Transitions!

As we begin another academic year in the great history of Kappa Psi Pharmaceutical Fraternity, Inc., I am reminded of the many transitions that each individual brother of the Fraternity, that each collegiate and graduate chapter, that each province, and that the Fraternity as a whole faces each and every year!

Each year the collegiate chapters are busy organizing to rush new brothers so that they will pledge to learn what Kappa Psi has to offer them. And, each year we attempt to find new inspirational ways to inform the prospective brothers about an organization and brotherhood that means so much to us. With pride we can acknowledge the fact that leadership is one of our foundations! Approximately 60 percent of the deans of schools and colleges of pharmacy in the nation and a record of almost 70 percent of the presidents of major pharmaceutical organizations are Kappa Psi brothers, so we have historical evidence to back up our claims. As we look around at student organizations, we see Kappa Psi brothers at the helm of Rho Chi chapters, APHA-ASP chapters, ASHP student chapters, and many other pharmaceutical organizations. They are taking charge, listening to their peers and members of the organizations, and making informed decisions on the direction of pharmacy organizations at an early stage of their lives. This year, pledge yourself anew to your officers. Help them succeed in challenges which you dare not think about; support them in their decisions, and help them stay informed about the needs of the brothers! Look for your opportunity to help others. If you hold a leadership position in your chapter, listen to those around you and encourage your fellow officers to take their roles seriously. Work together on both small and large projects because it is the bond and closeness that forms through solving problems together that binds you even stronger to each other.

This year we have some great opportunities before us. The 51st Grand Council Convention will be held in beautiful San Diego, California, in August of 2003. Every chapter should not only send a delegate (whose transportation is paid to attend) to represent the chapter, but each chapter should also attempt to raise funds to send at least one P1 or P2 brother to the GCC as well so they can bring back all that they have learned to the chapter for years to come! Eta will be celebrating their 100th anniversary as a collegiate chapter during the Province II Fall Assembly in Philadelphia, Pennsylvania, November 8–10, 2002! As the first chapter to do so, I am hoping many of the brothers from all over the country can attend this event.

The Central Office has just about completed their transition as well and have now hosted an interim meeting of the Executive Committee, as well as an entire year of directing the business of the Fraternity. Thank you for your patience with them during this transition. It is not easy replacing someone who has run an organization for more than 20 years. We look forward to the business of the Fraternity becoming more efficient and providing even greater service to the brothers in the years to come.

Finally, the transition from active collegiate brother to active graduate brother can be difficult. As your life challenges increase, families begin, relocations occur, and clinical rotations remove you from the campus home, it is easy to feel removed and distant from the collegiate chapter to which you were so devoted. Collegiate chapters communicate by e-mail with your rotating brothers to help them stay attached and involved. Invite them to the functions even if they can't make them. Send them newsletters about pharmaceutical opportunities and healthy alerts so they know you still want to provide a service to them. Graduates and rotating brothers, let the chapter know your new addresses and e-mail connections as you get them or they will have no way to get information to you even if they want to!

In summary, let's use this new academic year and the opportunities it presents to bring us even closer as we prepare for what should be an outstanding time at the 51st Grand Council Convention!

Fraternally yours,

A.P.h.A. Convention

Philadelphia, the City of Brotherly Love, served as the backdrop for the A.Ph.A. convention and the Kappa Psi reception March 15–19, 2002.

The convention was well attended. The Kappa Psi booth was well received and visited by the brothers of old and new, seeking to renew the bonds of brotherhood that hold us together. All of the international officers were present and manned the booth to meet all of the brothers.

The Kappa Psi reception was held at Loews Hotel. The grand officers were dressed in formal attire and greeted brothers as they entered the ballroom. Over 400 brothers mingled and exchanged ideas from the different provinces while enjoying appetizers and refreshments. Then, Dr. Scott Long, Executive Director, introduced the international officers. Craig Johnston, Grand Regent, addressed the brotherhood with words of wisdom and had the honor of presenting the winner of the A. Richard Bliss award, Dr. Salvatore J. Giorgianni, who was both shocked and pleased to win this award. Past A. Richard Bliss award winners present included Dr. Herbert S. Carlin (1993), Dr. Joseph A. Oddis (1996), and Dr. Norman Campbell (2001).

As the convention drew to a close, we remembered the close bonds and friendships that were developed in these few days that will last a lifetime. Remember, “all men are created equal” and “we are all brothers.”

PROVINCE VII BROTHERHOOD AT BRICKTOWN

Butch Williams and Ben Welch yuck it up in O.K.C.

On the weekend of April 5–7 at the Westin Hotel, brothers were welcomed and treated to an exciting weekend of *Brotherhood At Bricktown*, hosted by the Gamma Omicron chapter at the University of Oklahoma Medical Center.

After opening rituals, there were three general assemblies where various business matters were discussed. One of the matters

was that of creating the office of Province VII webmaster, which was tabled at the 2001 conclave. The office was successfully created with bylaws amendments. Brother Ben Calcaterra accepted nomination and election and will continue to work on the Province VII webpage.

Other offices up for election were filled by brothers as follows: satrap, Matt Corley (Gamma Pi); secretary/treasurer, Kathryn Kaye (Delta Delta); and chaplain, Kevin McCullough (Rho). With the election of Matt, the office of vice satrap was vacated and then filled by Shawn Gautreaux of Delta Pi. Other officers include Lyndon Throm, historian; Ben Calcaterra, webmaster; and Jenny Matt, province supervisor. Province VII looks forward to another great year.

Thanks to all the past officers and other brothers who made 2001–2002 a successful

ABOVE: The Province VII Supervisor, Dr. Jenny Matt, gets an award. RIGHT: The brothers of Delta Beta keep Executive Director Long smiling.

year. Besides reinforcing the fact that communication is a key component to keeping our brotherhood strong, the final bit of business was the discussion of the possible reactivation of the Gamma Gamma chapter in Texas. All assistance and suggestions on doing so would be much appreciated.

Notable brothers were also recognized at conclave including Scott Long, executive director; Johnny W. Porter, editor of *The Mask* and past grand regent; Charles Carden and Lynette Weil, past Province VII satraps; and Butch Williams. Our current Province VII satrap, Ben Welch, also presented a message from Dewey Garner, historian emeritus.

In addition to all the business, brothers enjoyed dancing to a DJ on Friday evening, touring the Federal Building Memorial, and taking a trolley tour of Oklahoma City on Saturday, as well as other activities.

And, we cannot forget the closing reception at the Petroleum Club on the 34th floor of the Bank One building in downtown Oklahoma City. At the reception, Province VII presented awards to Gamma Omicron for both the Most Improved Chapter and Outstanding Chapter of the Year. Gamma Pi received the Man-Mile award for sending the most brothers the greatest distance to conclave, and Ben Welch received an engraved gavel for his many years of service to Province VII. Gamma Omicron then presented plaques of recognition to all of the 2001–2002 Province VII officers. And finally, Province Supervisor Jenny Matt presented Trihn Nguyen a service award for her outstanding work in coordinating the conclave —kudos to Trihn and the entire Gamma Omicron chapter for a job well done. A special thanks to CVS, Wal-Mart, and the

Drs. Lanee Land and Mike Burton, Gamma Omicron co-GCDs, enjoyed the assembly.

University of Oklahoma Medical Center, sponsors of the 2002 Province VII conclave.

We hope that everyone will join us next year in St. Louis, Missouri, where Gamma Pi will host the 2003 Province VII conclave.

2002 Kappa Psi International Chapter Awards

The Executive Committee of Kappa Psi Pharmaceutical Fraternity is pleased to announce the winners of its outstanding chapters and scholarship awards for 2002.

Each winner has been extensively examined in many areas by the Scholarship and Awards Committee to determine this year's winners. The Executive Committee takes great pleasure in announcing the following chapters that have been singled out for their extraordinary social, professional, and philanthropic endeavors.

Outstanding International Collegiate Chapter in Kappa Psi 2001-2002

Frank H. Eby National Scholarship Tray Award

The Frank H. Eby National Scholarship Tray award is given each year to the chapter that has the highest grade point average based upon their membership and their school's grading system. The original silver scholarship tray is housed at the Central Office. The winning chapter receives a replica of the silver scholarship tray and their name is engraved on the original tray. This tray was donated by the Philadelphia Graduate chapter in 1965 in honor of Frank H. Eby and has been awarded annually since its inception.

Gamma Eta
University of Montana

Nicholas W. Fenney Industry Scholarship Award

This award is given annually to the chapter that has demonstrated the greatest percentage improvement in grade point average (more than 5 percent) over the past year. The calculation is based up on a comparison of the Frank H. Eby Scholarship Tray award application forms for the current and previous year.

Delta Zeta
University of Iowa

William R. Smith Most Improved Chapter Award

This award is given to the chapter showing the most significant improvement during the past year. This calculation is based upon a comparison of the percent increase of total points accumulated in the chapter progress report forms from the current and previous year.

Gamma Zeta
Samford University

Notable Brother

Dr. Albert M. White, associate dean emeritus at the Albany College of Pharmacy, has been named honorary president of the American Association of Colleges of Pharmacy for his life-long contributions to the field of pharmacy and his students. Dean White said, "I have had a great career in pharmacy. Seeing my former students today and hearing how successful they have been fills me with great pride." He was installed at the annual meeting of the AACP in Kansas City on July 9, 2002.

Jennifer Tresler

Henry J. Goeckel Grand Council Scholarship Key Award

The Henry J. Goeckel Grand Council Scholarship Key award is Kappa Psi's oldest award and is given annually to a Kappa Psi brother who graduated first in his/her graduating class or graduated with highest honors. The recipient receives a 14-carat gold, engraved key and a Scholarship Key certificate. The Executive Committee is pleased to award the key to the following brothers.

Jennifer Tresler, Gamma Eta
University of Montana

Jennifer graduated from the University of Montana in May 2002. She was a member of Rho Chi where she also served as historian. She held several offices in the Gamma Eta chapter of Kappa Psi and also held the Province X office of secretary/treasurer. Jennifer was awarded a Kappa Psi Foundation Scholarship and was also elected Gamma Eta Brother of the Year. She also won the Rite Aid scholarship award for community practice. Jennifer plans to move to warm and sunny Phoenix, Arizona, where she will complete a residency in hospital pharmacy at Carl T. Hayden Veterans Hospital.

Kristen M. Bamberg, Delta Sigma
Midwest University-Glendale

Letricia Dieleman, Delta Zeta
University of Iowa

Chapter News

The brothers of Xi and Beta Kappa enjoy some time together.

Epsilon University of Minnesota

We would like to welcome our two new brothers, **Georga Windsperger** and **Yohannes Haile**, to Kappa Psi.

We had a very busy semester, but still found time to have some fun. Our biannual dinner meeting and awards ceremony was held at Lido's. Kristi Solberg, our new regent, received the Brother of the Year award. Josh Van Veldhuizen, our new vice regent, was elected pledge of the year. Christina Glasgow and Jeralyn Furst were awarded the Asklepios Key and Grand Council Scholarship Key, respectively.

Our new officers for the upcoming year are: regent, Kristi Solberg; vice

regent, Josh Van Veldhuizen; secretary, Laura Pearson; treasurer, Beth (Pribyl) Johnson; historian, Alison Cook; chaplain, Gina Lamm; sergeant-at-arms, Justin Stakston; and grand council deputies, Dr. Rory Rimmel and Dr. Robert Fecik.

We also found time for volunteer work by speaking to junior high and high school students about sexually transmitted diseases. The brothers who gave the presentations were outstanding. In addition, we cooked breakfast at the Ronald McDonald House and prepared for Camp Superkids, a camp for kids with asthma.

For fund raising, we worked at the Twins games at the Metrodome.

Our annual trip to Breezy Point resort this year, as usual, was quiet and reflective as we discussed the strengths of our professors and the philosophies of pharmacy.

—Alison Cook

Mu Massachusetts College of Pharmacy

Mu chapter inducted nine new brothers this year. They are: **Chirag Patel, Mark Roberts, Chris Pardoe, Christian Percevecz, Tim Reid, Shawn Joseph, Sean Rooney, Zbigniew Lech, and Dave Ciristi.**

This year, four brothers from Mu were elected officers at the Province I convention. We especially enjoyed that weekend as we held our smoker with Craig A. Johnston, our grand regent, as well as new, active, and graduate brothers.

We hope to continue our success in the future as we strive to become the best chapter.

—Chirag Patel

Xi The Ohio State University

Spring quarter was a time to share Kappa Psi memories and to bond with brothers from all across the country.

We were excited to attend Beta Phi's 75th anniversary at the University of Cincinnati during Memorial Day weekend.

Two days later, enjoying the company of the brothers from Beta Phi and Gamma Iota (Buffalo, New York), we traveled to Cleveland to watch the Indians for our annual baseball road trip. We would like to thank Xi brother Stacie Soja for volunteering her house for our Founders' Day picnic before the game and Justin Kullgren for organizing the road trip.

"Feeling polydipsic?" was our advertisement for a successful fund-raiser that sold more than 50 items within four hours. Everyone was waiting for the stainless steel travel mug that carries our college seal and a conglomerate of equations that were derived from each year at Ohio State. Lidya Malaty and Kelley Krug did a great job in organizing the event.

We want to wish the best of luck to Jeff Striet who graduated from the last B.S. Pharmacy class and will now study at The Ohio State University College of Medicine.

Xi brothers: Craig, Kelly, Justin, Maria, and Stacie enjoy GreekTown with Province V Historian Andy Frasco and Chaplain Charlie Holloway.

Jeff Striet, Maria Limperos, and Jackie Schneider of Ohio State's Xi chapter posing with "brother" Big Boy.

With great timing, brother Audra White had a beautiful baby right at the end of spring quarter. We send our love and best wishes.

We would like to congratulate our newly elected officers for this upcoming year: regent, Maria Limperos; vice regent, Jackie Schneider; treasurer, Stacie Soja; secretary, Dimple Patel; chaplain, Elizabeth Stauffer; historian, Maria Zovko; and sergeant-at-arms, Kelley Krug.

—Maria Limperos

The annual Kappa Psi banquet held in San Francisco allowed Beta Gamma brothers from all classes in the school of pharmacy to talk with one another. Presentations of awards, thank yous, and the introduction of the new executive committee followed a wonderful dinner.

New officers were elected and are as follows: regent, Kim Ung; vice regent academic, Priscilla Woo; vice regent social, Mel Quitquit; recording secre-

tary, Anamariam Pajouhi; corresponding secretary, Jonathan Goulding; treasurer, Sheryl Duong; parliamentarian, Trung Lam; chaplain, Sakat Batra; historian, Karen Nguyen; and rush coordinators, Amy Logan and Helen Au.

—Jonathan Goulding

Beta Epsilon

University of Rhode Island

The spring semester was a very busy time for the Beta Epsilon chapter. We held two of our fund-raisers for the year, the drug fair and job fair, both which were successful.

We held elections and our new regent is Nick Roy.

We played the Providence Graduate chapter in our annual softball game, and even after we gave three of the best Beta Epsilon players to the grads, we still won.

We also attended the Providence Graduate chapter annual dinner and caught up with some of the graduates who were unable to make it to the softball game. Four brothers received scholarships that are given annually by the graduate chapter.

We are looking forward to a new pledge class in the fall as well as a Red Sox game and another drug fair.

—Thomas Bunz

Beta Kappa

University of Pittsburgh

During the spring term, we held our formal at the Aquarium, went bowling with Special Olympic athletes, visited with our Province V brothers in Detroit, and said goodbye to graduat-

Beta Kappa brothers and Mana Limperos of Xi Chapter at Province V conclave in Detroit

Beta Gamma

University of California, San Francisco

The spring quarter passed rather quickly for the brothers of Beta Gamma, but not without its share of exciting events, including a luau, fund-raisers at the baseball stadium, and the annual Kappa Psi banquet.

The spring Hawaiian luau held at the Kappa Psi house was a great party with a large turnout. It gave students a chance to relax and enjoy Hawaiian food and music before final exams.

Beta Gamma brothers participated in a fund-raising activity at Pac Bell Park, home of the San Francisco Giants, by preparing and serving garlic fries at the concession stand. This proved to be a difficult task due to the huge demand for french fries by game watchers. Yet, working under those conditions was a great way for brothers to cooperate and get to know one another better.

Graduating brother Sara Bristol leaves her mark on the Beta Kappa house.

ing brothers with both tears and smiles.

A group of us also went to visit Gamma Iota in Buffalo for their end-of-the-year banquet. It was a great time filled with stories and Fraternal bonding with our Northern brothers.

In July, we also enjoyed camping with the Pittsburgh Graduate chapter at Raystown Lake.

—Elizabeth A. Poole

Beta Xi

University of North Carolina-Chapel Hill

In April, Katrina Jamison, Chantelle Hardy, Krissy Vaden, Mark Dunnenberger, Virginia Williams, Emmarie Clark, and Kathryn Kropp ended their pledging semester and were inducted into the brotherhood. They will, without a doubt, bring great contributions to the brotherhood.

We also elected officers as follows: regent, Christy Null; first vice regent, Lauren Keyser; second vice regent, Allison Hartington; secretary, Jennifer Price; treasurer, Amy Fussell; chaplain, Holly Anderson; and pledge master, Billy Soffera.

For fund-raising, we helped with inventory for the pharmacy at the local hospital, cleaned up Dean Dome, and sold tunnel party T-shirts. We also worked on our adopt-a-highway project.

The brothers of Kappa Psi ended the school year with a bang by hosting our 22nd annual tunnel party featuring the hit band Rubberband. We danced to the music of Rubberband until midnight then moved the party inside to continue partying to a DJ.

We also traveled to the western part of North Carolina to the city of Asheville for the pledge class formal. Everyone dressed in their best tux and gown and danced the night away.

In June, we hosted our summer party. This was a time when all brothers who went home for the summer, all alumni, and all brothers on rotations in different parts of the country came back to the house to reunite and have some fun.

We would like to congratulate several Beta Xi brothers on their marriages this summer including Melanie Church to Clay Cline, Joe Pierce to Danielle Milliman, and Kristi Krawietz. In addition, our newly engaged brothers are Billy Soffera to Robyn Langlois, and Jack Temple.

—Stefani Hudson

Beta Psi

University of Wisconsin

Our social activities this year included hosting a back-to-school party, fun

Brothers Kim Rickert and Sara Wilken enjoy the assortment of food at the Gamma Epsilon potluck lunch.

bus gathering, and alumni homecoming and pig roast, which was a raging success. This year we decided to get a turning spit roast instead of the standard grill. When we picked up the spit, it was different than we had imagined. Instead of the metal rod to pierce the pig, it was a wire drum that the pig sat in and rotated. It sounded like heavy shoes in a dryer. *Donk! Donk! Donk!* We got a lot of interesting responses from people walking by. As it turned out, the pig was very tender and delicious.

As for our professional and philanthropic projects, we co-sponsored a school blood drive, went reverse trick-or-treating at Madison Children's Hospital, raised money for a local United Way clinic by hosting a Halloween party, and hosted a faculty luncheon. We also helped build our

third Habitat for Humanity house. This time we handled the landscaping duty. Let's just say there was a lot of digging and a lot of mud. By the end of the day, it looked as though we had been mud wrestling. And, new for us this year, we participated in Christmas for Kids. This involved buying and wrapping several gifts for the children of a local needy family. When we delivered the gifts, the family gave us one of the most thankful reactions ever.

Our chapter, with help from everyone at the Madison pharmacy school, also raised money for the victims' family members of the 9/11 tragedy.

During winter break, we decided to do something a little different and, instead of going skiing, went to a Wisconsin Dells hotel that had an indoor water park. It was a lot of fun.

We welcomed 12 new brothers into

Beta Psi brothers (L-R) Sophie Tessner, Raisa Krause, Rachael Donatelle, Jennifer Remus, and Jennifer Schub participate in Reverse Trick-or-Treating at Madison's Children's Hospital.

our chapter in Wisconsin style with a banquet of brats, sauerkraut, cheese, and glass boots. After dinner, we danced to a rip-roaring rendition of *Roll Out The Barrel*.

—Ben Laird

Beta Omega

Temple University

Craig Johnston, Grand Regent, Dave Maszkiewicz, Grand Historian, and brothers from Epsilon, Chi, Beta Kappa, Beta Nu, Gamma Eta, Gamma Kappa, and Gamma Nu ventured into scenic North Philadelphia to the grand Beta Omega house for an A.Ph.A. celebration during the national meeting. Brothers Kevin H., Craig J., Tom T., and Les H. played baseball with cups and paddles. What crazy ideas will Kappa Psi's come up with next? Maybe an easy way to clean up the house.

Beta Omega brothers Al Kinsky and Mike Gaunt visited the Kappa Psi Central Office at Southwestern Oklahoma State University. The two rolled onto campus late one night to find tumbleweeds blowing through campus. Fortunately, Scott Long, Executive Director, came to the office to give us the grand tour. Thanks again, Scott.

—Al Kinsky

Gamma Epsilon

University of Nebraska

Gamma Epsilon brothers had a great spring semester and summer.

Graduation festivities took place in May, and Kappa Psi was honored to escort parents and friends to the University of Nebraska Medical Center graduation.

Our year would not have been complete without electing new officers at our biannual potluck lunch. The new officers include: regent, Julia Huebner; first vice regent, Tiffany Grueber; second vice regent, Michael Dreesen; secretary, Jill Allard; treasurer, Jami Schmidt; sergeant-at-arms, Kim Rickert; historian, Rebekah Rowlands; and chaplain, Ashley Cronin. The new crew plans to volunteer in the community more and schedule several pledge events during fall semester.

Our chapter ended the year with a so-long-for-the-summer social and a rough game of broomball.

Brothers enjoyed summer with diverse activities including internships in New Mexico and Texas, the annual Nebraska Pharmacists Association state meeting, the College World Series, and the Professional Compounding Centers of America (PCCA) student training class in Houston, Texas.

—Rebekah Rowlands

Gamma Zeta

Samford University

Gamma Zeta had a busy spring semester. In April, we sponsored the annual semiformal for the McWhorter School of Pharmacy. The theme this year was A Celebration to Remember in honor of the pharmacy school's 75th anniversary. It was a great success. Everyone had fun dancing, mingling, and winning door prizes. The school of pharmacy celebrated its 75th anniversary with a carnival. As a fund-raiser, we worked at the sumo wrestling booth.

Other fund-raising activities included selling drug cards and yearbooks to pharmacy students. The yearbook is sponsored and put together by Kappa Psi brothers and then handed out to students at the beginning of the school year.

We are also looking for new ways to recruit pledges in the fall to help our chapter grow and to make the chapter more active and competitive with other chapters.

Gamma Zeta brothers would like to thank this past year's officers for their time and dedication to the chapter.

—Cynthia Hardee

Gamma Eta

University of Montana

Wow. The fellowship since our last article has been great. We began with our end-of-the-year highway cleanup. Then came our spring thaw party. boy, was it fun y'allm 'cause our theme was Hee Haw, and we were gettin' down on the farm. The decorating crew did an awesome job. We had a lot of fun with the farmer and animal cutouts. Matt Dickson was also on a roll with the washers game. The pie-eating contest was interesting, and the raffle proved to be successful with Cory Adams winning the \$500 flaying voucher and Ryan Rosselott winning \$500 cash.

Justin Frazier (Gamma Epsilon) can't handle the pain from a broomball injury inflicted by a hockey stick.

Gamma Epsilon members take a breather from their intense game of broomball.

Our year-end banquet was held at brother Craig Johnston's house again this year. New members were able to socialize with older members of the chapter. Dean Forbes and Robert Williams were among the older members who attended, and they were also awarded a plaque for 25 years of unconditional devotion to the Fraternity. The brothers of the year and national scholarship recipients were also recognized.

—Suzanne Mock and Angel Smith

Gamma Kappa

South Dakota State University

In March, our brothers experienced a bit of Greek fever. We had a toga party at our house where everyone dressed up in togas and partied will into the dark, chilly night. Our brothers shouting "toga, toga, toga" echoed over the snowy campus.

In April, 24 Gamma Kappa brothers attended Province VIII spring 2002 conclave in Omaha, Nebraska. we had a great time meeting fellow Kappa Psi brothers from other chapters in our region. also, as an annual eventm, a distinguished alumnus of Gamma Kappa was asked to speak at our chapter. This year's Grand Ritualist, Sean Higgins, spoke to our chapter and encouraged us to participate in life and Kappa Psi by taking a lead in the activities that interest us.

For fund-raising this semester, we sold college T-shirts and waited tables at a local pizza buffet. We also volunteered at a family fun fair to help parents with young children discover services available in our community, by taking down tables for the Eastern SD science fair on campus, and participating in the Adopt-a-Highway litter removal project.

Furthermore, we initiated three new brothers into our chapter during

spring initiation. We welcomed **James Buttke, Amber Hanson, and Tak Sum**. James Buttke received the Outstanding Pledge award. We congratulate our new brothers and look forward to the many journeys we will take together.

We would also like to congratulate Briana Marcotte, last year's pledge master, who was given the Regent's award for unselfish service to the Fraternity. Scott Bergman, the past regent, was named the Outstanding Active for his tireless dedication to the chapter.

We also elected new officers as follows: regent, Thomas Chiu; vice regent, Vicki Riemer; secretary, Amanda Weber; treasurer, Clint Hoffman; pledge masters, Britt Hofer and Erin Haver; historian, So-Young Kim; webmaster, Tak Sum; sergeant-at-arms, Travis LaCore; chaplain, Stacey Bear; professional meetings chairperson, Amber Hanson; social chairperson, Dominic Hrabe; and grand council deputy, Gary Van Riper.

We also updated our chapter ordinances and, thanks to the generous donations of alumni, re-sided the house with seamless siding in the lovely colors of cadet gray with scarlet-red trim.

At the end of the semester, we had a picnic to welcome incoming professional pharmacy students to our house and held a formal dinner to celebrate another fun-filled and productive academic year.

—So-Young Kim

Brothers Chris Rio, Jamie Dunn, Brady Smith, and Jake Simpkins at the Gamma Eta Spring Thaw.

Brothers take part in the photoshoot down at the farm during Gamma Eta's Spring Thaw.

Gamma Nu

University of the Pacific

We would like to welcome and congratulate our newest brothers: **Michael Anglo, Henry Chan, Patrick Chan, Douglas Chang, Phillip Chon, Richard Chong, Thuong Dinh, Bradley Hanna, Jeff Jolliff, Brian Jung, Jason Kim, Quoc La, Wayne Lam, Allen Lee, Paul Ngo, Daniel Oh, and Bradd Waki**. Inducted late in March, they were successful in hosting our traditional pledge party and the graduation reception for our graduating brothers.

In June, we held our annual luau. Not only was this our main fund-raising event, but it was also a great way

for new brothers to socialize with alumni brothers. There was a great turnout with plenty of food, drinks, and activities for everyone to enjoy. Prizes were also given away in our raffle drawing. Many thanks to alumni brother Dr. Ross Chang for hosting this event at his beautiful new home on Discovery Bay.

—Henry Chan

Gamma Omicron

University of Oklahoma

This past semester was busy for Gamma Omicron. We cleaned up after the mens OU basketball games and hosted burger and breakfast sales to raise money for both the Ronald McDonald House and Province VII meeting.

In April, Province VII was held in Oklahoma City. We had a great time with Kappa Psi brothers from Houston, Amarillo, St. Louis, Kansas City, Kansas, Southwestern, and even New York, who made the trip to take part in Brotherhood in Bricktown. In addition to the usual meetings, Kappa Psi brothers enjoyed a spectacular view of our city in one of Oklahoma's tallest buildings, ate lots of food, danced, and got to know one another over the weekend.

We are extremely honored to have received the Province VII Most Improved Chapter award and to share the title of Chapter of the Year. Gamma Omicron would like to thank all who participated in our great event, and especially those who put forth their time and effort in planning this successful weekend. We are looking forward to seeing you all again at next year's Province VII meeting.

We held a clothing drive for the Salvation Army and filled an entire truck. We also elected new committee chairs for rush, fundraising, our annual golf tournament, and community service to prepare for next year's events. Gamma Omicron gave out three outstanding awards this year to Kelly Russell, Andy Nguyen, and Tim Flores. No matter how busy their schedules were, these three always had time for Kappa Psi. Congratulations!

To finish the year, we had a picnic with some friendly sports to say goodbye to our 16 graduating brothers.

—Maianh Nguyen

Gamma Sigma

University of Florida

While the spring semester was winding down, the Gamma Sigma chapter of Kappa Psi was pressing ahead at full speed. We held several community service events that benefitted not only the local community but national causes as well.

Gamma Chi brothers at the Province V meeting.

We held our annual golf tournament to benefit the Children's Miracle Network and participated in the March of Dimes Walk America along with students of the college of pharmacy. We also helped the local Jaycee's with several of their projects.

Socially, we held our annual spring 70s party for the entire college. Those who attended the party enjoyed music, dancing, drinks, and the costumes. The difficult task was trying to figure out who rented a costume and who just pulled something out of his or her closet.

We would also like to congratulate the following brothers for their end-of-the-year awards: Brian Schneider, Brother of the Year; Florencio Calderon, Academic Brother of the Year; and Rick Miller, Alumni Brother of the Year.

We would like to say thank you to all of the brothers of Gamma Sigma and Kappa Psi for their service, fellowship, and friendship during the past year and would like to wish them luck in their summer endeavors.

—Keith Lowe

Gamma Phi *University of Georgia*

This spring, we held our annual brotherhood retreat and masquerade formal, as well as a few philanthropic events.

The Big John Foundation, a scholarship committee created in memory of a deceased brother, brought brothers back to their stomping grounds for a weekend to help raise money and provide a time of fellowship. This weekend coincided with our annual Founders' Day activities, including

great food, great times, and productive meetings.

A few brothers also decided to shed a few layers of fur for the American Diabetes Foundation. Five brothers lost their locks, some for the better, some for the worse.

The spring formal was held at the Holiday Inn with more than 25 brothers and faculty attending with their dates. Everyone had a memorable night, including Duke Piela, Brother of the Year and David Pope, Athlete of the Year.

We also returned to the shores of Georgia's beaches, this time in St. Simons for our annual brother retreat. We rented a condominium and stayed for an extended four-day weekend. We returned back to school with a smile on our faces and a little

more color than usual to our skin. It provided not only much needed time to unwind, but also valuable catch-up time for some who had been overwhelmed by school for the semester.

We bid temporary adieu to the nine brothers starting rotations around the state and Southeast.

We wish brothers David Pope, Chris Parker, Shawn Dillavou, Judd Pierce, Ray Dixon, and Josh Morris the best of luck in their marriages.

We look forward to an awesome fall with school fast approaching and a formidable football team returning to the field, hopefully taking us where we haven't been in 20 years—the SEC championship game.

—Matthew Clifton

Gamma Chi *Ferris State University*

The brothers of Gamma Chi had a fun and eventful winter semester and can hardly wait for fall semester to begin.

We worked hard at improving our beloved chapter house and kicked off the improvements with our annual spring cleaning. We just finished remodeling our game room and would like to extend a special thanks to all the brothers who worked on this project. Let the games begin.

We were also busy with a T-shirt fund-raiser, a community service project, planning midyear, and attending Province V conclave. The fund-raiser was successful as we sold over 200 shirts. For a community service pro-

Gamma Nu says, "Come on in, we dare ya."

Five anxious brothers wait for some famous Kappa Psi burgers.

Chris Nededog being goofy at the Gamma Omicron Pancake Sale.

ject, we hosted an Easter party for the children of Big Brothers/Big Sisters of Big Rapids. Everyone enjoyed coloring Easter eggs, an egg hunt, and a piñata. Midyear will be hosted here in Big Rapids in September. We look forward to seeing everyone.

We would like to congratulate and welcome our newest brother, **Tennille Briguglio**.

We also elected officers as follows: regent, Jon Coveyeau; administrative vice regent, Matt Smith; executive vice regent, Tim Borowiak; treasurer, Kathy Morin; and recording secretary, Bob Vigne. Congratulations to all the new officers, and good luck.

The end of the semester was capped off with our annual end-of-the-world party where we said goodbye to our graduates.

—Lynn Falardeau

Gamma Psi Mercer University

We would like to thank our outgoing executive committee members: regent, Ivan Itebejack; vice regent, Steven Bromley; secretary, Yogi Patel; and treasurer, Mike Lamb. Thank you

(L-R) Gamma Omicron brothers Elisa Pham, Sarah Smith, and Jody Sparkman work at the Pancake fundraiser for Province VII.

for a job well done, and good luck on fourth-year rotations.

Our new executive committee is as follows: regent, Jonathan Taylor; vice regent, Alex Bland; secretary, Majed

Fackih; and treasurer, Joshua Greeson.

Gamma Psi would also like to congratulate our 15 new brothers. We are proud of to have them in our beloved brotherhood.

Gamma Psi brothers were elected to four of the six student government offices this coming year. Those offices include president, president-elect, treasurer, and parliamentarian. In addition, our brothers will hold the office of president for the AMCP, SNPhA, and Class of 2005, as well as several other organizational offices on campus.

Our annual spring picnic and the Interfraternity Council formal were both successful. We would like to thank brother Joshua Lyndon Suggs for an awesome slide show. Josh is one of the golden treasures of this

Gamma Chi brothers take a time out from the Province V meeting.

LEFT: The Gamma Psi construction crew after a day of renovating the Kappa Psi house.

chapter. Congratulations on the Gamma Psi Devotion and Excellence award Josh. Brothers Jonathan Taylor and Joshua Suggs were recipients of the Brother of the Year award.

The Gamma Psi chapter sent the most brothers to the Province IV interim meeting in Tallahassee, Florida. We would like to thank Delta Iota for a great weekend. We would also like to congratulate the brothers who graduated in May as well as brother Randall Logue on his marriage.

All brothers of Kappa Psi are invited to attend our 50th anniversary celebration next spring, so mark your calendars now.

—Majed Nader Fackih

Delta Gamma Auburn University

Spring semester was busy for the Delta Gamma brothers at Auburn University. It was filled with social, service, and sports activities.

The week before Valentine's Day, many of our brothers gathered to make cards for nursing home residents near our school. We played bingo with the residents and passed out the cards. Thank you to all of the brothers who helped with this service project.

In April, our chapter held a formal at the Auburn Hotel Conference Center. We had live music from None the Better and everyone had a great time. Delta Gamma brothers also enjoyed a social at the Blueroom.

In addition, our intramural soccer team had a good season. Good job.

Finally, Delta Gamma chapter would like to congratulate our new officers for the 2002–2003 school year.

—Kate Wonbee Yi

Delta Delta University of Houston

We were fortunate enough to begin spring semester by volunteering at the Hallmark Retirement Home. Our chapter devoted nearly the entire semester to the Alzheimer's patients residing there. It was both a rewarding and learning experience for us all.

For fund-raising, we held a food sale, but the weather did not cooperate and we did not reach our goal.

During spring break, two of our brothers attended Province V in Detroit, Michigan. They had the

opportunity to visit with brothers, tour the city of Detroit, and sightsee in Canada, specifically Niagara Falls.

In addition, six of our adventurous brothers took a road trip to Province VII in Oklahoma City, Oklahoma. They had a great time learning how to line dance.

In April, our chapter participated in the March of Dimes Walk America. This renowned event benefits premature babies. Thanks to brother Alex Varkey for our involvement.

Our spring formal was the biggest event of the semester. We have our social chairs, Geeta Patel and LaTanya Armstead, to thank for such a magnificent evening. It was held at the Adam's Mark Hotel where the room was glamorous and the cuisine was delectable. The night ended with

Gamma Phi award winners for 2002, (L-R) Bryon Brooks, Don Picla, David Pope, and Eric Durham.

Gamma Phi at spring formal.

dancing and then farewells. For many of the actives, this is the event where they experience the true meaning of brotherhood.

Last, but not least, our semester came to a close with the senior banquet at Birraporetti's. We presented a paddle to each graduate as a token of our appreciation.

—Anarys I. Zambrana

Delta Theta *Texas Southern University*

In the midst of a stressful spring semester, the brothers of Delta Theta managed to find time to enjoy brotherhood both locally and regionally. In April, seven brothers attended the Province VII convention in Oklahoma City, Oklahoma. The convention provided brothers the opportunity to meet and bond with brothers from other chapters in the province. In addition, brothers brought back a lot of useful information to our chapter.

Brother Ivan, regent; brother Majed, secretary; and brother Josh, historian; enjoy a Gamma Psi kodak moment in Atlanta.

New Gamma Psi brothers pay tribute to our late brother, Elden Shields.

As Delta Theta said farewell to 22 graduating seniors, we also welcomed nine new brothers.

In celebration of both, the chapter held our annual spring reception. It served as a stress buster and an opportunity to get together a final time before the end of the semester. Brothers also enjoyed a night out at Dave and Busters.

To acknowledge hard work and academic excellence, Delta Theta had five brothers inducted into Rho Chi and six brothers inducted into Phi Lambda Sigma. In addition, 11 brothers received an award/scholarship at the annual TSU College of Pharmacy and Health Sciences awards banquet.

We would like to congratulate our new officers for the 2002–2003 school year: regent, ShaCarla Watkins; vice regent, Gabriel Balonwu; secretary, Tina Banks; treasurer, Roy Nwakamma; sergeant-at-arms, Chinedu Ezea; historian,

Franchesska Melonson; chaplain, Tanasha Montgomery; fundraiser chair, Cheleta Brantley; community service chair, Nekeidra Brown; membership chair, Rosalyn Martin; and corresponding secretary, Angie Eaton.

—Erika Jackson

Delta Lambda *Campbell University*

The Delta Lambda chapter enjoyed yet another exciting semester in Buies Creek. We began the year with new officers. Regent Joy Bowman worked diligently with the executive board to make our events successful.

Throughout this semester we worked on several projects including bake sales, roadside cleanups, blood drives, and tutor sessions at a local elementary school.

In March, IFC sponsored its second annual St. Patrick's Day dance, which was enjoyed by many of our brothers and friends. We also hosted our annu-

Delta Theta brothers Monique, Ragan, Ella, Moechi, and Monica (front) await the new pledge class.

al taco salad dinner to benefit Falcon's Children.

As for April, the annual cadet ball was held in Myrtle Beach. Katherine Tsafatinos and her committee did a wonderful job of planning our events. The weekend was filled with laughter, sun, karaoke, dancing, and memories that will last a lifetime. During the formal dinner, several chapter awards were presented. This year the Asklepios Key was presented to Dwayne Harvey, a brother who truly exemplifies the meaning of Kappa Psi.

As the school year came to an end, so did the pledge period for three new brothers. We would like to congratulate you on all of your hard work and welcome you to our brotherhood. Several events were planned for that weekend, but the graffiti party, our first, turned out to be a wonderful

idea that was enjoyed by everyone who attended.

And, as finals came closer, so did our annual Founders' Day pig pickin'. This North Carolina tradition included NC barbecue, all the fixins, and homemade desserts.

—Jennifer Lazo

Delta Omicron Wilkes University

Delta Omicron completed the 2001–2002 school year with 63 brothers exemplifying the true meaning of brotherhood: fellowship, sobriety, industry, and high ideals. We did many things to show why we are the third-best chapter in the nation, best chapter in Province II, and recipient of the Frank H. Eby National Scholarship Tray. This shows our dedication to the Fraternity not only professionally and

socially, but also scholastically. All for one and one for all.

The professional projects we completed allowed brothers the opportunity to enrich the lives of students by teaching proper preventive asthma techniques and the importance of poison prevention to participating elementary schools in the Wilkes-Barre area. These projects were successful thanks to Rachael Hammond, asthma coordinator, and Nokomie Welsh, poison prevention coordinator. The poison prevention team combined forces with A.Ph.A. to more effectively convey this important message.

Another important project that we worked on with NCPA was backpacks for the homeless. The backpacks were distributed at homeless shelters to the indigent so they would have a way to carry personal-care items that were donated by local pharmacies. In total, about 51 brothers donated an average of 10 hours each to community service projects to help the less fortunate.

Thanks to the dedication of the brothers, fund-raisers headed by Tara Purtill were also successful. Our number-one seller was Cheryl Campenni. Out of all the money raised, almost \$1,000 went to needy families and contributions to organizations such as the American Lung Association, the Cystic Fibrosis Foundation, Big

Brothers at Province IV interim meeting at Delta Iota.

The Delta Theta pledge class of 2000 prove that they dominate the evening at an annual spring semiformal event.

Delta Delta brothers Quynh Vo (L) and Denise Martinez enjoy the party as actives.

Delta Delta brothers after the formal.

Delta Delta brothers embrace the moment.

Brothers/Big Sisters, and the American Cancer Society.

An awards luncheon was held to honor the hard work and dedication of our chapter's graduating seniors

and undergraduate brothers who went above and beyond the call of duty. Several awards were given at the luncheon and are as follows: Fellowship, Jason Brady and April Vrabel;

Industry, Ted Hall and Ron Davis; Sobriety, Lisa Tomaine and Laura Gerard; High Ideals, Susan Butler; Community Service, Sarah Beck; F. Harvey Smith, Kelly Kozerski; Asklepios Key, Jon Ference; and the Grand Regent's Letter of Recognition, Kim Hritzak, Jon Ference, and Brooke Farley.

As the year wound down, we had our annual senior/pledge formal, organized by Kim Hritzak, to honor our new and old brothers. We all had a great time

that evening. We also had our end-of-the-year party after our annual softball game with the faculty. As usual, the faculty won. These events allowed brothers time to share and reflect on our accomplishments throughout the year.

The chapter also had many other social functions including the annual summer picnic, cheering with the Grump and our graduate brothers at the Red Barron's baseball game, a spaghetti dinner, volleyball with LKS, and a few other parties.

This year's new officers will uphold the prestige of the Fraternity and work hard to make it a success again. Elected to office were: regent, Misty Weidner; vice regent/pledge master, Rachael Hammond; recording secretary, Jen Kazemka; corresponding secretary, Katie Boyle; treasurer, Kristina Mullay; historian, Susan Pellock; ritualist, Mackenzie Martin; sergeant-at-arms, Jeff Kunkle; and grand council deputy, Dr. David Maize.

—Susan Pellock

Delta Theta brother Moore Taiwo (center) welcomes brothers (l-r) Darego McLayton, Erilsa Jackson, Mary Williams, Franchesska Melonson, and Delsbolanda Ingram into Phi Lambda Sigma.

The brothers of Mu Omicron Pi celebrate brother Nabil Moussa's birthday.

Mu Omicron Pi
Wayne State University

Mu Omicron Pi would like to thank all of the brothers who attended the Province V conclave and celebrated our 75th anniversary with us. The unprecedented presence of all 13 chapters of Province V made the occasion a memorable one.

One of the highlights of conclave was the presentation of the 75th anniversary plaque by Craig Johnston, grand regent. Also present were David Maszkiewicz, grand counselor, David Dunson, grand historian, and Sean Higgins, grand ritualist. We hope that everyone had a great time and will visit us again.

For fund raising, brothers Sam Khreizat, Nofal Cholog, Moe Elsayed, along with the help of other brothers, gave CPR training to the entire pharmacy school. Other fund-raisers included the sale of blood pressure cuffs, lab coats, stethoscopes, and books.

Despite our busy schedules, we are focusing our attention on making repairs to our chapter house. We dedicated the entire day to cleaning and fixing up the house on our annual cleanup day. At the end of the day, we enjoyed a traditional barbecue dinner on our deck.

About half of our brothers enjoyed four months of summer vacation, while the other half were busy finishing a grueling first year of pharmacy school.

Best wishes to brothers Emad Saleh and Sam Badawi on their marriages.

—Keith Enerio

Montana Graduate

The Montana Graduate chapter hopes that your 2002–2003 academic year is a great one! We look forward to seeing you at the 51st Grand Council Convention in San Diego next summer.

Montana Graduate has been involved in several activities. Following the Province X meeting in Missoula, where nine of our brothers were in attendance, we set out to provide support for the annual big thaw luau fund-raiser that occurred in April. Almost half of the 100 tickets sold were purchased by Montana Graduate brothers, making the chore of selling raffle tickets by the collegiate brothers much less cumbersome. Many of the graduate brothers won prizes of various sizes and values. Congratulations, and thanks to all who were able to participate.

Homecoming for the number-one nationally ranked Griz is September 21 versus Idaho. Contact us for tickets. At every home game, seven in all, we will have a Kappa Psi tailgate party preceding the game and at halftime. We'd love to see you.

—Craig Johnston

Pittsburgh Graduate

The summer for Pittsburgh Graduate was quiet.

Some of our brothers went on a camping trip with Kappa chapter to Raystown Lake in Central Pennsylvania.

Upcoming plans for the fall include a welcome-back party for Beta Kappa and Delta Epsilon, a meeting in late September, and preparing for the fall Province II assembly.

Any brother wishing to join the Pittsburgh Graduate chapter should contact us via e-mail at PharmDee1@aol.com.

—Deanne Hall

Providence Graduate

The Providence Graduate Chapter hosted the 13th annual Founders' Day and awards banquet in May. Brian

Gamma Psi brothers at the Province IV interim meeting.

Gamma Omicron, the hosts of Province VII.

Delta Theta and Delta Delta at the Province VII convention in Oklahoma City.

Furbush, past grand regent, was presented with the PGC Graduate Member of the Year award, and former URI College of Pharmacy Dean Louis Luzzi received the Community Service award. Four Golden Mortar award recipients were on hand to accept this prestigious prize. They were: Felix

Lima, James Conway, Graham Mann, and Joseph Dalti. Brian Furbush performed the installation of officers ceremony, and four more scholarships were presented to undergraduate brothers from Beta Epsilon.

The Providence Graduate chapter avenged last year's loss to the undergraduates of Beta Epsilon in this year's graduate versus undergraduate softball game. Offense was the name of the game as the grads tallied a total of 47 runs to the undergrads' 23 runs. Brian Musiak, Bob Tortalani, Billy Rosa, and Steve Edwards were among those who contributed greatly on offense. On the defensive side, Steve Edwards was the winning pitcher.

PGC brothers continue to contribute to our profession in various states across the country. Anthony Coniglio recently accepted a position as executive director, global brand protection, at Pharmacia, in Peapack, New Jersey. Rich Wojtowicz and his wife relocated to Hamden, Connecticut. Rich is a staff pharmacist for Yale Hospital in New Haven, Connecticut. Another resident of the constitution state, Joel Boerth, is doing a residency in psychiatric pharmacy at Hartford Hospital in Connecticut. He lives in Manchester, Connecticut. In the Commonwealth State, Jason Cross is doing a residency at the University of Massachusetts Medical Center in Worcester. Steve Edwards is working for the state of Massachusetts doing drug utilization and prior authorization. And Peter Anderson passed the board of phar-

maceutical specialties examination in psychiatric pharmacy and was recently appointed adjunct associate.

—Karl Kebrle

Province I

The last meeting of Province I for the school year was held by the brothers of Mu chapter in Boston, Massachusetts. This was the first meeting under our new supervisor, Cameron Van Dyke. The meeting went well and several issues concerning the province were discussed. In addition, new officers for the 2002–2003 academic year were voted upon. They are as follows: satrap, Claudio Faria (Mu); vice satrap, Christian Hartman (Boston Graduate); secretary, Fletcher Nehring (Beta Epsilon); treasurer, Matt Lacroix (Beta Epsilon); historian, Erick Sousa (Mu); and chaplain, David Caristi (Boston Grad).

Things were a little different this year at the convention. For the first time, Mu chapter opened invitations for their annual smoker to all brothers who attended the meetings. This turned out to be a huge success. At the smoker, Province I, as well as Mu and Boston Grad, inducted their new officers. Craig Johnston, grand regent, gave an unbelievably motivating speech that touched every brother in attendance in an amazing and powerful way. He really, truly expressed and reminded everyone exactly what it means to be a brother in Kappa Psi.

Province I would like to thank everyone who attended the meeting,

Pocono Graduate Chapter Celebrates 25th Anniversary

The Pocono Graduate chapter celebrated the 25th anniversary of its chartering with a dinner and dance on October 20, 2001, at Allanti's in Kingston, Pennsylvania.

Following a social hour, Rich Marchegiani, regent, welcomed those gathered and introduced our special guests, including Craig Johnston, Grand Regent; David Maskiewicz, Grand Counselor; Mike Sherry, Graduate Member-at-Large; Normal Campbell, Past Grand Regent; and his wife, Mary; and Dr. Bruce Martin and his wife, Dr. Marilyn Harris. It should be noted that Dr. Martin was also the installing officer when the chapter was chartered!

Charter members present included: Dennis Bieryla, Paul J. Hiller, Peter Lemke, David Novitsky, Larry Olster, John Viercinski, and John Yuscavage.

In the brief program following dinner, Craig Johnston highlighted some of the Pocono Graduate chapter's activities, including the continuous support of the undergraduate brothers at all the schools in Province II; the establishment of Delta Omicron at Wilkes; the Big Brother program for the founding brothers at Delta Omicron; and the gracious hospitality afforded the three Gamma Eta (Montana) brothers as they biked cross country to raise diabetes awareness.

On behalf of Alpha chapter, Johnston also presented a plaque to Rich Marchegiani, regent, commemorating Pocono Graduate's 25 years of continued service to our beloved order.

In addition, he presented 27 brothers with the Robert A. Magarian Order of the Silver Mortar, and brother Vince Rocco with the Order of the Golden Mortar.

While echoing Johnston's view of the chapter, Dr. Martin shared some highlights of the events that transpired the last 25 years. Boy, Tempis fugit!

Our graduate chapter is proud of its service to the Fraternity and is always looking for ways to improve that service. For less than one hour's salary (probably half an hour's salary) any graduate brother is welcome to join our ranks. Officially, the chapter meets twice a year. Unofficially, the chapter participates in various professional and social activities throughout the year. For more information contact Dr. David

Maize at 570-408-4278 or via e-mail at maize@wilkes.edu, or Paul J. Hiller at 570-735-3946.

Fraternally,

Paul J. Hiller
Past Grand Regent

—*Erick Sousa*

Province II

As the spring semester concluded, graduations at Duquesne University, the University of Pittsburgh, Temple

University, the University of Sciences in Philadelphia, West Virginia University, and Wilkes University sent Kappa Psi brothers on various paths to begin their careers.

Duquesne University and West Virginia University graduated five and 15 brothers, respectively. Numerous Beta Eta brothers moved to Knoxville, Tennessee, to work with Walgreen's. Jeremy Gerber, Delta Omicron broth-

er and Province II satrap, is pursuing a residency at Syracuse University. Former Beta Eta regent Karla Miller is a resident at Johns Hopkins University.

Russ White, a graduating brother from Beta Eta, continues to improve after receiving a heart transplant last year. He currently serves as Province II chaplain.

Eta chapter would like to announce our centennial celebration at the University of the Sciences in Philadelphia November 8-10.

More details will soon be available on the Kappa Psi Home page: www.Kappa-Psi.org.

Province II brothers look forward to the fall province assembly, which will be hosted by Eta chapter at the University of Sciences in Philadelphia. They will celebrate their 100th anniversary. Eta chapter was founded on November 10, 1902, and today remains Kappa Psi's oldest active chapter.

—Aaron Howell

Province IV

Province IV has gone through a transitional period over the past several months. With a new listserve, a new webpage, and a successful interim meeting, our officers have worked hard to make the province more organized and connected. With such devotion to improvement, we know we are moving in the right direction to make our province one of the best in the Fraternity.

In February, we started a new listserve devoted to connecting all the province and chapter officers together. This now allows us to send memos and information to the entire province quickly and easily. Every month Beauman Dick, satrap, e-mails the entire province using the listserve, sending news and updates to help the chapters keep up with the Fraternity's deadlines and events.

In addition to the listserve, we started a webpage, www.provinceiv.org, to serve as a hub of information and history at the fingertips of our brothers. With officer and chapter contact information; pictures; meeting minutes and notes; and other important details, we now have a permanent home on the web for the informational needs of our province. We invite all brothers to browse this webpage and check out who we are and what we are doing.

We also held a productive and interesting interim meeting in May. Hosted by Delta Iota in the beautiful city of Tallahassee, Florida, we spent several hours discussing a variety of issues including the starting of new graduate chapters, new ideas for keeping graduate brothers more involved in the Fraternity, and the next Province IV assembly in 2003.

We would like to thank the officers who have been doing their part to make these changes so successful. We would also like to thank Delta Iota for holding such a great meeting and to all the brothers from that chapter who made it such a success.

We certainly look forward to seeing all of our brothers at the 2003 Province IV assembly in sunny Gainesville, Florida.

—Beauman Dick

Loren Priem and Sonja Pherigo, his Leukemia pledge bid from last year.

Brother seeks Team in Training pledges

Dear Brothers of Kappa Psi,

I have recently gotten involved with the Team in Training program, a group founded by the Leukemia and Lymphoma Society. I am currently training for the Maui Marathon,

which will be held September 22nd. Each year, the program trains

20,000-plus runners, cyclists, and triathletes for the event of their choice.

In return for their training and support, I have pledged to raise money to help fund research and support for blood-related cancer patients and their families. My goal for this season is to raise \$5,400 by September 1. Although my deadline will probably pass before this reaches you, I am making this a long-term commitment and will be running a race each season. Don't worry. You will have other opportunities to help me in my quest to make a difference if the deadline for this season passes. I will have up until a month after each race to continue raising money. I will have to pay whatever I don't raise out of my own pocket up front. I can accept donations until October 22 for the race this season.

The Leukemia and Lymphoma Society has corporate sponsorship opportunities as well. If any of you have contacts or personal interest in these opportunities, please contact me via e-mail and I can give you specific details.

Any contributions that you can offer will be greatly appreciated. Contributions go directly to the patients and to finding a cure. In fact, 75 percent of all funds go directly to these causes. No other organization can make that claim. You can make checks payable to The Leukemia and Lymphoma Society and send them to me at 1200 Galapago St., #401, Denver, CO 80204. All donations are tax-deductible, and most corporations have matching programs that will match any contribution that you make.

Thanks in advance for supporting me in this effort. I am looking to get Kappa Psi involved on a larger scale, when the time is right. Until then, I greatly need and appreciate the individual support and encouragement of brothers everywhere to make this a continual success.

Please contact me with any questions via e-mail or check out the Leukemia and Lymphoma Society website at www.leukemia-lymphoma.org.

Your Brother,

Loren M. Priem, RPh
LMP0028@yahoo.com
720-904-3848

Province V

It was another great spring at Province V. We felt the spirit of brotherhood that burns within us as we made preparations for camping trips, casino trips, and other unofficial interchapter summer vacations.

New Province V officers were elected for the 2002–2003 school year at the province spring assembly at Mu Omicron Pi. They are: satrap, Cameron Van Dyke; vice satrap, Peter Brody; secretary/treasurer, Eric Saul; chaplain, Charlie Holloway; historian, Andrew Frasco; parliamentarian, James Walsh; and webmaster, Ben Laird.

The first act of province business was to create chapter pairings, as suggested by Craig Johnston, grand regent. The chapter pairings for the province have since been set, and we look forward to seeing the positive result of these pairings.

In May, Beta Phi held a rockin' party in Covington, Kentucky to celebrate their 75th anniversary. The banquet was held on a floating restaurant, and everyone wondered how tightly we were moored as we saw every boat and barge go by out the window. There was a beautiful silent auction during dinner as well as one very special live auction item that was feverishly bid on and won by our own Eric Saul. Over 100 graduates, collegiates, honored guests, and significant others attended the party.

In an effort to unit brothers from the far reaches of Province V, the Xi chapter Memorial Day baseball game and Founder's Day picnic was opened up to the brothers of Beta Phi and Gamma Iota. Thirty-five brothers and friends attended a pre-game picnic and then a Cleveland Indians baseball game. Even though the Indians got crushed, the important part was the fire lit under us to endeavor to have future events of this sort.

Tee Sponsor Form:

The Kappa Psi Foundation would like businesses, chapters, provinces, and individuals to purchase an advertisement for our golf tournament. We will have a sign at the tee box with your name. We are asking for a \$100 tax-deductible donation to help support this fund-raiser.

Where: STARFIRE GOLF CLUB at SCOTTSDALE COUNTRY CLUB

When: Saturday, October 26, 2002

Time: 8:00–8:45 a.m.

Registration

8:45–10:00 a.m.

Introduction/CE lesson

10:00 a.m.–11:30 a.m.

Lunch (on your own)

12:30–5:00 p.m.

Shotgun start of tournament

5:00 p.m.–??

Southwest BBQ cookout and awards

Hotel: The Comfort Inn is 1.2 miles away from the course. Rooms are \$59 plus tax per night. Ask for the Kappa Psi block by calling 1-888-296-9776. Please reserve your room by October 1 as this is the beginning of the peak golf season in Arizona and hotels fill up fast!

BROTHERHOOD AT ITS BEST!

KAPPA PSI

From the pie-eating contest at Gamma Eta Spring Thaw (above) to the ladies of Delta Theta making bracelets for the 2002 pledge class, the brotherhood of Kappa Psi enriched the college experience for all.
