A Walk Through
Kappa Psi History

Kappa Psi goes west!

Anthony Palmieri III

Reflect, Plan, and Hope

As you read this issue of *The Mask*, school has started for the undergraduates and summer vacation is over. Time to reflect, to plan, and to hope. This issue of *The Mask* has all three.

To reflect, you will see an article about Kappa Psi at the APhA meeting in Seattle where many brothers stopped by the exhibit booth to meet the National Officers and our Executive Director. The reception was a wonderful place and time to renew acquaintances and make new friends. You can also reflect by looking at the list of new brothers, those who have entered our beloved Fraternity and who have the future of Kappa Psi in their hands, minds, and hearts. Take a look and see who the new brothers from your chapter are and determine if you did a good job in recruitment and, more importantly, retention. Most chapters do a wonderful job of selling Kappa Psi to potential new brothers, but we also need to concentrate on keeping new brothers involved and committed to our Fraternity. Also, as many of you know, this is the 125th anniversary of our founding. *The Mask* is 100 years old and has been published continually since its inception. We would like each brother to make a donation of \$125 (one dollar for each year) to the Foundation to help fund scholarships—a wonderful way to celebrate our birthday. If you are so inclined, please send a check to our Foundation treasurer, Dr. Ken Kirk, St. Louis College of Pharmacy, 4588 Parkview Place, St. Louis, MO 63110. Your contribution is critical.

To plan, you will find information about the Grand Council Convention in August 2005 in Pittsburgh. Brother Dave Maszkiewicz and Brother Scott Long made a site visit and confirmed that the Sheraton will provide us a quality venue. At the Grand Council Convention, the future of our Fraternity will be in the hands of the delegates. The body will elect new leadership and discuss how we can be even better as a Fraternity. It is critical to the future of Kappa Psi that you are there. Your Fraternity needs you.

To hope is perhaps the hardest to quantify. We all have hopes and dreams, regardless of our age. Without hope there is no life. Without hope for Kappa Psi there is no future. What are your hopes for yourself? What are your hopes for pharmacy? What are your hopes for Kappa Psi? Our beloved Order would not exist were it not for the hopes and dreams of those who came before us, those in leadership positions now, and the hopes of others in our Fraternity to someday make Kappa Psi even better.

So, as we begin the fall season, take a minute out of your busy day to reflect, to plan, and to hope.

See you at province meetings and in August 2005 in Pittsburgh!

As always, I am proud and humble to be your Grand Regent.

A Walk Through Kappa Psi History

Grand Vice Regent Johnny Porter, Executive Director Robert Magarian, Past Grand Regent Pat Wells and Grand Regent William Smith at Dr. Well's retirement dinner.

The '80s bring a sense of renewal to Kappa Psi. Kappa Psi has a new Executive Director and Editor of *THE MASK*. There is a movement on campuses of colleges of pharmacy to begin a new entry-level degree, the Pharm.D. This could give Kappa Psi the opportunity to influence the lives of new professionals for an even longer period of time. There are even hints of a looming shortage of pharmacists with the talk of new colleges of pharmacy. Another opportunity for Kappa Psi to influence the lives of even more new brothers. This excitement is apparent as Kappa Psi begins to plan for the growth and changes that the '80s will bring.

As you will see the fraternity responds in a way that has always typified the brotherhood of Kappa Psi by not waiting but to begin anticipating and planning for the future.

Johnny Porter
Editor of *THE MASK*

The '80s begin with a move of the Central Office. With the resignation of Executive Secretary Donald Floriddia the Central Office is moved to the campus of the University of Oklahoma Health Science Center. Dr. Robert Magarian was selected by the Executive Committee to be the next Executive Director. The move from Stockton, California to Oklahoma City, Oklahoma goes off without a hitch and a new era in Kappa Psi begins. This not the only new era to begin as Editor of *THE MASK*, Norman Kobayaski, also tells the Executive Committee that he will need to leave his office, so they select Dr. Anthony Palmieri at the University of Wyoming to become the next Editor of *THE MASK*. With this new beginning *THE MASK* undergoes many changes in format, style and new columns and features. The Student Side and Margin of Success appear to lend the students a forum to voice concerns and opinions about the fraternity and profession and to get advice from brothers and other professionals about success in the field of pharmacy.

Executive Director Magarian is moved into a new Headquarters as the new Executive Director.

Several anniversaries were noted but of particular interest was the 50th anniversary of Beta Omega, where Dr. Frank Eby joined the celebration and gave brothers his remembrances of his life in Kappa Psi. Some of these thoughts and the thoughts and opinions of another legend of Kappa Psi, Nick Fenney, were published in the last issue of 1980. This article gave their hopes, dreams, and thoughts of a past Kappa Psi and a future Kappa Psi.

As 1981 begins, there is an effort to increase the quality of *THE MASK*. Questionnaires are sent out to the brotherhood. With these suggestions came a new cover design and inside feature logos. Grand Historian Leonard Naeger writes a brief history of Kappa Psi through 1970, although brief it still takes two issues to complete. Contributions and donations are now easier for the brotherhood. MasterCard and Visa are now accepted as forms of payment for the first time. A new assistant editor of *THE MASK* is appointed to manage the new features and columns. 1981 took the fraternity to Detroit, Michigan for the GCC. The theme of "A Self Analysis for the Second Century" was a concentrated effort by Kappa Psi to examine and redirect itself.

By 1982, it was apparent by most indicators that the programs were being successful as this was the first year of a decade of growth and prosperity for Kappa Psi. Pride and belief in Kappa Psi was emphasized. The Bicentennial and the Fund for Progress were growing. The chapters were given guidelines for rushing and fund raising for the first time and an effort to begin to locate lost brothers was begun. All of these efforts contributed to the growth and prosperity that was taking hold.

Chapter news had suffered during the 1970s as demonstrated by there being only four chapter articles in the last issue of 1982. By the end of 1983, this trend had reversed itself. There was a new cover design and better quality cover paper and an expansion from 12 to 16 pages to hold all the new articles being sent in by the chapters. The Executive Director reports that the membership numbers and revenues dollars are increasing with each new semester. A Professional Project contest is announced for the collegiate with a winner to be announced in 1984. At the 1983 GCC in Myrtle Beach, South Carolina, Grand Regent Garner announces to the gathered brotherhood that a

legend of Kappa Psi, Dr. Frank H. Eby, had died. His passing marked the end of an era that had reached from 1930 to the present that had untold influence on many individuals and especially on his beloved Kappa Psi.

1984 begins with the use of two-color printing on the covers of *THE MASK* and even better paper quality. Past Grand Regent Glenn Sperandio writes an article on the four objectives of Kappa Psi and the effects those four objectives can have on our lives. Students were beginning to voice concerns about job prospects with the new Pharm.D. degree and Gamma Omicron was announced as the winner of the Professional Project contest with an entry entitled "Your Medications and You." Grand Counselor Williams R. Smith begins to coordinate a new column in

THE MASK called "Spotlight on Kappa Psi." President Ronald Reagan appoints Beta Rho brother Carlton Turner to head the Drug Abuse Policy Office for the United States. Past Grand Regent Dewey Garner is elected President of the Professional Fraternity Association and 1984 also marked the 80th consecutive year that *THE MASK* has been published.

In 1985, a lengthy article is written by one of the first female brothers in Kappa Psi on the issues and difficulties she faced as she spent three years on campus. Past

2004 Kappa Psi International Chapter Awards

On behalf of the Scholarship Committee and the Executive Committee of Kappa Psi, we would like to thank all chapters and Grand Council Deputies who took the time to fill out the Progress Report form and Scholarship Tray form.

We had an over 17-percent increase in Progress Report form submissions this year. As a result, almost 60 percent of our chapters are participating. We are impressed that so many brothers are striving to make their chapter the best it can be.

We would also like to thank the Grand Council Deputies. We almost doubled the amount of Scholarship Tray forms this year.

Look for a new, updated Progress Report form next year and an online submission form. Thank you again.

—Chrisann Rauzi, Scholarship Chairperson

Frank H. Eby Scholarship Tray Award

This honor is given to the collegiate chapter with the highest grade point average in a one-year period, based upon their membership and their school's grading system. The calculations are based on grades achieved during the spring and autumn semesters, as certified by the chapter's Grand Council Deputy. The chapter receives appropriate recognition in *The Mask*, and a silver scholarship tray, at the expense of the Grand Council.

Delta Rho

2004 A. Richard Bliss Award

*Grand Regent
Palmieri and
Bliss Award
winner
Captain Lisa
L. Tonrey*

By David H. Dunson, R.Ph., Grand Historian

After much deliberation, Captain Lisa L. Tonrey (USPHS) was selected to receive the 2004 A. Richard Bliss Award. This award is one of the highest honors that Kappa Psi Pharmaceutical Fraternity presents based on contributions to the profession of pharmacy. Lisa is deserving of this award based on her selfless dedication to country and pharmacy.

Captain Tonrey received her bachelors of science degree in pharmacy from Rutgers University, College of Pharmacy, in 1980 and a master of health administration degree from Chapman University in 1995. She has received many certifications including becoming a Fellow of the Executive Management Program at the Wharton School and the Leonard Davis Institute of Health Economics of the University of Pennsylvania.

Lisa was very involved in the World Trade Center disaster, terrorist attack, and Anthrax exposure, for which she received the DHHS Distinguished Service Award (2002) and the HRSA's Hero Award (2001). Through these actions, we are better prepared to handle possible bioterror attacks.

Captain Tonrey has served the American Pharmacist Association as a member of the board of trustees (1998–2001) and as a Presidential Officer (2002–2005). She also served on the board of directors of the New Mexico Society of Health System Pharmacists (1996–1998). She has also contributed articles to several national publications and has presented numerous national presentations on various topics.

Kappa Psi is proud and honored to recognize Captain Tonrey for her outstanding contributions to pharmacy. May we all take her lead in our duties to self, profession, and country. Through this devotion, we will be better people and lead more rewarding lives. Learn from our peers and make a difference.

Epsilon

University of Minnesota

Epsilon initiated eight awesome brothers: **Christina Cipolle, Angela Cortese, Anna Davenport, Susan Haight, Jennifer McMorrow, Kristen Seitz, Shavon Talley, and Melissa Yang.**

Epsilon elected new officers as follows: Abby Nikolas, regent; John Schindele, vice regent; Tiffany McCargar, secretary; Angie Dingels, treasurer; Erin Callan, chaplain/social chair; Marcelline Rudebusch, historian; Joy Shaw, sergeant-at-arms; and Robert Fecik, Grand Council Deputy.

The brothers of Epsilon have worked to promote Kappa Psi and pharmacy through numerous philanthropy projects. We gave STD talks to students at nine high schools; trained to volunteer at Camp Superkids, a YMCA camp for children with asthma; and provided pharmacy services at the Phillips Neighborhood Clinic, a student-run clinic for the uninsured. A new project, started with the help of one of our brothers, Victoria Losinski, was the Kidney Early Evaluation and Prevention (KEEP) screening program. We worked with the National Kidney Foundation staff, physicians, nurses, and other health professionals to identify people who are at high risk of kidney disease.

Our biannual dinner meeting was held at Sydney's in St. Paul. Some of the brothers who received awards were: Victoria Losinski, Brother of the Year; John Schindele, Pledge of the Year; and Amy Paver, both Asklepios keys. We also thanked Dr. Rory Rempel for his 18 years of dedicated service to the chapter as Grand

Council Deputy. This was his last year of serving the chapter in that position.

We also participated in several social activities, including the Province VIII Conclave, hosted by Delta Zeta; intramural volleyball and bowling; our annual weekend trip to Breezy Point Resort; and a wedding party for five of our brothers who will be tying the knot this year.

Xi

The Ohio State University

In our never-ending effort to help the less fortunate, Xi brothers participated in Operation Feed and volunteered at the Mid-Ohio Foodbank. Believing that home is indeed where the heart is, brothers got good and dirty with Habitat for Humanity. In addition to our monthly contribution of baked goods to the Unferverth House, we prepared dinner for its residents. We also showed pride in our community by cleaning up a local park. Despite the rain, Kappa Psi was well represented on the OSU College of Pharmacy team for Race for the Cure.

From left, brothers Jackie Schneider, Ron Heitz, Justin Kullgren, Michele Bui, and Joel Montavon from Xi chapter enjoy a baseball road trip.

Xi feels that we have a strong presence within the community, but feels the need to strengthen our professional presence as well. In order to do this, several brothers went through poison control training and look forward to the many opportunities to use this training. Brothers also took part in a diabetes and hypertension screening. We held our annual faculty luncheon. Xi brothers helped set up the Spring Preview Luncheon for The Ohio State University football team.

To help increase the funds for our chapter, we sold DIHs and T-shirts. We have some creative brothers thinking up some new, hilarious shirt ideas.

Over Memorial Day weekend, Xi brothers continued the baseball road trip tradition. We went to Pittsburgh, along with brothers from other chapters, to visit Beta Kappa and watch the Pittsburgh Pirates play the Chicago Cubs.

Xi is very excited, as well as busy, planning for the Province V Assembly in 2005. We look forward to seeing you in Columbus.

Rho

University of Kansas

Rho brothers elected new officers as follows: Chris Bell, regent; Sue Hamon, vice regent; Megan Way, sec-

retary; Melissa Evans, treasurer; Brandi McCullough, historian; Kezia Schweiterman, chaplain; Erin Phillips, sergeant-at-arms; Emily Rabel and LeAnn Naab, community service; Amanda Charles and Mary Tran, social chairs; Scott Craig, member-at-large; Thuy Luu and Amy Brewer, fund raising; and Emily Rabel, scholarship/graduate member chair.

Sigma

University of Maryland

Sigma brothers truly enjoyed one event during the pledge period, Aloha Night, complete with Hawaiian kabobs, music, and leis. At the end of the pledge period, we initiated 21 new brothers.

We would like to congratulate our new officers: Frank Shen, regent; Jennifer Huang, vice regent; Amy Chao, national secretary; Dan DeMonica, sergeant-at-arms; Dean Howell, chaplain; My Tong, historian; Jeff Kang and Nichole Zvosecz, pledge-masters; Eli Yoon, treasurer; and Yvette Tong, local secretary. Sigma would like to thank all of last year's officers and Dr. Polli, our Grand

Council Deputy, who was always there when we needed him.

Our new brothers sponsored an activity at the Ronald McDonald House, where they helped brighten the children's day by playing board games, hide-and-seek, and bingo. Our chapter helped raise money for a local charity to promote the health of the citizens of Maryland. We participated in Race for the Cure, which was a great experience because most of those running had some personal experience with breast cancer, either loss or survival of a loved one from this devastating disease. Events like these not only strengthen our brotherhood, but also our ties to the community.

Sigma brothers attended Province in Columbia, South Carolina, where ties were created and new friendships fostered.

The theme of our annual formal was Hollywood Nights. With the leadership of Jenn and Dean, this event was a spectacular one. Our graduating seniors were the stars of the night, and we had a lovely time with friends and family. We would like to give a special thanks to Dr. Hollenbeck, our honored faculty member, for celebrating the year with us.

We were crowned the Best Fraternity of the Year by CPFI after winning the battle of the frats, a fundraising event, where our knowledge was tested on such subjects as cardiovascular, religion, and pharmacology. We also won the fraternity wars at our school picnic and donated the winnings to charity.

Psi *University of Tennessee*

Our new officers have been hard at work planning rush events. We are the largest fraternity on campus and are committed to showing new students how great Kappa Psi is.

Psi participated in more than 20 service projects.

Psi brothers, alumni, and faculty members enjoyed our annual pig roast, a two-day event. We made commemorative T-shirts for occasion. Not only do we enjoy the brotherhood at our university, but we also enjoy brotherhood with chapters across the country. Brothers from the St. Louis chapter came down to Memphis for our pig roast, and then we went to float down a river with their chapter.

We are renovating our fraternity house by painting, making roofing and plumbing repairs, and planting a garden.

We want to extend an open invitation to all chapters to come and visit the Home of the Blues, Memphis, Tennessee. Please feel free to e-mail one of the officers listed on our web site. We will help you find cheap, if not free, rooms and meals during your stay. And, you will have a great time on Beale Street. Please visit our web site at copstudents.utmem.edu/kappapsi.

Beta Gamma *University of California— San Francisco*

Beta Gamma initiated 35 pledges into the Fraternity during our initiation ceremony after a grueling pledge period.

We had a great time at our spring banquet at Faz Restaurant. Forrest Shirkey, outgoing historian and incoming parliamentarian, presented

another one of his great slide shows. Jeff Lo, outgoing regent, reflected on all of Kappa Psi's accomplishments and thanked the officers for all of their hard work and dedication. Courtney Yun, longtime faculty advisor, said she was proud of what Beta Gamma has done and is excited about our future. JoAl Mayor, incoming regent, discussed his goals, which include improving communication among the brothers of the chapter and between chapters, strengthening the bonds of brotherhood, and asking brothers to take ownership of Kappa Psi, since it is their fraternity. All of the outgoing officers received gifts for their service to the chapter. Their successors also gave them gifts in appreciation of their help in making the transition a smooth one. Julie Dang received the award for Brother of the Year, while JoAl Mayor and Mark Pregoner were recipients of Pledge of the Year awards as voted on by their fellow pledges.

Beta Epsilon

University of Rhode Island

The brothers of Beta Epsilon helped build a house with Habitat for Humanity. We were excited to see the project come together and know that we helped improve the life of a family in our community. We hosted a drug fair, where almost every major pharmaceutical corporation was represented. It was exciting to see brothers networking for their future.

Beta Epsilon brothers enjoyed the Founders' Day dinner with the Providence Graduate chapter. Although the graduate chapter put up a valiant effort in the annual softball game, they were defeated by their undergraduate opponents.

Beta Epsilon brothers went to the Province I meeting in Albany, hosted by the Albany College of Pharmacy. We would like to congratulate our brothers who were elected to regional offices: Josh Gagne, vice satrap; Adam Pesaturo, treasurer; and Anthony Del Signore, historian.

Dr. Anthony Palmieri III, Grand Regent, visited our school, which was an enjoyable and educational experience.

Beta Epsilon hosted the second annual doubles ping-pong tournament. The competition was extremely tough, but Jon Weiner and Mark Kasabuski were victorious.

Beta Eta

University of West Virginia

Beta Eta would like to congratulate our new officers: Heather Monk, regent; Steve Cincotta, vice regent; Sarah Workman, secretary; Whitney

Lavery, treasurer; Ashley Drvar, historian; Brittany Jarvis, chaplain; and Mary Alice Bird, sergeant-at-arms. Dr. Robert Griffith, our advisor, was kind enough to have the induction ceremony and potluck dinner at his house.

We donated and prepared food at The Bartlett House, a homeless shelter, and volunteered at the Foresight Foundation.

Socially, we held a celebrity look-alike party and a theme party at Dave and Busters, where we enjoyed food and games.

Beta Kappa

University of Pittsburgh

Beta Kappa brothers volunteered at the North Side Christian Clinic in Pittsburgh, made spring door hangers to cheer up the residents at Family House, educated the Pitt campus on diabetes at the health fair, and held a blood pressure clinic at Giant Eagle pharmacy.

Beta Kappa was well represented at the National Pharmacy and Thera-

peutics Competition in San Francisco, where brothers Tim Freda, Jennifer Stover, and Jill Bower competed for Pitt.

We visited with brothers from other chapters at both the Province V Conclave in Madison, Wisconsin, and the APhA convention in Seattle, Washington.

Our annual formal was held at Durante's Restaurant in Oakland, where several graduate brothers were on hand to help us celebrate.

We honored our graduating brothers with gifts and a barbecue at our house. We would like to congratulate all of our graduates, especially Jeff Sivik, who graduated first in his class.

Socially, we held an 80s theme party, where we were joined by brothers from Xi and Delta Epsilon chapters. Beta Kappa brothers enjoyed several get-togethers over the summer, including a Pirates game with the brothers from Xi and a camping weekend at Raystown Lake.

Beta Kappa is hosting the Province II Conclave in October.

Beta Sigma

North Dakota State University

Beta Sigma brothers helped with a blood screening at a mall, adopted a neighborhood park that we will keep clean by doing a major trash pickup three times a year, and teamed up with another organization on campus to put on a fund-raising raffle for the Make-a-Wish Foundation.

We went to the Province VIII Conclave in Iowa City, Iowa. It was a very, very long drive, but we made it in one piece and in time for the weekend festivities.

We held our annual Parent's Day banquet to celebrate our year and invite parents to see our house. We

Beta Upsilon *Butler University*

Beta Upsilon brothers participated in Relay for Life, where we came in first place by raising more money than any other organization at Butler. We also participated in Poison Prevention Week. We would like to thank all Beta Upsilon brothers for their hard work and dedication to the relay. We also camped out all night at Cabana Kappa Psi, making s'mores and drinking lots of caffeine, to raise money for the American Cancer society.

We worked diligently to make our chapter more visible and active in our province and on campus. Our efforts paid off when we went to Wisconsin for the Province V Conclave and were awarded for our commitment to the Special Olympics philanthropy. This conclave was wonderful, and we all went home with lots of ideas and new friends. Beta Upsilon Brother Emily Love was elected secretary/treasurer of Province V.

Socially, two of our brothers hosted a St. Patrick's Day party, complete with all of the green trimmings. Our spring formal was held at a golf course. Everyone had a great time dancing the night away. We were joined by brothers from Beta Lambda. We took our fifth-year brothers leaving for rotations out to a downtown Indianapolis brewery, The Rock Bottom, and said farewell. A group of more than 30 brothers, family members, and friends went to West Virginia for a white-water rafting adventure on the New River. For two days, we braved rain, giant bugs, and sleeping on wood planks.

—Madeline O'Bryan

Beta Phi

University of Cincinnati

Beta Phi brothers volunteered at the Track and Field Special Olympics and participated in and raised a generous amount of money for the University of Cincinnati's Relay for Life, benefitting the American Cancer Society. We participated in and volunteered at the Cincinnati Flying Pig Marathon, raising money for a Northern Kentucky free pharmacy, benefitting those who cannot afford to buy their prescriptions.

Socially, we celebrated and honored our graduating brothers at our advisor's house. We had a great time. We also elected new officers on the same night.

We will host the Province V Midyear meeting September 24–26, 2004. All brothers are invited and those interested can visit www.kappapsi5.org for details.

—Nick Michel

Beta Chi

Drake University

The brothers of Beta Chi gave blood pressure screenings at the American

Heart Walk and worked with children at screenings on how to prevent blindness.

Socially, we held our spring formal at the Des Moines Botanical Center, built a float that was featured in our Drake Relays parade, and went to an Iowa Cubs game with members of Drake's other pharmacy fraternity, Phi Delta Chi.

—Erin Pender

Gamma Eta

University of Montana

Gamma Eta brothers elected Angie Nygaard and Rory Johnson as co-rush chairs and co-pledge trainers.

For community service, we participated in an Adopt-a-Highway cleanup by picking up trash along our designated stretch of highway in Missoula. We coordinated a Faculty Appreciation Reception where recognition and awards, both serious and funny, were handed out to faculty members who have given so much to students throughout the year. The awards were voted on by pharmacy students. Dr. Craig Johnston, our own Grand Council Deputy, received one of the Teacher of the Year awards presented during the ceremony.

For fund raising, Gamma Eta brothers collected donations from businesses in the community for the raffle at our spring thaw party. The theme of the party was Jerry Springer Flinger. There were a lot of interesting costumes. The \$1,500 made from the raffle will help fund rush. We also sold T-shirts.

At our annual scholarship banquet, sponsored by our Grand Council Deputy, several brothers were recipients of Brother of the Year awards and Kappa Psi scholarship certificates. Graduate brothers Doug Coffin and Howard Beall joined us for the dinner celebration.

On the last day of classes, a memorial service was held by the school of pharmacy in honor of Nate Dague, our beloved brother who passed away last fall. A tree was planted next to the pharmacy building in his memory and a plaque was placed next to the tree with his name engraved on it. Now, every time we walk past this tree, we can think of our friend and our brother, Nate, and smile. Brothers, faculty members, Nate's family, and classmates attended the ceremony and spoke beautifully in his honor.

Gamma Eta brothers hosted Vegas Night, which was a great opportunity for brothers to get together and play poker all night with a championship cup at stake. Our softball team, Kappa Psi Jellyrolls, organized by Amanda Turley, had another successful season and made it deep into the playoffs while at the same time having a lot of fun.

Gamma Pi *St. Louis College of Pharmacy*

We are working on all of our usual professional activities, along with hosting a speaker from Assisted Recovery, an abuse withdrawal program.

Gamma Pi brothers went to the Province IV interim meeting in West Palm Beach, Florida. We enjoyed some time in the sun after the meeting and would like to thank Province IV for showing us a great time.

We held our annual graduation party with the graduate chapter to congratulate our graduating seniors. Our collegiate and graduate chapters spent a lot of time together this summer, especially during the graduate reunion weekend. Brothers enjoyed a Cardinals game, pig roast, golf tournament, and CE class.

We took advantage of summer break by maintaining the house and in-ground pool. We spent a lot of time next to the pool on hot, humid days. We had a wonderful time on our annual weekend float trip down the Merrimac River, which kicked off with a barbecue sponsored by the graduate chapter.

We helped the freshmen move into the dorms and welcomed everyone back to school with a tiki party at our pool.

Gamma Pi would love to host other chapters this pledge season and upcoming school year.

—Janet Seung

Gamma Phi *University of Georgia*

Gamma Phi raised several hundred dollars at our annual boxers and blazers party to benefit the Special Olympics, the sponsored charity of Province IV. Brothers continue to participate in the Adopt-a-Highway program by picking up trash along our stretch of highway.

We held our formal at the Four Points by Sheraton Oceanfront in Myrtle Beach, South Carolina. Chapter awards were presented as follows: Victor Lewis, Pledge of the Year; Michael Dent, Athlete of the Year; James Russell, Unique Brother of the Year; and Carey Vaughan, Brother of the Year.

We held our annual luau and everyone had a blast. We would also like to congratulate our graduating brothers.

Gamma Phi brothers were busy this summer, assisting with planning events for the University of Georgia's College of Pharmacy's Centennial Celebration and attending the GPhA annual convention at the Sawgrass Marriott in Point Vedra Beach, Florida.

Gamma Kappa *South Dakota State University*

Gamma Kappa brothers held a raffle to benefit the Ronald McDonald House.

We held our own Glory Days, where we purchased and painted a new shed for the house and installed new cellar doors.

Gamma Kappa participated in the annual oozeball mud volleyball tournament, sponsored by the school. We were represented by two teams, both making it to the quarterfinals. Who would have thought that mud could be so entertaining? On the clean side, brothers enjoyed a formal dinner, and jokes and stories about the past year. Danny Weiss, a former regent, gave a speech that kept us rolling in the aisle. We also held a graduation barbecue to recognize our brothers who are moving to a new chapter in their lives. The newly accepted pharmacy students were also invited so they could get to know more about Kappa Psi.

—John Kappes

Gamma Iota brothers went to the Province V Conclave in Madison, Wisconsin and had a great time meeting brothers from the province.

We held our annual end-of-the-year banquet to have a good time with brothers before they left for their summer homes and jobs, and to say thank you and goodbye to our graduating seniors.

Delta Kappa held Kappa Psi Week to end the school year on a high note. The week began with two different volunteer projects. First, brothers went to the Diabetes Expo at the Washington Convention Center and

helped with registration, tickets, customer service, and counseling. Secondly, we gave blood pressure and other health screenings at Howard's School of Pharmacy. The pharmacy school joined Delta Kappa brothers on Professional Day, which included a resumé workshop conducted by Brother Adora Nwankwo. Delta Kappa brothers served a variety of pastries, bagels, coffee and juices at our annual breakfast, Wake Up With Kappa Psi. We held our annual Kappa Psi barbecue and more than 200 students enjoyed the great food and hospitality.

The Kappa Psi interest meeting attracted more than 25 new students. We ended the week with our senior banquet at Tragara's Italian Restaurant in Bethesda, Maryland. During dinner, Dr. Michael Kim, Delta Kappa graduate brother, spoke about independent pharmacy. Delta Kappa would like to thank our Grand Council Deputy, Dr. Terrell Washington, and our sponsor, Byron Wickham of Pfizer Pharmaceuticals, Inc., for their participation and support at the banquet.

Delta Kappa was well represented at several annual conventions, including the Province III meeting in South Carolina, the American Pharmaceutical Association Conference in Seattle, and the NCPA Annual Conference on National Legislation in Washington, D.C.

Finally, we would like to congratulate and thank our graduating brothers. Delta Kappa would not be here today if it was not for all of their hard work and dedication to the Fraternity. As a result of your leadership and fund-raising efforts, we implemented numerous programs that will prove invaluable to our future growth and development. Each of you went above

The Health Promotion and Education Committee of Province VIII

By Scott Bergman and Meagan Wilson

“To support all projects which will advance the profession of pharmacy and to actively participate in them.” This is the third objective that pledges learn about on their way to becoming a brother. Beginning in the fall of 2002, Province VIII voted to increase their community service involvement at the province level. In this spirit, Province VIII developed the Health Promotion and Education (HPE) Committee.

The committee, headed by Scott Bergman, vice satrap, was charged with promoting Kappa Psi by getting the province’s chapters into the community to talk about a topic dear to every pharmacist’s heart: health. After the meeting, brothers throughout the upper Midwest teamed up to increase awareness about hypertension, the “silent killer.” As part of this province wide health education initiative, chapters in Province VIII have successfully conducted public blood pressure screenings and various other professional activities over the past two years.

Province VIII chapters, working with various organizations and pharmacies in the chapter’s particular area, have set up booths and simply offered to take free blood pressure readings from people walking by. All seven chapters have participated in this program in different ways. Gamma Kappa has screened patients at a K-mart in Sioux Falls, South Dakota, as well as at a mall in Brookings, South Dakota. Beta Chi has screened people at a walk for the American Heart Association, a health fair, and at a Wal-Mart in Des Moines, Iowa. In Fargo, North Dakota, Beta Sigma used the mall, a farmer’s market, and a health fair as settings to screen people for hypertension. Epsilon had the most impressive endeavor, screening more than 1,200 people

at the Women’s Health Initiative in Minneapolis while working a booth sponsored by Cub Foods.

Other health promotion and educational activities Province VIII chapters participated in included Epsilon volunteering at an asthma camp, Beta Nu and Pinky the Elephant teaching kids about poison prevention, Beta Chi teaching kids to Always Ask First and handing out Mr. Yuck stickers, and Gamma Epsilon helping out the American Lung Association, just to name a few. And this is just the beginning of the HPE!

If you would like to support Province VIII and get your chapter involved in hypertension screenings, contact your local chapter of the American Heart Association or visit their Web site, americanheart.org. Simply setting up a booth on your campus is a great way to begin. Either way, Kappa Psi brothers can help to make the “silent killer” not so golden.

Did You Know:

Hypertension may be undetected in 30% of the population.

Hypertension is the third-leading killer in the United States. According to the American Heart Association, approximately 47,000 Americans died of hypertension in 2001.

What once was considered “normal” blood pressure (<130/<85 mmHg) is now considered “prehypertensive” according to the JNC VII Guidelines. People who fall into this category should institute lifestyle modifications.

Province VIII chapters increased their community service involvement. (L-R): Epsilon brothers from the University of Minnesota help at the Women’s Health Initiative in Minneapolis. Delta Lambda *Campbell University*

Delta Lambda brothers worked on numerous community service projects, including cleaning up our adopted highway and volunteering at Campbell University's Spring Fling, a fun-filled day for mentally challenged children. We held our annual taco dinner to benefit Falcon's children's home and participated in the cycling Race for the Cure, sponsored by the American Diabetes Association, which started in Buies Creek and ended in Wilmington, North Carolina.

Socially, brothers enjoyed our annual graffiti party, which was held during initiation weekend, a Margaritaville theme party, and our annual pig pickin', where we said a tearful goodbye to the P-3s. We also organized the fourth annual St. Patrick's Day dance, sponsored by IFC. Our annual cadet ball was held at Myrtle Beach. Julie Wright and her committee did a fantastic job planning the activities. The weekend was filled with laughter, sun, dancing, and memories that will last a lifetime. During the ceremony, Eli

Sutherland was recognized as Brother of the Year, and the Asklepios Key was presented to Kim Evans, a brother who truly exemplifies the meaning of Kappa Psi.

—Aleesa Carpenter

Delta Pi *Texas Tech University*

Delta Pi, along with the faculty, held a blood glucose and blood pressure screening as a community service project. Brothers continue to volunteer at the Ronald McDonald House.

Our fund-raising efforts included selling T-shirts and shot glasses.

Delta Pi brothers went to the Province VII meeting in Dallas where Shawn Gautreaux, our Grand Council Deputy, and Andrew Helterbran were elected satrap and secretary/treasurer of the province, respectively.

Socially, brothers enjoyed a luau and the annual Kappa Psi/Phi Delta Chi bowling tournament.

We are looking forward to the 52nd GCC in Pittsburgh.

—Anisba Dave

Delta Sigma *Midwestern University at Glendale*

Delta Sigma brothers educated children on poison prevention and held a blood drive as well. The brotherhood

of our chapter continues to strengthen, which is evidenced by our dedication while volunteering with Habitat for Humanity in the Arizona heat. Brothers worked alongside other volunteers during the construction of houses for low income families. Over two weekends, brothers performed such tasks as digging, drilling, and painting.

For fund raising, brothers sold pharmacy drug cards for the top 200 drugs, top IV drugs, and common nonprescription drugs. We also sold Lexi-comp software for PDAs and pharmacy-related ties.

We are looking forward to our next province meeting in Stockton, California.

We would like to thank and congratulate our brothers who graduated. We will miss the boisterous laughs, sighs in class, Southern accents, mouths full of food, and diversity that characterized this class.

—Kristl Tom

Delta Omicron *Wilkes University*

We held our fifth annual awards luncheon and installed new officers as follows: Amanda Edwards, regent; Lauren Hill, vice regent; Jacqueline Hock, corresponding secretary; Holly Hicks, recording secretary; Kim Metka, treasurer; Meghan Sullivan, historian; Mary Alves, ritualist; Dan Dugan, sergeant-at-arms; and Dr. David Maize, Grand Council Deputy. Numerous awards were presented to brothers at the luncheon, including the Asklepios Key to Vince Hartzell, which is considered our Brother of the Year award. We also awarded 38 scholarship certificates, accounting for 86 percent of our eligible brothers.

and osteoporosis programs. The chapter spent 344 hours on community service this year.

Socially, we held our annual spring formal at the Victoria Inns in Pittston. Delta Omicron brothers and their dates, graduate brothers, and brothers from Beta Omega were in attendance. We also presented gifts to our graduating brothers. Delta Omicron brothers participated in our annual faculty/student softball game. It was a close game, but the faculty team won by one run, with some help from our P4 and P3 brothers. Delta Omicron brothers, along with Pocono Graduate chapter brothers, faculty members, the dean, and their family members, went on our annual trip to the luxury box at Lackawanna Stadium to see a Red Baron's baseball game.

We would like to congratulate our graduating brothers and wish them the best of luck in their future endeavors.

—Megan Sullivan

Delta Phi

University of California at San Diego

Delta Phi initiated 10 new brothers, increasing our chapter to 26 brothers strong. During the pledge process, brothers formed new bonds and reinforced our connection to the values and history of Kappa Psi.

We wish to express our gratitude to Ali Rezaei, past regent, and all of the officers from the past year, and look forward to the leadership and inspiration of Linda Ngo, newly elected regent, and the new group of officers. We want to thank Chris Woo and Anthony Manoguerra, Grand Council Deputies, for their involvement this year. Chris Woo was awarded the Community Excellence award at the UCSD SPPS banquet for his tireless support and guidance of our chapter and school.

Delta Phi brothers met with graduate brothers in the San Diego area for our first meet and greet breakfast, where we shared our ideas and plans for the coming year. Brother Jamie Tobitt presented Delta Phi chapter with a framed Kappa Psi coat of arms. Brother Pat Gramata presented a Kappa Psi history book to our chapter.

Arizona Graduate

Arizona Graduate brothers are still striving to increase membership and build communications between the two collegiate chapters in our area, Midwestern in Glendale and the University of Arizona in Tucson.

Arizona Graduate brothers attended the Province IX Assembly, which was held in Glendale, Arizona, and hosted by Midwestern. Arizona Graduate

Brother Brett Rathi was elected satrap, replacing Arizona Graduate Brother Bonita Shin. We are definitely taking the initiative to continue our involvement in the Fraternity. We are very proud of all of our brothers serving on the Province IX Executive Committee.

We are also very proud to announce that the sixth annual Kappa Psi Foundation golf tournament will once again be held here in sunny Arizona. The golf tournament is scheduled for the weekend of October 2, so mark your calendars and start making plans to come and visit us. If you have any questions or would like further details, please contact Brett Rathi at brettrathi@cenaz.com.net.

We welcome all of our brothers who recently graduated and accepted positions in Arizona to become members of the Arizona Graduate chapter. Please contact either Brett Rathi at brettrathi@cenaz.com.net or Stephanie Stephenson at ky4life@hotmail.com. We would love to hear from you, help you get involved in the area, and stay active in this amazing Fraternity. Kappa Psi is for life, and the brothers out here are more than happy to lend you a hand in becoming acclimated to life in the desert.

Boston Graduate

Boston Graduate officers were elected as follows: David Caristi, regent; Jason Tremblay, vice regent; William Prince, secretary; Joseph Giunta, treasurer; Michael Cournoyer, historian; and Jonathan Kurkowski, chaplain.

The brothers of Boston Graduate went to the Province I Convention at the Courtyard Marriott in Albany, New York, hosted by the brothers of Beta Delta. Becky Nowak, Grand Ritualist, and Erick Sousa, Collegiate Member-at-Large, as well as several visiting brothers, were in attendance. Boston Graduate brothers Claudio Faria and Michael Cournoyer were elected to the province offices of satrap and secretary, respectively. We congratulate all brothers elected to office.

Mu brothers Saamil Patel and Andy Russo were recipients of Mu chapter scholarships.

We would like to congratulate all brothers who graduated last spring, especially the brothers from Mu.

—Michael Cournoyer

Minnesota Graduate

Minnesota Graduate had a potluck barbecue, followed by a meeting, at Christy Askew's house. We held elections, discussed scholarship awards, and planned participation in several philanthropic activities. Our new officers are: Becky Nowak, regent; Tracy

Anderson-Haag, vice regent; Christy Askew, secretary/treasurer; Kristi Solberg, historian; Brian Entinger, chaplain; Matt Kresl, sergeant-at-arms; Sandy Johnson, social chair; and Sarah Barber, scholarship chair.

We continue to volunteer as on-call pharmacists for the Phillips Neighborhood Clinic, a student-run clinic in Minneapolis, and use the graduate brothers for advice and assistance as needed. We returned to Camp SuperKids, a weeklong summer camp for kids with asthma, where we worked at the pharmacy, helped with asthma education, and participated in camp activities with the kids.

Minnesota Graduate celebrated its 50th anniversary at a combined diamond and golden anniversary conclave with Epsilon. The conclave was held at the Bloomington Radisson and included a speakeasy costume night and masquerade ball. The awards ceremony was highlighted by speeches from brothers Rory Rimmel, S. Bruce Benson, Chrisann Rauzi, and Frank DiGangi. We presented Gold and Silver Mortar awards and inducted two new brothers who were Little Sisters of the Mask before Epsilon allowed women full membership. We are very proud to have reached such an important milestone.

Graduate brothers sponsored and presented several awards and scholarships at the awards banquet at the University of Minnesota College of Pharmacy. Abby Nikolas, Amy Paver, and Kristi Solberg were recipients of the scholarships. We also sponsored a \$1,000 Perfect Attendance award that was divided and presented to the Epsilon brothers who had perfect attendance at regular meetings this year. The award was presented during the Epsilon dinner meeting at Sidney's in St. Paul.

Minnesota Graduate brothers enjoyed tailgating with Epsilon at a St. Paul Saints game. We grilled brats outside the stadium, making sure to save room for the deep-fried cheese curds inside the stadium.

Our chapter news would not be complete without mentioning the wedding of our Minnesota Graduate regent and Grand Ritualist, Becky Nowak, and Brother Jeff Fahrenbruch,

Pacific Graduate

Pacific Graduate welcomed 13 new brothers into our chapter during the graduation ceremony. We held a reception at the house to honor those graduates and to meet and take pictures with friends and family. Champagne and snacks were served, and each graduate received a Kappa Psi medal in recognition of their accomplishment. The next day, the 13 brothers became doctors, officially. Congratulations to Darryl Kunihiro, Reid Kodani, Jeff Jolliff, Tuan Dinh, Michael Anglo, Phillip Chong, Les Hankinson, Justin Sakaguchi, Henry Chan, Jason Kim, Douglas Chang, Wayne Lam, and Richard Chong.

Pacific Graduate rolled out the old charter bus and headed to the Napa Valley on a wine tour. The wine tour was organized by Gabe Leung, Pacific Graduate vice regent. We went to Whitehall Lane, Sterling, and Andretti Winery. We rode the tram up to Sterling and enjoyed lunch served by All Seasons Catering. Brothers and guests from all over the state attended the tour, including Dr. Leanne Leung, Dr. Samuel Hodges, Dr. Donald Floriddia, Dr. Kevin Okuni, Dr. Ki and Annette Vacca, Dr. Mike and Nora Pastrick, Dr. Bill and Linda Brehm, Dr. Jamie and Whitney Tobitt, Dr. Michael Cuellar, Dr. Chris Amaral, Dr. Greg Umeda, Dr. Eric Gupta, Dr. Brandon Okaneku, Dr. David

Mitchell, and Dr. Than Nguyen. Dr. Jamie and Whitney Tobitt traveled almost 500 miles from San Diego to spend the day with brothers. Pacific pride. This summer, Pacific Graduate also held a luau.

Providence Graduate

Providence Graduate held our annual Founders' Day awards banquet at the Radisson Hotel in Warwick, Rhode Island. Chapter officers were installed and a number of awards were presented to worthy brothers. Anthony Palmieri, Grand Regent and Providence Graduate chapter brother, delivered the invocation. Donald Letendre, dean of the University of Rhode Island College of Pharmacy and friend of Kappa Psi, was also in attendance to honor the evening's award recipients. Golden Mortar awards, marking 50 years of brotherhood in our Fraternity, were presented to Norman A. Campbell, John S. Dattoli, Anthony J. Solomon, Michael J. Scarpellino, Amario Diorio, Owen Earnshaw, Robert G. Harb, Richard J. Lafond, Charles A. Lynch, David C. Simpson, and Donald A. Velozo. Silver Mortar awards were presented to those who have been brothers for 25 years.

Providence Graduate would like to congratulate Brother Richard Garzilli, who was promoted to administrator of pharmacy services for the State of Rhode Island Department of Mental Health, Retardation, and Hospitals. He most recently served as pharmacy supervisor of Eleanor Slater Hospital on the MHRH campus. He will now oversee operations at Eleanor Slater Hospital, the CMAP program, and Rhode Island's Central Pharmacy. He has served the state for more than 25 years. Brother Chuck Haytaian has

accepted the new position of director of pharmacy for both Landmark facilities in Woonsocket, Rhode Island. We wish both brothers the best of luck in their new posts. We would also like to congratulate Brother John Grossomanides, who recently announced his engagement to Maria Panos. A November wedding is planned.

Despite the fine play of graduates Dave Rowley, John Grossomanides, Brian Musiak, Steve Edwards, and Jayce Huynh at the graduate versus undergraduate softball game, the undergrads edged the grads 6-4 in extra innings in one of the lowest-scoring games in Providence Graduate and Beta Epsilon history. We look forward to avenging our loss next year.

St. Louis Graduate

St. Louis Graduate welcomed 12 brothers into the chapter upon graduation.

We have been working hard to revitalize our chapter, promoting several professional and social functions in conjunction with the collegians, and donating money, time, and support to make improvements to the fraternity house.

John Hamilton, our regent, has put a lot of time into the Gamma Pi family tree, which now has more than 500 names, and will eventually hang in the Kappa Psi house.

We sponsored a barbecue and breakfast for brothers who attended our annual float trip. We also hosted a graduate reunion weekend that included a golf scramble, barbecue, and CE class.

Province I

The Province I Assembly was held at the University of Albany in the mountains of upstate New York, hosted by the brothers of Beta Delta. The collegiate chapters in attendance were Beta Epsilon and Mu. Providence Graduate and Boston Graduate represented the graduate chapters. We were honored by the presence of two Grand Officers, Eric Sousa, Collegiate Member-at-Large, and Becky Nowak, Grand Ritualist, as well as Lawrence Brown, our province supervisor, and John Grossomanides, past Grand Regent. Other brothers at our meeting were Tracy Anderson-Haag and Jennifer Friehe. Brothers arrived on Friday night and, after watching the Red Sox victory, enjoyed a leisurely night on the town. Saturday morning arrived quickly, and the business meeting promptly started with the province officers giving updates. Continuing the

tradition of compiling the Northeast 99, Eric Sousa, vice satrap, did a wonderful job assembling this year's edition. After a brief discussion about the upcoming Grand Council Convention with Becky Nowak and the appointment of committees, nominations were opened for the various offices. After a brief break, allowing the committees time to meet, the province supervisor gave his remarks and the committee chairs gave their reports. Lunch was served, followed by chapter reports and the election of officers. We would like to congratulate the new province officers: Claudio Faria, satrap; Joshua Gagne, vice satrap; Michael Cournoyer, secretary; Adam Pesaturo, treasurer; Anthony Del Signore, historian; and Sam Barbat, chaplain. We would also like to thank the brothers leaving office. The weekend wrapped up with dinner at the Barnsider restaurant. The assembly was very productive and fostered many new ideas. We discussed ways of improving province meeting attendance as well as plans for future fund-raisers.

Province III

Many of the chapters in Province II have been hard at work in the community, including spring cleanups in Pittsburgh and smoking cessation programs in Wilkes-Barre. All chapters have been contributing to our province philanthropy project. We are volunteering our time and knowledge at free clinics and brown bag programs.

We were very excited to meet up with Kappa Psi brothers from Eta, Beta Kappa, Beta Omega, Delta Epsilon, Delta Omicron, Pittsburgh Graduate, and Philadelphia Graduate in Seattle. Brothers spent time with the Academy of Student Pharmacists, Phi Lambda Sigma, Rho Chi, CEs, and have fun seeing all of the sights in Seattle.

Brothers also had fun at home this semester. Delta Epsilon held a Mad Hatter formal and everyone wore crazy hats in true Wonderland fashion. Beta Kappa rocked out to their favorite jams of decades past at their totally 80s party. Krimped hair, scrunchies, day-glo,

and leg warmers were in full effect. In Wilkes-Barre, Delta Omicron showed their athletic prowess by pouncing on their faculty in the Kappa Psi versus faculty basketball game.

Our chapters also said goodbye to quite a few brothers; it is a bittersweet farewell. We wish you the best of luck in your careers and we hope to see you at province assemblies as well as in Philadelphia, Pittsburgh, West Virginia, and Pocono graduate chapters.

We are continuing our preparations for the next GCC to be held in Pittsburgh next summer. The months will pass in a blink of an eye.

Province IV

The beach was beautiful. Everyone had a great time at the Province IV Interim meeting at Palm Beach Atlantic. A huge thanks goes out to Delta Upsilon which did a wonderful job of hosting the meeting. It was great to see brothers from Psi and Gamma Pi as always. Our next meeting will be in Birmingham, Alabama, hosted by Gamma Zeta in January.

—Kali Jernigan

Province V

Province V elected new officers and would like to thank last year's officers for a great job of improving communication between chapters. We would also like to thank Beta Psi at The University of Wisconsin in Madison for hosting the Province V Assembly.

After spending the last two years with Special Olympics as our philanthropy project, we have now switched gears to Big Brothers and Big Sisters.

Province V would like to invite everyone to Midyear, which will be hosted by Beta Phi at the University of Cincinnati, September 24–26. For more information about this and other events in Province V, please visit our Web site at kappapsi5.org.

—Justin Kullgren

Province VIII

The brothers of Delta Zeta at The University of Iowa hosted the Province VIII Assembly in Coralville, Iowa. Brothers from all seven collegiate chapters and four graduate chapters were in attendance. On Friday night, the 80s struck back in true VH1 fashion, that is, if you can call it fashion. Prom dresses, Madonna, the Bad News Bears, Revenge of the Nerds, a couple of ladies in their 80s, rolled jeans, and big hair were the highlights of the evening.

We started Saturday morning with the call to order by Tracy Anderson-Haag, satrap. During the meeting, committees met, the newest being the Health Promotion and Education Committee. The Communications Committee introduced the new and improved Province VIII web page, which is jammed with interesting Province VIII information. The new address is kappapsi8.org. The Cost Containment Committee presented their recommendations, based on the results of a survey, to help chapters decrease the costs when hosting a province meeting. This information is being incorporated into the planning packet. We would like to thank the committee chairs and their committees for all of their hard work.

After committee reports and a short break, we heard chapter reports. Chapters presented very entertaining reports, and all made it within the seven-minute time limit. The Golden Peanut was awarded to Delta Zeta for Queer Eye for Kappa Psi. Jill Weeks and Becky Cummings were recipients of recognition pins for their hard work as conclave co-chairs. The Traveling Trophy, presented to the chapter with the highest percentage of active brothers attending the meeting with respect to the distance they had to travel, went to Beta Chi with more than 50 percent of their chapter in attendance.

Impressive. The coveted Hoe, which now happens to be petrified in epoxy for preservation purposes, was presented to Deanna McDaniel. A toga party followed the banquet. Dr. Craig Burkin from Province V attended the meeting.

The next Province VIII meeting will be hosted by Gamma Kappa in Sioux Falls, South Dakota, November 5–6.

Province IX

We would like to thank and congratulate last year's officers for their hard work and outstanding service to Kappa Psi. The new province officers were elected as follows: Brett Rathi, satrap; Sheldon Kong, vice satrap; Ali Rezaei, secretary/treasurer; Jon Nakao, chaplain; and Kristl Tom, historian.

The Province IX Assembly was held at Midwestern University in Glendale, Arizona, hosted by Delta Sigma. The assembly kicked off with dinner at the home of Dr. Dietrich, Delta Sigma Grand Council Deputy. Brothers attended a banquet at Rawhide, an authentic western town. Brothers enjoyed a hay ride out to a cookout site, where an open-fire barbecue and bonfire awaited in the middle of the desert under a full moon. We also enjoyed s'mores and a game of "shoulders" around the bonfire.

Province IX would like to congratulate Delta Tau for receiving the Traveling Trophy and Delta Sigma for receiving the Outstanding Chapter Report award. Dr. Craig Johnston presented Michelle Lemanski and Kristl Tom with Kappa Psi recognition pins for their hard work in coordinating the province assembly. We would also like to thank our sponsors for the weekend: Walgreen's, Mark Gantz of Glaxo Pharmaceuticals, Valerie Waeschle of Ortho-McNeil, Bob Goodwillie of Yuma Regional Medical Center, and graduate brothers Mike Kalsman and Bryan Pham.

The brotherhood and fellowship shared by Province IX brothers continues to grow and strengthen. As a whole, we have shown great improvements in the participation of our brothers. We commend our chapters for submitting chapter reports.

We all look forward to the Kappa Psi Foundation golf tournament, which will be held in Phoenix, Arizona, on October 2. The tournament will benefit the Kappa Psi Foundation and all brothers are encouraged and welcomed to join in the fun.

We have started making plans for the next Province IX Assembly, which will be hosted by Gamma Nu in Stockton, California. The meeting is scheduled for October 15–16.

Sleepless in Seattle: Kappa Psi Style

By David H. Dunson, R.Ph., Grand Historian

The brothers of Kappa Psi Pharmaceutical Fraternity made their way to the great northwest city of Seattle, Washington, for the 2004 American Pharmacists Association meeting, held March 26–30. The brothers came to the convention with hopes of learning from our peers and meeting old and new friends. The Grand Officers were all in attendance and manned the Kappa Psi booth in the Expo Hall, which was visited by Kappa Psi brothers from around the world.

The Kappa Psi reception was held on March 28 at the Sheraton Seattle Hotel, Metropolitan Ballroom. More than 450 brothers and guests were in attendance and enjoyed appetizers and refreshments. Grand Regent Anthony Palmieri III welcomed brothers and introduced Past Grand Officers, the Grand Council Deputy, and past A. Richard Bliss Award winners. The 2004 A. Richard Bliss Award was awarded to Captain Lisa L. Tonrey (USPHS) for her outstanding contribution to the profession of pharmacy.

Since this is a small world after all, we hope to see our brothers at the next APhA convention which will be held April 1–5, 2005 in Orlando. Let us all enjoy the wonderful world of Kappa Psi, and may we all wish upon a star for our great Fraternity.
