GRAND COUNCIL CONVENTION!

What an exciting time it will be in Marco Island. This is the opportunity that we have only for one week every two years to experience the true and complete assemblage of Kappa Psi Brothers on an international level. Graduate Brothers as well as undergraduate Brothers should attend since the entire future of our beloved fraternity will be in the hands of the attenders. We, and we alone, will decide what changes need to be made in Kappa Psi to prepare us to not only survive, but to grow and thrive during the next century. We will elect new international officers, the candidates biographies are found in this issue. Bring this issue of *The MASK* to Marco Island with you for reference. Whoever we elect will be

guiding us for the next two years. Graduate Brothers will also have the opportunity for continuing education and there will be many workshops for all Brothers including finance, pledging, and *The MASK*. A highlight will be the unveiling of *THE STORY OF KAPPA PSI*, our history written by Grand Historian Dewey Garner. I look forward to seeing all Brothers of Kappa Psi at the Grand Council Convention in Marco Island. It is your responsibility to your fraternity to be there. . . . and there will be plenty of fun as well. As always your comments and suggestions on *The MASK* are appreciated and expected.

Directions

Which way is Kappa Psi moving—forward, backward, sideways or standing still? We could examine each of these issues but I think we can all agree that Kappa Psi is moving forward—forward at a rapid pace. Because of this movement of the fraternity it is our responsibility to set the direction and we cannot back away from this responsibility and think that some one else can do it. NOW is the time for us, together, to set the fraternity in the right direction for growth.

There is an old saying about either “Love it or Leave it,” well I say we can change that to “Love it and Lead it.” There is no better time to begin than NOW. Express your ideas. In the United States we do have the freedom to express our ideas. If the opportunity presents itself—seize it. Speak up, do NOT remain silent. Silence can be deafening, especially when you are presented the chance to be heard and nothing is said or done.

We must recognize that the foundation of Kappa Psi is extremely sound and true. It is this way because of the hard

Grand Regent Johnny Porter presents Dr. Glen Sperandio with a Past Grand Regent's Pen.

work and dedication to the fraternity and profession by you—the brothers of Kappa Psi. However we must never forget or lose sight of the virtues that Kappa Psi has given us. These virtues are a large part of what makes Kappa Psi so well respected and trusted today. Because of our commitment to each other we WILL move forward together.

The positive effect that we as Kappa Psi have on others is a source of great awe to me. I hear about this everywhere I travel and speak. This is an asset that we must continue to foster and grow. The integrity, compassion and commitment

of Kappa Psi all carry enormous weight with others. The values we have are treasured and even envied by many others in our profession. The commitment Kappa Psi has in our profession is demonstrated every day on all our campuses and in many hospitals and drug stores throughout the United States because of our commitment to EXCELLENCE. If we share this commitment it becomes contagious. I want each of us to be infected with this commitment to excellence. If we all share this we can and will set the direction of Kappa Psi in a very positive and meaningful direction. I have no doubt we will because the cooperation of Kappa Psi brothers is legendary.

Our best days are ahead of us. A pessimist looks for the worst situation and an optimist looks for the best in a situation. I expect all Kappa Psi Brothers to be optimists. We should prepare for any problems that arise and be ready to face them head on and to move through them. Opportunity awaits. Let's not let it pass by.

Fraternally,
John Porter, Grand Regent
PS: See you in Marco Island

Member of the Ninety-Niner's Club and currently Province I Supervisor.

Grand Historian

Tony Palmieri is Manager of Research Contracts and Intellectual Property, Upjohn. He has been at Upjohn since 1984. Prior to

that, he was Associate Professor, School of Pharmacy, University of Wyoming. He received a BS in Pharmacy from Rhode Island and in 1976 a Ph.D. in Pharmaceutics from Georgia. He

is a member of APHA, AAPS, Rho Chi, Kappa Psi and is currently the Editor of The MASK. He is past President of CFEA and APRS. Palmieri has been Supervisor of Province II and IV.

Brian Reisetter is a 1985 graduate of Beta Chi Chapter at Drake University in Des Moines, IA. He has a B.S. degree in pharmacy and a Masters in Business Administration. Brian has worked

as a hospital pharmacist in Des Moines, was a sales representative for Eli Lilly and Co. from 1987–1992, and currently owns his own pharmacy contracting corporation, RPHS, Inc. Brian has been Regent of Beta Chi, Historian and Satrap of Province VIII, Chairman of the Province VIII Fundraising Committee, Province III Supervisor in 1991, and is currently Assistant Province Supervisor for Province V. Brian has also served nationally on the Graduate Member Committee, the Office Technology Committee, and is currently on the Ritual and Leadership Development Committees.

Leonard L. Naeger is a graduate of the St. Louis College of Pharmacy and the Medical School at the University of Florida. During most of the 1970s and a portion of the 1980s he served as Grand

Historian. He was Supervisor for Provinces III, V, VI, and VII. He has attended all Grand Council Conventions since 1970. His prime objective is to insure data collection necessary for continued updating of our history. He is married and has two sons, Steve a KC brother practicing in Florida and Dave, a senior at the University of Missouri.

W. R. Smith (see biography under Grand Ritualist).

Andrew J. Morales is a member of the Pacific Graduate Chapter, initiated into Gamma Nu in 1989, and received a Pharm.D. in 1992 at the University of the Pacific. I served as historian during

1989–1990 and 1991, treasurer in 1991 and was involved in the professional and pledge committees while editing the University's yearbook. Currently, I am historian of Province IX, and attended the 45th G.C.C. I am a Staff Pharmacist for Kaiser Permanente Southern California Region and actively involved in the USC-Kaiser Permanente Patient Consultation Study. I am also affiliated with C.P.H.A., A.S.H.P., and A.P.H.A.

Graduate Member-at-Large

Cassandra Knoblauch is a 1989 initiate of Epsilon chapter at the University of Minnesota. Sandy has served as Chapter Historian, Fundraising Chairperson, Province VIII Meeting Coordinator,

Graduate Chapter Liaison, Chapter Delegate to the 45th GCC, Province VIII Secretary-Treasurer and is currently on the Grand Council Collegiate Development Committee. She is also involved in Phi Lambda Sigma (Vice President, 1993), ASP (Treasurer 1989–1991), APhA, ASHP, Minnesota Society of Hospital Pharmacists, and Minnesota Pharmacists Association.

David E. Maskiewicz (see biography under Grand Ritualist).

Michael Steffens (see biography under Grand Ritualist).

Lynette J. Weil joined Rho chapter at the University of Kansas in May 1978. Elected Regent and served Rho chapter from August 1978 to December 1979. While Regent the chapter grew from five members to 42 members. In the spring of 1979 Rho received the Outstanding Chapter Award presented by Province VII. I served as a Collegiate Delegate at the 1979 Grand Council Convention in Scottsdale, Arizona. This August as we gather at Marco Island it will make the eighth GCC I've attended, serving as a Delegate of Province VII two other

times. I was elected Satrap of Province VII in the spring of 1986 and served two terms. I was appointed to the Graduate Development Committee in 1981 by Past Grand Regent Dewey Garner (current Grand Historian) and have served the fraternity in this area ever since. I'm proud of my membership in Kappa Psi, the best pharmacy fraternity, and would be very honored to serve as the Graduate Member-At-Large on the Grand Council. I feel very honored to have been nominated by my fellow brother(s) who have faith in my leadership ability. I'm looking forward to seeing everyone at Marco Island, but I really look forward to the day I receive my golden mortar at a GCC. Sixteen years down, 34 more to go!!

J. Michael Dewese (see biography under Grand Ritualist).

Wayne Walls was initiated into Gamma Epsilon Chapter in 1984. He served the chapter as Regent from 1984–1986. He has served Province VIII as Province Historian from 1985–1989. He has maintained

a high profile in his Province since graduation. He is serving as a member of the National Publications Committee since the 45th GCC in Jacksonhole, Wyoming. Currently, he is working with others across the state of Nebraska to reactivate the Nebraska Graduate Chapter.

Collegiate Member-at-Large

Jill S. Jacobek, Beta Upsilon, is a fifth-year Pharm.D. student at Butler University, who will graduate in May of 1994. She was initiated in 1990 and has held the offices of Vice-Regent, Historian, Philanthropy

Committee Co-Chairperson, Alumni Committee Chairperson, and Pledge Class Vice-President. She attended Province V Midyear meetings in 1990–93 and Assemblies in 1992–93, and coordinated the Midyear meeting when BY hosted it in 1991. Jill attended the G.C.C. in 1991, and served as a Chapter Delegate. She is active in Rho Chi and Phi Lambda Sigma and served as Delegate to both National Conventions and as President of Rho Chi. A member of ASP, she attended the 1992 APhA Convention, and

was a finalist in Butler's ASP Patient Counseling Competition (1993). Jill also sat on the Student Advisory Group to the College of Pharmacy for three semesters. Outside of the College, Jill is involved with the University Honors Program and was cited in Who's Who in American Universities and Colleges in 1991–92. She is an instructor in Sterile Products Lab, and plans to complete a residency upon graduation.

Scott Edmundson is enrolled in the Duquesne University School of Pharmacy in Pittsburgh, Pennsylvania. My initiation into Delta Epsilon Chapter was held in November 1989.

Since that time, I have had the honor of serving as Pledge Master and Regent of my chapter as well as the Chaplain of Province II. I was also fortunate to represent Delta Epsilon at the previous G.C.C. held in Wyoming. Recently, I was honored to receive the Asklepios Key and the Recognition Button.

Tommy Smith is a fifth-year Pharm.D. student at St. Louis College of Pharmacy. I was inducted into Kappa Psi in the spring of 1989. Since becoming a Brother I have held three offices in the

Gamma Pi chapter: Treasurer, Acting Historian, and Regent. I have played an active role in reorganizing our chapter, including updating by-laws, creating various committees and utilizing the Ritual in chapter meetings. Currently, I hold the office of Province VII Historian. I am a member of the St. Louis Society of Hospital Pharmacists, Who's Who Among Students in American Universities and Phi Lambda Sigma Leadership Society.

Christy Askew was initiated into Epsilon chapter at the University of Minnesota in January of 1992. She has been actively involved with many of her chapter's professional projects and has

served as chairperson for the fundraising committee and as co-chairperson of the

University's Pharmacy Day activities. She currently holds office as the Historian for Province VIII. Christy is also a member of ASP and a student member of the Minnesota Society of Hospital Pharmacists.

Tim Eley was born in Athens, Georgia and raised in Texas and Alabama. He is currently a member of the Honors Program at UGA and Phi Lambda Sigma. Tim has recently been elected

Regent of Gamma Phi Chapter and is very proud to represent his chapter in this election. At this time he plans to pursue a graduate degree in Pharmaceutics at UGA. Tim works hard, speaks well, and is easy-going.

Jamal El-Bissat, has been an active member of the Gamma Nu Chapter at the University of the Pacific in Stockton California for one year. Being a second year prepharm has

given me time to grow with Kappa Psi. I hope this biography tells you a little about me, and hope you consider me an acceptable choice for Collegiate Member-at-Large.

Jeanne L. Lucich is a second year student in the University of California, San Francisco's Pharm.D. program. An initiate of the Beta Gamma chapter in 1992, she is serving her chapter as Vice

Regent of Academic Affairs. Leading by example, she was the recipient of the Frank Goyan Memorial Award for excellence in Physical Chemistry. Jeanne also participates in the newest of Beta Gamma's three community projects, the Geriatric Awareness Project. She attended the 1992 Province IX Assembly in San Diego, California as a chapter delegate and served on the Province IX Legislative Committee. Jeanne also traveled to the 1993 Province IX Assembly in Albuquerque, New Mexico.

Kim Rohrbacher was initiated into the Gamma Upsilon chapter at the University of Arizona on October 10, 1990 where she served as the Pledge Program Coordinator. On

the province level, she was the Province IX Delegate to the 45th GCC and she is currently Province IX Satrap. For the past two years, she has served on the Collegiate Development Committee. She is also a member of APhA-ASP, APA, ASHP, and AzSHP.

MARCO ISLAND, FLORIDA IS THE PLACE TO BE IN AUGUST 1993

Robert A. Magarian, Ph.D., Executive Director

The 46th Grand Council convention will be held in a beautiful paradise known as Marco Island about 28 miles southwest of Fort Myers, Florida from August 7-11, 1993. The Marriott's Marco Island Resort and Golf Club will be the Convention hotel and is in a tropical island atmosphere located next to a spacious flat, white sandy beach facing the gulf side.

Room rates are a reasonable \$75.00 for single, double, triple and quads. Convention rates will be honored by the hotel three days before and after the Convention. Most major airlines fly into Fort Myers from around the country. You must allow time to relax, walk on the beautiful beach, collect shells, play golf, tennis and fish.

The Marriott Tennis Center is located on the premises of the Marriott's Marco Island Resort and features sixteen (16) courts, including thirteen (13) HARTRU and three (3) hard courts. Additionally, there is a fully stocked Pro Shop with complete accessory and equipment line. Experienced fishing guides are available to serve the avid sports fisherman or the weekend enthusiast alike. Whether your choice is Offshore or Backwater Fishing, each has met with great success.

The spacious flat, wide beach is a perfect spot for a beach olympic competition. Are you game? Located next to the Ice Cream Parlor on the ground floor of the South Tower is the Health Club, fully stocked with the finest in work-out equipment.

Today, an ever growing number of residents and visitors share Marco Island's beauty with the likes of the American Bald Eagle, dolphins and shore birds.

Archaeologists have discovered several sites on the island that contain a distinctive type of fiber-tempered pottery which dates as far back as 3015 B.C. Visitors learn much about the island's history on the Marco Trolley which carries passengers to the Colura Indian Shell Mounds and Indian Hill. In Old Marco, exquisite shops and excellent restaurants are mixed with historic buildings and luxurious condominiums. On the southeast end of the island rests a quiet fishing village called Goodland, which gives one a glimpse of what life on Marco Island was like before it became a resort town.

The Executive Committee invites you to come and spend a restful and exciting week in Marco Island. Hopefully, we will see you there. Please make plans immediately and don't forget to make your hotel and meeting reservations before July 01, 1993.

DEAR BROTHERS:

Please consider this your personal invitation to attend the 46th Grand Council Convention of Kappa Psi Pharmaceutical Fraternity, Inc. to be held August 7-11, 1993 at Marco Island, Florida.

As you will see from the enclosed agenda, a good variety of fraternal, professional and social activities have been planned so as to insure that graduates and undergraduates alike can participate fully in the experience unique to a Grand Council Convention.

Having attended the last 10 Grand Council Conventions, I can attest that the 5 days spent together as Brothers is about the greatest "vacation" you will ever spend. However, you must take the first step. Plan now to attend! August may seem to be off in the distance but it will be here sooner than you think! Please act now!

With the hope I will see you at Marco Island, and with every good wish for success in your profession, I remain

Fraternally yours,

Paul J. Hiller, R. Ph.

Herb Carlin Awarded Citation of Appreciation

Doctor Herbert Carlin (Beta Epsilon) is Vice President for Professional Affairs of Schein Pharmaceutical Inc. and Professor of Pharmacy at both the University of Rhode Island and the Philadelphia College of Pharmacy and Science. Brother Carlin was presented this high honor by Kappa Psi Grand Regent Johnny W. Porter at the A.Ph.A. meeting in Dallas, Texas. He was the Associate Hospital Director of the New York Hospital Cornell Medical Center; its Apothecary in Chief; Professor of Pharmacy

and Pharmacy Administration at the University of Illinois and Director of Pharmacy of the University of Colorado Medical Center.

Prior to his career in the pharmaceutical industry, education and hospital pharmacy, Herb practiced community pharmacy and was owner of Greenwood Pharmacy in Warwick, Rhode Island.

He received his Bachelor of Science from the University of Rhode Island and his Masters of Pharmacy and a honorary Doctor of Science from the Philadelphia College of Science. He served a residency at the Jefferson Medical College Hospital in Philadelphia.

Herb is and has been very active in professional associations. He was President of the American Pharmaceutical Association in 1984; the American Society of Hospital Pharmacists in 1970 and ASHP's Research and Education Foundation in 1971.

He was President of the Illinois Council of Hospital Pharmacist and the Northern Illinois Society of Hospital Pharmacist and Vice President of the Illinois Pharmaceutical

Association and the Colorado Society of Hospital Pharmacists.

He is presently on the Executive Committee of the United States Pharmacopoeia's Drug Standards and Drug Information Divisions (USP & USP-DI) and is Chairman of the USP's Nomenclature Committee and the Executive Committee of the Drug Information Division. He was also a member of the Board of Directors of the National Health Council and the American Foundation for Pharmaceutical Education.

Herb has received numerous honors including the prestigious Harvey Whitney Lecture Award and Honorary Memberships in Alabama, Colorado, Illinois, Oklahoma, Rhode Island Pharmaceutical Associations and the Lambda Kappa Sigma Pharmaceutical Society.

He has published 124 articles and 22 chapters in pharmacy text books including a Japanese translation of his Unit Dose and Intravenous Additive Manual.

He is married and has three children, the youngest is a practicing pharmacist.

Are Fraternities for Collegiates Only?

by James D. Seymour

Of course not, but lots of fraternity members out there act like it. Being a member of a fraternity does not stop when you graduate from college; it is a commitment of a special kind. Remember when you joined the fraternity, there was no agreement that would last while you were in college only; it was for life! Your fraternity does not stop working for you once you graduate. So it's time that more Kappa Psis out there realize that and get busy supporting YOUR life-time fraternity.

How can you support Kappa Psi as a graduate? Well, one way is to join a graduate chapter and pay your graduate dues each year. This not only helps you, but it helps the fraternity remain strong and viable, which in turn helps the collegiate and graduate members as well. It also gives Kappa Psi and pharmacists a louder voice in national health affairs as well as pharmaceutical affairs. These national dues will bring you copies of

The MASK to help keep you updated on Kappa Psi as well as pressing pharmacy issues.

If you live in an area that has a graduate chapter, you should be a member and be active. These graduate chapters offer not only fellowship with one another, but in most instances lend stability to the collegiate chapters and Brothers in the fraternity. Many graduate chapters throughout the nation are as active in civic and pharmaceutical affairs as collegiate chapters. What better way to get to know pharmacists in your area or state than to have fellowship with your Kappa Psi Brothers!

If you live relatively close to a collegiate chapter, why not offer support and help to that chapter—it does not have to be your chapter of initiation. I have not seen a collegiate chapter that would not be glad to receive a fellow Kappa Psi into its fellowship. Most collegiate chapters have a calendar full of parties, worthwhile health, civic, and pharmaceutical projects and would welcome your expertise and knowledge.

And who does not need continuing education these days? The Grand Council Convention which meets every 2 years always offers an attractive meeting place, CE, and lots and lots of fellowship.

You could contribute articles to *The MASK* and let other Brothers and sisters in pharmacy know what you are doing. Use *The MASK* as a forum to share ideas that you have gleaned from your practice—sharing of ideas are so important to all of us in pharmacy and Kappa Psi.

And if you don't have a graduate chapter in your state or local area, why not talk to some of

JAMES D. SEYMOUR

Initiated into Gamma Xi Chapter in 1962; Charter Member, South Carolina Graduate Chapter; Regent of South Carolina Graduate Chapter, 1963–1965; Grand Historian from 1969–1972.

your Brothers in the area and drum up support. Maybe just begin with a dutch meal in your own local area. It might surprise you how much interest is out there.

And as you work on your will, why not include Kappa Psi as one of your beneficiaries. Pharmacy and Kappa Psi have both been good to you—why not remember them both!

Think of the ways Kappa Psi is useful to you in every day life and let your imagination go wild—don't stop there—do something about it!

Beta Phi

Cincinnati

Beta Phi is growing! In January we initiated 19 new Brothers, almost doubling our membership. Shortly after that, these new Brothers proved to be a formidable force with lots of great ideas as seven of them were elected as officers, including Regent! Our new officers are:

Regent-**Jim Parker**

Executive Vice Regent-**Erin Kennedy**

Administrative Vice Regent-**Alyssa**

Historian & Chaplain-**Lisa Mercer**

Tribunal Representative-**Michele Bungler**

The Beta Phi Brothers are keeping busy with more than school. Several Brothers worked with members of other pharmacy organizations to present programs at Cincinnati elementary schools for Poison Prevention Week. We have a blood drive planned for the first week of April and several other charity functions in the works for

have held several bake sales and hot dog sales. We also held a spaghetti supper on February 23 which was very productive. We also plan to hold a car wash when the weather is warmer.

On January 31 we held our annual Superbowl party. We cooked a pig, had a bonfire, and had a great time watching the game. On April 7 we had our annual 60s-70s party. As well as these social events many of our Brothers participated in intramurals here at Campbell.

Service projects this semester included a collecting of clothes for the needy and a trash pick-up of our adopted highway. Our chapter also presented the slide show "You And Your Medication" about drug interactions and side effects for the members of the community. Also, on March 15 we had a blood drive to benefit the Red Cross.

On February 19-20 Delta Lambda hosted

The spring semester here at Campbell started with a bang. On January 14 we had our Mad Medicine rush party at the "house." Many of the Brothers dressed for the occasion as health care providers. Our second rush party was a pizza party with "Ren and Stimpy" as the theme. This concluded our spring rush period and we have one pledge for the semester.

The fund-raising committee has been hard at work raising money for the chapter. We

Congratulations goes out to Delta Lambda Brothers **Bill McKelvey**, Province III secretary/treasurer, **Joe Isaac**, Province III newsletter editor, **Ed Herring**, GCC delegate, and **Jill Myers**, alternate GCC delegate. Also congratulations goes out to the Brothers of Delta Lambda for being chosen Chapter of the Year for Province III again.

One of our biggest events this semester was our fourth annual Cadet Ball, held March 5, 6, 7 at the Sheraton in Myrtle Beach, South Carolina. This weekend of fun included volleyball, an awards dinner, and dance.

Gamma Psi Georgia

The Brothers of Gamma Psi have kept busy during our fall and winter quarters. We kicked off fall quarter with a rafting trip down the Ocoee River. The trip was a great time for some of the Brothers to get out and take advantage of the ending summer weather. Also fall quarter we held our first country/western themed party. The Kappa Psi "Barn Bash" was held in a Little Sister's barn with a country D.J. The party went well and we're really looking forward to doing it again

in the future. Toward the end of the quarter we were very excited to be able to work with Mothers Against Drunk Driving (MADD) in promoting safety awareness during the holiday season. Our project involved handing out ribbons, pamphlets, pins, etc. as well as talking to others about the responsibility and need for not drinking and driving.

We got back into the "swing of things" after our much needed Christmas break with our annual ski trip to Beach Mountain, North Carolina. We had a great time together and also got to know some of our newer students at school. Also during winter quarter the Brothers are looking forward to starting rush. We've planned many activities including a toga party to help us get to know some prospective rushees as well as let them get to know a little about Kappa Psi. Another event planned is a Bowl-a-thon. This service project is a fun and successful project in which

the Brothers bowl to raise money to be donated to a local Atlanta charity.

PROVINCE V

Each year the province convention allows each Brother to strengthen and make new friendships. As you're sitting back at home at your respective universities, I challenge you to ponder whether you did a good job or not. It's simple to hang out with your friends you traveled with. Meet new Brothers at every opportunity you can. Conventions offer you the seldom found chance to indulge in fraternalism. Make it a good one. I trust you all enjoyed yourselves. Unfortunately, the convention specifics can't be addressed until the next issue.

I had a tremendous time serving you as Province Historian. Please don't be afraid to contact me anytime.

Beta Eta's newest Brothers.

Beta Eta West Virginia

The Beta Eta Chapter is proud to welcome to our ranks our most recent pledge class. We initiated 15 new Brothers to Kappa Psi this year, bringing our numbers up to 30 active members. New Brothers are: **Joey Anderson, Rick Canby, Jill Cunningham, Tom Faulstick, Erin Foster, Julie Kesner, Lorrie Koontz, Eric Lambert, Carrie Lynch, Ron Pelligrino, Jeff Rohal, Andrew Smith, George Sokos, Adam Whitescarver, and Mark Zopp.** It seems the word is getting out about how exciting Kappa Psi is!

Beta Eta Chapter is also extremely excited to be hosting the Province II Assembly for spring of 1993. We hope to give our guest Brothers from Beta Kappa, Beta Omega, Delta Epsilon, and Eta a taste of wild, wonderful West Virginia. On the agenda is a welcome party, a tour of WVU's own Personal Rapid Transit System (PRT) highlighting the entire campus and School of Pharmacy, and a night on the town. We are expecting an enthusiastic turnout.

Gamma Omega Arkansas

The spring rush period is making for a fun-filled beginning to the spring semester. Our Pledge Trainer **Matt Duncan** was very successful in organizing the spaghetti supper, scavenger hunt and other pledge activities. We the Brothers at Gamma Omega are very proud of the enthusiasm and character of this pledge class and also for all the hard work which Matt has done. During the spring semester the pledges are busy with the tasks of brotherhood. The pledges will have a trash pick-up day in which they will clean up our adopted highway. They will conduct 20 inter-

views requiring them to ask several questions, allowing them to get to know the Kappa Psi Brothers. They were also given "pledge paddles" and were required to get 25 signatures of Kappa Psi members and also 5 Kappa Psi faculty signatures. This allows the pledges not only to get to know Kappa Psi members from the student body but also their faculty and future professors which are Kappa Psi. Pledging is a time in our lives which remains very close to our hearts. We the members at Gamma Omega, believe this pledge class exemplifies the unity and pride which is synonymous with Kappa Psi. We had a very profitable fund raiser this year, selling the top 200 drug cards and are also in the planning stages for our annual Kappa Psi spring formal, which this year will be held on a riverboat. The members of Gamma Omega would also like to give special thanks to two individuals: (1) **Dr. Michael Monaghan**—Grand Council Deputy (2) **Richard Ward**—Regent.

—J. Kelvin Rissinger

Beta Xi North Carolina

When we return from Spring Break we will begin planning for our largest party of the year—The Tunnel Party. Each year alumni and brothers from nearby chapters attend The Tunnel Party and we hope to see many of you there. This is our thirteenth year of hosting the party, and we hope that this will be the best one yet.

Recently, we started a new committee at Beta Xi. The Rotation Committee keeps in constant contact with our Brothers on rotation and informs them of important events. So far it has worked very well, and we suggest that each chapter try something similar. We have also started some fine individuals down the wonderful road of pledging.

—John T. Mims

Beta Sigma North Dakota State University

Beta Sigma began the new year and semester by electing new officers:

Regent **Chris Johnson**
Vice Regent **Michael Contos**
Secretary **Shawn Holm**
Treasurer **David Crolius**
Membership Chairman **Pete Boldingh**
Social Chairman **Mike Highman**
House Manager **Troy Collins**

They will have a unique term in Beta Sigma history because we have never had Brothers in office while there wasn't a mortgage present. Therefore, there are already plans under way for scholarships and house improvements. Our deepest thanks go out to all of our alumni that were involved in the great effort to pay off the mortgage.

Beta Sigma was also honored to receive the "Wise Old Owl" trophy this past January. This is the award given to the top Greek organization on campus with the highest GPA.

Dancing and fun was had by all at our Winter Formal recently held at the Townhouse Motor Inn in downtown Fargo. At the dance, everyone was required to do the "Hokey Pokey" and the "Monster Mash" and even some slam dancing was seen.

We would also like to congratulate our newest Brothers: **Cory Christiansen, Brent Koziel, Tony Godfrey, Mike Lawrence, and Todd Weinmann.**

—Shawn Holm
—David Crolius

Beta Chi Drake

The 1993 year has been busy for us here at Beta Chi. There was fifteen new Brothers who went active, they are: **Dionette Bunker, Bob Bobber, Jennifer Cook, Heather Schachtlie, Carole Sass, Jennifer Nelson,**

Beta Xi Brothers and the '92' pledge project.

Kelly Garton, Pattie Rouman, Brian Palmer, Sunshine Sommers, Anna Haffner, Shanna Lawyer, Elaine Herrin, and Lori Seitzinger. The new actives have brought a fresh perspective and new ideas.

Last semester the new officers for 1993 were elected and are as follows:

Regent **Robert Hodson**
 Vice-Regent **Annette Siwiec**
 Secretary **Jennifer Kathman**
 Treasurer **Kelley Hefflin**
 Pledge Trainer **Jeff Coleman**
 Pledge Trainer **Brant Markl**
 Sergeant-at-Arms **Shamir Patel**
 Chaplain **Ajay Jadeja**
 Historian **Lorrie Daugherty**

We have been busy this semester with several activities. National Condom Week was observed by distributing condoms and AIDS information at a booth at our student center. Students were welcomed back to school with the opening of the new Pharmacy and Science building which was finished during semester break. Pharmacy Day was February 24.

—Lorrie Daugherty

Gamma Xi South Carolina

Christmas vacation provided a well deserved break for everyone here at Gamma Xi. With the spring semester in full swing now, the Brothers are busy with a wide variety of events and activities. As usual, our Back to School Party brought everyone together again and started the ball rolling for another semester.

The Brothers and the Little Sisters worked together and organized a Spaghetti Dinner at the Kappa Psi house during the last week in January. Good food and good times were shared by everyone. The traditional Superbowl Party went very well. It provided an enjoyable social outlet from the daily grind of pharmacy school. During the first week of February, the Brothers joined the Little Sisters once again to pay a special Valentine's Day visit to the patients of the Richland County Memorial Children's Hospital. Later during the month, four of the Brothers: **David Hasley, Sammy Sadik, Jay Fisher, and Daniel Shuler** traveled to Raleigh, North Carolina to represent Gamma Xi at our Province convention. As the warm weather of spring began to roll in, we hosted a golf tournament at one of the outstanding courses here, in Columbia. The tournament was open to any pharmacist in the area who wanted to participate. Everyone enjoyed the friendly competition and prizes were awarded to the winning teams. Kappa Psi was also very proud to play a major role in the showcasing of the School of Pharmacy that took place at the University of South Carolina. We

are continuing with our service to the community by volunteering our time to help the needy at the Columbia Free Med Clinic.

Gamma Zeta Sanford

Gamma Zeta Chapter would like to congratulate the newly elected officers of the 1992–1993 year. They are:

Regent **Carl P. Lewis**
 Vice Regent **Kim Heagy**
 Corresponding Secretary **Pamela Garrigus**
 Recording Secretary **Kelly Johnson**
 Treasurer **Sherry Bryant**
 Chaplain **Shelby Quinn**
 Sergeant-at-Arms **Blake Gowan**
 Social Chair **Karla Davis**
Mindy Simpson
 Pledge Trainers **Lana Carden**
Kim Smith
Julie Cook
 Historian **David Farmer**

The Gamma Zeta Chapter has been very busy the past few months. The Brothers of the chapter have been involved in a fund raiser to raise money for Christmas gifts for underprivileged children in nearby Arab Alabama. The money allowed the Arab Methodist Church to buy gifts and toys for some 53 underprivileged children who would have otherwise not had anything for Christmas.

The graduating Brothers of Samford School of Pharmacy were honored by the underclassmen with a Christmas Party at our final meeting before Christmas break. The meeting included a slide show of years gone by and a surprise visit from Santa Claus. The graduating Brothers each received a gift and a Christmas card signed by all of the underclassmen. The newly elected officers helped get everyone in the Christmas spirit by doing their rendition of the "12 Days of Christmas."

The spring semester has started out very well for the Gamma Zeta chapter. Our faculty advisor, Dr. T. Sam Roe, was honored by the students and faculty of the university. Dr. Roe

Gamma Zeta Regent Carl Lewis, Dr. T. Sam Rowe, GCD and Treasurer Sherry Bryant

received the George Macom Memorial Outstanding Teacher award. The teacher is selected by a vote among the Deans of all departments here at Samford. Congratulations Dr. Roe! The Brothers of the Gamma Zeta chapter are proud of you and we are glad that you are our faculty advisor.

Gamma Zeta's first spring function was a bowling party. It was great fun for all who attended. Gamma Zeta Chapter is planning a formal for May 1.

Dr. J. Richard Grunder Retiring from Oklahoma after 26 Years

After more than 26 years with the OU College of Pharmacy, **Dr. J. Richard Grunder**, Gamma Delta, is retiring. Although his retirement will be a real loss to the College, the faculty, staff, and students all wish him well.

A pharmacy graduate of Ohio Northern, Dr. Grunder earned his Ph.D. from Purdue before entering a postdoctoral fellowship at Ohio State. During the fellowship, he decided to be a teacher. As Dr. Grunder laughingly recalled, "I realized I wasn't going to be a researcher."

He then accepted a teaching position at Medical College of Virginia, where he taught general chemistry and biochemistry. In September of 1966, he joined the faculty at the OU College of Pharmacy as an Assistant Professor of Medicinal Chemistry.

In the last quarter century, Dr. Grunder has had a wide array of experiences and assignments. A chemistry teacher at heart, he professes that "teaching medicinal chemistry is the best part. Working with the students is a lot of fun." Besides "med chem," however, his students remember him for the host of other courses he taught over the years.

Gamma Delta Ohio Northern

Winter quarter was a very busy one for us here at Gamma Delta. First, we would like to announce that we initiated five new members and one faculty member. The new Brothers are: **Dr. Ira B. Goldberg, Joe Bradock, Niemish Desi, Jeff Duncan, Paul Oldham, and Jeff Post.** These fine young men look forward to becoming involved in the chapter.

Also during winter quarter, we held our annual 1/2 Way Party, which was a huge success and our annual Winter Formal where we announced our new sweetheart, Miss Jennifer LeFrancis.

Spring quarter marks the beginning of baseball season and a road trip to see the Cleveland Indians on opening day. In addition, all the Brothers who attended the Province V Convention had a great time.

—Cameron Van Dyke

Gamma Gamma Texas

We celebrated our annual Casino Night in November and were pleased with the turnout. The Brothers also participated in a Halloween carnival at the Travis State School for the Mentally Ill and plan further community projects with them in the future. Our brotherhood was strengthened with nine new inductees from the fall semester pledge class and elections were held to begin the spring semester. The officers are:

Regent **Grant Skrepnek**
Vice-Regent **Diederik Fikkert**
Treasurer **Robert B. Martinez**
Secretary **Jon Kwiatkowski**

The Gamma Gamma Chapter is also going with further transition through the departure

of our Grand Council Deputy, **Dr. Kenneth Kirk**, this past fall. Dr. Kirk left for a position of Vice-President of Academic Affairs for the National Association of Chain Drug Stores. We want to express our appreciation for the help and devotion that he has contributed to us and past Brothers over the years. In accordance, we welcome a Gamma Gamma Brother as our new Grand Council Deputy, **Dr. Steve Stanislav.** We look forward to working with Dr. Stanislav in helping our chapter grow.

This spring, the Brothers are sponsoring a Healthfest '93 in February and plan a counseling engagement with the Alzheimer's Society in March. We are also making plans for our annual Spring Formal in April with our sister pharmaceutical fraternity, Kappa Epsilon.

PROVINCE IV

Province IV was another great success. This year's province was hosted by the Brothers of Gamma Phi in Athens, Georgia on January 15th and 16th. Thanks for the attendance from the Brothers of Gamma Sigma, Gamma Zeta, and Delta Gamma. We all benefited from your contributions. Also, thanks are extended to the Grand Council members present, **John Grossomanides, Paul Hiller, Johnny Porter, and Brian Furbush.** Also, special thanks to Province IV Supervisor and MASK editor for being in attendance. Palmieri has made a big difference in our Province over the past two years. Thanks for all of the hard work! Because of the great turn-out, Province IV was truly a unique experience.

The weekend kicked off with the Brothers

arriving in Athens and being welcomed by the Brothers of Gamma Phi at the Holiday Inn. Later that same evening, Athens' well known band, The Simpletons, played at the Kappa Psi house. This was a great time for the Brothers to get to know each other and party together. When the Simpleton's left to go play at Lowery's, a downtown club, the Kappa Psi Brothers followed and literally danced the night away.

Saturday morning turnout for the day's activities was tremendous. Breakfast was held and then the meetings began. During the course of the day, Province IV Officers were elected and include: Satrap-**John Vandervoort** (Gamma Sigma), Vice Satrap-**Tim Eley** (Gamma Phi), Secretary/Treasurer-**Rob Young** (Gamma Sigma), Historian-**Eric Macomson** (Gamma Phi), Chaplain-**Tiffany Foster** (Delta Gamma), and Parliamentarian-**Ginger Robinson** (Delta Gamma). Congratulations to those outstanding Brothers and good luck over the following year!

The weekend came to a close at the evening dinner at Charlie Williams. Brothers feasted over all-you-can eat barbecue, chicken, fish, catfish, shrimp, steak and other delicacies just to name a few. The Province Attendance Award and Chapter of the Year Award were presented at the dinner. Both were awarded to the Brothers of Delta Gamma. Congratulations on a fine job!

I am looking forward to receiving letters and pictures of the various events going on throughout the Province. Please submit your articles to: Eric Macomson, 1880 S. Lumpkin Street, Athens, GA 30605.

Delta Zeta Iowa

The start of the spring semester has proven to be another busy one for the Delta Zeta Chapter. Besides planning for our normal spring activities, we are putting the final touches on the plans for the Province VIII Conclave. As this year marks our Silver Anniversary as a chapter, we will be proud to have two of our own Delta Zeta alumni as speakers at our Conclave—**Al Shepley**, a charter member, and **Carl Charlstrom.**

Plans are underway for many other activities. The JDF Walk-a-thon is scheduled for March 6. We expect to have a great turn out again this year, thanks in part to our 21 hard-working pledges. We are also planning the annual College of Pharmacy Softball Tournament. It promises to be a great time for the whole college—students and faculty alike. We are also hoping to be able to take a trip on either the President or the Rock Island Casino River Boat on the Mississippi River.

Mu Massachusetts

As the winter quarter at MCP closes, the Brothers at Mu chapter are looking forward to the spring and a new pledge class. The Province I Convention was held at the University of Rhode Island by the Brothers of Beta Epsilon.

The spring quarter at Mu is the start of our pledge period. During the winter, the Brothers held many events to inform those who were interested in Kappa Psi of what it means to be a Brother. This year's rush events which included: A Hojo's party, Track night, and the traditional spaghetti dinner, have been very successful.

St. Patrick's Day in Boston is no small event. The Brothers are selling shamrocks for the Muscular Dystrophy Foundation as well as holding another blood drive. Of course we will also be taking part in some of the more fun events held in the city. Other upcoming events for Mu chapter include our Smoker, the Gong show, and the "All College Outing."

Nu Connecticut

Greetings from the Brothers of Nu Chapter. The fall pledging period was fun-filled, spirited, as well as educational, successfully giving rise to six new Brothers: **Dan Aja, Mark Cox, Todd DeGroff, Allan Oliva, Mike**

Rasinski, and Jason Wesinger.

At the recent Province I Convention hosted by Beta Epsilon, Nu Chapter was voted "Chapter of the Year." AND if that wasn't enough drove home only after installing **Emmett Sullivan** (Satrap) and **Jim Czarzasty** (Chaplain) as Province I officers.

On the homefront Brothers **Rick Kerr** and **J. C. Tieman** have helped keep Kappa Psi a common name in pharmacy by both placing as top ten finalists in the recently held Patient Counseling Competition. Brother Kerr is going on to represent us nationally at the finals in Dallas Texas in March.

Upcoming Kappa Psi events and fund raisers in addition to the on going pledging process are: UCONN Pharmacy T-shirts, Drug Fair, and Eli Lilly Trip to Indiana in June, and of course Nu Chapter will be well represented at the national convention at Marco Island, Florida.

Before closing I'd like to mention the success of our officer installations dinner. Success due in part not only by the attendance of all Brothers but that by graduates as well as many faculty Brothers including Dean of Pharmacy Carl Nielforth who will be retiring after completion of this year. We at Kappa Psi would like to close by congratulating Dean Nielforth for his accomplishments here at UCONN and wish him the best of luck in the years to come.

—Dan Aja

Pi Purdue

Our pledge program kind of hit a snag this semester, but we are eager for next semester and are sure to initiate some great Brothers. Although we currently have no student pledges, we do have four faculty pledges, Mr. Bennett, Dr. Park, Dr. Wolfgang, and the President of Purdue University, Dr. Steven Beering. Dr. Beering's initiation will be held March 24th and it will be followed by a small reception. Brother **Dan Hastings** ran a very exciting rush program and we would like to thank him for all his work and time.

Road trips, an integral part of college life. Brothers this semester have already visited Beta Psi and attended Gamma Pi's High Ideals Night. Believe me, all we need is an invitation and there are always Brothers ready to take on the road.

The Brothers of Pi have planned many professional projects this semester. Thanks to Brother **Jarrod Nestleroad**, we ran a successful euchre tournament which all proceeds went to the Cancer Society. We also ran a booth at Purdue's Health Awareness Fair. There we informed students and faculty about the dangers of drug abuse.

The new Pi Chapter officers are as follows:

PROVINCE II

We have just returned from wild-n-wonderful West Virginia where our Spring Assembly was held Feb. 26–28. Many people were there to share in the weekend activities that Beta Eta planned for us. Two of our Grand Officers were in attendance, Grand

Dean Early Elected New Vice President of NPhA

Tallahassee, FL February 9, 1993—
Johnnie L. Early II, (Delta Iota Chapter) dean and professor in the FAMU College of Pharmacy and Pharmaceutical Sciences, has been elected Vice President of the National Pharmaceutical Association.

The NPhA, which represents the nation's five thousand African American pharmacists, was established in 1947 at the Howard University College of Pharmacy in Washington, D.C. The association's object is to promote the science and art of pharmacy.

Dean Early says his two year commission's primary responsibilities are to serve in absence of the President, but says he will also play an active role in recruiting new members to the NPhA.

In 1972, Dean Early was one of the delegates representing Mercer University at the organizational meeting of the Student National Pharmaceutical Association (SNPhA), which was convened at FAMU.

Vice-Regent **Paul Hiller** and Graduate Member-at-Large And Province II Supervisor **Brian Furbush**. The festivities kicked off Friday night with a welcome to West Virginia party. Bright-eyed and ready for an event-filled day, we all attended the Business Meeting which was held at the West Virginia Union, the Mountainlair. At this meeting, we went over various business issues and saw slide show presentations from Delta Epsilon, Beta Kappa, Eta and Beta Eta. Two workshops were presented. The first one was the Ritual Video and the second workshop was a session on Pledging and Hazing led by **Brian Furbush**. We continued the meeting with the election of the G.C.C. Delegate and Alternate Delegate. Congratulations goes out to

Brothers **Dewey Blair** (Beta Eta) and **Kristine Santus** (Delta Epsilon). Dewey will be representing Province II as our delegate and Kris as the alternate delegate. After the meeting concluded, the Beta Eta Brothers took all of us on the PRT shuttles and showed us the W.V.U. campus. At the banquet the GCC Delegate and Alternate Delegate were inducted into their respective positions and also the Slide Show Award Presentation took place. Congratulations to Beta Eta and Beta Kappa who tied for first place honors for Best Slide Show. Sunday morning we all went our separate ways starting the journey back to our respective schools. We left this Assembly with many fond memories and new friendships which will last for quite some time. Since this Assembly was so successful I hope to see everyone this Fall in Pittsburgh where Beta Kappa will be hosting the next Assembly. Before I close, I would like to thank everyone that attended the Assembly for coming. This showed that our chapters are going strong and that we all want to be involved in Kappa Psi. A special thank you goes out to the Brothers of Beta Eta for all their hospitality and for showing us a fantastic weekend. Also Brothers **Shane Backus** and **Rick Leatherman** deserve a tremendous amount of thanks because they were the two key people in planning this Assembly.

Gamma Nu Pacific

The mounting tension broke the silence in the smoke-filled room at the corner of the KΨ house. As the swinging light bulb cast shadows on the faces of five strangers huddled in a tight circle around a small table, a single drop of sweat glistened on Michael Drain's cheek as he dealt the last round of cards. Indeed, the stakes were high. As the seventh card was uncovered a sinister grin slowly emerged beneath the green visor of the dealer. A Royal Flush had cut through the silence. Meanwhile, in the kitchen, the sisters and a few brave Brothers were busy serving buffalo wings, sweet and sour meatballs and other delicious appetizers. Much needed praise goes to **Howard Saneto**, the bartender, during *Casino Night*. KΨ gamblers were able to "pay their dues" on Roulette, craps, poker and blackjack throughout the night. The Brothers did a marvelous job in making the KΨ house truly look and feel like a casino. Special thanks to **Jeff Strickland** who organized the whole event.

The professional image of Gamma Nu culminated during Rush Dinner at the Golden Acorn Country Club with over a hundred guests attending. After a delicious dinner, master of ceremony, **Rob Swart** introduced

Kappa Psi speakers: **Dr. Peter Koo**, **Dr. Ron DeBellis** and Gamma Nu advisor Dr. Donald Floriddia. Each speaker brought insight and perspective from their experiences at the Gamma Nu chapter, especially Dr. Floriddia, for promoting KΨ. The night ended with a magical performance and a captivating slide show. Our efforts resulted in seventeen new pledges. The Brothers would like to thank **Doug Niederrieter** for a job well done. What, the paddle is done?

Beta Omega Temple

The scarlet and gray of Temple University had little trouble keeping warm this winter, turning up the heat with some great parties. "Creative Mug Night" was especially a hit, and our buddies from Eta Chapter stopped by several times to join the festivities. The goings-on provided an opportunity for Beta Omega's new Brothers to meet their counterparts from across town. Beta Omega pledged and inducted twelve highly motivated young men last fall. Congratulations to **Andy Balberchak**, **Chris Byerly**, **Jim Cirillo**, **Mike Hagan**, **Rich Jackson**, **Scott Kelly**, **Jerry Kester**, **Brad Ocker**, **Brian Quinn**, **Dave Watkins**, **Shane Wenner**, and **Don Wozinski**.

As part of Kappa Psi's commitment to community service, the new Brothers tackled the challenge of raising money for the adolescent patient unit at nearby St. Christopher's Hospital for Children. A total of \$500 was collected during the campaign, which was then used to buy gifts for the teens. In a letter of thanks to the fraternity, Lois Wexler, Director of the hospital's Child Life Center, noted that "teens are often overlooked" by charitable organizations during the holidays. The presents were "right on the mark" and greatly uplifted spirits.

We elected new officers following the induction of the pledges. Our leaders for '93 are:

Regent **Tom Schenk**
Vice Regent **Jerry Kester**
Secretary **Brad Ocker**
Treasurer **Dave Yeomans**
House Master **Mitch Mullen**
Social Chairman **Tim Zuch**
Athletic Director **Mike O'Hara**
Chaplain **Chris Grady**
Historian **Brian Quinn**

Our officers have worked hard planning events for the semester. Their efforts paid off the evening of March 19 in the success of the Dinner, an annual gathering of fathers, faculty, and fraternity Brothers. Right now we're anxiously awaiting the next big night out, the

Kappa Psi-Lambda Kappa Sigma Formal, scheduled for April 16.

—Brian Quinn

Gamma Rho

New Mexico

The spring semester for Gamma Rho is always full of exciting events. The biggest one is our Annual Kappa Psi Drug Fair which is held in April. We invite a variety of people such as drug companies, organizations from the pharmacy school and a number of medically related groups to set up tables to represent their respective company or organization. Some of the money we raise from the fair is donated to local charities.

Yet another rewarding project we are working on is volunteering at The Healthcare for the Homeless. This has been a great experience for everyone involved.

Gamma Rho also has the pleasure of hosting the Province IX meeting this year in Albuquerque which should be a lot of FUN!

Sigma

Maryland

The Sigma Chapter had a very active fall semester! We traveled to Deep Creek Lake in western Maryland for our Pledge Retreat and later initiated 14 new members into Kappa Psi. I would like to congratulate our new members: **Dawn Becker, Debbie Blamble, Beatriz N. Caceres, Patti Carta, Pattie Friggillana, Mae Giang, Rob Kang, Sunil Majethia, Vandna Nayyar, Heather Owens, Elizabeth Smith, Diana Whitacre, Janice Wong, and Letitia J. Wright.** A special thanks to Brother **Toth** for his contributions as Pledgemaster. In addition to pledging activities, approximately twenty brothers participated in the collecting of over twenty bags of trash from our Adopt-a-highway program! Also, many Brothers donated some of their own study time to tutor students at a local

middle school on a weekly basis. Brothers **Campbell** and **Chang** spent many afternoons performing blood pressure screenings at a local pharmacy. Finally, we decided to reward ourselves with a semi-formal at the La Fontaine Bleu.

Congratulations to our newly elected officers for 1993:

Regent **Chris Denton**
 Vice Regent **Heather Owens**
 Treasurer **Thom Snider**
 National Secretary **Kim Kochevar**
 Local Secretary **Letitia Wright**
 Chaplain **Elizabeth Smith**
 Historian **Patti Carta**
 Sergeant-at-Arms **Mae Giang**
 Pledgemaster **Brian Toth**

Our new officers have already planned a

full schedule of events for the spring semester! We intend to have a bowlathon and the proceeds will go to our philanthropy, the American Diabetes Association. Other events include a toga party, wine hunt and a white water rafting trip.

A final note about the recent Province III meeting held in North Carolina—three delegates attended and Brothers **Esser** and **Cox** presided over as Satrap and Vice Satrap and reported the meeting was a great success.

Gamma Kappa

South Dakota State

Kappa Psi at Gamma Kappa has been really busy lately. To start off the semester, our new officers were busy slipping into their

new positions. They are as follows:

Regent **Sean Higgins**
 Vice Regent **Alan Reither**
 Treasurer **Brad Tople**
 Secretary **Jason Otta**
 Prof. Meetings Chair. **Mike Wold**
 Chaplain **Rob Quenzer**
 Historian **Scott Deckert**
 Pledgemaster **Chris Esser**
 Social Chairman **Brian Lounsbury**
 Corresponding Secretary **Kris Vogel**
 Sergeant-at-Arms **Chad Sherard**

Pledging also started up again this semester with five new pledge Brothers. They are **Terry Adam, Paul Bullerman, Mike Jockheck, Jeff Lembke, and Troy Schneider**. Look forward to meeting them at conclave.

On January 23, some of the Kappa Psi crew road tripped to Mankato, MN. We tried our luck skiing and snow boarding Mt. Kato. I think everyone would agree that it was a fun time for all involved!

The last week of January consisted of the annual SDSU College of Pharmacy

phonathon project. We netted in some big bucks for the school and had a great time doing it. Thanks to all of those Brothers out there who contributed.

February started out with a Valentine's Day party in honor of those pledging Kappa Psi and the little sister program. We elected twelve new little sisters and wish them the best for the next year.

Kappa Psi Brothers also got to show off their unique bowling capabilities as they competed with Kappa Epsilon of SDSU.

Beta Rho Mississippi

Dear Kappa Psi Brothers,

Shortly after the semester began we initiated twelve new Brothers into our chapter. There were over thirty Brothers in attendance to welcome the new Brothers into our great fraternity. This extends our membership to 65.

Beta Rho participated in the pharmacy school's annual phone-a-thon. The Brothers

competed against two other fraternities and raised almost \$2000.00 for the school of pharmacy. This money will go to benefit all of the students enrolled in the professional program.

Our Adopt-A-Highway program is still going strong. The Brothers got together in February to help clean up our community. The clean up came conveniently after the new Brothers were initiated and gave the new members a chance to show what they were made of. Another project that Beta Rho has each Fall is raking leaves for Mrs. Dodge, a widow of our past Dean.

This semester Beta Rho started a new practice that was aimed at making the chapter more organized and efficient. Beta Rho meets twice a month on Wednesday nights. The officers have been meeting the other two Wednesday nights of the month to organize events for our chapter. That has proven effective in planning events that are placed between other school functions. Also it has improved communication between the officers.

On Saturday, February 20 there was an organizational meeting of the Mississippi graduate chapter of Kappa Psi. This event was held during the Pharmacy Alumni Weekend. The collegiate chapter had representatives present and displayed the chapter support in their efforts to start a graduate chapter. Not only will the graduate chapter be beneficial to the collegiate chapter but it will increase our voice at the grand council.

As always Beta Rho is active in intramural sports. We had two intramural flag football

teams that both made it into the AA finals. One team made it to the semi-finals. The basketball team is undefeated and is beginning playoffs this week. Last year our team finished in 2nd place in AA basketball and looks forward to winning it this year. Beta Rho is also looking forward to Softball season.

PROVINCE VII

By the time you read this article, we will have returned from our Annual Assembly in Memphis, Tennessee. The next issue will contain the scoop on the event. However, I do want to extend a big *Thank You* to the Psi chapter for hosting the convention!

Earlier this semester, letters were sent to each chapter in Province VII, urging them to participate in an inter-chapter correspondence program. Members who are interested in writing to a Brother from another chapter, informing them on chapter news, party dates, social/professional/fund-raising ideas, please send your name and address to: Tommy Smith, c/o St. Louis College of Pharmacy, St. Louis, MO 63110.

An invitation to participate in the KΨ "Pen- Pal" program is extended to Brothers

Pharmacy and the Physical Therapy Program. Because Physical Therapy has a smaller enrollment than the School of Pharmacy, the results will be calculated based on the percentages of blood donors from each school. Gamma Eta hopes this will become an annual event with the winner possessing a rotating trophy. Also, this spring we are adopting a section of highway in Missoula. Before spring semester comes to a close, we will host our annual Big Thaw party for the School of Pharmacy. Gamma Eta will sponsor a dinner, dancing and a variety of prizes will be given away in a "Luau" atmosphere. In the past it has promised to be an excellent finale to the school year.

We hope to see you all at the upcoming G.C.C. in Marco Island, Florida. Gamma Eta will be sending seven Brothers.

Beta Gamma has reported that they have initiated 32 new Brothers into the Agora and are running a very strong chapter. Still to be done is the activation of their graduate chapter from the dusts of dormancy. Socially they have a luau scheduled for the spring which is always successful. Professionally they are motivating all Brothers to strive in their community by sponsoring a Lung Cancer Project which informs elementary and junior high students on the effects of smoking and the subsequent events of lung cancer by presenting a slide show for the siblings. Also, another project undertaken by Beta Gamma is the Geriatric Awareness Program. This is similar to the Brown Bag Program in which Kappa Psi Brothers are providing consultations and evaluating the drug regimens of geriatric patients. Gamma NU has reported a successful rush dinner with many prospective Brothers in attendance. They were informed of the traditions and professional enrichments that can only be pursued by being only a Kappa Psi. Speeches were given by Brothers Peter Koo, Ron Debellis, Don Floriddia, and Grand Ritualist Chris Woo. With 20 pledges inspired by words of wisdom, they took the first step towards acceptance into the Agora. Gamma Nu has a Lake Tahoe Ski trip scheduled in the spring sometime. Pacific Graduate will be hosting their Annual Napa Valley Wine Tour during the first weekend of April. It promises to be a day of relaxation and good spirits. Gamma Upsilon reports that they have initiated 26 new Brothers into the Agora. Gamma Rho has also initiated approx. 20+ Brothers and have been conducting successful projects. Our next Annual Province meeting is to be scheduled for April 16th thru 18th in Albuquerque, New Mexico, where Gamma Rho have been hard working in organizing the event.

Delta Gamma Auburn

This year has been a very busy one for us here at Auburn. Last September, a group of Brothers took a trip to Gatlinburg, TN, and went whitewater rafting. It was a lot of fun, even though the water was only 50 degrees!

We held a "Brotherhood banquet" the Saturday of the trip to plan for our upcoming rush.

Rush was a tremendous success! We pledged sixty-three new Brothers this year who are very active in the Fraternity. They participated in the Adopt-a-Mile program, visited the local nursing home, and collected aluminum cans for kidney dialysis patients (an ongoing project for Delta Gamma). The entire chapter also sponsors a blood drive at least twice a year, held in the pharmacy building.

In January, we ventured to Athens, GA, for the Province IV Annual Meeting. We were happy to receive the Chapter Attendance Award and The Province IV Chapter of the Year. We would like to congratulate **Tiffany Foster** for being elected Province Chaplain, and **Ginger Robinson** for being elected Province Parliamentarian.

On January 27, we celebrated Founder's Day and thirty years on the Auburn University campus. At our banquet, we also installed the Auburn Graduate Chapter, the first graduate chapter in Province IV. We would like to thank Grand Regent **Johnny W. Porter** for speaking at the banquet.

We have many things planned for the upcoming spring. We will be electing new officers very soon, and we are anxiously awaiting Spring Formal, which will be held in April at the Sandestin Resort in Sandestin, FL.

Beta Kappa Pittsburgh

Beta Kappa welcomed the New Year and the new term back with our first annual weekend ski trip to Hidden Valley Resort located about one hour outside of Pittsburgh. It was a great way to get away from the pressures of the city before classes started again. Thanks again goes out to Brother Melissa Piposar for the use of her cabin, which made the successful weekend possible.

Beta Kappa has elected another fine set of officers with high ideals. Leading us through 1993 will be:

Next, an Indoor Carnival and finally a Spaghetti dinner where many of the faculty were invited. Thanks also goes out to Immediate Past Regent **Rob Farrell** for his job well done as Rush Committee Chairman.

The week of January 18–23 was PHARMACY WEEK at the University of Pittsburgh. Kappa Psi participated by handing out information on Epilepsy received through the efforts of **Jen Schiffbauer**. Our Valentines weekend party was a Valentines Toga with the Brothers of Beta Omega. This weekend gave the Brothers of Beta Kappa an opportunity to show our Temple Brothers the attractions of Pittsburgh.

Since this is Beta Kappa's 80th anniversary year, founded March 26, 1913, we are planning a combined Formal and Founder's Day Weekend April 2-4. This will give the graduate Brothers an opportunity to come back and relive some of those college year memories.

Many other events are planned throughout the term such as "out to dinner nights," and "fix up the house projects" along with our normal volunteer responsibilities at a local Family House where families of transplant patients can stay at a minimum cost.

Gamma Omicron Oklahoma

1993 marks the **70th** anniversary of **Gamma Omicron chapter** at the University of Oklahoma, and this year began with the election of new officers. The offices were filled by the following people:

- Regent **Kelly Hall**
- Regent-Elect **Wayne Hamm**
- Vice-Regent **Karen Kinney**
- Corresponding Secretary **Becca Kling**
- Recording Secretary **Jason Peterson**
- Treasurer **Robie Harrington**
- Chaplain **Shannon Smith**
- Historian **Denzil Carney**
- Sergeants-at-Arms **Kip Doss** and **Mike Barber**

After the elections the officers took some time basking in the glow of their new-found power. These officers are leading the Gamma Omicron Chapter of **101 members** to even greater heights with new projects and activities!

Some of the projects include our traditional golf tournament which is currently in the planning phase and will be held on **August 28** at **Conrad Park** in Oklahoma City. This tournament will not only be a fun event, but will also provide proceeds to benefit the Muscular Dystrophy Association. Last year, almost three thousand dollars was raised by Gamma Omicron for this cause. So break out those clubs and come play golf with Gamma Omicron this spring! One of the new projects that we have started this year is called "Elder Care." In accordance with this project, each participating member of Kappa Psi spends time every week with an elderly person of the community. During this time the members do odd jobs such as lawn care and some light housekeeping.

Each year at the Oklahoma University College of Pharmacy, two students from the first year pharmacy class receive a prestigious honor which is called the Mosier Scholarship.

Gamma Omicron Members.

This award is based on leadership abilities and academics. This year the two people who earned the Mosier Scholarship were **Kappa Psi members Becca Kling and Davida (pronounced "DUH VEE DUH") Elliott**. Other members of Kappa Psi were also awarded scholarships. **Corey Craig** earned a Syncor Nuclear Scholarship. **Jason Peterson** and **Neil Holder** both received Army ROTC Scholarships. Way to go, Gamma Omicron!!!

Well, 1993 has started off and is flying fast and furious through the months. Soon it will be time for us to meet in Florida for the Grand Council Convention. Our members are looking forward to all of the excitement in store for us there.

SEE YOU IN FLORIDA!!!!!!

—*Deuzil Carney*

Beta Phi Cincinnati

This year, there were quite a number of pledges. Activities that attracted the prospective new members included the Back to School party, the welcome back pizza lunch, the wine and cheese party and the spaghetti pledge dinner.

The first activity as a pledge class was to plan and coordinate the annual Halloween party.

The seniors have been looking forward to "no more classes" and the end is in site.

Beta Phi is proud of winning the award of most improved chapter in the Province V Convention. Hopefully, everyone will have a productive winter quarter, and we're looking forward to seeing a lot of you at the Province V Convention 1993.

—*Mike Hanichen*

Pittsburgh Graduate

The chapter has had an active winter and is looking ahead to the spring and summer, especially to sending a sizeable contingent to the 46th Grand Council Convention at the

Marriott Marco Island Resort and Golf Club in sunny Florida.

The new officers reported in the last issue of *The MASK* were installed January 24 at the home of Brothers **David** and **Cheryl Maszkiewicz**. Following the official ceremony, the chapter reconvened at Houlihan's Restaurant in Monroeville for a regular dinner meeting.

All night bowling has become a significant event among the younger set with programs held in November and February. The more mature Brothers tend to snooze through these tournaments.

Brothers **Frank Furfaro**, **Butch Coffman**, **Dan Wellhausen**, and **Bob Ruhlman** braved the bitter cold of the Northeast to attend the Province I Assembly in Warwick, Rhode Island in early February. Brothers **Furfaro** and **Coffman** have made the circuit of all recent consecutive Province I meetings in Boston, Hartford, Albany and Providence. We salute their outstanding spirit.

A respectable representation also was in attendance at the February Province II Assembly in Morgantown, West Virginia.

This was hosted by Beta Eta chapter at West Virginia University. This was their first Province II Assembly and we congratulate the chapter for their hospitality.

A special note is made that for the first time both local collegiate chapters, Beta Kappa and Delta Epsilon are being led by women Regents. At Beta Kappa, **Lisa Hanlon** is providing an outstanding leadership and at Delta Epsilon **Kriss Santis** is heading a large and vibrant chapter. Pittsburgh Graduate congratulates both for being the first.

Future events in which the chapter will be involved besides the GCC, are the Beta Kappa Spring Formal and 80th anniversary celebration, an Atlantic City weekend trip and a potential Las Vegas trip. Anyone in the Pittsburgh area wanting to join with the Brothers of Pittsburgh Graduate chapter are most cordially invited to contact **Regent Roger L. Wheat, Jr.**, R.D. #1, Box 268A, Kittanning, PA 16201.

Gamma Sigma Florida

This past Fall we initiated 8 new Brothers: **Jim Curran**, **Jim Lewis**, **Matt Lord**, **Russ Patti**, **Greg Trulock**, **Steve Tubbs**, **Mike Williams**, and **Rob Young**. Most of them attended Province. I hope you had a chance to meet them. Our activities since our last issue include a Slave Auction, car washes, and our project with the American Cancer Society. The cancer project is important not only for Kappa Psi but also it educates the community on the importance of protecting the skin from those factors that promote skin cancer. The Brothers of Gamma Sigma are enthusiastic in participating in this activity because it gives us an opportunity to help in our community and give recognition to Kappa Psi.

Gamma Nu Pacific

Many changes have been taking place since the new leadership in the Gamma Nu chapter at the University of the Pacific, School of Pharmacy took over. Through hard work and perseverance, funds were generated for necessary remodeling at the house. New carpeting was laid in, the walls were painted, a wooden entry way was put in, beautiful French doors were installed and after all the sweat and toil, the Brothers can finally succumb to the simple pleasures of relaxing in brand new sofas, while gazing at a roaring fireplace and sipping freshly tapped brew. All these changes did not happen overnight, although rumor has it, Brothers were seen in the middle of the night sanding and staining the wooden floor. In July, the Brothers of Gamma Nu hosted the annual Luau in the Delta. While Stockton remained stagnant under the hazy summer sun, Brothers of Gamma Nu were keeping cool with refreshing daiquiris, Mai Tais and other wild tropical drinks that **Michael Drain**, and his personal associate concocted under the canopy of his makeshift, fully stocked bar. The Luau was a big success generating \$4000 and with everyone having a great time.

This year, the Homecoming banquet was held at the Castaways, a beautiful restaurant on the waterfront. After a "hot" meal, and a "marvelous" slide show, the Brothers danced to the tunes of live music. After which, the celebration migrated onto the wooden decks of Ron Debellis' yacht docked in front of the restaurant. Congratulations went to alumnus: **Jeff Freund**, who received the *Asklepios Key*, **Tino Doan**, who was awarded with the *Grand Regent's Letter of Recognition*, and current Regent **Sam Lum**, recipient of the *Larry Carnegie Award*. In addition, the Brothers would like to thank all the faithful

Alumni for their support and generosity in our efforts in making the Gamma Nu Chapter an organization that we can all be proud of.

Our focus for the next few months have been turned to prerush activities. Thus far, all the events, parties and "Sister" functions have been very successful. "Halloween Night," was a major undertaking. Special thanks should be given to Brothers, Rob Swart and Doug Niederreiter who worked diligently in preparing the elaborately decorated haunted KΨ house for the party. Third year, Randy Lamug, has been a valuable asset by providing state of the art audio equipment and professional DJ-ing skills. Every Brother has contributed some way in making this year's Gamma Nu a strong and powerful organization.

This month will be especially busy for Brothers with the planning and orchestration of exciting pre-rush activities. I sense the anticipation from the Brothers as the Rush Dinner Night approaches. Many surprises are in store for this special night: Prime rib dinners, slide shows, comedians, speeches by faculty and Pharmacists and live music. With only a few pre-rush events left, we are all eager to find out who the new Brothers will be.

Our new officers are:

- Regent **Sam Lum**
- 1st Vice Regent **Mike Drain**
- 2nd Vice Regent **Doug Neiderreiter**
- Treasurer **Jonathan Ngo**
- Corresponding Secretary **Brian Uyesugi**
- Recording Secretary **John Sepulveda**
- Historian **Fred Gregorian**
- Sergeant-at-Arms **Rob Swartz**
- Professional Affairs **Francisco Chong**
- Chaplain **Greg Ono**
- Advisor **Dr. Don Floriddia**

Psi Tennessee

"Hello!" from all of the Brothers of the Psi Chapter at the University of Tennessee. After finishing a busy fall semester, we are ready to go full speed ahead into the spring semester. During the holiday season, the Brothers got into the Christmas spirit by singing Christmas carols at the Oakville nursing home. All of us enjoyed ending the semester with friends at

our Christmas party at Dr. Jim Eoff's home. Here our little Brothers received their Kappa Psi jerseys from their big Brothers. We would like to extend our thanks to Dr. Eoff for having us in his home.

The Psi Chapter welcomed all of the students on campus back to school with our traditional Welcome Back Party with Phi Chi Medical Fraternity. Soon our pledges will take their pledge test and be initiated. We are very excited about inducting our soon to be Brothers! The pledges are also going to host our second annual "Buy a Psi" charity date auction. The money raised will go toward the Ronald McDonald House. The Ronald McDonald House provides a place where the family of those children who are undergoing treatment for an extended amount of time at Le Bonheur Children's Medical Center or St. Jude Children's Research Hospital can stay. The Ronald McDonald House also provides a place that might provide a semblance of home where the children can visit their families when they are not undergoing treatment.

The Psi Brothers are very excited about hosting Province this year. Our committees are working diligently to make this one of the best provinces ever! We are looking forward to meeting all of our Kappa Psi Brothers and are anxiously awaiting to show you the sights of Memphis! We have many fun and exciting events planned, and we hope to see all of you here in Memphis, Tennessee, in April!!

Robin Hawkins

Gamma Chi Ferris State

The Brothers of Gamma Chi all made it back safely from the holidays and are eager to get back into the swing of things. We would like to congratulate our three new members: Brad Ambts, Mike Burkhart, and Dave Kaiser. They are proving to be excellent additions to our chapter.

Our officers for '92-'93 are:

- Regent **Ian Newton**
- Administrative Vice Regent **Janice Jones**
- Executive Vice Regent **Kristine Hubert**
- Recording Secretary **Bridget Ann Salgat**
- Corresponding Secretary **Lisa Wenckowski**
- Treasurer **Susie Yarger**
- Chaplain **Christine West**

Historian **Géza Owen-Fekete**
Sergeant-at-Arms **Dave Andrews**
Pledge Master **Jim Davie**

Ferris is in the progress of converting from the quarter system to semesters for fall of '93. We are very busy preparing ourselves for that transition.

Gamma Upsilon Arizona

Greetings from Gamma Upsilon! We have had a busy semester here in Tucson. In early September, seven Brothers (Lisa Clark, Crane Davis, Eric Edgell, Becky Johnson, Dawn Kilber, Cherie McKay, and Chris Sullivan) were team leaders for the First Annual Breathe Easy Olympics which was sponsored by Partners Health Plan of Arizona. Each team leader was given four or five children between the ages of five and fifteen and was in charge of keeping the scores for their group at different events. At the end of the day, scores were posted for each group and the team with the most points was awarded

Gamma Upsilon's Olympic Team.

first place medals. All participants received certificates of participation. The event was a lot of fun and our chapter plans to participate again next year.

In November, thirteen pledges were initiated and at a pre-exam celebration in December, six more were added for a total of nineteen and a very successful fall rush. Welcome to our proud chapter! We are splitting at the seams with seventy active members.

Tracy Adams

Gamma Pi St. Louis

Gamma Pi just inducted its new officers for 1993 at the December formal meeting/Christmas party. Sincere congratulations to our Brothers:

- Regent **Amy Cook**
- Vice Regent Social **Erik Muser**
- Vice Regent Professional **Lori Banks**
- Vice Regent Fund Raising **Judy Green**

Treasurer **Lynn Potter**
 Recording Secretary **Sandi Kremer**
 Corresponding Secretary **Tiffany Burns**
 Historian **Rich O'Neal**
 Chaplain **Chirag Patel**
 Graduate Liaison **Chris Brown**
 Sergeant-at-Arms **Ed VonBerg**
 Pledgemaster **Anna Hutchison**
 Pledgemaster **Carlos Ramos**

The out-going officers made an easy transition for their replacements by leaving some great thoughts and ideas to be carried out. We are very excited about meeting over break to plan events for the upcoming pledge season. Special thanks to the Pledging Committee for their hard work!

Recently, Brother **Amy Cook**, gave us a thrilling display of the first Gamma Pi video yearbook at our formal dinner for prospective pledges. This video included this year's special activities and demonstrated all the great qualities of being a KΨ Brother. Great directing Amy!

In professional projects, we held our annual KΨ Lotto which turned out to be very successful. Five winners brought home \$50 each. Three of our Brothers won this extravagant prize: **Katy Stamer**, **Steve Branding**, and **Erik Muser**. Part of Gamma Pi's profit will be contributed to the national office.

A long, awaited event for our chapter was the SMOKER for prospective pledges held on January 20th. Brother **Erik Muser** did an excellent job with his committee to make this the best night for prospects. Many thanks to Brother **Tiffany Burns** and graduate Brother **George Magnan** for helping with this difficult task.

We still have plenty of our "Why Ask Why" party shirts. Order one for your pledge kid or yourself. The 50% cotton/50% polyester shirt is screenprinted in red and blue. The writing on the back reads, "Adding to a Tradition of Excellence," "The Largest Pharmaceutical Frat in the World" and "A Smooth, Crisp, Clean Fraternity, Made by our Unique Process of Brotherhood. Never

Bitter—Always Cool." The front left-side of the shirt says, "WHY ASK Ψ". They are available in sizes L, XL, and XXL. Please allow 4-6 weeks for delivery (XXL may take a little longer). The cost is \$12 and checks can be mailed to: Erik Muser, 4565 Gibson Apt. A, St. Louis, MO 63110, (314) 533-9303.

Gamma Iota Buffalo

Greetings from Gamma Iota Chapter. We are into the full swing of the spring semester with 14 new and enthusiastic Brothers. On November 20, 1992, we held our traditional outdoor induction in the winter snow for these new inductees:

Donna Aiken	Tom Andor
Ken Andrus	Jennifer Arnone
Jason Barone	Mike Clark
Cheryl Conway	Tony Dobiez
Kim Feathers	Aaron Hirsch
Mike Kotlyer	Tina Owens
J.J. Sidote	Denise Wells

Fall semester was busy with traditional pledging events such as a scavenger hunt,

road rally, volunteer work at a soup kitchen, and a Rhapsodic, spirited rendition of "Old McDonald Had A Farm" outside of the Buffalo Zoo entrance before an audience of restless animals and a family of three. There was a lot of planning for upcoming professional events such as brown bags, blood pressure screening, and the pharmacy feud which will donate proceeds to the National Leukemia Foundation. We did, however, find social time for the Brothers. Many Brothers participated in bowling, basketball, hockey, and our favorite new stress reliever, Laser Tron. Our intramural hockey team made the final round of the playoffs (our pharmacy students can do more than just study and party!). Our volleyball team also made the playoffs (so what if over half of our wins were by forfeit!). The fall semester came to an end with our annuals Toys for Tots Christmas Party. All guests arrived with gifts and the party was a great success, donating over 120 toys to the campaign.

The busy agenda for the semester includes fund raising, sporting and professional events. "Drugs Are My Life" T-shirts will be sold (thank you Beta Psi for the idea) as well as the dreaded candy! We are also planning on selling personal alarm kits and personal motion detectors with alarms to help fight the battle against rape and theft. Part of the profits made will be donated to the UB Rape Task Force.

Many of our Brothers are looking forward to the upcoming Province V Convention in West Lafayette, Indiana. Our chapter should be showing up in record numbers this year (Pi chapter, we send you our women!). Even the eleven long rally hours of traveling in claustrophobic, Taco Bell-reeking-gaseous substance filled cars won't keep us away! And don't you worry, the bills will be back to lose another one!

Delta Epsilon Duquesne

Delta Epsilon would like to congratulate the newly elected officers for 1993:

Regent: **Kris Santus**
 Vice Regent: **Chrissy Doerbecker**
 Recording Secretary: **Loretta Griffith**
 Corresponding Secretary: **Renee Rollinson**
 Treasurer: **Eva Custer**
 Chaplain: **Brady Lecker**
 Historian: **Ed Feldkamp**
 Sergeant-at-Arms: **Kelly Greene**
 Pledge Masters: **Julie Suman & Kristin 3**

We wish them the best of luck and look forward to their enthusiasm as leaders in our fraternity.

The beginning of our Spring semester has

Beta Psi cooks for rush.

been filled with many events where the Brothers can kick back and have a good time (I think that's what we're best at!) Included in these events was ice skating at Schenley Park, a toga party with our neighbors at Beta Kappa, and a ski trip to Hidden Valley.

Athletically, our chapter is improving all the time. Our hockey team enjoyed their season, and our basketball team is undefeated, currently ranking fourth in the school. At the end of the semester, we'll have a volleyball and softball team. Let's see if the women's softball team can defend their current Championship title. Best of luck to them!

Professionally, we are working on numerous professional projects. For American Heart month we will be distributing pamphlets and information on heart disease and the medication used to treat it. We are also developing an information packet on poison prevention which we will distribute at local YMCAs to parents and children. We are also working on a local phone survey. We will call random numbers to ask them questions about their patient-pharmacist relationship and if they are obtaining the proper counseling. Look for the results in the next issue of *The MASK!*

Our rushing kicked off with two rush parties and a smoker which gives us a chance to meet prospective Brothers. We look for students excelling in fellowship, industry, sobriety, and high ideals. We currently have four pledges who meet these qualifications. The pledges have kept busy with a lobby sale, our traditional spaghetti dinner, a Duquesne basketball game, and other projects. Throughout pledging, we stress the importance of unity. Unified as one, we believe the pledges can reach their goals and obtain Brotherhood.

—Ed Feldkamp

Beta Psi Wisconsin

Spring is slowly thawing us out up here in Wisconsin, and we have had a busy and successful spring semester so far. We started the year out with our Annual Back to School Party. Students from the School of Pharmacy get together at the Kappa Psi house and "celebrate" the beginning of a new semester. Another annual party is our "Not Going to Florida Party" which is held the week prior to spring break. We dig through our clothes to find the long lost shorts and bathing suits, crank the heat at the KΨ house, and try and believe we are in Florida for a night. We enjoy the standard Wisconsin beverage and also some more tropical wop.

For professional projects, we have been volunteering at the Oakbrook Nursing home here in Madison. Only a few people are needed at one time, and they do so much! Little things like taking residents of the nursing home to a play are very much appreciated. Thank you Norma Eiche for coordinating everything! We are also planning a fund raiser for Big Brothers and Big Sisters. It ends up to be a lot of fun, we go bowling and then get money for the amount of pins we can knock down. We end up making quite a bit of money for the kids and Big Brothers. We also have planned a schoolwide talk with Professors and pharmacists about the Doctor of Pharmacy program here in Madison.

Other events include fundraising events such as Drug Audits and sweatshirt sales. We also look forward to seeing everyone at the Province V Convention in Purdue.

Ken Duke at the Gamma Phi auction.

Gamma Phi Georgia

In the past several months we have been very active with our service projects and social activities. We were honored to have the privilege of hosting the Province IV meeting this year. We enjoyed having several members of the grand council present. We would also like to congratulate our new Gamma Phi province officers **Tom Eley**, Vice Satrap and **Eric Macomson**, Province Historian. We are also very proud to have been awarded for having the best "Mask" submissions in our province. Look for more details about the province meeting in the Province IV section of this issue.

Our Adopt-a-Highway spring winter cleanup went very well. We had the best turnout for the project in quite a while, someone said that you could tell that it was

"election-time" in our chapter. Kudos to **Chris Lowry** for organizing the project. Congratulations are also in order to Chris for being elected vice president of Phi Lambda Sigma.

Our two major fund-raising projects since January have been our sweatshirt sales and our Brother auction. The Brother auction was more successful than we had hoped and it was inspired by a fund-raising suggestion by the Gamma Sigma chapter at Province. Thanks to **Eric Bagget** and **David Johnson** for running the show. A special thanks to Gamma Phi alumnus **Ken Duke** for bringing top dollar in the auction.

Our intramural sports teams have been quite successful this year. Gamma Phi has fielded competitive teams in Bowling, Basketball, and Softball. Thanks to our little sisters for cheering us on. On the social scene we would like to give a big thanks to Social Chairman **Tony Singletary** for doing a great job this year. We realize that being social chairman is often a thankless job so we want to let Tony know that his hard work did not go unnoticed this year.

We would like to congratulate Brother **Steve Pierce** for having an intern position with Eli Lilly. He is following in the footsteps of out-going Regent **Richie Milliner** who will be working for the company after graduation in June.

We would like to congratulate Brothers **John Schnars** and **Chris Peterson** for being accepted by early admissions to The Medical College of Georgia. We would also like to wish the best of luck to all of our graduating seniors. They are: **Richie Milliner**, **Greg Sims**, **David Johnson**, **Drew Pyrz**, **John Schnars**, **Chris Peterson**, **Scott Carter**, **Eric Bagget**, **Bobby Moody**, **Bobby Dean Stone Jr.**, and **John Drew III**. We would also like to say goodbye to those Brothers who will be leaving our chapter to continue the PharmD.

program in Augusta, GA. They are **Scott Chappell**, **Andrew Miller**, **Mike Wooten**, **Brian Macomson**, **Tony Singletary**, **Jody Rowland**, and **Ray Clark**. **Mike Wooten** was very busy this year with ASP. He chaired ASP's Legislative committee and led a successful lobbying trip to the Georgia state legislature. He also was in charge this year of ASP's Annual Drug Counseling Competition.

Chi Illinois

Although the pledge period was 6 weeks, I think I can safely say, for all the new **Chi** initiates, that it was an endeavor well worth it. But let's just take a step back in time and remember when . . .

—you went with CDEC to Perez Jr. High to talk about drug usage to 100+ kids.

—you went to LeClair Community Center to help out with the health fair.

—Halloween rolled around and everyone ventured to Holy Trinity Grade School to pass out trick or treat candies.

—you literally **ran** after that *one* active just to get his/her sig.

—you went home in the middle of the day just to get your pledge pin.

—you learned to properly say "Chi."

—you met every week to practice your part in the skit.

—it was the night before *line-up* and you surprised yourself with the hidden potential (that you never knew you had!!!) to memorize so much information in just one night.

—you realized that the worst test yet in Pharmacy school was the Kappa Psi test and not Med-Chem!

—You finally got to initiation and were handed a mask without eyelets.

Just a few memorable snapshots from the 6 week pledge period . . . Congratulations new

Chi chapter's 1992 Halloween party.

pledges and may this just be the beginning of a new year filled with the fun times and good memories that comes with being a Brother.

A most 'excellent' and successful pledge period was had by Chi chapter with a grand total of 50 pledges initiated. Congratulations to the New actives of Chi Chapter: **Kasem Akhras, Denis Antonio, Jason Barman, Shveta Barot, Jim Bernauer, Nicole Bush, Heather Campbell, Andrea Canterbury, Guadalupe Cepeda, Eunice Choe, Lori Chung, Amy Conley, Kelly Crowder, Becky Dodson, Mark Franklin, Rose Gobina, Sandy Gulliford, Kristen Gurga, Nina Han, Sonya Hardy, Anne Hoffmeister, Denys Hong, Courtney Johnson, Denise Jovic, Jill Kaila, Missy Kuhn, Will Kurima, Mary Anne Lee, Patricia Louie, Rachel Marquez, Jini Mathews, Nancy Patel, Bhumi Pathak, Vinnie Paul, Armando Rodriguez, Kim Rosen, Mala Sabapath, Jeanne Sadowski, Beata Saletnik, Renee Savaiano, Marie Shanks, Charlotte Smith, John Stuart, Milka Sukovic, Matt Thambi, Kristen Tinkoff, Michelle Traficante, Rapheus Villanueva, Anita Whetstone, Tom Yankee, Kelly Yoo.**

Special thanks to **Andy Politis** who worked diligently for Kappa Psi and CDEC to set up the drug education presentations; and to **Brad Cannon** for his incredible work with the pledges and the pledge committee this semester. And where would Chi chapter be without our fearful leader, our "cog to the wheel" per se, **Jamie Sheets?! Thanks guys and thanks to all active Chi members for a**

most **excellent** and rewarding semester!!!

In the past 6 weeks, **Chi** chapter has continued its fun and fellowship. From bake sales and blood pressure screenings, to a friendly volleyball game against Phi Delta Chi—our **Chi** chapter Brothers are continuing to strengthen the new and old friendships found only within the friendly confines of **Kappa Psi**. Presently, **Chi** chapter is in the process of selecting new officers, organizing our annual formal, and last but not least, preparing ourselves for Province on March 27th at Purdue University . . . we hope to see all **Kapp Psi** Brothers, near and far, there!

As this semester winds up its last few weeks, **Chi** chapter would like to wish all our Brothers much success with finals and a great summer . . . hang in there guys—it can get better!!

Epsilon Minnesota

We finally managed to have a winter dinner meeting towards the end of the quarter. Brother RORY REMMEL (GCD) gave an enjoyable slide show of his sabbatical in Scotland. We especially liked the picture with the kilt in it. Thank You-Chaplain MINDY BAXTER and your social committee for your persistent work on this dinner. We started our spring rush and welcomed all prospective pledges. What a great way start out Spring! Also, we should be expecting to see our 1993 PharmaCOPA's soon. RON SIMONO and

KEVIN MELBY, the Co-Editors, put a lot of time into redesigning our production process. The topic for this year's issue was Pharmaceutical Care, a hot concept in the future of pharmacy that will affect us all. Congratulations to our broom ball team who almost made it to the playoffs this year! Our sports coordinators, MATT LEWIS and JOHN VANDERVOORT, deserve a round of applause for their enthusiasm. Our new Pet Therapy Project is going well, we've been sending about 3 people out to the nursing homes almost every other weekend.

Our first week of spring quarter we defended our title for largest donation to Juvenile Diabetes in Province VIII. We decided that last year's bowl-a-thon was so successful and **fun** that we should do it again. Thanks to JANET WITTMAN for coordinating this event and PHIL DENUCCI for donating his house **again** for our spring party. Our annual trip to Breezy Point was held a little earlier this year.

Finally, Congratulations and Good Luck to all of our graduating seniors!! B.S.: **Caren Allivato, Melinda Baxter, Melissa Binder, Dinah Howell, Katie Copeland, Phil DeNucci, Kim Graupe, Jessica Growette, Stacey Hansen, Kent Johnson, Michelle Merck, and Janet Wittman.** Pharm. D.: **Jim Gannon, Amy Gross, Steve Johnson, Cassandra Knoblauch, Patricia Marshik, Beth Ostergaard, Nancy Sommers, Amy Sorenson, and Rich Zunker (Beta Sigma chapter).**
