## Resolutions

**By now, many of you** have made New Year's resolutions. Many people use the date of January 1st as a day of renewed hope and redemption. Some people make their resolution internally. Others write it down and look it over every few months to see how they have progressed. Still others make subconscious resolutions; neither writing down their resolution or, for that matter, recognizing it's existence.

And what is a resolution? It's a promise or a goal you have made for yourself. It may involve others, but its possibility for achievement rest solely on your commitment to that promise or goal. If it's a promise you've made, then keep it. If it's a goal you've set, then work to achieve it. By putting yourself in control of your commitments you will have a greater sense of self-worth and confidence to deal more effectively with the world around you. It's this type of behavior that we base our principles of High Ideals and Industry upon. Find the integrity and industry within yourself to be responsible for the promises and goals you envision.

One resolution I hope many of you have made is to attend the 49th Grand Council Convention in Kalispell, Montana, from August 3-8, 1999. The last issue of *The MASK* contained a lot of information for you. What it didn't tell you, however, is that the time to promise yourself to attend is NOW. How you proceed in keeping that promise is up to you. You will need to change your work schedule. You will need to make airline, car, or train reservations well in advance. In addition, you will need to ask yourself, "how committed am I to being there?" Don't promise yourself you're going to be there if you are not going to be proactive in realizing that promise. Make a promise to attend GCC and keep that promise.

AT KALISPELL CENTER

## 49th Grand Council Convention

Kappa Psi Pharmaceutical Fraternity will host the 49th GCC "Roundup" in the Cavanaugh's at Kalispell Center Hotel, Kalispell, MT

**August 3rd-8th, 1999**

Everyone is rushing to register. Don't wait!!  
Come see, come learn, come enjoy.  
See schedule of events on page 21.

**As one of the newest chapters** of Kappa Psi, we became part of this family because we wanted to bring a new perspective to Nova Southeastern University and provide a service to the community. We have worked diligently all semester to make Delta Rho a reality, and on the weekend of November 14, all our efforts paid off. The word “pending” after Delta Rho became nonexistent.

We have a very diverse group of individuals who come from different cultures, areas, and hemispheres of the world. That diversity is what makes us so unique. The fraternity was started with the idea of having a family that would represent and foster our individualities. After talking to the faculty and seeing their enthusiasm about how Kappa Psi has changed their lives, there was no doubt in anyone’s mind that the fraternity would meld our distinct characteristics into a strong unified entity.

On the afternoon of November 13, 1998, we met with members of the Executive Committee and discussed all the new and exciting events that would occur during our chapter installation. A mixer was held later that night at Geronimo’s, a local restaurant, so that the national officers could meet with the pledge class. We all had a great time at the mixer because it gave everyone an opportunity to talk in a relaxed setting. The next morning, our initiation ceremony took place, bringing a new and deeper meaning to the words “brothers” and

**New Members of Kappa Psi—Delta Rho proudly display their charter. They are (bottom left row l-r): Ray Enderby; Carlos Perez, Vice-Regent; James Satterfield, Regent; Craig Woodruff, and Assistant Pledgemaster. Center left row (l-r): Chanel Salado, Treasurer; Chi Lin; Mayela Castillo; Marjorie Showalter, Recording Secretary; Jason Sitowitz; Yolanda Mendez, Corresponding Secretary; Stacey Mautner; Oanh Le; Esty Trimino; and Guelsys Lopez. Top left row (l-r): Elizabeth Johanson; Michelle Bailey; Avi Cohen; Jim White; Neil Ragoonanan, Chaplain; Michael Rodriguez; Brian Hudson; Leanne Muirhead, Historian; Melissa Holtzmann Dorel Suboni; and Dr. Ted Barlows, Grand Council Deputy. Not present are: Dave Lacknauth, Pledgemaster; Suzanne Vendetti; and Quan Pho, Sargent-At-Arms.**

“unity.” Nothing but the laughter and excited chatter of the new brothers and national officers could be heard during the luncheon celebration. Following that event, the charter for the installation of our chapter was proudly presented to our regent, James Satterfield and Grand Council Deputy, Dr. Ted Barlows. The banquet dinner was held at Rolling Hills Golf and Resort, and we danced the Conga all night. Special recognition was given to Dr. Ted Barlows, James Satterfield, and our big brother, John Michael “Buuudha” O’Brien, for leading us through the pledging process and for their help, time, and efforts towards making this chapter possible. We are very

**Delta Rho receives its charter.**

**Three Delta Rho brothers (l-r) Suzie Vendetti, Quan Pho, and Dave Locknauth proudly pose for this photo.**

appreciative of all the support provided by the Central Office because they were so receptive to our needs. We also thank Brian Furbush, in that although he was not present at our initiation, his spirit and words of encouragement will remain with us throughout. Words of thanks also go to Dr. Craig A. Johnson, Mr. Tim Eley, and Mr. Johnny Porter for backing our fraternity chapter. Special thanks to Brian Reisetter, David H. Dunson, David Maskiewicz, Marquette B. Hardin, John Grossomanides, Cameron "Radar" Van Dyke, and Dr. Robert Magarian for making our initiation the

memorable event that brought special meaning to our motto of unity.

In January, we plan to attend our

**Members of the Delta Rho installation team enjoy the Saturday afternoon lunch celebration.**

regional meeting in Atlanta. We look forward to this event since it will give us the chance to meet other Kappa Psi brothers from our region. We also look forward to meeting more of our brothers next summer at the Grand Council Convention in Montana. In the meantime, we want all our brothers to know that they have a new family in South Florida who welcome them with open arms.

**Dr. Ted Barlows, Grand Council Deputy, accepts a plaque of appreciation from Delta Rho.**

**Executive Director Magarian and Regent James Satterfield proudly display Delta Rho's charter.**

# In Memoriam

## Marni Waggoner

The brothers of Beta Pi were saddened by the passing of Marni Waggoner on October 28, 1998. Marni was an active participant in all Kappa Psi functions and never hesitated to lend a helping hand when those around her were in need. She was in her third professional year at Washington State University and pursuing interests in consultant pharmacy. Marni was a talented, outgoing, and beautiful woman who touched the lives of many, especially her fellow Kappa Psi brothers. We will miss you, friend.

—Carol Sackman

**Marni Waggoner, Beta Pi**

## Thomas Sikora

Kappa Psi, Delta Epsilon chapter at Duquesne University wants to take this opportunity to share and remember a dear brother who recently passed away. We mourn the loss of our brother, Thomas Sikora. Tom came to us in the Spring of 1998. We instantly saw before us a confident and energetic personality full of life. We will never forget his wonderful smile, which was more contagious than the flu. Though we had only known him a short time, his memories are endless, and still make us smile and laugh as much as he did when he was with us. He showed so much dedication to the fraternity in such a short time. Tom had so many ideas and couldn't wait to get involved. After he was initiated, he quickly bought more letters and wore them often, very enthusiastically and proudly. And we could never forget his being the life of the party at our senior banquet. No one could get "jiggy wit' it" quite like Tom, and may I add that he would have made Puff Daddy proud. The wonderful times and fond memories are too numerous to mention but are held dear to each of us.

Now, as I write this, it deeply saddens me to put it in the past tense. But, we know that Tom will always be with us. Brotherhood is a bond that cannot be broken. We are reminded of this when we read the poem that he wrote about what the brotherhood meant to him. I want to share Tom's poem with all Kappa Psi brothers across the states, so that we can all remember how special brotherhood is, what it meant to Tom, and what it means to us.

## *A Message from Tom*

*Love can touch just one time  
And last for a lifetime  
And never let go until we're gone  
I know these lines are not my own  
But in my mind they are  
For when I think of Kappa Psi  
I am overtaken by these feelings  
Feelings of how great it's been  
And of great things to come  
The future is only as bright  
As we picture it to be  
And if we work together  
We can accomplish anything  
Because it's "One for All,  
And All for One"  
So when we're far away  
We will still be together  
No matter the distance or spaces  
That may come between us  
Nothing can ever break  
The bonds that we shall make  
For I know that each brother  
Will always have a special place in my heart...*

So, we remember Tom Sikora now and always. Even though he was an only child, he still had and has the love of many brothers. And just as how his memory will live on in his own loving family, it will also live on in the Kappa Psi family. He will always be our brother, and he will always be my "little."

—Jamie Beichner

**Big brother Jamie Beichner (left) and Little Brother Tom Sikora.**

# Chapter News

The new brothers of Chi Chapter pledge class of 1998 take a moment to pose for this photo.

## Auburn Grad

We happily report that the Auburn Graduate Chapter has reached another milestone. Our total contributions to the Claude Shumate, III Scholarship Fund have now surpassed \$3,000. Three Pharm.D. students received Claude Shumate, III scholarships for the 1998/99 year. They are: Elizabeth Shepp, a first-year student, Christy Post, a third-year student, and Kelli Johnson, a fourth-year student. Once again, special thanks go to the many brothers who made optional contributions to one or more of our three graduate chapter funds.

We are still hoping to organize a Graduate Brother reunion in the late spring or early summer, somewhere other than in Auburn. Based on our current membership, possible sites include Anniston, Gadsden, and Birmingham, AL.

Congratulations go to Dr. Nathan Holder upon his marriage to Dorothy Bailey in Huntsville, AL on October 24, 1998. They honeymooned for a week in St. Lucia.

Dr. Kenneth Barker has been named the Sterling Drug Distinguished Professor. In addition, Dr. Barker has been named director of the new Center for Pharmacy Operations and Design for the Auburn University School of Pharmacy. Brothers Kim Whitaker, Scott Jenkins, Sam and Jana McClendon, and Kim Braxton Lloyd met at an Auburn Mexican restaurant for a pregame strategy meeting prior to the Tennessee game.

Finally, congratulations go to Dr. Scott Jenkins upon being appointed to his new position as Manager, Pharmacokinetics/Bioequivalence at Elan Transdermal Technologies in Miramar, FL.

Anyone interested in joining the Auburn Graduate Chapter may contact us at the School of Pharmacy, Auburn University, AL, 36849-5503 or by e-mail at: [parsodl@mail.auburn.edu](mailto:parsodl@mail.auburn.edu).

—Daniel Parsons

## Beta Kappa

### University of Pittsburgh

Beta Kappa sends its congrats to our 11 newest brothers who were initiated before the Thanksgiving break. They are: **Sara Bristol, Dan Calvert, Arienne Camphire, Ann Davis, Keith Ealy, Philip Gee, Terri Hamilton, Ernie Sanchez, Stacey Schaffer, Camille Stuart, and Gina Zurick.** They were a very enthusiastic pledge class and we are excited to add them to our brotherhood!

During Halloween weekend, our chapter hosted the Fall Province II assembly. A Halloween party was conducted at our house, and the ghosts and goblins were plentiful. The meetings were held at the School of Pharmacy, followed by a banquet at the William Pitt Union. Consequently, Beta Kappa walked away with the Chapter of the Year of Award. Delta Epsilon, from Duquesne University, won the Slide Show Award, and our newest chapter in Province II, Delta Omicron for Wilkes University, won the Most Man Miles Award. The turnout of brothers was outstanding and a good time was had by all who attended the Fall assembly.

Beta Kappa has been keeping active. We have taken part in National Pharmacy Week through managing booths at the event, and we are still volunteering at Family House. Also, in the Halloween spirit, our newest brothers, along with other brothers, volunteered

their time to help carve pumpkins with some of the patients who are staying at the Family House. The patients and their families were very happy to have us carve pumpkins with them. The brothers had a good time as well. On the social side, Beta Kappa went to the homecoming game en masse, trekked downtown for Pittsburgh's famous Light Up Night, and had a pajama party at the house.

—Lopa Joshi

## Chi

### University of Illinois

Since the beginning of the semester, Chi chapter brothers have been working hard to welcome our new actives into the chapter. Before becoming full-fledged members, they went through a four-week rushing process and a five-week pledging process to demonstrate their Fellowship, Industry, Sobriety, and High Ideals, as well as to prove their worthiness in becoming Kappa Psi brothers. After a long and vigorous four weeks, we welcomed 28 new brothers into the chapter during the November 6 initiation. This gave the old brothers an opportunity to meet and greet the new actives, while also having fun.

Other activities Chi chapter participated in this semester included volunteering at the Greater Chicago Food Depository, the AIDS walk, as well as creating our new Chi Chapter banner and ritual costumes, which were headed by our chaplain, Krista Lee. Great Job Krista!

Though the semester has come to an end, we are getting ready for next semester's activities, which include our annual ski trip to Galena, IL and annual Kappa Psi formal. Also, a trip to Abbott Laboratories and many fundraising activities are in the works.

—Pinal Shab

## Delta Omicron

### Wilkes University

Delta Omicron would like to thank Beta Kappa for hosting a very successful Province II meeting during Halloween weekend. Fourteen Brothers and our GCD and Province II Vice Satrap, Dr. David Maize, made the trip out West. While we did not win Chapter of the Year honors, we came home with the most Brothers in Attendance award. And, we took home the most prizes from the reception on Saturday night, too! Friday night's Halloween party was a blast. Many friendships were made and others renewed throughout the weekend.

Our third pledge class has made it to the next round—the neophyte stage.

New Chi Chapter banner and its creator, Krista Lee.

Pledging began in mid-October and ended on November 20. Eleven pledges accepted bids, with all of them successfully making it through the pledge process. The following pledges have graciously given their time to join the Brotherhood: **Peter Chang, Heather Evanish, Jeremy Gerber, Stephanie Huber, Renee Kolosinsky, Kelly Kozerski, Jennifer Parrish, Mary Tambasco, Phil Tochelli, Lisa Tomaine, and Rick Seipp.** Their initiation was conducted on December 2, with a dinner dance following on Saturday, December 5.

Several brothers assisted Dr. Maize at a continuing education seminar that he hosted on November 7. Afterwards, the attending pharmacists and several Kappa Psi brothers, both grads and undergrads, came together for a tailgate party and to watch the Wilkes Colonels football team beat the Moravian Greyhounds by a score of 27-12.

A white-coat ceremony was held on Sunday, October 4 for incoming P-1 students. Some Delta Omicron brothers also assisted at this event. P-1 students were officially welcomed into the School of Pharmacy and took the pharmacist's oath.

—Bob Gershey

## Delta Xi Shenandoah University

Delta Xi finished the Fall semester with some important accomplishments. First, we turned our efforts to fundraising. The brothers raised money by holding a car wash and a bake sale in October. Then, we turned our attention to community service. Ten brothers visited a nearby nursing home and facilitated bingo games for the senior citizens, where each winner received prizes. We revisited this nursing home during the first week of December and helped the nurses and seniors with Christmas decorations and sang Christmas carols. Visiting this nursing home has been a frequent

*Delta Xi brothers visit residents of a nearby nursing home.*

*Delta Xi conducts its fundraising car wash.*

habitat for us because it gives us great satisfaction in helping to improve others' lives.

In November, several Delta Xi brothers assisted in facilitating the Shenandoah alumni auction. Those who participated, as well as those bidding on some of the prizes, include: Juany Salinas, Chris Bolling, Tracy Burns, Jen Jefferson, Willis Pang, Janet Craig, LeAnn Prosniewski, Theresa Sterling, John Duc, and Scott Secret. Later that month, three brothers, Todd Addington, Tina Castilla, and Keith Pirrolozzi, as well as our deputy grand counselor, Dr. Rod Carter, participated in a golf tournament against Phi Delta Chi. We beat PDC by five strokes and were awarded \$50, which was donated to the charity of our choice. Good job, guys!

We also began our third rush class. Rush week events included an ice cream social, a hay ride, and cosmic bowling. Six people accepted our invitation as pledges. Good luck to the pledges!

—Willis Pang

## Gamma Pi St. Louis College of Pharmacy

We have been busy here in St. Louis. On November 16, we had our Open Forum rush event. It was a great night of pasta, information, and a good time for all who attended. After listening to speakers discuss some of their great experiences with Kappa Psi, we headed over to Dr. Leonard Naeger's garage to play some pinball. Earlier that same day we educated the freshmen about the differences between the myths and facts of alcohol usage. We also recently visited the folks at the Frazier Nursing Home and held pizza sales on campus. Our graduate chapter invited us to participate in its annual poker night on November 23. There was plenty of food, drinks, and cards for all to enjoy. Thanks go to the St. Louis Graduate Chapter for a great night!

—Ronald Hall, II

## Epsilon University of Minnesota

The Fall quarter got off to a brisk start. We held our usual Fall rush and recruiting period. Twenty-four members of the first-year class are pledging. That is nearly a quarter of the first-year class! It has been exciting for our chapter to have this infusion of enthusiasm.

We held our annual party at the Dean's beautiful home. Pledges, actives, and guests attended. It was a good time to relax and wind down from the stresses of studying. Our chapter is also involved with intramural co-ed touch football. This proves to be fun for all who participate.

We continue to do our usual STD presentations at the local high schools. This is a very rewarding project for all who participate. Our service project over the summer is Camp Superkids. This camp is specifically for children with asthma. Our members (both collegiate and

grads) run the pharmacy and help these children cope with their disease. One of the nursing staff from the camp suffers from ALS, and a group of us helped her with yard work this quarter. I am certain she appreciated the efforts.

We invited the grads to give us an informative presentation about residencies and fellowships. It helped us to know what to expect when applying for residencies and fellowships and what happens during these experiences. Our dinner meeting was held at the Venetian Inn. Our speaker that evening was Tony Bose. His topic was, "Pharmaceutical Care in the Real World." It was good to hear about real-life applications of the theories we are taught regarding Pharmaceutical Care.

—Jenny Ford

## Gamma Eta

### University of Montana

We have done several community service projects this year. Once again we had a great turnout of both pledges and brothers during the highway cleanup project, which we do every year. This year, we sent a challenge to all the chapters for the Annual Diabetes Walk. Thanks go to all the chapters that participated in our project. We raised quite a bit of money and the help was much appreciated. This year, we also collected canned goods for Halloween, which we donated to the homeless shelter in town. It was good to see how much our donation was appreciated.

We held our annual Halloween party and it was a huge success. It is the responsibility of the pledge class to organize it, and they did an excellent job. As far as everyone remembered, it was the most successful Halloween party we have had to date. Everyone had a great time. We even enjoyed free swing lessons.

Our new brothers initiation was conducted on November 30. We welcomed 26 new brothers to Gamma Eta chapter and believe they will be a great asset to our chapter.

—Craig Eyer

## Delta Zeta Chapter

### University of Iowa

Fall semester has flown by, and the Delta Zeta brothers have been busy. Eighteen new pledges were initiated on November 13. They are: **Stacy Schwab, Kyra Kunkle, Abby Aversing, Monica Fay, Eric Parsons, Nicole Scheckel, Brandy Miller, Erin Ulrich, Elly Putensen, Katie Sigwarth, Missy Collins, Kevin Chanez, Jenifer Hoy, Kelli Paulson, Brandi Marquart, Jodi Moeller, Bridget Schultz, and Melissa Boerner.** Congratulations to our new initiates!

On Halloween, several brothers made candy bags and handed them out at the University of Iowa Children's Hospital. The kids really enjoyed them, and so did

we. We also held a bake sale for students and faculty at the College of Pharmacy. We made about \$100 and donated all the extra goodies to the Salvation Army.

Sixteen brothers attended the Province VIII Conclave at Beta Chi, and eight of those were pledges. We all had an excellent time, and want to thank Beta Chi for a great weekend.

We have also begun handing out several monthly awards. Most Active Member for the month of October went to Christie Corkery. Most Active Pledge for October was a tie between Missy Collins and Monica Fay. The Most Active Member for November was Lisa Cooley. Best Performance at Initiation went to Kyra Kunkle. Most Creative Pledge Parent went to Brian Davis, and the Gomer Award for the craziest pledge went to Eric Parsons.

Coming up this winter is ice skating at the mall to relieve the stress of classes. We have several philanthropies planned as well, including a Dance Marathon and Relay for Life. Some members also assisted the Make a Wish Foundation by taking kids' photos with Santa at the mall. We are also preparing a presentation for middle school children on the dangers of anabolic steroids, and are planning two presentations for next semester.

Finally, we are looking forward to joining North Dakota in celebrating its 75th anniversary at the Spring Conclave.

—Alysia Rubis

## Beta Chi

### Drake University

Beta Chi started off the semester doing some last-minute fundraising for the Fall Conclave. Members donated items and we had a garage sale. It is pretty scary to ponder the things Des Moines residents will buy. We also have been doing our usual concession stand fundraising.

The Fall Province Conclave was a great success. We enjoyed the company of

Grand Vice-Regent Brian Reisetter and Grand Ritualist and Province Supervisor Dave Dunson. Friday night's theme of absolute conclave brought back some memorable past conclave costumes that we all loved. Friday night, Spidy (the blow-up Spiderman) attended. He had a great time until his death. Brother Sean Higgins jumped too hard and blew a mighty big, unrepairable hole in Spidy. It was a sad moment.

Saturday night's "Dress as your favorite dead person" theme brought back many people, however, Elvis wasn't there. Oh, I forgot. He isn't dead. Congrats to Beta Sigma for receiving the Traveling Trophy and to Gamma Epsilon for receiving the Peanut Award, though I think our chapter's "We Are the World" entry was pretty darn good.

Fuzzy's (the new name of the establishment in Anita, IA, known last year as Bucko's), was the site for our annual half-way party with the Beta Nu chapter. Many card games were played, and we tried to get a new blow-up prop for Conclave, but they just would not sell us the blown-up linebacker.

We had a dinner for our seniors, giving them the opportunity to do their wills. After the dinner, we joined the alumni for a Des Moines Bucs hockey game. And finally, following the Bucs game, the pledges threw their social, a backyard weiner roast.

We were able to round up the "Dirty Dozen"—our 12 pledges for this year. They have been doing a great job and were initiated in January.

The chapter has been involved in a few different philanthropies this past year. We first baked cookies for the families at the Ronald McDonald House. They have invited us back to make more cookies and prepare dinner. Move over,

Beta Chi pledge Sandy Zeiller (left), "Spidy" before his death, and Grand Ritualist Dave Dunson, enjoy Province VIII's Friday night activities as part of the Fall '98 Conclave in Des Moines.

Members of the Province VIII Double-Digits Club take time out for this photo opportunity.

Julia Childs... here comes Beta Chi!! In December, we volunteered to cook at the Jolly Holiday Lights Festival, which is a city tradition of light displays for all to enjoy. To give our brains a break, we went Christmas caroling at the faculty holiday party. We crashed it last year, but this year we actually received an invitation. I guess we can sing as well as cook!

We have also been going to local pharmacies and providing hypertension screenings. At the local elementary schools, we have been presenting poison prevention talks to the children.

A big Beta Chi welcome goes to new faculty brother Brad Tice, Rho Chapter initiate. We also want to congratulate those members who were inducted into the Phi Lambda Sigma Leadership Fraternity: Jane McLaughlin-Middlekauff, Aaron Middlekauff, Dane Coffey, and Melia Steensen. A big congrats goes to the chapter as a whole for being ranked fifth in the nation and first in Province VIII.

—Heather Kitchens

## Beta Psi

*University of Wisconsin*

This Fall has been very successful and exciting for the Beta Psi chapter. We proudly welcomed 11 new members to our chapter: **Scott Fortney, Jason Hoiness, Becky Kuffel, Adam Labs, Ben Laird, Jill Patin, Trisha Seys, Tabarius Smith, Sarah Stichert, Jennifer Stutz, and Colleen VanDyke.** Congratulations to all of you!

We held our banquet honoring our new members at the Concourse Hotel in downtown Madison. It was great fun for everyone.

In the past few months, we have had much going on alongside the pledging season. In October, we hosted a very successful homecoming party which many alumni attended. After the evening game, one of our recent grads brought his band to the house for a small concert! We also celebrated Halloween with our annual fund raiser for UNICEF, and

as usual, we raised a large donation this year. The pledge class arranged the party and it turned out great. We also went to the University Hospital to reverse trick or treat for the children there who would not be able to trick or treat themselves. We handed out lots of candy and smiles! In November, we had our Faculty breakfast, with a big turnout from both Kappa Psi members and faculty. A good time was had by all. We enjoyed our annual fun December bus trip.

Our hope is that everyone had a safe and fun holiday break.

—Stephanie Schultz

## Province VIII

Province VIII's Fall '98 meeting was hosted by Beta Chi on October 30-November 1 at the Merle Hay Holiday Inn, located in Des Moines, IA. National officers who attended were: Brian Reisetter, Grand Vice-Regent, and Dave Dunson, Grand Ritualist and Province Supervisor. Friday evening was spent reminiscing about our favorite memories of past conclaves, with the "Absolute Conclave" theme.

Much work was accomplished at Saturday's business meeting, which included a CE program on herbal products presented by Dr. James Reynolds.

Congratulations go to newly-elected officers Adam Gregg, Vice-Satrap, and Julie Chase, Secretary/Treasurer. Guest Speaker Dr. Brad Tice talked about implementing pharmaceutical care in the community setting at the evening's dinner. The Golden Peanut (best chapter report) went to Gamma Epsilon, the Traveling Trophy was awarded to Beta Sigma, and a Recognition Pin was presented to Jennifer Livingston for planning the weekend. Saturday night brought back many favorite celebrities with the costume theme, "Dead People."

Please join us on March 26-28 in Fargo, ND, for Province VIII's next Conclave, when we will also be celebrating Beta Sigma's 75th anniversary.

—Becky Ottman

## Gamma Xi

*University of South Carolina*

Gamma Xi ends its Fall 1998 semester exhausted from a busy and much accomplished first-half to the school year. First and foremost as the semester ended, so did our Fall 1998 pledge class. As of December 1, 1998, I am proud to announce our three newest brothers to Kappa Psi: **Chris Dibble, Frank Kratofil, and Dontel Morris.** All three worked hard this semester proving to us and to themselves that they were motivated and determined to become Gamma Xi brothers. This semester, the brotherhood focused on quality versus quantity. Chris Dibble displayed exceptional efforts, with the chapter voting Chris as "Pledge of the Year." Congratulations to Chris and his two other pledge brothers for a great semester!

One of our bigger functions this semester was participating in the first annual USC College of Pharmacy Formal, sponsored by the Pharmacy Student Government and all the organizations that comprised it. This first time event was a tremendous success with 200+ students, faculty, staff, and distinguished guests coming out to Williams-Brice Stadium for good food, dancing, and high spirits.

Halloween was the weekend for this year's collegiate-graduate gathering. Things began with a Gamecock home football game that was followed by a catered supper later that evening. Sunday afternoon consisted of the annual Mortar Bowl, which turned out to be one of the most exciting football games between the collegiates and the graduates in recent years. With less than two minutes remaining in the game, the graduates scored to obtain the lead 20-13. The collegiates then scored a touchdown within one minute, but missed the extra point attempt, with the graduates winning this year's Mortar Bowl 20-19. Congratulations go to both sides for a great game and FELLOWSHIP for all Gamma Xi brothers!

In addition to the College of Pharmacy, Gamma Xi has also been active in the Columbia community. In the middle of the semester, several brothers went to a local children's hospital to hand out Halloween candy, play games, color, and make other crafts in hopes to make these little patients' hospital stay just a little bit brighter for at least one day. During the holiday season, Gamma Xi took up collections in our pharmacy classes to sponsor two families. We donated a great dinner to a family of 10 that included 7 children and 3 adults. For Christmas, we used the left over money to hold a fundraiser to purchase Christmas dinner and gifts for another needy family in the Columbia area.

Finally, Gamma Xi thanks David Clark, this year's Regent. David contributed

**From left to right: Marvin B. Robinson, University of Mississippi; Donny Thompson, University of Arkansas for Medical Sciences; Theresa Nguyen, Howard University; and Christina L. Aquiante, University of North Carolina, present their data at the 20th Annual Merck Pharmacy Student Research Conference, sponsored by the West Virginia University School of Pharmacy and the Merck Company Foundation. The conference was conducted on October 17, 1998.**

much time and effort to this chapter's striving to be the best chapter possible. His tremendous leadership and HIGH IDEALS this past year were noticed by all the brothers. They voted David as "Brother of the Year." Congratulations and a sincere thank you for all that you've done for Kappa Psi, David!

—Brad J. Crane

## Minnesota Grad

It's been busy! This Fall we hosted a Residency Seminar for the collegiate chapter. Details on residency programs, experiences, and the application process were shared by grads who had first-hand experience. The grad chapter also attended the Fall Conclave. It is fair to say that all who attended enjoyed themselves!

We have had some unfortunate news—the head nurse at Camp SuperKids (asthma camp where we volunteer in the pharmacy), Diane Jones, has ALS. We have been preparing frozen meals and delivering them to her to help her balance her therapy and work. For any of you who would like to show your support, please e-mail Chrisann @ bzhag@aol.com.

Another big project in the planning is the Millennium Party (AKA Party 2000), which will be held 12/31/99 to 1/2/00. It will be a huge party for Kappa Psi members at the Minneapolis Airport Hilton, and guaranteed to be a great time! For more information, please see the ad in this issue of *THE MASK*.

Also coming up, we are planning an outing to Tony and Tina's wedding in February. Nothing like a Conga line out onto the streets of Minneapolis in February with your brothers! We will also hold another Resume Seminar for the collegiates in January/February.

—Shannon Klocke

## Province II

Province II was definitely busy, busy, busy these past few months. We just had our annual Fall assembly, which was extremely successful. It was held on October 30–31 in Pittsburgh, PA, and hosted at the Beta Kappa Chapter of the University of Pittsburgh. The Halloween theme of the welcoming party consisted of some scary and crazy decorations throughout the Beta Kappa house. Halloween Day offered meetings followed by a beautiful reception that evening. We also had the oh so famous raffle, with the proceeds going to the Special Olympics. This year, we made more than ever and had a great time doing it.

Congratulations go to Delta Omicron for winning the Man Miles Award, Delta Epsilon for the Slide Show Award, and Beta Kappa for the Chapter of the Year Award. Thanks to all who came out to enjoy the weekend with us all, especially Paul Hiller, Past Grand Regent; Tim Eley, Grand Historian and Province II

Supervisor; and Dave Maszkiewicz, Grad Member At-Large. Province II always appreciates all of your support!!

—Tracy Obmer

## Southwestern Grad Chapter

The 1998 year has been an extremely busy one for the Southwestern Grad chapter. On November 20–22, the chapter met in Oklahoma City to help Gamma Omicron celebrate its 75th anniversary as well as enjoy our annual Fall Retreat.

On Friday evening, the group met at the Bricktown Brewery for a social hour with the Brothers of Gamma Omicron, Delta Pi, and Delta Beta. Saturday afternoon found us in Norman, enjoying OU and Texas Tech play football. We spent Saturday evening at the Hilton Hotel attending the Gamma Omicron Banquet.

SWGC members who attended the weekend's activities included Ben Welch, Paul Knecht, John Porter, Lynette Weil, John O'Dwyer, Darryl Raley, Wayne Hamm, and Charles Carden.

The New Orleans meeting was fun for all. Brothers Charles Carden and Paul Knecht and their wives were among those attending the SWGC meeting at the Hilton Riverside Hotel on April 24–27.

While the women shopped the antique district on Magazine Street, the men visited the French Quarter and made sure everyone there knew about SWGC.

We had numerous beignets, pan-blackened seafood, red beans and rice, Gumbo, Jambalaya, and a host of other specialties offered in the Vieux Carre.

This is the second meeting in New Orleans within the past three years. We are trying to make the trek to New Orleans an annual event, since it is such a great place.

We also participated in the Annual SWGC Regatta on Lake Ponchartraine. Photos should be available soon, highlighting that colorful event.

A record number of brothers turned out for the Province VII Spring Conclave at Delta Delta Chapter in Houston on March 27. SWGC members who attended were: John Porter, Charles Carden, Paul Knecht, Lynette Weil, Ben Welch, John O'Dwyer, and others.

Members of the Southwestern Graduate Chapter participated in the initiation of the Delta Pi Chapter of Kappa Psi during the November 14, 1997 weekend. This new chapter is located in Amarillo, TX at the new Texas Tech University School of Pharmacy. Lynette Weil, Ben Welch, John O'Dwyer, and Charles Carden drove through the ice and snow in Interstate 40 to Amarillo from Oklahoma City. Lynette drove from OKC from Kansas, then picked up John, who flew in from Chicago. They met at Charles' home and drove out together. John Porter flew in from Dallas and greeted the frozen travelers when they arrived in Amarillo. Everyone went out for steaks, then had a party at the hotel Friday evening.

The initiation ceremony was held Saturday morning and was followed by a great lunch and tour of the new high-tech, state-of-the-art pharmacy school. A banquet was served on Saturday evening, followed by an incredible evening of C&W at the Midnight Rodeo. Also attending the event were Bob and Charmaine Magarain, Brian Furbush, Darryl Raley, David Maszkiewicz, and Rebecca Ottman.

Congratulations to Delta Pi Chapter!

Southwestern Graduate Chapter is a busy chapter and has several meetings a year. We welcome any graduate brother who would like to join us. Dues are just \$10 per year and can be mailed to Ben Welch. We also sell KY license plate frames individually or in bulk to chapters wishing to use them as a fund-raising project. Visit our website at: [www.theshop.net/illspills/swgraduate.htm](http://www.theshop.net/illspills/swgraduate.htm) for more information.

—Charles A. Carden

## Beta Omega Temple University

In one word, I can summarize the Fall 1998 semester. Successful! Professionalism, motivation, and high expectations guided graduate brothers, current brothers, and pledges, alike.

Our first project of the term was our First Annual Golf Tournament. Thanks to brother Dave Bialek and graduate brother Nick Farina. It was a great success. Monty Jittla headed up fundraising this term and did an outstanding job. Significant donations were raised to benefit diabetes and multiple sclerosis research. The traditional spaghetti and turkey dinners were attended in great numbers. For a change of pace, we held the spaghetti dinner at the Spaghetti Warehouse and watched Samir Tammous mastermind a delicious turkey dinner. Finally, I'm proud to list the Fall 1998 pledge class: Brian Baker, Sean Allman, Bharat Patel, Kevin Hennessy, John Lewin, Paul Singh, Phong Le, Andrew Shiber, Satyen Shah, Quoc Trinh, Oliver Egwin, Tom Tomcanin, and Daniel Tang. Pledgemaster Steve Lincoln's devotion and hard work are greatly reflected in this pledge class. They have tackled pledging with great enthusiasm and will undoubtedly become a huge part of the rise of Beta Omega.

On the home front, this writer and Steve Lincoln continued to work on the library and repaired a large hole in the roof. Significant payments were made to help defray our fire alarm bill, and we hope to be out of debt by the end of the Spring semester. Thanks again to Dr. Tully Speaker and all the graduate brothers who made contributions.

Six brothers from Beta Omega attended the Province II Assembly in Pittsburgh. They had a fantastic time. Beta Kappa set a great example, and we all learned a good deal. Finally, next

This guy is getting ready  
for GCC, are you?

It's gonna be  
**wild!**

semester, we look forward to the annual Tri-F dinner, which may include a round of golf. We want to welcome back our brothers who were on rotations in the fall.

—Pete Franklin

## Gamma Omicron University of Oklahoma

The Fall semester has been busy for the brothers of Gamma Omicron, but we have enjoyed considerable success. In October, we conducted our first Kappa Psi vs. Phi Delta Chi Flag Football Game. After two hours of domination by Kappa Psi, the game was finally called, and Phi Delta Chi conceded the victory. We had a blast and look forward to defending our title next year.

We are also proud to welcome 22 new brothers into our chapter. Congratulations and welcome go to: **Lori Alred, Sheli Ballard, David Bateshansky, Grady Bivins, Jessica Chanthavong, Ivanne Cheatham, Laura Colaruelo, April Ficken, Tim Flores, Denise Heath, Camyn Herje, Jennifer Kindell, Todd Marcy, Amy McGougan, Julie Nguyen, Evelyn Nwosu, Simona Ouzounova, Rick Overton, Lisa Rorick, Pete Ross, Jason Thompson, and Brian West.**

Finally, on November 21, our chapter celebrated its 75th anniversary. The weekend was full of activities, and we thank those who participated. Also, a big thank you goes to the Delta Pi and Delta Beta brothers who joined us for the weekend activities. We also thank the grand officers who made the trip to help us celebrate. As a part of our formal banquet, we reflected on the history of our chapter, recognized two Golden Mortar recipients, and pondered the future and what it holds for our chapter. A personal thank you goes to each member involved in the planning of the banquet. It was a big success.

—Lisa Mills

## Pacific Grad

The Annual UOP Homecoming was conducted in October. Although UOP no

*Jerry Greene, Don Floriddia, and Lawrence Brown anchor the Pacific Graduate's offensive line.*

longer fields a football team, there was plenty of pigskin to go around, as the aging alumni outscored the younger, more physical collegiates during the Annual Arm Chair Bowl. The Saturday morning breakfast was a success, as plans to improve the fraternity house and create for a more family-oriented Kappa Psi Homecoming for 1999 were solidified. Emcee Jerry Green (Class of '87) entertained the crowd at the Homecoming Dinner, and the collegiates put together a well-organized and enjoyable evening. Also, at the Homecoming Dinner, Pacific Graduate celebrated UOP Professor Madhukar Chaubal's retirement. The former Gamma Nu advisor and long-time graduate member retires this year. Thank you, Dr. Chaubal for all your knowledge and support over the years.

Two new officers were installed at the Annual Graduate Chapter Meeting. Mark Riggle stepped down as Vice Regent after many hard working years and a successful tenure. Thank you, Mark, for your time and commitment. Your contributions over the years at both the colle-

giate and graduate levels have benefited our organization immeasurably. Replacing Mark will be former Secretary, Andy Morales. After entertaining Mask readers with his humor and wit, Andy now prepares to organize our annual wine tour, horse races, and the Southern California event.

And finally, Sam Espiritu, a recent graduate who served dutifully as Professional Affairs Chair, serves as your Graduate Chapter Secretary as well as an officer and pharmacist for the United States Navy. Peter Koo and Don Floriddia maintained their respective positions as Regent and Treasurer.

Upcoming events include the collegiates' May Yard Sale. This event raises money for charity and the house. Alumni who clean out their garages this Spring are encouraged to donate items to the sale. The tradition of the Spring Wine Tour will continue, so get your reservations in for that wild bus ride. And this summer, the GCC will be in Kalispell, MT. Grab your golf clubs, fishing poles, water skis, and saddle boots. Craig Johnson and the Montana Chapter

Gain a new perspective  
through C.E. at the  
49th GCC.

It's gonna be  
Wild!

*New brothers of Beta Xi (l-r) Anna Naples, Hannah Gentry, Abi Sommer, and Jennifer Price bring home some newly-purchased rocking chairs for the house.*

promise this will be a GCC of the decade, so make your reservations now.

Lastly, congratulations go to Chris Woo. This 1987 ASP President and former Grand Historian is now the new California Pharmacist Association's President. The Pacific Graduate Chapter is proud of Chris and his contributions to the profession.

—Sam Espiritu

## Beta Xi

*University of North Carolina*

The Beta Xi chapter gladly initiated eight new brothers in November. Congratulations go to: **Hannah Gentry, Ali Hartigan, Jake Hollar, Christy Nall, Anna Naples, Jennifer Price, Abi Sommer, and Greg Vassie.** They were a hardworking group of pledges, and we know they will continue to demonstrate that dedication as Kappa Psi brothers.

In November, the Beta Xi chapter also conducted its annual Health Fair. This year, it was held at the local Senior Center, and we expanded our services by including other professionals in our community, such as a dermatologist, an audiologist, and a massage therapist. We also offered blood glucose testing, blood pressure testing, and medication information. It was one of our best health fairs yet!

Alumni Day was a great success, also. Many brothers came to the house to enjoy a barbecue dinner and catch up on old times. It was great to see all the newly-graduated brothers and learn where their careers in pharmacy have led them.

The brothers at Beta Xi chapter look forward to the Spring semester and are busily making plans for our annual Tunnel Party, scheduled for April 9. Hopefully, the weather will be nice and warm. Please feel free to drop by if you are in the area that weekend. We will offer a great band and a great time.

—Alison Lyke

## Delta Gamma

*Auburn University*

With the school year well underway, Kappa Psi brothers have been busy with numerous activities and school work. We conducted our formal rush on October 1, at the Foy Student Union. After the dinner and presentations by the guest speakers, the brothers and new students enjoyed an evening of cards and dice as Kappa Psi's "Casino Night" got underway. Black Jack and Craps tables were set up, and brothers dealt hands to the rushes. Prizes were given to the players with the most chips at the end of the evening, and everyone went home feeling like a winner after a night of good food and lots of fun.

We held our annual Big Brother/Little Brother party on November 13. After four weeks of curiosity, the pledges participated in the traditional "String Party" to find out who their big brother would be. The big brothers hung and twisted yarn all around the pharmacy school, and the pledges had to untangle the string to learn their big brother's name. The new members will be initiated during the next quarter.

—Lizzy Norman

## Province V

Our Fall Province V mid-year meeting was hosted by our Delta Nu brothers on October 30—November 1 at the Oak Brook Hills Resort in Oak Brook, IL. The weekend started with a welcoming party at the hotel, where everyone exhibited their exceptional dancing skills and had a terrific time catching up with friends, both new and old. Saturday's activities included breakfast, a CE program entitled, "Will I Be Sued?" a meeting of the executive committee and chapter reports, a residency workshop, and a social excursion to the Lucky Strike in downtown Chicago. It was great to see so many brothers get into the Halloween spirit with some very original, interest-

ing, and scary costumes, as well as have the opportunity for interested parties to demonstrate their proficiency in the sports of bowling and billiards. The weekend wrapped up on Sunday morning with a professional speaker who covered the various aspects of managed care pharmacy. Province V wants to thank the Midwestern College of Pharmacy and the Delta Nu chapter for their incredible efforts put forth to make this year's mid-year meeting both professionally rewarding and enjoyable for everyone. We are proud to say that we had eight collegiate and five graduate chapters in attendance, as well as our friends from Gamma Pi. Way to go, Delta Nu!

Special thanks go to Anita Muthu and Jonra Cross, Mid-year Co-Chairs, for their exceptional organizational skills, which were very much appreciated.

We look forward to seeing EVERYONE at our 1999 Province V convention, hosted by our brothers at Beta Phi (University of Cincinnati), March 26-28, AND at the 1999 GCC in Kalispell, MT!

—Megan K. McMurray

## Delta Lambda

*Campbell University*

This semester has been full of fun and brotherhood for Delta Lambda. Social chair Cheryl Stokes has been busy planning our social calendar. In September, we took the Partridge Family Bus to a '70s night spot in Raleigh. In October, we had our annual Halloween Party, and in November, we celebrated the initiation of our pledges with a tunnel party. To provide funding for these events, Fundraising Chair April Richard has been busy planning money-making ventures. We had a bake sale and a spaghetti dinner. We are also continuing to sell pewter license plates, drink coolers, and cups with the Kappa Psi shield on them.

*From left to right: Dr. and Mrs. Brackett and Dean Evans enjoy Delta Gamma Chapter's Formal Rush on October 1.*

*Delta Gamma Chapter's Big Brothers and Little Brothers gather at their annual party on November 13.*

*Delta Lambda pledges gather before the Halloween Carnival.*

The best part of the semester has been initiating 22 new brothers on November 6 and 7. As pledges, they remained occupied with the spaghetti dinner, trash pick-up for the Adopt-A-Highway program, and a Halloween Carnival for a local children's home. Those who were initiated include: **Marquita Aldridge, Dale Autry, Amanda Barber, Tara Britt, Tara Cox, Mike Ferguson, Amanda Greenwood, Brian Harrington, Dwayne Harvey, J. C. Heath, Ashly Henderson, Brooke King, Matt Montgomery, Robin Mullins, Curtis Price, Bobby Rawls, Scott Smith, Mary Sprouse, Angela Thompson, Trey Waters, Cassie Way, and Lynn York.** Pledgemasters Dan Patriss, Brian Healey, and Holly Bailey did an excellent job training the pledges on the ways of Kappa Psi and preparing them to join our brotherhood.

Service projects this semester included the Halloween Carnival, trash pick-up, and a Red Cross blood drive. Cindy Ledford, the service chair, led these efforts. Kappa Psi was also well represented in the university intramural program. The guys won third place in flag football, and the ladies brought home the championship for volleyball for the second year in a row! As we prepare to close this semester, we're planning for our annual Cadet Ball in Myrtle Beach, and new officers will be elected to lead our chapter in 1999.

We look forward to the upcoming GCC and Province III meetings and hope many of our brothers will be able to attend.

—Erin Sievers

## Providence Graduate

The Providence Graduate chapter elected a new slate of officers in January, 1999 to continue the work of the current officers and provide leadership for our chapter into the new millennium.

The PCG recognized brothers who contributed to both the chapter and the community at the 1998 Founders Days Awards Banquet. Brothers Leo Blais and Karl Kehrle received the 1997 Community Service Award and Graduate Chapter Brother of the Year Award, respectively, for their efforts during the 1997 calendar year. Mike Loomis and Mike Muller, the respective 1996 recipients, were also recognized at this event. We look forward to naming the 1998 recipients at our upcoming banquet.

Paul Magalian, a Beta Epsilon alumnus, participated on the ritual team and was instrumental in establishing a new Delta Rho graduate chapter in the Fort Lauderdale, FL area. Thank you, Paul, for your efforts in expanding the Kappa Psi family!

Members have also been working hard to accomplish personal goals. Brother Paul Abourjaily has just com-

pleted a residency in patient care and drug information and is working in the primary care clinic at the New England Medical Center. Peter Anderson has earned his Pharm. D. at URI and is a forensic pharmacist in Boston, MA. There was an article about Peter and his work recently in the Academy of Students of Pharmacy Journal. Mike Simeone has become the director of continuing education at URI. Brother Jeff Ares is serving as the Section Head of Cardiac Chemistry for Proctor & Gamble Pharmaceutical Division in Ohio, and Chris Novak has returned to MCP to get his Pharm. D. Congratulations, brothers!!

PGC members on the move recently include Matt LaMere, who has relocated to North Carolina. Andrew Gaspar has moved to sunny Phoenix, AZ, and Ed Renehan has taken up residence in North Fort Myers, FL.

—Karl Kehrle

## Beta Pi

*Washington State University*

The brothers of Beta Pi are now facing the cold Pullman winter. The weather hasn't stopped them from planting trees in the area, attending the Kappa Psi-ASP Halloween party, or going to the Dad's weekend breakfast. This Fall has been full of many chapter meetings, community service activities, and social events. It looks like 1999 will also be busy for the Beta Pi chapter.

In early October, many brothers went around the Pullman area and planted trees to help the environment and prevent erosion into the river that flows through the town. On October 22, more than 100 students and faculty enjoyed dressing up and attending the College of Pharmacy Halloween party. There were prizes awarded for the scariest, funniest, and most original costumes, as well as the best group costume. There are definitely many creative people out there, and their creativity shined through when they put together their costumes. The most original was the Jolly Green Giant, and the best group costume was put together by six second-year students: they came as the Village People. The hard work and planning by members of Kappa Psi and ASP paid off.

The weekend of October 30 was Dad's weekend at Washington State University. On Friday night, many students received scholarships, presented by various pharmacies and alumni. On Saturday morning, about 100 students and their dads (and moms) enjoyed a breakfast sponsored by Pfizer, Inc. After inhaling cinnamon rolls, bagels, and fruit, there were booths set up by Kappa Psi, Alpha-ASP, and ASHP. This allowed the parents to get a feel for what these organizations offer their students. A group of Kappa Psi members organized this breakfast and look for it to become an annual event.

**Renew old friendships at GCC. Registration information can be found on page 5.**

**It's gonna be wild!**

*Beta Pi brothers planting trees.*

# Delta Theta's 25th Anniversary

BY MARQUETTE HARDIN

The brotherhood bonds of the Delta Theta chapter were rekindled when brothers and guests gathered to celebrate the 25th anniversary of the chartering of the Kappa Psi chapter at Texas Southern University in Houston. The reception ceremony was conducted on November 7, 1998 at Spurgeon Gray Hall on the University's campus. The event, characterized by the rich history of the chapter, signified the dedication and honor of the brothers of Delta Theta.

The chapter was installed in March 25, 1973 by Dr. Patrick R. Wells, with 35 charter members. These charter brothers were remembered with pride and dignity as we celebrated the chapter's silver anniversary. The Kappa Psi Executive Committee was represented by Dr. Robert Magarian, Executive Director; Mr. John Grossomanides, Immediate Past Grand Regent, and Dr. Marquette Hardin, Collegiate Member At-Large. Other distinguished guests included Dr. James Guilford, Grand Council Deputy of the Delta Delta Chapter, and Mr. James B. Hill, Past APHA Board of Trustees and Delta Theta alumni. In addition, esteemed Delta Theta alumni, retired Dean of Texas Southern University, and Past Grand Regent, Dr. Patrick Wells, attended the anniversary festivities. Finally, honored alumni, including three past Delta Theta chapter regents, and chapter brothers were present to celebrate this landmark event.

The evening began with a welcome by the Mistresses of Ceremonies Tomieka Nevers and Shaunda Mills, Chapter Vice-Regent.

**Delta Theta brothers past and present renew old friendships and gain new friendships.**

Following dinner, brother Carlette Allen entertained everyone with a slide show, "The History of Delta Theta." Dr. Wells inspired us with regard to the history of the University and his memories of the chapter's success as he delivered the keynote address. Ms. Anjanette Wyatt, President of the Pharmacy and Health Sciences Alumni Association, and Mr. Marcus Davis, Delta Theta Chapter Regent, bestowed awards and presents on Reverend Wells and members of the Executive Committee. Additionally, Mr. Grossomanides congratulated the chapter and presented it with a 25th anniversary plaque and Kappa Psi History Book. The evening concluded with remarks and congratulations from Dr. Magarian.

Congratulations to the Delta Theta chapter on its 25 extraordinary years as a Kappa Psi chapter.

Above left to right: Past Grand Regent John Grossomanides, G.C.D. James Guilford, Executive Director Bob Magarian and Past Grand Regent Patrick Wells.

Dr. Kantig Bansali and Past Grand Regents John Grossomanides and Patrick Wells catch up on old times.

*Beta Sigma proudly introduces its new initiates.*

The Beta Pi officers are busy preparing for initiation. Our goal as a chapter is to increase membership by 20 percent. Many first- and some second-year students are anxiously awaiting initiation.

During the three-day weekend in January, Kappa Psi brothers of Beta Pi trekked to ski at Schweitzer Mountain in Sandpoint, ID. The ski trip has been an annual event and its popularity continues to rise.

—Andrea Renford

## **Beta Sigma** *North Dakota State University*

We have been busy with many activities since last spring. Over the summer, we put several hours of work into the house to fix it up. We painted the ceiling in our meeting room, and installed new lighting in both our meeting room and the basement, installed a new boiler, painted the trim on the house, and refinished the house doors. Since school started, we have been busy with activities, such as participating in the Roger

Maris Cancer Walk for the Roger Maris Cancer Center in Fargo, volunteered at the Children's Museum at Yunker Farm, where we helped with special activities for children and their families. We also held our annual Homecoming alumni pig roast and had a float in the Homecoming parade. We celebrated National Pharmacy Week by holding a Blood Pressure Screening in the Student Union, hosted our annual Halloween Party, and also volunteered at the local Ronald McDonald House by preparing a meal for its residents.

We are now working on planning our 75th Anniversary Celebration to be held in conjunction with Province VII Conclave on March 26-28, 1999 in Fargo, ND.

—Joshua Nielsen

## **Province I**

The Province I Fall 1998 meeting was held at the Albany College of Pharmacy in Albany, NY, on October 23-24. Undergraduate chapters Mu, Beta Delta, and Beta Epsilon, and several graduate chapters were in attendance. After the brothers met and registered, a 1970s-style social was held in conjunction with the local LKS chapter. Dancing continued after the social at the Elbo Room.

Saturday morning's meeting was attended by Grand Officers Marquette Hardin and John Grossomanides. Items discussed included establishing a Province I web site, travel plans for the Grand Council Convention in August, reviewing the national alcohol and hazing policies, and publishing a history of Province I. The meeting was very successful; the Spring meeting will be hosted by the Nu Chapter.

—Josh Spooner

## **Beta Nu** *Creighton University*

The Fall '98 pledging period has come to a close, and Beta Nu welcomes 12 new initiates to the chapter. Our new brothers played a big part in community service activities in the past few months.

Devoting several Sunday afternoons to highway cleanup, they have helped keep Beta Nu's section of Cornhusker Highway clean. The Ronald McDonald House in Omaha showed its appreciation for Beta Nu's serving Tuesday evening spaghetti dinners to guests.

The brothers of Beta Nu have enjoyed getting to know the new initiates, especially sharing Halloween festivities with them at the Province VIII Conclave. Several new initiates earned their nickname over the weekend. We don't want to forget to mention the autumn hayrack ride, ice skating, a classy wine and cheese party, cosmic bowling under black lights, a Hawaiian luau, and several barbecues (when the weather was warmer in Omaha), and the fun times had by all during this pledging season. More recently, we met with Beta Chi at our annual halfway party in Anita, IA.

We're looking forward to our spring-time goals and are busy forming committees and lining up activities for the next few months.

—Claire Connolly

## **Gamma Nu** *University of the Pacific*

After battling through midterms, are the brothers of Gamma Nu tired? No way! This chapter's candle is no where near burning out. Some events we have conducted include hypertension screenings at various Raley's Supermarkets and participating in a carnival for children at a local elementary school. On top of this, we had our annual homecoming, and let me tell you, we had a blast! Many alumni returned to relive memorable moments that we, the collegiates, are going through now. Without a doubt, the events that we had, such as our formal dinner and football game, not only brought everybody together, but they also allowed us to relieve ourselves from all the stress. Another pastime activity that we have is Monday Night Football, where everyone gets together to watch the game and eat pizza.

One of our goals was to give our chapter's house a face-lift. We started by cleaning the house from top to bottom, then painting the walls of the living room and history room. Thanks to everyone who helped out.

While we have just closed off the semester, we are preparing for next semester's events. We are looking forward making additional improvements on the house, but more importantly, we are getting ready for the new pledge class.

—Roger Santos

## **Beta Eta** *West Virginia University*

The Fall semester has gone by quickly for the brothers of Beta Eta. The chapter has been busy with various activities over the past months. Social events, including a hayride and a Halloween

*Beta Nu brothers prepare dinner at the local Ronald McDonald House.*

*Beta Eta brothers deliver their carved pumpkins to a local nursing home for the residents to enjoy.*

party, have given the brothers and pledges the opportunity to relax, have fun, and get to know one another better. The brothers have also enjoyed working together to design this year's pledge t-shirt. A sweatshirt design is also in the works and will be sold to students in the School of Pharmacy as a fundraising project.

Beta Eta has also been involved in the community in several ways. The CROP Walk was a great way to get some fresh air and exercise while raising money for a worthy cause. The chapter also carved pumpkins again this year and took them to a local nursing home for the residents to enjoy during Halloween. Volunteering at a local health clinic was a good learning experience and yet another way for members to be involved on the community level.

Several Beta Eta brothers visited the University of Pittsburgh in late October for the Fall's Province II assembly. Our

thanks go to the host chapter, Beta Kappa, and to Kappa Psi brothers from all the chapters in attendance, for making a memorable weekend.

—Ann Sullivan

## **Gamma Upsilon** *University of Arizona*

The Gamma Upsilon chapter initiated 20 new pledges to the chapter on November 20. The 1998 Fall pledge class includes: **Janet Hillman, Jennifer Ho, Thuy Luu, Ruth Morris, Angili Madhok, Hemali Patel, John Baer, Keith Boesen, Jen DiMaggio, Jason Gilray, Brandon Hendrickson, Michelle Locklear, Heather Magallon, Damian Mendoza, Lynda Olson, Syble Reed, Amy Roach, Buffy Slater, Eric Van Hoesen, and Courtney Yee.** Welcoming our new brothers has been so easy because of their enthusiasm and willingness to participate and make our chapter even better.

Halloween brought with it the annual party, which displayed many of our wild sides and interesting "Kodak" moments. The product presentation for the new pledges was held on November 9, and was an educational experience as well as a comical one. Big Brother Appreciation Week was November 1-7, and the Little Brothers Week was November 8-14. During this time, many gifts were given and received. With the end of the year upon us, everyone has been concerned about finals, but also about the annual ski trip. Our Graduate chapter is slowly coming along, and we hope to at least get it up and running by the Spring semester, but there is still much to do and learn.

—Heather Allton

## **Gamma Epsilon** *University of Nebraska*

We are excited to have 22 new brothers in our chapter. Initiation was held on November 13, 1998, inducting the following pledges: **Chris Ott, Kandie Walker, Todd Secrest, Amber Anderson, Brandon Bleich, Sara Burda, Cody Carstensen, Haley Cronin, Kimberly Fichtl, Ryan Jackson, Joshua Jaeger, Craig Jansen, Julie Jarzynka, Derick Johnson, Autumn Kenny, Chad Miller, Maija Nielsen, Teresa Redler, Amy Reid, Nicole Schultz, Shane Schuster, and Michael Watkins.**

As a continuing philanthropy from last year, throughout the semester brothers of Kappa Psi have been providing weekly tutoring in math and science to students of the Sacred Heart School. Other philanthropy and fundraising efforts consisted of holding a chili feed for the families of transplant patients staying at the Ronald McDonald House. We have also

*Gamma Upsilon brothers display some of their costumes at the Halloween party.*

*Gamma Nu brothers show off their good looks for another photo opportunity.*

*Delta Theta brothers celebrate their 25th Anniversary*

hosted two sloppy-Joe feeds for the College of Pharmacy. Pretty soon, the guys will be making Rice-Krispy Treats without a recipe!

On the social scene, our chapter conducted a pumpkin-carving gathering, followed by yet another night of rough, tough, eye-bruising broomball. Will we ever learn?! Current plans also include a pitch tournament and a secret Santa gift exchange.

—*Jeanne Weeder*

## **Delta Nu** *Midwestern University*

Our quarter was very hectic due to all the events we had planned. We hosted the weekend of October 30 as our Mid-year weekend, and it was a huge success. We had more than 100 brothers attend. Thanks go to everyone who came. On Friday night, we stayed at the hotel and got to know everyone. On Saturday, there were workshops for everyone to attend, and in the evening, we gave the brothers a taste of downtown Chicago. Sunday provided breakfast for everyone before they checked out. Hopefully, the weekend was as much fun for everyone as it was for our chapter. Thanks go to brothers Jonra C. and Anita M. for organizing the entire event.

We also had our initiation the weekend of October 23, along with about 18 pledges. Thanks go to brother Julie S. for all the hard work she put into our pledge and initiation night.

We were also busy this quarter with all the fundraising events for which we had to raise money. We had a \$2,000 raffle where we success-

fully raised \$1,000 over the prize money. We also had a lab coat sale that raised more money than anticipated. We had our usual bake and nachos sales, which were successful, too. We conducted our annual Halloween Candy Sales fundraiser to raise money for the American Cancer Society. Special thanks goes to brother Tina S. for all the hard work she put into these events.

—*Sapana Patel*

## **Gamma Iota** *State University of New York*

The brothers of Gamma Iota congratulate their 15 new initiates to the chapter. The newest members of our family were initiated on November 7. They are: **Peter Brody, Jr., Daniel DiCenso, Jenelle Ferger, Bryan Gardener, Michele Hudak, Michael Ilardo, Adam T. Mark, Joseph Miles, Gloria Ouang, Liz Sonich, Lucas Stahl, Elaine Tseng, Chris Wallen, James Walsh, and Kate Williams.**

During the pledge program, our newest brothers carved pumpkins and helped to serve food at the Ronald McDonald House. We are now busy with Christmas and end-of-the-year parties.

—*Heather Coates*

## **Beta Upsilon** *Butler University*

Beta Upsilon is extremely excited to welcome 15 new members: **April Ott, Lisa Mazzacano, Stacy Thomas, Aimee Bye, Anne Hardy, Shandra Parker, Laurie Hall, Marie Cincwelli, Amanda Schroder, Erin Burton, Allyson Kiesel, Shannon Oakley, Soumya Prasad, Tania Purdy, and Stephanie Valse.** We have kept them incredibly busy this fall. Following the pledge ceremony, we had a hayride, followed by a bonfire. Everyone had a fabulous time, and we plan to make this a tradition at our chapter.

Pledges joined some of our brothers in volunteering for "Happy Hour" at a local nursing home. We danced and

talked with the residents, and served them pizza and soft drinks.

The pledges also prepared a display on "Poisons" and helped sell raffle tickets for our fundraiser.

The brothers of Beta Upsilon have been busy attending local meetings and interacting with other groups on campus. For National Pharmacy Week, we helped sponsor a free doughnut giveaway, along with APhA-ASP and the Butler Student Society of Health-System Pharmacists. Our school's APhA-ASP chapter hosted this year's region's Mid-Year Regional Meeting (MRM). Many Beta Upsilon brothers attended and were happy to run into some of our brothers from other schools. We also had four brothers attend Kappa Psi's Mid-Year meeting for Province V at Delta Nu.

—*Heather Cunningham*

## **Delta Theta** *Texas Southern University*

To celebrate our Silver Anniversary, Delta Theta sponsored many fundraisers. Among these were a barbecue and a t-shirt sale.

Everyone had an enjoyable time at the Hard Rock Cafe Happy Hour and decorating party. Grey Hall (pharmacy building) was literally and figuratively grey and scarlet for the celebration.

With the return of past regents and alums, a great time was had by all at the banquet on Saturday, November 7. National guests included Dr. Robert Magarian, Executive Director. The speaker was founding member and Past Regent, Fr. Patrick R. Wells.

—*Jamia Wilson*

## **Gamma Phi** *Georgia*

The school year started with our Welcome Back party on August 25. We welcomed all of the new students and the returning upperclassmen. On September 2 we held our Rush Party, inviting all who were interested in joining Kappa Psi. From this process came 11 pledges for the Gamma Phi chapter.

With the Georgia Bulldog football team doing well, we held several tailgating parties at the College of Pharmacy during the season. In addition, we conducted a Homecoming party on October 16 at the Gamma Phi House, in which many alumni attended. We had an oyster roast and a low-country boil, and for entertainment, we had a steel drum band playing the night away. Prior to the event, the alumni gathered for a meeting to start a new graduate chapter. We want to extend our gratitude to Gamma Phi alumnus Roy Tyson for his generosity at this party, and to Brother Daniel Gorzynski for his efforts and time dedicated to making this event a success.

On November 4, we held our biannual Red Cross blood drive. It surpassed our goal of 60 donors by 14. We have con-

*Beta Upsilon brothers Aaron Siems (l) and Jennifer Moore "hang out" after the hayride.*

## Kappa Psi Pharmaceutical Fraternity

August 3-8, 1999

### Tuesday, August 3

9 a.m. - 6 p.m.	Registration	Soft Seating Lobby Area
9 a.m. - Noon	Pre Con Exec Committee	Fireside Lodge
Noon	Exec Committee Luncheon	Fireside Lodge
1 p.m. - 5 p.m.	XC meeting continues	Fireside Lodge
6 p.m. - 8 p.m.	Opening General Session	Big Sky Ballroom
8 p.m. - 10 p.m.	Welcome Party	Prefunction and Courtyard (including tents)

### Wednesday, August 4

8 a.m. - 9 a.m.	Continental Breakfast	Prefunction
8 a.m. - Noon	Registration	Soft Seating Lobby Area
9 a.m. - Noon	Second General Session	Big Sky
10:15 a.m.	Coffee Break	Prefunction
12 Noon	Luncheon	Covered Courtyard
2 p.m. - 4 p.m.	Workshop I & C.E. I (Combined meeting)	Big Sky
4 p.m. - 6 p.m.	Workshop II	Ballroom B section of Big Sky (open area)
4 p.m. - 6 p.m.	Graduate Development Forum	Big Mountain Room
6 p.m. - 7 p.m.	Dinner on your own	
7 p.m. - 8 p.m.	Legislative Comm. Meeting	Ballroom B section

### Thursday, August 5

8 a.m. - 9 a.m.	Continental Breakfast	Prefunction
9 a.m. - 11 a.m.	Registration	Lobby
9 a.m. - 11 a.m.	Third General Session	Big Sky
11 a.m. - 7 p.m.	Trip to Glacier National Park	(Box Lunches)
8 p.m.	Ice Cream Social	Prefunction and Courtyard

### Friday, August 6

8 a.m. - 9 a.m.	Continental Breakfast	Prefunction
9 a.m. - 11 a.m.	Registration	Lobby
9 a.m. - 11 a.m.	Fourth General Session	Big Sky
10 a.m. - 11 a.m.	Workshop	Ballroom B Section
10 a.m. - 11 a.m.	Cont. Education II	Fireside Lodge
11 a.m. - Noon	Workshop IV	Ballroom B Section
11 a.m. - Noon	Cont. Education III	Fireside Lodge
1 p.m. - 2 p.m.	Workshop V	Ballroom B Section
1 p.m. - 2 p.m.	Cont. Education IV	Fireside Lodge
1 p.m. - 4 p.m.	Exhibitor (Chapter Sales)	Prefunction
6 p.m. - 8 p.m.	Graduate & Benefactor Rec	Prefunction

### Saturday, August 7

8 a.m. - 9 a.m.	Continental Breakfast	Prefunction
9 a.m. - 11 a.m.	Registration	Lobby
9 a.m. - Noon	Fifth General Session	Big Sky
10:30 - 10:50 a.m.	Break	Prefunction
Noon	Lunch on your own	
1 p.m. - 5 p.m.	Sixth General Session	
6:30 p.m. - 7:30 p.m.	Alpha Chapter Reception	Prefunction (Courtyard?)
7:30 p.m. - 9:30 p.m.	117th Anniversary Banquet	Big Sky Ballroom
9:30 p.m. - 1 a.m.	Dance	Big Sky Ballroom

### Sunday, August 8

9 a.m. - Noon	Post-Convention Executive Committee Meeting	Big Mountain
Noon - 1:30 p.m.	Executive and Advisory Committee Luncheon	Fireside Lodge
1:30 - 5:30 p.m.	XC Meeting Continues	Big Mountain

With these guys at the wheel, hang on to your hats . . . It's gonna be

**Wild!**

tinued our participation in the Adopt-A-Highway Program with two roadside clean ups this fall. Also during that time, we fielded two intramural flag football teams. One of our teams went all the way to the finals held in Sanford Stadium on November 8. Unfortunately, the team fell short of the championship, but we want to congratulate our brothers for their efforts during the season. Before the Thanksgiving break, we conducted a Gamma Phi Thanksgiving Dinner, and held a day of Paintball War. Both events were very enjoyable while strengthening the bonds of brotherhood.

—Roel Ruedas

## Beta Gamma *University of California, San Francisco*

It is going to be another exciting year for us. Our new installed cabinet will lead the way. Officers for this year include Agnes Sun, Regent; Wilson Wu, Vice Regent Academic; Christy Tsai, Vice Regent Social; Shauna Chin, Corresponding Secretary; Jamie Hirata, Recording Secretary; Kristan Aoki, Treasurer; Michael Ma, Historian; Michelle Le, Chaplain; Denise Wong, Sargeant-at-Arms/Parliamentarian; Dan Barnachea and Christine Nguyen, Rush Coordinators, and Donna Luong, House Manager. Once again, Ivy Lee will serve as our Grand Council Deputy.

We started the new academic year with many activities. Our first event was the Annual Bi-Frat Dinner, held in conjunction with Phi Delta Chi Pharmaceutical Fraternity. They provided the hearty dinner and we provided the delicious desserts. It was during this dinner that our two pharmaceutical fraternities were introduced to the first year pharmacy students. Our second event was Info Night, during which we discussed in further detail to curious and interested potential pledges the benefits of joining

Kappa Psi as well as sharing some personal experience or opinions on joining.

Other fun events that followed include making mid-term care packages full of goodies for the first year pharmacy students, an annual Halloween Party, a X-Files season premier night, a "Sundaes on Friday" night, a bowling night, pledge night, and a Thanksgiving potluck. Co-sponsored by the dental fraternity, Alpha Omega, we held our annual Halloween Party at the Beta Gamma house. The party was a blast! Students from all schools at UCSF participated in the festivities of that ghoulish night. We also made Thanksgiving home away from home. For many who chose not to go home for the holiday because it was too close to finals, we provided them the home baked turkey and honey baked ham. The turnout on pledge night was amazing. We got more than fifty pledges!

Along with these many social activities, Beta Gamma also sponsors three community service projects in association with the Academy of Students of Pharmacy. The Lung Cancer Project (LCP) educates the community about the hazards of smoking and tobacco use. They give slide presentations as well as showing live lung specimens to students in elementary, middle, and high school. Sponsored by the American Cancer Society, the annual Great American Smokeout hosted by LCP at the UCSF Ambulatory Care Center was a success. The Over-the-Counter (OTC) Project educates the public on the appropriate use of OTC medications through patient counseling and drug sample distribution. The Geriatric Awareness Project (GAP) raises community awareness of health care issues in the older population. Both the GAP and OTC projects actively participate in health fairs, give presentations at senior centers, and provide medication counseling. The community service projects

have continued successfully due to active participation from all Beta Gamma brothers.

## Delta Zeta Chapter *University of Iowa*

Fall semester has flown by, and the Delta Zeta brothers have been busy.

Eighteen new pledges were initiated on November 13. They are: **Stacy Schwab, Kyra Kunkle, Abby Aversing, Monica Fay, Eric Parsons, Nicole Scheckel, Brandy Miller, Erin Ulrich, Elly Putensen, Katie Sigwarth, Missy Collins, Kevin Chanez, Jenifer Hoy, Kelli Paulson, Brandi Marquart, Jodi Moeller, Bridget Schultz, and Melissa Boerner.** Congratulations to our new initiates!

On Halloween, several brothers made candy bags and handed them out at the University of Iowa Children's Hospital. The kids really enjoyed it, and we did too. We also held a bake sale for students and faculty at the College of Pharmacy. We made about \$100 and donated all of the extras to the Salvation Army.

Sixteen brothers attended Province VIII Conclave at BX, and eight of those were pledges. We all had an excellent time, and want to thank BX for a great weekend.

We have also begun handing out several monthly awards. Most Active Member for the month of October went to Christie Corkery. Most Active Pledge for October was a tie between Missy Collins and Monica Fay. The Most Active Member for November was Lisa Cooley. Best Performance at Initiation went to Kyra Kunkle. Most Creative Pledge Parent went to Brian Davis, and the Gomer Award for the craziest pledge went to Eric Parsons.

Coming up this winter is ice skating at the mall to relieve the stress of finals. We have several philanthropies planned as well including Dance Marathon and Relay for Life. Some members are also helping Make a Wish Foundation by taking kids' pictures with Santa at the mall. We are preparing a presentation for middle school children on the dangers of anabolic steroids, and we plan two presentations for next semester.

Finally, we are looking forward to joining North Dakota in celebrating their 75th anniversary at Spring Conclave.

Good luck to everyone as fall wraps up, and the new semester begins.

—Alysia Rubis

*Brothers of Gamma Phi take time out for this photo opportunity at UGA's Sanford Stadium as part of the November 8 intramural flag football team activities.*

**Receptions, refreshments,  
CE classes—its all included  
in your registration fee.  
See page 5 for details.**

## Louis Fischer

Louis Fischer served as Grand Regent of Kappa Psi from 1955-1957. As a member of Kappa Psi, he was instrumental in the reactivation of the Beta Omicron chapter in 1947 and served as the Grand Council Deputy until 1955. In 1948-49, he was Satrap of Province VII (now Province X). In 1949 he was elected First Grand Vice Regent and was again reelected to that office in 1951 and 1953. Between 1949 and 1953, he served as Supervising Grand Officer of Province VII and between 1953 and 1955, he served in the same capacity in what was then Province VI.

Professor Louis Fischer was born on August 18, 1905, the youngest of a large family, on the farm which his father had homesteaded in the Thornton Creek-Meadowbrook area, then far outside the Seattle city limits. He liked to reminisce about growing up near the salmon-rich creek and recall how it took him almost a day to make the trip to the university railway station driving a wagon with a team of horses.

Young Louis went to Lincoln High School, returning home each day to do his farm chores. He was prompted to study pharmacy after working part time in a drug store during vacations. He continued to work while an undergraduate, and this is where he met Marion Margaret Christenson, a clerk in the store. They were wed in 1929 and became the parents of two children, Marion Elaine and Brian Louis.

Dr. Fischer earned four degrees at the University of Washington—Ph.C., B.S., M.S., and Ph.D. He served as a pharmacy stock man for a year, and like many before and after him, came to the faculty by way of the “State Lab,” where he served as assistant state chemist for six years (the Dean of Pharmacy was the state chemist.) He was appointed as an instructor by the School of Pharmacy (then College) in 1935 and moved through the academic ranks, becoming a full professor in 1945. He served in this capacity and held several administrative positions for the next 29 years until his retirement in 1974.

After retiring, Louis and Marion moved to Sun City, AZ, to enjoy the desert climate they loved. She preceded him in death in 1993, and when he died in May 1998, their ashes were strewn over the desert.

Louis Fisher will live on in the hearts of many Kappa Psi brothers.

Dewey D. Garner  
Grand Historical Emeritus

**Louis Fischer, 1905-1998**
