SPRING 2002

**Delta Theta
Celebrates Its 30th**

Call to Convention

**Bliss Award Winner
Announced**

Craig A. Johnston

Do You Remember Johnny? Where did Johnny go?

Does this remind you of a conversation you have heard over the past few years? Unfortunately, in most chapters, these do not represent foreign questions. Perhaps something like this has been overheard at a chapter meeting when that brother who used to attend every meeting stops coming. Perhaps this question comes up at a province meeting when someone from another chapter asks about a brother they met at province but haven't seen since. Perhaps two brothers discussing the great time they had at the past Grand Council Convention start to reminisce about another brother they shared a special memory with. Two collegiate brothers may be heard talking about another brother who is now in rotation fulfilling his/her requisite externship and clerkship rotations in order to graduate. Or another probable scenario is that a former collegiate brother who was extremely active has recently graduated and has lost contact after moving to his/her first pharmacy career and has become one of our thousands of disconnected graduate brothers. No matter the scenario, it always indicates a need for change!

We need to focus our attention on what causes the active collegiate brother to disappear from chapter activities and meetings. Is it financial? Develop a fund raising project that can be used to help defray the costs of dues and fees paid to the chapter, province or Central Office. By doing so you not only help those individuals who do not have the means, but you also grow closer as you work hard to solve a major problem facing most chapters. Are our activities and social functions becoming placid, repetitive or uninteresting? Form a brainstorming session to come up with new ideas and themes and challenges during which the current collegiate or graduate brothers can play a role in designing and implementing. Re-evaluate each activity, service project, and social activity to see if they are still fun, unique, inspiring, etc. Perhaps you are losing brothers because they feel they have no real role in the direction of the chapter. Create committees to take up challenges and to utilize more brothers in an active role.

To retain graduate brother involvement, arrange for events with the chapter that can involve family and non-brothers so they don't feel "out of touch." Don't let brothers go on rotations without getting a working e-mail address from them, and then use it weekly, even if it is just to let them know what the chapter is doing. Ask graduate brothers for advice or help on a specific project which will draw them back to the collegiate chapter and make them feel more at home again. Establish a project or program which uses the talents of the graduate brothers to bring them back to the collegiate site for presentations, service projects, CE presentations, etc.

Let the graduate brothers know you appreciate what they have done for your chapter and Kappa Psi in general. Invite them to your awards banquet and present them with their 25- or 50-year Mortar awards when they are eligible. Make history presentations in your chapter meetings where the accomplishments and work of the graduate brothers can be discussed so that the collegiate chapter knows what role those brothers played in the development and sustaining power of your chapter. Finally, think of yourself as a developing graduate brother and ask yourself what would help you stay involved when you graduate? Then develop a plan to implement those types of changes so we can someday stop asking the question: "Hey, what ever happened to Johnny?"

Sincerely,

A handwritten signature in cursive script that reads "Craig A. Johnston". The signature is written in dark ink and includes a stylized flourish at the end.

Craig A. Johnston, Ph.D.

Graduation Time

On behalf of the Executive Committee and all the graduate brothers of Kappa Psi, I would like to congratulate each one of this year's graduates. Graduation is a time that is anticipated with great joy, relief and possibly even a little sadness. But it also signifies you have accomplished a major goal in your life. It is a time to be proud.

It will be one of those most memorable times of your life. Enjoy the happiness and excitement with friends, family and loved ones. The long days and nights of studying for exams are over. But remember the good times that came with those long days and night—the Kappa Psi friends that you made over class notes and many cups of coffee. These brothers will be with you for the rest of your life, because Kappa Psi is forever.

You are embarking on a new professional life as a pharmacist. It will be an exciting adventure. The profession of pharmacy will benefit from your Kappa Psi experiences. Use those experiences to become a constructive and contributing member of the profession of pharmacy.

Province IV

By Beauman Dick
and Cindy Hardee

Collegiate Member at Large Marjorie Showalter gives the Satrap's Province Report of the meeting.

Brother Josh Morris, Gamma Phi Regent, accepts the 2001 Chapter of the Year award on behalf of his chapter at the Province IV Banquet.

Province IV has had a busy past few months, beginning with the annual Province IV Assembly in January, hosted by Delta Gamma at Auburn University. Under the direction of brothers Julie Jespersion, Laura Nealey, and Katie Hornbuckle, Delta Gamma was able to host an incredible weekend that few will ever forget. We would like to thank them for all of their hard work and dedication to the Fraternity.

On Friday night, representatives from each of the seven collegiate chapters met for a

barbecue dinner welcoming reception at the Harrison School of Pharmacy. Many of the newer brothers, who had never been to a province assembly, were able to meet people from all over the province, as well as brothers from the Alpha chapter; Craig Johnston, Grand Regent; Johnny Porter, Province IV supervisor; and Mike Sherry, assistant Province IV supervisor. After a lot of good food and fellowship, many of the brothers headed downtown to enjoy Auburn's nightlife.

The next day began with a breakfast sponsored by Walgreen's Pharmacy. During the first half of the meeting, brothers heard reports from each of the national officers, province officers, and chapters in the province. This breakdown of the previous years' events gave us both an informative and entertaining retrospective on what many of our brothers have been doing socially, philanthropically, politically, and Fraternally. We also broke out into committee meetings where we prepared legislation and discussed both the past and the future of our province.

After a fantastic chicken-finger lunch, sponsored by Rite-Aid Pharmacy, the meeting resumed with the discussion and voting on new province ordinances and resolutions.

We also decided to focus our charitable work on the American Red Cross, which will serve henceforth as our province philanthropy.

Finally, in an event many were looking forward to, our province elected the new officers who will carry out many of the new ideas brought forth at the meeting. These new officers are as follows: Beauman Dick, satrap; Ben Brielmaier, vice-satrap; Elvin Price, secretary/treasurer; Cindy Hardee, historian; Katie Hornbuckle, parliamentarian; and Alex Bland, chaplain. This group of officers will also be accompanied by the immediate past satrap, Margorie Showalter. Not only are we excited about these new officers, but also with the fact that each collegiate chapter in the province is represented with one officer each, something that has not happened in many years. This will surely allow for progress in the months to come from each of the chapters in the province.

The weekend culminated with the Province IV banquet on Saturday night. After the welcome and invocation, we were treated to a delicious Italian buffet dinner. After dinner, the assembly listened to a very impassioned speech by Dr. Lee Evans, Harrison School of Pharmacy dean and Kappa Psi brother, followed by the installation of the

Brothers from the Gamma Phi chapter stand proudly with their awards won at the Province IV meeting banquet in January at Auburn University.

new officers and the presentation of the awards. This year, the Best Chapter Presentation award went to Delta Iota, who gave a chapter report filled with pictures and video, and the Attendance and Chapter of the Year awards went to Gamma Phi.

The dinner and the weekend ended with the closing ritual. Then, as with the previous night, many of the brothers from around the province went downtown Auburn to enjoy one last night of fellowship and brotherhood before departing the next day.

Brothers from the Delta Iota chapter with their award for Best Chapter Presentation.

Once again, we would like to thank all of the Delta Gamma brothers for their hard work and dedication to the province and Fraternity by successfully hosting the 2002 Province IV Assembly. Not only did each of the chapters leave on Sunday with many great memories, but we left excited about the future of our province. In addition, we would like to thank the national officers who took the time out of their busy schedules to enjoy this weekend with our province. And, finally, thanks to all of the brothers from around the province who attended the meeting and helped make it such a success.

We look forward to seeing you all again on May 11 for the Province IV Interim Meeting in Tallahassee, Florida, the home of the Delta Iota chapter.

Mike Sherry confers with brothers from the Delta Iota and Gamma Psi chapters during the breakfast session.

Delta Theta Celebrates 30th Anniversary

By Erika Jackson

The past 30 years have been truly remarkable for our beloved Delta Theta chapter. Delta Theta was chartered in 1971 by 18 brothers. Dean Patrick Wells, who at the time served as Grand Ritualist and Dean of the College of Pharmacy, installed the chapter at the Texas Southern University College of Pharmacy on March 23, 1973. Since the chapter's chartering, brother Wells has had the honor of serving as Grand Regent from 1983–1987, and Delta Theta had the honor of hosting the 42nd Grand Council onvention in 1985.

There are currently several brothers serving on the faculty at the TSU College of Pharmacy, including Dr. James Guilford, who served as past Grand Council Deputy. In addition, many Delta Theta brothers hold various leadership positions within APhA, SNAPhA, and TSHP. Several of our brothers also hold class offices and serve in organizations outside of pharmacy.

Delta Theta has participated in countless service projects in the past 30 years such as donations to the Star of Hope and Kid Care, beautification projects, and mentoring programs with school children in the community. We have also participated in numerous fundraising events and social activities such as bowling tournaments with Delta Delta, annual barbecues, and bond nights.

In acknowledgement of our 30-year milestone, the chapter hosted the Delta Theta 30th anniversary celebration/spring interest meeting. This hallmark event was held at a community deli on the evening of February 26. The celebration was a perfect opportunity for the brothers to reflect on past experiences in the Fraternity with interested students to help them understand the principles of Kappa Psi and the uniqueness of Delta Theta. The program began with an hour of jazz and dialogue, with each brother acquainting himself with a guest. Regent Mouhamed Gueye and Vice Regent ShaCarla Watkins gave a short introduction, a presentation, and remarks. An ice breaker, conducted by brother Mary Williams, enabled the potential candidates to learn more about the current brothers in the chapter. The evening concluded with a brief question and answer period followed by food, music, and brother relations.

Delta Theta brothers (l-r) Franchesska, Shacarla and Delshalonda enjoying themselves at their 30th anniversary celebration.

Delta Theta brothers enjoy a memorable evening.

San Diego here we come!

A. Richard Bliss Award Winner

Dr. Salvatore J. Giorgianni (holding award) poses with past Bliss Award winners (l-r): Dr. Norman Campbell, 2001; Dr. Joseph A. Oddis, 1996; and Dr. Herbert S. Carlin, 1993.

Kappa Psi Pharmaceutical Fraternity, Inc. is pleased to announce that the 2002 recipient of the A. Richard Bliss Jr., Grand Council Citation of Appreciation Award is Dr. Salvatore J. Giorgianni.

This Citation of Appreciation, the highest honor bestowed by this professional pharmacy fraternity, is presented as a form of superior recognition to those individuals who have made extraordinary contributions to the Fraternity, the practice of pharmacy, or pharmacy education. The award may be presented to either Fraternity brothers or to individuals outside the Fraternity. Past recipients include Dr. George B. Griffenhagen, Dr. Raymond A. Gosselin, Dr. Carl E. Trinca, Dr. Mickey E. Smith, Dr. Jere E. Goyan, Dr. Herbert S. Carlin, Dr. James T. Doluisio, Dr. Lawrence C. Weaver, Dr. Joseph A. Oddis, Dr. Maurice Q. Bectel, Dr. Kenneth N. Barker, Dr. Lucinda L. Maine, Dr. Varro E. Tyler, and Dr. Norman A. Campbell.

Dr. Giorgianni is a 1973 graduate of Columbia University College of Pharmaceutical Sciences (B.S. Ph.S.). He continued his education, obtaining his Pharm. D. from Columbia in 1975. Dr. Giorgianni practiced retail and hospital pharmacy before his appointment to the faculty at his alma mater.

Serving as an adjunct clinical professor, Dr. Giorgianni is also the coordinator of clinical services and drug information for Lenox Hill Hospital in New York City. Dr. Giorgianni then began his 24-year association with Pfizer Pharmaceuticals, serving in the divisions for Scientific Information, Training and Development, Medical Education, Regulatory Affairs and Clinical Safety, Planning and Policy, Science and Regulatory Policy, Corporate Strategic Planning and Policy, and Alliance Development. His advancement through the ranks of Pfizer have culminated in his appointment as director, External Relations Department for Pfizer Pharmaceuticals Group.

Dr. Giorgianni is a member of the American Pharmaceutical Association, American Society of Health Systems Pharmacists, Columbia University College of Pharmaceutical Sciences Alumni Association, Kappa Psi Pharmaceutical Fraternity and its Foundation, the New York State Council of Hospital Pharmacists, the Drug Information Association, and Rho Chi National Pharmacy Honor Society. He also serves as a volunteer for Optimists International, the Parental Drug Association Foundation, Boy Scouts of America, and numerous local and state pharmacy organizations.

Dr. Giorgianni has published 19 articles on topics ranging from medical ethics to parental nutrition. He has also contributed greatly to pharmaceutical education through his Foundation and Board memberships and his continuing support of undergraduate pharmacy students. It is for these acts that he has been recognized by Kappa Psi Pharmaceutical Fraternity in this Citation of Appreciation.

Dr. Giorgianni is married and the proud father of five. He and his family make their homes in New York City and Celebration, Florida. Kappa Psi congratulates Dr. Giorgianni as the recipient of the 2002 A. Richard Bliss Jr. Grand Council Citation of Appreciation.

Chapter News

Epsilon

University of Minnesota

Our momentum did not stop even though school did during a long winter break. We worked at the Women's Expo and volunteered at the Juvenile Diabetes Foundation walk. We even had a movie night at our regent's house.

When the semester began, so did preparations for pledging, Metrodome training, and the PharmaCOPA (our College of Pharmacy yearbook), one of our chapter's biggest efforts. Our STI talks at local high schools have been the primary activity throughout the year. We also managed, with little effort, to dance the polka and sing our hearts out at karaoke at local establishments.

We have a new addition to the Epsilon chapter. Our secretary, Rachel Brandt, gave birth to a beautiful baby girl named Victoria Ann.

—Doan Ngo

Pi

Purdue University

During Martin Luther King Jr. weekend, several brothers went on Pharmaski 2002, taking the weekend off from studying to enjoy the new powder at Devils Head in Wisconsin. The event is always enjoyable, and brothers from other chapters are welcome.

In February, we gathered dozens of valentines for veterans and delivered them on Valentine's Day. We also sold hand-decorated mugs filled with candy to benefit one of our philanthropies.

As for the rest of the semester, the brothers of Pi chapter are looking forward to spending time with faculty brothers on a more personal level. During March and April, there will be a faculty cleanup and two progressive dinners. At the faculty cleanup, faculty brothers borrow the services of the younger brothers to help around the house. For the progressive dinners, each faculty brother hosts a course of his/her choice while the active brothers drive from house to house.

We will have a new GCD next semester since Dr. Bennett, who has given so much of his time in helping and mentoring the chapter over the years, has decided to spend more time with his family. We wish you the best of luck in the future and thank you for

all that you have done for our chapter. You will be deeply missed.

—Amanda Farberg

Xi

The Ohio State University

Winter quarter for Xi chapter has been a time for making the bonds of brotherhood strong. Six new brothers were initiated at the beginning of the quarter after enduring a pledge process that had not been seen in Columbus for quite some time. The chapter would like to thank Jeff Striet for doing such a great job as pledgemaster. The pledges were busy with history lessons and various pledge projects. Alumni brothers present for the initiation ceremony included Jaime Capestany, Ripal Patel, Jackson Sah, and Tej Shah. The new brothers initiated in January were **Kelley Krug, Justin Kullgren, Mary Ross, Jackie Schneider, Stacie Soja, and Elizabeth Stauffer**. Great job and welcome to the brotherhood of Kappa Psi!

During winter and spring quarters, we have planned several fund-raisers, community service events, and a baseball roadtrip. We hope to have more community service events like the Whetstone Gardens Retirement Center Valentine's and Bingo Hootenany! We would like to thank Keri Toth, our community service chair, for organizing this event for the chapter. This was a great opportunity for the brothers to spend time with the residents of the retirement/assisted-living center and hand out homemade valentines.

—Andy Frasco

Upsilon

University of Kentucky

We would like to welcome our new pledge class: **Alex Bertram, Steve Broering, Micah Cheak, Chris Clifton, T.J. Emmons, Jeremy Hasford, John Lewis, Jerry Mullins, Jason Poe, Jeff Rowland, Jatinder Sambi, and J.D. Hammond**.

The pledges participated in our annual reverse trick-or-treat party at the University of Kentucky Children's Hospital in October. We dressed up in costumes and handed out candy to the kids. A few days before Halloween we held a successful Halloween bash for God's Pantry. In November, we held our Golden Shoe football tournament.

Xi chapter new initiates with pledgemaster. Back (l-r): Justin Kullgren, Jeff Striet, Mary Ross, Jackie Schneider. Front (l-r): Elizabeth Stauffer, Stacie Soja, Kelley Krug.

The 2001 pledge class of Upsilon poses for a picture before participating in Reverse Trick-or-Treat.

Many of the Beta Xi brothers come together for a picture in front of the chapter house.

This is a fun event during which the different classes in the college compete against one another for possession of the coveted Golden Shoe trophy. In addition, we also worked one Saturday for Habitat for Humanity.

Next spring, we plan to work on a few more community service, pledge philanthropy, and Habitat for Humanity projects. We are also looking forward to our annual derby party.

Our chapter is getting used to the changes made by our new executive council. We have been working on updating our bylaws, improving our public relations, and getting involved in more service projects.

—David Sona

Beta Gamma

University of California—San Francisco

Beta Gamma is having another exciting quarter thanks to the enthusiastic new pledge class and our hardworking active brothers. All of our pledges were paired with a “big brother,” which gave everyone a chance to get to know each other.

Our valentine candygram sales were a huge success thanks to the efforts of Emilie Ratuuta and Jennifer Namba. The pledges serenaded the actives with a wonderful and creative remake of Destiny Child’s hit song “Say My Name.” They only have a few more activities to complete, including volunteer work at the San Francisco Foodbank and a team scavenger hunt. The pledges have also been busy planning a masquerade party, which should give us a nice break from the endless weeks of midterms. The active brothers are anxiously awaiting the pledge party at the Kappa Psi house and would like to wish the pledge class good luck in completing rush.

Executive officer elections will take place this quarter. We know that the new officers will do an excellent job taking over the positions.

—Griffin Dong

Beta Xi

University of North Carolina

After ending the fall semester with a Christmas semiformal, the brothers of Beta Xi ventured home for the holidays and then returned to Chapel Hill, ready for a busy spring semester and prepared for rush.

This semester was filled with many rush events, which allowed us to induct seven pledges into their pledge period. For this semester’s rush, the brothers hosted a back-to-school party, an information session about pharmacy school, a trip to the comedy club Charlie Goodnights, a cookout for students to meet pharmacy school faculty, a blizzard party, and a visit to

a Carolina Hurricanes hockey game. Aside from rush, Beta Xi has been busy with many other projects and planning more events for the rest of the semester. One goal for this semester was achieved with the installation of a high-speed Internet connection in the chapter house.

The brothers also raised money for the Fraternity by cleaning the Dean Dome, sponsoring a health fair at a local mall, and helping out with a blood drive at pharmacy school. Upcoming plans include an Adopt-a-Highway cleanup and screening patients for osteoporosis at a local Eckerd drugstore. The 22nd annual tunnel party was held in April and featured the band Rubberband.

—Tosha Keiger

Beta Phi

University of Cincinnati

Our chapter has become more active due to the continued energy from new members and the dedication of our new officers and advisor.

Kappa Psi started the quarter with the college’s annual telefund. Each organization in the college competed to see who could get the most donations during their shift. Kappa Psi won this year! We celebrated with a social at Bobby Mackeys, a haunted attraction across the river in Kentucky. We invited the entire college to join us in our celebration.

We also sponsored a blood drive with the local Hoxworth’s Blood Center. The entire College of Pharmacy came together to help with the drive. Many veteran as well as first-time donors contributed to its success.

We have hosted several guests from other chapters at the Kappa Psi house this quarter including a brother from

Beta Kappa brother John Cargioli celebrates his birthday at a graffiti party.

Beta Kappa brothers and friends enjoy the University of Pittsburgh’s pharmacy week formal.

Delta Gamma on rotation in Cincinnati for a month and a brother from Delta Delta. It is great to meet brothers from across the country!

Our goal for this quarter is to have a successful banquet. We are planning a dinner reception on May 24 to celebrate Beta Phi's 75th anniversary. Please contact us if you will be in the area and are interested in attending the reception.

We currently have several brothers planning on attending the Province V meeting in Detroit. We also have a large group going to the APhA-ASP national convention and plan to attend the Kappa Psi reception in Philadelphia.

—Casey Sample

Beta Chi

Drake University

Beta Chi has been very busy this semester. Our intramural basketball team remains undefeated through both the regular season and playoffs, and takes on Phi Delta Chi for the championship.

Philanthropies included baking cookies for the Ronald McDonald House and participating in the Juvenile Diabetes Foundation walk in downtown Des Moines.

We are excited to host conclave in Des Moines next fall. We have had several fund-raising events including selling candles, Pampered Chef and Tupperware parties, and working at concession stands.

Congratulations to Pledge Trainers Tracy Sherdan and Brandy Pillar who helped activate our 18 pledges this year. Faculty are very important to us, and this semester we celebrated their birthdays with cookies and hosted a faculty tea. Our website, www.geocities.com/kybx, has been updated recently, so come check us out.

—Jodi Lilley

Beta Lambda

University of Toledo

Beta Lambda would like to welcome our fall pledges into the Fraternity. **Jason Ball, Josh Bibby, Fred Clark, Steve Krebs, Jason Perkins, Mike Templin, and Chris Trimbath** were activated at a dinner at the Spaghetti Warehouse in Toledo in December. They did an excellent job for us this fall, and we expect many great things in the future from this group.

—Steve Hayslett

Beta Pi

Washington State University

Our chapter just returned from the Province X meeting where everyone had a great time. We would like to congratulate Jennifer Mitchell on her

election to Province X secretary/treasurer and to Kevin Kee for once again being elected to Province X historian. We traveled to Missoula, Montana, over President's Day weekend and were able to share the experience with Delta Mu, Beta Omicron, Gamma Eta, Portland grad, and Montana grad. We are looking forward to next year's meeting in Vancouver, British Columbia.

During the month of December, we spearheaded a food drive for the community. As an incentive, we held a contest between each class, faculty, and staff. The group who donated the most food won an ice cream social. Great job to the first-year class and the faculty for tying on the number of donations.

We are also looking forward to spring semester where we will make hygiene kits for the women's shelter in Lewiston, Idaho, work at a highway cleanup, and elect officers.

Our campus will become a split campus next fall, and our school is working on the restructuring of student organizations. All of us at Beta Pi are trying to come up with ideas to keep our chapter strong during this transition.

—Pam Hoffmann

Beta Kappa

University of Pittsburgh

Beta Kappa jumped into spring term with the induction of new chapter officers and our annual ski trip. We would like to thank our Gamma Iota brothers in Buffalo for joining us in our winter frolicking at Seven Springs Ski Resort. Beta Kappa also participated in the University of Pittsburgh's pharmacy week events. We played football, ice skated, put the "no talent" in a no-talent show, took first place in a poster contest, and danced the night away, all over the course of the week.

Congratulations to brothers Adam Welch, Becky Godesky, and John Cargioli for placing first, second, and fourth, respectively, at the patient counseling competition, and to Mark Fulton for winning the no-talent show, despite his actual talent.

We also volunteer at the Family House each week as well as continue our involvement with Katy's Kids and the university's annual health fair.

In February, Beta Kappa held our annual toga party and also traveled to the Province II Assembly hosted by our Duquesne brothers, Delta Epsilon. It was an unforgettable weekend filled with familiar faces and fraternal fun. Congratulations and good luck to all the new Province II officers, especially our own Ernie Sanchez, who will serve another year

as secretary. Ernie is also this year's Province II recipient of the Paul J. Hiller award for being an outstanding brother. Congratulations, Ernie!

The second half of the semester should prove as exciting as the first. You will catch us at the Province V Assembly in Detroit, the APhA Convention in Philadelphia, and the

Beta Kappa brothers Jackie Houston, Steph Stichert, and Adam Welch practice their football plays.

Gateway Clipper formal with the pharmacy schools from Duquesne and West Virginia, not to mention our annual spring formal to be held at the Pittsburgh Zoo Aquarium. Hope everyone has a successful and enjoyable spring term.

—Liz Poole

Beta Omega

Temple University

Unfortunately, the Beta Omega house was burglarized during winter break while all of the brothers were at home with family and friends. Thieves broke into nine of the house's 13 bedrooms. Most of the brothers, upon returning to the house, felt violated and insecure. However, the brothers have also found a new sense of togetherness and refuse to leave beautiful North Philadelphia. To prevent this from happening in the future, we have sealed unnecessary entryways and are looking to upgrade house security by installing deadbolts on all of the bedroom doors, a new razor-wire fence, and an alarm system.

Despite this setback, our chapter's future seems bright. Many of the brothers have been working hard at giving our house a much-needed facelift. A new shower, sink, and floor were installed in the third floor bathroom, and House Master Lucas Moyer is currently heading up the kitchen remodeling project. You will see pictures of the process and the complet-

Gamma Epsilon brothers who are also members of Phi Lambda Sigma Honorary Fraternity.

ed project in a future *Mask* article.

In addition, leadership has changed hands with the election of the new Beta Omega officers for 2002. They are as follows: Tom Dumas, regent; Manny Espinosa, vice regent; Darren Heywood, recording secretary; Neil Umstead, corresponding secretary; Hyun Tang, treasurer; Al Kinsky, historian; Nick Tini, sergeant-at-arms; Brian Pizzano, chaplain; Lucas Moyer, house master; Jon Vakirtzoglou, social director; and Chinonso Akano, community service coordinator.

Lastly, Beta Omega would like to thank Jen Young and all the brothers of Delta Epsilon for making Province II Spring Assembly a memorable one, especially with the abundance of delicious food throughout the day. Fifteen brothers traveled more than 300 miles to attend, winning the Man-Mile award. We hope that everyone will have had a good time in Philadelphia

at the APHA national meeting and will visit the Beta Omega house during their stay in our city.

—Al Kinsky & Neil Umstead

Gamma Epsilon *University of Nebraska*

The fall semester for UNMC's Gamma Epsilon chapter was spent immersed in pledge activities. Our new members were busy with weekly meetings, organizing a chili fund-raiser, and volunteering at the Ronald McDonald House. We also had a chance to bond at our annual pledge retreat. The weekend included picking up litter along our two-mile stretch of highway, revealing big and little brothers, and lots of outdoor recreation, food, and fun.

In November, we initiated 16 brothers into Kappa Psi chapter. They are: **Joshua Boer, John Chess III, Ashley Cronin, Michael Dreesen,**

Michael Freed, John Finke, Angela Hammer, Karen Murphy, Melissa Nygren, Diane Ondracek, Mandy Ritz, Emily Sexson, Jennifer Snodgrass, Amy Twarling, and Matthew Wetjen. Following initiation, a social was held in their honor.

Gamma Epsilon also raised money to help fund the Heifer Project as well as a family in during the holiday season.

—Tiffany Grueber

Gamma Epsilon *University of Nebraska*

The brothers of Gamma Epsilon have been busy this spring semester with organizing, promoting, and running our annual three-on-three basketball tournament. This year our goal was to raise \$3,000 in donations for Camp Jenny, a camp for children with cystic fibrosis. A lot of time and effort went into making our Hoops For Healing tournament successful. We appreciate all those who donated their time and money. We would also like to congratulate our Gamma Epsilon brothers for their tournament victories.

We continue to collect money for the Heifer Project, another one of our service projects. By the end of the year, we hope to purchase a heifer to donate to a third-world family. We have also worked at the Ronald McDonald House and picked up trash on a local highway.

Many brothers and student ambassadors for the College of Pharmacy were responsible for helping with the interview process for prospective pharmacy students. It was fun to show the students around and to enlighten them about our school and Kappa Psi.

Our social plans this spring include conclave, broomball, and kicking back at our annual tropical-themed party.

—Tiffany Grueber

Gamma Epsilons having their usual fun.

Gamma Epsilon brothers that are also members of Phi Lambda Sigma Honorary Fraternity.

Gamma Zeta

Samford University

Last semester we inducted 23 new pledges. We would like to congratulate and welcome them into the brotherhood.

One of the service projects we worked on last semester was helping the school conduct a survey on bioterrorism and chemical warfare. We also went to the local women's shelter, Jesse's Place, to watch and play with the children.

In January, several brothers attended the Province IV meeting in Auburn. We would like to thank Delta Gamma for hosting it and for showing us such a great time.

We had our back-to-school party in February and are in the process of planning our formal and booths for the pharmacy school's 75th anniversary carnival.

We would like to congratulate the brothers in our chapter who are engaged, married, or expecting little ones.

—Cynthia Hardee

Gamma Eta

University of Montana

Our Christmas party was a huge success. We held a raffle for our new brothers and raised enough money to pay a majority of their initiation fees. We had an awesome banquet, played games, danced, and enjoyed the fellowship. Our new members were introduced in the finest way possible.

We also elected and inducted Gamma Eta chapter officers for 2002: regent, Stephanie Janson; vice regent, Steve Thorvilson; secretary, Teri Ogg; corresponding secretary, Dara Slunaker; treasurer, Molly Billstein; chaplain, Jessica Metesh; co-historians, Angel Smith and Suzanne Mock; sergeant-at-arms, Laine Botchek; phil-

anthropy chair, Arleann Santoro; co-social chairs, Jereme Yuhas and Matt Dickson; Province X delegates, Philip Hochberger and Heidi Kuiper; and webmaster and DSAC representative, Cory Adams. Congratulations to these student leaders in pharmacy.

To welcome students back to school, we sponsored a ski trip to Marshall Mountain. There was skiing, snowboarding, and for those who don't do either, socializing and game playing in the lodge. Forty-five brothers and friends enjoyed the evening.

Gamma Eta also hosted the Province X meeting over President's Day weekend. It was a hit as well. The Canadians, Delta Mu, even landed. They are a great bunch of brothers. We had all of our collegiate chapters represented as well as Portland and Montana (Grizzly) Graduate chapters. We enjoy all of the support we get from our graduates. It was great to see Grizzly graduate brothers Lori (Praus) Archibald, Darren Baretta, Craig Eyer, Dean Goroski, Erin

Gamma Eta brothers Kari Meine, Jessica Methesh, and Jamie Dunn enjoy themselves at the Province X banquet.

New Province X officers being sworn in by Satrap Dave Mountan.

Hancock, and Satrap Dave Mountan back in Missoula to enjoy the fellowship. Together with brother and Gamma Eta GCD as well as grand Regnt Craig Johnston this was the strongest Montana graduate presence ever at a province meeting since the Montana Graduate chapter was formed. Thanks for all of the support.

We will be sponsoring a few more events this semester including a faculty appreciation evening that brother Jereme Yuhas is organizing, an Adopt-a-Highway cleanup, our annual "big thaw" end-of-the-year party, and our Kappa Psi awards banquet.

—Angel Smith & Suzanne Mock

Gamma Iota

State University of New York-Buffalo

We are pleased to announce that we initiated 17 new brothers in November. They are: **Sandra Asmus, Sara Bingel, John Belz, Jennifer Campanella, Matt Coakley, Kiran Dole, John Handyside, Kimberly Knuth, Dan McNatty, Bhavin Mehta, Mike Milazzo, Bhavin Mistry, Bryan Piper, Audrey Purcell, Jaime Rogers, Leigh Ann Simpson, and Doug Zingaro.** Throughout pledging, they displayed the desire and ideals necessary to become a brother, which will undoubtedly be carried with them throughout their lives.

During the semester we donated crayons, coloring books, activity books, and games to Children's Hospital. It was our goal that this donation, along with ordering pediatric drug guides with the administration of the hospital, will help bring a brighter and healthier smile to the children that call this their home.

We have also had several fund-raising campaigns at the school this semester. Once again, we sold drug

information handbooks and, for the first time, a comprehensive herbal database. We have also been selling T-shirts to the students and faculty in the school of pharmacy. It is our intent to give all of the proceeds to the American Red Cross Disaster Relief Fund, knowing that even a small donation will be helpful.

In addition, we held our annual Toys-For-Tots party with the United States Marine Corps, to provide less-fortunate children with toys and games during the holiday season. This party was well attended, and we received a large number of donations.

—Joycene Grant

Gamma Iota

*State University of
New York-Buffalo*

During winter break, many of the brothers from our chapter, as well as some from the Beta Kappa chapter, went on a ski trip to Holiday Valley in Ellicottville, New York.

At the beginning of spring semester, we participated in the annual Kid's Day fund-raiser by selling newspapers for Children's Hospital. We sold 390 newspapers for one dollar each, but ended up making \$440. It was quite successful and raised awareness on how important a clinical pediatric center, like Children's Hospital, is to the city of Buffalo.

As for fund-raising this semester, we had our annual Sabres hockey game at HSBC arena. This was a huge success with about 60 people in attendance, including brothers from the Beta Kappa chapter. We also sold T-shirts to students of the UB School of Pharmacy and Pharmaceutical Sciences that listed the "top ten reasons to stay up late with a pharmacist."

In addition, most of us attended the Province V Convention in Detroit, Michigan, in March.

Halloween at Gamma Iota.

Gamma Iota brothers having fun at the Beta Kappa ski trip.

We would also like to congratulate our newly elected officers: regent, Michelle Lewis; vice regent, Dan McNatty; treasurer, John Handyside; chaplain, Jenny Campanella; pledge educator, John Belz; historian, Leigh Ann Simpson; recording secretary, Kim Knuth; corresponding secretary, Angela Vinti; first sergeant-at-arms, Andrea Rokicki; second sergeant-at-arms, Matt Coakley; and grand council deputy, Eric Saul.

—Joycene Grant

Gamma Kappa

South Dakota State University

Gamma Kappa has been involved in several exciting philanthropic activities.

In January, seven brothers traveled to our state capital in Pierre, South Dakota, to visit with legislators about pharmacy bills. While we were there, we performed blood glucose and lipid testing to help demonstrate that phar-

macists are able to provide a wide variety of pharmaceutical care services. The project that has required the most amount of time and energy this spring has been organizing a booth at the annual SDSU Wellness Fair. Our chapter performed hyperlipidemia screenings and counseled students, faculty, and community members about their cholesterol levels.

In February, three brothers participated in the Children's Miracle Network Dance Marathon on campus. To participate in this event, our chapter raised money to benefit the Sioux Falls Children's Hospital.

We have three new pledges who will soon be joining the ranks of brotherhood.

Socially, we hosted a Super Bowl party, a "lonely heart's" Valentine's Day casino night, and a toga party. In our spare time, our chapter also had a chance to go ice skating and bowling. Another highlight of our spring semester was a road trip to Omaha, Nebraska, where we played paintball with brothers from Beta Nu.

Although winter was abnormally warm in South Dakota, we did manage to win a few games of co-rec intramural broom hockey. The next intramural sport we played was volleyball and, due to our extensive backyard practice sessions, we had some success this year.

The money from all of our fund-raising projects this spring will go toward remodeling our chapter house with new siding and windows. We waited tables at a local pizza buffet, sold smiley-face T-shirts with descriptive drug names on them, and had a car wash.

Gamma Kappa brothers preparing to blast off at "The Space Odyssey" during Province VIII Fall Conclave.

To bring more structure to our house policies, Heather Hodges, vice regent, has developed a written lease, since it had fallen by the wayside for the last few years. And our Legislative Committee took time to update our local chapter ordinances, which had become outdated.

We are planning ahead to host our annual Kappa Psi formal dinner where a Gamma Kappa alumni brother speaks to the chapter about life, pharmacy, and brotherhood after graduation. This year we are very pleased to welcome Sean Higgins, grand ritualist. We are also organizing another alumni gathering called "glory days" where graduate brothers can return to the house in Brookings and reminisce about their college years.

—Scott Bergman

Gamma Omicron *University of Oklahoma*

Gamma Omicron has been extremely busy planning for the Province VII meeting we will host in April. We have held several fund-raisers to help make this event one to remember. Our more notable fund-raisers included selling breakfast food and Kappa Psi burgers, and cleaning up after Sooners' basketball games in Lloyd Noble Arena. We would like to thank all who helped with the interesting cleanup and food sales.

Aside from planning for province, we have also had a great time volunteering our time to the wonderful children at the Children's Hospital.

The dedication from our brothers has been amazing this semester. Without this commitment to our family, Gamma Omicron would not have a successful province meeting. We are very excited about hosting this event

and hope that everyone will be able to visit our great city, Oklahoma City.

—Maianb Nguyen & Teresa Atkins

Gamma Pi *St. Louis College of Pharmacy*

Gamma Pi has sprung into spring in a big way on the St. Louis College of Pharmacy campus. Living up to its reputation as the biggest and busiest Greek organization, brothers brace for numerous fundraising, professional, and social events.

Jordan Stanley, newly elected vice regent fund-raising, has already garnered enthusiasm with money raised selling good-luck packages during finals week and with several successful soup sales. Plans to increase the treasure chest include working at the concession stands at the baseball stadium (Go Cardinals!).

Not to be outdone, Danielle Heimos, newly elected vice regent professional, has planned several important community outreach events. She already demonstrated her effective organizational skills during the February blood drive, which significantly impacted the critical shortage the American Red Cross has been facing. In addition, Gamma Pi actives serve meals on a regular basis to families with sick children at the Ronald McDonald House.

Vicky Urankar, newly elected vice regent social, has been planning a number of fun-filled events including several super special brotherhood nights, the traditionally elegant spring formal, and the wild and zany safe sex party (so funny and clever that even mama would approve).

Topping off these events will be the highly anticipated Province VII meet-

ing in Oklahoma. Gamma Pi will be there in full force to meet and greet their brothers.

—Jessica Taylor

Gamma Sigma *University of Florida*

The spring semester for Gamma Sigma started out with a bang at the Province IV annual meeting in Auburn, Alabama. The high point of the meeting was the election of Ben Brielmaier as vice satrap. We would like to offer our thanks to the brothers of Delta Gamma for hosting the meeting, and we look forward to hosting the 2003 Province IV meeting next year.

We elected our 2002–2003 officers and they are as follows: Mike Comber, regent; Pat Jerome, vice regent; Neil Edlen, treasurer; Emerson Molina, corresponding secretary; Neetin Patel, recording secretary; Keith Lowe, historian; Eric Beasley, chaplain; James Puermer, sergeant-at-arms; Peter

Burger sales at Gamma Omicron.

McDonough, pledgemaster; Chris Glennon, assistant pledgemaster; and Nakyo Grant, student council representative. We would like to thank our outgoing officers, especially Scott Wink, regent, and Chris Lucas, vice regent, and we wish good luck to the new officers.

Please keep an eye out for the newly designed Gamma Sigma website, www.cop.ufl.edu. We would like to thank Emerson Molina for his hard work in updating it.

Our biggest community service project of the spring is the annual Kappa Psi golf tournament, which benefits the Children's Miracle Network. It will be held at the Meadowbrook Golf Course. Our brothers scoured the area for community support and prizes. The March of Dimes walk is another one of our community service projects.

Brothers enjoyed the welcome back party at Gamma Phi (l-r) Don Piela, Beauman Dick, David Pope, Josh Morris, Tim Stephen.

We have several social events planned for the spring as well. First is our annual auction. The signature item up for bid will include tickets to shave the heads of some of our more eye-catching brothers. The College of Pharmacy is anxiously awaiting our

annual spring 70s party, which is the major social event for the entire college. It includes a costume contest that occasionally borders on ludicrous. Some people have come dressed as they normally are and look to be in place.

In addition, we fielded two intramural softball teams this spring, the COP and Rx Express, and look forward to fielding more teams in the fall.

—Keith Lowe

Gamma Phi University of Georgia

In November, we initiated nine outstanding brothers: **George Baily, Michael Dent, Eric Durham, Justin Eubanks, Daniel Griffis, Adam Landers, Jeremy Rayfield, Carey Vaughan, and Matt Wood.**

We elected officers in December, and Josh Morris is our new, fearless leader. The transition was smooth. All decisions made reflect the chapter's goal to better the Fraternity over the coming year.

We also had our annual grinch party at Christmas, collecting nearly 100 toys to donate to Toys-For-Tots.

In January, it was back to the usual heartburn and throbbing migraines associated with school, but we quickly raised the spirit of the entire school with our welcome-back shindig.

Our schedule in February included socials with the law school and ladies of the pharmacy school, as well as fund-raisers for Special Olympics and the American Red Cross. Five of the brothers are much lighter after agreeing to donate their hair to charity. We are also raising money to fix up our

castle by selling the school Arby's lunches during class.

The annual province meeting was enjoyable. We sent 17 brothers who all reported to have had a wonderful time.

Beauman Dick, our director for alumni affairs, has continued in the office created a year ago in an effort to keep track of those who are already enduring the real world. We are striving to build contact with them and keep them informed of the happenings of the chapter that they helped create and build in years past.

We are making plans for a spring cookout to be held annually in honor of a deceased brother and in conjunction with our annual Founders' Day weekend. This will allow alumni to enjoy the pleasures of old and give them a chance to donate back to that which gave them so much during their tenure.

Also in the coming months we will have our annual "boxers and blazers" brother auction to benefit charity, spring formal, and beach retreat. We also have the daunting tasks of replacing our little sisters for the coming year. We would like to thank this year's group for their outstanding donations to our chapter. They are: Emily Morgan, Alyssa Edwards, Rusti Houston, Brooke Anderson, Rene McNabb, Joyce Rodriguez, Ashley McElroy, Jorie Christy, and Jessica Domingos.

Please keep up with us at www.uga.edu/kappapsi and have a great spring.

—Matthew Clifton

Gamma Chi Ferris State University

At the end of fall semester, we said goodbye and good luck to our seniors who are moving on to their clinicals. Hang in there, you are almost through. We would also like to congratulate our recent graduates, Dan Elzinga, Kimberly Geels, Andrea Vettor, Thomas Wickstrom, and Matthew Welch. We wish you the best of luck as pharmacists.

Rush this semester was, and nearly every day before and after has been, highlighted by the addition of a foosball table to our house. It is nice to know that after a hard day of studying we can relax with a game of foosball. It is entertaining and adds a little friendly competition to the house. We would like to thank Matthew Smith for his kind donation.

Big Brothers/Big Sisters is hosting a night of bowling for local children who have not yet been matched with a mentor. We are looking forward to spending time with the children.

—Shanna Keller

Gamma Phi class of 2001.

Gamma Psi Brothers Ivan and Magic with two Kappa Epsilon brothers at the beach party blowout in January.

Gamma Psi

Mercer University-Atlanta

The brothers of Gamma Psi had a successful fall semester, and spring is looking great, too. We had a great time at the beach blowout party with Kappa Epsilon and on our annual ski trip.

Nine brothers from Gamma Psi attended the Province IV meeting in Auburn, Alabama. We would like to thank Delta Gamma for hosting the meeting. We would like to thank Craig Johnston, Johnny Porter, and Mike Sherry for showing us a good time. You guys do a great job for the Fraternity. Gamma Psi would also like to congratulate Alex Bland, who was elected Province IV chaplain, and Majed Nader Fackil, who was elected chairman of the Resolutions Committee and as a member of the National/International Publications Committee.

After province, we had our pajama jam II rush party. A special thanks to UGA, FAMU, and TSU chapters for coming to Atlanta to celebrate with us. We have 15 hard working pledges and are teaching them the morals and high ideals of our beloved order.

Our brothers participated in a weekend kitchen service project for people recovering from substance and drug abuse in the metro Atlanta area. We also had a successful blood drive with the American Red Cross.

Gamma Psi is without a doubt the strongest organization on campus. The president and treasurer of the student government at Mercer are Kappa Psi brothers.

—Majed Fackil

Delta Gamma

Auburn University

Auburn University's Kappa Psi brothers are having an eventful spring semester.

The semester began with the regional meeting. Auburn hosted the meeting this year, and all of the brothers had a great time getting to know brothers from other schools.

The pledge class planned and organized a service project. New brothers made valentines and delivered them to a local assisted-living residence. The project was successful, and residents were delighted with their valentines.

Events for the semester include a social, spring formal, several fundraisers, and a service project. New officer elections are also scheduled.

Delta Delta

University of Houston

This semester, Delta Delta sold Chinese food on campus as a fundraiser to help brothers attend our spring formal and province meeting.

As a service project, we volunteer on Saturdays throughout the semester at Hallmark Homes, a home for people afflicted with dementia. We will also help with the annual March of Dimes Walk America.

Province VII is right around the corner, and we are planning to send several brothers to OKC. We are excited to have new actives attend a province meeting to get the experience of brotherhood of Kappa Psi beyond the chapter level. We are also planning our annual bowling tournament against our Delta Theta brothers at TSU.

Our social chairs are busy making plans for our spring formal at the Adam's Mark Hotel in April. In May, we will have a senior banquet to honor our graduating brothers.

Chillin' at the Gamma Psi rush party.

Gamma Phi at its Adopt-a-Highway project.

Delta Delta chapter at the University of Houston College of Pharmacy serves Chinese food on campus during a fund-raiser.

02

If any brothers are ever in the area, come out and join in the fun at the University of Houston.

—Ly Dang

Delta Epsilon *Duquesne University*

Delta Epsilon is very excited to host the Province II meeting this spring. We would like to thank Executive Director Dr. Long, Paul Hiller, and national officers for attending the meeting. It was great to see you at Duquesne and we would like to thank everyone who attended. We had a great time at Duke's Locker Room on Friday night as well as the banquet downtown at the Engineer's Society of Western Pennsylvania. We also want to congratulate the new officers and especially Mike Fry from our chapter who was elected vice satrap.

We currently have seven pledges who we are looking forward to inducting in a few weeks: **Deemah Althawahi, Joe Aoli, Lauren Cimineri, Steve Harnicar, Craig Levett, Michelle Stewart and Nadine Janjur.**

Some of our activities have included window painting at the Children's Hospital of Pittsburgh, making a donation to the Jimmy V. Foundation, and taking bundles of daffodils to the Little Sisters of the Poor on Daffodil Days. We are working on a project with the Pitt chapter to go to Global Links and pack medical supplies. We are also planning to volunteer at the Special Olympics, and another sugar and coffee drive to benefit Miryam's homeless shelter for women.

—Kelly Thompson

Delta Zeta *University of Iowa*

Several Delta Zeta brothers attended Conclave in Omaha, Nebraska, in October. We were the proud recipient of the award for the best chapter report and brought home the famous Golden Peanut.

In November, we initiated our new brothers and, following the initiation ceremony, celebrated by going out to dinner. We are thrilled to add such an enthusiastic group to our chapter. We also hosted our second-annual bowl-

a-thon for the Make-a-Wish Foundation. It was open to all College of Pharmacy staff and students and was very well attended.

As a fund-raiser, we sold College of Pharmacy cookbooks with recipes compiled from students, parents, and staff.

Upcoming activities include the presentation of an educational program on smoking cessation to area junior high students.

We are also looking forward to elections for next year's executive positions.

—Melissa Boerner

Delta Theta *Texas Southern University*

The fall semester introduced more studying, more exams, and more pressure to all of us at Texas Southern University College of Pharmacy and Health Sciences. As a stress buster, the brothers of Delta Theta held their first-annual bond night, an all-night lock-in where the brothers played games, watched movies, and learned a little more about each other.

During National Pharmacy Week, Delta Theta participated in various activities in the College of Pharmacy. A continental breakfast, sponsored by the chapter, was donated to the students and faculty as they began morning classes. The college was grateful to Kappa Psi for serving them and helping them start the day off right.

To celebrate homecoming, we enjoyed a parade, presentation to Miss TSU, and the game against Morris Brown University. Brothers Franchessa Melonson, Mouhamed Gueye, and Erika Jackson represented Kappa Psi throughout the week.

As we approach finals, Delta Theta brothers can reflect on another successful semester and look forward to spring

—Erika Jackson

Delta Zeta Vice Regent Kelli Paulson accepts the Golden Peanut at Conclave.

New brothers of Delta Zeta 2001.

Delta Theta *Texas Southern University*

After enjoying an eventful fall semester, the brothers of Delta Theta concluded 2001 with a nacho sale to help fund spring activities. The fund-raiser was held in the College of Pharmacy and Health Sciences, not only earned a big profit for us, but also put a smile on the faces of many academically fatigued and hungry pharmacy students.

Love was definitely in the air on Valentine's Day at Texas Southern University. Despite the pressures of exam week, Delta Theta brothers welcomed Cupid by spending lunch together, taking pictures, socializing, and exchanging valentine wishes.

February ended with our 30th anniversary celebration and spring

The nacho sale proved to be a big success for the brothers of Delta Theta.

interest meeting. Brothers had a chance to mingle with potential candidates, while the guests had an opportunity to learn about Kappa Psi. Judging by the success and magnitude of this event, the spring semester looks very promising for Delta Theta.

—Erika Jackson

Delta Iota *Florida A&M University*

We are privileged to announce the new pledge class from fall 2001: Greg Edwards, Joshua Hillman, Mike Siplin, Onyema Enzeanya, Averill Gordon, Jason Harris, Will Woolfork, Duane Ashe, Brandon Brantley, Brian Bryant, Anthony Gary, Terrence Houston, Leroy Boss III, Kervin Mack, Moses Allen, and Damien Fisher.

We would like to announce the recent promotion of our dean and brother, Dr. Henry Lewis III, as the new interim president for the remainder of the 2001–2002 school year.

Congratulations to brother Elvin Price for his election to the position of secretary/treasurer of Province IV at this year's regional meeting. The Delta Iota chapter won the Best Presentation award. All of the brothers who attended the meeting had a great time.

We are hard at work in the community and within the college. Several community projects are underway including a fund-raiser for the March of Dimes, an adult diaper drive with

the Department of Children and Family Services, and a student CPR certification drive through the American Red Cross. We also hosted "recess," our annual barbecue, for a crowd of about 200 students, faculty, and friends.

This spring semester will mark the beginning of our mentor/mentee program aimed at assisting the students within the College of Pharmacy with professional development, leadership skills, and tutoring.

—Greg Edwards

Delta Theta brothers enjoy a game of Guesstures at the Bond Night in October.

Delta Kappa *Howard University*

For Delta Kappa, this is the season for planning, action, and excellence. The brothers are excited about our accomplishments in the 15 years of our chapter's existence. We are motivated to continue to raise the standard of academic merit and service.

Around Christmas, we continued our weekly reading program for children at various elementary schools near campus. We also conducted a Christmas toy drive for those in the Children's Hospital just a few blocks away from Howard University.

This semester we sold pharmacy school lab coats as a fund-raiser for our annual Founders' Day ball.

In April, we will celebrate our sweet 16th anniversary with a more-than-formal affair. We are also looking forward to the Province III meeting. By that time we will have inducted into Kappa Psi brotherhood the dynamic members of our pledge class of 2002.

Congratulations to Awana Carroll and Jacquay Oliver for being invited to join the Rho Chi honors membership. We are also excited to announce that Cheryl Gilbreath will serve a summer internship with Abbott Labs.

—Cheryl Gilbreath

Delta Lambda *Campbell University*

Fall 2001 ended with a bang for the brothers of Delta Lambda as we initiated 26 new brothers: **Jana Alessi, Crystal Bennett, Melinda Cashion, Gene Clemente, Rebecca Connell, Lori Denning, Brett Duncan, Kim Eldreth, JoAnne Fogle, David Fussell, Gina Harrell, Eric Hulin, Michael Johnston, Phyllis Kaperonis, Micah Larkin, Amanda**

Delta Theta brothers Franchesska Melonson and Mouhamed Gueye represent Kappa Psi, while brother Erika Jackson represented the fifth-year pharmacy class during homecoming.

Delta Theta brothers chillin' at the first-annual Band Night.

Delta Iota brothers.

Lovett, Evan McDonald, Samantha Moore, Christy Parker, David Peterson, Kelly Riegel, Eli Sutherland, Matthew Turnage, Cristin Ward, Jenny Watkins, and Chris Watson.

We began spring semester with two rush parties: "mad medicine" and karaoke. We have three great pledges that we look forward to educating and getting to know.

This semester we have had several cookouts at the house, a pharmacy school/law school mixer, and a beach-themed party. Our philanthropic activities included valentine candy bags for the Falcon Children's Home and donating a gift basket filled with school supplies to the annual PSEB auction, which raised over \$2,000 for the Jimmy Foundation.

Currently, we are planning our annual cadet ball at Myrtle Beach, two more trash pickups, a bake sale, and a taco dinner. The brothers are also looking forward to province in Richmond, Virginia.

—Jennifer Lazo

Delta Lambda

Campbell University

We have been involved with a Red Cross blood drive, Falcon Children's Home, and an Adopt-a-Street roadside trash pickup. Two brothers attended the AMCP's Educational Conference in Dallas where they developed new relationships and expanded their professional network. Several others are looking forward to the New Orleans conference with ASHP.

This fall we initiated 26 pledges into the Fraternity. All were great pledges, and expectations at the Delta Lambda chapter are high. Their enthusiasm is apparent in all of our activities.

Many of our brothers have been initiated into Phi Lambda Sigma, the leadership organization for pharmacy school. Pam Beasley, Kevin Shukla, Elizabeth Truman, Joy Bowman, and Jennifer Jones join Shannon Meadows, Tracey Truesdale, Troy Bernardo, Hilcia Lambert-Bernardo, Al Tunnell, and Obi Achumba in this prestigious organization. Several other brothers will be included in *Who's Who* this year.

—Al Tunnell

Delta Mu

University of British Columbia

Delta Mu is back! After nearly slipping into dormancy last year, we are holding our own now, thanks in large part to our GCD, Dr. Kishor Wasan. We currently have 14 brothers, including Paul Gibbons, regent; Julie Foreman, vice regent; Jen Haymond, treasurer; Michelle Stewart, secretary; James Evens, sergeant-at-arms; Maxwell Murray, chaplain; Carolyn Cheung, historian; Andrea Hofmaier, public relations representative and Province X vice satrap; Amanda Wilmer, pharmacy undergraduate society liaison; Stan Lin, website manager; Sandip Bains; Carol Chu; Allison

Kirkwood; and Richard Cote. We may be small, but we are enthusiastic.

In January, we initiated six new brothers: **Carolyn Cheung, Carol Chu, Andrea Hofmaier, Allison Kirkwood, Michelle Stewart, and Amanda Wilmer.**

Delta Mu brothers have enjoyed several activities ranging from tours of the Royal Canadian Mounted Police's forensic labs, and the Drug and Poison Information Centre, and rock climbing and tubing on local mountains.

As the only Canadian brothers in Kappa Psi, we were lucky to be able to attend the Province X annual meeting in Montana this past February. We had an awesome time, and those of us who attended were overwhelmed by the welcome our American brothers gave us. Next year it will be our turn, as we host the Province X meeting here in Vancouver, British Columbia.

In the remaining months of school, we are planning a food drive, to help at a soup kitchen, and maybe a walk for the cure, if time permits, before we go home for the summer.

—Andrea Hofmaier

Delta Xi

Shenandoah University

At the beginning of the year, we received free T-shirts with Kappa Psi letters as a reward for the successful fund-raiser we had in the fall. We raised so much money that we thought we should treat ourselves to a new T-shirt to represent the strong brotherhood of Kappa Psi.

The devils of Delta Lambda.

Gamma Epsilon pledge John Chess III attempts to break the piñata to reveal the pledge's big brothers.

In February, rush began and all of our brothers made a wonderful Italian dinner for potential pledges. We had a great turnout and are happy to announce that we have 18 pledges this semester.

As a fund-raiser, Delta Xi brothers are selling egg grams to anyone who wants to send a special message to someone they love and care about.

We are also happy to announce that Dr. Marcia Brackbill is our new grand council deputy, and Jeffery Spray is our new sergeant-at-arms.

—Antoine Braimah

Delta Omicron *Wilkes University*

Delta Omicron finished fall semester by initiating our new pledges, making Christmas donations to Toys-For-Tots, and providing food and gifts to a local needy family.

In January we went bowling with individuals who are mentally challenged and made plans for our events for the rest of the semester.

We started February with a bang at our mardi gras party. We also sponsored our team of five brothers to go spinning for a local foundation dedicated to leukemia research. We would like to thank Drs. Culhane and McManus for their organization and

sponsorship. Collectively, our team donated five hours of spinning for the cause. We held our annual Gertrude Hawk candy sale and also sold lollipops as our major fund-raisers this semester.

Everyone had a blast at the Province II meeting, and we would like to thank Delta Epsilon for a great weekend. Congratulations to brothers Jeremy Gerber and Jon Ference for being elected satrap and treasurer, respectively, of Province II, and Maya Tatum, Mackenzie Martin, and Kim

Hritzak for running for offices. We are proud of all of them.

In March we are planning a spaghetti dinner and a St. Patrick's Day party. Our chapter elections are coming up after spring break, and we will be starting several professional projects as well. This includes the poison prevention project, in conjunction with APhA, that involves traveling to area elementary schools and teaching kids about Mr. Yuk, and our annual open airways program that sends us to area elementary schools to educate children with asthma about their condition and how they can manage it.

—Lindsay Shaffer

Delta Pi *Texas Tech University*

Here in Amarillo, Texas, the Delta Pi chapter had quite an eventful fall semester. In September, we hosted a toga party. This was our main social event of the semester. It was open to all students and we had a good turnout. We had pizza, drinks, souvenir T-shirts, and best of all we had a lot of fun. The guests were able to show off their creativity with their homemade togas and their dance moves.

Our chapter also participated in several philanthropic activities. We prepared meals for the Ronald McDonald House, picked up trash on our Adopt-a-Highway land, and cooked hamburgers and set up tables for more than 300 guests at a local fund-raiser for The Bridge, a children's advocacy center.

In November, we initiated our new pledges. We are proud to welcome our two new brothers. We were honored to have faculty brother Nicholas Blanchard, PharmD., fly in from Dallas to attend our initiation ceremony and dinner. His support was very much appreciated.

Katherine Tsafatinos and Joy Bowman at the Delta Lambda Halloween bonfire.

Delta Xi chapter (l-r): Kelley Smith (regent), Jennifer Comly (vice regent), and Keith Hodges.

We have also had many other Delta Pi get-togethers throughout the semester, such as barbecues and a Founders' Day dinner. This gives us a chance to relax and the opportunity to get to know one another.

—Amy Atwood

Delta Rho

Nova Southeastern University

Delta Rho was in high spirits when we returned for the winter semester. One of the social gatherings we had planned was a brother get-together at C. B. Smith Park. This was a time for everyone to socialize and relax before the semester began.

We were involved in numerous fund-raisers and projects within our community this winter. In February, there was a brown bag event held at The PillBox Pharmacy's Health Fair, a local retail pharmacy. Brothers screened patients for blood pressure, osteoporosis, diabetes, and lipid management. This was a great opportunity to assist the community and sharpen pharmaceutical skills. During another professional project, we spoke to Nova undergraduate students about choosing pharmacy as a profession. Delta Rho has also been active in several service projects including a road cleanup and a clothing drive.

Through the guidance and leadership of our officers, this has proven to be a great year.

—Jenelle Olson

Mu Omicron Pi

Wayne State University

Mu Omicron Pi held its all-campus party in October, which was a big success. The Hawaiian theme is always a good idea for those cold Michigan nights. We would especially like to thank the Beta Lambda brothers from Toledo, Steve, Donovan, and Kyle, for coming up to party with us. Halloween was also a fun time for us, carving pumpkins and passing out candy to the trick-or-treaters.

Mu Omicron Pi's five new brothers, Nabil, Bashar, Auday, Nabil, and Ahmed, finish their pledge project.

Delta Xi brothers Jason Busciglio and Jennifer Kiedousch.

Brothers George Nakhleh and Sam Khreizat, the two finalists in the Mu Omicron Pi pumpkin carving contest.

In November we welcomed five new brothers: **Bashar Hasso, Nabil Khalek, Auday Maki, Nabil Moussa, and Ahmed Said.**

Congratulations are also in order to our graduate brothers, John Satterthwaite and Amir Serri, who will be moving on in the upcoming months.

This year we will host the Province V Conclave and also celebrate our 75th anniversary. We would like to thank all of those who have helped during the planning stages, and those who are still working hard to make Province V a success.

—Francesco Vella

Mu Omicron Pi

Wayne State University

In December elections were held, and our new officers are as follows: Moe Elsayed, regent; Frank Vella, vice regent; Nofal Cholag, treasurer; Nabil Moussa, recording secretary; Keith Enerio, corresponding secretary; Nabil Khalek, historian; Ahmed Said, sergeant-at-arms; George Nakhleh, pledgemaster; and Bashar Hasso, chaplain.

Delta Xi historian Aniome Braimah (left) and vice regent Jennifer Comly.

Mu Omicron Pi started the new year with great anticipation and excitement as we prepared to host the Province V Conclave. Despite our busy schedule at school, we worked hard at making our 75th anniversary a successful and memorable experience. We would like to thank our graduate brothers for all of their help and support. Their contributions and dedication were key to prepare for this great event.

Our chapter is also looking forward to making a strong presence during the annual Greek week competition, and in dominating the pharmacy feud competition held on campus. In addition, we are also busy coordinating our CPR fund-raiser and T-shirt sale.

—Keith Enerio

Minnesota Graduate

Planning is underway for a couple of special anniversaries. A joint celebration is planned for the fall of 2003 for Epsilon's 75th anniversary and Minnesota Graduate's 50th anniversary. Details will be forthcoming.

In April, we went on our annual weekend getaway to Breezy Point with Epsilon. Our May meeting will be at

brother Christy Askew's house. Elections will also be held at this meeting.

Minnesota graduates who are interested in membership and want to receive our mailings, including graduates who have moved to Minnesota from other states, can contact Tracy at ande1140@hotmail.com.

—Helen A. Baker

Montana Graduate

Good news! We have just celebrated the largest turnout of Montana Graduate chapter brothers at a Province X meeting since the graduate chapter was chartered in 1997. At the 2002 Province X meeting, the following brothers were in attendance: Lori (Praus) Archibald, Darren Baretta, Craig Eyer, Dean Goroski, Erin Hancock, Craig Johnston, and Dave Mountain. Hopefully, this will be the start of a trend that will bring back our brothers for many years.

Currently, we are challenging all Montana Graduate brothers to buy one of the tickets for the 100-ticket raffle that Gamma Eta holds each year to help the chapter remain financially stable. You could win the \$500 cash prize or any one of over 30 other prizes to be given away. Anyone who is a Montana graduate who is not getting the weekly e-mails on diabetes care or *Pharmacy Times*, etc. as well as news concerning the Gamma Eta chapter, please send your e-mail address to our historian, Dr. Craig A. Johnston, at ratdr@selway.umt.edu. In addition, if your address changes, please notify the change in the same manner.

We are looking forward to seeing many of you in Philadelphia at the APHA meeting. Word has it that brother Becky Eaton is about to be married. Congratulations! Furthermore, Tammy (Stenson) Cox is about to have another baby. Congratulations and best wishes, Tammy!

—Craig A. Johnston

Pittsburgh Graduate

The Pittsburgh Graduate chapter held its winter meeting along with the Super Bowl game, even though the Steelers were not in action. In February, several brothers attended the Province II Assembly, hosted by Delta Epsilon. At the banquet, our own Jean Starvaggi was awarded the Paul J. Hiller award for a graduate. Ernie Sanchez, Beta Kappa, was awarded the Paul J. Hiller award for a collegian. Congratulations to both of you!

The next Pitt Grad meeting will be held over the summer, possibly a camping trip to Raystown Lake with the Beta Kappa and Delta Epsilon brothers. One of our main goals is to

The brothers of Mu Omicron Pi during our 2001 Christmas party.

help solidify relations between the Pitt Grad chapter and the collegiate chapters so we can begin to work together. We are already looking forward to going to San Diego next year.

Any brother interested in joining the Pitt Grad chapter, please contact Brett Hall at dphbinsfan1@aol.com.

—Deanne Hall

Providence Graduate

The Providence Graduate chapter is proud to announce its new slate of officers for 2002. The officers are: Brian Musiak, regent; Jayce Huynh, vice regent; Mike Sherry, secretary; John Grossomanides, treasurer; Karl Kehrlé, historian; and Shardul Patel, chaplain. We wish these leaders well in their service to our Fraternity.

In April, we held the 13th-annual Founders' Day and awards banquet at the Radisson Hotel in Warwick, Rhode Island. We also hope to avenge last year's loss to the undergraduates of Beta Epsilon in our annual grad vs. undergrad softball game.

PGC brothers continue to practice the noble profession of pharmacy all across the country. Brother Harvey Hohl is working at Purdue Pharma in

their medical services department in Stamford, Connecticut. Harvey lives in nearby Stratford, Connecticut. Brother John Curran is practicing in Portland, Maine, and on the other coast, Faraz Shaikh is practicing in Portland, Oregon. Congratulations to John and Meredith Ferris who recently moved to a new home in Hackettstown, New Jersey. Brother John Correia and his wife, Megan, are doing well in Bourne, Massachusetts. Brother Todd Phelps and his wife, Krissy, are living free in Concord, New Hampshire. Jonah Tyler and his wife, Lisa, have settled in Wallingford, Connecticut. PGC brother Anthony Palmieri and his wife, Cindy, are enjoying their time in Gainesville, Florida and brother John Zevzavadjian and his wife, Cheryl, send their regards from North Kingstown, Rhode Island.

—Karl Kehrlé

Province I

Mu chapter at the Massachusetts College of Pharmacy will host the next Province I meeting. All brothers who attend are in for a special treat this year. For the first time ever, Mu is running their annual "smoker" in

Breakfast is the most important meal of the day, even if it's at 2:30 in the afternoon. Mu Omicron Pi brothers enjoy a hearty meal.

conjunction with the meeting so other chapters can enjoy this fun-filled event. Mu Chapter has big plans for this convention including a certified continuing education program on anthrax. Invitations have been mailed to all chapters, and everyone is welcome.

Some of the brothers of Beta Delta at Albany College of Pharmacy came to Boston in February for our annual gong show. Nu is hosting a T-shirt sale, and pamphlets have been sent out to all chapters, so keep your eyes open and help support the brothers at UCONN.

—Garnett Page

Province II

The spring 2002 Province II meeting was hosted in February in Pittsburgh, Pennsylvania, by the Delta Epsilon chapter of Duquesne University. In attendance from Province II were Beta Eta, West Virginia University; Beta Kappa, Pitt; Beta Omega, Temple University; Delta Epsilon, Duquesne University; and Delta Omicron, Wilkes University. Gamma Iota from SUNY Buffalo in Province V also attended. In addition, recent heart transplant patient Russ White from Beta Eta rejoined the province meetings. Executive Committee members present were Craig Johnston, Grand Regent; Dave Maszkiewicz, Grand Counselor; David Dunson, Grand Historian; and Sean Higgins, Grand Ritualist. Scott Long, Executive Director, Cameron Van Dyke, Immediate Past Grand Ritualist, and several graduate brothers from Colorado, North Carolina, South Carolina, and Virginia also attended.

With snow flurries flying, the weekend started on Friday night at Duke's Locker Room with old friendships

Province V brothers enjoy a friendly game of full-contact whiffleball at Midyear in Ada, Ohio.

Gamma Eta and Montana Graduate brothers raised more than \$1,000 by selling flags and ribbons at the Grizzly football game. Pictured are brothers Craig Johnston, Grand Regent, and Monica Cain.

being renewed and new ones being formed.

On Saturday morning, we enjoyed a wonderful continental breakfast provided by Grandma's Country Oven Bake Shoppe. Later in the day, Delta Omicron presented a new risk management policy and new officers were elected. The new officers are Jeremy Gerber, satrap; Mike Fry, vice satrap; Ernie Sanchez, secretary; Jon Ferrence, treasurer; Aaron Howell, historian; and Russ White, chaplain.

On Saturday night, a banquet was held at The Engineer's Society of Western Pennsylvania. Dinner, the swearing in of new officers, awards, and a charity raffle consumed most of the evening. Beta Omega won the Man-Mile award for bringing the most brothers the longest distance. Ernie Sanchez, Beta Kappa, won the Paul J. Hiller award for overall excellence in service to the Fraternity. The charity raffle raised \$504 for Special Olympics. After a tow truck operator towed the entire parking lot full of Kappa Psi cars, some of the brothers went out for a night on the town on Pittsburgh's "southside."

—Aaron Howell

Province III

Along with the responsibility of leadership in our profession is also the importance of service. The chapters of Province III continue to remember and support the victims of 9/11 and their families. The Delta Lambda chapter held a blood drive in November, and all the donations went to help victims of the terrorist attacks. The Delta Lambda chapter also joined forces with all of the other pharmacy fraternities and organizations to run a

snack booth on campus to help support the victims and rescue workers. This joint effort raised \$4,000, to which the Carolina chapter of ISPE donated an additional \$2,000. CP&L matched the \$6,000 to make a grand total of \$12,000.

Other service projects for the fall included highway trash pickup and a Halloween carnival in October for the Falcon Children's Home. Valentine candy bags were also made and sent to the children in February. For Halloween, the brothers of Delta Xi carved pumpkins for a unique community service project. The carved pumpkins were donated to Hillcrest Manor, a local nursing home in Winchester.

For the month of February, several Delta Lambda brothers volunteered to help fourth-graders at Lillington Elementary School with their science projects and writing projects. Another group judged science fair projects from kindergarten to sixth grade for Cape Fear Christian Academy. They also volunteered to educate middle school children about jobs involving science while promoting the pharmacy profession. Everyone enjoyed speaking to the children and educating them about the profession of pharmacy. The Delta Xi brothers were very professional and did a great job representing their pharmacy school.

—Christan Turner

Province V

We held our annual midyear meeting in Ada, Ohio, in September. Several graduate and collegiate chapters attended the meeting. We would like to thank Dave Maszkiewicz, grand counselor, and Steph Stichert, Beta

Enjoy the brotherhood and get your CE credits in paradise!

Kappa regent, for gracing our assembly with their wit and wisdom.

The Gamma Delta chapter at Ohio Northern University, with some help from the nationally recognized Ada Graduate chapter, hosted the weekend's activities. We would especially like to thank Gamma Delta, Ada Grad, Paul Higginbotham, Cameron Van Dyke, and all of those who helped make the weekend a smashing success.

Friday night was filled with merriment and brotherhood as brothers navigated through the cornfields to gather at the Gamma Delta house. The ONU brothers proved to be gracious hosts by providing plenty of refreshments and a great place to socialize. We even had the opportunity to show some of the Gamma Delta rushees

Harrison School of Pharmacy dean Dr. R. Lee Evans with Grand Regent Craig Johnston, Graduate Member-at-Large Mike Sherry and Province IV Supervisor Johnny Porter at the welcoming reception at the Province IV Assembly.

what real brotherhood is all about. After spending time at the house, the party migrated to the Regal Beagle. Brothers had a great time and, for some reason, the marquis at the local movie theater showed proper tribute to Kappa Psi the next morning.

Saturday morning came all too soon with the opening of the general session at the ONU College of Pharmacy. The facilities were great. The Executive Committee and chapters in attendance gave midyear reports, with extended discussion on ways to raise money for the chapters. Mark Herriman, vice satrap, set forth a challenge for each chapter to raise \$500 and for the province to raise \$15,000, both by our spring conclave, to donate to the American Red Cross Attack on America Fund. Plans were also initiated for a chapter "buddy" system to help struggling chapters develop into strong, blossoming pillars of the Fraternity. Following the general session, Dr. Jeffery C. Allison, associate professor at Ohio Northern, provided a CE on the pharmacist's role in the treatment of hypothyroidism.

Saturday afternoon was very relaxed. The brothers had various choices with which to entertain themselves in Northern Ohio. For some, local caves proved to be an interesting attraction, and bats helped keep the blood flowing. Other brothers chose a good cardiovascular workout by organizing a full-contact whiffleball game (which was quite amusing). Between whiffleball and football, there wasn't too much bloodshed, so the day was pretty successful. For those who prefer to watch sports instead of participate, the mighty Polar Bear football team had a home game near the house.

When the afternoon activities were done, the brothers again gathered at the Gamma Delta house for an

evening of music and brotherhood. Pizza was provided and, of course, the Inferno Club held their much-anticipated meeting. A small raffle was held during the night, and more than \$300 was raised to benefit the National Autism Society in the name of a Province V graduate whose son is stricken with the condition. The night concluded with the marquis at the movie theater once again heralding the good name of Kappa Psi.

—Charlie Holloway

Province V

Things are winding down here and everyone is looking forward to summer. There has not been much activity on the province level since our midyear last September. Our brothers have been busy with school, holidays, and getting the chapters geared up for province assembly.

Province V Assembly was held in March in Detroit, Michigan. The brothers of Wayne State University worked hard to ensure the year would end on a high note. With Mu Omicron Pi celebrating their 75th anniversary, it was fun to share the experience and strengthen the bonds of brotherhood that define Kappa Psi. We also elected new officers at the meeting.

—Charlie Holloway

Province X

The Province X meeting was a great success. All chapters, except Seattle Graduate chapter, and province officers were present.

The festivities started on Friday evening with registration and fellowship at the Doubletree Missoula Edgewater Hotel on the Clark Fork River in Missoula, Montana. Gamma Eta was the host chapter. Province T-shirts were handed out at registration as brothers from all over the Northwest met in fellowship.

Delta Pi toga party guests show off their costumes.

On Saturday morning, the first business session began with a welcome home from brother Dave Forbes, dean of The University of Montana School of Pharmacy & Allied Health Sciences. It included province officer reports and the initiation of three more Gamma Eta brothers: Monica Calvin, Mark Shummer, and Chris Tobiason. Congratulations!

An ACPE accredited CE luncheon on "Issues in Bioterrorism," presented by Dr. Ralph Judd, was followed by a career fair.

On Saturday evening, the province took over Marshall Mountain Ski Resort and Lodge, played cards, skied and snow boarded, had pizza, and played games. Fellowship and fun were had by all, with the exception of brother Henry Griffith who broke his clavicle while racing on the mountain.

Sunday morning came awfully early and only the continental breakfasts, which were supplied throughout the meeting, helped get the brothers going.

At the second general session, legislative changes and resolutions were addressed. Province officers were elected: Dave Moutan, immediate past satrap; Heidi Kuiper, satrap; Andrea Hofmaier, vice satrap; Jennifer Mitchell, secretary/treasurer; Suzanne Mock, chaplain; and Kevin Kee, historian.

The afternoon was filled with "pharmacy pheid," sponsored by Rite-Aid. Beta Pi won first place and Gamma Eta finished second.

Brother Kevin Kee provided three PowerPoint presentations, including one at the banquet with pictures, to remind us of the weekend's events.

On Sunday evening, the anniversary banquet was held. Both the province chairman, Matt Dickson of Gamma Eta, and the province secretary/treasurer, Pamela Hoffman of Beta Pi,

received recognition pins from Dr. Christy Askew, supervisor, and Craig Johnston, grand regent, for all of the hard work they put into making the province assembly a great success. Dave Moutan received a plaque for his dedication and service to the province as satrap. Dr. Christy Askew, Province X supervisor, and Ed Cole, Portland Graduate chapter regent, celebrated their birthdays on Sunday at the banquet as the assembly sang happy birthday and then enjoyed birthday cake. We would like to thank Dr. Askew for all that he has done for the chapters this weekend and for all of the information and guidance provided to the brothers of Province X. We are proud to have you as our supervisor.

As is the tradition in Province X, each female brother received a long-stemmed rose in appreciation of all that they have added to the province. The Man-Mile award was presented to

Delta Mu who had almost half of their chapter travel more than 800 miles to attend the Province Assembly. Brothers danced to the sounds of DJ-CJ into the wee hours of the morning when fellowship and friendship made it hard to say goodbye. The Province X past and present regents participated in the midnight tradition of a quick dip in the nearest outside body of water, which in this case was the Clark Fork River. Brrrrr!

Next year's province meeting will be hosted by Delta Mu chapter in beautiful Vancouver, British Columbia, Canada, over President's Day weekend.
