Sammy Sadik, 1st Vice Regent

Beta Epsilon Rhode Island

Beta Epsilon is proud to announce that we have had another successful semester as the fall semester draws to a close. Our pledge program, headed by Pledge Chairman **Chris White,** is moving along quite nicely, and the pledges are beginning to learn more about the true meaning of brotherhood. They are working together quite well, and acting like a true team. If all goes well, in another few weeks, Beta Epsilon will initiate ten new brothers.

This year, we decided to hold an all-night "lock-in" with LKS to enhance the traditional pledge program. This night proved to be very successful, with a great turnout from both the KΨ brothers and the LKS sisters. Most of the night moved along quite smoothly, with activities running all through the night. The evening began with a spaghetti dinner, which was followed by a food fight between KΨ pledges and the LKS pledges, while the brothers of KΨ and sisters of LKS observed. The pledges from both KΨ and LKS enjoyed the evening and worked together quite well, and was their teamwork which helped make the night a success.

We also carried out our professional project of the semester, Project Pumpkin, which also went quite well. We were able to help the elderly and disabled in the South County area with projects around their home that normally they would not be able to complete without a helping hand. All who attended would agree that this semestrial project gives great inner satisfaction of helping someone in need of our services which proves to be truly rewarding.

—Jonathan Crisostomo

Delta Lambda Campbell

As this spring semester begins I, on behalf of the brothers of Delta Lambda, would like

to wish all of you the best of luck in the coming year. We also hope that all of you had a great holiday season.

The last half of the fall semester was very productive. Our chapter had several service projects that were very beneficial. We had brothers and pledges visit Falcon Children's Home on Halloween. They put on a Halloween

carnival for the children there. Every Saturday our brothers have been working for Habitat for Humanity, helping build a home for a family that deserves it. Our chapter sponsored a blood pressure screening at a local drug store which was very successful. Also, our pledges picked up trash on our Adopted Highway.

Our chapter's pledges did a lot of fundraising during the pledge period. They put on a spaghetti supper, bake sale and a car wash. They raised enough money to buy a video camera and donate it to the chapter.

Congratulations go out to **Dina Hall,** Delta Lambda's Brother of the Month for September, and **Annette Graham,** Brother of the Month for October. They received these awards for their extraordinary work on the fundraising and service committees respectively.

Delta Lambda's visit to Falcon Children's Home at Halloween.

Delta Lambda's pledges clean up the highway.

Delta Lambda welcomed 23 new brothers into the Fraternity last semester. They are **Lynn Bass, Marcia Brackbill, Sloan Brawley, Tanya Byrd, Melissa DePaoli, Kelley Childress, Julianna Fine, Todd Franklin, James Gibson, Mike Griffin, Krista Hagan, Brookie Hogg, Cathie Huie, Laura Ivey, Shawn Jenkins, Matt Lanier, Robbie Lester, Greg Poythress, Eric Seals, Shaun Seufert, Rick Stansbury, Ed Thomas, and Hazel Williams.** Congratulations go out to these new brothers on their hard work and dedication to become Kappa Psi brothers.

Psi Tennessee

Our awesome pledge class had a very successful fundraising bake sale on campus. They have planned to do it again soon. Brothers got

together at Halloween to help out those less fortunate by trick-or-treating for canned goods. The food was given to the Memphis Inter-Faith Association to distribute to the needy. We also co-sponsored an annual Halloween costume party with two dental fraternities on campus. Profits from the party were given to St. Jude Children's Research Hospital.

The brothers of Psi meet a challenge from the brothers of Phi Delta Chi in a game of Paintball. Through the flying paint, we strengthened interfraternal relations with our fellow pharmacy students. Everyone had a great time and the battle of the fraternities may become an annual event. Psi brothers got together in November for a lasagna dinner at our faculty advisor's house. Thank you, Dr. Eoff! We really appreciate you opening your home to us!

We plan to celebrate the holidays with a Christmas party before everyone goes in all directions to spend time with their families. We look forward to seeing everyone again in January to start a new semester!

—Tara Pratt

Pittsburgh Graduate

The Pittsburgh Graduate Chapter extends a hearty Happy New Year to all brothers. The fall activities were continuous as befits the chapter, with a golf outing to raise funds for the scholarship, a series of meetings, attendance at the Province II assembly hosted by Beta Kappa in October, and the election and installation of new officers in November.

The chapter is pleased to announce the following officers for 1994 who were installed

at a fundraising spaghetti dinner at the Beta Kappa House on November 14:

Regent	Roger L. Wheat, Jr.
Vice Regent	Butch Coffman
Secretary	Robert Ruhlman
Treasurer	Daniel Wellhausen
Historian	Bruce D. Martin
Sergeant-at-Arms	Tom DePue
Chaplain	Cheryl Maszkiewicz

Regent **Roger Wheat** was elected for the fifth consecutive year to this post of responsibility. The entire chapter is indebted to him for his constant and loyal leadership. Any brothers residing in the Pittsburgh Area may contract Regent Wheat to affiliate with Pittsburgh Graduate. Contact him at RD 1 Box 268A Kittanning PA 16201. We welcome all brothers into fellowship and the chapter offers a regular newsletter, *The Pittsburgher*, edited and published by brother **Tom DePue**. This newsletter affords all brothers information about the chapter regardless of the ability to attend the regular Sunday meetings held monthly in Pittsburgh at the Beta Kappa house, at one of the suburban homes of members or at one of several of Pittsburgh's finest eateries.

The first Pittsburgh Graduate Chapter Scholarships were awarded during the fall semester to collegiate brothers who had filed applications with the secretary in the latter part of the spring. The Scholarship committee had deliberated during the summer on the awards and recommended the most deserving applicants to the chapter in the fall. Awards were made at the province meeting. Winning from Delta Epsilon was **Scott Edmondson** and from Beta Kappa was **Lisa Hanlon**. Both have been highly active in their collegiate chapters, held Regent status, and are congratulated for earning these awards which bestow not only a monetary sum but also the prestige and honor of accomplishment and recognition.

The twenty-plus members of Pittsburgh Graduate who enjoyed the Grand Council Convention at Marco Island, Florida, this summer reported to both the chapter members and the province on their part in the program. The chapter especially supports Grand Regent **Paul Hiller**, a member of our Province, as he ascends to the highest office in the fraternity and thanks him, Grand Vice Regent **John Grossomanides**, and Province Supervisor **Ed Sypniewski** for their return to the Province II assembly in October in Pittsburgh. Continuing to welcome grand officers to the regional meetings places local chapters and brothers in touch with the Central Office and Alpha Chapter and fosters enhanced fellowship with a relaxed knowledge of all brothers that the entire fraternity is in good hands of loyal brothers who are willing to use their own precious time to share their thoughts with others and to welcome comments and

suggestions for the betterment of the brotherhood. The assembly also recognized attendance by brothers from Iowa, South Dakota, Rhode Island and Indiana. Again, the call of brotherhood made a great impression on all attendees who deeply appreciate these visits.

At the October 22 Province II assembly Grand Regent Hiller presented his first certificate of appreciation to the Pittsburgh Graduate Chapter in recognition of the contribution to the Grand Council Convention in the form of sponsoring the volleyball tournament and providing the shuttle service for the brothers. A special pin to remember the events was presented to the coordinator, **Daniel Wellhausen**. Grand Regent Hiller also presented awards of merit to the province assembly coordinators, **Bridget Regan** and **Lisa Hanlon**, both of Beta Kappa. All are looking forward to the spring assembly to be hosted by Eta chapter in Philadelphia in February or March.

Brother **David Maszkiewicz** has accepted the challenge of being the liaison among all local chapters in the coming year. He will attend meetings of collegiate chapters and will learn how the Pittsburgh Graduate Chapter can enhance the activities of the chapters through cooperation and support.

As we enter the Spring season, Pittsburgh Graduate extends its best wishes for success in final examinations to the collegiate brothers and urges all graduate brothers to support each other and the collegiate chapters in every manner possible. The chapter is looking ahead to a possible Caribbean cruise in April or May and its continuing bowling outings as part of the action-packed programs. As always, we look forward to contact with all brothers in our region.

—Bruce D. Martin, Historian

Beta Upsilon

Butler

Our chapter held initiation on December 4, 1993. The new initiates are: **Lauri Black, David Corwin, Kristi Geiger, Niki Gish, Beth Harrah, Michelle Johnson, Dawn Kraus, Sarah Laswell, John Lehner, Dan Lynn, Mandi McLean, MaryAnne Miller, Nicole Minnier, Pam Moise, Melanie Munsinger, Jenny Patterson, Michelle Putera, Kim Perrella, Richard Poore, Brandon Ray, Amy Schmitt, Stephanie Shelton, Lori Short, James Snodgrass, Andrew Summers, Lynn Szabo, Jennifer Tiemans, Heather Tindal, Rachel Wollin, Alicia Yates, and Peter Zaleski.**

The new initiates were successful in their pledge activities. Their contributions included serving dinner at the Lighthouse Mission for the homeless and selling raffle tickets for an area mall shopping spree. We welcome them all to Kappa Psi. We are very excited to have them as Kappa Psi brothers. Best of luck to the new initiates!

Last semester was very busy for the actives. Several brothers from Pi chapter joined us for an Indianapolis Ice game. Everyone had a great time. Also, our chapter collected canned goods for the Lighthouse Mission. Thanks to everyone who helped out, especially the philanthropy committee.

We are planning many events and a fundraiser for the spring semester. We are all looking forward to the Province V Convention in March.

—Lisa Wenthe

Epsilon

Minnesota

We hope you all enjoyed turkey day and are looking forward to a much deserved

winter break. Congratulations for finishing yet another part of your pharmaceutical education.

Here in Epsilon country we haven't begun any new and exciting projects, but we have continued to work on our community projects. Under the magnificent leadership of Tia Crane and Joyann McChesney, the STD slide show talks in twin city high schools is in full swing. A recently added attraction is an AIDS videotape, which is helpful since we answer a lot of questions in this area. This year the pledges have been given the duty of organizing the pet therapy program; it is off to a slow start but is gaining momentum as the year progresses. This seems to be one of our most rewarding experiences as teams of brothers bring puppies from the Humane Society to nursing homes and long term facilities for interaction with the people who live there.

Another new idea being incorporated is for each pledge to think of at least one fund raising idea, viable or not. We'll see what they come up with in January at informal. Speaking of which, any and all interested brothers who would care to join us January 14, 1994, we will be congregating to informally initiate our new brothers. Please contact anyone in our chapter if you are interested in attending.

—Mary Claire Wohletz

Gamma Chi

Ferris State

We are proud to announce that all sixteen of our pledges have completed pledging.

Our officers for 1993-94 are:

Regent	Mat Garber
Administrative Vice Regent	Todd Belding
Executive Vice Regent	Janice Jones
Recording Secretary	Mike Burkhardt
Corresponding Secretary	Julie Koller
Treasurer	Dave Kaiser
Chaplain	Dave
	McDiarmid
Historian	Todd Nelson
Sergeant at Arms	Brady Murphy
Pledge Master	Christy Adair

Our annual Big Brothers/Big Sisters Halloween party was a great success. We are planning a blood glucose screening for the end of the first semester.

Many of the Brothers are feeling the pressure of the new semester system, so we have cut the number of activities we had planned for the end of the semester in order to devote more time to our studies.

—Todd Nelson

Beta Nu

Creighton

The Brothers of Beta Nu had a very productive Fall 1993 semester. We initiated 13 new brothers—**Jorge Avila, Matthew**

Baker, Carlos De Leon, Mark Harris, Michael Heskin, Jacqueline Hunter, Thomas Hunter, Heather Jones, Matthew Kreskin, Philip Kuper, Maya Leicht, Nikki Miller, and Michael Scotto di Palumbo, after an eight week pledge period. Thanks to all who helped make this pledge period very successful. We had social activities such as a barbecue at **Chris Ciminski's** house and a hay rack ride. We also had fun with Beta Chi when we met in Atlantic, Iowa for the annual

pated in the Juvenile Diabetes Foundation walk, Province VIII philanthropy project, and raised about \$200. We will also be collecting aluminum cans in the pharmacy building and designating those proceeds towards Juvenile Diabetes Foundation. **Michele Mokiao** and **Diana Rios** were selected applicants to join Creighton's ILAC Program this summer. They will be going down to the Dominican Republic this summer for 6 weeks to help the Dominicans improve their health care status.

Colston, Lamar Long, Joel McMillan, Tripp Morgan, Tracy Odom, Dwayne Pierce, David Prinzbach, John Smith, Steve West and **Whip Whipple** comprise the newest brothers of Gamma Phi. It is certain that our brotherhood will benefit from their involvement.

The Fall Quarter bi-annual blood drive had a record turnout and our brothers are to be commended for their participation. Thanks are extended to all of those involved. Also, thanks to **Chris Carbaugh**, the blood-drive chairman of Gamma Phi, for organizing the event. The Gamma Phi Chapter is proud to be the only fraternity on the University of Georgia campus to sponsor two blood drives each year. Other service projects such as donations to the Athens Animal Shelter and picking up trash along our adopt-a-mile have given the Gamma Phi chapter the opportunity to better serve Athens and help to maintain its integrity and beauty. Also, the brothers had a charity drive for the Athens Homeless Shelter and donations were made over the Thanksgiving and Christmas Holiday season.

It seems as though Winter Quarter is now upon us and will most likely prove to be as active. We look forward to another winning season for our intramural bowling and basketball teams. In addition, service and community projects will tend to keep us busy, as well as other activities we have planned.

We have just returned from the annual Province Assembly which was held at Mercer University. We are thankful to the Gamma Psi brothers for hosting the annual event. The brothers of Gamma Phi enjoyed the experience and we all feel that our brotherhood was strengthened from the event. We are glad we were able to take part in the annual event. Look for more details of the Province Assembly in the next edition of *The MASK*.

—Eric Macomson

PROVINCE IX

As the year comes to a close, and I look back in retrospect, I realize, in my former *MASK* articles, I haven't ever listed the professional affairs we do in Province IX. Here's the run down:

- Gamma Nu
 - Frequent hypertension screenings.
 - Petting zoos with abused children in shelters.
 - Actively participate in drug awareness carnivals, by having games for the children in relation to drug awareness.
 - Conduct retirement home visitations.
 - Participate in the American Heart Associations walks.
 - Conduct drug consultations at local pharmacies.
- Beta Gamma
 - Conduct drug counseling.
 - Run the ongoing geriatric awareness

Beta Nu's new initiates.

Half-way Party at the Dugout Bar. We also tried to instill community service in the pledges by having them help out at the local Salvation Army's weekly family night. The pledges planned activities that the families could do together. We also had them help the actives with our annual Highway Clean-Up.

The Beta Nu brothers were also busy with leadership activities. **Michelle Otto**, was appointed by Grand Regent, **Paul Hiller**, to sit on the Publications Committee until GCC 1995. Beta Nu had seven new initiates into Phi Lambda Sigma—**Tom Carey, Carlos De Leon, Amy Friedman, Wendy Mills, Stephanie Rice, Diana Rios**, and **Diane Schuetze**. We would like to congratulate Diana Rios on her re-election as the president of Creighton University Latin Student Association (CULSA). We would also like to congratulate **Tom Carey** who was appointed Director of Pharmacy for the ILAC Program. At Conclave, **Tom Carey** was elected to the position of Province Chaplain. Congratulations!!!

Our semester was also filled with community service. We are participating in a new program at Creighton University called "Christmas Spirit." We will be sponsoring the Omaha Youth Care Center by giving them \$100 to buy what they need. We also partici-

Also joining them will be **Tom Carey**, ILAC's Pharmacy Director.

We would also like to thank the Brothers of Delta Zeta for a great Fall Conclave at Brookings, South Dakota. It was nice to personally meet **Paul Hiller, John Grossomanides, Bob Magarian, Brian Reisetter**, and our new Province Supervisor **J. Michael DeWeese**. The weekend was fun and memorable. We would also like to congratulate **Chris Ciminski** on her engagement. Way to go Ski!!! We will always remember Fall 1993 Conclave with fond memories.

—Carrie Matsumoto

Gamma Phi Georgia

Greetings from the Gamma Phi Chapter. I would like to take this time to reflect on Fall Quarter 1993. The brothers here in Athens kept busy with fall rush, fund raisers, service projects, community service and various social events.

First of all, congratulations are extended to the Fall Pledge Class. We are proud to welcome these twelve new brothers to Kappa Psi. It is certain that these twelve young men will certainly be an asset for the future of Kappa Psi. **Kyle Banks, Stetson Bennett, Wesley**

project, in which they talk with geriatric patients and explain to them how to take their drugs, and do other consulting.

- Conduct an ongoing lung cancer project, which is educating children of the causes of lung cancer. They often go to schools, and give talks, slide shows, hand out literature, and answer questions.

Gamma Rho

- Help out with “health care for the homeless,” which is a nonprofit organization, that dispenses medication to the homeless.
- Sponsor AIDS awareness projects, that include literature, ribbons, and education.
- Conduct bake sales for alcohol awareness, and put logos on cars regarding alcohol awareness.
- Recently had a party for the Ronald McDonald House siblings. They did this in an effort of cheering up the neglected siblings of the sick children. They are planning on making this an ongoing project.

Gamma Upsilon

- Participate in the “Breathe Easy Olympics,” that is put together by the American Heart Association.
- Run brown bag programs at retirement homes.
- Helping with the “Save the Arizona Poison Center,” by conducting a letter writing program, in an effort to put it on the ballot.

Hopefully this gives you a brief description of the professional affairs we run at Province IX.

—*Jim El-Bissat, Province IX Historian*

PROVINCE VIII

The Province VIII fall conclave meeting was held November 5–7 in Brookings, SD with 110 brothers in attendance. A big thank you to **Scott Deckert, Rob Quenzer** and all of the brothers at Gamma Kappa for a great weekend. Special thanks to **Paul Hiller, John Grossomanides, Brian Reisetter, Mike Deweese, Bob Magarian, Dan Wellhausen** (Pittsburgh Grad), **Mike Graubart** (Providence Grad), **Michael Steffens** (Illinois Grad), **Gary Van Riper** (GCD—Gamma Kappa) and **Ed Magarian** (GCD—Beta Sigma) for attending and helping Province VIII celebrate Gamma Kappa’s 35th anniversary.

The weekend began Friday with neon night where the brothers were able to display their more creative side by decorating each other with highlighters. The weekend then continued Saturday morning with the Province VIII meeting and ended with our banquet and toga party.

Much was accomplished at the meeting. The second issue of the Province VIII newsletter “The Peanut Gallery” was distributed to each

of the chapters. A committee was formed to work on improving the newsletter to make it more readable. Those individuals that ran for office in Marco Island were recognized with a special congratulations to **Brian Reisetter** who was elected Grand Ritualist. New officers were also elected.

Satrap **Alan Reither** (Gamma Kappa)
 Vice Satrap **Wayne Walls** (Nebraska Grad)
 Historian **Christy Askew** (Epsilon)
 Chaplain **Tom Carey** (Beta Nu)

Congratulations to the new officers and thanks to the outgoing officers for all of your hard work.

Province VIII would like to give a big thank you to **John Grossomanides** for being our Province Supervisor for the past two years and for making it to all of our Province assemblies. We would also like to extend a warm welcome to **Mike Deweese** as our new supervisor, we look forward to the next couple years.

On a final note, congratulations go to the brothers of Beta Sigma who won the traveling trophy for having the most brothers in attendance at the meeting. The next Province VIII meeting will be hosted by Beta Sigma on April 15–17 in Fargo, ND. Hope to see everyone there!

—*Christy Askew*

Gamma Omicron Oklahoma

The semester of fall 1993 began with a bang and has been flying ever since. Gamma Omicron has been very busy with several activities, and trying to find the balance between school and Kappa Psi has proved difficult but not impossible. The Seventh Annual Golf Benefit, Rush, Pledgeship, You and Your Meds program, and the Planning for Province VII '94 have been the major events that the members of Gamma Omicron have undertaken to promote the Profession of Pharmacy.

The Seventh Annual Golf Benefit and Kappa Psi Rush surpassed all our hopes. The Golf Benefit raised over three-thousand dollars for the Muscular Dystrophy Association, and it was a great round of golf. Rush was an enormous task which involved many man-hours, and everybody pitched in to help. All of the effort from Rush enabled Gamma Omicron to have 48 new members!!!!!!!

Congratulations to the new members: **Jan Abbott, Tiffany Black, Lorena Carroll, Becca Chase, Patrick Corbin, Pham Do, Cathy Dowdy, Lisa Duhon, Ginger Eakens, Angela Fuller, Robert Harkey, Brad Harrison, Wendy Harrison, Molly Helt, Adam Hignite, Chris Isbell, Joy Johnson, Brian Jones, Rodney Jorstad, Lily Kwan, Hung Lam, Angela Le, Chistina Le, Susie Mason, Christine Morgan, Minhda Nguyen, Teresa Ozmun, Italo Pennela, Tim Phan, Son Pham, Marc Rafferty, Jason Redwine, David Richards, Rick**

Ross, Oleta Sessions, Julie Shehadeh, Julia Shuberg, Troy Simons, Pat Smith, Jason Sutton, Anthouny Ta, Staci Teape, Anu Thomas, Annette Tully, Jamie Warrens, Brian Welch, Melissa Willingham, and Dr. Maria Lambros.

Pledgeship lasts eight weeks during which several events take place such as the BIG BARN BASH (BBB). The BBB was a party held to fulfill several goals. First, the BBB was a place to hold pledge interviews so the brothers could get to know the pledges much better. Second, the BBB was held so the pledges could get to know the members and learn about Kappa Psi. Finally, the BBB was a good atmosphere to perform funny skits and relieve stress from school.

Gamma Omicron chapter has the privilege of hosting Province VII 1994. This will be an experience to remember! Activities will include an excellent party upon arrival, horse racing at Remington Park, and seeing the wonders and sites of Oklahoma City. The official dates and times will be forthcoming. Don't miss it!

Since this is my last article, I thought I would thank some of those who went beyond the call of duty to promote Kappa Psi and the four corners in 1993.

Jeff, thanks for masterminding the Golf Benefit; **Tammy**, thanks for coordinating the pledgeship and the big barn bash; **Robie**, thanks for adding up the numbers to keep the books straight; **Jason**, thanks for selling the hot dogs and hamburgers and other work to raise \$\$\$; **Corey**, thanks for making the videos; **Debbie, Phoung, Elizabeth, and Dr. Seifert**, thanks for organizing the “You and Your Meds” program; **Kelly and Wayne**, thanks for leading the chapter; **Becca**, thanks for your hard work as one of our secretaries; Gamma Omicron, thanks for all your support!!!!!!!!!!!!!!

Delta Delta Houston

Greetings fellow brothers! The Delta Delta chapter had a busy semester with pledging and our service projects. We started the fall with officer elections. The following brothers served as officers:

Regent	Ken Schwartz
Vice-regent	Kathy Cross
Secretaries	Paige Roberts and Nicole Stevenson
Treasurer	Jennifer Hembree
Treasurer-elect	Kristi Barker
Historians	Karla Evans and .. Robert Nunan
Chaplain	George Larach
Sergeant-at-Arms	Robert Pringle
Pledge Trainers	Holly Brown and .. Jenny Griffin

We started rushing with a hamburger cook-out for 1st year students and served over 150

Erik Muser, graduate Bill Fitzpatrick, Paula Peters, Steph Bruemmer, graduate Leonard Naeger, and Rich O'Neal (sitting) at March of Dimes "Jail."

people. We then held a pub party at one of the local taverns and ended up with 24 pledges. With all of the changes going on in fraternities and pledging, we took a hard look at things and started making changes to cope with the future. We were able to implement many of these changes and are optimistic about the future of Delta Delta. We are looking forward to the model pledge program being developed by the national office as a reference for the future.

Our professional chair, **Jeanne Horner**, kept us busy with several great projects. We held two blood drives and the units of blood collected were donated to a young pharmacist undergoing multiple transfusions. Our next project was in collaboration with "We the people" where the brothers along with 100 other volunteers cleaned up downtown Houston. We spent the Saturday picking up trash around the homeless peoples cardboard boxes/houses and the surrounding streets. Our last project was a Christmas toy drive for children with AIDS. The professors even helped out by offering extra credit to ALL students who gave a gift.

Our final social event for the semester was a party in honor of the December graduates. The brothers of Delta Delta would like to recognize the following graduating seniors: **Susan Bolton, Jamie Bouma, George Larach, Kelley Messina, Tim Nguyen, Nivia Sanchez, Ken Schwartz, Chris Sosebec, Turmaine Thompson, Thomas Tran, and Thuy Anh Truong.** Congratulations brothers and good luck in the real world.

Gamma Pi St. Louis

Happy New Year from Gamma Pi! We've finished off a successful year and look forward to an exciting 1994.

Back in November, we held our 1st Kappa Psi Date Party. We met some new people and picked up a few phone numbers along the way. Thank you Erik and Sandy for planning this evening and making sure everyone enjoyed themselves.

On November 30th, Gamma Pi held our annual Open Forum. We sponsored a dinner and party for prospective pledges. This gave us a chance to show them a thing or two about Kappa Psi. A historical review was presented, along with some one on one interaction. Thanks to **Judy** and **Tiffany** for making this night successful, in what hopes to be a 3rd consecutive 25-plus pledge period.

In the Fundraising category, Gamma Pi sent invitations to the parents of 1st and 2nd year students asking them to send their "favorite student" a Finals Fruit Basket. Included in these baskets were: apples, oranges, grapefruits, pears, and bananas. It cost \$15/basket, and let parents show their support during semester finals. Congrats to the Fundraising committee for their hard work and creativity.

In the Professional scene, we visited Frazier Nursing Home on December 1. We decorated for Christmas, sang songs, and played bingo once again! Mrs. Frazier fixed a terrific dinner that everyone appreciated. It was great to have a meal to prepare us for Christmas break at home.

Gamma Pi would like to thank graduate

brother **William Fitzpatrick** for setting up the March of Dimes Drive. Gamma Pi brothers were placed in "jail" and forced to raise money for bail that was dedicated to March of Dimes Muscular Dystrophy Foundation. Gamma Pi raised approximately \$400!

One upcoming event is SMOKER on January 19th!!! We invite any graduates to come out as this always tends to be a fabulous night. If you would like more info about this, call Erik at (314) 533-9303.

On a final note, I'd like to thank the 1993 officers for their dedication and time spent on Gamma Pi. I'm sure the new officers will follow in their footsteps!

—Rich O'Neal, Historian

Delta Gamma Auburn

Fall quarter is flying by and Delta Gamma brothers have been busier than ever. We started the year with a trip to Gatlinburg. Here, we "attempted" to white water raft, planned upcoming activities, and left with enough enthusiasm about the new year that we could hardly wait for classes to begin. Well, that may be a little exaggerated, but nevertheless we were quite excited. The officers presiding over the 1993-1994 school year are:

Regent
Vice Regent
Secretary
Treasurers

David Stapp
Tiffany Foster
Heidi Geyer
Kerry Witek
Stacey Young
Giner Chapman
Amanda Williams
Brandon Rains
Bill Weatherford

Historians

Chaplain
Sergeant at Arms

Of course, one of the biggest features of the Fall quarter is rush. It all began with an informal party that allowed the pledge class to meet the brothers and ask questions about Kappa Psi. Next was the formal party held at Grand National Golf Club. Here, the new class watched a video of the past year events,

Delta Gamma in the Great Smoky Mountains.

and some of the officers talked about Kappa Psi and the Delta Gamma chapter. A pledge party and a scramble party were the final social activities held before initiation, which will be held November 30, 1993. We are proud to announce that thirty-five pledges have chosen to be a part of Kappa Psi. Our pledge trainers have done an excellent job of planning and organizing all of the rush activities. The 1993-1994 pledge trainers are: **Jennifer Maise, Shonda Harris, Ashleigh McKee, and Eric Denenberg.**

On December 3, 1993 Kappa Psi hosted the Pharmacy School Christmas Party. This was our last social event before the dreaded week of finals.

Beta Psi Fall 1993 initiates: Front Row (L to R) Dana Malueg, Kim Albert. Second Row: Dan Marn-Hong Lam, Jonathan Strom, Jon Smith. Third Row: Chris Bjerke, Cheryl Wozniak, Diane Laatsch.

Last but not least, congratulations to **David Stapp** and **Charles Taylor** on admittance into Phi Lambda Sigma.

—Ginger L. Chapman

Gamma Kappa South Dakota State

The Gamma Kappa's would like to congratulate the newest brothers to our chapter. They are **Terry Adams** and **Michael Sweany**. The outstanding pledge for fall 1993 went to **Michael Sweany**.

The brothers were busy in November hosting the fall 1993 conclave in Brookings. Thanks goes out to everyone who helped and participated. We are also saddened by the

loss of our traveling trophy. Not to worry though, for its return onto our bare shelf will be in the spring.

The Gamma's were also busy with our juvenile diabetes project. This semester we raised money with a dice roll. It works like this. A patron rolls a dice. Whatever number appears on the dice, you win that prize. The brothers earned over one hundred dollars with this event.

Elections took place in November also. The new officers are as follows:

Regent
Vice-Regent
Secretary/Corr. Sec.
Treasurer
Chaplain
Historian/Pledgemaster
Sergeant-at-Arms
Professional Mtgs. Chair
Social Chairman
Grand Council Deputy

Robert Quenzer
Paul Bullerman
Mike Jockheck
Mark Schneider
Scott Deckert
Mike Sweany
Mike Wold
Jeff Lembke
Nick Bobiney
Gary Van Riper

Congratulations also goes out to two graduating brothers, **Charles Edinger** and **David Smahel**.

—Scott B. Deckert

Beta Psi Wisconsin

On November 20th we initiated eight new members into our family: **Kim Albert, Chris Bjerke, Diane Laatsch, Dana Malueg, Dan Marn-Hong Lam, Jon Smith, Jonathan Strom, and Cheryl Wozniak**. It was great to see Brothers from Pi, Gamma Delta, Gamma Pi, and Epsilon, plus the returning Beta Psi alumni, who all made the trip to make it a

special weekend for the new initiates and everyone here. Congratulations are also due for brother **Chad Rindy** who graduated in December.

Our annual Halloween Costume benefit, which combined our social and professional programs, raised over \$600 for UNICEF. It was a fun night for people to take a break from school, have fun, and look their ugliest or scariest. Other fall activities included donating time for holiday gift wrapping to raise money for MDA, pumpkin carving, movie night, and football. The Beta Psi co-ed football team had a great season losing only in the championship game. Now winter is well underway here and we look to indoor sports such as co-ed volleyball. The beginning of winter also signaled our annual fun bus and treeing the first weekend in December.

With the spring semester getting off to a quick start, many events and projects are well underway. In particular, planning of the 75th Anniversary celebration of Beta Psi is in its final stages. Everyone is reminded to mark June 3rd to the 5th on their calendars for this event. We invite all Kappa Psi brothers to join us here in Madison that weekend. Any questions about this event can be addressed to the Beta Psi house: 615 N. Lake St., Madison, WI 53703. (608) 257-4292.

PROVINCE V:

The 1993 Province V Midyear Convention was held in Buffalo, New York on October 1st, 2nd, and 3rd. The officers that were present were: **Satrap-David Donley**, Secretary/Treasurer-**Adam Gross**, Historian-

Province V Brothers pose at Niagara Falls.

Province V Brothers in their Niagara Falls rain gear.

Karl R. Fruehauf, Chaplain-**Pat Smith**, Supervisor-**Brian Furbush**, and Assistant Supervisor-**Brian Reisetter**. The long distance award goes to **Mr. & Mrs. Pat Smith** who came from Scottsdale, Arizona to accept this award despite recently coming back from a honeymoon in Hawaii. The Brotherhood award goes out to the Brother from Connecticut who, despite being from Province I, preferred attending a midyear convention to doing yard work. Beta Psi was just edged out for the most brothers in attendance by the host chapter Gamma Iota.

On Saturday October 2nd, the brothers converged at the University of Buffalo's School of Pharmacy to hold a business meeting. Proposed province local ordinance changes were discussed. We will vote on them at the Province Convention this coming March. All chapters in attendance were given the opportunity to make announcements concerning chapter events upcoming. **Brian Furbush** and **Brian Reisetter** both talked a little bit on their recent election as national officers and what changes they see in the near future. Everyone had a chance to visit the pharmacy school's newly opened apothecary. After partaking of Buffalo chicken wings for lunch, the consensus opinion was to go visit Canada and see Niagara Falls. The daring even ventured onto The Maid of the Mist to experience the falls close up. The evening was spent exchanging pleasantries with Gamma Iota pledges. What more could you ask for? Suffice it to say that I had a great time because the fraternalism was there. I hope to see you all at the next Province Convention in March on the 25th, 26th and the 27th in Toledo, Ohio.

—Karl R. Fruehauf, Historian

Buffalo Graduate

Our new officers for 1994 which were elected on October 5, 1993 are:

Regent
Vice-Regent
Secretary/Treasurer
Chaplain
Historian

Terrence Fullerton
Aaron Burnstein
Ann Fuoco
Darren Ferer
Karl Fruehauf

Our current undertaking involves planning a continuing education day on Saturday February 19th. This will be very similar to last year's event. We will be enlisting the talents of five Pharm.D. Brothers who have all formerly played significant roles at State University of New York at Buffalo School of Pharmacy. We are striving for about 5 hours of continuing education at our day long event. All are welcome to attend.

I would like to recognize all the past officers for a job well done. Through their continued time and support, this chapter can be proud of its past and look brightly to the future. I feel a bit foolish saying this, but I will. Brotherhood is for life. How many of you have pondered this recently? I am proud to say that we have some of the most dedicated brothers this side of Lake Erie. Why does no one begrudge the sun for daring to shine? That's simple. It has no thought processes to conceive of doing anything else. On the other hand, a person has limitless options to choose from. A brother who dares to shine brightly is truly a brilliant image to behold.

Beta Gamma

UCSF

A hectic quarter of Beta Gamma rush events is over! The chapter had a great turnout for the planned rush events this fall. Everyone gorged themselves during the Annual Chili Night and the Kappa Psi Ice Cream social. Our Halloween dance was also a great success despite major midterms the following Monday! Our thanks go to the many Kappa Psi alums who helped these events run smoothly.

Regent **Sandra Yamaguchi** recently announced that our Tahoe Ski trip is confirmed for early January. We are looking forward to the break.

Chi Chicago

What an exciting end to a great pledging period!

After five weeks of getting signatures and fulfilling other pledging requirements, 43 new brothers were initiated into Chi Chapter at the Terrace Restaurant in Lombard on November 19. A hearty welcome and congratulations go out to:

Gary Ahrendt, **Nancy Algranati**, **Parul Baxi**, **James Bana**, **David Bearden**, **Patti Byrne**, **Margaret Byun**, **Carrie Cheff**, **Yong-Taek Chon**, **Jeanette Chun**, **Nhan Dang**, **Kshama Dekhtawala**, **Brett Geiger**, **Dana Fox**, **Sharon Huang**, **Tae Joon Huang**, **Kathrine Hughes**, **Gerard Hunter**, **Leilani Kohley**, **K.C. Kuk**, **Ian Liu**, **Shvawn McPherson**, **Mae Medenilla**, **Pamela Moss**, **Michelle Obrochta**, **Adebisi Ola**, **Lisa Pak**, **Anju Patel**, **Manisha Patel**, **Tejas Patel**, **Beth Polyak**, **Christiana Roach**, **Seonyoung Ryu**, **Dee Dee Schmitt**, **Thomas Shao**, **Chris Sikes**, **Jeff Schwartz**, **Brad Teo**, **Mina Tse**, **Toia Sappington**, **Mike Vela**, **Bill Virmond**, and **Barbara Yim**.

You guys did a GREAT job and made us proud!!!!

Kudos also go to our Vice Regent/Pledge Master, **Debbie Testolin**, for a job well done. Thanks also to **Dr. Waller**, Chi's Grand Council Deputy, for opening his house up to Chi actives and pledges on October 22 for an annual get-together, and to **Vinny Paul** (House Chair) and **Chris Sikes** (new brother) for hosting the yearly Halloween party at their apartment on October 29. Everyone who attended had a lot of fun!

As the semester winds down and we all begin to worry about finals and look forward

The Brothers had the privilege of returning to a freshly revamped house at the end of the summer, complete with new paneling, a refinished hardwood floor in the living room, and rewaxed floors throughout the house. Special thanks go out to our House Manager **Brian Cribb**, and Brothers **Kris Watson**, **Brian Marks**, and **John Williamson** for their hard work put into keeping the house in excellent shape over the summer.

Beta Kappa Pittsburgh

We have 14 new pledges in the process of learning about the brothers, the traditions and the importance of Kappa Psi. So far, they have helped volunteer with the brothers at nearby Family House, painted the basement of the house in preparation for Province II Assembly and served the Pittsburgh Graduate chapter spaghetti dinner at the house. We look forward to calling them "BROTHER."

Province II Assembly stirred up many active brothers from around the nation. In addition to Grand Council Officers **Paul Hiller** and **John Grossomanides** we were proud to host brothers from chapters as far away as North Carolina, Iowa, Rhode Island, South Dakota and Indiana. Thanks to all who attended and participated in the costume party. A special thank you goes out to brother Bridget Regan for planning the event and to brother **Dave Maskiewicz** for his extensive detail in decorating the house for Halloween.

The Halloween fun didn't stop in Pittsburgh however for the brothers of Beta Kappa and Beta Eta. The very next week we took 9 brothers and 7 pledges to Morgantown, West Virginia for another night of "ghoulish fun." After stopping off at Beta Eta's GCD's house to change into outfits, we headed to the costume party where the house was so overflowing with brothers that we had to step outside on the deck and into the yard. Once again the brothers of Beta Eta showed us no less than an outstanding good ole' time. Special thanks goes out to brothers **Julie**, **Shane**, and **Rick** for putting us up and putting up with us for the night.

Up and coming events for Beta Kappa include pledge initiation, annual Holiday party, Western Night at Family House and our 2nd annual weekend ski trip to Hidden Valley Ski Resort. In the plans for next term also includes the 1st annual Dance-A-Thon to raise money for Family House. Regent **Lisa Hanlon** is the chairperson of the organizing committee for this multi-campus event including the University of Pittsburgh, Chatam College, Duquesne and Carnegie-Mellon University. The organizing of this event comes on the 10th Anniversary of Beta Kappa's volunteer involvement with Family House.

to the Christmas break, Chi has begun planning for the coming year. Some of the activities on our agenda include Christmas caroling at a local hospital, hosting a Superbowl party for Chi (and other Kappa Psi) alumni, the annual blood pressure screening on UIC's East Side Campus, our continuing quest for a chapter house, and decorating our display case in the College of Pharmacy, just to name a few. It promises to be a busy, but exciting and fun-filled semester. Happy holidays to all Kappa Psi brothers from Chi Chapter in the Windy City!!

Beta Xi North Carolina

The brothers of Beta Xi closed out the semester last spring with our Spring Formal, which was held in Asheville, N.C. The weather, scenery, and festivities were all wonderful. The band Cream of Soul provided live music, and even our Regent, **Mark**

Brown, got up on stage and sang a few tunes.

During the first month of this fall semester, Beta Xi has been very busy and active. Our rush parties were a major success, bringing many people out to our house to see what our organization is all about. We have just recently initiated six pledges, who were obviously impressed by the brotherhoods' sense of professionalism, unity, and leadership.

Speaking of leadership, several Kappa Psi brothers here at Beta Xi have recently won elections for offices in the UNC School of Pharmacy. Congratulations to:

Brandon Maddox	3/5 class President
Dale Patterson	4/5 class President
Bryan Haas	4/5 class Vice President
Charles Ingram	4/5 class Secretary/Treasurer
Tim Morley	5/5 class Secretary/Treasurer
Phillip Bozovich	5/5 class Vice President
Emily Pulley	Secretary of Senate
John Williamson	Treasurer of Senate

In the early fall, our 1st Annual Volleyball Tournament was a huge success. Fun was had by all including medical and physical therapy students. We are already looking forward to next year's tournament and to making it a popular annual event.

In October, our chapter hosted an Internship Information Night which was open to all interested pharmacy students to receive various information and get a better idea about the opportunities that are available thru internship programs. October was indeed an exciting month for us as new officers were inducted and 27 new members were initiated into our chapter.

Before Thanksgiving break, we held one of our traditional cup nites at a local bar which was well deserved by all and attracted a large crowd. Another one is in the planning stages and proceeds from the event will be put towards funds for the college's yearbook.

Eta

Philadelphia

Hello from all the brothers at Eta chapter. The brothers at Eta are currently very busy. We are currently holding a pledge class for the fall of 1993 and are rushing for our

pledge class in the spring. We would like to thank the brothers at West Virginia for holding the province II meet last spring. Our attending members had a great time. We are looking forward to the next province meeting in Pittsburgh, and we hope all province II chapters come to the spring 1994 meeting Eta is hosting.

Michael Duncan

Gamma Nu

Pacific

What is new at the Gamma Nu chapter? To start with the welcome addition of 34 new sisters. The sister rush was an exciting time. Halloween presented many interesting costumes and a good time for many people at the party. In November the potential new sisters enjoyed the wine and cheese. After the wine and cheese the new pledges showed their loyalty to Kappa Psi by signature books, study night attendance, presentation of treasure hunt items, and finally rush night. Each brother at Kappa Psi Gamma Nu chapter has each a new sister. Otherwise there is not a whole lot going on at the Gamma Nu chapter besides getting ready for finals; good luck to those people.

Gamma Delta

Ohio Northern

We are now ready to start another quarter here at Ohio Northern. During the fall quar-

ter, we took seven pledges. We all believe that these gentlemen will turn out to be great brothers. We are trying out a new pledge program with some success. We have had some brothers visit other chapters, to bring back some ideas of pledging and when they go through. We are trying to incorporate some of these ideas and some of our traditions to create a new way to end their pledgeship.

On Halloween, we had a successful costume party with two other sororities. We are awaiting our Half-Way Party that is going to be held on January 14th. We hope we saw visiting brothers here in ice-cold Ada. We are now making our final arrangements for our Winter Formal, which is going to be held in Toledo this year. We are still looking for places to go as a brotherhood for our Spring Fling, if you have something planned or an idea, we would appreciate some different activities. We are all looking for reasons to get out of Ada, so if you have an event or party please let us know, we would have some brothers who are willing to go.

Professionally, we do Adopt-A-Highway twice a year. Weekly, we do blood pressure screenings at fellow brother Jim Turner's drug store.

Hope to see you all at the Province V convention in Toledo, and the APhA annual in Seattle.

—Jason Rawlins

The Final Word

Brian Furbush, Grand Counselor

"Enthusiasm is Contagious." How many times have you heard this quote? I've seen it written in sports magazines, business management journals, and even, yes, The MASK of Kappa Psi. Despite having seen or heard this quote in a myriad of contexts it would seem it is most applicable to large organizations similar to Kappa Psi. "Enthusiasm is Contagious"-what exactly does that mean? how does it apply to an organization like Kappa Psi?

As a health care provider the first thought that comes to mind when I see or hear the quote, "Enthusiasm is Contagious," is a pathogen going from host to host infecting each along its way. Enthusiasm can be equated to a pathogen. It seems when one or a few individuals become enthusiastic it spreads throughout the group. In an organization enthusiasm can be a beneficial "disease." Enthusiasm will allow you to accomplish

goals that may otherwise have been too lofty for a few individuals to achieve. This is how enthusiasm benefits Kappa Psi-goal achievement. Can enthusiasm, though, be a detrimental pathogen to a chapter? Does it sometimes need to be quarantined?

When you examine any chapter of a Fraternal organization you see that it is made up of various individuals. Particularly with Greek Societies, the sum of the parts is equal to the whole. You should always bear in mind: the Brother is not the chapter, the chapter is the Brother. Before anyone is a Brother in Kappa Psi they are an individual with their own acquired or inherited beliefs and values. The purpose of Kappa Psi is to allow each member the chance to appreciate and embrace the goals and ideals of our Fraternity. Each of us went to college with our own value system and each of us will leave this world having gotten from Kappa Psi what we thought was important or good. No two people will get the same thing from Kappa Psi because no two people are the same.

Each chapter in Kappa Psi Pharmaceutical Fraternity has the constitutional right to remove a Brother from the rolls of the Fraternity. A chapter may expel a Brother from the Fraternity for conduct that is unbecoming to the Fraternity. Included in this term is the refusal of a member to pay dues. Not included in this term is the right to expel a member because they don't take the same active participatory role that other members do. In his or her own way that member may be getting something from Kappa Psi that you don't see; each of you gets something different from membership. Ask yourselves what you have done to motivate that individual. Not everyone is a self-starter, some people need solid leadership. Carefully examine what you have done for this person before you utilize your Constitution and the long judiciary process that expulsion demands.

Don't let your contagious enthusiasm become the plague for someone else.

Bill Fitzpatrick Receives First Annual Award For Innovative Practice

Bill Fitzpatrick, owner of Fitzpatrick Pharmacy in Ellisville, is the 1993 recipient of the DuPont Pharma/Merck Innovative Practice Award, presented this year for the first time.

The award was developed by DuPont Pharma/Merck in cooperation with the National Council of State Pharmaceutical Association Executives to honor pharmacists who are on the leading edge of pharmacy practice.

Fitzpatrick has pioneered new and innovative packaging systems and delivery systems for long-term-care practices. He has developed new methods of delivering information to patients, including a patient resource center in his community pharmacy. Also, he has supported innovative pharmacy practices by assisting in the development of unique public policies that will pave the way for more personal interaction and use of pharmacists' talents in the development and implementation of pharmacy practice.
