

The **MASK**

Of Kappa Psi Pharmaceutical Fraternity

VOLUME 92 NO. 1

SPRING 1995

**Sunrises, Sea pines
and the best
of Brotherhood**

*Don't miss Kappa Psi's
47th Grand Council Convention.
More details on page 8!*

The Present

Paul J. Hiller
Grand Regent

The past is history, the future is a mystery, today is a gift, that's why it's called "the present." I heard

this saying while in Miami Beach this past December for the ASHP meeting and concluded that it was a pretty accurate statement.

The past, with all of its successes, failures and mistakes is gone and unless you have the power of Carnac, no one is sure of what tomorrow may bring. That leaves the "present." What are we going to do with "the present" and how is it related to the past and the future? I suggest that we learn from the past and use "the present" to plan for the future and, by so doing, hopefully make tomorrow a little less mysterious.

As Kappa Psi Brothers many of us are already planning: planning on graduating, securing a paying position, going to APhA, going on spring break, attending Province Assemblies and **hopefully** planning on attending the 47th GCC in Cape Cod in August of 1995.

Regarding the GCC, no need to worry that you may be a "rookie" or that your Chapter has not been represented on a regular basis. The Brothers will definitely make you feel welcome! I know this to be true because in 1972 I was a rookie and my Chapter had not attended a GCC with any regularity. Yet, two Brothers and myself ventured to Kenner Junction, LA for the GCC. Not only were we made welcome, but friendships actually evolved which last to this day. Believe me when I say that the professional, social and fraternal atmosphere surrounding this international event is truly outstanding!

This year another outstanding program is being planned and I have no doubt that it will be successful. How successful depends to a large degree upon each of us. Because the GCC is a meeting of delegates from collegiate chapters, graduate chapters and provinces, **to be truly representative, a delegate from each chapter and province must be present.**

Our predecessors made provisions to ease the financial burden of the collegiate delegate by providing reimbursement for one round trip super saver air fare to the convention site. This does not mean you have to fly (boats, trains, cars, bicycles are acceptable) but it is how the reimbursement is calculated. Should more than one member of the Chapter attend, the delegate frequently divides the reimbursement with those attending from the Chapter. As I see it, unless there are extenuating circumstances, **no collegiate chapter should be without live representation!**

Having spoken with many of you, I know you are eagerly anticipating this gathering. *Now* is the time to use "the gift," "the present." **Plan to attend today!** Talk to your employer, check that check book, make a commitment! As one former Grand Regent remarked: "To fail to plan is a plan to fail!"

Those Brothers, collegiate and alumni, planning to attend the APhA Convention in Orlando in March are cordially invited to stop by the booth as 223 of your colleagues did in Miami Beach. You are also invited to the Kappa Psi reception scheduled for Sunday, March 19, at the Orlando Peabody at a time to be announced. The Executive Committee will be conferring the Fraternity's highest award to a worthy recipient.

Should we miss one another in the next few months, I'll see you at the Cape!

Fraternally,

Paul J. Hiller

A New Dawn is Coming

A new dawn is coming or should I say arrived. The new kid on the block is on the job with all the nervousness and butterflies you could imagine. I can truly say it is an exciting time for me and I hope it will be for you.

As you can tell from this first issue, not much has changed in the look or content of our magazine. But in the future I will be trying new ideas and suggestions. If you have any please let me know. After all, it is really your magazine. You need to make comments, both good and bad, in order for THE MASK to grow and move forward. THE MASK is a constantly evolving piece of the fraternity and you can help shape it. Please try.

I hope my first issue will be enjoyable for you. It has been rather scary to begin work from scratch and wait for it to hatch. I hope you like this baby!

Fraternally,

Johnny

Attention Collegiates

Fund Raisers

Chapters are always looking for new ideas for fundraisers and I thought it would be of great interest to feature these different ideas in the issues of THE MASK. My thought is to have various chapters across the nation submit any unique fundraiser that they have and list a contact name that can be called for further details. It will then appear in THE MASK. If you would like to discuss this idea further, please give me a call. I can be reached at (402) 895-3711 or 7209 S. 140 Ave., Omaha, NE 68138.

—Michelle Otto, Beta Nu

Non-Alcohol Parties

Several chapters have sponsored non-alcohol parties using various themes which increase the interest of the participants in a focused area and reduce the emphasis on alcohol. I would like for each chapter having success in this area to drop me a line and let me know the successful themes used, methods used to advertise the event as "alcohol free," etc. I will try to combine the information and make it available in THE MASK.

—L. Naeger, Grand Historian

Mississippi Professor is Tops in the State

University of Mississippi Pharmacy professor **Mickey C. Smith** has been named that state's 1993 Professor of the Year by the Council for Advancement and Support of Education in Washington, D.C. The award is given annually to one instructor per state.

Smith joined the Ole Miss faculty in 1966, after two years as marketing manager for the U.S. Office of Pharmacia Laboratories. He became a full professor in 1970 and served 12 years as chairman of the department of pharmacy administration.

He has written 12 books on pharmaceutical marketing and patient care which have helped establish him as one of the nation's premier scholars in the field. Contributing to his renown as the nation's guru of drug marketing are his 400-plus papers in more than 100 different research journals, as well as the fact that he edits the *Journal of Pharmaceutical Management and Marketing* and the *Journal of Pharmaceutical Economics*.

"He is always stimulating and always creative. He makes the students expand their thinking

University of Mississippi chancellor R. Gerald Turner, left, presents Mississippi's 1993 Professor of the Year award to Dr. Mickey C. Smith, center, while pharmacy dean Kenneth Roberts look on.

and therefore their horizons," said Ole Miss pharmacy dean Kenneth B. Roberts.

Smith also received the Research Achievement Award from the American Association of Pharmaceutical Scientists, the first-ever Lyman Award and the first-ever Distinguished Educator Award of the American Association of Colleges of Pharmacy. During his tenure at Ole Miss, Smith has received over \$1 million in research funding.

Brandon stands by the rock that he helped the pledge class of Fall '92 pick out, while he was housemanger.

Brother is Elected as ASP/APhA Delegate

Congratulations to Brandon Maddox, Beta Xi Chapter, who recently was elected to the position of Regional Delegate for APhA-ASP during the recent Midyear Regional Meeting. The meeting was held during the second week of November in Panama City, Florida. As Regional Delegate, Brandon will represent the fourteen schools of pharmacy within Region III located in the following states: Alabama, Florida, Georgia, Mississippi, North Carolina, Puerto Rico, South Carolina, and Tennessee. Brandon will represent the interests of the ASP chapters of each of these schools within the APhA-ASP House of Delegates. Brothers in Region III should also look for the APhA-ASP newsletter that Brandon will be editing. The newsletter will be distributed to each pharmacy school.

Brandon has been a brother in Kappa Psi of the Beta Xi chapter since 1991 when he pledged as a freshman at the University of North Carolina at Chapel Hill. "I feel honored to have been an active part of Kappa Psi here in Chapel Hill. We are very fortunate to have a three story house with twenty-one rooms where the brothers of our chapter can live. I strongly encourage any chapter that does not currently have a house to pursue getting one because it really brings a brotherhood close together."

Brandon is also active in the pharmacy school where he served as president of his class last year, and he is currently serving as President of the UNC School of Pharmacy Student Body. He would like to thank the Kappa Psi brothers who attended the Midyear Regional Meeting for helping him campaign and win the election. "The Kappa Psi's were very well represented in Panama City; each brother's help gave true meaning to the term '99.' I hope to see you all in Orlando at the APhA annual meeting."

Grand Council Scholarship Key Awarded

Brother Daniel Shuler has distinguished himself by graduating first in his pharmacy class and has been awarded the Grand Council Scholarship Key.

Brother Shuler is a graduate of the University of South Carolina where he was a member of Rho Chi, and Phi Beta Kappa as well as Kappa Psi. He was presented the Lilly Achievement award and awards for excellence in Pharmacy administration, Chemistry and Pharmaceutics. His future plans include attending Medical school at the University of South Carolina.

Palmieri wins Ford Award

by John Birchfield, Zeta Psi

Dr. Anthony Palmieri III, editor of THE MASK of Kappa Psi and a member of CFEA since 1980, received the Marilyn Simpson Ford Award at the 1994 CFEA Annual Conference in Tucson, Arizona. The award recognizes the individual who represents a CFEA-member organization and has distinguished himself or herself through outstanding service to CFEA. Pi Beta Phi established the award in 1989 to honor Marilyn, the editor of *The Arrow of Pi Beta Phi* for 21 years.

Tony has served on the CFEA board of directors, held every executive position, and served as president in 1988-89. He has been a member or chairman of nearly every CFEA committee. Even after stepping down as president, Tony continued his hard work, as chairman of the 1991 Annual Conference, Varner Award Committee, and Nominations Committee. Most recently, he chaired the New Editors Workshop for the 1994 Annual Conference. When the CFEA History Committee was established last year, he accepted the chairmanship.

Tony was truly surprised to receive this prestigious award at the Annual Conference, and he wrote the following letter of appreciation.

"Dear Colleagues: I am indeed honored to be named the 1994 Marilyn Simpson Ford Award recipient. Especially, since it is named for a dear friend. Marilyn, and other winners of the Ford Award, lead by example, by hard work, and I am pleased to be in such company. CFEA,

Tony Palmieri and Marilyn Ford at the CFEA Conference in Tucson, Arizona.

as well as editing THE MASK of Kappa Psi, has always been a labor of love for me. CFEA continues to be a vibrant, dynamic and important interfraternal organization. When I first joined CFEA 15 years ago, I was astonished by the congeniality and knowledge of the group as a whole. They welcomed me, a new editor, with open arms. When we worked, we worked hard and with commitment. When we laughed, we laughed together, not at one another. I will always cherish my affiliation with my CFEA friends and fellow editors. They have indeed paid me a high honor and I greatly appreciate their thoughts. I thank CFEA and Pi Beta Phi for this honor."

Pharmacy summer interns and Kappa Psi members Chris Cook (left) and Mike Metz (center) view a scale model of Hoechst Celanese's Somerville (N.J.) facilities with their host, Joe Roney who heads pharmacy affairs for Hoechst-Roussel Pharmaceuticals. Cook and Metz spent eleven weeks at Hoechst-Roussel as part of the National Pharmaceutical Council summer internship program.

Brother Cook is a Gamma Phi initiate and Brother Metz is an initiate of Beta Psi.

APhA Annual Convention

March 19-21, 1995

Kappa Psi Pharmaceutical Fraternity Annual APhA Reception including The Grand Council Citation of Appreciation and Outstanding Collegiate Chapters Awards, Sunday, March 19, 1995, 5:00 - 6:30 p.m., Peabody Orlando Hotel, Orlando, Florida. All members, spouses and friends of Kappa Psi are invited to our Annual Reception to meet the Grand Officers and enjoy an evening with Kappa Psi's from all over the nation.

Presiders: Paul J. Hiller, Grand Regent and Robert A. Magarian, Executive Director.

Colleges of Pharmacy—University of Maryland

In response to a letter from former collegiate member at large, Mike Steffens, I have submitted two photographs of the University of Maryland School of Pharmacy. One photo is of Dunning Hall, which was utilized by the School of Pharmacy from approximately 1956 through 1982. The second photo is of Pharmacy Hall, which has been in use since 1982 and is the primary building for the School of Pharmacy. -Patricia Carta, Historian Sigma Chapter

AT LAST!

Kappa Psi Pharmaceutical Foundation, Inc.

By Norman A. Campbell, Foundation President
Past Grand Regent, Kappa Psi 1972-74

The long, arduous task of dotting all i's and crossing all t's for the IRS came to fruition this Fall with their granting the Foundation tax exempt status as recognized in section 501(c)(3) of the IRS Code. Foundation Secretary Dr. Bob Magarian deserves thanks for his persistence and effectiveness in accomplishing this task.

This action permits the Foundation to accept tax-exempt contributions effective immediately. The seven-member Board of Directors functions independent of the Executive Committee of the Fraternity and all funds and operations are separate. Consequently, checks to the Foundation must be drawn to "Kappa Psi Foundation" and mailed to: Kappa Psi Foundation, College of Pharmacy, University of Oklahoma HSC, 1110 N. Stonewall, Oklahoma City, OK 73190.

The Board's timetable calls for the awarding of the first Kappa Psi Pharmaceutical Foundation, Inc. scholarships

during the KY Grand Council Convention in August 1995. As levels of funding warrant, increasing the number and level of awards; instituting graduate fellowships; etc. are under consideration.

Individual contributions and corporate solicitations are targeted as the prime sources of Foundation revenues. Many employers will match employee contributions for charitable purposes. An inquiry to your employer's personnel office may result in doubling the value of your donation to the Foundation.

Please feel free to contact Foundation Secretary Magarian at (405) 271-6942 or me at (401) 792-2789 with questions or suggestions.

Looking forward to your response to be among charter contributors to the Foundation.

Thanks in advance!

The History of Kappa Psi Pharmaceutical Fraternity

by Dewey D. Garner

The scope of Kappa Psi in its first century and beyond is captured in approximately 500 pages including over 100 photos. This heritage of considerable complexity traces the Fraternity's evolution from its humble beginning as a New England prep school fraternity across twenty-six years as a joint medical-pharmacy fraternity and then through more than 65 years as a pharmaceutical fraternity. Major sections include a chronological history of the organization, the Legend's of Kappa Psi, a record of the Chapters, both Collegiate and Graduate, Provinces, and Grand Council Conventions, the Official publications and songs, symbols, awards, jewelry, and Fraternity activities.

The book—a tribute to its more than 50,000 members—is available in hardback copy.

Kappa Psi Pharmaceutical Fraternity 47th Grand Council Convention

August 8-12, 1995

Sea Crest Ocean Front Resort

1-508-540-9400

North Falmouth, MA

E S C A P E T O T H E C A P E

“Escape to the Cape” by attending the 47th Grand Council Convention at the Sea Crest Oceanfront Resort, North Falmouth, Massachusetts in August, 1995. You will find a beautiful private white sand beach; spectacular oceanfront dining; deluxe oceanview, oceanfront fireplace rooms; nightly entertainment and dancing; indoor/outdoor pools; tennis; fitness center; jacuzzi; nearby 18-hole PGA golf course; and shopping.

The tucked away hamlets of North and West Falmouth are the keepers of old Cape Cod. Here you'll find a relaxed atmosphere. This is village life at its best. North

Falmouth has antique colonial homes, ancient elms shading country lanes, and stone fences that ramble through the field and woodland.

All rooms at the Sea Crest must be reserved by July 1, 1995. This is a resort area with no other hotels or motels. The Sea Crest is the only one. Once all the rooms are reserved, that will be all there is for miles. So, plan early and reserve your rooms early in 1995 at 1-508-540-9400.

See you in Cape Cod.

Beta Epsilon

Rhode Island

Our chapter winds down yet another semester looking forward to the initiation of three new brothers into Kappa Psi: Alan Obringer, Brian Musiak, and Tim Wheeler. They have consistently shown the brothers all of the ideals and qualities of what it takes to be a Kappa Psi brother. And with the history of our fraternity as a guide and led by a successful pledge program headed by Jonah Tyler they are now prepared to carry our chapter into the future. Good luck to all of them.

It is also a time when our chapter reflects on what we accomplished in the past semester. In late November,

the Kappa Psi Coffee and Donuts stand held its annual Faculty Appreciation Day by offering free coffee and donuts to pharmacy faculty. We would like to thank them for their support throughout the semester as this stand is one of the major fundraisers for our organization. Other past events this semester included a car wash put together by fundraising chairman Christopher Chin and Homecoming festivities which were well attended by brothers and alumni alike.

On November 4-5, Beta Epsilon sent nine brothers to Albany, NY for the annual Province I midyear meeting. The major focus for our province this year is successful organization and attendance at the Grand Council Convention as this is the first time the GCC will be held in New England since 1928. Province I plans on sending many brothers to the August meeting in Cape Cod, Massachusetts and we anticipate that this GCC will be the most well attended meeting in Kappa Psi history.

—Todd Pikor

Gamma Zeta

Samford

For Gamma Zeta, it has been a very busy semester. A very successful and fun-filled pledge orientation took

Delta Epsilon's new brothers Dan Fronczek, Jeremy Zellers and Scott Freed.

place. A few highlights of the semester were the grab-a-date party, the pledge Halloween bash, and the barn party. Some very fulfilling service projects were the monthly nursing home visits, donations of over a hundred bags of groceries to the Ronald McDonald house, and a bake sale for the American Cancer Society.

Gamma Zeta held elections, and the new officers are: Regent-Mark Shelby, Vice Regent-Todd Pledger, Corresponding Secretary-Renee Bohannon, Recording Secretary-Hayley Hood, Treasurer-Susan Davis, Chaplain-Anita Wallace, Social Chair-Cindy Hargrove, Fundraising-Stephanie Hames, Historian-Laura Elliot, and Sergeant at Arms-Jason Kizer. The new officers gave each graduating brother a stocking filled with goodies and a home made ornament.

The spring semester is already being planned with several exciting events. A few are Kappa Psi week, a Valentine's dance, a 70's disco party, and a spring semi-formal for the entire school of pharmacy. We also plan to bridge the gap between Kappa Psi and the university.

Good luck to all chapters.

—Mark A. Shelby

Delta Epsilon

Duquesne

Congratulations to Delta Epsilon's newest additions! Brothers Dan Fronczek, Scott Freed and Jeremy Zellers were initiated on November 14th. We are very proud to have them as brothers.

Delta Epsilon hosted this semester's Province II Assembly on October 28-30th. What a weekend! The fun started with a welcoming Halloween Party on Mount Washington. The traditional meetings and workshops were held throughout the day on Saturday. A wonderful closing banquet was held at Poli's in Squirrel Hill. It was an enjoyable, as well as delicious dinner. After dinner, Beta Kappa was presented the Scholarship Tray by Grand Regent Paul Hiller. Congratulations are also in order for Beta Kappa's Chapter of the Year Award. The evening ended or rather began again with the South Side Bar Crawl. Our trip seemed to stall at Mario's South Side Saloon. It didn't matter because everyone was having a great time. We then joined the rest of the Kappa Psi crowd at a block party hosted partly by some of our brothers. Delta Epsilon

Gamma Zeta's Halloween Bash 1994 (Left to right): Jeff Lawson, Stephanie Morin, Joey Bolton and Philip Moody.

Gamma Zeta's Halloween Bash 1994 (Left to right): Mark Shelby, Stephanie Hames, Todd Pledger, Cindy Hargrove and Hayley Hood.

Province II brothers, Colleague Member-at-Large Tim Eley and Ed Sypniewski find a new meaning of brotherhood at Mario's South Side Saloon.

would like to thank Grand Regent Paul Hiller, Colleague Member-at-Large Tim Eley, Province II Supervisor Ed Sypniewski, and the brothers of Province II for attending this assembly and making it a great weekend!

This semester Delta Epsilon tried something a little different. Instead of having a traditional formal, we had a theme party. "Rollin' in the Hay '94" was held at Silent Brook Barn on November 12th. We had everything from bales of hay to potato salad and hot wings. Dave Shubert was awarded the Asklepios Key for his hard work and dedication to the fraternity. Thanks to Kristin Peters and Renee Rollinson for planning such a wonderful formal.

Delta Epsilon held their first annual Christmas Party on December 10th. We exchanged names and agreed upon gag gifts for everyone. Some of the gifts were not only creative, but also hilarious. This is one tradition that Delta Epsilon will keep!

—Julie D. Suman

Gamma Kappa South Dakota

Gamma Kappa has been taking it easy. We recently

attended the Province VIII Conclave in Minneapolis, Minnesota and we would like to thank Epsilon for a great time. While in Minneapolis, we took advantage of the Mall of America with its abundant display of unique foods and beverages. Unfortunately, the brothers of Gamma Kappa were disappointed with the mall's lack of a body piercing shop. Gamma Kappa also walked away with the coveted Traveling Trophy for having the greatest percentage of our chapter at conclave.

We would like to introduce two new brothers: Todd Dickens and Jeff Lachelt. Gamma Kappa has high hopes for these new additions to our chapter.

In December, we have plans for a Christmas party, and if we are really nice, maybe Santa will show up.

—Mike Sweany

Gamma Omicron Oklahoma

Gamma Omicron has kept very busy as usual since my

last article. On August 27th we sponsored the Kappa Psi 8th Annual Muscular Dystrophy Golf Benefit at the Surrey Hills Golf & Country Club in Yukon, Oklahoma. Alumni, faculty, and student brothers turned out for blue skies, a terrific course, and a great day of golf. This year's tournament allowed Gamma Omicron to contribute over \$2000 to the MDA.

The week of September 12th was designated as Kappa Psi Rush Week at the OU College of Pharmacy. Gamma Omicron hosts an eight week pledgship which involves a variety of activities for pledges and brothers alike. During the two weekends prior to Halloween, our brothers and pledges suited up in costumes to work at Frontier City, a local theme park, where we handed out candy to the trick-or-treaters. This proved to be a terrific fundraiser bringing in over \$1400, most of which will go to the Special Olympics. Another event that Gamma Omicron pledges attend each year is called "Pledge Night Out" which is usually held at a barn out in the middle of nowhere. Unfortunately, this year flood warnings forced us to break tradition and move it into the city. Nonetheless, the brothers made the most of it and we had a fun night with our

Gamma Omicron Brother Troy Simons demonstrates his superhuman strength at the Frontier City Hallowscream Fundraiser.

Gamma Kappa brothers with their traveling trophy from Province VIII conclave in Minneapolis.

Gamma Omicron Brothers Wayne Hamm and Brian Jones participate in the Frontier City Hallowscream Fundraiser.

Executive Director Magarian and Grand Ritualist Reisetter participate in Gamma Omicron's initiation banquet.

Gamma Omicron's new brothers.

Andy Nguyen, Nhat Nguyen, Steve Nguyen, Mandi Noland, Terry Norrell, Thao Pham, Lance Reece, Annette Roberts, Dr. Binghe Wang, and Danny Williams.

Gamma Omicron also wishes to congratulate our newly elected officers for 1994-95:

- Regent: Brian Welch
- Regent-elect: Jason Sutton
- Vice-Regent: Marc Rafferty
- Recording Secretary: Lily Kwan
- Corresponding Secretary: Chris Anoaubby
- Treasurer: Oleta Sessions
- Chaplain: Mark Jones
- Historian: Karen Anderson
- Sergeant-at-Arms: Mike Ballard, Rodney Jorstad

Over the summer, we began a chapter newsletter which Gamma Omicron hasn't had for some time. Thanks goes to Brother Susie Mason, our editor-in-chief, who puts the news together and gets the job done. Presently, we are working on revitalizing the OU Graduate Chapter. This is one of the projects we will be concerned with over the coming months.

This will be my last article for THE MASK as Historian for Gamma Omicron Chapter. It has been my pleasure serving Gamma Omicron in this capacity and I look forward to serving as Vice-Regent in the coming year. I will dearly

pledges. The pledges were under the guidance of Brother Jason Sutton who did an excellent job of coordinating the '94 pledgship and teaching the pledges the proud history of Kappa Psi.

Gamma Omicron's 1994 pledgship program is over and we now have 33 new brothers. This is a very enthusiastic group and Gamma Omicron is very proud to have them as brothers: Chris Anoaubby, Karen Anderson, Mike Ballard, Sheila Bhakta, Heath Branscum, Melissa Burget, Joe Burns, Sally Callahan, Tracy Farrill, Roy George, Priscilla Goff, Donna Hames, Lance Idleman, Mark Jones, Ku Kang, Rhonda Kvetko, Hoe Le, Tan Le, Janie Lundy, Jeff McDown, Sherry McKee, Debbie Mills, Selam Negusse,

miss those Brothers who will graduate this Spring and I wish them prosperity, fulfillment and success. As Brother Palmieri said in his farewell letter as Editor of THE MASK, we started out as Brothers and became friends. In closing I wish to include the following poem that was handed to me by Melissa Washington, our Corresponding Secretary.

ACTIVE OR JUST BELONG

*Are you an active member,
The kind that would be missed,
Or are you just contented
That your name is on the list?
Do you attend the meetings
And mingle with the flock,
Or do you stay at home
And criticize and knock?
Do you take an active part
To help the work along,
Or are you satisfied
To only just "belong"?
Do you do your part
With your hand upon the stick,
Or do you leave the work to others
And talk about the "clique"?
Think this over Brother Member,
You know right from wrong.
Are you an ACTIVE member
Or do you just belong?*

—Marc Rafferty

Beta Upsilon Butler

It's hard to believe this semester is ending. We had a

few members attend the Mid-Year Convention and they all had a blast. We have had many opportunities to enjoy pledge/active events. The pledges had a Ben & Jerry's ice cream party for everyone. Everyone had their fill! Special thanks to Tricia and Susan for cooking lots of spaghetti for our Spaghetti Dinner. It was great to have time to talk with everyone.

Our pledge class had great success with their service project, working at a soup kitchen in downtown Indianapolis. We are happy to introduce our new initiates: Michael Anderson, Jessica Bickel, Heidi Browne, Katie Cahill, Jen Cervan, Marie Cho, Laura Coleman, Sarah Cotner, Tricia Crowell, Heidi Deatricks, Carolyn Doonan, Deb Else, Melissa Geiman, Erica Haines, Angie Herringa, Dave Lemons, Tracy McRorie, Julie Meinhart, Stacy Meisberger, Pam Moise, Jenny Moore, Sarah Moore, Julie Offutt, Kathryn Ramseyer, Meghan Ridoux, Bill Rizzo, Shannon Russle, Carrie Sigle, Tracy Tyndall, Sheila Vichaikal, Megan White and Amy Worley. Congratulations!

Beta Upsilon also recently held their elections. The new officers are as follows:

- Regent: Stephanie Shelton
- Vice Regent: Mandi McLean
- Secretary: Melanie Muntzinger
- Treasurer: Dawn Kraus
- Historian: Michelle Putera
- Pledge Trainers: Dave Corwin and Nicole Minnear

Chaplain: Jenny Patterson
 Sergeant-at-Arms: Heather Bandera
 Province Officers: Dave Corwin and Katie McCormick

Best wishes for a successful year!
 —Michelle Putera

Delta Zeta

Iowa

Earlier this fall we had a good turnout for our prospective pledge picnic. The Delta Zeta Chapter activated 23 pledges with the help of Patty O'Neil & Melanie Furman as pledge trainers. Congratulations to our new brothers: Tami Berg, Sara Blint, Maria Bovis, Heather Clark, John Daniel, Jeff Daval, Betsy Flack, Leslie Hellscher, Angie Jacobs, Tracy Jepsom, Kim Leibrand, Michelle Lipcamon, Keri Mattes, Connie Peterson, Jennie Rotert, Lisa Saunders, Dawn Schnitker, Heidi Seligman, Ginny Sigwarth, Sejal Sura, Laurie Thayer, Angela Welker and Amy Vannoy.

The new initiates were very successful in their pledge activities. They made trick or treat baskets for the kids at the Ronald McDonald house for Halloween. The pledges also sold College of Pharmacy sweatshirts. Both were a huge success.

In October, our chapter sponsored an Internship Information/Resume Writing Night. It was open to all pharmacy students. It gave students an idea of all the opportunities there are for internship programs. Students also learned how to write a resume. We had a very nice turnout for the event.

The Delta Zeta new officers for the 1994-95 school year are:

Regent: Renee Belz
 Vice Regent: Suzanne Smith
 Secretary: Nancy Clark
 Corresponding Secretary: Robert Leifur
 Treasurer: Susan Safley
 Chaplain: Patty O'Neil
 Historian: Amee Dickey

Sergeant-at-Arms: Melanie Furman

The Delta Zeta Chapter members donated time during the Christmas season to wrap presents for Hemophilia of Iowa.

This spring semester a volleyball tournament for the Health Colleges, College of Pharmacy softball tournament, a walk-a-thon for Juvenile Diabetes all have planning underway to make them a huge success.

—Amee Dickey

Beta Delta

Albany

First semester is nearly over, and it has been a very productive and fun one for the brothers here in Albany.

I would like to recognize our current officers who were elected early last semester:

Regent: Dennis Rule
 1st Vice Regent: Brenden O'Hara
 2nd Vice Regent: Corey Duteau
 Rec. Secretary: Mark Murray
 Corr. Secretary: Thomas French
 Treasurer: Jason Southworth
 Assistant Treasurer: Joseph Padalino
 Pledgemaster: Matthew Piskun
 Assistant Pledgemaster: James Carbone
 Historian/Ritualist: Lee Barcomb
 Sergeant-at-Arms: Stephen Barratta
 Chaplain: Mark Hunter

And as always, our Grand Council Deputy: Rinaldo DeNuzzo.

On Wednesday, October 19, the annual Kappa Psi rush dinner was held. It was a tremendous success, with the prospective rushes getting a chance to see what KΨ is all about. They learned not only of brotherhood, but of high ideals and the pride that was exhibited by the brothers in Kappa Psi. Our first pledge event was held on Friday October 29, in the form of the bi-annual KΨ hayride. There are many traditions associated with this hayride, and it is sure to be a great

time for all, especially for the pledges, who take their first step toward brotherhood. Our bi-annual Red Cross blood drive was held on November 2. Brother Hunter is in charge, and he hopes to have the best turnout yet. The Kappa Psi jelly book (student directory) was put together by 1st Vice Regent Brenden O'Hara, and is a great looking book. Pharmacy Drug cards were sold to the entire student body, great job Brother Duteau. The annual Yankee trip was rerouted to Westpoint, where we took in an Army football game.

Upcoming events, The TOGA Party will once again be held toward the end of the semester. It is guaranteed to be a great time. Another canned food drive will be held soon, with the proceeds to be donated to a local food shelter. Shamrocks for Muscular Dystrophy will be sold more toward St. Patrick's Day. Don't forget pledging, and all the events that mold these people into proud Kappa Psi brothers. The annual Province I mid-year Convention was held this fall in Albany. It was a productive, yet enjoyable convention.

As always here at Beta Delta Chapter, we encourage broth-

ers to visit, and to participate in whatever event we hold. Our doors are always open to the brothers of Kappa Psi.

—Lee Barcomb

Eta

Philadelphia

This fall is a very busy time for the Brothers of Eta chapter at Philadelphia College of Pharmacy and Science. We are planning our traditional rush parties with the "Toga" party in early October and the annual "Goldfish" party in early November. ETA also won first place overall in the Greek Games during the week of September 11-18. A ski weekend in early January will take place and if any of the other chapters would also like to be a part of this event you are more than welcome to come. For more information on the trip, just contact Brian Korenda at the ETA chapter house.

Our house is shaping up into pretty good condition with help from a recent "Hammer and Saw" day in which our brothers got together for a day to do minor house repairs. This has really helped in maintaining a clean and respectable house. Founders' Day and the Thanksgiving dinner were also underway.

PROVINCE ASSEMBLIES 1995

I. Nu	February 3-5, 1995	Hartford, CT
II. Beta Omega	February 24-26, 1995	Philadelphia, PA
III. Theta	April 7-9, 1995	Richmond, VA
IV. Delta Gamma & Auburn Grad.	January 5-6, 1995	Auburn, AL
V. Gamma Delta	March 9-12, 1995	Ada, OH
VII. Gamma Omega	March 31-April 1, 1995	Little Rock, AR
VIII. Beta Nu	March 31-April 1, 1995	Omaha, NE
IX. Beta Gamma	April 7-9, 1995	San Francisco, CA
X. Beta Pi	March 3-5, 1995	Sand Point, ID

ANNIVERSARIES

Gamma Delta	75th Anniversary	March 17-19, 1995	Columbus, OH
Gamma Eta	75th Anniversary	(no date set)	
Illinois Graduate	75th Anniversary	(no date set)	

Every brother contributed to these events which makes it all the easier for the entire chapter.

Congratulations to our new brothers: Rich Aram, Russell Bland, David Czar, Matthew Dirocco, William Homer, Joseph Pytel, and Paul Vidal. I am proud to call all these individuals my brothers and I'm sure every other chapter of Kappa Psi would also.

The Brothers of ETA headed to the Province II Fall Assembly in Pittsburgh at the end of October. Beta Kappa chapter was ready for the herd from Philly.

—Francis Kosinski

Gamma Pi

St. Louis

The members of the Gamma Pi chapter would like to start off with best wishes to all of the brothers for 1995. We've had a busy time here in St. Louis the last few months. Halloween proved to be a fun time for us because we dressed up in our costumes and hit the streets in search of canned foods. It was a cold night so we wrapped up in warm clothing and had a good turn out with canned food donations. We couldn't let Halloween go by without our monthly professional trip to Frazier Nursing home. We had a fun time playing bingo and putting up decorations with the folks at Frazier.

November started out with a blast, Gamma Pi held a "Weigh it Out" party in which we danced the night away with brothers and unaffiliated alike. Later on in November we had our annual Kappa Psi Open Forum in which we had many unaffiliated attend dinner, hear a little bit about us, and then party the remainder of the evening. We would like to extend a job well done to all of the brothers that helped play a part in making these evenings successful. Both events had high attendance and were excellent rushing events and we'll hopefully have a good turnout for pledging.

Brothers have been traveling abroad to all places; a few brothers joined the folks in Province V for their Mid-Year Meeting back in October. More recently, we have had a few brothers join the folks at the Pi and Beta Psi chapters for their High Ideal Nights. Feel free to come and visit us at anytime in St. Louis.

During the month of November we had the election of our new officers, they are as follows: Regent-Tony Druger, Vice Regent Fundraising-Lynn Potter, Vice Regent Professional-Tanya Wendling, Vice Regent Social- Eric Forinash, Corres. Secretary-Rhonda Weber, Rec. Secretary-Lynn Schmitz, Treasurer-Angela Burnett, Historian-David Hawkins, Sgt.-at-Arms-Kevin Barron, Chaplain-Amy Steinwagner, IFC Officer-Bill Zayed, Graduate Liaison-Tandy Werkman, Pledge Master Male-Chris Arroyo, Pledge Master Female-Jeana Karch.

The brothers of Gamma Pi say thanks to all of the retiring officers, they've done a great job! Best wishes and good luck to all of the new officers to make it another great year to come. Just before you knew what was happening, Thanksgiving was here and gone, with the Christmas break following closely behind.

January will arrive quickly and with it will come more activities. On January 11, the first day back to classes at St. LCOP, we will be holding a charity basketball game with a local radio station. The event last year went well and we'll be donating the proceeds to the Special Olympics. Another planned activity is a Red Cross Blood Drive within the first few weeks upon returning to school, but what brothers are most excited about is the start of the pledging season. Gamma Pi will be holding its Smoker on January 18 for the prospective pledges and pledging will officially begin on January 23, followed by a fun-filled month of pledge

meetings and activities. All brothers from all chapters are welcome to come visit us at anytime, a few days in particular would be our "Half-Way" night on February 3, and the weekend of February 17-19, which is our "High Ideals" night on the 17th and Induction of the new members on the 18th. Please contact brothers Tony Druger or Rhonda Weber at (314) 352-7999 if interested. We hope as many brothers as possible will come and visit! Province VII meeting in Little Rock will be right around the corner quickly and Gamma Pi is excited about going and experiencing the brotherhood with other chapters.

Last, but certainly not least, the brothers of Gamma Pi would like to congratulate the following brothers for receiving the Kappa Psi Scholarships: Pete Phillips, Vesna Jovicic, Renae (Lynch) Sanchez, and Lynn Schmitz. Also, we would like to congratulate brother Renae (Lynch) Sanchez for having a beautiful baby girl, and brothers Pete Phillips and Chirag Patel on their engagements.

It's time to call it an end. A fond farewell from Gamma Pi and we'll see ya soon!

—David Hawkins

Gamma Delta Ohio Northern

This past fall we picked up 13 fine pledges. After a couple weeks of pledging, they're all still with us.

Being on Social Probation fall quarter we were unable to have any official parties, but we still had a lot of fun. We completed four community projects in the fall quarter, which might get us off social probation for winter quarter. We are going to find out in a couple of days, so we are all keeping our fingers crossed. We are finalizing our plans for Province, which will be held March 10 & 11. If you are planning on attending or just need more information, please contact us. On March 17-19 we will

be celebrating the 75th Anniversary of Gamma Delta in Columbus, and everyone is welcome to attend.

We currently still help out with the bloodmobile when it comes to O.N.U. every quarter and we also help out once a week at Brother Jim Turner's pharmacy by conducting blood pressure screenings.

Please send us a list of all your planned events. We're always up to visit another chapter and share the KΨ pride.

—Ryan Burkhart

Gamma Chi Ferris State

Gamma Chi chapter has had a busy year so far. This fall we initiated three new brothers: Joy Arbuckle, Salina Garvey and Deidra Conway. Also, we had yet another first place Homecoming float, our annual Halloween party for the Big Brother/Big Sister program, our pledges, a hayride, a Grafetti party, family style Thanksgiving dinner (which was attended by our chapter founder, Mr. Robert Heiney), and Santa also made an appearance to bring us some goodies.

As I type this, we are preparing for finals and the house is quiet. Every once in a while we stop for study breaks and visit in the living room. It gives us all a mental break and the seniors Lisa Wenckowski, Julie Koller and Mat Garber get a chance to tell one more story before they leave for clinical. We will miss them all so much! Along with saying goodbye to our seniors we say hello to our new advisor Dr. Graham Glynn.

Currently we are planning a Heat Wave party, a ski party, an Easter party for Big Brothers/Big Sisters, Spring lock in, Greek Week Olympics and our annual end of the year party. Everyone is invited to this party. Call our house at 616-796-7604 sometime next spring. Finally, next summer a group of us are planning on attending GCC in Cape Cod. We hope to

Gamma Delta brothers enjoy a Cincinnati Reds baseball game.

Pi Chapter's new brothers at the Kappa Psi house.

see some of you there.
 Good luck to brothers going on clinical and taking the NABPLEX.
 —Joy M. Arbuckle

Upsilon
Kentucky

Greetings Brothers of Kappa Psi. It has probably been a long time since you've heard from Upsilon chapter. The brothers of Upsilon have been busy rebuilding our chapter. We hosted many activities this fall semester.

First we sponsored the annual Halloween party. Costumes were required and everybody seemed to have a great time. Upsilon also hosted Province V's mid-year meeting, which was a success. The latest event that took place was the Big Brother/Little Sister party. The pledges receive big brothers and the members receive little sisters.

The Upsilon chapter would appreciate hearing from other chapters and sharing ideas. We would like to thank those chapters that have offered to help us in our effort to rebuild Upsilon. We also want to thank those that helped make the mid-year meeting a success.

—Brian Burks

Pi
Purdue

The Pi Brothers wish everyone a Happy New Year. We are excited about 1995, but '94 was a Great year for Pi as well!

Pledge trainer Ryan Kraner coordinated an excellent pledge program. The fifteen pledges worked hard throughout the semester and will make fine Brothers. Pi Chapter is proud to announce the new initiates: Kevin Cook, Tyler Daugherty, Jason Duran, Scott Gilham, Mike Gorski, Steve May, John Nauman, Shashank Patel, Ryan Pike, Mark Robbins, Brian Shepler, Jason Stimley, Kevin Tachine, Andy Taylor, and Blake Taylor. Congratulations guys!

Pi's annual Fall Senior/New Initiate Banquet was held on November 12. Thanks to the Brothers from Beta Upsilon and Gamma Pi who attended the banquet. Everyone at the banquet had a good time and partied till the last song was played. A large group of seniors will be leaving Purdue, but the new Brothers will keep the spirit of Pi alive and well.

Health Careers Day was held on November 2 and received a great deal of

Kappa Psi support. Pi Chapter traditionally assists with this event to ensure that it runs smoothly.

A number of Pi guys traveled to Lexington last semester for the Province V Mid-Year Convention. The weekend was a time to renew acquaintances, make new friends, and have a little fun!! Pi Brothers motored to Beta Psi in early December for a "Bus trip!" We always enjoy spending time in Madison with our fellow Brothers. If you ever have the chance to visit other chapters, don't hesitate to hit the road. Kappa Psi is much more than an individual chapter.

Our annual elections were settled in December, but you will need to check out the next edition of THE MASK for a list of Pi's new officers.

—Scott Skinner

Province V

The Province V Midyear Convention was held October 24 at Upsilon Chapter in Lexington, KY.

The meeting began with Satrap Adam Gross reading a letter from Province V Vice-Supervisor Craig Johnston. In the letter Brother Johnston made some challenges to the brothers of Province V. The challenges were: 1.) If every

chapter in Province V attends the GCC in 1995, he will donate \$200 to the Province V treasury. 2.) He will donate \$50 to the chapter in Province V which is best represented at GCC in 1995. 3.) If every chapter in Province V submits data for consideration for Scholarship Certificates and Grand Council Scholarship Tray Award, he will donate \$200 to the Province V treasury. Next, Province Historian Cameron VanDyke announced that he was working on a Province pledge test so that all pledges in Province V could learn about other chapters.

The next Province V convention is being held March 10 & 11th at Gamma Delta. They are planning on having CE and a Province Professional Project which will be Habitat for Humanity.

Congratulations to all new initiates and good luck to all the pledges.

—Cameron Van Dyke
 Province Historian

Province IV

I haven't heard much from the Brothers in Province IV this quarter. Everyone has been very busy with classes. However, the Brothers from Mercer have been able to make the trip to Athens, GA to socialize with the Gamma Phi Chapter on several occasions. We are all looking forward to the Province meeting which will be hosted by the

Brothers Mike, Eric & Nealim of Pi and Brother Tommy of Gamma Pi at the Province V Midyear.

Gamma Sigma pledges pose during Halloween party.

Brothers from Auburn this year. I wish to commend the Auburn Brothers on the efficiency with which they have planned our annual event. Notices were sent out in August informing the Province Brothers of the dates, fees, and accommodation information for the two-day conference. The weekend should pass very smoothly with such foresight and planning. There should be many new ties formed and strengthening of old ones as the Province IV Brothers are able to come together in Auburn with hopefully a record turnout. The Gamma Phi chapter had much success with service projects this quarter as I'm sure the entire Province has. It has been a

pleasure being Province Historian this past year, and I look forward to passing the pen along to next year's Historian in January. We hope to see all the Province IV guys in January and meet all the new Brothers.

—John Smith
Province Historian

Beta Sigma North Dakota

First of all, we would like to congratulate and welcome our New Initiates: Rob Aasand, Wayne Rance, Clark Johnson, Matt Glasoe, and Anthony Romani.

Other New Officers recently elected were: Assistant Treasurer-Barry Kawamoto,

Pledge Trainer-Jeff Brenna, Scholarship-Rob Aasand & Jeff Brenna, Athletic-Matt Glasoe, Alumni-Tony Godfrey, Kitchen Mgr-Clark Johnson, Historians-Mike Lawrence & Barry Kawamoto, Corresponding Secretary-Matt Glasoe & Dave Crolius, J-Board-Clark Johnson, Greg Cowan, Wayne Rance, Cory Christianson, Tony Godfrey

In Intramural Football, our team did better than last year, we made it to the playoffs, where our team suffered their first loss to a pretty tough team. They are looking forward to playing and winning more playoff games next year.

In November, we filled sandbags at Island Park Activity Center for their annual sale.

Our annual Yulebachen was held on December 3rd, where we found out who our 'Secret Santas' were, and had a great time socializing with the Little Sisters, and alumni.

On December 8th, we sponsored an informational forum on Rape and Abuse Prevention here on campus, inviting other fraternities, as well as the general public.

Our Christmas Banquet was held on December 12th, where we invited the College of Pharmacy faculty and alumni to a catered dinner at our house.

Most of us are planning to attend spring conclave. See you there!

—Barry Kawamoto

Gamma Sigma Florida

With the passing of Fall semester, Gamma Sigma brothers reflect on an eventful and progressive time for our chapter. Last semester, we participated in numerous community service projects, won at sports, threw many parties, and enjoyed the success of the Gator football team. Most importantly, however, Fall semester is pledging time at Gamma Sigma chapter. Brothers here take pledging very seriously. Ideals we instill in our pledges include brotherhood, unity, honesty, hard work, and leadership. Rush begins early in the Fall and kicks off with our annual Margaritaville party. Pledging then proceeds throughout the entire semester and ends with formal initiation. Following initiation, we organize a party at a local establishment. This year, 12 new men now proudly call themselves Kappa Psi. Congratulations to our new brothers: Greg Balotin, Darren Chess, Sean Klicker, Jason McCannless, David Medvedeff, John O'Brien, Jim Huff, Joe Sears, John Seibold, Nhien Tran, Bill Wasserman, and Wayne Ross.

In addition to pledging, we at Gamma Sigma chapter feel community service is of prime concern. It is a fact that we do more for the community than any other organization on our campus and I would challenge other chapters to better our record. Let me begin with our skin cancer project. In the spring, we go out to local elementary schools and talk to kids about the dangers of skin cancer. Living in Florida, skin cancer is a serious problem and we feel this is a very beneficial service to our community. Not only do the kids walk away from our presentations with ideas on how to protect themselves from the sun, but also enjoyed the shows so much that we received hundreds of thank you notes from the children.

Gamma Sigma helps Habitat for Humanity

Gamma Sigma brothers with a trunk load of food bound for needy families during Thanksgiving.

This spring we plan to line up even more presentations and may expand to other subject matter.

Habitat for Humanity is another project that we actively support. This organization builds homes for needy families using donated materials and volunteer-labor. About twice a semester, Gamma Sigma brothers and pledges wake up early on the weekend and head out to the construction site. Sometimes we help frame the home, paint, cut materials, or landscape. Last semester, we put the finishing touches on a Habitat house by laying sod. For Thanksgiving, we supported the community by throwing a canned food drive. To make it fun, we set up a contest between the classes to see who could bring the most in. When all the cans had been counted, it turned out we had more food than St. Francis House knew what to do with. Finally, we recently joined the Adopt-a-Highway organization and plan to pick up litter in the spring. As you can see, brothers at Gamma Sigma chapter are dedicated to community service.

In sports, Gamma Sigma brothers excel. In both intramural volleyball and football, our men progressed through the playoffs and almost finished championships. At a university that places so much emphasis on sports, we feel it is quite an accomplishment for our guys to proceed so far.

Last semester, as all semesters seem to go, we were the main driving force for all social activities on our campus. As I mentioned previously the Margaritaville party was a tremendous bash that not only made US money from T-shirt sales, but was also a load of fun, for the entire college. We also threw a massive Halloween party and always have our "Lo Chi" get togethers every Thursday night. In addition, our "Warm Up" or "Cool Down" parties for the Gator football games bring Kappa Psi alum-

ni from all over the state. Without Kappa Psi our campus would be a boring place.

Let me close by stating that we at Gamma Sigma chapter are very proud of our chapter's devotion to fraternal traditions, community service, continued leadership in pharmacy and contribution to social activities. We are confident we belong to the strongest chapter around and will continue to excel.

—Adam Clark

Province VIII

The Province VIII fall conclave meeting was held October 28-30 in Minneapolis, MN. Thanks to Anthu Hoang and the brothers at Epsilon for putting together a great weekend. Special thanks to John Grossomanides, Brian Reisetter, Mike Deweese, Mike Graubart (Province Grad) and Craig Johnson (GCD-Gamma Eta) for attending.

The weekend kicked off Friday night with an athletics party. Saturday then came bright and early with a full agenda for our morning meeting. Craig Johnson discussed fraternity awards including a new one to be given to the chapter showing the greatest improvement in scholarship. Craig has also personally challenged every

chapter in Province VIII to submit forms for the Scholarship Tray Award and if we get 100% submission he will give the Province \$200. So, everybody help prompt your GCD to get those forms in and let's take his money!

Mike Graubart showed a video promoting the upcoming GCC in Cape Cod on August 8-12. Exciting news that the reactivation of Gamma Epsilon is progressing well. We are looking to have some new brothers in Nebraska in the near future.

The province has established a Graduate Development Committee due to the increasing number of graduate members attending conclave. Wayne Walls is chair of the committee that will be working to develop a newsletter and establish a liaison with the host chapters of province meetings to make CE available and help the grads get information about the weekend! New officers were also elected: Vice Satrap-Sean Higgins (Gamma Kappa), Secretary/Treasurer-Susan Saffley (Delta Zeta). Congratulations to the new officers and thanks to the outgoing officers for all of your hard work. Elections for delegate and alternate delegate to GCC will be held at the spring meeting. We then

topped off the weekend with our evening banquet and a cartoon party where brothers danced the night away dressed as their favorite cartoon characters.

On a final note, congratulations go to the brothers of Gamma Kappa who won the travelling trophy for having the most brothers in attendance at the meeting. The next Province VIII meeting will be hosted by Beta Nu on March 31-April 2, in Omaha, NE. Hope to see everyone there!

—Christy Askew
Province Historian

Epsilon Minnesota

Epsilon was pleased to host the Province VIII fall conclave meeting October 28-30. It would not have been possible without the great organizational efforts of brother Anthu Hoang. Thanks go out to all who took time out from busy schedules to join us for a weekend of fellowship and brotherhood. We also extend our congrats to the newly elected Province officers!

It seems as though winter quarter is now upon us and it is packed full of a variety of activities. In January, we joined other pharmacy organizations and supported the

Kappa Psi – Gamma Eta members who took part in Diabetes Walk-a-Thon.

The new Gamma Iota brothers at our "Decade Party" — They don't normally dress this way!

Scholarship Honor Certificates for 1993-94

DELTA DELTA University of Houston

- Lynn A. Simpson

Minnesota Moose hockey team. We also have plans to get out and enjoy some snow tubing. The brothers of Epsilon look are looking forward to another winning season as our members brave the ice, snow and cold during the intramural broomball season.

Our brothers have continued with their dedication to the community projects. Under the leadership of Tia Crane and Chris Bowman, the Sexual Transmitted Disease slide show talks in the Twin City high schools are well underway. Brothers Jennifer Mandt and Melissa Hentes are organizing the pet therapy program with the Animal Humane Society. This project enables members to bring animals to nursing homes and long-term care facilities for interaction with the residents.

Many thanks are extended to fund-raising chairmen Mary Claire Wohletz and Chris Hobbs. Once again the College of Pharmacy sweat-shirts were a big hit amongst students and faculty allowing us to raise funds to help our chapter projects.

Congratulations to new brothers: Lori Amborn, Ann Donovan, Michelle Edel, Melissa Hentges, Michelle Jacks, Kory Sampson, Tiffany Schilling and Deb Wagner. We are also pleased to wel-

come brother Eric Hausman who joins us from Beta Psi.

—Lori Frank

Gamma Eta Montana

The Christmas season has come and gone. We come back to school from near and far with the common theme being to diet away the excess holiday pounds. Plum pudding, turkey and chocolate galore seemed to assault us all at every turn.

Settling into the semester now, we look back on what we have done. The diabetes walk-a-thon where, as a school, we raised a cool two and a half grand. This fully crushed the school of physical therapy but they didn't seem to mind as we offered them drinks afterwards and toasted a common cause.

Our Halloween "function" was a huge success. Attended by eighty five witches and ghouls with apothecary minds. For an evening, academics were shut out of our minds and we dined and danced. By the end, we had become as one with the spirits.

On December 3rd Gamma Eta formally bid farewell to its graduating members. They were not allowed to slink away without being noticed. One at a time they had to sit on Santa's knee where each was roasted with rhyme and

given a gift to remember us by. It was all in good taste and after gumming our mashed potatoes early in the evening a smile could be seen on every face.

November 29th saw the induction of our newest members. Twenty-two enthusiastic and fired-up people pledged that evening with five more pledges who through various acts of God were not able to be at the ceremony that night. That brings the grand total of new members for the 94-95 school year to twenty-seven. New members include: Shelia Croley, Pam Barstow, Kara Bowman, Eric Beyer, Theron Burch, Colleen Baker, Beverly Baril, Diane Barres, Mary Bergum, Carla Cahoon, Rene Dulaney, Dentyn Dunaway, Kim Engel, Holly Graff, Amanda Henry, Joleen Holman, Richard Holsapple, Frank Nash, Kelli Norby, Karel Shane, Carter Simpson, Jason Williams, and Debbie Woelich.

In December we also elected our new officers. The third year students filling the ranks. Jason Swindler, Regent; Chad Smith, Vice Regent; Shelia Croley, Treasurer; Pam Barstow, Secretary; Kara Bowman and John Lane, co-Historians; Brian Galbreth, Sgt-at-arms; Eric Beyer and Jaqui Pasternak (who will be inducted shortly), co-Social chairs; Lynda Kraft, Chaplain; Theron Burch, D.A.C. Rep; and Debbie Woelich, Organizational Chair.

Congratulations to all those who recently joined our ranks. We are honored to have such interest in our organization. Good luck to everyone as we dive into this spring semester. With the nice weather it will be harder and harder to study. So try to hit it hard early on.

—John L. Lane

Beta Rho Mississippi

Now that the 1995 spring semester is upon us, it is time to prepare for the many events that lie ahead. We will

soon be initiating twenty-four new brothers and are looking forward to welcoming all of them to Kappa Psi. We will also be electing new officers within the next few weeks.

The Brothers of Beta Rho are looking forward to the many activities that have been planned for the remainder of this semester. Upcoming activities include: Promoting our Big Brother/Little Brother program, the Pharmacy School's annual Valentine Party, and various social events with our little sisters. We also plan to continue participating in the local Adopt-A-Highway Cleanup program, as well as raising money for various causes.

Beta Rho would like to wish all Kappa Psi brothers a successful semester. We are looking forward to seeing everyone at the Province VII assembly at Gamma Omega Chapter in Little Rock, Arkansas.

—Gene Brown

Beta Nu Crichton

The Brothers of Beta Nu would like to congratulate our new initiates: Missi Burns, Darrin Curtiss, Andrea Grothen, Kelly Hengen, Jill Hoppe, Kelly Hostetter, Eun Jeon, Karen Kee, Michael Krohn, Ben Perez, Janet Romaro, Stell Salac, Darla Schoo and Jennifer Spellman.

There were several awards that were given out at initiation night. Jill Sekutera and Carlos Deleon were recognized for the outstanding job they did on putting together the golf tournament. Stephanie Rice was given the Askelepios Key for her outstanding performance in academics and her contributions to the fraternity. Jill Sato was given an award for outstanding work with revising Kinetics notes. Maya Leicht, Heather Jones, Phil Kuper and Katie Conklin were given awards for outstanding work for updating the Calculation notes. Kinetics and Calculation courses are both

instructed by Dr. Michael Makoid, our GCD.

Spring Conclave is coming to Beta Nu for Province XIII. It will be held the weekend of March 31-April 2 at the Old Mill Holiday Inn. Hope to see you there!

Beta Nu is currently in the process of reactivating Gamma Epsilon at University of Nebraska Medical Center. The pharmacy students have shown tremendous enthusiasm in Kappa Psi. We have appointed Heather Jones as a liaison between the schools.

—Katie Conklin

Gamma Iota Buffalo

The Gamma Iota brothers would like to congratulate our ten new brothers who were initiated Friday, November 18th. You guys made it! . . . Diana Barlow, Michelle Bower, Sheila Dadlani, John DeAngelis, Danielle Destino, Gretchen Heister, Christine McDermott, Tracy Olson, Bridget Walsh, and Nan Zhao.

Our chapter's annual "Toys for Tots" Christmas party was held on December 9, 1994. This was a semi-formal event for both students and faculty. To gain admission, a toy donation (worth \$5 or more) was required as a Christmas gift for a needy child. We had an excellent turnout which allowed us to donate toys by the barrelful to the Marine Corps.

The drug card sale was a great fundraiser for us. The sales went well and the cards were recently distributed to the students.

We are currently planning "Kid's Day" for the spring semester. This is a one-day event where different local organizations help sell the sunrise edition of the Buffalo News on the streets of Buffalo. The proceeds go to the Children's Hospital here in Buffalo.

We hope everyone had a wonderful holiday and that everyone's spring semester is going well!

—Christina Schulz

Beta Kappa Pittsburgh

Beta Kappa has been keeping busy over the past several months. To begin with we are proud to have 18 pledges this Fall term. There are 11 guys and 7 girls. They not only have assisted the Brothers in volunteering on Saturday nights at Family House, but they have also done a great job in learning the values of Kappa Psi. As a result, they will soon be initiated as our Brothers.

Province II Assembly held October 28-30 proved to be a very memorable event for the Beta Kappa Brothers. The weekend started off with a costume Halloween bash hosted by the Brothers of Delta Epsilon. Grad Brother David Maszkiewicz did a great job providing the many decorations for their "Haunted House." There was also a banquet held Saturday night in which our chapter, the Beta Kappa chapter, was not only awarded with the National Scholarship Tray (presented by Grand Regent Paul Hiller) but also with the Province II Chapter of the Year award. We worked very hard for both of these awards and were very proud to receive them both.

Recent projects the Brothers have worked on

include various fundraisers such as a "Coed Naked Pharmacy" T-shirt sale and a Christmas raffle. We also recently elected our spring term pledgemasters. They are Joseph Millward and Jennifer Marchegiani. Our Rush chairman is Kimberly Devenport. Also in our spare time, many Brothers have been found ice skating and playing football. Recently our guys played a game of tackle football against the PDC brothers of Pitt, thus strengthening interfraternal relations.

Our annual Christmas dinner party was held on December 9 at our chapter house. We not only filled up on ham, turkey, and the trimmings, but Santa Claus himself also came during our traditional gift exchange. The evening ended with a party. We were also glad to have several Graduate Brothers come for this annual event.

Other upcoming events include our 3rd annual ski trip to Hidden Valley Ski Resort. This year we have over 30 Brothers signed up to spend the weekend skiing, socializing, and just having a great time! Also in January we will elect another set of officers with high ideals to lead us through 1995.

—Staci L. Blocher

Gamma Phi Georgia

We hope everyone had a great winter. Winter quarter here was exciting with the presence of ten new brothers: Raj Janampolly, Jeff Richardson, Kerry Matheny, Mark Novack, Randy Smith, Justin Miller, Heath Gurr, Chris Bryson, Rex Malcom, and Dana Strickland. We really look forward to the contributions of these new brothers.

In intramurals, we would like to congratulate the members of the basketball and bowling teams for a great season. Also, congratulations to the football team for making it to the final four of last quarter's tournament. Great job guys!

We hope everyone has a great spring break and spring term. Hope to see y'all in Orlando!

—Dwayne Pierce

Psi Tennessee

Big Brother Revealment Day ended several weeks of suspense for the pledges. To learn the name of the person who sent them lots of gifts, pledges had to weave in and out of a tangled web of yarn in search of a card attached to the end of their string. The

Beta Kappa brothers proudly displaying Scholarship Tray and Province Awards at the Province II Assembly.

Psi members Trick-or-Treat for MIEA canned goods.

card told the name of the pledge's Big Brother. All pledges and brothers then went to Connestoga to eat a steak dinner and get to know each other. After social hour, the pledge was put in the spotlight, while his Big Brother told stories and rumored about him. Finally, a uniquely created nickname pertaining to the story was imprinted on a jersey and given to the pledge by his Big Brother. By the end of the evening, everyone's stomach hurt from too much laughter and eating too much steak!

Pledges immediately became involved in fraternity activities with their Big Brothers. Two fundraisers provided this interaction. The Psi chefs flipped burgers at a cookout in Forrest Park, which attracted students from the whole campus. Many other members donated unwanted items to a Garage Sale at the House.

All pledges and many brothers travelled to Meeman-Shelby State Park for an overnight pledge retreat. Some of the activities which occurred were as follows: a lasagna dinner, a pledge test, communion and fellowship around a campfire (with songs and guitar picking), and a trip through the haunted woods of Camp Kappa Psi.

Halloween caused many Psi

members to transform into various creatures. These ghastly members went door-to-door collecting 314 canned goods for MIEA. A "ghoul" time was had by all!

Our first House Christmas Party allowed all members, pledges, and our faculty advisor, Dr. Eoff, to unite in Holy spirit. We anticipate sang-carols, indulged in scrumptious treats, and sending the pledges on a secret hunt for special Christmas items. Also, everyone brought a toy to the party to donate to St. Jude's children.

Spring Semester has some exciting upcoming events. First, Pledge Initiation will be held at the House, with a dinner prelude to the ritual at Spaghetti Warehouse. Second, everyone looks forward to attending Province Mid-year Meeting in Little Rock, Arkansas in March.

—Tracy Davis

Province II

The Province II executive committee wants to thank the brothers of Delta Epsilon for the excellent job hosting the last Province II assembly on October 27-29. Here are a few additional notes from that assembly . . . Grand Regent Paul Hiller and Collegiate Member-at-Large Tim Eley attended the assembly. Once a year at the fall province assembly, each

chapter present is to give a chapter slide show report of their activities over the past year. This year's recipient of the outstanding slide show award is Beta Kappa's historian Staci Blocher. Beta Kappa also received the Province II Chapter of the Year award. Saturday night of the assembly, the Delta Epsilon brothers gave all in attendance a taste of Pittsburgh night life with a crushing tour of the "burgh's south side which ended with a block party at some DE brothers' apartments.

The next Province II assembly will be hosted by the brothers of Beta Omega in the City of Brotherly Love, Philadelphia. The meeting is tentatively scheduled for February 24-26, 1995.

Congratulations go out to the brothers of Beta Kappa, Beta Eta, and Delta Epsilon for placing in the top ten for scholarship certificates awarded.

Finally, the next GCC is rapidly approaching; therefore, watch the GCC video (produced and directed by Pittsburgh Grad brother Frank Furfaro) and make plans to attend in August.

—Joe Millward
Province Historian

Minnesota Graduate

Our membership has been growing. We have about 60 dues-paying members. We hope that we will continue to grow in 1995. At our Fall meeting we once again decided that we will need to change meeting places. We are hoping to find a more private place for our meetings.

We have been busy supporting Epsilon Chapter by attending their initiations and participating in their other Winter events. In January, we had a party to allow the soon-to-be graduates (as well as other Epsilon members) to get to know more about the Graduate Chapter. We will also be inviting the 1995 graduates to our Spring

meeting in hopes of keeping the active after graduation.

We would like to thank Brother Brenda Rippentrop for the use of her house for our New Year's Eve Party. It was a lot of fun.

—Cassandra Knoblauch
Soukup

Delta Beta Southwestern

In November of each year, the Brothers of Delta Beta participate in what is commonly known as the Hygea Bowl. The Hygea Bowl is a full contact football game between Kappa Psi and their rival pharmaceutical fraternity Phi Delta Chi. Each year Phi Delta Chi informs us of how badly we will be defeated, and each year they are sadly disappointed. This scenario held true once again.

This December, like every December, we participated in the Toys for Tots annual Christmas toy drive. The brothers of Delta Beta spent approximately one hour picking out gifts for kids thirteen to sixteen years old. We had an enjoyable time. I want to thank all that helped.

We are looking forward to the induction of nine new pledges next spring. We know that they will bring character and leadership that we look for in our chapter.

—J. Bradley Mahan

Providence Graduate

The Providence Graduate Chapter is still bustling with fund raisers, seminars and most importantly, preparing for the 47th GCC in Cape Cod! Let's check in with the Brothers of the PGC and see what's cookin' since last time I wrote . . .

A near perfect day marked the success of the 3rd Annual Providence Graduate Chapter Golf Tournament in September 1994. Thanks to the participation of our committed Brothers and friends (a record number of 23 golfers!), over \$1,000 was earned for the Dr. George

Osborne Scholarship Fund for outstanding undergraduate academic achievement. Surrounded by the superb conditions at the Warwick Country Club and Narragansett Bay, golfers enjoyed a memorable 18 holes of tournament play.

A cocktail reception and lavish buffet dinner were followed by the presentation of tournament prizes. The winners of the "Longest Drive" and the "Closest to the Pin" were Greg Erickson and Mike Parolli, respectively. Overall, "Best Team Score" went to the "Fearsome Foursome:" Greg Erickson, Dr. Albert Marz, Dominic and Peter Ragosta. The Brotherhood thanks the following individuals and organizations for their contributions of time and donations: Peter Ragosta (Chairman), Amario DiOrio (Co-Chairman), John Zevzavadjian (Committee Member), Pfizer (Dan Coakley, New York City), McKesson, ad Cerenex.

Special thanks to the following brothers for participating: Keith Dion, Mike Graubart, John Zevzavadjian, Pete Ragosta, Bill Rosa, Don McKaig, Mike Loomis, Bill Cornell, Amario DiOrio, and John Grossomanides. Dr. Osborne would have been proud!

Brother John Grossomanides has officially announced his candidacy for Grand Regent of Kappa Psi Pharmaceutical Fraternity, Inc. John has served on this committee for the last 12 years! For those that know John and are aware of his contributions at many levels within the Fraternity, he is an excellent candidate for this office. I would anticipate that he will have a run for his money because he will be vying with other Brothers who are likely just as deserving.

Let's all support ALL the candidates by attending the 47th Grand Council Convention at the Sea Crest Resort in Cape Cod! REMEMBER! The PGC and Beta Epsilon are hosting the 47th GCC from August 8-12, 1995.

Room rates are \$125/night. Call 1-800-225-3110 to register early. Registration fee announcements are forthcoming. MARK YOUR CALENDARS NOW! You should have received two mailings regarding the 47th GCC to date. If not, please contact John Grossomanides, Marc Bernarducci, or Michael Graubart who was recently appointed the General Chairman of the 47th GCC.

Brothers Brian Kozielski AND John Thomas (remember these clowns from Marco Island?) passed their NAB-PLEX exams in New Jersey. There must be a God! Anyway, the CDC, WHO, and the FDA have all been notified that a serious public health risk may arise before the turn of the century. Seriously, CONGRATULATIONS to both new "RPHs". You've made your "Big Brother" and KΨ proud. Good luck, "B & T"! Marc Bernarducci recently visited Brother Michael Halliwell and his wife Tedene in Overland Park, KS. Marc had the honor of being the Godfather (Bernarducci? . . . Godfather? . . . hmmm . . .) at their daughter's christening in August 1994. Jessica Jo Halliwell was born on July 18, 1994. However, no visit to Kansas would be complete if you didn't run into Sean Higgins who now lives in close by Lawrence and works for Hi-V Pharmacy. Marc, Mike and Sean were able to get together and exchange memories and stories of Kappa Psi. Sean is also trying to collaborate with Mike in starting a Kansas City Graduate Chapter!

Now, some quick notes about some of our individual Brothers who we haven't seen or heard from in a while . . . Brother Robert Perez reports that he has finally moved out of the house and into his own apartment. He exclaims that he should have done it sooner, but all is well in the Perez family. Now, if only John Grossomanides could do the same! However, if I had a

mom like "Momma G" I wouldn't want to move out either! Love ya', "mom." Rob works for Westchester County Hospital and Putnam Hospital in New York. His faithful sidekick during his undergraduate years at URI, Brother Jim Miller, has moved back from California where he worked for Walgreen's. He still works for Walgreens now in Exeter, NH. He looks forward to getting back to Bangor, ME to be closer to his family after he gets married this spring.

Looks like plenty is cookin' at the PGC. There's much more to come, especially with the 47th GCC around the corner! We look forward to hosting it, renewing old friendships and making new ones! Meanwhile, the Providence Graduate Chapter hopes that the holiday season brought peace, happiness and hope for a prosperous 1995 to all of our Brothers.

—Marc P. Bernarducci

Beta Psi Wisconsin

We sincerely hope your holidays went well and were full of happiness. The Brothers of Beta Psi have had much to celebrate and be thankful for these past few months.

On December 6th, our chapter officially celebrated

seventy-five years of brotherhood. To commemorate the anniversary of our chartering, we had held a weekend celebration on June 3rd to 5th. On Saturday, June 4th, we cooked out at Olin Park. Games of croquette, volleyball, and baseball sprung up throughout the day. The big question was who would drop first, the alumni or the actives. Fun was had by all.

As the alumni reminisced, the actives were able to hear first-hand stories about events they were taught or had read about. Later that night, a banquet was held at the Madison Civic Center. Our Regent, Jason Collard, accepted a plaque from Grand Regent, Paul Hiller, which recognized our 75 years of brotherhood. Also the recognition button was presented to Michelle Moureau, the 75th anniversary committee chairperson, for all her time and effort. We would like to thank all the alumni and brothers, who traveled from all over, for helping make the weekend very special and one that will not be forgotten.

Beta Psi initiated eight new brothers on November 12th. They are Jennifer Berrens, of Waupaca; Julie Graper, of Beaver Dam; Jill Hoffmann, of Fort Atkinson; Jen Krzrnarich, of Wisconsin Rapids; Todd Matti, of

Delta Lambda Fall Spaghetti Dinner Fundraiser.

Wausau; Tony Matznick, of New Holstein; Brian Mihelich, of New Berlin; and Doug Weaver, of Wisconsin Rapids. A special thank you to the brothers from Gamma Pi for making the long trip to help us make our Final Exam Night a success.

The initiation came just in time for the new actives to enjoy their first "fun" bus with their brothers on December 2nd. Our social chairman, Brian Schkirkie, led our adventure to a neighboring city, Sun Prairie. A special thanks to the brothers of Pi chapter for joining us on our journey. Sorry we couldn't get you a ride in the Oscar Meyer Wiener Mobile!

Delta Lambda brothers during Fall rush.

Maybe next time?!

Beta Psi would like to extend an invitation to all brothers who would like to visit us. If you are interested, you can call the Beta Psi house - (414) 257-4292 or 257-4293.

—J. Gentz

Delta Lambda Buies Creek

Well, the Spring semester has finally arrived and for the Brothers of Delta Lambda that means we have grown in size. The end of the fall semester brought us the induction of 24 pledges. They are as follows: Chris Apple, Jim Beaty, Wayne Carter,

Jeffrey Edge, Leann Gibson, Mary Herring, Kristi Holmes, Conrad Hunt, Narinder Kaur, Emily Lundy, Tara Maples, Vicki Miller, Rick Mullins, Thomas Oppelt, Christy Oxford, Ashley Riggan, Christine Saddler, Tara Sanders, Carla Schoenberger, Lora Shelton, Joseph Smith, Michael Smith, Ron Smith and Brandon Taylor.

During the pledge period, the pledges raised over \$800 through various fund raisers that included a car bash during homecoming, car wash, spaghetti dinner, and the selling of sweatshirts. The pledges decided to donate portions of the money to the Make-a-Wish Foundation and to the Habitat for Humanity of Harnett County. The remaining amount of the money was donated to the chapter. The pledges also visited a local children's home on Halloween to provide them with a carnival which featured a cookout and games. The brothers were also along for the trip and a good time was had by all. Tras pick-up was another service project the pledges seemed to really enjoy. Our chapter sponsored a blood drive in which 99 pints of blood were donated and we did blood pressure screenings at a local department store.

Congratulations are in order for Lynn Bass, Brother of the Month for September, and Danny Seavers, Brother of the Month for October. The Delta Lambda chapter has also elected new officers, they are:

Regent: Greg Poythress
1st Vice Regent: Mary Herring
2nd Vice Regent: Lynn Bass
Recording Secretary: Kelley Childress
Corres. Secretary: Kristi Holmes
Treasurer: Tanya Byrd
Assistant Treasurer: Tara Maples
Chaplin: Brandon Taylor
Historian: Michael Smith
Ritualist: James Gibson
Sergeant-at-Arms: Rick Stansbury
Pledgmaster: Michael Griffin

Assistant Pledgmaster: Todd Franklin

Assistant Pledgmaster: Joe Smith

The spring semester, we hope, will be as productive as the fall for both the new pledge class and the brothers of Delta Lambda. Among the activities planned are the Mad Medicine rush party, the Super Bowl party, a blood drive, and a trip to a local children's home. The Cadet Ball is planned for March 10-12 in Myrtle Beach, S.C.

—Michael Smith

Beta Xi Chapel Hill

The Brothers of Beta Xi like to announce the induction of 16 new brothers: Wayne Page, Theresa Dail, Laura Smith, Neil Wheelless, Travis Holschauser, Melanie Holschauser, Bartel deBruyne, Amy Phillips, Effie Retsios, Corey Coleman, Stephen Holland, Amy Landers, Bob Hedenskog, Bryan Monroe, Ginger Gregson and Tio Lien.

They worked extremely hard all semester for the brotherhood and were exuberant over their new status. We hope they will be able to bring new and refreshing ideas to our great fraternity. Congratulations new brothers.

We would also like to announce our new executive officers:

Regent: Jason Lynn
1st Vice Regent: Kenneth J. Hale
2nd Vice Regent: Robert Malone
Treasurer: Andrew Rouse
Secretary: Jonathan Marks
Pledgmaster: Heath Dobson
Chaplain: James K. Watson
These leaders will make an impression that all of us should follow.
The Kappa Psi brothers are also leaders in Pharmacy School at UNC.
Senate President: Brandon Maddox
Senate Vice President: Jason Lynn
Senate Treasurer: Heath Dobson
Class Vice President: Robert (Bo) Spittler

Kappa Psi—Friends and More

Greetings to my Brothers in Kappa Psi. It is indeed a pleasure for me to address these few words to you. It has been a while since I was honored to serve as your Grand Regent and many changes have occurred in my life. The most significant change was, of course, my retirement from the deanship at Texas Southern University and my decision to study for the priesthood in the Roman Catholic Church.

After three years of study I was awarded the Master of Divinity degree from the Sacred Heart School of Theology in Wisconsin and was ordained to the priesthood in June 1993 to serve the Diocese of Galveston-Houston. For the past year I have served as administrator/pastor of St. Francis of Assisi Catholic Church, a predominantly African American parish in Houston, Texas.

I give you this brief history because many people, places, and things made an impact on my life, and not the least was Kappa Psi.

Through Kappa Psi I was able to travel these United States and meet individuals of various Christian faith traditions, but also people who may hold non-Christian belief. As an African-American, I met young men and women from many ethnic backgrounds. I have found in Kappa Psi an understanding, a fellowship, and a caring that transcended all barriers. It is a fellowship that rejoiced with me in periods of happiness and stood ever ready to comfort me in times of sorrow.

I am particularly honored to have met and associated with some of the great men of Kappa Psi, working shoulder to shoulder with Glen Sperandio, Bill Fitzpatrick, Gus Danti, Norm Campbell, Dewey Garner, and great executive secretaries, as Don Florridia and Bob Magarian. They were all great inspiration to me and motivated me in ways even they had not realized.

Spiritually, I would be remiss if I did not acknowledge the great role model in my brother and His Excellency Bishop Frank Facione. Brother Frank was always available as counselor and advisor when I needed him most. He is an asset to this fraternity, as well as, to the church in which he serves.

Kappa Psi has much to offer each of you. Those of us who take our commitment seriously never lose in the end. We gain tremendously in our relationships and in our understanding of mankind. Remember well the tenets taught in Kappa Psi. They will serve you well as you work in your profession. We never know what life will hold for us. I am thankful for the many people who have had a positive influence on my life. I am thankful for all my Kappa Psi brothers who had confidence in me and elected me to the highest office of the fraternity. Please know that each of you is included in my daily prayers and Masses. In closing let me share with you one of my favorite biblical verses from the prophet Micah 6:8. He has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?

Fraternally,

Patrick R. Wells
Past Grand Regent

This Christmas, the brotherhood sponsored two needy families for the holidays. We raised over \$300 to buy toys and other necessities for these families so that they could have a happy holiday season.

Earlier this semester, we finalized the Gwen Stroud Memorial Scholarship Fund. This is a scholarship in remembrance of our brother, Gwen Stroud, who was killed in a car wreck this past spring. Our immediate goal is to raise \$10,000 to insure the scholarship's permanent place at our School of Pharmacy. Over the long term, we would like to double the size of the scholarship fund so that two people

may receive its benefits. Anyone wishing to make a tax-free donation to this cause may call the Kappa Psi house at (919) 968-9971.

We are saddened by the death of an alumni, James K. Williams (class of 1971). He will be sorely missed by everyone who knew him.

Stay tuned for more information about our annual tunnel party.

—Jin Woo Jun
