THE MASK

OF KAPPA PSI PHARMACEUTICAL FRATERNITY

SUMMER 2014

Kappa Psi Brothers behind the mask.

Plan now to attend GCC in 2015

Eric Gupta, Grand Regent

Greetings Brothers,

Kappa Psi continues to grow with the addition of new members and new chapters! We have added or are about to add at least two new chapters to our beloved Fraternity: Zeta Eta Chapter at Regis University in Denver, CO and Maryland Eastern Shore Graduate Chapter in Salisbury, MD. Please send your congrats and support these brothers as they develop their chapters! There are many more new chapters in development so keep looking out for upcoming announcements.

I know many of you are returning to pharmacy school to resume your education. I hope you had a chance to relax and recharge over the summer break, and I hope you are ready for all the exciting things this upcoming academic year. If you have not informed The Central Office of your new officers, including Grand Council Deputies, please do so. This information is vital to keep communication flowing between the chapters and The Central Office. Also please check your chapter email accounts, since we will be sending the updated *2014 Kappa Psi Policy Manual* to all chapters through these accounts. The policy manual contains our risk management policies, among others, which you should review with the whole chapter prior to initiating your Fall rush and pledging programs. Make sure your Regent or Secretary checks this account at least once per week to keep updated on Kappa Psi happenings.

The Executive Committee met over the summer in Denver to take care of Fraternity business and also to do some location scouting for the upcoming 57th Grand Council Convention which will take place August 4–8, 2015 in Denver! The Executive Committee chose this more central location to hopefully see every chapter in attendance. GCC is always a great time and you should make plans now to send at least one delegate from your chapter to attend and learn from brothers across the nation. They will gain ideas and skills to take home to further build your chapter! Start planning now to send as many brothers from your chapter as possible so we can keep Kappa Psi growing bigger and better!

Fraternally,

Eric K. Gupta
Grand Regent

Help us unmask our amazing Kappa Psi brotherhood

Welcome to the Summer issue of *The MASK*. In this issue, we celebrate the many accomplishments of our brothers and chapters. We start off by honoring Dr. William H. Riffie, winner of the A. Richard Bliss Award at APhA. The Bliss Award is the highest award given by the Fraternity. We also recognize the outstanding accomplishments of our hardworking chapters through the Top 10 list and top performers in each province. Finally, this issue sees our chapters celebrate the Class of 2014 with many different send-offs, but all including the graduation ritual.

The summer of 2014 may best be remembered for the ALS Ice Bucket Challenge. While we do not cover it in this issue, I am asking all chapters and individual brothers to please submit any still photos you may have of your challenges. I would also love to see how much money we raised as a whole for ALS for a feature in the Fall issue. So this is my challenge to you, my brothers. Please help gather what you know and send it by October 1, 2014.

One final thought—if you know of any collegiate or graduate brother who should be spotlighted in *The MASK*, please either write up a brief article or contact me with some information and we will reach out to them. Help us “unmask” these unique individuals who make up our Brotherhood!

Fraternally,

Dr. William H. Riffie accepts the A. Richard Bliss Jr. Grand Council Citation of Appreciation Award.

By Christy Askew, Grand Historian

The 2014 American Pharmacists Association (APhA) Annual Meeting and Exposition was held March 28–31 in Orlando, Florida. Kappa Psi unveiled a brand new booth that was packed during the expo sessions with students and alumni stopping by to pick up Kappa Psi ribbons and the very popular crest pins.

The annual reception and awards ceremony was held Saturday, March 29, at the Orange County Convention Center. Brothers enjoyed catching up with friends at the reception while snacking on heavy appetizers. Executive Director Porter gave us an update on the State of the Fraternity and Grand Regent Gupta presented the A. Richard Bliss, Jr. Grand Council Citation of Appreciation Award to Dr. William H. Riffie. This award is the highest honor given by Kappa Psi and is presented to an individual who has demonstrated extraordinary contributions to the Fraternity or the profession. Dr. Riffie recently retired as dean of the University of Florida. During his career, he was an active researcher and a pioneer in distance learning now common at many schools. Additionally, he has served many national academic and professional organizations, currently serving as APhA Speaker of the House.

Following the award presentation, brothers waited anxiously for the announcement by Grand Vice Regent Radhakrishnan of Denver, Colorado, of the location of the 57th Grand Council Convention. If you missed this year's meeting, we hope to see you in Anaheim for the ASHP Midyear Clinical meeting.

Congratulations to our many chapters that won awards for top achievement on their campuses and at the Province assemblies.

Rho brothers are proud of the awards they captured at the Spring Province Awards banquet. Social chair, Katie Weaver, was awarded Brother of the Year! Rho chapter then took honors as winner of the chapter presentation as well as the traveling trophy for the year.

Brother Hansen serves on City Council

Gamma Kappa chapter extends congratulations to faculty Brother Dr. Dan Hansen on his election as a member of the Brookings City Council. He is currently a faculty member at South Dakota State University and Assistant Dean-Pharmacy Student Services.

Brother Hansen was invited to be an initiate of the Gamma Kappa chapter as a new faculty member at South Dakota State University in 2008. He graduated with his Pharm.D. from SDSU in 2005.

As a husband, father, and citizen of Brookings, he decided to run for City Council to help ensure Brookings remained a great place to raise a family.

When asked if he had any advice for fellow brothers, Dan answered, "Constantly seek out new opportunities to grow personally and professionally. When opportunities present themselves, do not be afraid to pursue them. Take chances! Even if you fail, you will have the opportunity to learn from your mistakes and grow as an individual."

Adams named dean

On May 1, 2014, Delta Lambda GCD Dr. Michael L. Adams was named as the next dean of Campbell University College of Pharmacy and Health Sciences, effective January 1, 2015. Dr. Adams will succeed current dean, Dr. Ronald W. Maddox, who will be retiring December 31, 2014. CUCPHS has been under the leadership of Dr. Maddox since its inception in 1986. Delta Lambda and the entire college is very excited to see Dr. Adams continue his success as he takes this next step in his career.

Kappa Psi has more than 40,000 alumni who are active leaders in the field of pharmacy and in their communities.

Help us "unmask" them!

This spring we added 11 new brothers to our roster, and they hit the ground running by immediately participating in the activities we had. Incidentally, one of them was elected as incoming president of MPSA, our chief pharmacy student organization! Our brothers have continued to be dedicated participants in the Phillips Neighborhood Clinic by filling their outpatient pharmacy dispensing shifts through rain, snow, or shine. On one night in February, brothers dispensed a record 57 prescriptions! Never resting, our brothers have continued to be very active in STI Talks, reaching and educating more than 300 multiethnic students on sexually transmitted infections, covering four high schools in both suburban and inner city areas.

March 14–23, eight brothers once again made the brave trip to the towns of Chabin and Jacmel in Haiti to serve the patients there. This year, they saw an incredible 370 patients, filled 998 prescriptions, gave 29 vaccines, performed 5 malaria tests and 7 blood glucose ones, and gave 2 medical injections during that week. Many brothers have helped to financially support that trip through their fundraising efforts in bake sales and hot dog stands. Nearly the same time, 10 of our brothers also volunteered at the Ronald McDonald House in

Minneapolis on March 23 to cook and serve a delicious meal for underprivileged families. Many also took part in the KEEP Kidney and MS Walks last fall and this May, respectively. In June, our brothers continued the tradition of mentoring kids with asthma through Camp SuperKids in Loretto, Minnesota. During the week, they taught and entertained a host of wonderful children while ensuring their medication needs were met in camp.

We have continued to build and expand a secure, brothers-only social media experience. We now have an

integrated infrastructure composed of a private, secure Facebook page and a Google Web site and Google Calendar so our brothers can stay informed on upcoming events and access them seamlessly in one place. Many of our technologically adept brothers also began an initiative to develop career advice resources on the Web site to help brothers choose their classes, rotations, and residencies. We would like to mention our PharmaCOPA team, who turned out an exemplary yearbook for the entire graduating Class of 2014 in our College of

Pharmacy, and thank our Apparel Committee for making some excellent design possibilities for new shirts.

In spite of our many activities, our brothers know how to relax as well. Signups were brisk for this year's Spring Dinner Meeting, conclave and Breezy Point. We even had an interfraternal bowling event with our campus' ΦΔΧ chapter this March.

Reflecting on year, we were fortunate in being able to host the Atlantic Province summer conclave, continue the Kappa Psi annual Chili Cook-off in the fall, and co-host the first Yanchick Invitational Golf Tournament, which honored our brother and former dean, Victor Yanchick. These events, among many others, gave us a busy but successful year which we wanted to end strong.

To finish off the second half of the spring semester, our two biggest events included Kappapalooza and the Kappa Psi Annual Golf Tournament. After much work last year, the chapter was able to bring back its Kappapalooza event in March, with live music, prizes, and health awareness. There was a great turnout of about 200 students from a variety of professional schools, and we were able to donate all proceeds to the Richmond Area Center for High

Blood Pressure. We look forward to continuing Kappapalooza next year.

On April 11, 2014, we hosted the Kappa Psi Annual Golf Tournament at the Royal New Kent Golf Course. Following captain's choice rules, teams of four played with the first, second, and third place teams all winning gift cards. Additional challenges included a closest to the pin and longest drive, with gift cards being handed to the winners of those as well. We enabled attendees to participate as a player or a spectator, and the attendance at the event soared. All proceeds brought in by the golf tournament were donated to the Richmond Area Center for High Blood Pressure and the ALS Foundation. This has always proven to be a very popular event among the students, professors, and alumni.

I Iota

Medical University of South Carolina
Founded 11/29/1927
 iota@kappapsi.org

As the weather began to warm in late February, we were putting the last minute touches on what would turn out to be a memorable "Top Gun"-themed conclave. Friday evening, brothers from all over the Southeast Province "flew straight into the danger" to our meet and greet at one of Charleston's trendiest spots, The Alley. The night continued with an evening social at Mad River Bar and Grille with a few stragglers still pouring into the city. Everyone had a great time catching up and sharing ideas for what would shape up to be a long and productive meeting the next day. Saturday began with heads butting and tempers flaring, but at the end of the day, we are all brothers and celebrated with dinner aboard the USS Yorktown, Charleston's very own aircraft carrier. South Carolina School of Pharmacy's Dr. Joseph DiPiro gave a

hope-filled message, as he explained his take on the exciting time we are living in for pharmacy. With healthcare rapidly changing, pharmacists are seizing opportunities and most would say, are benefiting from all of the change. Finally, the night ended with the Top Gun-themed party at Trio, one of Charleston's newest and most exclusive night clubs. We were very impressed with how everyone went "all out" with their costumes for this party. We would like to thank all of the brothers who could make it out as we know we are the farthest (but hopefully the most fun) chapter for most chapters to travel to. We appreciate all the help, support and positive feedback we received.

M Mu

Massachusetts College of Pharmacy
Founded 3/4/1907
 mu@kappapsi.org

At the end of the 2014 pledge period, Mu chapter proudly initiated 15 new brothers. We held our annual Smoker this past April. This event allows for chapter brothers and Boston Grad brothers to come together for a grand dinner, including Mu chapter officer initiations and brother award ceremonies.

We recently participated in the Biannual "Mission Hill Cleanup." Brothers joined with the other student groups on campus to clean up litter throughout the community.

We also successfully launched our first Kappa Psi Golf Tournament. Held on June 18, the small idea of this tournament turned major event, became a lasting reality. Mu and Boston Grad brothers came together for what will forever be known as a groundbreaking day. We anticipate reaching out to our neighboring chapters in hopes of expanding into a larger golf tournament in 2015.

The Ohio State University
Founded 5/21/1925
 xi@kappapsi.org

In March, brothers gathered for the spring Province in Lima, Ohio. The trip was enjoyable and everyone made good memories while getting to know brothers from other pharmacy schools. We would like to thank our Gamma Delta brothers for hosting.

Xi brothers participated in the Color Me Rad 5K run to promote healthiness and happiness. The run gave brothers a bright makeover, and everyone was in a better mood by the end of the experience.

In mid-May, we congratulated seven brothers at an end-of-the-year banquet for finishing up the last of their rotations and getting ready for graduation. Our advisor, Dr. Johnston, could not be present but he wrote a moving speech that inspired not only the graduating brothers but all present to work hard and be thankful for the opportunities we are given to become exceptional pharmacists. We would also like to congratulate a total of 11 brothers for receiving their doctorate degrees in May.

Congratulations to the newly elected officers: regent T'bonny Jewell, vice regent Dana Chaves, secretary Kevin So, treasurer Chelsea Schultz, historian Kathy Le, chaplain Emily Miller, and sergeant at arms Patrick Gilson.

At the end of May, brothers continued philanthropic efforts by participating in the Crawl for Cancer 2014 to fundraise for research and to support those fighting cancer. Brothers have also been volunteering at Helping Hands free clinic throughout the summer in order to provide medical services to those who do not have the means to afford healthcare.

Our chapter is currently in the process of planning the spring 2015 Province.

Pi

Purdue University
Founded 6/11/1928
 pi@kappapsi.org

Pi chapter has participated in many projects since the last edition of *THE MASK*, one being the Boiler Blast. At this annual event, various Purdue organizations come together to provide a day of service to the community. Pi chapter was sent to Cumberland Elementary to rake leaves, pick up sticks, and clean the playground. The workers of the school were grateful for the help and were amazed at how much better the area looked when we were done.

We participated in elections on April 28. After candidate speeches and much deliberation officers were selected for the 2014–2015 school year. The chapter participated in other events during the spring semester. We provided food, drinks, and desserts for lunch with the pharmacy faculty. This event was very successful, and it was a great way for Pi chapter actives to give back to the faculty. It was also an opportunity for actives to get to know their current/future professors. We held a going away dinner at Poblano's for brothers who finished their third professional year and who will be on rotations next year.

This summer, Lisa Mueller and Nicole Kuznia have seized the opportunity to experience their rotations in London. When asked about their experience, they stated, "London has been a great experience for us. Not only have we had the opportunity to learn firsthand about their healthcare system and radiopharmacy, we have learned a lot about their culture and been able to travel around other European countries. We have really enjoyed being in London, Paris, Dublin, and Barcelona, and this is definitely an experience we will never forget."

All of these activities and services continue to show how Pi chapter has impacted not only the lives of its members but the lives of those around them.

Σ Sigma

University of Maryland

Founded 3/27/1924

sigma@kappapsi.org

Sigma chapter started off the season by hosting our 10th Annual Wing-A-Thon, which is a chicken wing eating contest to raise money for the University of Maryland Greenbaum Cancer Center. In just over 20 minutes, more than 15 teams representing University of Maryland pharmacy, dental, and medical students, along with KΨ alumni and brothers from other chapters, were able to raise more than \$9,000! The winning team of five pharmacy students was able to eat more than 500 wings alone! We thank all of the brothers who attended for their consistent support of the Sigma chapter! As per tradition, our Sigma chapter's fall 2013 pledge class presented the eighth annual Drug Spelling Bee, which was Harry Potter-themed. Each contestant had to spell the name of a drug within a given time limit. The last person standing won. This year, our Sherry Chen, was the winner! In addition to participation and admission costs, we collected nonperishable goods and were able to donate more than \$1,000 to the Maryland Food Bank.

We were also recognized with a Volunteer Certificate by the American Cancer Society for our dedication and support to their vital mission.

We look forward to an exciting fall with workshops and a new pledge class, as well as planning for spring Province.

Upsilon brothers recently assisted with the wedding reception of the daughter of Past Grand Regent and Dean Emeritus of the University of Kentucky College of Pharmacy, Kenneth Roberts. Hal Hocker, Tyler Reade, Antonio Booker, and Clyde Hamilton took on many roles during the reception. These roles included parking attendant, valet, greeter, shuttle driver, and cleanup. This was a great opportunity for the brothers to give back to someone who has done so much to help our chapter. We would like to thank Past Grand Regent Roberts for allowing us to be part of this wonderful event.

In June, Upsilon's newly elected regent (Hal Hocker) and vice regent (Tyler Reade) attended a Kappa Psi Regents Workshop in Toledo, Ohio. Regents and vice regents from across the Great Lakes Province discussed pledging, risk management, chapter progress reports, and how each chapter could be improved. Hocker and Reade would like to thank Satrap Eric Geyer, Melissa Buchanan, and Madalyn McMinn for hosting the workshop and Beta Lambda Brother Jonathan Fowler for providing housing during the event.

Many newly initiated Chi brothers, including myself, were very excited to participate in our first Province conclave this past spring. This conclave was unique in that it was also Chi chapter's first opportunity to host the meeting as a part of Mid-America Province. Many collegiate and graduate brothers worked with our chapter for more than a year to make sure that our first MAP conclave was successful. We would like to thank Brother Jasmine Shah, her Province Conclave Committee, and the many faculty and graduate brothers who worked tirelessly to ensure the success of this

We would also like to thank the MAP and National Executive Committee members who were able to attend, as well as the many collegiate and graduate brothers who traveled great distances to share in the events that weekend. Following the closing of business, Chi chapter was honored to receive the Philanthropy and MAP Chapter of the Year awards.

We have also been busy with philanthropy. We volunteered several times at Cornerstone Community Outreach, a local homeless shelter, as well as supporting local events hosted by the American Red Cross and American Diabetes Association. Brothers enjoyed planning and cook-

Psi chapter ended the year with our annual Kappa Psi Pig Roast. Many brothers and several alumni came to this event and enjoyed a great night of barbecue, cornhole, and brotherhood.

In June, nine brothers attended the summer conclave held in Little Rock, Arkansas. At the conclave, the brothers learned many different ways to strengthen our chapter. Various topics were discussed during the workshops, including philanthropy and rituals. The brothers also helped prepare care packages for the families and patients at Arkansas Children's Hospital. The entire weekend was a lot of fun for all those who attended.

Although we are getting ready for the upcoming school year, we are still active all over Memphis during the summer. We have brothers who are participating in internships, rotations, and several community service events. Many of our officers and members are getting ready for rush that will be held in August. We look forward to initiating another large pledge class to match our pledge class of more than 60 from last year.

Spring quarter is always a time of many changes. We recently completed officer transitions, welcoming in a new board with a San Francisco-style luau, which means cloudy and chilly weather. We passed on the pig cooked in the ground and instead enjoyed delicious teriyaki pineapple burgers flipped by the new regent of our chapter, Scott Hampton. The biggest treat of the night, however,

was the rather impressive hula performance by the new cabinet! Our annual banquet was held at L'Oliver, a fine dining restaurant in downtown San Francisco. It was a night to remember with many tearful speeches and impressive awards.

We would like to highlight a particular brother who has been going above and beyond her call of duty. Erin St. Angelo, our now past regent, will be serving as the new Chaplain of the Pacific West Province Board. We're extremely proud of her and sure we will be seeing her at Kappa Psi's province and national levels.

Also, congratulations to Marc Santilli who received Brother of the Year.

In April, we held our annual Drug Fair. Countless pharmaceutical companies were in attendance and brothers were able to learn about job opportunities and potential internships with a variety of different companies. The event, organized by vice regent Adam Whalley, was a huge success.

Beta Epsilon participated in numerous philanthropy events. In April, we organized an event for "Save the Bay," an organization aimed at protecting and cleaning the Narragansett Bay region. Brothers were able to clean more than 60 pounds of trash from Narragansett State Beach. Beta Eta was busy during the month of March. First on the agenda was our annual P4 night. This was a

great way to reconnect and celebrate the graduation of our P4s over a potluck dinner. We concluded the night with the Kappa Psi graduation ritual.

Next, we hosted the annual Variety Show, where brothers and other student pharmacists showcase their talents. The event raised \$1,000, which was donated to the Mary Babb Randolph Cancer Center Comfort Fund. This fund provides short-term financial assistance for patients being treated at the center until they can be linked with appropriate community, state, or national resources.

We have continued to cook meals at our local Rosenbaum House and hosting blood pressure screenings at area pharmacies. We also took on a building project with Habitat for Humanity, as well as hosted our inaugural Golf Scramble. The funds from the scramble were donated to the American Red Cross, and the event couldn't have gone any better!

The pledge party was a way for brothers to let loose before a daunting week of finals. The theme was "USA," and everyone dressed in his or her favorite red, white, and blue outfits.

Like other chapters, we concluded the year with elections for the upcoming executive positions. The results were: regent Olivia Kinney; vice regent: recruitment Alexandra Greco; vice regent: social Derek Puhalla; vice regent: community service Catessa Howard; secretary Julie Titley; treasurer Adam Foster; historian Kaitlyn Farley; chaplain Rachel Broscius; and sergeant at arms Nick Hawranko. Congratulations!

Last, but not least, Chelsea Macias was selected to represent WVU at the Utah School on Alcoholism and Other Substance Abuse that took place in June. This was a great opportunity for her not only as a student pharmacist but also as a member of Kappa Psi.

Beta Omicron wrapped up the year with countless events, starting with Spirit Week followed by our annual Kappa Psi Variety Show. The third-year pharmacy students showed outstanding spirit that was rewarded with a pizza party sponsored by our chapter. The show, led by sergeant at arms Shirley Quach, was nothing but a success. It was supported by family members, pharmacy students and faculty, and brothers from our chapter, as well as others chapters. More than 10 acts were performed by students and faculty of the School of Pharmacy, including Acid Reflux, hula dancing, stand up, guitar performance with singing, and our own Kappa Psi Step Team.

Sonny Tran, our community outreach chair, planned multiple meaningful events throughout the quarter, including Ronald McDonald House Movie Night, Annual Urban Nature event, Costco Healthy Heart Clinic, MathFest, a collaborated Brown Bag Review, and Adopt-A-Street. Brothers who attended the movie night helped with setting up snacks, talking with kids and parents, and bringing Tangled. It was a fun Disney night with laughter and happiness. At the Urban Nature event, brothers had a great time helping kids learn about unique and interesting wildlife. At the Costco Healthy Heart Clinic, brothers who attended gained valuable experience with cholesterol management

counseling and cardiovascular risk prevention education. Last but not least, our chapter collaborated with ASCP to conduct a Brown Bag Review event, where brothers and other volunteers helped to take blood pressure and performed comprehensive medication reviews. The last event to wrap up the year was Adopt-A-Street, where brothers cleaned a street near campus to improve the image of our neighborhood. Although Brother Tran is relatively new to the position, he has done a great job connecting our chapter to the community.

Brothers Andrew Li and Joe Yoon led the Founders Day event. Brothers celebrated the day with potluck and games. It was a great time of bonding.

Beta Omicron also held its annual election for the next year. We are pleased to announce the new board: regent Jason Lin, vice regent Andrew Li, secretary Megan Yoshimoto, treasurer Michelle Choi, chaplain Ryan Delacruz, historian Lyna Fu, sergeant at arms Joe Yoon, social chair Kent Truong, community outreach chair Sonny Tran, fundraising chair Elena Inouye, and member-at-large Jessica Trahey. Congratulations!

Brother Megan Yoshimoto organized our very first chapter graduation ceremony to congratulate our fourth-year brothers on finishing school and becoming pharmacy doctors. We wish them a bright future and a great new chapter of life.

Brother Kent Truong, our new social chair, coordinated the End-of-the-Year Barbecue at Golden Garden. We said goodbye to the year with good food and relaxation at the beach after all finals. Hope everyone has an amazing summer break!

As the school year drew to a close, it marked the first time in years that Beta Pi chapter has been together on one campus in Spokane, Washington. As a result, this year was filled with a lot of positive and exciting changes and memories. We'd like to congratulate our officers for the 2014–2015 school year: Derek Matlock (vice regent), Eshetu Gulilat (secretary), Kevin Wong (treasurer), Torrie Wolery (chaplain), McKnzy Miller (historian), Konnor Wyckoff (sergeant at arms), James Robeson (social chair), Alyssa Nii (community service chair), Angela Armstrong (fundraising chair), and Cody Ray (online outreach coordinator). This year's Grand Counsel Deputy is Dr. Tracy Skaer.

During the last weeks of the semester, our chapter hosted and participated in multiple events in the Spokane community, such as the Family Weekend Health Fair and Relay For Life. Beta Pi has been highly involved in Relay For Life for several years. This year, being up in Spokane, we worked in collaboration with Gonzaga University April 26–27 with about 40 brothers from our chapter. Through fundraising events such as lab dress-down days, candygram sales, car washes, participation/donations from local businesses, and many individual donations from family, friends, students, faculty, staff and alumni, our team raised about \$1,600!

In partnership with our APhA student chapter, the Family Weekend Healthy Cougar Carnival was planned and executed at the WSU Spokane campus during the first weekend of April. There were health information booths, carnival games, and many prizes. Students, families and members of the community walked through our health fair learning about several topics such as immunizations, diabetes and drug education. They also had the opportunity to have health screenings done such as blood pressure, blood glucose, cholesterol, BMI, and bone density.

At the end-of-the-year banquet, we recognized brothers who truly exemplify our pillars—High Ideals: Jacinda Pickett; Fellowship: Kevin Wong; Industry: Garrett Kobayashi; and Sobriety: Kaydi Ng. Awards were also given to Initiate of the Year Angela Armstrong, Chapter Jester Andrew McCanna, and to Uche N Azikiwe for Community Service. Sean Leonard was named Most Inspirational Brother.

administration faculty at the University of Mississippi; Kupper is the system director of pharmacy at Baptist Memorial Health Care; and Reisetter is a partner at Medical Marketing Economics and also a Past Grand Regent.

Our chapter would like to recognize three brothers for achieving important summer internships. Alex Raymond is working as a pharmacy intern at Rite Aid's corporate head-

quarters in Camp Hill, Pennsylvania. Alex's current project is developing a quality monitoring program for Rite Aid's specialty pharmacy. The pharmacy recently received URAC accreditation and is developing a list of procedures that has to be followed in order to remain accredited. The team of interns is working on designing a pharmacy practice for the future.

Patrick Reed is attending an internship program at the G.V. (Sonny)

Montgomery VA Medical Center called VALOR (VA Learning Opportunities Residency). The internship is designed to introduce students to what it is like for pharmacists to work in the VA system. Patrick will be working for 10 weeks this summer in a variety of outpatient, inpatient, and clinical settings.

Mary-Haston Leary, vice regent, is interning this summer at Johns Hopkins Hospital in Baltimore, Maryland, working in the division of Ambulatory and Care Transitions. She specifically works on projects related to systems and process improvement amongst the transitions of care areas within the health system. The internship provides clinical shadowing and administrative experience, and has a focus on leadership development.

The end of spring semester was a busy time for the brothers of Beta Upsilon. Our major philanthropy event was forming a team to participate in Butler's Relay For Life. Held on the evening of April 11, brothers walked all night in order to support the American Cancer Society. Throughout the year, a bucket was passed around at chapter meetings for brothers to donate any loose change they had. Almost \$700 was raised based on this method alone. This semester, we also formed a Kappa Psi intramural soccer team which advanced to the playoffs! Many brothers who were not on the team came out to watch the game and cheer on our players. It was an exciting time! As usual, brothers took advantage of study tables that were held each week. During finals week, our Fraternal Relations Committee planned a special study table session which included lots of delicious food. It was a big success!

We honored our graduating P4 brothers with the annual recognition dinner and ceremony. We are very proud of them and wish them the best of luck in their future endeavors! This summer, brothers are planning to volunteer at a local farmers' market by organizing an informational booth providing health education to the public.

We were truly honored and will use this recognition to continue to improve our chapter. In April, we invited the entire college of pharmacy to join us in our university-wide Relay For Life event. While there, we sold our traditional "prescription puppy chow" with all proceeds going toward cancer research.

Beta Phi chapter hosted our annual Pharmacy Formal at the Madison Theater in Covington, Kentucky, where the entire college of pharmacy was able to celebrate the end of the school year. We also celebrated our PY4 brothers with a graduation send-off dinner where they received their graduation cords, gifts, and superlatives. Our beloved Kappa Psi house weathered yet another year as a hub for brotherhood amidst its characteristic creaky floors, eclectic furniture, bat-filled attic, and rich history. Helping us to develop our Fraternity are 10 new brothers. Among them, Grant Strain and Levi Hattervig were both recognized as Outstanding Pledges during the spring semester.

As in the past, we participated in many philanthropic events throughout the semester, including help with the Brookings Backpack project, cleaning our ditch for the Adopt-a-Highway program, donating money to the Ronald McDonald House, and our work with the Red Cross. Allyson Howard received the Pharmacist's Letter Natural Medicinals Comprehensive Database Recognition Award. The Teva Pharmaceutical USA-Outstanding Student Award was presented to Kelsey Aker. Rachel Pavelko was the recipient of the Distinguished Graduate Award presented to the most outstanding student in the P4 class. I would like to personally congratulate Haylee Brodersen who received the Gamma Kappa P2 Brother of the Year award for her outstanding contributions to the chapter through her role as vice regent. The achievements of our brothers make us proud, and we appreciate the individual and collaborative contributions they make to the pharmacy profession!

We welcome new officers for the 2014-2015 year: regent Luke Klugherz, vice regent Grant Strain, treasurer Sara Bentzen, secretary Tommy Jorgensen, chaplain Alyssa Claussen, historian Alyssa Stegenga, sergeant at arms Kyle Yerks, pledge-masters Michael Meier and Kaylie Gabur, co-professional meetings chairs Courtney Donnelly and Caitlin Aul, co-social chairs Hannah Packer and Bri Jansma, webmaster Christina Hansen, and Grand Council Deputy Gary Van Riper. A heartfelt thank you goes to the former officers who have provided the chapter with excellent leadership.

The brothers of Gamma Lambda chapter wrapped up the spring semester with two busy months of portfolio, social, and fundraising events as well as a community service project.

For portfolio events, we had guest speakers come to campus and share their experiences with drug abuse and information on finding residencies and fellowships in the pharmaceutical industry. We represented Kappa Psi in the annual Relay For Life fundraiser alongside many other student organizations and sold Red Bulls and bottled water, donating the profits to the fundraiser. We held a benefit at Fajitas and Ritas, a local restaurant, to raise money for our philanthropy, the Cure Alzheimer's Fund.

As a collaborative social event/banquet, we joined the Phi Delta Chi brothers and Lambda Kappa Sigma sisters on a cruise in the Atlantic. We also had our own brothers' event where we dressed up with a 1920s Prohibition theme and played Murder Mysteries: Murder at the Juice Joint.

After finals, we volunteered at the Greater Food Bank of Boston and helped package and sort through at least 7,000 pounds of food, a little more than a year's supply of food for a family of four.

Nine brothers graduated the beginning of May and are now busy working in their rotations. We've begun preparations for the fall semester by creating a new Web site, showcasing the events we had in the previous year. With orientations for incoming freshmen and summer school going on, the brothers who are on campus or still in Boston are busy tabling and spreading interest about Kappa Psi.

This upcoming semester, we plan on having more philanthropy and fundraising events. We look forward to welcoming the new incoming class and also to the White Coat ceremony later in November for our brothers entering their P1 years!

Gamma Nu Brothers Sil Youn and Victor Li hold up the number of fried asparagus needed at the annual Stockton Asparagus Festival.

During the end of April in Stockton, California, an annual asparagus festival is held. Novelty items like delicious fried asparagus, asparagus ice cream, and other goodies are found in this three-day event. Gamma Nu brothers consider it a privilege to be invited to serve the city of Stockton at this festival. The brothers mostly worked in the fried asparagus tents, where they would collect tickets and take orders from customers, delivering fried asparagus with a smile.

A week later, brothers participated in a health fair that focused on the youth. The health fair taught children the importance of exercise, and other fun activities were held like examining sheep hearts or health related demonstrations. The chapter held a breakdancing booth, where every group of children would be educated on the

As the semester wrapped up, the brothers prepared for their finals while the senior class returned from their rotations. It was great being able to see returning faces come back to Stockton for one last time before the new graduating brothers would go off and find work elsewhere. Many fun activities were held during the week, and many great times were shared. We wish all of our Gamma Nu graduates the best of luck out there in the world of pharmacy!

Gamma Xi met the spring semester head on, especially with the upcoming summer conclave taking place at our very own University of South Carolina College of Pharmacy. Preparations are just about complete thanks to the tireless efforts of Brothers Phillip Mzingo and Matthew Timmons. Another project we've tackled is been the state of our Fraternity house. nants of our chapter that go back as far as the 1970s. This has inspired us to reach out to some of the alums we have lost touch with via Facebook and e-mail. We had the pleasure of hosting Mike Ross, the mayor of Blythewood and a wildly successful entrepreneur, at one of our chapter meetings. "The Kid" spoke with such fervor for Kappa Psi that it was impossible not to be proud of our lineage. Another successful project has been the annual St. Baldrick's fundraiser for childhood cancer research. Between roughly 20 brothers, Gamma Xi was able to raise more than \$6,000 for charity, culminating in the shaving of eight brothers' heads. Gamma Xi also maintains a strong presence outside of our chapter. A significant portion of our brothers now serve on Province committees, and our own Tripp Warrick was recently elected Student Government president at the SCCP. Additional recognition goes to Eric Inman for being inducted into the Rho Chi Honor Society for his exemplary academic achievement. He joins the ranks of several other brothers who hold membership in the prestigious society. The boys of Gamma Xi have tried hard to be role models for excellence and do our Province justice. We look forward to the summer conclave and the addition of a new pledge class.

ΓO Gamma Omicron

University of Oklahoma

Founded 2/3/1923

gammaomicron@kappapsi.org

Gamma Omicron ended the spring semester with a bang. The highly anticipated Dr. and Dr. Pharmacy pageant brothers had been planning

for was a great success. The pageant included representatives from each pharmacy class and from student organizations. The candidates competed in a convention wear fashion show, an empathy challenge, interviews, and a brand/generic drug spelling bee. It also involved small skits presented by brothers on the Pageant Committee. Money raised was donated to the American Heart Association.

In addition to the pageant, we made time to bond and to hold drives for community service. There was a fantastic showing and brotherly competition in our annual broom ball event. Gamma Omicron had the chance to honor and say goodbye to our P4 brothers at our P4 dinner. Awards were given out during our last meeting for the Grand Council Scholarship Key and Certificate and for Tulsa and Oklahoma City Brother of the Year and Pledge of the Year. We also thanked Dr. Burton for his great guidance and service as our GCD for 14 years and welcomed our new GCD, Dr. Keast. In addition, the chapter conducted an end-of-the-year slide show. At the end of the semester, we participated in Tulsa's food drive for the food bank, and Oklahoma City's jewelry drive for Bethesda Summer Camp, where young sexual abuse victims to "make something beautiful out of something broken."

ΓII Gamma Pi

St. Louis College of Pharmacy

Founded 3/19/1946

gammapi@kappapsi.org

In March, we held a campus-wide fundraiser benefiting the Change for Change organization (who, in turn,

helped out the Down syndrome Association of St. Louis), raising a grand total of \$590 in pocket change alone! Our brothers also held a bake sale that coincided with Women's Week, volunteered to cook and serve breakfast at a Ronald McDonald House shelter, held a game night rush event for non-affiliates, and held a health fair with one of our Gamma Pi faculty members at a Walgreens where we measured customers' blood glucose, BMI, and blood pressure.

April was also a busy month for our chapter, spreading the good name of Kappa Psi. Many of us participated in the Relay For Life fundraiser by selling shirts we designed and prescription bottles filled with chocolate. In total, we raised \$1,216 from our efforts. Our brothers held a blood drive with the American Red Cross Association which went exceedingly well. One weekend, a group of our brothers helped a faculty member with yard work as a part of Kappa Psi Helps. Two of our brothers, including this author, participated in an annual professional fashion show on campus and placed third as well as winning best overall female contestant. April 10–12, five of our brothers (who had been rehearsing hard all semester!) performed in the college's annual spring musical. This year's was *Cats*, penned by the one and only Andrew Lloyd Webber. We also held two rush events in April. During this month, we had our annual formal. During formal, we swore in our new officers and gave out many awards such as Brother of the Year, which was awarded to (now immediate past) regent Emily Ponder. Twenty-eight brothers traveled to Chicago to attend the Mid-America Province spring conclave, hosted by the brothers of Chi. It was a great time of fun, business, philanthropy, and brotherhood, and we appreciate the hospitality shown by Chi!

Throughout the semester, we held some excellent rush events. A group of active brothers and non-affiliates went out to a St. Louis Blues hockey game and had a blast! The ladies of Gamma Pi came together with non-affiliates to decorate mugs and drink hot chocolate. Brothers also had a good time bowling with non-affiliates. Nothing brings you closer than a bit of friendly competition! Later that night, actives and other non-affiliates came back to the house where we had some more time with one another.

Despite studying for finals, we managed to squeeze in a few more activities to end the semester. Our brothers helped assemble and distribute more than 100 care packages filled with snacks and treats for students at the

college. We also participated in the college's Finals Food where our brothers provided tacos for classmates on campus during finals week. We held a graduation party for our soon-to-be pharmacists at the Gamma Pi house. After finals, a group of our collegiate and graduate members participated in the NAMI Walks as well.

On February 21 our chapter hosted a Lip Sync contest on the Health Sciences campus to help raise money for the American Heart Association. More than \$500 was raised that evening and a great time was had by all. It was the first year this event was held and its success has prompted us to try it again in the future.

On April 26 new officers were installed at the end of the year banquet. The banquet was held at Sadie's of New Mexico, a favorite Mexican restaurant in Albuquerque. Desert was made by one of the brothers of the Gamma Rho chapter and formal inductions of the officers were held after the meal. Our newly elected officers for the 2014/2015 school year are regent Michael P. Sullivan, 1st vice regent Kelsea Gallegos, 2nd vice regent Sydnie Joseph, secretary Laure Montes, treasurer Alexandra Garcia, historian Anthony Davis, chaplain Samantha MacNeil, sergeant at arms Michael C. Sullivan, and academic coordinator Jessica Garcia.

In June, we participated in a Mudd Volleyball tournament hosted by Carrie Tingley Hospital Foundation of New Mexico. The Foundation has provided financial and volunteer support to the Carrie Tingley Hospital, New Mexico's only pediatric rehabilitative hospital, for 50 years. Our chapter considers this event to be particularly important as it encourages teamwork and strengthens our brotherhood.

On April 13, Gamma Sigma brothers, alumni, and family gathered to play some golf and fundraise for the Children's Miracle Network at the UF's Health and Shands network. The tournament was set up as a four person scramble (four people to a team.) Some of our brothers turned this charity into a family event, teaming up with their own clan while others, feeling a more patriotic vibe, turned to a team America. After the tournament, fun prizes were auctioned off and all proceeds went to Children's Miracle Network.

The word "desert" evokes thoughts of a dry and inhospitable landscape. However, Gamma Upsilon has shown that brotherhood can thrive in the Arizona-Sonora Desert of Tucson. Since the previous MASK issue, we have hosted the Pacific West Province, where 209 brothers and alumni congregated at the Marriott in sunny Tucson. At this meeting, a new executive board for the Pacific West was elected, including our own Patrick Hryshko as Secretary. Awards were presented at a banquet dinner, showcasing the great work being done by the Pacific West chapters. Finally, what would a Kappa Psi Province be like without brotherhood? Brothers came together at local Tucson businesses, the Auld Dubliner and Club Congress, to reunite with brothers from the Pacific West.

With the semester winding down and we ended the school year by hosting an end-of-the-year banquet for both active brothers and alumni. This was a great opportunity for brothers to network with alumni, including dean of the UA College of Pharmacy, J. Lyle Bootman, PhD, ScD.

Twenty four brothers graduated and were granted their PharmD. Our best wishes in their future endeavors!

Gamma Phi currently has 38 active members. We are working hard to strengthen our relationships with our alumni and to keep our brotherly ties with current brothers as they move on to start their successful careers as pharmacists.

We recently participated in a formal accompanied by our beautiful dates and enjoyed a weekend in Gatlinburg, Tennessee. Several philanthropy events raised money for AIDS Athens; our date auction netted more than \$1,000, while our spaghetti dinner raised more than \$100. Mustache March, in which brothers grew mustaches for prostate cancer awareness, was also a great success.

We are looking forward to the 2014 Atlantic Province summer conclave in Columbia, South Carolina, and are preparing to host the 2015 Atlantic Province winter conclave here in Athens, Georgia. The brothers of Gamma Phi would like to welcome brothers from across the country to come and join us.

During the month of April, our chapter partnered with the Red Cross, as we do several times a year, for a blood donation event at Mercer University. Each year, the Red Cross raises our goal of pints of blood to be collected. In true Kappa Psi fashion, we went above and beyond their goal of 40 pints and amassed a staggering 47 pints. With teamwork and dedication, there are no goals the brothers of Kappa Psi are unable to achieve.

We initiated five new brothers this spring. During their pledge process, the pledges hosted a "Greater Than Gatsby"-themed social, which allowed alumni brothers to bond with pledges.

Our brothers host multiple roadside cleanups of Mercer University Drive and the areas surrounding our campus each year. A number of our new brothers attended the Gulf Coast Province summer conclave in Little Rock, Arkansas. Conclave was a great opportunity to show our new brothers how extensive Kappa Psi truly is.

Some of our brothers attended the Gulf Coast Province winter conclave last January in Nashville, Tennessee. Thank you to Epsilon Kappa for welcoming us to your city. We truly enjoyed our time there! Last but definitely not least, Gamma Omega was delighted to host the first Gulf Coast Province summer conclave on the University of Arkansas for Medical Sciences campus in Little Rock June 20-22. During the meeting, brothers enjoyed an evening at the Dickey-Stephens Park watching an Arkansas Travelers baseball game. We truly enjoyed the weekend which was filled with brotherhood, fellowship, and fun. Thank you very much to all of our brothers who attended.

anticipated than the fourth annual Mr. Pharmacy Pageant.

In a daring feat of masculinity and bravado, the 2014 pageant went off without a hitch. Our brothers set up a great event that was both funny and a fascinating way to raise money for our chapter. Six brothers represented Kappa Psi among 13 contestants. Another event, the Pharmacy Olympics, contributed to the total amount donated to the American Red Cross. In a dramatic turn of events, brother David Yu made the game-winning catch against the friendly rival team, Phi Delta Chi. Together, Mr. Pharmacy and Pharmacy Olympics ended up raising \$1,050 for the American Red Cross, making it our most successful year yet.

Looking forward to what next year holds, many brothers have stepped up to take leadership positions in various organizations in hopes of taking them to another level. Thirty-six out of the 48 newly inducted members, in addition to the other brothers of the Delta Delta chapter, have won positions in national and local organizations. To name some examples, Tai Ly is the president of the Vietnamese American Pharmacy Student Society; Tracey Thomas is president of the Student National Pharmacy Association; Hires Tailor is president of the National Community Pharmacists Association; and Michael Dinh is president of Christian Pharmacists Fellowship International. We are proud of these leaders who sacrifice their time to help the community and advance the profession of pharmacy.

We would like to congratulate Brother Danny Jean on winning the coveted Asklepios Key, an award exemplifying the highest honor a brother can receive. The chapter would also like to congratulate our

At the end of the spring semester, Delta Epsilon elected new officers. Soon after school ended, two of our brothers went to Italy with 12 other pharmacy students and the dean of our pharmacy school. Aside from touring the country, they visited hospitals and community pharmacies (farmacias, as the Italians call them) to learn more about how the Italian healthcare system affects the Italian field of pharmacy. As it is summer, we haven't been too busy, but we are always working on fundraiser ideas so we can start the fall semester off strong. ΔZ Delta Zeta

University of Iowa

Founded 12/12/1968

deltazeta@kappapsi.org

During spring semester, Delta Zeta brothers kept themselves occupied with numerous fundraisers and philanthropy events. The addition of 39 new members gave us the manpower to really reach out to the community.

All semester long, brothers collected plastic bottles and aluminum cans for Habitat for Humanity. Some of the bottles and cans collected were from a sunny spring day spent cleaning up our stretch of a local highway for Adopt-a-Highway.

Brothers raised funds for the Ronald McDonald House Red Shoe 5K/half marathon and had a lot of fun volunteering for the event. We also held a dinner at the Ronald McDonald House and the Hope Lodge. Members enjoyed conversation with the patients and making them meals from scratch, including a delicious meat loaf.

We had a great weekend at spring conclave thanks to Beta Nu, and brothers are starting to get excited for fall conclave.

Delta Zeta held multiple fundraisers throughout the semester, including a pulled chicken sale and a breakfast bake sale in the college of pharmacy. Students and staff definitely didn't leave hungry from classes on those days. Brothers also hosted a fundraiser at the local Buffalo Wild Wings.

Toward the end of the semester, we held a bone marrow drive over the course of a couple days. Brothers assisted in educating and signing up students on campus to be in the registry for bone marrow donations, which can happen at the University of Iowa hospitals and clinics.

We hosted our third annual clothing/toiletry drive for the men of Ozanam Inn, a local homeless shelter. Students and faculty members helped make this drive a huge success!

In April, we hosted a Poison Prevention Week. Brothers educated the college by providing brochures, having game nights, forums, and ended with an "Antidote Social." We

received positive feedback from students and faculty.

A few members have received honors and awards. Our past regent, Porscha Showers, received the Delta Eta Chapter Service Award, Xavier University College of Pharmacy Outstanding Leadership Award, and the Warren P. McKenna Service Award. Raven Jackson received the Mother Agatha Ryan Award and the Warren P. McKenna Service Award. Jade Young received the Walter J. Barker, Sr. Award. Kayrah Jack and Jasmine Thomas were inducted into Phi Lambda Sigma Leadership Society. Lashira Williams received two scholarships, the CVS Pharmacy Scholarship and the GlaxoSmithKline Scholarship. Chandler Schexnayder received the Rho Chi Recognition Certificate for High Scholastic Achievement in his first year of pharmacy school. Leadership Awards, announced at our annual banquet went to: F. Harvey Smith, Raven Jackson; Scholarship, Chandler Schexnayder; Sobriety, Felicia Gibson; Fellowship, Bernard Hill; Industry, Stephanie Ogunrinade; and High Ideals, Raven Jackson.

This August, we will be hosting our annual Delta Eta reunion in Atlanta. This is where old and new Delta Eta brothers come together for a weekend. Our alumni remind us how fortunate we are to be part of Kappa Psi.

We will be getting ready for the P1 Organizational Fair in August in high hopes of recruiting more brothers for our spring line. Also this fall, we will host our second annual Kappa Psi week where we will be promoting nothing but Kappa Psi with games, food, and educational seminars all week long. Delta Eta will also be hosting our Teachers' Appreciation week, where we simply show our appreciation to our faculty members with food, pampering, and fun games.

Delta Theta brothers have really pushed themselves this past semester. During spring Province, our chapter received both the Man-Mile Award and Best Chapter Presentation. recognize Epsilon Epsilon for hosting a rewarding and successful Province.

The presence and leadership of our brothers within the college of pharmacy has really strengthened this semester. Nearly all active brothers hold an executive board position. Brothers hold one or more of the positions of president, vice president, and president-elect in APhA, SNPhA, APSA, SSHP, Phi Lambda Sigma, and Rho Chi. The presence of Kappa Psi is definitely felt on campus!

In mid-March, we invited Marvin Smith to present a workshop about brotherhood. We learned how to better our chapter, the pledging process, risk management, and leadership. We cannot thank Brother Marvin enough

for all the invaluable knowledge he gave to our chapter.

Prior to spring break, Delta Theta hosted our first Spelling Bee in an effort to raise money for the American Heart Association. Hosted by the dean of the college of pharmacy, Brother Edward Stemley, the Spelling Bee was a great fundraiser. Overall, we raised nearly \$300. We will definitely make next year's Spelling Bee bigger and flashier.

In April, we proudly inducted 23 new brothers. They worked on several projects together including a successful W&C evening event and a day of volunteering at the Houston Food Bank. Both events were filled with fun, fellowship, and brotherhood.

At the end of the year, we hosted a masquerade formal. We honored our P4 brothers and recognized the outstanding brothers of our chapter. We were honored to have alumnus Monica Green, as our keynote speaker as she spoke about transcending the field of pharmacy. We also presented the Asklepios Key to Andrea Williams, an outstanding brother who has worked so hard to make the Delta Theta chapter what it is today.

Delta Theta started the summer right with a barbecue. It was a full day in celebration of the end of the semester, the recent graduates, as well as the induction of the new brothers. The barbecue was a great way to enjoy brotherhood as all brothers, past and present, participated in games, sports, eating, and dancing.

This summer, we are all busy planning the upcoming fall Southwest Province meeting to be held November 21–23, 2014.

ΔΙ Delta Iota

Florida A&M University

Founded 6/6/1975

deltaiota@kappapsi.org

This past semester was one full of excitement for Delta Iota. For the first time in two years, the chapter had new initiate. As one of the new initiates of fall 2013, I can say our first full semester as brothers of Kappa Psi was challenging, yet tremendously rewarding at the same time. We participated in numerous health fairs and

initiatives, performing blood glucose and blood pressure screenings, as well as a diabetes walk alongside our Grand Council Deputy, Dr. Otis Kirksey. We hosted our annual Men's and Women's Health Seminar, featuring guest speakers including professors within FAMU's College of Pharmacy as well as our dean. We built camaraderie with fellow Southeast Province brothers by attending and participating in the spring conclave. The biggest accomplishment of our semester, however, would have to be our 39th annual Scarlet & Cadet Gray Ball which took place in April. This was the first year where tickets were completely sold out, and the night was truly a special experience for all those in attendance. It was great to see all the hard work and planning we put into the event yield such unprecedented success. In May, we celebrated the end of such an amazing school year by watching six of our chapter brothers receive their PharmDs. As we, the new initiates, prepare to take the reins of the chapter, we are excited and ready to further contribute to truly making Kappa Psi the best that it can be.

Delta Kappa has a lot to celebrate. The chapter ended the spring semester with the initiation of 14 new brothers who are excited to get involved. All not only hold leadership positions within other organizations, but they have also proved themselves as leaders of our chapter, each holding an officer title, including Obi Okafor and Christina Peterson who will be new regent and vice regent, respectively.

Unfortunately, with the initiation of new brothers comes the departure of others. This year, Delta Kappa bids farewell to 13 brothers who are advancing in the pharmacy field. Some of these exceptional members—Porscha Johnson, Makia Dove, Vicky Shah, Clarice Carthon and Octavia Jordan—will be continuing on with fellowships and residencies. We hold these graduates very close to our hearts and are confident in their abilities to excel professionally.

To celebrate the graduating brothers, we continued the annual tradition of a Virginia Beach road trip, where Sudan Cory Gordon hosts his Memorial Day barbecue. The brothers gathered together for an event filled with sand, fellowship and fun. They spent hours on the beach conversing and relaxing, followed by a

trip to Brother Gordon's home where we had the opportunity to fraternize over a delicious home cooked meal, board games, and sports.

On a separate occasion, a mixture of alumni and current brothers joined together at the D.C. skydiving center for an exhilarating adventure—tandem skydiving! Brothers congregated in the grass field to learn skydiving techniques and after a few practice drills, we were ready to brave the skies. Excitement spread as we suited up and partnered with our personal skydiving instructors. As the brothers dove, flipped, and glided through the atmosphere, it's safe to say this adventure was a thrilling take on fellowship. Before departing, we made sure to leave our mark with a permanent chapter signature on the guest wall.

We were excited to welcome 10 new brothers at the end of the semester: **Evangelous Anagnostopoulos, Joe Arminger, Dan Botzenhart, Taylor Gaffney, Kylie Graves Carpenter, Joshua Holmes, Dustin Hudson, Kris Kindborg, Jenna Raynor and Erilda Taragini.**

We had a fun-filled conclusion to our semester that included participating as members of the CUCPHS Relay For Life team by selling hamburgers and hotdogs to raise money. In April, we hosted our annual Disc Golf Tournament, which raised money for the American Red Cross. Afterward, we hosted our Founders Day where we were able to spend quality time with some of our alumni brothers.

We had an incredible turnout of brothers at our 2014 Cadet Ball, organized by Samantha Taylor. It was held at Posana Café in Asheville, North Carolina, on April 12. Numerous superlatives were given out by the chapter including "Most Memorable P3 Brother" and "Most Likely to Brighten your Day," which were both won by Eliana Kurzum. The 2013 pledgemaster, Riley Bowers, awarded all 2013 pledges with superlatives, and 2013 regent Jordan Ballou recognized all of the 2013 officers. It was a very heartfelt and memorable night.

ΔO Delta Omicron

Wilkes University

Founded 11/7/1997

deltaomicron@kappapsi.org

It has been another exciting semester for Delta Omicron. We had the privilege of hosting the spring Northeast Province meeting on April 4–6. We were honored to welcome Epsilon Omicron, who attended from outside of our Province, and Jason Milton, Graduate Member-at-Large. The weekend started on Friday night with a bowling social, followed by the meeting the next morning. A new executive board was established, as well as new bylaws. Congratulations to Delta Omicron Brother Brian Bedwick who was elected as the Northeast Province Chaplain! Following the meeting, a CE course on Information Mastery was held for

graduate brothers by Brother Dr. Jon Ference. A banquet was held that evening where the new executive board was inducted after dinner. At the banquet, we held a "Garage Sale." Brothers from all over the Province donated Kappa Psi apparel and novelty items. These items were put on display and sold at the banquet. The proceeds were donated to the American Red Cross. We were honored to host the meeting and grateful for all the brothers who attended!

We held our annual Kappa Psi Formal on April 12. Several awards were given out for excellence in brotherhood, contribution to the chapter, and continued demonstration of our creed. At the formal, the new executive board was initiated.

Throughout the spring semester, we were involved in a lot of public education through Wilkes University.

Brothers educated the community on skin cancer awareness at our annual "Here Comes the Sun" event. Skin analyses were completed to determine skin type and free sunscreen samples were given to members of the Wilkes-Barre community. Delta Omicron also started to work with the local Sam's Club and set up various health related service activities such as smoking cessation, blood pressure screenings, and education on OTC medications.

Brothers have also dedicated their time to raise awareness of colon cancer. This semester we held a benefit for a 5K we are organizing on October 4, 2014. Jennifer Soback, a P4 brother, is the local event director of the benefit and race through the Colon Cancer Coalition Get Your Rear in Gear, which is a nonprofit organization. The benefit included free food and raffle items. We raised \$832.02 that will go toward the race in the fall.

With continued support from our graduate brothers, we were able to see the Scranton/Wilkes-Barre RailRiders baseball team in action this past month. Both collegiate and graduate brothers were at the game, as well as some pharmacy faculty members. On May 7, we held our traditional faculty vs. students softball game. The game was held at the Wilkes University softball complex and was a great way to celebrate the completion of another school year.

We had a very active 2013–2014 academic year. Our spring started off with brothers attending Province in Corpus Christi and networking with other brothers. Our chapter's own Lauren Duran was installed as the Southwest Province Treasurer for 2014–2015! We are very proud of her hard work as historian and know she will be a wonderful treasurer.

International Night, organized by Brother Bebe Trinh, was a popular event this year. This cultural experience featured an international fashion show, many talented acts, and different dishes from all over the world.

Brothers have also been working closely with the Boys and Girls Club and Faith City Ministries throughout this academic year. Brothers would volunteer and serve food at Faith City Ministries, as well as perform blood pressure and blood glucose tests on a monthly basis. In the month of April, the chapter organized an Easter egg hunt and other fun activities for the Boys and Girls Club.

The biggest event of the year was the third annual Snack Pak for Kids 5K Fun Run. The event helped raise money for Snack Pak 4 Kids, which is a cause on a mission to feed kids in the Texas Panhandle by giving them food for the weekend. Other organizations also got involved by providing health assessments and information for attendees. Kim Ly Nguyen was the coordinator of this event, and it would not have succeeded without her.

At the end of the year, farewells were said to some brothers. In Amarillo, there was a Going Away Social for those graduating and those moving to a different campus. A Dallas P4 Banquet was also held for those graduating from the TTUHSC's Dallas campus. Good luck to the 2014 graduating brothers!

each gave an insightful speech as the graduating brothers embark on their professional careers.

Over the past months, brothers have been taking part in many philanthropic activities. In March, we had a booth at the Cuts for Kids events on campus, where we promoted the national Let's Move program and encouraged healthy eating and activities. Later in March, we held our quarterly road cleanup. In April, many of our brothers volunteered at Andre House, where we were able to feed the homeless and poor population in Phoenix. At the end of the month, a bunch of brothers headed to the Ronald McDonald House, and through a generous gift from Safeway, we were able to purchase food and prepare dinner for the many hungry families. In May, the weekend before a brutal finals week, brothers volunteered to help clean up the local zoo.

After a year of great leadership, the 2015 officers handed over their duties to the new officers from the Class of 2016. Kappa Psi is in great hands, as our brothers from the Class of 2016

hold 42 leadership positions throughout the organizations on campus. We are excited to begin rush events. This will start with the traditional meet and greet during the first week of classes for the incoming pharmacy students.

Since the March issue of *THE MASK*, we have had many opportunities to give back to the community. In April, we were able to continue our support of the Las Vegas Rescue Mission by having attending brothers come pick fresh produce at Gilcrease Orchard. The produce ranged from asparagus to carrots and a portion of the proceeds was donated to LVRM. At the CIS Lake Elementary School Spring Carnival, we were able to help out with snack booths, games, tickets, and securities so the students could enjoy a day of fun in the sun.

In May, a major community event took place called "Spring it Forward"

Health Fair. Our chapter was able to brainstorm creative ways to promote healthy living and nutrition to the kids of our community. With the help of our philanthropic chair, brothers came up with games where kids were able to guess the sugar levels in their favorite beverages (e.g., Sunny Delight, Cola, etc.) and were able to win prizes by completing mazes. Oh, and it was a plus to catch dance crew, Jabbawockeez, at the end.

Toward the end of the academic year, Delta Tau threw an end-of-the-year banquet on behalf of the graduating third-year brothers to show them our appreciation and to congratulate them on their many accomplishments thus far.

Delta Tau brothers snap a picture with the famous dance crew, Jabbawockeez, who made a guest appearance at the Spring it Forward Health Fair.

Delta Phi Brothers Carol Yoon, Lauren Aragon, and Jin Piao lead the Boys and Girls Club in a conga line.

The fun continued with our traditional spring social Traveling Togas, as P1 and P4 brothers donned their bed sheets and laurels, and traveled from door to door to taste the mouth-watering courses prepared by P2 and P3 hosts. Roasted duck, enchiladas, tri-tip, udon, churros...you name it, we made it!

Perhaps the most exciting addition to our quarter was the Pie (in the face) Fundraiser. Brothers nominated those whom they most wanted to pie in the face and lined up to pay \$5 to smother their top five favorite faces in whipped cream. Messy? Yes, but very profitable and incredibly amusing for onlookers who munched on lunch from our simultaneous Vietnamese sandwich sale.

And of course, we can't forget our annual philanthropy event. This year, Delta Phi held a Let's Move Dance-A-Thon for the Boys and Girls Club to

encourage healthy living. Brothers danced, presented health posters, and taught the kids to play sports and jump rope. Everyone had a blast, and we can't wait to go back!

Finally, we would like to congratulate our graduating brothers; we will miss you dearly, but we wish you the best of luck on your post-graduation endeavors.

The restaurant gave 50 percent of the proceeds when presented with the Kappa Psi flyer, and the chapter was able to enjoy fellowship with collegiate, graduate, and faculty brothers. We raised

more than \$600, which went to scholarships and the American Heart Association.

Brothers took time to trade the professional attire and books for some "bright" swag and golf clubs at the annual Epsilon Beta Golf Tournament at the San Pedro Par 3. We enjoyed a round of golf and sporting our best threads at the tournament. With nine holes of shots, shanks, and laughs, the brothers confirmed their favorite "hole" was the after party at the local hangout, The Hangar. There, we enjoyed great food and took the trivia night by storm, scoring massive points in the science portion of the competition, but finding room for improvement in the Artists of the '70s portion. All the rewarding philanthropy and entertaining community events made quick work of the remainder of the semester. We said hello to new leadership and goodbye to the outgoing during the end-of-the-year banquet. There were smiles, tears, awards and a few embarrassing slide show photos to send the graduating class out into the professional world. The end-of-the-year banquet served as a small token to help the graduates remember each and every part of the past four years of their time in our chapter.

We worked closely with University of Louisville Dental School to educate middle school and high school students on careers in healthcare at the Muhammad Ali Center. We gave short presentations on the profession

of pharmacy, discussed why we chose to become a pharmacist, and answered their questions. It was a great event that allowed us to promote the profession, network with other healthcare professions, and learn more about our brothers. Our chapter also has many upcoming service events planned at the Portland Promise Center, where we will again be closely working with University of Louisville Dental School. We will be helping the center with their summer camp by having educational sessions with the kids. During these sessions, we will be playing a game and talking about important healthcare topics. Topics include how to correctly brush teeth, how to treat a wound, how to correctly wash hands, and why sunscreen is important. Our chapter has worked with local businesses to supply the kids with toothbrushes, toothpaste, and Band-Aids. Epsilon Theta is working hard to promote healthy living and service in the community!

In April, we had our fourth annual Golf Tournament at Lincoln Hills. At this event, we had family and friends attend to play golf, win some amazing raffle prizes, and it gave us a chance to network with pharmacists and brothers. All the money we raised was donated to the Shot @ Life organiza-

tion, which provides vaccines to children in need.

This year, Kappa Psi brothers banded with other fraternities on campus to create a California Northstate University team to participate in the Tough Mudder. By doing this, the team raised money to give to the "Wounded Warriors Project."

We ended the year with our Installation Banquet. This is where we presented the new executive board to the brothers, and we surprised our beloved P4s with sashes and medals for them to wear at their graduation.

After the banquet, our time was spent cramming and studying for finals, but we all finished strong. Right after finals, the old and new executive board went on the e-board retreat to Napa where the old e-board trained the new board, letting us know what our jobs consist of and what is expected of each of us this year.

By the middle of May, the P1s officially became intern pharmacists by receiving their white coats and have experienced their first non-didactic portion of pharmacy school by doing their first set of IPPEs. The P2s survived the challenging second year of school; the P3s managed to fight past their senioritis and took their last final ever and have now begun their rotations; and the P4s, well they did it—they graduated!!! Even though some of the brothers will be leaving to start rotations or new jobs, we know this won't change anything because we are all Kappa Psi 4 Life!

There was an excellent turnout, and we hope to repeat the event in the future to continue to support such a great organization. In April, several brothers volunteered at a health screening fair at St. John's Lutheran Church in Burns, Tennessee. We provided bone density screenings, blood glucose checks, and diabetes mellitus surveys. Brothers were also asked to assist other booths with nutrition counseling and blood pressure checks. In June, brothers attended Gulf Coast Province summer conclave in Little Rock, Arkansas, and spent a great weekend reconnecting with brothers from other chapters. We look forward to further development within our chapter and a great year to come.

We spent the spring semester doing many fun activities. The chapter participated in Lipscomb's annual service day by helping at the Nashville Rescue Mission and the Nashville Zoo. Members at the rescue mission helped prepare and serve lunch while the members at the zoo helped craft Easter decorations. After service day, a little relaxation was needed. The chapter celebrated another semester by having a formal where awards were presented to special members as well as the 12 graduating brothers. The next big event on the agenda was hosting the fourth annual LUCOP's Got Talent. This year, the proceeds went to 30 Abes, a charity dedicated to hunger relief in Haiti. There were a variety of acts including comedy sketches, musical performances, and a yoga routine. A few lucky audience members were even brought on stage to vie in a yoga competition. Three of our very own faculty members were left with the difficult task of judging the acts. After much deliberation, the winners were announced. Brother Kim Mooneyhan placed third, Elizabeth Gibson placed second, and Brother Cory Ferguson took home first place with his country song performance. The chapter finished off the semester with a family picnic. Brothers, along with their family members, enjoyed an afternoon of games, food, and bonding. It was the perfect way to end another year!

Epsilon Mu brothers have been quite busy over the last few months engaging in class activities such as Legislative Days, where a number of Florida pharmacy schools gain insight on laws and those representing the field of pharmacy in the government. Brothers also participated at UF's Literacy Carnival hosted at the Orlando campus this year. The Kappa Psi booth was set up to teach children about germs and the importance of oral health.

We have been involved in welcoming new chapters into the Fraternity, particularly Zeta Gamma and Zeta Delta. We continue to reach out to the local community, hosting a kickball event for Autism Awareness as well as volunteering with Russell Home for atypical adults and children. Grad

Founded 1/27/2011

epsilonnu@kappapsi.org

Our newly installed Epsilon Nu officers spent the semester learning the inner workings of how the chapter is run. Our quarter began with the university's 16th annual Health and Wellness Festival for the community.

Numerous brothers helped educate the public on important health related topics. Grand Counsel Deputy Dr. Patrick Dougherty even did a short aerobic dance session and welcomed willing participants to join in.

April was a very busy month for us, which we started off by sending a green yet formidable team to the 10th annual Wing-a-Thon hosted by the Sigma chapter in Baltimore. Our team this year, District 12, did an amazing job! We improved our overall ranking of 10th to 4th place out of more than 20 teams!!

April was also a very special month for us because we held our first spring rush! We had the pleasure of welcoming six new brothers into the Fraternity during this time period.

Mid-month, brothers went out to support the School of Pharmacy's second annual 5K Strides for Epilepsy, an

event organized to raise awareness and funding for epilepsy research.

We held our Graduate Banquet at the Bordeleau Vineyards & Winery. We kept the tradition of hosting a potluck dinner and presenting each graduate with a plaque bearing their name and Oath of a Pharmacist, and ending the evening with the graduate ritual. Jeremy Peterson won our "Brother of the Year" award for his outstanding leadership and commitment to the chapter.

Thank God it's summer! Despite a long academic semester, Epsilon Pi had a productive past few months including both philanthropic and social events. We hosted our first semiformal ball to raise money for the local food bank while enjoying the opportunity to bust a move on the dance floor! Another one of our philanthropic events included building some bed frames, sorting clothing, and painting a local apartment. We fin-

ished off our semester by celebrating together at our annual end-of-the-year barbecue.

Our chapter has been working very hard to plan the upcoming Kappa Psi NWP summer conclave here in Boise in July! There will be workshops, a volleyball tournament, chartering of the Idaho Grad chapter, evening social events, and a float trip on the Boise River. We are honored to be hosting NWP summer conclave and hope to see you there!

This spring, 22 brothers were able to travel 85 miles to attend the Mid-America spring conclave that was hosted by our founding chapter, Chi in Chicago. We had the opportunity to meet brothers from chapters in our Province as well as brothers from visiting Provinces.

Epsilon Rho graduated their first class this spring including Brenton

Epsilon Nu team at Sigma's 10th annual Wing-A-Thon. (L-R): Emeka Nwosu, Weebe Gbadamosi, Lauren Ruf, Sasin George, and Deborah Sarmiento.

Bailik, Elizabeth Berthel, Janet Kim, Sylwia Kulik, Lori McGuire, Theresa Terpstra, and Tuan Vu; we are so proud of them and very excited to see what the seven of them will accomplish in the years to come.

Even with summer here, brothers make a continuous effort to see each other. After final exams, we had a farewell brunch before everyone went their separate ways for the summer. Brothers are doing many things this summer including internships, traveling and spending time with their family and friends.

On June 15, seven brothers, including Andrew Bohrer, Ebony Brooks, Ankita Matharu, Phong Nguyen, Natasha Patel, Elmor Pineda and Mollie Roark, ran the Warrior Dash in Channahon, Illinois. Proceeds from the Warrior Dash went to St. Jude Children's Research Hospital. This was a great way for brothers to bond while they helped each other through a number of challenging obstacles.

Some of the events we have coming up this summer include the annual canoe trip, a Habitat for Humanity event, and a birthday celebration for brothers who have summer birthdays. The canoe trip takes place in Arena, Wisconsin, where brothers canoe 10 miles and camp out for the night. The Habitat for Humanity event is coming up in August, where we will be doing a landscaping project in Rockford. This will give the brothers the opportunity to work together and make a difference in the community.

In between working hard and gaining new skills, we will participate in a field day for the Kappa Psi chapters that will be held on August 2 at Lake Wauburg in Micanopy, Florida. The brothers are excited to be a part of this new event and have high hopes it will have great success.

On August 27, we will have an informational session for students who are considering rushing Kappa Psi. On August 28, we will be having a barbecue to get to know our potential new members, and August 29 will be our highly anticipated and eventful compounding pharmacy tour. Our last rush event will be on August 30; we will be participating in our very own Adopt-a-Mile project.

During October, brothers will have the opportunity to take a little time out of their busy schedules to attend a Tampa Bay Buccaneers game. We are excited to root for our Bucs with one another while watching them in action against the Minnesota Vikings on October 26. Look for us on TV!

Leaving Our Footprints: At Home and Around the World

Though summer may be in full swing, the brothers of Epsilon Sigma have been busy making the most efficient use of their well-earned summer break. After nine months of learning valuable skills and gaining a wealth of knowledge, some of our brothers ventured out on study abroad trips. They took this time to learn about the practice of pharmacy in an international setting while immersing themselves in the culture of each country visited. During her visit to Italy, Brother Chelsea stated that healthcare in Italy was free to all citizens. She also made note that the emphasis for pharmacists in Italy was not so much about having clinical knowledge of a drug than it was about understanding its mechanism of action and molecular shape. Brothers Jordan Lund, Alex Espinosa and Sabrina Jaglal traveled to Norway, Finland, Denmark and Sweden. While on their trip, they learned how each country's healthcare system works. Brother Jordan stated that healthcare was free for the citizens of the countries visited; however, the taxes paid to the government were much higher than in the United States. It was also interesting for them to see how Norway has a healthcare system that seems to have some striking similarities to our current Medicare system. However, the citizens of Norway do not have a "doughnut" hole before catastrophic coverage ensues as we do in this country.

Our chapter ended this past school year with a bang. The new e-board was installed, many of our brothers attended a CV Workshop, we wrote letters to soldiers, hosted our first Graduation Ritual, and attended the Mid-America spring conclave.

In March, many of us attended a CV workshop hosted by I-Grad and Delta Nu. It was great to be able to ask our fellow brothers about their experiences with CV writing and interviews. Also in March, brothers participated in St. Baldrick's fight against childhood cancer. We helped raise

more than \$9,300. This event was a huge success with the help of a few special brothers—Tom Bochula, Alex Mersch, Courtney Makowski, Stephen Jankovic, and Tim FitzPatrick.

In April, we attended the Mid-America spring conclave hosted by Chi in Chicago. After an eventful three days, we are proud to say we took home an Honorable Mention for Chapter of the Year and the NAMI Philanthropy Award! We would also like to congratulate Brother Stephen Jankovic for being named Brother of the Year and for being installed as our new Vice Satrap for Mid-America.

In May, we hosted a Founders Day potluck where brothers brought their favorite food to share. Later in the month, we wrote letters to soldiers as a spontaneous service event. It was a great way to take our minds off of finals! We ended the year with our very first Graduation Ritual! It was an wonderful way to say goodbye to our chartering class. This quarter, the Epsilon Chi chapter has been busy with rushing our Gamma Pledge Class of nine. A few of the highlights of their pledge process include a fundraiser event selling apple cider as a celebration for finishing finals for the pharmacy school, family dinner nights, volunteer events, and group projects. We have had

quite a few socials as a chapter and with the pledges such as a kickball event, game nights, mini-golf, arcades, Kappa Psi jeopardy night, and a night at the Salt Lake Bees (our local AAA team) over the past few months.

The week of the University of Utah School on Alcoholism and Other Drug Dependencies, brothers from around the nation met in Salt Lake City. On one of the nights, visiting brothers and Epsilon Chi brothers went to a local gastropub for dinner.

We have reorganized our committees and tweaked the members of each committee over the past couple of weeks. We have looked at the charges of the committees to make

sure they are in line with our goals as well as to ensure we have all the needed committees per the By-Laws. With this new structure, we hope to better optimize our efforts to strengthen our impact on Salt Lake City.

This year, two brothers, Dr. Gary Huynh and Dr. Stephanie Khong, graduated to become pharmacists. Both plan to stay in Salt Lake City. Gary will be practicing as a hospital discharge pharmacist and Stephanie as a community pharmacist.

Our co-GCD, Macheala Jacquez, finished her PGY-1 community residency and will be practicing as a community pharmacist focusing in MTM.

During spring break, a handful of brothers went to Tucson, Arizona, to attend the Pac West Province hosted by Gamma Upsilon. Those who went had a great time, and our newest members were able to get to know their brothers from other chapters.

At Province, it was announced that Epsilon Psi was awarded the Traveler's Award and the Philanthropy Award. The Traveler's award is given to the chapter traveling the farthest distance. The Philanthropy Award is given to the chapter based on the hours contributed while factoring in the number of brothers in the chapter. A big thank-you goes to Kelly Ishizuka and Tiffany Khan for co-chairing the Community Service Committee and coordinating community service projects that we did.

Another proud moment during Province was when it was announced that our very own Le Du would be the new Satrap. Our chapter is very proud to have her as a brother and we have confidence she will do well.

Epsilon Psi chapter is proud to congratulate Keshia Mahi-Leopoldino and James Yi for graduating and becoming our chapter's first alumni. We wish them well on beginning their careers as pharmacists. Also, it is the period where we say hello to the new committee members and goodbye to the old committee members and the P3s as they go off to their rotations.

This is Zeta Epsilon's first entry in *THE MASK*, and what a great start we have to share! The 12 brothers who were initiated this past May into Kappa Psi are honored to be a part of such a fantastic and amazing organization. We have learned so much about Kappa Psi, about ourselves, and about our brothers this year during our ups and downs of becoming chartered. First and foremost, we want to thank Brother Tim Watts who started the whole process of creating a chapter at Northeast Ohio Medical University in the spring of 2013. We have had an uphill battle since then, but we are finally able to call ourselves brothers! This couldn't have been done without the help of so many different brothers, including our Grand Council Deputy Daniel Krinsky; Grand Vice Regent Daniel Latha Radhakrishnan; our Province Satrap, Eric Geyer; and many, many more brothers.

We want to make sure we were starting off on the right foot, so even before we were chartered, we made sure that we became active in volunteering. We helped our GCD, Professor Krinsky, package medications for his annual trip to Honduras. A few students participated in the Akron-Region Interprofessional Area Health Education Center (ARI-AHEC) program, where we educate underserved area residents on healthy living. We plan on continuing both of

We had four brothers graduate: Chris Hanai, Jeff Krupinski, Shaun Saboo, and Jung-Won Soh. We wish them all the best in beginning their future careers! Recently, the chapter has started a new summer tradition where we get together every Wednesday night for trivia at Lefty's Lounge. Trivia night is always a great time and gives brothers a chance to show off their smarts, too! Mu Omicron Pi is also excited to announce the initiation of Jack VanDahm this June. This brings our chapter's current number to a strong, close-knit 14 brothers.

Brothers Kurtis Eoff and CJ Zarecki were honored and lucky to get the opportunity to visit Frank Facione, initiated into Mu Omicron Pi back in 1960. They traveled down to Louisville to meet with him where they were able to chat and listen to all the great past times of the chapter. Also, Victor Nguyen recently attended the University of Utah Alcoholism and Drug Dependency Conference where he met with brothers from all over the nation. are happy to announce the awarding of two \$250 scholarships to Ally King of D'Youville College and Nick Ladziak from SUNY Buffalo. The season was rounded out by opportunities for Buffalo Grad brothers to attend the graduation ceremonies and banquets for the first graduating class from D'Youville College. Lastly, we attended a Buffalo Bisons baseball game in June to have one last "good-bye" for brothers moving from the area for employment and residencies.

This brings us to a special note: With the advent of residencies, graduate brothers have a unique opportunity to create new bonds with brothers in other areas of the country. We were especially blessed during one such situation here in Buffalo. Ryan Fillis came to us a year ago for a residency in a town not far from here and sought out our grad chapter. Immediately, we found him to be an incredible asset to the Fraternity locally, and just a great all-round person. His dedication to Kappa Psi, even in traveling to a place he didn't know, led to his being elected as Satrap of Mountain East Province. All of the officers of Buffalo Grad wish him good fortune in his upcoming endeavors as he moves on to a more permanent opportunity in

and State Regulatory and Legislative Efforts Facing Pharmacy” by Brother Brett Barker. We rounded out the day with a fun outing to Adventureland amusement park and our annual Founders Day barbecue dinner. Every time we have a meeting, I am reminded of how strong a Brotherhood we have within the Iowa Graduate chapter. If you are interested in joining, please visit: www.iowagrad.org and contact one of the officers.

Los Angeles Grad

Founded 3/1/1927

losangelesgrad@kappapsi.org

The brothers of the Los Angeles Graduate chapter of Kappa Psi held their second meeting of 2014 with their annual tradition of going to The Magic Castle in Los Angeles. It was a very productive meeting with our new officers and afterward the brothers enjoyed some awesome magic shows. Brother Doug Chang gave us all a private magic show after the meeting, and Brother Sandra Chiang was lucky enough to get called on stage and play the part of magician assistant.

In October, LA Grad is planning on having its third meeting of the year at Halloween Horror Nights at Universal Studios in Hollywood. Contact Sandra Chiang (chiang.swc@gmail.com) if you would like more information on joining the Los Angeles Graduate chapter for any of our 2014 events.

Many of our brothers had a blast attending the spring NPP conclave in Omaha. Besides meeting new brothers and reconnecting with those from the past, we were an integral part of the establishment of the "NNP Ninety-Niners" Foundation Scholarship. To promote brotherhood and professional development, MN Grad brothers participated in a residency roundtable with Epsilon, and Christy Askew and Becca Lange gave a presentation on tips for APPE rotations and working with preceptors. We also gave \$450 in awards and \$10,000 in scholarships to Epsilon and Delta Psi brothers.

MN Grad brothers have been busy serving the community. We raised \$700 in the American Lung Association's "Fight for Air Walk" and teamed up with our Epsilon brothers, packing food to send to Haiti through "Kids Against Hunger." Brother Sandy Johnson joined them as a preceptor on the CARE for Haiti trip. Under the direction of Tracy Anderson-Haag and Jami Schell, MN Grad and Epsilon brothers ran the pharmacy at Camp SuperKids, a weeklong camp for kids with asthma. Camp SuperKids has long been one of our favorite ways to give back. This year, a 7-year-old camper summed up why we enjoy it at the closing camp fire, "I want to thank everyone at camp. This was the best week of my whole life!"

Finally, our thoughts and prayers go out to the family of Don Terhaar, a 1998 initiate of Epsilon, who passed away suddenly this February.

Congratulations to the new officers elected at our spring meeting: Christy Askew, regent; Anna Batchner, vice regent; Sandy Johnson, secretary-treasurer; Chrisann Rauzi, historian; Becca Lange, chaplain; and Kelly Moritz, awards chair.

North Florida Grad

Founded 08/07/2007

northfloridagrad@kappapsi.org

The brothers of North Florida Grad have been enjoying the summer sun and warm weather! We are looking forward to working with Zeta Gamma and being available for guidance this upcoming year as the Alpha Class pledges their first class. In August, some of us will be attending the annual FSHP meeting and visiting Atlantic Province at their conclave. Congrats to all the new graduates and if you will be in the Jacksonville area, feel free to e-mail us at northfloridagrad@kappapsi.org.

Orlando Grad

Founded 1/7/2012

orlandograd@kappapsi.org

Orlando Grad has much to talk about. This past spring, we gave several presentations to the collegiates, participated in various philanthropic events, as well as served and mentored the brothers of Epsilon Mu.

Brothers Jeremiah and Mikel gave a presentation to graduating collegiate brothers on the transition into life as a practicing pharmacist. The presentation included information about board exams, how to stay an active brother post-graduation, and various tips and advice on different matters.

In late spring, we attended Epsilon Mu's Graduation Ritual as well as the UF College of Pharmacy Awards Ceremony. Congratulations to Timmy Do for receiving the \$250 Orlando Grad Scholarship Award.

We joined Epsilon Mu in the walk to support Multiple Sclerosis where we promoted awareness and raised funds for the MS Society. Epsilon Mu also joined Orlando Grad to participate in the Kidney Walk which is the nation's largest walk to fight against renal disease.

LA Graduate brothers enjoy a night at the Magic Castle. (L-R): (front) David Nguyen, AnhDao Nguyen (Epsilon Gamma), Kevin Lau; (back) Sandra Chiang, Michael Birmingham, Chris Kaneshiro, Ricky Patel, Michael Shioji, and Doug Chang.

Orlando Grad brothers are joined by Epsilon Mu brothers to support the National Kidney Foundation at the Kidney Walk.

A special congratulations to Brandon Huang, who matched with Orlando Regional Medical Center's PGY1 residency program in downtown Orlando.

Furthermore, we supported Zeta Gamma and Zeta Delta chapters during their chartering this spring. The brothers of Orlando Grad also attended multiple Province assembly meetings: Southeast Province, Mid-America Province, Gulf Coast Province, Atlantic Province, Northeast Province, Northwest Province, and Northern Plains Province.

Lastly, Orlando Grad played a key role in the Southeast Province Leadership Retreat this past summer. Brothers Harry Patrick Marcelin, Jennifer Cortes, and Jenny Carrillo presented at various sessions for the collegiate brothers.

Pacific Grad

Founded 12/15/1965

pacificgrad@kappapsi.org

Though it has been a fairly slow since Pacific Graduate's update in

spring, the grad chapter has taken every opportunity to congregate and show support to the collegiate chapters. Probably the most significant event was the recent graduation of 18 Gamma Nu brothers from the University of the Pacific. Pacific Graduate chapter gladly welcomed these brothers, further growing alumni support for the collegiate chapter as well as strengthening our fraternal bonds. Several Pac Grad members, including officers Amal Thakarsey and Avinesh Raman, and GCD Jim Uchizono, attended the Gamma Nu Graduation Ritual ceremony to offer a toast, some words of encouragement, and to assist in recognizing the achievements of graduating brothers. The new graduates were especially encouraged to remain involved in Kappa Psi.

Pac Grad also supported and participated in the largest fundraising events of the year for the Gamma Nu and Epsilon Iota chapters of Kappa Psi. On April 27, Amal Thakarsey, Brandon Okaneke, Michael Cuellar, and Ominder Mehta participated in

Epsilon Iota's annual "Drive at Life" golf tournament, which served to raise funds for their chapter as well as charity. Pac Grad also sponsored one of the holes at the tournament, continuing our support of the local collegiate chapter. The Gamma Nu chapter's annual Luau fundraiser was held at Brother Ethan Anderson's sprawling estate just east of Elk Grove, California. As always, Pac Grad showed their support for the event, which is essentially a much anticipated reunion. Many members attended the event, including former Grand Regent Lawrence "L.B." Brown. The brothers enjoyed a wonderful array of barbecued food, beverages, games, company, and brotherhood.

Pittsburgh Grad has had a quiet summer so far. We did send brothers to the chartering of Zeta Epsilon at Northeast Ohio Medical University in Rootstown, OH; and Zeta Zeta at

Touro College of Pharmacy in New York, NY. Pittsburgh Grad is looking forward to seeing our brothers at various Fall Province Assemblies especially our own Mountain East Province. If any brothers in the Pittsburgh area are interested in joining up with the chapter, please contact Liz (Poole) Van Dyke (kyglind-abk@gmail.com) for information on our upcoming events.

Currently, the Pomona Graduate board members are gearing up for the next election. In the next issue of *THE MASK*, the new board shall be revealed!

We received the first "Outstanding Graduate Chapter Award" presented by the Pacific West Province at the last meeting in March. This is a new award that the executive board started to show appreciation to the graduate chapters for their continued support by attending the Province meetings.

This year, we are also pleased to welcome 21 new brothers to P-Grad. These brothers are the recent graduates from Epsilon Gamma, and we are excited to have them join our ranks! We helped them celebrate graduating by attending the Epsilon Gamma Scholarship and Awards end-of-the-year banquet as well as the commencement ceremony itself.

Pomona Grad has also continued our Nodaji summer nights! With Nodaji being a favorite hangout of ours, it only makes sense to continue the weekly tradition we started last year. Once a week, whenever possible, we meet for a night of brotherly

bonding. No matter how busy we get with our work and family obligations, it's nice to have that one night a week to get together. Brothers from Epsilon Gamma and LA Grad frequently join us. If you are ever in the area and want to get together, let us know!

Providence Grad

Founded 6/25/1913
providencegrad@kappapsi.org

Renewed fellowship and friendship were observed as the Providence Graduate chapter celebrated its annual Founders Day Banquet on Monday evening, April 28, 2014, at the

Radisson Hotel in Warwick, Rhode Island. Several Golden Mortar award recipients were honored for their 50 years of membership in our beloved Fraternity. The honorees were: Glenn Boyles, Harold Crossley III, Raymond Durand, Richard J. Glodzik, Robert Manney, Thomas E. Needham, Jr., Charles Olsen, and Noel Pelland. In addition, there were many 25-year members recognized with Silver Mortar awards: Marc Bernarducci, Matthew Carrangelo, James Charest, Steven Charles, Robert Coppola, Brian Cordiero, Michael Daniel, Nick Geraci, Michael Graubart, Edward Hayes, Scott Jacobson, Karl J. Kehrl,

Tou Khang, Matthew Lamere, Cesar Lau-Cam, Michael Lessard, Bruce Maasbyll, Jignesh Patel, Umesh Patel, Greg Veitri, Steven Weber, and Kevin Winicki.

Other distinguished brothers were recognized for their service over the past year. Nathan Charpentier was honored as the PGC Brother of the Year for his many contributions to our graduate chapter, and Brett Feret received the Community Service Award for his service to our community and society through his involvement with Kappa Psi and APhA.

Additionally, scholarships were presented to three deserving undergraduate brothers of Beta Epsilon. Anthony Aiudi was recognized with the George E. Osborne Memorial Scholarship for his outstanding academic achievement. Jared Derossi received the Peter Feeney Memorial Scholarship for his generous contributions to our Fraternity, and past Grand Regent Norman Campbell was in attendance to present Matt Mazzucco with the Norman A. Campbell Scholarship for his outstanding professional involvement. The evening concluded with a moment of silence to remember our Kappa Psi brothers who passed away in the last year.

San Antonio Grad

Founded 5/17/2014
sanantoniograd@kappapsi.org

The San Antonio Graduate chapter was chartered on the 17th of May in 2014. The newly inducted officers, regent Joseph Tran, vice regent-secre-

tary Cynthia Nguyen, treasurer-ritualist Amy Madhani, historian-webmaster Nancy Luu, and sergeant at arms Bianca Hernandez, organized a Founders Day Luau celebration. The amazing decorations, delicious Hawaiian food, fascinating games, and grass skirt pig piñata really impressed our 35 attendees. From totem poles to pineapple-glazed meatballs, the officers went above and beyond to bring Hawaii to San Antonio. A few brothers from across the nation traveled into town to join in the celebration. We are honored to have Executive Director Johnny Porter charter our graduate chapter, Grand Vice Regent Latha Radhakrishnan induct our new officers, and Grand Counselor Robert Mancini recite congratulatory letters from the Executive Committees and other Province and chapter officers. We are blessed to have the presence and support from our Southwest Province officers, Texas Graduate chapter officers, and collegiate brothers from Delta Delta, Epsilon Epsilon, and Epsilon Beta. The San Antonio Graduate chapter wants to extend our gratitude to all brothers who have traveled to witness and celebrate the chartering of our chapter. Today, the San Antonio Graduate chapter has 30 charter brothers and 17 new graduate brothers. We are excited about the possibilities our chapter may bring and look forward to creating new lifelong memories. The San Antonio Graduate chapter welcomes all Kappa Psi graduate brothers who wish to join our chapter. If you are interested in joining us, please send an e-mail to sanantoniograd@gmail.com.

Savannah Grad

Founded 6/18/2011

savannahgrad@kappapsi.org

Savannah Grad has been busy the past few months. We have been actively recruiting new graduates and are pleased to welcome many brothers to our chapter. We are in the process of adopting a street in Savannah as well as creating a retreat where brothers can fellowship with each other. Recently, one of our brothers, Lauren Morton née Ellison, was married and multiple Savannah Grad brothers attended the nuptials. We would like to formally congratulate the newlyweds and wish them the best in their life together! We would also like to congratulate all the new graduates and invite any brothers moving to the Savannah area to join us. Feel free to contact me at jeffcallaway@gmail.com for further information. Many brothers also recently attended a baby shower for fellow

Pomona and LA Grad at Epsilon Gamma's Scholarship and Awards Banquet May 2014.

Savannah Grad Brother Olivia Bentley née Santoso and her new graduate husband Brother Shane Bentley. We wish the best for their son who will have many aunts and uncles from the Brotherhood!

South Dakota Grad

Founded 4/19/2008

southdakotagrad@kappapsi.org

The South Dakota Graduate chapter held our spring meeting in March. We elected delegates for the Northern Plains Province meeting in April and planned the Kappa Psi graduation ceremony in May. We had an update on the status of the new house for the Gamma Kappa collegiate chapter, and we are excited that this project is moving forward as the first phase of fundraising begins this summer.

There was much discussion about improving graduate brother interaction. With brothers involved in every aspect of pharmacy practice, there is a wealth of knowledge and experience we wish to make accessible. This would be a valuable resource and encourage continued participation in the Fraternity.

St. Louis Grad

Founded 5/24/1949

stlouisgrad@kappapsi.org

St. Louis Grad brothers just returned from our annual float trip and had a great time making new memories. We have been enjoying this humid summer by keeping busy with family, friends and brothers, of course. Grad brothers enjoyed a very informative Continuing Education event presented by fellow St. Louis Grad Brother Eric McLain. Those in attendance were provided the opportunity to earn CE for their upcoming license renewal. It was a learning and professional event which we plan to continue in the future.

Our brothers have caring and giving hearts and have been actively involved in the St. Louis community this year. This past spring, brothers collected donations and gathered for a walk event. This event was in support of the National Alliance on Mental Illness, which is an organization that works to inspire a message of hope and helps millions of Americans who face mental illness every day. Much of

the money donated for this event remained local to support our Independence Center. We also like to help out our brothers and no one ever turns down food. So, the St. Louis Grad brothers kindly prepared and provided breakfast to our local collegiate Gamma Pi chapter before our annual float trip this summer. Brothers also gathered for a time of remembrance as we said goodbye to and celebrated the wonderful life of Brother William Gross (1965) who recently passed away. He was a man who will certainly be missed. Our thoughts and prayers are with his family at this time.

The Grad brothers also enjoy cheering on their local sports teams together. Brothers and their families recently gathered for some good food and to cheer on our local River City Rascals baseball team. Later this summer, brothers will root for our St. Louis Cardinals team in what will certainly be a fun game against the Milwaukee Brewers. Brothers will also spend some time this summer celebrating the local arts. We look forward to seeing the musical Grease at the St. Louis Muny in Forest Park at the end of this summer.

Florida, here in Tampa. Tampa Graduate brothers will be actively involved in the upcoming Southeast Province Leadership Retreat in Orlando, being led by Tampa Grad regent and SEP Satrap, Dr. Karl Healy. Regular monthly meetings will be held throughout the year, and we anticipate working with the three collegiate chapters in our area. We invite all fourth-year students from Epsilon Eta, Epsilon Sigma and Zeta Delta to attend any of our meetings and activities. All graduate brothers in the cities of Tampa, St. Petersburg, Clearwater, Sarasota, or any surrounding vicinities are welcome to join. Any information about meetings or chapter events can be obtained by contacting our chapter secretary, Dr. Christine Heng at: cheng.8708@gmail.com, or contact Province Liaison, Dr. Marvin Smith at: bahamadrugdoc@gmail.com.

Atlantic Province

The brothers of the Atlantic Province have been busy wrapping up a very prosperous 2013–2014 academic calendar. The executive board has been working feverishly to ensure our next Province assembly in Columbia, South Carolina, hosted by the Gamma Xi chapter, is a success. It will take place August 8–10 and we welcome everyone across the country to come and take part in the festivities.

Several chapters have been very successful in their fundraising endeavors recently. Epsilon Zeta (ETSU) was the top fundraising team in East Tennessee State University's Relay For Life. They were able to raise more than \$4,500 for cancer research. Gamma Xi (USC) was able to raise more than \$6,000 for St. Baldrick's fundraiser for childhood cancer research. Theta's (VCU) Annual Golf Tournament was another triumph as they were able to donate to the ALS

Foundation and Richmond Area Center for High Blood Pressure. In addition, Buies Creek Grad chapter sponsored collegiate brothers the university's Alumni Association Golf Tournament, which is held yearly to provide scholarship money for students. Delta Lambda (Campbell) was able to contribute funds raised from its annual Disc Golf Tournament, which benefited the American Red Cross. Gamma Psi (Mercer) was able to aid the American Red Cross by surpassing their target goal throughout the year—most recently netting a total of 47 pints of blood to help save lives in the future. Beta Xi (UNC Chapel Hill) had many milestones as well, including the marriage of Ashley Powell to Jason Leggett. We wish them well in their journey together.

We would also like to thank everyone throughout the Province for their diligence and service attitude.

—Rasheed Anifowoshe

Province Satrap Dr. Matthew Lacroix and Beta Omega historian Richardson enjoy brotherhood during the Northeast Province at Wilkes University.

Great Lakes Province

The Great Lakes Province had a busy spring semester. The second annual spring Province assembly was held in March in Lima, Ohio, and was attended by many brothers near and far. Donations from a raffle were made to Operation Homefront, which is an organization that helps low-grade military servicemen and women. A personal note of thanks was sent by the program coordinator of Operation Homefront to the Great Lakes Province. An online survey is available for brothers who attended the spring Province assembly, and responses are needed from more Grad brothers.

On May 3, we celebrated the chartering of Zeta Epsilon, which is located at Northeast Ohio Medical University in Rootstown, Ohio. More than 40 brothers from other chapters were in attendance as we welcomed 12 new brothers into Kappa Psi.

Chapter regents and vice regents came together in Toledo over the weekend of June 20–21 for the second annual regent's meeting. Overall, the weekend was productive and successful. This was a great networking opportunity, with the various chapter leaders trading ideas and problem-solving to make each chapter better.

The fall Province assembly will be hosted by Mu Omicron Pi October 17–19 in Detroit. Registration and hotel reservations can be found on Facebook or by visiting <http://muomicronpi.wix.com/province>.

Gulf Coast Province

On June 20, many of the brothers from the Gulf Coast Province met in Little Rock, Arkansas, for a little bit of chapter development, philanthropy, and brotherhood. The first night of conclave, we took a trip to see the local minor league team for some Travelers baseball and some popcorn. The brothers enjoyed getting better

acquainted and heckling one another as well as the baseball team. First thing Saturday morning, the meeting was officially open and we started off with a great presentation from Brother Marvin Smith on the importance of pledging. After that, the brothers got to choose two workshops to attend concerning chapter development. These workshops included presentations and roundtable discussion on Robert's Rules, rituals, philanthropy, and fundraising. Brothers within our own Province who had experience in these particular areas headed the workshops. On Saturday afternoon, we had the opportunity to partner with Arkansas Children's Hospital for a philanthropy project by putting together overnight bags for loved ones of patients staying in the hospital. Dinner was at a nearby park where a ferocious game of kickball ensued. Overall, it was a successful weekend for our brothers, our chapter, as well as the local Little Rock community.

Mid-America Province

The Mid-America Province would like to recognize all brothers who graduated this past May and brothers who will be continuing to their PGY-2. We wish them well in their future endeavors as they take the next step in their journey.

We had our spring conclave April 25–26 which was held at Chi chapter's home University of Illinois at Chicago. A total of 288 brothers were registered for this conclave. There were many different brothers from different Provinces in attendance which included Atlantic, Great Lakes, Gulf Coast, Mountain East, Northern Plains, Northwest, and Pacific West. On Friday, brothers were able to attend the general session and a social afterward which was Trivia. Participants donated to our Province philanthropy in order to participate. Saturday's meeting had a CE event along with a lot of business. The CE event was focused on the pharmacist's role in osteoporosis prevention and treatment. Later in the day, the delegates elected a new executive board: Immediate Past Satrap Neil V. Patel, Satrap Kelsey E. Johnson, Vice Satrap Stephen Jankovic, Secretary Sarah Harding, Treasurer Matt Siena, Historian Mack Parayo, Chaplain Ed Kazyanskaya, Parliamentarian Joseph Zegar, Webmaster Shylee Prasad, GCC Delegate Pratik Shah, and Alternate GCC Delegate David H Kim. Saturday concluded with a banquet at the university where we recognized different brothers for accom-

Mountain East Province

The brothers of the Mountain East Province have never been busier! After coming off our last issue of *THE MASK*, some brothers got together that weekend in Richmond, Virginia, for the Student National Pharmacy Association Regional Meeting. The following week, our very own Assistant Supervisor, Brother Amy Morrow, was elected Satrap of Southwest Province. We would like to

extend a large MEP kudos to her for that accomplishment. At the end of March, many brothers celebrated earning PGY1/2 residencies on Match Day throughout the Province. Congratulations to them as well as all of the graduating brothers!

Several brothers traveled to Baltimore to participate in Sigma's 10th annual Wing-A-Thon fundraiser and everyone enjoyed themselves. Orlando hosted the APhA Annual Meeting which generated a great turnout of brothers representing various chapters. Brother Adrienne Jantzi represented MEP well in the National Patient Counseling Competition. We would also like to recognize all of the new initiates from each chapter who have joined the ranks, especially the chartering of Touro University, the Zeta Zeta chapter of Kappa Psi!

Lastly, mark down two dates: the chartering ceremony for the Maryland Eastern Shore Graduate chapter on August 23 and the MEP fall 2014 in Pittsburg the weekend of September 26. We hope to see you all there!

—Sudan Gordan

Northeast Province

The Northeast Province is proud to welcome the brothers of Zeta Zeta chapter from Touro College of Pharmacy in New York City. They were chartered on May 25, 2014, and initiated 38 new brothers.

Our spring Province meeting was hosted by Delta Omicron chapter in Wilkes-Barre, Pennsylvania. The weather was nice and the weekend was fantastic. On Friday night, there was a bowling meet and greet and

Saturday night a semiformal banquet with many Kappa Psi items being sold at a "garage sale." Northeast Province T-shirts were made for everyone who attended. (These have been in the works for a while so it was great to finally see them.)

We want to thank the immediate past officers for all of their hard work and dedication during the past year. Congratulations to the new officers: Satrap Matthew Lacroix, Vice Satrap Michael Cournoyer, Secretary Dylan Krawczyk, Treasurer Matthew Dodge, Historian Sarah Pollack, and Chaplain Brian Bedwick.

During the spring Province meeting, we voted to raise money for the Crohn's and Colitis Foundation of America through Intestinal Fortitude. Our chapters have been busy volunteering their time to help raise money for this great cause.

We are currently busy planning our fall Province meeting which will be hosted by the brothers of Delta Chi November 7-9, 2014, in Portland, Maine. We would like to invite all brothers to join us.

—Sarah Pollack

Northern Plains Province

Our last Province meeting was hosted by Beta Nu in downtown Omaha, Nebraska. Everyone had a blast and enjoyed some laughs at the Minute-To-Win-It games Friday evening. Prior to the Saturday night Hunger Games-themed social, Beta Nu hosted an amazing light show performance that had us all mesmerized. As usual, it was a great weekend full of brotherhood and we look forward to the next Province meeting, hosted by Beta Sigma in Fargo, North Dakota, October 17-18, 2014. We hope to see you there!

—Pamela Wong

Southeast Province

This summer, we will host our first Leadership Retreat. The idea was brought to light by Past Satrap Leah Sautman in hopes of inspiring, building, and developing our brothers. The Leadership Retreat will be held July 18-20, 2014, in Orlando.

In addition to brother development efforts, Zeta Delta hosted "Kappa Psi Olympics" to bring the Province together for the summer. This also served as a philanthropy event where brothers donated cans of food.

The Southeast Province will be hosting our fall conclave September 5-7 in classy Bradenton, Florida—home to USA's No. 1 beach, Siesta Key, and Epsilon Eta! Join us at our meeting and socialize at the beautiful beach!
