More Than They Expect, Cheerfully

John Grossomanides
Grand Regent

Brothers,

To our collegiate Brothers the school year has come to an end, enjoy your summer. To those who graduated from school, congratulations. I would suggest anyone graduating contact the Central Office with your new address to ensure that you continue to receive THE MASK.

The Kappa Psi reception at the American Pharmaceutical Association Annual Meeting was very successful. Our reception drew another enormous attendance. This event saw us honor one of the truly visionary men of our profession. Dr. Joseph A. Oddis, Executive Vice President of the American Society of Health System Pharmacists (ASHP) was presented the 1996 Kappa Psi Grand Council Citation of Appreciation. If you have not attended our formal affair, I recommend you do so.

The Kappa Psi Home Page on the World Wide Web is quickly gaining success. In the January issue of *Pharmacy Times*, an article entitled "Pharmacists in the Internet" recognized us as the only professional pharmacy fraternity to accomplish this feat. The home page has much information such as: dates of upcoming events, how to connect to our Kappa Psi list server, and the e-mail addresses of many of our Brothers. If you have a computer, I would encourage you to visit our site and add your name to the list server.

The Grand Officers have been busy traveling to the Province meetings. We have scheduled a number of chapter visitations for chapters in need of assistance. Our leadership keeps an eye on its chapters so they do not fall behind on their dues, drop in their membership, and fail to participate in Province and especially Grand Council Conventions.

The new jewelry company, Burr, Patterson and Auld has delivered its first shipment to the Central Office. We look forward to a long successful venture together. If you do not have a Kappa Psi lapel pin or the official badge, purchase one. I ask you to wear your pin proudly at pharmacy meetings and events.

I was privileged to celebrate the reactivation of Xi Chapter in January. Executive Director Magarian, Dr. Jennifer Donaldson, the Columbus Graduate Chapter, brothers from Gamma Delta Chapter and I initiated 29 brothers into Xi Chapter. My congratulations to these undergraduates who have begun a new era in this chapter.

To my fellow alumni, please send in your graduate alumni dues and become part of the Kappa Psi 200 Club.

I look forward to hearing from by brothers. Please send me any new ideas you have which can improve our fraternity. You may write me, call me, or e-mail me at YIANNI7@AOL.COM with your suggestions.

Finally, allow me to leave you with a quote I recently came across - "Give people more than they expect and do it cheerfully."

Fraternally,

John Grossomanides

Graduation Day

You have just spent 5 to 6 years studying and now all of your efforts are about to pay off. Graduation!! But what comes next? Sure your first objective is to pass the board exam but then your first real job as a pharmacist. It will be an exciting time but during that first year you will be learning things that no amount of education or role playing or text book could ever teach you.

Believe it or not you will probably learn how to really communicate. You just thought you could communicate but you can really grasp the basic ideas of communication if you will just devote time to communication.

By this I mean learn how to listen, your patients DO have something to say. This is terribly important to you and to your patient. They will tell you things you do not expect to hear. And by the way, not all communication is verbal.

Being able to understand body language is another tool you will learn in that first year of practice. Also you will need to learn to avoid assuming anything because if you assume something is said or understood it could just as easily not be said or understood. Generalities are another area that we get in trouble. Each patient is unique and they deserve to be treated as unique.

Another lesson we all learn is how to handle conflict. You can usually not avoid all conflict but you can certainly learn how to manage conflict. All people are different and unique so conflict will occur. It is up to each of us to learn how to deal effectively and constructively with conflict and to resolve disagreements in a reasonable and positive manner and to agree on a resolution.

While all of these things take a little work and sharpening of your skills they are skills that will take you far in our profession if they are used in a constructive manner. Good Luck.

Fraternally,

Charley Meadows

Dec. 13, 1963 - Nov. 17, 1995

In the passing away of Charley Meadows, it was hard to just read his name with another and not say anything more. Charley was the Regent of Kappa Psi when I pledged in 1985. Charley was quiet, and extremely intelligent. He never became the President of the United States, or was on the Board of Pharmacy. But, if you were one of the fortunate ones to have known Charley, your life was never again the same. He knew how to be a friend. He knew how to give and to share. When he would smile his entire face and the room he was in would light up. He, for me, was always there to build me up, encourage me, and at times say to me exactly what I needed to hear to go on. He is the one who encouraged me to pledge Kappa Psi. He was fair. He had a very tender heart. He was a very special man and friend to many. Charley will always be missed and will never be forgotten.

Sue Xander

HELPFUL MANUAL

Kappa Psi is currently putting together a manual that will include chapter ideas on fundraising, rushing/pledging activities, theme parties/social events and community projects. This manual will serve as a guide for chapters to refer to for new ideas. Forms have been sent to Province Satraps to be given out at the province meetings that occur after March 1. The rest of the provinces will be reached next semester. Please make sure your chapter is represented for this project. This manual is to be completed by the next GCC. If you have not been contacted about this project, feel free to contact me about receiving a form. In the meantime, please keep your letters coming for the Houses of Kappa Psi and the quick reference section for THE MASK. The information about the fraternity houses should be as complete and detailed as possible. We will be adding these to the Kappa Psi history book. I have included an example of how I would like to list the quick reference information.

THE HERITAGE OF KAPPA PSI

Those Fabulous 50's

1953

By Dr. Dewey D. Garner, Grand Historian Emeritus

Following World War II and the Korean Conflict
 men were returning to college under the GI Bill. Kappa Psi had 45 active collegiate chapters and 17 active graduate chapters. Almost 3000 new brothers had been added to the Agora since 1950. The total annual collegiate membership reached 2000 in 1950 for the first time in history.

Another outstanding Kappa Psi achievement was recorded in November, 1952 when the 200th issue of *The Mask* was published and distributed to almost eight thousand members of the Fraternity. With the publication of this issue, Brother Maynard W. Quimby had completed five years as Editor during which time he changed its entire format including a new cover and many new features. The November, 1952 issue was the final number of the fiftieth volume. For a half century members of Kappa Psi had been kept informed of the various activities of our Fraternity through this official publication.

Gamma Psi Chapter at the Southern College of Pharmacy (now affiliated with Mercer University) in Atlanta, Georgia, was chartered on March 6, 1953. Grand Regent Frank Eby and Grand Historian Nicholas Fenney were the installation officers.

Three graduate chapters were established in 1953. The Arizona Graduate Chapter was installed on March 20, 1953, at Tucson, Arizona by Grand Secretary-Treasurer Ray S. Kelley. The Minnesota Graduate Chapter

was officially installed on April 13, 1953 at Minneapolis, Minnesota. This was the 25th anniversary of the founding of Epsilon Chapter at the University of Minnesota and it was appropriate that Grand Vice Regent Karl J. Goldner, a charter member of Epsilon Chapter, should officiate at this installation ceremony. The District of Columbia Graduate Chapter was installed at the Bethesda Country Club on May 23, 1953 by Grand Regent Frank Eby. Grand Secretary-Treasurer Ray Kelley and Grand Vice Regent Milton Neuroth were also in attendance.

Nu Chapter at the University of Connecticut and Pi Chapter at Purdue University celebrated their 25th anniversaries in 1953.

In early 1953 the new "Handbook for Pledges" was made available for distribution from the Central Office. The HANDBOOK included a Declaration of Principles, a short History of Pharmacy in America, reviews of the histories of the American College Fraternity Systems, the Professional Fraternities, and the Pharmaceutical Fraternities. The chapter on Kappa Psi Fraternity included a detailed Historical Sketch, Obligations of a Pledge, Responsibilities of Fraternity Membership, Information on the Government, Insignia, Emblems, and other items.

A meeting of the Executive Committee was held in Boston, Massachusetts on May 15-16, 1953. Grand Regent Frank Eby, Grand Secretary-Treasurer Ray Kelley, Editor of *The Mask* Maynard Quimby, and Committee Members Rudolph Blythe, John Dayton, Jr., Pierre Smith, and Peter Regrut were in attendance.

On August 19, 1953, the Eight Annual National Kappa Psi Breakfast was held at the APhA Convention in Salt Lake City, Utah. One hundred and five brothers were in attendance.

The Twenty Seventh Grand Council Convention was held at the Sheraton-

Front row: Rudolph H. Blythe, Grand Regent Eby, and Grand Secretary-Treasurer Kelley. Back row: John J. Dayton, Jr., Pierre F. Smith, and Peter C. Regrut.

PRESENTATION OF THE CHARTER TO GAMMA PSI CHAPTER. Left to right: Regent John Pittard, Manyon Millican, Dr. Wei-Chin Liu, Grand Historian Nicholas W. Fenney, and Grand Regent Frank H. Eby.

HEAD TABLE AT 74th ANNIVERSARY BANQUET, CONTINENTAL ROOM, SHERATON-PARK HOTEL, Wednesday evening, December 30, 1953. Seated, left to right: Nicholas W. Fenney, Mrs. Frank H. Eby, Frank H. Eby, Mrs. Maynard W. Quimby, and Mrs. Charles W. Bliven. Standing, left to right: Gunther K. Kessler, Mrs. Kessler, Mrs. Fenney, Maynard W. Quimby, and Dean Charles W. Bliven.

Park Hotel in Washington, D.C. on December 28-30, 1953. Total attendance was 311, a record which was to stand for the next 42 years. Four brothers of Beta Sigma Chapter at North Dakota State University, Larry Hylden, Odell Krohn, Ken Krause, and Ron Wolf, brought several hundred copies of "Kappa Psi Sweetheart" to the convention and it was adopted by the Grand Council as the "Official" Sweetheart song. At the 27th Anniversary Banquet Brother Nicholas Fenney was installed as Grand Regent and Retiring Brother Frank Eby was honored for his seven years of Grand Regent and for 13 years of service as a Grand Officer. Brother Ray Kelley, Grand Secretary-Treasurer since 1941, was ill and unable to attend the Convention.*

*Brother Kelley died on March 13, 1954 and on April 10, 1954 the Executive Committee appointed Brother Frank H. Eby to the Office of Grand Secretary-Treasurer, a position he was to hold until December, 1965. Brothers Kelley and Eby operated the Office of Grand Secretary-Treasurer (now the Central Office) out of their homes for a total of 24 years.

Past Grand Regent Eby responds following receipt of gifts from the members.

Kappa Psi Pharmaceutical Fraternity Foundation Award Winner

Each year the Kappa Psi Foundation awards scholarships to students of pharmacy at various universities and colleges throughout the United States. One of this years award winners was Mr. Mark Shelby at Samford University.

Mark Shelby was born on March 27, 1972 in Dayton, Ohio. For twelve years, I played soccer and won the state championship twice (1986 and 1988). Then I went to Cumberland College for my pre-pharmacy work where I majored in chemistry. I attend Samford University in Birmingham, Alabama. I am a candidate for the Bachelor of Science degree in pharmacy this May. While at Samford, I was the Regent of my Kappa Psi chapter, President of my Bachelor of Science class, and Vice-Chair of the Student Affairs Board. During my tenure as regent of the Gamma Zeta chapter, we were awarded the International Chapter of the Year. My future goals are to practice in a retail-chain pharmacy implementing pharmaceutical care whenever possible and to climb the professional ladder.

Mark Shelby
Gamma Zeta Chapter

The Houses of Kappa Psi

Beta Xi

Last year the Beta Xi Chapter celebrated the 25th anniversary of its current chapter house. Construction of the house was completed in early 1970, and the first brothers moved in during the spring of that year.

The house is located a few miles from the UNC-Chapel Hill campus on a wooded 1.4 acre lot across from Finley Golf Course. The three-story house has over 12,000 square feet. There are 20 bedrooms located on the second and third floors, and a large living room, chapter room, kitchen, dining room, and a small apartment on the first floor. The apartment was originally occupied by the house-mother.

Currently there are twenty-five brothers, both male and female, living in the house. In addition to the brothers, the house is also home to a "mini-zoo" consisting of three dogs, a cat, two snakes, and several other reptiles.

The history of our current house is very interesting. The previous Kappa Psi house was located on a lot adjacent to campus. In 1968, the owner of the property decided not to let the chapter renew its lease. Instead, the owner sold the land to the city, which planned to demolish the house and build a parking lot. The chapter was given one year to find another place to live. During that time, the house on Finley Golf Course Road was designed, and a contracting company gave a bid of \$150,000 to build the house. A bank agreed to loan Kappa Psi \$100,000 only if the chapter could pay \$50,000 itself. The brothers worked very hard and managed to raise all of the needed money. Most of the money came from selling \$100 bonds to Kappa Psi alumni and by selling them door-to-door across the state. The house was built and the dedication ceremony was held in March 1970.

Today, our brotherhood feels very fortunate to have such a beautiful and spacious house in which to live and conduct chapter activities. Although it is not required, most of our brothers choose to live in the house because it is very affordable and convenient. A full-time cook is employed to provide lunch and supper for the brothers five days a week. Most everyone agrees that the best part of living in the house is the fun! There is always something going on, whether its a pickup game of basketball on the court out back, foosball, volleyball, watching "ER" on Thursday nights, building a bonfire in the backyard, or just talking

The Beta Xi house at UNC-Chapel Hill.

in the rocking chairs on the front porch. We feel that having a house is largely responsible for the strength of our fraternity and the deep bonds that exist between our brothers.

Beta Sigma

The Beta Sigma Chapter of North Dakota State University has enjoyed its own house since 1925. This original house held 15 brothers. The second house was occupied from 1935 to 1957 and held 18 brothers. In 1957, this house was torn apart by a tornado that ripped through the city of Fargo. The brothers then moved to a temporary house until the current house was built in the Spring of 1964.

The house now contains eight quadruple rooms, which have been reduced to double rooms for comfort, and three single rooms. The house is occupied by 14 of the 28 brothers. Each room is personalized to the individuals tastes and has an identity all its own. The house, also contains two bathrooms, kitchen, large dining and meeting room areas, study rooms, basement, sauna, and recreational area. Outside the house there is a large parking lot, a basketball area, and a sand volleyball court.

The Beta Sigma house at North Dakota State University.

Kappa Psi at the ASHP Mid-Year Meeting

Kappa Psi was well represented at the ASHP mid year meeting in Orlando Florida. These photos can attest to the fun and the life long influence of Kappa Psi.

A. Richard Bliss Jr. Citation of Appreciation Honoree

Dr. Joseph A. Oddis, Executive Vice President of The American Society of Health-System Pharmacists, Remington Honor Medalist, Hugo H. Schaefer Awardee, Donald E. Francke Medalists and Past President of the International Pharmaceutical Federation, was selected for the highest honor awarded by The Kappa Psi Pharmaceutical Fraternity: The "A. Richard Bliss, Jr. - Citation of Appreciation Award."

This award is presented to a member or non-member, who has shown outstanding leadership and unselfish service to Pharmacy and Pharmaceutical Education.

Left to right: Dewy Garner, John Grossamandes, Wilson McDonald, and Bob Magarian remember good times at the University of Oklahoma.

The Brothers of Gamma Omega at the spaghetti supper sponsored by the pledges.

Gamma Omega University of Arkansas

To start the 1995-96 year off-right, we threw a back-to-school bash with Kappa Epsilon. This year's theme was "Gettin' Down on the Pharm." (Yeehaw!) Shortly after that, we had a car wash to raise money for the chapter. We also had a school-wide Halloween disco party - John Travolta, eat your heart out! And, as always, we have had many episodes of our infamous Kappa Psi Chili Pie sales.

The spring semester came quickly, and with it came Rush Week. In addition to the traditional rush party, we had a pizza party and slide show for the freshman, featuring the Top 10 Reasons to join Kappa Psi. We are pleased to announce that we had 9 pledges this year, including 3 girls. Pledge activities included a paddle-signing party, a spaghetti supper for the members (mm-mm good!), and a scavenger hunt. Initiation was in early March.

Future events for Gamma Omega include a formal in April, and our annual "Blowout on the Buffalo" float trip in the summer.

—Stephanie Sexton

Gamma Psi Mercer University

Gamma Psi would like to thank the brothers of Gamma Sigma for being great hosts at the Province IV meeting. Brothers Tommy Meadows, Jamie Nash, Sayer Monroe, Mark Byington, and Todd Davidson had a great time. Congratulations to Todd Davidson for being chosen

Parliamentarian of Province IV. These brothers came back with a fire in their eyes that has excited everyone here at Gamma Psi.

Rush this year was very productive. We had a "Nuts and Bolts Party" which gave everyone a chance to meet each of the rushes. We also had visitors from Gamma Phi and Gamma Zeta which showed the support our Province has. We ended up with eleven guys who we think will be great leaders. So let the fun begin! We have taken a couple of trips to Athens this year. One trip was with our pledges to show them that Kappa Psi did not end at Mercer. They, of course, had a great time.

Upcoming events include our bi-annual blood drive for the Red Cross at the end of March, a golf tournament in April, and the induction of new brothers

at the IFC Formal Banquet also in April. Best wishes to all!

—Scotty Jarvis

Gamma Xi

University of South Carolina

The Gamma Xi chapter would like to congratulate and welcome our seven new brothers: **Scott Sutton, Matt Hollis, Bryan King, Jeremy Kelly, Josh Carlson and Chris Kennington**. As with each spring semester, we change leadership in Gamma Xi. Here are our new officers for 1996: Regent, Michael Eaddy; First Vice, Scott Sutton; Social Coordinator, Bryan King; Pledge Master, Jess Prior; Athletic Director, Matt Hollis; Chaplain, Tony Eslick; Sergeant-at-Arms, Allen Wall and Jeremy Kelly; Liaison, Matt Kornegay; Historian, Chris Kennington; Secretary, Anup Patel; Treasurer, Ned Stroh.

The annual Motar Bowl (graduate versus collegiate) football game was a success this year as the collegiate team brought home the plaque with a 26-0 victory. In March, the brothers of Gamma Xi participated in the Student vs. Faculty basketball game, an event held annually to raise money for the Plough Foundation Scholarship fund.

We are really focused on community activities this spring semester. In January, the brothers participated in a health clinic in which we gave care packages to the needy,

and monitored blood sugar levels. The bi-annual "Back-to-School" party's theme was "Bring a can-make a friend." Everyone who attended the party was encouraged to bring canned goods to help boost food drive participation. Brothers also made crafts and played games with children in the Children's Hospital at Richland Memorial Hospital. We just hope that the fall semester is going to be as fun and productive as this spring semester.

—Michael Eaddy

Province II

Province II brothers assembled in the city of Pittsburgh, home of the AFC champion Pittsburgh Steelers on February 16-18. The graduate and collegiate brothers of Province II, and even a few Grand Council officers enjoyed the warm hospitality of a traditional Beta Kappa (University of Pittsburgh) TOGA PARTY!!!

The meetings on Saturday were very productive, and informative. Under the new leadership of Satrap, Dave Maszkiewicz, Province II plans to benefit from the use of special committees that will work together between assemblies, and report to the Province assembly in a workshop format. Some of the new committees to be included are: Risk Management, Technology, Philanthropic, and Inter-Province Relations.

A special thanks goes out to

Gamma Psi Brothers at Province IV meeting with Grand Regent Grosomanides and Grand Ritualist Eley.

brother Craig Johnston for treating the brothers at Province II to All Night Bowling, and for dazzling the brothers (and alley security alike) with his patented Shot-Put and Soccer style bowling technique.

The other new officers for 1996 are as follows: Vice Satrap, Brant Gahr; Secretary, Deanne Gimiliano; Treasurer, Mike Bernardo; Chaplain, Dave Andrewcavage; Historian, Brett Rathi; Immediate Past Satrap, Mike Starvaggi. The new officers have a firm grasp on what they want to accomplish in the upcoming year and are already taking steps to improve an already strong Province. Good Luck and best wishes in leading our Province throughout the next year!

—Bret Rathi

Beta Pi

Washinton State University

Things are going good here in the Pacific Northwest. We had a very successful Christmas Party to end the fall semester. Many students and faculty members attended. The Christmas Party saw the return of the Rx Rated Reviews. This is where the students do skits and get to poke a little fun at the professors. It was a big hit and the party was really fun.

To start the spring semester, Kappa Psi and ASP sponsored a ski trip. This was very successful. We spent the day skiing at Schweitzer in Sandpoint, Idaho and spent the night in Coeur d' Alent, Idaho at the famous Cd'A Resort. We have an end of the year camping trip planned for later in the semester. It will be one last time for everyone to get away and relax before finals come around. Good luck to everyone with the rest of the semester!

Gamma Zeta

Samford University

This semester started off with a blast when 14 of our brothers attended the Province IV meeting in Gainesville, FL. We would like to congratulate Gamma Sigma for a job well done in making this year's meeting a success. We look forward to hosting next year's meeting on January 3-4, 1997.

Left to Right: Gamma Zeta Brothers Sunni Jenkins, Trey Burton, and Lori-Lynn Kinney.

here in Birmingham, AL. The plans for the meeting are already underway in hopes to strengthen bonds of brotherhood and create memories you will remember for a lifetime.

The remainder of the semester for Gamma Zeta has been filled with many exciting events and special service projects. We began the semester with a Back-to-School pajama party, where everyone showed up wearing their favorite pajamas. What a sight to see! To strengthen the brother-faculty bonds of Gamma Zeta, we held a taco dinner, which everyone enjoyed, and are planning a chili cook-off for the spring. We are also looking forward to our Crush Party, in which brothers from other chapters in our province will be attending. Plans for our annual semi-formal are being finalized and we are anticipating it to be a night we will always remember. We have organized many fund raising drives to help raise money for the events and projects we have planned including a successful bake sale to benefit our philanthropy, the American Cancer Society.

Gamma Zeta has experienced the meaning of service to our society. Our services include visiting a local nursing home to enjoy a night of bingo and happy faces, helping serve meals to the homeless at the Jimmie Hale Downtown Mission, and visiting a local park shared by the homeless to supply blankets and sandwiches to those in need.

The busy semester of Gamma

Convention and our chapter is busy with the final details of the event. A good time is guaranteed for all! On January 27, we treated some alum's to the Hawthorn outing. Alriel Martin, our House chairman organizer of the outing exclaimed, "It was cold and wet but the horses must run!" Manoj Paul, our Fund-raising chair, organized a "Sing-a-Gram" for Valentine's Day to raise money for Province. We didn't make much money but it was fun! On February 16, Latricia Hopkins and Gerard Hunter planned our retreat. We spent it at school! We had a sleep over in our student lounge. There we played games, told jokes, and simply bonded. Latha Radhakrishnan, our Social chairman, challenged the Phi Delta Chi fraternity to a bowling tournament. It was a blast, but we lost. Ask Manoj Paul why we lost if you are planning to attend Province.

—Victor I. Genel

Gamma Kappa

South Dakota State University

The Gamma Kappa Chapter has just completed a successful recruiting year. We have been trying to increase members since we have been at an all time low. In December of 1995, we received six new members. The new members are: **Rob Zupancich, Greg Schuur, Bill Bernhard, Jeremy Ehlert, Justin Kindopp and Lenny Petrik.** They have all stepped into the organization well and accepted

Beta Nu members had a super time in Atlantic, Iowa with a group from Beta Chi.

Some of Gamma Epsilon's new initiates.

responsibilities in certain offices of the fraternity. A special congratulations goes out to Rob Zupancich for being awarded Outstanding Pledge for his pledge class. A big congratulations also goes out to our new Regent, Jeff Lachelt, for being awarded the Sean T. Higgins Regent Award. This spring we have seven students pledging Kappa Psi.

Gamma Kappa has also been busy with various social and community activities over the past semester. We have been active in helping with community blood drives. We helped audit one of the local pharmacies in Brookings. We have also been actively selling Drug Information books to interested students.

Gamma Kappa has also been active in organizing social gatherings on specific themes. We had a successful Super Bowl party, and have established an annual St. Patrick's Day Party.

The Gamma Kappa Chapter in Province VII would also like to invite you all to the Conclave on the first weekend in November. We hope to see you all there.

—William P. Bernhard II

Beta Nu Creighton University

Beta Nu eased into the semester with a skiing trip to Crescent, Iowa. Everyone had a great time! We also were able to meet up with the Beta Chi

chapter from Drake University in Atlantic, Iowa this semester. On March 1 we celebrated our reactivation date with a fiesta. In addition, we enjoyed helping the Gamma Epsilon chapter at UNMC celebrate their 75th anniversary in April.

Committees worked hard this semester and accomplished much. We were highly ambitious and revised by-laws, wrote new policies, worked on fundraising, established an alumni newsletter, and are working on more volunteer and community service projects. We had a wonderful experience at the Oak View mall for Poison Prevention week which was March 18 through March 24. Once again it was fabulous to work with the kids and thanks to all that helped out. Jane Elliott and Bonita Shin have started to organize the third annual golf tournament set for September 28, 1996. They are serving as the co-chairs for the committee. Proceeds from the tournament will go to Make-a-Wish and the Beta Nu scholarship fund.

Finally, we wish to congratulate our new Chaplain, Michelle McClean. She will serve as Chaplain through May of 1996.

Jill Hoppe Gamma Epsilon University of Nebraska

1996 has been a busy year already for Gamma Epsilon.

We kicked off the new year with a Fiesta Bowl party. Needless to say, we all were very excited. Way to go Huskers!! Back to Back!

Congratulations to the newly elected officers: Regent, Les Summerlin; Vice-Regent, Kevin Boyles; Secretary, Mary Reeg; Treasurer, Kalli Bennett; Historian, Becky Nowak; Chaplain, Kris Goodrich; and Sergeant-at-Arms, Andy Hatchell. We are all very enthused to take over the newly activated chapter and would like to take this time to thank all of the old officers for their hard work and dedication.

Gamma Epsilon has been very social. We attended "Gods Spell" at the Omaha Community Playhouse and played laser tag, both of which were fun and entertaining. With new committees being formed, we are currently working on a philanthropy including substance abuse talks to the community children and fund raising to sponsor a delegate from our chapter to attend the school of Substance Abuse and Alcoholism in Utah.

—Becky Nowak

Beta Lambda University of Toledo

Beta Lambda chapter initiated three new members during the fall: **Kurt Lupton**, **Todd Bright** and **Lorne Roby**. Also initiated were four faculty: **Drs. Paul Erhardt**, **Steven Peseckis**, **Channing Hinman** and **Mike DeYoung**. A dinner was held at the Spaghetti Warehouse last December to welcome our new brothers. Currently, we are planning spring pledging activities and hope to be blessed with a larger pledge class to boost our dwindling numbers.

This quarter, our chapter took part in several service projects. We collected toys and games to send, via the Peru Mission, to Latin American children who are not so fortunate to have these things. We also painted a day care center of a women's shelter in downtown Toledo. With our help and forty other volunteers, we succeeded in painting the entire three room interior in less than two hours. More activities are being planned for the spring.

In the social category, Beta Lambda is attending a Toledo Storm game this month. A fun time will definitely be enjoyed by all, as long as we stay on the lookout for flying pucks and squid. Finally, we are planning for Stag Night for Saturday, May 18. This is a gathering of current brothers and alumni for a night of fun and fellowship. Information will be sent out in April for other chapters that may be interested.

—Chris Farroni

Delta Epsilon

Duquesne University

This semester has been a growing one for the brothers of Delta Epsilon. After inducting our new officers, we were bright-eyed for a spring pledge class. Our Pledge Committee planned several unique Rush ideas and created an abbreviated pledge calendar that would accommodate the busy schedules of the 1st and 2nd year pre-pharmacy students. Despite this, we did not get any rushes that meet the requirements of the School of Pharmacy.

Due to this, the brothers have planned several activities to get our name out on campus. Plans are underway for a blood drive in coordination with other Pharmacy organizations. Our Professional Relations Committee has planned an after school session at a local youth center to teach children the importance of a well-balanced diet. Our chapter also participated in a University-wide competition called "Choose to be Challenged". Brothers went to numerous work sites and contributed their time to various charities.

Delta Epsilon was well represented at the Province II Fall Assembly at the University of Pittsburgh. Thanks to BK for hosting us and showing us the value of brotherhood. It was great to see some international officers show up despite any inconveniences the weather may have caused. If you are only to remember one thing from that weekend, let it be, "Let it be known that Kappa Psi, the best Pharmaceutical Fraternity..." This is how all resolutions should begin. Also, congratulations to Delta Epsilon's Brant Gahr and David

Andrewcavage along with all the 1996-1997 Province II Officers.

On February 24, we celebrated our Founder's Day by having a party at the house. Brothers from Pittsburgh Grad and Beta Kappa along with a few close friends joined us in celebrating our twenty-ninth birthday.

As always, our Social Committee is planning away for our formal. On April 13, we are celebrating our Spring Senior Dinner Dance. Brothers Cynthia Montgomery and Raelynn Rathway are working hard to get everything ready.

Congratulations and good luck to the 1996-1997 officers: Regent, Amy Brigaman; Vice Regent, Jeremy Zellers; Treasurer, Cynthia Montgomery; Corresponding Secretary, Angela Webreck; Recording Secretary, Christine De Rienzo; Chaplain, Daniel Fronczek; Historian, Gina Sakmar; and House Treasurer, Brant Gahr

—Gina Sakmar

Kramer, John Luebker and Dean Kirk (recently appointed at St. Louis College of Pharmacy) spoke of their love for the brotherhood of Kappa Psi. A good time was had by all, with the nighttime activities peaking the interest of unaffiliates while reminding brothers of why they themselves had pledged KY.

February was a fun-filled month for actives, as brothers trained, shaped and encouraged a pledge class of seventeen students. The pledges did a lot in four weeks, including a trip to visit our friends at Fraiser nursing home, and helping our chapter host the annual Kappa Psi/K-SHE (a local radio station) charity basketball game. The proceeds from the game were donated to the American Diabetes Association. The pledging period concluded with High Ideals night on February 23, and induction on February 24. Thanks to all the brothers from visiting chapters, and the graduates who joined us on those nights. Congratulations to our newly inducted brothers:

Steven Brent Ash, Julie Lynn Bockewitz, Bridgette Joi Boening, Jennifer Carlsrud, Jacqueline Sue Griffin, Jennifer Lee Jones, Evelyn Mary Jurick, Timothy D. King, Jill Ann Ledbetter, Nicole Logan, Jean Mathews, Matthew Gerard Minter, Kevin K. Nguyen, Brandy Michelle Russell, Angela Marie Schlicher, Jennifer Trower and Lisa Varel.

Gamma Pi commemorated

its 50th anniversary in March by hosting the Province VII convention at the Holiday Inn Downtown Convention Center. "March to the Arch," was highlighted by a golf tourney, St. Louis activities, Friday and Saturday night parties, and a banquet dinner on Saturday. Not to mention the usual meetings, presentations, and the celebration of brotherhood. Thanks to all the brothers who road-tripped to St. Louis and helped make the weekend excellent.

The chapter bonded with brothers at our annual formal dance, and partied hard at the annual "Safe Sex" party, both of which were successful events.

—Joe Lassiter

Beta Psi

University of Wisconsin

The Beta Psi chapter is keeping busy with many activities, both professional and social.

Professionally, we continue to tutor at a local middle school, do drug audits, and we volunteered to work at a relief station for the walk for Multiple Sclerosis here in Madison. We also donated money to ASP's AIDS awareness committee to help them send a child to Camp Heartland, which is a camp for kids with AIDS.

Socially, we held our annual "Not Going to Florida For Spring Break" party, participated in intramural volleyball, and, of course, "Fun Bus"!!

Beta Psi active and grads enjoy a hockey game with Bucky Badger.

Thanks to everyone who came to Madison to join us!

Spring is also a time for road-tripping, and many of our actives hit the highway, going to St. Louis for their high ideals night and a few weeks later for Province VII conventions, and to Chicago for Province V convention. Thanks to the brothers of Gamma Pi and Chi for the hospitality!

We would like to invite anyone in the mood for a road trip to come to Wisconsin anytime. For directions, call (608) 257-4292 or (608) 257-4293.

—Julie A. Graper

Beta Kappa

University of Pittsburgh

We are proud to announce the initiation of five new brothers from the fall term. They are

Gamma Pi Brothers share good times at the Kappa Psi smoker.

Province VII

Province VII has published the second edition of the newsletter; any chapter or province who would like to send a report to the newsletter or would like to receive the newsletter should contact me at 7500 General Sherman Lane, Saint Louis, MO 63123 or alison.palmer@helix.stl-cop.edu. The next tentative deadline for the newsletter is April 15.

Also, by the time you are reading this, another Province convention will be over. Details of the convention/Gamma Pi 50th anniversary celebration will follow in the next issue of THE MASK! Until then, the brothers of Province VII hope that you will take care and wish you luck in the remainder of the semester!

—Alison Palmer

Gamma Pi

St. Louis College of Pharmacy

The semester got under way on January 24 with a very successful Smoker (our biggest rush event). The unaffiliated were treated to dinner and dancing at the Holiday Inn in downtown St. Louis, as brothers Chris Brown, Sandy

Beta Kappa pledges with Big Brothers.

Creighton Moorehead, Jeff Steiner, Erin Tarchar, Heather Thomas and Craig Ulatoski. We also had initiation of our new officers: Regent, Melissa Soma; Vice Regent, Jill Wozinak; Secretary, Krista Voytilla; Treasurer, Brett Rahti; Historian, Angela Mancini; Chaplain, Michelle Lopresti; Sergeant-of-Arms, Jim Masterson; ASP Rep., Depalli Baht; IFC Reps., Chris Chiota and John Kim; and Grand Council Deputies, Dr. Ertle and Dave Maszkiewicz. Under these new officers, two new committees have been set up. They are a risk management and the house improvement committees.

We had a successful rush this spring. Our three rush parties included a "casino night," a Steelers party, and our last one was a formal party, which we

used to really talk closely with the Rushes. During that rush event we showed our most recent slide show which really makes an impression. It was a chance to show what our fraternity does and what they could be a part of. Rush ended at our 501 party, held at an apartment shared by five of our brothers. Spring pledging is now underway with Krista Voytilla and Pete Niedzwecki as pledge masters. We have four pledges. They are: Suzie Cunning, Camile Price, Maria Pisarski and Sara Parlow.

This term we were involved in Pharmacy week (Jan. 22-26), held at the University of Pittsburgh. We had a prescription label booth set up as well as an eye care booth at our health fair. There was a "no talent" talent show put on and

a few brothers put on a hilarious Jeopardy skit. They were great. The week ended with many of our brothers attending the ASP formal.

There have been some other things going on. We started the term off with our annual ski trip. We had a pass the hat dinner held for our graduate chapter, which went well. A couple of movie nights were held at our house for the brothers, and we watched The Net and Water World. Also Delta Epsilon and Beta Kappa set up some athletic events. We already went all night bowling and had a volleyball match, and football is next on our list.

We are still involved with Family House as our service project, where six brothers volunteer every Saturday night to work. There are three family houses where families waiting for transplants stay. We plan to participate in a Dance Marathon which Family House is hosting. Another project we have started is handing out food at a local food share program on Saturday mornings. We've had no problem getting volunteers for such a worthy cause. Finally, we plan to help out in the Hand-in-Hand festival for handicapped children.

Fundraising has also been off to a start. We have started to sell popcorn and soda at movies held at a building on our campus on Friday nights. The machine was donated to us by Dave Maszkiewicz and we are very grateful for his generosity. We hope to raise money for the next GCC.

—Angela Mancini

Beta Sigma

University of North Dakota

BΣ

First off, the brothers of Beta Sigma wish to congratulate our newest brothers, **Ryan Binek, Mark Dewey, Darren Huber, Michael Kelsch, Dan Lee, Michael Moen and Brock Thompson.**

We here at Beta Sigma have been very busy over the past year. We went and filled sand bags for the Island Park Activity Center in October. We are also doing a few charity things for the Make-A-Wish foundation. First, we are selling Christmas cards designed by Make-A-Wish kids. Next, a few of the brothers hand-delivered "Quarters for Kids" packets to the local schools and are running a coat check for the Fargo-Moorhead Beez basketball games. Also, we are setting up a golf tournament to be held this spring.

We have been trying to raise money for home improvements recently. We held a raffle last year to raise money for new couches. We then ran into a deal we couldn't pass up. Merit Care Clinic in Fargo was refurbishing their waiting rooms and said that we could take all the couches we wanted. So now, we are fully stocked with couches and can use our raffle money for other house improvements.

The intramural sports season is in full swing and we started off great! We went 8-1 in flag football and took 2nd in the playoffs. Basketball has not

ks to all of the graduate hers who attended and red a helping hand. nd, the yearly Province II ting was recently held at University of Pittsburgh. I d like to commend Kevin ol and newly elected trea r of the Province, Michael ardo, for representing our stigious chapter at this urkable event.

In addition, 1996 elections were held at our fraternity in ary. The following are the y elected officers: Regent, el Bernardo; Vice Regent, ne Stevens; Secretary, terio Santana-Wright; Treasurer, Ton Chaffier; Historian, Edward Griglock; Chaplain, Brian Schulman; Social Chairman, John Fudali; and Athletic Director, Michael Burman. Congrats to all the offciers on a fine achievement.

Furthermore, our social and sports events for the current spring semester have been fun

and exciting. We have hosted a welcome back party and a 70's party. Everyone who attended had a wonderful time I'm sure. Plans are in the works for additional parties and a spring barbecue to relieve the stress of pharmacy school. Our basketball, baseball, and volleyball intramural teams are destined for great seasons.

I would like to conclude this article by acknowledging our new coordinator, Dr. Tully Speaker. We at Beta Omega are honored by his presence and involvement with our chapter. It is no doubt that he will be a noble asset to our fraternity.

—Edward C. Griglock

Beta Delta

Albany College of Pharmacy

This semester Beta Delta came back in full force in many ways - especially during pledging with the transformation of a class of 17 great guys into a unit of die hard Kappa Psi brothers. The following new brothers show tremendous strength and unity, which should help Beta Delta to maintain its powerful influence her at A.C.P. The new members are: Joe Barbuto, Shawn Louis, Shane Louis, Mike Zeolla, Vito Diciolla, Evan Slichko, Jack Coultry, Dale Tarapacki, Mike Fish, Dan Porter, Steve Craig, Greg Edwards, Mike Bruno, Dave Seniglia, Jarrett Rockwell, Mike Flannery and Sam Cosmello.

Kappa Psi Pharmaceutical Foundation, Inc.

On February 16, 1993, **Kappa Psi Pharmaceutical Foundation** was officially incorporated. Subsequently, the **Foundation** was granted a tax-exempt status from the Internal Revenue Service under Section 501(c)(3) of the IRS Code.

The purposes and objectives of the **Foundation** are exclusively charitable, scientific, education and literary. Our specific objectives, as stipulated in our By-Laws, are listed at the right.

One of the **Foundation's** initial goals is to develop a scholarship program to help deserving **Kappa Psi** brothers complete their pharmacy education and become contributing members of the pharmacy profession and to society.

For this to occur, we need the support of our graduate brothers and the companies that employ them. One important quality that distinguishes **Kappa Psi** from other professional organizations is that once you commit to becoming a member, you are a member for life, not only until you graduate from pharmacy school.

The time has come to ask you to reacquaint yourself with the pledge you took when you were initiated into **Kappa Psi**. Please consider an individual or a corporate contribution to the **Kappa Psi Pharmaceutical Foundation**.

New Delta Delta actives, fall 1995.

Objectives of the Kappa Psi Pharmaceutical Foundation, Inc.

- Assist in the education of selected qualified students of pharmacy and other qualified students through financial aid and scholarship programs.
- Foster the educational goals (scholarship and scientific research) of Kappa Psi Pharmaceutical Fraternity, Inc.
- Encourage the advancement of the practice of pharmacy through the rendition of continuing educational services for the benefit of pharmacists, other health care professionals and the general public.
- Provide opportunities for the advancement of new pharmacy developments through the financial support of research, and to convey this knowledge to members of the profession and the general public.
- Promote the improvement of the general welfare of the community through the support of pharmacy outreach programs by chapters, such as medication counseling programs, drug abuse and poison control lectures and health programs for the elderly.
- Assist Kappa Psi members and other professionals who are chemically impaired by serving as a resource for the distribution of brochures and other literature.
- Other 501(c)(3) activities as deemed appropriate by the Board of Directors.

been as good to us, but we are looking to redeem ourselves quickly as volleyball starts shortly. Finally, we all had a great time at Conclave in Des Moines, Iowa. You did a great job hosting Beta Chi. We are also very pleased with the turnout Beta Sigma had, we sent 25 people there.

—Mark Dewey

Delta Delta

University of Houston

Spring is in bloom for the brothers of Delta Delta. With spring comes a plethora of activity and our chapter is no exception. In January, eighteen new members were inducted and new officers were elected. Congrats to the new members and officers. We also extend congrats to the eight December graduates who are now practicing pharmacists.

Our spring activities include everything from blood drives to volleyball tournaments. We started the semester with a welcoming party to get acquainted with the new candidates for pledging. Good fun was had by all. We have completed 2 functions already with the third scheduled for Galveston Beach.

Our charity event this year was participating in the "Cougar Care Drive." This is a food, clothing and toy drive to help needy families in the Houston area. The response was tremendous and many families had needed food and clothing for the winter season.

Fund raising activities include 3 main events. Last semester we sold College of Pharmacy sweatshirts (cute) and the Top Drug Cards (practical). This semester boxer shorts are in the works.

—Gretta Leckbee

Beta Omega

Temple University

The Beta Omega chapter at Temple University is proud to announce the names of nine new brothers of the Kappa Psi Pharmaceutical Fraternity for 1996. They are: **Alex Achieliev, Tony Fryckberg, John Fudali, Edward Griglock, Brian Schulman, William Steel, Eleuterio Santana-Wright, Chris Zawacki and Bill Zlotnick.** Congratulations

Delta Delta Brothers at the Joke-a-thon at Galveston Beach House. Left to right: Ken Schwartz, Patrick Healy, Bindbu Nair and Tam Ngo

to these fine young men for their determination and effort. Beta Omega is delighted with its recent additions.

Apart from our social output, we brothers at Beta Omega have also been involved in various charity related functions. Our annual St. Christopher's fundraiser for less fortunate children this past fall went extremely well. Plans are currently being assembled for donations of divergent literature to aid the illiterate in the surrounding Philadelphia area. I would like to state that it is a great honor to be involved with an organization that not only strives to make their school and profession a success, but who also reacts generously to community needs as well.

This past month has been prominent regarding the stability of our chapter. First, our yearly Tri-F dinner was held with glorious success. We would like to send our greatest

thanks to all of the graduate brothers who attended and offered a helping hand. Second, the yearly Province II meeting was recently held at the University of Pittsburgh. I would like to commend Kevin Sudol and newly elected treasurer of the Province, Michael Bernardo, for representing our prestigious chapter at this remarkable event.

In addition, 1996 elections were held at our fraternity in January. The following are the newly elected officers: Regent, Michael Bernardo; Vice Regent, Wayne Stevens; Secretary, Eleuterio Santana-Wright; Treasurer, Ton Chaffier; Historian, Edward Griglock; Chaplain, Brian Schulman; Social Chairman, John Fudali; and Athletic Director, Michael Burman. Congrats to all the officers on a fine achievement.

Furthermore, our social and sports events for the current spring semester have been fun

and exciting. We have hosted a welcome back party and a 70's party. Everyone who attended had a wonderful time I'm sure. Plans are in the works for additional parties and a spring barbecue to relieve the stress of pharmacy school. The Brothers of Beta Delta.

Dean Lathers and regent Mario Zeolla at Province I.

Beta Delta

Albany College of Pharmacy

This semester Beta Delta came back in full force in many ways - especially during pledging with the transformation of a class of 17 great guys into a unit of die hard Kappa Psi brothers. The following new brothers show tremendous strength and unity, which should help Beta Delta to maintain its powerful influence her at A.C.P. The new members are: **Joe Barbuto, Shawn Louis, Shane Louis, Mike Zeolla, Vito Diciolla, Evan Slichko, Jack Coultry, Dale Tarapacki, Mike Fish, Dan Porter, Steve Craig, Greg Edwards, Mike Bruno, Dave Seniglia, Garrett Rockwell, Mike Flannery and Sam Cosmello.**

Pictured are new Epsilon Brothers Andrea Gregg, and Dana with their Big Brothers. (L to R): Jennifer Wheeler, Andrea Dezell, Gregg Carlton, Kori Sampson, Dana Johnston, and Laura Loe.

The pledge class of 1996 was lead by James Carbone (Pledge Master) and Stephen Baratta (Assistant Pledge Master). Both brothers did an outstanding job to make sure that this year's pledging went smoothly and exactly as planned. Mario Zeolla (Regent) also deserves recognition for overseeing everything and doing a good job of making important decisions when they were needed. Last but not least, for every brother that participated - job well done.

One of the many other accomplishments that were made this semester deals with telling elementary school children about the dangers and benefits of taking prescription drugs. This was organized and performed mostly by Brenden O'Hara (OTC Chairman). The children appreciated the lesson so much that they wrote several thank you letters.

Our next few benefit programs involved our bi-annual Red Cross Blood Drive, which was organized by our Chaplain, Steve Murray. We were very pleased with the turn-out. We also sold shamrocks for muscular dystrophy - this St. Patrick's day charity event was organized by our very own Province I.

One of the most enjoyable events by far was hosting our Province I Convention. We were very happy to see so many brothers show up, not to mention it was great to see brothers that we didn't get a

chance to spend time with for months. Besides having brothers at the convention we also invited the ladies of Lambda Kappa Sigma to the Province I dinner/dance. We had one of our very own Beta Delta brothers, Paul Houston, DJ. the party for us. It was a great time for everyone. Even our Dean here at A.C.P., Dean Lathers, the first ever female Dean of a college of pharmacy, attended. She is seen standing with our Regent, Mario Zeolla in the accompany picture. It was a great honor for us to have her attend the dinner/dance.

As the semester is coming closer and closer to an end, we are getting ready for the annual "changing of the guards". I wish these new officers will have the extra responsibility of carrying out a new idea that came about this year - next year we will start to give all of the incoming freshman a lecture on the awareness of drug and alcohol abuse. Also, next year we plan on starting up a program which was previously done in past years, to have health professionals come to A.C.P. and help us counsel diabetic patients for whatever questions they may have about their monitoring, treatment, etc.

—Erik Mendillo

Delta Lambda Campbell University

Greeting from Delta Lambda! This spring semester has been

very busy and exciting. Our annual Superbowl Party this past January as a blast! We had a good turnout and a great time. Fortunately the Cowboys won (sorry - just a little biased!).

Many activities and fund-raisers are being planned for this semester. A spaghetti dinner is already in the works and our spring car washes will be getting under way pretty soon. We are also planning events for the brothers to do together. Trips to local hockey and football games, movies, and bowling are just a few of the ideas that are circulating. We sponsored a blood drive on January 30 and 73 pints were donated, making a successful drive for that month.

Softball season (intramural) here at Campbell is just about to start. Hopefully our KY team will take the trophy again for the second year in a row!

We are currently in the middle of training our pledge Monica Barber. Even though she is pledging by herself, she is doing a fantastic job. She delivered Valentine's Day flowers to nursing homes in the area for her service project, and is getting to know all the Brothers.

Congratulations are in order for Michelle Dowell, who received the Brother of the Month award for January.

—Joe Smith

Epsilon University of E Minnesota

Here in Minnesota we are finally thawing out after enduring a rain/ice storm and a brutal week of sub-zero temperature in January. We love this state.

First, the Epsilon Chapter is proud to welcome its three newest brothers: **Gregg Carlton, Andrea Dezell and Dana Johnston**. Congratulations! We all had a great time during the informal festivities.

We have continued to stay busy this quarter with our projects. Our STD talks are still in full swing, also, on Tuesdays and Thursdays we volunteer our time at a teenage medical service (TAMS).

In December we had our annual "bulk mailing party" to begin the process of getting the

PharmaCOPA (The College of Pharmacy Annual) project underway. This demanding project is being headed by brothers Laura Loe, Jim Polucha and Kris Thompson. Our goal is to have the COPA completed by May.

Some of the brothers helped out with the Walk-A-Thon that was held at the Mall of America to benefit Juvenile Diabetes. We will be heading out to "The Mall" again for our quarterly dinner meeting. This is always a good time and a great stress reliever.

This winter we participated in intramural volleyball. Although we were unable to pull off a win, we had some amazing talent and also lots of fun!

Other activities that we are looking forward to include: bowling night in March with our friends from Phi Delta Chi (PDX), seeing new faces spring quarter as pledging begins, and of course, our spring getaway to Breezy Point.

—Stephanie Shelley

Auburn Graduate Chapter

Since our last article in THE MASK, the Auburn Graduate Chapter has grown to 63 active brothers that reside throughout Alabama and in 9 other states. Our quarterly newsletter attempts to keep our brothers informed of our activities as well as those of the Delta Gamma Chapter.

Delta Gamma held an informal rush at Martin Luther King park and formal rush at the Auburn University Alumni Center. The Graduate Chapter was represented at these events by Roger & Jennifer Stokes, Brandon & Cheree Rains, Daniel, Lisa & Benjamin Parsons and Guru, Sucheta, Surag & Chaitra Betageri. A brief presentation on the Graduate Chapter was made at formal rush. Both events were a great success and resulted in approximately 50 pledges for Delta Gamma.

Once again we celebrated the founding of our chapter with the undergraduate brothers of Delta Gamma. The banquet was held February 24, 1996 at 6:30 PM at the Auburn University Hotel and Conference Center. Regent Roger Stokes is making plans

for this year's Graduate Chapter retreat. Cheaha State Park is again being considered because of its relatively central location and the success of last year's event. We hope to have a large gathering of brothers and their families.

The Province IV annual meeting was held in Gainesville, FL, January 5 & 6, 1996. Daniel Parsons served as our delegate, extending our chapter's perfect attendance for another year. Florida did a wonderful job hosting the meeting and everyone had a great time. The meeting will be hosted by Gamma Zeta at Samford next year and we are already making plans to attend.

We are happy to report that brother Kimberly Kahler ('92) married Jeffrey Ray on September 16, 1995. They will reside in Trussville, AL. DeWayne Boyd reports that he and his wife plan to move to the panhandle area in the upcoming months and will continue in retail pharmacy. Congratulations to Joel & Melanie Owen on the arrival of their new baby boy. Matthew Morgan was born on October 22, 1995 (6 LB, 2 oz; 21 inches). Congratulations also to Steve Overby who is a new uncle. Colby Matthew was born to John and Melissa Muir on February 7, 1996 (8 LB, 1.5 oz; 20 inches). Melissa is an O5 pharmacy student at Auburn and a brother of Delta Gamma. Daniel Parsons has been appointed to the Kappa Psi National Scholarship Committee.

Special thanks to our many brothers who have made generous optional contributions to the three Auburn Graduate Chapter Funds. To date, the chapter has contributed \$1,530 to the Claude Shumate, III Scholarship Fund and \$440 to the Kappa Psi House Fund. The \$550 in contributions to our General Fund has made the chapter financially stable and capable of considering new activities and projects.

Anyone interested in joining the Auburn Graduate Chapter should contact us at the School of Pharmacy, Auburn University, AL 36849-5503 or at parsdl@mail.auburn.edu.

—Daniel L. Parsons

Xi Chapter at the Ohio State University.

Gamma Delta

Ohio Northern University

Greetings from Gamma Delta. Things are finally back to normal around here. We have just started our spring quarter, and we expect our grades to be first or second among all organizations on campus. Professionally we have been doing blood pressure checks every Saturday at Brother Jim Turner's store in town. We also sponsor an American Red Cross blood mobile. We initiated four new brothers at the end of January, and we are hoping for a spring pledge class. Congratulations to our new brothers; they had the highest GPA for a pledge class. Tunes on the Tundra is May 4. Hopefully we can have a lot of brothers from other chapters attend. I would like to congratulate Ohio State on their reactivation. If there are any activities going on, please contact us. We are always willing to road trip to other chapters.

—Christopher Wyse

Illinois Graduate Chapter

It's true! Illinois Grad Chapter is BACK! After a long hiatus, we are getting this grad chapter back into the thick of things. Our first meeting of the year was held January 27 at the Hawthorne Racetrack in Chicago. In between updating our bylaws and helping the collegiates with last minute plans for the Province V Convention, we still managed

The Brothers of Nu.

to find the time to lose some money betting on the ponies. We also elected new chapter officers. They are: Regent, Dawn LaFleur; Vice Regent, Julia Rayniak; Secretary/Treasurer, Mike Steffens; Historian/Chaplain, Jean Graper.

We will be planning more fun outings for both collegiates and graduates, so if you're interested contact Dawn at (312) 763-0105 or Jean at (312) 561-3358. We hope to see more of everyone in the year to come. As always, anyone passing through the Chicago areas is welcome to give us a call.

—Jean Graper.

Nu *University of Connecticut*

Fall of '95 for the Nu Chapter was full of exciting changes and memorable events. This past semester, membership to

the chapter increased dramatically. Starting off the semester with only twelve members, the brothers of Nu Chapter had the privilege of initiating six new members to our fraternity. Congratulations to **Timothy Donnarummo, Pat Dee, Matt Dionne, David St. Germain, Greg Kratz and Rob Jansing** for their outstanding effort, commitment, and hard work throughout the semester. The new members have added increased strength, unity, and leadership to our chapter. Welcome aboard!

Many of the new members have not wasted any time in seeking out leadership positions within the chapter. David St. Germain, Pat Dee and Timothy Donnarummo have become the new Secretary, Chaplain, and Historian, respectively. Greg Kratz and Rob Jansing will be our new Assistant Pledge Masters. Other new offices held include:

Left to right are Chance Parrish, Julianna Fine, Jill Meyers, Sara Fogle and James Adams at the Midyear Clinical meeting in Planet Hollywood, Las Vegas.

Regent, Ray Thompson; Vice Regent, Mike Bonanno; Treasurer, Sean Belouin; and Pledge Master, Mike Iwanicki.

In the past year, Nu Chapter has been very successful with several community projects. Nu Chapter raised over two thousand dollars for the Children's Miracle Network at our first annual golf tournament in Berlin, Connecticut. In coordination with Province I, we were able to raise funds for the MDA through Shamrock sales. Nu Chapter is currently organizing a drug fair in which drug representatives come to the university to display their products and talk to the students about career opportunities.

I would like to thank all of the Brothers of Nu Chapter for their loyalty to each other and to Kappa Psi. We would also like to thank the Brothers of Beta Delta for a great Province I convention. We came home with the attendance award! We are looking forward to the next convention! The start of a new

year and a new semester will surely bring more fun and new memories that we will all cherish in the times to come.

—Timothy Donnarummo

Xi

Ohio State University

We would like to formally thank all the other chapters that have expressed their congratulations to us on our recent reactivation. The cards and letters are very much appreciated.

The initiation in January at the Fawcett Center in Columbus was an overwhelming success. We again express our thanks to John Grossmanides and Robert Magarian for their direct participation in the event. Also in attendance were members of the Columbus graduate chapter, brothers from Gamma Delta and Beta Gamma. In addition, this event could not have been pulled off were it not for the efforts of Ralph Foster, our Grand Council

Deputy, and Scott Mark, the Province V Satrap. Last, and definitely not least, thanks go to our fellow brothers in Xi chapter. We did it!

Recently, we have completed our first quarterly newsletter and are finalizing several activities. Among these are a composite of the entire Xi Chapter, and a whitewater rafting trip in West Virginia. For future activities and fund-raisers, we look forward to swapping ideas with other chapters while we're in Chicago. Keep in touch!

—Robin Hallas, Jeff Czuba

Delta Lambda-Graduate Chapter

The newly organized graduate chapter got off to a super start in 1996 as we held our second organizational meeting on Superbowl weekend. Unlike the football game, it was an action packed weekend in Buies Creek. Officer elections were held and I would like to congratulate the following graduate brothers: Regent, Chance Parrish; Vice Regent, Scott Brewer; Secretary/Treasurer, Jill Myers; Historian, Traci Collier; and Sergeant at Arms, Bill McKelvey

The chapter is still currently being funded solely on donations and I am very pleased to see that the Kappa Psi pride of our brothers has not diminished since graduation. Along with currently working on chapter bylaws, we are narrowing our choices for our chapter name. The two remaining choice are: Sandhills Graduate and Buies Creek Graduate.

This is a very exciting time for our new graduate chapter and I would be remiss if I did

John Grossmanides and Tim Eley host Kappa Psi Jeopardy at Province IV.

n't thank the Delta Lambda brothers and the past officers for all of their dedication and hard work in our organization. I would also like to congratulate the new officers of Delta Lambda and challenge you to make this the best year yet for Delta Lambda.

—Traci Collier

Province IV

Greetings and Happy New Year! Province IV brought in 1996 by holding the annual province meeting at the University Centre hotel in Gainesville, FL on January 5-6. For those of you who couldn't be there, the brothers had an incredible time. The festivities began with the welcoming social at Buffalo's Cafe where brothers had a chance to meet some new faces and swap stories with old ones. After Buffalo's, the crowd moved on the TJ's for a little dancing.

After dancing the night away, the brothers of Province IV dragged themselves down for a complimentary continental breakfast before the first session. Following the opening statements by Brother Tom Baumgardner, Gamma Sigma GCD, Grand Regent John Grossmanides spoke to the assembly on several topics including the importance of submitting articles to The Mask. Next, after some short comments by Grand Ritualist, Tim Eley, the assembly got down to business including chapter officer, and a report on the 47th GCC (given by Gamma Phi brother Dwayne Pierce).

After lunch, new officers were elected and installed, and the Chapter of the Year was chosen. New province officers include: Satrap, Michael Strange (Gamma Phi); Vice Satrap, Wesley Colston (Gamma Phi); Secretary/Treasurer, Dzice Washington (Delta Iota); Historian, Dwayne Pierce (Gamma Phi); Chaplain, Greg McKeever (Gamma Phi); and Parliamentarian, Todd Davidson (Gamma Psi).

Congratulations and good luck to these brothers. After a game of Kappa Psi Jeopardy hosted by John Grossmanides and Tim Eley, the province was concluded by a regal banquet hosted by Merck Sharp and Dohme with Dr. David Rutledge giving the Keynote address. Congratulations go

New Beta Xi Brothers celebrate with their pledgemasters on induction night.

Beta Xi Brother Stephen Holland provides blood pressure monitoring and counseling at the Kappa Psi Health Fair.

out to Province IV Chapter of The Year, Delta Gamma, and to Gamma Phi for the Province Attendance Award.

Finally, I would like to commend the great job done by the Past Province IV officers, especially my predecessor Wesley Colston. Thanks also go out to the brothers of Gamma Sigma who hosted the meeting. Great job guys! Last but not least, Province IV would like to express profound thanks to outgoing supervisor Tony Palmieri whose help and direction has been greatly appreciated.

On the business side, please remember to promptly pay Chapter Province dues, and to send off your chapters Mask article. I hope to hear from other chapters with news or pictures of various events going on in Province IV. Please

submit your articles to: Dwayne Pierce, 2717F Woodcrest Dr. Augusta, GA 30909.

We hope to see y'all in Birmingham, AL next January

for our next Province meeting hosted by 1995 Chapter of the Year, Gamma Zeta.

—Dwayne Pierce

Beta Xi University of North Carolina

At the end of the fall semester, we inducted fifteen new brothers into our chapter. Congratulations to our new brothers: **Jerry Moore, Heidi Grissom, Jason Foil, Kim Talley, Libby Batten, Jennifer Crawley, Craig Parker, Alison Sakash, Chris Aquilante, Sean Boger, Chad Terry, Mike Wiggins, Jay Braxton, Dee Melnyk and Jeff Williams.**

Also, we elected and installed a new executive committee to lead our fraternity in 1996. Our new officers are Regent, Jeremy Hodges; First Vice Regent, Bryan Monroe; Second Vice Regent, Brandon Maddox;

Beta Xi Brother Wayne Page checks blood glucose levels at the Kappa Psi Health Fair.

Secretary, Jason Sharpe; Treasurer, Pete Henkel; Chaplain, Neil Wheless; and Pledge Master, Bo Dobson.

This semester, the forty-one active brothers of Beta Xi have been very busy with rush, community events and pharmacy school activities. Our rush activities included a "blizzard party," a karaoke party, a Superbowl party, and a faculty/student dinner. Rush was very successful, and we now have nine pledges.

Other social activities this semester have included a ski trip to the North Carolina mountains and a Valentine's Day Semi-Formal. Also this semester, we will be having our 16th Annual Tunnel Party, which is always one of the most popular parties on campus. This year admission to the party will consist of bringing one canned food item, which will be donated to the local

Beta Xi Brothers stand with Terrence Burroughs (center) after his presentation on financial management.

The Brothers and Little Sisters of Delta Gamma.

food bank.

Earlier this semester, our chapter sponsored Terrence Burroughs to speak at pharmacy school. Terrence Burroughs is a pharmacist who started his own financial management company. The seminar was very well-received by the students, and we learned valuable information about managing and investing our money once we enter "the real world."

As always, our brotherhood is very active in pharmacy school. This year, KY brothers hold many leadership positions, including three of the four main student body offices. These brothers are Stephen Holland, President; Bo Dobson, Vice President; and Chris Sugg, Treasurer. They are doing a great job of leading the pharmacy school and representing Kappa Psi.

One of our largest professional activities this semester was conducting a health fair at a local mall. We checked blood pressures and blood glucose levels, provided information on a variety of health topics, and answered questions regarding medications. All of the people who stopped by were very appreciative of our services, and it was a wonderful opportunity to apply the knowledge and skills learned in school.

—Amy Phillips

Delta Gamma Brothers (left to right): Jennifer Cowan, Marquette Hardin, and Kellie Osbourne at the Province IV meeting.

Province I

If you didn't make it out to Province I you missed an awesome time. The Province Assembly began at the house of our hosts, Beta Delta. If you have never been to Delaware Street, you really don't know what you are missing. Our meeting began under the director of Satrap Richard Ploude and Province I Supervisor Paul Hiller. We were fortunate to have visiting Brothers, Rich Bendar, Marilyn Cox, Don Smith and Jean and Michael Starvaggi present this weekend. To add to these visitors, Grand Officers in attendance were John Grossomanides, Brian Reisetter and Craig Johnston.

We had a record number of Graduates in attendance with representatives from Providence Graduate, Boston Graduate, Central New York Graduate and New York Graduate. Among the topics of discussion during the meeting was a new Province Philanthropy project. We now will be looking towards raising funds for both Muscular Dystrophy and the American Lung Association. Our Workshops were on the Ritual and Risk Management. The Risk Management workshop went extremely well as a "round table" discussion with input from everyone.

The following officers were elected and later installed at the evening banquet and dance: Satrap, John Faragon; Vice Satrap, Todd DeGroff; Secretary, Todd Mathews; Treasurer, Joe Padolino; Historian, Michael Graubart; and Chaplain, Frank Petrillo. Beta Delta was awarded Chapter of the Year and Nu was awarded the Attendance Award. Grand Regent Grossomanides recognized all the out-going officers with the Grand Regent's Letter of Recognition.

Co-Chairman Jason Southworth and John Faragon have a lot to be proud of for organizing such a terrific weekend. They really went above and beyond to make everyone feel what Province I is all about, BROTHERHOOD.

Our Fall Province I Assembly will be hosted by Mu Chapter and our Spring Assembly will be hosted by Beta Epsilon. Look here for details.

—Michael Graubart

Beta Epsilon

University of Rhode Island

On December 2, 1995 Beta Epsilon Chapter was proud to initiate six new brothers: **Steve Hunter, Dan Hebert, Feraz Shaikh, Dinesh Yogaratnum, Will Howard and Mike Kassabian**. As a pledge class

they worked very well together in forming the friendship and teamwork that are necessary for strong brotherhood. We wish them well and hope they can maintain the qualities and ideals of Kappa Psi for years to come.

Beta Epsilon is presently getting ready for our annual drug fair. This years chairman Doug Reuter has been busy preparing for the event. It looks as though it will be a great success with many representatives from companies in the New England area planning on attending.

BE is also presently participating in five on five basketball. We have fielded two teams, and have hopes to make it to the final four and beyond. BE brothers are also polishing up our bats for annual softball game against the graduate brothers. Now that the crown is ours, we don't plan on losing it!!

BE is anxiously awaiting the spring weather so we can hold our annual fundraising car wash. Currently we are planning an "Auction a Brother for a Day" fundraiser. We hope it will be a big success.

—John Correira

Pi

Purdue University

The beginning of the spring semester at Purdue has been an eventful one. Social Director, Jim Lone, provided an outstanding Half-way party for the entire school of Pharmacy, which will be remembered for a long time to come. Most recently, the Pi guys have taken part in a "Bake-Off" with the ladies of Kappa Epsilon. Congratulations goes out to brothers Jason Stimley and Mark Robbins as they displayed their Betty Crocker like abilities in order to win the contest.

In sports, we took part in intramural basketball, softball and volleyball this semester with much success. We are hoping to defend our title in the upcoming intramural volleyball tournament. I am sad to say that our newly elected Athletic Director, Kevin Tachine, could no longer fulfill his duties as Athletic Director. Unfortunately, brother Kevin had to leave Purdue University a go back to Staten Island,

A growing minority: the "men" of Beta Upsilon celebrate their increasing number.

New York. Kevin will be missed by all the brothers of Pi. The preceding Athletic Director, Scott Leslie, graciously took up the position in brother Kevin's place. Brother Scott is currently organizing the Pi chapter Golf Outing.

Professional Projects Chairman, Snehal Bhavsar, arranged a Resume Writing Seminar for the pharmacy student body, which was hosted by Kathy Michaels of Eli Lilly, Inc. Brother Snehal has also set up Job Fair for the pharmacy student body that will feature many national and local pharmaceutical firms looking for summer internships.

Vice Regent, Jeff Jackson, is working on a progressive dinner with the faculty brothers of Pi. The dinner is sure to be a hit with the brothers and their stomachs. We are now in the process of pledging four new faculty brothers. They are: Mr. Bruce Hufford, Alumni Relations; Dr. Dennis McCallian, Pharmacy Practice Adjunct; Dr. David Nichols, Head of Medicinal Chemistry; and Dr. Michael T. Rupp, Pharmacy Administration.

The brothers of Pi chapter were excited about visiting Chi chapter for Province this spring. As always, we would really like to encourage brothers from other chapters to come up and visit us here at Purdue University.

—Blake A. Taylor

Delta Gamma *Auburn University*

This quarter has been full of exciting events and memories for Delta Gamma. I would like to welcome all of our new Kappa Psi brothers to the Delta Gamma Chapter. This year Delta Gamma initiated a record 47 members thanks to the help of all of our Kappa Psi brothers.

Delta Gamma recently held its annual Founders Day Banquet. A number of students received scholarship awards for maintaining a 3.0 grade point average for three consecutive quarters. I would also like to congratulate the following members of their achievements: Outstanding Service: Kelli Osborne, Jeff Hill, Kristi Heath and Crystal Blankenship; Grand Regent's Letter of Recognition: Joe Adkins, Jennifer Cowan and Kelli Osborne; Brother of the Year, Marquette Hardin; Best Rusher, Lauren Sutyla; Best Pledge, Dustin Beatty; Solid Gold Dancers, Joe Adkins and Jay McGullian; Loose Cannon, Jon Plummer; Best-all-around-Brother, Jim Green; Asklepios Key, Marquette Hardin.

The Grand Ritualist, Tim Eley, served as our guest of honor and gave us an inspiring reflection on his memories of Kappa Psi.

Delta Gamma held its annual spring formal in Panama City Beach in March. We were all glad to have a little fun and relaxation. Seven of our mem-

bers represented Kappa Psi at the National APhA Conventions.

As the quarter comes to an end, we will be electing new officers for Delta Gamma.

—Jennifer Cowan

Beta Upsilon *Butler University*

As a chapter, we are accomplishing a great deal this semester. We are currently planning to assist with the Special Olympics basketball tournament, in honor of Disability Awareness Week. Some of our duties will include working the registration tables, selling souvenirs, and acting as team escorts.

Our annual drug card sale is well underway. These Sigler and Flanders' cards are especially popular with 4th years who are planning externships for the fall. In addition to cards, we are selling computer disks containing drug information. So far, sales are going well.

A special thanks goes out to Johnny Porter for visiting our January meeting, and for a nice dinner afterwards. A good time was had by all attending members.

—Karyn Myer

Delta Zeta *University of Iowa*

The brothers of Delta Zeta kicked off the spring semester with the following new officers:

Regent, Leslie Helscher; Vice Regent, Kim Leibrand; Secretary, Stacy Gerson; Corresponding Secretary, Chandra Jones; Treasurer, John Daniels; Chaplain/Social Chair, Gretchen Stoeber; Historian, Keri Mattes; and Sergeant-at-Arms, Chris Morrow. The new officers are full of new ideas, and they are focusing on strengthening interfraternity structure through social and organized committee functions.

This April, Delta Zeta hosted the Province VIII Conclave here in Iowa City. We devote most of our time to making this an exciting weekend.

This semester we were able to have a Valentine's Day social function and we look forward to participating in a memory walk for Alzheimer's Disease.

—Keri Mattes

Pittsburgh Graduate

The Pittsburgh Graduate Chapter wishes all graduating brothers much future success with their careers and welcomes all those who will reside anywhere near metropolitan Pittsburgh into the fellowship of the chapter. A contact with Regent Roger Wheat (412-543-1425) or a message on the Kappa Psi List Serv will get you started with an invitation to

Drug Quiz

MYSTERY DRUG:

- 1) This drug has been used for many years as a rodenticide.
- 2) The therapeutic action of this drug's predecessor was originally discovered by the ingestion of spoiled sweet clover silage by cattle.
- 3) This drug is indicated for the prevention of thromboembolic disease.

The answer to the Drug Quiz is found on page 25.

By Jeff Sigler of Sigler and Flanders' Drug Cards

Psi Chapter Christmas caroling at the house party.

one of our meetings or social events.

The late fall and spring had many events to be recorded, the first among which is the recognition of the 1996 chapter officers. Congratulations go to Regent, Roger Wheat; Vice Regent, Dr. Robert Ertel; Secretary, David Maszkiewicz; Treasurer, Daniel Wellhausen; Historian, Dr. Bruce Martin; Chaplain, Saundra Wheat; and Sergeant-at-Arms, Thomas DePue. All were duly elected in October and installed at the opening of the year.

The chapter thoroughly enjoyed the Province II Assembly in Pittsburgh with Beta Kappa hosting the entire weekend of February 16-18. Congratulations to newly elected Province II officers: Satrap, David Maszkiewicz; Vice Satrap, Grant Gahr; Secretary, Deanne Gimiliano; Treasurer, Michael Bernardo; Chaplain, David Andrewcavage; and Historian, Brett Rathke.

The province assembly also gave us a chance to renew friendships with grand officers John Grossomanides, Grand Regent; Brian Furbush, Grand Vice Regent; Dr. Craig Johnston, Grand Historian; Paul Heller, Past Grand Regent; and Dr. David Dunson, Province II Supervisor; plus visitors from other provinces who braved one of winter's final snowstorms on the eastern seaboard to travel to Pittsburgh for the weekend. The brothers now look forward to next fall's assembly in Philadelphia.

Prior to the Province meeting, the chapter met at the Beta

Kappa house on February 4 for a dinner/meeting hosted by Beta Kappa. The evening was highlighted, so to speak, by the absence of heat in the house on one of the coldest nights in the winter. Brothers eventually evacuated for the night until heat was restored.

Brothers are planning a Caribbean cruise in May and at least a dozen have already signed aboard the Carnival Sensation for a trip from Tampa to Grand Cayman, Cazumel and New Orleans.

Future events call for the rental of a vacation home at Nags Head, NC for a week during late summer or early fall for a hurricane watch by the brothers. Also, assorted visits to the Pittsburgh Penguins, all night bowling and even the Pittsburgh Symphony are on the coming agendas for the chapter.

The chapter recognized the 1996 scholarship winners: Lori Nestor, Tawnya Mitch and Susan Lenhart who each received their tuition-assistance awards in the fall from this chapter for outstanding achievements. The chapter scholarship is continuing with applications available now for the local collegiate chapters. All fundraising events by Pittsburgh Graduate are aimed towards the Scholarship Fund.

The graduate brothers congratulate the new Regents of the collegiate chapters: Melissa Somma, Beta Kappa and Amy Brigaman, Delta Epsilon. Both chapters are off to a good start behind such fine leaders.

The brothers of Pittsburgh Graduate Chapter wish every-

one a warm and productive summer season ahead.

—Bruce D. Martin

Psi University of Tennessee

The Psi chapter has been enjoying this winter season. To share in the festivities of the season, we first planned a Christmas toy and gift drive for the children at St. Jude Hospital. Our brothers were very generous this year and the children appreciated all that was donated. Thanks especially to Anita Airee and Tom Buss for organizing the collection and delivering the toys.

KY brothers never miss an opportunity for a party. Social chairs, Jenny Kail and Kelly Marshall planned an eventful Christmas get-together a couple of weeks before finals to get everyone into the holiday spirit. We roasted the rest of our little brothers, had lots to eat and drink, and sang Christmas carols by the fire. Thanks to Dr. Eoff for giving us the piano music and helping us keep the tunes!

Brother, David Ketchum and Regent Ricky Holford, created the first home page for KY on the Internet. So, for all our brothers out there, we are anxiously awaiting to hear from you on the "information super highway"!

Initiation was January 25. We began with a dinner at the Spaghetti Warehouse, where most big brothers treated their little bro's to 15 layer lasagna; finishing the meal was a true

test of their worthiness into our brotherhood! After dinner, the pledges were taken back to the house, tested, and initiated. Fifty-one new brothers were welcomed into the Psi Chapter. Congratulations to all of you on your success and on the decision to be a KY.

A collection drive for the Ronald McDonald House was another special project that brothers volunteered to do. Food, detergents, and everyday necessities were donated by many to help out the families who are forced, through circumstances, to stay at the house while their children are obtaining hospital care. Our hearts go out to all the families that stay at the Ronald McDonald House and our appreciation goes to the Ronald McDonald foundation for their assistance and the care that they provide. Thanks also to Kate Darrah for delivering the goods.

With all the activities that the Psi Chapter participated in this year, we decided to have a fundraiser to help ease the financial burden of our upcoming Formal. Donna Smith, chair of the Fundraising Committee, organized a "coupon book" sale. The venture was a huge success and raised lots of necessary money for the chapter. Thanks to everyone who worked hard to sell the books and thanks to everyone who bought them! "Sales Brother of the Year" or "Pushiest Brother of the Year" goes to brothers, Anita Airee and Donna Smith! Just kidding you guys, great job!

Brothers decided to dress in drapes and tuxedo's again this year for the KY composite picture. Brothers came to the house with their smiles all practiced and ready to go. Everyone looked great. We had a wonderful turnout and cannot wait to see the final results.

—Anna Patrick

Gamma Sigma University of Florida

We, the brothers of Gamma Sigma send a great big thank you to all who attended Province IV, at the University of Florida, in early January. We were quite pleased with the turn out and hope all of you had fun while enjoying the fellowship of brotherhood. We

would also like to say thank you to brother Bill Ratner for organizing the event, you did a great job, Thanks!!!

The results of a grueling ten weeks of pledging has paid off well for the brothers of Gamma Sigma. We have initiated eleven new members from the college of pharmacy and we are very proud to introduce our newest brothers to you: **Champ Barber, Igor Chaplik, Johnson Do, Darren Ferreira, Doug Kennedy, Jason Lin, Ron Mihelic, Jimmy Mills, Jerry Moellencamp, Glenn Whelan and Mark Percifield.**

The brotherhood has elected and initiated the new officers for the 1996-97 school year. Congratulations go out to the following brothers as they take leadership roles in our fraternity. May they guide us with wisdom and strength throughout the next year. Regent, John Seibold; Vice Regent, John O'Brien; Treasurer, Bill Ratner; Recording Secretary, Glenn Whelan; Corresponding Secretary, John O'Brien; Historian, Doug Kennedy; Pledge Master, Sean Klicker; Assistant Pledge Master, Ron Mihelic; Chaplain, John Seibold; Sergeant-at-Arms, Johnson Do; Student Council Rep, Darren Ferreira.

Coming up for us this semester is one of our biggest fundraisers the Kappa Psi Annual Golf Tournament. It will be held on March 23, 1996 at Meadowbrook. This great event generates a lot of money for the Children's Miracle Network as well as gives us the opportunity to network with the area pharmacists. The best part of the event is the opportunity to touch base and share fellowship with the alumni of our chapter. If you are in Gainesville, stop on by, we are looking forward to seeing you!

Another big event of the spring semester is Little Sister rush. This year we have twenty-one young women in the program. It is great to see their enthusiasm for our chapter. In a few short weeks, they too will become part of Gamma Sigma. We wish them the best and look forward to their friendships and the fellowship that being in a fraternity brings.

In closing, I would like to thank the brothers of Gamma Sigma for giving me the opportunity to represent them as the

chapters' Historian. It was an honor to document the multitude of activities our chapter was involved with this past year.

—Michelle F. Traficante

Gamma Eta *University of Montana*

Since the last time we spoke with you, Gamma Eta has initiated twenty new members, elected a new executive committee, and attended the Province X meeting in Seattle.

Our newest brothers were initiated December 1 at the University of Montana. After the ceremony we had a social at one of the local sports bars. This get together was planned by the pledge class and they invited the entire chapter to join them in their celebration. A fun time was had by all.

Following is a list of our new brothers: **Zelda Shipman, Rita Rodighiero, Julie Sather, Scott Allen, Nadelle Arthur, Jeff Aster, Darren Baretta, Amy Beal, Mike Britain, Denise Cendoma, Rita Clark, Tara Damon, Corey Denton, Gary Hood, Dawn Ledahl, Celine Maloney, Mandi Nordhagen, Tanya Smith, Hank Rauenhorst and Tamara Spek.**

Gamma Eta Chapter elections were held at the next regular meeting following initiation. Regent, Kara Bowman; Vice Regent, R. Eric Beyer; Secretary, Tanya Smith; Treasurer, Carter Simpson; CO-Historian, Frank Nash and Scott Allen; Chaplain, Julie Sather; Sergeant-at-Arms, Rita Rodighiero; Organizational Chair, Jason Williams; and CO-Social Chair, Hank Rauenhorst and Celine Maloney. Thanks to them for their hard work and dedication!

We have just returned from Seattle and the Province X meeting. This is the first time that all chapters in our province have had representation at the meeting. Thank you to Beta Omicron for all the work they put in as host chapter. Special thanks to Beta Pi, Delta Mu, Seattle Grad, and Portland Grad chapters.

At the meeting Craig Johnston decided not to run for Satrap. As the newly elected Grand Historian, I guess he'll be busy enough! Craig had served as Province X Satrap for

eight terms. There is no way to express the emotions that all our chapter and province members feel for Craig and the things that he's done for Province X. Thanks Craig.

Two Gamma Eta brothers were elected to the province committee. Mike Harshberger, Satrap and Kara Bowman, Secretary/Treasurer.

During the next quarter, we plan to host a ski party at Marshall Mountain, do our highway clean-up as part of the adopt-a-highway program, have our spring social "The Big Thaw", and host a function in celebration of our chapters 75th anniversary.

—Frank Nash

Province III

We in Province III are glad to see an end to the cold winter days that have plagued us and are looking forward to the warmer spring and summer days. In April, Gamma Xi hosted the province assembly in sunny Myrtle Beach, South Carolina at the Swamp Fox Resort. Kyle McHugh and the other Gamma Xi brothers did a wonderful job at organizing this fun yet productive event. On Friday, there was a social followed by a breakfast and business meetings on Saturday. Chapter presentations were given, nominations were taken, and other orders of business were attended to. Saturday evening, we were entertained by the Knights of the Roundtable (dinner theater). It was a weekend packed with exchanges of ideas, movement towards the future, and most of all, brotherhood.

We in Province III are very proud to report that many of our brothers are now on National Committees. These brothers include: Brandon Maddox, Heather Owens, Gregory Poithress, Julianna Fine, Dr. Chance Parrish, Dr. Bill McKelvey, Dr. Daniel Teat, Dr. Jeffrey T. Lee, Mike Deweese, Gary J. Salamido and Kyle McHugh. We wish to congratulate all of these brothers and say, keep up the good work!

—Laura L. Ivey

Province X

The Province X meeting was held on March 1-3 in Seattle,

Drug Quiz

MYSTERY DRUG ANSWER:

This drug's name, warfarin, is an acronym from the patent holder, Wisconsin Alumni Research Foundation, plus the coumarin-derived suffix. Its predecessor, dicoumarol, was discovered in 1939 after cattle developed a undescribed hemorrhagic disorder after ingesting spoiled sweet clover silage.¹ It was originally, and still is, marketed as a rat poison under a variety of names, but may be more famous by its medical trade name, Coumadin® (Dupont).

The Drug Quiz question is found on page 23.

By Jeff Sigler of Sigler and Flanders' Drug Cards

*'Goodman Gilman et al., *The Pharmacological Basis of Therapeutics*, 1990, 1317*

Washington. We were lucky to have five national officers in attendance, including John Grossomanides (Grand Regent), Brian Furbush (Grand Vice Regent), Craig Johnston (Grand Historian), Tim Eley (Grand Ritualist), and Sean Higgins (Graduate Member-at-Large). We really appreciated having these officers at our province meeting.

We were also lucky to have a great turnout of around 60 brothers with representation from all of our chapters. We had members from Beta Omicron, Beta Pi, Gamma Eta, and Delta Mu attend the meeting. We also had representatives from our two graduate chapters from Seattle and Portland. Beta Omicron did a great job of hosting the event, and we would like to thank them again for doing such a wonderful job.

We also elected our new Province X officers at this meeting. We had a lot of strong candidates that ran for the offices, and the decisions were very difficult. Our new officers are: Satrap, Mike Harshberger; Vice Satrap, James Conklin; Secretary/Treasurer, Kara Bowman; Historian, Patty Ryder; and Chaplain, Tony Paton. This was the first time in eight years that we have elected

The Kappa Psi Adopt-A-Highway clean up gang.

a new Satrap. We would like to thank Craig Johnston for being a great inspiration and for doing such an outstanding job as the Satrap for Province X for the past eight years. We wish him the best of luck in his new position as Grand Historian.

On Friday we met for a few hours and heard the reports from both national and province officers. We adjourned in the early evening after nominating the candidates for province offices. This was a great chance for us to meet the other members of Province X. On Saturday morning we heard the chapter reports, held discussion groups, and elected the new officers for Province X. This left the afternoon for visiting local breweries, Pike Place Market, the Space Needle, the Erotic Bakery, etc. Saturday evening we attended a banquet where the new officers were installed, followed by a dance with our favorite DJ., Craig Johnston. Sunday morning we all packed up and said our goodbyes. This was not the favorite part of the weekend for many of us.

Thanks to everyone who attended the Province X meeting. It was a great chance for new members to see the brotherhood of Kappa Psi. We all had a great time meeting new people, and strengthening the friendships we already had. Thanks to all the great people my chapter and I met, we will never forget you.

Balloon hats . . . need I say more?

—Patty Ryder

Portland Graduate

After an extended absence in print, Portland Graduate Chapter would like to take this opportunity to send greetings to every chapter, and let you know that the Oregon graduates are still active. We are making plans for a dinner/meeting this spring and evaluating ways to expand our mailing list to be sure we reach as many members as possible in our area.

Our chapter was represented at the Province X Assembly in Seattle, March 1-3. It was a great experience to participate with the other chapters of the province and rewarding to see the enthusiasm generated throughout the weekend. Planning for all the events was well done and was reflected by the good turnout. We were aided by picture perfect weather which is seldom seen this time of year and a secret we don't usually divulge to areas outside the Northwest. In addition to province business, several choices for tours of the Seattle area were provided and many took advantage of that. Good luck to the new Province X officers.

Thanks also go to the national officers attending: Grand Regent, John Grossomanides; Grand Vice Regent, Brian Furbush; Grand Historian, Craig Johnston; Grand Ritualist, Tim Eley; and Graduate Member at Large, Sean Higgins. We appreciate their efforts to come and provide motivation and encouragement to the membership. It's a real positive force to help strengthen our fraternity.

Our hats are off to Beta Omicron and Regent Kay Kosel as the host chapter and to outgoing Province X Satrap Craig Johnston and their assistants for all their efforts which made the meeting a success.

—Ed Cole

Beta Omicron University of Seattle

Beta Omicron started out this year with only 13 members and when we thought that only a few would show up for initiation, we ended up with 22 new members! How did that happen? Thanks to the hard working officers as they promote

Kappa Psi and get people involved in activities such as a rush pizza party, Seahawks football game, skiing trips, haunted house and costume party, blood drive, and bowling party. We are very proud of our newly motivated and very active members. Half of the last Graduate Chapter Dinner consisted of undergraduates!

New members this year are: **Jeff Bunney, Mark Iseri, Wendy Ruth, Jacquie Shearer, Godwin Asemota, Christine Cameron, Nick Firestone, Trang Gagne, Traci Harris, Evelyn Kwan, Dinh Lam, Chau Luong, Cheryl Nagahara, Fred Sorrells, Terry Hayasaka, Hatam Shafeean, Paul Holm, Pete Janson-Smith, Huyen Nguyen, Clay Rasmussen, Gary Tracy and Stephanie Le.**

Beta Omicron was very fortunate to host the Province X meeting here in Seattle, March 1-3. It came at a crucial time for us because that's when we needed it the most. Province X meeting radiates a revival in energy, a revisit of the true meaning of the rituals, and the bonding of our brothers. 100% of the chapters were represented at the meeting. It was quite an exciting time for us to share and gather ideas from the levels of undergraduate, graduate, province and national officers. We want to sincerely thank all those who attended the Province X meeting. Without you, there would be no Kappa Psi Saturday Night Fever!

Some upcoming plans for the spring quarter include an intramural softball team, spring picnic with students versus faculty softball, Border to Border run for Cancer, a rafting and hiking trip and Graduate Chapter Dinner. Y'all are welcome to join us and Happy Spring from Beta Omicron!

—Julie O. Hoang

Gamma Phi University of Georgia

New brothers renewed enthusiasm and a more active chapter. This has been the underlying feeling at the Gamma Phi Chapter this winter quarter. This vigor was carried on to the Province meeting organized by the University of Florida. Four of our brothers were elected for Province

offices, three of whom are new brothers. These new officers are: Satrap, Michael Strange; Vice Satrap, Wesley Colsten; Chaplain, Greg McKeever; and Historian, Dwayne Pierce. Congratulations guys. We also won the attendance award. We would like to extend our thanks to the University of Florida for its excellent organization and for being wonderful hosts of this year's Province meeting.

Activities at school included a Red Neck party and a Toga party. Our brothers from Mercer and Samford attended both parties. Our service projects included our continued participation in the Adopt-a-Highway program, a clothes drive where items were donated to the local Potter's House, and a Canned Food Drive. We received a special commendation from the Athens Food Bank and the Dean of the Pharmacy School for donating more cans than any other organization at the school. We haven't forgotten our little sisters, and we never will. We treated our little sisters to an enjoyable hockey game. We hope they enjoyed the game and also our company. We greatly appreciate their contribution and concern for the well being of this chapter.

In sports the Kappa Psi basketball team placed seventh out of over 100 teams in the intramural sports league. You guys did a great job.

This will be the last issue I will be writing an article as historian. We are in the process of selecting new officers, and I wish good luck for whomever is going to take over this office. It's been, and will be, a wonderful experience to be a part of great Kappa Psi history.

—Raj Janampally

Beta Rho University of Mississippi

As we look forward to the Province VII meeting in St. Louis, the brothers of the Beta Rho chapter here at the University of Mississippi would like to share with you the list of our new initiates. On January 30, we initiated 36 new brothers into Kappa Psi. They are: **David Ancell, Brian Bain, Dennis Bean Jr., David Bryan, David Berry Jr., Brian**

WEST VIRGINIA UNIVERSITY CHILDREN'S HOSPITAL

Beta Eta Chapters visit Ruby Memorial Children's ward at the West Virginia University Children's Hospital on Valentine's Day. L-R back: Mike Starcher, Bryan King, John Beaver. L-R front: Scott Meeks, Courtney Dubbs, Shannon Shaluis, Lisa Stephens and Stacy Wells.

Bradshaw, Jason Broome, Chip Fowler, Jason Cannon, Donald DeHart, Tim Evans, Bart Faulkner, Grant Gautier, Brandon Hardin, Beau Harger, Billy Holt, Randle House, Craig Long, John Manuel, Joachim McKinney, Eddie McNeer, Danny Patel, Richard Patrick, Chris Perry, Barry Phillips, Jay Pitcock, Todd Rexront, Michael Robinson, Matthew Strum, Steve Thomas, Blake Thompson, Mike Thrash, Michael Todaro, Wade Walker, Michael Warren and Chris White.

Aside from the upcoming Province meeting, we will be busy this spring with several community service projects. We have been involved with the Adopt-a-Highway cleanup for the last several years. We will be helping to conduct a 1200 household survey along with the United Way that is sponsored by the Department of Health and Human Resources. We hope to be doing a blood pressure screening in the local mall very soon.

—Jack K. Umphers

GAMMA CHI

Ferris State University

Those of us at Ferris State University hope that everyone has made it through the winter

and is enjoying the long awaited spring. Since you last heard from us, we have been involved with the Big Brother/Big Sisters Association here in Big Rapids, Michigan. We held a Halloween party for these children, which was entertaining but a lot of work! We are currently planning an Easter party for this same group of kids.

Congratulations to the following members who are on clinicals this semester and are preparing for graduation: Dave Andrews, Todd Belding, Dave McDiarmid and Deb Veldkamp. We wish them the best of luck and much success in the years to come.

Finally, I want to remind everyone of the annual end-of-the-year party. We will let you know as soon as a date has been decided upon. See you there!

—Jennifer Mikos

Eta

Philadelphia College of Pharmacy and Science

The brothers of Eta celebrate the completion of another successful and active year. We excelled in athletic competition, took part in community services, and still found time to keep PCP&S socially active.

We are proud to report that in our intramural trophy race,

we took first place in foul shooting, frisbee, mini golf, chess, ping-pong, and set a new record in the mile relay race. We are in good position to win the trophy and we are having a good time doing it.

We are very active in the community. The canned food drive for the homeless provided many needed meals. Also, we were the host to the first semi-annual joint party, which was held with the help of the brothers of Phi Delta Chi and the sisters of Kappa Epsilon, and Lambda Kappa Sigma. The proceeds from this party were intended for Green Peace. However, following the death of a fellow student at PCP&S, it was decided that the profit would go to the family of the student instead. A second joint party is planned.

The Kappa Psi house was packed for the Toga party. This proved to be an enjoyable time for all who attended. A beach party and a second Toga party are planned. After the success of the first Toga party, people will certainly want to attend.

Finally, we would like to thank and wish good luck the graduating class of 1996. As active brothers, they have made many contributions to the success of our fraternity. They have always been there for us and we will always be there for them. Kappa Psi forever!

—Vanbotra Huang

Beta Eta

West Virginia University

We have started many new service projects that will keep us very busy this semester. At every meeting we are collecting canned goods or money from our members that will be donated every week to the Settlement House Food Pantry. On Valentine's Day, eight brothers had the pleasure of visiting Ruby Memorial Children's Hospital and spreading cheer with toys for all of the children. We are looking forward to another trip for Easter so we can again spend time with the children. We are making plans to serve dinner for the children and their families at the Ronald McDonald House and are increasing our volunteer work at the Morgantown Health Right free clinic. Later in the semester, the brothers are

planning to take part in the Adopt-a-Highway program to do our part in cleaning up our community.

We are also planning some financial and social projects throughout the semester. We will be having a sale on our Top Ten T-shirts and WVU School of Pharmacy license plate brackets. Anyone interested in these items may contact Kappa Psi at the school of pharmacy. Socially, plans are in the making for a mid-semester ski trip and a year ending whitewater rafting adventure. To wrap up the year, we are planning a farewell dinner for our graduation seniors.

We would like to congratulate four of our members who were inducted into Rho Chi Honorary Society: J.R. Baker, Chris Marra, Lisa Stephens and Kara Trembush. We would also like to recognize some of our members who represented Kappa Psi at the national APHA meeting in Nashville, Tennessee in March: Carl Kinder, Scott Meeks, Stacy Wells and Darrell Willis.

—Stacy Wells

GAMMA UPSILON

University of Arizona

The brothers here at Gamma Upsilon at the University of Arizona would like to wish Jill Walker a fellow brother a speedy recovery.

On January 20, 1996, the brothers of Gamma Upsilon hiked a local mountain; Picacho Peak. After a 2 hour hike up the mountain the brothers began to make their way down. On the way down an approximately 100 lb. boulder fell on Jill and landed on her foot and calf. This resulted in a 7 hour rescue by the Arizona search and rescue team, the sheriffs department, park rangers, and the paramedics. She was then ambulated to a local hospital where she underwent immediate foot surgery. She then underwent a second foot surgery the following week.

She is currently recovering and trying to get back to her normal day-to-day routine. It is not easy for her but she's doing well and staying strong. Once again, we here at Gamma Upsilon wish Jill good luck and a speedy recovery.

—Belinda Daw

Dr. Robert Magarian's "motivational" speech at the Spring Banquet.

St. Louis Graduate

The St. Louis Graduate Chapter was well represented throughout the pledging season. There were many visits by graduates to the pledges this year. Special thanks to out-of-town graduate brothers Julia (Ju-Ju) Rayniak, Dawn Durbin, Maria Costa, Dan Draege and John (O.D.) O'Dwyer for making the trip(s) back to St. Louis during pledging. I would also like to thank the collegiate brothers of Pi, Beta Psi, Gamma Iota, Gamma Omicron and Province VII Chaplain Wayne Hamm for making the trip to St. Louis for High Ideals Weekend. These visiting brothers helped to instill the idea and feeling of brotherhood in the initiates. The weekend was a reminder that Kappa Psi knows no boundaries and that great brotherhood with other chapters is only a short car ride away.

The Graduate Chapter will be setting the dates for our summer activities very shortly. Some of the events coming up include our annual float trip down the Meramec River, our Pig Roast, and possibly a Cardinals baseball game. These events are always fun and draw many brothers together. The

dates for these events will be decided on and sent out ASAP. Anyone interested in visiting St. Louis or attending one of our activities, please call me at (314) 773-7647. I will be glad to give you any information and dates once they are decided upon.

—Brain D. Allison

Beta Chi BX *Drake University*

Beta Chi kicked off the spring semester by activating 17 new brothers into our chapter: Laryn Bardenas, Dane Coffey, Trudi Ferguson, Karrie Fry, Maren Gunderson, Jill Heimgartner, Peter James, Heather Kitchens, Jessica Kotches, Jennifer Livingston, Jane McLaughlin, Jamee Peffers, Heather Priem, Jenny Schneider, Melia Steensen, Lori Stueve, and Meagan Wilson. Congratulations and welcome to our new actives. A special thank you to the brothers from Beta Nu for the loan of their shield as we are in the process of replacing our own. Also thank you to Dr. Roche for arranging for the shield to be brought to Des Moines when our attempt to travel to Creighton was stopped short due to the weather conditions.

As always, we have many projects in progress. This year's annual condom day was a great success. Instead of going out into the community as we usually do, we stayed on campus to educate our fellow Drake students. Condoms were provided to us by the Iowa AIDS Project, thank you to them. Later in the semester we will be participating in a bowl-a-thon to benefit the Crohns and Colitis foundation. We will also be having a bake sale with the proceeds to go to a memorial scholarship fund.

—Katie Sage

Gamma Omicron PO *University of Oklahoma*

We started the year by planning and setting goals for our tenth annual Muscular Dystrophy golf tournament. Our goal this year is to raise \$4,000 for MDA. This year the tournament will be at Coffee

CORRECTION

meet other 'hippies'. Great fun for all!

The 1996 Spring Banquet was a time to reflect on the hard work and numerous successes of this year. Many outstanding leaders of Kappa Psi were awarded for their hard work and devotion to school and fraternity. Our most prestigious award went to Dr. Robert Magarian. He has devoted many years to mentoring, teaching and leading students of the University of Oklahoma School of Pharmacy and Kappa Psi brothers nationwide. As he retires his teaching post, let us say, may his retirement be as good to him as he has been to us. We will miss him.

At Gamma Omicron we believe "don't ask what Kappa Psi can do for you, ask what you can do for Kappa Psi." If a brother chooses to participate in this organization, they can expect to gain not only leadership skills, communication skills and life long friends but a host of other personal and professional aptitudes as well.

We are proud to announce the 1995-96 Gamma Omicron officers: Regent, Jason Sutton; Regent-Elect, Lenee Arms; Vice Regent, Chris Anoatubby; Recording Secretary, Annette Roberts; Corresponding Secretary, Angie Hale; Treasurer, Mandi Noland; Chaplain, Eric Stevens; Sergeant-at-Arms, Alan Butler and Darryl Raley; and CO-Historian, Santhi Masilamani and Joe Burns.

—Joe Burns

Xi Chapter Reactivation

The Xi Chapter was successfully re-activated on January 20, 1996 after a five year absence. The induction ceremony was held at the Fawcett Center on the campus of The Ohio State University which was followed by a reception dinner at Da Vinci's restaurant in Columbus, Ohio. As a result of the countless hours of work by Regent Robin Hallas and her fellow officers, twenty-nine brothers were initiated.

The induction ceremonies were conducted by Grand Regent John Grossomanides, Executive Director Dr. Robert Magarian, Grand Council Deputy Ralph Foster, Province V Satrap Dr. Scott Mark and Province V Historian Cameron VanDyke. Also assisting in the ceremony was Cincinnati Graduate member Dr. Jenny Donaldson, the brothers of Gamma Delta including Jason Rawlins, Chris Wyse, and James Parsley and the brothers of the Columbus Graduate Chapter Phil Lutz, Dick Birnie, Bob Berger, Ray Lok and Scott Hulka.

The new Xi brothers are:

Anna Marie Blair
Jamie Capestany
Matt Conner
Jennifer Cox
Mark Crowe
Jeff Czuba
Theresa DiPadova
Jennifer Dunham
Brian George
Giovanni Giardini

Jason Grills
Robin Hallas
Andy Irons
Tina Kistler
Brian Lehman
Chuck Lynsky
Andrea Marcket
Nicky Miller
Alicia Morgan
Amy Muhlenkamp

Triet Nguyen
Eugene Park
Miguel Rivera
Yvette Smith
Tina Stack
Casey Staples
Kiersten Surber
Kathryn Tomlinson
Mary Veliconia
Lance Workman

The Grand Regent presented Certificates of Commendation to Scott Mark and Ralph Foster, the G.C.D., for their role in activating Xi Chapter. In addition, three of the new initiates (Robin Hallas, Lance Workman and Matt Conner) were presented with Commendation Certificates for their participation in the reactivation of Xi Chapter. All of the awardees, were also presented with the Recognition Pin. Finally a copy of the Kappa Psi History Book was presented to the new Brothers to commemorate the reactivation on January 20, 1996. All present signed the Book. In the front, the Grand Regent wrote a message of congratulations and under it, the Grand Regent and Executive Director placed their signatures.

The new Brothers of Xi Chapter were impressive and appreciative. The new officers are true leaders and had a large portion of the responsibility in recruiting and motivating a body of some 29 persons to join Kappa Psi. A group of 29 is fairly large when you consider this to be a resurrection of Xi from dormancy since 1990.

*By Robert Magarian
and Scott Mark*

KAPPA PSI FOUNDATION PROGRESSING

During the annual Kappa Psi Reception at the APhA Annual Meeting in Nashville, TN in March, Past Grand Regent Norman A. Campbell, President of the Kappa Psi Pharmaceutical Foundation, Inc., reported on its status and plans.

Dr. Campbell noted the funding solicitation strategies developed by the Board of Directors for individual and corporate contributions.

Most notably, the Board has voted to increase scholarships from two at \$500 in 1995 to four \$750 awards this year. Notices and application materials will be provided to collegiate chapters soon.

Brothers, Chapters and Provinces are encouraged to support Grand Regent Grossomanides in his effort to make the Foundation the Fraternity's #1 charitable goal in 1996.

Question may be directed to Foundation President Campbell at (401) 874-5005 or Foundation Secretary Magarian at (405) 271-6942.

Visionaries for Kappa Psi

By Brian Reisetter

Brian Reisetter

by Kappa Psi of electronic communications through the Internet and various other forms of electronic mail. As this topic came up in the conversation with these Brothers, I felt it increasingly necessary to explain WHY this is such a high priority with me and my involvement in Kappa Psi.

I personally believe that there is a lot of benefits that come from any form of increased communication in an organization like Kappa Psi. Through the Internet, we can theoretically all be linked to each other with little or no cost to the Fraternity or to the Brotherhood. However, getting your chapters or Brothers to utilized the electronic communications available to Kappa Psi is not the

At one of the recent Province assemblies that I was fortunate enough to attend, I had an interesting conversation with a couple people that I thought I would share with you. As most of you know, I have been a big proponent

real goal. I realize that there are certain Brothers that do not want to communicate in this fashion. In addition, it is not my goal to turn everyone into "computer nerds" who spend their days "surfing the web for the betterment of Kappa Psi." That is a personal choice by you and your chapters.

The REAL goal of getting Kappa Psi up on the computer learning curve is an attempt to be VISIONARIES FOR KAPPA PSI. My first encounter with personal computers came in the fourth year of Pharmacy School. The first experience with PC's for our current undergraduate population probably came during their junior high or high school years. Some of us have never worked on a computer at all.

However, the next generation of Brothers will be completely different in this regard. Our Brothers seven to eight years from now will not remember a time without computers. Most of these late elementary "future Brothers" have been playing interactive CD games since they were old enough to handle a mouse. These students probably don't even own a dictionary or set of encyclopedias. They just "hop on-line" and download the information they need for their school work. They will be VERY comfortable with communicating across the nation throughout elec-

tronic modes. We owe it to these future Brothers to be ready for them when they get here.

Our past leaders were such VISIONARIES for our Fraternity. Where we are as a Fraternity is a direct result of the decisions of our past leadership who brought us where we are today. Mainly, because they knew this is where we needed to be for the betterment of our Brotherhood's experience in Kappa Psi. But now, the Baton has been passed. It is now OUR turn to look towards Kappa Psi's future and plan the kind of experience our future Brothers will enjoy.

I am very proud of the accomplishments of Kappa Psi over the last few years. We have been proactive, not only with electronic communication, but with risk management, province involvement, strategic planning, corporate relations, and within many other areas. We have been visionaries for Kappa Psi and we need to continue to be visionaries for the future of our Fraternity and of its Brotherhood. This applies to not only the Executive Committee, but to each of the Chapters and Provinces in this great Order. Let's keep working together to assure that the future Brothers of Kappa Psi enjoy the same kind of benefits available to us today . . . and even MORE!
